Texas Deaths By Violence Set Record For Recent Months

By The Associated Press

The weekend toll of violent deaths in Texas climbed to at least 22, highest figure reported in recent months.

Traffic accidents claimed 10 lives, airline crashes five, shootings three, an explosion two, one person was killed in a fall and another died from knife wounds.

Four children were killed instantly Sunday night and their parents critically injured when their automobile was demolished by a Missouri Pacific freight train in a crossing accident four miles south of Trinity.

Three persons were killed Sunday when a light plane crashed shortly after taking off from the Levelland airport. Dead were Elmon Finley, 22, the pilot, and Rita Shirley and Ruby Shirley, two sisters who were passengers.

Another plane crash at McCaulley was fatal to E. C. Waldrop, 45, and his passenger, Joe Houghton, 17, a member of the McCaulley High School six-man football team.

A man found late Saturday night in the rear of the Union Bus Terminal at Amarillo was identified Sunday as Jimmie Jack James, 39-year-old painter, thought to be living in Wichita Falls prior to his death.

James' body apparently had been run over by a bus. He was found in a gravel driveway at the rear of the station, where buses turn in to enter.

Tommy Moore, Jr., 25, Coleman, was killed Sunday afternoon near San Angelo when the car in which he was riding struck a concrete abutment of culvert and overturned several times. Ancl Forbess, 21, also of Coleman, was critically injured.

Raymond Keneser of Pearl and Rollin B. Boyd of Alvin were killed in an explosion while they were working an oil storage tank. The explosion took place near Hastings Saturday.

Bernard Lindsay, 25, son of Constable Tom Lindsay, was fatally stabbed at Martindale, near Lockhart, as he went to the assistance of his father, who was attempting to arrest two men Saturday night. Juan Rojas was shot and instantly killed in the fight. Officers said a bystander stabbed young Lindsay. A suspect was arrested in Austin Sunday.

Staff Sgt. Berl B. Mullins, 26, Fort Worth Army Air Field soldier from Melakoff, died early Sunday in a Fort Worth hospital of injuries suffered Saturday when his automobile overturned near Fort Worth.

Valentine Rodriguez, 40, of Waco was killed Sunday morning when he was struck by an automobile as he walked along the Waco-Temple highway.

Frederico Tijerna Villareal, about 60, of Corpus Christi was killed and 11 other persons were injured about 11 o'clock Sunday when a passenger car and a truck load of migratory farm workers collided near Big Spring.

Mrs. Selvie Gorton, 40, of Houston was killed instantly early Sunday in a head-on collision of two automobiles near Liberty.

Fred Hahn, 81, former Gillespie County commissioner and ranchman, was killed Saturday when he fell from the roof of his home at Fredericksburg.

FAMED VIOLINIST WEDS

LONDON—(AP)—London newspapers reported Monday that Yehudi Menuhin, 31, world renowned violinist, and Diana Gould, 34, actress and ballerina, were married here Sunday.

ASHEVILLE, N. C. — (AP) — Gov. Beauford H. Jester of Texas Monday warned the Southern Conference of Governors that the United States Supreme Court's refusal to reconsider the California Tidelands Case tightened the "strangling loop of super-federal control at the throats of the sovereign states of the Union."

BRENNHAM — (AP) — An early morning fire here Monday destroyed the Seidel Brothers Gin Co. cotton warehouses with a loss estimated unofficially in excess of \$225,000.

CAIRO — (AP) — A 26-day-old cholera epidemic has cost 2,128 lives in Egypt, the Public Health Ministry announced Monday, as the Egyptian Government allotted new funds and mapped new plans for combating the disease.

Leaders Gather Up Aid Plan Statistics

WASHINGTON—(AP)—The Truman Administration marshaled a vast array of figures Monday designed to prove to Congress and the nation that this country can export the food, fuel and machinery Western Europe is seeking for its proposed recovery program.

A report from Secretary of the Interior Krug, released by the White House, stated emphatically that the United States will be able to deliver the goods for a \$20,000,000 aid program without impairing American resources.

Krug asserted, however, that to assure success of the undertaking this country must save grain, restrict export controls to make certain shipments reach the most needy countries, and gear production and transportation facilities to a high rate.

On Capitol Hill, Republicans generally adopted a "let's hear-more" attitude, but Senator Pepper (D-Fla.) criticized the report as a "nibbling" approach.

Pepper said reporters he thinks the summary makes the "timid" assumption that only such help will be extended to Western Europe as will not "inconvenience" the American people.

Pepper, who has urged a program of \$10,000,000 a year in foreign aid, does not always reflect the majority viewpoint among his Senate Democratic colleagues. It was obvious that his ideas were at variance with those of Republican members.

Luckman scheduled a behind-doors meeting with industry spokesmen in an effort to draft a plan similar to those which, the brewing, distilling, baking and restaurant industries have undertaken to save grain for European relief this winter.

