Country Club Saved; New Policies Begun

WE WERE HAPPY to see Friona Country Club raise the money necessary to keep the club open, and help get the club back on its feet.

The club apparently still faces a rocky road, due to inflation, but it is the consensus of the members for it to continue in operation, and that management take a tighter hold of the reins, and attempt to cut expenses wherever possible.

We feel that the Country Club is an asset to Friona and the surrounding area. The golf course is one of the finest nine-hole courses in the area, and aside from swimming or tennis, this is just about the only form of recreation available to the adults of the area.

We know that the Country Club is just like our residences or businesses in that its cost of operation has mushroomed with the increase in utilities and most other expenses. So, it became necessary for the members to assess themselves special dues as well as higher monthly dues in order to keep FCC going.

Other cities the size of Friona have successful country clubs, and there would appear to be no reason the local club should not be successful.

JACK PATTERSON, the trophy winner in the recent national Bass Fisherman's tournament in Florida, told one of the organization officials that he lived right in the center of the world's best fishing. "It's just 500 miles in any direction to the good fishing!" Patterson chirped.

A FINAL WORD of praise for the 1975 Friona United Fund drive, chaired by B.K. Buske.

The final figures released this week by the Texas United Way campaigns revealed that only one other city in the state which had a goal as large as Friona raised a bigger percentage of its goal. This was the city of Plainview, which achieved 195.9 per cent of its goal.

Friona raised 154.1 per cent of its goal, having set a goal of \$8,500, and raising \$13,095.

One other community had a larger percentage of its goal than did Friona, the tiny community of Diana in Upshur County (Northeast Texas). That community had a goal of \$1,178, and raised \$1,944, which was 165 per cent of its goal.

Friona's per capita giving came to \$2.91 for 1975, up from \$1.64 the previous year. Friona's per capita giving compared to \$2.22 in Dimmitt, and \$3.50 in Hereford. Dimmitt, holding a UF drive for the first time, had a goal of \$10,000 and raised \$10,327, for 103.3 per cent of its goal.

"This was commendable, since many communities were facing confusing economic situations," Buske says.

We think the excellent success of the United Fund drive speaks well for a one-time effort for our charitable soliciting, and as a publisher, we plan to be a lot less friendly to the drives who are not a part of the United Fund. We like the idea of giving one time, and being through with charitable solicitations.

WITH THE END of basketball season, we would like to put in a plug and a word of thanks to a number of "mothers" who have helped to cover the final teams.

These special reporters include Patsy Bandy, Carol Zetzsche, Neida Miller, Elizabeth Peak and Joyce Broyles.

Most papers our size do not even attempt to cover the non-varsity sports events. But they probably don't have individuals who are interested enough to take the information and report it to their papers.

We appreciate the help and the interest.

WE APOLOGIZE for calling basketball king David Barnett by the wrong name in the paper a couple of weeks back. We had David listed as "David Blackburn" in the photo caption.

Seems there is another senior kid named Blackburn, and we hear his name quite a bit.

Friona Country Club was rescued from the prospects of bankruptcy at a special meeting of the stockholders and members Tuesday night, which raised \$13,000 to meet the club's current debts.

At the same time, the membership plotted a new course for the club, including a monthly budget and a little closer scrutiny by management in order to see the club through its financial troubles. Dues were increased from \$20 to \$35.00 per month, with \$5.00 of the total going into a reserve fund for capital improvements.

Effective immediately, only members may play on the course, if they are residents of Parmer County. Guests from outside the county will continue to be welcome, and reciprocal arrangements with other clubs will be continued.

Associate or stock memberships will continue to be available. Jay Beene, secretary-treasurer, will be happy to answer any inquiries concerning prospective new members.

A good turnout of stockholders and members at the special

meeting Tuesday night at Friona State Bank completed the raising of the \$13,000 needed to keep the Country Club open.

It was pointed out that members who had not paid the suggested \$200 are asked to go ahead and pay. A couple of members paid as much as \$1,000 each in order to reach the goal. They will be refunded out of the payments by those who had not paid by last Tuesday night, Beene said.

The members approved a ten-point proposal at an orderly meeting conducted by Gary Renner, club president.

The first proposal had four subheadings, defining the responsibilities of the course pro.

Among the items approved by the membership were the following: +All standing rules and regulations of the golf course and supper club are to be strictly enforced.

+A monthly report of the financial condition of the country club is to be prepared and be posted at the club, where all members will have access to it.

+Membership structure is to

remain as it now is. Associate memberships will be available for a \$50 fee and monthly dues. Stock memberships, if available, can be purchased for a lump sum or by installments of a duration not longer than ten years.

+The supper club is to pay its own way, including taxes, licenses, bonds, utilities, etc., or it will be closed.

+A Friona Country Club Golf Assn. is to be formed for the betterment of the country club and to handle any activities related to a major golf tournament.

+A new monthly budget of \$2935 was adopted, using recommendations for some cutbacks in club expenses. The club is expected to be able to stay within its budget under the new dues structure.

+A financial committee, consisting of three members is to monitor the finances of the club and assist in preparation of the budget and report any recommendations. Named initially to the committee were Robert Neelley, Don Huckabee and Mike Ellis.

I DID IT... Mitchell Gibson, son of Mr. and Mrs. Lee Gibson of Friona, makes no bones about it as he sizes up a cherry tree with his ax. Sunday is Washington's birthday, although by act of congress, a few misguided souls observed the

birthday of "The Father of Our Country" last Monday. Some probably doubt that George participated in the Cherry tree episode, but Mitchell Gibson isn't one of them. (Photo By Hal Blackburn)

Gas Users Set Annual Meet Tues.

The Parmer County Gas Users Assn. will hold their annual meeting on Tuesday, February 24 at the Hub Community Center, beginning at 8 p.m.

Some important items of discussion are on tap, according to Jerry London, president of the organization.

Included will be a report of the meeting held last Friday at Dimmitt, sponsored by the Plains Gas Users.

The group is expected to discuss various items, such as the price of natural gas, its availability, priorities, etc.

New officers and directors are also to be named. Four members of the board of directors are retiring. They are Floyd Reeve, Friona, M.H. Carson, Bovina, Melbourne Jones, Farwell and Orville Burnett, Lazbuddie. Holdover directors include Bill Loafman, Harry Hamilton and Pete Jesko.

"All farmers or other interested parties are urged to attend the meeting," London says.

NEW PASTOR HERE

Rev. C.H. Murphy, the new pastor at Friona's First Baptist Church, moved here the first of the week and held his first service Wednesday night. He will fill the pulpit for his first Sunday services this week.

GRAND CHAMP... Mike Windham of the Lazbuddie FFA showed a heavyweight cross barrow to Grand Champion honors Friday morning at the Parmer County Junior Livestock Show, giving

Lazbuddie its 16th consecutive title in the show. Russell Windham of Lazbuddie, a 4-H Club member, exhibited the reserve champion barrow, also a heavyweight crossbar.

