

FRIONA MERCHANTS are in the midst of an Easter promotion, with a give-away as a basis once again for shopping at home, but for some reason, the promotion isn't getting the support it needs from all of the merchants themselves.

We learn, for instance, that all of the merchants aren't giving the "Friona First" tickets with purchases.

Not even all of the ones who gave tickets during the recent pre-Christmas promotion are cooperating.

Seems to us that such ventures need to have better cooperation by the merchants in order to insure their success. If just a handful of merchants carry the load, it makes it hard on those few.

Maybe the drawings aren't the best promotion that could be done. But the fact was that a series of meetings were held to decide on the promotions—attended by a small percentage of the merchants—and the drawing was voted on by the majority.

Just like our Chamber of Commerce needs everyone working together for a better Friona—so our merchants need to pull together in order to improve our shopping conditions. We all need to realize that whatever is good for Friona will benefit everyone.

WE'VE ALL SEEN how the beef boycott and government price controls played havoc with the beef industry, and has caused cattlemen across the U.S. to lose millions of dollars.

The latest disaster was caused by striking municipal employees in San Francisco, which turned the Golden Gate City, ordinarily a beauty spot on the West Coast, into a city that resembled a wartime city under siege.

When thousands of public workers walked off their jobs, protesting a pay offer they considered too small, the result was a city paralyzed of basic community services.

For eight days, San Francisco had no transit system, snarling travel for 380,000 commuters. City trash piled up. Sewage plants closed down.

A serious health hazard developed when the city's sewage plants shut down, forcing 400 million gallons of raw sewage to be dumped into San Francisco Bay.

The plants were re-opened when state and federal officials threatened to move in unless the city got them re-opened. Hospitals turned away patients. Schools were closed. Some major companies organized car pools in an attempt to remain open. Cars were parked almost everywhere, and the police had to ignore parking regulations.

It was estimated that the strike cost San Francisco businessmen \$20 million per day. For eight days, that comes to \$160 million.

We realize that workers are entitled to a living wage, and that in some cases the strike is the only means of achieving this end. But somehow or other we need laws that prohibit a strike from crippling a major city, or the nation, and causing millions of innocent people to suffer.

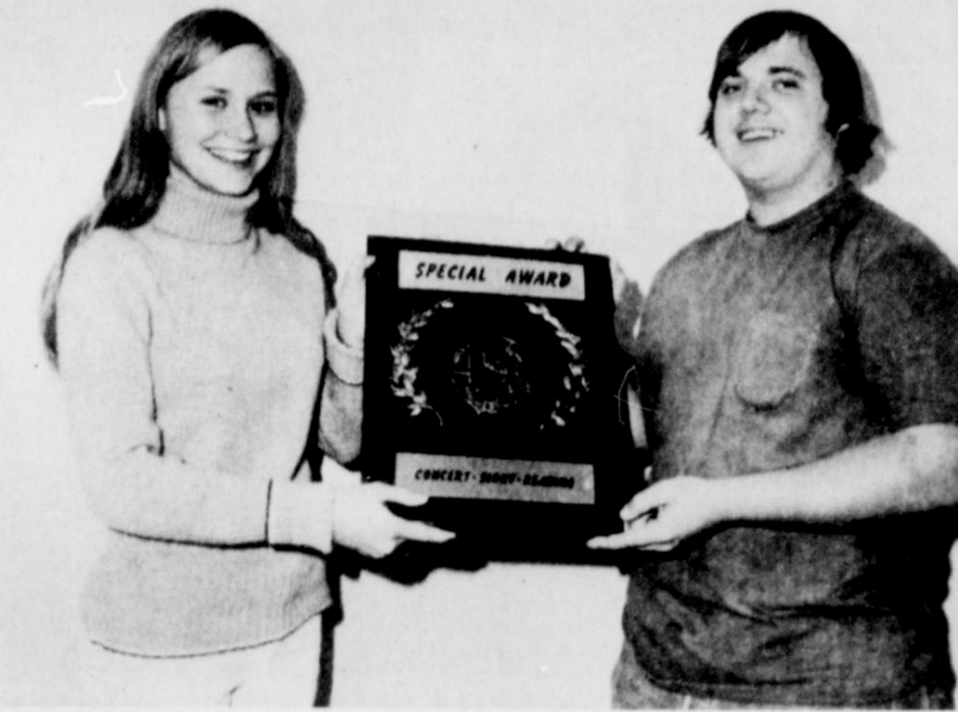

A STORY IN the Hereford Sunday Brand warned telephone users to be careful about calling a "telephone man," since the Bell Company had hired a female "repair person."

Seems that women are going more and more into the service line of work, especially as it becomes harder and harder to find men who want to work, who can't almost match the pay scale by getting on welfare.

Friona Consumers recently added a female station attendant in the person of Shirley Collins. She isn't the first female attendant in Friona, but she may be typical of the "new breed."

"I'm from a large family, and we grew up working. So I don't mind work. I'm used to it," Mrs. Collins says.

Isn't that a refreshing attitude?

PROUD OF AWARD...Danny Simpson and Hope Mays, band president and vice president, proudly display the plaque the Friona High School Band won Wednesday at Dimmitt for earning Division I ratings in concert and sight reading competition.

BENTSEN LENDS HAND

Hwy 214 Project Start Seen In May

A letter received here this week by Friona mayor R.L. Fleming from Senator Lloyd Bentsen indicates that at long last, residents can expect construction to begin on the Highway 214 project.

Senator Bentsen's letter was as follows: "I have been advised by the Texas Highway Department that construction on Highway 214 into Friona, Texas will begin in May.

"I trust that this will be welcome news to you and the citizens of Friona. It has been my pleasure to be of assistance in this matter, and I hope you will feel free to call on me at any time in the future."

Contacted at Littlefield on Thursday, Rhea Bradley, resident engineer for the State Highway Department, said that his office had been verbally notified that the Highway 214 project would be included in the May contract lettings, but that as of that date he had not received the schedule "in writing."

Bradley said he was hopeful that the project will go ahead at this time, and said the only thing that might thwart it at this stage would be if highway funds were suddenly tied up—something that stalled the project earlier.

The highway project, which includes an overpass at the south edge of Friona over the Santa Fe Railway, has been in the mill for a number of years, and all preliminary work as to right of way and moving of utilities has been completed for some time.

The project first was included by the Highway Department on its bid letting of last December, but due to the energy crunch and fuel shortage, all of the bids on the December agenda were called in because of lack of bids.

Mayor Fleming credited Senator Bentsen with cutting through some of the red tape that had been holding up the project, after he had written the senator earlier this year, asking about the status of the road project.

At that time, the project was being delayed, according to highway officials, because the subject of noise abatement related to the overpass had not

been approved by a federal agency.

Calls by Senator Bentsen got the project out of this loophole, and apparently headed for fruition.

Following that communication, the mayor had written to Senator Bentsen thanking him for his assistance in the matter. "You may rest assured that the taxpayers of Parmer County, Texas highly appreciate elected officials such as you who extend their efforts toward the interest of public service in lieu of the political demagoguery that has been going on in Washington for so long," Fleming told Sen. Bentsen in the letter.

Pet Vaccination Clinic This Week

A pet vaccination clinic will be conducted by Dr. Gary D. Cash, DVM, in conjunction with the City of Friona, next Thursday and Friday, March 28-29, at the new fire station, between the hours of 4 and 5 p.m.

A.L. [Jake] Outland, city manager, reminds that City Ordinance #81 provides that all pets kept in the city limits shall be tagged and vaccinated annually.

The city tags cost \$2.50, and the inoculation will be given for \$2.50, for a total cost of \$5.00 per pet.

Pet owners are urged to bring their dog or cat to the special clinic, so as to be in compliance with the city ordinance, as well as providing a safeguard against rabies which could be spread by their pet.

INSTALLED...Mary Priest was installed as the new president of the Friona Friends of the Library at the organization's annual meeting Wednesday. Peggy Hamil, center, is the outgoing president. Looking on is librarian Billie Fairchild.

CO-WORKER HELD

Frazier Is Killed; Murder Is Charged

John Frazier, 49, was found shot to death on the Parmer County Implement Company parking lot Wednesday morning in Friona.

A fellow employee with Frazier, James Leroy Lambert, 33, was taken into custody by Parmer County Sheriff's officers, and has been charged with murder.

County Sheriff Charles Lovelace said Frazier was shot in the back part of the head with a shotgun, sometime prior to midnight Tuesday. Several residents of the area report hearing gunshots around 10:30 p.m. that evening.

Frazier had been called at home by someone asking him to meet him at the implement house.

Lambert told officers he called Frazier and asked him to meet him, but denied knowledge of the shooting.

Mrs. Frazier is reported to have called the Lambert residence to ask about her

husband, and they volunteered to go check on Frazier.

The Friona Police Department was called around 7 a.m. by Mrs. Lambert, telling them Frazier had been shot.

Frazier was pronounced dead at the scene by Justice of the Peace Frances Euler, who ruled death by gunshot wound, not self-inflicted.

Lambert was questioned routinely Wednesday afternoon, then was asked to take a polygraph test, which he did. He was put in custody Wednesday night, and Thursday was arraigned before Justice of the Peace R.E. Mears of Farwell, and charged with murder. Bond was set at \$25,000.

Lambert was released Thursday after posting bond.

Funeral services for Frazier will be at 11 a.m. Saturday in the Laurel Land Chapel in Fort Worth. Burial will follow in the Laurel Land Cemetery by the Greenwood Funeral Home of

Fort Worth.

Frazier, a veteran of World War II, had resided in Friona for the past 14 years. He had been employed as parts manager of Parmer County Implement Company all of that time.

Survivors include his wife;

one son, John W. of Grand Junction, Colo.; a daughter, Denise, who is a student at Texas Tech; a stepdaughter, Mrs. Cheryl Hughes of Dallas, his parents, Mr. and Mrs. Alvie Floyd Frazier of Fort Worth, two brothers, one sister and four grandchildren.

JARVIS SPEAKS...Dr. Charles Jarvis, popular humorist, spoke for the second time this school year at Friona High School Thursday afternoon, as a special program for the Student-Faculty Congress.

Band Receives Div. I Ratings In Contests

Friona High School's band received Division I ratings in concert performance and sight-reading competition held Wednesday at Dimmitt.

The only thing that kept the FHS band from winning the coveted "Sweepstakes" award for the second straight year was the Division II rating it received in the marching competition last fall.

In order to rate the Sweepstakes award, bands must achieve a Division I rating in all three divisions—marching, concert and sight-reading.

The band received a handsome plaque for its achievements on Tuesday.

Approximately 2,000 bandmen from throughout the area converged on Dimmitt for the competition on Tuesday and Wednesday.

