Armistice Day Speakers Cite Cost Of War

Riddle Of Russian Atomic Production Clouds UN Session

LAKE SUCCESS—(P)—The riddle of Soviet atomic production hung heavily over the United Nations on this Armistice Day of the pre-atomic first World War.

Russia claims she is using the power of the atom for peaceful economic development—for moving mountains . . . for irrigating deserts. . .

Ector Prospector Is Due By Eastland Oil

A 5,000-foot rotary wildcat to test Clear Fork of the Permian has been planned in Northwest Ector County, six and one-half miles southeast of Goldsmith.

The project is to be the Eastland Oil Company of Fort Worth No. 1 J. L. Johnson, Jr., and will be 1,980 feet from south and 660 feet from west lines of section 37, block 44, T-1-S, T&P survey.

Drilling is to begin at once.

NW Menard To Get 4,000-Foot Venture

American Trading & Production Corporation is to start drilling on a 4,000-foot wildcat in Northwest Menard County.

The venture will be that concerning No. 1-A W. J. Wilkinson. It will be 330 feet from north and west lines of section 27, T&N survey. That puts it 11 miles northwest of the town of Menard.

South Extension To North Snyder Finaled

A one-mile south extension for the southeast side of the North Snyder-Canyon field in North-Central Seury County has been completed at the L. M. Lockhart No. 1 B. M. McHenry.

Child Sole Survivor As Four Persons Die In Ohio Road Crash

ST. CLAIRSVILLE, OHIO—(P)—A two-year-old boy in a cowboyp suit sat crying in the middle of U. S. Route 40 Thursday.

It was fright, more than a bruised knee, which caused the tears.

About him were scattered the bodies of his father and mother, his uncle and aunt.

Michael Kingham was the sole survivor of an automobile crash which killed:

Herbert Kingham, 26, and his wife, Ann, 26, of Borger, Texas.

Kenneth Zetta, 26, of Borger, and his sister Mrs. Wanda Ellis 18, of Shawnee, Okla.

Friday little Michael played in the home of Mr. and Mrs. Peter Stevens of Hendryburg awaiting the arrival of relatives from Texas.

All Thrown Clear

Cpl. G. D. Miller of the Ohio Highway Patrol said the automobile was owned by the Kinghams.

Miller said the boy was thrown clear of the car as were all five passengers riding in it, but the bruised knee was his only apparent injury.

He said the Texas car, westbound on Route 40 near Hendryburg, crashed into the rear of another car, whirled across the highway, upset, and crashed into an east-bound car.

The bodies of the victims were taken to the Campbell Funeral Home in Barnesville.

Spraberry-Deep Adds Venture By Seaboard

Seaboard Oil Company of Delaware and others, have staked location and are to begin operations soon on a 7,000-foot exploration in the Spraberry Deep field of Southeast Dawson County.

The venture, No. 3-D C. W. Shafer, will be 1,980 feet from north and 660 feet from west lines of section 48, block 34, T-5-N, T&P survey.

It will be 1 1/2 miles southeast of Lamesa.

No. 3-D Shafer is to try for production from the Spraberry sand, the pay in the Spraberry Deep field.

Dual Completion At Flanagan Opener

The first dual producer from the Devonian and from the Ellenburger for the Flanagan field of Central-South Gaines County has been completed at Shell Oil Company No. 1 Hawkins, the discovery well of that field.

The Ellenburger discovery was originally completed for a daily production of 884 barrels of oil from pay between 12 1/4 and 12 3/4 feet. It has now been completed from the Devonian for a daily production of 1,391 barrels of 32.7-gravity oil, flowing through a 3 1/2 inch tubing chokes from perforations in the casing between 10-300-355 feet. Gas-oil ratio was 10-1.

The development is 1,980 feet from north and 660 feet from east lines of section 8, block A-23, pal survey.

Magnolia Petroleum Company No. 1 Flanagan, an east offset to No. 1 Hawkins, was a failure in the Ellenburger, but was completed dually from the Clear Fork and from the Devonian and was the first Devonian producer for that pool.

Armistice Program Held At McCamey

MCCAMEY—A special Armistice Day program, sponsored by the American Legion and VFW posts and the auxiliaries of the two organizations, was held at 10:45 a.m. Friday in the McCamey High School Auditorium.

The McCamey High School Band, under the direction of John Buchanan, paraded in downtown McCamey preceding the program.

State Rep. J. T. Rutherford of Odessa was the principal speaker. He was introduced by Bill Moore, commander of McCamey's American Legion unit.

Texas Has 43,000 Available For Draft

AUSTIN—(P)—Texas is ready for a military emergency with 43,000 men ready in a short notice to go to the armed forces.

State Selective headquarters announced Thursday that of that number 1,357 are ready for actual induction on 10-day notice.

Police Business Slow But Unusual

Midland police had little business Thursday night but what they did have was a little out of the ordinary.

A Midlander was arrested on a charge of operating a tractor or while intoxicated.

Miners of the Alexander Mine in Moundville, Va., arrive at the surface after working the midnight to 8 o'clock shift. The mine is a branch of the Valley Camp Coal Company and was the first to send its miners back into the pits in the Ohio Valley.

Armistice, 1969! Has Anyone Answered The Worth Of War?

By TANNER LAINE
Armistice Day, 1969!
Ricky Thompson, the smiling Texan down Texas way as he was referred to in the Air Force, wasn't smiling.

"Well, they tell me this one's over and the world now is safe for democracy again," drawled the Rick.

"Yeah, and they told my dad and his dad—the same," quipped his buddy from Brooklyn, Tony Mizanti.

But the end of this one would be different. A war finally had come to the United States. Russia did have atomic bombs.

"You know it's gonna be funny with no Dallas," Ricky mused.

"And no New York and Brooklyn Bridge," chimed the boy from Brooklyn.

"My dad's dead (Russia unleashed anti-personnel bombs on civilians) and I'm alive. Ironical isn't it," soberly spoke Ricky as if talking to what was left of the world, not to his Brooklyn buddy.

"But there are plenty of dead Russians, too," murmured the Texan. "I delivered some atomic eggs to Moscow."

"You know, it's going to be a long time before there are schools again, and churches and industry," philosophized the boy from Brooklyn.

"Yep, the country's shot, wonder if there will be any GI loans and stuff. My dad had a home that he never paid out," commented Tex. "I could take up his payments," said Tex out of the corner of his mouth. And not laughing.

It had been a story-book war. America and the allies won it—at great cost. Wars always cost too much.

A complete rebuilding of the world would be necessary.

"Was it worth it?" asked Brooklyn, as he was known in the Air Force of World War II.

"That question has been asked before," answered Tex, as he was known in the services of World War III.

And yet he hadn't answered it.

Has anyone?

Texans Pay Homage To War Dead

By The Associated Press
Texas Friday paid respect to its war dead and paraded the punch it could land if ever again needed.

Almost every city and town took time to remember that on Nov. 11, 1918, there came to an end a conflict to make democracy Air Of Skepticism

No one openly challenged Vishinsky's claim that the Soviet Union is using atomic energy "right now" to raise mountains and irrigate deserts. But there was an underlying air of skepticism among UN delegates.

Vishinsky was asked by reporters after his speech to tell where the Soviet Union was using atomic energy for changing the terrain.

"I don't know," he replied. "I only know about it in a general way."

Colder Weather Heads Back Into Panhandle Friday

By The Associated Press
So, last Summer you couldn't wait for Winter and its cooling weather.

Well, Winter's here; just look at the calendar. But not its cooling weather.

Dallas and Wichita Falls recorded temperatures of 80 degrees Thursday, a new record for November 10 in Dallas and the highest in 20 years for that date at Wichita Falls.

Elsewhere in the state the temperature ranged from the mid-sixties to the mid-eighties.

But early Friday chill weather returned to the Panhandle and West Texas, although most of the rest of the state still enjoyed mild weather.

At 8:30 a.m. Guadalupe Pass and Amarillo reported 50 and El Paso 53. Brownsville had 78, Houston 72, San Antonio 71 and Dallas 70.

The Weather Bureau also said cooler weather will overspread the northwest part of East Texas Friday night and North and Central portions Saturday, and continue in West Texas Saturday.

Fact-Finding Board May Be Named In Coal Mine Dispute

WASHINGTON—(P)—The government was reported ready Friday to sound out John L. Lewis on letting a fact-finding board recommend a settlement in the coal dispute. It would be selected by President Truman.

Lewis is known to be opposed to the idea. Still, officials said the White House wants to give him the same chance as was given his rival, Philip Murray of the CIO, in the steel strike.

Administration officials evidently are determined to do everything possible to avoid a new coal strike December 1 when Lewis' present term expires.

Another Tropical Storm Bears Down On Philippines

MANILA—(P)—A tropical storm with winds of 70 miles an hour and increasing in intensity bore down on the Central Philippines Friday.

In its path lay an area where a typhoon 10 days ago claimed 823 dead and missing and left 400,000 homeless.

The storm center was located Friday afternoon 30 miles southeast of Surigao. It was moving northwest at 16 miles an hour. On its present course it would strike the Visayan area Friday night and pass south of Manila Saturday.

Nobody Got Hurt In The Scramble

HOUSTON—(P)—It was hard to believe, but that's what the sign said.

