**Texas No. 1-X State  
In NW Martin Flows  
Oil From Devonian**

Possible commercial production from the Devonian has been developed in the Texas Company No. 1-X State, deep wildcat in North-West Martin County.

On its first drillstem test in the Devonian at 12,149-32 feet, the tool was open two and one-half hours.

Mud surfaced in one hour and seven minutes and was flowed to pits for 23 minutes. On then replaced the mud, the flow was turned into tanks. In the next hour, the well flowed 31 barrels of 44-gravity oil and no water, through a one-inch choke.

When the pool was closed, the fluid remaining in the drill pipe was circulated out. Recovery is reported to have been 50 feet of mud and oil and 180 feet of water. The source of the water has not been identified.

Gas volume on the test was rated at 30,000 cubic feet per day.

The venture is now circulating while waiting on orders. Operators may run another test without drilling deeper.

Top of the Devonian was picked at 12,228 feet. Ground elevation is 2,934 feet.

This possible discovery is 660 feet from north and 1,980 feet from east lines of section 17, block 7, University survey, and 11 miles north of the Mabee pool.

**Midlander Acquires  
Minerals In SE  
Midland-NE Upton**

Ralph Lowe of Midland has acquired a one-half interest in the minerals under a spread of 18,885 acres in Southeast Midland and Northeast Upton Counties, according to a deed recorded Tuesday in the office of the County Clerk of Midland County.

The mineral purchase was made from Louise Hutt Shaeffer and husband, William H. Shaeffer of Kansas City. The deed states that the purchase price was \$10,000 and other valuable considerations.

**Around Deep Wildcat**

The spread is in an area where Humble Oil & Refining Company is drilling a deep wildcat as its No. 1 Midkick. That venture spudded Monday. It is located 660 feet from north and west lines of section 46, block 32, TP survey, T-4-S, The Humble No. 1 Midkick is 15 miles east of the Pegasus field.

The acreage included in the Lowe-Shaeffer mineral trade includes sections 27, 28, 29, 32 and 34, in block 37, TP survey, T-4-S. Sections 6, 8 and 18 in block 37, TP survey, T-4-S. Sections 2, 4, 10, 11, 12, 13, 14, 16, 32, 40, 41, and 44, in block 38, TP survey T-4-S, and sections 4, 5, 7, 8, 9, 10, 15, 16, and 17 in block 38, TP survey, T-5-S.

No official information has been released regarding the actual amount paid for the minerals.

**Sweetie Peck Flanker  
Develops Clean Oil**

Trebol Oil Company No. 1 Peck, half-mile west outpost to the discovery well of the Peck field, has recovered clean oil on a drillstem test in the Pennsylvania.

On the test at 10,405-494 feet, recovery after three hours was 180 feet of clean oil, and no water. Operators were reported to be drilling ahead.

The Trebol venture is 1,980 feet from east and 660 feet from north lines of section 20, block 41, T-4-S, T&P survey, and approximately 20 miles southwest of the city of Midland.

**Stantex To Reenter  
Plugged Scurry Test**

Standard Oil Company of Texas No. 7 Tom C. Davis is to be a work over job of an old Ellenburger failure on the northwest side of the North Snyder Canyon field in North-Central Scurry County.

The project is 660 feet from south and west lines of section 339, block 87, H&TC survey. It is approximately five miles north and slightly west of the town of Snyder.

It was originally drilled by Humble Oil & Refining Company as that concern's No. 1 Davis.

The venture penetrated to a total depth of 8,027 feet in the Ellenburger. That formation was barren and the wildcat was abandoned on January 27, 1947. So far as is known it did not test the Canyon or any other zone of the Pennsylvania.

That prospector was completed before Canyon line production was discovered in the North Snyder field. Producers from that formation have been completed offsetting the deep failure.

Standard of Texas proposes to clean out the old hole to about 7,000 feet, set casing and try to develop production from the Canyon reef line. Cleaning out operations are to begin at once.

**Wildcat Staked In  
C-S Cattle Area**

John R. Less and Stekol Petroleum Company have filed an application with the Railroad Commission of Texas for permission to drill 6,000-foot wildcat in Central-South Cottle County.

Less and Stekol No. 1 T. J. Richards Estate will be 1,700 feet from

**Maragon Case May  
Reach Jury Tuesday**

WASHINGTON —(P)—The Texas rested Tuesday in the John Maragon perjury trial. Opposing lawyers said the case probably would go to the jury in the late afternoon.

Both sides were ready to make closing arguments for the jury. Only the judge's charge would be left to complete the case.

**Senators Cold To  
British Pleas For  
More U. S. Dollars**

WASHINGTON —(P)—Cold opposition was raised in the Senate Tuesday to Britain's proposal that the United States shoulder part of Britain's \$9,000,000,000 debt to the sterling bloc nations.

Three leaders spoke out vigorously against it and their position was believed to reflect a general feeling among lawmakers.

Here is what they had to say:

Chairman Connally (D-Texas) of the Senate Foreign Relations Committee: "The British proposal is astounding. It is my view that the United States cannot and should not entertain the British plan."

Senator Taft of Ohio, chairman of the Republican Senate Policy Committee: "It is an extraordinary presumption on their part to ask us now to assume their debts."

Senator Wherry of Nebraska, Republican Senate floor leader: "I am not in favor of giving any further aid to Britain."

The British proposal was announced Monday as an "exploratory" plan being considered by high Administration officials. It would call for the United States to take care of a big share of Britain's debts to India, Pakistan and Southeast Asia.

**Telephone Strike May Be Halted**

**200 Midland  
Phoners Wait  
For Deadline**

Approximately 200 Midland telephone operators and maintenance workers are preparing to walk off their jobs at 6 a.m. Wednesday unless a scheduled nationwide strike of CIO Communications Workers is canceled, Leo Mears, district chairman of the Communications Workers of America, said Tuesday.

A meeting has been called at 8 p.m. Tuesday in the Carpenters Hall for Midland employees to map final plans for conducting the strike.

"We will be ready when they call the walkout," Mears said. R. A. Lynn will direct the strike after it gets underway here.

Top sources here said slim hopes Tuesday of a strike avert. If the walkout goes according to schedule, virtually all telephone service in Midland will be affected. Mears indicated the strike has been planned and that a complete walkout of 100 per cent of the employees is anticipated. Only cities where dial service is in effect will be able to have local phone service.

**Newsmen  
Warned Of  
Propaganda**

NEW YORK —(P)—William Dwight, general manager of the Holyoke, Mass., Transcript-Telegram, said Tuesday that "clever propagandists" are using newspapers "to put their subversive ideas across."

Dwight was among speakers at the first session of the sixtieth annual convention of the American Newspaper Publishers Association.

Dwight said in a prepared speech that a major problem of a free press is "the drift in this country toward a welfare state, toward socialism, toward anything you want to call it."

"Everything which has made America the envy of the world," he said, "we are now throwing away for a phony security and a creeping collectivism."

He urged publishers and editors to resist the propaganda of pressure groups which "to gain their objectives would be willing to destroy our free press and the personal liberties we cherish."

"We print columns of propaganda," Dwight said, "under the guise of news advocating those things which we know threaten to destroy us. We justify it on the basis that we are broadminded and want to give both sides of the story."

"If we only would give both sides of the story. Instead, the clever propagandists are using us to put their subversive ideas across while many of us stand by silently."

**Staunch Red Party  
Member New Czech  
Minister Of Defense**

PRAGUE, CZECHOSLOVAKIA —(P)—The official Czech news agency Tuesday announced one of the government's staunchest Communist Party members, Dr. Alexej Cepicka, had been named minister of defense.

Cepicka, son-in-law of President Klement Gottwald, has been minister of justice and head of the state office for church affairs.

He succeeds Ludvik Svoboda, who the agency said had been relieved of his post "by his own request" and now becomes a vice premier and director for the state office of physical culture.

The cabinet shakeup came in the midst of widespread trials of alleged spies and saboteurs. Over the weekend 47 persons were sentenced and state courts are trying another 18.

Observers in London said the wording of Gottwald's message to Svoboda, expressing "appreciation and thanks" indicated the government shakeup was not in the nature of a purge.

Cepicka, 39-year-old Communist firebrand, in his previous posts led the state's fight against the Roman Catholic Church and pushed the stringent church control laws through the National Assembly.

**Senators Cold To  
British Pleas For  
More U. S. Dollars**

WASHINGTON —(P)—Cold opposition was raised in the Senate Tuesday to Britain's proposal that the United States shoulder part of Britain's \$9,000,000,000 debt to the sterling bloc nations.

Three leaders spoke out vigorously against it and their position was believed to reflect a general feeling among lawmakers.

Here is what they had to say:

Chairman Connally (D-Texas) of the Senate Foreign Relations Committee: "The British proposal is astounding. It is my view that the United States cannot and should not entertain the British plan."

Senator Taft of Ohio, chairman of the Republican Senate Policy Committee: "It is an extraordinary presumption on their part to ask us now to assume their debts."

Senator Wherry of Nebraska, Republican Senate floor leader: "I am not in favor of giving any further aid to Britain."

The British proposal was announced Monday as an "exploratory" plan being considered by high Administration officials. It would call for the United States to take care of a big share of Britain's debts to India, Pakistan and Southeast Asia.

**London And Paris  
Get Snow Tuesday**

LONDON —(P)—Snow fell in London and Paris Tuesday.

Temperatures dipped to unseasonably low in Britain, France and Belgium.

The freak weather skipped over Scandinavia and Russia. It was the warmest April 25 for 70 years in Moscow, where the mercury climbed to 85 degrees Fahrenheit.

A heavy snowfall blocked roads in Scotland.

Italy has had three weeks of stormy cold.

**Navy Plans 112 New  
Vessels Including  
Atom-Powered Sub**

WASHINGTON —(P)—The Navy Tuesday disclosed plans to build radically new type submarines—one to be atomic powered—and to convert a cruiser into a guided missile combat vessel.

These construction plans were made known in a request to Congress for authority to build 112 vessels of varying types.

Adm. Forrest Sherman, chief of Naval operations, told the House Armed Services Committee the recommendations were put before Secretary of Defense Johnson on February 13.

Sherman said the proposed program would cost \$335,000,000.

**Pecos Man Named  
Rotary Governor**

CARLEBAD, N. M.—Sloan Paxton of Pecos, Texas, Monday afternoon was elected governor of District 170, Rotary International, during the balloting period at its annual three-day convention which opened here Sunday. He succeeds George Dowdle of Deming, N. M., also a candidate for the governorship.

More than 300 delegates from the 39 clubs in the West Texas-New Mexico district are registered for the convales.

Floyd Golden of Portales, N. M., a past-district governor, was the principal speaker at the Monday sessions.

**Colombia-Bound Planes Detained**

Capt. J. R. Davidson of the Houston Police Department, whose men helped Federal agents detain three Colombia-bound planes, looks over 25 pistols and 1,000 rounds of ammunition taken from the planes.

**Truman Fails To  
Convince Critics**

WASHINGTON —(P)—President Truman's assertion that all Communists have been tossed out of the government failed Tuesday to convince Republican critics.

They also challenged the President's statement that the Communists at home aren't a great threat to this country. That just doesn't jibe with FBI reports, they contended.

In a speech to present and former government lawyers, broadcast to the nation, Truman said Monday night:

"There is no area of American life in which the Communist Party is making headway—except in the deluded minds of some people."

Senators Wherry of Nebraska, the GOP leader, Brewster (R-Me.), Ferguson (R-Mich.) and Mundt (R-SD), went ahead with their demands for a broadened investigation of State Department workers and former employees, whereas Truman stated, "Not a single person who had been adjudged to be a Communist or otherwise disloyal remains on the government payroll today."

No Threat From Within

Senator McCarthy (R-Wis.) commented, "His apparent indifference to the greatest threat ever faced by this nation is impossible to understand." McCarthy has been charging that the State Department is a haven for Communists.

The President told the Federal Bar Association in his speech:

"We know the greatest threat to us does not come from Communists in this country, where they are a noisy but small and universally despised group. The greatest threat comes from communism abroad, where the center of its military and economic strength lies."

"The real danger is that communism might overrun other free nations and thus strengthen itself for an ultimate attack on us."

Although the President spoke of the government's loyalty program as "an outstanding success," a Senate Foreign Relations subcommittee prepared to check the operations of the State Department's Security Division. Senators Green (D-RI) and

**Railroad  
Walkout  
Delayed**

WASHINGTON —(P)—The government pushed for rail labor peace meetings Tuesday after averting a serious strike due Wednesday on several key railroads.

Francis A. O'Neill, Jr., chairman of the National Mediation Board, said negotiations will be started soon in Chicago in an effort to solve a union demand for an extra fireman on big diesel locomotives.

The union, the Brotherhood of Locomotive Firemen and Engineers, agreed Monday night to a two-week truce proposed by O'Neill. This postpones the strike deadline from Wednesday morning to May 10.

The deal, however, has been discussed so many years in rail-labor relations without a solution that prospects for any settlement in the two-week truce period seemed rather dim.

Embargoes Lifted

The strike was to have been directed at four major railroads, including all of the Southern Railway System and the entire Atchafalaya, Topeka and Santa Fe.

Also, the strike would have closed down the Pennsylvania Railroad west and north of Harrisburg, Pa., and the New York Central west of Buffalo, N. Y., and three of its divisions, the Michigan Central west of the Detroit River, the Big Four and the Ohio Central Lines.

The Pennsy ordered an embargo—but lifted it after the strike postponement—on all long distance passenger traffic and all Western freight traffic. An embargo also had been ordered on livestock and perishable freight by the Santa Fe. It too, now has been lifted.

Presumably these embargo orders will be reinstated if the mediation board's peace efforts fail.

**High Unionist  
Sees Hope Of  
Making Peace**

NEW YORK —(P)—A CIO Communications Workers of America official said Tuesday there is "a possibility" that the union will delay its nationwide telephone strike set for 6 a.m. Wednesday. The official, who holds an important place in union councils, would not permit himself to be identified in revealing the postponement possibility.

NEW YORK —(P)—Hopes dimmed Tuesday of halting a threatened nationwide telephone strike Wednesday morning.

No one had a cheerful word about settlement of a demand for a "package" 37-cent hourly wage increase for 204,000 CIO Communications Workers of America employees of the vast Bell Telephone System.

Almost 10,000 CWA equipment workers already were on strike against the Western Electric Company, manufacturing arm of the Bell System. They were under union orders to jam long distance lines.

All CWA Bell employees were due to go out at 6 a.m. local time, Wednesday unless there was a last-minute settlement. President Truman's secret strike truce expires at midnight (EST).

In Washington, Presidential Secretary Charles G. Ross said he knew of no plans for Truman to act to head off the strike.

In Washington, Conciliation Director Cyrus S. Ching sent one of his top aides to New York in a sudden move to try to break the deadlock.

No Word From Capital

The assistant, General Counsel Peter Seitz, declined to say what message he was carrying to the conciliation commissioners, but he told reporters it was not any word from the White House.

And in New York, where negotiations between the equipment workers—Division 6 of the CWA—and Western Electric remained under way, a top federal mediator reported "no change in the general picture."

The CWA claims a membership of 204,000. But union sources here say that if a strike occurs and lasts any length of time, a total of 300,000 Bell employees might go out.

The equipment workers who went on strike Monday were joined by 1,200 fellow workers in Texas and Oklahoma. There were no reports (Continued On Page 11)

**Snows Measuring Up  
To 15 Inches Fall  
On Flooded Regions**

By The Associated Press

North Dakota and Minnesota, fighting the worst floods in some 50 years, were blanketed by fresh falls of snow Tuesday—measuring up to 15 inches in some areas.

The snow whipped across the flood-ravaged areas of the two states adding new hardships to the thousands of homeless. The Red Cross had reported flood conditions "are becoming steadily worse." It said 6,408 families were homeless in the flood of the Red River, which flows between the two states.

