

A Texas Story?

President Lyndon B. Johnson might be telling a Texas story as he smiles and holds his hands apart at the Democratic fund-raising dinner at Miami Beach last night. Seated at the President's right is Mrs. Parviz Bryant, wife of Florida's governor. (AP Wirephoto)

Prizes Frozen By Swiss Government

MILAN, Italy (AP)—Blocked funds or not, the embattled Italian Foundation plans to name all its 1962 prize winners. Its secretary general, Col. Aldo Dunielli, says he will put up the prize money himself if necessary.

A Italian spokesman said Thursday prizes of about \$50,000 each probably will be announced this weekend for history and literary criticism, paleontology, astronomy and astrophysics, and political economy.

The Swiss government froze the Swiss-Italian foundation's funds in Swiss banks this week because of an internal dispute over the way the \$12,000 Italian prize for 1962 was awarded to the United Nations. A number of members of the Italian prize committee complain they were not consulted.

BERLIN (AP)—Deadlocked over opening the Berlin wall of Easter, West Berlin and East Germany will renew talks the second week in April on whether West Berliners may visit the Communist side during the Whitsun holidays in May.

MOSCOW (AP)—Denmark has accepted a \$285,000 cash settlement from the Soviet Union for old Danish property claims in Soviet territories, including Baltic territories taken over by the Soviet Union in World War II.

RESPONSIBLE HOMEMAKERS KNOW WHAT'S BEST FOR THEIR FAMILIES

many depend on TSO for professional eye care

Over the years, many responsible homemakers have learned through experience, or from friends, about the dependable, professional eye care available at TSO. At TSO members of your family receive a three-phase examination. First, a complete visual history is recorded. Next, the eyes are examined internally for evidence of disease or defect; then, for abnormalities of vision. Should glasses not be needed, there is only a \$4.00 charge for the eye examination.

And the cost of fine eyewear is most reasonable. Single vision glasses are as low as \$14.85. Invisibile bifocals are as low as \$17.85, including eye examination, lenses and frame. Single vision Micro-Sight Contact Lenses, if preferred, are \$65 complete. Bifocal contact lenses are also available at reasonable cost. Guard against eye disease, eyestrain and poor vision— with an annual, professional eye examination at TSO. Convenient credit at no extra cost. 670-100

State Park Rules Are Announced

Texas Parks and Wildlife Department, Parks Division, has released its revised rules and regulations which will govern state park properties. The new rules become operative March 1.

They apply, insofar as facilities and locale are concerned, to the Big Spring State Park, according to Burrell Cramer, superintendent.

Cramer also announced that effective date for keeping the park open until 10 p.m. will be March 29. He said that the sheriff's department has agreed to help him control the closing hour and empty the park at the 10 p.m. deadline.

The new rules which Cramer said were applicable to the Big Spring State Park are:

- No hunting shall be allowed on any state park land, and there shall be no shooting or killing of birds, animals or game of any sort within the state parks at any season of the year.
- No wild flowers, trees or shrubs shall be picked, cut, broken or otherwise mutilated.
- No intoxicating liquors or beverages may be sold or publicly consumed within state park boundaries.
- Loud unnecessary noises and improper conduct will not be permitted.
- No person shall wilfully injure or destroy or attempt to destroy or injure any state property of any kind.
- All concession rights within the boundaries of a state park are reserved by the Parks and Wildlife Department and will not be granted except by written permission.
- No person shall dump or deposit refuse in state parks.
- Firearms or fireworks will not be used or displayed at any time while in a state park.
- Horseback riding shall be permitted in designated areas only.
- Pets will be permitted on leash only.
- Motor vehicle travel in any park shall not exceed 20 miles an hour unless otherwise indicated.
- Travel in state parks shall be permitted on designated and authorized roads only.
- Only authorized traffic will be permitted in state parks after 10 p.m.
- Overnight camping (including shelters) will be by permit only, and at the site or location approved or assigned by the park ranger.
- Camping and shelter occupancy will be for a 10-day limit only.
- Minors will not be permitted to register or stay overnight unless chaperoned and accompanied by adults.
- Radios, recorded music and musical instruments will not be played after 10 p.m.
- Trailers having sinks, lavatories or toilet facilities will not drain waste on or into the ground.
- The number of guests occupying a cabin will not, at any time, exceed the authorized cabin capacity.

BOOSTERS SET CAR WASHES

Car owners and dealers are invited to take their cars to Tom Conway's Phillips 66, at 1811 Gregg, or to Austin Auids Magnolia Station, 300 E. 4th, Saturday where the Big Spring Choir Boosters will have car washes working. The hours will be from 9 a.m. to 5 p.m.

A rummage sale will be held the following Saturday, March 7, at the old First National Bank building from 9 a.m. to 6 p.m., where anything from an ash tray to a top hat will be sold.

Proceeds from both events will help finance the high school choir's trip to California in April, and to purchase needed equipment for the junior high school choirs.

Club Learns Of Exchange Program

Texas State School Week, which opens Monday, was stressed, as were the efforts of a group of students and adults to set up an exchange student program in Big Spring, at the Thursday luncheon of the Kiwanis Club.

S. A. (Soc) Walker, principal of Goliad Junior High School, was program chairman and presented Harold Bentley, sponsor of the Big Spring High School Student Council.

He, in turn, introduced two seniors — Robert Goodlett and Rick Price. These boys have been active in the program to have Big Spring designated as an exchange student school. The drive for funds is well under way, they told the Kiwanians, but a minimum of \$700 on deposit is required by June 1.

The boys told the club some of the salient details of the program and of the stiff requirements set up before a school can qualify for the program.

If the effort pans out, a boy or girl, carefully selected, will be brought here from one of a large number of cooperating countries. The student will attend school for a year, live in the home of a Big Spring family and become an active participant in school life and school activities.

Texas School Week, it was noted, will stress visits to the schools by patrons and an effort by school officials and others to provide better understanding about the schools to the public.

Glenn Delays Senate Campaign

COLUMBUS, Ohio (AP) — A mild concussion from a bathroom fall has delayed Lt. Col. John H. Glenn Jr.'s plans for starting his campaign for a U.S. Senate seat.

Glenn is in Grant hospital.

the result of a fall in his Columbus apartment Wednesday. He will be there at least until Saturday, possibly longer.

Glenn had planned to start his campaign for incumbent Sen. Stephen M. Young's Senate seat Monday, but aides said that all scheduled appearances for at least next week had been canceled.

Big Spring (Texas) Herald, Friday, Feb. 28, 1964 3-A

His schedule called for at least two speeches next week in which the former space hero sues.

Fourth Success In Launching

CAPE KENNEDY, Fla. (AP) — An intercontinental range Minuteman missile scored its fourth launching success in a flight of more than 5,000 miles.

The Air Force said preliminary tracking patterns indicated all test objectives were met.

ZOOOOOOOOOOOOOOOM (What the '64 Plymouth has)

The new Plymouth has special engines for lots of Zoooooooom (optional, of course). That's an important item to a number of people.

Others don't feel that they need quite that much Zoom. They are content to stick with the high performance of our standard V-8 or the economy of our standard six.

What's important to you... no matter how you

like your power... is a car that's designed to make the best possible use of it.

Power-hungry or not, test drive the new Plymouth. Consider the fact that Plymouth offers you a 5-year or 50,000-mile warranty* on the parts that keep you going. Then you'll know why we say over and over, "Get up and go Plymouth!" It does... and you should!

*HERE'S HOW PLYMOUTH'S 5-YEAR/50,000-MILE WARRANTY PROTECTS YOU:

Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964

automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Greets Guests

Mrs. August F. Taute, left, was welcomed to Big Spring by several hundred guests who attended the tea given Thursday in her honor. Here, she and Mrs. L. L. Patton, president of the Officers' Wives Club, are shown as they greeted Mrs. W. A. Hunt and Mrs. R.B.G. Cowper. The affair was held in the Officers' Club at the base.

