By Bill Ellis

IN THE SPRING, a young man's fancy usually turns to a number of things, hardly ever including school work.

Some years, the interest lies in yo-yos. Recently, it has been the "string fad," where string figures are constructed. Kids have also gone through the spinning top fad a number of times.

This year, apparently the "new fad" is marbles, since our junior high son has had to come up with a bag of marbles, and isn't ready for school unless he has his marble collection along with his books and other paraphernalia.

Now, we don't want to shatter the kids' fun in the least, but we're here to tell them that marbles have been around for a good spell. We can personally guarantee they were popular during the last generation, and according to what we can read and hear, they have been around for a lot longer than that.

When we were about "junior high" age, we prided ourselves in being a pretty fair marble player. When you got to be a salty shooter, you usually got into a game of "keeps," where all the players put the marbles they want to risk into a ring (or onto the ground, and make the ring size accordingly), and then take turns seeing who can come out with the most of everyone's marbles.

It took a lot of work to develop your style, and to come up with a "shooter," also referred to as a "taw." A good "taw" is drastically important to the marbles player. It's just like a gun to a hunter. It has to be chosen with tender, loving care, and not just by accident or chance. Your whole success as a marbles player may depend upon selecting the proper "taw."

Down in Bailey County, and southern Parmer County, we played "Rolley Holey," a game consisting of four holes. Three were in a line, with the fourth at a right angle to the end hole. After you made all the holes with your taw, you were "poison," and could set out after the other players' taws, and put them out of the game by shooting their marbles.

You also gained the privilege of using a "hand span" before your shot after reaching a certain hole, usually the fourth one. This allowed you to get closer to a player's taw so you could pop him one.

Before you were poison, the players who were "shot" had to return to the first hole and start the sequence over. If our memory doesn't fail, you were given the privilege of skipping the next hole as prize for sending someone back to the starting line.

WE ALSO PLAYED chase-ums, otherwise known as "chasties," and this was just what the name implies. You took your favorite taw, and after your opponent shot, tried to hit his marble, or come as close to it as you could. If you hit it, he had to chase you.

During the height of our marble-playing days, we always had an indentation on our right thumb nail from "shooting" so much. We're surprised it isn't still there.

There are a number of game variations, according to the part of the country you are from.

The types of marbles used also varies. Certain marbles are becoming collector's items. We have a goodly number that we still keep in an old battered sack that

we use for our various games of "keeps," or in our various moves. If Stanley or Richard ever show any promise as a marbles player, perhaps we will divide them out—not to take to school, but to put up, so someday they can show their friends what a 100-year-old marble looks like.

Among marbles, there are the "agates," or "aggies," made from marble or agate, the "immies," which were made of painted, glazed or fired clay, "glassies," made of glass, and "steelies," naturally made from steel.

You always shuddered when some player chose a "steelie," for his taw, and aimed at your favorite "agate." Getting a chip in your taw brought on the same remorse as getting that first dent in a new car.

The game of marbles goes back (Continued on Page 2)

MARBLE FAD...The old game of marbles has returned as a fad this year in Friona, and the youngsters are picking it up. This group of junior high boys are shown during

the new noon-hour pastime. Trent Johnson, left, watches the shooting style of Jay Norsworthy, while Stanley Ellis, second from right, and Michael Maynard also watch

and wait their turn to shoot. Marbles are really not a new fad. (See comments in Star Lites column at left.)

HERE SATURDAY

School, City Elections Set

Saturday, April 3 is election day in Friona, with contested races slated for the Friona City Council and the Friona school board.

The Friona Fire Station will be the polling place for the combined election. Polls are to be open from 7 a.m. until 7 p.m.

Absentee voting ended on Tuesday for two elections, and more than average interest was indicated, especially in the school board race.

Superintendent of Schools Tom Jarboe said that a total of 35 people cast absentee ballots in the board race, while 18 had voted absentee at City Hall. The number of absentee voters in the school election was about twice the number which had cast absentee ballots a year earlier.

Biggest slate of candidates will appear on the school board ballot, where eight candidates have filed for three positions which are expiring on the board.

Garrison Resigns As Coach

Mike Garrison, head football coach at Friona High School, tendered his resignation this week

assistant's capacity at Odessa High School.

The Friona School Board held a special meeting Thursday night and agreed to release Garrison from the balance of his two-year contract.

Garrison was hired last May from a field of 29 applicants for the position at FHS. He indicated he was sorry to be leaving before his program could be fully tested.

In Garrison's lone year as head coach, the team struggled to a 2-8 won-lost record, the worst at FHS since the winless 1962 team went 0-10.

Garrison asked to be relieved effective April 9, so as to help with spring training at his new post. In addition to coaching football and track, he had taught three sections of world history at Friona High School.

Candidates are Floyd S. Reeve, Joe Allen, Gary Snead, M.C. Osborn, Gaylord Maurer, Dr. Jon Mack Roden, George Frye and Teddy Fangman.

Reeve is the lone incumbent from among the school board candidates. The holders of the other two seats on the board which are expiring, Doyle Elliott and Floyd Schueler, did not seek re-election.

On the City Council, Mayor R.L.

Fleming is unopposed for re-election to a new two-year term.

Four candidates are seeking the two places on the city council which expire this month.

Seeking alderman posts are B.K. Buske, Jerry Loflin, H. Ray White and Bill Stephens. Loflin is seeking election to his second term on the city council. Incumbent Troy Young, finishing a third term, did not choose to seek re-election.

Pet Clinic Set Here On Friday, April 9

Dr. Gary Cash, Friona veterinarian, will conduct a small animal vaccination clinic on Friday, April 9 at the Friona Fire Station.

Dr. Cash will be at the fire station between the hours of 3 p.m. and 5 p.m. on Friday to administer anti-rabies shots. The City of Friona will also sell tags for the animals at the same time.

Charge for the service will be \$2.50 for the vaccination and \$2.50 for tags, or \$5.00 per animal.

City Manager Jake Outland reminds pet owners that City Ordinance Number 81 provides for levying of tags and vaccinations for pets kept within the city limits.

The tags serve the purpose of helping to identify the pet.

VERY INTERESTING...Ernie Crutchfield and Kelly Anderson seem to be showing a lot of interest in what this book says. April 4-10 has been proclaimed National Library Week. These two kids are

really getting an early start at being bookworms. They are the children of Mr. and Mrs. Troy Crutchfield and Mr. and Mrs. Marvin Anderson.

TO CEMETERY

Fund Started To Pave Road

A fund drive to raise the money to pave the road to Friona Cemetery has been kicked off, following a series of meetings at which the project was discussed at length.

Glen Herring, chairman of a committee appointed to look into the prospects of paving the road, reported at a meeting last week that two bids had been received on the project, which measures one and one-half miles.

Boswell & Crafton Construction Co., who built State Highway 214 from Friona to Hub, has bid \$45,360, providing the project can be started before they have to move their men and equipment.

Jake Diel Pavers of Hereford submitted a bid of just over \$50,000.

Herring said the bids were based on putting down a 24-foot caliche base and a 22-foot blacktop from the "Wells Corner" on U.S. Highway 60 to a mile north. The half-mile east to the cemetery would feature a 20-foot base and an 18-foot wide pavement.

It was pointed out that Highway 214 north of Friona is a 20-foot

pavement, in order to visualize the type of pavement being talked about.

The one-half mile east-west pavement would be carried the length of the cemetery, or to the east side.

The committee has set May 1 as the deadline for raising the needed money to do the project. It is needed by this date if the low bidder, Boswell, is used.

An account has been established at Friona State Bank for all those wishing to contribute to the project. Those wanting to have a part in the paving may either send the money to the bank, or contact the Friona Cemetery Association. C.L. Vestal is president.

If the total amount needed is not raised, all money donated will be refunded, Herring stated.

It was brought out that the Cemetery Assn. has a fund which might be used for the paving.

Boswell & Crafton Construction Co. indicated that the job could be done in a relatively short time, if they are selected to do the work.

GIVE CHECK...Lucy Jones and Lillie Taylor, representing the Friona Rebekah Lodge, are shown with a check their organization presented to the fund drive to pave

the road to Friona Cemetery. A drive is underway to raise approximately \$45,000 by May 1 for the project.

CONDITION STABLE

Brookfield Injured In Drilling Mishap

Floyd Brookfield was in stable condition at press time, having undergone emergency surgery in Amarillo Wednesday afternoon.

Brookfield, owner of Brookfield Drilling, was injured at about 11 a.m. Wednesday at a drilling site about four miles north of Black.

According to reports, a piece of metal fell from the top of the drilling rig, striking Brookfield on the head. Two of Brookfield's employees were at the site with him.

from Parsons-Ellis Ambulance Service, and Brookfield was brought to Parmer County Community Hospital, where he received emergency treatment.

The longtime Friona businessman was transferred to Amarillo where he underwent surgery at St. Anthony's Hospital Wednesday afternoon. Brookfield sustained a cracked skull from the blow on the head.

A spokesman for the family said Thursday that Brookfield was responding well from surgery, and

Stevick Jumps From Falling Ditch Machine

James Ray Stevick, 20, escaped injury Wednesday morning when he jumped clear of a ditching machine that he was unloading west of Friona.

Reports indicated that Stevick, an employee of Stevick Ditching Co., was backing the ditcher off a trailer on the Sloan Osborn place west of town when he became aware that something was locked and the machine began to fall. Young Stevick jumped off the

machine backwards and landed flat on his back. The machine toppled off the trailer and landed on its side, but missed Stevick.

