Partly cloudy Friday night, with lowest temperatures 26-30 in Panhandle and 30-34 in South Plains. Saturday partly cloudy and cool. Maximum temperature Thursday 78 degrees; minimum Friday 41 degrees.

# UN Units Reel Under Red Attacks

## Tanks, Other Materiel Lost In Pull-Backs

SEOUL—(P)—Allied forces struggled in a drenching rainstorm Friday night to rescue remnants of two trapped American regiments on the sagging United Nations line in Northwest Korea.

The downpour hurt the Allies more than it did the resurgent North Korean Reds and their Chinese Communist comrades. It meant potent UN air power would be curtailed, if not stopped until the weather clears.

A combined Chinese and Korean Red counterattack had sent the UN forces reeling back in virtually every sector of the flaming northwest front. The Reds, at one point, were only 47 miles north of their fallen capital of Pyongyang.

One U. S. withdrawal on the west coast road—pulled a tank-led spearhead 50 miles back from its forward advance point 15 miles south of Red China's Manchurian border.

After the downpour Friday evening, Allied forces neither advanced nor retreated.

There was movement in the northwest front but AP Correspondent Jack MacBeth said U. S. First Corps spokesmen described it merely as "jockeying for position."

One unit of the South Korean First Division was reported in contact with the enemy in the Unsan area. Army spokesmen did not elaborate.

The Reds had dealt the Allies serious blows throughout the area. Much equipment was captured by the Reds, including 13 American tanks.

Situation 'Serious' Only U. S. Marines in the northeast were on the offensive. And their thrust was blunted by a fierce Red-encouraged move.

U. S. Eighth Army Headquarters called the situation "very serious." A U. S. First Corps spokesman said it was "not so good as it could be and not as good as we would like it."

However, General MacArthur's spokesman in Tokyo described the main battle, around Unsan, as a large-scale enemy defensive action and not a counteroffensive. Two U. S. Cavalry regiments are cut off there.

The spokesman said UN forces still retained the initiative in North Korea.

The intelligence officer said reinforcements, reorganized units and Winter weather played heavy parts in the Red assault.

These were the developments in the various sectors:

West coast—The U. S. 24th Division was forced to withdraw as much as 50 road miles to Chong-Ju to avoid entrapment. British Commonwealth forces fell back there, too. The surprisingly strong Red counter-

(Continued On Page Nine)

## Wind-Blown Fire Sweeps Building And Stored Cotton

A raging fire, believed to have been ignited by wind-swept burning cotton burs swept through a cotton storage building near the Midland Co-op Gin early Friday, damaging an estimated 20 bales of unginned cotton and inflicting heavy damage on the building.

Midland firemen fought the blaze for almost four early morning hours before the flames were extinguished completely. Fire Marshall Bill Klatt said a strong northeasterly wind hampered the fire fighting.

The gin was in operation at the time the fire broke out. Klatt said the blaze apparently started from sparks blown to the building from the gin.

The burned building, used to store cotton waiting to be ginned, was gutted by the flames. A middle portion of the roof caved in and wooden rafters and walls were damaged heavily.

To Salvage Cotton Klatt said Floyd Countiss, manager of the Midland Co-op, told him approximately 20 bales of unginned cotton were stored in the building at the time of the fire. Much of it may be salvaged, as the flames were confined to the top portions of the stored cotton. However, the unburned cotton may be stained heavily, Klatt said.

No immediate estimate as to the financial loss could be obtained Friday. Klatt said losses of both the building and the stored cotton were covered by insurance.

**JUST LIKE LANA**—The girl "who can fill out Lana Turner's gown the best"—according to a panel of judges in a New York restaurant—is curvaceous Terry Duhaime, 19, above, seen filling Lana's \$2000 silver lame gown. Terry shows how she edged out eight other lovely New York models to win the coveted title.

## Norther Strikes In Texas

By The Associated Press

The first real norther of the season rolled through Texas during the night, bringing freezing weather to some Panhandle points, a dust storm, rain, electrical storms and scattered hail.

Traces of snow fell at Fort Davis—sufficient to bring windshield wipers into action Friday morning. The temperature at McDonald Observatory near Fort Davis was 27 degrees, while in the city the reading was 34.

The mercury plunged to 29 degrees early Friday at Amarillo. Lubbock reported a low of 32.

Freezing Friday Night Temperatures dropped over the rest of the state except for the Brownsville area, which missed the disturbance. There the low for the night was 67 degrees.

Freezing weather is expected again Friday night in the Panhandle and South Plains with near-freezing temperatures in extreme Northwest East Texas. Panhandle lows are expected to be 26-30 degrees, while South Plains minimums are due to range from 30 to 34.

A dust storm about 10:30 p.m. Thursday cut visibility to about four blocks in Lubbock.

Rain, Hail Reported Hail fell in some parts of Dallas County and at Itasca.

The driving hailstorm broke up a football game at Itasca with Cleburne Junior High School leading Itasca Junior High 14-0 as the storm (Continued On Page 12)

## ★ LATE NEWS FLASHES ★

**TAIPEI, FORMOSA**—(AP)—Chinese Nationalist reports from Red China Friday said Communist Gen. Lin Piao's 120th Division was in action in Korea and that Lin's crack 40th Army has moved to the Yalu River, which separates Manchuria from Korea.

**GENEVA, SWITZERLAND**—(AP)—An Air India Constellation plane carrying 40 Lascar seamen and a crew of eight was long overdue here Friday on a flight from Bombay to London, and may have crashed in an Alpine snowstorm.

**AUSTIN**—(AP)—Firemen Friday battled flames threatening complete loss of Whitehall Girls Co-Op, a University of Texas-owned rooming and boarding house just north of the main campus.

**ASTORIA, ORE.**—(AP)—The Columbia River ferry M. R. Chessman, largest of those operated by the Oregon State Highway Commission, was unreported at 12:15 p.m. Friday, two and a half hours after it was due to arrive here from Megler, Wash.

## Ballot Slated Saturday On School Bonds

A Midland Independent School District proposal to issue \$300,000 in bonds for the erection of a new Northwest elementary school and an addition to the Latin American school will be decided in a special election to be held Saturday in the City-County Auditorium.

Voting hours will be between the hours of 8 a.m. and 7 p.m. Voters should present poll tax receipts to the election judges.

Interest in the election is at a low ebb and a light vote is expected. Only 10 ballots were cast in the absentee voting period which ended Tuesday.

All persons residing within the school district who have rendered property for taxation are eligible to vote.

**Budget Savings** The building program will cost an estimated \$500,000, \$200,000 of which will come from savings from the school district's 1949-50 and 1950-51 operating budgets.

Officials said the new elementary school to be built in the Northwest section will cost approximately \$350,000. It will be a 20-room structure similar in design to the new David Crockett school in the Northwest sector. Additions to the Latin American school will cost about \$150,000.

Voting of the bonds will not necessitate an increase in the present tax rate, officials said, due to budget savings and to increased tax evaluations.

**Membership Increase** School trustees, in calling the election, pointed out that a 25 per cent increase in school enrollment this fall has resulted in an urgent need for additional classrooms. The increase continues at the rate of 35 new students per week. At this rate, the membership will have increased by 1,260 students by the end of the school year, thereby overcrowding present buildings by about 500 students. A comparable increase is expected in 1951-52, officials said.

## Battle For Texas GOP Post Begins

**SAN ANTONIO**—(P)—A blistering retort to Jack Porter's announcement he is seeking the Republican national committeeman's post in Texas was made here Friday by Eugene (Mike) Nolte.

Nolte and Mrs. H. A. Cowan are two of the 62 members of the State GOP Committee which will meet shortly to name a successor to R. B. Creager, the veteran state Republican leader who died last Saturday.

"I see by the morning papers," said Nolte, "where Jack Porter of Houston is charging that there is a combine against him. In the same article he admits defeat by crying that if he is not elected by the state committee he will turn to the national committee."

**For Zweifel, Bullington** "Some sport! Never in my life have I seen more rotten pressure turned on than in this campaign."

"After a careful survey of the entire state' outlook, I predict that 85 per cent of the committee's votes will go to Henry Zweifel for national committeeman."

(Continued On Page 12)

## Stockholders' Meet Underway In City

The Stanton-Midland National Farm Loan Association's annual stockholders meeting got underway at noon Friday in the American Legion Hall, with more than 200 stockholders and visitors from seven counties present.

Included in the day's activities was a barbecue at noon and a business session beginning at 1 p.m. Oscar Lawson, vice president, was to preside.

Charles C. Thompson of Colorado City, director of the Tenth District of the Farm Credit Administration, was to be the principal afternoon speaker. District Judge Paul Moss of Odessa and District Judge-elect R. W. Hamilton of Midland were special guests of the association.

Election of two directors and a financial report given by Secretary-Treasurer Claude Davis was scheduled during the business meeting. John Fridley, president, and Les Floyd, who, terms as directors expire this year, have been nominated for reelection to their posts.

Directors are Fridley, Floyd, Oscar Dawson, Paul K. Jones and Elmer Bizzell.

Counties served by the association include Midland, Martin, Ector, Andrews, Crane, Upton and Winkler.

## Chest Drive At \$31,387

It may be cold in Midland but the Red Feather thermometer went up a few notches Friday.

Contributions reported Friday total \$31,387 as compared with Thursday's report of \$30,755, a gain of \$632.

Broken down the Friday report shows: Big Gifts \$9,150; Ranchers and Farmers \$2,235; Office Buildings \$4,875; Non-Resident Corporations \$3,920; Business District \$5,450; Public Buildings \$478; Residential \$2,450; Schools \$727; Lawyers \$1,253; Doctors \$625; Negroes \$136; Latin Americans \$87.

The goal is \$45,386.

"Have you contributed? Have you given one day's pay for six worthy organizations?"

These were questions the campaign workers, some 200 of your neighbors and friends, asked Friday.

The winds are expected to keep the mercury below the 60-degree level all day Friday.

Texas' highest temperature Thursday was 92 at Alice. Midland's maximum was 76.

