ON CONSTITUTION

Voters To Scan Special Ballot

Two changes will be evident when Friona voters join those from throughout the state Tuesday in voting on the proposed new state constitution.

One change will be the new opening time for the polls--7 a.m., as opposed to 8 a.m. as in the past. Polls will be open for 12 hours, 7 a.m. to 7 p.m.

Voting place will be the Friona Fire Department on Eighth Street. Mrs. Ray Landrum will serve as election judge for the Friona precinct.

For the first time, the ballot to be scanned by voters next Tuesday will be presented in both English and Spanish, as provided in recent legislation.

Polls will also be open at Black (Tri-County Elevator); Bovina (American Legion Hall); Farwell (County Courtroom); Lazbuddie (High School); Oklahoma Lane (Community Center); Rhea (Parish Hall) and Lakeview (Otho Whitefield home).

The ballot deals entirely with the proposal to replace the 100-year-old state constitution. The new document has been divided into eight sections, and voters will be asked to vote on the eight separate parts. Presumably, if some propositions carry and others do not, those carrying may be incorporated as amendments to the present constitution.

Little has been heard about the new constitution until recent weeks, when a number of leaders and organizations have come out in opposition to the proposed new slate of laws.

Among those paired against it are Governor Dolph Briscoe and such organizations as the Texas County Judges and Commissioners Assn., The Texas Association of School Boards is against the finance article (proposition five).

State representative Bill Clayton favors the new document, and has been stumping the state trying to sell it to political leaders.

BREAKING GROUND....An official groundbreaking ceremony was held at the Friona Nursing Home site Tuesday morning. Left to right are

June Spring, mayor R.L. Fleming, Dr. Bob Alexander, Andy Hurst and Delton Lewellen, contractor. Lewellen has estimated the job to take

nine months to complete, and says he might beat that estimate if the weather is favorable.

Bank Begins New Promotion Series

Friona State Bank has become a member of a network of some fifty and more banks in this area which has launched a cooperative campaign to educate their fellow citizens on the part banks as institutions and bankers as individuals play in the welfare and progress of the communities they serve.

The network is composed of banks within the signal of the three Amarillo television stations from which the campaign, composed of a series of 30-second spots, is being broadcast.

The steering committee, composed of a dozen bankers from towns within a 100-mile radius of Amarillo, is chaired by Robert Neelley, president of Friona State Bank, Oklahoma and New Mexico, as well as Texas, are represented in the network.

Network members are also provided with a variety of newspaper, counter display, outdoor poster, and radio adaptation materials for use in their own communities.

The general theme highlights specific enterprises in which bankers have made or are making substantial contributions in time, money, and personal sacrifice to benefit their areas....because we are a part of this community....we had a hand in building it. Our families live here. We want to help make it better for all of us."

In succeeding spots, the messages will point up how depositors' money is loaned for business and home building, retail inventories, manufacturers' raw materials, farm equipment, and public improve-

ments....all of which provide jobs and, at the same time, give residents of the community a wide choice of goods and services at reasonable prices and good quality.

Symbol of the network is a wagon wheel from a prairie schooner which, in its day, housed the entire social and economic community in which a family functioned. This symbol is accompanied by the signature, "Your Hometown Bank."

Creation and production of the television commercials and collateral materials is being handled by Rosenwald-Batson, Inc., advertising and public relations agency.

5¢ Sale Set On Wednesday

The Hospital Auxiliary and Friends of the Library rummage sale is underway at the old Hut building on Main Street.

A special 5 cent sale has been announced for Wednesday, November 5, between the hours of 3 and 5 p.m.

SPECIAL PEP RALLY

Next week's pep rally will be held at 5:15 on the high school parking lot, it was announced by the FHS cheerleaders.

The rally is designed to give the Chieftains a sendoff for their game at Dimmitt. The townspeople are invited to the rally.

CHAS. LOVELACE

Lovelace Announces Candidacy

Chas Lovelace who is serving as Sheriff of Parmer County, has authorized The Friona Star to announce his candidacy to succeed himself, subject to the Democratic Primary next May.

In making public his candidacy for re-election, Sheriff Lovelace issued the following statement:

"In announcing my candidacy for nomination for the office of sheriff, subject to the will of the voters in the Primary in May, I wish to express my sincere thanks and appreciation to the people of Parmer County and the surrounding area for the cooperation given me in the past--and if elected I pledge my continued best efforts and full time devotion to the duties of the office of Sheriff of Parmer County in the future. I surely thank the people of Parmer County for allowing me to serve you."

"I shall appreciate your support."
Chas. Lovelace
(Paid Political Advertisement)

Boosters To Honor Varsity

The Friona Booster Club will be host to the varsity football players at the regular meeting of the Club Tuesday night.

"We want to show the boys that we appreciate their efforts for the 1975 season. All fans are invited to attend the meeting," said a representative of the Boosters.

Films of the "Red Rage" battle with Littlefield will be shown.

School Out Friday

There will be no school in Friona on Friday, November 7 for students. Teachers will be attending the District XVI Teachers Convention in Amarillo.

Dan Carthel Wins Weekly Grid Event

Dan Carthel of Gruver was the winner in the eighth week of the Friona Star's football contest. The former Friona resident equaled the season high score of 19, and was the only one of 176 contestants to post a score of 19 for the week.

Carthel won the weekly first prize of \$10.00. Fred Church and Jackie Clark tied for second place, the second straight week for a tie for those spots, and each was awarded \$5.00.

Church and Clark were among seven contestants who had 18 games right for the week. Others were Bobby Drake, Fred Barker, Jr., Owen Drake, Ricky Castaneda of Hereford and Benny Pryor.

The two prize-winners missed the Friona-Oilton game score by only three points each.

Twelve contestants had the score of 17. They were Eugene Guss, David Phelps, Leslie Broadhurst, Edward Castillo, Jay Beene, Mike Gowens, Toby Strickland, Harletta Carthel, Don Fortenberry, Clay Bandy, Terry Brown, Cindy Carthel and W.L. Cleveland.

Carthel's score of 19 moved him up to fifth in the season standings, making his aggregate score 117. Jack Clark, the leader, had a score of 15 for the week and now stands at 121. Don Fortenberry is second at 120. Clay Bandy, Bobby Drake and Mike Gowens are at 119.

Next at 118 come Fred Barker, Jr., Edward Castillo and Movelda Fortenberry.

A total of 107 contestants have already reached the 100-point plateau in the contest, which had five weeks remaining, counting the current weekend.

A total of 1658 entries have been tabulated through eight weeks of the contest. This is an average of 207 per

week. Five new contestants entered last week, making a total of 281 different contestants entering the 1975 event.

Contestants are shooting for a grand prize of two tickets to the 1976 Cotton Bowl Game plus \$30.00 in cash, or for the runnerup, two tickets to the Sun Bowl Game and \$20.00 in cash. A third grand prize of \$15.00 cash is also awarded.

In addition, a total of \$20.00 in weekly cash prizes are awarded to the top three contestants.

Carrothers Named To Committee

Jack Carrothers, president of Friona Industries, has been appointed to the Program and Budget Committee and the Consumer Education Committee of the National Live Stock and Meat Board.

The appointments were made and announced by Earl E. Harris, Chairman of the Meat Board.

Carrothers is an elected beef industry Director representing the state of Texas. He has also represented the American National Cattlemen's Association on the Meat Board.

He's a member of the Beef Industry Council, promotional division of the Meat Board responsible for research, advertising, education and market projects for the beef industry.

LOCAL VOTERS will be asked to vote next Tuesday on a proposed new constitution for the state of Texas.

A lot of time, money and effort has gone into the effort to devise a new constitution, but speaking as one voter I'm not sure the general public is ready to give a blanket okay to a new charter which many state leaders and organizations oppose, and many others do not even know all that could come out of the proposal.

Many opponents to the all-new charter have surfaced in recent weeks, including Governor Dolph Briscoe, the Texas County Judges and Commissioners Assn., Texas Assn. of School Boards and a group called the "Citizens to Preserve the Texas Constitution."

The Governor warns that annual sessions, as called for in the new document, could lead to a state income tax. He warns against moving the state government toward patterning after the federal government.

State Comptroller Bob Bullock describes the finance article, to which the school leaders are opposed, as "A spook which will haunt us for many years."

Bullock says that re-evaluation of property as called for in the document will cause property tax across the state to increase more than 60 per cent on the tax rolls.

Some taxing officials have the opinion that all of our local tax rates could be determined by a central agency in Austin, should the new document be passed.

The new state charter would also give legislators a more liberal means of raising their own salaries. The legislature has been unsuccessful in recent years to gain a pay raise through constitutional amendment means, and apparently have written in a way of raising their pay without submitting it to the voters.

Personally, we believe the legislators need a pay raise, but we believe that they should get one after getting our vote along with a majority of other Texans.

THERE ARE SOME things in the new charter which we like, but the more we hear about the "fine print" contents of the document, we cannot at this time recommend wholesale passage of the new constitution.

