

Discovery In Strawn At Snyder Flows Oil After Acid Injection

Gene Goff of Midland, and associates, No. 1 Rylander, Strawn lime discovery in the northeast side of Snyder townsite in Central Scurry County was flowing Thursday morning at the average rate of 14 barrels of oil per hour through a one-eighth inch tubing choke.

Central Kent Region Is Slated For Three Deep Wildcat Tests

Heyser and Heard, independent oil operators of Dallas and Beeville have made a commitment to drill three wildcats on a block of 17 1/2 sections in Central Kent County.

SE Borden Lime Makes Salt Water

Standard Oil Company of Texas No. 1-6 Griffin, Southeast Borden County wildcat, six miles northwest of Vincent, and 660 feet from north and west lines of section 35, block 25, H&C survey, and some geologists think it is the Wolfcamp section of the lower Permian.

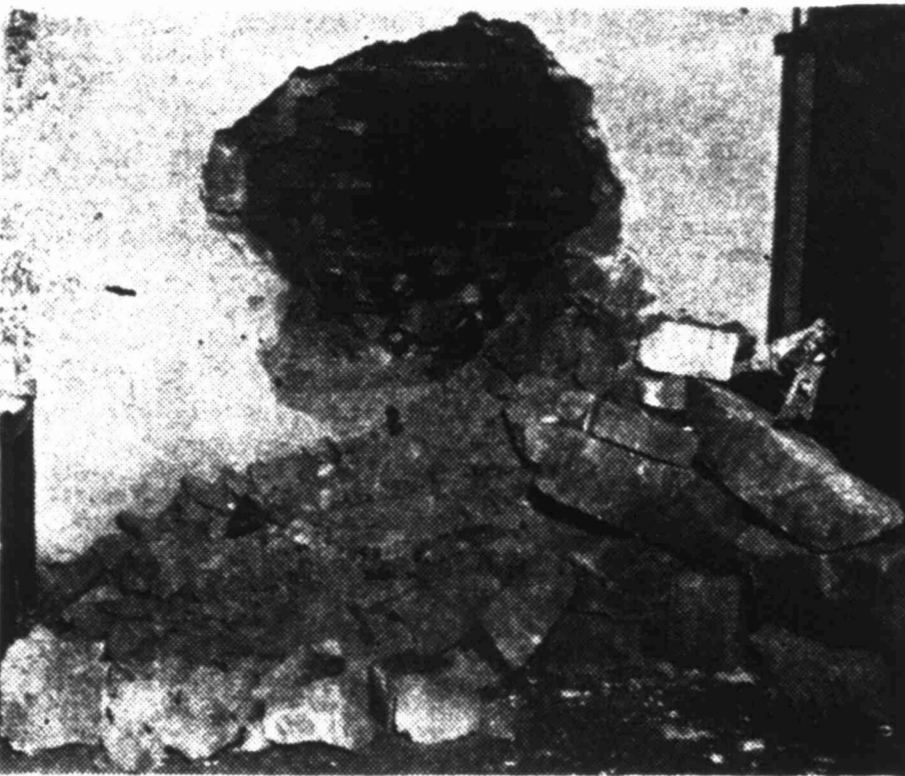

Sutton To Prospect In SE Kent Sector

Plans are in progress to start a wildcat immediately in Southeast Kent County, 10 miles east of the recently discovered Cogdell-Canyon reef lime pool.

Prospect In Scurry Is Cored Deeper

Burdell Oil Company, and associates No. 1 Keller, Central-Northwest Scurry County wildcat, 10 miles northwest of Snyder, and one and three-quarter miles west of the southwest side of the North Snyder-Canyon reef, had cored from 6,887 feet to 6,904 feet, with a diamond core cutter and was coming out with that specimen at the last report.

Burglars Batter Hole In Buildings

Burglars must have spent some time battering this hole in the walls of the Mims and Stephens Building and Hughes Jewelry Company Building in the 200 block of West Wall Street here Tuesday night or early Wednesday.

Murder Charged Patient In Iowa Hospital Burning

DAVENPORT, IOWA—(AP)—A murder charge was filed Thursday against a woman patient who reportedly admitted setting a hospital fire which took the lives of 41 women here last Saturday.

Scott County Attorney Clark O. Filseth said he filed a charge of "murder committed in the perpetration of arson," against Mrs. Elnora Epperly, 23, of Rock Island, Ill.

This development followed the announcement by State's Attorney Bernard Moran of Rock Island County that Mrs. Epperly had admitted she started the fire in her room at St. Elizabeth's Mental Ward of Mercy Hospital.

The three-story building was destroyed by a fire which mushroomed through it while the patients slept. Investigating authorities, meantime, awaited the woman's arrival at Moran's office. They said she would be asked to return voluntarily to Iowa.

Moran cautioned that a question exists whether full faith can be placed in the woman's story. He said Dr. Werner M. Hollander, Davenport psychiatrist who attended her, described the woman as a "schizophrenic."

The state's attorney said Dr. Hollander said she was the type of person who "believed herself responsible for all the troubles of the world."

Moran said the woman told him in a telephone conversation Wednesday night that she set the fire by igniting the curtains in her room.

He said the first information he had received was in the form of a telephone call from the woman's husband, John, who made the disclosure.

A half-hour later, Moran said, Mrs. Epperly called him in person at his office and repeated the story to him.

Deputy Sheriff Harry Wienbrandt, assigned to the state's attorney's office as an investigator, questioned the woman at her home from 9 p.m. Wednesday to 1 a.m. Thursday.

Yes, Insuranc Firm 'Insured' Burglars battered into the Mims and Stephens, insurance agency, building but failed in an attempt to reach a vault of the Hughes firm.

The next day, representatives of the insurance firm were kept busy telling joking askers: "Yep, covered by insurance."

USDA Charges 'Unfair, Fraudulent Dealings' At Fort Worth Stockyards

FORT WORTH—(AP)—The Department of Agriculture Thursday prepared to prosecute 52 to 70 unnamed persons and firms it accuses of "unfair and fraudulent dealings" at the Fort Worth Stockyards.

Six Die In Home Tragedy

HAMMOND, IND.—(P)—The bodies of four adults and two children were found in a fire-swept home here Thursday, and Deputy Coroner B. W. Tidlaw said there was evidence of murder and suicide.

Police said "Blood was all over the place." They said they found several bloody butcher knives and empty .22 caliber cartridges in the house.

Four of the victims were identified as Felix Samas, 33, a machinist; his wife, Katherine, 24, and their two children, Felix, Jr., four, and Phyllis Elaine, 18 months.

The two other adults were identified as Richard Norman, 23, and his Christmas bride, Shirley, 18. They were staying in the Samas home.

The deputy coroner said bullet wounds were found in the bodies of Mrs. Samas and her son.

An autopsy was to be performed on the body of Samas to determine the cause of his death.

Officers said they were informed Samas and his wife had separated before Christmas and that the Normans had taken a room in the Samas home on the southeast side of Hammond.

Mrs. Glenda Norman, mother of Norman, said her son and his bride went to live in the Samas home so the younger Mrs. Norman could take care of the Samas children. She said Mrs. Samas at that time went to work in a restaurant owned by her husband here.

Norman was a railroad fireman. Court records show Mrs. Samas had filed suit for divorce and recently obtained a restraining order to prevent her husband molesting her.

Officers said there were indications Samas had gone to his wife's home in the night and had broken in.

Woman Companion Held In Shooting Of Waco Lumber Dealer

HILLSBORO, TEXAS—(AP)—A Waco wholesale lumber dealer died of gunshot wounds in a Hillsboro hospital early Thursday after being brought there by a woman who later was placed under arrest.

Sheriff Charlie Garrison identified the man as Pat Jones Ward of Waco and the woman as Billie Prestridge of Cleburne.

The sheriff said Miss Prestridge told of arguing with Ward for several hours Wednesday and Wednesday night as they drove from West, Texas, to Cleburne via Hillsboro.

Two miles northwest of Hillsboro Wednesday night, she told the sheriff, Ward pulled a gun from the glove compartment and she and Ward scuffled over it.

Three Shots Fired The sheriff said three shots were fired, one going out by the emergency brake handle, one by the door post, and the third through Ward's body, subsequently denting the inside of a door.

He said she told of being picked up in Corsicana, Texas, Wednesday by Ward and traveling from there to West, where they ate and drank.

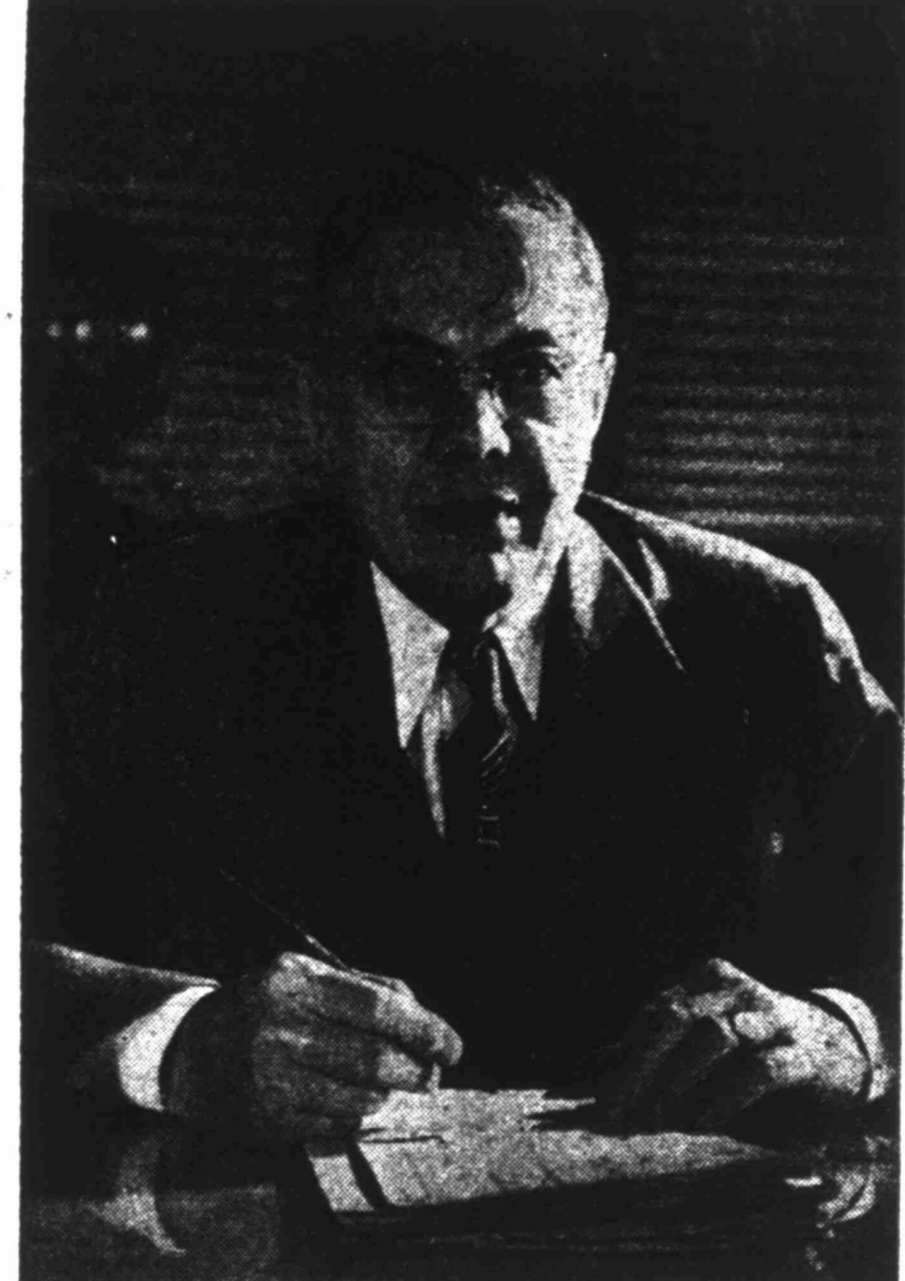

The argument, she said, began shortly after they left West and continued up to the time of the shooting.

Former Midlander Dies; Rites Here

Mrs. Susan Cole, former Midlander, died Wednesday in a Tulsa, Okla., hospital.

Funeral services will be held at Fairview Cemetery here at 2 a.m. Friday with the Rev. Vernon Yearby, pastor of the First Baptist Church, officiating.

Honored At Civic Luncheon

W. G. Vollmer of Dallas, president of the Texas and Pacific Railway Company, and other officials of the railroad were honored by Midlanders at an all-civic luncheon Thursday noon in connection with the Rotary Club meeting in Hotel Scharbauer.

'Freedom Isn't Free,' T&P President Says At All-Civic Meeting

W. G. Vollmer, Texas & Pacific Railway president, told Midlanders at an all-civic meeting Thursday noon in Hotel Scharbauer, there is no middle-road where America's business system is concerned.

The Scharbauer Ballroom was crowded to capacity at the meeting, which was sponsored by the Midland Rotary Club, honoring Vollmer and a score of other T&P officials here to dedicate Midland's new railway station and express building.

Keying his remarks to the theme that "Freedom Isn't Free," the T&P president said "We either are for free enterprise or against it."

Vollmer said indifference and apathy toward free enterprise in his opinion can be just as deadly enemies as are outspoken criticism and advocacy of socialism.

"You may not be against a drowning person, but unless you throw out a life-saver the result is the same. The person drowns. So it is with the free enterprise system. It can be killed by indifference; it can be killed by business men professing to believe in it, but who are willing to compromise or prostitute its principles for federal money or for some government-financed community project."

"One of our great troubles," Vollmer stated, "is that we try to deceive ourselves by calling these socialistic government projects by some high-sounding, benevolent name. And therein lies the danger, for these high-sounding, benevolent names are merely tools which are used to dig the grave of the free enterprise system."

