

No. 1 Peck, Largest Midland Well, Rates 1,056 Barrels Daily

Midland County's latest oil and gas discovery—and largest producer—General American Oil Company and associates, No. 1-E Mrs. Hal C. ("Sweeder") Peck, has been officially completed.

This important development, located 30 miles southwest of the city of Midland, and at the center of the northwest quarter of the northwest quarter of section 21, block 41, T-4-S, R-10-E, reported a 24-hour flowing potential of 1,056 barrels of 35.1-gravity oil.

The flow on the completion test was through a one-inch opening on tubing. Gas-oil ratio was 225-1. Flowing tubing pressure was 170. Casing pressure was 375 pounds.

From Perforations The production was through perforations at 13,128-246 feet in the 1 1/2-inch casing which is cemented at 13,341 feet.

The perforated interval had been washed with 1,000 gallons of mud acid. The oil was cut with a small amount of load water. No formation water was developed.

This venture flowed oil from a Pennsylvania line and from the Devonian. Both zones pay a rate of 10 to 15 cents per barrel.

General American, et al, No. 1-E Peck is five miles northwest of the multi-pay Pegasus field which is located along the Midland-Upton County line.

The 1,056 barrel per day potential reported for No. 1-E Peck is the largest production ever made by any petroleum exploration in Midland County.

Sinclair Oil & Gas Company No. 1 June T. Sanders, a direct north offset to the General American discovery, and 660 feet from south and west lines of section 18, block 41, T-4-S, R-10-E, had spudded and reached 1,060 feet in red sandstone and shale, and was making more hole. It is projected to 13,600 feet to explore into the Ellenburger.

New Reef Tapped in North Scurry

The newest Canyon reef discovery in Scurry County, Castleman & O'Neill of Midland, and associates, No. 1 Fieldman & Fieldman, 1 1/2 miles north of Snyder, and between the North Snyder and the Cogdell-Canyon fields, has been officially completed for a calculated 24-hour potential of 2,782.12 barrels of oil, and no water.

The 24-hour figure was calculated from an actual flow of 695.53 barrels of oil in six hours.

The production was natural, from open hole at 6,740-6,883 feet in the Canyon. Top of the reef is at 6,718 feet, according to electric log survey. That gives it a net of minus 4,273 feet.

This new discovery is 2,173 feet from south and 467 feet from west lines of section 651, block 97, R-2-C survey.

It is two miles southwest of the Cogdell-Canyon field in Central-South County, and it is three miles northeast of the Progress Petroleum Company of Texas No. 1 Buffalo, another recent discovery from the Canyon reef.

The No. 1 Buffalo is two and one-half miles north of the nearest completed producer from the Canyon on the north side of the North Snyder field.

Snyder Townsite To Get Deep Prospector

Another location has been picked in the Snyder townsite of Scurry County. Morris Tidwell of Kilgore will drill his No. 1 Peter Holmes to a projected depth of 8,200 feet.

The possible Ellenburger venture is in the northeast quarter of section 180, block 2, H-2-C survey, and 75 feet from east and 25 feet from south lines of lot 4, block 2, G-2-C subdivision of the Scarborough addition.

This is the sixth exploration to be spudded in section 180, which is divided into townsites—one has been completed.

This area is on the east side of the Hedley pool.

NW Outcrop Spotted To Cogdell Reef Pay

A one-section northwest outlier has been spotted in the Cogdell-Canyon reef pool, in Central-South County. Humble Oil & Refining Company, Dallas, has spotted a projected depth of 8,200 feet.

The possible Ellenburger venture is in the northeast quarter of section 180, block 2, H-2-C survey, and 75 feet from east and 25 feet from south lines of lot 4, block 2, G-2-C subdivision of the Scarborough addition.

This is the sixth exploration to be spudded in section 180, which is divided into townsites—one has been completed.

This area is on the east side of the Hedley pool.

Ellenburger Topped By Mitchell Tester

Thomas W. Dowell, and associates, No. 1 G. M. Solomon, Northwest Mitchell County widest, about 15 miles northwest of Colorado City, topped the Ellenburger at 4,223 feet.

This venture drilled to 8,250 feet and took a 23-minute drillstem test. (Continued on Page 10)

'Love Burglar' Sentenced To Die

Adair Faces Three Other Indictments

DALLAS—(P)—Handsome Fred Felix Adair, Jr., was convicted Monday of raping a Dallas housewife. He was sentenced to death.

Adair is the 26-year-old former bookkeeper accused of a series of attacks on Dallas women. Dallas newspapers dubbed him the "love burglar."

The verdict was reached by a jury in Judge Henry King's Criminal District Court. The jury received the case Saturday and was ready Sunday with its verdict, but the judge delayed hearing it until Monday.

The Dallas woman broke down on the witness stand while describing how she was raped as her two children watched. She pointed out Adair as her attacker.

Adair had denied the charge. His wife and her sister testified he was home sleeping on the night of the attack.

The tall, slender defendant is under indictment on two other charges of rape, and also has been indicted for burglary.

To Seek New Trial The jury filed into the courtroom at 8:05 a.m. and announced its verdict.

Adair himself received the verdict with composure. But his pretty young wife, who has been at his side throughout the trial, broke down and cried. Adair tried to comfort her.

