

BIG SPRING AND VICINITY: Partly cloudy and a little warmer this afternoon becoming cloudy with a chance of light snow tonight or early Saturday. High today 45; Low tonight 25; High tomorrow 45.

Table with 2 columns: Page, Content. Includes Church News, Comics, Dear Abby, Editorials, Oil News, Sports, TV Log, Women's News.

SURFACE VARIED, AS ON EARTH AND MOON

Radar Scans Mars

PASADENA, Calif. (AP)—Scientists say they established first radar contact with the planet Mars by transmitting a 25-billion watt signal.

21 from the Goldstone Tracking Station in the California desert. The announcement was delayed to permit time for data analysis.

Betancourt Says Hijacking World Problem

NEW YORK (AP)—Venezuelan President Romulo Betancourt, nearing the end of a four-day visit in this country, says the hijacking of a Venezuelan freighter by pro-Castro forces was a worldwide problem.

He declined to say, however, whether he will appeal either to the United Nations Security Council or the World Court if Brazil refuses to hand over the hijackers.

Betancourt, who came here Thursday after conferring with President Kennedy in Washington, faced a busy schedule today—his 55th birthday.

Venezuelan newsmen planned a birthday party and the presentation to Betancourt of a dog to replace a pet that died some months ago.

Betancourt planned to place a wreath at the Central Park statue of Latin-American liberator Simon Bolivar, and make a helicopter flight to Tarrytown, N.Y., for luncheon with Gov. Nelson A. Rockefeller at the governor's estate.

The Venezuelan president goes to Miami, Fla., tonight, and Saturday goes on to Mexico City. Police there are keeping a close watch on restless leftists to head off any demonstration that might mar his visit.

Balloon Launch Set Again Today

PALESTINE (AP)—The launching of a huge balloon carrying instruments to study the planet Mars has been reset for 4 p.m. today.

Weather and equipment difficulties have forced the postponement of 12 previously scheduled launches but scientists said this morning that conditions appeared to be excellent for the launching later today.

The balloon will carry 6,000 pounds of scientific equipment, including a large telescope and sensing and transmitting devices. It is expected to rise to 80,000 feet for a clearer view of Mars.

Cold Holds Tight Grip On The East

Winter's latest siege of severe cold weather held a tight grip across most of the eastern two-thirds of the nation today, with no immediate general break in sight.

The unseasonable cold covered most of the Southeast, excluding Florida, and numbed wide areas from the Rockies to New England.

Temperatures ranged from 33 below zero in Michigan to slightly below zero in Kentucky as the arctic air spread from the winter-weary Midwest eastward and deep into Dixie.

Jury Rules For Long, Ires Judge

Slant Suit Verdict Rapped, To Be Ousted

HENDERSON (AP)—A jury returned four verdicts today in favor of H. L. Long, sued by Humble Oil for \$475,000 damages in a slant oil well trial, but Dist. Judge A. Royce Stout angrily set aside the decisions.

"This is a miscarriage of justice," the Waxahachie jurist said, banging his gavel. He declared he would set aside the verdict on his own motion. Humble, joined by Texaco, sued Long for damages alleging he siphoned oil from under their leases near New London with slanted wells.

Lawyers for Long, a Tyler operator, and other defendants said they would file at once a motion for a judgment. They said if Judge Stout refused it, they would enter mandamus proceedings against him. The case was divided into four sections, and six wells were involved in each.

Herschel Christian, the foreman, informed Judge Stout at 10:30 a.m. that the jury was voting 11-1, but he did not say whether the vote was for Humble Oil and Texaco, the complainants, or Long.

Stout told the jurors "You have made remarkable progress." He sent them back for more study three minutes after they appeared in court.

A doctor took 12 prescriptions of medicine to the jury room during the morning. One report was that the influenza epidemic had invaded the jury room.

The jury deliberated three hours before retiring Thursday night. Humble Oil, joined by Texaco, alleged that Long deviated wells on the Long-Mary Smith A and B leases in Rusk County to siphon oil from nearby Humble leases.

Judge Stout divided his charge to the jury into five parts. Parts 1-4 asked whether Long intentionally deviated four wells. Judge Stout said the jury must also decide how many barrels of oil were taken if they find that the wells were knowingly deviated.

Part 5 asked the jury to set the amount of exemplary damages if damages are ordered.

Other defendants are lease or mortgage holders. They include the Southwestern Life Insurance Co., Valley Roy & Corp., Republic National Bank of Dallas, the Jack Potter estate of Dallas, Long trustees and Harry Caserta of Tyler.

The nine pro-Communist terrorists, who seized the freighter at sea Feb. 12 and sailed her to Brazil, were held incommunicado at a naval base here, with free run of the officers' quarters.

The hijackers have requested political asylum in Brazil.

The hijackers' members of a Venezuelan terrorist organization, seized the ship to discredit President Romulo Betancourt's anti-Communist government. Betancourt brushed off attempts to turn the hijacking into a sign of government weakness and left for talks with President Kennedy in Washington.

Several hours after Kennedy uttered the warning at a news conference, the Cuban government "rejected and denied categorically" the charge that its jets poured rocket fire near the Florida Straits Wednesday afternoon.

CASTRO'S VIEW And Prime Minister Fidel Castro was expected to have something to say about it in a televised address tonight.

Once before, when a U2 was shot down at the peak of the Cuban crisis last fall, a stern U.S. warning apparently deterred any more anti-aircraft missile firings on U.S. reconnaissance planes operating over Cuba.

Congressional critics were not stilled by Kennedy's orders that "all necessary action" be taken by the military forces to prevent any more attacks like the strafing of the helpless shrimp boat.

Several suggested the incident discredited the administration's contention that the Soviet-built MIGs are in Cuba for defensive, rather than offensive operations against the United States. Kennedy said he saw no reason to change his view.

Kennedy said he had instructed the Pentagon to make "any necessary revisions in standing orders so as to insure that action will be taken against any vessel or aircraft" which strikes at an

Auto, Train In Collision; Injuries Minor

STANTON — Two young Latin-Americans escaped with relatively minor injuries last night when the car in which they were riding was involved in a wreck with a Texas & Pacific west-bound freight train at a Stanton intersection.

The injured men, who are in the Physician's Hospital and Clinic, were identified as Santos Villa, 25, and Cleeto Montez, 24. The hospital reported their injuries were cuts and bruises with no broken bones.

Dan Saunders, sheriff, said Stanton police investigated the case. He said it occurred about 7:45 p.m. at the intersection of IS 20 and Beaugard Street at the point where Beaugard crosses the T&P lines.

The freight, with C. B. Sullivan, Big Spring, as engineer, was not damaged seriously by the collision but the car in which the two men were riding was demolished. The train proceeded to El Paso, T&P officials in Big Spring reported.

Villa and Montez are residents of Martin County.

Lamesa Man Dies In Idaho Truck Wreck

HAGGERMAN, Idaho (AP)—A Lamesa, Tex., man was killed early today when a truck loaded with apples piled up in a ditch beside the highway in south-central Idaho.

Police identified him as A. D. Hallford, 36. John Bailey, 29, also of Lamesa, escaped injury.

Hallford was driving and Bailey was asleep in the sleeper of the big freight rig.

Hallford was thrown out and the truck landed on him. Bailey said he believed a weld broke on the king pin plate which holds the trailer to the tractor. Officers said it appeared to them the driver had missed a curve.

Bailey said he owned the tractor, but the trailer belonged to Intercoast Truck Lines.

The men were taking a cargo of apples from Tonaset, Wash., to Texas.

Vaccinations Urged As Flu Spreads

Influenza cases in the United States continue to increase and medical authorities are urging vaccinations to combat the spreading outbreaks.

The Communicable Disease Center of the U.S. Public Health Service said today information compiled weekly from its 108 reporting cities across the nation show 759 pneumonia-influenza deaths through the week ending Feb. 16. That is 54 deaths over the previous week.

Laredo Readies Holiday Events

LAREDO (AP)—Nineteen girls from seven cities in Texas and Mexico make their debuts tonight as part of the 66th George Washington's Birthday celebration.

HUNDREDS ARE KILLED IN QUAKES

Aid Is Rushed To Stricken Libyan City; 500 Are Dead

BENGHAZI, Libya (AP)—A series of three shattering earthquakes left more than four-fifths of the coastal town of Al Marj in ruins today and hundreds were believed dead or injured.

Radio Libya put casualties at 250 dead and 100 injured. A U.S. Air Force spokesman said unconfirmed reports indicated 500 were killed and 1,000 injured. The Air Force sent 11 air transports loaded with relief supplies from its base near Tripoli.

Most of the casualties apparently came in the first shock Thursday afternoon. Two more quakes struck this morning as rescue work was in full swing.

Hospitals in Al Marj (Barce) and Benghazi, 55 miles to the southwest, were filled with the injured.

Rescue workers dug through the debris for others feared trapped or killed. U.S. and British military forces and Libyan soldiers and police rushed food and tents to survivors.

The quakes centered in an area of 20 square miles in and around Al Marj, which has a population of 50,000.

The first shock struck at sundown Thursday as most persons were sitting down to their evening meals.

People fled into the streets. Buildings and houses toppled, trapping many in the ruins.

A second shock came at 7:30 a.m. as relief workers toiled in the ruins. The third came an hour and a half later.

British troops took charge of rescue operations after an appeal for help from local Libyan authorities.

British aid was flown from the Benghazi area and from Cyprus. A British-American control center was established in Al Marj. U.S. relief supplies were flown in from the Air Force's Wheelus base near Tripoli, 300 miles west of the quake area.

The Libyan government declared an emergency throughout the country. U.S. planes rushed medical personnel and supplies from the Air Force's Wheelus base near Tripoli, 300 miles west of the quake area. The first planes carried a field hospital, two surgeons, three other doctors and medical corpsmen able to parachute into the quake area.

British troops hurried to the scene with aid from their station at Benghazi, one of Libya's twin capitals 55 miles southwest of Al Marj. Libyan officials flew from Tripoli to supervise rescue operations.

It was North Africa's worst earthquake since the March 1960 quake which killed an estimated 12,000 in Agadir, Morocco.

Al Marj, a town of 10,000 also known as Barce, is near the top of the hump of Cyrenaica thrusting northward to the Mediterranean. It stands on a plateau 950 feet above sea level and is a resort, agricultural center and road and rail junction about 37,000 persons live in the area around the town.

The area was heavily contested during World War II. Like Benghazi, Al Marj changed hands several times in the battles between the Axis powers and the British 8th Army.

Mohammed Idriss, the king of Libya, lives at Benghazi rather than at the Italianized co-capital of Tripoli to the west, where Mussolini once centered his dream of empire.

Libya became independent in 1951. Chiefly a desert land, it was one of the world's poorest countries until engulfed by a recent oil boom expected to yield an annual income of \$120 million.

U.S. planes rushed medical personnel and supplies from the Air Force's Wheelus base near Tripoli, 300 miles west of the quake area.

Area Awards Are Given By Freedoms Foundation

VALLEY FORGE, Pa. (AP)—Forty-three citations of Texas individuals or groups were among awards made today by Freedoms Foundation for 1962 efforts towards better understanding of the American way of life.