B. K. Buske Enters City Council Race

B.K. Buske has notified the Friona Star that he is a candidate for Alderman for the City of Friona for the forthcoming term beginning April 3, 1976.

Buske, a 1965 graduate of Friona High School, received a BBA degree from the University of Texas at Austin. He also attended law school and did other postgraduate studies while engaging in real estate and livestock industries.

He returned to Friona in 1972 to work in the executive office of Friona Industries. In 1974 he became an associate in the Carrol Gatlin Land Company where he is currently engaged in management, sales, and appraising of all types of real property. He also continues to be engaged in agriculture directly.

Active in many civic interests, Buske is currently Secretary-Treasurer of the Friona Chamber of Commerce and Agriculture, on the Board of Directors of the Friona Noon Lions, Treasurer of the Friona Cub Scout Committee, and Chairman of the 1975 United Way Fund Drive for the Friona Area.

He is a member of the First

B.K. BUSKE

Baptist Church where he has taught in Training Union and Sunday School. Buske is a member of the National Association of Realtors, Texas Association of Realtors, The Realtors National Marketing Institute, a graduate of the Realtors Institute of Texas and a Life Member of the University of Texas Ex-Students' Association.

"As a life long resident of the city of Friona and an active real estate broker in Friona and the surrounding territory, I am in direct contact with people and problems of city life daily. I elected I will have only one special interest—the people of Friona and their well being. I will endeavor to keep my door open, as well as my mind, to the needs of the citizens of Friona. I am interested in the continued growth and prosperity of Friona and will consider it a privilege to serve its citizenry. I earnestly solicit your support in the election on April 3, 1976," Buske commented.

"Where Have Years Gone?" Ponders Retiring Teacher

By JAN U. TURNER
Star Staff Writer

"I feel a sense of sadness at giving up my professional life's work," said elementary principal J.T. Gee, "but I am looking forward to the time when I can

wanted to do but haven't had the time to do."

Gee, who is 70, tendered his resignation before the school board last Monday night. Effective May 31, it read: "It has been a real pleasure to work in this school system and to live and raise my family in the Friona community. I can't realize where the forty-one years have gone."

Gee came to Friona in the summer of 1935 from Bovina, where he had taught vocational agriculture, algebra I and plane geometry, and served as high school principal.

When he came to Friona to teach vocational agriculture, the department was only a year old and only offered one section. During his 24 years as vocational ag teacher, he built the course into a four year department.

"I was ag teacher during the depression and dust bowl days when the boys were a service to the community running contour lines for the farmers. That was when so much of the soil was blown away and the government set up a program where the farmers could get financial help if they would make their rows contoured," he said.

"We had the surveying equipment and as a community service the boys ran contour lines so the farmers could become eligible. They were the only ones around here qualified to do it."

"Also back then before Friona had a veterinarian the boys treated cattle for milk fever and other diseases as a community service," Gee added.

"There were other services and skills the boys learned such as cutting rafters and preparing income tax for a farm," he said. "One of the boys knew how to cut rafters and his dad didn't know he knew it, and he went out and cut every rafter for their new barn and they fit perfectly," Gee smiled

J.T. GEE

putting his fingertips together as though they were rafters.

Mrs. Gee pointed out her husband's tremendous record of ex-students who have received special recognition not only in farming but in farm-related and professional fields. Together they

reminded, recalling names of young men who have received high recognition such as D.O. and Jimmy Robason, Jimmy White of Muleshoe, the three Brown brothers: Floyd, Earnest and

Farmers of the Year for Deaf Smith County; Robert Lloyd, Charles Schlabs, Carl Schlenker and Louis Welch, most of whom were farmers of the year. D.O. Robason of Siloam Springs, named Gee as the reason he is the farmer he is.

Gee has received honors and awards himself during his 41 years of service. He has served as past president of the Lions Club and is presently on the Board of Directors. He has also served as director of the Chamber of Commerce and was instrumental in acquiring the bookmobile for Friona even before the town had a library.

He instigated the Parmer County Fair and Livestock Show and was instrumental in getting some prison barracks moved here for the Fair. The barracks were left vacant

after the war north of Hereford. Additionally, Gee is holder of both the bachelors and masters degrees from Texas Tech University in Vocational Agriculture.

Gee taught vocational agricul-

ture and during the last 17 years he served as elementary principal supervising the kindergarten, primary and elementary schools. Altogether, his teaching years have numbered 47 years, having taught six years elsewhere.

He first taught for two years at Sudan, then spent the next four years teaching at Bovina and acting as high school principal. Gee laughed and added, "In my spare time I courted and married the home ec teacher, and I'm still living with her."

Gee remembers when a small child went with some of his friends to the Tasty Cream, a "crime" which meant a trip to the office, and Gee talked to them very sternly, causing them to cry. However, they were so relieved that he didn't paddle them that one

45 YEARS AGO—FEB. 27, 1931
A permanent organization of city authorities was effected Tuesday in Lubbock for the purpose of working together to get a better deal with the gas company on rates. The delegates endorsed a state bill to establish a public utility commission for regulation of utility companies. The law would enable towns to act more expeditiously in dealing with utility concerns and its proponents are of the opinion that more advantageous rates for the smaller towns would be provided for through the regulatory measure.

40 YEARS AGO—FEB. 28, 1936
The Friona Chiefs returned from the district basketball tournament with the district title safely in their possession. The boys defeated Dalhart, 33-21, which was the closest fight of the entire tournament. In the semi-finals they won over Stratford, 38-11, and in the finals they turned back Amarillo by a 29-21 score. Two players were selected to the all-tournament team. They were Harry Gowers and Price Brookfield.

35 YEARS AGO—FEB. 28, 1941
Our people were somewhat surprised last week when they learned that our city was without a doctor, since Dr. J.E. Stover, the town's medical doctor, had moved to a new location at Stratford. However, Dr. J.F. Tout of Wellington, Kansas, was in Friona Sunday, Monday and Tuesday looking over the field, and has decided to locate here. He will begin practice locally as soon as he can make housing arrangements.

team, sometimes known as the "Squaws," won the District 3-B championship at the district tournament over at Hedley last Saturday night by defeating the Briscoe girls by a score of 25-22. They are now entitled to enter the state tournament to be held at Hillsboro this week. Named to the all-tournament team were Mildred Taylor and Wanda Robason.

25 YEARS AGO—MARCH 1, 1951

With the re-districting legislation marked for early completion, Parmer County will no longer be a member of the old eight-county 120th Legislative 96th district. Counties included in the new district are Parmer, Deaf Smith, Castro, Bailey and Lamb.

