Ellenburger Wildcat Staked in Schleicher By San Angelo Pair

An Ellenburger wildcat has been staked in East-Central Schleicher County by Lew H. Morris and Lou E. Scherck of San Angelo as their No. 1 T. R. Henderson.

The well is 330 feet from south and east lines of the southwest 160-acre section 3, block V-28, R. A. Bradley survey, which puts it approximately five miles north and east of the Cooper-Page field. It will be 13 miles east of the town of Eldorado.

The Ellenburger is expected to come in above 6,250 feet. On last report, the venture was drilling surface hole to run conductor string. It is on a farm out from Globe Oil & Refining Company, which gave Morris and Scherck 22,000 acres of checker-boarded leases for drilling the venture.

Oil Flows In Borden Deep Strike After Treating With Acid

Flowing oil has been developed from an unidentified deep dolomite formation at Sinclair Oil & Gas Company No. 1 Sterling Williams, Northwest Borden County discovery. Casing perforations at 9,915-45 feet were washed with 500 gallons of mud acid and the hole loaded with 300 barrels of oil. The well swabbed and flowed out barrels of oil, then kicked off and flowed steadily.

The well was gauged for 13 hours after swabbing began. It made 571 barrels of oil—271 barrels additional to the load oil—with the last 305 barrels produced flowing. The venture was flowing ahead at the end of the 13 hours.

Gravity of the new petroleum is 42.8 degrees. Gas-oil ratio was 515-1.

This prospect, bottomed on 10,035 feet with seven-inch pipe cemented at total depth, recovered clean oil on drillstem tests of the zone at 9,930-9,978 feet and flowed oil at the rate of 40 barrels per hour on a test at 9,945-10,000 feet. The water table was encountered on 10,000 feet.

The horizon is thought by several geologists to be Ellenburger. Some think the upper section is Mississippian, while others are under the opinion the pay formation is Siluro-Devonian.

Location is 680 feet from north and east lines of section 48, block 32, T-6-N, E-18-R2 survey, about 11 miles northwest of Gall.

Winkler Prospector Plans Devonian Test

Richardson and Bass and Southland Royalty Company were planning a drillstem test in the North-Central Winkler County Devonian with their No. 1 Joe Wallace, et al, wildcat 13 and one-half miles northeast of Kermitt.

The venture was drilling below 9,715 feet in lime and chert, after tapping the Devonian around 9,640 feet. The formation so far penetrated has been moderately hard. The test is scheduled when the prospector reaches 9,730 feet.

It is 1,980 feet from north and west lines of section 88, Barbara Hill survey, about one and one-quarter miles south of the recent Devonian discovery opening the Flaring-W field.

Seaboard Makes Water In Borden

Water developed from an unidentified Pennsylvanian lime formation at Seaboard Oil Company of Delaware No. 1 Clayton & Johnson, North-Central Borden County wildcat, six miles north of Gall and 600 feet from south and west lines of section 37, block 31, T-6-N, TP survey.

A 68-minute drillstem test at 8,302-59 feet recovered 2,440 feet of salt water with no shows of oil or gas.

Drilling was continuing below 8,375 feet in lime.

Schleicher Set For 5,000-Foot Wildcat

A 5,000-foot, rotary hole wildcat is slated for East-Central Schleicher County, 25 miles east of Eldorado, by Southern Minerals Corporation.

It will be the concern's No. 1 J. Webster, staked 1,980 feet from south and 690 feet from west lines of section 2, block 8, TWANGRR survey. Operations are starting by June 21.

Strike Spots New Tom Green Venture

George W. Strake of Houston is beginning June 20 on his No. 1 W. C. Weddell as a 2,000-foot, cable tool wildcat in Northwest Tom Green County.

The well is 490 feet from south and 330 feet from west lines of section 58, block 5, H&TO survey, about 25 miles northwest of San Angelo and 10 miles southwest of Water Valley.

Truman Calls Spy Alarm Hysteria

Streamlining Powers Voted To President

WASHINGTON—(P)—Congress completed action Thursday on a bill giving President Truman broad powers to streamline the executive branch of the government.

The Senate, by a voice vote with no opposition, approved a compromise version of the bill which was worked out by a Senate-House committee Wednesday.

The House passed it a few minutes earlier. Senate action sent the measure on its way to the White House after a month of bitter wrangling.

Just before Congress acted, President Truman said he would go ahead with reorganization plans as soon as Congress finished with the legislation. The quicker Congress acts, he told a news conference, the more such projects he will be able to send to the Capitol during this session of Congress.

Truman discussed the question with newsmen shortly after Senator Lucia of Illinois, the Democratic leader, had told reporters he thought legislation would be passed in both houses before the end of the day.

House and Senate conferees finally got together on a compromise that would let a vote of a majority of the whole membership of either house stop a reorganization proposal.

Truman would not comment on a proposal that a special session of Congress be called for October 1 to enact reorganization legislation.

Plans For Expansion Of Social Security Reported Complete

WASHINGTON—(P)—The House Ways and Means Committee may be nearly ready to recommend that about 12,000,000 more workers be blanketed under old age insurance. That was the unofficial word Thursday from secret committee meetings.

The committee, meeting behind closed doors for six weeks, also was understood to have agreed tentatively to:

1. Boost old age benefit payments substantially but not as much as Truman asked. The President wants to one and one-half per cent, with an increase Jan. 1, 1952 to two per cent against each. Present law provides for these boosts.

The social security bill may pass the House this year but there is little, if any chance, it will be taken up in the Senate until 1950.

The tentative action of the committee was reported to call for bringing under the old age insurance program 6,000,000 self-employed persons, including doctors, lawyers, other professional men and persons operating businesses.

Also, coverage may be extended to about 2,500,000 household workers and several smaller categories of working people, including employees of state and local governments (at the discretion of the local governing bodies).

Committeemen apparently have abandoned efforts to extend coverage to 5,000,000 farmers and 3,500,000 farm workers.

Prober Questions Report Of Finding Lost Uranium-235

WASHINGTON—(P)—Senator Hickenlooper (R-Iowa) questioned Thursday whether the Argonne Atomic Laboratory actually has located the container which held the Uranium-235 lost from the lab last February. He said there still is substantial mystery about the whole affair.

Hickenlooper told the Senate-House Atomic Committee lab officials have come forward with an official fruit jar, saying it was the container. But all prior reports, the senator declared, were that the Uranium-235 was kept in a brown bottle.

Hickenlooper took up the case of the missing uranium in pressing his charges of "incredible mismanagement" against the Atomic Energy Commission. He has demanded that AEC Chairman David E. Lilienthal resign.

The disappearance of the Uranium-235 from the Chicago laboratory stirred a flurry in Capitol Hill when it first came to light last month.

Jester Calls For State Tax Study

AUSTIN—(P)—Gov. Beauford H. Jester asked the Legislature Thursday to name a committee to study state and local taxation and report back late this Summer or this Fall.

He submitted the matter as emergency legislation. The effect of the request was to give emergency status to a major point in Speaker Durwood Manford's suggestion for solving the state's financial muddle.

Manford said Saturday there was no time to develop all the facts necessary to a long-range solution of the spending-taxation issue. He suggested a committee to develop all the facts and report back to the 51st Legislature in special session before September 1 or soon thereafter.

Jester's message apparently was his answer to the question of what the Legislature should do to balance the budget. The Legislature has approved or has before it appropriation bills that are millions of dollars in excess of estimated revenues.

Hodge-Podge Structure Jester told the Legislature the tax study commission he named earlier this session will have a comprehensive report "ready by the latter part of the Summer."

"It seems desirable that a committee be established to review the findings of this commission and make recommendations for the consideration of the Legislature," (Continued on Page 6)

Foreign Ministers Continue Efforts To Ease German Crisis

PARIS—(P)—The four-power Council of Foreign Ministers met for 90 minutes Thursday in a secret session. Then Soviet Foreign Minister Andrei Y. Vishinsky left the conference room, apparently to permit his Western colleagues to cheer over what he had told them.

Vishinsky returned to the conference room in about an hour. In the interim the Western ministers had been to their private rooms, apparently for consultation with their respective delegations. The council then resumed its deliberations in secret.

Conference officials said that even if the ministers had to remain in session until late Thursday night, there probably would be a full session later at which a joint communique might be drafted.

"The ministers appeared determined to salvage from the month-long parley broad agreements on the future of Berlin and Austria."

Military Pay Raise Bill Accorded Warm Welcome By Senate

WASHINGTON—(P)—A warm Senate welcome Thursday greeted the battered—but only slightly bent—military pay bill.

It passed the House late Wednesday on a voice vote after several vain attempts to shave down increases for the top brass and to outcast pay for flight and submarine duty.

Chairman Tyding (D-Md) of the Senate Armed Services Committee promptly announced hearings would open on the bill Thursday with Secretary of Defense Johnson as the first witness, backed by a staff of military pay experts armed with charts and figures.

Senate Democratic Leader Lucas (Ill) acted that the bill will be called up for debate immediately if the committee approves it.

Army Plane Flies Polio Equipment To Stricken San Angelo

By The Associated Press

March of Dimes equipment to combat one of Texas' worst epidemics of infantile paralysis was flown to San Angelo Thursday by Army plane from North Carolina.

A representative of the National Foundation for Infantile Paralysis said 12 cribs, five hot pack machines and quantities of hospital linens were being obtained from Monroe, N. C., polio treatment center. It was established during last year's epidemic here.

This is the second time in the last few days supplies from there have been flown to San Angelo.

Unofficial figures showed four new cases admitted Wednesday to San Angelo hospitals and six dismissed, leaving 75 still hospitalized. Disease Spreads Elsewhere

Meanwhile the High Plains region counted its first polio death. Rachel Pinner, 12, daughter of Mr. and Mrs. Fay Pinner of Lockney, died Tuesday in the West Texas Polio Center at Plainview. There are six other patients at Plainview.

The Berger area's first polio case of the year also was under treatment at Plainview. He is Gene Kendall (Gipson), seven, son of Mr. and Mrs. T. Gipson of Electric City.

Dallas' Parkland Hospital asked the National Foundation for extra nurses as six new cases there were diagnosed as polio—five from Dallas County and one from Tyler.

At San Antonio, Texas National Guard Private Roy C. (Scotty) Page, 20, died Wednesday of polio at Brooke General Hospital.