Class A and AA schools who competed in the UIL event were Dimmitt, Hale Center, Petersburg, Springlake, Farwell, Bovina, Kress, Hart, Sudan, Olton, Littlefield, Morton and Floydada.

Hist. Society Sets Plans On County History

Edwin Eakin, manager of the Nortex Press at Quanah, Texas, will be the speaker at the regular meeting Thursday, March 28, of the Parmer County Historical Society.

Principal item up for discussion will be final details of the publication of the History of Parmer County.

Members of the Parmer County Historical Society, and others interested in the history of the county are urged to attend the meeting, which will be at the Friona State Bank's Community Room, beginning at 8 p.m.

Plans are being made to include some recipes of the early settlers, according to Nelson Lewis, executive secretary of the PC Historical Society.

School Time Reverts Back

Friona schools will revert to the old starting time of 8:45 a.m. beginning Monday, April 1, it was decided at the last meeting of the school board.

Since the starting of the special Daylight Savings Time back in January, the Friona schools have been starting at 9:15 and dismissing at 4:15. This was instigated because the earlier time in January would have put the children starting to school in the dark.

Cancer Drive Kicks Off Here

The American Cancer Society's Friona chapter will conduct its local drive during the next two weeks, according to Mary Cary, citywide chairman.

A drive involving the businesses will be held March 25-29. A residential drive will be held the following week, April 1-5.

Pat Cupell is chairman of the business drive.

A local goal of \$2,250 has been established for the 1974 drive.

The theme for the 1974 drive,

according to Mrs. Cary, is "We want to wipe out cancer in your lifetime."

Mrs. Cary said there was good hope for this goal.

In the late 1930s, less than one in five cancer patients was being saved. Twenty-five years ago, it was one in four. Today, one of three who get cancer is saved.

Medical experts believe that with the present methods of treatment one out of two cancer patients could be saved, providing detection and treatment come in time.

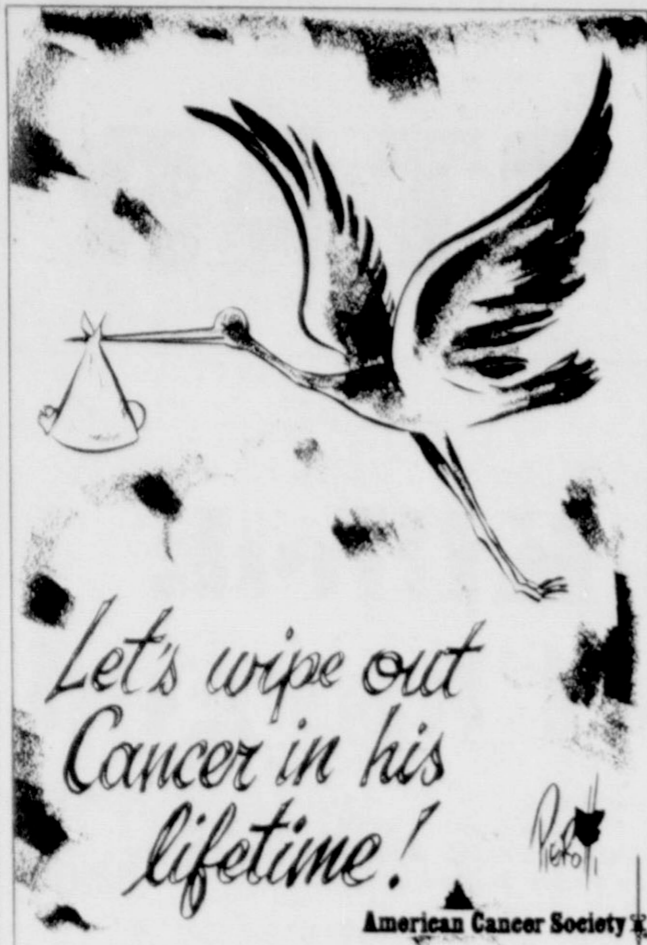

Advances in the treatment of cancer have come from research and improvement of surgical and radiation therapy. In a slow but steadily growing number of cancers, drugs have been effective.

But there can be little difference of opinion about what is needed for the final conquest of this ancient enemy of mankind. The scientific effort has to be broadened and stepped up. This means more money is needed for brain power and manpower, more equipment and research facilities, the local chairman said.

WITCHLY DOINGS...Three characters from the Friona High School contest play are shown here. They are, left to right, Carol

Bavousett, Annette Reznik and Gary Stone. The play "Pegora the Witch," will be presented next Friday, March 29, at 7 p.m.

Know Cancer's Warning Signs--Be On Alert

A timely question is being asked in more than 40 million homes this month. It appears on a little leaflet being distributed by American Cancer Society volunteers:

"If you don't know Cancer's Warning Signals, how do you know you haven't got one?"

Time is often the most important defense the individual has against cancer. If you catch cancer in time, the doctors tell us, it is one of the most curable of the major diseases.

One way of enlisting time on your side is to heed the warnings that may mean cancer. In most cases, a warning signal does not mean cancer, but only a doctor can tell after a thorough examination. Here are the Seven Warning Signals:

- Change in bowel or bladder habits.
 - A sore that doesn't heal.
 - Unusual bleeding or discharge.
 - Thickening or lump in breast or elsewhere.
 - Indigestion or difficulty in swallowing.
 - Obvious change in wart or mole.
 - Nagging cough, or hoarseness.
- If you have a warning signal, see your doctor.

The local drive on behalf of the American Cancer Society will be conducted March 25-29 for businesses and April 1-5 for the residential district. Mary Cary is drive chairman.

Pioneer Reports Record Earnings

Pioneer Natural Gas Company's consolidated net income reached an all time high in 1973 resulting in earnings per share, based on average shares outstanding, also exceeding any previous year in company history according to an announcement made recently by K. Bert (Tex) Watson, company president.

Consolidated net income for Pioneer Natural Gas Company and subsidiaries amounted to \$12,397,028. This compares with net income of \$9,852,272 for the year 1972. Earnings per share were \$1.67 on the average shares outstanding compared to \$1.32 in 1972.

In making the announcements, Watson said, "Although consolidated earnings were higher in 1973, income from transmission and distribution operations was less than in 1972, with the fourth quarter being adversely affected because of heating weather being below average." Watson went on to say that improvements from sales of heavy equipment and extracted products, as well as increased income from most company subsidiaries, led to the record earnings for the company.

Pioneer directors, on January 28, declared an increase in the company dividend from 21 cents to 22 1/2 cents, payable March 7, 1974, to stockholders of record on February 21.

Pioneer Natural Gas Company's annual stockholders meeting will be held in Amarillo on April 16, and the annual report for the company operations in 1973 will be mailed about March 15.

School Activities

MARCH 25
F.T.A. Meeting, fifth period; First day for District meets.

Friona Flashbacks

... from the files of the Friona Star

45 YEARS AGO—MARCH 22, 1929

We can now truthfully state that Friona has at least one factory, and a very much worthwhile factory at that.

T.F. Browning, who has been here for the past several months superintending the building and operation of the Friona Gin Company's plant, has also installed a large hammer type feed mill which is driven by a powerful steam engine.

The mill is capable of taking any kind of feed stuff in any form in which it may be taken from the farm and converting almost instantly into the very finest of feed for any and all kinds of stock.

35 YEARS AGO—MARCH 24, 1939

The program committee of the Friona Chamber of Commerce has announced a banquet, to be held in the basement of the Congregational Church next Tuesday night. Mr. Cal Farley of Amarillo will be the speaker of the evening.

Glenn Reeve has become the owner of the Ralph Tedford residence property on Fifth Street. Mr. Reeve has taken a position with his father, Mayor F.W. Reeve, in the Reeve Chevrolet Company, and will move his family to town from the farm a half mile west of town.

L.G. Symson, manager of the City Water Department, had a crew of men engaged last week at laying some more water mains. The new main was laid on Washington Avenue from the C.M. Jones residence north to the south side of Highway 60.

30 YEARS AGO—MARCH 17, 1944

The Friona Squaws came out with second place honors in the state basketball tournament last week when they swept through all competition until they reached the Aquila Cougarettes, who emerged victorious with a score of 20-13.

[Editor's note: This trip to the state "McKamie League" tournament in Waco was the first of five consecutive trips to the state meet for the Squaws under coaches R.L. Bates and Maurice Norman.]

25 YEARS AGO—MARCH 18, 1949

An open meeting to discuss construction of 140 miles of paved Farm-To-Market roads in Parmer County will be held in the American Legion Hall of Bovina March 18 at 8 p.m. The meeting has been called by the county commissioners to discuss desires of the people regarding a network of paved highways in the county.

10 YEARS AGO—MARCH 19, 1964

The Friona Squaws brought home the long sought state basketball championship last weekend, downing Mineral Wells, 63-49 and Clear Creek, 50-45 in the finals. Charlotte Nettles and Glenda McClellan were named to the all-state team. Other members of Coach Baker Duggins' team included Teto Jennings, Linda Davis, Merylene Massie, Shirley Phipps, Janet Rushing, Wessie Hand, Carolyn Herring, Sheryl Long, Rose Ann Greeson, Lois Moyer, Carol Struve and Sharon Dean.

Farmers Informed How To Get Fuel

Clarification of procedures for farmers and ranchers to use in filing forms for fuel allocations were issued recently by Delbert M. Fowler of Dallas, Regional Administrator for the Southwest Region of the Federal Energy Office (FEO).

"First of all I want to emphasize that the farmer should make every effort to solve his problem through his individual supplier," Fowler said.

"The farmer or rancher is entitled to 100 percent of his current requirements, and his supplier should see to it that his fuel is delivered," Fowler continued.

"But I also want to emphasize this does not exempt the farmer or rancher from using conservation measures like everyone else," Fowler noted, adding the warning, "This status can be taken away just as easily as it was given if the privilege is abused."

There are two instances

Friona School Lunch Menu

Week of March 25-29
MONDAY—soup and chili, sandwiches, crackers, fruit and milk.

TUESDAY—fish, potatoes, tartar sauce, banana pudding, green beans, hot rolls-butter and milk.

WEDNESDAY—frito pie, Ranch style beans, cornbread-butter, lettuce and tomato salad, chocolate cake and milk.

THURSDAY—turkey and dressing, giblet gravy, hot rolls-butter, strawberry short-cake and milk.

FRIDAY—hot dogs, French fries, fruit jello, catsup, pork and beans and milk.

TRANSPORTATION PLAN

President Nixon has proposed a \$19.3 billion revenue sharing program designed to improve the nation's public transportation system. He also asked Congress to approve a program to revitalize the nation's rail system through a massive program of government loan guarantees and through relaxed regulatory procedures.

where a person involved in agricultural production would apply directly to the FEO regional office, using FEO Form 17:

1. If he qualifies as a wholesale purchaser (he buys 20,000 gallons or more annually), and none of the suppliers he has contacted are willing to accept him as a new customer as they are obligated to do under the regulations, he has the desired supplier fill out block 12 on the FEO Form 17 and sends the Form 17 application to the Dallas or other appropriate regional FEO office asking that he be assigned to a supplier.

