## Wildcat Projected Into Menard Cisco

Drilling is to be started by July 1 on a 2,500-foot wildcat in Central West Menard County. The venture is slated to test into the Cisco lime section of the Pennsylvanian.

## Water Recovered in Borden After Flow

Sinclair Oil & Gas Company No. 1 Williams, prospective discovery in Northwest Borden County, was drilling ahead past 10,000 feet in a dolomite formation. It is understood that the venture is to dig to about 10,035 feet, and take a drillstem test.

## Kelly Flanker Tests Oil Shows in Canyon

Magnolia Petroleum Company No. 2 Winston, one-half mile east of the discovery well of the Kelly field in Central Scurry County, four miles southwest of Snyder, and 680 feet from north and west lines of lot 71, section 11, block 1, J. P. Smith survey, encountered a drilling log at 6,840 feet in Canyon lime.

## RNGC Perforating Benedum-Wolfcamp

Perforations were being shot in casing for testing of a formation tentatively identified as Wolfcamp-Permian at Republic Natural Gas Company No. 1-B Barnett, north outcrop to the Benedum field of East-Central Upson County.

## Stanolind Flanks Landon-Devonian

Stanolind Oil & Gas Company is starting by June 8 on a second outcrop to the Landon-Devonian field of South-Central Cochran County.

## Sharon Ridge-Canyon Producer Completes

Third producer in the Sharon Ridge-Canyon pool of Southwest Scurry County has been completed at Humble Oil & Refining Company No. 1-B Huddleston, 980 feet from north and west lines of section 12, block 97, H&TC survey, 13 miles southwest of Snyder.

### Negro Killed By Georgia Mob

An unidentified policeman, standing at left, is questioned by the Irwinton, Ga. coroner in connection with the death of Calif Hill, Jr., a 28-year-old negro. Hill was taken from the Wilkinson County jail by a white mob and killed. Sheriff George Hatcher, looking at camera, arrested Hill during a disturbance at a roadhouse in Irwinton. Special Deputy Will Stapleton, hand on face, listens to the questioning.

### IN HOLLYWOOD

#### Gloria's Still Too Glamorous; Needs 'Aging' For Own Role

By **ERSKINE JOHNSON**  
NEA Staff Correspondent  
**HOLLYWOOD**—It's still glorious Gloria.  
After 50 years, five husbands and three grandchildren, Gloria Swanson still has to be "aged" to look 50. She needs grayer hair, lines in her face.  
Paramount studio insisted on it for her role of an ex-silent film star in the picture, "Sunset Boulevard."  
Gloria was indignant. "Photograph me as I look," she said. The cameraman beamed. "You'll photograph like 30," he said.  
"She has to look 50," the studio said.  
"Okay," said Gloria, "make me look like 50. But I won't feel like it."  
Gloria was sitting in the sun—a bright, unflattering sun—on the steps of the Paramount dressing room building. Unflattering did I say? Not for Gloria. The lady doesn't need soft lights and trick shadows.  
She was wearing a black slacks suit and smoking a cigaret in a long gold holder.  
It was difficult for me to believe that I was the first time I saw her on the screen. She made my pulse jump then—and it was jumping again.  
**Debunks Legends**  
I asked her about those fabulous Swanson stories which have become part of the old Hollywood legend.  
About her riding around the

studio in an Atlantic City wheel chair, pushed by a servant, "Gloria," people snifed. "I think it is undignified for a star of her caliber to be seen walking."  
Gloria denied that.  
"I had just returned from Europe and a serious illness. I was still weak. The doctor ordered that wheel chair."  
About having a private elevator in a New York apartment house, "I was in a hurry once and I rode up to my apartment in a freight elevator. By the time the story got back to Hollywood it had become a private elevator."  
About her refusal to have her children photographed because gossip said they were imbeciles. "Ridiculous," she said. "In those days in Hollywood we all kept our children in the background. It was unglamorous to have children."  
About her triumphant return to Hollywood after four years in Europe, during which she became the first film star to marry a title—the Marquis de la Palaise de la Cour-dray.  
"The unhappiest moment of my life," she said.  
Then she explained:  
"We came back to Hollywood in 1925 for the premiere of my French picture, 'Madame Sans Gêne.' There was a tremendous formal premiere at Grauman's old million-dollar theater in downtown Los Angeles.  
"People stood up and applauded and sang 'Home Sweet Home' when the Marquis and I walked to our seats. I had never been so flattered. Driving home, my mother, who was with us, said:  
"Gloria, this should be the happiest moment of your life."  
"I said: 'The unhappiest, mother. This should happen when I'm 55 instead of 25. I'll never be able to top this night.'"  
Her words were prophetic.  
Gloria went on to greater acting triumphs, but the marriage didn't last. There was unpleasant publicity, she spurned a studio offer of \$17,000 a week to form her own independent company, and finally the Swanson star descended.  
"Sunset Boulevard" is her second motion picture since 1934. She co-starred with Adolphe Menjou in "Father Takes a Wife" at RKO in 1941.  
"It was a good program picture," she said, "but RKO was going through a change in management and they gave it a sneak release."  
Her home now is in New York, where, until she came to Paramount, she starred in a weekly television show. She'll resume the TV show after completing "Sunset Boulevard."  
That proves glorious Gloria's beauty hasn't faded.

### Oliver Accepts 'Oscars'

Actress Jane Wyman congratulates Sir Laurence Olivier after he was presented two Motion Picture Academy "Oscars" and a British Film Academy award for his motion picture "Hamlet" in ceremonies in London. The presentation was made by Mrs. Lewis Douglas, wife of the U. S. ambassador to England.

### Senate Pulls Lid Off Spending In College, Soil District Actions

**AUSTIN**—The lid on legislative spending was off again Thursday.  
The Senate in a long afternoon session Wednesday stamped its approval on expenditure of \$11,000,000 on two projects—\$5,000,000 more than the House had approved for the same projects.  
The House took Wednesday afternoon off.  
Approved were \$10,000,000 for soil conservation and \$1,000,000 to raise Lamar Junior College at Beaumont to a full four-year technological college.  
The Senate doubled the House soil conservation figure.  
If accepted by the House, it will boost the deficit already threatening the state to approximately \$56,000,000, Senate Finance Chief James Taylor estimated.  
Also written into the soil conservation bill by the Senate was an amendment to require a rental fee on machinery to be purchased under the provisions of the bill. The fee never would be less than the cost of labor, maintenance, depreciation and replacement of the equipment.  
**Hudson Urges Increase**  
As originally drawn by Senator W. A. Shofner of Temple in the Senate and Rep. J. A. Luedemann of Brenham in the House, the bill called for the higher figure but had been pared by a House committee.  
"If we can afford to make state colleges out of junior colleges then let's help the farmers of this state conserve the soil they're going to have to dig into to provide for what we've already spent," argued Senator Hill Hudson of Pecos in recommending the increase.  
Final approval of the bill was 22-3. The bill must return to the House for consideration of the Senate changes.  
The Lamar College bill was passed 16-12. It goes to the governor.  
Also passed by the Senate Wednesday were three proposed constitutional amendments. Returned to the House with amendments were proposals to authorize the legislature to set up civil service systems for counties over 75,000 population when so authorized by a vote of the people of the county and to set up a state-wide retirement system for appointive county officers. Sent to the governor was a proposal to authorize creation of hospital districts supported by local taxes when authorized by popular votes. All must be voted on at the polls September 24.

### Formula For Telling Jokes Is Fine If Family And Friends React Correctly

By **CYNTHIA LOWRY**  
AP Newsfeatures Writer  
Would you like to be the life of the party? When you are at social gatherings, does the cat get your tongue? Do you sit in a corner and gaze admiringly at the guy who is clowning, telling jokes and keeping the company in gales of laughter?  
Well, if you're envious, keep right on reading this column. A man named Jack Gifford, identified as a television and Cafe Society comedian, has sent me a two-page article, in which he explains how anyone can convulse their friends and influence people.  
**Rules For Laughter**  
Here are the Gifford Laws of Drawing Room Guffaws, which this hitherto repressed comedienne went right out and tried:  
1. Read newspaper columns with the latest gags in them; listen to the better comedians and cull their better witticisms.  
2. Memorize. You don't have to repeat the joke word for word, just as long as you've got the meaning and punchline down pat. Gifford then shows how a joke then develops, thus:  
(a) Situation—"Mabel is going to leave her husband."  
(b) Question leading to punchline—"He's been calling her pet names."  
(c) Punchline—"Like you dog, and you cat!"  
(d) Laughter by crowd.

3. Practice your jokes on your family first and then "try your wings on a small gathering of very close friends."  
**No Time For Gags**  
Well, I was pretty busy last weekend and had no time to read newspaper columns with gags in them and the last time I went to the movies I saw Ramon Novarro in "Ben Hur." So I thought up "switch" (that's another word comedians use on the Gifford joke).  
Mabel: "Who hoppin'?" (Some one in the office said that all the better comedians say "Who hoppin'.")  
Bertha: "My tamed bird is undergoing corrective surgery in the Small Birds Hospital."  
Mabel: "Your tamed pigeon, Elizabeth? Wha Hoppin'?"  
Bertha: "He's people-toed!"  
This not only follows the Gifford formula, but it also follows a number of jokes I heard years ago about the frog with the man in his throat. I figured it had to be good, but I memorized it anyway. Then I got the family together and planned to repeat it a few times. Grandfather, who is hard of hearing, turned off his hearing aid in mid-joke. Other members of the family sat through the first telling and then complained of sick headaches and disappeared for the rest of the day.  
**What's It Mean?**  
Undaunted, I took my joke, wrapped carefully in aluminum foil, to a small party of very close friends. The conversation seemed concerned entirely with the cost of children's camps, but I finally jumped in and told my joke. The party broke up immediately and the hostess forgot to serve the demi-tasse.  
Maybe I didn't give Gifford a fair test. I guess I never can now, because I don't have any close friends left. However, I hope to make some new friends, and I found a gag in a newspaper column this morning: "All right, Louie, drop that gun!" I haven't the remotest idea what it means.  
Maybe it will be just as well to drop the whole idea of being the life-of-the-party, the "laugh" of the party. If everybody is going to entertain, who will there be around to laugh?  
Also, I can't think of anything that's daller than a swiped—or attributed—joke from the radio. They are rarely funny even in context, so how funny can you get on a borrowed gag?

### Tea At Stanton Is Pre-Nuptial Event

**STANTON**—One of the series of parties being given in Midland and Stanton for Dorothy Hamilton, bride-elect of DeWayne Davis of Midland, was a tea Saturday in the home of Mrs. Ray Simpson with Mrs. John Connell as co-hostess.  
Miss Hamilton, daughter of Mrs. Horace Hamilton of Stanton, has been employed in Midland. The wedding is set for June 11.  
Arriving guests were greeted by the honoree and her mother, Mrs. Cecil Davis of Midland, mother of her fiancé, Mrs. C. E. Luna and Mrs. J. D. Poe presided at the crystal punch bowl and Lela Hamilton, sister of the bride-elect, was in charge of the satin ribbons, flanked by yellow tapers in crystal holders.  
Colorful Spring flowers were used through the house. The table was appointed in white and yellow, with a central arrangement of yellow carnations, daisies, and bows of satin ribbons, flanked by yellow tapers in crystal holders.  
Among the 50 guests who called were Mrs. Arlo Forrest and Maedele Roberts of Midland, Mrs. E. Clyde Smith of Odessa and Mrs. Albert Janke of Carlsbad, N. M.

**Buttons-Bows Group Visits Midland Club**  
Members of the Buttons and Bows Club of Terminal met with the Singway Square Dance Club of Midland Wednesday. An enjoyable evening was spent learning new dances and becoming better acquainted.  
Attending from Terminal were Mr. and Mrs. Nat Pape, Mr. and Mrs. J. W. Campbell, Mr. and Mrs. W. C. Daniel, Mr. and Mrs. Bill Ireland, Mr. and Mrs. Walter Sneed and Mr. and Mrs. Bob Shadden.

**Congratulations To:**  
Mr. and Mrs. Shackelford Reed on the birth Tuesday of twins, a girl, Susan Elizabeth, weighing six pounds, three ounces, and a boy, Michael Erwin, weighing six pounds, eight ounces.

### Tenant Group Votes To Refuse To Pay Allowed Rent Hikes

**ORANGE, TEXAS**—Tenants of a big housing project here voted at a mass meeting Wednesday night to refuse to pay rent increases granted by the Rent Control Division on some of their dwellings.  
Involved is the 1,582-unit Riverside Housing Project, built by the federal government for war workers here. It was sold by the Public Housing Administration last year for \$1,800,000 to a corporation headed by A. Pollard Simons of Fort Worth.  
Jasper Immon, Beaumont area rent control director, said the increases were granted on "the recommendation of the regional office in Fort Worth." At the same time Immon's office denied applications of tenants for rent decreases.  
John O. Young of Orange, attorney for the tenants, met with about 370 of the tenants Wednesday night. The group voted almost unanimously to "continue paying rent at the rates called for in our contracts and to refuse to pay present or any future increases."

**CHI OMEGA TO MEET**  
Chi Omega Alumnae Association will meet for a luncheon at 12 noon Tuesday. Eligibles are invited for the semi-monthly meeting, and those who plan to attend are asked to notify Mrs. M. W. Walston, telephone number 453-J.

# SOCIETY

## Season's Program Completed In Meeting Of Modern Study Club

Postponed from last month, the final regular meeting of this season for the Modern Study Club was held Wednesday in the home of the president, Mrs. F. R. Schenk. The scheduled date in May was changed because of the death of a club member, Mrs. Ivan Hood.  
Mrs. Schenk announced that a called meeting will be held on June 15 for final reports of officers and committee heads. Officers in this club serve a two-year term and the present corps will continue their duties.  
Mrs. W. S. Nelson presented the program Wednesday on the subject, "A Corsage for Midway." She demonstrated the making of corsages for various occasions and with various types of flowers.  
Mrs. J. W. Carroll explained a project of the General Federation of Women's Clubs to send American magazines, particularly those dealing with homemaking and other subjects of peculiar interest to women, to foreign countries. She asked that members save magazines for this project.  
A guest at the meeting was Mrs. Perry Gill, and other members present were Mrs. C. H. Shepard, Mrs. R. E. Morgan, Mrs. C. C. Keith, Mrs. W. C. Cartwright and Mrs. Harrie A. Smith.

