

Water, Inc. is conducting its annual membership drive this month.

This organization, whose chief project is the importation of water for our area, needs and deserves the support of every person in Farmer County. And, it wouldn't be a bad idea for all individuals to support the organization, whether they are in business or not.

For, if this area ever runs completely out of water, which is the threat unless some type of import program can be arranged, then most businesses (including farms) won't be worth a fraction of what they are today, and this won't be nearly so desirable a place in which to live.

It is startling to learn that although you would expect the majority of businesses and farmer-businessmen in this area to belong to Water, Inc., that in reality only a very small percentage do.

In fact, Farmer County, with all of its wealth and prosperity, does not have enough paid members to qualify to elect a director to the board of the organization. A.L. Black is on the board, but he is a member at large.

We are herewith issuing a challenge to our Friona area businesses, industries, farmers and individuals, to join Water, Inc., and lend their assistance in working for the future of our area.

Water, Inc., currently has a membership of 2,200 persons, and officials have set a goal of 3,000 members by the end of the drive. There should be 800 individuals and businesses in Farmer County to make up the difference.

Membership is on a donation basis. You are asked to send your donation of \$25.00, \$50.00 or \$100.00 to Water, Inc., in care of Friona State Bank.

Let's get our director back for Farmer County. Join today... have a stake in tomorrow.

We were surprised by at least one of the amendments passed last week by Texas voters. For years, voters have been rather on the conservative side in passing amendments, particularly where it gave lawmakers more power than the people thought they should have.

However, these same voters gave the legislature the go-ahead to completely re-write the state constitution, in effect, giving them the right to "help themselves" without individual rights.

This constitutional re-writing may be one of the biggest and most controversial projects to hit our state in many years. Not only will it be a job to get accomplished, but it will take a major selling job when finished, since the voters will at least have the final say in its adoption.

Representative Frances (Sissy) Farenthold voiced her objections to the legislature re-writing the constitution, to which a newsman asked her "Don't you trust your fellow legislators to write a new constitution?" To which Mrs. Farenthold was said to reply "I most certainly do not."

And this may well be the case with a lot of average citizens.

Another amendment which we were surprised to see passed last Tuesday was the one to extend the terms of state officers to four years.

We've always clung to the theory that a two-year term kept state officials "honest," with the idea that the voters can turn them out of office within two years if they object to what they are doing.

Now, when the new amendment becomes effective, we'll have to wait four years to do our housecleaning. And most wives will tell you that a house can become pretty dirty and cluttered in four years time.

PRIZE WINNER... Winner of the spinning wheel planter given by Carrol's Printing at its open house last weekend was Mrs. Wayne Johnson, left. Shown presenting the prize is Mrs. Don Gatlin.

SENIOR CHIEFTAINS... Eighteen boys connected with the football team will be seeing their last action for Friona High School Friday night at Morton. In the back row, left to right, are Willie Bailey, Matt Garth, Robert Jackson, Johnny Bandy, Danny Newton and Kevin Wiseman. In the center row are

Scott Lillard, Rudy Aguirre, Mario Perea, Mike Martin and James Bartlett. In front are Louis Lee, Mark Walters, Rex Minshew, Jayson Grimsley and Frankie Satz. Not pictured are Bobby Moore and manager Dickie Garner.

WIND UP SEASON

Record, Pride At Stake For Chiefs

The Friona Chieftains will close out a successful but sad football season on Friday, when they travel to Morton for the final grid game for 1972.

By winning, the Chiefs can equal their all-time best season record of 8-2. They also would claim the best season record among district teams, as Littlefield, the district champion, already has finished with a 7-2-1 record.

However, the Chiefs will be facing one of the most dangerous teams in District 3-AA, Although Morton's 2-6-1 season and 1-1-1 district records do not look very awesome on paper—one has to consider what the Indians have done when they put everything together.

One of the Morton wins was over Muleshoe, and the tie was against Littlefield—the two teams which have soiled Friona's otherwise perfect ledger this season.

The Chiefs will be out to establish possible team records in the contest.

Friona has allowed only 67 points this season—the best defensive record in the past 20 years. A good team effort on Friday could insure that the Chiefs have the best offensive and defensive records in District 3-AA this season, and salvage a measure of consolation.

The win also would clinch the district runner-up spot, al-

though a loss would turn that honor over to the Indians, by one-half a game.

The game will be the last for 18 seniors associated with the team. They are Willie Bailey, Matt Garth, Robert Jackson, Johnny Bandy, Danny Newton, Kevin Wiseman, Scott Lillard, Rudy Aguirre, Mario Perea, Mike Martin, James Bartlett, Louis Lee, Mark Walters, Rex Minshew, Jayson Grimsley, Fr-

ankie Satz, Bobby Moore and manager Dickie Garner.

Actually, Walters will not be able to play, due to a broken leg sustained in the Dimmitt game.

Coach Bob Owen said the staff and players were approaching the game with the idea of winning, so as to finish with as good a record as possible.

"If we win, we will finish just a half-game and a blocked

punt out of the championship," Owen said.

He emphasized that the team would have to play its best in order to win, as Morton has come on strong in recent weeks, and always seems to be up for the big games.

Friona holds a 9-6 series lead over Morton, but has had to win the last six games played between the schools to achieve the edge.

Speaker, Date Told For Chamber Fete

The Friona Chamber of Commerce announced the date for its 1973 annual banquet as February 27th at the regular meeting Tuesday of the chamber's board of directors.

Speaker for the affair will be Bob Murphy, Nagodoches attorney who is a humorist.

President Dale Cary has appointed a nominating committee to find a slate of nominees for five director positions which will expire on the board.

Directors whose terms are expiring are H.K. Kendrick, Ray Murphree, Wendell Gresham, Glenn Reeve, Jr., and Ron Dav-

enport. Also going off the board will be ex-president Ralph Shirley.

Also at Tuesday's meeting, Baker Duggins, school counselor, gave a report on the drug and alcohol training school he attended recently in Amarillo, and told ways the training could be used to help stem the drug problem.

Duggins showed a slide presentation depicting tools which can be used in combating drug and narcotic use.

President Dale Cary discussed the possibility of forming a board of city development, which would be an agency of the city, and outlined how such a board is financed and organized.

Curtis Butler Serviceman Is Honored

Curtis Butler, Jr., serviceman at Friona, was honored for 20 years of service by Southwestern Public Service Company at its 24th annual service awards dinner held Tuesday in Amarillo. Berl Springer, executive vice president of the company, made all 98 presentations for service ranging from 5 to 35 years.

This dinner was the last of four dinners held this year in the electric company's service area honoring a total of 305 employees with a combined service of 5470 years.

