

Traffic Law Enforcement Toughened

All members of the Big Spring police department, including reserve officers, were given instructions by Chief Jay Banks Friday afternoon to step up enforcement of traffic laws in the city.

"Because of the astronomical rise in property damage in recent weeks and serious bodily injuries to drivers and passengers of cars, we find that we have a problem of protecting lives and property," Banks said. "We don't like the term 'traffic enforcement drive,' but we are going to do something about the property loss and injury increase."

Mayor Zachariah said the city commission was behind the move 100 per cent and that it would not be just for the Christmas holidays but for the future.

"The reports of accumulated property damage and loss in Big

Spring is due more to traffic violations than any other cause," Crow told the men. "We have got to make a move to protect our people. That is what law enforcement is for."

The 1962 damage to cars and other property, as a result of traffic accidents, is listed at \$225,000 at the end of November on the police report. For the same period in 1961 the total damage was \$162,968. The number of injuries during the same period for 1962 is listed as 152 as compared to 107 last year. Four fatalities are listed for the same period.

Banks told the men that the new radar unit for the city would be available immediately and that the public should be made aware of its efficiency.

"We are not going to issue tickets or make arrests in border line cases," he said, "but when a driver is stopped the second time he is to get a summons. We are to be fair, but at the same time, be firm."

Lt. Stanley Bogard of the traffic division said the new radar unit would pick up the speed of an automobile at 1,500 feet and of a truck at 3,000 feet.

Special attention is being given to keep down collisions and injuries during the Christmas holidays when traffic will be heavy, Banks said, and every man on the force, whether on or off duty, has been instructed to make arrests, issue tickets, or give warnings where violations are found.

Around 50 men, including regular, reserves, and plainclothes men, are instructed to stop any violator where he is found," Banks continued, "and take whatever steps are necessary to hold down accidents. Many of these men will be in private cars, and our radar unit may be used in private or unmarked vehicles."

Church Plans Gift Program

This evening, at 7 o'clock, members of the St. Paul Presbyterian Church will present the annual Joy Gift program under the direction of Mrs. Ken Perry. The theme will be, "Tell Me the Story of Jesus."

The prelude for the program will be arrangement of "Silent Night" for piano and organ played by Mrs. Perry and Kathy Seddon. The adult choir of the church, directed by Louis Loveless, will sing various Christmas carols.

Those who will participate in the presentation as narrator, readers or characters in the pantomime are Vance Kimble, Bill Gibson, Stu Howerter, Birt Allison, Steve Lazarus, Mrs. John Fariss and several children from the congregation.

The minister, Rev. Al Seddon, will explain the purpose of the Joy Gift offering to be taken during the service. Offerings during the Joy Gift programs throughout the Presbyterian Church, U. S. are used to aid retired Presbyterian ministers and their wives or widows who were not able to enroll in the present retirement plan of the church. This assistance provides regular monthly checks and medical assistance needed by those of advanced age who served the church during their productive years.

Creighton Wins Time Extension

The Eleventh Judicial District Court of Appeals has granted the appellant's motion for an extension of time to file brief in the case of Charles W. Creighton vs. the State of Texas. The case came up from Howard County Court on a right-of-way award.

The court also affirmed the case of John Neeley Barron vs. Gara Barron from Dawson County by and overruled the appellants' motion for extension of time to file transcript and statement of facts.

SON OF MAN

By T. B. Yazbel, Preacher
 Church of Christ, 2004 West Highway 80

Jesus often referred to Himself as the Son of man (Matt. 16:13, 27, 28, etc.). The tract under review uses this as evidence against the Deity of Jesus. But it must be remembered that he also called himself the Son of God (Jno. 5:25, etc.) and commended Thomas for calling him God. (Jno. 20:28, 29).

Why did he so often call himself the Son of man? To emphasize his humanity. The Word had become flesh (Jno. 1:14); and for a purpose.

"Wherefore in all things he behaved him to be made like unto his brethren, that he might be a merciful and faithful high priest in things pertaining to God, to make

reconciliation for the sins of the people. For in that he himself hath suffered being tempted, he is able to succor them that are tempted" (Heb. 2:17, 18).

It is a great encouragement to us to know that he was the Son of man. Thus we have a high priest that can be touched with the feelings of our infirmities; for he has experienced them.

"The King's Business" a a d "What I Like About Abraham," a a d will be the sermons today at 10:30 a.m. and 7 p.m. Why not be with us? You are always welcome.

-Adv.

Family Reunion

It was a surprise visit for two Lieutenants Hopkins Friday when their father, Brig. Gen. Edward J. Hopkins, of Headquarters Strategic Air Command, Offutt AFB, Neb., stopped off at Webb AFB. On hand to greet Gen. Hopkins (second from left) were the younger of the two brothers, 2nd Lt. Robert S. Hopkins (left) and 1st Lt. Ed-

ward D. Hopkins (right) and Col. Wilson H. Banks, Webb AFB commander (second from right). Both lieutenants are Air Force Academy graduates. Lt. Edward Hopkins is an F-102 pilot with the 331st FIS and Lt. Robert Hopkins is a student pilot in 64-A and is a member of the 3561st Student Squadron.

Cotton Harvest Now Can Hit Full Stride

Some of the mystery and suspense of the 1962 cotton crop will be lifted within the next fortnight.

Last week brought that long-awaited hard freeze, and throughout the area there were reports that cotton plants had been killed. This week should see the harvest at last swing into full stride and some ideas on the outcome likely will take shape.

Virtually all of the remaining harvest will be done by strippers. The Texas Employment Commission office here is receiving so few calls for hands that it may discontinue its weekly ginning poll

after another week. The TEC office at Lamesa reported the only demand for workers there was for small fields and in cleaning up the point rows and ends where strippers can not effectively get at the stalks.

During the past week Howard County ginned only 488 bales, bringing the season's total to 5,968, or 24 per cent of revised estimate of 25,200 bales. The crop is about 70 per cent open but should be all open within a matter of days.

Martin County ginned 1,098 bales, making 23,351 for the season, or 62 per cent of an estimated 38,000-bale harvest. The crop was 90 per cent open.

Glasscock County was regarded as complete with 9,550 bales ginned. The past week saw 350 bales come to gin.

Dawson County, the major cotton producer in this area, got brisk action with 18,143 bales being ginned for the week. This made 94,470 bales harvested, or about 66 per cent of an estimated 142,000 bales TEC figures will be gath-

ered. The crop is about 95 per cent open.

One of the big question marks is the reaction of marginal bolls to the freeze. Producers, hoping the bolls had enough maturity, hope that the freeze will crack the bolls. In some areas, particularly in Dawson, there was some apprehension that the bolls may have been too soft after all. This being the case, the final figures would be reduced somewhat.

3-Car Collision With 2 Drivers

AUSTIN (AP) — A three-car collision with one man listed as driver of two of the autos? State police explained it this way:

One motorist had auto trouble and left his car parked. He went home, borrowed a car and drove it back to the scene of the breakdown. He was working on the stalled auto when a passing motorist struck one of the parked cars and jammed it into the other. Neither driver was seriously hurt.

MEN IN SERVICE

Joins Marines

Michael S. Faulkner, son of Mr. and Mrs. Bernard T. Faulkner, 1415 Wood St., enlisted in the Marine Corps Reserve Program in the unit located at Midland Air Terminal. Administering the oath of enlistment is Captain George H. O'Brien Jr., commanding officer of the 13th Engineer Company, FMF, United States Marine Corps Reserve. Capt. O'Brien, a Korean Medal of Honor winner and native of Big Spring now resides in Midland. He is the son of Mr. and Mrs. George H. O'Brien, 1201 11th Place.

Ellis R. Smith, aviation machinist's mate third class, USN, son of Mr. and Mrs. Ellis O. Smith, 1110 E. 14th, Big Spring, has reported for duty at the Naval Air Station, Cubi Point, Philippines. Cubi Point, a vital link in the SEATO defense chain, is located on historic Bataan Peninsula, 100 air miles from Manila. A graduate of Coahoma High School, Smith entered the Navy in August, 1960.

Airman J.C. Denman G. Shultz, Lamesa, is being reassigned to France following his graduation from the Air Force technical training course for wire communications specialists.

Airman Shultz was trained to install communications cables and poles and to assemble steel towers used to hold transmitting and receiving antennas. The son of Mr. and Mrs. W. D. Shultz, Lamesa, he is a former student at Lamesa High School.

Jorge Gonzales, son of Mr. and Mrs. Rafael Gonzales, Stanton, recently was promoted to sergeant in Korea where he is serving with the 7th Division's 54th Infantry. Sgt. Gonzales, a team leader in the infantry's Company E, entered the Army in March, 1961 and received basic training at Fort Hood. He arrived overseas last September. The sergeant attended Stanton High School.

Army Pfc. Alton E. Currie, son of Mr. and Mrs. Addison E. Currie, Colorado City, is serving with the 14th Armored Cavalry Regiment's 3rd Reconnaissance Squadron which guards the northern sector of the East-West German border in Europe. The members of Currie's unit keep the border under constant surveillance through the use of jeep-mounted patrols and observation and listening posts.

The 18-year-old soldier, a driver in the squadron's Troop K in Bad Hersfeld, entered the Army in February, 1961 and completed basic training at Fort Hood. Currie attended Colorado City High School.

Army Pvt. Donald E. Hauser, son of Mrs. Alice I. Payne, Coahoma, recently was assigned to the 5603 Infantry on Okinawa.

Hauser, a rifleman in the Infantry's Headquarters Company, entered the Army in April, 1962 and received basic training at Fort Chaffee, Ark. The 18-year-old soldier attended Big Spring High School and was employed by Dawson Geophysical, Midland, before entering the Army.

Arlin Wayne Sartain, son of Mrs. Doris Tate, 1414 Stadium, has enlisted in the Army for three years. He has been assigned to Fort Polk, La. for eight weeks of basic training. For further assignment after completion of training, Sartain chose Europe.

Charles A. Free, son of Mr. and Mrs. Lemuel O. Free, Route 1, Knott, was scheduled to complete recruit training, Dec. 14, at the Naval Training Center, San Diego, Calif. During the nine-week indoctrination, recruits are trained in physical fitness, basic military law, military drill, customs and etiquette of the naval service, swimming and survival, first aid and basic shipboard routine.

2nd Lt. William C. Hansen of Burlingame, Calif., has entered Air Force navigator training at James Connally AFB, Texas. He will receive radar and celestial navigation training in Air Force T-29 "Flying Classroom" aircraft. He will be awarded the silver wings of a navigator upon completion of the course. He is the son of Mr. and Mrs. Charles H. Hansen, 1501 Carmelita Ave., Burlingame. His wife is the former Carole A. Wicks, 500 Austin, Big Spring.

Capt. Frederick D. Yost, son of Mr. and Mrs. Clemual B. Yost, Colorado City, is being reassigned to McGuire AFB, N. J., following his graduation from the flying training course for C-119 pilots here at Tinker AFB, Okla. He received detailed instructions in routine and emergency operation of the four-engine liftmaster and its systems. The captain entered the service in 1949.

Capt. James L. Anthony of Dahleogga, Ga., graduated from the United States Air Force's

Post Office Volume Hits Record Stride

Post office volume, as a barometer of Christmas activity, indicates a banner year for Big Spring. Postmaster Elmer Boatler said Saturday his office is 65,000 pieces of mail ahead of the same period last year.

Postal volume for December through Friday had reached 1,013,759, compared with 948,583 for the same period last year.

"We have had no serious log jams of mail so far," Boatler said. "Some of the trains are running late which puts us behind, but we have kept pace so far." Boatler said the morning train from the east was two hours late Saturday morning.

Boatler urged residents to continue getting their Christmas mailing done early. He is anticipating an all-time record high mailing this year, shading last year's mark of 2,312,288 pieces of mail handled by the local office. Conservatively, Boatler said he expects to eclipse last year's figure by 45,000 pieces.

During the holiday season, the postmaster expects to handle a business of \$55,000.

He offered these suggestions to patrons: Be sure your return address and the recipient's name and address is plainly typed or written on all labels and Christmas cards. Always use zone numbers. Avoid abbreviations of state and city names.

Try to bring your parcels to the post windows before 10 a.m. or between 1:30 and 3:30 p.m. to avoid the noon hour rush. The parcel post window will be open until 5 p.m. Dec. 22.

-Pack your Christmas gifts in strong corrugated cartons. Use plenty of stuffing material to insure safe delivery. Seal packages with heavy paper adhesive tape and tie them with good, strong cord. Be sure to ask about Parcel Post size and weight limitations when you buy stamps.

College Slates Driver's Course

A driver education class for adults is to be offered by Howard County Junior College starting Monday.

Instruction will consist of six hours of lecture on rules and laws of driving; 12 hours observation of driving in a car; and six hours of actual driving of a car. The cost for the course is \$27.50.

The college will furnish the car and will schedule driver tests with the Department of Public Safety at the end of the course. Truett Newell is to be the instructor.

Those interested are asked to be at the old Student Union Building at HJC Monday at 7 p.m. for the first of the lecture sessions. The driving sessions will be scheduled according to individual free time in afternoons and on Saturdays.

Boys Get Trophy

Ernie Nelson, Midland, winner of the recent golf tournament in Midland to benefit West Texas Boys' Ranch, San Angelo, has given his trophy to the boys. He presents the trophy here to Freddie Granado, Ft. Stockton, the Ranch's mayor, Manuel Morales (left) and Horace Wayne Clark, both of Big Spring, look on.

Study Indicates Boys From Ranch Make Good Progress

This Christmas season the West Texas Boys Ranch has something special to be thankful for. A recent study of boys who have been released from the Ranch since 1962 reveal that 75 per cent of the boys have made excellent or good adjustments without future social agency service or court action. The study also revealed that only six boys were incarcerated by courts.

The study was made over a six month period, to determine the present educational, employment and social status of the boys. The boys accepted into the Ranch program come with various problems: some have multi-delinquent activity; others are admitted because of primary family breakdown and stress. Each boy comes from a situation that is a hindrance to good emotional life.

The Ranch is currently serving 64 West Texas boys. Four of the boys will be seniors next year and 12 will go into special vocational training in the summer. For the last few years, the Ranch has had a special training and vocational program which has proven to be effective in reaching the boy who is behind in his school work.

The Ranch is now in its fifteenth year of operation and has continued to operate solely on free-will donations and contributions. Morris Craig, executive director, remarked, "This year we are behind in our Christmas donations and would like to make a special appeal to West Texas to remember us."

Recently, the idea of a "half-

way house" was presented to the board of directors. The function of the "half-way house" would be to serve boys who are participating in on-the-job training, and for those who are in the upper high school grades and show sufficient maturity to live in a semi-

after you see your doctor, bring your prescription to...

LEONARD'S PHARMACY

AM 4-4344 308 Seary
"RELIABLE PRESCRIPTIONS"

Independent environment. If the plan is found feasible, it will entail a house in San Angelo large enough to accommodate 14 boys. "The Ranch has a great deal to be thankful for this year," Craig said.

The Ranch is currently serving two boys from Howard County.

Keeps Agency

Mrs. Loretta Mathews has assumed charge of the AAA agency in the Big Spring area and will have her offices in her home at 2304 Allendale. Before his death last May 22, her husband, Dick Mathews, operated the agency and serviced AAA accounts in this area.

Three Escape Jail

BELLEVILLE, Tex. (AP)—Three prisoners chipped through the wall of the Austin County jail Friday night, slipped to the ground on a rope made of bedding and escaped in a stolen car.

Webb Choir

"Night of Miracles" by John W. Peterson was presented Thursday evening at the Webb AFB Chapel by the Chapel Choir. Directed by Lt. Lee Small, the cantata featured solos by Lorna Tovrea, soprano; Tom Madsen, tenor; Lee Small, baritone, and Leonard Tovrea, bass. Narration was by Lt. Robert Wyman, of Class 63-G.

Special Christmas Music Programs Scheduled Today

Music woven into the tapestry of the nativity will abound in churches here today. At least nine congregations have scheduled cantatas or other special music. Many of the sermon subjects will have a Christmas theme, and a few of the cantatas include brief meditations by the pastor. Kentwood Methodist Church is having its cantata at 10:55 a.m. today. Others have scheduled theirs for the evening worship. The Kentwood cantata will be "The Infant Way" by Louise Stairs. Joe Burchfield will direct. The Rev. Marvin James will bring the message. "An Appalachian Nativity" by

Pilot's Skill, Long Glide Save An Expensive Plane

SAN ANTONIO (AP)—Flying skill and faith in a low-altitude ejection seat got credit Saturday for helping an Air Force pilot save a \$1 million research jet. The plane, used for research by the School of Aerospace Medicine at Brooks Air Force Base in San Antonio, landed at Kelly Field

Nov. 29 without power. The incident was not made public until Saturday. The plane glided for 35 miles, causing the pilot, Capt. David Straka, 33, of Humboldt, Neb., to call it "one of the longest glides in that type of aircraft I've ever heard of." Straka and Capt. Richard Ravenelle of San Antonio were in the F-100F super Sabre when it took off from Kelly on a flight to Del Rio.

Anderson Found Guilty Friday

It took the jury only five minutes Friday afternoon to decide that Eddie Anderson, Coahoma, was guilty as charged. The trial on a charge of driving while intoxicated was started in Howard County Court Friday morning about 10 a.m.

Straka said Ravenelle had experience with ejection seats so he let him stay in the plane. Straka also knew, he said, the men could eject from the plane safely moments before it touched ground because of new ejection equipment.

Anderson was fined \$100 and given a 10-day sentence in jail for the incident which occurred in February. The State presented five witnesses. There were no defense witnesses. This case winds up the county court session for this year, Wayne Burns, county attorney, said.

Shot To Death LONGVIEW, Tex. (AP)—J. M. Sanford, 58, was found shot to death early today in his liquor store in this East Texas city.

E. P. Mead Funeral In Amarillo Today

Funeral services are scheduled for today in Amarillo for E. P. (Doc) Mead, widely known West Texas businessman, religious leader and philanthropist. Mr. Mead, identified prominently in banking interests for many years, succumbed Friday at 7:45 p.m. in an Amarillo hospital. He had been a patient there since suffering a heart attack several weeks ago.

Rites will be at 3 p.m. in Blackburn - Shaw Chapel in Amarillo. The Gideons of Amarillo will conduct the service. Mr. Mead was a founder of the Gideons of Texas, and one of that organization's outstanding workers. He also was active as a lay preacher.

A second memorial service is to be held Monday in Elliott's Chapel of Memories in Abilene, with burial to follow in an Abilene cemetery. Mr. Mead lived in Abilene a number of years before moving to Amarillo. It was there that he, with his father and brother, W. L. (Bill) Mead of Big Spring, launched a small baking business that subsequently was to expand into a tremendous four-state operation. At one time Mr. Mead had an interest with Bill Mead in a large plant in Big Spring.

Production in the first bakery was 35 loaves a day. By the 1950s it was running more than a million loaves a week. Born Feb. 18, 1900, in Russellville, Logan County, Kentucky, Mr. Mead was one of five children. His father was a farmer and a minister in the Church of Christ. In 1908, the family moved to a farm near Abilene. Mr. Mead spent his boyhood there and attended schools in Abilene. In 1951, Mr. Mead moved headquarters for his bakery operations to Amarillo. In addition to the bakery, he held substantial real estate and banking interests in Oklahoma and Texas, and was a licensed minister of the Baptist Church.