The foundation gave George Washington Honor Medals or certificates to 863 persons, schools, organizations and business firms in all.

Texas awards included: Abilene—Abilene Christian College, medal in college campus category; KFMN radio, medal for program, "Festival of Freedom"; Edward Kirk, Box 712, Station ACC, certificate for public address, "The Way of the Eagle"; West Texas Utilities Co., medal for non-profit publication, Electric Times, and identical award to its editor, Jimmie Martin.

Galveston—Galveston Chamber of Commerce in community programs category; Lovensher Junior High School, certificate in school category.

Iowa Park—Mrs. Betty Donald, medal for essay, "My Freedoms and My Responsibilities"; Longview—Ellie Hopkins, medal for editorial, "This is America."

Lubbock—C. L. Kay, vice president for public services, Lubbock Christian College, medal for public address, "Freedom is on Trial"; Lubbock Christian College, \$100 and medal in college campus category; Lubbock public schools, medal in school category.

Midland—Dr. L. L. Morris, First Baptist Church, certificate for sermon, "One Nation Under God"; Plainview—Martha Ann Clay, Wayland Baptist College, certificate for editorial, "How I Can Help Preserve and Promote American Democracy"; Tyler—Dr. Walter Kerr, Freedom Leadership Award.

Angelo Bishop To Substitute

HOUSTON (AP)—The Most Rev. Thomas Drury, bishop of the San Angelo Roman Catholic Diocese, will substitute for the bishop of the Houston-Galveston Diocese at meetings next month.

The Most Rev. W. J. Noid, 63, bishop of the Southeast Texas Diocese since 1950, is recuperating from surgery.

The Rev. Bernard Ganter, secretary to Bishop Noid, said Bishop Drury will begin a 14-parish confirmation schedule in the Houston-Galveston area March 17.

Theatre Gives In

BALTIMORE, Md. (AP)—A Baltimore movie theater will open its doors to both Negroes and whites today as a result of six days of picketing by college students.

Blast Threat Empties Town

NORPHLET, Ark. (AP)—This south Arkansas town of 700 was evacuated today while firemen put out a fire that started from a train-truck collision and threatened to blow up a box car of ammonium nitrate.

The fire was out and the danger was reported over shortly before 10 a.m.

The Missouri Pacific train collided with a gasoline truck at 5:37 a.m. at an intersection in Norphlet's business district. The truck driver and two trainmen were slightly injured.

The engine and 12 cars derailed. Flames licked the box car loaded with the chemical.

Yellow smoke streamed from the ammonium nitrate car and railroad officials said the granular chemical was melting. Finally the bottom burned out of the box car and the load of nitrate fell on the tracks.

Railroad officials said the chemical is dangerous only when burning in a closed place where gas can build up into an explosion.

Missouri Pacific officials in Little Rock said most of the train's 74 cars were loaded with chemicals bound from the Monsanto Chemical Co. plant in nearby El Dorado.

Jet fighters Lay Down Warning Following Attack From Cuba

WASHINGTON (AP)—President Kennedy has laid down an unmistakable warning that U.S. firepower will blast any Cuban-based warships or planes that dare attack American vessels or aircraft.

But Kennedy indicated Thursday that, for the time being at least, American jet fighters and Navy aircraft will be restrained from chasing attackers back to Cuba to punish them.

If Wednesday's MIG strafing of a wallowing shrimp boat develops into a pattern of attacks, the President may then give the signal for "hot pursuit."

Several hours after Kennedy uttered the warning at a news conference, the Cuban government "rejected and denied categorically" the charge that its jets poured rocket fire near the Florida Straits Wednesday afternoon.

CASTRO'S VIEW And Prime Minister Fidel Castro was expected to have something to say about it in a televised address tonight.

First Rocket Part Completed

Workmen carefully move a 33-foot-diameter alloy Y-ring from the boring mill (background) after the intricate shaping operation was completed at the Michoud plant in New Orleans.

The ring is used to join fuel tanks and outer structure of the Saturn booster rocket and is the first part completed at the huge Louisiana plant.

# Kiwanians To Sponsor Circus

Big Spring Kiwanians will begin an intensive ticket selling campaign for the Kelly - Miller Circus which is being sponsored in Big Spring by the club. Jay Banks, general chairman of the circus committee, said that a block of tickets will be turned over to the club this weekend that the tickets will be issued to Kiwanian members to go on sale Monday.

The circus, billed as the second largest circus in the world, will play three performances here March 16 and 17. A matinee and evening performance is set for March 16 and a matinee performance will be offered March 17. Tickets for the show will be \$1.50 for adults.

Under its contract, the Kiwanis Club will receive a percentage of all tickets sold. Tickets sold by the Kiwanians will pay the club 50 per cent of their face. Funds from the project will go to the program the club has for underprivileged children.

# Church Class Held

STANTON (SC)—Churches participating in the Group Training School this week at the First Baptist Church included those from Garden City, Courtney, Tarzan, Lenoah, Knott, Lakeview and Stanton. Books were taught for all age groups and credit is given all who finish the course. The school began Monday and winds up today.

# Heart Sunday Plans Made, Saturday Show Benefits Fund

The Heart Fund gets into the act Saturday at the Ritz Theatre. Admission to the kids' show is a donation to the fund. Envelopes to contain donations to the current drive have been distributed in the elementary schools. Gandy's, which normally sponsors the show, is giving the time to the Heart Fund.

"A gift to the fund is not an absolute requirement for admission. Only the envelope is needed. However, we certainly hope everyone bringing an envelope will have a donation enclosed," Mrs. Tommy Hubbard said. Showtime is 9:30 a.m. The movie this Saturday is "Mystery Island."

Sunday the Heart Fund underwrites Wesley Hendricks, arrested Feb. 4 on a charge of failure to support his three young children, pleaded guilty to the charge today and was sentenced by Lee Porter, county judge, to serve 15 days in the county jail.

At the time of his arrest, Hendricks entered a not guilty plea and the court set his bond at \$500. Since Feb. 4 he has been unable to make bond. By pleading guilty today, he was given credit for the days he has been in jail—the 18 day sentence being matched by the 18 days he has been locked up. He has been released from custody.

The complaint recited that he had refused to support his three youngsters aged 5, 4 and 2 years respectively.

CARD OF THANKS  
We sincerely thank all of the kind friends and neighbors for the many courtesies, expressions of sympathy and beautiful floral tributes that were given at the passing of Fred Wesson.

The Marshall Family  
**WEATHER**  
NORTH CENTRAL TEXAS — Clear to light cloudy today and tomorrow. High 70, low 45. Windy Saturday. Not quite so cold in north today and tonight, and over area Saturday. Low tonight 25 to 30. High Saturday 44 to 54.

**RIVER Funeral Home**  
24 HOUR AMBULANCE SERVICE  
FUNERAL NOTICE: COURTNEY G. DAVIES passed away Tuesday, Feb. 19, 1963, 4 p.m., River Chapel, Interment in City Cemetery.

**Shower Of Dishes**  
Service for more than 50 persons has been provided for the Lakeview Branch YMCA through a shower sponsored by the Ada Bell Dement civic and arts group. The club donated 204 pieces and promoted donation of numerous other dishes, silverware and kitchen utensils. The "Wheat" design was selected. It is an open stock and any additions to the supply will be appreciated. James E. Smith Jr., branch manager, said. Putting up the dishes are, left to right, Mrs. Margaret Jones, head of the drive; Mrs. Mary Muse, president of Ada Bell Dement, and Daphne Smith.

Earlier Johnson, Schriever, and the congressmen visited the Ling-Temco - Vought plant in the Dallas area. Accompanying Johnson in an Air Force plane were Reps. Joe Pool of Dallas, Wright Patman of Texarkana, Graham Purcell of Wichita Falls, Bob Poage of Waco and Ray Roberts of McKinney.

# No Flu Cases Here - As Yet

Flu cases in Big Spring, according to a survey of local hospitals, has not increased noticeably so far this winter. A moderate number of patients are being treated in clinics but few patients are being admitted to the hospitals.

"We hope there will not be an increase in the number of bed patients because we don't have the beds for them now," a nurse at one hospital said. "So far as we can tell there have been no demands for admitting patients suffering from flu this year."

Another nurse said the number of patients so far this year was less than in previous years. An administrator said several out-patient cases were being treated in the clinic but that there was no increase in hospitalization.

**Local Salesman's Record Honored**  
Billy R. Watson, 1902 11th Place, was honored at a recent week-long sales convention sponsored by his company, Stanley Home Products, Inc. Westfield, Mass. in Washington, D.C. His sales record was highlighted at a recognition banquet attended by 600 other Stanley dealers and managers from all over the United States, including Puerto Rico.

# OIL REPORTS

**Howard, Garza Counties Gain Exploratory Tests**  
Two exploratory projects have been staked in the area. One seeks the Mississippian in Howard County and the other is slated to test the Golieta in Garza County.

In Howard County, Wilson Exploration Company, Fort Worth, has filed No. 1 J. T. Boyd as an 8,200-foot Mississippian test in the extreme northeastern part of the county. The location is in the Vincent (Canyon) pool, 2 1/4 miles northeast of Vincent and it spots C SW NW section 4-25. H&TC survey.

Suniland Oil Corporation et al, Fort Worth operator, has contracted No. 1 J. R. Wood to 4,400 feet in Garza County. Operator will check the Golieta about three miles south of Southland and 1 1/4 miles northwest of the Hackberry (Golieta) pool. It is three-fourths mile east of the Suniland pool in Lynn County and spots 467 feet from the south and 660 feet from the west lines of section 1,259, abstract 309, John H. Gibson survey.

**Finds Good Shows**  
Husky Oil Company No. 1 Les-

# Texas Space Center, Says Gen. Schriever

WACO (AP)—The people of Texas will play an important role in making the United States first in space development, Gen. Bernard Schriever said here Tuesday night.

The Air Force's top missile man spoke at the Waco Chamber of Commerce banquet, attended by 1,700 persons.

Earlier, an estimated 4,000 persons attended a reception for Vice President Lyndon Johnson and a group of Texas congressmen.

Schriever said Texas has been the scene of the first military flight more than half a century ago and he praised his alma mater, Texas A.M. College, for being the first college to offer courses in space flight engineering.

Johnson, who also spoke at the banquet, predicted the central location of the Waco area would enable it to make rapid growth as a result of the space installation developments in Texas.

**No Solution In Strike Plans**  
SAN FRANCISCO (AP)—Whether 11,000 Southern Pacific Railroad clerks strike was the question today, after negotiations ended in Chicago with no solution promised.

Union officials said the strike could come next week. The Southern Pacific withheld comment until the union names a strike date.

A strike would affect 39,000 other employees in seven Western states, east to El Paso.

**Merritt Re-Elected To Branch Y Post**  
Charlie Merritt was re-elected president for the board of managers of the Lakeview Branch YMCA at the first meeting of the new board Wednesday.

**C-CITY SETS MAKEUP DAY**  
COLORADO CITY (SC) — A second make-up day for type III poles has been announced for Saturday, according to Dr. Ken Cowan, at 231 Walnut in Colorado City.