## Mrs. Oliver Guest Book Reviewer For Club At Terminal

Mrs. E. D. Oliver of Odessa gave a very entertaining book review for members of the Terminal Home Demonstration Club. She reviewed the book, "Tummy Out of Time." The review and tea was in the home of Mrs. J. W. Campbell. The room was decorated with a variety of flowers and plants. Members presented Mrs. Oliver with a corsage of shell pink carnations, and others present were given dainty corsages of wild flowers and asters, surrounded with paper lace and tied with ribbons of pastel colors.  
Refreshments were served to the group following the book review. Crystal serving cups, plates and punch bowl complimented a lace covered table. Mrs. Walter Sneed, Terminal president, poured tea, while Mrs. W. C. Daniel, Mrs. Bill Ireland, and Mrs. Campbell assisted in serving.  
Visitors from Midland included Mrs. E. O. Messersmith, Mrs. Mae Sammons, Mrs. C. A. Newman, and Mrs. Nettie Measick, county home demonstration agent. Members present were Mrs. L. T. Derrington, Mrs. E. O. Voge, Mrs. Hunter Rabelala, Mrs. George Uermohle, Mrs. J. E. Nelson, Mrs. Daniel, Mrs. Ireland, Mrs. Sneed and the hostess. Additional guests were Mrs. R. O. Counts, Mrs. Tom Star-nes and the reviewer, Mrs. Oliver.

## Fort Worth Schools Recall Watch Awards

**FORT WORTH**—Fort Worth schools have taken busy action in recalling 20 wrist watches awarded high school athletes.  
About half of the watches were collected Wednesday. The remainder are expected to be returned to city officials before this week-end.  
City Schools Superintendent Joe Moore ordered the watches returned to prevent possible suspension of Fort Worth school's from participation in the Texas Intercollegiate League athletic program for violating the TIL's awards rule. The rule states that the school system can not award graduating athletes anything exceeding \$15 in value.  
The athletes already had received jackets valued at that amount and therefore were not eligible to receive the watches from the schools.  
William C. Ackerman is in his 29th season as tennis coach at UCLA.

## Girl Scout Camp Opens Monday With 27 Midland Girls Present

Opening for the first camping period of the summer, the Girl Scout Camp at Miro Park near Alpine will have 27 Midland girls in attendance for the two-week session. Mrs. J. J. Black of Midland is camp director for the eight weeks of planned programs for Girl Scouts and Brownies of the Permian Basin Area.

## Students Guests Of School Bus Driver At Picnic-Hayride

Students who came to school in Midland on the bus driven last term by Bennie Bissell were guests when Mr. and Mrs. Bissell entertained Monday night with a picnic supper and hayride.

Games and music by the Harmony Makers were enjoyed by the guests who presented Bissell with a hand-tooled billfold inscribed with the name they call him, "Skipper."

Present were Jerry Fay Bissell, Betty Acker, Beverly Smith, Bob Hardaway, Carolyn Hardaway, Kenneth Guber, Sid Story, Gene Harris, Gail Dixon, Melvina Brashears, Jo Ann Sellers, Bobby Cast, Harold Jones, Marilyn Jones, Annice Burleson, Betty Watson, Earl Watson.

Lea McCullion, Marilyn McCullion, Dorothy McCullion, Mary Finnicum, Irene Finnicum, Delia Finnicum, Jo Nell Landrith, Betty Landrith, Sherry Wilson, Delores Wilson, Bettie Wilson, Ralph Ferguson, Lea Ferguson, Nancy Upchurch, Miles Upchurch, Winkie Landrith, Peggy Flowers, Buddy Beene.

Catherine Connelly, Ruth Ann Goddard, David Graves, Willis Mae Webster, L. C. Thomas, Theresa Hubbard, Bobby Foster, Patsy Johnson, Gwenn Gresham, Dotty Bred, Shirley West, Kenneth Hill, Maurice Spottan, Kenneth Watley, Dick Dickerson, Jimmy Lamvin and Jack Burk.

## Program Announced For Second Concert By Watson Students

The Moment Musical Club will present its annual Spring concert Friday night in the First Christian Church auditorium, the second of two programs by pupils of the Watson School of Music. Club members are younger pupils in the school.

More advanced pupils are appearing in a program Thursday at 8 p.m. in the same place. The public is invited for both concerts. Two ensembles of the pupils will be presented with soloists, the E-trellita Orchestra opening the Friday program with Always Victorious March (Salter) and the violin choir closing it with May Flower Waltz (Norman), and also playing School's Out (Lawrence).

**Solos On Program**  
Other numbers included on the program are Airy Fairies (Spaulding), piano solo, Jean Thomas; Peppermint Candy (Borchgrevink), piano, Edythe Eubanks; Bugles and Drums (King), piano, Joe Taylor; Three Little Chickens (Schaefer), piano, Katherine Barnes.

Vietnamese Melody, piano, Marsha Field; Donkey Party (Waldgreen), violin, Marjorie Walker, with Jan Burke at the piano; Little May Ling (Besthoff), piano, Louise Ervin; Spring Song (Thompson), Katrina Shelburn; Betty's Serenade (Licht), piano, Tudd Syme.

Hawaiian guitar trio, Roy and Margaret Wallace and Ned Watson, followed by piano solos: Little Gray Squirrel (McGlinchey), Hope Russell; The Gutter (Gaynor), Judy Orson; In Hanging Gardens (Davies), Burks; Fawns at Play (Runge), Jere Price.

**Violin Numbers Included**  
Minuet in G (Bethoven), violin, Robert Gray, with Carolyn Gray as pianist; Arpeggio Waltz (Rostek), piano, Karol Eaton; Petite March (Hayes), piano, Gay Dower; Morning Call (Hanson), piano, Margaret Durham; Song of the Old South (Minor), accordion, Marian McGowan.

Trailing Moonflower (Mattingly), piano, Barbara Timmons; April Blossoms (Stevens), piano, Linda Breth; Gracful Lady (Lemont), piano, Robinette Curry; Black Hawk Waltz (arr. Halle), violin, Edythe Eubanks, with Patricia Wilkerson as accompanist.

Spring Roundelay (Banks), piano, Loraine Carlson; Swans on the Lake (Thompson), piano, Anne McFarland; HMS Pinafore (Gilbert-Sullivan), piano, Judy Cole; Buy Bee (arr. Sherwood), guitar, David Langston; Joyous Waltz (MacLachlen), piano, Gwendolyn Campbell; Gypsy Caravan (Williams), piano, Cynthia Dupuy.

Yvonne (Minor), accordion, Martha Nell Chastain; Doll's Dream and Awakening (Oesten), piano, Dianne Perkins; Morning Glories (Zardou), accordion, Donna Walker; Starlight Waltz (Brainard), piano, Rosemond Turner; Silver Bells (Ober), piano, Patty Chambers; Recollections of Johann Strauss (Thompson), piano, Patricia Wilkerson.

**American Association of University Women**, with the husbands and guests of members, will be entertained with a picnic and games in the Midland Officers Club building at 7 p.m.

**SATURDAY**  
Children's Story Hour will start at 10:30 a.m. in the Children's Room of the Midland County Library.

**Valley View Home Demonstration Club** will host a book review-tea in the home of Mrs. I. J. Howard.

**Watson Studio of Music** will present elementary pupils in a Spring recital at 8 p.m. in the First Christian Church.

**Sashaway Square Dance Club** will meet at 8 p.m. in the American Legion Hall.

**Children's Service League** will meet at 3 p.m. in the home of Mrs. John M. Hills, 109 North F Street.

## Travel Tricks In Expert's Book

Simple tricks keep this vacationer comfortable and well-groomed on her travels. She dresses in shorts and topper of play suit for motoring (left) and buttons on unwrinkled skirt when she steps out of car (right). Long evening gown is packed in cleaner's bag to keep it uncrushed on journey. Beauty aids for use in transit are tucked in pockets of shoe bag (center) which is pinned to back of front seat.

Travel suggestions by Carol Lane, who is appearing in Midland Thursday for two talks to women, are the subject of a nationally syndicated feature story by Alicia Hart, NEA Staff Writer whose fashion and beauty articles appear regularly in The Reporter-Telegram and other newspapers over the United States.

Miss Lane appeared Thursday morning at a meeting of the Midland Women's Club, and will speak again at 8 p.m. in the West Elementary School auditorium, sponsored by the Altrusa Club.

Her unique job as travel advisor, plus her own wide travels which keep her informed on the subject, have appealed to feature writers on a number of magazines and newspapers including The American Magazine which featured her picture and a story under the title, "Always on Vacation."

Alicia Hart's syndicated feature follows:  
The trick of emerging from a long automobile trip looking as though you had stepped out of a bandbox is easy to master.

**Pack Carefully**  
All there is to it, according to a vacation-counselor Carol Lane, are well-packed bag, car pockets and traveling duds which combine style with comfort.

Miss Lane, who is the travel expert of a large oil company, has stuff stay at as follows: Tucked stockings into shoes and shield shoes with plastic bags. Roll up sweaters and other non-crushables. Fill handbag cavities with bells, scarves and gloves.

Packing lingerie, blouses and dresses into separate piles makes items needed en route available without having to rummage a bag, says Miss Lane.

She suggests carrying bulky suits and long evening dresses in cleaners' bags which may be hung up in a car or folded flat and placed on or above a back seat or in the automobile's trunk.

To make good-grooming aids that you'll need en route more accessible, Miss Lane's idea of stuffing an empty shoe bag with essentials is an excellent one. Her trick is to pin such a bag to the upholstery on the back of the front seat.

**Double Celebration Honors Graduate**  
Graduation from high school and a birthday gave double occasion for celebrating for Iyla Kay Matthews, who was honored with a dinner by her mother, Mrs. Clark Matthews, Monday night in the Matthews home, 1800 West College Street.

Iyla Kay was a member of the class which received diplomas Tuesday night. Her birthday was postponed to the observance was combined with the graduation party.

Dinner was served at a table centered with Shasta daisies. Guests were Joan Glass, Joan Montgomery, Velda Pigg and Dorothy Glass.

**BROIL TOMATO HALVES**  
Before broiling tomato halves, sprinkle them with finely crushed cracker crumbs that have been mixed with melted butter or margarine.

Hand lotion, sun lotion, hair nets, skin-freshing pads, sun glasses, tissues, comb and brush, an extra pair of clean white gloves and extra stockings.

Best choice of traveling clothes for the vacationer-on-wheels, says Miss Lane, is a three-piece dark cotton play suit which combines hand lotion, sun lotion, hair nets, skin-freshing pads, sun glasses, tissues, comb and brush, an extra pair of clean white gloves and extra stockings.

Plans were discussed for sending representatives to the Audubon Camp which garden clubs of the state support.

Present at the meeting were the new officers and Mrs. A. L. Gill, Mrs. R. E. Gillespie, Mrs. H. E. Bahr, Mrs. A. P. Shurey, Mrs. Dewitt Haskin, Mrs. Ann L. Smith, Mrs. Ed Shakely and Mrs. W. H. Black.

**FROM SAN ANGELO**  
Jim Carl, San Angelo newspaper man, is attending Midland's 15th Annual World Championship Rodeo.

The dinner hour at the Midland Petroleum Club has been changed from 6:30 p. m. to 5 p. m. during rodeo week only, Manager Dan Hudson announced Thursday.

The change was made for the convenience of members who may wish to attend the evening rodeo performances.

Called meeting of the Midland Council of Garden Clubs was held in the home of the chairman, Mrs. J. D. Dillard, Wednesday morning to complete the selection of officers for a year which will begin officially in the Fall.

**AAUW To End Year With Picnic Supper.**  
A picnic supper at the Midland Officers Club building Friday night will be the last regular meeting of the season for the American Association of University Women.

Members, their husbands and other guests will be entertained with the supper beginning at 7 p.m. and games afterward. The AAUW branch completed its program meetings last month, and most of its interest groups have recessed for the Summer.

**Dinner Hour Changed At Petroleum Club**  
The dinner hour at the Midland Petroleum Club has been changed from 6:30 p. m. to 5 p. m. during rodeo week only, Manager Dan Hudson announced Thursday.

The change was made for the convenience of members who may wish to attend the evening rodeo performances.

**Offices Filled For Council**  
A called meeting of the Midland Council of Garden Clubs was held in the home of the chairman, Mrs. J. D. Dillard, Wednesday morning to complete the selection of officers for a year which will begin officially in the Fall.

Mrs. Waldo Leggett was elected as first vice chairman and Mrs. Winston Hull as second vice chairman. Mrs. Dillard appointed Mrs. Sam Preston to serve as secretary and Mrs. Willard Bumpass as treasurer.

Plans were discussed for sending representatives to the Audubon Camp which garden clubs of the state support.

Present at the meeting were the new officers and Mrs. A. L. Gill, Mrs. R. E. Gillespie, Mrs. H. E. Bahr, Mrs. A. P. Shurey, Mrs. Dewitt Haskin, Mrs. Ann L. Smith, Mrs. Ed Shakely and Mrs. W. H. Black.

**FROM SAN ANGELO**

## KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste  
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nervous headache, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give speedy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

## Duplicate Accents

Duplicating the white cuffs which come with a dress is easy to do when they are as crisply tailored as these of white pique.

By ALICIA HART  
NEA Staff Writer

A good imitative act which will win all-around applause is the one of copying the white pique touches that come with your navy blue dress or suit.

Making yourself a second set of these white accents will give you a quicker change from soiled to immaculately fresh collar and cuffs. Having a set of neckwear in reserve will also prove to be a boon when you haven't time to launder the original set.

To copy the white touches which give your dark dress its sparkle, buy the amount of fabric needed and use the original set as your pattern. Even the woman who is a novice with the needle will not encounter any difficulty in cutting and sewing accents so simple to make as a crisply tailored pique ascot or collar and a pair of matching cuffs.

## EAT PLENTY AND TAKE OFF UGLY FAT

When you buy Barcostrate, you buy a preparation for taking off weight. You do not pay for any printed diet or for vitamins to fortify you against weakness while on a starvation diet. You need never know a hungry moment while taking this preparation. Barcostrate is the original grapefruit juice pills for weight reduction.

Just go to your druggist and ask for four ounces of liquid Barcostrate. Pour this into a plain bottle and add enough grapefruit juice to fill bottle. Then take just two table-spoonfuls twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to take off ugly fat, return the empty bottle for your money back.