Several hundred guests who called between the hours of 7:30 and 9:30 p.m. were welcomed to the Officers' Club at the base. The affair was held in the Officers' Club at the base.

Mrs. August F. Taute Honored At Tea

Mrs. August F. Taute, wife of the new wing commander at Webb Air Force Base, was honored Thursday afternoon at a welcoming tea held in the Officers' Club. Hostesses for the affair were members of the Officers' Wives' Club.

In the receiving line with Mrs. Taute were Mrs. Rex Fryer, wife of the wing executive; Mrs. L. L. Patton, president of the GWC and Mrs. R. L. Sandner, vice president of the club. Centering the refreshment table was a silver urn holding white carnations and stock, interspersed with pussy willows and leather fern. Flanking the centerpiece were branched, silver candelabra holding white tapers. The imported Army-Navy cloth covering the table was designed with alternate squares of lace and embroidered linen. Crystal and silver appointments were used.

Serving tea and coffee at the silver service were Mrs. G. E. Franks, Mrs. E. L. Masters, Mrs. J. B. Baird, Mrs. R. D. Wolfe, Mrs. B. F. Yeargin and Mrs. B. F. Underwood.

Presiding at the silver punchbowl were Mrs. C. W. Head, Mrs. M. E. Frantz, Mrs. J. C. Price, Mrs. W. A. Clair, Mrs.

H. H. Dahnke, and Mrs. L. J. McNeil.

Other hostesses were Mrs. D. D. Hartzell, Mrs. V. G. Nelson, Mrs. J. K. Fletcher and Mrs. O. I. Knutson. Chairmen were Mrs. L. G. Vale and Mrs. T. H. Normie.

Mrs. Taute was attired in a sheath dress of looped wool in blue-brown tones which she wore with white pearls and pearlized pumps. Mrs. Fryer chose a three-piece suit of white wool worn with green patent. Mrs. Patton's softly tailored suit was of black wool, and Mrs. Sandner's blue print jersey dress was worn with blue pumps. All were presented corsages of white carnations.

Opti-Mrs. Chart League Support

The Opti-Mrs. Club voted to contribute \$200 toward sponsoring a major league team in the Texas Little League at the Tuesday meeting at Coker's.

FOR MRS. ROBINSON

Stanton Rebekah Lodge Drapes Charter Monday

STANTON (SC) — The draping of the charter service was held Monday night at the Stanton Rebekah Lodge 287 in memory of Mrs. Thorin Robinson.

Rest Home Visit Made By Circle

Members of the Kate Morrison Circle of the Woman's Missionary Society of East Fourth Baptist Church visited the Jenkins Rest home Tuesday.

The devotional was presented by Rev. Billy Rudd on Romans 8. Songs requested by the patients were sung by the visitors and refreshments were served to 15.

Literary Recordings Heard By Sorority

Voices of literature were presented by Mrs. Marvin Steen at the Thursday meeting of Alpha Chi Chapter of Epsilon Sigma Alpha.

Mrs. Jerry Forsythe, 3233 Conally, was hostess assisted by Mrs. B. E. Reagan. Mrs. Bill Watson of Midland, who is the District 8 president, was a guest.

Newcomers Hold Bridge Meeting

Mrs. Dean Armbrust was high score winner at the Newcomer's Wednesday Morning Bridge Club that met in the Flame Room at Pioneer Natural Gas Co.

Mrs. Robert Parker won low score and Mrs. Lee Pierce was the group game winner. Mrs. Earl Ezzell and Mrs. M. D. Shanks, hostesses, served refreshments to 16.

Sorority Initiates Miss Terrazas

Miss Clauden Terrazas, daughter of Mr. and Mrs. Simon Terrazas, 1001 Bell, has recently been initiated into Gamma Phi Beta social sorority. Miss Terrazas is a feature twirler at Texas Technological College at Lubbock and is a freshman business education major.

McDowell Family Announces Birth

Mr. and Mrs. Lorin S. McDowell III are the parents of a son, Allen Blain, born Feb. 25 at Howard County Hospital Foundation, weighing 7 pounds, 2 ounces. Maternal grandparents are Mr. and Mrs. W. L. Welch, Silver, and paternal grandparents are Mr. and Mrs. Lorin S. McDowell Jr.

Jan Fields Is Honoree At Shower

A gift shower honoring Miss Jan Fields was given in the Flame Room at Pioneer Natural Gas Co. Thursday. Forty-five guests called between the hours of 7:30 p.m. and 9:30 p.m.

Hostesses for the affair were Mrs. Floyd Moss and Floydine, Mrs. James J. Smith and Gloria, Mrs. E. R. Patton and Joyce, and Mrs. R. B. Plowman and Janice.

Miss Smith and Miss Patton served at the refreshment table that was decorated in the bride-elect's colors of green and white. A white lace cloth over green draped the hostess table and was centered with an arrangement of white flowers flanked with candles. The appointments were silver and crystal, and wedding bells were used in the decorative theme.

Miss Moss registered guests at a table centered with an arrangement of orange flowers.

White carnation corsages were presented to the honoree and her mother, Mrs. Ted Fields.

Miss Fields wore a mauve two-piece suit and purple accessories.

Other honored guests were Mrs. Dudley McKaskle of Lenora, sister-in-law of the prospective bridegroom, and her mother, Mrs. Hattie Everett.

Miss Fields will marry Charles McKaskle March 7 at Westside Baptist Church with Rev. Kenneth Address officiating.

Dear Heloise:

Have you been wondering what to do with your old jars and tubes of foundation make-up now that one-step-matte finish make-up is available?

I take a jar, tube or bottle of any foundation cream, add to it a proportionate amount of my favorite face powder, mixing well until entirely absorbed. The cream will absorb more than you would imagine and still remain creamy.

This mixture can be applied to the face very neatly and works as well as any matte-make-up, I have ever tried.

Do try this, Heloise. It is a tremendous money saver for women. . . . Judith Tohlars

Hints from Heloise

Well . . .

Now I've tried everything! When this hint came in three months ago, I mixed some of my old face powder with my favorite face cream. I kept adding powder and powder and powder . . .

I was amazed at how much powder the cream absorbed. It

makes a beautiful creamy mixture. After 12 weeks it still has not dried out. It's great!

This started me thinking: I like to use cake-type make-up with a rubber sponge, so I decided to do some experimenting.

I poured some rubbing alcohol in a small bottle and then added powder. I shook the bottle until it became a nice lotion. I poured some of this in a little bottle and now I carry it in my purse. When I need a touch-up job I do not have to wet my sponge . . .

Since rubbing alcohol is a disinfectant, it can't hurt you unless you are allergic to it. My skin is oily anyway, and it's wonderful for me.

You might try making up a

"wee batch" of powder with your favorite brand of cream or mix some with a bit of alcohol and see if you like it. Try a tiny amount first.

I cannot thank Judith enough. I am most pleased not only to have saved a whole box of expensive powder, but to have learned how to make my own specific color foundation, too. . . . Heloise

Dear Heloise:
If you spill household bleach on black material, you can cover this over with a child's black crayon. Color the spot (or spots) and then iron the material between two sheets of facial tissue. Be sure to put a piece of paper over and under the material so that you will not get crayon on your ironing board or on your iron. . . . Ida Caulkins

Dear Heloise:
I keep a mixture of vinegar and salt solution in an old spray type plastic container for squirting on the bottom of my copper pots and pans.

In a flash, all it takes is a squirt from the bottle on the bottom of the pan, a quick rub with your rag or a soap-filled pad, and the pan becomes shiny immediately. Wash as usual.

If you cut the top off a washed milk carton and put the scraps from the table in the carton, then you have a container of food all ready for your dog's next meal and no container to wash. The carton may be thrown away after your doggie "dines." . . . Mrs. W. A. C.