**Sheriff Lists Staff Changes**  
Miller Harris, sheriff, announced today that effective March 1, Mrs. Bernice Nail, 3605 Connelly, will become a member of his staff. She is to replace Mrs. Virginia Caldwell who is leaving soon to make her home in California.

**DAILY DRILLING**  
BORDEN  
Borden and Willard No. 1 Long, C NE NE section 14-30-40, T&P survey, is drilling below 7,800 feet in shale.

**RECOVERS MORE OIL**  
Texaco has pumped back eight more barrels of oil at the No. 1 C Howard Fee, Clear Fork test on the edge of the Snyder

# Panhandle Areas Get Snow Blanket

Up to 10 inches of snow coated parts of the Panhandle - Plains sector in West Texas Friday in the wake of a storm blamed for three deaths.

Subfreezing cold chilled all sections except the coastal plains, lower Rio Grande Valley and a few points on the Mexican border.

Snowfall tapered off during the night, ending last around Big Spring, Midland and Wink in West Texas. Occasional light rain or drizzle fell before dawn along the coast and in the south edge of South Central Texas.

Melting snow froze and glazed highways over much of West Texas. Accumulated snow or ice blocked some routes.

Two cars collided during a snowstorm near Olton, northwest of Lubbock, and the crash killed Shirley Otie, 10, of Plainview.

Three other persons were injured. Another collision on icy paving west of Amarillo took the lives of Mrs. E. F. Miller of Albuquerque, N. M., and Don Maynard, 30, of Kokomo, Ind. Mrs. Miller's husband and two of three men with Maynard suffered critical injuries.

An estimated 8 to 10 inches of snow blanketed the Dumas vicinity near the north edge of the Texas Panhandle. There was an 8 - inch cover at Dimmitt and Plainview measured 7 inches. Two to 5 inches cloaked numerous points.

A little light snow fell up and down the Red River Valley, and there were occasional flurries in North Central Texas.

Motors received warnings from the State Highway Department against trying to travel routes east, north and northwest of Lubbock because of snow and ice. Conditions were described as particularly hazardous at Canyon, south of Amarillo.

Forecasters called for clear skies at least through Saturday in northern areas of the state and decreasing clouds in the south. Temperatures were expected to start rising Saturday after another sharp freeze overnight.

Long range predictions, covering the next five days, were for temperatures averaging a few degrees below normal and no big changes after a weekend warm-up. There may be a few showers in Central and East Texas and near the coast about Sunday.

Temperatures ranged from 8 degrees at Lubbock, where four inches of snow covered the ground, to 42 at Brownsville. Schools were closed at Tulsa, Dickens, Post, Spur, Wilson, Southland, Olton, Balls and Crosbyton because of the ice, snow and bitter cold.

**Jury To Begin Deliberating Fate Of Joe Torres Today**  
A district court jury of 11 men and one woman was to begin deliberating the fate of Joe Torres, young Latin - American charged with murder, sometime this afternoon.

The jurors (instructed they may find any verdict from death to a recommendation of the defendant be given a suspended sentence if they find Torres guilty of shooting Andrew Garcia Perez April 18, 1962) had been hearing the trial of the case for five days.

# More Courtesy Nominations Are Reported

Sales and service personnel of Big Spring are receiving votes of confidence regularly during the nominating period for the first "Courtesy Month" awards.

"We have 28 letters in," Kenneth Pace, assistant manager of the Chamber of Commerce, said. "The deadline for the first week is Sunday. All entries must be postmarked before midnight."

The first winners will be announced after a meeting Tuesday morning by a board of 12 judges not connected with the retail or service field.

Any sales or service person, excluding proprietors, is eligible for nomination. Letters of nomination are to be of 35 words or less in length telling why the person should be honored as "most courteous." Letters should be addressed to the Chamber.

Three letters will be chosen each week for four weeks with the writers of these letters receiving \$5 gift certificates. The persons named will receive identical certificates. At the end of the four-week period the 12 winning letters will be judged to select a winner of the grand prize of \$250.

# Incident Ires Congressmen

WASHINGTON (AP) — Angered by a MIG fighter flying against an American shrimp boat, Congress is waiting impatiently for word of Soviet troop withdrawals from Cuba.

President Kennedy made it clear Thursday at his news conference the United States is prepared to react forcefully to any future attacks on its ships or planes.

But the President said "we will have to wait and see now in the coming months" what the Soviets do about pulling out their uniformed men and technicians. He predicted a start on this in the next three weeks.

About the only aspect of the President's report that was encouraging to congressional leaders was his statement that he had ordered the Defense Department "to insure that action will be taken against any vessel or aircraft of the United States over international waters in the Caribbean."

This seemed to approximate the "shoot to kill" orders proposed by several senators.

**Cuban Navy Nabs 8 Men**  
HAVANA (AP) — The Cuban Navy said today it captured eight men trying to land on Cuba's north coast and accused them of attacking and stealing two Cuban fishing boats. The Navy said it recovered the fishing boats.

**Local Teams Lose 1st Round**  
Both Big Spring teams were ousted in the first round of the competition in the 18th annual Big Spring Girls' Invitational Volleyball tournament Thursday.

# Red Marriage Laws Lashed

SAIGON, Viet Nam (AP)—Marriage laws are so liberal in Communist North Viet Nam that romantic teen-agers are making it "the land of the midnight marriage and the dawn divorce," according to a Hanoi newspaper.

Thu Do Hanoi complained: "No sooner has the ink dried on some marriage certificates than the teen-agers again report to the civil registry office to sign a divorce act—just as easy as returning an unsatisfactory purchase."

"Some couples have sought divorce only after one night of conjugal life on the simple pretext that they had loved each other in haste but could no longer stand each other."

"After casual meetings at cinemas or the exchange of a few love letters copied from cheap romantic novels, many boys and girls have gotten married, only to bother local officials for a quickie divorce very soon afterward, swearing incompatibility."

The paper suggested that a strong protest should be launched against the practice, similar to a previous campaign against forced marriage.

Divorce is illegal in South Viet Nam, whose president, Ngo Dinh Diem, is a devout Catholic.

# Tanker Called A Danger Ship

BEAUMONT (AP)—A Coast Guard board of inquiry, checking the disappearance of the Marine Sulphur Queen, has received testimony of breaks in the tanker and fires so frequent the crew considered them common occurrences.

The tanker, carrying a cargo of molten sulphur and a crew of 39, sailed from Beaumont Feb. 2 for Norfolk. Flotsam and life jackets from the ship have been found near Miami.

Lt. Robert Burns, a Coast Guard inspector, told the inquiry Thursday he discovered 18-inch fractures in ballast tanks and numerous smaller breaks when he inspected the Marine Sulphur Queen Oct. 7. He said they were repaired but the tanks had not been subjected to pressure tests.

E. W. Meryman, the ship's former third mate, and seaman Zack Booth, who was on vacation when the tanker made her last voyage, told of the frequent fires.

They said the fires were common occurrences and they were not frightened when smoke poured from vents.

Both described the ship's steering mechanism as good, her engines not troublesome and her crew experienced.

# Labor Leaders Decide On Rebuke

MIAMI BEACH, Fla. (AP)—Top labor union leaders, it was learned today, have decided after much soul-searching to file a bitter protest direct with President Kennedy on his domestic economic policies.

The biggest development yet at AFL-CIO winter meetings here is a secret session held on the Kennedy economic program. The labor leaders felt the President's proposals, including his tax reduction plan, are too feeble even if enacted by Congress to effectively curb unemployment.

The question was how far labor wanted to go as a political protest, the President and the Democratic party, in voicing criticism of Kennedy policies.

## DEAR ABBY A Time For Burial Rites

DEAR ABBY: Why do people hang on to letters and pictures of a dead romance? I had a friend who was recently killed in an accident. When her employer came to her wake he brought a box of her personal things that had been locked in her file at work. He gave them to her husband. When the husband opened the box, he found letters and pictures from a fellow he had suspected his wife was in love with during the early years of their marriage. I knew about this affair and knew it had been over for years. The husband didn't know this. He went to pieces and did not attend her funeral. He was located months later, a broken man, in Skid Row. Even in death it's the innocent ones who are hurt the most. Write something about this in your column, Abby. It could spare others that kind of misery.

A FRIEND  
DEAR FRIEND: You expressed it very well. Let this be a warning to all who have such souvenirs locked in files, vaults and drawers. Dig them out—for the sake of the living who love you—and give them private burial.

DEAR ABBY: My father died a few months ago leaving my mother alone. In order to supplement her income she decided to rent her downstairs. She asked me to help fix it up, so I agreed. My wife screamed bloody murder. She said I never painted or repaired our house and had no business doing it for my mother. She said, "Let

# Rice Trustees Seek To Lift Race Barriers

HOUSTON (AP)—Trustees of Rice University, created by millionaire slain in New York at the turn of the century, asked state court authority Thursday to lift racial barriers against admitting qualified students.

They also asked the court to let trustees abandon the institution's free tuition policy and charge reasonable enrollment fees.

The petition, filed in Dist. Judge Phil Peden's court, said Rice must be freed from the two restrictions of an 1891 incorporation indenture if it is to become one of the world's leading educational institutions.

William Marsh Rice in his 1891 will created the university "for the instruction and improvement of white inhabitants," specifying that such instruction be free.

The university, one of the nation's toughest schools academically, limits enrollment to 1,500 undergraduate students.

Rice, 84, was slain in his New York City apartment Sept. 23, 1900, in what has been described as one of the 10 most famous murders of the century.

A native of Springfield, Mass., Rice came to Houston penniless and built a fortune in land and lumber. The murder trial and litigation over the will delayed the opening of Rice Institute until 1912. The name was changed to Rice University three years ago. The petition was filed after

mission of students is necessary in order to create a suitable educational climate," the petition stated.

Rice decided the institution should be built in Texas because "I recognize my obligation to her and her children." Originally he planned to build it on his Duellenel, N.J., estate.

Charles F. Jones, Rice's valet, and Albert T. Patrick, lawyer and confidential adviser or Rice, were charged with the 1900 chloroform slaying.

Jones turned state's evidence and went free. Patrick was sentenced to death on charges he forged Rice's will, named himself to receive the estate and talked Jones into the killing.

It added that the trustees know of no other private university of comparable status in which no tuition is charged.

Rising costs of faculties and research were given as the main reason for the tuition fee request. "A better financed university without arbitrary barriers to ad-

Trustees asked that language of the will be interpreted in the light of current conditions and needs.

"They asked that the word 'white' not be construed as creating an inflexible barrier to the admission of qualified students without regard to race or color. They proposed that the word 'free' not be construed to forbid reasonable tuition charges."

"Rice stands alone as the last non-sectarian private university in the South and in the nation which has not admitted, or does not stand ready to admit, qualified applicants without regard to race or color," the petition said.

# 75-Year Term Given For Rape

TYLER (AP)—A district court jury convicted James Roper, 24, Thursday night of raping a stenographer who testified she never saw him but recognized his voice. He drew a 75-year prison term.

The attack occurred Oct. 26 as the victim, 27, returned home from work about 5 p.m. She said a man seized her from behind, taped her eyes and tied her wrists before her assault.