He was known to his friends as a faithful but quiet contributor to churches throughout the state. He is survived by his widow; one son, Ed V. Mead of Albuquerque, N. M.; a daughter, Mr. William E. Vick of Dumas; a brother, W. L. (Bill) Mead of Big Spring; and six grandchildren.

Stock Handler Exams Scheduled Civil service examinations for a job as commissary stock handler at Webb Air Force Base have been announced by the U. S. Civil Service Commission.

Halfway House Party Slated This Afternoon

Mr. and Mrs. Earnest Nelson, Midland, will be hosts this afternoon at a come-and-go Christmas party at the Halfway House, 411 Lancaster. All friends of the project, a bridge between the state mental hospital and a return to full activity in the community, are urged to call between the hours of 8-5 p.m.

The Halfway House is a unique institution with only eight in action in the nation, two of them in Texas. The Big Spring Halfway House is the only one in existence which is supported by the clients and the communities in the area.

Several men, who have progressed in recovery to the point of being ready for discharge from the hospital, take up residence in the home and work at various jobs in the community until they become self-sustaining or their full measure of confidence and occupational skill returns. A meeting has been set for Jan. 4 to organize a board of directors to supervise the management of the Halfway House.

Chamber Groups Meet At Webb

The armed services committees of the Midland and Odessa Chambers of Commerce met Friday evening at Webb AFB for planning of some activities and for a social hour. Details on an industrial security seminar, scheduled for Oct.

28-Nov. 8 at Odessa College, were coordinated by the committees headed by William Blakemore, Midland, and Archie Cord, Odessa. There also was some discussion of an Armed Forces Day observance next May at Terminal, centering largely around reserve units and static exhibits. Committee members were accompanied by their wives, and about 40 attended the affair at the Officers Club.

A **DOLLAR FREE** for you!

Yes, a special bonus offering of a SILVER DOLLAR on the first \$100 of a new savings account placed with us, or on the first \$100 additional you place in your present account. King And Queen Crowned At Game

King Dennis O'Steen, son of Sgt. and Mrs. Charles O'Steen, and Queen Sharon Schroeder, daughter of Mr. and Mrs. Jack F. Schroeder, were crowned at the half time at Friday night's benefit football game. Mayor pro tem Paul Kasch stands behind King O'Steen and Chief of Police Jay Banks behind the Queen. Sgt. John H. Benefield of Webb AFB Air Police, is at right. The King and Queen, elected by the boys and girls of the Crippled Children's Center, were presented with savings bonds.

Building Fund Gets \$1,500 From Ball Game

More than \$1,500 will be turned over to the Howard County Rehabilitation Center (crippled children) building fund from proceeds of ticket sales, programs, and concessions at Friday night's football game between the Big Spring law enforcement officers and the 331st FIS of Webb AFB.

Sgt. Robert Dugan, who had charge of tickets sales, said Saturday morning that all money for tickets had not been turned in, but that over \$1,500 was on hand. Concessions, handled by the Rainbow Girls, were good but the net amount taken in was not known.

"We had over \$550 from ticket sales at the gate," Dugan said, "which was a pleasant surprise." Tickets were donated by Whatley Printery and other firms for advertising donated by other firms, Dugan reported. He said all those making donations would be recognized when the complete list was in.

"One of the greatest contributions for the game, as far as the law enforcement officers are concerned," he said, "was the coaching and contributions of Bobby Dodson of Gollad Junior High. He saw, also, that we did not lack equipment. Game jerseys were from the Gollad lockers."

Practice jerseys and equipment came from Forsan and Cochoma.

Club Buys Another Plane, Elects Officers

The Big Spring Flying Club, Inc., now has a new set of officers and a second airplane. The officers were elected at the regular meeting Dec. 10. The 1956 Piper Tri-Packer, a four-place craft, was delivered the first of this week and has now been checked out.

John Stanley Jr. is the new president of the club, succeeding Al Eldridge. Dr. M. A. Porter is vice president, Buster Weaver is secretary, and Betty Raf Clifton, treasurer.

"The club's second aircraft has full dual gyro panels," Eldridge said. "It also has VHF radio transmitter-receiver, and a localizer receiver, plus marker beacon and low frequency receiver."

The club has owned a Piper Custom Colt, two-place airplane since it was organized last February. Eight members have received their private licenses since the organization, and one more is expected to receive his license in the next 30 days.

"The club still has openings for 10 additional members," Eldridge said. "The membership fee, after Jan. 1, will be flat \$75. In fact, anyone wanting to give a membership for a Christmas present, may get it for \$75. The membership has been slightly over \$100."

Tax Cut Proposal Faces Big Fight

WASHINGTON (AP) — President Kennedy is bucking political tradition by asking for a non-election year tax cut. His program faces lengthy and stormy consideration in Congress.

When it is in a tax-reducing mood, Congress traditionally likes to act in even-numbered years, when all the representatives and one-third of the senators are up for re-election.

The feeling among members is that the voters have short memories and it's politically wiser to give them the benefits of lower taxes in the months just before election.

LONG TIME
While this feeling may not necessarily block action on the President's proposal to shave 1963 taxes, the practical matter of getting a revenue bill through both houses of Congress promises to take many months.

The House Ways and Means Committee, which must originate such legislation, seems to share the view of its chairman, Wilbur D. Mills, D-Ark., that there is no present economic justification for reducing taxes effective Jan. 1, 1963.

Kennedy has apparently backed away from his advocacy of such timing. He told a news conference Wednesday that he is proposing tax cuts involving 1963 and told the Economic Club in New York Friday night he will not ask for quickie reductions.

CHANGE OF VIEW
This indicated the administration has swung around to Mills' view that revenue law revisions must be incorporated in a single bill with any tax reduction. Before such revisions can be refined into legislative language, there will be hearings that could run for many weeks.

As he has in the past, Chairman Harry F. Byrd, D-Va., probably will resist any effort to get the wheels of the Senate Finance Committee turning until after the House has passed a bill.

Then more mountains of testimony will be piled up before the Senate committee and the Senate itself will be ready to act. Whether it would be practical in August or September to make any tax reduction retroactive to the previous Jan. 1 remains to be seen.

The administration obviously is cutting the pattern of its program to fit what it believes will bring the widest possible acceptance in Congress.

TALKS
The President personally has discussed a program with Mills, Secretary of the Treasury Douglas Dillon and his undersecretary, Henry H. Fowler, have a date this week to talk to Byrd.

Kennedy clearly indicated he had the viewpoint of some members of Congress in mind when he told the Economic Club the new budget will hold domestic expenditures to approximately their present level although there will be some necessary rise in defense and space outlays.

This is designed to meet the objection of Byrd—and most congressional Republicans—to making what the Virginia senator called "tax reductions out of borrowed money."

Girl Scouts Working For Foreign Trip

Senior Girl Scout Troop 300 is in business at a new location. Temporarily in the gift-wrapping business trying to raise funds for a trip to Europe, the girls are now working on the balcony of the C. R. Anthony store.

Fifteen girls are working in shifts, after school and on Saturdays, until 6:30 p.m. They began the gift-wrapping service on the second floor of the First National Bank Building Dec. 1. However, they moved to the new location Friday and business is picking up.

About \$75 has been invested in paper and ribbons, and the venture has not yet paid back the investment. Charges for the services range from 15 cents to \$1 depending on the size of the package and elaborateness of the wrap. The girls have received training in wrapping and can guarantee the quality of their service. Packages can also be wrapped for mailing.

Goal of the 15 Girl Scouts is a trip to seven foreign countries in the summer of 1964. They need about \$900 for each person making the trip. They will visit Austria, Germany, France, England, Spain, Switzerland and Belgium.

They began working toward the trip in September and still have a long way to go. The troop is sponsored by Cosden Petroleum Corp. Mrs. Clyde Thomas Jr. is the adult leader.

PILOT KILLED Training Crash Being Investigated

A board from Webb AFB was being named Saturday by Col. William H. Banks, wing commander, to investigate the causes of a crash that claimed the life of 2nd Lt. John Bernard Keck, 23, student pilot on a solo flight in a T-37 jet trainer Friday.

The plane, which one witness said he saw flying low moments before the accident, crashed in a cotton field about 12 miles north of Lamesa and a mile and a half east of US 87 highway.

The craft came in at an angle and exploded on impact. Only small pieces of the plane remained. A team from Wright-Patterson AFB was flown in Saturday to complete the technicalities of identification.

Lt. Keck was the son of Mr. and Mrs. William E. Keck, 3022 Lavender Ave., Baltimore, Md. He was not married. A graduate of Virginia Polytechnic Institute at Blacksburg, Va. with a degree in mechanical engineering, he came here Oct. 2, 1962 to begin his 55-week undergraduate pilot training with Class 64-C.

Lt. Keck was on a regular solo training flight when the crash occurred about 11:30 a.m. Friday. A helicopter and crash convoy were dispatched to the area by Webb officials.

Officials at Webb AFB issued an appeal Saturday for any persons

LT. JOHN B. KECK

who may have been in the vicinity of the crash scene and have noticed any aircraft in the area about that time to contact the Dawson County Sheriff's Department. What they saw may assist the AF investigators materially, said officials.

4-Year College Appeals Set

AUSTIN (AP)—The Texas Commission on Higher Education set a meeting today for Jan. 14 to consider raising three more junior colleges to a 4-year state-supported status.

The schools are Odessa College, Laredo College and San Antonio College.

The commission previously had recommended senior college status for San Angelo College and Pan American College at Edinburg. Both proposals failed to pass in the last legislature.

The commission meeting will likely draw many legislators, since the 58th Legislature convenes on Jan. 8.

Texas currently has 19 state-supported colleges, with the University of Houston scheduled to join the list next fall.

DeVaney Back From Meeting

C. H. DeVaney, president of the Texas Farm Bureau, returned Friday evening from Atlanta, Ga. where he participated in the annual meeting of the American Farm Bureau Federation.

Proposed for a place on the board of directors of the national organization, DeVaney tied 29-29 with Dr. Harry Brown, president of the Georgia Farm Bureau. On a second vote, he lost 30-28.

"Of course it would have been an honor to be on the national board," he said, "but I'm satisfied that it is best for the interest of the Texas bureau that I will be free to devote all my energies to its program during the time I am first serving as president."

DeVaney goes to the state headquarters in Waco Monday and will remain there until Christmas. Except for time in the latter part of January at the National Cotton Council at El Paso and time spent at Austin during the session of the legislature, DeVaney will be mostly at Waco.

He said he was both surprised and pleased that the national bureau policies so closely paralleled or approached those of the Texas delegation. The national policy did not accept a Texas bureau proposal of withdrawal from the United Nations but did suggest greater dependence upon NATO, etc. as an instrument of foreign policy and keeping the peace.

The Texas recommendation on PL 78 (the bracero act) was accepted verbatim. This calls for some drastic changes in the law before it is renewed, changes to make the program a source of needed labor if conditions warrant, and not to be used as an axe in domestic labor affairs or as an instrument of social reforms.

The national policy called for reductions in expenditures before reductions in taxes. It took the position that the national budget could and should be cut by six billion dollars and proposed that one billion of that be cut from the Department of Agriculture's support and benefit programs provided that other segments of the nation's economy exercise similar frugality in their relation to the national budget.

Shopping for a new washer?
Now MAYTAG Dependability at Low, Low Prices

Big Spring Hardware Will Install This Maytag For Only \$189 With Trade

Here's Proof of MAYTAG Dependability:
Recently a Maytag Highlander was picked at random from the assembly line, and put into operation in the Maytag Product Testing Laboratory. The test was made under typical "home use" conditions. This Maytag Highlander Automatic Washer worked day in and day out for 10,145 hours (16,218 loads) equal to 50 years' normal home use! Service cost averaged only \$2.00 a year! Proving again that you buy the most dependable washer made . . . when it's a Maytag.

Get Maytag DEPENDABILITY Plus all of these "do something" features:
■ Selective cycle control handles all fabrics
■ Gyrofoam action is thorough, lint removal positive
■ Temperature selector protects clothes, top loading
■ Water level control for economy, swirl-away draining

New Oil Potential Indicates Big Gains

By JOE BEYER

If the trend holds up until year's end, 1962 new potential could finish ahead of 1961 by almost 10,000 barrels. During November, the figure pulled ahead of last year's total by 4,135.01 barrels.

Forty-one new wells, including three discoveries, logged 5,069 barrels of new oil to set the accumulated total for the first 11 months of 1962 at 57,927.08 barrels. This was the fourth consecutive month in which potential has risen.

The November total was 207.58 barrels above the 4,861.42 noted during October. It is 620.36 barrels above November, 1961 and 1,234.75 barrels above the 2,834.25 barrels registered in November, 1960.

Locations almost hit the long-time high of 52 set in October, dropping off only by one to 51. Completions dropped 11 from the 52 noted in October. Total locations, however, are still 56 off the pace of 597 set at this point a year ago while completions, standing at 471, are 46 above the same time.

SMALL DISCOVERY Howard County received a small but significant discovery on completion during November of Texas Co. No. 1 Guilar Estate about four miles northwest of Big Spring. It pumped 18 barrels of oil from the Spraberry. With the Spraberry Trend moving constantly eastward in Howard County, the two pay zones may eventually be connected.

Martin County picked up a couple of Wolfcamp discoveries in the northwest section near the Breedlove (multipay) field. Gulf No. 1 Singleton, a dual with the Breedlove (Devonian) flowed 365 barrels from the Wolfcamp Nov. 13, to reopen that pay in the Breedlove field. The zone was originally discovered for small production in October, 1960, and had since been depleted.

Pan American completed another Wolfcamp strike 10 days later in No. 1 Humble-Wolcott. It flowed 150 barrels of 38-gravity oil on initial potential.

Martin County retained the lead with 2,003 barrels. Dawson County, with 1,386 barrels, was the only other county to top the 1,000-barrel mark.

A county-by-county look at the activity during November follows.

BORDEN New potential dipped slightly during November as four new wells totaled 488 barrels of oil. Two were in the Fluvanna field, one is a Good, Southeast well and the fourth is in the Jo-Mill field.

Seven new drillsites were picked, including three wildcats. Other locations are single sites in the Fluvanna, Jo-Mill, Von Roeder and Von Roeder, North fields. There were no dusters.

DAWSON Seven oilers turned in second best production in the eight-county area during November. Total production was 1,386 barrels, slightly above the 1,225 noted the previous month. The Welch and Wells fields each had two completions and the Ackerly, Britt and Tex-Hamilton each gained one.

Five new locations were distributed evenly in five fields. They are in the Ackerly, Wells, Tex-Hamilton, Britt and Key fields. No projects failed.

GARZA Garza County had almost half the total dusters logged in the area during the month as five of eight projects finished during the month were failures. The other three, one each in the Post, PHD and Dorward fields, logged a total of 184 barrels of new oil, about the same as the 195 barrels of the previous month. Dusters in-

cluded two wildcats and three Post projects.

Nine new sites were filed, with the Duffy Peak field garnering four of these. Two are in the Post field, one each in the Justiceburg and Kirkpatrick fields, and one is a prospecter.

GLASSCOCK Activity in Glasscock County remained low with only one project completed and that a failure. The venture was an explorer plugged and abandoned by U. S. Smelting. Another wildcat was staked. There were four other projects located, all in the Spraberry Trend Area.

HOWARD The county had most completions, with 15, most locations, with 13, and a tie for most dusters, with five. New potential, at 771 barrels, hit the year's high for Howard County.

The Howard-Glasscock field had eight of the new wells. Four are in the Snyder field, two in the Iatan-East Howard and the discovery noted previously.

Seven new projects were filed in the Howard-Glasscock field, three are wildcats, two are in the Iatan-East Howard field and one is in the Vincent, West. All five dusters were exploratory projects.

MARTIN The two Wolfcamp discoveries already listed highlight potential for Martin County. It led with 2,003 barrels. The high individual producer, however, was a 792-barrel completion in the Breedlove (Devonian) as a dual with the Gulf No. 1 Singleton strike. Two other completions are in the Ackerly field and two in the Spraberry Trend Area. A lone producer is in the Mabea field.

The five new projects filed with the Railroad Commission were three Spraberry Trend Area sites and two Mabea locations.

MITCHELL After breezing to its 1962 high of 432 barrels of new potential in October, Mitchell County dropped to 169 barrels from three new wells during November. Two are Turner-Gregory wells and one is in the Iatan-East Howard field. There were no failures.

A prospector is included in the four new locations. Two of the remaining are in the Iatan-East Howard field and the other is in the Turner-Gregory field.

STERLING The Herrell field paid off once during November to account for the 68 barrels of new oil produced in the county. One wildcat was plugged and abandoned.

Two new sites were staked, one a wildcat and the other in the Nena Lucia field.

Slight Climb Listed In Active Rigs

A slight climb in rotary rig drilling activity in the Permian Basin was revealed by the Friday survey of Reed Roller Bit Company.

The latest tabulation for the West Texas-Southeast New Mexico region showed 243 active rotaries. That was up from the 239 working rigs checked a week earlier.

However the Friday total was 23 below the 266 working units reported in the two-state region on Dec. 15 last year.

Lee County, N. M., regular occupant of first place on the list held that ranking and showed a gain of two up from 36 to 38 on the latest survey.

Pecos County, in third position last week with 17 working rotaries, held steady at that figure, but moved up to the second slot.

Ector, which rated second place last week with 17 active rigs, lost one and its 16 on the Friday count put it in third spot.

The county-by-county survey, with previous totals in parenthesis, includes:

Andrews 14 (13), BORDEN 5 (5), Chaves 3 (2), Concho 1 (0), Crane 15 (14), Crockett 12 (5), Culberson 0 (1), DAWSON 6 (4), Ector 16 (18);

Eddy 8 (10), Fisher 5 (5), Gaines 11 (12), GARZA 5 (5), GLASSCOCK 1 (1), Hale 1 (1), Hockley 1 (2), HOWARD 5 (5), Irion 0 (1);

Kent 2 (2), Lea 38 (36), Loving 2 (2), Lubbock 0 (0), Lynn 0 (1), MARTIN 2 (1), Menard 1 (0), Midland 10 (9), Nolan 1 (2), Pecos 17 (17);

Reagan 0 (2), Reeves 11 (8), Roosevelt 1 (4), Runnels 7 (4), Scurry 6 (6), STERLING 1 (1), Stonewall 4 (3), Terrell 2 (2), Terry 2 (3);

Upton 9 (9), Ward 8 (9), Winkler 5 (7), Yoakum 5 (7), TOTALS 243 (239).

Area Price Controls Begin To Crumble

HOUSTON (AP) — The oil industry's cooperative attitude toward development of area price controls for wellhead prices of natural gas is beginning to crumble.

Various trade groups which have cooperated since the Federal Power Commission (FPC) adopted its area pricing formula in late 1960 are returning to oil policies aimed at seeking relief from Congress from federal controls.

The cooperation, in most cases, has been given without abandonment of the hopes for remedial legislation. Most groups merely stopped pressing for congressional relief.

Commission Lists 151 New Wells

AUSTIN (AP)—The Texas Railroad Commission reported Saturday 151 oil and 118 gas wells were completed in the state this past week.

The completions bring to 9,778 the total oil wells completed for the year, compared to 9,000 at the same time in 1961. Gas well completions this year total 3,270, compared to 2,963 at this time last year.

Wildcaters brought in four oil and 22 gas wells. Two wildcat wells were reported in Dist. 4 and two in Dist. 8.

Wildcat gas wells reported were six in Dist. 2, seven in Dist. 3, five in Dist. 4, two in Dist. 6 and one each in Dist. 7-C and 9.

