**WEATHER**

Mostly cloudy and cool Friday night. Partly cloudy Saturday and warmer in the afternoon. Maximum temperature Thursday 73 degrees. Minimum Friday 45 degrees.

**Phillips-TXL Make Lease Transaction South Of Midland**

Phillips Petroleum Company has leased two quarter-sections 30 miles south of the City of Midland, on the Midland-Upton County line, from Texas Pacific Land Trust in what has been reported as one of the highest-priced lease transactions in West Texas.

Consideration was a cash payment, reported as \$1,000 per acre, plus an oil payment plus a one-sixth royalty. The oil payment was said to be \$5,250 per acre.

The two tracts are the northeast quarter of section 31, block 40, T-4-S, TP survey, Upton County, and the northeast quarter of section 25, block 41, T-4-S, TP survey, Midland County.

Phillips will be associated with the Sharples Company of Denver, Colo., in the development of the two tracts, the leasing of which calls for the two concerns to start operations on two drilling projects.

Drilling is to start within nine months on a test in the northeast quarter of section 31, block 40, one-quarter mile east of the Phillips Petroleum Company No. 1-A TXL, recently completed discovery from the Ellenburger.

Operations are to begin within a year from the date of the lease on a prospector in the northeast quarter of section 25, block 41, which puts it about one mile northwest of the deep strike.

**Nelson-Ellenburger Extension Finished**

An extension to the Nelson-Ellenburger field of extreme Central-West Andrews County has been completed by Shell Oil Company, Inc., and The Texas Company at their No. 2 Little Collins, 1,984 feet from north and 1,982 feet from east lines of section 4, block A-40, 2nd survey.

The development pumped 34 hours to make an initial production of 242.69 barrels of oil. Gravity of the petroleum was 42.5 degrees. Gas-oil ratio was 175-1. There was no water.

The Ellenburger open hole pay section at 10,345-10,510 feet was previously acidized with 8,000 gallons.

**Shafter Lake Gets Two Deep Projects**

Locations were made for two more outposts to the Shafter Lake-Ellenburger production in North-Central Andrews County by Sinclair Prairie Oil Company.

The concern drilled its No. 8-15 University 555 feet from north and west lines of the northeast quarter of section 24, block 13, University survey. Elevation is 3,230 feet.

The other flanker will be Sinclair No. 9-14 University, 610 feet from east and 605 feet from south lines of the northeast quarter of section 24, block 13, University survey, on an elevation of 3-230 feet.

The deep zone is expected to come in above 12,000 feet. The pair will start drilling with rotary tools by April 19.

**Lion Completes Two Diamond M Offsets**

Lion Oil Company has completed two flankers to the Diamond M field, recently opened for Canyon-Pennsylvania production in West-Central Severy County.

Lion No. 1 Jack (Wilson), 610 feet from west and 605 feet from south lines of the Wilson lease in section 196, block 97, H&TC survey, was finished for 573.4 barrels of oil.

The potential test was made on a natural, 24-hour flow through a 16/64-inch choke. There was no water. Gravity of the oil was 43.4 degrees, and gas-oil ratio was 811-1.

Total depth of the well is 6,739 feet. Top of the Canyon pay was 6,712 feet.

The other new producer is Lion No. 1 C. T. McLaughlin, 1,831 feet from east and 1,998 feet from south lines of the lease in section 197, block 97, H&TC survey. Elevation is 3,376 feet.

On an initial production test, the well flowed 24 hours through a 16/64-inch choke, producing 454.39 barrels of 43.7-gravity oil, with no water and a gas-oil ratio of 68-1.

Production was natural from the open hole zone at 6,597-6,651 feet in the Canyon.

**Magnolia Has Signs In Midland Permian**

Slight signs of oil developed from the East Midland Permian on a drillstem test at Magnolia Petroleum Company No. 1 Mary Turner, wildcat 12 miles southeast of the city of Midland.

The tool was open two hours at 8,034-87 feet, recovering 30 feet of drilling mud and 30 feet of gas cut mud with a rainbow show of oil. Operator was coring ahead.

This venture is 1,980 feet from south and east lines of section 46, block 37, T-2-S, Leonard Leach survey.

### Flyers Drone On After New Record Aloft

FULLERTON, CALIF.—(P)—With a new world's endurance record on their log, Dick Riedel and Bill Barris droned on Friday toward their goal of 1,000 hours—six full weeks aloft.

They sailed past the 726-hour mark established in 1939 by Wes Carroll and Clyde Schlieper of Long Beach, Calif., and radioed to their home field here:

"We feel wonderful and the engine's purring as smoothly as it did on take-off 30 days ago."

Riedel and Barris, however, did not receive credit officially for a new record until they hit the 727-hour mark at 8:44 p.m. (CST) Thursday. Barris was at the controls of the little Aerona monoplane Sunkist Lady and swooped low across the field to salute the crowd.

Barris estimated the Sunkist Lady had traveled almost 65,000 miles since taking off from Fullerton at 11:44 a.m. last March 15. On this, their fourth try at the record, Barris and Riedel added a new twist to endurance flying by heading cross-country to Miami, with their refueling crew traveling in a second plane.

Receive Congratulations

Their best previous mark was 568 hours.

The new record-holders were congratulated by Carroll and Schlieper, the men whose mark they bettered. Carroll, now an American Airlines captain, and Schlieper, an air operations concern executive, shook hands from a jeep with the flyers as they passed the record. Two thousand spectators were at the airport.

Barris and Riedel advanced endurance flying another notch from the historic January, 1939, flight of four Army officers, who stayed up over Los Angeles for 150 hours.

The officers—later widely known generally—were Maj. Carl (Toony) Spaatz, Capt. Ira Eaker, and Lt. Harry A. Halvorsen and Elwood R. Quesada.

**Stores Aim At Record Easter Sales**

By RADER WINGET

NEW YORK—(P)—The nation's retailers are shooting for the biggest Easter season business in their history—and they may hit it.

Final figures tabulated within the next few weeks will tell the story. They might fall a little short of their goal. Even if they do, it still will be an Easter to be remembered for heavy sales and good profits—considerably above a lot of satisfactory prewar years.

The big thing is adjustment to the new postwar buyers' market rapidly engulfing business. Can the merchant give customers quality and value they demand at prices they want to pay? The current Easter season is the primary test.

Volume Snags Back

The first week in March, department store sales were eight per cent under a year ago. But the week ended March 28 was off 15 per cent compared with Easter week in 1948. The next week they snapped back to plus eight per cent. On a cumulative basis, sales in early February were slightly ahead of a year ago but dropped back steadily to a level six per cent below on March 26. Then they started a slow come-back.

Latest figures compiled by Dun & Bradstreet, a statistical survey organization, gives this picture for sales during the week ended Wednesday:

In the country as a whole, sales were unchanged to four per cent ahead of a year ago. Northeast and Northwest regions were ahead by one to five per cent. East and Midwest were two to six per cent ahead, South and Pacific Coast were from three per cent below to one per cent above, and the Southwest was unchanged to four per cent ahead.

WALLACE GREETS REDS

PARIS—(P)—Henry Wallace has sent his best wishes to the "World Peace Congress" organized by French Communist leaders. Congress headquarters said Friday.

**Mexico Checks On Illegal Arms Cargo**

MATAMOROS, MEXICO—(P)—A full scale investigation by Mexican authorities was underway Friday in the illegal shipment of arms into Mexico.

In announcing this Friday, Mexican authorities said they had seized 287,500 rounds of .22 long rifle ammunition on the Matamoros-Victoria Highway about a mile from San Fernando and had arrested several men.

Customs men said the ammunition was confiscated after a chase of several hours. They said the ammunition was in a truck, hidden in 29 beer cases under a load of empty beer bottles.