To approve something of this magnitude would require days and possibly weeks of study.

Although most of us have been bombarded with material concerning the constitution, it's hard for the average voter to digest it all.

Most folks are inclined to vote against something that they do not thoroughly understand. This might not be a bad idea on the constitution.

After all, we still manage to get by on the old one. We can still offer amendments when we want a change. We pretty well know where we stand on major issues under the old document, whereas under the new one, we're not so sure.

A FRIEND OF OURS, Melvin Young, former editor of the Hereford Brand who has been down at Seagraves the past couple of years, visited us on Wednesday of this week.

Young was impressed with the way Friona has grown, and in particular with the business expansion along Highway 60. Since his last visit to Friona, we had added new locations for Herring Implement Company, Parmer County Implement Co., Reeve Chevrolet-Olds, Piggly-Wiggly, White's Auto, Brockman Sales, Gibson's, Circle K, Tasty Cream, Pioneer Cattle Order Buyers and Hi-Pro Feeds.

New businesses on Main Street he noticed were Perry's and Ruthie's. We also added the new post office.

Young was of the opinion that Friona is still "on the grow," and that this is still one of the best areas

we've known this all along, but we're always glad to have our ideas confirmed by someone not quite so biased.

DALE CLEVELAND and Gene Strickland, former basketball stars for the Friona Chieftains, will line up against each other for the first time next Saturday night at the Amarillo College gym when AC opens its season against the Wayland College junior varsity.

Dale is playing for the Amarillo College Badgers this season, while Gene will be on the Wayland JV.

Several Friona fans should be interested in this particular game, with former stars on the court. The return game will be played at Plainview January 10. Tipoff time is 8 p.m.

FIRST BALE....Ernest Osborn, right, delivered the first bale of cotton in Friona for 1975. He brought the bale to Friona Farmers Co-op Gin on Thursday, October 30. Tom

Byars, left, is gin manager. The bale weighed 500 pounds, came from 2300 pounds of seed cotton. The first bale yielded 750 pounds of seed.

RECEIVES CHECK....Davy Carthel, right, is being presented a check for \$10.00 from Vickie Copley of the Friona Star. Carthel accepted

the check on behalf of his brother, Dan, of Gruver, who won first place in the Star's weekly football contest.

REMEMBERING... Picking Cotton

By BILL D. BROOKS

You were very proud of your first cotton sack. It was probably made of a four sack or burlap tow sack. Your mom sewed a ducking shoulder strap on it and you could hardly wait until you got to the field that day. The sack seemed to get bigger the more cotton you put into it. You kept pulling and pulling and glancing back to see if it was full. It took forever. Finally, you had enough to weigh in. Someone bigger had to

help you at the scales, they were too high to reach. After it was weighed, they pitched your sack up into the wagon for you while you scrambled up to dump the cotton out, thinking about how much money you had already earned.

After you were older it was not as much fun but the money was important. You graduated to a "real" cotton sack, though a short one, usually made from a long one

that had worn out. The worst thing about picking cotton would be kinda hard to pinpoint because there were so many things. Your hands got sore to the point where they actually bled. If you tried using gloves to save your hands, you couldn't pick as much cotton. Your poor back would cramp and hurt from bending over the stalks and from pulling the heavy sack full of cotton. If you tried working on your knees to relieve the back pain, your knees got raw from the hard clods, rocks and numerous goateads.

There were rewarding things about picking cotton, though, in addition to the money, I mean. You just might happen upon a good old volunteer watermelon vine that had a ripe one on it. Stopping at the fence row to get a drink of water from the cloth-covered gallon water jug was good, too. The short rows were good and sundown was good. The final weigh-in of the day was best of all, though.

The scales were usually hung from a tripod situated by the wagon or maybe a board hanger fixed directly to the tall sideboards. In the old days it was a balance scale, an iron bar with a heavy iron weight. The weight was placed in notches along the bar until it came to rest in a level position. The notch showed how much the cotton weighed. You then deducted some amount for the weight of the sack and the tally keeper put down the net amount beside your name. At the end of the day, if you were really lucky, you got to go with the cotton to the gin.

WEIGHIN' IN

Crane Hunt Begins

Sat. At Muleshoe

The annual Sandhill Crane Hunt at the Muleshoe National Wildlife Refuge, located about 20 miles south of Muleshoe, will get underway this weekend and continue the next two weekends.

Sponsored by the Muleshoe Jaycees, headquarters for the hunt will be the Corral Restaurant at 1008 West American Blvd. in Muleshoe. Charge for participating in the hunt, which begins 30 minutes before sunrise, will be \$7.50 per day, \$14 for a weekend, \$25.50 for two weekends, or \$37.50 for all three weekends. Breakfast is included in the hunting fee and will be served at 4:30 each morning. Permits will be provided and hunting licenses and shotgun shells will be available.

Trap shoots will be featured every day of the hunt. In addition, three drawings for Winchester 12-gauge shotguns will be conducted.

Hunters wishing further information may contact Mike Armstrong or Hugh Young in Muleshoe.

Friona Flashbacks

...from the files of The Friona Star

45 YEARS AGO—NOV. 14, 1930

Friona is going to have a boy scout troop and in short time we will see these lads walking along our streets in uniform. E.L. Price is responsible for the movement. He has had three years experience as scoutmaster in Lockney, and he will likely make a success of it here. The boys meet Monday evening at the barber shop for an organization meeting and are showing much interest.

40 YEARS AGO—NOV. 8, 1935

Dr. E.B. Wills, dentist, who has been in Friona for the past few years closed his dentist office here and moved with his family to some place near Waco, where he intends to open an office.

The Friona Chiefs are to make their first trip for a football game this Friday. They are to play Claude in the afternoon. This will also be the first game they have played in the afternoon as they have been taking advantage of the floodlights.

35 YEARS AGO—NOV. 8, 1940

A move is now on foot to secure at an early date, several more miles of paved highways for Farmer County. The new paving as now outlined will include the paving of State Highway 86, which traverses the county east and west from Dimmitt in Castro County, to Bovina, where it intersects Highway 33-60. The other highway, which the new move proposes to pave, is the new State Highway, which connects Muleshoe, in Bailey County, with Friona, traversing the county from south to north.

25 YEARS AGO—NOV. 2, 1950

C.W. Dixon is reported still in serious condition in the hospital in Roswell, undergoing an operation Tuesday and facing another one in the near future. Mr. Dixon, father of Mrs. Ray Landrum, was injured three weeks ago when working cattle on his ranch near Roswell. Though not thrown, he was severely injured internally as the horse pitched with him.

20 YEARS AGO—NOV. 4, 1955

The newly-built Sixth Street Church of Christ structure is one of the latest contributions to the Friona building scene, providing another modern church in a town of outstanding churches. Completed this month, the building is

beautifully designed and constructed, inside and out.

Next election, in 1956, will find Farmer County residents voting for a new county elective office, that of County Tax Assessor and Collector. In a special election this Tuesday, the new office was authorized by one of the narrowest margins in local voting records, 97 affirmative and 81 against. Friona sanctioned the division by a slim 21-19 vote, with Farwell polling the heaviest ballot 54 for, 23 against the measure. The new office calls for a four year term, same as that of the sheriff. Mr. Lovelace will hold both positions until the 1957 term begins.

15 YEARS AGO—NOV. 3, 1960

Two men were injured Monday afternoon in an explosion and fire at the Plains Farmer Gin on the Bovina Highway. Jack Dickerson was treated at Farmer County Community Hospital for burns and lacerations. His father Allan Dickerson was treated and released from the hospital. The younger man required hospitalization for his injuries, which included second and third degree burns on the arm and lacerations on the face and ear. Firemen were called to the gin following the blast, which apparently started from a butane leak in a pilot on one of the gin's cotton dryers. Damage to the gin was not believed extensive.

Friona's High School Band will take part in Homecoming activities

Saturday at Eastern New Mexico University in Portales. ENMU will take on Southwestern Oklahoma in the football contest that will highlight activities of the day. Friona's band will take part in a downtown parade at 11 a.m. and then perform at halftime.

10 YEARS AGO—NOV. 4, 1965

Friona's district alignment for 1966 and 1967 has been announced. Hale Center and Memphis, both of which are moving up to class AA from A will be in Friona's district, competing along with the six teams which were already in the district. Bovina and Morton, neither met during the last two seasons, will be played as non-conference games. Muleshoe, Dalhart and Plains, played this year, will not appear on the 1966 slate.

5 YEARS AGO—NOV. 5, 1970

Friona voters gave a wide margin to Governor Preston Smith in his re-election bid, gave Lloyd Bentsen an eye-lash margin, and went overwhelmingly against liquor-by-the-drink in Tuesday's election. Smith had the majority in Friona, with 523 votes to 314 for Republican Paul Eggers. Bentsen edged out Bush in the Friona box, 421-415.

