Truman Says Americans Must Save Food

Special Session Of Congress Not Yet Indicated

WASHINGTON — (AP) — President Truman asked Americans Thursday to save food for Europe's hungry and said he still hopes emergency aid can be met without a special session of Congress.

In a news conference, Truman left open, however, the possibility that the legislators may be summoned into an emergency session. That is a question to be explored at a conference he will have Monday with Republican and Democratic congressional leaders.

Asked whether he thinks a return of rationing and price controls might be necessary, he replied that those are matters for Congress to decide.

In appealing for food conservation, the President observed that it would help budgets of American families as well as providing food to combat hunger in Europe.

His 20-minute talk with reporters ranged over a wide field of the problems involved in helping Europe get through the winter and back on its feet, economically speaking.

Truman said: "A decision on a special session of Congress for emergency aid for Europe will flow from a meeting he has scheduled Monday with congressional leaders of both parties. He hopes a special session can be avoided and has an open mind on the subject."

2. On the long-range Marshall Plan for helping European countries which help themselves and each other, careful study will precede any action and the government will move cautiously.

3. A special committee of citizens has been named to consider the immediate food problem and advise "on ways and means of carrying out the necessary conservation effort."

4. Other committees have been assigned the responsibility of studying the report drawn up by 16 nations in Paris, outlining their needs under the Marshall Plan.

Not Called Rationing
Truman refrained from terming as voluntary rationing his immediate plan to save food. Repeatedly he said it calls for saving food, for not wasting food.

Truman said he has been advised that Americans waste the equivalent of 70,000,000 bushels of wheat. Presumably he meant 70,000,000 bushels a year.

The proposal for conserving foods stemmed directly from a recommendation of a committee of cabinet members who have been studying world food programs. This committee is headed by Secretary of Agriculture Anderson and includes Secretary of State Marshall and Secretary of Commerce Harriman.

Truman released their report, plus a statement of his own on it and on the Marshall Plan.

Truman said:
Reduce Livestock Feeding
"The cabinet (food) committee made it clear that definite steps to conserve foodstuffs at home and reduce the feeding of grain to livestock will be essential if we are to make our fullest contribution towards meeting minimum foreign needs and at the same time relieve the upward pressure on prices at home."

Consequently, he said, he is naming the special Citizens Food Committee headed by Charles (Continued on page 2)

Blackmail Charged Russia By Aussie U. N. Delegate

LAKE SUCCESS — (AP) — Australian Delegate W. R. Hodgson Thursday accused Russia of using "blackmail" aimed at forcing the Security Council to admit Soviet satellites to United Nations membership.

Hodgson made the blackmail charge in referring to a statement by Soviet Deputy Foreign Minister Andrei A. Gromyko that Russia would vote for admission of Italy only if the council also admitted Hungary, Romania, Bulgaria and Finland.

The United States and Britain supported Italy, but objected vigorously to admission of the Communist-dominated governments of Hungary, Romania and Bulgaria. They insisted that a separate vote be taken on each of the five former enemy states.

Polish Foreign Minister Zygmunt Modzelewski touched off the new big power fight by proposing formally that the council give blanket approval to all five.

Gromyko supported the Polish proposal with a declaration that the Potsdam Agreement treated all these states in the same way without any discrimination toward any of them.

"The United States and the United Kingdom," he said, "deviate from the Potsdam Agreement when they seek to have Italy considered separately."

The new membership battle came in the midst of these other developments:

1. The U. S. delegation prepared to plunge immediately into the Greek-Balkan controversy Thursday afternoon with a formal proposal to the United Nations Assembly for creation of a "watchdog" commission to restore peace under assembly authority. Herschel V. Johnson was scheduled to make a major U. S. speech on the Balkan problem in the 55-nation political committee to back the American resolution.

2. The assembly's 55-nation Palestine Committee assured Jews and Arabs a hearing on the Holy Land problem by agreeing to give representatives of the Jewish Agency for Palestine and the Arab Higher Committee for Palestine the right to participate in committee debates.

Australia's Herbert V. Ewart was elected chairman of the Palestine Committee.

Muslim Countries Admitted
The extraordinary council session came one day after the General Assembly's 55-nation Political Committee unanimously voted in Pakistan and Yemen. They will be "rested" at a plenary assembly shortly, increasing the membership to 57.

These two Muslim countries were the only ones approved by the council out of 12 applicant nations in deliberations last month. Finland applied last week after the five European peace treaties went into effect.

Russia's Andrei A. Gromyko is council president for this month.

Texan Listed Among Peru Crash Victims

WASHINGTON — (AP) — Sgt. Hilmar W. Zeinert of San Antonio was among nine Americans listed as killed or missing in the crash of a C-54 transport into the sea near San Juan, Peru, last Friday. Sergeant Zeinert was listed as missing.

The Air Force made public the Zeinert's name of kin was listed as his father, Richard Zeinert, Route 9, Box 244A, San Antonio, Texas.

Bernadette suffered a broken leg when she ran into the street last week. Nurse Inez Borges of a Cleveland, Ohio, hospital, holds Tommy.

FBI Agent Uses Mythical Crimes To Instruct Police

By STANLEY FRANK

As the phone rang, the desk sergeant mechanically lifted the receiver with one hand, made a note of the time with the other, and spoke gently into the receiver: "Rangeville Police Department."

"Say!" a voice on the other end of the wire blurted. "My car's been stolen! I gotta get down to work, but somebody's stolen my car!"

The sergeant extricated pertinent facts from the excited one as quickly as the latter's emotion would permit—license number, general description, circumstances attending the theft.

Then followed a series of horrendous crimes—a service station robbery at 1 a. m., a man bloodily smashed by a hit-and-run driver half an hour later.

Police in Rangeville were head over heels in one of the most shocking succession of violent offenses the city had experienced in 10 years.

The crime wave continued Thursday, and will go on Friday. But by Monday, Rangeville officers predicted, the outlaw will have been apprehended and safely confined in the sturdy Rangeville jail.

