

The FRIONA ★ STAR

Volume 50, Number 3

SUNDAY, OCTOBER 20, 1974

16 PAGES

FARMERS OF the area have been enjoying the Indian Summer weather of the past few days, and have been trying to get underway with the corn harvest in the local area.

The last part of this week featured beautiful weather, and most folks were hoping it could continue for awhile, so that farmers can get on with the harvest.

++++
THE WORLD SERIES is now history, and it was a relatively short series, going only five games, where the last couple had gone the limit of seven games.

Number one son Stanley posed an interesting question the other day. "Why do they call it the 'World Series?' They don't have any Chinese teams in it, do they?" he asked.

We had to agree that there weren't any out of the country teams.

In fact, this year's World Series set a record of sorts by being the first in history to be played between two teams from California.

It wasn't the first time for a World Series between teams from the same state, as oldtimers will remember some great series games between the old New York Yankees and the Brooklyn Dodgers, and others between the Yankees and Giants.

However, it was the first one between two teams from the West Coast.

++++
A PROGRAM on television earlier this week was looking into the side effects of high school football, from the standpoint of serious to fatal injuries.

You can't help but be aware of the three crippling injuries which have been suffered by players in our immediate region. One high school player from Roswell, N.M., died earlier this week from a neck injury.

Another, Kelly Forehand of Canyon, against whom the Friona Chieftains scrimmaged prior to opening the season, is paralyzed from his neck down due to an injury sustained in a game about a month ago. Funds are being collected locally to help with the Forehand hospital expenses.

Maybe this is just coincidence, or maybe it's facts that something needs to be done to keep the sport of football from killing or maiming some of our young men.

We're hoping that none of the accidents such as those shown on the program--or indeed, those which have already happened to area players--will befall the youngsters in our immediate locale.

When things of that nature happen, all of the pleasure derived from the sport suddenly becomes meaningless.

++++
SEVERAL PEOPLE have asked (mostly those involved) why we're running arrest stories concerning local young folks, particularly those involved with drug charges.

Several months ago, we decided that we had been "turning our head" where news of this nature was concerned.

We've always strived to publish the good news about our area residents, but many folks were wondering, "Doesn't Friona have any of the drug problems that other towns apparently have?"

We decided, right or wrong, that if we made a policy of printing arrest stories of this nature, it might serve as a deterrent for some youngsters who might be tempted to try their luck with drugs.

It may not help, but we figured it's worth a try.

NANETTE STARS...Some of the stars of the Thesplan Play, "No, No, Nanette" are shown during a rehearsal session this week. The musical production will be given Monday and Tuesday, October

21-22 at 7:30 p.m. at the high school auditorium. Standing, left to right, are Hope Mays, Phillip Duggins, Carol Bavousett and Cris Beck. Seated are Jeanine Jarboe and Steve Stone.

Area Records Frost; No Damage Seen

The Friona area recorded the first frost of the 1974 fall season early Tuesday. Although the frost was fairly heavy on windshields and lawns, only minimum damage was attributed by farm observers to crops in the area.

The official low temperature in Friona was 33 degrees that morning--just a degree above the freezing mark. The mercury fell to 33 again on Wednesday, although no frost was noted.

Cotton was the only crop which would have suffered serious damage from the frost, and observers said the cold air didn't hang on long enough to kill the plants. Some defoliation is expected to occur, however, and this could be beneficial.

Many gardeners reported that tomato plants were unhurt, and these tender plants usually are the first to be affected by frosty weather.

The slow gentle rains which visited the area last weekend left from one to two inches across the region, and the moisture was considered highly beneficial to the area's wheat crop. One farmer who lives northwest of Friona said the wheat is "Looking the best it has in a number of years."

The rain delayed the corn harvest somewhat, and also

put a stop to sugar beet digging, which had begun.

Corn farmers were beginning to try their fields again by the latter part of the week, basking in 80-degree temperatures at the high point. However, one of the problems being faced is the wet condition of the fields, making it hard for combines and trucks to operate.

A farmer from the Hub area remarked this week that the area farmland is the

wettest it has been in a long time. All of the rain received recently has been of the slow "soaker" type, with every drop soaking in.

County Okays Increase; Ambulance To Continue

Parmer County Commissioners Monday approved a contract with Parsons-Ellis Ambulance Service of Friona calling for an increase in the subsidy which the county had been paying, and assuring continued ambulance service for the county.

The City of Friona had earlier approved the increase in its monthly subsidy, and the City of Bovina also indicated it would increase its payment to the ambulance service.

Percy Parsons, owner of the service, had asked the three governing bodies for an increase, citing rises in operational costs, which have almost doubled since the county and local cities have been involved in the subsidy, as well as a low percentage of collection on accounts as causing the service to run in the red.

Because of state regulations, the ambulance service must maintain a 24-hour per day availability,

CHIEFS NOW 6-0

'Lopes Score Twice; Friona Wins, 28-13

It was homecoming at Abernathy Friday night, and the Antelopes put up a good fight. Having scored precious few points all season, the 'Lopes scored two touchdowns against Friona's previously tough defense.

Friona escaped with a 28-13 win, to remain unbeaten for the season--but the Chiefs found themselves trailing in a game for the first time.

Abernathy apparently had not read Friona's press clippings, because the Antelopes took the ball the first time they had it, and struck for a quick touchdown and a 7-0 lead.

Friona failed to move after taking the opening kickoff. After a first down rushing, quarterback Wayne Riley lofted a long pass to Mickey Davis at the Friona five. Two plays later they punched across the TD, and startled Friona with a 7-0 lead.

On Friona's third possession, the Chiefs were moving when Clay Bandy threw a long bomb which Dale Cleveland gathered in for a 42-yard gain to the Abernathy 39. Baize swept right for nine yards, and then would have had a first down with a 12-yard slant to the Tullia 18. But he fumbled as he was tackled, and Abernathy recovered to kill the threat.

A few minutes later, the Chiefs kept a drive going.

Again, it was Bandy to Cleveland for a nice 32-yard gain. Dale made a fine

catch, outreaching his defender, who was able to tackle him at the five. Robin Baize crashed over from the one, and Kenny Stowers knotted the score at 7-all, 40 seconds into the second period.

Abernathy missed a chance to take the lead, when Friona fumbled on its next possession. A Bandy to Carthel handoff went astray, and the Antelopes had it at Friona's 33. The home team drove to Friona's 12, but on third down, Gene Strickland, who has been Johnny-on-the-spot for Friona the past two games, took a pass away from the intended receiver in the end zone to save a touchdown.

It was Strickland's fourth pass interception in two games, three of which came in the opponent's end zone. A moment later, Gene's 51-yard punt moved the team away from dangerous ground.

The Chieftain defense set up an easy touchdown in the fading seconds of the first half.

The Friona line made it hard on the Abernathy punter all night. They rushed him and made a gang tackle at the Abernathy one. Two plays later, Bandy carried over on the quarterback sneak. Stowers kicked, for a 14-7 Friona lead. Only 33 seconds remained in the half.

The Chiefs pulled the punt rush again in the third quarter, and got the ball on the Abernathy 20. For a time, it appeared the

scoring chance would go for naught, as three running plays failed to gain. However, on fourth down Bandy spotted Cleveland all alone at the goal-line and hit the lanky senior with a strike. Cleveland's first varsity TD and Stowers' kick made the score 21-7, Friona.

Late in the third quarter, Bandy's passing and the running of Dee King moved the team into scoring position once again. Bandy hit King with a 12-yard pass to the Antelope four, and on the next play Dee carried in for the touchdown. Stowers made it four for four, and Friona had a 28-7 lead with 10:46 left in the game.

However, the Chiefs could not move the ball on their last three series. In fact, they fumbled it at their own 32 with 1:30 remaining and opened the gate for Abernathy's second score. Wingback Davis again got behind the Chieftain defense, and caught a pass for the touchdown. Abernathy's try for point was wide.

It was a mistake-filled game for the Chiefs, who committed four turnovers and were penalized 12 times--most in two years, for 117 yards.

Chieftain coach Bob Owen commented following the game "We were pleased for the most part. However, we need to eliminate the mental errors such as we made Friday."