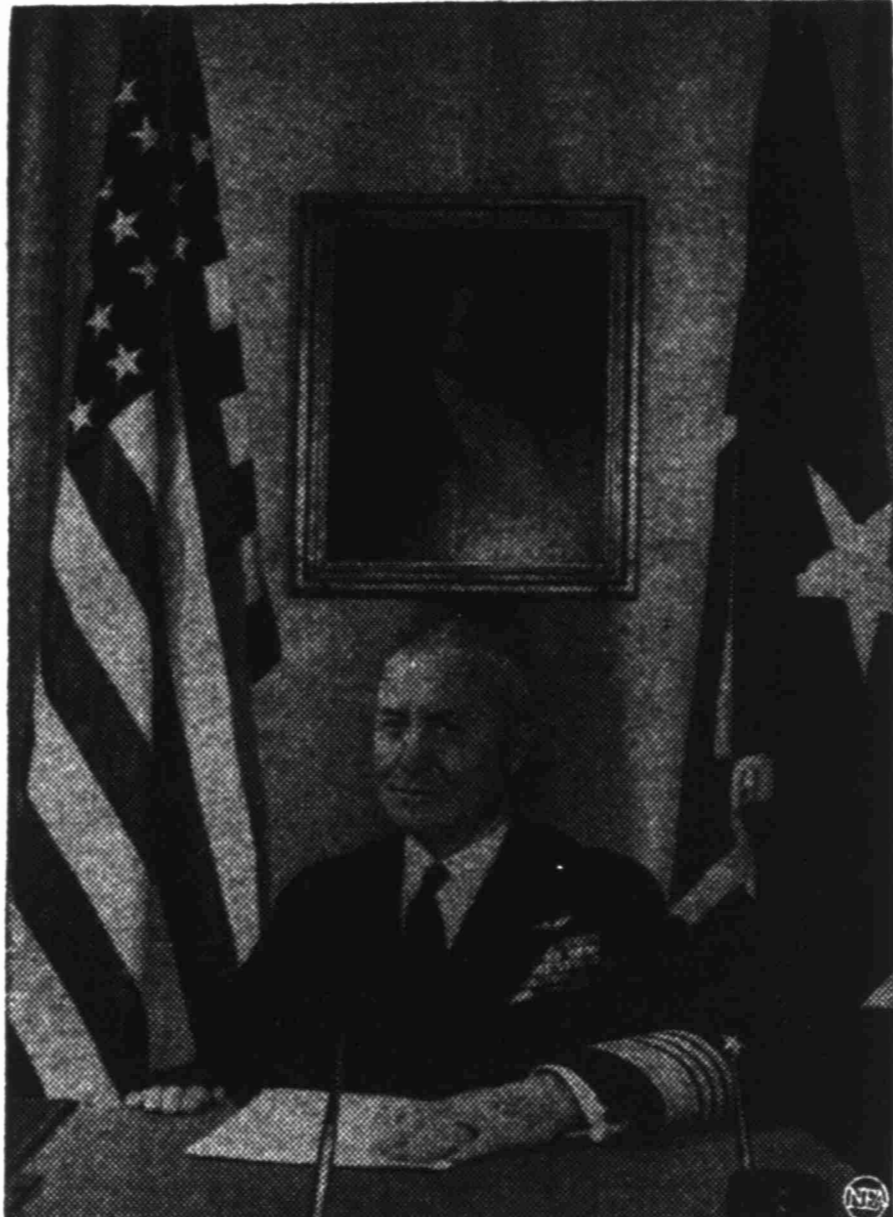

Friday a man kept walking around Houston's big downtown street intersection of Texas and Main carrying this sign:

"Texas A&M-Texas U, November 24, Football tickets. Make me an offer."

Two tickets were pinned to the sign.

Fuller Patrolman Johnny Weller, Jr., and H. C. Limerick put the man in jail. He is being held for investigation.

Naval Chief In Formal Portrait

Adm. Forrest Sherman, new chief of Naval operations, has his formal picture made at his Pentagon desk in Washington. The admiral recently was named to replace Adm. Louis Denfield, following the Navy-Air Force flare-up.

Costliest Steel Strike In History Nears Settlement

By The Associated Press
The nation's costliest steel strike in history appeared headed for complete settlement Friday. But effects of the paralyzing 42-day-old walkout continued to make idle many thousands of workers in steel-related industries.

The auto industry appeared the hardest hit because of the shortage of steel. Almost 50,000 workers will be idle by Friday night and at least 27,000 more will be laid off within two weeks.

Several auto companies announced the layoffs or curtailment of production until their steel stocks are replenished. The steel shortage also hit the electrical appliance and farm equipment industries.

The major stumbling block to a virtual end of the crippling steel strike was agreement between the CIO United Steelworkers and U. S. Steel, the country's biggest producer. Company and union negotiators planned a meeting in Pittsburgh Friday to study a proposed pension and insurance agreement. The union's Wage-Policy Committee also arranged a meeting.

A settlement by big steel will send some 150,000 strikers back to work.

Already five major companies and more than 40 other firms—employing some 200,000 of the 500,000 strikers—have agreed to the union's demands for free pensions.

The steel shortage in the auto industry has forced the layoff of 35,000 workers in the Detroit area employed by Chrysler Corporation. Willys-Overland in Toledo will suspend operations after Friday, making idle 7,000 workers. Another 13,000 employed at the two main Wisconsin plants of Nash Motors will be laid off next Tuesday. On November 23, Pontiac Division of General Motors will be laid off.

Eight Men Killed, 13 Hurt In Arizona Highway Collision

GILA BEND, ARIZ.—(P)—Eight men were killed and 13 were injured, three critically, when a truck loaded with cotton pickers overturned after smashing into a semi-trailer 17 miles west of here Thursday night.

Three of the dead and one critically injured remained unidentified Friday.

Six were killed instantly in the U. S. Highway 80 crash. One was dead on arrival at the County Hospital in Phoenix and another died shortly after arrival.

Charley Davis, 39, negro from Los Angeles, who highway patrolmen report was driving the truck, was ordered as a material witness for a coroner's inquest to be held Monday.

Patrolmen Earl Rogers and Norman Cole reported that Davis attempted to pass the semi-trailer loaded with 30 tons of airplane parts. A car approaching from the opposite direction forced him to try to drop back into line. The truck struck the semi and overturned two or three times, spilling the cotton pickers over the highway.

The men were recruited in the Los Angeles area. Twelve of those identified as killed or injured were negroes.

Poppies Sold To Aid Disabled Veterans

Poppies are making their appearance in Midland.

The red flowers made by disabled veterans, are being sold by the VFW post.

Many citizens are seen with poppies in their lapels or pinned to clothing.

The poppies were sold Thursday and Friday.

Community Chest Contributions Now Total \$23,204.13

Contributions to the Community Chest financial campaign Friday totaled \$23,204.13 as workers took off to observe the Armistice Day holiday.

The goal is \$32,000 and workers called upon Midlanders to give promptly and generously to the fund which will be used to finance operations of six youth welfare and charitable organizations in 1950.

Contributions large and small, they said, fill Midland's Community Chest.

Thursday a five-year-old Midland boy walked into Chest headquarters and plunked down a quarter—his contribution.

"I sold flowers and here's the money I made," the youngster said proudly.

So little Farrell Davis was thanked for his gift, as if it had been \$1,000.

★ LATE NEWS FLASHES ★

PARIS—(AP)—U. S. Secretary of State Acheson placed a wreath on the tomb of the unknown soldier at the Arch de Triomphe in French Armistice Day ceremonies Friday.

BERLIN—(AP)—The American-licensed weekly newspaper Sie reported Friday the Soviet-backed East German government is building a fullscale military police force with tanks and big guns donated by the Russians.

NEW YORK—(AP)—Financial and commodity markets throughout the United States and Canada were closed Friday, Armistice Day.

WASHINGTON—(AP)—Secretary of Defense Johnson disclosed Friday that plans are in preparation for possible movement of the seat of government from Washington if the city ever should become the target for an attack.

Military Strength Called Best Hope For Lasting Peace

By The Associated Press
World War II ultimately may cost the United States more than \$1,000,000,000,000, Secretary of the Army Gray said Friday.

That's one trillion dollars.

In a speech prepared for delivery to an Armistice Day audience at Greenville, N. C., Gray said the high cost of war is an excellent reason for keeping the United States military machine powerful.

Secretary Of Interior Krug Quits

WASHINGTON—(P)—President Truman Friday accepted the resignation of Secretary of Interior Julius (Cap) Krug and named Oscar L. Chapman to succeed him.

The President had an Armistice Day speaking engagement at a luncheon meeting of the National Conference of Christians and Jews in Washington.

Dark Atomic Shadow

Numerous other government notables, military officials and civic leaders across the nation recalled in speeches the toll of past wars and urged the need for military readiness to prevent another.

George N. Craig, national commander of the American Legion, said in an address prepared for delivery at the Arlington tomb that the nation is observing Armistice Day this year "within the dark shadow" of the atomic bomb, because it failed to achieve enduring peace after the first World War.

Gray said in his speech that the initial outlay for World War II was about \$27,000,000,000. His eventual cost was estimated by President Calvin Coolidge at about \$100,000,000,000.

Within a few years, Gray said, the cost of World War I had reached nearly half the total Coolidge had forecast. Gray added:

"The initial cost of our participation in World War II was about \$350,000,000,000 or 13 times as great as the first war.

1,000,000 Casualties

"It has been estimated that the ultimate cost of this war, including commitments already assumed, will total fourteen hundred and four million dollars."

He included in the war cost such items as recovery and occupation expenses, veterans' payments and interest on bonds.

While Gray devoted much of his speech to a discussion of the cost of war in dollars, Secretary of Air W. Stuart Symington, in an address prepared for a meeting at Welch, W. Va., considered the cost of war in men and resources as well.

Symington said that the total casualties for World War II, the wounded as well as the dead, were more than a million. And he recalled that former Secretary of War Stimson estimated that an additional million casualties would have been suffered if an invasion of Japan had been necessary.

Dinner Is Final Courtesy For Jack Joneses

A progressive dinner Thursday night was a farewell party for Mr. and Mrs. Jack Jones, who left Friday morning for Houston, where they will make their home. Hostesses were Mrs. T. S. Henderson, Mrs. Vernon Yearby, Mrs. R. L. Denton, Mrs. Harry Rhodes, Mrs. C. M. Dunagan and Mrs. John Sorogin.

Guests, other than Mr. and Mrs. Jones, were Henderson, the Rev. Yearby, Denton, Rhodes, Sorogin and Mr. and Mrs. Frank Monroe, Mr. and Mrs. Ernest Nell, Mr. and Mrs. W. S. Helm and Mr. and Mrs. Tom Edrington.

After the main course, in Mrs. Yearby's home, the group went to the Midland-Big Spring football game and then returned to Mrs. Dunagan's for dessert.

Mums For Decoration

The dinner began with the cocktail course in Mrs. Henderson's home. For decorations, she used purple chrysanthemums with matching candles on the cocktail table and out flowers and pyramids in the living room.

Mrs. Rhodes, who was hostess for the salad course, used red zinnias and red geraniums for flowers. Her salads were miniature Mexican sombrero-shaped.

Mrs. Denton and Mrs. Yearby were hostesses for the main course. Two large tables were used for serving, one decorated with gold chrysanthemums and the other with orchid mums.

After the game, Mrs. Dunagan and Mrs. Sorogin served the dessert course. For decorations, they used yellow and lavender chrysanthemums and other Fall flowers.

VISITING IN DALLAS

Mr. and Mrs. O. H. Cook and daughter, Carolyn, are spending the weekend in Dallas, combining a business trip with attendance at the Arkansas-Southern Methodist University football game.

St. Ann's Mothers Club Has Meeting In R. Geisler Home

Six new members were welcomed by the Mothers Club of St. Ann's Catholic Church, which met in the home of Mrs. Ralph Geisler Thursday afternoon. Mrs. James Price, chairman of a rummage sale to be conducted in St. George's Parish Hall this weekend, announced that it is ready for opening at 7 p.m. Friday and 9 a.m. Saturday.