Defense attorneys immediately announced they will file a motion for a new trial. They said it will be based in part on testimony of a state's witness, a woman Adair is accused in another indictment of raping.

The witness had been called to the stand to describe Adair as he appeared in a police lineup. Presumably the jury wasn't to know they were hearing the testimony of another of Adair's alleged victims.

But defense attorneys claim that in an aside, just before she stepped from the witness chair, the woman referred to her own case.

Insane Negro Kills Four, Wounds Three In Knife Rampage

NEW YORK—(P)—A 19-year-old youth, just released from a hospital for the criminally insane, slaughtered four strangers and stabbed three others in a ten-minute rampage through crowded Brooklyn streets.

The mad knifer, William Jones, a negro, finally was beaten into submission with gun butts after police persistence as along three blood-trailed blocks.

Jones, turned loose as sane last Wednesday, wouldn't tell police what made him grab a 14-inch carving knife from a restaurant and rage through the tenement district slaying at the heart of every passerby.

The four who died were white men whom Jones apparently never had seen before.

Strikes Without Warning But one of Jones' other victims, a 20-year-old negro, was a friend and neighbor. Jones cut him as the victim raised a hand in greeting.

Jones slashed the seven without warning—the way Howard Urush, crazed 28-year-old war veteran, killed 15 persons with gunfire in Camden, N. J., last September.

Terror spread through the Brooklyn neighborhood as reports of a madman wielding a knife dripping with blood came from one street and then another.

People stood frozen on the sidewalks, horror-stricken and helpless as the man killer pulled his knife from his belt, struck from behind and jabbed up his bloody tail. Other people fled screaming.

Slipped To Sidewalk The policeman in a patrol car had pulled up with the killer. Jones lunged at them with his bloody knife, but they beat it out of his hand and charged him to the sidewalk with gun butts. New Contract Brings Peace In Coal Fields

WASHINGTON—(P)—The signing of a new contract sent soft coal miners swarming back to the pits Monday—ending a serious threat to the nation's economy and promising peace in the coal fields for months to come.

For the miners, the prize they won was a \$1.40 daily "package" per man, plus a reasonable assurance of fairly steady work for at least a year and perhaps until the middle of 1952.

For the operators, it meant getting back into business.

One operator put the cost of the United Mine Workers' gains at \$250,000 this year. The extra cost to consumers may be from 25 to 50 cents a ton.

Two-Year Settlement The strike-settling contract was signed by UMW President John L. Lewis and the spokesmen for all major groups of operators—North, West, the reluctant South, and the steel-owned "captive" group at 4:30 p.m. Sunday.

Lewis told newsmen: "The United Mine Workers have again accomplished the impossible." Then he let the word be flashed to the 370,000 strikers.

"All mines will resume work." This time there was no defiance of a back-to-work order. In many districts the jubilant miners waived formal meetings and back-to-work orders. Until now they had defied orders to go back, both from Lewis and the federal court.

Some pits were ready by midnight to start pouring black energy into the fuel-starved economy. But it may be 10 days before all of an estimated 225,000 laid-off men in coal-dependent industries, such as steel and steel, will be back on the job.

A grim smile flickered now and then over the grizzled face of Lewis as he and the operators signed the contract.

Two-Year Agreement The contract runs until June 30, 1952. But it may be canceled by either party on or after April 1, 1951, upon 30 days' notice.

An end to the "able and willing to work" clause under which miners have stopped work with impunity. A limit of five days a year on the miners' "memorial" or mourning periods.

They Study Railway Labor Dispute

Here are the members of the three-man emergency board appointed by President Truman to investigate the labor dispute which had threatened a nationwide railroad strike this month. They are, left to right: Mart J. O'Malley, judge of the Indiana Supreme Court; Gordon S. Watkins, professor of economics at the University of California, Los Angeles; and Roger I. McDonough, chief justice of the Utah Supreme Court. Under the Railway Labor Act, the formation of this board automatically held up the strike for 60 days. The board has 30 days in which to make its report to the President.

U. S. Being Forced Into Slow Retreat By Soviet Methods

LONDON—(P)—Britain's Labor Party put further nationalization on the shelf for the time being Monday in a bid to strengthen its shaky hold on the helm of government.

Labor's majority, 148 seats in the last Parliament, shrank to seven seats in the February 23 elections. The government's immediate program was disclosed in a speech written by the party for King George VI. The speech, delivered at Monday's formal opening of Parliament, was one of broad generalities, notable for what it did not say rather than for what it did.

Big For Liberal Support The king made no mention of new nationalization of industries, the basic plank in Labor's pre-election campaign platform. This shelving of socialization was an obvious bid for the support of the nine Liberal Party members of the new Parliament.

The legislative program laid before the Commons was a sketchy one, touching only upon such legislation as might stir little conflict. The speech emphasized that the government will continue to give full support to the United Nations, "for it is only through an effective system of security that world peace can be assured."

The statement also promised "closest relations" with Britain's Allies in the North Atlantic and Brussels Pacts. The government, the king added, will make every endeavor to ensure the success of the Council of Europe.