A brother, Ronnie Stevick was at the scene, and he used his CB radio to summon an ambulance, and cautioned James not to move.

Stevick was taken to Parmer County Community Hospital for X-Rays, and was kept in the hospital awhile for observation. The X-Rays revealed no broken bones.

Friona Flashbacks ...from the files of The Friona Star

45 YEARS AGO—APRIL 10, 1931
Main Street has finally been put in good shape, having been in a disgraceful condition all winter. Commissioner W.M. Alexander suggested that the city buy a four-horse light maintainer, costing about \$250 and after each rain hire a man and team to smooth the streets. He believes that one man with four horses can be hired at \$7.00 a day and that he could scrape every street in town in one day.

40 YEARS AGO—APRIL 10, 1936
Issue missing in Star files.

35 YEARS AGO—APRIL 11, 1941
Local news items revealed that Lee Spring was in Lubbock recovering from an appendectomy, and Ray Landrum was in a Clovis hospital, having had the same operation. Walter Loveless suffered a broken leg in a farm accident involving a tractor.

30 YEARS AGO—APRIL 12, 1946
Raymond Schlabs exhibited the grand champion boar, and Joe Osborn had the grand champion female, in the Farmer County Livestock Show in Friona last Friday and Saturday. Other winners included Friona FFA, the grand champion bull; R.V. Miller, senior champion female; Lloyd Rector, junior champion female, and Miller, grand champion female.

School Lunch Menu

Week of April 5-9
MONDAY—creole spaghetti, buttered English peas, hot rolls-butter, pickled beets, chocolate cake and milk.
TUESDAY—fish, buttered corn, hot rolls-butter, tarter sauce, English peas, banana nut cake and milk.
WEDNESDAY—fried chicken, mashed potatoes and gravy, hot rolls-butter, buttered carrots, strawberry short cake and chocolate milk.
THURSDAY—barbecue, pinto beans, cornbread-butter, potato salad, apple cobbler and milk.
FRIDAY—hot dogs, French fries, cookies, pork and beans, catsup and milk.

25 YEARS AGO—APRIL 5, 1951
On Monday, April 2, the Masonic Lodge in Friona was set to work under a dispensation from the Grand Lodge of Texas. Officers installed were Charles S. Bainum, Worshipful Master; Elroy Wilson, senior warden; and Edd Boggess, junior warden. A ham and bean supper was served to 149 Masons representing six states and 26 different lodges.

20 YEARS AGO—APRIL 6, 1956
"Law West of the Pecos," a three-act comedy, will be presented by members of the Friona Lions Club here on April 27. Directed by Andy Hurst and Hollis Horton, the cast will include John Lamb as Roy Bean; Jimmie Baxter, A.L. Black, Deon Awtrety, Weldon Dickson, Hank Outland, Pudge Kendrick, Joe Ferrell, Charles Allen, Steve Bavousett, J.L. Marcum, Wesley Foster, Hugh Blaylock and a gang of other Lions as Can Can girls.

15 YEARS AGO—APRIL 6, 1961
Bill Nichols, Kenneth Williams and Wright Williams were elected to the Friona City Council Tuesday, in the annual city election.

Andy Hurst, Mrs. Ralph Wilson and Jane Williams were recognized as the community's outstanding citizens at the Chamber of Commerce and Agriculture Banquet Tuesday night. Hurst was named "Man of the Year," Mrs. Wilson was honored as "Woman of the Year," and Mrs. Williams was chosen "Most Courteous Employee."

10 YEARS AGO—APRIL 7, 1966
W.L. (Preach) Edelson was

Star Lites ...

(Continued from Page 1)

to Elizabethan times in England, at the least. One Sussex village, Tinsley Green, has had an organized championship event since that time. Clay marbles which are 200 years old are preserved for the tournament.

Several years ago, a crew of American sailors challenged the Tinsley team, but were beaten, 33 marbles to 16. Captain of the Tinsley bunch was an 86-year-old, and the star of the team, who was 52, was nicknamed "Hydrogen Thumb."

It is believed that such games as bowling, billiards and golf have evolved from marbles. Pinball machines use large steel marbles. Chinese checkers, a very popular game for years, can't operate without marbles.

Marbles are melted by manufacturers to create fiberglass. They are used as agitators in aerosol cans; they are inserted in road signs as reflectors, in oil filters, and even by mausoleums where they are used to slide caskets into wall crypts.

This probably amounts to everything you ever wanted to know about marbles, but were afraid to ask.

elected mayor, with Dr. Lee Cranfill, and Rene Snead being named aldermen in a good turnout of voters in Friona's city election Tuesday. Edelson received 179 votes. Outgoing mayor J.C. Claborn, on the strength of a last-day write-in campaign, received 105 votes. The second candidate on the ballot, Ben D. McDonald, received 58 votes.

5 YEARS AGO—APRIL 8, 1971
Next Monday, April 12, is the date the county commissioners are to vote on participating in the continuance of an ambulance service for the county. That day is also the day that Claborn Ambulance's lease is up on their ambulance, and they have indicated a need for a decision on the question. This week, the Friona City Council officially went on record as willing to subsidize the ambulance service \$200 per month if the remainder of the \$720 can be pledged.

Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates:

Wednesday, April 7—Needmore, 9-10 a.m.; Stegall, 10:30-11:30 a.m.; and Threeway, 12 noon-2 p.m.

Thursday, April 8—Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona, 1-1:30 p.m. and Hub, 1:45-2:45 p.m.

Friday, April 9—White's Elevator, 10-11 a.m.; Lazbuddie 12 noon-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.

Saturday, April 10—Farwell, 8:55-11:50 a.m. and Friona, 1-3:45 p.m.

Letters To The Editor

Dear Bill:
Good for you! I sometimes think Frionans don't think anything goes on at that school except football! I would like to see an "awards banquet" where all outstanding students are recognized—not just athletes.
Name Withheld by Request

Bonds Sales Released

According to Frank A. Spring, Chairman of the Farmer County Savings Bond Committee, the 1976 Savings Bond goal for the county is \$100,000. January sales of Series E and H United States Savings Bonds totaled \$5,837 for 6 per cent of the sales goal.

The 1976 sales goal for Texas is \$272.4 million. During the month sales were \$24,118,300 compared to January 1975 sales of \$23,290,606.

REMEMBERING...

By BILL D. BROOKS

Saturday Night Bath

A feller worked hard all week and there was no sense cleaning up just to go to work but come Saturday night water was drawn and sprucin' up began. The No. 2 tub was brought from the washroom or back porch and set down by the kitchen stove. We call them ranges now but they were just plain stoves back then. Water was drawn from the well and the tub was filled to about a third full. More water was put in kettles and stewers on the stove to heat. When the kettles started to sing and steeper water started bub-

bling, the bather brought the P&G soap and a "warsh" rag. Some folks used lye soap but we never had to for baths. Wintertime baths are the most vivid in my memory.

All the boiling water was poured into the tub with the other and clothes were shed and in you got. Yeeoowee! The bath was always hotter or colder than you expected, never just right. In fact, it could be scalding hot when you got in and, by the time you washed behind one ear and scrubbed a crusty elbow, the water was likely to have a crust of ice forming at the edges. A body could freeze to death before more could be heated on the stove, so most of the baths were not long, soaking, enjoyable ones.

You might as well forget modesty when you're taking a bath in a No. 2 on the kitchen floor. One kid, whose name will not be mentioned, was taking a regular Saturday nighter when the course of his life was probably altered. As he was scrubbing behind his left shoulder blade someone let Mr. Prince, the family hound, into the house. He took a half dozen good natured bounds and landed in the tub with

© SHANE SATURDAY NIGHT BATH

the boy, splattering suds and water everywhere. The boy jumped out of the tub, trying to bring Mr. Prince under control and slipped on a wet cake of soap that had fallen there. He skidded through the doorway under the sheet that had been hung there for a blind, into the living room, picking up a splinter from the rough pine floor as he slid off the end of the linoleum. All this took place just as his mother was letting company in the front door. The company was the family of a girl he was very fond of and

she just happened to be with them. Everyone was stunned by the scene before them and for one eternal moment all eyes stared. Mr. Prince appeared from out of the kitchen suddenly, greeting everyone by "drying off" right in front of them.

That all happened a long time ago but the boy, now a man, recalls it from time to time and he says that the LEAST painful thing that happened that Saturday night was getting that splinter.

Here's a tip from good ole Uncle Charlie. . . .

WELCOME TO FRIONA

Recent newcomers to Friona are the Wes Conway family, who moved here from Idaho. The Conways are Texas natives, however, and are "returning home." He is general manager for Clovis Irrigation Co. in Clovis. The children are David, 15, Debbie, 13, Dennis, 11 and Darren, three. The family lives at 905 Main, and attends 10th Street Church of Christ.

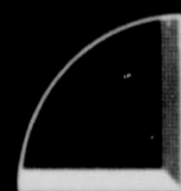

PEOPLE COME FIRST

No, this isn't the time for an April Fool joke, but it is time to be thinking about our children's future. At a young age we tend to take their futures for granted, we think it will be a long time before they start to college and we have plenty of time to save for it.

Somehow the years flash by and all of a sudden that time is here and we are totally unprepared for it financially.

So while that youngster is still playing with a pet in the backyard, it is the perfect time to start that savings account to assure his future.