2. If he qualifies as a wholesale purchaser, and he and his supplier cannot agree on the base period allocation volumes to be provided, he has his supplier indicate the disagreement in block 12 on the Form 17 and sends the Form 17 application to the Dallas or other appropriate regional FEO office for resolution.

There are two instances when a person involved in agricultural production would apply directly to his state allocation office. If he encounters either of the two situations described above, but is an end-user who does not qualify as a wholesale purchaser, he would apply to the state officer on FEO Form 20 for assignment or adjustment, rather than to the regional office.

All of these situations relate to longer term actions. If in the short term, the farmer or rancher is out of fuel and is a hardship case, he contacts his state allocation office and makes application on FEO Form 20.

It is not necessary for the farmer or rancher who does not qualify as a wholesale purchaser to submit any form unless he finds himself in one of the situations described above. If his retailer or supplier asks for certification of this requirement, an ordinary letter should suffice.

The address of the regional FEO office is:
Federal Energy Office
P.O. Box 2263
Dallas, Texas 75221
The address of the state allocation office is:
State Allocation Office
P.O. Box 12577
Capital Station
Austin, Texas 78711

Contests Set For VOE Students

Office education students from ten Texas Panhandle communities will test their skills Friday and Saturday, March 22 and 23, in contests scheduled during the Area IV Youth Leadership Conference at Amarillo College.

Falls, Abilene and El Paso. According to Teresa Black, VOE teacher at Tascosa High School, this area has been broken down into three sections to allow a shorter traveling distance for contestants in order to conserve gasoline during the energy crisis. The other two cities hosting VOE contests are El Paso and Odessa.

Competitive events include extemporaneous speaking, verbal communications, general clerical, typing, accounting, stenography, parliamentary procedures, chapter activities manual, individual job manual, chapter display, job application and skits.

Students placing first and second in each category from the three communities will go to the state convention in Austin in April.

About 500 students and teachers from Amarillo, Canyon, Dumas, Hereford, Olney, Pampa, Perryton, Plainview, Tulia and Vernon are expected to attend the conference.

The students are all juniors and seniors involved in vocational office education, pre-employment office training, or data processing in their respective schools, said Mrs. Black.

Activities will open with a meeting of the nominating committee at 7:30 a.m. Friday. Registration is scheduled from 9 to 11 a.m. in the Business Occupations Building, 24th and Jackson.

A general session will be held at 1 p.m. in Ordway Hall, competitive events from 2 to 8 p.m. and the second general session at 8 p.m. in Ordway.

Skits will be given at 8 a.m. Saturday, and any runoff contests will be conducted during the morning. An awards banquet and installation of new area officers will be held at noon at the Villa Inn Convention Center.

Floyd Pannell of Big Spring is the Texas Education Agency's Area IV supervisor for the office education program and Mrs. Wanda Thomas of Palo Duro High School chaired the Amarillo arrangements.

Some Motoresists Fail To Comply With Laws

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said recently that he is disturbed by many complaints by Texas motorists about drivers refusing to obey the 55-mile-per-hour speed limit, and has directed DPS troopers to intensify their enforcement efforts.

Speir said he has received numerous reports by motorists who are complying with the new law who are frightened and angered by others who pass them at speeds dangerously above the legal limit, and still others who "tailgate" them when they can't pass for one reason or another.

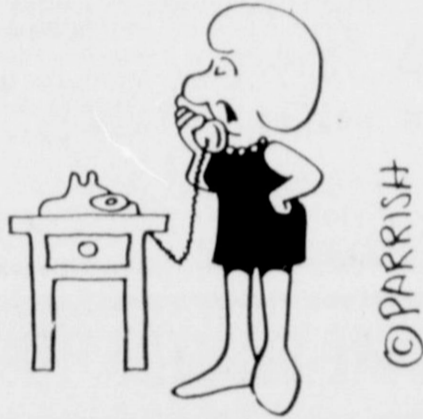

"When the new law went into effect January 20 of this year," he said, "our surveys indicated a high degree of voluntary compliance on the part of Texas drivers."

"But since that time, we have noticed that motorists, or at least many of them, have been gradually 'inching' up their speeds on Texas highways. Consequently, our troopers have been increasing their volume of speeding citations, and will have to continue to intensify their efforts until a more reasonable degree of voluntary compliance is achieved."

"We commend those drivers who are cooperating in the state and national effort to reduce accidents, save lives, and at the same time conserve fuel by driving within the legal limits," Speir said.

"And we solicit the cooperation of those who would forget or ignore the dangers posed to themselves and others by dangerous and illegal speeds on the highways of our state."

"We would remind everyone that consistently through the years, excessive speed is involved in more fatal accidents than any other single factor."

13 Accidents Investigated In Parmer Co.

The Texas Highway Patrol investigated 13 accidents on rural highways in Parmer County during the month of February, 1974, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and six persons injured.

The rural traffic accident summary for this county during the first two months of 1974 shows a total of 22 accidents resulting in no persons killed and 15 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for February, 1974, shows a total of 322 accidents resulting in 10 persons killed and 208 persons injured as compared to February, 1973, with 380 accidents resulting in 10 persons killed and 173 persons injured. This was 58 less accidents, and 35 more injured in 1974 at the same period of time.

The ten traffic deaths for the month of February, 1974, occurred in the following counties: three in Young; two in Wichita; one each in Castro, Moore, Randall, Crosby and Montague counties.

Services For Peggy Milloy Held Locally

Funeral services for Peggy Fern Milloy, 42, were held Saturday, March 16 at the Sixth Street Church of Christ.

Terry Brown, assisted by Darrell Riddick, officiated. Burial was in Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Mrs. Milloy died March 14, 1974 at 9:41 p.m. from injuries received in an auto accident in Amarillo.

Mrs. Milloy's car crashed through a guard rail on the Canyon expressway, and fell onto Interstate 40, several feet below. She was dead on arrival at Northwest Texas Hospital, after having been trapped in the wreckage for several minutes.

Peggy was born in Collingsworth County on January 25, 1932. She had been a resident of Friona for 37 years, and a member of the Church of Christ.

PEGGY MILLOY

Survivors include a daughter, Shirley Janice, two sons, Joe Mark Milloy of Friona and Randy Milloy of Canyon; one grandson, Mark Patrick Milloy, her mother, Mrs. Carrie Shirley, Friona, and a sister, Mrs. John Hand of Friona.

Local Scout Troops Receive \$500 Grant

Senior Girl Scouts of Troop #244 with the help of Troop #166 are about to turn wishful thinking into active accomplishment. With the assistance of a Reader's Digest Foundation Grant, which they received, the Scouts will launch a special community service project.

The amount of \$500 grant is one of 25 totaling more than \$10,000 awarded by the Reader's Digest Foundation to Senior Girl Scouts in 18 states and the territory of Micronesia. The seven girls of Troop #144 with the help of Troop #166, Daddies and other adult help will use the funds to start work on the restoration of the original Congregational Church building, to be used as a historical landmark when restored.

The building will serve as a museum of the Friona area in the basement area and the restored sanctuary will be for services, for a place to worship in private, wedding ceremonies and scouting ceremonies. This will be a community building with community pride going into the restoration.

The girls plan to buy the paneling for the basement and paint for the sanctuary and to do the work of such repair. They will need however a few dads and men from the community to help with the heavy work.

This effort, said Joan Griggs, council president, "is an example of what Senior Scouts can accomplish for their community when given the opportunity to plan and support to carry out their plans."

Troop #244 qualified for the grant by submitting an application about its service project which included background information and a detailed action plan, and a statement to support the need for funding. An itemized budget indicated how the funds would be used.

In planning and organizing their project, the Scouts have consulted community individuals and groups with special expertise and skills.

Selections for the grants were made by a group of national volunteers and staff of Girl Scouts of the USA on the basis of community needs and the value of the girls proposal in helping meeting those needs.

Other Girl Scout proposals selected this year reflect a wide variety of community needs. They include day camps for retarded and handicapped children; creation of community parks and playgrounds; weekend and summer recreation programs for underprivileged children; restoration of historic landmarks; and stocking a community library.

Funds were also granted for projects to:

...train water-monitoring teams to perform and report on tests for water pollution

...restore an old trolley car for use as a mini-museum in a park

...set up a sewing center where women and girls can learn skills and then pass them on to younger girls

...reopen and rent an abandoned theatre in a rural area to show family films on weekends for entertainment and profit.

This is the eleventh year that the Reader's Digest Foundation Grants have been awarded to Senior Girl Scouts all over the country to support their service projects. A total of 263 projects have been funded by the grant since 1964. Many of these projects are still in operation, some now supported by community groups.

Girls in Troop #244 are Carol Bavousett, Diann Hamilton, Hope Mays, Jeanine Jarboe, Pam Wilcox, Holly Hart and Mona Reed.

Troop #166 are Linda Anthony, Vicki Florez, Sami Rector, Karen Young, Anna Castillo, Darla McClellan, Donna Ruzicka and Janice Peak.

Leaders of Troop #244 are Mrs. Bob Riethmayer, Mrs. Glen Hamilton and Joy Morton. Leaders of Troop #166 are Mrs. Fred Florez and Mrs. Alton Peak.

RECEIVE AWARD...Friona Girl Scout Troop 244 and 166 received a \$500 grant and certificate from Reader's Digest recently. Members of the senior scout troop proudly display the certificate on the steps of the old

Congregational Church, which is being renovated by the Scouts. Left to right: are Diane Hamilton, Hope Mays and Jeanine Jarboe.

TEAM "TWO FOR TWO"

Chiefs Win Title At Hereford Track Meet

The Friona Chieftain track and field team scored its second meet win in as many outings at the Deaf Smith County Hereford Chamber of Commerce meet last Saturday in Hereford.

The Chieftains, in a fairly close finish, topped Vega for the Division II team championship with 90 points. Vega finished with 76. There were 12 teams in Friona's division. Going into the final event, the mile relay, Friona held only an

eight-point lead, 78-70.

The Chiefs were thus forced to beat Vega in the mile relay, which they easily did.

Friona's mile relay team, however, was a re-vamped foursome, due to an injury to

Roger McNeely. Miler Dale Parsons was forced to run the anchor lap, less than 20 minutes after he had won the Division II mile.

Parsons ran a strong lap, gaining ten yards on the Olton anchorman, and pulling Friona into a virtual dead heat with the Mustangs, who were given second place by an eye-lash.

Parsons had won his specialty, the mile, in a breeze, winning with a time of 4:47 without an opponent anywhere close at the finish line.

