## Star Lites

By Bill Ellis

**MERV NOAH**, the energetic young man who has been employed as administrator for Friona's nursing home, is a bundle of optimism.

He would make a good Chamber of Commerce manager, if he were so inclined.

The board is to be commended, we feel, on finding a man of Noah's ability to guide the nursing home into its operation. Experience is always an important factor, and having a person with Noah's background should prove invaluable in getting the home established.

"I like Friona. The people here are unbelievably friendly. I've been taken in by a number of people since my arrival. I always thought the folks in the Midwest were friendly—but the people here top them all," he said this week during an office visit.

Noah's family will join him later, as soon as housing arrangements can be made.

Noah believes the Friona facility has an unlimited future, and continues to stress that it has all of the ingredients needed to assure its success.

"The community's backing is very important, and it is apparent that it has had that from the start," Noah says.

IF THEY HELD an election for such things, we feel sure that heavyweight boxer Muhammad Ali would be named "The most unpopular boxing champion America has ever had."

Many of you perhaps watched Ali defend his title in Germany via television Monday night.

Ali was fighting the European champion, Richard Dunn of England. Personally, we were hoping the Britisher would knock Ali into orbit, but such was not to be the case.

We would bet that this was the way the majority of America's fight fans were rooting. It is a sad commentary when you can't support your own countryman when he competes in an international event.

The strange thing about Monday's fight was that the local German fans seemed to be rooting for Ali. Suppose they can be pardoned—they don't know him like we do. What irony—the folks in Germany cheering for Ali, while back home, his fellow Americans were hoping for an upset.

SPEAKING OF turn about, we notice that the Listerine company has now come out with a mouthwash that tastes good.

If you pay any attention at all to the ads, especially TV commercials, then you're aware that Listerine has spent millions of dollars in commercials expounding that a mouthwash that tastes good doesn't necessarily do the job it is meant to do.

Now, apparently, they have abandoned that theory, although we suspect that the old familiar Listerine will still be available, for all the folks who like a stout, foul-tasting mouthwash.

KENNETH NEILL submitted an interesting letter to the Star this week. Besides taking the prize for the longest letter we've ever received at the Star, Neill also raises some points which we personally had wondered about.

If you have boys in the athletic program, or expect to have, then we think you'll find the letter of interest.

out that for only an additional "\$500 per year and a kind word," Friona could have kept Ray DeBord, one of the finest coaches we have ever had any dealings with.

If this is true, and there is no reason to doubt it, then our school leaders apparently decided that a state basketball championship, or a potential one, was of very little value.

WE HEAR SOME unusual "handles" on the CB radio from time to time. This week we heard the following: Double Ugly, Droopy Drawers, and Dirty Drawers. Personally, we'd hate to have to use that last one for a name.

**LAST BUS HOME....**After Thursday afternoon's run, the school bus won't be a regular sight on public

roads again until late August. Star photographer Hal Blackburn captured this unusual angle using the

rear view mirror of his car, as one of the buses made its final trip around its route.

## Commissioner Race Highlights Runoff

Parmer County Democrats will hold their second primary (runoff) election on Saturday, June 5, with nomination of two county commissioners highlighting the voting day.

For the first time in a number of years, the voters in both county precincts which are electing new commissioners will go back to the polls to decide nominees for the positions.

Raymond Euler and Ernest Anthony square off for the Precinct 1 nomination, while in Precinct 3, former judge Archie Tarter and Wendol Christian seek the nod.

County Democratic chairman Hollis Horton this week sounded a reminder as to who is eligible to vote.

"Only those voters who voted in the Democratic primary on May 1, or those who did not vote in either primary may vote in the June 5 election," Horton pointed out.

Those voting in the Republican primary are not eligible to cast ballots in the Democratic runoff.

"We thought it important to call this to the voters' attention, due to the larger than usual turnout of voters in the May 1 Republican primary," Horton said. A total of 323 persons voted in the GOP primary in Parmer County, 164 of them at Friona.

Horton pointed out that a person casting an illegal ballot could be subject to a Class A misdemeanor charge, which could bring up to a \$2,000 fine, and/or a year in jail. In case of a contested race, such illegal voters would probably be spotted, Horton said.

"We are not out to deny anyone a vote, but we wanted to call attention to voters as to the law on the subject," Horton said.

The County Democratic chairman said that all eight county voting boxes would once again be open from 7 a.m. until 7 p.m. on election day.

Horton said he personally was expecting around 60 per cent of the number who voted in the May 1 primary to vote in the runoff, which

Friona, 378 in Precinct 1, and around 1345 in the county.

Anthony and Euler, the survivors of a four-way fight for the nomination for commissioner after the May 1 primary, will settle the issue next Saturday.

In the first primary, Anthony led the four-man ticket with 282 votes, 29.2 per cent of the total. Euler had 234 votes, or 24.2 per cent. Lloyd Rector had 217 votes, or 22.3, and W.L. (Preach) Edelman had 215 votes, also 22.3 per cent.

The results of the second primary apparently will depend upon which of the two runoff candidates gets the most of his supporters back to the polls, and which picks up the

most support from those who voted for one of the defeated candidates, or voters who did not vote at all on May 1.

During the campaign, Euler has stressed that he would work for better roads for Precinct 1, will oppose union control of government, and says he will oppose land use reform.

"Farmers have been hurt in some areas where farmland adjoins city property, by having to pay higher taxes—enough to seriously hamper their operations," Euler said in explanation of the land reform item.

Euler also has stressed the fact that he is running "on his own hook with no ties," and has financed his campaign completely on his own.

"I am in a position to devote all the time to the job that will be necessary, since I have leased my farm. If elected, I want the people to feel free to come and talk to me about any problems they have in regard to county business," Euler says.

Anthony likewise voiced his concern for roads, said he would attempt to hold the line on taxes, and would work with the other commissioners for the betterment of the county.

In addition to the commissioner's race, runoff voters will cast their ballots for two statewide races.

Seeking the railroad commissioner's nomination are Jon Newton and Jerry Sadler. Newton was probably the least known of the eight candidates who started the original campaign, but utilizing a large advertising budget, he made his name known. He says he will

## Holiday Set By Majority Of Merchants

Most of the businesses in Friona plan to close on Monday for Memorial Day, according to a survey by the Friona Chamber of Commerce.

Those planning to close include Tri-County Savings & Loan, Friona State Bank, Credit Union, Plains Hardware, U.S. Post Office, Ruthie's, Carrol's, Foster's, Gib's, Main Place, Nellie Jane's, Reed's Cleaners, Allen's Jewelry, Aztec Drive-In, City Hall, Roberts Appliance, Wilhelm TV, Friona Star, Panhandle Concrete, City Body Shop, White's Grocery, Friona Consumers, Parmer County Implement and Herring Implement.

## Maintainer Purchase Tops Commission Meet

Purchase of a motor grader for Precinct 3 on a low bid of \$41,500 plus exchange was the main item of business on the agenda of the Parmer County Commissioners Monday.

The bid was awarded to Deckard Equipment Company of Amarillo. The other bidder was West Texas Equipment Co. of Lubbock.

The new grader is a John Deere model 770 motor grader. The bid was accepted, providing a modification be accomplished, and delivery be made within two weeks.

In other business, mostly routine, the county agent and home demonstration agent were reimbursed for expenses to the state 4-H Roundup; Mrs. Rufus Martin was paid \$100 for medical expenses in Houston and a resolution was passed to pay registration fees for

the justices of the peace within the county when they attend schools required by law.

A bill in the amount of \$2,089 was approved to be paid Western Ag Sales of Farwell, for clearing right of way for Farm to Market Road 3333.

Miscellaneous business included amending an easement the county had granted Deaf Smith County Electric Cooperative for placing utility poles within county right-of-way.

A summer Community Action Program was discussed.