"What all of us in America must decide is whether we are 'for or against' the free enterprise system. If we are for the free enterprise, we must have the courage of our convictions. "We must have the will power to (Continued On Page Seven)

At the dedication ceremony to which all Permian Basin Empire citizens were invited, R. D. Scruggs, president of the chamber of commerce, presided, M. C. Ulmer, president of the First National Bank, was master of ceremonies.

Besides President and Mrs. Vollmer, the following members of the T&P organization were present for the day's program:

Big Spring Arrests May Halt West Texas Forged-Check Spree

BIG SPRING—Officers believed they cracked a West Texas-wide forged-checking spree here Wednesday night when forgers were charged with forged against two Carlsbad, N. M., men.

Charged with forgery in Big Spring were L. L. Maddy, 51, and Allen Maddox, brothers-in-law.

Howard County Deputy C. E. Kiser said charges were filed by District Attorney Elton Gilliland. Kiser said checks of similar identification had been cashed in at least 13 West Texas cities. Reports of even further activity still were pouring in late Wednesday night.

Senate Panel Plunges Into Defense Row

WASHINGTON—(P)—The Senate Armed Services Committee reversed itself Thursday and decided to question Secretary of the Navy Matthews about the defense policy row before passing on Adm. Forrest P. Sherman for chief of naval operations.

The final action, without a formal ballot, reversed a formal 5 to 5 vote on party lines which denied a Republican request for testimony by the secretary.

Shell-Torn Ship Turns To Tsingtao

ABOARD FLYING ARROW ENROUTE TO TSINGTAO—(P)—Escorted by the U. S. Destroyer Bausell, this shot-riddled American freighter late Thursday headed for the mine-free Chinese Communist port of Tsingtao on Shantung Peninsula.

Apparently the destroyer was going all the way to Chinese territorial waters with the Flying Arrow. For five hours after the anchor was hoisted she steamed alongside the freighter on a 350-mile cruise to the former base of the United States Far Eastern Fleet.

The Flying Arrow, blasted by many Nationalist gunboat shells, had to get underway from her anchorage off Shanghai, Capt. David Jones feared her No. 5 hold would explode.

Danger Of Explosion Water used to extinguish a fire in the hold caused expansion of the cargo of jute, baled cotton and caustic soda. Her master said the danger of an explosion was so pressing he considered it dangerous to wait and try to get into Chinese Nationalist-blockaded and mined Red Shanghai.

The ship's owners, the Isbrandtsen Line of New York, also ordered the vessel to Tsingtao.

In Taipei, Formosa, Nationalist Chinese headquarters announced the Chinese Navy would try to keep Communist ports closed even at the risk of further incidents.

A Chinese gunboat has shadowed the Flying Arrow since the Monday shelling.

A. A. Jones Elected Shrine Club Head

A. A. (Poosty) Jones was elected president of the Midland Shrine Club at its annual meeting Wednesday night in KCRS. Jones succeeds J. M. McDonald.

Lester Short was elected vice president, R. H. (Rusty) Gifford secretary and James Mills, treasurer.

Barney Grafia retired as vice president and Emil Rasmann retired as secretary-treasurer.

New directors of the club are James N. Allison, Bert Goodman, Otis Kelly, Ed Edwards, W. D. Lane, Robert Payne, Dr. Henry Schlichting, W. W. Wilson, Allen J. Watts, H. N. Phillips, Paul McHargue and L. R. Burnside.

The club voted to cooperate with the Odessa Shrine Club in sponsoring a 500 at the VFW Hall, Skinny Ennis and his 14-piece band in an elaborate entertainment program.

A certificate of appreciation was presented by the officers and directors to McDonald for his work as president of the club.

LATE NEWS FLASHES

TAIPEI, FORMOSA—(AP)—Members of Generalissimo Chiang Kai-Shek's staff late Thursday flatly denied that the Communists have invaded Hainan Island. They said no invasion whatever had occurred.

TOKYO—(AP)—Reports here say the British, who have recognized Red China, are readying an armed convoy to proceed from Hong Kong to Shanghai and break the Chinese Nationalist blockade. There was no immediate confirmation of the rumor.

WASHINGTON—(AP)—Secretary Acheson Thursday afternoon challenged a statement by Senator Taft (R-Ohio) that a small amount of aid now could save Formosa from the Chinese Communists.

ORANGE, TEXAS—(AP)—Don Huisopple, 18-year-old Orange High School boxer, pointed his finger at Paul LeFleur in court here Thursday and said "I'm positive that's the man" who shot him in the stomach last December 4 when he tried to protect three companions from a gunman-rapist.

Red China Masses Forces For Assault On Loyalist Refuge

TAIPEI, FORMOSA—(P)—Red China was reliably reported massing forces Thursday for a smash at rugged Hainan Island, Nationalist loyalist refuge off the South China coast.

Gen. Chang Yi-Tung, official spokesman for the defense military, said small scale fighting was underway between Nationalist regulars and long established Red Guerrillas who hold Central Hainan and 100 miles of the west coast.

Chang, however, denied rumors a Communist invasion fleet was heading for Hainan. He assessed the Red strength on Luchow Peninsula, opposite Hainan, at 50,000 men.

17,000 Red Guerrillas Information reaching Hong Kong said the Communists could land on the island at will. Some 17,000 Red Guerrillas already on the island control the heart of the iron ore-rich island and 100 miles of the west coast.

Unconfirmed rumors flew that the Reds already had landed on the west coast. But Nationalist sources here said they had no knowledge of any landings. Nationalist naval units were sent to Hainan Strait, a narrow strip of water, barely five miles wide at one point, separating Hainan from the Chinese mainland. All but a mile of strait at this point could be waded by troops.

Moderate Weather Makes One Wonder

Folks in Midland and a vicinity are beginning to wonder just what season of the year this is. The calendar shows it's Winter but the weatherman makes it look more like Spring.

For the third straight day, the temperature rose to 61 degrees Wednesday. And Thursday morning is dropped only to 49.

Have A Laugh

By BOYCE HOUSE
Producers have come up the hard way, for the most part, and are not famed for erudition. In vaudeville days, a producer sent a scout to "catch the act" of a song and dance team. The representative found the act to be one of the "gimme-a-dozen" kind and he wired, "Bart and Bert not equal to mediocre and commonplace." The producer telegraphed back, "Never mind Bart and Bert; sign up Mediocore and Commenceplace."

How, by changing a little word, the insult supreme was given by one actor to another—this little story reveals. The actors detected each other. One saw a poster which listed the stars of a new show, the last name being that of his enemy. The poster read, "William Farnum, David Warfield and Henry Brown." The actor took out a pencil and changed the "and" to "but."

★ IN HOLLYWOOD ★ Kirk Douglas, Leo McCarey Set For Vaudeville Film

By ERSKINE JOHNSON
NEA Staff Correspondent
HOLLYWOOD — Kirk Douglas and Leo McCarey are getting together for a vaudeville saga, "Born in a Trunk." Leo hopes to land Celeste Holm for the feminine lead. . . . Paramount is talking about doing a super war picture about the "Cory" character in Milton Berle's next at Warner Brothers will be "Slapstick" and there's talk of Jackie Gleason for a big part. He does the TV version of "Life of Riley." . . . Ex-boyfriend Danny Ellman gave Joan Davis a bejeweled vanity case inscribed: "Do you wanna make up?" Joan doesn't wanna.

Weather delayed the marriage of Cary Grant and Betsy Drake for a week. Howard Hughes was standing by to fly them to Arizona a week before Christmas but was grounded by a rainstorm.

Clark Gable's pre-Christmas marriage was a break for a gal friend who was giving him a \$2500 jeweled cigarette case. She read the headlines, then phoned the jeweler to cancel the gift. But she'll have to pay for removal of the inscription: "To the King—Of My Heart."

Bob Hope spent last Christmas entertaining U. S. troops in Germany with Alvin Barkley as his escort. This year, on the spur of the moment, he flew to Alaska for a similar chore. He wired Barkley, honeymooning in Florida: "Where are you now that I need you."

Lee Tracy will star in Brock Pemberton's new Broadway play, "Mr. Barry's Etchings." The nation's disk jockeys admit "Mule Train" has a flat wheel. For which, yippee. . . . Paramount is talking a deal with Marilyn Maxwell for co-starring role with Bing in a big musical. The M-G-M front office is all set to crack down on Hedy Lamar if she continues her uncooperative ways with the press when she reports for "Visa." . . . Richard Ney and his bride return from Europe next month. He combined a honeymoon with a role in a movie.

Delta Gammas Hear Visitor

The activities of Delta Gammas in the Northwest were discussed for Midland alumnae of the sorority Wednesday by Mrs. Curtis Bostwick of Seattle, Wash.

The group met with Mrs. G. T. Bowen and plans for a Founder's Day luncheon in March were begun. It was announced that the next meeting will be held February 1 in the home of Mrs. Ronald Jarrett.

Mrs. Bostwick, a member of the Seattle alumnae group, said that one project of this chapter is working with the blind. She added that for three years she read for a blind student in the University of Washington School of Law.

Another part of the project, she added, is the purchase of instructional records for blind students.

Mrs. Mary Ungerman of Crown Point, Ind., was a guest of her daughter, Mrs. C. L. Chase. Other members attending were Mrs. Tom Ingram, Mrs. Jarrett, Mrs. George Pruter, Mrs. Robert Kincaid, Mrs. Tom Flewharty and Mrs. Conrad Preston.

Permanent Meeting Place Is Selected By Creative Writers

"Plotting Your Story" was discussed by Mrs. Brandon E. Rea for the Creative Writing Group of the American Association of University Women which met Wednesday night with Mrs. John B. Powell.

The meeting was held in the new studio of the Powell home in Garden Addition. This studio will be the permanent meeting place of the group, with designated members acting as hostesses.

Mrs. Norman A. Sax will be hostess to the January 25 meeting. This meeting will be a membership participation session with each writer reading an original manuscript.

Plans for a speaker for the April meeting of the AAUW, of which the Creative Writers are in charge, were begun.

Mrs. John K. Petty was a guest of the group and other members attending were Mrs. Leonard Swords, Mrs. Jack C. Kimbrough, Mrs. Forbes B. Pennycook and E. J. Elliott.

PINEAPPLE DELIGHT SALAD
By MRS. W. H. CARTER
463 South J Street

Heat 1 3/4 cups water, place it in a mixing bowl and in it dissolve 1 pkg. lime gelatin. Crush 1 Philadelphia Cream Cheese in the mixture and add 1 large can of crushed pineapple. Add a little green coloring and beat with egg beater. Put in molds and allow to chill and become firm in the refrigerator.

Only 1 3/4 cups water is used because the liquid in the pineapple furnishes the other 1/4 cup. This salad should be made in the morning as it takes almost a whole day to become firm.

R. O. WHITES GIVE 42 PARTY IN RANKIN
FANKIN—Mrs. Ross Wheeler won high prize for ladies and D. O. McEwen, men's high score and the traveling prizes at a 42 party given by Mr. and Mrs. R. O. White Monday night.

Other guests were Mr. and Mrs. Jack Walcher, Mr. and Mrs. D. S. Anderson, Mrs. McEwen and Mr. and Mrs. W. O. Adams.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off unightly weight and helping to bring back alluring curves and graceful slenderness. Just get from your drugstore, four ounces of liniment. Add enough grapefruit juice to make a pint. Then just take two tablespoonful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

Mrs. Hayes Elected Boone Class Head To Complete Term

Mrs. Russell Hayes was elected president of the First Methodist Boone Bible Class and Mrs. Harold Welch was named secretary at a luncheon in the Scharbauer Educational Building Wednesday. To fill office vacancies, Mrs. Delo Douglas has resigned as president and Mrs. C. W. Matthews, secretary, is moving from the city.

The business women's group was hostess for the luncheon. Pauline Kirk is group leader and Mrs. J. T. Klinger co-leader. The luncheon table was centered with a large bouquet of red roses. Mrs. J. C. Mayes presided for the business session and Mrs. Klinger was the devotional speaker.

Mrs. Douglas, Mrs. F. A. Forrest and Mrs. Bob Gray were members of the nominating committee which presented names of the new officers.

Guests at the luncheon were the Rev. H. H. Hollowell, the Rev. Durwood Fleming of Houston, Mrs. E. P. Blake, Hughie Pressly and Mrs. Jane Patterson.

New Altar Guild Of Episcopal Auxiliary Has First Meeting

An Altar Guild, a new organization in the Woman's Auxiliary of the Trinity Episcopal Church, had its first meeting in the church Wednesday morning. Mrs. William Kerr is chairman of the group and Mrs. K. C. Slough secretary.

Members attended the communion service in the church, then had a business and work session and a luncheon in the Parish House. They made plans for the year and completed an inventory of supplies for the altar.

The group is open to all members of the auxiliary who will assist in the altar work. It will not have regular meetings, but will meet on call when there is work to be done.

Others present for the first session were Mrs. William Potts, auxiliary president, Mrs. C. O. Puckett, Mrs. J. C. Stille, Mrs. F. N. Shriver, Mrs. D. C. Sivalva, Mrs. William Studdert, Mrs. Carl Westlund, Mrs. A. G. Williams, the Rev. and Mrs. R. J. Snell.

Officers Of Crane County Kept Busy

CRANE—Although auditors will be at work in county offices during January, an unofficial report from the county and district clerk's office shows \$5,405.88 revenue for 1949. Mrs. Addie Bell is county and district clerk.

Recording fees were the largest source of revenue, with a total of \$2,451.65. Fines amounted to \$1,059, and civil court fees brought in \$804.15. Misdemeanor fees and chattel mortgages totaled \$382.75 and \$347.28 respectively.

Other sources of revenue were marriage licenses, \$72; certified copies of documents, \$83; beer licenses, \$42; notary bonds, \$41 and probate fees, \$34.55.

In 11 months, the county clerk filled five deed records books, totaling 2,000 pages, and filled three deed of trust books.

During 1949, there were 52 non-jury suits, and two jury civil suits in District court. Thirty-five new cases were filed this year. Still pending are 36, three of which are two years old.

Still on the docket are 12 criminal cases, with the same number having been disposed of during the year. Nine divorces are pending.