(Write Heloise in care of the Big Spring Herald.)

RECEPTION SCHEDULED

Immediately following the 7:30 p.m. services Sunday at Webb Air Force Base, a reception honoring Rev. Robert Menard will be held at John H. Lees Service Club. All base personnel are invited to attend.

Mission Program Told At Meeting

Chaplains work and home missions were studied by the Woman's Missionary Society of Westside Baptist Church Tuesday morning.

Mrs. J. O. Murphy presented the program on chaplaincy from the book "Apogee." Also, she noted that overseas mission work has been started by servicemen. Mrs. C. L. Kirkland talked on home missions as discussed in "Apogee."

Duplicate Games Set In Different Clubs

Two announcements concerning forthcoming duplicate games were made Thursday night at the Webb Officers Club games by Capt. Ron Kibler, director.

Team of Four games will be played on March 4 at the Big Spring Country Club beginning at 1 p.m. and the Winners Games will begin at 7:30 p.m. March 10, at the Officers Club. Six and one-half tables were

in play Thursday evening with north-south winners listed as: first, Mrs. E. M. Bunn and Mrs. B. B. Badger; second, Mrs. Ron Kibler, Mrs. John Stone; third, Mrs. Riley Foster, Mrs. Rogers Hefley.

East-West, first, Mrs. J. H. Holloway, Mrs. Ben McCullough; second, Maj. and Mrs. Glen Lingelfelter; third, Mrs. John Davis, Denver, Colo.; Capt. Ron Kibler.

Forum Has Election Thursday

New officers were chosen by the Junior Woman's Forum Thursday afternoon at a meeting in the Community Room of the First Federal Savings and Loan Association building.

Mrs. Paschal Odum was named president. She will be assisted by Mrs. Earl Zetsche, vice president; Mrs. Wayne Henry, recording secretary; Mrs. Don Robbins, corresponding secretary; Mrs. Curtis Mullins, treasurer; and Mrs. Truett Newell, parliamentarian.

Mrs. Ronald Howard presented a program on the Peace Corps, and Mrs. R. S. Galbraith Jr. was welcomed as a new member.

Mrs. Don Wiley announced that the Western District of Texas Federation of Women's Clubs convention will be held in Odessa, March 18.

Hostesses were Mrs. Bill Pharr and Mrs. Jerry Barron.

Baptists Assist Hospital Patients

Volunteer work for the February community mission project was the Tuesday afternoon activity for six members of the Sand Springs Baptist Church Women's Missionary Union.

The group met in the church at 1 p.m. then went to the Big Spring State Hospital where they visited with patients.

The Week of Prayer will be observed at the next meeting.

Bacteria May Aid Spacemen

COLUMBUS, Ohio (AP) — Bacteria, part of man's life on earth, may help him to conquer space.

Scientists at Battelle Memorial Institute think the microorganisms, particularly the *Hydrogenomonas* species, should thrive on carbon dioxide, hydrogen, oxygen and some nutrients.

The carbon dioxide would be exhaled by the astronauts, and the hydrogen would be a by-product of electrolysis cells which are proposed as a means of producing breathing oxygen.

If bacteria could be produced in sufficient quantity, scientists say, they might be processed into food or other useful materials. Among other things, the study seeks best conditions for the fastest possible growth rate.

School Prayer Issue Still Boils In House

The Problem Is Prayer

WASHINGTON (AP) — On June 25, 1962, the Supreme Court barred recitation of an official prayer in the public schools of New York.

Shortly afterward, cut into the marble above the chair of the speaker of the House and picked out in gilt paint, appeared the legend "In God We Trust."

The target was obvious, and the speedy reaction was an indication of the opposition of many House members of the court's decision.

Nearly two years and several more court prayer decisions later, the issue still is boiling in the House.

No less than 144 resolutions to amend the Constitution so as to nullify the Supreme Court's decisions have been introduced

in the House. They have been referred to the Judiciary Committee.

Chairman Emanuel Celler, D-N.Y., ordered his staff to conduct a painstaking survey of the whole question. This report

Americans Raise Spending Totals

WASHINGTON (AP)—Americans raised their spending for goods and services by an average of \$94 per person in 1963 and this added up to \$17.7 billion, the Commerce Department said Thursday.

The \$17.7 billion, a 5 per cent increase over 1962, was equal to the total gain in disposable personal income.

has now been completed and is in the hands of Judiciary Committee members.

But Rep. Frank J. Becker, R-N.Y., is impatient. He introduced one of the first constitutional amendments to get around the court ruling. It would say nothing in the Constitution could be construed to bar prayers or Bible reading in public schools on a voluntary basis.

In an effort to speed things up, Becker has filed a discharge petition for his amendment, a device aimed at taking it out of the Judiciary Committee's hands and bring it directly to the House floor.

This takes the signatures of 218 House members, a majority, on the discharge petition. So far Becker has collected 149.

Reps. Emanuel Celler, D-N.Y., and Frank Becker, R-N.Y., left, are interested in the problem of nullifying a Supreme Court decision outlawing the reading of a prayer in public schools. Celler, chairman of the House Judiciary Committee, plans to hold public hearings on the many resolutions to amend

the Constitution to nullify the high court's decisions. Becker is impatient — he is trying to get signatures on a discharge petition to bring the problem to the floor of the House. The petition requires 218 signatures and Becker so far has collected 149. (AP WIRE-PHOTO)

Rusk To Avoid Political Activities

WASHINGTON (AP)—Despite an initial quick clash with Republican critics of administration foreign policy, Secretary of State Dean Rusk says he intends to avoid partisan political activities in this presidential campaign year.

But Rusk told a news conference that he cannot help "talking about foreign policy" during the next several months. What he will do, he said, is discuss foreign affairs issues "on a national basis, a bipartisan basis."

Rusk said in response to questions that "it's the desire of the President — the traditional desire of presidents — not to have the secretary of state take part in partisan political activities — and that suits my own personal attitude very well."

How fully he can succeed in this goal is unclear, however, because his news conference at the State Department Thursday afternoon brought questions of a kind he is certain to face more and more as the "grand inquest," as he called it, of policy discussion develops during this campaign season.

He was asked directly whether he would agree with a statement which the questioner attributed to Gov. Nelson A. Rockefeller of New York, a Republican presidential nomination contender, that the administration is deliberately hiding the facts of the war in Viet Nam from the American people.

He was also asked whether Sen. Everett M. Dirksen of Illinois, Senate Republican leader, was correct in saying that administration policy for Viet Nam is an enigma.

Such charges from the opposition party are beginning to bring home to Johnson administration leaders that they probably face a major debate over the President's handling of foreign policy.

"I don't believe," Rusk said, "that our policy is an enigma. And as far as the facts are concerned, we get a very heavy flow of facts from there (Viet Nam). I think they are made public out there and back here."

"There are some situations, of course, which you don't talk about."

"But I think the fact that there is concern in this country about the upsurge of Viet-

Cong (Red guerrilla) activity in the last three or four months represents the fact that the people have been informed that there is a problem, and it must be dealt with."

BAYLOR DEDICATION

Twin Virtues Are Compared

HOUSTON (AP)—An official of the U.S. Department of Health, Education and Welfare has compared the modern scientists to the frontier prospector.

Boisfeuillet Jones, special assistant to the secretary of the department, spoke Thursday night at a dinner concluding a two-day Baylor University college of medicine building dedication.

Jones said a prospector or a scientist "pits his knowledge and skill against the unknown searching for something that may or may not be there."

"And each is imbued with the prospector's twin virtues—passion and patience."

"Since the earliest days of our republic, there has existed powerful partnership in support of exploration. One partner has been the private investor or philanthropist — yesterday's grubstaker and today's donor. The other partner has been society collectively, represented by its government."

