Shopping 'Round Town --with Barbara

Why Stay Home?—This is vacation time! Rent a car from CAR-TRUX RENTAL COMPANY, INC., 106 South Big Spring. You may rent a car for the day and drive it around town or to Odessa or Big Spring for \$8.00 with gasoline, oil and insurance furnished. On weekends you can rent one for as low as \$39.00. The first tank of gasoline is furnished. Vacation trips not over 100 miles are 61.2c per mile.

End Garbage-Can Nuisance—If you have a garbage can that attracts flies, ants—possibly dogs, cats or rats (!)—you should learn about San-A-Lizer Repellent, available at CAME-RO-N'S San-A-Lizer is an unbreakable, harmless little cake that fastens into the lid of your garbage can without tools in five seconds. It keeps the pests away for months—and most important it completely deodorizes garbage. Yes, it's non-injurious to children and pets. San-A-Lizer costs only 25c.

Cooking Can Be Fun—There's nothing duller than "slaving over a hot stove," but with a few tricks of imagination and the aid of items from MIDLAND HARDWARE GIFT DEPARTMENT you can add glamor to a commonplace meal. For instance, the "spoon pots" or bean pots at Midland Hardware Gift Department would make your baked beans justly famous. Bring true patio sunshine into your home with this ceramic casserole that is guaranteed oven proof. Metal "spoon" ring is protected by lifelike baked enamel. The spoon ring comes in either brass or copper.

Advantages Of Correct Make-Up—You've got to keep after your beauty ritual to keep a lovely youthful looking skin. MERLE NORMAN COSMETIC STUDIO, located at Francis Dress Shop, 405 West Wall, recommends the Contour Service for tired, sagging facial muscles and dry skin. Also, the studio will give, free, a demonstration on the correct use of make-up for best results. Let the Merle Norman Consultant demonstrate the advantage of proper shades for your individual coloring.

A Two-In-One Stop—Of course we're living in a fast moving world! That's why it is so important to have things convenient. When you stop at RO-DIO-TEL on East Highway, you make a two-in-one stop. While you're feasting on Southern fried chicken, specially cooked steaks and enjoying your favorite cold drink, you can have your car serviced at RODIO-TEL SERVICE STATION. "Service" is their motto.

Decorators Are Made, Not Born—You may discover you have a hidden talent in decorating when you select your decorating fabrics from MIDLAND HARDWARE LINEN DEPARTMENT. You can pick your color scheme from a myriad of just-right patterns with all the odd little items such as fringe, gimp, etc., to finish your creations. There is a beautiful selection of chintzes in printed and quilted designs for curtains, bedspreads and slipcovers. Also nixon by the yard for making glass curtains.

Thursday Edition Acclaimed—Since the first Thursday edition of Shopping 'Round Town appeared in The Reporter-Telegram last week, favorable comments have been received by the editor, from advertisers as well as readers. Readers say they like it for its shopping news that does not appear elsewhere in the paper. Advertisers like it because it produces results for a nominal fee. Before last week this column appeared only on Sundays. Henceforth it will appear twice weekly.

Luncheon Begins Pre-Nuptial Courtesies For Miss Turner

Beginning a series of pre-nuptial courtesies for Dorothy Turner, bride-elect of Clarence Scharbauer, Jr., Mrs. J. Howard Hodge and Mrs. Charles M. Goldsmith were hostesses to a luncheon in the Hodge home, 1301 West Missouri Street, Tuesday.

Miss Turner will be married August 27 in Midland. She is the daughter of Mr. and Mrs. Fred Turner, Jr., and Scharbauer, the son of Mrs. Clarence Scharbauer, Sr. Both are members of prominent West Texas families.

Pastel Shades Used
The three course luncheon was served at tables set for four centered with arrangements of feverfew in pastel shades. The place cards were tied with pink satin ribbon and small velvet flowers of matching pastel shades. The dining table carried out the same motif of flowers on a larger scale. Pink and white gladioli were arranged in bouquets throughout the house.

Mrs. Hodge received the guests and Mrs. Goldsmith presided at the bride's book.

The hostesses presented the bride-elect with a gift of linen wrapped in green and white, the bride-elect's chosen colors.

Announcement
The guest list included Mrs. Scharbauer, mother of the pro-

spective bridegroom, Mrs. Turner, the honoree's mother, Mrs. Lynn Durham, only sister of the honoree, Mrs. Essie Stafford, Emma Sue Cowden, Marylee Cowden, Frances Puett, Carol Casselman, Jean McMillian, Jane McMillian, Enid Wheeler, Elizabeth Anne Cowden, Alma Faye Cowden, Dorothy Faye Holt and Norma Jean Hubbard.

The announcement of the engagement and approaching marriage of the couple was made by the bride-to-be's mother at a tea in the Turner home, 1705 West Missouri Street, July 10.

Coming Events

FRIDAY
"The Drunkard" will be presented in the American Legion Hall at 8:20 p.m.

The Belmont Bible Class will have a picnic supper in the backyard of the home of Mrs. W. P. Collins, 710 South Weatherford Street, at 7:30 p.m.

The Do-Si-Do Square Dance Club will meet in the Midland Officers Club at 8 p.m.

The Ladies Golf Association will have its luncheon in the Midland Country Club at 1 p.m. Progressive bridge will follow.

The Executive Board of the First Christian Woman's Council will meet in the church at 3 p.m.

The Executive Board of the First Christian Woman's Council will meet in the home of Mrs. S. P. Hall, 1004 West Tennessee Street, at 3 p.m.

The Youth Center will have a wiener roast for all members at 7 p.m.

SATURDAY
The Children's Story Hour in the Children's Room of the Midland County Library will begin at 10:30 a.m.

"The Drunkard" will be presented in the American Legion Hall at 8:20 p.m.

The Delta Delta Delta Alumnae Association will have a special meeting in the home of Mrs. George T. Abell, 1505 West Illinois Street, at 3 p.m.

Youth Center Sets Wiener Roast As Big Event Of Week

A wiener roast at 7 p.m. Friday will be the big entertainment event of the week for Youth Center members, sponsors announced Thursday. Those attending are to bring wieners and the Center will furnish the buns and other necessary items. All Youth Center members are invited and urged to attend.

The Center will be open as usual following the special event.

REAGAN H. LEGGS RETURN FOLLOWING WEDDING TRIP

Mr. and Mrs. Reagan H. Legg, who were married July 16 in Kaufman, Texas, are at home in Midland following a wedding trip to Colorado Springs and Evergreen, Colo. They arrived here late Wednesday.

Mrs. Legg is the former Norma Jean Eden of Kaufman. Legg is a practicing attorney here. He served as executive chairman of Midland's recent Trail Days Celebration.

Special Drive For Art Center Members Begin

A drive for membership to form the Midland Art Center will begin at 8 p.m. Thursday in the Palette Club Studio, 604 North Colorado Street.

This building formerly housed the Palette Club alone, but as the Art Center it will include a number of groups working in pencils, oil, water colors and gouache, and doing portraits, landscapes or still lifes.

Continuing the work done by the Palette Club in bringing out-of-city artists to teach in Midland, another artist will be brought here in October and plans are to bring three during each year.

Other Cities Reached
Classes taught by these artists have been most successful, with membership reaching 100 and students coming from surrounding cities including Odessa, Big Spring, Crane and Monahan. Between courses painting groups meet and work on their own.

It is felt that those who are interested in art and have taken part in the classes and painting groups should join with those sponsoring them, helping formulate the policies of the sponsoring group.

The Palette Club, now becoming incorporated as one of the groups within the Midland Art Center, was organized in 1935 with 17 members. In 1942 its present studio was completed and will house the Art Center.

House Studios
During its existence, the Palette Club has sponsored shows from the Texas Fine Arts Association, by Ben Turner of Albuquerque and by Bror Utter who recently conducted art classes here.

Besides bringing artists to Midland to teach, the Art Center will have studios which will be open to artists at all times. It will sponsor, with the American Association of University Women, the May Art Festival and will have a Fall art show exhibiting members' works. As a group, members will exhibit at art shows in Austin, Fort Worth, Abilene and San Antonio, thus making Midland known in the art circles of Texas.

Persons interested in art, either painting or the appreciation of it by themselves or their children, are invited to attend the Thursday night meeting.

Mental Health Is Theme Of HD Club

McCAMEY—"Mental Health and Mental Hygiene" was the subject of an address by Dr. W. W. Plasek to a recent joint meeting of the Home Demonstration Clubs in the Community Hall.

Mrs. Fred Gibson read a paper on conditions of mental hospitals, written by Mrs. Sadie Brown, first vice-president of the Texas Graduate Nurses Association.

It was announced that Myrtle Murray will be guest speaker for the August 2 meeting. The theme of the meeting will be "Consumers Education on Foods and Marketing Specialist."

The meeting will be held in the Community Hall beginning at 10 a. m., continuing with a pot-luck luncheon at noon and closing at 3 p.m.

Baking Methods Shown To HD Club

Mrs. Woodward McKennie gave a demonstration of cake baking for the Garden Addition Home Demonstration Club at a meeting Wednesday in the home of Mrs. L. H. Cardwell, 1502 Rankin Road.

Mrs. E. O. Messersmith, Mrs. O. E. Sherman, Mrs. Leroy Resner and Mrs. O. J. Kniffen attended.

Girls Auxiliary Works With Cloth Painting

The painting of tablecloths and aprons was the project of the American Legion Junior Girls Auxiliary at a meeting Wednesday afternoon in the American Legion Hall.