The team was playing

without starting lineman Mitchell Wiseman, out with a sprain. In addition, tackle Danny Campbell sprained an ankle early in the second quarter, throwing some inexperienced people into game action.

Owen singled out linebacker Davy Carthel, nose-guard Roy Don Rector, and end Dale Cleveland for their defensive play Friday.

Next Friday, the season starts all over, as Olton's Mustangs, 27-7 victors over Morton in the district opener Friday, comes to town. Owen says he feels that the injured linemen will be ready next Friday, barring unexpected delays.

Services Set For Former City Resident

Orville (Red) Whitefield, 60, died Friday morning about 4 a.m. in the Parmer County Community Hospital. He had been a resident of Amarillo for the past 19 years, moving there from Friona where he had been a resident since 1935.

Whitefield was a graduate of Friona High School. Survivors are one sister, Mrs. Opal Buchanan of Friona and three brothers, Otho, Friona, Mike, Houston, Texas and Heard of Clayton, New Mexico.

Services were pending at press time.

Schoolboys Continue To Pace Predictors

Friona school students continue to stand out in the Friona Star's football contest.

John White proved to be the weekly champion in the sixth installment of the contest, breezing through a week of major upsets and turnarounds with a score of 13. White was awarded the weekly first prize check of \$5.00.

Another student, eighth-grader Chris Barnett had a score of 12, and took the weekly second prize of \$3.00. Barnett was only five points off the Friona-Dalhart tie-breaker score.

Two contestants, Mary Priest and Jane Bengel, tied for third place, and split that prize money. Both were exactly six points off the tie-breaker score.

Barnett was the only one of the 202 contestants entering to get as many as 13 of the games right.

Through six weeks, the contest has drawn a record of 1240 entries, an average of 207 per week.

Other contestants scoring 12s were Janis Auburg, Sharia Bengel, Stan Bengel, Ralph Broyles, Andy Hurst, Bryan Johnston, Lee Roy Nuttall and Larry Tims.

In the race for grand prize, leader Kenny Stowers scored an eight, to come in with 88 points for the season. He was gained upon by several contestants, while holding his own against many others.

Stowers now is tied with Jimmy R. Walker for first place, each with 88 points. Four contestants are grouped with 66 points. They are Charlie Clark, Larry Johnston, John A.M., Joy Morton and Mary Priest.

Gene Ezell of Bovina and Roy Smith are three points off the pace with scores of 65.

No less than 68 contestants have scores of at least 60 points, and are thus still in excellent position. Over 100 contestants are very definitely in the running, and with seven weeks of grading to go, with a total of 112 points yet to be earned, it's hard to count anyone out at this stage of the game.

Contestants are competing for a grand prize of two tickets to the 1975 Cotton Bowl game in Dallas and \$30.00 expense money. Second grand prize will be two tickets to the Sun Bowl Game in El Paso and \$25.00 cash. A third prize of \$15.00 cash is also paid.

Cattle Feeders Meeting Slated For Amarillo

A trio of timely topics for cattle feeders--exports, promotion and grading--will receive attention Monday and Tuesday when the Texas Cattle Feeders Association hosts its 1974 convention at the Hilton Inn in Amarillo.

After golf and tennis tournaments and registration the morning of Oct. 21, feeders from the Lone Star State will get down to the business of exports that afternoon. David Hume, administrator of the USDA's Foreign Agricultural Service, will lead off with an address on "Beef Exporting Opportunities." He will be followed by a panel: Akira Takagi of Japan talking on "Japanese Market Policy," Dr. Gerard Cullen of Ireland on "EEC Market and Policy" and Kenneth Monfort of Colorado on "Our Exporting Experiences."

On Tuesday morning, Oct. 22, the topic of beef promotion will be handled by Dr. Max Brunk, professor of marketing at Cornell University. This is timely,

"We believe there is a great long-range opportunity for exporting U.S. beef," says Glenn Deen, president of the Texas Cattle Feeders Association, "because people the world-over are wanting more beef, their purchasing power is increasing and U.S. feeders have the know-how to supply it."

Prior to a cattle feeders get-together that evening, awards for the High Plains Fed Beef Carcass Show will be presented. The convention is being held in conjunction with the Sixth Annual Carcass Show and simultaneously with the Texas CowBelles' annual conclave.

because cattlemen's groups throughout the country are currently in the process of organizing a new and expanded national program for beef market development.

"Beef grading changes," topic of Tuesday afternoon's panel, is especially timely to feeders and consumers, because the USDA is now conducting hearings on proposed changes. Richard Hormaechea of Idaho will discuss "The Cattleman's Position," Cal Santare of California "The Packer's Position," Cecil Hellbusch "The Retailer's Position" and John Pierce of Washington, D.C., "The USDA's Position."

Other speakers during the convention will include U.S. Senator John Tower of Texas and Drs. Zerle Carpenter and L.S. Pope of Texas A&M University.

FUND DRIVE...James Dunn, left, and Jay Messer, drivers for New Mexico Transportation Co. are two of the persons who have been hit up for contributions by Frank Trutt for the

Kelly Forehand fund at Bi-Wize Drug. Forehand is the Canyon football player who sustained a broken neck in a game recently.

Friona Flashbacks

...from the files of The Friona Star

45 YEARS AGO—OCTOBER 11, 1929

Dr. A. P. McElroy has let the contract for the erection of the building that is to house the new Friona laundry, Thomas & Thompson being the contractors. The building is being erected on Main Street in the McMillan-Fergus addition to Friona, on the north side of the city.

W. J. Coffman, living several miles south of town, was the first to bring a bale of cotton to his Friona gin this season. The bale was brought in last Thursday.

40 YEARS AGO—OCTOBER 12, 1934

Those in charge of Friona Consumers Company filling station and oil depot came near witnessing a serious fire in the building on Thursday morning of last week, when a heater got on fire. An over amount of distillate had gotten into the oil burning heater. It appears that two school boys who live in the country, had missed their bus the evening before and had spent the night at the company's sales room with Roy Williams, who was in charge as night man that night. About 5 o'clock Thursday morning while Mr. Williams was outside attending to his duties, the boys proceeded to light a fire in the heater and allowed too much fuel to get into the fire pot of the stove causing flames to cover the stove and fill the building with smoke.

35 YEARS AGO—OCTOBER 13, 1939

The severe drought of nearly three months duration in this locality, was broken last Saturday when clouds began during the forenoon, to drop their moisture in gentle showers, covering this locality and Parmer County and extending practically to all parts of the Panhandle. The rain left from one to two inches of moisture in the Friona territory.

30 YEARS AGO—OCTOBER 13, 1944

While working on a windmill tower at the Ivie farm, 15 miles southeast of Friona last Friday, Raymond Adams lost his balance and fell to the ground. No bones were broken, however, he was severely bruised and shaken.

20 YEARS AGO—OCTOBER 14, 1954

Law officers are investigating the robbery of the Piggly Wiggly store in Friona Wednesday night at which time \$257.01 was taken from a cash register by someone entering the building through a jagged hole in a rear door. The thieves pried the bars that cross the glass slightly, then broke the glass.

Soil and water conservation loans are available to eligible farmers in Parmer and Deaf Smith counties, Walter F. Johnson, county Farmers Home Administration supervisor, said this week.

15 YEARS AGO—OCTOBER 15, 1959

Hurshel Harding of Farwell has announced his candidacy for the office of county attorney, a position he now holds. His announcement is made subject to the Democratic Primary May 7.

Early reports of this year's grain sorghum harvest show decided signs that this year's crop may even exceed the 18,000,000 bushel proportions which was estimated earlier this year. According to managers of several elevators in the Friona and northern Parmer County areas the per acre yield is running quite a bit above last year's county average of 3,300 pounds per acre.

10 YEARS AGO—OCTOBER 15, 1964

Preliminary dirt work began last Friday toward construction of the new \$1 million high school building in the west part of town. Contractors say the building will be ready for classes next fall.

Marylene Massie, daughter of Mr. and Mrs. W.M. Massie, was crowned Football Queen during the Friona-Haie Center game last Friday.