20 YEARS AGO—FEB. 24, 1956

Black Community residents are entering the Texas Rural Neighborhood Progress Contest this year, and have named their committees to participate. Last Thursday night, Reagan Brown of the extension service, was in Black to attend the community supper and give the citizens a "pep talk" on the project. Officers of the association are John Bengner, president; Mrs. Ralph Price, vice-president and Mrs. Dick Rocky, secretary-treasurer.

15 YEARS AGO—FEB. 23, 1961

Three separate accidents in the Friona area took the life of one man and injured five others in a rash of mishaps from Thursday through Sunday. The fatal accident occurred at Hub's infamous "death corner." Killed was J.W. Manning, 81, of Clovis. The Manning car was in collision with one driven by Onita Schueler of Amarillo. Mrs. Schueler was not seriously injured.

10 YEARS AGO—FEB. 24, 1966

Gary Phipps, 13-year-old Friona 4-H Club youngster, made county livestock show history by exhibiting both the grand and reserve champion steers. The two animals later sold in the auction sale for a combined total of \$1,096.50. Lazbuddie youngsters claimed the grand champion barrow and two of the three top lambs.

5 YEARS AGO—FEB. 25, 1971

Rick Seaton of Lazbuddie made history with his fourth grand champion barrow at the Parmer County Junior Livestock Show last Friday. Seaton won with a 220-pound Duroc.
Ralph W. King, 29, of 710 Grand, was killed in a car-pedestrian accident 4.6 miles southeast of Friona last Thursday. King apparently was killed instantly when he was struck by a car driven by Chloe Ford Ferguson, about 5:20 Thursday. Investigating officers said the victim apparently ran in front of the car, and the driver had no time to stop. Wind and sand were blowing at the time of the accident, probably obliterating King's vision.

Lazbuddie Youths Exhibit At El Paso

Several Lazbuddie 4-H and FFA members participated in the Southwestern International Livestock Show in El Paso, Feb. 6-13. These youngsters included Joe Dan Tarter, Sherrie Seaton, Mike Windham, Charleson Steinbock, Jimmy Robinson, Marty McGuire, Kent Winders, Michael Mimms and Ronald Powell.

Joe Dan Tarter and Sherrie Seaton each showed two barrows under the Parmer County 4-H banner.

Joe Dan had a winning day on Wednesday, Feb. 11 by showing the Reserve Grand Champion barrow over all breeds and crosses. He started off the morning by winning the heavyweight other Pure Breeds class with his 244 pound Poland China. In this class Joe Dan was showing against other Poland Chinas, Spots and Chester Whites. Next came the breed champion drive where the barrow was named Champion Other Pure Breeds.

That afternoon in the final drive the barrow was named Reserve Grand Champion of the show. Joe Dan also showed the third heavyweight Duroc. Sherrie Seaton's heavyweight Poland China was third, behind the champion. Sherrie also showed the second mediumweight Hampshire. Mike Windham's heavyweight Hampshire placed sixth. The barrow showed consisted of 416 entries and

was judged by Dr. Bob Hines, Kansas State University.
In the premium sale on Friday, Joe Dan's champion

sold for \$3.50 per pound for a total of \$854.00. His Duroc brought \$1.40 per pound and Sherrie's Hampshire sold for \$1.60 per pound.

Judge Was Speaker For Modern Club

Parmer County Judge Paul Fortenberry was a guest speaker at Friona's Modern Study Club meeting, Tuesday night, February 17, along with Baker Duggins, Friona High School Councillor. The theme for the evening's meeting was "Crime: What Is My Responsibility?"

Judge Fortenberry, who was introduced by Fay Reeve, spoke to the group about crimes in Parmer County and told of some of the problems and crimes involving the youth of our county.

Duggins informed the group of the laws on mandatory education up to the age of 16 and the penalties if these laws are not followed. He also spoke about the drug problem and the new laws concerning child abuse.

Following the guest speakers there was a question and answer session. Allo Reeve, club president, presided over the business meeting.

Entertainment was provided by Julie Owen who sang "Climb Every Mountain." She was accompanied by Mrs. Johnnie Walters.

Special guests were Bob Owen, Julie Owen, Mr. and Mrs. Paul Fortenberry, Baker Duggins and the members' husbands.

Hostesses for the evening were Willard Stewart and June Spring.

New Guidelines In Lunch Program

In accordance with Public Law 94-105, enacted on October 7, 1975, new guidelines are being put into effect by the Friona Schools for free and reduced price lunches. Reduced price lunches are being added to the school's lunch policy to comply with this legislation.

Reduced price lunches will sell for 20 cents per meal. In addition to this change, the guidelines for free lunches have been changed as shown on the attached income scale. Children in grades K-4 who are eligible for free lunches are also eligible for an extra carton of milk.

A family may apply at any time for free or reduced price lunches. If the family income is greater than shown on the scale below, but has unusually high medical bills, shelter costs, special education expenses, disaster or casualty expenses, their children may still qualify for free or reduced price lunches. In these cases the principal should be contacted and this matter discussed with him. In certain foster children may be eligible for these benefits. Anyone having foster children living in the home should also contact the principal.

To apply for free or reduced price lunches some adult member of the family should submit an application to the office of their principal. The school will then let you know within 10 days whether or not your children are eligible. If you do not agree with the decision you have the right to a fair hearing. This can be done by calling Tom B. Jarboe, Supt. of Friona Schools at 247-2281 or writing him at Box 607, Friona, Texas 79035.

In the operation of the child feeding program, no child is discriminated against because of sex, race, creed or color.

GOOD PSYCHOLOGY

People on a vacation they may have dreamed about sometimes can't really enjoy themselves unless they have some familiar sights or faces around them.

Farmers Receive Allotment Notices

Notices of allotments and yields under the 1976 farm programs were mailed to Parmer County farmers this past Friday, February 13. It is to be pointed out that allotments do not restrict the acreages of any crop (except-peanuts, rice, ELS cotton and tobacco) that farmers can plant. The allotments are used to determine the amount of any deficiency or disaster payment due a farm in 1976.

Parmer County's allotments includes 30,447 acres of cotton, 197,326 acres of feed grains and 121,228 acres of wheat. The cotton and feed grain acreages are about the same as in 1975. The wheat acreage is approximately 15 per cent larger than last years.

For allotment protection, farmers may plant-for harvest or grazing-any crop they wish. By reporting by

August 1 the acreage of crops they have planted farmer can protect the farm's acreage and yield history.

Farmers having a cotton allotment which differs from the acreage they intend to plant, should get in touch with someone at the ASCS office. If a farmer has allotted cotton acreage that he does not intend to plant, he should release the excess allotment to the ASCS County Committee so that the acreage can be assigned to a farm where it is needed and will be planted. If a farmer intends to plant an acreage in excess of his cotton allotment, he should file a request with the ASCS office for additional acreage. This additional acreage would be eligible for deficiency and-or disaster payments in most cases.

Shor' Nuf Show Homes

As always we are proud of our prime properties. We have been lucky in listing some of the loveliest homes in the Friona area, but don't take our word for it, let us show you some of them.