Jaycees Slate Turkey Shoot

Friona Jaycees are sponsoring a Turkey Shoot Saturday and Sunday, November 18 and 19. Anyone interested may enter. There will be an amateur division and an expert division. Participants will shoot for turkeys, bacon and hams. Ammunition and guns will be available.

Friona Gun Club members will be assisting the Jaycees in this project.

Location of the shoot will be at the range near Benger Air Park. Starting time will be 1 p.m. each day.

FFA Skills Team Makes State Finals

Friona Future Farmers of America's senior farm skills team has earned a place in the state leadership contests this weekend in Austin.

Mitchell Wiseman, Kevin Welch, Ronnie McLellan, Gene Strickland and Charles Wilkins are members of the team, which will compete Saturday on the Sam Houston State University campus in Huntsville.

The skills team won the right to compete after winning first place at the Area I contests last Saturday at Plainview. They previously had won first place in the district contests, which qualified them for the area event.

The junior farm skills team, which won the district contest, placed third in the Area I competition. Members of the junior team are Davy Cartiel,

Gary Self, Jimmy Murphree and Doug Norwood.

Both the senior and junior teams did their skill on an electric fence demonstration.

The local chapter's radio broadcasting team, composed of Johnny Bandy, Kevin Wiseman and Danny Newton, placed second in the district contests.

The FFA Quiz team placed fourth. Members of this team are Ronnie Williams, John Jones, Stephen Jones and Kathy Calder.

The junior chapter conducting team ranked sixth in the district event. Members of this team are Danny Campbell, president; Loren Martin, vice president; Keith Pryor, sentinel; Tim Boeckman, reporter; David Barnett, secretary and Kent Miller, treasurer.

Benny Pryor and Bob Middleton are chapter advisors.

FFA Winning Extends 2nd Generation

Members of Friona FFA's farm skills team which will compete for state honors on Saturday have a "second generation" tradition going.

Ray Strickland, who was a member of the 1947 skills team that went to the state meet, is the father of 1972 team member Gene Strickland.

Ken McLellan, a member of the 1953 skills team that also was a state finalist, is the father of 1972 contestant Ronnie McLellan.

STATE TEAM... The Friona High School FFA farm skills team won first place in the Area I contest last Saturday, and will compete in the state meet Saturday at Huntsville. Standing are Ronnie McLellan, Charles Wilkins and Mitchell Wiseman. Kneeling are Kevin Welch and Gene Strickland. Fathers of two of the boys, McLellan and Strickland, were on former state finalist teams. (See stories elsewhere)

FOOTBALL CONTEST

Leader Opens Up Three-Point Edge

Andrea Wilkins opened up a three-point lead in the race for grand prize in the Friona Star's football contest after the tenth week.

With three weeks remaining in the competition, Miss Wilkins has a score of 120. Joyce Broyles slipped into second place, with 117 points.

Jerry Hinkle, who had been in sole possession of second place the past couple of weeks, found himself tied with Keith Blackburn and Roy Rector for third place with scores of 116.

Andrea was one of only 24 contestants who had scores of 12 for the week, and thereby was able to add to her lead in the contest.

Larry Broyles and Margaret Duggins also scored 12s, and came up to tie Winifred Hurst for fourth place with scores of 114. Mrs. Hurst had an 11 for the week.

Jerry Brown and George W. Jones tied for first and second place in the weekly contest, being the only ones of the 150 entering to correctly pick 13 of the 16 contest games. Both contestants picked the same score on the Dallas-St. Louis game, which was used for tie-breaker purposes. Each contestant was awarded \$4.00.

Claiming third place in the weekly contest was Donita Martin, who was one of 24 contestants to correctly pick 12 games. She missed the tie-breaker by only two points, picking it at 35-24, when the actual score was 33-24.

Others getting 12 games right were Houston Bartlett, David Barnett, Hal Blackburn, Joyce Broyles, F.G. Crofford, Dale Cary, Ron Cain, Movelda For-

tenberry, Mr. and Mrs. Albert Johnson, J.L. Lambert, Terry Mabry, Dianne Morgan, Dale Milner, Mike Martin, Jimmy Pena, H.W. Roberts, Gladys Spring, Frank Truitt and Bobby Zetzsche.

Forty-seven contestants had scores of 11, and another 35 had scores of 10.

The game that gave most contestants something to puzzle over was the Vega-Kress game, with 79 contestants picking Vega, to 71 for Kress. The most "useless" game was the Texas Tech-TCU game, in which only one contestant—Doyle Mabry—picked TCU. The ironic thing was that Mabry was the only one of the 150 contestants to get the game right, in the week's top upset.

Fire Dept. Gets Check

The Friona Volunteer Fire Department received a check for \$75.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Edwinston Clark of Friona, Texas.

The money will be used for their purchase of equipment. The Texas Farm Bureau Insurance Companies pay volunteer fire departments this amount when the department works at a fire in rural areas, involving property insured by them.

The insurance Company believes volunteer fire departments have contributed to reduce the amount of loss involved by fire and more important, to prevent fires.

Patrolmen Get Degrees

Two employees of the City of Friona were among 23 students receiving their diplomas from the Amarillo College Basic Certification Course for Law Enforcement Officers last Friday afternoon.

Donnie Gene Ballew and Robert E. Davis, members of the Friona Police Department, were among those honored at a special banquet recognizing those who completed the 240-hour length program.

Special guests at the dinner included Paul Hulsey, Amarillo Chief of Police, C.L. Abernethy, Law Enforcement Coordinator of the Panhandle Regional Planning Commission and Bob McCarty, acting sheriff of Potter County.

Richard E. Long of the Federal Bureau of Investigation in Dallas was the special guest speaker. Dr. Norman Wallace, dean of the Technical-Vocational Department at Amarillo College, presided at the banquet.

Supplements Are Received

The summer supplements to the 1972 Chieftain yearbook, which had to be re-printed, are now in and are being distributed, according to Mrs. W.L. Cleveland, yearbook sponsor.

The supplements are being given at school to those who purchased yearbooks last year. Mrs. Cleveland says that seniors who graduated last spring, or townpeople who purchased the yearbooks may get their supplements by stopping by the high school principal's office.

Mrs. Cleveland also reminded that anyone wishing to purchase a copy of the 1973 yearbook should get their orders in right away. Cost of the yearbook is \$7.00.

Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--NOVEMBER 11, 1932
 The national election for this year is now history. As far as Friona was concerned, we had a most beautiful day for the election, and everything went off peaceably. Mrs. (Ma) Ferguson received 184 votes and Mr. Bullington received 168 votes at Friona (in the governor's race). Judge Aldridge, for county judge, received 300 votes, to 57 for Mr. Kinsley, the Republican candidate. Mr. Rushing for clerk received 313 votes to 38 for Mr. Simpson.
 The statement that Mr. Roosevelt carried 75 states out of the 48 seems to have gone unchallenged here.

