Rocky Back In Campaign Swing Again

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller of New York resumes his campaign for the Republican presidential nomination Friday, ending a moratorium he imposed after the assassination of President Kennedy Nov. 22.

Rockefeller flies to New Hampshire, where he has entered the state's first-in-the-nation presidential primary March 10. He speaks Friday night to a Young Republicans meeting at Portsmouth, and will visit Concord, the capital, Saturday.

Three other trips to New Hampshire are on Rockefeller's schedule this month.

On Jan. 27, he'll fly to California for appearances in Marin County and Los Angeles.

Goldwater Word Due

PHOENIX, Ariz. (AP)—Sen. Barry Goldwater of Arizona will announce Friday his decision on entering the race for the Republican presidential nomination. Many political observers are convinced he will enter the contest.

Goldwater's announcement will come at an 11 a.m. news conference. Gov. Nelson A. Rockefeller of New York is the only announced candidate.

Newsmen from throughout the country have gathered for the conference at Goldwater's Phoenix home, where the senator has been nursing a foot from which a bone spur was removed.

Jilted Suitor Kills Man, Girl With Ax

SMALLWOOD, N.Y. (AP)—The killer, ax in hand, waited in a closet.

He heard his victims return home late from New Year's Eve parties, waited for them to finish coffee and go to bed.

At dawn he crept into a bedroom and chopped Joseph McAdams, 49, to death as he slept.

Next he went upstairs, where McAdams' daughter and a girl friend, Judith Meddough, 19, were sleeping in twin beds.

He killed Miss Meddough with his ax and strangled Florence McAdams, 20, into unconsciousness, leaving her for dead.

Then he called police.

State police say that's the account they pieced together after an anonymous telephone call and then one from Miss McAdams, who told them in a panic-stricken voice that the killer was standing on the front lawn.

As police sped to the scene they spotted a man on a road near the McAdams house. They said he was Frank S. Scaramuzzo, 24, an Army private from nearby Monticello, N.Y. He was arrested and held on a charge of first-degree murder.

State Police Sgt. Leslie Vincent said Miss McAdams had broken her engagement to Scaramuzzo several months ago.

Vietnamese On Offensive In New Year

SAIGON, Viet Nam (AP) — Vietnamese Marines and Rangers combed three provinces near Saigon today as the first major operation of the year against the Communist Viet Cong got under way.

No big contact with the guerrillas was reported in any of the areas northwest of Saigon where government forces are converging.

An Air Force sergeant became the first 1964 U.S. casualty of the war when the pin of a phosphorus grenade he was carrying accidentally pulled out Wednesday. He was admitted to the hospital with burns over 20 per cent of his body.

His condition was described as serious. His name was not made public.

A U.S. enlisted man was wounded Tuesday when Viet Cong guerrillas fired mortar rounds into a Ranger encampment west of Saigon.

A Viet Nam press broadcast monitored in Tokyo today said 20 Viet Cong guerrillas were killed and 20 others captured by South Vietnamese troops in an operation launched Dec. 12.

The broadcast said there were no casualties among the government troops in that operation.

Mishap, Says Accused Killer

AMARILLO (AP)—Paul Martinez Arredondo claimed today that the death of policeman Jerry Cawthon early New Year's Day was an accident.

His lawyer quoted him as saying, "There was the gun. We struggled. The gun went off."

The body of the policeman, 24, was found on the back porch of a residence after nurses working nearby notified officers.

Police rounded up 14 persons, all young, who were believed in the house when Cawthon died.

Investigators said the shooting stemmed from Cawthon's stopping a driver who ran a red light.

The car, driven by a 16-year-old, and another containing several other youths stopped in front of the house where Cawthon's body subsequently was found.

Police said Cawthon and the 16-year-old went into the house after the youth failed to produce a driver's license. Youths in the second car followed the pair.

Investigators said Cawthon was attacked inside the house by several persons.

Thieves Didn't Expect A Bonus

HOUSTON (AP) — The men who stole a car Wednesday night got more than they bargained for, a 3 1/2-year-old boy who was asleep on the back seat.

Mr. and Mrs. Richard Ledbetter went to a washateria and left their son, Brent, in the parked car. They said they also left the keys in the car.

Ledbetter said he discovered the car missing after seeing two men looking suspiciously into the washateria.

An hour and 15 minutes later a police patrolman found the vehicle abandoned a few blocks away.

Brent was unharmed but was crying up a storm when patrolman Matt Woollie found him.

LBJ Maps Unslacking Offensive For Peace

President Not Awaiting Vote

JOHNSON CITY, Tex. (AP)—President Johnson is said to favor an unrelenting peace offensive in 1964.

A White House source reported that Johnson is determined to seek new breakthroughs on peace and does not think the United States can or should wait until after the November presidential balloting before pressing ahead in this area.

The source made available to newsmen Wednesday a summary of what was described as Johnson's views on a broad range of topics. Some of the material was provided on condition it not be made public until today.

Among key attitudes attributed to Johnson were these: The President plans to propose a comprehensive housing program and will discuss this today at his ranch home with Administrator Robert C. Weaver of the Housing and Home Finance Agency.

Johnson expects Congress to pass a civil rights bill this year, as well as an \$11 billion tax cut. He also would like to see passage of a program to provide medical insurance for the elderly.

Government officials will be expected to work hard and avoid the cocktail party circuit.

Further Savings: Johnson is pleased with the results of his economy-in-government drive and believes the stage is set for further savings in the budget that will go to Congress in January 1965. He believes fiscal prudence is, in the informant's words, "no longer a rich man's issue."

The President has profound respect for Secretary of Defense Robert S. McNamara and also is greatly impressed by Gen. Maxwell Taylor, chairman of the Joint Chiefs of Staff.

Earlier Wednesday Johnson told Soviet Premier Khrushchev in a message that the time for talking peace has passed and "1964 should be a year in which we take further steps toward that goal."

In this spirit I shall strive for the further improvement of relations between our two countries," Johnson said in a reply to a New Year's message from Khrushchev and Soviet President Leonid Brezhnev.

The two Russian leaders had said in their personal message to Johnson that the old year saw "a significant improvement in the approach to the solutions of urgent international problems and in the development of Soviet-American relations."

They voiced hope that the new year "will be marked by further significant success."

Later the White House source made available the summary of Johnson's reported views including the following statements on peace and other major topics: "Peace: The President is determined to seek new breakthroughs on peace. He does not think the United States should or can drag its feet for a year until after election before pressing for peace or before pressing for the breakthroughs."

RED TACTICS: The President is confident that we as a nation are fully alert to Red tactics after 15 years of cold war, and thinks it would be muddledheaded if we fail to take these steps to seek peace because we are afraid of being taken in by Red tactics.

He believes that today's hard line on communism should be an unrelenting peace offensive.

Economy: The President is pleased with his budget accomplishments. He is not only proud of the savings yielded so far in the current budget under preparation, but he feels that these efforts will lead to a pattern which will show fruit on fiscal 1966 budgeting.

The President firmly believes that fiscal prudence is no longer a rich man's issue. Fiscal prudence, he believes, is important to middle income families, both to keep down the federal tax burden, and to give the country room to meet opportunities in the realm of human needs, such as education. He believes that the massive federal budget burden is stagnating traditional liberalism in the United States.

Military Bases: He is moving toward the conclusion that obsolescence kept in the military budget for political reasons—for example, old bases and installations—is a serious drag on U.S. readiness. He thinks it is wrong to have military bases of the past supporting an economy of the present.

Business Relations: He feels strongly that there is a need for re-evaluation of government-business relations. In addition, he wants the government to be able to draw more heavily on the reservoir of business talent.

Labor: The President wants to make greater use of talent in labor unions. He feels that Latin America especially should have more U.S. labor leaders in the field working with their counterparts there.

UNWILLINGNESS: Federal Workers: The President has on occasion been somewhat disappointed in the pedestrian caliber of ideas emerging from some agencies, and in the unwillingness of government people to use declarative sentences or to say what they mean. But he is very proud of the federal service as a whole.

Unemployment: Johnson is deeply concerned about chronic unemployment. He is dissatisfied with the cures that have been suggested. He believes we may be underestimating what lies ahead. And he is calling for new solutions and is demanding new thinking on this entire problem.

Fresh Rush Expected As Berlin Travel Nears End

BERLIN (AP)—A new rush of West Berliners crossing the wall is expected with only four more days remaining on the agreement allowing visits to East Berlin.

A total of 172,740 West Berliners greeted the new year with relatives behind the wall, pushing past 600,000 the number of visitors to the Red sector since the visits began Dec. 19.

The huge flow of West Berliners placed new pressure on Mayor Willy Brandt's West Berlin government to discuss

an extension of the visiting arrangement with the Communist East German regime.

ON SUNDAY: The agreement expires at midnight Sunday.

Brandt has said he will try to renew the agreement, which has given West Berliners their first chance to see relatives in East Berlin since the Communists built the wall in August 1961.

He also is under opposite pressure from Allied and West German officials and West Berlin newspapers who regard any negotiations with the East German regime as recognition and fear such talks can only strengthen the Communist concept of a divided Germany and a neutralized West Berlin.

Brandt describes the passage agreement as a purely technical, humanitarian arrangement without the implications of an international agreement between states.

A gay and happy throng returned from East Berlin early New Year's Day after welcoming 1964 with a frenzy of song and drink. East Berlin's Karl Marx Allee was aglow with fireworks.

As stragglers met the extended 5 a.m. deadline for returning on New Year's morn, new visitors lined up for visits during the day. Several thousand persons had passes for both days and were allowed to spend the night in East Berlin.

Too Much Bang For New Year

CORPUS CHRISTI (AP)—A Corpus Christi man started 1964 with a bang. Antonio Patino told police he fired a pistol early Wednesday to celebrate the arrival of 1964.

Unfortunately, he had his left index finger over the end of the gun's barrel. He was treated at a hospital and released.

SENATORS' PLAN

GOP Proposes Own Care For Aged Bill

WASHINGTON (AP)—Six Republican senators say they hope to crack the stalemate on health care for the aged legislation by introducing their own plan when Congress reconvenes next week.

They described it as the most comprehensive health care program ever prepared for Congress and said it would make use of both Social Security funds and general government revenues, and private insurance companies.

Health care legislation will likely set off one of the big battles in Congress this election year.

PRESS HARD: President Johnson is expected to press hard for passage of the bill—or a version of it—which the late President John F. Kennedy was unable to push through Congress.

The six Republicans said in a statement Wednesday that GOP votes will be needed to

pass a health care bill this year and "we sincerely believe that the bill we are preparing will offer the effective basis for such an agreement."

"We feel," they added, "that the health care needs of our 18 million citizens over 65 have been too long neglected, and that the Congress must resolve this problem in 1964."

SIX SENATORS: The six Republicans are Sens. Clifford P. Case of New Jersey, John Sherman Cooper of Kentucky, Jacob K. Javits and Kenneth B. Keating of New York, Thomas H. Kuchel of California, and Margaret Chase Smith of Maine.

The senators' statement said their plan would provide hospitalization, nursing care and home care for all citizens 65 and over through Social Security financing or from general federal revenues if the person is not covered by Social Security.

It would also permit health insurance companies to team up and offer a nonprofit mass plan for low-cost insurance to cover doctor bills and other medical expenses. Antitrust laws now do not permit such private combinations.

Envoy Named To Argentina

JOHNSON CITY, Tex. (AP)—President Johnson plans to nominate Edwin M. Martin, a veteran Foreign Service officer, as ambassador to Argentina.

Martin, 55, a native of Dayton, Ohio, will succeed Robert McClintock, who, in turn, is expected to be appointed to another important post in the near future," a White House announcement said Wednesday.

Martin had been assistant secretary of state for inter-American affairs during the Kennedy administration. After Johnson became president he named Thomas C. Mann, then ambassador to Mexico, to succeed Martin.

Martin entered government service in 1935. He joined the State Department at the end of World War II.

Husband's Bruises Are Young Wife's Concern

By KATHLEEN DOZIER
It isn't infrequent that her husband comes home in the afternoon battered, bruised and generally shaken up after a day's work. A Big Spring visitor, in a recent interview, says she sometimes worries about this. You see, Mrs. Johnson's husband, Charley, is a quarter-back with the St. Louis Cardinals, so after an afternoon on the gridiron bruises are just-

ified. The former Barbara Shields, Mrs. Johnson and her husband are natives of Big Spring. They were married in 1958. Both are graduates of Big Spring High School, and she attended Howard County Junior College. Johnson, after one year at Shrine Institute at Kerrville, entered as a student in New Mexico State University where he completed his courses there. Mrs. Johnson worked. After his graduation she remained with her parents in Big Spring while he attended a training camp.

HOME IN ST. LOUIS
"In September, I joined Charley in St. Louis. We got an apartment in the area where all the other players and their wives lived," Mrs. Johnson told of their life in the Missouri city. "We — the wives — have so much in common, and there are so many things to do." She continued by saying that the wives attend the games together and sit in a group... which is interesting to the other spectators, some of them not knowing we are the wives."

MRS. CHARLEY JOHNSON AND SON

Each is well informed on the technicalities of the game, and can discuss football about as well as their husbands. However, Mrs. Johnson says they rarely discuss the game at home unless guests are there. Usually the Johnsons are at home at night. Now that they have a 15-month-old son, Charley Craig, Mrs. Johnson says that they are home even more than before. Occasionally, on the weekends, they have a night out, and then they usually visit among the couples who are their neighbors. "Really the greatest difference made since the baby arrived is no free time to go shopping."