At Budapest, Prague The Hungarian government—possibly in consultation with Moscow—was looking for a new way to reduce the staff of the State Department there. It finally announced that it would through a Communist party vote in the Hungarian parliament to reduce the staff of the State Department there.

At Moscow the American Embassy staff was adjusting to a heavy increase in operating costs, which after July 1 will go up 100 per cent. In revaluing the ruble last week. (Continued on Page 10)

Carter of the Mid-West Feed Yards, San Angelo, and L. M. Hargrove, Texas Technological College, Lubbock. All the animals shown in the morning show had been fed by Midland County FFA and 4-H Club members.

'Shoot 'Em Where Suspenders Cross, Prison Guards Told

HOUSTON—(P)—"Shoot at 'em when they run—and shoot to stop 'em." That's the order members of the Texas Prison Board gave prison guards Monday as a part of a three-point program to crack down on escaping convicts.

The order came as General Manager O. B. Ellis called attention of the board, meeting here, to the "wholesale" escapes at Central Prison Farm during the last two months. During January and February, 20 prisoners had escaped from the farm alone.

Prison grapevine long has had it that the guards in the system "are afraid to shoot because they won't have the backing of the Prison Board."

"Let's let the wardens, guards and inmates know that when a prisoner makes a break for it and is shot by a guard that the board will back that guard to the limit," Board Member French Robertson, Abilene, said. "And I don't believe that the guards should shoot at the escaping convicts' feet. Shoot where their suspenders cross."

Robertson said he would rather see a convict shot trying to escape than "to see some little girl molested or a citizen murdered by an escaped convict."

### Tenant Farmer On Azores Island Hits U. S. Radio Jackpot

HOLLYWOOD —(P)— A tenant farmer from the remote Azores Island of San Jorge is on his way home Monday—richer in experience and dollars than he ever dreamed.

He is Antonio Brasil, who had the good fortune to find a plastic ball on the shores of his island. Inside the ball was a note saying the finder had \$1,000 cash and \$1,000 in merchandise coming to him at the end of a free trip to Hollywood. The stunt was staged by a radio program (People Are Funny, NBC).

Brasil left his wife and 10 children and flew to Hollywood to spend a week gloriating in the luxuries of running water, and sheets on his bed.

When he gets home he plans to buy 10 acres of land with his money. Until now, his income has been about \$100 a year.

HOLLYWOOD—June Allyson and Dick Powell are "expecting." The baby they will adopt will be born in mid-March. The Jackie Coogan-Ann McCormick marriage, shaky for a few weeks, is back on an even keel. PHILADELPHIA—(AP)—Edgar Lee Masters, 81, who forsook a flourishing law practice to write "Spoon River Anthology" and other widely read poems, died Sunday night.

Masters had been retired from an active literary career during the latter part of his life and at the time of his death was a patient in a convalescent home at suburban Melrose Park.

He was stricken with virus pneumonia several days ago.

In addition to Spoon River—which made him one of the nation's most talked of poets overnight—Masters penned a number of novels, boys stories and biographies of such men as Vachel Lindsay, Walt Whitman, Mark Twain and Abraham Lincoln.

### Abundant Living

By E. STANLEY JONES

They tell us that if a rattlesnake is cornered it will become so angry that it will bite itself. That is exactly what all harboring of hates and resentments against others is—a biting of oneself. We think we are harming others in holding these spites and hates, but the deepest harm is to ourselves. For many times these resentments are dropped into the unconscious, the lid is shut down on them, and there they work their unconscious havoc. Unconscious resentments are often just as potent for disruption as conscious ones.

A young woman could not raise her arm, which seemed paralyzed. It was found that when angry, she had a secret desire to strike her mother. When the reason for the paralysis was shown and she gave up her resentments against her mother, the arm was restored to normal health again.

A similar case was that of a man who was constantly falling from his horse. He wondered why he couldn't stay on. It was discovered that he had a secret desire to commit suicide, and this falling was the outer sign of that secret desire. When he gave up the hidden resentment he held against life, then he ceased falling from his horse.

A pastor and his wife had a disagreement over their pastoral appointment—he wanted to move, and she didn't. When the bishop made the appointment and moved them she was very bitter and resentful—especially as the husband, wanted to avoid a crisis, stayed away and let her do most of the packing up! After some weeks of harboring this resentment she became ill—she could not get her breath. She went to the new appointment an invalid and rather resigned herself to a life of invalidism. When she saw that the harbored resentments were at the basis of her illness—had paralyzed the nerve fibers which control breathing and that she literally was choking herself to death by her resentments—she surrendered the whole thing to God.

O Christ, I now begin to see why Thou wert always urging man to get rid of anger and resentments and ill will, for Thou didst see by Thy penetrating eye the havoc wrought within the whole person by his hates. Forgive us that we have not seen. And forgive us that, after seeing, we do not surrender them. Amen.

### Famous Showman Dies In Hollywood

HOLLYWOOD —(P)— Sid Grauman, 70, whose lavish theater preserves for posterity the footprints of two decades of movie stars, died Sunday.

Death was caused by a heart ailment.

A master showman, he built Grauman's Chinese Theater—where stars' footprints are impressed in cement—in 1927. John Barrymore's profile, Jimmy Durante's nose and Betty Grable's legs also are imprinted in the concrete forecourt of the movie house.