The "merry-go-round" on the eradication of brucellosis is continuing. New regulations regarding this cattle disease, commonly known as "Bangs," have been proposed by the Texas Animal Health Commission to meet federal standards. These regulations will go into effect unless rejected at a statewide hearing on April 15.

The hearing will begin at 9 a.m. in the Trinity Room of the Downtowner Motor Hotel in Austin. Anyone interested in attending to voice their opinions on the proposed regulations is encouraged to do so.

The proposed regulations are aimed at effectively controlling and eventually eradicating the disease and to thereby establish Texas as a "Certified Free State." The regulations are in accordance with the U.S. Animal Health Association and the Animal and Plant Health Inspection Service of the U.S. Department of Agriculture.

Here are a few of the requirements set forth in the proposed regulations. First of all, all male and female cattle two years of age or older offered for sale at any livestock market in Texas intended for breeding purposes must be tested for brucellosis. Steers and sprayed heifers will be exempt.

If an infected animal is found in any herd, the herd will be quarantined on the owners premise until such cattle have been tested to meet the requirements for quarantine release. Herd owners will have the right to supplemental tests. Reactor cattle will not be branded and condemned to slaughter until results of such supplemental tests (if requested) are ascertained.

Regarding calf vaccinations, the proposed regulations call for all female beef calves to be vaccinated between the ages of three and eight months.

The proposed regulations on brucellosis control and eradication also provide specific definitions and procedures in classifying cattle, obtaining and maintaining certification status, and qualifying methods and standards.

Feedlots To Determine Cattle Prices—Cattle feedlots will play a big part in determining prices of fed and feeder cattle for 1976, says a livestock marketing specialist for the Texas Agricultural Extension Service. Fed cattle supplies are increasing and continued growth will depress prices. Recent resurgence in cattle feeding has been due to better prices for fed cattle as well as a decline in feeding costs due to a large feed grain crop last year. A seasonal decline in cow and

non-fed cattle slaughter this spring should boost choice fed cattle prices.

Hutchison Honored—Dr. John E. Hutchison, who retired as director of the Texas Agricultural Extension Service on Feb. 29 after 18½ years of service, has been honored by the Texas A&M University system Board of Regents. Hutchison was granted the title of "director emeritus" and was cited in a resolution "for superior service and for outstanding contributions to education." He was also identified as a "strong administrator, an inspiring leader, and a dedicated public servant."

Twin-Seeded Sorghum Going Commercial—The Texas Agricultural Experiment Station is releasing twin-seeded sorghum breeding material to commercial seed companies, and the outcome should be another boost in sorghum production. However, two to three years will be required by commercial companies to produce enough planting seed for sale to producers. The twin-seeded trait in the newly developed sorghum should increase yields by about 20 per cent although much higher increases have been obtained in controlled tests.

National No Foolin' Day

Was just proclaimed. When we say prices for almost everything has doubled in the last ten years we are not kidding. When we project costs to double again in the next ten years, we are not kidding. How do you protect yourself? Real estate is and will continue to be the best inflation fighter ever, no foolin'.

Hedge No. 1—A rare find is a home with 2450 sq. ft. of living area and every inch immaculate. Put this home in a prestigious neighborhood, add professional landscaping and other amenities, and you have nearly everyone's dream.

Hedge No. 2—First home? A basic three bedroom-one bath home with a personality all its own maybe the ideal solution. Financing can be arranged so that a number of homes we have listed can be purchased for less than a \$2,000 down payment. Monthly payments on these same homes amount to what you would pay to rent them. Young couples are buying in increasing numbers.

Hedge No. 3—Wallet watcher—This three bedroom-one bath home has a remodeled kitchen, large fenced backyard, great neighborhood, sewing room for Jane and a work bench for Joe. Principal and interest payment is approximately \$140.

COLD WATER WASHING TIPS

You can give your family clean clothes without cleaning out your wallet each time you wash, if you let these suggestions soak into your mind.
Research indicates that extra detergent is a must for satisfactory laundering in cold water. Laundry experts from Whirlpool say to use at least 1 1/2 times the amount that is recommended on your detergent box for normal washing conditions.
Many non-phosphate detergents do not dissolve easily in cold water and you may find that undissolved clumps stick to clothes and may not be removed entirely during the rinse cycle. You can help avoid that by using a liquid non-phosphate detergent, or if you prefer the powdered, dissolve it in warm water first and then add it to your cold wash water.
Special treatment of heavy soils or stains is necessary when using cold water. If collars, cuffs or other areas of body contact still look dirty after several washings—pretreat those areas. Use a liquid detergent, or make a paste of detergent and water, and spread it over the soiled area. Rub gently and then wash as usual. But before pretreating a stain, remember to check the garment label instructions.
Check to see how "cold" your cold water is. The experts from Whirlpool advise that the suggested temperature for cold water washing is 70°F, or warmer—never lower than 50°F. To check how cold your water is, turn on the cold tap and let the water run for a few minutes, and then use your meat or candy thermometer to see what it registers. If it's below 50°, you'll find that adding a little hot water to your wash water will pay off in cleaner looking clothes.
Washing wisely with cold water can keep water heating bills down.
Remember also, that you can save water heating energy by switching from hot to warm wash and using cold water for rinsing. This can save on the added detergent costs needed for cold water washing.
Hot, warm, or cold—what it will be to get good washing results. Home economic suits when the proper laundering steps are followed.

Legal Notice

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas-GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Parmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO:

WILLIAM RICHARD LEACH and his wife, **ANN BETTES LEACH**, any and all grandchildren of **Lillie C. Baker** heretofore born, any and all grandchildren of **Lillie C. Baker** yet to be born, any and all heirs yet to be born of any and all grandchildren of **Lillie C. Baker** yet to be born, any and all persons in being and not in being, claiming and to claim any title or interest in the hereinafter described properties or any part thereof, any and all unknown owners of the hereinafter described properties and any and all unknown or unborn owners of any part or portion or interest in the hereinafter described properties claiming any interest therein by, through or under the Will of **Lillie C. Baker**, Deceased, which Will was probated in Cause No. 6036 in the Probate Court of Taylor County, Texas, hereinafter called Defendants. Said properties being situated in Taylor, Jones and Parmer Counties, Texas, and described as follows, to-wit:

FIRST TRACT: All of Lots 3, 4, 5 and 6 in Block 44, to the Town of Merkel, Taylor County, Texas.
SECOND TRACT: Northwest Quarter (NW $\frac{1}{4}$) of Section Seventeen (17) Township 1 North Range 4 East of Capitol Syndicate Reservation in Parmer County, Texas, containing 160 acres.

THIRD TRACT: One Hundred Sixty (160) acres of land out of Capitol League 448, described as the Northeast one quarter (NE $\frac{1}{4}$) of Survey or Section Number Six (6), Township Number One (1) North, Range Number Four (4) East of a "Capitol Syndicate Subdivision" in Parmer County, Texas, as shown by Plat of such Subdivision of record in Deed Records of Parmer County, Texas, Volume 5, Page 394.

FOURTH TRACT: All that certain lot, tract or parcel of land situated in Jones County, Texas, and being 80 acres of land off of the South side of Lot No. 3, C.P. Warren's Subdivision of Block No. 56 (Ranch Reservation) of Godwin Subdivision of the DeWitt County School Land, and further described by metes and bounds as follows:

BEGINNING at a stake set for the S.W. corner of Lot No. 3 of C.P. Warren's Subdivision of the said DeWitt County School Land;

THENCE N. 15 W. 556 vrs. to a stake and stone mound in W.B. line of said Lot 3;

THENCE N. 75 E. 812 vrs. to a stake in E.B. line of said Lot 3;

THENCE S. 15 degrees 21' E. 556 vrs. to S.E. corner of said Lot 3;

THENCE S. 75 W. 814 vrs. to the place of beginning, and being further represented by the map of said Warren's Subdivision of said Block No. 56 on record in the Clerks office of Jones County, Texas, to which reference is hereby made.

FIFTH TRACT: Being 192.21 acres of land off of the N end of a 267.15 acre tract out of the C.P. Warren Subdivision of Block 56 "Ranch Reservation" of the Godwin Subdivision of the DeWitt County School Lands, League 125, 126, 149 and 150, and the G.A. Kirkland Surveys Nos. 1, 2 and 3 as per map of said Warren Subdivision of record in Vol. 14, Page 17, of the Deed Records of Jones County, Texas, being a part of a 267.15 acre tract described in deed from C.P. Warren, et ux, to John W. Lyles, recorded in Vol. 28, Page 414 of the Deed Records of Jones County, Texas, and described by metes and bounds as follows:

BEGINNING at a point in the E.B. Line of Subdivision No. 4 of the C.P. Warren Subdivision of Blk. No. 56 of the Godwin Subdivision of the DeWitt County School Lands in League No. 125, and 553 vrs. S. 15 deg. E from the N.E. corner of said Subdivision No. 4, the same being in the W.B. line of an old 40' public road now widened to about 60' from said point an iron pipe hrs S. 75 deg. 40' W 10' set for the S.E. corner of an 80 acre tract of land off of the N end of said subdivision No. 4, and for the NE corner of the said 267.15 acre tract; and for the NE corner of this tract:

THENCE S 75 deg. 40' W with the S.B. line of the said 80 acre tract and with the N.B.L. of the said 267.15 acre tract at 818.8 vrs to an iron pipe at fence corner post in the W.B.L. of said Subdivision No. 4, for

the S.W. corner of the said 80 acre tract and for the NW corner of the said 267.15 acre tract, and for the NW corner of this tract:

THENCE S 14 deg. 42' E with the W.B. lines of Subdivision Nos. 4, 5 and 6 with fence line and with the W.B. line of the said 267.15 acre tract of land at 1319.7 vrs. to an iron pipe for the S.W. corner of this tract, the same being in the W.B. line of said Subdivision No. 6;

THENCE N 75 deg. 40' E across said subdivision No. 6 at 825.7 vrs to point in the EB line of said Subdivision No. 6, and in the W.B. line of a 40' public road for the S.E. corner of this tract;

THENCE N 15 deg. W with the E.B. lines of said Subdivisions Nos. 6, 5 and 4, and with the W.B. line of the old road, at 1319.7 vrs. to the place of beginning, and containing 192.21 acres of land as described in deed dated September 13, 1941, from Zuria E. Stamps, et al, to Fred A. Baker of record in Vol. 252, Page 57, Deed Records of Jones County, Texas.