Wells plugged totaled 139, including 90 dry holes.

Total average calendar day allowable as of Saturday was 2,700,443, up 2,951 barrels daily from Dec. 8.

Industry To Get Thorough Examination By Legislature

AUSTIN (AP) — The heart of Texas' economy, the oil industry, is due for a thorough examination when the legislature begins in January.

The reason: The slant hole well scandal centered in the rich East embarrased the industry since early April.

No one knows how many millions of dollars are involved in the scandal. The state has started more than 50 civil penalty suits asking \$25.5 million damages. It has more than 100 suits to file.

Criminal indictments including 285 counts against 74 persons have been returned by 5 East Texas grand juries.

An Associated Press poll of legislators showed 88 per cent of those answering thought slant-hole drilling legislation would be in the top 10 issues of the next session. Almost half that number thought it would be in the top five controversies.

Three Projects Are Making Hole

Three area projects were reported making hole Saturday. Aikman No. 1 Smith was drilling below 4,720 feet in lime. This wildcat is 660 from south and 1,980 from east lines of section 5-32-2n, T&P survey. It is four miles northeast of Luther in Howard County.

In Borden County, Mallard No. 1 Conrad is drilling in sand and shale below 5,200 feet. Drillsite is 2,628 from south and 660 from west lines of section 79-25-H&T-C survey.

Abel No. 1 Clayton is digging below 5,633 feet in lime. It is C SW SW of section 4-32-4n, T&P survey.

ing Committee, which probed the scandal for several months, issued a list of nine recommendations to the legislature to put teeth into the laws regulating the oil industry.

The recommendations included: Complete revision of the marginal well statute; heavy criminal penalties for intention well deviation; criminal penalties for violation of railroad commission regulations; passage of a "theft of oil" statute; and several statutes giving the

commission a stronger hand in regulating drilling.

The commission already has reacted to the slant hole probe with issuance of a statewide rule which requires operators to show the commission where wells are bottomed.

Rep. John Allen of Longview said, "It has always been illegal to steal or bribe. We need reorganization of the Railroad Commission. Make the investigators go to work."

Allen said slant hole drilling bills would be the top session topic.

Rep. Don Hefton of Sherman said, "There is an obvious need for tighter administration and perhaps legislation."

A Sequin legislator said "There is a real need for reorganization of the entire railroad commission."

Rep. Nelson Cowles of Hallsville

CHARLES C. BARNES

Sinclair Honors 40-Year Employees

A Colorado City man, Charles C. Barnes, unit operator for Sinclair Oil and Gas Co., was one of 19 men honored by the company for having completed 40 years of continuous service.

They were guests at a dinner in Tulsa, Okla., where William H. Morris, president, presented each with a gold watch engraved with his name and the date of his 40th anniversary. Each also received a 40-year service certificate.

Barnes was one of three Texas men included in the group. Others were Clair N. Goodell, district production superintendent at Corpus Christi, and Ernest D. Vick, a pumper at Longview.

E. J. THOMAS

meet the 'SENIORS' of the Cosden family...

Not long ago, the E. J. Thomas family acquired 3 1/2 acres a few miles out of Big Spring, on the Snyder Highway, and moved into the eight-room house on the plot. It was just the kind of expanse needed by the three sons who inherited their father's interest in sports.

Edward Wayne, 15, is a sophomore at Big Spring High and takes part in Future Farmers, Darrell Bruce, who celebrated his 14th birthday yesterday, attends eighth grade at Centerpoint, where his brother, Michel J., 8, is a second grader. The daughter, Mrs. Doyle (Reba Lois) Ray, is the mother of the Thomases' grandbaby, Rickey Ray, who arrived last Aug. 4.

As a student at Albany High School, Thomas had participated in football, softball and track. His sons join in his present hobbies, which are fishing and hunting birds and rabbits.

Thomas was born in Manitou, Okla., but became a Texan at 18 months. He married Reba Beatrice Mann of Cisco on May 1, 1941, in Rising Star. After almost four years in the Army Air Force, from which he emerged as a corporal, he worked as a pumper and pipeliner in the oil fields before joining Cosden. Now a stillman on No. 2 Crude Unit, he has been a yardman, pipefitter and pumper since his first day with the company, Oct. 7, 1947.

The Thomases attend Birdwell Lane Baptist Church.

Tower Fires Sharp Blast At Douglas

WASHINGTON (AP)—Sen. John G. Tower, R-Tex., criticized Supreme Court Justice William O. Douglas Saturday for saying the freedom of America is threatened by what Douglas called Pentagon and Central Intelligence Agency intrigues.

Tower said in a statement that Douglas has raised "serious questions as to his capability for objectivity on the bench" by views the justice expressed in a new booklet, "Freedom of the Mind."

Douglas asked in the booklet whether the Democratic countries are in the threshold of world feudalism which Europe left in the 15th and 16th centuries and which is thrust on much of the Middle East today?

He contended that the press does not cover Pentagon and CIA operations fully. He said the latter agency is more responsible for foreign policy in the Middle East than any other. He said it supports "feudal regimes."

Tower said that Douglas' criticisms of the Pentagon and CIA are "hardly appropriate and in character for a member of the Supreme Court."

"We hope that most of his observations will not be taken seriously," Tower said. "They reflect a pathological fear of autocratic systems which are not oriented to the left. His suggestions that clandestine activities by American agents promote the revival of the feudalism of the Middle Ages is absurd on the face of it."

The Texas senator said that when the West supports authoritarian systems which are anti-Communist in character it does so only because the alternative appears to be a swing to Communist, anti-Western dictatorship.

Justice Douglas Hits At Secrecy

CHICAGO (AP)—Associate Justice William O. Douglas of the U.S. Supreme Court declared Friday the freedom of Americans is threatened by what he termed intrigues by the Pentagon and the Central Intelligence Agency.

Douglas said facts are concealed from Americans for political and commercial purposes in violation of the spirit of the Bill of Rights.

He asked: "Are we on the threshold of re-entering the world of feudalism which Europe left in the 15th and 16th centuries and which is fas-

tened on much of the Middle East today?"

Douglas' discussion of threats to individual rights was printed in a 48-page booklet, "Freedom of the Mind," published Friday by the American Library Association and the Public Affairs Committee, Inc.

"The press does not cover the operations of the Pentagon adequately. Nor can it report truthfully on the Central Intelligence Agency," he said.

"This agency has been more responsible than any other agency for foreign policy in the Middle East. Its movements are not known. The manner in which it intercedes in foreign elections with its money bags is never reported."

"The reasons why it supports feudal regimes, the results of its policies, the dangers that it generates are not known even to many of the informed press."

Douglas said "secrecy of the CIA and Pentagon operations is defended on grounds of national security; and obviously matters of espionage and counterespionage, as well as many matters of defense, cannot be successful if they are news items."

"Yet, why should the CIA efforts to influence elections abroad be a secret to the American people when they are notorious in the foreign nation?"

Advancement of technology, he said, has had a significant effect in helping to develop a trend to conformity in the United States, and technology "has become a rather dubious synonym for progress."

"We have a surplus of everything—including unemployed people; and the hundreds of unemployed and unemployable will increase if technology continues to be our master. We have a surplus of food and millions of hungry people at home as well as abroad," Douglas said.

Nocona Man Slays Pair, Kills Self

NOCONA, Tex. (AP)—A Nocona floor finisher, using a .30 caliber rifle, shot his estranged wife and a 14-year-old daughter to death today, then turned the gun on himself.

Peace Justice Pete McQuire returned the ruling after the three bodies were found in a blood-spattered bedroom of the woman's home.

The dead were identified as T.J. Horn, his estranged wife, Frances, and their daughter, Pamela, 14.

Neighbors told police of seeing Horn, who operated a painting and floor sanding company, enter the home about 6 a.m. They said about 15 minutes later they heard muffled sounds that could have been shots.

The bodies were discovered shortly after 10 a.m. by Mrs. Horn's brother, Jake Ewing of Ringgold, and City Marshal Roy Pitts. Pitts forced his way through a back door after Ewing called him to the house.

Ewing was called to the home by a woman who was to drive the Horn girl to nearby Henrietta where she was to play in a high school basketball tournament.

Five empty rifle shells were found in the house. There was evidence of a struggle, police said. Officers said Horn had been separated from his wife, a beauty operator, for about a year. They also have a son, Mike, 17, who attends Rice University.

Firemen Need Doll Dressers

Doll dressers are needed at Central Fire Station to get more than 200 dolls dressed in time for distribution to needy children for Christmas.

"We are getting in toys pretty well now," Chief H. V. Crocker said Saturday. "Of course there is always a shortage of bicycles, but everything else is coming in good, and the firemen are getting all the toys in shape."

"The main thing right now is getting these dolls dressed," Crocker said. "If any one, or any group, can help us in dressing them, either at home or at the Central station, we would appreciate a telephone call to AM 4-6083. We will deliver them to homes."

Woman Injures Three Men In Northside Fracas

Leol Leal Sumtigo, 411 N. Goliad, was stabbed four times in the shoulder and right arm about 10:30 p.m. Friday at Mitchell's Cafe, 404 NW 3rd.

Larry Sharp, one companion, was cut on the right arm, and Felipe Minjarez, another companion, had the neck of his sweater cut, in the same assault. Injuries were not listed as serious.

The men said they went into the cafe and were assaulted by the knife-wielding woman who did not say a word. They identified the woman but witnesses said they had the wrong name.

Police were still looking for the woman Saturday. She will probably be charged with assault with intent to murder when apprehended and questioned, police said.

Big Spring police were notified of the incident by Webb AFB Air Police after the three went to the base hospital for treatment.

If Papers Fold, It Will Be 'Suicide,' Says Union Man

NEW YORK (AP)—The leader of a printers union whose walkout caused a shutdown of the city's nine major newspapers says that if any of the dailies go out of business because of the strike it will be "a matter of suicide, not murder."

Bertram A. Powers, president of Local 6, AFL-CIO International Typographical Union, made the comment Friday when asked about reports that the strike might force one or more papers to cease publication.

The only comment on the closing rumors has come from the Post and Herald Tribune.

Powers, walking a picket line outside the Journal-American plant, also said: "We can't afford to lose a single job. That's why we have offered to go back to work at a moment's notice at the Mirror, Post, Trib and Star-Journal. We didn't go on strike against them. They chose to line up with the others."

The ITU struck the Times, Daily News, Journal-American and World Telegram and Sun at 2 a.m. Dec. 8. The Mirror, Post, Herald Tribune, and the Long Island Star-Journal immediately shut down, idling 20,000 employees. The Long Island Press halted city publication while continuing to put out Long Island editions outside the city.

Walter N. Thayer, president of the Herald Tribune, said Friday, "We can stand a protracted strike. Whether we can afford—whether any of the nine papers can afford—the contract ultimately agreed upon is another question. We must also be able to survive the settlement when it is reached."

Mrs. Dorothy Schiff, editor and publisher of the Post, is already on record as saying a long strike could mean the end of the Post. The printers demand an \$18.45 a week raise for 3,000 members, spread over two years, plus fringe benefits.

The publishers say the package would total \$38 per week per man and cost a total of \$40 million a year.

The present weekly base wage for printers is \$14. The publishers offered an \$8 a

week package over two years—the formula accepted last month by the AFL-CIO American Newspaper Guild to end a strike against the Daily News.

Peace talks were suspended last Wednesday. In Washington Friday, Federal Mediation Director William E. Simkin said arrangements have been made to resume negotiations next Tuesday.

Texas Enjoys Mild Weather

Texas was blessed Saturday with generally mild weather and the Weather Bureau said Sunday should be about the same with a little more sunshine.

Light rain and fog shrouded much of East and North Texas during the early morning. The fog was so dense that Fort Worth's Southwest International Airport had to shut down for three hours, starting at 5 a.m.

Except for extreme Southeast Texas, where light rain continued to fall, generally clear skies prevailed during the afternoon. Temperatures were mostly in the 60s.

Police Check Three Thefts

Three thefts and one burglary were investigated by Big Spring police Friday afternoon and Saturday morning. The burglary was at the First Christian Church where a window was broken. The break-in was found by the custodian, G. Frank Smith, who called police. Nothing was reported missing.

Glen Hardison, 106 W. 3rd, told police that a tool box, with an assortment of tools, was taken from his pickup between 6 p.m. Friday and 9:30 a.m. Saturday. Value of the missing items was placed at \$200.

Two blankets were reported stolen from the Wyoming Hotel Friday when M. C. McColister, manager, told police two men had rented a room and that the blankets were missing when they left.

Estanislau Campos, employe of the Texas and Pacific railroad, told officers that his house had been burglarized and \$140 in cash taken. He said he left the money in a locked trunk in his house when he went to work Friday morning. He found bars cut from a window at the rear of his house and the sash raised.

Top Drawer Gifts for Him

At Christmas you want no less than the best for your man. Gifts marked Top Drawer (in both senses). Here's a drawer-full of select items, long on quality, short on expenditure.

- Wallets from 3.95
- Belts from 2.50
- Neckwear from 1.50
- Silver Dollar Key Chains . . . 3.50
- Dress Shirts from 4.50
- Cuff Links from 2.50
- Sox from 1.00

All distinctively gift wrapped without charge.

Relentless Bulldogs Smash Lufkin, 28-0

knockout punch, the crippled but still powerful Bulldogs methodically punched across touchdowns in each period to extend their winning streak to 13. The redshirted West Texans, eyeing their first state title unleased a trio of charging backfield axes to tear down the stubborn Lufkin resistance. Sophomore speedster David Dillingham first lighted the scoreboard five minutes deep in the game on an electrifying 71-yard scamper that originated through the middle of the Lufkin line. A. C. Tillman, sidelined eventually with a hip injury, streaked 40 yards in the second period to give the favored Bulldogs a 13-0 lead at halftime. Workhorse fullback Lee Johnson pushed the count to 19-0 in the third period, capping a 49-yard Borger drive with a 3-yard burst through tackle. The District 3 representatives, declining the aerial route until the fourth period, scored their final touchdown with 2:33 left on a 3-yard pass from Bobby Ramsey to Bob McGlaun. Kicking specialist Wayne Rape led the cake with seven seconds left with a 24-yard field goal after a pass from Billy Flaughter to James Shaw that netted 36 yards and moved the determined Bulldogs in striking distance. The loss marked the fourth time Lufkin had been halted at the semi-final stage in the championship race. On one other occasion the Panthers reached the finals and went down to defeat at the hands of San Angelo 26-13. Tillman, Dillingham and Johnson were the individual stars, each contributing dazzling ball-carrying before a crowd of 5,000 at North Texas State's Fouts Field. The rugged Borger line, bolstered by John La Grone, Bob Gaiser and Bill McKinney, never permitted the outclassed Panthers to muster a serious scoring threat. In the first half Lufkin could penetrate no farther than the Borger 37. Dillingham wound up with 131 yards on 12 carries to pace the ground-gainers. He was pursued by Johnson, who toted 21 times for 98 yards. Hoyt Rogers and Jerry Ferguson handled the major ball-carrying chores for Lufkin, but could manage only 45 yards between them. Lufkin 0 0 0 0-0 Borger 6 7 6 9-28

Prepping For Partnership

Three linksters who plan to play in the Partnership Handicap Golf Tournament scheduled at the Big Spring Country Club today are pictured above. Sam Thurman (left) and Sen Powell (right) watch Daryle Hohertz line up a putt. Play will be over 18 holes and entries can tee off anytime they choose.

Castillo Leads Brack To Upset

HOUSTON (AP)—San Antonio Brackridge overcame a 26-pound-per-man weight disadvantage with the passing of Victor Castillo to upset previously unbeaten Houston Spring Branch, 30-23, Saturday to move into the state class AAAA schoolboy finals against Borger.

Spring Branch, which frequently throughout the season was listed the state's No. 1 team, led at the half time but Castillo moved Brackridge into the finals with three second-half touchdowns. All of Brackridge's scoring resulted from Castillo passes as he completed 15 of 26 for 349 yards. The running of Paul Fry paced Spring Branch to its halftime lead but Castillo's passes dominated the second half. Castillo used a 25-yard pass to Johnny Breauna to put the Eagles in front for the first time, 18-15, in the third period. He made it 24-15 in the fourth quarter by passing 72 yards to Pete Bautista but Bruce Alford, the Spring Branch quarterback, came right back with an eight-yard touchdown pass to Norman

Bovine B Team Wins At Forsan

FORSAN — Big Spring's B team advanced to the finals of the Forsan Invitational Basketball Tournament Saturday by edging Coahoma, 60-59. Mike Peters hit 17 points and Joe Rattle 13 for Big Spring. Hayden Norris tossed in 18 for Coahoma. Rattle, Keith Bristow and Rickey Earle all fouled out for Big Spring. Semifinals: BIG SPRING (48) — Peters 8-17; Foster 6-6; Rattle 6-10; Bristow 2-4; White 4-9; Earle 4-9; Greenwood 6-6; Frawlin 2-4. Totals 36-60. COAHOMA (59) — Fraser 7-5-17; Norris 4-4-18; Cunningham 4-2-10; Grant 1-5-7; Krause 1-5-7. Totals 34-60. Score by quarters: 14 20 48 60 16 32 44 59

Dumas Slaughters Jacksonville 11

WICHITA FALLS, (AP) — The Dumas Demons, defending Class AAA schoolboy champions, crushed Jacksonville 42-12 Saturday and rolled into the finals. The Demons scored 28 points in the third quarter to make it a rout. The Demons found Jacksonville tough for a half but scored a touchdown in each quarter. The first came when Julian Miller ran 21 yards and a 15-yard roughing penalty pushed the ball to the shadow of the Jacksonville goal line. Gary King smashed over from the one and Joe Ballard converted. The second touchdown was scored by Miller with a 10-yard run over left guard after Dumas got the ball on the Jacksonville 10 where Kelly Baker recovered a fumble. Again Ballard converted. The roof fell on Jacksonville in the third period when Norman Bonner raced 59 yards for one touchdown. Joe Parsons passed 52 yards to Baker for another and Robert Houlette, reserve half-back, crushed over from the 1. A pass interception by Miller set up this score. Ballard converted after all three touchdowns. Jacksonville finally came to life

Golf Tourney Slated Today

Entries can tee off anytime today they choose in the Partnership Handicap Golf tournament, which will be held at the Big Spring Country Club. Club officials held their breath when the recent cold wave hit but, from all indications, they're going to get an ideal day for the 18 holes of play. Anyone who swings a club is eligible to take part. An entry fee of \$2.50 per person covered expenses of purchasing merchandise prizes for the winning combinations. Golfers were allowed to select their own partners, so long as a team was composed of handicaps in opposite classifications. Those with handicaps of 11 or more were teamed with one of 10 or less. Competition is to extend over 18 holes. Linksters from the Mundy and Webb AFB courses were extended special invitation by club pros. Early entries from the local area included Bob Rutherford, Eddie Aeri, Zolbie Boykin, Harold Hall, Gil Jones, Bill Crocker, Charles Bailey, Obie Bristow, Jack Harrelson and George Grimes.

GRID LINEUP OF FINALISTS

WITH Schoolboy Football Pairings in the state championship games of Texas schoolboy football: Class AAAA — Borger (13-0-332-61) vs. San Antonio Brackridge (10-3-443-168). Class AAA — Dumas (12-1-475-85) vs. Pharr-San Antonio (13-1-221-77). Class AA — Rockdale (13-1-429-20) vs. Jacksboro (14-0-330-43). Class A — Rockdale (13-1-521-126) vs. Engleide (13-1-303-135).