The authorities expressed the belief the ammunition was connected in some way with a recent, minor, ill-starred uprising in Guatemala.

**Why Not Ask The Chicken?**

Joe Reed, employe of the Houston Grain Company, feeds the chicken which was put into this glass bottle on February 28 when only a baby chick. The EPOA, after making an investigation, plans to file charges if the chicken is not removed. The United Press has tagged the chicken "Alice," and the owner has said he'll go to court in defense of his method of raising Alice.

## Condemned Slayer, 20, Pins Hopes On Parole Board Meet

HUNTSVILLE—(P)—"Only a miracle can save me," Buster Northern, 20-year-old condemned slayer, said tearfully in the death cell at the state prison Friday.

The weary, haggard youth pinned his last slim hope to a meet of the State Board of Pardons and Paroles at Austin Friday afternoon.

Twice the board has denied him clemency. Unless it intervenes, the stocky, brown-eyed youth will go to the electric chair just after midnight Friday, in payment for the slaying of a 69-year-old Oklahoma woman three years ago.

In an interview with Don Reid, Jr., Huntsville newspaper man Friday, Northern called the scheduled meeting of the parole board "a long shot."

"There's not much I can do except hope and pray that the board will change its mind."

Northern was convicted of slaying Mrs. W. H. McHenry near Dallas on March 27, 1946. He was 17 at the time. Mrs. McHenry, of Taloga, while driving to Dallas, gave the youth a ride at McAlester, Okla.

On Wednesday at Austin, the board voted for a second time, two to one, to deny Northern clemency.

Attorney Asks Meeting

George O. Youngblood of Dallas, a court-appointed attorney for Northern, asked for the meeting Friday. R. A. (Smoot) Schmid, chairman of the board, said: "I don't know what Youngblood has to tell us. He called me and made the appointment."

Schmid was Dallas County sheriff when Mrs. McHenry was slain. On two previous occasions, Schmid has voted to change Northern's sentence to life imprisonment. But his vote was opposed both times by Board Members Walter Strong and L. C. Harris.

"I'm ready to go," Northern told Reid, "but I sure dread it. I haven't seen too much of the world and I hate to go so soon. I haven't had much of a life."

Both his parents are dead. He quit school at the third grade to go to work, and he never went back.

Northern Friday ordered his last meal—fried chicken, a dozen fried (Continued on Page 2)

## Opposing Sides Near Compromise On T-H Labor Law Revision

WASHINGTON—(P)—Opposing sides in the war of the Taft-Hartley Act were moving a little closer together Friday toward a possible compromise.

Two things showed the trend: 1. A Republican-Dixie group in the House shifted its tactics and produced a new Wood labor bill Thursday—a substitute for still another carrying the name of Rep. Wood (D-Ga.). It still would keep most of the Taft-Hartley law. But it contains fewer curbs on labor unions than Wood Bill No. 1, which went beyond Taft-Hartley in that respect and was bitterly condemned by labor leaders.

2. Administration supporters in the House began planning a counter-move to gain votes. And some of them were talking freely—though not for publication—about changing their own Truman labor bill to make it more like Taft-Hartley. If this happens, it probably will be in the form of a few amendments to the Truman bill, to be offered during the debate scheduled to begin April 26.

No definite Administration decision on these amendments has been made, but the tendency Friday was so marked, and in such important Democratic circles, observers could have no doubt the idea of compromise was getting the closest attention.

## Quake Damage Total Reaches \$15,000,000

SEATTLE—(P)—The Pacific Northwest's \$15,000,000 earthquake struck two days ago, but echoes of its crashing, discordant symphony remained Friday.

Police said they still are receiving trouble reports from Seattle's downtown area, where bricks periodically are spilling to the pavement after being shaken loose in Wednesday's two-minute temblor.

Eight deaths were attributed to the quake.

## Miracle Tears Flow No More

SYRACUSE, N. Y.—(P)—Shirley Ann Martin said Friday her broken statue of St. Ann no longer "shed tears" when she kissed it.

The 11-year-old girl reported that no liquid substance had materialized on the painted face of the plaster replica since her appearance with the image on a television program at 7:45 p.m. Thursday.

She said that in the intervening time she had tried repeatedly, but without success to bring to the eyes of the statue what many witnesses who had seen previous demonstrations called "tears."

Repeatedly since the girl picked up the head of the broken statue after it had been discarded April 2, she had kissed the figurine, after which, scores of witnesses said, a watery substance coursed down the cheeks.

Meantime, the devout, the curious and the skeptical gathered in great numbers Friday in front of the Martin house, many hoping for a Good Friday miracle. Some want the liquid for curative attempts.

The little girl, who has stirred international attention, appeared at a side window of the second-floor Martin flat with her statue head briefly Friday while spectators stood below. Then she was taken away in an automobile.

## Will Observe Want Ad Week

The Reporter-Telegram will join in observance of National Want Ad Week, which begins April 17 (Sunday).

The newspaper is conducting a special event April 17 through April 23, offering 12-word want ads for three days at a price of 35 cents.

## Woman Convicted Of Slaying Mate To Be Sent Home

FRANKFURT, GERMANY—(P)—Gen. Lucius D. Clay Friday freed Mrs. Wilma Y'Barbo, who had been serving a five-year sentence for killing her American soldier husband.

The American military governor ordered the Maiden, Mass., mother "returned to the United States by earliest possible transportation to be released."

"I do not believe Mrs. Y'Barbo to be a vicious person and I am sure that the remorse of conscience will prove punishment enough in the days ahead," General Clay said in a statement.

## Battle Lull Points To Red Victory

NANKING—(P)—A lull fell Friday over the Yangtze, embattled river line between the Communist North and the Nationalist South.

It could only have been ordered by the Communists. They hold nearly all the cards in China's long and costly game of civil war.

Observers took the lull as additional proof the Nationalist delegates at Peiping's "peace" conference had made concessions.

Now they waited for news from beyond the Communist-built wall of silence as to how far these concessions go.

Pao Ching-an, government spokesman, told newsmen the formal peace talks opened in Communist Peiping Wednesday night. That was all the news he had to offer.

Stalling Indicated

Observers speculated that the government delegation now would try at some points along the Communist conditions.

They took it for granted the government had agreed to the conditions. These call for the surrender of the government armies, trial of Nationalist leaders as "war criminals," and a complete reamping of the government by the Communists control, among other things.

Observers saw a chance the talks may break down, just as they did after the delegation arrived in Peiping. That breakdown provoked a Communist ultimatum to accept the terms of a new Nationalist government.

The consequences would be a crossing of the Yangtze in force. This threat still hangs over Nanking and the Nationalist delegation.

Although Communist troops are reported to have withdrawn several miles at some points along the Yangtze's north bank, they still are in an excellent position for a swift and major drive across the river.

## School Board Adopts 1949-50 Calendar, Reelects Principals

The Board of Education of the Midland Independent School District will begin Sept. 7, 1949. The board adopted the 1949-50 school calendar, elected principals, selected the colors for the new high school building and heard the superintendents' plans for next year discussed.

Principals reelected included: C. F. Mathews for Midland High School; W. D. Lind for North Elementary; Mrs. Inez Laco for South Elementary; Wesley Martin for West Elementary; Mrs. John Mashburn for the Latin American School; J. F. Wright head teacher for Terminal School, and E. L. Jordan for Career School.

Massey To Change

Gabe Massey, junior high school principal, did not seek reelection. He decided to make a change, Supt. Frank Monroe said.

The fall semester of Midland schools will begin Sept. 7, 1949. The first semester will end on Jan. 30, 1950. There will be 177 teaching days. The Spring semester lasts from Jan. 23 to May 31, 1950. Commencement exercises are scheduled May 30.

Holidays listed include: September 5, Labor Day; November 11, Armistice; November 24-25, Thanksgiving; December 17-January 1, Christmas, and April 17, Easter.

