

Permian Basin OIL & GAS LOG

James C. Whitson
oil editor

Second Zone Proven In Upton Ellenburger

Commercial oil production from a higher Ellenburger zone has been proven at Magnolia Petroleum Company No. 1-A TKL, Ellenburger discovery in North-Central Upton County, 30 miles south of Midland. After testing and proving pay at 12,780-420 feet in the deep zone for at least 11 barrels of oil per hour, operator set a packer above that section and perforated higher at 12,700-760 feet. The last perforations were then washed with 1,000 gallons of mud acid. Without swabbing, the formation kicked off and flowed 239 barrels of oil in eight hours through a one-quarter inch tubing choke. Shutout was one per cent basic sediment and acid water. Gas-oil ratio was 1,229-1. Gravity of the petroleum was 52.3 degrees. Testing was continuing.

Combined production of the two zones tested would be approximately 900 barrels of oil per day. Production tests will probably be made later on a still higher section between 12,530-700 feet which indicated production when drilled through.

This pay opener is 660 feet from north and west lines of section 31, block 40, T-4-S, TP survey.

Superior Stakes Site For Mitchell Wildcat

A 3,500-foot, rotary tool wildcat is slated for West-Central Mitchell County in the near future by Superior Oil Company.

It will be the concern's No. 1 J. R. Dockrey, located 660 feet from north and west lines of section 17, block 28, T-1-S, TP survey, about two miles southwest of the town of Westbrook. Drillsite elevation is 2,300 feet.

Second Diamond M Well On Potential

The second oil well for the Diamond M field of West Scurry County was being completed at Lion Oil Company No. 3 C. T. McCLaughlin, 695 feet from east and 1,590 feet from south lines of section 197, block 97, E&TCO survey, 10 miles west and slightly south of Snyder. A potential test was in process. Production is through perforations at 5,972-6,020 feet in the Canyon lime of the Pennsylvanian. Total depth is 6,524 feet. Prior to the initial production test now underway, the project flowed three hours, showing 83 barrels of oil the first hour, 60 barrels the second hour and 55 barrels of oil the third hour. The flow was through a 2 1/2-inch choke. Tubing pressure varied between 600 pounds and 650 pounds.

Lea Strike Locates Salt Water Source

Amerasia Petroleum Corporation has located the source of the water in the No. 1 Lea strike from the horizon of the Pennsylvanian in Northwest Lea County, New Mexico, 15 miles west and slightly north of the town of Crossroads.

A driller test was taken at 9,086-9,172 feet. The tool was open four hours. There was a light blow of air at the surface during the entire period.

No gas was shown during the test. Recovery was 270 feet of drilling mud, cut with salt water, and 1,952 feet of salt water. There was no show of oil or gas from the horizon covered by the driller test.

The project is to be drilled deeper. It is located 1,980 feet from south and east lines of section 2-12s-33e.

The show for production came in a four and one-half hour driller test at 9,922-9,172 feet. Gas showed at the surface in five minutes and was at the rate of 2,610,000 cubic feet per day.

Made Oil in 25 Minutes
Oil started flowing in 25 minutes. The well flowed 66.24 barrels of fluid the first hour, with a shutout of one per cent sediment and 25 per cent water in the second hour the flow was 60.72 barrels of fluid, with one per cent sediment and 20 per cent water. In the third hour the flow was 66.12 barrels of fluid with a shutout of 33 per cent sediment and one per cent water.

In the fourth hour 62.48 barrels of fluid, with 35 per cent water and two per cent basic sediment was produced. After the operator started pulling the drill pipe it unloaded 44 barrels of fluid, which was 30 per cent salt water. The final recovery was 15 stands of oil and five stands of salt water.

Total flow during the four hours was 182.56 barrels of 46.3 gravity oil and 74 barrels of water. Gas-oil ratio was 2,388-1.

Top of the Pennsylvanian was picked at 5,625 feet. Elevation is 4,235 feet.

The latest driller test showed the location of the water. It did not develop any oil or gas. That leaves 84 feet of oil bearing formation above the water.

Interested observers think a good oil well can be finished from that pay horizon.

Union Abandons Coke Deep-Zone Prospects

Union Oil Company of California has abandoned efforts to try to develop commercial production from the Ellenburger at 6,567-6,639 feet at its No. 1 Jack Frost, in North-Central Coke County.

That wildcat, located four miles west of Blackfoot, was 1,390 feet from south and 886 feet from east lines of section 289, block 1-A, H&TCO survey, had treated the 5,667-6,639 foot horizon with 1,000 (Continued On Page Eleven)

17 Hurt In Graham School Blast

Seminary Students Dig Graves

Cardinal Spellman, left, background, talks to the Rev. Henry Cauley, assistant director of the strike-bound Calvary Cemetery in New York City. The cardinal is directing grave digging by students of St. Joseph Seminary, who volunteered for the task.

Norway Defies Soviet To Join Atlantic Talks

WASHINGTON —(AP)— Strategic Norway officially linked its defenses with the North Atlantic Democracies Friday over Russia's vehement objections. Norwegian Ambassador Wilhelm Munthe De Møntgenier went to the State Department Friday to add his voice for the first time to the list of nations drawing up a tight defense alliance against Communist expansion. The Norwegian government's formal acceptance of an invitation to join in the final stages of the negotiations came Thursday. Simultaneously Norway was reported to have turned down a non-aggression pact which would have tied its future to Russia. The nations already at work on the North Atlantic treaty are the United States, Canada, Britain, France, Belgium, Holland and Luxembourg.

Committee Approves Labor Bill

WASHINGTON —(AP)— The Senate Labor Committee Friday approved the Truman Labor Bill without change by a vote of 8 to 5. The bill would repeal the Taft-Hartley Law and substitute the old Wagner Labor Relations Act with modifications. All the votes for the bill were cast by Democrats. All Republicans on the committee voted against it. The vote at this time was taken over bitter Republican protests that further study should be given the measure. Senator Taft (R-Ohio), the ranking minority member, declared the forced vote was the "most high-handed" procedure he has seen since he has been in the Senate. Taft said the Democrats refused to consider all any of the amendments to the bill proposed by Republicans. The five Republican members of the committee all want the bill amended drastically. Four of the five—all but Senator Morse (R-Ore)—want to retain the basic provisions of the Taft-Hartley Law.

New Defense Chief Asks Strong Nation

WASHINGTON —(AP)— Louis A. Johnson, soon to be secretary of defense, said Friday America must remain strong. "Strength means peace, and without strength there is no peace," he said. Johnson talked with reporters at the White House. He said the purpose of his call on President Truman was to express appreciation for his appointment and "my full devoted loyalty." Accompanying Johnson was Secretary Forrestal. Johnson said he had been meeting regularly with Forrestal and would continue to do so until March 31, when he takes over, getting familiar with the job. President Truman, who announced Thursday that Johnson will replace Forrestal at the end of this month, is expected to ask Congress to give more power to the new defense chief. Johnson, 58-year-old West Virginian, has served in the past as assistant secretary of war. His career includes a term as national commander of the American Legion, years of practicing law, and experience as a money raiser in Truman's election campaign last year. Strong For Air Power. Those seeking an indication of how Johnson will get on with the Army, Navy and Air Force point to his record as assistant secretary of war during the third Roosevelt Administration. His associates recall him as a zealot for preparedness, who toured every state in the union making speeches toward that end. "They say he was one of the first 'air minded' secretaries, when he served as assistant to Secretary of War Harry Woodring. An early advocate of big bombers, Johnson's views concerning a contract for B-17 Flying Fortresses brought him into conflict with Woodring on the eve of World War II. Johnson carried his fight successfully to the White House.

Glass Names 1949 Rodeo Committees

George W. Glass, president of Midland Fair, Inc., Friday announced the personnel of committees which will assist in the staging of the 19th annual World Championship Midland Rodeo, June 1, 2, 3, 4 and 5. Members of the Rodeo Committee, announced several weeks ago, are Leonard Proctor, chairman, Clarence Schaubauer, Jr., Buster Cole, John Dublin, Jr., and Roy Parks, Jr. Other committees are: Advance Ticket Sale—John P. Butler and John B. Mills, co-chairmen; Advertising—Bill Collins, Dabert Downing and J. M. McDonald; Grandstand—T. M. Sloan, O. J. Hubbard and Gordon Holcomb; Grounds—Hubert Martin; Sponsor Contest, Frank Williamson; Ticket Sales—J. T. Baker; Chairs for Boxes, A. A. Jones; Rodeo Music—Schaubauer. A special committee named to study and recommend ground improvements includes Baker, Arnold Schaubauer and Foy Proctor. Aldrede Estes and Hollis Tyson were named by Glass as timekeepers. The Junior Chamber of Commerce again this year will be in charge of concessions.

Russians Retaliate As Blockaded Group Quits U.S. Territory

FRANKFURT, GERMANY —(AP)— Eight angry Russian soldiers ran down the Red flag over the Russian Reparation Mission headquarters Friday and roared off to the Soviet zone of Germany in a motor convoy. The Russians were grim-faced as they left the building in which they had been blockaded for two days by American Military Police. One Russian truck driver spat at an American girl bystander as he left the mission grounds. The siege of the big yellow house finally forced Russian headquarters in Berlin to order the mission to come with American orders to leave the U.S. occupation zone. But Russian authorities struck back quickly. They ordered U. S. Graves Registration men to leave the Soviet zone at once. A five-man American Graves Registration team arrived in Berlin from Mecklenburg Thursday night. Another five-man unit was believed enroute from Thuringia. After the Russians left, reporters found the mission building in a state of utter disorder. The mission members had spent hours burning documents and packing their belongings before they left the building. Before the Russians were allowed to leave, every piece of their luggage was searched for any pictures they might have taken of the MPs who guarded the building during the blockade.

Fourth Blast Cuts Little Inch Pipeline

NORTH VERNON, IND. —(AP)— The "Little Inch" natural gas pipeline exploded north of here Friday and a farm woman was burned slightly while fleeing from the roaring flames with her year-old daughter. Her home and a barn were destroyed. The child was not hurt. Neither was her husband, Lester Jones. The gas burned for two hours after blast, which occurred about 7:30 a. m. The explosion was the fourth on the "inch" lines within the last year and a half.

Lucky Lady II And Crew Part Company

FORT WORTH —(AP)— The plane and crew that flew non-stop around the world parted company Friday. The plane, Lucky Lady II, was at Tinker Air Force Base, Oklahoma City, being inspected after its record-breaking hop. The crew was to leave Friday for Tucson, Ariz., base for most of the flyers.

Far North Residents Gripped By Fear Of Russian Retaliation

KIRKENES, NORWAY —(AP)— Fear of what they call "our great neighbor" grips 50,000 Norwegians scattered over 18,000 square miles of the Far North. This isolated region—Finnmark Province—is defended by a few Norwegian Army Ski patrols. Nothing more. The frontier with Russia is 122 miles long. Less than one Norwegian soldier per mile is on guard. Kirkenes, the chief industrial community on Norway's Arctic Coast, is four quick land miles from Russia. But it is 1,100 stormy air miles from Oslo. It is even farther by sea. Unmolested by police, the Norwegian Communist Party is feverishly active in all villages along the Arctic Ocean. A Communist campaign is underway, warning that Norway, by seeking an Atlantic military alliance, is risking the fate of Finland in 1939. Red agitators hint that only Communists will be spared rough treatment if the Red Army in "self defense" moves into Northern Norway this year.

Plans Complete For 1949 Livestock Show

Preparations for the 1949 Midland Livestock Show which opens Monday at the Midland Fair grounds, virtually are completed and stock is expected to start arriving Sunday. The 1949 show is expected to be larger and better with a greater number of show animals to be exhibited and sold at auction. Judging begins at 9:30 a. m. Monday in the county show with the district show judging slated at 1 p. m. More than 155 head of stock are expected to be entered in the various contests. Home demonstration and 4-H clubs of the county will serve food at the show. Champion calves and lambs will be exhibited in the Schaubauer Hotel lobby Monday night. The annual auction will be held starting at 1 p. m. Tuesday at the pens of the Midland Livestock Auction Company.