**Lost 56 pounds**  
Here is what Mrs. L. J. Bryant, P. O. Box 44, Whitesburg, Texas, wrote us: "I want to tell you what Barcostrate has done for me. I weighed 265 pounds when I started taking it. I now weigh 212."

"I have taken my dress size down from size 40 to 34 and never felt better in my life and everybody tells me how much I look like I did."

"I am still taking Barcostrate as I want to get my weight down to 166 or 170 pounds."

Damaging Sunday Punch

The Germans in the Soviet zone of Germany have delivered a damaging Sunday punch to the plans of their Russian overseers.

What was this rude setback? By Soviet admission, 34 per cent of the German voters in the Russian zone turned down a Communist-rigged list of delegates to a proposed nationwide Peoples Congress.

The ballot also stood as an expression for or against "German unity, a speedy peace treaty and withdrawal of all occupation troops."

The Russians plainly had counted on a favorable vote of perhaps 85 to 95 per cent. Following the pattern of totalitarian elections, the ballots gave voters no choice between candidates but merely a chance to say "yes" or "no" to a single, hand-picked list.

Confident of heavy German support gained through this dubious "democratic" procedure, the Soviet Union expected to appear at Paris as the champion of German unity, strong central government and removal of occupation armies.

The resounding defeat of these hopes was a bitter pill. Said one German Communist: "This is the greatest bankruptcy in the history of the party."

It was clear from the start of voting that matters were not going well for the Russians. First scattered returns showed that out of 7,000 votes cast, a comfortable majority had voted "no."

Finally the "official" results were announced. It is impossible to check them independently, but high German and western sources say that probably more than half the voters, instead of a third, voted "no."

But even the Russian account means 4,090,280 Germans had the courage to say "no." They said it in an atmosphere of terror.

One only can regret that courage of this high order was not put to better use in the earlier Germany, which submitted to Hitler's yoke.

One only can hope that this stout-hearted demonstration is indeed, as General Clay believes, a sign that Germans slowly are finding their way back toward the democratic fold.

You Never Can Tell

More than half a dozen government witnesses in the trial of 11 leading Communists have testified they were undercover agents for the FBI in the Communist Party.

One of the latest, a young bank employe, told the court he had attended a party meeting the very night before his testimony.

The case has reached the stage, however, where it would not be too great a surprise if one of the defendants himself took the stand and announced that he, too, was working for J. Edgar Hoover.

Remember How He Used To Win Every Scrap?

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1949, By The Bell Syndicate, Inc.) Drew Pearson says: Oil companies' price boosts need explanation; Acheson says this week is critical period in Big Four conference; New Mexican publisher writes letter re Forrestal suicide.

WASHINGTON — What is described as highway robbery in the price of gasoline has just been made the subject of a stinging Senate report, hitherto unpublished. On the basis of this report, Senator Maybank of South Carolina will call the major oil companies before his Banking and Currency Committee and ask them to explain price boosts.

What Senate investigators found was that the average motorist must pay an extra \$40 a year for the same amount of gasoline that he purchased in 1946. Yet the oil companies justify higher prices on the grounds that they are losing profits.

Regarding this, Senate investigators state in their so-far-confidential report: Zooming Profits The oil company profits for 1948 were so high as to exert a disproportionate influence on the general level of profits.

Paris Conference—Secretary of State Dean Acheson has called the week will be the critical period in the Big Four Foreign Ministers Conference. Both sides have been sparring up until now.

Talks With Vishinsky—Secretary Acheson has held two off-the-record meetings with Vishinsky—one short and one long—to talk over the Austrian peace treaty.

Czech Underground—A powerful underground movement has sprung up in Czechoslovakia which has the Communists worried. At least three well-organized guerrilla bands have been attacking Communist officials and police in the vicinity of Bratislava.

Mail Bag Robert McKinney, publisher of the Santa Fe New Mexican, writes as follows: "Dear Mr. Pearson: The shocking death by suicide

THE DOCTOR SAYS

Improper Elimination Of Waste From Kidneys Causes Uremia

By EDWIN P. JORDAN, M. D. Written for NEA Service When waste materials are not eliminated through the kidneys they build up in the blood and cause a condition known as uremia or uremic poisoning. Usually it is the result of some kind of kidney failure such as a long-lasting Bright's disease or nephritis.

A diagnosis can be made only after the blood has been examined chemically to find out whether the waste substances actually are increased. This chemical examination of the blood also helps to decide what treatment to use and what the outcome is likely to be.

The symptoms cannot easily be described. A vague "toxic" condition which becomes gradually worse is the rule. Victims of uremia are especially susceptible to infections, which can lead to complications.

Treatment depends on what is preventing the elimination of poisonous wastes and how far it has progressed. In general, when the cause is due to the kidneys the only measures which can be taken are those which will aid the kidneys in elimination.

The best time to attack uremia, of course, is long before it develops. If the Bright's disease or other cause of uremia can be prevented, the condition will not occur.

McKenney on Bridge

By WILLIAM E. MCKENNEY American's Card Authority Written For NEA Service

Just recently some friends of ours were leaving their home for a vacation. The man saw to it that he had his fishing reel, some cash and his old clothes.

Then he sat in the front seat of the car wondering why the delay, but his wife, she made sure there was no milk left in the icebox to sour. Her plants had been left with the neighbors, and she even checked up on the toppers in the bathroom and kitchen sink.

One evening when I was playing bridge I compared that little demonstration to today's hand. I think that South's bid was a little bold, but then women like to bid and take chances and if

Bridge hand diagram showing cards in each suit (Spades, Hearts, Diamonds, Clubs) and a Dealer position.

Lesson Hand—Neither vul. South West North East 2♠ Pass 2♥ Pass 3♠ Pass 3♥ Pass 4♠ Pass 4♥ Pass 7♦ Opening—4♣

they go down, that is just one they miss. However, had this young lady who played today's hand been as meticulous about counting her tricks and checking up on the different possibilities, as the young woman I had seen leaving for her vacation, she would have made her contract.

Let her win the first trick with the king of clubs, but now she should stop and think. She can take the spade finesse, but why not leave that until last. Supposing she leads the ten of diamonds and overtakes it with the jack in dummy. Ruff a small heart with the ace of diamonds. Lead the eight of diamonds, overtake with the nine spot in dummy, and all the diamonds have been picked up.

Let her cash the ace and king of hearts, discarding two spades. When the ten of hearts falls, she now has reason to believe that the suit will break. She should now ruff a small heart with the six of diamonds. Play the deuce of diamonds and overtake with the three spot in dummy and the queen of spades can be discarded on the good heart.

WASHINGTON COLUMN

Lilienthal Probe May Lead To Revision Of Atomic Law

By PETER EDSON NEA Washington Correspondent

WASHINGTON—Atomic Energy Commission Chairman David E. Lilienthal will be investigated on two principal counts. One is his personnel policy and the other is his security policy.

The first covers the granting of a fellowship to young Hans Friestad of University of North Carolina, an avowed Communist. The second covers inability to account for one-eighth ounce of uranium oxide and the bottle which contained it.

These charges are a good bit like demanding the removal of Henry Ford II as head of his company because eight automobiles are missing and because his grandfather once hired R. J. Thomas, the left-wing United Auto Workers official.

If Iowa Republican Senator Bourke B. Hickenlooper had reread the atomic energy law of 1946 and if he had more closely examined Lilienthal's personnel and security policies, he might not be so far out on the end of what now looks like a rotten limb case.

Section 10 of the atomic energy law requires that no individual "shall have access to restricted data until the Federal Bureau of Investigation shall have made an investigation and report to the commission on the character, associations and loyalty of such individual and the commission shall have determined that permitting such person to have access to such restricted data will not endanger the common defense or security."

Note that the restriction is placed only on those individuals who "shall have access to restricted data." Hans Friestad was not to have access to restricted data. So the law did not cover his case.

Where Was Hickenlooper? This may show that the law needs amending to correct this weakness and to require FBI loyalty investigations of everyone even remotely connected with AEC work. If this is so, however, the fault does not lie with Chairman Lilienthal. It lies with the lawmakers.

Where Was Hickenlooper? This may show that the law needs amending to correct this weakness and to require FBI loyalty investigations of everyone even remotely connected with AEC work. If this is so, however, the fault does not lie with Chairman Lilienthal. It lies with the lawmakers.

The U. S. atomic energy "industry" now has about 68,500 employees. The largest numbers work in five major areas—Oak Ridge, Hanford, Los Alamos, the Argonne Laboratory at University of Chicago, and Washington. In all, there are now 1,270 separate plants, laboratories and other installations in 41 states, Canada and Elinewok.

Of the 68,500 employees, 64,000 are employed by private enterprise concerns under contract to do certain work for AEC. Only 4,500 are directly employed by the government. Of these, 1,800 are the security employees—the guards who watch the other 6,700. Of the remaining 2,700 government AEC employes, about half are women on clerical work. Of the approximately 1,350 men, about 700 have Bachelor of Science or higher degrees.

The 4,500 government employes have all been screened and re-screened. AEC has no investigative staff of its own. FBI does all this work clearing for the employes as well as government. For the last two years FBI has been required to make about 5,000 personnel investigations a month, just to keep the total working force at around 70,000.

Handling these clearances amounting to almost 200 a day is obviously a full-time job in itself. About a fourth of them—or 50 a day—will turn up some derogatory information. Of these an average of 48 will be bad-character cases. They will be the drunks, wife-beaters or screwballs. They would make bad employes in a hardware store or a cobbler's shop for the same reasons they were involved. So they aren't hired. The other two per cent, or about

Wherever religious liberties have been suppressed, wherever men and women have been driven to worship in secret and under the pall of governmental suspicion, there has been a loss not only of religious liberties but of other liberties which we cherish in America. —Vice President Barkley.

RIGHT WAY: Answer it whether you send an acceptance or regret.

GENERAL CLAY INVITED TO VISIT LAKE TEXOMA DENISON, Texas. Beauford Jester has joined in inviting Gen. Lucius D. Clay, retired U. S. military governor in Germany, to Lake Texoma.

Whole has been invited so the whole Southwest can pay tribute to him as builder of the Denison Dam.

over area. A few more, and her feet were stinging lead. She tripped, fell heavily. She got up with the aid of the shovel, left it as she stumbled on.

The earth trembled beneath her aching body. In a few seconds a dull rumbling came to her.

"Thunder," she muttered looking in the direction of the sound. She knew at once it was not thunder.

BEYOND the main house, from the cove and lower storerooms, flames were leaping high into the air. Gasoline-fed flames. The house, the squatting water tower, spade, silhouette against their brightness.

As Bea started the house lifted into the air. It moved slowly, in one piece. As it settled back, it disintegrated.

The earth trembled beneath her again, a heavier jar. Concussion pushed at her. There was no sign now of the house or tower.

She was suddenly conscious of growing light near by. She turned quickly to face intense heat. The main flames had jumped the back-fence. They were joining into a new solid front.

Bea forced herself to her feet, ran as she could see others running toward the rock outcrop. The scant check of the charred path gave them a few precious minutes to race along the fire's face toward shelter.

It was a near thing for some. A spending of the last strength of desperation for others. And for a time they had to fight for even their scant margin of safety, had to beat encroaching flames running along paths of grass.

Then the main fire was past. It swept down the island, roaring and chucking again, apparently unchecked by the slowly increasing rain. Its brilliance merged with the leaping flames from the cove.

ISLAND OF ESCAPE

By Hugh Lawrence Nelson

THE STORY: Bea Cosgrove, a widow, was sitting at Lily Warren's death bed and Fred Silwell that the silhouette of the other Speare Islanders.

Henry Harding almost knocked Mabel Jones down as he burst into the main room. He carried a 30-30 rifle.

"Silwell. Stand away from the others. I'll kill you for lighting a fire in this wind."

"It didn't," Fred said quickly. "No one could see it in the murk. Why and how could I light it now?"

"It's no beacon," Bascombe said. "It's a fire in the long grass and the brush. It's growing fast."

Henry Harding struck his shovel upright in the ground, put his long flashlight on a rock so its beam stabbed toward the opposite side of the island. "We'll backfire here." He had to shout to make himself heard.

The others were breathless and gasping from the long run with their tools and equipment.

"Make grass bundles," Harding commanded. He showed them how to twist the tough, long-stemmed grass into compact brown masses that burned fiercely when he lit them with his board of matches. He showed them how to scatter

Questions and Answers

Q—Was there ever a real Dick Turpin? A—Richard Turpin, commonly called Dick Turpin, was an English robber and highwayman who lived from 1720 to 1739.

Q—How fast does a bomb travel when it drops from an airplane? A—Owing to the resistance of the air, it takes about 19 seconds for a bomb to reach the earth when dropped from an airplane a mile high.

Q—What is meant by Upper and Lower Lake Regions? A—The Upper Lake Region comprises the territory surrounding Lake Michigan, Lake Huron and Lake Superior, while the Lower Lake Region is the area around Lake Erie and Lake Ontario.

**Gunmen Captured After Battle**

Officer at left covers holdup suspects while special guards from two Lynwood, Calif., stores apply handcuffs to gunmen who were flushed from a supermarket by store guards. The bandits were captured in a blazing gun battle after an attempted stickup of the store.

**World's First Lady Of Farms To Be Relations Consultant**

**ACKWORTH, IOWA**—An Iowa farm wife—the world's first lady of farms—will spend the next two months acting as consultant for the department of social and cultural relations of the United States Army's occupation forces.

She is Mrs. Raymond Sayre of Ackworth, president of the Associated Country Women of the World. She also has important posts with two sub-organizations of the United Nations.

A 53-year-old housewife and mother, Mrs. Sayre is going to check in conditions in farm homes in the American sector of Western Germany. She also will meet with women of the Landsfrau Verein, the German affiliate of the Associated Country Women of the World.

At home in the kitchen or doing outdoor chores, Mrs. Sayre is convinced farm life has virtues not found in city life. She says things ever, "Husband and wife living on a farm naturally have the same interests—all that goes on at the farm is of mutual concern. Our farm is our home and our business. We talk things over, reach our decisions together.

"In city homes, so many wives know nothing about their husbands' work except how much money they bring home.

"Living here, we have all the advantages of city life, none of the disadvantages. We can look at the view in any direction."

The Sayres live in a roomy, modern home. They have four children, but only one, 14-year-old John, still lives at home.

Bill, their oldest son, a graduate

of Iowa State College last June, is now his father's partner on the farm. Bill is married and has his own house nearby.