Travis County's twelfth polio patient of the year was admitted to Brackenridge Hospital's polio ward Wednesday night. He is Dr. Lebert R. Leggett, 26, resident physician at the Austin State Hospital.

Mrs. Nora Feece Dies In Hospital

Mrs. Nora Bell Feece, 305 East Kentucky Street, died Wednesday in a Midland hospital.

Ducks Query On FBI Chief And Methods

WASHINGTON—(P)—President Truman Thursday described the current uproar over spies as part of a post-war hysteria which will die out as it has after other wars.

If any members of his own Administration are infected by it, Truman said, he will clean them out.

But he would not comment at his news conference on an editorial proposal that a commission be named to investigate the methods and procedures of the FBI and its Director J. Edgar Hoover.

He stated flatly, however, that Hoover has not submitted his resignation. This was in reply to questions about a published report of a quarrel between the FBI boss and Attorney General Tom Clark.

When asked whether Hoover has his confidence, Truman replied that Hoover has done a good job.

And Hoover asked whether he thought Hoover could be included in those denounced by Truman last week for headline hunting, the President invited reporters to make their own estimate of the situation.

Neither would he comment on whether it would be a good idea to clear federal files of what a reporter called "unsubstantiated" reports.

The question obviously referred to reports of anonymous informants to the FBI which have been read in the Judith Coplon espionage trial. These reports, still un-evaluated by the FBI, named many prominent persons as Communists. Cfes Farrell in 1949

As for the subject of spies, he invited reporters to read the history of the Alien and Sedition Laws of the 1790's, following the Revolutionary War. You'll be surprised at the parallels, he said.

That hysteria finally died out and the country did not go to hell, said Truman, adding:

So will this hysteria, and the country will not go to hell. The spy discussion took up most of the news conference but the President also had this to say on other matters:

Declared the Brannan farm plan will be passed by the present Congress. Reports from the Democratic farm meeting at Des Moines, hint— (Continued on page 6)

Whiskers-Growing Contest Will Be Trail Days Feature

Bigger and better beards was the watchword Thursday as six stalwart members of the Midland Lions Club challenged other civic clubs of Midland to a beard-growing contest in connection with the Trail Days celebration to be held July 1, 2 and 4.

The Rev. Clyde Lindsey, Lions Club president, refused to divulge the names of the Lions who will represent the club.

"Our contestants are no virtue," he said, "we are afraid to announce their names for fear of discouraging the opposition. If any service club thinks it can raise six beards which are more lustrant than those contemplated by our Lions, just let me know and their names will be engraved on the records of the contest."

Meanwhile, rehearsals were being held in the high school gymnasium and an increasing number of Midland citizens are participating in the production. Director Art Cole said. However, many more parts have not been cast and the talent committee is urging all interested persons to be at the gym at 7:30 p.m. Thursday so assignments may be made.

Special Events Ted Kruger, chairman of the special events committee, announced plans are being made to make the Trail Days celebration an outdoor event.

Dallas Banker Talks To Gulf Executives

Ben H. Wooten of Dallas addressed a group of more than 100 executives and supervisors of Gulf Oil Corporation and Gulf Refining Company at a dinner Wednesday night at the Midland Country Club.

Wooten, vice president of the Republic National Bank in Dallas, spoke on the subject, "The Boss."

The address dealt with employer-employee relations in business and industry.

F. E. Hatfield of Fort Worth, district production manager for Gulf, was master of ceremonies for the program.

The Wednesday night event was one of the features of Gulf's annual West Texas supervisors' meeting. The sessions started Wednesday morning with a meeting at Gulf's Odessa production office. A similar program was held Thursday.

On Friday the party will make a tour of several West Texas oil fields where Gulf has production and other operations.

Barbecue Scheduled A barbecue dinner was scheduled Thursday night at the Ector County Park in Odessa.

Gulf representatives from Pittsburgh, Houston, Fort Worth, Shreveport and several other cities outside of Texas are attending the meetings. Executives and supervisors for the companies in West Texas also are participating.

All departments of the Gulf organization, including production and drilling, sales, pipe line, and geological, are represented.

Many of the visiting officials and executives are registered in Midland hotels and are headquarters at the company's district office here while in this region.

Second Member Of Family Wounded By Rifle Within Week

John Castillo, Latin American youth, was treated at Western Clinic-Hospital for a gunshot wound in the left leg.

According to the hospital emergency report, the youth started playing with a tractor and had taken along a .22 caliber rifle to shoot jackrabbits in the field. Attempting to shoot at a rabbit, he fell from the tractor. The rifle discharged accidentally, striking him in the leg, the report stated.

—Angelle Castillo, who according to hospital attendants is a sister of John Castillo, last Saturday was treated for what was termed an accidental gunshot wound in the shoulder, caused by a .22 caliber rifle bullet.

★ THE DOCTOR SAYS ★
Vitamin And Mineral Content Retained In Frozen Foods

By EDWIN F. JORDAN, M.D.
Written for NEA Service

All signs point towards an enormous expansion in the use of frozen foods over the next few years. Many people wonder whether these foods have lost any of their nutritional value or vitamins because they have been frozen or stored for a long time. Fortunately, there have been several studies made of this subject and the answers are highly encouraging.

The blanching and cooling to which vegetables must be subjected before quick freezing often causes a loss of vitamin C and some of the other vitamins and minerals. The freezing itself, however, does not result in any loss in these substances nor does storage.

Frozen foods do not require as much cooking as the fresh products. Hence when the cooking stage is reached there is less loss of vitamins and nutrients. When these processes are added together, it has been found that frozen vegetables when ready to serve after a year's storage have about as much vitamin C as the same products cooked within 72 hours after picking.

Properly prepared frozen and stored fruits, vegetables and meats do not develop any poisonous products even after long storage. Apparently fish stored for several

years may become indigestible or unpalatable, but even this is not dangerous. Reports indicate that freezing causes a decrease in the number of germs, but it does not kill them all. Frozen foods should not be held for more than a short time above 15 degrees, because germs can grow at or about this temperature. Taste and appearance are better, and deterioration and germ growth avoided, at storage temperatures of about zero to 10 degrees.

Provided frozen foods are prepared properly at quick freezing, storage and cooking are done properly, they will supply the same important nutritional elements that fresh foods do.

Grate a cucumber added to a jellied vegetable salad gives a different and refreshing flavor.

Death Knell Of Isolationism

No burst of cheers greeted the unanimous approval of the North Atlantic Treaty by the Senate Foreign Relations Committee. The event generally was accepted happily but quietly. The truth is, approval by this group and the Senate itself has been taken for granted from the start. Viewed in a broad setting, this reaction is startling. Who would have guessed in 1940, when the isolationist debates were raging, that today the United States would take on heavy peacetime foreign commitments almost nonchalantly?

Here we are, preparing to enter a tight mutual defense pact with 11 other nations of the "Atlantic community." Never before in our history has a security effort of this magnitude even been seriously broached. It stands as a towering milestone in American foreign policy. And yet, now that we are doing this, it seems almost anti-climactic. How could this happen?

Feminine Finance

The naming of Mrs. George N. Clark of Kansas as U. S. treasurer ought to produce a few tremors in male circles. Women seem steadily to be increasing their dominion over money. Another woman, Mrs. Nellie Tayloe Ross, long has headed the U. S. mint. And economists keep telling us that women are getting their hands on a bigger and bigger share of the national wealth.

WASHINGTON—While Congress has been investigating possible flagging on B-36 contracts, the inside fact is that Consolidated Vultee has been forced to curtail production of the giant bomber because of a prolonged strike in a key plant. The strike is at Bendix, South Bend, Ind., which supplies vital airplane parts throughout the industry.

Star Study Club Is Entertained With Lawn Picnic Supper

A picnic supper on the lawn of Mr. and Mrs. Fred Wycoff's home entertained members of the Star Study Club and their husbands Wednesday night. The club has planned monthly picnics to carry its program through the Summer, replacing daytime meetings.

Games of 42 followed the outdoor supper, and a brief business session was held.

Present were Mr. and Mrs. Jack W. Anderson, Mr. and Mrs. G. G. Hassel, Mr. and Mrs. Floyd Shirley, Mr. and Mrs. Pat Barber, Mr. and Mrs. R. R. Frantz, Mrs. J. O. Hyde, Mrs. W. V. Harris, Mrs. L. C. Stephenson, Mrs. J. M. Crumley, Mrs. T. N. Nipp, Mrs. Nellie Peeler, Mrs. Vera McElroy, Rebecca Frantz and Herbie Munson.

Miss Wolfe Elected To Board Of MYF

Dorothy Wolfe of Midland was elected a member of the Board of Education of the Northwest Texas Methodist Conference Youth Fellowship at the Summer assembly of the fellowship on the campus of McMurry College, Abilene. Her term of office is until June, 1950.

With six other young people from the First Methodist Church here, Miss Wolfe attended the assembly last week for a program of study, worship and recreation. A goal of \$6,832 to provide scholarships, finance mission work and local expenses was set by the 339 young people present as representatives of 9,000 Methodist young people of Northwest Texas.

Also from First Methodist Church of Midland were Rosalynn Leggett, Wanda Mashburn, Shirley Pullman, Max Schaffer, Lynn Tlifer, Patsy Wood and the assistant pastor, Jim Pickens, and girls' counselor, Mrs. Ray Gwyn.

EAT PLENTY AND TAKE OFF UGLY FAT

When you buy Barostre, you buy a preparation for taking off weight. You don't pay for any printed diet or for vitamins to fortify you against weakness while on a starvation diet. You need never know a hungry moment while taking this preparation. Barostre is the original grapefruit juice recipe for weight reduction.

Just go to your drugist and ask for four ounces of liquid Barostre. Pour this into a glass bottle and add enough grapefruit juice to fill bottle. Take just two to three spoonfuls twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to take off ugly fat, return the empty bottle for your money back.

Lost 56 pounds

Here is what Mr. C. J. Bryant, P. O. Box 64, Whitesright, Texas, wrote us: "I want to tell you what Barostre has done for me. I weighed 265 pounds when I started taking it. I now weigh 211. "I have taken my share of downs from size 50 to 44 and never felt better in my life and everybody tells me how much I look like I did. "I am still taking Barostre as I want to get my weight down to 185 or 175 pounds."