The current rampage of the Missouri River and its tributaries has caused about \$2,000,000 in flood damage in North Dakota. Army Engineers estimated.

Snow In Dakota

The snowfall at Minot, N. D., measured 15 inches and it was more than eight inches at Crookston, Minn., which was inundated over the weekend by a flash flood from the Red Lake River.

The snow spread over parts of South Dakota and Northwestern Wisconsin.

A storm in Northern Illinois caused rains and thunderstorms over the Great Lakes region, the upper Mississippi Valley eastward into the Alleghenies and southward into the Ohio Valley.

**Dust Blows Again  
In Western Texas**

By The Associated Press

Blowing dust reduced visibility at El Paso and Marfa Tuesday. Conditions in Texas generally were clear except for some low clouds along the Gulf Coast.

Visibility at El Paso was five miles and at Marfa, where a 36-mile wind blew, it was six miles.

Earlier, blowing dust was reported at Midland, Salt Flat and Wink, but winds quieted.

Temperatures at mid-morning in the Panhandle were in the lower 40's. Dalhart at the tip of the Panhandle, had an early-morning low of 29 degrees.

**Texan Among Last  
Persons Off Hainan**

HONG KONG —(P)—A Texan was one of the last persons out of the evacuated Chinese Nationalist headquarters of Hainan Island.

He was Weldon Bigony of Big Spring, who piloted one of the last two Civil Air Transport planes to make the flight.

The CAT transferred its operations Sunday night from Hoihow to Samah, near Yulin on Hainan's southern coast.

**Cold War Freezes Friendships  
Formed On Elbe Five Years Ago**

By WES GALLAGHER  
FRANKFURT, GERMANY —(P)—How many remember Torgau? Probably not one in a thousand who reads this. In fact, it would be remarkable if that many remember. A few ex-GI's might. They were there five years ago Tuesday.

Torgau, a centuries-old sleepy German town, was where the American armies first met the Russians, heralding the end of the most disastrous war in history.

There are other claimants for the honor. One correspondent later wrote that American and Russian patrols actually joined almost four hours earlier at Strehla, 16 miles south. But for history's sake, Torgau is the first official meeting place of the East and West.

In a matter of hours, from one end of the Elbe River to the other, American and Russian soldiers were falling into one another's arms in a stream of cognac and vodka.

No Iron Curtain

There was no iron curtain then. No Russian or American GI's looked into the future. They would not have believed it if they could have seen what was coming. They were just happy to be alive, with the war about over.

It is difficult now to realize the looked into the future. They would not have believed it if they could have seen what was coming. They were just happy to be alive, with the war about over.

There was, for example, Maj. Anaphim Larionov of the 48th Soviet Guards Division at Torgau. He was the first field grade officer to meet the Americans. Somewhat embarrassed and formal, he said sincerely: "This is a great day, the meeting of two great nations. We hope this will be the basis for peace in this world to come."

Where is Larionov today? And what does he think?

Does he believe, as the official Soviet Army newspaper Taeliche Rundschau in Berlin wrote last month:

"General Eisenhower is openly seeking to become the commander-in-chief of the Atlantic aggression system. He has put himself in the front rank of war adventurers."

If anyone had said this in 1945, he would have been put down as a Nazi and tossed in jail by any one of the Big Four.

From GI To General

From GI to general it was "Tovarisich" and "Comrade."

The GI's didn't have the benefit of interpreters to converse with the (Continued On Page 11)

Roy Carter

ALPINE—Roy Carter of Kermit late Monday was elected governor of District 2-T-2, Lions International, and Midland was selected as the 1951 convention city at the district's annual conference here.

Carter won over George Spence of Sylva by a 10-vote margin in what was described as the closest and most spirited contest in the history of the West Texas district. The three-way governor's race "melted" into a red-hot struggle between Carter and Spence when Jack Hawkins of Pecos threw his support to Spence.

The victorious candidate, presently deputy district governor of Region 2, will succeed James L. Daugherty of Midland. He will take office in July.

Dates for next year's convention in Midland will be announced later. Midland was selected by unanimous vote.

Large Attendance

Approximately 400 Lions and their ladies from over the huge West Texas district registered for a model breakfast Monday, and Tuesday afternoon and adjourned following the governor's banquet Monday night. The district extends from Big Spring to El Paso.

The Pecos Lions Club sponsored a model breakfast Monday, and the Kermit Lions Club was host at a model luncheon.

The governor's report was delivered at the opening business session Monday. Sam Furr of Olney, governor of District 2-E, was the luncheon speaker, and Herbert R. Hargraves of Fresno, Calif., a director of Lions International, was the banquet speaker.

This is a rear view of the building, as seen from a nearby fence. News items were not allowed into the experimental area by order of the Atomic Energy Commission.

**Sealing Qualities Of Plastics Discussed At AIME Meeting**

J. C. McCormick of Tulsa, senior development engineer for Dowell, Inc., discussed the use of plastics as a sealing medium in oil wells at the Monday night meeting of the Permian Basin section of the American Institute of Mining and Metallurgical Engineers.

At present, the three primary uses of plastics in oil wells, stated McCormick, is to decrease high gas-oil ratios, squeeze off unwanted water, and to consolidate sand in a producing formation.

McCormick gave specific instances, illustrated by slides, of the use of plastics in sealing different portions of wells in West Texas. Cost and success of the operations were discussed.

Eighty-one Permian Basin AIME members attended the Monday night meeting held at the Scharbauer Hotel in Midland.

W. N. (Bill) Little, section chairman, presided at the meeting. A chicken dinner and short business meeting preceded the plastics discussion.

The organization went on record as favoring Lubbock as the meeting place for the statewide AIME meeting scheduled in December. The North Texas section already has approved Lubbock for the meeting site.

Ben LaLonde of Odessa, program chairman, introduced McCormick. Joe Chastain of Midland is secretary-treasurer.

The next meeting of the Permian Basin section of the AIME will be May 23, in the Ector County Auditorium in Odessa. Featured subject will be "Gas-Oil Ratio Control."

**Stripling Says 'Communism Is Threat With Purpose Of Destroying Democracy'**

Communism as an ever-increasing organized threat with the intent and planned purpose of destroying democratic government was discussed Monday night by Robert Stripling of Midland, former chief investigator for the House Un-American Activities Committee.

Stripling, who spoke in the high school auditorium, was sponsored by the Midland Memorial Hospital Women's Auxiliary. He was introduced by Mrs. Albert Kelley.

During the question period which followed the talk, Stripling was asked, among other things, what the individual could do to stop Communism, and "if the question of Communism and Democracy does not resolve itself into a question of religion and irreligion."

**To Defeat**  
"The only way we can defeat Communism is the way we are defeating it now," Stripling answered. "If enough people become concerned, shake off their complacency, and realize that they will lose all if Communism takes over this country, they then will become indignant, and this indignation will be felt in Washington and change many attitudes and policies."

He cautioned individuals to be watchful and keep themselves informed. "Write your congressmen," Stripling added.

"We've got to form a lot of John Doe committees," he said, "committees of one to know what the score is."

**No God**  
"There is no God in Communism," Stripling said. "There is only the scientific approach." In answer

**ACIDITY**  
Fear, anger, excitement, careless eating—these cause acidity. Drink delicious pure Ozarka Water, free from chlorine, alum, copper sulphate. Physicians recommend it. Shipped everywhere.

**Nation's Crude Oil Production Soars To High Mark For 1950**

TULSA.—The country's crude oil production hit its 1950 high in the week ended April 22, with a daily average production of 4,660,125 barrels, the Oil and Gas Journal reported Tuesday.

This was an increase of 37,925 barrels over the previous week's production.

A large part of the net gain was attributable to a Kansas increase of 21,100 barrels to 285,950 barrels.

Other sizeable increases were in Wyoming, up 7,000 barrels to 159,100, a new 1950 record for that state, and Mississippi, up 2,950 to 97,500; Oklahoma, 2,600 to 435,700.

Arkansas gained 450 barrels to 80,950, and California was up 800 to 858,000.

The only two losses for the week were in Illinois, down 2,700 barrels to 175,500, and the Eastern fields off 275 to 60,425.

Production was unchanged in Louisiana, 513,200 barrels; New Mexico, 125,800, and Texas, 1,982,850.

**Accountants To Hear Talk By Wilkinson**

J. Henry Wilkinson, Jr., of Midland will speak on a technical section of the Internal Revenue Code at a dinner-meeting of the Permian Basin Chapter of Certified Public Accountants at 7:30 p.m. Tuesday in the Petroleum Club.

The section will be discussed by Wilkinson deals with between-years adjustments and their tax consequences.

Wilkinson formerly was employed in the Treasury Department. He won the Wright-Matthews award at the University of Texas Law School.

**ANKLE IS INJURED**  
Ray Hill, Roswell centerfielder, was nursing a swollen ankle Tuesday, but will be back in the Rocket lineup in a few days. Hill turned his ankle in Monday night's baseball game here, but X-rays at Western Clinic-Hospital showed no break.

**Explorer Post 85 Holds Box Supper; Raises Camp Funds**

Thirty-four fathers and sons met Monday night in the First Presbyterian Church, as Explorer Post 85, Boy Scouts of America, gave a box supper to raise funds for a Summer camp trip to the Philmont Scout Ranch at Cimarron, N. M.

Members of the post brought box suppers which were auctioned off to the highest bidder.

Talks on the past, present and future activities of the Explorer movement were given by Bob Goff, Gene Brusenhorn and Dr. Charles Gaines, advisors of the Lions Club-sponsored unit.

A musical program by Scouts preceded the supper.

John Klingier, a member of Boy Scout Troop 85, showed color slides of a Winter trip to the Philmont Scout Ranch.

At the meeting, Charles Sheppard and Bob Pine, Jr., were named winners of a contest to select two members to go to the National Scout Jamboree. The winners will share a \$300 donation by the Lions Club to pay expenses at the Jamboree, which is to be held June 30 to July 6 at Valley Forge State Park, Pa. The contest was based on advancement, living up to Scout oaths and laws, attendance and participation.

**Basin Firemen Set Meeting At McCamey**

McCAMEY.—The Permian Basin District Firemen Association will convene for the Spring meeting here May 6. Registration will start at 9 a.m. with the regular business meeting set at 10 a.m. More than 500 delegates are expected to attend.

An elaborate entertainment program has been arranged, including six-man pumper races, six-man hose hook-ups and two and four-man hook-ups.

A barbecue will be served at 7 p.m. in the Upton County Park. The program will be brought to a climax with a dance at the TP Night Club.

**NEW WINKLER COUNTY FIELD ROAD IS OPEN**  
KERMIT.—The Winkler County section of the Dollarhide road has been opened for public use, cutting off six and a half miles from the distance workers and residents must travel in getting from Kermit to the Dollarhide field.

**Texan Barely Misses Ill-Fated C-54 Plane**

TOKYO — (AP) — Capt. Robert Cranston of Fort Worth, Texas, is lucky he's such a busy man.

He was on the original passenger list of the Air Force C-54 from Manila which crashed southwest of Tokyo Friday night. Thirty-five Americans, all aboard, were killed.

Cranston arrived in Tokyo Monday night. He missed the ill-fated plane, he said, because of "a lot of last-minute business." He is in the radio and television section of the Defense Department's Office of Public Information.

**E. STANLEY JONES**

Mark 5: 5-12; Eph. 5: 8-17; 1 John 5: 11-12, 20.  
**BACK TO NORMAL**  
WITH THE HELP OF GOD  
You perhaps are tempted to look to your surroundings, or to others—to everything except to yourself and God—as the way out. Don't—there is no other way out. Listen to the doctor's story of this once-desperate soul. Mrs. —, 25 years old, was suffering from arthritis. She had gone from place to place in the United States seeking health, and had no faith in doctors as she had consulted over 50. She was in a hopeless state of mind and was filled with fears; afraid of getting well; afraid of losing her home; afraid of losing her husband's love; afraid of never being able to walk again. She was convinced that life was a "total loss," and was filled with a definite sense of guilt. Many times nurses would come out of her room in tears because they could not do anything right—she was so hard to please. Her first step toward God was to trust Him with some of her simple fears. She began to co-operate, so that nurses no longer dreaded taking care of her. Then she began to walk. Suddenly she developed all the symptoms of a gastric ulcer when a malicious friend wrote telling her that her husband was unfaithful. She surrendered to this sorrow to God and the symptoms of the ulcer left. Then her husband came and the matter was straightened out. Twice she had a return of pain—once when she lost her temper with her father-in-law; but after she had straightened out the difficulty with him, her pain left.

This patient confesses that two years prior to the arthritis she had been running away from life because of an affectional conflict, and that during the two years when her husband was studying she had been living a double life, staying out late at night, drinking in order not to think, and smoking incessantly. She saw that her way of life was what had broken down her health and had given her arthritis—that the cause of her ill-health was not physical but spiritual. She concludes, "I'm back to normal with the help of God." Sin is the abnormal; it is a trying to live against life, and that cannot be done.  
**O my Father and my God, I face, as this woman did, the tangled strands of life—tangled by my own sins and follies. Here and now I promise Thee that no stone will be left unturned, no pledge unfulfilled until I am free in Thee. Amen.**

(From the book "Abundant Living," published by Abingdon-Cokesbury Press of New York and Nashville. Copyright. Released by NEA Service.)

**Heirloom Dresses Will Be Worn In 'Tom Sawyer' Play**  
Dresses almost as old as the story of the play will be worn by Janeda Wilcox in "Tom Sawyer." Children's Theater play to be given May 5 and 6.  
Janeda will play Tom's Aunt Polly, and in several scenes will wear a 75-year-old black lace and silk dress belonging to Mrs. Oscar White, an 88-year-old Midland woman.

The dress is of narrow black lace, hand-sewn onto black silk. It was made when Mrs. White was a girl, by a seamstress who came to her home each week and sewed on it until it was finished.  
Another 75-year-old garment that Janeda will wear is a petticoat also belonging to Mrs. White.  
In other scenes of the play, Janeda will wear a cream lace dress that is 45 years old and belongs to her aunt and a white beaded purse that is 30 years old.  
Janeda, however, hasn't forgotten "the modern touch"—a pair of ballerina shoes.

**Printing Is Subject For Sunbeam Program**  
Methods of printing were studied by the Sunbeam Bands of the First Baptist Church in their meetings Monday in the church.  
They studied the methods that were used in the periodicals that they use in church. Mrs. William Woods, counselor, gave the history of paper making and the printing press for the older group. Mrs. Thurman Pylant, counselor, led the younger group in a stewardship lesson.

In the joint meeting Mrs. Roy Herrington, co-counselor, reviewed the last chapter of the mission book, "The Farmer Twins," Anne Crittendon Martin. Those present included Joey Pylant, Vicky Dill, Billy Wayne Godwin, Don Ingram, Joel Dennis Givens, Celia Craft, Deanie Soper, George Cason, Barry Wright, Edwin Thacker, James Thacker, Gretchen Scharbauer, Dick Cason, Ann Wright and Evelyn Dorman.

**Crane Group Attends Meeting In Iran**  
CRANE—Mrs. Celia Goodenough of Fort Stockton spoke on "Guidance Counseling" in the last meeting for this term of Gamma Gamma Chapter of Delta Kappa Gamma in Iran Saturday.  
Zona Johnson of Big Lake was elected member and the resignation of Imogene Newport of Iran was accepted. Five members from Crane attending were Mrs. L. L. Martin, Winnie Browning, Susie Evert, Dorotha Strickland and Madge Conner.

Redwood trees never die a "natural" death; they succumb only to violence.