Sister Mary Gertrude and Sister Rosalene of Big Spring were guests to discuss "Christmas Crib." They explained how children can make simple cribs and other Christmas decorations for the home, and urged that the true meaning of Christmas be kept foremost in family celebrations.

Mrs. Tom Murphy, chairman of the Junior Sodality, announced that the first social meeting of the group will be on November 21 in the Parish Hall. All girls who have made their first communion are eligible for membership and are invited to the social.

A display of religious articles was arranged by Mrs. W. M. Garney, assisted by Mrs. Jack Sowers, for the meeting. Members were reminded of the religious instruction classes for children, conducted in the Parish Hall each Thursday. The class for beginners is from 3 to 4 p.m., and for older children to high school age from 4 to 5 p.m.

Mrs. Mollie Florence, Mrs. Dominic Jerome, Mrs. Joe Trainer, Mrs. O. G. Gtraro, Mrs. Joseph Leonard and Mrs. C. A. Einarsen were the new members present, and others attending were the Rev. Francis Taylor, Mrs. G. W. Martin, Mrs. George Byrne, Mrs. D. F. Lillis, Mrs. Fred Burleson, Mrs. C. W. Turner, Mrs. Pat Manna, Mrs. Joe Canon, Mrs. James C. Ash, Mrs. T. A. Abernathy, Mrs. Lamar Lunt, Mrs. Joe Brodigan, Mrs. Ed Kent, Mrs. R. D. Chambers, Mrs. A. Grimm, Mrs. Russell Wright and Mrs. C. L. Chase.

Mrs. Joe Roberson Is Hostess To DYT

Mrs. Joe Roberson was hostess to the DYT Club in her home Thursday afternoon. Members and a guest, Mrs. P. C. Mayfield, played canasta and were served refreshments.

Present were Mrs. Glenn Shoemaker, Mrs. Roy McKee, Mrs. E. P. Birkhead, Mrs. J. P. Carson, Jr., Mrs. L. V. Basham and Mrs. John Sewell.

The club will meet next Thursday instead of on November 24, Thanksgiving Day. Mrs. Basham will be the hostess.

Folk Dances, Songs Taught Leaders Of Girl Scout Troops

Songs, folk dances and games enough to entertain Girl Scouts and their friends for the next year were learned by their leaders in a training session conducted here Thursday afternoon by Janet E. Tobitt, music consultant with the national Girl Scout organization.

Approximately 50 persons, mostly leaders and assistant leaders of Girl Scout and Brownie Scout troops, attended the session in the City-County Auditorium. Senior Girl Scouts joined the class for an hour.

Miss Tobitt directed the songs and dances, and as the group participated the members learned to teach the music and steps. The material for the lesson was taken from two of Miss Tobitt's books, "Promenade All" and "The Ditty Bag."

Mrs. I. A. Searles introduced the instructor, who has many years of experience in teaching similar sessions in schools and camps.

BROWNIE TROOP HAS PERFECT ATTENDANCE

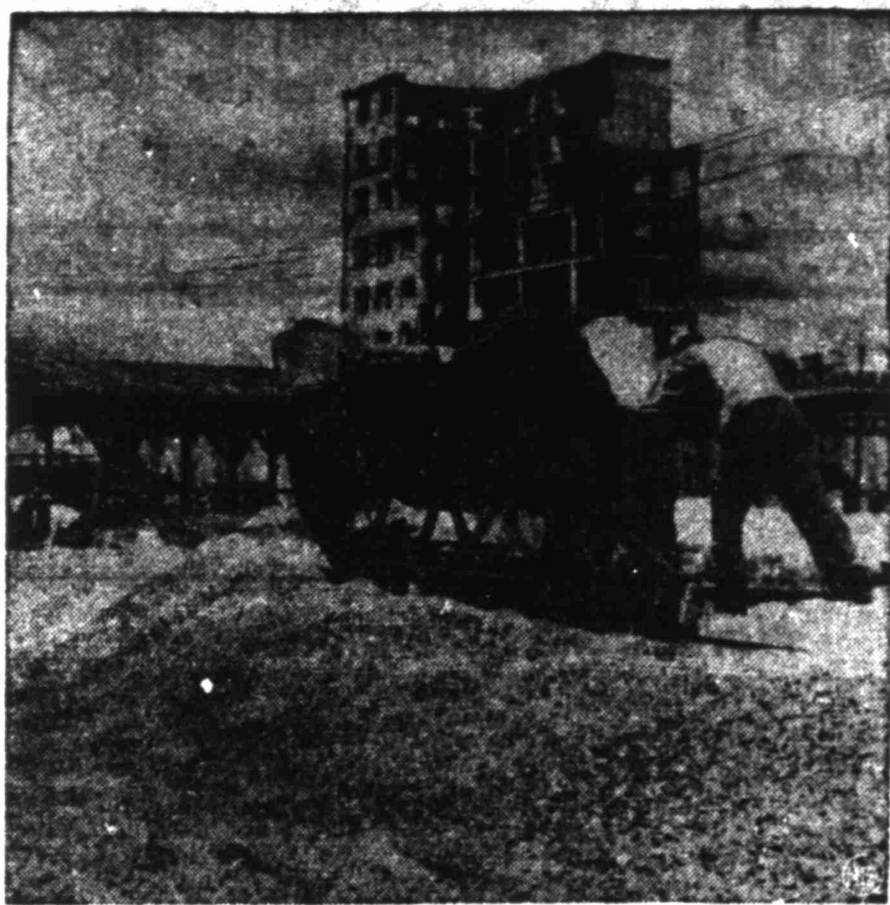

Brownie Girl Scout Troop 23 met Wednesday afternoon and made Thanksgiving place cards. The troop reported 100 per cent attendance at this meeting.

Brick From War's Waste

War ruins in Warsaw, Poland, are providing the bricks badly needed for reconstruction. In special mills located near the devastated areas rubble is ground, sorted, mixed into concrete and finally pressed into bricks. Above, workmen move the ground rubble toward the concrete mixers. Below, the finished bricks are hauled on lorries to construction sites.

North Side Baptist Church Schedules Full-Time Services

A full-schedule of services for the North Side Baptist Church will begin Sunday with the Rev. Jim Goins as pastor. Sunday school will be held at 9:45 a.m., morning worship at 11 a.m., Training Union at 6:30 p.m. and evening worship at 7:30 p.m.

This will be the first evening worship service in the new church, and the first prayer meeting will be held next Wednesday night.

A welcoming party for Goins and his family will be held Saturday night.

Goins, who has recently moved here and is living at the corner of Hart and Big Spring Streets, has two daughters, Ruby, who is in high school and Verla Lee, a Midland resident. He formerly was associate pastor of the First Baptist Church in Chickasha, Okla.

Mock Court Martial Trial Scheduled By Reserve Corps Unit

Midland's Organized Reserve Corps unit will meet at 2 p.m. Sunday at Midland Air Park in a two-hour session to be conducted by Lt. Col. Boyd Laughlin of Midland.

As the training feature of the period, Colonel Laughlin will conduct a mock court martial trial to emphasize the changes in procedure included in the new post-war manual of courts martial.

In the simulated trial, which will be for alleged misappropriation of government property, Colonel Laughlin will serve as the law member of the board, and will explain the actions of the court as the trial progresses. Capt. Emil Rasmann, Midland, will act as trial judge advocate and Lt. George Kellon of Odessa will be defense counsel. Others needed to conduct the mock trial will be recruited from the members of the ORC present.

All interested ex-Army personnel are invited to attend the meeting.

Texas Gets 37,000 Braceros Of 98,000 Needed, Says TEC

AUSTIN—(P)—The Texas Employment Commission said Friday it has certified a need for more than 98,000 Mexican nationals to help harvest the Texas cotton crop, but only 37,000 have been delivered.

Certification of need for the braceros (contract laborers) was made to the United States Employment Service, which forwards the requests to the Mexican government, the TEC said.

The TEC did not offer an explanation of why only 37,000 of 98,000 requests have been filled, but the common reason for refusals has been alleged discrimination against Mexicans in various Texas counties.

Demands for cotton pickers and plowers have dwindled considerably, the TEC reported. It listed the following large demands, by counties: Crosby 2,100; Lubbock 2,300; Hookley 3,500; Cochran 2,500; Cottle 1,350; Childress 1,500; Deaf Smith 1,000; Dawson-Borden-Gaines 2,000; Howard 1,000; Tom Green, 1,150; Floyd 3,400; Terry 2,000; Hale, 4,400; and Hall 1,000.

★ IN HOLLYWOOD ★ Panda Upsets Bogey's Home; It's Now Sport For The Dog

By **ERSKINE JOHNSON**
NEA Staff Correspondent

HOLLYWOOD—After all that trouble, look what happens: Nine-and-a-half-month-old Stephen Bogart took one look at that Panda bear pappy brought home from New York, started to howl and hasn't touched it since.

The Bogart dog now is chewing on it between meals.

Bogey just started his new picture, "In a Lonely Place." It's about a film writer who was a big shot before the war but who can't seem to get going again. Backgrounds will be shot all over Hollywood.

Gloria Graham plays a doll familiar at Hollywood night spots—no visible means of support, just a smart girl on the town. Bogart finally kills her when he finds out she's leaving him.

As producer Bob Lord explains the story, "It's a writer's angle on 'A Star is Born.'"

Alice Faye, I hear, is softening in her attitude about film retirement. Fox has been trying to get her back into grease-paint for years with no luck. Now she's willing provided hubby Phil co-stars with her. Fox could do worse than starring the two in a family comedy.

Plenty of talk about M-G-M trying to woo Betty Hutton away from Paramount when her contract expires. Betty, I hear, is willing. Metro has promised her everything except L. B. Mayer's bank account.

Well, it finally happened. Popcorn is taking over a theater.

A Daily Variety dispatch from Milwaukee:

"Which comes first, the picture or the popcorn? Management of Milwaukee's Towne Theater has decided in favor of the latter as the best come-on for customers. They've torn out two rows of seats in the rear of the theater to make room for a new refreshment stand. It's pointed out that when the picture lags the customers can admire the bubbling popcorn and illuminated beverage displays.

It's only a matter of time, kids, before the popcorn poppers get screen credit, too.

Latest definition of a square: The guy who takes his girl to a drive-in and then sits there and watches the picture.

Annabella will make her permanent residence in Hollywood starting the first of the year. Maybe that's why Ty Power and Linda Christian are talking about living in Mexico.

It wouldn't be funny except that it happened to dignified Sir Cedric Hardwicke. He called a taxicab to pick him up from a location set on "The White Tower," the mountain-climbing story. The taxi cab driver arrived early and watched Sir Cedric's last scene—a quick shot of him holding himself over a ledge on a rope.

