Cheer In The Chill

Gov. Nelson A. Rockefeller provides autograph and draws smiles as he tours emergency center provided at a school in Rotterdam, Schenectady, N.Y., suburb, for some of the many families left without heat after ice storm in eastern New York felled trees and power lines. (AP WIREPHOTO)

TEN BELOW, NO HEAT

New York State Area Frigid With Power Out

SCHENECTADY, N.Y. (AP) - Cold and hardship continued today for thousands of families in an ice-crippled eastern portion of New York. Power crews sought to restore heat and light for nearly 40,000 customers.

The sun glistened this morning on a winter wonderland created by ice-laden trees and power lines. Temperatures ranged down to 10 below zero in the wake of one of the state's worst storms.

The bitter cold added the threat of frozen water pipes for stricken residents, most of whom were in an area bounded generally by Albany on the south, Glens Falls on the north and Amsterdam-Gloversville on the west.

THREE DEATHS Three deaths were attributed to the weekend onslaught of snow, sleet and freezing rain. Many schools closed Friday remained closed today. Others served as emergency centers for those driven from their homes.

SCATTERED SNOW The Weather Bureau said tonight and Tuesday would be a bit warmer, amid scattered snow. Gov. Nelson A. Rockefeller, touring evacuation centers in the Schenectady area Sunday night, declared, "We've had ice storms before, but none has ever been as bad as this."

He was talking about a combination of freezing rain, snow and ice accumulation that began Friday and that, by late Sunday night, froze community

School Safety Officer Killed

DALLAS (AP)—Ezra McMurray, 68, a school safety officer, was killed by a car today on his way to direct traffic at a school crossing.

ONE TIME DOES IT

You are reminded that The Herald, for the month of December only, makes available its Bargain Rate papers delivered to homes in Big Spring. You may subscribe now for the full year 1965 for only \$18.85. This is a savings of more than 10 percent.

activities — from high school basketball games to worship services—to a stop.

ENTER CENTERS Families began entering the emergency centers Friday night. Others followed as the storm damage left thousands of homes without electricity or heat.

At its peak, the storm had darkened the homes and businesses of more than 75,000 of the 338,800 customers of the Niagara Mohawk Power Corp. in

eastern-central New York. A power company spokesman said Sunday night that the number of homes and businesses without electricity and heat was down to about 40,000.

But, a Schenectady County Civil Defense official said, it will be a few days before thousands of broken tree limbs and snapped power lines can be cleared from city streets and yards. Until then, many families will remain in evacuation centers.

Court To Decide If Trial TV Violated Rights Of Billie Sol

WASHINGTON (AP) — The Supreme Court decided today to rule on whether live television coverage of the trial of

Billie Sol Estes on a charge of swindling violated his rights under the U.S. Constitution.

Second Chance For United Fund Drive

The way was opened today to close the gap between the amount raised for the annual United Fund campaign and its goal.

Although leaders aimed at \$109,366, only \$99,242 was given or pledged, leaving the 14 local welfare and youth guidance agencies faced with sharp reductions in their budgets for the coming year.

Raymond L. Tollett, an annual volunteer worker and supporter of the United Fund, made a unique proposal to insure that the various agencies have the necessary money to continue their work. His letter follows: Dear Editor: The campaign to raise our United Fund for Big Spring and Howard County has come to a close, \$10,000 short of its goal.

asked a number of the committee members some appropriate questions, and I agree that each of the agencies has a real need for the amount that was allotted to them. Cosden's pledge as a corporation was for \$4,475. Mrs. Tollett and I gave \$400. If nine other firms, individuals or organizations will pledge or give an additional \$1,000 each, the Tollett family will give another \$1,000. This will be the \$10,000 needed to meet the fairly set goal or budget.

Thereafter it could be said that Big Spring and Howard County had fairly and properly provided funds, the need for which exists, because we and our families, employees and friends live here.

Respectfully yours, R. L. TOLLETT

GOP Chief Faces Walls

WASHINGTON (AP) — Republican governors have started a fire within their party that could make it difficult for Na-

tional Chairman Dean Burch to command the broad-base support he needs to hold his job.

Law Killed; Racial Bias Seen In It

WASHINGTON (AP) — The Supreme Court struck down today a Florida law making it a crime for a Negro man and white woman, or a white man and Negro woman, habitually to occupy the same room at night.