## WMU Gives Spring Cleanup To Church

The Woman's Missionary Union of the Galvary Baptist Church Monday cleaned the church kitchen and closets for its community missions project.  
A surprise birthday party honored the Rev. A. L. Teaff, pastor. Mrs. E. J. Hector was a visitor. Members present were Mrs. W. G. Flournoy, Mrs. J. T. Meeks, Mrs. L. P. Mitchell, Mrs. Brodie Caudle, Mrs. Ulyss Barber, Mrs. Preston Vest, Mrs. B. L. Chason, Mrs. J. D. Robbins, Mrs. J. B. Jordan, Mrs. Nancy Tisdale, Mrs. Luther Martin, Mrs. Teaff and Mrs. George Griffin.

## Single Saddle Club Entertains Guests

Dan Peterson and Jim Moore were the callers for the Single Saddle Square Dance Club meeting Monday night in the City-County Auditorium. The next meeting is scheduled May 9.  
Guests were Robert Schultz, Bob Gay, Ken Wood, Bonnie Caldwell and Frankie Hunt.  
Members present were Natalie Walton, Price Street, Jeanne Slaughter, Leriene Reid, Curtis Reap, Carolyn Oates, Billy Nickel, Carl Nance, Evelyn Martin, Edna Lomax, Clifford Howell, Joyce Hendricks, Lily Gilbert, Jan Fuller, Abby Abdel Fetrah, Betty Erdman and W. E. Brown.

SUE COLEMAN, Editor

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 25, 1950-3

## Date Set For Book Review By ESA Unit

Plans for a review of Gwen Bristow's book, "Jubilee Trail," to be given by Evelyn Oppenheimer were made in the meeting of the Alpha Psi Chapter of Epsilon Sigma Alpha Sorority in the home of Mrs. David Holster Monday.  
The book review will be given at 8 p.m. May 19 in the Crystal Ballroom of Hotel Scharbauer. Miss Oppenheimer is from Dallas and will come here by courtesy of Sanger Brothers. Tickets may be purchased from members of the chapter, or from The Book Stall, Mrs. Zeke Rabensburg is the ticket chairman.

Plans were made for the Founder's Day picnic May 1. It was announced that formal initiation of pledges will be held at 7:30 p.m. May 4 in the home of Mrs. John Moffet, 2408 West Brunswick Street.

Members present included Lenora Grimes, Joyce Crawford, Mrs. Frank Kehlenbach, Mrs. Chester Skrabacz, Mrs. Robert Wheeler, Jima Lou Gumm, Sylvia Cearley, Anne Tolbert, Mrs. Charles DeBarbie, Mrs. J. J. DeBarbie, Bobbie Watson, Mrs. Dayton Bliven, Myrtle Brown and Mrs. Roger Sidwell.  
The next meeting will be held May 8 in the home of Mrs. Rabensburg, 403 Maple Street.

## Woman's Club Will Meet At Changed Day, Hour Thursday

The earlier meeting hour for the Midland Woman's Club and the fact that the date for the monthly meeting was changed is called to members' attention by Mrs. Charles M. Goldsmith, president. The April meeting will begin at 2:30 p.m. Thursday in the home of Mrs. W. B. Yarborough.  
Regular meeting dates for the Woman's Club fall on the third Thursday of each month, but because of the conflict with the date of the recent Eighth District Federated Club convention in Big Spring, the April meeting was changed from Thursday of last week. The usual meeting hour is 3 p.m. but starting time will be a half-hour early this week.

**TREATED FOR LEG INJURY**  
Marvin K. Britton, 28, a truck driver, was treated at Western Clinic-Hospital Monday for a leg injury sustained when several sacks of cement fell on him as he was unloading a truck. X-rays showed no break. He was dismissed after treatment.

The Progressive Study Club will meet at 8 p.m. Thursday in the home of Mrs. W. S. Dill.

## Mrs. Symes Reviews Book For Women Of Christian Council

Mrs. Clarence Symes reviewed "Christian Happiness in the Home" at a meeting of the First Christian Woman's Council Monday in the church.  
It was announced that the executive board will meet at 3 p.m. Friday with Mrs. Sidney P. Hall, 1004 West Tennessee Street. The next council meeting will be at 3 p.m. next Monday in the church.

Attending the meeting were Mrs. J. C. Hunter, Mrs. W. G. Attaway, Mrs. Frank Simpson, Mrs. Clyde Lindsay, Mrs. Claude H. Chambers, Mrs. B. W. Spaw, Mrs. R. H. Frizell, Jr., Mrs. Bill Corrigan, Mrs. Ella Ragsdale, Mrs. Carl Reeves, Mrs. J. H. Elder, Mrs. Paul Martin, Mrs. H. G. Bedford, Mrs. Van Camp, Mrs. D. B. Snider, Mrs. J. Roy Jones, Mrs. Woodie Elkin, Mrs. E. W. Shipp, Jr. and Mrs. Paul McHargue.

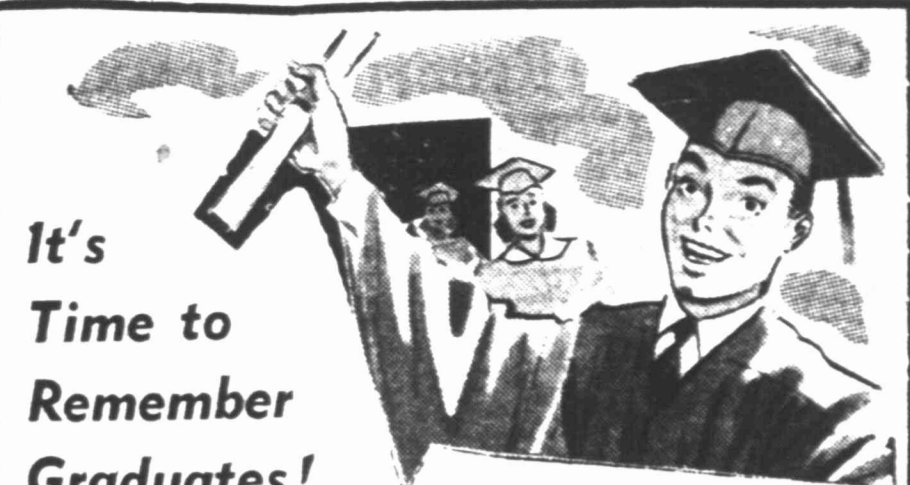

## Girl Scout House Will Be Dedicated In Public Program

The public is invited to the dedication program for the Midland Girl Scout Little House, which will start at 4 p.m. Sunday. The building and grounds, on the block bounded by South D and E Streets, West Washington and West Front Streets, will be ready for inspection by visitors.

Mayor William B. Neely will express the purpose and the need for the building by the more than 500 Girl Scouts and 150 adults registered by the organization here. Mrs. Stanley Erskine will give recognition to the contributors and workers who made the building possible.  
The Rev. J. Lennox Hester, pastor of the Asbury Methodist Church, will deliver the prayer of dedication prepared by the Midland Ministerial Association.  
Brownie, Intermediate and Senior Girl Scouts will take part in the dedication ceremonies which will begin with a flag ceremony by Intermediate Troop 14.

## Mrs. Bangman Heads Crane P-TA Again

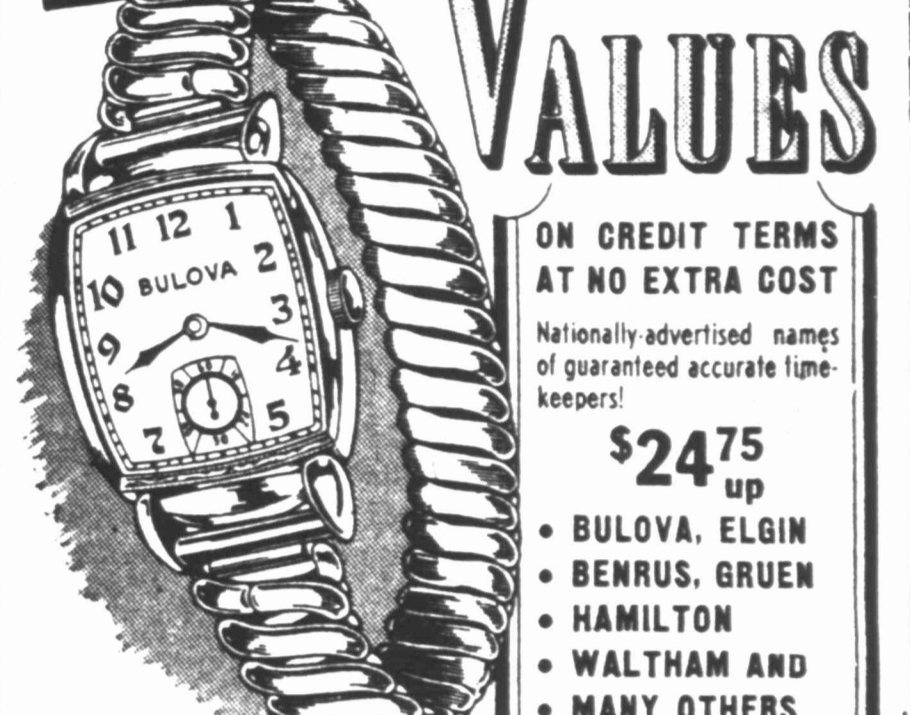

CRANE — Mrs. S. S. Bangman was re-elected president of the Elementary Parent-Teacher Association in a meeting held Thursday.  
Other officers elected include Mrs. R. V. Wilson, vice president; Mrs. Hawley Van Court, secretary; Mrs. J. W. Tesque, treasurer; V. N. Keyes, parliamentarian; and Mrs. Hugo Huffman, historian.  
Mrs. Willie Fae Tillman's third grade presented a play "Spring-time." Mrs. Wilma Clark and Mrs. John E. Clark discussed "The Pre-Adolescent Child." Approximately 100 persons attended.

U. S. Must Keep Cool Head

U. S. authorities think Soviet aviators shot down the Navy plane long missing in the Baltic area. Moreover, they believe the attack came over the open sea, not over Russian-Latvian soil as the Soviet Union has charged.

From their first seizure of power, Russia's leaders have relied upon a variety of sub-human practices to maintain themselves entrenched.

Even by their own bestial standards, however, it was a colossal piece of effrontery to decorate the four Soviet airmen who fired upon and apparently knocked down the missing Navy plane.

What's the answer to this kind of depravity? Should we, as Senator Bridges suggests, arm patrol planes to the teeth and send them out in search of trigger-happy Russians?

Much as we might like to exact a human price from Russia for its cruel action, we can't do this. As the military, political and moral leader of the free world, we have a responsibility to act firmly but correctly in all matters affecting international relations and the peace.

This does not mean appeasing or knuckling under to Soviet bullying. If Russian aviators continue to go beyond their borders in search of trouble, they should get the response in gunfire which they deserve.

But, lacking convincing evidence on that score, we should seek to avoid tempting the Russians to show us how crudely primitive they are. If there ultimately is to be any conflict with the Soviet Union, at least let it not come from our being goaded into action by some possibly avoidable incident.

The onion is a variety of lily, so reference to a lily-like breath should make that touchy problem easy for one's best friends.

A Florida man got shot for yelling at his wife. Quiet, men!

All of your friends can solve your problems, but have you noticed how few of them get the right answers?

Radio Comedienne and Answer to Previous Puzzle section with crossword puzzle grid and list of clues.

The Washington Merry-Go-Round

By Drew Pearson  
(Copyright, 1950, By The Bell Syndicate, Inc.)  
Drew Pearson says: Secretary of Defense Johnson predicts no war with Russia; Russia wants to win cold war through U. S. depression; Military chiefs believe U. S. is unprepared.

WASHINGTON—Speaking off-the-record to a civilian orientation conference last week, Secretary of Defense Johnson dramatically declared: "We know—and I say we know—that Russia does not plan to conquer the United States by force war. She intends to do it by driving us into economic collapse which will give the Communists an opportunity by infiltration to take over."

Johnson went on to explain that Russia doesn't have the resources to attack the United States, but will try to bluff us into bankruptcy instead. He also added: "There is complete agreement in the Defense Department as to what the danger is and what we need to meet that danger."

"This 'complete agreement' did not seem to be borne out, however, by Gen. Omar Bradley, who squirmed uneasily when put on the spot about Johnson's remarks. As chairman of the Joint Chiefs of Staff, Bradley was asked why the United States should worry about attack if Johnson's diagnosis was right.

Johnson said the secretary of defense is not a candidate for President, he said, obviously in reply to the whisper of ardent Trumanites: "I am for Truman, and I am doing my job. So reports that I am not getting along with Truman are just malicious."

One of the advantages of having a good partner is that you can rely on him. Even when he is merely playing small cards he is on the start to give you vital information.

West led the four of spades. East played the ten, and South played low. East continued with the jack of spades, and South took his king. Declarer next led the queen of diamonds and overtook with dummy's king. East naturally refused to take this trick since otherwise the whole diamond suit would be run against him.

Having arrived in dummy with the king of diamonds, declarer led a club and finessed his jack. West won with the queen and led another spade, knocking out South's ace.

At this point South led his remaining diamond and played the nine from dummy. East had to decide whether to take his ace of diamonds or hold off once more. He would want to take the ace at once if he could be sure that South had no more diamonds; but he would want to refuse the trick if South had another diamond left in his hand.

It is easy to see that East would have nothing better than a guess if his partner happened to be a poor player. A weak West would play the deuce first and then the six of diamonds whether or not he also held the seven of diamonds.

In this situation, the chances are that East would guess wrong. He would refuse the trick to make sure of shutting out the rest of dummy's diamonds.

There is no guess, however, if West is the sort of player that East can trust. West would play his low card with exactly three diamonds (or a singleton); but he would play a higher card with two or four diamonds. This sort of signal is always used when dummy has a long suit without side suits (winning cards) in side suits.

When the hand was actually played, East knew that his partner's deuce of diamonds showed three cards in the suit. It was a matter of counting the tricks and taking the second diamond trick. That limited South to eight tricks. Declarer would have made nine tricks if East had refused the second diamond.

Manhattan socialite Mrs. Betty Henderson, 74, famous for planting her leg on a table in the Metropolitan Opera House.

We've taken all the initiative away from men. I say they oughta put the (equal rights for women) bill in reverse and take away some of our rights.

PIERS went on chatting in a half desultory way, making remarks for the sudden pleasure it gave him to hear her answer. If Clemency could be attracted by a charming speaking voice, so could he and he found himself listening for the clear sound of hers.

He was curiously conscious of the girl sitting there in the moonlight, and as he looked at her, leaning back a little, supported by one hand resting on the marble rim of the basin, her cigarette between the fingers of the other, he knew that he had gathered another picture of her to carry in his mind.

Even in a softened mood, the cynicism born of something fine which had been turned back upon itself, told him that a wise man should ask no more of any woman than that she should be ornamental and reasonably intelligent. He had shut out the idea of companionship years ago; and now—Clemency had come, and he faced the amazing fact that he wanted to know her much better—to know all about the things that went on behind her candid eyes, and why those eyes had become somehow more reticent when they met his.

Then from the direction of the stables a clock struck, and she sprang to her feet with an exclamation of dismay. "I must go back to Babe. She may have wakened."

The world's highest postoffice, of a country affiliated with the Postal Union, is at Cerro de Pasco, Peru, 14,385 feet.

So They Say

Labor leaders are pursuing policies that are hopelessly in conflict.

William B. Barton, employer-employee relations director for the U. S. Chamber of Commerce.

I give a big laugh at people who brag about their ancestors. They are still climbing up their family trees. But the trees usually turn out to be greased poles and they come down with a bang sometimes.

Distant Star

BY HERMINA BLACK  
Copyright 1950 by Hermina Black. Sent by NEA SERVICE, INC.

Twenty minutes later they had left the edge of the oasis, and were driving into the heart of the desert.

Clemency felt that she would never forget that drive. She had never been so far in this direction before, and the road excused occasional potholes and ruts, was an amazingly good one. They traveled for a time in unbroken silence.