## Easter Seal Sale Returns Top \$1,600 As Deadline Nears

Easter Seal sale receipts Friday exceeded \$1,600 as the Easter Sunday deadline neared Thursday.

Officials of the Children's Service League, sponsor of the sale here, urged citizens to send in their contributions promptly so the campaign may be completed on schedule. They hope the 1949 returns will set a new Midland County record.

The funds are used for the care and rehabilitation of crippled children.

A group of Midland children Thursday contributed \$1.07, the gross receipts from the operation of a "neighborhood store" on the lawn of the Theodore S. Jones residence. The various articles on sale were priced at one penny each.

Youngsters engaged in the store operation included Susan and Tommy Jones, Mary Jane and Darlene Aldridge, Donna and Bill St. Clair, Clara Lou and Preston Butcher, Holiday McCutcheon and Susan Hills.

## Sudden Cold Wave Covers Entire State

The old story—if you don't like Texas weather just wait a few minutes and it will change—was exemplified Friday.

Thursday temperatures ranged from 58 degrees in the Panhandle to 100 in South Texas. Friday it was cold over the entire state. Delmar started off with 51, Amarillo had 56 and Lubbock 71.

There were snow flurries at Delhart and a trace of rain at Amarillo.

Hottest weather Thursday included 99 at Laredo, 94 at Presidio and 82 at Del Rio and Corpus Christi. Amarillo had the minimum, 58.

## BING'S BACK; BOB'S HAPPY

NORTE HOLLYWOOD, CALIF.—(P)—Bob Hope's happy Friday. He says he and his children again can play their favorite game—"Pin the Tail on the Don."

Bing's pink-eyed little twin named for a blue-eyed friend of Hope, wandered away from the comedian's ranch Tuesday.

But Bing, his care tapper happily, was returned Thursday night.

oysters, French fried potatoes, ice cream "and good coffee."

It was to be served to him about 4 p.m.

An hour later, guards were to enter his cell to shave his great shock of wavy black hair.

A Catholic, Northern has spent much time in prayer and has been visited often by Father Frank Braun, prison chaplain. Northern was awaiting a long visit by Father Braun Friday.

Although he freely admitted, following his arrest, he fatally beat Mrs. McHenry, he has insisted recently he did not slay the woman. "There were two other men and one woman in on the deal," he has said.

Northern was convicted in Dallas of murder May 6, 1948. A higher court reversed the conviction because, although the indictment had alleged Northern stomped the woman to death, it had failed to stipulate "with his feet."

Another jury convicted him a second time in January, 1948. This conviction was affirmed Nov. 10, 1948.

Northern was sentenced on January 12 this year to die February 15. A reprieve until March 17 came on January 17.

A second stay came on March 4 when the Pardon and Paroles Board recommended another 30-day delay.

**Pontiff Appeals For Peace In Palestine**

VATICAN CITY—(AP)—Pope Pius XII made a Good Friday appeal for "true peace" in Palestine and called for an international regime for Jerusalem.

In an encyclical on this anniversary of the death of Jesus Christ, the pontiff welcomed the Palestine armistice but said real peace had not yet been achieved in the Holy Land. He asked for free access to the city's holy places in his "Redemptoris Nostris" letter addressed to all Roman Catholic bishops throughout the world.

The pope's letter was issued as Federico Cardinal Tedeschini, archbishop of the Basilica of St. Peter, led a three-hour-long Good Friday service in the huge Vatican Church.

The pope requested:

1. An international regime for Jerusalem and its surroundings.
2. Safeguarding and guaranteeing of all the holy places, "with a guarantee of free access and tranquil sojourn for pilgrims."
3. Liberty for all Catholic institutions of worship, instruction and charity.
4. Conservation of "all the rights that Catholics have acquired in many centuries in Palestine."

**Downing To Address Vocational Convention**

SAN ANTONIO—(AP)—Seven sectional meetings of various departments held attention of delegates attending the eighth annual convention of the Texas Vocational Association here Friday.

E. L. Williams, president of the American Vocational Association, opened the three-day convention Thursday night with an address on "The Texas Vocational Program in the National Picture."

Delbert Downing, manager of the Midland Chamber of Commerce, will be the principal speaker at the annual banquet Friday night.

**Abandoned Cistern Reported Dangerous**

Another abandoned well or cistern in Midland, which is a threat to safety, was reported to The Reporter-Telegram Friday.

It is an old cistern, partially filled, located on a lot near the intersection of Weatherford and Ohio Street.

The opening is not covered and must be at least 12 feet deep, citizens reported.

**Senior Class Feted With Tea In Pecos**

PECOS—Senior class members of Pecos High School were honored when the Gamma Mu Chapter of Delta Kappa Gamma, honorary society for teachers, entertained Sunday afternoon with a tea in the home of Mrs. R. V. Nabors.

Mrs. Nabors greeted guests and Miss Jeffie Lee Stegner was at the registry. Mrs. Ray Whitley, Mrs. W. C. Jones and Mrs. Edith McIlwain invited guests into the dining room where Mrs. Edna R. Johnson poured punch.

Cherry blossoms and pansies decorated the rooms, and flowers garlanded the punch bowl. Favours were bouquets of apple blossoms and scrolls with clever verse emphasizing the teaching profession, which were presented by Mrs. H. Earl Bell. Music was by Mrs. Lucille McKinnon, pianist; Miss Connie Doty, vocalist, and Mrs. Nabors, violinist.

Seniors who called during the afternoon included Mary Alice Jones, Eddie Daniel, Eugene Ater, Bill Smith, Billy Rex Johnson, Bill Baaden, Marilea Finley, Anne Coffey, Joyce Otto, June Gollmer, Roberta Wood, Joyce Brocat, Don Pattillo, Tommy Beauchamp, Wesley Campbell, Bill Dean, Jim Howard, Valera Teague, Doris Carol Alexander, Pat Holmes, Betty Daniel, Nan Twilley, Bernice Hutchings, Sara Sample, Harriett Ross, Charles Parkins, Jack Gibson and Barbara Thompson.

Class sponsors and other guests included Ray H. Whitley, Fred Sitton, Mrs. R. H. Hudson, H. Earl Bell and R. V. Nabors.

**Dying Woman Names Stepson As Slayer**

MT. CLEMENS, MICH.—(AP)—Too weak to talk, a stabbing victim traced two letters of her stepson's name Thursday night with her own blood while police watched.

Then she died.

Officers immediately went to a nearby shack where they said they found Joseph D'Augustino, 39, burning a blood-stained shirt.

Prosecutor John Matthews said D'Augustino admitted the slaying of Mrs. Mary Graves, 73-year-old common-law wife of his father.

Mrs. Graves lay on the floor of her home two hours before she was discovered. When police arrived with her husband, Louis, she dipped her finger in blood and traced "J-O."

The husband then led officers to his son's shack. The 73-year-old man and his wife and son had frequent quarrels.

**Thomas Rites Held At 4 P. M. Thursday**

Funeral services for James Louis Thomas, 40, prominent Midland resident, were held at 4 p. m. Thursday at the First Methodist Church. Officiating were the Rev. Howard H. Hollowell, pastor, assisted by the Rev. City Lindsey, pastor of the First Christian Church.

Thomas had lived in Midland for 31 years. He came here with his parents from Duncan, Okla.

He was well known in ranch and oil circles of the southwest.

Survivors include the widow; three children, George Allen, Tack and Dorothy Thomas, all of Midland; the mother, Mrs. Alma Thomas; and a brother, Thelbert Thomas of Austin.

Thomas died Wednesday in a Big Spring hospital following a two-day illness.

**West Texans Favor Taft-Hartley Law, Oppose Civil Rights**

WASHINGTON—(AP)—A dozen West Texas counties favor the Taft-Hartley Act by an overwhelming margin, Rep. Omar Burleson (D-Texas) said Friday.