Barbara Jones, Rebecca Jones, Patricia Allen, Carolyn Gray and Wanda Lou Steele attended. Mrs. L. G. Hurley and Mrs. T. E. Steele acted as sponsors.

The Junior Girls Auxiliary meets each Wednesday at 5 p.m., with the first meeting in each month a business meeting. The other meetings are devoted to painting.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 28, 1948-3

First Night Of 'The Drunkard' Scheduled

Curtain time for the first performance of the Summer Mummer's production of "The Drunkard" is 8:20 p.m. Thursday in the American Legion Hall. Shell night will be observed. However, tickets to the general public will be sold at the door.

The melodrama will be presented Friday and Saturday nights and Thursday, Friday and Saturday nights of next week. Tickets are \$1.20 including tax and may be purchased at Tailorline, Inc., 113 North Colorado Street, or at the door at any performance. Choice tables may be reserved at \$1.50 for any one night. Tickets are good any night.

To Benefit Community Theater
Carrying out the early American theater custom, the Legion Hall will be arranged in tables for four or more and concessions will be sold during the show. Olio numbers will be presented after the show. Nineteenth century scenery will be used with many of the properties painted on the backdrops. Advertisements of business

houses will appear on the front curtain as was done in the nineteenth century.

The Summer Mummer's, a group of persons interested in melodrama, are presenting this production to raise funds to be placed in a fund for a Community Theater building and permanent improvements. This is not a Community Theater project.

The hissing and booing at the dress rehearsal Wednesday night indicates an anticipated favorable reception by the audience Thursday night at the initial performance. The Shell Employees Club and other persons are expected to fill the house on the first night. Bill Pennebaker, general manager, says.

Art Cole In Title Role
The story of a fair young maiden, a gallant hero and the villain is carried out in the melodrama, however it varies from the usual plot with the trials and tribulations of the young maiden after she has married the hero and he has become a drunkard, with the help of the villain.

Art Cole, who is well known in theater circles of Midland, is playing the part of Edward Middleton, the hero and drunkard. Patricia Pryor is the leading lady, playing the part of Mary Wilson, the heroine and bride of the hero. Norris Creath plays the part of the villainous shyster, Lawyer Cribbs.

This is his second time to appear in this role. He played it in a similar production in San Angelo. Scotty Engel will play the part of the son of the hero and heroine. He has won the hearts of Midland Community Theater-goers in several performances in the past.

Others in the cast include Lew Hoey, June Kingdon, Betty Kimbrough, John DeFord and Loretta Marsh. William Pomeroy, Jr., is the director.

Mrs. J. P. Butler is in charge of the box office with the assistance of Mrs. James Velvin, Jr., Mrs. J. M. Ratcliff, Mrs. William F. Pennebaker, Mrs. Lane Taylor, Mrs. Joe Turpen, Mrs. Charles J. Conking and Diane Nisdel.

Jack Huff is the house manager and Elizabeth Wiggins is in charge of the hostesses. Others assisting out front will include Bill Kimbrough, Waring Bradley and Ken Alper.

A Hilarious Comedy
"The Drunkard" is a melodrama of the middle fifties of the last century, which never has lost its popularity and has been produced almost continuously since its initial performance. First to produce the melodrama in America, P. T. Barnum, who reputedly brought it from England, presented it as a serious moral melodrama. The ladies would drag their husbands to see it and then after the show would make them sign a "teetotaler's" pledge that Barnum so conveniently provided.

However the Summer Mummer's production is a hilarious comedy done in typical vaudeville fashion.

For a quick supper serve macaroni and cheese with slices of luncheon meat and cole slaw. Dessert might be a bowl of fresh fruit, crisp cookies and a beverage.

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority Written for NEA Service I suppose that every beginner at bridge hears the expression, "There are thousands of people walking the streets of London because they failed to lead trump." In modern contract, there are millions of people who fail to make a contract simply because they do not count their tricks.

Bridge hand diagram showing a deal with suits and cards. Includes a 'Lesson Hand on Play' table.

Accounting Of Chinese Aid Reveals Interesting Facts

WASHINGTON—Sentiment is piling up in the U. S. Senate to give Nationalist China some more military assistance. This lends interest to an accounting for the last \$125,000,000 worth of military assistance given to Chiang Kai-shek's government in June, 1948, with which to fight the Communies.

The Chinese Embassy in Washington reports that about \$50,000,000 of this sum went to buy arms and ammunition. The embassy further reports that all but \$17,000,000 worth of these goods have been delivered or are now en route to China.

As to how much these supplies did, there is some difference of opinion. There have been some reports of U. S. supplies—particularly aviation gasoline—finding their way into the black market or being used by troops that in the end went over to the Communies.

The law authorizing the last \$125,000,000 worth of military assistance to Nationalist China was passed in April, 1948. The appropriation was made on June 28, just a little more than a year ago.

The Chinese government itself has bought in the open U. S. market another \$20,000,000 worth of aviation fuel, carbines and small arms ammunition from current (not surplus) U. S. stocks. But the Chinese delayed placing any orders for another month.

In September the Army reported it could supply signal, engineer and medical equipment wanted by the Chinese. In that same month the U. S. Treasury, at Chinese government request, transferred \$25,000,000 to the Army for purchase of metals and powder base materials for Chinese arsenals.

On September 25, however, Chinese Ambassador K. W. Wellington told Washington that the Army revised list of requirements, priced at \$100,000,000.

The steps were down; Mrs. Malone went outside and forward along the trailer's shing flank to the truck. Mrs. Everson was asleep, her head on her arms, her face hidden. Mrs. Malone hesitated, then crossed the road and stood on the brink, looking off at the great platter of earth.

"I wish Joe were here," she thought. "The arrow points toward Colorado or Montana," Rudy said. "We're going the hard way, but don't ask me why. Maybe she's still throwing pursuers off the scent."

"Where are we?" she asked. "The arrow points toward Colorado or Montana," Rudy said. "We're going the hard way, but don't ask me why. Maybe she's still throwing pursuers off the scent."

"Let them sleep," Mrs. Everson said in her somber voice. "The rest is easy. We can make time today. And day after tomorrow we'll be there. Safe."

REFUGE. A story by Mildred Cram and Harwood White. The story follows Mrs. Malone and Mrs. Everson on a journey, with Mrs. Malone's husband, Rudy, being the 'refugee'.

Set For Jet

This is an artist's conception of the new jet-propelled flying wing which will feature six jet engines instead of the piston-powered ones installed in older models of the 100-ton plus B-35's. The new-type bomber is being developed at Hawthorne, Calif., by the U. S. Air Force. Four of the jet engines will be housed entirely within the wing. The other two will be suspended in streamlined pods on top.

Texas Woman Tells Of Swindling By Virginia Lothario

WYTHEVILLE, VA.—(AP)—A Texarkana woman told Virginia State Police that she gave Ernest I. Torrence between \$5,000 and \$6,000 after he wrote her love letters.

Torrence, 57, is in the Hillsville jail waiting trial on a charge that he swindled a Carroll County woman out of \$2,500 after wooing her by mail.

The Texas woman wrote State Police Captain Edward J. McDermott that Torrence told her he had lots of cattle and a big farm for them but no water. She said Torrence turned on the charm and she withdrew between \$4,000 and \$5,000 from the bank. Later she signed a note and borrowed \$1,000 more to give him to dig a well.

She said she had not heard from Torrence in some time.

Southeast Texans Seek Federal Aid For War-Borned Schools

WASHINGTON—(AP)—A group of Southeast Texas educators told lawmakers Wednesday that war-boomed cities need federal aid for public schools.

They urged passage of a measure providing \$7,500,000 for federal aid, sponsored by Rep. Combs (D-Texas).

"We are one of the 148 communities in the nation that are affected by this measure," said C. O. Chandler, superintendent of the Orange, Texas, schools.

Appearing here with Chandler were Hunter Beatty, president of the Orange Independent School Board, and Robert W. Gray, of the Beaumont, Texas, schools.

Combs said 20 public school systems in Texas would be eligible for \$859,950 in grants. Orange would receive \$219,530.

Discontent Among Satellites Termed Major Deterrent To Aggression By Soviet Armies

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

Premier Antonio De Oliveira Salazar of Portugal advised his National Assembly Tuesday that, under present conditions Russia could, if she wanted to, "carry her armies to a smashing march as far as the English Channel and the Pyrenees."

During his 20 years of dictatorship the 60-year-old Salazar has established the reputation of being one of the world's most astute rulers. He merits attention.

The premier might have added, I believe, that while Russia may be capable of such a drive, she isn't likely to undertake it as things now stand. Still it's an uncomfortable fact that from the military standpoint she might be able to achieve it.

Man Found Dead In Monahans Hotel

MONAHANS—(AP)—Aubia Sylvester Collins, about 65, was found dead in a supposedly vacant room in a Monahans hotel.

A guest assigned to the room found the man's body about midnight Tuesday.

Justice of the Peace J. B. Jordan said death was due to poisoning. Police said an empty bottle marked "Carbolic Acid" and a note were found in the room.

Survivors include two daughters, Mrs. Effie Worsham of Longview and Mrs. Ethel Hart of Texarkana, and a brother, B. F. Collins of Pyote.

This is another big reason why we're sure
LUCKY STRIKE
MEANS FINE TOBACCO!