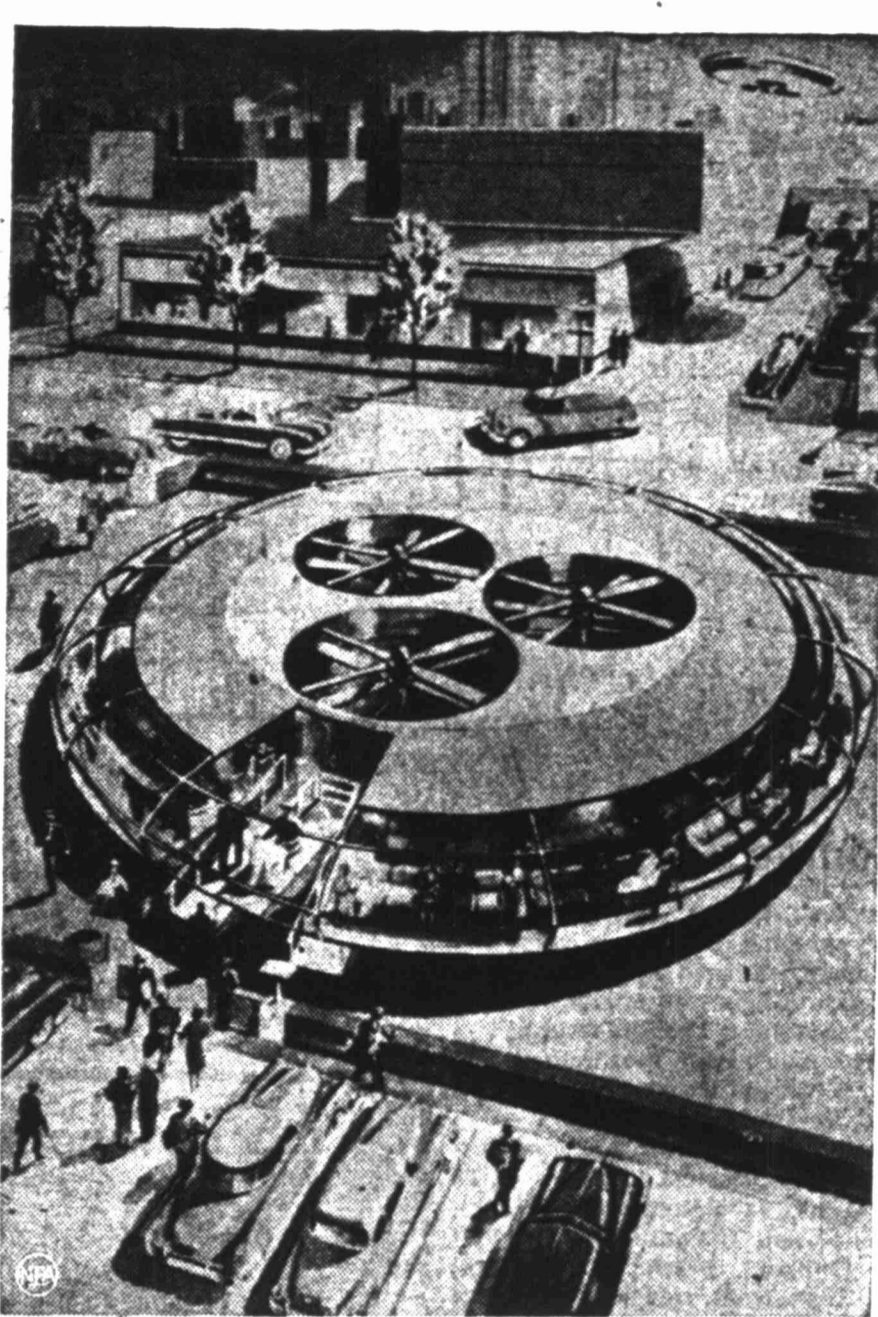

## Benefit Dance Scheduled Here

A benefit dance for the Joan Edwards Recovery Fund is scheduled at 9 p.m. Saturday in the American Legion Hall.

E. D. Fitzgerald and his Lone Star Ramblers, Midland band, will play the dance. Their services are contributed.

A large delegation from Rankin, Miss Edwards' hometown, is expected to come to the dance.

Fitzgerald, band leader, pretty well summed it up this way: "A lot of us cannot dig down and give a sizeable contribution individually to an unfortunate young woman, but we can do a lot of little things that will add up to a big thing. We invite all Midlanders to come and dance and have a good time, while at the same time helping a worthy cause."

**CITY "SAUCER"**—The "flying saucer" will come into its own one day as the solution to traffic congestion in most U.S. cities, thinks designer George F. Miller of Chicago. Above is Miller's conception of a saucer-shaped, 100 passenger air bus that would carry city commuters at 90 to 175 miles an hour. Miller's idea was presented in Science and Mechanics magazine.

## FBI Moves To Nip Offshoots Of Plot Against President

**WASHINGTON**—(P)—Federal agents moved on far-flung fronts Friday to nip any offshoots of the plot to kill President Truman which ended in blood-spattered failure for two Puerto Rican revolutionaries Wednesday.

The President continued to show no emotion at his escape from the guns of two fanatics who were felled, one of them shot dead, at one of the very steps of his official residence.

But the guard around him was increased and FBI and Secret Service men moved swiftly in an attempt to track down any of the pair's accomplices who might be dangerous.

Truman did not take his early morning walk, but there was no indication he passed it up because of concern for his safety. He had worked late Thursday night on the political speech he will make in St. Louis Saturday night.

About 8:40 a.m., after working in his office for a while, the President walked from the White House to nearby Emergency Hospital to visit two guards who were wounded in defending him. Just what he said to them was not disclosed. Reporters were not permitted to accompany him to the hospital rooms.

**Taken Into Custody** In New York, the FBI took into custody the 21-year-old widow of Grisello Torresella, the would-be assassin who was killed in front of Blair House. It was learned the young woman was picked up when she visited her home. A search had (Continued On Page 12)

## McCamey Plans Benefit Event

**MCCAMEY**—The McCamey Lions Club has announced plans for another community-wide benefit entertainment, with proceeds going to the Joan Edwards Fund. It will be in the form of a variety show—featuring top entertainment from melodrama to skits by club members.

The Crane Lions Club also will furnish several entertainment numbers.

Joan Edwards, whom the club again proposes to help, was injured in a car accident near Odessa in January, 1949. She has been unconscious ever since. A former employe of The Midland Reporter-Telegram, she now is under treatment at the home of her parents in Rankin.

McCamey Lions staged a benefit softball game more than a year ago to start the Joan Edwards Fund, to which hundreds of generous West Texans have contributed.

## Samples Show Oil In Stonewall Test

Seaboard Oil Company of Delaware No. 1 W. F. Edwards, South-West Stonewall County wildcat, located (Continued On Page Nine)

## Potential Reported For Midland Opener

Humble Oil & Refining Company has completed its No. 1 Midkiff, Southeast Midland County wildcat, 25 miles southeast of the city of Midland, as a pumping discovery from the Spraberry sand of the Permian.

The new field opener made 80 barrels of 33.8-gravity oil, plus five barrels of water on a 24-hour pumping potential test.

The project showed a gas-oil ratio of 749-1, but it would not flow steadily, and the pump was installed to produce the petroleum.

The production is coming from open hole between the bottom of the 7-inch casing, which is cemented at 7,281 feet, and the plugged back depth of 7,425 feet.

The project drilled to total depth of 7,520 feet. The section between 7,425 feet and 7,520 feet made mostly water and it was plugged off for the completion.

Top of the Spraberry sand is at 7,292 feet. Elevation is 2,770 feet. Location of the new producer is 660 feet from south and west lines of section 39, block 38, T&P survey, T-4-S.

## Andrews Discovery Reports Completion

The Texas Company has reported completion for its No. 1 Biles, Northwest Andrews County, Clear Fork discovery.

On a 24-hour potential test from open hole zone at 7,390-7,573 feet the opener made 330 barrels of oil out with one per cent basic sediment and water.

Flow was gauged through a three-quarter-inch choke. Gas-oil ratio was 456-1. Gravity of the oil is 37.2 degrees.

Casing pressure ranged from 850 to 800 pounds. Pressure on tubing decreased from 350 to 50 pounds.

During the first 21 hours of flowing the No. 1 Biles made 300 barrels of oil. It flowed at the rate of 10 barrels per hour for the last three hours of the test.

Open hole was treated with 1,000 gallons of acid.

The new discovery is three miles east of the Union-Clear Fork pool and five and one-half miles east of Garret M. Smith No. 1 McWhorter-Hall, another Clear Fork discovery in Northwest Andrews County.

No. 1 Biles is 1,980 feet from south and west lines of section 15, block A-31, psi survey.

## NW Howard Wildcat Gets More Petroleum

More indications of a discovery from the Pennsylvanian lime in Northwest Howard County have been found at Brinkerhoff Drilling Company No. 1 Jones.

Operator recovered 3,000 feet of free oil after a drillstem test at 9,505-43 feet.

With tool open five and one-half hours, gas surfaced in eight minutes. It blew steadily to the surface during the remainder of the test.

Total recovery in the drill pipe was 270 feet of mud, 4,600 feet of oil and gas-cut mud and the free oil. No fluid came to the top while the tool was open.

Operator is now waiting on orders.

Shutin pressure after 20 minutes was 3,015 pounds. Flowing pressure ranged from 125-700 pounds.

The prospector previously had shown signs of commercial production on a drillstem test at 9,465-9,510 feet. The No. 1 Jones was flowing to test when the oil stopped. Operator was unable to revive the flow and the venture was taken on to its present total depth of 9,543 feet.

Location is 1,980 feet from south and east lines of section 27, block 33, T-2-N, T&P survey.

**Formal Opening  
Of M-H Station  
Slated Saturday**

Formal opening of the Miles Hall Service Station has been scheduled Saturday at its location, 2701 West Wall Street.

The new station, which will feature all Humble products, will be a dealer-type Humble station, operated separately from the Miles Hall Buick Company.

Princess Aloha orchids will be given to visiting women on opening day. Many other favors and special features also will be offered.

The Miles Hall Service Station will be operated by Bob Myers, long-time Midland resident who has had 15 years of service station experience. Myers will have a full staff of trained attendants ready to take care of every motorist's needs. Features Listed

Washing and greasing will be a specialty of the new station. Tires, batteries and all automobile accessories also will be featured.

Visitors at the new station on opening day will include Jack Kimbrough, Humble's Midland district manager, Bruce Luvall and Fredland Austin, both of Odessa. Humble salesmen, Sales Promotion Manager E. L. Hovel, of Abilene, and Ed Nelson and Tink Hiebert, San Angelo, sales promotion assistants.

The new station will be open daily between the hours of 7 a. m. and 7 p. m. Telephone number is 4686.

★ IN HOLLYWOOD ★  
**Maureen O'Hara Frets About  
Necklines More Than Oscars**

By ERSKINE JOHNSON  
NEA Staff Correspondent

HOLLYWOOD—Maureen O'Hara, the gorgeous movie redhead, confesses that she worries more about the V in her costumes than about deathless dialogue and that she's more interested in entertainment and fun in her pictures than she is about Academy Awards.

"We worry too much in Hollywood about performance," the lady whispered. "Who in Denver, Fort Wayne or Pocatello cares one hoot about a performance? Who are the top boxoffice stars? They're not the ones who are reputed to be great performers. I try to have fun in my pictures. I make them and I don't worry about Academy Awards and things like that. Just entertainment and fun and what the audience is going to think."

The play may be the thing, but it's the play of solid silver on the boxoffice till that lights up the aurora borealis in Maureen's orbs. She reads the exhibitors' magazines and the gross sheets the way Hedy Lamarr reads Dun & Bradstreet.

"Do you know who is one of our greatest boxoffice stars?" she asked me. Leaning over and looking around the room, she whispered:

"Randolph Scott."  
She's "An Outdoor Girl" Every now and then, producers forget that Maureen O'Hara is the Forever Amber of the great outdoors and toss her something that Olivia de Havilland would drool over.

Maureen tosses the scripts right back.

She persuaded Fox to assign "The Scarlet Pen" to Irish beauty Constance Smith.

"It was psychological," she sneered.

She latched on to "Kangaroo" instead.

That's because the heroine goes around lashing 'at up-to-no-good

males with a bullwhip and Maureen wouldn't consider it a full day's work if she didn't make her leading man holler "Ouch."

She cuts 'em up with cutlasses, blasts away at them with rifles and once even got a chance at hand-to-hand combat.

"No doubles," she boasted. "I'm an honorary member of the stuntmen's union."

Maureen thinks she's got it figured why movies in which she beats up the profile boys always mop up at the boxoffice.

"I believe that women like it. They sit there and say, 'Give him a good sock, Maureen.' The boys cut it up, too. They secretly like a woman who will paste a man one."

Listen in on Maureen and her dress designer and you'll hear a lot of talk about necklines.

Not one itchy-bitsy aside, mind you, about sleeves, shoulder pads, pencil lines, hemline lengths or the way Maureen will look when she turns her back on the camera.

Just necklines.

Exhibitor's Delight

With the help of a little technical color, some snoring horses and a flashing sword, she keeps movie exhibitors rubbing their hands blissfully. It's the movie historical periods when every woman wasn't an O'Hara that throw her.

She was having troubles about the necklines she has to wear in "Kangaroo" and telling them to designer Eddie Stevenson:

"Such necklines," she pouted. "How about this fabric," Eddie said.

Maureen made pleas in her forehead. "Isn't there any other kind of neckline? They sure have awful high necklines."

The designer muttered something about stick to the period of the picture and passed a copy of the Delineator magazine for 1901 to her. Maureen studied photographs of ancient belles in up-to-the-chin dresses and looked unhappy about the whole thing.

