You Can Tell By The Rubbish

This view of the inside of the county tax assessor's office proves how slow car tag business is in Howard County. The rubbish on the floor is the paper slips which separate the car plates when they are packed. When things really get going, the paper stacks up a foot deep all along the counter. Next week—the last week to buy car licenses before the deadline—it is likely that a different scene will be created.

AF Has Bear By The Tail; For Experimental Reasons

EDWARDS AIR FORCE BASE, Calif. (AP)—An escape capsule popped out of a high-flying B58. A parachute opened and drifted toward the Mojave Desert with ground crews in pursuit. Fortunately, it landed on the base. It might have caused some concern among the civilian population if it had missed—because when crews reached the capsule, out came a bear. It was a 2-year-old, female, 100-pound, American black bear. She works for the Air Force. She rode to earth in the same type capsule previously tested by a man and a chimpanzee. "Medical officers say they can tell more from a bear than they can from a chimp," an Air Force spokesman explained after the test Thursday. "It has something to do with a similarity between spinal structure and internal organs." The bear rode in what is called a clamshell capsule. She was unstrapped and taken to an Edwards laboratory to see how she fared on the trip. She seemed unharmed by the experience, which lasted 7

Visit To FBI Not Necessary

SAN ANTONIO (AP) — Joe Hearn Jr., 33, was on his way to visit an FBI agent Thursday when two other agents saved him the trouble. They put him in jail. Hearn, public relations director here for the Law Enforcement Officers Association of Texas, was charged with unlawful flight to avoid prosecution. E. C. Williams, agent in charge and the man Hearn was going to visit, said Hearn was wanted on charges of soliciting for prostitution in San Diego, Calif. Constable Dean Jones was directed to hear of Hearn's difficulties. Jones had made him an honorary deputy recently. Hearn waived extradition, U.S. Commissioner John Banks set bond at \$5,000.

'Don't You Dare'

Pilot Frank G. Penny, 35, of Los Angeles, was a stern finger at newsmen admiring them for taking pictures as he walks away from his plane which overturned while landing at a Torrance, Calif., airport. Penny and his wife, Susan, 22, suffered minor injuries. Firemen had to remove them from the plane.

French Air, Ground Units Lash Secret Army Bastion

Rusk Claims Double Cross On Atom Pact

GENEVA (AP) — Secretary of State Dean Rusk accused the Soviet Union today of blocking a nuclear test ban treaty while presumably planning a new series of atomic weapon explosions. Soviet Foreign Minister Andrei A. Gromyko sharply denied the charge and blamed the United States for the failure to reach agreement on a test ban. The clash came in the 17-nation disarmament conference when the United States, Britain and the Soviet Union reported collapse of their efforts to start new negotiations on a test ban treaty. **BLAMES U.S.** Gromyko said the United States is to blame for the failure because it has scheduled a new series of atmospheric nuclear tests and does not want a test prohibition. Rusk said President Kennedy had emphasized the United States would stop all tests if the Soviet Union would sign a treaty with effective controls against cheating. Kennedy has ordered the tests to start in late April unless such a treaty is signed. British Foreign Secretary Lord Home said the Western powers are prepared to work out a control system on the most objective scientific basis possible. Home promised minimum controls to Gromyko earlier in the week but Gromyko rejected any kind of international controls which would put foreign observers inside the Soviet Union. **SPY SYSTEM** Gromyko renewed the Soviet charge that the West wants to set up an espionage system. He brushed aside Rusk's charge of new Soviet test plans by saying it was a pretext to cover known American test plans. Rusk said the Russians took to four years ago had approved scientific plans for international inspection to police a test ban. The ban is no less urgent now than it was in 1958, he said. He declared the Soviet spy charge had no rational basis because the proposed inspection system could not be used that way. Rusk spoke from a prepared text. Gromyko replied extemporaneously. An informant said he accused the United States of an aggressive act in deciding to resume testing in the atmosphere. He denied the Soviet Union had broken a moratorium when it started its series of about 30 tests last September. There was no moratorium in existence then, Gromyko said.

Prayer For Prophet

Members of the Kenneth L. Beene family stage an impromptu prayer meeting on the Erie, Kan., courthouse steps, asking God to prevent the state from taking custody of the two youngest members. The demonstration started after Verla Sue Beene, 13, and her sister, Letha Faye, 4, were committed to a state home so they could attend school. Beene, who says God will destroy Erie, is in jail for taking them out of school. From left, foreground: Phyllis, 17; Patricia and Judy, 19. Background: Mrs. Lela Rehmer, 65, grandmother; Mrs. Kenneth Beene, 46, and son Gary, 28.

Peronists Call Out Workers On Strike

BUENOS AIRES (AP)—Peronists pitted their working masses against President Arturo Frondizi today with a 24-hour protest strike. In this capital at midday there were signs the followers of ousted dictator Juan D. Peron had fanned out. But in the hard-core Peronist industrial areas outside they showed strength. Buses, trains and other forms of transportation buzzed as usual in and around the capital. Residents got their morning milk and newspaper deliveries on time. Store clerks showed up for work and downtown business functioned. From Rosario, usually a Peronist stronghold, official reports said the strike there was only partial. But nothing had been heard from restless Cordoba, the vast interior industrial complex with U.S. auto factories. Officials had said they expected the walk-out to be effective there. Peronist strength, on the basis of these fragmentary reports, seemed centered in the industrial towns around Buenos Aires. Peron had built his power there before his ouster in 1955. There still were signs of tension in official quarters, and fears that strike violence may set off a military coup that would depose Frondizi. But there was no word of any troubles. Hector Gomez Machado, Frondizi's majority leader in congress, said the events of the day were "a process of psychological warfare to alter the tranquility of the country." It was the president's 33th crisis. The three armed service secretaries huddled with top military commanders at Government House in an early morning meeting at first described as decisive. The 90-minute conference broke up at 3:30 a.m. with no announcement. Word leaked out that irate navy leaders once again pressed their demands that Frondizi resign. Army and air force chiefs, who had stood for retaining Frondizi, were reported wavering under the navy officers' insistence that he be ousted. The military tossed Peron out in 1955 and is violently opposed to his return. It stopped short of taking over the government earlier this week when Frondizi agreed to form a new anti-Peron coalition government with a half-military, half-civilian cabinet and to once again ban Peronist political activity. Frondizi rushed from a glittering banquet for Britain's visiting Prince Philip to his private residence for an early morning conference with the president of the lower house of Congress, Fernandez de Monjardin. There was no report from the conference. A Frondizi spokesman predicted the president would have the new cabinet formed by Sunday. But the nation's major anti-Peron

Castro Given K-Type Title

KEY WEST, Fla. (AP)—Prime Minister Fidel Castro has been named first secretary of Cuba's powerful Integral, Revolutionary Organizations (ORI), Havana radio reported today. His brother, Armed Forces Minister Raul Castro, was picked as second secretary. The action apparently is another step toward converting ORI into the United Socialist party, expected to be patterned after the Soviet Communist party. A 25-member ORI directorate was announced March 9, but no titles were listed then although Castro's name was placed first. The title is similar to the title held by Premier Khrushchev of the Soviet Union—that of secretary-general of the Communist party. Named to the national secretariat were President Osvaldo Dorticos, Blas Roca and Emilio Aragones. Dorticos was given the job of heading ORI's organizing commission. Roca, a top Cuban Communist, was appointed director of the Red newspaper Hoy. Aragones, who heads Castro's militia, was named as a member of the organizing committee. There has been no announcement when the United Socialist party itself will come into being. Membership will be restricted to the cream of Cuba's revolutionaries, Castro has said.

Tohoka Phone Co-Op Gets Loan

WASHINGTON (AP)—The Rural Electrification Administration made a \$660,000 loan today to the Poka-Lambro Rural Telephone Cooperative of Tohoka, Tex., for expansion. The agency also loaned \$164,000 to the Four States Telephone Co. of Brownwood, Tex., and \$392,000 loan to the Colorado Valley Telephone Cooperative of LaGrange, Tex.

Members of the Kenneth L. Beene family stage an impromptu prayer meeting on the Erie, Kan., courthouse steps, asking God to prevent the state from taking custody of the two youngest members. The demonstration started after Verla Sue Beene, 13, and her sister, Letha Faye, 4, were committed to a state home so they could attend school. Beene, who says God will destroy Erie, is in jail for taking them out of school. From left, foreground: Phyllis, 17; Patricia and Judy, 19. Background: Mrs. Lela Rehmer, 65, grandmother; Mrs. Kenneth Beene, 46, and son Gary, 28.

Nuclear Ship On Trial Run

YORKTOWN, Va. (AP)—The nuclear ship Savannah pulled away from her dock here today, under nuclear power for the first time. The Savannah, the world's first nuclear cargo-passenger ship, will spend two days at sea off the Virginia Capes during which her reactor will be brought to about 60 per cent of power. She will return to her berth at the Coast Guard reserve training station here at noon Sunday. The present schedule calls for a five-day sea trial in April, during which her reactor will be brought to full power. The reactor is designed to produce 69 thermal megawatts at full power, which is expected to deliver about 20,000 shaft horsepower to the propellers.

Drama In The Mental Ward Was This Reunion Fantasy?

LOS ANGELES (AP) — Scene: The psychiatric ward of County General Hospital. The woman counselor's patient, a white male, 43, was depressed. Recently released from a mental institution, he had just been picked up again while trying to hitchhike a ride—from a police car. In the course of the interview the counselor determined that Mr. X was married but hadn't seen his wife since 1954 or 1955. "She's back east somewhere," he said. Mr. X, a nonviolent type, was led off to be fed and tucked away for the night. The following morning he greeted his counselor in much brighter spirits. "I saw my wife last night," he confided. "Where?" "Downstairs," said Mr. X.

Make Debt Plea

ALBUQUERQUE (AP)—A firm which operates stores in Texas, New Mexico and California filed a petition in U.S. District Court Thursday asking a debt-paying arrangement under the bankruptcy act. Hubbard, Inc., said in the petition it is not insolvent. Hubbard operates Hubbard-Hinkle at Abilene, Tex.

Algiers Suburb Is Battle Scene

ALGIERS (AP) — French military planes strafed the defiant worker suburb of Bab El Oued today and authorities reported heavy street fighting continues in the area. Four U.S.-made T6 training planes sprayed machinegun bullets into large apartment buildings from which men with Secret Army armbands fired bullets and tossed grenades on French ground troops below them. At 5 p.m. (11 a.m. EST), officials reported at least 10 soldiers killed and 30 wounded in the street fighting. A French headquarters spokesman said heavy fighting continues in the suburb where 50,000 European workers make their homes. The entire area is encircled by troops and entrances and exits have been barred by barbed wire. **BAD SITUATION** Civilian authorities described the developing situation in Bab El Oued as extremely alarming. They said they feared the spread of generalized fighting into other European sections of Algiers in response to the Secret Army's call to oppose Algerian independence. Armored cars and halftracks were in position around Bab El Oued. Fighting flared up this morning with attacks by European gunmen on three French army patrols. By midafternoon gunfire had spread to all streets ringing Bab El Oued. Europeans took to windows and roofs to pour fire on troop patrols. Many of them wore French army uniforms with black armbands bearing the French initials of the secret army. **STOLEN WEAPONS** Their weapons included heavy mortars, machineguns, bazookas and recoilless rifles stolen from French military depots. The appearance of planes was a clear indication of a stiffening attitude by troops and riot forces against Secret Army followers who are determined to keep Algeria French. Secret army units had attacked French troops earlier and at least eight soldiers were reported killed and a score wounded. As the day wore on, residents of Bab El Oued stood on balconies and threw grenades at the French troops. The French army brought up two armored cars and fired at the balconies. A company of riot police from Paris—210 men—boarded two special planes and headed for Algeria. **YOUNG DRAFTEES** The attackers fired on steel-helmeted infantrymen—most of them young draftees from France—as they deployed through the turbulent European worker district of Bab El Oued. The attackers suffered some casualties as Frenchman shot at Frenchman but the number was not determined. Troops backed by armored cars sealed off Bab El Oued, setting up barbed wire barriers at entrances to the area, which houses about 50,000 Europeans, mainly of Spanish and Italian origin. European residents hurled plastic bags of motor oil into the streets to impede vehicles. Troops poured ashes on the streets to counteract the oil. By noon, military authorities reported at least three attacks against the troops. In one case, a secret army commando unit surrounded a patrol of young draftees and seized their weapons. Not a shot was fired. The streets of Bab El Oued were practically deserted and all shops were closed. But from balconies

Mercy Asked For Eichmann In Israeli Court

JERUSALEM (AP) — Adolf Eichmann's lawyer appealed to the Israeli supreme court today for mercy for the condemned former Nazi official and claimed Eichmann was entangled against his will in Hitler's plot against the Jews. Dr. Robert Servatius, Eichmann's West German defense counsel, completed his initial argument appealing against the death sentence given Eichmann for complicity in the Nazi slaughter of six million Jews. Israeli Atty. Gen. Gideon Hausner immediately began his statement opposing the appeal. Eichmann sat stolidly in the glass-enclosed prisoner's dock as Servatius wound up. The defense will have a chance to present further arguments after Hausner finishes speaking. The attorney general launched his opposition to the appeal with the statement: "Adolf Eichmann has said in this court that he never doubted his moral guilt. He has tried to find a rescue in a difference between moral and legal guilt. But he is guilty according to our law." Hausner contended that Eichmann acted zealously in pursuing Jews in Nazi-occupied Europe and dispatching them to gas chambers. Chief Justice Izhak Olshan adjourned the court at this point until Monday morning. At that time Hausner is expected to deal with the defense contention that Eichmann's trial was illegal because he was kidnapped and brought to Israel. The court will rule on Servatius' motions after Hausner completes his arguments. It is unlikely they will summon new witnesses unless the court is convinced they have something new to reveal. The court probably will sit through most of the coming week and then retire—for a month or more—to write its verdict on the appeal.