City Receives

Sales Tax Check

Comptroller Bob Bullock mailed checks totaling \$14.2 million last week to 824 Texas towns and cities for their monthly October city sales tax rebate.

The October payments were smaller than the previous month's. Bullock said this is because the September checks included receipts carried over or coming in late from the last round of quarterly tax payments sent in by merchants.

During the first two months of each three-month cycle, he noted, payments are not made to cities whose allocation is less than \$500.

Bullock said the monthly rebate program has proven a boon to cities in its first several months of operation.

Friona's monthly tax check amounted to \$3,442.75. The payment was based on a gross amount of \$3,688.58, less a state service fee of \$73.77.

School Menus

Week of November 3-7

MONDAY—enchilada casserole, buttered corn, crackers, cabbage and carrot salad, peaches and milk.

TUESDAY—meat loaf, mashed potatoes, hot rolls-butter, green beans, brownies and milk.

WEDNESDAY—burritos with chili and cheese, pinto beans, cornbread-butter, lettuce and tomato salad, pineapple rice pudding and chocolate milk.

THURSDAY—hamburgers, lettuce, tomatoes, pickles, onions, French fries, fruit jello, catsup and milk.

FRIDAY—No School Friday—District Teachers Meeting.

WELCOME TO FRIONA

Recent newcomers to Friona are Mr. and Mrs. Andy Hernandez. The young couple is living in the Friona Apartments, Number 31. He is employed as a highway patrolman for the Department of

Public Safety. They came here from Lamesa, which is the hometown of their parents, where he grew from Del Rio. They attend the Catholic Church.

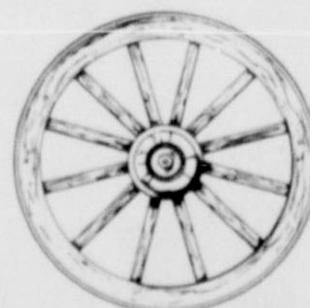

1876...

The pioneers brought here with them all they could of civilization. In their covered wagons, they literally included their world, as they came to settle this vast and empty plains country a century ago.

Because there were so few of them, neighbors were treasured. It was a comfort to know that help would come, should the need arise.

And as they tended their herds ... broke the sod ... built their towns, bankers were there, to be relied on.

As your Hometown Bank, we were formed in this tradition. We are families live here. We want to help make it better for all of us.

Members Exhibit Winning Animals

Three Farmer County 4-H members from the Lazbuddie club exhibited their barrows at the State Fair of Texas in Dallas on October 13-17. These youngsters were Russell Windham, Sherrie Seaton and Barbara Seaton. Over seven hundred barrows from throughout the state were entered and shown before Jim McManigal, West Texas State University who served as show judge.

by Barbara in third with her mediumweight Poland. This show concluded the Fall Circuit for 4-H youngsters in the county. The group was accompanied to Dallas by Mack Heald and Jimmie Seaton of Lazbuddie.

Out of Orbit

1 GET 33 THOUSAND MILES PER GALLON OUT OF MY COMPACT!

The barrows were shown on Wednesday and Thursday, with Sherrie Seaton placing her heavyweight crossbred third on Wednesday afternoon. Thursday was a better day for all the youngsters. Barbara Seaton started off the Hampshire show by having the first place lightweight. Russell Windham came through in the mediumweight Hampshire class by placing first and ninth with his two barrows. Russell's heavyweight Duroc also placed ninth.

In the Poland China show, Sherrie placed second with her mediumweight followed

SS Recipient May Get Extra Benefits

"A person who delays retirement beyond age 65 may be eligible for a higher benefit," Jose A. Martinez, social security field representative said recently.

"To be eligible, a worker must be between ages 65 and 72, and not have received a full social security check before age 65. The increase in benefits is 1-12 of 1 percent for each month a check is not paid after age 65. The higher benefits are effective January of the following year.

"No request need be filed to get the delayed retirement credit. This is automatically done each year,

and the increase-back to January of that year-is usually reflected in the check for August or September.

"An individual should contact social security when he is approaching 65 even though he doesn't plan to retire," Martinez stressed. "He should apply for

Medicare even if he doesn't plan to receive monthly retirement checks until later using his Medicare card will not prevent him from becoming eligible for the delayed retirement credit," Martinez explained.

INSUR-MATION

By MILTON EVANS
Farmer County Farm Bureau Insurance
Phone 247-3280

At what age am I able to start receiving benefits from the individual Retirement Act? Are the earnings taxable? Will I be able to borrow on this account?

Under IRA you may begin to receive benefits at age 59 1/2. If you become disabled, these funds are available at time of disability. The funds are available to beneficiaries at time of death. As with most savings instruments, there are penalties if the funds are withdrawn prior to these three circumstances. The interest earnings are not taxable... you are earning interest which is tax free, as opposed to money in regular savings accounts. You cannot borrow on the account or use the money as security in obtaining a loan. IRA's purpose is to assure you retirement security with money that is well protected and available only in the appropriate circumstances.

JV Topples River Road

Friona's Junior Varsity hosted the new Amarillo school, River Road, here Thursday night. The Chieftain JV scored its sixth win of the season, but not without a hard fight, and by the narrow margin of 7-6.

The Chieftains scored the third time they had the ball. River Road had a fourth and one from their own 44 and elected to go for the first down. But the stingy Friona defense held, and the JV had great field

position. Todd Bandy ran 16 yards for a first down to the River Road 26. Then Feider made seven yards and Mark Lunday 13 for a first and goal. A penalty against the visitors moved the ball even closer to the goal-line.

Edward Castillo got the touchdown from four yards out on the third play of the second quarter. Castillo then kicked the all-important PAT for a 7-0 lead.

Late in the third quarter, the visitors drove to the Friona one-yard line, having first and goal. Friona dug in, and recovered a fumble on third down to apparently stop the threat. However, three plays later Friona fumbled a pitchout and River Road recovered in the end zone for a TD.

Trying for the lead, the Amarilloans went for two points running but the Chieftains held, and managed to hold onto the slim lead. Friona had two other good chances to score. In the fourth quarter, they had first and goal at

the six, and drove to the one, only to fumble.

Late in the first half, a nifty pass play, Bandy to Cliff McLellan worked for 24 yards, but McLellan was stopped on the one. Only 15 seconds was left on the clock, and in their haste to get the ball in, the Chief JV malfunctioned, and time ran out with the ball about a foot outside the end zone.

The freshmen, who had an open date, saw some action during the contest, particularly Kevin Kothmann and Sandy Peters.

CHIEFTAIN FULLBACK Glenn London (32) is about to meet up with an Olton linebacker, whose team handed Friona a 29-6 loss.

Great Ghosts its HALLOWEEN

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.

For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

Dimmitt Tops Frosh, 21-0

Visiting Dimmitt scored in the first, second and third quarters to take a 21-0 win over the Freshman Chiefs here Thursday, October 23.

Dimmitt scored the second time they had the ball, going 31 yards for a TD. The point try failed, and the score was 6-0.

Before the half ended, Dimmitt got back on the scoreboard on an 80-yard run. Two points running were good with 45 seconds left in the half and Dimmitt led, 14-0.

The visitors clicked again in the third quarter, on a 12-yard run, and this time kicked the point for a 21-0 lead.

In the fourth quarter, Friona started to move when Kevin Kothmann passed to Cris Barnett for a 30-yard gain. But Dimmitt intercepted a pass a moment later to kill the drive.

The visitors added up 259 yards rushing. Friona had 52 yards rushing and the same number passing.

TOUCHDOWN....Edward Castillo (45) is off and running as he scored the JV's only touchdown in their 7-6

victory over River Road of Amarillo. Castillo also kicked the deciding point.

TIME TO CHUNK....Quarterback Keith Martin is shown setting up to pass during the Abernathy game.

The Chiefs started too late and ran out of time as they were beaten 14-10.

Chiefs, Bobcats Renew Rivalry

Things will be quite a bit different from a year ago when Friona and Dimmitt tangle in a District 3-AA game at Dimmitt next Friday.

Last year when the two met, Dimmitt had an 8-0 season record, and Friona was 6-1. The teams were fighting for a possible share of the district race.

The stakes will be different this year, but it's doubtful that the rivalry will be any less intense.

For one thing, the game will make the 40th renewal of the longtime series, which has been a heated rivalry, especially during the past dozen years or so.

Dimmitt, like Friona, has been in a rebuilding year. The Bobcats returned only seven lettermen off their 1974 team which finished with a 9-1 mark and runnerup to Olton in District 3-AA. This is the same as Friona returned.

Although the Castro County team

graduated super-star Robert Mayberry, who is starting for West Texas this fall, his younger brother, Thompson Mayberry is trying to follow in his footsteps, and as a sophomore, is one of the Bobcats' main backfield threats.

In common opponents, Dimmitt lost to Muleshoe, 7-0, and to Littlefield, 31-10, but played tough Tulla close, 7-0, the week after the Hornets had blasted Friona, 27-0.