## Younger Member Of Club, Jean Hawkins, Gives Solo Program

One of the youngest and newest members of the Moment Musical Junior Music Club, six-year-old Jean Hawkins, presented the entire program at the club meeting Saturday morning in the Watson Studio. Jean has been studying piano only seven months.

She played entirely from memory seven selections, announcing their own program. The program titles included "Sail Away," "Trip on a Rocking Horse," "Pretty Little Daffodil," "Playing Circus," "Marching," "The Cricket" and "A Story."

Jean had as guests for the program her mother, Mrs. Fred Hawkins, and Mrs. B. B. Cave, Myrtle and Charles Sanders. Mrs. Claude Chambers was the guest of her daughter, Patsy; Louise Ervin of her sister, Wilson and Patsy Breith of her sister, Linda.

### Club History Given

Mrs. Hawkins, Mrs. Cave and Mrs. Chambers each spoke briefly in response to introductions. Before the piano program, Jimmie Mashburn conducted a round-table discussion of musicians the club has studied and Loraine Carlson presented a brief history of the Moment Musical Club, which is the oldest federated music club in the Ninth District, Texas Federation of Music Clubs, and which has former members who now are teachers of music in several cities.

Birthday greetings were extended to Ned Watson, one of the club sponsors, and Cynthia Dupuy, Junda Bradshaw and Barbara Timmons were in charge of the attendance cards. Patsy Chambers was elected secretary to fill an office vacancy.

Other members present were Peggy Ann Flynn, Jerry Hyde, Robert Gray, Patricia Wilkerson, Patricia Ann Hickey, Toni Redden, Sara Ann Pickett, Sandra and Ann McFarland and Katrina Shelburne.

### Woman Must Learn To Stand Alone To Fight Biggest Fear

By RUTH MILLETT  
NEA Staff Writer

After reading thousands of letters from women I am convinced that the greatest fear women have is the fear of being alone and absolutely on their own.

That fear stands out in the letters from young widows who have good jobs but haven't had any luck finding a husband.

It's in letters from married women who are afraid they won't be able to hold their husbands against the attraction of some other woman.

It's in letters from young divorcees, who seem to feel the worst about divorce is being thrown on their own resources.

That same fear is expressed in letters from lonely widows who want to know how to meet a man who will offer them companionship and security.

And where that fear exists, women seem to think there is only one answer—a man to lean on.

There's another answer, though, and a much more dependable one. Cultivate Self-Sufficiency.

That is for a woman to build up her own inner resources so that she doesn't live in such fear and dread of being alone, and for her to fig-

ure out some way in which she can be self-supporting.

Until she has accomplished those two things, there is no real security for a woman, whether she has a husband or whether she doesn't.

A marriage may be broken by divorce or death. The woman without a husband can't be sure that she ever will find one she can count on to put an end forever to her loneliness and insecurity.

But if a woman knows she can count on herself, she has real peace of mind.

### Two MHS Musical Units Schedule Joint Program

Two fine musical organizations, the Midland High School Band and a Cappella Choir, will present a joint program at 7:30 p.m. Tuesday in the newly-completed high school auditorium. Purpose of the concert, sponsored by Band Director Jerry Hoffman and Choir Director R. C. Michener, is to raise funds for the modern inter-communication system now being installed in the school building.

Tickets, available at auditorium ticket windows, cost 30 cents for students and 60 cents for adults.

The two organizations have planned a varied program, including solos by band members, songs by the nine-girl "Triple Trio" of the choir, and a solo by Betty Wilson.

The new communication system, by which the concert funds will be used, is the most modern type available. With its completion, Charles Mathews, high school principal, will be able to make announcements to all rooms of the building, or to individual rooms.

By means of a radio and phonograph arrangement, programs may be piped to classrooms for instruction purposes.

A speaker in the principal's office will make it possible for Mathews to listen in on classroom instruction.

Completion of the system is expected in time for the dedication ceremonies and open house to be held Saturday.

### Animal Puppets Are In Unusual Cast Of 'Pinocchio' Show

Suzari Marionettes' "Pinocchio," scheduled by the Midland Elementary School to appear here in the High School Auditorium on Monday, March 13, is reported to have the most remarkable cast ever to appear in a children's marionette show.

In addition to a puppet playing the part of a puppet—that's Pinocchio, of course—a puppet playing the part of a human boy, and several puppets representing groynups, there's a grown man playing a puppet master and a series of animal puppets that will be certain to delight the youngsters.

The animals are a donkey, two cats, a fox, several fish, a sea horse, a tortoise and a whale so big that he can actually do—swallow two of the leading characters, in full view of the audience.

A rollicking musical puppet play on a large-scale marionette stage, with a succession of quickly-changing scenes, "Pinocchio" promises to entertain the children of Midland with its singable tunes, its lively dancing, and most of all, its familiar but always new story.

The time set for the show is 4 p.m. and the Midland Elementary Schools announce that tickets may be bought in advance at the office of any of the elementary school principals.

# Rupp Cries 'Foul' As NC State Gets NCAA Tourney Bid

NEW YORK—(AP)—Baron Adolph Rupp, the Kentucky Wildcat, is yelling "foul" Monday but it won't do any good. North Carolina State, not Kentucky, will carry Dixie's colors into the NCAA basketball tournament.