"Terrible," she said. "They must have been in a bad temper all the time."

The designer gathered up his sketches and said that he would work out the neckline problem.

Maureen perked up.

"I had the same situation in 'Rie Grande,'" she confided. "I played Claude Jarman's mother and John Ford didn't think that Claude's mother should go around wearing low necklines. But I cheat a little in my party scene dresses."

**Lawyers For 'Bra  
Brigade' Ask For  
Change Of Venue**

MIAMI, Fla. (AP)—Attorneys for the "brassiere brigade" defendants say a fair and impartial trial "cannot be had" in Dade (Miami) County and ask that it be held elsewhere.

Harry Preblich and James Rainwater, defense counsel, filed a petition to this effect in Criminal Court of Record Thursday. The trial date has not been set.

Three members of the "brassiere brigade" were charged with grand larceny from the Southern Bell Telephone Company and nine others with receiving stolen property shortly after their arrest in September.

Police said the three girls allegedly lined their brassieres with rolls of quarters from pay station collections and carried the money from the company's counting room over a period of months. Company officials estimated the loss at about \$18,880.

**Jack Porter Seeks  
Election As Texas  
GOP Committeeman**

HOUSTON (AP)—H. J. (Jack) Porter is seeking election as the national Republican committeeman from Texas.

The Houston oil man Thursday night said he was after the job held by the late R. B. Creager, Brownsville, long-time party leader in Texas, Creager died Saturday.

Porter said he opposed a party combine which is trying to "keep the Republican Party a minority party in Texas" and said as national committeeman he intends to see that Republicans contend "in every election at every level with the Democratic Party."

He said this combine was the "Zwiefel-Notte combine."

He referred to Henry Zwiefel, Fort Worth attorney, and Eugene Notte, San Antonio party leader and former candidate for governor.

Porter was the 1948 Republican nominee for the U. S. Senate from Texas.

The Harris County Republican Executive Committee Thursday night endorsed Porter as Creager's successor.

Zwiefel had "no comment" on Porter's statement.

**C. Of C. Managers

**Five Indicted In  
Conroe Vote Probe**

CONROE, TEXAS (AP)—A grand jury probing election irregularities Thursday indicted five Montgomery election officials on charges of certifying a false election return.

The indictments were returned to Judge Ernest Coker of the Ninth District Court.

Indicted were John Monroe, election judge, Precinct 1, Willis; W. D. Williams, tabulator, Willis; John Williamson, tabulator, Willis; Virgil Gilliland, Precinct 20, Conroe, and Ross Wells, tabulator at Splendora in the August Democratic primary.

In a written report to Coker, the grand jury recommended continuation of the investigation into alleged irregularities in handling the July and August primaries.

The jury recommended all Montgomery County voting boxes for the Democratic primaries be opened and ballots recounted.

One of every seven bales of cotton produced in the United States is lost because of insect damage.

## Atrusans Hear Mrs. Hodge Speak On United Nations

"The United Nations is the world's greatest drama," Mrs. J. Howard Hodge, president of the Texas Federation of Women's Clubs, told members of the Atrusa Club Thursday night. The meeting was held in the private dining room of Hotel Scharbauer.

"One thing that bears out the prestige of the UN," she added, is its united effort in the Korean crisis."

**Bad Boy**  
Mrs. Hodge described Russia as a bad boy who wanted to break up the game other children were playing. She considered it significant, however, that although Russia had walked out many times, her delegation had always returned.

For those who weren't familiar with the UN structure, Mrs. Hodge explained the setup and organization.

"The UN needs to be studied and understood on the community level," she pointed out.

"I wish every one of you would become interested in the United Nations," she said, "because you are the women who will have to tell those who don't care."

**Herald-Tribune Forum**  
Mrs. Hodge also covered briefly the annual New York Herald-Tribune Forum which she attended in New York. "The subject of this year's forum," she said, "was mobilization of the United States resources for defense and the theme running through all the speeches was 'We can't be caught unprepared again as we were in Korea.'"

Mrs. Hodge was introduced by Mrs. H. N. Phillips, chairman of international relations.

Following Mrs. Hodge's talk, the club presented a gift to Mrs. Grace Wallace who recently was elected first vice governor of the seventh district.

Mrs. Phillips and Mrs. Virginia Hoffman related the highlights of the district conference of Atrusa Clubs in San Antonio.

The next meeting of the club will be held at noon Thursday in Hotel Scharbauer.

**DECEMBER BRIDE**—Ivan E. Hood announces the engagement and approaching marriage of his daughter, Clemma Edwina Hood, to Halton Marvin Trout, son of Mr. and Mrs. M. H. Trout of Odessa. The wedding will take place December 16 in the First Christian Church. Miss Hood is a graduate of the University of Texas and Trout attended Hardin-Simmons University in Abilene.

## Mrs. Lancaster Shows Movies To Tejas Club

Movies of her recent European trip were shown by Mrs. N. A. Lancaster at the Thursday meeting of the Tejas Garden Club. Mrs. J. A. Eubank, 1804 West Kansas Street, was hostess for the meeting.

Tejas Garden Club, which won first prize at the recent annual Flower show, voted to give Mrs. C. W. Herndon, their prize-winner, a shadow box arrangement. Mrs. Herndon, a club member, is leaving Midland for Galveston.

Mrs. F. O. Boles presented a report on the donations obtained for the Community Chest. Mrs. Jim Wilkins volunteered to be a club representative for the Latin American Youth Center in Guadalupe Hall.

Others present were Mrs. R. W. Allen, Mrs. F. A. Crockett, Mrs. J. D. Dillard, Mrs. Miles Hall, Mrs. H. L. Goodman, Mrs. Frank Johnson, Mrs. M. R. Hayes, Mrs. Wade Heath, Mrs. Herndon, Mrs. C. D. Hodges, Mrs. W. D. Lane, Mrs. J. B. Mills, Mrs. Sam Preston, Mrs. C. L. Reeves, Mrs. R. L. Spencer, Mrs. J. O. Vance, Mrs. J. C. Velvin and Mrs. F. W. Wood.

## Xi Theta Has Wiener Roast

A wiener roast was held Thursday night for members and husbands of Xi Theta in the backyard of the home of Mr. and Mrs. J. H. Fine, 1103 North Colorado Street.

Those present included Mr. and Mrs. A. H. Dimney, Jr., Mrs. S. P. Parks, Mr. and Mrs. Fine and Linda, Mr. and Mrs. R. H. Prizzell, Jr., Anita Lou and Mike; Mr. and Mrs. R. L. Grubb; Mr. and Mrs. Lloyd Zellner, Mr. and Mrs. G. B. Hallman, Burlingame Guyger, Mrs. Jack Johnson and Dee, Mr. and Mrs. S. R. McKinney, Jr., Freddie and Patricia Jane; Mr. and Mrs. Jack Doran, Ken and Rusty; Mr. and Mrs. Arnold E. O'Neill, Mr. and Mrs. Riley Parr, Maedelee Roberts and Mrs. Hollis Roberts.

The next meeting, on November 16, will be held in the home of Mrs. W. I. Pratt, 911 West Kansas Street.

An average of one person in every 30,000 has his heart on the right side of the body, according to medical records.

## Beauceants Have Meeting

The Social Order of the Beauceants met Thursday in the Masonic Hall.

Members present were Mrs. W. G. Epley, Mrs. Bert Goodman, Mrs. W. B. Hunter, Mrs. H. D. McNeil, Mrs. James Mims, Mrs. G. G. Hazel, Mrs. L. C. Stephenson, Mrs. Floyd Boles, Mrs. Earl Ray, Mrs. John Hughes, Mrs. Deway Pope and Mrs. H. M. Spangler.

## Billie Pigg Named Officer In Club

Billie Pigg, daughter of Mr. and Mrs. W. E. Pigg, 606 South Baird Street, was elected secretary of the Press Club in a recent officer election at Abilene Christian College, Abilene.

Miss Pigg is a senior student in the college and is a 1947 graduate of Midland High School. In her junior year, she was assistant editor of "The Prickly Pear," the college year book. Miss Pigg is majoring in business administration and education.

## Yucca Garden Club Hears Discussion On Landscaping

"Landscaping" was discussed by Mrs. Bill Tripp of the Odessa Modern Garden Club when she spoke Thursday to the members of the Yucca Garden Club here.

She presented a display of her own drawings, scaled to size, of landscaping. Mrs. F. E. Sadler, club program chairman, introduced the guest speaker. The club presented her with an aster corsage.

Mrs. John House, 910 West Kansas Street, was hostess and Mrs. Robert White was co-hostess.

**Roses And Dahlias**  
A silver bowl of pink shaded roses and dahlias centered the table and Mrs. Ralph Lowe presided at the silver coffee service. The fireplace in the library was banked with golden margolds and dahlias.

Mrs. R. E. Gillespie presided at the meeting. Mrs. B. R. Mathews, treasurer, asked all members to give their magazine subscriptions to the Yucca representative to the Midland Woman's Club, Inc., for the building fund. Representative is Mrs. Clint Dunagan.

Mrs. Mathews will be the club representative for the Latin American Youth Center.

Registering at the recent annual flower show were 690 persons, Mrs. Gillespie reported.

"Gardens of today are more simple than formerly and are adjusted to modern living," Mrs. Tripp said in her speech. "The garden is broken into individual parts and includes harmony, texture, contrast, rhythm and proportion.

Other guests were Mrs. N. N. Jones of Andrews, Mrs. A. A. Jones, Mrs. J. Alfred Tom, Mrs. Ted Lowe, Mrs. J. Buford Balne, Mrs. Daniel Purvis and Mrs. R. K. Richard.

**Members Present**  
Other members present were Mrs. John S. Braun, Mrs. Billie Gilbert, Mrs. Dewitt C. Haskin, Mrs. Albert Kelley, Mrs. Ernest Neill, Mrs. C. E. Nelson, Mrs. Henry P. Oliver, Mrs. R. E. Patton, Mrs. W. G. Petteway, Mrs. Nelson Puett, Mrs. F. E. Sadler, Mrs. B. R. Schabaram, Mrs. G. W. Vanderpool, Mrs. Dunagan, Mrs. Zeb Wilkins, Mrs. Robert White and Mrs. J. H. Galloway.

The next meeting will be a Silver Tea December 14. It will be a Christmas party for the benefit of the Goree Garden Club, Hearne, Texas. Mrs. J. E. Beakey will read a play.

Boston Common, set aside in 1634 as common community ground, probably was the first city park in the United States.

## Alpha Delta Pi Plans Coffee

A committee was appointed for the annual coffee of the Panhellenic Association by the Alpha Delta Pi group at a called meeting Wednesday in the home of Mrs. T. S. Edrington, 1200 West Ohio Street.

The Fall coffee will be held from 10 a.m. through noon Wednesday in the Ranchland Hills Country Club.

The hostess served cakes to the following during the social hour: Mrs. Hugh Gilmour, Mrs. C. C. Thomas, Mrs. Walter Rankin, Mrs. F. B. Pennycook, Mrs. Herbert Hemphill, Mrs. H. E. Davis, Mrs. L. W. Forman and Mrs. Earl J. Moran.

Advertisements for the coffee will be placed in the Reporter-Telegram on Wednesday.

Tibetan Invasion

The Chinese Communists are reported to be marching upon Tibet, the roof of the world, storied land of the high Himalayas.

It will be imagined how the 3,000,000 Tibetans, who have lived long in the independence that goes with isolation, are looking forward to the Communist brand of "liberation."

The Indian government, whose Prime Minister Nehru always manages to distrust western words but sees reason and hope in Communist declarations, has told its envoy to Peiping to express its "surprise and regrets" to the Red Chinese leaders over the Tibetan invasion.

To the rest of the world it is not a surprise but only one more example of ruthless aggression unprovoked and unjustified.

And it ought to lead the United States and certain other countries in the United Nations to adopt a stiffer attitude toward the admission of Red China into the UN.