Products From Garden Shown In Junior Club

The Little Diggers Club met in the home of Mrs. A. P. Shirey, 211 South L Street, for its regular monthly meeting Wednesday. This club is an organization of junior gardeners.

Jimmy Jones brought a vegetable box filled with onions, radishes, carrots and peas which he had raised in his garden. His box also included simlas and some bantam hybrid corn seed that he has planted in his garden.

Clay Carson gave a report on what plants are blooming in June. Those present were Billy Worley, Jimmy Jones, Bradley Woods, David Stubbeman, Jimmy Nelson, Clay Carson and Bill Dillard. Mrs. Shirey was hostess in the absence of Mrs. Frank Stubbeman, the sponsor.

DYT Sewing Club Entertains Families At Hamburger Fry

Mr. and Mrs. A. E. Houck were hosts to members of the DYT Sewing Club and their families at a hamburger fry in Cloverdale Park Wednesday night.

Those present were Mrs. Joe Roberson and Janice, Mr. and Mrs. Roy McKee and Scott, Mr. and Mrs. Tommie Henderson and Glenda, Mr. and Mrs. E. M. Watkins and Phil, Mr. and Mrs. Glenn Shoemaker, David and Becky, Mr. and Mrs. John Sewell and Jonanna, Mr. and Mrs. L. V. Basaham and Morris, Mr. and Mrs. J. P. Carson, Jr., and Clay, Mr. and Mrs. Elmo Birkhead and E. P., and a guest, Jimmy Schabaram.

The next meeting will be held June 23 in the home of Mrs. Elmo Birkhead, 1801 West Tennessee Street, at 3 p. m.

Guest Is Speaker At Father-Son Banquet

"The Measure of a Man" was the subject of an address of the Rev. Alde Carleton, pastor of the First Methodist Church in Big Spring, to the Father-Son Banquet of the Methodist Men Tuesday night in the Scharbauer Educational Building.

Each man introduced his son, telling his characteristics and hobbies. The men who have no sons were hosts to Boy Scout Troop 152, which is sponsored by the Methodist Men.

The group presented the Rev. Peters, a retired Methodist minister from Ohio who is living in Midland, a round trip plane ticket to Toledo, Ohio, to attend his conference, which is meeting next week.

Sixty-eight men and boys attended.

QVV Club Hostess With Rush Party In Home Of Pat Boles

The QVV Club entertained with a rush party Wednesday in the home of Pat Boles, Andrews Highway.

Guests were given get-acquainted cards on their arrival and an informal get-acquainted session followed. The table was set with blue and white daisies.

Guests present were Mary Jane Miller, Evelyn Hale, Rosemary Anderson, Barbara Whitson, Anna Bess Doyle, Betty Nix, Sharon Shanks, Agatha Tabor, Grace Boles, Sadie Nugent, Melvina Bradhears, Gale Dickson, Gene Waddell, Ruth Nell Kuykendall and Wilma Lake.

Members present were Peggy Carter, Marijann Forrest, Carolyn Cook, Kathryn Lewis, Margie Carter, Shirley Harrison, Peggy Minnear, Beverly Keisling and Pat Boles.

Dates Are Announced To Walther League

Summer camp and convention dates of interest to members were announced at a meeting of the Redeemer-Grace Walther League in the Grace Lutheran Church here Tuesday night. Members from Midland and Odessa are included in the league.

They were encouraged to attend the Lutheran Service Volunteer School at the LaGrange Camp, June 26-July 2; the Lone Star District Convention in Houston; July 9; the International Walther League Convention, also in Houston, July 10-14, and Walther League Summer camps.

Plans were made for a social at Cloverdale Park at 7:30 p. m. Friday.

The program was a discussion of a Bible lesson based on the third chapter of Proverbs, led by the Rev. G. C. Becker, pastor of the host church. Nineteen members were present.

Newlyweds Arrive At Home In Kermit

PECOS — Mr. and Mrs. Julius W. Eisenwine visited last weekend in Pecos with his mother Mrs. J. E. Eisenwine, and are now at home in Kermit following their marriage June 4 in Huntsville, Ala. The bride is the former Gertrude Dilworth of New Hope, Ala., and the wedding was in the home of her brother, Dr. Thomas E. Dilworth, who gave her in marriage.

Bernice Dilworth was maid of honor and Jack Dilworth was best man. Other attendants were Annie Louise and Corinne Butler, bridesmaids, George B. Butler, Jr., and Thomas E. Dilworth, Jr., ushers. A reception followed the ceremony at which William F. Hall, minister of the Church of Christ, officiated.

Eisenwine is a graduate of Pecos schools, and has served for a number of years as county clerk of Winkler County.

Judge Takes Over Juror Examination in Insanity Trial

LA GRANGE, TEXAS.—(AP)—Over defense protests, Judge James R. Fuchs Thursday began examining prospective jurors for the insanity trial of Dr. Lloyd L. Ross.

The judge hopes the procedure will speed selection of a jury which will determine whether the condemned slayer is to die in the electric chair or be committed to a mental institution.

Judge Fuchs said it is the first time in history the procedure has been used in Texas courts.

"It has never been done before," he said, "but it is under the law."

The judge had become displeased with the slow progress made by state and defense attorneys in the last two days in finding qualified jurors among 54 men examined.

It took the judge 15 minutes to dispose of the first three prospective jurors Thursday. This is the approximate average time for each juror when examined by the attorneys.

The governor said the present tax structure is a "hodge-podge." "Many taxes are imposed which yield little revenue but which are costly to collect and burdensome to the public," he said.

"There is a growing demand on the part of the public for expanded services of the state."

"County and municipal governments are faced with perplexing problems in financing their activities."

"Reasonable and equitable integration of federal, state and local taxes should be planned cooperatively and by the several levels of government."

Full Study First
Earlier this session Jester left the entire matter of how far it should go in spending for such "expanded state services" and how it would pay the bill, up to the Legislature. He said in effect there should be no new taxes until a full study of the tax structure was made.

A much-battered bill to require auto drivers to show they can pay for serious accidents was pending business in the House Thursday.

The Senate Wednesday finally approved a House-passed bill to establish a six-member board to license and regulate the practice of naturopathy.

Also passed with amendments and returned to the House was a proposed constitutional amendment to permit the Legislature to provide for organization of county-city health units and to authorize a property tax of not more than 20 cents per \$100 valuation to finance them when voted approval within the affected area.

Record Attendance Expected At Annual Dairymen's Outing

A record attendance of more than 800 persons is expected at the annual Dairymen's Barbecue at 7 p.m. Friday at Cloverdale Park, sponsors of the event said Thursday.

Midland County dairy producers, their families and employees will be honor guests at the outing, which is sponsored by The Borden Company, Banner Creamery and the Dairy Committee of the Midland Chamber of Commerce. Owners and managers of food stores also have been invited.

An address by an outstanding speaker and several entertainment numbers will feature the program which will follow the meal. A number of special prizes will be awarded.

Bryan Blalock of Marshall, prominent Texas dairy leader, who was scheduled to attend the gathering, will be unable to be here. Chamber Manager Delbert Downing said.

The outdoor events were started here several years ago and each year have increased in interest, attendance and scope.

Expressed belief Congress should extend Regulation W which authorizes federal controls over installment terms and bank credit. The law expires June 30.

Told a questioner the proposal for a Mexican loan for oil development has not come to him for a final decision, but he still favors the idea.

There also were several good-humored comments—on whether he would or wouldn't run again in 1952, on whether he would create a national monetary commission to revamp the money system; on whether he favors a special session of Congress to act on the Hoover Commission's recommendations for government reorganization, and on the progress of the Big Four foreign ministers in Paris.

Former Hump Pilot Turns Bomber; Kills 128 Million Hoppers

WORLD, WYO.—(AP)—Affable Archie Geiser, who railed a lot of C-54 transports over the hump during the war, went on a bombing mission and killed 128 million of the enemy.

His victims were grasshoppers. His bomb load was 7,350 pounds of poison bomb. In 25 minutes over the target area he whipped out enough of the vicious insects to reach end-to-end from New York to Los Angeles.

This happened on a single flight Wednesday. Archie is making about eight a day and will continue this schedule 30 days, which certainly should make him number one on the grasshoppers' blacklist.

Geiser pilots a C-47 which is the spearhead in the government's air war to head off a new grasshopper invasion of the grain belt. About 25 other smaller planes are being used.

Conservative Figure
The 128 million is a theoretical but conservative figure. Ground investigations after previous flights have shown a kill of 90 to 95 percent of the hoppers in the area pecked with poison.

Geiser was bombarding a section in which experts had estimated the "hopper population at a minimum of 20 to the square yard. He sprayed 1,470 acres in the single flight.

Leo Iverson, chief of the ground survey, said that adds up to a minimum of 128,000 dead "hoppers. Geiser must be here through Thursday and move on to another base. He and other pilots are expected in the coming months to wipe out the grasshopper menace over an area of 35,000,000 acres.

Here, say experts of the U. S. Department of Agriculture, the infestation is just as bad as it was in the late thirties when a "hopper plague cost farmers in the Northern Plains states \$250,000,000 worth of crops.

Early-Day Midland History Reviewed At Rotary Meeting

The early-day history of Midland was reviewed by T. Paul Barron, native Midlander, Thursday noon at the meeting of the Rotary Club in the Crystal Ballroom of Hotel Scharbauer. The program had to do with the July 1, 2 and 4 staging of the "Frontiers of Progress" historical pageant which will be a feature of the Trail Days celebration.

Art Cole, director of the pageant, was in charge of the program. The Rev. Howard Hollowell, vice president presided at the meeting.

H. F. Ezzell described the celebration and pageant as the most elaborate and most spectacular ever presented in the Southwest. He told of the various events scheduled in connection with the Trail Days celebration and urged the support and cooperation of the Rotary Club in the community-wide project.

More History
Wallace Wimberly, another native Midlander, told of interesting incidents occurring in the early days here.

Carroll Thomas asked Rotarians to meet Saturday afternoon at the Boy Scout Hut to assist in a painting detail.

John Davis was introduced as a new member.

A post card from Jimmy Smith, club president who is attending the Rotary International convention in New York City, was read by the Rev. W. R. Mann, secretary.