30 YEARS AGO--NOVEMBER 13, 1942
 Mrs. Joe Jesko, chairman of the sponsors committee of the County Home Demonstration Council, announced this week that enrollment in the girls 4-H clubs shows an 11 per cent increase over last year. The enrollment at present is 150 members in seven clubs. Girls from Friona to be honored this month include Camille Elmore, Dorothy Nell Quinn, Betty Ruth Houlette, Gladys Roberts, Betty Jean Turner, June Moody, and Betty Lou Talkington.

20 YEARS AGO--NOVEMBER 13, 1952
 The Friona Chieftains romped over the highly-touted Anton Bulldogs in the last regular season game last Friday, copping the District 3-B championship in the 61-33 win on the local sod. The championship earns the Redmen another game. They will play for bi-district honors against the winning South Plains team, probably Idalou, at a time and location yet undetermined, except that it will be during Thanksgiving week.
 Friday's scoreboard read 20-0 at halftime, on tallies by Robbins, Robason and Jordan. Anton's first score came after Friona had racked up 34 points.

10 YEARS AGO--NOVEMBER 15, 1962
 The Running Water Draw Watershed project cleared a legal hurdle in Farmer County on Tuesday, when the commissioners' court tentatively agreed to act as co-sponsor of the project. The Farmer County Soil Conservation District, original sponsor, asked the commissioners to co-sponsor the project. Figures compiled this week by City Manager Arley L. (Jake) Outland revealed that the city has already set a new record for building permits within a calendar year, with a month and a half remaining in 1962.

Pause and Reflect

By Nelson Lewis

If President Nixon's administration will follow through on his statement that, "a great victory imposes great responsibilities," the next four years will set the stage for an unbelievably bright future. There is a very thin line of definition between "responsibility" and "obligation"; surely the magnitude of the Nixon vote brings him face to face with the task of supporting legislation satisfactory to more than 60% of the people.
 What does Mr. Average American expect in return for his vote?
 An honorable peace in Southeast Asia.
 Fair, honest, above-board trade with the rest of the world.
 Cooperation in science, economics, and the arts with the Communists—never forgetting they are Communists.
 A complete overhaul of the Internal Revenue System so that it becomes an organization dedicated to collecting a fair tax to support an honest government.
 Apply the rules of sound business management to every governmental bureau and department.
 A return to the States of education, health and welfare—based on the belief that local people are the best judges of local needs.
 A modern defense department with the finest equipment; one that a man will feel proud to serve in and one that will strike fear into the hearts of aggressors.
 A court system that respects the Constitution as written because this document is the firm foundation upon which we have built our Nation.

The voting public has spoken in a voice loud and clear. They deserve a positive acknowledgement that they have been heard.

In his youth, Mahatma Gandhi maintained a successful law practice in South Africa.

LETTERS TO EDITOR

Dear Editor:
 Please let me know where I can get a Chieftain yearbook. You see, I went to Friona High School 25 years ago, and was a member of the football squad. I got to see them beat

Dalhart while there. We have a great team.
 I want to thank all the fine and wonderful people who shared our grievance for our loved one, our mother. I also want to thank the editor for your nice write-up in your paper about our mom.

She was a proud and wonderful pioneer who was always trying to better Friona. On behalf of the family, my sincere wishes to the finest people in the world, our proud city of Friona.
 Yours truly,
 Robert Coneway

THANK YOU

I would like to express my heartfelt appreciation to my many friends and neighbors who supported me in the race for county commissioner.

Even though I lost the race, I still feel there is rather urgent need for some reform in county government and will be trying to accomplish this in some other way.

MR. AND MRS. JOE JESKO

Anniversary Reception Will Honor Joe Jeskos

Mr. and Mrs. Joe Jesko of Route 1, Friona, will be honored with a Golden Wedding Reception Sunday, November 19. Hosts will be children and grandchildren of the couple.

Church services will be at St. Anthony's Catholic Church in Hereford and the reception will be held at Knights of Columbus Hall.

Joe Jesko and Ida Hopper were married in Hereford November 20, 1922, and have lived in the Lazbuddie Community for many years.

Children of the couple are Mrs. Bettye Bagley, 601 Browning, Amarillo; Mrs. C.W. James, Hereford; Mrs. Alfred Hoffman, Adair, Oklahoma; Mrs. James Acker, Tulsa; Pete Jesko of the Lazbuddie Community; and the late George Jesko of Amarillo.

Local Students Pledge Sorority

Two Friona students have pledged the Kappa Delta national social sorority at West Texas State University.

Freshman Cheryl Patterson and junior Theresa Seaton pledged the newly organized social group. Members of this pledge class will be the charter members of the organization.

Miss Patterson, a nursing major, is the daughter of Mr. and Mrs. Russell Patterson, 1000 W. Fifth, Friona and a 1972 graduate of Friona High School.

Miss Seaton is an elementary education major and the daughter of Mr. and Mrs. Jimmie Seaton of the Lazbuddie Community and a 1970 graduate of Lazbuddie High School.

Kappa Delta officers are president Terri Donovan of Canyon, vice president Cindi McLane of Denver City, secretary Nena Spicer of Bovina and treasurer Vicki Summers of Amarillo.

Those of you who regularly read Texas Clubwoman can skip over the next few paragraphs. The article was written primarily to members of clubs, but most of us could apply the ideas presented to our community.

Then there is COMMON Tater. She never has an original idea, and she never does a thing; but if you do something, she's right there to tell you how you should have done it. She can tell you exactly what's wrong with the Club projects and programs, but she never has a worthwhile suggestion for improving them. She won't take an office herself, but when someone else takes office, Common Tater tells her just how to do her job.

Next is HESSY Tater. Hesy does not think that the Club should take on too much. Why get rid of the termites? It will cost a lot of money, and besides no one has fallen through the floor yet.

Last we meet SWEET Tater. Everybody loves her. She's always the first to volunteer. If someone else falls down on the job, she steps in and finishes it. She does everything she is asked to do... she goes the "second mile" and "burns the midnight oil." She will help you, too, if and when you call on her.

This, then is the TATER Family. I am sure that we are able to identify ourselves with one of the members of the family.

IT'S THE TATERS

This morning I plan to introduce you to the Tater family... the Taters are the town's leading citizens, and they make up the membership of all organizations everywhere.

First, let me introduce you to SPECK. Speck Tater always comes to the Club; in fact, she never misses a meeting. If the program is interesting, she laughs; if it is boring, she yawns. But she never takes part in a discussion; she never makes a suggestion; she never volunteers for a job... In other words, Speck just sits there.