Poll Tax Vote Seen Next Week

WASHINGTON (AP)—Sen. Mike Mansfield of Montana, the Senate Democratic leader, said today he expects the first key vote Monday or Tuesday in the marathon fight over a proposal to outlaw the poll tax as a voting requirement in federal elections. How long the fight will continue after that is anyone's guess. Mansfield made his prediction to reporters as the poll tax debate entered its eighth day.

Don't You Dare

"How did she know you were here?" asked the counselor. "She didn't." "Well, then, how did you meet her?" "At the dance," said Mr. X. "We danced together." "Oh," said the counselor. Fantasy is no stranger in the psychiatric ward. Some hours later the counselor observed a woman patient being moved from the ward to a state hospital. The woman was crying. "I want to say goodbye to my husband," she sobbed. "I saw him last night for the first time in seven years. We were dancing together." But no one heeded her tears. After she had gone, a nagging question remained in the woman counselor's mind. She went to the records. The shabby woman really was Mr. X's wife. She had been picked up walking alone on a side street late at night, acting strangely. By this time it was too late to question Mr. X further. He, too, had been sent away to a state hospital—a different one—for further treatment. But the records showed there had been a dance for non-violent patients the night before. And Mr. and Mrs. X were eligible to attend if they wished. Did they? Did they dance together? No one knows, for sure. The woman counselor is asking herself, "Where does fantasy end and reality begin?" The answer, if there is one, lies in a nebulous future—a future that also holds the secret of whether Mr. X and Mrs. X will ever meet again.

News Correspondents Losing Battle For News In S. Viet Nam

By MALCOLM W. BROWNE
Associated Press News Analyst

SAIGON, Viet Nam (AP)—One of the battles being fought in Viet Nam involves the problem of finding out what is going on, and reporting it to the people of the United States.

Many correspondents here feel they are losing.

One put it this way: "The Vietnamese government is against us, they figure we're all spies or Communist propagandists. The U.S. side won't tell us much beyond the broad outlines of policy, and we can't even be sure of that. After prying for weeks to get a story from uncooperative sources, we may end up being blocked by the censors."

Nam and the Soviet Union are watching closely from the wings. Internally, both the government and the Communist Viet Cong have stepped up operations.

Viet Nam's seeming inhospitality to the Western press stems from frequent press criticism of President Ngo Dinh Diem's administration. In a speech this month the nation's powerful first lady, Mrs. Ngo Dinh Nhu, condemned certain elements in the West who she said seem more interested in undermining the Diem administration than in winning the war.

Compounding the problem, there is factional strife on both Vietnamese and U.S. sides between government agencies sharing responsibility for dealing with the foreign press.

Recently the speed and accuracy of official reporting have improved, but correspondents still must rely on private military sources for the bulk of their news. Sources of any type are extremely difficult to reach at night or on weekends.

Correspondents have trouble when they write stories the government regards as overcritical or as possible propaganda material for the Communists. Cables may be delayed or stopped. The writers are likely to be called before the director general of information for official reprimands. Official cooperation may be cut off from them. In extreme cases, they may be ordered out of the country.

CRADLE OF WAR

Underlying the efforts of correspondents is the belief, among some at least, that Viet Nam could become the cradle of a more widespread war.

The United States has sent nearly 5,000 servicemen to the country, along with major transfusions of equipment for the Vietnamese forces.

Communist China, North Viet

ATTACKED U.S.

Mrs. Nhu told this correspondent her attack had been directed at the U.S. press.

"You all act as if you were just spectators here," she said. "Do you realize you are with us and we need your support?"

The president rarely receives any of the permanent correspondents here.

The U.S. government is anxious to avoid alienating the Vietnamese government, and its official press sources coordinate closely with official Vietnamese sources. For various reasons, the United States also is seeking to avoid press em-

HARD TO FIND

The war here is where you find it, and unless a correspondent accompanies a military unit or runs into a Viet Cong ambush, he is not likely to find it at all. Getting permission from officials in Saigon to accompany military operations in the countryside is sometimes difficult.

As a rule Vietnamese sources regard as taboo questions of relations about political arrests or related police activity. Stories based on reports from nongovernment sources in these categories are likely to be stopped or delayed by the censors.

U.S. officials are reluctant to show newsmen military operations in which American servicemen are performing combat roles. Bien Hoa Airport, center of U.S. and Vietnamese military air activity, is off limits to the public and to correspondents.

Travel in Viet Nam is primitive

Viet Nam Rangers To Plug Red Gap

WASHINGTON (AP)—Ten companies of American-trained South Vietnamese rangers are being sent to patrol the heavily jungled Laotian border to cut down the flow of Communist guerrillas from North Viet Nam.

This is the first major effort to plug the 150-mile border, which has been a main avenue of penetration for the Communist Viet Cong, who move into South Viet Nam across Laotian country controlled by the pro-Communist Pathet Lao.

American military advisers of

ten operate in the bush with the South Vietnamese rangers and presumably some of them will be with the 16 companies being detailed to border patrol work.

South Vietnamese ranger companies number about 120 men each. U.S. experts said each company could patrol as much as 25 miles of territory.

Increased patrol activity also was reported along the border with professedly neutral Cambodia, to the south of Laos.

The South Vietnamese and some U.S. officers have contended the

Viet Cong guerrillas have used Cambodia as a haven, although Cambodian officials have denied this.

This information became available in the wake of Secretary of Defense Robert S. McNamara's latest trip to Honolulu for a briefing on the progress of the U.S.-supported South Vietnamese war.

Officials buoyed by reports of significant progress with U.S. aid since December feel there is no need for U.S. combat troops in South Viet Nam where the United States has nearly 5,000 military men advising and training the pro-Western forces.

They said President Ngo Dinh Diem does not want U.S. combat forces in South Viet Nam. Diem believes the presence of such American units would reflect on his own country and to prosecute the war against the Reds, these sources said.

Officials said there has been no indication of any Chinese Communist involvement in South Viet Nam. Reports from the battle areas have indicated that many of the Viet Cong still are getting away even though South Vietnamese troops are able to attack more quickly with the use of U.S. helicopters.

American officials said this helicopter-borne operation is relatively new and that, with experience, its effectiveness would improve.

In another phase of the South Vietnamese offensive, low-flying aircraft were understood to be raining napalm—burning jelly gasoline or oil—on Communist guerrillas on a limited scale.

DEAR ABBY

Don't Push Him, Mother!

DEAR ABBY: How can I get our son to date a certain girl whom he has never met and says he doesn't care to? Our son is 22 and his social life is limited to a "bunch of guys" and a few girls of so little consequence that he's never mentioned their names or brought them home for us to meet. The girl we have in mind for him is well-bred, charming, has a wonderful personality, and would be just right for our son. I have been after him for over a year to call her, but he says he isn't interested. How can I get him interested?

aged man. The only thing I don't like about him is the way he brags about what a big success he has been with the women all his life. I've told him I don't care to hear stories like that, but he always gets back to it. It is his favorite topic. Do you think this is a serious fault or should I just overlook it?

LEONA

DEAR LEONA: Overlook it if you love him, but remember—when a man overdoes a product, prepare for a big disappointment.

YOUNG MAN'S MOTHER

DEAR MOTHER: If you want to kill the possibility of any romance between your son and the girl you have in mind, just keep pestering him to call her. Why not arrange an "accidental" meeting between the two and let him "discover" her himself?

CONFIDENTIAL TO "PAID MY DEBT": Sorry, but you had better learn to live with your record. This should be a lesson to anyone who is tempted to break the law. After you've served your time, if any trouble breaks out within a thousand miles of you, the guy with the "record" is the first one to be rounded up and questioned.

Stop worrying. Let Abby help you with that problem. For a personal reply enclose a stamped, self-addressed envelope.

For Abby's booklet "How To Have A Lovely Wedding," send 35 cents to Abby, Box 2365, Beverly Hills, Calif.

DEAR ABBY: I have refused to accompany my husband to the home of his parents or any of his relatives because, every time I do, I come home with a splitting headache. They are nice people and I have nothing against them, but they all want to talk at once. Nobody gets to finish a sentence. When one starts talking, somebody butts in, and then somebody else butts in on them, and before you know it, five or six people are all hollering at once. I have given up trying to get a word in edgewise. My husband is mad at me. Am I unreasonable for refusing to put up with this?

DON'T HOLLER

DEAR DON'T: I don't blame you. Stay home. Keep up a friendly relationship with his relatives by having them come to your home. One at a time.

DEAR ABBY: I am engaged to marry a very handsome, middle-

AN OBLIGATION

If you think the religion you hold is right; that it gives you the hope of heaven; then it is your obligation to show why this is so.

"But sanctify the Lord God in your hearts; and be ready always to give an answer to every man that asketh you a reason of the hope that is in you, with meekness and fear" (1 Pet. 3:15).

Also, the answer you give must be the Bible answer. "If any man speak, let him speak as the oracle of God" (1 Pet. 4:11). One must speak where the Bible

speaks, and be silent where the Bible is silent.

Is your religion 'right'? If so, why so?

Because it is every man's duty, we stand ready to meet with any opponent and defend with the Bible the organization, teaching, worship and practice to which we hold.

Hear Clay Minnis from Midland, Tex., guest speaker Sunday, 10:30 a.m. and 7 p.m.

You are strictly welcome at the Church of Christ, 200 West Broadway, S. E. 2. Further, speaker on Australian preaching mission "6 May 23, Box 1281—adv.

Forty Acres And A Mule

MONROVIA, Liberia (AP)—President William V. S. Tubman reports the government has been asked by the National Baptist Convention of America, Inc., to grant 100,000 acres of land on which young American Negroes could settle.

Dr. John Taylor, vice president of the convention and president of the New England Baptist Training Union of America, is now in Monrovia conducting negotiations with the Liberian government.

Leach To Attend District Meeting

Joe Leach, physical director of the local YMCA, will be in Midland Sunday to attend a planning session for a district meeting of Y secretaries in the West Texas Area.

Leach, who is president of the District, will meet with Bill Maupin, Midland, and Phil Branden, Abilene, to set up the meeting.

Secretaries from 16 associations will take part in the district meeting. The area covered extends from San Angelo to Dumas and Abilene to El Paso.

John Borick, New York, with the national Y staff, will be a guest at the district meeting, Leach said.

Texas Skies Mostly Clear

By The Associated Press

Skies cleared over all but a point or two in Texas Friday in the wake of a dry cool front from the Pacific.

There was a little ground fog on the coast around Corpus Christi and Palacios before the sun rose to burn it away. Early morning temperatures were mostly in the low 40s to upper 50s.

The Weather Bureau looked for a few thundershowers to develop in Northwest Texas during the afternoon. They were expected to spread into North Central Texas in the evening, and to East Texas and along the coast Saturday.

Extreme Southwest Texas was promised blowing dust. Forecasts called for the mercury to dip near freezing in the Panhandle overnight and readings in the 40s to 50s elsewhere.

Before dawn Friday the temperatures ranged from 38 degrees at Amarillo and Junction up to 42 at Brownsville.

Youths Blamed In Blinding Act

FORT WORTH (AP)—Police blamed two teen-agers Thursday night for a pellet gun shooting which blinded a railroad brakeman in one eye.

They held a 15-year-old without immediate charge. The other boy, 13, won't be taken into custody until he recovers from the mumps.

The pellet struck brakeman Tommy Presley 21, in the right eye March 11. He was riding in the caboose as a freight train passed through Fort Worth.

Auto Market Bright, Says Ford Official

DALLAS — A Ford Motor Company executive, visiting dealers here described the auto market as "big, bouncy, and promising."

Lee A. Iacocca, company vice president and Ford Division general manager, said that "in the first 10 selling days of March, Ford Division sales were up almost 17 per cent over the same period last year and daily sales rates indicate that this could be the second best March in division history."

Iacocca reported enthusiastic dealer acceptance of Ford's four new "1962" models to be presented April 6. He described them as "sporty, bucket-seat jobs designed for people who want excitement in their automobiles."

Iacocca said that Ford and its dealers are "having a good year, and one that we expect to get even better. Through March 18, our car sales are already 15 per cent ahead of 1961, and we have a lot of things working for us."

Soviet Fallout Due To Settle Out Soon

WASHINGTON (AP) — The bulk of the fallout from last fall's Soviet nuclear test series should begin to come down from the stratosphere any time now. But the Public Health Service says it's highly unlikely there will be any need to take protective measures to reduce human intake of radioactive strontium 90, the fallout material of greatest potential concern from the health standpoint.

INTO BONES
Strontium 90 is chemically akin to calcium and concentrates in the bones, where it is capable of causing bone cancer or leukemia. The radioactive material can be on vegetables or grains eaten directly by man or can pass along indirectly through grass eaten by cows, then into the milk or meat. While the settling of the fallout is expected to last for several months—reaching its maximum in the rains of late April or early May—the bulk of the debris in the stratosphere may come down in two steps, part this spring and the rest in the spring of 1963.

TWO STAGES
While virtually all the stratospheric debris from the 1958 Soviet series came down the following spring, Weather Bureau experts say it's possible that last fall's crop will come down in two stages for this reason: At least two of the Soviet test devices in the last series—including one estimated at 55-60 megatons—were so powerful that much of their debris shot very high into the stratosphere. Thus, it would be slower coming down as compared with debris deposited lower in the stratosphere.