This was based in part on reports given the governors in closed session that as many as 70 of the 138-member Republican National Committee may favor replacement of Burch.

Law Killed; Racial Bias Seen In It

A DISAPPOINTMENT? Burch's own canvass of his strength within the committee was said to have been somewhat disappointing to him. Sen. Thurston B. Morton of Kentucky, former head of the committee, made the point on a television broadcast Sunday — ABC "Issues and Answers" — that the chairman has to have broad support within the committee. He added he didn't know anybody "who would want to stay in that position that didn't have support of his own committee."

Law Killed; Racial Bias Seen In It

Morton, who had announced his backing of Burch, said it is up to the members of the National Committee and no one else to determine whether Burch should be replaced. He added: "He must have broad support among the Republican governors, the Republican mayors, Republican leaders, state chairmen, vice chairmen, Young Republicans and all."

169 DAYS Without A Traffic Fatality Drive Safely!

MEMPHIS (AP) — Twenty new Maid of Cotton. She will make her first official appearance at the Cotton Bowl in Dallas Jan. 1 before going on an international tour for the cotton industry. Texas finalists are Misses Lorann Mays of El Paso, Judy Hill of Fort Worth, Janet Kerr of Dallas and Rhea Bristow of Lubbock.

169 DAYS Without A Traffic Fatality Drive Safely!

Although the governors avoided naming Burch in a declaration setting out their ideas about revising the party leadership, it seemed clear a majority were not offering the chairman the kind of "broad support" Morton said was necessary. Gov. George Romney of Michigan said in a national telecast — CBS "Face the Nation" — he is convinced a majority of the National Committee members want Burch to go. Romney was joined by Govs. Nelson A. Rockefeller of New York, William W. Scrantom of Pennsylvania, Robert E. Smylie of Idaho and some others in saying Burch must go. Sen. Barry Goldwater, the defeated GOP presidential nominee, has said he is standing firmly behind Burch.

Cotton Maid Finalist List Includes 4 From Texas

MEMPHIS (AP) — Twenty new Maid of Cotton. She will make her first official appearance at the Cotton Bowl in Dallas Jan. 1 before going on an international tour for the cotton industry. Texas finalists are Misses Lorann Mays of El Paso, Judy Hill of Fort Worth, Janet Kerr of Dallas and Rhea Bristow of Lubbock.

Connally Inaugural Set Back A Week

AUSTIN (AP)—The secretary of the State Democratic Executive Committee said today Gov. John Connally's inauguration date will be held on Jan. 26, a week later than originally scheduled.

Will Davis said the committee is making plans for the inauguration and a Jan. 25 victory dinner after a poll of the legislature showed a majority in favor of moving the date from Jan. 19. The postponement avoids a conflict with the inauguration of President Johnson in Washington on Jan. 20. The governor's inauguration date will be officially set by a resolution of the legislature after it convenes Jan. 12. Davis said Speaker Byron Tunnell and Lt. Gov. Preston Smith checked the House and Senate by mail to determine whether a majority favored the postponement. "We have almost unanimous consent from the legislature that it will be held on Tuesday the 26th of January," said Davis.

Midland Case

Germaine Springer, 32, a red-haired secretary, tucks her lips nervously as she was booked into Midland County jail on charges she forged some \$12,000 in checks on her oilman employer to finance a six-week spree of new cars, furs and jewelry. Sheriff's Deputy Gene Howell filed a complaint specifically charging Miss Springer with forging a \$2,115.67 check with the name of independent oil operator H. C. Hood. Howell said a total of 11 checks involving \$11,395 are involved. Story on page 10-B. (AP WIREPHOTO)

Soviet Calls For Summit

UNITED NATIONS, N.Y. (AP) — Soviet Foreign Minister Andrei A. Gromyko today called for a world summit conference on disarmament.

The Soviet proposal was made before the U.N. General Assembly in the first major policy declaration of the new Soviet leadership. Gromyko also submitted a detailed memorandum on disarmament, outlining measures to be considered at the proposed conference.