Now here is EMMA Tater... She is an agreeable girl... if anyone else ventures an idea, Emma is all for it.

DICK Tater belongs to every organization and runs them all... If the President hesitates, Dick jumps in and takes over.

Next we meet AGGI. Aggi Tater never missed a trick. She keeps the meetings lively. If things are going smoothly, Aggi can always be counted on to throw a wrench into the machinery.

Visit In Friona

Mr. and Mrs. Dave McReynolds and children, David, Tommy, Pam and Emily, of Stratford spent the weekend visiting in Friona.

They were guests in the home of Mr. and Mrs. Wesley Foster. McReynolds, who is a former editor of the Friona Star, is publisher and editor of the Stratford Star.

Round Table Discussion Highlights Club Meeting

A study of public affairs at the Tuesday evening meeting of Modern Study Club was highlighted by a panel discussion. Mrs. H.K. Kendrick moderated the discussion, which was followed by a question and answer session.

Theme of the program was "Tomorrow's Leaders—Look to the future." The quotation used was "Life in the twentieth century is like a parachute jump, you have to get it right the first time." —Margaret Mead.

Those participating and their themes were as follows: Teresa Bingham, a future teacher; Donna Lewellen, a health career; Carol Reeve, a homemaker; Mary Beth Bennett, a student council officer; and Sharon Smith, a Girl's State representative.

Following the Pledge of Allegiance to the American flag, which was led by Mrs. Wright Williams, a program of special music was presented by Danny Holley and Brian Witten, which included "Mary Is A Grand Old Name," and "Pass It On."

During the business session, which was presided over by Mrs. Lois Miller, plans were made for each club member to make a cash contribution to the state hospital at Wichita Falls. These contributions are to be brought to the November 21 meeting of the club.

Refreshments were served by the hostesses, Mrs. Dave Thompson and Mrs. Dalton Caffey.

WEDDING DATE ANNOUNCED... Mr. and Mrs. Douglas Short of Loveland, Colorado, and Mr. and Mrs. Marion Fite Jr. of Friona, have announced the engagement of their children, Dena and Terry. Both are graduates of Friona High School. They will be married December 29, 1972 in Grace Baptist Church of Loveland, Colorado.

Americanism Program Presented At Meeting

Program theme for the Wednesday afternoon meeting of Friona Woman's Club in Federated Club House was "Americanism."

John Kennedy's quotation, "Ask not what your country can do for you, but ask what you can do for your country," was used.

Guests on the program were Sharon Smith, who gave a report on last year's Girl's State, and Gary Mingus, who reported on Boy's State.

Mrs. Sam Williams outlined plans and purposes of the American Legion and American Legion Auxiliary.

Following repetition of the Pledge of Allegiance to the American Flag, members present answered roll call with a comment on the etiquette of displaying the American flag on holidays.

The hostesses, Mrs. Carl Maurer and Mrs. Malinda Schlenker, served refreshments of brownies topped with whipped cream, nuts, coffee and tea to the guests and fourteen club members.

Dixie Wilkins Is Enrolled At TSTI

Dixie Wilkins of Friona is a student for the fall trimester at the Texas State Technical Institute in Waco, Texas.

Dixie has enrolled in dental assistants at State Tech, the state's first technical-vocational training center.

The James Connally Campus is the hub of the multi-campus facility, now in its sixth year. Programs include studies in technical fields, vocational skill development areas, and numerous other special training areas.

Other TSTI campuses are located at Harlingen, Amarillo and Sweetwater.

Dixie is the daughter of Mr. and Mrs. Waymon Wilkins of 1211 White Ave., Friona, Texas, and a 1972 graduate of Friona High School.

Visit In Colorado

Mrs. Herschel Johnson and Mrs. J.G. McFarland returned home Tuesday after spending several days visiting and sight-seeing in Colorado.

They visited Mrs. Johnson's daughter, Kay, who teaches kindergarten in Denver.

Engagement Announced

Mrs. Charles Hamilton of Hobart, Indiana, has announced the engagement and approaching marriage of her daughter, Beverly Jeanine, who lives in Pierre, South Dakota, to Jackie Caswell, a former Friona resident.

Caswell is a 1970 graduate of Friona High School and the son of Mr. and Mrs. Donald C. Green, who live here. He attended Texas Bible School, Houston, one year.

Miss Hamilton is a graduate of Hobart High School and Purdue University School of Nursing.

The couple plans to exchange wedding vows in United Pentecostal Church, Pierre, November 25.

Club Members See Drug Film

The Health Careers Club of Friona High School met Thursday, November 5. A film was shown on "Drugs."

Those attending the meeting were Mrs. Tommie Mercer, sponsor, Donna Lewellen, Pam Wilcox, Jana Robertson, Karen Merrill and Patti Crump.

Is now the time to refinance loans?

Additional capital for expansion, more money from your equity, debt consolidation, smaller payments—these might be important reasons for adjusting your loan structure. The Federal Land Bank often can provide refinancing at lower cost and greater convenience than you'll find at other sources of credit.

With a Land Bank loan, your debt will be easier to manage. You'll have just one place to make payments, and a schedule that best fits your income. Repayment ahead of schedule is permitted without penalty.

It's sound business to analyze credit obligations at least once each year to make sure you're using borrowed money to maximum advantage. We would be glad to help you compare loan terms, make financial projections, and determine the amount of credit you should be carrying. Should you decide to rearrange your debt structure now, let us work with you on a plan tailored to your needs.

Jaycee-ettes Apply For Charter Here

The Friona Jaycee-Ettes had a meeting Monday, at 7:30 p.m., at the Friona State Bank. The purpose of the meeting was to apply for a charter from the Texas Jaycee-Ettes and to elect a Board of Directors.

Those elected to the Board of Directors and then assigned to a Standing Committee by President Pat Cupell were: Mrs. Ernest Mingus, Membership and Publication Committee; Mrs. John Mars, Social Committee; Mrs. Billy Peek, Ways and Means Committee; Mrs. Don Gatlin, Civic and Program Committee; and Mrs. Charlie Bell, Awards Committee. Mrs. Don Dennis was appointed Parliamentarian.

Charter members of the organization are Mrs. Charlie Bell, Mrs. Albert Cupell, Mrs. Don Dennis, Mrs. Leslie Fithen, Mrs. Paul Galyon, Mrs.

Don Gatlin, Mrs. John Mars, Mrs. Ernest Mingus, Mrs. Billy Peek, Mrs. Charles Short, Mrs. Larry Taylor, and Mrs. Wayne Tunnell. Mrs. Larry Pennington attended the meeting also.