The daughters are Mrs. George R. Coolidge, Jr., of Framingham, Mass., and Alice, who is employed by the U. S. Intelligence agency in London, England.

Among the family pictures in the Sayre living room, one in which Mrs. Sayre takes the usual grandmotherly pride is that of healthy-looking George Ruggles Coolidge, III, son of their daughter, Helen, in Framingham.

Because of her extensive traveling, Mrs. Sayre says she is home about one week out of three.

"I allow one or two days for the heavy housework, like washing and ironing and cleaning. Then I devote a couple of days to desk work.

"I first get my files organized, then call in a girl to take letters. I couldn't operate without a schedule—I've got the whole family doing it now."

Mrs. Sayre is proud of her remodeled red and white kitchen. She planned the changes and supervised the work after extensive study of plans in magazines and conferences with college extension experts. A doorway was moved, a window taken out and cabinets installed.

Of the things she has collected from all over the world, her favorite is her antique Staffordshire china. The dainty china pieces, etched in light blue, have been collected from far and near.

Her husband is an active farmer, with special interests in sheep. Besides operating the 600-acre home farm, he supervises six other farms. He is vice president of the Iowa Purebred Sheep Breeders' Association and holds offices in other sheepmen's groups. He has a flock of 600 head of sheep, 150 of them purebred Hampshires.

Mrs. Sayre's growth as a leader among farm women has moved steadily from an Iowa township to the world stage in the last 30 years. She began working when extension services first started, was elected to county office, then for 10 years was chairman of the women's committee of the Iowa farm bureau.

Mrs. Sayre's affiliations are: President of the Associated Women of the American Farm Bureau Federation; member of the Rural Welfare Advisory Committee of the Food and Agricultural organization of the United Nations; member of the Agricultural committee of the National Planning Association and American Farm Bureau Representative on the National Commission for UNESCO.

**Good Looker**

**Midwest Tornadoes Injure 14 Persons**

**CHICAGO**—Fourteen persons were injured and several farm homes were destroyed Wednesday as tornadoes skipped over areas in four Midwest states.

The small twisters hit rural areas of Southwestern Iowa, Northwestern Missouri, Northeastern Kansas and Southeastern Nebraska. Eleven persons in the vicinity of Turkio, Mo., were injured, while the twister which hit near Essex, Iowa, injured a family of three.

The tornadoic winds followed thunderstorms over Midwest states.

**Top Japanese Author Calmly Awaits Death**

**TOKYO**—(P)—These are golden days for a frail little Japanese doctor who awaits death in a tiny hut on Nagasaki hill. Each hour is precious, for it brings word of his skyrocketing influence as Japan's most popular author-doctor.

Before 1945 Dr. Takashi Nagai was virtually unknown. Today three of his books are first, third and seventh on Japan's best-seller list. A fourth, which has just reached the stands, already is 12th.

What may be his final work is now in the hands of a publisher. Dr. Nagai was a professor at Nagasaki medical college. His field was rays. His experiments over 20 years had exposed him to radiation which medical experts told him would doom him to an early death. Serene in his adopted Catholicism, he continued his teaching and work. Then on the morning of Aug. 9, 1945, the atom burst on Nagasaki as Dr. Nagai was teaching in his classroom.

His wife was killed and his home vanished. His school was destroyed, and he suffered severe burns on the right side. The death of which he already had been warned was brought close and made certain.

Dr. Nagai donated his blood to researchers in efforts to save the lives of bomb radiation victims. He personally visited the injured until he was weak to resist orders to bed. Doctors now say he may live through the Summer, perhaps into autumn.

Unable to continue visiting the dying to tell of his faith in a hereafter, his hatred of war and his belief in the brotherhood of man, Dr. Nagai decided to write his views. His first published book was "Leaving These Children Behind," a collection of essays on Christianity, the atom bomb and his two small children, who were not in Nagasaki when the bomb fell, and thus escaped.

This book has sold more than 200,000 copies and tops Japan's best sellers. Dr. Nagai's first book was "Beats of Nagasaki," which was published last January, three years after a publisher had accepted it. "Beats of the Rosary" and "River of Life" are his two other works.

Despite ever-increasing royalties, he has not altered his simple living habits. He draws only enough money for daily expenses. The rest goes into a fund for rebuilding the destroyed cathedral, a children's library and a beautification program for his beloved Nagasaki.

**Red Sailors Warned 'Beware Of Spies'**

**MOSCOW**—(P)—A recent lead editorial in "Red Fleet" told Soviet sailors to beware of foreign spies.

The editorial declared that "agents of foreign intelligence services are attempting to obtain various information; in particular, information on the armed forces of our country." It said that the "very character of military service obliges every soldier, sailor and officer to be always watchful and on guard."

"Red Fleet" added that "for enemy agents, any—even the most insignificant information—has interest" and explained that "from details the large picture is built up."

"Red Fleet" declared that "enemy agents especially are on the lookout for people who are morally unstable and who are sympathetic before things foreign, for allphod persons and gossips."

The enemy, the paper said, uses widely the weapon of "bourgeois cosmopolitanism" attempting to weaken Soviet people and undermine their Soviet patriotism.

It is a mistake, declared the editorial, to think that only when a sailor is on watch must he be on the lookout. He must all the time exercise his care and be vigilant, on or off duty.

The editorial concluded: "The minister of the armed forces obliges all Soviet warriors to be always in battle readiness. And battle readiness presupposes also high vigilance. It is the duty of Soviet naval personnel to vigilantly and ably protect the sea boundaries of our country of socialism. This demand of the motherland is a sacred law for every warrior of the Soviet navy."

HOBERT, OKLA.—(P)—Charlie Klein is going to learn to control his enthusiasm when it comes to promoting civic projects.

In his column for the Hobart Democratic-Chief, he innocently remarked that as part of clean up week, he might go so far as to help his landlady with some of the chores around the house.

When Klein got home, his landlady had a long list of things for him to do around the house.

**Order Returns To Riot-Torn Bolivia**

**LA PAZ, BOLIVIA**—(P)—Order appeared to be returning slowly Thursday to riot-torn Bolivia, but her rich tin mines remained shut and sympathy strikes continued to spread.

Officials at the Patino Mines said 40 persons were killed and 83 injured in the four days of bloody rioting which followed the mine strikes, called to protest "government pressure" on Bolivia's labor unions.

Violence abated as reports were received that the army had the situation under control.

The bodies of two American mining engineers killed in the riots are to be flown to the United States Friday. They are T. J. H. O'Connor, of Pasadena, Calif., and Albert Krefting of Seattle, Wash.

Officials at the Patino Mines said 40 persons were killed and 83 injured in the four days of bloody rioting which followed the mine strikes, called to protest "government pressure" on Bolivia's labor unions.

Violence abated as reports were received that the army had the situation under control.

**Chow Line Called Mighty As A-Bomb**

**NORFOLK, VA.**—(P)—The United States' chow line is "as great a military weapon as the atomic bomb ever will be," according to Dr. Berton S. Clark.

The re-elected president of the Association of the Quartermaster Food and Container Institute says this country's ability to feed vast overseas armies was one of its decisive weapons in World War II. "A-bombs or no A-bombs," says Dr. Clark, who is research director of the American C & N Company, "the millions of men fighting in distant points of the world still have to be fed."

**HERE IS MORE Proof**  
From Your Texas Neighbors **THAT YOU CAN TAKE OFF Ugly Fat**

IT'S SIMPLE. IT'S AMAZING, how quickly one may lose pounds of bulky unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonfuls twice a day. That's all there is to it.

If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. You don't have to starve yourself; eat sensibly according to instructions on bottle. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Notice how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

**NOTHING HARMFUL IN BARCENTRATE**  
Barcentrate is the original grapefruit juice recipe for taking off weight. No starvation diet. No diet list to pay for. No vitamins to fortify you against hunger for you won't be hungry. Ask your doctor about the Barcentrate formula. Barcentrate contains: Sassafras, Oregon Grape-root, Senna Leaves, Prickly Ash Bark, Cascara, Magnesium Sulphate, Saccharin, Sodium Benzoate. **LOWEST IN PRICE—HIGHEST IN RESULTS.**

**OVER ONE AND THREE-FOURTHS MILLION BOTTLES SOLD IN TEXAS**

**LOST 70 POUNDS**  
"I have gotten wonderful results taking Barcentrate," writes Lucile Eastman, Houston, Texas. "I started weighing 230 pounds. I have weighed 130, a total loss of 70 pounds. I feel like a new girl and am glad to recommend Barcentrate very highly to anyone."

**NOT A HUNGRY MOMENT**  
Mrs. W. J. Burns, 2823 Falls Drive, Dallas, Texas, writes on 11/11/45: "I gladly recommend Barcentrate to anyone overweight, because it has given such a healthy, happy feeling to me. The dieting and hair-dieging I was overweight, full stomach and ran down. I have already lost 7 pounds and I expect to lose many more. I had Barcentrate a good while ago. I now keep my weight normal with Barcentrate."

**22 POUNDS GONE**  
"I used to recommend Barcentrate to anyone who was overweight," writes Mrs. E. L. Wood, 1011 Houston Street, San Antonio, Texas. "Since taking Barcentrate I feel like a different person. I lost 22 pounds. I also had a good bladder condition and had a good sleep. Since taking Barcentrate, the trouble is completely relieved. The water I drink is so light."

**48 POUNDS LOST**  
Mrs. Myrtle Thompson, 224 South Hamilton Road, Dallas 11, Texas, writes on 11/11/45: "I highly endorse Barcentrate for reducing and good health. The very first bottle helped me to lose weight. I have kept my weight down from 124 pounds to 76. I have not dieted a day since I started taking it. I eat my rich foods I want and don't put a pound extra on my body. I also feel I have a medicine for constipation and gas on stomach. Keeps my weight down and I never go hungry."

**NO STARVING**  
"I am well pleased with Barcentrate," writes Mrs. M. O. Henshaw, Route 2, Box 227, Sherman, Texas. "I lost 20 pounds but will keep on taking it for my health's sake on I feel so good and I don't go without any of my favorite foods."

**LOST 20 POUNDS**  
"I am unable to give you a list of names of persons who have taken Barcentrate," writes Mrs. Beatrice Bryant, 1425 South 13th, Waco, Texas. "I have lost 20 pounds and find that it is a sure way to keep my weight down."

**LOST 30 POUNDS**  
"Before taking Barcentrate I weighed 180 pounds. I now weigh 150. I find that it keeps me regular and contented. I have never felt out of shape since my diet, but taking Barcentrate, I do not desire so much heavy food. I have tried different reducing aids, but found Barcentrate the most satisfactory. It is not necessary to lose weight. You can eat those foods you love and still lose weight. I feel so much better since I took some of these extra pounds."

**LOSES 18 POUNDS**  
"I have lost 18 pounds since I started taking Barcentrate," writes Mrs. Irene Barnes, 715 Hamilton Street, Fort Worth, Texas. "I am full of energy and feel like a new person. I have lost 18 pounds. I feel so much better since I took some of these extra pounds."

**NO DIETING**  
Mrs. E. P. McVey, 1600 Avenue H, Beaumont, Texas, writes on 11/11/45: "Barcentrate has helped me so much. I have lost 30 pounds without dieting. I feel so much better and I would not be without it. I shall always praise Barcentrate."

Posing for university yearbook portrait, members of the Cornell Crew Club make like old-timers. They are varsity and jayvee lettermen.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JUNE 2, 1949

## Ballinger Smacks Indians In Opener

The skidding Midland Indians try again in Ballinger Thursday night when they meet the Ballinger Cats in the second of a three-game series.

Ernie Nelson is the probable starting hurler for Midland.

BALLINGER—Glenn Patton threw two home run balls here Wednesday night and two of Ballinger's Cats promptly poled them for four bases to lead the Cats to a 7 to 2 victory over the Tribe. Johnnie Jones, Ballinger rightfielder, and Pinky Higgins, centerfielder, clouted the homers, both of them scoring with a man on base.

That was all the Cats needed for a win. Midland was able to salvage only two runs on seven hits. They

### MAJOR LEAGUES—

## Raschi, Trucks Bid For Bobby Feller's Berth As Game's Top Righthander

Who's the No. 1 righthander of the American League, now that Bobby Feller has started to slip? Vic Raschi, strong-armed New York Yankee ace, and Virgil Trucks, Detroit speedster, look like the leading candidates.

Feller isn't finished. He showed enough Wednesday night in losing a 3-1 decision to Boston to prove that. But even Bobby admits he's not as good as he used to be.

Raschi put in a solid claim with his three-hit shutout of the Chicago White Sox Wednesday night 3-0. It was his seventh victory to one loss. Trucks survived a shaky start to subdue the Philadelphia A's in 10 innings 5-4 for his seventh win. He has been beaten twice.

The brilliant job on the White Sox was Raschi's third shutout of the season, more than any other pitcher in the league. Only his wild-pitch homer was an inside-the-park job.

The Indians played well in the field, committing only one error but they didn't have the punch at the plate.

Crippled Warren Sitter was the only man to collect two hits for Midland.

Carroll Nipp got credit for a run batted in on his only hit of the night.

Manager Harold Webb rejoined the Indians Wednesday before they departed for Ballinger.

### Robinson Puts Title On Line July 11

PHILADELPHIA — (AP) — Sugar Ray Robinson, possessor of one of the ring's greatest records, puts his welterweight crown on the line for the first time in a year at Philadelphia's Municipal Stadium July 11.

The 147-pound champion and Cuba's Kid Gavilan Wednesday fixed their signatures to a contract calling for 15 rounds or less under the promotion of the Philadelphia Arena, Inc.

A title engagement had been sought between Robinson and Gavilan ever since the champion noosed out the scrapping Cuban in a 10-round non-title affair in New York last summer.

The umpire reported to Morris that McDonnold and Peel walked into the umpires' room, police-man has no business in an umpire's dressing room, especially when out of uniform," Morris said.

McDonnold said the fans were sore because of "some raw umpire's decisions." Temple lost to Austin both Friday and Saturday nights.

Morris played baseball in every classification from D to the majors, once was president of the Texas League, once headed three leagues at one time and now is president of two—the Big State and East Texas.

In 1946, while president of the Evangeline League, he had five men banned from baseball following an investigation of gambling. That year he assessed 25 fines and a dozen suspensions. He was almost as severe last season. "This year he already has meted out a dozen fines, mostly for profanity. "They can't cuss in my blankety-blank ball parks," he always says.