# CHURCH OF CHRIST

By T. H. Tarbet, Preacher  
Church of Christ, 2000 West Highway 80

"Now in Matthew 16:18 we find that Jesus said, 'Upon this rock I will build my church, and the gates of hell shall not prevail against it.' Members of the 'Church of Christ' say they do not follow Campbell or his teaching but that they are members of the New Testament church which he restored." (From letter recently received.)

Our correspondent is accurate to this extent: We do deny being followers of Campbell or his teaching, and do claim to be members of the New Testament church.

The New Testament gives the pattern for the church of Christ, including the organization of the congregations (Acts 14:23; 1 Tim. 3:1-13, etc.) It is our determined

purpose to regulate everything in our religion by the New Testament, without regard to the teaching of Campbell or anyone else. How could this make us anything but members of the New Testament church? This will make a people members of the true church, whether Campbell restored it, or whether he did not. We do not require people to believe anything, one way or the other, about Campbell or his work.

Plan to be with us Sunday. Sermons: "Why Man Needs A Saviour" and "Why I Am With The Churches of Christ." —Adv.

# Legislature Takes Holiday; Action Honors Go To House

AUSTIN (AP)—Legislators went home today with the House holding honors for action this week.

House members put in the longest day of the session Thursday, working five hours. They boosted to 16 the number of bills sent to the Senate with passage of two major bills.

The Senate, still hearing echoes from its rejection of W. St. John Garwood as an appointee to the University of Texas board of regents, quit for the weekend after a brief session Thursday. Senators failed to pass any bills during the week.

Gov. John Connally criticized the Senate stand on Garwood, expressing "bitter disappointment." He had refrained from commenting earlier. Connally said, "in the hope that the Senate might choose to reconsider its action in the interest of the people of Texas."

The latest House bills sent to the Senate were:

Rep. James Cotten's measure to merge the Parks Board and the Game and Fish Commission, expected to save \$52,000 annually.

Rep. Forrest Hardin's bill to allow speed limits up to 70 miles per hour on Texas highways.

The House spent much of Thursday haggling over financial soundness of the state teacher retirement system. Members temporarily approved a bill to increase benefits for 2,000 retired teachers and 170,000 retiring teachers. It would not increase costs to the state.

One major amendment to the bill drops from 36 to 31 the number of teaching years required to draw maximum benefits of \$1,800 annually.

Another provides the state comptroller must certify that a system can afford the new benefits before the bill can take effect.

The House also advanced a bill to require 86 counties with small common school systems to hold elections in November, 1964, on whether to abolish the office of county school superintendent. Sponsors said the state would save \$1 million a year if voters decide to drop all 86.

Another bill moved to the final

vote stage puts a new tax of 10 a year on billiard tables and lets cities regulate the use of billiard tables. It is expected to bring the state \$55,000 annually.

The House likewise advanced a bill to allow the Texas Supreme Court to equalize at any time the dockets of the state's 11 courts of civil appeals. Dockets now are adjusted in June and January only.

and be guided by what they feel is best for the state and university.

A 1994 ruling said "the governor may re-submit the nomination of a person to a particular office after the Senate has failed to confirm the appointment of that person to that office."

Herring, also in the hospital recuperating from an operation, said he was "shocked and disappointed" at the rejection.

Published speculation about Garwood's past efforts for international cooperation with the United Nations and support of the World Court.

# Connally Disappointed Over Garwood Opposition

AUSTIN (AP)—Gov. John Connally said Thursday he was "bitterly disappointed" with a Senate minority group that blocked confirmation of W. St. John Garwood as a University of Texas regent.

Connally issued the statement from his hospital bed, where he is recovering from a hernia operation performed Monday. It contained his first cross words with the legislature since he took office.

The Senate's rejection of Garwood Tuesday brought university students to the Capitol carrying picket cards and sparked an announcement of a protest speech by one senator.

Connally said he had reserved comment earlier on what he called an "inconceivable" rejection because he thought the Senate "might choose to reconsider its action in the interest of the people of Texas."

Sens Don Kennard of Fort Worth and A. R. Schwartz of Galveston said if Connally resubmitted Garwood's name, he would get the necessary two-thirds vote.

Although Senate rules clamp secrecy on details of what is done about nominations, published reports have put the Garwood vote at 16-12. With all senators present, 21 votes are necessary to confirm.

Asked if he would renominate Garwood, Connally told The Associated Press: "I haven't thought about it. I don't know whether I could or not under the law and 'Constitution'."

Garwood said: "I have no further interest in this one way or the other. I can get along very well without it."

One of Connally's major nominees, Garwood is a former State Supreme Court justice.

Connally called him "a man of deep devotion to the university and the state" in Thursday's statement, adding:

"It seems inconceivable that the people of Texas could be denied his services. Obviously, a great many other Texans share this view."

Garwood said he would confer with the governor and Sen. Charles Herring of Austin, chairman of the Senate Nominations Committee, about a possible renomination.

Red Capitalists Sentenced To Death

MOSCOW (AP)—Five Leningrad factory managers and salesmen have been sentenced to death, the paper Soviet Russia reported today, for embezzling the proceeds from surplus goods their shop produced.

Their well-run plants produced 15 to 20 per cent more fountain pens, buttons, razors and rulers than their annual quota. They reported only fulfillment of the quota, sold the surplus and split the proceeds with confederates.

# Dr. Frazier To Conduct Salvation Army Revival

The Big Spring Salvation Army Post has called in a noted revivalist to conduct its annual crusade. Principal speaker for the 11-day crusade is Dr. Taylor Humley Frazier of New York.

The crusade began Thursday and continues through March 3. It is interdenominational and the public is invited. Special prayer meetings will be conducted in homes on invitation each morning and services will be held at the Citadel each evening except Saturday. Meeting times are 7:30 p.m. for weekdays and 7 p.m. on Sunday.

Dr. Frazier arrived in Big Spring Tuesday, coming here from Corsicana, where he had just completed another 11-day revival. He has never been to Big Spring, although as a revivalist he has visited most of the larger cities of Texas.

His schedule will be heavy during his two-week stay in Big Spring. The day he arrived, Maj. and Mrs. Robert L. Short, commanders of the local post, whisked Dr. Frazier to Odessa with them for the annual board of directors meeting there. Other engagements while here will include appearances before civic and service organizations.

A minister for 30 years, Dr. Frazier is a Southern Baptist Evangelist and Bible teacher.

"I have had many occasions to conduct interdenominational revivals and this work takes as much of my time as work with my own church," he said. "This is my 27th engagement with the Salvation Army."

Originally from North Carolina, Dr. Frazier attended People's Seminary in Greenville, S. C.; Holmes Seminary in Greenville, S. C.; and he received his doctorate at the National Bible College Seminary.

He also performs on the piano and organ, but while here his renditions will of necessity be restricted to the piano. Other groups from Odessa, Midland, San Angelo and other area cities are also expected to assist with the crusade.

## New Concept In Program

A series of half-hour programs over a period of 13 weeks has been scheduled to start here March 2 as a contribution to Christian education.

It is entitled "Breakthru" and is part drama and part conversation. While the series is the result of a new concept by Dr. Howard E. Tower, associate secretary of Methodist Television, Radio and Film Commission, it is non-denominational. KWAB-TV is presenting it as a public service at 9:30 a.m. each Saturday.

A dramatic sketch opens every Breakthru program. At a decision point the story is interrupted with a studio discussion by boys and girls other than those in the cast. These conversational interludes are moderated by the Rev. C. E. Atkins, pastor of the King's Way Methodist Church in Springfield, Mo. They give perspective to the program. Then the drama resumes and continues to conclusion. Among the young actors recruited for the series is Patty Duke, who starred in the Broadway hit, "The Miracle Worker."

Practice Session

Paul E. Petterson and his wife, Carol, take a swing at the piano in the College Baptist Church, their new work location. He is the new music, education and youth director, while Mrs. Petterson is church secretary. She also plays the piano and was hitting a few practice notes when the picture was taken.

## Pettersons At Work For College Baptist

By JOE BEYER

College Baptist Church recently made two important additions to its membership.

Mr. and Mrs. Paul R. Petterson are now filling vacancies in the staff which have previously been held by part-time workers. Petterson is the new music, education and youth director while Mrs. Petterson is handling the secretarial chores.

"There have been so many additions to the church membership during the past five months that we had to go full time on the staff," Rev. Byron Orand, pastor, said.

"Mr. and Mrs. Petterson have done a marvelous job since they began. In only one week he has organized a fully graded choir, the intermediate choir has met for the first time and workers are already lined up for a beginners choir," he added.

Mr. and Mrs. Petterson officially went to work Feb. 10, although they came here Feb. 3. The past week has been one of trying to get furniture and other household articles in their right place at the church annex, 1709 N. Monticello.

Big Spring is a new place for Mrs. Petterson, but for Paul it is a return trip to the old home town. He is the son of Mr. and Mrs. Richard S. Petterson, 1711 S. Monticello.

The past year and one-half Petterson has attended Wayland College in Plainview and his wife has worked while he attended school. Although both are working full time at the church, he is continuing his education on a part-time basis at Howard County Junior College.

Long range plans include furthering his education at Baylor or North Texas perhaps in a couple of years. He is majoring in music education. He has also sung with the International Choir and, at Howard County Junior College, with a quartet.

"I would like to get a quartet organized again, but don't know if I would have time to sing in it," he said.

Petterson graduated from Big Spring High School in 1959 and Mrs. Petterson is a 1961 graduate of Clovis, N. M. She was born in Vernon, but had lived most of her life in Clovis. They were married 1 1/2 years ago.

Both play the piano and have an interest in music. He has previously been music director at Gloriaeta Baptist Assembly, Gloriaeta, N. M.

## "You Are the Christ"

THE ONLY POSSIBLE VERDICT ABOUT CHRIST THAT RESULTS FROM AN UNBIASED CONSIDERATION OF HIS CHARACTER AND WORK—AND SOME CONSEQUENCES

Scripture—Mark 8:27-9:1.

By N. SPEER JONES

THIS LESSON comprises the great watershed in all Christian teaching—the confession of Jesus as the Christ, or God's Son and Anointed One. All that we have been studying in this quarter is but a build-up to this great decision, and all that follows, the result.

The time is autumn of 29 A.D.; the setting, the villages around Caesarea Philippi, far in the north of Palestine—the farthest point north, in fact, that Jesus ever traveled. The area was built up by Philip the Tetrarch; its population was chiefly Gentile and heavily Hellenized.

It is here that Christ asks His momentous question—who did people think He was? The fact that the people compared Him with the greatest figures in

Scripture—Mark 8:27-9:1.

when He detailed His death is simply the very natural horror and refusal to accept such suffering on the part of a loved One. Christ must in turn rebuke Peter for bringing before Him once more the temptation which haunts Him all His life—the temptation to have Messiahship without suffering, agony, atonement, death. In Gethsemane the temptation came again powerfully. It comes, indeed, to all of us on small scale— isn't salvation without atonement possible?