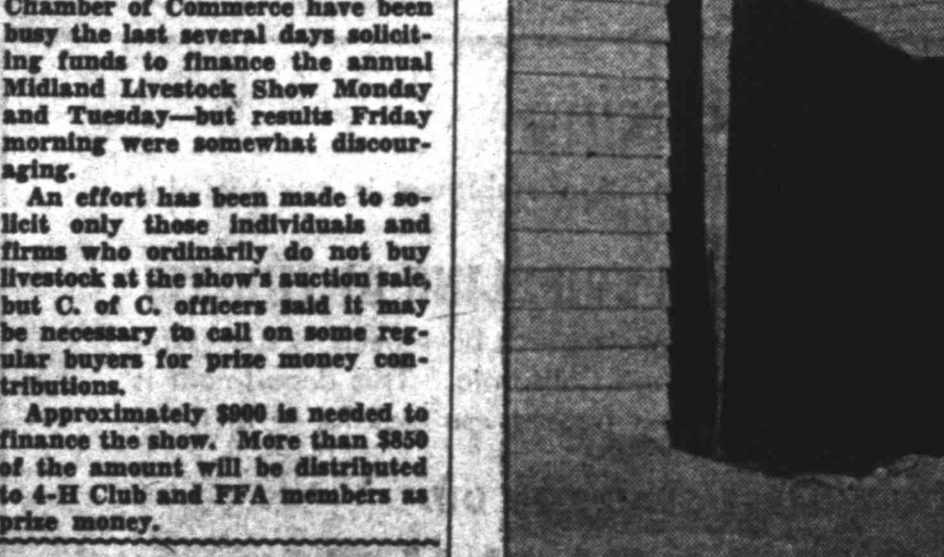

Rehearing Sought On Heyser Ruling

AUSTIN —(AP)— A motion for rehearing of a State Supreme Court decision which upheld shutdown orders for the Heyser oil field in Calhoun and Victoria counties was pending Friday in the high court. The motion was filed late Thursday by the Sterling Oil Company and 17 other operators in the field. The petition alleged that the court made seven errors in upholding a Railroad Commission order to stop flaring gas in the field. Attorney General Price Daniel has five days in which to reply to the motion.

More Funds Needed To Finance Stock Show

Members of a subcommittee of the Retail Committee of the Chamber of Commerce have been busy the last several days soliciting funds to finance the annual Midland Livestock Show Monday and Tuesday—but results Friday morning were somewhat discouraging. An effort has been made to solicit only those individuals and firms who ordinarily do not buy livestock at the show's auction sale, but C. O. C. officers said it may be necessary to call on some regular buyers for price money contributions. Approximately \$900 is needed to finance the show. More than \$950 of the amount will be distributed to 4-H Club and FFA members as prize money.

Moose On Loose Finds City Pretty

A strange sight, even in the Alaskan city of Anchorage, is a moose wandering around on city streets. This venturesome animal caused much commotion in Anchorage, and townspeople tried to get him out of town with snowballs and lighted fares. But he liked it and wouldn't budge. Later, police shot him, claiming he lunged at children. (Photo by NEA-Acme photographer Dick Chase.)

Acid Sprays Over Pupils And Teacher

GRAHAM, TEXAS —(AP)— Sixteen Graham High School students and their instructor were burned painfully, five seriously, when a glass retort containing sulphuric acid exploded Friday. The explosion, which occurred during an experiment in a first-year general science class, spewed the acid on the faces and in the eyes of those in the room. Supt. I. T. Gilmer said five of the students were sent by ambulance to the Graham Hospital. Others were treated at the school. The class room was only slightly damaged. The explosion occurred at 10:05 a. m. Those sent to the hospital: Virginia Smith and Inez Vines, both of Graham. Harvey Pulbright, Jean, Texas. Edgar Ray Holley, Loving, Texas. L. A. Russell, Graham. The others were taken to report to their family physicians for examination and treatment. Instructor T. E. Smith suffered burns on his face and in his eyes. Classes were resumed. An emergency hospital was set up in the gymnasium. Ointment was spread over the burns to alleviate the pain, Gilmer said.

Missing Sailor Tells Of Being Shanghaied Into Foreign Legion

CANTON, CHINA —(AP)— James Patrick Ryan, 24, U. S. Navy sailor missing 18 months from his ship in the Mediterranean, Friday charged he was shanghaied into the French Foreign Legion. Ryan said he was in Huntington, Pa. He said he was brought halfway around the world to fight the Viet-Namites in Indochina before he managed to escape. He said he took him five months on foot and by river boat to reach Canton. He was being treated at a hospital for malnutrition and jungle ulcers on orders from the American consul. The American charged in an interview he was one of several Americans being held against their will in the French Foreign Legion. Ryan said he was a seaman aboard the U.S.S. Dickson. He missed the ship at San Remo, Italy, on July 3, 1947, he said. The sailor said he hoped to catch it at Nice, France, and rushed there only to be picked up by French Foreign Legion Military Police. Language Difficulties. "I spoke no French and they spoke no English," he said. "So we talked in German, which I picked up during the war. "That was my mistake," Ryan continued. "The refused to believe I was an American and threw me in a military jail." The American said he wrote several letters to the U. S. ambassador in Paris but received no replies. Ryan said once he managed to contact the American Legation in Tangiers by mail from a legion post in Morocco. The legation, he said, told him by letter he would be released in about two weeks. But before his release could be effected, Ryan said, the French shipped him off. Listed As Deserter. Ryan said eventually he was sent to Indochina at a post near the Chinese border. Finally on Oct. 10, 1948, Ryan said, he and two others, a Czech and a German (both now in a Canton jail) made a dash through the jungle for the Chinese border. U. S. Naval authorities here have issued instructions that Ryan be turned over to the commander of the U. S. Navy in the Philippines as soon as practicable. The Navy has Ryan listed as a deserter.

Poll Shows South Holds Voting Edge

WASHINGTON —(AP)— Thirty-eight of 55 senators willing to go on record said Friday they probably will vote against an expected ruling aimed at cutting off a Southern Democratic filibuster in the Senate. Seventeen senators told The Associated Press they will support Vice President Barkley if he holds next week that a cloture—or debate limiting—petition can be invoked to halt a Dixie talkathon. The filibuster is being waged against a motion by Democratic Leader Lucas of Illinois to bring up a filibuster-killing Senate rules change. A substantial minority remained uncommitted. The Senate headed into its fifth day of debate on Lucas' motion with Senator Holland (D-Ia.) holding the floor. A poll of 90 of the Senate's 96 members told 20 Republicans and 16 Democrats unwilling to say how they will vote on a question that may have a far-reaching effect, not only on President Truman's civil rights program but on his other domestic legislative proposals as well. President Truman made the Southerners angrier and more determined Thursday by coming out with his news conference for a proposal under which a simple majority of those voting could cut off Senate debate at any time. Truman predicted the filibuster will run its course soon and permit passage of his legislative program. Truman's statement brought opposition not only from Senator Taft of Ohio, chairman of the GOP Policy Committee, but from Senator Lucas himself.

Gonna Give Mule A Haircut, Huh!

There are those who would not be surprised at anything that is bought and paid for in this day and time. However, some may be greatly surprised and somewhat curious to learn that Midland High School Friday received a bill of sale for a pair of mule shears. Mule shears may not be necessary to the average high school student's education, but the Future Farmer chapter at Midland High plans to put the instrument to good use.

Saturday Is Deadline For Candidate Filing

Saturday midnight is the deadline for filing in the April 5 city election, with one council place still without a candidate, City Secretary J. C. Hudman said Friday. Candidates must file with Hudman by midnight Saturday in order for their names to appear on the ballot. Mayor R. H. Gifford has filed for reelection, as have Councilmen H. E. Chiles, Place No. 2, and W. F. Hejl, Place No. 3. Ben Black said he will not seek reelection to Place No. 1 on the council. Gifford and Hejl are seeking second term elections, and Chiles, appointed last month to fill a vacancy, is asking election for a full term. Robert I. Dickey and Stanley M. Erskine are holdover council members.

Noted Educator, Step-Father Of Midlander, Dies

NEW HAVEN, CONN. —(AP)— James Rowland Angell, 75, president of Yale University for 16 years before his retirement in 1937, died Friday after a long illness. Angell, whose administration guided Yale through its biggest expansion program, had been ill in bed since February 20. After leaving the Yale presidency, Angell became education counselor of the National Broadcasting Company, a newly created post. Surviving are his widow, Mrs. Catherine Cramer Woodman Angell, whom he married 16 years ago; a son and a daughter by his first wife, and a step-daughter, Mrs. Charles Hendel of Midland, Texas.

★ LATE NEWS FLASHES ★

CHARLESTON, W. VA. —(AP)— Five firemen were trapped and killed and nine others were hospitalized Friday when a \$500,000 fire swept through two stores in the heart of the business district here.

WASHINGTON —(AP)— Purchase of \$8,000,000 worth of crude oil and petroleum products by France under the Marshall Plan was approved Friday by the Economic Cooperation Administration. The oil will be shipped from Arabia.

COPENHAGEN, DENMARK —(AP)— Denmark's foreign minister leaves Tuesday for Washington, presumably to seek information on joining the North Atlantic Defense Alliance talks, it was announced Friday.

SAIGON, INDOCHINA —(AP)— Two persons were killed and 35 seriously injured Friday when a hand grenade was tossed into a crowd waiting at a bus stop.

WILL YOU present a trim silhouette when you part with that Winter coat? 55 price reduction for week of March 7. Perfect Bob "tudio, ph. 2844. (Adv.)

HOLD BRIEF SESSION

AUSTIN —(AP)— While senators were away on their long weekend, the House held an 18-minute session Friday morning and then took off until Monday.

Midland Service League Formed With Mrs. Howard As President

Formal organization of the Midland Service League was effected Thursday afternoon, and officers were elected with Mrs. Paxton Howard as president. Mrs. Tom Sealy was named vice president; Mrs. J. M. Hewley, Jr., secretary; Mrs. Jack Wilkinson, treasurer, and Mrs. W. A. Hoover, recording secretary.

Name Is Selected By Girls Auxiliary

The name, Jovelina Girls Auxiliary, was adopted by the GA group which met in the First Baptist Church Monday. New officers were elected with Harriet Yearby as president; Edna Conner, secretary; Jane Neill, program chairman; Vera Stenson, social chairman; and Judy Pogue, treasurer.

Books were made for the church nursery, and members planned a program for the Junior Department.

Building Committee Is Set Up

A permanent committee to formulate and carry out plans for a Woman's Club Building for Midland was named, with Mrs. Earl Johnson as temporary chairman, at a called meeting of the Midland Woman's Club in the City-County Auditorium Thursday afternoon.

Other committee members, appointed by Mrs. W. G. Epley, Woman's Club president, are Mrs. George Byrne, Mrs. J. Howard Hodge, Mrs. George Glass and Fannie Bess Taylor. The committee was authorized to add other members to a maximum of nine, if it chooses. It was also authorized to elect a permanent chairman and to name as many sub-committees as it finds necessary.

Organization of the committee followed a recommendation adopted by the group, after its submission by the Business and Professional Woman's Club, one of the groups affiliated with the Midland Woman's Club.

A report was made by a temporary committee which had been named several weeks ago to make a preliminary investigation of possible sites or buildings available. Miss Taylor was chairman and read her report. Other members were Mrs. Hodge, Mrs. N. A. Lancaster and Mrs. O. M. Luton.

This report was in general terms, and was made after consultation with city and county officials and the city planning and zoning committee. It did not include any recommendations.