He said the government provided land for pioneers to develop in the early days of this country, and today it shares in the support of medical science.

"Here again," he said, "the overriding purpose has been the creation of conditions in which the individual—in this case the scientist—may develop to the maximum."

Dedicated were the M. D. Anderson basic science buildings, Jesse H. Jones clinical research building and Jewish Research Institute. The cost is \$8.5 million.

Champs Parade

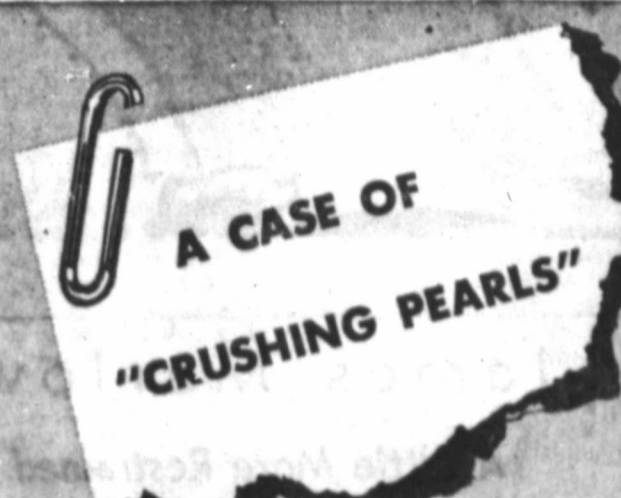

HOUSTON (AP)—The grand champion and reserve champion of this year's Houston Livestock Show and Rodeo paraded into the auction ring today.

The two steers—owned by Texas 4-H Club members—were chosen Thursday night before a full house in Sam Houston Coliseum during the rodeo performance.

Dan McBride, 13, of Llano, and Phyllis Presler, 16, of Borger were youngsters with the winners.

Dan's \$51-pound Hereford, named "Red Eye," was selected as the grand champion. Judge Jack McCrosky, Oklahoma A&M staff member, picked Phyllis' classy Angus, Jennings, a 930-pounder, as the reserve champion.

Owners of other breed champions and reserve champions competing in the final round of judging yesterday included: Brahma: Ben Schroeder Jr., Brenham, champion junior class; David Wolfe, Beeville, reserve champion, junior class.

Misunderstanding Christ on Church Membership

The word "church" has come to mean many things to many people. With more than 250 different denominational churches professing to follow Christ, it is easy to see how such vastly different concepts of the church have emerged.

These misconceptions have, in turn, produced misunderstanding about church membership.

Church membership to the individual in the first century consisted simply of being a faithful Christian. Christians in a given community made up the church.

In our age many think of church membership in terms of their denominational affiliation. In the first century, however, Christians belonged to no denomination because there was none.

Church membership to other people suggests their official responsibilities in a religious organization, bringing to mind their formal connection with some ecclesiastic body. Yet in New Testament times there was no organizational superstructure or ecclesiastic hierarchy of any kind.

In the first century every Christian in the very process of his conversion became a member of the church. In contrast, many today think of conversion as one matter, and "joining" the church as quite another.

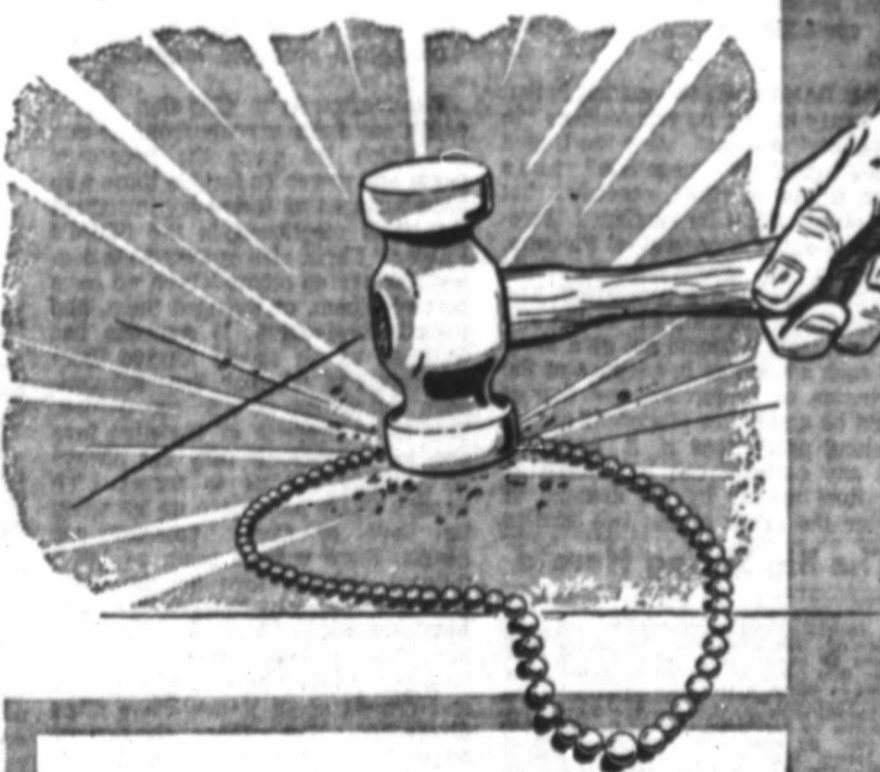

Inasmuch as all of the saved made up the church in the first century, early Christians had no difficulty understanding the relationship between church membership and salvation. Today some deeply resent the implication that church membership has anything to do with one's salvation.

All of these misconceptions of the church and church membership constitute a clear case of "crushing pearls" — a description given by Christ of those incapable

of comprehending certain spiritual truths (Matthew 7:6).

To be saved a person must be redeemed by the blood of Christ (1 Peter 1:18,19). A person redeemed by the blood of Christ belongs to Christ. All belonging to Christ are in His church.

The church is also described as the kingdom or spiritual body of Christ. Since Christ is the saviour of His spiritual body, the king over His kingdom, and head over His church—one must be in His spiritual body, His kingdom, or His church in order to be saved. This is an inescapable conclusion if the language of the New Testament is respected.

You are invited to attend the following churches of Christ:

Feminine Fanmail

Sen. Margaret Chase Smith, R-Maine, displays some of the thousands of letters she has received since she announced her candidacy for the Republican Presidential nomination. Her administrative assistant and campaign manager, William C. Lewis Jr., estimates that 96 per cent of the mail is favorable to the idea of having her head the Republican ticket. (AP WIREPHOTO)

Apparently, Women Are Not United On Presidency

WASHINGTON (AP)—The battle of the sexes appears to stop somewhere short of the White House door, for the women of the country indicate they are not solidly united behind Sen. Margaret Chase Smith's bid for the presidency. At least that's the indication if you count the women writing letters to the Maine Republican.

Generally the letters that have poured into her office since she tossed her bonnet into the GOP presidential nomination ring are favorable—about 96 per cent, her office estimates. And some are triumphantly favorable, such as the letter from a Granada Hills, Calif., woman who wrote: "A lady in the White House?"

Yes. Five million women in Washington could not have made a worse mess than we have today. And many of the men, some probably accustomed to the idea of a woman ruling the roost, are all for a "madam president."

Erhard Has Unique Success

By JOHN WEYLAND BONN, Germany (AP)—While other Common Market countries suffer from inflation, Chancellor Ludwig Erhard is having unique success in keeping prices down in West Ger-

Jets Collide, Pilot Killed

WALKER AIR FORCE BASE, N.M. (AP)—The Air Force said today two F84 jet fighters collided in the air during wing-towing landing practice Thursday night, killing one pilot. A spokesman said the Thunderstreaks were at a low altitude when they collided but Capt. Donald F. Divens, 31, Prescott, Wash., ejected and parachuted to safety. The dead pilot was identified as Capt. Allison F. Smith, 28, Pasadena, Tex. His body was found in the wreckage of his plane 10 miles southwest of Roswell.