Notation was made of the county's equalization board meeting, attended by Malcolm Lang of Southwestern Public Service Co. and Gilbert Kaltwasser.

## Runoff

### Polls Set

Polling places for the June 5 election were announced this week by H.H. Horton Jr., county Democratic party chairman.

Rhea: Parish Hall. Raymond Schuler.

Lakeview: Otho Whitefield residence. Otho Whitefield.

Lazbuddie: High School. Wyle Bullock.

Black: Tri-County Elevator. Ethel Bengler.

Oklahoma Lane: Community Center. Clarence Johnson.

Friona: High School. Bessie Holt.

Bovina: American Legion Building. Ken Horn.

Farwell: County Courtroom. Albert Smith.

## Memorial Day Service Set

The annual Memorial Day program, sponsored by the Friona American Legion will be held at Friona City Park beginning at 8 a.m. Monday, May 31.

Rev. C.H. Murphy, pastor of the First Baptist Church, will deliver the Memorial Day message.

Mrs. Paul Fortenberry will serve as Gold Star mother, placing the wreath on the memorial marker.

Special music will be presented, under the direction of Carrol Gatlin.

The public is invited to attend the service.

## Evans Injured In Car-Truck Mishap

Milton Evans of Friona was injured Wednesday following a freakish two-vehicle accident just east of Friona.

A large truck driven by a Nebraska man jack-knifed across Highway 60, just after a cloudburst had dumped water onto the road and made it slick. Evans crashed into the truck.

The accident was reported at 3:55 Wednesday. Russell Dougherty of Fremont, Nebraska, was driving a 1974 Freightliner truck east, and was towing an empty "pot" semi-trailer. Hitting a slick spot in the road, the truck jack-knifed and slid sideways across the road.

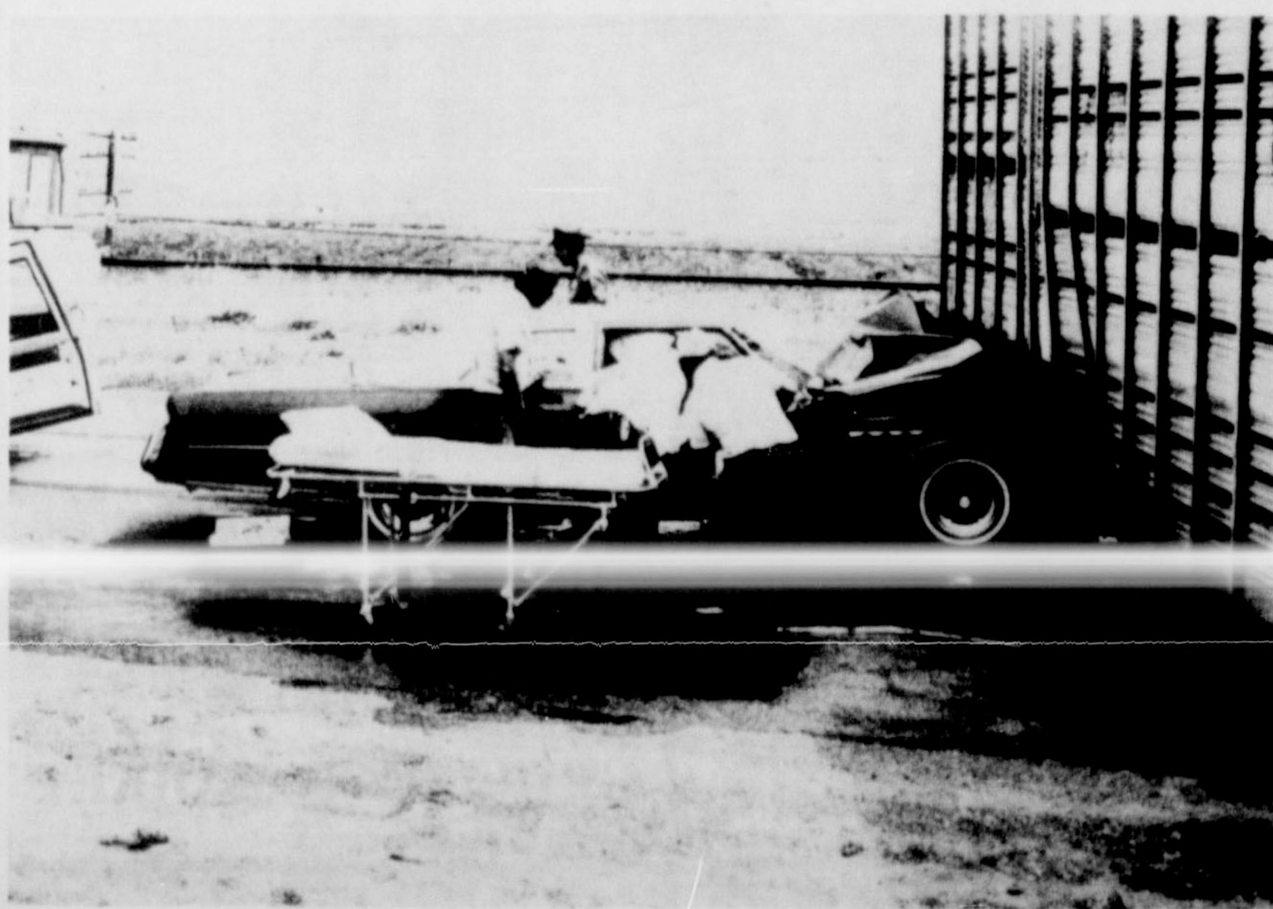

Evans was headed toward Friona, driving a 1975 Buick. The Evans vehicle slammed into the trailer portion of the truck-trailer,

striking a solid beam on the trailer frame.

Evans was thrown into the windshield. He sustained cuts and abrasions, plus a fractured ankle. Evans was brought to Parmer County Community Hospital by Parsons-Ellis Ambulance, and later was transferred to Lubbock for treatment.

Highway patrolman Royce Keck investigated the accident, assisted by the Friona Police Department. Traffic had to be routed around the truck until it could be moved.

Keck said the area where the accident occurred must be an exceptionally slick area following a rain, as there have been three such wrecks this year in the same general area, each one following a shower of rain.

**EVANS INJURED....**Friona ambulance attendants are shown extracting Milton Evans from his vehicle Wednesday after he skidded into a semi-trailer rig that

jack-knifed and blocked Highway 60. Evans underwent surgery for a crushed ankle at Lubbock Methodist Hospital Wednesday night. He also sustained a fractured jawbone,

plus cuts and abrasions. Evans was expected to be hospitalized about ten days.

# REMEMBERING...

## The Outhouse

By BILL D. BROOKS

Much has been written and even more has been said on the subject of the outhouse. Sometimes called a privy, toilet, or outdoor toilet, and of course other names we can't mention here, it has been the brunt of many jokes, pranks, and acts of downright meanness. But forget all that if you can and let's take a sober look at it in this brief narrative.

The outhouse for a standard household was usually a "two holer" measuring about 4' X 5' in floor space. The simple structure was usually of rough lumber, unpainted. There were four walls, a wood floor and a roof. There was only one door and no windows. Across the back wall was a bench with closed-in front, standing about 18" high. In the top of the bench were cut two round holes about 10" to 12" in diameter. Directly below the bench was the pit into which wastes were deposited.

The basic theory and construction were simple but most people added improvements as they could. For example, fold-down lids

were sometimes attached to cover the holes when they were not being used. When the lids were open they

served as back rests. Some of the structures were made of brick or stone and some came complete with fancy door knobs and hinges, some even had their own kerosene lanterns. Nails were sometimes driven into the walls to serve as coat hangers. Wire hangers were fastened to the wall over which the catalog was hung (real roll type toilet paper was not a readily available commodity but the mail order catalog was a tolerable substitute). I am told that some folks cut the crescent moon shape above or in the doors but I honestly never saw an outhouse with it.