Before the Korean war, we had let it be known that although we wouldn't promote Red China's admission, we wouldn't veto it, either. The belief then was that the necessary votes for admission soon could be mustered.

As of now, it should. It isn't enough that the Chinese regime represents 400,000,000 people and successfully maintains order in Chinese territory.

The Tibetan adventure currently disqualifies the Chinese Communists from UN admission if that be the standard. And they should get no further consideration until they not only have abandoned this particular aggression but have forsown force as a deliberate instrument of policy.

Toll Highways Here To Stay

The other day Pennsylvania dedicated a 100-mile eastern extension of its famous turnpike which slices through the backbone of the Appalachian Highlands.

In November, 1951, New Jersey will have a turnpike running from New York southwestward across the state to the Delaware border below Wilmington. Ohio has one in the works, too, which is planned for use by about 1955.

Most of these roads are toll highways. They cost money to ride on. But they pay it back in the gasoline and driving time saved.

For a long time the federal Bureau of Public Roads has been against toll roads as a wasteful, duplicating expense which actually handicaps the proper development of the nation's regular road system.

The best test of the sense of the turnpike idea is the swiftness with which other states are adopting it.

McCarthy Rides Again

If there is any bad feature to the fact that the Korean war now seems to be coming rapidly to an end, it is that it leaves American front pages open more to the onslaughts of Senator McCarthy of Wisconsin.

Sensing his opportunity, the senator already has stepped up his pace. Come V-K day and he'll probably be in full stride, hell bent to break his Spring record for charges made and not proved.

His new flush of activity led him to include Robert Maynard Hutchins, chancellor of the University of Chicago, on his list of dangerous men. Probably no more confirmed anti-totalitarian exists in this country than Hutchins.

"I should think Senator McCarthy would want to prove the charges he has already made before making any more."

Anyway, it's better to get out of the wrong side of the bed than to sleep all day.

Hardly Conducive To A Generous Reply

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Drew Pearson says: Two distinguished Utah Mormons offer study in contrast; Oklahoma candidates bear watching; Wickersham feeds from public trough.

WASHINGTON — Two distinguished Mormons offer in Utah present a unique contrast in human relations. One is J. Ruben Clark, No. 2 man in the Mormon Church, a Republican; the other Elbert Thomas, senior senator from Utah, Democrat.

Eventually Ruben Clark retired, returned to Utah, settled down as No. 2 man in the Mormon Church, and as a director of insurance companies, hotels and railroads. Being human, he also has grown old.

Most of these roads are toll highways. They cost money to ride on. But they pay it back in the gasoline and driving time saved. And they carry a vast burden of traffic which could not possibly be accommodated with such ease on the regular traffic networks of the various states.

The Republican is grandstanding, tub-thumping Rev. William Alexander, a would-be senator, who suddenly switched from the Democratic Party to the Republicans right in the middle of the Senate primary and now is riding the Holy Grail with all the enthusiasm of a huckster who has just transferred Lucky Strike cigarettes from one advertising agency to another.

According to the sage of Oklahoma City, Walter Harrison: "Alexander is the greatest showman since Billy Sunday and just about as honest. He has ability, a magnificent physique, a gift tongue, and a sense of timing with choral effects, carillons and musical chairs, which moved in behind his mellifluous voice, can put the dear dames to sobbing and believing that his voice is meant just for them."

Have a Laugh

The city's leading merchant had a nephew that wanted to become a reporter. So the youth was hired. But he wasn't cut out for the work and failed on assignment after assignment.

So They Say

In this struggle, strong weapons will be singleness of purpose, sympathy for the oppressed and the will to submerge individual national ambitions for the betterment of the world.

The minute you enter politics you immediately give license to those who oppose you, newspapers and radio commentators to slander you.

A buffet dinner at 6 p.m. Saturday will open the two-day birthday anniversary observance of the Midland Alcoholics Anonymous chapter in the unit's club rooms at 115 South Baird Street.

When wool is burned, it resolves itself largely into ammonia gas, according to the Encyclopedia Britannica.

JACOBY ON BRIDGE

By OSWALD JACOBY Written for NEA Service

One of the important advantages of the Stayman Convention is that it permits a player who has opened the bidding with one no-trump to indicate whether his bid was solid or sketchy.

North's bid of two clubs is part of the Stayman Convention. (This bid was developed by Samuel Stayman and George Rapee, of New York, both members of the American team scheduled to take part in the international bridge match in Bermuda early in November.)

In response to North's bid of two clubs, South is required to show a major suit if he has one. North would naturally be interested in a slam at spades if it turned out that South had four or more spades.

Even though the opening bid of one no-trump is fairly well standardized, there are certain liberties that may be taken. For example, South would have a reasonable

Bridge hand diagram showing cards and dealer information.

enough bid of one no-trump if his queen of diamonds were a lower card, such as the ten. It wouldn't be as good a hand, of course, but it would be good enough for the opening bid of one no-trump.

If South happened to hold such a hand (containing king-ten-small of diamonds) his second bid would be two diamonds. This would show that his opening bid was a minimum rather than a maximum.

When South shows a maximum hand by bidding two no-trump, North properly bids the small slam. He knows that, at worst, South should have a fair play for it.

The opening lead was won by the ace of diamonds, and the nine of clubs was led and finessed to West's jack. South won the diamond return and entered dummy with a heart in order to lead the queen of clubs.

I doubt that, left to themselves, many children would go hay-wire over so-called horror entertainment. It seems to me that they have a pretty fair amount of common sense and are capable of arranging their own values.

The notion that only intellectual exercise is worthy is a disastrous one to domestic happiness. Somebody has to sort the laundry, wash the dishes... Yet education has been known to encourage superiority to the requirements of systematic housekeeping.

Where the flag and Constitution of the United States have gone, you will find liberty and democracy today.

Special Events To Mark Anniversary Of Midland AA Unit

A buffet dinner at 6 p.m. Saturday will open the two-day birthday anniversary observance of the Midland Alcoholics Anonymous chapter in the unit's club rooms at 115 South Baird Street.

The Saturday and Sunday programs are open to the public and persons interested are invited and urged to attend, AA officials said.

WASHINGTON COLUMN

'Look At Record,' Cry Dems In Answer To GOP Charges

By PETER EDSON NEA Washington Correspondent

WASHINGTON — Democratic campaign arguments don't make as exciting a story as do the Republican charges against the Truman administration. For in politics it always is easier and more sensational to attack than to defend.

To Republican charges of ineptness, incompetence, corruption, communism and socialism in government, the Democrats can only reply, "Look at the record." This is filled with voting analyses of who took which stand on what issue, when. It doesn't make very good reading or listening.

Yet this is the main bill of goods that Democrats are trying to sell the voters in the congressional campaign now drawing to a thrilling close. To make their case, the Democrats resort to a comparison of records of the Republican-controlled 80th Congress with the Democratic controlled 81st Congress.

The attempt is made to prove that the 80th Congress destroyed or crippled programs for the benefit of a majority of the American people while the 81st Congress did lots to restore these programs, then moved forward along new fronts for the public welfare.

Apparently seeking to offset Senator Joe McCarthy's charges of communism in government and the spread of communism in Asia, the Democrats claim that on 13 key measures before Congress, where halting the Reds was the principal issue, more Democrats voted for these measures than Republicans.

Furthermore, it is the Democrats' claim that on 17 attempts by the Republicans to cripple and restrict these anti-Communist measures by amendment, Democratic majorities beat them down.

"The isolationists in Congress stuck their heads in the sand and voted against strengthening the free world," says a broadside of the Women's Division of the Democratic National Committee. "America's foreign policy under courageous Democratic leadership of President Truman supports the United Nations to defeat military aggression." This is given as the number one reason for voting Democratic.

On other foreign issues, Democrats claim that the GOP platform called for reciprocal trade agreements, though the 80th Congress limited it to one year. The 81st made it three years.

On displaced persons, the 80th Congress held U. S. admissions to 205,000, with discriminations against Catholics and Jews. Democrats claim they removed the discriminations and raised the quota to 341,000.

On Voice of America, Republicans cut appropriations by 50 per cent in 1947 and 20 per cent in 1948. Democrats increased them in 1949 and 1950, "giving the Voice a shout."

On national defense, 67 per cent of the Republican senators voted to cut appropriations before Korea, while 67 per cent of the Democrats voted against cuts. And so on.

While foreign policy issues provide the big debate in this campaign, the Democrats try to twist the Republican elephant's trunk in the record of the 80th Congress on domestic issues.

On housing, the Republican platform called for a 100,000-unit program, but the 80th Congress failed to pass it.

On the hickory tree found in Europe? A—Geological records show that the hickories originally extended into Greenland, and were found in Europe. Today no native species occur there.

Q—How many California mountain peaks exceed 10,000 feet? A—There are 41 peaks more than 10,000 feet high and 13 more than 14,000 feet high.

Q—Which is correct—burnsides or sidesburns? A—The name descriptive of a style of whiskers is burnsides. They were worn by General Burnsides and his name was given to them.

Q—How were Shakespeare's plays originally published? A—His plays were published separately during his lifetime in what are known as the Quartos.

Read The Classifieds

"Mart and the others are scouring the town," he snapped at her. "Why did you go off half-cocked that way?"

"Why—" Her explanation would sound very lame, she realized, but she gave it: "I wanted to think."

"And did you?" "About pleasant things, for a change."

The sheriff snorted. He was disgusted with people who went around whistling in the dark, asking to be murdered. He told her so, sternly, ending the half-angry order to go to her room and lock herself in and stay there until he or Mart came—and not to come out for anyone else. He hung up with a bang that brought a mischievous grin to Leana's lips. She liked the sheriff. He could get stewed up about her safety if he wanted to, but it was broad daylight and Thorne Hill was only five minutes from town by car.

Off the white rock driveway the ground was treacherous, the hillside precipitous. Peter was gaining on her. He was too intent on murder to be cautious.

Leana! The wind whipped his shirt past her ears and back again. "Come back!" Leana was aware, then, that the voice had stopped. Or it had become lost in the frenzy of her own fear as she felt herself falling, down—down—down! Until blackness came up to meet her like a great blanket.

HE CAME TO KILL by ADELINE McELFRESH

THE STORY: Aged, domineering Maggie Thorne is smothered by her husband and all her household, including her nephew Peter, who came home on the eve of her death.

where on the move, surging around small clumps of people who stubbornly held their ground as they discussed the inquest. How did it look to them? Leana wondered.

Which one of us do they think is guilty? She hurried on, pushing and shoving her way toward the stairs; she didn't want to think of it; she was afraid, she realized, of the truth.

No one paid any attention. To these people—now—she was one of them. Wearily, she wished she was sitting with Pops on their high front yard, looking out over the bay. San Diego would be lovely now. Not cold. Not—and she shuddered—filled with murder.

It was over finally. The foreman of the jury read the verdict in a voice that sounded like the knell of death itself: "Death at the hands of a person or persons unknown."

Leana shuddered. It sounded so—so frightful. So—frightening. What if Mart's plan backfired? What if—If he died! she thought. He won't miss again, he'll be too sure that one more slip will be his own end. She slipped away from Peter's side and fought her way through the milling spectators toward the door through which Mart had disappeared.

The hallway was narrow and dark and musty-smelling. After an elbow turn it spilled Leana into the main corridor, filled now with men and women who had been spectators. Most of them

★ THE DOCTOR ANSWERS ★

Enlarged Thymus Gland May Prove Fatal Under Certain Conditions

By EDWIN P. JORDAN, M. D.  
Written for NEA Service

Some correspondents ask very good questions but which prove most difficult to answer. The first of today's questions is that kind.

Q—Is it true all babies are born with an enlarged thymus gland? Can such an enlarged gland cause death? If so, is it possible by X-ray to determine if the gland is enlarged to such an extent as to cause trouble?