Tests made by America's largest cigarette research laboratory scientifically help Lucky Strike buyers select the fine tobacco that goes into Luckies!

YOU SEE HERE the largest and most complete laboratory of its kind operated by any cigarette manufacturer in America.

For many years Lucky Strike scientists have delved into cigarette research on an extensive scale. Out of this has grown an elaborate system of quality control. Every step in the making of Luckies—from before the tobacco is bought until the finished cigarette reaches you—comes under the laboratory's watchful eye.

As you read this, a constant stream of tobacco... samples from every tobacco-growing area... is flowing into the laboratory in Richmond, Virginia. These samples are scientifically analyzed, and reports of their quality go to the men who buy at auction for the makers of Lucky Strike.

Armed with this confidential, scientific information—and their own sound judgment—these men go after finer, lighter, milder tobacco. This fine tobacco—together with scientifically controlled manufacturing methods—is your assurance that there is no finer cigarette in the world today than Lucky Strike!

This man knows where fine tobacco grows. Here is one of Lucky Strike's tobacco-buying supervisors gathering sample leaves from a curing barn. Such samples are obtained from every tobacco-growing area and sent to the laboratory for pre-market analysis. No wonder—L. S./M. F. T.—Lucky Strike means fine tobacco!

This scientist knows how to test tobacco. In our Tobacco Control Division, samples sent to the laboratory are subjected to scores of analyses to determine smoking quality—this vital testing, both before and after tobacco is purchased, has been conducted for years... still another guarantee that Lucky Strike means fine tobacco.

Reports received. The laboratory sends results of the analyses to the buying supervisors. This information helps the buyer go after finer, lighter, milder tobacco for Lucky Strike. Thus the judgment of the buyer at tobacco auctions is combined with modern science at the laboratory to assure you that Luckies are a finer, milder cigarette.

LUCKIES PAY MORE for fine tobacco (millions of dollars more than official parity prices)

LUCKIES PAY MORE for cigarette research

So, for your own real deep-down smoking enjoyment
Smoke a Lucky!

Lucky Strike's fine tobacco and constant research combine to give you a finer cigarette. Prove this to yourself. Buy a carton of Luckies today.

Odessa's Red Rhoden Is Invitation Tourney Medalist

W. W. Barker Of Midland Shoots 70 In Qualifying

Blaze-topped William (Red) Rhoden of Odessa Wednesday gave the Midland Country Club golf course a thorough treatment as he fired a four-under-par 69 to annex medalist honors in the qualifying round of the Midland Country Club Men's Invitation Tournament. Rhoden's drives traveled miles and his work on the greens was extra special.

W. W. Barker of Midland was one of the first to complete the qualifying round and his respectable 70 was in the groove until Rhoden showed up with his crusher. Barker was steady all the way, taking advantage of every break.

Two other Odessans, Bob French and Mac Boring, fired 71's to crowd the top two.

Scores in the qualifying ranged up and down for the 105 entries. Golfers are here from Breckenridge, Abilene, San Angelo, Big Spring, Eldorado, Stanton, Hobbs, N. M., Carlsbad, N. M., Amarillo, Lamesa and several other places.

The first round of match play got underway Friday. The finals are scheduled Sunday.

Qualifying Scores

Here are the golfers and their qualifying scores:

Rhoden of Odessa, 69; Barker of Midland, 70; French and Boring of Odessa, 71; Bobby Adair of Breckenridge, 72; Evans Dunn of Midland, 72; Bob Davison of Odessa, 73; Jimmy Smith of Midland, 74; R. L. Spencer of Midland, 74; J. W. Stone of Midland, 75; Bob Maxwell of Big Spring, 75; Bill Castleman of Midland, 75; Bill Craig of Odessa, 75; Cliff Hall of Midland, 76; Frank Freer of Lamesa, 76; James G. White of Midland, 76; Leland Davidson of Midland, 76; Charles Wallace of Odessa, 76; Bob White of Midland, 77; Arlyn Scott and Jerry Green of Odessa, 77; C. E. Covington of San Angelo, 77.

Ed Stevens of Midland, 85; Howard Meeking of Midland, 87; George Pinley of Eldorado, 87; Jim Binford of Midland, 90; Fred Burleson of Midland, 90; H. T. Finley of Eldorado, 97; M. W. Brannum of Midland, 81; Jim Lore of Midland, 86; George Stenz of Midland, 84; Lew Hoey of Midland, 99; M. Faskin of Midland, 95; George Addison of Lamesa, 79; Sam Thurman of Midland, 85; M. J. Kirwan of Midland, 87; Robert L. Walker of Midland, 85; Van Ligon of Midland, 78; John Ellis of San Angelo, 84; M. M. Conn of Midland, 85.

Harry Lawson of Midland, 79; Louis Eubanks of Carlsbad, N. M., 78; Bill Hicks of Carlsbad, N. M., 85; Calvin Glass of Midland, 79; Jack Vaughn of Lamesa, 81; Bill Pomeroy of Midland, 79; Lee Durrell of Midland, 86; Joe O'Neal of Midland, 86; Paxton Howard of Midland, 96; Roy Lockett of Midland, 81; Fred McMurray of Midland, 88; Dick Gile of Midland, 88.

More Qualifying Scores

Earl Wilson of Midland, 82; Jay Coleman of Midland, 78; H. C. Hood of Midland, 85; W. H. Woody of Stanton, 81; Ted Roden of Odessa, 81; Balle Griffith of Odessa, 81; Loyd French of Odessa, 81; W. C. Gilmore of Odessa, 83; Webb Russell of Odessa, 81; J. B. Worley of Midland, 94; W. R. Gallman of Odessa, 92; Marvin House of Big Spring, 78; Jack Wallace of Big Spring, 85; Charles Pierce of Midland, 98.

C. H. Davis of Midland, 85; C. C. Green of Midland, 85; B. M. Brown of Breckenridge, 87; Neal Collins of Odessa, 94; J. E. Foote of Big Spring, 80; T. J. Speed of San Angelo, 91; Jack Williams of Plainview, 78; Fred Turner of Midland, 84; H. C. Jones of Midland, 80; John C. Hart of Midland, 80; Charles Marsh of Midland, 87; Jimmy Gallagher of Breckenridge, 88; Paxton Anderson of Midland, 91; D. H. Cobb of Amarillo, 81; Dave Fink of Midland, 85; Audrey Gill of Midland, 81; Julien Muller of Midland, 88; Bob Wortman of Midland, 78; Arnold Brown of Midland, 79; Herschel Ezell of Midland, 97; Ted Kerr of Midland, 89; Roy A. Minear of Midland, 78; R. H. Meyers of Midland, 87; Jack Boles of Abilene, 90.

Holt Malone of Midland, 90; L. C. Zeo of Midland, 86; Burt H. Self of Midland, 88; Lew Ground of Midland, 89; Francis Flournoy of Midland, 89; Ralph Johnson of Hobbs, N. M., 82; A. A. Jones of Midland, 90; W. J. Finch of Midland, 81; J. F. Reppman of Midland, 90; Dell Taylor of Midland, 90; P. J. Lee of Midland, 82; Doyle Patton, Jr. of Midland, 82; Doyle Patton, Sr. of Midland, 85.

The Brooklyn Dodgers have a terrific one-two punch in Jack Robinson and Gil Hodges. They are the two top men in driving in runs in the National League.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 28, 1949

Dusters Take Opener 9-7

The Midland Indians and the Vernon Dusters go again Thursday night in the second game of their three-game series in Indian Park. Starting time will be 8:15.

Buck Austin or Leon Hayes will hurl for Midland. Lloyd Trip is the probable starter for Vernon.

The Midland Indians battled the Vernon Dusters 14 innings in Indian Park Wednesday night before dropping a 9 to 7 decision to the visitors. Catcher Ed Cox threw wild to first after he had dropped a third strike and the runner went all the way to

SPORTS SLANTS

by SHORTHY SHELburnE

Puss Ervin, veteran scout for the Oklahoma City Indians and a long-time friend of Harold Webb, is in town for the Vernon series.

He is looking over the youngsters in the Longhorn League. Already he has been to Sweetwater, Big Spring, San Angelo, Vernon and Odessa. He will move to Ballinger the latter part of the week.

Puss is high on the possibilities of Lou Dawson, rookie outfielder Webb bought from Ballinger.

Ervin says Dawson has the best batting stance, best arm and most wrist action than any player he has seen at the plate in the league.

He confirmed in every way the fact that Webb made a good deal when he swapped for Dawson.

Philosophical Puss likes his ball players big and strong. He doesn't even take a second look at the "pee wees," as he terms the smaller fellows.

"They're a dime a dozen in every league," Ervin says.

He likes the looks of Lefty Leon Hayes because he is big and can throw hard. Puss believes he can go in a higher league.

Patton, another hefty boy, also caught his eye.

Harry Bartolomei and Dick Butcher are the two boys Puss likes on the Sweetwater team.

He was impressed with the hitting of both boys and likes Butcher's speed in the outfield.

Bartolomei, long recognized as one of the best catchers in the league, receives the way Ervin likes to see it done.

He didn't think much of the pitching Sweetwater has.

At Odessa, Ervin made A. D. Ensey a proposition to buy Al Monchak immediately but the Oiler boss turned it down.

Ervin says Monchak could go to Oklahoma City and step right in at second base. The Indians are needing a leather man badly, too.

Just like everyone knows, Monchak is the ball club at Odessa.

There are several good reasons why Ensey can't sell his skipper even for the money Puss would offer.