Three bedrooms, one bath home located on corner lot plus another lot and a detached garage. Priced at an appraised value of \$13,500.00.

If a large covered patio, a storm cellar, brick three bedroom home and a price tag under \$20,000.00 appeals to you, see this property without delay.

You can look elsewhere, but you won't find a six year old brick home, with three bedrooms-1½ baths, double car garage for just \$23,500.00.

Neat two bedroom home can be purchased with \$900 down payment and a monthly principal and interest of only \$95.00.

Does \$16.94 per sq. ft. sound good? You bet it does. This 1800 sq. ft. brick home has all you'll ever need. Priced on target at \$30,500.00.

Eleven Accidents During January

The Texas Highway Patrol investigated 11 accidents on rural highways in Parmer County during the month of January, 1976, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and eight persons injured.

The rural traffic accident summary for this county during the first month of 1976 shows a total of 11 accidents resulting in no persons killed and eight persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for January, 1976, shows a total of 373 accidents resulting in 11 persons killed and 175 persons injured, as compared to January, 1975, with 451 accidents resulting in 16 persons killed and 241 persons injured. This was 78 less accidents, five less, and 66 less injured in 1975 at the same period of time.

The 11 traffic deaths for the month of January, 1976, occurred in the following counties: two in Garza; and one each in Archer, Clay, Dickens, Terry, Wichita, Armstrong, Childress, and Potter.

Judge Paul Fortenberry

St. Teresa's Church Has New Pastor

St. Teresa's Catholic Church has a new pastor. After many years of service in taking care of St. Teresa's Church in Friona, and St. Ann's Catholic Church in Bovina, the atonement fathers have announced that they will no longer be able to take care of the two churches.

They will now come under direct diocesan care. Father Dermont O'Brien, director of Social Services and case worker at Catholic Family Service, Amarillo, has been

named administrator of the two churches. He will continue his work at Catholic Family Service residing in Amarillo and will commute from there to take care of Friona and Bovina congregations.

Father O'Brien was ordained June 1965 and has served St. Lawrence's Church in Amarillo, St. Mary's Church in Amarillo, Holy Angels Church in Childress and St. Elizabeth's Church in Paducah.

He succeeds Father Alphonsus Hoban at the local parish.

FTA Chapter Has Entries In Contest

Friona High School's Future Teachers of America chapter was represented in Houston this week by six members and two sponsors at the FTA's state convention.

Included in the FHS delegation were the District 16 entries in the "Miss FTA" contest, Pam Veazey, and the "Mr. FTA" contest, Bryan Johnston. State winners in the two categories will receive \$1,000 college scholarships.

Attending the convention were Pam Veazey, Susan Garner, Jerri Benge, Debbie Parker, Greg Mathos and Bryan Johnston.

Carmaleet Truitt and Thelma Coffey, faculty sponsors, are also attending the meeting, along with adult sponsors, Mr. and Mrs. C.H. Veazey.

The group left Wednesday for the convention by chartered bus, leaving Amarillo with other FTA groups from this area.

Band Officials Attend Meeting

Charles Faulkner and Gordon Hart, band directors for the Friona school system, were in San Antonio last Thursday, February 12 for the Texas Music Educators Association convention.

While at the convention, the instructors attended clinics on teaching, attended concerts and saw displays of uniforms, instru-

ments, music and various fundraising campaigns.

The all-state band and orchestra and choir performed on Saturday, February 14.

The band officials also picked out some music which will be presented at one of the spring concerts.

Services Held For Mother Of Friona Woman

Services for Mrs. Zula E. Burns, 67, of Levelland were held at 10 a.m. Tuesday, February 10, in the George C. Price Funeral Chapel with the Rev. Nolan Sumner, pastor of Fifth Street Baptist Church officiating. Burial was in Memorial Gardens Cemetery.

Mrs. Burns died at 7 p.m. Saturday, February 7, in Lubbock following a lengthy illness.

A native of Pangburn, Arkansas, Mrs. Burns had been a resident of Hockley County since 1927. She married Jack Burns on July 16, 1927 at Levelland. Mrs. Burns was a member of the Senior Citizens organization.

Survivors include her husband, Jack; one son, Roland Burns of Milwaukee, Wisconsin; two daughters, Mrs. Bobbie Gilliam of Friona; and Mrs. Robbie

Johnson of Farwell; three brothers, three sisters, fifteen grandchildren and two great-grandchildren. Pallbearers were her nephews.

Bama's First Cotton Mill
Alabama's first cotton textile mill was built in 1815 by Charles Cabanis in what is now Madison County.

Post Office Built On Bales
Cotton bales were used to stabilize the site of a post office building erected on quicksand in St. Louis in 1854. The building is now designated as a national landmark.

Mr. Gee

(Continued from Page 1)

of the children, upon leaving, dug down in his back pocket and said, "Here, Mr. Gee, you want some bubble gum?"

Another time, a small child was asked about the parent's church affiliation for a form, and the child said "Vodka, cause beer makes Daddy sick."

Gee noted that he is in charge of third generation kids now, and that Mrs. Martha Bates, a fifth grade teacher who is retiring this year, was one of his plane geometry students at Bovina years ago.

During the last nine years that Gee served as vocational agriculture instructor, the FFA skills team went to the state meet seven times. The teams won first place three times, second place twice, a third place and a fifth place.

"Gee has a WIR List," laughed his wife. "That's his 'When I Retire List.'" she said. Together they listed their plans, headed by traveling...primarily to go see their son, Tom, in Portland, Oregon. Other plans include livestock farming...that's my therapy," Gee said. "I can leave my school problems at school and go spend some time at my acreage outside town where I raise cattle and hogs and it is relaxing for me." Gee also cited woodworking, some livestock judging, and adding to his fence in the back yard, which displays farm implements and items recovered from the farm where he grew up as a child.

Friona schools does not at present have mandatory retirement, and won't until 1978 when mandatory retirement will go into effect. "Not many men have to make this decision to retire," Gee said. "Usually it is made for them. Making this decision was very hard, but we felt it was time. We are very fortunate to have good health and want to be able to enjoy our free time while we do have such good health."

"Where has the time gone?" he said, half-questioning. "It is kind of sad when suddenly you realize the time is here. Not that I'm sorry, but anybody that reaches that age has a hard time realizing 'Where has the time gone?' Here I am 70 years old, and I want to be young again!"

Outstanding Students Revealed From Voting

Friona High School's outstanding students in various categories, as determined by recent student elections, were announced by school officials this week.

Jim Murphree was chosen as "Mr. FHS," while Tamela Hassenpflug was named "Miss FHS." "Most Beautiful" and "Most Handsome" nominees were named from each class. Pictures of the

class nominees will be mailed to a celebrity judge who will choose the winners, who will be announced at the annual school Awards Assembly in May.