"There is magic in these nights. A new magic!" He turned his head to smile at her, and Clemency asked impulsively, "Is the black dog still there?"

"I'm—so glad—" "Are you—Clemency?" Her heart leapt. She had never realized that her name could sound like that. Then as her startled glance met his she saw something in his eyes which she had never seen there before. She looked quickly away again, and above the glad, incredulous hammering of her heart Piers' voice reached her.

"You're the first person who has been capable of exorcizing that particular demon," he said. "As a rule I have to nurse it until it grows tired of tormenting me."

His eyes were fixed on the distant hills, and the little smile playing about his lips softened his face wonderfully.

### Council Of Church Women Will Invite Guest For Program

Plans to have Mrs. John M. Hanna of Dallas as a guest speaker at a special meeting of the Midland Council of Church Women were made at a meeting of the Executive Board Monday in the home of Mrs. Frank Shriver.

Mrs. Hanna will speak on "The Ecumenical Movement and the Ecumenical Register of the United Council of Church Women." She is a vice president of the united council. The date for her Midland talk will be announced later.

Mrs. Shriver reported on her recent trip to Galveston where she attended the state convention of the Texas Council of Church Women. Plans for the May 29 meeting of the Midland council were made. It will be held in the First Methodist Church.

Attending the meeting were Mrs. C. O. Puckett, Mrs. Matthew Lynn, Mrs. William H. Potts, Mrs. Carl Westlund, Mrs. Clarence H. Ervin, Mrs. Charles Klapproth, Mrs. George P. Bradbury, Mrs. W. P. Z. German, Jr., Mrs. W. F. Shafer, Mrs. E. A. Crisman, Mrs. A. P. Shirley, Mrs. Willard Bumpass, Mrs. Sam Preston, Mrs. J. M. Ratcliff, Mrs. F. N. Shriver, Mrs. Edgar Tanner, Mrs. J. P. Carson, Jr., Mrs. Preston Pirtle, Mrs. Theo Ferguson and Mrs. L. G. Byerley.

### Committee Leaders Outline Work For Presbyterian Women

Chairmen of the committees which carry out the seven divisions of work for Presbyterian Women of the Church were speakers at a general meeting in the First Presbyterian church Monday afternoon. The organization of women in the Presbyterian Church has been arranged on a new plan during the past year, and each chairman discussed the part of her committee in the whole plan.

Each committee's plans for the year were outlined also in the talks. Mrs. Paul Lavery discussed "Spiritual Growth," Mrs. William Carter, "World Missions," Mrs. C. E. Bissell, "Church Extension," Mrs. Sol Bunnell, "Education," Mrs. R. B. Lambert, "Annuities and Relief," Mrs. W. P. Knight, "Stewardship," and Mrs. J. A. Mathews, "Assembly's Special Causes."

Mrs. J. Clifford Hall, immediate past president of the Women of the Church here, gave a resume of women's work from the general assembly to the local church, and discussed the subject, "Winning the World for Christ."

Mrs. Lavery directed the devotional period, which included a Bible reading from the book of Matthew and a poem, "The Lost Sheep," a duet by Mrs. W. N. Little and Mrs. R. Matthew Lynn, "The Ninety and Nine," and a prayer song by the group, "Saviour, Like a Shepherd Lead Us."

The budget for the year was adopted in the business meeting. A social period followed the program. Mrs. Roy Davis and Mrs. D. W. St. Clair served refreshments to 41 members.

# SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 25, 1950—5

### Mrs. Crisman Is Returned As WSCS Head In Annual Election

Officers headed by Mrs. E. A. Crisman as president were elected at the Woman's Society of Christian Service of the First Methodist Church at a business meeting in the church Monday afternoon. They will take office in June.

Mrs. Crisman is serving as president at this time, after advancing from the office of first vice president to fill an unexpired term. Mrs. Edwin C. Hall was elected vice president; Mrs. Oliver Haag, recording secretary, and Mrs. Sam Preston, treasurer.

Secretaries of various divisions of work were elected as follows: Mrs. George P. Bradbury, promotion; Mrs. Noel G. Oates, spiritual life; Mrs. O. P. Hedrick, missionary education; Mrs. W. F. Shafer, Christian social relations and local church activities; Mrs. G. W. Thompson, student work; Mrs. Louis Bohn, youth work; Mrs. C. J. Matthews, children's work; Mrs. Tom Nipp, supplies; Mrs. J. M. Frothro, literature and publications; Mrs. Bob Baker, status of women.

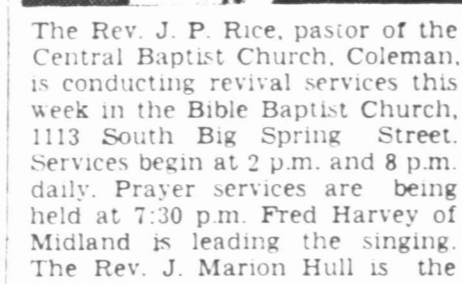

Circle leaders were chosen also, to take charge when circles are reorganized for the new year. Leaders for the afternoon circles will be Mrs. C. W. Chancellor, Mrs. W. M. Ford, Mrs. L. C. Stephenson and Mrs. W. F. Prothro. Mrs. O. L. Crooks will be leader of the May Tidwell Circle. Mrs. Hugh Bliss of the Kate Oates Circle and Mrs. Ralph McCleskey of the Irene Nix Circle.

Announcement was made that the Woman's Society will be hostess to the Midland Council of Church Women for its next meeting, on May 29. A district meeting of Methodist women in Colorado City on May 9 was announced.

The group voted to finance the trip of a delegate to the Colored Methodist Church here to the Northwest Texas Negro Education School for Christian Workers in Amarillo late in May. Contributions were voted for religious work in the Texas Prison System and for a home mission project in San Antonio.

The meeting opened with a prayer by Mrs. Jack Goddard.

### Revival Speaker

The Rev. J. P. Rice, pastor of the Central Baptist Church, Coleman, is conducting revival services this week in the Bible Baptist Church, 1113 South Big Spring Street. Services begin at 2 p.m. and 8 p.m. daily. Prayer services are being held at 7:30 p.m. Fred Harvey of Midland is leading the singing. The Rev. J. Marion Hill is the pastor.

### Mrs. Self Presents Lesson For Guild

Mrs. Laura Self was in charge of the Bible study from the writings of Paul, at a meeting of the Wesleyan Service Guild of the First Methodist Church Monday night. Ruth Dannel, president of the guild, was hostess in her home. The devotional period was directed by Mrs. J. B. McCoy.

A nominating committee has been appointed from the guild and will report next month for the annual election of officers, who will take office in June.

### FINANCE COMMITTEE TO MEET

The Finance Committee of the Woman's Club Building will meet at 9:30 a.m. Thursday in the KCRS Studios. All representatives are urged to be present.

**Mrs. Tanner Leads Program For WSCS**

Mrs. Edgar Tanner was in charge of the program for the Asbury Methodist Women's Society of Christian Service Monday in the church.

"Youth, Our Partners In Building" and a devotional were given by Mrs. Tanner. Mrs. Dennis Ford discussed "Recruiting Young Leaders," Mrs. Jess Hooper, "Our Training School," Mrs. J. A. Andrews, "What Must We Do?" and Mrs. George Lawless, "Report on Colleges."

Mrs. Hooper will review Oursler's book, "The Greatest Story Ever Told," for the next meeting Monday in the church.

Mrs. Clyde Gwyn and Mrs. Ford served refreshments to Mrs. Preston Pirtle, Mrs. Albert Russell, Mrs. J. P. Carson, Jr., Mrs. Theo Ferguson, Mrs. Lennox Hester, Mrs. John Henderson, Mrs. Carmel Pirtle and Mrs. J. S. Grimes.

**GIRLS OF CHURCH MEET**

Study of the Beatitudes made up the program for the Jovelina Girls Auxiliary of the First Baptist Church when it met Monday in the Recreational Hall of the church. Refreshments were served to Mary Louise Erskine, Lallajo Wright, Jeanne Spivey, Jane Nell, Harriet Yearby and Mrs. Robert Donnell, who acted as leader for the meeting.

JUST LIKE JUDITH—

# Five-Year-Old UN Progresses Slowly

By ARTHUR EDSON  
WASHINGTON—(AP)—The United Nations, celebrating its fifth birthday Tuesday, often has been compared with a growing child. "UN is taking its first steps," we read, "and like a child's they are faltering ones." Or, "UN, like a child, needs time to develop its coordination."

This has made interesting reading at our house, because Judith Edson, like the UN, also is five years old Tuesday.

So, while wishing them both happy birthday, let's look at how they've grown.

Obviously the comparison, if pressed too far, can look silly. But there are some parallels.

At the start the comparison was apt. Judith concentrated on making noise and a lot of work for her parents.

But she came along nicely, and hopes were high. She learned to walk without any disastrous falls, and she learned to talk. But like the UN, she had difficulties.

**Linguistic Problems**  
"Democracy," for example, is a word that means one thing to the United States, and something else to the Russians.

Judith also has had linguistic problems. She says, "I'd like to tell you a question." And the verb "to bring" had her conquered for a time. She insisted on, "Bernard bring me a toy." After being corrected, she cheerfully switched to "Bernard brought me a toy."

She shows a certain willingness to cooperate, but the cooperation isn't always to a desirable end. She and Bernard once got together to work efficiently and happily at spreading mud over Bryan's new snow suit.

Trying to look at the question objectively, I think I'd say that compared with the UN, Judith shows more promise of a rapid maturity.

Oh, she can be cantankerous. But usually she can be reasoned into a proposition—if there is any reason to it.

On the other hand, both five-year-olds show an undying love for the vet. power.

Judith's favorite word still is "No."

## Roomer Puts Out Blazing Clothing Of Two Children

DETROIT—(AP)—Tragedy menaced the home of blinded war veteran Earl Van Alstine Monday night.

Van Alstine, 26, father of five, and a roomer were passing the time of day in the living room.

The veteran's wife, Katherine, was shopping.

Two sons, Sidney, three, and Patrick, two, were at play in the kitchen of the suburban Livonia home.

There was a sudden blast and a sheet of flame flashed across the kitchen.

Afterwards, firemen said the boys had poured gasoline on the pilot light of the gas-operated refrigerator.

Van Alstine's roomer, J. R. Teeples, flung a blanket over Sidney. With his hands he beat out the flames on Patrick's clothes.

The sightless father found the telephone, called firemen.

Tuesday he awaited physicians' word about Sidney. The boy, critically burned, had been sped to University Hospital at Ann Arbor.

Patrick was less seriously injured.

Three other children, Francis, six, Robert, four, and Gloria, four months, escaped injury.

Van Alstine was blinded by shrapnel in Europe in 1944.

## Eerie Hours Spent In Cavern Related By Rescued Youths

KINGWOOD, W. VA.—(AP)—Your eyes play funny tricks on you... the beating of a bat's wings sends shivers down your spine when you are lost in a pitch-dark mountain cave.

Ask the three 'teen-agers who spent a rough 24 hours in Cornwell Cavern, a partially unexplored limestone cavern abounding with bats and rats.

They were rescued Monday by a search-party which kept in touch with the outside by mile-long lengths of twine.

When found, the three young explorers were huddled together in prayer.

They are Robert Shrout, 16, his half-brother, Eugene Shrout, 14, and James Shrout, 15, their cousin.

**Started Sunday**  
They started their journey of exploration Sunday. Soon, their only flashlight went out and they were left in total darkness.

They wandered around, trying to find the hole-in-needle slit in the ground through which they had entered. It only made them more confused.

Then they decided to stay put until help came.

The boys said they were finding it hard to stay awake when they heard a carbide lamp carried by a man in the searching party explode.

A short time later, they were blinking in the sunlight.

"It was so dark in there, I held my hand right in front of my face to see if I could see it," Robert related. "I couldn't."

"Then our eyes started playing tricks. I would see something white in front of me, but there was nothing when I reached out."

They're in good shape again Tuesday.

# JACOBY ON CANASTA

By OSWALD JACOBY  
Written For NEA Service

"I saw a picture of you taking the cards out of the tray and counting them," writes a Chicago fan. "Is that permissible, or was it just a stunt for the movies. I'd get my arm broken if I ever tried it!"

I don't want to be responsible for broken arms, but it's really quite on the up-and-up. With or without a movie camera, you can pick up the stock pile and count it. The only restriction is that it must be your turn to play.

Naturally, you'd never bother to count the cards towards the beginning of a hand. You wouldn't care whether there were 45 or 50 cards left.

Towards the end of a hand, it is sometimes important to get the exact count. It may make a tremendous difference.

For example, you may have a lot of meldable cards in your hand. You have been holding them up for some good reason, and you intend to put them down on the table before the hand comes to an end. If you count only three cards in the stock at your turn to play, you'd better meld; you probably won't get another chance to play. If you count five cards in the stock, you don't have to meld. There will be another turn for you—provided that nobody melds out in the meantime.

It would be possible for a serious player to keep track of all the cards so that he wouldn't have to count the stock. This would be a terrific burden on most players. After all, canasta is a game, and games are meant for enjoyment.

Q—When you meld a joker as a four does it count just as much as when you meld the joker as an ace?

A—The joker always counts 50

## Kisses Dog, Pats Wife; Divorce Is Granted

DETROIT—(AP)—After three years of marriage Mrs. Patricia J. Stephens came to divorce court.

A decree — uncontested — was granted after she testified that her husband Robert "used to think it was very funny to kiss the dog, give me a pat on the head, and walk out the door."

## If You've Earned It—Don't Hesitate!

Among the nicer things available for men and women to enjoy as they pass through this life is, undeniably, a Cadillac car.

People who own Cadillacs are almost unanimous in their testimony that their cars give them constant pleasure and enjoyment—enriching many aspects of their lives to an almost unbelievable degree.

Yet—there are countless people who have every right to be enjoying a Cadillac—but who, for one reason or another, are denying themselves the pleasure.

If this is happening to you, we think the following paragraphs may help you to your rightful enjoyment of this wonderful motor car.

If you are hesitating to purchase a Cadillac because of cost—please remember that the lowest-priced Cadillac actually costs less than certain models of numerous other makes of cars!

If you are concerned about operating expense—remember that three 1950 Cadillacs recently averaged better than twenty-two miles to the gallon in an official 751-mile test!