The Bluegrass coach wanted to try again for a "grand slam" this year in the NCAA and the National Invitation Tournament. But he has to settle for just the NIT.

Rupp accepted the NIT bid Sunday night immediately after Carolina State won the NCAA nod.

The Carolinians (24-5) got their invitation from the District Three Selection Committee because Kentucky declined to meet North Carolina State in a playoff.

Rupp has a different explanation. "No one on the committee or from the NCAA consulted us about a playoff," he said. Anyway, the baron added, a playoff would have been ridiculous because Kentucky's record (25-4) is much better than Carolina's.

**Bradley Has Twin Chance**  
Only cage five so far having a chance to win both crowns is Bradley. The Peoria, Ill., Braves are entered in the NIT and will play the Big Seven winner March 20 for the District Five bid to the NCAA.

Nine teams are entered in the 12-club National Invitation and the other three were scheduled to be announced Monday. The tournament begins Saturday.

Only three of the eight clubs making up the NCAA tournament have been named. They are Holy Cross (26-1), Ohio State (19-3) and North Carolina State (24-5), all in the Eastern half.

The eastern half of the NCAA is scheduled March 23-25, the western half at Kansas City March 24-25 and the title game March 28 at Madison Square Garden.

Entered in the NIT are defending champion San Francisco (19-6), Kentucky (25-4), Long Island U. (20-4), St. John's (22-4), Syracuse (17-7), LaSalle (19-3), Duquesne (22-3), Bradley (27-3) and Western Kentucky (24-5).

Candidates for the three remaining NIT spots are Kansas State (15-6), CCNY (15-5), Niagara (20-6), Cincinnati (18-5), Toledo (23-6), Villanova (24-4), Eastern Kentucky (16-6) and St. Louis (15-9).

Final make-up of the NCAA tournament will come March 20.

## Burke Wins St. Pete Open But Forced To Sweat At Finish

ST. PETERSBURG, Fla.—(AP)—Jack Burke shot four great rounds of golf and needed them to grab the St. Petersburg Open title Sunday.

The curly-haired young pro from White Plains, N. Y., matched Sunday's 69 for a 72-hole total of 272-12 under par.

When a golfer shoots 67-67-69-69—272 over a par 71 golf course and then has to sweat it out to be sure of victory, the competition is tough.

Burke's four great rounds thus did win the St. Pete but it was a close finish. The handsome young fellow saw Chick Harbert and Toby Lyons both bid to take away his victory.

Going into the final round Harbert had tied Burke at 203 by shooting two sensational rounds of 65.

Lyons had 205.

Just as Burke birdied the 18th hole, word came that Lyons scored a hole in one on the 15th. Three pars would tie him for the lead but went over par on the 16th and 17th and parred the last one.

Barely Misses  
Harbert needed an eagle on the last hole to deadlock Burke. Harbert stroked an 18-footer that scarcely missed doing it.

Harbert, who is from Northville, Mich., and was tied with Burke at the three-quarters mark, got around the last 18 holes in just 70—one under par—and finished second with 273.

Lyons of Warren, Pa., was one stroke farther back at 274 for third.

## Track Team Starts Third Drill Week

Midland High School's track and field squad launches the third week of drills Monday and selections of entries for the various events are expected to be made this week.

The Bulldogs look strongest in the mile, high jump, hurdles and 400-yard dash events. John Klinger appears to be a district threat in the mile run.

Harrie Smith, a letterman last year, is the leading hurdle candidate but has strong opposition from several opponents. Several 440-yard dash men have shown good form in early workouts. Ralph Brooks appears to have the inside track for the high jump event.

Several field entries are expected to be decided during the week's workouts.

## Cathedral, El Paso Wins Catholic Crown

## REDFLEG MOUND ACES SHOW PLENTY OF STUFF

TAMPA, Fla.—(AP)—Ken Raffenberger and Herman Wehmeier used an intra-squad game Sunday to give Manager Luke Sewell of the Cincinnati Reds a very pleasant Sunday.

Veteran "Raffy" needed only 17 pitches to retire the side in the one inning he hurled. Wehmeier, pitching for the loser, faced 11 men and gave up only one hit.

## ROOKIE SHORTSTOP PAGES CARD SLUGGERS

ST. PETERSBURG, Fla.—(AP)—A 22-year-old shortstop who came up from the Omaha Western League team gave the best performance in the St. Louis Cardinals first intra-squad game Sunday.

## CLEVELAND FLYCHASER HITS 'EM BOTH WAYS

TUCSON, ARIZ.—(AP)—Right-handed pitching, left-handed hitting—it's all the same to Thurman Tucker.

By The Associated Press  
Arizona can win the Border Conference basketball title Monday night by beating Hardin-Simmons in Tucson.

For Hardin-Simmons to finish on top it must (1) break Arizona's string of 64 consecutive victories on its home court, (2) beat tricky Temple Tuesday night and (3) trip last-place Flagstaff Wednesday. They are the only conference games this week and bring the conference play to an end.

Hardin-Simmons can lose one game—so long as it isn't to Arizona—and finish in a first place tie.