Approximately 900,000 species of animals, more than 600,000 of them insects, are now known.

Modest Price Cuts Might Bring Sales Boom, Survey Shows

By CHARLES MOLONY
WASHINGTON.—(AP)—Modest price cuts might be all this country needs to start sales booming again.

That was the surprisingly simple implication of a Federal Reserve Board survey of consumer buying prospects for the January 5-March 5 period. Announced Tuesday, it boils down to this:

Unless they've changed their minds in the last two and one-half months, the American people have both the money and the desire for record quantities of goods—but at somewhat lower prices.

Automobiles? There were not only more prospective buyers this year than last, but they expected to pay more for their new and used cars, the survey showed.

The finding: Out of 52,000,000 families, 3,800,000 intended to buy new cars and 1,900,000 wanted used cars at costs averaging \$2,060 and \$710 respectively—an overall average of \$1,600.

More Want Houses
Houses? More prospective buyers here, too, than a year ago—some two to three million of them—and they were resigned to higher costs—an average of \$8,200 against the 1948 prospects' \$7,400.

More than 1,000,000 of the 1949 prospects wanted new houses—which is more new houses than will be completed this year. The demand was heaviest for "moderate priced houses of acceptable quality."

For other durable goods—furniture, household appliances, and the like—buying intentions were "slightly weaker early in 1949 than early in 1948," but the "indicated decline in demand was small."

The big question remaining, of course, is whether buyers have undergone a sweeping change of attitude since their marked optimism of early March.

The Reserve Board said there could be no sure answer to that now, but it commented:

"The present situation would appear to highlight the need for more aggressive merchandising programs on the part of many manufacturers, distributors and retailers to tap the latest consumer demand."

That, it said, calls for merchandising "in the broadest sense—that is, producing and selling products of the price, style and quality that consumers are most able and willing to buy."

Flogged Vet Avers He's Waiting With Gun For Assaults

BIRMINGHAM.—(AP)—"I'm getting a gun and I know how to use one."

That was the answer Thursday of a 31-year-old white navy veteran who was flogged by a white-robed gang Tuesday night.

Billy Guyton Stovall Wednesday night told reporters how six or eight robed men dragged him from his home, drove him to a side road, and lashed him 20 times with a leather belt.

Stovall said in an interview: "The only reason they gave me is that I left my children at home alone." He said that wasn't true. Stovall is employed in a pipe plant. Neighbors described him as a good husband and father.

He said he was at home with his two children, Jimmy, 10, and Elaine, 8, when a robed man knocked on the door.

The children were asleep. Mrs. Stovall was at work on a 4 p.m. to midnight shift as a waitress.

One of the hooded men told Jimmy, who had awakened, to "go to your neighbor's house if you get scared."

Scantily Attired
Stovall said he was dressed only in shorts and an undershirt when he was dragged from the house.

He was driven to a lonely area and forced to lie on the ground.

"One man sat on my legs and another one sat on my shoulders, he said. "Then someone began beating me with a white leather belt. It hurt like hell."

Stovall's back was covered with welts.

The flogging was the third incident involving robed gangs in this area within a week. A 42-year-old woman was manhandled and a restaurant owner was forced to watch a cross burning Friday night. Both are white.

Dr. E. P. Pruett, head of the federated Ku Klux Klan in Alabama, said the Klan had nothing to do with the three cases.

Gov. James E. Folsom said at Montgomery he had ordered additional state highway patrolmen to Birmingham.

"I've done all I can but call out the National Guard," he said at a press conference Wednesday. "I'm not going to leave any stone unturned to stop it and don't believe local officers will either."

Water Everywhere But Spigots Dry

HAZELTON, PA.—(AP)—There may be water everywhere, but men and women of Beaver Meadows wonder today whether any will flow through their spigots.

Beaver Meadows is a borough of 3,800. It is located several miles from this Eastern Pennsylvania anthracite-region city.

Normally Beaver Meadows residents get their water from their own Cistern Water Co. But the firm's reservoir ran dry and for six hours—no water.

A deal was made to tap—temporarily, over the weekend—a water pipe owned by the Hazleton Water Co.

Wants Its Pay
But the Hazleton firm wants to get paid. It threatens to turn off the water if the Citizens company doesn't pay some \$5,000 Hazleton claims is owed.

What caused the reservoir to run dry? Health Officer Thomas Williams at Beaver Meadows thinks mine cave-ins caused a change of rock strata and shifted underground water channels.

Beaver Meadows residents don't really care. They just want water.

Cerdan, La Motta Slate Second Weigh-In As Rain Delays Scheduled Battle

DETROIT—(AP)—To avoid the threat of an international boxing incident, both Middleweight Champion Marcel Cerdan of French Morocco and Challenger Jake La Motta of New York's Bronx will weigh in again for Thursday night's title bout at Briggs Stadium. The contest was rained out Wednesday night.

The weatherman promised "partly cloudy" weather for Thursday night.

Long after the Michigan State Boxing Commission first ruled no new weigh-in was necessary, the two managers got together and agreed to let their boys step on the scales a second time.

Jo Longman, the excitable Parisian manager of Cerdan, talked about an "international incident" and the danger of losing the title to a "light heavyweight" when it appeared Jaks and Marcel would not have to weigh in after the postponement.

Both Eat Too Much. La Motta hit 159 1/2 Wednesday noon and it was agreed he would have trouble getting under the 160 pound class limit again Thursday. For that matter, Cerdan, too, will have difficulty although he got in comfortably at 158 Wednesday. Both ate well, thinking no second weigh-in would be necessary.

Cerdan remained the favorite but the five to eight price, however, might melt as much as two points by ringtime for the 16-noon bout scheduled for 9 p.m. CST.

Nick Londres, promoter for the International Boxing Club which is sponsoring the fight, loudly maintained early Thursday that there was a time Wednesday night when Longman threatened to withdraw Cerdan from the fight if the fighters were not required to weigh in again.

Stevens said NBA rules provide for no second weigh-in in cases where there is a 24-hour postponement.

From where I sit... by Joe Marsh

Every spring, Handy Peterson and Easy Roberts patch up the same wall that separates their farms. They walk along talking—Easy on one side, Handy on the other—picking up the fallen stones and putting them back.

Afterwards, over a friendly glass of beer, Easy says, "You know, wall-mending is a nice neighborly custom, but we really don't need that wall. We keep it up just because it happens to be there."

"Yes," says Handy, "a lot of walls and fences and boundaries keep us separating people for no good reason. Maybe we'd all be better off if some of them were torn down, instead of kept standing."

From where I sit, Handy said a mouthful. Take the "walls of intolerance" that people build up against each other. I like a temperate glass of beer now and then, you say prefer buttermilk—but that's no reason for me to criticize you, or you, me. Let's live and let-live together—making more friends and fewer "walls."

Joe Marsh

Bottle Tossing Banned

AUSTIN—(AP)—Put that bottle down, bub. You can't throw it at the referee from now on in Texas. That is, unless you care to pay a fine.

If you think it worth the price—\$5 to \$26—you can go on conking the officials at an athletic contest. And if the referee throws it back at you he'll have to pay, too.

The Texas Legislature formally put into law Wednesday a bill that would prohibit throwing "a bottle, cushion, rock or any other missile at any game."

The legislators had a lot of fun getting it into the statutes. Speaker Durwood Mansford announced he was signing in the presence of the House a bill making sports games illegal—then he grinned.

Are Balls Missiles? What he was amused about was that the way the law reads there could be this question: If the star quarterback flips a long forward pass is he throwing a missile?

The bill was introduced by Senator Keith Kelly of Fort Worth at the request of the Texas Intercollegiate League, an organization that operates athletic programs for thousands of high schools. Kelly at the time said it was "an imperative necessity."

A legislative committee made the bill work two ways—it provided that the referee and players could not throw things—bottles, cushions, rocks, etcetera—either.

Beauty, 'West Of The Pecos'

Here's smiling proof of the winsome beauty of young ladies "West of the Pecos." Shown are two winners of the coveted title of "Miss Southwest" crowned annually at the all-Southwest bathing beauty revue in connection with the Fort Stockton Water Carnival. Pretty Velma Cummings of Pecos has just been crowned "Miss Southwest 1949." And pretty Anne Mims of Fort Davis and Alpine, smiles her approval. She was the 1948 winner. Miss Cummings won over a field of 25 lovelies from all parts of West Texas. With her title goes a free trip to Hollywood.

Once again, Roswell, N. M., has demonstrated a healthy desire to keep baseball alive there. A group of Roswell citizens have purchased the ball club, park, franchise and everything that goes with it.

The Borger club of the West Texas-New Mexico League bought the Roswell team from Bill Moore last month but Roswell citizens wanted it to be a full-fledged Roswell outfit. Hence, the purchase of the entire set-up by Roswell interests.

Midland fans are showing more and more interest and backing for the Indians as the season grows older. A big splurge of cash was turned loose by fans at Sunday's double-header. Marty Fillgano, Julian Pressley and Pat Romanello collected quite a little for their home runs and several of the other boys were paid five bucks each for hitting doubles. One fan, who represented the Llano Barber Shop, offered and paid five dollars for each extra-base hit of the game by a Midland player.

Credit the fans with an assist. They're showing real baseball enthusiasm.

The Big Spring Bronco, who will be at Indian Park again Thursday night for the finale of a two-game series, received a strong reprimand from several sources, including President Hal Sayles, for their alleged stalling in a game at Sweetwater last week.

Th. Swatters scored 13 runs in the early innings and it was threatening to rain at any minute. Sweetwater sources, the umpires, the league office and others declare many of the Big Spring infielders turned the game into a circus of misques, etc. in an effort to stall it out until the rain came.

Texas League—Sport-Eagle Battle For Top Limb Moves To Dallas Thursday

By The Associated Press

The eyes of Texas League baseball are on the tense, bitter series between the first-place Dallas Eagles and the second-place Shreveport Sports that continues in Dallas Thursday night.

The Eagles and the Sports split a double-header Wednesday night in Shreveport. Both games went extra innings. The opener, scheduled for seven innings, went one extra frame before Dallas won 8-3. The Sports capped the nightcap 6-4 in ten frames.

Dallas holds a game and a half edge over the three games in Shreveport.