13th Birthday On Friday The 13th

Everybody whose birthday is on January 13 will celebrate on Friday the 13th this year, but Joe Patton, son of Mr. and Mrs. R. E. Patton, will go a step further. Friday, January 13, will be his thirteenth birthday.

That is no novelty in his family. Mrs. Patton's older son, Don Stearns, also was born on January 13, and his thirteenth birthday several years ago fell on a Friday.

Joe is a student in the John M. Cowden Junior High School here, and Don, who attended the University of Texas last year and plans to return next term, is employed with an oil company here this year.

Old Glass Shown And Discussed At Fine Arts Guest Meeting

Prized pieces of old glass were displayed by members of the Fine Arts Club in answer to roll call at a guest day meeting Wednesday afternoon in the home of Mrs. L. G. Byerley. Mrs. Tom C. Bobo was hostess with Mrs. Byerley.

"Romance of Old Glass" was Mrs. Bobo's topic, and she said there are more than 4,000 glass items which can be collected, with molded and blown glass pieces most popular with collectors.

Some of the 42 old barber bottles which form her collection were shown by Mrs. Byerley as she discussed this type of glassware. They were made only in the period from 1789 to 1861, so are rare today. She showed the pale green bottle with floral decorations with which she described her collection in 1935 and described some of her collecting adventures.

Moore-Raines Vows Solemnized Here In Ceremony At Church

Married in a simple ceremony in the minister's study of the First Christian Church Tuesday evening, Mr. and Mrs. Louie A. Raines left immediately for a trip through East Texas. The bride is the former Helen Louise Moore, daughter of Mr. and Mrs. T. J. Moore of Colorado City.

Raines, the son of Mrs. Ella Raines of Midland, recently has completed his boot camp training in the Coast Guard at Cape May, N. J., and is awaiting assignment to a station where the couple will reside.

Only a few relatives and close friends were present for the wedding, at which the Rev. Clyde Lindley, pastor of the church, officiated. Dorothy Raines, sister of the bride, and Doyle Robertson attended the couple.

The bride wore a dress of navy sheer alpaca with white touches in the medallion trim and the white feathered hat. She carried a white satin-covered Bible and a cluster of gardenias. Miss Raines was dressed in a maroon gabardine suit and her flowers were white carnations.

Personal To Women With Naggng Backache
As we get older, stress and strain, over-exercion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild cathartic. Use once for one week for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's Pills have helped help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Andrews OES Honors District Official

ANDREWS — Honoring Cora Heath, a member who lately was appointed deputy grand matron for District 2, Section 8, Order of the Eastern Star, the Andrews chapter entertained Monday night with a banquet in the primary school cafeteria.

A snow theme was used in decorations. Tables were centered with miniature snowmen, alternating with star-shaped vases in the order's star-point colors filled with cedar branches. Banners of artificial snow sprinkled with stars extended down the center.

Elah Breaun, worthy matron, welcomed guests and read a tribute, "Our Own Deputy," to which Mrs. Heath responded. The speaker was Milton Ramsey, a member of the Andrews chapter who recently was appointed district deputy grand master of the 62nd Masonic District of Texas.

Song And Reading
Maurine Galloway, vocal matron, was toastmaster. A post solo, "Winter Wonderland," was sung by Lillian Dean with Betty Griffith as pianist, and a humorous reading, "Evening Grace," was given by Mildred Cowart. Dye Sheldon, chaplain, gave the invocation and Charles Phippen, worthy patron, the benediction.

A regular session of the chapter followed the dinner, with Mrs. Heath paying her official visit. Present for the banquet were: Dorothy Strickland, Mr. and Mrs. W. E. Thomas, Mrs. Charles Phippen, Mr. and Mrs. Percy Morrison, Mr. and Mrs. J. B. Millsap, Mr. and Mrs. C. W. Roberts, Mr. and Mrs. Chic Campbell, Leta Campbell, J. E. Modern Study Club Makes Shipment Of 'Books For Peace'

A shipment of books and magazines has been made by the Modern Study Club to the Bureau of Public Libraries, Manila, Philippine Islands, Mrs. Charles Sherwood, project chairman, announced.

The club's shipment is a part of a general Federation of Women's Clubs project called "Books for Peace." It is directed nationally by Mrs. Theodore S. Chapman of Jerseyville, Ill., education department chairman in the GFWC.

Collection of magazines began by the club members last Spring, and 207 pounds of magazines were shipped. The magazines were selected from an approved list and included Readers Digest, Good Housekeeping, Time, Parents, Saturday Evening Post, Life, Woman's Home Companion, Ladies' Home Journal, McCall's and Better Homes and Gardens.

The books were given by the Midland County Library and were selected by Mrs. Lucile Carroll, librarian, who is a member of the Modern Study Club and assisted Mrs. Sherwood on the project. They are "Freedom Road," Howard Fast; "The Problems of Lasting Peace," Herbert Hoover and Hugh Gibson; "Anything Can Happen," George and Helen Papashvily; "Cross Creek," Marjorie Rawlings; "Arrowsmith," Sinclair Lewis; "The Time for Decision," Sumner Welles; "The House in Paris," Bowen and "Mollinoff," Bedel.

Books and magazines sent overseas in the "Books for Peace" program are chosen to give residents of other countries a picture of America. Mrs. Sherwood suggests that individuals take part in the program, pointing out that 1950 issues of most magazines on the approved list carry instructions for mailing to the overseas stations.

Program Given In Progressive Club By Panel

A nominating committee, to prepare a slate of officers before the election at the January 25 meeting, was appointed at the Progressive Study Club meeting Wednesday. Mrs. W. H. Pomeroy, Jr., was hostess to the group.

Mrs. Lindley Latham, Mrs. W. E. Cook, Mrs. Haden Upchurch, Mrs. Kenneth Newton and Mrs. A. A. Jones are nominating committee members.

The program was a round-table discussion on "Education's Contribution to the Pursuit of Happiness" with Mrs. Sol Bunnell as moderator. Table members were Mrs. R. A. Estes, Mrs. J. K. Lydecker and Mrs. W. C. Kimball.

In summing up the discussion they said "The goal of education is to prepare the individual to get the best out of life for himself and to make the greatest contribution within his power to his country and his time."

Mrs. G. J. Hellis and Mrs. E. B. Cochran were guests of the group. After the meeting, refreshments were served to the committee, those on the program and Mrs. L. Otis Baggett, Mrs. James C. Clary, Mrs. John H. DeFord, Mrs. E. A. McCullough, Mrs. J. W. Thomas, Jr., Mrs. Thomas M. West, Mrs. W. G. Yarborough and Mrs. John J. Kimberlin.

Marriage Should Not Bar Students From High School

By RUTH MILLETT
NEA Staff Writer

Should married students be permitted to attend public high schools? That question recently came up in Tennessee, where a delegation of Parent-Teacher Association members tried to have married students barred from public high schools.

But the assistant state attorney general decided in favor of the high school-age husbands and wives who want to better their chances in life by continuing their education.

He ruled that married students cannot be barred from public schools.

That decision makes sense. To begin with, why shouldn't they attend school? There's nothing wicked about marriage and no reason why a married student should be a bad influence on his school-mates.

There Are Two Sides

If parents figure that letting married students mingle with unmarried students is going to create an epidemic of youthful marriages they might look at the other side of the picture.

The unmarried students can see at first hand how many problems confront the young couple who rush into marriage before they finish their education. Such examples ought to make them less enthusiastic, if anything, about too-early marriage.

And, as one high school home eco-

nomics teacher has told me, some of her best students are married girls. They already are faced with the problems she is trying to make her other students realize they will be facing in a few years—the problems concerned with running a house, entertaining, stretching a budget, etc.

Most parents probably agree that kids in high school have no business getting married. But that doesn't mean that once they're married they have no business getting an education.

If anybody needs an education it's the boy who has a wife to support and the girl who is faced with the job of starting another new home.

HD Council Leaders In Andrews County Take New Offices

ANDREWS—At a regular monthly meeting of the Andrews County Home Demonstration Council, Monday in the District Courtroom, officers elected last Fall were installed to begin their new duties.

Hattie G. Owens, home demonstration agent, had charge of the installation.

Officers installed were: chairman, Mrs. J. F. Stephenson; vice chairman, Mrs. Bill McKissick; secretary, Mrs. J. A. Roach; treasurer, Mrs. D. P. Choate; reporter, Mrs. F. W. Noble; and parliamentarian, Mrs. D. D. Wood.

Retiring officers were: chairman, Mrs. C. L. Dean; vice chairman, Mrs. C. L. Leasure; secretary, Mrs. Stephenson; treasurer, Mrs. Noble; reporter, Mrs. Percy E. Morrison; and parliamentarian, Mrs. W. H. Weaver.

A new year starts in the entire organization this month and chairmen of the committees have been named as follows: finance, Mrs. Dean; yearbook, Mrs. Wood; expansion, Mrs. J. E. Cook; marketing, Mrs. J. T. Waldrop; recreation, Mrs. Noble; education, Mrs. Ivan Patterson.

A special meeting has been called for Monday afternoon, January 16, at 2 p. m. at the court house, where training and instruction for their new jobs will be given officers and committee chairmen.

Mrs. McKissick Is New Club President

ANDREWS—The Andrews Proper Home Demonstration Club met last Thursday in the home of Mrs. T. C. Goodman. Officers for the new year assumed their duties as follows: president, Mrs. Bill McKissick; vice president, Mrs. T. C. Goodman; secretary, Mrs. Garland Lindsey; and treasurer, Mrs. F. W. Noble.

Following a brief business meeting, a demonstration on Dresden craft was brought by the county home demonstration agent, Hattie G. Owens.

Refreshments were served to a visitor, Mrs. Florence Boatright, the officers and Mrs. Roy Bennett, Mrs. Dennis Nix, Mrs. Wally Montgomery, and Mrs. C. C. Pipes.

CONDITION IMPROVED

The condition of E. G. Horton, 1106 Mickliff Drive, who suffered burns while attempting to light a gas pit flare Tuesday, was reported to be improved Thursday at Western Clinic-Hospital, where he is receiving treatment.

Opera Movie Will Be Presented Thursday

A comic story centered around plans for a wedding and filled with trivial incidents is told in the movie, "The Marriage of Figaro," which will be shown in the West Elementary School auditorium at 8 p. m. Thursday with the American Association of University Women as sponsor.

The 25-minute movie includes the principal scenes from the Mozart opera, sung by an Italian cast from La Scala Opera House of Milan. Cloe Elmo, Metropolitan Opera Company contralto, also is featured, as is Olin Downes, who gives the commentary.

"Hymn of the Nations," an American-made film, also will be shown Thursday night. Arturo Toscanini conducts the NBC Symphony orchestra and the music is that of Giuseppe Verdi. Jan Peerce and the Westminster choir sing "Hymn of the Nations."

AAUW members, their guests and all interested persons are invited to the Thursday night showing of the movies. The films are being shown to students of Midland schools through the courtesy of Southwest Soundfilms, Inc.

Girl Scout Troops Elect Officers And Make Plans For Future Meetings

Many Girl Scout Troops elected officers during meetings Wednesday afternoon while some others made plans for future programs.

An investiture ceremony was held before the election during the Troop 15 meeting in the Trinity Episcopal Parish House.

Second AAUW Literature Unit Is Organized

Mrs. W. H. Carter was elected chairman of the morning section of the Contemporary Literature Group of the American Association of University Women at its organizational meeting Wednesday.

The group met with Mrs. R. V. Hollingsworth. It was organized after a division of the original AAUW Contemporary Literature Group, and the other section will continue to have night meetings.

Plans for future meetings were discussed and it was decided that each member will be in charge of one program. For her program she may choose any type of literature she wishes.

The decision to meet at 9:45 a. m. on the second and fourth Wednesdays of each month was made. The next meeting is scheduled January 25 with Mrs. C. L. Drive-Port, North Country Club Drive.

Others attending were Mrs. W. P. VonOelski, Mrs. J. W. Carroll, Mrs. S. M. Sisley and Mrs. Charles Henderson.

Mrs. Hodge Leaves On Visit To Clubs

Visits to Federated Women's Clubs in southern and eastern parts of the state will be made in the next ten days by Mrs. J. Howard Hodge, who was scheduled to leave Thursday accompanied by Ethel Foster of Sterling City.

Mrs. Hodge is president of the Texas Federation of Women's Clubs and Miss Foster is finance chairman of the General Federation of Women's Clubs and a past Texas president.

They will go by way of Corpus Christi to Harlingen, to be guests of federated clubs there Friday night, and on to Mission for a Saturday luncheon of the Valley Federation. They will be house guests of Mrs. Florence Johnson Scott of Rio Grande City, another past state president.

Mrs. Hodge will spend Monday and Tuesday in Austin at headquarters of the State Federation. Mrs. Foster will return home from Austin, but Mrs. Hodge will leave Tuesday night for Beaumont to attend a luncheon Wednesday celebrating the golden anniversary of the Beaumont Women's Club.

She plans to return by way of Houston to Dallas, and remain over the weekend for club meetings.

Madland To Head Circle Eight Club

Officers were elected and new members welcomed at Circle Eight Square Dance Club's first 1950 meeting Tuesday night in the American Legion Hall.

R. D. Madland was chosen president; Ernest Neill, vice president; and Mrs. Dean Corley, secretary-treasurer. Mr. and Mrs. Duke Jimerson are new members of the club.

Out-of-city guests were Mr. and Mrs. William Hogsett and Mr. and Mrs. Bob Floyd of Crane, who came with the R. F. Woods, and Mr. and Mrs. W. N. Res of Odessa, who were with the T. C. Fricks.

Mr. and Mrs. Glenn Shoemaker brought the Horace Greenstreets, and the Dean Corleys and John Mills had as their guests Mr. and Mrs. A. A. Jones and Mr. and Mrs. R. E. Howard.

Mrs. Ed Halfast, Hogsett and G. Floyd were callers and a record Glenn's orchestra furnished the music.