The nominees are: Tamela Hassenpflug and Jim Murphree, senior; Mary Schilling and Mike Blackburn, junior; Rhonda Parsons and John Jarecki, sophomore; M'Lynda London and Fred Garza,

freshman. Class favorites were chosen as follows: senior—Denise Shipp and Danny Campbell; junior—Mary Schilling and Donnie Gustin; sophomore—Cindy Cleveland and Curt Miller; freshman—Christy Lundy and Ky Graham.

The following were chosen to "Who's Who in F.H.S.": David Barnett and Sherri Thorn were named "Best All-Around." Julie Johnson and Alberto Rodriguez were named "Most Talented." Kent Miller and Faith Mays were chosen "Most Dependable." Robin Renner and Paula London were elected "Most School Spirited."

Bobby Zetzsche and Pam Veazey were named "Friendliest." Danny Campbell and Sherri Rector were chosen "Wittiest." Perry Church and Tamela Hassenpflug were selected as "Most Courteous." Hal Blackburn and Jerri Bengel were "Most Spiritual."

Greg Mathos and Myrna Phipps were elected "Best Dressed." Bryan Johnston and Lisa Edelman were chosen as "Most Studious." Davy Carthel and Terri Patterson were named "Most Competitive," and Jim Murphree and Debbie Wilkerson were "Most Likely To Succeed."

REC Announces Annual Meeting Date

Capital credit checks totaling \$217,588.25 will be paid back to those members of Deaf Smith Rural Electric Cooperative who

purchased electricity during 1963 when members meet for the 38th annual meeting. Also highlighting the meeting will be a drawing for a free trip for two to Acapulco.

The annual meeting will be held Saturday, March 6, at 5 p.m. in the Hereford Bull Barn. A free barbecue dinner, served by the Catholic Daughters Society of Nazareth, will be served. Following the meal a business meeting will be held when three directors will be elected to the board.

The nominating committee will submit the following names for election: Parmer County—Sloan Osborn and Floyd Reeve; Castro County—Noel Gollehon and Donald Wright; and Deaf Smith County—Tom Draper and Clark Andrews.

The all expense paid trip for two to Acapulco will include six days and five nights. The trip can be exchanged, added to or given away, but the voucher can not be redeemed for cash, according to James Hull, manager. Attendance prizes will also be awarded.

Serving on the member service committee and planning the annual meeting were Mr. and Mrs. Pat Robbins, Mr. and Mrs. G.W. Duncan, Mr. and Mrs. Edward Allison, Mr. and Mrs. Alfred Smith, Mr. and Mrs. Jerry Roberts, Mr. and Mrs. Richard Connell and Mr. and Mrs. Dan Petty.

Others were Mr. and Mrs. Jerry Brown, Mr. and Mrs. Floyd Reeve, Mr. and Mrs. Larry Potts, Mr. and Mrs. JeDon Gallman, Mr. and Mrs. Floyd Schulte, Mr. and Mrs. Anthony Acker and Mr. and Mrs. C.F. Homfeld.

Bicentennial Program Set Sunday, 3 p.m.

Mrs. Allo Reeve, chairperson of the Parmer County Bicentennial Commission, reminded residents of the area of the official recognition due to be given her organization at a dedicatory service at the Court House in Farwell Sunday, February 22.

The program begins at 3 p.m. Mrs. Ann Simmons, commissioner for the Lubbock office for bicentennial celebrations, will present the official flag and charter. Judge Paul Fortenberry will receive the charter and flag for the county, and will also act as master of ceremonies for the program.

W.L. (Preach) Edelman will be the principal speaker.

A feature of the program will be the planting of a pecan tree on the court house lawn. The pecan, the state tree of Texas, is a gift of the State Forestry Service.

The Parmer County Bicentennial Commission invites all residents of the county to attend this ceremony.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the custom pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump...

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

COACH'S AGONY....Friona girls basketball coach Al Lemons typifies the agony that a coach goes through during the course of a

game in this series of photos. On the left, Lemons begins to express concern about a phase of the game. In the center photo, his emotions

have grown to the point that he gets up out of his chair, and in the third picture, he finally makes a point, either to the referee or to one of his

players, probably a player, since Lemons doesn't usually argue with officials much. (Photo By Hal Blackburn)

Four People File For School Trustee

Four men had turned in application forms as candidates in the race for Friona Independent School District's board of trustees, it was announced this week by Superintendent Tom Jarboe.

Those turning in forms as of Thursday were Floyd S. Reeve, Joe Allen, Gary Sneed and M. C. Osborn.

Three places on the board are up for election, including the seat being held by Reeve, the only

incumbent so far announcing.

In the City Council, where likewise three places are expiring, B. K. Buske is the first one to file. Two aldermanic spots are to be filled, along with the mayor's position on the city council.

Deadline for filing in either the city or school election will be March 3. This is also the deadline for filling in a voter application to vote in the city or school race.

City Receives Monthly Sales Tax Rebate

Comptroller Bob Bullock mailed monthly city sales tax rebate checks totaling \$11.3 million to 741 cities and towns Friday, bringing to \$22.7 million the amount rebated to cities so far this year.

The check sent to Friona for the period ending Jan. 31 totaled

\$3,634.45. For the same time period, Bovina's check totaled \$1,163.49.

At the same time, Bullock issued a word of caution to the hundreds of organizations formed to celebrate the nation's bicentennial.

"Many of them don't realize that if they sell trinkets or souvenirs, they've got to have a sales tax permit and collect and remit the sales tax," he said.

The Comptroller said the confusion may exist because the legislature exempted from the sales tax certain purchases made by Bicentennial groups.

School Out For 1/4 Break

Friona school children were given an extra long weekend beginning Friday, with the quarter break.

School in Friona was out Friday, as teachers had an in-service work day, and will be out again Monday and Tuesday, giving a five-day break for students and faculty.

Many families planned to use the occasion for a long weekend vacation, with several Frionans planning to head for the Red River and Ruidosa areas in New Mexico, hoping to see some of the snow that has evaded the Friona area this winter.

School will resume at the regular time on Wednesday, February 25. The school will have a similar break for the Easter weekend later in the year, being out on Thursday, Friday and Monday that weekend.

JV Boys Fall To Dimmitt

The junior varsity boys went to Dimmitt Friday, February 13 and were defeated 63-36.

Dimmitt took a 2-0 lead but Todd Bandy tied it at 2-2. Again Dimmitt hit for two, leading 4-2. Bandy tied it at 4-4 and then drew a foul.

Dimmitt converted on one of the two free throws and went ahead 5-4. Sandy Peters tied it at 5-5 on a free throw with 4:25 left in the first quarter.

For the next four minutes and four seconds the Chiefs didn't score while Dimmitt scored ten points, leading 15-5. John Jarecki scored with 21 seconds left for the first quarter score of 15-7.

Edward Castillo made the first points of the second quarter to pull within six (15-9). The rest of the quarter saw the Bobcats score 21 points while the Chiefs could manage only seven for the halftime score of 36-16.