Ervin likes the looks of Harry Scherting, the Vernon outfielder, in most respects.

He doesn't especially like the way Scherting handles fly balls—not because he doesn't handle them but because he goes at it in such an open manner.

Puss said Scherting's fielding would brand him as a "clown" in the Texas League for the first few days until people got accustomed to his manner of taking the high ones.

Wayne Wallace is just about the only thing Puss sees at San Angelo. He is looking for players who can go up. They must be young, big and want to play.

Wallace fills the bill on those points.

Frank Roberson, ear-marked for the Texas Christian University baseball team next season, is getting in shape by hurling in the Tri-County League. He has won one and lost one pitching at Ackery.

He bested the Cosden Retainers in a shutout last Sunday.

Frank is playing it safe. He's going to get his education before he turns pro in the diamond sport. He knows a guy can't pitch all his life.

Were he of the bonus-seeking disposition, Puss Ervin might be signing him to a contract.

HALF SLANTS... The "Rubber Man" who appeared here Wednesday night also is a wrestler. He follows the grunt and groan racket in the Winter and picks up the loose ends with his rubber act during the Summer... George Glass, Jr., and Paul Davis, Jr., carried off the first and second place money in a recent skeet shoot at Walker Air Force Base in Roswell, N. M. Wright Cowden also won a first place... Vince Dundee, one of the top middle-weight champions of E. time, died in a Glendale, Calif. hospital Wednesday. He held the title in 1933 and 1934... Ben Dean Sheats was called to Waco Wednesday due to the illness of a friend. He will be gone several days... It has been revealed here that Wyman Hunniett of Fort Worth will not report to the Midland Indians. He has been unable to make satisfactory arrangements for running his business.

MAJOR LEAGUES—

A's Sweep Pair; Cards Hold Lead

By JACK HAND
Associated Press Sports Writer

The A's have turned. A doubleheader sweep over the White Sox Sunday and now three straight over the wobbly St. Louis Browns and Philadelphia has a shiny new five-game winning streak. Furthermore, they are only seven and a half games back of the leading New York Yankees and only a half-game behind the sizzling Boston Red Sox.

Longhorn League—

Broncs, Swatters, Dusters Tab Wins; Rain Robs Rockets

By The Associated Press

The league-leading Big Spring Broncs rattled the fences with a score of hits Wednesday night in trouncing the Ballinger Cats 16-1 in a Longhorn League game.

The Broncs continue to lead second-place Vernon by 13 games as the Dusters won a 14-frame battle with Midland 9-7.

Sweetwater downed San Angelo 10-6.

Odessa's game at Roswell was called because of rain in the second inning with Roswell leading 11-0. It was declared no contest.

During the hectic Big Spring-Ballinger swatfest, George Lopez, Pat Stacey, Carlos Parcusal and Hector Bonet all homered for the winners.

In the marathon at Midland, Moon of Vernon reached first on a dropped third strike and went all the way to third on an overthrow in the 14th. He scored on Harry Scherting's triple. Then Scherting stole home. The two runs led the game.

Sweetwater tallied six runs in the first of the ninth inning in beating San Angelo. A three-run homer by Dick Butcher was the big blow in the spurge. Earlier, Jean Jaresch hit a two-run homer for the Swatters, while Chester Karger slammed a grand slam home run for San Angelo.

Johnstown, Pa., a Dodger farm team, won the first half title in the Class C Mid-Atlantic circuit.

Athletic Heads Pass Up Action On 'Code'

NEW CASTLE, N. H.—(AP)— Assurance of more cooperation in enforcing the NCAA's "Sanity Code" was given Thursday by the National Association of Collegiate Commissioners.

But the intercollegiate athletic heads took no drastic action about those regulations which govern the eligibility of members of all sports in more than 100 of the nation's colleges.

"We had an exchange of ideas," Clarence P. Houston of Tufts College, chairman of the NCAA Compliance Committee, explained after Wednesday's session of the commissioners' eleventh annual meeting here.

"The commissioners assured me they were eager to play a proper role in enforcing the 'Sanity Code' at the colleges they represent, but no specific cases were discussed," Houston said.

Houston told the commissioners earlier that several colleges will be notified of non-compliance with the "Sanity Code" when the NCAA Compliance Committee meets in Chicago on August 12.

In declining to name the colleges, he said that "whatever action is taken by our committee must, under our regulations, be withheld until the NCAA meeting next January."

Swim Meet Scheduled Saturday

Entries were rolling in at a fast clip Thursday for the First Annual West Texas Invitation Swimming Tournament to be held at VFW Pools nine miles west of Midland Saturday. The tourney is sponsored by the Midland Junior Chamber of Commerce.

Entries are in or are expected from El Paso, San Angelo, Fort Stockton, Odessa, Big Spring, Lamesa, Kermit, Monahans, McCombs, Abilene, Lubbock and several other places.

Wade Whiteley, coach of the Midland team, Thursday said it appears this will be one of the biggest tournaments of the year in West Texas.

The Midland team is entered in a meet at Odessa Thursday night. Transportation will be furnished by members of the Jaycees. Cars will leave Hotel Scharbauer at 6 p.m.

Odessa Juniors Win Area Title, Advance To State Tournament

ODESSA—(P)—Odessa's hard hitting American Legion Junior baseball nine combined a 22-hit attack with 12 bases on balls off three Lubbock pitchers to defeat the Hub City team 30-8 Wednesday night. The win was the second in the area championship playoff and sent Odessa into the state tournament at Bryan August 2.

Lubbock went ahead in the first inning, scoring three runs on three singles and a triple by shortstop Bobby Brown. But Odessa tied up the count in the second and broke loose for a big eight-run third frame to clinch the victory.

Shortstop Joe Pearson had a perfect night at the plate for Odessa, with four singles. Pitcher Bob Britt gained credit for the win.

Rotary, Joe's Gulf Win Softball Tilts

Rotary Engineers hopped on Standard's Bob Dean for 14 base hits Wednesday night and pounded out a 12 to 7 victory in a Midland Softball League tilt at Wadley Field.

Bill Smith hurled the victory for Rotary Engineers.

Joe's Gulf shaded the Rendezvous Club 12 to 10 in the second tilt. Roy Price hurled the victory.

A game scheduled between The Reporter-Telegram and Western Plastic was not played.

Monahans Rodeo Is Off To Fast Start

MONAHANS—Sam Beckham of Jal, N. M., set the pace for calf ropers in the initial performance of the Monahans Rodeo here Wednesday night when he roped and tied his calf in 18.2 seconds in the first go-round. Moro-roping followed the performance.

A crowd of more than 5,000 persons saw the opening night show in the new and costly rodeo plant, which was built by the Permian Basin Rodeo Association.

The show continues through Saturday night.

Walton Poage of Rankin wrapped up his calf in 17.8 seconds for second place in the roping event. Harry Howard of Rankin was third with 17.9 seconds.

J. B. Bradshaw of Bandera, Andy Senton of Coleman and Jack Gerwick of Florey were the only cowboys to go the required length of time in the bareback riding event.

Action was fast and thrilling throughout the show as the top cowhands competed against the rough and tough stock.

One of the largest crowds in Monahans' history witnessed the opening day parade Wednesday afternoon.

Three Tilts Carded In Optimist League

Three games are on tap Thursday evening in the Optimist Softball League for boys. All games will start at 8 p.m.

The Skeeters tangle with the 85ers in a tilt at IOOF Park. The Braves meet the Papooses at Borden Field and the Tigers take on the Eagles at the High School diamond.

U. S. Entry Trails In 'Little Olympics'

OSLO, NORWAY—(P)—The powerful United States track and field squad figured to take the lead Thursday night in the second session of the three-day "Little Olympics."

The combined Scandinavian team held a 104 1/2 to 78 1/2 advantage after the first nine events, most of them Nordic specialties.

Heading Thursday night's program is the first half of the decathlon competition. Young Bob Mathias of Thule, Calif., the American and Olympic champion, is favored heavily.

TEXAS COMPANY BUYS CHICAGO INSURANCE FIRM

DALLAS—(P)—The Public National Life Insurance Company of Dallas has bought the Alliance Life Insurance Company of Chicago.

The transaction involved the \$3,000,000 purchase of all Alliance Life capital stock and reinsurance of Alliance Life by Republic National Life, a company statement said.

Texas League—

Eagles Skid Back To Fourth Place; Buffs Blank Cats

By The Associated Press

The Dallas Eagles skidded into fourth place in the Texas League race by losing their second straight home run-studded game to the San Antonio Missions Wednesday night.

Dallas out-home runned San Antonio 3-2, but the Missions produced a barrage of eleven other hits to win the game 5-3.

The first-place Fort Worth Cats dropped a 3-0 decision to Houston.

The second-place Tulsa Oilers gained a full game on the Cats by walloping the Beaumont Exporters 11-3. Tulsa now is three games behind the Cats.

Home Runs Galore

Shreveport took over third place by downing Oklahoma City 6-4.

San Antonio's Tommy Fine chalked up his twelfth mound victory of the year in defeating Dallas. Dallas' Jerry Witte, Ben Guintini and Bill Serena all homered with none on for the only Eagle runs. Witte's blow was his 35th homer of the year. Don Lennhardt hit a 22-run homer and Fine added a solo round-tripper for the Missions.

Houston's Jack Creel scattered ten Port Worth hits in notching his tenth victory of the year. The Buffs scored an unearned run off Eddie Chandler in the seventh and two tallies in the ninth off Carroll Beringer.