A—There have been many careful studies made of this subject, but there is still a good deal of difference of opinion about it. Probably, an enlarged thymus can cause death in infants or small children but only under certain circumstances. In many hospitals it is customary to X-ray the thymus of small children before they are subjected to an operation in order to

determine whether or not the thymus is dangerously enlarged.

Q—I am a girl 15 years old and get dizzy and car sick whenever I ride in an automobile. Can anything be done about this?

A—Many people get complete or partial relief from motion sickness by taking one of the antihistamines called Dramamine. You could ask your doctor about this.

Q—I have a small piece of needle in my finger. Is there any danger that it might travel to other parts of the body? If so, should it be removed?

A—Pieces of needle do sometimes travel to other parts of the body. This depends, however, on where it is located. Advice as to its removal could be given only after an X-ray has been made.

Q—I have pernicious anemia and have been taking liver shots and liver capsules. When I feel good I stop. Is there a cure for this disease?

A—There is no permanent cure for pernicious anemia. You should not stop the treatment, however, merely when you feel better. In addition to liver, vitamin B-12 seems to be a very effective form of treatment.

Q—If one-half teaspoon of Epsom salts is taken regularly twice daily, does it affect the condition of the blood?

A—It probably will not affect the blood, but any cathartic is considered harmful to the digestive system if taken regularly. If at all possible it is best to regulate the bowels by diet.

Q—I have trouble with numb hands. They feel as though pins and needles were sticking into them. What can I do for this?

A—There are several possible causes, one of which is pernicious anemia. You should have tests made and an accurate diagnosis before anyone can tell you what can be done for your unpleasant symptoms.

Q—Is there any harm in wearing rubber girdles all day for housework? Will they harm the kidneys or nerves in any way?

A—If the girdle is properly fitted, is comfortable, and if there is no sensitiveness of the skin to rubber, there should be no harm in wearing them as much as desired.

Q—Would eating a lot of honey be harmful?

A—No, unless diabetes was present or the person was allergic to honey.

Frances Smith Weds Jack Merritt Gillis

Two baskets of white gladioli, foliage arrangements and two candelabra on either end of the altar provided the setting for the wedding of Frances Louise Smith and Opl. Jack Merritt Gillis Thursday in the home of Mr. and Mrs. F. I. Stanley, 706 South Baird Street.

The bride is the daughter of Mr. and Mrs. O. O. Smith of Abilene and Gillis parents are Mr. and Mrs. Ralph Gillis, Jr. of Prescott, Ariz. Mr. Smith gave his daughter in marriage. She wore a navy blue millenium suit with pink and blue accessories. A purple orchid on a white Bible, with extending orchid streamers tied in love-knots, made up her bouquet.

Attendants Mrs. LeRoy Hall was her sister's matron of honor. Her corsage was white gardenias and she wore a brown gaberdine suit with brown accessories. The bridegroom's only attendant was LeRoy Hall of Midland who served as best man.

Mr. Stanley officiated at the double ring ceremony. He is minister of the Southside Church of Christ.

Mrs. Smith wore a grey crepe dress and black accessories and a red carnation corsage. A copper earth crepe dress and dark brown accessories with a yellow carnation corsage were worn by the groom's mother.

The paternal grandparents of the

bride, Mr. and Mrs. A. P. Smith of Sweetwater, and the maternal grandparents of the bridegroom, Mr. and Mrs. S. W. Dabbs of Las Cruces, N. M., attended the wedding. Both women wore a corsage of white carnations.

After the wedding, a reception was held in the Stanley home. The table was covered with an eggshell linen cloth. A bride and groom figurine topped the two tiered wedding cake. Candles in crystal candleholders completed the table decorations. The cake was served by Mrs. Charley Hall of Midland. Mrs. Stanley poured.

The couple attended Abilene Christian College in Abilene and Mrs. Gillis has been employed by the Texas Company in Midland. Gillis is with the U. S. Air Force and is stationed at Elgin Field, Fla. They will be at home there.

Out of city guests were Mr. and Mrs. L. B. Maberry of Hamlin, uncle and aunt of the bridegroom, and Mr. and Mrs. M. A. Smith of Sweetwater, uncle and aunt of the bride, and Margaret and Mary Smith of Abilene, sisters of the bride.

Mrs. Sessions Gives Coffee

Mrs. Tom Sessions gave a coffee Thursday morning in her home at 401 West Missouri Street.

Arrangements of pink chrysanthemums formed the decorations on the dining table.

Guests were Mrs. Tate Brady, Mrs. Gail Stoddard, Mrs. Sol Kelly, Mrs. Rachel Hornback, Mrs. Russell Ramsland and Mrs. Jim Harper.

Permian Watchmakers Meet At Big Spring

A recent meeting of the Permian Basin Watchmakers Guild was held in the Douglas Hotel at Big Spring. A dinner preceded the business session.

The next meeting will be held in Midland the first Wednesday in January, 1951, when officers will be elected. Present officers are: J. C. Whisenant of Big Spring, president; A. E. Houck of Midland, vice president; W. R. Rayburn of Big Spring, secretary; J. B. (Pete) Peterson of Midland, treasurer, and Raymond Jenkins of Midland, reporter.

Attending the last meeting were: Peterson, Houck, Jenkins, Louie R. Ellis, H. W. Coker, James D. McReynolds, H. D. Harp and Johnny Shannon, all of Midland; Whisenant, Rayburn, Gilbert, Holverty, R. Gutte, A. Barger and James N. Bowen of Big Spring; Glen Ferguson, Paul Agnew, Lee Pruitt and Thomas Mills, of Odessa; Tommie Watts of Sweetwater; C. Barfoot of Lamesa.

Life Underwriters To Meet Here Saturday

The November meeting of the Permian Basin Life Underwriters Association will be held Saturday noon in the Crystal Ballroom of Hotel Scharbauer here, President Joe C. Davis, announced Friday.

Reports on the recent state association meeting and the Abilene sales conference will be heard. Life underwriters from Midland, Big Spring, Odessa, Monahans, Wink, Kermit, Pecos, Lamesa, Crane and McCamey are expected to attend the gathering.

Harriman Is Named Red Cross President

WASHINGTON—(AP)—E. Roland Harriman, New York banker, has been named president of the American Red Cross, replacing Gen. George C. Marshall, now secretary of defense.

The appointment, announced Thursday by President Truman, becomes effective December 1. Harriman, brother of Truman's special assistant for foreign affairs, W. Averell Harriman, now is vice chairman of the Red Cross. A Republican, he is 54.

An average person may lose as much as one-third of his blood without fatal results.

Mrs. C. Hyde Is Hostess To Postal Group

Mrs. Carl Hyde, 1401 West College Street, was hostess to the Postal Clerks Auxiliary when it met Thursday.

Mrs. B. B. Seawright, program chairman, presented a "thought for today" and read a poem on "Friendship."

Mrs. Hyde read a letter from Congressman John Walsh of Indiana, in which he discussed how they could help introduce bills to Congress.

Mrs. Ed Zantow, president of the auxiliary, said that the Midland Postal Clerks Yearbook was one of the 51 yearbooks accepted at the national contest held in Cleveland, Ohio.

The past president of the organization, Mrs. Ralph Stubblefield, received a pin from the auxiliary. A Christmas party will be held December 16 for the postal clerks and their families.

Others present at the Thursday meeting were Mrs. Wayne Campbell and Mrs. Charles Campanella. The next meeting will be held at 7:30 p. m. December 8 in the home of Mrs. Ray Wright, 600 South Colorado Street. This will be an auxiliary meeting and Christmas party.

Coming Events

SATURDAY  
The Rainbow Girls will meet at 3 p. m. in the Masonic Hall.

The Moment Musical Junior Music Club will meet at 11 a. m. in the Watson Studio.

Children's Story Hours will be held at 10:30 a. m. in the Children's Room of the Midland Country Library and in the library's Dunbar branch. At Terminal, the time will be 10 a. m.

The Alpha Chi Omega Alumnae Association will meet at 2 p. m. in the home of Mrs. P. K. Lantzer, 610-C West Watson Street.

Registration for Boys' and Girls' Choirs of the First Methodist Church will be held from 10 a. m. till noon in the Educational Building.

The Sashaway Square Dance Club will meet at 8 p. m. in the home of Mr. and Mrs. B. R. Mathews, 1901 West Ohio Street.

Rehearsal of Act Two of "Aladdin and the Wonderful Lamp" will be held at 9:30 a. m. in the home of Mrs. C. E. Marsh, 1406 West Cuthbert Street.

### DADDY RINGTAIL

#### Daddy Ringtail And The Hickory Stick

When you want to play ball—if you don't have a ball, a coconut will do, if you have a coconut. But when you play ball with a coconut, you're not playing ball. It's coconut you're playing.

That's what Daddy Ringtail was doing with Sammy and Mugwump Monkey. They were throwing the coconut to each other, and batting

It with a hickory stick that was a play-like bat. It was great fun, but the night was not far away. Daddy Ringtail knew it was time for Mugwump to go home. "Mugwump!" he said. "Don't you have to go home now?" "Oh no!" said Mugwump. "I don't have to do anything I don't want to do."

"But Mugwump!" said Sammy. "I always have to go home when it's time for me to go home. You mean you don't ever have to do anything that you don't want to do?"

"That's what I mean," said Mugwump. "I don't have to do anything I don't want to do, and I always want to do something before I do it."

Now this didn't sound quite

By WESLEY DAVIS

right to Daddy Ringtail, but he thought he would wait and see what happened when Mugwump's father came after him. It happened all right!

"Mugwump Monkey!" shouted Bigger Monkey, the father. "Get yourself on home now! Go home to your Mother before I use this hickory stick!"

"I'm going! I'm going right now!" said Mugwump.

But Sammy whispered: "You don't have to go home! Remember? You don't have to do anything you don't want to do."

Mugwump smiled. "But I WANT to go home," said he. "I don't want to be kersmacked. Don't you see that hickory stick? I don't want Bigger Monkey to use it on me! And away he ran home, because he wanted to do it."

Nobody HAS to do anything, you know, unless they want to stay out of trouble, like Mugwump. Happy day to you at your house and happy waiting until Sunday to hear another Daddy Ringtail adventure.

**Presbyterians Slate Two Morning Services**

Two regular morning worship services will be held each Sunday in the First Presbyterian Church, beginning Sunday, Dr. R. Matthew Lynn, pastor, announced Thursday. The services are scheduled at 9:30 and 11 a.m.

Dr. Lynn said the early service will be held to relieve an overcrowded condition at the 11 a.m. service and for the convenience of those who cannot attend at that hour. The services will be identical except for special music, he said.

A protein's quality is measured by its ability to build body tissue.

## WORLD BEATER

Every Dad thinks his son is going to be a "world-beater." He's not counting on his youngster to floor the Champ for a count of ten, but he dreams of the day his boy will triumph over every obstacle to happiness and success.

"World-beater" is a pretty descriptive name for what Dad envisions. The world is full of forces that destroy the best in a man. To make your life count for anything these days you have to vanquish those forces.

It takes courage and stamina to win the struggle... a very special kind of courage that is more spiritual than physical... a very special kind of stamina that is more moral than muscular.

Sunday morning is a good time to begin. Weekly training in the Church can help father and son to gain the courage and stamina that will win every bout in life.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship, strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his sake of his community and nation. (2) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MAKING THEIR MARKS—Fred Benners, left, and Kyle Rote give Southern Methodist a double-barreled attack.

### RATLIFF'S PREDICTIONS—

## 25 Percenter Keeps On Trying

By HAROLD V. RATLIFF  
Associated Press Sports Editor

Leadership and a stranglehold on the Southwest conference football championship can be attained Saturday at Austin when Southern Methodist and Texas meet in the big game of the year.

The circuit has three other contests but all are dwarfed by comparison with that tremendous collision due in the capital city.

A lot of things ride on that game:

The probable conference championship.

The \$125,000 paid the host team in the Cotton Bowl.