Unlike the earlier efforts, however, the new drive will test the cooperation of farmers in President Truman's voluntary campaign.

Luckman held a strong bargaining position for the session. His co-workers have indicated he will be willing to drop poultry-less Thursday—as poultrymen have requested—only if he gets in exchange a pledge of sizeable savings in the feeding of poultry and the manufacture and distribution of feeds.

The club's regular meeting Thursday noon in the Crystal Ballroom of the Scharbauer Hotel, Tom Sealy, program chairman, announced Monday.

The lieutenant governor, whose legal residence is P. O. Arthur, is expected to arrive here from Austin Thursday morning. He will be met by a group of Rotarians and other civic leaders. It will be his first visit to Midland since becoming lieutenant governor last January.

Sealy said officials and members of other civic and service clubs here will be invited to attend the Thursday luncheon. The Rev. Howard Hollowell, Rotary president, will preside.

U. S. Rejects Red's Proposal On Korea

WASHINGTON—(AP)—The United States has formally rejected Russia's proposal that Soviet and American occupation troops withdraw simultaneously from Korea.

The State Department Monday made public a message from Undersecretary Robert Lovett to Russian Foreign Minister Molotov last Saturday, saying this question "must be considered an integral part" of the solution submitted by the United States to the United Nations Assembly on Friday.

The U. S. requested the establishment of a UN Commission to supervise elections in Korea which would decide the form of the future Korean Government.

The American note to Moscow said that because of the repeated inability of the American and Soviet commanders in Korea to agree, the United States feels itself "obligated to seek the assistance of the United Nations" in order to hasten establishment of an "independent, united Korea."

Vishinsky Finds Something to Like

The usually cold, stern face of Andrei Y. Vishinsky, left, Russian UN delegate, broke into a smile of pleased surprise at a recent General Assembly session, when NEA-Acme staff photographer William Wasilevich asked him to "hold M"—in Russian. With Vishinsky is Stanoje Simic, Yugoslav delegate.

Sunray To Absorb Pacific Western

TULSA, OKLA.—(AP)—Pacific Western Oil Corporation, and Mission Corporation, parent company of the Skelly Oil Company, will be absorbed into an enlarged Sunray Oil Corporation with principal offices here under plans announced Sunday by Sunray President C. H. Wright, and David T. Staples, president of Pacific Western and Mission.

The merger, about which reports had circulated for several months, is scheduled to be completed in December.

Sunray directors approved the plans at a special meeting here last Saturday. Pacific Western's directors are scheduled to meet Monday in New York to take action on the deal.

Under the plans, Skelly Oil is scheduled to become a subsidiary of Sunray but is to be operated as a separate entity.

The consolidation will make Sunray a corporation with assets of more than \$210,000,000 and control of crude oil production of approximately 100,000 barrels of oil daily.

These will come from producing properties in Oklahoma, Kansas, Arkansas, Louisiana, Mississippi, New Mexico, Colorado, Wyoming, California, Illinois, Indiana, Texas and Michigan.

In addition, undeveloped leaseholds in several states now without oil or gas production are effected.

Probe Reveals Reds In Movies

WASHINGTON—(AP)—Jack L. Warner, Hollywood movie producer, told the House Committee on Un-American Activities Monday that people "with un-American leanings" have infiltrated into the movie industry.

But he carefully declined to say under questioning from committee members that these people are Communists and insisted on using the description "un-American."

And he said he does not believe anyone in Hollywood has advocated overthrow of the United States Government by force or violence.

He testified before a packed audience in the House Caucus Room. Movie lights, set up for newsreel cameramen, cast a glare over the whole scene.

When Robert E. Stripling, chief investigator for the committee, wanted to know where Communists have invaded the film capital, Warner said:

"The answer is that there are people with un-American leanings. Denies Move To Quash

"Would you admit there are certain people in your studio who are un-American?" Stripling asked.

"Yes," Warner replied.

"But he emphasized that wherever un-American ideas creep into scripts, the studio cuts them out.

At the outset of the hearing, Chairman Thomas (R-N.J.) refused to hear a motion to quash subpoenas for 19 Hollywood personalities to appear before the committee during its three weeks of hearings. The subpoenas are orders for the 19 to appear as witnesses.

Border Watch Challenge Due

NEW YORK—(AP)—Russia formally demanded Monday that the United Nations Assembly reverse a decision of the 57-nation Political Committee and order United States and British military personnel out of Greece.

The new Soviet demand came as Soviet Deputy Foreign Minister Andrei Y. Vishinsky prepared to begin a last-ditch fight against formal creation of an American-sponsored UN Border Watch in the Balkans.

The Russian proposal to revive the already defeated Soviet resolution was submitted in a letter to Dr. Oswaldo Aranha of Brazil, assembly president, asking that the question be placed on Monday's calendar for the plenary sessions at Flushing Meadow Park.