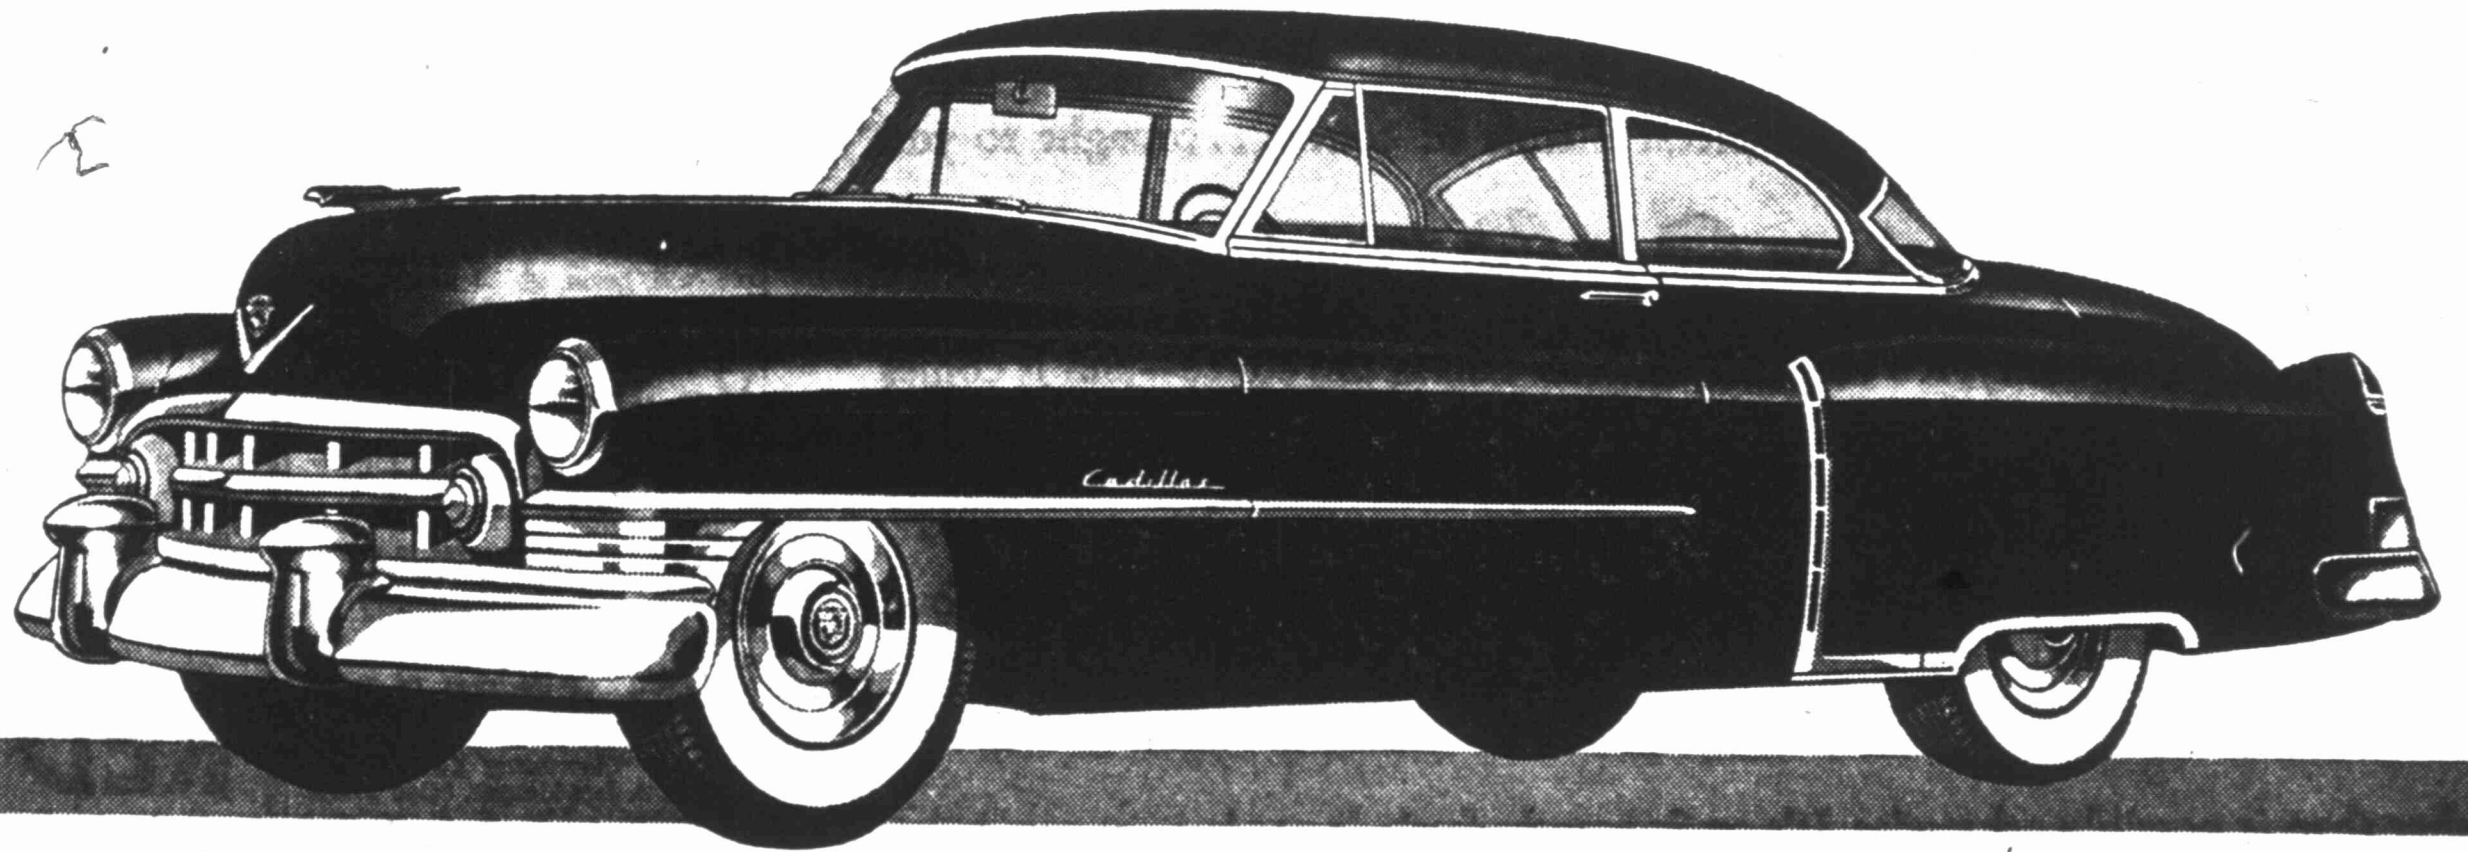

If you are wondering about the cost of upkeep—draw your own conclusions from the fact that the lifespan of a Cadillac has never been fully measured. Numerous individual Cadillacs, about which we have learned, have now passed half a million miles in service—and are still reported going strong.

If you are afraid your friends might think you ostentatious if you were to buy a Cadillac—please be assured that our owners have not found this to be the case.

Yes, if you have earned it, there is every reason why you ought to be driving a Cadillac—every practical reason, as well as every personal one.

This would be a wonderful year to make the move—for never before were Cadillac cars so beautiful—so luxurious—so utterly thrilling to own and drive.

Better come in and see us. We think you'd be surprised and delighted at how easy it has now become to enjoy a Cadillac.

### Kidnaped Incubator Baby Found In Hotel

NEW YORK—(AP)—Police Monday found a month-old negro girl identified as the incubator baby kidnaped 25 days ago from a Bronx hospital.

The young mother, Mrs. Clifford Holden, took one look at the child and said:

"Yes, that's her."

Hospital authorities tried immediately to confirm the identification by matching footprints.

The infant was found in a baby carriage in the storeroom of a small midtown hotel near Pennsylvania Station. Police took an 18-year-old negro girl, identified as Mrs. Evelyn Jane Jordan, into custody and questioned her at length.

They said she was identified by four witnesses as the mysterious woman they saw carrying a negro child in various parts of the city a few hours after the kidnaping.

The flow of the Amazon river at its mouth is 14 times that of the Mississippi.

### Our Ow-r-r For Fame

George Alles, stationed at the Rhine Main Airport, Germany, is tuning her pipes for the big opportunity. Accompanied by Lieutenant Alles on the piano, Carla groans one of the two tunes with which she hopes to impress Horace Heidt, amateur talent scout on his visit to Germany.

### Powerful Red Bloc Builds Up Strength To Grab British Base

NICOSIA, CYPRUS—(AP)—A powerful Communist minority is quietly building up strength in the hope of seizing this strategic British Mediterranean base if the Red revolt is revived successfully in Greece.

Communist leaders here want to incorporate Cyprus in the "Greek Peoples Republic," whose Communist forces were shattered and driven into Albania and Bulgaria by the Greek National Army last year.

The Greek Orthodox Church is working just as hard to convert this British Crown Colony in the East Mediterranean into a province of King Paul's Greece.

The Communists here have entrenched themselves behind the West's picket line of anti-Communist nations around the Mediterranean. Of Cyprus' 482,000 population—four-fifths Greek—the Reds claim allegiance of 85 per cent.

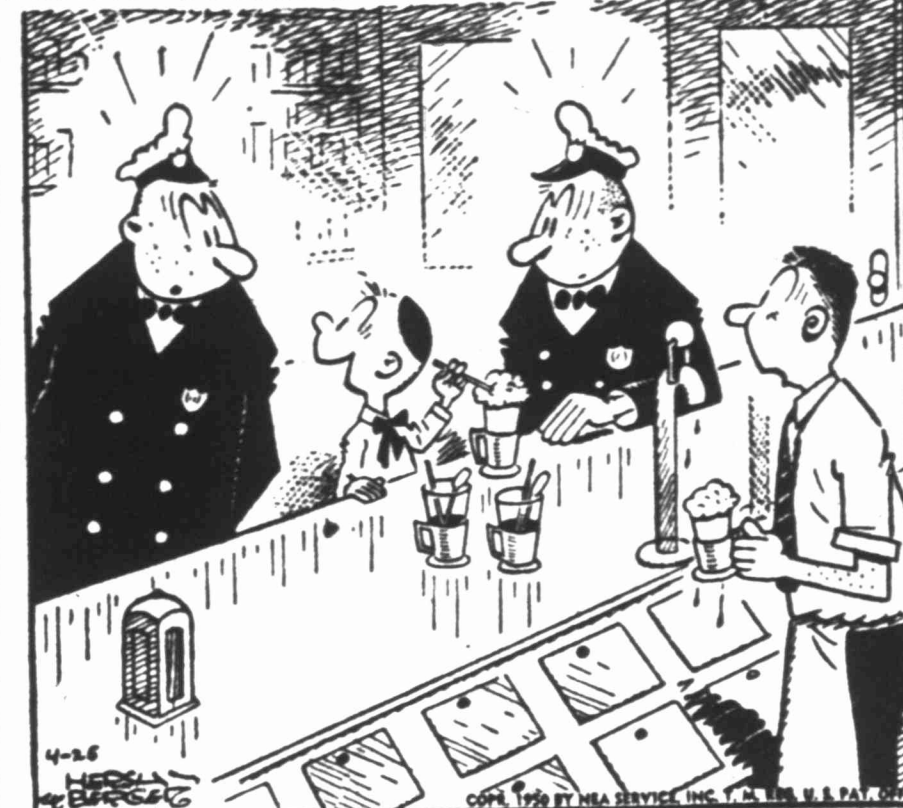

**"Hands Off" Attitude**  
Britain's colonial administrators take a "hands off" attitude toward the Communists, although this is a British jet fighter base and 2,500 British troops are stationed here. At Kyrenia, on the island's north coast, a U. S. radio monitoring station listens in on Balkan and Middle East radio stations, keeping Washington informed of their propaganda lines.

Anti-Communist Greeks blame the British "do nothing" attitude toward the Reds on a desire to keep the Cypriote from uniting in demanding "enosis"—union of Cyprus with Greece. About 85 per cent of the islanders favor the union. Only the church-Communist feud keeps them divided.

The Reds are strongest in the four chief strategic points—the main ports of Famagusta, Limassol and Larnaca, and at Marphou near the big American-owned copper mine of the Cyprus Mines Corporation.

Asserting that the "Peoples Republic" some day will come to power in Greece, the Reds are pushing a two-fold campaign of anti-West propaganda and promised changes should a Greek Communist government take over the island. They pledge redistribution of large estates and church lands as well as nationalization of foreign-owned mines and industries.

### Arraignment Set Tuesday For Grant

LOS ANGELES—(AP)—John Henry Grant, 32, was to be arraigned Tuesday afternoon on six counts of attempted murder for placing a fire bomb aboard a United Air Lines plane April 17.

Grant was charged Monday with plotting to kill his wife and two children and the crew of three. Ten other passengers aboard the plane were not mentioned in the complaint.

Detective J. R. Gouldstone said Grant told him he planned to collect \$25,000 insurance on his family because he was \$6,000 in debt, part of it due to a New York woman who sued him over the paternity of her child.

Friends of a prospective bridegroom among the Madis of central Africa give him presents to help him pay for his bride.

### Reward Offered For Slayer Of Baby Boy

LAPORTE, TEXAS—(AP)—Funeral services for a newborn baby boy found slain Monday on a Galveston Bay beach were to be held Tuesday.

Merchants and residents of this Harris County town also have collected reward money totaling \$500 for information leading to the arrest of the person or persons who slashed the infant's throat.

Sheriff's Captain Charley Nix said little progress had been made in the investigation.

### Texas Meat Canners Warned Of Violations

HOUSTON—(AP)—City officials have cracked down on improperly inspected canned meat being sold in stores here.

Dr. R. S. Martin, head of the City Meat Inspection Division, Monday warned Texas meat packers to remove all such canned meat from grocery shelves immediately.

Martin said much canned meat has been sold here without showing any markings indicating the cans have been inspected properly. He said this applies only to Texas products, in that canned meat from other states bears federal inspection labels.

## MAJOR LEAGUES—

### Nats' Scarborough Hangs Hex On Sox

By JOE REICHLER  
Associated Press Sports Writer

What strange power does Washington's Rae Scarborough hold over the Boston Red Sox?

Joe McCarthy, Boston's puzzled manager, would give half his salary to find out. Tom Yawkey, the Red Sox' wealthy owner, went even further than that. He reportedly offered the Senators \$200,000 and two players for

the pitcher's services, just so his club won't have to face him. He was turned down. And no wonder. Scarborough, just another pitcher to the rest of the American League clubs, is Christy Mathewson. Walter Johnson and Cy Young rolled into one when he comes face to face with the hard hitting Red Sox. He thrives on them.

In six seasons in the big leagues, the 32-year-old right-hander has won only 38 games and lost 43 to the six other clubs. Against the Red Sox, Rae boasts a gaudy 10-5

record. No wonder the New York Yankees offered six players for him recently. Scarborough met up with the Red Sox for the first time this season Monday night. He proceeded to shut them out 3-0. Three hits were all the power-laden crew could get off his offerings and all were made by one player—Al Zarilla, who rapped out two doubles and a single. Three others reached base by bases on balls.

**One Before—In 1910**  
Only once before in the major leagues has a player collected all three of his team's hits, that was all the way back in 1910 when Jimmy Sheckard of the Chicago Cubs made three against Harry Gaspar of the Cincinnati Reds. And the Cubs won the game 1-0.

The Red Sox-Washington game marked the first time Scarborough has faced Joe McCarthy's men since he beat them 2-1 last September 28. The defeat knocked them from undisputed possession of first place into a deadlock with the Yankees. It eventually proved the margin of defeat as the Yankees won the pennant by one game. Exactly a year before—Sept. 28, 1948—Scarborough pitched a 4-2 triumph over the Sox. That loss cost them the '48 flag.

The Senators scored all their runs in the eighth. Until then Al Papp had kept pace with Scarborough, holding the Nats to four hits. Then Washington tallied three times without getting the ball out of the infield.

As if losing the game wasn't enough, the Sox may have lost the services of Dom DiMaggio for an indefinite period. The brilliant centerfielder was forced to leave the game with a stiff right leg after the fourth inning. Ted Williams, recovering from a siege of the gripper, was back in uniform but still was too weak to play.

**Sports Roll Ahead**  
Shreveport rolled along at the head of the league. The Sports have been the major surprise of the race thus far. Not expected to finish even at the top of the second division, Shreveport has won nine out of eleven games and Tuesday boasts a two-game lead over second-place Port Worth.

Monday night, Shreveport edged Beaumont 7-6 by showing over six runs in the fourth inning. Four Sport hits and the wildness of Zeke Melignano brought the half-dozen tallies.

Fort Worth roared from behind to lick Dallas 9-5, pushing four runs across in the fifth inning to do away with a 5-2 Dallas lead compiled on home runs by Lou Morton and Bill Klaus. Klaus hit his with two on base. Only one was ahead of Morton when he parked the ball.

Tulsa whipped Oklahoma City 9-1 mostly on the pitching of Left-hander Moe Savransky. He gave the Indians only six hits while Tulsa was clouting 13. Bob Neiman featured the Oiler offensive with two home runs, driving in five runs.