As Sir Cedric got into the cab the driver, with a blank expression, said: "You ain't the new TARZAN are you?"

Bing Crosby sings just four bars of "Night and Day" in "Mr. Music." Paramount had to pay Cole Porter \$2500 for the rights. At this rate, if Bing sang the whole number, the studio probably would go broke.

Richard Robert, who clocked for Warners in "Task Force," will marry Norma Braton, a secretary at the same studio. He's waiting for his divorce first from Mary Hay Barthelme.

Another suspension at Warner Brothers.

John Crawford's French poodle, Cleo, has been barred from the set of "The Victim" for a week for spoiling a scene. No, the dog hasn't issued any statements.

Marie (The Body) McDonald is forsaking movies for her first love—singing. She's open for night-club engagements. It could be that Janet Blair's success on the road and in New York had something to do with Marie's decision.

Gracie Fields is back in town after a three-year absence. There's a film deal cooking.

A Los Angeles orphanage turned down the application of Andy Russell and Della Morel, who wanted to adopt a baby. Final decision came after they examined their night-club singing schedule for the next year and found they would be spending very little time at home. Nelson Eddy wires that he has not been offered the road company lead in "South Pacific."

Letter to the editor of Radio and Television Life:

"On the Martin and Lewis show, could you tell me if Jerry Lewis is a dummy and Dean Martin a ventriloquist?"

Well, now, that's a matter of opinion.

Margaret Truman Again Subject Of Romantic Rumors

DETROIT—(P)—Margaret Truman and Frank P. Handy, Jr. of Ypsilanti, Mich., are the center of romantic rumors again.

The President's daughter, who will give a concert here Friday night, had lunch Thursday with the young son of an Ypsilanti publisher.

Last Winter they were seen together often, but the White House said there was nothing doing as far as romance was concerned.

Then Tuesday, when Miss Truman talked with reporters, she seemed a bit puzzled when someone asked if she would see the young man from Ypsilanti.

"Oh, you mean Mr. Handy," she smiled after a moment. "No, he's just a friend."

But Handy got his date, and the management of the Detroit Athletic Club saw that they had the big dining room practically to themselves. Margaret was wearing a big white orchid.

Afterwards they drove off in Handy's convertible.

WINDOW SMASHER HELD FOR 'BETTER ADDRESS'

GREENVILLE—(P)—Three large window glasses in the Greenville Post Office were smashed late Thursday by a man who told police he had a "personal reason" for doing it.

He was held for post office inspectors.

E. Q. Greene returned Thursday from a business trip to Dallas.

Discharged Worker Held In Death Of Fort Sill Official

LAWTON, OKLA.—(P)—A dismissed worker is being held in the fatal shooting of James T. Downen, chief of civilian personnel at Fort Sill.

Downen, 45, was shot at his home here Thursday night. A. H. Farish, 34, was arrested at the slain man's home shortly after the shooting. No charges have been filed.

Farish was quoted by Patrolman H. L. Farris as saying: "Yes, I did it. I went out to talk to the man about a job. We got into a little argument, but there was no struggle."

Farish was fired about two months ago from his job as Fort Sill's assistant librarian.

Downen's wife and 17-year-old daughter were in another part of the house when the fatal shot was fired as he sat in a living room chair.

Sad Experience Should Prove Some Things Just Don't Pay

By NUTE MILLETT
NEA Staff Writer

If never pays a woman—
To win an argument from a man.
To pretend she is younger than she is.
To take another woman down a notch or two.
To try to turn herself into a carbon copy of another woman.
To ask a woman friend's advice about her clothes.
To say anything she has to preface with: "I shouldn't repeat this but..."
To be on the dot when she is meeting another woman.
To tell a man his faults.
More "Don'ts" To Remember
To discuss her own shortcomings with a man.
To point out how "simply awful" she looks.
To get a reputation for being "a worker."
To get a laugh at someone else's expense.
To start her sentence with "If I were you..."
To get a facial. (If she needs a facial—she's beyond its help.)
To refuse to give another woman a prized recipe.
To ask another woman what she is going to wear to a party. (The

other woman always changes her mind at the last minute.)
To tell a man he doesn't love her any more.
To make a threat she isn't ready to carry out.
To worry over a man.
To try to get by nagging what she hasn't been able to get by asking.
To buy a dress for the label—until she starts sewing the labels on the outside.

McCamey Club Will Ask 1950 District B&PW Conference

MCCAMEY — An invitation for the 1950 conference of District Eight, Business and Professional Women's Clubs, to be held in McCamey will be taken to the 1949 conference in Pecos next week, members of the McCamey club voted at their recent meeting.
Others clubs of the city are being asked to join in the invitation. The program for the Pecos meeting was read and discussed.
The club expressed interest in wanting to see McCamey appropriately decorated for the Christmas season.
Choosing as her subject, "Opening Doors for Better Living," Ruth Stoker, home economics teacher in the high school here, was the speaker. Since most failures of women in their chosen careers are due to personal failures or breach of professional or personal conduct, she said, women should cultivate a pleasing personality and a love of their work as they train themselves for their jobs.
The career that 90 per cent of all women enter is homemaking, she added, and the proper training and attitude for it is as important as for any other job in order to prevent broken homes and delinquent children.

Smelling Salts Aid Girls Today

By ALICIA HART
NEA Staff Writer

The little bottle of smelling salts which a Victorian lady whiffed at even before she felt faint is back in circulation.

Modern women who have no intention of swooning are finding smelling salts as good a brace for staying off a tired feeling, for giving a needed pick-me-up. It is the men, however, who, according to one report, were the first to tuck bottles of smelling salts into the glove compartments of their automobiles. Fumes from smelling salts are a help in preventing drowsiness, or driver's fatigue, these autoists claim.

Another reason this old-fashioned aid bows back to a modern encore is its usefulness in relieving a stuffy nose induced by a head cold.
For reasons such as these, today's women are apt to be seen doing what their great-grandmothers did 50 years ago, taking a couple of whiffs now and then from a bottle of smelling salts. The only difference is the modern gal carries hers in her handbag when she boards a plane, or pulls her bottle out of the pocket of her car.

Using the same kind of smelling salts that kept grandma from swooning, this girl saves off driver's drowsiness by whiffing at ammonia fumes.

Thanksgiving Theme Used By La Merienda

Pilgrim hat cutouts added a hint of Thanksgiving to decorations for the luncheon and bridge party for La Merienda Club members and guests in the Ranch House Thursday. Mrs. Tom Edgington and Mrs. David Cole were the hostesses.
The hats were used with chrysanthemums, traditional flower of the holiday, on the tables where Mrs. F. A. Nelson made high score at bridge, Mrs. Buri H. Self, second high. Mrs. Inby Dyer, third, and Mrs. Maurice Kennedy received the bingo prize.

Guest List
Guests of the club were Mrs. Howard M. Spinning, Mrs. George R. Hyatt, Mrs. Franklin Giffert, Mrs. Carroll Thomas, Mrs. Frank Paup, Mrs. E. J. Pierce and Mrs. Carl Schwalbe.
Other members present were Mrs. George Stewart, Mrs. L. F. Lees, Mrs. John Younger, Mrs. Jesse A. Rodgers, Mrs. S. L. Parrish, Mrs. Hastings Pannill, Mrs. Donald N. Johnson, Mrs. Robert D. Fitting, Mrs. Arthur Cole, Mrs. J. R. Cantrell, Mrs. Leo Brady and Mrs. Louis Bartha.

Armistice Day, 1949

Another Armistice Day rolls around and still conditions throughout the world remain unsettled.

Yet, the threat of another World War is not as imminent as on Armistice Day, 1948, which indicates progress is being made despite the occasional obstacles...

Considerable credit must be given the United Nations and the various agencies of the United States government operating throughout the world for bringing about a better understanding among nations of the world.

But perhaps the main reason why progress is noted is that America has remained strong from a military standpoint—not strong in order to wage war but strong in order that war never may come again.

This Armistice Day, as has been each November 11 since 1918, is a most solemn occasion for each and every citizen of the United States.

It now is observed as the day on which we pay special and reverent tribute to Americans who gave their lives in both World War I and World War II.

Armistice Day affords citizens the opportunity to give serious and thoughtful consideration to the things which we as individuals and as a nation can do to preserve the peace for which noble sons and daughters of the United States of America have died in two World Wars.

It is a day of consecration to the future. It is a day not only to pay respect to the war dead, but also to lay plans for a lasting peace so that another conflict may not engulf the world.

We join with others throughout the nation in paying tribute to the veterans of two World Wars, both dead and living, and in calling upon all citizens to think, plan and talk world peace everlasting.

Always The Silly Season For Reds

The Communists and a good many other groups in the United States still hang onto the childish notion that they can accomplish some of their objectives by deluging people in authority with letters and telegrams.

Recently the device was tried on Federal Judge Harold Medina as he was weighing the question whether to declare a mistrial in the conspiracy case of 11 Communist leaders.

Can you imagine how long the American judiciary would have any meaning as an impartial arbiter of law and fact if it yielded even once to such pressures?

Music-Maker crossword puzzle with clues for words like Depicted, Musical instrument, and various numbers.

"And May You Live Long And Prosper!"

The Washington Merry-Go-Round

(Copyright, 1949, By The Bell Syndicate, Inc.) Drew Pearson says: Part of French Merc train ends long journey in Kansas; Americans who initiated friendship train never dreamed waves of good will would radiate back; Peoples of all nations want to be their own ambassadors.

HAYS, KANSAS—An old French boxcar ends its journey in Kansas today. It has crossed one ocean, carried troops to a score of battle fronts and toured every county in Kansas.

No one in France, when they went to all the work of loading up this boxcar, with 48 others for their friends in America, ever dreamed what would happen when the cars arrived.

But after the V-E and V-J days of this last war, it has been different. The American people, it is true, are tired. Some of them are discouraged and cynical.

That's why there have been so many CARE packages sent to Europe. That's why several million letters deluged Italy during its elections and helped win the battle for democracy.

For peace is pretty much like matrimony. You can't get working at matrimony until the marriage license is signed. And you can't run out on peace the minute the ink is dry on a treaty.

Another byproduct of this French Merc train has been millions of letters sent from the children of the United States to the children of France.

It was hoped, of course, that American generosity would be appreciated—although there were even some skeptics as to that.

So, on this Armistice Day, the most important conclusion to be drawn from this exchange of two trains between the people of France and the people of the United States is that the ordinary folks from Kansas to Normandy—the folks who have to go out and do the fighting and the dying when wars come—now are determined to work at diplomacy.

The 1918 Armistice. This is in direct contrast to what happened 31 years ago after the armistice of 1918. At that time the American people, idealistic, inexperienced in the field of foreign affairs, were inclined to think that all they had to do was sign a peace treaty and then forget about it.