Mrs. Epley announced that suggestions and sketches had been submitted from some member clubs, giving their ideas of needs to be met with the proposed building. She invited other interested clubs to submit suggestions to the building committee.

Mrs. Epley announced that suggestions and sketches had been submitted from some member clubs, giving their ideas of needs to be met with the proposed building. She invited other interested clubs to submit suggestions to the building committee.

Frilly Fashions Go Down to Sea

By EPSIE KINARD
NEA Fashion Editor
NEW YORK — (NEA) — The frilly look of fashion goes down to the sea.

Ruffles and lace effects which could steal the thunder from a lingerie show enhance the allure of California-styled swim suits, designed for resort wear now and for the summer that's coming in.

Even suits of sturdy seersucker take on a look of ribbon and lace. A reasonable facsimile of this effect is printed in white on a background of navy, red or black seersucker. This unusual pattern, combined with a floral print, makes the two-piece swim suit (right) with latex-shirred bra and ruffled shorts with a latex-shirred "puckerette" top.

Bias-cut ruffles soften the outlines of the pert plaid gingham suit (left), the styling of which represents ingenious design. This is seen in brief one-piece ruffled trunks which wrap around the body so that the back panel fastens in front with laces and the front panel fastens in back with adjustable ties. Teamed with these shorts is a strapless bra, softened at the top with a ruffle.

Guests Speak At Meeting Of Garden Club

Two guests were speakers to the Midland Garden Club Thursday morning, at a meeting in the home of Mrs. Sol Bunnell. Mrs. George Hightower of Natchez, Miss., told of the famous gardens near her home, and J. M. Ratcliff, local gladiolus grower, spoke on the culture of that plant.

Mrs. Hightower's talk was timely because the annual Garden Club Azalea Trail pilgrimages at Natchez opened this month and will continue until the first week in April. She described some of the homes and gardens which are visited by many tourists each year on the pilgrimages, and also told of some of the interesting early history of the city of Natchez.

Ratcliff discussed the selection, planting and care of gladiolus to secure the most effective bloom in the West Texas climate.

The hostess served coffee to members present for the program and brief business session.

DISTRICT JUDGE HERE

District Judge Paul Moss is hearing non-jury civil cases in 10th District Court here Friday. Divorced actions were expected to take up a majority of the time.

Yucca Garden Club Hears Program By Member And Guest

A members and a guest presented the program for the Yucca Garden Club in the home of Mrs. J. Guy McMillan Thursday morning. The guest, Mrs. A. P. Shirley of the Midland Garden Club, had the subject, "Planning the Spring Garden."

She suggested outlining plans on paper first, considering background greenery such as vines and shrubs, flowers suited to the soil and climate, shady or sunny spots, and always striving to make the growth look natural.

Mrs. C. E. Nelson, the member, discussed "Trellis and Window Boxes to Dress Up a House." She said fashions change in these accessories as they do in dress, and she compared materials and methods of construction, and suggested suitable plants for window boxes and vines for trellises.

Girl Scout Birthday Observance Planned In Brownie Troop 6

Tentative plans for the Girl Scout birthday celebration next week were made by Brownie Troop 6, meeting in the West Elementary School Thursday afternoon. The troop had been divided into two groups at a previous meeting, and each group took up the activity Thursday which the other group had taken last week.

While one group went on a hike, the other had an hour of handcraft directed by Mrs. Lloyd Mills. Mrs. R. E. Morgan, Mrs. C. H. Horton and Mrs. F. H. Speers, leaders, were in charge. Guests of the troop were Janna Ball and Sharon Driggs.

Terminal Club Has Program On Costume

Costume accessories were displayed and discussed at the meeting of Terminal Home Demonstration Club Wednesday afternoon at Mrs. W. C. Daniel's home. Mrs. Nettie Messick, county home demonstration agent, showed how to vary simple costumes with changed accessories. She also showed new curtain rings and their use.

Sunday School Study Slated Through Week

A Sunday School institute will be held next week in the Four Square Gospel Church, Indiana and B Streets, beginning Sunday. It was announced Friday. The Rev. James Allan Trivette, a Sunday School field worker, will be in charge.

He will begin a series of lessons for teachers and leaders of church programs on Sunday morning, and continue them at 7:30 p. m. each day. Author of three books for teachers and co-organizer of a series of Sunday School lessons, the speaker is experienced in showing the use of visual education methods.

Equipment which he has brought with him for the lessons includes flannel-graph backgrounds and figures. He also employs chalk-talks and other familiar teaching methods. The public is invited to hear him.

SOCIETY

2—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MARCH 4, 1949

Membership Limit Raised By Vote Of Tejas Garden Club

An increase in the membership limit of the Tejas Garden Club was voted at a meeting Thursday morning in the home of Mrs. N. A. Lancaster. The new limit is 30 members.

Mrs. M. R. Hayes was in charge of the program, presenting a discussion of lawn grass suitable for West Texas, and also the culture of ornamental grasses. The flower arrangement displayed at this meeting was by Mrs. Sam Preston of violets and jonquils in a white wire cart.

Guests of the club were Mrs. Charles Sherwood, Mrs. W. M. Ford, Mrs. Walt Goodman and Mrs. Pearl Madgett of Houston. Other members present were Mrs. John L. Smith, Mrs. E. N. Spiars, Mrs. J. O. Vance, Mrs. J. A. Eubanks, Mrs. J. C. Velvin, Mrs. Floyd Boles, Mrs. M. M. Conn, Mrs. W. D. Lane, Mrs. H. F. Kelly, Mrs. F. A. Crockett, Mrs. C. W. Herndon and Mrs. J. D. Dillard.

Tea Date Set In Business Session Of Shumate YWA

Date for the March tea of the Margie Shumate Young Women's Auxiliary of First Baptist Church was set for March 15, at a business session Thursday. The time will be 7:30 p. m. The meeting Thursday was in the home of Nellivue Clark.

A letter from the Rev. C. W. McCollum, missionary to an island of the West Indies, was read by the hostess after opening songs led by Verla Lee Golins and a prayer by Lola Farnsworth. Dorothy Boudin was leader of the program on the subject, "Christ for All Mankind."

Topics were "The Human Family," discussed by Miss Golins; "Negro Baptist Centers," Faye Gregston; "American India," Jean Godfrey; and "Brothers All," Ruth Malton. The closing prayer was by Norma Middlebrooks.

Brownie Troop 37 Holds Investiture

An investiture service was conducted for Brownie Troop 37, meeting Thursday afternoon in the South Elementary School. The girls took part in a candlelight ceremony and received pins, after Mrs. Floyd Countiss, leader, had told the Brownie story.

They sang the Brownie song, then sang "Happy Birthday" to Mrs. Countiss. Visitors at the meeting were Mrs. L. D. Johnston, Mrs. D. G. Dawkins, Mrs. T. W. McKenzie and son, Mrs. E. N. Stracener, Sammie and Joyce Morgan, Mrs. A. L. Morgan was the other troop leader present.

Mrs. Thomas Invited To Assist At Tea For Visiting Notable

Mrs. John W. Thomas of Midland, invited to be in the house party of a tea Sunday in the James Franklin Robertson home in Rising Star honoring Mrs. John Henry Hamilton of New York City, has sent her regrets, and does not plan to make the trip.

The tea is of interest in many Texas cities as Mrs. Robertson, who is the Texas poet Lexie Dean Robertson, has invited guests from all parts of the state. The honoree is the former Emily Vanderbilt, prominent in musical, literary and philanthropic activities of New York. She is the wife of a New York attorney.

Drunk In Automobile

Two Midland men were fined \$75 each Friday in city court on charges of being drunk in an automobile.

WE, THE WOMEN

By RUTH MILLETT
NEA Staff Writer

A woman may get a lot of satisfaction out of having the reputation for being a "perfect housekeeper." But maintaining the reputation is usually hard on her family. So many of the things that make home life cheerful and comfortable are nothing but a nuisance to a perfect housekeeper.

There are women who are so concerned with the elimination of dust and dirt they don't even want an open fireplace in their homes. Or if they have one they use it only on state occasions.

There are women who so hate to see their floors tracked up, their children can never have their playmates in the house. Clutter Bugs
There are women who dislike clutter so much the family can't even spread the Sunday paper out over the living room, or lay down a magazine beside a chair and find it there five minutes later.

There are women who are so concerned with having a place for everything and everything in its place, members of the family can't enjoy hobbies. For hobbies usually create a certain amount of disarrangement in a house. And there are women who are such fiends for order and neatness that they don't want the children to have a pet, and if even they consent to a dog for the kids it is on condition that it not be allowed in the house.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MARCH 4, 1949-3

Betty Richards And Morris Howell Wed

In a twilight ceremony Thursday, Betty Richards, daughter of Mr. and Mrs. E. B. Richards, and Morris Howell, son of Mrs. Lucille Howell, were married in the First Methodist Church. The Rev. Howard Hollowell, pastor, read the double ring service.

Baskets of white stock and candy-tuft, alternated with candelabra holding white tapers, formed a background at the chancel. Mrs. B. E. Stephens and Rosemary Johnson lighted the candles while Homer E. Misk, Jr., played an organ recital of wedding music.

The organist also accompanied Everett Miles, who sang Cadman's "At Dawning," then played the wedding marches. Betty Hays was the bride's only attendant, and Jack Kidwell served as best man. Ushers were Burton Caine and Pearl Ward.

Bride Wears Blue
Miss Richards, given in marriage by her father, was dressed in an ankle-length frock of pastel blue taffeta fashioned with sweetheart neckline, cap sleeves and a modified bustle effect. Her hat was of satin in matching blue, and the fingertip veil was also blue. She carried a colonial bouquet of yellow carnations.

The maid of honor wore honey-colored taffeta, the dress made similarly to that of the bride. Her bouquet was of pink carnations. Mrs. Stephens was dressed in aqua, Miss Johnson in navy, both with white corsages.

Mrs. Richards chose for her daughter's wedding a black costume, the dress trimmed with light blue, and a corsage of blue carnations. Mrs. Howell wore pink accessories and a pink corsage with her black costume.

Trip After Reception
A reception in the J.C. Miles home 510 North Baird Street, followed the ceremony. Mrs. Miles is an aunt of the bride. The couple and their parents received friends informally. Mrs. Mack Richards cut the wedding cake, and was assisted by girls of the wedding party in serving it with punch. The serving table had a blue organza cloth and a center bouquet of Jorguia.

Mrs. Gerome Caryan poured punch and Mrs. M. B. Arick and Mrs. B. M. Hays were also in the house party.

After a trip to Carlsbad, N. M., Mr. and Mrs. Howell will be at home at 707 West Kentucky Street. Both were educated in Midland schools. She is employed in the Rest Haven Park office, and he with the Shell Oil Company.

Out-of-city guests for the wedding were the bride's brother, Bill Richards, and Mrs. Richards of Dallas, the bridegroom's brother, Murray Howell, and Mrs. Howell of Odessa.

Garden Pilgrimages In South Announced

Garden pilgrimages to be conducted through March, with tours of the famous Southern Azalea Trails and historical gardens of Louisiana and Mississippi, have been announced to start from Midland on any Thursday during the month.

Persons going from Midland on the pilgrimages will join groups from other Texas points in Dallas, and make a ten-day trip to New Orleans, Baton Rouge, Natchez and the Bellmeath Gardens. The trips are being arranged by the General Travel Agency here.

They include a three-day stop-over in New Orleans, with meals at Antoine's and other noted restaurants and visits to several colonial homes, and attendance at events of the Azalea Carnival in Natchez.

Mrs. Frantz Hostess To Star Study Club

Star Study Club members met for a business period and lesson hour Wednesday in the home of Mrs. R. R. Frantz. The hostess served refreshments to Edith Marie Anderson, Ophie Pope, Elizabeth Wright, Lula Wycoff, Ruth Spangler, Laura Hamilton, Nora Barber and Rebecca Frantz.

