OLUME 59, NUMBER 4

Star Lites By Bill Ellis

WITH THE GENERAL ELECTION coming up on Tuesday, November 2, we will attempt to make some endorsements, for those who wish to compare notes, on the major races.

In the governor's race, we support BILL CLEMENTS for re-election. Clements has worked well with the Democratic legislature.

Clements has managed to keep our state showing a surplus in its state treasury, at a time with federal government and virtually every other entity is in the red.

With some 11.3 million Americans out of work, approximately 10.1 per cent of the nation's work force, the percentage of jobless in Texas is only 8.4 per cent--and some 800,000 new jobs have been created in Texas during the administration of Bill Clements.

Clements believes in pay-as-you go. He holds his ground against federal programs which would hurt the state. He has shown more interest in the Panhandle than any governor other than our own Preston Smith. He is much aware of our need for a water import program.

He comes to Parmer County to hunt pheasants and rub elbows with the country folks. We doubt that Mark White knows that Texas has a Parmer County. Need we say more?

JIM COLLINS has to be an improvement over Lloyd Bentsen in the U.S. Senate. Although Bentsen's backers call him a moderate who votes across party lines and sometimes supports the president, we fell out with Sen. Bentsen for his vote which helped give away the Panama Canal.

Perhaps history will prove that this was a wise choice, but we never did understand why a nation the size of the USA had to give in to the de-

Chieftain Yearbook Sale Set

The Friona High School annual staff will be selling 1983 Chieftain yearbooks next week, November 1-4. The price for the 1983 book will be \$12.60, same as last year. A \$7.60 deposit will hold a book, with the balance, \$5.00, due upon receipt of the annuals.

The FRIONA

Names will be personalized on the book for a charge of \$2.00. No extra yearbooks will be ordered. Books may be ordered at any of the school buildings, or from members of the yearbook staff.

Staff members include Erika Pope, Faith Wright, Shea Woodard, Reese Fleming, Edward Garcia, Terry Petchinsky, Vohnya Tongate, Blanca Hernandez, Jessica Maurer, Mary Summers and Sherri Brownd.

United Fund Kickoff Set

Residents and workers are reminded that the 1982 drive will kick off on Monday, November 8, with a lunch meeting at the Girl Scout House.

Royce Bodiford, general manager of KGNC Radio, Amarillo, will be speaker for the kickoff event. Mike Hanes and Keith Black are co-chairmen for the drive.

General Election Set November 2

SUNDAY, OCTOBER 31, 1982

The General Election will be held next Tuesday, November 2, with a number of races which should bring out the voters.

Perhaps the top race is the governor's race, where incumbent William P. (Bill) Clements is opposed by Democratic candidate Mark White.

Clements upset the applecart in 1978 by becoming the state's first Republican governor in a hundred years. White, who has served as the state's attorney general, won a tough primary battle in May, and has waged a tooth-and-nail battle for the office, which is expected to be close.

Lloyd Bentsen, liberal Democratic senator who has drawn the ire of Texas residents due to his voting record, is opposed by Republican Jim Collins. This should make for a good race, except for the fact that it may turn out that Collins has had about as poor a record in the House of Representatives as Bentsen has had in the Senate.

The Lieutenant Governor's race also has been heating up. Incumbent Bill Hobby, who has served four terms, is opposed by George Strake, and Strake has really carried the figut to Hobby.

Congressman Kent Hance, Lubbock Democrat, has only token opposition from Republican E.L. Hicks and Libertarian party

Kemal Tongate Is Week's Winner

Kemal Tongate, Kenneth McLellan and Clint Mears were the top predictors in the Friona Star's weekly

candidate Mike Read, neither of whom has campaigned seriously.

Otherwise, Jim Mattox (R) and Bill Meier (D) are battling for White's vacated Attorney General's post; and incumbent Bob Bullock (D) is opposed by Mike Richards (D) in the race for Comptroller of Public Accounts.

Ann Richards, who defeated incumbent state treasurer Warren Harding in the Democratic primary, now faces Republican Allen Clark in the General Election.

Garry Mauro (D) and Woody Glasscock (R) are battling for the General Land Office commissioner's position; and Jim Hightower (D) is opposed by controversial Fred Thornberry (R) for Commissioner of Agriculture.

Jim Nugent (D) is battling John Henderson (R) for the Railroad Commission, and Ted Robertson (D) is opposed by John L. Bates (R) for justice of the Texas Supreme Court, place 1.

On the County Commissioner's level, Tommy Williams, who defeated incumbent commissioner Jack Patterson in the Democratic primary in May, now is opposed in the general election by Dale Hart of Friona.

Precinct 2 was enlarged due to the reapportionment of precinct lines, to include a portion of western Friona.

Marjorie Watkins, who won the Democratic nomination for County Clerk, is unopposed in the general election, along with the other county and precinct officials.

Bovina voters will be voting in the American Legion Hall, with Jay Sherrill as election judge and Gloria Atchley as alternate.

Rhea voters will vote at the Rhea Parish Hall, with Raymond Schueler as judge and Carl Schlenker, alternate

Bi-Wize Drug Is Health Mart Member

Mike and Claudia Hanes of Bi-Wize Drug recently announced their plans to join the Health Mart voluntary cooperative for independent drug stores.

The primary reason the Haneses gave for this decision concerned the increased benefits they would be able the country. A small businessman can continue to operate in the community as an independent yet provide the same products and services of major outlets.

Hanes said the Health Mart group will be closely involved with the entire transition. The complete process will

mands of a two-bit dictator.

Bentsen's refusal to vote the wishes of his constituents on this and other matters should be good enough reason to retire him from office.

GEORGE STRAKE is our choice for lieutenant governor. Strake, a Houston businessman, was Gov. Clements' campaign chairman in 1978, and served as Secretary of State under Clements. We feel the governor could better function with a candidate from his own party, and that Bill Hobby, who has served ten years in office, has surely done enough harm by now.

From here down, we switch to the Democratic ticket, and favor **BOB BULLOCK** for re-election as Attorney General. Bullock has done a good job, we believe, in his position, and despite his problems, deserves another term.

ANN RICHARDS grabbed our attention while winning the nomination for state treasurer. A former Travis County Commissioner, she would be the first woman to win a statewide office since Miriam "Ma" Ferguson, who won her second term as governor in 1932.

GARRY MAURO is the only candidate for statewide office to come into our community, visit the publisher and ask his support. He defied a lot of odds by winning the party's nomination for land commissioner in May, so Garry, you have our endorsement.

We do not know JIM HIGH-TOWER personally, but Ralph Roming has worked with him and thinks he would be a great Commissioner of Agriculture, working for the benefit of farmers. This would be a big improvement over the GOP candidate, Fred Thornberry, who thinks our state's farmers are all making a big profit. Thornberry has been a college professor, and perhaps he'd be better off to stay with his books, and not venture out into the real world.

It almost goes without saying, but we'd better say, that we favor KENT HANCE for re-election for congress, and BILL SARPALIUS for state senator. Both men have done outstanding jobs representing our district, and need to be allowed to continue contest the past week.

Tongate was the week's champion. He was the only contestant to correctly pick 20 of the contest's 22 games, and that won for him the weekly first prize of \$10.00. Actually, Tongate picked 20 of 21, since the Canadian-Perryton contest was a tie and was automatically counted wrong for every contestant.

Tongate's only other miss was in picking Borger over Dumas.

McLellan was one of nine contestants to correctly pick 19 games, and claimed the weekly first prize on the basis of the Friona-Dimmitt tie-breaker score. Besides the tie game, McLellan missed Childress-Idalou and Borger-Dumas. He picked the Friona-Dimmitt score to be 14-14, hitting Dimmitt's score on the nose but missing Friona's by seven points. He was awarded second prize of \$6.00.