5 YEARS AGO—OCTOBER 16, 1969

Carleen Greeson was crowned homecoming queen during the coronation last Friday.

The Friona area was startled last weekend with a killing freeze, which came earlier than usual, and may have damaged crops not harvested.

History Books At Binders

The Parmer County History books have experienced a slight delay in production, but are expected to be delivered within the next two weeks, it was announced this week.

Nelson Lewis of the Parmer County Historical Society, said that the books have been printed, and were in the process this week of being bound.

After the books have been bound, they will be shipped to Friona, and should be available by November 1.

Only the newspaper can carry so much news so far. That's why a subscription to the hometown newspaper is rated tops by service men, college students — those away from home. It keeps giving all year long.

THURSDAY—turkey and dressing, buttered carrots, cranberry sauce, hot rolls-butter, strawberry short cake, giblet gravy and milk.

FRIDAY— hamburgers, French fries, catsup, lettuce, tomatoes, pickles, mixed fruit and milk.

Pair Fined For Theft Of Tires

The Friona Police Department arrested three people for theft of tires and wheels from Reeve Chevrolet-Olds last Sunday night.

Arrested Monday morning were Curtis Adkins, 20, Robert Caswell, 18 and a juvenile youth who was released.

The young men were transferred to county court in Farwell, where they were charged with theft, a class A misdemeanor. They pleaded guilty, and were fined \$75.00 each plus court costs.

FRIONA STATE BANK

LETTERS TO EDITOR

Dear Bill,
The cry of the demagogue. Tax the rich, plug the loopholes, so the rich will be forced to pay taxes.

Edwin S. Coker, under-secretary of the Treasury, audits top tax expert has said, "Debanking claims that many wealthy people escape income taxes altogether, of 15,306 persons with 1970 incomes of over \$200,000, 99.6 per cent or 15,200 paid an average federal income tax of \$177,000 each for a total of \$2,700,000,000."

Tax the big corporations, sure, then they merely add the tax to the price of the product and is passed on to the ultimate consumer, and the ones who suffer the most is the farmer and livestock man, the only segment of our economy that actually produces anything.

In addition, the tax on corporations constitutes double taxation, Phelps Dodge Copper Co. for 1973 \$44,647,000. Dividends Taxes - \$67,800,000.

Thru the stockholder who has paid income tax on every nickel he has been able to put aside to take care of him when his earning days are past, invests his money in the manner of his choice, and the income he receives from whatever source is again taxed by a rapacious spendthrift go-

vernment. Our government is the Congress who makes the laws and raises their own salary.

Then when a person, who has been able to accumulate sufficient to take care of his later years, when at his death here comes the tax collector again to seize another big chunk of what he has left and on which he has been taxed in a myriad of ways.

Kindest regards,
Albert Johnson

Dear Bill,

We would like to thank the staff of the Friona Star for the marvelous help that they gave us with the Little Miss Friona Contest.

Often, the public does not realize all the time and effort that the Star's staff puts in on community events. We certainly did appreciate the coverage and especially the "helping hand."

Sincerely,
The Friona Jaycee-Ettes

Dear Editor,

Teaching people how to combat crime can be training lessons for the would be criminal. Maybe it would be better to remind them of all the disadvantages of being in jail and of all the things they would be missing.

William B. Sullivan
Vale, Ore. 97918, Box 250

Star Survey

BY LORRI EULER

The Question: What is your favorite hobby?

This week you find out the favorite hobbies of the Thespians of Friona High School. They had many different hobbies.

Coming up first was singing, with three votes, I guess that is really good since there will be a lot of singing in this year's play, "No, No, Nanette!" On a national level, raising tropical fish ranks first, amateur photography comes in second.

Coming in second were gymnastics and motorcycles with two votes each. Hobbies having only one vote were: volleyball, band, painting, bicycling, horseback riding, animals, knitting, poetry, snow skiing, water skiing, basketball and crocheting.

On the romantic side, one person said, "Watching the sunset."

Be sure and go to see the Thespian play on either Monday or Tuesday night.

TURNED-ON WORLD OF THE FUTURE

TODAY- WITH ELECTRIC HEAT

ASK ABOUT OUR BRIGHT STAR IN THE GALAXY OF ELECTRIC HEAT!

If you could take a peek into the world of the future... you'd see a lot of things that would amaze you. But one thing we don't think will surprise you is that electricity in its familiar "switch-flipping" form will still be around. And, the people of the future aren't going to be any less comfort conscious than we are, or any less concerned about saving energy.

Today's answer to saving energy while maintaining comfort? The heat pump — one unit that both heats and cools your home. For answers to all your questions about home heating, call us for a free electric heat cost survey... and ask about the Bright Star in the Galaxy of Electric Heating... the heat pump!

FOOTBALL CONTEST

Enter Our Contest Each Week
 ... Nothing to buy-Just Pick Winners
HERE'S YOUR CHANCE TO WIN CASH PRIZES

FIRST PRIZE	SECOND PRIZE	THIRD PRIZE
\$5	\$3	\$2

GRAND PRIZES

- Two tickets to the Cotton Bowl Game & \$30 Cash
- Two tickets to the Sun Bowl Game & \$20 Cash

CONTEST RULES

- Pick the winner of the 16 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
- Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
- Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be received in the Star office by Monday to be eligible, if mailed.
- The leading contestant at the close of 13 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$30 expense money. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chieftains games next fall.
- Only one entry per person.
- To count for grand prizes, entries must be on official blank printed in the paper.
- Contestants must be 12 years of age or older.
- Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.

TIE-BREAKER (Pick Score) NAME _____ Friona _____ Olton _____
 ADDRESS _____

Olton Is Opponent For District Opener

Friona and Olton have hooked up in some exciting football games during the past several years, so it is perhaps fitting that Olton will provide the opposition when Friona dives into district competition here next Friday.

Game time for the Chieftains' opening District 3-AA contest will be 7:30 p.m.

For the Mustangs, it will be their second district outing, they having played Morton on Friday, October 18.

This year's edition of the Mustangs features a well-balanced team, one that has produced a fine 6-1 record. Olton's only loss in non-conference play was to Floydada, 26-14, and the Whirlwinds are rated high in statewide class AA rankings.

The Mustangs have a veteran backfield, led by talented tailback Glenn Johnson, a junior who has been a varsity starter since he was a freshman.

STAT LEADER

Johnson was second among all district rushers (745 yards gained) for non-district games, by only six yards to Littlefield's Bill Turner. He also is one of the district's top scorers, with

68 points prior to the Morton game.

Jimmy Parker, the quarterback, started last year as a sophomore. Joe Alcorta, fullback, is a third junior member of the backfield, and senior flanker Bryan Allcorn comes from a well-known football-playing family in Olton.

The Mustangs also return most of their line from last year.

Braves Stung

Twice By Olton

Football Team

Friona Junior High teams were stung twice by visiting Olton teams here Thursday night.

Olton won the eighth grade game, 18-6, and the seventh grade contest, 12-0.

In the seventh grade game, an Olton player suffered a broken leg.

The eighth grade Braves jumped into a 6-0 lead when Kevin Kothmann recovered a fumble in the end zone. However, utilizing some wide running plays, Olton came back for a 12-6 halftime lead, and scored the only second half TD.

Olton is the team Coach Bob Owen predicted prior to the season would be the team to beat in District 3-AA, and his prediction has pretty well been borne out.

The game will mark the 13th straight year for the two teams to meet as members of 3-AA, and the seventh year for the game to open Friona's district schedule.

The Chieftains have won the last two games. Their 7-0 win here in 1972 was accomplished in a steady rain. Last year, the team fell behind 12-0 early in the game at Olton, but rallied in the second half for a 33-18 win.

LEAD SERIES

The Mustangs lead in the all-time series, 15 wins to five, but Friona has split even in games during the past ten years.

There have been other close games in the series. Friona won, 20-18 in 1965 enroute to the district title, and Olton scored a 6-0 win in a game at Olton in 1969.

8th Grade Team

To Be Guests

At Booster Meet

The eighth grade football team will be special guests at the regular meeting of the Friona Booster Club on Tuesday, October 22.