The Johnsons who like St. Louis as a temporary residence, hope that sometime they can return to the Southwest to make a permanent home. Meanwhile, they are visiting here with their parents, Mr. and Mrs. C. E. Johnson Jr., 210 Circle and Mr. and Mrs. Richard Shields, 1610 E. 5th St. Before returning to St. Louis Mrs. Johnson will be on the West Coast with her husband for the pro-game Jan. 12 at the Coliseum in Los Angeles.

Marriage Plans Are Announced

Miss Billie Henderson's approaching marriage to Bob Gilbert is announced by her mother, Mrs. W. A. Henderson, 1400 Mesa. Mr. and Mrs. L. D. NOT SO

My pastor friend argues that whatever a group believes it is their private interpretation of the Scriptures, and that no controversial matter can be settled by the Bible. He contends that the Bible can be made to prove that salvation is by faith only, and that it is not by faith only. He says, "Scripture passages can be quoted to give support to the belief that salvation is by faith alone..."

But the pastor failed to quote any such passages. If just any doctrine can be proved by the Bible, where is the passage that proves salvation by "faith alone?" There is no such passage.

Many passages say salvation is by faith; but the words "alone" and "only" are missing. Men have added these words to the Bible, in spite of the solemn warning against doing so. (Rev. 22:18). We are justified by faith; but not by "faith only." (Jas. 2:24).

HINTS FROM HELOISE

Vinegar's Qualities Are Told By Booster

Dear Heloise: As another booster of vinegar, I would like to give you a few tips as to the differences in vinegar:

These are essentially two kinds of vinegar, fruit vinegar and "distilled" vinegar.

The most common fruit vinegar in this country is apple cider vinegar, but some wine vinegar is produced.

These vinegars have flavors from the fruits in addition to the acetic acid. They also have characteristic colors.

The distilled vinegar has no color and little, if any, flavor except that of the acetic acid. Sometimes caramel is added to give it a pleasing color, in which case it should be labeled "Colored Distilled Vinegar."

There is no difference in strength among the kinds of vinegar. All contain about 5 per cent of acetic acid. However, any particular brand of vinegar,

regardless of the kind, may be stronger or weaker than 5 per cent so long as the strength is within legal limits (usually not less than 4 per cent) and the package is properly labeled.

The choice of white or colored, fruit or distilled vinegar depends on one's preference in color and flavor for the particular use, and on the price. Distilled vinegars usually cost least, wine vinegars more...

For cleaning purposes one would ordinarily use the cheapest vinegar available (remembering that a 5 per cent vinegar at 50 cents per gallon is just as cheap as a 4 per cent vinegar at 40 cents per gallon); and for removing stains the white vinegar has the advantage of allowing one to see more easily whether all the stain is gone.—Leo B. Roberts

Tea Dance Concludes New Year's Parties

By KATHLEEN DOZIER

A grand finale to New Year celebrations, the Wednesday evening tea dance at the Big Spring Country Club honored the president, Zolzie Boykin. From Grand Island, Neb., Jess Gayer and his orchestra provided music throughout the evening.

Each table was centered with a long spray of frosted evergreen marked with 1964, red satin balls and ribbon, over which there was a large silver star. Hurricane lamps flanked the center arrangements. Similar decorations with large, brass candlesticks and gilded candles were featured on side tables. The buffet table was a novel attraction, featuring a doll in white tie, tails and top hat, relaxed in the dim glow from a red lamp post which was based in evergreen.

GOWNS AND JEWELS

Mrs. Boykin, accompanied by her husband, arrived in a tasteful, silk organza dress which was fashioned with bracelet sleeves and full skirt margined with hemline embroidery. The embroidered detail was repeated in small medallions over the dress. Her matched jewelry combined gold and amber with pearls.

An after-five dress worn by Mrs. Jim Zike was of winter-white silk brocade styled with a short flared skirt and sleeveless bodice. Her slippers were of matching white. Shimmering green satin, designed with a scooped, bertha collar and pencil-slim skirt, was the sheath worn by Mrs. Tommy Jordan. Her jewelry accents were a rhinestone clip and matching rhinestone eardrops. A gold brocade satin bodice with soft folds of gold chiffon forming the skirt, belted in gold, was the lovely tea gown worn by Mrs. Jack Dumphrey, one of the newcomers to the club.

Mrs. Jasper Adkins, wearing a deep blue dress and rhinestone jewelry, had with her Mrs. Asa Lee Jenkins, her daughter from Oklahoma. Mrs. Jenkins wore a sparkling creation in printed tones of pink, rose and mauve. Exquisitely beaded was the white sheath worn by Mrs. C. A. Jones, and Mrs. Randall Polk was there in a deep blue sheath, subtly jeweled and decorated.

Birthday Party Held At Stanton

STANTON (SC) — Terri Graves was honored Thursday afternoon at a party in the home of her grandmother, Mrs. Walter Graves. The birthday observance included games and singing with piano accompaniment by Mrs. Graves. Refreshments were served from a table where a canopy of large, colored balloons was featured. Adults present were Mrs. Fred Holder, Mrs. Kenneth Gilmore, Mrs. Billy Avery and Mrs. Granville Graves.

signed with scooped neckline and belted waist. Beautifully tailored was the black skirt and white blouse worn by Mrs. Monroe Gafford. The long-sleeved blouse was silk and buttoned with rhinestones.

EVENING SUIT
A green satin evening suit, worn by Mrs. G. C. Boardman, had sleeves banded in black fur. She was seated at the table with Mrs. Gil Gingold, the new president of the Ladies Golf Association, who chose white for the New Year's party. And, Mrs. Dee John Davis danced in a vivid blue satin sheath marked with a fabric flower and bow at the waistline.

Men, too, were dressed for the occasion. Many chose to wear shirts with ruffled fronts, some detailed with embroidered edging and beautiful button studs. This annual president's party was a gala affair concluded with a black-eyed pea supper.

Sen. and Mrs. Barry Goldwater announce the engagement of their daughter, Margaret, to Richard Arlen Holt of Northridge, Calif., during a New Year's party. The marriage is planned for June 27 in Phoenix. Ar-

izona's Goldwater is considered a frontrunner for the Republican presidential nomination this year. He will announce his decision on whether to seek the post at a news conference Friday. (AP WIREPHOTO).

Over-Counter Stock Prices Vary Widely

NEW YORK (AP)—The price paid for a stock on the huge over-the-counter market—OTC—can vary in several ways. A dealer may pay a wholesale price for it, while the public pays a retail price, which is the wholesale price plus some additions. And these can be figured more than one way. If your broker acts as an agent, he buys the stock for you at the best wholesale price he can get at the time by phoning around to other dealers and consulting a wholesale listing he gets every morning. Then he adds on a commission, and this also can vary among brokers. If your broker acts as a principal, he presumably carries active OTC stocks in inventory and sells you one plus a markup as he determines.

A deal is dubbed riskless when a dealer sells as a principal to his customer—charging the wholesale price plus his particular markup—but at the same time buys similar shares in the wholesale market. Thus he avoids the risk of actually carrying a large inventory, although he appears to be selling from such an inventory and acting as a principal for profit. PRICE LISTS Brokers can get wholesale price lists from a private organization, the National Quotation Bureau. It collects most of the quotations by telephone as dealers report at what prices they'll buy or sell specified issues—known as bid and asked. The NASD says that most of its dealer members are ethical and abide by its standards for a fair markup or commission. It also says it's only fair to the smaller dealers that the wholesale, or insider, bid and asked list be kept private, while the retail price list is made public. The argument: the small dealer couldn't afford the lower markup a big firm might charge and such publicity could force the smaller ones to the wall. Critics of the NASD system contend that the public should know at what price an issue actually was traded. The argument could reach Congress if it takes up recommendations for new regulations for the securities markets in general.

Office Ready To Help With Income Tax Forms

Taxpayers Assistance Day will be held in the U. S. Internal Office here each Monday starting Jan. 6, according to information released this morning by Joe P. Gordon, agent in charge. On all days the office is open, the personnel will give advice by telephone on filling out tax forms but those seeking advice are asked to confine their visits to Monday, Gordon stated. The office telephone number is AM 4-2612.

Agents on duty here are not prepared to fill out income tax forms for people, but will offer advice on the proper manner of completing the forms. Those in need of such help should have all necessary papers relating to their incomes and the taxes withheld from pay checks. At least one person will be available for consultation at the office at all times, Gordon stated. Deadline for filling out and forwarding income tax reports is April 15. The Internal Revenue office, located at 106 E. 7th, opens at 8:30 a.m. and closes at 5 p.m., Saturdays and Sundays excepted.

Man Injured Wednesday

Larry Glover, 500 State, was taken to Howard County Hospital Foundation and Clinic for treatment of a broken jaw following a disturbance at Eighth and Magnolia about 10:30 p.m. Wednesday. His condition today was described as good. According to police, two other persons were arrested in connection with the incident. Police also investigated a variety of other complaints. Jim Lancaster, 1518 Tucson Road, told police someone damaged a television cable with what appeared to be a .22 caliber rifle. Sam Barker, Lubbock, told police someone broke the radio antenna of his car while it was parked at the Holiday Inn, US 80 East, Tuesday night. Two youths were reported to have sped away from a service station at Airport Road and US 80 after failing to pay for gasoline. Two stolen vehicles were located. Police recovered the car of Mrs. Joe B. Barbee, 1605 Jennings, about 10:15 p.m. Wednesday after it was abandoned at Northside Park West. The vehicle had been stolen from the County Barn, between 4:30 and 5 p.m. Tuesday, officers said. About 12:03 a.m. today, police found a car on the east side of the Hull and Phillips Grocery, 611 Lamesa Highway. Officers said the vehicle had been stolen in Lubbock Monday.

2,000 Children Get New Shoes

DALLAS (AP)—Seven-year-old Brenda Reed wore her first pair of new shoes Thursday. She got them Wednesday at the 19th annual West Dallas New Year's Day shoe party for underprivileged youngsters. Like many of the 2,000 others who were fitted for free footwear, Brenda usually wears hand-me-downs. Brother Bill Herrod, pastor of the P. A. C. S. Sireet Mission, sponsors the party for children certified to be needy by their school teachers. Shoes came from manufacturers as far away as Chicago and San Francisco, and from the Variety Club of Dallas Foundation. E. C. Boatler, postmaster, is recuperating at Malone-Hogan Foundation Hospital following major surgery performed Monday. Boatler will be off the job for perhaps 15 days, friends said. He is making satisfactory progress.

Jordan Monarch Hails Coming Visit By Pontiff

JERUSALEM, Jordan Sector (AP)—Jordan's Moslem ruler King Hussein, said today the pilgrimage of Pope Paul to the Holy Land will "highlight the affinity between the two great religions" of Islam and Christianity. But he ruled out any possibility that it could bring improvement of relations of Arab nations with Israel. Applauding the Vatican's efforts to unite various sects of Christianity, the king told a news conference he hopes the pontiff's pilgrimage "will herald a new era" between Moslems and Christians. The 77-year-old monarch shrugged off the fears of some Arab nations that the Pope's visit to Jordan and Israel had political overtones or might lead to Vatican recognition of Israel. While the pontiff's trip may better relations between Moslems and Christians, the king said, the problem with Israel is a different one and despite the Pope's visit to both countries "I can hardly see how relations could improve."

Unit To Be Discussed

The El Paso unit of the Big Spring State Hospital will probably come up for discussion and contract renewal at a meeting of the Board for Texas State Hospitals and Special Schools in Austin Jan. 13. The contract must be reviewed for renewal every three months, Dr. Preston E. Harrison, superintendent, said. Since the last renewal, several changes have been made in the operation at El Paso, but these should not affect the renewal, he said. The El Paso unit was established in February, 1962, and has now completed two successful years of operation. Patients from the El Paso area can use the unit for treatment closer to home. Also, it cuts down on the number of patients at the Big Spring State Hospital, easing overcrowding. The El Paso unit can handle about 40 patients at a time.

Check Draws Fine

Buck Payne, charged with writing a worthless check, pleaded guilty Tuesday afternoon to the charge. He was fined \$25 and costs by Judge Lee Rortz, county court.

Rose Parade, Bowl Tilts New Year TV Fixtures

By CYNTHIA LOWRY AP TV - Radio Writer NEW YORK (AP) — Parade and football viewing has become such a New Year's Day tradition that it is hard to remember what we used to do in the old, pre-television days. Attend eggnog parties and take afternoon naps, I guess. Wednesday's Tournament of Roses Parade was as usual an eye-filling spectacle, although I suspect that those who saw it only in black and white missed about 80 per cent of the fun. Both networks did splendid jobs of covering the parade. My personal choice was NBC mostly because Betty White has done the running commentary so many times she seems as at home at her Pasadena microphone as she is in her own kitchen. Arthur Godfrey, her co-host, was so impressed with the parade animals he couldn't seem to concentrate on anything else. Along with the football games that followed, it was all very gala and a nice way to start a new year. Ed Sullivan, during his quick European trip to tape Belgium's singing nun, "Soeur Sourire," doing among other numbers, her popular record, "Domino," found himself at the Dominican order's mother house in Waterloo in a heavy winter fog. After Sullivan and his crew had finished taping a number of songs — two with the nuns' choir — he asked the mother superior of the convent where he could send a check for their charity work. "If it is possible," replied the nun, "would you instead send a small jeep to our Dominican missionaries in Lubuaburu. Because of the torrential rains, a jeep with curtains would be most preferred if this is not asking too much." And, of course, it will be done.