Mears, like McLellan, one of the leaders in the contest standings, missed Borger-Dumas and SMU-Texas. He picked the Chiefs to edge Other contestants correctly picking 19 of the contest games, but missing out on a weekly prize by virtue of the tie-breaker score (with score difference in parenthesis) included Donita Martin (10); Kevin Beavers (11); Jack Clark (12); Jerry Hinkle (12); Alan Monroe (17); Ron Smiley

(21); and Jon Field (24). Clark probably didn't mind too badly that he was not a winner, since his score of 19 elevated him into the lead in the overall season standings, with a score of 126. Mears' 19 placed him into a second-place tie with John Seright at 125, a point behind Clark.

The second place duo has a threepoint lead over third place contestant, Martha Clements, who has a score of 122. Next comes Danny Guerra, Tom Johnson and Kenneth McLellan at 121. Frankie Allen, Ron Cain (the Korpus Kristi Kid), Jerry Hinkle and Jimmy Walker are all tied at 120.

Counting the current weekend, there are five weeks to go in the contest, which will award the winner in the overall standings a \$100 cash prize at the conclusion.

Halloween Moved Up

Parents of youngsters are reminded that the City of Friona had urged and decreed that all trick or treat activities be held on Saturday, October 30 this year, rather than on the actual date of Halloween, which falls on Sunday.

One of the benefits of holding the trick-or-treat a day early will be getting to use the final day of Daylight Savings Time, for the children's benefit.

Parents are also urged to closely supervise their youngsters, have them visit homes they are familiar with, and inspect their "goodies."

Daylight Time Gives Way Sun.

Central Standard Time returns early Sunday morning, giving residents back that hour of sleep they lost last spring when Daylight Time began.

Residents are reminded to cause their clocks and watches to "fall back" an hour before retiring, or to follow the custom of most people, and change each timepiece as they get to it--usually taking about a week's time.

Danny Black Has 1st Bale

Danny Black marketed the first bale of 1982 cotton for the Friona area on Tuesday of this week. Black brought his cotton to the Friona Farmers Co-op Gin.

The cotton was stripped 4½ miles north of Friona. Black reported a good turnout, and estimated that of that harvested so far, a bale to the acre might be expected.

Since the growth of the cotton was stopped by last week's freeze, cotton harvest should get into high gear in the near future. to provide their customers. DPS Warns Motorists To Watch Trick Or Treaters

On Sunday, October 31, miniature monsters will invade the neighborhoods and the cry, "trick or treat," can be heard throughout the land.

Major C.W. Bell, Region 5 commander for the Texas Department of Public Safety, said today, "Motorists and parents need to take precautions to protect children and prevent disasters this Halloween."

He suggests that small children be accompanied by older children or

Fall Festival Set Nov. 13 In Hereford

Unique is expected to be the word for Wesley's Fall Festival of Arts and Crafts. It is sponsored by the Wesley Methodist Church and will be held November 13 in the Hereford Community Center from 9 a.m.-6 p.m.

In addition to the display of arts and crafts, the Festival will feature live entertainment. Christian music, gymnastics, children's ballet and tap dancing, country songs, square dancing, choral music and marching band music will be some of the scheduled crowd pleasers.

Admission is free and all area citizens are invited to visit Hereford, Texas and the Second Annual Wesley's Fall Festival of Arts and Crafts.

adults and tricks or treating be confined to their own neighborhoods. Major Bell also stated, "Costumes

should be light in color, short enough to prevent tripping and also be nonflammable. Facial makeup should be used instead of masks or hoods that restrict vision." Parents should not permit youngsters to carry jack-olanterns with lighted candles.

Children should be told to look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists, and children should be instructed to use sidewalks when possible. Motorists should use extra caution in residential areas and look for children crossing streets in a haphazard manner. Parents should remind older children not to vandalize residences, businesses or vehicles. Drivers should take caution on this night and not permit passengers to throw objects such as water balloons, paper, etc., from the vehicle.

Major Bell reminds Texans that there were 752 pedestrians killed and 6,300 pedestrians injured in Texas during 1981. A pedestrian's chance of getting killed or injured are increased by 800 per cent at night. There were 83 youngsters under the age of 11 years killed as pedestrians last year. There were seven pedestrians killed on October 31, 1981. Major Bell stated, "If parents and motorists join together and think of children's safety, Halloween 1982 can be a safe and enjoyable evening for everyone.

Troy Christian Is Named Parmer SWCD Director

Troy Christian of Farwell was recently elected to the Parmer County S.W.C.D. board of directors on October 5. Christian represents Zone 4 of the district.

The purpose of the Parmer County S.W.C.D., with headquarters in Friona is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and

As one of five individuals serving on the district board of directors, Christian will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Christian is active in the High Plains Underground Water District and the Texas Farm Bureau.

He has been recognized as the Conservation Farmer of the Year for Parmer County.

Troy and his wife, Lillie, have three children, Vick who is 21, Sharmy who is 19, and Todd who is 16.

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator

CAST YOUR VOTE

Having had the opportunity to work more closely in Texas politics than most of you for the past few years, we have been able to distinguish who our real political friends are.

JIM HIGHTOWER, Democratic candidate for Agriculture Commissioner, is undisputably one such friend.

JIM HIGHTOWER is very knowledgeable and sensitive to the deplorable economic condition of Texas farmers and ranchers today, yet has the unique support and trust of urban people to support much needed agriculture legislation.

JIM HIGHTOWER will provide much needed leadership and directive to our state's agricultural policy and be a strong voice for our cause in Washington D.C., where the ultimate changes in agriculture policy must be made.

For these reasons, please join us, Ralph and Donna Roming, with your vote and support for JIM **HIGHTOWER on November 2.**

After much study and extensive evaluation of all the candidates, we will be voting a straight Democratic ticket and would urge everyone to vote a straight Democratic ticket for all our best interests.

Letter To The Editor

I understand that there was some confusion concerning Union Congregational Church's hosting of a program on witchcraft.

After the publicity concerning witchcraft over the past several years, our folk felt the subject needed to be understood. In response to this congregational interest, the issue of witchcraft was examined in an evening session. It was not a "how to" session, nor was it an advocacy session. Rather, it was an attempt to sort out the exaggerations, overdramatizations, and distortions that are so often in our midst.

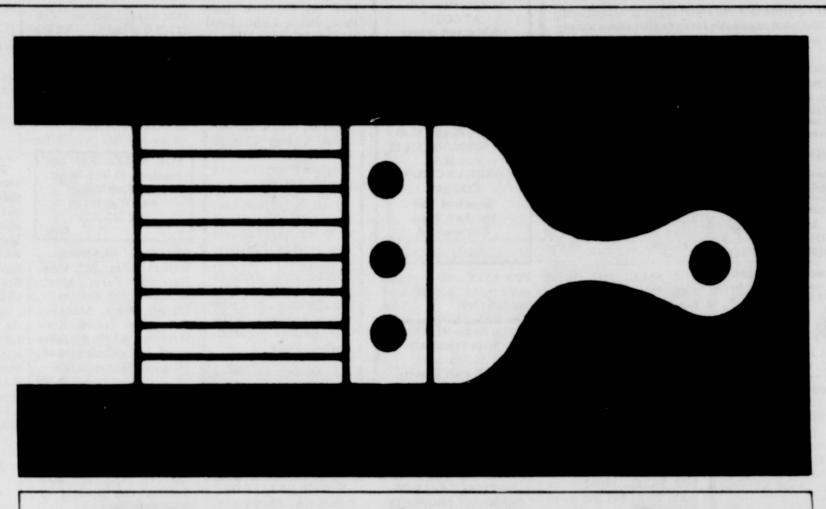

The members of Union Congregational Church are Christian folk who have long cherished the open mind, our tradition having always been one which seeks mutual understanding with all people of faith. Our study revealed God-fearing persons of another religion. We grew from the experience as we came to understand others better and as we reexamined and thus deepened our own faith.