NO EVIDENCE
Officials of the health service's division of radiological health said that as yet, there is no discernible evidence that the fallout is beginning to come down, although they expect it to begin soon. Declaring that the first gauge would be the appearance of any increased levels—however small—of radioactive strontium 90 in milk. They said it would take about a week from the time of initial fallout to get a rough estimate. And, it would take six weeks to get a real precise analysis of strontium 90 and other components of fallout in a given milk sample. They pointed out that monitoring the air for so-called gross beta activity—the relatively rough

Allied Military Missions Run Into E. German Lead

BERLIN (AP)—For many years East Germany's Communist regime has complained about the activity on its territory of Western military missions. Now the Reds are shooting at them. The United States, Britain and France each have a mission attached to the Soviet military headquarters in Potsdam, outside East Berlin. Their khaki-colored staff cars, bearing large identification plates in Russian, flash about territory normally off limits to Westerners.

"ESPIONAGE"
The East German regime has hurled accusations of espionage at the military missions. Red boss Walter Ulbricht appeared at a news conference in 1960 loaded down with maps and photographs he claimed were aggressive war plans captured from American and British liaison officers. He demanded that they be thrown out of East Germany. The Soviets did not follow through. They also have three missions in West Germany, attached to the U.S., British and French military headquarters there.

Dogs Killed By Poisoning

A dog poisoner, using strychnine, is operating in the area south and west of town in the Newhaven district, D. R. Burbee, deputy sheriff, said Thursday. He reported two dogs, owned by Larry Osborn who lives in the area, had died Thursday morning of what veterinarians said was strychnine poisoning. The dogs, he said, were normally confined to their owner's yard. They got out briefly Thursday morning. Soon after they returned to their owner's house, they became violently ill and died.

Ruling Appealed

AUSTIN (AP)—A state comptroller's ruling on application of the sales tax was appealed Thursday by an Austin firm acting for 4,000 laundries and dry cleaners. The suit seeks exemption from a tax on their purchases of natural gas and electricity because the Legislature said it did not cover industrial operations.

happened about half a mile outside Berlin. The British protested vigorously. Thursday night the British commander in chief, Gen. Sir James Cassels, summoned the chief Soviet liaison officer at his headquarters to ask why his protest had not been answered.

CAR STOPPED
On Tuesday an East German police patrol stopped an American staff car in Gotha, a town about 150 miles southwest of Berlin near the iron curtain border with West Germany. The car was carrying an American major on an official mission.

TOLEATED
It's a system that has been tolerated by the Soviets and the three Western powers for 17 years. Apparently both sides valued it so much they were reluctant to end it.

Now the East Germans are shooting at the Western staff cars. On March 10 border guards fired a British military automobile with submachine-gun bullets, seriously wounding the driver. This

happened about half a mile outside Berlin. The British protested vigorously. Thursday night the British commander in chief, Gen. Sir James Cassels, summoned the chief Soviet liaison officer at his headquarters to ask why his protest had not been answered.

When some time passed without a Soviet officer appearing, the American car drove off. The East Germans opened fire with a sub-machine gun. Three shots pierced the trunk of the car. Others burst a tire. Neither the major nor his driver were hit, and both got safely back to Potsdam. The State Department said U.S.

military authorities in Germany made a strong protest to Soviet military officials. Informants in Berlin said Secretary of State Dean Rusk may take up the incident with Soviet Foreign Minister Andrei A. Gromyko in Geneva.

WHO GAVE ORDER?
What is behind the trigger-happy behavior of the East Germans? There is a faint possibility that one shooting could have been unpremeditated—the action of overzealous guards on a sensitive border.

But a second shooting two weeks later, before the dust of the first dangerous incident had settled, cannot be explained so easily.

If the shootings are deliberate, who has given the order to fire? Are the Soviets using their East German satellites as hired guns to set up alarming incidents during the Geneva talks?

Or is the East German regime, still regarded as fiercely Stalinist, trying to get the Soviets over a barrel to forestall any concessions to the West at the Geneva conference table?

Toastmaster Clubs Stage Area Contest Saturday

Top ranking speakers from Toastmasters Clubs in Abilene, San Angelo and Big Spring will meet here Saturday evening to determine a representative for higher competition. The contest will be held at Cosden Country Club following a social hour and dinner. The social hour begins about 6 p.m. with the contest to start at 7:30 p.m. Registration for the event will be at 9 a.m. Saturday in the Academic Building at Webb AFB. An afternoon business meeting is scheduled there as a general session and to elect a local area governor. Mayor Lee O. Rogers will be special guest speaker to welcome the contestants, according to W. T. Schlicht. Participants in the contest have won similar events on the club level. The winner of this contest will go on to district competition. Winners will be selected on a point system with the person scoring highest to be the winner. The person in second place will be an alternate should the first place winner not be able to be present at the District meet. Hollis Russell, Webb AFB, will be chief judge. He will be assisted by eight persons selected from those attending the contest. Local participants will be Roy Thurston, representing the Downtown Toastmasters; and George Schweikert and Henry Manning, from Webb AFB. Others are Jack Johnson, San Angelo; James Vandergrift, Dyess AFB; Charles Giles, San Angelo; and Jim Wilks, Abilene.

DIFFERENT?

What's different about Rambler's rustproofing? It goes all the way up to the roof. Only Rambler has Deep-Dip rustproofing—entire body immersed in primer paint right up to roof—plus 8 other body rustproofing steps.

What's different about Rambler's brakes? They stop when other brakes can't. Double-Safety Brake System has tandem master cylinders. If front brakes fail, rear brakes still work and vice versa. Self-adjusting brakes standard, too.

What's different about Rambler's headroom? It's greater than any other American car's. Rambler Classic 6 and Ambassador V-8 beat all other makes in front-seat headroom (even Cadillac)—can seat six 6-footers easily.

What's different about Rambler's muffler and tailpipe? They won't rust out. Ceramic-Armored muffler, tailpipe guaranteed against defect as long as you own your new Rambler. If either rusts out, collision damage excepted, a Rambler dealer makes free replacement.

What's different about Rambler's prices? They're America's lowest. Only Rambler brings you America's lowest suggested retail prices for convertible, 2-door and 4-door sedans and wagons—all quality-built with Rambler excellence.

Here's why you'll profit planting cotton seed treated with Du Pont CERESAN LIQUIDS

1. When you plant seed treated with "Ceresan", it helps to assure maximum cotton stands and plant-growth vigor by protecting against seed rot. "Ceresan" also reduces soil-borne and seed-borne anthracnose boll rot and angular leaf spot.

2. Pick upwards of 328 extra pounds of cotton per acre at a cost for treating with "Ceresan" of only 20 cents an acre. This is an average return of \$603 on every 10 acres you grow. You'll get crop insurance plus bonus yields for extra profits when you treat with Du Pont "Ceresan".

3. "Ceresan" colors seed red. One look tells you the seed has been treated. And you'll like the way seed treated with "Ceresan" stores: stays clean and viable . . . longer.

Seed treatment with Du Pont "Ceresan" liquid seed disinfectants has proven itself in all the major cotton growing centers. Don't wait for the busy season. Take your seed to your local treater now—and get in on the big bonus profits.

On all chemicals follow labeling instructions and warnings carefully

Latimer Speaks To Kiwanians

There are only six states in the union which spend less for state government than Texas, Truett Latimer, member of the state legislature and a candidate for state senator from this district, told the Kiwanis Club Thursday, Texas, he said, ranks 44th in state government cost.

Latimer spoke on what is done with the tax dollar and reviewed the highlights of the special legislative session of last January.

He said that several of the items which were before the special session and were not approved are certain to be revived for further consideration in the regular session in January 1963.

Latimer was presented by Soc Walker, program chairman of the club.

Two new members were inducted into the club — Lt. Ewing Weirich, judge advocate at Webb AFB, and Johnathan Webb, car salesman. They were formally inducted into the club by Jack Alexander.

Announcement was made that records indicate the club will net a profit of \$710.32 on its recent pancake supper. Gross receipts were reported by Sherman Smith as \$1,365.20.

The club will serve the barbecue for the opening night of the annual Howard County Rodeo, it has been decided. The date is May 30 and Bill Johnson is general chairman for arrangements.

Edwin A. Walker, continuing to

McMurry Band To Present Service Here

The McMurry Band will present a "Worship Through Music" service Sunday, April 1, at 5 p.m. in the First Methodist Church here.

The McMurry musicians will be in Big Spring while on their annual spring tour April 1-5.

Numbers that will be presented include a prelude, "Sun of My Soul" by Ritter, "The Bells of St. Mary's" by Adams, selections by a handbell choir, "The Battle Hymn of the Republic" and selected hymns that will be performed by the congregation and the band.

Special numbers will be "The Beautiful Garden of Prayer" with special accompaniment by Jerry Dean from Robert Lee on the trombone and Bill Spencer from Cross Plains on the cornet.

Wanda Ryan of Ralls will sing "The Lord's Prayer" and Betsy West from Merkel will present a hymn medley on the vibraphone. A mixed quartet composed of Don Weathers from Robert Lee, Audrey Ochs from Dumas, Cynthia Hale from Clarksville and Jerry Dean will sing "Enough to Know."

John Bailey from Carlisbad, N. M. will present "The Bells of Capistrano" on cathedral chimes. Tom Laney from Amarillo will present "The Holy City."

Dr. Raymond T. Bynum, member of Who's Who in the Southwest and also a member of the American Bandmaster Association, has been band director of the McMurry band for 15 years and is known throughout the Southwest for his ability as a director.

While on tour, the band also will present concerts in Coahoma, Snyder, Lamesa, Seagraves, Plains, and Brownfield.

Band Boosters are continuing to concentrate on their magazine subscription campaign to boost their World's Fair fund.

The effort will continue all this week and through next week. So far, a net of \$228 has been reported in, but this is an incomplete figure. Renewals as well as new sales count on the effort.

On April 1, band members are to return to their car washing ways with a big wash set tentatively for the George Oldham El Paso station on South Gregg.

So far, band members have pushed the total in the fund to \$3,200, which is nearing the three-quarter mark.

GOP Hopes To Gain By Redistricting

WASHINGTON (AP) — Now that the task of congressional redistricting due to population shifts is about over, major party election experts see the possible results this way:

Republicans figure they will wind up with a net gain of about eight House seats as a result of the reapportionment, although they believe some of the new contests, such as in Hawaii and Michigan, may be close.

Democrats say the GOP claims are too optimistic, and figure to come out of the reshuffling with a net loss of not more than four seats.

The main difference between the estimates lies in the GOP claim of a gain of one seat each in Arizona, Hawaii, Michigan and Ohio. Democrats put these new seats in the doubtful column and say they should have an edge in Michigan.

Also, there is some conflict in the two-party claims respecting California, New York and Pennsylvania.

In all, 16 states lose 21 House memberships and nine states gain 19 seats under the 1960 census, which will be reflected in the Nov. 6 elections.

Of the losing states, only Massachusetts, whose House delegation is cut from 14 to 12, and Mississippi, reduced from 6 to 5, have yet to redistrict. Both states are considering the matter, but the Bay State has a much tougher problem and there is a prospect that all 12 representatives will be forced to run in statewide races.

Alabama, cut from 9 to 8, also has not redistricted, but has a novel primary plan which will result in all 8 seats being filled at large.

Of the states that gain seats, Hawaii, Michigan, Ohio and Texas, which pick up 1 each, have not remapped, so they will elect their extra member at large. Maryland will too because, after redistricting, the plan was challenged and it will be voted on in a November referendum.

Every Democratic or Republican loss from reapportionment does not necessarily mean a gain for the other party. For example, the Democrats will lose one seat in Alabama and two in Arkansas simply because they now have solid Democratic delegations from those states and reapportionment cut them that many.

Republicans on the other hand are bound to lose one each in Maine and Nebraska without a corresponding gain for the Democrats because both states are now represented in the House only by Republicans and they each lose a seat under the 1960 census.

Timidity Cited As Signal To Reds To Move

CORNING, N.Y. (AP) — Robert D. Murphy, U.S. political adviser in Germany after World War II, claims that "our timidity over Berlin" at the time of the 1948 blockade probably led to the Korean War.

In a parallel situation, said Murphy last year's "Cuban fiasco encouraged the Russians to move on Berlin."

"The Communist leadership does not respect weakness," said Murphy, 67, in one of his first public speeches since leaving government service.

Murphy referred to the current Berlin impasse — symbolized by the wall dividing East and West Berlin — drew the parallel with 1948 and declared:

"Again our government was faced with a tough problem. Again it evaded the issue."

"Should the Allies have resorted to force to maintain the status quo (in Berlin)? History, perhaps, will tell whether it was a mistake and, if so, how costly."

FIGHT FOR BERLIN

In discussing the 1948 Berlin crisis, Murphy said the mayor of West Berlin at the time, Ernst Reuter, believed the Allies should send a combat group to Helmsdorf, the Berlin corridor point cut off by the Russians. The Russians, said Murphy, then would be told "that as the highway was essential to our occupation of West Berlin, we were moving in and taking over the maintenance of the highway ourselves."

Murphy said he believed in such a stand and recommended it to the State Department. Gen. Lucius D. Clay, the U.S. commander in Berlin, also recommended it to the Defense Department, said Murphy.

Shortly afterward, Murphy said, he was called home where the Secretary of State George C. Marshall told him the Joint Chiefs of Staff felt they needed 18 months to prepare for such a situation.

MILITARY WEAK

"Our defense establishment was so weak that they regarded the risk as too great," said Murphy. "President Truman reluctantly approved the position, although he said if they would put a paper before him ordering my recommendation, he would sign it."

"I am convinced that our failure to stand up in Berlin led to the decision of the Moscow-Peking axis to push into Korea. They were justified in believing that our timidity over Berlin would be repeated in Korea."

"President Truman's courageous decision to fight there is to his everlasting credit."