Steers Shade Snyder Five

SNYDER — Big Spring captured consolation honors in the Snyder Basketball Tournament by easily thrashing Snyder B, 73-28, here Saturday night. Albert Fierro, who was named to the all-tournament team, emerged as high scorer of the game with 18 points. Eddy Nelson, who returned to the lineup only Friday night, tossed in 16, while Deeroby Gartman followed with ten. Snyder could score only seven points in the last half and but three in the final quarter. Fierro made 51 points in the tournament and came down with 51 rebounds.

BIG SPRING (73) — Fierro 8-2-18; Gartman 3-0-10; Banks 2-2-6; Brown 6-0-8; West 2-4-4; Andrews 2-2-4; Wright 1-0-2; Clendenin 4-1-9; Seals 1-0-2; Nelson 8-0-16. Totals 52-72. SNYDER B (28) — Anderson 5-3-13; Fehrburne 1-1-3; Dietrich 0-2-2; Floyd 0-1-1; Dwyer 1-1-3; Vestal 2-0-4. Totals 22-72. Score by quarters: Big Spring 14 33 33 73 Snyder B 7 21 25 28

Orange Loses By 20-13 Tab

VICTORIA (AP) — Pharr-San Juan - Alamo came from behind Saturday to beat the Orange Tigers 20-13 and advance to the finals of Class AAA schoolboy football.

The Rio Grande Valley Bears will play defending champion Dumas, 42-12 conquerer of Jacksboro, for the state title next week.

All arrangements for this game will be made at a meeting in Fort Worth Sunday afternoon.

Orange scored the first time it had the ball on a crushing 55-yard drive and led 7-6 at the half.

Winters Loses To Jacksboro

ABILENE (AP)—Gary Winton kicked two field goals and Jacksboro's defense held Winters to a net 144 yards Saturday night as the Jack Rabbits won 6-0 and pushed into the state Class AA schoolboy football finals against Rockdale.

Jacksboro won its 14th straight game to become one of two undefeated, untied teams left in the state. Borger of Class AAAA is the other. Winton's first field goal was a 25-yarder in the third period and his second, a 30-yard boot, came with only 42 seconds left in the game. Jacksboro had four penetrations and Winters, which got no closer than the Jacksboro 23-yard line, had none. That drive was halted by a 15-yard penalty on the next play. Robert Leach was the Jacksboro ramrod with 100 yards in 19 carries. He set up the first field goal by carrying 38 yards in a 53-yard drive. Bennie Aldridge led Winters with 90 of the 96 yards the team made rushing. Jacksboro rushed and passed for 242 yards.

FIGHT RESULTS

SATURDAY NIGHT NEW YORK — Doug Jones, 165, New York knocked out Zora Pulley, 160 1/2, Chandler, Arizona, 1:50 minutes of seventh round.

Jayhawks Easily Win Over Henderson Co.

By LARRY LAWRENCE Howard County Junior College notched its 11th win in 13 starts Saturday night by humiliating the Henderson County Junior College Cardinals, 73-33.

HCJC jumped to an 8-0 lead seconds deep in the game and zipped to a 42-14 halftime score. The Cardinals narrowed the margin to less than 20 points in the second half, but a final Jayhawk effort proved to be too much. Henderson, with a small, trim squad composed almost entirely of freshmen, lost much of its spirit during the 400-mile automobile trip.

A pressing Jayhawk defense, however, garners most of the credit as Cardinal shooters rarely got off an attempt from within 20 feet of the bucket. The Jayhawks displayed unusual accuracy — sinking 19 of 22 from the charity line and 27 of 32 from the field. Buddy Travis' Hawks pulled down 35 rebounds to 12 by Henderson.

It was undoubtedly the Jayhawks' most cautious effort of the season with a low personal foul total of 11. Henderson made good on seven of the attempts. HCJC's harassing offense held the Cards

to 13 buckets in 41 tries. Walter Carter led the Jayhawk scorers with 13 counters. Lou Balenton, Jim Wilburn and Jim Oldham each put forth 10-point efforts. Balenton made good eight of his total from the foul line with one missing a one. Oldham's total came from five rapid goals in the second half. Eddie Tinner's nine was top for the Cardinals. Tinner and Don Miller are the only sophomores on the Henderson squad. James Dawson tossed in seven and Miller six. Balenton swept the backboards for 11 rebounds while Carter hauled down eight.

Perkins Defeated By Duilio Loi MILAN, Italy (AP)—Veteran Duilio Loi of Italy regained the world junior welterweight boxing championship by outpointing Eddie Perkins of Chicago in 15 rounds Saturday night. The pint-sized, 33-year-old Italian thus avenged his decision defeat at the hands of the 25-year-old American in this same city last Sept. 14.

HCJC's WALT CARTER (54) James Dawson (32) pursues

Table with 12 columns: Player Name, FG, FT, M, PF, TP. Desperation Tackle

Mack Whitehurst (on ground) of the Police Department football team, clutches the clothing of the 331st FIS's Wayne DeAngelos (12) in a desperation tackle made in the benefit football game played here Friday night. The cops won the game, 47-14. (Photo by Lee Bernard)

Bulls Rout Griffins In Benefit Contest

Barron picked up eight before scoring from the nine with less than five minutes gone in the game. Tom Traylor Jr. carried on a conversion run for two. Still in the first period, center Oscar Boeker, head grunter at Forsan High School, snatched a Griffin fumble at the FIS 21. On the first play McAdams skirted right end and pitched out to Barron, who toted it across. Traylor again converted with the clock showing 5:40 remaining in the period. The Bulls struck again with little more than a minute left in the quarter as Chuck Conroy covered a second FIS bobble at the visitors' 27.

The Bulls struck again with little more than a minute left in the quarter as Chuck Conroy covered a second FIS bobble at the visitors' 27. Runs of 12 yards by Max Coffey, seven yards by Tommy Enloe and eight by McAdams set up a scoring pass from McAdams to Suggs from 16 yards away. Jimmy White's conversion run made it 24-0. The Bulls started off the second period with another score while the 331st was still unable to get past its 40. Six minutes deep in the second Jackie Milam snatched a loose ball at the FIS 43. On the first quarter on an 8-yard run by Ed Lang and a 55-yard pass interception return by Herron, Bill Ashton converted after each touchdown.

Albany's first touchdown came on a 3-yard run by Wood. Gary Hise added two points on a run, and Albany trailed at the half 14-8. Rotan scored twice in the third period. Herron sneaked one yard for the first touchdown and passed 13 yards to Lang for the second after setting it up with a 32-yard run. Ashton again converted twice.

Albany finished the year with a 9-4-1 record and the loss to Rotan was the first to a Class A team since 1959. Rotan ... 14 0 14 0-28 Albany ... 0 8 6 6-20

ABILENE (AP)—Favored Rotan without a last quarter rally by defending Class A state champion Albany Friday night to down the Lions 28-20 in a semifinal game before a crowd of 9,000. Brilliant Steve Herron scored twice for Rotan and passed for the deciding fourth touchdown which gave the Yellow Hammers a 28-8 lead late in the third period. Albany then battled back for two touchdowns on a 47-yard pass from Johnnie Woodward to Cary Brown and on a 38-yard run by Jim Wood with 5:03 left to play. The victory was Rotan's thirteenth of the season in 14 games. The Yellow Hammers will make their first appearance ever in the finals next week against Ingleside. Rotan opened up a 14-0 lead in

Liston opened up a 14-0 lead in

Tigers Likely To Try Ozones On New Year's

BATON ROUGE, La. (AP)—Louisiana State's football team might have a new look for its New Year's Day date with Texas in the Cotton Bowl. The authority for this is none other than Charlie McClendon, the soft-spoken 39-year-old Arkansas coach who guided the Bengals to an 8-1 mark this season in his first stab at head coaching. "The new look? It will be passing, McClendon thinks. He drilled the Tigers on aerials for four days this week, before letting the squad off for another round of recruiting. "Our passing was emphasized this past week and on Thursday we had undoubtedly the finest passing exhibition we've ever engaged in—either in practice or in a game," said McClendon in an interview. "Out of about 42 passes, we missed about five. That's a great percentage. It sure was a thrill to see those boys snaring those passes."

In the past, both this year under McClendon and in previous campaigns under Paul Dietzel, LSU depended on its brute defense and an over-powering ground game to win football duels in the strong Southeastern Conference. In last week's practice, McClendon—top rookie coach of the season—not only had his White and Go quarterbacks—Jimmy Field and Lynn Amedee—tossing the ball, but Chinese Bandit signal caller Dwight Robinson also got in on the act. "Our bandits (the Bengals' defensive specialists) are being schooled offensively," said McClendon. "I guess it's because we have a little more time to prepare for it."

The receiving chores were equally spread out between the halfbacks and ends on all three units. Spearheading the receivers was All-America halfback Jerry Stovall. "Next week we'll put in some real hard nose football," McClendon said. "I want to get the contact work over before Christmas."

McClendon may have an eye to the future as he schools the Tigers on passing. Two of the 30 prep players he has signed so far to grants-in-aid are outstanding aerialists. And Pat Screen, who is expected to be the No. 1 quarterback next season, was an outstanding passer—as well as a powerful runner—while in high school. Screen, a law student, was red-shirted this year to gain additional experience. The latter was given another passer in line for a quarterbacking spot next fall. He's Joe Moock, who rifled numerous long aerials for the Tiger freshman squad this year—including a couple of 50-yards.

ABILENE — The HCJC Jayhawk Queens drubbed the H-SU Cowgirls, 50-38, in a basketball game here Friday night. The Queens fell behind in the first period but were five points ahead at halftime and never trailed thereafter. Pat Saunders tossed in 14 points for HCJC while Brenda Cook and Laura Whitworth each had 13. Marie Putman followed with ten. For HSU, Spill set the pace with 14 points. HCJC scrimmages Coahoma's girls in Coahoma at 7 p.m. Jan. 4. The Queens play their next game against ACC in Big Spring Jan. 7. They have now won two straight games.

Big Circuits Will Finalize 'Letter'

LUBBOCK (AP)—An inter-conference letter of intent, whereby the country's major conferences will recognize each other's signing of athletes, will be finalized at the NCAA convention in Los Angeles in January. Dr. William Davis, faculty chairman of athletics at Texas Tech, made this announcement Saturday while listing five inter-conference letters of intent last Saturday, they showed the way to all other major conferences in the nation, Davis said. Their agreement ended all talk that such a project could never be accomplished. Davis received permission from the NCAA to work toward obtaining such a plan and was given authority to call meetings, appoint committees and supervise activities. This came at New Orleans last May. He has sent letters to all major conferences. Conference commissioners and faculty representatives met at Colorado Springs, Colo., in July at which time Davis obtained agreement on principles involved. Davis, Bill Reed, Big 10 commissioner, and Howard Grubbs, secretary of the Southwest Conference, were appointed to draft the proposed letter. The trio met in Chicago in August, drew up the letter and worked out details. The finished product then was sent to the various major conferences for their study and approval. The Big Eight-Southwest agreement cleared the first hurdle. Davis said official endorsement of the inter-conference letter of intent was given by the NCAA executive council Oct. 29. The letter proposes May 15 as the date in which inter-conference letters will be observed by all those participating. But under the broad leeway allowed, the Big Eight and Southwest have agreed to a Feb. 12 date. "This is a boy signing with the Big Eight or the Southwest is bound to any school in either conference as of Feb. 12," Davis explained. "But that is only between the two conferences. His letter would not have to be honored by other conferences until May 15. After that date it would become binding on all taking part." Davis said much interest had been shown by independents such as the three service academies.

Jayhawks Flatten McMurry, 101-73

By DOUG SPRADLING
Howard Junior College took a 25 point first half lead and went on to defeat the McMurry B squad, 101-73, in a game here Friday night. The Jayhawks, using a man-to-man defense, had little trouble with the Papposes in the first half. The only time the game was close was with about four minutes of the half gone. The score was 8-7 but from then on the Hawks hit a comfortable lead. The Hawks hit 46.7 per cent of their shots as to the Papposes, 41.9. The Jayhawks open their Western Conference season Tuesday against the Clarendon Bulldogs at Clarendon. The win over McMurry was their tenth, compared to two defeats. The Hawks hit 46.7 per cent of their shots as to the Papposes, 41.9. The Jayhawks open their Western Conference season Tuesday against the Clarendon Bulldogs at Clarendon. The win over McMurry was their tenth, compared to two defeats.

Lubbock Here Tuesday Night

The Lubbock Westerners, one of the most powerful basketball squads in West Texas, visit Big Spring Tuesday to test the Steer quintet. The Westerners will be fresh from a 57-54 win over the Odessa Bronchos. The only blemish on the Lubbock 9-1 record was inflicted by Odessa earlier in the season. Big guns for the Westerners include Jimmy Fullerton, Larry Christian, Danny Davis and Doug Robinson. Fullerton, the school's leading scorer, fired in 12-slightly less than his average. Davis and Robinson shared high-point honors with 14 each. The Westerners display uncanny accuracy from the field. In a recent 58-38 victory over Seminole's zone defense, Lubbock shot better than .500 from the field with 22 field goals in 43 shots. From the line they tossed in 14 of 16, and hauled down a total of 40 rebounds. Seminole's zone seemed to hamper Lubbock during the first half but had little effect later in the game. Davis and Christian are consistently the unit's top rebounders.

Nelson In Action Again, Steers Win In Tourney

SNYDER — Big Spring broke even in Snyder Invitational Basketball tournament games here Friday, losing to Seminole, 56-54, in the championship flight and then coming back to maul Stamford in four-round consolation, 55-41. The Stamford game was significant in that ace rebounder Eddy Nelson of the Steers saw action for the first time this season. Nelson played only about 13 minutes of the game but pulled down ten rebounds and scored 17 points. Until he went into action, Stamford was very much in contention. Against Seminole, the Steers hit 66 per cent of their shots from the field the first half but trailed off to 36 per cent the last half. In all, they connected 22 times in 46 attempts from the floor. On two occasions, Big Spring led by as much as five points in the game. Albert Fierro tossed in 23 points to lead the Steers against Seminole while Fierro and DeRoy Gartman each had ten against Stamford. Fierro captured 12 rebounds against Seminole and 16 against Stamford. In the Stamford contest, Big Spring hit 32 per cent of their field goal tries the first half and 34 the last half. The Steers were off on their free shot attempts, however, collecting only 13 of 27 tries. Championship round game: STANFORD (54)..... 11 10 25 25 Fierro..... 11 9 25 25 Gartman..... 3 2 5 5 Brown..... 4 2 4 4 Wilson..... 4 2 3 10 Nelson..... 3 3 10 10 Scores by quarters: 13-13, 10-10, 12-12, 22-18. Totals: STANFORD..... 54 Fierro..... 11 9 25 25 Gartman..... 3 2 5 5 Brown..... 4 2 4 4 Wilson..... 4 2 3 10 Nelson..... 3 3 10 10 Totals..... 54

Jayhawk Queens Decision HSU

ABILENE — The HCJC Jayhawk Queens drubbed the H-SU Cowgirls, 50-38, in a basketball game here Friday night. The Queens fell behind in the first period but were five points ahead at halftime and never trailed thereafter. Pat Saunders tossed in 14 points for HCJC while Brenda Cook and Laura Whitworth each had 13. Marie Putman followed with ten. For HSU, Spill set the pace with 14 points. HCJC scrimmages Coahoma's girls in Coahoma at 7 p.m. Jan. 4. The Queens play their next game against ACC in Big Spring Jan. 7. They have now won two straight games.

Dogies Romp By Bearcats

FORSAN—The Big Spring B team opened the Forsan Invitational Basketball tournament Friday night with a 73-26 win over Garden City. The game was the first of the tourney, which was scheduled to end late Saturday. Mike Peters' 18-point output paced the Dogies. Keith Bristow's 17 was second high. Other Dogies in double figures were Ricky Earle, 14 and Joe Rattle, 11. The win matched Big Spring and Coahoma in a Saturday-afternoon tilt, and pitted Forsan B against Garden City in the consolation bracket. Coahoma was the 43-23 victory over Forsan Friday night. In other action Lake View B tipped Imperial, 30-28.

Table with 4 columns: Name, Points, Rebounds, Assists. Includes names like Mike Peters, Keith Bristow, Ricky Earle, etc.

BOWLING BRIEFS

Results: Slap's Maky's over Team 1, 3-1; Flame Dames over Tigerettes, 4-0; Ruth Lowe over Team 2, 4-1; high individual game and series—Maxine Marney, 193; and 512; high team game—Flame Dames, 430; high series—Slap's Maky's, 1794; high team game—Golden Nugget, 25-27; Harding Well Service, 27-29; Truman Jones, 23-31; Kent Oil, 16-28.

Failure To Act In Cage Fix Cases Brings Charge

RALEIGH, N.C. (AP) — The Wake County grand jury called for an investigation today of District Solicitor Lester Chalmers office. Specifically, the grand jury requested that the court order a probe of the solicitor's office in connection with "the investigations and non-prosecutions" basketball players who admitted involvement in the game-fixing scandal. The report, signed by Grover P. Snow of Garner, grand jury foreman, was presented to Judge W.H.S. Burgwyn by Snow and four other grand jurors. The report stated, "We believe these matters to be of such a grave nature that it should be pursued immediately by the court." The grand jury said it had made presentations pointing out the failure of Chalmers to prosecute basketball players involved in the game-fixing scandal. Burgwyn said he was referring the report to the January term of Superior Court. Burgwyn and Judge Herman Clark have defended Chalmers in granting immunity from prosecution to the players who testified for their testimony. Their testimony was key evidence in the trial of Dave Goldberg and Steve Lekomertos, both of St. Louis, Mo. A jury convicted the two and each was sentenced to five years in prison on bribery charges. They have appealed to the State Supreme Court. Clark said, "I think what the grand jury had in mind with these presentations was that failure to prosecute the players would set a bad example for other players. People will understand that the solicitor did in order to get his convictions—your just can't bring a man to testify unless you grant immunity to any charge against him. When you have a fire you don't go running around worrying about dirty curtains."

Deer Hunter Not Busy Enough

By The Associated Press
With cold weather forcing Texas fishermen indoors, most outdoor activity centers around the deer hunter. He's been busy but not nearly busy enough, say Game Commission officials.

"Our field people say there is plenty of game just waiting to be harvested," said Howard Dodgen, executive secretary for the commission. "Most areas have plenty of deer," he said. "And with the exception of a few scattered spots, the deer are fat and frisky. The only reason more deer aren't being taken right now is simply because more hunters aren't out hunting them."

From a Houston writer comes the story of a man who voted with a fishing license. It seems the

man intended to show his poll tax but the license fell out of his wallet instead.

"Before I could pick it up or say anything the election clerk had already stamped it. So I just went ahead and voted—on a fishing license," the man said.

For those interested in the rare whooping crane, it has been reported that 6 whoopers are missing. A recent survey of the Aransas Wildlife Refuge on the Texas coast showed only 32 big birds there. A total of 38, including 33 adults and 5 young, left the refuge last spring for summer nesting grounds in Canada.

A largemouth black bass named Molly is "mother of the year" in her class. Molly, who resides in a state fish hatchery at San Mar-

cos, produced 51,123 eggs in a year, almost all of which are expected to hatch.

Quail hunters should be happy to know that one of the finest crops in the Lake Texoma area. The good crop is a result of a restocking program in Fannin County, coupled with a mild winter last year and a lack of hunting.

