AND ARE PRETTY WELL TEXANIZED IN THE PROCESS

Petrofina Officials Get Look At City, Cosden Facilities

By BOB WHIPKEY Top officials of the Petrofina Companies spent the better part of Saturday in Big Spring, having a first look at the city and the Cosden facilities they are due to take over—and got pretty well Texanized in the process.

Here for a tour that combined business conferences and goodwill were Laurent B. Wolters, chairman of the board and managing director of Petrofina, S.A.; Jacques Meeus, managing director of the same firm, both from Brussels, Belgium; and Harry A. Jackson, New York, president and member of the board of directors of American Petrofina, Inc.

Jackson is also president and member of the board of Petrofina of Texas, a Dallas-based subsidiary.

DEAL ALL BUT CLOSED

Agreements have all but been concluded for American Petrofina to acquire all the assets of Cosden Petroleum Corporation of Big Spring. This is subject to statutory action at a meeting of Cosden stockholders next Thursday—and sufficient votes have been registered to ratify the agreement—and formal transfer on April 29.

WOLTERS, MEEUS AND JACKSON SPENT THE DAY IN CONFERENCE WITH VARIOUS COSDEN OFFICIALS, WERE GUESTS AT A LUNCHEON WITH OFFICERS AT THE COSDEN CLUB AT NOON, MADE A TOUR OF THE REFINING PLANT, AND THEN CLIMAXED THEIR VISIT WITH A QUICK VISIT WITH MEMBERS OF IUOE LOCAL 826, WHO TURNED OUT EN MASSE TO WELCOME THEM.

HONORARY TEXANS

There was a standing-room

crowd of perhaps more than 300 at the Local 826 Hall Saturday afternoon.

The Local presented the three visitors with honorary Texas citizenship certificates—duly signed by Governor John Connally—then topped this by giving each of them a Texas-style Stetson hat.

Jackson spoke briefly to the labor gathering, saying "the horizon for us shows fair weather ahead." Negotiations for acquisition of Cosden have been long but pleasant, he said, "and we foresee a continuation of pleasant relations."

A. G. Goodson, Cosden negotiation committee member for Local 826, joined in the presentations, and told the officials that "this is a venture that we have an interest in and we, too, anticipate an amicable situation."

LUNCHEON

R. L. Tollett, Cosden president, who is to be president of Cosden Oil & Chemical Company, a successor organization to the corporation being extinguished, was host to Wolters, Meeus and Jackson at the luncheon. Here they were presented with copies of the Shine Phillips book, "Big Spring."

At the private affair also were the following: Marvin M. Miller, senior vice president; Nelson Phillips Jr., vice president and general counsel; R. W. Thompson, vice president, pipeline and supplies; Paul D. Meek, vice president, chemicals; R. O. Wilson, vice president, asphalt sales manager; Ernie K. Dodson, vice president, exploration; Lewis M. Thompson, vice pres-

ident, production; Richard M. Johnson, vice president, sales; Douglas L. Orme, vice president, traffic; Joe A. Moss, secretary and assistant general counsel; L. T. King, treasurer; C. Wes Shouse, executive assistant to the president; and Frank Eck, president of Cosden Petrochemicals.

VARIOUS VISITS

Tollett, Miller, Phillips, R. W.

Thompson, Meek, Wilson, Moss, King, Shouse and Eck are to be directors and/or officers in the new Cosden Oil & Chemical. The Petrofina officials spent the morning at company offices and getting a first-hand briefing on various operations; after the luncheon, they were at the refinery for an inspection tour that lasted about an hour and a half. They departed by plane for New York late in the afternoon.

← Welcome To Big Spring— R. L. Tollett, president of Cosden Petroleum Corporation, welcomes three top Petrofina officials to the city. They are (2nd left to right) L. B. Wolters, chairman of the board and managing director, Petrofina, S.A., of Brussels, Belgium; Harry A. Jackson, New York, president of American Petro-

—Now They're Texans → L. B. Wolters, Harry A. Jackson and Jacques Meeus sport Texas ranch Stetsons, gift of members of Local 826, IUOE, who turned out some 300 strong to greet the visitors Saturday. The visitors also received certificates from the union naming them honorary citizens of Texas.

Reviewing The Big Spring Week With Joe Pickle Top officials of Petrofina, S. A. and American Petrofina Inc. visited here Saturday, a reminder that a new association is shaping for Cosden before this week is out, the dissolution of Cosden Petroleum Corporation is due to be approved by stockholders and its assets sold to American Petrofina. The honored Cosden name will not disappear, however, for a new concern to operate the refining and petrochemical companies here will carry that banner.

While yards are abounding in iris, roses and other spring flowers, one of the surer signs of spring was noted: The Tigers, a baseball team composed chiefly of Latin American players, announced they will open another season today. For more than three decades this team has been playing ball.

Volunteers have achieved a tremendous record at the Big Spring State Hospital. Dr. J. H. Burnett, president of the volunteer council, announced that within the past three months, volunteers have put in 7,300 hours; within the past year 30,000 hours. Two of the faithful—Mrs. Myrtle Pulliam, Midland, and Mrs. Winifred Piner, Big Spring, were recognized for outstanding records—about 6,000 hours each.

You'd better make sure your car has been safety inspected and you'd better make sure you have your operator's license with you. Police set some trap lanes last

(See THE WEEK, page 6-A, Col. 3)

Take Risk On Cuba, Nixon Asks

WASHINGTON (AP)—Richard M. Nixon urged President Kennedy on Saturday to risk the international consequences of unleashing Cuban exiles as part of a stepped-up power drive to liquidate communism in Cuba. Nixon, who lost the presidency to Kennedy by a whisker in 1960, won applause when he told the American Society of Newspaper Editors that "we have got to take what risks are necessary to do the job" of erasing the Soviet beachhead in this hemisphere.

In response to questions the former Republican vice president said he believes there should be a fundamental change in policy by the Democratic administration in regard to this matter. He called for substitution of a "freedom doctrine for the American Monroe Doctrine. He said the United States can no longer afford to pursue a policy merely of containment of communism either in this hemisphere or elsewhere in the world. Nixon said he is not advocating either a blockade or invasion of Cuba at this point. But he said that the United States must "do what is necessary" to restore Cuba to freedom.

"I think we should be ready to take the consequences of such action," he said. "I believe that would be less risky than not acting at all."

Discussing Kennedy's restraint of refugee hit-and-run raids on the island, Nixon said this course also involves risks.

"We cannot sit too long on this powder keg and say to the thousands of refugees, 'We are going to quarantine you instead of Prime Minister Fidel' Castro." "We should turn that policy around. In wide-ranging criticism of the President's policies, Nixon said the administration's strategy since last October's missile crisis had been to "pull defeat out of the jaws of victory." His general appraisal of the President's handling of foreign affairs was that, "The Atlantic alliance is in disarray, Cuba is western Russia and the rest of Latin America is in deadly peril."

Little Spring Fever For Week In Austin

AUSTIN (AP)—There will likely be little spring fever in the Capitol this week.

Legislators are in a hurry to end the session before or near the automatic May 27 cutoff date. Sponsors of bills plead with representatives and senators, "Let's pass this bill now or it will be too late."

The two items responsible for most special sessions in recent years—tax bills and appropriations—are scheduled for consideration this week, along with a variety of other measures.

FORMAL MEETING

A Conference Committee considering differences in \$3.1 billion appropriations bills passed by the House and Senate meets Monday for their first formal meeting. Their deliberations are in secret.

The ten legislators will compromise on the basic differences on where money should be spent and bring their findings back to both houses for acceptance or rejection.

The Senate spending bill comes closest to Gov. John Connally's recommendations for giving colleges and universities more money.

The spending bill will have to provide for changes made by the legislature, such as the merger of the Game Commission with the Parks Board.

MORE MONEY

Another \$11 million is raised by extending the corporation franchise tax for one year. Changing the tax on the purchase of motor vehicles from 1.5 to 2 percent adds another \$6.4 million. Other minor revisions are made in the sales tax passed by the legislature in 1961.

The House wants the tax bill to go into effect July 1. Monday the House has on its calendar a proposed free permanent voter registration system to take the place of Texas' \$1.75 poll tax. A number of bills ahead of it may put off debate until later in the week. Also ready for debate in the House is a Senate-passed annual voter registration measure carrying a 25-cent fee. It comes up Wednesday.

Rep. John Allen of Longview, chairman of the House State Affairs Committee, hopes his committee will approve a conflict of interest proposal which stiffens the penalty for state officials engaging in business ventures over which they have direct regulation. The subcommittee considering such a proposal met last week to work out a proposal they hope the legislature will accept.

CHANCE TO VOTE

Rep. Ben Jarvis of Tyler, chairman of the House Banking Committee, said his committee will get a chance Tuesday to vote on a loan company regulation bill. "Whether they pass one out, I can't say," Jarvis said.

Neutralists Draw Back Before Reds

Rocky May Marry Again

NEW YORK (AP)—A question of whether Gov. Nelson A. Rockefeller intends to remarry—soon—was raised Saturday by the divorce of an heiress who once worked on his staff.

Both the multimillionaire Rockefeller, a possibility for next year's Republican presidential nomination, and Margaretta Haopyl Murphy, the heiress, remained silent.

"No comment," the governor told newsmen who pined him with questions about romance as he arrived at a midtown hotel for a speaking engagement. He was smiling.

The names of Rockefeller, 54, and Mrs. Murphy, 35, mother of four, have been linked by newspaper smart-set columnists since soon after he was divorced in March 1962.

Status Of Major Bills

AUSTIN (AP)—The status of some major issues of the legislature after 37 legislative days:

- (C) Connally's program. Proposed amendments: (C) Equal women's rights—Passed Senate. (C) Abolishing poll tax—Passed Senate. Other legislation: Creating Angelo State College—Passed Senate. Creating Pan American State College—Passed Senate. Establishing study of capitalism vs. communism in high schools—Passed House. (C) Election Code revision—Passed Senate, tentatively approved by House. Annual voter registration—Passed Senate, on House floor. Permanent voter registration—On House floor. Appropriations—In conference committee. (C) City annexation regulation—Passed House, on Senate floor. Congressional redistricting—Passed House. Criminal Code revision—Passed Senate, on House floor. (C) Creating tourist development agency—Passed House, on Senate floor. (C) Higher speed limits—In conference committee. Open meetings—Passed House. (C) Small loan regulation (conference substitute)—Passed Senate. Increase sales tax yield and extend franchise tax—Passed House.

Britain, Russia To Seek Peace

VIENTIANE, Laos (AP)—Neutralist forces withdrew to the edge of the vital Plaine des Jarres in east-central Laos Saturday, ahead of advancing troops of the pro-Communist Pathet Lao, military sources reported.

Britain and the Soviet Union agreed to attempt to bring an end to fighting that has stirred up grave concern in Washington and other Western capitals over Laos' neutrality.

Seizure of the plaine, straddling one of the chief north-south routes, would help the pro-Communist Pathet Lao solidify its domination of northern Laos, bordering on Red China, Communist North Viet Nam and neutralist Burma.

The military sources said the neutralist forces of Premier Prince Souvanna Phouma had retreated under command of Gen. Kong Le to set up a new command post at Muong Pan, about three miles west of their previous positions.

The sources added that Kong Le had left a rear guard of two companies in an attempt to forestall the advance of an estimated 10,000 Pathet Lao troops.

Kong Le was said to have run low on ammunition and appealed for more.

The neutralist general is believed to have five battalions of 250 to 400 men each. This contrasted with previous estimates that he had 5,000 men under his command. There have been reports that 250 neutralist troops sympathetic to the Communists had joined the Pathet Lao.

Defeat of the neutralists could pit the Pathet Lao in a bloody clash with the rightist faction headed by Gen. Phoumi Nosavan, a deputy premier. The Pathet Lao leader is Prince Souphanouvong, also a deputy premier and half-brother of Souvanna.

Laos is governed by a neutralist-rightist-leftist coalition.

A Red Chinese broadcast monitored in Tokyo claimed that "pro-American reactionaries" had provoked the Pathet Lao offensive by bombing Pathet Lao headquarters on the Plaine des Jarres last Wednesday.

The New China news agency broadcast quoted a Pathet Lao radio as saying: "This was another flagrant provocation of the pro-American reactionaries in the neutralist faction."

Franco Slays An Old Enemy

MADRID, Spain (AP)—The Franco government, scoring a clemency appeal from Soviet Premier Khrushchev, executed a Spanish Communist leader at dawn Saturday. Communists outside Spain stormed and called it murder.