Tulsa's Frank Smith limited Beaumont to seven hits. The Oilers scored a six-run rally in the fifth frame to clinch the contest.

Shreveport's Vern Petty's two-run homer in the first of the ninth gave the Sports the edge over Oklahoma City.

Sectional Meetings Slated By Council

Two sectional meetings to inform Buffalo Trail Council personnel of the changes to be inaugurated by a new national ruling which changes the age levels of Scouts and Cubs, will be held August 16 in Colorado City and August 17 in Monahans.

Purpose for two meetings instead of one is to allow all interested parties to attend with a minimum of travel. The meeting in Colorado City will be for the area including Big Spring and east. The Monahans meeting the following day will be for the Midland and west area.

Discussions will concern the action taken at the thirty-ninth annual National Council meeting held last May in Boston reducing the age level of Cubs from nine to eight years of age. Scouts from 12 to 11 years of age and Senior Exploring Scouts from 15 to 14 years of age.

2,000 New Cubs

It is estimated by P. V. Thorson, Scout executive, that the lowering of the Cub age level would make at least 2,000 more boys in the 17-county council eligible for membership in Cub packs.

The meetings will be under the direction of Ed Rainard of Sweetwater, chairman of the council's organization and extension department, and Charlie Watson of Big Spring, council commissioner.

In order that officials may come to the meetings with some information already gained, Thorson is sending out to the different communities from the council's Midland headquarters, bulletins containing information pertaining to the new age level changes which become effective September 1.

Counties included in the Buffalo Trail Council are Glasscock, Sterling, Stonewall, Kemp, Fisher, Scurry, Nolan, Mitchell, Howard, Martin, Midland, Ector, Andrews, Ward, Reeves, Loving and Winkler.

Western Plastic Wins At Andrews

ANDREWS—Western Plastic of Midland advanced in the first round of play in the Andrews Invitation Softball Tournament Wednesday night by stopping Seminole State Bank 7 to 0. Jack Dunlap hurled a two-hitter for the Midland team.

Rolla Hargraves and Burns McKinney led the attack at the plate. Rendezvous Club of Midland will play here Thursday night.

WT-NM League—Hubbers, Blue Sox, Lobos Win; Dukers Make Twin Killing

By The Associated Press

The league-leading Albuquerque Dukers swept a twin bill from the Pampa Oilers Wednesday night 5-1 and 2-1 to gain a half a game on all three other first division clubs in the West Texas-New Mexico League.

Second-place Abilene edged Clovis 5-4. Third-place Lubbock downed Amarillo 9-2. And fourth-place Lamesa squeezed by Border 4-3.

Don Ferrarese hurled one-hit ball and fanned 14 in the opener for Albuquerque. Virgil Butler scattered three Pampa bingles to give the Dukers the nightcap.

Abilene downed Clovis on Bobby Fernandez' single in the last of the ninth with the bags loaded.

Lubbock's Walt Stenberg pitched six-hit ball and drove in three runs.

Wally Westlake of the Pittsburgh Pirates has hit 17 home runs in each of the last two seasons.

Texans Again May Get Bracero Labor

MEXICO CITY —(P)— Mexican farm hands will be allowed to work in Texas this year, government sources say.

They reported Wednesday a new migratory labor agreement taking Texas off the blacklist might be signed by the United States and Mexico before the end of the week.

This would allow braceros to reach the United States in time for cotton harvest.

To hire Mexican workers, Texas farmers will have to prove there is no discrimination in their areas and that there will be none.

Mexico apparently agreed to take Texas off its labor blacklist in return for a U. S. agreement to contract workers in the center of the country. U. S. farmers had wanted to hire border Mexicans to do their harvesting.

Mackey Defeated As Ward Wins In Golf Meet In Washington

WASHINGTON —(P)— Graham Mackey of Midland, a favorite in the National Junior Golf Championship tournament here was defeated by Ray Terry of Memphis Wednesday. Mackey went down 2 to 1.

John Ward of Midland stayed up by knocking off Nolan Wathen of Salt Lake City, 6 and 5.

Roane Puet, the other entry from Midland, already had been eliminated.

Lee Pinkston of Abilene, the other remaining entry who qualified in the sectional round here, won over John T. Flanagan, Jr., of Memphis.

How To Hold FALSE TEETH

More Firmly In Place

Do your false teeth annoy and embarrass you by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little PASTETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, soapy, pasty taste or feeling. Does not sour. Checks plate odor (denture breath). Knock It Down Again Paw

A slugging sheriff in Chicago goes to work with his two arms on a pile of "one-armed bandits" seized in recent raids. Almost 100 jack-pot machines bit the dust by the time Cook County Sheriff Mike Walsh was through.

Family Hangs On To Secret Since 1623

By HAL BOYLE
NEW YORK (AP)—The Avedis Zildjian family has held a secret for 326 years.

"We don't tell it to the women," said Zildjian. "The father tells it only to his eldest son, and in time he tells it to his eldest son. In this way we keep the secret."

The secret is how to make cymbals. That doesn't sound like much of a secret—but the cymbal isn't as simple as it sounds. You don't have to age a saxophone. You do a cymbal—it has to be mellowed like a good wine.

These musical noise-makers are as old as the Bible, but the Zildjian family has been manufacturing them only since 1623. It was in that year that the first Avedis Zildjian, a Constantinople alchemist, discovered a secret process for making an ideal cymbal metal from an alloy of tin, copper and silver.

Through the centuries the family developed almost a world monopoly. They still dominate it.

"It is easy to analyze the alloy we use," said the current Avedis Zildjian. "But no one can put it together—and some of the biggest metal companies in the country have tried."

171 Different Models
Zildjian, a 59-year-old Armenian who came to this country in 1909, has done more than any other single man to make the musical world cymbal-minded.

"When I started, the bands only used one kind of cymbal—a heavy one," he said. "Now we have 171 models in different weights and sizes."

His 12-man factory at Quincy, Mass., now turns out thousands of cymbals yearly. The work all is done by hand, and it takes 45 days to turn the rude metal ingots into sounding brass. They must be hand-hammered from four to six times.

The cymbals then are stored in vaults anywhere from six months to 20 years until each reaches its proper resonance. Zildjian now has 40,000 in the process of aging.

"And they have 40,000 different tones," he said. "Find two that are alike and I'll give you \$1,000—and the cymbals, too. In 45 years in this business, I've never heard two that sounded exactly alike."

It is this variance in tone that accounts for the volume of the cymbal business. Professional drummers collect them like postage stamps.

But that some young people haven't the character to live for anything but their own pleasure.

The couple who want a marriage based on the idea that it is to last only so long as they both shall love shouldn't be married at all. They aren't responsible enough for marriage.

(All rights reserved, NEA Service, Inc.)

WE, THE WOMEN

Wife Would Lose Security If Marriage Vows Changed

By NUTH MILLETT
NEA Staff Writer

A Massachusetts minister has offered to substitute the vow "So long as ye both shall love" for "So long as ye both shall live" if the couples he marries agree to it. He considers the less exacting vow more compatible with the times, considering that about one in four U. S. marriages ends in divorce.

Any bride who agrees to the "so long as ye both shall love" clause in her marriage contract is just plain dumb.

For a woman's only real security is marrying for life. Only when she feels confident that her marriage is going to last through good times and bad, through temporary disillusionment and maybe even temporary boredom can she have any peace of mind.

How can she responsibly bring children into the world if her marriage is based on the proposition that they will have a father only so long as the mother and father are romantically in love?

How can she have enough peace of mind to settle down to the duties of married life if she is constantly nagged by the thought that as she loses her youth and beauty she may also lose her husband?

How can she feel that there is dignity in her position as wife without that old and honored promise "So long as ye both shall live" to give her status?

The marriage contract as it stands is a wife's greatest protection. Many wives have fallen down on the contract, it's true. And many will continue to do so.

But just because some couples hold their marriage vows lightly is no reason to change the vows. The majority of married couples still believe in and live by the promise "so long as ye both shall live."

The fact that some don't doesn't mean the vows are too exacting.

Rev. Edward Murray Is New Pastor Here

The Rev. F. B. Triggs, OMI, who has been pastor of St. George's Catholic Church the last six years and of St. Ann's Church since its establishment in 1948, has been transferred to the Our Lady of Guadalupe Catholic Church in Houston.

The Rev. Francis Taylor, OMI, who formerly was assistant to Father Triggs, has assumed the pastorate of St. Ann's Church at 2000 West Texas Street.

The Rev. Edward Murray, OMI, has moved to Midland from Sugar Land, where he was pastor of a Catholic Church, to become pastor of St. George's Church, which serves a Latin American congregation. The church is located on East Texas Street.

Plague Pays Visit To Calcutta Again

CALCUTTA (AP)—Plague has rejoined the ranks of the many endemic diseases of Calcutta after an absence of 42 years. Last year there were 254 cases and 14 deaths during the 17 weeks ending July 31. But this year it started early in January and already it has killed 50 out of 366 cases.

Except for stray imported cases, Calcutta was free from plague since 1906. In 1899, about 60,000 were reported to have died of plague in Calcutta alone.

Teen-Age Girl Is Freed In Slaying Of Married Lover

WAUKESHA, ILL. (AP)—Joyce Schumaker, an 18-year-old girl, was freed by a jury Wednesday night of charges of murdering her 33-year-old paramour.