Stocks Debut On Upswing

NEW YORK (AP)—The stock market made its 1964 debut with a general advance today. Trading was moderately active early this afternoon. Drugs were strong, inspired by the admission of G. D. Searle to trading on the New York Stock Exchange. Searle has a long record as a growth stock in the over-the-counter market. Motors, steels, airlines, rails, utilities, electronics, coppers of office equipments and building materials joined in the rise. Oils, dampened by a drop in Texaco, were mixed. Electrical equipments eased and tobaccos were spotty. Brokers regarded the advance as a continuation of the New Year's Eve rally which saw re-investment demand outweighing the fog end of tax-loss selling, profit taking and switching for tax purposes as the old year died.

Sam Barker, Lubbock, told police someone broke the radio antenna of his car while it was parked at the Holiday Inn, US 80 East, Tuesday night. Two youths were reported to have sped away from a service station at Airport Road and US 80 after failing to pay for gasoline. Two stolen vehicles were located. Police recovered the car of Mrs. Joe B. Barbee, 1605 Jennings, about 10:15 p.m. Wednesday after it was abandoned at Northside Park West. The vehicle had been stolen from the County Barn, between 4:30 and 5 p.m. Tuesday, officers said. About 12:03 a.m. today, police found a car on the east side of the Hull and Phillips Grocery, 611 Lamesa Highway. Officers said the vehicle had been stolen in Lubbock Monday.

2,000 Children Get New Shoes

DALLAS (AP)—Seven-year-old Brenda Reed wore her first pair of new shoes Thursday. She got them Wednesday at the 19th annual West Dallas New Year's Day shoe party for underprivileged youngsters. Like many of the 2,000 others who were fitted for free footwear, Brenda usually wears hand-me-downs. Brother Bill Herrod, pastor of the P. A. C. S. Sireet Mission, sponsors the party for children certified to be needy by their school teachers. Shoes came from manufacturers as far away as Chicago and San Francisco, and from the Variety Club of Dallas Foundation. E. C. Boatler, postmaster, is recuperating at Malone-Hogan Foundation Hospital following major surgery performed Monday. Boatler will be off the job for perhaps 15 days, friends said. He is making satisfactory progress.

Jordan Monarch Hails Coming Visit By Pontiff

JERUSALEM, Jordan Sector (AP)—Jordan's Moslem ruler King Hussein, said today the pilgrimage of Pope Paul to the Holy Land will "highlight the affinity between the two great religions" of Islam and Christianity. But he ruled out any possibility that it could bring improvement of relations of Arab nations with Israel. Applauding the Vatican's efforts to unite various sects of Christianity, the king told a news conference he hopes the pontiff's pilgrimage "will herald a new era" between Moslems and Christians. The 77-year-old monarch shrugged off the fears of some Arab nations that the Pope's visit to Jordan and Israel had political overtones or might lead to Vatican recognition of Israel. While the pontiff's trip may better relations between Moslems and Christians, the king said, the problem with Israel is a different one and despite the Pope's visit to both countries "I can hardly see how relations could improve."

Unit To Be Discussed

The El Paso unit of the Big Spring State Hospital will probably come up for discussion and contract renewal at a meeting of the Board for Texas State Hospitals and Special Schools in Austin Jan. 13. The contract must be reviewed for renewal every three months, Dr. Preston E. Harrison, superintendent, said. Since the last renewal, several changes have been made in the operation at El Paso, but these should not affect the renewal, he said. The El Paso unit was established in February, 1962, and has now completed two successful years of operation. Patients from the El Paso area can use the unit for treatment closer to home. Also, it cuts down on the number of patients at the Big Spring State Hospital, easing overcrowding. The El Paso unit can handle about 40 patients at a time.

Check Draws Fine

Helpful Youth Snares Firetruck

NEW YORK (AP)—Just trying to be helpful, a 12-year-old fire buff closed the overhead door of a firehouse as a hook and ladder truck was leaving Wednesday night.

The door landed on the windshield of the rear driver's seat, injuring tillerman Joseph Almon, 36.

Firemen said the boy who tripped the lever closing the door often visits the firehouse. They called the incident an accident.

New York Transit Strike Averted With Settlement

NEW YORK (AP)—It was touch-and-go, but New Yorkers weathered another threatened strike against the city's subways and buses on New Year's Day.

The biennial New Year's Eve question, "Will they run or won't they?" wasn't answered until 4½ hours after the original

strike deadline. They ran. It was the third time since 1957 that Michael J. Quill, president of the AFL-CIO Transport Workers Union, and Transit Authority negotiators pulled a cliff-hanger.

The settlement also brought an agreement between two political foes, Democratic Mayor

Robert F. Wagner and Republican Gov. Nelson A. Rockefeller. The added cost of the new 2-year contract, estimated at \$38.6 million to \$42 million, will be absorbed by the city. Rockefeller will support legislation to authorize the transfer of some city assets to the Transit Authority and speed up reimburse-

ments for electricity, among other things.

The fare will remain at 15 cents, at least for a year.

Quill dropped his chief demand, a 32-hour, 4-day work week, in return for a pay boost for the 35,000 workers.

David L. Coie, chairman of the mayor's transit labor board, said the employees will receive an 11-cent an hour raise in 1964, 8½ cents more on Jan. 1, 1965 and another 8½ cents on July 1, 1965. Fringe benefits to cost 7 cents an hour will be added Jan. 1, 1965, he said.

Building Falls From Snow, Ice

JAMESTOWN, N.Y. (AP)—A 3-story building collapsed Wednesday and flying debris injured three persons in a passing automobile.

Police said heavy snow and ice caused the roof of the building to collapse.

Injured were Ira Wellman, 66, of Jamestown; his wife, Helen, 41, and their son, Daniel, 8. Firemen and police used hacksaws and crowbars to pry open the automobile and free them.

OLDEN BURE

LOOKING EM OVER

With Tommy Hart

I take it all back. In the past, I've always thought a Darrell Royal-coached football team was about as colorful as a convention of chicken pluckers. Against mighty Navy yesterday in Dallas, the Longhorns fairly dripped color.

Fact is, it was the steady drip-drip-drip—a sort of Chinese torture—that all but drove the Midshipmen daft.

The defense Texas threw up resembled nothing more than a giant whirlpool. The Longhorns, going instinctively to the ball, would converge upon a ball carrier and he would disappear as if he were going down a drain.

Coach Royal was a little testy when challenged about the Longhorns' No. One rating during a press conference the day prior to the game. A reporter wondered aloud if the upcoming collision wouldn't give the nation's press a new opinion on which team belonged at the top of the list.

"If that's what they want, we'll put the championship on the line," Royal snapped.

Prior to the game, Royal had to beg off graciously during a TV interview when it became overlong. He wanted to spend the last few seconds prior to kickoff time making sure that his boys were ready. As it turned out, there was no need to worry. Quite probably, Texas was never more ready to play a game than it was Wednesday.

Roger Staubach, the Navy whiz, is terrific, although I'm not ready to rank him yet with the all-time greats. Sports historians are inclined to have short memories.

Scott Appleton, the giant from Brady, won the award as outstanding lineman of the game but my vote went to sophomore Tommy Nobis, a 19-year-old 200-pounder from San Antonio. Playing defense seems to be instinctive with him. In two years, he should rate with the best in collegiate football.

Prior to Big Spring's opening game with Belton in the Brownwood basketball tournament last weekend, coach DeInor Foss had in hand a scouting report on the opposition which said: "Belton is close to having an outstanding basketball team. They have adequate height with excellent overall speed. They play with a lot of determination and hustle. They become upset if not allowed to fast break—which is their style of play. They're good rebounders."

So what happened? Big Spring didn't allow the Tigers a point in the first quarter and raced to a 61-26 victory. Last year Belton won 17 of 27 starts and was looking for an improvement this year.

Big Spring has possibilities in the 2-AAAA race, which starts tomorrow night. However, a lack of height will handicap the locals. All other clubs have big men capable of pulling down the caroms—the Steers' tallest man is Albert Fierro, who is not quite 6-2.

Right now, the race appears to be between three teams—Ahlene Cooper, Ahilene High and San Angelo. The other five teams appear likely to battle it out for the other spot in the first division.

Big Spring could be in good shape after its first two games, both of which will be played at home. If the Steers knock off Midland Lee and Odessa High in that order, then they may decide they're a larger order for any foe to handle. Right now, they're not conceding anything to anybody.

Delnor Pess, the local coach, gets a lot out of his personnel and deserves a lot of support. A full house for the Steers' home games might be just what they need for that extra push.

Robert (Pepper) Martin and his family were in from San Antonio for the holidays. Pepper and Hope now have four children, the oldest of which is 12.

The former Big Spring athlete is prospering in the bowling business. In addition to managing a bowling emporium for the Jekke people in San Antonio, Pepper markets a plastic bowling ball which has caught on real well.

Pepper became a Warren McVea fan and expresses the sentiment of others in saying the San Antonio Brackenridge back is the best he's ever seen. Martin saw McVea and the Brack team no fewer than seven times the past season. Warren was in trouble with the law prior to the 1962 season, but Pepper says the boy has straightened up and is making a good citizen. He's also become a good student.

Johnny Pesky, manager of the Boston Red Sox, was asked by sportscaster Joe Caragiola not long ago how he felt when he lost a game. Replied Johnny: "When you win, you sleep good, you eat good, you feel good and your wife looks like Gina Lollobrigida."

Those who would outlaw the right of all people to own firearms merely because President Kennedy died violently last November might like to read a statement made by the esteemed late chief executive made in April, 1960, when Mr. Kennedy was then the junior senator from Massachusetts. (Kennedy was a member of the National Rifle Association.)

Said he: "By calling attention to a well-regulated militia for the security of the nation, and the right of each citizen to keep and bear arms, our founding fathers recognized the essentially civilian nature of our economy. Although it is extremely unlikely that the fears of government tyranny, which gave rise to the Second Amendment, will ever be a major danger in our nation, the amendment still remains an important declaration of our basic military-civilian relationships, in which every citizen must be ready to participate in the defense of his country. For that reason I believe the Second Amendment will always be important."

Steers Open '64 Play September 11

Big Spring will open its 1963 football season against Lamesa on the road Sept. 11 and play other non-conference contests with Ysleta and Snyder prior to plunging into district play.

The Longhorns play their first two contests on the road, going to Ysleta the week following the Lamesa outing. They open up here with Snyder Sept. 25.

All-Stars Toil For Big Game

MOBILE, Ala. (AP)—Two workouts were planned for both the North and South teams today in preparation for Saturday's Senior Bowl football clash.

Both Coach George Wilson of the North and South tutor Tom Landry said their squads would be bolstered by the arrival of players who participated in New Year's Day bowl games.

The Yankees elected Boston College quarterback Jack Conannon and Holy Cross center Jon Morris as their co-captains.

The election Wednesday followed a 10-minute head-knocking pass protection drill.

Fumble By The Middies

The ball slips away from Navy quarterback Duke Carlisle when Charles Talbert (89), Texas end, dumps him during the third quarter of the Cotton Bowl game at Dallas Wednesday. Ben House (83), the other Texas end, races in to recover the loose ball. Texas won, 28-6. (AP WIREPHOTO).

Carlisle Takes Place In Bowl Spotlight

By MIKE RATHET

Associated Press Sports Writer

His name is Emmett Augustus Carlisle III. They call him Duke for short. But they've been calling him great since he engineered Texas' Cotton Bowl victory over Navy.

Duke Carlisle has been king in Dallas for almost 24 hours now, or since he dropped his "other quarterback" label on the 23-yard line, raced 19 yards on his first carry and continued to steer the national champion Longhorns to a 28-6 walloping of second-ranked Navy.

When he trotted off the field in the third quarter with the game clinched, Carlisle had passed 58 and 63 yards to Phil Harris for touchdowns, booted nine yards for another and overshadowed the Middies celebrated quarterback—all-America and Heisman Trophy winner Roger Staubach.

Asked after the game which lineman impressed him most, Staubach offered this key to the outcome of the game: "Well, they all had me down at one time or another and I didn't notice their numbers."

Navy Coach Wayne Hardin wrapped it all up for the Longhorns a bit more eloquently. "Texas did everything a national champion is supposed to do and deserves the No. 1 rating," he said.

Third-ranked Illinois, meanwhile, won the granddaddy of all the college football bowls, overcoming a 7-3 halftime deficit on short touchdown plunges by Jim Warren and Jim Grabowski for a 17-7 Rose Bowl

Navy Backers Eating Words

By JIM BECKER

Associated Press Sports Writer

DALLAS (AP)—Smirking and word-eating were the major activities in the vicinity of the Cotton Bowl today.

The satisfied smile was pasted on the face of national champion Texas.

If there was any doubt—and Navy, for one, had some—the Longhorns were the No. 1 college football team in the land, the Texans removed it swiftly with a 28-6 trouncing of the Middies Wednesday.

The word-eating was not completely confined to Navy, although there haven't been so many red faces around the field since they laughed at Gen. Billy Mitchell when he said he could sink battleships with airplanes.

There were those who had called the Texas offense: "Left tackle, right tackle—and punt." And the ones who said that Texas "doesn't beat you, it bores you to death."