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 25, 1950

## Indians Rout Roswell 23-9

The Midland Indians and the Roswell Rockets complete their series Tuesday night in Indian Park with a single game.

Manager Tom Jordan will shoot his ace, Bryan McGoldrick at the Indians. Manager Harold Webb has nominated Ralph Blair to do the hurling for Midland.

The Indians take the road Wednesday for a three-game series in Ballinger.

The Midland Indians scored their biggest victory of the season Monday night when they whipped league-leading Roswell 23 to 9 in Indian Park.

Rookie John Singleton held the Rockets in check all the way and the big Indian war clubs went into action for

a grand total of 24 base hits. Lou Dawson, the limited service outfielder who has been counted on to do wonders for the Indians, connected for two home runs, a triple, a double and a single. He had the range on everything the Rocket hurlers threw and drove in 11 runs for Midland.

Dawson's left-handed power sparked first in the early innings when he hit a three-run triple after Manager Jordan had passed Jim Prince intentionally to get to him. There was no stopping Dawson from there on.

The fans liked Dawson's hitting so much they poked more than \$70 through the screen to him.

Roswell scored one run in the first to take a momentary lead but Dawson tripled with the bases loaded in Midland's first to send the Tribe out front. From there on it was all Midland.

Tex Stevenson, Jim Prince, Kenny Jones, Quentin Basco and George Firnbach added the Midland attack with three or more bingles each.

The biggest inning for the Tribe was the third when 11 men went to the plate. Seven runs on six hits and two Roswell errors.

Tom Jordan and Cotton Linloff led the Roswell attack. Jordan hit three for four, including two doubles, and Linloff had two for four.

The box score:

### WT-NM League— Lubbock Hubbers Grab Loop Lead As Cold Idles Clovis

By The Associated Press

The Lubbock Hubbers found themselves the sole possessors of the top spot in the West Texas-New Mexico League Tuesday, after having pounded out a 14-10 win over the Abilene Blue Sox.

Clovis dropped a half-game behind the Hubbers when its game with Borger was postponed due to cold and high winds.

Albuquerque and Amarillo could not play at Amarillo due to high winds, and Lamesa downed Pampa 15-6.

The Hubbers, paced by Don Moore's three consecutive singles and Walt Stenborg's triple and two singles, routed two Abilene hurlers for the victory.

Lamesa won its third straight game by downing Pampa in a severe gust storm that made play difficult.

**Ball Not Responsible For Death Of Child**

**FORT WORTH**—A physician says a blow with a softball "had very little, if anything," to do with the death of Jeffrey Vaughn Heitzman, three.

The child died Sunday shortly after he was struck by a ball as he ran across a street.

A physician who conducted an autopsy said Monday that the child suffered from a glandular disorder of a nature which gave him a greatly decreased resistance to infection or shock.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 25, 1950-9

**Milk Bowl Dads Plan Big Future**

GAUSE, TEXAS —(AP)— Here in a town that's little more than a bend in the road, the Milk Bowl, Inc., is making big plans.

It's going to break into the national football bowl picture. It also is going to use the money gained thereby to found a ranch for homeless and underprivileged boys.

The Milk Bowl is a game for peewee teams—boys 14 years of age and under weighing between 90 and 110 pounds. It was held the first time last year with amazing results. Now everybody wants to get into the act. Chambers of Commerce over Texas are busy nominating their localities for consideration next December to furnish the host team.

Right now, it appears the Chicago peewee champions, sponsored by Red Grange, will be the visiting team. The game will be at nearby Cameron unless the ticket sale is so large it has to be moved to a city with a big stadium.

Proceeds from the game will go into a fund to buy a 1,200-acre ranch. E. C. Weaver, secretary of the Milk Bowl, Inc., says the game will furnish enough money for it.

Some 35 or 40 boys will be taken to the ranch to learn farming and farm trades and to raise cattle.

**Longhorn League—Big Spring, Odessa, Midland Triumph; Winds Cancel One**

By The Associated Press

Midland did things up in grand Longhorn League style Monday night by rolling up the league's highest score this season with a 23-9 bombardment of Roswell's pitching.

Lou Dawson, Midlander center fielder, was a one-man wrecking crew. He blasted a grand slam homer, another homer with two on, a triple with three on and a single with two on to account personally for 11 runs.

Odessa continued to hold down second place in the standings with a 14-9 victory over Sweetwater. Aided by wind, walks and errors, the Oilers broke an eight-all tie in the ninth inning with six big runs for the win.

Led by Potato Pascual's two-run swat in the first inning, the defending champion Big Spring Broncs beat San Angelo 6-3. The Broncs added three insurance runs in the second on three hits, a hit batter and an error.

Ballingier at Vernon was postponed due to high winds and cold.

**Boy Scout Roundup Slated Thursday At Big Spring**

Scouts of the 17-county Buffalo Trail Council area will usher in the summer camp season Thursday as the annual Big Spring Roundup opens its three-day session.

Highlight of the roundup will be the unveiling of a 17-foot replica of the Statue of Liberty at 4:30 p.m. Friday on the lawn of the city auditorium.

Attendance is expected to exceed last year's 736, said Dr. P. T. Quast of Sweetwater, council camping and activities committee chairman.

In addition to the statue dedication, Scouts will spend much of their time in camping, fellowship and competitive Scouting training. Citizens of Big Spring will be hosts to the Scout group Saturday at a barbecue, which will conclude the session.

Rattlesnakes stab rather than bite in striking, their fangs point straight forward.

**Hearing On Minor Loop Case Slated**

NEW ORLEANS —(AP)— The Executive Committee of the minor leagues will hear the appeals of two Arizona-Texas League baseball clubs May 5 on whether the contracts of four players should be approved.

Charles Hurth, chairman of the committee, made the announcement in New Orleans Tuesday. He said the hearings would be held in Cincinnati, Ohio.

President George Trautman of the National Association of Baseball Leagues has ruled that the four players already were under contract to the League of Mexico.

The players are Alfredo Jimenez, Ventura Morales and Laureno Comanche of El Paso and Felipe Hernandez of Juarez, both members of the Class C league.

Hurth said the three-man committee also would hear the appeal of Jack Corbett, president of the El Paso club. Corbett was suspended indefinitely and fined \$1,000 for playing Morales in the opening game of the season.

Members of the committee are Hurth, who also is president of the Southern Association; Frank Shaughnessy, president of the International League; and Herman White, president of the Northern League.

**Spring Grid Drills Set**

Coach Tugboat Jones will issue his final call for Spring football practice Wednesday afternoon and he expects 17 lettermen and a host of reserves to show up at Memorial Stadium.

Spring drills will last until May 27 when an intra-squad game will be held.

Coach Jones said the Spring schedule will be rough and he will call on all hands to give their best.

**Qualifying Underway In Women's Tourney**

Qualifying in the annual Midland Country Club Women's Tournament was underway Tuesday with golfers fighting for the medalist honors. Some entries, who did not wish to try for medalist, qualified Monday.

The tourney will continue through Saturday with finals in all flights scheduled.

The tournament this year attracted a field of more than 50, one of the largest in history.

**Bauers Glad To Be Home; Win Match**

By SHORTY SHELburnE  
Reporter-Telegram Sports Writer

The Bauer Sisters, Marlene and Alice, returned home Monday to greet the people of Midland and to be hugged and kissed by many of their friends here. It was a gay occasion Monday afternoon at Midland Country Club when the famous golfing daughters walked out on the No. 1 tee. A cheer went up and it wasn't hard to tell Midland had welcomed the Bauers home. A gallery of more than 200 turned out.

The girls, with new permanents and playing in skirts and sweaters, were bothered by the wind but you couldn't tell it by the way they played. It was their first time to play in a West Texas sandstorm.

Young Marlene, the woman athlete of the year in 1949, fired the lowest medal score of the day, a 77. She was hitting the ball well on the fairways but was off some on her short game.

Graham Mackey had a 78 and Alice and Roane Puett matched 81's.

Mackey and Puett, junior golfers of note, played the girls a great game but couldn't overcome their championship style. Mackey was exceptionally good hitting the ball.

The Bauers were to leave by air Tuesday for Pebble Beach, Calif., where they will start an exhibition tour for the Cancer Fund. They play in Pebble Beach April 29 and 30, in Chicago May 6 and 7, in Cleveland May 13 and 14 and in New York May 20 and 21.

"The girls will appear on We the People, a nationally-known radio program, May 19 in New York."

Following the tour for the Cancer Fund, the girls will play in the Celebrities Tournament June 3 and 4 at Washington, D. C. They will work their way back to Midland by late June or early July.

The Bauers also have been invited by a steamship company to tour Japan for an exhibition engagement. No definite plans have been made on it.

Pro Dave Bauer, father of the girls and their constant companion, favors the Tokyo trip for more reasons than one.

"I believe our kids could help the American cause in Japan if we made the tour," he said.

"Now is the time to fight communism and the best way to do it is to keep democracy on parade before the conquered peoples of the world who are wondering just which way to turn," he added.

"No Place Like Midland"

The girls and their parents were glad to be back in Midland. Although crowded for time, the famous family tried to make its way around to all the places it was invited.

"There's no place in the world like Midland and we are happy to get home again," Mrs. Bauer declared.

Looking as fresh as a rose and always with a smile to offer, Mrs. Bauer had nothing but praise for the kind people at Midland Country Club.

"We turned down some good offers in order to keep playing from Midland," Dave Bauer said. "But we like it here and this will be our home from now on."

"We want Midland to have credit

**Texan Quits Post At Lehigh To Join High School Staff**

BLUM, TEXAS —(AP)— Dan Yarbrough, former Texas athlete, has accepted a position as cage coach and teacher in the Blum school system.

Supt. Earl Hunt announced Monday that Yarbrough had resigned as head basketball and track mentor at Lehigh University, Bethlehem, Pa., to take the Texas post.

"Yarbrough is resigning a good position at Lehigh because he wants to come back to Texas," Hunt said.

The new Blum coach finished high school at Forsan, Howard County. He attended Hillsboro College one term before going to North Texas State.

Yarbrough coached at Bardwell High School before going back to North Texas as head coach one year. After his discharge from the Navy, Yarbrough spent another year at North Texas.

# DADDY RINGTAIL

By WESLEY DAVIS

## Daddy Ringtail And Downside Up Catcher

The Monkey Catcher came running out of his house almost without opening the door. My, my! He was in a great hurry.

He jumped in his firetruck, and away he drove with the siren making its siren noise and the firebell clanging and clanging. He drove away and down the Elephant Path, on and on through the Great Forest, but he stopped in a hurry when he saw Daddy Ringtail.

Daddy Ringtail is a monkey, of course, and he was all ready to run when the Monkey Catcher giggled and said: "I'm not the Monkey Catcher today!"

"Mercy me!" Daddy Ringtail said. "If you aren't a monkey catcher today, then today you're not trying to catch a monkey, and so what are you trying to catch?"

"Well," said the Monkey Catcher, "I was listening to my radio at home, and the radio man said that a Downside-Upper was here in the forest, and I want to catch him. I do, and take him home to my zoo."

"You say you want to catch a Downside-Upper?" Daddy Ringtail asked.

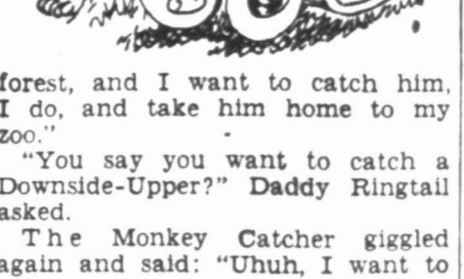

The Monkey Catcher giggled again and said: "Uhuh, I want to catch a Downside-Upper, except I don't know what a Downside-Upper looks like."

Daddy Ringtail thought about this in a hurry. Why, only yesterday he had tried to be a Downside-Upper himself, and so he knew that the real Downside-Upper would never want to be caught by the Monkey Catcher. Oh no! A Downside-Upper is someone who always walks on his hands instead of his feet, you know, and never would a Downside-Upper like to be carried off by a Monkey Catcher to live at a zoo, and so something had to be done. Something had to be done to save the friendly Downside-Upper, and so Daddy Ringtail did it.

Daddy Ringtail said: "See here, Mr. Monkey Catcher. You can't catch you a Downside-Upper without a Downside-Upper catcher cap on your head. It wouldn't be fair to do it."

Of course the Monkey Catcher wanted to be fair, and so he hurried away to look for a Downside-Upper catcher cap which he never found at all. Happy day! Happy being fair all the time.

## City Needs To Know Rabbits' Maturity Age

DETROIT — (AP) — How old and how big does a rabbit have to be before it stops being a baby? "Only another rabbit would know," says Assistant City Counsel Arthur Barkey.

But he suggested that the Humane Society try to find out and pass the information along to the City Council for purposes of clarifying Detroit's law against selling baby bunnies.

Barkey held that Glenn H. Moore was innocent of violating the law when he sold rabbits at Easter time. The Humane Society had brought charges against him.

Cold War—

(Continued From Page One)
Soviet foot soldiers, but they got along all the same.

The GI's showered their watches and anything they had on the Russians. The Russians didn't have as much to give, but what they had, they gave in return.

The victors shook hands over the prostrate and battered carcass of the enemy.

President Truman, in Washington, said "Nations which can plan and fight together shoulder to shoulder in the face of our enemies, as we have overcome, can live together and can work together in the common labor of the organization of the world for peace."

Stalin Broadcasts
The generalissimo, Marshal Stalin broadcast this in an order of the day:

"Long live the victory of the freedom-loving nations over Germany! x x x I greet the valorous troops of our ally standing on the territory of Germany shoulder to shoulder with the Soviet troops and who are full of determination to carry out their duty to the end."

Few dreamed that five years later such Soviet Army organs as the Tageliche Rundschau would be urging the Germans:

"Destroyed Dresden reminds you—fight against the imperialist robber war. Dresden was attacked by the East and West in winning a great war made any other problem seem simple."

Soviet soldiers and American GI's had one common aim—to get out of uniform and to go home to their families.

Carefree Screwballs
The American soldier newspaper Stars and Stripes, recording the meeting of the two forces, declared:

"Russian soldiers are the most carefree screwballs that ever came together in an army. They would be best described as exactly like Americans, only twice as much."

Along the Elbe the Soviet pulled out accordions and sang and danced for the GI's, who joined in the dancing.

The same issue of The Stars and Stripes that carried the Torgau meeting buried in a back page a hint of things to come. No one gave it a second glance and if they did, they thought of it as a UN meeting report.

"Molotov argues on chairmanship of conference."

The headline was to become a familiar one to readers in the next five years. But on the Elbe five years ago, no one argued. Not even the generals.

Reservoir of Good Will
There was a reservoir of good will on both sides that seemed inexhaustible.

From Marshal Zhukov and General Eisenhower down to the lowest GI, there was a belief that East and West could make it go to peace.

Looking around at bodies rotting in the sun-flooded Spring fields between the two armies, many a GI on both sides swore it would not happen again.

Torgau marked the peak tide of East-West friendship.

In a few days, it began to dwindle. The Iron Curtain started coming down.

"Nyet, Nyet, Nyet!"
Could American patrols enter Russian territory to bring back Allied prisoners of war held in camps?

"Nyet"—the Russian "No"—was the reply.

Could American officers or correspondents visit Berlin?

"Nyet."

"Could—" "Nyet."

The "Nyet" always came from the "higher" headquarters. The Russian front-line fighters who delivered them often were apologetic and shame-faced.

As the years passed, the "Nyet" became chronic. Now those delivering them are more emphatic.

The Iron Curtain moved forward from Torgau as the Allies withdrew from their occupation zones. Now Torgau is in the heart of the Soviet zone—twice as inaccessible as the heart of darkest Africa.