The third-place Fort Worth Cats, only two games behind Dallas, swept a three-game series with the Beaumont Exporters with a 7-6 victory.

Fifth-place Oklahoma City gained a full game on the fourth-place San Antonio Missions, downing the Missions 12-2. Tulsa tagged Houston 5-3.

The cavalcade of pitchers continued in the loop Wednesday night. A total of 28 hurlers toiled in the five games.

More than one-third of the year is devoted to religious rituals by the Hopi Indians.

Eddie Waitkus, Shot By Bobby Soxer, Reported Slightly Improved Thursday

CHICAGO (AP)—Eddie Waitkus, popular Philadelphia Phillies first baseman who was shot by a 19-year-old girl admirer, was reported "a bit improved" Thursday.

The bobby soxer assailant who was secretly in love with him was summoned into felony court on a charge of assault with intent to murder the star player, who was shot near the heart by a .22 caliber rifle bullet.

Hospital authorities, who termed his condition "fair to poor" Wednesday, said Thursday morning he was better.

Oxygen and blood plasma were administered to the 28-year-old ball-

player but physicians delayed an operation to remove the bullet still lodged in his chest.

His physician at Illinois Masonic Hospital said Waitkus rallied from several low spells Wednesday. A lung specialist described his condition as "much improved but still guarded."

Ruth Steinhagen, 19-year-old typist, in statements to police related how she shot Waitkus, her baseball hero, after she lured him to her hotel room Tuesday night. The tall, dark-haired girl told and retold her story of the shooting in her 12th floor room at the fashionable Beach Hotel.

Told by State's Attorney John S. Boyle that the shooting was a serious offense, she replied: "Oh, it's just a simple one." Asked if she was sorry, she said:

"I'm not really sorry. I'm sorry Eddie has to suffer so. I'm sorry it had to be him. But I had to shoot somebody. Only in that way could I relieve the nervous tension I've been under the last two years. The shooting has relieved that tension."

Ruth's mother, Mrs. Edith Steinhagen, and her girl friends said she had a secret crush on Waitkus, who is single, ever since the first saw him play ball with the Cubs in 1947.

Waitkus was with the Cubs three years.

Mrs. Steinhagen said her daughter had visited two psychiatrists who told her "nothing was wrong with her except that she should forget about Waitkus."

Waitkus went to Miss Steinhagen's room late Tuesday night in response to a note she sent him that she had something "important" to tell him. Some of her girl friends said she had written Waitkus many letters and telephoned him whenever he was in Chicago. But her letters and telephone calls went unanswered until Tuesday night.

Waitkus Leaves In Ambulance

(NEA Telephone) Veteran Baseball Star Eddie Waitkus is placed in an ambulance after being wounded seriously by Ruth Steinhagen, a 19-year-old Chicago typist. Waitkus, in Chicago with the Philadelphia Phillies, was lured to the girl's room by a letter delivered to him by a bellboy.

Coastal Circuit Cracks Down On Code Violations

PORTLAND, ORE.—(AP)—College athletics in the Pacific Coast Conference emerged freshened Thursday by a \$21,105 purity bath.

Total fines to this extent for athletic code violations the last twelve months were slapped on ten members of the big circuit in the Far West. The faculty members of the organization went all out Wednesday in winding up affairs of the Spring convention here.

Some of the penalties were man-sized. The University of Washington drew the largest fine—\$5,500. The University of Idaho was a runner-up with an assessment of \$4,010.

Fines ranged down to a trifling \$120 listed against Oregon State College.

Behind Washington and Idaho, the fines graduated down as follows: Washington State College \$3,720; Stanford \$2,800; Southern California \$2,370; Oregon \$1,900; The University of California at Los Angeles \$555; California \$350; The University of Montana \$200; Oregon State College \$120.

Many penalties were inflicted for highly technical reasons. Commissioner Victor O. Schmidt said a number of violations that brought fines to the coast group would not have been considered infractions under the so-called "Sanity Code" which governs the National Collegiate Athletic Association.

Specific violations by the schools were not made public. They occurred in 26 categories.

Other pairings in the first round Thursday were: Pat Garner, Midland, 87, vs. Mrs. G. V. Lullie, Odessa, 91; Mrs. T. L. Sampson, Lubbock, 92, vs. Bonnie Awtry, Odessa, 88; Mrs. Carl Mahon, Abilene, 91, vs. Mrs. Spearl Elison, El Paso, 87; Mrs. Ted Huestis, Odessa, 87, vs. Mrs. Bill Powell, San Angelo, 80; Mrs. E. A. Dietz, Fort Worth, 88, vs. Mrs. R. B. Leavett, Abilene, 92.

WT-NM League—Albuquerque Wins Twin Bill To Gain Ground On Pursuers

By The Associated Press

The league-leading Albuquerque Dukes have gained a game and a half on second-place Abilene in the West Texas-New Mexico League race.

Abilene swept a double-header from the Pampa Oilers Wednesday night, 3-2 and 5-3. They now lead Abilene by two and a half games.

Clovis downed Abilene 4-3. Third-place Berger climbed to within half a game of Abilene by defeating Lamesa 3-1. Lubbock and Amarillo split a twin bill. Amarillo won the opener 3-2 while Lubbock took the nightcap 4-1.

Abilene copped the opener from Pampa with two unearned runs in the sixth inning.

MAJOR LEAGUES—Phils Gain Ground In NL Fight

By JOE REICHLER
Associated Press Sports Writer

The Philadelphia Phillies swept a doubleheader from the Chicago Cubs 4-1 and 3-0 Wednesday to move into a virtual tie with Boston for third place in the tight National League race. The Brooklyn Dodgers' eight-game winning streak came to an end Wednesday night when the St. Louis Cardinals whipped a new 19-hand out their first-place margin over the Redbirds to two games.

Pittsburgh's Pirates came from behind with a four-run rally in the last of the ninth to nip the Braves 8-7.

The American League-leading New York Yankees opened up a four-game lead over Detroit, whipping the Chicago White Sox 9-4 while the Tigers were losing a 2-1 game to Philadelphia. Cleveland sank the Boston Red Sox deeper into a rut, drubbing the Sox 8-5, and Washington stayed in fifth place, shutting out the St. Louis Browns 9-0.

The Giants were rained out at Cincinnati.

Close Games Played In Softball League

The softball games at Wadley Field Wednesday night were completely opposite of the make-up games played Tuesday night. The Wednesday contests were well-played and tight all the way.

Standard of Texas whipped The Reporter-Telegram 6 to 4 in the opener. The Reporter shortstop dropped a pop fly with the bases loaded to give Standard the edge.

Joe's Gulf stayed in the first division by edging the Rebels 4 to 1 in the nightcap.

Friday night Shell will play league leading Western Plastic in the opener. Rendezvous meets Rotary Engineers in the second game.

Softball Managers To Meet Thursday

Managers of teams in the Midland Softball League will meet at 8 p.m. Thursday on the mezzanine floor of Hotel Scharbauer. Commissioner Claude Watkins will preside.

League business and plans for operation of the league in the future will be discussed.

Broncs Take Easy Victory In Opener

The Midland Indians play hosts to the Big Spring Broncs in Indian Park again Thursday night in the final game of their two-game series. The Indians will be trying to break a three-game losing streak.

Ralph Blair, fire-ball right hander, is the probable starting hurler for Midland. Manny Rodriguez or Gumbo Helba probably will start for the Broncs.

By SHORTHY SHELburnE

The Midland Indians scored one run in the first inning at Indian Park Wednesday night and then took turns at kicking the ball on fielding chances to give the Big Spring Broncs a 6 to 1 victory. Lefty Ernie Nelson did a good job of matching pitches with the Longhorn League's leading hurler, Julio Ramos, but his backing would be given by a bunch of sick Eskimos.

From the time Bobby Rose fumbled his first chance in the first inning until he kicked the third one in the ninth, Big Spring had the upper hand. The Broncs got only one earned run, that one a homer by Ace Mendez to lead off a two-run third frame.

Potat. Pascual singled following Mendez's homer and advanced on a single by Vasquez. Then Rose booted one to let him in. That made it three to one in favor of Big Spring.

Midland loaded the bases in the last of the fourth with one out and the next two men popped to the infield.

It was Ramos all the way after that. He whiffed 12 of the next 18 men to face him, while the other six could garner only two singles and a walk.

Big Spring added another run in the seventh on a single by Mendez and an error by Julian Pressley. In the ninth, singles by Pat Stacey and Pascual plus Rose's error gave Big Spring the clincher.

The Indians didn't collect an extra-base knock off the slants of Ramos and not a man in the lineup was able to get more than one hit.

The Midland nine proved only one thing of note during the game. Ramos can be hit and he can be driven from the box if any opposing team ever bunches it hits in the early innings. The Indians were on the verge of routing Stacey's ace in the fourth but all ended as suddenly as it started.

Longhorn League
Broncs, Swatters, Dusters, Rockets Are Loop Winners

By The Associated Press

The league-leading Big Spring Broncs are bowling over the opposition and the fifth-place Roswell Rockets are making a strong bid for the first division in the Longhorn League.

Big Spring won an easy 6-1 victory over third-place Midland Wednesday night. Second-place Vernon—seven games back—kept the pace with a 10-4 decision over Odessa.

Ace Mendez of Big Spring hit a home run, a double and a single in five trips to lead the Broncs. Vernon scored four runs in the fourth inning to decision Odessa. Roswell counted four times in the seventh to down San Angelo.

Sweetwater won over Ballinger on Bill Peeler's two-run, inside-the-park homer in the eighth.

Ranchland Hill Club Schedules Barbecue

More than 250 persons are expected to attend a barbecue at the Ranchland Hill Country Club at 7 p.m. Friday.

The event will be held at the new clubhouse.

Committee leader, making arrangements for the big event, is Leon Pickett. His able committee members include D. G. Roberts, J. P. Carson, Jr., Jack Prothro, Red Watkins, Gene Bruensen, Leland Huffman, Gayle Crawford and Al Leeper.

Ranchland Hill members and their guests will attend.

Midland Firemen Attend State Fire Marshal's Meeting

GALVESTON, June 16—(Special)—Two members of the Midland Fire Department and their wives are in Galveston for the 73rd annual convention of the Firemen's and Fire Marshals' Association of Texas, which will continue through Thursday.