Why do ye persecute me as God, and are not satisfied with my flesh?—Job 19:22.

Russians Pass Milestone

The Russians may not yet have developed an atomic bomb. But it is certain that they have the secret of at least one recent product of American industrial genius.

The instrument also has some surprising psychological properties of a non-military nature. American tests prove conclusively that it is effective in raising substantial sums of private revenue.

It may even be that the Soviets will be able to make diplomatic use of this instrument. By exploiting and developing its somewhat deceptive characteristics, they may find it valuable in drafting treaties that can be broken without too obvious a national dishonor.

Seeing Is Believing

A printers' strike which closed Buenos Aires newspapers has proved again that seeing is believing. Radio stations increased their news programs in an effort to fill the gap, but this did not keep down a wild crop of rumors that sprang up immediately.

The government had closed the papers to conceal from the people what the constituent assembly was doing in rewriting the country's constitution.

This is indicative, we should say, that the press has earned a firm reputation for general reliability that has not been threatened by newer, faster means of communication.

The happenings in Argentina also emphasize a function of the press that is often overlooked—its importance in combating fear and confusion and panic, in preserving a calm and orderly social existence.

It is naturally satisfying to the newspaper profession to be reassured by the above incidents of the need and importance of the press. But it is not a complacent satisfaction.

Under the letter lobby, Gwinn must pay the Government Printing Office for reprinting the speeches he is sending out. This came to \$7,828.97 plus an additional sum for printing speech titles on the envelopes.

Under the letter lobby, Gwinn must pay the Government Printing Office for reprinting the speeches he is sending out. This came to \$7,828.97 plus an additional sum for printing speech titles on the envelopes.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1949, by The Bell Syndicate, Inc.) Drew Pearson says: Congressman Gwinn launches mail crusade against Truman "Fair Deal"; French Communist cleanup has deep significance; Republican plays politics on rent-control legislation.

WASHINGTON — House leaders are investigating one of the biggest franking grabs in congressional history. It involves jaunty GOP Representative Ralph W. Gwinn of New York, the man who at minimum wage hearings last week, angrily told a laundry-worker witness to take in washing at home if she didn't like the wages paid by her employer.

Gwinn has launched the most extensive one-man mail crusade since the days of former isolationist Congressman Ham Fish—aimed at undermining President Truman's "Fair Deal" program.

He is mailing out more than 900,000 letters containing 2,250,000 copies of speeches against public housing, federal aid to education, rent control and other planks of the Democratic platform.

A good part of this already has been sent to the Committee for Constitutional Government and two mailing agencies in New York City for distribution under Gwinn's free congressional frank. The rest is clogging a corridor in the basement of the House Office Building, waiting to be mailed.

However, what the people on the receiving end of this propaganda typhoon do not realize is that they—the taxpayers—are footing a better part of the bill.

Cub Scouts Visit Reporter-Telegram

Members of Den 7, Pack 151, Midland Cub Scouts, visited The Reporter-Telegram plant Thursday. They were accompanied by Mrs. Tom Brown, den mother, and James Dobson, den chief.

Cub Scouts included Morris Joe Taylor, Life Turner, Edward Wilby, Roger Sherwood Walker, Billy Blacklock, Dash Goff, Crouch McCord and Donald Hunter and David Langston.

THE DOCTOR SAYS

New Developments Help Speed Decline In Tuberculosis Rate

By EDWIN F. JORDAN, M. D. Written for NEA Service. The death rate from tuberculosis has been coming down for many years; it is only about one-seventh of that which existed 30 or 40 years ago.

The cause of the disease—the tubercle bacillus—has been known for a long time. It was discovered by the great German bacteriologist, Koch, in 1882, and really modern knowledge of control dates from that time.

A diagnosis can be made in the early stages of the disease when treatment is practically 100 per cent successful. The early signs of tuberculosis in the lungs can be recognized by X-ray before the development of any of the well-known signs, such as cough, fever, night sweats, or loss of weight.

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority Written for NEA Service. I have just finished a game of casino. While I must admit defeat, it is only because I was playing against a fine casino player, namely, Miss Betty Clark, the blind 12-year-old wonder girl.

You are not conscious of the fact that Betty is blind after being with her for a few minutes and learning about some of the things she can do. She roller-skates, dances, and likes to swim. She is the only child in the United States who has her own radio show on a network.

The show is called "Betty Clark Sings," and is heard every Sunday afternoon over the ABC chain. Betty wanted to know if she could learn how to play bridge, and I told her about J. Patrick Dunne, the fine blind player who has participated in many championship tournaments.

Next he played the jack of diamonds. When East covered, "Pat" won the trick with the ace of diamonds, ruffed the seven of hearts, and returned a small diamond which East won. Now, regardless of what East returned, "Pat" would discard his nine of diamonds and trump in dummy with the queen of hearts. He won the last three tricks with the ace, king and ten of hearts.

By EDWIN F. JORDAN, M. D. Written for NEA Service. The death rate from tuberculosis has been coming down for many years; it is only about one-seventh of that which existed 30 or 40 years ago.

The cause of the disease—the tubercle bacillus—has been known for a long time. It was discovered by the great German bacteriologist, Koch, in 1882, and really modern knowledge of control dates from that time.

A diagnosis can be made in the early stages of the disease when treatment is practically 100 per cent successful. The early signs of tuberculosis in the lungs can be recognized by X-ray before the development of any of the well-known signs, such as cough, fever, night sweats, or loss of weight.

Two important developments about tuberculosis should be noted. One is the use of vaccine known as BCG. Large numbers of people are now being given this vaccine in an attempt to build up their resistance. It is being tried in several large cities and in a few years even more will be known about this method.

The other big thing in tuberculosis control is streptomycin, a relative of penicillin. Streptomycin treatment is being thoroughly studied in many parts of the world and reports are now appearing in the medical journals in ever-increasing numbers.

Dem Labor Reform Program May Be Bogged For Months

By PETER EDSON. NEA Washington Correspondent. WASHINGTON — The Democratic Administration should now be plenty worried about its labor reform program, which is stymied.

The case against the Taft-Hartley Act has not registered. The bill to raise minimum wage from 40 to 75 cents an hour is confused by a number of side issues dragged before the House Labor Committee.

Only positive action which the Administration can report at the end of the first two months of this session of Congress is House passage of a bill to outlaw payment of overtime on overtime.

Republican Senator Wayne Morse of Oregon holds a key to possible compromise in his proposal to present a labor bill of his own, based on modification of the original Wagner Act.

On the other hand, supporters of the Taft-Hartley Law made effective presentations, even though they were blasted by Senator Morse for "a Judas betrayal of the capitalistic system."

There has been no apparent conspiracy or concerted action to oppose amendment of the Taft-Hartley Act. But all interested organizations, following the lead of the National Association of Manufacturers and U. S. Chamber of Commerce, have been heading the same way.

A "Committee for the Preservation of the Taft-Hartley Act" has started to grind out releases. Chairman of the committee is William Ingles, Washington registered lobbyist and labor adviser for Inland Steel, Allis Chalmers, J. I. Case, Falk Corporation, Foreman's League for Education, American Mining Congress, American Hotel Association.

While the immediate outlook gives confidence there are no signs of confidence in our economy that are more significant than they were a year ago. If something isn't done to correct these... we will have another depression.

People once believed that eels would grow from horse hairs cut into finger-length pieces and thrown into a river.

JOHN HENRY leaped as eels were temple against the cement wall. Sin hunched forward and her voice was calm only by desperate effort. "That's exactly what you should do, Faye. But I've got a good idea. Why don't you untie us and then we can all look for the thief who stole your car?"

Wading Bird crossword puzzle grid with clues and a small illustration of a bird.

MANX CAT puzzle grid with clues and a small illustration of a cat.

POP Goes the QUEEN story by Bob Wade and Bill Miller. A story about a girl named Faye and a boy named John Henry.

Crane News

CRANE—Mrs. Harry Hammond is convalescing after a major operation. C. L. Travis drove to Waco last week to bring Mrs. Travis and children home. Garland Hunslett of the Gulf Camp was in Robinson Clinic Wednesday for X-rays and examination. Mrs. Ted Green is reported to be improving. She has been seriously ill in the Crane Memorial Hospital. Mrs. Hazel McDougal has returned to her home after receiving medical attention at the Crane Memorial Hospital Monday and Tuesday. Mrs. and Mrs. Hayes Damron and Mrs. Damron's father, John L. Foreman, visited in McCamey Monday. Ted and Tom Hogan attended the Reserve Officers regular monthly meeting Friday evening in Midland. Charles Potete has received his appointment as Associate Appeal Agent for the Crane County Draft Board. He held a similar position during the war. Carl E. Denner of Louisville, Ky., will arrive this weekend to visit with his mother-in-law, Mrs. Jean Orutcher. He will be a guest in the Cecil Bushager home where Mrs. Orutcher lives with her daughter, Mrs. Bushager. Mr. and Mrs. "Shorty" Hamlin former residents of the Tidewater Camp, were visitors in Crane last week. They were guests of the E. R. Tomlinsons and other friends. Mrs. R. L. Russell has received word of the death of her grandfather, R. L. Westmoreland, in Gorman. Mrs. Emma Stovall of Midland visited her sister, Mrs. G. C. Avent, last weekend and while here accompanied Mrs. Avent and Mr. and Mrs. E. R. Avent and daughter, Lovelle, on a trip to Kermit. Read the Classifieds

IOOF Assembly Will Be Held At Crane

CRANE—Plans for a division assembly of West Texas Odd Fellows and Rebekahs to be held here April 23 were formulated at a recent meeting held in Monahans. Mrs. Daise Sutton of Goldsmiths president. She is president of the association. Mrs. C. C. Ballard of Monahans is first vice president. Mrs. Myrtle Shaffer of Crane is second vice president. Mrs. Mary Frazier of Pecos is secretary. And Earl Wilson of Big Spring is treasurer. Also attending were Mrs. Ella Gooch, Mrs. Willie Ruth Horns, Mrs. Garnett Lambley of Crane, Mrs. Earl Wilson of Big Spring and Mrs. Tillery of Goldsmiths. The assembly will bring a large group of persons to Crane. King William II of Britain, an unjust and grasping ruler, invoked the wrath of the church by selling church offices or keeping them occupied so he could keep the revenue for himself.

Crane WSCS Women Receive Life Pins

CRANE—Special Adult life membership pins recently were presented to Mrs. C. A. Shaffer and Mrs. J. N. Whetstone at a business meeting following a WSCS luncheon of the Methodist Church. Mrs. J. E. Clark was elected delegate to the New Mexico Conference of WSCS, which convenes April 6-8 in Roswell. A committee composed of Mrs. J. H. Davis, Mrs. Guy Bosworth and Mrs. H. G. Bell was appointed. It will report at the next monthly business meeting.

Blank Checks Stolen From Pecos Company

PECOS—Four checks printed for the Southwest Chemical Company of Pecos are being sought by Manager Jerry Modersette and Pecos officers. Upon his return from a business trip to McAllen this week Modersette found his place of business had been entered and a sheet of checks—No. 0051 through No. 0055—had been stolen.

Midland Men Lease Pecos Airport Space

PECOS—Two Midland men have leased half of the floor space in one of the city's big hangars for the storage of three 44-passenger airplanes, Mayor E. G. Stafford announced. The planes are two-motored Cessna's capable of flying 300 miles per hour. They are owned by the Central Air Transport Corporation and, it is reported, will be sold to the Chas. G. government. The one-year lease, subject to 30-day cancellation, was signed by Norman Hoffman and Hal Rechal, both of Midland.