Christ not only denies this, but goes further and tells Peter, and His followers that they, too, must "take up their crosses" if they are to follow Him. This does not mean that they must have sorrows—any sorrows—but that they must suffer any end, if need be, for the sake of Christ.

The Greek word "christos" means "anointed"; the Hebrew word for the same is "messiah," from which we derive our "Messiah." In the Old Testament priests, kings and prophets were anointed through God, and thus dedicated to His service. The Hebrews of the Old Testament continually looked for one supreme Being, to be THE anointed one of God, as prophesied in the Scriptures.

POSITIVE DIVINE LAW

God has given positive divine and arbitrary laws to men on various occasions. These have tested man's loyalty to and faith in God, hence they have been good for man. We can see reason for moral laws such as honesty and purity; but when a man obeys God in a command which will not necessarily make man better morally speaking and which is designed to test his faith this calls for deeper respect and a higher order of obedience. Hence the positive law rises above the moral law in offering its respect and homage to Jehovah God!

Adam was told not to touch nor eat of the tree of Knowledge in the Garden of Eden. The first and best reason for Adam's obedience was what God said to do about it and not because Adam saw through it. He didn't see through it; it wasn't something of a moral nature this command rested on divine authority completely, so Adam disobeyed, hence came all the sorrow that death has brought from then on! You say you don't believe it positive divine law; Friend, it makes little difference what you or I think about it, look at death the terrible consequences of that one act on the part of Adam and Eve; one act of disobedience against only one command. There is no more human reason for Baptism or the Lord's Supper than for the command Adam disobeyed.

In Tribute To Washington

As Martha Washington might have appeared, hostesses were in costume for the coffee held at the Big Spring Country Club Thursday. They are from left Mrs. C. M. Adams, Mrs. H. W. Smith, Mrs. Ebb Hatch, Mrs. R. T. Piner, Mrs. W. J. Lloyd, Mrs. H. E. Hatch, Mrs. Monroe Johnson, and Mrs. W. B. Hardy.

# Quaint Attire Of The Hostesses Delights Guests For Coffee

Not only were guests surprised but members of the house party were delighted with the quaint hostess attire for the Thursday morning coffee given at the Big Spring Country Club. Shades of the past were noted in the Martha Washington dresses worn by the hostesses. Mrs. C. M. Adams, Mrs. Monroe Johnson, Mrs. H. W. Smith, Mrs. Ebb Hatch, Mrs. H. E. Hatch, Mrs. W. J. Lloyd, Mrs. W. B. Hardy and Mrs. Robert Piner.

In authentic design, each dress portrayed the First Lady as she might have dressed on various occasions. Party decor was also in keeping with the George Washington theme, having cherry trees with ripened fruit and small hatchets throughout the reception hall and the ballroom.

Flower arrangements for the coffee included red and white tulips and carnations. Coffee tables were spread with red linen and appointed with silver. Bowls of cherries and miniature hatchets carried out the motif.

Among the earlier guests, lovely and brilliant-hued hats for spring were noted. Swirls of maline, bonnet bouquets, tailored straws and a little bit of a-hat, white floral silk with tabbed detail, worn by Mrs. Lee Rogers.

With muddled weather prevailing, there were numerous furs and matching cloches, along with other late winter ensembles, in contrast to the breathtaking spring tones mingled in the crowd. And speaking of crowds, it was a capacity one that turned out for the affair.

Prevalent were fashionable double-knit suits which apparently will wear well right into spring. Patriotic were those wearing red, including Mrs. Charles Smith, Mrs. Sam Mellinger and Mrs. Raymond

Tollett whose suit of black and red was superbly styled with military detail. Mrs. George E. Franks was there in a lovely gold suit with matching gold straw hat and smart brown patent slippers. A blue knit dress, having just a hint of turquoise, was worn in a striking combination with black by Mrs. Gene Nabors; Mrs. Marion Edwards, also in blue, wore a beautiful print silk; Mrs. Connie Wade, in shocking pink silk suit, wore a small braided straw hat of matching tone.

Mrs. Wade Choate appeared sylph like in beige-toned knit, worn with black straw topper and matching accessories. Mrs. Ara Cunningham was handsomely attired in a black and white ensemble, while Mrs. Roscoe Cowper chose to wear a brown ensemble marked with contrasting geometrical design.

Cherries Are Real

Ornamental and delicious were the brilliant red cherries served for the coffee Thursday morning. Sampling the fruit are Mrs. H. F. Schwarzenbach and Mrs. Malcolm Patterson.

## Junior Gardeners Hear Mrs. Bristow

Raising roses in West Texas was discussed by Mrs. J. Gordon Bristow Monday afternoon for members of the Junior Garden Club.

Meeting in the home of Mrs. J. I. Balch, the young gardeners heard how the plants should be chosen and cared for. Mrs. Bristow said that the plant roots should be inspected before purchase and the soil prepared carefully before planting. She suggested the use of cottonseed meal, sulphur and coppers in nourishing the plants, plus an inch of water each week.

In telling of the many new roses developed recently, Mrs. Bristow used the "Tropicana" as an example.

The 12 members answered roll call by telling of their favorite rose and were served refreshments by Pat Shaplund.

## Circle Hostess

Mrs. J. R. Newnam was hostess to members of the Mary Lynn Fryer Circle of the Baptist Temple, Tuesday at her home. Mrs. Newnam read the prayer calendar, and prayer for missionaries was offered by Mrs. James Puckett.

Plans were made for the Week of Prayer, after which the mission study was presented by Mrs. Dick Strickler.

Ten members were present, with Mrs. Puckett and Mrs. Charles Smith received as new members of the group. All were dismissed with prayer by Mrs. Mike Arnold.

## FHA EVENT

### Dads Are Honored At Garden City Banquet

GARDEN CITY (SC) — Future Homemakers of America gave a banquet Tuesday in honor of their fathers. The members of the school board and the faculty were

also invited. A quartet of girls sang "May You Always." The speaker for the banquet was the grade school principal, Roy Thurston. The senior boys assisted in serving.

After the banquet, all adjourned to the Garden City gym for the district championship basketball game.

Wednesday night, February 20, the basketball girls gave Coach Calverley a surprise birthday party at the home of Gail McDaniel. There were party hats for everyone, confetti, and balloons, plus the traditional birthday cake.

## Mrs. Page Hostess At Mission Study

Mrs. W. L. Sandridge conducted the Tuesday morning meeting of the Blanche Grove Circle of the Baptist Temple. Mrs. A. W. Page was hostess.

Attendance charts were checked and plans made for community mission work March 12.

The prayer calendar and prayers for missionaries were read by Mrs. Dalton Johnston. Two chapters of the mission book, "The Chains Are Strong," were reviewed by Mrs. Max Legg. Eleven members attended and one guest, Mrs. H. M. Jaggott.

## Edward Hamilton On 'Say When'

Edward Hamilton, nephew of Mr. and Mrs. Ray Boren, has appeared for the past three days on Art James' "Say When" television program. Hamilton, whose home is in Garland, is an electrical engineer with Bell Laboratories in New Jersey.

## Patriotic Theme For Club Dinner

The Past Matrons Club dinner was held Wednesday at Smith's Tea Room with Mrs. Harry Lees, Mrs. Glen Cantrell and Mrs. Joe Hayden as hostesses. The invocation was worded by Mrs. Charles Koberg.

Mrs. J. D. Benson presided. On the telephone committee she named Mrs. George Pittman, Mrs. W. O. Peters, and Mrs. Russell Stringfellow. To serve on the visiting committee will be Mrs. Sam McCombs, Mrs. Eugene Gross and Mrs. J. A. Magee.

Guests were Mrs. L. A. Chapman and Mrs. George Bair of Big Spring, Mrs. H. E. Rhodes of Racine, Wis., and Mrs. C. F. Burgess, Byers, Colo.

Table decorations followed the patriotic theme with miniature flags decorating arrangements of red roses.

Mrs. R. D. Ulrey, Mrs. Pittman and Mrs. McCombs will be hostesses for the March 12 meeting at the tea room.

## Mothers Receive VA Letter Of Appreciation

Appreciation was expressed in a letter from Dr. H. C. Ernsting, chief of staff at the Veteran's Administration Hospital, to the local chapter of Gold Star Mothers. The letter was read at a Thursday morning gathering of the group in the home of Mrs. Alfred Moody.

The meeting was opened by president pro tem, Mrs. F. H. Talbot, who led the Pledge of Allegiance.

The hospital report was given by Mrs. Harry Lees, who acted as chaplain to give the ritualistic closing prayer. The March 21 meeting will be in the home of Mrs. Talbot, 105 Canyon.

## Big Spring (Texas) Herald, Friday, Feb. 22, 1963 5 Anniversary Dinner To Observe 72nd Year

A 72nd anniversary dinner on March 29 will be held at Carpenter's Hall by the GIA to the B of

LE. The observance date was set Wednesday morning when the Lone Star Division No. 90 held a business session conducted by Mrs. C. L. Kirkland, who gave the new password. All members of the B of LE will be guests for the dinner.

## HD Council Makes Plans

STANTON (SC) — The Martin County Home Demonstration Council set the month of July to furnish cookies for patients at the state hospital in Big Spring. All of the HD clubs in Martin County will participate in this project.

Mrs. Lewis Carllie, presided at the Council meeting, Tuesday, when it was decided to name the delegates to the District THDA, April 30. Mrs. L. C. Morrison is serving as the THDA chairman of the Martin County Council.

Seventeen members and Mrs. Mildred Eiland, HD agent, attended the monthly meeting held at the Cap Rock Willie Wirehand Room.

## Instruction For Rebekahs Slated

STANTON (SC) — Mrs. Clayton Burnham, district deputy president, of the Rebekah Lodge district of this area, will hold a school of instruction, Friday night at 7:30 at the Stanton Odd Fellow Lodge hall. This district consists of the two Rebekah lodges in Big Spring and the Stanton Rebekah Lodge. All members are invited to attend this last meeting of Mrs. Burnham's term, as D. D. P.

## Mrs. Dodd Hostess To NALC Auxiliary

Mrs. Mamie Lee Dodds was hostess to members of the National Association of Letter Carriers Auxiliary in her home Tuesday evening. Co-hostess was Mrs. Preach True, and the devotion said by Mrs. Dodds.

Committee reports were given and fund raising projects discussed. Mrs. Melvin Brown, scrap book chairman, showed the 1962 book. A lesson on parliamentary procedure was given by Mrs. Alfred Moody.

Following the closing prayer by Mrs. Wendell Payte, refreshments were served to nine members and a guest, Mrs. Guillermo Franco. Mrs. Wayne Beene, 3305 Auburn, will be hostess on March 19.

For Expert Hair Styling Call: AM 4-5961 Joyce's Beauty Salon 1804 1/2 Security Operators: Edna Albo Mary Morgan

## SUNDAY PARTY

Family Night will be observed with a game party at the Immaculate Heart of Mary School Sunday at 7:30 p.m., sponsored by the Altar Society. Refreshments will be served and the public is invited.

## Miss Putman To Marry In March

WESTBROOK (SC) — Mr. and Mrs. A. C. Putman are announcing the engagement and approaching marriage of their daughter, Brenda Joyce to Boyd Wayne Pruitt, son of Mrs. W. T. Bloomer of Colorado City, formerly of Westbrook.