"I was really worried until I heard the verdict," Joyce said. "I feel wonderful. It is a wonderful surprise. I have never stopped praying in four months."

Joyce was tried for the slaying of Carl Reeder, 33-year-old school clerk.

She was on the witness stand two and one-half hours Wednesday. She contended the shot which killed Reeder as they sat in his car on the Lake Michigan beach last April 4 was fired accidentally as they grappled for the gun. She admitted she had her finger on the trigger.

She testified she had sexual relations with Reeder during her early courtship with him, before she learned he was married. She said Reeder pursued her despite her repeated demands that they end their affair.

PORTUGAL RATIFIES LISBON (AP)—The North Atlantic Alliance was ratified by the Portuguese National Assembly Wednesday 80-3.

The sign in front of this Los Angeles laundry is unmistakably clear. It says "Drive in Office." That's exactly what fireman Charles Lechler did when his truck missed a sharp turn. After climbing from the wreckage uninjured, Lechler surveys the damage—and the sign.

Rotary Committees Discuss Assignments

Committeemen and chairmen of committees in the club service group of the Midland Rotary Club met Wednesday night in the Petroleum Building to outline their assignments and make plans for the next 12 months. Roy McKee, group chairman, presided at the session.

Bert Ryan and Carroll Thomas of the Shell Oil Company were hosts to the Rotarians in the company's executive offices.

Many suggested programs were discussed. Greater emphasis on development of the individual Rotarian will be the theme of the 1949-50 programs.

The Fellowship Committee recommended purchase of badges for members and more emphasis on inter-city Rotary activities to promote fellowship between Rotarians.

CONDUCTOR'S WIFE DIES

BAR HARBOR, ME.—(AP)—Mrs. Walter Damrosch, wife of the internationally known musical conductor, died here Wednesday night.

Sinclair Gets Big Gas Yield At Test In Anadarko Basin

AMARILLO (AP)—A four-hour test produced 10,300,000 cubic feet of gas through a five-eighth inch choke on a deep well in North Central Roberts County Wednesday.

Calculated open flow of the well—Sinclair Oil & Gas Company's No. 2 Lips Ranch Anadarko Basin test—was 36 million cubic feet.

It recovered 30 feet of mud and two gallons of distillate. Drilling now is going ahead at 8,220 feet. The drillstem test was taken between 8,127 and 8,191 feet.

Gulf Oil Company's No. 1 Harbaugh, located one and one-half miles northwest of the Sinclair test, found 4,150 cubic feet of gas in a drillstem test through a five-eighth choke two weeks ago.

Both gas flows were in the same zone.

Six other deep tests are being drilled in the same area.

Brannan Cites Rising Carryover, Britain's Dollar Crisis As Cotton Industry Threats

DALLAS (AP)—Secretary of Agriculture Charles F. Brannan said Thursday the dropping dollar balance of nations in the sterling bloc "could seriously disrupt the South's exports in cotton and tobacco."

He listed international trade, farm income, and the trend of the cotton carryover as elements "basic to the welfare and security of the cotton farmer."

Brannan's remarks were addressed to the tenth annual Cotton Research Congress. The Congress opened Wednesday and ends Friday.

He said farm purchasing power had been reduced through farm prices "falling faster and farther than non-farm prices." He said the United States will begin the new cotton week with a carryover of about 5,500,000 bales.

"Well informed men in the cotton trade expect that domestic consumption and the export market in the coming year may amount to about thirteen million bales," Brannan said. "This points to a 1950 carryover of something over seven million bales."

"A steadily rising carryover is a challenging trend. We cannot afford to undergo again the exhausting experience of another gigantic accumulation of cotton."

Jackson Licks Problem
Brannan's place on the program was following a keynote speech by Burris C. Jackson of Hillsboro, general chairman of the Statewide Cotton Committee of Texas.

Jackson said greater emphasis to mechanization and the attendant problem of ginning mechanically harvested cotton is needed, that intensified insect control research and education work is needed, and that there should be research on improvements in the quality of cotton end products. Also, said Jackson, the cotton industry should have an "adequate sales program."

Jackson said Congress and the Department of Agriculture were trying to work out plans to avert a real crisis in cotton. He said he hoped they were successful, but he believed "no permanent solution to cotton's problems ever can be achieved through legislation."

Cohen Henchman Dies Of Shotgun Wounds

LOS ANGELES (AP)—Edward (Neddy) Herbert, henchman of gambler Mickey Cohen, died early Thursday of shotgun wounds suffered July 20 at the hands of rival gangsters.

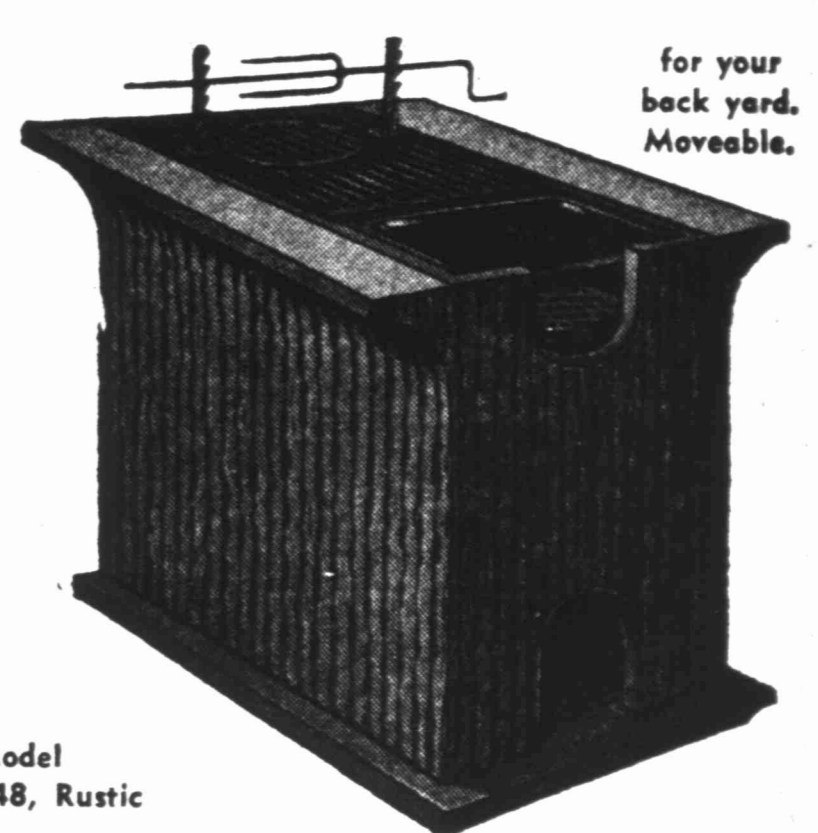

Herbert had been in a critical condition since the shooting. The slugs blasted his liver, spleen and kidneys. Cohen, a former movie bit actor, and a state-appointed bodyguard for the gambling boss also were hit but are recovering.

Herbert had escaped 11 shots from gangsters only a month before as he was entering his apartment.

How to keep cool — and carefree

WHERE DOES LUBRICARE STOP?

In one of our exacting Lubricare treatments, you pay only what a routine "grease job" would cost elsewhere—but when your Buick comes purring back home you discover we've eased into your door locks, checked your brake fluid. We've even oiled the windshield wiper mechanisms—and that's only a good beginning. While we lubricate we also inspect, from bumper to bumper—catching your little troubles before they grow to big ones.

This time of year there's one place a lot cozier and cooler than your favorite spot around the house.

That's in your Buick—finding a breeze along dusk-cooled highways, or following those little roads that lead to inviting "loafing grounds."

Either way, whichever pleasure trail you follow, you'll find more fun on the way if your Buick is in top-flight shape to take the miles in its steady stride.

How about letting us put it in that shape for you?

Get one of our conscientious motor tune-ups, and one of our thoroughgoing Lubricare treatments. We'll put the bounce back in your motor—while we're taking the bounce out of your ride.

We do this well because we're Buick men. We know your Buick, we've studied correct factory methods for each operation, we know the factory specifications your car was built to. We use genuine Buick parts—even special Buick tools!

Yet you don't pay a penny more for all these extras. Stop in this week, won't you?

Buick care keeps Buicks best

New Pushkin Ballet Termed Successful

MOSCOW—(P)—The Soviet Union's newest ballet, "The Bronze Horseman," has been successfully staged by theatres in Moscow and Leningrad.

It is based on Pushkin's poem of the status in Leningrad of Peter the Great. It is a new production of the Bolshoi Theatre.

IT WAS ALL GREEK
DORTMUND, GERMANY—(P)—Anti-communist construction workers were asked to make a Greek inscription on a new building here. But they refused.

They mistook the Greek letters for Russian.

Economic Sabotage Mounting in Poland

WROCLAW, POLAND—(P)—Economic sabotage, most of it apparently centering in industries operated in former Eastern German lands, seem to be on the increase in Poland.

Arrests and trials of those accused of sabotage are frequent. A casual check of arrests reported by Polish newspapers since January 1 showed 180 persons had landed in jail. Many of these included directors or vice-directors of industrial plants.

Open hearth furnaces now produce 91 per cent of all the steel made in the United States.

Wildcat Increase Highlights Locations In Midland Areas

Wildcat activity in the Midland area increased the past week, as shown by records of the oil and gas division of the Railroad Commission of Texas. Eight wildcat locations were staked. Two applications on amended wildcats were filed.