MARCH WINDS

What joy it brings to children to feel the strong March winds blowing! Soon the skies will be dotted with tiny, colored kites, and grown-ups too will recall the thrills and pleasures of this sport. Man has always had a fascination for flying. Ancient myths and stories reveal man's desire to soar into the heavens, and the art of flying kites dates back four centuries before the Christian era. The enormous interest in modern aviation is not wholly due to its economic and commercial values, for there is a strange enchantment in sailing off into the heavens, in the desire of attaining great heights. There is a kindred hope in the hearts of men. It is the fundamental desire for a higher, more exalted life hereafter. The Christian religion promises us a heavenly home if only our lives here on earth will follow the teachings of Christ. Let us go to Church this Sunday, and every Sunday, and learn the way to an eternal life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday John 3:1-5
 Monday Proverbs 26:27-30
 Tuesday Genesis 9:12-17
 Wednesday Psalm 55:1-4
 Thursday Isaiah 40:27-30
 Friday Matthew 6:26-33
 Saturday Luke 8:22-25

If you desire a schedule of readings for the year write to American Bible Society, Dept. U, 450 Park Ave., N. Y. 22, N. Y.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MARCH 4, 1949

Class AA Quints To Clash Friday In State Tourney

AUSTIN—(AP)—Finalists will be determined in Classes A and B Friday in the Texas High School Basketball Tournament. Immediately thereafter, in afternoon and night tilts, Class AA division teams swing into their first rounds.

A battle between Lubbock, the favored outfit in Class AA, and dangerous Highland Park of Dallas is the feature of the big bracket but for the first time in history, the small schools enjoy the spotlight in the state tournament.

The clash of Waelder and Martin's Mill in Class B looks to be the best game of the day.

On the basis of season records in which teams of the Class B division handed jolts to powers of other conferences, and through the brilliance of these little town teams in Thursday's opening round, it is indicated that this division has played the best basketball of the season.

Lampasas Class A Favorite Big Sandy meets Slidell in the first Class B semi-final game. Waelder and Martin's Mill get together in the other.

In Class A, where Lampasas appears the strongest, Memphis and Gaston of Jolietville play the first semi-final game. Lampasas and French of Beaumont, the second best looking entry, tangle in the second.

Bowie (El Paso) and Port Arthur tangle at 3:10 p. m., Waco and Texas City swap field goals at 4:35, Lubbock and Highland Park play at 7:15 and Brownwood and Austin meet at 8:40 p. m. to finish up the schedule of the night. All this group are in Class AA.

Big Sandy beat Woodsboro 47-34, Slidell upset Shallowater 32-26, Waelder crushed Gustine 48-21, and Martin's Mill knocked down Marfa 38-24 in the first round of Class B Thursday.

B Class Players Sparkle The defeat of Shallowater was a major surprise but Slidell did it with a great finish after Derrell Murphy, the high-scoring Shallowater forward (he rolled up over 800 points during the season), went out on personal fous. Shallowater was leading when he departed.

O'Neal Weaver of Martin's Mill was another player to stand out strongly. Weaver showed himself to be one of the best schoolboy cagers ever to come to the state meet.

In Class A, Memphis nosed out Coleman 25-23, Gaston licked Medford 33-22, French beat Uvalde 45-27, and Lampasas thumped Nocona 43-24 in the first round.

Richard Bess paced a fine French offense that specialized in the fast break and expert backboard control. He flipped in 19 points. Memphis stalled the last 30 seconds in eking out over Coleman. Gaston showed balance in trimming Madisonville, and Lampasas exhibited fierce scoring power in surging back to dominate the last half against Nocona.

Rice Meets A&M For Share Of Loop Title

By The Associated Press The Southwest Conference basketball season ends Friday night, and the Rice Owls can share the title with Baylor and Arkansas by thumping Texas A&M at College Station.

Rice is a heavy favorite over the sixth-place Aggies. The Owls host the conference's top scorer in Bill Tom and have two other high counters in Warren Switzer and Joe McDermott.

Tyler Apaches Sack Texas Junior Crown

COLLEGE STATION—(AP)—The Tyler Apaches added the State Junior College Tournament title to their Southwestern Junior College Conference crown Thursday night, whipping Lamar of Beaumont 78-41.

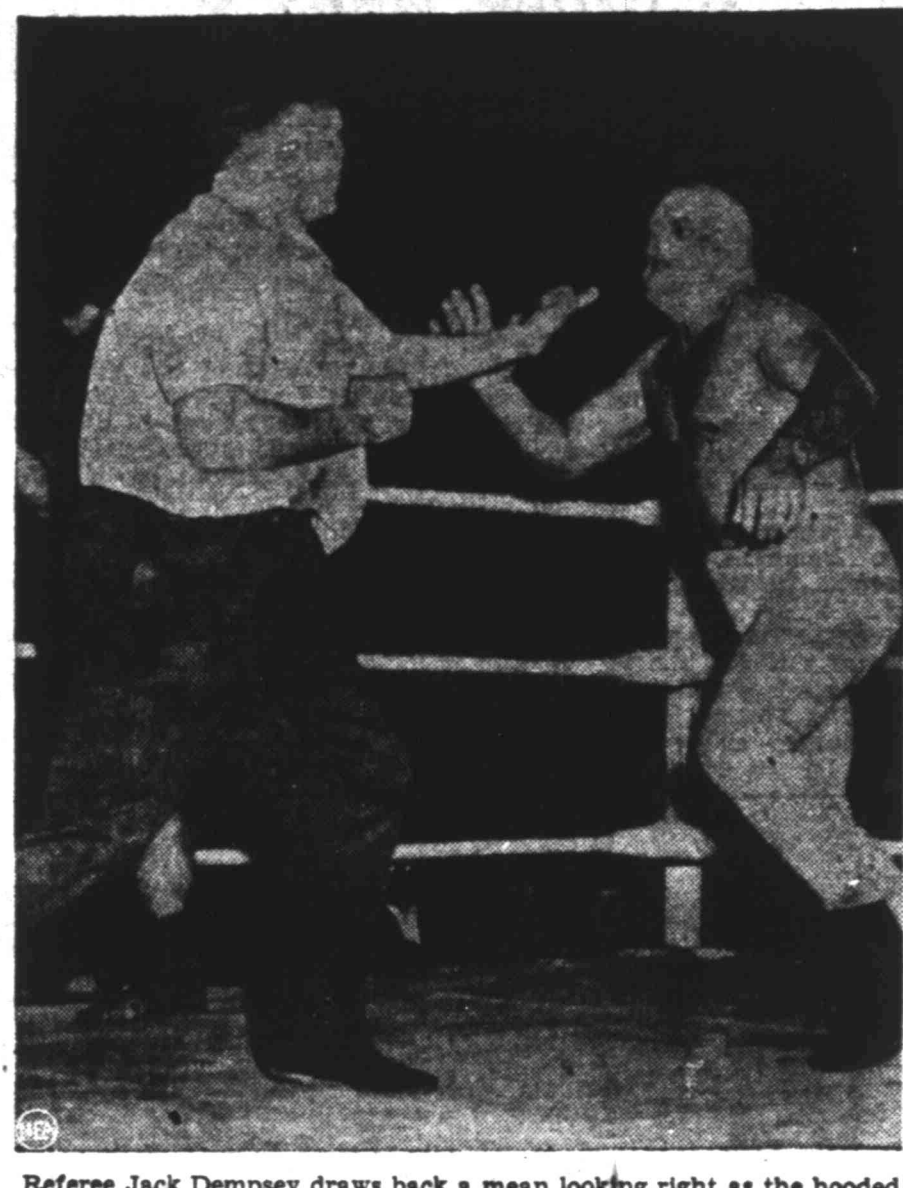

Lon Morris of Jacksonville nosed out Allen Academy 62-61 for third place and Amarillo beat Paris 64-54 for the consolation title.

By 1948, more than one million barrels of crude oil were being produced daily from oil fields in the Middle East.

Baseball, Track Workout Sessions Started At MHS

Baseball and track workouts of the Midland High Bulldogs opened Thursday at Memorial Stadium.

About 40 diamond prospects reported to Coaches Garvin Beauchamp and Red Rutledge. Twenty-five track and field candidates reported to Coach Joe Akins.

The baseballers were put through a session of shagging flies and running for conditioning. Snappy position drills were held for outfielders, infielders, pitchers and catchers.

Baseball workouts will be held at a practice diamond near the stadium until Indian Park is available. Scheduled games will be played in the park.

The executive committee of District 3-AA will meet at 2 p. m. Sunday in Big Spring to map the 1949 baseball schedule. Conference play is expected to get underway early next month. Teams probably will play a double round-robin on a home-and-home basis. San Angelo is the defending district champion. Most 3-AA schools already are at work in baseball.

First Meet April 26 The tracksters were issued equipment and sent into conditioning drills. Coach Jack Mashburn, who will assist Akins, could not be present and will join the squad next week. First competition for the Bulldogs in track and field will be April 26 in a meet at Odessa. Coach Akins expects to start the thimble

working on individual events within a week. Several baseball and track candidates did not attend Thursday's drills because they are senior athletes and are visiting a Southwest Conference school, accompanied by Mashburn and Audrey Gill. They will be ready to report Monday.

Tech Whams ACC In NAIB Playoff

By The Associated Press East Texas State College and Texas Tech will meet in the finals to determine a Texas representative to the National Association of Intercollegiate Basketball Tournament.

Both teams won their semi-final games Thursday night. East Texas State defeated East Texas Baptist College 55-47 in a game at Glade-water.

Texas Tech took an easy 71-51 victory over Abilene Christian College at Lubbock.

Bantam Ben Hogan Reported Rallying From Operation To Halt Blood Clot Formation

EL PASO—(AP)—Plucky little Ben Hogan Friday was resting well after a two-hour operation designed to prevent blood clots from reaching vital parts of his body.

Clots, approaching his heart Wednesday, made his condition "very critical." The operation performed Thursday night will prevent further clots, the surgeon said.

However, the nation's foremost golfer will not be "up and around" for several months, the surgeon reported.

He is Dr. Alton Ochsner, professor of surgery at Tulane University, New Orleans. He flew here Thursday and almost immediately decided to operate.

He said the clots came from injuries Hogan suffered February 22 in an automobile-bus collision. His pelvis, collar bone and an ankle bone were broken.

Dr. Ochsner said he tied off the vena cava. This is the main vein bringing blood from the lower part of the body back to the heart. It was up this vein the clots traveled. With the vein tied, the clots are blocked off.

An abdominal operation was required. Dr. Ochsner said Hogan should be over the effect of the operation in a week, and be "up and about" in a few months.

He explained that the clots which threatened Hogan's life Wednesday had been absorbed by the blood stream. The operation was a precaution against further clots endangering Hogan's life.

The operation took place in Hotel Dieu, a hospital here. Formation of blood clots had worried Hogan's regular physician almost since the accident.

The Tulane professor said Thursday night the blood clot which caused the critical condition apparently had broken off a larger one. He said the clot was not found on the lungs as had been reported earlier.

At one time shortly after the accident, Hogan was considered well enough to make the trip to his Fort Worth home. But at the last minute, doctors called off the trip because they said some of his casts needed to be loosened. The casts cover the lower part of his body.

Advertise or be forgotten.

16 Girl Cage Teams To Battle For Title

HILLSBORO, TEXAS—(AP)—Sixteen teams—survivors of a field of 350—battle for the girls state high school basketball championship here next week.

The tournament opens Wednesday, and finals will be held Saturday, March 12.

Five of the 16 district champions in the state meet tried for the crown last year. Mesquite, 1948 titlist, was eliminated in district play this year.

The winner of the tournament probably will go to Iowa again for a game with the Iowa state champ.

The first round schedule: Millsap vs. East Chambers, New Home vs. Cranfills Gap, Huckabay vs. Rogers, Roosevelt vs. West Columbia, Post vs. Seagoville, Lawn vs. Tenaha, Dalhart vs. Kildare, McLean vs. West Columbia.

Holleyman Wins Roping Honors At San Angelo Show

SAN ANGELO—(AP)—John D. Holleyman of Ozona won Thursday's calf roping contests at the San Angelo Rodeo by tying his calf in 15 seconds flat. Right behind him was Ray Whorton of Bandera with a time of 16.2.