Members of the eighth grade team will be introduced. Films of the Friona-Abernathy game will also be viewed.

Chili Supper

Slated Here

A chili supper will be held here on October 25, prior to the Friona-Olton football game.

Sponsored by the junior class, the supper will consist of chili, stew, pie, coffee and tea.

Admission of \$1.75 and \$1.00 for 12 and under will be charged. Serving will be from 5-7 at the Friona High School Cafeteria.

DALHART ACTION.... Dee King (11) is shown making a gain running wide right in action against Dalhart last week. King had his best game of the season with 87 yards rushing including a touchdown. In the photo at right, Dusty Peters is being tackled by an unidentified Dalhart player, as Kevin Welch (44) comes up in the background. Friona won the game, 19-2.

ALL BUT FRIONA

District Teams Get Down To Loop Play

District 3-AA teams, with the exception of Friona, get down to the business of family warfare this week, and from all appearances, it will be an interesting race.

The district has amassed an impressive record against non-league foes, standing 20 wins, eight losses and a tie, a winning percentage of .707. Friona will be out to boost that percentage a few points Friday when the Chiefs visit Abernathy in the last non-league outing for 3-AA.

Otherwise, Dimmitt and the Mayberry Express will visit three-time champion Littlefield Friday, while Olton hosts Morton in the first district encounters of the season.

Autographed Football Tabs Available

The Friona Booster Club is in the process of selling tickets on an autographed football, to be given away at halftime of the Friona-Olton game here October 25. Tickets are on sale at various locations around Friona, and will be on sale at the chili supper here the night of the game, and at the stadium prior to the game.

Flying Queens Slate Clinic

The 17th annual Flying Queens Basketball Clinic will begin at 8:15 a.m. Saturday, November 2, at Hutcherson Center on the Wayland Baptist College campus in Plainview. The Flying Queens are the 1974 AAU and NWIT National Champions.

The program includes special guest speaker George Davidson, assistant coach at Texas Tech University, Lubbock, and successful high school coaches.

In the Dimmitt-Littlefield clash, two of the district's top rushers will meet head on, in the persons of Dimmitt's Robert Mayberry and Littlefield's Bill Turner.

For non-district play, Turner was the loop's leading rusher for total yardage gained, 751, with Mayberry right behind with 735 yards. Olton's Glenn Johnson actually managed to wedge between the two with 745 yards.

However, where Turner and Johnson have each been the workhorse for their respective teams, Mayberry has carried the ball just 57 times on the balanced Dimmitt team, and has a remarkable 12.9 yards per carry average.

Mayberry had one of those nights that leave opposing coaches shaking their heads in Dimmitt's 40-15 win over Lockney last Friday. The Bobcat speedster scored five touchdowns, and averaged over 20 yards per carry, getting 123 yards on only six attempts.

In addition to scoring three times on runs from scrimmage, Mayberry also scored on a 78-yard pass play, and returned a punt for another marker.

Coach Deane Wright pointed out that Lockney actually controlled the ball more, having it for 86 plays

to 38 for the Bobcats, and led in first downs and total yards. Unfortunately for the Longhorns, they just didn't keep the ball long enough.

In other league games, Friona remained unbeaten by thumping Dalhart, 19-2, and Olton powered past winless Idalou, 34-7. Littlefield ran into a potent Roosevelt team and lost, 30-0, and Morton fell victim to Muleshoe's first win of the season, 16-6.

Morton, still hurting by the loss of fullback Tony Soliz, had its punting game go sour. Muleshoe blocked one punt and recovered it in the end zone for a TD, and took advantage of another punt that went straight up for a field goal that shot the Mules into a 10-0 lead.

Friona continued its good defensive record, but missed out on a fourth shutout win of the season when Dalhart scored a second-period safety.

Keith Brock Named DeKalb Dist. Manager

A new district manager was appointed August 1 by DEKALB AgResearch, Inc., DeKalb, Illinois, according to Bobby George, southwestern regional manager.

Keith Brock, the district manager, is responsible for the promotion and sales of DEKALB seed products in the south plains of Texas and eastern New Mexico. He manages a dealer organization of 99 local farmers who sell DEKALB seed retail.

The graduate of Texas Technological College previously was a DEKALB sales representative. Before

he joined DEKALB he worked as a soil scientist for the USDA soil conservation service and farmed 560 acres of irrigated land at Friona.

Brock lives with his wife, Bettie, and his three children, Phil, 15, Rene, 12, and Greg, 9, in Lubbock. Brock was active in such organizations as Friona Methodist Church, Parmer County Farm Bureau and National Farmers Organization. He enjoys camping, traveling and has coached Little League baseball.

KEITH BROCK

BROWNIES INVESTED....Some 45 young girls were invested into Brownies during an impressive outdoor ceremony here Thursday, helped by a beautiful fall

afternoon. Brownie leaders are shown inside the circle of girls going through the ceremony.

Administration Seeks Medicare Offenders

"Donald Robinson's article 'The Spreading Sickness in Medicare,' in the October issue of 'Reader's Digest' gives readers a very false impression of Medicare program administration," William Ent, social security field representative, stated recently.

"The article dwells on several instances of attempts to abuse or defraud Medicare. Although the author presented these instances to try to show laxity in Medicare administration, I believe the truth is completely opposite to the points he tried to make. The cases actually reflect a degree of administrative vigilance that may be unprecedented in the health insurance industry," Ent continued.

"The facts are that the cases of fraud and abuse the author 'exposed' either were uncovered by our Bureau of Health Insurance or came to

light through monitoring systems that bureau establishes. In these and in hundreds of other cases of fraud or abuse, we have either prosecuted offending parties, or terminated their participation in Medicare, or denied or recovered a payment, or took other corrective action. Details concerning the cases mentioned in the article are available through any social security office.

"The 'overpayments' referred to in the article represent less than 1-10 of 1 percent of the billions that have been paid out under Medicare. Even so, these amounts have been turned over to the General Accounting Office for further collection efforts," Ent emphasized. "The Social Security Administration is committed to investigate every indication of possible wrong doing and to seek the most appropriate remedy."

SCS News

The election results for Zone I of the Parmer County Soil and Water Conservation District are in. Jimmie Cockerham was re-elected by a landslide.

Cockerham, who lives three miles north of Bovina, will serve a five year term of office as District Director. He has served the district well in his past term. He practices sound conservation on the land he farms and is a solid example that conservation pays.

The district which includes all of Parmer County is a legal subdivision of the state government. It is also a member of the Panhandle Regional Planning Commission. The office of director, even though it pays no salary, obviously carries a lot of responsibilities.

If you don't know Jimmie Cockerham make it a point to go by and meet him. He was elected to serve you.

Association Opposes Government Policies

The president of the Texas Farm Bureau has warned that the Ford Administration "must accept responsibility for the unusually sharp price declines in certain crops that are dependent upon foreign markets."

J.T. (Red) Woodson said the "so-called voluntary system for limiting exports of wheat, soybeans and feed grains will not be acceptable to American farmers if this plan results in continued disastrous price drops and loss of future export markets."

In a telegram sent to President Ford on Tuesday, Woodson said, "We respectfully request that you not use Presidential powers to restrict legitimate dollar sales of any farm commodity to any nation."

The president of the state's largest farm organization said the best solution to economic problems is non-interference by the federal government.

"The current supply-demand situation in grains and the problems in the live-

stock and dairy industries mostly have resulted from price controls and government-caused inflation," Woodson said.

"We must let the market system work if we are to have adequate supplies of food and fiber for the American people with

Lewellen Attends State Commissioners Meeting

Tom Lewellen, commissioner from Precinct one, was among some 1,000 county officials attending the annual meeting of the County Judges and Commissioners Association of Texas last week in Houston.

Also attending from Parmer County was Cecil Atchley of Precinct 3. Mrs. Lewellen and Mrs. Atchley accompanied their husbands. The convention headquarters was the Rice Hotel.

Commissioner Lewellen reported that the delegates to the convention heard a variety of speakers, discussing many topics of interest to county government.

Among the speakers on the convention program were Giles Hillenbrand,

National Association of Counties, Washington, D.C.; Secretary of State Mark White; and Charlie Lawrence, County Official Program Specialist from Texas A&M.