### Winkler Golf Meet Slated This Week

KERMIT—Qualifying rounds for the Winkler County Country Club invitational golf tournament are in progress this week, and first and second round matches will be played Saturday. Semi-finals and finals are slated Sunday.

Tournament Chairman Elmo Glass said several special events are scheduled for the weekend, including a long-driving contest at 8:30 p.m. Friday. A barbecue and Calcutta pool will be held Friday night at the clubhouse, and the tournament dance is scheduled for the same place Saturday night.

Friday's lowest qualifier will be tournament medalist. All players in the championship flight must qualify on 18 holes at the local course, meet officials said.

## San Angelo Colts Grab Third Place By Jolting Odessa

The battle for third place features the Longhorn League race. No club is close to the two leaders—Big Spring and Vernon, who are three games apart.

Wednesday night San Angelo beat Odessa 12-5 to break a tie for the third spot.

Big Spring downed Sweetwater 7-0 while Vernon was dusting off Roswell 7-4.

San Angelo got four runs in the fourth with a home run by Wayne Wallace topping the attack and Odessa never could catch up.

Freddy Rodriguez allowed Sweetwater only five hits in Big Spring's triumph as Bert Hernandez brought an early decision with a two-run homer in the third.

Vernon tallied four runs in the eighth to beat Roswell, getting them on four straight hits.

Ballinger defeated Midland 7-2 with Roberto Rodriguez holding the Indians to seven hits and fanning 11.

Willard Marshall's 400-foot homer and Sid Gordon's triple helped the Clants come from behind to defeat Chicago's Emil Kush 11-5.

The Phillies scored twice in the tenth to down Cincinnati 4-3. An error by Red Stallcup allowed the tying run to score in the extra inning.

BY SHORTHY SHELburnE

Things are beginning to develop for the Midland Indians, the first of which may turn out good and it may not.

Manager Harold Webb Wednesday announced that shortly he will go on the active list to relieve little Kenny Jones behind the plate for a few days. It's nothing permanent but just a temporary move to give Jones some rest.

Webb knows he can't do the job as a regular but he still has enough stuff to fill in once in a while.

Webb also announced the proposed signing of a rookie third baseman and a class man who can catch and play the outfield.

The rookie is being acquired through the Oklahoma City Indians and the veteran is coming through Tex Jeans at Longview.

Webb says both are highly recommended. He thinks highly of the class man because he is a long ball hitter and probably can add the needed batting punch.

The Skipper says he has plenty more help spotted if the Indians need it.

### Texas League—

## Dallas Gains Game On Field As Cats, Missions Drop Tilts

Dallas' Eagles, who gathered themselves on the brink of the precipice, so to speak, have taken the heat off themselves by pushing three games ahead of the field in the riotous Texas League race.

Dallas was one of the few clubs in baseball history to be leading the loop and the fans hollering for the manager's scalp. The reason was that the Eagles made a big splash at the beginning and when the slump came the contrast was too much.

The Eagles still are skimming through and using the entire pitching staff every game but the big bats never have been silenced long enough that the issue has been left up to the hurlers.

Wednesday night Dallas managed to nose out Tulsa 9-3 as six Eagle twirlers paraded a Big eighth inning featured by Leo Wells' three-run homer brought Dallas in ahead. Tulsa used five pitchers in the scorekeeper's nightmare.

San Antonio lost to lowly Beaumont 2-1 and the third-place Port Worth Cats fell to Oklahoma City 5-3 while Shreveport and Houston split a double-header. Thus all was to the good for Dallas.

Gale Pringle pitched a one-hitter in Beaumont's decision over San Antonio. If Pitcher Earl Reid hadn't beaten out a bunt planned as a sacrifice hit, Pringle would have entered the hall of no-hit fame.

Mickey Burnett was the hero in Oklahoma City's victory over Port Worth. He hit a homer with the bases full in the second inning and Port Worth never could catch up.

George Zuerich and Jack Hallett gave the Cat only five hits.

The Shreveport - Houston twin bill was a battle of home runs. Exciting seven circuits resounded during the evening. Bruce Hamner allowed a two-hitter in pitching Shreveport to a 9-1 victory in the first game. Wayne McClelland twirled a six-hitter in the nightcap to beat Shreveport 7-3.

### Churchill Bowling Team

These bowlers are members of one of the top teams entered in the Summer Bowling League at Plamor Palace. Left to right, standing: C. A. Churchill, Don Emmert, Charles Hyatt, Frank E. McQuaig and Jimmy Alexander; front row: Vic Ogden, Maurice Crawley and R. A. Hunter. The team is sponsored by Churchill Distributing Company.

## Fine-Slapping J. Walter Morris Runs Two Baseball Leagues Like Corporation Court

By HAROLD V. RATLIFF

DALLAS — (AP) — Piery J. Walter Morris, who runs his baseball leagues like a corporation court judge, has set Monday as the deadline for a peace officer to pay a fine for shoving an umpire.

Morris, who has been in baseball 50 years and is noted for the many penalties meted out to players and managers, did something new to the game Wednesday. He slapped a \$100 fine on W. M. McDonnold, chief of police at Temple.

Morris said if McDonnold didn't pay the money the Temple club of the Big State League would have to. "Temple must furnish proper police protection for my umpires," he explained.

Along with announcement of the fine against McDonnold, Morris also said, in a letter to the Temple club, that he was firing his general manager, Homer Peel, \$500 for being present when the shoving occurred.

The incident happened Saturday night. McDonnold, mad as a hornet about it, said he wouldn't pay. "I helped save that umpire from a mob of angry fans," he declared, explaining that he and other officers escorted the umpire to their dressing room but that one of them, Neis Pearson, stood outside and argued with Peel. "Finally, just to save him from the fans, I gave him a little push to get him through the door," McDonnold said.

Fans Sore At Decisions

The umpire reported to Morris that McDonnold and Peel walked into the umpires' room, policeman has no business in an umpire's dressing room, especially when out of uniform," Morris said.

McDonnold said the fans were sore because of "some raw umpire's decisions." Temple lost to Austin both Friday and Saturday nights.

Morris played baseball in every classification from D to the majors, once was president of the Texas League, once headed three leagues at one time and now is president of two—the Big State and East Texas.

In 1946, while president of the Evangeline League, he had five men banned from baseball following an investigation of gambling. That year he assessed 25 fines and a dozen suspensions. He was almost as severe last season. "This year he already has meted out a dozen fines, mostly for profanity. "They can't cuss in my blankety-blank ball parks," he always says.

# Round Two Thursday

(Continued from Page 1)  
 timekeepers: T. N. Sloan, Gordon Holcomb and O. J. Hubbard, in charge of the grandstand.  
 John P. Butler and John B. Mills were in charge of advance ticket sales. T. Paul Barron was parade chairman. J. T. Baker handles gates and tickets. Bill Collins and Delbert Downing served as advertising leaders.

The Midland Junior Chamber of Commerce is in charge of concessions. The Midland Sheriff's Force is handling grounds and parking. Dunning Sales' loud-speaker system is being used.

KCBS is giving radio coverage. The Reporter-Telegram is giving newspaper coverage. Guest news-men Wednesday night included Frank Reeves of the Fort Worth Star-Telegram, veteran writer of "The Chuck Wagon" and Jim Carril of the San Angelo Standard-Times.

Rodeo music is furnished by the Hardin-Simmons Cowboy Band and the Midland High School Band will play for Sunday's final performance.

George Mills, famed dare-devil clown of rodeo, is back again and in rare form. He takes dozens of chances with his life each night. Wednesday night was no exception. Bareback Broncs Easy

The contestants found the bareback broncs pretty easy to fork Wednesday night. Wag Blessing of Glendale, Calif., rode "Vacation," Harry Tompkins of Vinita, Okla., in a good ride, stayed aboard "GI Joe." Lee Harris of Houston rode "White Ghost." His was a good ride. Booker Barwell of Bandera stayed on "Baldy." A horse called "Tepee" threw Frank Smith of Phoenix, Ariz., quieted "Revolution."

It was a ride for Tater Decker of Roswell, N. M., and Wag Blessing of Glendale, Calif., turned in one of the better rides of the night on "Half Pint." Manuel Enos of Fort Worth forked "Tall Cedars" for the full time. Larry Finley of Phoenix, Ariz., posted a good ride on "Speckled Bird." Bill Barton of Abilene stayed aboard "Rusty" in a good display. "City Slicker" tossed Wart Baughman of Archer City. Andy Penton of Odessa rode "Ray Mags" well.

The Lindner C Ranch Horseback Quadrille performed square dancing on horses. All couples were matched. Extras were Everett Colborn on Blaze and Rosemary Colborn on Stockings. Couples were: Alvin Gordon and Fay Klumwood on white horses; Pete Kerscher and Faye Blessing on black horses; Tater Decker and Norma Shoulders on sorrel horses; Lanham Riley and

# Donnie Woodard Is Given Good Chance In Fight For Life

VERNON —(AP)—Donnie Woodard weakened again Thursday and doctors tried again to give him a blood transfusion.

VERNON —(AP)—Donnie Woodard fussed at his nurses and they loved him for it. It meant he might have won his fight for life.

Wednesday night, was extremely critical for the 10-year-old farm boy burned over 70 per cent of his body. It was the last phase of a period doctors said could be a turning point in his grim, 22-day battle to survive third-degree burns.

He's just as fine as could possibly be expected," said a hospital attendant. "He's fussing at his nurses—and that's a good indication he's feeling pretty good."

At one period Wednesday Donnie sank fast. A quick blood transfusion snapped him out of the sinking spell and he seemed to improve.

"He's taking nourishment—and it is doing him some good," an attendant said. "This doesn't mean he's entirely well, or that he is out of danger. But it is very encouraging."

Hundreds of persons have contributed to a fund to pay Donnie's hospital bills. One, Mrs. Margaret Hutchinson of Texarkana, has promised him a pony. That's a big reason to live for Donnie.

# 'Nothing Doing,' Says Economy Leader Of Proposed Salary Cut

WASHINGTON —(AP)—Senator Bridges (R-NH), one of the leaders of the current economy drive, branded as "ridiculous" Thursday a suggestion congressmen take a five per cent pay cut to help cut government costs.

At the same time Bridges agreed with Senator McCarty (R-Wis) that Congress should remain in session "until Christmas, if necessary" to consider \$3,000,000 of savings in government costs proposed by former President Hoover.

Bridges, former chairman of the Senate Appropriations Committee, testified before the Senate Expenditures Committee in support of a resolution that would direct President Truman to balance the budget.

He said congress can do one of four things—"increase taxes, encourage deficit financing, simply drift along with the tide, or expenditures to the level of estimated revenues."

Bridges said press reports indicate Senator Tyding (D-Md), author of another proposal for cutting government costs, has suggested congressmen take a five per cent pay cut.

"I disagree with Senator Tydings," Bridges said emphatically. "I think it's ridiculous to ask that Congress take a five per cent cut in salaries. The cost of Congress is a very minor item and beside the point."

Senators pushing the economy drive had little to say about a veterans pension bill passed overwhelmingly Wednesday by the House.

Instead the Senators applauded action of their Appropriations Committee in whacking off nearly \$13,000,000 cash from operating funds voted by the House for the State and Justice Departments.

Senator Lucas said the pension bill probably will go to the Senate Finance Committee, which normally handles such matters. Its fate there is uncertain. Chairman George (D-Cal.) will be away from the Senate two weeks and any decision as to hearings or other Senate action will await his return.

# Survey—

(Continued from Page 1)  
 nomic surveys in every county it serves in Texas.

Dr. Robert W. French, director of the Bureau of Business Research, presented the Midland County Economic Survey. He emphasized daily reference use of the survey as one of its principal virtues.

J. J. Finegan, assistant to the president of the T&P styled the resources inventory as a "useful tool to help the T&P-served communities realize their economic future on a realistic basis."

Other T&P officials at the meeting included Bill Lynde, G. L. Brooks and George Daniel. "Economic Blueprint"

Dr. French explained that two years work was required on the survey which he described as an "economic blueprint" of Midland County. He said it is a broad outline and not limited to manufacturing opportunities and possibilities.

"Both the agreeable and disagreeable are included," he continued. "This survey is based on facts. It is accurate and no attempt was made to glid the lilly."

The study was concluded in the Spring of 1948. The information could be published as a booklet. "We have recorded the facts. It is the ammunition for you in your selling job," he told those attending the meeting. "There is work to be done and this is a call to go to work. The bureau will continue to cooperate in the work for your community's development."

"This book contains more information on Midland County than any other work published. It is a call to action. The railway was glad to have had a part in the preparation and completion of the survey."

"The T&P seeks to be a neighbor and a citizen of the communities it serves. We grow together. We hope this survey will be means or a tool in the economic and industrial development of Midland County and the surrounding area."

Thank T&P  
 Scruggs, Delbert Downing and M. C. Ulmer praised the T&P for financing the survey and the university for its cooperation.

"This survey is very valuable," Downing said.

Ulmer suggested that the Chamber of Commerce directors at their next meeting adopt a resolution thanking the T&P and the bureau for the fine work.

"It is a wonderful job," he added. "It is up to us to take advantage of the survey and to determine what is helpful to us."

In financing the survey, the railway was interested in bringing together all available material on the resources of the county which might be of use in establishing new business enterprises and expanding existing industries and businesses.

There are only seven players in the National League who have lifetime batting averages of more than 300.

# Salesmen Learn To Sell Again

BRIDLINGTON, ENGLAND —(AP)—The buyers' market has returned to England. But, say most merchants, it was gone so long most salesmen have forgotten how to sell.

To teach salesmen how to say something to customers other than "sorry, we are all out of that item," the local chamber of commerce has issued these 12 tips.

1. Always be neat.
2. The customer pleasantly because people just naturally avoid a sourpuss.
3. Be courteous instead of nosy, gossip or too friendly.
4. Refrain from flattery and goads, and the "soft soap."
5. Make friends with children and pets.
6. Be alert and anticipate the customer's needs.
7. Sell, don't high pressure customers.
8. Don't your best and don't kid yourself that you are getting by the "easy way."
9. Make friends by promptly handling complaints.
10. Be sure your sales story is sincere, but don't make it sound like a recitation.
11. Don't carry gossip. The customer reasons "if he gossips about other customers he probably will gossip about me."

# Georgia Teacher Claims Victory In Battle For Refund

ATLANTA —(AP)—A tired but plucky little teacher, still composed after a 53-hour sitdown strike, collected a \$25,788 from the state, but she had to quit her job to get it.