Murphy, once U.S. ambassador to Belgium and to Japan, now is president of Corning Glass Works International. He returned recently from a business trip to West Berlin. He spoke before the Corning Rotary club.

Science Fair At Coahoma

COAHOMA — The Science Fair displays will be in the high school cafeteria, from 7:30 to 9:30 p.m. tonight, and from 10 a.m. to noon Saturday.

Pupils at all grade levels have combined their efforts for the fair. Phil Wynn is handling arrangements for the high school, Gerald Oaks for the junior high, and room teachers for elementary students. A cutaway model of the T-38 (supersonic) jet engine will be displayed by Webb AFB.

The public is invited to look over the exhibits and see the demonstrations.

WEATHER

NORTH CENTRAL TEXAS — Clear to day, partly cloudy tonight and Saturday. A little warmer today and tonight. Cooler in west Saturday. Low tonight 47 to 57. High Saturday 67 in northwest to 78 in southeast.

NORTHWEST TEXAS — Partly cloudy today and Saturday. Widely scattered showers in north. Fairly late today. Windy late today and early tonight. A little warmer today, and in southeast tonight. Cooler Saturday. Low tonight 35 to northwest to 52 in southeast. High Saturday 58 in northwest to 72 in southeast.

SOUTHWEST TEXAS — Partly cloudy to day, mostly cloudy and cool tonight. Windy tonight and early Saturday. Clear Saturday. Low tonight 43 in northwest to 55 in southeast. High Saturday 58 in northwest to 70 in southeast.

Resigns

South Korean President Yun Po-Sun is shown at a news conference at the Presidential mansion in Seoul, as he issued a statement of resignation. The 64-year-old president, lashed at a tough anti-political law written by the military government, quit and moved out of the mansion right after the news conference. He told newsmen he would not change his mind and "would not stay on even if someone tried to hold me." Under Junta legislation, Gen. Chung Hee Park, the nation's strongman ruler, automatically takes over the ceremonial duties of acting president.

March Of Dimes Collections Up

The New March of Dimes collections for 1962 increased over \$1,000, according to a report made Thursday evening at a meeting of committee heads at the Cosden County Club Blue Room.

Mrs. Bernard Rains, treasurer, reported a total collection of \$7,916.83, compared to \$6,730.53 in 1961. Greatest increase was in mail envelopes which increased \$561.66.

One-fourth of the proceeds go to the research fund and the remainder of the collection is divided equally between the local and national organizations. The collection work is done by volunteers. The money is spent to help those afflicted by polio, birth defects and arthritis.

Three members, who have served for 22 years on the Foundation Board, were present including Mrs. Moree Sawtelle, Jimmie Greene and W. C. Blankenship. Greene lauded the work of Frosty Robinson, who took over the local chairmanship after Rad Ware who had headed the drive for a number of years, became ill. Greene also told the group that no offer of help had ever been refused by the local chapter and listed one polio patient bill that reached a total of \$2,800. Harold Fischer pointed out the importance of the money sent to research noting that it was in this capacity that Salk vaccine was developed.

Praise was given the rural areas that include the Garden City (Glasscock County) group, for their contributions.

Amounts collected in the various sections are \$1,128.54, mail envelopes \$461.71, coin containers; \$328.96, Penny Parade; \$3,154.24, Mother's March; \$926.50, rural areas; \$49.32, coffees; \$105.40, basketball games; \$339.18, balloon sales; \$238.30, dances; \$437.28, airlift; \$511, bowling tournaments; \$68.20 contributions; \$105. Big Spring Public Schools.

Certificates of appreciation were given to committee heads, including Harold Fischer, Mrs. Rube McNew, Mrs. Buford Hall, Mrs. H. H. Stephens, Mr. and Mrs. Doyle Bynum, Mrs. Frosty Robinson, Carlton Chapman and Mrs. Joe Pickle.

Daniel Lashes Apathy, Solons In Crime Battle

AUSTIN (AP) — Gov. Price Daniel blamed lack of grass roots support and a "willful minority" of legislators today for the failure of Texas criminal law revision proposals.

Daniel spoke at the conference of the Citizens Law Enforcement Committee.

"We especially need to strengthen our laws on murder, armed robbery, criminal assault and other serious crimes, and to provide better protection of the public from habitual criminals and racketeers who escape punishment through technical flaws in some of our laws," Daniel said.

He called for a new drivers licensing law, a chemical test for persons charged with driving while intoxicated, more driver's education classes in high schools, and traffic courts of record.

Jaycees Elect Austin McCloud

COLORADO CITY (SC) — Austin McCloud, 33, local attorney, was elected president of the Colorado City Junior Chamber of Commerce Wednesday. A member of the firm of Ratliff and McCloud, McCloud is a graduate of Texas Tech and Baylor law school and is a veteran of the Korean conflict.

He will replace President Drew Ballard May 1. Ballard, associated with radio station KVMC, will become immediate past president, a new post. Other officers elected include Arvie Clark and Larry Moffatt, vice presidents; Rev. John Brand, secretary; Charlie Goodlett, treasurer; and Fred Marberry, Bob Reily, Dave Sanders, James Hull and Rev. Alan Conley, new directors.

Official installation of the new officers will be held April 27 at Civic House.

Strike Cuts Food Levels In Hawaii

SAN FRANCISCO (AP) — The West Coast shipping strike, now a week old, has cut food supplies to dangerously low levels in Hawaii, idled more than 40 ships and halted the flow of 50,000 tons of strategic military cargo to the Far East.

The outlook for an immediate solution to the crippling walkout remained bleak.

But striking unions, under pressure from the Military Sea Transportation Service and the U.S. District Court, were expected to meet demands to move the military supplies.

ALGERIA

(Continued From Page 1)

hours in the worst night since proclamation of the cease-fire Monday.

Two civilians were reported killed and at least three French gendarmes and nine civilians were wounded in the shooting, which raged through a dozen areas of the city.

HARASSMENT

The Algiers zone command said the attacks had no major military significance. Other government officials described them as nothing but harassment.

Secret Army commandos struck at heavily guarded government buildings and at two riot police camps in the eastern part of the capital but they made no attempt to capture the key points.

French security forces, loyal to the armistice pact President Charles de Gaulle's government made with the Algerian nationalists, fired back.

The terrorists were supported by European settlers firing from rooftops and windows, spraying machine-gun bullets and lobbing grenades and mortar shells into concentrations of French gendarmes guarding strategic points in the city.

Jackie Gets Biggest Cheer By Pakistan

RAWALPINDI, Pakistan (AP) — Jacqueline Kennedy tried out her new Pakistani horse today and then received in this capital city the biggest welcome it has ever given a foreign visitor.

Almost everyone in Rawalpindi, population 400,000, turned out to greet America's First Lady.

Crowds jammed the streets waving thousands of paper flags and placards saying "Long live Mrs. Kennedy."

Drum and bagpipe bands serenaded her at various points along the six-mile, flag-covered route from airport to city.

It was a thrilling welcome like many Mrs. Kennedy has received in other Indian and Pakistani cities since arriving 12 days ago.

But this morning the 32-year-old First Lady had the experience of riding Sardar-Chief—the bay gelding given her Thursday in Lahore by President Mohammed Ayub Khan.

She rode the horse for 10 minutes on the lawn of the governor's house in Lahore before taking Ayub's plane to Rawalpindi.

Mrs. Kennedy tried the horse about the time she was due in Rawalpindi. Her arrival time had been put off three hours so she could catch up on her sleep.

Her original schedule called for a visit to Taxila, one of the world's great archaeological sites with ruins of 2,400-year-old cities. But a few days ago a White House spokesman said the trip to Taxila was canceled because Mrs. Kennedy was travel weary and unable to make the 40-mile round trip between Taxila and Rawalpindi.

The cancellation of Taxila left only an appearance at the garden party being given by Ayub to mark Pakistan Day, the country's Fourth of July.

VW Owners To Test Cars

Volkswagen owners will have a chance to test their car's performance Sunday in an economy run to Monahans State Park. The event is sponsored by the Volkswagen Club of Big Spring and is open to all VW owners and their families. Entry fee is \$1 and participants do not have to be a member of the club.

Everyone is asked to meet by 9 a.m. at the Shamrock service station, 4300 block of US 80 west. Cars will be registered and the gas level checked. All VWs will leave at 9:30 a.m. for the park.

At noon a pot luck dinner will be served with each family asked to bring a covered dish. Drinks will be furnished, but each family must bring eating utensils. A trophy will be presented to the car registering the best gas mileage.

Six Applicants Are Screened

Six men who took written examinations Thursday morning for positions as patrolmen on the Big Spring police force, went before the screening panel in the afternoon for oral exams.

Chief Jay Banks, who said two positions would be open April 1, also said it would be a few days before investigations are completed and the two men selected.

"We believe any one of the six would make an excellent officer," he said, "but we have to make complete investigations before we can make a choice. These include driver's license check, felony and criminal records, credit rating, and character references. Each will have to undergo a physical examination also."

Those who are not employed for the first two positions will be placed on an eligible list from which to draw in filling future vacancies, if all investigations prove their eligibility, Banks said.

Elbow Political Rally Is Set

Walker Bailey, county superintendent, said Friday he had advised all local candidates to be at Elbow school prior to 6:30 p.m. to take part in the political rally being sponsored at the school. Students of the eighth grade are sponsoring the pie supper and rally as a means of raising money for an out-of-town field trip the class desires to make.

Bailey, who has no opponent in the pending primary elections, has been selected by his fellow candidates as an official committeeman to arrange with sponsors for the candidates to attend rallies.

The supper is at 6:30 p.m. At 7:30 p.m. the rally proper begins and all candidates in attendance will be introduced and given time to speak.

Randell Sherrod, auctioneer, will preside at the sale of the pies and cakes which precedes the rally.

Funeral Monday For J. C. Wright

Body of John Calvin Wright, 34, former resident of Big Spring, will arrive here on Sunday at 4 p.m. Funeral services are to be at 2 p.m. Monday in the Nalley-Pickle Funeral Home chapel. Interment will be in Trinity Memorial Park.

Mr. Wright was killed earlier this week in a car accident in Florida. He is the brother of Mrs. Alice Gay of Big Spring. His home was in Henderson, Nev.

A Cart Ride In The Garden Mrs. Jacqueline Kennedy and President Mohammed Ayub Khan ride in a small cart in the gardens of the governor's house in Lahore, Pakistan.

President Heading For Western Rest

WASHINGTON (AP) — President Kennedy heads today for California to make a speech, receive an honorary degree and rest in the desert resort area of Palm Springs.

He also will tour Vandenberg Air Force Base and there's a possibility he'll see an Atlas missile fired.

There's a likelihood that while in the Palm Springs area Kennedy will have a meeting with his predecessor, Gen. Dwight D. Eisenhower.

The President's brother, Atty. Gen. Robert F. Kennedy, will accompany him on the flight to California. The attorney general has a date Saturday to attend a state conference on crime prevention in Los Angeles.

The President will be spending the weekend in a state where the breezes of politics are blowing strong—the scene of a highly significant off-year election in which former Vice President Richard M. Nixon seeks the Republican nomination to challenge Edmund G. Brown, the Democratic incumbent, for governor.

The President may go back to California again, but the White House describes this trip as non-political.

Kennedy will address a charter day convocation at the University of California in Berkeley this afternoon, receive the 21st in his collection of honorary degrees and then fly to Vandenberg Air Force Base.

Shortly after dusk, the chief executive is due to land in Palm Springs, where he may see Eisenhower before the weekend is over. The only announced plan is for Kennedy to relax until Sunday night at a private residence.

That residence is reportedly singer Bing Crosby's place on Shadow Mountain, outside Palm Springs itself.

Eisenhower has been spending several months in a plush cottage at Palm Desert, in the same neighborhood.

Kennedy has been to California once before as President. He addressed a Democratic fund-raising banquet in Hollywood last November, when he gave Brown a solid pat on the back.

He is scheduled to leave Sunday night, sleeping aboard his Air Force jet on the return flight to Washington.

OIL REPORT

Humble No. 3-B Reed, a Sterling County wildcat, continues to recover new oil from the Fusselman. The 21 barrels returned on the last pump test brings the total of new oil from that formation to 251 barrels.

The prospector has also returned new oil from the Montoya on tests. It is about 25 miles south of Big Spring.

The Playa (Spraberry) field in Martin County gained a one-mile southeast outpost, one of five new sites in the area. It is Carl J. Westlund No. 1 Keaton, set for 7,800 feet about 13 miles northwest of Stanton.

Two other new sites are in Martin County. They are Barnhart Co. No. 1 Guy Wade, set for 9,000 feet in the Breedlove (Spraberry) field, and Cities Service No. 1 Ringener, an 8,300-foot project in the Spraberry Trend Area.

R. S. Anderson staked the No. 2-35 and 3-35 Morrison in the Turner-Gregory field in Mitchell County. Both are set for 3,500 feet.

Hamon No. 1 McDougal is preparing to swab the Canyon, between spots C SW SW, section 23-36-4n, T&P survey.

Shell No. 1 Cone is making hole below 7,226 feet. It is C NW NW, section 20-36, EL&RR survey.

Texaco No. 1 Painter is digging below 10,307 feet. The site is C SE NW, section 23-36-4n, T&P survey.

Dean H. Stoltz No. 1 Galbraith was completed in the Pennsylvania reef of the Triple D field. It made 143.44 barrels of 43 gravity oil, with 20 per cent water, on initial pumping potential. The gas-oil ratio was 400-1 and the well was acidized with 4,750 gallons. Total depth is 8,591 feet, an open hole section is between 8,552-91 feet and 4 1/2 inch casing is at 8,552 feet. The well is 1,250 feet from the south and 330 feet from the east lines of section 77-3n, EL&RR survey, on a 100-acre lease about nine miles northwest of Lamesa.