A Soviet source said Vishinsky expected to speak for about an hour and a half for 40 minutes on the Greek-Balkan issue.

Revival of the original Soviet move to blame the Balkan troubles on the United States and Britain, and Russia's fight against the "Watchdog" Committee foreshadowed a double Soviet defeat.

As a prelude to the Greek debate, which may spill over into mid-week, members were to take another ballot in efforts to break the deadlock between India and the Soviet Union over Poland's expiring seat on the Security Council. Nine previous ballots have failed to give either one a two-thirds majority, and there were no advance indications that Monday's vote would settle the issue.

Russia has suffered three major setbacks in committees in attempting to lay the blame for the Greek Border troubles on the Greek Government and "foreign interference" and to absolve Yugoslavia, Albania and Bulgaria. These were:

1. The 57-nation Political Committee approved an American resolution, 36 to 6, with the Soviet bloc only in opposition, to set up the Watchdog Commission and mildly condemn the three Soviet satellites.

2. The Political Committee rejected, 40 to 6, with only the Soviet bloc in support, the counter Russian resolution calling for evacuation of foreign troops and a UN commission to supervise economic aid to Greece, such as approved under the Truman program. Poland now has re-introduced it in modified form.

3. The 57-nation Budgetary Committee rejected, 31 to 6, a Russian move to bar UN funds for the proposed investigating commission.

Muldrow gave the time as about 2 a. m. He was bound by the men, but managed to free himself 15 minutes later and telephoned officers. Muldrow was not seriously hurt and joined officers in their investigation.

Members of the First Presbyterian Church, at a congregational meeting Sunday night, adopted a report of their Expansion Committee which calls for the construction of a two-story annex to the present building at the corner of A and Texas Streets. The addition will house Sunday School and educational departments and will alleviate congested conditions in all departments. The report previously had been adopted by officers of the church. The project will cost an estimated \$180,000.

William C. Brown presided at the meeting and Frank Stubbeman submitted the committee report. Col. John Perkins told of the growth of the church and its various departments and explained the need for additional space.

Architects will be asked to prepare specifications on the project as quickly as possible. In all, Robert L. Wood, Tom Sealy, R. L. Peters, W. J. Sparks and Mrs. J. L. Greene were elected as a building finance committee. The nominations were submitted by a committee headed by T. E. Allen.

Three Injured In Odessa Plane Crash

ODESSA—(AP)—H. L. Dressler, 26, of Long Beach, Calif., was injured when a light plane crashed soon after a takeoff here Sunday. Mrs. W. E. Madden, co-operator of the Madden Flying Service, said:

She said Dressler received a broken jaw and lost several teeth, and Warren Richardson and Leland Biggers of Fort Worth, also in the plane, were bruised in the crash.

CAB To Investigate Sky Queen Landing

BOSTON—(AP)—Back again on the land they never expected to reach, 69 survivors of the ill-fated Bermuda Sky Queen headed for their homes Monday as the Civil Aeronautics Board prepared an all-out investigation of the near-disaster in the mountainous North Atlantic.

The Coast Guard Cutter Bibb, which wrote maritime history in effecting the rescue of every man, woman and child on the plane, ditched 800 miles off Newfoundland last Tuesday because of a gasoline shortage, brought the Sky Queen's 67-while passengers to Boston Sunday.

The 1,600 mile run from "Station Charlie," the Coast Guard code for its weather station where the flying boat came down, ended in one of the wildest demonstrations since the recent war.

Thousands of relatives, friends and folks who just came down to lend a cheer, met the rescued and their saviors at the dock.

One and all, the survivors, many clad in dungarees, shouted their

praises of the crew of the Bibb, too, they couldn't say enough about the armstrongship of Captain Charles Martin of Miami, pilot of the Sky Queen.

At the same time, however, some of the passengers charged the seaplane had been "overloaded."

William Bostock, Shell Oil Company employee, a survivor, said a declaration was signed by all but three of the plane's adult passengers, asking "why planes of this type are allowed to fly."

Survivors Cared For

Robert Laffer, 62-year-old New York fur dealer, and Patrick Quinn, of Long Beach, Calif., first officer on the S. S. Chisholm Trail, both agreed to the "overloading" complaint.

★ LATE NEWS FLASHES ★

NEW YORK — (AP) — The United Nations Assembly failed Monday in two new ballots to break the three-week deadlock between India and the Soviet Ukraine in the contest for the Security Council seat which Poland will vacate December 31.

Loretta Wright Becomes Bride Of S. S. Wilson

Mr. and Mrs. L. T. Wright, 801 East Kentucky Street, have announced the marriage of their daughter, Loretta, to Seaborn S. Wilson, son of Mr. and Mrs. S. S. Wilson, 1810 North Marientfield Street, Friday night in the Calvary Baptist Church, with the Rev. A. L. Teaff, pastor, reading the nuptial vows.