Although the Bobcats didn't have a single starter returning, both Mayberry and center Keith Goldsmith saw considerable action. Mayberry played a lot against Friona after his older brother was hurt, an injury that caused him to miss the team's vital game against Olton.

These two teams always try to do well against the other, so an all-out battle can be expected, even though the gold football won't necessarily be at stake.

Chiefs Scrap, But Olton Wins, 29-6

Friona played defending champion Olton close for three quarters, but went down to the Mustangs' fourth-quarter flurry, 29-6, in the district opener for Friona last Friday night at Olton.

The Chiefs dominated the third quarter, and pulled to within seven points at 13-6 late in the quarter. But Olton answered the challenge with two fourth-quarter touchdowns, one with only 24 seconds left in the game.

For the fifth week in a row, Friona went to the dressing room at halftime trailing by two touchdowns. This time it was a 13-0 deficit. The score had been 14-0 for the previous four weeks.

Glenn Johnson, Olton's offensive star, turned out to be tough on defense as well. Johnson crashed in to block David Barnett's punt midway through the opening period, and Olton drove 35 yards in four plays.

Quarterback Jimmy Parker got the score by weaving his way 20 yards. A running try for points was foiled by the Chiefs, and Olton led, 6-0.

Late in the quarter, Olton took over on their own 31 following a short Friona punt. Parker ran 28 yards, passed for 13, and Johnson picked up 20 yards in two plays. Johnson then got the TD from eight yards out, and a kick was good to give the Mustangs a 13-0 lead with 25 seconds left in the opening quarter.

Bobby Zetsche made a good return on the kickoff, going to the Olton 43 before being downed from behind. However, three plays gained only two yards, and the Chiefs had to punt on fourth down.

Davy Carthel intercepted an Olton pass 3:36 before halftime, and Friona drove from their own 45 to the Olton 16. Quarterback Keith Martin rambled 28 yards to the Olton 17 with 49 seconds left on the clock.

Martin, who had a great night running the keeper play, almost went all the way. However, on third down, Olton intercepted a Friona pass to end the threat. For the game, Martin had 102 yards in 22 attempts.

Olton coughed up the ball on a fumble on the third play of the second half, and Friona had it at the Mustang 45. Zetsche gave Friona a first down at the Olton 33. The drive

was stopped at Olton's 28.

Ernest Mills put Friona in business five plays later, intercepting a pass at the Friona 39. Mills made a great catch while diving along the ground.

Martin gave Friona a first down near midfield, then plunged a yard on first down to move the ball to Olton's 40. A clutch fourth down pass to Carthel was good for 15 yards to keep the drive going, and after Olton was penalized for a personal foul, Friona got on the scoreboard.

Zetsche took the pitchout, headed to his right, and cut back, threading his way 11 yards into the end zone. He went over standing up. Friona tried a similar play in an attempt to score two PATs, but Zetsche was stopped a foot short. The score became 13-6 with seven seconds left

in the third quarter.

Olton responded by driving 80 yards. Johnson and Parker sparked the drive. Parker gained 52 yards in only four tries. Johnson had gained 27 yards, including the final ten. He also ran for two points, and Olton stretched its lead to 21-6 with 8:06 left in the game.

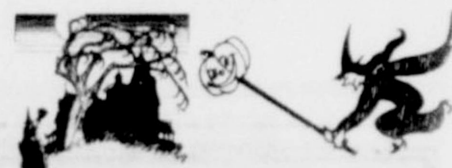

For some reason, Olton tried an onside kick that went out at Friona's 45, and the Chiefs were glad to have the ball at that spot. Martin ran nine yards, and Carthel gave Friona a first down at the Olton 45.

Martin ran seven yards for a first down at the Olton 32, and two plays later would have had another first down after a nifty nine-yard run to Olton's 20. But a bruising tackle separated him from the ball, and the Mustangs recovered. It was the only

fumble loss of the night for Friona, which had suffered a number of costly fumbles in recent games.

Olton drove 70 yards to the Friona ten, but Rolando Caballero got his third pass interception and Friona's fifth of the game to apparently halt the threat.

But two plays later, with 37 seconds left, Olton got a pass interception. The Mustangs were quick to take advantage, and Johnson circled right end for 13 yards and the TD with only 24 seconds left on the clock. Parker ran for two PATs to wrap up the scoring.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now. But it's costing you money every year you wait. Two ways. First you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

other above ground items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

FOOTBALL CONTEST

ENTER OUR CONTEST EACH WEEK
... NOTHING TO BUY... JUST PICK WINNERS

HERE'S YOUR CHANCE TO WIN CASH PRIZES

FIRST PRIZE \$10 SECOND PRIZE \$6 THIRD PRIZE \$4

CONTEST RULES

- Pick the winner of the 20 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
- Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
- Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be received in the Star office by Monday to be eligible, if mailed.
- The leading contestant at the close of 13 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$30 expense money. Second place winner will receive two tickets to the Sun Bowl game and \$20 expense money. Third place winner gets \$15 cash.
- Only one entry per person.
- To count for grand prizes, entries must be on official blank printed in the paper.
- Contestants must be 12 years of age or older.
- Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.

SCS Report

The Parmer County Soil and Water Conservation District held its regular meeting last week. Leon Grissom, chairman, presided. He welcomed M.C. Osborn, the newly elected director from Subdivision two, to the board of directors. Grissom also expressed appreciation to Dick Rocky for his long and faithful service to the board. Ralph Roming a farmer in the Bovina area met with the board and made a request for assistance. The SCS accomplishment report was made by Herb Evans, District Conservationist. There were eight conservation plans approved by the board. The results of the annual inspection of works of improvement on Running Water Draw were noted. No

Kress Farmer Named TGSB Chairman

Kress farmer C.C. "Pap" Reed has been re-elected chairman of the Texas Grain Sorghum Producers Board for his second term. Board members named Larry Witten of Olton to a second term as vice chairman and elected John Gilbreath of Hart secretary-treasurer to succeed Gerald McCathern of Hereford. The new officers were named at the regular bi-monthly TGSB meeting during which four newly-elected directors were sworn in. The four directors, all incumbents, were chosen by fellow grain sorghum producers in the 29-county TGSPB area. Named to their second six-year terms are Ralph Mabry of Petersburg, who received 492 votes; K.B. Parish of Springlake, 474 votes; C.P. Smith of Hale Center, 517 votes and Larry Witten of Olton, 485 votes. Jerry Don Glover of Lazbuddie, the only other announced candidate, received 446 votes. Several ballots contained write-in candidates.

Mahon In Statement

Congressman George Mahon, following the announcement by the Administration of a grain sales agreement with the Soviet Union, today said:

"Although I have not had the opportunity to analyze all of the provisions of the announced agreement, I am most pleased that the suspension of grain sales to the Soviet Union has been lifted. However, the announcement of the grain agreement comes at a time when it appears that the Russians have already bought much of their requirements from sources outside the U.S. The benefits which will now accrue to the American farmer have been greatly diminished due to the long delays in lifting the moratorium."

Concerning the 5-year agreement for an annual purchase of 6 million tons of American grain by the Soviet Union, Mahon stated:

"I favor a long term grain sales agreement with the Soviet Union as long as the sales are made on the basis of the current market price at the time of the sale."

In commenting on the proposed purchase of Soviet oil by the United States, Mr. Mahon said:

"It appears that an agreement with respect to the annual purchase of 200,000 barrels of oil per day from the Soviet Union would be in the public interest. Of course, the amount being discussed is relatively small, but could prove significant as international trade agreements are considered during the 5-year period."

Texans:

If you are tired of bigger government and higher taxes, vote NO on the proposed new constitution November 4.

Don't give future Legislatures a blank check.

The Houston Chronicle calls the new constitution "a dangerous document." Governor Dolph Briscoe warns it will "lead us down the road to a state income tax."

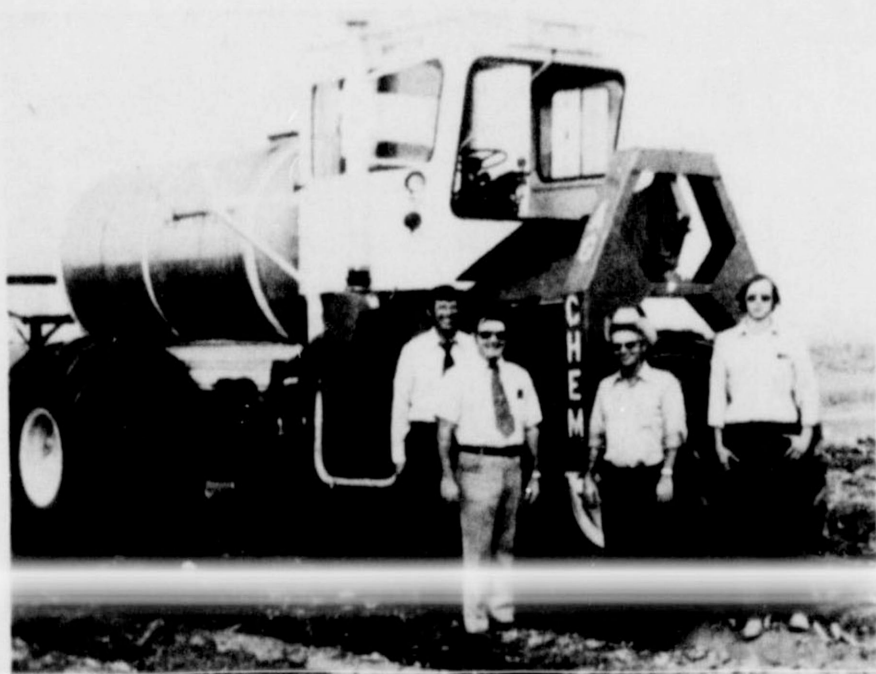

Governor Briscoe says: "It is my personal view that the current Constitution under which Texas has grown and prospered for a century is preferable to the proposed new constitution. Accordingly, I believe it is in the best interest of Texas that all eight propositions on the ballot be rejected."