Peace, they believed, was something inscribed on beribboned parchments which one left to diplomats. So, soon after the Armistice of 1918, most of the American people went back to work; the U. S. Senate decreed that we should have nothing to do with Europe; and big business concentrated on chasing the almighty dollar.

Finally, Someone Did It, Christmas Shopping Early

Mrs. C. L. Glass, of 1208 West Louisiana Street in Midland is a forward-looking woman. Thursday—just 45 days before Christmas—she mailed the last of her 1949 Christmas presents.

Postmaster N. G. Oates wishes, probably truthfully, that others in Midland would take the hint, and send the last two of her packages at the post office and remarked, "There go the last of them."

Philosophy is of account only if it affords guidance to action. —John Dewey, dean of American philosophers.

We must constantly bear in mind that the great majority of New York is about as far from New York as they can get from Washington today.

If we, as businessmen, believe in reasonable liberty of action for management, we must not ourselves seek in private the things we decry in public.

We know today that the leaders of the U. S. S. R. do not have the right point of view of the further development of socialism in other countries of the world.

because of the hazards of winter shipping on the icy lakes. However, their stocks now are low because of the extended coal strike.

In addition, Lewis reminded operators that if they were opposed to industry-wide bargaining, as set forth in the old Wagner Labor Relations Act, this was a chance to demonstrate their convictions by bargaining separately.

Lewis knew his back was against the wall when he called on Governor Stevenson. If the Illinois operators turned him down, it meant he would have to return to the mediation councils in Washington.

Wiedemann was found in the plane, the doors to his cabin locked, a pistol in his lap. The shot had passed through his mouth and the top of his head and out through the top of his head and out through the top of his head.

Joe Washburn, a farmer, found Wiedemann about 5:30 p.m. The plane had made a perfect landing in Washburn's field, about seven miles east of Denison.

Wiedemann was general agent of the Minnesota Mutual Life Insurance Company. He was a Mason and a Shriner.

Wiedemann is survived by his widow, two sons and a daughter.

Sgt. Shelby Wheelus, who is in charge of the U. S. Army and Air Force Recruiting Office here, has resumed his duties after being confined to Army hospitals the last three weeks.

He was treated at hospitals in San Angelo and San Antonio for a leg infection.

Commerce Official Says U. S. Has New Approach On Travel

WASHINGTON—Attention, taxpayer. Your public servant Cornelius Vanderbilt Whitney, the undersecretary of commerce, has the following official proclamation for you:

"The United States has adopted toward the subject of travel a strikingly new perspective."

That's the way he starts a piece he has written for the current issue of the Department of Commerce publication, "Foreign Commerce Weekly."

His complete and successful absorption by the U. S. government is a tribute to the versatility of his personality and abilities.

Whitney's service for Uncle Sam started during the war. He was a colonel in the Air Force and served well in Egypt, India and at Iwo Jima.

Dallas Man Lands Plane, Shoots Self

DENISON—(P)—A Dallas insurance man landed his light plane in a field near here Thursday and then shot himself.

Justice of the Peace Charles McKemy returned an inquest verdict that Rudolf P. E. Wiedemann, 52, died of "self-inflicted wounds."

Wiedemann was found in the plane, the doors to his cabin locked, a pistol in his lap. The shot had passed through his mouth and the top of his head and out through the top of his head.

Joe Washburn, a farmer, found Wiedemann about 5:30 p.m. The plane had made a perfect landing in Washburn's field, about seven miles east of Denison.

McKenney on Bridge

Then he throws in this clincher: "This country has declared as a basic policy its belief in the vigorous encouragement of bona-fide travel of non-immigrant visitors between all countries as a vital factor in promoting trade as well as economic and cultural understanding."

There is no doubt that Whitney truly is in the federal fold.

McKenney on Bridge

By WILLIAM K. MCKENNEY America's Card Authority Written for NEA Service Before leaving the Cavendish Club in New York the other night I pulled up a chair behind Leo Root of New York, who was playing in a rubber bridge game.

It was my good fortune to see him play today's hand. He won the opening lead of the queen of clubs with the king, played and overtook in the dummy with the king. The jack of spades was played and East won with the ace. Leo discarding the deuce of clubs from his hand.

East returned the ten of hearts which Leo won with the king. He played the ten of diamonds and overtook it in dummy with the jack.

The CAMEO

By Virginia Teale Copyright, 1949, NEA SERVICE, INC.

THE STORY: Hagar Blair, seeking to buy a valuable cameo which Martin Falter, an artist, claimed to own, set out to make a deal when she finds the cameo's whereabouts in her car.

Supporting the end of the box with her left hand, Hagar Blair used her right to push up the end of the bolster. Martin Falter's body stopped sliding.

Hagar blew out a breath of relief. Waddling forward, she eased the end of the box onto her knees. Here, there was nothing, no weapon at all. She got down on all fours and peered under the bed.

No knife. But there was a crumpled piece of something. A small square of distinctive tapestry. She meditated a moment and then stuffed the material into her pocket.

"Not a sign of a weapon," Hagar declared when she returned. "Murderer must've taken it away with him. Let's get out of here before somebody comes along and catches us hobnobbing with the corpse delict. Hope you didn't touch anything in here?"

Stephanie extended her hands. "I have my gloves on." As they closed the front door behind them, Hagar suddenly paused. "Stephanie! How did you get up here to Falter's?"

"In a cab—oh!" Hagar clasped her hands prayerfully and rolled her eyes skyward. "In a cab, she says! Now I'll have to think up a good reason why I was there when you walked in!"

think's got the cameo?" she asked as she swung the car into the driveway.

"I wish I knew. Whoever has it has no right to it." Hagar switched off the engine and fumbled her keys, selecting the one for the house.

"House is cold," Hagar commented, rubbing her hands. Her glance came to rest on the glass door leading to the side patio. Instantly, she strode toward it.

"No wonder it was cold in here, the patio door's open." She closed and latched it. Stephanie had come in and was bending before the gas heater, holding a lighted match.

"That's probably my fault. I went out this morning to pick a few geraniums. Maybe I didn't lock it when I came in."

Stephanie tilted a pale, troubled face: "You're not—aren't you going to go to the police?"

"And have that bunch of returning monkeys clumping around here all night? I should say not! We both need food and rest before we start feeding with Chief Peters."

She went to her room and drew the window shades against the night, and as she did so, she glanced furtively at the glass-fronted cameo cabinet which stood between the bed and the window.

Now here, she thought, was something worth looking at—this carefully arranged group of lovely miniature sculptures: The one in the middle, top row, she had talked a way from Reverend Charles King's collection, using warm words and cold cash.

Gateway to Life...

A young mother said with an enthusiastic ring in her voice, "There is one thing I am determined to do. I am going to see that Nancy knows and loves the Bible." This mother knows that the Bible is the gateway to life.

There are other books that assist in developing a useful and happy life, but there is only one book which is important from the cradle to the grave. There are many books which can improve mind and character, but there is a limit to their effectiveness.

The Bible gives help and guidance in every phase of human experience. That is why it is the world's most popular book. It has been issued in 188 languages and part of it in 1108 tongues and dialects.

No other book has ever been so thoroughly read as the Bible. It lives because people get the most out of life as they study and treasure its eternal truths.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Bulldogs Slaughter Steers 13 To 0

Assault Comes Home

(NEA Telephoto) Assault, King Ranch's six-year-old triple crown winner, arrives at his home on the King Ranch near Kingsville. He is an honor guest at the South Texas Fair and Exposition, now in progress at Kingsville. Five ambassadors and Dr. J. K. Northway, King Ranch veterinarian, give welcome to the famous race horse as he arrives.

Ralph Brooks Is Offensive Spark

By SHORTHY SHELburnE

The Midland Bulldogs gave the home folks a thrill—their first of the season—Thursday night as they wore the Big Spring Steers out in three quarters then pushed across two touchdowns in the fourth period to take a 13 to 0 decision. Good hard football was the plan of the day for the Bulldogs.

Both teams marched up the field to within scoring distance three times in the first three quarters but always failed to reach the double stripe. A stout Bulldog defense fought the Steers off just outside the 20 twice and stopped a drive on the 16 once.

Ralph Brooks, a boy who wasn't known as a ball carrier before the game, emerged the running star of the night. It was Brooks' ball carrying that set up both touchdowns. He scored the first one and moved the ball to the four-yard line for the other.

Touchdown Bound
Big Spring was knocking at the door on the Midland 25 early in the fourth quarter. Jackie Mobley, who played a whale of a defensive ball game all night, broke through to nail a Steer ball carrier for a loss on the 29. On fourth down, Jimmy Lineberger sliced the Big Spring line and downed a would-be passer for another loss on the 35.

The Bulldogs took over there. L. C. Thomas and Ralph Brooks handled the ball on all running plays. A pass from Brooks to Dwane

stacked several plays on the line of scrimmage. Offensively it was Brooks in the honor seat. He distinguished himself all the way.

The power running of Thomas and Crowley and the outside cuts of Jack Burris played no little part in the success of the Bulldogs.

Again it was nothing but masterful punting Reed Gilmore turned out. His booting helped Midland out of some bad holes.

In the first series of downs in the first quarter, Big Spring showed its best offense. Amos Jones and Billy Tubb picked up nice yardage on the ground and the passing of Floyd Martin to Howard Jones was good.

Throwing from the Midland 16, Martin completed one to Jones that looked like a sure touchdown but the receiver had drifted all the way out of the end zone off the field of play. It was ruled an incomplete pass.

Midland moved to the Steer 10 before bogging down on its first drive. Big Spring fought back to the Midland 32 on its next drive. But the Bulldogs held for downs.

Conditioning Pays Off
A host of Bulldogs pounced on a Steer fumble on the Midland 23 to stop another drive in the third quarter. And a fumble recovery on the 35 stopped still another drive.

Midland's last two drives just wouldn't be stopped and paid off in the form of the winning edge. Excellent conditioning was a key to Midland's success in the fourth period. While Big Spring players were dead tired, the Bulldogs had enough left to keep playing hard and moving the ball.

The victory was the third of the year for Midland and it was the second time the Bulldogs have held the opponent scoreless.

SPORTSLANTS

By SHORTHY SHELburnE

Sports Slants goes on a tour of West Texas football games Friday to give you coverage from the eyewitness angle.

The account of Thursday night's Midland-Big Spring meeting will be found in this edition.

Sunday we will have a complete story on the Odessa-Lubbock game and one on the Wink-Kermit battle.

Lubbock and Odessa were to go at it in an afternoon contest starting at 2:30 p.m. in Odessa's Broncho Stadium. It is rated the top game of the week.

Wink visits Kermit Friday night for a game that is scheduled to get underway at 8:15 p.m. It's for the District 5-A title and will be another top game in the state this week.