The Hereford Jaycee-Ettes are paying for the charter fee for the Friona chapter since they are extending the Friona chapter. Those in attendance from Hereford were: Mrs. Bill Johnson, State Director; Mrs. John R. Bunch, Parliamentarian; Mrs. Bill Bankston, Treasurer; Mrs. Don Warrick, Mrs. Robert G. Brown and Mrs. Jerry Tisdale. Mrs. Warrick explained the awards program to the Friona Jaycee-Ettes.

The Friona Jaycees and Jaycee-Ettes were guests at a social in Hereford Saturday which was hosted by the Hereford Jaycees.

MOBILE BUFFET KEEPS GUESTS SMILING

Where the guests are—that's where a party buffet-bar should be. While guests are discovering each other, you can bring the buffet-bar to them. And with Meat Balls Stroganoff and dry Manhattans on the menu you won't want to pass up these taste tempting items.

Arrange food and drink on a rolling cart or tea wagon to make mobile serving easy. Then your buffet will be conveniently close at hand wherever guests congregate—and it can move when they move.

MEAT BALLS STROGANOFF

- | | |
|----------------------|---------------------------|
| 4 pounds ground beef | 2 large onions, chopped |
| 2 cups bread crumbs | 1 pound mushrooms, sliced |
| 1 1/2 cups milk | (or 1 8-ounce can) |
| 2 eggs | 1 tablespoon flour |
| 1 tablespoon salt | 1/2 cup liquor of choice |
| pepper to taste | 2 cups sour cream |
| 6 tablespoons butter | |

Have lean chuck or sirloin ground twice for extra fineness. Soak crumbs in milk, add eggs, beat well. Blend with meat, adding salt and pepper to taste. Shape into small balls. Melt 2 tablespoons butter in large skillet, brown meat balls on all sides, shaking the pan to keep them round. Remove meat balls to heavy pan. Add remaining butter to skillet, cook onions and mushrooms until just tender and translucent. Sprinkle with flour, stir a minute or two. Add liquor and cook, stirring into brown bits, until the sauce thickens slightly. Stir in sour cream and heat. Keep hot until serving time. Makes 32 hours d'oeuvre servings.

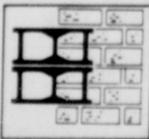

HELPFUL TIPS FOR OLDER DRIVERS

Although older motorists have long been accused of being less safe on the road than are younger drivers, the truth is that the oldsters have better driving records, according to a leading insurance company.

After analyzing the driving statistics of 500,000 drivers over the age of 50, the insurance company's findings are so favorable that it is offering auto insurance with guaranteed lifetime renewal features to drivers age 50 and over.

Based on patterns found among safe drivers, Colonial Penn Insurance Company has compiled these safety tips for mature motorists:

1. Don't try to drive great distances in one day. Limit a long trip to a series of short drives. This eliminates fatigue and the danger of monotony caused by long hours behind the wheel.
2. Limit each day's drive to five or six hours and no more than 250 to 300 miles.
3. Avoid super highways that require you to drive at constant high speeds.
4. Use secondary roads that have lighter traffic. They often offer the advantage of a more scenic trip.
5. Don't drive during heavy commuting hours, especially within metropolitan areas.
6. Don't drive at dusk. Poor light and long shadows distort and hide possible obstacles.
7. Cut down on nighttime driving. Older person's eyes tend to react more slowly to changing light conditions. Nighttime driving requires a constant adjustment to oncoming headlights.
8. Use special caution at unregulated intersections. Older drivers may find it difficult to make quick decisions and responses to meet sudden hazards.
9. On long trips, plan to stop driving each day in mid-afternoon. This schedule permits a relaxed dinner and a full night's rest.

The Library Corner BY MRS. BILL ELLIS

Friona Public Library is one of 12 libraries in the 25-county area that surrounds Amarillo that have qualified for membership in the Amarillo Major Resource System organized under provisions of the Texas Library Systems Act. Administered by the Texas State Library, the Systems Act gives public libraries that meet certain standards of public support the right to join a system for carrying out cooperative programs of various kinds.

Amarillo Public Library serves as the Major Resource Center for the system. Serving as area libraries are Hutchinson County Library, and Lovett Memorial Library, Community Libraries are Canadian Public Library, Castro County Library, Killgore Memorial Library, Friona Public Library, Deaf Smith County Library, Carson County Public Library, Perry Memorial Library, Sherman County Public Library, and Hansford County Library.

Under the Statewide Plan for Library Development, Texas has been divided into ten areas. The largest library in each serves as the Major Resource Center. Other libraries serving more than 25,000 persons and meeting other qualifications are area libraries. Smaller libraries are designated community libraries.

A total of 195 libraries throughout the state qualified for system membership. "We are particularly gratified that 29 libraries that did not qualify for membership last year joined the system this year," said Dr. Dorman H. Winfrey, director of the Texas State Library. "This not only means that local support for libraries is improving but also that libraries are recognizing the benefits of system membership to their patrons."

During the spring all systems members will select delegates who will meet to elect two members of the six-member Advisory Council to replace the members whose terms are expiring.

In recent years, library systems have been organized in many states.

The Texas legislation differs from that enacted in some states in that Texas systems draw upon existing strength in libraries. Although provision is made for limited kinds of grants for new libraries or for areas with a tax base so low that funds are not available for library service, emphasis is upon the development of programs that are best carried out by a group of libraries. For example, one system might employ a children's specialist who would work to improve service in all system libraries, another might decide that inter-library referral of reference questions is vital, and still another might develop a special collection of books that would be available to all members.

The local library benefits from this State affiliation as well as from other area libraries. We have approximately 200 books on loan from the Amarillo Public Library at all times. These books are changed every six months in order to give the local readers more variation.

New books on our shelves this week include Famous First Facts and American Book of Days.

When a man found out that a surplus of algae in Lake Erie was a problem, he had a "brilliant" idea: since algae can't live without phosphates in the water, and since phosphates are the main cleaning agents in detergents, pass a law putting an extra tax on housewives unless they use either no detergents or detergents without the phosphates!

Would it work? No. There are already enough phosphates in Lake Erie to support the algae for the next 100 years. We have to get rid of some other nutrient that algae needs. And since fish need algae for food, the total elimination of all algae from Lake Erie would lead to the death of millions of fish!

Earl Graham Inez Wheeler and Evelyn Graham Audrey Graham
PARMER HOUSE OWNER

\$25.00 Loan Launched Graham's Cafe Career

Earl Graham's first restaurant was an eight-stool hamburger joint, in McLean, Texas, which he went into with a \$25,000 loan. That was back in 1932.

Things have changed somewhat from the nickel hamburgers (six for a quarter) of those early depression days. But Graham has stayed with the food business.

Today, he and his wife Audrey own and operate Earl's Parmer House Restaurant on West Highway 60 in Friona, a favorite eating place for many Frionans, as well as truckers and tourists who use Highway 60.