Play it safe. Keep our present Constitution by voting NO on Tuesday, November 4.

Paid political advertisement by CITIZENS TO PRESERVE THE TEXAS CONSTITUTION, Senator Peyton McKnight, Tyler, Chairman; Mrs. Pat Black, Treasurer; 102 Vaughn Building, Austin, Texas 78701.

ON THE FARM In Parmer County

MACK HEALD County Agent

TWO SOIL CHEMISTS and two agronomists will be featured speakers for a fertilizer shortcourse at the County Exposition Building in Dimmitt beginning at 7:30 p.m. on November 6.

The one-evening event is of special interest to area producers needing a refresher course on plant nutrients, forage and grain fertilization and soil testing.

Dr. Charles D. Welch, head of the Texas Agricultural Extension Service Soil Testing Laboratory at College Station and Jim Valentine, head of the Extension Soil Testing Laboratory at Lubbock, will discuss fertilizing corn and sorghum and the value of soil testing.

Dr. James Supak, Extension agronomist-cotton, will take a practical look at plant nutrient carriers, and Dr. Frank Petr, Extension area agronomist at Amarillo, will discuss fertilizing small grain.

Sponsored by the Texas Agricultural Extension Service and the Panhandle Economic Program for Castro, Deaf Smith and Parmer counties, the fertilizer shortcourse is designed to aid area producers in planning their fertilizer programs.

Topics to be discussed will be short and to the point. Included will be factual information on fertilizer use practices that have been proven effective in our area.

Refreshments will be provided. No fee will be charged for the shortcourse.

WELL PARMER COUNTY FARMERS, you've done it again! Statistics released from the USDA and Texas Department of Agriculture on the 1974 cash receipts from the sale of farm commodities show that Parmer County grossed \$158,205,000. This ranked Parmer County third in the state in 1974 with Hidalgo being first with \$201,993,000 and Deaf Smith second with \$160,890,000. Parmer County ranked second in crops behind Hidalgo with \$93,052,000.00 being received.

In livestock sales Parmer County ranked fourth with \$65,153,000.00. Parmer County's number one ranking in corn and number two ranking in fed cattle helped push the overall gross income to number three in the state. In a later issue of this paper I'll have the 1975 projection that was recently figured.

REMEMBER THE HIGH sugar prices and widespread hoarding just a short year ago. Well, if the current outlook for sugar production in the United States and the rest of the world is accurate, sugar supplies will be plentiful during the coming year. So, consumers may see a slight softening in retail prices.

U.S. production of both sugar cane and sugar beets should be up sharply this year compared to 1974. The U.S. Department of Agriculture has estimated sugar cane out put will be up about 14 per cent while production from sugar beets may be up 25 per cent from levels a year ago.

Combined U.S. production of sugar cane and sugar beets should total in the neighborhood of 56 million tons while the world sugar crop may exceed 93 million tons—up four to six million tons from a year ago.

At the same time that production is expanding, per capita consumption of refined sugar in the U.S. is down. Each American may consume less than 90 pounds of refined sugar this year, the lowest amount since the sugar-short years of World War II.

The decline in sugar use is mainly due to consumer resistance to high prices of sugar and sugar-containing products. Also, a new highfructose corn syrup is becoming available in larger quantities and is competing with the sugar market.

The decreasing consumption of sugar is not unique to the U.S. alone. Demand is also expected to be down in Europe, Japan and Canada.

What effect will the larger sugar crop have on prices? Prices for raw sugar in the U.S. may drop as low as \$17 per hundred pounds this fall, after rising above the \$23 level at mid-August.

This means that consumers may see a little relief at the supermarket. But for those hoping for sugar at the bargain basement price of several years ago, it's just not in the cards.

DR. ARMSTRONG

ENMU Announces New President

The new president of Eastern New Mexico University is Dr. Warren B. Armstrong, dean of the College of Liberal Arts and Sciences at St. Cloud State University of St. Cloud, Minnesota.

Dr. Armstrong was introduced at a Saturday press conference on the ENMU campus by Board of Regent Chairman W.B. McAllister. The new president succeeds Dr. Charles W. Meister who resigned in February of 1975. Dr. Gail Shannon, academic vice president, has served as acting president since that time.

McAllister stated that the regents had chosen a professional with excellent qualifications in all areas of university administration. "Dr. Armstrong obtains all of the necessary assets we feel it takes to make an excellent president for Eastern," he added. He assumes the presidency December 1.

Dr. Armstrong, 42, received a PhD in history in 1964 from the University of Michigan and a master's degree in history in 1958, also at the University of Michigan.

In discussing the presidency, Dr. Armstrong explained "I look forward to my association with Eastern New Mexico University as it is the type of institution in which I have had my most extensive experience, productive service, and in which I believe I will be a successful president."

★★★★★

DR. WARREN ARMSTRONG

★★★★

"I consider the fostering of a climate of mutual trust and respect within the campus community, and between the campus community and the larger society, to be a primary responsibility of the president. I believe that an open and democratic approach to institutional govern-

nance is essential in meeting this responsibility, and this has always been my first commitment in academic administration."

At St. Cloud, he has served as dean and history professor since 1970. He has been involved in several administrative committees including Academic Affairs, the President's Cabinet, and the Faculty-Student-Administration Council. He was also a member of the Presidential Task Force on goals and objectives of St. Cloud State.

Dr. Armstrong was in several academic ranks at the University of Wisconsin at Whitewater from 1965 to 1970. He was assistant, associate and full professor during 1965-1969; assistant dean of the College of Arts and Sciences from 1966-1969; and associate dean in 1969-1970.

Prior to his appointment at Whitewater, he was chairman of the history department at Olivet College in Michigan from 1964-1965. He joined Olivet as a history instructor in 1961 and was named assistant professor in 1962 and associate professor in 1964.

He appears in several honor publications including the "Directory of American Scholars," "Who's Who in the Midwest," and "Who's Who in America." He has participated in 14 television programs conducted by the "Time-Life" educational series, published educational articles, assisted in the publication "The Prison: Voices From the Inside," and presented book reviews and papers at several professional meetings.

His wife, Joan, is a certified elementary instructor and is presently a curriculum consultant with the St. Cloud Public Schools.

CO-OP GIN**

PHONE 247-3185

**COMPOSTED
FEEDLOT MANURE
IS BETTER**

Composted Feedlot Manure From Our Stockpiles Offers These Advantages Over Freshly Scraped Manure.

- ★ One Step Closer To Availability Of Plant Nutrients.
- ★ Weed Seed Problems Are Substantially Reduced When Manure Is Stockpiled And Allowed To Compost Before Application.
- ★ Composted Manure Is More Granular And Spreads More Uniformly Than Freshly Scraped Manure.
- ★ Lower Moisture Content Makes Composted Manure A Better Bargain Than Freshly Scraped Manure.

HOW MUCH IS COMPOSTED MANURE WORTH ?

10 Tons Of Composted Feedlot Manure Per Acre Will Yield Approximately

- 320 UNITS OF NITROGEN (AT 1.6% N)
- 300 UNITS OF PHOSPHORUS P²O⁵ (AT 1.5% P²O⁵)
- 340 UNITS OF POTASSIUM K²O (AT 1.7% K²O)

Total Value In 10 Tons Of Composted Manure At Estimated Commercial Fertilizer Cost °

320 UNITS OF N AT \$.119 PER UNIT	\$38.08
300 UNITS OF P ² O ⁵ AT \$.195 PER UNIT	\$58.50
340 UNITS OF K ² O AT \$.05 PER UNIT	\$17.00
	\$113.58

° Does Not Include Application Cost Of Commercial Fertilizer

Estimated Availability Of Units In One 10 Ton Application Of Compost

	1st Year	2nd Year	3rd Year
N	144	71	38
P ² O ⁵	135	66	36
K ² O	340		

Estimated Value Per Year Of One 10 Ton Application Of Compost

	1st Year	2nd Year	3rd Year
N	\$17.14	\$8.45	\$4.52
P ² O ⁵	\$26.32	\$12.87	\$7.02
K ² O	\$17.00		
	\$60.46	\$21.32	\$11.54

Manure Supplies Other Secondary And Micro Nutrients (Such As Calcium And Magnesium) And Has Beneficial Effects Beyond It's Ability To Supply Nitrogen, Phosphorus, And Potassium. Continued Applications Of 10 To 15 Tons Per Acre Can Be Expected To Have Favorable Effects On Soil Physical Properties, Such As Increased Water Intake, Increased Water Holding Capacity And Improved Structure.