The bride wore a royal blue crepe dress, fashioned with a draped skirt and a white gardenia corsage. A single strand of pearls completed her ensemble.

Wedding guests included the bride's parents, the mother of the bridegroom and her daughter, Wanda, the bride's sister, Mrs. Elmer Sellers and children, Lydia and Paul, Mr. and Mrs. S. A. Wilson and children, Anita and Bobbie, and Mrs. O. D. Bevel and daughter, Thelma Pearl.

The bride attended Crane High School.

The young couple plan to live in Midland.

Howard-Howard Marriage Rites Performed Here

Miss Lanelle Howard became the bride of Robert Howard at 3 p. m. Sunday in the home of the bride's parents, Mr. and Mrs. I. J. Howard of Midland, with Mr. J. Woodie Holden, minister of the North Side Church of Christ, performing the ceremony. The bridegroom is the son of Mr. and Mrs. Verlie B. Howard of Walton, Ind.

The bride, given in marriage by her father, wore a blue dress with harmonizing accessories and a corsage of red roses and orange blossoms.

Her only attendant was Mrs. Royce Howard. Best man was Royce Howard.

Immediately following the ceremony, a reception was held with Mrs. Roy Holland of Muleshoe, aunt of the bride, and Mrs. Royce Howard serving the refreshments.

Following the reception, the couple left on a wedding trip to Carlsbad Caverns and other Western points. They plan to live in Walton, Ind.

Borgstrom-Lydecker Wedding Performed In Washington, D. C.

NEW YORK—The marriage of Miss Ruth Helen Borgstrom, daughter of Dr. and Mrs. Parry Borgstrom of Washington, N. J., and Mr. John Kent Lydecker, a member of the geological department of the Magnolia Petroleum Company, Midland, Texas, took place October 15 in York Avenue Presbyterian Church, Washington, D. C., with the Rev. Peter Marshall officiating. The marriage was followed by a dinner for the families at the Town Room of the Statler Hotel.

The bride wore an ivory satin gown made with a train, an illusion veil and headdress of orange blossoms. She carried a bouquet of white roses and stephanotis. Miss Marion Borgstrom, the bride's sister, and only attendant, wore a pink tulle gown and a matching headdress, and carried pink roses. Mr. Robert S. Bettes was best man for the bridegroom.

Mrs. Lydecker was graduated from Stephens College, Columbia, Mo., and from the University of North Carolina. Mr. Lydecker, son of Mr. and Mrs. Fredrick A. Lydecker of Glen Ridge, N. J., was graduated from the Hill School, Pottstown, Pa., and from Wesleyan University. The couple will live in Midland.

more telephone calls

• More and more calls from more and more telephones have taxed the capacity of switchboards and operators alike during these days of equipment shortages. Even so, most calls at most times go through promptly.

If, at times, you do not hear "Number, please?" immediately, it's because hundreds of other people are calling at the same time and operators are doing their best to answer each call in turn. This is especially true during the busiest hours of the day—midmorning and early evening.

We're putting in more equipment as fast as we can get it. Our aim is to eliminate delays and answer every call promptly.

Too Mild A Prescription

There was something confusing, if not disconcerting, in the diagnosis and prescription for Europe's critical ills which came forth from the meeting of President Truman and congressional leaders.

It was as if a doctor, called to see a patient approaching the crisis of pneumonia, had told him to lie down and take an aspirin, and had promised to drop in next week to see how he was getting on.

Truman said, after the meeting, that no money for emergency aid would be available after December 1. But he explained that it would be useless for him to call a special session of Congress if the chairmen of the foreign relations and appropriation committees of the Senate and House were against it.

The President said that France and Italy were without enough food and fuel for the Fall and Winter and had no money to buy them. He also said that he was writing to the chairmen of the above committees requesting that they convene to consider the present crisis.

Truman said that, unless aid for France and Italy was forthcoming quickly, there would be nothing in Western Europe for the Marshall Plan to reconstruct. But Chairman Vandenberg, of the Senate Foreign Relations Committee, said his group could not meet before November 1, because the State Department would have nothing concrete before November 1.

Vandenberg said that the question in emergency aid to Europe was one of "elemental human survival in a free society." But Senator Taft, on a tour of the West, said he didn't think Congress could do much before January because many members couldn't get back in time for a special session. Some of them, he pointed out, were touring throughout the world.

The congressional leaders were impressed by Truman with the choice of appropriating \$580,000,000 for emergency relief or seeing communism sweep Europe. But Senator Lucas said that, unless Congress got some facts it didn't already know, he was afraid that a special session would be devoted largely to politics and the 1948 elections.

Surely, if all these dire warnings are true, it is time for something a little more drastic than committee meetings. Aid to Europe, aid which is important to this country as well as to Europe's cold and hungry, cannot be given unless Congress appropriates money for it.