Ash cans or lye containers were standard fixtures in many outhouses. The lye was used to chemically treat the wastes and cut down on the odor somewhat, a process much like that of chemical toilets found at construction sites today.

When "inside" toilets or

OUTHOUSE

bathrooms in houses were becoming popular there were many skeptics who thought the idea would never catch on. Many did not even

like the thought of indoor facilities. As one old rancher was heard to say one time, "I'll be darned if anybody is gonna do that in my house".

## "It Pays To Keep Up With Programs" --Mills

"It is not easy for a farmer to keep up with a farm program regulations—but it pays him to do it," according to Prentice L. Mills, County Executive Director of the ASCS. "There were a number of farmers who lost money last year because they did not fully understand the program rules."

According to reports from Mills most farmers lost money because of failure to report crop damage in time to earn payments. Many of these unfortunate farmers plowed their damaged crops under before people from the ASCS (Agricultural Stabilization & Conservation Service) office had an opportunity to inspect the crop damage.

Mills stated that disaster payments are now based on each crop individually with credit being given to an overplanted crop from an underplanted crop. For example: Farm with 100 acre wheat allotment, 100 acre grain sorghum allotment, and 20 acre cotton

allotment, for total allotments of 220 acres.

There are 120 acres of wheat and 100 acres of cotton planted on the farm. Both crops are completely hailed-out on June 15, just prior to wheat harvest and too late to plant cotton. Now, this farm would be eligible for disaster payment on the 120 acres of wheat and the 100 acres of cotton as no feed grain was planted and the underplanting of feed grain (190 acre allotment) can be credited to wheat and cotton.

Also eligible for disaster payments are dryland farms that have not received enough moisture to plant cotton or feed grains. This type of help falls under the

"prevented-planting" provisions of the disaster program.

Mills stated that if conditions are favorable, a farmer is expected to plant during the normal planting period for the crop in question; that is for Parmer County: Cotton-May 5 thru June 1; Grain Sorghum-April 1 thru June 20; Soybeans-April 20 thru July 1.

Any farmer who is confronted with a disaster situation should visit the ASCS office, report what happened and find out just where he stands program-wise. It can mean money to him and the people in his office will be pleased to explain the program to him.

The Friona Star received a letter this week dealing with the athletic program at Friona High School. Due to the unusual length of the letter, it is being printed on Page 8 in its entirety.

We commend the writer, Kenneth Neill, for taking his stand, and speaking his piece. As a writer, we know full well how hard it is to take such a stand, that one knows in advance will not be popular with some people.

We would also hope that those

## To The Editor

with whom Neill takes issue will be broad minded enough to look into the matter, rather than taking a defensive attitude. After all, school business is everyone's business. And every taxpayer has a right to express his opinion on any subject dealing with the school.

We invite response to Neill's letter, but ask writers to please observe the Star's policy on letters to the editor, a maximum of 250 words.

**45 YEARS AGO—JUNE 5, 1931**  
Perry T. Brown, attorney at law and former county attorney of Kent County, Texas, has located in Friona and is ready to begin the practice of his profession here.

M.M. Johnson, formerly of Borger, Texas, has opened a bakery in Friona this week.

**40 YEARS AGO—JUNE 5, 1936**  
On Friday of last week, May 29, the members of the local Baptist Church and many other friends of Rev. E. Ray Lansdown and family and C.D. York and family gathered at the basement of the church and enjoyed an hour or more social in honor of these two highly esteemed families, who were departing for homes in distant places. Rev. Lansdown, who served for nearly two years as pastor of the local church, has moved with his family to Burbank, Oklahoma.

**35 YEARS AGO—JUNE 6, 1941**  
Paul Spring, son of Mr. and Mrs. F.L. Spring of this city, has completed his degree requirements at Texas Tech College and will enter medical school at Baylor University this summer.

Friona Consumers, following the recent disasters sustained by the flooding of their building on the south side of the railroad, have begun the erection of a business building on their property between Eighth and Ninth Streets, and will move to that location as soon as the buildings are completed.

**30 YEARS AGO—MAY 31, 1946**  
The Friona Cardinals won over Needmore here last Sunday, by a 9-0 shutout, on the fine pitching of Price Brookfield. Brookfield gave up only six hits, struck out 10 and walked none. Brookfield, one of the stars of our 1941 team, may play for Borger's team in the West Texas-New Mexico professional league this year.

**25 YEARS AGO—MAY 31, 1951**  
Friona students this week chafed up a final honor for the concluded term by winning the Quizdown contest in Amarillo. Local team members included Mary Tom Spring, Robbie Bogges, Jon Mack Roden, Judy Barnett, Jan Edelman, Darrell Buske, Phyllis Treider, Gerald Floyd and

## State Lets Highway Contract

Highway construction contracts let in May by the State Highway and Public Transportation Commission include work in Parmer County.

The work will be supervised by District Engineer George C. Wall, Jr.

A contract was awarded to Boswell and Crafton, Inc. of Lubbock. Low bid was \$195,248.56.

The project, which will require an estimated 140 working days, is for grading, structures, base and surfacing on Farm to Market Road 1381 from FM 2290, 0.8 mile west of Bovina, southward to US Highway 60 and on FM 3333 from FM 1731, 5.0 miles south of Bovina, eastward 4.0 miles, a total distance of 5.3 miles.

owned and operated by J.L. Marcum and J.C. Claborn, will soon open its doors on Main Street in the former locations of the Corner Drug and Knox's Ready-to-Wear. It will handle furniture and home furnishings. Marcum, who is now managing Marcum-Claborn Friona Home here, made the announcement this week.

**15 YEARS AGO—JUNE 1, 1961**  
Parmer County voters saw eye-to-eye with the majority of the ballot-markers throughout the state in Saturday's special U.S. Senate election, giving Republican John Tower a slight edge over his democratic opponent, Bill Blakley. Lazbuddie was the only precinct to give Blakley an edge, and that was by a one-vote margin, 75-74.

**5 YEARS AGO—JUNE 3, 1971**  
Dedication ceremonies for the Official Texas Historical Marker at Parmerton, first county seat of Parmer County, will be held Sunday, June 6 at the marker's site adjacent to Highway 60 between Friona and Bovina. The ceremony will also commemorate the 64th anniversary of the organization of Parmer County, and will highlight the local observance of "County History Appreciation Week," which has been proclaimed for June 6-12 by Governor Preston Smith.

**Eight Injured During April**

The Texas Highway Patrol investigated six accidents on rural highways in Parmer County during the month of April, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area. These crashes resulted in no persons killed and eight persons injured. The rural traffic accident summary for this county during the first four months of 1976 shows a total of 36 accidents resulting in two persons killed and 31 persons injured. The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for April, 1976, shows a total of 510 accidents resulting in 10 persons killed and 318 persons injured, as compared to April, 1975, with 425 accidents resulting in 18 persons killed and 251 persons injured. This was 85 more accidents, eight less killed, and 67 more injured in 1976 at the same period of time. The 10 traffic deaths for the month of April, 1976, occurred in the following counties: two each in Montague and Wise; and one each in Floyd, Hale, Haskell, Dallam, Potter and Roberts.

**SPARK .... A New Era In Agriculture**

Your Helena representative has a remarkable new way to help you increase corn yields up to 10%! SPARK growth stimulant .. a combination of dinoseb plus surfactant used as an overall post-emergence spray on corn has the univer sity-proven potential of increasing grain yields by 5% to 10%. This exciting new development is a revolutionary concept ... one that could parallel such benchmarks in agriculture as hybrid seed corn and the use of an anhydrous ammonia.

**A New Era Of Production With Increased Profit.**

Economical, cost less than \$1.25 per acre. SPARK sprayed on corn when tassel is 1/2-7 inches long and unemerged can make a big difference in your production.