**OUR FEEDLOT MANURE HAS
BEEN STOCKPILED AND
ALLOWED TO COMPOST**

Magazine Seeks Recipes

Parmer County cooks are invited to submit their favorite recipes for publication in the winter issue of TDA Quarterly, a Texas Department of Agriculture consumer-oriented magazine.

Recipes unique to the Plains area and old-time specialties will be stressed. However, any good recipe will be considered, Agriculture Commissioner John C. White said.

Since cattle are important to the Plains area, a special look out will be kept for beef recipes.

In addition to recipes, old-time methods of food preservation in danger of disappearing will be printed. Anyone with tips from the past on preserving foods is invited to send them in, White said.

Deadline for submitting recipes and hints from the past will be November 21.

TDA Quarterly takes a look at a specific region of Texas in each issue. It began publication this year.

Recipes and tips selected for publication will be credited to the sender. They will not be returned. They should be mailed to the Texas Department of Agriculture, Information Section, P.O. Box 12847, Austin, Texas 78711.

JANIS MOWERY and DAVID SANDERS....Mr. and Mrs. Glenn Mowery of Carlsbad, New Mexico, announce the engagement and approaching marriage of their daughter, Janis, to David Sanders, son of Mr. and Mrs. J.D. Sanders of Seymour, Texas. They are both students at Wayland Baptist College in Plainview. Wedding vows will be exchanged at the First Baptist Church of Carlsbad on Saturday, January 3. The Sanders are former Friona residents.

DORM PARENTS....Sharon and Mike Mills (at left) enjoy a visit with a couple of Oklahoma Hall residents, Paula Hawkins (third from left), Duncan, and Karen Fisher, Oklahoma City. Mr. and Mrs. Mills are

resident hall supervisors and campus parents to 330 coeds living in Oklahoma Hall, Southwestern State University's largest women's dormitory.

Former Friona Residents Are Dorm Parents

If ever a couple was ideally suited to be dorm parents, it would be Mike and Sharon Mills, resident supervisors of Oklahoma Hall at Southwestern State University in Weatherford, Oklahoma.

The young husband and wife are responsible for the well-being of 330 fun-loving coeds. And that's a big responsibility.

With every room occupied in the largest dormitory on campus, Mills surprisingly reports: "It hasn't been any problem so far; it's been a lot of fun."

The Mills took over their position last June, and they seem to have adjusted quite well. Proof of the rapport they have obviously established comes from the dormitory residents themselves, who have only favorable comments about their "mom and dad."

Mrs. Mills received her bachelor of science in education degree from Southwestern last May, majoring in elementary education, and is presently working toward her Early Childhood Certificate.

Mills is in his third professional year of Pharmacy School and expects to graduate next spring with a bachelor of science in pharmacy degree.

Both are graduates of Friona High School. His parents, Mr. and Mrs. Wayne Mills, still reside in Friona, while her parents, Mr. and Mrs. F.G. Crofford, recently moved from Friona to Gruver, Texas.

"It's a once-in-a-lifetime, worthwhile experience," Mrs. Mills says

of her dorm parent life. She adds: "I have an opportunity to meet new people and make new friends."

Judge Fortenberry Rhea HD Speaker

Parmer County Judge Paul Fortenberry was guest speaker at a meeting of the Rhea Home Demonstration Club Monday night at the Rhea Lutheran Church.

Judge Fortenberry spoke on the proposed constitution on which Texas voters will express an opinion at the polls Tuesday. He presented both sides of the issue and urged those attending to vote in the election.

Husbands of club members and Mrs. Fortenberry were special guests.

Attending were Mr. and Mrs. Herbert Schueler, Mrs. Norman Taylor, Mrs. Elmo Dean, Mrs. Shirley Smith, Mr. and Mrs. Norbert Schueler, Mr. and Mrs. Chris Drager, Mrs. Raymond Drager, Mr. and Mrs. Raymond Schueler, Mr. and Mrs. Walter Schueler, Mr. and Mrs. Carl Schlenker, Mr. and Mrs. Floyd Schlenker, Mrs. Larry Potts, Mrs. Jay Potts, Mrs. Melinda Schlenker, Herman Schueler, Mrs. Cordie Potts, Mr. and Mrs. Leland Gustin and Mrs. Houston Bartlett.

After the program, the group met in Parish Hall of the church for refreshments of Halloween cookies,

St. Teresa's Has Regular Meeting

St. Teresa's Ladies Society met in the Parish Hall Tuesday, October 28 after the evening mass.

Angelia Bermea opened the meeting with a prayer. Mary Lou Venhaus gave a report on the sausage dinner. Olivia Ortiz gave the parish council report.

Angelia Bermea and Nato Saldana are to set a date for a joint meeting of St. Teresa's Ladies Society and St. Teresa's Mens Society to plan a building schedule for the future.

Sylvia Roth gave a report on the CCD program, also the names of our golden age citizens having birthdays and anniversaries during the month of November.

Cleaners for the month of November are Irene Bermea and Felix Crutchfield.

Hostesses for the November meeting will be Dorothy Blankenship and Susie Perez.

Refreshments were served to Mary Lou Venhaus, Olivia Ortiz, Sylvia Roth, Toni Castillo, Hortencia Bermea, Evelyn Ball, Matilda Caballero, Dorothy Blankenship and Helen Fangman by Angelia Bermea and Irene Bermea.

hot tea and coffee served by Mrs. Melinda Schlenker and Mrs. Dean.

Next meeting of the club will be a Parmer County THDA luncheon at Clara's Restaurant in Farwell Thursday, Nov. 20. The Oklahoma Lane HD Club will serve as hostesses for the luncheon.

Mrs. Glen Reeve Sr. of Friona will present her well-known "Brides of the White House" doll program.

Briefly discussed at the Monday night meeting was the bake sale the Rhea HD Club will sponsor in the Christmas Bazaar set Nov. 14-15 at the County Show Barn in Friona. LOCAL AGENT TO ATTEND NATIONAL MEETING

Miss Jana Pronger, Parmer County Extension Agent-home economics, will attend the 41st Annual Meeting of the National Association of Extension Home Economists October 27-31 in Knoxville, Tenn.

"Spirit of '76": Spotlight on Professionalism" is this year's theme, and meeting goals include "perceiving our heritage, promoting professional excellence and pursuing professional accountability," the agent said.

Dr. Virginia Y. Trotter, assistant secretary for education-in the U.S. Department of Health, Education and Welfare--will be keynote speaker, and Edwin L. Kirby, administrator, Federal Extension Service, United States Department of Health, Education and Welfare, will be guest speaker at the Recognition Ceremony, October 30.

Other highlights include the presentation of the Distinguished Service Award to six Texas county Extension Agents, along with election of officers and a "Spirit of '76 Dinner," hosted by the southern region Extension home economists and coordinated by Mrs. Shirley Neel, Nacogdoches County Extension Agent and southern region director.

Texas Distinguished Service Award winners include Mrs. Shirley Gray Dodd of Port Lavaca, Jetti L. Coleman of Wharton, Mrs. Ina Lee Holt of Navasota, Mrs. Irene V. Johnson of Lufkin, Mrs. Barbara J. Martin of Victoria, and Mrs. Lula M. Pittman Spears of Angleton.

Program Highlights Meeting

The Progressive Study Club met at 8 p.m. on Saturday, October 25 at the Federated Club House for a Halloween Costume Party. Special guests were children of club members and Linda Warren.

Members answered roll call with a Trick or Treat safety tip. "The Great Pumpkin Is Coming" was presented by Maxine Loafman. Martha Garner was welcomed as a new member.

Members and guests joined in a costume parade accompanied on the piano by Lunell Horton. Prizes were given for the following costumes: funniest-Jessica Maurer; most original-Sunny Horton; scariest-Mark Mabry; best dressed mother-Ann Osborn.

Everyone then participated in an hour of Halloween fun and games including a spook house, fishing, orange relay, fortune telling, balloon relay and bobbing for apples.

Refreshments of popcorn balls, candy corn and witches brew were served by Maxine Loafman and Lunell Horton. Mary Bavousett, Mary Echols and Jeannette Maurer were in charge of the games.

Church To Present Film

From out of the Book of Luke, paraphrasing the story of Lazarus and the Rich Man, comes one of the screen's greatest stories. "The Burning Hell" opening at the Templo Bautista at 403 Woodland in Friona, November 2 at 7:30 p.m.