Rumors circulated at the Vatican that Pope John XXIII also had sent a clemency appeal. The Vatican neither confirmed nor denied the rumors.

Julian Grimau Garcia, 52, a balding, thin-faced member of the outlawed Spanish Communist party's ruling Central Committee, was the victim. He was shot to death by a squad of riflemen in the courtyard of Carabanchel Prison. He died less than 48 hours after a military court convicted him of military rebellion dating from 1962 back to Spanish civil war days.

Grimau—a man almost unknown in modern Spain until a wave of propaganda abroad made his name familiar after his detention last November—spurred the offer of Holy Communion and Confession from an attending Roman Catholic priest in the half-light of a cloudy Madrid dawn. Informants said Grimau was raised a Catholic and that members of his family in Spain are Catholics.

He was blindfolded after a final cigarette, settled quietly into his appointed place against a courtyard wall, and seconds later crumpled dead.

The Soviet premier asked mercy for Grimau on the ground that his alleged crimes occurred during civil war and more than 25 years ago. Khrushchev said all mankind would be grateful if Grimau's life was spared.

Kennedy Launches Urgent Bid To Save Neutral Laos

WASHINGTON (AP)—President Kennedy launched an urgent diplomatic salvage operation Saturday to save neutral Laos from collapsing under Red pressure.

Kennedy held a strategy session of the National Security Council on Laos during the morning amid reports that militarily superior Communist forces are wiping out positions held by neutralist Gen. Kong Le.

The White House meeting delayed somewhat the President's departure on a speaking trip to Boston. Kennedy set a follow-up meeting of the top U.S. strategy group for Monday, when the admittedly grave Laos situation will be considered again.

After the council meeting it was announced that:

1. Secretary of State Dean Rusk was promptly calling to the State Department the ambassadors of India, Canada and Poland—the members of the three-nation International Control Commission

which is supposed to police last year's Geneva agreement for the independent, neutral Laos. The envoys saw Rusk during the afternoon.

2. Undersecretary of State W. Averell Harriman will leave Sunday for Paris and London to talk with high government officials. The British and French are members of the 14-nation Geneva accord.

3. The U.S. ambassador to Thailand is cutting short his current Washington visit for consultation and is immediately returning to Bangkok. Thailand, a U.S. ally and a neighbor of Laos, was where Kennedy sent several thousand U.S. troops last year after the Reds threatened Laos.

There was no indication that U.S. military intervention or a show of force was decided on at the White House meeting. Officials declined to rule out the possibility of a U.S. military move later, however.

JUST AN ACCIDENT OF ORBIT Next Astronaut Will Fly Over Red China

HOUSTON (AP)—Astronaut Gordon Cooper's orbital flight plan calls for him to spend nearly 45 minutes over Communist China and Tibet.

The flight map, prepared for the Manned Spacecraft Center by the Air Force Chart and Information Center, shows Cooper will cross Chinese territory seven times during his 34-hour flight.

Cooper's flight is set for mid-May, space officials said Saturday. Launch plans reportedly bracketed the dates of May 14-25.

Cooper's crossing of Communist territory marks no significant change in American space launches but rather reflects the longer period of time he will remain in orbit, space officials said.

They said the actual plan calls for a maximum flight of 34 hours and 10 minutes. This would cover 22 orbits, with a landing in the Pacific slightly southeast of Midway Island.

A 23rd orbit was plotted for Cooper, officials said, in case of an emergency. The 23rd orbit crosses close to Hawaii, location of well equipped hospitals and emergency search and rescue equipment.

Officials said major recovery areas are set up at 14 points in the Atlantic and Pacific oceans. These "planned landing areas" will be covered by ships and aircraft to permit Walter Williams, flight operations director, to terminate the flight at any of several different points.

The first time Cooper is to cross Red China occurs about 10 hours and 20 minutes after launch on orbit 7, just after crossing north of Thailand. He will spend four minutes over China on that orbit.

The flight plan calls for him to make five to nine minute passes over Red China again on orbits 8, 9, 10, 22 and 23.

The plan also calls for him to pass north of Houston on the first orbit and again on orbit 16. He will pass over Houston on orbits 8 and 18, Dallas and El Paso on orbits 2 and 18.

He said Texans were under the foot of tyranny and the battle gave Texans hope to free themselves from the dictatorial power of Mexican Gen. Santa Anna.

"It gives equal hope today, when the foot of tyranny stands but 90 miles from our American shores," Connally said in reference to Cuba.

"I say if there's ever a time to prove that we are Americans and Texans—and are worthy to be descendants of those brave men who fought at San Jacinto—that time is now."

THE CHURCH STORY

A special section in today's Herald gives a comprehensive presentation on the churches of Big Spring—their activities, their growth, their impact on the community.

This should be a fine reference for every home in the city. May we suggest that you make a point of keeping this section, and making use of it at any time? Some additional church news appears on Page 2-D of the regular edition.

Military Precision

The Air Force, Lt. Marie McClure, and the stork had it all worked out with military precision. Lt. (Mrs. R. E.) McClure received her discharge from AF nursing duties Tuesday at noon. By 3:30 p.m. that day she was admitted to Webb AFB Hospital, and at 3:43 a.m. Wednesday the stork put down to a perfect landing with a 6-pound, 7-ounce baby girl, Lesia Marie. Mr. and Mrs. McClure and Lesia Marie are at home at 1205 Marijo. Maternal grandparents are Mr. and Mrs. Vincent Scoglio, Brooklyn, N.Y. Paternal grandparents are Mr. and Mrs. Eck McClure, Route 1.

Rape Trial Listed First On Docket

A C Elliott, an airman accused of rape, is slated to go on trial in 118th District Court Monday. A special venire of 125 members has been drawn and instructed to report to court at 9 a.m.

Elliott is accused of assaulting a 19-year-old babysitter employed in his home Sept. 4.

Courthouse attaches said there is every likelihood that the Elliott case would be the one tried this week but there is another capital case also set for the same date—Jerry Lee Parker, charged with murder with malice.

Both cases were docketed for special trial this week with the stipulation that which ever case does not come to trial would be reset for May 20. Another capital case is also docketed—a murder with malice charge against Roosevelt Carter. On that date, the same procedure will be followed as on Monday. The two cases will be called; one will be announced ready and the other continued. A special venire will also be on hand May 20 to serve in whichever case is set for trial.

Parker, a young Negro, is accused in the murder Aug. 26 of Stanley Williams, 90. Williams, a retired farmer, was so badly beaten by an invader in his home that he died. The object of the attack was robbery, the state contends. It occurred Aug. 26 but it was not until Oct. 23 that Gil Jones, district attorney, filed a charge of murder with malice against the defendant, Parker.

Roosevelt Carter, whose case is scheduled for May 20, faces two murder with malice indictments. He is alleged to have shot two other Negroes to death Jan. 12. Slain were Arthur Roland Williams and Jerry Johnson. The shooting occurred in front of a tavern on the north side of town.

Checking The Herald

J. E. Leiser, field auditor for the Audit Bureau of Circulations, has just finished a complete check of Herald circulation records. He is shown here as he worked in the local office last week. ABC is a national firm which independently audits the circulations of various newspapers and magazines, and its findings are set forth as certified net paid circulation. Figures are not released until Leiser's audit is published, but The Herald continued to show circulation gains.

Pablo, The Fidgety Fugitive, Is Back

Pablo Campos, 30, the elusive Latin-American with a strong case of pooky claustrophobia, is back in the Howard County jail.

Pablo's distaste for imprisonment has led him in the past to jump bonds, feign suicide and finally to jump out of hospital windows.

He made his last leap March 27, clad only in his shorts, and has been on the wanted list since then.

Sheriff Miller Harris, who was distracted momentarily while sitting up with his "patient" in a hospital, returned the fugitive Friday from San Antonio. Campos had been picked up there in a narcotics raid. Two San Angelo officers, Roger Wallace and George Jaines, accompanied Harris because Campos admitted to a San Angelo burglary after escaping from the hospital.

Campos has been locked in a security cell in the county jail, and the sheriff said he intended to make certain Pablo stays put this time.

After vaulting out the window at Cowper Hospital, Campos ran north a block and then west. About three blocks from the hospital he came upon a parked car in a driveway. He told the sheriff the keys were in the switch, and he found a pair of pants and shirt on the floor of the car. He donned the clothing, rolled the car into the street and drove to Odessa. There he abandoned the car (it was found March 28) and caught a ride to Lubbock.

After a few days in Lubbock, he and Adolfo Marines, whom he met, caught a ride on a truck back south.

THROUGH HERE
"They came through Big Spring"

Struck By Truck

DALLAS (AP)—A Highway Department surveyor was killed Friday after he was struck down by a pickup truck at a construction site. He was Charles Blakely, 23, of Garland. He was knocked into a barbed wire fence by a truck driven by Mrs. Minnie Kuykendall Hall, 35, of Grapevine.

To Seek Divorce

LOS ANGELES (AP)—Actress Jayne Mansfield plans to go to Juarez, Mexico, in about a week to shed husband Mickey Hargitay, says her attorney.

went on to San Angelo where they pulled a burglary for which they are charged in Tom Green County. Then they went on to San Antonio," said Harris.

Campos is under indictment here as an habitual criminal, the maximum penalty for which is life imprisonment. Prior to his recent escape, he twice was a fugitive as a bond jumper. Released on bond after a burglary charge, he failed to appear in court and his bond was forfeited. For two

years he stayed missing. Picked up in San Antonio he was returned to Big Spring only to have bond posted again. Once more he skipped but his bondsmen located him once more in San Antonio and sent him back. It was after this that a fellow prisoner, passing his cell, noticed Pablo sprawled in his cell in a pool of blood. Rushed to the hospital, he was treated for slashes on his upper right forearm. After emergency aid, he was consigned to a room over night, but he didn't stay.

Loraine Asks Bids

Bids will be received May 14 for a vocational building for the Loraine public schools, it was announced Saturday.

The proposals will be opened by trustees at an 8 p.m. meeting on that date at the school house. All phases of the project will be covered under the general contract, including plumbing, heating, evaporative cooling, as well as the structure.

Included will be a homemaking department, room for music and band, vocational agriculture classroom, vocational agriculture shop, etc. Bidders will project their own number of working days.

The project is estimated by Gary & Hohertz, architects, at around \$70,000.

How Important Is Your Home?

Your home and loved ones are sacred to you, and you would protect them with your life. Nothing but the best you can provide is good enough for them. But—are you protecting them from the emptiness of a non-spiritual life—from the coldness of death with-wholesome happiness they will never forget.

How important is your home? You can give them the best in Christian influence and training ONLY when you encourage them to read—and read with them—the Bible, and bring them regularly to Bible study and worship. You can not only protect their souls for eternity; you can give them a life of rich fullness and genuine.

Be with us today! Bring your family! 9:30 and 10:30 a.m.; 7:00 p.m.
By T. H. Tarbet, preacher, Church of Christ, 3900 West Highway 80, where you are always welcome. —Ad.

Scouts Plan Big Camporee

Boy Scouts of the Lone Star District will pitch camp this week end for a major outing.

D. D. Johnston, district camping and activities chairman, said that the Round Up grounds southeast of the City Park were being conditioned for the big gathering Friday and Saturday Showers a fortnight ago brought on a growth of grass and weeds, enhancing the camping and contest areas.

A series of tests of physical, camping and scouting skills have been planned by Carl Campbell, associate of Johnston. Almost from the time scouts arrive Friday afternoon until they break camp Saturday afternoon, there will be something going.

Approximately two score adults will be involved as judges and camp officials. Lige Fox and his health and safety committee, will be inspecting camps.

One of the features of the camporee, which will draw several Glasscock and Sterling counties, will be a big campfire Friday evening.

Action Expected On Military Pay

WASHINGTON (AP) — House action is expected soon on a bill to authorize a \$1.2-billion yearly increase in military pay and allowances, effective Oct. 1.

Backed by the Defense Department as a necessary step in helping the armed services recruit and retain personnel, the bill would give increases to all active and retired persons, except those with less than two years' service.

Rep. Carl Vinson, D-Ga., chairman of the House Armed Services Committee, has said he hopes to bring it to a vote in the House during the first week of May.

As approved by the committee 31-1, on April 9, the bill would provide varying percentage increases ranging from 5 per cent for generals and admirals to 16.4 per cent for first lieutenants and 16 per cent for master sergeants.

Retired personnel would get an increase of 5 per cent plus automatic increases in the future whenever the cost of living index rises 3 per cent.