Also on the program were Governor Dolph Briscoe; Lou Stewart, Dallas County Judge and president of the association; Fred Hoffenz, mayor of Houston; former senator Ralph Yarborough, and Giles Dalby of Garza County.

October Is Cooperative Month

Cooperatives Serve!

COOP NATIONAL
COOPERATIVE MONTH
DURING OCTOBER WITH US

Cooperatives
are good
business
plus

Cooperatives are people in business to serve people. They're good business—but with a difference.

They are all kinds of people, working together to meet just about any sort of need imaginable... electric and telephone service, credit, getting farm supplies, insurance, housing, health care, marketing, and on... with efficiency, economy, and warm understanding.

Today's user-owned cooperatives—marketing, purchasing, or service—fit into the contemporary scene like hand in glove.

People in cooperatives are now people, actively participating in programs for community development, improving the environment, and bettering the quality of life for everyone, everywhere.

Cooperatives serve — by placing priority on people, making them a vigorous part of the American business system.

That's the big PLUS.

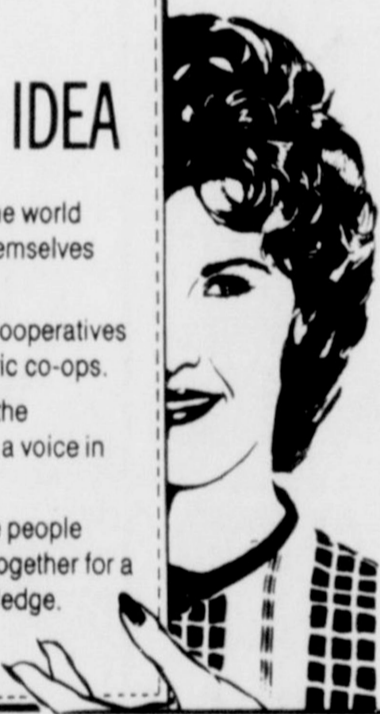

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

CHRISTIE KAY TRIMBLE...Mr. and Mrs. C.E. Trimble of Bovina announce the engagement and approaching marriage of their daughter, Christie Kay, to Ben Leslie McCain, son of Mr. and Mrs. Leslie McCain of Bovina. The couple will repeat marriage vows at 7 p.m. Saturday, January 4, 1975, in the First United Methodist Church here. Miss Trimble, a 1974 graduate of Bovina High School, is currently attending South Plains College in Levelland. McCain, a 1973 graduate of Bovina High School, is attending South Plains College and employed by KLVY Radio in Levelland.

Junior Clarks Have Baby Boy

Shain Alan Clark was born Sunday, October 6 at 11:05 a.m. in Parmer County Community Hospital. He weighed five pounds, fourteen ounces and was eighteen and one-half inches long at birth. His parents are Mr. and Mrs. Junior Clark of Friona. He is the first child for the couple. Grandparents are Mr. and Mrs. Virgil Widmier of Friona and Mr. and Mrs. Tom Collins of Texline, Texas. Great-grandparents are Mrs. O.F. Lang of Portales, New Mexico and Mrs. Mary Glass of Vega, Texas.

ON PRICE, SUPPLY

City Hears Report From Gas Company

Representatives of Pioneer Natural Gas Company met with the Friona City Council here last Monday night at the regular meeting of the council, and discussed supplies of gas and the recent rate adjustments made by Pioneer in its price to the city on gas delivered here.

The gas company representative said there were no drastic shortages in the foreseeable future, but in order to guard against shortages, the company was needing to increase prices, in order to allow for research for new supplies.

American Legion Post 206 had mentioned to the city about the possibility of the city buying the Legion building for City Library purposes.

LEASE INCREASED

After some discussion, it was agreed to continue to lease space from the American Legion on the ground floor of the building. The lease amount was increased from \$1,200 per year to \$1,800. The city will underwrite the water bill.

A resolution urging continuation of the Federal Revenue Sharing funds was drafted, with copies being sent to current members of the legislature from Texas.

The status of the county ambulance service was discussed. It was reported that the county has taken no action on the request for additional subsidy to Parsons-Ellis Ambulance Service.

A member of the council,

Dr. Robert Alexander, was to attend a meeting of the Panhandle Regional Planning Commission which was to discuss ambulance service for the area, with the possibility of government subsidy.

TO BUY TRUCK

In other business, the council authorized City Manager Jake Outland to solicit bids for a replacement for the 1964 Dumpster truck, with a new two-ton truck.

Outland displayed the Reeve Lake Park Plan, which was received recently from the Texas Parks Department. The city has adopted improving the park as a project.

Miscellaneous business included a status report on the city's efforts to secure land for a new sanitary landfill site.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

VICKI JEAN SALMON...Mr. and Mrs. Bill Salmon of Perryton, Texas, announce the marriage of their daughter, Vicki Jean, to Mark Walters, son of Mr. and Mrs. Joe A. Walters of Friona. The ceremony was performed by Terry Brown Saturday, September 7. The couple is living in the Hub community where he is engaged in farming.

JOSEPHINE MARIE RICE...Miss Josephine Marie Rice of Duke and Leslie Otis Brown, Jr., would like to announce their engagement and approaching marriage. Miss Rice is the daughter of the late Mr. and Mrs. Leo Rice, and Brown is the son of Mr. and Mrs. Leslie Otis Brown, Sr., of Olustee. The bride-elect is a graduate of Duke High School and is presently employed at Altus. The prospective bridegroom is a graduate of Duke High School and Southwestern State University, Weatherford, where he was president of Baptist Student Union. He is presently employed by Republic Gypsum Company of Duke. The couple will exchange wedding vows on Saturday, November 16 at Duke First Baptist Church with Rev. Everett L. Smalts officiating. They will make their home at Altus. Brown is the grandson of Mr. and Mrs. Travis Light of Friona.

Study Club Has Special Program

Members and guests of Modern Study Club were presented with a program on International Affairs at their regular meeting time last Tuesday evening.

The program was presented by Mrs. Mae Magness and her daughter, Mrs. Jacquelyn Hight, who told about the David Livingstone Adoption Agency for Korean children.

Mrs. Magness' daughter and son-in-law, Denise and Jerry Dillon, manage one of these adoption agencies in Tulsa, Oklahoma. They are responsible for selecting homes and delivering these children to the adoptive parents. In the last nine months they have placed 100 babies in the United States. The ladies also showed

pictures of the agency in Tulsa and Jacquelyn wore a dress that was made for her sister, Denise, by a Korean woman.

Preceding the program, which was introduced by Mrs. Ilene Osborn, a devotional was given by Mrs. Willard Stewart. Lisa Edelman entertained the group with two piano solos, "Born Free" and "A Taste Of Honey." Mrs. Allo Reeve, president, led a short business meeting.

Hostesses for the event were Mrs. Rhea Foster and Mrs. Beth Thompson. They served refreshments to the members and four guests, Mrs. Magness, Mrs. Hight, Lisa Edelman and Mrs. Nancy Edelman.

Sausage Dinner

Termed Success

Over 500 people were served last Sunday at the fifth annual German Sausage Dinner, sponsored by the St. Teresa's Ladies Society.

Winners of the door prizes were David Rodriguez of Bovina, the original painting; Pug Collier of Friona, the corningware casserole, and Larry Ball of Friona, the travel clock.

Other winners included Lloyd McMasters of Route 1, Friona, the 10-speed bicycle; Phillip Jesko of

Route 3, Muleshoe, the gas barbecue grill, and Tony Perea of Friona, \$25.00 cash.

Irma Raymond, Friona, won the stole, and Sylvia Roth, Friona, won the afghan. The large lighted picture was won by Mike Lopez of Bovina.

"The ladies of the society wish to thank those who came to the dinner, and all who helped in any way to make it a success. There is still some sausage for sale," stated a representative of the ladies society.

INTERNATIONAL HARVESTER INTRODUCES THE 95 SELF-PROPELLED COTTON HARVESTER

Wide, tall and deep row units, with long brush rolls, helps you strip fast, yet save all of the bolls.

Big diesel engine delivers 106 hp to keep you on the move in any field condition.