In Mythical City
"Rangeville" is a mythical city, existing only in the imaginations of officers attending the law enforcement conference being held this week and through Monday and Tuesday of next week at Midland's City Hall. The crimes are not so mythical. They all have occurred many times in cities everywhere in America. They are used instructively in the conference by Fred McIntyre, Federal Bureau of Investigation expert from El Paso, who is in Midland to assist officers of this area in studying effective investigation procedures.

Veteran Agent and Actor
McIntyre, a veteran FBI agent and accomplished actor to boot, recently was transferred to El Paso from Washington. He, with the help of officers attending the classes, dramatizes every occurrence in the sequence of criminal acts against the peace and dignity of Rangeville. And then he interrupts the "play" to lead a general discussion of proper police procedure as each crime is reported and the search for the criminal is launched.

Among lessons which the imaginary crimes and their solutions have emphasized to officers attending the conference are necessity for speed and efficiency in pursuit of criminals; the importance of learning every detail at scene of the crime, both from personal observation and from interrogation of witnesses; and ways and means of accomplishing these objectives.

Slavery Charged El Paso Couple

EL PASO — (AP) — An El Paso couple charged with holding a negro girl in slavery for the past 11 years will have a hearing in the case Friday. FBI agents Wednesday charged Paul R. Franklin, 67, a contractor, and his wife, Mrs. Anna L. Franklin, 62, with "knowingly aiding in causing Elizabeth Coker, negro, also known as Jean Coker, to be held as a slave in violation of Section 443, Title 18, United States Code."

The pair were arraigned before R. E. Crawford, acting U. S. commissioner.

R. C. Suran, special agent in charge of the El Paso Division of the FBI, said investigations conducted by special agents indicated that the Franklins took the girl into their home in El Paso in 1936 as a servant and she worked for them from that time until January, 1947, except for a period when she was in a mental institution. The statement went on to say that allegations were the girl was paid no wages, and "was not permitted to attend school or church or social functions."

The FBI said the girl does not know how old she is, but it is assumed she is about 24.

Steering Committee Is Appointed For Hospital Campaign

Trustees of the Midland Memorial Foundation, at a meeting Wednesday night in Hotel Scharbauer, approved the appointment of a steering committee to complete the campaign for \$600,000 this fall for the construction of a modern 75-bed hospital here. Dr. John B. Thomas, president, appointed John W. House chairman of the steering committee and James N. Allison vice chairman.

Other members are Mrs. Clarence Scharbauer, George Raliff and John P. Butler. Dr. Thomas is an ex-officio member of the committee.

Plans for the campaign were discussed and trustees pointed out that a survey is being completed and no details will be overlooked in outlining the most comprehensive campaign in Midland's history.

Plans Move Forward
Plans are being made to let a contract and break ground for the hospital soon after the first of the year.

Butler, treasurer of the foundation, presented its financial report. Founders, formerly known as shareholders, will meet at 8 p. m. Monday on the mezzanine floor of the Scharbauer Hotel. They are Dr. Thomas, Mrs. Scharbauer, Abel, Mrs. J. Howard Hodge, Ralph M. Barron, J. S. Noland, Frank Stubbeman, Fred S. Wright, H. G. Bedford, Frank Cowden, David Faskin, George W. Glass, Lester S. Grant, O. C. Harper, A. N. Hendrickson, Ralph Lowe, John Mabee, R. L. Miller, Foy Proctor, Fred Turner, M. C. Uimer, and Fred Wemple.

Trustees are Dr. Thomas, Abel, Mrs. Hodge, Butler, Allison, Barron, House, Noland, Mrs. Scharbauer, Stubbeman and Wright.

Abell is vice president and Mrs. Hodge is secretary.

NO MORE PRICE HIKES

MERIDEN, CONN. — (AP) — There will be no further price increases of its products during the remainder of 1947, the International Silver Company announced Thursday.

Double Trouble

Heiress Ann Cooper Frank struggles with a match to light a cigarette while bridegroom, Frank Nicholson, looks on. The couple are shown at a press conference in Sacramento, Calif., September 23, after they had attended the funeral of Nicholson's late wife on the fourth day of their honeymoon. Officials are investigating the death of Nicholson's former wife.

Two More Are Arrested In Bank Robbery

OKLAHOMA CITY — (AP) — Arrest of two additional persons in connection with the \$58,000 robbery of the Bank of Sweet Home, Okla., August 29, was announced Thursday by D. A. Bryce, chief of the FBI bureau here.

Bryce said Henry Clay Green, 27, was arrested on a warrant charging participation in the robbery and that his wife, Fernie Lee Green, 21, was being held as a material witness.

Bryce said the two were taken into custody near Woodville in Marshall County (Oklahoma) Thursday morning.

State Game Ranger Ed Everett, Sheriff Joe Evert of Marshall County and FBI Agents W. C. Gentry and Wilson McCully arrested Green and his wife, Bryce said.

Green was armed with a rifle but offered no resistance. The two arrests brought to four the number held in connection with the robbery.

Henry Clay Tollett, Oklahoma ex-convict, was arrested in Bakersfield, Calif., September 19 after the arrest at Hugo, Oklahoma, of Joe Berry Bishop, September 12.

Both Tollett and Bishop have been returned to Oregon. Bryce said Green and his wife were being held at Madill.

He added they probably would be arraigned Thursday before the U. S. Commissioner at Ada.

He said a bond of \$50,000 would be asked for Green and \$7,000 for Mrs. Green.

Mrs. J. W. Christians' Father Dies Of Heart Attack In Childress

George Fitzgerald, father of Mrs. J. W. Christian of Midland, died Wednesday afternoon of a heart attack at his home in Childress, according to information received here.

Mr. and Mrs. Christian left Midland Wednesday morning on a vacation trip and had not been contacted Thursday. They planned to visit in Childress on the trip.

Funeral arrangements are pending.