He conducted a poll which showed not only a decided vote for the Taft-Hartley Act but strong opposition to President Truman's civil rights program.

**Texan Protests Cut In Draft Board Funds**

WASHINGTON—(AP)—Rep. Thomas of Texas cautioned the House Thursday against "dangerous action" in cutting Selective Service funds in half.

The House by an 82 to 9 vote, however, trimmed the allotment to \$4,500,000. Thomas said 3,022 local draft boards still must handle registrations and already have been cut down to part time employes.

(Continued from page 1)

Strawn area of Southeast Tom Green County were encountered at J. K. Wadley and R. T. Adams No. 1 J. W. Green, outpost to the pool, 330 feet from north and west lines of section 195, district 11, SPRR survey.

At 4,215 feet, the exploration top. An unidentified lime formation thought to be Canyon-Pennsylvanian. A core was cut from 4,220 feet to 4,226 feet and recovered 18 feet of saturated lime with light porosity.

The prospector was drilling ahead after the core. When a drilling break is found, it is due to drill-stem test.

**Gaines Test Swabs San Andres Water**

Swabbing recovered water at C. H. Murphy & Son No. 1 E. T. O'Daniel, Central Gaines County wildcat making production tests of the San Andres-Permian two miles southeast of Seminole.

Through perforations at 5,290-90 feet, opposite the San Andres, the venture was swabbing sulphur water slightly cut with oil. Rate of fillup was estimated at 50 to 100 feet per hour.

Operator may perforate a lower section of the formation for further testing. Total depth is 5,441 feet, where a drillstem test made sulphur water. The current perforated zone has been acidized with 1,000 gallons.

Location is 660 feet from east and 1,980 feet from south lines of section 16, block C-44, psi survey.

**Plymouth Again Gets Salt Water In Garza**

A second drillstem test of the South-Central Garza County Ellenburger developed salt water for Plymouth Oil Company No. 1 Sims, wildcat, 1,880 feet from south and 600 feet from west lines of section 8, block 2, T&NO survey.

After recovering water on a test in the top of the Ellenburger, the prospector drilled ahead to 8,462 feet, set a packer at 8,395 feet and drillstem tested for one and one-half hours.

Recovery was 150 feet of oil and gas cut drilling mud plus 450 feet of salt water. Operations were waiting on further orders.

**Thomas Rites Held At 4 P. M. Thursday**

Funeral services for James Louis Thomas, 40, prominent Midland resident, were held at 4 p. m. Thursday at the First Methodist Church. Officiating were the Rev. Howard H. Hollowell, pastor, assisted by the Rev. City Lindsey, pastor of the First Christian Church.

Thomas had lived in Midland for 31 years. He came here with his parents from Duncan, Okla.

He was well known in ranch and oil circles of the southwest.

Survivors include the widow; three children, George Allen, Tack and Dorothy Thomas, all of Midland; the mother, Mrs. Alma Thomas; and a brother, Thelbert Thomas of Austin.

Thomas died Wednesday in a Big Spring hospital following a two-day illness.

The Military Controversy

The controversy over military appropriations provoked some sharp words the other day between Senator Byrd of Virginia and Congressman Vinson, chairman of the House Armed Services Committee.

Byrd said he was shocked that the joint chiefs should be urged to bypass their Commander in Chief. He did not know of any reason why consideration should be given to their recommendations.

"The joint chiefs of staff is the nation's best-qualified authority on military matters," Vinson replied, "and Congress, in reaching its own decisions, must give careful consideration to what its members have to say."

Senator Byrd has logic on his side. The joint chiefs of staff, whatever their position as military strategists and planners, are advisers to an adviser of the President in the cabinet organization.

When Henry Wallace, as a cabinet member, bypassed the President in recommending foreign policy, he was dismissed from his post. Congress raised no howl of protest, either.

On Vinson's behalf it should be said, however, that there have been times when Congress should have paid far more heed to the military chiefs than it did.

That may be why Vinson said he would put his confidence in the joint chiefs of staff when it came to deciding "our national needs."

Our national needs require that this strain should not become too great. They require that the country's economic, social and physical strength be such that it can exert total effort in case of war without risking collapse.

But there is one national need that is reasonably clear: Congress ought to accept as a fact such unification of the services as now exists.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Copyright, 1949, By The Bell Syndicate, Inc. Drew Pearson says: Congressmen's Easter vacation is really a "refresher course."

WASHINGTON—Despite talk about the boys "needing a rest," real story behind the 10-day Easter recess of the House, beginning Friday, is that Speaker Sam Rayburn and Majority Leader John McCormack are sending their charges home for a "refresher course."

Rayburn and McCormack chiefly are concerned over another GOP-Dixie coalition against repeal of the Taft-Hartley Labor Law, and they think some elbow-rubbing with the folks at home is the best preventive.

At a dinner meeting with North and South freshmen Democrats last week, Rayburn and McCormack heard increasing rumbles of "retaliation" against Southern conservatives.

"I've had enough," bluntly asserted Tauriello. "I was elected on the Truman program, and I believe in the whole program."

Leaders of the Morse movement include such congressmen as John Phillips of California, H. R. Gross of Iowa and James Golden of Kentucky—all progressive Republicans.

This coalition with the Southern Democrats is costly," he thundered. "We now are labeled the Anti-Human Rights Party."

The Oregon senator went on to denounce his party's leadership. Morse, himself, didn't learn of their support until he was invited to talk off-the-record the other day before a gathering of about 20 Republican congressmen.

Ranchers, Railroads Settle Damage Suit

PORT WORTH—(P)—Settlement in a suit by two Oklahoma ranchers for \$62,401 damages against a group of railroads was made here Thursday.

Amount of the settlement was not disclosed. The damage suit had been filed in Federal court. Frank Buttram and Raymond Pope, operators of the Clear Creek Ranch near Winita, Okla., brought the suit.

Defendants included the Missouri-Kansas-Texas Railroad Company; Chicago, Rock Island and Pacific; Fort Worth Belt Railway, and the Burlington-Rock Island Lines.

Varicose Veins Produced When Pressure Breaks Down Valves

By EDWIN P. JORDAN, M. D. Written for NEA Service. Varicose veins and varicose ulcers are a problem to many people as they get older.

Miss Stiles knew that the lead of the nine of clubs by her partner was the suit preference play. If East wanted her to return the higher suit, he would play the nine.

WASHINGTON COLUMN

WASHINGTON—How can U. S. political parties be forced to live up to their platforms and campaign promises?

That is the challenging new subject which the somewhat highbrow American Political Science Association is tackling.

It is nothing to laugh at, either. The APSA largely was responsible for stirring up all the public sentiment and resentment which led to reorganization of Congress in 1946.

Leading politicians, government officials, political scientists and prominent citizens are being invited to these dinners. The first, arranged by the Washington, D. C. chapter of the APSA, was scheduled for the middle of this month.

Criticism of the proposed reform program will be made at some of these meetings. When all comments and suggestions have been received, a final report will be drafted by a Committee on National Political Parties. It is planned to have this report ready by December, 1949.

Others include Clarence A. Berdahl, University of Illinois, author of "War Powers of the President"; Merle Fainwood of Hartford, author of "The American People and Their Government"; Kirk H. Porter, University of Iowa, author of "National Party Platforms."

This distinguished committee's preliminary outline finds that the United States is now in the midst of an invisible government crisis. The new role of the American government at home and abroad demands executive and legislative cooperation which it is not getting.

This is said to be no fault of the present constitutional organization of the U. S. government. There is no expression of the need for substituting a dictatorial or socialist form of government. What is wanted is a democratic solution for a political weakness which is described as "a failure to bring about effective organization of the opinion of a majority of the people."