Both men were with the 366th Tactical Fighter Wing of Holloman AFB, N.M., near Alamogordo where families of both pilots live. Smith is survived by his widow and daughter and his parents, Mr. and Mrs. Joe A. Smith of Pasadena. The planes crashed outside the military reservation on open rangeland, the spokesman said. Residents of nearby Roswell and other communities reported seeing two fire balls about the time of the collision.

Hearts Stolen In Loveland

LOVELAND, Colo. (AP)—Twenty-eight hearts have been stolen in Loveland, which calls itself America's Sweetheart City. Manager Mike Deuth of the Chamber of Commerce said 72 big cardboard hearts were posted on light poles prior to Valentine's Day and that only 44 are still up. A few of the red hearts, with words of affection in poetry, have been found in college fraternity houses.

Czechs Send Help To Cuba

MIAMI, Fla. (AP)—A shipment of food, clothing, medicine and agricultural tools said to be worth \$5 million has arrived from Czechoslovakia to aid Cuban victims of Hurricane Flora, Havana Radio said. The merchandise was donated by the Czech people and government for aid to Camaguey and Oriente provinces, according to the broadcast monitored Thursday night in Miami.

Lay Members Will Conduct Services Here

Lay members of the congregation will be in charge of the worship services at Baptist Temple church, Eleventh Place and Goliad, for both the 11 a.m. and 7:30 p.m. services Sunday.

Dr. H. M. Jarratt, as State Brotherhood vice president and member of the local congregation, will be in charge of the service in the absence of the pastor who will be concluding a revival in the Central Baptist Church of Elbow. Several men of the church will bring the music. The message will be brought by Judge Rupert R. Ricker, a pioneer Big Spring rancher, oilman, and former city corporation judge, who is now giving full-time to preaching in special lay services. He was recently the speaker at the San Angelo Association Brotherhood meeting, and has preached in hundreds of West Texas pulpits.

The Sunday evening service will be under the direction of F. D. Rogers, chairman of the deacons of the church, and a sermon in song will be given by Joe Dunn, music director for the church. Dunn assists in many revival services throughout the county each year, and was one of the members of the Japan New Life Crusade in 1963. The public is invited to attend.

Child Is Shot

MIDLAND (AP)—Rene Barlow, 5, was shot to death Thursday night when a shotgun his older brother was cleaning accidentally discharged. The boys were with a babysitter.

Turnpike Study On Deadliness

CHARLESTON, W.Va. (AP)—A study of the West Virginia Turnpike will be made by the National Safety Council to find out why the 88-mile highway is the nation's deadliest toll road. Traffic accidents have killed 115 persons on the toll road since it opened 10 years ago, the worst record of any toll road in the nation. The West Virginia Turnpike is one of the few two-lane toll roads in the country.

McLendon Raps Yarborough In Senatorial Drive Here

Gordon B. McLendon, candidate for U.S. Senator, opposing Ralph Yarborough, visited Big Spring Thursday in a whirlwind campaign through West Texas. He flew into Big Spring in his own airplane.

GORDON B. McLENDON

McLendon, radio executive, and former sports broadcaster, said he was happy over the response to his campaign in Texas, and that he believed he would be the next senator from Texas.

McLendon said he now could count on 41 per cent of the Democratic voters who want a more conservative senator, and that he felt sure he could muster more than nine per cent of the farm vote.

TIRED OF SPENDING

"I think, from what I have been told all over the state, that Texans are tired of the no-limit spending of taxpayers' money approved by the present Senator (Yarborough)," he said, "and that they want somebody who will call a halt to the devastating debt being piled up for future generations to pay."

McLendon said it was safer to be in a bathtub with a shark than to entrust tax funds to Yarborough. He also campaigned for a time limitation for all government bureaus, arguing that every agency should expire after 15 years unless reactivated by Congress.

PARIS NATIVE

McLendon was born in Paris, Texas, was graduated from the Atlanta public schools, and received his college education at Kemper Military School, Yale University, and Harvard Law School.

He served as an ensign, U.S. Naval Intelligence, South Pacific Theatre, during World War II. He is married, and has four children.

The candidate is president of radio station operations in Dallas, Houston, San Antonio, Buffalo, N.Y., Chicago, San Francisco, The Texas Triangle, Inc., and McLendon Radio Pictures.

He is a member of the boards for Texas Law Enforcement Foundation, Dallas Theatre Center, Dallas Symphony Orchestra, Inc., and others; director of the Dallas Variety Club, and member-at-large of the Dallas Area Council of Boy Scouts of America. He was named "One of 10 Outstanding Young Men" in 1951 by the U.S. Junior Chamber of Commerce.

HOSPITAL IS ACCREDITED

The board of commissioners of the Joint Commission on Accreditation of Hospitals has approved renewal of accreditation for the 3560th USAF Hospital at Webb Lt. Col. M. E. Frantz, director of base medical services, announced.

The base hospital is one of two in the Big Spring area which has been accorded the honor.

Standards for hospital accreditation are set forth by JCAH and concern professional, nursing and administrative areas of hospital operation.

Mission Due For Catholics

Webb will hold a Catholic Mission beginning Sunday and running until Friday, the Webb Air Force Base Chapel has announced.

The mission will be under the direction of Rev. Robert F. Menard of the Maryknoll Mission Fathers.

The mission will open Sunday at 7:30 p.m. with the rosary, principal conference and benediction of the blessed sacrament. Schedule from Monday through Friday will be mass at 6:45 a.m.; 9 a.m. to 11:30 a.m.—consultations and confessions; 11:30 a.m.—mass and sermon; 1 p.m. to 5 p.m.—consultations and confessions; and Rosary—7:30 p.m.

Rev. Menard was born and raised in Los Angeles. He served in the Marine Corps in World War II in the South Pacific. In 1947 he entered the Maryknoll Fathers Seminary and was ordained in 1956.

Since then he has served at Maryknoll Missions in Ycatan, Mexico. He returned to the United States in 1962 and has served in vocation and promotional work for the Maryknoll Fathers in Oklahoma and Texas.

Crushed To Death

SAN ANTONIO (AP)—An industrial accident early today crushed Michael Hernandez, 26, to death.

He was pinned in a stamp press as he adjusted the mechanism.

Change In Kentwood Zone Asked

Al Milch, agent for the Kentwood Corp., is seeking permission once more to locate a service station at the northeast corner of Twenty-Fifth and Birdwell Lane.

He has requested a zone change from IF-2 (single family residential) to NS (neighborhood service) for a 52 acre tract located there. The request will be heard at 5:15 p.m. Tuesday at City Hall by the planning and zoning commission.

This is the third time Milch has requested a zone change at that particular intersection, according to Ernest Lillard, director of public works. He said the last request (for a change at the northeast corner of the intersection) was made more than 120 days ago as required by city ordinance.

Last Jan. 7, however, the commission heard a request from Milch for a zone change affecting property across the street from the present request. The last request, affecting the southeast corner of the intersection,

was turned down on a divided 4-2 vote.

Home owners in the Cedar Ridge Addition protested Milch's request for a zone change at the northeast corner of the intersection, contending that if persons in the Kentwood Addition wanted a service station, it should be located there.

The southeast corner of the intersection is located in the Kentwood Addition and is owned by the Kentwood Development Corp. Milch's request for a zone change at this location was opposed previously by about 14 home owners.

Board members also will consider a request from Clyde Brown for a zone change from IF-2 to NF (multiple family) for the east half of Block 3, Central Park Addition, west of Settles. An apartment house would be erected on the affected property.

Owners of property located within 200 feet of the affected property have been notified of the public hearing.

FOUR SHARING

Methodists Plan Lenten Revival

Plans were beginning to take shape today for the Lenten Revival to be held in Big Spring during the week of March 13. The revival is being sponsored by Methodist Churches of the City.