WEATHER

Jester May Act In Gypsum Strike

AUSTIN — (AP) — A new possibility that the State Industrial Commission may intercede in the Sweetwater gypsum dispute developed here Thursday.

Gov. Beauford H. Jester was considering new pleas, after having announced Saturday he did not expect to take further action.

Several weeks ago, he had offered the commission's services, but the U. S. Gypsum Company declined. Local No. 82 of the United States Cement, Lime and Gypsum Workers agreed to the arbitration.

Jester also sent Labor Commissioner M. B. Morgan to the scene to make a personal investigation. Urged To Try Again

Senator Pat Bullock, County Judge Delas Reeves of Nolan County and Mayor R. O. Peters of Sweetwater Wednesday urged Jester to try again to settle the difficulty, saying the strike "is seriously affecting the economy of this community."

Jester promised a new study of the industrial commission statute to see if its aid could be invoked. The strike followed failure of the gypsum company and the union to agree on wages and hours. The company manufactures wallboard.

Called By Calvary Baptist Church

The Rev. and Mrs. A. L. Teaff have moved to Midland, where Mr. Teaff has been called as pastor by the Calvary Baptist Church to succeed the Rev. Fred McPherson, who resigned recently to accept the pastorate of the South Side Baptist Church in Lubbock. Mr. Teaff will preach his first sermon here October 12, following the conclusion of a revival he will conduct at the North Park Baptist Church in Sherman. Both Mr. and Mrs. Teaff are graduates of Hardin-Simmons University in Abilene and the Southwestern Baptist Theological Seminary in Fort Worth.

Autumn Equinox Produces Drops In Temperature

WASHINGTON—(AP)—What some people call "equinoctial gales" are puffing around various parts of the country, now that Autumn is here. Tropical windstorms have brushed Florida and raked the Gulf Coast. The Great Lakes area and the Northeastern States have been feeling strong winds that have no relation at all to the tropical storms.

None of these disturbances is really "equinoctial" in any direct sense. The Weather Bureau says they are not connected with the Equinox as an astronomical event.

The North Pole has started settling down into its six months of darkness and the South Pole into its six months of constant light, but the event itself won't have any effect on the winds that blow.

Even so, weather experts say there is definite relationship between the southward passing of the direct sun rays at this season and the currents of our air.

This relationship is complex, but the rough idea is that land masses and water masses are cooling rather fast at this time of the year. Furthermore, the land is cooling faster than the water, and this uneven cooling helps to stir the breeze.

September brings freezes. The hurricane was a dramatic illustration of the grief unusual weather can cause.

But enormous damage can be done by just plain rain, which caused floods and crop damage in the early Summer; by searing heat, which injured the corn crop in August; and by frost, which has already stolen down into the North Central States.

But that isn't surprising for September. The Weather Bureau says the North Central States and northern New England can normally expect an average of one freezing day each September, and Rocky Mountain areas can expect two or three such days.

In past years, the bureau says, every state except Florida has had freezing weather in September. Wyoming and Colorado have had September temperatures of 9 below zero.

In September 1917, Colorado had a statewide average of 11.8 inches of snow.

SHANGHAI COMMUNIST AGENTS ARE WANTED

SHANGHAI—(AP)—Lt. Gen. Hsuan Ti-Wu, Wootung garrison commander, said Thursday his men were on the lookout for 16 Shanghai Power Company workers as "Communist agents plotting to sabotage the city's power supply and make capital of a major industrial breakdown."

Veteran Finds Then Loses His Girl And Dream Apartment

By HAL BOYLE
NEW YORK—(AP)—This is a true story of a young man who found and lost a dream apartment. Ever since he returned from overseas, he had walked the dreary treadmill of the national housing shortage. He lit in more places than

he had with the paratroop. His only address was portable—his suitcase. He hunted so many real estate offices in one he was bawled out for coming in after ten o'clock. They had seen him around so often they thought he was an employee.

County Agent Advises Farmers To Supply Date On Labor Needs

Midland County farmers who need additional laborers for cotton picking should contact the county agent's office and supply information concerning the size of their crops, housing facilities for pickers, rate of payment and other data. County Agent Hubert Martin announced Thursday.

He emphasized there is no assurance that needed pickers will be immediately available, but added that the State Farm Labor Supervisor's office may be able to assist farmers, provided the latter supply the needed information.

Truman Says—

Luckman, president of Lever Brothers, Cambridge, Mass., to lead a conservation campaign.

At one point he said he could not say how many millions of dollars would be involved in stop-gap aid to Europe. He acknowledged that a shortage of dollars in other lands causes a shortage of food and fuel.

Truman also was not willing to go as far as to say a return to rationing and price controls, or to other wartime controls might be necessary to support America's program to combat hunger and Communism in Europe.

Lets Republicans Know
Those, he suggested, are matters for Congress to determine.

Answering statements of some Republican leaders that they have not been kept informed on world conditions, Truman said he was letting them know as soon as he found out himself.

The Chief Executive said he is asking special committees he has appointed and various government agencies to look over the Marshall Plan information for the benefit of congressional studies.

The 16-nation Paris Conference is asking for some \$22,440,000,000 of outside help, mostly from the U. S., in the next four years.

Truman said he also is counting on Latin America to give a hand. He said no conference with Latin American nations has been called but they will be kept informed of developments.

The problem to which the report of the Paris Conference is devoted, Truman said in his statement, "not only underlies the political and economic well-being of Europe, but is also of key importance to a stable peace in the world."

The production is through perforations in the casing between 8,314 feet and 8,524 feet. Those sections had been treated with 4,000 gallons of acid. Gas-oil ratio was 1280-1. The flow on the potential test was through a 3/24th-inch tubing choke.

SEC ISSUES STOP ORDER ON GLOBE AIRCRAFT PHILADELPHIA—(AP)—The Securities and Exchange Commission Thursday found the \$1,500,000 stock registration of the Globe Aircraft Corporation, Fort Worth, Texas, "materially false and misleading statements and omissions."