**Spark Growth Stimulant**

This concept of growth stimulants is not new to agriculture and has been used successfully in the fruit and vegetable markets for many years. SPARK is the first dinoseb plus surfactant product that has been developed especially for corn

**Here's How SPARK Can Help Promote 5% To 10% Grain Yield Increases:**

- ENHANCED CORN GROWTH
- SILKS EMERGE ABOUT 2 DAYS SOONER
- TASSELS EMERGE ABOUT 2 DAYS SOONER

This means a longer pollination period and a tendency to get away from corn that does not fill all the way out to the end.

Enhanced growth, longer pollination, fewer barren stalks, more complete ear-filling ...they all add up to big potential increases in overall production.

## GSPA Endorses Protection Bills

Officials of Grain Sorghum Producers Association testified here Friday, May 21, in support of legislation which would protect the American farmer from the financial losses experienced during export curtailments.

GSPA executive director Elbert Harp of Abernathy, Texas and vice president Mabry Foreman of Felt, Okla. represented the national commodity organization which is based in Lubbock, Texas.

The regional hearings were conducted by Congressman Glenn English (D-Oklahoma), Keith Sebelius (R-Kansas) and Jack Hightower (D-Texas), all members of the House Agriculture Committee.

Under consideration were bills introduced by English (HR 11136) and Sebelius (HJ Res. 743). The English bill would provide 100 per cent parity loans to grain producers during any export sales suspension. Payments for storage of more than 20,000 bushels would be at 5 per cent of the parity prices.

Foreman pointed out that "last year when the embargo suddenly was placed upon our grain exports to Russia and later when the voluntary embargo was extended to Eastern Europe, the price of grain dropped immediately by as much as \$1 per hundred pounds.

"This happened at a time when farmers had hoped to receive sufficient prices to cover the high cost of production for the year," Foreman continued. "The

price drop brought the market well below the cost of production and market prices still do not reflect the confidence of 'free trade.'

"Our future as grain producers actually rests in the hands of approximately seven men who make up the Agricultural Policy Committee of the White House. Only one of these men, the Secretary of Agriculture, is closely involved with the problems of farming and agricultural policy. Therefore, our fate ultimately rests in the hands of these few people who are not even agriculturally oriented. This group can make a decision without warning that will spell 'bankruptcy' to our producers," the GSPA officer continued.

Endorsing both the English and Sebelius bills, the grain sorghum representatives pointed out that the price of grain should be maintained at the parity level in order for farmers to realize a fair return on their investment, labor, management and risk.

"There should never be any consideration of trade restrictions unless prices are well above parity and if there is an embargo, farmers need to be assured that prices will not go below parity," Foreman said.

"With the existing high cost of production, we cannot continue to produce with the roller coaster effect upon prices caused by dock strikes, embargoes and other trade restrictions that we have been seeing the last few years."

#### Reading Club

A bicentennial theme will be featured this summer in the annual reading club for area youngsters, which is sponsored by the High Plains Bookmobile, according to Lorene Sooter, librarian.

Certificates will be presented children who read 12 books with ribbons presented those who read more than 12 books during the summer program.

**FCA MARATHON**...Friona High School's Fellowship of Christian Athletes sponsored a 24 hour basketball marathon beginning last Friday at 4 p.m. and ending on Saturday afternoon at the same time. In the top left, series of photos, Kent Miller, who scored 184 points in the marathon, is shown smiling during the early hours of the morning. Directly under him is Edward Castillo who was getting a little shut-eye when the camera focused in on him. In the top right portion of the series Terry Wilcox drives in for a lay-up at approximately 3:30 in the morning.

In the bottom left photo, Todd Bandy is shown reading his Bible during a rest period. Devotionals were conducted by many FCA members between games. Airborne in the bottom right photo is Ky Graham, who is trying to prevent an opponent from advancing the ball up the court. Many Friona people attended the event, which was termed a big success by coach N Lemons who set up the marathon. The money that was raised through the pledges that the kids collected will be used to send next year's officers and huddle leaders to a national conference.

**Sides Graduates  
From A&M**

Two students from Farwell are centennial graduates of Texas A&M University.

Texas A&M had a total of 2,466 spring graduates, a record for the state's first public institution of higher learning which is now in the midst of its centennial.

Both Farwell students received undergraduate degrees. David L. Sides, son of Billy Sides, received his degree in animal science with honors. He graduated cum laude. They are former Friona residents.

Robert W. Anderson, II, son of R.W. Anderson, received his degree in journalism.

years. The meeting began with a "Tasting Bee" with Eufaula Ethridge, Tress Tannahill, Ilene Osborn and Mary Lou Taylor, who are members of the social committee, as hostesses.

Irene McFarland gave the invocation.

The officers were installed by outgoing president, Allo Reeve, using the theme, "Variety Is The Spice of Life," in the installation service. Each officer was presented a rose and small bottle of spice, representing her duties.

New officers installed were: Mrs. Dave Thompson, president; Mrs. Sloan Osborn, vice president; Mrs. Dan Ethridge, secretary; Mrs. George C. Taylor, treasurer; Mrs. J.G. McFarland, reporter; Mrs. H.K. Kendrick, parliamentarian.

Two new members, Lora Mae McFarland and Mrs. V.E. Nichols, attended the meeting.

Presentation of the president's report and reports by chairmen of the various committees concluded the meeting.

**Writer Says Basketball  
Program At FHS Hurt  
By "King Football"  
Attitude Of Officials**

(Editor's note: The following letter far exceeded the Star's policy on letters to the editor, of 250 words. It is being presented in this manner by the writer because he believes the points expressed need to be made public.)

Football is King—long live the King! Basketball is dead and no one has written an obituary.

Friona surely must be the record holder for the shortest modern basketball program in history. In March, 1976, a request was made for a sixth period basketball program to involve those boys who did not choose to play football. The School Board and administration concurred and such program was granted. Meanwhile, a head football coach has resigned, a new head coach has been hired and a new, "modern" program has been installed. To me it isn't a modern program at all, but smells just like all football-oriented programs I have been observing for the last 35 years.

Ten or 12 boys had signed up to go straight basketball with the understanding they would have the sixth period with a coach to supervise during that period. Immediately upon assuming power as head football coach and athletic director, Coach Phillips began to pressure certain boys in that group to play football. He even told them that if they chose to play basketball only that they were just specialists and if they wanted to be Chieftains then they must play football. This was done in a general meeting with all boys in athletics present. Seems rather a cruel and small way to belittle some boys who for one reason or another choose to concentrate on basketball rather than football.

Seems that all football coaches are afraid of Ken Cleveland's program at Dimmitt as Coach Phillips made the statement that all of Dimmitt's basketball starters last year played football when the fact is that not one single basketball starter for Dimmitt last year participated in football.

In previous visits with our administration and especially Bob Owen, it seems they are so afraid of a program that is similar to Dimmitt's, they want to avoid it like a plague. I asked Bob Owen what the problems were with Dimmitt's program and the only thing I could translate from his answer was that it had ruined their football program. I checked the records and find that during the past 10 years we have gone 4 won 6 lost in football and 5-16 in basketball with Dimmitt. During his 7 years as head football coach, Owen was 3-4 with Dimmitt. Doesn't seem that their programs are in too bad a condition.

I believe that much of the criticism of Ken Cleveland's program is professional jealousy. He was one of the first basketball coaches in this area to dispose the axiom that you must play football to be an athlete. I have watched his program for years and I think the greatest thing about it is that a lot of his kids wouldn't ever amount to anything athletically if they didn't concentrate on basketball. He takes that type of youngster and beats most people most of the time.

During the past ten years our record of 5-16 in basketball with Dimmitt would probably be the best 10 year record in history. This was accomplished without benefit of a program, but due to the tenacity and hard work of Ray DeBord and Larry Dyess.