Dimmitt Bobcats Take 14 - 7 Victory Over Friona Chieftains

Apparently, the Dimmitt Bobcats don't like the role of underdogs--or on second thought, maybe they don't mind it so bad after all.

Seems every time the Bobcats are underdogs against Friona, they come up with a cracker-jack performance. Such was the case last Friday, when Dimmitt scored two first half touchdowns--one before fans had a chance to get settled in their seats-enroute to a 14-7 victory at Chieftain Field.

The loss by Friona was a serious blow to its playoff hopes, since now the team not only must beat either Muleshoe or Littlefield (or both) on the road, or else hope for some help from the likes of Tulia and Abernathy in the remaining season games

Dimmitt won the toss, and elected to receive. No team the Chieftains have played this season had done what the Bobcats proceeded to do.

On first down, Richard Guzman passed for 24 yards to Jeff Watts, to the Dimmitt 45. On the next play,

wingback Bill Johnson ripped off a 23-yard gain, to the Friona 31. Then, Sid Sagesar broke up the middle for a touchdown. Just to add the clincher, Guzman dove in for a two-point conversion.

Dimmitt had taken an 8-0 lead in the game, and only 28 seconds of clock time had elapsed. The Chieftains and their fans were stunned, to say the least.

Friona couldn't get untracked in the first half, as Dimmitt had Charlie Morgan's running well scouted. Friona had a net of only 13 yards gained in the first quarter.

Dimmitt fired up again midway through the second quarter, and on a third and 20 situation, Guzman lofted a pass which Watts smothered, and ran into the end zone for a 50-yard TD play. The running try for two more points failed, but the Bobcat lead had become 14-0 with 7:17 left before halftime.

Friona's best scoring chance of the half came late in the first quarter, after Alfredo Mata returned a Dimmitt punt to the Bobcat 20. Three plays gained only two yards, and on fourth down Mark Montoya was called on to try a field goal.

The kick was well within Montoya's range, but the Chieftains rushed the play rather than calling time out, and Mark's kick sailed wide to the left. A 7-3 score at that point could have turned momentum Friona's way

The Chiefs put together a pair of first downs late in the first half, driving to the Dimmitt 40, but on fourth down a Bruce Patterson pass was intercepted to end that threat.

On Friona's second possession of the third quarter, the Chieftains drove from their own 39 to the Dimmitt 18, where they again appeared to stall.

On third down, flanker Mike Neill tried a pass which fell incomplete. That brought up a fourth and five.

Neill went deep, and Patterson lofted him the ball. Neill made a nice catch while falling backward, to put Friona on the scoreboard, Montoya's kick made the score 14-7, with 2:53 left in the quarter.

But that was to be Friona's only bright spot of the game, as the Chieftains could not get another scoring drive going. They faced third and one from their 45 midway through the final quarter, only to have Morgan run into his own blocker a half-yard shy of the firstdown marker. Starting to go for the yardage, a Friona lineman moved. and this stymied the effort and the Chiefs had to kick.

A little later, Friona had held Dimmitt and should have gotten the ball on a punt, but the over-zealous Chieftains were called for roughing the kicker.

That enabled the visitors to almost run out the clock. Friona got the ball back in the last minute, but Patterson's long pass was intercepted at midfield, and that wrapped it up.

The Chieftains could not buy a break. Early in the game, Montoya was knocked flying while punting, but no penalty flag was forthcoming.

Then, following the Friona touchdown, the Chieftains clearly recovered a Bobcat fumble at the Dimmitt 28, but the officials refused to turn over possession to the Chieftains. Films showed that the ball popped out before the ball carrier went down, but that was another judgement call going against the Chiefs.

The loss left Friona with a 5-3 season mark, and 2-1 in district, and worse, increased Dimmitt's gaudy lead in the old rivalry to 33 wins to 13 for the Chieftains and one tie.

Perhaps it's like one observer commented after the game: "Some teams would rather beat Friona than win district."

Thanks to a good second half, runningback Charlie Morgan again had a 100-yard game, having 124 yards in 31 tries, the workhorse on the team. That put Morgan over the 1,000-yard mark with 1,051 yards, and two games to go.

7th Grade **Loses** Game To Dimmitt The Friona seventh grade football

team lost to Dimmitt here last Thursday evening.

During the first period of play, Kevin Frye dislocated his shoulder and did not play the remainder of the game.

The first half was scoreless but in the third quarter the Bobcats lit up the scoreboard with sixteen points to Friona's 0.

The Braves' defense held Dimmitt in the fourth quarter with good tackling by John Cass and Gilbert Mendoza.

In the last minutes of the game, quarterback Daniel Echols passed to runningback Joel Jass on a play that covered 40 yards and the touchdown. A run for the conversion points was no good

Despite penalties and injuries, the Braves played a good game. The final score was Dimmitt 16, Friona 6.

WHOA, CAT....Dimmitt quarterback Sam Guzman makes a good gain for the Bobcats, as Chieftain defenders try to catch him. At the left are Carl Jackson and Jeff Lundy. In the background is Mark Mercado. Dimmitt won the game, 14-7.

Chieftains, Mules To **Knock Heads Friday**

The Friona Chieftains were to meet the Muleshoe Mules in a game vital to the District 2-AAA standings Friday night in Muleshoe.

Both teams were fighting to stay in the district's playoff picture; Muleshoe having lost last Friday to Littlefield, 27-12, while Friona was dropping its 14-7 decision to Dimmitt.

As usual, Muleshoe will provide plenty of opposition for the Chieftains. The Mules and Chiefs have identical records, both for the season (5-3) and in district play (2-1).

The Mules had scored 148 points (18.5) and allowed 110 (13.8) in eight games, compared to Friona scoring 125 (15.6) and allowing only 83 (10.3) per game.

Muleshoe is one of the top-rated offensive teams on the South Plains, averaging 260 yards per game, ranking seventh, to Friona's 234 yards. The Chieftains rank tenth in the area.

On defense, however, Friona went into the game allowing just 203.6 yards per game, ranking the Chieftains fifth in the area, and Muleshoe was yielding 214 yards per outing. One difference might be that the Mules have already played potent Littlefield.

The Mules' leading ground-gainer is Alex Paez, runningback who had gained 779 yards (111.3 per game) going into Friday's tussle.

Muleshoe had passed somewhat more than the Chieftains, 535-230, in fact Muleshoe guarterback Sam Gonzales entered the game as the area's sixth leading passer with 33 completions including three touchdowns.

Coach Tommy Moss had "good news and bad" this week as to the health of his players. Wide receiver Mike Neill re-injured a knee, and will miss the balance of the season. Neill scored Friona's only TD against Dimmitt.

Meanwhile, runningbacklinebacker Max Perea, out the past three games, will be back in the lineup, and Richie Malouf was running well in practice.

It's always a tough game when the old rivals meet on the playing field. Muleshoe holds a lead in the series with 19 wins to 11 for Friona and one tie. The Mules have won the last four times the teams have played. Friona's last win was a 13-7 win here in 1977. Counting since 1971, the Mules have won six times and Friona five.