Dr. Willie Melmoth Bomar, the teacher, and the state's teacher retirement system her opponent, both claim a five per cent cut in salaries.

"I won," declared the 54-year-old Columbia University doctor of philosophy. She tucked the check in her pocketbook Wednesday and strode out of the office of J. L. Yaden, director of the retirement system.

"I won," sighed Yaden, who had borne the brunt of Dr. Bomar's strike tactics. "I followed the law."

The dark-haired spinster, author of four books and holder of three degrees, said she needed the money for medical treatment of cancer. She left immediately for the Mayo Clinic in Rochester, Minn.

# UN Answers Truman Call By Unveiling Huge Spending Plan

LAKE SUCCESS —(AP)—A plan for spending more than \$85,000,000 in two years to put new life into under-developed countries was unveiled by the United Nations Thursday.

The plan is the UN response to President Truman's call for a bold new program designed to spread technical know-how around the world and raise the standards of living. This program must be approved by the UN Economic and Social Council and by the UN General Assembly. It is not likely to get underway, even if only partially approved, until early in 1950.

The estimated cost of the technical assistance proposed in a 328-page report issued by UN Secretary General Trygve Lie would be \$35,862,276 the first year and \$50,079,807 the second year.

UN planners made no estimate of the cost for succeeding years, but emphasized that any economic program, to be effective, must be figured in decades.

The money would be raised through voluntary contributions from governments. No country would take part in any phase of the program if it did not desire.

In his inaugural address, Truman proposed a program for making benefits of our scientific advances and industrial progress available for the improvement and growth of under-developed areas.

The United States delegation to the UN Economic and Social Council next week will propose the plan and the heads of specialized agencies prepare a comprehensive plan for economic development through the UN and the agencies. The council agreed and the report issued Thursday is the result.

# For Excitement Richard Opens Up

MEMPHIS —(AP)—Richard just wouldn't open the door.

The boy of another son, Pvt. Talmadge H. Jackson, killed in action in the European Theater in 1944, has been in Abilene, awaiting reinterment since April 28.

The father has been critically ill several weeks. Once he weighed 150 pounds. Now he weighs 50.

# Cotton

NEW YORK —(AP)—Thursday noon cotton prices were 15 to 35 cents a bale higher than the previous close. July 23, 27, 28, 29, 30 and December 28, 29.

 Police here reported two minor traffic accidents Wednesday. Collision, with no personal injuries resulting, occurred at Rhode Island and McKinnis Streets and at Colorado and Missouri Streets.

TO ATTEND FUNERAL  
 Mrs. J. F. H. McMullin and family will go to Snyder Friday to attend funeral services for her brother, W. L. Hayes, who died there Wednesday.

# Farm Leader, Grain Dealers Disagree On Wheat Price Picture

By The Associated Press  
 The head of the State Farm Bureau and Fort Worth grain elevator operators disagree sharply why Texas wheat prices are down.

J. Walter Hammond, president of the Farm Bureau, charged Wednesday the storage situation is forcing the price of wheat down in Texas. He appealed to President Truman for aid.

Three Fort Worth elevator operators agreed what probably is selling below the \$1.87 government support price, is a change by Hammond. But they said this is a natural result of last year's bumper crop and the heavy new crop now being harvested.

The elevator operators also denied Hammond's claim grain elevators are refusing to store grain for farmers, but have sufficient space for wheat bought at a below-support price. The operators said their storage facilities are crowded and they cannot store grain if space is not available.

Rep. W. R. Poage, Waco, has called a meeting of Texas congressmen in Washington Thursday to discuss the critical grain storage situation. Ralph Trig, head of the Commodity Credit Corporation, has been invited.

In an interview at Waco, Hammond declared:  
 "A large number of Texas grain elevators which have space for storage of wheat are refusing to store the grain for Texas farmers, but the elevators store grain for all the wheat they can buy at below-support price."

# West Hands Russia Its Plan For Joint Berlin Administration

PARIS —(AP)—The West handed Russia Thursday its plan for restoring four-power control in Berlin.

A French informant said the American, British and French terms were placed before the Soviet Union in a 90-minute meeting of the Foreign Ministers Council, the shortest of this 10-day-old session.

The ministers will meet again Friday in a secret session, presumably to get down to business on the opposing plans of the East and West for Berlin. They are agreed thus far only in principle that the divided Germany city should be governed under a single governing body.

Wednesday they split on a Western proposal to limit exercise of the veto power in the four-power body. Thursday the Western ministers showed a vague Soviet hint that the Russians might agree to trim the Kommandatura's area of authority.

Russian Foreign Minister Andrei Vishinsky insisted the Kommandatura remain a unanimous rule. At Wednesday's meeting, however, according to French sources, Vishinsky said the Kommandatura's functions might be re-examined.

His statement was interpreted to mean the Soviet might be withdrawn from the Kommandatura and delegated to local German administration. It followed Acheson's statement that he saw no reason why such things as garbage collection, water supply and street cleaning should become matters of international debate.

# Abilene Woman Dies Of Heart Attack At Husband's Bedside

ABILENE —(AP)—With the body of her war-dead son awaiting reinterment and with her husband dying of cancer, Mrs. E. C. Jackson, 53, died of a heart attack here Thursday.

For three weeks she had kept a vigil day and night in a rocking chair at her husband's bedside. She died in that rocking chair.

"Mother hadn't been to bed in three weeks, N. L. Jackson, a son, said. "She refused to leave Pa's bedside."

He added that at 4:30 a. m. Thursday his mother had telephoned him at his residence next door and told him: "Take care of Pa, son. I am going to die soon."

The son said he tried to soothe his mother, feeling she was just suffering from overwrought nerves. But at 8 a. m. she died.

"It looks like we'll have a triple funeral," the son added. "I don't see how Pa can last out the day."

The body of another son, Pvt. Talmadge H. Jackson, killed in action in the European Theater in 1944, has been in Abilene, awaiting reinterment since April 28.

The father has been critically ill several weeks. Once he weighed 150 pounds. Now he weighs 50.

# Planes Search For Two Missing Flyers

DALLAS —(AP)—A wide aerial search was underway Thursday for a missing Stephensville, Texas, plane with two men aboard.

About 15 planes of the Civil Air Patrol and five Air Force air rescue planes searched for T. C. Elkins, 48, and Ben E. Ferguson, his nephew.

The two men left Hot Springs, Ark., Sunday during bad weather.

THEFT REPORTED  
 Micky Car Lot owners Wednesday reported to police the theft of several mirrors, hub caps and a radio from cars parked on the lot. An investigation is being conducted.

AUTOMOBILE ACCIDENT  
 A 1947 Buick sedan, driven by Mrs. W. J. E. H. McMullin and family, was charged with reckless driving in City Court Thursday after the automobile which he was driving turned over at 100 South Jefferson Street. No injuries were reported.

TO ATTEND FUNERAL  
 Mrs. J. F. H. McMullin and family will go to Snyder Friday to attend funeral services for her brother, W. L. Hayes, who died there Wednesday.

Walter Johnson compiled the highest batting for a major league player in 1925 when he batted .452.

# Oil And Gas Log

(Continued from Page 1)  
 a 22/64-inch choke to make a potential of 526 barrels of gas-2.7 gravity oil, with no water and 43.7 gal. ratio, 1,097-1.

Production was through perforations at 6,700-6,725 feet in 5 1/2-inch casing set on bottom at 6,725 feet.

# Stanolind Recovers Water In Lea Test

Water developed from a formation thought to be Silurian at Stanolind No. 1 Leonard-Federal, stated Ellenburger wildcat in extreme Southeast Lea County, N. M.

A four-hour and 15-minute drill-stem test at 10,025-90 feet recovered 90 feet of gas and oil cut drilling mud, 270 feet of oil and gas cut sulphur water and 1,350 feet of sulphur water.

Drilling was continuing below 10,220 feet in June.  
 Location is 660 feet from north and east lines of section 11-268-37E

# Seaboard Runs Log At Gaines Wildcat

Seaboard Oil Company of Delaware, No. 1 Doss, Central-Eastolina County, deep wildcat, 10 miles southwest of Cedar Lake, and 4,620 feet from east and 7,340 feet from south lines of league 292, Lynn County School Land survey had reached 13,791 feet in a lime and chert, and was running a Schlumberger survey.

Some observers think the project is in the Ellenburger. It is probable that the electric log is being run in order to check on the identity of the formation.  
 Up to now this prospect has not logged any signs of oil or gas in any quantity.

# Mid-Continent Logs Oil Shows In Fisher

Mid-Continent Petroleum Corporation No. 1-A Leeper, slated 7,000-foot wildcat in Southwest Fisher County, 10 miles southwest of Roswell, 660 feet from north and east lines of section 186, block 3, H&TC survey, logged some shows of oil in drilling from 5,098 feet to 5,102 feet in an unidentified lime.

The hole was to be drilled on down to 3,108 feet, and a drillstem test was to be run to check the value of the shows.

# Andrews Pay Opener Flows In Upper Zone

Magnolia No. 18-B Andrews, wildcat in Southwest Andrews County, two miles east and slightly south of the Dollarfield field, and 660 feet from north and east lines of section 12, block A-55 pal survey, kicked off on perforation section at 1,000 026 feet. In the upper Fusselman of the Silurian and flowed 18 barrels of new oil in two and one half hours, by heads through a one inch choke.

The flow then died. In the next three hours operator swabbed out 19 barrels of new oil. The well then flowed following the pulling of the swab.

There was a 600 feet of oil in the hole. Swabbing was continuing.

The section making the oil had been treated with 1,000 gallons of 3,000 gallons and 6,000 gallons of acid. A lower section of the Fusselman showed for small flowing production and the Devonian is due to make good oil yields, when it is tested.

# Chute One—

(Continued from Page 1)  
 the H-SU Cowboys under a long term contract right now.

The bandsters from Abilene also are scheduled to play downtown concerts Thursday, Friday and Saturday afternoons.

It was a stilled audience Wednesday night when Carolyn Colborn fell from her horse while executing an intricate turn during the Mounted Quadrille Act. She remounted and completed the act to the delight of the crowd who gave her a rousing ovation.

The Hendricks Family Act, which arrived late but which went ahead with its performance, was a highlight of the evening night show. Never before have Midland Rodeo audiences seen the likes of the Roman-style jumps made by the Hendricks twins on their twin ponies. And then Hendricks and her dancing horse act is a big-time feature. The Hendricks came to Midland direct from Hollywood.

Uncle Johnny Roberts, long-time Midland cowboy and rancher, termed the Wednesday performance one of the best ever seen here. Uncle Johnny saw his first rodeo here in 1898. He hasn't missed many, if any, since that time.

Among the dignitaries introduced at the opening performance were Congressman Ken Regan, State Highway Commission Chairman, and Mrs. Fred Wemple, Mayor and Mrs. William E. Neely, County Judge and Mrs. C. Keith, City Manager and Mrs. H. A. Thomas and C. C. President and Mrs. R. D. Scruggs.

A delegation from Rankin, headed by Sheriff Gene Eckols, also was introduced.

Many fans, too, were praising the fine work of Ray Lackland of Dallas in announcing the show. It is his first appearance here.

After seeing George Mills work, it is easy to see why he is known as the world's best rodeo clown and "bull fighter." He has a good helper, too.

The trick riders, Faye Blessing, Norma Shoulders, Jeanne Godshall and Missie Ann Riley, presented a thrilling and outstanding act at the initial show.

Everett Colborn, the old master of the rodeo world, also does some pretty fancy acts in the arena.

The Philadelphia Athletics twice lost 20 games in a row, the major league record.

### John Daylong Hurls One-Hitter To Post Softball Loop Win

Runs were a dime a dozen for the winners in softball games played at Wadley Field here Wednesday night. Western Plastic stood firm behind the one-hit hurling of John Daylong and scored a 10 to 1 win over the Renegades. Salmon pitched for the losers and was touched for 10 hits. Standard Oil rolled over the Rebels 12 to 2 in a game that was called at the start of the fifth inning due to Standard being 10 runs ahead. Three Rebel hurlers issued a dozen free passes to first. They combined their efforts to limit Standard to seven hits, however. Milt Montgomery and Floyd Copeland hit home runs for the winners, giving Bob Dean good support in his five hit mound performance. Standard will take on Shell in a make-up tilt Thursday night following an exhibition game between Joe's Gulf and a team from Big Spring.

### London Bout Billed As Elimination For Heavyweight Crown

LONDON—(AP)—Bruce Woodcock and Freddie Mills meet in a 15-round bout Thursday night which should reveal just what Britain has to offer as a candidate for the vacant world heavyweight crown. The winner is slated to fight Lee Savold of Paterson, N. J. here September 8 in what Promoter Jack Solomons is advertising as a bout for the world heavyweight championship. Mills, should he win, will have almost as many titles as the House of Lords. The 29-year-old veteran of carnival boxing rings already holds four—the world European, British and Empire light-heavy crowns. None of them can be lost Thursday night as both fighters are appearing as heavyweights.

### MISS-YOUR PAPER!

If you miss your Reporter-Telegram, call before 6:30 p.m. weekdays and before 10:30 a.m. Sunday and a copy will be sent to you by special carrier.

### Martin Commander Of Petroleum Unit

James D. Martin, 109 Club Drive, a lieutenant-commander with 15 years' experience in the naval reserve, has been named as commanding officer of Navy Volunteer Petroleum Unit No. 8-1, which has headquarters at Midland. The petroleum unit is a training group comprising primarily reserve officers and enlisted personnel in the Permian Basin who are oil field workers in civilian life. Martin, a former submarine officer, succeeds William W. Studert, a reserve captain in the civil engineer corps, who organized the unit in June, 1948. Orders appointing him were issued by the commandant, Eighth Naval District. The unit, which now contains about 40 members, meets twice a month at the Officers Reserve Corps building at the Midland Air Park, and is commencing a training program devoted partly to naval subjects and partly to a study of oil field production, drilling, equipment and services. Its complement, both for officers and enlisted personnel, is unlimited. Had War Service. Martin, who was ordered to active duty in October, 1940, spent eight months with destroyers based at Pearl Harbor, then attended the submarine school at New London, Conn., and served on the submarines Barracuda, Guitarro and Barbero. He made seven submarine patrols. He was executive officer of an attack cargo ship which transported combat marines for the invasions of Iwo Jima and Okinawa, and participated in the occupation of Japan by carrying elements of the 8th Infantry Division to Aomori, Japan. He is manager of the Western Plastic Company, Inc. The next meeting of the petroleum unit is scheduled at 6 p.m. Friday.