Increases in subsistence allowance for officers and ration allowances for enlisted men would also be provided, along with a new allowance, equivalent to one third of the quarters allowance, for personnel who are not allowed to take their families with them to duty stations. The new provision is called the "family separation allowance."

The biggest fight in committee was over the retirement pay section, which Rep. Mendel Rivers, D-S.C., chairman of the subcommittee that handled the original Defense Department proposals, called the most complex and controversial part of the bill.

Rivers' subcommittee accepted the department proposal that persons who retired before June 1, 1958, be allowed to recompute their retirement pay on the basis of higher pay scales that became effective on that date, but the full committee knocked it out of the bill.

The 5 per cent boost in retirement pay would provide \$56,730,000 a year for the nearly 350,000 military personnel now on the retired lists. The number is growing at a rate of more than 30,000 a year and by 1980 retirement costs under existing pay scales will be more than \$3 billion annually.

Two Amarillo Girls Die In Fire

AMARILLO (AP) — Two small girls died Saturday when fire destroyed an old frame house in southeast Amarillo. Five children were saved.

Sharon Leona Howery, 18 months, and Della Ann Howery, 5, suffocated, police said. They were the daughters of Mr. and Mrs. Doyle Bozeman.

Instructor, Pilot Eject From T-37

An instructor pilot and his student safely ejected from a disabled T-37 jet trainer near Greeley, Colo., Friday evening Webb AFB announced.

Landing without any injuries were 1st Lt. Robert K. Wagner, instructor, and 2nd Lt. David H. Martin, student. They landed on the Judge Biggs farm five miles northwest of Greeley at 8:50 p.m. CST and were flown in a helicopter to Lowery AFB near Denver.

Webb officials were advised that the plane had engine trouble and then flamed out while on a student cross-country flight. The craft hit open country nearby.

Saturday a team of investigators from Webb AFB, were dispatched to Colorado to assist in the investigation of the cause of the disability during the flight to Buckley AFB.

Lt. Wagner is assigned to the 3561st Pilot Training Squadron, and he lists an aunt, Mrs. Ruth Zwisher, Pomona, Calif., as his next of kin.

Lt. Martin is the son of Harold Martin, Delmar, Calif.

Webb Officers Are Honored

Honors went to two Webb AFB personnel last week.

Lt. David T. Burton, 3561st Pilot Training Squadron, was selected Instructor Pilot of the Month for March. He entered the Air Force through the ROTC in 1959 and received his primary flying training at Bainbridge Air Base, and his basic training at Reese AFB. Since November, 1961, he has been an instructor at Webb.

Lt. Burton has accumulated more than 1,000 hours of flying time including 750 hours of jet time. He has received five consecutive ratings of "excellent" on his base and command level standardization checks.

Capt. Hal W. Brown, weather instructor, was selected as Classroom Instructor of the quarter for January-March, 1963.

He has had training in Spanish and Russian languages and received his commission in 1953 through OCS. He served as weather observer, weather forecaster or weather officer in Washington, D.C., Maryland and Alaska, until assigned to Webb in November, 1962, as a weather instructor in the Academic Section.

Elk Officers

Elk officers were honored at an installation dance Saturday night. From left, bottom row, are: Don Penn, treasurer; Elmer Lee Mulky, inner guard; Chuck Coley, chaplain; R. H. Snyder, tiler; top row: Hanson Lawhon, loyal knight; J. G. Littlejohn, 5-year trustee; Dudley Jenkins, lecturing knight; E. R. Patton, leading knight; Leland Graves, exalted ruler; Glen Gale, secretary, and Fred Greenberg, esquire.

Federal Aid Issue Set For A Hearing

The Big Spring city commission will begin its meeting at 5 p.m. Tuesday, with a public hearing in the auditorium. This will be an informal affair to determine the attitude of residents and taxpayers on asking for federal aid to apply on construction of Beals Branch trunk sewer line in 1964.

Application must be made before May 1 of this year for consideration in pro-rata grants for 1964. The proposed grant would, if approved, be up to \$130,000. Master Plan bond program funds allocated for the trunk sewer, downtown relief sewer, and Ninth and Settles street relief, totaled \$370,000.

The connecting portion of the trunk sewer line, from the old sewage disposal plant to the new, has been installed as the new plant was completed, and the Ninth and Settles relief line installed in 1962. The remainder of the work will run around \$325,000 of the bond money.

A federal grant of up to \$250,000 was approved to apply on construction of the new sewage disposal plant and rehabilitation of the old plant. The exact amount to be received will not be known until the final audit is made, after completion of the new plant, but is expected to exceed \$230,000.

Three commissioners were against asking for federal aid, one was non-committal, and the other for the grant. At the last regular meeting April 9 when the subject was presented by City Manager Larry Crow. The public hearing was called to determine the attitude of the taxpayers of the city.

The agenda for the regular meeting, following the public hearing, had not been completed Friday, but several major items are to be considered, including bids on the proposed garbage container and pickup system for commercial areas of the city. Two firms, providing equipment for the service, submitted bids which were opened Thursday. They will be tabulated and analyzed for Tuesday night's meeting.

LETTERS TO EDITOR

More Individuals Voice Objection To Sewer Aid

To the Editor: In principle, I am opposed to the acceptance of federal funds for local needs. Socialism is a result of the type of thinking "that one can get something for nothing." Either way the individual taxpayer has not as yet paid for it, but must at some future date. Our sewer plant was reputed to be 20 years out of date, yet we avoided the subject for 20 years expecting someone to take care of it for us. Only through desperation did we find the gumption to begin a project of that magnitude and even at that we accepted federal funds to finish the job. Perhaps the Beal's Creek sewer line issue boils down to the question of can it be done on a local basis. Are we big enough (in determination) to pay our own way. Once before we voted on federal assistance for a slum housing project. That time we voted it down and along with it any improvements.

It is a foregone fact that the trunk sewer line is desperately needed as are solutions to an ever increasing list of other area problems. Before we vote this thing down because of its connotations, let's get our city planners committed to another course of action.

Sincerely,
DON F. WILEY
3203 Cornell

Hospital. He bought a small ranch with the aid of the Veteran's Land Program and obtained emergency feed from the government. He put part of his land in the Soil Bank and payments soon paid off his ranch. His father and mother lived on the ranch very comfortably on their Social Security checks.

Then he wrote his congressman: "I wish to protest these excessive governmental expenditures and attendant high taxes. I believe in rugged individualism. I think people should stand on their own feet without expecting a handout. I am opposed to all Socialistic trends and I demand a return to the policies of States Rights."

When I was discharged from service, I could have received \$30.00 per week for 52 years, or I could go to work. The money was there for me if I wanted a handout. Now I understand the government will give us money to build a sewer, if we do not have the initiative to do our own work. But some citizens are trying to mislead us into the fallacy that this is "free" money. There is no such thing as a "free meal." Someone has to pay for it.

If this increases our local taxes, I would rather have local taxes increased than federal taxes. At least they would be spent in our own town. Let's tell the government we will build our own sewers, thank you.

Yours very truly,
DUKE M. BAKER
1307 Cherokee

To the Editor: I am vigorously opposed to federal grants to aid anything; likened to our schools it will control everything that it subsidizes. We see this happening most every day. So I am asking and urging everyone that wishes to be free to let well enough alone and stay clear of federal domination.

Sincerely,
WILLIAM N. BLANSITT
708 Bell

New Topping On Gregg St.

Gregg Street, from Fourth south to Marcy, is going to get a new top. Work is scheduled to start Monday, Leo Hull, assistant chief of police said Saturday morning.

Parker & Parker Construction Co. will do the work.

"We were informed that the work would require about two weeks," Hull said, "and during that time parking on Gregg will have to be curtailed in areas where work is being done. The construction company has informed us that the work will be done in 10-foot strips, which will require four runs on the strip."

Hull said the Gregg Street parking will be handled according to the work to be done each day.

"We will appreciate the cooperation of drivers in helping us keep the areas open as needed," Hull said. "We will have a much better surface on Gregg when the topping is completed and want to cooperate with the highway department's scheduling."

The topping is a part of the improvement program within the city limits of Big Spring and is preceding the rebuilding of the Gregg Street overpass, across the Texas and Pacific railroad yards.

Contract for the new overpass is scheduled for early fall. When the new overpass is completed Gregg will be a four-lane highway through the city and no parking will be permitted within the city limits on the street.

Horse Show For Youngsters To Be Discussed

The possibility of a horse show planned only to afford boys and girls a chance to exhibit their mounts will be explored at a meeting Tuesday.

C. H. Harrison, who will preside, said that the session would be held at 7:30 p.m. in the justice of peace courtroom in the courthouse. Everyone interested in horses is invited to attend.

Harrison said that several individuals had advanced the idea of a show which wouldn't have breed classes but which would let any boy or girl show off their horse or horses.

"We wouldn't compete in any way with any of the existing horse shows, rodeos or what have you," Harrison added. "This is strictly something to catch mounts that probably wouldn't qualify to be in any other show."

"We're anxious for parents and others interested in an activity of this type to be at the meeting and help us talk it over."

San Antonio Begins Annual Tribute Fete

SAN ANTONIO (AP)—This city started paying its yearly homage to spring and Heroes of the Texas Revolution Saturday night with Fiesta San Antonio.

Vice President Lyndon Johnson and ambassadors from 30 nations are expected later in the week for some of the fun. Johnson is honorary marshal of the Fiesta Flambeau parade next Saturday night. The week of pageants, frolics and solemn services ends next Sunday with the final round of the \$30,000 Texas Open Golf Tournament.

The fiesta started in 1891 when San Antonio residents decked carriages, houses and buildings with flowers for an official visit

from President Benjamin Harrison. People had such a good time the fiesta became a yearly affair.

Highlights of the week are the Battle of Flowers and Fiesta Flambeau parades, the colorful parade of floats on the winding San Antonio River and the coronation of the queen of fiesta.

The fiesta actually started Saturday night with the coronation of King Antonio XII and the patriotic and historical ball sponsored by the State Association of Texas Pioneers.

April 21 always is one of the fiesta days. That is the day the Texas Army won the Battle of San Jacinto and gave Texas its freedom from Mexico.

Market Rises With Steel

NEW YORK (A) — Steel price increases and indications that President Kennedy is not going to oppose them as he did a year ago accompanied a rising stock market last week.

It was the market's sixth straight weekly rise but it was by no means a straight-line advance. The strength that put the market well ahead for the week was displayed on Monday and Friday.

In the three sessions intervening, the market moved unevenly, "consolidating" its previous rise to new peaks.

The list bulled its way to new highs for 1963 on Monday, as more steel companies announced selective price increases. Confidence was strengthened by news that industrial production had moved to a new record in March. Weekly steel production reached the highest level in three years.

BLOOM WAS OFF

When U.S. Steel finally fell in line and announced some price increases of its own on Tuesday, the bloom was off the rose so far as the advance in steel stock was concerned — so it seemed. Prof- it taking on the steels and motors was a prominent phase of trading during the three middle days of the week.

During most of Friday, this tendency continued, with volume slackening and not much expected in an apparently dull pre-week-end session. Late in the day, however, came Kennedy's remarks that indicated he would not oppose the price boosts.

Strangely enough, earlier in the same session, the management of Republic Steel and some smaller steel companies announced that they would rescind some of the price increases they had announced only a few days before. The steel shares moved uncertainly in reaction to this but there was no selloff.

When Wall Street heard the Kennedy news it brought a renewed rush to buy the steels. U.S. Steel ended that day and the week as the outstanding volume leader on the New York Stock Exchange with a net gain of 1 1/4.

The Dow Jones industrial average reached a new peak for the year, making a moderate net gain of 3.23 to close the week at 711.68.

The Associated Press average of 60 stocks advanced 3.1 to a new high for the year of 268.8.

Volume for the week totaled 26,228,060 shares compared with 22,310,731 in the previous week which was shortened to four days by the closing of the exchange on Good Friday.

While the market was in its "consolidation" phase, trading interest switched to the merger candidates among the oils and rails as well as to the oils which have prospects of assets sales which would be profitable to shareholders.

On the bond market, intermediate government issues posted gains for the week. Several long issues ended with a net loss for the week despite gains in the final day's trading. Corporates held within a narrow range but the general trend was weaker.

Convicts Win Point By Holding Guard Hostage

NEW WESTMINSTER, B. C. (AP)—Three mutinous convicts bargained with authorities for the life of a hostage guard in riot-torn British Columbia Penitentiary Saturday and won quick transfer to other prisons in return for his release.

The guard, Pat Dennis, was held at knifepoint with arms and back bound with wire during a night of wild rioting.