**Arizona Hits Skids**  
Last week was costly to Arizona. When it hit Texas for three road games it was ranked fifteenth in the nation with a 24-2 record; it appeared to be headed for the NCAA of National Invitational tournaments, and appeared to have its fifth straight conference title wrapped up.

Then it lost to Hardin-Simmons and West Texas. In doing so it probably lost its national rating and probably gave up its chances of being invited to the Madison Square Garden event.

Arizona still has high hopes of being selected to represent District Six in the NCAA playoffs.

Hardin-Simmons is the most surprising team in the league. It was supposed to finish in the second division. It showed nothing in early-season games, losing two of its first four conference dates. Since then it has won nine in a row.

## TEXAS LEAGUE CLUBS Plan Tune-Up Games

By The Associated Press  
The Texas League clubs swing into the exhibition schedule next week end.

One hundred fourteen tune-up games are carded before the regular season opens April 11.

They'll be playing all the way from Little Rock to Memphis, Corpus Christi and Lubbock.

Fort Worth and Oklahoma City, training in Florida, won't start their exhibition tours until early April but the other clubs will be at it hot and heavy starting next Saturday, when Dallas and Houston clash at Corpus Christi.

Nashville, Indianapolis, Milwaukee, New Orleans, Little Rock and Memphis are among the top minor league clubs to be played while major league clubs scheduled are Brooklyn, the Philadelphia Phillies, Chicago White Sox, Chicago Cubs, St. Louis Browns and St. Louis Cardinals.

## Brown Bomber Slates Exhibition In Odessa

NEW YORK—(AP)—Houston and three West Texas cities will get a chance to see Joe Louis, former world's heavyweight champion, soon.

Louis announced Sunday night that his boxing exhibition tour through the South has been extended another two weeks. The new schedule includes a four-round exhibition in Houston on March 14, Amarillo on March 15, Lubbock, March 18, and Odessa, March 20.

## GRUVER'S LESLIE CATOR AND BIG KELLY JIM DUNCAN OF CAYUGA WERE THE ONLY UNANIMOUS CHOICES.

Gruver's Leslie Cator and big Kelly Jim Duncan of Cayuga were the only unanimous choices. Gruver, Class B champion, and Canyon, Class A titlist, were the only schools to place more than one man on the teams.

The sports writers' selections:  
Class B—Leslie Cator, Gruver; Lynn Hart, Gruver; Kelly Jim Duncan, Cayuga; Norman Mische, Waelder, and James Hatton, Warren.

Class A—Troy Burrus, Canyon; Billy McCurry, Birdville (Fort Worth); Joe Abbott, Canyon; Richard Zamora, South San Antonio, and Loyd Kilpatrick, French (Beaumont).

Class AA—Doyle Brunson, Sweetwater; Johnny Crouch, Vernon; L. G. Dupre, Texas City; Billy Word, Austin (El Paso); and Ronnie Sizemore, Corpus Christi.

Hart and Burrus lacked just one vote of being unanimous choices.

West Texas dominated the tournament, winning two championships, placing three teams in the Class AA semi-finals and almost monopolizing the all-tournament teams.

**Honorable Mention**  
Honorable mention for all tournament honors included:  
Class B—Rex Hitt of Forreton, Robert Fletcher of Gruver, Tommy McCollum of Cayuga, Pat McCrory of Waelder, Howard Morrow of Waelder, Hal Johnson of Cayuga, and Wayne Loyd of Forreton.

Class AA—Homer Bond of Teague, Steve Sanchez of South San Antonio, Johnny Vick of South San Antonio, Gorman Wiseman of Birdville (Fort Worth), Ray Burrus of Canyon, Garland Butler of Canyon, and Frank Harvey of French (Beaumont).

Class AA—Robert Knight of Corpus Christi, Billy James of Vernon, Gary Sides of Austin (El Paso), Lynn Mullen of Austin (El Paso), Jerry Norton of Texarkana, Carl Nunn of Sweetwater, Lloyd Giles of Texarkana.

## Final Games of the Regular City Cage League Season Are To Be Unreel Monday Night

Final games of the regular City Cage League season are to be unreel Monday night in Junior High School Gymnasium with Rotary Engineers and Ted Thompson meeting in the opening game and Mobli facing the JayCees in the last game.

First game time is 7 p.m. Monday night's games will have little effect on the outcome of the league. Playoff berths already have been decided and the top teams are expected to begin a best two-out-of-three series playoff schedule Wednesday night.

Rotary Engineers, with a record of nine wins against no defeats, has clinched first place in the final standings. Ted Thompson is second with a 7-2 record. Watkins Mobli and the JayCees have already nailed down the other two playoff berths. Mid-West Lumber and the VFW have no chance left to get into the playoffs.

## HAL, FREDDIE SIGN UP LAKE LAND, FLA.

Arrival of pitchers Hal Newhouse and Freddy Hutchinson in the Detroit Tiger fold over the weekend brought the club to full strength. Both reached contract terms with the Club Saturday night.

## W. W. HAYNES, SPORTSMAN AND MEAT WHOLESALE, FORT WORTH

Yes, I changed to the new Pale Dry GRAND PRIZE night before last. And I'm recommending it to anyone who likes a pale dry beer!