THREE JUNKIES LACKING IN OKRA ASSAULT TRIAL. GEORGETOWN—(AP)—Three jurors remained to be selected Thursday in the criminal assault case of Clifton Okra, 25, Dallas negro. The trial was moved here on a change of venue. Okra is accused of assaulting Mrs. William Slack and throwing acid in her husband's face while they sat in a car in Dallas August 17. A. C. HEFNERS HERE. Mr. and Mrs. A. C. Hefner of Fort Worth, formerly of Midland, are here to attend the World Championship Midland Rodeo.

## Security Is Human Race's Oldest Dream

By HAL BOYLE

NEW YORK—(AP)—The big grab today is for security. Individual men want it. Nations want it. The world wants it.

And that is why, perhaps, men, nations and the world are all nervous, touchy, irritable. They all have the jitters—emotional as well as political and financial jitters. Every person and every group wants to feel safe from life's multiple disasters. It is as true of a railroad porter in Omaha as it is of a Wall Street broker or that man in the Kremlin.

Security isn't a goal of just the classes or the masses. It is the goal of all. But security is an odd thing. The faster you chase it the faster it flies from you. The more you want to be secure, the more insecure you feel.

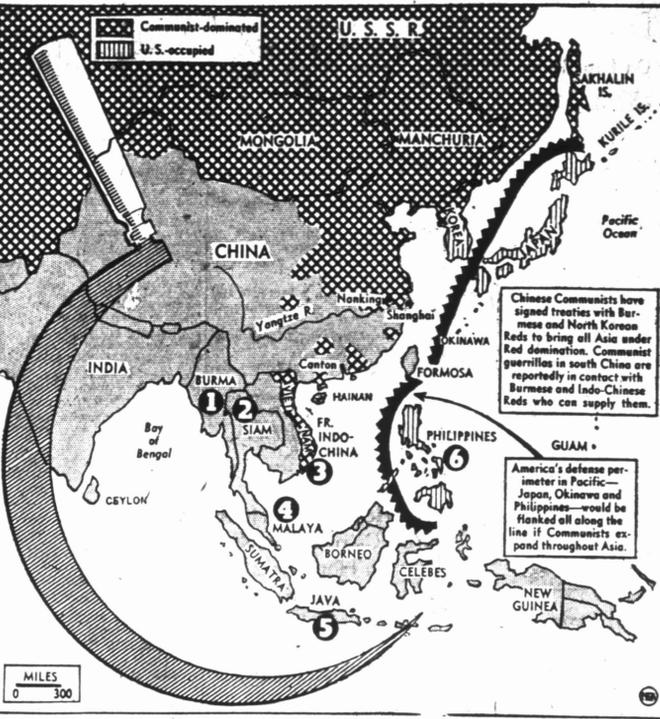

For security to the average man means keeping what he has—or getting what he hasn't. He wants to make himself a changeless island in a world of change. And that is rather hard to do on a globe where men are born, grow old and die.

Wait, Yearn And Earn. Death is the final negation of the hope for security on earth. Heaven—and all races pray to a heaven of some kind—may be the positive answer. For this answer we must wait and yearn—and earn, if we are wise.

The one sure thing is there's no security while you're alive. And there never has been. Therefore it is foolish to expect it. I know of a woman who also was afraid of the atom bomb. Figuring that New York would be a primary target in the event of another war, she bought a house in New Mexico. Then she learned it was near Los Alamos, a capital of American atom bomb secrets.

She moved back and bought a home on Long Island. No sooner was she settled in it than she discovered that in nearby Brook Haven was another government atomic power laboratory. So she came to this conclusion: "To hell with the atom bomb. It is part of our living so I'll face it." And she has. She hasn't found security. But she has found a finer formula: that you can't meet it by running away from it.

## Shadow of Sickle Grows With Chinese Reds' Success

Military authorities have pointed out that Communist expansion throughout southeast Asia would put a succession of unfriendly regimes along our Western Pacific defense line, as shown on map. Present Communist successes in China spotlight the precarious position of countries to the south if Reds win total victory. Most of them are bedeviled now by local Communist agitation and propaganda. Here's the line-up: BURMA (1): newly independent, this former British colony is feared ripe for Communist picking. The country is plagued by civil disorders, and Reds are openly working for seizure of government. SIAM (2): So far has escaped Red violence and seeks to prevent Communist infiltration. Siam fears its large Chinese population will swing to communism once China is under Red yoke. FRENCH INDO-CHINA (3): Powerful revolutionary government of Viet Nam province, reportedly Communist-controlled, is serious threat to rich Indo-China and all southeast Asia. MALAYA (4): Communist bandits have terrorized nearly a year. Ninety-nine per cent of Reds are Chinese. JAVA (5): Communist rebellion last fall hindered Indonesians in their struggle for independence from Dutch. PHILIPPINES (6): After ambush slaying of Mrs. Quezon, government launched all-out campaign against Communist-led Hukbalahap guerrillas who have terrorized Philippines since the war ended.

### CARNIVAL

"So I said to myself, 'I should shear sheep when I can make two bucks an hour on haircuts!'"

### Crane News

CRANE—Mr. and Mrs. H. O. True are visiting in Austin, Fort Worth and Arlington while on their vacation. He is superintendent of the Phillips plant near Crane. Mrs. C. O. Walling, Jr., who has been in a hospital in Del Rio has returned to her home. She is improving slowly. Mary Mackley who has been visiting her sister, Mrs. R. V. Wilson, Jr., has returned to Georgia where she will visit her father and sister. The monthly business meeting and social of the L.L.L. Class of the First Baptist Church was scheduled Thursday at the home of Mrs. R. G. Taylor, teacher. The Rev. and Mrs. Roy F. George were in Brownwood recently to attend the graduation exercises at Howard Payne College where Mrs. George's sister and her husband received degrees. Mrs. Sallie Kingry has been employed as an undergraduate nurse at Crane Memorial Hospital. Buddy Morton of the Texas-New Mexico Camp has been discharged from the Crane Hospital following minor surgery. Mr. and Mrs. Cecil Bushager were in Houston recently on business. Paul Davidson and Mr. and Mrs. Fred Davidson recently went to Louisiana for a visit. **Speaks To Graduates** "He That Would Be the Greatest Among You, Let Him Be a Servant to All," was the subject of a commencement talk given other members of the Crane seniors by Supt. L. L. Martin after he himself had been given his diploma and a gift Bible by Brady Nix, high school principal. Martin, after addressing the class with which he also graduated, thanked the public for their cooperation in the school-building project. Mrs. A. E. Galloway played the processional. The invocation was pronounced by Billy Dan Lively. A piano solo was played by Jackie Mathis. Joy Dickson gave the salutatory address and Sammy White was valedictorian. The choral group sang two numbers. Benediction was given by Roger Cloud. The National League has not won the All-Star game since 1944 when it recorded a 7-1 win over the Americans.

### Wink Notes

WINK—Mrs. Dick Nobles and daughter, Dewey, returned this week from Dallas, where Miss Nobles is under the care of a specialist for a broken back which she received in an automobile accident last winter. The National Honor Society of the Wink High School has gone to Ruidoso, N. M., for its annual outing. The group will be gone a week. They were accompanied by Miss Thelma Abbey and Bryan Henderson. Mr. and Mrs. E. C. Johnson, who have been visiting in the Ike Moore home in Santa Rita, N. M., and were accompanied by Kenneth Vinson and Bobby Crawford. Mrs. J. B. Nowlin visited her husband in Snyder last weekend. Mr. and Mrs. Beekman Ezwell and daughter, Dee, of McAllen are visiting Ezell's parents, Mr. and Mrs. H. L. Little. Ezell is a former Wildcat grid star and at present is line coach in McAllen. They plan to spend the summer here. Don Ezell received his Master's degree from TCU last weekend and plans to attend Boulder University in Colorado. He is expected in Wink soon with his wife and daughter for a visit with his parents. Miss Aileen Lance is visiting here with her parents, Mr. and Mrs. Dewey Lance, from the University of Texas. She has as her guest her roommate, Miss Dale Howard, who is a former Wink student. Mr. and Mrs. Brad Leck and children and Mrs. R. A. Leck are visiting in Abilene this week.

### Commander

State commander, Bill McCraw of Dallas, former attorney general of Texas, will be present at the Fifth Division American Legion convention scheduled Saturday and Sunday in El Paso. The division is composed of 198 Legion posts in the 16th, 17th, 18th, 19th and 21st districts. Midland is in the 16th district. McCraw is shown above.

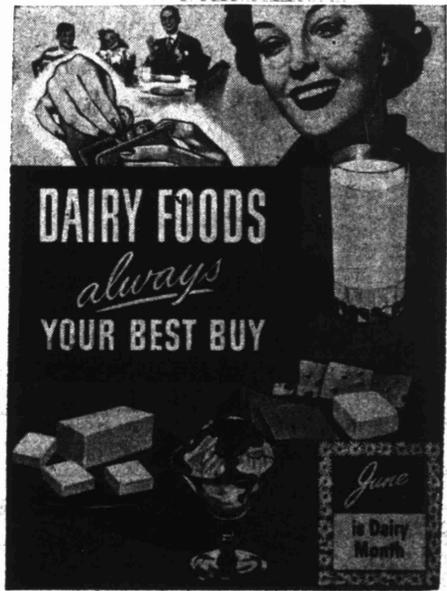

### Musidora Wins Oaks Stakes Filly Classic

EUSOM, ENGLAND—(AP)—Musidora, the four to one favorite, won the 17th running of the Oaks Stakes at Epsom Downs Thursday. Coronation V was second in the mile and a half classic for fillies only. Vice Versa II was third in the field of 17. Musidora, also the winner of the one-mile, 1,000 guinea for fillies in April, defeated Coronation V by a neck after a stirring stretch duel witnessed by a straggle crowd.

### NEW METHOD

A new way to serve potatoes is to peel them and cut them into paper-thin slices, then overlap the slices in a baking dish that has been lightly buttered; sprinkle lightly with salt and paprika and bake in a hot oven until the slices are a golden brown on top.

### June Is National Dairy Month

Pictured is the official poster being used in connection with the coast to coast observance of Dairy Month during June. The observance highlights dairy foods for which housewives spend more than 15 per cent of their food budgets, getting in return almost 30 per cent of the food consumed annually in this nation. Dairy foods used in each home represent an industry which employs full time at least 1,500,000 persons and gives a livelihood to approximately 10,000,000 persons. In addition the industry contributes \$10,000,000,000 to national commerce.

### STANTON NEWS

STANTON—Mrs. J. N. Clark and daughter of Kermit visited relatives here recently. Mr. and Mrs. Windell Center and family of Plainview and Mr. and Mrs. Cook of Texon visited here last week. Mr. and Mrs. Speedy Moffett and children have been visiting relatives here. They are moving to Snyder. Coats Bentley of Lawton, Okla., visited his parents here this week. Mrs. Bentley returned to Lawton with him after having visited a week here. Mr. and Mrs. R. A. Bennett and children visited Rob and Roy Miller and their families in Ozona this week. Jerry Hall, a member of the staff of the Lubbock Avalanche-Journal and a student at Texas Tech, is visiting his parents, Mr. and Mrs. Morgan Hall. Van Ross is home from Texas Tech. He is the son of Mr. and Mrs. Ernest Ross. Gets Degree at Tech. Francis Rhodes received her degree at Texas Tech with a major in Home Economics. She is the daughter of Mr. and Mrs. Finley Rhodes. Carl Atchison recently visited relatives here while enroute from Texas University to his home in Phoenix. He will return to Midland to accept a position for the Summer. Four teachers from Stanton High School will attend school during the Summer. They are Mrs. Francis Carter, Principal Virgil Stevenson, Leo Fields, and Mrs. Pat Oran. Bill Estes of Abilene is visiting Lidge Winters. Mr. and Mrs. Charles Peterson of Oregon are visiting her parents, Mr. and Mrs. Fory Atchison and other relatives. Sgt. and Mrs. Pete Gregg and son of Pensacola, Fla., are visiting his parents, Mr. and Mrs. Lewis Gregg. Sgt. Gregg will attend an Air Force school at Wichita Falls for the next two months and Mrs. Gregg will remain at Stanton.

### Battle To Deport Mrs. Eisler Starts

NEW YORK—(AP)—Deportation of Mrs. Gerhart Eisler has been recommended by an immigration inspector, and her counsel sought Thursday to get her freed from Ellis Island on bail pending departure. Exit from the United States is exactly what the Communist leader's wife desires. But she wants to go in her own way—voluntarily. Attorney General Tom Clark says she can't do that. After a two-hour closed hearing on Ellis Island Wednesday, Inspector Ralph Farb of the Immigration and Naturalization Service recommended the 37-year-old Mrs. Eisler be deported to her native Poland. Mrs. Eisler's counsel, Ira Gollobin, said he would seek a habeas corpus writ in federal court Thursday allowing her freedom in bail. The lawyer said he also would demand that Mrs. Eisler be permitted to leave the country voluntarily. Eisler has charged her wife is held as a hostage. Her lawyer said she is "a victim of Attorney General Tom Clark's spite."

### Volunteers Aid India's Police

NEW DELHI, India—(AP)—Indian provinces have built up a volunteer corps of 1,000,000 to help the police maintain law and order.

Volunteers, who generally are commanded by police officers, are given semi-military training. They are called upon in times of emergency when police strength is found to be inadequate.

The corps is open to members of all religious communities and political groups.

### Predicts Polish Economic Expansion

WARSAW, POLAND—(AP)—Ambassador Oskar Lange says Poland's industrial production should increase from 85 to 90 per cent over present output during the new six-year plan starting before the end of 1949. Lange predicted agricultural production would rise by 25 to 45 per cent over the 1948-49 figure.

Lange, first of speakers in a series on Poland's economic recovery arranged by Radio Polska, said Poland's total production in 1948 was 40 per cent higher than before the war.

He forecast huge industrial expansion and modernization during the next several years and broad training of technical workers. Lange, now active in the work of the Communist United Workers Party, was Poland's first envoy to the United States. He still retains the rank of ambassador and often attends United Nations sessions.

Three wildcat locations and one semi-wildcat location were listed. Pecos County claimed two of the wildcats and the semi-wildcat. The remaining wildcat venture was staked in Mitchell County.