Actually, Graham began his career in the cafe business at the age of eight, when he had to stand on a soda pop case to wash dishes in his father's business at McLean.

"I'm 58, and I've been in the restaurant business for 50 of those years," Graham says.

The Grahams first came to Friona in January of 1958, which will be 15 years ago on January 15 of next year. They bought out Smiley's Cafe, and

operated a restaurant at that location, adjacent to Smiley's Courts, until three years ago, when they bought the Parmer House.

"People gave me six months to stay in business when we came here; then a year, then two. Now, maybe I'm going to be permanent," Graham jokingly says.

A big booster for Friona, the restaurant operator believes the city has a lot going for it that other places do not.

"People who don't think the packing plant (Missouri Beef) has helped Friona should be in the restaurant business. Why, when the strike was on, we almost had to shut down," Graham says.

He contends that the plant, along with the feeding industry has been a big help to area farmers, in guaranteeing them good prices for their crops.

A drawing card at the Parmer House is its daily buffet line, which features a variety of meats, vegetables, salads, dessert, plus choice of drink.

And, as their ad on this page proclaims, the Parmer House features "The best steaks you can find in Cattle Country."

Graham has seen Friona grow considerably in the 15 years he has been here.

"When we first came, our house and the Drakes' were the only houses in the Drake Addition, which is practically full now, and several other additions have been added," he says.

Employees at the Parmer House include Inez Wheeler, Evelyn (Mrs. Pete) Graham, Marcina Rios, Nora Rios, Esther Rios and Shirley Kesner.

Audrey serves as waitress and cashier, a position she has held for most of the Graham family's restaurant career.

The Grahams are raising a couple of waitresses of their own. Laquita is a junior and Earlene a ninth grader at Friona High School. They are a lot of help at the restaurant.

"Friona has been real good to us, and we appreciate our many customers more than we can tell them," Graham says.

Topics ranging from wheat production and grazing to ecology will highlight a Wheat Symposium at Amarillo on November 29. On the following day, several out-of-state speakers will discuss key topics related to the overall wheat situation, farm programs, and transportation during the 22nd annual meeting of the Texas Wheat Producers Association (TWPA).

The two-day program will be conducted at the Holiday Inn West and will begin each day at 9 a.m.

The first day's program will include discussions on ecology, current wheat situation, control of wheat insects, diseases and weeds, wheat varieties, feed wheat, wheat grazing, and health problems of animals on wheat pasture.

Among the keynote speakers will be Bill Nelson, Executive Vice-President of the Texas Wheat Producers' Board, and Dr. L.S. (Bill) Pope, Associate Dean of Agriculture at Texas A&M University. Also on hand will be specialists with the Texas Agricultural Extension Service and Scientists with the Texas Agricultural Experiment Station. A consultant in feed wheat nutrition and a livestock

and wheat producer will also be on the program.

The TWPA meeting on November 30 will feature several outstanding speakers on the national scene. Among these are Joe Halow, Executive Vice-President of Great Plains Wheat, Inc., Washington, D.C., who will discuss the world wheat situation. Gene Moos, President of the National Association of Wheat Growers, will talk on farm programs and how they affect wheat farmers.

Another speaker on wheat programs will be Victor A. Senecal with the Agricultural Stabilization and Conservation Service, Washington, D.C.

A panel discussion that afternoon will feature the topic, "Transportation-The Key to Wheat Marketing."

The two-day program is being sponsored by the Texas Wheat Producers Association and the Texas Agricultural Extension Service and three of its area income programs—Panhandle Economic Program, South Plains Development Program and Rolling Plains Development Program.

Funeral services for Mrs. George Baker, 91, were conducted from First Baptist Church at 2:00 p.m. Wednesday with Rev. Russell Pogue and Rev. Charles Broadhurst officiating.

Mrs. Baker, who was dead on arrival at Lubbock's Methodist Hospital Saturday evening, had lived in Friona 45 years before moving to Lubbock ten months ago.

Survivors include three daughters, Mrs. Opal Ware of Morton, Mrs. Florence Boyce of Lubbock and Mrs. Jean Kelley of Cleveland, Ohio; eight sons, George F. Baker, Joplin, Missouri; Elmer L. Baker, Kennewick, Washington; Arthur B. Baker, Rosepine, Louisiana; Oliver W. Baker, Cisco; Raymond B. Baker, Amarillo; Gilbert L. Baker, Chevalah, Washington; Duke Ba-

ker, Big Spring and Charles M. Baker, Portales.

Also one sister, Mrs. Lora Upp, Thousand Oaks, California; 30 grandchildren; 35 great-grandchildren and four great-great-grandchildren.

Active pallbearers were Paul Fortenberry, Raymond Euler, G.B. Buske, Curtis Murphree, Frank Truitt and Ray White.

Claude Osborn, Otis Massey, Clyde Hays, Leon Hart, Wesley Hardesty, C.A. Turner, Mr. C. Kelley and H.A. Hyde were honorary pallbearers.

Burial was in Friona Cemetery under direction of Parsons-Ellis Funeral Home.

SCS News

The Parmer County Soil and Water Conservation District Board of Directors held their regular meeting Tuesday, November 7. Leon Grissom, chairman, presided.

The SCS accomplishment report was presented by Herb Evans, District Conservationist. Six conservation plans were approved by the board.

Plans were made for the district to take part in the Texas Conservation Awards Program. This year's theme for the essay contest, which is a part of this Awards Program, is Natural Resources—Meeting the Needs of People. Material on this contest will be distributed to the county schools in the near future.

Leon Grissom has been re-elected as district director for zone four and in the board meeting Tuesday, was re-elected to serve as chairman. Other officers elected were Jimmie Cockerham, vice chairman, and Leroy Johnson, secretary.

The board received a report on the State Association Meeting in Houston last month. Reporting were Leroy Johnson, Dick Rocky and Herb Evans.

Special guest was A.W. Dalmryple of the State Soil Conservation Board. He made several comments on the state meeting and brought other conservation items to the attention of the board.

He's courageous, freedom-loving, gregarious, vain about his appearance, boastful in the presence of ladies and inclined to over-indulgence and overweight. He's American through and through.

This might sound like your Uncle Fred, but actually it describes a typical Thanksgiving turkey. With all its faults, the turkey is still the best loved fare during the holiday season. Other things may change—the trimmings, the method of cooking the bird, even the family gathering place—but the turkey continues to symbolize the spirit of Thanksgiving.

Since most Americans don't cook turkey quite as often as their families would like and since Thanksgiving Day is no time to blow your cool in the kitchen, here are some pointers to help assure a Thanksgiving success:

The successful Thanksgiving feast starts long before the oven is turned on. Take your time in selecting the right turkey for your family.