One suggested solution for this dilemma is through changing the status and uses of political parties. Political parties fail to function and are said to govern badly because they do not mobilize effectively the men they elect to office.

"Nearly all the conflict and confusion in American government can be traced to the failure of political parties at this point," says the political scientist in his preliminary outline. This fault is said to come from a lack of party cohesion within the government at the national level. This creates an impression of incapacity to govern. And it makes the voters think that the men they elected to office are incompetent.

ROGER THE LODGER

By Elizabeth R. Roberts

"There's nothing left downstairs to eat," she snapped back.

I ASKED Betty to explain to her sitters that they mustn't use my kitchen nor help themselves to my food.

"Oh, dear," she cried. "I don't believe I'll ever be able to find a sitter to suit you. I guess I'll just have to stay home all the time myself." She looked at me as though I were deliberately making trouble for her.

"Surely there must be someone you can make understand that this is a two-family house now and that our half is not for her to make use of."

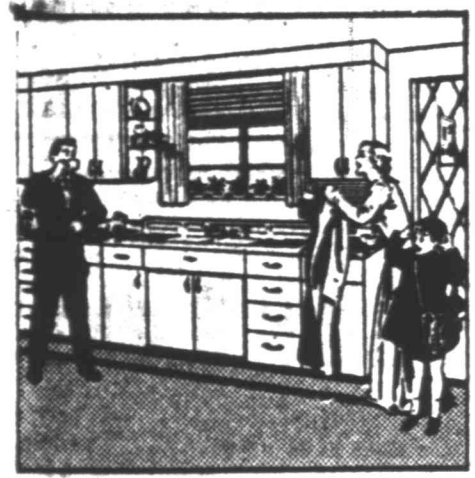

"Well, I'll try," Betty said, "but I'm about out of names."

They giggled. One was clutching a large book in her arms. I looked at it. It was Betty's scrapbook. "Where did you get that?" I asked. "Off the top shelf," one answered. I looked at the height of the shelf and the size of the girls and

wondered aloud how they had got the book down.

# SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 15, 1949—5

**Easter Worship In Sermon And Song Planned In City Churches**  
 Easter music will swell triumphantly from churches of Midland Sunday morning, as choirs join in special services to honor the most joyful religious holiday of the year.

The services in almost every church will climax special pre-Easter programs which have been intensified during Holy Week. They take a variety of forms but all on the same theme, the resurrection of Christ.

For congregations of the First Christian, First Presbyterian and Trinity Episcopal Churches the day will mark a return to sermons by their own ministers after a series by visitors which are closing on Good Friday. In the First Baptist and Calvary Baptist Churches, a week of revival services will close.

Two morning services are planned in several churches, with identical sermons and music, to care for unusually large crowds expected. This plan will be used in the First Methodist Church where the Rev. H. H. Hollowell, pastor, will speak on the subject, "The Revelation of the Resurrection," at services starting at 9 a. m. and 11 a. m.

At the evening service the sermon will be by Dr. O. P. Clark of Sweetwater, district superintendent, who will also conduct a quarterly conference for closing business of the church year.

Traditional Easter services in both Catholic Churches are scheduled, with special choir music. Communion Mass is to begin at 8 a. m. in St. Ann's and St. George's Churches, with High Mass to follow at 10 a. m. in St. George's and 11 a. m. in St. Ann's. Holy Saturday services will be conducted in St. Ann's Church, starting at 6:30 a. m. and closing with a High Mass.

**Choir To Sing Anthem**  
 At the Grace Lutheran Church the Rev. G. C. Becker, pastor, will take as his sermon subject, "He Lives!" The choir, directed by Walter Linde, will sing the anthem, "I Know That My Redeemer Lives."

The Rev. Lennol Hester, pastor of the Asbury Methodist Church, will give the morning sermon there on the theme, "The Risen Christ." There will be special music by the choir. An evening communion service is scheduled at 7:30 p. m. in the church.

A sunrise breakfast for members of the High School Department will start the day for the First Presbyterian Church. Young people of the Trinity Episcopal Church will join them for a service at 8:30 a. m. in Cloverdale Park, with breakfast following.

Two morning services are scheduled at 9:30 and 11 a. m. for the Presbyterian congregation. The Rev. Matthew Lynn, pastor, will speak on "The Nature of the Resurrection" and the choir will present an anthem, "Easter Morning."

**Special Music**  
 Music in the First Christian Church will include organ selections by Betty Pickering, an anthem by the choir with Mrs. Larry Meyer directing, and a solo by Mrs. Melzer. Alberta Smith, pianist, will assist Miss Pickering in playing accompaniments.

The Rev. Clyde Lindsley, pastor, will give the sermon, "A Drama Taken From Real Life."

### AAA Race Season To Start April 24 At Arlington Track

ARLINGTON, TEXAS — (AP) — Eighteen cars are expected to start a 100-mile AAA championship race here April 24, racing Director Babe Stapp of Los Angeles announced Friday.

It will be the first race in the nation in the battle for the American Automobile Association championship which is decided on a point basis.

Ted Horn, the 1948 champion, was killed in a race recently. The runner-up, Myron Fohr of Milwaukee, will be in the race here.

The drivers will be aiming at a purse of \$7,500 with \$2,500 going to first place.

### Tribe Goes To Lamesa

The Midland Indians were scheduled to meet the Lamesa Lobos in an exhibition game at Lobo Park in Lamesa at 3 p.m. Friday. Lamesa defeated the Tribe 13 to 11 in the first meeting of the two teams here last Saturday.

Manager Harold Webb indicated he would pitch most of the hurlers on the staff in order to give them actual game practice. Weldon Stewart, Forrest Martin, Ralph Blair, Levi Clay, Clyde May, Sam Van Hooser and Rudy Kellee are the chuckers on the roster at present.

The remainder of the lineup was a question mark for the most part, with everyone in camp likely to get a chance.

**Rose Looks Good**  
 Warren Sliiter still is the only first base candidate. Bob Rose, a new arrival from Bakersfield, performed well at second in Thursday's workout. Jim Boatman has been playing at third.

Stanley Hughes and James Anderson are battling it out for the shortstop berth.

Outfielders in camp include Ray Coss, Carriel Nipp, Julian Pressley and Lowell Adams.

The Indians return home for workouts Saturday and Sunday before meeting the House of David nine at Indian Park Monday night in the first arc-light contest of the season.

Lamesa Manager Jay Haney Thursday announced he would start Paul Cook and follow with Lefty Bill Jones against the Indians.

### Ranchland Country Club Meets Friday

Members of the Ranchland Hill Country Club will meet in the Midland High School auditorium at 8 p. m. Friday to elect officers and a board of directors. Nominations for the posts have been made by the nominating committee and other nominations will be accepted from the floor.

A preliminary draft of the constitution and by-laws will be submitted to the assembly by a committee.

H. L. Winkler and Walter Thompson will submit an agreement which sets out specific guarantees to the club members.

All members and prospective members have been urged to attend the meeting.

### Annual Junior High Track Meet Is Held

The annual Junior High School track and field meet was held at Memorial Stadium Thursday with a large field of entries. Competition was between various rooms in each grade.

Mrs. Doris Whitsett's room won first in the eighth grade division. Miss Ruth Webb's room took honors in the seventh grade bracket and Miss Chaudron's room placed first in the sixth grade.

Billy Snow of the seventh grade won high individual honors in that division and Robert Keisinger was high in the eighth grade.

### Tennis Club Makes Plans For Activity

Members of the Midland Tennis Club passed a motion to start repairs to the club courts and facilities in West Midland in preparation for re-organization of the club, at a meeting held in the county court room Thursday night.

John M. Hills, secretary of the organization, said plans for a membership drive were discussed.

Another meeting is scheduled next Thursday night.