The wedding will be March 7, at 7:30 p.m. in the First Methodist Church at Westbrook. Miss Putman, a 1960 graduate of Westbrook High School, is a graduate of the Betty B. School of Beauty in Big Spring.

The prospective bridegroom attended Westbrook School and is now employed by Dow Chemical Company in Colorado City, where they plan to reside after their wedding.

## Insurance Women Hear Mrs. Milam

Mrs. Jackie Milam presented the program for a Tuesday evening of the Insurance Women of Big Spring Meeting at the Wagon Wheel Restaurant for lunch, the group heard Mrs. Milam discuss dwelling rating.

Mrs. Frank Morphis conducted the business period when plans were suggested to raise funds for a convention trip. Six members plan to attend the Federal Insurance Women of Texas convention in Corpus Christi during October.

Mrs. Judy Roberts was elected to fill the post of secretary-treasurer, and Mrs. Curtis Choate was welcomed as a new member.

B&H Cleaners 2601 Wasson Road Free Pickup & Delivery Phone AM 3-4492 ABE BAILEY, Mgr.

## What Does The Church Of Christ Teach?

As a minister for the church of Christ in Big Spring I am often asked: "What does the church of Christ teach?" It is therefore with pleasure that I will attempt to answer this question which so many of you have asked. First, let me say that since the true church of Christ is not a denominational body with an earthly headquarters, no man can formulate an official creed for it to follow. In the second place, let it be said that if such a creed could be formed I would want no part in such for I am not interested in the peculiar doctrines of any church, not even the church of Christ. We should not be concerned with what the church of Christ teaches, but with what the Bible teaches. The early churches of Christ had no other standard of authority than the inspired words of those whom Christ had chosen Romans 16:16; I Cor. 14:37. The Lord's church in the Twentieth Century is likewise bound to the Scriptures as its sole authority. We must not "add to" the words which are contained therein. Rev. 22:18-19. Any creed which has more than the Bible has too much; any creed which has less than the Bible has too little; any creed which has the same as the Bible is just another Bible!

DAVID YARETT

The Northside Church of Christ teaches the Scriptures as its only creed. We have no other creed, catechism, manual, or discipline. Why not visit with us? 601 N. Runnels. Sunday, 10 and 11 a.m. and 6 p.m.

**WHY COLOR?**

- It's real, long-life, enjoyable color.
- It's on NBC.
- Color programs increased 100% over 1961.
- Priced within the reach of every one saw — and the prices won't be coming down.
- When you go to the service, you expect color—now enjoy color at home.

**Speaking of Eye Care and Eyewear... What Do You Expect in Professional Service and Cost?**

These days, with the cost of everything still on the rise, you would like to find ways of reducing money output without loss of quality in the products and services you require. Especially, most people are aware of the high cost of necessary professional health services, such as eye care and eyewear. Most everyone would like the opportunity of having competent eye examinations and, when required, eyewear of excellent quality, without excessive cost.

If you are such a person, and have not yet given TSO the opportunity of serving you, now is the time to think about what TSO provides. It's also time to think about how it compares from a quality and cost standpoint with what you are now receiving.

When a TSO Doctor of Optometry examines your eyes, first a case history of your eyes and vision is recorded. Next, your eyes are examined internally for any evidence of disease or defect, such as glaucoma or cataract. Then, for visual abnormalities, such as near or farsightedness, astigmatism or muscle imbalance. If the need is indicated, glasses or—if preferred—contact lenses are prescribed and expertly fitted for the clearest, most comfortable vision possible. TSO's well-known standard of quality in eyewear is your best assurance of this. TSO provides these outstanding services at most reasonable cost. Finest quality single vision glasses, including professional eye examination, lenses and frame are as low as \$14.85. Bifocals, as low as \$17.85. Single vision Micro-Sight contact lenses are \$65, complete with professional eye examination and fitting. Bifocal contact lenses are also available at a reasonable cost. Convenient credit terms are available if desired. Guard against eye disease and poor vision with an annual, professional eye examination at TSO.

### Linkster Must Practice Art Of Acting

By WILL GRIMSLEY  
NEW YORK (AP)—You have to be half a Barrymore and half a Bunyan to make your mark in professional golf these days, a couple of well-known fairway tourists agreed today.

"Any golfer worth his salt has to be on a television show," said Bob Rosburg of Palo Alto, Calif., former PGA champion. "They are two entirely different games—the golf you play for the screened TV shows and that you play on the tour."

"The modern professional golfer carries an Actors Equity card clipped to his PGA card," added Gene Sarazen, the grand old squire from Germantown, N.Y., who won every major professional championship in his day. "When you flip your television screen on the weekend, you either get a golfer or a cowboy."

"I believe golf shows have become more popular than the shoot-em-ups," Rosburg and Sarazen were in town for a preview showing of a television match between Jack Nicklaus and Sam Snead at the famed Pebble Beach Golf Club, scheduled Sunday (Wonderful World of Golf, NBC). Sarazen narrates the series.

"Television golf is very lucrative for the players and wonderful entertainment for the fans," said Rosburg. "It's tougher on the players than any tournament. It's impossible to play your best golf. There is so much noise—cameras whirring, directors yelling and machines moving. It's hard to maintain concentration."

"Also, in a regular tournament you key yourself for an assignment and go out and play your four rounds. You can't do this on television. Sometimes it takes two and three days to play a TV match which is crammed into an hour on the screen."

Sarazen said he had noticed that most players became tense and fidgety when subjected to camera focus. "The older fellows and the foreign players get particularly nervous," Gene said. "The youngsters—they just set their jaw and go ahead."

"I was born 30 years too soon," Sarazen sighed. "Nicklaus picked up \$50,000 for winning a television match (World Series of Golf) last year. When I won the British Open in 1932 I collected \$320.

First round competition in the YMCA Handball Doubles tournament gets under way this week-end.

Consolation winners, as well as champions, will be determined. In all, 16 teams are entered.

Pairings: Hardesty and Dodson vs. Hine and Green; Gehling and Granberry vs. Roberson and Godby; Cook and Martin vs. New and Ruddy; Tito and Smith vs. Kelly and Thomas; Gingold and Hogg vs. Flint and Davidson; Baird and Hentes vs. Lines and Miller; Cardwell and Robbins vs. Barnett and Baldrige; Robison and Hughes vs. Farley and King.

# Tebbetts Warns Help Of Night Club Grind

By MIKE RATHET  
Associated Press Sports Writer  
Cleveland Manager Birdie Tebbetts announced his itinerary for the baseball season includes hopping into a few night clubs. Early Wynn strolled into the Chicago White Sox camp. Ken Retzer walked out of Washington's. And Houston pitcher Dick Farrell strutted into the Colts' site accompanied by his wife, three children, two dogs and a cat.

Tebbetts, new chief in the Indians' teepee, put his foot down right at the start, warning he didn't want any players bellyaching about fatigue caused by night games on cross-country travel.

Revealing his playing day habits, Tebbetts had this to say: "I was 17 years in the big leagues as a player and I never took a drink. But I went with the gang to the night spots. I know the hours they kept. If they were fatigued, it was their own fault. Usually it's the player who complains about flying all night who keeps the latest hours when he has a chance to rest."

Tebbetts, disdaining the use of bed checks, said "I'll be popping up here and there in various spots. I'd better not find any of my players."

Wynn is hoping to find that elusive victory, No. 300. At 43, he has no contract with the White Sox after a 1962 campaign in which he posted a 7-15 record and finished out the season with a lifetime record of 299-243.

"This is no gag," assured Wynn. "I wouldn't want to go through this training grind if I didn't think I could make it."

Manager Al Lopez adopted a wait-and-see attitude. "He'll have to prove himself," he said simply.

Retzer took his walk out of salary discussions with the Senators' general manager, George Selkirk. He said he'll check out of his motel unless there's a change by Saturday.

Farrell, who last year brought a target pistol to camp and hunted rabbits in the training area, checked in at Apache Junction with his dogs and five guns.

"I'm going big game hunting up in the mountains," he said. Elsewhere, it was open season on luring players into the fold, with mostly pitchers signing their contracts. Washington got three, Bennie Daniels, Dave Stenhouse and Ed Hobaugh, while Cincinnati came up with Jim O'Toole and John Taitouris.

Other pitchers signing were Hank Fischer of Milwaukee and Ken McKenzie of the New York Mets. The Mets also signed infielder Cliff Cook. First baseman Bill White and outfielder Charley James agreed to terms with St. Louis and third baseman Rich Rollins signed with Minnesota.

### Mighty Cats Blast Eagles To Win Crown

By BOB GREEN  
Associated Press Sports Writer  
Cincinnati's mighty Bearcats, rebounding brilliantly from their first loss of the season, have taken the first big step toward an unprecedented third straight NCAA basketball championship.

Cincinnati, national champions the last two seasons and third in the country the two seasons before that, secured the Missouri Valley Conference title and a spot in the NCAA Midwest regional tourney by blasting North Texas State 91-64 Thursday night.

The victory boosted the top-ranked Bearcats' season record to 20-1 and their conference mark to 9-1.

Cincinnati was making its first start since Wichita snapped the Bearcats' 37-game winning string 65-64 in Wichita Saturday.

The Bearcats broke out in front 10-6 on a couple of baskets by Ron Bonham and pulled away steadily after that. They had a 46-26 halftime and led 77-41 when coach Ed Jucker pulled his regulars with 8½ minutes to go.

In other major games, New York University held off Notre Dame 80-79 in a Madison Square Garden match of two NCAA-bound teams. Each has accepted an at-large berth in the tourney.

Oklahoma City, another NCAA team, rode over Loyola of New Orleans 99-79 and Wake Forest suffered a 59-53 upset at the hands of Furman at Winston-Salem, N.C.

The medalist at Abilene was the 10th straight victory for the Violets, now 14-2 for the season. Notre Dame's Jay Miller did an excellent defensive job on NYU's Barry Kramer in the first half, holding the nation's No. 2 scorer to just nine points. Miller, however, picked up his fourth personal early in the second half and was benched.

Connecticut came from 10 points back and edged Manhattan 69-64 in the opener of the doubleheader in New York.

Billy Foster scored 24 points in Drake's 81-65 Missouri Valley Conference decision over Tulsa. The Citadel whipped Arkansas State 71-57 and VMI put on an 85-60 rout of Richmond.

Youths from the ages of eight through 20 are eligible to take part in the courses. The fee is \$175 per session and the price includes rooms, meals, tuition, instructions, group entertainment, sheets, pillows, pillow cases, blankets, baseball cap, towels, T-shirts, soap and baseball sox, according to accident insurance.

Agletree, now coaching at the University of Dallas, will assist Carrigan in running the school, as will Mrs. Carrigan.

The school is located 15 miles from downtown Dallas. Facilities include six fenced, grassed ball parks with dugouts, sliding pits, bleachers, automatic pitching machines and an observation tower where one can observe four ball parks at one time.

The dormitories where the enrollees stay are two-story brick buildings, fire-proofed and air-conditioned.