He was freed unharmed about 11 a.m. when the riot leaders were whisked off by plane to Eastern prisons after negotiations conducted through a radio commentator.

The climax came in melodramatic fashion after a night of disorder in which police lobbed dozens of tear gas shells into the gray stone prison and many of the 670 men inmates smashed windows, broke kitchenware or shouted defiance.

The commotion began at 9:15 p.m. Friday when the three convicts, Gerald Caissey, 28; Wayne Carlson, 21, and Nelson Wood, broke a window in the prison auditorium and headed for the wall.

An officer spotted them and fired three shots in the air. The convicts ran back to the building, grabbed Dennis and hauled him into the auditorium washroom, holding makeshift knives at his throat.

Rioting began and extra police were called to help the guards.

Then Jack Webster, 44, commentator for New Westminster radio station CKNW, was called in with Warden Tom Hall's approval at request of the convict trio. They said they wanted maximum publicity for alleged grievances and transfer from the pris-

Scorched Walls

Joel Roberts was burned, and heavy damage done to his home at 606 Nolan Friday afternoon, when asphalt being melted on a stove flamed up. A fireman's hand shows the "peeled" walls, and another cleans up in the kitchen.

Man Burned Painfully As Coating Brew Blazes

A fire, starting from asphalt on a kitchen stove, seriously burned Joel R. Roberts, 606 Nolan, and did heavy damage to the house shortly after 3:30 p.m. Friday.

Roberts' physician at Malone and Hogan Foundation Hospital said the second-degree burns, mostly on his right hand and right foot, were serious but that he was resting comfortably.

Fire Marshal A. D. Meador said Roberts was using the kitchen stove to heat asphalt, to coat the inside of an air conditioner. Fumes from the asphalt burst into flames. Heavy damage by flames resulted in the kitchen, bathroom and dining room, and heavy smoke and heat damage was done in the remainder of the house. Meador said firemen arrived quickly and prevented total loss of the house.

Another fire, starting from paint thinner fumes in a vacant house at 1610 Benton, resulted in heavy damage to the kitchen, and smoke damage to the rest of that place. Firemen were called at 9:45 p.m.

The house was owned by Lawrence Robinson. He told officers he was painting in the kitchen and the lights went out. He struck a match for light and the fumes ignited. He was not injured.

A birdnest under an awning at the Circle 20 Cafe, Andrews-Lamesa Highway, caught fire from a neon lighting wire short at 10 p.m. Friday and did light damage to the awning.

A short in a floor lamp, at 10:10 a.m. Friday, resulting in firemen being called, did no damage to a house occupied by Sam Williams Jr. at 505 NW 4th.

Only 82 Cases Left For Docket Monday

Fifteen of 97 civil cases which County Judge Lee Porter set down for trial Monday at 1 p.m. have already been reported as dismissed, the judge said Friday.

"When the docket is sounded Monday," he added, "I am sure that others on the list will be disposed of. If any announce ready for trial, the court plans to hear them Tuesday, Wednesday and Thursday."

Of the 97 cases originally listed, 15 were suits for damages; 17 were tax suits; four were appeals from justice court; three were bond forfeiture actions and 25 were suits on debts.

Some of the cases dated back as far as January, 1955. Most recently filed of the lot were in early 1961.

The cases reported as dismissed:

J. B. McKinney Plumbing Co. vs. Jack Richbourg, account; L. T. Prater et al vs. Roy F. Bell, debt; J. K. Turner vs. Texas and Pacific Railroad, damages; Robert Fink vs. Robert Lee Boyd, damages; A. O. Fleetwood vs. Cornelius Newton, damages; Tarbox-Gossett Inc. vs. Albert L. Fletcher, debt; Tarbox - Gossett Inc. vs. J. M. Barrera, note; Tarbox-Gossett Inc. vs. Amadee Martinez, note; T. R. Rose vs. Tarbox-Gossett Inc., debt; Loran Marquian vs. First National Bank et al, garnishment; Gus Barr vs. First National Bank et al, garnishment; Southwest Tool & Supply Co. vs. Harry Odum, debt; State of Texas vs. Donna Marie Stone, two cases; delinquent child; H. C. Daniel vs. Cactus Paints-Co., transcript from Taylor County, reported settled.

Judge Porter said that where no report was made when the case is called Monday, that he has in mind to make summary disposition of the matter. He pointed out that every effort had been made to contact all of the persons involved in the suits and that he felt ample time had been given them to be in court.

"Besides," he said, "these are old cases. There is no reason for a case to remain on the docket for five years, much less eight years, and not be tried or settled out of court."

New President

FORT WORTH (AP)—T. D. McCulloch, minister of education at the First Baptist Church of Beaumont, is the new president of the Texas Baptist Sunday School conference.

CARD OF THANKS
We wish to thank our many friends for their kindnesses and tokens of sympathy extended during our recent bereavement. A special thanks to the WMU of First Baptist Church for the abundance of food. It was deeply appreciated. God bless you all.
Family of Mr. and Mrs. Riley K. Burns

Now... Blessed Relief From ARTHRITIS Without Drugs or Surgery

If you act promptly, an amazing illustrated new FREE book will be rushed to you by return mail. Send for it today — and discover why drugs give you only temporary relief. How to eliminate the cause of your aches and pains, without drugs and without surgery, a proven non-medical way. How to avoid years of needless agony and deformities that may cripple you for the rest of your life.

You owe it to yourself to send for this valuable FREE book without delay. No obligation. No agent will call. Write: The Ball Clinic, Dept. 3-2317-A, Excelsior Springs, Missouri. A postcard will do.

State Hospital Sets Tours For Mental Health Week

Each year the Big Spring State Hospital takes advantage of Mental Health Week to show the public its facilities for treatment of the mentally ill.

This year is no exception. This week service clubs will hold their regular meetings at the hospital; special tours of the grounds and buildings are planned, and speakers will be available to better inform the public of work being conducted at the hospital.

Sunday, April 28, a special open house will begin at 1:30 p.m. with a treatment team to present a program at 3 p.m.

In many ways, however, the local hospital is on display the year 'round. Unlike most hospitals, wards are open and patients come and go about the grounds with little restraint placed upon them. High fences to prevent escape have passed from the scene. Barred windows are on their way out.

The appearance of members of the public at the Big Spring State Hospital will be no unusual circumstance, however, for each day the institution has many visitors from Big Spring and surrounding communities. These persons, working in the volunteer program, provide a large, free work force which has during the past few years brought about many changes at state hospitals over the nation.

Mental Hospital Week will see volunteers in many areas of the hospital. Volunteers stage parties each month for patients who are having birthdays. Bingo is sponsored one night each week and women come out every Tuesday morning to help patients with sewing and mending. Each Wednesday cookies are distributed to all patients.

Chances are that the visitors will be received at the hospital by volunteer workers who serve as receptionists and hostesses welcoming visitors in the administration building. This same type of personal greeting is given to members of a patient's family when they arrive at the hospital for visits or to admit the patient to the hospital.

Local Entry Wins At Flower Show

A local entry was judged best in the show at the Dallas Iris Show for the Seventeenth Region of the American Iris Society.

"Olympic Torch" entered by Mrs. Obie Bristow, was given the highest award of the show. She also won a blue ribbon for another entry, "Lover Lace."

Two other blue ribbons were picked up by a local entrant, Mrs. Norman Read won the awards for "Maytime" and "Northwestern."

LOOKIN' OVER the poster designating April 21-27, as Secretaries Week are Mrs. Billy P. Flynn, a member of National Secretaries Association and Legal Secretaries; Mrs. J. R. Asbury, charter member of NSA, and Mrs. Winifred Greenlees, NSA vice

president and secretary to Lester Morton, First National Bank president. Mrs. Flynn is secretary to Harvey C. Hooser Jr., attorney, Mrs. Asbury, secretary to Douglas Orme, vice president in the Traffic Division at Cosden Petroleum Corp.

A COURTROOM SCENE includes Mrs. Joe Sharpnack, treasurer of Legal Secretaries, working with her employer, George T. Thomas, attorney. In the background are Jerry Spence, court reporter, left, and

District Court Judge R. W. Caton. Mrs. Sharpnack, as well as other Legal Secretaries, is among those to participate in the week's events.

WEBB'S WEEK is discussed with Col. Wilson Banks, base commander, during the visit of Webb secretaries, Mrs. Linus M. Tucker, an NSA, left, and Mrs. W. A. Bryan, president of NSA. Mrs. Tucker is

secretary to the M&S Group commander, Col. G. E. Franks. Mrs. Bryan has the same position with Lt. Col. M. E. Frantz, hospital commander.

'APRIL IN PARIS'

Week For Secretaries

(See Story, Section C, Page 2)

Herald Photos

By

Keith McMillin

APRIL IN PARIS, theme for Secretaries Week, will be featured at the Cosden Country Club Friday night—designated as Bosses' Night. The decor will include travel posters such as that being tried for size by Mrs. Herbert R. Heath, left, and Mrs. Bill Stone. Mrs.

Heath, general chairman for the week, is secretary to Maj. Thomas J. McArdle, chief of Administrative Services, PT Wing. Mrs. Stone, NSA secretary, is in the office of C. D. Turner, Turner Drilling Company.

IN CLASS AT HCJC, from left, Miss Marguerite Cooper, Mrs. S. Gorman, Mrs. George G. Callahan, Mrs. Pat Porter and Mrs. Camille Patterson. All are preparing for the secretarial accounting examination and the goal of Certified Professional Secretaries. The local chapter received the Victor Frenkil Award for '62, having the greatest percentage in participation. Miss Cooper, a charter member of NSA, is

secretary to Marvin M. Miller, Cosden senior vice president; Mrs. Gorman, secretary to Wes Shouse, executive assistant to the president at Cosden; Mrs. Callahan, secretary to Paul Meek, Cosden vice president; Mrs. Porter, secretary to R. W. Thompson, Cosden vice president; and Mrs. Patterson, a charter NSA member, a court reporter with the staff of the judge advocate's office at Webb AFB.

BIG SPRING, TEXAS, SUNDAY, APRIL 21, 1963

'APRIL IN PARIS'

Theme For Secretaries' Week

Each year since 1952, the last full week in April has been observed as Secretaries' Week. Sponsored by the National Secretaries Association, the annual event is planned to bring recognition to all secretaries and to inform the public of the secretary's contribution to the educational, professional and civic growth of the community. Also, it serves as a reminder of the secretaries' responsibilities to their employers and to their profession.

Proclaimed by Mayor George Zachariah and Col. Wilson Banks, the week's observance begins today in Big Spring and at Webb Air Force Base.

Secretaries in all professional fields will participate in the special functions scheduled this week. Highlighting the events will be the Bosses' Night banquet to be held at Cosden Country Club April 26 at 7 p.m. Tomorrow evening a salad supper will be served to members of NSA at the home of Mrs. Bill Stone, 2301 Cindy Lane. A punch party will take place at the home of Mrs. Camille Patterson, 710 Runnels, tonight for all secretaries. Hours will be 5 until 7 o'clock.

NSA CHARTERED
The local chapter of NSA was chartered in May, 1957. Three

Mrs. W. A. Bryan, NSA president, left, and Mrs. Jane Eubanks, secretary.

members of the original group will be among the participants in the week's events. They are Mrs. Pat-

erson, Mrs. Marguerite Cooper and Mrs. J. R. Asbury. The overall theme for the week

is "Better Secretaries mean Better Business," with programs geared to emphasize the message conveyed by the theme. Wednesday is the day designated as Secretaries' Day.

NSA encourages participation in the Certified Professional Secretary program, designed for "management's right hand"—the secretary. In order to earn a CPS certificate, the secretary follows a course of professional study culminating in a two-day certifying examination concerning important areas of her responsibility to business. A class is currently studying at Howard County Junior College in preparation for CPS examinations in Lubbock.

The chapter also participates in the national program, sponsoring the Future Secretaries Association. The program is planned for potential secretaries enrolled in educational institutions. FSA chapters have objectives patterned after the NSA.

Officers

Andersons Have Guests

FORSAN (SC)—Mr. and Mrs. Jimmy Anderson and baby have returned to their home in Austin after a visit with his parents, Mr. and Mrs. John B. Anderson and Nancy.

Patsy Burk of Odessa has been a guest of Mr. and Mrs. J. H. Cardwell.

Circle Meets At Home Of Mrs. Rodman

Members of the Peggy Potter Circle, St. Paul Presbyterian Church, were presented a study from the book, "The Cost of Discipleship" by Dietrich Bonhoeffer, Thursday morning in the home of Mrs. Bob Rodman.