169 DAYS Without A Traffic Fatality Drive Safely!

The Soviet foreign minister declared that the present international situation was ripe for progress on such measures as a complete ban on nuclear weapons, the liquidation of foreign bases and the reduction of military budgets. U.S. Delegate Adlai E. Stevenson listened intently as Gromyko spoke in quiet, conciliatory words. The Soviet delegate specifically endorsed Red China's proposal for a meeting of the heads of state of all countries to consider a ban on all nuclear weapons. He also backed the recommendation of the non-aligned nations at Cairo for a world disarmament conference.

Vital Talks May Expand War Front

SAIGON, South Viet Nam (AP) — U.S. Ambassador Maxwell D. Taylor and South Vietnamese Premier Tran Van Huong to day opened planning talks expected to lead to bombing of Viet Cong supply lines in Laos.

Taylor returned to Saigon Sunday from Washington amid increasing speculation that the war against the Communists would be broadened. It was believed that President Johnson had ruled out attacks against North Viet Nam, but the Red supply routes through southern Laos were considered likely targets.

Officials said no announcements were expected from the U.S.-Vietnamese planning sessions.

WILL BE SEEN

"I think as time goes on the results of the decisions will become apparent," one official said. Taylor on his return said news measures by both the United States and the South Vietnamese would be discussed. He refused to say what they were. "As an outcome of my visit," Taylor said, "the President has instructed me to consult urgently with the government of Premier Tran Van Huong as to the measures to be taken to improve the situation here in all its aspects."

The ambassador said Johnson had "reaffirmed the basic U.S. policy of providing all possible useful assistance to the South Viet Nam people and the Huong government in their struggle to defeat the externally supported insurgency and aggression being conducted against them."

POLICE GUARD

Thousands of police were strung out along Taylor's route from the airport into town. There had been rumors that Buddhists planned a demonstration against the Huong government. None materialized.

The South Vietnamese forces scored a major victory against the Viet Cong in a fierce nine-hour battle Saturday on the Ca Mau Peninsula, at the southern tip of South Viet Nam.

CHEER FUND LIMPS ALONG

The Christmas Cheer Fund barely climbed past the \$200 mark today. It has much further to go, if it provides, as in the past, decent toys for every poor child at Christmastime. There was an anonymous gift for \$1, and one from Mr. and Mrs. Donald Van Meter for \$10, both of which are gratefully acknowledged. The total now is \$291.

You can have a part in this program of helpfulness if you'll just send your gift, however small, to CHRISTMAS CHEER FUND. Make your checks that way, and send to The Herald for acknowledgment.

Finding Furthers Prospect Of Living Beings On Venus

BALTIMORE (AP) — The city and general composition, clouds surrounding the planet Venus are composed of water in the form of ice particles, a team of Johns Hopkins University astrophysicists said today. The scientists said the finding of water vapor on Venus raises the possibility of oxygen in its atmosphere. They based their reasoning on calculations that all of Earth's oxygen could be accounted for by the releasing of oxygen from water vapor in the upper atmosphere. FREED OXYGEN The oxygen is freed by the action of sunlight. The latest findings on Venus, earth's twin sister in size, density and general composition, were obtained from an unmanned balloon flight last Oct. 27.

The possibility of a source of oxygen and a previous discovery that its atmosphere contains carbon dioxide raises the possibility that life in some form might exist on the planet.

SPACE PROBE

The Johns Hopkins team, headed by Dr. John Strong, concluded the latest data confirmed earlier measurements by Dr. Strong showing the surface temperature to be close to minus 40 degrees Fahrenheit, with only a few degrees difference between the light and dark sides of Venus.

Radio-telescopes on Earth and on the Mariner 2 space probe, which passed within 21,000 miles of Venus in December 1962, indicated the surface temperature was 800 degrees Fahrenheit. "Interpretation of radio-telescope waves as an indication of temperature has neither been proven or universally accepted," said Dr. Strong, director of the Johns Hopkins Astrophysics Laboratory. The Johns Hopkins scientists suggest that the previous findings may only indicate a large amount of lightning-like electrical activity in the turbulent atmosphere of Venus.

Hard Winter Ahead? Check With A Worm

BELLEVILLE, Ohio (AP) — If you believe the woolly worm, it's going to be a tough winter.

The woolly worm man, 83-year-old Clark Johnson of Belleville, has just finished his winter predictions: 46 snows in Ohio and temperatures down to 13 below.