Greenwood 4-H Club Has New Officers

Yearbooks were completed by the Greenwood 4-H Club members at a meeting Wednesday, and plans were started for the new year of work. Jeanette Roberts, acting county home demonstration agent, met with 12 club members.

New officers who began their duties are: Margie Wise, president; Carolyn Boswick, vice president; Georgia Ann Gately, secretary; and Sondra Roberts, reporter.

House Concludes Sales Training Clinic In Midland

E. C. House, New York, masterful sales training expert and inspirational lecturer, Wednesday night concluded his series of lectures on "Sales Training and Personal Efficiency." The three lectures, sponsored by the Retail Committee of the Midland Chamber of Commerce, were termed most successful and beneficial to those attending and to the community as a whole.

Attendance Wednesday night in the Junior High School Auditorium totaled 417 merchants, sales persons, office personnel and professional people, a 10 per cent increase over Tuesday night. "Extensive and intensive selling" was the subject of his final lecture.

"Extensive selling, which constitutes the winning of new customers, is dependent upon a variety of factors which impress the prospective buyer," House said.

In the "intensive selling" division, House emphasized the value of a cordial greeting to every person coming into the store.

New Customers

"Winning new customers in any community," the speaker declared, "depends much on the appearance of streets and store fronts, the conduct of members of the police force, filling station attendants, waitresses and cashiers in restaurants."

"These people can make impressions on visitors which frequently could result in an increase in local business and occasionally a new industry with a big payroll for the community."

The speaker emphasized the importance of well-informed, community-minded sales people, and gave vivid illustrations in which new industries came into communities after visits by contact men who had been impressed by the community spirit and courtesy of sales people.

He suggested the necessity for an interest in all the customer's desires for information and service, for putting life and color into the presentation of merchandise, getting the merchandise before the customer, giving adequate and specific information and avoiding generalities, and making buying easy for the customer.

Shopper Dilemma

House, after numerous vivid and practical illustrations of suggestive selling, told his audience the characteristics and practices of sales people which local shoppers informed their research workers they object to in sales people.

Among these objectionable attitudes he listed: ignorance of merchandise; indifference; high pressure; superior or snobbish attitudes; misleading statements; pushing the sale; laziness; talking with other store personnel while the customer waits; discourtesy; waiting on customers out of turn; over-bearing attitudes; slowness and awkwardness; knocking competitors; over-charging; wrong-charging and other inaccuracies; and chewing gum while waiting on customers.

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And Ice Skating

The day was cold, cold in the Great Forest. Snow was on the ground, and the water on the Duck Pond and even in the Whispering River had turned to ice. It was a fine day for skating on the ice, the Huffen Puffen decided. The Huffen (that rascal!) put on two hats and six coats and all the shoes he could find in his hollow tree house. He found his ice skates under the bed. Then he

walked out and away down the Elephant Path until he came to the Whispering River. That wasn't whispering any more because the water had turned to ice. A lot of people were skating on the river, or standing there by the

as fast as he could, and away, he skated out over the ice. He put his hands behind his back while he skated, all to show what a very fine skater he was. His tall stick stuck straight behind him. The Huffen whistled while he skated, too, so that people would be sure to watch him. "I'm a very important fellow. I am, I am," the Huffen was telling himself.

The Huffen held his nose very high in the air, because he thought maybe it made him look as important as he thought he was, and he laughed and chuckled some more as he thought how everyone was watching him. But he turned his nose so high in the air and he was so wrapped up in all his hats and clothes—he didn't hear the people who began to call: "Huffen Puffen! Oh, Huffen Puffen! Come off the ice as fast as you can!"

Daddy Ringtail put his ice skates back on his feet in a hurry, and away he skated—trying and trying to catch the Huffen, and shouting and shouting in a very loud voice: "Huffen Puffen! Come back! Come back!"

But the Huffen didn't hear him, and the thing that happened was all because of his thoughts of great importance. Yes, and because he wasn't listening, too. "Kersplatt!" the Huffen had skated against a tree, poor fellow, but he will be all right tomorrow. Happy day! (Copyright 1950, General Features Corp.)

Trade Is Pushed At Kashmir Front Line

SRINAGAR, KASHMIR—(AP)—Barter trade is being conducted across the cease-fire line in Kashmir despite restrictions on the movement of people and goods. Kashmiris living along the line are reported to be using difficult mountain passes for the unauthorized trading. People on the Pakistan side usually offer rock salt, wheat flour and snuff while residents of Indian-held Kashmir supply sugar, cloth, rice and vegetables.

ACT TO BRING DOWN HOUSE

CHICAGO—(AP)—The last act soon will go on at the old Haymarket theater. The theater, on Madison Street near Halsted, opened in 1887. Legitimate drama, vaudeville and movies were featured a long time or another. But it probably was best known as a burlesque house. The building will be torn down to make way for a super-highway.

Lambs Are Flown To Chicago Exhibit

DIXON, CALIF.—(AP)—Flying 67 lambs to Chicago for show purposes cost money and brought special problems to Howard Vaughn, a sheep grower. But the chartered plane delivered them in such good condition that they won the reserve champion award at the International Livestock Exposition. Air freight wouldn't pay off on ordinary commercial lamb shipments, Vaughn points out. He had to wrap each lamb in burlap to protect its fleece and had to cool the plane off gradually as it left warm California and headed eastward into colder weather.

**Thick Walls
 Halt Effort
 At Burglary**

Burglars entered the Mims and Stephens building, 205 West Wall, through a hole in the roof and battered through 30 inches of stone and brick walls in an effort to reach a vault in Hughes Jewelry Company, 203 West Wall, Tuesday night or early Wednesday.

The opening was a jagged, four-foot aperture where it started in the Mims and Stephens wall and narrowed down to about two feet by two feet as it entered the attic of Hughes Jewelry.

Officers said the intruders evidently ran out of time or were interrupted because they didn't enter the vault in the jewelry store.

Nothing Missing

Ed Stephens said nothing had been disturbed in his company's offices except the wall. A Hughes Jewelry spokesman said nothing was missing there.

The second floor of Mims and Stephens was the scene of the operation. It is on a level with the top of the vault in the jewelry store next door.

The burglars succeeded in reaching the top of the vault but did not try to batter through the protective vault roof.

Two small holes were punched through a wall in the store from inside the attic. Each was circular and only two inches in diameter.

The burglary was discovered shortly after the Mims and Stephens offices opened for business Wednesday.

Police Chief Jack Ellington, Sheriff Ed Darnell, Ranger John Wood and other members of their department are pressing an investigation.

Ranger Wood said it appeared a hammer and heavy steel pin were used to batter the hole through the two walls.

Leave Debris

Chunks of limestone, some three feet long and four inches thick, were lifted out into the Mims and Stephens second floor. Chunks of brick and tile and debris from the hole were piled up in front of the hole.

Officers said the job appeared to have been done by professionals. Entrance from the roof was gained by knocking out a section of insulation from an area two feet square.

Mid-West Chills Vets; Mobil Nips Teds In Opener

Mid-West Lumber and Watkins Mobil registered victories as the first round of the City Cage League got underway in the Junior High School Gym here Wednesday night. A fair opening night crowd was on hand to see the independents launch their season. Mid-West beat VFW 42-32 and Watkins Mobil won a thriller by 47 to 39.

Larry Messersmith, last season's Midland Bulldog ace, teamed with Bob Howard, former Stanton High School hot shot, and Hoot Harris to give Mid-West Lumber a 42 to 32 win over the VFW.

Messersmith and Howard both were hot on shots from outside the circle. Each collected 14 points. The floor game of Harris, also a former Bulldog ace, was good all night. His fast breaking and accurate passes set up many shots. He picked up eight points, also.

Mid-West took the lead early and never lost it. The Vets' Max Harris was the offensive star of the tilt even though he was on the losing team. Lefty Max hooked in nine baskets and sank four charity shots for a grand total of 22 points.

Mobil-Thompson Battle The Lumberjacks led 18 to 14 at the half. A big third-period scoring spree gave them the margin of victory.

Watkins Mobil and Ted Thompson's quint battled through three periods with the score so close it was anybody's ball game. It ended with Mobil on top 47 to 39.

Douglas and Hall counted 13 and 11 points, respectively, with most of them coming in the big fourth quarter. Price scored 13 of his counters in the final period, also.

Dress Gets Hot Dress made a gallant effort to match Price's surge, scoring eight points for Ted's Terrors in the final stanza. But the pace was too fast.

Baker was high point man for the Thompsonmen with 11. Past ball-handling and extreme accuracy at the basket by both teams made it a nip of a battle.

Play will resume Friday night with classy Rotary Engineers meeting the JayCees and Ted Thompson playing Mid-West Lumber.

Pat McMullan announced the first game will start at 7:30 p.m. The box scores of Wednesday night's tilts:

Texas Tech, H-SU Dominate Western All-Opponent Team

EL PASO—(P)—The Texas Western College all-opponent football team is dominated by Texas Tech, Hardin-Simmons and West Virginia University.

The team was announced Wednesday night. The Miners named their own Ernest Kelly the most valuable player in the Border Conference.

The all-opponent team: Ends—Harry Kahanuuni, University of Hawaii, and Bob McChesney, Hardin-Simmons.

Quarterback—John Ford, Hardin-Simmons.

Halfbacks—Wilton (Hook) Davis, Hardin-Simmons, and Bill Cross, West Texas State.

Fullback—Bud Conley, Texas State.

Hardin-Simmons was voted the team with the best offense and Tech the best defense.

Art Houtteman, young Detroit right hander, participated in seven double plays during 1949, tops among American League pitchers.

SPORTSLANTS

BY SHORTY SHELBURNE

Folks who aren't attending the home games of the Midland Bulldogs in the new, modern MHS Gym this season are missing the biggest entertainment of the year.

Aside from the regularly scheduled basketball double-headers, there's music from Jerry Hoffman's Midland High Bulldog Band all through the evening.

And the most entertaining halftime activities we ever have witnessed are provided.

At the half time during the Lamesa-Midland cage tilt Tuesday night Coach Pat Patterson's North Elementary cagers battled Coach Bob Corcoran's West Elementary quintet in a nip of a show.

Those youngsters, just now knee-high to a bed bug, give all they have.

Previously, Coach Charles McDonald's South Elementary Flag Football team, champion of the Elementary League, gave a halftime performance.

And there'll be more such entertainment at coming games.

There still is a possibility Midland will have college football in 1950.

Negotiations for a game between Abilene Christian College and New Mexico A&M here October 14 apparently have fallen through.

McMurry College also has been contacted about a game. An answer finally was received by Dr. Homer Johnson, a McMurry ex. The letter from J. V. Hilliard, McMurry Athletic Director follows:

Dear Dr. Johnson: Gordon Bennett has informed me of your telephone conversation concerning the possibilities of playing a football game at Midland this year. I have made several contacts with people in Midland concerning the proposition and they all have expressed interest.

What we need is a formal commitment from some organization in Midland interested in sponsoring the game. It is highly possible that we might be able to play Sul Ross in Midland and all we need to start to work on the movement is some sort of a formal invitation from some organization in Midland which might be interested in sponsoring the game.

The dates of September 16 or 30 will be a good time for us. Will you please feel free to contact any of the authorities in Midland which might be interested.

Yours truly, J. V. Hilliard Athletic Director.

Let us suggest the Midland Junior Chamber of Commerce, the Midland Optimist Club and Midland Bulldog Booster Club as organizations which might be interested in sponsoring the game.

Members of each of them have

contacted us at various times indicating their organizations would be interested.

Supt. Frank Monroe and Athletic Director Tugboat Jones can give valuable advice on the matter.

A couple of the top golf pros in this area met on the Ranchland Hill Country Club course for a match recently.

After the first nine holes, Walter Thompson, Ranchland pro, added up his score. It totaled—31.

J. C. Hardwicke, Midland Country Club pro, totaled his up and found—37.

Jack Sawyer and Bob Meyer also played in the first nine and fired 37 and 40, respectively.

Sawyer finished the 18 with Thompson and Hardwicke.

Thompson's second nine ended with a 37. Hardwicke picked up a little to fire a 34. Sawyer stayed in the running with a 36.

But that 31, Brother, that's perfect or better. Par on the course is 70.

HALF SLANTS—They're saying in Boston, "Braves Field concessionaires should break a record in scorebook sales this year." Why? The Braves will have so many new faces in the lineup, Boston fans will need a lineup to tell who is playing.

Bobby Dykes of San Antonio, currently fighting in Florida, is being boomed as the most promising welterweight in the U. S.

And down at SMU they're starting to call H. N. "Rusty" Russell, Jr. a "playing coach" for his performance against Notre Dame. He filled the great Doaker's shoes in the game against the Irish and displayed the qualities his father, Rusty Sr., has as a coach.

The 11 passes completed by McMurry in the Oleander Bowl game to defeat Missouri Valley were more than the Indians had completed all season before.

Veston George of Monahans is out for basketball at McMurry. Veston was on the grid squad.

Licking By Janiro Chills Fusari's Hopes Of Fight For Crown

DETROIT—(P)—Charlie Fusari's hopes of a title fight with welterweight champion Ray Robinson were messed up Wednesday night by Tony Janiro of Youngstown, Ohio.

Janiro, a 3-10 underdog at ring time, surged back into the top ranks of the welterweight division by thrashing the Irvington, N. J., favorite.

The bout was to have been Fusari's last tuneup for a possible title bout with Robinson.

Janiro changed all that. He got a 54-46 vote from referee Lou Handler and a 52-48 margin from Judge Joe Lenahan. Judge Pete Miller called it even.

The American Municipal Association, surveying 265 localities, found pay for city attorneys ranges from \$600 to \$17,500 a year.

Grid Mentors Hail Proposed Easing Of Substitution Rules

NEW YORK—(AP)—Platoon-minded football coaches got downright gushy Thursday in hailing a recommended rules change that would permit one substitution at a time. "Say, that's wonderful," chimed Bobby Dodd of Georgia Tech. "I'd rather have that rule than all the two-platoon rules in the book."