Reports from other quail areas indicate that it should be a good year although the Game Commission warns that much good quail habitat is disappearing "to make room for agriculture, housing additions and factories."

Quail biologist Joe Davidson said hunters "should discuss with farmers the possibility of leaving

a small percentage of their lands in fence row and corner weed patches, as well as brush piles to furnish both food and cover for bobwhite quail.

The Game Commission is expected to move into a new home, in the new John Reagan State Office Building in Austin, in March or April. The building was dedicated Dec. 3.

When completed, an exhibit will be placed in the lobby showing Texas landscape, habitat and game, including live fish swimming in a pool beneath a flowing waterfall.

An attorney general's opinion holds that the Game Commission has the authority to grant or deny permits for the removal of marl, gravel, sand, shells and mudshell

deposits underlying three large reefs in Galveston Bay.

The opinion was requested by the commission which was concerned that removal of the deposits might injure the reefs which are the chief commercial oyster producers in Texas waters.

Some fishing outlooks:

Texoma—Fishing almost at a standstill except on barges.

Whitney — Fishing only from barges.

Possum Kingdom—Sub-freezing weather stopped all fishing.

Grapevine—Crappie biting fair on barges.

Lake o' the Pines—Crappie biting good, blacks fair.

Belton—Cold keeping fishermen away.

Bridgeport—Crappie biting for few anglers.

Freeport — Outlook poor, bad weather.

Port Aransas—Fishing prospects poor except for flounder and sheepshead inside.

Galveston—Except for a fair trout run, fishing is poor.

Did Dallas Texans Sign Bell To \$150,000 Offer?

DALLAS (AP)—Did Bobby Bell, the All-America tackle from Minnesota, get \$150,000 and a 5-year contract with the Dallas Texans of the American Football League?

Owner Lamar Hunt of the Texans says this report is "not close to being true" and that the Texans actually paid Bell no more than the Minnesota Vikings of the National Football League offered him.

But at Shelby, N. C., Bell himself intimated Friday night that the report of the fabulous contract was pretty close to the situation. "My contract runs over six years and is as much as I wanted," said Bell in relating that the bidding was among Winnipeg of the Canadian League, the Vikings and the Texans and that it went on for six hours.

"Winnipeg dropped out early and

the Minnesota Vikings simply couldn't fight Lamar Hunt's money," said Bell. "He topped everything the Vikings offered."

Asked about the report that Hunt gave him a no-cut contract worth \$150,000 Bell declared that "sometimes you newspaper guys get so close to things I think you have an inside line on everybody."

Bell said he wouldn't reveal terms of the contract because it might cause hard feelings on the Dallas team, "some of the players who have been there for a long time might be making less and get a little mad."

But Hunt denied any private contract with Bell and said he signed to a contract "in keeping with his ability as a football player" and got a "substantial bonus."

Engineers Touchdown Favorites

Ex-Bellhop

Jockey Roy Parker (above), one-time bellhop, who is making it big in horse racing, says working on a trampoline has proved a big help to him. (AP picture).

HOUSTON (AP)—Georgia Tech, a veteran bowl team paced by Billy Lothridge, a junior record-smasher, is a touchdown favorite over Missouri for Saturday's fourth annual Bluebonnet Bowl game.

Lothridge and his Engineers faced a Missouri team that ranked fourth nationally in both pass defense and total defense.

Missouri's Big Eight Conference team will not rely entirely on defense, however, for the Tigers also ranked sixth nationally in rushing offense. The 254.9-yard per game average was paced by an 830-yard contribution by Johnny Roland, a sophomore halfback from Corpus Christi, Tex.

Tech voted to play in the early post-season classic just two days after the Engineers' 7-6 upset of

Alabama, then the nation's No. 1 team. Formal acceptance of

Rudy Hayes May Have To Retire

PITTSBURGH (AP)—It is doubtful Pittsburgh Steelers' line-backer Rudy Hayes will ever play football again, a spokesman for the National Football League club said Friday.

Hayes, stricken with what doctors called a defect in the heart conduction system, collapsed Dec. 4 while on a hunting trip near Uniontown with two teammates. He was released from Divine Providence Hospital Friday and headed for his home in Pickens, S. C.

Tech's 16th bowl game bid was made two weeks later after the Southeastern Conference team completed its 7-2-1 season by defeating Georgia, 37-6.

Missouri accepted its eighth bowl invitation after ending a 7-1-2 season with a 3-3 tie with Kansas, last year's 33-7 Bluebonnet victor over Rice.

The match gave the Bluebonnet its first venture without a Southwest Conference runner-up as the host team. A crowd of about 60,000 is expected at the 70,000-seat Rice University stadium.

The game will be televised nationally (CBS, 3 p.m., EST) and broadcast by regional radio networks in Georgia, Missouri and Texas.

Lothridge, a 184-pound quarterback, set school records at Tech

this year in total offense, scoring, pass attempts, and pass completions. His 1,484 yards on offense

Four Teams Set For Tournament

EDINBURG, Tex. (AP)—Four colleges—Pan American, Oklahoma Baptist, Southeastern State and Southwest Texas State—will compete in the second annual Pan American College holiday basketball tournament starting Monday night.

Southeastern Oklahoma Meets Southwest Texas in the opening game with Pan American clashing with Oklahoma Baptist in the second.

included 484 yards running and 1,106 yards compiled while completing 83 of 156 passes.

Missouri attempted only 63 passes in 10 games but five of the 24 completions were good for touchdowns. Tiger defense meanwhile allowed the opposition to complete 59 of 150 passes for a per game average of only 68.6 yards.

Tech's 11-4 bowl record includes a 41-19 Houston victory over St. Mary's of California in 1947 in the last of three Oil Bowl games.

Missouri's 1-6 record included six defeats in the Orange, Sugar, Cotton and Gator bowls before the Tigers defeated Navy, 21-14, in 1961 in Miami.

Missouri held a No. 6 national ranking until being defeated, 9-13, by Oklahoma Nov. 17. In addition

to the Kansas tie, the Tigers also had an early season scoreless tie with Minnesota.

Georgia Tech had a 14-14 tie with Florida State and lost two Southeastern games by a total of six points—7-10 to Louisiana State and 14-17 to Auburn.

Olson, Rinaldi Fight To Draw

ROME (AP)—"He takes a good punch," said Carl (Bobo) Olson, "but I can beat him anywhere but his home town."

Olson, the former world middleweight champion now campaigning as a light-heavyweight, made that comment today about the draw decision in his 10-round bout with Gino Rinaldi of Italy Friday night.

"He's tough, but I won," Olson said.

The crowd of 10,000 agreed with Olson and booed the decision lustily. There were no knock-downs, but Rinaldi, the European light heavyweight champion, had a badly swollen eye at the end. Rinaldi, six years younger than the 34-year-old Olson, said Olson didn't hurt him. "He's clever, but he doesn't hit hard," the Italian said.

The judges scored the fight 5-5 in rounds, but the Associated Press had Olson in front 4-1, and called five rounds even.

TRUE FACTS ABOUT THE DODGE 5-YEAR, 50,000-MILE WARRANTY!

*The Warranty Coverage for 12 months or 12,000 miles of operation, applies to the entire vehicle, except the tires, spark plugs, condensers, ignition points, filters, etc. These items, of course, are considered normal owner maintenance.
*The 5-year, 50,000-mile warranty is an additional coverage to go with your certified car care warranty of 1 year or 12,000 miles.
*This warranty covers both Dodge cars and trucks.
*The 5-year, 50,000-mile Warranty covers the entire engine block, head and all internal engine parts. The transmission case and all internal parts. The torque converter, drive shaft and universal joints. Rear axle and differential and rear wheel bearings.
*This warranty is transferable with resale of the car, thus increasing the resale value of the car.
*If you're traveling or moved to a new location, any authorized Dodge dealer will perform your warranty work.
*An authorized Dodge dealer is the best place to have your Dodge serviced, but you do not have to do so to be covered by your warranty.
*Under your Dodge 5-year, 50,000-mile warranty, you have to do no more to your New Dodge in the way of preventative maintenance than any new car owner should.
*You don't have to lubricate your new Dodge but every 32,000 miles.
*All New Dodges have self adjusting brakes.
DON'T EVEN TAKE OUR WORD, COME BY, READ A COPY OF THIS WARRANTY . . . SEE FOR YOURSELF.

A CAR THIS BIG AND BEAUTIFUL FOR ONLY \$2195!
JONES MOTOR COMPANY WILL SELL YOU A DODGE, TWO DOOR FOR THIS AMOUNT, A VERY LOW DOWN PAYMENT!!

"DECK THE HALLS with boughs of holly" and "'tis the season to be jolly," depicted by members of the Officers'

Wives Club while decorating at the state hospital. They are, from left, Mrs. F. D. Johnson, Mrs. Frances Bates, Mrs. R. A. McClurg, Mrs. R. C. Hallam, Mrs. Harold

Collins, Mrs. T. K. Price, Mrs. W. L. Meerdink, Mrs. L. B. Tovrea and Mrs. J. H. Crawford. The president, Mrs. J. M. Gehrig Jr., is back of Mrs. Tovrea.

Giving Others A HAPPY HOLIDAY

GOOD WILL to all patients at the Big Spring Veterans' Administration Hospital is extended by the Jewish Welfare Board and the Temple Israel Sisterhood during the Christmas Holiday. Mrs. Bernard Fisher, 900 Runnels, wraps 210 gifts provided by the Serv-A-Committee of Chicago and the Temple Israel Sisterhood.

CHRISTMAS CHEER comes in many forms. Here are hundreds of cans which will go into Christmas dinner food baskets for persons who might otherwise not have a full table on this festive occasion. The foods here were provided by students at Goliad

Junior High School. Some of the donors are, left to right, Darla Seebo, Denise Head, Joyce Guss and Kathy Shaw. In the background are Maj. and Mrs. Robert L. Short, who command the local Salvation Army Post. They will distribute the baskets.

RED FELT SOCKINGS for Christmas are being prepared by members of Spoudazio Fora Study Club to give to a group of local school children. The club will sponsor a Christmas party for the chil-

dren on Dec. 20, providing refreshments and a gift for each child. Stuffing the stockings with fruit and toys are, from left, Mrs. J. M. Hill, Mrs. Bill Coleman, Mrs. J. W. Dickens and project chairman, Mrs. Dudley Jenkins.

FOR LOVED ONES at home, patients of the VA Hospital are provided Christmas presents by American Legion Auxiliaries in the area. Gifts are distributed, wrapped and mailed free. Shown during one day

of operation at the VA Gift Shop are Mrs. H. D. Bruton and Mrs. J. G. Littlejohn, Big Spring; Mrs. Mike Fry and Mrs. W. E. Klien, Lubbock, and Mrs. Elizabeth Etheridge, Lovington, N. M.

SECTION C

Big Spring, Texas, Sunday, December 16, 1962

Engagement Told

Mr. and Mrs. Herman F. McDaniel, 1017 Santos Street, Abilene, announce the engagement and forthcoming marriage of their daughter, Patricia Louise, to Wade Bland Simpson, son of Mrs. Modesta Good Simpson of Big Spring.

Bridge Parties Given At Garretts' Home

Mrs. Clyde Angel and Mrs. Horace Garrett were hostesses for dessert bridge parties, given Wednesday and Friday afternoons at the Garrett residence, 715 Edwards Blvd.

Pals Revealed At WMU Observance

FORSAN (SC) — The regular meeting and annual Christmas party for the Baptist Women's Missionary Union was held Tuesday night in the home of Mrs. Mac Robinson.

STORK CLUB

STORK CLUB MEDICAL ARTS CLINIC HOSPITAL Born to Mr. and Mrs. Eddie Olgen, Midland, a boy, Samuel Gerardo, at 12:15 a.m., Dec. 8, weighing 9 pounds, 7 1/2 ounces.

Spirit Of Christmas Prevails Everywhere

By KATHLEEN DOZIER The Christians celebrate the birth of the Christ child in many ways—the making and wrapping of gifts; the carols and music of Christmas; the greetings and visits to the less fortunate and to the bridegroom, and decorating for the event.

It is customary to adorn the home with ornaments proclaiming the festival. Glitter, tinsel, baubles, greenery and flowers may be used figuratively or fancifully without restriction at this time of the year.

INTERIOR DECORATIONS

Interior displays can be extremely simple or terrifically ornate. Handwork, using velvets, gold cord, sequins, rhinestones and other trim are worked into elegant stockings, wall hangings, baubles and the like for the holiday.

Possibly the lovely evergreen tree in its natural state is still the most popular; yet it becomes a glorious thing when flocked as if cloaked in snow. Then there are the aluminum and the artificial spruce trees which can be folded or de-boughed for use year after year.

OUTDOOR DISPLAYS

More and more the Yuletide decoration is being extended to the exterior of the home. Time was when the traditional wreath and red bow on the door, the frame of cedar rope, and window wreaths comprised the outdoor display.

- Pamela Renea, at 6:15 a.m., Dec. 8, weighing 5 pounds, 11 1/4 ounces. Born to Mr. and Mrs. Harley J. Beebe, 803 Anna St., a boy, Thomas Edwin, at 5:10 p.m., Dec. 8, weighing 6 pounds, 7 ounces.

Top Biscuits

Some cooks like to top baking powder biscuits (before baking) with grated cheddar cheese and sesame seeds.

Cheer Fund Gift Made By Chapter

The Cheer Fund will benefit from a donation made by the Alpha Chi Chapter of Epsilon Sigma Alpha when members met in the home of Mrs. Roy McMullan Thursday evening.

Charity projects were discussed and a basket packed for a worthy family. A committee was appointed to study the possibility of sponsoring a March of Dimes dance during January.

Announcement was made that the group will decorate the Christmas tree at the Veteran's Administration Hospital next Sunday afternoon. Final plans were made for the dance at Cosden Country Club on Dec. 15 for members and guests.

Seventeen members were served refreshments from a table spread with a white damask cloth with a centerpiece arrangement of gold candles surrounded by pine cones and ornaments. Silver and crystal appointments were used.

Miss Bo Bowen will be hostess for the next meeting of the group on Jan. 10.

Forget Someone?

If a Christmas card arrives on Dec. 24 from someone not on your mailing list, don't rush out and mail a card that will arrive after the holiday. Instead, send a New Year's card. Many say "Thank You for Your Christmas Greeting" along with the New Year message.

Marriage Told

The marriage of Miss Wytia Lavinia Smith and Airman I.C. Carl E. Woltz II is announced by her parents, Mr. and Mrs. E. O. Smith, 1113 N. Bell St. Woltz is the son of Mr. and Mrs. Carl E. Woltz, Lancaster, Ohio. The wedding took place at Sawyer Air Force Base Chapel in Michigan. The couple's residence is in Little Lake, Michigan.

Red And Green Lead

Red and green are the favorite colors in just about every decorating situation at Christmastime. The most popular ribbons for tying packages, for example, are red and emerald green — yet, they rank 16th and 17th in popularity throughout the rest of the year, among the 17 colors manufactured.

MERRY CHRISTMAS TO ALL

most of whom make their tours after dusk. Relying on effective lighting, neighborhoods vie to outdo themselves in their displays. Depicting the Nativity, Santa and his elves, an old fashioned celebration, a toy soldier parade or sugar plum fairies outdoors is a pleasure to the artist and a delight to those who behold his work.

Ellerbe-Roger Marriage Vows Are Exchanged

The marriage of Miss Mary Evelyn Roger and Airman J.C. Donald Ellerbe, Webb Air Force Base, was solemnized Friday evening at 8 o'clock in the Crestview Baptist Church. The Rev. R. B. Murray, pastor, officiated in the double ring service before basket arrangements of white gladioli and greenery. Tapers in an arched arrangement of candelabra illumined the scene.

The bride is the daughter of Mr. and Mrs. Henry Roger, 1300 Blackmon, Mr. and Mrs. Robert L. Lewis, Tampa, Fla., are parents of the bridegroom.

Mrs. Gene Fowler, organist, presented a program of nuptial music, and accompanied Miss Linda Fowler as she sang "Because" and "The Wedding Prayer."

Given in marriage in by her father, the bride wore a gown of white Chantilly lace over white tulle. It was designed with elongated bodice, a scalloped bateau neckline and long sleeves, which tapered to points over the hands. The voluminous skirt was floor length and hooped. Intricate seed pearl design was noted at the neckline. Also, she wore the traditional old, new, borrowed and blue articles.

A fingertip veil of French illusion was secured by a cap of lace and seed pearls, and the bridal bouquet was formed of fringed carnations, which was carried with a white Bible.

Bridesmaids were Mrs. Billy

Scott and Mrs. Don Brashears, sisters of the bride. Their dresses were of red velvet, fashioned with rounded necklines, bracelet sleeves and softly pleated skirts. They wore matching red velvet hats, and each carried a single white mum tied with white satin ribbon.

Doug McConnell, Webb AFB, was best man. Groomsman was Tommy Roger, brother of the bride. Billy Roger and Jimmy Roger, brothers of the bride, Don Brashears and Billy Scott, the bride's brothers-in-law were ushers.

Donna Lynn and Cathy Ann Brashears, attired in full-skirted red velvet dresses, were the flower girls. Ring bearer was Bobby Roger, brother of the bride, who carried the rings on a white satin pillow.

Tapers were lighted by Becky Lynn Roger, sister of the bride, and Billy Neal Scott, a nephew.

A reception was held in the parlor of the church with the honored couple, her parents and her attendants in the receiving line.

The refreshment table, spread with a red cloth and an overlay of white lace, was centered with the bridesmaids' flowers. The three tiered, square cake was frosted white and embossed with bells and flowers. White carnations topped the cake.

Guests were registered by Judy

Bradberry. Other members of the house party were Lynda Fowler, Claudia Sullivan, Sally Boroughs, Mrs. Charles Simmons, Mrs. Andrew Haines, Mrs. Horace Bowden, Mrs. John Bowers and Mrs. Carl Mangum.

WEDDING TRIP
The couple left afterward for an undisclosed destination. For traveling the bride chose a suit of green and brown checked wool, brown accessories and the corsage from her wedding bouquet.

They will return to make their home in the Silver Hills addition.

A graduate of Big Spring High School, the bride was active in various organized school groups. She is a member of Rebekah Lodge No. 284, and is presently employed at the Big Spring State Hospital.

Airman Ellerbe graduated from Brandon High School, Tampa, and is now stationed at Webb AFB. He is attending night classes at Howard County Junior College.

MRS. DONALD ELLERBE

Club, Church Events Slated At Garden City

GARDEN CITY (SC) — The Wednesday Afternoon Bridge Club met at the Reynolds' ranch Wednesday, with Mrs. Clyde Reynolds the hostess.

High score was won by Mrs. Marion Wilkerson, with second high going to Mrs. J. A. Bigby. Game prizes went to Mrs. C. J. Cox and Mrs. Joy Wilkerson. Mrs. C. J. Cox will be hostess for the club's Christmas party.

The Federated Missionary Society will have its Christmas meeting Monday night, Dec. 17, at the First Baptist Church. The president, Mrs. W. E. Bednar, announced the time for 7 o'clock. Mrs. Edward Teale is to be in

charge of the musical program. Mrs. Roy Carter will lead the games, and Mrs. R. T. Duncan is the hostess chairman.

The Cumberland Presbyterian Ladies' Auxiliary will have a Christmas party Monday afternoon at 2 o'clock. It will be held at the home of Mrs. Steve Calverley.