Poultry must be inspected for wholesomeness before it can be graded for quality. Often, the inspection mark and the grade shield are displayed together. Remember, the grade of the poultry does not indicate how tender the bird is—the age (class) of the bird is the determining factor. For roasting, choose young turkeys which may be labeled young turkey, fryer-roaster, young hen or young tom.

HOW MANY SERVINGS FROM ONE TURKEY, AND HOW LONG DOES IT TAKE?

This chart indicates there is more meat per bone weight on larger turkeys. Number of servings also will vary according to the quality of the turkey, correct cooking, and still in carving:

Ready-To-Cook	Number of Servings	*Guide To Total Roasting Time
6 to 8 pounds	6 to 10	3 to 3-1/2 hours
8 to 12 pounds	10 to 20	3-1/2 to 4-1/2 hours
12 to 16 pounds	20 to 32	4-1/2 to 5-1/2 hours
16 to 20 pounds	32 to 40	5-1/2 to 6-1/2 hours
20 to 24 pounds	40 to 50	6-1/2 to 7 hours

**Faith In God Can Bring
Peace To Our World**

Read John 3:1-8

Search me, O God and know my heart! Try me and know my thoughts! And see if there be any wicked way in me, and lead me in the way everlasting! (Psalm 139:23-24, RSV)

Poet John Milton began his famous sonnet "On His Blindness" with these lines:

"When I consider how my light is spent
Ere half my days in this dark world and wide."

Unlike Milton, I have been denied the light of day--visual perception--all my life.

But there is a light that has no dependence upon physical sight. If we have faith and confidence in the divine power, then that light becomes greater than the mere ability to see. In that confidence one finds the broader sense of understanding and reaching solutions to everyday problems.

Subtle sarcasm or a bold front temporarily satisfies one's feelings, but the time comes when alone one must communicate with God. Each of us must exhibit confidence and faith in God, who is invisible, and in things of the spirit. This we must do in order to find the peace and tranquility we crave and need in daily living.

PRAYER: O God, give us wisdom and power for the living of these days. Grant to us understanding and confidence which will bring to all of us the peace and tranquility we crave. Amen.

THOUGHT FOR THE DAY: By faith we find the truth which brings us understanding and everlasting peace.

REMAIN UNBEATEN

B-Chiefs Stymie Mules' JV, 30-0

Friona High School's B-team took another step toward an unbeaten season here last Thursday, rolling to a 30-0 win over the Muleshoe B-team.

The win left the B-Chiefs with a 7-0 season record, which only one game left to play this year. Pacing the win was Weldon Peace, who scored two touchdowns, and gained 224 yards rushing in 13 carries, a whopping 17.2 yards-per-carry average.

The B-Chiefs rolled up 17 first downs, to only five for the B-Mules, who threatened only once to score. The Friona team has allowed only 12 points in their seven games this season.

Peace gave his team the lead the first time he carried the

ball, sprinting 56 yards for a touchdown. The PAT try failed, but Friona had a 6-0 lead. Muleshoe picked up a first down, then punted to the Friona 20. From here, the B-Chiefs drove 80 yards in a sustained march for their second TD. A pass interference penalty against the Mules kept the drive going, giving Friona a first down at the Muleshoe 25.

James Peres, usually a starter at guard for the varsity, was given an opportunity to carry the ball at this point. Peres responded with gains of nine, six and one—the final yard being a touchdown for the 12-0 lead with 5:01 left in the half. Kevin Welch was halted on the PAT run attempt.

Muleshoe again couldn't go against the Chiefs' defense, being thrown for two consecutive losses back to their own 18. Friona took the resulting punt at its own 45.

Peace ran 30 yards to the Muleshoe 30, and then Dee King connected with Bill Fallwell on a 20-yard pass completion to the three. From here, Welch went in, and the score became 18-0, as Henry Graves was halted on the try for points.

Muleshoe's biggest threat to score came with time running out in the first half. Forced to pass, the Mules completed a long one, good for 42 yards to the Friona 11. A running play got to the Friona four, but time expired at this point.

The teams traded fumbles in the third quarter, Friona losing two and Muleshoe one, but neither team took advantage of the breaks.

Peace got the team out of a hole and put Muleshoe in one with a 48-yard punt early in the fourth quarter, backing the Mules up to their 20. A short punt by the visitors gave Friona good field position at the Muleshoe 47.

On the first play, Peace again got loose, and covered the dis-

tance to paydirt. The point try again failed, but Friona's lead was up to 24-0.

Late in the game, Gene Strickland intercepted a Mule pass on the Friona 20, and the team again put together a long drive. A roughing the kicker penalty against the Mules kept the drive going after it appeared

to stall.

Thusly inspired, Peace broke loose for 42 yards, finally being halted at the Muleshoe one. From here, Welch crashed over, for the final margin of 30-0.

The only thing Friona couldn't manage to do in the game was make any extra points, but they didn't matter that much.

The tenacious Chiefs' defense caught Muleshoe runners behind the line of scrimmage eight times during the game for losses amounting to 28 yards. Friona also intercepted two passes and recovered a fumble.

The B-Chiefs go after win number nine and an unbeaten season Thursday, when they host Littlefield in a 7 p.m. game.

Wildcats Remove All "Ifs" From Picture

Littlefield's Wildcats removed all the "ifs" from District 3-AA conversations last week, but time for relaxation will be short.

Coach Jerry Blakely's Wildcats are toast of the league this week after capturing the championship, even though an entire round of games remain on the schedule.

The Wildcats' off week in the district schedule, necessitated by an odd number of teams in the league, comes on the very end of the schedule. So, with the undisputed title tucked away, coach Blakely has an extra week to let injuries heal and get ready for the bi-district playoffs.

The Wildcats had to win last week, and they did just that, clipping Olton 34-12. However, with ten minutes to play in the game, it was just 13-12 Littlefield. And the Wildcats, who had escaped from Morton the previous week with a tie and needing to win to retain their title, went to work.

Olton's Glen Johnson had sprinted 60 yards for a score with 9:55 left to play to pull the Mustangs within one point. But, the Wildcats stopped the go-ahead, two-point conversion and extended their lead to 20-12 in just 82 seconds.

General Lewis took a pass from Terry Bryson on a play covering 45 yards, and Larry Hobratsch's boot left more breathing room.

But, before the final gun, Bryson scored twice, on keepers measuring 1 and 13 yards. And a title which it shared with Floydada last year is being claimed solely by Littlefield.

Now, while the Wildcats await their bi-district foe, rest of the district teams will be battling for final spots in the standings. Friona, which was pegged for second in the league is there now and will play troublesome Morton, and Dimmitt will play Olton. Morton climbed out of

the cellar last week by dropping Dimmitt, 28-8.