Friona's only other first place came from high jumper Dave Clark, whose leap of six feet, three-quarters of an inch won the event and set a new meet record. Jumper Dale Cleveland, whose Abernathy jump of 6-2 a week earlier still is one of the best jumps in the area, failed to qualify for the finals and did not place.

The Chieftains showed good depth and balance once again, failing to gain points only in the hurdle races and in the 440-yard dash.

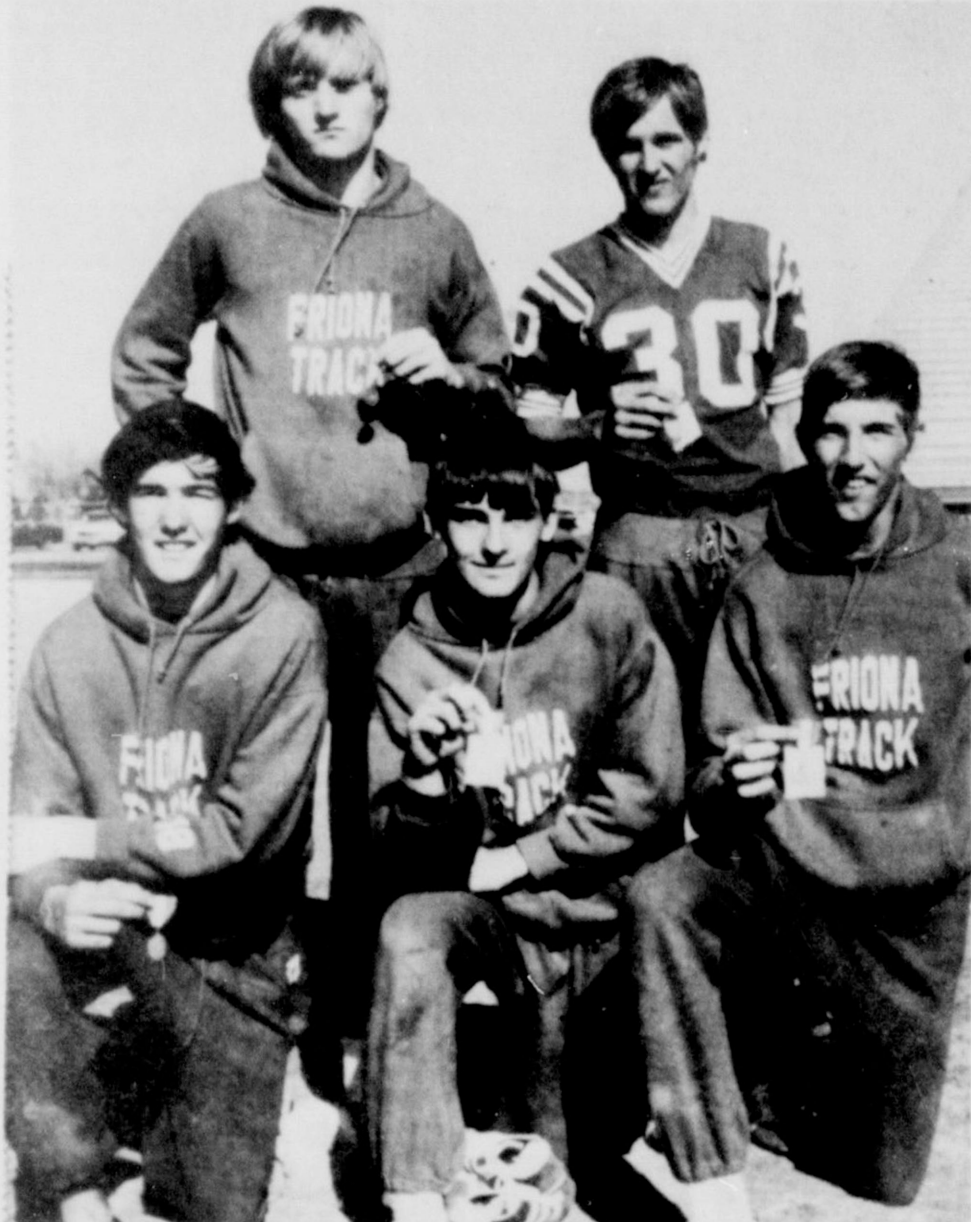

Sprinter Teddy King was nipped at the finish in the 220-yard dash and took second. Sammy McNeely was fifth in both dashes.

Bobby Zetsche had his best jump in the long jump, a 20-9 effort, but had to settle for second place behind Bovina's "Doc" Shelby, who went to the state meet in the event last year. Kevin Welch was third for the Chiefs in the event.

The Chieftain 440-yard relay team turned in a respectable 46.0, and were second to Lockney.

Aside from a cold nippy start and a 15 mph breeze which hindered some events, the meet was held in near perfect weather on Hereford's beautiful new tartan track.

The Chiefs are entered in the Farwell relays Saturday, their last warm-up prior to the District 3-AAA meet, which is scheduled for Saturday, April 30 at Olton.

AWARD-WINNERS...Friona Chieftains placing high in the Hereford track meet last Saturday are shown proudly displaying their medals. Standing are first place winners

Dave Clark [high jump] and Dale Parsons [mile run]. Kneeling are second place winners Ted King (220), Bobby Zetsche [broad jump] and Ronnie McLellan (880).

MEET CHAMPIONS...The Friona Chieftain track team crowds into the victory stand at Hereford after being announced as the Division II winners last Saturday. So far, the

team has developed few super-performers, but has used excellent balance and depth to win both of the meets they had entered.

HEREFORD MEET

440 relay [Bobby Zetsche, Greg Collier, Sammy McNeely, Ted King], third, 46.0.

100 yard dash-McNeely, fifth, 10.7.

220 yard dash-King, second, 23.2. S. McNeely, fifth, 23.8.

Mile-Dale Parsons, first, 4:47. Danny Allen, fifth, 5:12.

Mile relay [Collier, Clay Bandy, T. King, Parsons], third, 3:40.5.

High jump-Dave Clark, 6-3/4.*

Discus-Mitchell Wiseman, third, 136-0.

Broad jump-Bobby Zetsche, second 20-9; Kevin Welch, third, 19-6.

Team totals: 1. Friona 90; 2. Vega 76; 3. Lockney 67; 4. Panhandle 57 1/2; 5. Springlake-Earth 54; 6. Littlefield 45; 7. Bovina 37; 8. Olton 32; 9. Silverton 21 1/2; 10. and 11. Nazareth and Lazbuddie 10; 12. Happy 6.

Darla Rhodes Chosen First Team All-State

Darla Rhodes, scoring champion on the 1973-74 Friona Squaws' basketball team, was named this past week to the All-State class AA girls team, compiled by the Amarillo Globe-News.

Darla was placed on the first team all-state at forward, along with Linda Andrews, a junior from Comanche, and Leanne Waddell, a senior from McCamey.

Guards chosen were Cyndra Frick of Comanche, Kay Stephens of Slaton and Sonja Curry of Floydada.

All of the players except Misses Rhodes and Curry were on teams that made it to the state tournament. Darla was the only player from District 3-AA to be represented on the special team.

A second team was also chosen, composed of three players from Waco teams, one from Spearman, one from Coahoma and one from Slaton.

Darla had earlier added to her honors by being named by the Amarillo Globe-News to its Super Team, composed of players from all school classifications.

DARLA RHODES

Miss Rhodes was the leading scorer for the Squaws the past season, with a total of 674 points, and had a three-year total of 1376 points, placing her high on the list among the Squaws' all-time scoring leaders.

The FHS senior was earlier named to the All-District 3-AA team, and has been chosen to represent the North in the annual Coaching School all-star game at Brownwood next July.

PHOTO FINISH...Friona's Dale Parsons, left, and Olton's Jimmy Parker strain to win the race to the finish line in the mile relay event last Saturday at Hereford. Parsons, who had just won the mile run in the previous event, managed to make up a 10-yard lead which the Olton team had through three laps, but the Mustang anchor man was judged the winner by an eye-lash.

Squaws' Relay Team Continues Hot Pace

Friona Squaws track team placed fourth in a giant meet at Sunray last Friday involving some 27 teams.

The team got a first-place performance from its mile relay team, which improved its best in the area time to 4:12.9, despite cold, uncomfortable conditions.

Lucinda Aguirre, a member of the team, also won the open 440-yard dash with a time of 62.3, and teammate Terri Patterson was second in 62.8.

Joining this twosome on the relay team were Jason Widner and Paula London.

Other points were earned by the 440-yard relay team, which placed fourth.

Friona placed behind teams from Canyon, Panhandle and Gruver.

Coach F.G. Crofford said he

thought it was a good showing, considering the large number of teams entered, and the bad weather conditions, which included spitting snow during the meet.

This Saturday, the Squaws join the Chieftains in the Farwell Invitational, and will try to improve their individual marks and will be hoping for a break from the weather as well. Both of the team's outings to date have been run in cold, disagreeable weather.

SUNRAY RELAYS

440 relay [Paula London, Lucinda Aguirre, Janice Peak, Terri Patterson], fourth, 53.1.
440 yard dash—Lucinda Aguirre, first, 62.3; Terri Patterson, second, 62.8.

Mile relay—[Lucinda Aguirre, Jason Widner, Paula London, Terri Patterson], first, 4:12.9.

Tena Day Top Scorer In All-Star Contest

Friona's Tena Day turned out to be the scoring leader for the West All-Stars in their 43-42 win over the East Stars last Saturday in Amarillo's Civic Center.

Miss Day, who made all-district as a guard for the Squaws this season, looked like she had been playing forward all year, tossing in seven field goals and four free throws for 18 points to lead both teams in scoring.

"I was real nervous, especially in the second half," Miss Day commented, although she certainly didn't show it, making some excellent moves to get open under the East basket on a number of occasions.

At one stretch in the third period, Tena hit three straight baskets for the West, to bring her team from behind, 30-27 into a 33-30 lead. Tena's team of

forwards did a good job during that stretch of forcing turnovers by the East guards, and converting them into points.

The game, which was quite a reversal from last year's 20-point West win, enabled the West to even the four-game series at two wins each.

Friona players have been instrumental in the two West team wins, as Cindy Hutson played virtually all the way at guard in the 1973 game, and turned in a stellar performance.

The game was witnessed by some 2,500 fans at Amarillo's Civic Center, and was seen across the Tri-State area on KGNC-TV, Channel 4.

TENA DAY

WITH 116 POINTS

Eighth Grade Braves Win Farwell Meet

The eighth grade Braves brought home the first place trophy from the Farwell track meet last week. The Braves scored 116 points to take the team title.

David Morales was the only first place winner, in the 440-yard dash, where the Braves took first, second and fourth. Friona had good balance, however, scoring in virtually every event.

Those who placed were as follows—

60 high hurdles—Todd Bandy, third; Terry Wilcox, fourth.