Coach Darrell Royal's Texas team came up with a fabulously resourceful offense, guided by a quarterback named Duke Carlisle.

Carlisle, whose real name is Emmett Augustus Carlisle III, took Texas 73 yards in six plays from the opening kickoff. That stunned the No. 2 ranked Middies almost as much as the way it was done.

Carlisle sent his runners into the line twice and then ran for 19 yards. Three plays later he threw to wingback Phil Harris on a play that covered 58 yards for a touchdown.

In the second quarter, Carlisle passed on first down from his own 37, again to Harris, again for a touchdown.

Then the Texas defense detached the football from Navy's Jolly Roger Staubach on the Navy 34, and Carlisle took the Longhorns in again. He scored this one himself on a keeper from nine yards out.

That made it 21-0 at the half and the 73,304 people sitting in 45 degree sunshine might as well have staged their game-end traffic jam early.

Alabama kept banging away at Mississippi, but never was able to get beyond the six-yard line. However, Davis, who hasn't run a play from scrimmage since he was injured as a high school quarterback, supplied the points. His 46-yarder and the 45-yarder that followed were the longest in major bowl history.

Nebraska needed all its muscle to save the win over Auburn against a fierce late surge led by Tigers quarterback Jimmy Sidle.

With two minutes to go, Sidle had the Tigers on the Nebraska 11 in a furious bid for a winning touchdown, but a fourth down pass was batted away and the Cornhuskers escaped with the first victory a Big Eight team ever scored over a Southeastern Conference foe in seven Orange Bowl games.

For a time, it appeared that Nebraska, the national champion rushing team, was going to use its 16-pounds-a-man weight advantage up front to crush the SEC runners-up.

On the second play, with a formation Nebraska designed for use in a short yardage situation, quarterback Dennis Claridge broke the bowl's record for a long run by speeding 68 yards to a touchdown.

Twice more in the first half, Nebraska thrust close to the Auburn goal to set up field goals by Dave Theisen of 31 and 36 yards. Up to then, with the Nebraska ends containing their wide runs, the Tigers hadn't made any kind of a threat.

But the second half was a vastly different story. Nebraska's awesome running attack began to crumble against the small but courageous Auburn line and Sidle finally found the way to get the Tigers moving.

Sidle hit Buck Wald with a 25-yard pass, then swept 13 yards wide to his left for the first touchdown that put Auburn back into the game with only a six-point deficit.

Scott Appleton Is Still Free Agent

By The Associated Press

Texas tackle Scott Appleton, skillfully dodging the buck-passers, is on his way to the Hula Bowl in Honolulu, where he likely will find palm trees waving in the breeze and dollar bills waving in his face.

Appleton, an All-America was named the outstanding lineman in the Cotton Bowl after the Longhorns' 28-6 victory over Navy Wednesday, sidestepped the professional football talent scouts after the game. Asked which way he was leaning, Appleton said: "I haven't decided a thing."

Appleton is the No. 1 catch still remaining in the check-book war between the National and American football leagues. He is the only first round draft choice in either league not committed.

The Pittsburgh Steelers traded flanker Buddy Dial to Dallas for the NFL rights to Appleton. The Houston Oilers hold the AFL rights.

Appleton became the last remaining No. 1 pick up for grabs when the NFL signed the much-pursued Nebraska linemen, All-

American guard Bob Brown and tackle Lloyd Voss, after the Cornhuskers' 13-7 Orange Bowl victory over Auburn.

Brown signed with the Philadelphia Eagles and Voss with the Green Bay Packers, giving the NFL signed contracts from 12 of their 14 first-round draft picks. Brown also was the No. 1 pick of Denver in the AFL, and Voss was second round selection of the AFL's New York Jets.

The NHL has lost only one of its first-round selections to the AFL—Southern California quarterback Pete Beathard, who passed up Detroit to sign with the Kansas City Chiefs. The AFL has signed only two of its eight first-round selections—Beathard and Ohio State fullback Matt Snell, by the Jets.

In addition, Oakland's AFL entry claims it has signed No. 1 pick Tony Loric, Arizona State halfback Baltimore in the NFL says it also has a signed contract from Loric.

Huskies To Play At 7 Tonight

HCJC's basketball legions are back in Kansas, where tonight they play rugged Dodge City, Kansas, in one game of a double header.

The Jayhawks stay over in Hutchinson tomorrow to joust with the host school.

Each of the games involving HCJC will start at 7 p.m. and will be aired over radio station KBST Big Spring 1490, with Bob Bell doing the play-by-play.

The Hawks carried an 8-3 won-lost record north with them. The locals have defeated St. Jo, Mo.; Ranger, Cisco, Wharton, Chautau, Kansas, Lubbock Christian, South Plains and Jacksonville Baptist.

They have lost to Dodge City, Eastern Arizona and Lon Morris.

The Hawks will next be seen in action at home next Tuesday, at which time they host

Huskies Look To Advantage

MIAMI, Fla. (AP)—Nebraska's big Cornhuskers, playing before an eager audience of American and National Football League scouts, muscled their way to a 13-7 victory over smaller Auburn in the Orange Bowl Game New Year's Day.

And when the final whistle blew, professional contracts were waved in the faces of numerous players—especially the pro-size Cornhuskers—who had been forbidden until after the game from entering into negotiations in the play-for-pay leagues.

Nebraska needed all its muscle to save the win over Auburn against a fierce late surge led by Tigers quarterback Jimmy Sidle.

With two minutes to go, Sidle had the Tigers on the Nebraska 11 in a furious bid for a winning touchdown, but a fourth down pass was batted away and the Cornhuskers escaped with the first victory a Big Eight team ever scored over a Southeastern Conference foe in seven Orange Bowl games.

Vandals Damage Greens At Site Of LA Open
Jerry Barber (right), puts during a practice round on one of the peck-marked greens at the Rancho Park Golf course in Los Angeles—one of nine greens damaged by vandals. The course is the site of the Los Angeles Open Golf tournament which starts today. Damage included swastikas carved into the greens. (AP WIREPHOTO).

Wet Ginning Process Eyed

WASHINGTON (AP) — The time may come when the cotton crop is ginned soaking wet. It now is ginned at a moisture content of about 6 per cent.

The Agriculture Department reports that experiments conducted at its cotton ginning research laboratory at Leland, Miss., indicates that the wetter fibers are, the stronger they are. Scientists found wet fibers break less readily than dry fibers as they are pulled from the seed in the ginning process.

"Reducing fiber breakage by ginning wet cotton would benefit the entire cotton industry," the department said in a report. But ginning wet cotton would require complete redesigning of ginning equipment. Present equipment will not gin wet cotton.

Lawyer Given Old Crucifix

NEW YORK (AP) — After James B. Donovan negotiated the release of 1,112 Bay of Pigs invasion prisoners from Cuban jails, the mother of one of them gave him a century-old crucifix.

Wednesday Donovan, a New York City lawyer, gave the crucifix to St. Francis College of Brooklyn.

Donovan said the Cuban woman "told me it had been kept in the family chapel for more than a century."

"When the (Fidel) Castro government took over their home, the family took it with them and hid it in a basement."

DENVER (AP) — Ed C. Johnson, former U.S. senator and governor of Colorado, observed his 80th birthday Wednesday. Among messages arriving at Johnson's Denver apartment was a telegram from President Johnson.

LONDON (AP) — A Soviet intelligence officer who defected to the West has started a new life in Canada, official sources in London said.

The defector, Anatoli Golaytyn, sought asylum at the British mission in Ottawa in 1962. For 18 months, he was questioned by American and British agents.

London newspapers have said he unmasked two major spies, William John Vassall, ex-Admiralty clerk now serving 18 years in prison, and Harold Philby, former British Foreign Office man who fled to Moscow.

LONDON (AP) — Peter Torneyoff, Britain's minister of defense, began a 16-day tour of the Middle and Far East today. His first stop was Aden.

Electricity Use On Farms Climbs

WASHINGTON (AP) — The Agriculture Department reported Thursday that consumption of electricity on the nation's farms continued to increase in 1963.

Farms used an average of 687 kilowatt-hours of electricity in June, an increase of 3 per cent over the average a year earlier. The monthly bill paid by farmers for electricity used for all purposes averaged \$15.60 in June compared with \$15 a year earlier.

The department said prices paid for electricity increased last year for the third consecutive year. Last June the average rate was 2.27 cents per kilowatt hour, up one cent from a year earlier.

Jetliner Crippled By Landing Gear

BOSTON (AP) — A Convair 440 jet, carrying 71 persons and crippled by a collapsed landing gear, skidded on a runway, spun around and came to rest on a wingtip Wednesday night.

None of the 63 passengers and eight crewmen was injured. A Trans World Airlines spokesman said damage to the plane was minor.

Snow and sleet had fallen intermittently during the day. The plane had made stops at Chicago and New York.

TEEN-AGER BOOTED INTO CLOTHES DRYER
James Baumgardner victim of frustrated Fort Worth robber

Robber Stuffs Lad, 17, Into Clothes Dryer

FORT WORTH, Tex. (AP)—A frustrated robber stuffed a teenage youth into a coin-operated clothes dryer here Wednesday night.

James Baumgardner Jr., 17, spent more than 30 cramped minutes in the machine before another customer rescued him.

The youth said he was alone in the building, preparing to wash a load of clothes, when a man approached him from behind and demanded money.

Told the teen-ager was broke, the thug made him stoop over in front of an open dryer and shoved him in, shutting the glass door.

A startled housewife, Mary Hamons, freed Baumgardner. He was pale but apparently unhurt. "At least the man didn't drop a quarter in the machine," he said. "I would have fried alive."

Director Dies

ROCHESTER, Minn. (AP)—William Stern, 77, of Fargo, N.D., a director of Northwest Airlines and widely known in political and veterans affairs, died Wednesday after a long illness.

Law Officers Probe Fatal Shooting Of Pro Gridder

CHICAGO (AP)—Law enforcement officials in nearby Du Page County today continued their investigation into the fatal shooting of a former University of Illinois football star at a New Year's Eve party in a bowling alley.

An argument and a scuffle involving a football star with the world champion Chicago Bears ended in tragedy after a policeman's bullet killed Tony Parrilli, 24, Illinois' most valuable grid player in 1961.

CONFLICTING
Investigators, who called the shooting accidental, are searching for an unidentified witness to help clear up conflicting accounts of the slaying in a suburban bowling alley washroom.

Robert Winthers, police chief in suburban Willowbrook, said his service revolver fired accidentally as he tried to break up a fight between Parrilli and an unidentified man.

The quarrel in the bowling alley, which is partly owned by Mike Ditka, Chicago Bears end, reportedly started after an argument over Sunday's National Football League championship game between the Bears and the New York Giants, won by the Bears.

GRAND JURY
The Du Page County state's attorney's office said a grand jury would be asked to consider whether Winthers was guilty of either involuntary manslaughter or reckless conduct. An inquest was continued to Jan. 20.

Chief Winthers said his pistol discharged as he used it to club the head of Bears fullback Joe Marconi. The bullet hit the 6-foot, 228-pound Parrilli in the head and he died almost instantly.

Winthers and Sgt. Stanley Lachta said they went to the washroom to quell a fist fight between Parrilli and the unidentified man who left in the confusion after the shooting.

RUSHING IN
"Winthers told me things were squared away in the washroom when Marconi came rushing in," said State's Atty. William J. Bauer. "Winthers said Marconi knocked Sgt. Lachta aside and it was then that he used the gun."

Eight stitches were required to close a gash on Marconi's head.

Marconi disputed the Winthers' version.

Grain Diversion To Reds Probed

WASHINGTON (AP)—An investigation in Austria to ineligible European countries. Under contracts written under a half million metric tons of foreign aid program provisions, Austria is the only country in western Europe fully eligible to receive barter shipments of feed grains under open end contracts, Rep. Jamie Whitten, D-Miss., said.

FIFTH ANNIVERSARY

Huge Military Parade Hails Castro Milestone

HAVANA (AP)—Premier Fidel Castro rolls out his Soviet-built military hardware today at a huge parade marking the fifth anniversary of the overthrow of dictator Fulgencio Batista.

Thousands of Cubans are expected to watch the display of tanks, artillery and ground-to-air missiles.

Castro planned a major policy speech, probably pegged to his government's theme that 1964 is "the year of the economy," an all-out battle to increase production.

Visiting Communist delegates from Europe, Asia and Latin America were to join Castro on the parade reviewing stand. The Soviet delegation is led by Nikolai Podgorny, a secretary of the Soviet Communist party and a member of its Presidium.

In a new year's greeting to Castro, Soviet Premier Khrushchev and President Leonid Brezhnev promised: "We again declare that revolutionary Cuba will not remain alone if it is attacked by United States aggressive military circles."

Castro said Wednesday night he believed President Kennedy was "beginning to think of the possibilities of normalization of relations" between the United States and Cuba before he was assassinated Nov. 22.

In a Havana-to-New York telephone interview with ABC he said he wanted to normalize Cuba's relations with the United States but "it belongs to the United States government to take the next step to help that normalization."

"But of course, it can never be over conditions of renouncing our political ideas," Castro said. "Never can we renounce our Marxism."

In a report submitted to Congress, Whitten, chairman of a House Agricultural Appropriations subcommittee looking into the grain transactions, said an investigation begun by the executive branch of government in January 1963 should extend well into 1964.