SIXTH TRACT: Being 70.94 acres in the South part of Lot No. 6 of the C.P. Warren Subdivision of Block No. 56 of the Godwin Subdivision of the DeWitt County School Lands, Leagues 125, 126, 149 and 150 and the G.A. Kirkland Surveys Nos. 1, 2 and 3 in Jones County, Texas, as per map of said Warren Subdivision of Record in Vol. 14, Page 17 of the Deed Records of Jones County, Texas, being a part of a 267.15 acre tract described in Deed from C.P. Warren, et ux, to John W. Lyles, recorded in Vol. 28, Page 414, Deed Records of Jones County, Texas, and described by metes and bounds as follows:

BEGINNING at the S.W. corner of said 267.15 acre tract, which is also the S.W. corner of said Subdivision No. 6;

THENCE N. 15 W. 484.6 vrs. with the West line of said 267.15 acre tract and the West line of said Subdivision No. 6 to the S.W. corner of a tract of 196.21 acres off the North end of the said 267.15 acre tract (which 196.21 acre tract now belongs to Fred A. Baker);

THENCE N 74 deg. 39 min. E. 825 vrs. to the East line of said 267.15 acre tract, and the S.E. corner of said 196.21 acre tract in the East line of said Lot No. 6;

THENCE S 15 deg. 21 min. E. 484.6 vrs. to the S.E. corner of said 267.15 acre tract, which is also the S.E. corner of said Subdivision No. 6;

THENCE S 74 deg. 39 min. W with the South line 828 vrs. to the place of beginning, containing 70.94 acres of land.

SEVENTH TRACT: Being 125.27 acres off the South end of Lot No. 97 of the J.S. and D.W. Godwin Subd. of the DeWitt County School Lands, Leagues 125, 126, 149 and 150 and the G.W. Kirkland Surs. Nos. 1, 2 and 3 in Jones County, Texas, as per plat of said Subd. of record in Vol. 12, Pages 218 and 219, Deed Records of Jones County, Texas, described by metes and bounds as follows:

BEGINNING at a stake at the S.W. cor. of said Lot 97;

THENCE E with the S. line of said Lot 97 to the S.E. cor. of Lot 97 and the S.W. cor. of Lot 98 a stake;

THENCE N. with the E. line of Lot 97 and the W. line of Lot 98 to the NE cor. of tract of land conveyed to M. Patton By G.W. Jones and wife, by deed dated Oct. 8, 1903, of record in Deed Records of Jones County, Texas;

THENCE in a Westerly direction with the N. line of said tract to the N.W. cor. of the same in the W. line of Lot 97, a stake;

THENCE S. with the W. line of Lot 97, to the place of beginning and containing in all 125.27 acres of land.

SAVE AND EXCEPT $\frac{1}{2}$ of the bonuses, $\frac{1}{2}$ of the rentals and $\frac{1}{2}$ of the royalties paid under the terms of any oil and gas lease covering all or any part of the lands described in Tracts Nos. 6 and 7 above which interests were reserved by the grantor in the deed from Jones County, Texas, to Fred A. Baker, dated the 27th of January, 1948, and recorded in Volume 3209, Page 10 of the Deed Records of Jones County, Texas.

YOU ARE HEREBY COMMANDED to appear before the Honorable 104th District Court of Taylor County at the Courthouse thereof, in Abilene, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3 day of May A.D. 1976, to Plaintiff's Petition filed in said court, on the 18 day of March A.D. 1976, in this cause, numbered 12,953-B on the docket of said court and styled Fred A. Baker, Jr., et al, Plaintiff, vs. William Richard Leach, et al, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: +

FOR the Partition of the above described real estate into segregated tracts, as follows:

(A) That the Title to and possession of that undivided one-half ($\frac{1}{2}$) interest therein that is owned by the heirs of Fred A. Baker shall be vested as follows: Fred A. Baker, Jr. $\frac{1}{2}$ Linda Kathleen Leach Hodges $\frac{1}{4}$ William Richard Leach $\frac{1}{4}$

(B) That the title to and possession of that undivided one-half ($\frac{1}{2}$) interest therein that is owned by the devisees, known and unknown, under the Will of Lillie C. Baker, shall be vested as follows: Fred A. Baker, Jr.—All for his lifetime, with the remainder at his death all vesting in the then living grandchildren of Lillie C. Baker, whomever they may then be and who are now unknown.

as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Abilene, Texas, this the 18 day of March A.D. 1976.

Attest: Irene Crawford, Clerk, 104th District Court Taylor County, Texas.

By Faye Lyons, Deputy.
+Here give brief statement of nature of suit, proper description of property, if any, and interest defendants are alleged to hold in said property, if they have an interest therein. See Rule 114, Rules of Civil Procedure. 27-4tc

No. 1323
IN RE: THE ESTATE OF GARLAND B. BUSKE, DECEASED

IN THE COUNTY COURT OF PARMER COUNTY, TEXAS SITTING IN MATTERS PROBATE

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF GARLAND B. BUSKE, DECEASED

Notice is hereby given that original letters testamentary as Independent Executrix and Trustee of the Estate of Garland B. Buske, deceased were issued to the undersigned on the 29th day of March, 1976, in the proceeding indicated below the signature hereto, which is still pending and that the undersigned now holds such letters. All persons having claims against said estate, which is being administered in Parmer County, Texas are hereby required to present the same to the undersigned at the address given below before such estate is closed, and within the time prescribed by law. The mailing address of such Independent Executrix and Trustee is P.O. Box 762, Friona, Texas 79035

Lila M. Buske
Independent Executrix & Trustee of the Estate of Garland B. Buske, deceased No. 1323 in the County Court of Parmer County, Texas 27-1tc

Legal Notice

OFFICIAL NOTICE
It has come to the attention of the Commissioners Court that in some cases public roads and highways are being used as a dump ground. V.C.S. 4479-9 reads as follows: . . . Dumping solid waste on property or into water.

Any person who shall dump or

garbage refuse, unsightly matter or other solid waste on public highways, rights of way, or other public or private property, or into any inland or coastal waters of Texas, without written consent of the owner, his agent, or the public official in charge thereof, shall be guilty of a misdemeanor and upon conviction shall be fined not less than \$15.00 nor more than \$200.00.

Every law enforcement official of this State and its subdivisions shall have authority to enforce the provisions of this Act.

In view of the situation and the statute quoted above, we respectfully request that all residents of Parmer County refrain from such dumping of trash, and we would inform all individuals of Parmer County that a violation of the above referred to statute will be prosecuted.

ALL-STARS....Friona Little Dribbler All-Stars, who will represent the community in Little Dribbler post-season play, are shown above. In front are Mike Nell and Rocky Nichols. Middle row: Kirk Wright (alternate), Joey Howard, Mike Maynard, Anthony Brody, Carl Jackson (alternate). Back: Bruce Patterson, Mark Tucker, Greg Nichols, Jeff Landrum and Jay Hight.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new

and put some extra money in the bank for you at the same time.

SURROUNDED...An unidentified member of the Red Head's team is trapped by a host of Friona players during the exhibition game last Saturday night in the FHS gym.

Larry Dyess (left), Al Lemons (middle), and David Hutson (right) gaze at the basketball as it eludes their grasp.

JUST TRY TO GET IT....A member of the All-American Red Head's professional girls basketball team hides the ball from coach

Larry Dyess. The Friona coaches won the game before a good crowd. Friona's Fellowship of Christian Athletes sponsored the game.

Eighth Braves Score Points At Floydada

The eighth grade boys competed in a track meet last Friday at Floydada and represented Friona very well.

Morris Garza, Rod Owen, David Fleming and Robert Alexander ran the sprint relay for Friona, which

placed second in a time of 49:2. The winning time was 49:1.

Alexander placed third in the 220 with a time of 24:7. The 280 yard low hurdles event was won by Rod Owen of Friona.

Scott Fangman leaped 5'2" in the high jump, which was good enough for a first place in that event.

Fidel Morales placed in three events at Floydada when he got a third in the shot, a second in the discus, and a fourth in the 220.

A 1320 relay team made up of David Fleming, Robert Alexander, Rod Owen and Morris Garza won a second place for Friona in that competition.

No Report On Squaws

The Star apologizes for the absence of results of the Squaws varsity track team this week.

We contacted one coach early in the week, but failed to receive a report.

We will attempt to combine this report with the Amarillo Girls Relays report next week.