Cochran County had three amended applications. A similar application was filed on a wildcat in Howard County. The remaining amended each to Ector, Garza, Glasscock, Pecos, Scurry and Winkler Counties.

### POLISH HEALTH TRAINING PLUGS NURSE TRAINING

WARSAW, POLAND—(AP)—The Polish Health Ministry is pushing a program for the training of nurses and soon hopes to have more than 19,000 of them.

Jerry Sztachelki, vice minister of health, said there are presently 10,500 nurses in Poland. Another 9,000 are needed to staff all medical centers.

Advertise or be forgotten.

# Total Drillsites Continue To Climb In Midland Oil District

Oil activity in the Midland area increased slightly the past week, as shown by records of the oil and gas division of the Railroad Commission of Texas. During the seven-day period, 70 applications to drill were filed—an increase of six over last week's total.

Amended applications covering changes on 10 explorations in the district were also filed. One of those amended applications was on a wildcat location.

DeKalb No. 7 D. S. Wright estate, 440 feet from north and east lines of labor 17, league 97, Brewster OSL survey, 5,000 feet depth, Levelland field, starting immediately.

### Former Wink, Kermit Woman Wins Fashion School Scholarship

DALLAS—Joyce Bell, 24, of Austin, formerly of Wink and Kermit, has been awarded the Wetman-Marcus \$500 scholarship at the Tobe-Coburn School for Fashion Careers in New York City.

Miss Bell, daughter of Mr. and Mrs. W. W. Bell of New Braunfels, was selected on the basis of written test topics and personal qualifications in a contest open to young women under 30 who had completed at least two years of college and who were residents of Texas, Oklahoma, Louisiana, Arkansas or New Mexico, or who were enrolled in colleges in this area. The official newspaper is Miss Pat Young of Temple.

Miss Bell is a graduate of Wink High School and received her bachelor's degree in Journalism from the University of Texas in 1946.

She was University of Texas annual staff, reporter for several organizations and editor of a paper for the Inter-Co-op Council. She also served as president of Wakonda Co-op House and was a Bluebonnet Belle nominee for two years. Miss Bell is a member of Theta Sigma Phi, honorary and professional journalism fraternities, and is secretary of the Austin alumni group of the fraternity.

After graduation, Miss Bell worked as a reporter for the employ magazine of the Lone Star Gas Company, Dallas, and in 1946 joined the faculty of the Kermit High School, where she taught English and Journalism. At present she is in retail advertising business in Austin.

### + Youth Center Chatter +

JUNE HAZLIP-JOYCE HOWELL Hello, Hello, Hello! Yip-pee and all that stuff! Well, if we can get this "Ten gallon" hat to stay out of our eyes, and keep our Bronco off of our typewriter we'll do our best to let you know what is happening around the Youth Center this week! As you can see, we're all set for the World Championship Rodeo, too!

The "Bulldog" will be discontinued for the Summer but "Youth Center Chatter" still will be around as usual! Aren't you glad? Don't answer that!

Boys never seem to be satisfied! They now are dying and bleaching their hair! Please boys, everyone likes you as you are so don't do anything else!

Organdy blouses and dresses, dotted Swiss and Batiste blouses are being worn by the girls. Off the shoulder blouses and strapless play dresses also are being worn! While the girls wear this type of clothing for coolness, the boys have turned to Tee shirts and sports shirts. Yep! It's really getting hot!

Have you all noticed how pretty and green the west side of the Youth Center is getting? This is caused by the constant watering this side gets! The air conditioner is on again and not only does it cool the inside but it waters the outside!

School really is over — Report cards are out, graduation is over and the old building looks tired. We'll not be returning to the old MHS again, for next year we start fresh in the new building, with new desks and things. We'll miss the Seniors, too, but we hope to be seeing them this Summer. Although each year makes us lose something, we never will forget it as we always can look forward to happier times and new friends next year.

We saw several of the boys running around last week with their pants rolled up to their knees and minus their shoes! One or two of these boys also had their shirt collars pulled up around their necks. We couldn't decide exactly what was coming off! They probably were trying to keep cool... Nope, if that was the case—why the collars pulled up? Maybe they were trying to keep warm... What! With the temperature standing at 110 more or less. Not likely! Well, maybe they were trying to... oh heck! Who can tell just what they were trying to do! You know these boys!

Did you know we have a couple of "future girls" in our Youth Center? Sue Ann Francis and Carolyn Cook seem to be quite talented tap dancers. They appeared in a dance recital this week and did themselves proud. Nancy Warren and Ann Ashby did a jive routine that would put some of our jitterbug "experts" to shame! You never can tell—these might be the names on the bill boards of tomorrow. And we can say "We knew them when!"

The swimming pools opened this week and just as we predicted, the Teenagers of Midland are keeping them quite busy! We notice there are several "rosy complexioned"

### Air Force Wants College Graduates

Colleges graduates interested in preliminary examinations, the sergeant explained. Then, if qualified and selected, they will be ready to begin training after completing college work.

Detroit is the only team in the major leagues which never has finished in last place.

'Tight Little Isle' Population Growing

LONDON—(AP)—Move over, grandpa. This "tight little isle" is getting more crowded every year.

And it's mostly the old folks who are taking up the space. The "65 and over" group make up 10.5 per cent of the population, as compared with only 7.4 per cent in 1931.

Government officials say the trend seems to be toward a population boost of about one million every five years. The total population of the United Kingdom—which takes in England, Wales, Scotland and northern Ireland—is estimated to have been 50,033,000 as of June, 1948, the latest figure available.

Officials say the population increased by over a million since 1944, by two million since 1939, by six million since 1921, and by about 40 millions—or over 300 per cent—since 1800.

"Though the birth rate rose sharply after 1941, many births were postponed until after the war. To them, the high rates of the postwar years are largely due. Until the war disturbance has died away, it will be impossible to form any opinion as to the likely future trend of the birth rate," an official statement says.

It also says migration is not a major factor in the population trend in the United Kingdom.

THE ORIGINAL SELF SERVICE

### Has Bad Heart But Preaches From Bed

JOHNSTON CITY, ILL. —(AP)—The Rev. R. E. Walston refused to stop preaching because a bad heart sent him to bed.

The 64-year-old pastor, confined to his bed for 30 days because of a heart ailment, answered from the church bell with his usual sermon. A public address system was installed from his bed to the Johnston City Christian Church.

"It's our own idea," said Mrs. Walston. "We own the public address system and a couple of men around town fixed it up."

Advertise or be forgotten.

### Fort Stockton Water Carnival To Feature Pageant And All-Southwest Bathing Revue

FORT STOCKTON — Everyone in Fort Stockton is busy these days preparing for the big community show—the 1949 Water Carnival, June 9, 10 and 11.

This year's show will feature a colorful historical pageant woven about the history of beautiful Comanche Springs, in addition to the annual All-Southwest Bathing Revue. Many other attractions are being arranged.

Geller Productions of Hollywood had contracted with the Fort Stockton Lions Club to provide colorful costumes, stage scenery and lighting, and professional direction of a cast of local talent 150 strong. Robert Campbell is in the midst of rehearsals for the colorful "Cavalcade of Comanche Springs."

Water Ballet

Water ballets, scenes from the famous court of Judge Roy Bean, "Law West of the Pecos" and glamorous beauties, both of the past and modern vintage, will feature a thrills-packed show on the nights of June 9 and 10.

Young women from all parts of West Texas will compete for the title of Miss Southwest, won last year by lovely Ann Mims, Sul Ross College entrant from Alpine. A free trip to Hollywood, with entertainment arranged through the Geller organization, is the coveted prize.

The Water Carnival starts Thursday afternoon, June 9, with a big street parade in Fort Stockton, followed that evening by Fort Stockton's own bathing revue and a special revue of the big stag spectacle, "The Cavalcade of Comanche Springs." Winner of the senior division of the Fort Stockton contest will be crowned Queen of the Water Carnival on Friday night, June 10.

Calif Roping

A new feature of the Water Carnival this year is a Saturday afternoon matched calf roping between two of the most promising younger ropers of the Southwest, Clay Cade of Alpine and Bill Teague of Crane, together with a jackpot roping and broc busting exhibition. The new Sheriff's Posse Arena in Rooney Park will be the scene of the event starting June 11 at 2 p. m.

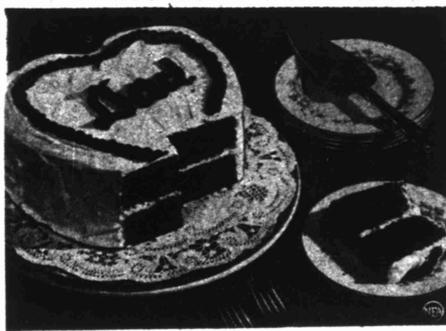

Dances Friday and Saturday nights at Gibbs Field sponsored by the Fort Stockton Fire Department, will round out the entertainment.

#### SAUCE FOR FISH

Fried fillets of flounder may be served with a sauce made by combining a quarter cup of mayonnaise or creamy-type salad dressing, a quarter cup of sour cream and two tablespoons of bottled brown meat sauce.

In making muffins, many good cooks like to beat the eggs thoroughly before putting them into the batter.

### Dad Rates Cake On Father's Day

A rich chocolate cake with his name on it spells happy celebration for Dad on Father's Day.

By GAYNOR MADDOX  
NEA Staff Writer

How about Father's Day? The sure-fire answer in most American homes is always "a rich chocolate cake."

But what about the rest of Dad's own Father's Day dinner? Well, to that question there are positive answers too. Here's a list of foods men generally rate as "best"—steak, roast beef, potatoes, corn, lima beans, beef-steak tomatoes, sweet onions.

Men like peace and quiet, too. How about having a little conference with the rest of the family before his dinner. Agree to postpone all arguments, demands and general confusion until the next day.

As to the cake, here's one with "Dad" all over it, created exclusively for this column by cake experts of the Swift & Co. Home Economics Laboratories.

**Preparation:** Have all ingredients at room temperature. Preheat oven to 375 degrees F. Line bottoms of 2 heart-shaped pans with waxed paper.

**Ingredients:** One-half cup shortening, 2 1/4 cups sifted cake flour, 1 3/4 cups sugar, 1 1/2 teaspoon vanilla, 1 1/2 cups sour milk or buttermilk, 2 squares melted chocolate, 2 eggs.

**Step 1:** Place shortening in bowl. Sift together flour, sugar, soda, and salt into bowl. Add vanilla and 1 cup of the sour milk. Beat 2 minutes on medium speed of electric mixer, or by hand using 150 strokes per minute. Throughout mixing time keep batter scraped from sides and bottom with rubber scraper. Scrape bowl and beaters.

**Step 2:** Add melted chocolate, eggs and remaining sour milk and beat for 2 additional minutes. Scrape bowl and beaters. Pour equal amounts of batter into cake

pans. Bake in moderate oven (375 degrees F.) for 30 minutes or until done. Cool.

**Icing:** Cream 1/2 cup shortening with 3/4 teaspoon salt and 1 teaspoon vanilla. Add 2 cups sifted confectioners' sugar and 2 tablespoons milk. Reserve a little for lettering and decoration. Stir 2 squares (2 ounces) melted unsweetened chocolate into remaining icing. Add additional milk if necessary, to make a soft creamy mixture. Fill and ice cake with chocolate. Use white icing for "Dad" and the frill around the edge, or reverse, using white icing for cake and chocolate for lettering.

### Cunard Line Plans 19,000-Mile Cruise

LONDON —(AP)—The Cunard Line's Caronia, newest liner in its fleet, will make an 80-day cruise next winter to South America, South and East Africa, Egypt, the Holy Land and the Mediterranean. The cruise, covering 19,000 miles, is planned to attract American tourists.

The 34,000-ton Caronia, designed especially for cruising, will sail from New York January 12 and end the cruise at Southampton March 28. Passengers will then be free to spend some time in England—and more dollars—or return to the United States immediately in one of the company's other liners.

A feature of the cruise will be a chance for vacationers to strike out through the interior of Africa and rejoin the ship 17 days later at Mombasa. In the Mediterranean, the Caronia will call at Tel Aviv, Malta and Italian ports.

### Japan Soon To Have First Woman Judge

TOKYO —(AP)—Japan soon will have its first woman judge. Miss Ishiwata, probably will be assigned to the Tokyo District court. She first took up the law 11 years ago. She was graduated from the Judicial Training Institute of the Japanese supreme court in 1944.

### McCamey News

McCAMEY—The Rev. C. J. Mann was returned as pastor of the First Methodist Church for another year by the Southwest Texas annual conference meeting in San Antonio recently.

At the same time the Rev. D. G. Hardt, pastor of Rankin for the last four years, was moved to Johnson City, Texas. The Rev. Don Cochran, formerly pastor of a church in San Antonio, was appointed to the Rankin Church.

The Rev. J. H. Estes was reappointed to Menard and the Rev. Wm. S. Ezell, to Devine. The Rev. Lynn Moore was appointed to the Merton-Barnhart Churches to replace the Rev. J. S. Atkinson.

The Rev. C. J. Mann was accompanied to San Antonio by Bobby J. Riley who was the delegate to the Older Boys Conference, running concurrently with the Annual Conference. Mr. C. W. Brown attended the Conference as the lay delegate of the church.

Mrs. Ida Holt is visiting in the home of her son, C. O. Holt, at the Rio Pecos Plant.

Miss Jerry Stroup, employe of an oil company, left Friday for Eagle Lake, her former home, where she will visit. She accompanied Mr. and Mrs. C. G. Hendrickson as far as Austin where they went to get their daughter, Virginia, who has been attending the University.

Home From University

Harold Kleinman, son of Mr. and Mrs. W. Kleinman, is at home from the University of Texas where he is a sophomore. Miss Shirley Kleinman who was a January graduate, received her BA degree from the University this month.

Mr. and Mrs. J. W. C. Hayes and sons, Lloyd Lee and Robert Wayne, left Thursday for A&M College where they will attend the graduation exercises at which their son, Jimmy, will receive a degree in Petroleum Engineering. The Baccalaureate services were scheduled Friday morning at A&M.

Mrs. Dale Keneaster was taken to a San Angelo hospital Tuesday where she was to undergo surgery. She was accompanied by her husband and Mrs. Lennis Wilkerson. Mr. and Mrs. W. Iley Pratt of Midland spent a recent weekend with their daughter, and family, Mr. and Mrs. Roy Johnson and Kenney. Mrs. Pratt is leaving soon for a month's visit in Canada.