Bill McGuire of Fort Worth topped the steer wrestlers by throwing his animal in 7.4 seconds. George Mills of Pueblo, Colo., was second with 7.7.

Harry Tompkins of Ardmore, Okla., won double honors by placing first in bareback bronc riding and in bull riding. Paul Gould of Sweetwater trailed him in bareback riding and David Shellenberger of Marietta, Okla., was second in bull riding.

Gene Pruett of Tipton, Wash., was judged best saddle bronc rider of the day. Second was Casey Tibbs of Fort Pierre, S. D.

Beats Rowing

Phyllis Brawley jammed the streets of Cincinnati with this store window demonstration of an aquacycle. The pedal-powered boat propeller is the latest thing in easing the burden of a fisherman.

Down SPORTSLANE

—With TANNER LAINE

The coaching staff for MHS appears well-filled for the 1949 football wars.

And hear ye, the assistants of 1948 had first shot at jobs for 1949 if they wanted them. Three of these chose to stick. They are Jack Mashburn, Joe Akins and Audrey Gill.

The great little punter and ex-TCU backfield star, and our friend, Carl Knox, indicated he possibly would move on—to a higher job somewhere, it is hoped.

Tugboat Jones is the head knocker. His trade secrets are his own but we would speculate that he works Garvin Beauchamp with the line as a unit and Red Gill with the ends and centers and linebackers. Mashburn is apt to do a lot of the scouting and special work. Rutledge and Akins probably will work the B and C squads. This is unofficial and Tugboat may be surprised at our placement.

But we have a real coaching corps. It is as good as the best. There's a lot of know how and talent possessed by these men—Jones, Beauchamp, Gill, Rutledge, Mashburn and Akins.

When they have become thoroughly acquainted with the boys and worked with them awhile—we predict you are going to see results of great magnitude.

Take the six high school grid tutors and add them to three junior high coaches and three elementary school coaches and you have one of the best systems in the state.

We can see those eyebrows lifting next fall when the Bulldogs take the field.

Oh boy!

wintered in Midland, is back at Browne's station here after attendance at an umpire's school.

Steve has been promised a six-week assistant umpire supervisor job for the coming diamond season.

Jimmy Boatman, who will be with the 1949 Midland Indians, recently played in an international baseball tournament and his Buffalo Stars team won the thing.

Playing in the tourney were teams from Venezuela, Cuba, Puerto Rico and the United States.

We talked to Leonard Huffman, perhaps the best basketball player in West Texas, the other night while watching the City League games.

Huff plays with the Hale Motors team of Odessa but he is a good Midlander.

He will be with the Hale outfit in the TAAF tourney in San Angelo.

He makes the all-tourney team in just about every meet he participates in and deserves it all.

By the way, Hale Motors beat the highly-touted Ellis Park five of San Angelo recently and Huffman was high scorer.

When you consider that Lamesa in winning the 3-AA championship scored 793 points for the season, you appreciate the fact that Midland tabbed 777 tallies in 22 games.

Lamesa played 25 games, winning 15 and losing 10.

Leon Blair led the Lamesa scorers with 236 points and Gene Morris tabbed 194.

Recent guests at the Odessa Gun Club skeet shoot place were George Glass, Sr., and Bill Epley of Midland.

And George shot a perfect score over there.

Stanton is to host to an independent basketball tournament March 7-10.

Sweetwater Swatters have box seats for sale in a new park, which is under construction.

Stretch Jackson, the elongated first sacker of the Sweetwater team, will return for the 1949 season.

He is an ex-House of David baseballer.

Joe Louis plans to give Mike Jacobs a little of his own medicine by using the exclusive contract treatment to tie up the heavyweight title for his International Boxing Club.

When Louis won the crown from Braddock in 1937, he agreed to fight only for Jacob's 20th Century Sporting Club for the next 10 years.

Apparently the Brown Bomber learned a lesson in shrewd promotion tactics.

San Francisco basketball fans predict that Willie (Woo Woo) Wong, fresh star at San Francisco University, will become the first Chinese man of distinction in the cage sport.

Bobby Locke is due in America March 11 in time for the Jacksonville, Fla., open event.

His real objective is the Master's, of course.

Dutch Meyer will head the faculty of the Illinois University football school next summer, lecturing on the single and double wing offenses.

A Texas Senate committee decided that it should be unlawful for spectators at athletic games to throw pop bottles and other missiles and the same rule should apply to players and officials.

And the bill was so amended to make it \$5 to \$25 offense for anybody to hurl anything at anybody.

Except of course, whatever hurling is required for playing a game.

\$30 for strays, a bounding jackrabbit is a hard target for a six-shooter.

For Junior Class—

Ranchers Slate Benefit Battle

Fans are urged to see what promises to be a hot, fast basketball game at 8 p. m. Saturday when the Ranch House quintet of Midland meets the Stanton All-Stars in the MHS gym.

The game will be played as benefit for the Junior Class of Midland High. Proceeds will go to it for use in staging the annual Junior-Senior Banquet.

Ranch House seeks revenge from the Stars for a 42-37 defeat administered Thursday night at Stanton.

This was a rugged encounter in which the Stanton boys edged out the Midlanders in a stirring finish. Halftime score was: Stanton 18, Midland Ranch House 13.

Fields of Stanton was high scorer with 15 tallies. Copper Daugherty of the Ranchers purred in 12 tabs.

Ten Teams Remain To Be Chosen For Top Cage Tourneys

NEW YORK—(P)—Ten teams remained to be chosen Friday to fill the brackets of the NCAA and National Invitation post season basketball tournaments.

The Invitation indicated it would be ready to release one or more additional entries for its field very soon, possibly Friday afternoon. Four clubs have accepted—Kentucky, St. Louis, Western Kentucky and Bradley.

Yale was added to the NCAA playoffs Thursday. Kentucky, which is trying its hand at both of the big tourneys, is the only other school named for the NCAA so far.

Both Kentucky and Yale will enter the Eastern NCAA playoffs in New York starting March 21. Villanova is a likely contender from the New York-New Jersey-Pennsylvania area. The fourth team will be the Big Nine champion—either Illinois or Minnesota.

Manhattan Springs Upset

The invitation, which starts March 12, had figured Thursday night's Manhattan-City College game at Madison Square Garden would determine a New York entry, specifically City College. But Manhattan upset the apple cart at least temporarily with a surprising 44-43 victory. CCNY still may get the bid although Manhattan and St. John's of Brooklyn will demand consideration.

The Oklahoma Aggies, likely to represent District Five in the NCAA, again won the Missouri Valley Conference title by beating Wichita 60-36 Thursday night. Baltimore Loyola won the Mason-Dixon Conference title for the third straight year by whipping Hampden-Sydney 70-59. Kentucky Keeps Winning

North Carolina State and Kentucky, the top-seeded clubs in the Southern Conference and Southeastern Conference tourneys, won their first round games easily. N. C. State downed Wake Forest 64-42, and Kentucky overwhelmed Florida 73-36.

Other Southern Conference tourney first round scores were: William and Mary 54, Davidson 50; George Washington 62, South Carolina 45; North Carolina 79, Maryland 61. In the SEC Tennessee beat Mississippi State 73-46, Tulane trounced Alabama 64-42, and Louis-

iana State nipped Georgia Tech 58-53.

Oklahoma kept alive its hopes for the Big Seven title by beating Kansas 55-45.

William the Conqueror, ruler of England, was a Duke of Normandy and a descendant of Viking tribal chieftains.

ATLAS BREWING CO. CHICAGO, ILL.

Come in and see the new DE SOTO

On display beginning Saturday March 5th

Let us show you all the new features of this great car

Here is what thoughtful people everywhere have been looking for and hoping for!

Here, at last, is a car that gives you all the best features of modern design without demanding sacrifices of your family's comfort, safety or convenience. It was designed to fit YOU... instead of you having to fit into it.

You don't have to wriggle into the new De Soto. You walk in... and you keep your hat on. The steering wheel doesn't hit your knees. There's more leg room for all passengers, front and back. And not only are the windows and windshields bigger.

You can see out of them... because you're sitting on luxurious chair-high seats.

Yes, it's a thrill to look at. But you won't have to rebuild your garage to get it in. A dented fender doesn't mean an expensive body job. And you can still change a tire, if you have to.

Ride? The smoothest you ever had. Drive? De Soto lets you drive without shifting. New features? Come in and see them all. No matter what car you thought you were going to buy, compare it with this brilliant new De Soto. Then decide.

Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

- ### DE SOTO FEATURES THAT MEAN MORE ENJOYMENT EVERY MILE
- ★ Tip-Toe Hydraulic Shift with Fluid Drive
 - ★ New Feather-Light Steering
 - ★ High Compression Powermaster Engine
 - ★ New All-Weather Comfort System
 - ★ Faster Getaway
 - ★ New Ignition System
 - ★ Longer Wheelbase with full "cradled ride"
 - ★ Safeguard Hydraulic Brakes with new Cycle-bonded linings
 - ★ Lubrite Treated Cylinder Walls
 - ★ Safety Rim Wheels and Super Cushion Tires
- DE SOTO LETS YOU DRIVE WITHOUT SHIFTING

YOU CAN DEPEND ON DE SOTO-PLYMOUTH DEALERS FOR GREAT CARE, FINE SERVICE, A SQUARE DEAL

CARNIVAL

"Now then! Open your big mouth for the doctor, Pat!"

FUNNY BUSINESS

"How about me helpin' you cut down your income tax with some losses?"

Crane Brotherhood Meeting Conducted

CRANE — "The Brotherhood assisting the Pastor" was the subject for discussion by Jobsie Denton and Scott Hickey at a meeting of the Brotherhood of the Baptist Church.

Present were Jobsie Denton, Scott Hickey, George Ashburn, the Rev. H. D. Christian, Joseph A. Beyer, Vernon Hagler, Raleigh Wasson, Joe W. Boyd, J. R. Boyd, Clarence Key, J. R. Barron, R. E. Boothie, John North, H. B. Baker, O. O. Ervin, C. L. Stratt, R. E. Canon, Robert Fletcher, Dr. Gordon C. Smith, Ray O'Quin, L. D. Parker, V. M. Sparkman, Eugene Wasson and N. O. Hart.

A deacons meeting was called prior to the brotherhood session with Joe W. Boyd, J. P. Branam, Vernon Hagler, E. N. Beane, R. E. Cannon, John North and the Rev. H. D. Christian present.

The United States is the leading oil-producing center in the world, with the Caribbean second and the Middle East third.

Daddy Ringtail

Daddy Ringtail And Featherman Worries

By WESLEY DAVIS

The Featherman was very unhappy. Anyone could see it, and especially Daddy Ringtail could. "Featherman, Daddy Ringtail said, 'Featherman, what is the trouble?'" "Worry, worry, and worry," said the Featherman in his Featherman voice.

him, because they were friends. He asked the Featherman what was the why of all the worries, but the Featherman shook his head. "No need to make you unhappy," the Featherman said, and he wouldn't say what he was worrying about.

"Please, isn't there something I can do to help?" Daddy Ringtail asked to know. The Featherman shook his head. He said no one could help him, or at least he didn't see how. "Oh me!" he said. "It's such a big worry—almost too big for me to do all the worrying that needs to be done about it."