Gun Club Sets Shoot

The Friona Gun Club will hold a trap shoot Sunday, April 4 at the trap house east of Friona.

The shoot begins at 2 p.m. Everyone is invited. According to a spokesman, the club is attempting to build up its membership.

Local Team Wins First

The local volleyball team sponsored by Friona State Bank took first place honors in the Walcott volleyball tournament on Thursday, Friday and Saturday, March 25, 26 and 27.

The tournament was sponsored by Simms Lions Club of Hereford.

Representing Friona State Bank were Betty Lessert, Glynna Harrison, Janice Richards, Pat Wright, Terri Patterson, Myrna Phipps, Sharon Rector, Jayn Looper and Earlene Graham.

EXPLORERS WIN MEDALS.One of the newest clubs at Friona High School is the Explorers. Ten members of the club recently took part in an Explorer Olympics, which was held at West Texas State University last Saturday. Pictured on the top row of the above photo are Hal Blackburn, who received a

silver medal in table tennis and a bronze medal in tennis, and Larry Cole, who took a gold medal in the chess tournament. On the bottom row are Cindy Smiley and Leslie White. Cindy won a bronze medal in paddleball and Leslie won a gold medal in the mile run.

Junior High Girls Compete At Hereford

Friona's seventh and eighth grade girls competed in a track meet March 26 at Hereford. The girls turned in a fine performance as the seventh graders captured seventh place with the eighth graders coming in fifth.

The seventh grade girls' mile relay team made up of Sandra Cortez, Pam Perez, Mary Rodriguez and Tammy Smith took first place in their event. Kipi Fleming, Kenna Noland, Perez and Smith placed sixth in the 880-relay.

Kenna Noland took a fourth place in the high jump event. Cynthia Bermea won second place in the discus while Johnne Mae Felder came in third in the shot.

The eighth grade girls dominated

the 660 yard run as Shannon Parr captured second, Sharla Duggins fourth, and Linda Ruzicka fifth.

The mile relay got third at Hereford with Sarah Mears, Dana Miller, Pam London and Karen Patterson carrying the baton. The 880 relay came in fourth place with Minnie Aragon, Dana Miller, Pam London and Karen Patterson running.

Friona was well represented in the 440-yard run with Karen Patterson, Dana Miller and Mary Lafuente taking second, fourth and fifth places respectively. Minnie Aragon came in third in the 220 yard dash and Laticia Riveria won Friona a fifth place in the shot.

Chieftains Compete In Bulldog Relays

The Friona Chieftain track and field team competed in the Bulldog Relays at Plainview last Saturday.

As usual, buffeted by March winds, the team also was up against the toughest competition it had faced this season.

The Chiefs failed for the first time this season to win a single event. Discus thrower Davy Carthel got off a season best toss of 151-11, only to be edged out by seven-eighths of an inch by Littlefield's Rick Hopping.

Pole vaulter David Barnett reached his best height of 12 feet, but had to settle for third place. Bobby Zetsche had his best official broad jump of the season, 20-4, but it was good for only sixth place.

"Almost everyone came up with their top performances of the season, but the competition was just too tough," said coach Mike Garrison. Zetsche ran a 10.4 in the preliminaries of the 100-yard dash,

and didn't even qualify for the finals.

The powerful Floydada team walked away with the meet title. The Chieftains finished sixth out of an 11-man field.

The team goes to Springlake-Earth this weekend, and to the Amarillo Relays the following week.

Mile relay-6. (King, London, Jesus Mata, Zetsche), 3:42.

Our future has made history.

Farmers tend to be pretty tough customers. They want to get everything they can out of every nickel they spend. And that's good. Because the tougher they get the more likely they are to use

There are two very good reasons for that.

One, we can give them the best engineered irrigation equipment in the country. Our history has proven that.

And two, we can give the best service to take care of that equipment. Our history has proven that, too.

The fact is, you can only draw one conclusion. Whether you need a pivotal system, an underground PVC system, or an aluminum surface system, you just can't outdo us. And we don't think you'll ever be able to.

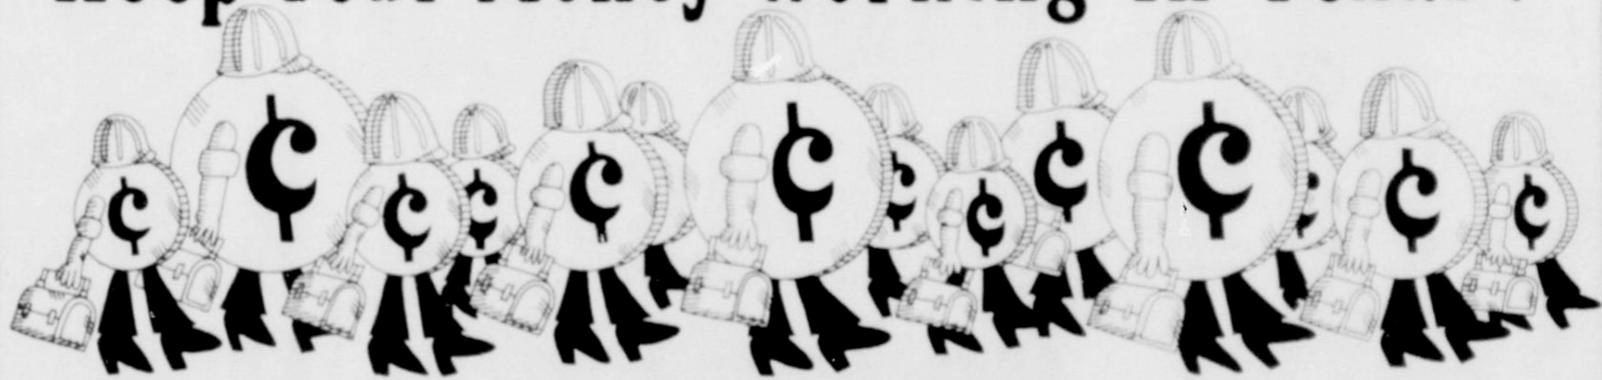

All you have to do is take a look at our past. That should give you a very good idea about what to expect in the future.

WATCH CLOSELY....A number of Brownies recently took a tour of the post office. The girls found out just what happens when you mail a

letter. In this photo postmaster Wright Williams explains to the girls how one of the machines operate.

Brownies Visit P.O., Newspaper

Brownie Troop 84 visited the Friona post office and the Friona Star during a field trip Thursday. Postmaster Wright Williams told the girls how mail is handled coming into and leaving the Friona post office. Publisher Bill Ellis gave the troop a look at how a newspaper is put together. Troop leaders attending were Marca Lynn Herring, Becky Loftis and Glenna Harrison.

David Goddards Have Baby Boy

Mr. and Mrs. David Goddard are the parents of a baby boy born Saturday, March 27 at 6:12 a.m. in Parmer County Community Hospital in Friona. He is the first child for the couple and was named Jon Peddy. He weighed seven pounds, ten and one-half ounces at birth. He was twenty inches long. Grandparents are Mrs. Elsie Mae Peddy of Gruver, Texas and Mrs. Racy Goddard of Odessa, Texas, and one great-grandmother, Mrs. Cynthia Browder of Perryton.

Club Met In Adams Home

The Friona Antique Club met Monday, March 15 in the home of Mr. and Mrs. Raymond Adams for its regular meeting. The roll call was answered and the last meeting's minutes were read. A short business meeting was discussed. The group went to K-Bob's Steakhouse in Clovis on March 26 for an evening meal. After refreshments of pie, cake and coffee, chips, dips and pickles were served they spent the remainder of the evening visiting. Those present were Mr. and Mrs. Leo Bails, Mr. and Mrs. Tommy Jones, Mr. and Mrs. Elvie Jennings, Mr. and Mrs. O.C. Jones, Mrs. Selma Habbinga, Mr. and Mrs. Jim Baxter and the host couple, Mr. and Mrs. Raymond Adams. The next meeting will be in April in the home of Mr. and Mrs. Leo Bails.

serves as a coordinator, matching available services and resources to the individual child's needs. Texas is presently serving more than 300,000 students through special education programs. By 1980 this number is expected to be near 450,000 special education students. Won't you please help? If you know a child that is handicapped and is not presently in school please notify "Child Find". See further details in an advertisement in this issue.

Shower Honors Pam Wilcox

Miss Pam Wilcox, bride-elect of Alan Cockerham, was honored recently with a bridal shower in the home of Mrs. William Gromowsky. The serving table was covered with a lace cloth over green and centered with an arrangement of spider mums. Finger sandwiches, nuts, mints, punch and coffee was served from crystal appointments by Mrs. Kim Rundell and Mrs. Jason Grimsley.

Project Child Find Seeks Handicapped

A local drive has been instituted to locate handicapped children who are not enrolled in school, who may be eligible for assistance from the state. When the Sixty-First Legislature unanimously passed Senate Bill 230, this provided public special education for all handicapped children in Texas. On the basis of pilot projects in the state it is estimated there are roughly 10,000 or more handicapped children not in school. It is the goal of Texas Education Agency, in line with directives from the legislature, to be serving the needs of all handicapped children in the state by 1980. The Child Find Project is financed by a grant to the Texas Education Agency by the U. S. Office of Education, Bureau of Education for the Handicapped. The funds are disbursed to the twenty Regional Service Centers to implement locating these children. Region 16 Service Center in Amarillo serves Parmer County. If a child is located that needs additional services that the local school or Texas Education Agency cannot provide—then Child Find

Lubbock Regional Airport Sets Open House Sunday

South Plains residents will be touring the new six-gate terminal at Lubbock Regional Airport during open house from noon to 5 p.m. Sunday.