Congress cannot appropriate unless it is in session. The President has the constitutional power to convene the legislators now. Yet he has passed the responsibility to congressional leaders. And Senator Taft, in this day of 300-mile-an-hour air travel, despairs of the junketing congressmen reaching Washington before the regular session January 6.

The President has said that emergency aid is necessary to prevent a communized Western Europe. It is the bi-partisan concern of Truman and the Republican Congress to see that Europe escapes that fate.

Yet both the President and the Congress seem to treat the crisis as if it were a five-alarm fire that can be put out by a bucket brigade.

The overwhelming evidence to date is that the European situation is a conflagration perilously near getting out of control. It would seem to call for swift, decisive action.

Insomnia is what never seems to trouble you when it's time to get up.

Your eyes tell on you if you've been out too late too many nights. It's in the bag!

Four Children Killed In Wreck

HOUSTON—Four children, one of them a girl eight months old, were killed and their parents badly hurt Sunday night when a Missouri Pacific freight engine demolished their car at Clegg crossing, four miles south of Trinity.

Trinity City Marshall P. A. Price said the children, all of whom died instantly when the locomotive ripped through the light sedan, were: Dianna Lander French, eight months old; Mary Elizabeth French, six; John Thomas French, eight; and Bonnie Lou French, 14.

Their parents, Mr. and Mrs. W. T. French, whose home is a quarter of a mile from the crossing, were taken to Memorial Hospital in Huntsville.

The father, a 41-year-old oil field worker, had a severe neck injury, hospital attendants said. Returning From Church Mrs. French, 40, was badly cut on the legs, arm and head. Neither she nor her husband had been told early Monday that four of their seven children died in the accident. Three older daughters had remained in Trinity.

Price said the Frenches had been to church in Trinity and were on their way home.

The marshal said Mr. and Mrs. French and the bodies of their children were thrown in a circle around the wrecked car, which was hurled 40 feet by the impact. The baby girl he said, apparently had been in her mother's arms when the car was struck.

BODY OF TWELFTH PLANE CRASH VICTIM IS FOUND

CARTAGENA, SPAIN—(P)—Naval Base Headquarters here announced Monday that a tug searching nearby Mediterranean waters for possible survivors of a French Airlines plane which crashed Friday with 43 persons aboard had picked up the body of a woman, the twelfth body to be recovered. Only two of those aboard the plane survived.

Midlanders Attend League Of Women Voters' Dallas Meet

Mrs. W. Y. Penn and Mrs. George Putnam left Monday for Dallas where they will represent the League of Women Voters of Midland at an area conference on "International Trade," scheduled for Tuesday and Wednesday.

Mrs. Penn, president of the Midland League, will preside at the last two meetings of the conference, which will be attended by all leagues of Texas, Oklahoma, and Louisiana. The conference is one of nine such meetings scheduled in strategic centers of the United States.

Various phases of the main subject which Mrs. Penn says will be discussed are "The Position of the U. S. in Foreign Trade," "Trade in Emergency Post-War Period," "Reciprocal Trade Agreements," and "The Kind of Machinery Which Might Be Established Through the UN to Assure a Stable International Economy."

Twenty-four ounce baby boy "holding his own" LONG BEACH, CALIF.—(P)—Seaside Hospital attendants said Monday that a baby boy, who weighed about 24 ounces at birth Saturday, is "holding his own and has a chance" to live.

The child, William Whalen, son of Mr. and Mrs. Eidon Whalen of Long Beach, is in an oxygen tent.

Midland Wranglers To Meet Tuesday

A "top Wrangler" for October will be named and plans for Fall activities will be mapped at a breakfast meeting of the Midland Wranglers Club at 7:30 a. m. Tuesday in the Blue Room of the Seaboard Hotel Coffee Shop.

T. Paul Barron and Winston Hull, captains of the two teams composing the club, urged all members to be present.

RECONSIDERATION ASKED FOR GAME PRESERVE PLANS

MINERAL WELLS — Directors of the Texas Wildlife Federation Monday had asked the State Game Commission to reconsider plans to abandon a game restoration preserve.

Meeting here Saturday, the directors approved a resolution calling for a review of the decision to discontinue the project—which would have been located on 55,600 acres of surplus Camp Bowie, Brownwood, land.

Harlingen Bigwigs Seek Oversize Bed

HARLINGEN — Where will Folsom sleep?

Air Day Director John Vancranckite thought someone was joking when the inquiry was telephoned concerning James E. Folsom, the six-foot, eight-inch Alabama governor who will arrive in Harlingen Friday for the three-day International Air Show.

"They've found out there wasn't a bed in Harlingen long enough," Vancranckite said. "We don't know what to do now except join in asking the same question."

Governor Folsom will headquarter in the Madison Hotel, but the long-enough bed is another matter.