The Securities Exchange Commission issued a stop order suspending the effectiveness of the registration statement. However, the company has already been distributed. The commission said these securities "are worthless and the possibility of future trading in the securities appears remote."

BRISK BIDDING EXPECTED AT BIG SPRING SALE
DALLAS—(AP)—Pre-sale interest in the 167 buildings at Big Spring Army Air Field which will be offered at public bidding next Tuesday, indicates there will be a brisk business in disposing of the surplus structures, the War Assets Administration announced.

Contest Filed On Amendment

AUSTIN—(AP)—A suit contesting the college building amendment filed in six Texas counties was cited in 126th District Court here Thursday.

The suit alleged that in Bexar, Galveston, El Paso, Hill, Moore and Taylor Counties the proposed amendment was not published once each week for four weeks, commencing at least three months before the election.

It was the second court attack on the amendment adopted at the August 23 special election by a narrow vote. The amendment was designed to give state-supported colleges and universities a \$60,000,000 building program.

The suit was styled C. W. Whiteside and others versus Paul Brown, secretary of state.

Injunction First
The suit was filed as arguments were starting in the first suit brought to nullify the election, which has been under attack from a group of taxpayers.

This was an injunction to prevent Attorney General Price Daniel from approving any bonds that might be issued under the amendment adopted in August by a narrow margin.

The state defended validity of the election on grounds that in reality it contained only one subject, but that there is no specific legal prohibition against submission of more than one subject to the electorate.

Midland Rotarians Hear Discussion On Communistic Threat

Roy Bass, Lubbock attorney, discussed "The Real Nature of the Communistic Threat" at the meeting of the Midland Rotary Club in the Schaubauer Hotel Thursday noon. He was introduced by the Rev. Howard Hollowell, president.

That communism does not give credit to a man's individual ability, the wearing down of the initiative of the citizen, the attitude toward the church, and the subjected court system were listed by the speaker as the real threats.

He outlined the aims and practices of the Communist Party in Russia and said it is composed of less than five per cent of the total population. OES Honors Arlington Guests

Honoring Mrs. Essie Berryhill, adopted mother of the Star Study Club, and Mrs. Willie Lee Briggs, adopted mother of the Crane Chapter, Order of the Eastern Star, Midland's O. E. S. met in regular session Tuesday for its annual "Friendship Night." The honorees are from the Eastern Star Home in Arlington.

Other honored guests were Mrs. Agnes Young, past worthy grand matron of Big Spring, Mrs. Ruth Job, D. G. M. of District Two, of Lamesa, and Ethel Barron, grand representative.

During the business session, two candidates, Mrs. Ruby Inman and Mrs. Grace Goodie, were initiated into the O. E. S.

Mrs. Alcorn and Mrs. Rex Russell were in charge of the program. The honorees were presented with gifts and red rose corsages.

Following the close of the meeting, refreshments were served from a lace-covered table, centered with a white and orchid aster arrangement and flanked by tall candles. White napkins carried out the program's theme with the inscription, "Friendship."

A farewell party honoring Mrs. Berryhill and Mrs. Briggs will be given from 3 p. m. to 5 p. m. Friday by Mrs. J. B. McCoy, 1405 West Illinois Street, and Mrs. Lee Thomas. All O. E. S. members are invited.

Assault Works Out For Belmont Race

NEW YORK—(AP)—Assault splashed a mile through the rain in 1:41 3/5 early Thursday, ending his preparations for the \$100,000 match race with Armed at Belmont on Saturday.

A majority of the clockers caught the Texas terror in 1:41 3/5, although trainer Max Hirsch, highly gratified by the workout, clocked Assault in slightly more than 1:40 for the muddy mile.

Meanwhile, Armed jogged once around the track with an exercise boy in the saddle.

More Than 150 Attend Coffee Honoring Mrs. Hubert H. Hopper

Mrs. Hubert H. Hopper, who will leave Midland October 6 to live in McAllen, where the Rev. Hubert Hopper has accepted a Presbyterian pastorate, was honored Wednesday morning with a coffee given by Mrs. J. M. Devereux and Mrs. W. P. Knight in the home of Mrs. Devereux, 1709 West Ohio Street.

House decorations were highlighted with rose, carnation, and aster arrangements in the living room. From shades of pink to shades of dark red, while dark red mums adorned the den. In the dining room, an arrangement of bronze and yellow chrysanthemums centered the Madeira cloth-covered table.

The honoree's coffee was of red roses, while members of the house party wore corsages of bronze, yellow, white, and dark red mums.

The hostesses presented Mrs. Hopper with a place setting of sterling in a Gotham Chantilly design. The more than 150 guests were greeted at the door by Mrs. W. N. Little, with the hostesses and the hostesses receiving.

Mrs. John Dublin and Mrs. W. H. Gilmore presided at the refreshment table the first hour, and Mrs. Walter Gunn of Odessa and Mrs. J. L. Green presided the second hour. Others in the house party included Mrs. W. M. Hester, Mrs. Harry Joseph, Mrs. R. F. Peters, Mrs. Jack Wilkinson, Mrs. Jack Hawkins, and Miss Louann Rouch.

RINHART CIRCLE MEETS AT BRAY HOME

Mrs. H. L. Bray, 1905 West Wall Street, entertained the Rinhart Circle of the First Christian Church Tuesday evening, with Mrs. Sidney P. Had presiding over the meeting.

The devotional by Mrs. J. T. Morrow was followed by a vocal duet by Mrs. Hall and Mrs. F. C. Cummings. Mrs. Paul McHargue, assisted by Mrs. J. O. Hyde and Mrs. Cummings, was leader for the study taken from the "World Call." Following a missionary benediction, the group had a social hour.

Mrs. Joe Hunter, a new member, was among those present.

Others present were Mrs. Stanley Claiborne, Mrs. Ivan Hood, Mrs. B. H. Spaw, Mrs. R. D. McBrian, Mrs. Paul Martin, Mrs. B. W. Reetz, Mrs. Clyde Lindsay, Mrs. Van Camp, Mrs. J. L. Bush, and Mrs. Al Borng.