The Phelps Cunningham family of Ingewood, Calif., is visiting with Mr. Cunningham's parents, Mr. and Mrs. A. J. Cunningham. They plan to leave this weekend to visit her parents, Mr. and Mrs. W. A. Roundtree of Dallas, before returning to California.

Buck Harris of Layton, N.J. is

here on business and a visit with Mr. and Mrs. C. J. Cox. Mrs. Harris and sons, Choc and Kl, will fly from New Jersey Dec. 22 to join the family for Christmas.

Mrs. J. R. Fontenot of Pine Prairie, La., has returned home after a visit with Mrs. Edward Teale and friends.

Mr. and Mrs. James Bigby have returned from El Paso where they attended last rites for her father, W. D. Casey, who died during the weekend at a hospital in Houston. They were accompanied by Mrs. Bruce Hanson and Mrs. W. A. Bigby.

Lee Hanson, son of Mr. and Mrs. Bruce Hanson, is recovering from a broken arm.

SQUADRON SCROLL

Student Wives Elect Chairman, Mrs. Field

Mrs. Oliver Field was elected chairman of the 3561st Student Squadron Wives at their monthly meeting held Thursday afternoon in the Ivy Room of the Officers' Open Mess. Other wives elected Thursday were Mrs. Bob Miller, co-chairman; Mrs. Bruce Fullerton, secretary; Mrs. Mike Brooks, treasurer; and Mrs. Arthur Powell, reporter.

The Ivy Room was decorated in a Christmas motif. Over the fireplace, which crackled and radiated as it burned a yule log, hung a large red stocking filled with Christmas packages. A gaily decorated tree twinkled near the glowing fire. A white styriam swan was the centerpiece for the tea table. Christmas pastries were served, with Mrs. H. H. Dahneke pouring the coffee and Mrs. T. J. McMillan serving at the punch bowl.

The wives of Class 63-G planned the program for the meeting. An octet composed of class wives sang several Christmas carols. Mrs. Wayne Keller, also a member of the class sang "O, Holy Night" and then the class led the wives in singing several carols. Wednesday evening the wives of

Class 63-E met at the home of Mrs. Jack Sanders for a combined meeting and a miscellaneous baby shower honoring Mrs. George Vipond and Mrs. Duane Zieg. Christmas cookies, cake, and coffee were served to the 15 wives who attended the shower.

A Christmas punch party was given last Friday evening by Capt. and Mrs. James W. Marlin Jr. for the members of Class 63-H and their wives. A gaily decorated Christmas tree and many holiday trimmings served as a festive background for the gathering. A delicious party punch and various hors d'oeuvres were served. The conversation drifted to holiday plans as many couples will be visiting relatives in their respective home states. Five of the single officers of the class will be getting married during the holidays.

A social and business meeting for wives of Class 64-C was held Tuesday evening at the home of Mrs. J. D. Bickenbach. Co-hostess for the meeting was Mrs. R. L. Skinner.

Mrs. Paul Sanchez from Las Cruces, N. M. arrived Saturday as guest of her son and daughter-in-law, Lt. and Mrs. Fidel N. Sanchez.

Lee Family Returns

FORSAN (SC)—Mrs. Carl Lee and children have returned from Fort Worth. Mr. and Mrs. Jesse L. Overton and children are home after a visit in Kingfisher, Okla., with Mr. and Mrs. Sammy Porter, Lanell and Dianna. They also spent some time in Oklahoma City with Mr. and Mrs. Johnny J. Phillips and in Grand Prairie with relatives.

MR. AND MRS. E. C. AIRHART

Golden Anniversary To Be Noted By Airharts

Mr. and Mrs. E. C. Airhart, 2902 Cactus Drive, will observe the 50th anniversary of their wedding with open house from 2 until 5 o'clock the afternoon of Dec. 23.

The couple was married Dec. 24, 1912 at Westbrook by a Baptist minister, the Rev. George B. Airhart, uncle of the bridegroom.

Both Mr. and Mrs. Airhart were reared in Colorado City, where they lived until moving to Knott in 1927. Airhart was a farmer in that community until his retirement.

WEBB WINDSOCK

By MOLLIE HARTZOG

Tiger's Milk was among the refreshments at the party given for Detachment 16 of the Weather Squadron by Maj. and Mrs. Richard McClurg last week. The McClurgs were hosts to about 50 guests in their home, and provided, in addition to the Tiger's Milk labeled "For Tigers Only," another milder concoction bearing the placard "For those who tend to tell-off the boss after a few cups."

terpiece, a kissing wreath, and a balloon wreath. These decorations were awarded as door prizes later in the day, much to the delight of the winners who had admired them, and to the sorrow of the ladies who made them with loving care only to see them brighten some other home for the holidays.

COSDEN CHATTER Daughter Is Born To The J. Jenkins

Sheryll Lynn is the name given by Mr. and Mrs. Jerry Jenkins to their new daughter, born Wednesday at Malone & Hogan Hospital. The infant weighed 7 lbs. 1 oz.

Customer accounting employees had their annual Christmas fete Wednesday night in Cosden Country Club's Blue Room. Gifts were exchanged at the dinner party.

The personnel department at the refinery had a holiday party Tuesday night in the home of Capt. and Mrs. Stanley Ballou. The women in the refinery's main office, with their husbands, gathered in the Blue Room on Thursday night for a party.

Yuletide Party Is Given At Church

FORSAN (SC) — A Christmas party was held Monday night for members of the Royal Ambassadors and Girls Auxillary at the Forsan Baptist Church. Held at Fellowship Hall, the party included an exchange of gifts and refreshments served by the leaders, the Rev. and Mrs. Carl Lee and Mrs. Tommy Alberson. Caroling followed with Mrs. Alberson as the escort.

What's In It?

Mr. and Mrs. T. J. Wheeler watch as sons Pat and Mike try to figure out what the Yuletide gifts will be. Wheeler is associated with White's Stores, Inc., where he is manager of the furniture department.

Warm Texas Winters Appeal To Newcomers

"My hometown is Pinckneyville, Ill., but somebody else can have that part of the country. It's too cold for me!" said Mrs. T. J. Wheeler as she relaxed in the comparative warmth of a winter day in Texas.

Mr. and Mrs. Wheeler, 1502

Pennsylvania, came here in November when he was transferred from Fort Worth to manage the furniture department of White's Stores, Inc. Wheeler had arrived here earlier to get acquainted with his new job, while his wife remained at the former home to ar-

range the move. They still have a home in Fort Worth which they will rent or sell before getting permanently settled in Big Spring. Wheeler is originally from Bowie, and was educated in the schools there. Before becoming associated with White's, he was employed for 10 years with a furniture company in Pecos. While there, the Wheelers were active in the Jay-Cees and Jaycee-Ettes organizations. Wheeler said that business has kept him from participating in other civic groups that he would like to have time for.

The Wheeler children are active boys. Mike, 12, is a First Class Scout who has learned to earn his own money and be thrifty with it. He does yard work in the summer and sometimes after school. This has enabled him to pay his own way to summer camp, purchase a bike and pay for his own record player.

Younger brother Mike, 8, is not yet as ambitious but he has participated in the Cub Scout program and enjoys the usual activities of boys his age. Both Mr. and Mrs. Wheeler like to play bridge. He says he takes his fishing "by spurts" and hasn't played golf in some time, since he likes to spend Sunday with the family. They are attending the Wesley Methodist Church.

'ROUND TOWN

With LUCILLE PICKLE

My greatest culinary surprises have been because of the hurry I seem to get myself in when cooking. Friday brought forth a new type of pie . . . pumpkin with several dollops of blackberry juice on a slice or so. This is accomplished by baking three pies in a two-pie oven and putting the berry pie on the top rack and setting the temperature too high. No one has as yet volunteered to eat the juiced pieces but I'm sure it will be a first in combinations.

Another accident of cooking brought on by haste is a barbecued flavored roast beef. This only happens on Sunday. I don't know how it is achieved but it must be because I invariably burn the flour that I have dredged the roast in . . . then rather than start over I just pop the top of the roaster on and put it in the oven. When we return from church the roast is baked, and most of the time has a most delicious flavor . . . not burned really, just sorta smoked. But I've never been able to make it taste that way on purpose.

Two foreign born people who would make good Texans are MRS. MICHAEL MIRANDA, a native of France, and MRS. ROY DRINNEN, from the Republic of Panama. They are delightful women and are most interesting to talk with. As usual, talk got around to feet and Mrs. Miranda volunteered the information that most French women have foot trouble, because they are so proud of the fact that French women have small feet that they invariably buy their shoes a size too small.

Mrs. Drinnen says one of the most wonderful things about living in the states is the ease in living at home and being comfortable . . . like being able to go about the house barefooted which no lady would do in Panama.

MR. and MRS. TOM ROSSON were in Monahan, Thursday for the observance of the 92nd birthday anniversary of his father, A. B. ROSSON. The elder Mr. Rosson was born in Tennessee in 1870, but has made his home in Texas for a number of years. He is presently at the Pleasant Haven Nursing Home. Another son and his wife, MR. and MRS. SAM ROSSON, who live in Monahan were in the group to have birthday cake with Mr. Rosson, who was the recipient of gifts honoring the occasion.

Dates have been set for the judging of the outdoor decorations about the city and MRS. FRANK RICE has announced those dates for her carol program. Dec. 20, 21, 22 will be the nights for the organ program at the Rice home, 1738 Purdue. The organ will be spotlighted in the bay window of the home. A public address system will be set up to amplify the Christmas music for those who would like to stop as they drive by to view the city's decorated homes.

Joy is running high at the J. T. BAIRD home on Dixie Street. For the first time in two years both the young men of the family will be home for Christmas. MR. and

Guests Are Received By Col. And Mrs. Head

An evening party, with Col. and Mrs. Charles Head the host and hostess, was held at their home, 7 Albrook, Friday.

Entering the home, guests were greeted with festive decorations which included that on the front door, a red and green espalier made of cedar boughs in contemporary design.

Within the home the Yule log burned, and on the mantel facing was suspended an enormous cedar wreath adorned with red satin baubles for contrast.

Hors d'oeuvres were served to 48 guests from a table spread with a red net holiday cloth centered with a miniature white Christmas tree. On the credenza, there was a red and white Christmas arrangement.

For the occasion Mrs. Head chose to wear a blue brocade silk gown. Guests' apparel for the evening included Mrs. Horace Garrett's jet-trimmed gown of red silk; Mrs. Carroll Davidson's after-five sheath, also of red silk; and Mrs. Joe Pickle, in a dinner dress of plush red velvet.

Mrs. Ike Robb was wearing one

of those lovely ribbon dresses, while Mrs. Marvin Miller was attired in a handsome metallic mesh sheath. Mrs. G. H. Wood attended wearing a fashionable blue silk sheath; and Mrs. E. V. Spence, in deep gray silk, matching slippers and lovely new mink, admired by one and all.

Lydia Class Has Christmas Party

The Lydia Sunday school class of the First Baptist Church met in the home of Mrs. Dick Lane Thursday evening for a Christmas party with Mrs. J. W. Arnett in charge of the business session.

The devotion was given by Mrs. T. K. Price, after which gifts were exchanged and a Lottie Moon Christmas offering taken. A special gift was presented for Mrs. Ina Monteith.

Attending were nine members and one guest, Mrs. C. O. Hitt. Mrs. G. G. Morehead lead the closing prayer.

Ties Are Just For Sundays In Tahiti

Males in Papette, Tahiti wear ties only on Sundays, that is except for the local police who wear them seven days a week. Luckily for a Baltimore, Md., concern with "Prince" in its

name, this type of tie has gotten all the business around the world because the populace is fascinated by prices. The tie is anchored to the man's shirt with a button. The man's shirt, which has influenced women's fashions from pajamas to suit, has now reached the level of children's styles. Little girls' dresses are shirt style, beltless, tailored, and hanging smoothly from shoulder yokes, and buttoning down the fronts. The man's golfing jacket with zippered front and shoulder construction has been duplicated for the rapidly growing field of women golfers. It's water repellent, in case there's a change in the weather.

Meet Madame President

Mrs. Wade Choate is a member of Beta Omicron Chapter of Beta Sigma Phi, serving as its president. During her four year membership, Mrs. Choate has served the chapter as treasurer, council representative, social chairman and as vice president of the City Council. She and her husband, district clerk, and their son, Kyle, aged three, reside at 611 Tulane. A graduate of Big Spring High School, Mrs. Choate is employed as secretary at the First National Bank. Her hobbies are water skiing and snow skiing.

MRS. WADE CHOATE

Mrs. Tuck A Patient In Local Hospital

FORSAN (SC) — Mrs. Hugh Tuck is hospitalized in a Big

Spring Hospital this week. Jerry Bardwell, Gerry and Terry Harkrider, students in Sul Ross at Alpine, are here for the holidays with their families. Paul Lancaster is on vacation, and is spending it visiting his mother and hunting in Dublin.

J. Allreds Will Observe 50th Year Of Marriage

A golden wedding anniversary will be celebrated Sunday afternoon, Dec. 23, from 2 until 5 o'clock, at open house honoring Mr. and Mrs. John C. Allred.

Effie Mae Shortes, who moved with her parents from Goliad to the Stork Community in 1908, and John Allred, born on a ranch south of Big Spring, were married in 1902 in the Stork Community where his parents had moved.

They had attended a community Christmas-eve party, and after a dance at the Allred home, they eloped on Dec. 25 to the home of Walter Smith, a Baptist minister. The wedding ceremony was performed as the couple sat in the buggy.

Afraid to return and tell their parents, they continued driving to the home of his uncle and aunt, the Anderson Baileys, in Big Spring. They remained in Big Spring several days before returning to the Knott Community, where they began farming near where the family home is now located.

Living on nearby farms are the Allreds' three sons, Cecial, Reedy and Donald.

The open house will be held at the Donald Allred home, where all friends and relatives are invited to call.

MR. AND MRS. JOHN C. ALLRED

Duplicate Series Is Concluded

Winners in the Holiday Series duplicate bridge games at the Big Spring Country Club were announced at the Friday meeting, when 12 tables were in play.

Series winners were Mrs. Gerald Harris and Mrs. Ladd Smith who tied for first and second places; Mrs. Ayra McGann and Mrs. Ben McCullough, tied for third and fourth places; Mrs. J. H. Holloway and Grover Cunningham Jr., who tied for fifth and sixth places.

Other winners were Mrs. Ray McMahan, seventh; Mrs. Hollis Webb eighth; Mrs. B. B. Badger, ninth.

Friday, the Duplicate Club will have its annual Christmas party, with a social hour beginning at 12 and to continue until 1, when games will begin. Announcement was made of the Snow Series, which will begin on Dec. 21 and continue through Feb. 8. Winners will be the high for the best of six in eight games.

High players in the monthly Master Point games Friday were north-south, first, Mrs. Tom South, Mrs. Fred Lurting; second, Mrs. John Stone, Mrs. J. D. Robertson; third, Mrs. E. L. Powell, Mrs. Elmo Wasson, fourth, Mrs. J. J. Havens, Mrs. Hollis Webb.

East-west, first, Mrs. Ayra McGann, Mrs. Ben McCullough; second, Mrs. Glen Lingenfelter, Mrs. William E. Harris; third, Mrs. Morris Patterson, Mrs. Hudson Landers; fourth, Mrs. Ladd Smith, Mrs. Gerald Harris.

Boydston P-TA Hears Sixth Grade Pupils

Mrs. Roy Watkins presided for the Thursday afternoon session of Boydston Parent-Teacher Association at the school, where a Christmas program was presented by pupils of the sixth grade classes.

Mrs. Jack Strickland gave the devotion and sang "O Holy Night," with piano accompaniment by Jane Curry. Mrs. E. C. Bell introduced the sixth grade children and the program director, Mrs. J. L. Christenson. Those having special parts were Connie Tubb, Don Hickson, John O'Brien, Jack Pritchett, Dealyon Blackshear, Jerry Price, Linda Johnson, Roe Lynn Bunch, Beth Grammar, Ruthie Russell, Susie Armstrong, Mike Bolte, Billy Spier, Gaylon Parsons, Coy McCann and Douglas Ball.

A letter of thanks was read from V. J. Belda for a program given for patients at the VA Hospital. Recommendations were passed to give each room a Christmas gift of \$5; also to participate in the Mothers March Jan. 21. Mrs. Newburgh's room won the Savings Stamp award with a total of \$366.45 in sales. M. R. Turner reported on the state convention held in Fort Worth.

Room count was won by that of Mrs. Ebling. Refreshments were served to 100 persons from a table spread with red cloth and appointed with crystal Holly and bells formed the centerpiece.

Luther HD Club Has Observance

A dinner and Christmas party was held Thursday at the home of Mrs. John Couch, hostess to the Luther Home Demonstration Club. Twelve members attended, and the guests were Mrs. Luke Underwood, Mrs. Delaine Crawford and Miss Juanita Hamlin.

The Christmas Story was read by Mrs. Edwin Simpson. Secret pals were revealed and new names were drawn.

The United Council of Church Women planned for a Christmas event at the West Side Center, in a session conducted Friday morning at Wesley Methodist Church.

Th Rev. R. O. Browder gave a devotion, and the opening prayer was led by Mrs. G. C. Graves.

The Kiwanis Club will sponsor the Center's Christmas party Dec. 20 at noon. Food will be provided by the ABClub, it was reported. Also, Mrs. W. D. Lovelace has purchased the picture, "The Head of Christ," by Thalmons for hanging in the Center.

Mrs. G. C. Graves and Mrs. J. D. Hollis are those who will purchase gifts for the 16 boys and 16 girls at the Center.

A closing prayer was worded by Mrs. Robert Short.

Council Makes Plans For Center Party

Tea Is Held Honoring Visitor

FORSAN (SC)—Mrs. W. F. Shannon, a former resident who now lives in Dunedin, Fla., was the honoree for a tea Thursday in the home of Mrs. M. M. Fairchild.

Cohostesses for the afternoon affair were Mrs. C. V. Wash and Mrs. J. P. Kubecka.

Fifteen friends registered on a Christmas card. Mrs. Frank Wilson and Mrs. J. F. Skalicky of Big Spring were out of town guests.

Christmas decor was used throughout the entertaining rooms. Mrs. Shannon has spent the past month in Belleaire with her son-in-law and daughter, Mr. and Mrs. Bob Johnson, formerly of Forsan and Big Spring. They have a new daughter, Linda Ann, who was born on Nov. 27. Mrs. Shannon plans to return to her home next week.

A Decorator Touch: Use Terry Towels

Elegance in bathroom decor doesn't necessarily call for gold-plated faucets or sunken tubs. It can be achieved inexpensively and simply by the imaginative use of towels.

The imaginative use of cotton terry towels can give a luxury look to the simplest bathroom. A large bath towel in a matching solid and floral-printed window drapes stress the co-ordinated vogue.

Today's cotton terry cloth towels come in a wide range of decorator colors and handsome jacquard weaves. This fall's color trends in towels are more high fashion than ever. New shades include melon, emerald green, clear sea blue, and bright yellow.

By displaying a different set of towels each week, you can vary the bathroom's decor. It's best to use no more than two main colors at a time in the bath. Occasionally, a third color can be introduced in guest towels, monogram, or accessories for accent.

First Class Goes All Of The Way

"First class friends deserve first class mail." When sending your Christmas cards this year, use four cent stamps. First class postage also means your Christmas cards will be forwarded or returned, if necessary, and they can carry brief written messages that so many people like to add to a Christmas greeting.