Hydrostatic Drive, standard, lets you precisely match ground speed to crop and harvesting conditions for maximum productivity.

Roomy cab is standard, includes pressurizer, filter, dome light, tinted safety glass, floor mat, mirror. Heater is optional.

Huge basket holds 655 cu. ft....dumps into 12-ft. high trailers....basket distributor attachment available to increase capacity.

Guide wheel axle is adjustable to row widths and to give you the amount of stability needed for your conditions.

The International 95 self-propelled cotton harvester gives you the fully proven cotton-saving ability of the IH

stripping system—plus the added advantages that self-propulsion offers over tractor-mounted units, including.... instant machine availability whenever your crop is ready....good balance for handling ease and maneuverability.... excellent visibility down the rows.... convenient accessibility for servicing.... plus the comfort and convenience you get from working inside an enclosed cab.

The 95 harvester turns out plenty of power to handle nearly every situation you may encounter. Teamed with the economical diesel engine is Hydrostatic Drive, thoroughly proven by IH to increase productivity in tractors, combines and spindle type cotton pickers.

Inside the comfort cab, you're surrounded with convenient controls for every operating function. Gauges keep you informed of engine performance so you can maintain operating efficiency. Hydrostatic power steering and disc brakes give you complete control at all times. And Hydrostatic Drive gives you speeds to match crop and field conditions, with the result that you can harvest more cotton per day.

PARMER COUNTY IMPLEMENT CO.

Friona

Elaine Phipps, Johnnie Williams

United In Church Ceremony

Miss Elaine Phipps became the bride of Johnnie Williams Saturday, September 7 at 11 a.m. in the Wood Chapel Baptist Church in Arlington, Texas.

She is the daughter of Mr. and Mrs. Hal Phipps of Friona. The groom is the son of Mr. and Mrs. Jack F. Williams.

The church was decorated with happiness and light pink bows with white doves in the large evergreen at the entry of the bridal path with bows along the church. The bride walked beneath an arch of greenery and down the aisle trimmed in the bride's chosen colors and white doves marked the pews.

White satin covered the aisle to the base of a large bouquet of happiness gladiolas, carnations and bristol fairy. Topaire trees with bows and white doves on top were placed to each side of the steps.

The altar was decorated with palm trimmed spiral candelabras at each side of the arch of palm leaves, pink mums, and satin bows

with a pair of seven-armed candelabras, bouquets and garland greenery. Swags edged the rails with a pair of doves at each corner.

Given in marriage by her father, the bride wore a formal length gown. The gown was fashioned along the empire princess line with crystal organza and Victorian neckline edged in lace. Long puffed gathered sleeves had lace cuffs and miniature satin bows at the wrist points.

The floor length veil was covered with lace and edged the tulle caplet. She carried a bouquet of ter-tone rubrum lillies with bridal pink roses, variegated essence and euchs leaves entwined with happiness and light pink satin tied in love knots.

Brenda Tiller of Muleshoe attended the bride as maid of honor. The bridesmaids were Nita Turner of Austin and Ann Winkles of Arlington.

They wore happiness pink satin knit dresses designed with empire waistlines and

long gathered sleeves ruffled at the wrists and edged with pedal pink lace and velvet belts.

They wore picturesque hats of sheer braid and lace covered brims and carried bouquet nosegays of happiness satin variegated essence and pink elegance outlined with lace.

Sheryl Frye of Friona and Amy Miller of Arlington were the flower girls. They carried pink baskets trimmed in happiness satin with pink tulle and tubing leaves filled with petals.

Jacky Williams, brother of the groom, was best man. Groomsmen were Mark Gray and Woody Land, both of Arlington. Kevin Frye of Friona was the ring bearer. He carried a satin pillow edged with ruffles and deep pink satin nestled the twin rings.

Joe Miller of Arlington was usher. Candlelighters were Lori Jackson of Adrian and Ron Martin of Odessa.

The bride's mother wore a floor length knit dress with a pink lace coat. Her corsage was pink Japhet orchids.

The groom's mother wore a beige dress with lace sleeves and her corsage of pink Japhets.

The mothers were presented a rose from the bride and groom.

Palm trees and bouquets of pink flowers decorated the reception hall.

The bride's table was covered with pink lace and an underlay of deep pink. Centering the table was an arrangement of pink flowers, leather leaf and candles. The pink float punch was served from a silver punch bowl with candle-lit stairs leading to

Mrs. Johnnie Williams

the top of the layered wedding cake.

A groom's carriage topped the coffee cake among ivy entwined candles and silver coffee service and finger sandwiches.

Out-of-town guests were Mr. and Mrs. Charles Davis of Pensacola, Fla.; Mr. and Mrs. Lon Martin and children of Odessa; Mr. and Mrs. Lawrence Jackson and children of Adrian; Mr. and

Mrs. Monty McDonald of San Antonio.

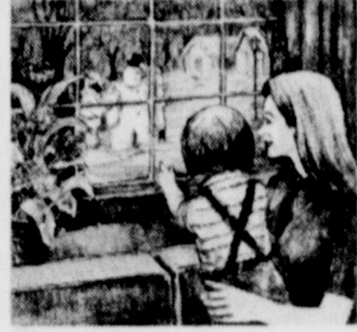

Miss Phipps is a 1970 graduate of Muleshoe High School and the groom is a graduate of Arlington High School. They are now living in Arlington.

REHEARSAL DINNER

Mr. and Mrs. Jack Williams, the groom's parents, hosted the rehearsal dinner at a local restaurant in Arlington.

WANT ADS - WORK WONDERS

COMFORT
EFFICIENCY
ECONOMY

you get it all with

NATURAL ENERGY **Gas Heating**

Fresh, warm air gently circulating from floor to ceiling... so nice to take for granted

Comfort is clean gas heat

And that dependable comfort is such a bargain here in West Texas. Though gas energy costs a little more than it use to, gas furnaces still cost less than one-third as much to operate as similar electric furnaces.

And at the same time you're saving money with gas heating, you can also have a warm feeling knowing that you're helping conserve energy. Gas heating uses only half as much energy as an electric system doing the same job.

Comfort, efficiency, and economy... you get it all with natural energy gas heating.

Future Teachers

Have Salad Supper

The Ethel Bengner chapter of Future Teachers of America held a salad supper Monday night, October 14 in the High School cafeteria.

The supper was attended by approximately seventy-five members, teachers and sponsors, Mrs. Frank Truitt and Mrs. Leonard Coffey.

The purpose of the supper was to enable the students to get acquainted with the teacher to whom

they are assigned as an aide and plan the coming year. It was also to honor the teachers.

Officers in the organization are: Johnnie Walter, president; Jerri Bengne, vice-president; Lupe Castillo, secretary; Janice Peak, treasurer; Lisa Edelman, reporter; Pam Veazey, historian; and Vicki Florez, parliamentarian.

MAURERS HONORED... Friends and relatives of Mr. and Mrs. Carl Maurer honored the longtime Friona residents on the occasion of their 50th anniversary at a reception for the couple last

Saturday evening in the home of their son Gaylord, 1500 Jackson in Friona. The Maurers are shown about to cut the traditional cake.

Donette Carlton Is Student Of The Week

Distributive Education's "Student of the Week" this week is Donette Carlton. Donette is Vice-President of Friona's DECA Club for this school year.

She is employed at Parmer County Community Hospital as a receptionist and her training sponsor is Elda Hart, who is manager at the hospital.

Distributive Education is

a training program for junior and senior High School students. This program has been in the Friona Independent School system for eight years.

The new coordinator for the Distributive Education classes, starting this year, is W.L. Cleveland, who is replacing Cecil Maddox, coordinator from previous years.

Young Homemakers Have Special Guest

Friona Young Homemakers had their second meeting of the club year on Thursday, October 10 in the Friona High School home economics room.

Marilyn O'Dowd, Southwestern Public Service home service advisor, gave a program on micro wave cooking.

They were Mrs. Charles Ray, Mrs. Teddy White and Mrs. Don Gatlin.