The Associated Press asked Soviet authorities if it could send a reporter to Torgau to write this anniversary article.

This time there wasn't even a "Nyet."

There just was no answer.

Livestock

FORT WORTH—(P)—Cattle 1,900; calves 650; fully steady to strong; good fed steers, yearlings and heifers 28.00-28.00; common to medium kinds 19.00-25.50; beef cows 17.00-21.00; bulls 19.00-25.00; 200- and choice slaughter calves 28.00-28.00; common to medium calves 18.00-25.00; stocker steer calves and heifer calves 20.00-28.00; stocker yearling steers 20.00-26.50; older stocker steers 18.00-25.50; stocker calves 17.00-21.00.

Hogs 1,700; butcher hogs mostly 25 cents below Monday's price with sows and pigs unchanged; good and choice 185-270 pounds and 275-375 pounds 15.50-16.75; sows 14.25-15.50; feeder pigs 11.00-14.00.

Sheep 9,500; all classes steady; medium to choice Spring lambs 25.00-27.00; good and choice shorn lambs with No. 3 pelts 24.50; medium and good shorn lambs 23.50-24.90; stocker and feeder lambs 18.00-22.00; cull to good slaughter ewes 8.00-12.00.

Abdullah Defies UN, Arab League; Grabs Forbidden Territory

(P)—Hashemite Jordan Monday night annexed Western Palestine and the Old City of Jerusalem.

Following a standing vote in Jordan's new Parliament, which for the first time includes Palestinian members, King Abdullah signed the annexation documents as a 21-gun salute boomed outside the palace.

The annexation was a direct challenge to the Arab League and the United Nations. The UN Assembly has voted to internationalize Jerusalem, including the Old City. The Arab League, with Jordan abstaining, voted on April 13 that annexation of any part of Palestine by an Arab country would be subject to sanctions as a violation of the league charter. This has been interpreted as a threat of expulsion from the league.

Oil And Gas Log—

(Continued From Page One)
north and 1,800 feet from west lines of Heirs of T. Flint, A-362, and 10 miles south of the town of Paducah.

Exploration Staked In New Sterling Pay

Byrd-Frost, Inc., No. 1 Block D Morgan in Central Sterling County to test the San Andres-Permian.

Location is 330 feet from south and east lines of section 1, block T, TP survey. That makes the vertical two miles southwest of Sterling City. Cable tools will be used.

Operations are the begin at once. The project is about one-half mile west of M&M Production Company No. 1 Durbin-Amelia pumping discovery which opened a new area for San Andres production a short time ago.

Shallow Prospector To Drill In Crockett

Ira Glasscock, Jr., of Big Lake No. 1 W. L. Hobbs is scheduled as a 2,500-foot cable tool prospector in Central-West Crockett County.

Location is 330 feet from north and east lines of section 3, block GG, H&OB survey. That makes it 22 miles southeast of Iraan.

Site Picked For NE Sutton Test

J. K. Davis of Abilene is to drill a 4,250-foot rotary wildcat in Northeast Sutton County. It will be his No. 1 Mrs. W. Faulkner.

The location is 660 feet from north and east lines of section 79, block A, GWT&P survey. It is 30 miles east of Sonora.

Drilling will start by May 10.

Four Reef Outposts Staked In Scurry

Three-quarters of a mile north of the nearest production in the Kelley-Canyon field in Central-South Scurry County, Wilshire Oil Company has filed application with the Railroad Commission of Texas for permission to drill four Canyon outposts.

The four proposed ventures will be in the northeast quarter of section 291, H&TC survey, and seven miles northwest of Snyder.

Drilling on the Wilshire No. 1 Lee will begin by June 1. Exact location is to be 467 feet from north and east lines of section 291.

Sites Staked
The No. 2 Lee will be 467 feet from north and east lines of the northeast quarter of the section.

Sited depth on each of these North Snyder projects is 7,000 feet. Tide Water Associated Oil Company has staked its No. 3 A. W. Buchanan in the Kelley field, two miles west of Snyder.

Drill site will be 467 feet from north and east lines of section 39, tract 33, Kirkland & Fields survey. Sited depth is 6,800 feet. Drilling is to begin at once.

Stanotex Stakes Two In North Snyder Pay

Standard Oil Company of Texas has staked two more locations in the North Snyder Canyon pool in Central-North Scurry County.

Stanotex No. 1-B Brown will be eight miles north of Snyder, and 2-421 feet from east and 660 feet from south lines of north half of section 392, block 97, H&TC survey.

Stanotex No. 4-7 Brown will be drilled 660 feet from north and 2-146 feet from east lines of the north half of section 441, block 97, H&TC survey, and eight and one-half miles north of Snyder.

Sited depth on each of these North Snyder projects is 7,000 feet. Tide Water Associated Oil Company has staked its No. 3 A. W. Buchanan in the Kelley field, two miles west of Snyder.

Drill site will be 467 feet from north and east lines of section 39, tract 33, Kirkland & Fields survey. Sited depth is 6,800 feet. Drilling is to begin at once.

Reinecke Outpost Is Abandoned

C. H. Sweet and associates, No. 1 McNeil, Southeast Borden County wildcat, three-quarters of a mile northeast of the discovery well of the North Vincent-Reinecke-Canyon field, has been plugged and abandoned on total depth of 7,018 feet in a Pennsylvanian lime. The project topped the lime at 7,093 feet and a driller's test at 7,093-18 feet developed salt water. There were no shows of oil or gas.

Some geologists think the lime was the Canyon. The top of that formation was found on a datum of minus 4,665 feet.

The prospector was 330 feet from south and west lines of the northeast quarter of the northeast quarter of section 53, block 25, H&TC survey.

Extension Attempt In C-W Gains Fields

Humble Oil & Refining Company No. 1 J. W. Dines, Central-West Gains County wildcat, one and one-quarter miles southeast of the discovery well for Clear Fork production in the East Hobbs field, and 1,980 feet from west and 860 feet from south lines of section 8, block A-10, pd. survey, has been plugged and abandoned on total depth of 6,809 feet in the Clear Fork.

It drillstem tested at 6,640-6,809 feet. The tool was open one hour and 55 minutes. Recovery was 650 feet of drilling mud, cut with salt water, and 100 feet of salt water.

The venture did not encounter any possibilities of commercial production in any horizon penetrated.

SHORT CAUSES BLAZE

An electrical short Tuesday morning caused a flash fire at 1206 North Dallas Street. An extension cord pulled a rug were damaged.

Brides among the Taiyai people of Formosa are tattooed with marriage marks from mouth to ears.

Band's Pageant Of Progress Scheduled; Ticket Sales Begin

Tickets for the Pageant of Progress—the annual concert and variety show presented by the Midland High School Band—are on sale at the Economy Shop, Midland Hardware and Furnitures Company, the high school band hall, and by all members of the Band Aides, according to O. L. Stalcup, president.

The concert, to be presented at 8 p.m. Thursday in the new high school auditorium, is sponsored by the Band Aides, an organization of parents and persons interested in the high school band. Proceeds from the show will be used for the band banquet and for jackets for senior band members.

Admission to the concert is one dollar for adults and 25 cents for students. Novelty Numbers

Jerry Hoffman, MHS band director, has outlined a program designed for audience enjoyment, featuring classical, semi-classical, modern jazz and novelty numbers.

The Building Band recently won First Division ratings in Regional competition here, taking top honors in concert, sight reading and marching events.

He said the Communist Party has been seeking since 1922 to destroy the government and civilization of the United States and that there are 45,000 Communist Party members in the United States and that 23 national CIO unions are dominated by the Red Party.

He said that in spite of the nation's greatest period of prosperity the people are confused, frightened and frustrated and that communism is behind all the unrest.

"There can be no compromise with communism," Stripling added, "since communism never has delivered on its promises."

Teaching Technique Demonstrated For Midland Teachers

Teachers in Midland schools from Tuesday one through six Monday and Tuesday saw a demonstration of the latest method of teaching reading, given by Gretchen Barton, a representative of the Rowe-Peterson Publishing Company.

A demonstration was staged Monday morning at West Elementary school, using pupils in the first grade class of Mrs. Grenade Peters. More than 35 principals and teachers attended the one-hour demonstration.

P-TA mothers took over classes during the period so teachers could attend.

Monday afternoon's demonstration was at South Elementary school, in the third grade room of Mrs. Orpha Lindblad. Twenty-seven attended.

Miss Barton conducted a third demonstration Tuesday morning at John M. Cowden Junior High School, using the sixth grade class of Dorothy Perkins, better than 25 teachers.

Food Handler's School Has 221 Persons Enrolled

A total of 221 persons have registered in a food handler's school, now being conducted under the supervision of the State Department of Health, City-County Health Unit officials announced Tuesday.

Of the number, 105 are enrolled in the morning classes and 116 in the afternoon sessions.

The school, conducted by C. B. Breedlove of the Department of Health, is held annually. Classes are conducted in the City-County auditorium on West Main Street. Persons who complete the five-day course are eligible to receive a special food handler's certificate.

Most of the enrollees are persons engaged in food handling as a profession. However, a few housewives and maids are enrolled in the courses.

Police School To Be Conducted Here

An annual police school, presented by Texas A&M College and sponsored by the Midland Police Department, will start instruction Monday. The school will continue four weeks.

The instructor will be Wallace Beasley of the Texas A&M Extension Service. Courses of instruction will include: Public Relations, Authority of Police, Law of Enforcement, Criminal Law, Traffic Control, Traffic Law, Investigation of Sex crimes, Criminal Investigation.

Classes will be held from 2 to 5 p.m. daily.

Guest lecturers for the school will include Capt. Ed Preston of the Dallas Police Department and R. L. Massengale and T. C. Laws of the Texas Department of Public Safety. Kenne's Miller, Midland city attorney, will instruct the course in Laws of Evidence.

Robinson Gets Life Sentence For Murder

WICHITA FALLS—(P)—A jury Monday night found Horace Robinson, 60, guilty of murder in the death of Arnold H. Thom and fixed his penalty at life in prison.

Thom, 46, a member of a pioneer Wichita Falls family, was shot to death January 27 on the porch of his father's home.

Phil Kouri, attorney for Robinson, said the case would be appealed.

Congratulations To:

Mr. and Mrs. J. C. Jones on the birth Monday of a daughter, not yet named, weighing eight pounds, one ounce.

Mr. and Mrs. M. C. Howell on the birth Sunday of a daughter, Kara Lou, weighing six pounds, eight ounces.

Cotton

NEW YORK—(P)—Cotton futures at noon Tuesday were unchanged to 65 cents a bale higher than the previous close. May 32.68, July 32.29 and October 31.67.

INJURIES TREATED
Hoyt Burris, Midland fireman, was admitted Monday to Western Clinic-Hospital for treatment of injuries sustained during a routine hose drill. Burris, who resides at 708 South Loraine Street, was dismissed from the hospital Tuesday.

Optimist Club Votes To Get Behind Rodeo

The Optimist Club, at its luncheon Tuesday noon in Hotel Scharbauer, voted to support the Midland World's Championship Rodeo by wearing Western garb.

The members will don the Western clothing a week before the rodeo opens May 31 and will continue wearing it during the performances. Plans also call for setting up a kangaroo court for non-conformists. Fines collected would go into the club's Boys Work Fund.

Robert Stripling, former chief investigator for the House Un-American Activities Committee, was the speaker. He was introduced by Walter Bodeman, program chairman.

Stripling said it is important that each individual become aware of what is happening in the struggle between democracy and communism.

He said the Communist Party has been seeking since 1922 to destroy the government and civilization of the United States and that there are 45,000 Communist Party members in the United States and that 23 national CIO unions are dominated by the Red Party.

He said that in spite of the nation's greatest period of prosperity the people are confused, frightened and frustrated and that communism is behind all the unrest.

"There can be no compromise with communism," Stripling added, "since communism never has delivered on its promises."

Funeral Services For Mrs. Lay Held

Funeral services for Mrs. C. C. (Emma) Lay, 43, were to be held at 3 p.m. Tuesday in the Newvie W. Ellis Chapel, with the Rev. Earl Rice, pastor of the Assembly of God Church, officiating. Interment was to be in Fairview Cemetery.

Mrs. Lay died Sunday night in a Big Spring hospital. She resided at 1094 South Fort Worth Street here.

Born Dec. 29, 1906, in Wharton County, Texas, she moved here from Artesia, N. M., about two years ago.

Survivors include the husband; a son, Roy Lee Lay of Midland; a daughter, Mrs. Irene Wood of Midland; the mother, Mrs. Eiler Bradley of Midland; four sisters, Mrs. Middle Hughes of Lubbock, Mrs. Martha Bibrey of Midland, Mrs. Arlene Goode of Louise, Texas, and Mrs. Jennie Worlds of Bertram.

Three brothers, Bill Bradley of Odessa, Dan Bradley of Ballinger, and Ben Bradley of Burnet, and a granddaughter, Della Ann Wood of Midland.

Funeral services were to be held in Bloomer, Jake Cornelius, Bill Doeds, J. T. Maderra and C. W. Cathoun.

INJURED IN ACCIDENT

Jo Ann Stephens, 15, of 194 South Main Street, was admitted to Western Clinic-Hospital at 6 p.m. Monday following an automobile accident in the 400 block on West Missouri Street. Police reported she was injured when thrown forward against the steering wheel.

The leopard is native to Africa and the warmer parts of Asia.

Phone Strike—

(Continued From Page One)
of picket lines, however, assuring continuance of normal public phone service Tuesday, barring equipment breakdowns.

It was not certain how a strike would affect press association wires. It was not expected, however, that news and radio wires would feel any effect if the strike were short-lived.

Instant Curtailment
Aside from jamming—which is illegal in some states—the installers' strike can have only a long-range effect on the public.

But a general strike Wednesday would bring instant curtailment of the nation's phone service. Only a few and comparatively minor independent companies, mostly in rural areas, would be exempt.

Further, the supervisory employees who would try to carry on, as in past strikes, might find themselves hampered by the new union tactic of mass jamming.

In case of the big walkout, the union, the CIO Communications Workers of America (CWA), has asked all its own members as well as other sympathetic unions to be ready to swamp long distance exchanges with "hang-up" calls. The method would be to place a call and hang up before it was completed.

Company Issues Warning
This first would hinder hand-operated exchanges, but even calls eventually could swamp even the automatic dial systems.

The jamming order of the installers' union—Division 6 of the CWA—brought a warning from the company and a threat of prosecution from the state's attorney in Cook County (Chicago), Ill. The division covers 43 states.

"Apparently the union does not realize that loss of life and property can result from these irresponsible attempts to jam phone systems," a Bell System spokesman said.

The company called jamming unlawful, but the union declared it was perfectly legal. In any case, it would be hard to catch offenders.

The CWA's president, Joseph A. Berne, has asked CIO President Philip Murray to offer support in the jamming effort if it becomes necessary. Murray has made no comment on the request, although announcing strong support for the CWA.

Clean-Up Meeting Called In City

Representatives of Midland's service clubs were scheduled to meet with Junior Chamber of Commerce leaders in Hotel Scharbauer at 2 p.m. Tuesday—to map plans for the annual Clean-Up Campaign here.

The campaign is scheduled May 1-6. It is sponsored by the Jaycee organization.

Suggestions were invited at the Tuesday meeting.

TULSA BANKER HERE

Walter J. Eystone of Tulsa, Okla., is visiting in Midland. He is assistant vice president of the National Bank of Tulsa.

HERE FROM FORT WORTH

Milt Atkinson and William J. Patton of Fort Worth are business visitors here. They are with American Airlines.

Verdict Favors Plaintiffs In Suit

A jury late Monday returned a verdict favoring the plaintiffs on special issues of a civil damage suit, Cecil Taunton et al., vs. William E. Charlton. The case was heard by Judge Paul Moss in 70th District Court here.

The plaintiffs were suing Charlton for damages resulting from an automobile accident Aug. 21, 1948, on the Midland-Odessa highway.

The jurors, who reached a verdict at 11:47 p.m., found that the reasonable market value of plaintiff's automobile at the time of the accident was \$1,145, court officials said. They also found that the wearing apparel of plaintiffs was reasonably worth the sum of \$195.50, and the necessary doctor, medical and hospital services resulting from the accident amounted to \$962.10.

The names of the parties in said suit are: Bobby Huffstutler as Plaintiff, and David S. Huffstutler as Defendant.

The nature of said suit being substantially as follows: Suit for divorce and custody of minor child, Bobby Dall Huffstutler.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unreserved.

Given under my hand and seal of said Court, at office in Midland, Texas, this 14th day of April, 1950. (SEAL) NETTIE C. ROMER, Clerk District Court, Midland County, Texas (April 18-25, May 2-9)

Trucker Charged In Texas Valley Shooting

EDINBURG, TEXAS—(P)—Isidro de la Cruz, 47-year-old Edough trucker, has been charged with murder in the shooting of George Henry Stokes, 40.

Stokes was killed at Edough Sunday, Chief Deputy Sheriff Tom Wigert said Tom Reid, 50, of Edough was wounded slightly in the law by one of the bullets fired by Stokes.

Notice of Hearing on Budget For City of Midland, Texas. Notice is hereby given that a public hearing will be held in the Council Chamber of the City Hall, Midland, Texas, at 7:30 o'clock P. M., Tuesday, April 25, 1950, on the proposed budget of the City of Midland, Texas, for the six-month period, beginning April 1, 1950 and ending Sept. 30, 1950.

(April 25)

LEGAL NOTICES  
NOTICE TO BIDDERS  
Sealed Proposals, addressed to the City Manager, Midland, Texas, for the construction of sewer lines and manholes for the City of Midland, Texas, will be received at the office of the City Secretary, Midland, Texas, until 3:00 p. m. Tuesday, April 25, 1950, at which time they will be publicly opened and read aloud. The provisions of the terms are:

SECTION I  
LOMA LINDA ADDITION  
Furnish and install 300 ft. of eight inch cast iron pipe.  
Furnish and install 1200 ft. of four inch cast iron pipe.  
Furnish and install one four inch gate valve and box.  
Furnish and install one fire hydrant.  
Furnish and install 500 pounds cast iron fittings.  
Furnish and install 1000 ft. of six inch vitrified clay pipe.  
Furnish and install 2000 ft. of four inch cast iron pipe.  
Furnish and install 105 pounds of fittings.  
Furnish and install 600 ft. of six inch vitrified clay pipe.  
Furnish and install 105 pounds of fittings.  
Furnish and build one manhole.  
Payment will be made in cash once each month upon monthly estimates by the Engineer for the Water and Sewer Department of the City of Midland.

SECTION II  
PROGRESSIVE ADDITION  
Furnish and install 640 ft. of four inch cast iron pipe.  
Furnish and install 105 pounds of fittings.  
Furnish and install 600 ft. of six inch vitrified clay pipe.  
Furnish and install 105 pounds of fittings.  
Furnish and build one manhole.  
Payment will be made in cash once each month upon monthly estimates by the Engineer for the Water and Sewer Department of the City of Midland.  
A certified check or Bidder's Bond executed by a reliable surety company authorized to do business in the State of Texas, in an amount of five per cent (5%) of the amount of the total bid must accompany the bid.  
The Bidder will enter into contract and execute the required performance bond if awarded the contract. The Bidder must have 10% of the award of the contract in cash or certified check or Bidder's Bond at the time of award of the contract to him.  
Complete copies of the Plans and Specifications may be examined at the office of the City Engineer for the Water and Sewer Department, Midland, Texas. The right is reserved by the City of Midland to reject any or all bids and to accept the bid deemed best to represent the interests of the City of Midland.  
All bids must be submitted on the forms provided and must be filled out in ink in words and figures, without any additions, alterations or interlineations.  
THE CITY OF MIDLAND  
W. H. Oswalt  
City Manager  
(April 20-25)

ADVERTISING FOR BIDS FOR DEVELOPMENT AND CONSTRUCTION OF WELL WATER PRODUCTION WORKS OF 1,500 GALLONS PER MINUTE MINIMUM CAPACITY FOR THE CITY OF MIDLAND, TEXAS  
NOTICE TO BIDDERS  
Sealed proposals addressed to the Mayor and City Council Chamber of Midland, Texas, for the development and construction of well water supply works of a minimum capacity of 1,500 gallons of water per minute for the City of Midland, Texas, will be received at the City of Midland, Texas, until 3 p. m. Central Standard Time, Tuesday, May 2, 1950, and then publicly opened and read aloud.  
The well to be constructed by the City of Midland, Texas, will consist of the drilling, casing, developing, and equipping of a sufficient number water wells upon a tract of land owned by the City to produce the guaranteed minimum quantity of water of 1,500 gallons per minute for the municipal supply.  
A Certified Check issued by a bank satisfactory to the City, or a Bidder's Bond executed by some reliable corporate surety company authorized to do business in the State of Texas, in the amount of five per cent (5%) of the amount of the bid must accompany the bid. The largest possible lump sum bid submitted payable without recourse to the City of Midland, Texas, or to the company the Bidder's Proposal, as a guaranty that the Bidder will enter into a contract with the City and execute the required Performance Bond and guaranty in the forms provided, within ten (10) days after the date of receipt of the bid to him. Bids or proposals without the required Bid Guaranty will not be considered.  
Complete copies of the Specifications and Contract Documents may be obtained by prospective bidders at the Office of the Director of Public Works upon a deposit of Ten Dollars (\$10.00) which deposit will be refunded to the actual bidder upon return of such documents in good condition within ten (10) days of receipt of the bid.  
Attention is directed to the fact that there must be paid on the spot the full and prevailing rates of wages which have been established by the City. A schedule of such prevailing wages is contained in the Specifications and Contract Documents covering the construction of this project. It shall be the Contractor's responsibility to inform himself thoroughly of the above stated laws and Statutes pertaining to the employment of labor and conditions of employment.  
The Bidder's attention is directed to the fact that bids or proposals shall be submitted only in the form provided therefor in the Contract Documents and must not be submitted in letter form or any other form except by filling out in both script and figures the proposal form provided in the Specifications and Contract Documents which sets forth in detail the various items contained in the project and Contract to be bid upon. Bids submitted in any other form will be considered irregular and will be returned to the Bidder without receiving consideration.  
The City of Midland, Texas, reserves the right to accept or reject any or all proposals or bids to waive technicalities, to make any investigation deemed necessary of a Bidder's ability to perform the work covered by the Specifications and Contract Documents, and in the judgment of the Mayor and City Council is the best bid.

MIDLAND'S STORE FOR MEN AND WOMEN

Will Play In Concert

Key men in the Midland High School Band are the nine members of the concert section. The entire band will be featured in concert, swing and novelty numbers in a Variety Show and Band Concert at 8 p.m. Thursday night in the new high school auditorium. The concert is sponsored by the Band Aides. Proceeds will be used for the annual band banquet and for jackets for band members. Concert players are, left to right, front row: Norman Myers, Larry Mayfield and John Murphy; second row: Russell Moore, Charles Worthen and Harold Drew; third row: Clint Dunagan, Charles Crabtree and John Klingler.

★ THE DOCTOR SAYS ★  
Gradual Treatment Is Needed To Build Up Painful Flat Feet

By EDWIN P. JORDAN, M.D. Written for NEA Service

Fatigue, sore feet, pain in the calf muscles, and other distressing conditions higher up may be merely symptoms of broken or breaking arches in the feet. Poor posture, ill-fitting shoes, overweight, lack of exercise, too long standing on hard surfaces and a host of other things can produce what universally is called flat feet. Flat feet cause a great deal of pain in the feet themselves and can produce some difficulties higher up in the weight-bearing joints or muscles. Sometimes flat feet, which are not themselves very painful, may explain a certain amount of general fatigue. Most people think of flat foot as a simple breaking down of the arch lying between the base of the big toe and the heel. This is one kind of flat foot. But there is another arch, at the ball of the foot, which also can be broken down and cause a good deal of difficulty. Often the first sign of trouble in this second arch is the formation of a callous which may be tender or painful. Flat feet may result from some birth defect, from an injury or paralysis. Sometimes shoes are worn which do not fit and hence make the foot more susceptible to breakdown of the arches. At times the body weight is just more than the arches can stand. Flat feet can come on suddenly and with a good deal of pain. The arches can break down gradually also, and with little or no direct pain. In either case, something should be done as normal arches are important for comfortable feet, especially for those whose occupations require a great deal of standing or walking. Fallen arches usually can be cured by proper treatment except perhaps in those who are very old or in whom the condition has existed for too many years. The arches usually cannot be built up to their normal position at once because they have collapsed too far. This has to be done gradually with the help of felt pads in the shoes which can be added layer-by-layer or some similar method. Of course, the shoes worn during this period have to be carefully chosen and sometimes bars or other devices are placed on the outside of the shoe itself.

**Way To Walk**  
Together with the use of pads, shoes and bars, many people who have broken arches need to be instructed in the proper way to walk so that the arches in normal places, the edges of the feet, grasping the edge of the carpet with the toes, and similar activities often are useful in restoring strength to the muscles and ligaments which are supposed to hold the arches in normal place. The use of contrast foot baths, that is, alternately immersing the feet in hot and cold water, frequently relieves the discomfort and stimulates the circulation, thus speeding the recovery.

Man Charged With Attempted Murder Of Four Children

LAWRENCE, MASS.—(AP)—A former Lawrence postal employee was booked early Tuesday on a charge of attempting to murder his four children with illuminating gas. Deputy Police Chief Arthur J. Riley said James M. Ryley, 36, was taken to Danvers State Hospital for mental observation after being booked. The deputy said Ryley tied the four children, ranging from six to 14 years of age, to chairs and then turned on gas in a kitchen stove and a jet on a gas heater. The eldest child, James, 14, freed himself, the deputy added, and notified neighbors. They called police. Two patrolmen, William Ludwig and Alfred A. Donovan, found Ryley in an upper room of the two-story single family house. They found the other three children, all tied to chairs, in the kitchen. None of the children was over-comed. The other children are Marilyn, 10, Eleanor, seven, and Lawrence, six. They are Ryley's children by a previous marriage. His present wife, Dorothy, a registered nurse, was out on a case. The deputy police chief said Ryley could give no explanation for his act. In rural areas in the U. S. in 1949 there was an increase in crime of 2.5 per cent and a 4.2 increase in urban communities.

Protestants In East Germany Fight For Life Against Soviet

BERLIN.—(AP)—Protestantism in Soviet-occupied East Germany is fighting with its back to the wall. Church sources accuse Communist leaders of forcing Protestant clergymen to join the "National Front," Communist mass organization, at the price of their moral integrity. Using the schools and the "Free German Youth" (FDJ) organization to turn the younger generation against religion. More than 14,000,000 of the 18,000,000 Germans in the Soviet zone are baptized members of the Evangelical (Protestant) faith. With so much at stake, Eastern Protestantism has sought repeatedly to avoid an open break with the Communist-controlled government. But the Communists have appeared to interpret this as a weakness. They have stepped up their campaign first to capture the church's influence and eventually to bury the church altogether. The struggle may be racing to an early showdown. Last Sunday, in more than 4,000 churches of East Germany, Evangelical pastors read a common denunciation of Communist pressure. Communist Prime Minister Otto Grotewohl called this an "attack on the Constitution," the government and the republic. Under the loosely-written Communist Constitution of East Germany, each pastor laid himself open to possible imprisonment or even death by his act. None has been reported arrested yet. But the threat hangs over all pending a conference Friday between Grotewohl and Bishop Otto Dibelius of Berlin-Brandenburg. Church sources said the next development may depend entirely on what orders the East German government gets from Russia. Anti-church campaigns in Poland, Czechoslovakia and Hungary since the war have had the whole-hearted endorsement of the Soviet Union.

Appeals Judge Gray Files For Full Term

AUSTIN.—(AP)—Associate Justice Raymond Gray has announced his candidacy for a regular six-year term on the Third Court of Civil Appeals. The San Saba judge was appointed to the Third Court in November, 1947, by the late Gov. Beauford H. Jester, following the death of Judge James Harvey Baugh. Gray ran for the remaining two years of Baugh's term in the election of 1948, and was unopposed. He now is seeking his first full elective term. LICENSES ISSUED Marriage licenses have been issued by the county clerk to Gus A. Glenewekel, Jr., and Martha Lou Elder, and Dean Beeman Cox and Dorothy Barron.

Death Of Student Is Ruled Suicide

FORT WORTH.—(AP)—Paul N. Wallace, 23, was found dead Monday in the home where he roomed. Justice of the Peace Whit Boyd returned an inquest verdict of suicide by dosage of an insecticide. Wallace, a ministerial student at Texas Christian University, was the son of Mr. and Mrs. J. C. Wallace of Denver, Colo. Friends said he had been despondent and "emotionally upset," Boyd said.

Announcing  
**STUDEBAKER  
AUTOMATIC DRIVE**

It's here today! America's first fully perfected "no clutch—no gearshift" driving! Come in and see it! The achievement of years of development by Studebaker and Borg-Warner!

No clutch pedal, of course—and you're safe right from the start! Studebaker Automatic Drive frees you from much of the physical effort of driving. No clutching! No declutching! As car moves forward, you just feed the gas, steer and brake. Your Studebaker "shifts for itself"—makes gear changes automatically, quietly and smoothly. No "creep" at traffic lights! No roll-back when you stop on normal upgrades. You keep the pointer on the steering post in "drive" position most of the time. But when you switch on the ignition, the engine will start only if the pointer is at "park" or "neutral." Studebaker Automatic Drive is extra cost but worth it in extra motoring enjoyment.

Blast In Panhandle Grain Elevator Kills One, Injures Another

PERRYTON, TEXAS.—(AP)—A terrific blast at a grain elevator here Monday fatally injured one man, hurt another, and sparked a smoldering fire in the big structure. Don Herring, 28-year-old father of five children, died early Tuesday of injuries suffered in the blast, which apparently was a dust explosion. Jim Woodward, 21, who was injured, was in fair condition Tuesday. The fire died out during the night and apparently did not damage the 700,000 bushels of wheat stored in the bins. The fire apparently attacked only wooden framework, machines, belts and equipment. Firemen could not play water on the blaze. They explained wheat, when dampened, releases a gas which would heighten the danger of a new explosion. Streets in the area were roped off during the night because of the fear of a second explosion. But Tuesday morning all streets were cleared except those immediately adjacent to the elevator. The blast tore out the elevator's floor, hurled heavy chunks of concrete into the main business section of this Panhandle city and started the smoldering fire in the "head house"—the machinery room atop the 108-foot structure. Herring and Woodward were cleaning a mixture of loose grain and trash from a pit when the explosion occurred. Herring, suffering from third-degree burns on his back and legs, was given several blood transfusions in a futile attempt to save his life. Woodward was less seriously injured by burns about the face and neck. Insurance company inspectors entered the building Tuesday and said there apparently was no danger of a second blast.

Junior Knows Best; Others Hospitalized

PASADENA, CALIF.—(AP)—Having trouble getting Junior to eat his spinach? Don't read him this. The Russell Hatch family planted a vegetable garden. One neat row labeled spinach produced some nice dinner table greens Monday. But Eric Hatch, five, refused to eat his "spinach." The father, mother and another son did. All became violently ill and were treated at Pasadena Emergency Hospital for food poisoning. Doctors said they didn't know what the greens were but definitely they were not spinach. Eric feels fine. U. S. production of tung nuts increased more than 10 times between 1943 and 1949.