The third quarter was much the same as Sandy Peters hit the first basket and then Dimmitt hit for ten before Friona scored again.

Dimmitt held their longest lead of 30 points in the third quarter, they held it twice, 50-20, with 2:31 left and 52-22 with 1:34 left.

The fourth quarter saw Friona score eight points to ten for Dimmitt for the final score of 63-36.

Friona drew 23 fouls to 22 for Dimmitt. The Chiefs made eight of 25 free throws and the Bobcats hit 13 of 28. John Jarecki was high point for Friona with ten.

Dimmitt Tops FHS In Season Finale

Friona High School's Chieftains finished out their 1975-76 season at Dimmitt last Friday, playing a creditable game in dropping a 20-point decision to the talented Bobcats, 72-52.

Keith Martin had a good scoring game for the Chieftains, and it was Martin's four baskets in the first period that kept Friona in the game.

However, Keith didn't have a lot of help in the scoring department in the early going, as only David Barnett and Koty Kothmann had points in the first quarter. The Bobcats were ahead at the first quarter buzzer, 19-12.

If Friona could have hit their free shots in the second quarter, they could have cut the Dimmitt lead, as officials blew the Bobcats for fouling on eight occasions. How-

ever, the Chiefs canned only four of nine attempts at the line, missing five one-and-one situations which could have meant ten more points.

The Bobcats went to intermission with a 13-point lead, 35-22.

The Chiefs were notoriously a cold third quarter team in 1975-76, and their season finale was no different. Only two players were able to dent the scoreboard during this period, with Martin getting three baskets and Barnett a pair.

Dimmitt upped its lead to 51-32, and began to tuck the game away. The Chiefs fought gamely, with Roy Smith scoring two baskets and three points at the free throw line, and Barnett adding four points, but the Chiefs just couldn't whittle the lead.

The loss ended Friona's season with 11 wins against 17 losses. The

team started the season with four wins, and were 7-7 at midseason, before taking a downturn. Competing in the state's toughest class AA district didn't help the season record any.

Martin led the Chiefs in scoring with 19 points, his best scoring game of the season, and Barnett closed out his senior year with 12 points.

Dimmitt's Kent Birdwell scored 25 points for game honors.

WIND-UP AND CHUNK...Track season has again arrived along with the windy weather. Despite the wind, F. H. S. athletes have begun their workouts and are beginning to work the kinks out. In

the above photos, Davy Carthel is shown doing his thing with the discus. Carthel has again been tabbed one of the top hurlers in the area.

Steerettes Enjoying Basketball Playoffs

Farwell High School's Steerettes, having won apparently their first district title in the school's history, are in the Region I class A tournament in Lubbock this weekend after beating New Deal, 56-39 in a bi-district game Tuesday night.

The Steerettes, winners of the girls division of the Friona Invitational tournament in December, have played some six games in the local gym this season.

Last Thursday, the Farwell girls, who had won District 3-A with a perfect 12-0 record, lost a one-point decision to the Vega girls in the

district tournament, and were obliged to meet Vega the next night in a special playoff in Chieftain

Fieldhouse.

But Farwell triumphed, and took a 28-3 record into the playoffs.

Leading the Farwell charge this season is talented junior forward Kathy Boothe, who scored 39 points in the Steerette win Tuesday night.

Farwell's opponent in regional semi-finals was to be perennial playoff power, Abilene Wylie (29-1). The Steerettes would probably then face strong Stratford in the finals should they beat Wylie. Stratford won District 1-A and disposed of the Memphis girls Tuesday in bi-district. They play Seagraves in the first round.

Services Held For Mrs. Foley

Ruby Merle Foley, 69, Church, passed away Thursday, February 19 at Parmer County Community Hospital. She was a resident of Friona since 1973, moving here from Childress. Survivors include the husband Barney, one daughter, Mrs. Lorea Lovelady, Friona and her mother Mrs. James H. Miller of Dallas. Three sisters, Mrs. Arlene Hayward and Mrs. Doris Smith both of Tulsa and Mrs. Iwanda Allen of Grand Prairie, also survive, along with three grandchildren.

THE TOP 3 CORN HYBRIDS FOR THE SOUTH PLAINS

Everyone knows the top corn hybrid for this area. PIONEER brand 3369A is the most planted hybrid in Texas, Oklahoma and New Mexico. Not everyone realizes, however, that there are other PIONEER hybrids that do as well as this famous one... even beat it in some respects. You should consider them, too. They'll help you get exactly the right hybrid mix for whatever mother nature has in store for this season:

Number two in popularity with Southwestern farmers... 3306 is a hybrid with strong stalks and outstanding ear retention. Especially good in light soils, it has good drought and heat tolerance and is a good performer on irrigated or non-irrigated land.

New

An exciting new hybrid that has an even greater yield potential than 3369A. The added yield potential comes, in part, from a little later maturity while having the root and stalk strength to stand until harvest. It stays green later, too. This one can add significant profit to your corn crop.

New

Another new, good yielding hybrid. It's a little earlier than 3369A with exceptionally fast dry down. It has made from \$9 to \$12 more profit per acre than ordinary hybrids because of its fast dry down. It has long slender ears on small, hard cobs... really great for combining.

Bovina Students Win Contest

The Parmer County Soil and Water Conservation District is pleased to announce the conservation essay contest winners. The subject this year was "Conserving Our Land After 200 Years."

The winners this year were all from Bovina High School.

They are: First Place—Linda Collins, daughter of Mr. and Mrs. Pat Collins; Second Place—George Isaac, son of Mr. and Mrs. Edward Isaac; Third Place—Thomas Rhodes, son of Mr. and Mrs. Thomas Rhodes; and Fourth Place—Cathie Trimble, daughter of Mr. and Mrs. Charles Trimble.

This year for the first time, there was an Honorable Mention award for originality. This award was presented to Rhonda London.

The awards for these winners will be presented in the future.

The district wants to express their appreciation to all students who participated and to the judges for their help.

CONSERVING OUR LAND
AFTER 200 YEARS
Thousands of acres of land in this

country are abandoned every year because the surface has been washed and gullied beyond the possibility of profitable cultivation.

Soil depletion and erosion began to take their toll early in the history of the American Colonies. Most of the early colonists came from areas where rains fall gently. Therefore they were not prepared to handle soil in the North American climate, where rain often falls with great intensity.

A couple of years later, a few farmers in the older sections noticed a change in the soil. At first it was dark, and in some places almost black, but gradually it became lighter in color. When the heavy rains came, the loose soil mixed with the water and the muddy mixture flowed down the hills carrying with it the richest portion of the soil.

I have found in the research that I have conducted, that destruction of the soil by gullies and floods has been noted by writers even before the Revolutionary War and that by 1715 rivers that once ran clear were described as being black with mud. Early Massachusetts records indicate that most of the land near the coast was abandoned at least once before the 1800's.