Trice Production Co. No. 1 J. R. Weaver, about five miles north west of Lamesa, is a duster at 9,200 feet. The hole is in the Mungerville, East (Pennsylvanian) field and it spots 330 feet from the north and 695 feet from the east lines of labor 30-3, Taylor CSL survey, on an 80-acre lease.

Firemen Answer Four Fire Calls

Firemen have answered four alarms in the past 24 hours, with only small damage listed, including a car fire.

A car, owned by Carmile Ramirez, caught fire at 4:20 p.m. Thursday at 106 Scurry when the carburetor flooded. Slight damage to the carburetor and wiring resulted.

A utility pole, at the intersection of Fourth and State, caught fire shortly after 5 p.m., when a flare ignited gas from a nearby line.

Two other calls were to a trash fire at a vacant lot at 506 E. 8th and a grass fire Friday morning at Second and San Jacinto. No damage was done by either.

Garza

Humble No. 12 Birdie R. Alexander, a 5,900-foot wildcat about eight miles southeast of Justiceburg, is preparing to spud. The venture is C NW NW, section 139-5, H&GN survey.

L. E. Windham and W. B. Yarborough No. 1 H. E. Nelson has

Texas Interests Among Top Bids

SANTA FE, N.M. (AP) — Texas interests made two of the top bids received this week in the monthly state land office sale of oil and gas leases.

High bids totaled \$234,218.91. Ralph Lowe of Midland, Tex., made the highest per acre offer in the oral bidding. It was \$10,200 on a 120-acre tract in Eddy County.

Highest total bid was \$14,000 on a 360-acre tract in Lea County by Champion Oil & Refining Co. of Fort Worth.

Dee Skaggs Is Arrested

Except for routine matters, Big Spring police had only a few calls to investigate in the past 24 hours.

Dee Skaggs Jr., wanted for assault with intent to murder following a shooting last week, was arrested and jailed at 11:45 p.m. Thursday. Patrolmen Blaz Bailon and Bob Broughton apprehended the man in the 500 Block of Northwest Third.

Skaggs was transferred to the Howard County jail Friday morning and his bond had been set at noon. He has been sought by Big Spring officers following the shooting of John Henry Tate, 53-year-old Negro, in a North Side building on the night of March 15.

Tommy Kelly of Brownwood reported the theft of two hubcaps from his car while parked at the home of his brother, 3227 Auburn.

Accidents investigated, locations, and drivers of vehicles involved were: Twenty-third and Nolan, Wallace Gene Steadmon, 4013 Dixon, and a street sign; Thirteenth and Gregg, Santiago T. Rodriguez, Conhoma, and Patricia B. Hendrickson, Sterling City Rt.

The traffic division, operating its radar again Thursday, issued 19 tickets for speeding and other traffic violations.

2 Youths Held In Thefts, Chase

HOUSTON (AP) — Two youths were in custody today after a string of car thefts and a high-speed auto chase by police that ended in a crushing collision during rush-hour traffic.

Four persons were injured, two critically.

Gas Is Blamed In Mine Disaster

HAMPTON, England (AP) — Gas is blamed responsible for the explosion in the Happy Valley Coal Mine that killed 16 miners and injured about 37 others Thursday.

Some 120 other miners escaped unhurt through clouds of choking fumes and flying dust after the blast in a coalface a mile and a half from the pithead.

St. John's And Dayton Clash For NIT Title

NEW YORK (AP)—St. John's of New York and Dayton, two polished college basketball teams thoroughly tested in the pressure of tournament competition, climaxing their campaigns Saturday afternoon in the championship final of the 25th National Invitation Tournament at Madison Square Garden.

The seasoned contenders enter the showdown with sharply contrasting records in past NITs. St. John's has won three titles under its current coach, Joe Lapchick, while Dayton has had five second-place finishes under Tom Blackburn.

Both the Redmen and the Flyers from Ohio bounced into the title game with overpowering second half comebacks Thursday night. St. John's trimmed Duquesne in a bruising match, 75-65, after Dayton had rocked Loyola of Chicago 96-82.

Bill Chmielewski, held to one field goal in 11 tries as the swift Loyola Ramblers raced to a 44-41 lead at intermission, combined with sophomore Gordy Hatton to spearhead Dayton's explosive 57-point second half. The 25-point pivot finished with 27 points and 19 rebounds while Hatton, the tourney's classiest all-around performer so far, netted 33 points and contributed nine assists.

St. John's, down by nine points at the half, rallied behind the sweeping, soft hooks and accurate foot shooting of Leroy Ellis, then gradually broke away from Duquesne on the scoring of Kevin Loughery, Willie Hall and sub Bill O'Sullivan. Ellis had 29 points, Loughery added 18 and Hall 16.

Willie Somerset paced the spirited Dukes with 22 points. A short but bitter brawl spiced the St. John's-Duquesne game. Donnie Burks of the Redmen and Mike Rice of the Dukes triggered it when they tangled with about three minutes to play, and before order was restored most of the players and several spectators became embroiled.

The championship game will be nationally televised (NBC) at 4 p.m. EST, following the consolation game for third between Loyola and Duquesne.

W. Forest, UCLA Underdogs Tonight

LOUISVILLE, Ky. (AP)—Poised, powerful Ohio State plays Wake Forest and UCLA tonight in the climax of their drive toward a second straight showdown for the National Collegiate (NCAA) basketball championship.

The Buckeyes, No. 1 in the nation, and the second-ranked Bear-

cats are all but odds-on to win the semifinals with ease and set up another all-Ohio championship.

If they make it to Saturday's final, it'll be the first time the same two schools have played for the championship two years in a row. Last year, Cincinnati won its first NCAA title — snapping Ohio State's 32-game winning streak

and dethroning the 1960 champs, 70-65 in overtime. Wake Forest, which has drawn All America Jerry Lucas and Ohio State in the opener, rallied behind All-America Len Chappell and 5-9 Billy Packer to win its last 12 games and the eastern regional eliminations after winning but nine of its first 17.

Included in that slow start was a 94-62 loss to the mighty Buckeyes at Winston-Salem in December. Johnny Wooden's UCLA Bruins also got the Ohio State shock treatment in December, losing to the Bucks in the Los Angeles Classic 105-84. But the Bruins — like Wake Forest in his recovery in the Atlantic Coast Conference — bounced back and won 14 of their last 16 games in nailing the Big Five title and the Far West regional.

The Bruins have team speed and balance, an 18-9 record, and a band of sharpshooters led by 6-2 Johnny Green, with a 19.4 average. Most concede, however, that it will take Wake Forest and UCLA at their absolute best to stay close to the powerful Ohio teams. Even the coaches — Ed Jucker of Cincinnati and Fred Taylor of Ohio State — admit their teams might be better than a year ago, when their battle drew praise as one of the great games in basketball history.

Peewee Wee Carded Here

Six girls' and as many boys' contingents are entered in the first annual Pee Wee Basketball tournament being staged by HCJC March 29-30-31.

Grady is entering two teams in each bracket. Also represented will be Knott, Gay Hill, Center Point and Garden City.

The Women's Recreation Association has announced the consolation game for third between Loyola and Duquesne.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN TEXAS... near Galveston, Confederate General J. B. Magruder piled cotton bales on the decks of little river boats. These famous "cotton clads," manned by the 26th Texas Cavalry, roused the Federal war fleet then holding Texas' largest port. As the war ships hastily departed, the event was toasted in good Texas-brewed beer.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Wall Moves Up In Tournament

Southwestern Agricultural and Chemical Company of Wall advanced into the second round of the YMCA-C. C. Smith Independent Basketball tournament by defeating Poe Wesson of Rotan, 76-56, in the HCJC Gym here Thursday night.

Poe Wesson had replaced Morton's Foods in the meet. In consolation play, Inter-State Securities of Odessa kayoted the Forsan Oilers, 71-56.

Three games are on tap tonight, with the first one due to start at 7:15 p.m. Enloe Tile of Big Spring and Poe Wesson clash in a consolation game at that hour. Cortese-Milch of Big Spring has it out with E. C. Smith Construction, Big Spring, in a championship round game at 8:30 p.m., while at 9:45 p.m. Waddell Blanks of Odessa tangles with Southwestern Agricultural and Chemical, Wall, in another championship round game at 9:45 p.m.

The tournament winner will be determined in a 9:30 p.m. game Saturday. The third place contest starts at 7:15 p.m., while consolation finals are on tap for 8:30 p.m.

Trophies will be given to the top four clubs. In addition, an outstanding player will be selected and a sportsmanship award will be given.

Billy Winnans led the Wall team to victory, scoring 30 points.

Two Local Teams Poised To Compete On Saturday

Two local track and field teams are scheduled for action this weekend. R. C. Moore takes his high school bunch to Brownwood for the annual Bluebonnet Relays.

L. L. (Red) Lewis of HCJC assembles his forces Saturday for a trip to Lubbock, where the Jayhawks will be in competition against the Texas Tech freshmen, Lubbock Christian College and New Mexico Military Institute.

The Steers will be in competition with some of the classiest teams in the state at Brownwood. Again, John (Red) Schwarzenbach figures to be about Big Spring's only point gatherer.

Schwarzenbach has been very consistent in both the shot put and discus. Others who could crowd into the scoring column for Big Spring are hurdler Eddie Everett, David Holguin, who could run in either the 800 or mile; Calvin Ferrell, 880; and Eric Nichols, hurdler and broad jumper.

The ranks of the HCJC team were bolstered recently by the addition of high jumper Lou Balenton and sprinter Earnest Turner.

Herman Robinson, the Hawks' sprinter, will again be handicapped by thigh trouble but will make the trip with the HC team.

Others who will be in competition for the local school are Ronnie Overby, Snyder; Milton Marrow, Whitehall; Dean Cheatham, Kress; Tommy Yarbo, Abilene; Larry Mauldin, Abilene; Kenneth Windham, Jim Ned; Don Carter, White Deer; Kenny Kesterson, Big Spring; Gary Walker, Big Spring; Tommy Wise, Hurst-Pelster; Mike Conroy, New Jersey; Leroy Smith, Big Spring; Lewis White, Keller; Turner and Balenton.

Smith's Records Victory At Webb

The E. C. Smith Construction Company softball team outscored the M&S Group, 14-4, in seven innings of play at Webb AFB Thursday evening.

Originally, managers of the teams planned to play two seven-inning games but cool weather caused them to cut the first contest to five rounds.

The score in that one was 9-3 and the Smith contingent was leading, 5-1, after two innings, when play was called in the second game.

Billy Paul Thomas pitched for Smith's and helped his own cause by driving out three home runs. Jackie Thomas collected two hits for the winners.

The same two teams play again at Webb Saturday evening.

Volleyball Team Hosts Seminole

The Big Spring High School girls' volleyball team plays host to Seminole in the High School Gym this evening.

B team action starts at 6:30 p.m., while the A squads take the floor an hour later.

The Steerettes have an overall won-lost record of 24-6 and stand 3-0 in conference play. The B teams have won 17 while losing only five times.

Bill Ellis Set To Attend SMU

SAN ANGELO—Bill Ellis, two-year letterman tackle with the San Angelo Bobcats, has signed a football letter of intent with SMU.

Previously, quarterback Larry Mullins and fullback Mike Tabor of the Bobcats had signed to attend the Dallas school.

Their lead was precarious going into the second round. Only a stroke behind at 70 were Arnold Palmer, the year's third biggest money winner and the champion at Palm Springs and Phoenix; Tommy Jacobs, who won at San Diego; Bob Goaly, No. 10 in the money ranks; Billy Casper, Jr., Mason Rudolph and Jimmy Powell.

At 71 were Phil Rodgers, Sam Sneed, Tommy Bolt, Peter Mason, Paul Bondeson and Bob Vervey.

Ben Hogan, making one of his

new-rare tourney appearances, took a 74 and Gary Player, last year's big money winner, a 76.

THE LEADERS Jack Nicklaus 34-69 Bobby Jones 33-73 Tommy Jacobs 33-73 Arnold Palmer 33-73 Bob Goaly 33-73 Jimmy Powell 33-73 Mason Rudolph 33-73 Peter Mason 33-73 Phil Rodgers 33-73 Bob Vervey 33-73 Sam Sneed 33-73 Tom Nipperie 33-73 Buddy Sullivan 33-73 Jack McGowan 33-73 Ed Furgol 33-73 Ed Weaver 33-73 Jay Robert 33-73 Tom Bondeson 33-73 Jim Ferrier 33-73 Mike Krak 33-73 Mike Bonchak 33-73 Cary Madsen 33-73 Jay Brewer 33-73 Tommy Cosmos 33-73 Vic Ober 33-73 Bill Myers 33-73

Have you always wanted a swimming pool—but afraid to because you have small children?

Worthy Construction Co. now makes it possible to own a pool and have it separated from open areas by building a beautiful low-cost aluminum framed screened-house over it. A locked door is provided. This nationally advertised pool enclosure is manufactured in Big Spring.

San Angelo Rams Shaded, 82 To 69

HUTCHINSON, Kan.—San Angelo College tumbled out of contention for the championship in the 1962 National Junior College Basketball tournament, losing to unbeaten Coffeyville, Kansas, 82-69, here Thursday night.

Coffeyville now faces Trinidad, Colo., in the semifinals at 9:15 p.m. this evening. Trinidad remained unbeaten in the tournament by rallying to decision Cameron, Okla., 74-69.

San Angelo will play Cameron at 3:30 o'clock today for the right to play Saturday for fourth place in the meet. Cameron rules as the favorite.