Johnson got all this from looking at a woolly worm, a method he learned from his grandfather.

"We've had four snows already," he said. "Last year I only missed it by two snows. I come awfully close."

SINCE 1935
A retired tool and die maker, Johnson has been predicting woolly worm winters since 1935. He also has preserved each year's worm.

Johnson studies the worm in October and November, noting the "layers" of fur, its length and color changes. Dark black, for example, means cold.

Dr. Robert Holdsworth, an Ohio State University entomologist, says the worm isn't really a worm. It's an ISIA Isabella, commonly known as the woolly bear or banded woolly bear caterpillar. It eventually becomes a tiger moth.

STORY WITH BUGS
The Weather Bureau is inclined to look on the whole thing as kind of a shaggy worm story — with bugs in it.

Chief meteorologist Howard Kenny of the Columbus Weather Bureau, says woolly worm forecasting has been checked and rechecked for accuracy — and found wanting.

"Are we really in for a hard winter?"
"Honestly, we don't know," says Kenny.

'Free Campus' Era Proposed By University

BERKELEY, Calif. (AP) — Morning classes were recessed at the University of California today so students and faculty could hear a plan of department chairmen for a "new era of freedom under law" on the campus, in turmoil over student political-action demands.

Ahead of that was scheduled the mass arraignment of 814 demonstrators arrested in the breakup of a sit-in at the university's administration building early last Thursday. Of these, 590 are students, 89 are teaching assistants and others connected with the university and 135 have no connection with the university.

Regardless of these events, student leaders of the move for increased freedom to recruit volunteers and solicit funds anywhere on campus for off-campus politico-social causes announced they would set picket lines today in an attempt to force a shutdown of the university.

PEACE PROPOSAL
The peace proposal was worked out in four days of conferences by the university's Council of Department Chairmen, consisting of 73 chairmen and 12 deans.

It has the council's unanimous approval and the concurrence of University President Clark Kerr, the council said in a press statement which gave no hint of its contents.

"All parties to this agreement," the council said, "are extremely optimistic that it will unite the great body of the university, strengthen faculty-student relations and inaugurate a new era of freedom under law."

It was to be read at a convocation in the university's Greek Theater, which seats some 13,000 slightly less than half the Berkeley campus enrollment of 27,400.

AT CONVOCATION
Kerr and Prof. Robert A. Schlapino, chairman of the Political Science Department, will speak at the convocation and present the proposal together.

Tea Break Abandoned
WEDNESBURY, England (AP) — Seven hundred workers today abandoned the cherished British tradition that everything stops for tea.
In place of their usual 10-minute tea break employees of the Joseph Hampton steel nut plant will get 2½ days extra vacation, bringing their total to 18½ days. Manager Edward Mormon said the idea came from the unions.

Flannel Pajamas A Must For The Fashionable Pooch

NEW YORK (AP) — Don't show in the doggy departments of stores:
A striped Arabian tent, complete with mattress, where the dog tired-of-it-all can rest in privacy, \$14.95 up.

SKI JACKET
A nylon ski jacket and cap, for the outdoor dog who likes to hear the whistle of the wind in his ears, a nifty outfit, \$7.98.

Ear muffs with attached tinkle-bell topped beret, for the indoor dog who still must go outdoors occasionally, \$2.98.

For the lady dog who runs with the cafe society set, a velvet cocktail collar, in lavender and other shades, trimmed with roses and semi-precious stones, \$2.98.
The pub-crawling gentleman

dog hasn't been overlooked. He is offered a velvet collar, with white, formal, bow tie, \$4.98.
Naturally, the evening dogs want to bring out the true highlights of their hair. Color shampoo is useful here at \$2 a bottle.
For the dogs who have to play Santa Claus on Christmas Eve, like their masters, a Santa Claus suit, with beard, very stylish, \$4.98.

MINK COAT
Some discriminating dogs may want something better than the clothes shown on the racks. A made-to-measure mink coat at \$65 may satisfy their quality tastes.

The dog - biscuit dispenser, looking like a coin machine, is for the dog who likes to eat be-

tween meals. One paw push and a biscuit falls out, \$6.95.
Does a dog really need pajamas at \$2.49 to sleep in, one store official was asked.
"We sell quite a lot of pajamas," he replied. "When the heat dies down late at night a dog gets cold. He can't wrap up in a blanket like a human, you know."