Pros & Cons Given For Proposed Amendments

AMENDMENT NO. 1:

FOR: "Without this amendment, millions of dollars of back taxes will have to be collected from property owners across the state. *Present formulas for distribution of tax money to these universities is unfair

and rot based on need. *The 17 universities should receive funds through the appropriations process

which allows the legislature to assess needs. AGAINST: "This tax probably should be reduced from 10 pct. to 3 pct. per

\$100 market value, not repealed completely.

*Current funding insures the high priority of higher education.

AMENDMENT NO. 2

Authorizes the legislature to provide by law for assistance grants, medical care, and services to needy persons. Places a higher ceiling on aid to dependent children and their caretakers. After 1982-83 biennium, the ceiling is set at 1 pct. of the state budget for each biennium.

FOR: *State funding would no longer be tied to federal funding which may soon be eliminated for dependent children (AFDC).

SALESMEN.... Members of the Friona High School yearbook staff will be selling copies of the 1983 yearbook next week. Shown are (standing, 1-r) Terry Petchinsky, Vohnya Tongate, Blanca

Hernandez, Jessica Maurer, Mary Summers and Sherri Brownd. Seated are Edward Garcia, Erika Pope, Faith Wright, Shea Woodard and Reese Fleming.

AGAINST: "Welfare spending would be increased if the ceiling on assistance grants is increased.

*Emphasis should be placed on assuring that present welfare monies are spent for the truly needy.

AMENDMENT NO. 3:

Exempts from ad valorem taxation implements of husbandry used in the production of farm or ranch products.

FOR: *Provides needed tax relief for farmers and ranchers with little adverse effect on local governments' tax bases.

*Taxing on agricultural equipment and machinery costs more than it is worth because it is difficult to assess and collect.

AGAINST: *Recent tax breaks for farmers and ranchers sufficient.

AMENDMENT NO. 4:

Authorizes legislature to set four-year maximum terms of office for members of governing boards of certain water districts and other conservation & reclamation districts.

FOR: *Reduces cost of having to hold more frequent elections.

*Less frequent elections would generate more voter participation.

*Longer terms allow members to develop expertise and efficiency.

AGAINST: *Frequent elections assure that members are responsive to voters needs.

AMENDMENT NO. 5:

Abolishes the office of county treasurer in Tarrant and Bee counties and transfers duties to county.

FOR: "Allows voters of each of these counties to hold a local election to decide if they want an elected county treasurer.

*Eliminating one office would save county revenue.

*Many cities have appointive treasurers.

AGAINST: *Separation of functions is needed to safeguard against misapplication of county funds.

*Diminishes voter's control by eliminating an elective office.

AMENDMENT NO. 6:

Raises the weighted average annual interest rate from 6 pct. to 12 pct. on general obligation bonds for water quality enhancement, water conservation, park development and student loans.

FOR: *6 per cent interest ceiling is too low to sell previously authorized state bonds in current bond market.

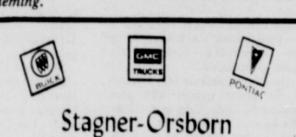

*Does not mean that interest rates will be increased necessarily to 12 per cent; bond interest rates are set by the bond market.

364-2015

AGAINST: *Payment of interest rates above 6 per cent is too costly.

City Gets 1 Per Cent Tax Check

State Comptroller Bob Bullock sent \$35.6 million to 967 Texas cities as their share of the one-per cent city sales tax for October.

The 1982 statewide total so far this year is up 11 per cent over the 1981 total up through the same date of last year. This payment reflects taxable sales made in August and reported to the state by the end of September.

The City of Friona received \$4,121.98 for the current period, compared to \$4,815.89 for the comparable period a year ago. However, the city's payments for 1982 to date stand at \$75,038.79, which is up by 3.68 per cent over the figure of \$72,374.76 for the same time in 1981.

Houston received \$7.7 million. So far in 1982 Houston's payments are up 14.1 per cent over 1981

Dallas got \$4.2 million, up 8.9 per cent so far in 1982.

San Antonio got \$1.9 million, up 10 per cent for the year.

Fort Worth received \$1.2 million, bringing the total for 1982 to \$19.9 million, up 4.5 per cent for the year.

Austin received \$1.3 million, up 14.3 per cent for the year

El Paso received \$841,937 up 6.6 per cent for 1982.

Bullock also sent October rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$8.5 million, bringing the total received this year to \$136.1 million, up 10.9 per cent over last year. The San Antonio MTA got a check for \$955,526, bringing the 1982 total to \$16.6 million

These statewide figures included the impact in border cities of the August peso devaluation. Past devaluations have had an immediate negative impact on border sales but have returned to pre-devaluation levels within a year, Bullock noted.

Letter To The Editor

Bill Ellis, Editor Friona Star Friona, Texas 79035

Dear Bill:

I have been distressed to read your attacks on Fred Thornberry, Republican Candidate for Commissioner of Agriculture. I hope you have done a little research into his opponent, Mr. Hightower's background, as you know Hightower is really qualified for the Commissioners Office. Hightower was a manager of a Chamber of Commerce. He was a staff member of Ralph Yarborough's Senate Staff. (You remember old conservative Ralph?) Hightower was editor of "Texas Observer." (I'm sure you are familiar with that rag.) And 2 years ago he was the populist candidate for the Texas Railroad Commission, being a self appointed expert on the oil and gas industry. When in fact, Hightower is not anything but a power seeking politician.

This man never has done anything to qualify himself for any agriculture position. He doesn't know a tractor from a combine.

But he is smart enough to use old commie and union tactics to stir up the masses. Typical quotes being "The big guys are eating steak and you're not getting the crumbs." Any union organizer can pull that off. Sincerely, Bill Liles

AAM Sets District Meet

The American Agriculture Movement of Texas, District I, is having a meeting in Amarillo on November 6, at Sutphen's Bar-B-Q. The meal will begin at 7 p.m. with the business meeting to follow.

There will be the election of a District Delegate and alternates for the following year, and several other items of business will be discussed at this meeting. All interested agricultural producers and agribusiness people are urged to attend this very important meeting.

Hance Awarded Small Business Award Honor

Rep. Kent Hance has earned the "Guardian of Small Business" Award, and an endorsement for reelection, from the National Federation of Independent Business (NFIB) for his outstanding voting record on small-business issues.

The nation's largest small business group presented Hance with the award because he voted with a majority of NFIB members 76 percent of the time.

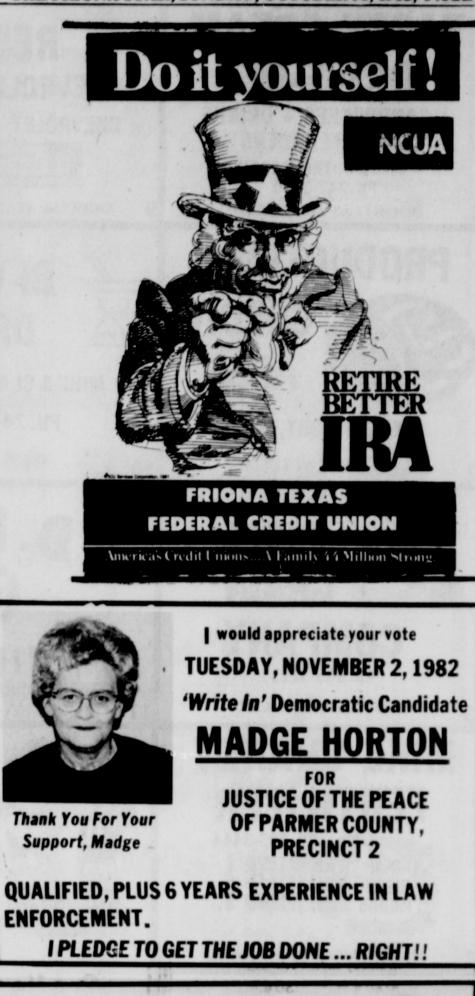

On announcing the award, NFIB President Wilson S. Johnson said, "The voting record of Rep. Hance this Congress demonstrates that he is responsive to the needs of his state, because small businesses create the majority of new jobs and if left to flourish, will be a major factor in restoring economic growth." House members were rated on 22

recorded votes during this session of Congress.