"The Burning Hell" which stars a host of Christian performers and hosted by Evangelist Estus Pirkle is probably the first motion picture in the history of films to attempt documenting the miseries and torments of a literal burning hell.

Hollywood know-how is credited for much of the realism in this film made by the Nashville based Ormond Organization. Ron Ormond who spearheads the company spent most of his life in the Hollywood studios as both producer and director until he and his family were saved and moved south to Tennessee.

"One of the greatest things about this film," Evangelist Pirkle added, "was how it effected so many lives. People were saved even while the picture was being made."

"Some of the outstanding, 'special effects' and scenes in 'The Burning Hell' are just unbelievably real."

The cast includes hundreds and is honored by the guest appearances of these internationally known preachers-Doctors R.G. Lee, Jack Hyles and Bob Gray.

MR. AND MRS. E.S. WHITE SR.—A Fiftieth Wedding Anniversary reception will honor Mr. and Mrs. Edward Samuel White Sr. Sunday, November 9 from 2 to 4 p.m. in the Community Room of Friona State Bank. The couple's nine children will host the occasion. Their children are: Mr. and Mrs. E.S. White Jr. of Friona, Mr. and Mrs. R.L. (Ann) Campbell of El Paso, Mr. and Mrs. R.R. (Mae) Holder of Ft. Worth, Mr. and Mrs. V.H. (Irene) Roberts of Amarillo, Mr. and Mrs. John (June) Cannon of Dumas, Mr. and Mrs. R.C. White of Stratford, Mr. and Mrs. W.C. (Sue) Hinds of Canyon, Mrs. Lois Milligan, also of Ft. Worth and Richard White of Willard, New Mexico. Edward Samuel White Sr. and Esther Fern Hamm were united in marriage on November 8, 1925 at Bovina, Texas, by Rev. I.E. Walker.

OEA OFFICERS INSTALLED.—New officers of the South Plains College Chapter of the Office Education Association (OEA) were recently installed in ceremonies at the Levelland campus. From left are Terri Howard of Whittharral, state OEA secretary; Barbara Nance of Sundown, historian; Jan Payne of Lubbock, reporter; Gayla Self of Friona, parliamentarian; Karen

Awbrey of Sundown, president; Ronda Hall of Littlefield, vice president; Karla Smart of Farwell, secretary; and Christina Sanchez of Lubbock, treasurer. Installing officers were Gail Albus of Pep, past president of OEA, and Teresa Caswell of Levelland, past state OEA parliamentarian. Miss Self is the daughter of Mr. and Mrs. Max Self of Friona.

Bovina Principal To Direct Spelling Bee

Jim Noyes, principal of Bovina Junior High School, has been named to direct the activities for the 1976 Farmer County Spelling Bee, to be held in conjunction with the 28th annual competition, co-sponsored by the Amarillo Globe-News and West Texas State University.

April 24 will be the date for the regional eliminations in Amarillo and the location will be the Stephen F. Austin Junior High School.

There will be 46 counties represented.

The area assigned the Amarillo Globe-News and West Texas State University covers 29 counties in the Texas Panhandle, 10 in Oklahoma, four in New Mexico and three in Kansas.

All students in the public and parochial schools are eligible to participate. Any

student who will not have reached his (or her) 16th birthday or gone beyond the eighth grade at the end of the current school term, will be eligible to enter any school contest and participate in the county eliminations.

All details of the county's Bees will be available from the director.

County directors have complete control over their contests and may conduct the spelldowns either verbally or orally. The Amarillo regional contest will be oral competition.

Most schools use the booklet prepared by the national sponsors, "Words of the Champions." The 1976 issue may be obtained by writing:

Spelling Bee Director
Amarillo Globe-News
Box 2091
Amarillo, Texas 79166

The price of the book is 25 cents.

The champions from Farmer County in 1975 were:

Senior Division: Michael Boling, a student in the Farwell Junior High School; and Junior Division: Pam Perez, a student in the Friona Junior High School.

An all-expense paid trip to national competition-to be held in Washington, D.C. early in June-will be

awarded the regional champion when he is named next April.

Gehe Parker, director of placement at West Texas State University, is bee coordinator. Spelling Bee Editor is Mrs. Jeanne Bartlett, Amarillo Globe-News.

Interested students, teachers and school officials may contact the Amarillo Globe-News for additional information.

Kenneth Fords Have Girl

Mr. and Mrs. Kenneth Ford are the parents of a baby girl born Tuesday, October 21 at Deaf Smith General Hospital in Hereford.

She weighed seven pounds, seven ounces and was twenty and one-half inches long at birth. She was named Lee Ann.

Lee Ann has an older sister, Stephanie, seven years old.

Grandparents are Mr. and Mrs. Olin Burchett of Friona and Mr. and Mrs. W.H. Ford of Hereford. Great-grandparents are Mrs. Viola Burchett of Portland, Oregon and Mrs. Potts Ford of Wichita, Kansas.

Town Talk

By June Floyd
Phone 247-3681

With Your News Item

Late Friday there was quite a "hustle and bustle" all over town. Many persons got busy and gathered vegetables which were in danger of freezing. Saturday morning's temperature readings made us realize we had not gathered the vegetables too soon.

Fortunately for the homemakers flats for canning jars were available in local stores, so we were able to seal chow chow, tomatoes, soup mixture and whatever else we wanted to preserve for winter eating.

+++
Doubt that we have ever had a nicer fall for corn, maize and soy bean growers. A drive around over the country shows that most of the corn and lots of the maize has been harvested.

Cotton is noticeable this fall by its absence.

+++
Sue Gibson Nazworth, a 1953 graduate of Friona High School and an employee of Russell Buick in Amarillo, was recently married to Elmo Barrett.

She is the daughter of Mr. and Mrs. Tom Gibson of Friona.

+++
Recent visitors in Friona were Mrs. Bessie Rolan of Stratford and her daughter, Treva Harp of Lubbock.

+++
Gary and Kay Snead spent last weekend in Abilene attending Abilene Christian College Homecoming and related festivities.

The children, Holly and Charley, stayed with their grandparents, Rene and Jinx Snead.

+++
Mrs. Lucy McCown and Mr. and Mrs. Glenn Floyd have had several out-of-town guests recently.

Mrs. Ora Wooley of Erick, Oklahoma, who had been visiting in the homes of Mr. and Mrs. Bill Wooley of Muleshoe and Mr. and Mrs. H.G. Wooley of Clovis, was here a few days.

+++
Then later Mr. and Mrs. H.A. Vaughan of Odessa; Mrs. J.C. Bowers of Seagraves; and Mrs. W.H. Clements Jr. of Dalhart were here.

+++
Two families on West Tenth Street have moved. Mr. and Mrs. James Mabry moved into a mobile home

and Mr. and Mrs. Mickey Wilson and children, Cody, Brady and Shambryn, moved to a farm northeast of Hereford.

Danny and Ada Beth Smith and children, Dana, Steven and Amy, moved from the Messenger Community into the house vacated by the Wilson family and Mr. and Mrs. Lewis Smith, who were Danny's and Ada Beth's across the road neighbors, moved into the house the Mabrys vacated.

The Danny Smiths and the Lewis Smiths will be living approximately the same distance apart, but they will have a lot of neighbors between them.

+++
Then a couple of former residents are moving back to Friona from Amarillo. J.A. and Madge Loflin, who are Jerry's parents, are in the process of building a new home here, but will be living in Lewis and France. Smith's house in the country until it is finished.

+++
This week's Town Talk is being written from Garland. We came down Saturday and plan to be here several days. Perhaps next week there will be a report from former Frionans living in this area—and, there are a lot of them.

+++
One afternoon last week our middle daughter, Frieda Dickson, had an appointment with a local medical doctor and met up with Dwight Bates while she was there.

Dwight is the son of Martha Bates and a graduate of Friona High School and Abilene Christian College. He is currently employed by a pharmaceutical firm.

+++
We cannot change yesterday, that is quite clear.
Nor begin on tomorrow until it is here—

So all that is left for you and for me,

Is to make today as sweet as it can be.

+++

Mr. and Mrs. Bethel Hicks of Seattle, Washington, visited here Tuesday through Thursday. This was their first Friona visit in 13 years. They are former Friona residents. He was a plumber here.

+++
They visited in the home of Mr. and Mrs. B.E. Sanders, and many other friends.

Students Chosen To Social Clubs

Pam Wilcox and Gary White, both former students of Friona High School, have been pledged to social clubs on the Lubbock Christian College campus.

Pam Wilcox, daughter of Mr. and Mrs. V.R. Wilcox of Friona, has been chosen and pledged the social club of Alpha Epsilon Chi.

Gary White, son of Mr. and Mrs. Carl White, also of Friona, has been chosen and pledged the social club of Koinonia.

The two clubs are among the eleven social-service clubs available to students at LCC. They each have a

membership of 55 for the 1975-76 school year.