Class for Class Rooms

As chalk takes to blackboards, cottons designed for the classroom take to new dark dyes and to new freedom of yardage. Colors of dark plaids used for young-try fashions put autumn leaves to shame. Results of free use of fabric are newly-deep hems, which allow for beanstalk, growth, fuller skirts, larger collars and pockets, more important yokes and other details that spill more style for the back-to-school march. —EPSIE KINARD, NEA Fashion Editor.

Cottons go to the head of the class for smart back-to-school styles. School girl (above) wears plaided cotton perked up with white eyelet collar and pocket trim. The demure miss (upper right) shows off her Kate Greenway-inspired plaid gingham dress which has a spanking white pique bib front. White pique collar and cuffs are crisp accents for the tomato and gray striped chambray modeled by the tiny student (right).

Hikes, Other Actual Troop Practices Prepare GS Leaders For Fall Work

More than 20 Girl Scout leaders have become "little Girl Scouts" this week during the Group Leadership Course, which Mrs. I. A. Searles is conducting each morning in the Children's Library of the courthouse.

The women might have been observed Thursday morning on the courthouse lawn taking an alphabet hike as part of the training course, the purpose of which is to experience Midland Girl Scout leaders in actual out-of-door troop practices which they in turn will have to administer to their troops this Fall. During this 10-hour, five-day course which began Monday, the leaders are receiving verbal training as well as activity instruction. The key subjects are program planning and troop government. Home-making has been taught through such ingenious media as paper-bag dramas and other forms of games, while in-door troop practices such as openings, closings, flag salutes, and mottos have received attention.

During the last half of Thursday's session, Mrs. Don Johnson, registrar of the city council, presented instructions on troop records. The last meeting will be held Friday morning. Anyone interested in Girl Scout troop work is invited to attend the closing session.

Midland PEO Gives Reciprocity Luncheon

A P.E.O. reciprocity luncheon was given Tuesday afternoon at the home of Mrs. James E. Sprinkle, 305 South Texas Street. The organization's color scheme was used in the luncheon table appointments. Members present were Mrs. Casselman, Mrs. J. L. Norman, Mrs. T. H. Kolm, Mrs. T. C. Blair of Odessa, and a guest, Mrs. James N. Allison. The next luncheon is scheduled Tuesday, October 21, at the home of Mrs. Casselman, 602 North Big Spring Street. All P.E.O.'s of Midland are requested to contact Mrs. T. H. Kolm, 710 Cuthbert Street.

Mrs. T. W. Rhoads 'Coke' Party Honoree At Payton Anderson's

Mrs. Payton W. Anderson and Mrs. Robert Franklin honored Mrs. T. W. Rhoads, Fort Worth guest of Mrs. R. B. Schabaram, and entertained more than 60 persons with a "Coke" party Thursday from 10 a. m. to noon at the home of Mrs. Anderson, 504 Holmesley Street. Mrs. William Kerr, Mrs. Robert Payne, and Mrs. R. S. Anderson aided in the house party, serving refreshments from a round table, the fruit centerpiece of which carried out a red and yellow Fall color scheme. Mrs. Schabaram, 103 Ridgley Drive, will honor her guest Friday with a luncheon at the Ranch House.

Congratulations To:

Basic Economic English

Several bitter wage disputes of recent memory have been marked by sharp statistical skirmishes. Economists from labor and management have taken figures from the same company's balance sheets and come up with entirely different conclusions.

The public can only guess whether these inconclusive engagements are the result of deliberate efforts to deceive or honest confusion. For, certainly, most of us are astounded by the complexities of an average corporation's financial statement.

The American Economic Foundation believes that this general confusion has had some alarming consequences, such as making the word "capitalist" a term of abuse, and "profit" synonymous with exploitation and crookedness.

Eight years ago, the men who started the foundation discovered, through a public opinion poll, that more than half the people questioned—rich as well as poor—thought that big businesses kept more of their income as profits than they paid out as wages.

What was the cause of this ignorance? The foundation decided that the main trouble was the lack of simple and what is done with it. The technical language of accounts to explain where a corporation's money comes from counting was just too much for most of the people all of the time.

After much study the foundation's analysts and accountants hit upon what they called "social" accounting. Its vehicle is a short, simple profit-or-loss statement which they call a "functional operating report."

Several large companies already use this form. But it was only a few days ago that the foundation made public an instruction manual for the new method.

The American system of privately-owned industry is being challenged and questioned, within and without this country. Those who believe in it can scarcely be expected to defend it if they don't understand how it works.

McCamey Lions Have Big Catfish Supper

McCAMEY—The "leaves" fed the "fats" at a catfish supper given Monday night by the McCamey Lions Club, at the City Park.

The fishermen who enjoyed the sport of catching the fish in Old Mexico and who contributed them for the supper were Jack Ott, Earl Bone and Matt Dillingham, and those preparing the feast were G. C. Bailey, R. E. Ruble and Nest Keyes.

A directors meeting was held following the supper.

Forest Fires Increase In East Texas Area

CONROE—Sixty-seven forest fires swept through vast timber tracts in three Southeast Texas counties Wednesday night.

A request for the Department of Public Safety at Austin to furnish rangers to investigate origin of the fires was made by J. O. Burnside, chief of the Texas Forest Service's Division of Forest Protection at Lufkin.

Early Wednesday morning only 12 fires were reported burning. J. U. Foster, district forester for the Texas Forest Service, who spotted blazes from a plane, said the majority of the 67 fires were located in Southeast San Jacinto, South Liberty and East Montgomery counties.

Two fires also were reported near Lufkin in Angelina County, one near Accl in Polk County, and one west of Nacogdoches.

More than 99,000,000 people paid admission to see greyhound races in England during a six-year period.

Feedlots Are Food Factories

Now, with the approach of fall, the endless streams of cattle and lambs flow down out of the high summer pastures. Last spring's pigs soon will be on the way to market.