Passenger and air cargo service will begin operating at the \$9.3 million facility April 11.

Opening of the new terminal climaxes a \$25 million airport expansion program launched in 1970. Local and federal funds have provided reconstruction of runways and taxiways, new runway lighting, a new fire and rescue station manned 24 hours a day, an expanded flight service station for private aviation and security fencing in addition to the terminal.

"We're mighty proud of this new terminal and feel it will give better and more convenient service to the air-minded public in this vast region," said Lubbock Mayor Roy Bass. "This modern building was designed to meet our area's needs through 1990. As the need requires, the terminal can be expanded in stages up to 36 gates."

Lubbock Regional Airport is located five miles north of downtown Lubbock on U.S. 87 (IH 27). Primary access to the new terminal is

presently on FM 2641 east one mile from U.S. 87 to the entrance road at Quirt Avenue. Construction will begin later this year to widen Quirt Avenue from FM 2641 south to Loop 289.

The 144,000-square-foot terminal was designed by Whitaker and Hall Architects of Lubbock in association with Hellmuth, Obata and Kassabaum of St. Louis. It replaces a two-gate terminal built in 1950 and expanded to about 50,000 square feet. Plans call for leasing portions of the old terminal to private aviation businesses.

"With the rapid increase in passenger service, we were literally bursting at the seams," Bass said. "We had expanded the old terminal until it could be expanded no more."

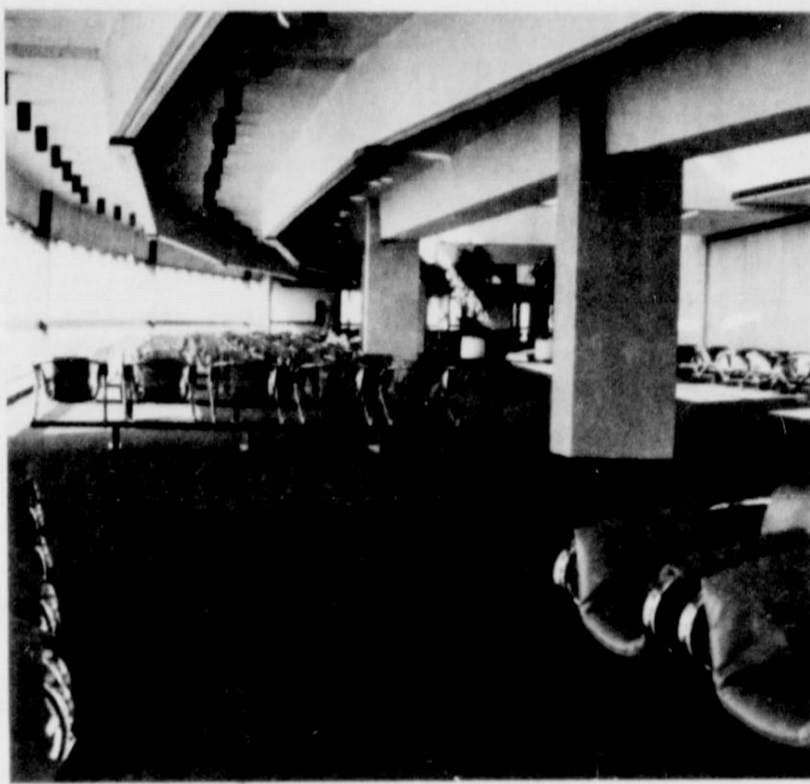

Passenger boardings jumped from 53,000 in 1960 to 177,000 in 1970, the mayor noted. "In 1969, then-mayor W.D. Rogers and the city council started the ball rolling. There was a \$14 million bond election in April, 1970, in which the citizens authorized the expansion program, and the dirt's been flying out there ever since." Since work started, passenger boardings increased to 234,000 last

year. The contemporary terminal is of a curved design with three activity levels. Passengers and visitors will have a short walk from the parking lot to the plane. Upon entering the main level of the terminal, passengers have access to ticket counters, baggage claim area and car rental services. They will then step to the common boarding lounge that spans the full 700-foot length of the terminal. They will board their plane through the enclosed jetways that extend from the boarding lounge.

On the upper level, airport administrative offices, a press room, space for a future lounge and a large meeting room are provided. All airplane servicing, baggage handling, freight handling and mechanical rooms are located at the lower, or apron level. The South Plains area is served by Continental Airlines, Braniff Airways and Texas International which provide 22 flights daily at Lubbock Regional Airport. For those who do not fly often on business or for pleasure, Lubbock Regional Airport is their center of transportation for local

manufacturing and business enterprises. Flowers from Hawaii and lobsters from Maine are flown into Lubbock. Locally made products are shipped to all parts of the world via Lubbock Regional Airport.

In all, the airlines handled more than 3.7 million pounds of air freight and mail last year.

Town Talk

By June Floyd
Phone 247-3681
With Your News Item

Mr. and Mrs. Rudolph Renner, Sr. are home. They have spent the past several weeks with the Lee Renners in Willcox, Arizona.

Mrs. Winnie Beaton also of Willcox, has been visiting in the home of Ira and Winnette Parr and daughters, Shannon and Sharlene. Mrs. Beaton is Winnette's mother and a former resident of Friona.

Nedra Williams of Phoenix, Arizona, who is Winnette's cousin, was also a visitor in the Parr home.

Guests in the home of Mr. and Mrs. Herschel Johnson last week were Mr. and Mrs. H. A. Poindexter of Miller, South Dakota. Mrs. Poindexter, the former Doris Moody, is Mrs. Johnson's cousin.

The Poindexters lived here before moving to South Dakota several years ago.

James and Taleta Mabry, former residents of the Hub Community

Two Frionans Initiated Into Kappa Delta Pi

West Texas State University juniors, Silvia Flores and Amelia Wright of Friona have been initiated into Kappa Delta Pi, honorary organization in education.

To be eligible for membership, a student must have an overall average of 2.25 on a 3.00 scale and a 2.0 average in education.

Miss Flores, an elementary education art major, is the daughter of Gilde Flores of 302 Jay Avenue. Mrs. Wright is an elementary education major.

Quartet To Sing Sunday

A quartet, "The Revelations," from Amarillo will sing at the Sunday Evening service at Calvary Baptist Church at 8 p.m. Sunday, it was announced this week by pastor Rom Trussler.

A special program of music will be presented. The public is invited. Amarillo Wednesday afternoon.

and the Lazbuddie Community, are currently making their home in Grants, New Mexico.

They lived here briefly and have been calling Friona "Home", but are considering taking up permanent residence in New Mexico.

The Mabrys have been visiting in the homes of Mr. and Mrs. Malcolm Carthel and children, Friona, Mr. and Mrs. Jimmy Mabry and sons in the Hub Community; and Dr. and Mrs. Jerry Gleason and children in Muleshoe.

Visitors in the home of Mr. and Mrs. James Procter last week were Mr. and Mrs. DeWayne Procter and children, Daran, Wade and Darla Sue of Lubbock, and Mr. and Mrs. Jay Sanders of Seymour.

Mr. and Mrs. Sanders, formerly of Friona, were on their way to Santa Fe to visit their oldest son, Ted, and his wife and children for a few days.

Recent visitors in the home of Mr. and Mrs. Ronnie Procter have been Mr. and Mrs. Barney Castleberry of Vernon and Mr. and Mrs. David Faver of Canyon.

The Castleberrys are Libby's parents and Mrs. Faver is her sister.

Mrs. Erma Hudson of Yucaipa, California, is visiting in the homes of Mr. and Mrs. J. L. Ray, Mr. and Mrs. Ralph Shelton, Mr. and Mrs. Tom Shelton and Mr. and Mrs. Luther Shelton.

She is a sister of Mrs. Ray and the Shelton men. Her husband, Reed, plans to join her later and the two of them will go to Dallas and Greenville to visit other relatives and friends.

Tuesday and Wednesday just weren't Friona's better days. Tuesday Nettie Mai Collier died in an Amarillo hospital. Nettie Mai was one of the community's best loved nurses and had been connected with the local hospital many years.

She and her husband, James B., who is better known as "Pug," travelled with Friona's Squaws a number of years. Doubt that our basketball girls have ever had more ardent supporters than Nettie Mai and Pug.

Wednesday James Ray Stevick, son of Mr. and Mrs. Glen Stevick,

was involved in an accident with a tractor and ditcher and the local ambulance was called to transport him to the hospital.

Before the ambulance got to the hospital, Parsons-Ellis ambulance service received another emergency call. Floyd Brookfield was injured in a water well drilling accident and was given emergency treatment at the local hospital before being transferred to an Amarillo hospital.

Then a few hours later Reese Hand, young son of Mike and JoNell Hand, fell off the backyard fence and shattered some bones in his arm. He was also sent to an Amarillo hospital for surgery.

March didn't go out like a lamb accident wise for this community. It isn't real often that anyone "puts one over" on Nellie Pearl Shelton, but maybe her defenses were down one afternoon last week due to the addition of a brand new daughter-in-law and a grandson to her family recently.

The grandson, Kevin, is three. He is the son of Jimmy's bride and Granddad Tom and Grandmother Nellie have been beaming with pride since Vicki and Kevin became part of the Shelton family.