The rule change was one of several recommended Wednesday by the American College Football Coaches' Rules Committee. It was tacked on to a solid vote to retain the two-platoon system.

The recommendation is that each team be allowed to substitute one man after each down without stopping the clock and incurring a penalty.

At present a team is penalized five yards for making a substitution when the clock is running.

"It's going to be a great thing for the smaller schools who can't play platoon football," said Lou Little of

Columbia, chairman of the coaches' committee.

Little also is one of the members of the NCAA rules group, headed by Harvard's Bill Bingham, which will meet in Pinehurst, N. C., Monday to act on the proposed changes. The rules body normally follows the coaches' suggestions.

Matty Bell of Southern Methodist said: "I'm all for it. It should help the little schools, that's true, but it also will mean a lot to the bigger ones who want to send in a punter at crucial times or a safety man if on defense."

Free substitution would be permitted, as usual, under the recommendations. Full teams may be sent in after each change of the ball or whenever the clock is stopped.

Other recommended changes in the rules were:

1. If the substitution rule is adopted, the time out is reduced from four to three for each half.

2. The coin-tossing ceremony be staged 15 minutes before the game. This would make possible earlier announcement of starting lineups.

3. The offensive blocking rule be tightened to read:

No offensive player may strike an opponent's head, neck or face with locked hands, forearms, elbows or upper arms. At present, the rules stipulate the hands must be against the body and not locked.

4. Officials be realigned on the field to approximate their position when the ball is on the goal line. This would put the umpire on one side of the line and the head linesman on the other with the field judge up closer and the referee in his regular place. The idea of this would be to give the officials a better view of the play.

5. Return to the 1948 rule of personal fouls, designating the type of foul committed. Now the personal foul covers several violations.

Baylor May Woo Sam Baugh Away From Pro Eleven

By BOB JOHNSON, JR.

ROTAN, TEXAS—(AP)—Old Sam Baugh—the pride of Washington—talks like he's about to grieve that city's football faithful deeply.

Slingin' Sammy as much as said Wednesday night he's ready to quit the Washington Redskins and go to coaching at Baylor. There still are a couple of items to be taken care of—such as getting a definite offer from Baylor and a release from the Redskins.

But if the deal goes through, it couldn't be a lot worse for Washington fans—if all the other 10 men on the Redskins' first string broke their legs. Sam has been around Washington longer than a lot of Democrats.

Baugh said at his ranch near here that officials from the Baptist school at Waco have asked him if he'd be interested in a job as head coach. They need a replacement for Bob Woodruff, who quit last week to go to the University of Florida.

"I'd be interested in the job all right if I could get things fixed up with the Redskins," the stringbean passing wizard said.

That meant he'd have to fix it up with George Preston Marshall, laundryman owner of the Washington National Football League club, to get out of his contract to play next season. Baugh said he didn't know whether that could be done.

Others Under Consideration

In Washington, Marshall couldn't be reached for comment, but associates said he hadn't heard of Baylor's advances.

Anyhow, said Sam, "I figure they've talked to about a dozen other guys, too."

He's right. But the word from Waco was that the men Baylor would like most to get are Baugh, Backfield Coach H. N. (Busty) Ruston of Southern Methodist, and Head Coach Don Faurot of Missouri—Lafayette 83-69; Carnegie Tech upset Pitt 62-42; Westminster (Pa.) trounced Geneva 85-65; and Army trampled Harvard 61-58 behind Arnold Galiffa's 18 points.

Arizona and West Texas remained tied for the lead in the Border Conference. Arizona socked Texas Western 80-58 and West Texas took Hardin-Simmons 68-50.

In the Southern Conference, George Washington had to overcome to beat Richmond 62-56, and Dartmouth 60, Maryland State 59-41. In a double-header at Lexington, Va., Washington and Lee defeated Bridgewater 63-54, and Virginia tramped Virginia Military 78-55.

In other Southern tilts, Navy won its seventh game in eight starts by trimming Johns Hopkins 54-40. On the Pacific Coast, St. Marys of California won a 48-47 struggle from College of Pacific.

Another Win Streak Broken In Nallon's Basketball Struggle

NEW YORK—(AP)—Little Siena's 14-game winning streak, longest of the current college basketball season, came to an end Wednesday night.

Niagara defeated Siena 59-49 at Niagara Falls, N. Y. Western Kentucky, ranked 14th in The Associated Press poll, fell before unranked Louisville 70-59 in a major surprise.

Notre Dame chalked up its fourth straight by whipping DePaul 58-53.

As usual on Wednesday nights play was concentrated in the East. Princeton spurted in the second half to trounce Pennsylvania 72-53.

Cornell, rebounding from its surprise setback by Dartmouth, trounced Syracuse 67-56.

Columbia, behind at one time by 12 points, rallied to whip Fordham 61-51. Dartmouth also had to come from behind to nick Maryland State 60-59.

Yale was surprised by Trinity (Conn.) 60-56, and Rhode Island State maintained its home jinx over Brown, winning 76-58.

In other Eastern games Villanova whipped Rutgers 84-67; Muhlenberg took Lafayette 83-69; Carnegie Tech upset Pitt 62-42; Westminster (Pa.) trounced Geneva 85-65; and Army trampled Harvard 61-58 behind Arnold Galiffa's 18 points.

Arizona and West Texas remained tied for the lead in the Border Conference. Arizona socked Texas Western 80-58 and West Texas took Hardin-Simmons 68-50.

In the Southern Conference, George Washington had to overcome to beat Richmond 62-56, and Dartmouth 60, Maryland State 59-41. In a double-header at Lexington, Va., Washington and Lee defeated Bridgewater 63-54, and Virginia tramped Virginia Military 78-55.

In other Southern tilts, Navy won its seventh game in eight starts by trimming Johns Hopkins 54-40. On the Pacific Coast, St. Marys of California won a 48-47 struggle from College of Pacific.

Two Midland Teams To Play In Odessa
The Midland "C" Bulldogs and the Eighth Grade Bulldogs of John M. Cowden Junior High School will play in a basketball double-header at Odessa Thursday night.

The Bulldogs meet an Odessa Junior High quintet at 7 p.m. in the Odessa Junior High School Gym.

The "C" Bulldog tilt will follow.

From where I sit... by Joe Marsh

Why Scoop No Longer Works Here

Scoop Blake paid us a friendly call at the Clarion's office last week and we were talking about when he was a reporter here.

"Remember how mad I got when I found out you were writing that election story right from your desk?" I asked him. "And how I made you get out and learn what a sheriff's job was all about?"

"I sure do, Joe," said Scoop. "I want to thank you for teaching me the 'hat-trick'—putting on my hat and finding out the facts, that is. Then we both had a good laugh because he found out so much that

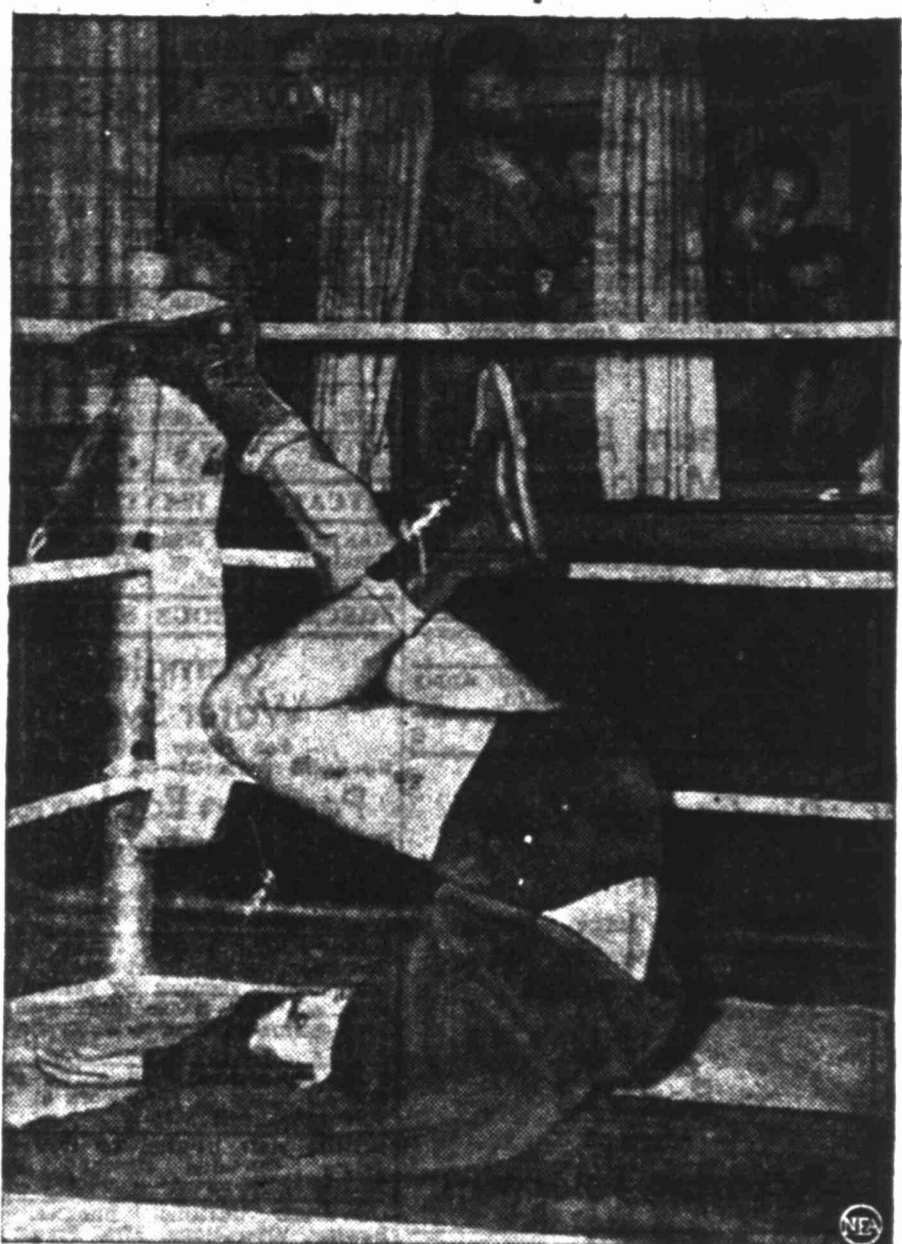

darn if he didn't run and get elected sheriff himself!

From where I sit, we should find out the facts before we try to talk about anything. When we do, we're inclined to be more tolerant... we're apt to understand a little more about the other fellow's preference for, say, his political candidate or for a temperate glass of beer now and then. I say, if you don't want to get tripped up, don't leap to conclusions!

Bulldogs Engage Odessa Bronchos

The Midland Bulldogs move into Odessa Friday night for a District 3-AA double-header with their arch rivals, the Odessa Bronchos. It will be the second conference game for the Bulldogs.

Coach Jack Mashburn's varsity quintet will not be at full strength for the tilt due to the loss of Robert Burks,

who underwent surgery here Tuesday. Burks was one of the fastest ball-handlers on the team and was counted on as a scoring threat in every tilt.

Norman Drake and Bill Branch split duty at Burks' position in Tuesday night's game with Lamesa and the same pattern probably will be followed Friday night.

The Bulldogs will give away height and experience to the Bronchos just as they did to Lamesa.

Frank Gee is the top point maker for the Bronchos. He breaks fast and is hard to cover.

The Bronchos play a stout defensive game as was demonstrated Tuesday night when they held the usually high-scoring Big Spring Steers to 29 points. Odessa won 23 to 20.

David Weaver and Walter Spiller are coming along for the Bulldogs. With them on the upward stroke and Harry Smith and Reed Gilmore to steady the ball club, there's always a chance to break loose.

Norman Drake, in a little time, will be an artist on shots from the corner. He is expected to get an opportunity along this line Friday night.

A group from the "B" Bulldogs and the "C" Bulldog first string will combine forces to meet the "B" Bronchos in the curtain raiser.

Sports Program Is Slated At Meeting

A sports program featuring football will be presented at a meeting of the Midland Junior Chamber of Commerce in Hotel Scharbauer Friday noon.

Mike Brumbelow, former TCU player and coach, will address the club. A football film will be screened.

President Irby Dyer will preside. Horace Burton is program chairman.

Citation Wins Comeback Start

ARCADIA, CALIF.—(AP)—Citation is safely past his initial comeback race and, barring mishap, will be the big factor in the \$100,000 Santa Anita Handicap February 25.

The big chief of the Calumet Stable swung back into action Wednesday in a Santa Anita allowance race after a 13-month lay-off.

The fact that he handled himself well, running six muddy furlongs in the fair time of 1:11 2/5, and more important, came out of the tune-up in good condition, brought delight to his handlers.

Clifford Moore's Bold Gallant raced second, Roman third and Chutney last in the four-horse field. Citation paid \$2.30 and \$2.10. Bold Gallant paid \$2.30.

Cattlemen Plan Questions On New Army Beef Ruling

PORT WORTH—(AP)—Directors of the Texas and Southwestern Cattle Raisers Association began their third quarterly session Thursday. They said they wanted to ask some questions about the Army's ban on Grade C beef.

The directors expected to fire their questions at Harry Reid, director of the Livestock Branch of the Production and Marketing Administration.

Ray W. Willoughby of San Angelo, first vice president, said Richards is not scheduled to appear on the program.

"But we expect to ask him some questions about this situation while he's here," he added.

The Quartermaster Corps recently limited beef purchases for the armed services to Grade B and banned Grade C.

Highlight of the meeting will be a report from Maj. Gen. Harry H. Johnson, United States co-ordinator of the hoof and mouth disease eradication program in Mexico.

LEGAL NOTICES

THE STATE OF TEXAS TO: John M. Moody and wife, Mrs. John M. Moody, et al. vs. B. Robertson and wife, Mrs. B. Robertson, et al.

Joe Youngblood as Plaintiff, and the above named parties to whom this Citation is directed, vs. Defendants.