San Antonio Mom Of 10 Fatally Shot

SAN ANTONIO (AP) — Mrs. Anita Gil, 33, mother of 10, was shot to death at her home here early today. A man, 33, was arrested.

Radio Club Collects Toys

Seven gallons of paint and 10 bicycles were among the items collected Sunday by the members of the Koffee Breakers Club in a city canvass for toys for the needy children of the community.

The Koffee Breakers, a group interested in citizen's band radio communication activities, had 10 mobile units in operation on the campaign for toys.

The articles collected were

turned over to firemen for renovation. They will be given to needy boys and girls this Christmas.

After the drive the Koffee Breakers met at the Vern Vigar home, 1612 Avion, for coffee.

Next meeting will be the Christmas party for the club at 7:30 p.m. Dec. 7 at the YMCA.

American Center Attacked, Reopens

JAKARTA, Indonesia (AP) — The American cultural center and its library reopened today. An Indonesian mob stoned and sacked it Friday, protesting U.S. action in the Congo.

PRESIDENT QUILTS

Resignation Stirs Squabble In Italy

ANTONIO SEGNI

ROME (AP) — At least four candidates were mentioned today for the Italian presidency to succeed Antonio Segni, who has resigned because of ill health.

Segni's retirement Sunday night heightened squabbling among the members of Premier Aldo Moro's coalition government.

Segni, 73, said he was stepping down after two and a half years in office because he could no longer fulfill his duties. He suffered a cerebral stroke Aug. 7 and although he is slowly recovering, he has not regained the use of his right arm and his speech is impaired.

WILL ELECT
Parliament will meet Dec. 16

Modern Language Study Intensified

WASHINGTON (AP) — More than 2,000 graduate and undergraduate students will undertake intensive training in 34 rarely taught modern languages next summer.