Remember Those Special People

Now, more than ever before, you can remember those "special" people on your Christmas mailing list with cards and verses created especially for them. This year, why not send one of these cards to your family "Doctor," or the "Postman" who brings all the pretty cards to your door. Along with your order for eggnog, leave a special greeting for the "Milkman." And don't forget the little "Newsboy," your wonderful "Neighbor," the "Boss," and the "Minister and His Wife."

Mrs. Welch Hostess To Jr. Forum

A donation to the Howard County TB Association was made by the Junior Woman's Forum, meeting in the home of Mrs. Ernest Welch Thursday morning. Co-hostess was Mrs. Ed Carson.

Famous women, past and present, were described in the program presented by Mrs. Aultman Smith and Mrs. Kenneth Orr.

Plans were completed for the group to assist with entertainment for the patients in Ward 7 during the Big Spring State Hospital Christmas party. Mrs. Orr, hospitality chairman, announced plans for a "blue" party to be held in January.

The seventeen members were served refreshments from a table, spread with red felt decorated with red stockings and candles.

The next meeting will be in the home of Mrs. Clark at 2709 Carol Street.

Among The Dancers

Pictured above are Mr. and Mrs. Ray Null, Mr. and Mrs. Bud Windham and Mr. and Mrs. Bob Rogers, who were among the dancers at the Cosden Country Club Christmas dance Friday evening. In the lower photo, Mr. and Mrs. Bill Coleman, guests of the J. M. Hills', relax between cha-cha numbers.

Cosden Club Has Dance

Over 200 Cosden Country Club members and their guests danced to the music of Bernie Howell's Combo in the ballroom of the club Friday evening. The affair was the annual Cosden Club Christmas dance, with Mr. and Mrs. W. E. Ramsey as host and hostesses.

Colors of red, green and gold were carried out in seasonal decorations throughout the club. The entry hall featured hanging arrangements of gold bells and modernistic mobiles. In the ballroom, white linen covered tables were centered with small lamps based in cedar and bangles, the hors d'oeuvre table was spread with green linen and held a similar holiday arrangement.

Red was the predominate color in the many lovely party dresses glimpsed in the ballroom. Mrs. J. M. Hill wore a soft chiffon with scooped neck and full skirt. A bejeweled red band worn in the blonde hair of Mrs. Bill Coleman

matched her velvet and peau de soie cocktail gown. Red was also worn by Mrs. J. R. Bizzell, in a lace sheath, and Mrs. Bob Rogers, in flowing chiffon with a wattleau back.

The brunette beauty of Mrs. Ladd Smith was complimented by the simple cut of a white sequined sheath. Mrs. Bill Crooker was lovely in gold lame, as was Mrs. Jim Lime who wore a silver lame sheath dress.

In blue were Mrs. Stan Ballou, whose dinner suit was of an aqua shade and Mrs. Don Wiley who wore a scooped neck gown of royal blue satin.

Elegantly simple was the black peau de soie sheath worn by Mrs. Melvin Byers. At the same table, Mrs. Sacha Bedard's gown featured a black crepe bodice with a white bell skirt. A white sheath worn by Mrs. Ray Dabney was enhanced with gold accessories as was the gold lame dress of Mrs. Mairi McFaul.

Forum Has Luncheon

Guests from other countries told of Christmas customs in their native lands at the Woman's Forum luncheon Friday at noon. The annual Christmas affair was held in the Blue Room at Cosden Country Club.

Mrs. Roy Drinnen, a native of Panama, and Mrs. Michael Miranda of Paris, France, were the special guests who presented the program. Each received an appreciation gift from the club.

Members and guests were seated at a U-shaped dining table decorated with a miniature Santa Claus, Christmas ornament arrangements and red and white carnations. Runners of greenery and poinsettias centered the table.

Gifts were exchanged from a table featuring a white, handmade Christmas tree. Hostesses were Mrs. J. D. Jones, Mrs. Neil Norred, Mrs. Omar Jones and Mrs. Lucian Jones.

Young Adult Couples Organize At Coahoma

COAHOMA (SC)—A newly organized social club of young adult couples held their first affair last week with a party featuring a Mexican Christmas as the theme.

Host couples were Mr. and Mrs. Leon Menses and Mr. and Mrs. Jack Taylor.

Offices are held by couples. Named to serve were the Wendell Shives, president; the Val Bests, vice president, and program chairman; the Ray Echols, secretary.

Visiting in the J. L. Rogers home recently were her parents, Mr. and Mrs. J. A. Sargents, and Mrs. J. R. Sargents of Monahans, and Mrs. H. M. Knott of San Angelo.

The Ovis James were in Welch the past weekend visiting his broth-

er and family, Mr. and Mrs. Bobby James.

Mrs. Herbert Love has been in Abilene at the bedside of her father, Aaron Bell who underwent surgery Wednesday.

Mr. and Mrs. L. C. Alston of Sand Springs have returned from vacationing in Andrews, Bovina and Borger in the homes of their children.

Mrs. Don Myers of Sand Springs is at home following surgery last week.

Weldon Weaver is in Cowper Hospital for treatment on his hand. Mr. and Mrs. Vance Davis and Norman of Ft. Sumner, N. M., spent several days last week with her sister, Mrs. J. D. Miller, in Coahoma and his parents, Mr. and Mrs. E. W. Davis, in Sand Springs.

Modern Woman's Forum Has Christmas Luncheon

The Modern Woman's Forum met in the home of Mrs. E. T. O'Daniel, 1704 Harvard, for a Christmas luncheon, Friday at noon. Co-hostesses were Mrs. Harwood Keith and Mrs. J. P. Dodge. The annual affair was opened with the invocation by Mrs. W. A. Laswell. Mrs. John Farris told the story of the man who kept the

stable in a program entitled, "The Awareness of the Meaning of Christmas." She was assisted by Mrs. Laswell, who read scriptures from the new English translation of the Bible. Christmas customs of different lands were described by Mrs. C. W. Parmenter.

Fourteen members exchanged gifts from a lighted tree, and each received a remembrance from the president, Mrs. A. C. Bass.

The luncheon table was spread with a white linen cutwork cloth. The centerpiece of red poinsettias and evergreens was flanked with crystal candelabra holding tall white tapers.

The next meeting will be in the home of Mrs. J. S. Sims on Jan. 11.

Bag Quilting Is New Fun Hobby

In grandmother's day, every household had a quilt bag . . . but today many homes have bag quilts instead. Made from cotton feed and flour bags printed in a six block Early American design, the quilts have a hand-pieced look. Six to nine bags are required to make the quilt, which is easy to assemble and finish.

In addition to quilt-printed bags, many feed and flour bags feature patchwork prints which adapt beautifully to quilts . . . and also make attractive chair covers, cafe curtains, and dressing table skirts.

Engagement Told

Mr. and Mrs. Roy R. Black of Sand Springs announce the engagement and approaching marriage of their daughter, Carol Diane, to James Royce Coyle, son of Mr. and Mrs. J. R. Coyle, Big Spring. The couple is to be married at 8 p.m. Dec. 27, in the parsonage of the East Fourth Baptist Church.

A Brownie Ring

Bake your favorite recipe for Brownies in an 8- or 9-inch ring mold for a surprise holiday dessert. Be sure to grease the ring well. Preheat the gas oven to 325 degrees and bake the ring 25 to 30 minutes. When it is done, remove it from the ring mold immediately. Serve with a bowl of ice cream in the center and pass hot fudge sauce.

Double Ring Ceremony Unites Miss Williams, Tommy Parks

Miss Lavern Clydette Williams became the bride of Tommy Clifton Parks in a double ring ceremony performed by the Rev. Kenneth Address in the Westside Baptist Church at 7:30 p.m., Saturday evening.

The bride is the daughter of Mr. and Mrs. Clyde B. Williams of 1065 N. Gregg St. Mr. and Mrs. E. Roy Cawthron, 1107 W. 3rd St. are parents of the bridegroom.

Baskets of white chrysanthemums and greenery flanked the white arch forming the background for the ceremony.

Accompanied by Mrs. Ralph Walker at the organ, Jesse D. McElreath, brother-in-law of the bride, sang, "I Love You Truly" and "Whither Thou Goest."

The bride wore a street length dress fashioned by her mother of white taffeta under chiffon. The jeweled fitted bodice featured a scoop neckline. A Chantilly lace jacket matching the dress had seed

MRS. TOMMY CLIFTON PARKS

pearls embroidered at the petal points of the long sleeves. White satin shoes and a white veiled hat completed the costume with which she wore the traditional brides items that were old, borrowed and blue.

The bridal bouquet was a large cluster of white carnations surrounding a white pom-pom mum. Mrs. Jesse D. McElreath was her sister's matron of honor. Her white sheath dress featured a blue chiffon overskirt and fur cuffs on three-fourths sleeves. Her accessories were of pale blue. White carnations formed her shoulder corsage.

Serving as best man was Jerry Overby.

A reception was held in the church immediately following the ceremony. With the couple in the receiving line were their parents and the matron of honor.

The refreshment table, from which fruit punch was served, was covered with a blue lace cloth. The three-tiered white wedding cake was topped with a miniature bride and groom.

Miss Carolyn Key of Eastland was at the register. Members of the house party were Mrs. M. G. Key, Mrs. Noble Welch and Miss Millie Cawthron.

Out of town guests included Mr

and Mrs. Burnice Overby, Lenora, Mr. and Mrs. Roscoe Thomas and Mr. and Mrs. B. E. Burton of Stanton. From Eastland were the families of Mr. and Mrs. Ike Medlin and Mr. and Mrs. M. G. Key.

For a wedding trip to Odessa the bride wore a two-piece suit of black faille, white satin shoes and carried a matching jeweled bag. Her pill-box hat was of white veiled velveteen and her corsage from the bridal bouquet.

The bride attended Big Spring schools where she was active in the Future Homemakers of America, the Bible Club and participated in the choir.

The bridegroom attended Big Spring High School and is now employed by B. E. Burton in Stanton, where the couple will make their home at 505 N. College St. A civil ceremony had been performed for the couple in Villa Acuna Mex. in October.

Clothing Is Sent To Orphanage

COAHOMA (SC)—Clothing is being sent to an orphanage in San Antonio by members of the Roberta Circle of the First Baptist Church. The group met in the home of Mrs. Richard Gilmore recently, and the nine members planned to hold their next meeting on Jan. 10 in the home of Mrs. Rayburn Foster. This will be a covered dish luncheon affair and there will be a mission study.

The Women of the Presbyterian Church were guests in the home of Mrs. Vernon Guthrie when their annual Christmas party was held. Twelve members of the Bonnie, Naomi and Cora Kate Circles presented the hostess a gift for her new home.

Mrs. Ralph White, Mrs. Roy Swan and Mrs. D. S. Phillips were present for the Home Demonstration Council Christmas party. Jack McClendon, Presbyterian minister, brought the devotion.

Whetsels Now In Wink Home

LEES—Mr. and Mrs. R. D. (Doug) Whetsel and children, Duchess Lynett and Angel Troy, are now residing at 112 Oakland Drive in Wink. He is employed by Onstanto Chemical Company and formerly resided in Lees for many years.

Members of the Central Baptist Church, headed by the pastor, the Rev. Mack Alexander, honored them with a going-away party at the church recently.

Christmas Plans

If you start now to make preparations for Christmas entertaining, life will be easier when it comes. Extra ice cubes, for instance, can be stored in ploidim bags in the freezing compartment of the refrigerator. Table linens can be laundered and pressed. Home economists also suggest you order your turkey now and locate the big roasting pan, the meat thermometer or the probe that comes with the modern range. This kind of organization will make the holiday easier for you.

STUDENT BELL CHOIR
...with specially made bell collection

Lamesa Church Has Rare Bell Choir

LAMESA (SC)—Bells have long been associated with Christmas and as early as the ninth century of the Christian era, bells have been cultivated as genuine musical instruments, tuned to define pitches and arranged in series called chimes or carillons.

But it has been within the past two years that Lamesa has boasted a Bell Choir made up of a group of high school students at the First Baptist Church. Other larger area cities, such as Lubbock, Dallas, Fort Worth, also have such a choir.

Ed Wittner, music director of the church, directs the group which includes nine regular members and two rovers, Patsy Henderson and Nancy McDaniel. The rovers practice with the choir and can fill in for any absent member.

Regular members include Judy Clement, Tony Greaves, David Riker, Tawana Boatright, D'Ann Logan, Melody Edwards, Carol Ann Leavelle, Vickie Crowell and Mary Pat Snell.

Their bells were designed and tuned by Tru-Sonic Bell Corp. of California and were donated as a memorial by Mr. and Mrs. W. J. Beckham. The set consists of 28 bells, ranging from four inches to 10 inches, and made on the standard 4-40 pitch.

Few bell companies are located in the United States and most are made in England or Holland. The craft requires special workmen. The bells of the Lamesa group were designed in a small factory under the personal supervision of the owner.

Choir members play the bells while wearing gloves as each fingerprint destroys the beauty of the chimes and there is no way to clean them without destroying some of the tone. When the luster is gone, the tone is not impaired, but for continued beauty, the bells must be sent to the company for cleaning and polishing.

Choir members vary the sounds by swinging their hands and several can handle three bells at one time. Written bell choir music is hard to find and Wittner and Mrs. Beckham have arranged several selections.

It takes two to three months for the choir members to become proficient and a knowledge of another musical instrument is almost a necessity. The biggest problem is developing smoothness and rhythm. Expression in the music with various soft, light and loud tones must be developed continuously.

The Bell Choir has presented several concerts, including an appearance before the Paisane Choir Co. in the Davis Mountains, a youth rally in Odessa and a special program in Midland. Recently the choir was invited to attend the Youth Choir Clinic at Baylor University next spring.

Pre-school children participating will be led by Mrs. Jack Berry and Mrs. W. E. Bednar.

Air Mail Rate Lower Today, But Going Up

Few things in life are cheaper today than they were 45 years ago—but air mail is, Postmaster Elmer Boatler said Friday. On Jan. 7, when the air mail rate goes up a penny to eight cents an ounce, this service to the American people will be in its 45th year, he said.

On May 15, 1918, when air mail was first officially introduced in America, 6,600 letters were flown from Washington to New York City about 200 miles at a cost of 24 cents an ounce, which included a 10 cents special delivery fee.

Today, Boatler said, more than 1.5 billion letters and post cards are sent by air mail annually within the United States.

At Christmas time, air mail can be particularly important, Boatler said. For example, late cards sent by air mail can reach Chicago from Big Spring in less than 24 hours and Key West, Florida in 36 hours. At the same time, however, he urged residents to mail early and avoid any chance of important cards being delayed.

Another emergency stop gap—If you fail to mail early despite past warnings—is air parcel post, which moves with the speed of air letter mail.

Sending parcels by air weighing more than one pound is often cheaper than using first class postage. Air mail and air parcel post receives top priority on all scheduled airlines, which total more than 10,000 flights daily throughout the nation.

Personal Income Up

WASHINGTON (AP)—Personal income scored a gain of \$1.8 billion on an annual basis in October, moving to a record rate of \$447.4 billion. More than half the increase reflected pay raises for government workers.

Reporting this, the Commerce Department noted that personal income—the total income of individuals—has leveled off since early spring, particularly in commodity-producing industries.

From the end of 1961 to last April, it said, personal income rose nearly \$8 billion, with commodity-producing groups accounting for \$3.3 billion of the advance. In the next seven months, total income rose \$9 billion, while the wages and salaries in the producing industries declined by \$500 million.

The September-to-October increase of \$1.8 billion in the annual income rate compared with a rise of \$2.1 billion a month earlier.

Social Security Costs Going Up

You will pay more social security tax beginning Jan. 1, 1963 and your employer will be paying more into your account as well. The rate is increasing as well as the amount of income subject to the tax.

New social security tax rates go into effect Jan. 1 according to Erven Fisher, district manager in the Big Spring office. This is one of the regular tax increases, he said, provided in the law to cover the payment of benefits and administrative costs of the program.

For people working for wages, the new 1963 rate will be 3 1/2 percent on their first \$4,800 in yearly earnings. The employer will contribute a like amount. For the self-employed, the new rate is 5.4 percent of the first \$4,800 in yearly net earnings. Wages and self-employment earnings of more than \$4,800 a year are not taxable for Social Security purposes.

In dollars and cents, Fisher explained, the Social Security tax increase means that an employed person earning \$4,800 or more in a year will pay \$174 in social security tax instead of the \$150 he paid on the same amount of earnings in 1962, an increase of about 46 cents per weekly pay period. The tax for self-employed people with earnings of \$4,800 or more a year will be \$259.20 per year instead of \$225.60 paid in 1962, or an increase of about \$2.80 per month for the year.

Fisher pointed out that the new rate applies only to wages paid and self-employment income earned after Dec. 31, 1962. The present rate of 3 1/2 percent on wages is applicable for wages paid in 1962 even though they are not reported by employers until early in 1963. The current rate of 4.5 percent for the self-employed is likewise applicable to self-employment income earned in 1962 but not reported until 1963.

Webb's Foreign Students To Be Honorary Texans

Twenty-seven German Air Force students, presently undergoing pilot training at Webb AFB, are to become honorary citizens of Texas. Gov. Price Daniel has approved a program to make honorary Texans of all foreign military personnel serving in the state.

LAPIN PIN

Supported by the governor and the International Good Neighbor Commission of Texas, this includes the issuance of a state identification card and a lapel pin. The lapel pin to be used for wear with civilian clothing.

Cards and pins will be presented to each person of the foreign military in order that he may be more easily identified in the community adjacent to his base.

The cards here will be signed by Col. Wilson H. Banks, the base commander, and then forwarded to Air Training Command headquarters and then sent to Austin where the governor will sign them. The cards will then be returned to the base information office for lamination and formal presentation.

Presentation of the 27 Webb-based German AF pilot trainees will be made in Mayor George Zachariah's office when the cards have been signed by Gov. Daniel.

Tech Gets Gifts Of Fine Art

LUBBOCK — Texas Tech has received \$2,450 in fine arts gifts from Mr. and Mrs. Stanley Marcus of Dallas, to be placed in the West Texas Museum on the Tech campus.

The gifts include a cornerstone in red sandstone of two young female figures, valued at \$1,200, and two Siamese shadow backgrounds of painted and cut leather, appraised at \$1,250.

This is the fifth year that the Marcuses have presented paintings and other gifts to Tech, Dr.

R. C. Goodwin, Tech president, said in announcing the most recent acquisitions.

Representative of the art found in the old Indian temples, the 15-inch high cornerstone of two young female figures exemplifies the Indian concept of grace and beauty, Mrs. W. C. Holden of the Museum, staff said. The sculpture was done by a South Indian artist between the 12th and 13th centuries.

Two Siamese shadow backgrounds of cut and painted leather, 60- and 82-inches high, represent the other Marcus gift. The background, made in the 18th century, shows dancing figures with trees and flowers. They are reminiscent of the shadow puppets for which Siamese artisans are justly famed.

Announcing

CHANGE OF OWNERSHIP

Mr. and Mrs. Tom McAdams are happy to announce the purchase of Elliott's Self Service Drug at 1714 Gregg.

They cordially invite their many friends to visit them soon.

We Pledge...

Unexcelled service, quality merchandise, reasonable prices, courtesy and appreciation, and most important of all, an earnest desire to "Do Unto Others As We Would Have Them Do Unto Us." This will be the very foundation of our business.