DESTINATION
He said the probe should establish the destination of all diverted grains and possibly shed more light on who is responsible for it.

He said the investigation so far shows 568,428 metric tons of grain which did not reach Austria, 448,656 metric tons, or 79 per cent, have been accounted for by investigation in Germany.

Some 10,015 tons found its way into Communist East Germany, Whitten said in his report published in the Congressional Record.

Whitten said that no evidence has been developed to indicate that American barter contractors were in any way involved in the conspiracy to divert the feed grains.

KNOWLEDGE
"However," said Whitten, "there are strong suspicions to indicate that their commodity agent—U.S. Grain Exporters—may at least have had knowledge of the diversion, if not an actual party to the conspiracy."

He asserted that the diversion was made possible "by the lack of established controls" by the Department of Agriculture to discover any infractions of the barter contracts or to enforce their provisions.

He said the results of the investigation have been brought to the attention of the Department of Justice and are under consideration there as to possible civil or criminal action against American commodity agents.

By keeping an ear keenly attuned to his opponents' bidding, West gleaned some information which proved highly useful in finding a successful defense against South's four spade contract.

South opened the bidding with one heart and North apparently had a choice of responses. He could make a one over one call in spades or he could offer a single raise in hearts. The response of one spade, while it seems to be quite innocuous, might lead to a future problem if, for example, South's rebid happened to be a call of two hearts. For North to pass would seem craven and yet to raise to three hearts would surely strike us as unduly aggressive. To avoid this dilemma, the single raise is our preferred call.

South had well in excess of a minimum, so he invited partner to carry on by rebidding two spades. When North was able to raise that suit too, South persisted to game in spades. He chose the four-four fit as a trump vehicle on the reasoning that his longer heart suit might prove useful as a source for discards.

Altho West's sequence in diamonds presented a logical opening lead, he paused for a moment to assess the information presented in the auction. South appeared to have five hearts and four spades, for with equal or greater length in spades he would have bid that suit first. North had to have three hearts for his original raise which meant that East was marked with at most a doubleton in that suit. Since West held controls in both hearts and spades, it appeared likely that he could give his partner a ruff and he decided to exert his efforts in that direction.

West opened the ace and another heart on the slight chance that East might hold a singleton. Dummy's queen of hearts won the second trick however, and declarer took the finesse in trumps. West was in with the king and he returned another heart which East ruffed. The latter was quick to cash the ace of clubs for the setting trick.

Observe that, without West's alert defense, South will have time to establish the heart suit and eventually obtain two diamond discards from the dummy, thus restricting his losses to one spade, one heart and one club.

Pope Paul Will Retrace Steps Of Jesus On Holy Land Visit

JERUSALEM, Jordan Sector (AP)—An individual, and the path he walked, laid the foundation of Christianity.

Pope Paul VI, on his unprecedented journey to the Holy Land this weekend, plans to retrace the topography of that path—the ground traversed by Jesus Christ.

Jesus, a young Jewish teacher slain at 33, had a swift, strange career—punctuated by extraordinary and wondrous events.

Yet the events occurred in ordinary human settings, in the towns, along the trails and lakeshores at the eastern end of the Mediterranean.

EARTHLY STAGE

The spots which Pope Paul will visit formed the earthly stage on which 2,000 years of history have unfolded.

Saturday evening, on his first day here, the Pope is expected to spend an hour in the Garden of Gethsemane. There Jesus held his last lonely vigil before his arrest and death.

Jesus, on His way there after the Last Supper with his apostles or during it, delivered his final discourse, foretelling his death, warning of persecutions, urging love and promising that his spiritual presence would remain.

FOR UNITY

An objective of the Pope's trip here is to pray, as did his Lord, for Christian unity.

A rough, bare white rock, which today protrudes inside a dim-lit church, is said to be the place where Jesus prayed and steeled himself for his ordeal ahead—and where Pope Paul, too, will pray.

The Pope also will walk the sad, winding route that Jesus followed from the Roman seat

GARDEN OF GETHSEMANE TO BE VISITED BY POPE PAUL
Ancient wall of Jerusalem (background) overlooks historical spot

of judgment to the traditional site of the Hill of the Skull (Golgotha) where he was crucified and entombed.

The route now is called the "Via Dolorosa"—the Way of Sorrows.

PILATE'S COURT

It begins at the Lithostrotos, the ancient paved square where the Roman governor, Pilate, held court when Jesus was

brought there, charged with blasphemy and claiming a divine mantle of kingship.

Along the old city's narrow, cobblestone streets, tables and monuments mark the incidents of the melancholy march. These are called "stations of the Cross." Pope Paul will follow the same course.

The Church of the Holy Sepulcher is a somber, labyrinthine sanctuary of candlelit chambers, stone stairways, balconies, alcoves, columns and altars, almost always astir with moving figures, chanting voices and clouds of incense.

POPE'S MASS

Here Saturday afternoon, Pope Paul is scheduled to celebrate a Mass—the ancient rite commemorating Christ's self-

sacrifice for man, and also his victory over death.

Inside the church, about 14 feet below the Crucifixion platform, is a traditional place of burial.

On his second day here, Sunday, the Pope will cross the border into Galilee to visit Nazareth, the country town where Jesus grew up, the slope beside the lake where Jesus delivered the Sermon on the Mount and also Mount Tabor, where Jesus was transfigured before the eyes of three apostles.

Returning to Jerusalem, he visits Bethlehem next day, on Monday.

IN COTTON BOWL

LBJ Girls Guarded, Unnoticed At Game

DALLAS, Tex. (AP)—President Johnson's daughters, almost unnoticed in the crowd of 75,500 football fans, saw Texas defeat Navy 28 to 6 in the Cotton Bowl Wednesday.

Lynda Bird, 19, a sophomore at the university sat on the Navy side of the field near the 50-yard line. She and her escort, an unidentified midshipman, remained in their seats at half-time and munched hot dogs. Despite her Navy escort, she stood for Texas during the game.

TEXAS SIDE

Lucy Baines, 16, had a seat near midfield on the Texas side, but police said she and her party, which they identified only as Secret Service agents, were moved to a section on the same side of the stadium between the 10-yard line and the north goal. However, newsmen were not able to find her.

aged from taking pictures of the girls. When cameramen edged near or turned long-range cameras on Lynda Bird Johnson, Secret Service agents scowled, and shook their heads, asking the photographers to move on.

One Associated Press photographer succeeded in getting a close-up picture, however, of Miss Johnson and her escort.

STRICTEST

Security measures for the visit of the Johnson girls were the strictest since the bowl was built 28 years ago.

A Dallas policeman, who asked not to be identified, said the big stadium had been guarded closely all week on the possibility that President Johnson might attend the game. He said three officers remained in the stadium all week and three police cars patrolled the area.

Bowl and "many, many more were stationed throughout the stands during the game," he said.

BOMB SCARE

He said the Police Department received word a bomb would be planted in the stadium and "it took 14 hours to determine there wasn't a bomb."

During the first half police asked all persons leaving the gates of the stadium on the side where Lynda Bird sat to sign their names in a register. This was not done on the side where police said Lucy Baines sat.

Mexico Sees Resolute Push

MEXICO CITY (AP)—Official sources predicted today Mexican agriculture will receive a "resolute push" forward, thanks to \$20 million from the InterAmerican Development Bank.

The funds will be mainly dedicated to finance new irrigation and draining projects in the potentially-rich valley of Guamu-chil, in the northern states of Sonora and Sinaloa.

Roads will be also part of the extensive plan which contemplates using three partially-unharnessed rivers in the area—the Cuallancan, Humaya and Tamazula—to speed up agricultural development.

The program, which eventually will cost \$112 million, calls for a system of dams and irrigation channels in the area.

The first dam will be known as "President Adolfo Lopez Mateos." The bank will furnish 18 per cent of the total value of the projects, with the Mexican government furnishing the rest.

The Lopez Mateos dam will later be completed with a power-generating plant with a 40,000 kilowatt output.

In announcing the bank's credit, a spokesman from the ministry of the treasury said Mexico will pay it in a 20-year term, with a yearly interest of 5 1/2 per cent and a 4.4 per cent annual commission rate.

ACC Benefactor Rites Scheduled

CLEBURNE (AP)—Funeral services were scheduled Thursday morning for F. E. Gardner, 75, a benefactor of Abilene Christian College who died Wednesday.

Gardner had deeded the Abilene college land in Andrews and Navarro Counties. The land in Andrews County has 100 producing oil wells with an income of \$65,000 per year.

Gardner, who has a dormitory at the college named in his honor, is survived by his wife, three brothers and two sisters.

YMCA Has Open Spot In League

The men's YMCA basketball league, in the process of forming, will hold a meeting Friday at 7 p.m. in the YMCA.

So far four teams have joined the 10-week league and there is still room for two more hard-work crews.

Anyone seeking further information, either on the meeting or on formation of a team, should contact Jim Gilbert at the YMCA.

U. S. Puffing At New Record

WASHINGTON (AP)—Americans puffed away at a record pace this year, smoking an estimated 523 billion cigarettes.

The Agriculture Department, reporting the estimate today, said cigarette output and consumption reached new highs for the seventh straight year and increased almost 3 per cent over 1962.

The department said most factors indicate a further increase in cigarette smoking in 1964. It added, however, that it is not now possible to judge now an impending report on smoking and health by an advisory committee of the surgeon general may affect tobacco consumption.

Robert Morris Tosses Hat Into Senatorial Race Ring

DALLAS (AP)—Robert Morris, advocate of a stiffer policy toward Communist nations, announced Thursday he will seek the Republican nomination for U.S. senator in the May primary.

Morris is the third Republican to announce for the Senate. George Bush of Houston and Dr. Milton Davis of Dallas announced their candidacies earlier.

Morris called 1964 a year of critical importance.

VITALITY

He said: "The quality and vitality of our nation's political efforts at this time will determine whether we are to survive as a nation under God and under freedom."

Morris said he would stage an affirmative campaign based on issues.

Speaking of what he called the main issues, he said: "Forces at home and abroad are systematically depriving us of our religious heritage, which, until now, has been a great preservation to our way of life."

PRAYERS

"Our schools are denied the right to recite simple non-denominational prayers or even the fourth stanza of 'America' because it acknowledges 'God as the author of liberty.' This trend must be reversed and our religious foundation reaffirmed."

"Our Constitution and Bill of Rights must be preserved. So too must our whole system of common law heritage. Our nation must be defended from Communist aggression abroad and undermining from within."

Morris said he will open his state headquarters Friday in Austin.

Bush is the son of former Connecticut Sen. Prescott Bush. Davis is a surgeon. They will be making their first political races.

CIVIL LIBERTIES

Sen. Ralph Yarborough is expected to seek re-election. Among those expected to oppose him in the Democratic primary are John Van Cronkhite, Dallas; Lloyd M. Bentzen Jr., Houston; and Gordon McLendon, Dallas.

Morris became particularly well known in Texas as president of the Defenders of American Liberties, a civil liberties

group. He gave up that post this fall but remained active in the organization.

Morris, 48, has taken a strong anti-Communist stand and has supported greater national defense efforts.

He has been particularly critical of U.S. foreign policies, which he contends are shrinking

the influence and prestige of the United States.

Morris is a native of Jersey City, N.J., and came to Dallas to head the new University of Dallas in 1960. He was defeated earlier that year by Sen. Clifford P. Case, R-N.J., when Case was backed by the Eisenhower administration.

'Louie The Dip' Dies Broke At 68

CLEVELAND (AP)—Louis Finkelstein—"Louie the Dip"—to police officers throughout the country—is dead at 68. He died broke.

His body was found in his automobile Wednesday on Cleveland's east side. Doctors said he died of a heart attack.

For 50 years, Finkelstein pursued his career. He slowed down about 10 years ago when arthritis stiffened his nimble fingers. In 1959, he applied for relief.

Police Inspector Michael J.

Blackwell said Finkelstein must have "stolen thousands of dollars in his lifetime, but he died penniless."

Finkelstein was arrested 120 times and served more than 10 years in prisons as the result of 50 sentences.

Bargainer Dies

PALO ALTO, Calif. (AP)—Almon Edward Roth, 77, who was credited with helping to establish effective collective bargaining on San Francisco's once-strife - torn waterfront, died Wednesday. Roth, who was president of the San Francisco Employers Council from 1939 to 1951, was the first controller of Stanford University.

Mexico New Year Quiet After Deadly Christmas

MEXICO CITY (AP)—This city of more than five million inhabitants celebrated a comparatively quiet New Year's Eve, after highly bloody tolls during the Christmas celebrations, when 37 people died and more than 300 were injured.

Police said 17 died and 100 were injured in the 12 hours between 8 p. m. Dec. 31 and 8 a. m. Jan. 1, mainly from traffic

accidents, suicides and excessive drinking.

Regular police and traffic police patrols maintained a 24-hour watch since early Tuesday.

Drivers were threatened with 36-hour arrests if found to be driving intoxicated, and rescue parades from the social service division of the ministry of health took care of others suffering from exposure.

Cuban Harvest Has Top Billing

MIAMI, Fla. (AP)—Havana Radio indicates the forthcoming sugar cane harvest has a higher priority on the Cuban army's time than today's Havana observance of Fidel Castro's fifth anniversary in power.

A broadcast Wednesday, monitored in Miami, said "we thought of saluting this anniversary with a military parade, but decided that to frighten the reactionaries wandering around, it would be best to hold a rally of workers and peasants."