The Midland delegation includes Fire Chief J. T. Walker and Mrs. Walker, and Mr. and Mrs. James L. Tidwell.

LORD DERBY'S ALICIDON BEATS U. S. B-BEED FAVORITE

ASCOT, ENGLAND (AP)—Lord Derby's Alicidon won the two mile and a half Ascot Gold Cup Thursday, defeating the American-bred favorite, Black Tarquin, from the English stables of William Woodward.

Major Clubs Make Few Player Deals As Deadline Passes

NEW YORK (AP)—The deadline for major league deals passed at midnight Wednesday, but the "big deal" never came off.

Nobody was sure what the "big deal" would be. But anybody who put any stock in the hundreds of rumors that were floating around must be surprised to find so few changes.

These were the deals completed in the final hours:

Pittsburgh bought outfielder Ed Sauer from the St. Louis Cardinals and then peddled him to the Boston Braves for Catcher Phil Masi. The Pirates promised the Cards a minor league player at the end of the season and tossed in considerable cash in the Boston transaction.

Cincinnati and the Chicago Cubs swapped four outfielders. Hank Sauer, older brother of Ed, and Frankie Baumholtz went to the Cubs in exchange for Harry Walker and Harry Lowrey.

Pittsburgh also sold infielder Bobby Rhawn to the Chicago White Sox for the \$10,000 waiver price.

The only American League deal of the closing days was completed Monday when Boston sent Catcher Walker Cooper. The next day the Giants sold another catcher, Mickey Livingston, to the Braves for the \$10,000 waiver price.

15 Scouts Will Receive Awards

Fifteen Boy Scouts of Midland will receive awards at a district Court of Honor to be held at 7:30 p.m. Thursday in the district courtroom of the Midland courthouse.

Scouts to be honored include: Bill Crenshaw, Paxton Howard, Waldo Leggett, Edward Wooten, Roy Lee Wallace, Keyes Curry, Zack Taylor, Tommy Yarnham, Bus Bray, Ronald Allison, Felix Sommers, Tommy Brown, Clinton Hamlin, Bill Sommers and Donald Webb.

Reports On Mexico Cattle Disease Fight Titled Encouraging

WASHINGTON (AP)—Representative Eugene Worley (D-Texas) said Thursday latest reports are encouraging that the foot-and-mouth disease in Mexico cattle will be wiped out.

He said these reports on the campaign "contain several facts that are more encouraging than anything I have heard from Mexico for more than a year."

Worley declared all susceptible animals in the infected area have been vaccinated at least once and more than 3,500,000 animals twice and that not a single case of infection had been found following the second vaccination.

Junior Legion Meel Scheduled Thursday

Representatives of the 10 teams in this district of the Junior American Legion baseball organization will meet at 7:30 p.m. Thursday in the American Legion Hall here.

A schedule for the baseball campaign will be drafted and other business will be discussed.

Teams to be represented include Coahoma, Big Spring (three teams), Stanton, Odessa, McCamey, Fort Stockton, Lamesa and Midland.

Longhorns, Sooner Aggies Open NCAA Playoff Thursday

AUSTIN (AP)—Texas and Oklahoma A&M square off here Thursday in the opening game of a series to determine the regional representative in the National Collegiate Athletic Association baseball tournament.

Oklahoma A&M represents District 5 and Texas District 6.

Texas planned to start its ace pitcher, Murray Wall, who has a 9-2 record for the season, against Bill Hutchison of the Aggies, undefeated in seven starts.

The second game will be played Friday afternoon. If a third is needed it will be played Saturday night.

Texans Charged In Kansas Burglary Try

TOPEKA, KAN.—(AP)—Two Amarillo, Texas, men were charged with attempted burglary here Wednesday after police caught them sawing their way into a drug store. One FBI man said the pair had enough high explosive to "blow every safe in Topeka." They also were armed.

Officers identified them as Richard Johnson, 25, and Jack Lee Taylor, 29. They surrendered after officers surrounded the building.

Catgut used for violin strings and surgical sutures is not from cats, but from sheep, according to the Encyclopedia Britannica.

Glamorous Mermaids Catch GI Eyes, Rocks

YOKOHAMA, JAPAN.—(AP)—The "Glamorous Mermaids" caught the eyes of the American GIs at the Yokohama Trade Fair. The Japanese girl swimmers were cavorting in an over-size fishbowl on a stage.

The GIs thought they would have some fun. They threw a couple of rocks at the bowl. It broke. The spectators down front—including the Americans—were flooded out.

There were about 178,000 sailboats in the United States when the 18th amendment became effective.

Mrs. Garnier Tells Jury Of Threat Made On Her Life By Owen

RIVERSIDE, CALIF.—(AP)—"He came at me shouting, 'I'm going to kill you!'" Mrs. Agnes Garnier testified at her trial on charges of murdering her wealthy boss, John E. Owen, friend of Actress Irene Rich.

The handsome 53-year-old divorcee is accused of shooting Owen, 68, president of the National Apartment House Association, at his lavish Jurupa Hills rancho near here April 22.

"I ran," she testified Wednesday, "grabbed the gun out of his hand, and the next thing I knew he stood up and that right arm of mine was pointing toward the ceiling. It seemed frozen. Mr. Owen was on the floor. I don't know how I got the gun away from him."

Mrs. Garnier told the all-woman jury the death struggle started after she failed to admire a set of cocktail glasses Miss Rich had given Owen.

Was Drinking Brandy

On the fatal evening, Owen had become drinking brandy and became angry when she asked him to stop, she testified. She said Owen slapped and cursed her when she tried to make him lie down in his bedroom. She left the room and he followed her, waving the gun, she added.

Asked if she were afraid when she tried to take the gun from Owen, Mrs. Garnier replied: "It didn't dawn on me to be afraid. I wanted to get the gun and put it away to keep anything from happening to me or Mr. Owen."

The prosecution introduced a letter it said Mrs. Garnier wrote Owen from New York this year.

"You may do as you please, and the same applies to me," the letter said. "I'm terribly happy if you have found someone you love and can be happy with . . . if it is Mrs. Owen or Irene Rich. I don't care . . . please, let's be happy. I'm still happy . . . so long, Mr. Owen, have a good time." It was signed "Agnes."

With the presentation of Mrs. Garnier, the defense rested its case.

U. S. Oil Imports And Exports

U. S. OIL IMPORTS AND EXPORTS—Chart shows up and downs as we buy and sell petroleum products in the world market. Note that greatest export year was wartime 1944, when we were shipping 567,300 barrels a day of crude oil and refined products abroad. Only in 1948 did imports exceed exports. Last year we imported 512,800 barrels a day, exported only 368,700. Figures from Interior Department's Oil and Gas Division, do not include transactions by the U. S. military.

Texas Division Is Praised By Fourth Army Commander

NORTH CAMP HOOD, TEXAS.—(AP)—Texas' 36th Division was busting its buttons Thursday over some praise from Gen. Thomas T. Handy, Fourth Army commander. The general Wednesday told the division, now in the Texas National Guard encampment here, that "Everything I've seen in the 36th Division is fine."

The training shows evidence of being very well organized, he added. General Handy spoke at a press conference.

"If it were mobilized and given enough fillers to bring it up to full strength it would be ready for combat in a very reasonable time," he declared. General Handy indicated continued improvement of North Camp Hood for use as a National Guard Summer training area. More than 75,000 U. S. nurses served with the armed forces all over the globe during World War II.

Rhode Island Man Named President Of Rotary International

NEW YORK, N. Y.—Percy Hodgson of Pawtucket, R. I., was elected president of Rotary International at the closing session of its 40th annual convention here Thursday. Delegates representing 6,800 Rotary Clubs with membership of 330,000 business and professional executives in 81 different countries attended the four-day meeting of the world-wide service organization.

Hodgson is president of the Parkin Yarn Mill, a former committee member of the U. S. Chamber of Commerce and vice-chairman of the Rhode Island Development Association. In Pawtucket, he is a director of the St. Andrew's School for Boys, the YMCA and the Salvation Army. He is a member and past president of the Rotary Club of Pawtucket, and has served Rotary International as director, district governor, and as committee chairman and member.

New Directors Elected to Rotary's 1948-50 Board of Directors were Shapoorji B. Billimoria, Bombay, India; Conrad Bonnevie-Svendsen, Oslo, Norway; Adolfo Casablanca, Rosario, Argentina; Ernest LeRouville, Paris, France; John Mackie, Hounslow, England; Angus S. Mitchell, Melbourne, Australia; Curt E. Wild, St. Gallen, Switzerland, and six additional directors from the United States and Canada.

One of the largest conventions to be held anywhere this year, the Rotary convention attracted more than 20,000 Rotarians and members of their families from 50 countries of Europe, Asia, Africa, and North and South America.

Rotary's 1950 convention will be held in Detroit, Mich., the week of June 18.

Three Men Burned Seriously As Boat Explodes, Sinks

HOUSTON.—(AP)—The 26-foot shrimp boat Judy exploded at its pier in Seabrook early Thursday and sank at her moorings, sending three seriously burned men to a hospital. Owner Clifford J. Landry, 50, of Houston, Captain Bliss Hart, 56, of Seabrook, and deck hand Leonard Priest, 17, of Seabrook, were the victims.

They had gone out to prepare for the day's shrimping and had started the motor. The boat blew up and sank under them. Deputy Sheriff Jake Bussey of Baytown said the explosion probably was caused by an accumulation of gasoline in the bilge.

Stock Market Leans Slightly Upward

NEW YORK.—(AP)—The stock market leaned slightly upward although a fair number of key issues found the going a little rough.

The upward trend, slight though it was, followed one of the sharpest rises of the year in Wednesday's trading. It was the third session in a row in which the price level either has held steady or advanced. On Monday the market dropped to a 4 1/2-year low.

Lucky Strike Opens Huge Ad Campaign

NEW YORK—Scheduling almost 1600 daily newspapers in the United States, Alaska and Hawaii for twice-a-week insertions ranging 1440 to 600 lines, Lucky Strike has embarked on one of the largest Summer advertising campaigns in history. The ads, which began appearing June 7, will run on Tuesdays and Thursdays.

Theme of the campaign is that at auctions Luckies pay millions of dollars more than official parity prices for fine tobacco.