George Kellam, the Fort Worth Star-Telegram sports scribe, had three chances to get something right about the Midland-Big Spring game. He missed on the place and the date.

Kellam listed the game to be played in Big Spring Friday night. But he didn't stop after two misses. He even picked Big Spring to win.

That's a bad average, George. Three misses in three tries.

We have been amused at all the howling in the Southwest Conference about officiating this season. Practically every coach in the circuit has taken a cut at officials at one time or another.

What amuses us is this: The officials were chosen by a unanimous vote of those same coaches who are doing the yelling.

When game officials were selected for the season, one 'no' vote against an official put him out of the running. He could not work a Southwest Conference game.

So, it appears the coaches are kicking about something that is of their own making.

Police Chief Jack Ellington breezed into town with a deer a day or two ago.

Bolks now are asking him how much he had to pay the hunter who killed it.

Jack insists he did it with his own little hands. And he says it was so close to the Rio Grande he could have shovled the dead deer in with one heave.

Six Air Force men were forced to bail out of a plane in Georgia the other day.

Among the six were Pvt. Roger Hornaby and Maj. Barney Oldfield. Neither was, of course, one of the famous sports figures.

Laraine Day, wife of Leo Durocher who puts on his spikes in the New York Giants' clubhouse now, has written a story praising her husband.

Among the notable quotes: "The world knows Leo the Lion. I know Leo the Lamb."

That's all, brother.

22,000 To See Lubbock-Odessa Scramble Friday

By The Associated Press
Lubbock's mighty Westerners put their undefeated, untied record on the line at 2:30 p.m. Friday against Odessa with the District 3-AA title hinging on the result.

The biggest crowd to see a schoolboy game west of Fort Worth, 22,000, is assured for this game and more than 6,000 of the spectators will have made the 140-mile trip from Lubbock to Odessa.

There are a few other crucial games on the schedule Friday and Friday night.

Paris and Gainesville get together in a meeting that will settle leadership of district 7-AA.

San Antonio Tech and Thomas Jefferson tangle, with the winner taking a big step toward the San Antonio-District title in the City Conference race.

Lubbock is one of four undefeated, untied teams left in the City Conference and Class AA races as regular season play nears a finish.

Corsicana, Port Arthur, and Wichita Falls are the others. John Reagan of Houston and Baytown are unbeaten but tied.

Unbeaten Outfits Scheduled
Wichita Falls Friday meets Childress, Corsicana plays Ennis and Port Arthur entertains Port Neches.

Baytown meets Freepport and John Reagan plays Lamar in a Houston City Conference game.

A few games were played Thursday night.

Sunset of Dallas blanked Crozier Tech of Dallas 13-0; Sam Houston beat Austin 13-6. In a Houston District III; Brackenridge (San Antonio) swamped Burbank (San Antonio) 74-0; Harlandale (San Antonio) downed Lanier (San Antonio) 38-6; and Midland beat Big Spring 13-0.

Some of the other outstanding games on Friday's schedule:

Foly (Fort Worth)-Paschal (Fort Worth); Pampa-Plainview; Austin (El Paso) - Bowie (El Paso); Sweetwater - San Angelo; Greenville - Denison; McKinney - Highland Park (Dallas); Longview - Marshall; Conroe - Bryan; Beaumont - South Park (Beaumont); Galveston-Pasadena; Kerrville - Austin; San Benito - Edinburg.

Bush on which interference was ruled gave Midland a first down on the 50.

Brooks and Thomas worked the ball to the Big Spring 24 on line plays that were packed with power. From there Brooks reeled off an 11-yard run to the nine. He went over standing up next play.

Charles Crowley added the point. Friday Intercepts

Following the return kick, Big Spring took to the air. One pass fell incomplete. When the next one was tossed, Larry Friday went up beside a Big Spring man and came out with the ball on the Midland 43.

Thomas hit the line for 10 yards in three plays for a first on the Steer 47. Brooks got nine yards on two plays and Thomas powered his way for two and a first on the 35.

Brooks took the ball on a cut-back through tackle and wormed his way into the clear. He out-distanced the Steer safety man, Floyd Martin, for 31 yards before being hauled in on the four.

A penalty against Big Spring moved the ball to the one-yard line. L. C. Thomas plunged for the TD. Crowley's kick was no good.

With less than a minute to play, Big Spring ran two plays and lost on both. Bob Evans cut a passer down for a loss the first play and stopped him from behind on the next.

Ballide Line Great
Midland's line played its greatest game of the season. Dalton Byerley and Jackie Mobley, guards, were constantly a stone wall to the Big Spring rushing attack.

Jimmy Lineberger, Bob Evans, Dwane Bush, Graham Mackey and Harrie Smith, all ends, made some outstanding tackles.

Pups Battle Stanton To 7-7 Standoff

The Seventh Grade Bullpups of John M. Cowden Junior High School scored late in the fourth quarter at Memorial Stadium Thursday afternoon to gain a 7-7 tie with the Stanton Buffalo Calves.

The teams battled on even terms most of the way. Fumbles hurt both a great deal during the first half.

Stanton recovered a Midland fumble on the Midland 19-yard line to set up its touchdown in the second quarter. Don Winslow broke off tackle on a nice run for the score. Billy Rowden added the extra point on an end run.

Brooks Shines
The Bullpups fought back hard in the third and fourth quarters. They had been robbed of a touchdown in the second period when a penalty nullified a 75-yard scoring run by William Brooks.

But it was Brooks who carried the ball for the tying score. He got nice blocking on an end sweep and raced 52 yards to pay dirt. Brooks also added the extra point with a plunge.

Scooty Carson, Lionel Crisp, Hanley Iry and Don Stringer played good defensive ball for the Pups.

Cotton Rees, playing with a fractured hand, aided the fourth quarter fight. He handled the ball nicely on reverses and hand offs.

The Seventh Grade Pups are scheduled against the Odessa Seventh Grade eleven at 10:30 a.m. Saturday in Memorial Stadium.

Athletic Director At Yale Stricken

NEW HAVEN, CONN. — (AP) — Robert J. H. (Bob) Kipnuth, Yale University's director of athletics, was in critical condition at New Haven Hospital Friday following a heart attack.

The gray-haired perfectionist, who piloted United States Olympic and Yale swimming teams to unprecedented heights, was stricken Thursday while playing handball at Yale's Payne Whitney Gymnasium.

Ran With Redhead

On the twenty-fifth anniversary of the Galloping Ghost's tremendous day against Michigan, former coach Bob Zuppke gets together with Red Grange, right, and the Illinois backs who ran with him. The others are, left to right, Harry Hall, Wally McIlwain and Earl Britton.

Claassen Picks Sooners, Irish, Buckeyes, Tulane

NEW YORK — (AP) — Another whirl on the football merry-go-round after having forecast correctly 63 winners in 76 games last week for an average of .835.

Notre Dame over North Carolina: Those ancient "Eastern" rivals will jam Yankee Stadium for their 1949 meeting, which could become a massacre if Charlie Justice isn't at his best. North Carolina will need his punting.

Ohio State over Illinois: The victor of this one is in position to start studying railroad timetables to California and the Rose Bowl. Illini Halfback John Karras needs only 46 more yards gained rushing to set a record. He'll probably get his mark but the Buckeyes should get the greater score.

Army over Penn: If Pitt and Virginia can do it, certainly the Cadets can too.

Oklahoma over Missouri: Betting commissions in the East make Oklahoma a 14-point favorite. It is quite probable a point after touchdown will decide it.

Cornell over Dartmouth: Cornell has the stronger reserves but the aerial duel between Dorsett and Clayton should be breath-taking.

California over Oregon: The nod goes to Celeri, Franz and Company, who will be playing at home.

East: Navy over Columbia. Brown over Harvard. Minnesota over Pittsburgh. Syracuse over Holy Cross. Fordham over Boston College. Penn State over Temple. West Virginia over Texas Western.

Midwest: Michigan over Indiana. Northwestern over Colgate. Purdue over Marquette. Iowa over Wisconsin. Iowa State over Nebraska. Oklahoma A&M over Kansas State. San Francisco over Tulsa. Drake over Wichita.

South: Delaware over Washington & Lee. Clemson over Duquesne. Furman over Davidson. Georgia over Auburn. Kentucky over Florida. Duke over George Washington. Tennessee over Mississippi. Wake Forest over North Carolina State.

Southwest: Southern Methodist over Arkansas. Texas over Texas Christian. Baylor over Wyoming.

Far West: Stanford over Idaho. Colorado over New Mexico. UCLA over Washington. Denver over Georgetown. Utah State over Montana State. San Jose over San Diego. Arizona over Arizona (Tempe) State.

Brownfield To Drop Out Of Class AA Sports Competition

LEVELLAND — (AP) — Brownfield is dropping out of Class AA schoolboy sports competition and next year will compete in Class A.

The Executive Committee of District 4-A has approved Brownfield's entry into this district and also has made arrangements for Sunday, Sudan and Seagraves to compete in Class B next year. Each school lacked the required high school enrollment of 200 for Class A membership.

The committee said the 1950 members — Brownfield, Littlefield, Morton, Muleshoe, Post, Slaton, Tahoma, Levelland and O'Donnell — would play a full district schedule. The circuit was divided into north and south zones this football season.

'C' Bulldogs Lose To Steers By 20-2

BIG SPRING — Midland's 'C' Bulldogs, crippled by injuries to key men, dropped a 20 to 2 decision to the Big Spring 'O' Steers here Thursday afternoon.

Midland's only score was on a safety.

Big Spring staged three drives to count its 20 points.

The win by the Steers evened the season's series at one victory for each team. Midland defeated Big Spring 20 to 0 in an earlier meeting.

Irish Heavy Choice Over Justice Crew

NEW YORK — (AP) — What Notre Dame is expected to do to the crippled North Carolina Tarheels in Yankee Stadium Saturday shouldn't happen before 70,000 eye-witnesses. But the game still stacks up as the day's main showpiece in college circles.

No matter that undefeated Army is playing Penn only 100 miles away, that mighty Oklahoma and Missouri will lock in a death grapple, or that Ohio State and Illinois clash in a game which may decide the Midwest representative of the Rose Bowl.

Those are just football games. Where the glittering Notre Dames play, and no great matter what their opposition, there has come to be the nation's football capital for two and a half hours each Saturday this Autumn.

This one should be a runaway for Coach Frank Leahy's great touchdown machine. To make matters worse, Charlie Justice, the Tarheel's star back, will play if at all, with a badly sprained ankle. But Notre Dame's highly vocal following hereabouts will have a wonderful afternoon.