Some of the leading men of that time were deeply concerned with conservation: Patrick Henry, George Washington and Thomas Jefferson were constantly looking for ways to improve the productivity of the soil.

But people were generally not interested or concerned about soil damage since there was so much virgin land. Early in the 20th century President Roosevelt called the first conference of governors to consider conservation of natural resources. Interest then aroused led to the purchase of the first national forests and the establishment of the United States Forest Service.

A land which the Lord thy God careth for: the eyes to the Lord thy God are always upon it, from the beginning of the year unto the end of the year. Deuteronomy 11:12.

Second Place
CONSERVING OUR LAND
AFTER 200 YEARS

The first work I took up when I became President was the work of reclamation," said Theodore Roosevelt. This proved to be one of his greatest contributions. Before Teddy Roosevelt became President almost nothing had been done to

safeguard the nations natural resources. Pioneer farmers had cut and burned their way westward, with ax and fire, transforming forest lands into farmland. With careless generosity the federal and state government had encouraged waste.

The government gave land to private industry, farms, and ranches. They also gave the land rights oil industries, mineral miners, and water power sites. The people who own these industries do not care what happens to the land. The owners of the timber land destroyed the land and trees without regard to wildlife or replanting. The cattlemen and sheepmen overgrazed the land. Oil companies worked the oil out of the ground and wasted the natural gas. Rivers and streams became polluted killing most of the fish and water creatures. The only excuse Americans had was that they thought the natural resources would never run out.

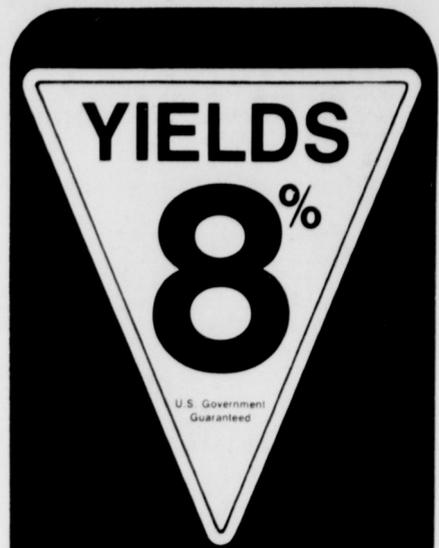

By the 1800's the United States had started growing. The demand for natural resources increased and the factories and businesses started devouring the raw materials in large quantities.

An organization of American Association for the Advancement of Science forced the President to take the timberland off the market for public sale. The President set aside seventeen million acres since, Presidents have doubled this area.

Today there are organizations such as the Forest Bureau in the Department of Agriculture and Parks and Wildlife Association. These organizations see to the bettering of parks and wildlife.

You can see the changes from the past to the present. The government and the people are aware of what needs to be preserved. Changes come slowly but the important thing is that they do come. Our future will be linked with the success of the people who are encouraging these changes. All we need is time.

Wheat Topdress

URAN® does it fast, long and uniformly for higher quality and higher yields.

For topdressing wheat, you need nitrogen that goes to work fast. Also nitrogen that keeps on feeding a long time. Nitrogen to make the grain stool out, fill better, and develop large heads of plump kernels.

You also want smooth, uniform application. Because you don't want a pattern of hills and valleys in your wheat that can hurt yields and profits.

What nitrogen can do all that? Our nitrogen solution, URAN. URAN is nitrogen in its most useable form for quick uptake by the crop. Plus, URAN is two other forms of nitrogen for long-lasting feeding. And because URAN is a liquid, it goes on uniformly, for uniformly higher yields. You can even add herbicides to URAN and get two jobs done in one easy trip.

Order URAN from us today. It's everything you need for topdressing wheat.

DENISE FRAZIER and TOMMY BARTLEY...Mrs. Janie Frazier of Friona announces the engagement of her daughter, Denise, to Tommy Bartley of Lubbock, son of Mr. and Mrs. Bill Bartley. The couple are planning a summer wedding and will exchange vows on Saturday, June 26 at 3 p.m. in the Bowman Chapel in the First Methodist Church of Lubbock. Miss Frazier is a 1971 graduate of Friona High

School and a 1975 graduate of Texas Tech University in Lubbock where she received a B.A. Degree in psychology. She is now attending Texas Tech to fulfill state certification requirements. Bartley is a 1975 graduate of Texas Tech University in Lubbock where he earned a B.A. Degree in telecommunications and is now employed at Southwestern Bell of Lubbock.

CELEBRATE BIRTHDAY...The Trevino triplets, from left to right, Margarita, Maria and Martha, celebrated their eighth birthday on

Monday, February 16. The girls are the daughters of Mr. and Mrs. Jose Trevino of Friona.

Nelson Lewis Gives Bicentennial Program

Friona Woman's Club met on Friday, February 13 at 6:30 p.m. in the Club House for their family night. A covered dish supper was served to members and guests attending the meeting.

Ethel Bengner, president, welcomed members and guests. Joe Moyer gave the invocation.

Roll call was answered by members and guests with "A Bit of Humor." The program, "A Past To Remember" was presented by Nelson Lewis. He stressed women's role in the settlement and winning of frontiers. Lewis mentioned many interesting facts about Daniel Boone's mother; Chas. Goodnight's mother and his wife; and the wives of Mr. Parmer, for whom our county was named.

Anna Mae Thomas entertained with piano selections, then led the

group in singing old time favorites. Mr. and Mrs. Otho Whitefield, dressed as George and Martha Washington, explained the work of the Parmer County Bicentennial Committee and displayed Parmer County bicentennial jewelry.

Those present were: Ethel Bengner, Bessie Boatman, Mary Dixon, Mr. and Mrs. Clyde Hays, Mr. and Mrs. V.R. Jordan, Luella Maurer, Lillian McLellan, Mr. and Mrs. Joe Moyer, Mr. and Mrs. Bud Reed, Mr. and Mrs. Charles Russell.

Also, Annis Turner, Fern White, Vela Wood, Mr. and Mrs. Otho Whitefield, Mr. and Mrs. Joe Talley, Mrs. T.E. Lovett, Mrs. Wana Brewer, Mrs. Orma Flippin, Mrs. Anna Mae Thomas and Mr. and Mrs. Nelson Lewis.

FRIONAN HONORED...David Sides, son of Mr. and Mrs. Billy B. Sides of the Oklahoma Lane Community, was honored by initiation into the Texas A&M University Chapter of Gamma

Sigma Delta, a national honor society in agriculture. Dr. Bob Ragsdale, President of the Chapter, is shown presenting Sides with the honor.

David Sides Initiated Into A&M Honor Society

David Sides, a student in Agriculture at Texas A&M University, was honored on February 9 by initiation into the University Chapter of Gamma Sigma Delta, a national honor society in agriculture. The society has chapters located in thirty six of the major agricultural universities of the nation.