All ads feature testimonials of independent tobacco experts—warehousemen, auctioneers and buyers—with pictures of the men quoted.

The same theme will prevail in magazine advertising, with Lucky Strike using the publications on its schedule, and will be coordinated in radio commercials. "Your Hit Parade" will continue on Saturday nights over NBC, while "Your Hit Parade on Parade" will be heard on Sunday nights over CBS until Jack Benny's return to the air in the fall.

A stepped-up merchandising program accompanies the huge advertising campaign.

Crane News

CRANE — Citizens and businessmen of Crane recently participated in a clean-up campaign that showed decided results in the appearance of the city. The campaign was sponsored by the Lions Club.

One of the twin daughters born to Mr. and Mrs. O. F. Blank of Odessa recently, failed to respond to the treatment administered and died Sunday night at the Woods Hospital in Odessa. The baby girls weighed four and a half pounds. The smallest failed to survive.

Mr. and Mrs. R. N. Hester are spending their vacation with relatives in Blooming Grove. They plan to visit New Orleans, La., before returning home.

Recent guests of Mr. and Mrs. Hugo Huffman were Miss Elizabeth Ahren of Minneapolis, Minn., and Miss Maude Blacktone of Ovid, Colorado. Miss Ahrens was supervisor of nurses at the hospital in Ann Arbor, Mich., when Mrs. Huffman completed her training course in nursing. Arriving later were other out-of-state visitors, Mrs. Wayne Fox of Birmingham, Mich., and her two children, Nancy and Robert. They will spend several weeks in the Huffman home.

Sheriff M. O. Lear has been called as a witness in the case of John Wayne Dennis. The trial is being heard in George West, Texas. Dennis, who formerly lived in Crane, is on trial in connection with the slaying of his brother-in-law.

Mr. and Mrs. A. J. Blanton and Mr. and Mrs. John Lewis were in Bund recently to attend the funeral of Mrs. Blanton's grandfather, W. K. Millican.

Mr. and Mrs. W. T. Cantrell and daughter, Yvonne, were visitors in Richland Springs recently. Yvonne remained for an extended visit.

Mrs. Leona Jewell of Clovis, N. M. and Mrs. A. Young of Crane, have been visiting with their parents for the past week.

Mr. and Mrs. John Hood of Albuquerque, N. M., recently were over-night guests in the home of Mr. and Mrs. L. L. Martin. Both were former teachers in the Crane school system. Mrs. Hood is the former Winnie Mae Gressett.

Authorization was given for the issuance of \$38,000 in permanent improvement refunding bonds to take up warrants issued against the court house construction fund, at a recent meeting of the Crane County Commissioners Court. In addition values were set for personal property taxes, bids accepted for re-roofing the Community Hall, and plans discussed for the purchase of a new truck.

Men's Fellowship of the First Christian Church held its first meeting at the home of M. G. Singleton recently. Plans were made for the future activities of the group.

Paul Drake of Dallas and Hayden Head, Jr. of Corpus Christi are visiting his grandmother, Mrs. Inez Keith Elmore.

Drillsites Boom To 102 For Year's High In Midland Area

Actively loosened up over the past week in the Midland all areas and new locations boomed to total 102, setting a new record for drillsites stacked per week over the past year. Included were wildcats in each of Lubbock and Pecos Counties, and two semi-wildcats in Scurry County.

Largest number of drillsites went to Cochran County, which came up with 23. Andrews gained 12 and Pecos 11.

Ector, Garza and Hookley Counties each took nine locations. In addition to the semi-wildcats, Scurry showed eight drillsites.

Crane had seven new explorations. Three locations were made in each of Howard and Winkler Counties.

The remaining drillsites were stacked one each in Dawson, Gaines, Sterling and Ysotum Counties.

Figures are based on files of the oil and gas division of the Railroad Commission of Texas. The office also showed amended forms altering previously stacked locations in Cochran, Loving and Winkler Counties, one in each.

Here's a NEW party-line customer!

This little fellow may be enjoying the protection of a telephone because you are sharing telephone service with his family or some other family on a party line.

Were it not for party lines, thousands of people—now being served—would still be waiting for telephones despite all the effort we've been able to put into the manufacture and installation of new telephone equipment.

If you are on a party line, you'll find courtesy and neighborly co-operation pay big dividends in better service. A party-liner who is thoughtful of the other fellow may well find that the other fellow will be thoughtful of him.

Training Course For Scout Leaders Slated At Kermit

KERMIT—A basic training course for adult Boy Scout leaders of the Keystone district will open here Monday night, according to P. C. Shands, chairman of the training program. Two meetings, one Monday and the other Tuesday, will be held in the Kermit Boy Scout Hut, and the third in the Wink school building. The final session, June 23, will be held out side in the form of a picnic.

Scout skills, troop operation, program planning and other phases of Scout leadership will be studied by all persons 18 years or older who are interested in Boy Scout work. The program is sponsored by the training committee of District 5. Members of the committee other than Shands are Roy Carter, district chairman; G. E. Thompson, Atkin Cook, R. A. Lipscomb, and Jerry Stephens.

Ronald Stroud Heads Kermit Ex-Students

KERMIT—Approximately 200 ex-students of Kermit schools attended the homecoming of the Alumni Association last weekend. Ronald Stroud, Kermit, was elected president, succeeding J. R. Conce, Jr. Freeman Underwood was named vice president and Mrs. Stroud, the former Doris Storey, was named secretary-treasurer.

The three-day program included a barbecue supper Friday night, a dance in the American Legion hall Saturday night, and the business meeting Sunday morning.

Light Behind The Poles' Iron Curtain

WROCLAW POLAND — (AP) — Poles are pushing a broad program of "let there be light" in the farming areas surrounding this former German city of Breslau. A big electrification drive is underway. The Lower Silesian Power Plants reported electricity service had been supplied to 87 villages thus far this year. That includes 14,000 rural homesteads. The association plans to extend service to 280 more rural communities by the end of 1949.

Non-Skid Kid

Bathtub spills are on their way out, say the inventors of a new non-skid solution to be poured into bath water. Here Laurie Phillips, 3, keeps her balance as Mrs. Eugene Farmer tilts the tub, treated with the liquid, at the first International Inventors Exposition in New York. Mrs. Farmer's husband manufactures the solution.

'Work Races' Speed Polish Production

WARSAW — (AP) — The national conference of metal workers here reported nearly 42,000 employees now are participating in "work races." These workers, who have pledged themselves to exceed production targets assigned to them, receive extra pay bonuses. Only 19,000 workers were enlisted in "work races" a year ago.

Daddy Ringtail

By WESLEY DAVIS

Daddy Ringtail And Mr. Big Head

The Huffen Puffen came a-swaggering and a-swaggering up the Elephant Path, walking his most important walk to show how important he thought he was. The Huffen is a friendly wolf and a very important fellow indeed, he thinks. He was a very proud to be wearing a hat that was new from a store in town. The Huffen climbed up the ladder to Daddy Ringtail's monkey house. Daddy Ringtail met him at the door, and in they went to do some talking. Daddy Ringtail took Huffen Puffen's new hat and put it on the table beside a very little hat that belonged to Bobby Ringtail, the monkey boy. "I am a very important fellow, I am," said the Huffen. Daddy Ringtail smiled. He didn't have a chance to say anything.

When the Huffen starts to talk about how important he is, nobody else can say a word unless maybe a "yes" and a "yes indeed," when the Huffen stops to take a breath. "Ah me, and ah yes!" the Huffen said again. "I am the most important fellow there ever was, and I have a new hat, I do."

The Huffen waited for Daddy Ringtail to say a "yes indeed," but Daddy Ringtail didn't say it. Instead he said: "Huffen Puffen, you're all the time talking about how important you are, and your head is getting bigger and bigger." Daddy Ringtail was saying it something that people say very often. When a somebody thinks he is very important, people say he has a big head. But the Huffen didn't understand. He thought that Daddy Ringtail was saying that his head was really getting bigger and bigger indeed. The Huffen laughed to think it, and he reached out to the table for his hat to put it on and show that his head wasn't bigger at all.

He put the hat on, but the Huffen's head was much too big for the hat, and the Huffen was frightened indeed. He was afraid that

he had talked so much that his head had grown bigger than it ought to be. Well it hadn't really happened, of course. It was Bobby's hat that the Huffen had picked up by mistake. But it was enough to scare the Huffen awfully, and he said no more of how important he was—that day, anyway. Everyone was glad with the rest from hearing it. Happy day! Hasty Purchase Of Vacation Togs May Be Costly Mistake

By ALICIA HART
NEA Staff Writer

Some of the costliest mistakes made by vacationers can be chalked up to haste in buying new duds for a holiday.

Nothing could be nicer, of course, than having new clothes for a vacation. Smart, spanking fresh finery which serves to bolster self-confidence will help you to master your new environment.

New finery will fill that bill, however, only if it meets a wardrobe need, fits perfectly and travels well. The ability to meet these demands should be the test of every garment considered as a contender for limited luggage space.

So often, the clothes which are bought on a last-minute impulse to have "something new" go back in the suitcase after the first vacation try-out.

Perhaps they can be fitted to your figure and adapted to your wardrobe needs when you return home, but even so, such new clothes will not have added anything to your vacation.

Rather than risk cluttering up suitcases with clothes which you can't wear—this must be a typical problem or so many women wouldn't admit making such mistakes—plan in advance and with care what your vacation wardrobe will require. You can make doubly sure that every addition is going to fill the bill by giving each play or swim suit, dance frock or pair of slacks a dress rehearsal by wearing these clothes at home before you pack.

If the dining table needs to be crumbed, after the dishes have been removed and the guests still are seated, use a small plate and a small napkin.

This three-legged chicken really is a shopper stopper. The unusual bird arrived in a shipment to a Cleveland, Ohio, poultry shop but won't end up on someone's dinner table. She's on display in the store window and owner Andy Hovevar says he'll keep the hen as a pet.

Make A Father's Day Cake For Dad

On Father's Day, June 19, surprise Dad with a cake baked especially for him . . . a cake which, according to legend, was a favorite of Sam Houston, father of Texas. Sam Houston, great Texas patriot, hero of San Jacinto, president of the Texas Republic and first governor of Texas, like most Texans of today was fond of good cake. According to legend he had a favorite recipe.