220 yard dash—Eddie Brailiff, fourth.

100 yard dash—Eddie Brailiff, second.

440 yard dash—David Morales, first; Brian Landrum, second; Edward Castillo, fourth.

880 yard run—Glen London, second; Joe Bermea, fifth.

High jump—Ernest Mills, second; Raul Brailiff, fourth.

Shot put—Raul Brailiff, fifth; Terry Wilcox, sixth.

Discus—Terry Wilcox, second; Cipi Aragon, fourth; Jimmy Fallwell, fifth.

Pole vault—Jeff Whiteside, fourth; Ernest Mills, fifth.

440 relay—[Louis Rodriguez, Cipi Aragon, Terry Wilcox, Ricky Jackson], fifth.

880 relay [Raul Brailiff, Eddie Brailiff, Ernest Mills, David Morales], second.

Three Tied For Lead In Little Dribblers

A three-way tie developed in the Major division of the Friona Little Dribblers after three weeks, with the Hawks, Suns and Lakers all having 4-1 records.

In the Minor division, the Nets stand 4-0, followed by the Pacers at 3-2.

The three leading teams in the Majors all scored wins during the past week to maintain their lead, while the Nets had to score a 24-22 win over the second place Pacers to protect their first place standing.

Following are the standings as of March 21:

MAJORS		
TEAM	W	L
Hawks	4	1
Suns	4	1
Lakers	4	1
Knicks	2	4
Bullets	1	4
Bucks	1	5

Plans Laid For Girls LD Program

A meeting of parents was held March 7 at the junior high gym to select a Board of Directors and discuss the 1974 season of Little Dribblers.

Elected to the Board of Directors were Karen Wright-2 year term; Erma Brown-1 year term; Darrell Simpson-1 year term; and Mary Priest-1 year term.

Janice Richards and Mary Priest were selected as coaches for the All-Star team.

This year the girls will be playing by boys rules-five girls instead of six on the team. The Little Dribblers' Basketball, Inc. changed the rules this year because all states except Texas play by the five player rule. The National Tournament which hosts teams from all states will be held again this year in Levelland at Texan Dome.

Application blanks will be distributed the week of March 18. All fifth and sixth grade girls who meet eligibility rules will be allowed to play. Again this year, the Squaws will be coaching the girls. At this time it is expected that there will be between 60 and 80 girls participating.

Last year's All-Star Team won third place in the National Tournament. The girls were defeated by the first and second place finishers.

SPRINT RELAY...The Chieftain sprint relay team, which has performed well this fall, is shown above. The team placed second in the Hereford meet last week. Standing are Ted King and Greg Collier. Kneeling are Sammy McNeely and Bobby Zetsche.

TSTI Announces Program Changes

Several changes within the Livestock and Ranch Operations Program of the Mid-Continent Campus of Texas State Technical Institute have been announced by Lovell A. Pillow, General Manager.

Bryan Bray, of 1617 Adobe Drive, has resigned his position as head of the department to become assistant manager of Cactus Feeders, Inc. of Etter, a subsidiary of Stratford of Texas. He has been associated with TSTI for the past three years and has been program chairman for two years.

Bob Middleton of 1611 Adobe in Amarillo, will replace Bray as program chairman of the Livestock and Ranch Operations Department, said Pillow.

Middleton is a native of Lamesa and holds BS and MS Degrees in Animal Science and Agricultural Education from Texas Tech University.

He taught Vocational Agriculture at Friona High School for six years prior to coming to

TSTI a year ago. Middleton has also worked with registered Hereford show cattle in Arizona and with Quarter Horses at the Elmwood Ranches, Broomfield, Colorado.

The newest instructor in the department will be Mike Whitten of 407 Caddo in Amarillo, said Pillow.

Whitten, a 1966 graduate of Bryan Adams High School in Dallas, has extensive experience in the livestock field having worked for various ranches and cattle concerns in the state including Texas and Southwest Cattle Raisers of Fort Worth, Parker Land and Cattle Company of Wayside, 6666 Ranch at Guthrie and at feedlots in Hereford and Bushland.

The new TSTI instructor has attended school at Henderson County Jr. College, Angelo State College and West Texas State University where he majored in Animal Science.

Little League Makes Plans For '74 Season

Friona Little League, Inc., held its monthly meeting at City Hall March 14 at 8:30 p.m.

Purchasing agent Gene Zachary reported that shirts, suits, cap and equipment have been ordered and should be in within several weeks.

The playing season this year will be June 3 through July 12 with tryouts being held May 12. Application blanks will be sent out in April.

The Board of Directors decided to follow the Friona Schools code on hair length for the upcoming season. All players will have to comply with the rule.

Again this year the Scott Paper Company is sponsoring a contest in conjunction with the baseball season. Scott labels may be saved and turned in for baseball equipment by leagues. FLL would appreciate the public saving Scott labels and sending them to Mary Priest, secretary, so the league can benefit from the contest.

An open meeting of the FLL will be held Thursday, April 4, at 8:30 p.m. at City Hall. Parents and prospective coaches are invited and urged to attend this meeting. Any questions concerning the upcoming season will be discussed and decisions made. Please attend.

Those on the Board of Directors holding 1 year terms are Cliff Porter, Gene Zachary, Darrell Simpson, Ronald Smiley, Jon Mac Roden, Mary Priest, Donnie Carrasco and Sam Mears.

Those holding two year terms are Dale Houlette, V.R. Wilcox, Wesley Barnett, Jerry Loflin, Richard Collard, Joe Pena, Virginia Moyer and James Ball.

Officers for 1974 are: Cliff Porter, president; V.R. Wilcox, vice president of Senior League; Wesley Barnett, vice president of Major League; Virginia Moyer, vice president of Minor League; Darrell Simpson, player agent.

Also, Mary Priest, secretary-treasurer; Gene Zachary, purchasing agent; Dale Houlette, umpire-in-chief; and Jon Mac Roden, safety officer.

EVEN TODAY ONE CAN SIT IN AIR-CONDITIONED COMFORT IN THE COMPLETELY ENCLOSED HOUSTON ASTRODOME BECAUSE THE ACTIVATED CHARCOAL FILTRATION SYSTEM IS STRONG ENOUGH TO PROVIDE CLEAN AIR FOR 50,000 FANS!

CHARCOAL IS SO EFFECTIVE IN FILTERING GASES--WHICH COMPOSE ABOUT 90% OF CIGARETTE SMOKE-- THAT SOME MILLION AMERICANS NOW USE ACTIVATED CHARCOAL FILTERS IN LARK CIGARETTES, THE ONLY CIGARETTE MADE WITH THE GAS-TRAP-FILTER.

Nice Witch "Plagued" In FHS Contest Play

What are the problems which beset a "nice" witch? Friona residents are invited to come watch Pegora, played by Carol Bavousett, try to solve her problems which evolve from being a nice witch, in the Friona High School UIL contest play, "Pegora The Witch."

The play will be presented Friday, March 29, at 7 p.m. at the high school auditorium. Admission will be free, and the public is invited to attend.

Others in the cast include the wicked witch, Mother Martacloy, played by Annette Reznik, and her helper, Gary Stone.

Also involved in the creation of this unique story are King August (Danny Simpson), Queen June (Annette Reznik), their four daughters, Princess Thursday (Pam Veazy), Princess Friday (Jeanine Jarboe), Princess Saturday (Pam Lindley), Princess Sunday (Hope Mays); and the Court Jester (Terry Thompson).

Two highly intelligent sleuths come to the castle to aid in solving "princess stealing." Thopplebrook, the mathematician (Gary Stone) and Quagflagar the Wizard (Phillip Duggins).

The efficient stage crew consists of Mark Shaekelford, Cinda Johnson and Pattijon Talley.

Joy Morton is faculty coach for the play. She invites the public to come next Friday and enjoy the antics of "Pegora The Witch."

JEANIE THOMPSON

Jeanie Thompson Initiated Into Tech Sorority

Jeanie Thompson, daughter of Mr. and Mrs. D.M. Thompson of Friona, was among the new initiates into the Gamma Phi Beta sorority. The Beta Tau Chapter of Gamma Phi Beta at Texas Tech University initiated their 1973 Fall Pledge Class on February 22, at St. John's Methodist Church in Lubbock. Jeanie is a Secondary Education major at Texas Tech.

Deanery Council Plans Tulia Meet

St. Teresa's Ladies Society met Tuesday, March 19 in the Parish Hall after evening liturgy. Sylvia Roth, president, conducted the meeting.

A letter from Mrs. Elmer Klemen, the registration and credentials chairman, stated that the meeting of the Plainview Deanery Council of Catholic Women would be held in Tulia on Wednesday, April 3 in St. Williams Church.

Persons interested may register from 9:30 a.m. The theme of the meeting is "Here I Am Lord, Send Me."

Delegates for the meeting are Sylvia Roth, Helen Fangman, Evelyn Ball and Lydia Martinez. Alternates are Angela Bermea and Irma Raymond.

A donation of five percent of the proceeds from the Mexican dinner held Sunday, March 17, will be given the Chatholite Charities during the offering of the Mass.

Angela Bermea reported that over three hundred people were served the Mexican dinner.

Winners of the door prizes were: Pete Diaz received the first prize which was two books of stamps. Second place was an ash tray won by Eddie Bermea, third, Mrs. Forrest Osborn, a set of covered mixing bowls and mixing measuring cups, Helen McMurtrey, fourth, a nut and mint server. A standing ovation honored Angela Bermea, chairman of the Mexican dinner as a special thanks.

The members decided to honor our senior citizens during the coming year. Beginning Monday, April 1 special days will be remembered. A new group of names is to be given each member. A party in their honor is planned during the month of April. The date will be announced later.

Members volunteering to make arrangements for the parties were Evelyn Ball, Helen Fangman, Irma Raymond and Sylvia Roth.

Members of the Ladies Curricula of St. Teresa's are calling on patients in the hospital and shut-in persons. Sylvia Roth reported on Easter flowers. Members are to take

Miscellaneous Showers Honor Local Bride

Miss Jana Sue Robertson, of Friona, bride-elect of Kenneth Emerson, also of Friona, was honored with a lingerie shower in the home of Mrs. Dave Thompson on Wednesday, March 6.

Hostesses at the shower were Mrs. Dave Thompson, Mrs. Doyce Barnett and Mrs. Curtis Murpree.

Those attending were Mary Beth Bennett, Karene Hart, Audrey Sprouse, Vickie Pryor, Cindy Johnson, Pam Lewellen, Lisa Taylor, Pattijon Talley, Dorothy Johnston and Jerri Benge. Tena Day sent a gift.

Former Frionan Receives Honors

David Lee Sides, son of Mr. and Mrs. Billy Sides of Farwell, has earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

He is a sophomore majoring in pre-veterinary medicine at TAMU.