Daddy Ringtail thought about this, and he was about to help a bit with the worrying by worrying

IT'S A FACT

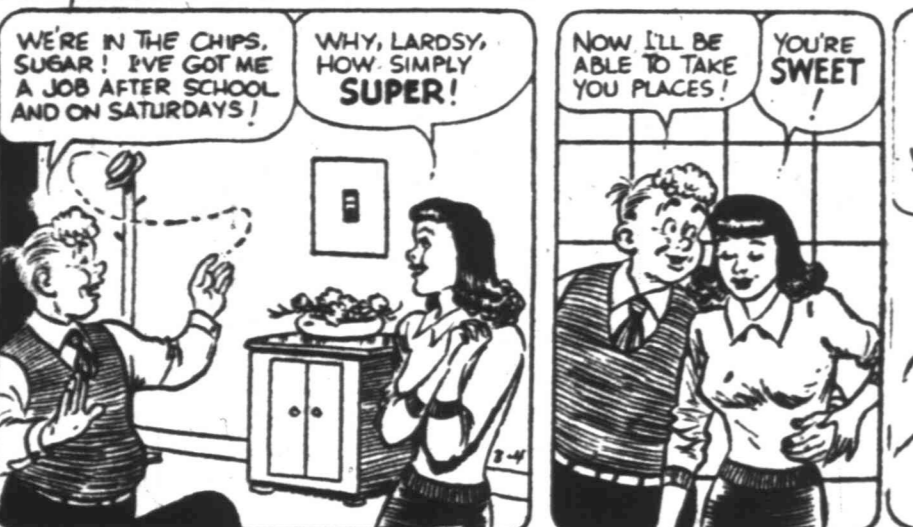

AND WE CAN PROVE IT. (PROOF NEXT SUNDAY) PROOF OF LAST WEEK'S AD:

IT IS NOT UNLAWFUL TO DESTROY U. S. COINS. No Federal law forbids the total destruction of coins; however, a statute does forbid the mutilation or lightening of a coin in such a way that it may later be circulated in its impaired condition. I.—Nuggets of Knowledge—Geo. W. Stimpson.

Don't let your money go up in smoke! Insure! As you buy new furniture, make certain it, too, is covered in your policy. We'll gladly help you make an inventory and check your present policies.

Death Sentence Is Demanded For Four

(Continued from page 1)
SOPIA, BULGARIA — (AP) — The Communist prosecutor Friday demanded the death penalty for the four top of 15 Protestant churchmen who are charged with spying and treason against Bulgaria.

In a two-hour summation, Moscow-trained Dimitar Georgevich accused the defendants not only of spying by trying to promote a revolt against Bulgaria's Communist-dominated government, which he said was to have brought intervention by the United States and Britain.

The four for whom the prosecutor demanded the death penalty are Yassil Georgiev Zhepkov, a Congregationalist; Yanko Nikolov Ivanov, a Methodist; Nikols Mihailov Naumov, a Baptist; and Georgi Nikolov Chervnev of the Pentecostal Church.

TWO DIE WHEN PLANE STRIKES POWER LINES
JOHNSON CITY—(AP) — Two San Antonio residents were killed near here Thursday afternoon when their plane crashed into Lower Colorado River Authority power lines.

LEGAL NOTICES
86
CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: B. F. Kagay and wife, Mrs. B. F. Kagay; Laura K. Judkins and husband, Mrs. M. T. Bailey; and wife, Mrs. M. T. Bailey; and wife, Mrs. Chas. E. Goets; John Walker and wife, Minnie D. Walker; A. C. Parker and wife, Mrs. A. C. Parker; Dell Dublin and wife, Mrs. Dell Dublin; J. E. Buckley and wife, Mrs. J. E. Buckley; and if dead, their legal representatives.

Representatives are appointed and answer the plaintiff's petition on or before 10 o'clock A. M. of the first Monday after the expiration of the days from the date of issuance of this citation, the same being Monday the 14th day of March, A. D. 1949, before the Honorable District Court of Midland County, Texas, at the Court House in Midland, Texas.

Said Plaintiff's petition was filed on the 14th day of December, 1948. The file number of said suit being No. 5022.

The names of the parties in said suit are:
Nora M. Barber and husband, F. J. Barber as Plaintiff, and the above named parties to whom this Citation is issued, and directed, as Defendants. DUBIN, Dublin and husband, W. J. Wooten; Nettle Dublin Walker and husband, J. E. Walker; Minnie D. Walker and husband, A. C. Parker; Dell Dublin and husband, R. Thrash; Chas. M. Dublin and wife, Mrs. Chas. M. Dublin as Defendants.

The nature of said suit being substantially as follows to-wit:
Plaintiff alleges ownership in fee of the lands and premises situated in Midland County, Texas, described as follows:

The East One-half (E/2) of the North One-half (N/2) of the North One-half (N/4) of Section Twenty-three (23), Block 32, of the first and only plat of the South, surveyed for the Texas & Pacific Railway Company by virtue of Certificate 3131.

That defendants unlawfully entered upon said lands on December 8th, 1948, and withold from plaintiffs' damage in the sum of \$5,000.00.

Such action is a suit in trespass to title brought by plaintiffs for title and possession of the lands above described, alleging both record title and title in themselves through possible, continuous and adverse record title of 5, 10 and 25 year statutes of limitation, and payment of taxes, damages and costs of suit. Plaintiffs pray for recovery of title and possession to and of the lands above specifically described, damages and costs.

If this Citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved. Issued this 28th day of January, 1949.

Given under my hand and seal of said Court at office in Midland, Texas, this 11th day of January, A. D. 1949.

NETTIE C. ROMER, Clerk
District Court, Midland County, Texas (Feb. 11-18-25; March 4)

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: W. J. Bridges and wife, Zora Bridges; T. C. Phillips and wife, Elizabeth Phillips; also known as Elizabeth Phillips; George F. Cowden and wife, Minnie Cowden; and if dead, their unknown heirs, their heirs and legal representatives.

You are commanded to appear and answer the Plaintiff's First Amended Original Petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of February, 1949, at or before 10 o'clock A. M., before the Honorable District Court of Midland County, at the Court House in Midland, Texas.

Said Plaintiff's First Amended Original Petition was filed on the 3rd day of February, 1949.

The file number of said suit being No. 5022.

The names of the parties in said suit are:
Leslie E. Floyd, Jay H. Floyd and Clay M. Floyd, for themselves and Leslie E. Floyd, H. Floyd and Clay M. Floyd, Executors of the Estate of Walter M. Floyd, deceased as Plaintiff, and the parties herein above named, to whom this Citation is issued and directed, as Defendants. LITTLE, F. Cowden and wife, Mrs. Claude F. Cowden and wife, Mrs. Claude F. Cowden as Defendants.

The nature of said suit being substantially as follows, to-wit:
Plaintiffs allege ownership in fee of the lands and premises situated in Midland County, Texas, described as follows:

Beginning at a stake and rock mound for the S. E. corner of Sec. 27, T. 36, R. 39, E. 8, T. 36 R. 39 E. 8, Company land; Thence S 77 deg. West 1326 yds. to a stake; Thence N 13 deg. West 823 yds. to a stake; Thence S 77 deg. W 94 1/2 yds. to a stake; Thence N 13 deg. West 584 yds. to a stake; Thence N 77 deg. East 94 1/2 yds. to a stake; Thence S 13 deg. West 823 yds. to place of beginning, containing 100 acres of land.

Plaintiffs allege that defendants unlawfully entered upon said lands on the 8th day of December, 1948, and withold from plaintiffs' damage in the sum of \$5,000.00.

Such action is a suit in trespass to title brought by plaintiffs for title and possession of the lands above described, alleging both record title and title in themselves through possible, continuous and adverse record title of three, five, ten and twenty-five year statutes of limitation, and payment of taxes, for damages and costs.

If this Citation is not served within ninety days after the date of its issuance, it shall be returned unserved. Issued this the 7th day of February, 1949.

Given under my hand and seal of said Court at office in Midland, Texas, this 7th day of February, A. D. 1949.

NETTIE C. ROMER, Clerk
District Court, Midland County, Texas (Feb. 11-18-25; March 4)

Oil & Gas Log

(Continued from page 1)
gallons and with 3,000 gallons of acid.

After swabbing out the lead the project produced at the average rate of three to three and one half barrels of fluid per hour on the swab. It was 50 per cent oil and 50 per cent acid water.

Operator is to pull the casing, which had been cemented at the top of the Ellenburger. That pipe will then be re-set at approximately 3,900 feet. The hole will be plugged back to about 4,000 feet, and a test will be made of the 3,900-4,000 foot interval.

That zone, which is a sand in the Pennsylvanian, had some slight indications of oil when drilled through.

Oil, Water Developed On Santa Rosa Test

Oil and water resulted from the drillstem test in the Wolfcamp-Permian at Hiawatha Oil & Gas Company No. 1 Trees, slated Ellenburger venturi in the Santa Rosa gas and distillate pool area of North Pecos County.

The examination was for six hours at 6,425-6,476 feet, using a 1,000-foot water cushion. A weak air blow held at the surface throughout the test. Recovered was the water cushion followed by 10 feet of free oil and 180 feet of mud-cut sulphur water estimated at 50 per cent mud, 50 per cent water.

This prospecter, 680 feet from north and 330 feet from east lines of the northwest quarter of section 90, block 8, H&GN survey, was a drilling ahead from 6,503 feet in time.

Mabee Encounters Runnels Deep Zone

The Ellenburger has been reached at Mabee Drilling Company No. 1 Jameson, East-Central Runnels County wildcat, three miles north of Talpa and 690 feet from south and east lines of section 120, A. G. Willis survey.

Top of that horizon has not been reported. The venture was bottomed on 4,195 feet in the deep zone, waiting on orders. As far as is known, there have been no examinations of the current formation nor promising shows up the hole.

Bronte-Palo Pinto Yields Salt Water

Placid Oil Company No. 1 Foreman, on the northeast side of the Bronte-Palo Pinto field, in East-Central Coke County, developed salt water, with only shows of oil in a drillstem test at 4,374-4,407 feet in the Palo Pinto lime.

The test was open 70 minutes. Recovery was 3,500 feet of salt water, cut with drilling mud and with oil. Estimates on the percentage of oil in the recovered fluid ranged from 20 per cent to 80 per cent.

The venture is drilling ahead below 4,542 feet, and was slated to continue to the Strawn. Offset To Producer.

The development is 690 feet from south and 525 feet from east lines of section 450, block 1-A, H&C survey. It is a north offset to Humble Oil & Refining Company No. 1 Hickman, the most easterly of the five producers so far completed in the Bronte field.

The Placid venture is a north-west outcrop to the Hickok & Reynolds, Inc., No. 1 Warren, the first Palo Pinto failure in the Bronte area.

Humble To Abandon Motley Prospecter

Abandonment is slated for Humble Oil & Refining Company No. 1-H Matador, ranch wildcat in East Motley County, 16 miles east of the town of Matador and 690 feet from south and east lines of section 128, block M, Matador Cattle Company survey.

The venture drilled to solid granite at 6,816 feet, then reduced hole to make production tests at 6,416 feet, where slight shows previously developed.

Operator perforated at 6,398-6,412 feet and acidized with 1,000 gallons. Bailing recovered water with slight oil show. The formation was re-acidized with 5,000 gallons and salt water filled the hole. The well is to be plugged.

'Open House' Friday For 'Pate' Collins

Open House is being held for James P. "Pate" Collins at 1:15 hour, 200 South Terrell Street, Catherine Ann, weighing seven pounds, seven ounces.

Mr. and Mrs. J. T. Smith on the birth Thursday of a daughter, Michele Lynn, weighing seven pounds, 13 ounces.

Mr. and Mrs. F. C. Wheeler on the birth Thursday of a son, Floyd Gene, weighing seven pounds, 13 ounces.

REURNS FROM CONFERENCE
Frank Monroe, superintendent of Midland schools, returned Thursday from St. Louis, where he attended an official conference of the American Association of School Administrators.

VISITS ACA OFFICE
V. M. DeLawa, district field representative of the Agricultural Conservation Association, visited the Midland County ACA office Thursday.

Livestock

Sheep 1,200; shorn slaughter lambs strong, quality considered; other classes of sheep scarce; good snorn lambs with No. 3 pellets 23.50; medium and good fresh-shorn lambs 22.50.