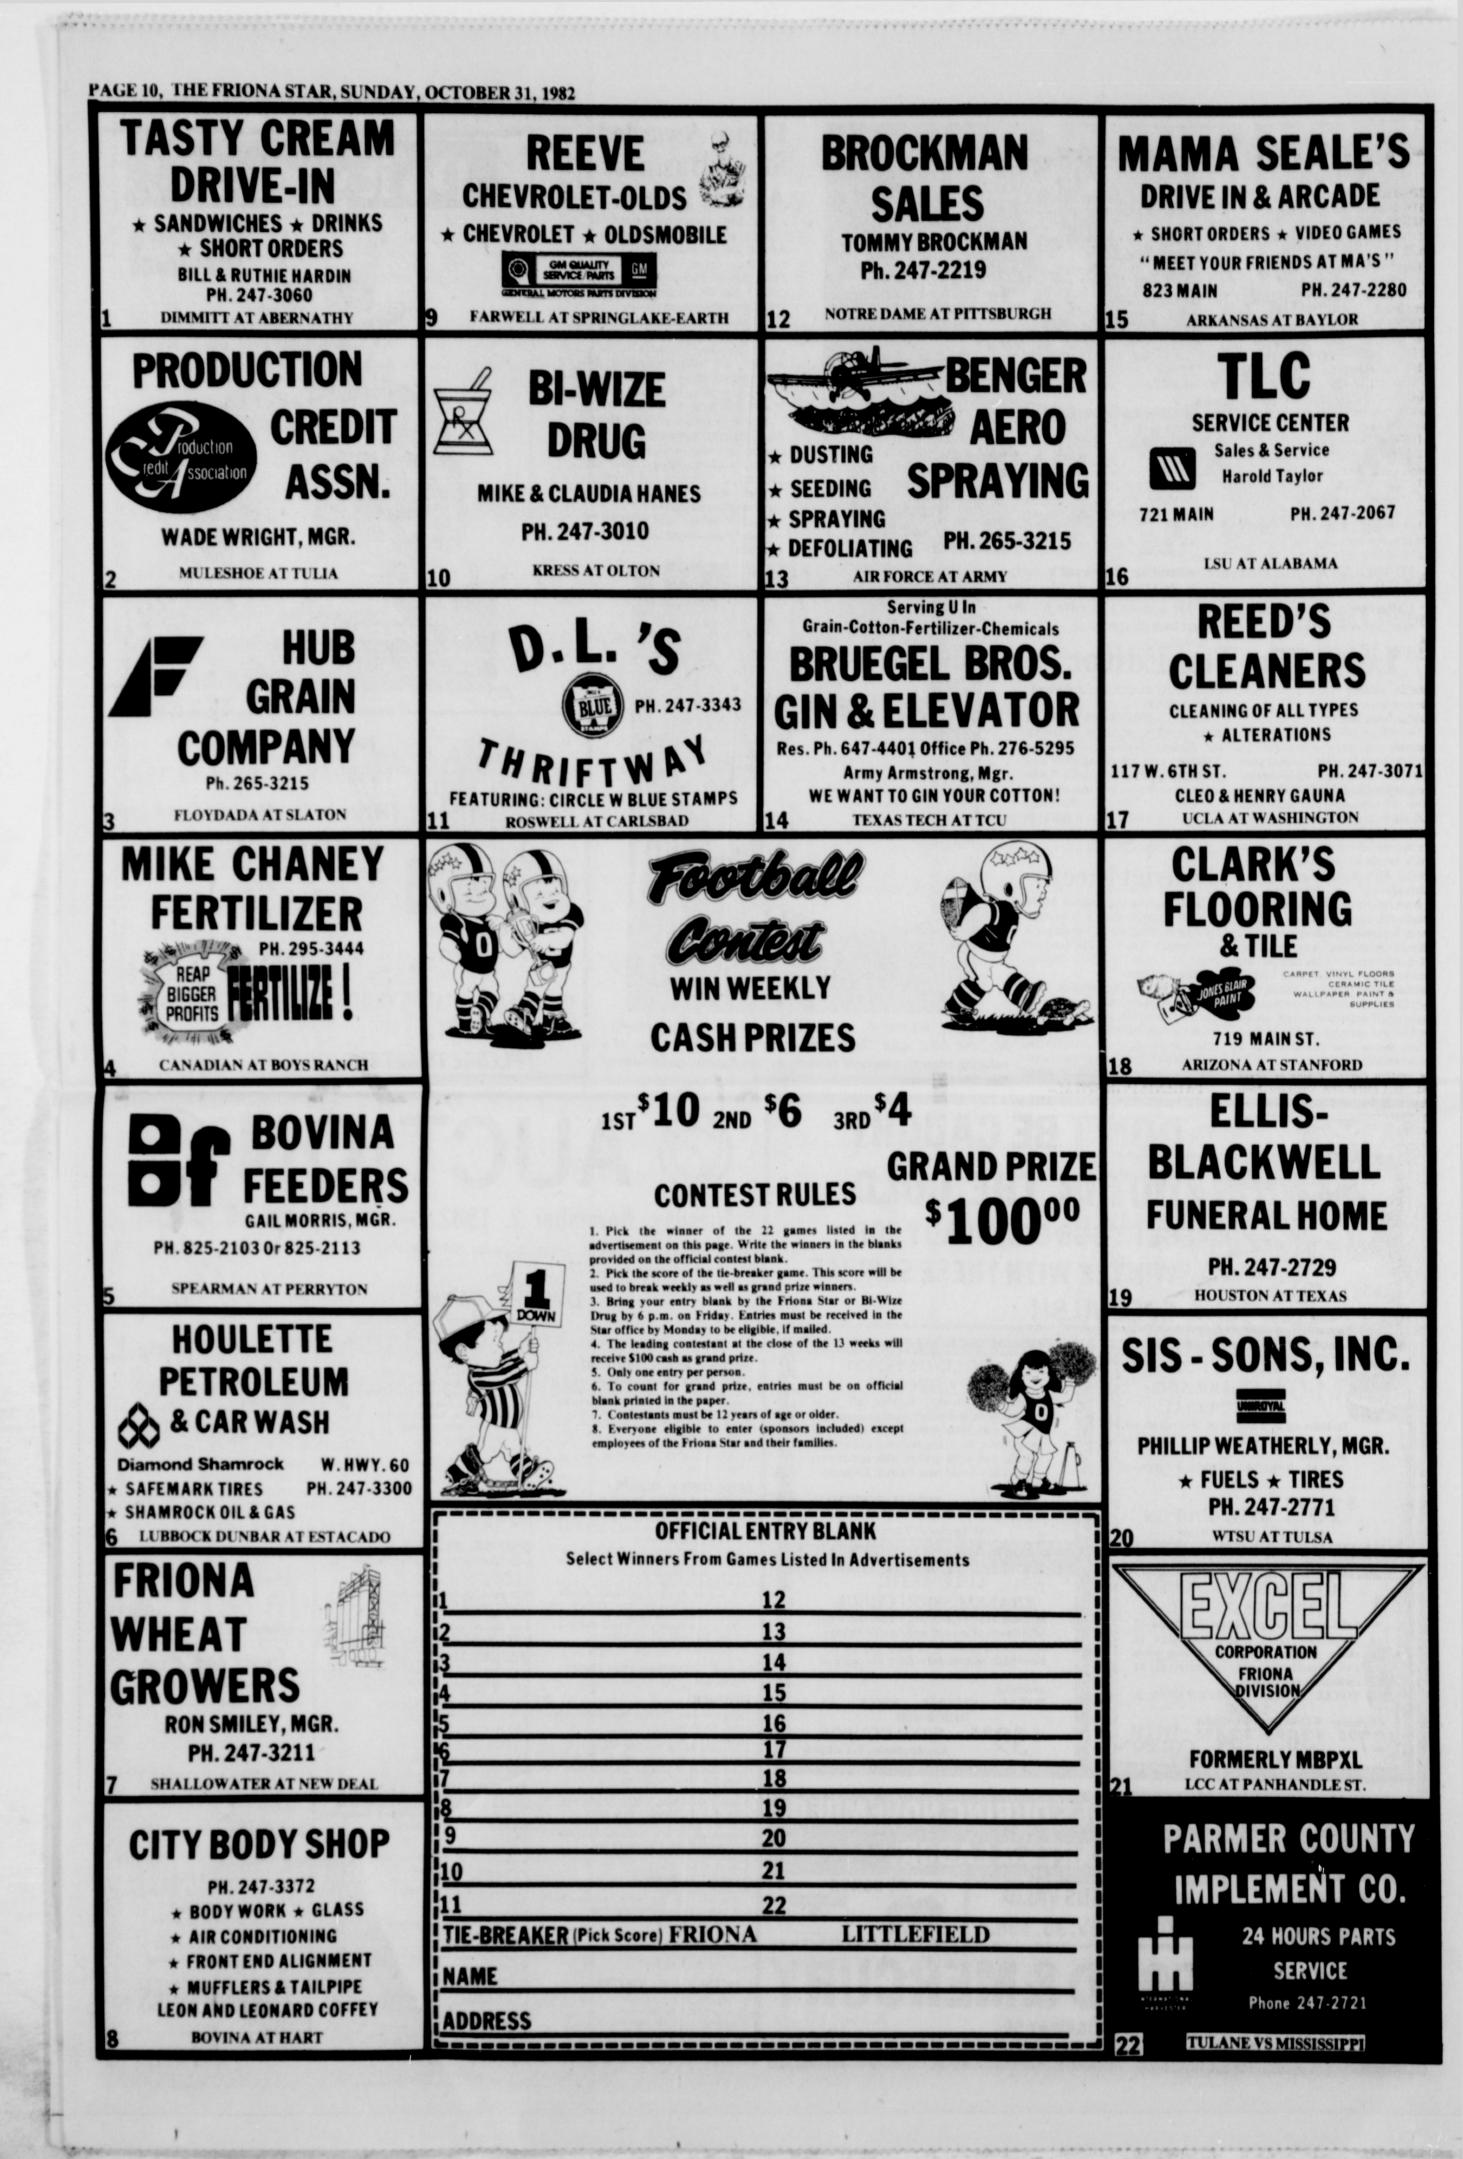

CONTEST WINNER....Audra Clark, six-year-old daughter of

Local Youths Make Drive For "CROP"

On October 31, the Friona FFA boys with some help from friends will canvass the community--Trick or Treating for CROP

CROP stands for Christian Relief Overseas Project. CROP has two goals: to make people in the United States aware of the extent and nature of world hunger; and to raise funds giving a helping hand in the name of friendship and God's love.

CROP appeals to Christians to assist the billion and a half people in the world who are malnourished and starving. CROP is committed to challenge the death grip that hunger has on the lives of millions upon millions of children, youth and adults in our world. Through self-help (thus sustaining human dignity and respect) CROP works for a future with food for everyone.

CROP is not a hand-out--it is a hand-up. The program helps people develop skills, earn their own support and learn to help others.

CROP is a church related program although it is not tied to any denomination. Each year folk from numerous denominations work to combat hunger in the world through CROP

You might be interested to know that for every \$10 that goes overseas. \$7 is used in development programs, attacking root causes of hunger through development of water resources, establishing village

cooperatives, encouraging responsible family planning, through demonstration farms, etc. The other \$3 is used to assist victims of disasters through specific food shipments.

Since CROP works so closely with many denominations and church related agencies, over 90 cents of every dollar goes directly to help hungry people in need.

So, when the CROP Trick or Treaters come to your door on Sunday afternoon, October 31, be generous. You will be helping those in

Library Corner

By DARLA BRACKEN

The new hours for Friona Public Library have been announced. The library will be open from 9 a.m. to 6 p.m. Monday through Friday including the lunch hour. Also for those of you who've been wondering about our book drop--it's located on the southeast corner of the building. During the month of October, 616

people borrowed 1,173 items from the library (items include books, magazines, cassettes, films, etc.) Thirty-six books were checked in the Books-by-Mail Program from Amarillo. Over eight hundred people have viewed library films or filmstrips this month.