Mrs. Harland Sandidge explained the program of the Friendship Circle of the Presbyterian women who sponsor a foreign student at the Presbyterian Training School in Richmond, Va. The study was conducted by Mrs. Wes Shouse, who pointed out the author's effort to show that belief and obedience are inseparable, that to believe is to obey, to obey is to believe.

The Bible study was given by Mrs. John Arnold who concluded with "The two religions—the freedom of Jesus and the confinement of the Pharisees—could not live peaceably together."
Mrs. Al Seddon dismissed the meeting with prayer. The hostess served refreshments to the members among whom was a newcomer, Mrs. Floyd McNeil, and a visitor, Mrs. Eileen Flint of Idaho Falls, Idaho. The next meeting will be in the home of Mrs. Wes Shouse on Highland Drive, May 16.

Nine Tables In Duplicate Play At Webb AFB

Nine tables were reported in play for the Thursday night duplicate session at John H. Lees Service Club, Webb AFB.

Placing in north-south position were Mrs. J. J. Havens and Mrs. Ray McMahan, first; Mrs. Elmo Wasson and Mrs. E. L. Powell, second; Grover Cunningham Jr. and Maj. Charles Smith, third; and Mrs. Anne Hardy and George Pike, fourth.

East-west winners were Mrs. J. H. Holloway and Mrs. Ayra McGann, first; Mrs. John Stone and Mrs. R. R. McEwen Jr., second; Mrs. Glen Langenfelder and Mrs. Paul Lee, third; and Mrs. R. E. Dobbins and Mrs. Bill Emerson, fourth.

HD Units Report Program

In separate unit meetings throughout the week, Home Demonstration clubs are preparing for the annual exhibit.

The event is planned for Friday, May 3, from 10 a.m. to 6 p.m. at the old student union building at Howard County Junior College. Mrs. Delaine Crawford said that all area residents are invited to attend.

COLLEGE PARK CLUB
The College Park Club met in the home of Mrs. Robert Coleman, who showed the group how to make decorative pillows. Included in the demonstration were shirred pajama pillows and smocked sofa pillows.
Mrs. John Birdwell appointed a committee to set up the club's exhibit at the junior college on May 3.

FAIRVIEW CLUB
Mrs. Shirley Fryar was hostess

to an afternoon gathering of Fairview Club members Wednesday. Besides the seven members, Mrs. Crawford was present and presented the program.

Plans were made to attend the district meeting in Lubbock on the 18th with Mrs. J. F. Skalicky, Mrs. Frank Wilson, Mrs. Fryar and Mrs. Irene McKinley to represent the club.

The next meeting will be held May 7 at 2 p.m. with Mrs. McKinley, 617 Colgate.

Special Care For Marble-Top Tables

Marble-topped tables require special attention. Never clean marble with harsh abrasives or oily furniture polishes. Always use a specially-formulated marble polish, applied with a soft paper towel.

To remove stains left by oily foods such as butter or salad dressings, soak several thicknesses of paper towels with lighter fluid, place over stain and allow to dry. Repeat if necessary. Follow with an application of marble polish.

Plans Told

Mr. and Mrs. Stanley Morrison of Plainview announce the engagement of their daughter, Connie Beth, to Olen C. Boatright, son of Mr. and Mrs. O. E. Boatright of Lamesa. Both are students at Sul Ross College, Alpine. Wedding plans are being made for July 13.

By MOLLIE HARTZOG

The ladies skeet shooting class recently was a great success, although Lt. Frederick did seem a bit weary (wary?) when it was over. The next class, also for beginners in shotgun shooting or in skeet, will be 2 p.m. Thursday, April 25. Any questions beforehand should be asked of Mrs. H. H. Dahneke or Lt. Frederick.

Jaguar Flight hosted a meeting of the Officers' Club. Highlight of the meeting was the game of Password, so popular now on television. According to the reports, it was a simple matter to distinguish between the "pro" and "non-pro," or television watchers from the non-watchers, who were caught with their proficiency down a spring centerpiece of salmon gladioli and deep purple iris was won by Mrs. Chepolis, past chairman of the group. Mrs. Harold Collins and Mrs. H. E. Lynch also were winners, each taking home a new cookbook. It was announced that Hammer Flight would take the next turn as the hostess group, because that flight has planned something special for the meeting in May.

house brunch party given by the Chepolis family as a sort of farewell, before their departure for Randolph AFB in San Antonio. Do you suppose they served eggs?

A BUS STORY

The beckoning highway calls some more strongly than others, and among those hearing the call and answering in a BIG way were Capt. and Mrs. Charles Lillie of Webb. Last fall, Capt. Lillie purchased a 1947 full-size bus from the Continental Bus Co., complete with seats, six of which he kept. Two he turned into a dinette, two into an observation platform for their three children, ages 6, 10, and 13, and two seats he left as they were. The rest he moved into the Webb Hobby Shop and replaced with Spanish oak paneling, four bunks, double bed, couch, sink, bath and running water.

The Lillies have done all the work themselves during the past year, and last weekend took the family bus to Ruidoso. Commenting on his five miles per gallon, Capt. Lillie said his family indulged in a ceremonial dance-begging a gas war, but in reality the expenses for fuel didn't come near what they saved in food and lodging. The family found a parking space in the wild mountain area south of Bonto Dam in New Mexico, and camp was pitched by opening the bus door.

A few days later heading out of the wilderness, a recent detour forced them surreptitiously to remove a farmer's fence post and hurriedly pass by. The only other problem they encountered was shifting the four forward gears in driving, but even that eased with practice. The Lillies were thrilled with their unusual journey, and Capt. Lillie especially was grateful that no nails, etc., necessitated the changing of any of the 250 lb tires. Mrs. Lillie is eager to finish the interior decoration with a woman's touch, but admits she doesn't plan to borrow her husband's bus for grocery shopping any time soon.

Bridge Winners Are Announced

GARDEN CITY (SC) — Mrs. Clyde Reynolds was hostess to the Wednesday Afternoon Bridge Club at her ranch home in northeast Glassecock County. Mrs. Charles J. Cox held high score; Mrs. J. A. Bigby, second high; and Mrs. Glen Riley and Mrs. Marion Wilkerson, high for game prizes.

The next hostess will be Mrs. Riley.

COSDEN CHATTER

Local Group Will Attend Seminar

The Big Spring club will be represented in Midland next weekend at the Desk and Derrick Regional Seminar to be held Saturday and Sunday at the Sands Motel. Mrs. Stanley Ballou, local president, will attend along with Mrs. Leon Kinney, Mrs. Alma Gollnick, Mrs. Kay Thornton, and Miss Catherine Greenlees.

Mr. and Mrs. Jerry Cockrell are in Odessa this weekend. He is playing in the Sunset Country Club golf tournament.

Mr. and Mrs. Harold Coleman and Dixie enjoyed the Easter holidays in Oak Creek and in Blackwell as guests of his sister and brother-in-law, Mr. and Mrs. Walter Sanders.

Mrs. Bomar Fincher has been on vacation the past two weeks. Part of the time was spent with her sister in San Angelo.

Mrs. Don (Joan) Robb is the new employee in the tax and insurance department.

A former Cosdenite, Mrs. J. C.

Douglass Jr. of Phoenix, Ariz., visited friends in the company last weekend. She was accompanied to Big Spring by her sons, Bill and Bob, and by her mother-in-law, Mrs. J. C. Douglass.

Fredda Bonifield, student at the University of Texas, was a holiday visitor with her mother, Mrs. Julia Bonifield.

Mr. and Mrs. Adrian Randle are in Midland today, attending the rose show at the Los Patios Nursery.

Mr. and Mrs. Tommy Weaver and Jimmy are in Clifton for the weekend with her uncle, H. L. Tienarend.

Wayne A. Vaughn, chemical superintendent at Cosden, is attending an executive board meeting being held in Austin for the Society of Professional Engineers. Vaughn is the state director for the Permian Basin.

Lydia Class Has Salad Supper

A salad supper was held Thursday evening in the home of Mrs. Bob Newsom for members of the Baptist Temple Lydia Sunday school class. A former resident, Mrs. Art Dodds of El Paso, was a guest and brought the devotion. Opening prayer was worded by Mrs. Don Yates, the class teacher and the benediction pronounced by Mrs. Newsom. Eight attended.

Flowers In Corsage In Low Arrangement

If properly cared for, flowers in a corsage may be reused for wearing, used in a basic arrangement of foliage, or floated in a shallow bowl of water.

Remove all ribbons and submerge the flowers in very cold water for about 20 minutes. Do not submerge orchids because they will spot. Then shake off the water gently, wrap the flowers in foil or wax paper, seal the edges and place the flowers in the refrigerator. Do not place them in the freezing compartment.

We've Got This New Play, See?

Greg Marwitz seems to be telling his parents that they will be proud of him when he's an Aggie quarterback. The elder Marwitz graduated from Texas A and M College and hopes their son will help make it a family tradition.

Aspiring Athlete Sees Future In Aggieland

By JO BRIGHT
If the Texas A&M College football team can muster its courage—there's help on the way.
Gregory Alton Marwitz is small, but what he lacks in weight, he compensates for in agility. Fans who have been watching this swivel-hipped youngster for over a year say he has great potential as an athlete.
He has a sharp eye, good re-

flexes, and stubborn determination. If his future goes as planned, he'll be saying, "Send me in, Coach," in 1962.

Greg, 14 months old son of Mr. and Mrs. Alton Marwitz, 1904 Nolan, knows he's an Aggie—because his T-shirt says so.

Mr. and Mrs. Marwitz, natives of Hamilton County, moved here from Bryan in March when he became associated with the State National Bank. As assistant to Carlton Chapman, vice president, he holds the position of agricultural representative.

Marwitz was reared on a farm near Indian Gap where his father followed a diversified farming program with crops, livestock and poultry. He graduated from Pottsville High School and attended Tarleton State College. His wife is the former Carol Landua, who attended Hamilton High School near Shives, where her parents were also engaged in farming.

Following their marriage in 1958, he enrolled at Texas A&M College, earning a BS in agricultural education in 1961. While his wife worked in the seed research laboratory at the college, Marwitz continued his education until 1963

when he received an MS degree in agricultural economics.

As a student, Marwitz was vice president of the collegiate Future Farmers of America, a member of Alpha Zeta fraternity and chairman of the Agricultural Economic Graduate Advisory Committee.

Marwitz plans to stay in the agricultural area of the banking profession. Nevertheless, should the field become crowded, he can always feel at home on a tractor. Besides, being products of the rural area, Mr. and Mrs. Marwitz would like for Greg to have a chance to grow up in the country.

Lutheran Rally Is Scheduled

The spring rally of the West Texas Zone, Lutheran Women's Missionary League, Lutheran Church Missouri Synod, will be held at the Grace Lutheran Church, 1610 West Wall, Midland, Thursday, April 25. Mrs. Wayne Long of Monahans will preside. Registration will begin at 9:30 a.m.

"Harvest Under the Palm Trees" is the topic that Mrs. J. L. Konz of Eden will present at the afternoon session. Mrs. Konz is a graduate of the Lutheran School of Nursing, St. Louis, Mo. She and her husband lived in Nigeria, Africa, where her husband served as a missionary for 15 years.

While in Africa Mrs. Konz conducted marriage training classes for young women and served as a volunteer public health nurse for the mission staff, the high school, the seminary, and the surrounding community. The overall theme for the Rally is "Faith Forward."

Delegates and guests are expected from Odessa, Big Spring, Fort Stockton, Monahans, Pecos, Kermit and Andrews.

A noon day smorgasbord will be served.

Credit Group Has Lunch

Mrs. J. B. Apple prepared and served at her home the Thursday luncheon for members of the Big Spring Credit Women. Twenty-four members were guests, and the hostess was assisted by Mrs. Noel Hull, Mrs. Carabel Laughlin, Mrs. Dorothy Ragan, Mrs. E. O. Ellington and Mrs. A. G. Eitzen.

The main topic of business, conducted by the president, Mrs. Bill Draper, concerned the Texas Credit Conference to be held in Galveston May 19-21. Nine representatives of the group to attend will include Mrs. Pyrie Bradshaw, Mrs. Eitzen, Mrs. Apple, Mrs. R. L. Nall, Mrs. Earl Hughes, Mrs. Jane Eubanks, Mrs. E. O. Worthan, Mrs. Lloyd Wooten and Mrs. Draper.