In consolation play Thursday,

Triple Portrait Of Batting Champs

The batting exploits of these three are well engraved in baseball history. Meeting in St. Petersburg, Fla., before an exhibition game between the New York Yankees and St. Louis Cardinals, are, left to right: Mickey Mantle; Stan Musial and Roger Maris. (AP Wirephoto)

Odessa Bronchos Try Herd On Saturday

Odessa's mighty Bronchos, favorites in the District 3-AAAA baseball wars, visit Big Spring Saturday for a 2 p.m. outing with the resident Steers.

Big Spring will be trying to bounce back after losing its opening game to Midland Lee by the overwhelming score of 17-3.

Odessa legged it by Abilene Cooper, 4-1, behind the stellar pitching of Larry Jernigan.

Big Spring is apt to get a look at Odessa's other mound ace, Harlan Hinds, tomorrow. Hinds is a fast-balling righthander who pitched a no-hitter against the Steers last year.

The Steers must win or face virtual elimination from the race.

Other returns from last year's

San Angelo and Odessa Perman, in addition to Odessa and Lee.

Coach Roy Baird of Big Spring was undecided whether to go with righthander Bowman Roberts or Lefty Dexter Pate on the mound tomorrow.

Both saw action against Lee and each had trouble with his control. The loss was hung on Roberts.

Big Spring has an overall record of 7-4. Odessa is 8-2.

Julian Pressley, the veteran Odessa mentor, has more pitcher depth than any other coach in the conference. Hinds was 11-3 last year, Jernigan 3-0. Gary Schur can also thumb the ball in for the Red Hosers.

Other returns from last year's

Jack Roden, who has won three games for the Steers, has been ill but he'll be in uniform Saturday. He shut out Snyder in his most recent pitching start.

The Steers will be out of town twice next week for games.

George Is Named Big Lake Coach

BIG LAKE—Wilburn George has been elevated to the head coaching job at Big Lake High School.

He succeeds Ken Williamson, who quit recently to become basketball coach at Irving High School, near Dallas.

Terry Page was promoted to become the head basketball coach at Big Lake.

George is a graduate of San Angelo Lake View High School, and attended San Angelo College before moving to Sul Ross, where he got his degree. He was head coach at San Angelo Edison Junior High until last spring, when he quit to go to Big Lake.

Smith's Records Victory At Webb

The E. C. Smith Construction Company softball team outscored the M&S Group, 14-4, in seven innings of play at Webb AFB Thursday evening.

Originally, managers of the teams planned to play two seven-inning games but cool weather caused them to cut the first contest to five rounds.

The score in that one was 9-3 and the Smith contingent was leading, 5-1, after two innings, when play was called in the second game.

Billy Paul Thomas pitched for Smith's and helped his own cause by driving out three home runs. Jackie Thomas collected two hits for the winners.

Marterie To Play For Cotillion Dance Club

Some sound advice on how to operate at that social highlight of young America, the traditional spring "prom," comes from the "King of Proms" himself—Ralph Marterie. The Prom King who plays a variety of music is to be in Big Spring on Tuesday. He will play for the Cotillion Spring Formal to be held at Cosden Country Club Tuesday evening. Marterie and his "Marlboro Men" record for United Artists.

RALPH MARTERIE

His advice to the younger set is to be confident, relaxed, have a good time and drop that super-sophisticated air. Marterie backs up his advice with more than 10 years of playing at college and high school proms from coast-to-coast. He and his band work 11 months of the year providing dance music for America's youngsters and for senior social functions. Marterie finds the high school teen-agers lean strongly toward the

heavy, two-beat rock 'n' roll, while the college taste runs to smooth, sophisticated dance mu-

sic, standards and jazz. This year, however, he has found that requests for Twist music come at every dance he plays regardless of age or the event.

His appearance here is a return engagement with the Cotillion Dance Club, for whom he played three years ago.

Host couples for the Tuesday night "Peppermint Lounge" formal are Mr. and Mrs. Harold Talbot, chairmen, Mr. and Mrs. Tommy Gage, Mr. and Mrs. O. S. Womack, Mr. and Mrs. Pete Cook, Mr. and Mrs. James Tidwell, Mr. and Mrs. R. H. Weaver, Dr. and Mrs. Clyde Thomas Jr. Also Mr. and Mrs. Ralph Hughes, Mr. and Mrs. Arliss Ratliff, Mr. and Mrs. Paul Sheaffer, Mr. and Mrs. Ell McComb, Mr. and Mrs. R. R. McEwen Jr., and Mr. and Mrs. Fred Stitzel.

Marterie and his band will play in Midland Saturday evening for the Petroleum Club dance. They are to be in Amarillo on Sunday.

History Of Alpha Chi Is Related

Historical background of Alpha Chi Chapter of Epsilon Sigma Alpha and its purpose were related for members at the meeting Thursday evening at the home of Mrs. B. G. Reagan. Mrs. Edwin Benson was cohostess.

Mrs. Roy McMullen told the meaning and functions of the sorority and Bo Bowen related the accomplishments of the local chapter, No. 877, since its organization in 1946.

Mrs. Benson was given an ESA recognition pin as she and her husband will leave on April 7 to make their home in Los Angeles, Calif.

Announcement was made of the district meeting in Monahan on April 15. A luncheon is scheduled for 1 p.m.

Refreshments were served from a table that featured an Easter theme. Bunnies surrounded by vari-colored eggs served as a centerpiece.

Mrs. Wendall Faris won the door prize.

The next meeting will be on March 30 at the Settles Hotel at 7:30 p.m. The dinner affair will be followed by the pledge ceremony.

Social Security Topic Discussed For Altrusa

Social Security and its operations were explained in a talk given Thursday for Altrusans in a luncheon meeting at Coker's Restaurant. Erven Fisher, the speaker, is district manager for the newly formed Big Spring Social Security district. Twenty-five members and Marge Jordan, a guest, attended.

Fisher cited the purpose of Altrusa—"To sponsor projects to meet specific needs"—and beginning his talk, compared with it the purpose of Social Security.

Age, disability and death are the three major needs for SS benefits, according to Fisher, who stated that there are presently 18,000,000 people of the nation receiving benefits. Breaking this figure down, he said that in How-

ard County there are 1,800 SS beneficiaries. A majority of the nation's population is under Social Security, with only Civil Service employes and medical doctors in private practice not covered, the speaker continued.

Fisher told briefly how benefits are determined; how this legislation had affected the economic picture; and operations within the administration. In discussing the cost of operation, Fisher explained that 98 per cent of the money received is used for benefits and two per cent for administration. He also pointed out that a sub-

stantial amount is set up as a trust fund for benefit of the public. The speaker, introduced by Mrs. Dorothy Ragan, conducted a question and answer period following his talk.

Mrs. M. J. Stratton presided.

Weekend Visitors

Webb Duplicate Players Plan Eight Week Series

Plans for an eight-week series of games were made by duplicate bridge players at Webb Officers Club Thursday evening.

The series will begin on April 5 and will continue for eight weeks.

the winner's score to be the best six out of eight scores.

Twelve and one-half tables of players joined in games Thursday evening and were told a charity game would be played next week, the fifth Thursday, when a full master point will be given.

Winners were, north-south, first, Mrs. Ben McCullough, Mrs. John Stone, second, Mrs. Rogers Hefley, Mrs. Riley Foster, third, Ed Hartstein, Harry Williamson; fourth, Mrs. J. J. Havens, Mrs. D. A. Brazel, East-west, first, Mrs. George McGann, Mrs. Bera Reneau, second, Mrs. Anne Hardy, Mrs. J. H. Holloway, third, Mrs. Elmo Wasson, Mrs. E. L. Powell; fourth, Mrs. Wally Slate, Mrs. Bob Dyer.

Nance Heads Bible Class

D. A. Nance was elected president of the Auditorium Bible Class of Trinity Baptist Church in a meeting held Thursday night at the church.

Mr. Nance will replace B. L. Eggleston who has recently moved to Lubbock.

Others who will serve in offices will be: training committee, Mrs. Clarence Weaver, Mrs. L. J. Power and Miss Louise Thomas; reporter, Mrs. Roy Shaffer, Miss Thomas, assistant; group leaders, Mrs. W. E. McGaugh, Mrs. Weaver, Mrs. George Kennedy, Miss Thomas, Russell Tidwell and Mrs. Power.

Devotion was brought by the Rev. L. J. Power from Matt 7:8. The Rev. Mr. Power is teacher of the class.

Civil Defense Is Club Study Topic

Members of the Luther Home Demonstration Club studied books on civil defense and first aid at their meeting Thursday afternoon in the home of Mrs. Pauline Hamlin.

Mrs. Hamlin brought the devotion for the five members and a guest, Juanita Hamlin.

Travel prize was won by Mrs. Frances Zant.

The meeting on April 12 will be held in the home of Mrs. John Couch.

3 Pattern Pieces Fashion Capsule

This dress does a very smart double take. It's side-wrapped and reversible, and so gives you two outfits in one. No. 3123 comes in sizes 14½, 16½, 18½, 20½, 22½, 24½. Size 16½ takes 2½ yards of 35-inch fabric for each side. Send 35 cents in coins for this pattern to IRIS LANE, Big Spring Herald, Box 1490, New York 1, N. Y. Add 5 cents for third class or 10 cents for first class mail. Pattern Book 50 cents.

Opti-Mrs. Club Plans Promotion

Mrs. Jack Parrott and Mrs. Don Mansell were cohostesses to members of the Opti-Mrs. Club Thursday evening at the Parrott home. Guest for the evening was Mrs. Delaine Crawford, Howard County Home Demonstration agent.

Plans were made for promoting the production, "The Money Saver," to be given at the city auditorium April 13 Mrs. Crawford was in charge of the program, "Hints for Clothing Care."

The next meeting will be in the home of Mrs. Don Mansell.

Mrs. Patterson Presents Program

The Woman's Study Club of McCamey sponsored the appearance of Mrs. Richard Patterson, local artist and teacher, on March 20 at the Community Center.

Mrs. Patterson exhibited her work and paintings of her students. She also showed color slides to illustrate her talk on "Understanding and the Appreciation of Art."

School children viewed the exhibit preceding the seated tea.

Area Work Reported In Circle Meeting

The Rev. H. L. Bingham was guest speaker for a program given in the home of Mrs. C. E. McCollum Thursday evening. His topic concerned "Area Work Toward the 30,000 Movement."

Members of the Douglas Circle of Baptist Temple, numbering five, were introduced to a new member, Mrs. Roy Holmes. Their study for the evening was a chapter of the mission book, "Glimpses of Glory."

Mrs. Crawford Is New HD Member

Mrs. Melvin Crawford joined the membership of College Park Home Demonstration Club at a recent meeting. Program was brought by Turner Ferguson on Civil Defense. The next meeting will be on April 3.

Discard Warped Pans

Don't use warped pans, on top of the range or in the oven! They don't conduct heat evenly on range-top units and in the oven they produce lopsided cakes!

Federation Discussed For JWFS Luncheon

A salad luncheon and program was given Thursday afternoon for the Junior Woman's Forum in the home of Mrs. Bill Draper. Fifteen members were present including Mrs. Aultman Smith Jr., Mrs. Pascal Odum, Mrs. Kenneth Orr and Mrs. Charles McLaurin, new members. Mrs. Ernest Welch was cohostess.

Guests were Mrs. Troy Love, Mrs. Max Green and Mrs. B. F. Seay.

A program on "Federation" featured a talk by Mrs. Seay of Andrews, who is third vice president in the State Federation. Her topic, "What Federation Can Do for You and Your Club," stressed the importance of the program. She stated that the Federation is a means of exchanging ideas, plans and suggestions with other organizations. "Its purpose," she pointed out, "is to suggest topics and ways to present interesting and informative programs."

Mrs. Seay also explained that it is important to select only one topic for a course of study. She said that when the Federation was organized, its aim was to study, learn and to improve. "Club women today are urged to make preparation for meeting the challenge of the changing world," the speaker continued. Her closing remarks

Party Given Honoring Bride-Elect

Carolyn Sewell, bride-elect of Rodney Brooks, was honored for a miscellaneous shower Thursday evening at the Salem Church annex.

Hostesses for the affair were Mrs. J. W. Broughton, Mrs. J. H. Reagan, Mrs. J. L. Baugh, Mrs. H. W. Musgrove, Mrs. Bill Butler, Mrs. Earl Hull, Mrs. Jack Cauble, Mrs. Charlie Wolf and Mrs. Ray Walker.

A bride doll with a billowing skirt fashioned of confection, centered the refreshment table. Pink and white satin streamers completed the decor of the white laid table.

Bouquets of roses were placed at vantage points about the entertaining room. Twenty-five guests registered.

Miss Sewell and Mr. Brooks will be married on April 7.

Engaged

The engagement and approaching marriage of Carol Toles to Dennis Ray Schneider, son of Mr. and Mrs. Charlie Schneider, is announced by her parents, Mr. and Mrs. T. C. Toles. The wedding is planned for April 14. A graduate of Lamesa High School, the bride-elect is presently employed by Lamesa Western Pump Company. Schneider is a graduate of Klondike High School and is now engaged in farming.

Add Storage In Hidden Home Areas

Since storage space is at a premium in most homes, it's a good idea to discover some locations not always considered by homeowners. Here are a few examples that a handy husband or industrial arts student can make.

Under a desk, where only leg room is needed, leave a couple of cubic feet or more for storage of stationery, supplies and miscellaneous items. Bridge the usable space with 1x2-inch framing lumber, bottom it with wood, leave it open or enclose it behind sliding doors of the hardboard.

Over kitchen cabinets, is a natural area that need only to be enclosed to keep it dust-free. Tracks installed in the ceiling and on top of the cabinet will permit the use of sliding doors, which can be primed and painted to match the kitchen decor. Holes can be bored for pulls.