In 1969 Friona somehow or basketball coach in Ray DeBord. Ray worked as hard as anyone I have ever known in football and personally I think he is due much of the credit for any success we had in football during his tenure. At the same time he quietly began

to try to build a basketball program. As he began to have a little success in his program, jealous personalities began to try to close doors on him. Ray DeBord was one in a million in many ways and when someone closed a door on him he just simply tried another door.

He refused to be intimidated and quietly went about his business of building a basketball program without the help of the administration or athletic director. It has been hinted out of the side of mouths that much of his basketball success came at the expense of football. This is just simply not true. If you want to look at the 10 year 4-6 record with Dimmitt; during DeBord's five years as defensive coach. We were 3-2 with Dimmitt in football.

After five years of service in F.H.S., many hours spent with kids in the gym and in his home, Ray took his team to state and came out runner-up to Bowie. Many of us knew that he would have offers from larger schools but felt like our school would try to keep him if at all possible. After he had visited Hurst-Bell and received a good offer for advancement, he still would have liked to stay in Friona for numerous reasons. Upon a visit with the administration, he was told, "Friona doesn't have an incentive program." I know for a fact that for \$500.00 a year and a kind word we could have kept one of the finest basketball coaches and men in the state of Texas.

Even the "Football is King" mania has led to the gradual erosion of our girls' program in the last 10 years. Mel Williams, whose record in three years here compared to that of Baker Duggins, was fired in his third year. After he had been state runner-up and after he had tied for district with Floydada and was preparing for the playoff he was told he was fired. The only reason he was ever given was that he didn't communicate with the football staff.

F.G. Crofford, one of the top girls' coaches in the state, was hired to replace Mel Williams. He was hired with no football duties and was allowed to assist with Junior High girls basketball. After eight years of keeping the girls' program on a high plane, starting one of the first girls' track programs in the state, suddenly it became necessary that he be re-assigned to the football program. He simply did what anyone else would have done. He took a job that appealed to him at a much higher salary.

So now Larry Dyess, another basketball coach, has resigned. His is much the same story as the others—lack of a program and promise of even less. Seems that anyone who speaks out for any sort of basketball program had better move on. I know for a fact that of the five head (3 boys-2 girls) basketball coaches who have left in the past 10 years, most have left because of clashes with football coaches, lack of a program or a salary not in line with other head coaches in our district.

One doesn't need to have a crystal ball to see now where our basketball programs are headed. We will hire the best football coach available to replace Coach Dyess. He will be assigned to

displeasure, and we will continue to smile and pat people on the back and say, "We sure want a well-rounded program." Yes, we want a well-rounded program, as long as it is pointed on both ends and shaped like a football. Why

don't we be honest like Olton and simply say that we aren't interested in anything but football.

It is hard for me to believe that our school board will continue to let us keep a program that was good enough 30 years ago, but will not fit under present conditions unless we are content to be mixed in mediocrity.

I wonder if our School Board is content to see our basketball teams continue to be victims of an unrealistic program. If we can't change with the times, then we are not giving our kids a chance to win but a small percentage of their games. Probably in 1976 Friona and Olton will be the only ones in our district without such a realistic program. If you don't have an equal opportunity to develop your skills and win, why even play?

I don't think there is any way that the School Board could justify the lack of a program in basketball when we go all out in football. Why don't we simply tell the 10 to 20 kids involved that they are second-class? At least Coach Phillips was honest with the kids in telling them that they weren't Chieftains unless they played football. What can we honestly tell Jeff Whiteside, John Jarecki, Sandy Peters, Mark Neill, Mike Hutson and others who would choose to spend their time and effort to develop their basketball skills instead of spending their time in football, which they dislike or maybe don't like enough to sacrifice anything in basketball?

What can we honestly tell boys like Lawrence Fithen, Ky Graham, Leslie White, Phillip Veazey, Roger Coffey, Fred Garza and others that might never excel at football but would like to work to excel in a sport that they would enjoy and possibly have a chance to play? Ken Cleveland would take a group of boys like those (only one who has played any varsity football), and win with them just as he has in Dimmitt if he had opportunity to work with them 45 minutes a day the year around.

Can the School Board justify sending 10-15 kids like the above to a P.E. class or to a football-related weight program that possibly could reduce their skills in basketball instead of increasing it? If we have to have a program of this sort to satisfy a football coach's ego, let's not try to camouflage it but tell it like it is.

I had been under the impression that our athletic programs were for the kids. It would appear that this is not any longer true, but instead for benefit of football coaches.

The band has one period each day to develop their skills so they might compete with other schools. Girls' basketball has one period each day the year around. It seems that the only second class students are those boys that choose to compete in basketball and not football. What does this make the young man who chooses to participate in band only or who chooses to participate in neither band or athletics?

I don't feel the situation in Friona will ever change until enough people demand it. If we are satisfied with mediocrity, then this is what we have with our modern 1935 model program. If we aren't willing to give our kids a 1976 program and a fair chance to win, why compete at all? Football is King—long live the King!

## Final Meeting

The Black Study Club met Thursday, May 20 in the home of Mrs. Gene Welch.

After the covered dish luncheon, Mrs. Cliff Allmon read several humorous poems and articles for the opening exercise. Roll call was answered with "Summer Plans."

A white elephant auction was held with Lois Weatherly as auctioneer.

This was the last meeting of the group until September.

Mrs. Harry Lookingbill was a guest. The following members were present: Mrs. Gene Welch, Mrs. Cliff Allmon, Mrs. T.A. Kelley, Mrs. Bill Carthel, Mrs. Helen Fangman, Mrs. Lois Weatherly, Mrs. Emma Elmore, Mrs. Ethel Benger, Mrs. Ellis Tatum, Mrs. Travis Stone, Mrs. T.J. Presley, Mrs. Tommy Tatum, Mrs. Dick Rocky, Mrs. Troy White and Mrs. Roscoe Ivie.

### BICENTENNIAL CHOIR TO MEET SUNDAY

The Bicentennial choir will meet Sunday, May 30 at the Community Center, to practice the musical cantata, "I Love America."

All members are urged to attend the session.

## Social Events

The Friona Woman's Club met for their final meeting of the year at the Federated Club House Wednesday, May 26, featuring a covered dish luncheon.

The invocation was given by Ann Shackelford. The program was entitled "Free-Farewell Till Fall." Roll call was answered with "What I have enjoyed and benefits received most in our club this year."

Following committee reports, Mrs. Martha Russell directed an impressive installation service. As the president was installed she lighted a large central candle.

As other officers were informed of their duties, each lit a smaller candle which was placed in a circle around the central candle. Each candle was decorated with a yellow rose, the club flower.

Officers installed were: Luella Maurer, president; Carrie Tatum, vice president; Fern White, secretary; Addie Moyer, treasurer; Ann Shackelford, parliamentarian; and Ethel Benger, reporter.

Mrs. Maurer appointed her committees for the coming year.

The meeting was closed by repeating the club collect and singing "God be with you till we meet again."

Those attending the meeting were Bessie Boatman, Ethel Benger, Mary Dixon, Luella Maurer, Lillian McLellan, Addie Moyer, Martha Russell, Ann Shackelford, Carrie Tatum, Fern White, Vela Wood and one guest, Katie Osborn.