Guests present were Mrs. Ralph Robinson, Mrs. Gary Cook, Mrs. Conrad Renner, Mrs. Bobby Wied, Mrs. Dee Clark, Mrs. Dwain Kirchner and Mrs. Terri Welch.

The next club meeting will be November 7 in Friona High School cafeteria.

Free babysitters will be provided for guests.

STUDENT OF WEEK... Donette Carlton, standing, is being honored this week by Friona's Distributive Education chapter as its "Student of the Week."

Miss Carlton is employed by Parmer County Community Hospital as a receptionist. She is shown with Ann Barker, full-time receptionist.

High School Principal

Releases Honor Roll

The Friona High School honor roll for the first six weeks was released this week by Principal Raymond Cook.

Twenty-three students made All A's.

Students and their grade categories are as follows:

It's A Boy

For Blacks

Mr. and Mrs. Keith Black are the parents of a son, Aaron Keith, born at 11:20 p.m. Saturday, October 12. He weighed seven pounds, eight ounces and was twenty inches long at birth.

He is the first child for the couple.

Aaron's grandparents are Mr. and Mrs. Deon Awtrey and Mr. and Mrs. A.L. Black, all of Friona.

Great-grandparents are M.A. Black, Friona, and Mr. and Mrs. Leslie Caroland, Clovis, New Mexico.

ALL A'S
Carol Bavousett, Hal Blackburn, Danny Campbell, Patti Crump, Michelle Essary, Charles Fleming, Susan Garner, Johnny Gonzales, Holly Hart, Don Howard, Jeanine Jarboe.

Also, Connie Lindeman, Ronald Land, Amanda Mason, Clint Mears, Terri Patterson, Dusty Peters, Ruede Rule, Pattijon Talley, Pam Veazey, Kevin Welch, Jason Widner, Mitchell Wiseman and David Whitaker.

A'S WITH 1 B
Linda Anthony, Clay Bandy, Jerri Benge, Tim Boeckman, Dale Cleveland, Perry Church, Lisa Cummings, Cathy Cunningham, Cindy Gammon, Tamela Hassenpflug, Janice Hayes, Mark Hawkins, Danny Holley, David Hutson.

Also, Jay Jarboe, Bryan Johnston, Loren Martin, Amal Malouf, Hope Mays, Kent Miller, Jackie Rando, Mona Reed, Donna Ruzicka.

Denise Shipp, Gary Stone, Garvin Thorn, Becky Walker, John Carson, Pam Wilcox, Terry Wilcox and Debbie Wilkerson.

A'S WITH 2 B'S
David Barnett, Kim Bryant, John Carson, Davy Carthel, Ernie Chavira, Bob Clark, Patti Cole, Randal Boeckman, Phillip Duggins, Lisa Edelman, Vickey Jackson, John Jones, Marilyn Jones, Dee King.

Also, Paula London, Cindy Lundy, Keith Martin, Judy Melton, Alan Monroe, Jimmy Murphree, Rhonda Parsons, Sandy Peters, Myrna Phipps, Roy Don Rector, Barbara Rhodes, Cornelio Salinas, Audrey Srouse and Donette Carlton.

A'S WITH 3 B'S
Richard Anderson, Brad Beene, David Blackburn, Tom Davis, Debra Dorrell, Nell Fulks, Phillip Hand, Julie Johnson.

Also, Darla McClellan, Manuel Rodriguez, Gary Self, Kenny Sifford, Rhonda Webster, Terri Williams, D'Aun Wilson and Robert Zetsche.

A'S WITH 4 B'S

A'S WITH 5 B'S
Larry Broyles, Cindy Cleveland, Betty Rando, Glen Schueler and Brian Witten.

Artists Schedule

Showing Sunday

Two Muleshoe-area artists who've won numerous awards for their paintings, Arlene Phelps and Rheata White, will be guests for a reception Sunday, October 20, at the First National Bank in Hereford, to begin a week-long display of their works in the lobby of the bank.

The art exhibit, under sponsorship of the Alpha Iota Mu Chapter of Beta Sigma Phi, will feature paintings that are available for sale to the public, with the A-I-M sorority acting as art dealer and receiving the commissions, to be used in their charitable endeavors

(including Girlstown and the County Library as designated charities.)

The reception, to which the public is invited, will be from 2 to 5 p.m.

The paintings will remain on display during regular business hours at the bank through October 25.

HOSPITAL REPORT

ADMISSIONS--

Mrs. Keith Black and baby boy, Friona; Daniel Gowens, Friona; Vana Stevenson, Bovina; Mrs. Benito Mejia and baby boy, Black; Esther Smith, Hereford; Thomas Presley, Friona; Orville Whitefield, Friona; Janell Verner and baby boy, Farwell; Mrs. Clayton Sims and baby boy, Hereford; Mrs. Guillermo Collasco and baby boy, Bovina; and Jessica Garcia, Black.

DISMISSALS--

Patty Hinton, Mrs. Carroll Bennett and baby girl, Mrs. D.J. Babcock and baby girl, James Corbell, Phyllis Murphree, Alice Parsons, Daniel Gowens, Lucy Welch, Vana Stevenson, Elmer Euler, Floyd Beers, Bessie Beers, Mrs. Keith Black and baby boy and Mrs. Benito Mejia and baby boy.

PATIENTS IN HOSPITAL--

T.J. Presley, Mary Whitley, M.A. Black, Ernest Hock, Orville Whitefield, Holly Moore, Janell Verner and baby boy, Esther Smith, Mrs. Guillermo Collasco and baby boy, Mrs. Clayton Sims and baby boy and Jessica Garcia.

CowBelles List

Prize Winners

Winners of the Friona Riata CowBelle's gift certificates given away during Maize Days was announced by the organization.

Lillian Jones, Linda Williams and Elizabeth Gore were winners of \$10.00 gift certificates.

Deon Austin McGee

Training School Accepts McGee

Deon Austin McGee has been accepted into the Naval Flight Officers Training School.

McGee will take training next summer at Pensacola, Florida for eight weeks where he will be completing his degree in meteorology.

He is classified as a junior and is the son of Mr. and Mrs. Jim Cary of 921 Pierce Street, Friona.

Regional Meeting

Held At Dimmitt

The regional Delta Kappa Gamma meeting was held in Dimmitt High School on Saturday, October 12.

Delta Kappa Gamma is an organization of teachers. Theme for the morning program was "Aim High." Speaker for the noon luncheon was DeEtta Sayers, regional director from

Austin, Texas. Her subject was "Aim High-and Work and Hope."

Parmer County teachers attending the meeting were Martha Bates, Faye Reeve, Carmaleet Truitt, Jeanne Moseley, Margaret Duggins, Jo Witten, Wana Brewer, Francis Boling and Donna Clapp.

AWARDS LISTED

Achievement Banquet Honors 4-H Youngsters

The Annual Parmer County 4-H Achievement Banquet was held Saturday, October 12 in Bovina High School. A record number of 4-H members, their parents, leaders and guests enjoyed a banquet sponsored jointly by Deaf Smith County Electric Co-op and Bailey County Electric Co-op.

Approximately 140 persons were present at the awards assembly where 76 youths and 44 adult leaders were recognized for their work for the past year.

The boy and girl receiving the highest awards that can be given in the county, the Gold Star Award, were Rocky Bartlett, a seven-year member and son of Mr. and Mrs. Houston Bartlett of Bovina and Susan Mimms, an eight-year member of the Lazbuddie 4-H Club and daughter of Mr. and Mrs. Dalton Mimms. These were presented by Parmer County Judge Archie Tarter.

Jacquelyn Langford, Farwell acted as Mistress of Ceremonies and was assisted on the program by Michael Mimms, Terri

Clark, Holly Hart, Cheryl Gohlke, Susan Mimms, Tommy Mesman, Rocky Bartlett and Randy Gerles.

Other special awards include State winning Club Conservation Award, which went to the Oklahoma Lane Jr. Leaders Organization for their successful paper recycling drive.