E. W. Haynes, sportsman and meat wholesaler, Fort Worth

I changed to Pale Dry GRAND PRIZE when a neighbor had me try a bottle. She was pleased with it, and so was I once I tried it.

Mrs. Howard S. Lindhart, housewife, Austin

I didn't change at all. I always have liked GRAND PRIZE—and this new pale dry flavor makes it better tasting than ever.

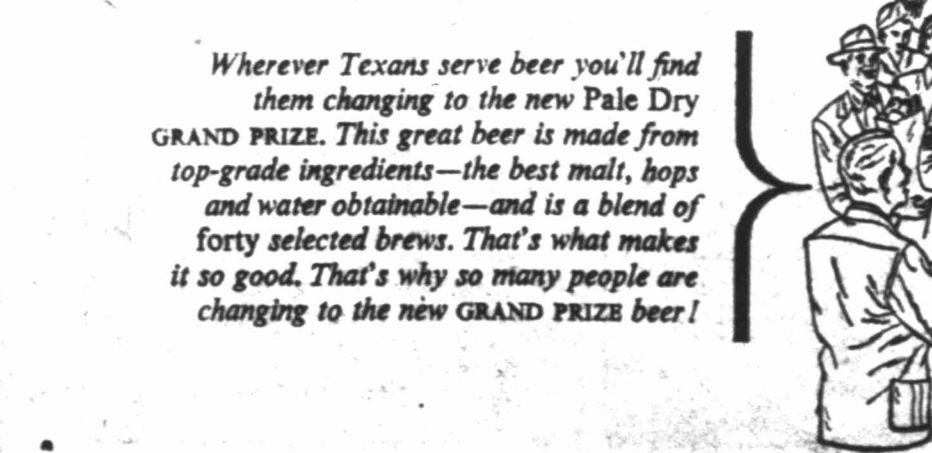

J. N. Skoda, manager, manufacturing plant, Dallas

I changed as soon as I tasted it! I've always preferred a mild, light beer and the new Pale Dry GRAND PRIZE hits me just right.

Chas. L. Brady, chief radio engineer, San Antonio

Wherever Texans serve beer you'll find them changing to the new Pale Dry GRAND PRIZE. This great beer is made from top-grade ingredients—the best malt, hops and water obtainable—and is a blend of forty selected brews. That's what makes it so good. That's why so many people are changing to the new GRAND PRIZE beer!

# DADDY RINGTAIL

By WESLEY DAVIS

## Daddy Ringtail And The Sad Whispers

Daddy Ringtail, your monkey friend, was walking along the Elephant Path when he heard a little whisper inside a tree. He had never heard a whisper there before.

"I'll have to see who it is," Daddy Ringtail said to himself. He started to peep in the hole in the tree where the somebody was, but then the whisper said: "Oh me and oh me!"

my! It's a sad, sad day." Daddy Ringtail knew then who the somebody was. He started to say the somebody's name, but the whisper said: "Don't say my name!" It's a sad, sad name, and it makes everyone sad who says it.

"I won't say your name," Daddy Ringtail promised.

"Don't look at my face," said the Sad, Sad Somebody. "It's a sad, sad face. It makes anyone sad who sees it."

"I won't look at your face," Daddy Ringtail promised. He knew that he was talking to a Sad, Sad Somebody whose name was much too sad to say.

"And Oh me and Oh my!" said the Sad, Sad Somebody. "It's such

a sad, sad day!" It really wasn't a sad, sad day at all, you know, but the Sad, Sad Somebody thought that every day was sad. He always thought that every day was sad. And though, of course, everyday wasn't, nobody could make him think any differently, and everyone called him the Sad, Sad Somebody. His real name was much too sad, believe me, for anyone to say.

"Sad, Sad Somebody," Daddy Ringtail said, "would you please tell me why you're standing here and whispering your sad whisps?"

Said the Sad, Sad Somebody: "I don't want anyone to hear me, because all I can whisper is what a sad, sad day it is." And the sad, sad voice kept whispering: "Oh me and Oh my! But it is a sad, sad day!"

It made Daddy Ringtail almost sad to hear it. It would have made him sad if he had stayed any longer to hear it. And I think the Sad, Sad Somebody was doing right to hide in a tree where he couldn't make anyone else unhappy... if... and I said "if"... if he can't learn to be happy like everyone ought to be. Happy day!

"And Oh me and Oh my!" said the Sad, Sad Somebody. "It's such

## 13 Violent Deaths Recorded In Texas In Weekend Period

By The Associated Press

A seven-year-old boy smothered to death when a wall of dirt caved in at El Paso. His was one of 13 deaths by violence in Texas during a period from Friday midnight through Sunday.

The boy was James E. Taylor. His father, Maj. James K. Taylor of Fort Bliss, was among 39 men whose frantic, two-hour effort when the accident occurred Sunday failed to save James.

Traffic accidents accounted for ten of the deaths. Most of them occurred Sunday.

Near Pharr, Eutiquio Equibel, 17, and Tomas Garza, 18, both of San Juan, and Barbara Oliver, 17, of Mission, were injured fatally in a two-car accident.