## Zetsche Winner Of DeKalb Ag Award

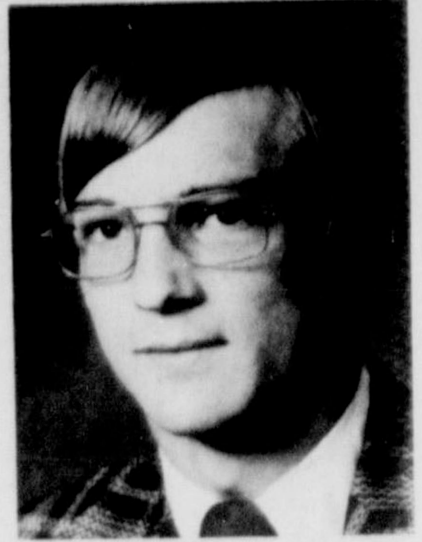

Bobby Zetsche, son of Mr. and Mrs. Robert Zetsche of Friona, Texas, was recently named winner of the 1976 DeKalb Agricultural Accomplishment Award. The award, sponsored by DeKalb AgResearch, Inc., is presented to the outstanding senior in vocational agriculture departments around the country. He was chosen for the award on the basis of his scholarship, leadership and supervised farming program.

Bobby attended Friona High School, where he has been FFA Chapter Secretary, a member of the state champion skill team, outstanding senior in the vocational agriculture department, Big-T

Pump award scholarship winner, earned the FFA State Farmer Degree, and president of the Student Faculty Congress as well as participating in football and track. His agriculture program consists of corn and beef cattle production.

Following graduation, Bobby plans to attend Texas Tech University and major in agriculture.

As this year's DeKalb Accomplishments Award winner, Bobby will receive a gold engraved certificate and medal. DeKalb is a leading supplier of hybrid seeds, poultry and swine breeding stock and livestock marketing services.

## Rites Held At OL For Fred Kepley

Funeral services for Fred Kepley, 88, of the Oklahoma Lane Community were held Tuesday afternoon in the OL United Methodist Church with Rev. Oren Smith, pastor, officiating. Masonic graveside rites were conducted at the Bailey County Memorial Park under direction of Parsons-Ellis Funeral Home of Friona.

Mr. Kepley, a 56-year resident of Oklahoma Lane, died at 11 a.m. Sunday in High Plains Baptist Hospital at Amarillo following a brief illness.

He was a member of the Masonic Lodge in Bovina and had served on the school board of the old Oklahoma Lane School. He was a past director of the Federal Land Bank.

Survivors include his wife, Cora; three daughters, Mrs. Ora Smith of Clovis, Mrs. Bonnie Jean Paine of Farwell and Mrs. Gloria Herrington of Muleshoe; a step-daughter, Mrs. Laverne Long of Riverside, Calif.; two step-sons, Tom Paine of Bovina and Turner Paine of Farwell; 19 grandchildren and 19 great-grandchildren.

## Services Conducted For A. H. Hadley

Funeral services were held for Albertis H. Hadley, 78, at 2 p.m. Thursday, May 27 at the Tenth Street Church of Christ.

Hadley died Tuesday, May 25, at Parmer County Community Hospital.

Officiating at the services were Leland Hutson and Lowell Savage. Burial was in Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Hadley was born March 30, 1898 in Paris, Texas. He was married to Ida Cannon on January 21, 1920 in Wellington. Hadley was a retired farmer. He had been a resident of Friona for 51 years, and had been a member of the Church of Christ for 52 years.

Survivors included his wife, Ida, six daughters, Mrs. Leo Bails of Friona, Mrs. C.B. Hanson of

Athens; Mrs. Butch Freeman of Hereford; Mrs. Alfred Beavers of Friona; Mrs. Wendell Sikes of Bovina and Mrs. Thomas Shoemaker of Friona, and one son, Roy Lee Hadley of Dimmitt.

Two sisters also survive, Mrs. Gib Trigg of Friona and Mrs. L.D. Cannon of Muleshoe, and three brothers, Raymond and Hiram Hadley of Childress and Carl of Friona.

Also surviving are 23 grandchildren and 17 great-grandchildren.

People were so afraid to fly in airplanes, probably feeling they were "agin nature," that it took the Wright brothers five years to get a customer to ride in one of their planes.

GRADUATES...Sally Stevick, who has been a student in Mary Bavousett's special education class, was feted with a graduation party on Tuesday of this week, having completed the course. Sally is seated at her desk, and standing (l to r) are Mary Maddox, Cecil Maddox, Tom Jarboe and Mary Bavousett.

### Progressive Study Club Elects New Officers

The Progressive Study Club met for an indoor picnic on Tuesday, May 25 at the Federated Club House. The picnic dinner was complete with ants and weeds. The invocation was given by Betty Mabry.

Ways and means and projects for the coming year were discussed and then a vote was taken. Betty Mabry, outgoing president, instructed new officers to follow the string to find what their duties would be.

New officers installed to serve a two year term were: Maxine Loafman, president; Wahleah Beck, vice president; Jeannette Maurer, secretary; Margaret Phipps, treasurer; Lois Norwood, reporter and Lunell Horton, parliamentarian.

Maxine Loafman, the new

president, in rhyme then appointed standing committees.

The committees are: Program--Ann Osborn, chairman, Mary Reed and Lois Norwood; Finance--Wahleah Beck, chairman, Mary Bavousett, Margaret Phipps and Roxanna Hurst; Social--Betty Mabry, chairman, Lunell Horton and Billie Manuel; Community Service--Jeannette Maurer, chairman, Nancy Edelman, Martha Garner and Linda Warren; Membership and Clubhouse--Mary Echols; and Lions--Johnnie Walters.

Roxanna Hurst was recognized as a new member. Nancy Edelman, Margaret Phipps and Wahleah Beck were hostesses for the evening. There were sixteen members present.

## Judy Hart Ends WT Twirling Career

Judy Hart, who's been twirling "almost as long as I can remember," ended her performance career this May as the head twirler at West Texas State University.

"I'm going to miss not being able to perform any more," she says, but that doesn't mean she's going to give up twirling.

Mrs. Hart plans to continue teaching private lessons, judge high school lines and work on her license with the National Baton Twirling Association.

"I also hope to teach music," the saxophone player says, after she earns her Bachelor of Music Education degree in July from West Texas State.

Mrs. Hart was named Outstanding WT Bandswoman this year, and has the highest grade point average of a graduating senior in the Music Department.

She was on the WT twirling line for three years, the last year as head twirler for which she received a \$200 scholarship.

Her duties as head twirler were to "decide practice times, what to wear, answer questions and work with Dr. Gary Garner, the WTSU band director."

The twirlers perform at seven football games, 15 basketball games and the pep rallies each year.

It takes them "a couple of hours" to work up each routine, Mrs. Hart notes.

During the year she has traveled the Panhandle judging high school twirling lines, and she is now preparing to teach at the WTSU Band Camp.

What she looks for in a twirler is "the combination of looking good and working well in the line," she says.

She and her husband Gordon both attended West Texas State "because of the reputation of the Music

Department and of Dr. Garner."

Mr. Hart is now director of the Friona Junior High School bands.

Mrs. Hart is the daughter of Mr. and Mrs. Stanley Knight of 721 Silver Creek Road, Azle.

CINDA JOHNSON, daughter of Mr. and Mrs. Leroy Johnson, was named on the Dean's Honor Roll at Texas Tech University in Lubbock for the spring semester. Miss Johnson maintained a 3.2 grade point average. She is a double major in journalism and journalism education and a minor in English and is classified as a junior as she goes back to school this summer.

ENDS CAREER....Judy Hart, last year's head twirler for the WT twirling line, ended her performance career this May. She plans to teach private lessons and judge high school lines. Mrs. Hart was named Outstanding WT Bands-

woman this year, and attained the highest grade point average of a graduating senior in the Music Department. Her husband, Gordon, is director of the Friona Junior High School bands.

### Church Sets Bible School

The Calvary Baptist Church, located on North Cleveland Avenue, will hold its annual Vacation Bible School May 31 through June 4.

All children ages three years through eighth grade are invited to attend the three-hour sessions each day from 8:30 to 11:30 a.m.

Those needing transportation are asked to call Mrs. Herman Nibert at 247-3163.