The first conference title for Coach Blair Cherry of Texas.

A championship in his first season for Coach H. N. Russell of Southern Methodist.

The game matches the No. 1 team of the nation, SMU, with the No. 7 outfit. It is the major battle of the entire country for the week.

Southern Methodist has been established as a seven-point favorite, which appears about right in view of the records. SMU is undefeated and untied; Texas has lost one game—

to Oklahoma 14-13.

Perhaps not of so much importance to the fans but of a certainty important to the competing teams is the clash of Baylor with Texas Christian at Fort Worth. The loser of this game will be out of the race for the title.

Texas A&M also considers its clash with Arkansas at College Station Saturday night of extreme importance. A licking for the Aggies also would eliminate them from the championship running.

Rice takes a rather dim view of all the fuss and flurry. The Owls already are out of the race anyway and besides, they meet an outsider—Texas Tech of the Border Conference.

Since we missed three out of four last week, we know our choices this time will be looked upon as "authoritative."

Texas-Southern Methodist at Austin, 2 p.m.—An offense is the best defense. Southern Methodist by two touchdowns.

Texas Christian-Baylor at Fort Worth, 2 p.m.—Baylor won't be high for this one: Texas Christian by a touchdown.

Rice-Texas Tech at Houston, 2 p.m.—Tech finally won one and did it in convincing fashion, but this isn't Texas Western they're playing: Rice by three touchdowns.

Texas A&M-Arkansas at College Station, 2 p.m.—Everybody else thinks Arkansas will win; we'll take the Aggies by two touchdowns.

Brackenridge (SA) 19, Alamo Heights (SA) 0.

South San Antonio 79, Stockdale 0, Decatur 27, Henrietta 0.

**BAYLOR CUBS WIN**

**FORT HOOD.**—(AP)—Baylor's freshman football team won its fourth straight game Thursday night, blanking the Texas Christian University fopsh 23-0.

## King's Row

By LARRY KING

How's this for a lead on the Midland-Big Spring story in Sunday's edition of The Reporter-Telegram? "Big Spring's inspired Steers, fired to the utmost and fighting all the way, knocked heralded Midland from the 3-AA title chase in Memorial Stadium here Friday night. The Bulldogs, woefully inept, were obviously looking ahead to the November 11 date with Odessa. But that game doesn't matter anymore. The damage has been done."

Or, would you like this one better? "Coach Tugboat Jones' 1950 Midland Bulldogs took a successful step toward the District 3-AA title in Memorial Stadium here Friday night, rocking the visiting Big Spring Steers in a game that boosted Midland stock in 3-AA standings. Ever alert, the hustling Bulldogs were in complete command over the tough Steers..."

One of those leads, or one almost like it, will be appearing in this paper.

Right now, we don't know which one it will be.

We hope, of course, that it is the latter—the one that tells of a Midland victory. But we wouldn't wager one cent that it would be. We say Midland SHOULD win. We say Midland HAS, in reality, the better ball club, day in and day out. But the game won't be played day in and day out. It will be played at 8 p.m. Friday night in Memorial Stadium, one performance only. There will be no matinee.

Tugboat Jones, the Bulldog Coach, is worried about the game—and it is readily understandable why Jones feels this way. All over town the fans are talking Midland-Odessa.

And Big Spring is sitting back with glee, hoping to hear more and more of that talk, right up until kickoff time. Right up to the half, in fact. At that time they figure it will be too late for Midland to switch from Odessa to Big Spring. And they could be right.

If Midland should fail to play a good ball game the first half, Big Spring will win.

The Steers have far much more speed than do the Bulldogs. That situation was present at Brownwood. The Bulldogs couldn't get started the first half. Brownwood ran up a 21-6 lead. Midland gathered seven points in the last half, but the best it did was give Midland the comfort of losing by only 21-13—and small comfort it was.

The Bovines will be playing hard from the whistle. They have been working hard all week, hoping to catch Midland Odessa-minded.

Oh, Big Spring would like that! Big Spring would maul Midland from the north end of Memorial Stadium to the south end, and then reverse the procedure.

And if Midland is in the frame of mind the Steers hope, little can be done about it.

**BULLDOGS, RIGHT NOW IS THE TIME**

to get your mind on the Big Spring Steers. RIGHT NOW! Right now, before you get to Memorial Stadium and find a fired up team beating the gridiron thunder out of you.

It isn't long—just short hours, until kickoff time. Short minutes, then. And the game will be at hand. The largest crowd of the year will be present to cheer you on. It would be a shame should they find nothing to cheer about, and see you go down to inglorious, uncalled for, defeat.

**—KR—**

You have the stuff to WIN.

You have the coaching to WIN.

You have the cheering to WIN.

You have a district game to WIN.

You have a shot at the crown to WIN.

You have everything to gain if you WIN.

**BULLDOGS! YOU MUST WIN!**

**—KR—**

**DOTS AND DASHES:** Wink High School will stage a girls' football game this week between the Oranges and the Blacks...

**BACKS—**Mims, Davis, Spivey and Rutledge.

**Four U. S. Units Will Be Sent To England**

WASHINGTON (AP)—Four anti-aircraft units are going to England to set up defenses for American bomber bases there, the Army disclosed Thursday night.

An announcement said the units will be in the United Kingdom by early winter. About 1,600 men will be involved.

## Sport

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, NOV. 3, 1950

## 'C' Bulldogs Tip Lubbock 20-6

The "Thin Twenty," Midland's Bulldog "C" team, knocked off highly-touted Hutchinson Junior High of Lubbock in Memorial Stadium Thursday afternoon 20-6. It was the second win of the season for Midland and only the second loss in seven games for the favored Lubbock eleven.

The Bulldog "C" team line was something to brag about. It was alert and hard-hitting. Little Jimmy Mashburn, 118-pound guard, turned in a whale of a game, although he was the smallest boy on either squad. And End Jim Hammett turned in a fine line game along with Tackle Jerry Ball and Charles Crites, guard and center and utility in general.

Taking over on their own 23-yard line after stopping an early Hutchinson Brave drive, the Midland "C" moved to the Lubbock one-yard line.

**GAME AT A GLANCE**

MIDLAND	LUBBOCK
10 First Downs	6
154 Yards Rushing	97
23 Yards Lost Rushing	29
57 Yards Passing	70
3 of 7 Passes Completed	4 of 10
188 Total Net Offense	138
1 Fumbles Lost	4
3 for 29.1 Punts, No. Avg. 3 for 27.8	5 for 65
Penalties	3 for 30

before being held for downs. Biggest factor in the drive was a 38-yard sprint off tackle by Back Rusty Rutledge.

**Give And Take**

The game then settled into a give-and-take affair until the latter part of the second quarter, when Midland struck for two touchdowns in slightly less than three minutes.

The first came after a drive of 61 yards downfield, with Bill Mims, wingback, taking a handoff from Rutledge and scooting to his left on a reverse, hitting the sideline and going 30 yards to score. Crites and Ball threw key blocks that sent Mims all the way. Darrell Spivey blasted the middle of the line to score the point, and Midland led 7-0.

Jimmy Hammett set up the next Midland score, recovering a Lubbock fumble on the Brave 28-yard line on the first Lubbock play from scrimmage after the kickoff. In one swipe, Rutledge swept to the right on a bottle play and romped the distance to tally. Spivey rammed the middle for the conversion point, giving the "C" a 14-0 halftime lead.

The Hutchinson Braves came back strong in the second half and drove 64 yards to score late in the third quarter. Quarterback Jerry Gilliland romped 12 yards around his own right end for the tally. A jump pass on the extra point attempt was incomplete.

**Sensory Victory**

But the Midland "C" team sensed a rare victory, and moved 57 yards to score mid-way in the final period and sealed up the game. Rusty Rutledge advanced the ball 23 yards to the Lubbock 34 on an off-tackle play to start the drive. Mims picked up a couple of yards on two attempts, and Spivey added four. With fourth down four to go, Rutledge passed to Mims in the clear at the 17-yard line, and Mims pulled away from the safety to score. That ended the point production, and Midland had a well-earned 20-6 win.

Coach Pat Patterson could call on only 20 men for the game—but every one saw some action. The victory was especially sweet for Patterson, as he was once a teammate of Lubbock Coach Ray Hendricks. Both played at East Texas State in 1946. Hendricks was a fullback, Patterson a halfback. The Midland lineup:

ENDS—Hammett, Crowley, H. Vanderpool, J. Vanderpool, Proctor, Hunter.

**TACKLES**—Howard, Ball, Dilday, Townsend.

**GUARDS**—Mashburn, Hamlin, Carpenter, LaVelle.

**CENTER**—Jones, Crites.

**BACKS**—Mims, Davis, Spivey and Rutledge.

**Four U. S. Units Will Be Sent To England**

WASHINGTON (AP)—Four anti-aircraft units are going to England to set up defenses for American bomber bases there, the Army disclosed Thursday night.

An announcement said the units will be in the United Kingdom by early winter. About 1,600 men will be involved.

## Saturday's Tilts May Name Hosts In Two Bowl Contests

NEW YORK (AP)—This will be "C for Crucial" Saturday for four of the top teams in the country because the two winners could find themselves playing host in the Cotton and Rose Bowls.

At Austin, Texas, the No. 1 rated team in The Associated Press poll, Southern Methodist, takes on Texas.

The victor is almost sure to go on to the Southwest Conference title and with it the glory of the Cotton Bowl.

At Seattle, it will be Washington and California, battling tooth and nail in the Pacific Coast Conference race. But the road to the Rose Bowl will not be easy for the winner.

If Howie Odell's Washington Huskies win, they will have to account for Southern California. Should California come out on top, it will have to get past UCLA and Stanford.

There's another big one on tap in Philadelphia, where Army meets Penn. The Cadets, No. 2 team in the country, are favored, but Penn has an annoying habit of playing its best game against Army.

**Brad Rowland Is First Collegiate 5,000-Yard Man**

NEW YORK (AP)—Brad Rowland, McMurray (Texas) College halfback, is the first player to gain more than 5,000 yards during a college football career.

Last Saturday Rowland gained 85 yards by rushing against Austin College. This boosted his four-year total to 5,017 yards, 4,196 by rushing and 821 by throwing completed passes.

The 85 yards increased Rowland's 1950 rushing total to 872 and kept him on top in the small college statistics announced Friday by the National Collegiate Athletic Bureau. He leads Meriel Michelson of Eastern Washington by six yards.

West Texas retained its No. 1 ranking in total team offense with an average of 455.7 yards per game.

The sun's estimated surface temperature is about 12,000 degrees Fahrenheit.

Although it probably will not have any bearing on the Big Ten race, the Illinois-Michigan game at Ann Arbor will have the distinction of drawing the day's biggest crowd—about 82,000. Some 65,000 will be on hand for the SMU-Texas game, while another 68,000 will witness the Army-Penn affair. A 55,000 sellout is predicted for California-Washington.

Notre Dame, which has been taking its lumps, plays Navy, and although they have come to make for risky betting, the Irish probably will be favored in their battle of grid has-beens—at least as far as this year's business is concerned.

Friday night, Miami entertains Georgetown and Marquette goes to South Carolina. Villanova is at Detroit. Hardin-Simmons at Loyola and Vanderbilt at Chattanooga.

**Snead Slams Into Two-Stroke Lead In North-South Joust**

PINEHURST, N. C. (AP)—Samuel Jackson Snead and the Pinehurst Country Club golf course have caught up with the boys in the North and South Open Tournament.

Through two rounds the old course was subjected to quite a beating from the fast field and the attention was focused on others in the race for position.

But going into Friday's final 18 holes Snead, the slugging man from White Sulphur Springs, W. Va., had raced up into a two-stroke lead on the impetus of a third-round 66, six under par for the 6,952-yard course.