In the valleys and plains the feedlots begin to fill. They dam back some of this fall flood of animals. You who feed livestock know well how important this is.

Feedlots save for the land much of the fertility which the selling of grain crops and hay would take out of the land. For example, you sell a steer that has gained 500 pounds in your feedlot.

phorus, and twenty times as much potash.

Keeping the soil fertile through use of manure from livestock is only one factor in judging whether "feeding" is likely to be a profitable venture. There are many others which are being constantly studied by individuals, colleges, and experiment stations.

Bulldogs Meet Austin High (El Paso) Friday Night At 8:00

It's 3-AA Against 4-AA, Intersectional Ball Game

By TANNER LAINE

It's the Midland Bulldogs of 3-AA against the Austin High (El Paso) Panthers of 4-AA at 8 p. m. Friday in the high school stadium here.

Austin High will be backed by the 100-piece band from that school and a following of fans. The Midland pep legions will be on hand to boost the Purple.

A packed stadium is forecast. Reserve seat tickets to the game went on sale Thursday afternoon at the Chamber of Commerce office and will remain on sale through Friday.

The Panthers are a big and capable ball club. For the second straight week the fighting Midland lads will have to look at a heavier opponent.

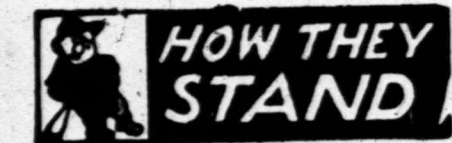

Last season Midland won, 21 to 12, when long touchdowns passed broke the Panther spirit after the El Pasoans had shoved Midland around earlier in the game.

Scrimmage Wednesday
Wednesday Midland went through a lengthy and rough scrimmage. Guest scrimmagers were the Monahans High School Lobos. No scores were kept and it was not a game of any kind. First one team and then the other would take the ball on offense and then the situation would be reversed. Coaches were on the field making corrections.

Absent from drill Wednesday was Bounding Bill Little, first string Midland back, out with a cold. Larry Buckingham, stubby and rough replacement, took Little's slot.

A further note of Midland gloom was Fred Dunn, first string end, on the sideline with a twisted knee. Dunn has not been able to work all week.

Again we say that Midland can turn the trick against a heavier opponent: we predict MIDLAND to win.

Women's Amateur In Quarter-Final Stage

DETROIT—The 1947 National Women's Amateur Golf Championship moved into the quarter-finals Thursday.

At the head of the parade of survivors was 24-year-old Louise Sturgis of Georgia, who knocked off medalist honors and so far has upheld her advance role of favorite.

Thursday the Lithia Springs runner-up of the fairways went out after her third victory against 20-year-old Mary McMillin of Green Bay, state champion of Wisconsin for the last three years.

Another match is Polly Riley of Fort Worth, Texas, just turned 22, versus Dorothy Kirby, 27, of Atlanta, Ga.

Keg Meet Slated For Sunday

Bowlers from throughout West Texas will converge on Midland Sunday to participate in a tournament of champions.

The event in Midland will be held at Plamor Palace during Sunday.

Other events have been held at various West Texas cities and last Sunday's tourney was at Abilene.

Prominent West Texas bowlers coming here include:

Bomar, Horton, G. G. Runyon, Roy Talley, Mageus Welch, K. Johnson and O. D. Busby of San Angelo; E. B. Dozier, Jake Douglas, T. Brown, and LeBlanc of Big Spring; Benny Brown of Lubbock; Jim Fure, Terrell Mathews and Charles Gay of Odessa. An Abilene contingent is headed by Jack Wicht, Bert Smith, Joe Kent, Johnny Cdam, A. R. Wetsel, R. C. Kennedy and Cheo Rivera.

Midland's best bowlers will compete with and against these visitors.

Houston, Mobile Square Off Friday In Dixie Series

Houston, champion of the Texas League, and Mobile, Southern Association titlist, square off here Friday in the opening game of the Dixie Series.

The Buffs won the Texas League crown Wednesday night by blanking Dallas 1-0 behind the four-hit pitching of Clarence Beers.

The first two games of the seven-tilt Dixie Series will be played here with the next three at Mobile, starting Monday. If the final two games are needed they will be played here.

Big Al Pappat (23-1) is expected to start on the mound for Houston Friday, opposing John Hall (18-8). Hall has nine shutouts to his credit.

Peers, who started in organized baseball as a catcher, won his 28th victory this year against eight defeats in stopping the Rebels.

Pups Slated At Seminole

The Puppies of Midland, John M. Cowden Junior High School were scheduled against the Seminole Juniors at Seminole Thursday.

The Pups traveled by bus and were slated to start the game at 4 p. m.

It is the first road trip for the junior gridder.

They have drilled hard all week for the contest.

Courtney High School Has Strong Ball Club

COURTNEY—The Courtney six-man football starting lineup for this year is Cross, Glasie and J. Smith in the backfield with Kelly, Stroud and Snodgrass on the line. Taylor Cross is captain, and Benny Kelly, co-captain.

The Courtney Eagles met the Garden City Bearcats last Friday at Garden City, winning the game 47-0.

Freshmen Play At Twilight

There will be a twilight football game in Midland Thursday.

At 6:30 p. m. the Freshmen of Midland High will play the Stanton Frosh in the high school stadium here.

The game is free to the public and fans are invited to watch the future Bulldogs play ball.

Coaches Earl Glassie and Clarence Holman have their charges in shape for the battle. Midland freshmen lost to Odessa last week and are pulling for a reversal of form Thursday to break into the win column.

The Freshman eleven is composed of ninth grade football players and is playing a regular schedule this season.

The Freshman team is the equivalent of Midland's "C" string.

Sports Program Starts Thursday

Elementary schools of Midland started their inter-schools sports program Thursday.

Scheduled for the first events were kick ball for the girls and tag football for the boys with North meeting South at the South field, starting at 2:40 p. m. Thursday.

Next week West Elementary boys and girls teams compete with North Elementary at the North field.