Couple Confesses Murders

Raymond Fernandez, left, and Mrs. Martha Beck, right, smile for a photograph during a night at the Bowers Follies in New York, when they were known as "Mr. and Mrs. Charles Martin." The couple confessed killing two women and a three-year-old girl in the last two months, after corresponding with their victims through lonely hearts clubs.

Mother Of Midland Man Dies At Novice

COLEMAN—Mrs. J. B. Roberts, 60, a Coleman County resident since 1921, and mother of Kary Roberts of Midland, died Wednesday at her residence near Novice.

She was born in 1888 at Union Parish, La., and moved to Coleman County in 1927.

Survivors include the husband; three sons, Kary Roberts of Midland, J. B. Roberts, Jr., Coleman, and Ralph Roberts of McChord Air Base, Tacoma, Wash.; three daughters, Mrs. W. C. Cates, Jr., of Novice, Mrs. Claud Cunningham of Marlowe, Okla., and Mrs. Wilbur Krunkle of Crane; four brothers, T. W. Calk and Wilmon Calk of Coleman, J. H. Calk of Bastrop, La., and J. T. Calk of Fort Worth; six sisters, Mrs. W. C. Seal and Mrs. C. K. Beach of San Angelo, Mrs. Beulah Anderson of Okla., and Mrs. Willie Glass of Hale, La. Mrs. H. W. Thurston of Farmersville, and Mrs. R. C. Hood of San Bernardino, Calif.

MHS Seniors Take Vocational Tests

Representatives of the Texas School of Mines, El Paso, were in Midland Friday to give the seniors of Midland High School the Kuger vocational preference test.

The test gives the student an insight into his vocational desires and abilities. Charles Mathews, principal, said.

CC Military Affairs Committee Has Meet

A program of activities for the year was developed by members of the Military Affairs Committee of the Chamber of Commerce at a meeting Thursday afternoon.

Present were Reese Cleveland, chairman, J. T. Baker, Boyd Laughlin, C. C. Cool, James T. Smith, Phil Zeckel and DeWayne Davis.

Zeckel explained the work of the committee last year, and then told of the recently activated Marine Reserve unit here. The committee volunteered assistance in obtaining quarters for the unit at Midland Air Terminal.

Cool discussed activities of the Naval Reserve unit, and Laughlin told of the program and plans of the Officer Reserve and the National Guard.

Disturbance Reported

A Midland man was arrested Thursday night by City Police on charges of disturbing the peace. Police received a report he was beating his wife.

WINDOW BROKEN

Police received a report of a rock thrown through a window at a residence on North D Street Thursday night. An investigation is being conducted.

Congratulations To

Mr. and Mrs. W. D. Donohoo on the birth Friday of a daughter, Catherine Ann, weighing seven pounds, seven ounces.

Mr. and Mrs. J. T. Smith on the birth Thursday of a daughter, Michele Lynn, weighing seven pounds, 13 ounces.

Mr. and Mrs. F. C. Wheeler on the birth Thursday of a son, Floyd Gene, weighing seven pounds, 13 ounces.

PLANS FOR RED CROSS DRIVE MAPPED AT PECOS
PECOS—Final plans for the annual drive for Red Cross membership in Reeves County were to be made Friday, Rayman Pouncey, campaign chairman, announced. The campaign will begin March 14 and will continue for three days. The goal this year is \$4,000. Woodrow Wilson taught history and political science at Bryn Mawr and Wesleyan universities before he became a Princeton professor of jurisprudence.

New De Soto On Display Here

The brilliantly-styled 1949 line of De Soto cars will be displayed for the first time, Saturday in the show-rooms of the Mid-West Motor Company, 107 South Colorado Street, here. Representative of the entire line is the four-door custom sedan pictured above. The De Sotos have clean, flowing lines, increased roominess inside, better visibility, a more powerful engine and scores of other improvements.

Cause Of Transport Crash In Mexico Is Unsolved Mystery

DEL RIO—(AP)—Why a C-47 plane went at least 200 miles off its route, only to crash and burn, was a border mystery Friday.

The crash killed all nine men aboard. The margin of death was only 400 feet. The plane crashed in Mexico, about 60 miles from here, the nearest U. S. town. Had it flown 400 feet to the right, it would have missed the 5,500-foot Serranias Del Burro Mountain Range, against which it smashed. Enroute from Hamilton Field, Calif., to Kelly Field, San Antonio, the plane apparently crashed Monday. It was seen over Wink, about 200 miles from the site of the crash.

It also was reported from Marathon, Dryden and Pumpville, all near the Texas border. Kelly Field officers said it must have followed an extremely zigzag course.

Exploded On Impact. Officers said the only explanation they could give was that it attempted to skirt thunderstorms, mingled with hail, which occurred in some West Texas points Monday morning.

The wreckage first was sighted Wednesday by a Mexican civilian flyer, Oscar Gonzalez of Villa Acuna. He did not report his discovery until Thursday.

Air Force planes immediately went to the scene. Returning flyers said the ship apparently exploded on impact and almost completely burned.

Observers said planes could land within 20 miles of the wreckage, but that the last five miles must be made on foot through extremely rugged country. Operations to remove the bodies were underway Friday.

1949 De Sotos On Display Saturday

Completely new from bumper to bumper, a brilliantly styled new line of De Soto cars will be displayed Saturday at the Mid-West Motor Company in Midland.

Introduced under the slogan "The car designed with you in mind," the new De Sotos were built to take advantage of all of the beauty of modern design without sacrificing a single feature of comfort, safety, or convenience. O. J. Hubbard, dealer, said.

The cars have a longer wheelbase, so that passengers ride cradled between the axles, yet over-all length has been reduced slightly. Seats are much wider, yet over-all width of the car is less. No headroom has been lost, yet over-all height has been reduced. Legroom has been increased.

The result is a car that is far roomier inside, where space is needed, yet easier to park, garage and handle in traffic because of elimination of unnecessary bulkiness outside.

Additional front seat legroom has been obtained by recessing the right side of the instrument panel and by moving the heater under the hood, out of the way.

Methodist Leader Urges Cooperation Of Christian Faiths

SAN ANTONIO—(AP)—Cooperation between the three great religious faiths in the U.S. no longer is a question of religious sentiment but a matter of life and death, Dr. Dunphy Lee said here Thursday night. Dr. Lee, president of Southern Methodist University, spoke at the annual interfaith dinner of Temple Beth-El Men's Club.

Dr. Lee emphasized the necessity of laying aside religious prejudice and controversies between Catholics, Jews and Protestants.

He said that for the first time in several centuries religion and moral teachings have been attacked by foes as powerful as Nazism and Communism. The university president called for a unified front to fight the enemies of religion.

House Tackles 'Hot Potato' Legislation As Senate Vacations

AUSTIN—(AP)—While Senators went away, the House stayed on the job Friday to work on a calendar packed with bills sure to rouse opposition.

It was the first solo session for either house of the 51st Legislature. It also was the first time either has been in session more than four days in one week.

First of the controversial bills facing the House was one to make state officials resign before they became candidates for a different office. This would apply to persons holding office that run longer than two years.

For instance, a railroad commissioner who holds a six-year term or a senator who holds a four-year term would have to resign to run for a different office unless he were in the final year of his term.

The bill was before the House for final passage. In the same category were proposals to license billiard recreation rooms, to give the Game, Fish and Oyster Commission broad regulatory powers to protect wildlife resources of the state, and to define lynching and its penalties.

Seventeen other measures also awaited House action.

The House Thursday passed Rep. William S. James' bill fashioning a judge retirement system for the state. As amended, the proposal allows judges who have served on the district bench or higher to retire when they are 65 years old and have served 10 years.

A judge with 25 years continuous service would retire at any age but would not start drawing retirement pay until 65.

Retirement pay is fixed at 50 per cent of the salary being drawn when the judge quit the bench. Judges would pay in five per cent of their salaries to help build up the retirement fund.

The House Committee on Elections Thursday night recommended for House passage a bill setting up a system of voter registration. The law would become effective if the poll tax, as a prerequisite to voting, were abolished by either federal or state action. The bill calls for registration of voters every two years.

Prince Gets 10-Year Sentence, Faces New Bank Robbery Charge

DALLAS—(AP)—Ollie Otto Prince Thursday was sentenced to a 10-year prison term for bank robbery. The Corsicana cattleman and used car dealer still faces charges of robbing two other banks.

Prince, 44, was sentenced in Federal Judge Whitfield Davidson's court. The charge was robbing the First State Bank of Rice, Navarro County. A lone robber on August 11 took \$4,002 from the bank.

Prince maintained his claim of innocence throughout the trial. Thirty-five minutes after sentence was passed, Prince walked a few steps down the hall to be arraigned before U. S. Commissioner W. Madden Hill on a charge of robbing the First National Bank of Mount Calm. The robbery charge was filed Thursday in Waco. The bank was robbed of \$4,100 on Nov. 22, 1946, by a lone bandit.

The other pending charge claims he held up the Malone (Hill County) State Bank of \$15,000 last October 5.

The federal court jury studied Prince's case four hours before returning its verdict.

Throughout the trial, Prince appeared calm. However, his jaw muscles tightened when he heard the jury's verdict. His wife broke down and cried.

Questions and Answers

Q—Is the Virginia Reel a truly American folk dance?

A—This dance has been considered by many as the most representative American folk dance, although it is nothing more or less than a well-known popular English country dance known as "Sir Roger de Coverly." It can hardly be classed among the more typically American country dances which have either evolved or originated here.

Q—What birds build the most beautiful nests?

A—The hummingbirds build the most delicate and exquisite nests known, while among the most remarkable nests are those of the Baltimore Orioles.

Q—At what age did Michelangelo become a painter?

A—Up to the age of 33, when he began to work on the ceiling of the Sistine Chapel in fresco, his energies had been devoted entirely to sculpture.

Q—Has the Star of Bethlehem been identified?

A—No star has been definitely identified as the Star of Bethlehem. Christians generally believe that this was a supernatural phenomenon.

Q—Is Mt. Everest still considered the highest peak in the world?

A—Regardless of the stories of World War II flyers that a mountain higher than Everest exists in central Asia, it has not been found by several flying expeditions conducted since the end of the war.

SCHOOL ELECTION SLATED AT PECOS

PECOS—The annual school election has been set for Saturday, April 2. The terms of Dr. Rufus Roberts and W. W. Teague will expire this year.

+ McCamey News +

Mr. and Mrs. A. M. Earl and daughter, Jeri Beth, of Penwell and Mrs. L. M. Burleson and son, Lloyd Neal, of Lubbock were guests Tuesday in the home of their aunt and uncle, Mr. and Mrs. J. Ed Smith.

Mr. and Mrs. Dwayne Schnaubert announce the birth of a daughter, Joyce Jean, born in a Crane hospital. She weighed seven pounds. Mrs. Schnaubert is the former Beverly Farrow.

Mr. and Mrs. Jim Coffman of Lubbock are parents of a seven pound, eight ounce boy who was born in a Lubbock hospital. He has been named James Wesley. Mrs. Coffman previously lived in McCamey and is the former Billie Blake.

Mrs. Fred Driskill recently returned from a ten-day visit in the Coffman home. Mrs. Dee Locklin returned Saturday from San Angelo where she was guest in the home of Mrs. Fred Carter.

Mr. and Mrs. J. L. Adrian returned Monday from Amarillo where they visited in the home of their son, Dr. Jim L. Adrian, and family. Dr. Adrian returned home with them for a visit. A panel discussion led by W. D. Ashmore, Farrell Coston, V. E. Holt and A. L. Newsom highlighted the regular quarterly meeting of the Safety Chapter of the Shell Pipeline Corporation held at the Methodist Church Annex Monday.

Social Situations

SITUATION: When playing cards with friends you have a run of poor cards.

WRONG WAY: Keep complaining about the hands you are dealt.

RIGHT WAY: Play the cards you get as well as you can, and don't complain about your luck.