The surprise was in the form of a "Grandmother Party." Someone asked Nellie Pearl to drink coffee while other friends sat up a refreshment table with a grandmotherly theme and another table of toys suitable for a three year old.

When Nellie and her coffee drinking buddy returned to the store, she was surprised beyond words. Sneaky friends who played this trick on her - and it wasn't even April Fool's Day - were Kathrine Milligan, Juanita Taylor, Karen Baker, Inez Butler, Vuthill Loanman and Agnes Roberts. They served punch and cake following the presentation of the gifts and some instructions on "How To Be A Good Grandmother."

Friends and former students of Beth Asberry Horton will probably be interested in the following report. Beth and her husband, Hal Jr., who is an attorney, have been living in Anchorage, Alaska, several years.

The Hortons have two children, a daughter, Terry, who is six and a son, Hal III, who is 3. They have been visiting relatives in Lubbock and Abernathy, where they recently purchased an irrigated farm.

Monday Beth called Mrs. Tom Shelton, a long time family friend, from Abernathy and she went down for lunch and a short visit. The Sheltons, Hortons and Asberrys are all former residents of Greenville.

Shower honors Mrs. Jim Shelton. A miscellaneous bridal shower in the home of Mrs. Jeannette Teel from 4 to 6 p.m. Tuesday was a courtesy for Mrs. Jim Shelton of Amarillo.

Greeting guests with Mrs. Shelton were her mother-in-law, Mrs. Tom Shelton, and son Kevin. Refreshments of individual white cakes topped with pink roses, punch, nuts and mints were served.

Hostesses with Mrs. Teel were Mrs. Bill Bailey, Mrs. J. W. Beaty, Mrs. Jerry Teel, Mrs. Bob Hurst, Mrs. Leta Tannahill, Mrs. Leonard Coffey, Mrs. Ralph Smith, Mrs. Estis Bass and Mrs. E. G. Phipps.

The hostess gift was a crock pot and pottery pieces.

LOVE HONORED...Howard Love, left, was honored by the City of Friona Monday on completing his 20th year as a city employee.

Mayor R.L. Fleming is shown presenting Love with a certificate of merit during a coffee in Love's honor Monday afternoon.

Farm Bureau Slates Beauty, Talent Contest

The annual queen and talent contests, sponsored by the Farmer County Farm Bureau, will be held at the Ridgelea Elementary School in Bovina Saturday, April 24, according to a spokesman at the Farm Bureau office in Friona.

To be eligible for the queen contest, girls must be between 16 and 22 and her family must be a current member of Farm Bureau.

Any boy or girl whose family is a current member of the organization is eligible to enter the talent portion of the contest, however, it must be an amateur talent. Participants must be between the ages of 17-30 as of Dec. 1 this year.

Deadline for entering either contest is Thursday, April 15. Persons desiring further information may contact Mrs. Ralph Roming in Bovina or Mrs. Milton Evans in Friona.

St. Teresa's Society Plans Mexican Dinner

St. Teresa's Ladies Society met Thursday evening, March 25 in the Parish Hall to make final plans for the Mexican Dinner.

Dinner chairman, Toni Castillo, reported that 140 dozen tamales had been made. The price of the meal is \$2.50 for an adult plate consisting of an enchilada, tamale, taco, beans, rice, and tea or coffee. Children (12 and under) will be served for \$1.75. They will be served a tamale, beans, rice and tea and their choice of a taco or enchilada.

Desserts will be served for 25 cents for a piece of pie or cake. The ladies will prepare the food on Saturday afternoon.

Sylvia Roth gave the senior citizens report and reminded the members to send Easter cards. It was decided that the senior citizens names will be changed in May and a party would be planned in June.

Helen Fangman reported that she had received a check from the church from Taylor & Sons Grocery for sales tapes they had turned in. She asked that if members shopping there didn't want to turn them in she would collect them and turn them in all together.

Sylvia Roth asked that the members save cancelled postage stamps and Campbell Soup labels for mission work.

Angela Bermea, president, appointed Dorothy Blankenship and Evelyn Ball to clean in April. Hostesses for the April meeting will be Evelyn and Mary Lou Venhaus.

The members voted to donate \$15 to the Amarillo Right to Life committee toward the purchase of the film, "The First Days of Your

Life." The film may be used free in the diocese to be shown to junior high age and older students. It is recommended to be shown in schools.

General church cleaning for Easter was set for Thursday, April 13 with some coming at 8:30 a.m. and others at 4:30 that afternoon. The ladies were asked to come at the time that best suits their schedule. Angela Bermea will be in charge of getting Easter flowers. Donations for flowers will be taken on April 11.

Angela Bermea and Helen Perez, with Sylvia Roth and Evelyn Ball as alternates, will be delegates to the spring deanery meeting in Floydada on April 28.

Hostesses, Sylvia Roth and Helen Perez, served refreshments to two guests, Francis and Sylvia McCune, and members, Angela Bermea, Dorothy Blankenship, Toni Castillo, Mary Lou Venhaus, Nella Garza, Susie Perez, Helen Fangman, Matilda Caballero, Olivia Ortiz and Evelyn Ball.

Calvary Baptist Youth Visit Palo Duro

The youth of Calvary Baptist Church made a trip to Palo Duro Canyon Sunday afternoon, March 28 in the bus the church recently purchased.

Forty-four High School and Junior High School age young people made the trip along with ten sponsors.

Billy Etheredge, Youth Director, said he thought everyone who went really had a great time and most were completely "wore out."

The group enjoyed an afternoon of recreation and an evening service.

DRESS REHEARSAL ACTION.... Pam Veazey (left), John Carson (middle), and Charles Fleming (right) are shown doing a bit of acting during a recent dress rehearsal in the FHS auditorium.

The group presented their district one act play, "A Doctor In Spite Of Himself" March 30 at Dimmitt. Friona's entry was judged as the alternate play in the district.

MAYS HONORED.....Receiving Northrup King's "National Dealer of the Year" recognition are Mr. and Mrs. Harrell Mays, center. At left is J.B. Massie, Northrup

King President, D.K. Christensen, Northrup King Chairman of the Board and Chief Executive Officer, is at the right.

Cancer Drive Kicks Off April 7

The local drive to assist the American Cancer Society will stage the residential portion of its campaign on Wednesday, April 7, according to Gladys Young, spokesman for the drive. The group is currently in the process of making the business section, Mrs. Young indicated.

WT Offers Riding Instruction Program

Karen Roberson of Friona has discovered something many people don't know—that West Texas State University has one of the few advanced riding instruction programs in the United States.

The WT senior elementary education major is currently taking WT's Introduction to Jumping class at the WTSU farm under the guidance of Marjul Wright, riding instructor.

"I love horses," Karen says, "and this is the only chance I have for instruction."

English riding and jumping, which is not as easy as it looks, has proved to be the challenge that

Karen needs.

"I like it because of a bad riding experience I had in the past," she says. "It has given me confidence."

The University also has facilities for stabling the horses of students enrolled in classes.

Karen, who has horses of her own, has been interested in them since she was three years old, and riding since she was five.

Someday she would like to teach horsemanship to students.

Karen is the wife of David Roberson of Route 2, Friona, and the daughter of Mr. and Mrs. Byron Willis.

County Health Fair

Slated Here April 6

A "Parmer County Health Fair" will be held at the Community Center-Showbarn in Friona Tuesday, April 6, from 10 a.m. until 6 p.m.

The program is sponsored by the Parmer County Family Committee and the Texas Agricultural Extension Service. It is free to the public.

Exhibits, films, and health information will be given. There will be free screening for high blood pressure, diabetes, TB, giacoma, plus a height-weight seminar.

Exhibits will be sponsored by the state health department on

immunizations, cardio-pulmonary resuscitation; by the Lung Association; the Heart Association; the Hi-Plains Eye Bank; Arthritis Foundation; State Commission for the Blind; Planned Parenthood; Extension Service; Texas Rehabilitation Assn. and the Department of Public Safety will have a drug exhibit.

Jana Pronger, Parmer County Extension Agent, said the program bids to have some valuable information on numerous health topics, and invites anyone interested to attend any or all portions of the program.

Northrup King Honors Local Seed Dealer

Harrell Mays, a Friona independent seed dealer, has been named "National Dealer of the Year" by Northrup, King & Co. Northrup King reports that Mays had one of the largest unit sales by product increases in its entire dealer organization during 1974-75.

Mays and eight other dealers were at Northrup King headquarters in Minneapolis recently to be named to the firm's National Dealer Advisory Council.

Council selection is based on outstanding performance in promotion and distribution of Northrup King products during the past year.

Commenting on his honor, Mays attributed his sales success in selling to sound farm management on the part of his customers, as well

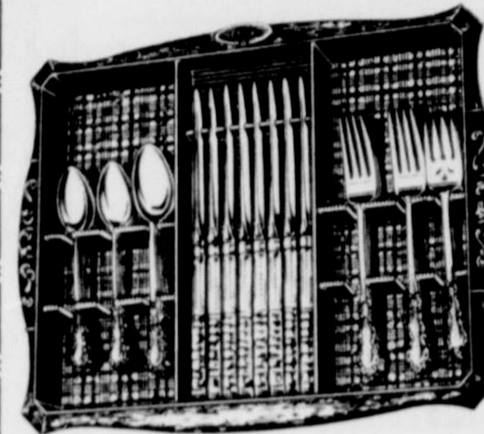

as their "Salesmanship" to neighbor farmers.