F104s Seek New Record

MADRID, Spain (AP)—The U.S. Air Force on Jan. 6 will try to top a record for nonstop flight by a squadron of F104 jet fighters. Officials said the 47th Squadron will fly 7,500 miles from George Air Force Base, Calif. to the Strategic Air Command base at Moron, near Sevilla.

COTONOU, Dahomey (AP)—A meeting between Niger and Dahomey officials on the frontier between the countries was scheduled today in an effort to solve their differences.

NORTH BAY, Ont. (AP)—The first 28 nuclear warheads for Canada's Bomarc anti-aircraft missiles have arrived on station at North Bay, 180 miles north of Toronto.

SAIGON, Viet Nam (AP)—Delegates to an all-Viet Nam Buddhist congress have agreed on the main outline for a plan to reunify South Viet Nam's various Buddhist sects. A new ruling body will be created called the Association of Reunited Buddhists of Viet Nam.

STOCKHOLM, Sweden (AP)—Security police are investigating an attempt to burglarize the safe of the lawyer defending air force Col. Stig Wennerstrom, charged with espionage for the Soviet Union.

The intruders reportedly entered the lawyer's office during the Christmas holidays and tried without success to open the safe, in which documents on the Wennerstrom case were kept.

Wennerstrom was arrested last summer and police say he has admitted working for the Russians during World War II. He is being held at Stockholm police headquarters.

Big Send-Off Scheduled For Pope Paul On Trek

VATICAN CITY (AP)—The international waters. The military planes also will greet Pope's return flight from Jordan and Israel Monday.

Romans who attended New Year's Day masses at churches along the papal route to the airport were told the time to gather to cheer the pontiff on his way.

Bells in Rome's 450 churches will peal at the moment of take-off.

Pope Paul was in the midst

of a 3-day period of intensified prayer to prepare for his historic trip.

An afternoon spiritual retreat, or period of withdrawal from normal routine to pray and meditate, was scheduled in a Vatican chapel for the three cardinals and 30 other Vatican aides who will accompany the pontiff.

The Pope, in an appearance before a New Year's Day crowd of 30,000 in St. Peter's Square, said his trip "may have an impact for many years to come."

"We will remember you and will pray for God to give you grace," he said.

Philly Parade Tiff Simmers

PHILADELPHIA (AP)—Leaders of the Mummers, civil rights groups and the city seek today to resolve a controversy that threatened to flare into a demonstration before weather forced postponement of the traditional New Year's Day parade.

Mummers leaders, fearing the snow, ice and sleet would damage the flashy costumes,

postponed the parade until Saturday.

Civil rights groups oppose use of blackface makeup by some marchers.

Despite the postponement, an informal group called the Second Streeters marched briefly and many wore blackface.

There were no incidents and the Second Streeters said they would march again Saturday.

Magistrate Elias Myers, the parade director, banned use of blackface makeup this year, but rescinded the order after some clubs protested.

The National Association for the Advancement of Colored People and the Congress of Racial Equality then protested.

The city said it would not award prizes to participants who wear blackface.

CORE and the Committee for Freedom Now threatened to physically block the parade unless blackface marchers are banned.

Editor Succumbs

JACKSON, Mich. (AP)—J. K. (Jack) Walsh, 76, editor of the Kalamazoo (Mich.) Gazette from 1912 to 1956, died Wednesday. He was a past president of the Michigan Associated Press Editorial Association and was a member of the American Society of Newspaper Editors and the National Press Club.

Two Free Years Of College Urged

WASHINGTON (AP)—In the news from Washington:

FREE SCHOOLING: A commission of leading educators has recommended that two years of college should be available free of cost to all high school graduates.

"Unless opportunity for edu-

cation beyond the high school can be made available to all, then the American promise of individual dignity and freedom cannot be extended to all," the Educational Policies Commission said in a statement Wednesday.

It emphasized that the two years should be directed primarily at intellectual growth, not vocational or technological training.

REFUGEES RESCUED: The Coast Guard reports it rescued almost 1,000 Cuban refugees in 1963.

The Coast Guard, also assigned the task of preventing hit-and-run raids on Cuba by exiles, said most of the refugees it picked up were on small islands along the route from Cuba, but that some were plucked from small boats.

FARM POVERTY: Secretary of Agriculture Orville L. Freeman says rural America is facing serious problems of low farm income and deep poverty.

These problems, Freeman said, affect 15 million persons in the nation's rural areas.

The secretary said in a New Year's statement that he is particularly concerned with the prospects of a drop in farm income this year and hoped Congress would enact legislation to bolster the market, price and income for producers of wheat, cotton and dairy products.

FOREIGN AID: Foreign aid officials believe they still have enough money for an economic aid program nearly the size of last year's despite Congress' \$1.5 billion slash in new funds.

The funds available for overseas arms aid are down sharply from 1963. And the overall money total for the current 12 months is \$1.2 billion less than officials wanted.

What will ease the strain is the large carryover from money voted in past years. Officials of the Agency for International Development reported Wednesday that \$669,576,000 is available for the previously voted funds that were never committed or that have been recovered from unfulfilled projects.

Secrets Open For Research

WASHINGTON (AP)—The Pentagon has issued a new standard rule under which classified defense information may be opened to "trustworthy" scholars and others engaged in historical research, it was learned today.

The rule, in effect, requires such private citizens to pass the same kind of a security check as is given to civilian workers for the Defense Department.

This means a search of their background for any possible criminal or subversive record or connection.

"It treats these researchers from the security standpoint as though they were employees of the department," one official explained.

Until recently, each of the armed services and defense agencies imposed its own standards on outside researchers seeking access to classified material.

Some standards were stiff, some lenient. Some caused needless embarrassment, officials said.

The new rule applies throughout the Defense Department and is aimed at laying down uniform security clearance requirements for researchers.

It was inserted about two weeks ago into a 1967 directive on "safeguarding official information in the interests of the defense of the United States."

Officials said the clearance requirements will be minimum. The new regulation calls for steps "to assure that classified defense information is not published or otherwise compromised."

It requires that any historical notes and manuscripts based on research in classified records by persons outside the government shall be submitted for a security censorship review.

Hearing On Tyler Dam Scheduled

AUSTIN (AP)—The State Water Commission will hear Jan. 28 a request to approve reconstruction of the Tyler State Park Dam.

The State Parks and Wildlife Commission is seeking permission to rebuild the dam, which broke this summer and drained the reservoir.

An unnamed tributary of the Little Saline Creek filled the 1,000-acre-foot reservoir. An acre-foot is 2.5 million gallons. The reservoir was used exclusively for recreation.

The commission also will hear a request to impound 600 acre-feet from a tributary of Big Cypress Creek in Tyler County. Timberlake Development Co. seeks the water for recreational

CHEF CONLEY SULLIVAN

Don't Just Eat When You Can Dine Instead

By JO BRIGHT

"It is the little extras that make the difference in just eating and dining."

The opinion was expressed by Conley Sullivan, chef at Holiday Inn, who feels that homemakers can make meals more attractive by using some of the tricks used in the restaurant business.

"I'm a nut on giving attention to the small things that can put an ordinary dish into the gourmet class," continued Sullivan. "It may take only a few more minutes of your time to produce something that will win you a reputation as an excellent cook."

Sullivan is partial to serving guests buffet style, because imagination has free reign, and much can be done to make the meal attractive. An example is the glaze for turkeys or baked chicken which looks like frosting. The base is a simple white sauce to which plain gelatin is added. When spooned over the fowl it jells with a glossy finish that can be peeled back when the meat is carved.

Decorative flowers can be fashioned with halved cherries for centers and perhaps slivers of ripe olives for petals. Green onion tops can be used for leaves or stems and orange slices for larger flowers. "Commercial kits used to be available for making fancy designs with fruits and vegetables," said Sullivan, "but the art is dying because people simply will not take the time for it."

ARKANSAS NATIVE
Sullivan was born and reared in Walnut Ridge, Ark., and began to learn his trade there. As a high school student, and later when in college, he worked part-

time at a restaurant in Walnut Ridge owned by a family friend. He has been associated with the Holiday Inn chain since 1958.

He is married to the former Mary Esther Hutchinson of Greenville, Miss. They have one child, Stephen, who is four months old.

Sullivan said that he cooks at home only on rare occasions. His wife earned a degree in home economics at Delta State College in Cleveland, Miss.

"My wife is very conscious of proper diet," said Sullivan. "Our main difference in cooking methods is that she cooks what people should eat, and I prepare what they will eat."

SELF-TAUGHT
Sullivan did not attend a chef's school and has not taken courses in food preparation. He has learned the profession entirely from those he has worked with. He credits a chef who managed a country club at Denver, Colo., with teaching him some of the finer points of cookery.

When he eats at home Sullivan prefers beef to other meats. The only seafood he likes is oysters on the half shell, although he admits that if he catches fish he cooks them.

Sullivan said that he is like many other cooks in regard to giving recipes. Since he improves as he works, he is never sure of the measurements but hopes you'll like the recipes he shares today.

QUICK CHEESE CAKE

- 1 lb. cream cheese
- 6 eggs
- 1 tsp. vanilla flavoring
- 1 cup sugar
- 1 lb. commercial sour cream
- 1-3 cup sugar

TINY CREAM PUFFS

Glaze Cream Puff For Glamorous Dessert

A glamorous dessert are tiny cream puffs, glazed and served with a chocolate flavored sauce. The puffs are fried in corn oil and glazed while warm with a confectioners sugar frosting or a chocolate flavored syrup. Puffs can be also filled with ice cream and frozen until serving time. Delicious!

TINY CREAM PUFFS

- 1 cup water
- 1/2 cup corn oil
- 1/2 tsp salt
- 1 cup sifted flour
- 4 eggs
- Corn oil for frying
- Confectioners sugar frosting
- Chocolate flavored syrup for saucing

Bring water to a boil in saucepan. Add corn oil and salt. Add flour all at once and beat rapidly, over low heat, until mixture leaves sides of pan and forms a smooth compact ball.

Remove from heat, add unbeaten eggs one at a time. Beat hard after each egg is added until mixture is shiny and smooth.

Drop dough by spoonfuls into hot corn oil (375 degrees F.) in fry pan or deep frying kettle. Oil should be at least one inch deep but should not fill container more than one-third full. Fry about six minutes or until golden brown, turning to brown both sides. Drain on absorbent paper. Glaze with confectioners sugar frosting or chocolate sauce. Serve three to each person.

Cooled cream puffs may be split and filled with ice cream then frozen until serving time. Makes 3 1/2 dozen small puffs.

Confectioners Sugar Frosting: Stir warm water into sifted confectioners sugar to make a thin frosting.

Let cream cheese come to room temperature, mix cheese, eggs, flavoring and sugar until well blended. Pour into sponge cake pan and bake at 350 for 1 hour.

Mix sour cream and sugar and top cake, cook at 400 degrees for 10 minutes, cool and remove cake from mold.

BLEU CHEESE DRESSING

- 1 qt. mayonnaise
- 1/2 pt. sour cream
- 8 oz. bleu cheese
- 4 oz. cream cheese
- 1 tsp. lemon juice
- Salt, white pepper, tabasco sauce to taste
- 1/2 tsp. garlic powder

Blend mayonnaise, sour cream and cream cheese, stir in salt, pepper, tabasco, garlic and lemon juice, crumble bleu cheese and stir in by hand. Let dressing set over night before using. Keeps well and is better as ages.

OYSTER SOUFFLE

- 1 pt. raw oysters
- 1 bunch shallots
- 4 eggs
- 1/2 tsp. salt
- 1/2 tsp. white pepper
- 4 oz. margarine
- 1 pt. medium heavy cheese sauce
- 1/2 cup bread crumbs

Saute oysters in margarine, stir in diced shallots, cook until oysters curl around sides. Add salt, pepper, bread crumbs. Blend well with cheese sauce. Beat eggs well and stir into other ingredients. Sprinkle with parmesan cheese. Cook in moderate oven until brown.

Christmas Cake Good Always

This is an unique recipe for Christmas joy supplied by Mrs. Beulah Johnson who took it from her hometown paper in West Plains, Mo.:

SCRIPTURE CAKE

- 1 1/2 cups Genesis (18:8)
- 3/4 cups Proverbs (16:24)
- 6 cups Isaiah (10:14)
- 1 1/2 cups of Proverbs (30:33)
- 5 cups Exodus (29:2)
- 2 1/2 tps. Luke (13:21)
- 3/4 lbs. preserved seedless Isaiah (17:6)
- 1 tsp. Psalms (19:10)
- 1 tsp. Songs of Solomon (6:2)
- 1 tsp. First Kings (17:12)
- 1 tsp. Leviticus (2:13)
- 1 lb. Jeremiah (24:1)
- Flavor with 1/2 oz. Numbers (17:8)

To mix — beat Genesis 18:8, then add Isaiah 10:14, then Proverbs 16:24. Next add Proverbs 30:33 and Luke 13:21 first dissolved in Luke 3:16; next stir in Exodus 29:2, again Proverbs 16:24, then add Isaiah 17:6; scald in hot water dredged with Exodus 29:2, chop up Jeremiah 24:1 and add with Psalms 19:10, then put in Songs of Solomon 6:2. Then Proverbs 16:24, (beat); then First Kings 17:12 and Leviticus 2:13. Flavor with half ounce of Numbers 17:8. If needed add a little more of Exodus 29:2.