"Distinguished Student" ranking is limited to 10 percent of TAMU's undergraduate enrollment and is awarded students who have excelled academically.

He is a former graduate of Friona High School and they are former Friona residents.

Mrs. Kenneth Emerson, nee Jana Sue Robertson, was honored with a bridal shower on Tuesday, March 19.

The shower was held from 3 to 5 p.m. in the home of Mrs. J.M. Watson at 1006 Maple.

Hostesses were Mrs. Johnny Mars, Mrs. Ray Murpree, Mrs. Mary Dixon, Mrs. Raymond Euler, Mrs. Doyce Barnett, Mrs. Ray White, Mrs. Martha Bates, Mrs. John Blackburn, Mrs. Johnny W. Hand, Mrs. Eugene Boggess, Mrs. Watson Whaley, Mrs. Kenneth Moore and Mrs. J.M. Watson.

Baby Boy Born To Don Eitels

Mr. and Mrs. Don Eitel of Tempe, Arizona, became the parents of a baby boy born on Tuesday, February 26.

The new arrival weighed eight pounds, four ounces and was named Craig Lyn.

The child is the second child for the couple who have a daughter, Christi, age three years.

Grandparents are Mr. and Mrs. Sam Eitel, of El Paso and Mr. and Mrs. O.B. Moyer, of Friona.

Mrs. Eitel is the former Lois Moyer of Friona.

Study Club Members Present Symposium

Twenty members and three guests attended the regular meeting of Modern Study Club Tuesday night, March 19.

This was the organization's "Texas Heritage Program."

Mrs. Sloan Osborn was the program director and gave a

Dinner Honors E. D. Matlocks

Mr. and Mrs. E.D. Matlock were honored on the occasion of their 69th Wedding Anniversary with a dinner in the home of their granddaughter, Mrs. T.A. Kelley on Tuesday, March 19.

Those present were Mr. and Mrs. Tom Lewellen, Mrs. Forrest Osborn, Mr. and Mrs. Joe Lewellen, Delton Lewellen, Mr. and Mrs. Vince Rowell, Mrs. Charles Hamilton, Mr. and Mrs. T.A. Kelley, Donnie Lewellen, Pam Lewellen, Jason Rowell and Chad Hamilton, the couple's great-great-grandson.

devotional which she ended with James Whitcome Riley's poem, "Sprinkle Sunshine."

Special music were guitar and vocal duets by Cinda and Julie Johnson. They performed "This Land Is Your Land," "Lonely Voices" and "Fill My Cup Lord."

Three members presented a symposium on "Love Is...Living in Texas." The theme of the symposium was "Texas History."

The first part, "The Indian Texas" was presented by Mrs. Wright Williams. "The Spanish Texas" was presented by Mrs. Bill Stewart and Mrs. Tom Shelton gave the program on "The German Texas."

The three guests attending the meeting were Mrs. Leroy Johnson, Cinda and Julie.

Hostesses were Mrs. George Taylor and Mrs. J.G. McFarland.

The meeting was closed by presenting the club collect in unison.

PARMER COUNTY IMPLEMENT CO.

Friona

Program Presented By Friona Women's Club

Members of Friona Women's Club met Wednesday, February 27 in Friona Women's Clubhouse.

Theme of the meeting was their Texas Day Program: "Texas—the land where exaggerations are the truth."

Roll call was answered with "A True Texas Brag..."

Pledge to the Texas flag was given by all members present.

The program was a discussion of the origin and history of six Texas counties. The origin and history of Parmer, Bailey and Castro Counties was presented by Mrs. Joe Moyer. Mrs. Roy P. Daniel held the discussion of Deaf Smith, Potter and Randall Counties.

The group sang "The Eyes of Texas." Mrs. W.O. Brown was elected as the delegate to the Caprock District Texas Federated Women's Clubs 14th annual convention Friday and Saturday of next week at the Ko Ko Inn in Lubbock.

The convention theme, "American Youth," promotes the district theme, "Sustaining American Youth—Through Love and Understanding."

Mrs. Roy P. Daniel was elected as an alternate to the convention.

Mrs. O.C. Rampley of Silverton, Caprock District president, has announced that Friday's pre-convention activities will include an executive committee meeting and luncheon at 11 a.m., followed by a Caprock District Board meeting at 1 p.m.

The Cadette Girl Scout Troop from Mackenzie Junior High in Lubbock will formally open the convention at 1:30 p.m. Friday with presentation of the colors. The national anthem will be led by Mrs. Eddie Teeter of Lockney, accompanied by Mrs. Marvin Montague of Silverton. Mrs. E.H. Boedeker of Lubbock, third vice president, will introduce guests and those on the program.

District officers, department chairmen, standing committee chairmen, projects chairmen and club presidents from a 19-county area will give reports

throughout the Friday afternoon and Saturday morning sessions. Mrs. Bill W. Davis of Lubbock, Project Chairman, will give a report on the work by district clubs in promoting Girlstown, USA.

Presidents of each of the district's 73 clubs, will be formally presented at an awards banquet at 7 p.m. Friday. Mrs. Harold Green of Tahoka, first vice president, and Mrs. Jack Akin of Denver City, second vice president, will make the presentations.

Dr. C.L. Kay of Lubbock Christian College will be featured speaker at the banquet. His topic will be "What's Right With American Youth." Mrs. Inez Ferrell of Lubbock will provide dinner music. Guests are welcome to attend the event.

Mrs. Louis Fry of Lockney, director of Junior Clubs, will preside at the breakfast for Junior Clubwomen Saturday morning and also the junior conference that will follow.

A buffet luncheon for all clubwomen will be held at 12:30 p.m.

Mrs. W.C. Harrison Jr. of Denver City and Mrs. Joe Beckhan of Tahoka will present a fashion show and a Spadea contest style show.

A tea honoring out-going and in-coming district officers will follow the luncheon session.

Pre-registration will be necessary in order to attend the banquet and luncheon sessions. Mrs. Rampley said.

The members present at the meeting discussed the work of the local Opportunity Plan and made cash donations to the project.

Hostesses for the regular meeting of the Women's Club were Mrs. T.E. Woods and Mrs. C.A. Turner.

Fifteen members and one guest, Mrs. Mabel Kale were present.

Next meeting will be Wednesday, March 27. The program will be presented by pupils of Miss Joy Morton's speech class.

Mr. and Mrs. Kenneth Emerson

Friona Grad Visits Lubbock State School

Seventeen students enrolled in sociology classes at South Plains College recently toured the Lubbock State School for the mentally retarded.

They were accompanied by Gary Wynn, assistant professor of sociology at SPC. Conducting the tour was Bill Snider, an SPC student employed at the state school.

About three per cent of the population of the United States can be classified as being mentally retarded, said Dr. Eerie Dell Adams, an instructor at the Texas Tech Medical School, in a talk on various types of mental retardation.

Following Dr. Adams' address, Snider led the students

on a tour through various school facilities, including a non-ambulatory dormitory.

The dorm, whose residents are incapable of self locomotion, is designed to give them as normal a life situation as possible, Snider said. The group also visited a dorm for mildly retarded adolescents.

The Lubbock State School, opened in 1969, is one of 11 such institutions in Texas. The facility is situated on a 221 acre plot with 31 buildings and over 500 employees. It is capable of housing 660 residents.

Among the students going on the tour was Sheldon Sanders of Friona.

Double Ring Ceremony Unites Local Couple

Nuptial vows were exchanged between Jana Sue Robertson and Kenneth Emerson Friday evening, March 8 in the home of Mr. and Mrs. Terry Brown.

The double ring ceremony was performed by Terry Brown, pastor of the Church of Christ.

The bride is the granddaughter of Mr. and Mrs. Wesley Hardesty of Friona. Kenneth Emerson is the son of Mr. and Mrs. Weldon Emerson, also of Friona.

Matron of honor was Mrs. Jim (Kay) Emerson of Dimmitt. Serving as best man was Jim Emerson of Dimmitt, brother of the bridegroom.

The bride wore a pink suit of Polyester and carried a bouquet of white and pink carnations, white ribbon streamers attached to a white lace covered Bible. Tucked inside the Bible was a white linen handkerchief from Jerusalem, given to her for the occasion by her aunt, the late Mrs. Frank Day of Plainview. She wore a necklace belonging to her mother.

The matron of honor was dressed in a pink knit dress and wore a corsage of white carnations.

Following the ceremony a dinner and reception for the wedding party was hosted by Mr. and Mrs. Wesley Hardesty at the Parmer House Restaurant.

The wedding cake was decorated with pink roses and pink bells. The table featured a bouquet of flowers and pink tapers.

The bride is a 1974 mid-term graduate of Friona High School. The bridegroom is a graduate of Gainesville High School and served in the U.S. Navy for four years. He is employed at John Deere Implement in

Scout Troop Tours Office

Cut Scout Troop 56, Den 4, made a visit to the Friona Star office on Monday afternoon, to see the operation of a weekly newspaper.

Those attending were Mike Maynard, Jeff Taylor, Jeff Lundy, Jeff George, Richard Malouf, Troy Crutchfield, Donovan Salas and Jay Hight. Mrs. Leroy Lundy, assistant den mother, accompanied the boys on the tour.

Local Couple Has Baby Boy

A baby boy was born to Mr. and Mrs. Gary Cash at 3:24 a.m. Monday, March 18 in Parmer County Community Hospital.

The baby boy was named Ryan Patrick and weighed nine pounds, one ounce.

The couple has two older daughters, J'Mai, three and one-half years old and Kelley, twenty months.

Grandparents are Mr. and Mrs. B.E. Cash, Greenville, South Carolina and Mr. and

Mrs. C.D. Huddle, Baytown, Texas.

Great-grandmothers are Mrs. J.S. Stone, Fort Lauderdale, Florida and Mrs. Carrie Smith, Grapeland, Texas.

Program Highlights CowBelle Meeting

The Friona Riata CowBelles met Thursday, March 14 in the Community Room in the City Hall.

Eight members and six guests were present for the meeting.

The program was presented by Clifford Crow and Rocky Lyons, who were special guests at the meeting. They presented a demonstration on cutting up a beef and explained different cuts. A question and answer session followed the program.

Mrs. Lawrence Martin was hostess for the meeting.

Members present were Mrs. Lee Britting, Mrs. Ron Davenport, Mrs. Larry Knowles, Mrs. Clarence Martin, Mrs. Lawrence Martin, Mrs. Redge Priest and Mrs. Gene Weatherly, all of Friona, and Mrs. Wayne Tunnell, Muleshoe.

Guests attending the meeting were Mr. and Mrs. Cap Naegle and Mr. and Mrs. Sonny Jones, of Bovina and Mrs. Frank Hinkson Sr. and Mrs. Frank Hinkson, Jr., both from Lazbuddie.