## Bulldogs Lambast Ponies In 7-2 Tilt

Midland High's two left-handers, Max Harris and Ray Williams, combined their efforts on the mound in a four-hitter Thursday to give the Bulldogs a 7 to 2 victory over the Sweetwater Mustangs. Heavy stick work by Larry Buckingham and Dee Bivens and a timely pinch-single by Roy Mann gave the hurlers a good working margin.

The Bulldogs, riding on the crest of an 8 to 4 win over the Abilene Eagles, just couldn't be stopped. They had the fire and the winning spirit.

A single by Bivens followed by a double by Buckingham, with Treadway on through a Sweetwater miscue, produced three runs in the first inning.

**Score Four In Second**

The second frame was even better. The Bulldogs used base hits, Mustang errors, walks and stolen bases for four big runs to give them a 7-0 lead.

Harris worked like Hal Newhouser in protecting the big edge. He allowed the Ponies only two bingles in five innings. Sweetwater picked up two runs in the fourth, however, which were very muchly unearned.

Ray Williams came on to relieve Harris in the sixth just because Coach Beauchamp wanted him to have the experience. He blanked the losers on two hits.

The win keeps the Bulldogs well out of the cellar with a record of 2 and 3, won and lost.

The first division Big Spring Steers came here for a game Tuesday night.

The line score follows:

	R	H	E
Midland	340	000	0-7 7 7
Sweetwater	000	200	0-2 4 5

### Ernie Nelson Inks 1949 Indian Pact

Ernie Nelson, veteran left-hander and one of the top pitchers on the Midland Indians staff in the last two seasons, inked his 1949 contract Thursday night following a two-hour conference with Harold Webb. The misunderstandings between the two were worked out and both are happy.

Nelson suffered a finger injury last month but he says it is improving nicely and he will be ready to go in just a few days.

The signing of Nelson gives the Indians one class man.

### Aggies Nip Baylor In Southwest Loop Tilt

By The Associated Press

Southwest Conference baseball teams take an Easter vacation from league play this weekend. But there are non-conference tilts scheduled.

Play that counts in the conference standings resumes next Tuesday with four of the teams in action.

Thursday afternoon A&M helped its conference cause by edging past Baylor 2-1. Previously the Aggies and Baylor split a pair.

In Stillwater, Texas Christian University lost a close one 3-2 to Oklahoma A&M.

### James J. Jeffries Celebrates Birthday

BURBANK, CALIF. — (AP) — James J. (The Bullfighter) Jeffries came up for the 75th round of life Friday. He's a clinch to answer many more bells in the years to come.

Jeffries, born in Carroll, Ohio, April 15, 1875, last of the old line heavyweight champions of the John L. Sullivan, James J. Corbett, Bob Fitzsimmons era, spent the day quietly, a usual practice these last few years.

# SPORTSLANTS

BY SHORTHY SHELburnE

It's a little early to tell much about the Longhorn League entries for the coming season but there's one thing for sure. There'll be more power at the plate this year than ever before.

Looking the clubs over, it isn't hard to locate the circuit's long-ball hitters.

The oft-mentioned pair, Bob Crues and Tom Jordan at Roswell, definitely will be up among the leaders in the extra-base blows. Stacey, Big Spring manager and last year's batting champ, still is around. Stu Williams is back at Ballinger.

Sam Harshaney, San Angelo Colt wrangler, is one of the best hitters in the League.

There probably will be newcomers on most of the clubs who will hit well. Warren Sliiter of the Midland Indians is a likely candidate for high honors.

He steps into the shoes of the mighty Jim Prince. He doesn't have the weight Prince carried and he may not hit as high but we'll take him until a better prospect comes along—which isn't likely.

With all the power hitters in the loop, the attendance should go up. By and far, baseball fans like a long-ball hitter and the Longhorn League has them.

Collier Parris and his Abilene Blue Sox got a taste of the Longhorn variety of baseball Wednesday night as the none too potent Odessa Oilers slugged out a 12-2 decision in any other locality.

We'll stick to the Longhorn where the total score of a game seldom runs more than a dozen.

Wesley Martin, Charlie Tubbs, Charles MacDonald and all the other teachers and assistants who helped in the staging of the Elementary Relays deserve a big hand from Midland sports fans.

The officials took 1,016 youngsters, entered them in dozens of events, kept tab on each one and completed the meet in just two and one-half hours.

It was nothing less than remarkable.

We have seen high school track meets with less than 100 entries that required all day to complete.

The entire world of baseball is turned topsy-turvy over the injury of Joe DiMaggio's heel. The natural conclusion of an innocent by-stander would be that the Yankees are doomed to finish in the cellar.

It definitely is a serious blow to the Yanks but not a deadly blow.

They'll field a team in the American League race and we believe they'll finish high—DiMaggio or no DiMaggio.

Mrs. Harold Webb, the business end of the Midland Indians, is in camp. She'll be on hand for the remainder of the season to keep the skipper straight.

Maybe the Mrs. brings luck to the Tribe. The infield looked better in Thursday's workout than it has at any other time this season.

Bob Rose, the new second baseman from Bakersfield, helped the looks of things, no little.

**HALF SLANTS** . . . The Mexican-Minor League fess is on again Saturday at El Paso. The Mexican circuit claims the El Paso club has signed three of its players . . . Of the 140,000,000 people in the United States it looks like there should be enough minor league talent to supply the needs of El Paso and they'd leave those Mexicans alone . . . Don Deal, one of the top athletes at Midland High, has been given a scholarship to play football at Hardin-Simmons . . . Kentucky Derby hopefuls are falling by the wayside like crazy.

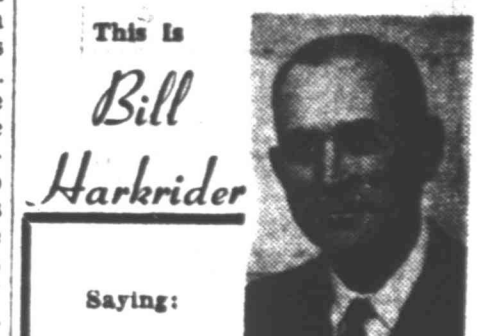

Hose Alvis definitely will report to the Indians. Webb has bought his contract from George Schepps . . . Tony Zale is yelling for another crack at Marcel Cerdan. That's what he'll get if he meets the Frenchman—only right on the law. Zale isn't getting any better or any younger . . . Coach Jack Mashburn has announced Spring basketball workouts will begin at Midland High next Tuesday. He wants to whip a few of the boys into shape . . . All the sports scribes, fans, players and managers have their choices for the National and American League champions this year. So do the bookies. The money boys like Cleveland and the Braves again.

The Poughkeepsie Regatta will be staged on June 25 this year.

## THEY COME IN DROVES—

# Major Leaguers Blast 30 Home Runs In Exhibitions

NEW YORK—(AP)—It looks like a good year for small boys who perch on rooftops around major league baseball parks. Home runs are coming in droves. The season doesn't open until next week and the big league parks are a few sizes larger than most minor league enclosures, but take a look at what happened Thursday.

Fifteen major league major league opposition—hit 30 home runs in exhibition games.

Four of the clubs hit three homers in a single inning. Only the Chicago Cubs failed to put the ball out of the lot at least once.

Murderer's row on the New York Giants—Sid Gordon, Johnny Mize and Bobby Thomson—blasted successive round trippers off Cleveland's Bobby Feller. The Indians retaliated with three in a row off Dave Koslo by Bob Kennedy, Jim Hegan and Earl Wynn. And for good measure Koslo added one for New York and Lou Boudreau and Mickey Vernon each had one for Cleveland. All this firing took place in Hickory, N. C.

The Chicago White Sox whipped

Del Ennis, Eddie Miller and Stan Lopata all connected in the fourth inning for the Phils.