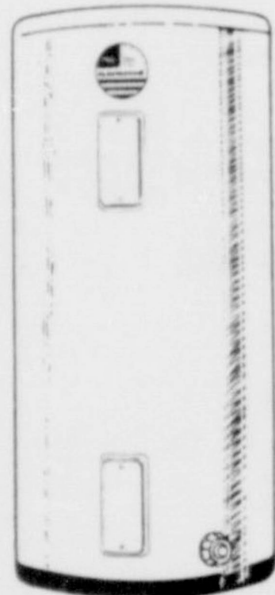

### Frionans Attend Operator's School

Twelve persons from Hereford and Friona attended a Swimming Pool Operator's School on Monday, May 24, held at the Hereford Community Center.

The school was sponsored by the Environmental Engineering Division of the Region I office of the Texas Department of Health

Resources in Canyon. The purpose of the school was to instruct swimming pool operators in the principles of proper pool operations.

Those persons receiving certificates of attendance from Friona were Arley Outland, Archie Hollis, Jerry Shelton and B.E. Duggins.

JON NEWTON BELIEVES:

"Texans are going to get a handle on rising utility costs only when we reject phony political promises and attack the problem both here and in Washington."

LEADING JOURNALISTS AGREE:

"The public will expect and demand of the commission a performance more judicious and exacting than ever before in its 85-year history. Of all the candidates in this important race, we believe Jon Newton is best qualified to meet the needs of this new day for the commission." Dallas Morning News, April 19, 1976.

"Jon Newton is an unusually well-qualified candidate for this office which today is of tremendous and growing importance to our state and nation." Kilgore News Herald, April 18, 1976.

"He has worked successfully for consumer and environmental causes, he is for a realistic and wise use of our state's resources and he has spoken out in federal forums for adequate energy policies." Port Arthur News, April 20, 1976.

"If a voter wants to do something about solving energy and transportation problems, one effective way would be to vote for Jon Newton for Texas Railroad Commission." Houston Chronicle, Feb. 15, 1976.

"Newton talks common sense on energy and is ready to go to bat for all Texans... (his) views are sound, his goals admirable and his qualifications superior." Victoria Advocate, Feb. 15, 1976.

"We need men like Jon in every capacity in state government." Beeville Bee-Picayune, Jan. 19, 1976.

"Ask Jon Newton' is becoming the byword around the Capitol when it comes to energy and utility regulations." Houston Post political column, Feb. 15, 1975.

Mrs. Freddie Lindeman of Abilene visited in Friona last week. Mrs. Lindeman is the former Pauletta Hughes. Her grandparents, Mr. and Mrs. Leonard Gosner and Mrs. Vivian Hughes, all live here.

A few years ago Mrs. Aubrey Rhodes and members of her third grade class entered a scrapbook in the American Freedom Foundation competition and won the George Washington honor medal for first place.

About a dozen of the students who worked on the scrapbook, which was entitled "We Love America," met in the Rhodes home Thursday evening.

"We Love America" has been returned to Friona after being on display in several states. Students assembling in the Rhodes home reviewed the book and were served sandwiches, cookies and cold drinks. Decorations and refreshments were in red, white and blue.

These students are now seventh graders. "We Love America" is on display in the Elementary School Library.

Mr. and Mrs. H.A. Hyde had two of their grandsons visiting in their home last week. Max Kimbrough, who attends a Baptist college in Springfield, Missouri, picked his brother, Kip, who attends college in Little Rock, Arkansas up and the two drove to Friona together.

They also visited their paternal grandmother, Mrs. Ima Kimbrough in Clovis, before going to Albuquerque to visit in the home of Mr. and Mrs. John Sandoval and baby in Albuquerque.

Then the Kimbroughs all went to Vernal, Utah, to visit their parents, Rev. and Mrs. Don Kimbrough, and to attend the high school graduation of their youngest brother, Chris.

The other brother, Tip, left his studies at a college in Logan, Utah, long enough to join the rest of the family.

Chris plans to attend Oklahoma Baptist University at Shawnee, Oklahoma this fall.

Mrs. Kimbrough is the former Eva Dean Hyde.

Mr. and Mrs. John Blackburn are home. They have been to Sylacauga, Alabama to visit Mrs. Blackburn's mother, Mrs. L.E. Price and sister, Mrs. Jimmy Taylor.

They also visited in the home of Craig and Brenda Howard and daughter, Cara, in Bossier City, Louisiana.

Clifford and Connie Boatman of Oklahoma City have been visiting in the homes of Mrs. A.O. Boatman, Mrs. Lillian McLellan and Gib and Dot Boatman.

They returned to their home Monday.

Ray and Jean Murphree of Tucumcari were greeting friends in Friona one day last week. Ray looked different to those of us who grew accustomed to seeing him in a Texaco uniform.

However, with his same sunny smile he looked good in the John Deere uniform.

They were looking forward to having their daughter, Ginger, who is employed by a legal firm in San Antonio, home for the Memorial Day weekend.

Phyllis Murphree and little daughter of Wichita Falls have also been here. Think their visit was not really planned. The water got pretty deep in parts of Wichita Falls recently and Gary and Phyllis had some water damage inside their home.

A reception is being planned for Joe and Ibbey Lewellen, who will be observing their Silver Wedding Anniversary Sunday, June 6.

The couple will be honored from 2 to 4 p.m. in their home at 1504 Jackson.

Hosting the reception will be Mr. and Mrs. Tom Lewellen, Mr. and Mrs. T.A. Kelley and Mr. and Mrs. Delton Lewellen.

Mrs. James Procter and two of her grandchildren, Jeff and Jenny, spent several days last week visiting in the home of her parents, Mr. and Mrs. J.O. Peterson, at Lamesa.

Two of our grandchildren, Jason and Sarah Floyd, who live at Elkhart, Kansas, were here last weekend. Their parents, Gerald and Jana, came with them, of course.

"Spirit Of America Singers"

## Wayland Singing Group To Tour Holy Lands

The "Spirit of America Singers" from Wayland Baptist College, will be featured as entertainment onboard a luxury liner on the invitation of Dr. David Meier of Meier International Study League Inc. for six weeks beginning June 5. They will tour the Holy Lands and four Greek islands.

Carolyn Murphree of Friona is a member of the group. She is the daughter of Mr. and Mrs. Curtis Murphree of Friona.

This group, directed by Dr. O.J. Bryson, chairman of the Department of Music, has just returned from a two week tour of Europe with the Concert Choir where they gave concerts in seven different countries.

Memorial Day weekend 1975, the "Spirit of America Singers" were showcased as entertainment at Disneyland in California. In each of their performances they sing a variety of music, including pop, religious, patriotic and country-western.

KATHY McLEAN

## Kathy McLean Earns Degree

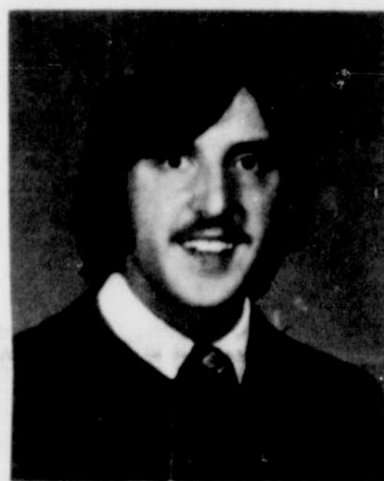

### From MWSU

Midwestern State University has approximately 575 students who are candidates for degrees during the May 22 commencement exercises including conferral to graduates in August, 1975 and December, 1975.

Kathleen McLean graduated cum laude with a B.S.E. degree in speech and hearing in all levels of education. She is the daughter of Pearl McLean of Friona.

## Former Student Earns High Academic Honors

Troy Messenger, valedictorian of his eighth grade class at Friona High School in 1972, was recently named salutatorian at Amarillo High School in Amarillo. Messenger maintained a 98.9 average for the last four years to gain this position as second in a graduating class of 617.