Miss Wilcox is a 1975 graduate of Friona High School and is enrolled as a freshman Liberal Arts major. White is a 1975 graduate of Muleshoe High School and is also enrolled as a freshman Liberal Arts major.

Lubbock Christian College is a fully accredited senior liberal arts college offering liberal arts and pre-professional programs. The modern campus, consisting of 11 temporary structures and 17 permanent buildings, is the academic for over 1300 students.

Agent Attended

National Meet

Miss Jana Pronger, Parmer County Extension Agent-home economics, attended the 41st Annual Meeting of the National Association of Extension Home Economists October 27-31 in Knoxville, Tenn.

"Spirit of '76": Spotlight on Professionalism" was this year's theme, and meeting goals included "perceiving our heritage, promoting professional excellence and pursuing professional accountability," the agent said.

Dr. Virginia Y. Trotter, assistant secretary for education—in the U.S. Department of Health, Education and Welfare—was the keynote speaker, and Edwin L. Kirby, administrator, Federal Extension Service, United States Department of Agriculture, was guest speaker at the Recognition Ceremony, October 30.

Other highlights included the presentation of the Distinguished Service Award to six Texas county Extension Agents, along with election of officers and a "Spirit of '76 Dinner," hosted by the southern region Extension home economists and coordinated by Mrs. Shirley Neel, Nacogdoches County Extension Agent and southern region director.

Texas Distinguished Service Award winners included Mrs. Shirley Gray Dodd of Port Lavaca, Jetti L. Coleman of Wharton, Mrs. Ina Lee

Holt of Navasota, Mrs. Irene V. Johnson of Lufkin, Mrs. Barbara J. Martin of Victoria, and Mrs. Lula M. Pittman Spears of Angelton.

Society

Slates

Dinner

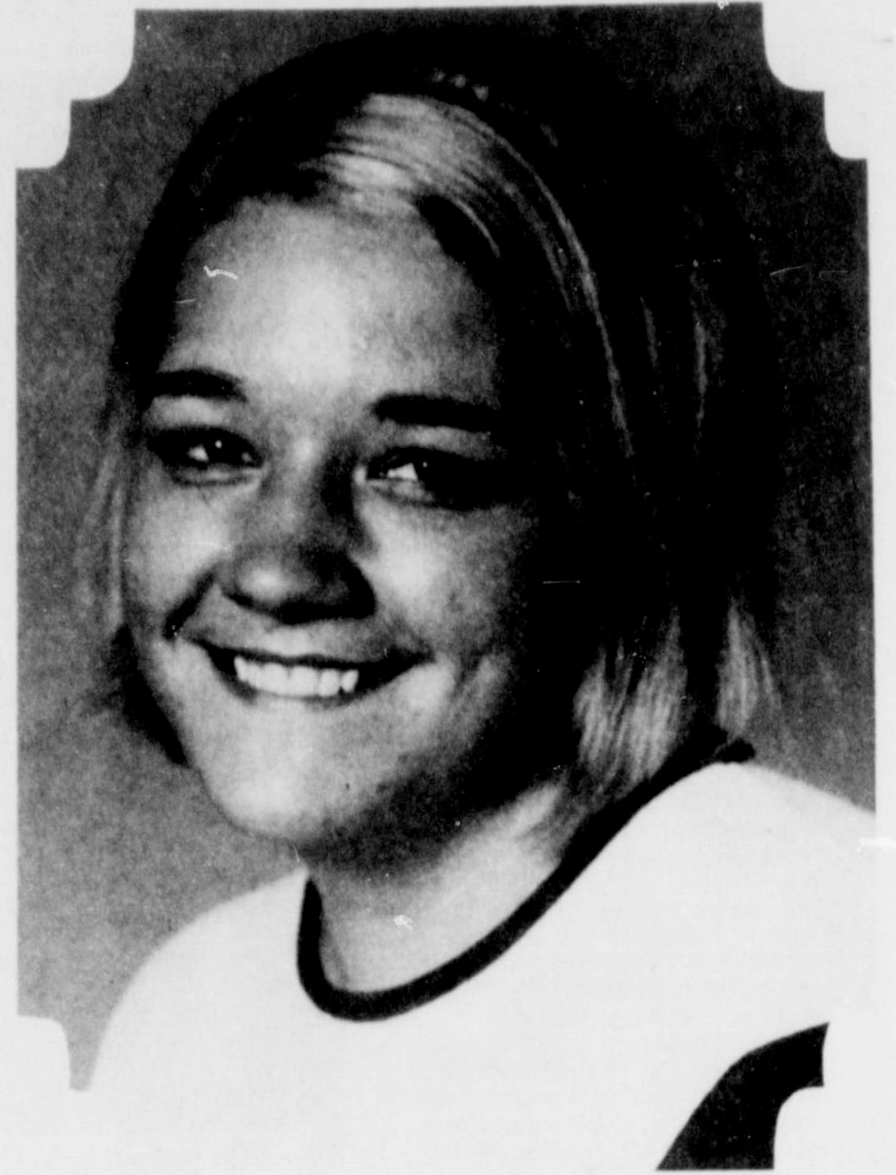

The 15th Annual Turkey Dinner, sponsored by St. Ann's Society of St. Ann's Catholic Church, will be Sunday in Parish Hall of the Bovina church.

Serving will begin at 11:30 a.m. and continue until 2 p.m. Admission will be \$2.50 for adults and \$1.50 for children under 12.

Menu for the annual event will be baked turkey and dressing, creamed potatoes, green beans, cabbage slaw, cranberries, French bread, pumpkin or chocolate cake and tea or coffee.

Door prizes will be given and a hand-made double-knit quilt will be raffled at the conclusion of the dinner. A Country Store will also be featured.

The dinner is a popular event in the community and a large crowd usually turns out each year. Everyone in the community is invited to attend.

Mrs. J.V. Finley

Jeannie McLaughlin

Weds J.V. Finley

Jeannie McLaughlin, daughter of Mr. and Mrs. Billy McLaughlin of 1007 Baird, Cleburne, Texas and J.V. Finley, son of Mr. and Mrs. Bob Finley of Route 2, Texico, New Mexico, exchanged wedding vows at 7:30 p.m. Saturday, October 25.

The double ring ceremony was performed in the Cleburne Church of God by Rev. Ira Sandefur of Choepau, Oklahoma.

Mrs. Susan Brown presented traditional wedding songs and Roy Turner registered guests.

As the bride was presented in marriage by her father, she wore a mint green formal length gown and carried a bouquet of white daisies with white and green lace loveknots. Mrs. Brenda Moses, sister of the

bride, was maid of honor. Royce D. Hume of Friona served his brother-in-law as best man.

A reception was held in the Fellowship Hall of the church. Miss Debroah McLaughlin, sister of the bride, and Mrs. Shirley Turner, cousin of the bride, served cake and punch.

The Finleys are former residents of Friona.

Mrs. Finley attended schools in Cleburne. Finley is a 1971 graduate of Friona High School.

Following a short wedding trip, the couple will be at home on Route 1 in Electra, Texas, where he is employed at C-F Natco Corp.

Beats the weather!

Hybrid seed corn
You can't count on a perfect growing season so plant Weather Master. Emerges vigorously in cold wet soils, resists heat and drought, stands strong. Large root systems are shaped to penetrate deep as well as fan out near the surface.
For consistent high yields, plant Weather Master 4-way crosses—the sure ones!

YOUNG LOVERS...Sharla Benge and Charles Fleming are shown in a scene from the meller-drammer presented Monday and Tuesday by the Friona Thespians. Crowds

attending the performances enjoyed booing the villains and cheering the hero, plus throwing peanuts at the characters they didn't like.

FFA OFFICERS...The FFA leaders for Friona High School's chapter for 1975-76 posed this week for their "official photograph." Left to right are Kent Miller, reporter; Bobby Zetsche, secretary; Davy Carthel, sentinel; Danny Campbell, vice

president; Gary Self, president; David Barnett, historian; Keith Pryor, parliamentarian and Jody Menefee, treasurer. Seated left is Paula London, chapter sweetheart, and Mary Schilling, plowgirl.

Letters To Editor

The Friona Star
Mr. Bill Ellis, Editor
Friona, Texas

Dear Friends,

It is hard to realize that I'm away from home when each day I am greeted with the many cards, letters, calls and flowers from my friends in and around Friona.

I want to thank the best people on earth for their thoughtfulness and gracious loving prayers that have indeed been a healing inspiration to me.

I pray your kindnesses will be returned to each of you a thousandfold.

Sincerely,
Os Lange

Dear Bill:

Our father would like the enclosed letter printed in this week's Friona Star. He said you would know the proper placing and "framing."

We, as well as Dad, appreciate so very much all the thoughtfulness of everyone in Friona. And, as always, such great strength is derived in knowing of the sincere concern of the people at "home."

Thank you for your help—and please forward the charges to me at the above address.

Sincerely,
Doris A. Lange