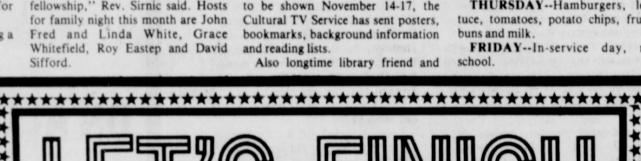

Darla Bracken attended a workshop on "Young Adults in Amarillo October 19. The workshop was sponsored by the Texas Panhandle Library System and was quite eye-opening.

Rich in Vitamin A. pumpkin also contains iron, potassium and Vitamin C. plus it is low in calories, sodium and fat.

As for just how popular the pumpkin really is, it's estimated that over 88 million pumpkin pies were baked by Americans in 1981. Dessert lovers will delight in the flavors of a glamorous "Pumpkin Peace-Pipe Pie" garnished with carmelized almonds

PUMPKIN PEACE-PIPE PIE

pint vanilla ice cream, softened 1-10 inch pie shell, baked can (16 oz.) solid pack pumpkin

11/2 cups sugar 1/2 teaspoon salt 1 teaspoon ground cinnamon 1/2 teaspoon ground ginger 1/4 teaspoon ground cloves 1 teaspoon vanilla 11/2 cups whipped cream 1 cup slivered almonds 1/4 cup sugar

Spread softened ice cream in cooled pie shell; place in freezer. Mix pumpkin with sugar, spices and vanilla; fold in 1 cup whipped cream. Pour filling over ice cream. Cover with foil; freeze about 4 hours. Combine nuts and 1/4 cup sugar in small skillet. Stir constantly and rapidly as the sugar begins to turn color. Remove from heat when almonds are caramelcolored and spread on greased cookie sheet. Break apart when crisp. Garnish pie with remaining whipped cream and carmelized almonds. Yields one 10-inch pie.

Those of you who haven't had the pleasure of attending a Golden Anniversary reunion of your high school graduation class have really missed a special treat.

It is kind of like becoming a grandparent--you just can't know what a wonderful experience it is until after it has happened to you.

Twelve of the thirty-two members of the Dimmitt High School Senior Class of 1932 met at the Senior Citizens Building there for an all day reunion. Some were accompanied by spouses and one teacher, Mrs. Madge Robb, was a special guest. We also had a few other former classmates and friends with us.

It was fun from the first preregistration, "Now, who are you?" to the final closing of the door after two or three of us spent several minutes trying to figure out the mechanics of turning off all the lights in the building without cutting electricity off the refrigerator, freezer and other things we weren't supposed to leave without power.

Now, we've stashed away memories to enjoy for the next five years. Then, we're going back for our Fifty-Fifth.