The wildcat applications were distributed one each to Ector, Garza, Glasscock, Midland, Pecos, Scurry, Sterling and Terry Counties. Presidio and Winkler Counties each reported an amended application on a wildcat location.

A total of 62 projects were listed the past week, with Cochran County leading with 14.

Scurry County received eight new explorations. Pecos reported six new locations.

Drillites were established for five new prospectors in Hockley County. Four new locations were reported in east of Crane and Garza Counties.

Gaines gained three new explorations. Two locations were listed in east of Andrews and Ector Counties.

The remaining new drillites were divided one each among Borden, Howard, Loving, Winkler and Yoakum Counties.

Applications to amend previously staked locations totaled 13. Cochran County had six. Ector, Garza and Pecos County reported two amended applications each. The remaining revised location was listed in Hockley County.

ANDREWS COUNTY
Sinclair No. 2-170 University, 990 feet from north and 330 feet from west lines of section 14, block 14, University survey, rotary, 10,000 feet depth, Shafter Lake-Devonian field, starting at once.

Annual Big Spring Rodeo Set Aug. 3-6

BIG SPRING — Street decorations, window displays, and western regalia of all sorts dominate the scene as residents here get out the welcome mat for visitors to the 16th Annual Big Spring Rodeo and Cowboy Reunion, August 3-6.

More than \$8,000 in prize money will be awarded winners of the various events in the 1949 version of the rodeo. A \$3,400 pot posted by the Rodeo Association will be filled out by entry fees which officials believe will exceed \$5,000. Plans are being made for the biggest and best show in the history of the 16-year-old event, Charlie Creighton, vice president of the association, declared.

The four-day show will be produced by Buck and Tommy Steiner, Austin showmen and stock contractors, who also will furnish stock for the event.

Big Parade
A gigantic parade to start the celebration is being organized by members of the Rodeo Association under the direction of Jess Slaughter, chairman of the parade committee.

Buck Jones, Wichita Falls, and Hobart Flowers, Calgary, Canada, are to judge the rodeo. Creighton said, Bascom Giles, state land commissioner, is to participate in the parade and the opening performance of the rodeo.

The American Business Club and the Jay-Cees will make booster tours publicizing the rodeo.

MAKES MUD NEST
When certain rivers in South Africa dry up in summer, a curious kind of fish, called mudfish, makes itself a nest in the mud and waits for the river to fill with water again.

Bank Glad To Lose Postal Business

GUNNISON, COLO.—(P)—There's no profit in re-selling stamps so the First National Bank is glad it's out of the "postoffice" business.

Tellers were puzzled by a flood of tourists asking for stamps, mailing schedules and such until one visitor finally noticed that an arrow sign, intended to point to the postoffice around a corner, had been moved by the wind until it pointed directly at the bank.

ADVERTISE or be FORGOTTEN

Czechs Are Still Toting Nazi Cards

PRAGUE —(P)—Although living under the hammer and sickle of a Communist government since February 1948, Czechs are still carrying official identification cards which bear the stamp of the Nazi swastika.

But they now have an official promise that by the end of 1950 the last of these will have been junked and replaced. After that date all identification papers with the German-Czech text and the Swastika insignia will be invalid.

- 200 Westinghouse Streamliner automatic irons. Selected temperature is maintained... even heat distribution. Sells at \$12.95.

Here's all you have to do to be eligible to win in **WHITE MAGIC SOAP'S MAGIC QUIZ**

1. Be prepared to answer the Question of the Week if the White Magic Soap Quiz Man should call your home on the telephone.

THE QUESTION OF THE WEEK
July 25 to July 30
"WHICH CITY IS FARTHER WEST, LOS ANGELES OR RENO, NEV.?"

2. And be prepared to answer a second question which will pertain to some part of the printed portion appearing on a package of White Magic Soap... Feature in all SAFEWAY STORES.

3. If you live within a 20-mile radius of a SAFEWAY STORE in any of the following States you are eligible to receive a telephone call from the White Magic Soap Quiz Man: California, Oregon, Washington, Utah, Idaho, Montana, Wyoming, Arizona, New Mexico, Western Texas, Nevada.

4. Telephone numbers to be called will be selected on an impartial basis by the Ruben H. Donnelly Corporation, to insure absolute fairness in the selection of numbers to be called. Anyone in your home may answer the questions.

5. The contest will open on July 25, 1948 and will run for 8 consecutive weeks, closing on September 17, 1948.

6. The White Magic Soap Quiz Man will place all calls from contest headquarters in Los Angeles on week days—Mondays through Fridays—excepting holidays—between the hours of 9 A. M. and 4 P. M. Pacific Standard Time.

7. You may have a package of White Magic Soap (available at Safeway) handy for quick reference, or you may use a facsimile of the illustrations and copy appearing on a White Magic Soap package, as you may remember. However, you do not have to buy anything to be eligible for a prize, but a package of White Magic Soap will certainly make it easier for you to answer the second question—if you are called.

8. Contest subject to all Federal and State regulations.

9. Employees of Safeway Stores, Inc., their affiliates and divisions, advertising agencies, and the contest judging organization—and their families—are not eligible as contestants.

"I heard your mother whisper to you, 'Well, dear, you put it over beautifully!' Just what did she mean?"

Stanton News

STANTON—Judy McKinley recently celebrated her fourth birthday with a party given by her mother. Guests included: Maryline Sales, Judy Hamilton, Linda, Phillips and Barbara Morris, Bob Stevens, Susie Cowan, Herbert Moore, Sarah Hawkins, Donal Hawkins, George Grey and Philip Long. Other out of town guests included: Betty Jean Brown, Pat Potosky, Betty Orson, Billy Orson, Mrs. Bill Orson, Dr. R. E. Ivy, Mrs. Jack Potosky of Midland and Barbara Henson of Weslaco. Mr. and Mrs. McKinley are moving to Midland. She is a nurse at the Western Clinic-Hospital and he is employed there also. The Dorcus Sunday School Class recently honored Mrs. J. E. Moffett and Mrs. Bob Mintz with a party in the recreation room. Each received a farewell gift. Mrs. Moffett and daughter, Sue, are moving to Silabee to join Dr. Moffett. Mrs. Mintz and daughter, Jane, are moving to Midland. Mr. and Mrs. D. I. Reed of Dallas visited with his mother, Mrs. S. P. Reed for several days. Mr. and Mrs. Cleddie Shelburne of Midland are parents of a daughter, Mary Lou, born Sunday in Stanton Memorial Hospital. She weighed six pounds and five ounces. George Shelburne spent a recent weekend in Abilene visiting relatives. Mrs. Walter Carr is in a Big Spring hospital, where she underwent surgery Monday. R. S. Higgins of Richards, Mo., is visiting here.

Daddy Ringtail

By WESLEY DAVIS

Daddy Ringtail And The Imaginator

Daddy Ringtail, your monkey friend, was sitting on the grass beneath the very tall tree with his old friend, the Huffen Puffen. The Huffen is a friendly wolf, but he was also a very hot wolf, that day in the Great Forest, because the day was very hot. And the Huffen had talked and talked of how hot he was, until he was hotter than ever before. Daddy Ringtail laughed and said: "Huffen Puffen, you need an Imaginator to make you cool." And so the Huffen asked Daddy Ringtail please, please to get the Imaginator and to let it start its business of cooling. Daddy Ringtail got it. It looked like a hat that was made of wood, although it really was only an Imaginator. Daddy Ringtail took

it with him and walked with the Huffen on down by the Whispering River. It was there that the Imaginator would cool its best, Daddy Ringtail explained, but a few words were needed to help it. The Huffen listened with his ears and mouth wide open, and also with the Imaginator on his head. Daddy Ringtail began to talk, and these are some of the words that he said: "Huffen Puffen, you aren't nearly as hot as you think you are. Imagine! Imagine with the Imaginator on your head! Imagine that the sky is changing its color from blue to grey. The sun is hidden now, and the sky looks almost like a winter day. "Yes, and the wind is beginning to blow. It is coming down from the North Pole, cold from the snow and ice. Oh, the day now is colder and colder. The trees are bare of their leaves. They are covered with icicles glistening bright, and the day is cold, cold, so that the river is covered with ice, and people everywhere are shivering, shivering from the cold." And while Daddy Ringtail said these cold, cold words, and while

About 15 per cent of all steel production in the United States is used by the automotive industry.

Poles To Receive Work Decorations

WARSAW, POLAND —(AP)—The Communist-led Warsaw government, constantly urging more and more work, is adding two new decorations to the long list already being awarded to Poles who work the hardest. The new orders are called "Banner of Work" and "Builders of People's Poland."

HEALTHFUL-REFRESHING-DELICIOUS

U. S. Median Income Showed Gain In 1948

WASHINGTON —(AP)—The medium or middle-sized income of American families rose to \$3,320 last year. Reporting this the Federal Reserve Board said the medium family income was \$400 a year larger than in 1947 and \$700 larger in 1948. Median income means middle in the sense that half the families made more than the medium and half less. The board noted that the \$3,320 was reduced to \$3,000 by federal income taxes.

WASP CURE PAINFUL DES MOINES—(AP)—Elwyn Pearson's plan for getting rid of wasps proved more painful than stings. The wasps had been stinging his stock in the pasture. He discovered the nest in a large gas pipe used as a fence brace. Pearson threw gasoline into the pipe, and lit a match. There was a blast which threw fire over him, resulting in burns that required hospital attention.

Versatile Cold Cuts

Cold cuts, those handiest of Summer meats, are good quick-change artists. Here are three different uses for ready-to-serve meats which prove their versatility: (1) Cold cuts platter—on a platter arrange attractively a variety of cold cuts such as salami, thuringer and sliced ham. Garnish with ripe olives and cheese "apples." (2) Luncheon salad—lightly rub a large salad bowl with garlic. In it place lettuce or a mixture of salad greens. On one side lay strips of one or two kinds of cold cuts. Down the center arrange alternate slices of hard-cooked egg and tomato. Serve buffet style with a variety of salad dressings on the side. (3) Cold cuts casserole—in a greased casserole arrange layers of well-drained whole kernel corn, cooked noodles, diced thuringer, bologna or cervelat, and white sauce seasoned with Worcestershire sauce and garlic salt. Bake at 375 degrees Fahrenheit 30 minutes.

from north and west lines of section 32, block 68, Hardeman CSL survey, cable, 4,850 feet depth, Leveland field, starting immediately to deepen.

Texas No. 176 Bob Slaughter Block, 440 feet from north and 1-320 feet from east lines of labor 57, league 40, Maverick CSL survey, rotary, 5,000 feet depth, Slaughter field, starting at once.

Jellied Ham Mold

For Summer entertaining, a jellied ham mold is a perfect choice. Here's an especially delicious recipe which uses consommé as the liquid and small amounts of mustard and onion for seasoning: Soak two tablespoons gelatin in a little cold water, if necessary, (see package label). Heat three cups consommé and add gelatin, stirring until dissolved. Cool, then add one tablespoon horseradish, two teaspoons prepared mustard, one tablespoon minced onion and a dash of pepper. Place in refrigerator. When mixture begins to thicken, stir in 3 1/2 cups of ground cooked ham (or ground luncheon meat). Pour into ring mold, loaf pan, or decorative mold, which has been well lubed with salad oil or rinsed with cold water. (Oiling makes unmolding easier.) Serves six to eight.

Indian Of Year Honor Bestowed On Hopi Artist

GALLUP, N. M.—(AP)—Artist Fred Kabotie of Shongopovi Village on the Hopi Indian Reservation has been nominated Indian of the Year. The 49-year-old Kabotie has won honors at many of the nation's art centers—Phillbrook at Tulsa, Grand Central Gallery at New York City and the New Mexico Museum at Santa Fe.

In 1945 he won the Guggenheim Award of Merit for his painting, His Kachina Dance water color won first prize at the 1946 Arizona State Fair fine arts show.

The annual selection of Indian of the Year, by the council of American Indian tribes, is made from 12 nominees. This year's winner will be presented at the Chicago Railroad Fair in September.

Most of Kabotie's life he has taught Indian students to paint. Continually he has refused to commercialize his work.

He now teaches art and design in the high school in Oraibi, near his home.

Many of the intricate patterns that appear on Hopi silverwork were designed under his supervision.

Hornless Cows Bred By Aggie Instructor

WEBSTER CITY, IOWA—(AP)—E. C. Clover, vocational agriculture instructor in the Webster City schools, has gained nationwide attention for his work with hornless cattle.

Clover spent more than four years developing a herd of Guernsey cattle which are hornless. He was named a director of the recently-formed National Polled Cattle Promotion Club. He now has a herd of 16 polled cattle, all descendants of his original stock.

Reckless Motorist Calls Wrong Shots

COLUMBUS, OHIO—(AP)—The driver, police decided, was most unfortunate in his choice of victims in his automobile accident.

First, he crashed into the rear of an attorney's automobile. Then, he side-swiped a city garbage truck. He wound up by crushing against a tree a policeman's car which had been parked at the curb.

Try That Salmon 'Boy Scout Style'

BOY SCOUT FAVORITE—Is salmon, cooked whole in cheesecloth over a campfire.

By GAYNOR MADDOX
NEA Staff Writer

Boy Scouts like salmon, according to report. They boil it whole in cheesecloth during July, and eat it with new peas and boiled potatoes. That's a New England tradition, dating back to colonial times. The salmon should be in one piece. Be sure to handle the fish with care so it won't break up. To prevent this, the salmon should be securely wrapped in cheesecloth before boiling. When done, the cheesecloth and skin are removed and the fish is served whole.

New Englanders add a rich cream sauce with plenty of sliced hard-cooked eggs. Some prefer hot hollandaise sauce and still others like to drench it with drawn butter. Another fancy touch is to grate egg yolk over the salmon.

Fresh halibut season is here. So try this on hefty young appetites:

Bolled Halibut Dinner
(Serves 6)

Two pounds fresh halibut steaks, 1/4 cup chopped celery, 1/4 cup chopped onion, 1/4 cup chopped parsley, 1 bay leaf, 6 peppercorns, 2 whole cloves, 1 teaspoon salt, 1 cup Sauterne wine or 1 cup water flavored with lemon juice, 1 quart water.

Boil water, vegetables and seasonings for 15 minutes. Add wine

or lemon-flavored water. Wrap steaks in cheesecloth, place in boiling liquid and cover. Simmer for 30 minutes. Remove fish and keep it hot. Melt 4 tablespoons of butter or fortified margarine, add 3 tablespoons of flour, stir in 3/4 cup cream. Cook, stirring until smoothly thick. Add 2 chopped hard-cooked eggs. Season. Pour over servings of halibut.

Special Inducement Is Offered Miners

PRAGUE—(AP)—Czechoslovakia's Communist government is combating shortages of manpower and machinery in its coal mining industry as a serious threat to the nation's five-year plan.

In the mining town of Ostrava pictures of absentees are put on placards in the city square.

The government is offering free vacations to miners at Bohemian spas, which a coal digger could never afford on his wages. There are also priorities on housing—in flats from which "undesirable elements" are expelled.

The press has been making something of a national hero out of Karel Benedikt, a 76-year-old miner from Ostrava. He has worked in the pits 42 years and has raised all his 10 sons to become miners. Two of the oldest son's sons also joined the trade.

Czechs Using Old Ruse On Russians

PRAGUE—(AP)—Czechs trying to trick their present Communist rulers are using an old ruse they employed on their former Nazi occupiers.

It's like the old gag of "Grandmother died" that Americans use to get the afternoon off to attend the first game of the baseball season. The Czech version is "Auntie has died—hurry home." During the German occupation such telegrams helped people on forced labor to get out of camp.

Now some fathers and mothers are sending such telegrams to their children, who are on harvest brigades (volunteer workers) in the Prague region of the Czechoslovak Youth Union.

The first all-iron American railroad bridge was built in 1845.

New British Coins Drop Title Of India

LONDON—(AP)—New coins being issued by the British mint, for the first time since 1885, are appearing without the abbreviations Ind. Imp. (Emperor of India) in the king's title.

India achieved her independence in August, 1947, but still remains within the British commonwealth.

Veterans Insurance Dividends Going To All Parts Of Globe

WASHINGTON—(AP)—A tremendous outpouring of dollars will sweeten the pockets of 16,000,000 World War II veterans early next year.

The dollars will come from a \$2,800,000,000 dividend kitty, built up in the National Service Life Insurance (NSLI) fund over the past nine years.

The "special dividend" checks will roll out from Washington to the four corners of the globe—wherever veterans are—starting in January. They will reach a rate of 200,000 a day, five days a week.

The average check will be \$175. Veterans will get more or less depending on:

1. Age of the veteran at the time he first bought NSLI.
2. Number of months he kept his insurance in force.
3. Amount of insurance he has (or had).

Every veteran who held some NSLI for at least three months will get some dividend if he applies for it.

It is highly probable some veterans never will apply, either because they don't want to or because they won't hear about it. However, the Veterans Administration (VA) will do its best to see that dividend information is sifted into every nook and cranny of the U. S. and abroad (in cooperation with the State Department) through the press, radio, veterans' organizations, post offices, Red Cross and countless other media.

To Fill Out Forms

Within six weeks application blanks will be sent to every U. S. post office and other convenient distribution points. Veterans will fill out their forms and mail direct to VA's central office in Washington in self-addressed envelopes.

A receipt will be mailed back to the veteran at the address he supplies on the form. He then waits for payment.

VA estimates it will take six months to complete payment of dividends. It might be done quicker.

This special dividend is the result of two factors:

1. A lower-than-expected mortality among veterans after discharge. (War-connected deaths are paid by special appropriations and do not affect the dividend kitty.)
2. An out-dated mortality table which does not allow for the constantly increasing life span but which the law compels VA to use.

It is called a special dividend because:

1. It is computed from the date the insurance was purchased to the policy's 1948 anniversary date.
2. It cannot be left on deposit with VA at interest (although a veteran can endorse his check to VA as advance payment of NSLI premiums and this will draw three per cent interest).
3. It is payable to former, as well as present, NSLI policy holders.
4. It must be applied for. (In the future dividends can be expected to be paid automatically on an annual basis and may be left with VA at interest also automatically.)
5. Beneficiaries or heirs of deceased veterans are eligible to collect the deceased's dividend, regardless of whether the policy was in force at the time the veteran died. But they need not apply for it. It is to be paid to them automatically.

RUNS IN SUMMER
BRIGHTON, UTAH—(AP)—The 4,000-foot Brighton ski lift starts at an elevation of 9,000 feet on the side of Mt. Millard. The lift has 90 chairs and operates both Winter and Summer. Winter snow depths at this resort range from six to 12 feet.

The first steel rail was rolled of American steel in 1855.