Other awards included:

LEADERS

Mrs. Wayne Clark (Special Gold Clover Award for 10 years)

Mrs. Darla Ivy
Mrs. Pete Jesko
Mrs. Claud Gregory, Jr.
Mrs. Melinda Hinkson

Mrs. Jimmie Briggs
Mrs. C.C. Matthews

Burglary Constitutes Major Crime For Law Enforcement Agency

Burglary constitutes between 40 and 70 per cent of the reported index crimes for any law enforcement agency. The most common type of crime in the United States—burglary—is one of the easiest to prevent.

Short of turning your home into a fortress, there's no way you can make your home absolutely thief-proof. There are, however, many things you can do, often very economically, to discourage burglars and other intruders, and protect your possessions and homes.

The Consultants Against Crime, the crime prevention specialists of the Friona Police Department point out that burglary is most often a crime of opportunity. Close to half of the daytime burglaries here are committed by burglars who don't have to do a thing to gain entrance except walk through an unlocked door.

The first thing the homeowner can do to protect his property is to participate in Operation Identification. An engraving pen is available at no charge from the Friona Police Department to engrave your property with your driver's license number (such as TX5551212) on all valuable equipment such as tape recorders, stereos, television sets and other valuables.

You can take photographs of possessions which cannot be engraved, such as jewelry, fine silver and antiques.

A list of your property and

photographs should be stored where they cannot be lost even in case of fire, such as with your insurance agent, a relative, or in a safety deposit box.

As soon as your property is marked, vinyl decals are available at no charge to be placed on a prominent place on your home which warn potential intruders that your property is properly marked, which heightens the risk of their being "stuck with the goods" or caught.

This will deter many would-be intruders since any sensible burglar wants only property which he can get rid of easily with no questions asked. In case the property is stolen, however, it is quickly and easily traceable because most states have a computer system which will tell them within a few seconds the name and address of the operator's driving license.

Marking deters the burglar because people are wary about purchasing marked equipment—and that includes the "fence" used by the professional burglar.

The next step in discouraging the intruder is to "lock up and lock out."

Rule number one is to keep doors and windows locked—even when you're home. Some burglars specialize in small items such as purses or money they can pick up while residents are working in the yard, hanging up laundry, or

visiting with friends.

Most people are unaware that most locks on their apartments and homes, no matter how new or expensive the home is, are what the burglar refers to as "10-second" locks. That is approximately how long it takes him to open the door and gain entrance.

The crime prevention unit suggests these precautions: —Ideally, doors should be of solid, heavy wood without a window. If your home is not constructed in this manner, there are still steps you can take to protect your home.

—The stronger and more sophisticated the lock, the better your protection. A burglar cannot risk the noise required to force or break down a solid door with a good lock.

—Instead of replacing the principal lock on outside doors if they do not already have a deadbolt, install a secondary security device with a minimum one-inch throw deadbolt.

—All deadbolt locks should have hardened cylinder guards. The crime prevention unit has a booklet showing how locks should be installed and what to do for special situations, such as doors with glass panels, sliding glass doors or windows, louvered doors and windows, and garage doors.

—Install a wide-angle peephole in your front door so you can identify callers before unlocking. A peephole or a door knocker with a peephole and grill you can talk through can

be purchased very inexpensively and is simple to install yourself.

—Chain locks on the side of doors do not offer any protection. They can be easily forced, unlatched, or cut.

—Garage doors are just as important as other outside doors. Once a burglar gets in the garage, he has complete privacy to break into your home. A single lock or padlock on the outside of your garage is not sufficient to protect your home.

—Windows should be secured with locking devices or with a pin placed through special holes drilled in the frame. The crime prevention unit booklet also illustrates how this is done.

—The finest locks in the world will not keep out an intruder if a burglar gets possession of your keys. When you change residences, have a locksmith re-key your outside locks. It is not necessary to have the entire lock replaced. Former residents, apartment complex employees or employees of building contractors may still have keys in their possession.

—Be careful about giving or lending duplicate keys. Always separate your home keys from your ignition key when you leave your car in a parking lot or garage. Avoid identification tags on keys, including license plate numbers. They tell burglars what locks they fit.

—Make sure no one in your family tries to "hide" a door key

outside. Burglars know more about where to look for hidden keys than anyone. If you are worried about locking yourself out, leave a house key with a trusted neighbor or friend.

Since citizen compliance with these suggestions is the way to prevent burglary, the crime prevention officers say they

can't emphasize enough the fact that no lock is a lock unless it's locked.

Voters May Cast Absentee Ballots

Secretary of State Mark W. White, Jr. announced that all voters wishing to cast an absentee ballot for the November 5th General Election may do so beginning Wednesday, October 16. According to Secretary White, the proper absentee voting procedure will depend upon each individual voter's situation.

Those persons who expect to be absent from their county of residence only on the day of the election may vote by personal appearance during regular office hours at the county clerk's office.

Those persons who expect to be absent from their county of residence both during the time of voting by personal appearance and on election day can make application to their county clerk requesting that an absentee ballot be mailed to

them at an address outside the county.

In addition, those persons residing within the county but unable to vote on election day due to sickness, physical disability, religious belief, or incarceration for less than a felony, can also make application to their county clerk requesting that an absentee ballot be mailed to them.

White noted that the absentee voting period for the November 5th General Election will continue through Friday, November 1st. In addition, White said some counties may have established additional absentee voting locations for persons wishing to vote absentee in person and suggested that anyone interested in determining where such locations may be, contact their county clerk.

APPLICATION FOR BALLOT BY MAIL ARTICLE 5:05

STATE OF TEXAS
COUNTY OF _____
FOR THE _____ ELECTION
TO BE HELD ON THE _____ DAY OF _____, 19____
I, the undersigned, hereby make application for an official ballot to be mailed to me for absentee voting by me at the _____ election to be held in Election Pct. No. _____, _____ County, Texas on the above stated date.

I do solemnly swear or affirm that:
1. I am a resident of said Precinct and have resided in this Precinct and have resided in this state and County for 30 days next preceding such election and that I am duly qualified elector entitled to vote at said election; my residence in said election precinct is:

GSPA Executive Praises Farmers

In the aftermath of the government's halt of a proposed 125 million bushels grain sale to Russia, Grain Sorghum Producers Association has spoken out against what it calls "inconsistent and unfair" government policies toward U.S. grain producers.

Missouri Beef Announces Acquisition

President David J. La Fleur of MBPXL Corporation announced recently the acquisition of Morton Meats of Omaha, Inc., a manufacturer of corned beef. Morton had sales in excess of five million dollars in its last fiscal year.

Mr. La Fleur stated that the acquisition of the outstanding Morton brand, with its nationwide reputation, would further the goal of the MBPXL Corporation of providing more consumer-ready products.

He was particularly pleased to announce that the previous president of Morton, Morton L. Glass, had accepted a position as vice president in charge of the Morton Division. Manufacture of corned beef will continue in the Omaha plant of this Division.

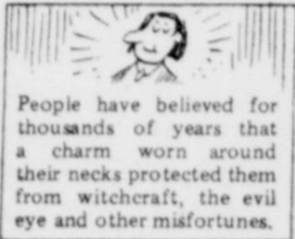

MBPXL Corporation was formed in September by the merger of Kansas Beef Industries, Inc. and Missouri Beef Packers, Inc. It has slaughter and fabricating plants in Texas, Kansas, Missouri and Idaho, a feedyard in Kansas and a distribution center in Philadelphia.

Elbert Harp, executive director of the Lubbock, Texas-based national organization, expressed the GSPA position by telegram to President Ford, Treasury Secretary William Simon and Agriculture Secretary Earl Buttz.

"We consider export restrictions of grain without similar restrictions on fertilizer, machinery and other essential farming ingredients to be an inconsistent and unfair policy," Harp said, urging that further restrictions of grain exports be halted "unless you impose similar restrictions on other essential farming inputs."

The GSPA executive director added that farming costs are rising as much as 300 percent this year and "restrictions on U.S. sales of grain will break the market and bankrupt producers."

President Ford stopped the proposed grain sale to Russia last weekend, saying he feared it would raise domestic prices and add to a continuing inflationary spiral.

TREASURER'S REPORT

REPORT of Benna Felts, County Treasurer of Parmer County, Texas, of Receipts and Expenditures from June 30th, 1974 to Sept. 30th, 1974, inclusive:
