

James C. Watson Oil Editor

NW Howard Slated For Reef Wildcat

Brinkerhoff Drilling Company is slated to start drilling by, or before August 1 at its No. 1 E. Jones, and others, which is contracted to be a 9,000-foot wildcat to explore the Pennsylvanian reef lime in Northwest Howard County, about 14 miles northwest of Big Spring.

The prospector will be 660 feet from north and east lines of the northeast quarter of section 18, block 34, TP survey, T-2-N, and in the Knott community.

The wildcat will be drilled as a result of a deal worked up by John Darden of Midland.

NW Martin Wildcat Drills In Devonian

Spartan Drilling Company and others No. 1 Ida Wolcott, wildcat in Northwest Martin County, is drilling Devonian lime with no shows yet, encountered in the formation.

It topped the Devonian at 11,940 feet on a minus datum of 9,047 feet, which makes it 119 feet higher than the Stanolind Oil & Gas Company No. 1 Mabee, a deep dry hole eight miles to the north.

Sand Discovery Is Indicated In Coke

Union Oil Company of California No. 1-B Daisy McCutchen, East-Central Coke County wildcat, five miles east of Robert Lee, has indicated possibilities of making an oil well from a shallow Pennsylvanian sand at 3,952-98 feet.

That same was drilled tested for three hours. Gas appeared at the surface in 22 minutes and mud flowed out at the top in 42 minutes.

Will Run Casing

The tool was closed at the end of three hours on account of the gas pressure building up rather strong. Operator is to pull the tool and run casing to make a production test.

Surveys Being Run On Howard Prospect

The complete report on the oil flow made at Shell Oil Company No. 1 E. T. O'Daniel, Northeast Howard County discovery from the Pennsylvanian lime, revealed that the prospect flowed a total of 37 barrels of oil during the 40 minutes the tool was open on the zone at 7,888-9,010 feet.

Core Logs No Signs On Lynn Prospector

J. H. Snowden and associates No. 1 Bryan Williams, Central-East Lynn County wildcat, 16 miles northeast of Tahoka, failed to find any shows of oil or gas in a core at 8,890-8,938 feet.

Core Logs No Signs On Lynn Prospector

Recovery was 34 feet of white lime, four feet of cherty black lime and six inches of brown lime. There were no appreciable shows of petroleum.

Americans Pushed Back In Korea

10 Killed, 50 To 75 Injured In Rail Wreck

GALESBURG, ILL.—(AP)—Ten passengers were crushed and twisted to death Friday in a freak collision of two sleek Santa Fe Railway streamliners, running side by side.

Coroner Chauncey Wood of Peoria County announced the toll of 10. The number of injured ranged between 50 and 75, some critically.

The wreck occurred early Thursday at Monica, Ill., 48 miles southwest of Chicago. Monica is 30 miles from Galesburg. A mail coach of the El Capitan, extra fare, all-coach train running between Los Angeles and Chicago, suddenly left the rails and swerved into the Kansas City Chief, a combined Pullman and coach express. This train operates between Kansas City and Chicago.

Both trains were running east-bound, toward Chicago. The Kansas City Chief was on the normally westbound track, under automatic train control.

Bill Carothers, photographer for the Galesburg Register-Mail, said he went through the wrecked trains and counted eight dead, four of them in a washroom.

The list of injured ranged between 50 and 75 persons. Some were in critical condition; others were treated for minor wounds and released from hospitals immediately.

Among the known dead was Mrs. Cora Rowllins of Cleveland, Ohio, who was returning to Cleveland from Los Angeles with her granddaughter, Delores Keith, 16. Delores, who was injured, said her grandmother was dead.

One of the dead was identified tentatively as Doyle Brown, 37, a member of the U. S. Marine Corps, address undetermined. His body was taken to a funeral home at Princeton.

A woman pronounced dead at St. Francis Hospital, Peoria, was believed to be from Ingelwood, Calif. Her identity was not determined, however.

About 15 coaches of both stream-line trains were jammed together in the wreckage. Four or five were telescoped. Some nosed into the soft earth along the right of way.

Because of the early hour it was some time before help could reach the wreck scene. Farmers carrying axes came from the neighborhood to chop paths to those trapped in the debris.

The mail coach that led the chain of derailed cars was four or five cars behind the diesel locomotive. Mark Friess of Chillicothe, Ill., who was in charge of the El Capitan mail coach, said the train was traveling normally when "apparently the wheels went wrong under the mail car."

"We swerved and seemed to sail through the air to the left. We hit the locomotive and the first car of the Chief."

The car ahead of the wreck—the locomotive and lead coaches of the El Capitan—rolled ahead on the tracks for about a half mile.

Brinkman, the Peoria reporter, said he was told the El Capitan was traveling about 90 miles an hour at the time and that the Chief was doing 70.

A Midland man Thursday posted bond of \$5,000 in Justice Court following his arraignment on charges of raping a 16-year-old Midland girl Wednesday night.

Justice of the Peace Joseph A. Seymour fixed bond for the defendant and bound the case over to action of a 70th District Court grand jury.

★ LATE NEWS FLASHES ★

WASHINGTON (AP)—The Senate Armed Services Committee agreed Thursday to ask top military leaders for "all the facts" on military forces and supplies available in Korea, Japan and Europe.

CHERBOURG, FRANCE (AP)—More American arms for France—450 tons made up mostly of anti-aircraft guns—arrived here Thursday under terms of the Atlantic Pact armament agreement and were unloaded without incident.

DALLAS (AP)—Dallas banking hit an all-time peak as the first half of 1950 ended with total deposits of \$1,204,391,065.67, bank call figures revealed Thursday.

FORT WORTH (AP)—The 13 banks of Fort Worth and Tarrant County showed all-time record deposits June 30 of \$440,442,265.48, Thursday's bank calls showed.

HOUSTON (AP)—Houston bank deposits totaled \$1,167,242,300.22 as of the June 30 bank call issued Thursday.

THEY MEET AGAIN—Meeting for the first time since the outbreak of the Korean crisis, Gen. George C. Marshall, left, World War II chief of staff, and Gen. Dwight D. Eisenhower, supreme Allied commander in Europe, converse in whispered tones as they appear before the Senate Foreign Relations subcommittee in favor of a resolution for a "Campaign of Truth" against Russian propaganda.

WASHINGTON (AP)—President Truman said Thursday there are no present plans to call the National Guard or Armed Forces Reserves to duty because of the Korean war.

His statement at a news conference was in response to questions. A reporter asked the President if he was hopeful that everything will work out all right in Korea.

Truman said of course he is. It will work out all right, he added. Truman also said he has no plans now to seek additional military funds.

No Speeches, More Work The President said he was very happy that Secretary of Defense Johnson, the armed forces secretaries and the joint chiefs of staff had decided they would make no speeches during July.

He said he had no dates of his own for any speeches, but did not elaborate.

He said he was very happy that the defense establishment was going to devote all its time to work instead of making speeches.

Secretary Johnson announced the "no speeches" decision Wednesday. He indicated it was dictated by concern over possible misinterpretation of statements as well as the desire to concentrate on Defense Department problems.

U. S. Plane Forced Down In Argentina

BUENOS AIRES, ARGENTINA (AP)—A U. S. six-engine plane has been forced down in an emergency landing with fire in one engine at Sumampa, in Santiago Del Estero Province.

The plane was enroute from Panama to Paraguay with a crew of 10 commanded by Colonel Smith, whose first name was not learned here.

The plane landed safely. It will remain here for several days until spare parts can be flown from a Panama base.

The group was identified only as part of "Air Force No. 5."

The U. S. Air Force has several types of six-engine planes, including a Consolidated Vultee transport and a B-36A heavy bomber. Boeing also builds a jet light bomber with six gas-turbine engines.

No indication was given in the dispatch from Buenos Aires what type of plane was forced down.

Midland Memorial Hospital Sets 'Open House' Hours

E. R. Andres, administrator, said Thursday the big job of staffing, furnishing and equipping the new four-story, 100-bed hospital practically is complete and everything will be in perfect readiness by Sunday for the open house.

Officials invite and urge every resident of Midland and other Permian Basin Empire cities to visit and inspect the hospital, which is one of the largest, finest, most modern and best-equipped in the Southwest. It will serve a wide West Texas area. Every room, department and section will be open Sunday.

The first patients will be received in the Hospital Tuesday, Andres said. From then on the hospital will be open night and day to serve the hospital needs of Midland and area residents.

Trustees of the Midland Memorial Foundation Friday will complete the roster of division chiefs, Andres said. The hospital is open-staff and all medical doctors of the county are eligible to practice there.

Staff members will be on duty Sunday afternoon to conduct tours through the building and to answer questions concerning the hospital's operation.

The erection of Midland Memorial Hospital was financed by contributions from individuals, firms and organizations, as a community project. A federal grant also was obtained. Officials emphasized the fact: the hospital belongs to citizens of Midland and vicinity in urging everyone to attend the open house Sunday afternoon.

New 'Bill Of Rights' Proposed

WASHINGTON (AP)—A new "bill of rights" for men drafted into the armed forces was suggested Thursday by Rep. Dwight L. Rogers (D-Fla.)

While there have been no inductions for 18 months, the draft law which was extended last week for another year would allow the President to order inductions at once in the event the war situation becomes worse.

If such inductions are ordered, Rogers said, he will sponsor legislation to:

1. Insure that no inducted men lose their regular life insurance through premium lapses.

2. Provide that the government make rent payments when necessary to prevent families of inducted men from being evicted for non-payment of rent.

Direct U. S. Payments 3. Guarantee that inducted men shall not lose homes they are buying through failure to meet mortgage payments.

"The legislation I have in mind," Rogers told newsmen, "would provide for the government to take over payment of rents and mortgages and life insurance premiums if the man inducted requests it. The government would make those payments direct to the landlord, the mortgage holder or the insurance company during the time a man is in service and for six months after he gets out, in order to give him a chance to get back on his feet."

"The payments made by the government would be in the form of a loan to the inducted man and would be repayable, without interest, after discharge. The time of repayment would be based on the length of service."

"I think," Rogers said, "that something must be done, if the draft is used again, to protect the families of inducted men and to protect their insurance."

Big Spring Well Completely Tamed

BIG SPRING (AP)—Big Spring's wild oil well was completely tamed Thursday.

The well, which roared and spewed flames for 25 days was brought under control Thursday night. It was capped by professional fire fighters M. M. Kinley and Paul Adair of Houston and other workers.

Earlier, fire fighters had quenched the flame of the well, the Pan-American No. 1 Holly, but the well continued spraying gas and oil until capped. Officers had thrown up a blockade over a two-mile radius.

Airlines Announce 'Bumping' Rule Again

WASHINGTON (AP)—The airlines announced Thursday a passenger "bumping" rule will go into effect Friday, but it will be mostly a standby measure.

Under this procedure, the airlines will be permitted to remove passengers or cancel reservations when space is needed for military or government officials in connection with the Korean situation.

The action is being taken by the Air Transport Association, agency for the scheduled air carriers, with permission of the Civil Aeronautics Board.

Midlander Injured In Crash Of Pickup

W. D. Rayburn, 59, was injured seriously early Thursday when the pickup truck he was driving struck an embankment on a county road four miles east of Midland.

He was alone at the time of the accident. Authorities were called to the scene of the wreck at 6 a.m. Thursday although it is believed the accident occurred several hours earlier.

Rayburn was brought to Western Clinic-Hospital, where attendants said he was suffering from severe chest and head injuries. He was placed under an oxygen tent.

An employee of the Magnolia pump station discovered the wreck. He said he heard an automobile horn about 2 a.m. and that the accident may have occurred at that time. Rayburn was found hanging out of the door of the pickup.

Officers said Rayburn apparently turned south off U. S. Highway 80 and ran directly into the embankment of the county road which runs parallel to the highway.

Rayburn resides about four miles south of Midland on the Rankin Highway.

President Hints At Action To Halt Switchmen's Strike

WASHINGTON (AP)—President Truman threatened Thursday to take drastic action unless switchmen abandon their strike on five major railroads.

He called it an unjustified strike and blamed it upon a small minority of the switchmen.

Fast-Moving Tanks Force New Retreat

TOKYO (AP)—General MacArthur's communique early Friday reported three North Korean divisions were continuing to press southward towards Osan and Pongtaek, 35 and 46 miles south of Seoul, but field dispatches put the Red vanguard 60 miles south of Seoul.

A front dispatch from AP Correspondent Tom Lambert said the Reds had captured Pongtaek and nosed into Chonan, 14 miles farther down the road.

The Tokyo headquarters communique did not confirm this, but said tank-supported Communist infantry was in the area 31 miles south of Seoul and eight miles south of Suwon. It said general inveterate reinforcement with troops and artillery was underway.

Withdrawal of American troops for "regrouping and reorganization" after coordinated invader infantry and tank assaults on U. S. positions was acknowledged by the communique.

An American field headquarters spokesman had said a few hours earlier that American troops had been forced back eight to ten miles.

The Tokyo communique credited American F-80 jet planes with destroying eight enemy tanks in new strikes south of Suwon.

The field headquarters spokesman said 20 to 35 of the Russian-built tanks and 19 to 25 Yak planes had been destroyed by American forces, but did not specify the period. Apparently he was summarizing all recent actions.

160 to 170 Heavy Tanks The spokesman said the Reds had 160 to 170 heavy tanks in South Korea but speculated they might be running low on fuel as their furious drive progressed. He placed American losses in defense of the South Korean Republic as nominal to "heavy losses among personnel of the size of American forces of what would be regarded as heavy losses."

American reinforcements were reported being rushed to three points on the U. S. left flank at Pongnyon, Kongdoju and Kasu (none of which show on detailed maps).

During the fast-moving action earlier, one American command post had to be abandoned.

MacArthur's communique said "a large number of tanks with supporting troops" attacked American positions Thursday, forcing the Americans to withdraw after they had disabled at least four tanks by direct artillery fire.

American gunners fired at point-blank range then pulled back after (Continued on Page Nine)

Invaders Come In Drove, Says Combat GI In Korea

miles south of Seoul, Songwan another 10 miles south and Chonan seven miles beyond Songwan.

In the past week the invaders' tanks have raced about 50 miles against South Korean opposition and have overrun several American positions.

American forces fighting rear guard actions here destroyed at least two tanks, front line reports said. Later unconfirmed reports raised the total of Red tanks destroyed to ten.

Like Rais—In Drove M/Sgt. Lester Loflin of Mount Airy, C. who witnessed the Communist drive into Pongtaek, said the North Koreans had at least eight tanks and 800 to 1,000 infantrymen.

"They were marching in columns—smoking cigarettes," related Loflin, a veteran of the European warfare. "A corporal in my outfit who saw them said they came in like rats—in droves."

A senior officer said the invaders proved formidable fighters. One Communist tank was hit by our artillery fire and burst into flames, he related. The tank crew leaped out, clothes flaming.

The Americans called out to them to surrender but they refused. Instead they joined other units advancing against US positions.

The officer said US artillery duelled at almost pointblank range with the Red tanks. Some American gunners fired at 100-yard range, "ducked, raised up and fired again."

As artillerymen abandoned their positions and guns, they removed breach blocks and gun sights to make them inoperable.

A key American command post was evacuated before the armored drive. Soldiers left behind to fight a rear guard action were outfanked.

Several correspondents, including (Continued on Page Nine)

Las Camaradas Has Luncheon, Bridge Meeting

Mrs. Audrey L. Gill and Mrs. Oliver Hawk were hostesses to the Las Camaradas Bridge and Luncheon Club Wednesday in the Ranch House. Mrs. Fred Gaarde won high score; Mrs. R. L. Walker, second high; and Mrs. C. P. Cummings, third. Mrs. C. W. Crawley was bingo winner and Mrs. E. N. Gideon, guest high winner. Other guests included Mrs. Daniel H. Griffith, Mrs. Raymond Leggett, Mrs. Mildred Tennis, Mrs. Buster Lockett, Mrs. Earl Bird, Mrs. Edison W. McCullough, Mrs. R. E. Gillespie and Mrs. Bill Thams. Other members present included Mrs. W. E. Critch, Mrs. A. A. Forrest, Mrs. Fred W. Forward, Mrs. Frank Giffert, Mrs. Norman Hoffman, Mrs. Ray E. Seigert, Mrs. Roy Lockett, Mrs. John Younger, Mrs. Max Hendrick, Mrs. John Cooper, Mrs. James G. Chauncey, Mrs. T. M. Curtis and Mrs. John E. Cooper.

Wedding Planned For Fall

The engagement and approaching marriage of Cathryn Harrington was announced by her parents, Mr. and Mrs. Howard H. Jagers, June 27 in Monticello, Ark. Mrs. Harrington and A. J. Lair, Jr. of Midland will be married in the early fall. Lair is the son of Mr. and Mrs. A. J. Lair of Lubbock. The announcement was made at a tea in the bride-elect's home in Monticello. Mrs. Harrington, who has lived in Midland for two years, attended Texas State College for Women and Arkansas A&M College in Monticello. She is employed by the Shell Oil Company. Lair was graduated from Texas Technological College in Lubbock and has been with the Plymouth Oil Company in Midland for two years.

MIDLAND CAMPERS—A group of girls from Midland are attending the first session at Camp Mystic. A camp for girls, Mystic is owned by Mrs. Agnes Stacy, Mrs. Seaborn Eastland, Jr. and William G. Stacy, Jr. Mr. and Mrs. Frank C. Harrison are the camp directors and Ruth Helen Knoepfli is the head counselor. The camp is located on the Guadalupe River, 18 miles northwest of Kerrville. Pictured left to right are, back row, Carolyn Reigle, Ellen DeChichis, Marion Conn and Nancy Forman; front row, Mimi Green, Carolyn McKnight, Eliza Jane Payne and Pat Curran. Patricia Pryor, not pictured, is in the Arts and Crafts department staff of the camp.

Lion Tamers Club Has Breakfast

A breakfast Wednesday morning in the home of Mrs. James L. Daugherty entertained members of the Lion Tamers Club. Plans for the August meeting in the home of Mrs. Duke Jimerson were made. The meeting will be an all-day social beginning at 10:30 a.m. August 2. A covered-dish luncheon will be served at noon. Mrs. Carl O. Hyde and Mrs. Daugherty will assist Mrs. Jimerson with hostess duties. Assistant hostesses, Mrs. John A. Sewell and Mrs. John B. Mills were assistant hostesses for the breakfast. Mrs. John Leigh was welcomed as a new member and Mrs. Gene Knight was a guest. Other members attending were Mrs. Larry Trimble, Mrs. Victor Horn, Mrs. R. L. McCormick, Mrs. Yates Brown, Mrs. L. V. Bassham, Mrs. J. P. Carson, Mrs. W. Harry Rhoden, Mrs. Gerald Keeler, Mrs. Bill Collins, Mrs. Glenn Shoemaker, Mrs. J. S. Hullum, Mrs. C. A. Churchill, Mrs. H. S. McFadden and Mrs. L. B. Smith.

Silk Screen Course At Palette Club Ends Thursday

The two-week course in silk screening that has been given in the Palette Club Studio with Inez Parker, city coordinator of art in the schools, as instructor, ended Thursday. Those who have been enrolled in the class are Mrs. James O. Simons, Jr., Mrs. F. R. Schenck, Mrs. Bryan L. Denson, Mrs. Clarence Hale, Mrs. R. M. Barron, Mrs. H. H. Reiding, Mrs. R. L. Clarke, Elaine Conger, Althea Underwood, Catherine Carter, Jane Beakey and Peggy Read. Miss Parker will leave this week for Charleston, Ill., where she will teach a workshop course in arts and crafts for elementary teachers during the second Summer term at Eastern Illinois State College. She holds a masters degree from Colorado State College and has had extra training in silk-screen work.

Mrs. Johnson Wins High At Justamere

Mrs. W. M. Johnson was high score winner at a meeting of the Justamere Bridge Club Wednesday in the Ranch House. Mrs. F. N. Littlejohn and Mrs. J. F. Gaines were hostesses. Mrs. John Rhoden, Jr. was second high score winner. Mrs. W. M. Ford, Mrs. J. S. McNulty and Mrs. Bill Collins were guests. Other members present were Mrs. R. F. Prentiss, Mrs. W. R. Belcher, Mrs. Harold Wilson, Mrs. Norman Dawson, Mrs. Robert M. Barnes, Mrs. Tom Cowan, Mrs. W. E. Nance, Mrs. G. H. Henderson and Mrs. Paul Ricker.

VALLEY VIEW TO MEET
The Valley View Home Demonstration Club will meet at 2:30 p.m. Friday in the home of Mrs. M. E. Huff, 1219 South Weatherford Street. Pauline McWilliams will discuss "Lighting the Kitchen" and Mrs. J. D. Bartlett's subject will be "Plant Starvation."

YOU'LL NEVER GET ME—Harvey Green, right, threatens Sample Switchel, who is trying to catch him in the fourth act of "Ten Nights in a Barroom." Green, played by John DeFord, has just committed murder, and Switchel, portrayed by Toby Hilliard, intends to bring him to justice.

Last Series Begins For 'Ten Nights'

The final series of performances of "Ten Nights in a Barroom" will begin at 8:20 p.m. Thursday in the American Legion Hall. The show also will be given Friday and Saturday at the same hour.

"Ten Nights" opened last week. It is a melodrama and is being presented for the benefit of the Community Theater by the Summer Mummies, a group of Community Theater workers who last year gave "The Drunkard."

The American Legion Hall has been turned into an old-fashioned music hall for the show. Tables are set up around the hall and the concession stands are at the back.

The stage is set as one might have been 100 years ago and often hands can be seen reaching from backstage to add necessary props.

After the play, a group of olio or after show numbers are given. Bob Richards is director of the olio and does a tap dance routine. A can can line of four girls dances and William Adam and Julie Rindig do a skit. Mr. and Mrs. M. O. Gibson, W. H. Cobb and Mrs. C. E. Branshan are members of the quartet which sings several numbers.

Duke Jimerson leads group singing and Mary Williams is the pianist.

W. H. Pomeroy, Jr., is director of the play with Betty Simpson as his assistant. E. J. Elliott is stage manager.

The cast includes Charles Dixon, who plays Mr. Romaine, a philanthropist, Lee Flood who is Simon Slade, keeper of the "Sickle and Sheaf" tavern; Lew Hoey, Jr., who plays Willie Hammond; and Toby Hilliard, who is cast as Sample Switchel, a Yankee tippler.

John DeFord plays Harvey Green, a gambler; and Frank Slade, the innkeeper's son, is the part played by Bob Short. Norris Creath is Joe Morgan, the drunkard and Adolph is his long-suffering wife. Slade is Mary Morgan's wise and child, and Mrs. Slade, who is the tavern owner, is Mary Margaret Corbett's part. Mehlbel Carright, a very sentimental girl, is played by Bobby Perry.

Counterfeit Expert Will Speak July 22 In West Elementary

Harry Weiss, noted counterfeit detection expert, will speak at 8 p.m. July 22 in the West Elementary School Auditorium. His talk in Midland is being sponsored by the Midland Stamp Club.

Weiss, editor of the Weekly Philatelic Gossip of Holton, Kan., will portray an actual counterfeiting crime through all stages. He will use scientific laboratory and projection equipment in the demonstration.

A fully-equipped crime detection laboratory will be on display and in operation during the two-hour session.

There will be no admission charge for the demonstration and stamp collectors and peace enforcement officers especially are invited to attend.

Terminal Lighting Project Approved

Approval of plans for the revising of the entire lighting system at Midland Air Terminal has been received from the Civil Aeronautics Administration, City Manager W. H. Oswalt announced Thursday.

The improvement project, which was approved by the City Council in February, will consist chiefly of improvement of lighting facilities at the air terminal, including the installation of a high intensity lighting system on the principal runway.

Bids now are being accepted for the project. They will be opened July 24. The city manager estimates the costs of the program including the engineering and supervision will be more than \$70,000. The city will be required to pay approximately \$23,000 of this amount, with the CAA paying the balance, Oswalt said.

Plans also are being prepared for the installation of an air control tower to further assist air safety.

When the new lighting system and control tower are completed the terminal will be able to provide proper types of aircraft control and safety operations demanded by the continued increase of air traffic here, Oswalt said.

Senate Leaders Trim Program In Drive To Adjourn By August 1
WASHINGTON —(AP)— Senate leaders are trimming their law-making plans to bare bones in a drive to wind up this session of Congress by August 1.

Majority Leader Lucas (D-Ill.), with backing of the Democratic Policy Committee, set the pattern Wednesday by cutting his list of required legislation to little more than taxes and appropriations.

Chairman Taft (R-Ohio) said the Senate GOP policy makers would not upset these plans.

Only the tense international situation threatened to stand off the session-end pressure of an election year.

The probable list of legislative casualties was a long one including President Truman's repeated demands for action on his civil rights program.

New FEPC Test
House-passed bills to grant Hawaii and Alaska statehood appeared likely to die in the Senate rush.

So did the Communist control bill that Republican Senators have been trying to get up for a Senate vote.

Lucas listed another test vote on the controversial Fair Employment Practices Commission bill among three measures to be considered. But the way it was listed indicated no hope for victory.

The main Senate business Thursday was a vote on President Truman's proposal to shift the big government lending agency, the Reconstruction Finance Corporation, to the Commerce Department. Unless the Senate or House vetoes this transfer before July 9 it becomes effective.

The House, weeks ahead of the Senate on its lawmaking tasks, was enjoying another 10-day vacation with only token sessions.

NAVY TEAM IN FORMOSA
TAIPEI, FORMOSA.—(AP)— A 10-man U. S. naval team arrived Thursday to set up a radio signal center for speedy liaison between the Chinese Nationalists and the U. S. Seventh Fleet. The fleet is patrolling Formosan waters.

It has been estimated that about half of all U. S. citizens are church members.

J. L. Reeds Are Living In Stanton

STANTON—Mr. and Mrs. J. L. Reed are at home in Stanton after the marriage June 30 in the Stanton First Methodist Church. The bride is the former Rita Lou Wesley. The Rev. James E. Harold, pastor, read the ceremony.

Mr. and Mrs. Leon Graves attended the couple and only relatives and close friends attended the wedding.

Chinese Reds Fire On British Spitfire
HONG KONG.—(AP)— AN RAF spokesman said Thursday Chinese Communists fired on a British Spitfire on a routine flight near the Hong Kong China border.

He said the plane was not damaged and declined details.

Midlanders Attend Ballinger Wedding

Mr. and Mrs. Duke Jimerson were included among the out-of-city guests for the wedding of Charlotte Miller and Lanham Flynt in Ballinger Tuesday morning.

Miss Miller is the daughter of Mr. and Mrs. Charles S. Miller and Flynt, the son of Mr. and Mrs. Frank Flynt. The Rev. Alvin O. Rue, pastor of the First Presbyterian Church, officiated at the double ring ceremony. Flynt is the nephew of Mrs. Jimerson, Mrs. O. J. Hubbard and Marion Flynt, of Midland.

Mrs. Forrest Given Shower In Tom Home

STANTON—Mrs. Dean Forrest, the former Jo Anne Jones, was complimented with a wedding shower recently in the home of Mrs. Edmund Tom.

Hostesses with Mrs. Tom were Mrs. B. F. Smith, Mrs. Glenn L. Brown, Mrs. Neil Fryar, Mrs. Floyd Smith, Mrs. J. H. Rosamond, Mrs. Dale Kelly, Mrs. J. N. Woody, Mrs. Noybe Hamilton, Mrs. Morgan Hall and Mrs. Bill Etheridge.

Other members of the house party included Mrs. R. P. Odum, Mrs. Leroy Gregg, Betty Carol Bennett, Billie Jean Carlisle, Leslie Jean Tom and Peggy Ross.

The serving table was covered with a white linen outwork cloth outlined in pink and silver ribbon. An arrangement of pink carnations with pink tapers on either side centered the table.

WHY STARVE TO TAKE OFF FAT?

When you buy Barocrate, you buy a reputation for taking off weight. You do not pay for a patented diet. Barocrate is not a vitamin tablet to fortify you against weakness while on a starvation diet. You need never know a hungry moment, while reducing with Barocrate. It contains no harmful drugs, but does contain ingredients to make you feel better.

Barocrate when mixed with grapefruit juice does this: First, cuts down your desire for sweets and fatty foods, but you do not have to FORCE yourself. Barocrate takes care of your DESIRE. Second, dehydrates and eliminates, so that water is carried away almost like melting fat. At the same time you feel better, more peppy, more alive, less starved or hungry.

NO STARVATION DIET
"I have taken lots of medicine but none so simple as Barocrate. It's easy. Have lost 19 pounds in 2 weeks and no starvation diet." Signed, Mrs. J. E. Black, Route 1, Box 80, Cleveland, Texas.

LOST 24 POUNDS
"I am writing you just to say I think Barocrate is a wonderful medicine. I have tried so many other things and all failed. I weighed 182 pounds when I started to take Barocrate. I now weigh 158." Signed, Maud Marrow, Archer City, Texas.

Carrier Bataan Off For Pacific Service

PHILADELPHIA (AP)—The aircraft carrier Bataan, which went into mothballs three years ago, was on the high seas again Thursday headed for service in the Pacific.

The big carrier was deactivated in February, 1947, but was recommissioned last May 13. She left the Philadelphia Naval Base Wednesday to rejoin the U. S. fleet.

There was no announcement of the Bataan's specific destination, but unofficial sources here said she will join the Pacific fleet. This was confirmed by Navy Department spokesmen in Washington.

The Navy spokesmen said the Bataan has been converted for anti-submarine duty.

Iraan Driller Is Crushed By Truck

IRAAN — Richard Schneider, 23, driller for the Schneider Brothers Company, here, was fatally injured Wednesday while at work on the Jimmy Roberts lease, two miles west of Iraan.

Schneider was crushed between his truck and a heavy header mast about 9 a.m. near the Reed State No. 14. He was rushed to the Iraan hospital, but died an hour and 20 minutes later.

Congratulations To:

Mr. and Mrs. Robert Erwin, Route 1, on the birth Thursday of a daughter, Carol Diane, weighing seven pounds, eight ounces.

Mr. and Mrs. Joe D. Grube, 1401 Rankin Highway, on the birth Wednesday of a son, James Edward, weighing eight pounds.

Midland Scouts Healthy, Happy At Jamboree

Following the announcement of the polo death of a Boy Scout from Rock Springs, Texas, at the National Jamboree, P. V. Thorson, Scout executive of the Buffalo Trail Council, received a reassuring wire from Ray Upham, Scout leader accompanying the Permian Basin area Scouts.

Upham's wire said, in part: "Health authorities consider general health conditions of Jamboree as excellent. Suggest you contact newspapers and advise them that I have personally inspected our camps and talked to the boys personally and find them in good health and enjoying themselves immensely. No cause for worry."

The Jamboree, which has drawn 47,000 Scouts from the United States and foreign countries to Valley Forge, Pa., ends officially Thursday night, but the Midland group will not leave the campsite until Saturday.

The group will take a side trip to Niagara Falls before returning to Texas. The special train is to arrive in Midland at 7 a.m. July 11.

County Judge Fines, Sentences Midlanders

County Judge Clifford C. Keith Wednesday afternoon fined a Midland negro \$50 and costs on charges of driving while intoxicated. Another negro was assessed a 30-day jail term on a theft conviction.

A negro charged with swindling by use of worthless check was assessed a fine of \$15 and costs and given a 30-day jail term.

UP Correspondent Captured By Reds

WASHINGTON (AP)—The Army said Thursday United Press Correspondent Peter Qalscher is "believed captured" by North Korean Communists.

The Communist radio said Wednesday night Qalscher and Associated Press Correspondent Tom Lambert were captured near Suwon. Both had been missing several hours; Lambert, however, turned up later at Taejon and reported to Tokyo by telephone.

An Army spokesman here said Qalscher last was seen Wednesday by fellow correspondents and is believed captured.

Scouts Attend Camp In Record Numbers; Last Periods Full

Boy Scouts of the Buffalo Trail Council area are crowding camp facilities at the Scout Ranch in the Davis Mountains, according to Joe Niedermeyer of Pecon, camp director.

Niedermeyer has sent an urgent message to P. V. Thorson, Scout executive, asking him to tell Scoutmasters to bring their own tents to the last two periods of camp if they expect to have a place to sleep.

The last two periods are scheduled July 9 to July 16, and July 16 to July 23. Each period has more than 150 Scouts registered.

A camp period for negro Scouts will be held July 23 to July 30, to wind up the formal camp season. The ranch will be open for troop groups to attend on their own after the end of the season, Thorson said.

State Candidate Is Midland Visitor

Charlie McLellan, candidate for State Commissioner of Agriculture, was a visitor in Midland Thursday. McLellan's home is in Eagle Lake, Colorado County. He will be in West Texas about two weeks.

He said: "There are only three issues in the race—1. the general economy of agriculture; 2. good government; 3. which candidate is best qualified to give these things to Texas."

McLellan has served in the Legislature for 10 years. He is married, has four children, is a Methodist and Shriner.

The candidate owns land in West Texas. He said he would go to Odessa from Midland and thence to El Paso and into the Panhandle.

The hippopotamus has scattered tufts of hair on head, neck and tail.

Cass Warns Smokers In Public Kitchens

A. E. Cass, city sanitarian, Thursday issued a warning to all food handlers not to smoke in kitchens of public food establishments.

His statement was made after a 23-year-old negro was fined \$15 in City Court for smoking in the kitchen of a Midland establishment.

Midland has a city ordinance against smoking in public kitchens, Cass said, and the State Health Department also has regulations prohibiting the practice.

The United States has about two billion acres of land of which about half is in farms.

Would You Like New Freedom From Monthly Suffering?

Of course you would. Then Cardui may be the medicine for you. Thousands of girls and women experience great relief, a new sense of freedom from simple periodic cramps, pain, irritability after taking Cardui. This latest formula of modern medical science is not a pain-killer. It simply helps control spasms in the uterus, the organ that usually causes the trouble. Try Cardui and see if you can't kiss trying days goodbye and go about your business as usual. Cardui—at your favorite dealer.

A Place In The Sun

The beach patrol at Atlantic City, N. J., searching (it says here) for "Miss Sun Glasses of 1950," never got past radio actress Billie Nelson. So, Billie reigns with the sun shining as "Miss Sun Glasses." Bright, eh? Maybe she'll even wear 'em.

★ THE DOCTOR SAYS ★

Mass Blood Tests Slow Up Frequency Of Social Disease

By EDWIN P. JORDAN, M. D.
Written for NEA Service
Syphilis is one of the venereal diseases; it has been fought for so long and with so much success that now there is real hope of eliminating it altogether. It will take time, of course, but the instruments for conquering it are known.

Many years ago a test of the blood was devised by means of which the presence of syphilis could be detected. This test was named after the originator and called the Wassermann test.

There have been several modifications of this test over the years (Kahn, Kline, etc.), and any of the standard tests when properly used and interpreted will show the presence of syphilis even when symptoms are lacking.

Recently many physicians and institutions have started using one or more of these tests on all their patients regardless of symptoms and thus have uncovered a great many unsuspected cases of the disease. Also, many large industrial organizations and indeed whole communities have employed blood tests for syphilis on a mass basis.

By doing this they have found many people who unknowingly had the disease. The fact that such cases could be discovered and treatment started to make the disease non-infectious, has been of great aid in reducing the frequency of syphilis.

Treatment too is improving. For many years the patient with early syphilis could be successfully treated in most cases by certain drugs containing heavy metals such as arsenic, mercury and bismuth. These are still being used with great success.

Now penicillin has been added.

In the infectious stage of the disease penicillin seems to work successfully in making the condition non-contagious to others. There are reasons for believing that it has value in other forms of syphilis.

However, many conservative doctors are not yet prepared to say that penicillin can entirely replace the old and tried methods. This scourge of mankind is coming under control. By means of a multiple attack aimed at preventing its spread from person to person, by mass blood tests, by prompt treatment and by newer methods of treatment, it should be possible to conquer syphilis entirely.

Police Hunt Last Of Bandit Henchmen

CASTELVETRANO, SICILY—(AP)—Authorities hunted Thursday for five surviving henchmen of Salvatore Giuliano, slippery Sicilian bandit chief whose murdering, seven year career ended Wednesday in a hall of police fire.

Most of the other members of the mob already have been slain or arrested in the long campaign to get Giuliano. He was ambushed at a hideout in this hill town, and cut down when he tried to shoot his way free.

Police records show the gang charged with 150 killings and 30 kidnapings with ransoms equaling more than \$1,500,000.

British Police Swap Gunfire With Chinese

HONG KONG—(AP)—British police and Chinese Communist soldiers exchanged fire briefly Thursday across the Hong Kong border.

No one was injured. Police described the incident as "purely local."

It began when the British arrested an "undesirable" Chinese who was crossing the bridge into British territory.

Ousted Navy Chief Gets Into Politics

BOSTON—(AP)—Retired Adm. Louis E. Denfeld made his political debut Thursday by announcing his candidacy for the Republican nomination for governor of Massachusetts.

And his first political fight promises to be a tough one. The 59-year-old ousted chief of naval operations meets three veteran campaigners—former Lt. Gov. Arthur W. Coolidge, former State Attorney General Clarence A. Barnes and former State Senator Edward W. Rowe.

If he wins the GOP nomination, he is faced with the prospect of opposing one of his World War II junior officers, Gov. Paul A. Dever, 48, a wartime lieutenant commander, who appears sure of winning the Democratic nomination in his bid for a second term.

DO YOU KNOW WHO—

— is the owner of SNOWWHITE BAKERY?
Is Walter his first name?

And, as you read the above question, think of probably HOW MANY folks who see you each day who do NOT know? Many new friendships are awaiting YOU! All that is necessary ... "get acquainted."

GET ACQUAINTED WEEK will be an occasion for all "to start more friendships."

a treat for you!

Abundant Living

By E. STANLEY JONES

IGNORANCE AND LACK OF JUDGMENT

We pass on now to the eleventh of the 15 major enemies, Ignorance and lack of judgment. Goodness not guided by intelligence is almost as dangerous as intelligence not guided by goodness. Ignorance has produced as much confusion and suffering in the world as wrong intentions. It is easier to act yourself into right thinking than it is to change yourself into right acting. The universe is a moral universe,

and the greatest organ of knowledge is moral response. You know as much as you are willing to put into practice, and no more. While this is true, nevertheless, whether you learn right thinking through intellectual processes alone, or through moral response, it is necessary to learn right thinking. "For the ancestor of every act is a thought." If the thinking goes wrong, then life goes wrong with it. Therefore, in nature and in grace, ignorance is not excused. It must be paid for in suffering. Sincerity amid the ignorance won't atone for the ignorance—the results are the same. The Hindus sincerely believe that smallpox is caused by the goddess of smallpox, Sita. That sincere ignorance blocks scientific remedies, and people die, sincerely or no sincerely.

Texas Cities Report Panic Buying Sprees

By WILLIAM C. BARNARD

Associated Press Staff Writer Panic-buying continues in Texas. A majority of Beaumont automobile dealers reported this week that alarmed customers have bought all available new models.

The sales tripped in Lubbock. Sales of stoves and refrigerators boomed at Houston.

Over the state, nylon stockings were best sellers.

Sherman tire dealer said he wouldn't say he was having a run on tires—but that sales were up 100 per cent! And 95 per cent of Sherman's tire buyers weren't exchanging their old tires. Fact is, the cry of tire buyers over the state was: "Never mind putting 'em on—just throw 'em in the back."

Bill Frye and W. D. Dixon, writing in The Vernon Record, said: "These alert buyers are doing nothing more than making these items scarce, but it's making good business for certain types of business over the nation."

"Let 'em buy!" Dallas retail distributor of kitchen ranges chuckled: "Our sales are up 50 per cent, easy. We're glad to have the business. We have a big backlog of ranges, so let 'em buy."

Morton Smith in The Gainesville Daily Register said in case of a general war "Our wartime industries would face possible bombing attacks from the word 'go.' New cars and new tires would be of little use if our petroleum industry was bombed out."

"This country has stockpiled a mass of critical materials and those who are doing nothing to deplete them are doing nothing to deplete them, no matter what happens," said Wesley S. Izzard in The Amarillo Daily News. "The cue for the average American is to go about his business as usual. There is no call for hysteria."

Shertag Anticipated heard added:

"It occurs to us that those who remained calm back in the early 1930s and took things as they came, got along just about as well as those who frantically sought to hoard whatever they could get their hands on."

To head off panic buying in Fort Worth, the Fort Worth Star-Telegram phoned retail authorities in Detroit and confirmed there are plenty of tires and automobiles and that no shortages are anticipated.

Texas auto dealers could grin about one thing: The public was shipping up 1950 models, instead of waiting for the new '51's as is usual at this time.

Dr. Hermann Sander Resumes Practice

MANCHESTER, N. H. (AP)—Dr. Hermann Sander was back on his medical rounds Thursday.

His office had been closed more than six months following his indictment on a charge of murder in the death of cancer patient Mrs. Abbie Borroto, 89.

A Superior Court jury acquitted him last March. Six weeks later the New Hampshire Board of Registration in Medicine revoked his license on the grounds of conduct unbecoming members of the profession.

The board restored Dr. Sander's license last week and the 42-year-old physician Wednesday reopened his office for the first time since his indictment.

Houston Patriot Makes Early Bid

HOUSTON (AP)—Houston has a young volunteer for the armed services.

"I am a strong boy seven years old," Billy Martin wrote to the draft board here Wednesday. "May I fight in the war?"

There was nothing more except Billy's signature and his Houston address.

WE, HIS NEIGHBORS, RECOMMEND

MAJOR LEAGUES—

Rocky Nelson Is Big Gun In Win Streak For Cards

By JACK HAND
Associated Press Sports Writer

Rocky Nelson looks like the answer to Eddie Dyer's "Who's on first?" riddle. Since Nelson rejoined St. Louis, the Cards have won six straight on their march into the National League lead.

First base has been Manager Dyer's headache ever since he took the job. Each Spring he goes through the same motions, hoping to keep Stan Musial in the outfield. Usually Stan winds up on first.

It was the same story last March. Steve Bilko, the hulking rookie from Rochester, was the new boy. Bulging Bilko didn't hit. Nelson didn't impress because he couldn't hit the left-handers, and Nippy Jones was recuperating from an operation.

Bilko opened, but not for long. On May 5, Stan the man was back on first and Steve was back in Rochester. But with Musial on the bag, the outfield lacked something.

They shipped Nelson to Columbus and he started to burn up the American Association. The good folks in Ohio knew it was only a matter of time before the Cards would call him back. When they did, nobody was surprised, for he is hitting .419, leading the league.

Nelson continued where he left off in the minors. With nine hits, including three doubles, and a homer in 23 trips, he's hitting .321. His defensive play has been excellent. And Musial is back in the old hitting stride with only the outfield to worry about.

Against left-handed Ken Raffensberger Wednesday night, Nelson hit a two-run homer that featured a four-run second inning. The early lead held up for a 5-3 edge over Cincinnati, although Rookie Joe Adcock threw a scare into 13,667 fans with a three-run homer in the ninth.

Phil's Gain
Despite the win, the Cards lost ground to the Philadelphia Phils who added two victories. The Phils' Robin Roberts set down New York one-two-three in the ninth and only remaining inning of a May 14 suspended game to preserve a 9-7 edge. The win went into the standings along with a 10-3 regular night game verdict behind Russ Meyer.

With Meyer winning his fourth game, the Phils climbed to within one game of the Cards. Meyer, incidentally, has come fast after losing his first six. Now he's one of the Phils' "Big Four"—Roberts, Meyer, Curt Simmons and Bob Miller.

Mel Queen of Pittsburgh held Chicago to four hits for a 4-1 victory that snapped a Pirate six-game losing streak. Ralph Kiner's twenty-second homer with a man on in the second, and his fine throw that nipped Emil Verban at the plate in the eighth helped Queen record his second win.

The Boston at Brooklyn scheduled night game was washed out. **Detroit Wins**
Detroit clung to its four-game edge in the American as Art Houtteman trimmed St. Louis 6-1 for his eleventh win. Johnny Ligon, with four hits, and Vic Wertz, with three, led the attack on Ned Garver.

Bob Lemon of Cleveland matched Houtteman with No. 11, also a nine-hitter, in subduing Chicago 8-3. The Indians scored five in the first inning on five hits and two walks off Billy Pierce. That was enough, despite White Sox homers by Eddie Robinson and Dave Philley.

The New York Yankees marred Philadelphia's 12-8 in a game marred by an injury to Eddie Joost, the A's shortstop. Joost sustained severely torn ligaments in his left knee in a second base collision with base runner Cliff Mages. He was carried from the field on a stretcher and may be lost for a month.

Washington came from behind to trip the Boston Red Sox 9-7, in a game called after seven innings because of rain. Chuck Stobbs blew up with a 5-1 lead in the sixth and six runs were across before reliever Joe Dobson got the side out.

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 6, 1950

Bob French Sets Record In Qualifying

Bob French of Odessa, a golfer of note for a long time but never before so utterly-red hot, Wednesday laid down an amazing 62 over the Midland Country Club course to set a new competitive course record and annex medalist honors as the MCC Invitation Tournament got underway.

French did his piece of master work the way a champion would. He went out with a blazing 30 but roared in with a double-barreled 30 to set the new mark. He was lone man of the day's qualifying by three strokes.

Dick Martin of Dallas did a bit of good work himself, making the 18 holes in 65 to rank second to French. He had a 34-31 for the round.

Frank Freer of Lamesa hung up a 66 for third low and Bill Roden of Odessa and Buster Reed of North Texas State fired 68's.

The going already is tough in the invitation and it will get tougher as the tournament presses toward Sunday's final. Match play opened Thursday and you had to have a 71 or under to get in the championship flight. That's one under par for the nine-hole layout.

French drew all the attention in the qualifying round. He had an eagle three on the five-par No. 8 and a birdie on No. 2 going out. He parred the other seven holes.

Coming in, French had seven birdies, a par and bogey. He slipped up on No. 15 and took a five on the par-four hole. If it hadn't been for that one, he would have tied the course record of 29 for nine holes.

The voting rules: No ballot will be counted that has more than five players from one team listed. Midland fans vote only for West team (players from Midland, Odessa, Roswell and Big Spring). No ballot will be counted unless it is signed. This form or one drawn out by fan may be used. Players must be selected according to position, including outfield positions. Voting closes at midnight July 7. Note: Manager may be either playing manager or non-playing manager.

Swatters Outlast Indians 10 To 8

The Sweetwater Swatters and the Midland Indians complete their two-game set Thursday night in Indian Park. Game time is 8:15 p.m. Manager Ralph Blair is due to chuck for Midland. Lee Zamora is the probable starter for Sweetwater.

The Sweetwater Swatters staged three big innings Wednesday night at Indian Park and walked away with a 10 to 8 victory over the Midland Indians. A costly two-run error in the fifth, sour pitching in spots and some good managing by John Bottarini brought the Swatters the win.

Glen Patton started for the Indians. He was in trouble several times but got some fine support in the field which allowed him to blank the Swatter through the first four innings.

The Tribe gave Patton a one-run lead in the first. Mike Bellone led off with a single. Scooter Hughes walked and Bellone stole third. He scored on Tex Stephenson's long fly to center.

Patton lost his control in the fifth and the Swatters got fat. Bob Rose, ex-Midland pitcher, now holding down third base for the Swatters, opened with a walk. McGaha sacrificed him along and reached base when the play was made at second, failing to get Bob Warren Sitter, another ex-Midlander, doubled to score Rose.

Bottarini was walked intentionally to load the bases and the strategy would have paid off if there hadn't been an error at third base on Pinley's grounder. Two runs crossed on the miscue, giving the Swatters a 3-1 lead.

The Indians came back in the bottom of the frame to knot the score. Tex Stephenson singled to center after Patton had reached base on an error and moved to second. Patton slid in safely on the bingle. Pinney walked and George Farnback singled to score Stephenson.

That was the last time the Indians came close to taking the lead. The Swatters jumped Patton for three more in the sixth before he was derailed for Darwin Chriso. A walk to Rose, a triple by Sitter, a single by Don Chisno and Bottarini's double produced the runs. Chisno came on and retired the next two batters on two pitched balls.

A single by Hughes, a double by Pinney and Farnback's fly added to the Indians in the seventh but the Swatters weren't through. Chisno lusted.

Chriso lost his stuff in the eighth. He walked Chisno and Haller and issued singles to Finley and Haller to set the stage for a bases-loaded double by Pitcher Jerry Jones. The blow drove in three runs and Chisno had scored on Haller's.

Ezzard Charles Is Declared Fit For Return To Boxing
NEW YORK—(AP)—The next for Ezzard Charles? Lee Savold, Joe Louis or Freddie Beahere? Jack Mintz, Charles' manager, promises an answer in a week or so, now that Ezy has been declared fit for ring action.

Naturally a Louis fight would hit the jackpot. But Joe, an international Boxing Club partner, still is retired. And he and Ezy are old friends.

The feeling here is that Louis might have been lured back from the golf links and circus rings if Charles had been turned down by the doctor. Then he would have been needed by the IBC to keep the heavyweight crown in the family. A Savold-Louis match was a natural for both parties. But Louis-Savold probably isn't.

Charles' recently crowned world champion in Britain when he stopped Bruce Woodcock, is under contract to the IBC. He may not be interested in Charles this year. Lee's manager, Bill Daly, is an important member of the managers guild, currently feuding with the IBC over a new television contract.

Charles was passed Wednesday by a medical board after a thorough probing that showed "the bruise to the heart muscle which has kept him inactive during the past few months has completely healed. He is now in condition to resume training immediately."

Defending Champion In Finals Of Tennis
WIMBLEDON, ENGLAND.—(AP)—Louise Brough, defending titleholder from Beverly Hills, Calif., reached the finals of the all-England Tennis Championships Thursday by defeating Doris Hart of Jacksonville, Fla., 6-4, 6-3.

Miss Brough will meet the winner of the other semifinal match between Mrs. Margaret Dupont, American champion from Wilmington, Del., and Mrs. Pat Todd of La Jolla, Calif.

Stengel Loads Up With Yankees For All-Star Encounter

CHICAGO—(AP)—A 25-player American League squad, one-third composed of New York Yankees and listing only one regular third baseman, will face the National League's best in the seventeenth All-Star Game at Comiskey Park next Tuesday.

Eight of his own world champion Yankees were on the squad completed Thursday by Yank Manager Casey Stengel, the American loop pilot, who selected eight pitchers and nine reserve players to go with the eight starters named in a nationwide fan vote.

All eight American clubs are represented on the squad which meets a National League array selected Wednesday. The Boston Red Sox had five All-Star pitchers, followed by the Cleveland Indians and Detroit Tigers with four each. The Chicago White Sox, Philadelphia Athletics, St. Louis Browns and Washington Senators have one apiece.

Stengel picked two left-handed pitchers and six right-handers. The southpaws were Tommy Byrne of the Yanks and the Tigers' brilliant Ted Gray. The right-handers were Vic Raschi and Allie Reynolds, also from the Yankees; Art Houtteman of the Tigers; Bob Feller and Bob Lemon of the Indians; and Ray Scarborough, the lone White Sox man on the squad.

Although Stengel lined up nine infielders, stellar George Kell of the Tigers is the only third baseman and three catchers round out the squad.

The Yankees' Catcher Larry Berra and Shortstop Phil Rizutto are in the starting American lineup dictated by the fans. Besides them and Pitchers Byrne, Raschi and Reynolds, Stengel also picked second sacker Gerry Coleman, outfielder Joe DiMaggio and first baseman Tommy Henrich from his own team.

Stengel indicated that if Kell, who led the entire poll for starting positions, needed relief at third base, it would come from Coleman, who fields as well as that position as he does at second.

Reports from the Longhorn League office indicate the voting has been light all over the league. A release last Sunday on the leading players at each position showed less than 200 votes had reached the office.

That's a pretty poor showing from the fans. We hope the final count will show us better.

The West team selected by Midland fans—the few who voted—followed the same pattern as the East through. There hasn't been much difference in opinion at any of the positions.

Midlanders seem to like a pitching staff composed of Al Sokolowski and Ray Knoblauch of Odessa. Bert Garcia of Big Spring, Ernie Nelson of Midland and Ray Drake of Roswell.

Garcia was a great pitcher last season but hasn't been up to par this year. He has been clouted freely by just about every team in the League.

Drake has been on the injured list, but may be ready for action by the July 19 All-Star tilt in San Angelo. He's right up there in the pitching records.

Sokolowski and Knoblauch and Nelson have fine records and will form the backbone of the hurling staff.

Tom Jordan and Kenny Jones have led the voting for catchers in a struggle here. Jordan is the top hitter in the league and is one of the finest receivers anywhere. He was a cinch to take the vote here.

Jones is second, only to Jordan and it came as no surprise when he collected a lions share of the ballots.

An infield of Jim Prince of Midland at first, Al Sokolowski of Odessa at second, Scooter Hughes of Midland at shortstop and Carlos Pascual of Big Spring at third can't be topped.

Prince, Monchak and Pascual are long ball knockers that will furnish a great amount of the power for the West if they come through in the voting.

Hughes can go right along with any of them at short. He hits some good licks, too.

Leo Eastham has led the voting for right field. The Odessa fly hawk should get in with ease.

Bill Gearty, another Odessa Oil-fielder, will hold down center if things pans out like we think they will.

Julian Pressley of Roswell looks like the choice in left.

Browns Told To Cut Talk Of Moving Club
NEW YORK—(AP)—Commissioner A. B. Chandler has told the St. Louis Browns politely that if they want to talk about moving their franchise they should do it during the off-season.

The commissioner's office in Cincinnati made the disclosure Wednesday after Frank Shaughnessy, president of the International League, had lodged a firm protest. Shaughnessy said the talk about moving the franchise to Baltimore had cut down attendance considerably in that city. He sharply criticized Bill DeWitt, president of the Browns.

ROY SUTTER IS OFF FOR CHANNEL SWIM
DENTON, TEXAS.—(AP)—Roy Sutter, who hopes to be the first Texan to swim the English Channel, leaves Thursday for New York and England.

The wounded war veteran plans to attempt his long swim the first day of good weather after August 1.

Rotary's Martin Chunks No-Hitter

Lefty Martin beat The Reporter-Telegram 17-1 with a five-inning, no-hit mound chore Wednesday night in a JayCee-sponsored City Major League game. It was Martin's first start of the year for Rotary Engineers and the second no-hitter in as many nights of league play. Standard edged out Shell 8-6 in the only other softball game of the night.

Martin survived a shaky first inning in notching up the no-hit victory. He walked Jim Allison, the first man he faced, and hit the next batter. The next man was retired, but Allison scored on a wild pitch. Martin issued another walk before ending the inning with two strike-outs.

He allowed only one ball out of the infield, a fly-out to left field by Roy Price. He struck out eight men and walked three. Frank Branham homered with one on for the winners.

Standard of Texas joined Rotary and Western Plastic in a tie for the league leadership, but it took a two-run rally in the top of the

West Texas Oil And Gas Log

(Continued From Page One) er. It was originally started to go to 9,500 feet to test the Ellenburger. The Pennsylvania line which was entered at 8,321 feet, on a datum of minus 5,567 feet had some small shows of oil, and some salt water along with the oil.

C-N Kent Venture Tops Lime Section

Blanco Oil Company and Al Buchanan No. 1 Girard Trust Company, wildcard in Central - North Kent County, has topped a Pennsylvania line at 6,902 feet, on a datum of 4,533 feet.

Deep, Shallow Tests Staked In Crockett

An Ellenburger wildcard and a shallower Permian venture have been staked in Crockett County. The Ellenburger test will be drilled by Texas Pacific Coal & Oil Company in the Crockett-Permian pool in Northwest Crockett County.

WT-NM League—Pampa Boos Hubs Out Of Top Place

The see-saw fight for the lead in the West Texas-New Mexico League Thursday has Pampa up and Lubbock back down in second place. The Oilers traded places with Lubbock on a 6-3 victory over the Hubbers. Roy Parker's home run and triple helped them do it.

Cellar Team Plays Leading Lutherans

The first-place Lutherans play cellar-dwelling Young Adults and Presbyterian engages the Baptist Thursday night at Wadley Park in Church League softball games.

Rotary Club Meets In Hospital; New Officers Installed

James M. Allison was installed as president of the Midland Rotary Club for 1950-51 at its regular meeting held Thursday noon in the new Midland Memorial Hospital, which will open next week. He was installed by Hilton Kaderli, retiring president, who automatically became vice president.

Stonewall Slated For Two Wildcats

Two wildcats have been scheduled in Stonewall County. Deeper of the two will be drilled six miles northeast of Stonewall, and the shallower venture has been staked in the southeast part of the county.

Kewanee Quits Small Discovery In Hockley

Kewanee Oil Company has decided to abandon its No. 1 C. T. Pace, prospective San Andres discovery in Central - South Hockley County.

Culberson Pool To Get Two Projects

Two new projects have been staked for immediate drilling in the Rustler Hills-Permian field of Central-East Culberson County. The first is a 1,500-foot wildcard in Northeast Crockett County. Their No. 1 Stanolind-University will be 330 feet from south and west lines of section 16, block 14, University Land.

Humble Oil Schedules Scurry Reef Stepout

Humble Oil and Refining Company has staked an outpost to the extreme west edge of the Sharon Ridge-Canyon field in Scurry County. It is the No. 3 J. E. Sorrels, to be one and one-quarter miles southwest of production.

Shell Oil Abandons S Winkler Tester

Shell Oil Company No. 50 Sealy-Smith, Southwest Winkler County wildcard, three miles northwest of the town of Monahans, and one and one-half miles northeast of the Monahans-Ellenburger field, drilled to 9,483 feet and failed to find any indications of possible production.

Norsworthy Abandons NW Sutton Venture

C. L. Norsworthy, Jr., of Dallas has abandoned his No. 1 Barton Heirs in barren Ellenburger of Northwest Sutton County.

Scout Jamboree To End Thursday Night

VALLEY FORGE, PA.—(P)—Boy Scouts end their mammoth National Jamboree Thursday night on a note of world brotherhood.

Already the exodus of some 47,000 boys and leaders to their homes in almost every part of the world is ready to start.

A note of sadness dimmed the Jamboree spirit with the announcement that one Scout, ill with poliomyelitis when he arrived at the camp, had died.

The victim was Gordon Taylor, 13, of Rock Springs, Texas. Two other boys were hospitalized for what medical authorities termed mild polo attacks. Their names were not disclosed but their parents were notified.

Dr. William J. McAnally of the U. S. Public Health Service said there was no sign of an epidemic and that the general health level at the Jamboree was excellent.

Even though the Jamboree was in its last hours the scene at George Washington's 1777-78 headquarters remained as colorful and action-filled as ever, with the yipping, yo-yo-twirling youngsters in a final frenzy of swapping everything from horned toads to watermelons.

Fast Combination
"It's a combination of Coney Island on the Fourth of July and the stock exchange in a bull market," declared one news photographer, weary and footsore after pursuing the darting Scouts on foot from one end of the 625-acre encampment to the other.

But the boys' behavior came in for praise on every side.
"Old John"—that's the only name he uses—from Johnstown, Pa., who has sold balloons and pennants at public gatherings throughout the country for 50 years—says the Scouts are the best-behaved group he ever saw.

"You could put your watch down anywhere and nobody would steal it," he declared.

Thursday's world brotherhood ceremony in the open-air arena will include a message by chief Scout Executive Arthur A. Schuck. The Jamboree will end officially with the singing of "Auld Lang Syne."

The first special train, carrying 602 Scouts and leaders back to the Pacific Northwest, pulls out late Thursday night. The last, bound for Roanoke, Va., will leave at 5 p.m. Saturday. Some 38,000 will leave the Jamboree by train. Most of the others will travel in chartered buses.

VFW HEAD MAN—J. T. Rutherford of Odessa, a member of the Texas Legislature, recently was elected commander of the Texas Veterans of Foreign Wars. He previously had been a state VFW vice commander. Rutherford is representative of the 88th District of Texas in the House of Representatives. Midland is in the district.

Jealous Wife Of GI Snips Blonde's Hair, Is Fined \$5

FRANKFURT, GERMANY.—(P)—A GI's wife was fined \$5 Wednesday for slapping and snipping off the hair of a Lithuanian blonde she accused of misconduct with her husband.

The defendant was Mrs. Alma Victoria Wall of Shreveport, La., wife of U. S. Air Force Pvt. Burney M. Wall, stationed at Wiesbaden. The blonde was Ilse Kerweskaeta, 23.

Mrs. Wall's maid said the hair shearing occurred after Wall's seven-year-old daughter, Barbara Ann, pointed at Ilse and told her mother: "Mummy, that's the girl who slept with daddy the other night while you were in the hospital."

The maid, Lydia Gregorczyk, was fined \$3 for helping Mrs. Wall clip Ilse's hair.

Certain types of the sulfa medicines now are being widely used to cut down disease fatalities among poultry.

Labor's Korean Aid Policy Gets Smashing Support In Commons

LONDON.—(P)—Britain's policy of aid to South Korea through the United Nations has won smashing support in the House of Commons.

The House of Commons Wednesday night roared its approval of Britain's quick action in sending ships to help American forces and Australian planes in the conflict area. There were only a few dissenters. Their remarks drew ironic laughter and cries of "Shame."

Winston Churchill and other Conservative leaders insured the Labor government victory on its policy motion by their unqualified support of the government action.

Prime Minister Attlee praised U. S. speed in handling what he said was "naked aggression" against South Korea.

Churchill reiterated in Commons what he told the American Society in a Fourth of July speech: If the Communists get away with their invasion of South Korea, he said, "a third world war would be forced upon us."

No Secret Session
Churchill recalled that before the second world war, Parliament had held a secret session and heard about Hitler's potential strength. Churchill suggested having a similar secret meeting now to discuss Russia's situation. Deputy Prime Minister Herbert Morrison, however, argued that a secret session would be a serious departure from peacetime practice and it appeared Churchill would not get his request.

Churchill's Deputy Anthony Eden held out to Commons a picture of hope that Russia's Premier Stalin may be drawing in his horns.

Eden recalled that in 1941 Stalin told him that Hitler "is a very able man, but made one mistake—he did not know when to stop." He said Stalin told him that "if we are victorious, I shall know when to stop."

Eden went on: "Tonight I am wondering whether the time has not come when he might recall those words and he might consider the time has come when it would be wise to stop."

Truman Expected To Ask Funds For Campaign Of Truth

WASHINGTON.—(P)—President Truman is expected to ask Congress, probably next week, for funds to launch an intensive "campaign of truth" in Korea and other critical areas in the East-West struggle.

Included are Indochina, neighboring Southeast Asia countries and Iran, all objects of Communist pressure.

Secretary of State Acheson reported Wednesday that a plan for "broader and stronger program of information and education" has been submitted by the State Department and is being considered by the President.

Others familiar with the proposal said it calls for concentrating promptly on the danger spots while Congress decides whether to approve a longer range, vastly expanded American effort to counter Soviet propaganda on a global basis.

The State Department's interim plan calls for stepping up quickly the distribution of news bulletins, leaflets, documentary films and urgent use of other means to convince Asian and Middle Eastern peoples that the United States is their friend and benefactor rather than the imperialist ogre pictured by Communist propaganda.

It is estimated that 16 to 20 per cent of U. S. economic effort goes into new capital goods.

Jury Names Former Truman Campaigner In \$100,000 Racket

SAN FRANCISCO.—(P)—George T. Davis, noted criminal lawyer and former Northern California campaign manager for President Truman, Thursday asked for a speedy trial and predicted acquittal of charges he was involved in a \$100,000 Chinese birth certificate racket.

He voiced a heated denial Wednesday immediately after a federal grand jury indicted him and a Chinese on eight counts. The maximum sentences possible in case of conviction are years imprisonment and \$80,000 in fines.

Davis, whose clients have included the late Tom Mooney, convicted in the 1916 Preparedness Day parade bombing in San Francisco, said he had helped seven Chinese apply for birth certificates but was guilty of no personal wrong doing.

Three-Year Investigation
Federal investigators said the indictments of Davis this week and of another prominent attorney last week followed a three-year investigation into how Chinese, shortly after World War II, got passports back to China after having entered this country illegally.

"All gave their birth dates prior to the fire," 1906 earthquake and fire in San Francisco) said E. Wells Bailey, State Department agent.

"But they didn't know Sacramento (the state capital) had duplicate birth records."
"It's true that I handle a few birth certificate cases. I am sure nothing I did in connection with these cases was wrong or illegal."

Fleet Commander Says Seventh Can Do Double Duty

TOKYO.—(P)—Vice Adm. Arthur D. Struble said Thursday his Seventh Fleet can strike North Korea and still protect Formosa from possible Communist invasion.

The Seventh Fleet was ordered to keep invaders away from Formosa. Struble conferred with General MacArthur after directing a two-day carrier plane strike against North Korea with combined American and British forces.

The chunky Normandy invasion veteran told a press conference that carrier pilots destroyed all the North Korean planes they could find in sweeps from Pyongyang southward. The total confirmed kills was ten, he said.

Struble said his Seventh Fleet has had "no specific contact" with submarines in the Korean operations.

A Chinese Central News Agency correspondent pressed Struble persistently on possible Formosa invasion, saying the Chinese Communists had said they would hasten landings on Formosa.

"I'm going to be prepared to prevent it if they do," Struble said.

"I'll certainly try," Struble replied.

Oklahoma City's Bus Drivers Strike
OKLAHOMA CITY.—(P)—Thousands were left stranded at bus stops in this city of 242,000 Thursday morning by a strike of 400 drivers and maintenance employes of the City Bus Company.

The strike was voted unanimously at 3:30 a.m. after drivers completed final runs. Gordon Malone, union business representative said. Drivers seek wage increases and other contract provisions, including insurance and pension plans.

Specific Bandit Hands Out Change
SYRACUSE.—(P)—Police are hunting a holdup man who knows exactly what he wants.
Mary Zeigler said the man accosted her as she was returning home after dark and demanded her money.
She offered him three \$1 bills. But, she reported, the man said he wanted only \$2, gave her back one of the bills, and fled.

"Don't be too zealous, comrade! That was a motion to adjourn you just vetoed!"

'Forbidden Holiday In Heaven' Sends Youth Back To Red Germany With Truth

By DAVID S. BOYER
NEA Staff Correspondent

BERLIN (NEA)—Sixteen-year-old Max Brunner (which is not really his name), from Russia's Communist Germany, took a forbidden holiday in heaven—and then he sneaked back home behind the Iron Curtain, determined to talk the truth about Western Germany.

Max was one of 500,000 members of the Russian - Zone Free German Youth organization (the FDJ) who staged a week-long Communist rally in the eastern sector of Berlin. He was one of several who defied Communist police orders not to enter the Allied sectors of the city.

One day soon he may add his name to the ever-growing list of FDJers who escape to the west for good. Because, as Max put it himself, "I know what's going on now!"

Max came to Berlin "because I wanted to find out for myself why the police had forbidden FDJers to see West Berlin."

Fruit, Candy, Meat
For five days, Max successfully crossed Communist police lines, but not without being arrested, scolded, threatened.

Once in the Allied sectors, Max, penniless, could do nothing but roam the streets. He had to clutch empty fists in his trouser pockets as he gaped at the fruit, the candy, the meat and the ice cream on sale everywhere. His stomach stayed empty, but his heart grew full.

When he went back at night to

his daily ration of a half pound of black bread and the same of sausage, he carried with him visions of a better world.

Then, on the fifth day, Max was no longer broke. We picked him up and showed him Berlin in style. At the auto show, he was a hero. The Germans were delighted at Max's temporary escape from the Iron Curtain. But they insisted his picture be taken from behind. They knew what would happen if he were ever identified back home.

Chocolate Sundae
"Can anybody go into the cafes?" Max asked. In his city of nearly 200,000, he said, only Russians are allowed in the one decent cafe six days a week. On the seventh, only wealthy Germans and Communist functionaries could afford it.

As he lapped up chocolate sundaes at a sidewalk table at Cafe Wien, Max got the answer.

Suddenly, Max was confronted by a Communist party organizer, an FDJ leader checking up on runaway children. The party man managed to get out about 10 words of abuse. Then he was surrounded

by 50 West Germans.

West police saved the Communist from a bad mauling. They warned him and released him. Moments later, two more runaway FDJers slipped into Cafe Wien and approached Max.

"For heaven's sake, be careful," they whispered. "The place is full of spies!"

"I know what I'm doing," Max replied. "You saw what happened. That incident convinced me. The West Germans don't hate us. They just hate the Communist system. I know who's been telling the lies, and I'm out to spread a little truth."

Max said he'd have to be very careful about whom he spoke the truth to behind the Iron Curtain. But he said he would speak.

Of 500,000 FDJers in Berlin, only a handful had Max's experience. Their voices will be small against those who stayed behind the police lines and listened to Communist stories about the capitalist evils across the street.

Stanton News

STANTON — Mrs. Dora Ashley recently visited with her sister, Mrs. T. F. River of Robert Lee, who was observing her golden wedding anniversary.

Mrs. L. C. Stovall and her sister, Mrs. J. B. Swint, were in Baird last week to attend the funeral services of a relative.

The young daughter of Mr. and Mrs. Gene Clements recently suffered a fractured collarbone.

Mr. George O'Brien, Big Spring, recently spoke on the work of the Gideons at the First Baptist Church.

Mr. and Mrs. E. M. Mabey recently visited their son in Cleburne. New location for the yet-uncompleted Johnson Flower Shop is on North St. Peter Street.

Stanton's first croquet tournament continues to gain in popularity with a total of 10 teams entered. More entries are expected before the deadline.

SIDE GLANCES

"Now don't be surprised if some of the French girls here recognize me. Remember the war's been over five years and they were just children when I knew them!"

Handy Canned Meats Make Many Dishes

HANDY SMOKED SHOULDER BUTT—Morning, noon or night you can depend on the smoked shoulder butt for delicious meals. To prepare, simmer butt in water about 45 minutes per pound. Slice part of the meat and serve hot for dinner. Later serve cold slices for lunch or pan-fry for breakfast. For snack-time, serve fried slices in toasted buns with relish.

Meet the handy smoked shoulder butt! You'll enjoy this tender cut of meat, not only because of its rich ham-like flavor, but also because you can make several different meals from it. To many of you, the smoked shoulder butt

(sometimes called a cottage roll) is an old friend and you're well acquainted with its oval shape, neatly wrapped in cellophane or stockinette covering. It has no bone, no waste and there's just enough fat throughout the lean to make the meat juicy and good tasting. Smoked shoulder butt is popular for breakfast, lunch, dinner and snack-time and may be served in many different ways. To prepare, first simmer the meat in water about 45 minutes per pound (unless it's a ready-to-eat butt, in which

case it requires no cooking). For meal number one, cut part of the butt into half-inch slices and serve immediately. For later meals, serve the smoked pork shoulder sliced cold (a warm weather favorite) using it in a pretty platter arrangement with deviled eggs and parsley to garnish. Or you may pan-fry the slices in a little butter or margarine for a hot meal. (This makes an excellent he-man breakfast).

When simmering the meat to prepare it for these interesting meals, use the following tasty recipe as a variation from cooking in plain water.

Spicy Boneless Butt
1 smoked boneless butt
6 whole cloves
1 bay leaf
1 sliced onion
1 teaspoon celery seed
1/2 cup vinegar

Place boneless butt in deep kettle. Cover with water and add cloves, bay leaf, onion, celery seed and vinegar. Cover tightly and let simmer until shoulder butt is done. Allow 45 minutes per pound.

Jelly and spice and everything nice—that's what this special sauce is made of. Use it to serve with pan-fried or broiled smoked shoulder butt slices. It's simple to make and tastes wonderful on the sizzling meat. To prepare, mix together 1/2 cup plum or apple jelly, 1 tablespoon vinegar, 1/4 teaspoon allspice and 1/2 teaspoon mustard in a sauce pan. Cook over low heat, stirring constantly, until the jelly is melted.

Last, but by no means least, smoked pork shoulder butt goes glamorous. Decorated with bright pineapple slices and glazed with a sweet-spicy sauce, you've a delectable dish to use as the center of a buffet for a smart supper party.

Gala Boneless Butt
8 slices cooked smoked boneless butt (1/2 inch thick)
1 cup brown sugar
3/4 cup vinegar
4 teaspoons prepared mustard
4 slices pineapple

Mix together brown sugar, vinegar and mustard. Cut pineapple slices in half and place a section on each slice of meat. Pour sauce over meat and fruit and broil 3 inches from heat about 5 minutes or until well heated through. Serve with any leftover sauce spooned over the meat.

For the rest of the party menu, serve scalloped potatoes, a green vegetable and lime gelatine salad studded with banana slices. For dessert . . . chocolate sundaes topped with shaved nuts. Centerpiece Sparkle—Make an artificial lily pond with a mirror for the water and real or artificial flowers. With stems removed, place flowers here and there on the mirror. For realism tuck a leaf under some of the flowers. Flank the pond with tall gleaming candles.

Aztec Indians in the conquistador days drank a bitter chocolate brew of dried and roasted cacao seeds mixed with peppers and spices. Early Spaniards turned it into a sweet drink, by using honey and vanilla.

'Pilgrim's Progress' Leads List Of Ten Most Boring Books

NEW YORK—(AP)—What are the 10 most boring books in the world . . . that is, among the great classics? Anyone who's been through an English course has his own ideas about that.

But the staid and dignified Columbia University Press, tired of taking votes for "the 10 best books," decided to pin down the 10 most boring.

Through its magazine, "The Pleasures of Publishing," it polled hundreds of editors, writers, booksellers, librarians, literary critics and amateurs.

The results will bring flendish joy to high school and college students—and little but pain to their teachers. Taken all in all, the "uninteresting 10" might be the required reading list of any well-conducted school.

A few votes went for the Old Testament. Some went for the Kinsey report. Shakespeare, as you might guess, was well represented—17 of his plays got the Bronx cheer.

But none of these was the winner. Goes to Bunyan

That palm, if you can call it a palm, went to that sturdy old standby—John Bunyan's "Pilgrim's Progress."

Then, in descending order, came the following literary monuments: Melville's "Moby Dick," Milton's "Paradise Lost," Spenser's "Faerie Queen," Boswell's "Life of Samuel Johnson," Richardson's "Pamela," Eliot's "Silas Marner," Scott's "Ivanhoe," Cervantes' "Don Quixote" and Goethe's "Faust."

Shakespeare couldn't get near these. His most boring play—according to the poll—was "As You Like It" and it was only No. 41 on the list.

But George Eliot, who wished "Silas Marner" on generations of high school sophomores, managed to get three other novels inside the top 30.

"In fact," said Pon W. Boardman, the magazine editor, "every book that was ever on a high school reading list was mentioned at least once."

Most of the winners, he said, were longer than usual, tended toward moralizing, and created a "gloomy" atmosphere. "Don't ask us what it proves," he said—and ducked.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 6, 1950-3

For picnic sandwiches mix about a third of a cup of pimiento cream cheese with a mashed hard-cooked egg; add a little prepared mustard and a tablespoon of finely diced green pep. sr.

When you use fat for deep frying cool it after using it so you can handle it safely. Strain it through a few layers of cheesecloth back into its container, cover tightly, and store for future use.

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And The Steamship

You may find exciting adventures by the sea, and you don't have to be a monkey to do it. The main thing is to have with you somebody like Daddy Ringtail who knows an adventure when he sees one.

"Look! Look out over the water!" Daddy Ringtail said to Sammy, and then he pointed with his finger. Way out over the waves some very black smoke was in the sky. "Now

if we watch it," Daddy Ringtail said, "in a little while we'll see the steamship it's coming from."

Sammy watched and watched, and Daddy Ringtail with him, and the smoke in the sky became more and more, for the steamship was coming nearer and nearer.

"It's a beautiful ship!" said Sam-

my, for it was indeed long and graceful, almost like something alive, although it wasn't alive, of course, not with smoke coming out of it.

"How does it know where it wants to go?" asked Sammy, and Daddy Ringtail knew that he meant how did the men on the ship know where they wanted it to go.

"Oh, but that's the captain's business," Daddy Ringtail explained, for the captain is the master of the ship and the leader of all the men on it. He tells everyone what to do "when."

"It's going to come up here on the sand where we are—if it doesn't turn," said Sammy, and that is what the ship seemed about to do. It came nearer and nearer, as

though it was aiming itself at our monkey friends.

But Daddy Ringtail wasn't excited at all. "It's the captain's business," he said. "The captain's the man who knows where he wants to go and how to get there. He wouldn't be captain if he didn't know."

And just when the steamship was up on the sand almost, with black smoke pouring out of the place it was supposed to come out, white steam shot out of the whistle place and a loud whistle with it. The steamship turned away until Sammy could see along the whole side of it—from bow to stern, as the captain would have said with his sea talk.

The captain waved as the steamship passed. The captain knew where he wanted to go and the captain knew how to get there. Happy day!

Total Of 115 New Sites Reported In Midland Area

Among the total of 115 applications to drill petroleum explorations in district 8 which were filed in the Midland office of the Oil and Gas Division of the Railroad Commission of Texas during the past week, nine covered the drilling of new wildcats in the territory. Garza and Kent Counties each reported two new ventures. One new prospector was staked in each of Andrews, Reeves, Scurry, Terrell and Terry Counties.

Scurry County again led in field locations with a total of 36 new locations. Pecos was second with 18.

Nine new drillsites were staked in Mitchell County. Gaines County had seven new projects. Five new explorations were listed in each of Cochran and Ector Counties.

Drillsites were established for four locations in each of Andrews and Hockley Counties. Garza and Midland Counties each had three new explorations. Borden, Crane, Howard, Kent and Winkler Counties each gained two new sites.

The remaining locations were staked one each in Loving and Yoakum Counties.

Four amended applications were filed. Two of these were on locations previously filed in Scurry County. One amended application was filed in each of Borden and Hockley Counties.

Andrews County
 Pure No. 71-C-A E. P. Cowden, 510 feet from east and 661 feet from south lines of section 16, pal survey, rotary, 7,000 feet depth, Dollarhide-Clear Fork field, starting at once.

Christensen & Matthews (Houston) No. 2 Thomas Riley estate,

Mrs. Tucker Offers Pound Margarine For Dime - 1940 Dime

On July 1 the federal tax was removed from margarine, but Mrs. Tucker has gone Uncle Sam one better. The dear old lady of shortening fame is celebrating this tax removal by offering a pound of her golden Meadowlark Margarine for only ten cents, if the dime is a 1940 dime.

The reason for the 1940 dime is that 1940 was the year Meadowlark first was colored for general distribution, and Mrs. Tucker is commemorating this important event with a saving sale that long should be remembered. Calling it "The Margarine Bargain of the Century," Mrs. Tucker is using 92 newspapers to tell her housewife friends they may have four quarter-pound sticks of golden yellow Meadowlark for a dime, if it's one of 1940 coinage.

A total of 108,119,827 dimes were minted in 1940; so there is plenty of opportunity for folks to get Meadowlark, which has long been

+Stanton News+

STANTON—A vacation Bible school at Courtney began Monday. Mr. Will Olsen, Big Spring, recently died and services were held June 24. He was the father of Mrs. Glenn Petree of Stanton.

Choir practice of the First Baptist Church will be held each Friday from 8 to 9 p. m. with Mr. Phillip White directing.

The Rev. Clarence Stephens will conduct a Summer revival at Lenorah.

John Hamilton attended a meeting of the Frigidare Division of General Motors in Fort Worth.

A new water well in City Park, which was treated with acid, is making 250 gallons per minute. With this added supply, Stanton has a water production of 450 gallons per minute.

TROUBLE AFTER TROUBLE. FISHES AFTER MOSQUITOES
 BRISTOL, Pa. — Not long ago the Chamber of Commerce decided to do something about a report of mosquitoes in stagnant water holes around historic Delaware Canal.

One member donated DDT. Another donated spraying equipment. A third, a teacher, rounded up some youngsters to do the spraying.

Somehow that DDT was washed into the canal.

The chamber now has a new community project—removing dead fish so no health menace will develop.

THE TAX IS OFF!

NOW..you can save 10^c more on CLOVERBLOOM "99" ...the new churned margarine.

Here's good news. You no longer have to pay the Federal tax of 10c a pound on Cloverbloom "99," because this tax was taken off by the Government starting July 1st. Armour and Company and your grocer can now pass along to you the full amount of this tax saving... making Cloverbloom "99" an even bigger value. Now you can treat your family to the very best by serving the luxury spread, Cloverbloom "99," for less than you have been paying for ordinary yellow margarine.

Your family will instantly approve the fresh, sweet, natural flavor of this thrifty NEW spread... especially husbands who insist on the finest. By law, we must label this NEW discovery oleomargarine, but no other margarine has ever had the "melt-in-your-mouth" flavor of Cloverbloom "99." Armour scientists, after years of research, discovered a NEW process that

gives Cloverbloom "99" that natural churned flavor, which is one secret of its wonderful taste and texture. Be first in your neighborhood to try this NEW spread discovery. We are so firmly convinced that you'll prefer Cloverbloom "99" we offer Double Your Money Back if you aren't completely satisfied. Hurry to your store and get a pound of Cloverbloom "99" today!

DOUBLE MONEY BACK GUARANTEE
 If you are not completely satisfied with this grand new spread, return the unused portion to your grocer and he will refund double the purchase price.—ARMOUR and COMPANY.

TESCO OOMPHOMETER—Visitors to the Texas Electric Show of '50 on the grounds of Midland Junior High School starting Wednesday, will be able to test their "oomph" on this machine, which was contrived by Westinghouse engineers. Placing the hands on two different metal plates sets up a faint current which is measured on the meter that ranges from "Nearly Dead" to "Fully Charged." Look where the needle is now!

Youth Center Chatter

BY JOYCE HOWELL & JUNE HAZLIP

Hi there! Here we are again! The hottest part of the summer hasn't arrived yet, and already we are ready for cooler months.

The big semi-formal dance at the Youth Center and the Fourth of July celebrations have constituted the main part of our teen-age lives this past week. (The main part of our free hours, that is, for most of the teachers are working this summer.)

The girls all are wearing their backless sun dresses and the boys wear light weight T-shirts to keep cool. Most smart teens just stay at the swimming pools! We certainly envy Agatha Tabor, Dickie Glass, Bill Little and the others who have jobs at the swimming pools. The boys we feel most sorry for are those on construction jobs who are out in the hot sun all day long. But then, there is a bright side to every story—These boys will have the nicest sun tans when Summer has gone.

Several of our members have returned from out-of-city trips lately. Harold Drew returned Monday from a visit to Georgia. Harold plans to attend Texas Tech in Lubbock this Fall, and then he plans to go to Georgia Tech.

Peggy Charleton and Susie Young came back from an eight day Presbyterian Youth Conference at Moor Ranch. Peggy just made a flying trip home—or rather, she made a flying visit home, for she left, a few days after her return, for a short visit in New Mexico. She returned from New Mexico in time for the Fourth of July celebrations in Midland.

Morris Bascham also returned recently from his Summer vacation. Morris and his family went to Washington state for a two week visit. His only comment on his trip was that it was "nice" (That's a true Texan for you—he is really very glad to be back home).

Another teenager, Marion Sevier, is "back"—although she really didn't go on a trip. Marion has been in bed the last ten days with an eye infection. She is all right now, although she has to wear dark glasses in the sun.

Now for a few events of the last week. Saturday was the night of the semi-formal dance at the Youth Center. This dance was given in honor of the Center's reopening. Despite the heat, the Center really was crowded (many said it was too hot to dance). There were a lot of Exes present for this first dance of

Better Now Than Later

By HAL BOYLE

NEW YORK—(AP)—Should America use the atom bomb against North Korea?

If it plans to do, it might be better to do it now than later.

There is no sound military argument against using it—right now. And there is no sound moral or legal argument either.

The Communist invaders have been described as bandits by President Truman. Against armed bandits any employment of counter-force is morally justified by that oldest of reasons—self-defense.

The call by the Security Council of the United Nations to "render every assistance" to the South Koreans also gives full legal justification for using the atom bomb.

And the most pertinent reason of all is—it will save American lives. It did this in Japan and it will do the same thing in Korea.

At this moment American soldiers are outnumbered and outgunned on the ground in Korea, fighting a foe equipped with heavier tanks and more artillery.

Already an American headquarters has been forced to retreat and a forward American infantry position has been reported cut off. We stand exactly as we did in the early days of North Africa. Within a week we have had a small Kassarine Gap—and perhaps a miniature Bataan, too.

More Retreats

Before the real weight of United States arms can be thrown into battle, there may be the humiliation of more retreats, more cutoff troops. For only a small heroic ground force as yet is in the field to uphold the prestige of a great nation.

A new armada of B-29's has been flown to the Pacific. Do they hold bombs in their bellies?

Some observers still hope that if the North Koreans were warned to halt their advances or take the atomic consequences, they might yet pull back across the 38th parallel.

If such an ultimatum is given and the invaders don't begin to with-

Martin County 4-H Girls Attend Camp

STANTON—A group of Martin County 4-H Club girls attended a three-day encampment recently at Fort Stockton. Accompanying the girls were Home Demonstration Agent Mildred Chapman and Mrs. Jess Angel and Mrs. Joe Stewart, both adult leaders.

Girls attending the camp were Annabelle Heckler, Shirley Shoemaker, Peggy Hopper, Bonnie Green, Lois Jean Hillyer, Barbara Stewart, LaRue Angel, Georgia Glaze and Fay Nell Lander.

When Car Lost Zip, Found Stowaway

BOSTON—(AP)—Jacob Garfinkle of Stoneham was sure his car had lost much of its old zip during a two-mile drive.

He was about to enter a garage to find out about the sudden loss of power when he looked behind him.

There, tightly hooked to his rear bumper was a driver-less automobile.

He told police he apparently drove away from a parking space with the stowaway automobile securely hitched to his.

When you buy a cookie sheet make sure that it's the right size for your particular oven. Tests show that there should be at least one inch between all sides of the sheet and the sides of the oven.

draw, then the atomic arsenal might quickly change their minds. But if we do decide to use that bomb, we won't have to depend on one. We have a stockpile now. Each can cinder a battle area of one square mile—and probably much more.

Even one atom bomb, exploded in Korea, would serve as a mighty warning against possible further violence of the peace in East Germany, Iran, Burma, or half a dozen other trouble spots.

The time to flex a small muscle is past.

Exams Listed For Several Positions

Competitive examinations for positions with the Texas Employment Commission and the State Department of Public Welfare will be given August 5, according to a statement issued by Chas. S. Gardner, Director of the Merit System Council.

Examinations being offered are for the positions of clerk-typist, stenographer, field worker, interviewer, auditor and tabulating equipment operator.

Application blanks for these examinations may be obtained from the Midland office of the Texas Employment Commission or State Department of Public Welfare. Or, the applicant may write to the Merit System Council, 1000 San Antonio Street, Austin.

Look at this diagram, folks! It shows why you get more good-eating for your money when you buy Safeway's trimmed-before-weighing meats. Note that you pay only for the portion that properly belongs on each cut—not for excess bone, waste, or fat. We prepare other cuts in similar fashion—each according to its special requirements. When checking meat value, it pays to compare trimming as well as price. Safeway's price is always on the trimmed cut.

A Sahara Desert daytime temperature of 100 degrees may drop below freezing at night.

Spread toasted buns with deviled ham, then top with grated cheese. Broil for a few minutes, until cheese melts, then serve immediately. These are good with a salad for a Summer luncheon.

When preparing homemade bread mixes to keep on the shelf for quick recipes, choose a fat that does not need to be kept cold. Check to see if labels indicate need for refrigeration. Bacon fat or meat drippings are not suitable for such mixes.