According to the Rev. Henry Salley, a member of the publicity committee, the purpose of the revival is to revitalize the churches, call attention to the holiness of the season and bring in new members.

He said observance of the special week already has begun with prayer groups meeting in individual homes.

Kentwood Methodist Church will begin the Revival one week earlier than the other churches—First Methodist, Wesley Methodist and Park Methodist.

MORNING SERVICES

Services at Kentwood will be held at 7:30 p.m. nightly Sunday, March 8 through Friday, March 14. Breakfast will be held at 6:30 o'clock each morning followed by a devotional.

Morning services for the congregation of each church will be held at 10 o'clock daily during the next week, Sunday, March 15 through Friday, March 20, at the Wesley Methodist Church.

Rev. Lloyd Hamilton, district superintendent, will speak at the Monday morning service, and pastors representing other churches will speak at morning services during the remainder of the week, according to the following schedule: Tuesday, Rev. O. A. McBrayer, Kentwood Methodist Church; Wednesday, Rev. E. B. Thompson, Park Methodist Church; Thursday, Rev. Dewitt Seago, First Methodist Church. In addition, a lay speaker will preach at the Friday morning service.

SCHEDULE

Evening services will be held in each of the churches during the week of March 13 with speakers scheduled as follows:

Kentwood Methodist—Rev. O. A. McBrayer, St. Marks Methodist Church, Midland, accompanied by Rev. and Mrs. Gene Moore, musical director and vocalist from Amarillo.

Wesley Methodist—Rev. Lloyd Hamilton, superintendent

Chamizal Treaty Crosses Hurdle

WASHINGTON (AP)—A Senate-passed bill to implement the 1963 Chamizal treaty won approval Thursday of the House Foreign Affairs subcommittee.

The group acted shortly after hearing testimony from Thomas Mann, who helped negotiate the treaty when he was ambassador to Mexico. He is now assistant secretary of state for inter-American affairs.

The agreement calls for the United States to return to Mexico 437 acres in the El Paso area which it took over when the Rio Grande changed its course a century ago.

The bill authorizes \$44.9 million to help relocate American citizens, railroads and public utilities from the treaty area.

Publicity Head

Bonnie Jean Belda, daughter of Mr. and Mrs. V. J. Belda, formerly of Big Spring, has been elected publicity chairman of the Wesley Foundation, Texas Christian University. A graduate of Big Spring High School, she is a freshman nursing student at TCU.

Grand Jury Votes No-Bill

DALLAS, Tex. (AP)—The Dallas County grand jury declined Thursday to indict a woman who shot at a man she thought was senatorial candidate Gordon McLendon.

A no-bill on the assault to murder charge against Elizabeth Stone, expected in the

grand jury's Monday report, will clear the way for lunacy court action in her case, the Dallas News said.

Mrs. Stone, 48, was arrested at Dallas Love Field Feb. 19 after she fired a pistol at W. W. Dyer, 40, of Dallas as he boarded an airplane for Chicago.

She told police she thought Dyer was McLendon and she believed the Dallas radio man was a crime syndicate leader.

Mythical Order Of 29ers Opens Conclave Saturday

PITTSBURG, Kan. (AP)—World chapter No. 1 of the Order of 29ers—an organization of men, women and children born on the exclusive leap year day of Feb. 29—will open its 10th grand conclave Saturday.

There are no initiation fees, no dues, no meetings because its grand conclave is mythical and observed in spirit only.

The leap year organization is growing so fast that its founder in a spirit of levity, suggests that help from Congress or the President may be in order.