D.K. Christensen, Northrup King Chairman of the Board, gives Mays high marks in communication, too. He said Mays maintains contact with his customers throughout the year, with special attention given during the growing season. Christensen also said Mays keeps up to date on new developments by maintaining close contact with Northrup King sales and research personnel.

Duncans Attend Annual Land Bank Meeting

Mr. and Mrs. Gordon Duncan of Muleshoe have just returned from Houston where he represented the Federal Land Bank Association of Muleshoe at the annual stockholders meeting of The Federal Land Bank of Houston. The meeting, held at the Houston Oaks Hotel, was attended by members of 66 Federal Land Bank Associations in Texas. There were about 550 persons in attendance.

George W. Cunningham, President, in his annual report to stockholders, reported that the demand for new loans declined from the previous two years; however, 1975 was still the third largest year in the bank's history and also the third consecutive year that loan closings had exceeded \$200 million. Dr. Phil Gramm, Economist on leave of absence from Texas A&M

University and B.K. Johnson, a prominent South Texas rancher and director of the King Ranch Corporation, also addressed stockholders and guests during the meeting.

The Federal Land Bank of Houston makes long-term loans on farms and ranches throughout Texas and currently has 35,000 loans for more than \$1,145,000 outstanding.

The Federal Land Bank Association of Muleshoe makes and services loans in this area. Members of the Board of Directors are Duncan, president; Morris Douglass, James B. Glaze, Jim Claunch and Arlin L. Hartzog. Others attending the meeting from this area were Mr. and Mrs. Ernest Kerr. Kerr is manager of the Federal Land Bank Association of Muleshoe.

Draft Board Due To Be Terminated

Colonel Melvin N. Glantz, State Director of Selective Service, announced this week that all Selective Service Local Draft Boards in Texas will be terminated on May 8. Similar actions will occur in all states on that date as Selective Service continues to reduce its operational capability. On February 28th all draft board offices were closed.

Texas has 525 members assigned to the 96 draft boards of the state. These board members who have served in an uncompensated capacity were responsible for classifying Selective Service Registrants. Since all registrant processing has been halted there remains no active mission for the draft boards.

Only a small stand-by draft organization will remain to maintain emergency plans and train a small pool of reserve and national guard officers in procedures for restoring the Selective Service System in the event of a National emergency.

Members of Local Board No. 18 serving Deaf Smith, Castro, Parmer and Randall counties include Vernon Estes of Bovina, John Baca of Friona, Elmore Rains of Hereford, Carl W. Bradley

of Dimmitt, Eugene Sparks of Hereford, Wayman E. Brown of Canyon and Roger Ponce of Amarillo.

SCS REPORT

The Soil Conservation Service in Friona is currently making wind erosion reports monthly, according to Duval Burton, Soil Conservationist.

The report for March shows 11,200 acres in Parmer County damaged since last November. This is an increase of 1,200 acres in March.

The report also shows that there are 40,000 acres in condition to blow if we get the right combination of weather conditions. One of the factors affecting our critical situation is the continuing drought.

The dryland wheat areas in the county are the most susceptible to damaging winds. Even traffic on county roads, during high erosion.

Records show we had eight days in March with measurable wind erosion. Three of these were severe, with winds in excess of 30 m.p.h.

Nettie Mai Collier Dies In Amarillo

Funeral services for Nettie Mai Collier, 55, were conducted Thursday afternoon here at the First Baptist Church.

Mrs. Collier, who had been hospitalized in Amarillo, died at about 2:30 p.m. Tuesday, March 30 at Northwest Texas Hospital in Amarillo.

Officiating at the services was Rev. C.H. Murphy, pastor of the First Baptist Church. Burial was in Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Mrs. Collier had been a resident of Friona for the past 35 years. She married James B. Collier August 17, 1940 at Kemp, Texas. She was a member of the First Baptist Church, and of the Order of the Eastern Star.

The longtime resident had been an employee at Parmer County Community Hospital practically since its beginning. She served as a nurse full time beginning in 1947. She had been working part time for the past two years.

For a number of years, Nettie and her husband served as sponsors for the Friona High School Squaws girls basketball teams, and never missed the teams' games, at home or away.

Survivors are her husband, James B. (Pug), and one daughter, Mrs. Lee (Brenda) Jesko.

A sister, Mrs. Willie Vyers of Athens, Texas, also survives. There are four grandchildren, Angela, Terry, Laura and Ginger Jesko.

Terry is the youngster who received considerable publicity almost three years ago for saving his father's life following a farm accident near Lazbuddie.

Pallbearers were Jodean Harrelson, Mickey Harrelson, Wayne Jesko, Larry Jesko, Bill Russell and John Mars.

NETTIE COLLIER

Farwell Rites Conducted For Burl Dene Ford

Funeral services for Burl Dene Ford, 44, of Farwell, were held Monday at 2:30 p.m. in the First Baptist Church of that city.

Burial was in Sunset Gardens Cemetery, Farwell, under the direction of Parsons-Ellis Funeral Home.

Ford died at 12 a.m. Friday at Parmer County Community Hospital.

A native of Norton, he was married to Dorothy Camp on June 7, 1951. He was a member of the First Baptist Church of Farwell.

Survivors include his wife, four sons: Curtis of Farwell; Drew, Kevin and John, all of the home; a

daughter, Denise of the home; his parents, Mr. and Mrs. J. T. Ford of Farwell, two brothers, Doyle and Jerry, both of Farwell, and his grandmother, Mrs. Lottie Mitchell of Farwell.

Elizabeth; two daughters, Mrs. Milton Sullivan of Platte Center, Nebraska and Mrs. Florian Jarecki of Friona.

Three sisters survive, Mrs. Virgil Stone and Mrs. Viola Bernt, both of Columbus, Nebraska and Mrs. Doris Speas of Ames, Nebraska; two brothers, Herman of Columbus and Ed of Madison, Nebraska and four half-brothers, W.A. Janssen of Yucca Valley, California, and Ernest, Lorange and Leo Janssen, all of Columbus, Nebraska.

Eleven grandchildren and nine great-grandchildren also survive.

Services were officiated by Herman Schelter, pastor, and concluding services were at Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Pallbearers were Raymond Schueler, Floyd Schueler, D.G. McClellan, Charles Sanders, Melvin Sachs and Raymond Fleming.

OLIVER GEORGE RIEKEN

Services Held For Oliver G. Rieken

Services were held Monday, March 29 in the Union Congregational Church of Friona for Oliver George Rieken, 74, who passed away suddenly at his home Saturday evening.

He was a resident of Friona the past 20 years. Rieken was born in Danforth, Illinois on April 4, 1901 to Ed and Cena Eden Rieken.

When he was seven, the family moved to Platte Center, Nebraska. On August 22, 1924, he was married to Elizabeth Borchers.

In 1956 they moved to Friona, where he worked as a carpenter until 13 years ago and then as a custodian for the First Baptist Church until his retirement two years ago.

Rieken was a life-long member of the Lutheran Church and while in Friona was a member of Redeemer Lutheran Church.

Survivors include his wife,

Mrs. Estep's Rites Conducted Here

Funeral services were conducted here Monday for Lucy Mary Estep, 76.

Mrs. Estep passed away Saturday, March 27.

Services were held at the Friona Assembly of God Church. Officiating was Rev. Larry Watts, pastor.

Burial was at the West Park Cemetery in Hereford, under the direction of Parsons-Ellis Funeral Home.

Mrs. Estep married Ben Estep in 1919 in Hobart, Okla. She was a member of the Assembly of God Church.

Survivors include her husband, Ben, four sons, Johnny of Hereford, DeWayne of Friona, Ben, Jr. of Dumas and Jack of Houston, and one daughter, Hazel Creet of Los Lunas, N.M.

One sister, Dottie Owensby of Orange, California, also survives, and three brothers, Ike Leckie of

Mangum, Oklahoma, Rufus and Merle Leckie of Willow, Oklahoma. Twenty-eight grandchildren and 31 great-grandchildren also survive.

THE TOP 3 CORN HYBRIDS FOR THE SOUTH PLAINS

Everyone knows the top corn hybrid for this area. PIONEER[®] brand 3369A is the most planted hybrid in Texas, Oklahoma and New Mexico. Not everyone realizes, however, that there are other PIONEER hybrids that do as well as this famous one... even beat it in some respects. You should consider them, too. They'll help you get exactly the right hybrid mix for whatever mother nature has in store for this season:

Number two in popularity with Southwestern farmers... 3306 is a hybrid with strong stalks and outstanding ear retention. Especially good in light soils, it has good drought and heat tolerance and is a good performer on irrigated or non-irrigated land.

An exciting new hybrid that has an even greater yield potential than 3369A. The added yield potential comes, in part, from a little later maturity while having the root and stalk strength to stand until harvest. It stays green later, too. This one can add significant profit to your corn crop.

Another new, good yielding hybrid. It's a little earlier than 3369A with exceptionally fast dry down. It has made from \$9 to \$12 more profit per acre than ordinary hybrids because of its fast dry down. It has long slender ears on small, hard cobs... really great for combining.

PIONEER HI-BRED INTERNATIONAL, INC., SOUTHWESTERN DIVISION, P. O. Box 788, Plainview, Texas 79072

Performance of seeds or the crop produced therefrom may be adversely affected by factors beyond our control including environmental conditions, insects and diseases. The limitation of warranty and remedy attached to each bag of Pioneer brand seed is a part of the terms and conditions of the sale thereof.