Morton proved as versatile on defense as offense, as the Indians scored their first two touchdowns on pass interceptions, the first by Larry Thompson covering 35 yards and the second, by Jimmy Harvey, covering 48 steps. In between, the defensive unit recovered a Dimmitt fumble at the two-yard line to prevent a touchdown.

The win was Morton's second of the year—the other was over Muleshoe, at that time undefeated and untied—and it tied Littlefield.

Littlefield's bi-district foe will be either Floydada or Tulia. The two teams are currently tied with 4-0 records in 4-AA and play in Floydada Friday night. And, naturally, Littlefield's coaches will be on hand to chart every play, looking for cracks in the winner's armor.

Last year, Littlefield and Floydada tied for the 3-AA title, and they tied in their encounter, Littlefield winning on first downs. But earlier this year, Floydada won a non-conference game 3-0.

In event of a Floydada win, the bi-district tilt will be held in Floydada, since the two teams played their last conference game (1971) in Littlefield.

However, a Tulia win would necessitate a coin flip or consultation to choose a site. Littlefield will go into the bi-district playoffs with a group of hard-running performers. In the Olton game, quarterback Terry Bryson gained 143 yards on 24 carries, and Coach Blakely has General Lewis, who scored twice in that game. Also, in need of a field goal, the Wildcats can call on Hobratsch, who has tied 21 extra points and four field goals this year, including two (31 and 26 yards) against Olton.

Frosh Thumped By Muleshoe Team, 22-0

Friona's Freshman Chiefs got a lot of breaks in their game against Muleshoe here last Thursday, but they were all bad, and Muleshoe went home with a 22-0 win.

The Friona freshmen played some good defense for the first half, which almost ended in a scoreless tie.

However, the visitors took over following a short Friona punt at the Freshman Chiefstain 35, and drove in for the go-ahead touchdown in only two plays. The score came on a 13-yard pass with only eight seconds showing on the clock. The point try failed, and Muleshoe had a 6-0 lead at halftime.

Friona's only bright spot came on its first possession, when Davy Carthel ran 19 yards on the team's first play from offense, to the Muleshoe 44. However, the Muleshoe defense stiffened, and forced Friona to punt.

Muleshoe recovered a Friona fumble at the local team's 35 early in the third quarter, and drove for another TD in eight plays. The touchdown was a five-yard run, giving Muleshoe a 12-0 lead.

Carthel returned the kickoff to the Friona 39, but received a dislocated thumb on the play and missed the rest of the game.

A little later, Friona was backed up to its five yard line and was forced to punt, with Richard Bermea standing in the end zone. Bermea's kick was blocked, Muleshoe got a two-point safety, increased its lead to 14-0, and Friona had to kick from its 20.

Returning the kick to the Friona 37, the visitors again began a drive that culminated in their last touchdown with 9:04 remaining in the game. The conversion was good, and the score became 22-0.

Late in the game, Friona took

over following a short Muleshoe punt. Bobby Zezschke gave the team a first down at the Muleshoe 17, but with time running out, two passes fell incomplete and that was the ball game.

The loss dropped the Freshman team's record to 3-4-1 for the year, with one game remaining.

Squaws Open Cage Season With 2 Wins

The Friona Squaws, defending District 3-AA champions, have started their 1972-73 season, and have won both of the games they have played.

The Squaws downed Hale Center, 59-45 in the Wayland College basketball clinic on November 4. Then last Saturday, the Squaws downed Springlake here, 59-28 for their second win.

Friona's junior varsity whacked Springlake JV, 74-15 in their first outing.

Saturday, the Squaws will host Lubbock Cooper, and then next Tuesday, both the Chiefs and Squaws will be hosting Farwell.

Eighth Graders Drop 8-6 Tilt At Muleshoe

Friona's eighth grade Braves lost a close game last Thursday at Muleshoe, by a score of 8-6. The loss left the team with a 3-4 season record.

After a scoreless first quarter, in which neither team could move and several turnovers were registered, Muleshoe finally got on the scoreboard late in the first half, after recovering a Friona fumble at the Braves' 25.

It took only three plays for the Mules to go in for the TD. They also ran for two points, for an 8-0 lead with 1:39 left in the first half.

Late in the third quarter, Sammy Felder intercepted a Muleshoe pass at the Mules' 25, to give Friona new life. The

quarter ended with Friona having first and goal at the nine.

On third and goal, still from the nine, Clint Mears passed to Felder in the end zone for six points. The try for two points narrowly failed, when Lester Aven fell across the flag, but just outside the goal-line, and Muleshoe kept the lead at 8-6.

The Braves had two chances in the fourth quarter, after a 30-yard punt return by Aven to the Mules' 25, but a fumble killed this threat.

Minutes later, a short punt gave Friona the ball on the Muleshoe 20. The Braves drove to the six, but Muleshoe held and then ran out the clock.

Friona had nine first downs, to eight for Muleshoe.

JAMES BARTLETT

FHS Player Can Capture Scoring Title

James Bartlett, senior half-back for the Friona Chieftains, has a shot at the District 3-AA scoring title, with one game remaining.

Bartlett has scored ten touchdowns and four extra points for 64 points. His nearest competitor, J.E. Johnson of Littlefield, has 54 points, but has

completed the regular season.

Next comes Keith Workman of Olton, who has 52 points and will be in action Friday. Louis Lee of Friona holds down fifth place among district scorers with 40 points, in spite of missing a lot of action due to injuries this year.

Friona continues to have four players in the top ten district scorers, and eight of the top 20.

Seventh Grade Braves Scalp Muleshoe, 18-0

Friona's seventh grade Braves went to Muleshoe last Thursday and came home with an 18-0 victory.

Raul Brailiff took the opening kickoff and ran it back to the Muleshoe 49. On third down from the 41, he broke loose for the first score of the game. Try for extra points failed, and Friona led, 6-0.

Muleshoe couldn't move the ball, and had to punt on fourth down. Friona started on their own 49, where Brailiff picked up a first to the Muleshoe 26. On third down from the 17, Brailiff again went in to score. PAT try again failed, and the Braves led, 12-0.

There was no scoring in the second and third quarters, although Muleshoe had the ball for 12 plays in the third quarter, moving to Friona's 26 before losing the ball.

In the final quarter, after the Mules intercepted a Friona pass, the Braves held and took over on their own 10 yard line. On the first play, Brailiff scampered 90 yards on a quarter-back sneak. The kick failed, but Friona's lead was 18-0 with only 24 seconds left on the clock.

Outstanding defensive players for the Braves were Terry Wilcox, Glen London, Jeff Whiteside, Noe Basquez, Louis Rodriguez and Eddie Brailiff.