And Johnny Pesky's one-on blast clinched the Boston City Series game for the American Leaguers.

The Philadelphia Athletics got three in an inning against Savannah, Ga.—by Ferris Fain, Hank Majecki and Buddy Rosar.

Five for one club was tops for the day with the honors going to Cleveland and the St. Louis Cardinals and Brooklyn's—by Billy Cox—gave the Dodgers a 2-2 edge over the Senators at Washington. Clyde Vollmer hit one for Washington and Red Schoendienst for St. Louis.

## Texas League—

# Scene Shifts As Eagles, Shippers, Cats, Padres Win

By The Associated Press  
Texas League baseball clubs move into the parent state Friday night for first-day games at Fort Worth, Dallas, Houston and Beaumont.

Fort Worth meets Tulsa, Oklahoma City goes to Dallas, Shreveport will be in Beaumont and San Antonio moves to Houston.

Only two Texas League clubs played in Texas during the first two days of the season.

San Antonio played host to Houston two nights running and kept all the cake, winning both games, the one Thursday night 4-2.

The Dallas Eagles battered the Oklahoma City Indians again Thursday night in Oklahoma City 12-2. Wednesday they won 2-3.

Fort Worth took its second game from Tulsa 6-3 and Beaumont squared its account with Shreveport, winning 4-2.

No Fence Rattling  
Fence rattling power was absent Thursday night. There were no home runs.

Tulsa outlit Fort Worth two to one, but the Cowtown pitcher kept 12 hits scattered and sat Tulsa down. Shreveport outlit Beaumont but Rookie Pitcher Al Cleary allowed seven walks which proved the downfall of Shreveport.

Clarence "Hooks" Lott struck out 13 men and allowed only seven hits as he pitched Dallas to its victory. The game was delayed 12 minutes when the lighting system in the ball park failed.

Rightfielder Bill Martin for San Antonio was one of the betting stars of the night. He got two triples and a two-bagger.

## Lefty Craig Named Umpire Advisor To Minor League Setup

DALLAS—(AP)—E. F. (Lefty) Craig is one of the new umpire advisors of the National Association of Professional Baseball Leagues (minor leagues).

The veteran San Antonio umpire, who has been serving as supervisor of umpires in a six-league alliance of the Southwest, was named to the post by George M. Trautman, president of the minor leagues.

Craig has returned to Dallas after a conference with Trautman during which he was named to head the umpires in Zone Four of the national program.

He will serve ten leagues. They are the Big State, Class B; Western Association, Cotton States, Evangeline, East Texas and West Texas-New Mexico Leagues, Class C; and the K-O-M, Scorer State, Longhorn and Rio Grande Valley Leagues, Class D.

George Johnson previously had the territory covered by Craig in addition to the Pacific Coast. Now Johnson will serve only the coast.

Craig attributed the six-league alliance formed last year through efforts of Milton Price, president of the West Texas-New Mexico League, as leading to the creation of the zone system by the national association.

## Sneed, Schneiter Added To List For Colonial Tourney

FORT WORTH—(AP)—Additional invitations have gone out to top golfers for the Colonial National Invitation Tournament scheduled here June 2-8 but Frank Stranahan, the muscular Toledo, Ohio, amateur isn't among them.

Sam Sneed and George Schnetter, professionals, are among the latest invited, however. They were sent the invitations after the PGA informed the Colonial country club that at least two players in the running for Ryder Cup team berths were not on the original list and, since the event here is sponsored by the PGA, it "is highly desirable that they be included."

Twenty-two players of the field of 36, designed to carry 30 pros and six amateurs, have accepted invitations. There is only one amateur in the group—Charlie Ooe of Ardmore, Oklahoma.

**TEXAS SECOND LARGEST WHEAT CROP FORECAST**

AUSTIN—(AP)—The second largest Texas wheat crop in history was forecast Friday by the U. S. Department of Agriculture.

The USDA predicted harvest of 99,190,000 bushels, based on April 1 condition. This would compare with 56,290,000 bushels last year, the record 1947 crop of 124,270,000 bushels, and a 10-year average (1938-47) of 53,944,000 bushels.

all peacetime records for spending. A \$7,575,821,181 omnibus independent offices bill approved Thursday was one of several appropriations passed since Monday which, added together, total over \$24,000,000,000.

The various measures provide funds to finance every department of government except Congress itself for the next fiscal year beginning July 1.

Not only did the House set an all-time peacetime record for the amount appropriated in one week, but it drew praise for its legislative speed—usually, many such bills still are in committee at this time.

McCORMACK of Massachusetts they could tell their constituents they had "done a remarkable job."

The lawmakers plan to return to work April 25 and tackle the tough labor program.

The Senate, delayed earlier this session by a windy filibuster and a long and bitter debate over the foreign aid program, decided to stay on the job. It will take up the multi-billion dollar housing project Monday.

McCAMEY—Girl Scouts of Troop 7 left Thursday afternoon for an Easter trip to the area Girl Scout camp at Miter Park near Alpine. Fifteen girls made the trip and will return Saturday afternoon.

A flashlight Easter egg hunt is planned for Friday night, followed by a birthday party which Mrs. Newton Key, Jr., will give for her daughter, Peggy. Badge work in nature and camping will be a part of the program.

## He is Risen

The beautiful story of the Resurrection is one of the priceless gems of literature. There were the angels by an empty tomb, the startled women, the bewildered disciples, and a soft voice saying, "He is not here... He is risen... and goeth before you into Galilee."

The whole mighty drama of life is unfolded in that simple narrative. For as Jesus rose from the dead, so the flowers spring from the warm earth, the trees bud, fledglings appear in their nests, and little creatures of flesh stare wide-eyed at the world.

Nature is revived and enters a new life cycle in the spring. So Jesus brought new spiritual life to the world through His life and death and resurrection. He brought eternal springtime to men and taught them that beyond the tomb is the daybreak of another life.

Let all the world rejoice on Easter morning, for He is risen. He took the sting from Death and victory from the Grave; and He lives forevermore.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"How's dis for a note to dat crummy mouthpiece back with th' mob—'Doing lousy time, wish you were here!'"

**Damages Denied In Sand-Blowing Case**

LUBBOCK—(AP)—G. K. Horton was not responsible for soil blowing on his neighbors farm, a district court jury here ruled.

The court found against Charlie Hoover, who had sued for \$2,500 in damages from Horton. They own adjoining farms in Deaf Smith County.

The jury said the damages complained of occurred as a result of an act of nature. It found further that some of the sand or dirt that blew onto Hoover's land came from other land than that of Horton.

G. H. Nelson, defense attorney, said in his closing argument Thursday that if the jury found in favor of Hoover, "there won't be enough courthouses in Texas to try all the blowing dust suits that will be filed."

The new technique in which the material is optically ground and polished while the glass is still flat affords a cheaper but satisfactory method of making glass face plates for television tubes.

3.—"But you aren't a hundred elephants!" Daddy Ringtail said.

"No," Tiny admitted, "we aren't a hundred elephants. There are only three of us: myself and Sneezey Snuzan and her mother. But think how nice it would be for us to have all that fresh green grass to eat and to sleep on too."

Daddy Ringtail thought about it. "Don't you have enough green grass to eat now?" he asked.

"Yes," said Tiny, the elephant.

"And don't you have enough green grass to sleep on even now, when you want to take a nap?"