The members of the organization will sell chances on a roast to be given away before Easter. The chances will sell for fifty cents each and may be bought from any CowBelle member.

Mrs. Pat Martin submitted

the following recipe to aid in the use of more beef locally. These recipes will be a regular feature in their news items.

HAMBURGER ROLLUP

- 2 pounds ground beef
- 2 eggs
- 1/2 teaspoon salt
- 1/4 teaspoon pepper
- 3 tablespoons catsup
- 2 tbsps. Worcestershire Sauce
- 1/4 cup grated onion
- 1/2 cup grated cheese
- 1/4 cup powdered milk

Lay 10 slices of bacon on the bread board side by side.

Mix other ingredients well and shape in a long roll. Lay on top of bacon slices. Bring bacon over the top and pin with toothpick. Slice between bacon. This looks and tastes like fillet steaks. Broil on both sides 10 minutes.

SENIOR CITIZENS PLAN IMPORTANT MEETING

Friona's Senior Citizens organization will hold an important meeting on Friday, March 29 at the Congregational Church building.

A covered dish luncheon will be served at 12 noon.

The members are urged to attend this meeting and adopt new by-laws for the organization.

Carleen Schlenker Is Woman Of Year

Carleen Schlenker, daughter of Mr. and Mrs. Carl Schlenker of Friona, has been named "Woman of the Year" for 1973-74 at South Plains College.

The honor was announced Monday night at the annual Women's Recognition Day dinner sponsored by the SPC Faculty Women's Club. Carleen received a plaque recognizing her for outstanding contributions to campus life.

She is a sophomore student at SPC, majoring in elementary education with a specialty in music. She was chosen for the honor by a faculty-administration committee, chaired by Mrs. Carole Roberts, dean of women; Mrs. Sherley Foster, academic counselor; Glenn Pounds, financial aids officer; Mrs. Judy Bryant, instructor in physical education; Dave Stanley, associate professor of government; and Ken Hare, director student activities. The committee made its selection from a list of 15 nominees for "Woman of the Year" submitted by various clubs and organizations on campus.

Carleen was nominated for "Woman of the Year" by Gillespie Hall, a women's dormitory. "She is a natural leader...cooperative, courteous, enthusiastic and loyal to SPC. She has the ability to get the job done and is a constant inspiration to the women of Gillespie Hall and is truly an outstanding woman on campus," read the nominating statement from members of Gillespie.

Carleen is active in many campus functions, serving as a Presidential Hostess, president of the sophomore class, president of Gillespie Hall and vice-president of the Student Education Association. She also is a member of the Student Senate, Flaming Spurs, Texan band and stageband, Homecoming Queen candidate and nominee for "Who's Who at SPC."

Dean Roberts presented the "Woman of the Year" Award.

Program speaker and entertainer was Miss Texas for 1973, Judy Mallett, a tall, brunette beauty with a talent for fiddling and for making folks laugh. She played four numbers on her violin, "Black Mountain Rag," "Devil's Dream," "San Antonio Rose," and "Orange Blossom Special," charming her audience into clapping along with the music and getting into a

lighthearted mood.

Miss Mallett was accompanied by pianist Larry Wiley, assistant professor of music at SPC. She was introduced by Mrs. Jean Bowman, president of the women's club.

A total of 168 women faculty, staff and students attended the festivities in Texan Hall. There were 89 women students from the dorms represented.

Mrs. Sherley Foster announced the name of each "Woman of the Year" nominee and asked them to come to the front to be recognized.

Nominees for the honor were Iris Boedeker, Gail Brown, La Quita Strickland, Vivian Thomas and Lydia Turner, all of Levelland; Yolanda Garibay of Hale Center; Ginger Herington of Farwell; Cecilia Hardin and Linda Villegas, both of Abernathy; Leola Killough of Ft. Sumner, N.M.; Vicki Lampp of Brownfield; Kin Wah Lee of Hong Kong; Marilyn Peppers of Lubbock and Pam Peterson of Plains.

Gwyn Goodwin of Levelland, an SPC student, gave the invocation for the dinner.

Hostesses for the dinner were Mrs. Roberts and Mrs. Foster, co-chairmen; Mrs. Nina Rose Walker, Mrs. Jerrie Nowlin, Mrs. Frances Watkins, and Mrs. Glenn Cooper. Connie Alexander of Brownfield provided dinner music.

Club Program Presented By Clovis Guest

Home Arts Club members met in the Community Room of Friona State Bank.

Mrs. Eula Mae Madole of Clovis, New Mexico demonstrated the art of antique books.

A covered dish luncheon was served at noon to those present.

Mrs. John Gaede joined the club and Mrs. Charlie Phipps was a guest for the meeting.

Members present were Mesdames A.W. Anthony, E.G. Adams, E.R. Barry, Bessie Boatman, H.R. Cocanougher, Mabel DeLong, D.G. Hand, Dan Laceywell, Ray Landrum, Ralph McBroom, A.L. Outland, E.G. Phipps, T.A. Sherley, Carl Schlenker, Ralph Wilson and Lola Goodwine.

Engagements Announced

DONNA KAY LEWELLEN...Mr. and Mrs. Delton Lewellen of Friona announce the engagement and approaching marriage of their daughter, Donna, to Dale Schueler, son of Mr. and Mrs. Raymond Schueler of the Rhea Community. The couple plans to exchange wedding vows on Friday, April 26 at 7 p.m. at the First Baptist Church in Friona. Donna is a 1973 graduate of Friona High School and is currently attending West Texas State University in Canyon. Dale is a veterinary student at Texas A&M University, College Station, Texas.

JULIE HOLDEN...Mr. and Mrs. Jack Holden of Abilene are announcing the engagement and approaching marriage of their daughter, Julie, to David Reeve, son of Mrs. Fay Reeve and the late Hadley Reeve of Friona. The wedding will take place at the First United Methodist Church of Abilene on Saturday, June 15. Julie is a senior at McMurry College, and Reeve is a medical student at the University of Texas Medical School in Houston.

Any wife can make a man of her husband if he will only listen to what she says.

FOOD SHOW WINNERS...Taking top honors in the Parmer County 4-H Food Show recently were the following: front row, left to right, David Lust, Tod Gregory and Frank Jesko, all of Lazbuddie; back row, left to right, Jacquelyn Langford of Farwell, Jo

Beth Monk of Bovina, Judy Lust of Lazbuddie, Linda Gohlke of Oklahoma Lane, Susan Mimms of Lazbuddie, Cheryl Gohlke of Oklahoma Lane, Quinton Mimms of Lazbuddie and Carol Ware of Bovina.

Water Officials Have Second Thoughts

"Re-evaluation of the West Texas-Eastern New Mexico Import Project may come sooner than most of us had hoped possible," according to A.L. Black, president of Water, Inc. Even federal officials involved in branding the project "economically infeasible" less than a year ago are having second thoughts, he noted.

Black was referring to comments made by members of the Southwest Federal Regional Council during a briefing in Austin. The Council is made up of representatives of regional administrators and

directors of federal agencies operating in Texas and its four bordering states.

Willard E. Lewis Jr., special assistant to the Secretary of the Interior, Albuquerque, N.M., noted that despite the Bureau of Reclamation and Corps of Engineers findings announced last year, the "door was left open to further consideration of the economic feasibility if circumstances changed in this country." "I would suggest to you," Lewis said, "that we may well be entering a time when the economics of agriculture changes substantially."

"The basis of that study [on importing water] essentially was on the basis of surpluses, and by and large those surpluses do not exist now—and it may well be that under other economic conditions that the project might some day be feasible from an economic standard," he said.

Council Chairman Arthur W. Buseh, regional administrator, Environmental Protection Agency, opined that if interbasin transfer of water becomes a reality, the quality of it is "paramount."

Winners Named In County Food Show

Seven local area youth took top honors in the Parmer County 4-H Food Show Saturday competing against 30 other youth in senior and junior division contests.

First-place winners in the senior division are Cheryl Gohlke, Oklahoma Lane, main dishes class; Susan Mimms, Lazbuddie and Jacquelyn Langford, Farwell, side dishes.

They earned blue ribbons and the right to compete in the District 4-H Food Show in April.

Junior division first-place winners are Judy Lust, Lazbuddie, main dishes; Frank Jesko, Lazbuddie, side dishes; David Lust, Lazbuddie, bread and desserts; and Jo Beth Monk, Bovina, snacks and beverages. They received blue ribbons.

Junior division second-place winners are Quentin Mimms, Lazbuddie, main dishes; Carol Ware, Bovina, side dishes; Linda Gohlke, Oklahoma Lane, breads and desserts; and Todd Gregory, Lazbuddie, snacks and beverages.

Main dishes: From Lazbuddie Club were Lori Ivy, red ribbon; Dennis Johns, blue ribbon; Terri Clark, blue ribbon. From Oklahoma Lane Club were Johanna Mesman, blue ribbon; Benny Mesman, white ribbon; Lucretia Turner, blue ribbon. From Bovina Club were Kim Naegle, blue ribbon; Debbie Whitecotton, red ribbon. From Farwell Club was Alan Warren, red ribbon.

Side dishes: From Lazbuddie Club were Barbie Ivy, red ribbon; Cara Smith, red ribbon. From Bovina Club were Cheryl Whitecotton, red ribbon. From Oklahoma Lane Club were Polly Turner, blue ribbon; Jeannette Gilliam, red ribbon.

Snacks and Beverages: From Lazbuddie Club were Shawn Smith, red ribbon; Phillip Jesko, red ribbon. From Bovina Club were Donna Beth Lide, blue ribbon; Velma Quintana, red ribbon. Spencer, red ribbon; Susan Glover, blue ribbon; Jana Briggs, blue ribbon. From

Bovina Club were Joan Carson, blue ribbon; Pam Rhodes, blue ribbon. From Oklahoma Lane Club were Thomas Mesman, blue ribbon; Yolanda Martin, red ribbon; Diann McKillip, red ribbon.

Breads and Desserts: From Lazbuddie Club were Jalayne Collins, blue ribbon; Janice

Evangelistic Rally Slated In Dimmitt

Evangelist James Robison of Fort Worth, Texas, will be preacher for a one-night evangelistic rally at the High School Auditorium, Monday, March 25, 7:30 p.m. at Dimmitt.

The rally, sponsored by various area churches, is expected to draw an attendance of 1,000 to 1,200 persons.

The meeting is open to the public and other churches, according to John Street, Pastor, First Baptist Church, and chairman for the rally.

Sharing the program spotlight with Robison will be other members of his evangelistic team including gospel singer John McKay and organist Richey Craig.

Guest soloist will be Mrs. Jeanne Copeland Rogers, 24, of Hurst, Texas. She is a regular performer on the evangelist's weekly television program, "James Robison Get-Together," as well as frequent soloist for Robison's crusades.