Under a typewriter table, fit a piece of ½" tempered wood to fit at the back of the lower leg bracing so it won't interfere with the operator. Drill holes and tie the board to the framework with cord. Include some quarter-round molding around edges so that typewriter supplies won't fall off.

Overhead in closets, the space wasted. A peg-board panel installed here will provide a good place for hats and other wearing apparel. Special fixtures for these items are available at lumber yards. Small peg-board panels may be attached to walls over spacers. Larger ones should be framed between rows of holes with ½-inch lumber.

Under the sink in kitchen and lavatory in bathroom, the spaces can be framed with 1x2-inch lumber and covered with ½" tempered wood or peg-board. One shelf at the midway location will utilize the space to the utmost. Here, again, sliding doors of the quarter-inch hardboard are ideal, mounted in grooves cut in the upper and lower framing members.

Create Your Own Chocolate Filling

Here's a perfect filling for a meringue torte, cream puffs, or individual tarts: Melt two 6-ounce packages of semi-sweet chocolate pieces over the top burner on your range. Turn the heat to low. (Use a double boiler and be sure to keep the water under boiling.) Add 1 tablespoon powdered instant coffee and ¼ cup boiling water.

Remove the mixture from the burner and beat until creamy and cool. Whip 1 cup of thick cream. Fold the chocolate mixture into the whipped cream and add a teaspoon of vanilla. Garnish your masterpiece with silvered almonds.

Cookie Moistener

Put a slice of apple, orange, or lemon (with skin and rind) on in a cookie jar to keep cookies moist.

CHARACTER COTTON

Jean is ready to go places in her 100% cotton wash and wear shirt dress by Modern. The quaint all over design features many different manufactures in many colors, that tend to make this dress really sparkle. Sizes 8 to 18.

BIG SPRING DAILY HERALD

SEC. B BIG SPRING, TEXAS, FRIDAY, MARCH 23, 1962 SEC. B

Sunday Morning Breakfast

Incoming undergraduate pilot training class members and their families attend a Sunday morning breakfast hosted by the base chaplains. The latest class, Class 63-F, attended the breakfast last Sunday at the Webb AFB Officers' Open Mess. Seated with the chaplains at left are Lt. and Mrs. Paul Ruppenthal and on the right are Lt. and Mrs. Jerry Greenwell. Hosts for the breakfast were Chaplain (Maj.) Benjamin F. Meacham (third from left) and Father John L. Howard, base Catholic chaplain (third from right).

Brazos Water Unit Looking To Future

WACO (AP)—The huge Brazos River Authority is making a multi-million dollar wager that Texas' growing economy will need a tremendous amount of water in the next 50 to 100 years.

The authority has contracted to pay the government \$24 million for water conservation storage spaces in reservoirs either constructed or building in the river's watershed.

The payment is for 845,000 acre feet of space in the federal reservoirs in which to store flood and storm waters so that water originally wasting into the Gulf of Mexico will be on hand for the cities, industries and irrigators of the future when it is needed.

WILL GROW

An acre foot is 325,851 gallons. As J. Howard Fox, president of the authority's board puts it: "We of the Brazos Authority board firmly believe that Texas will grow... And we know that as this growth matures, the people and the industries must have water to survive and prosper. It is our aim to see that the water is available in the Brazos River watershed when it is needed."

This \$24 million gamble is a distinct vote of confidence that the customers for this water will be created by the growth of the state, an authority spokesman says.

The authority, while created by state law, is self-supporting and receives no revenue from state taxes. It sells water and power to pay for its planning and conservation practices.

LARGER DAMS

The action of the authority in contracting for storage space allows Army Engineers to build larger dams in the watershed and at the same time create "banks" for deposits of water that can be used for cities, industries, irrigation, recreation and other purposes.

The government by law may build dams and lakes on the streams of Texas only primarily for flood control, recreation and wildlife. It cannot spend money for water conservation space. The way the agreements work in this explains an authority spokesman, the Army Engineers plan a dam and reservoir for flood control. The authority then says, "How much water conservation space can be added on top of your flood water space?"

BASED ON RUN-OFF

The Engineers Corps arrives at a figure based on the run-off of the stream. The authority agrees to pay the cost of adding that much space to the dam and reservoir.

The water in this space then is available for authority use. The river organization then must find customers—cities, industries, irrigators and the like—

Missing Link Found In Africa

WASHINGTON (AP)—Discovery of the remains of a strange creature—14 million years old and showing characteristics heading toward those of modern man—has been announced by a famed British anthropologist.

The discovery marks the earliest yet in the chain of evolution leading to man.

The announcement was made by Dr. L. S. B. Leakey who said the discovery—including two pieces of jaw and a tooth of the creature—was made in Kenya, Africa.

He told a news conference that while the creature is neither like present-day men nor apes, its discovery "fills one more of the important and major gaps in our story of human evolution."

He added that today, science still knows less about the evolution of man than it does about the evolution of "the horse, the elephant, the rhino or the pig."

to whom it can sell the water to help pay off the federal government contract.

The board has taken another giant step to provide even more water space in federal reservoirs, some of which are not yet off the drawing boards.

It has signed letters of intent to purchase an additional \$64 million worth of space, this paying for 2,758,900 acre feet storage in the reservoirs.

ACRE FEET

This is a total of 3,603,900 acre feet of space to be purchased for more than \$88 million.

In addition, the authority plans to construct another 155,000 acre-foot reservoir of its own at De Cordova Bend on the Brazos and is negotiating with the Corps of Engineers to create a 50,000-acre water storage space in Lake Whitney.

The latter move will add another \$1,068,410 to the total to be invested in water for Texas' future.

The authority owns Possum Kingdom Reservoir near Mineral Wells on the Brazos, an investment of more than \$9 million, constructed in 1941.

Here are the contracts already

perfected for water storage spaces, storage space in acre feet and capital cost:

Lake Belton on the Leon, 360,700, \$4,992,607.

Lake Waco on the Bosque, 104,100, \$5,621,000.

Lake Proctor on the Leon, 31,400, \$1,707,900.

Lake Stillhouse Hollow on the Lampasas, 204,900, \$6,893,630.

Lake Somerville on Yegua Creek, 143,900, \$4,862,615.

Letters of intent to purchase have been signed on these proposed reservoirs:

Lake Milliken on the Navasota, 2,350,000, \$45,000,000.

Lake Laneport on the San Gabriel, 193,200, \$9,675,000.

Lake North San Gabriel on the San Gabriel, 126,700, \$5,694,000.

Lake South San Gabriel on the San Gabriel, 89,000, \$3,708,000.

NATIONWIDE TRAILER RENTAL

Local & one way, all sizes, coast to coast service. Trailers, Snow Tilers, Fertilizer spreaders, power mowers, moving dollies, hand pumps, cement mixers, low bars, hitches, sanders and polishers, many other items.

Missionaries From Burma Schedule Big Spring Visit

The Rev. and Mrs. Glenn Stafford will speak at the First Assembly of God Church, Fourth and Lancaster, Sunday at both 11 a.m. and 7:30 p.m. services. The visitors will dress in native costumes of Burma, show color slides and other curios.

The Staffords went to Burma as missionaries in 1957. They pioneered and supervised an evangelistic center in Rangoon, Burma. He served as business agent for all the Assemblies of God missionaries in upper Burma and was elected superintendent of the church there.

Previous to their missionary work, Rev. Stafford pastored Central Assembly of God, Lubbock, and was associate at the first church in Amarillo.

He is a graduate of Southwestern Assemblies of God College in Waxahachie and received ministerial ordination with the West Texas District Council. During World War Two, he served in the armed forces and fought, among other places, in Burma.

The couple have three children.

BURMA MISSIONARY TO SPEAK HERE
Rev. Glenn Stafford and family

Apostolic Faith

The Rev. R. D. Wooster, 11 a.m.; 7:30 p.m., Sunday school, 10 a.m., Wednesday evening, 7:30 p.m., 1937 Goliad.

Baptist

BAPTIST TEMPLE — The Rev. A. R. Posey, 11 a.m., "Obstinate Mind"; 7:30 p.m., evening worship.

HILLCREST BAPTIST — The Rev. H. L. Bingham, 11 a.m., "The Significance of Christ's Baptism"; 7 p.m., "Almost a Christian."

FIRST BAPTIST — The Rev. Robert Polk, 11 a.m., "The Confession of Christ"; 7:45 p.m., film strip, "Decade of Decision," followed by sermon.

EAST FOURTH BAPTIST — The Rev. Billy Rudd, associate pastor, 11 a.m., morning worship, 7 p.m., song and sermon on "The Glorious Christ."

PHILLIPS MEMORIAL BAPTIST — The Rev. Warren H. Capps.

First Baptist Schedules Film

"Decade of Decision," a film outlining the reasons for and objectives of the Crusade for Christian Education, will be projected at the evening services of the First Baptist Church at 7:45 o'clock Sunday.

The Rev. Robert F. Polk, pastor and associational chairman for the crusade, said that the film, narrated by Gregory Wolcott, touches on the background for the four-year effort to strengthen enrollment and denominational training as well as to bulwark efforts in needed buildings in Baptist colleges in Texas. Wolcott, a Christian lay leader, is the star of the new NBC television series, "87th Precinct."

CHURCH BRIEFS

FORT WAYNE, Ind. — The Accrediting Association of Bible colleges says a study of the records of 181 seminary students shows that graduates of Bible colleges generally achieve as well scholastically in seminary courses as those from liberal arts colleges and universities.

GENEVA — For the first time in its 14-year history, the Lutheran World Federation has scheduled the annual meeting of its executive committee, June 27-30-July 1, in a Communist-ruled country — at Warsaw, Poland.

KNOXVILLE, Tenn. — Music is "the most important ingredient in worship," says the Rev. W. Morris Ford, a Longview, Tex. Baptist. He told a church music clinic here that singing "can be an act of worship itself."

Church Of God

GALVESTON CHURCH OF GOD — The Rev. J. T. Melton, 11 a.m., "Where Are We Today?"; 7:30 p.m., "Is the Coming of the Lord Near?"

CRESTVIEW BAPTIST — The Rev. R. B. Murray to fill the pulpit for both morning and evening services.

SALEM BAPTIST — The Rev. Leslie Kelley, 11 a.m., "Standing by the Cross"; 8 p.m., "The World's Most Tragical Prayer Meeting."

Catholic

IMMACULATE HEART OF MARY CHURCH — Mass will be at 8 and 10 a.m., rosary and benediction are at 7 p.m. Sunday Confessions are heard on Saturday from 4:30-6 p.m. and 7-8 p.m. Weekday masses are at 7 a.m., except on Wednesday when it is read at 6 p.m.

ST. THOMAS — Sunday evening mass, 6 o'clock, Father Francis Beazley.

SACRED HEART — (Spanish-speaking), The Rev. Fr. Patrick Casey, Mass at 8 and 10 a.m. Confessions Saturday from 5-6 p.m.

Christian

FIRST CHRISTIAN — The Rev. John Black Jr., 10:50 a.m., "Power Unlimited"; 7 p.m., Chap. Benjamin F. Meacham, speaker.

Christian Science

The healing power of scientific prayer will be brought out at Christian Science services Sunday in scriptural readings for the lesson-sermon entitled "Matter."

Church Of Christ

14TH AND MAIN CHURCH OF CHRIST — Curtis Camp, 10:30 a.m., "Does It Look Good to You?"; 7 p.m., "An Unjust Steward Commanded."

First Church Of God

FIRST CHURCH OF GOD — The Rev. V. Ward Jackson, 10:50 a.m., "Carried by Four"; 7:30 p.m.,

Revival Planned At Westbrook

WESTBROOK (SC) — The Rev. Darrell Robinson, pastor of the Midway Baptist Church and former pastor at Forsan, will be the evangelist for the Spring revival of the First Baptist Church here which begins April 1. The Rev. Kenneth Andress, pastor, will be in charge of singing and Mrs. Charles Ranne will be pianist. Rev. Andress appointed a revival committee last Sunday including Mrs. Herman Parsons and Mrs. Alvis Clemmer, publicity; Mr. and Mrs. Charles Ranne, Mr. and Mrs. James Jarratt, and Mr. and Mrs. Ralph Bryant, visitation and prayer; Mrs. W. A. Bell and Mrs. Charles Gressett, hospital-ity.

The Greatest Commandment

THE GREAT BASIC PRINCIPLE OF LOVE FOR GOD AND MAN, AND CHRIST'S REINFORCEMENT OF THIS PRINCIPLE

Scripture—Deuteronomy 6:4-5; Leviticus 19:18; Matthew 19:16-22; 22:35-40; Luke 10:25-37.

By N. SPEER JONES
OUR SUBJECT for the first quarter has been "Jesus and the Ten Commandments." In this lesson, the last in the quarter, we conclude with what has been called the Eleventh Commandment.

Although it may be called the Eleventh, it is far from an addendum; it is rather the one from which all the other Ten Commandments proceed. If one truly obeys this commandment, the others will follow naturally. The heart and the soul are mentioned separately in this commandment. The heart would designate the center of man's emotions, especially of love. The soul would designate the center of man's personality.

In the enlargement of this idea as expressed in Leviticus

19:18, we find once more the image of man as a reflection of his Maker. The chapter begins with the injunction for man to be holy, for God is holy.

It is only on this basis that we can hope to follow God's injunction to love our fellow men. We cannot hope to achieve it on the mere basis of natural affinity, or common interests or personalities; on this basis there are far too many of our neighbors who not only fail to attract us, but positively repel us. Our only hope is a deep appreciation of the fact that we are all children of the same God, and that the seed of holiness is therefore in us all.