The Kiwanis Club of Midland will present trophies to the winning schools this year. Also a larger permanent trophy will be awarded. It must be won three times to be retained.

Nine Broadway Shows Weather The Summer

NEW YORK—Of the entire crop of new shows and revivals which premiered last season, only nine weathered the Summer.

Eight others from previous seasons, "Oklahoma!", "Harvey," "Born Yesterday," etc., also managed to stick it out.

"State of the Union" got by its second Summer but it left, September 13, anyway, for a road tour, with Kay Francis as star. It won a Pulitzer prize, was sold for a record sum to films, made all wealthy persons concerned even wealthier and will remain a topical comedy up to but not after the 1948 presidential elections, its theme being, of course, the problems of a gentleman seeking that high office in '48.

Russell Crouse and Howard Lindsay, who wrote it, are starting their sequel to "Life With Father," to be called, of course, "Life With Mother." It has been announced as a probability for this season, but don't bet on it.

BRITISH DECLARE WAR AGAINST LONGER SKIRTS

LONDON—British dress designers, warring upon Paris' long dresses, came up Thursday with a "spiral design."

The Guild of Creative Designers promised details later. Chairman Henry Scott said the spiral gives the impression of length but by no means shields a shapely calf from the public eye.

Some stylists said it ends about 11 inches from the ground.

BROWN NAMED ASSOCIATE DEAN AT BAYLOR MEDICAL

GALVESTON—Dr. Warren T. Brown has been appointed associate dean of the Baylor University Medical School. At Houston he has been a professor of psychiatry at the school.

Dr. Brown served with the Army's 39th General Hospital in New Zealand and later commanded the 369th Station Hospital in Saipan during World War II.

B Team Manufactures Big Bulldogs For High Squad

They are manufacturing Bulldogs on the "B" team of Midland High School.

A fighting outfit is the gang of kids which Coach Earl Glassie works as cannon fodder for the "A" Bulldogs. They like it rough and they like it tough.

Last week the "Bees" lost a heart-breaker to Odessa's seconds, 13-0. The defeat occurred for Midland in the fading minutes after a real battle. Coach Glassie predicts "my boys won't lose another game this year."

Boys Listed
Here are some of the boys, who are learning football and who are going to make that "A" team when next season rolls around, with weights and positions: Robert Price, 135, back; Jimmy O'Neal, 160, center; Bob Woods, 167, tackle; Jimmie Davenport, 177, tackle; John Green, 150, guard; Goss Yeager, 139, back; James Dickinson, 160, end; Jimmy Chantney, 130, back; Harry Smith, 128, end; Don Downing, 133, center; Ray Douglas, 135, end; Ralph Arnett, 150, end; Alfred Baze, 170, tackle; Richard Patton, 145, back; George Hill, 142, guard; Charlie Wheat, 135, back; Charles Chambers, 145, tackle; Jackie Mobley, 140, end; Leon Cline, 144, guard; Don Morrow, 130, back; Neal Adams, 115, end; Frank Robertson, 150, back; Roy Mann, 156, back; Richard Blackwell, 140, end; Arnold Drake, 155, back; Graham Mackey, 155, tackle; Eugene Hejl, 138, end; Jack Lynch, 156, guard; Duane Fritz, 164, tackle; Charles Lovering, 135, back; Tommy Stringer, 125, back.

Here is the schedule these boys will play this season:

October 2, at San Angelo.
October 9, Lamesa, here.
October 18, Odessa, here.
October 23, San Angelo, here.
October 30, open.
November 6, Big Spring, here.
November 13, open.
November 20, at Lamesa.
November 26, at Big Spring.

Kilgore And Lubbock Open Series Friday
DALLAS—(AP)—Kilgore will represent the Lone Star League in the Texas Class C baseball championship series opening Friday night at Lubbock.

The Drillers won the title Wednesday by beating Marshall 8-3 to win the playoff four games to two.

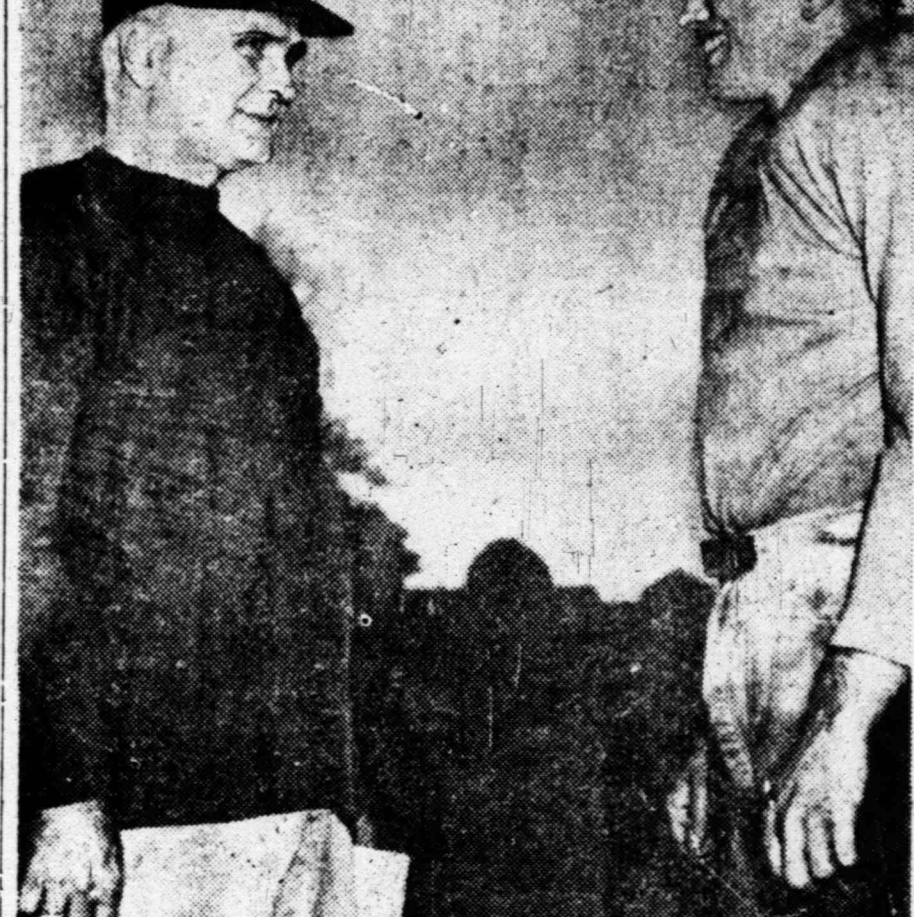

The seven-game series between Kilgore and Lubbock will open in Lubbock for three games, then switch to Kilgore.