GE Rainmakers Offer 'Tailor-Made' Weather

SCHENECTADY, N. Y. — The General Electric Company's rainmakers have announced a new cloud control which they said could modify the winter weather in the Northern United States.

They also announced an easy way for an airplane to make a hole in a cloud in order to descend or ascend through what otherwise would be dangerous icing conditions.

The cloud holes already have been made. Not yet done, but predicted by Dr. Irving Langmuir as possible, were preventing hail in thunderstorms and stopping all ice storms, freezing rain and also the cloud icing that endangers flying.

Langmuir said it seems possible, by rain-making methods to decrease winter cloudiness over parts of the United States. More sunshine would get through, changing temperatures and modifying winter climate.

The cloud cutting was done last April 7 in Northern New York and the Massachusetts Berkshire Mountain country. It was done in a cloud filled with unfrozen moisture that had been chilled to below freezing.

This is the kind of cloud that puts ice on plane wings. It is also the kind of cloud that turns into snow, and sometimes rain, whenever it is seeded with dry ice.

GAS HEARING TO BE CONTINUED IN INDIANAPOLIS

WASHINGTON — A hearing on a plan to reduce natural gas deliveries in the Middle West by Panhandle Eastern Pipeline Company will be continued in Indianapolis October 27.

The Federal Power Commission announced the date Monday after hearing protests by the East Ohio Gas Company last week.

McKenney on Bridge

By WILLIAM E. MCKENNEY
America's Card Authority

Do you like to play no trumps? Many players seem to prefer to play suit contracts, so that they can trump the opponents' high cards. At a no trump contract it sometimes pays to let the opponents play the hand for you, as Howard Schenken of New York did with today's hand.

The outstanding players of the country today probably still would vote Schenken the greatest rubber bridge player in the United States. I have always enjoyed watching him play a no trump contract.

I do not recall whether the bidding as shown is exactly the way it happened, but here is the way Schenken played the hand. Dummy won the opening lead with the jack of spades, and Schenken decided to give the opponents a chance to make a mistake. He led

a small heart, West won with the king and came back with a spade, the best possible return. Dummy's queen held the trick and another heart was led, which West won with the ace. The third spade was returned, Schenken won and persistently led another heart. East won this with the queen and cashed the long spade, Schenken discarding a diamond from his own hand and a club from dummy.

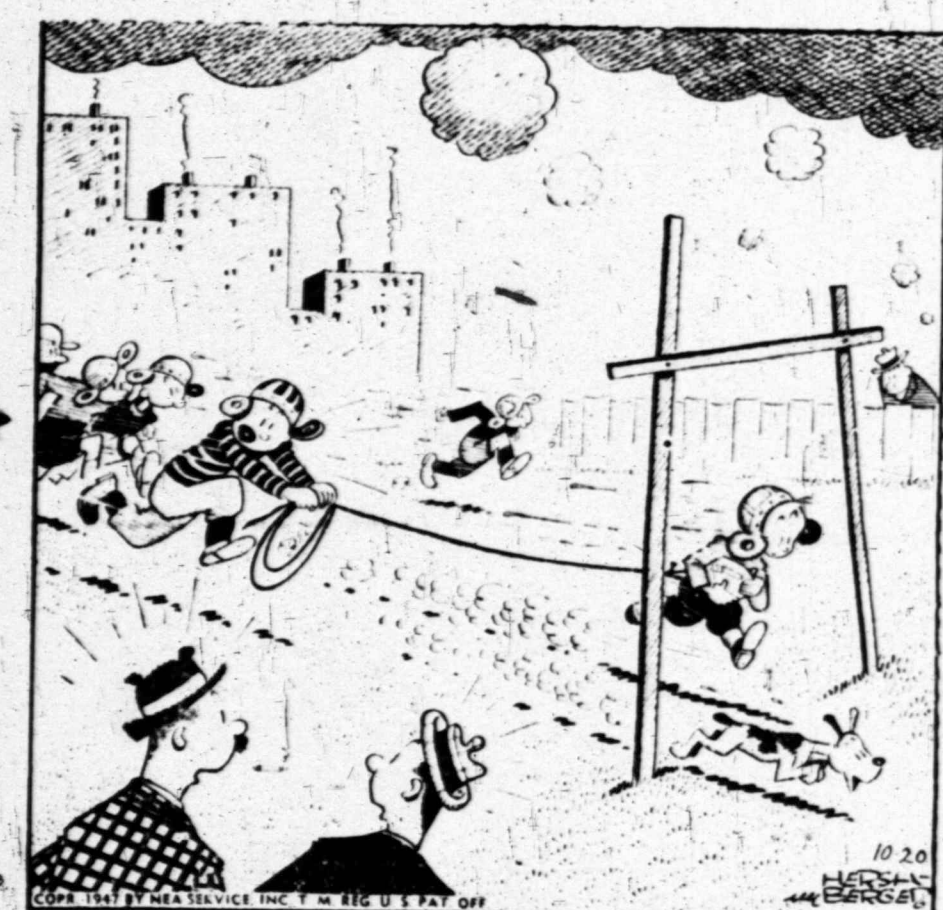

East now came back with a small diamond, also the best return. Then ten-spot followed, West's queen and dummy's king won. Schenken cashed the good heart, and pinning the fate of the hand on the split of the diamond honors, he led a diamond and took the finesse. When it held, he had his nine tricks.