Temple Classes Meet Jointly

Two classes of the Baptist Temple met at the home of Mrs. W. E. Pate Thursday night for a business and social session. Associate members of the Joy and Faith classes were welcomed as Mrs. Elton Carlisle, Mrs. Fannie Hart and Mrs. Dalton Johnston. Also attending was Mrs. Max Legg, assistant superintendent of Adult 1. Refreshments were served to the 14 present.

Meet Madame President

Mrs. C. L. Kirkland, president of the Grand International Auxiliary to the Brotherhood of Locomotive Engineers, has as her hobby, visiting those who are ill and the shut-ins. The Kirklands are presently planning toward their trip to Kansas City, Mo., in July. Mrs. Kirkland is a delegate to the Grand Lodge of the Ladies Society of the Brotherhood of Locomotive Firemen and Engineermen. A member of the Westside Baptist Church, Mrs. Kirkland serves as superintendent of the young people's department in Sunday school. Also she is president of the Women's Missionary Union of the church.

Mr. and Mrs. Kirkland reside at 1301 W. Fifth St., and their family consists of two sons and one daughter.

MRS. C. L. KIRKLAND

Webb Tour Is Made By Woman's Forum

"Understanding Our Community" was the theme of a program Friday for members of the Woman's Forum when the members and their guests toured Webb Air Force Base.

The 21 women met at the Officer's Club for luncheon and were then conducted on a tour of the facilities where the ground school for pilots is held.

Guests of the Forum were Mrs. Tommy Hart, Mrs. Leonard Coker, Mrs. Joe Smoot, Mrs. T. H. McCann, Mrs. Eugene Turner, Mrs. John Norton and Mrs. Ray Thomas.

Under the guidance of Lt. Lynch the group was taken by bus from the club to the various buildings where instructors explained the various phases of work required in pilot training so far as classroom work is concerned.

They were shown the training instrument panel, a cutaway of an afterburner and a motor from a plane, the chartroom where the

student learns about weather data and also the effect of altitude on a pilot with Capt. Standish as the speaker.

The importance of understanding symptoms of hypoxia and getting a trial ejection from a plane while still on the ground were explained in the survival talk by Capt. Lillie.

Garner Thixton demonstrated the inspection and packing of a parachute after which Lt. Lynch completed the tour by showing two aircraft used at Webb.

The tour was arranged by Mrs. Jack F. Johnson, program chairman for the Forum.

Sunday Supper

Sunday night supper menu: fish appetizer, cheese souffle with mushroom sauce and fresh red apples plus cookies. If you want to serve a vegetable, add cooked green peas to the mushroom sauce for the souffle.

Friendship Class Meets For Supper

Mrs. A. L. Tamplin used thoughts from "Broken Things" for a devotion Thursday evening for members of the Friendship Class, First Baptist Church, when they met at the home of Mrs. Bill Greene.

Ten members and a guest, Mrs. Andrews, were present for a covered dish supper prior to the business meeting.

Mrs. Garth Read assisted Mrs. Greene as cohostess.

Mrs. C. W. Mahoney will be hostess for the May meeting.

Wondering about having so-called "Bargain" glasses fitted...

...at a RISK to your VISION and COMFORT?

Don't let offers of so-called "bargain" eyeglasses fool you into risking your priceless vision. *Important elements could be left out of your prescription, and frames of inferior quality could be used in order to cut the cost of making your glasses. This could result in discomfort and improper vision. ■ At TSO, you can depend upon: (1) A careful, conscientious eye examination resulting in an accurate,

complete prescription for the clearest, most comfortable vision possible, (2) The very finest quality lenses and frames, (3) Reasonable cost. ■ Finest quality single vision glasses are as low as \$14.85; bifocals \$17.85, including professional eye examination, lenses and frame. Finest quality single vision contact lenses are just \$65, complete. Bifocal contact lenses also available at reasonable cost.

Convenient credit at no extra cost

Secretary Source Of Soothing Reassurance

It has been said that Mrs. James (Joyce) Tidwell not only can run her own office efficiently, but she can run Webb Air Force Base as well. While this may not be literally true, she does know where to go for information when her own knowledge doesn't cover the subject.

Mrs. Tidwell began her Civil Service career in 1954, and has been secretary to the commanders at Webb for the past six years. During that time she has worked for four commanders, all but two of those assigned to Webb since the base was reactivated.

The fact that she has done a fine job in one of the most interesting and challenging positions on the base is borne out by the Outstanding Performance Rating and cash award she has received each year.

Mrs. Tidwell's job has two separate and distinct sides to it. One is concerned with the commander and his relationship to the city; the other, with his relationship to the base.

Because she was born and reared in Big Spring and knows her city and its people, each commander has found her to be an invaluable source of information during his first crucial months in his new assignment.

Mrs. Tidwell has made it part of her job to see that each commander matches names and faces and that he has some "who and what" information on the people he will meet when he ventures forth in public. In this way she has fostered good community relations among people of Big Spring and Webb.

The other half of the secretary's job is concerned with the base and its people. Her work in several other base organizations, before moving to her present job, gave her a background knowl-

MRS. JAMES TIDWELL

edge of the Air Force, the base and its mission.

Mrs. Tidwell has been heard to say on many occasions that the hardest part of her job is saying goodbye every two years. It is the Air Training Command's policy to move commanders that often. She feels that during this period she has only had time to know her boss well enough to do a satisfactory job for him. Also in this time, she has developed an interest in him and his family.

And now the time has come again when she will bid farewell

At Bible Clinic Held In Snyder

WESTBROOK (SC)—Mrs. Hoyt Roberts and Mrs. Charles Ranne attended the Vacation Bible School Clinic at Snyder, Tuesday April 16,

Winners Named In Duplicate

The Mitchell Movement was featured in a duplicate session Friday afternoon at the Big Spring Country Club. Thirteen tables were in play.

North-south position winners were Mrs. Fred Kasch and Mrs. J. J. Havens, first; Mrs. J. H. Holloway and Grover Cunningham Jr., second; Mrs. B. B. Badger and Mrs. Winston Harper, third; and Mrs. Doug Orme and Mrs. R. R. McEwen Jr., fourth.

Winners for east-west were Mrs. John Stone and Mrs. J. D. Robertson, first; Mrs. Ron Kibler and Mrs. Paul Lee, second; Mrs. E. O. Ellington and Mrs. Ward Hall, third; and Mrs. Aya McGann and Mrs. Ben McCullough, fourth.

Lesson Is On Prayer

COAHOMA (SC)—Harold Purdue brought the final lesson on "Dimensions of Prayer" when the Wesley Service Guild met in the home of Mrs. Billy Bates. The May meeting will be held in the First Methodist Church when new officers will be installed.

The Mary Jane Club met Thursday morning in the home of Mrs. Charles Parrish for a business session. Members discussed helping with the summer recreational program being sponsored by the T.V.A. Club. Standing committees were appointed for the coming year. Refreshments were served to the 14 members from a table centered with a red and white crocheted doily and an arrangement of honeysuckle. Hostess for the May meeting will be Mrs. H. J. Robertson.

WESTBROOK (SC)—Mrs. Drew Cawthron was honored with a coffee in the home of Mrs. Hoyt Roberts Wednesday morning. Co-hostesses were Mrs. Doc Alvis and Mrs. A. G. Anderson. Those attending were Mrs. C. J. Miller, Mrs. S. M. McElhatten, Mrs. J. W. Hawkins, Mrs. C. M. Newton, Mrs. Leroy Gressett, Mrs. Margaret Powell, Mrs. Bill Rees, Mrs. Price Hendrix, Mrs. J. D. Inglehart, Mrs. R. L. Messimer, Mrs. Bill Bell, Mrs. Troy Lankford, Mrs. S. L. Yelding, Mrs. Pete Hines, Mrs. George Sweatt, Mrs. Birdie Rice, Mrs. Charles Ranne, and Mrs. Tommy Lewis.

Mrs. Cawthron Is Coffee Honoree

WESTBROOK (SC)—Mrs. Drew Cawthron was honored with a coffee in the home of Mrs. Hoyt Roberts Wednesday morning. Co-hostesses were Mrs. Doc Alvis and Mrs. A. G. Anderson. Those attending were Mrs. C. J. Miller, Mrs. S. M. McElhatten, Mrs. J. W. Hawkins, Mrs. C. M. Newton, Mrs. Leroy Gressett, Mrs. Margaret Powell, Mrs. Bill Rees, Mrs. Price Hendrix, Mrs. J. D. Inglehart, Mrs. R. L. Messimer, Mrs. Bill Bell, Mrs. Troy Lankford, Mrs. S. L. Yelding, Mrs. Pete Hines, Mrs. George Sweatt, Mrs. Birdie Rice, Mrs. Charles Ranne, and Mrs. Tommy Lewis.

Easy To Manage

Broiled fish is a gourmet's dish that's easy to manage. Wash fish, such as fillet of sole or halibut steak in cold running water. Dry fish thoroughly by wrapping in absorbent towels. Unless the fish is thoroughly dry, the butter will not adhere and it will not brown nicely. Pour a little melted butter in the broiling pan, pour additional butter over the fish, season and broil until golden brown on top. It is not necessary to turn fish during broiling.

ROUND TOWN

By LUCILLE PICKLE

Dresses with sweaters and suits are the most practical bit of wearing apparel women have this time of the year. Early morning coolness keeps right on until past noon these days and then all of a sudden it feels like summer. But, fortunately, the super heat lasts only a short time; the coolness comes again and by night time the air feels like the mountain variety.

MRS. JACK HENDRIX has the most attractive pale pink dress and hat. The hat is high crowned and broad brimmed and is made of the finest straw... so pretty with her dark hair. Just right for MRS. WAYNE BARTLETT is her striking white suit with a trim of turquoise at the waistline. MRS. EUGENE TURNER is one of the few women who wear flower hats well. Hers is of yellow blossoms, and she was wearing it with a moss green dress Friday. MRS. T. H. McCANN's shocking pink hat was fashioned of folds of net with tiny ornaments sprinkled at intervals.

GREG and SHAWNA HENRY, children of the Wayne Henrys, are to spend the week in Shamrock with their grandparents, MR. and MRS. WAYNE HENRY SR. Their parents will be in Longview on business for several days while they are away.

MRS. CARL TIPPIE is in Clifton where she was called because of the serious illness of her brother, D. G. HARRIS, who is hospitalized in the Witcher Hospital. Mrs. Tippie planned to return here Monday.

FRANK FARR, formerly DE coordinator at the Big Spring High School, stopped off last week for a brief visit. He is the executive director of OTTO'S BOYS RANCH located between Odessa and Kermit. He reports that about 25 boys are now being handled there. Although most of the boys have been in some kind of trouble before coming there, only eight per cent have come afoul of the law since.

A beautiful card came from the ROY REEDERS who are in Japan. They flew to Kookira a week ago Saturday with a group of 40. They are with the Baptist New Life Movement and report it most successful.

DAN FEATHER, formerly a member of the Herald's composing room staff, visited in the office briefly last week. The Feather now live at Whitesboro where he publishes the paper. Since

leaving here, their family has been blessed by triplets.

The JACK HARALSONS, leaving yesterday afternoon, are on a 10-day vacation to points in South Texas. They will have a day or so in San Antonio, before going on to Brownsville for a visit with friends and Padre Island recreation.

A foursome, which included the JAMES CURRIES of Garden City and the KIMBALL GUTHRIES, departed yesterday afternoon on a spring vacation to Guamus, Mexico, on the West Coast of Mexico.

Currently visiting her son on Canary Island, MRS. ALMA McLAURIN and her sister, MRS. AMOS R. WOOD have been touring Europe. They are guests of CHARLES McLAURIN, whose company has him assigned to the island, and his wife. Cards received from the traveling sisters have been posted in Amsterdam, Holland and Zurich, Switzerland.

Saturday morning, MRS. FLORENCE McNEW announced that her son-in-law, husband of MARGARET, had been promoted. He is now LT. COL. NORMAN F. PRIEST with the Army at the Pentagon. The Priests make their home in Springfield, Va. In March, another son-in-law, daughter FLORENCE'S husband, was promoted. He is LT. COL. VERNON C. McKENZIE at Elgin Air Force Base, Fla. The McKenzies' home is Fort Walton Beach, Fla.

MR. and MRS. BUNNY GRIMES announce the birth of a daughter, JIMILYNN, April 19 at the Good Shepherd Hospital, Longview. She weighed 7 pounds and 15 ounces, and is the first granddaughter of MR. and MRS. GEORGE GRIMES.

Rook Club Meets With Mrs. Smith

Fourteen members and guests gathered Friday afternoon in the home of Mrs. Felton Smith for the regular meeting of the Rook Club.