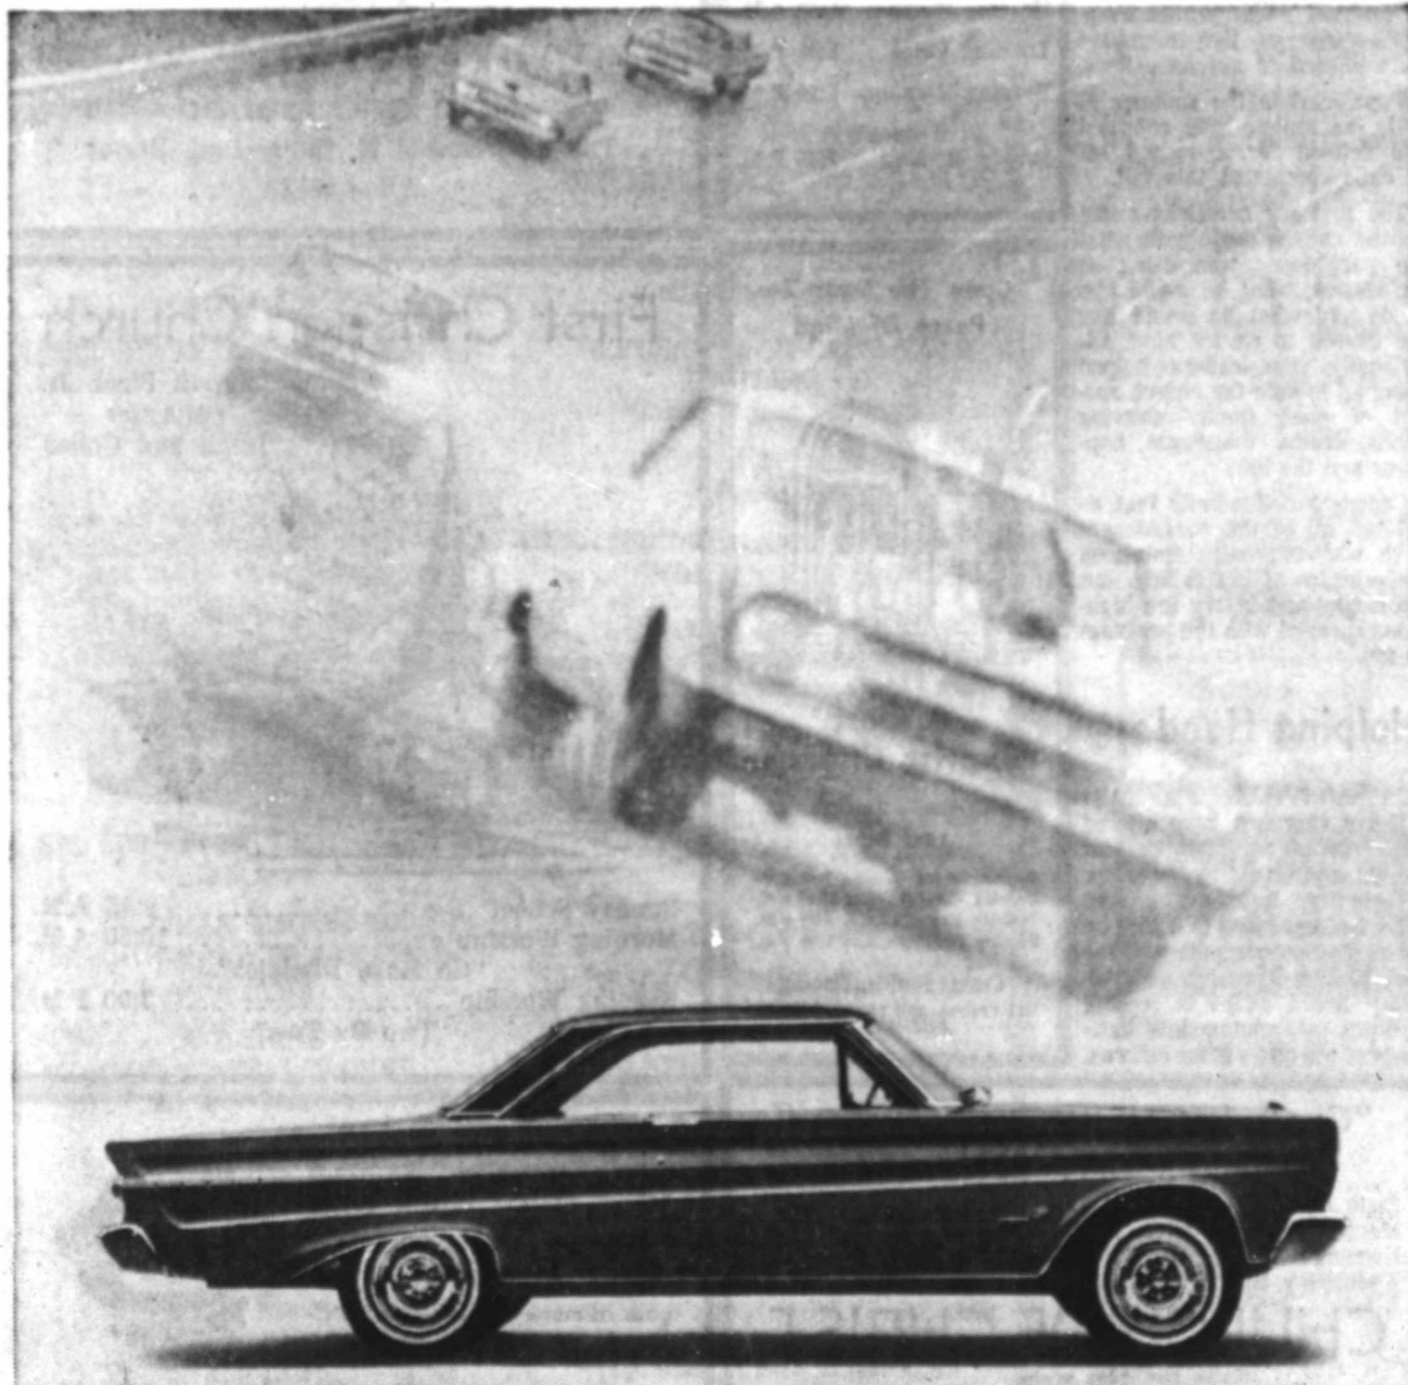

Pepper Martin, former St. Louis Cardinals baseball star, is among the nearly 2,000 persons listed on the rolls. Nearly every state and three foreign countries—England, Switzerland and Holland—are represented.

Just this month the order enrolled its first set of triplets. They are John Henry, Jacob Arle and Arend Jack Peter of Mt. Vernon, Wash., born Feb. 29, 1948.

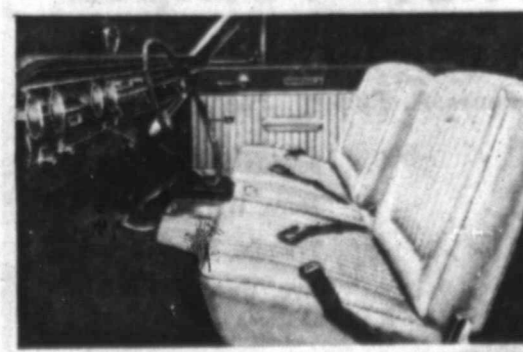

The order was formed in 1928 by the Pittsburg Headlight and Sun after F. W. Brinkerhoff, its

editor, editorially extended sympathy to those who were short-changed on birthday observances because of leap year.

Brinkerhoff said today the organization "got results the first year. Letters have poured in, not only from over the United States but from foreign countries, requesting memberships, which means scrolls—and scrolls and postage stamps do not grow on trees around here. This is one fraternal organization without initiation fees or dues.

ANNOUNCING THE COMET CYCLONE— WITH A HERITAGE 100,000 MILES LONG!

CAPTURES THE SPIRIT OF DAYTONA. Racy, sporty, elegant. wishing for spring

The good thing about the seasons is that all we have to do is wait. We may not like the weather we have now, but something different will come soon. We experience a great variety of weather in a dozen months.

It's a great consolation to have this mighty spectacle of spring and autumn, sun and rain, day and night continually unfold around us.

It's the dependable rhythm of nature, the ebb and flow of seasons, the beauty of earth and sky, which give our lives a firm ground tone.

But Christianity is not a nature religion. It finds the revelation of God not in nature alone but even more in human personality — our own, as the children of God, and supremely in Jesus as the Son of God. That is why it is necessary for us to become an important part of His Church.

We can get in the mood to understand the presence of God when we experience the quietness of the woodlands or hear waves breaking against the cliffs, or look heavenward at the billowing clouds. But it is not enough to get in a mood. We must join in the communion and fellowship of other believers in order to obtain our purpose and faith.

Come, let us go into the House of the Lord...

Sonic Boom Tests Result In Threats

OKLAHOMA CITY—Oklahoma might be well to have plainclothes men there," Draper said.

Draper then said the detectives were present in case opponents of the tests might decide to picket.

"This business of them being there because of the threat is just not true," he said.

Halaby said he was not aware of the reported threat until he was leaving the hotel "when I noticed five strong-looking men nearby were following me." He flew on to Los Angeles for the weekend.

At a news conference, Halaby said if the city "finds this experiment intolerable, it is intolerable to the national government as well."

The official emphasized that reaction to the tests will have a bearing on the government's decision about development of supersonic transport aircraft in the next decade.

Five detectives in plain clothes were assigned to Halaby while he spoke at a civic club dinner and later as he held a 15-minute news conference.

He came to Oklahoma City to discuss a six-month sonic boom test which the FAA began Feb. 3, and which has divided city residents into two groups—the furious and the curious.

The City Council voted Tuesday to ask the FAA to halt the tests, but the next day it decided to hold up any action until it can decide just what it wants to say.

Stanley Draper Jr., office manager of the Chamber of Commerce, confirmed an anonymous caller threatened Halaby, and he said police were notified.

"The phone call was passed on to me. Because of this and other crank calls we decided it

Stored Cotton Loses Value

WASHINGTON (AP)—Cotton stored for extended periods in commercial warehouses tends to decline in quality and value, an Agriculture Department research study shows. The results, it says, are substantial losses to the industry and added risks for merchants and mills.

Also, since changes in samples drawn at gins or upon receipt at warehouses may not reflect changes in the stored cotton, resampling after storage is frequent, with a corresponding increase in the cost for extra handling.

The report says that cotton stored for two years in four widely separated geographical areas indicates deterioration in quality of cotton grown in relatively dry areas can be reduced by storing it in the area of growth rather than by storing it in more humid areas.

The report says the market value of Texas High Plains cotton stored in Lubbock and Houston for two years declined an average of \$6.55 to \$9.40 a bale, respectively.

Warehouse Burns

HOUSTON (AP)—An abandoned freight warehouse burned for more than an hour early today before 72 firemen put it out. Damage was estimated at \$75,000.

♥ A Q J 7 2
♦ A J
♣ None

The bidding:
South West North East
1♠ Pass 1NT Pass
2♥ Pass 3NT Pass
4♥ Pass Pass Pass

Opening lead: Four of ♠

Today's hand was submitted to me by Harold Fagin of Scarsdale, N. Y., who in the early days was one of my favorite partners.

When North kept the bidding open by responding with one no trump, South was unwilling to stop short of game—and he flashed the forcing signal by making a jump-shift to three hearts. North dutifully continued to three no trump but, when his partner insisted on a suit contract, he showed his preference for hearts.