The Rice-LSU game, beneath the lights at Baton Rouge, will be broadcast at 8:05 p. m. by station WRR, Dallas.

KING HUNTS IN JEEP
STOCKHOLM—(AP)—King Gustaf went hunting Wednesday—in a jeep.

Mount Olympus, in Greece, was believed by ancients to be the home of the Greek gods.

'Battle Of Bullpens' May Be Wrong Name For Yank-Bum Series

By JACK HAND (Associated Press Sports Writer)

The 1947 World Series may go down in the books as the "battle of the bullpens" but it hasn't looked that way in the final tune-ups of the Brooklyn and New York starters.

Not to be outdone by the Yankees who daily parade a new mound gem, the Dodgers' staff has been showing great form in recent efforts of Joe Hatten and Hal Gregg.

Gregg, who may be the dark-horse of the series, warmed-up for series duty Wednesday by shutting out the home run-happy New York Giants with one hit over a five-inning stretch. It mattered little that rookie Willard Ramsdell, who came in after Gregg was lifted for a pinchhitter, blew a conky lead and the ball game, 6-5. Gregg had looked fine in his turn.

The day before it was Hatten, the lefty who has specialized in beating second division clubs, going five-innings at a three-hit pace.

Four of the top ten teams are from the same district—15AA. They are Corpus Christi, Thomas Jefferson (San Antonio), Tyler, Highland Park (Dallas), Waxahachie, Brackenridge (San Antonio), Austin and Longview.

Wichita Falls received five first place votes and Corpus Christi one.

It was not until 1600 A. D. that Galileo demonstrated that air has weight.

Broncs Hold Lead In Writers' Poll

DALLAS—(AP)—Odessa's Broncs are the current choice of Texas sports writers to repeat as state Class AA high school champion, a poll conducted by the Dallas Morning News revealed Thursday.

The Broncs received 29 first place votes from the 35 sports writers taking part in the first of the planned weekly polls.

Second place went to the Wichita Falls Coyotes—who handed the Broncs their last defeat in quarter-final play in 1945.

Running behind the top two were Corpus Christi, Thomas Jefferson (San Antonio), Tyler, Highland Park (Dallas), Waxahachie, Brackenridge (San Antonio), Austin and Longview.

Wichita Falls received five first place votes and Corpus Christi one.

GRAMMER-MURPHEY

Union Oil Company of California No. 1 Walter Cowden, East Ector County exploration, three miles southeast of Odessa is to be a wildcat to 4,800 feet. It is approximately one and one-half miles east of nearest production in the South Cowden field. Drilling with rotary will start at once.

Seaboard Oil Company of Delaware No. 1 Wrenchev, Northwest Hockley County wildcat, about two miles northwest of nearest production in the Loveland field, and 660 feet from south and east lines of labor 25, lease 732. Tavor sub-division of State Capitol Lands, is bottomed at 4,817 feet in San Andres-Permian lime, and is to run 5 1/2-inch casing to make production tests on shows of possible production between 4,774 feet and current total depth.

Operator cored the section from 4,774 feet to 4,804 feet in three cuttings. Full recoveries were secured. There were streaks in each of the cores which showed slight to fair stain and porosity. Other streaks had pin point porosity and some bleeding oil.

The bottom seven feet of a core at 4,794-4,804 feet had some bleeding oil and gas, and a possible slight trace of water.

The section from 4,804 feet to 4,817 feet was drilled. The samples carried some indications of oil, and no signs of water were detected.

Some interested observers think that the possible sign of water in the 4,794-4,804 floor core might be precipitated fluid from on the hole, or from the drilling fluid.

It will be the first of next week before the plug will be drilled and testing started on this possible new field opener.

SE SUTTON-WILDCAT RUNS CASING TO CHECK SIGNS. Llovd S. Parker of San Benito No. 1 Reick, Southeast Sutton County wildcat, is reported by unofficial sources to have drilled to total depth of 4,143 feet in dry Ellenburger lime.

Sunray Reported Ready To Buy Getty Interests

NEW YORK—Dow, Jones & Company, business news agency, said Thursday negotiations for the purchase of Sunray Oil Corporation of the Getty interests in Pacific Western Oil Corporation "are understood to be in advanced stage."

"Whether they will be successfully concluded is still to be determined," the agency said.

Discussion of the merger, which has been rumored for months, was given new impetus by the investment Dealers' Digest, a professional publication, which will say in next Monday's edition: "Sunray Oil and Getty-controlled companies merger probable, with new company to be known as Sunray-Skelly Oil Corporation. First step to buy Getty family's interest in Pacific Western stock may be financed with debentures, either public or private, and probably via Eastman Dillon."

Hopper And Stubbeman Back From Church Meet. The Rev. Hubert Hopper, pastor of the First Presbyterian Church, and Frank Stubbeman, an elder, returned Thursday night from Clovis, N. M., where they attended the Fall meeting of the El Paso Presbytery.

Bailing Out

(NEA Telephoto) Bailing out his house is Joseph Palermo, whose home on Tennessee Street in New Orleans was flooded by backwaters of Lake Borgne. His dog, "Pug" ruefully regards the water from a safe perch. Lake Borgne waters backed up the Bayou Bienvenue and broke the levee under the railroad tracks in about 15 places.