Guests were Mrs. Arthur Pickle, Mrs. Bernard Fisher, Mrs. H. F. Williamson, Mrs. Charles Koberg, and Mrs. W. A. Underwood.

During the games, refreshments were served at individual tables by the hostess. Bowls of fresh roses were placed throughout the room.

Mrs. J. F. Sims, 1207 Pennsylvania, will be hostess for the May 17 meeting.

Friday Night Preparation

Making ready for guests today, the ESAs gathered at the home of Mrs. Paschal Odom for a Friday work session. They are from left Mrs. Odom and Mrs. B. R. Newton, on the sofa, and Mrs. Hanson Lawhorn, Mrs. Charles Utley and Mrs. Fred Greenberg.

Election And Honors On ESA's Program

Officers will be elected and an outstanding member chosen when the District 8 meeting of Epsilon Sigma Alpha Sorority is held here today at Cosden Country Club.

Mrs. Richard Payne of Theta Gamma Chapter, Kermit, will preside for the election. Each officer will serve a one-year period at the four meetings held annually. District 8 Council includes Snyder, Andrews, Kermit, Fort Stockton, Monahans, Crane, Midland, Odessa and Big Spring. The district project is the High Sky Girls Ranch in Midland. The overall state project, equipment for the Rehabilitation Center in Houston, involves all state chapters.

Big Spring chapters, Mu Kappa and Alpha Chi, are currently presenting the film, "Strangers," to all elementary schools; making donations to the Halfway House, the Rehabilitation Center and the Lakeview YMCA; and they have assisted in the administering of the Sabin Polio Vaccine.

Today's registration will begin at 12 o'clock noon, continuing until 2 p.m., with the sessions to begin immediately thereafter.

Chapter Presidents

Mrs. Lay Carroll, Mu Kappa, left, and Mrs. W. G. Mitchell, Alpha Chi.

Turner-Digby Vows Pledged At Coahoma

Nuptial vows were exchanged by Miss Vera Jean Digby and George Earl Turner Friday evening at 7:30 o'clock in the First Methodist Church at Coahoma. The single ring ceremony was read by the Rev. Harold Perdue before an arch entwined with greenery. Palms flanked the scene.

Parents of the couple are Mr. and Mrs. B. E. Digby, 1513 1/2 Scurry, and Mr. and Mrs. A. K. Turner Sr., Coahoma.

MRS. GEORGE EARL TURNER

A program of wedding music was provided by Mrs. Gary Culpepper who played "Because," "Whither Thou Goest" and "The Lord's Prayer," accompanying Louis Lovelace, vocalist.

Given in marriage by her father, the bride wore a formal gown of net and lace fashioned with molded lace bodice, long tapered sleeves, a pleated organza margined neckline and bouffant net skirt with lace peplum. A pearl-studded bandeau secured her veil of illusion, and she carried a white Bible with white gardenias and feathered carnations in tradition, she had something old, new, borrowed and blue.

Mrs. David Stoker, matron of honor, wore a dress of pink silk organza, styled with pink velvet cummerbund and embroidered skirt border. She carried a white lace fan adorned with small white flowers. Miss Reba Graves, bridesmaid, was in identical attire.

Bill Turner, the bridegroom's brother, was best man. Users were David and Tommy Grant, nephews of the bridegroom.

The bridegroom's niece, Sandy Stoker, was flower girl, with Linda and Kay Digby, sisters of the bride, serving as taper lighters.

RECEPTION

Guests were received afterward in Fellowship Hall at the church. They were registered by Miss Linda Digby.

The refreshment table featured the three-tiered wedding cake which was embossed with pink frosted roses and topped with bride and groom figurines.

Mrs. Donald Robertson and Mrs. Jackie Sheedy were members of the house party.

Out of town guests included Mr. and Mrs. James M. Turner and family of Levelland; Mr. and Mrs. Truett Carter and family of Lubbock; Mr. and Mrs. Eddie Dig-

by and family Mr. and Mrs. Ernest Cole and Mr. and Mrs. Johnny White, all of Big Lake.

WEDDING TRIP

The couple left on a wedding trip to Fort Worth. The bride was attired in a light blue dress, trimmed in white lace, and white accessories and wore the gardenias from her bouquet. They will return to make their home in Coahoma.

The bride attended Big Spring High School where she was a member of Future Homemakers of America. A graduate of Coahoma

ORGANIZED

The first charter of incorporation was signed and the first chapter established as Epsilon Sigma Alpha in Jacksonville, Texas, Sept. 13, 1929. It has grown to more than 1400 chapters comprising 30,000 or more women. Since 1948, when the Alpha Alpha chapter was organized in Voorsburg, Holland, Epsilon Sigma Alpha has become an international organization with chapters in England, Scotland, Canada, Japan, Mexico, Denmark and Germany, as well as in 47 of the 50 United States, including Alaska and Hawaii.

This philanthropic organization, besides serving the community, engages in a varied program of work and study, as well as social activities.

Each local chapter is presently engaged in providing financial aid and assistance in the "Home Project." This financial program is planned for the eventual construction of a retirement home for members.

FLOWER SHOW

The Spader's Garden Show will present a standard placement show "Our Heritage" on Thursday, May 2, in the home of Jimmy Morehead, 704 Highland St. The public is invited to attend the show from 3 to 6 p.m., when refreshments will be served. Carrying out the colonial theme, hostesses will dress in costume.

Miss Daily Bride Of Richard Shaughnessy

Miss Barbara Ann Daily became the bride of Airman 2C Richard Stephen Shaughnessy in a double ring ceremony performed at 7:30 p.m. Saturday, in the chapel at Webb Air Force Base. Chaplain Benjamin F. Meacham officiated in the nuptial rites.

The bride is the daughter of Mr. and Mrs. Orbin H. Daily, 1205 Douglas St. Parents of the bridegroom are Mr. and Mrs. John F. Shaughnessy of Lowell, Mass. The altar was enhanced with green palms, baskets of white gladioli and blue pompons, flanked by lighted tapers.

Nuptial selections and traditional wedding marches were played on the organ by James Robert Haston, cousin of the bride.

Given in marriage by her father, the bride wore a streetlength sheath dress of white crepe, fashioned with a portrait neckline and cap sleeves. Her shoulder-length veil of illusion fell from a tiara of tulle leaves encrusted with seed pearls. A single strand pearl necklace completed the bridal costume.

The bridal bouquet was a blue orchid nestled in feathered white carnations, which she carried atop a white Rainbow Bible.

The matron of honor, Mrs. Jerry A. Stephenson, was attired in a two-piece suit of blue faille with which she wore a small veiled hat. She carried a cascade bouquet of white feathered mums and carnations.

Serving as best man was Airman 2C Jerry A. Stephenson. The usher was Airman 2C Tim Hayes. Both men are stationed at Webb.

RECEPTION

Following the ceremony, a reception was held in the John H. Lees Service Club at Webb. With the couple in the receiving line were the bride's parents and the wedding attendants.

The white linen covered refreshment table, centered with the ma-

MRS. RICHARD S. SHAUGHNESSY

trou of honor's bouquet, held the white three-tiered wedding cake, decorated with blue roses and topped with a miniature bride and groom. Presiding at the table were Miss Katy Kirkpatrick and Mrs. Bobby Perrin.

Blue carnations in a bud vase were on the table where Miss Judy Daniel registered guests. Members of the house party were Miss Lurae Biffar and Miss Elaine Biffar.

Guests from Midland were Mr. and Mrs. Ed Black, Mr. and Mrs. Jerry W. Wood, Mr. and Mrs.

Wayne Campbell, Mrs. Ray York and Miss Sharon Evans. From Stanton was Mrs. Lillie Graham, great-aunt of the bride. An aunt of the bride, Mrs. W. M. Richardson of Wichita Falls, attended with her children, Debbie, Wayne and Terry.

WEDDING TRIP

For the wedding trip to an undisclosed destination, the bride chose a blue and white sheath of raw silk, worn with a short white companion coat with matching trim. Black patent shoes and bag,

BIG SPRING DAILY HERALD

SEC. D BIG SPRING, TEXAS, SUNDAY, APRIL 21, 1963 SEC. D

More Cars Registered, Less Money Collected

Although Howard County registered 700 more motor vehicles through March 31 than were registered in the same period in 1962, the dollars collected for fees were \$33,930.43 less.

Why? Mrs. Zirah LeFevre, county tax assessor, said the answer is not definitely established. Several possible factors can be considered.

One is the marked increase and popularity in lighter model compact automobiles. These small cars are registered for only a few dollars whereas fees for a standard size automobile will average better than \$16. Another possible element may be that there are fewer heavy vehicles registered this year than last and that the increased number of cars issued tags are passenger cars rather than trucks and truck-tractors.

The books, as of April 1, closing date for 1963 plate buying showed there had been 18,539 receipts issued. For the same date in 1962, the number was 17,839. This is an increase of 700 vehicles.

The gross receipts for the period ending April 1 were \$424,961.74 as compared with \$458,865.17

for the same date in 1962. This is a decrease of \$33,930.43.

The agency hurt by this loss in revenue is the state. Mrs. LeFevre pointed out. The county has already received its maximum share of the tag money—\$175,000. After a county gets this sum, assuming that the gross receipts are greater than \$175,000 the remainder of the money paid for license plates goes to the state. The law makes it possible for the county to get its share first.

The state has received \$216,949.29. At the April 1 date last year, it had received \$249,961.74. Meantime, the tag office will continue to issue 1963 plates until the 1964 plates are put on sale. By the end of the year, the county will probably have around 22,000 to 23,000 registered motor vehicles on its rolls.

Mrs. LeFevre said that one feature of the current registration period was the lack of confusion and congestion as the deadline neared. She credited this happy circumstance to the effective work done by the sub-stations established with the cooperation of the Lewis Variety Stores and the Newsom Food Stores. She reported that the Lewis

stores sold \$84,655.39 worth of tags and that the Newsom stores issued an additional \$25,289.61 worth of plates. This represented \$111,080.86 of the county's total collections of \$424,961.74. She said the sub-stations issued 5,600 plates for passenger cars while her offices in the courthouse were issuing 7,500 similar plates.

"The Lewis and Newsom stores have rendered the citizens of the county a fine service in operating the sub-stations," Mrs. LeFevre said. "They donated the time of their clerks to the work and as a result, hundreds of car owners were able to buy their plates with little or no inconvenience."

Meantime, until the tax office completes its car-by-car check, the real reason why there are more vehicles registered for less fees will remain a mystery. When the tax office compiles its list of all registered vehicles, it will be possible to determine how many compact and lightweight motor cars have invaded the field and just how many heavy vehicles, registered a year ago, are no longer on the lists.

Nice People Here, Concludes Kenneth Pace, C-C Assistant

"You get to meet so many nice people," Kenneth Pace has concluded about the advantages of being assistant manager for the Big Spring Chamber of Commerce. Last week he finished his first year in that position. His appointment was announced April 11, 1962 and Pace assumed his duties here on the 16th.

Since his arrival, most of Pace's work has been with various committees of the Chamber. He has assisted almost all except the industrial committee, which is handled by Carroll Davidson, Chamber manager.

"Kenneth has done an excellent job. As he has expanded his knowledge of Chamber work, his workload has been increased," said Davidson, who recently passed the two-year point with the local Chamber.

"Most of his work has been in research and keeping up details on committee activities," Davidson said, "but we work here much like a partnership. Whoever is available does whatever needs to be done."

Pace joined the Chamber here

as practically a newcomer to the field. This was his first time to engage actively in the work on a full-time basis. He had studied Chamber of Commerce administration and management while acquiring a BBA degree at Baylor, but had never worked in the field.

"I was pretty active with committee work for the Chamber at

Locking The Barn Door In Time

LEXINGTON, Ky. (AP) — The Fayette County Grand Jury thinks parents of delinquent children would give their youngsters better supervision if they visited Kentucky Village, the state correctional home for juveniles.

In a report last week, the jury recommended that juvenile court require parents of delinquents to visit the home before their children commit a wrongdoing that would require their confinement.

Paris, so I wasn't a 'complete greenhorn,'" Pace says.

His performance has verified that. After about a month in which to get acquainted he had taken on almost the full burden of his job as assistant manager.

The 33-year-old Pace came here from Paris, where he and his brother operated an independent gasoline business. They now live at 1309 Wood. Mrs. Pace is a nurse at the Howard County Hospital Foundation. They have two children. Cynthia Ann, nine is in the third grade at Washington Elementary School and Margaret Carol, six, attends the Jack and Jill Nursery.