'Hell Run' Prisoners Finish Long Journey In California Prison

SANTA MARIA, CALIF.—(AP)—Passengers of the Army's transcontinental prison train "Hell Run" are lodged Monday in quarters from which escape would be "extremely difficult."

The 141 tough Army prisoners, transported from Greenhaven, N. Y. to the disciplinary barracks at Camp Cooke, made the trip, a nightmare for their guards with unrelenting escapes and attempted escapes.

Seven escaped in Missouri, Kansas and Colorado. Six were recaptured, one being shot seriously. One man, James D. Anders, 21, of Jamestown, N. Y., made good his escape and is being hunted in Kansas. Scores of attempts to escape from the train were made, every time it slowed down, officers said. Several were shot and wounded by guards.

Col. Wade D. Killen of Salt Lake City, train commander from there westward, said the trip was without serious incident from Salt Lake City here, after the guard was increased to 52 officers and men.

Defense-Rental Board For Midland, Odessa Nominated By Judges

Midland County Judge Clifford C. Keith announced Monday he and Ector County Judge Raymon Stoker have recommended to Gov. Beauford Jester the appointment of the following men to the Midland-Odessa Defense Rental Board.

C. A. Johnson, John F. Crooks and Frank Spaulding, all of Odessa, and James A. Love and Frank N. Robinson of Midland.

Duties of the board will be to make recommendations as to the decontrol of the defense-rental area, adequacy of general rent levies in the area, and operations generally with particular reference to hardship cases. The board operates under the Housing and Rental Act of 1947, which provides for continuation of federal rent control until February, 1948. Keith explained.

Six 3-AA Teams To Toe Mark

Six 3-AA teams slug into action against each other this week, and one team is idle. After a two-week rest, the Midland Bulldogs toe up to Abilene's Eagles at 8 p. m. Friday night in the stadium here. San Angelo will invade the West, where roam the state champions, the mighty Odessa Bronchos. This may be the tightest squeeze for Odessa in the district this year. The Bobcats have not forgotten the 65-0 pasting Odessa handed them last year. They would, if they could, get revenge. But Odessa is too powerful. Big Spring's Steers are idle. Lamesa's luckless Tornados invade Sweetwater, and the big Red Mustangs aren't going to make their visit pleasant.

Games This Weekend May Clear Border Conference Situation

By EDDIE LEE
Associated Press Sports Writer

An important question is expected to be answered next Saturday when the University of New Mexico Lobos tangle with the University of Arizona Wildcats in a conference football game at Tucson, Ariz.

The Lobos entered the season classified as the dark horse of the league race. They dropped their first game to the Sun Devils from Arizona State at Tempe, defeated the New Mexico Aggies, then dropped their third conference game to Hardin-Simmons 33-7 last Friday. The Wildcats, meanwhile, were beaten 25-7 by Hardin-Simmons and edged Texas Mines 14-13 in their two conference games.

The question is whether the Wildcats were overrated in pre-season figuring, and the answer will depend on their performance against the Lobos.

The only other conference game on the schedule this weekend is a Friday meeting of West Texas State, who upset Texas Mines a week ago, and the New Mexico Aggies at Las Cruces, N. M.

Tempe's Sun Devils take the weekend off, the Hardin-Simmons Cowboys, who, like Tempe, have won both their conference tilts, play at Mississippi State; Texas Tech is at Denver University and Arizona State College at Flagstaff plays at Wichita.

Important Contests Do Schoolboy Card

By HAROLD V. RATLIFF
Associated Press Sports Editor

Important conference games dot the Texas schoolboy football schedule this week with several of the state's undefeated, untied teams in danger.

Major battles are scheduled in seven districts, but of most profound meaning appear the Conroe-Lufkin, Goose-Creek-Port Arthur and Harlingen-McAllen struggles.

Of almost equal importance are the clash of Denton with Paris in District 5; the battle of Poly and Arlington Heights in the Fort Worth District 9, and the Corpus Christi-Kerrville joust in which Corpus Christi gets another tough test.

Three Teams Fall

Last week's firing cut three teams from the undefeated, untied list as Amarillo fell before Odessa 21-0. Weatherford lost to Mineral Wells 20-6, and Waxahachie succumbed to Waco 20-6. This left Wichita Falls, Odessa, Austin (El Paso), Corsicana, Longview, Marshall, Austin, Corpus Christi and McAllen with perfect records.