The nature of said suit being a trespass to try title suit, to try title to the following described property situated in Midland County, Texas:

Plaintiff alleging both record title and title in fact through purchase, and under the ten year statutes of limitation. Plaintiff alleging that said lands are described in One Hundred Fifty Dollars.

Plaintiff prays for recovery of title to and possession of the lands above specifically described, for damages, costs and costs of suit.

If this Citation is not served within 90 days from the date of its issuance it shall be returned unfiled.

Given under my hand and seal of said Court, at office in Midland, Texas, this 27th day of December, A. D. 1949.

(SEAL) NETTIE C. ROMER, Clerk District Court, Midland County, Texas (Dec. 29; Jan. 5-12-19)

CITATION BY PUBLICATION THE STATE OF TEXAS TO: Alfred Goodwin

You are hereby commanded to appear before the District Court in and for Midland County, Texas, in the Court House of Midland County, Texas, in the City of Midland, Midland County, Texas, at or before 10 o'clock A. M. on the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation, that is to say, at or before 10 o'clock A. M. on Monday, the 8th day of February, 1950, then and there to answer a petition filed in said court on the 20th day of December, 1949, in a suit numbered 5419 on the docket of said court, wherein Cecilia Goodwin is plaintiff, and Alfred Goodwin is defendant, the nature of which suit is as follows:

Suit for divorce dissolving the marriage between plaintiff and defendant, on the grounds that defendant was guilty of excessive cruelty and outrages toward plaintiff of such a nature as to render their living together insupportable.

If this citation is not served within ninety (90) days after date of issuance, it shall be returned unfiled. Issued this 20th day of December, 1949.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Midland, Texas, this 20th day of December, 1949.

HALF-CENTURY HIGHLIGHTS

"Robust, exuberant, lusty" describes life along New York's Rialto as 1900 dawned. No single individual so symbolized this spirit as did lovely Lillian Russell, queen of the comic operas. Her 165 pounds embodied the era's ideal of lush feminine beauty. It was a picture composed in wide-sweeping curves and well-balanced masses. But to her devotees she was "airy, fairy Lillian." From the night in 1883 when she appeared at famed Tony Pastor's in New York until her retirement in 1912, she reigned as queen of romance. Millionaires fought to shower her with costly jewels and with characteristic flamboyance she wore them by the bucketful. Grandpa will tell you that all today's glamor dolls rolled into one couldn't compare with the "incomparable Lillian."

'Operation Furcoat' Ends In Compromise

By HAL BOYLE
NEW YORK (AP)—There's something new that's come to our house to stay. I hope it stays for the rest of the century.

It is a trophy marking a victory for my wife in a long marital war called—"Operation Furcoat." She won after many skirmishes and a 12-year verbal bombardment.

When Francis married me back in 1937 she brought a dowry of \$100—and a fur coat.

It took us only a couple of weeks to go through the hundred bucks, but I thought we never would get rid of that fur coat.

It had seen better days. It began going bald in patches. "Why don't you throw it away?" I asked.

"Why don't you buy me a new one, Rover?" she replied.

Well, that was out of the question. Finally, when the old coat began to look more like patent leather than fur, Francis heaved it into the garbage can.

Mink Or Monkey
And then began her long campaign to get another fur coat.

I crumbled. And I agreed to go with her to pick it out. She chose one of those quiet Fifth Avenue area shops where the floors are padded heavily—to protect the skulls of husbands knocked over by the sight of the price tags.

Francis said, "I think I will get one made from those things that grow on ranches."

"You mean ranchers?"
"No, minkies."
"No, minkies—little minkies."

Well, a gentleman began hauling out mink coats he looked at the price tags—they began at \$4,000. And then Francis looked at the prices.

"I guess we will have to compromise," she said. "I'll get something smaller than a coat. But it still has to be mink."

We ended up with a stole—a piece of welded mink just large enough to wrap around a lady's throat to protect her against tonsillitis.

Anyway, Francis likes it. In a year we'll own it clear—if the bankruptcy act doesn't intervene. And it's nice to have "Operation Furcoat" over at last.

Permian Basin Life Underwriters To Meet Saturday

Members of the Permian Basin Life Underwriters Association will hold their regular monthly meeting at noon Saturday in Hotel Scharbauer. Featured at the meeting will be an address by Opie R. Carter of St. Louis, Mo., field vice president of the New York Life Insurance Company.

R. J. (Doc) Graham will preside at the meeting, to which life underwriters from Odessa, Big Spring, Monahans, Crane, McCamey, Andrews and Kermit have been invited. Midland agents are invited to attend the luncheon, Graham said, and are urged to join the association.

Carter has been with New York Life since 1911. He joined the company in Little Rock, Ark., as an office boy. In two years he entered the field as an agent. He has been manager of the Memphis, Tenn., and Shreveport, La., branches, and became division supervisor in 1929. In 1934 he was promoted to inspector of agencies with headquarters in Chicago.

Following his promotion to superintendent of agencies in 1941, he moved to St. Louis. Last month, Carter was named vice president of the company.

New York Goes Into Camel Act Again Thursday

NEW YORK (AP)—New York City went into its camel act again Thursday.

And it can be a thing of pride to leave the dishes in the sink, ma. Striving to conserve its abnormally low water supply, the metropolitan area for the second time was observing a "dry day"—in which baths are taboo and shaving is subversive.

Sound trucks of the New York Health Council toured some areas, broadcasting appeals for abstinence from water for the sake of the city's "safety and health."

"Thirsty Thursday," some of the newspapers are calling it.

There was no modification in the water-skipping plans, despite recent rainfalls which Wednesday boosted the reservoir storage by 2,410,000,000 gallons—biggest single daily gain in nearly 11 months.

Emergency Remains
"The water emergency still is with us," said Mayor William O'Dwyer, pointing out that storage is at only 39.5 per cent of capacity, compared to 76.7 per cent a year ago.

He urged "wholehearted cooperation" in Thursday's water holiday.

Chief Water Engineer Edward J. Clark said he will attend a formal dinner Thursday night at the Waldorf-Astoria Hotel in a tuxedo and one-day beard.

A full list of water-saving rules was up for the citizenry.

Housewives are supposed to let dishes accumulate in the sink for a single washing. Everybody is supposed to reduce water drinking by at least one glass, and refrain from washing hands under running taps, among other things.

On the previous "dry day" last December 16, New York's 8,000,000 people used 176,000,000 gallons less than that week's daily average of 964,200,000 gallons.

SCIENCE AND RELIGION

If possible we must work our way through this scientific climate to God. We now see a little more clearly the relationship between science and religion. Science has reference to that which can be weighed and measured, and religion to that which can be evaluated; the one has reference to the quantitative aspects of life, and the other to the qualitative.

Science comes to a mother's tear and defines it in terms of its physical structure—so much water, so much mucus, so much salt. But is that an adequate definition of a mother's tear? Hardly, says religion, for there are ideas, emotions, values, meanings using the physical structure of the tear. Religion would evaluate those imperponderables. Thus it would take the answer of both science and religion to give an adequate definition of a mother's tear.

True, but the snag is this: You can verify that which can be weighed and measured; can you verify values? Why not? You can put values under life to see what life will do with them. You can test them by the test of experiment. If the values are real values, life will approve them, will back them; but if they are not real, they will wither—they will not.

Ranch Spokesman Blasts Army Policy On Meat Purchases

KINGSVILLE (AP)—The manager of the King Ranch says he is concerned over what he calls the Army's new policy of "restricting its meat buying mostly to Grade A beef."

Ranch Manager Robert J. Kleberg, in a statement Wednesday, said "what they're buying is corn-fed, Grade A cattle out of the Midwest."

The Army Quartermaster Corps has said it has a current program of buying only Grade B beef and eliminating Grade C. The Quartermaster Corps insisted the plan to buy only Grade B beef as a regular thing is only "under consideration."

Kleberg said a survey made among cattle buyers and packers indicated that the Army is limiting its purchases almost wholly to "Grade A beef," or grain-fed cattle.

Earlier some other Texas cattlemen had protested that a shift by the Army to buying Grade B would limit buying mainly to grain fed beef from the Midwest.

Attorney Condemns Clemency Drive For Convicted Rapist
CORSIANA (AP)—Charles T. Banister, county attorney, said Wednesday a clemency campaign is under way for William R. Ray, convicted rapist of a nine-year-old Fort Worth girl.
Banister said the purpose of the campaign is to attempt to obtain clemency from the Board of Pardons and Paroles and the governor.
The death penalty for Ray was confirmed Wednesday by the Court of Criminal Appeals in Austin.
"The citizens, not only of Navarro and Tarrant Counties, but of the entire state should express themselves in view of the atrocious crime committed by the defendant," Banister said.
"Execution of the defendant will help to put a stop to the wave of sex offenses now sweeping the nation," he said.
Banister assisted Tarrant County authorities in prosecuting Ray.

NEW Armour Process gives Cloverbloom "99" that delicious natural flavor your family loves!

If you've begrudged your budget the price of expensive natural spreads... Cloverbloom "99" is your wish come true. Your family will instantly approve the fresh, natural flavor of this thrifty NEW spread... especially husbands who insist on the finest.

By law, we must label this NEW discovery oleomargarine, but no margarine has ever had the fresh, sweet "melt-in-your-mouth" flavor of Cloverbloom

"99". Armour scientists have discovered a NEW process that gives Cloverbloom "99" that expensive natural churned flavor, for Cloverbloom "99" is churned the natural way... that's one secret of its wonderful taste and texture.

This exclusive NEW Cloverbloom "99" process is so different from ordinary margarine making, we've built an entirely new plant in Texas to produce Cloverbloom "99" for you.

Cloverbloom "99" is a perfect duplication of the more expensive natural yellow spread, both in taste and in texture. It costs a few pennies more than ordinary margarine... yet is cheaper than the natural yellow spread your taste will tell you it is.

You must try the sensational NEW food discovery. Hurry to one of the stores listed below. Start enjoying Cloverbloom "99" today. Double your money back if not completely satisfied.

DOUBLE MONEY BACK GUARANTEE

If you are not completely satisfied with this grand new spread, return the unused portion to your grocer and he will refund double the purchase price.

Locations Made For 76 New Oil Tests in Midland Area

Oil activity in the Midland area increased during the past week, as shown by records of the oil and gas division of the Railroad Commission of Texas. During the seven-day period, 76 applications to drill were filed—an increase of 21 over last week's total.

Severy County gained 30 new locations. Pecos followed with seven projects. Five new locations were staked in each of Andrews and Loving Counties.

Drill sites were established for four explorations in Ector County, Cochran, and Crane Counties each listed three new projects.

Gaines and Garza Counties each reported two new locations.

The remaining new projects were distributed one each to Borden, Hockley, Howard and Upton Counties.

Locations were staked for ten wildcats during the week. Four of these wildcat locations were in Severy County. Reeves County claimed two new prospectors. The remainder of the ventures were divided one each among Borden, Garza, Lynn and Mitchell.

Amended applications covering changes on four explorations in the district were also filed. Severy County had three amended applications. One amended application was filed in Hockley County.

Hargrove, Burk Buy Scruggs Motor Firm

R. D. (Bob) Scruggs, veteran Midland automobile dealer, Thursday announced the sale of Scruggs Motor Company to P. R. Hargrove of Midland and Burley Burk of Eden, Texas.

Details of the transaction were completed Monday and Hargrove has assumed active ownership of the Chrysler-Plymouth agency, which was the oldest automobile dealer organization in Midland.

Scruggs, who has been in Midland since 1914, organized the company which bore his name in 1919. Burk, prominent Eden rancher, will not be active in the management of the company, Hargrove said.

Former Manager
Hargrove has been affiliated with Scruggs Motor Company since September, 1948, as manager. He came to Midland from San Angelo, where he had been in the automobile business 16 years.

A prominent figure in civic affairs, Scruggs is president of the Midland Chamber of Commerce, and is a charter member of the Midland Lions Club. He also is a Shriner and member of Knights Templar.

Scruggs said that he planned to continue to work with Hargrove for some time, to assist in getting the new organization started. He plans also to assist in the formal showing Thursday of the new 1950 Plymouth. Featured in the showing will be four body styles of the improved 1950 Plymouth. Tommy Dixon will be featured afternoon and evening on the Wurlitzer organ, playing for guests inspecting the new models.

Name of the new company will be Hargrove Motor Company. No personnel changes will be made.

INVISIBLE ALLEY ABOLISHED
MONTICELLO, ILL. (AP)—The city council voted to abolish one of the town's alleys; the little alley that wasn't there. The alley was shown on the original city map but never materialized.

Reporter Discovers Texas Town Unique In Several Respects

BY WILLIAM C. BARNARD
Associated Press Staff

What a town this Keene, Texas. You have to see it to believe it. Unique is the word.

Keene is on a hill four miles east of Cleburne. Established 1894 by the Seventh Day Adventists and it's still their town.

No tobacco sold anywhere, no crime, no bootleggers. The biggest grocery store in town doesn't sell more than five pounds of coffee a month - - that goes to "outsiders" or for "medical purposes." The same store sells no fresh meat at all. Soybeans partner, if you need a steak, "outsiders" can buy chili.

One religion, one church, and all 700 permanent residents belong to that church and go on Saturday - - the Sabbath to the Adventists. Saturday morning, before the Sabbath school, Keene is so quiet you could hear a jaw drop. Everything's closed, even the postoffice. The postoffice runs on Sunday, by special permission of the government. Sunday in Keene is a regular business day.

Students Total 500
The town's floating population—500 students at Southern Junior College - - the Seventh Day Adventist school.

"Almost everyone works his or her way through college," Mrs. Ruth Hestand, the postmaster, told us. A pleasant, gray-haired, brown-eyed woman, she knows every resident in town. "Everybody works in Keene," said she. "The productivity of this city is amazing."

In deed, yes. This town manufactures for the nation. There are eight broom and mop companies. Broom-straw comes from South Texas and Oklahoma, wood for handles from East Texas, yarn for mops from Itasca.

Four Rest Homes
There are mills for building and rebuilding furniture. And there are four rest homes, all for "outsiders."