"Yes," said Tiny, and then he began to smile. Why should he move away from his friends when he already had all the grass he could

**Daddy Ringtail**

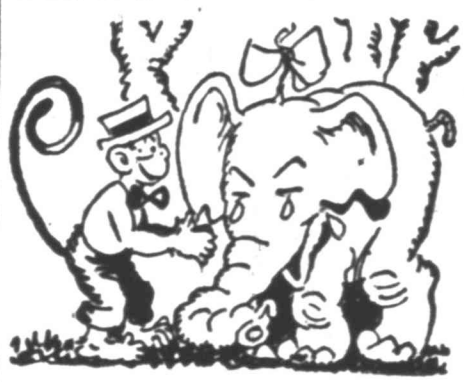

By WESLEY DAVIS

**Daddy Ringtail And Green Grass Growing**

Sneezey Snuzan, the elephant girl, was crying and crying and crying. The tears ran out of her eyes and down her very long trunk. "Good-bye forever, Daddy Ringtail!" said she, and then she ran away through the Great Forest, on up the Elephant Path to her home.

The monkey daddy watched her go. What could he say? What could he do? He thought about the unhappy news that Sneezey Snuzan had told him, and then he hurried off through the forest.

He looked and looked until he found the elephant father. The big old fellow was down by the Whispering River. His name was

Tiny, because he was so big. "Oh Tiny," Daddy Ringtail said, "Sneezey Snuzan is so unhappy. She doesn't want to live on the other side of the Great Forest. Must you go away?"

"But you aren't a hundred elephants!" Daddy Ringtail said.

"No," Tiny admitted, "we aren't a hundred elephants. There are only three of us: myself and Sneezey Snuzan and her mother. But think how nice it would be for us to have all that fresh green grass to eat and to sleep on too."

Daddy Ringtail thought about it. "Don't you have enough green grass to eat now?" he asked.

"Yes," said Tiny, the elephant.

"And don't you have enough green grass to sleep on even now, when you want to take a nap?"

"Yes," said Tiny, and then he began to smile. Why should he move away from his friends when he already had all the grass he could

eat and sleep on? So Sneezey Snuzan is still living in the Great Forest, near Daddy Ringtail's monkey house, because why go anywhere for something you don't need and can't use?

Oh, but happy day to you now, and look for Sunday's adventure with Daddy Ringtail and the Rain-bow.

Rankin B&PW Club Has Easter Meet

RANKIN—Rankin's Business and Professional Women's Club met for a business meeting Thursday noon, with 23 members in attendance.

Easter lilies, nests of colored eggs and individual baskets of pastry filled with whipped cream and vari-colored grapes decorated the luncheon tables.

President Lelia Workman presided and Miss Helen Ross was voted to membership in the club. Mrs. Leah Johnson, chairman of the International Relations Committee, presented the club with a calendar and booklet which had been sent by the women in Holland who received a Christmas box from Rankin's B&PW unit last year.

Committees Named  
The president appointed a nominating committee including Mrs. Jane Still, Miss Maggie Taylor and Mrs. Gena Johnson. Officers will be elected May 10. She also appointed Miss Myrna Holman, Mrs. Alma Adams and Mrs. Jackie Pollard as a committee to meet with the general committee at a later date for the planning of ceremonies dedicating and opening the new Community Building.

Announcement was made of a meeting to be held in Rankin May 16, at which time Mrs. Charley Ward, state president of Business & Professional Women's Clubs will be present, along with other state and district officials. B&PW clubs from surrounding cities will be invited to the meeting.

Present at Thursday's meeting were Flora Shaw, Estell Harral, Gladys Carter, Louise Anderson, Leah Johnson, Mary Ann Workman, Myrna Holman, Lelia Workman, Opal Nix, Christine Yocham, Ruth Holcomb, Helen Ross, Gertrude Rhorick, Monnie Ray McSpadden, Zola McSpadden, Leola Hurst, Opal Dickson, Rosalie Stillner, Alma Adams, Clois Baxter, Mae Price, Polly Stephenson and Blanche Mitchell.

**Polish Miners Sign More Work Pledges**  
WARSAW, POLAND—(AP)—Polish coal miners now have to say in advance how good they're going to be at the end of each month.

Miners participating in "work races" are required to sign pledges. In these, they must establish the minimum figure by which they will exceed production targets assigned to them.

Polish Communists claim the labor competition campaign in the coal industry is spreading in ever-widening circles.

They reported 87,097 mine workers participated in individual and team competitions in December, 1945. Now, they claim, that figure is much higher.

**HOLIDAY GUESTS**  
Mr. and Mrs. S. E. Mickey, 1900 West Kentucky Street of Midland, have their son and daughter as guests for the Easter holidays. They are students of Texas Christian University in Fort Worth. Mary Howard, also a TCU student, is a guest in the Mickey home.

WE, THE WOMEN

Labor-Saving Devices Called Ruination Of American Women

By RUTH MILLETT  
NEA Staff Writer

"American women are being ruined by labor-saving devices. They haven't enough to do and don't know they're alive."

The latest person to sound off on that subject is a woman—an Australian gynecologist—who came to America for a brief visit, looked over our women and our household gadgets and went home to make that questionable statement.

The woman doctor quoted specifically mentioned garbage disposal sinks and dishwashing machines as two of the gadgets contributing to the ruination of American women.

She apparently didn't stop to find out that the average American housewife still washes her own dishes, weekly scrubs out a garbage pail and hasn't much hope of owning either an electric dishwasher or a garbage gadget for a long, long time.

And she didn't tell us just how emptying garbage in the time-honored manner of sticking the hands in dishwasher three times a day makes a woman feel gloriously alive.

It so happens that I get quite a few letters from women who are less than joyously alive. But strange as it might seem to

the Australian doctor they aren't women who get their work done in a jiffy by turning on a few electrical gadgets and letting them do the work.

Drudgery May Be To Blame  
They are, instead, invariably from tired-out, overworked mothers who are so fed up with endless household drudgery they must plod through day after day they have forgotten what it is like to feel "alive."

Some of them even outline a typical day for me. And that typical day usually starts about six-thirty in the morning and ends at bed-time, when they've finished the family mending or ironing.

There may be women in the world who, after getting a labor-saving device like a dishwashing machine, sigh for the good old days when they could plunge their hands into dishwasher three times a day and feel gloriously alive while they scoured eggs and gravy from the plates—but if there are I haven't met any of them.

The women I know feel more alive doing anything than routine household chores.

And when they feel like singing a happy, little washday song, it's because there's an automatic washer in the kitchen.

Maj. Jack E. Moore Gets New Assignment

HOWARD AIR FORCE BASE, CANAL ZONE. — Maj. Jack E. Moore, son of Mr. and Mrs. Frank T. Moore of Enid, Okla., has been assigned as base adjutant, Headquarters 5600th Composite Wing, Howard AFB, Canal Zone. It was announced by Col. A. H. Foster, commanding officer of Howard AFB. Major Moore previously was assigned as commanding officer of the Headquarters and Headquarters Squadron, 5400th Composite Wing, Howard AFB. During World War II he was stationed at Midland (Texas) Army Air Field.

A graduate of Enid High School in the class of '36 and of the University of Oklahoma in the class of '41, Major Moore entered the Air Force in July, 1941, at Randolph AFB, Texas. He received the commission of second lieutenant in the Field Artillery Reserves in May, 1940, while attending the University of Oklahoma, and July, 1948, he received the regular rank of captain in the United States Air Force.

Arriving in the Canal Zone in November 1947, Major and Mrs. Moore, the former Daisy White of Uvalde, Texas, and their children, Patrick C., Michael A., and Kathleen Ann and Margaret Louise, are residing in quarters at Howard AFB.

About 1,000 eye injuries occur daily among American workers.

Whitson Food Store Slates Grand Opening

The grand opening Saturday of the Whitson Food Store, located at 2000 North West Front Street, was announced Friday by Willis and Agnes Whitson, owners of the new firm.

The store will handle a complete line of groceries, meats and fresh vegetables. The meat department is equipped with new refrigeration equipment. Enclosed, self-service fresh vegetable and dairy products cases have been installed. Ample parking space is available.

During the grand opening Saturday, coffee and doughnuts will be served to visitors. Bubble gum will be available for the children.