Andy and Winifred Hurst returned home Friday after spending ten days in the home of Dr. and Mrs. Rick Hurst and children, who live in Nacogdoches, Texas.

They went down to get acquainted with their newest granddaughter, who was born October 11 and was named Mary Elizabeth. She has one sister, Jennie, who is 31/2, and one brother, Andrew, who is 11/2. . . .

Les Ainsworth is a surgical patient at Deaf Smith General Hospital, Hereford. His condition is satisfactory.

Decimae Beene and her father, Edwin "Goose" Ramey of Dimmitt, drove down to Big Lake, Texas, Friday evening. They spent the weekend visiting in the home of Dale

that city. Vicky is a former teacher in the

local school system. ...

Faye Brooks is home again after a delightful three weeks stay in the Pacific Northwest. She spent three weeks visiting in the homes of Mr. and Mrs. Merritt Brooks and Mr. and Mrs. Steve Brooks and children, Shannon and Shelby, who live in Snohomish, Washington.

Her husband, Hamil, who is Merritt's father, kept the home fires burning while his wife was away.

Four Frionans, who were part of a thirty-nine person tour group, returned recently after spending three weeks on a tour, which originated in Amarillo and extended as far northeast as the Eastern Canadian Coast.

Herschel and Edith Johnson and Elvie and Virginia Jennings will be busy for a long time telling interested listeners about the tour.

Enroute to the New England States, the group stopped in Knoxville, Tennessee, for the World's Fair, and in a lot of other interesting places.

They were particularly impressed with the fall colors in New Hampshire and Vermont.

Mr. and Mrs. Dave Van Valkenburg and son, Joel, of Englewood, Colorado, returned home Saturday after a ten day visit in the homes of Mr. and Mrs. Herschel Johnson and other Friona relatives. Mrs. Van Valkenburg is the former Kay Johnson.

Joe and Jessie Douglas spent several days last month dusting off the furniture in their recreational vehicle and getting ready for a

twenty-six day stay in it. They returned home Monday evening. Their first stop was at Glen Rose, Texas. First, they spent one week attending an annual Blue Grass Festival. Then, the second week they attended a Retiree Reunion.

Last weekend J.B., a former Friona High School student, attended the twentieth reunion of his high school graduating class at New Mexico Military Institute, Roswell, New Mexico.

Bud and Arvilla Elmore and Lucille Wilson returned home Wednesday afternoon after a ten day trip visiting friends and relatives in Okahoma, Kansas and East and Central Texas.

Their first stop was in Woodward, Oklahoma, where they were guests in the homes of Mr. and Mrs. Merl Henderson and Mr. and Mrs. Billy

The fuel cost adjustment pass-through is fair to our customers. Costs of coal, natural gas, and fuel oil Southwestern Public Service buys to generate electricity change frequently. Sometimes fuel costs go up, and -we're glad to report - sometimes they go down. As set forth by regulatory authorities, the fuel cost adjustment pass-through

requires SPS to reflect those changing costs in each customer's monthly bill. The fuel cost adjustment is designed so that each customer is charged only for the fuel that was required to generate the amount of electricity he actually used. There is no profit for SPS figured in the fuel cost adjustment. The customer pays only the current price for that fuel.

Doyle Moore, Amarillo District Manage

SPS works hard to keep down the cost of fuel. Some people say that because fuel costs are charged directly to the customer, SPS has no incentive to keep fuel costs down. That's just not true. We have a commitment to keep electric bills as low as we can. Our customers are our partners, and we want to help them save money. Too, we always

remember that electricity competes with other energy forms for the customer's dollar. So it's simply good business to keep the total cost of electric service as low as possible.

Maurice Johnson, Senior Engineer, System Planning, Amarillo.

Coal-fired generating plants help you and SPS hold down fuel costs. SPS now has two coal-fired generating plants. The newest, Tolk Station near Muleshoe, Texas, has just come on line. Fuel costs at coal-fired plants are significantly lower than fuel costs at the older, natural gas-fired plants. On the average, in fiscal 1982, the fuel cost of a

kilowatt-hour generated by natural gas was 3.178 cents. The fuel cost of a kilowatt-hour generated by coal was 1.803 cents. So maximizing use of Tolk and our other coal-fired plant, Harrington Station near Amarillo, will help us, as your partners, hold down fuel costs.

Kurt Shaughnessy. System Accounting Coordinator, Amarillo.

Difficult times demand wise decisions ... and strong decision-makers like Lt. Gov. Bill Hobby.

Texans are facing some difficult times. Now, more than ever, we need experienced, compassionate leaders in our state government.

EDUCATION.

HOBBY will not be satisfied until our education system is the best in the nation. His efforts to improve the quality of public education for your children and grandchildren begin in the classroom. He is for improving teacher salaries and benefits. He is for giving more control to local school districts.

We need a leader like Lt. Gov. Bill Hobby who has our interests at heart. Here's how Hobby stands on the issues concerning Texans:

JOBS.

HOBBY is working to create more and better jobs for Texans. He is making sure jobless Texans receive their full unemployment benefits. He is working to increase the efficiency to the Texas Employment Commission. He is stimulating economic growth and new jobs through responsible state spending and one of the lowest tax rates in the nation.

CRIME.

HOBBY is for strong laws and certainty of punishment of criminals, backed by better training and pay for our police officers. He is helping upgrade our courts to speed up trials of accused criminals. He is for improving our prison system and parole system.

Shirley Milloy, Mike Trammell **Exchange Wedding Vows Here**

Shirley Milloy and Mike Trammell of Amarillo exchanged wedding vows Friday, August 27 at 3 p.m.

The ceremony was performed in Friona United Methodist Church by

Rev. Archie Echols. The bride is the daughter of the late Peggy Milloy and granddaughter of

the late Carrie Shirley. The bridegroom is the son of John

Trammell and Mary Pitts of Amarillo.

The kneeling bench and silver candelabras holding lavendar candles and an arrangement of purple miniature carnations, pink roses, pink lillies, lavendar daisies and baby's breath accented the church setting

As the bride was presented in marriage by her brother, Randy Milloy of Olton, she was attired in a formal length gown of silk organza, designed with a fitted hi-rise bodice, overlaid with venice lace medallions, festooned with seed pearls. The open neckline with scallops of lace and seed pearls was attached to a deep cup. The controlled front skirt was appliqued with matching lace medallions. A detachable sanctuary train was overlaid with lace motifs.

A long veil of imported illusion was attached to a Juliet cap of lace and satin.

She carried a bouquet of white roses, baby's breath and white satin streamers carried atop a Bible.

Star Begins New Policy

Beginning this week, the Friona Star will require that all wedding information, to be published in the current week's paper, must be turned in to the Star office by Monday afternoon at 5 p.m.

If the information fails to reach the office by the desired time the story will be used the following week.

There is no guarantee as to the reproduction quality of colored photographs, but we will attempt to get the best copy possible.

Mrs. John Trammell presented musical selections. Vandra Milloy of Olton, sister-in-

law of the bride, served as matron of honor. She wore a blue chiffon dress.

Randy Milloy of Olton, brother of the bride, served as best man. Rocky Nichols was the usher.

Micah Milloy of Olton, niece of the bride, was the flower girl. The ring bearers were Randall Van and Brock Milloy of Olton, nephews of the bride.

The two tiered wedding cake was topped with bells. The cake was served by Teresa Loflin. Punch was served by Cari Hand.

For a wedding trip to Lubbock, the bride wore a pink chiffon street

length dress.

The couple will reside in Amarillo. Out-of-town guests attending the wedding were the groom's mother, Mr. and Mrs. Randy Milloy, Randall Van, Micah and Brook of Olton, Texas.