And look at these college industries which employ students: A mill makes insides work and garden fences that are sold through mail-order firms like Montgomery Ward and Sears. A big print shop takes orders from Fort Worth, Dallas and other cities; a chenille plant turns out bedspreads, bath mats, lounging robes and coats; a laundry, a radio shop; a service station; a garage.

There's no theatre in Keene. "Polks here don't believe in movies unless they're the right kind," said Mrs. Hestand. "The college shows censored educational movies almost once a week."

"And what about crime on the radio, Mrs. Hestand?"

"They don't bother us," she smiled. "We turn off the radio."

South and North Dakota and Minnesota lead the states in number of city-operated liquor stores.

German Preference Shown For Ike's Book

FRANKFURT, GERMANY —(AP)—Gen. Dwight Eisenhower's "War Memoirs" and "Gone With the Wind" have hit the best seller lists in Western Germany. They have sharp competition from "Daddy Long Legs" and "Anthony Adverse."

Germany's book publishers have struck a bonanza in American and British titles. As many as 200,000 in German translation have been sold in one month. Many newspapers are serializing translations of these works.

Show Adds Division For Poorest Bulls

DES MOINES —(AP)—A class for the poorest bulls has been added to the Hereford Breeders' Association show at Cedar Rapids. The exhibitor with the poorest individual of breeding age will receive credit for \$150.

The second poorest bull will win the exhibitor a credit of \$100; third, \$80, fourth \$60, and on down to \$10. These credits must be used in the purchase of a purebred bull at the association's sale.

California Farmer Has Big Cotton Yield

FRESNO, CALIF. —(AP)—Way down South in the land of cotton they usually settle for one bale to the acre. Henry Reitz has grown more than four bales to the acre near Fresno. In fact he got 21 bales off five acres.

It was a special case where the land had been in pasture continuously for seven years and had been liberally fertilized. Reitz has another 150 acres that yield about two bales per acre.

New Arms, Tactics To Be Used In War Games This Winter

NORFOLK, Va. —(AP)—The 80,000 men fighting a gigantic land-sea-air mock war in the Caribbean late this winter will use weapons and tactics newly evolved since World War II.

The armed forces made public some of the details of "Exercise Portrex," the joint war games of the Army, Navy, Air Force and Marine Corps.

The joint chiefs of staff at Washington has designated Admiral W. H. P. Blandy, commander-in-chief of the Atlantic Fleet, to command the exercises. However, since then the Navy has announced Blandy will retire about February 1. His successor, Vice Admiral W. M. Pechtel, therefore will become the maneuver commander.

Youth Center Chatter

By June Hazel-Joyce Howell Hi, Folks! How about coming with us into a Teenager's world and let's see what's happening around Midland High and all the Teeners' "Hang-outs!"

Have you noticed the new athletic scale in the Youth Center? This new scale is very popular. For a penny, you can find out how strong you are when you lift, grip, or twist the bars on the scale.

Have you ever sat in front of Max and Gene Schaeffer during a show? If you haven't, you certainly have missed something. (We won't say what!) Their comment on the movie "takes" when the girls strolled in carrying the dolls.

Have you been noticing the LOUD shirts that the boys are blossoming out in? The shirts usually are either gabardine or heavy corduroy and the colors are enough to blind a person!

Did you wonder why Corky Moss, Ronny Exel, James Weathered, Richard Patton, and Jim Lieberberger were wearing caps and creeping in the back door of the Youth Center, instead of the front?

Russell Huckaby really does quite a bit of wriggling and squirming around while he talks. We were fascinated by his movements as we watched him while he was talking to Jack Anderson and Gene Skelton.

Shouts of "Yes White" and "Yes Yellow" were heard coming from the MHS gym last Friday afternoon. The people living in the high school neighborhood undoubtedly were wondering what was going on!

GRATEFUL RAILROAD

BUTTE, MONT. —(AP)—Two Butte girls collected \$25 apiece for averting a possible train wreck. Mariene Brookbush, 13, and Joan Beckman, 12, discovered a broken rail near Rucker and notified the station agent. The Milwaukee railroad sent each girl a check.

TO PROCESS BUFFALO MEAT

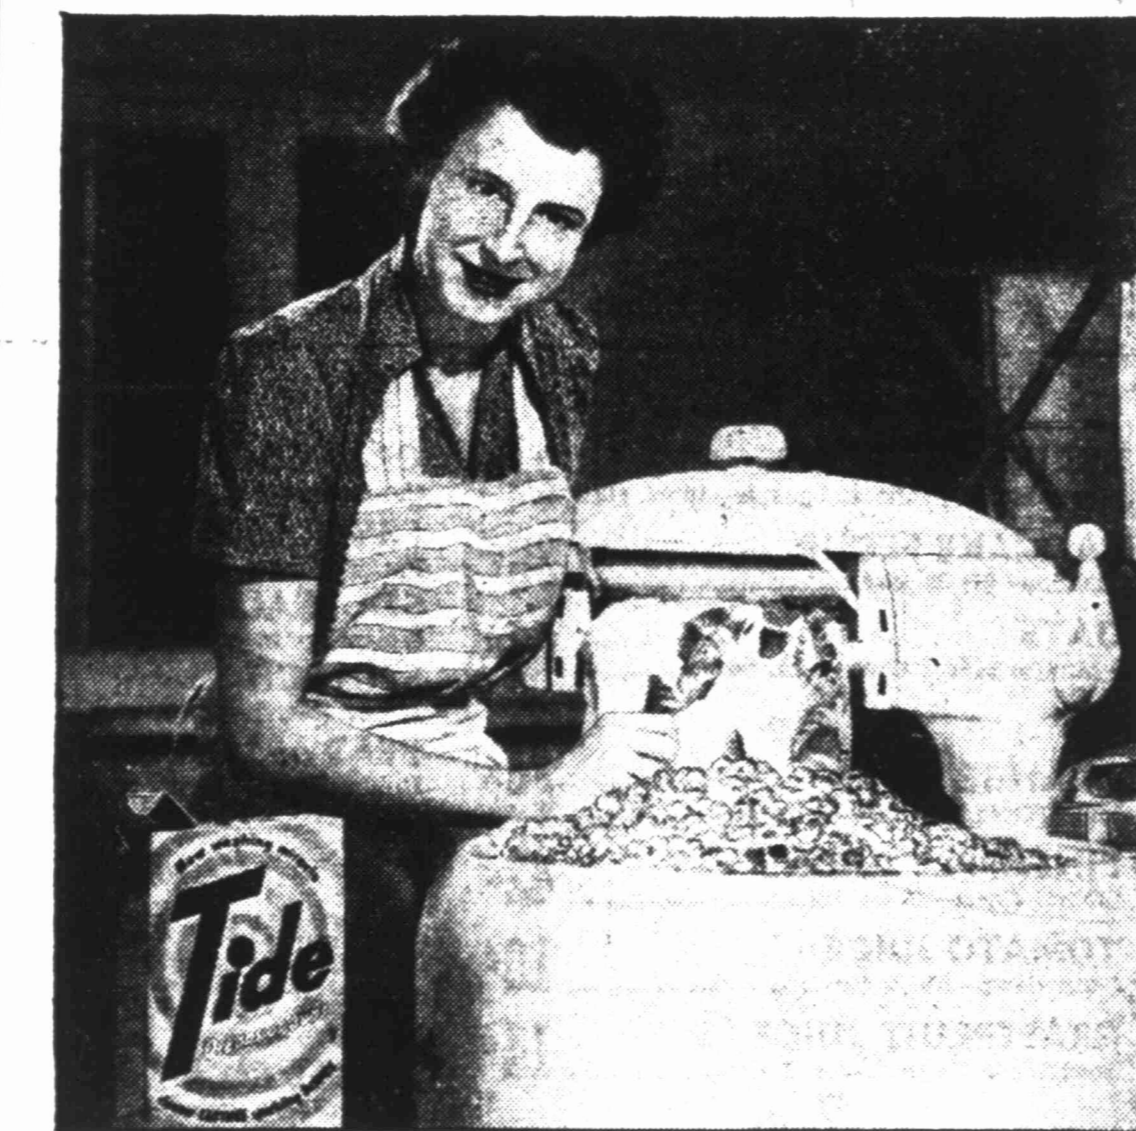

SYDNEY, AUSTRALIA —(AP)—A buffalo meat processing plant may shortly be established in Northern Australia. About 17,000 head of buffalo are shot each year in the area between Darwin and the Alligator River, 150 miles eastward.

WHY BURN BRUSH

DAVIS, CALIF. —(AP)—Worthless brushland ought to be burned over in this state for a number of reasons, says Dr. George H. Hart of the College of Agriculture here.

A DAZZLING CLEAN WASH WITHOUT RINSING!

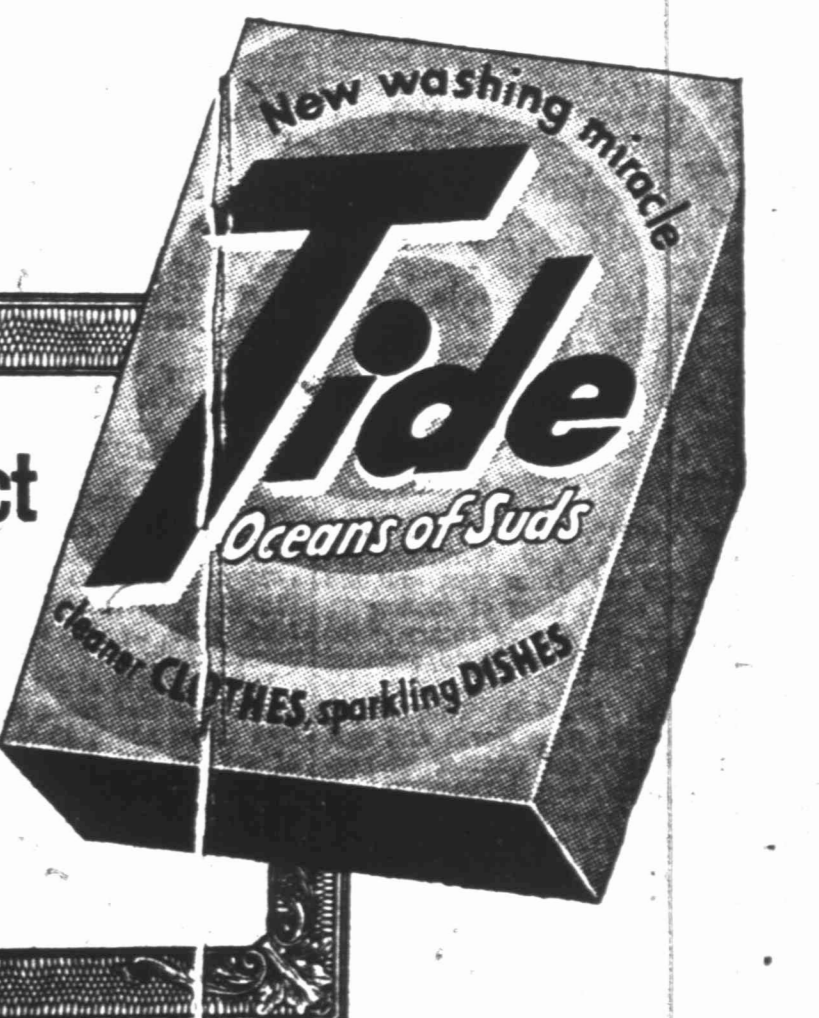

"NO MORE RINSING FOR ME!"
says Mrs. Elizabeth Davis of PORTSMOUTH, OHIO
"I didn't believe Tide could do it... till I tried it! But it's true! I took the clothes right out of those wonderful Tide suds and put them through the wringer and onto the line. And, believe me, they looked so bright and clean—I was proud to hang them up!"

TIDE cuts washday work in half! No more rinsing! Just wash... wring out... hang up!

YES, another Tide miracle has been discovered—and it's the washday news of the mid-century! With Tide in your washing machine—you can take your clothes right out of the suds... put them through the wringer and hang them on the line dazzling clean! *Without rinsing!* Hard to believe? Yes, but when you use Procter & Gamble's Tide, it's a fact—and women all over America are proving it today.

YES, **CLEAN!** You all know how clean Tide has always washed your clothes with rinsing. Actually cleaner than any other washing product you can buy. Now we'd like you to try Tide without rinsing and compare the results. It's simply unbelievable how bright, fresh and clean you can get your wash with Tide, *without rinsing.* And think of the time and work you save! So try Tide without rinsing! If you do, you'll never use anything but Tide again!

HERE'S WHY! Tide, with its miracle suds, gets the dirt out of your clothes and keeps it suspended in the sudsy water. When you wring out the clothes, the dirt runs out with the washwater... and the clothes come from the wringer white... fresh... **CLEAN!**

No other washing product known can match TIDE for getting out dirt and soap film, too

"I took my wash out of the Tide suds—wring it out—and hung it up CLEAN! I'll never rinse again!"

says Mrs. M. Hayes of WEHAWKEN, NEW JERSEY
"Tide now makes possible an amazing new kind of washday—quick and easy, almost beyond belief. Just think of all the time I'm going to save... without rinsing! And think of the wear and tear it saves on my clothes as well as on me! Thank you, Tide, for the biggest washday miracle of all!"

"My clothes dried so soft and fluffy—ironed so easily—without rinsing at all!"

says Margaret Lockwood of INDIANAPOLIS, IND.
"Talk about miracles! I take my clothes out of Tide's wonderful suds, wring them out, and the dirt runs right out with the washwater just as they say it does! And what a beautiful wash... fresh, clean, and sweet-smelling without rinsing at all! It dries soft, fluffy, easy to iron. From now on, it's Tide—and only Tide—for me!"

LOSERS TO TELEVISION
CHICAGO —(AP)—Circulation of books by the Chicago Public Library dropped four per cent in 1949. Carl B. Roden, chief librarian, attributed the decline to television. He predicted, though, that the slump would be only temporary.