Undefeated but tied are Forest (Dallas), Goose Creek and Poly.

Longview continued its amazing unscored on streak by licking Henderson 33-0, and Odessa kept the state's scoring pace by running its total points to 206 in six games.

There are 47 games on this week's schedule, of which 35 are conference affairs in 13 of the 16 districts.

Southwest Has Three-Way Race At Midway Mark

By WILBUR MARTIN
Associated Press Staff

The Southwest Conference hits the halfway mark this week, boasting three undefeated, untied teams for a situation almost unique in its 32-year history.

Texas, Southern Methodist and Baylor had been figured only as possible contenders for the championship, certainly not to reach this stage undefeated.

But in the unpredictable Southwest Conference the title "favorite" is often an invitation to oblivion. It happened this year.

Two conference and three inter-conference games are not expected to alter the status of the big three, though Baylor even yet is considered an added attraction to the impending struggle between Texas and Southern Methodist University for the championship.

Texas, which racked up its fifth straight victory in downing Arkansas 21-6—sends its peppery T formation against the down and nearly out Rice Owls Saturday at Austin. A 14-0 defeat by Southern Methodist chilled pre-season favorite Rice's hopes against the Longhorns. Evidence Texas could go in mud as well as sunshine also helped.

Baylor, after its fifth win, takes on woebegone Texas A&M at College Station in the only other conference game.

Southern Methodist guides its "Dark Walker Special" against the University of Southern California at Los Angeles on the Pacific Coast. Texas Christian plays Oklahoma at Norman, Okla., and Arkansas meets Mississippi at Memphis, Tenn., to round out the schedule.

Texas Shows New Type Of Action In Steer-Hog Struggle

MEMPHIS (AP)—Coach Blair Cherry is not ready yet to declare his Texas football Goliath "great," but he concedes one point—the untarried Longhorns are more than a one-punch team.

"I gave the boys instructions to get the ball and hold onto it. To skip the fancy stuff," the Texas coach said, after the Longhorns' 21 to 6 conquest of Arkansas.

How well his charges responded is reflected in the statistics, which show the Longhorns had possession about three-fourths of the time, running 34 plays to 34 for Arkansas.

The 28,000 fans kept looking around for Bobby Layne and Byron Gilroy. They saw them only briefly. Texas tossed only five passes.

Instead they got a load of the Longhorns' line-wrecking crew in action—by Randall Clay from Pampa, a bull-like plunger named Ray Jones from Houston and Speedsters Billy Pyle of Wichita Falls, Jim Canady of Austin and Euba Shands of Lufkin.

They didn't see Texas the spectacular, but Texas the coldly methodical—a power on the ground.

Twelve Major Teams Keep Records Clean

NEW YORK (AP)—A dozen major college football teams still own all-victorious records, but several of them will have to do some fancy stepping Saturday to keep from joining others which were tumbled from the ranks of the unbeaten and untied during the past weekend.

Among the spotlight aggregations, those whose perfect records survived the weekend firing are Michigan, Notre Dame, Texas, California, Georgia Tech, Pennsylvania, Penn State, Southern Methodist, Baylor, Wake Forest, Virginia and West Virginia.

Probably the toughest chore immediately ahead for any of the select group is that faced by the Golden Bears of California, who tangle with Southern California's unbeaten but once-tied Trojans at Berkeley Saturday in one of the top games of the day.

Large Crowds Attend Methodist Revival

With interest and enthusiasm increasing daily, the revival and spiritual clinic being conducted by the Rev. P. Raymond Powers of Okron, Ohio, at the First Methodist Church entered its final week Sunday, when capacity crowds attended both morning and evening services. The meeting will end next Sunday night. The Rev. Howard Hollowell is pastor of the Midland church.

"The Four Major Values of Life" will be the subject of Mr. Powers' sermon at 7:15 p. m. Monday. Spiritual clinics are held daily at 10 a. m., and revival services at 7:15 p. m.

The public is invited to attend both morning and night services.

Atlantic Storm Hits Bermuda Early Monday

HAMILTON, BERMUDA (AP)—Winds estimated at 90 miles an hour beat against Bermuda and churned heavy seas Monday as the center of a tropical hurricane moved north, 75 miles off the British colony. Some gusts reached 100 m.p.h.

The hurricane center was expected to come within 50 miles of Bermuda before continuing out to sea. No casualties were reported.

SATIRA SCHMIDT TRIAL POSTPONED TO OCTOBER 31

HAVANA (AP)—Venerable Judge Cristobal More postponed the murder trial of sobbing Patricia (Satira) Schmidt Monday until October 31 because none of a long list of witnesses appeared for the hearing.

Nearly 100 witnesses had been summoned by the defense and prosecution. Their absence was not explained.