The recipe is reprinted from "Aunt Cora's Book of Unusual Cakes and Cookies" compiled by the Imperial Sugar Company at Sugarland, Texas.

The recipe was brought South when Texas was struggling for independence. It has been handed down from generation to generation and today it lives up to its glamorous past. Here's the recipe:

Sam Houston White Cake
3/4 cup butter
2 cups granulated sugar.
1/2 cup milk.
1/2 cup water.
3 cups sifted flour.
3 teaspoons baking powder.
6 egg whites, beaten until stiff but not dry.
1/3 teaspoon lemon, rose, or almond extract.

Cream shortening until soft and light. Add sugar gradually and continue creaming for several minutes to incorporate as much air as possible. Mix flour and baking powder and sift three times. Add extract to milk and water. Add flour alternately with liquid to creamed mixture, beating well after each addition. Beat egg whites until stiff but not dry and fold immediately into batter, blending thoroughly but quickly. Avoid beating. Pour batter into three greased and floured 9-inch layer cake pans. Bake in moderately hot oven (375 degrees F) for 30 minutes. Cool for 5 minutes and remove from pan onto wire rack.

For a pure white cake, put White Mountain Frosting or Fluffy Uncooked Icing between and on top of layers. For a different flavor, add chopped candied orange peel to frosting instead of extract or decorate top with candied fruits, colored candies or colored icing.

White Mountain Frosting
2 cups granulated sugar.
2 teaspoons white Karo syrup.
2/3 cup hot water.
3 egg whites.
1/4 teaspoon cream of tartar.
10 or 12 marshmallows.

Put sugar, water and Karo syrup over slow fire and stir until sugar is dissolved and mixture begins to boil. Cover for 2 or 3 minutes to wash down crystals. Allow syrup to boil vigorously until it spins a thread (soft ball stage). Add marshmallows and remove from fire. Beat eggs and cream of tartar until stiff. Pour syrup very slowly into eggs. Be sure that syrup goes into the eggs and not on sides of bowl. After 1/4 of the syrup has been added it may be poured more rapidly. Beat until cool. Frosting should hold its shape when dropped from spoon. Keep over hot water while frosting a cake to prevent its becoming hard.

Yield: Sufficient for top and sides of a three-layer cake.

For a colorful Texas touch you can mold your top decoration into a star and garnish with Texas peccans.

Humanities' Aches Clue To Weather

LONDON—(P)—A. J. Whitten, 53, is a London taxicab driver, a fellow of the Royal Meteorological Society and an observer of pains and weather.

In his "Pain Observation" book he wrote down 4,500 records of aches in 1948 sent him by suffering humanity. At his own weather station at his home in nearby Worcester Park, Surrey, he kept daily climate data.

Now he has matched this information and come up with what a lot of old timers could have told you before: Sudden pains are a sign of rain.

Soap and water will not hurt the wiring or affect the operation of an automatic blanket. You should make sure it is clean and safeguarded from moths, before storing it.

C. E. Christian Is Named President Of Kermit 20-30 Club

KERMIT — C. E. (Crickett) Christian was named president of the Kermit 20-30 Club at a recent Ladies' night meeting. Ted White was elected vice president. Freeman Underwood is the retiring president.

The group first met at the County Barn for a barbecue supper and adjourned to the VFW Hall for the business session. Dick Findley, new club member, was introduced.

President Underwood announced the club had been invited to attend a charter meeting for the Grand Falls 20-30 Club and installation of officers for the Pecos and Monahans clubs at Balmorhea State Park June 25.

+ McCamey News +

MCCAMEY—Mrs. Iva Evans, head sales woman of the Bone's Ladies Apparel, won third prize in a statewide contest of the Biederman Company, manufacturer of suits and coats. The contest required a slogan and a letter describing the selling points of the garments.

The Ladies Auxiliary of the McCamey Country Club will sponsor a supper at the club Sunday night.

I. D. Lawrence of McCamey has filed suit against the Pacific Employers Insurance company for damages totaling \$10,025. The case alleges that he suffered an accident while working for the Maloney-Crawford Tank and Manufacturing company that caused the loss of his right eye and impaired the vision of his other eye.

Mr. and Mrs. Doug Reeves and daughters returned recently from a vacation in Ranger where they visited Mr. Reeves' mother.

Mr. and Mrs. Beeler Brown have been transferred to Grand Falls. Mr. Brown is an oil company employe and Mrs. Brown has been employed at the Cooper Hospital for the past two years.

McCamey residents attending the Bierschwald funeral in San Angelo on Friday of last week were: Mrs. Iva Evans, Mrs. F. Patterson, Mrs. Burley McCollum, Mrs. Don Smith, Gene Eckols, G. M. Brown, and Mrs. Ernest McKinney.

Use Blueberries Many Ways In Season

REFRIGERATOR CAKE—A grand way to open the blueberry season.

By GAYNOR MADDOX
NEA Staff Writer

The season for those plump, juicy cultivated blueberries is here — so splurge into that rich blue opportunity.

Of course, blueberries and cream are a perfect fruit for breakfast or dessert. But there are other delightful ways of using the berries.

Blueberry Refrigerator Cake
(Makes 8 servings)

One envelope unflavored gelatin, 1 1/4 cups cold milk, 1/2 cup sugar, 1/8 teaspoon salt, 2 eggs separated, 1 teaspoon grated orange rind, 1 box cultivated blueberries, 1 cup heavy cream, whipped, 1 dozen lady fingers, split or sponge cake slices.

Soften gelatin in cold milk. Place over hot water; add sugar and salt and stir until dissolved. Beat egg yolks slightly. Pour small amount of hot mixture over egg yolks and return to double boiler. Cook over hot, not boiling water, until mixture coats the spoon. Remove from heat. Stir in orange rind. Wash the blueberries and drain well; add to the mixture. Chill until mixture is the consistency of unbeaten egg white.

Beat egg whites until stiff and fold gelatin mixture into egg whites. Fold in whipped cream. Line loaf pans with waxed paper. Place split lady fingers around sides. Put 1/2 the mixture in the pan—cover with lady fingers. Add the remaining mixture and cover top with lady fingers. Chill in refrigerator 4 hours or longer. Unmold.

Chilled Blueberries With Custard Sauce
One cup milk, 2 eggs, 2 tablespoons granulated sugar, 18 teaspoons

Pecos Players To Present Comedy

PECOS—The Pecos Players, Little Theatre group, will present "John Loves Mary," three-act comedy that has won acclaim in Little Theatre productions all over the country, on the stage of the City Auditorium June 20 and 21.

Portrayal of the parts will be by a local cast and directors.

McKinley Hooper, Mentone, and Mrs. Jim Day are directing the play and members of the cast include Jim Day as John, Mrs. Jeanne Evans as Mary, Sanford Tume as Fred, Joan Daniel as Lily, Miss Alma Heard as Phyllis, Paul Coody as Senator McKinley, Henry Marshall as Lieutenant O'Leary and M. C. Nobles, Don Brooks and Malvern Adams as Oscar the bellhop, an Army general and a Red Cross field worker, respectively.

Fresh peaches are delicious served hot with a slice of broiled ham. Peel, pit and quarter the peaches and saute them lightly in a little butter or margarine. Sprinkle them with a little sugar while they are cooking.

TRI-STATE NAMED
The Delmarva peninsula lies between the Chesapeake and Delaware bays and derives its name from parts of the names of the three states—Delaware, Maryland, and Virginia—which control the area.

PESTS FROM PLANES
Nine new insect pests have been carried to Hawaii from Pacific islands by airplanes stopping to refuel. If these insects spread, it is estimated that they can cause an annual damage of \$10,000,000 to Hawaiian crops.

Traveling Teen-Ager

By JUNE HAZLIP

NEW IBERIA, LA. — Hi there, "Teeners!" This week's "Greetings and Salutations" from "Capital City" (Austin) Texas, and the Evangeline country of Louisiana.

Yep! This week we got educated! By way of the state capital in Austin, we were lucky enough to visit the capital at a time when both Senate and House Chambers were in session. As might be expected, we found the "Teeners" of Austin right at home in this busy place. Many teen-age boys were seen running around carrying "important looking" papers (To tell the truth — they were important!). These boys are pages for the senators and representatives.

We also were lucky enough to make a "tour" of the Department of Agriculture. After seeing the show-cases of insects, six legged and the chassis we watched the biology students of MHS could have been with us.

Historical Oak
Going on down the way, we saw a huge tree, which any of Miss Miller's history students could identify, in Columbus, Texas. It is oak beneath which the first court of the third Judicial Republic of Texas first met in 1837.

In Orange, Texas, we crossed over the border into Louisiana. Soon after crossing the border we entered the heart of the beautiful Evangeline country. In St. Martinville we visited the Evangeline Catholic Church, one of the oldest in the nation, which was established 1785. It was in this church that Longfellow's immortal Evangeline (Emmeline La Biche) worshipped almost 200 years ago. Behind the church, we saw her grave near the beautiful old oak where she waited so long for her lover, Gabriel. Any MHS "Lit" student should be well acquainted with Evangeline.

Another historical spot is the famous "Alley of Pines" near Lakeauville, La. This old road is bordered by magnificent old pines, planted more than 100 years ago by negro slaves.

The Loreauville Youth Center has been closed recently, so the "Teeners" of the typical French village "get-together" at the movie and corner drugstore.

New Iberia Center
Now here, "Teeners," is something which Midland would be proud to claim! The New Iberia Community Youth Center. Imagine having swimming, dancing, horse-back riding, skating, basketball, softball, tennis, archery, ping-pong, badminton and shuffleboard all in your Youth Center! Yep! They have all this and lots more, besides, in the New Iberia Youth Center! This Center is under the capable direction of Jim Ledbetter and Miss Marie Gates. On entering this building we found just loads of "Teeners" skating all over the place. We felt a bit "lost." However, thanks to our two cute guides, Marianne Villerman and Jo Ann Davant, we soon were skating merrily around, meeting people right and left (Oh, yes! We found that our skating was a bit "rusty"! Ouch!) Our trip thru New Iberia really was made complete by this visit to the Youth Center and by the "Teeners" of this great little city. Our thanks to them for treating us like "Royal Guests!"

Leaks in an automobile water pump often can be stopped with a turn of the connecting nut.