Acheson Reports

(NEA Telephone) Secretary of State Dean Acheson, right, confers with Senator Tom Connally, center, chairman of the Senate Foreign Relations Committee, and Senator Arthur Vandenberg, ranking Republican on the committee. Acheson went before the committee to stem GOP protests that the Administration's Far Eastern policy is "bankrupt."

McKENNEY Answers Your CANASTA Questions

By WILLIAM E. MCKENNEY, Amateur Written For NEA Service

The material for today's article is from Richard L. Frey's book entitled "How to Play Canasta." Frey, who is a very capable author and a great player, was one of the original 15 life masters in bridge. I like the way he expresses certain points on the game of Canasta, especially his descriptive hands on the bridge field. Take this hand, for example:

YOUR HAND
 QQQ - 88 - A - 9 - 6 - 5 - 4 - 2 - 2

Four-handed—Both sides need 50 for initial meld.

Discard pile—Up-card 10.

You have made your draw. Should you make an initial meld of three queens and a deuce?

As Frey points out, you should not make this meld for round or two. After all, on the next round you may draw an ace, in which case you could meld two aces and a deuce. There is also a possibility that your opponent may discard a queen.

If you do not better the situation or your hand on the second and third round, then of course you should put down three queens and a deuce. You will always find it economical to hold your initial meld of 50 points to not more than 4 cards.

As long as you do not make the meld at once, should you discard a queen, since you still can make an initial meld whenever necessary?

Certainly not. You do not want to discard an early stage your second economical cards, the queen. Having two deuces, your partner may be short of wild cards. You have plenty of safer diamonds as long as the pack is small.

Discard the nine-spot. You do not discard the ace at this stage because, as stated before, you may be fortunate enough to draw an ace on the next round.

Deal the following hand we are dealing with 90 points.

YOUR HAND
 AA - 10 10 - 7 - 7 - K - 9 - 8 - 5 - 4 - Joker.

Four-handed—Both sides need 90 for initial meld.

Discard pile—6 - 5 - 9. Up-card 4.

You have just drawn a nine.

Brentsen Chosen For Texas JayCee Award

WASHINGTON — Rep. Lloyd Brentsen, Jr. (D-Texas) received word Wednesday he has been picked by the Texas Junior Chamber of Commerce as one of the state's five outstanding young men for 1949.

E. M. Kirkpatrick, Jr. of Abilene, president of the organization, telegraphed Brentsen notice of his selection and asked him to be in Waco, Texas, Saturday to receive the award from Texas' Gov. Allan Shivers.

Spain, the Near East and Greece for centuries furnished the world with its supply of raisins.

Texans Are First To Get Brand New Armour Product

This week, Midland housewives will find an entirely new food discovery at their grocers. It is Cloverbloom '99', perfected in a new Texas plant built expressly for this product by Collier Industries of Fort Worth, an affiliate of Armour & Company of Chicago.

Many months of research have been carried out under the direction of V. L. Turgason, Armour scientist, who developed the new table spread, which is said to be so distinctly different from other spreads that a patent has been applied for to protect the special process by which it is made. While details of the process are not made public, it is known that Cloverbloom '99' is the result of actual churning of the especially blended ingredients.

The new plant, forerunner of another new industry for Texas, features stainless steel equipment and positive quality control. All air in critical areas of the plant is purified by means of electronic filtration. This is so engineered, with air pressure from within, that whenever a door is opened, the purified air repels the entry of outside air.

Only Regret Cited

In discussing this new product, John B. Collier, Jr., said "Our only regret is that it must be called margarine. It is so different from margarine that for months, a significant percentage of housewives tasting samples of Cloverbloom '99' found it to have all the qualities of natural yellow spreads."

Cloverbloom '99' will be on sale in Midland grocery stores in yellow quarter-pound prints. Each quarter-pound is individually aluminum foil wrapped to safeguard its fresh flavor. Cloverbloom '99' also will be available in one-pound packages in the uncolored version of the same new process.

New Plan Effective For Depositing And Reporting U. S. Tax

John B. Dunlap, collector of internal revenue, Thursday reminded employers and employees of the Federal Insurance Contributions Act provides for an increase in the tax rate under that act to one and one-half per cent each on employees and employers, based on all taxable wages paid on and after Jan. 1, 1950.

Since the beginning of the Social Security Program, of which these taxes are a part, these rates have been one per cent each on employees and employers, and Collector Dunlap called attention to the change in order to prevent confusion in preparing January payrolls.

This change does not affect the rates of income tax withholding from wages, which are the same as in 1949.

In Effect Now

Employers also were reminded, however, that new regulations were effective January 1, requiring the depositing and reporting of both the FICA taxes and income tax withheld from wages.

Starting with wages paid in January, employers who are liable for more than \$100 of these taxes in one month are required to deposit them in either a Federal Reserve Bank or a commercial bank authorized to receive such deposits for transmittal to the Federal Reserve Bank.

Deposits are required for taxes resulting from wages paid in the first and second month of each quarter. Each deposit should be made not later than the 15th day of the next month, but may be made earlier if desired. Taxes for the third month may be deposited or paid with the quarterly return.

To Get Blanks

Employers will be furnished with blank copies of Treasury Depository Receipt Form No. 450 to use in making deposits. Employers will fill out the receipt as a deposit slip. After the form and remittance are received and checked by the Federal Reserve Bank, the deposit receipt will be validated and mailed back to the employer for attachment to his quarterly return.

The year 1950 also marks the nationwide adoption of a combined form for quarterly reporting by employers of income tax withheld and the employer and employee FICA taxes. The new Form No. 941, and detailed instructions will be mailed to employers late in March, in ample time for use in making the return for the first quarter of the year. This return, covering wages paid in January, February, and March, is due by April 30.

The Midland internal revenue office is located on the third floor of the courthouse.

Pledge Made With Crocodile's Tooth

DUNGA TERRITORY, BELGIAN CONGO—(P)—With songs, dances and drums, "Dekpe the First" became the sultan of 100,000 Azande tribesmen living in 30,000 square kilometers of forest in North-Eastern Congo recently. He came to the throne after vanquishing a court intrigue which arose from the fact that his father, Gilms, had 20 wives and a correspondingly abundant number of offspring, of whom 21 were males. Though not the eldest, Dekpe became the favorite son. It was his father's dying wish that Dekpe should follow him upon the throne. Dekpe was proclaimed Sultan and one by one the minor chiefs stepped forward to pay homage. Seizing a crocodile tooth, they lifted it on high, scratched the ground with it and then bowed to the new sultan, saying: "May I die in the coming year if I do not fulfill what I now pledge by the tooth of the crocodile."

Profits Are Result Of Meal Price Cut

COPENHAGEN—(P)—A Danish restaurant-keeper lowered prices on meals to the 1955-level. His restaurant was packed with guests raising the turnover by some 200 per cent. His colleagues reacted by denouncing him as a madman. But as time went by without the predicted failure other restaurant-keepers followed suit. The accountants of the restaurant-owners back the new policy as long as the turnover stays 50 per cent above normal.

DDT ENDS MALARIA

AGRIGENTO, SICILY.—(P)—This island, once plagued by malaria, has set a record of 12 months without a new case of the disease. Dr. Giuseppe Ferrara, island health director, gave the DDT spraying program, started three years ago, credit for the victory.

Spoon Bread Goes With Gravy

Substantial Luncheon — Spoon bread, a Southern specialty popular in the North as well, goes wonderfully with rich gravies.

By GAYNOR MADDOX
NEA Staff Writer

Spoon bread, a southern specialty, was originally made with white corn meal and buttermilk. But northern homemakers liked the idea and adapted the recipe to yellow corn meal and sweet milk. The Northern Golden Spoon Bread might be compared to a soufflé, whereas Dixie Spoon Bread approaches a light, more bread-like texture. Both should be served with a spoon direct from the oven casserole in which they bake.

Spoon bread may take the place of a bread or substitute for a starchy vegetable in the meal. With leftover turkey or giblets folded in, it becomes a substantial luncheon or supper main dish.

Golden Spoon Bread
(Makes 6 servings)
One cup enriched yellow corn meal, 1 cup cold milk, 2 cups scalding milk, 2 tablespoons butter or drippings, 1 teaspoon baking powder, 1 teaspoon salt, 3 beaten egg yolks, 3 stiff-beaten egg whites.

Mix corn meal with the cold milk. Slowly stir corn meal mixture into scalding milk; bring to the boiling point, stirring constantly. Remove from heat and cool to lukewarm. Add butter, baking powder, salt and beaten egg yolks, beating vigorously. Fold in stiff-beaten egg whites. Bake in a greased baking dish (1 1/2-quart size) or 6 custard cups in a moderate oven (350 degrees F.) one hour or until puffed and brown.

Serve immediately with butter or as a main dish with creamed fish, chicken or eggs.

Dixie Spoon Bread
(Makes 6 servings)
Two cups enriched white corn meal, 1 1/2 teaspoons salt, 2 cups boiling water, 1 tablespoon drippings or butter, 2 beaten egg yolks, 1 teaspoon soda, 2 cups buttermilk, 2 stiff-beaten egg whites.

Sift together corn meal and salt into mixing bowl. Add boiling water, making stiff dough. Stir in drippings and beaten egg yolks. Combine soda and buttermilk; add to corn meal mixture, stirring until smooth.

Fold in beaten egg whites. Pour into a greased baking dish (2-quart size) and bake in a hot oven (400 degrees F.) 40 to 45 minutes. Serve immediately with butter or gravy.

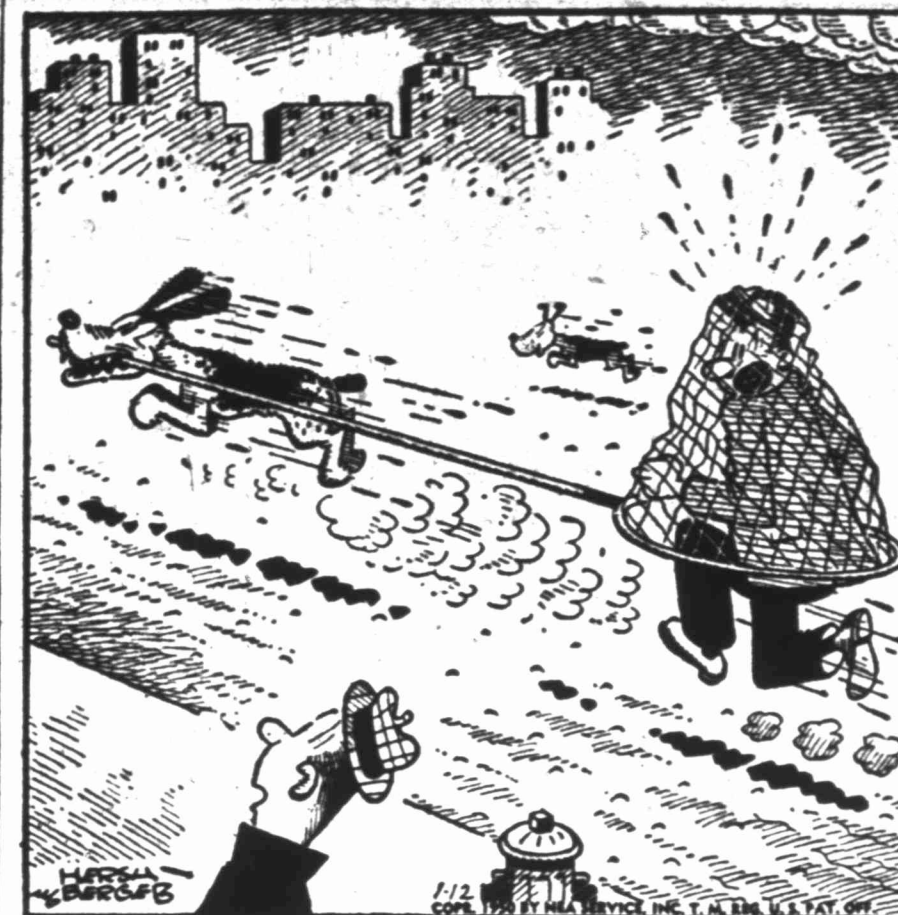

Czechoslovakia's Jews Emigrating
PRAGUE—(P)—Between 22,000 and 24,000 Czech Jews have emigrated from this country since May, 1948. Jewish sources here reported recently. About 17,000 remain. Only three or four thousand have gone to countries other than Israel.

Most of the emigration has been arranged by the American Joint Distribution Committee, Jewish philanthropic and welfare organization. The "Joint" recently announced it was cutting its staff in Czechoslovakia because its "work has been pretty much done."

"Joint" spokesmen said, however, that Jewish doctors, dentists and other professional men have not been able to obtain passports in the last five months. "This is understandable because there is a shortage of these men in Czechoslovakia at the present," these spokesmen said. Of the 17,000 Jews left in the country, "many have applied for passports to emigrate to Palestine," Jewish spokesmen said. "But it is getting harder to obtain them."

MAKING IT HARD
SYDNEY, AUSTRALIA—(P)—Three spinsters, anxious to improve their front lawn, helped themselves to some material dumped outside for road repairs and top dressed the lawn with it. The result should be interesting. The top dressing used was a three-in-one sand-cement mixture.

FUNNY BUSINESS

"I can't figure how it happened—but it did!"

Parable Of Talents — Works In England

EARLEY, ENGLAND.—(P)—When Vicar Stanley Robinson tested Saint Matthew's "Parable of the Talents" on 15 parishioners he found they had better business heads than the three servants of the Bible. To raise church funds, he gave each a shilling (14-cents)—just as the parable's hero gave one servant five talents, another two, and a third one. In the parable, two servants doubled their capital and the third brought back only the original talent. But Vicar Robinson's "good and faithful servants" turned in 11 pounds eight shillings and a penny (\$31.93) on the 15-shilling (\$2.10) investment. A bank manager spent his shillings on gasoline and charged his friends for lifts. A tailor bought a zip fastener and made a pouch that sold for two pounds five shillings. Others made and sold iron holders or built up brisk little sidelines in cigarettes, razor blades, papers and flowers.