Slice Songs of Solomon 8:5 very thin; put a layer of batter and a layer of this alternately in pans until proper size, then cast in the Psalms 21:9 and follow advice of Ephesians 6:13. This recipe is sufficient for two cakes baked in 9 x 13 size pans. One may be frozen if desired. The cake is not too spicy, but moist and flavorful.

Festive Drinks To Serve Now And All Year

The holiday season is wonderful. It's the time for entertaining friends, neighbors, fellow club members and office associates. There are dinners and parties galore to plan with food and beverage abounding.

Traditionally punch and fruit cake or fruit breads carry associations of holidays and festivity. Why not, then, have ready these ever popular items.

CHOCOLATE MILK BANANA NOG

- 1 quart bottled or cartoned chocolate milk
- 2 eggs, slightly beaten
- 1 cup heavy cream
- 1/4 cup crushed peppermint candy
- 1 medium-sized banana, mashed

Combine all ingredients; beat thoroughly. Makes about 1 1/2 quarts.

VANILLA HOT CHOCOLATE

- 2 squares unsweetened chocolate
- 1/2 cup sugar
- One-sixteenth teaspoon salt
- 1/2 cup hot water
- 3 cups milk, scalded
- 1 teaspoon pure vanilla extract
- Vanilla whipped cream (optional)

Melt chocolate in top part of double boiler. Add sugar, salt and water. Mix well. Bring to boiling point over direct medium heat, stirring constantly. Add hot milk. Heat thoroughly. Remove from heat and stir in pure vanilla extract. Serve in warm mugs or coffee cups. Top with vanilla whipped cream, if desired. Yield: 6 servings.

For vanilla whipped cream, beat 1/2 cup heavy cream until almost stiff. Add 1 tablespoon sugar and 1/2 teaspoon pure vanilla extract. Beat only until stiff. Yield: 8 servings.

CHOCOLATE MILK MOCHA MALTED

- 1/4 cup prepared marshmallow cream
- 1/4 cup water
- 2 eggs, separated
- 1 quart bottled or cartoned chocolate milk
- 1/4 cup malted milk powder
- 2 teaspoons instant coffee powder

Combine marshmallow cream and water and cook over low heat, stirring constantly, until marshmallow is melted; cool slightly. Beat egg whites until stiff but not dry; gradually add marshmallow mixture, beating constantly, until stiff and glossy. Meanwhile combine egg yolks, chocolate milk, malted milk powder and coffee; mix well. Fold egg white mixture into chocolate milk mixture. Makes 8 servings.

VELVET EGG NOG

- 1/4 cup sugar
- 6 egg yolks, beaten
- 4 cups milk, scalded
- 1/4 teaspoon salt
- 6 egg whites
- 1/4 cup sugar
- 2 cups heavy cream, whipped
- 2 teaspoons vanilla
- Yellow food coloring
- Nutmeg

Beat 1/4 cup sugar into egg yolks; stir in milk slowly. Cook over hot water until mixture coats spoon, stirring constantly. Chill. Add salt to egg whites and beat stiffly. While beating, add remaining 1/4 cup sugar gradually. Fold egg whites and whipped cream into mixture separately. Add vanilla and several drops of yellow food coloring. Chill for several hours. Pour into cups and sprinkle with nutmeg or coconut flakes. Serves about 20 half-cup portions.

CHOCOLATE MILK CHESTNUT CREAM

- 4 eggs, separated
- 6 tablespoons sugar
- 1 cup bottled or cartoned chocolate milk
- 1/4 teaspoon rum extract
- 1/2 cup heavy cream, whipped
- 1 1/2 cups chopped cooked chestnuts

Combine egg yolks and 3 tablespoons sugar; mix well. Add chocolate milk; mix well and cook over low heat, stirring constantly, until thickened. Add rum extract; mix well and chill. Beat egg whites until foamy; gradually add remaining 3 tablespoons sugar, 1 tablespoon at a time, beating constantly until stiff and glossy. Fold egg white mixture, cream and chestnuts into chocolate milk mixture. Chill. Makes 6 to 8 servings.

HOLIDAY PIQUANT PUNCH

- 1 can (12 ounces) pear nectar
- 3 cups orange juice
- 1/2 cup lemon juice
- 1 quart carbonated lemon-lime soda
- Green food coloring
- 2 1/2 cups whipped instant nonfat dry milk crystals
- Maraschino cherries, halved

Mix pear nectar, orange juice and lemon juice in punch bowl. Just before serving add soda and enough food coloring to give punch a lime green color. Top punch with mounds of whipped instant crystals and garnish with cherries. Makes 8 servings.

To whip instant nonfat dry milk crystals, mix 1/4 cup instant nonfat dry milk crystals with 1/2 cup ice water in bowl. Whip until soft peaks form (3-4 minutes). Add 2 tablespoons lemon juice. Continue whipping until stiff peaks form (3-4 minutes longer). Gradually add 1/4 cup chopped maraschino cherries, drained.

Nut Torte

The cakelike layers utilize ground nuts plus a few tablespoons of bread crumbs instead of flour, and the dessert is filled and frosted with whipped cream.

Foreign Dessert New Cuisene To Conquer

By The Associated Press

What some people like about cooking is that there's always a new cuisine to conquer.

Some of the most interesting foreign desserts are those that come from Austria, and of these the most famous are torte. For these airy cakelike layers—concocted of ground nuts and a few tablespoons of fine dry bread crumbs plus eggs, sugar and flavoring—are sandwiched together and covered with whipped cream.

Here is an up-to-date American version of the nut torte using the comparatively new dry toasted nuts that come in jars. It's okay to bake the torte layers a few days before you plan to serve them. Covered tightly with transparent plastic wrap, they may be kept at room temperature, refrigerated or freezer-stored. The whipped cream

for the filling and frosting may be added shortly before offering.

Although the layers of this torte are as light as sponge cake, you'll find small portions of the dessert are in order if you're serving it at the end of a regular dinner. Make the portions bigger if it's to end a soup-and-salad lunch or supper.

MIXED NUT TORTÉ

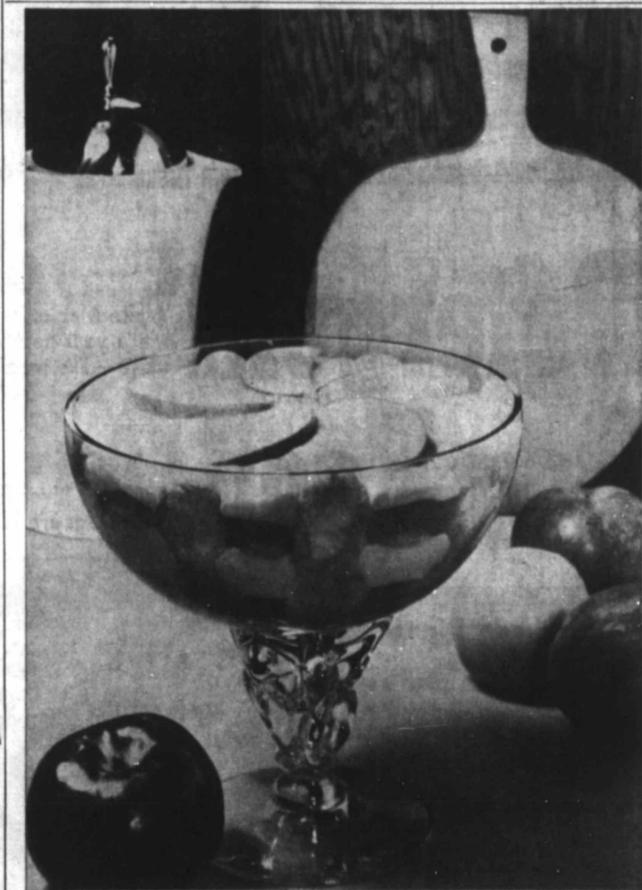

- 1 tsp. confectioners' sugar
- 1 jar (9 1/2 ozs.) dry toasted mixed nuts
- 6 eggs, separated
- 6 tbsps. sugar
- 1 tsp. grated lemon rind
- 2 tps. lemon juice
- 2 tps. fine dry bread crumbs
- 2 cups heavy cream

Grease two 8-inch round layer cake pans; dust lightly with confectioners' sugar. Finely grind enough of the nuts to make 1 1/2 cups; reserve remain-

ing nuts for garnish. Beat egg yolks until thick and lemon colored. Gradually and thoroughly beat in the sugar, about 2 tablespoons at a time. Stir in well the lemon rind, lemon juice, 1 cup of the ground nuts, and the bread crumbs. Beat the egg whites until they hold stiff straight peaks; fold in the egg-yolk mixture.

Turn into prepared cake pans. Bake in a slow (325 degrees) oven about 40 minutes or until top springs back when touched gently with finger. Place torte in pans on wire racks to cool completely; loosen edges with spatula and invert, easing out with fingers if necessary.

Whip cream until stiff, adding sugar to taste. To one-half of whipped cream, stir in the remaining 1/2 cup ground mixed nuts. Spread between torte layers. Spread remaining whipped cream on top.

Fresh Apple English Trifle

The apple has always been the king of fruit and the fruit of kings in England. Here cooked apple slices are layered with lady fingers and creamy soft custard to form a "trifle."

Americans Love Apple Dishes; Result Of Old English Custom

A love of apples is one of the customs early American colonists brought from England. The apple has always been the king of fruits there. Apples reached Northern Europe and England in prehistoric times and have figured in myths, legends, superstitions and poetry as well as in some of Britain's favorite dishes ever since there were men to write, recite or bite.

This year we've had, here in the United States, a fine yield of apples for fresh use—Delicious, McIntosh, Golden Delicious, Winesap, Rome, Jonathan, York, Stayman, Newtown, Rhode Island Greening, Northern Spy and Cortland in that order of volume, and many others.

FRESH APPLE ENGLISH TRIFLE

- 2 lbs. (8 cups) sliced cooked apples
- 2 tps. water
- 3/4 cup sugar
- 1/4 tsp. salt
- 1/2 tsp. ground nutmeg
- 1 tsp. grated lemon peel
- 12 lady fingers
- 1 cup soft custard
- 1/2 cup heavy cream, whipped
- 1 tps. sugar

Place apples and water in a saucepan. Cover and cook over low heat until apples are tender. Remove from heat and put through a sieve. Add sugar, salt, nutmeg and lemon peel. Mix well. Cool. Arrange lady fingers, applesauce and custard in alternating layers, having lady fingers on the bottom and custard

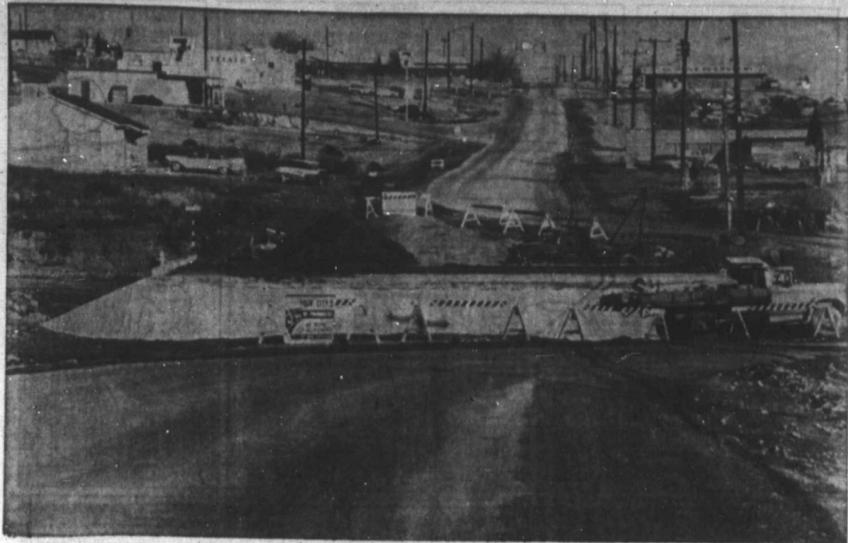

over the top. Chill until ready to serve. Just before serving, cover with whipped cream sweetened with the one tablespoon sugar. Yield: 6 to 8 servings.

SOFT CUSTARD

- 2 tpsps. sugar
- 1-16 tsp. salt
- 1 large egg
- 1 cup milk
- 1/2 tsp. pure vanilla extract

Combine sugar and salt in a three-cup saucepan or in the top of a double boiler. Add egg and mix until blended. Add milk. Stir and cook over low heat or hot water (not boiling) only until custard coats a metal spoon. Remove from heat. Stir in pure vanilla extract. Cool and chill. Yield: 1 1/2 cups.

NEW BIRDWELL LANE BRIDGE
Work complete on structure over Big Spring Creek

City Makes Good Progress On Bond Paving Program

Work on phase IV of the city's bond paving program is progressing according to schedule, according to city officials.

Curbs and gutters have been completed for 11 of the 15 sections of the project. Work also has begun on the four remaining sections, including a stretch from the south property line of Twenty-Fifth Street to the south property line on FM 700 on Birdwell Lane, which will cost \$54,598.43.

LARGE ITEM
Curb and gutter work began about two weeks ago on the second largest item in the program — on Twenty-Fifth Street from the east property line of Birdwell Lane to the east property line of the alley east of Central Drive. Cost for paving this segment is estimated at \$39,042.64, with the property owner's share of costs estimated at \$20,161.71. The remaining \$18,881.13 will be paid by the city.