The bride is a graduate of Friona High School and attended Texas Tech University and West Texas State University.

Austrian Girls Visit **Relatives In Bovina**

Lovd and Irma Nabors and daughter Tamie of Bovina have had as guests in their home this week two of Irma's nieces from Enns, Austria. They are Irma Janecek, 20, and Tanja Janecek, 18.

The young ladies are daughters of Irma's only sister, Margaret Janecek of Austria.

Since their arrival locally, the two have been amazed at the distances --the flat land, and have been surprised to find that the people here are so friendly

They also have been impressed by the giant shopping centers in the large cities, which offer much more in the way of retail goods than they are used to in Austria

The girls started their journey by train from Enns to Frankfort, Germany, then flew by plane to Chicago, thence to Oklahoma City, where they spent a weekend with Loyd and Irma Nabors' daughter and family, Sharon and David Sherrill. Another of the Nabors girls, Karen Walsh, drove up to meet them.

Since arriving in Bovina, the girls have driven to Keys, Oklahoma, where Mr. Nabors is harvesting maize; they attended a pep rally, where they were able to see their first cousin, Tamie, in action as a cheerleader, and attended their first American football game.

Other things which have impressed the young ladies since their arrival here include the large grain elevators and the pretty sunsets.

They also can't get used to the fact that in America, the vehicles are obliged to drive so slow, since in Austria the speed limit is 80 miles per hour, and the roads are much more narrow. They also say they are impressed by the courtesy of the drivers here.

In Austria, the girls have finished their study course, which is equivalent to college degrees in this country. Tanja works at a hospital, in the medical records division. Irma works for a Swedish firm, doing general accounting work.

The girls' father is an engineer in a

sugarbeet plant, so they are familiar with at least one phase of this area's agriculture. Irma says that Mr. Janecek is quite an inventor and designer.

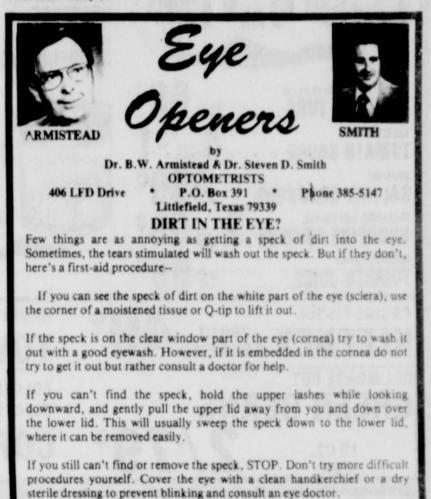

Mrs. Nabors has been to Austria three times in the past 30 years. Mr. and Mrs. Janecek came here four years ago for a family wedding. It is the first time for the two girls to be in this country. They began saving their money -- when they went to work, and when they had enough, planned their trip.

"It has really been a treat for

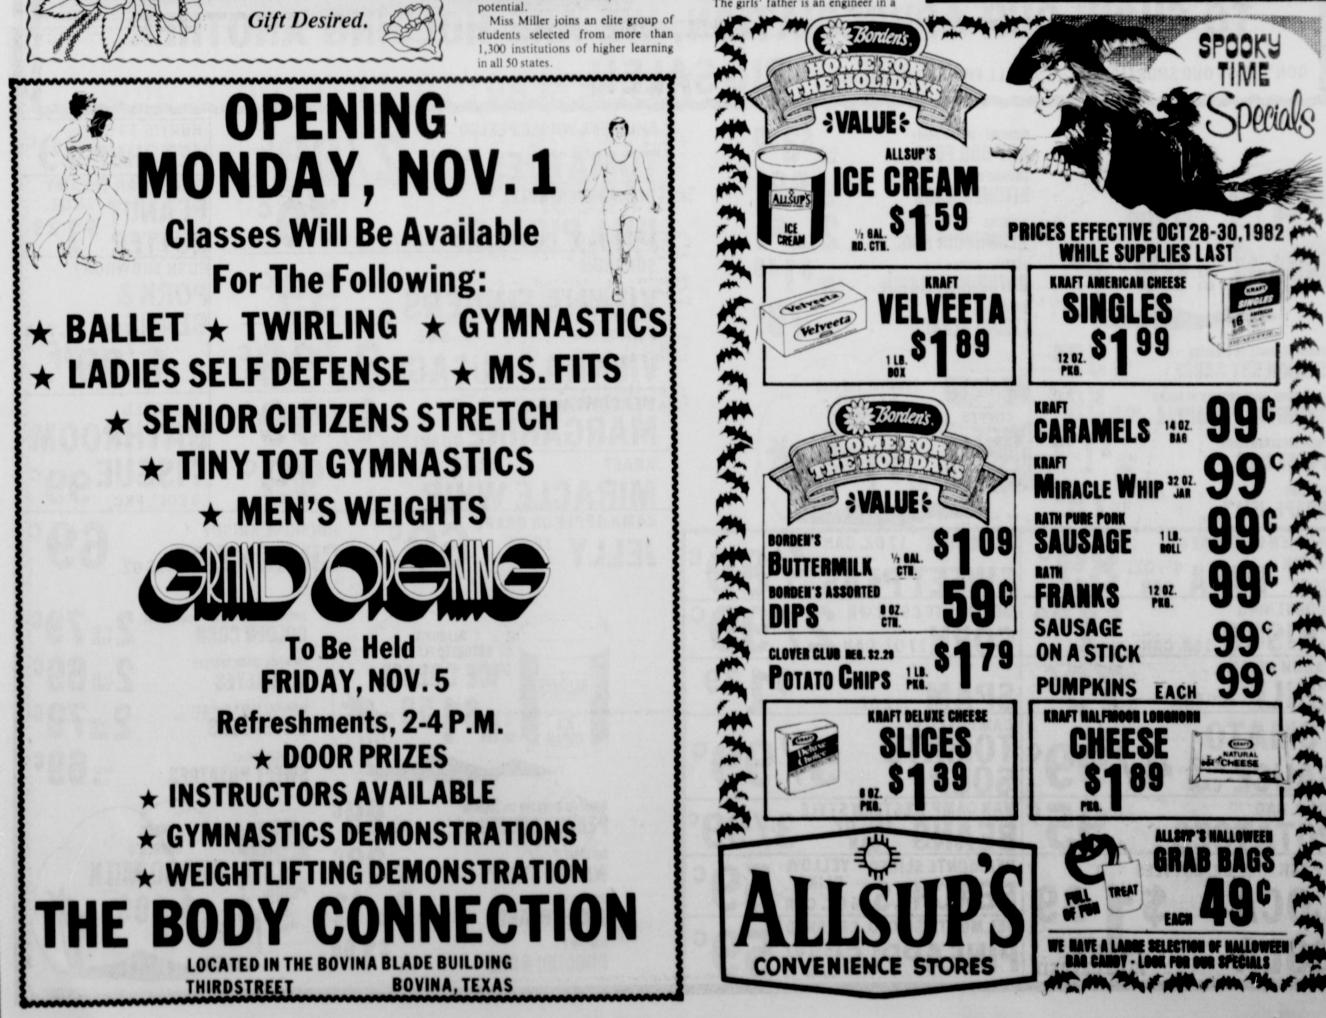

Tamie to have had her cousins here, since she had not met them previously," Mrs. Nabors says.

This weekend, Mrs. Nabors and daughter Margaret plan to take the two Austrian visitors to the Houston area to see NASA, the coast, and all the sights in the Houston vacinity. They will then fly into Dallas for a get-together with an Austrian friend, prior to their return home.

They will be gone from home a total of three weeks. The trip, Austria to Texas, requires approximately 27 hours travelling time.