The two commandments cited from Deuteronomy and Leviticus are related and given pre-eminence by none less than

achieved through love of nature. He may bring respect, reverence or fear, but not love. Love of God is based on knowledge of God, he reasons; love comes of "approbation of and inclination toward" as we know the underlying good. Thus he recommends not the study of nature but the study of God through Christ.

The story of the rich young man told by Christ to give away his wealth (Matthew 16:19-22) is not to be taken to mean that all wealthy persons should do likewise. It was necessary in the case of this particular rich man because he had made his wealth his god. The important point, for rich and poor alike, is the necessity of God's preeminence in our lives.

"CHRISTIAN UNITY"

One of man's greatest deflections and deviations from the will and word of God is his disparagement and divergence from Bible teaching concerning unity. Men in these up-to-date and fashionable days do not have the aptitude and compatibility of mind to either believe or practice the truth of John 10:16—"there shall be one fold and one shepherd". The very pronouncement of the Bible teaching of the one church as found in Col. 1:18, Mt. 16:18, Eph. 1:22-23, Eph. 2:16, 4:4 et al. often finds an incongruity against what these passages say, an incongruity born of ignorance of the scripture and often a direct clash against the Bible for teaching that there is but one body—or church and this clash versus the truth is sometimes so hostile and antagonistic that it does not become a fair minded soul. Jesus prayed, as recorded in John 17:20-21 that all who would in succeeding time come to believe on Him would be one—that the world might believe. The modern religious division of "Go to the church of your choice—after all what difference does it make" is rooted in a basic disbelief in what God has to say through His word.

The scriptural reason there is but one church is because God gave but one and only one way of saving a person from sin. A man must believe in God and in Christ His Son and this faith must be confessed before men, Rom. 10:9-10, people who thus do believe were told and still are told by preachers who have an aptitude to believe the Bible and concur therewith in their teaching to "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins—" Acts 2:38. These people who thus obey and spoken of in Rom. 6:3-4 as being baptized into the death of Christ, this is where His blood was shed, that is in His death, John 19:34. God has our obedience in repentance and baptism in the likeness of Christ's death and burial. Then in baptism we are not only buried with Christ but raised to "Walk in the newness of life," we are "Raised" from the waters of baptism to thus walk. I think it appropriate to say that the reason men are in dispute against this truth is either an ignorance of it or a dissatisfaction with it or perhaps both. Those who obey are "Added" to the church, Jesus built only one—Eph. 4:4, Mt. 16:18. The Greek "Ecclesia" from whence comes "Church" means "Called out"; God has but one way of calling people out of sin.

Our meeting started March 19th, 1962 with Paul Rogers preaching. DO COME!

Elbert R. Garretson, evangelist

Give God A Chance—God Will Open Doors For You!

NEW...

BUT NOT DIFFERENT

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Here and there America is building modernistic churches.

No one's quite sure where the trend will lead... or whether it yet should be called a trend.

But the thousands who have worshipped in these contemporary sanctuaries seem certain of this: The new architecture hasn't changed the age-old faith. Christianity has known many forms

of worship, many terms of expression.

But there has always been Unity underlying diversity. Christians worship the same God and Lord; they revere the same Cross; they search the same Scriptures.

Through human architects who express their devotion in different forms, The Divine Architect is pointing all men to the spire of Faith.

Sunday I Corinthians 3:1-9	Monday I Corinthians 3:10-17	Tuesday Ephesians 2:17-22	Wednesday Ephesians 4:1-8	Thursday Ephesians 4:9-16	Friday Hebrews 11:4-11	Saturday I Peter 2:4-8

Citizens Aid Fire Victims

Two families whose homes and possessions were recently destroyed by fire have received help from other citizens in the area. Big Springs have been generous to the Cleveland Gossett family after their second encounter with disaster in six years.

Many of the household furnishings which were burned Saturday had been replaced, according to Mrs. L. C. Gibbs, at the Pancake Patio, where Gossett works. Supplies of clothing have been replenished and other articles have been donated.

An Airman from Webb AFB donated a used refrigerator; a dining room table was given, and springs and a mattress followed.

Other citizens made donations of cash or used clothing. Someone gave the family a heater.

"We received 18 boxes of clothing at the Pancake Patio," Mrs. Gibbs said.

Gibbs said, "and others brought their donations directly to the family at 806 Wyoming."

About all that is still needed to fill in the bare furnishings are a stove and some underclothing for the children, Mrs. Gibbs said. There are six boys in the family ranging in age from two to 16 years and two girls. Another child is expected soon.

The family rented a house after the recent disaster. No lives were lost, in this instance, but the previous fire cost the lives of three of the Gossett youngsters.

A household shower was conducted Thursday night at the Knott School to help the Richard Thomas family. Their home and all its contents were destroyed by fire March 14.

Almost the entire Knott community and other persons from Ackerly and surrounding communities turned out for the shower, according to Mrs. Thomas. There were cash donations as well as linen, towels, dishes and many other household articles.

"We have had many persons offer the use of major appliances and beds until we can get them replaced," Mrs. Thomas said. "We hope to get set up in our own home again next week."

Mr. and Mrs. Thomas are staying in the home of Dr. and Mrs. Paul C. Young, at the Big Spring State Hospital. The children are with neighbors in Knott so they can continue to attend school. Dr. and Mrs. Young are presently in California and will return next week.

LEGAL NOTICE

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF TEXAS, ARKLAKE DIVISION, DISTRICT OF ARKLAKE, TEXAS, IN RE: THE ESTATE OF JAMES EARL RAY, DECEASED. NOTICE OF HEARING ON PETITION FOR PROBATE OF WILL AND APPOINTMENT OF ADMINISTRATOR.

TO: Mrs. Clarence A. Russell and Tom Niles, of their heirs, legal representatives, or successors in title, and unknown others.

You are hereby notified that a complaint in condemnation has heretofore been filed in the office of the Clerk of the above named Court, and that the same is now pending for public use for establishment of additional facilities in connection with the Webb Air Force Base, Howard County, State of Texas, and other lands owned or to be owned by the United States of America.

Roy Farmer Dies Thursday

COLORADO CITY (SC) — Roy Farmer, 79, retired Colorado City merchant, died in the Root Memorial Hospital Thursday morning.

He was born July 26, 1891 in Hillsboro and moved to Mitchell City in 1904, then to Colorado City in 1906. He operated a bakery and candy shop and later operated a candy shop and news stand. He had been the Colorado City agent for the Fort Worth Star Telegram for 21 years. He was a member of the First Christian Church.

Funeral will be held Friday at 2:30 p.m. from the Kiker and Son Chapel in Colorado City. Burial was to be in the Colorado City Cemetery.

He is survived by a sister, Maude Farmer, Colorado City.

Civil Service Exam Changed

The U. S. Civil Service Commission has amended its examination announcement for treasury enforcement agent (grade GS-7, \$5,355 a year) to include grade GS-5 \$4,345 a year for employment in the treasury enforcement agencies in the states of Texas, Louisiana, Arkansas, Oklahoma and New Mexico. Full information and applications may be obtained from the post office or from executive secretary, Board of U. S. Civil Service Examiners, Treasury Department, Internal Revenue Service, 1114 Commerce Street, Dallas 2, Texas. Applications will not be accepted after April 30, 1962.

Cubs Name Islands

COAHOMA — Cub Scout Den 3 met Wednesday afternoon with seven Cubs present. After the flag ceremony, the Cubs answered roll call with the name of a Caribbean island. Mrs. Achard told about the islands and explained a picture display. Den Chief Mike Brady conducted the activity, period and closing ceremony and then served refreshments.

Juvenile Officer Quits At Lamesa

LAMESA (SC) — Bill Hollingsworth, Dawson County juvenile officer since Jan. 1, 1961, resigned here Wednesday. The resignation was submitted during a special session of the county juvenile board and will be effective April 1. Hollingsworth said he is resigning "in order to devote full time to other businesses." Hollingsworth was elected constable of the county in the general election of November, 1960, but resigned to take the position of juvenile officer.

Minuteman In Successful Test

CAPE CANAVERAL, Fla. (AP) — A Minuteman intercontinental range missile was launched from an underground pit Thursday night on a successful test flight of more than 4,000 miles. The success was the seventh in a row for the Minuteman and advanced it another notch toward an operational goal of late this year. Once ready, hundreds of the solid-fuel missiles will be stationed in protected silos, ready for instant retaliation in case of attack.

Y Carnival Set Saturday

A marriage booth will be one of the attractions at the World Service carnival to be held by HI-Y and Tri-Hi-Y Clubs at the YMCA Saturday night.

Boys and girls will be able to get genuine paper rings and licenses and may step before the "minister" as often as they can afford—at 10 cents a ticket.

Six high school and 11 junior high clubs are sponsoring this evening of fun for the public to raise funds for World Service work of the Y.

Senior girls will sponsor the marriage booth while senior boys will handle events at the swimming pool.

A coin toss is scheduled for junior girls. Sophomore girls will conduct a dart toss and sophomore boys will have another version of the dart toss.

The doors will open at 7 p.m. for the many events and the booths will stay open until 9 p.m. At that time a sock hop sponsored by the junior boys will be conducted in the gymnasium.

Tickets will be available for 10 cents each at the door. They can then be used for any of the games or attractions.

Gets Chance For New Trial

SAN ANTONIO (AP)—A Negro sentenced to life in prison 24 years ago for raping a white girl has a chance for a new trial.

Fleming Nolden Jr. won the right to take his case to the Texas Court of Criminal Appeals.

Lawyer Robert Darden argued Nolden's Bastrop County trial was illegal because he was only 15 at the time.

He said Texas law then barred prosecution of a juvenile as an adult if the court was aware of his age.

Nolden testified that a sheriff's deputy and a district attorney beat him until he confessed attacking a 6-year-old girl.

Rehearsal Set For 'Messiah'

The first orchestra rehearsal for "The Messiah" will be held at 3 p.m. Sunday at the Ector County Coliseum in Odessa. All West Texas instrumentalists are invited to attend and the music will be provided.

James Gambino, director, is hoping for a 100-piece orchestra to accompany the choir, which is scheduled to give a benefit performance Palm Sunday, April 16, at 3 p.m. in the coliseum. The proceeds will go to further the work of Otto's Boys Ranch, and all tickets, on sale now at the Chamber of Commerce offices, throughout the Permian Basin, are a dollar each.

Civic Theatre Production Provides Enjoyable Evening

It was an enjoyable evening of drama Thursday, as the Big Spring Civic Theatre opened its second production of the year, "Marriage-Go-Round." Chuck Worley, who continues to surprise his fellow theatre workers with his many-sided talents, has done an excellent job with the direction.

Performances are scheduled at 8:15 p.m. tonight and Saturday. Tickets at the door are \$1.75 for

adults and 75 cents for students and Webb AFB airmen.

The set and the performances for "Marriage-Go-Round" are well done, pushing the local amateur theatre group further along the road toward consistent success. In particular, the set shows exceptional polish, as developed in the hands of John Holdin and David Brinkley. Pure simplicity is a pleasant relief from the usual conglomeration of stage artifacts that

sometimes detract, more than they help, a stage drama.

On the technical end, Roy Rogan's sound system probably contributed as much as any other single thing to the production. The voices are picked up and amplified almost perfectly, as are the musical selections. Except for a few slips at the auxiliary light switches, this part of the show was well done.

Members of the cast carry their long roles and difficult accents rather well. David Guy, who was named to the cast of "The Rainmaker" but had to drop out because of his work load at Webb AFB, turns in a sparkling performance. He is another of the recent "finds" and is sure to be asked back for future productions. Richard Robertson, who plays the male lead, and Iris Mol and Donna Lee, female leads, give able interpretations of their parts. Surprisingly, there were few bobbles in the lines, which is unusual for a BSCT production, particularly one with long parts. All four cast members will be high on the wanted list for future productions.

Moll Hartog is in charge of costume and Sandra Ciochi planned properties. Both also doubled as prompters. Bob Lewis was in charge of ticket sales and he and Art Clonts worked on the program.

The hair styling is by Gordon's and Montgomery Ward provided furniture. Holdin prepared sound effects and the set crew included Richard Shaughnessy, Jim Beauchamp, and Ray Morrison.

Clonts, hard-working BSCT president and producer for this play,

was in the audience for the first time Thursday night. Since joining the organization to play the romantic lead in "The Warrior's Husband," he has had a part in every production until this one.

The biggest accolades for the current show are sure to go to Worley, who has worked in local theatrics as long as anybody can remember. He has done everything from sweeping the floor, nailing up boards in the Playhouse, giving an outstanding performance on stage, and now directing a polished, smooth production.

Amateur theatre, an often thankless effort, is a demanding and time-consuming hobby. The local organization has been plagued by a consistent turnover that gobbles up talent, only to lose them after the Herculean efforts of one play. But gradually, a hard core of workers are beginning to breathe new life into the group, as evidenced by "Marriage-Go-Round." Could be this play will be the one to launch the organization toward a brighter future.

Kennedy Removes Stockpile Secrecy

WASHINGTON (AP)—President Kennedy has ordered the cover of secrecy stripped from some of the piles of strategic materials the government has hoarded against future wars.

He acted in advance of a Senate investigation which is scheduled to open soon.

Kennedy suggested at a news conference Jan. 31 that an investigation was needed. He said then the cloak of secrecy which has surrounded the program may have been justified originally to conceal shortages, but this is no longer the case, and secrecy now is only an invitation to mismanagement.

He called the stockpile a questionable burden on public funds.

White Stag

Tres terrifique, tres chic here or anywhere on the globe—the longer length pullover with a French fashion flavor plus the comforting touch of 100% cotton lisle knit. Terrific, too, colorful ticking stripes over solid color surfers in "Sanforized-Plus" cotton Sailcloth. Multi-stitched waist detailing, side zip and slanted pockets, leg vents.