Hugh Daniels, contractor, is doing all of the curb and gutter and paving work for Phase IV.

Curb and gutter costs for the project are estimated at \$1.44 a linear foot. The Twenty-Fifth Street segment will have a total of 3,844.65 feet. The Birdwell Lane section and a segment on Parkway Road from the south property line of Wasson Road to the south property line of Block 9, Douglas Addition No. 1, each have over 4,000 feet of curb and gutter, city officials said.

TOTAL COST
Total cost of curb and gutter and paving for Phase IV is estimated at \$187,309.36. Ernest Lillard, director of public works, said a proposed segment on Twenty-Second Street from the east property line of Main to the west property line of Runnels has been deleted from Phase IV.

BEGIN PAVING
Paving of the streets will not begin until after all the curbs and gutters for all of the segments are in.

Curbs and gutters are already completed on the following segments: Birdwell Lane from south property line of Third Street to the north property line of Fourth Street; Parkway Road from south property line of Wasson Road to south property

line of block 9, Douglas Addition No. 1; Navajo Drive from north property line of Wasson Road to south property line of Block 5, Western Hills Addition;

San Antonio from the south property line of Fourth Street to the south property line of Fifth; Clanton from the south property line of Thorpe to the north property line of Tract No.

Cuba Tobacco Stocks Shrink
WASHINGTON (AP)— Stocks of Cuban tobacco have declined to about a two-year supply. This type tobacco is used in cigars and cigarrillos.

Large stocks were imported before the government placed an embargo on shipments in 1960. Stocks remaining on last Oct. 1 totaled 19.2 million pounds compared with 39.9 million on Oct. 1, 1961. Usage has been running about 10 million pounds a year.

5 in the Kennebeck Heights Sub-Division; Lawrence Street from the south property line of Thorpe to the north property line of Mishler and the south property line of Roemer to the north property line of Tract No. 4 in the Kennebeck Heights Sub-Division;

Mishler from the east property line of West to the west property line of Clanton; Roemer from the east property line of West to the west property line of Clanton; Ringenger from east property line of West to west property line of Lawrence;

Bluebird from the south property line of FM 700 to the north property line of Webb Lane; Nolan from the south property line of Twentieth to the north property line of Twenty-First; on Stadium from the east property line of Settles to the west property line of Tulsa.

Archbishop Seeks To End Turkish Role On Cyprus

NICOSIA, Cyprus (AP)— Archbishop Makarios, Greek Cypriot president of Cyprus, has begun a campaign to end Turkey's special role in Cyprus, granted by the island's 1960 independence treaties.

Charging Turkey with "aggressive actions" in the communal strife between Greek and Turkish Cypriots, Makarios announced Wednesday night he would seek to dissolve agreements under which Britain, Greece and Turkey guarantee Cyprus' sovereignty.

The treaties with all three governments are interlocked, and all three must be abrogated to get rid of the agreement with Turkey. But Makarios and other members of his government have made plain the Turkish government is the object of their ire.

BLOODSHED
The action came amid fresh bloodshed on the 12th day since strife between the island's

Greek majority and Turkish minority turned violent. Three monks were killed and another three wounded in a raid Wednesday on a Greek Orthodox monastery 25 miles southwest of Nicosia. Survivors said five or six Turkish Cypriots made the raid.

Britain, now acting as peace-maker and policeman for its former colony, feared new reprisals by Turkish Cypriots if Makarios upsets the delicately arranged treaties without consultation with all sides.

In Turkey's capital, Ankara, a Foreign Ministry spokesman said his government stood by the treaties and promised "we will take every measure for their literal application."

ATHENS, Greece (AP)— The new caretaker government met today on the Cyprus crisis and authoritative sources said it had asked for an extraordinary meeting of the Atlantic

Alliance's Permanent Council in Paris.

RIVALRY
Shortly after the Greek Cypriot-Turkish Cypriot rivalry on Cyprus exploded into violence last month, the Greek govern-

ment asked for the North Atlantic Treaty Organization meeting. Later it withdrew the request when it appeared the conflict was being resolved.

Now the crisis appears to be heating up again.

Sources said the NATO committee was expected to take up the Cyprus issue in Paris this afternoon.

Help Sought By Malaysia

KUALA LUMPUR, Malaysia (AP)— The Malaysian government is reported considering an appeal to Britain, Australia and New Zealand for military personnel to help build up defenses on its Borneo border with Indonesia.

Informed sources said the proposed request was discussed Wednesday night in an emergency cabinet meeting. Mostly technical personnel are wanted, to improve such facilities as communication lines in the jungles of the Borneo states of Sarawak and Sabah.

All three Commonwealth allies have pledged to defend Malaysia against Indonesian President Sukarno's campaign to smash the new federation. Britain already has sent several thousand troops to North Borneo.

The cabinet meeting was called to discuss the clash Sunday in Sabah, formerly British North Borneo, in which eight Malaysian soldiers and a civilian were killed and 12 troops and five civilians were injured. The attack 30 miles inside Malaysian territory was blamed on Indonesian army regulars.

Indonesia, which claims the Malaysia federation is a device to prolong British colonial rule in Southeast Asia, has admitted to training anti-Malaysian rebels on Borneo. But it claims its troops are not involved in any active aggression.

Native Texas Radioman Dies

ELK CITY, Okla. (AP)— A native Texan who once was connected with four Texas radio stations was killed Wednesday in a traffic accident near Elk City, Oklahoma.

He was Bob Garrison, 32, who was born in Levelland and attended Texas Tech College in Lubbock.

He owned radio station KREK in Elk City at the time of his death. Two other persons in the car were also killed as they returned from a pheasant hunting trip in Nebraska.

Garrison formerly had interest in radio stations in Pampa, Kilbuck, Levelland, and Post.

Cars Collide

Police investigated only one motor vehicle accident Wednesday. It occurred on private property about 5:15 p.m. at the Tip Top Drive-In, 2200 S. Gregg, and involved George Archer, Gall Route, and Paula Dupuy, Coahoma.

New Viet Nam Council Meets

SAIGON, Viet Nam (AP) — a 59-member assembly convened in Saigon today to frame a new constitution and establish a form of government for South Viet Nam based on democratic principles.

The assembly, called the Council of Notables, will have no legislative authority. But it is supposed to serve as an interim link between the Vietnamese people and the provisional government installed by the military leaders who overthrew President Ngo Dinh Diem two months ago.

SNOWY HILL FULL OF KIDS, SLEDS—IN SUNNY SOUTH

Unaccustomed South Remains In Icy Grip

By The Associated Press

Unaccustomed to the bite of severe winter weather, parts of the Deep South remained in the grip of a storm Thursday that dumped as much as 16 inches of snow on some areas before moving up the Eastern Seaboard New Year's Day.

Moderating temperatures were expected to give some relief to the paralyzing ice and snow that swept northward from the Gulf of Mexico across Louisiana, Mississippi, Alabama and Georgia and into the Carolinas, Tennessee and Virginia.

13 DEATHS
There were 13 deaths directly attributed to the weather. Schools were closed in many sections and some colleges postponed registration for the new term.

Driving conditions remained hazardous in areas where re-

freezing left patches of ice on highways.

In Georgia, Civil Defense headquarters received requests for aid from several north and middle Georgia towns as broken power lines left some communities without electricity and communications were disrupted.

HIGH WINDS
About 300 persons were fed at an emergency kitchen set up in a school at Warner Robins in middle Georgia. High winds wrecked a fishing pier at Savannah Beach on the Georgia coast.

Huntsville, Ala., recorded one of the heaviest snowfalls in Dixie—16 inches. Eight inches at Birmingham, Ala., was the heaviest snowfall on records there dating back to 1895.

Snowmen appeared in the French Quarter of New Orleans, site of the Sugar Bowl football game, where more than three inches of snow ushered in the new year—again the most since 1895. A warming trend over Louisiana and Mississippi left deep slush that was expected to turn to ice during the night.

AIRPORT CLOSED
The 10-inch snowfall at Nashville, Tenn.—deepest since 1929—

resulted in closing the city's airport until noon today. Lawrenceburg recorded 16 inches and Columbia had 15.

A mild cool front from the Rockies was expected to seep into the Texas Panhandle Thursday night. But the Weather Bureau said most of the state will continue to bask in sunshine and warm temperatures.

Early Thursday, skies were clear and temperatures ranged from 26 at El Paso and 27 at Dalhart to 50 at Galveston.

A warming trend was forecast for the state Thursday night, excepting the Panhandle and far north and west portions of the state.

Soviet, China Hide Dispute

MOSCOW (AP) — The Soviet Union and Communist China have exchanged their usual New Year's Day protestations of friendship — without a word about the bitter ideological dispute that strains their relationship.

Both greetings predicted the estranged allies would march together to new successes in 1964.

"The friendship between the peoples of China and the Soviet Union is everlasting and unbreakable," said the greeting from Peking.

The message was signed by Communist Chairman Mao Tse-tung, Premier Chou En-lai and other leaders. It was sent to Premier Khrushchev and President Leonid Brezhnev.

Khrushchev sent a greeting to Mao Wednesday, saying "The Soviet people are sincerely happy at the achievements of our friend and ally the Chinese people on their path to socialism."

The greeting also pledged the Soviet Union "to strengthen friendship, unity and solidarity among all countries of socialism (communism)."

The Soviet hierarchy saw in the new year at a big reception in the Kremlin.

Khrushchev, in an expansive mood, proposed 13 toasts, including an appeal for further lessening of cold war tensions in 1964.

Free Funerals Go Untouched

SAN BERNARDINO, Calif. (AP) — Radio station KFXM was satisfied today its New Year's Eve safety campaign—accented by offering free funerals to traffic victims—was a success.

None of the approximately 225 persons who signed up for the offer collected. The deadline was 12:01 a.m. Wednesday.

The San Bernardino-Riverside counties area which the station serves had no New Year's Eve traffic fatalities.

"We certainly consider it a success," said Bob Bunnell, station manager. "Only one person called up to complain that the idea was in bad taste. The others thought it was a great idea."

BURLINGTON, Vt. (AP) — The Burlington Free Press said none of the 17 merrymakers who registered in its novel holiday safety promotion earned a free funeral.

The Free Press had offered a free funeral to anyone who planned to drink and drive on New Year's Eve.

"This was the third year of the program for the newspaper and it has yet to pay off."

Back At Home
Mrs. J. A. Westmoreland and Mr. and Mrs. W. D. Rowland returned Wednesday to Big Spring after being called to Bowie by the death of Lacey Green, Mrs. Westmoreland's brother.

Traffic Count Passes 200 But Falls Short Of Guess

By The Associated Press

The nation's traffic deaths for the midweek New Year's holiday, totaling more than 200, exceeded estimates of safety experts but was far below last week's Christmas toll.

The number of persons killed in traffic accidents during the 48-hour holiday period which ended at midnight Wednesday was 209. Related reports were expected to boost the total.

However, the toll appeared no larger than the daily average of 117 traffic fatalities reported during the first 11 months of 1963.

ESTIMATE
The National Safety Council had estimated in advance of the holiday that between 140 and 180 persons might be killed in traffic mishaps from 6 p.m. New Year's Eve to midnight Wednesday—a 30-hour period.

Council President Howard Pyle said Wednesday night that the final figures "definitely will go beyond this estimate." The Associated Press count showed that nearly 200 traffic fatalities were reported during the 30-hour period defined by the council.

There were 316 highway deaths during last week's 48-hour Christmas holiday while 382 persons died in traffic accidents during the 1962-63 New Year's weekend holiday of four days.

DEAR ABBY

In Defense Of Dallas

DEAR ABBY: I know there isn't one chance in a million of getting this in the paper, but I am going to write it anyway. I am eleven years old and I feel terrible. I live in Dallas and I want the whole world to know that not everybody in Texas is like the man who shot our wonderful President. It isn't fair that Texas should get a bad name because of one crazy mixed-up killer. Both Abraham Lincoln and James Garfield were assassinated in Washington, D. C. and nobody held it against that city. McKinley was shot in Buffalo and they didn't blame everybody in the State of New York. Please print this, Abby, because it will mean a lot to so many good people.

DAVID IN DALLAS

DEAR DAVID: I'll print your letter, but intelligent people all over the world already know that what you say is true. The ignorant we can only hope to educate. Those we can't educate we can pray for.

DEAR ABBY: What do you think of a lady who asks her dates to pay her baby sitter and she tells the dates that her sitter charges 75 cents an hour, but the sitter charges only 50 cents an hour, and the lady keeps the extra 25 cents herself?

DEAR SITTER: Not much!

DEAR ABBY: I recently at-

tended a large church wedding and I saw something I had never seen before. When the bride came down the aisle, everybody in the church stood up and faced her! Now, I have attended many weddings in my lifetime, but I have never seen anything like this. Is this a new style, or did everybody stand up to get a good look at the bride because a few started it?

BAFFLED

DEAR BAFFLED: There are so many variations on wedding ceremonies (and all are "correct") that one does not dare to say that there is only one proper procedure. I personally have attended only one wedding where all the guests rose and faced the bride when she appeared.

CONFIDENTIAL TO "B. B." IN SALT LAKE CITY: Sometimes the easiest way to get around something is by going through it!

Get it off your chest. For a personal, unpublished reply, write to ABBY, Box 3365, Beverly Hills, Calif. Enclose a stamped, self-addressed envelope.