### Big State Baseball Clinic Boss, John Carrigan, Here

Johnnie Carrigan, operator of one of the nation's best known summer baseball camps for boys, the Big State Camp, visited in Big Spring briefly this morning.

Carrigan was en route to Midland to complete arrangements for a bus, which will take people to and from an Open House for his new camp site located at the University of Dallas on March 10.

Carrigan issued an open invitation to local people to be on hand for the Open House. The hours, he said, are from 2 to 5 p.m.

Carrigan will conduct his summer camp in four sessions, each of which will extend for three weeks. The sessions start June 2, June 23, July 14 and Aug. 4.

Last year Carrigan enrolled 274 in his clinic, at which time it was located in Meridian. This will be the 13th year Carrigan has sponsored a school.

Youths from the ages of eight through 20 are eligible to take part in the courses. The fee is \$175 per session and the price includes rooms, meals, tuition, instructions, group entertainment, sheets, pillows, pillow cases, blankets, baseball cap, towels, T-shirts, soap and baseball sox, according to accident insurance.

Agletree, now coaching at the University of Dallas, will assist Carrigan in running the school, as will Mrs. Carrigan.

The school is located 15 miles from downtown Dallas. Facilities include six fenced, grassed ball parks with dugouts, sliding pits, bleachers, automatic pitching machines and an observation tower where one can observe four ball parks at one time.

The dormitories where the enrollees stay are two-story brick buildings, fire-proofed and air-conditioned.

Among enrollees in past Carrigan schools have been Terry Barber of the Los Angeles Dodgers, Cliff Cook of the New York Mets, Wayne Connolly of the Houston Buffs, Pepper Thomas of Milwaukee, Bob Baillargeon of the Phillies and Andy Etchebarren of Baltimore.

Those interested in the school can write to Carrigan, Box 7054, Waco, or Box 1048, Dallas.

Those interested in the school can write to Carrigan, Box 7054, Waco, or Box 1048, Dallas.

### Wolf Gym Scene Of Playoff Tilt

Odessa March 23 and San Angelo April 26.

Representing Big Spring in the tournament will be David McCullah, Neil Robinson, Butch Bradford and Norman Patterson.

All four boys were in the 70's at Abilene.

The medalist at Abilene was Odessa's Claude Wise, who wound up with a 73.

Results in first match: Abilene Cooper (281)—Richard Cooby 74, David Bivley 74, Ron Hebecker 76, Mike Hanner 77.

Midland Lee (286)—Key 74, Taylor 78, Puller 76, Kelly 78.

Odessa Permian (311)—Buddy Cook 78, John Aubry 77, Roy Vance 80, Johnny Brinker 80.

San Angelo (317)—Cecil Salazar 74, Van Waterhouse 78, Bobby Peal 85, Jerry Barcine 78.

Abilene High (321)—Steve Fanning 81, Francisco Martinez 79, Jim Dawley 81, Mike McClure 81.

Coach Don Robbins and a couple of his aides probably will go to El Paso soon to catch part of the spring football workouts at Texas Western College.

Four local boys will be eligible to play for the Miners next year and two athletes now in school here, Eddy Nelson and Walter Minter, could wind up in the El Paso school.

New Mexico State University is also interested in landing Nelson. He'd play basketball solely, if he went to the Las Cruces school.

Everyone who knows him agrees that Midland Lee couldn't have gotten a better man for the coaching job than Joe Newbill, the fellow school administrators hired from Baylor.

The school men there first approached Newbill several weeks ago but Joe rejected the idea, unless they made it worthwhile for him to depart the Waco school. It's generally agreed his pay will be \$9,500 a year.

### Steer Golfers Host District Tourney

Abilene Cooper will carry a five-stroke lead into second-round District 2-AAAA golf competition here Saturday.

All conference schools will be represented in the one-day meet, which starts at 9 a.m. over the Munny course.

This is the second of five such meets, out of which will come the conference individual and team titlists. Total scores will determine the winners, who then become eligible for regional play.

Dan Lewis, coach of the local high school team, will double as director of the tournament, which is due to wind up about 2 p.m.

Big Spring is in good position in the tournament, trailing Cooper by only nine strokes. The Steers are tied for fourth place with Midland.

The first round of competition took place two weeks ago over Abilene's Munny course. After the Big Spring tournament, meets will be held in Midland March 9, 10 and 11.

Crane is the District 7-AAA champion while Comanche is the 8-AAA winner.

Winner of the game becomes eligible to take part in the Regional tournament at Lubbock March 2 and the winner there goes to the State meet at Austin.

Comanche won the 8-AAA crown in a playoff Monday night with Hamilton.

Crane lost only to Stanton in 7-AAA and out-distanced its nearest pursuer, Sonora, by two games in the race.

Track and field coaches of Region IV, of which Big Spring is a part, will attend a clinic at the Lincoln Hotel in Odessa starting at 1:30 p.m. Sunday.

Tentative schedule, with times and speakers: 1:30 p.m.—Hurdles events, Ken Fannon, Kerritt.

2:15 p.m.—Sprint and mile relays, Bob Carter, Fort Stockton; and Max Goldsmith, Andrews.

2:45-3 p.m.—Sprints, James Segrist, Odessa.

### Track Clinic Is Slated Sunday

Track and field coaches of Region IV, of which Big Spring is a part, will attend a clinic at the Lincoln Hotel in Odessa starting at 1:30 p.m. Sunday.

Tentative schedule, with times and speakers: 1:30 p.m.—Hurdles events, Ken Fannon, Kerritt.

2:15 p.m.—Sprint and mile relays, Bob Carter, Fort Stockton; and Max Goldsmith, Andrews.

2:45-3 p.m.—Sprints, James Segrist, Odessa.

3:15-3:30 p.m.—800-yard run, Tom Rogers, Seminole.

3:30-3:45 p.m.—Shot put, Darrell Hogan, Kerritt; and J. C. Collins, Seminole.

3:45-4 p.m.—Discus throw, Larry Turner, Odessa.

4:15-4:40 p.m.—Pole vault and high jump, Ed Nixon, Midland.

4:40-5 p.m.—Broad jump, Jerry Cook, Pecos.

4:45-5 p.m.—Junior high panel on track events.

YMCA Church league play will be completed in the Goliad Junior High gymnasium this evening, with three games on tap.

Baptist Temple tries the YMCA at 7 p.m. First Baptist of Big Spring squares off with First Baptist of Stanton at 8 p.m. The West-side Baptist club tackles the Nazarenes at 9 p.m.

Church Circuit Concludes Play

YMCA Church league play will be completed in the Goliad Junior High gymnasium this evening, with three games on tap.

### Jim Ned To Play Seagraves Here

Coaches of Seagraves and Jim Ned have chosen Big Spring as a site for their Class A basketball playoff game.

The two teams will tangle in the High School Gymnasium at 7:30 p.m. Tuesday night. The winner goes to the Region Meet at Lubbock. Admission prices have been pegged at \$1 for adults and 50 cents for students.

Forsan and Miles will also clash in a Class B playoff game that night in the Howard County Junior College gymnasium, starting their game at the same hour.

Seagraves is the District 5-A titlist while Jim Ned beat Merkel for the 6-A crown in a three-game playoff. Jim Ned is in the same district with Coahoma.

Seagraves played Merkel in a playoff test here last year.

### Russell Hot In Celt Win

Russell, the 6-foot-10 All-American center of the University of San Francisco's marvelous Dons in the mid-50s, went back to his old hometown Thursday night. This time he was a knockout, both literally and figuratively.

The man with the goatee scored 25 points and grabbed 33 rebounds. He also spent 4 minutes unconscious on the floor after being toppled over on his head after a collision with the San Francisco Warriors' Willie Naulls in the fourth period of Boston's 135-118 victory. Russell finally was revived and was able to stay in the game.

In the girls' contest, Sands also won, 41-14.

In games last Tuesday at Sands, the Sands boys defeated Garden City, 24-20, after the Sands girls had won, 27-18.

Against Elbow, all 16 boys suited out by Sands got into the game. The Sands boys now have a 22-4 win-loss record. They play in Garden City next Tuesday evening.

LANSING (AP)—Lester 4-18; Smith 4-18; Russell 6-11; Totals 131-127.

ELBOW (15) McKinnon 1-6; Ellis 1-6; Martin 1-2; Campbell 0-2. Totals 63-113.

Sands by quarters: 14-10, 11-10, 11-10, 11-10. Elbow 6-14, 3-17, 7-15.

Gail Plays Host To Sands Girls

GAIL—Girl basketball teams representing Gail and Sands of Ackerly clash at 7:30 o'clock here tonight in the second round of the District 8-B playoffs.

Sands won the first game of the series, 48-43, in Ackerly earlier this week.

If a third game is needed, it will be played in Lamesa next Tuesday night.

The boys' team of Sands goes to Odessa Monday night for an 8 p.m. bi-district playoff game with Barstow.

The contest takes place in the Odessa High School gymnasium. The winner goes into the Regional tournament.

### Fullmer To View Films On Fight

By JACK STEVENSON  
Associated Press Sports Writer  
LAS VEGAS, Nev. (AP)—Underdog Gene Fullmer plots his strategy for regaining the world middleweight boxing title Saturday night on a movie he can't stand.

Fullmer, who is scheduled to fight in San Francisco on an October night last year, the motion picture shows Fullmer, 31, of West Jordan, Utah, losing his coveted crown to Nigeria's Dick Tiger in 15 brawling, bruising rounds.

"We studied those pictures for six weeks," Fullmer said after both he and Tiger wound up their heavy drills for the nationally televised (ABC) rematch at the Las Vegas Convention Center. "They helped with the planning for this fight. There's no use watching just to see yourself get beat."

Although the new strategy wasn't disclosed, observers who watched Fullmer in sparring sessions feel he won't rush into his foe as he did before.

Tiger, 33, had no movies, but it didn't worry him. He nodded agreement with trainer Jimmy August who declared:

"Dick will do the same as he did in San Francisco. He'll wait and see. Fullmer is supposed to have new strategy. Whatever it is, we'll meet it. Fullmer has been around too long to do much changing at this point."

The former champion reiterated Friday that he'll hang up his gloves if Tiger beats him again.

"But I feel confident," he added. "If I didn't, I wouldn't be trying."

In this city where gambling is legal, the champion was quoted as 3 to 1 favorite to successfully defend his title which is recognized throughout the world except in Massachusetts where home-stater Paul Pender is king.

### LOOKING 'EM OVER

With TOMMY HART

Coach Don Robbins and a couple of his aides probably will go to El Paso soon to catch part of the spring football workouts at Texas Western College.

Four local boys will be eligible to play for the Miners next year and two athletes now in school here, Eddy Nelson and Walter Minter, could wind up in the El Paso school.

New Mexico State University is also interested in landing Nelson. He'd play basketball solely, if he went to the Las Cruces school.

Everyone who knows him agrees that Midland Lee couldn't have gotten a better man for the coaching job than Joe Newbill, the fellow school administrators hired from Baylor.

The school men there first approached Newbill several weeks ago but Joe rejected the idea, unless they made it worthwhile for him to depart the Waco school. It's generally agreed his pay will be \$9,500 a year.