Membership in the Society is restricted to faculty and staff members and students with outstanding performance records

in agriculture and veterinary medicine.

Dr. Bob Ragsdale, President of the Texas A&M University Chapter, offered his congratulations to new members and charged each with responsibility for continued outstanding work in academic and professional pursuits.

David is the son of Mr. and Mrs. Billy B. Sides of the Oklahoma Lane Community. He is a 1972 graduate of Friona High School.

Grand Master To Present Message

On Saturday, February 21, all Masonic Lodges in Texas will open their lodges in order to hear a bicentennial message from the Honorable Tomas C. Yantiss, Grand Master of the Grand Lodge of Texas.

Included in the short address will be the role free masons played in forming and founding our great country.

In accordance with this special event, Friona Lodge No. 1332 AF&AM will have a salad supper, which begins at 6 p.m. After the supper, past-masters will be honored and several 25 year pins will be awarded. The message from the Grand Master will be heard at 8 p.m.

All Friona residents and their families are invited to come and participate in the bicentennial celebration of the Grand Lodge of Texas and the Friona Lodge No. 1332.

Friona Antique Club Tours Jennings' Shop

The Friona Antique Club met Monday, February 16 in the home of Mr. and Mrs. Tommy Jones.

Tommy Jones presided over the business meeting. Lottie Bails read the minutes of the last meeting and roll call was answered.

Mr. and Mrs. Elvie Jennings took the group on a tour of their antique shop. After the tour, everyone returned to the Jones home for refreshments of cake, coffee and

punch.

Members present were Mr. and Mrs. Leo Bails, Mr. and Mrs. Elvie Jennings, Mrs. Orma Flippin, Mrs. Selma Habbinga, Mr. and Mrs. O.C. Jones, Mr. and Mrs. Jerry Zachary, Mr. and Mrs. Jim Baxter, and the host couple, Mr. and Mrs. Tommy Jones.

The next meeting has been set for the third Monday in March.

Mr. and Mrs. Clarence Baxter of Rye, Colorado, visited friends and relatives in Friona this week. They were guests in the home of Mr. and Mrs. Calvin Martin Wednesday night.

Mrs. Baxter is the former Eva Dilger. Their parents, the late Mr. and Mrs. J.W. Baxter and Mr. and Mrs. L.R. Dilger, were pioneer Friona residents.

Dave and Shirley McReynolds came down Friday evening for the Vega-Farwell basketball game. They were accompanied by the coach of Stratford High School girls and two of their four children, David, a sophomore at West Texas State University, Canyon, and Emily.

The group popped in for brief visits with the Wesley Fosters, Glenn Floyds and Mrs. E.M. Rushing.

Mrs. Rushing is one of our near neighbors. She moved into the house formerly occupied by her son, Eric, and his wife, Linda, and their two children, Marion and Becky.

The Eric Rushings moved to the Rushing farm home at the west edge of town.

Have you noticed the progress being made on our rest home? It is beginning to shape up and looks very nice. It is very noticeable any time you turn north on Washington from Sixth or Seventh on north.

In the very near future D.C. and Margie Herring are going to have one of the most beautiful homes in town. They are doing some major remodeling and it looks like it will soon be finished.

The Herrings live on the south side of Fifth just east of the swimming pool.

Seems like just about everyone has had a flu bug of some kind. However, maybe it hasn't been as bad here as in some places down state. Several elementary schools have been closed due to epidemics of one kind and another.

Perhaps our spring break came at a good time. By the time school begins again, everyone should be

over whatever is going around.

Wendell Garner had surgery at St. Anthony's Hospital in Amarillo last week, but is home now. His condition is reported to be good.

Mary Echoles is also home after having some tests made in a Fort Worth hospital.

Carrie Shirley had surgery at an Amarillo hospital one day last week. Think she's at High Plains Baptist and is doing as well as can be expected.

Several Frionans, including the Kenneth Moores, Glenn Floyds, Ronnie Procters, Jimmy Mabrys, Kay Neel, Mrs. Larry Trussell and Mrs. Ted Procter, were in Lubbock for Homecoming at Lubbock Christian College.

Ronnie Procter was elected to the executive board of the ex-students organization, which is directed by Terry Brown, a former minister of Sixth Street Church of Christ.

ATTENTION! ALL MOTHERS OF PRE-SCHOOL AGE CHILDREN! If your child is three years old and not in xx school, members of Young Homemakers Club would like to encourage you to take advantage of Story Hour each week.

Story Hour is every week from 10 a.m. to 11 a.m. at Friona Public Library. There is, of course, no charge.

After Story Hour the children may check out books and will be assisted by the librarian, Beverly Sweny.

Bill Sheehan of Dumas, a former Friona resident, was in Friona Thursday.

Mrs. Ross Miller is a medical patient in the local hospital. Her condition is somewhat improved.

D.L. Harguess visited his mother, who is a medical patient in the hospital at Hobbs, New Mexico, Monday. She showed some improvement Thursday morning.

Buttons and Bows Square Dance Club will hold its regular dance on Saturday, February 21 at 7:30 p.m.

Ed Gunnals, Clovis, New Mexico, will be the caller for the night.

Friona's Senior Citizens will have their regular meeting on Friday, February 27, at the Union Congregational Church.

A covered dish luncheon will be served at noon and everyone is invited to attend.

The Eastern Star organization will host their annual Friendship Night on Saturday, February 28, at 7 p.m. in the Friona Masonic Lodge Hall.

Area chapters have been invited to attend.

A salad supper will be served and all members are urged to bring a salad and come to the meeting.

Love Circle

Hosts L.W.M.L.

Board Meeting

The Love Circle of Redeemer Lutheran Church was hostess for the High Plains Zone L.W.M.L. Administrative board meeting on Monday, February 16.

Plans were made for the spring Christian Growth workshop which will be held in April at St. John's Lutheran Church in Lariat, Texas.

Rheta Schueler opened the meeting with a hymn and devotion.

Fifteen ladies were present. A salad luncheon was served. The meeting closed with The Lord's Prayer.

Marsha Carlan Installed Rainbow Worthy Advisor

The installation of officers for the Friona Order of Rainbow for Girls No. 275 was conducted on Saturday, February 14. Forty-nine people were present for the open installation.

ENERGY EFFICIENT HOME

THIS SIGN... ON A NEW HOUSE MEANS 40% OR MORE SAVINGS ON HEATING & COOLING COSTS

It has been known for some time that methods existed to insure the building of ENERGY EFFICIENT HOMES. But, inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY it means, conservatively, a 40% reduction in heating and cooling costs.

You'll be hearing more about the ENERGY EFFICIENT HOME. If

you're considering a newly constructed home, let us work with you and your builder to assure that your new home is designed for maximum comfort and energy savings — THE TOTAL ELECTRIC — ENERGY EFFICIENT HOME.