Shamrock Bowl Set December 17 As All-Charity Event

HOUSTON — (AP) — An all-star football game and Jack Benny, Phil Harris and Jimmy Fidler, too, are scheduled here December 17 in the interest of charity.

It's the Shamrock Bowl, being sponsored by Glenn McCarthy, Houston oil and hotel man.

Benny and Harris will put on a show before game time. The football game will match the champions of the All-America Conference with a squad of all-stars from the other teams in this professional circuit.

Charging probably the highest price for regular football tickets on record, \$15 a seat, McCarthy says he is "making sports pay off for charity."

The hotel owner and movie producer will give all proceeds from the bowl as well as from concessions, under the direction of St. Louis Cardinals Manager Eddie Dyer, to Holy Hall of Houston, a proposed \$500,000 home for the aged; the Damon Runyon Cancer Research Fund, and National Kids' Day Foundation.

Ted Atkinson, Steve Brooks, Logan Batcheller, Benny Civittello and Doug Dodson are some of the top jockeys who will ride at Hialeah this Winter.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, NOV. 11, 1948-7

Sub-Normal Harold Predicts No Upsets In SWC Encounters

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Southwest Conference football race could become a big mess Saturday but it would take a couple of jarring upsets to make it that way.

The main upheaval would have to come at Houston where the Texas Aggies, boasting only a tie to give them points on the ledger, battle mighty Rice, unbeaten leader of the conference race.

The Aggies are all pepped up over their sensational 27-27 deadlock with Southern Methodist last week but before they get cocky about it, they must remember that Rice beat SMU by two touchdowns.

Moreover, Rice is favored by the odds makers by a matter of 20 points.

Should the Aggies rise up and bat back the Owls, it would pitch Rice into a tie with Baylor for first place. And if Southern Methodist beat Arkansas at Dallas, the Methodists would be back in the race—just a half-game behind.

Baylor can't be worried. The Bears seek to add to the Southwest's already gaudy intersectional record in a clash with undefeated, untied Wyoming.

Wyoming has won nine games, scoring 343 points to 27 for the opposition. But Baylor is a solid favorite to knock down the visitors. The Western team's opposition hasn't been much to speak of. However, Coach Bob Woodruff of Baylor is inclined to be pessimistic (nothing new). He says his team couldn't score that many points against any kind of opposition. "They'd run themselves to death," he declares. "Wyoming has a real football team. I'm scared."

Southern Methodist is a seven and one-half point favorite over Arkansas but still is a crippled up ball club whereas Arkansas is in its best shape in weeks. SMU, however, beat Texas while in not much better trim and Texas licked Arkansas.

While all this is going on Texas and Texas Christian will be playing for the love of the game at Austin. Neither can figure in the championship race. But this is a deep rivalry and should produce fireworks.

On the record, Texas Christian doesn't appear to have a chance. The Frogs lost to Arkansas and Baylor and Texas beat both of those teams. The odds favor Texas by 14 1/2 points.

Results In Advance
Since we picked SMU to beat A&M last week and took Baylor to trim Texas, and since the result was that we got one lost one and tied one for the week to make our record for the season read 25-6-2 (an average of .788), we now give you the benefit of our sub-normal (that's what the man called it on the telephone) expiring on Saturday's games:

Rice vs Texas A&M at Houston — This ain't SMU you're playing, Aggies—Rice by three touchdowns, maybe more.

Texas vs Texas Christian at Austin—Another sad day for the Horned Frogs—Texas by two touchdowns.

Baylor vs Wyoming at Waco—Wyoming is a big splash in the Rockies but just a puddle in Texas — Baylor by two or three touchdowns.

Southern Methodist vs Arkansas at Dallas—A close one—SMU by a touchdown or less.

Paint Puddlers Still \$92 Short

DEFIANCE, OHIO — (AP) — The Defiance Student Council still is \$92 short of being able to pay off its debt to Findlay College—but it doesn't care too much.

It's having so much fun collecting the money to pay for paint removal on the Findlay campus it doesn't want to stop.

The paint was smeared on asserted objects on the Findlay campus by a group of night raiders the night before the Findlay-Defiance football game October 25. Findlay won the game, 13 to 6, then billed the Defiance Student Council for removal of the paint.

Just Another Game, Says Wyoming Coach

DENVER — (AP) — An intersectional contest Saturday will prove whether Wyoming belongs in football's undefeated class.

The Cowboys, who have moved down eight teams in the Mountain Region, but haven't been put to a real test against outside opposition, meet Baylor at Waco. Until last week's 20-0 loss to Texas, Baylor also was unbeaten.

Coach Bowen Wyatt, whose 31-man traveling squad passed through Denver Thursday, wouldn't comment on Wyoming's chances against Baylor. "It's just another ball game," he said.

Baylor, Texas, Rice and Southern Methodist All Picked For Winners' Circle . . .
By PITTS SMITH

This is the first season in many years that the major conference races have reached the second week in November in such doubtful shape. And what's more if they don't stop kicking each other around, pretty soon we'll have trouble holding a respectable average. The record now reads 422 Winners, 107 Losers and 19 ties for 80%.

★ TOP GAMES —
NOTRE DAME crushing North Carolina, CORNELL over Dartmouth and BOSTON U. struggling past Maryland . . . MINNESOTA'S revamped Gophers over Pittsburgh, WISCONSIN over Iowa and OHIO STATE racking up another conference win against Illinois . . . CALIFORNIA on its merry way with Oregon, U.C.L.A. over Washington and SANTA CLARA taking the "Big Little Game" from St. Mary's . . . BAYLOR ending Wyoming's all winning season, TULANE over Vandy and OKLAHOMA tucking away Big Seven laurels by steam-rolling Missouri.

★ WEEKLY ROUNDUP —
Coach JESS NEELY'S Rice Owls sittin' in the king bee seat out TELKINSON . . . Coach BUD WILKINSON and his powerful Oklahoma Sooners could be aheadin' for some more Sugar . . . Coach PEABODY WALKER'S Wake Forest Deacons fouling up everything in the Carolinas . . . Coach GAYNEAL TINSLEY'S L.S.U. Tigers will decide who wins the Southeastern crown.

Wink-Kermit Till Is Feature Of 5-A Card
All eyes in District 5-A Friday are looking to Kermit, where the second-place Yellowjackets play host to the league leading Wink Wildcats in the battle of the year. The district title virtually is riding on the outcome of the game. If Wink wins, the Wildcats will be undisputed champions. If Kermit gains the decision, the first place spot will be split between Kermit and Andrews.
The game is scheduled at 8:15 p.m.
In other games around the circuit, all scheduled Friday night, Crane goes to Monahans for what appears to be a top-notch tilt. Andrews plays host to the McCamey Badgers, Semmler goes to Denver City and Pecos plays in Fort Stockton.
'C' Bulldogs Lose To Steers By 20-2
BIG SPRING — Midland's 'C' Bulldogs, crippled by injuries to key men, dropped a 20 to 2 decision to the Big Spring 'O' Steers here Thursday afternoon.
Midland's only score was on a safety.
Big Spring staged three drives to count its 20 points.
The win by the Steers evened the season's series at one victory for each team. Midland defeated Big Spring 20 to 0 in an earlier meeting.

DADDY RINGTAIL • By Wesley Davis

Daddy Ringtail And Big Mugwump

Big Mugwump is little Mugwump's father. He lived in his monkey house on the other side of the Elephant Path from the side where Daddy Ringtail lives with his family in the top of the very tall tree.

"Big Mugwump," however, is a name that's very hard to say. You can say it yourself, if you want to, and see how it sort of fills up

your mouth, even though you know there's really nothing in your mouth but a name that's hard to say. We won't try to say "Big Mugwump" any more. We'll call him "Bigger." That's the name that some people call him anyway.

Now Bigger was a great big fellow with a terrible temper and very little patience. He didn't like for children to talk. That's why little Mugwump never stayed at home very much. His father just couldn't be bothered with a little boy. Bigger wasn't like Daddy Ringtail, and he wasn't like any other father that we know, I hope.

But one afternoon, Bigger was sitting with Daddy Ringtail out on the porch of the Ringtail monkey house. Everyone was eating cookies that had been left over from a picnic. They were good cookies still, and Bigger was enjoying them and enjoying his talking.

"Bigger," said little Mugwump, "I want—"

"Shh!" said Bigger. "I'm talking!" And Bigger went right on to tell Daddy Ringtail something funny that someone had told him.

"But Bigger!" little Mugwump said. "I want—"

"Shh!" Bigger said again, and he went right on with his own talking. "Let's see what he is trying to tell us," Daddy Ringtail said to Bigger.

"Oh, it's too late now," little Mugwump said. "There was a bug

on Bigger's cookie, but now it's gone. Bigger ate it."

Bigger's stomach turned upside down when he heard this, and he wished he had let the little boy talk. Maybe he will next time, because Mugwump would never talk when his father is talking unless to say that a bug is on a cookie. Happy day!

Death Of Student Ruled Accidental

CLIFTON, TEXAS.-(AP)—A verdict of accidental death was returned in the fatal shooting of Ronald Nelson, 19, Clifton Junior College student and football player.

Nelson was found dead in his trailer home on the college campus Thursday afternoon. A 12 gauge, single barrel shotgun was found near the body.

Justice of the Peace Bill Wright of Meridian, Bosque County, said the death was accidental. He said Nelson had been "working on" the gun.

Nelson's parents live in Fort Worth. As the result of Nelson's death, Clifton Junior College forfeited its scheduled game with Cisco Junior College Saturday.

Is ADVERTISING helping you?

Perhaps You've Never Seen It Put This Simply Before

ADVERTISING has been defined as "salesmanship in print—or on the air waves." The more advertising sells, the more goods are needed to fill that demand.

The more goods needed, the more men and women are needed at the factory that makes those goods—yes, and on the farms and mines and mills that make the raw materials needed to make the product.

In addition, more men and women are needed by the railway and trucking companies that ship the goods, and by the stores that sell it.

Advertising, by selling goods, starts a never-ending chain that leads to more jobs, better jobs, greater personal security.

So when you hear or read advertising—remember, it's helping you by making your job, your home, your income, far more secure!

- 1. Brings you better goods for less money. 2. Makes shopping more pleasant and easier. 3. Has given us the world's highest standard of living.

Other Ways Advertising Helps You:

Steel Strike-- Oil And Gas Log--

(Continued From Page One) eral Motors will shut down, forcing 14,000 off their jobs.

Several General Motors divisions and many auto supply firms have been operating four days a week.

The Ford Motor Company produces a large portion of its own steel and is operating at only slightly reduced schedules.

Coal Pits Open Again And there was a swing toward peace in the coal mines as John L. Lewis' 380,000 United Mine Workers, idle 32 days, returned to their jobs under a three-week strike truce.