He inherits good material, a fact which, no doubt, helped to change his decision about the position.

Newbill believes in coaching "hard-nosed" football. He'll make other District 2-AAAA members hump. There's no doubt about that. It's getting to be a tough league, tougher than it ever has been before.

# College Trustees Look At Expansion

Trustees of Howard County Junior College continued to look into the possibility of plant expansion as they met Thursday noon at the college.

Nothing definite has been done, but the board may soon be ready to talk about some concrete plans. Last month Dr. C. C. Colvert, University of Texas junior college consultant, presented a study in which he estimated that less than 700 full time students would be enrolled in H.C.J.C. by 1972. Within three years the figure should be 600, he said.

He cited the need for a science building which would accommodate ultimately 1,000 or more students. Within three years the present library will be too small, he predicted, and said that expansion of the present unit would not be practical. He figured that

about \$884,000 would be needed to provide for science lecture rooms and labs and equipment, and a library and additional equipment.

Dr. W. A. Hunt, president of the college, reported that equipment for a course in auto mechanics had been installed and that as soon as the Texas Education Agency and the Texas Employment Commission certify the 20 initial students, instruction will start on March 4. The equipment is installed in the Practical Arts Building in the place of the wood working shop. The wood tools were moved to another building.

As a long range matter, after obligations for training the unemployed and underemployed are met, Dr. Hunt said he hoped that a two-year course for beginning junior college students could be offered in mechanics.

John A. Coffey reported on a summary of the college's insurance and was asked to investigate the matter of coverage on movable equipment.

Trustees voted a new contract with Novis Womack for tax valuation. The city and county have similar contracts for the service. The junior college share will be \$300 per month.

Trustees approved sending a faculty and student delegate to the Phi Theta Kappa convention in Florida. Trustees also authorized engaging an agent for contacting prospective dormitory students for next fall.

P. M. DENTON

## Big Springer Gets Chicago Mission Post

Preston M. Denton, area missionary in northern Illinois since 1958, has accepted the position of city missionary in Chicago Southern Baptist Association. He began his new work Feb. 1.

The city mission program in Chicago is supported jointly by the Illinois Baptist State Association and the Home Mission Board of the Southern Baptist Convention. A native of Big Spring, Denton has a degree from Hardin-Simmons University and the B.D. degree from Southwestern Baptist Theological Seminary in Fort Worth. He served as pastor of churches in Texas during his student years as well as evangelizing work and while serving abroad in the armed forces.

He went to Illinois as pastor of the Pasadena Baptist Church in Springfield, Ill., where he served three years. He then became missionary in Westfield Association and after two years was chosen by the state missions department to serve as an area missionary in northern Illinois.

Denton is the son of Mrs. Mabel Cloud of San Angelo in 1948 he was married to Mildred Sullivan, daughter of Mrs. Charlie Sullivan and the late Judge Charlie Sullivan, Big Spring.

The Dentons have five children.

## A. T. Caffey Dies Thursday

COLORADO CITY (SC) — A. T. Caffey, 64, died of a heart attack at his home in Colorado City Thursday. His body was found in the kitchen of his home about 4 p.m. by his wife.

He was born Dec. 12, 1896 at Georgetown and married Pearl Brinkley in Brownwood in 1921. He moved to Colorado City in 1925 and began working for the Col-Tex Refinery about 1930, where he was still an employee. He was a member of the Oak Street Baptist Church.

Funeral arrangements are pending at Kiker and Son Funeral Home. He is survived by his widow, two daughters, Mrs. Ross Dixon Jr., Costa Mesa, Calif., Mrs. Wayland Roberts, Lubbock; four sons, Clifton Caffey, Amarillo, B. I. Caffey, Bethany, Okla., Jack Caffey, Santa Mesa, Calif., and Bob Caffey, Big Spring; one brother, A. Caffey, Brownwood; two sisters, Mrs. George Wilson, Brownwood, Mrs. Floy Manard, Rising Star; and nine grandchildren.

## Weather Reduces Meet Attendance

The weather reduced the attendance at the annual Washington's Birthday program at the Big Spring Masonic Lodge No. 1340 Thursday night. About 30 fathers and sons heard former Webb AFB Maj. Marvin Lindeman, now of San Angelo, speak on the life and activities of George Washington.

The speaker has made a study of the life of Washington and, especially, his Masonic activities, and contributions to a child supper followed the program, with the cold weather helping the demand for refreshments.

# Doctor Connects Smoking Cigs With Heart Disease

It may be debatable whether cigarettes are responsible for lung cancer but in medical circles, you find no disagreement that cigarettes are damaging in heart cases. Dr. Bruce Sanders, Big Spring physician, told the Big Spring Kiwanis Club Thursday.

Big Spring policeman, who is gaining renown as a composer-singer.

Dr. Sanders said that the time will come when surgeons will be able to replace a heart which has failed. That day is not yet here, he said, so the thing to do now is to reduce, if possible, the prevalence of heart disease.

Many causes contribute to heart disease but keeping waist lines down, avoiding tension, and engaging in reasonable exercise will do much to prevent the disease.

"I am not suggesting you go on a 30-mile hike," said the speaker. "Indeed, that would probably be about the worst thing you could do. However, a mile hike each day would certainly be beneficial to your heart."

He added, in his comment on cigarettes, that no connection between heart disease and cigar or pipe smoking has been found. The threat to a healthy heart traces directly to cigarette smoking, he said.

Mr. Hungerford, speaking on brotherhood and the need for loving one's neighbor in these dangerous days pointed out that "we

have the choice of either walking with our arms around our brother's shoulders or standing with our hands around his throat."

Smith sang two of his own compositions for the musical portion of the program. He has been having success with recent recordings of his numbers.

Announcement was made that the Kiwanis Pancake supper had 1,506 diners. Final figures on receipts will not be available until all club members have reported on their ticket sales.

## News Media Invited To Conference

WASHINGTON (AP)—The White House is inviting representatives of all news-gathering media to an unprecedented April conference that could turn into a doomybrook over the Kennedy administration's public information policies.

The session will be held at a private retreat near Warrenton, Va., April 5-6. It was learned today. Arrangements are being made by Pierre Salinger, White House press secretary.

Informed sources said the conference was prompted in part by the fact that several associations representing news media have adopted formal resolutions criticizing federal information practices.

This does not mean, however, that the meeting will be a one-way affair—with newsmen leveling all of the criticism.

There is reason to believe the administration hopes not only to rebut the anticipated criticism but to let loose with some complaints of its own—against the press. This is why the conference might well develop into a battle royal.

The meeting will be held at Airie House, a retreat in the Virginia hunt country which often has been the site of high-level "brainstorming" sessions involving private groups.

## Health Care Delay Seen

WASHINGTON (AP)—Congress won't decide on President Kennedy's health care program before next year, key supporters and opponents agreed today.

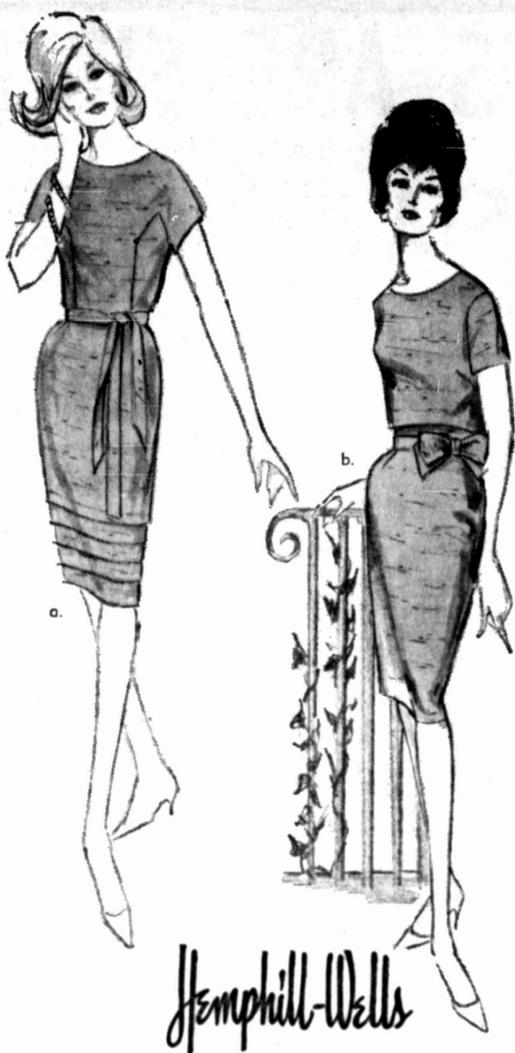

The President is hopeful of quicker action on his renewed plea to provide care for the aged through an increase in Social Security taxes. At his news conference Thursday he said, "I think we might get the bill by this year."

But clearly aware of the long road ahead Kennedy also remarked that the measure "has the problem of coming out of the Ways and Means Committee."

This committee is just getting into stride in its work on a more complex and higher-priority Kennedy program—the tax reduction and revision bill.

Public hearings on this measure are expected to run through next month and committee consideration through May.

There is no prospect whatever, reliable sources said, that the committee will take up the health bill before the House acts on the tax measure, perhaps in June, and if the Senate passes the tax bill and a conference to adjust differences is necessary, this would mean a further interruption in the progress of health legislation.

Behind The Scenes

Nora Swinburne, right, star of "Music at Midnight," shakes hands with Mrs. Dwight D. Eisenhower after the Florida presentation of the Moral Re-Armament morality play which now is touring the U.S. from England. Former President Eisenhower greets co-star Walter Fitzgerald (not shown) as show manager Don Birdsall looks on.

## Show At Midland Bares Political-Moral Decisions

"Music at Midnight," a traveling morality play under sponsorship of Moral Re-Armament, will play Friday and Saturday evenings in Midland. The stage production will be at the Midland High School auditorium, with curtain time at 8:15 p.m.

The message, as presented by the British cast, is approximately the same as that expounded by the world-wide movement which is sponsoring the play's U.S. tour: that the free world, to defeat communism, must reassess its moral and ethical values and do something about them.

The play is not really a play as

## Grant To Help Cotton Study

LUBBOCK—A \$35,000 research grant to expose the innermost secrets of the cotton plant was announced today by Roy Forkner, Lubbock, and LeRoy Durham, Plainview, Cotton Producers Institute trustees for West Texas.

Awarded to Texas A&M College, the grant is for basic physiological and biochemical studies of the cotton plant. The Institute's first-year total will combine with approximately \$80,000 in program support from the college and the USDA, Mr. Forkner said. In addition, two major modern buildings, radiochemical laboratories, environmental control chambers, and other facilities essential for a project of this type will be available for the work.

## Film Available

CHICAGO — A twelve-minute sound filmstrip which tells how aging city neighborhoods can be rehabilitated through cooperation between their citizens and local government has been released. Called "Let's Talk Housing," the filmstrip is designed for use by neighborhood and civic organizations and governmental agencies involved or interested in rehabilitation programs.

It is available free of charge on a loan basis by writing Community Planning Division, Sears, Roebuck and Co., Department 703, 925 South Homan Avenue, Chicago 7, Ill.