Labcock Crash Victim

C. B. Lively, 57, of Lubbock, died when his auto went out of control and crashed eight miles north of Plainview.

Wilfred Earl Weller, 22, and Earl Stanley Holleman, Jr., 22, both of San Antonio, were killed when their auto overturned near Cibolo, Guadalupe County. Russell I. Merritt, 25, of Lawrenceville, Ga., was hurled to his death from an auto which overturned in Bexar County.

A head-on auto collision near Colorado City left James Robert Henry, 47, of Dallas, dead. Near Sinton, Allen Jackson, 25, of High-

lands, Texas, was killed in a truck-auto wreck.

An unidentified 50-year-old man was struck and killed by a car at Dallas. The South Dallas Funeral Home for negroes said his clothing bore a laundry mark, "R. C. Greer."

Barney Crockett, 45, of Corpus Christi, died after he fell or was struck a blow on the head. Police questioned a man.

At Dallas Saturday, John Claude Proctor, 55, fell to his death from the top of the Wilson Building.

The El Paso boy and a companion, Phillip Fred Hanson, eight, were standing on a cliff when it gave way. Phillip suffered a ruptured kidney and a possible back injury when chunks of the falling dirt hit him. But he managed to crawl several blocks to his parents home.

Major Taylor and a group of neighbors rushed to the spot where James was buried under tons of fallen sand and dirt. They tore at it with their hands. City rescue squads arrived, and city jail prisoners were pressed into service with shovels to dig the boy out. When his body was found efforts to revive him failed.

**FIRST PRESIDENTIAL DEATH**

First President of the United States to die in office was William Henry Harrison. He also was the first member of the Whig Party to be elected and had the shortest term in American history, just 30 days.

Quick Passage Of Anti-Red Bill Seen

WASHINGTON (AP)—Senator Mundt (R-SD) Monday predicted speedy congressional approval of a bill he said will force the American Communist Party to sever its ties with Russia. The bill, requiring registration of all Communists and of the officers of Communist-front organizations, got 12 to 1 approval by the Senate Judiciary Committee over the weekend. Mundt said Rep. Nixon (R-Calif) will offer an identical measure in the House.

"The atmosphere is right for passage of this bill at this time," Mundt told a reporter. "In view of the Fuchs case in Britain, the His case and others in this country, I believe Congress is ready to do something to stamp out the subversive menace. "This bill will not outlaw the Communist Party but it will cut the cord by which it is connected with Moscow."

Slow Retreat-

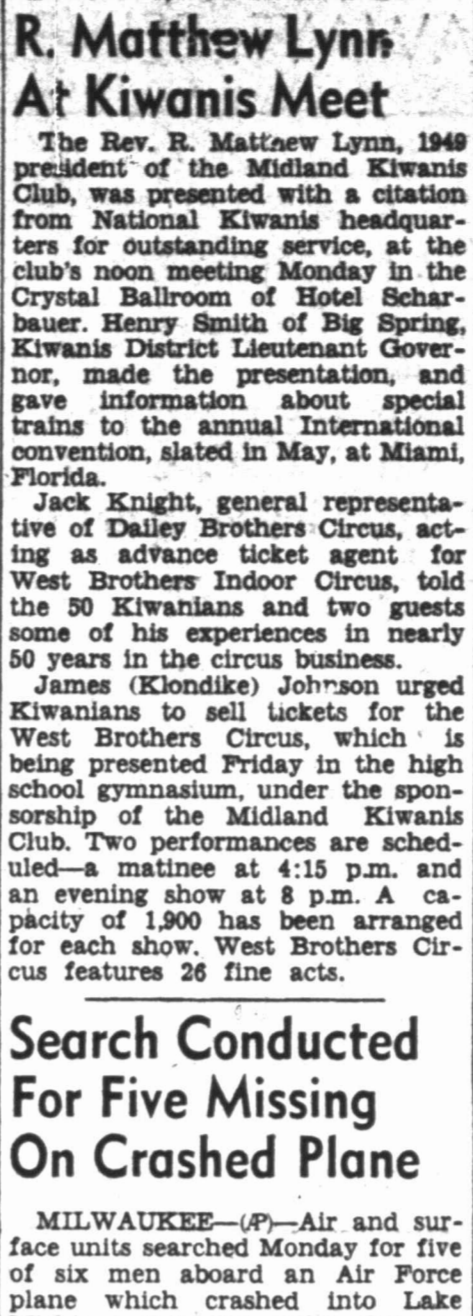

(Continued From Page One) the Kremlin knocked out the eight-to-the-dollar special rate for diplomats, cutting the exchange to six-to-one on March 1 and to four-to-one on July 1. The State Department is convinced that all along the line the Russians and their satellite governments are trying to seal up the cracks which remain in the Iron Curtain. It was in this process that scholarly Michael Shipkov got caught last August. What happened to him was one of the events which led to the break in American-Bulgarian relations.

Have A Laugh By BOYCE HOUSE The race for governor in Minnesota was so close one year that it was believed that the Scandinavian farm vote would decide it. So two political leaders set out to try to learn how sentiment was. They called at the home of Ole Yonson and asked, "How is Brown running?" The Swede looked blank. "Well," one of the visitors inquired, "how about Jones?" Still, Ole looked puzzled. The other visitor spoke up, "Mr. Yonson, who do you think has the best show?" Ole's face lighted up as he said, "Ringing Brothers—dey haf de best show."