TROY MESSENGER

Messenger, son of Mr. and Mrs. Steve Messenger of Amarillo, has been very active during his high school years. He is a member of the Amarillo High School band, orchestra, stage band, chamber orchestra, and a pop choral group known as the New Sound Singers. Messenger is also a member of the National Honor Society, Ken Club and was president of the Latin Club his sophomore year. The salutatorian was editor of the school paper his senior year and editor-in-chief of the yearbook. He won first place at Panhandle High School Press Association meet and Texas High School Press Association meet his junior year with an editorial. He was also winner of an Achievement Award in Writing sponsored by the National Council of Teachers of English.

In music, he was an all-state orchestra member for the last two years and first chair all-region band throughout high school. The salutatorian has received 23 first division ratings for solos and ensembles including an oboe solo in 1975 at the Greater Southwest Music Festival where he was named "Outstanding Soloist." Messenger was also named "Outstanding Band Member" and "Best Marcher" during both his junior and senior years.

The salutatorian plans to attend the University of Miami at Coral Gables, Florida and study music.

LaGayla Self and Becky G. Walker, both of Friona, were named to the Dean's Honor List at South Plains for the spring 1976 semester. Miss Self was on the list for maintaining an All A average.

## Library Report

RINGNECK! Pheasants and Pheasant Hunting, by E. C. Janes is available at Friona Public Library.

A thorough guide to America's most popular game bird, is a book for pheasant hunters east and west.

There is special emphasis on pheasant cover: how to recognize it, how to read it, and how to hunt it. There is full treatment of pheasant shotguns and loads, and an evaluation of bird dogs, breed by breed. A whole chapter is devoted to the hunting clothes and accessories that help make pheasant hunting more comfortable and more enjoyable.

Author Ted Janes also passes on the pheasant shooting tips he has learned in the field in the company of some of the best wing-shooters in the country.

Included is a guide to caring for the birds in the field and preparing them for the table at home, including more than twenty recipes from gourmet pheasant to barbecued pheasant.

## C. Harper Attends Banking School

Charlene Harper, Executive Secretary of Friona State Bank, Friona, is attending the Third Annual Intermediate School of Banking sponsored by the College of Business Administration at Texas Tech University, May 23-28.

The major objective of the school is to develop knowledgeable and professional banking employees and acquaint newer bank employees with the scope of operations and problems in the banking industry. It will also serve as a review for employees who have served in one particular area of banking operations for several

years and who need to be updated on recent developments.

Representatives of 72 banks from Texas and New Mexico are participating in the week-long program.

Besides the College of Business Administration, Texas Tech has five other colleges—Agricultural Sciences, Arts and Sciences, Education, Engineering and Home Economics. These colleges and the two schools, the Graduate School and School of Law, have a total enrollment of more than 22,000 students.

Offices - MULESHOE - FARWELL - FRIONA - LITTLEFIELD

DON AND WANDA HARMON

Welcome to the world of TRI-COUNTY SAVINGS and LOAN ASSOCIATION and our two new locations in Farwell and Littlefield. It is indeed a proud feeling to see a dream come true, to know that our Association is filling a need in these two progressive communities.

We feel that we have provided two excellent facilities for the citizens of these two areas not to mention our already established quarters in Muleshoe and Friona. Our building in Littlefield has a very spacious and comfortable community room and we invite you and your various civic and local groups to take advantage of it. We also have a drive-up window at Littlefield to help expedite your business transactions. Both of the new locations offer the most modern up-to-date Savings and Loan buildings in the area.

Open House will be in Littlefield on Saturday, June 5th from 10 A.M. until 4 P.M. and in Farwell on Sunday, June 6th from 2 P.M. until 5 P.M. We hope that you will attend. There will be free gifts for you and a drawing for three hundred dollars CASH at each location for those attending and registering during Open House hours.

We will look forward to seeing you all at one of the locations on the 5th and 6th and in the meantime we want you to realize that these two new facilities and TRI-COUNTY SAVINGS and LOAN are JUST FOR YOU!

# HOME OFFICE - MULESHOE

**DON HARMON**

President and Chairman of the Board of Tri-County Savings and Loan Association, Don is active in local and civic affairs as well as State and National Savings and Loan functions.

**SECRETARIES AND TELLERS**

Seated left to right - Sandy Bass, Nita Coppedge and Donna Evetts.

Standing left to right - Phyllis Phillips, Loretta Lloyd, Elaine Burgess and Wanda Harmon.

Always able to give you a friendly smile and any assistance you might need in transacting your business.

**MIKE JESTER**

Mike is a Loan Officer at both the Muleshoe and Farwell offices, ready, willing and able to serve your financial needs.

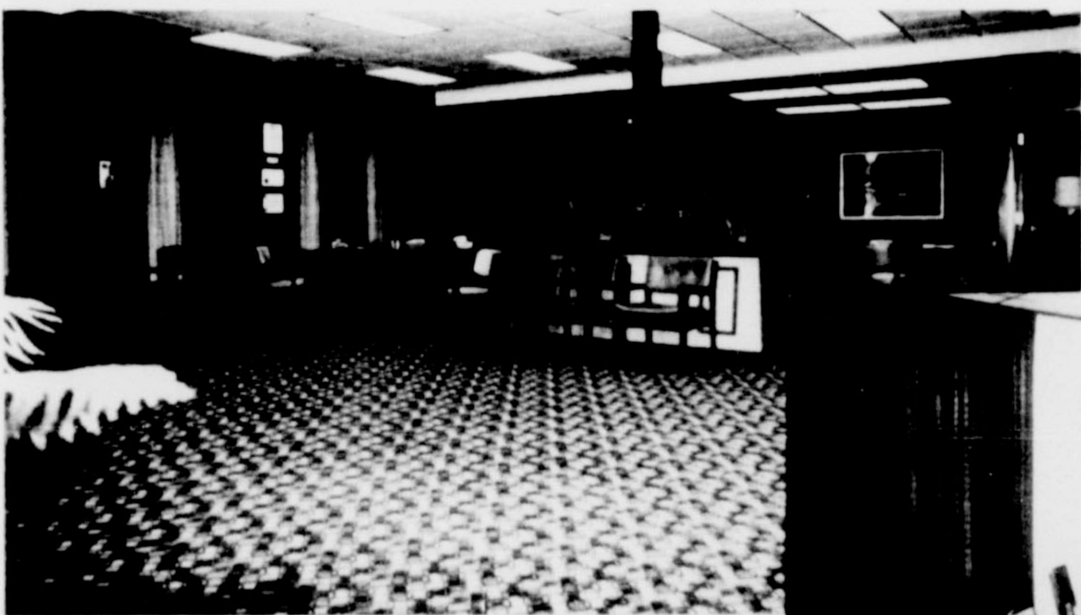

**TRI-COUNTY SAVINGS AND LOAN ASSOCIATION'S HOME OFFICE**

**ANDY DOUGLASS**

Loan Officer with full time duties here at the Muleshoe offices.

**SPACIOUS LOBBY**

Our lobby is large, well lighted and above all, warm and cordial, with ample seating for those waiting to see one of our loan officers. Private conference offices assure you that your business is being discussed in strict confidence.

The Community Room is there JUST FOR YOU, church groups, bridge clubs, civic clubs, receptions or what have you, it's yours to use. Feel free to inquire about it, call us for further particulars.

LARGE LOBBY AND PRIVATE OFFICE

We made our Farwell office as efficient as possible, but still very informal. We want you to come in, sit a spell, have a cup of good coffee and feel right at home. Our lobby is large and the coffee room affords a special conference room if the need arises. Of course there is a private loan office so that all business can be discussed in private.

What it boils down to is that we built it JUST FOR YOU!