Lewis failed to show up in Washington Thursday for a meeting with operators which had been arranged by Federal Mediation Chief Cyrus S. Ching. The UMW chief told Ching he would meet with the operators Monday but Ching said no session was scheduled.

McCamey Lions Hear 'School Week' Play

McCAMEY.—Observing American Education Week, students of the McCamey public schools presented the program at this week's meeting of the McCamey Lions Club.

Mrs. R. E. Ruble's fifth grade students presented a play entitled "The Story of Miss Liberty."

Speakers included Rusty Kedziora, president of the high school student council, and Vena Gayne Thompson, council secretary-treasurer.

North Snyder Field To Get New Project

Castleman & O'Neill and Walter Duncan have staked location on the southeast side of the North Snyder field for their No. 1 John Waits, contracted 7,000-foot operation to test the Canyon lime reef.

Location for No. 1 Waits is 467 feet from north and west lines of the southeast quarter of section 160, block 3, H&G.N. survey. That makes it four miles north of Snyder.

It is to begin operations immediately. Ryan & Burke of San Antonio have completed their No. 2 Mustang in the North Snyder field for a calculated 24-hour potential of 1,370.72 barrels of 42-gravity oil and no water. Gas-oil ratio was 1.04-1.

Flowing natural through a 32/64th inch tubing choke, the well was completed from open hole between the five and one-half inch oil string cemented at 6,860 feet and the total depth at 6,805 feet.

The new well is 660 feet from north and east lines of section 19, block 1, J. P. Smith survey.

Castleman & O'Neill Spot Kelley Venture

Castleman & O'Neill have staked location on the north side of the Kelley field in Central Scurry County for two projects to test the Canyon lime reef. Both will be drilled to 7,500 feet.

No. 1 Luther F. Vaughn will be 457 feet from south and 338.9 feet from west lines of section 249, block 97, H&T.C. survey.

No. 2 Luther F. Vaughn is to be 1,867 feet from south and 338.9 feet from west lines of section 249, block 97, H&T.C. survey.

The drills are about four miles west of Snyder. They are due to begin drilling in the near future.

Crockett Operation Recovers Salt Water

Humble Oil & Refining Company No. 2 Harvick, East-Central Crockett County wildcat, six miles north of Ozona, found the water in the Ellenburger.

That fluid was developed in a drillstem test at 9,163-9,500 feet. The tool was open 60 minutes. Recovery was 1,000 feet of muddy salt water and 4,380 feet of clear salt water. There were no signs of oil or gas.

An electric log survey has been taken. It is possible that operator will run a string of casing into the top zone of the Ellenburger to test slight shows of oil and gas which were developed in that interval on drillstem tests.

Location is 1,980 feet from north and 680 feet from west lines of section 100, block GH GO&SF survey.

Holden To Speak At Odessa Meeting

J. Woodie Holden, minister of the North Side Church of Christ, will speak in a series of services beginning Sunday in the Park View Church of Christ in Odessa.

The meeting will last through November 20.

Holden's sermon topics for the Sunday services in Odessa will be "The Wings of a Dove" for the morning sermon and "If Any Man Is Lost" for the night service. Night services during the meeting will begin at 7:30 p. m.

C. Dale Brooks of Odessa will conduct Sunday services at the Midland church during Holden's absence.

Problem Of Excessive Fatigue Often Is Cured By Relaxation

By EDWIN F. JORDAN, M. D.
Written for NEA Service

Many people complain that they always are tired and just drag themselves around. Most of the time, of course, this is because they have too much to do, fail to get enough sleep, eat improperly or some other easily discovered reason.

The proper balance between work, recreation and sleep has to be worked out. Change of occupation is not often recommended because it usually does not succeed. Many people need to learn how to relax when they have the chance. The adoption of a balanced diet with plenty of vitamins is beneficial where the abnormal fatigue is at least partly due to faulty diet. Some stimulating drugs are dangerous and should not be used unless under the advice of a physician. Might Be Disease.

Some who complain of being fatigued cannot identify the cause so easily. A true disease is sometimes at fault. For example, an anemia often shows up by lack of pep.

THE DOCTOR ANSWERS
By EDWIN F. JORDAN, M. D.
QUESTION: Does one have to have pretty good eyes in order to wear invisible or contact lenses?
ANSWER: The question of the vision does not enter into the choice of contact lenses nearly so much as other things do. Contact lenses involve a good deal of care and trouble.

People who suffer from chronic infections or disturbed bodily functions are also likely to feel tired all the time. Broken arches, overweight, and many similar conditions may produce a state of chronic fatigue.

When a definite physical condition can be found, the proper treatment can be started. Each disease must be attacked by the measures which have been shown to be useful. Those who are abnormally tired should first review and study the kind of life they are leading to make sure that they cannot solve the problem by simple means. If this cannot be done then the advice of a physician is indicated. If some physical cause, such as one of those mentioned, can be found, treatment is likely to be effective.

Sig Engel Proved It Long Ago

By HAL BOYLE

NEW YORK—(AP)—With politics out of the way for another year, let us return to a quaint, old-fashioned subject that enthralled us all.

I refer to love—l'amour, l'amour, l'amour.

The news from this crowded field is pleasant indeed to those dwelling in the shady years of life. For with no government subsidies of any kind, there has been wrought a "Fair Deal" for the middle-aged man in the politics of love. He has turned out to be the Romeo of our times.

No longer do maidens sigh for the young man with an apple in his hand. They turn to the older gent with a hundred acres of land. But he doesn't win them with his real estate. It's his sex appeal. For it isn't life that begins at 40 for the American man. It's love — you know, l'amour, l'amour, l'amour.

No One-Man Deal
The public awoke to this fact with the discovery that 57-year-old Elio Pinza, star of "South Pacific," was affecting the weaker sex in a way no other matinee idol has since Rudolph Valentino. This grandpa still has 'em gasping with his bass-bellied enchanted evening.

And it isn't just a one-man matter. The current issue of Cosmopolitan has found the same thing to be true in the movies: The real romantics—the eight top-drawing men film stars—all are over 40. Among the standouts are Bing Crosby, 45, Gary Cooper and Clark Gable, 48, and Humphrey Bogart, the dean of panda-huggers at 50, one year older than the century he lives in.

But this recognition of the amatory leadership of the time-mellowed male didn't become official—at least not in my mind—until it was confirmed by Dorothy Dix. Says Dorothy Dix:

Well, 'tother day, Mrs. Dix said yes, it was true that men over 40 are most attractive to women. She said girl bobby soxers mightn't agree, but they didn't know any more about men than they did about food.

And Dorothy gave reasons. She said the mature fellow knew more about life, had more to talk about—and understood women better than reckless youths. A bald head and a pot tummy didn't offset the intellectual charm that only years bring, in her opinion.

Dorothy summed it up: "It is because the man of 40 knows women and can play upon them as upon a harp of a thousand strings that makes him more dangerous to women at that age than any other."

Ladies, I'm giving you fair warning. I'm 38, getting bald, and I'm 15 pounds overweight. But in two more years I'll be a swashbuckling fascinating devil looking for his fair share of harp playing.

Battleship ran in the 1930 Flamingo at Hialeah before being converted to a jumper and shipped to England to win the Grand National.

4-A Girl Is 4-H Milkmaid

Shirley Everett: "This is nothing new to me."

NEW YORK—(NEA)—Shirley Everett, a pretty maid with a career in the advertising business, was running for the 5:15 one Friday afternoon.

"I'm going milking, str," she said. Those words no longer startle Miss Everett's business friends. Five days a week she is an account executive for what is known in advertising circles as a 4-A agency. The other two days she's a farmer, a grown-up 4-H girl.

Raising prize cattle has been her hobby since Miss Everett was 10, and she's still at it, from Friday night through Sunday, at her father's farm near Flemington, N. J., where she was born.

She owns four thoroughbred Ayrshires, a bull cat and three heifers, all of which came home with ribbons at a recent county fair, the bull taking first prize.

After riding herd on her advertising account all week, Miss Everett gets up at 5:30 a.m. Saturdays and Sundays.

"I help with the milking of the 35 Ayrshire cows my father owns," she says. "This is nothing new to me. Then I turn my attention to my own herd. I brush them, wash them with soap and water sandpaper their horns, and train them. You have to train them to show."

When she was 10, she entered a heifer her father had given her in a 4-H show. It took the first of 35 ribbons and "lots of championships." Miss Everett has won.

As a business girl, her father now comes under Miss Everett's executive thumb—weekdays, anyway. He has to keep track of her prize cattle while the milkmaid works in the big city.

James Roosevelt Expected To Seek California Office

LOS ANGELES—(AP)—James Roosevelt, aide to the governor, is expected to announce his intentions for the governorship of California next Tuesday.

He scheduled a press conference for the afternoon and a radio broadcast that night. Political insiders figure Roosevelt, after talking tours around the state, now is ready to make his candidacy known. His probable major opponent in the 1950 Democratic primary: George Lusk, Truman campaign manager in this state last year.

MIDLANDER ATTENDS ARIZONA BANKERS MEET

PHOENIX, ARIZ.—Stopping this week at Camelback Inn, Winter resort at Phoenix, Ariz., is Robert E. Stripling, of Midland, Texas, who is attending the 46th annual convention of the Arizona Bankers Association. Stripling, former chief investigator of the House Un-American Activities Committee, is a special guest at the convention. Highlight of the activities staged for the convention was the debut of steak fry held under the stars on nearby Mummy Mountain.

COUNCIL OF CHURCH COLLEGES SETS MEET

ABILENE—Representatives of 27 Texas church schools will meet November 22 and 23 in Abilene for the tenth annual meeting of the Texas Council of Church-Related Colleges. Dr. Robert N. DuBoise, executive secretary of the Commission on Higher Education of the Association of American Colleges, and Dr. Colby D. Hall, professor of religion at Texas Christian University, will be the featured speakers.

ETCC To Propose Texas Hoover Panel

HOUSTON—(AP)—A commission to study streamlining Texas government is to be proposed by Gov. Allan Shivers. Hubert M. Harrison of Longview, general manager of the East Texas Chamber of Commerce, said the plan first will go before the chamber's board of directors Friday. He said streamlining the executive branch of the state government, if carried out, could mean an annual savings up to forty million dollars.

Unzip Of Strikes Would Up Christmas Buying, Mag Says

NEW YORK—If strikes end before December, the odds still favor Christmas sales this year, according to Business Week magazine. The magazine says some of the buying that didn't materialize in October will roll over into November and December, and the end of the strikes should unsp many purchases. "And the prospect of the big veterans' insurance refund should give buying power an extra kick," says the article. "The money isn't payable until early next year. But veterans can borrow against it. Or they can charge their purchases knowing it is coming."