Second-Place Tie

Sammy, laying slightly off the pace with opening rounds of 68 and 71, opened up Thursday with a 32-34 job that caught Johnny Palmer of Badin, N. C., leader through the first two rounds, and dropped him into a second-place tie at 207 with Jim Ferrer of San Francisco.

The under-par ranks have been depleted steadily following Tuesday's first onslaught when 35 players wound up the day under standard figures. The list was cut to 31 after the second round and only 18 held that distinction as the final round began.

In fourth place alone at 208 was Tommy Bolt, Texan who now plays out of Durham.

Next came Mike Turnesa, White Plains, N. Y., and Shelly Mayfield, Cedarhurst, N. Y., with 210—five strokes off.

## Humble Broadcast Slate Announced

Midway point in the 1950 season brings a schedule of four games to the weekend's list of Humble Oil & Refining Company football broadcasts.

Important Southwest Conference games will involve Texas and SMU in Austin, Texas A&M and Arkansas at College Station, and TCU and Baylor at Fort Worth. The fourth meeting brings Texas Tech to Houston to face Rice.

Kern Tips and Alec Chessler will broadcast the big Texas-SMU game from Austin, Memorial Stadium, beginning at 1:50 p.m. Stations include: KRLL, Dallas; KRFG, Odessa; KVKM, Monahan; KJUN, Pecos; KVLP, Alpine.

Arkansas' visit to Kyle Field to meet the Texas Aggies will be described by Charlie Jordan and Dave Russell with broadcast time at 8 p.m. Stations include: KCRS, Midland; WRR, Dallas; KRBC, Abilene; KGKL, San Antonio; KBST, Big Spring.

Ves Box and Jerry Doggett will cover the Baylor-TCU game from TCU Stadium beginning at 1:50 p.m. Stations include: KCRS, Midland; KRBC, Abilene; KGKL, San Antonio; KBST, Big Spring; WRR, Dallas; KPBT, Lamesa.

Bill Michaels and Eddie Barker will call the Rice-Texas Tech meeting in Houston, starting at 1:50 p.m. Stations include: KPFO, Lubbock; YOAL, San Antonio.

## Bulldogs, Bovines Tangle At 8 P. M.

Bovines vs. Bulldogs!  
Big Spring vs. Midland!  
The time: 8 p.m. Friday.  
The place: Memorial Stadium, Midland.  
The classification: A District 3-AA grid joust, the first for Midland, the second for Big Spring.

The team records: Five wins, one loss for Midland; four wins, three losses, for Big Spring.

A large crowd is expected to be on hand to see the Bulldogs open district play. A goodly number of fans from Odessa will be present, including the coaches and scouts of the Broncho City. Odessa has an open date this weekend.

Big Spring is fired to win, and Midland must be at its very best to escape defeat. The probable starting lineups with weights, for both teams.

**SAN FRANCISCO** — Bill Linderman, Red Lodge, Mont., won the bareback bronc riding at the Grand National Rodeo Thursday night.

Other results included: Cutting horse: first, Sambo, ridden by Bob Collins, Wilkins, Nev.; second, Skeeter, ridden by Phil Williams, Tokyo, Texas.

All other members of Venizelos' last government—representatives of the Premier's Liberal Party and of Vice Premier George Papandreu's Social Democratic faction—were retained. They take over portfolios held by the Populists.

The new cabinet was sworn in at the noon hour but made no announcement of the date on which it will go before Parliament to seek a vote of approval.

## Ducks! Go Ahead And Shoot 'Em Until December 17; No Split Season In 1950

By LARRY KING  
That's right, we were wrong. Duck season is from noon, November 3 to December 17, inclusive, with no breaks in between. Not, as we reported Thursday, November 3 to November 31, and from December 21 to January 7.

You see, there was quite a bit of pow-wow between the state and federal authorities as to whether the season should be continued straight through, or be split into two sections. The Texas Game, Fish, and Oyster Commission Handbook gave the season as split—but many hunters, a game warden, and The Associated Press tells us the season is from November 3 through December 17, inclusive.

And the bag limit this year for ducks is five, not four, as it has

been written previously. The possession limit now is 10. Geese bag limit is five per day, possession limit five. But of these five, not more than two can be Canadian Geese or their sub-species. And you can't kill a black-bellied tree duck at all.

A bird-killing disease in some portions of South Texas brought a warning for hunters in the area not to handle geese, but in other parts of Texas prospects were good for hunting as the season opened at noon Friday.

From the Panhandle came reports of plentiful flocks of duck and geese. North Texas reported it had more than the usual number, due partly to the late flight from the North.

## Tom Jordan Batting Champ; Jim Prince Of Midland Second

Manager Tom Jordan of the Roswell Rockets compiled a season mark of 391 to capture the individual batting title of the Longhorn League, for the 1950 season. Jim Prince of Midland was runner-up, posting a mark of 384 percentage. Jordan collected 216 hits in 533 times at bat, while Prince got 189 hits out of 491 at bat.

Batting averages for players who appeared in 100 games or more, with 300 averages, are:

Player—Team	BA
Jordan, Roswell	.391
Prince, Midland	.384
Williams, Ballinger	.364
Pressley, Roswell	.354
Eastham, Odessa	.348
Stacey, Big Spring	.346
Pascual, Roswell	.345
Kenna, Roswell	.337
Chioia, Sweetwater	.327
Bell, Ballinger	.319
Davis, Vernon	.318
Wallace, San Angelo	.317
Junco, Big Spring	.314
Concepcion, Big Spring	.314
Finnbach, Midland	.311
Follett, Sweetwater	.311
Lopez, Big Spring	.310
Jones, Midland	.310
Stephenson, Midland	.310
Mays, Roswell	.308
Sitter, Sweetwater	.305
Kling, Vernon	.302
Dawson, Midland	.301
Comenz, Big Spring	.301
Monchak, Odessa	.301
Carley, Odessa	.301
Lindloff, Roswell	.300

Grandfalls went ahead on the third quarter, recovering a bad pass from the Buff center on the Stanton 12-yard line. In three plays, Fullback J. Hare blasted over. Hare converted to put Grandfalls in front 7-6.

Stanton came back strong in the fourth quarter to win. Hinson capped off a 49-yard drive by sneaking over from two yards away. Hinson converted, giving Stanton a 13-7 lead.

A few minutes later, Halfback Gearl Koonce sprinted 31 yards to score on a keeper play, and shove the Buffs in front 19-7.

Grandfalls grabbed a consolation touchdown in the last minute of play when Hare scored on a 30-yard end sweep, then converted.

Stanton plays at Robert Lee Friday, November 10. The Robert Lee Steers have dropped but one ball game in eight starts.

## Midland Grid Card

Midland football teams see action on many fronts this weekend. The Midland "C" team opened with a 20-6 win over Hutchinson Junior High of Lubbock Thursday. The remaining schedule follows:

**FRIDAY**  
West vs. South (flag football), 2:15 p.m. at South.

North vs. Crockett (flag football), 2:15 p.m. at Crockett.

Midland High Bulldogs vs. Big Spring High School Steers, 8 p.m. in Memorial Stadium, Midland.

**SATURDAY**  
Crockett vs. North (elementary sixth grades), 9 a.m. at junior high field.

John M. Cowden vs. South (elementary sixth grades), 9 a.m. at senior high field.

Bullpups (Eighth Grade) vs. Colorado City Junior High, 10 a.m. in Memorial Stadium.

Bullpups (Seventh Grade) vs. Stanton Junior High, 10 a.m. at Stanton.

Midland "B" Bulldogs vs. La Mesa "B", 8 p.m. in Memorial Stadium.

**Water Consumption In October Exceeds Average Last Year**

Midlanders during the month of October consumed an average of more than 3,600,000 gallons of water per day. H. E. Nunn, city water superintendent, announced Friday.

Pumped a total of 113,151,000 gallons during the month, 52,120,000 came from the Wadley tract, north of Midland. Rosedale and Cloverdale tracts produced 61,031,000 gallons.

The daily average is approximately 1,000,000 gallons above the average for October, 1949. Last year in October approximately 82,150,000 gallons were consumed in Midland.

**CAUGHT IN THE DRAFT**—William D. Maloney, Jr., 3, of Green Island, N. Y., inspects his father's old Army garrison hat for size after receiving notice of his draft classification from the local draft board. Bill okayed his parents' offer of a pre-induction party but he was leery about reporting for active duty until the embarrassed draft board got around to admitting its mistake.

## Permian Basin Oil And Gas Log-

(Continued From Page One)  
cated 660 feet from south and east lines of section 318, block 2, H&TC survey, has entered a lime section in the Pennsylvanian which is showing some signs of oil and gas in the samples.

The lime was topped a little above 5,240 feet. Operator started a core at 5,240 feet. A 20-foot core will be taken and then a drillstem test will be run.

Operator is now drilling below 6,593 feet in lime and shale in the lower Pennsylvanian. It will go on to the Ellenburger.

No. 1 Lewis is 2,300 feet from south and 660 feet from east lines of section 834, Joseph Gable survey and three and one-half miles north northwest of Tankersly.

Four new explorations have been spotted in Scurry County. Rotary tools will be used to drill these tests to approximately 7,000 feet to test the Canyon reef. Operations will begin immediately.

The Pure Oil Company has staked its No. 1 J. S. Head in the Kelley-Snyder field and about eight miles west of Snyder.

Drillsite is 1,515 feet from north and 2,189 feet from west lines of section 255, block 97, H&TC survey.

Pure No. 2 Head is 467 feet from north and 2,189 feet from west lines of section 255, block 97, H&TC survey and eight miles west of Snyder. It is also in the Kelley-Snyder field of Scurry County.

In the Diamond M-Canyon field of Southwest Scurry County, Sun Oil Company spotted No. 4 C. A. Ramsey nine miles west of Snyder and 467 feet from east and 660 feet from south lines of southeast quarter of section 193, block 97, H&TC survey.

About nine miles west of Snyder, Sun is scheduled to drill No. 6 H. H. Eiland as a new project in the Diamond M-Canyon field. Location is 1,595 feet from east and 660 feet from north lines of section 202, block 97, H&TC survey.

**Clear Fork In Scurry Gets New Prospector**

Lone Star Producing Company will begin drilling in the near future on its No. 6 C. T. McLaughlin, a new project in the Diamond M-Clear Fork field of Southwest Scurry County.

It is located 330 feet from south and east lines of section 184, block 97, H&TC survey and nine miles southwest of Snyder.

Rotary tools will be used to drill to the projected depth of 3,800 feet to test the Clear Fork section.

**El Tee Is To Drill Tex-Harvey Flanker**

El Tee Oil Company has filed application with the Railroad Commission of Texas for permission to drill its No. 1-24 Floyd Estate as a one-half mile southeast outpost to production in the Tex-Harvey field of Central-East Midland County.

Location will be 687.1 feet from north and 674.2 feet from west lines of section 24, block 37, T-3-S, T&P survey.

It is contracted to go to 8,000 feet.

**Phillips Offsets Winkler Discovery**

Phillips Petroleum Company will drill its No. 2 Waddell and others as a one-location north offset to its No. 1 Waddell, Ellenburger discovery in Northeast Winkler County one mile northwest of the Wheeler multi-pay field.

Exact location of the outpost will be 658 feet from west and 1,980 feet from south lines of the southeast quarter of section 5, block B-7, ps. survey.

The No. 2 Waddell will be drilled to around 10,900 feet.

Drillsite will be 15 miles southwest of Goldsmith.

**Salty-Sulphur Water Shows In Tom Green**

Humble Oil & Refining Company No. 1 Myrtle Lewis, scheduled El-

**ABOUT THE HEARING AID— Here's What We Mean By Best People In World Are Here**

The best people in the world live right here in Midland. Of that we are convinced after several occasions when we pointed out a person in need of distress and saw the money come rolling in to help them—from you and you. It may be a dime or it may be \$10 or \$100, it comes from persons in all walks of Midland life. God bless you.

This time it is a little negro girl, who wants a hearing aid for her fifth birthday. Give her "ears" we wrote and now in comes the money that will make that possible.