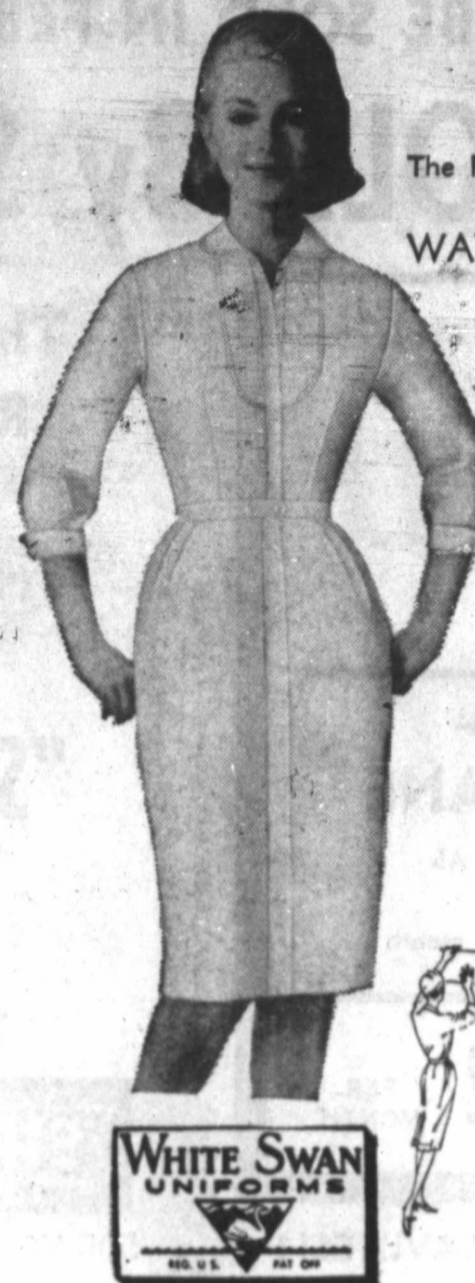

West opened the four of diamonds which was an unfortunate choice since it immediately dropped a trick, but it should be pointed out on West's behalf that he was hard pressed to find a lead that did not provide some comfort to the declarer. South put up the dummy's queen of diamonds, and when this held the trick he was able to lead a spade toward his hand. East played the ace of spades and then shifted to a trump. South put in the queen of hearts which lost to West's king.

There was a slight temptation to play the ace of clubs at this point for, if that card lived, West was assured of enough tricks to set the contract—one spade, one club and two hearts. However, if declarer were void in clubs, an attempt to cash the ace of that suit might prove fatal. Further reflection led West to the conclusion that his partner probably would not have released his ace of spades so readily unless he held additional strength in that suit. West accordingly decided to follow East's line of defense by leading another heart to cut down the dummy's ruffing power.

In returning a trump, West was careful to select the ten of hearts, even tho this temporarily surrendered his second trump trick. He reasoned that if South subsequently ruffed out a spade with North's nine of hearts, it would promote West's ten to winning rank—and he would at least break even in the exchange.

South won the heart return with the jack and immediately ruffed a spade in dummy. He returned to his hand with the ace of diamonds and drew another trump with the queen of hearts. He now attempted to split out the remaining two spades by cashing the king of that suit. West ruffed in however with the eight of hearts and East took the setting trick subsequently with the queen of spades.

Observe that West must return one of the higher hearts at trick three in order to defeat the contract. If he returns the six of hearts, South can win the trick in his hand with the seven and, after ruffing one spade, he can come back to the ace of diamonds, draw the remaining trumps and concede one more spade to East. In all, he will lose only two spades and one heart trick.

DEAR ABBY

Get Him To See The Doc

DEAR ABBY: When my daughter was in college, she eloped with a 6-foot-2, eyes-of-blue football star. We were upset at first, but got over it. Here's the problem. Every time they stay over night with us, I have to air out all the bedding afterwards. My son-in-law has a very obnoxious odor to his feet. It about knocks you over. It penetrates the mattress and blankets, too. The sheets I launder. I've asked my daughter to tell him to do something about it and she says there is nothing he can do. He washes his feet twice a day and wears only white socks. She said he had some kind of jungle fungus while he was in the Marines, but he's over that now. For a girl who couldn't stand the good clean odor of onions cooking, this takes the cake! Love isn't only blind—it smells. What do you suggest?

MIDWEST MOM

DEAR MOM: Your son-in-law needs desperately to see a doctor! And if he hasn't found enough to go voluntarily, find somebody who is 6-foot-3 to drag him there.

DEAR ABBY: I am a 17-year-old girl who has been going with a 19-year-old college sophomore since September. He is only 5 ft. 4, and I am 5 ft. 3 in flats. My problem is that he has asked me to go to the Junior-Senior Prom with him. I know I have gone out on dates with him to many other things, but I don't want to be escorted to this important affair by a boy who is so short. I'm afraid

Baptist Groups Schedule Joint Meeting Today

DALLAS (AP)—Three Baptist commissions scheduled a joint meeting here today. Thursday one of the groups adopted a resolution deploring federal aid to parochial schools.

The resolution by the Texas Baptist Christian Life Commission said principles of religious liberty were "in grave peril" because of the "clamor for aid to church-owned secondary and elementary schools."

The other statewide Baptist commissions elected officers at the quarterly meetings.

The State Missions Commission of the Baptist General Convention of Texas named Dr. W. Fred Swanik, Sagamore Hill Baptist Church, Fort Worth, as chairman; the Rev. Neal T. Jones, First Baptist Church, Vernon, as vice chairman; and insurance man Glenn Ratliff of Monahans, Tex., as secretary.

Johnson Wants A Good TV Part

By CYNTHIA LOWRY
AP-TV Radio Writer

NEW YORK (AP)—Television's passion for rerunning old and middle-aged feature films at all hours of the day and night has had a curious effect on the career of Van Johnson.

Although he is 47 years old and has been an important motion picture star for 20 years, use of these elderly films has gained him a legion of young fans.

This Peter Pan status in television currently bugs Johnson who yearns for some interesting, meaty dramatic parts.

"Hell," said Johnson heatedly, "I'd sure like to do something in television from New York. But how do you get on shows like 'The Defenders,' 'The Nurses' or 'East Side, West Side?'"

"Maybe they think that I'd want \$10,000 a crack, but I'd just like a good part. I'd pay them if they'd let me have it."

It isn't that Johnson has not had opportunities to do a television series.

"I turned down 'The Untouchables' when it was offered to me in Hollywood," he continued. "And I've never been sorry. Then—and now—I couldn't imagine driving to Desilu to work every day of my life."

The youthful-looking actor, revered now from two successful operations for the removal of a malignancy, is not just looking for work. His film commitments call for one picture a year and he has a very successful nightclub act.

"There's lots of money in playing nightclubs," he said. "But my big problem is that, after all those years of working at MGM, I can't get used to staying up late. I still wake up at 6 o'clock—ready to go to work."

Recommended weekend viewing:
Tonight—Bob Hope Theatre, NBC, 8:30-9:30 (Eastern Standard Time), Budd Schulberg's "Meal Ticket," about a retired prize fighter, with Cliff Robertson and Broderick Crawford; "Carol and Company," CBS, 10-11, repeat of Carol Burnett's

McNallen To Head Seminar

James B. McNallen, son of Mr. and Mrs. G. B. McNallen of 1700 Purdue Avenue, Big Spring, has been named general chairman of the 11th annual alumni business conference, sponsored by the New York University-Graduate School of Business Administration Alumni Association.

The conference will be held March 14, at Nichols Hall, 100 Trinity Place, New York.

McNallen has been a member of the board of directors of the Alumni Association since 1960 and currently serves as treasurer of that organization. He received his Master of Business Administration degree in June of 1960 and was the top marketing graduate of that year. He also was awarded the American Marketing Association, New York Chapter, Gold Medal for showing outstanding potential for leadership in the marketing field in May of 1960.

He resides with his wife and three children at 16 Dundee Road in Franklin Park, New Jersey.

McNallen is a Marketing Assistant in the marketing division of the American Petroleum Institute, New York City.

Brokerage officials and financial consultants will discuss the outlook for the economy and the securities market from both immediate and long range perspectives during the conference. Also featured on the program will be professional seminars conducted by executives in the fields of accounting, management, economics and marketing. The day-long conference will be held Saturday, March 14.