Mr. and Mrs. Tom McAdams

LT. C. M. KAY

November Honor Pilot Is Named

Lt. Conrad M. Kay, 3561st Pilot Training Squadron, was selected as instructor pilot of the month for November. The award was made Friday by Col. Harold C. Collins, 3560th Pilot Training Group commander.

Lt. Kay is from Santa Fe, N. M., and is a graduate of the Air Force Academy, Class of 1959. He received his primary flight training at Bartow AFB, Fla., and his basic flying training at Webb. Of the 1,400 hours of flying time, he has logged 900 hours in jets.

He has consistently maintained an "excellent" rating in his standardization checks. His ability to improve deficient students is one of his strong points as an instructor. Lt. Kay is an active member of the Flying Tumbleweed Toastmaster Club and also an avid bowler.

DEAR ABBY

Maybe Mother Will Ease Up

DEAR ABBY: I am 16 years old and am treated like a baby, Abby. My mother says I have to be home by 12 o'clock when I go out on a date, no matter what. If I go to a school dance, and the band plays until twelve, I have to leave the dance at 11:30 to be sure I am home on time. Last Saturday night we went to a movie and, Abby, I had to ask my date to leave before the movie ended because of that midnight rule. Please help me make my mother understand how embarrassing her rule is. I have never yet been late coming home.

EMBARRASSED
DEAR EMBARRASSED: You shouldn't have to leave a dance or a movie before it is over, but if you continue to respect your mother's "rules," she's bound to ease up a bit. I hope so. You seem like a responsible girl.

DEAR ABBY: We almost came to blows over something I wish you would settle for me once and for all. I have always called my brother's wife my SISTER-IN-LAW. Now they tell me that she is NOT my sister-in-law—she is

nothing to me. They say the only sisters-in-law I have are the sisters of my husband! I am going mad trying to figure this out.

EVA
DEAR EVA: Technically, the relatives gained by marriage are "in-laws." Your brother's wife is indeed your sister-in-law....

DEAR ABBY: I think I have the solution for decreasing the divorce rate. Marriage licenses should cost \$350 and divorces \$2. That way people would think plenty before rushing into marriage.

SUBSCRIBER

DEAR SUBSCRIBER: Perhaps if a marriage license were more expensive people would not be so inclined to rush into what should be a life-long partnership. But why should a divorce be cheap? Perhaps if divorce were even more expensive, folks would try harder to make a go of the marriage.

DEAR ABBY: Am I crazy or are there other people like me? I positively go out of my mind when I HEAR someone eating an apple. I can't describe what it does to me, but I feel that I want to jump out of my skin! How can I overcome it? Please don't tell me to see a psychiatrist.

ROSE
DEAR ROSE: An apple a day is supposed to keep the doctor away, so I am not about to send you to one. However, there is no need to torture yourself. When someone starts to crunch an apple—exit.

DEAR ABBY: I think the jerk who invented Mischief Night (Halloween) must have hated his parents. I am the mother of three frustrated children who are not allowed out on Halloween. I fail to see the humor in poor old Mrs. G. down the street with a bad back having to crawl around mopping up squashed pumpkins. Or Mrs. P. across the street, who is pregnant, having to spend hours unrolling toilet paper from her trees and bushes and scoop up smelly garbage from her overturned garbage pail. The children of this nation should thank God that they are living in a country where there are more comforts, more food and more fun than anywhere in the world. I know, for I was raised in a war-torn country.

MAMMA
What's on your mind? For a personal reply send a self-addressed, stamped envelope to Abby, Box 3385, Beverly Hills, Calif.

Family Room Conveniences

Book cases, cabinets, desk, and radio-record player-intercom shown in the living room at the new Blue Flame Home, 1100 Highland Drive, where open house will be held Sunday by Palace Homes, builder.

Brown To Hold Open House On Highland Drive Sunday

Palace Homes, headed by Wylie Brown, contractor and builder, will hold open house at 1100 Highland Drive, from 1 to 6 p.m. Sunday.

The seven-room, two and a half bath home is finished in Mexican brick outside, has mahogany paneling in the family room and kitchen. It is classed as a Blue Flame home, with gas appliances, including refrigerated air conditioning and heating.

Brown came to Big Spring from Odessa about six months ago and has specialized in large homes. He has been in the business for five years and has averaged 20 homes each year in the same class.

The new home, purchased by George Thomas, has a built-in intercommunication system, with speakers in each room, including FM-AM radio and stereophonic record player. The console is in the living room. Stereo speakers are empaneled in the wall along

with a built-in desk, book case, and filing cabinets.

The house is carpeted throughout. The master bedroom has a private bath, dressing room, and large closet. A private patio leads off from the bedroom. A formal

living room, and formal dining room, are connected to the family room, with a view to the north-west through large windows.

A circular driveway takes off from the garage driveway allowing entrance to the front of the house without street parking. The garage door is electronically operated and can be opened without the driver getting out of his car. It may be closed the same way.

The 120 x 115 foot lot is enclosed with a tile fence, at the side and rear of the house, affording privacy. Four gas lights are located around the yard.

The public is invited to visit the new home Sunday afternoon in the new Highland South Addition, east of Goliad.

Mars Probe Data
MOSCOW (AP)—The Soviet Union Friday gave the size of the Mars probe—11 by 13 feet and a weight of 1,968 pounds.

The figures were published by the Soviet news agency Tass.

Civil Liberties Group Deplores Conformism
WASHINGTON (AP)—The American Civil Liberties Union claims there is a tendency in the United States to suppress dissent and this hampers the country in its "contest with the banners of totalitarianism."

Free inquiry into "legal, moral and social truth" is imperative to achieve lasting peace in an age when man has the power to destroy himself, the ACLU said in its 42nd annual report.

"The great tragedy of our 20th Century resurrection of official orthodoxy and heresies, both social and theological, is their hopeless inconsistency with the achievement of such truth," wrote John de J. Pemberton Jr., executive director.

"It may even now be too late for all of mankind to yield sufficient wisdom for the avoidance of annihilation. But the greatest wisdom to be found in our common inheritance has taught us that only in unlimited inquiry and unrestricted debate—the antithesis of official orthodoxy—is truth to be found."

The ACLU, composed of 61,000 members, describes itself as a watchdog against violations of civil liberties.

The report was released at a ceremony at the National Archives honoring Bill of Rights Day, which was Saturday. This marks the 171st anniversary of the adoption of the Constitution's Bill of Rights.

Comedian Will Close His Club
SANTA MONICA, Calif. (AP)—Poker-faced comedian Ben Blue says he'll follow the lead of restaurateur Mike Romanoff and close his supper club.

Blue opened his club here five years ago. He said it will close today. Like Romanoff, he blamed in part the government's crack-down on expense accounts.

Queen Dances With Her Cook

LONDON (AP)—Queen Elizabeth II put on one of her everyday diamond tiaras last week and went dancing with her cook.

The Duke of Edinburgh tripped the light fantastic with one of the girls who makes the palace beds.

It happened at the annual servants' ball in Buckingham Palace where the royal couple turned up to make merry with the people who wait on them the rest of the year.

Reverse Weather

CALGARY, Alta. (AP)—While Florida shivered, southern Alberta was having a belated touch of Indian summer.

The mercury didn't climb above 38 Thursday in Jacksonville, Fla., but at Calgary—1,500 miles to the north—it reached 56, one degree above previous record highs in 1944 and 1956.

Fresh Start

NEW YORK (AP)—A man carrying a gun walked into a downtown drug store last week and told the clerk, "I just got out of jail and I need a fresh start. He escaped with \$420.

GRANTHAM'S WATCH REPAIR AND JEWELRY

We have 27 years' experience... 16 years here in Big Spring. YOUR WATCH IS IMPORTANT, especially in our modern age... and the watches in your family are important, too. When you buy a Christmas watch, let us urge you to buy one that can be serviced in Big Spring, not sent to the factory or some out-of-town service center where parts may not be available, now or ever! Buy your watch from an experienced repairman who can tell you the truth. Discount houses have no servicemen, only salesmen! Think before you buy that watch... then come to see Grantham at 118 Main for the best watch deal... where you get service after the sale!

BLUE FLAME HOME

Constructed by
PALACE HOMES
WYLY BROWN, Builder

700 Highland Drive

(Highland South Addition)

Open from 1 p.m. to 6 p.m.

Large, luxurious and oh — so livable . . . here is the home built by Wyly Brown that will fulfill all your desires for prideful ownership! The Blue Flame sign is your assurance of a home that is built to the highest standards of craftsmanship and incorporates a world of functional refinements within its imaginative design. A full complement of efficient, "care-free" Gas appliances means total comfort and convenience at an economy of operation that will truly amaze you! Yes, from portal to patio, this handsome residence is geared for gracious-yet-zestful living through many a satisfying year to come. Drop in . . . look through leisurely . . . then make plans with the builder to make a PALACE HOME YOUR home as soon as possible.

Equipped With Gas Year-Round Air Conditioning

Summer, fall, winter or spring, Gas air conditioning puts perfect indoor comfort at your command, with the flip of a switch. Scientifically designed to rigid standards, Gas air conditioning both heats and cools; filters out dust and pollen; controls humidity, and circulates fresh, clean air throughout every room. Your entire family will feel better . . . your home will stay cleaner longer. Operating costs? Gas cools in summer for about the same cost as winter heating.

Live MODERN...
for LESS...with
GAS!

GAS EQUIPMENT IN THIS HOME INCLUDES:

- Arkla-Servel Gas Air Conditioning
- O'Keefe and Merritt Gas Built-In Range
- Gas Hot Water Heater • Gas Bathroom Heaters
- Gas Char-Rock Broiler • Four Gas Lawn Lights

Authoritative metered comparisons show that the average family — living in an all-gas Blue Flame Home — can save as much as \$10,000 in utilities costs over a 25-year mortgage period! Live MODERN . . . for less . . . with GAS.

Songwriter Dies

BURBANK, Calif. (AP)—Harry Barris, 56, noted songwriter and a member of the original "Rhythm Boys" with Bing Crosby, died Thursday at St. Joseph's Hospital after a lengthy illness.

WILL AMERICA

WAKE UP IN TIME?

We are the world's leader in many areas... in science and invention, in trade and living standards, and as a force for peace. But we must not be asleep to the pressing needs of leadership.

Higher education is having tough going, and colleges are in a squeeze. Some have shortages, while in less than 10 years they will face the incredible prospect of an applicant list twice the size!

To hold our lead among nations, we must see that our higher institutions have modern laboratories, enough classrooms and, above all, competent teachers.

HELP THE COLLEGE OF YOUR CHOICE NOW!

To find out how the college crisis affects you, write to HIGHER EDUCATION, Box 36, Times Square Station, New York 36, N. Y.

Published as a public service in cooperation with The Advertising Council and the Newspaper Advertising Executives Association.

Making A Point

Anthony Quinn tells off cigar-chewing Stanley Adams in this scene from "Requiem for a Heavyweight," story of an ex-pug too punch-drunk to stay in the game or to find work anywhere else. Also in the scene above are moustachioed Jackie Gleason and Mickey Rooney.

'Requiem' Is Drama Of Unwanted Pug

Anthony Quinn, Jackie Gleason, Mickey Rooney and Julie Harris combine their talents in "Requiem for a Heavyweight," which opens today at the Ritz Theatre.

A David Susskind production for Columbia release, "Requiem for a Heavyweight" is not a "fight" picture in the familiar sense; it is the story of a simple man suddenly divorced from his way of life, faced with problems beyond his ability to solve and desperately seeking to retain his own innate decency in an unfamiliar world.

Unable to work at the only trade he knows — boxing — he suddenly discovers that even there, among his "friends," he is no longer wanted.

Quinn portrays the ex-pug, no longer permitted to fight because he has absorbed too many punches, who seeks work as a dishwasher, as an usher, as anything which will permit him to live with dignity. The proudest fact of his life—his ranking among the top five heavyweight contenders, some years ago—is now of no value, except to him.

Gleason, the TV comic who is demonstrating a tremendous talent as a dramatic actor in motion pictures, plays Quinn's long-time manager and friend, whose inability to believe in the man's raw courage sets the stage for his complete downfall. Mickey Rooney plays Quinn's trainer and Julie Harris is seen as the social worker who tries to help Quinn and finds herself becoming attracted to him.

"Requiem for a Heavyweight" was written by Rod Serling of "Twilight Zone" television series fame, and directed by Ralph Nelson.

Is This The Way To Discipline In Uncle's Navy?

Achieving realism in a film role is often difficult, according to Gene Evans, who plays a top role with stars Cary Grant and Tony Curtis in "Operation Petticoat," the Granat Company comedy for Universal-International playing Friday at the Ritz Theatre.

On location at the naval base at Key West, Fla., Evans decided he'd try to base his characterization of the chief of boat aboard a submarine on the real McCoy. For his subject, he chose Chief Lester Moon of the sub Bala.

At the end of the five weeks of location scenes, Evans thanked Moon for his unsuspecting cooperation, telling Moon he had studied and copied many of the latter's mannerisms.

"That's funny," the chief answered. "I thought you were doing your part with such authority that I've been trying to copy you so the men would show me a little more respect."

Tony's Girl Wins Contract Approval

LOS ANGELES (AP)—Christine Kaufmann, 17-year-old German actress who is actor Tony Curtis' current romance, won court approval last week of a contract with producer Harold Hecht.

Julia Meade Makes Debut In Film Comedy

Television charmer Julia Meade, already familiar to home viewers, has finally made her motion picture debut. And it's opposite the nation's No. 1 boxoffice star, Rock Hudson.

Miss Meade has one of the feature roles in "Pillow Talk," romantic comedy returning Friday to the Ritz Theatre. Besides Hudson, the film co-stars Doris Day, Tony Randall and Thelma Ritter. Film viewers accustomed to Miss Meade's droll black-and-white on their TV sets (as the star of commercials for "Playhouse 90" and "The Ed Sullivan Show") will find, on seeing her in color on the CinemaScope movie screen, that she is a stunning redhead. All of her scenes are with Rock Hudson. She plays "the" girl friend in the life of a gay bachelor, and has one of the picture's most torrid sequences opposite Hudson.

Miss Meade got her chance to face the movie cameras because Producer Ross Hunter has long wanted her in one of his pictures. Director Michael Gordon was so impressed with her performance in the Broadway production of "The Tender Trap," which he directed, that he agreed with Hunter and co-producer Martin Melcher that she would be perfect for the role of Hudson's girl friend.

Her part in "Pillow Talk" is establishing a new field for the talented young actress who has done all types of roles in TV shows, besides her commercial stunts, and considerable stage appearances.

"Pillow Talk" is officially an Arwin production, meaning Doris Day's independent producing company, and is a Universal-International release. From a screenplay by Stanley Shapiro and Maurice Richlin, it was directed by Michael Gordon and co-produced by Ross Hunter for Universal and Marty Melcher for Arwin.

Lolita

Sue Lyon and James Mason are depicted in a scene from "Lolita," film based on the controversial Vladimir Nabokov novel and returning tonight to the Jet Drive-In Theatre. The movie is recommended for adults and mature young people.

'White Christmas' On Screen Again

Irving Berlin's "White Christmas" returns Thursday to the State Theatre.

Photographed in VistaVision and Technicolor, the production culminated almost a decade of planning by Irving Berlin. It teams Bing Crosby and Danny Kaye, and features the song styling of Rosemary Clooney and the dancing of Vera-Ellen.

The film was directed by Michael Curtiz. The songs include "White Christmas," "Count Your Blessings Instead of Sheep," "Love You Didn't Do Right By Me," "Sisters," "The Best Things Happen While You're Dancing," "Choreography" and "Gee, I Wish I Was Back in the Army."

For Bing Crosby, "White Christmas" spelled a happy reunion

Escape

Yul Brynner gets the drop on Sal Mineo in this scene from "Escape from Zahrain," story of international intrigue returning Thursday to the Jet Drive-In Theatre.

ADAMS, PARKER, McQUEEN & DARIN They tore up a lot of pastureland

'Hell Is For Heroes' Is Story From World War II

The story of how a greatly outnumbered American squad of weary infantrymen successfully breached the formidable Siegfried Line in World War II is told in the Paramount drama, "Hell Is For Heroes," which will open Thursday at the Jet Theatre.

The film stars Steve McQueen, Bobby Darin and Fess Parker and co-stars Harry Guardino, James Coburn and Mike Kellin. It also co-stars Nick Adams and introduces to movie theatre audiences the popular television and night-club comedian, Bob Newhart.

"Hell Is For Heroes" was produced by Henry Blankin, who has to his credit such outstanding films as "The Num's Story," "Treasure of the Sierra Madre," and "The Life of Emile Zola," for which he won the Best Picture Academy Award.

To recreate the locale and atmosphere necessary for the telling of the battle-rocked tale, he sent his scouts out to cover five states in search of terrain that most resembled photographs of Germany's Siegfried Line and the Belgian countryside it dominated.

Finally, a vast, privately owned ranch in the small and sleepy community of Cottonwood in California's Upper Sacramento Valley was borrowed for the location site.

The usually serene grazing land, ideally situated far from habitation, was transformed into an arena of war desolately pockmarked with shell-holes, the zig-zag of trenches, wrecked pillboxes and the barrier of dragons' teeth. More than 2,000 pounds of dynamite were let loose to turn the ranch into a territory tortured by war. An additional 2,000 pounds of explosives and ammunition of all types were subsequently discharged by the special effects expert in the depiction of the scenes of combat. Before it was possible to go ahead with the detonating, permission had to be obtained from the Forestry Service.

Ex-Talent Agency Claims Star Debt

LOS ANGELES (AP)—His former talent agency says Richard Chamberlain, star of television's "Dr. Kildare" series, owes it commissions.

MCA Inc. now out of the talent agency business, says Chamberlain owes it an unspecified amount of money under his contract with Metro-Goldwyn-Mayer. So too, the firm said, do several other stars, and Chamberlain's suit will be just the first of many.

Stamps In The News

By SYD KRONISH AP Newsfeatures

Winslow Homer's noted seascape, "Breezing Up," will be the second in the fine arts series of postage stamps to be issued by the United States. The 4-cent stamp goes on sale Dec. 15 at Gloucester, Mass. The original of this work of art now hangs in the National Gallery of Art in Washington, D. C.

The United States Post Office Department, which seldom raves about any of its artistic designs, and seldom has occasion to, believes that this one will be a dramatic stride forward in multi-color stamp production and the public would regard it as one of the finest ever issued.

Collectors interested in obtaining first day cancellations should send their addressed envelope, with remittances, to "First Day Covers, Postmaster, Gloucester, Mass." Requests must be post-marked no later than Dec. 15.

Austria has issued five new stamps in its series of famous historic landmarks. The 30 Groschen green-black depicts the Vienna City Hall; the 70 Groschen dark-blue shows the Resident Fountain in Salzburg; the 2.50 Schilling blue-violet illustrates the bridge spanning the Danube at Linz; the 3. Schilling blue features the Swiss

Gate in Vienna, the 3.50 Schilling red illustrates the Esterhazy Castle in Eisenstadt.

Surinam has issued two new commemorative stamps honoring the hospital and nunnery of the structures of this religious order

are featured on the stamps. One stamp shows the home of the nuns and the other, the hospital.

The Belgium Postal Administration has announced that it has issued two new stamps to honor the theme of human rights. The 3 Franc and the 6 Franc adhesives feature a design which included the United Nations emblem and a conception of human rights inspired by the work of Michelangelo.

Iran has issued two new stamps to commemorate the birthday of Crown Prince Reza. The 6 Rials and 14 R. show the crown prince accepting a flower from an Iranian boy.