The way you good folks have responded, we have no doubt she will get those "ears" in time for the birthday, November 20.

Betty Jo, your white friends are going to help you.

A Midland oilman came in to see us. He handed a check for \$15. He said: "My little girl has a birthday soon and she wanted someone else to have a happy birthday also."

A kind woman walked up to our desk and gave us a \$5 bill for the "little negro girl."

So Caroline and Roberta Hadly wrote: "Please accept this donation to be applied for the hearing aid for the little colored girl. We are so thankful that two small girls can help in this wonderful project." They enclosed \$3.

We found a \$5 check from A. W. Case on our desk with the message: "Give to the little colored girl for her hearing aid."

Robert E. Byers wrote: "Please use the enclosed check for \$5 to

**Air Force Sergeant Dies In Lake Accident**

SHREVEPORT —(AP)— An Air Force sergeant, stationed at Lubbock, Texas, was drowned in Cross Lake here Thursday when he and a companion fell from a fishing boat.

He was Sgt. Palmer Stewart, 37, of Pensacola, who formerly was stationed at Barksdale Field, La. His companion, Edward Keyes of Shreveport, wore a lifebelt and was rescued by two women fishermen nearby.

**Amazing Truss Invention Relieves Ruptured.**

Complete relief from rupture troubles has been solved in the invention of the new idea Security HERMIA GUARD. It is sold only by expert fitters and guaranteed to hold. This truss, designed to give gentle but firm pressure on the hernia, is feather-weight and eliminates punishing belts and straps. The price is so reasonable that every hernia sufferer will want one. See it today at

**Do you suffer distress from 'periodic' FEMALE WEAKNESS**

With Its Nervous, Highstrung Feelings?

Are you troubled by distress of female functional monthly disturbance? Does it make you feel so nervous, cranky, restless, weak, a bit moody—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Women by the thousands have reported remarkable benefits.

Pinkham's Compound is what Doctors call a "uterine sedative." It has a grand soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It's also a great stomachic tonic! All druggists.

**Change of Life**

In the functional "middle-age" period, women suffer from hot flashes, weak, highstrung, irritable feelings—try Pinkham's Compound—to relieve such symptoms. It's famous for this purpose.

**Monthly Female Pains**

Pinkham's Compound is very effective to relieve monthly cramps, headache, backache, —when due to female functional monthly disturbances.

**Puerto Rico Nabs 400 In Roundup Of Nationalists, Reds**

SAN JUAN, PUERTO RICO. —(AP)— A sweeping police roundup of Nationalists and leaders of the Communist Party continued in full swing Friday.

Already 400 had been taken into custody in the wake of Nationalist attempts to assassinate Gov. Luis Munoz Marin in San Juan and President Truman in Washington. The number of arrests was expected to reach 650 or 750.

Pedro Albizu Campos, the Nationalist leader who stumbled out of his home early Thursday under a police tear gas barrage and surrendered, was being held at a secret place in the city. Authorities obviously feared a Nationalist attempt to rescue him.

Munoz Marin said charges had been filed against Albizu Campos, but he declined to say what they were.

He has said he believed the assassination attempts showed a link between the Nationalists and the aims of world communism. Four top Communists, including the party president, are in custody.

**FBI Moves—**

(Continued From Page One)

been under way for her since Wednesday.

There were indications a federal grand jury investigation into the assassination plot may be made in New York. Subpoenas were issued for three Puerto Ricans—one a convicted revolutionist—after they were arrested at the apartment of the other conspirator, Oscar Collazo.

If the trio had any role in the plot it was not made clear. There were no indications any charges were placed against them.

Collazo, 37, was arraigned formally in Washington on a murder charge and held without bond for a hearing on November 21.

The murder charge was the outgrowth of the fatal injury to Leslie Coffelt, one of the White House policemen and Secret Service agents who turned back in a volley of bullets the attempt by Collazo and Torresola to storm the executive residence. Two of Coffelt's colleagues were wounded seriously.

**Belonged To Party**

The swarthy Collazo was reported by agents who have been questioning him to consider himself a martyr to the cause of Puerto Rican independence. Both he and Torresola belonged to the Nationalist Party, which is violently anti-U. S. and favors immediate independence for the island.

Officers who sought to place together what was behind the story said the pair apparently hoped to kill the President and start a revolution here. They said Collazo told them the plot was not hatched in Puerto Rico but that he and Torresola acted on their own.

Truman, the target of the fanatical scheme, continued to show the same unconcern which he displayed when the crack of shots roused him from a nap at Blair House Wednesday afternoon.

At his Thursday news conference, he spoke gravely and with obvious sadness of the three men who had been shot down while defending him.

The thing he hates is that they had to suffer, he said, especially since it was all so unnecessary.

**Appear Satisfied**

Alluding to the fact that the two attackers were Puerto Ricans, he told a packed news conference that the people of the Caribbean island seem very happy and satisfied.

Truman, as he has in the past, said the Puerto Ricans should have the right to determine their relation to the United States. The present governing party headed by Munoz Marin does not favor independence until Puerto Rico is more nearly self-sufficient.

To a spontaneous burst of applause when he entered the room, the President quipped that he is not running for anything this year. Applause would have been welcome in 1948, he added.

**+ Crane News +**

CRANE—Mr. and Mrs. Jeff Robbins are the parents of a son, born October 31 in Ector County Hospital, weighing six pounds.

Dr. Harold G. Cooke, president of McMurry College, Abilene, will be the principal speaker at the dry rally to be held at 7:30 p. m. Sunday in the Crane High School.

Mr. and Mrs. J. W. Reimertsen of McCamey announce the birth of a daughter November 1 in Crane Memorial Hospital.

A family gathering was held recently in the W. T. Cantrell home to observe the twenty-eighth wedding anniversary of the Cantrells and the birthdays within a period of five days of Mrs. Paul Davidson, Mrs. M. K. Cantrell, W. T. Cantrell, Aubrey Neal Earp and Wynvonne Cantrell.

William Murray, chairman of the Texas Railroad Commission, will be guest speaker at a Lions Club banquet in Community Hall November 16.

Members of the Ladies Auxiliary of the Fire Department and their husbands were entertained Halloween at a party in the home of Mr. and Mrs. Lloyd Wimberly Transferred.

Lt. Truman Garrett has been transferred from Camp Chaffee, Ark. to Camp Polk, La.

Members of the Ladies Auxiliary of the Fire Department and their husbands were entertained Halloween at a party in the home of Mr. and Mrs. Lloyd Wimberly Transferred.

Lt. Truman Garrett has been transferred from Camp Chaffee, Ark. to Camp Polk, La.

Mrs. Stella Shaffer of Crane has received the appointment of deputy grand matron of District Two, Section Nine, of the Grand Chapter of Texas, Order of the Eastern Star.

Mrs. H. G. Huffman reviewed the book, "So Sure of Life," at the meeting of the WSCS recently. Hostesses at the meeting were Mrs. Bill Marlowe, Mrs. Kendall C. Purgason, Mrs. E. P. Thompson and Mrs. R. E. Wesberry.

Mrs. Ida P. Crosby of Chicobe, Mass., is visiting in the home of Mr. and Mrs. R. H. Crosby.

Mr. and Mrs. J. W. Thompson of Amarillo were recent visitors in the home of Mr. and Mrs. B. P. Mitchell.

Mrs. R. V. Wilson, Sr., and Mrs. R. V. Wilson, Jr., recently visited relatives in Lubbock, Snyder and Post.

Mr. and Mrs. Luba LeBeouf and son, Lawrence, were recent visitors in San Angelo.

Mr. and Mrs. T. G. Jackson and son, Stevie, of Phillips were recent guests in the home of Mr. and Mrs. John Webb.

**Conducts Lesson**

Mrs. Lee Turner conducted the lesson at the recent meeting of the First Christian Church ladies' Bible study.

Mrs. Leroy Brookover underwent surgery recently at the Hogan-Malone Hospital in Big Spring.

Jessie Miller, L. S. Adcock, Wilson Plier and John K. Norman, accompanied by Allen Miller and Jack Wright of Odessa, made a fishing trip recently to Upper Lake on Devil's River.

Mr. and Mrs. J. L. Alderdice and children of Iraan were recent visitors in Crane.

**French Abandon Last Indochina Outpost**

SAIGON, INDOCHINA. —(AP)— The French have retreated from Loakay, their last fortress on the northern frontier of Red China, a spokesman announced Friday.

The garrison of about 1,200 Senegalese and Algerians from Africa and Indochinese colonial forces began pulling out Wednesday and completed evacuation of the important outpost on the Red River, 150 airline miles northwest of Hanoi, on Thursday.

**Flames Destroy Oklahoma Wheat Mill**

FREDERICK, OKLA. —(AP)— Fire swept through the huge Cassidy Wheat Mill here early Friday but was controlled shortly before daybreak to end a threat to this Southwestern Oklahoma city's industrial district.

Wheat stored in the five-story sheet metal and wood structure continued to burn at 8 a. m. but it posed no further danger.

The origin of the blazes was not known.

**Administrators Ask For Better Hospitals Texas GOP—**

ATLANTIC CITY. —(AP)— Hospitals will be more hospitable in the future if the nation's hospital administrators have their say in planning new hospital buildings.

Of functional modern design with park-like landscaping, the "hospital of tomorrow" will feature private and two-bed rooms, eye-appealing color schemes and indoor climate control, according to Bern Benson, director of the hospital division for the Minneapolis - Honeywell Regulatory Company. His opinion is based on a survey his company conducted during a convention of the American Hospital Association here.

**LAUDERDALE IN HOSPITAL**

Claude Lauderdale, 601 East Maiden Lane, was admitted to Midland Memorial Hospital Thursday as a medical patient.

**ADMITTED FOR SURGERY**

Jesse R. Hart, Wink, was admitted to Midland Memorial Hospital Thursday for surgery.

**BACK FROM MEETING**

Chamber of Commerce Manager Delbert Downing returned late Thursday from Brownwood, where he attended a meeting of directors of the Chamber of Commerce Managers Association of West Texas.

**President, Stassen Prepare Radio Talks For Saturday Airing**

By The Associated Press

Harold E. Stassen appeared Friday to have moved into the wheelchair position in the final Republican drive toward Tuesday's congressional elections.

Chosen to rebut President Truman's campaign speech from St. Louis Saturday night, the University of Pennsylvania president went to Columbus Thursday to back Senator Robert A. Taft.

It was his first political appearance since he battled Taft for Ohio delegates to the Republican National Convention 1948.

In answering Truman's speech Saturday night, Stassen will speak over the Mutual Radio Network from New Haven, Conn., immediately after the President concludes.

66,500,000 Listeners

Truman's address will go out over about 1,200 radio and 72 television stations through a hookup of all the major broadcasting chains. The Democratic National Committee, which is laying out about \$100,000 for the time, estimates 66,500,000 citizens—the largest American audience in political history — will listen in.

Stassen's talk over 521 stations probably will reach only one fourth as many.

Truman hasn't given any sign yet about the course his speech will take, but political observers in Washington think he'll contend the results of the Korean war show that venture was a bold, successful step to preserve world peace.

**Harrell Speaks At JayCee Luncheon**

Richard Harrell, administrator of Midland Memorial Hospital, spoke to the Midland JayCees at their luncheon Friday in Hotel Scharbauer.

Harrell delivered a sparkling talk spiced with humor, but packed with information concerning the advantages the Memorial Hospital can and does give to the citizens of Midland.

He was introduced by Bill Blakemore, JayCee program chairman for the week.

JayCee President Art Joseph presented JayCee pins to new members, and welcomed them to the organization. Jeff Montgomery discussed the concession sales at the Midland home football games. The JayCees have the exclusive rights on the concessions this year.

Irby Dyer spoke briefly on the recruiting campaign now underway for new JayCee members, and the plans for a party at the close of the drive one week hence.