Pace has fit into the community quickly. His Jaycee membership gave him a number of acquaintances immediately. He is also active in the Toastmaster's Club and has recently added the Boy Scouts to his list. The Pace family attends the First Baptist Church.

He was reared at Eddy, between Temple and Waco, and attended Bruceville-Eddy High School. In 1959, he graduated from Baylor.

Keeping Up With Committees

Kenneth Pace, assistant manager of the Chamber of Commerce, has a big task keeping up with the activities of the committees of the Chamber. Now a year old at the job, he is considered an "old hand." One of the most time-consuming jobs he has had this year has been helping with the planter box program which is now firmly implemented in the downtown area.

From the top—Corvette Sting Ray Sport Coupe and Convertible, Corvair Monza Spyder Club Coupe and Convertible, Chevy II Nova 400 SS Sport Coupe and Convertible, Chevrolet Impala SS Sport Coupe and Convertible. Super Sport and Spyder equipment optional at extra cost.

four with ...

four without ...

ALL TO GO!

Chevy's got four entirely different kinds of bucket-seat coupes and convertibles to get your spring on the road right now—the Super Sports! With a choice of extra-cost options like electric tachometers, 4-speed shifts and high-performance engines, they're all out for sport as you want to go!

First, the Jet-smooth Impala Super Sport with your choice of 7 different engines that range up to 425 hp and include the popular Turbo-Fire 409* with 340 hp for smooth, responsive driving in city traffic. Optional at extra cost equipment, such as its new Comfortilt steering wheel that you can easily adjust to your convenience, gives you a wide range of luxury, too.

Want something even easier on your family's

budget? That's the Chevy II Nova 400 Super Sport. Special instrument cluster, front bucket seats, full wheel discs, three-speed shift or floor-mounted Powerglide automatic* and other sporty features, sure—but easy on operating cost and upkeep, too.

Two more cures for spring fever—the Corvair Monza Spyder with full instrumentation and a turbo-supercharged six air-cooled rear engine that makes it a bigger kick to drive than before. And if you want to pull out the stops, the Corvette Sting Ray, winner of the "Car Life" 1963 Award for Engineering Excellence.

Have a go at a Super Sport at your Chevrolet dealer's. If the promise of spring is getting to you, one of these surely will, too! *Optional at extra cost.

Moisture Encourages Some Farmers To Plant Earlier

Howard County cotton farmers, determined to take the fullest advantage of the current moisture content in the soil, are planting cotton at a pace far ahead of former years.

Herb Helbig, county farm agent, said he believes that at least 12,000 to 14,000 acres of Howard County cotton land has already been seeded.

"Some of the cotton will be showing up soon," he said. "I saw some fields last week in which the seed had already sprouted."

He said the county cotton acre-

age for 1963 is about 73,000 acres. He estimated that at least 20 per cent of the land has already been sowed.

"Usually," he said, "only a few acres of land has been sowed to cotton this early. The normal cotton planting time starts around May 1. Many of the planters are aware that they may have to replant. However, they are taking the gamble that the seed will do all right. Anyway, it will keep the field clear of weeds and the farmers had rather replant, if they have had luck, than not to take advantage of the present planting conditions."

Statewide, the Associated Press reported that about 20 per cent of the crop has already been planted. It also reported that 29 per cent of the sorghum crop is in

the ground. Helbig estimated this would apply in Howard County.

The soil is in excellent condition, the county agent said. Moisture is much better than expected, considering the long winter drought.

"In about two weeks," said the agent, "the farms will be going full tilt. The fields are in great shape and when the planting time really hits, a lot of acres will be seeded fast."

Ranchers said that pastures are in fine condition. The rains brought the weed crop out and grass is showing up. More rain is needed. However, no distress has developed as yet in this respect.

"If we can get another good rain or two," said Helbig, "we will be all set to get by through June."

Texan To Seek Dixie Banner

ATHENS (AP)—A former Athens resident now of Houston, will be in England in mid-May as the latest emissary in quest of the long-sought Confederate lance banner in custody of a London shopkeeper.

Mrs. Buck Schwetz will speak before the Confederate Historical Society of the United Kingdom while in London.

She will call on David Shure, who holds the lance banner that has been sought for 24 months by Frank Larue Jr. of Athens.

Some 32 actual copies of the Texas Confederate battle flag—company flags—were made this year by Mrs. Schwetz who sent them to England to Ronald Marshall, chairman of the historical society.

Marshall wrote Larue he would assist Mrs. Schwetz in her efforts to secure the return of the lance banner to the United States.

Larue's efforts are being made in behalf of the Order of the Stars and Bars, a military society of Confederate officers and their male descendants. Larue is commander-in-chief of the order.

Wheat Growers Meet Tuesday

Wheat growers are asked to meet in the Agricultural Stabilization Committee office on Lancaster Street at 8 p.m. Tuesday to hear a report on the 1964 wheat program.

Herb Helbig, county farm agent, said there are 39 potential wheat growers in Howard County. About 1,800 acres of farm land are sowed to this crop each year.

Highlights of the wheat program for 1964 include the announcement of May 21 as the date for the referendum. Established wheat support price is set at \$2 per bushel national average for certified wheat and \$1.30 per bushel for non-certified wheat, provided the referendum carries.

The national marketing quota will be \$2,200,000,000 bushels and the national acreage allotment for 1964 at 49,500,000 acres. This is the same as in 1962.

A wheat marketing allocation of 975 million bushels of certified wheat has been established. Individual producers will receive marketing certificates for 8 per cent of the normal production on their acreage allotments.

Watch Center

MEXICO CITY (AP)—A Swiss watch center will be installed in Mexico later this month, to teach Mexican technicians Swiss watchmaking.

THE HAPPY SOUL

Happiness isn't formed with facial muscles. It is deeper than a smile. Its brightness is merely mirrored in shining eyes.
Happiness is the warm fertile climate with which God has endowed each human soul. It will flourish as long as our hearts and minds are exposed to the radiance of God. And, for those who discover early the spiritual center of happiness, no storm of life can ever penetrate so deeply as to chill the joy of the soul.
Are you less conscious of that inner happiness than once? Perhaps you're living in the shadows . . . groping in dark forests . . . only a glimmer of God's truth filtering through.
Bring your soul out into the sunlight. Seek joy where it is found. The Church points the Way.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are:

- (1) For his own sake.
- (2) For his children's sake.
- (3) For the sake of his community and nation.
- (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

David Lawrence What A Difference A Year Makes

WASHINGTON - It's strange what a difference a single year makes. Facts that to some people didn't seem like facts before suddenly are recognized as facts.

THIS IS THE situation today with respect to steel prices. A year ago, a proposed increase in steel prices was tabooed without warrant of law...

NOW, HOWEVER, the same reasons are advanced for the price rise by the steel companies, and almost the same language is used to announce the increase...

at 150 miles per hour. On the day after F. D. Roosevelt Jr. was confirmed as Deputy Commerce Secretary, he went to Japan to attend an industrial fair.

BRIGHT IDEAS don't usually breeze along very fast in Washington, but this one has been accelerated, you might say, by the death rattle of the American railroad system...

By the way, the Pell plan would leave the eastern railroads with their profitable freight traffic, as his idea pertains only to passengers in the cramped area...

THUS FAR THE opposition has been spotty. Bus lines, airlines, the highway lobby and even some railroads have an automatic abhorrence of further competition...

WASHINGTON - It's strange what a difference a single year makes. Facts that to some people didn't seem like facts before suddenly are recognized as facts.

"DEPRECIATION IN these years amounted to \$610 million; and reinvested profit, \$187 million—total, only about two-thirds of the total sum required.

"SO AFTER using all the income available from operations, we had to make up the difference of \$388 million out of borrowings from the public. In fact, during the period 1958-61 we have actually borrowed a total of \$900 million to provide for present and future needs...

"BUT THESE ECONOMIC facts were ignored by the administration. The next day President Kennedy at his news conference spoke out about how "a tiny handful of steel executives whose pursuit of private power and profit exceeds their sense of public responsibility can show such utter contempt for the interests of 185 million Americans."

"AS EARLY AS FEB. 26, 1962, Roger Blough, chairman of the board of U. S. Steel, in an interview published in 'U. S. News & World Report,' had described the rising costs of the corporation and had then said, in effect, that a price increase was inevitable. Yet, when the price increase was announced, the administration accused the steel executives of 'bad faith,' implying they had somehow agreed not to advance prices.

"WHO WILL PAY for the loss of a year's time in the economic progress of the country? Who will make up the loss in values and loss in jobs that came as a result of the stagnation of the steel industry? How can the country be protected against impulsive judgments by public officials based on political considerations, and how can the nation be assured that economic facts will be treated hereafter with the respect they deserve? Knott Medal Winners

S.Sgt. Walton R. Burchell (right) Knott, receives the certificate accompanying the award of the Air Force Commendation Medal from Col. William M. Hendrix, personnel officer for Sheppard Technical Training Center. Sgt. Burchell, son of Mr. and Mrs. W. A. Burchell, Knott, was awarded the medal in recognition of his outstanding performance of duty while serving as a personnel technician at Sheppard. A former student at Knott High School, the sergeant entered the service in 1957. His wife, Virgie, is the daughter of Mr. and Mrs. Virgil Graham, Ackerly.

MEN IN SERVICE

Army Pfc. Larry D. Hodnett, son of Mr. and Mrs. Gordon L. Hodnett, Forsan, recently participated in ceremonies commemorating the 21st anniversary of the 505th Signal Group's 440th Battalion in Germany. Hodnett, a line-man in the battalion's Company D, entered the Army in February, 1960, and completed basic training at Fort Carson, Colo.

Roland D. Hammack, son of Mr. and Mrs. Rex L. Hammack, 2204

Warren, and Clarence E. Graham Jr., son of Mr. and Mrs. Clarence E. Graham, both of Big Spring completed nine weeks of basic recruit training, April 5, at the Naval Training Center, San Diego, Calif. The indoctrination to Navy life consisted of physical fitness drills, military drills, seamanship, basic military law, customs and etiquette of the naval service, swimming and survival, and first aid.

DEAR ABBY

Go Ahead And Share

DEAR ABBY: We recently announced that our daughter's wedding date is June 22nd. A neighbor called and asked me what time our wedding was scheduled for. I told her we had planned it for 11:00 a.m. Then she told me HER daughter was getting married at four o'clock the same day, and would we let her use our flowers? I didn't know whether to say yes, no or what, so, like a fool, I said yes. My husband told me I ought to have my head examined. Now he wants me to call her up and tell her if she wants to use our flowers she should pay half the florist bill. Would you?

SPOKE TOO SOON
DEAR SPOKE: The time to have suggested that your neighbor pay half the florist bill was when she asked to use your flowers. Having already said yes, it would be extremely awkward to add any ifs, ands or buts.

DEAR ABBY: We live in Hawaii. Last Christmas a friend from the mainland sent us a large box of apples from Oregon. The apples were in transit for almost four weeks and arrived rotten. Apparently they had been wrapped for protection against freezing, but not against heat. We wrote and

Postponement
CAPE CANAVERAL, Fla. (AP)—Faulty Atlas rocket gyroscopes may delay astronaut Leroy Gordon Cooper's proposed 34-hour orbital flight beyond its scheduled May 7 launching date.

NORFOLK
DEAR ABBY: Please advise "L.J." not to become discouraged about being an "unwanted child." I, too, was an unwanted child, but now I am wanted in eleven states and Mexico. Sincerely,
"BIG RED" (from Houston)

It Saves On Lawyer's Fees

OMAHA, Neb. (AP)—Attorney Walter A. Nielsen, 53, who has tried more than 300 divorce cases in 30 years, has still another client—his wife.

Nielsen filed a divorce petition charging extreme cruelty on behalf of Vesta Nielsen, 51, against himself.

The attorney said he will represent his wife "just as though she were a complete stranger. We've been as far apart from each other as the astronauts are from the moon."

Nielsen, who said he'll also represent himself, will not contest the divorce.

Old Maternity Dresses Still Good

WASHINGTON (AP)—Mrs. John F. Kennedy is frugally planning to make use of maternity clothes she already owns, the White House reported Friday.

She wore them when she was expecting her son, John Jr., born Nov. 25, 1960. She is expecting another child in August.

Tax Penalties

DALLAS (AP)—An elevator operator pleaded guilty in federal court Friday to taking his dog "Rusty Lee" as an exemption on his income tax.

In another income tax case, an Odessa dentist, Dr. J. D. Burleson Jr., was sentenced to 60 days in jail for failure to file a tax return in 1958, 1959 and 1960.