Robison's half-hour, syndicated TV show, "Get Together," is carried over Channel 10, Amarillo, 8 a.m., and Channel 11, Lubbock, 8:30 a.m. each Sunday.

At 30, Robison has preached his simple gospel message face-to-face to some six million people, more than had heard Billy Graham when he was that age.

He has conducted more than 350 crusades in some 30 states. At these evangelistic meetings, usually held in large auditoriums or football stadiums, he often preaches to crowds of 8,000 to 10,000 nightly.

Robison also speaks to some 200,000 high school students each year on such subjects as personal responsibility, youth problems and moral character.

More than 200,000 people have made personal commitments of their lives to Christ in response to his ministry. Of these, some 100,000 were making their first decisions for Christ, accepting Him as Lord and Savior.

In addition to his crusade audiences, Robison reaches thousands of people through his television ministry.

The TV ministry consists of

two thrusts. One, a half-hour syndicated program titled "Get Together," airs each week over about 40 stations. The other is a series of three one-hour, prime time specials carried in different communities across the nation with the support of local churches.

His background includes a childhood of abject poverty in Houston and Austin, Texas, and a youth in which he was shuttled back and forth between his natural mother and foster parents in Pasadena, Texas.

He attended East Texas Baptist College, Marshall, Texas.

McKay, 39, a graduate of North Texas University, Denton, Texas, has been a member of the Robison Evangelistic team since 1965. He is also recording artist on the Singcord label, a division of Zondervan Publishing Co.

Mrs. Rogers, a former junior high school music teacher in Hurst, Texas, is also well known in Fort Worth, Texas, entertainment circles for her leading role in various professionally staged musical productions, including "West Side Story" and "Show Boat." Her first commitment is serving Christ with her life and talents.

ACTION SOUGHT

Clayton Supports Fertilizer Study

Rep. Bill Clayton, Springlake, recently asked the House Agriculture Committee to begin an immediate investigation into the possibilities of establishing state-wide licensing requirements for fertilizer dealers. Rep. Clayton, who recently led a state investigation into the current critical shortages in agricultural fertilizers, reported that such licensing provisions may be the only effective means of monitoring fertilizer sales and transactions.

In Austin, Rep. Clayton stated, "In conjunction with the study on licensing provisions, I

plan to initiate inquiries into several other areas where our state government may not have fulfilled its obligations to the farmers and consumer public of Texas. I am asking the Fertilizer Control Institute at College Station to re-evaluate their reporting and recording methods to find out why there was so little forewarning of the shortage, as well as why the Institute's estimates of the shortage differ so drastically from the actual amount of fertilizer available in Texas."

Clayton expressed his concern over the alleged exportation of fertilizer products into Mexico, products which then apparently are shipped to Texas and sold at a much higher price. Clayton stated his office is asking for coordination of an investigation into these questionable exports with the Agriculture Commission, the Attorney General's office and the House Agriculture Committee.

Rep. Clayton also reported that in furtherance of his campaign to find solutions to the fertilizer shortage, he would be petitioning the Council of State Governments to determine if there is any legislation in any state that might be used as a model for Texas in controlling deceptive trade practices in fertilizer dealings. The Council will meet in Florida in May.

Rep. Clayton urged all persons with information or questions on the fertilizer situation to contact him or the Department of Agriculture at 512-475-6686.

Two Members Receive YHA Special Awards

Members of Friona's Young Homemakers met Thursday, March 7 at Friona State Bank's Community Room.

A salad luncheon was served to those attending. Annette Reznik, State Future Homemakers of America President, gave a speech for the program.

Two members, who are active in the organization were given special awards. Mrs. Shirley Wilson was recognized as an outstanding member and

Gail Brown received honors for being a willing worker.

Guests present were Mrs. Becky Riethmayer, Mrs. Anna Coffman, Mrs. Mig Reznik, Mary Beth Bennett, Mrs. Dianna White, Jan Petree, Rozanne Ray, Pat Wilkins, Sandy Awtry, Linda Harding, Mrs. Frank Truitt, Mrs. Bobby Jordan, Beverly Kimbrough and Debra Baxter.

The next meeting of the organization will be on Thursday, April 4.

Baby Shower Honors

Mrs. Larry Williams

Mrs. Kay Williams, wife of Friona Policeman Larry Williams, and their new son, Rusty, were honored with a baby shower on Saturday,

March 16 in the Community Room of Friona State Bank. Refreshments of cake, punch and coffee were served from a table covered with white lace over blue with silver appointments.

Special guests attending the shower were the baby's maternal grandmother, Mrs. Chris Scarlett and the paternal grandmother, Mrs. Imojean Williams.

Guests present were Mrs. Ester Denney, Mrs. Leola Powell, Mrs. Thelma Jones, Mrs. Caroline Vaughn and Mrs. Frances Euler.

Hostesses were Mrs. Gloria Atehley and Mrs. Doris Richards.

DASHING—Quilted cotton pique in a bold geometric print adds dash to the coat dress. It's zipped down the front, then softly sashed at the waistline. In black and white or espresso and white, it's by Suburbia USA.

Listings Due For Jaycee Farm Auction

Farmers and other area residents who would like to consign farm machinery and other implements to a community farm sale scheduled for Saturday, March 30, are reminded that listings should be turned in to any member of the Bovina Jaycees by the end of this week, according to Ken Horn, president of the organization.

The farm sale will be sponsored by the organization and held at the Bovina Gin yard.

The Jaycees, in return for sponsoring the sale, will receive a portion of the auctioneer's fee for the sale, Horn said.

As of early this week, a large number of consignments had been received, said Horn, with the prospects excellent for a good sale.

Anyone desiring further information concerning the sale may contact Horn at 238-1214 or Larry Mitchell at 238-1197.

Gentlemen.

For seven days a week dead stock removal, please call us as soon as possible. We pay cash for dead stock delivered to our plant. 1 cent per pound delivered fresh. 2 cents pound if delivered alive. Must be over 300 pounds.

Thank you,
247-3032
(Call collect)

March Is KIRBY MONTH WIN A NEW KIRBY

New Kirby And Attachments

Discounted \$45.00

Reg. Price \$315.00

Discount \$45.00

Sale Price \$270.00

During The Month Of March.

When you buy a new Kirby you have one chance on a new one to be given away Saturday March 30, 1974....Drawing to be held at 4:30 p.m. at Piggly Wiggly. You do not have to be present to win. Chances are not over one in 30...or if you wish you can have the price back on the one you purchased.

See Our Display Of New Kirbys At Piggly Wiggly.

Trade-Ins Accepted. Call For Demonstration.

A Message to the High School and College Age Students of Friona... (and those who love them) From the President of West Texas State University

You are standing on the threshold... perhaps the threshold of greatness, but at least on the threshold of what can be a rewarding career. West Texas State University is also on the threshold... we think it is the threshold of greatness.

There is a new excitement on our campus. Everyone associated with the University tells me they feel it, students, faculty, alumni and our many boosters throughout the Panhandle.

The excitement started ten years ago when we achieved University status. We began getting many new facilities including a new library, science building, research center, classroom and administration buildings and a new Student Activities Center which is second to none in the United States. We have new programs of a dozen different kinds... even one for horsemanship.

Much of the money for these programs and facilities has come from individual citizens, companies and foundations. These benefactors say, in effect, that our area should be the site of a significant university... a university with facilities and programs which attract outstanding faculty and students from all over the nation, even the world.

WTSU is growing but it is not so big but that our teachers can take a personal interest in each student and relate to him as the individual he is. Though we have a higher percentage of Ph.D.'s on our faculty than most universities, (over 50%...) our classes average fewer students than most, (under 20).

Our students are very much a part of making things happen at WTSU. They are interested, involved and excited. Their learning experience is bigger than the classroom... it is as big as life itself.

Tell us which of these areas of study interests you and we will tell you more about that program at WTSU. Clip this coupon and mail it to me personally. I'll see that you get the whole exciting story without obligating you in any way.

Lloyd D. Watkins

Dr. Lloyd Watkins, President
West Texas State University

P.S. Don't let financial considerations keep you from exploring the idea of coming to WTSU this summer or fall. Scholarships and other financial assistance are readily available.

Here are some of the areas in which you'll find the excitement of learning at WTSU.

- *Accounting
- *Agriculture

I'VE HAD REQUESTS for soybean recipes in the past, so I thought this might interest some of you!

For a tasty, nutritious-but different-snack, fix some salted soybeans.

Homemakers can prepare them at home for use as salted nuts.

Either of two preparation methods is acceptable.

For the first method, soak dry soybeans overnight or until completely swollen.

Dry surfaces of the beans between towels, and fry in deep fat. Cook a few soybeans at a time, for five to eight minutes depending on size.

When slightly brown and crisp, drain, salt and use like salted peanuts.

The second method also requires washed beans to soak overnight.

After soaking, boil soybeans in salted water for one hour. Then spread in a shallow pan and roast in a moderate oven until browned.

Sprinkle with salt while still warm.

For best results, set oven- or fat-temperature at 350 degrees F.

HERE'S SOME TIPS on shoe and boot care that could also apply later in the year when we get rain.

Winter rain, slush and snow are hard on boots, but consumers can avoid much wear-and-tear with care.

Generally, winter boots are constructed of synthetics, leather or suede.

Of these, synthetics require the least care. They're waterproof, washable and don't need polish.

To "spruce them up," simply spray on furniture polish. Should the lining get wet, dry them upside-down over a heat source.

However, synthetics can't "breathe" or let air circulate.

As a result, feet perspire-inviting possible bacteria growth, so it's advisable to use foot spray in these boots.

Leather boots, on the other hand, require special care to prevent cracking.

When they're new, polish these boots with paste wax and/or silicone treatment. Repeat treatment periodically to keep leather soft and pliable.

If stained, wipe boots with a damp cloth. Wash with saddle soap if badly discolored-using lots of suds and minimum of water.

Then, rinse, air-dry at room temperature-away from heat-and apply paste wax to lubricate the leather.

Silicone spray also protects suede boots. If soiled-or if salt gets into the grain-use spray cleaner and a brush, or a dry plastic sponge.

Never use paste wax, leather cream or shoe polish on suede. These products can harm its finish.

When boots get wet, remove them and stuff with tissue paper or paper towels, because wearing wet leather or suede footwear can stretch it out of shape.

Also, improper storage causes knee-high boots to bend and crack-forming creases where salt can collect. To hold boots upright-and prevent such damage-place cardboard rolls (such as from paper toweling) inside the boot tops (uppers).

When zippers stick, lubricate them with spray-on silicone.

ON ENERGY RESEARCH

President Nixon has asked Congress to spend \$1.8 billion for energy research and development in 1975. He also proposed to trim the oil companies' tax break, label "energy efficient" products and relax auto emission standards for two more years.