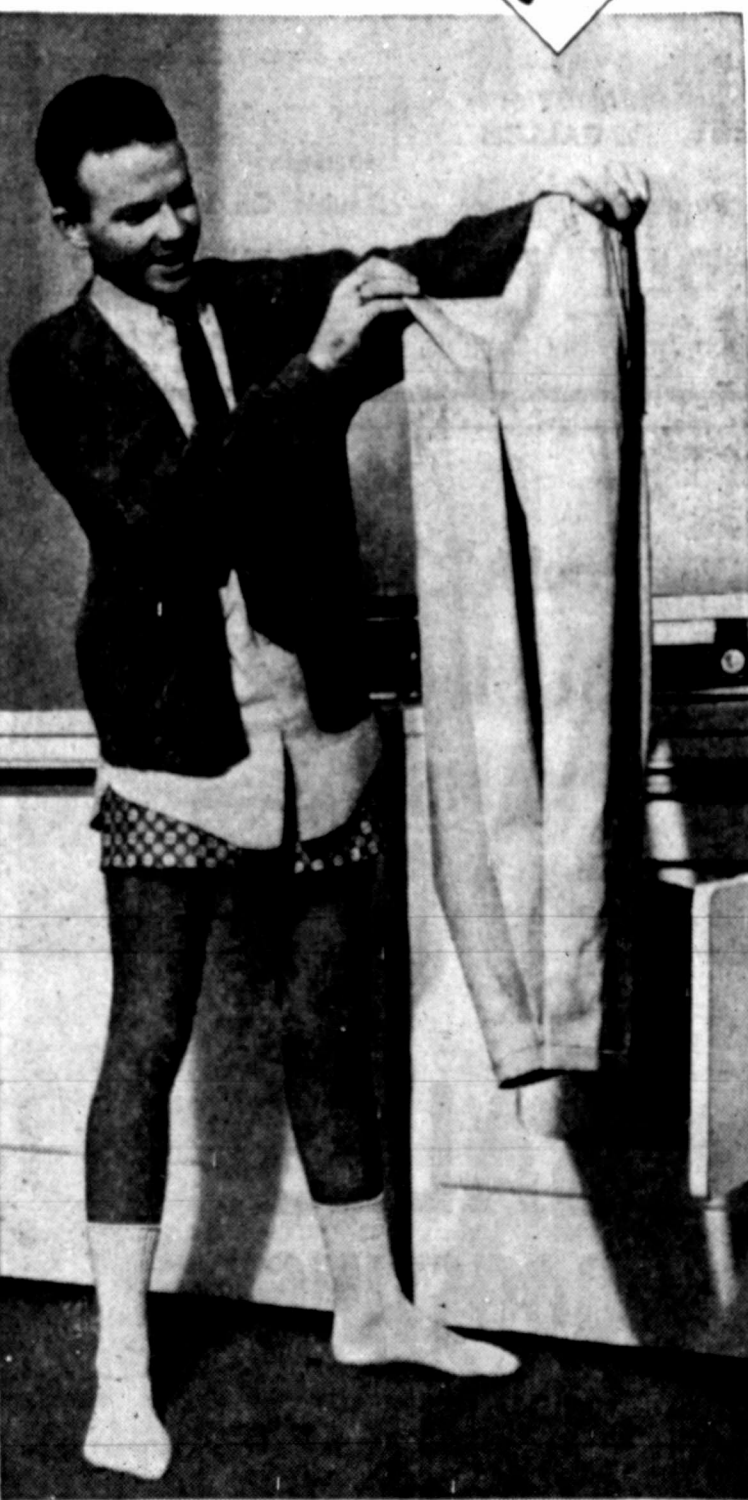

BACKACHE & NERVE TENSION SECONDARY TO KIDNEY IRRITATION

After 21, common kidney or bladder irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYS-TEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYS-TEX at drugists. Feel better fast.

Russian Tourist Group In London

LONDON (AP) — More than 600 Russian tourists hit town today on the maiden voyage of the Soviet cruise ship Ivan Franko. They are here for three days before heading to the Mediterranean sun.

to elect a new chief of state for a seven-year term. He will be the fifth president of Italy, which became a republic in 1946.

The contest intensified the split in Moro's Christian Democratic party. Some Christian Democrats favor former Premier Amintore Fanfani to succeed Segni. Others want Interior Minister Paolo Emilio Taviani and still others support former Premier Giovanni Leone.

Fanfani pioneered the center-left concept under which Moro brought the Socialists into his government. Leone, a noted mediator, was president of the Chamber of Deputies for many years.

Conservatives contend that another Christian Democratic president was needed to help hold the line against the Communists, who made gains in nationwide local elections last month. Leftists argue that election of a Christian Democrat

would increase anti-government feeling.

OTHER THREE
The other three parties in the government — Socialists, Democratic Socialists and Republicans — don't want another Christian Democrat. They are backing Foreign Minister Giuseppe Saragat, leader of the Democratic Socialists. If elected, he would be Italy's first left-wing president.

The Italian presidency is largely a ceremonial office but the president chooses the premier and thus plays a key role in times of political crisis.

Segni was elected president May 6, 1962, after serving in more than a dozen Cabinets and heading two of them as premier.

Pickpockets Try It On Each Other

CHICAGO (AP) — Police have arrested two men for shoving and swearing at each other on a subway train. Police said the men, both with records as pickpockets, apparently tried to pick each other's pockets in the incident Friday.

State Violence Toll Hits 29

By The Associated Press
The violent death toll in Texas over the weekend claimed 29 lives with 19 of the fatalities blamed on traffic accidents.

The Associated Press tabulation started at 6 p.m. Friday and ended at midnight Sunday. Mrs. Vera H. Duncan, 45, and her son, Randy Duncan, 5, were killed Sunday when their car and a freight train collided in East Texas near Naples. They were en route to their home in Pittsburg when the mishap occurred.

James Kenneth Crawford, 26, of San Antonio was fatally injured Sunday about four miles north of Marion when a boom on a winch truck fell and struck him on the head.

Walker Franklin, a 63-year-old Negro, was found shot to death at his home in Dallas Sunday. A 56-year-old Negro woman was taken into custody for questioning.

HOUSTON FIRE
Charlie Dixon, 59, burned to death Sunday in his two-room frame home in northwest Houston. Investigators said it appeared that the fire started around a gas heater.

Bartolo Garcia, 23, of Gonzales was shot to death late Saturday night at a dance hall at Hochheim. Police jailed a Cuero youth but did not file charges immediately.

Mrs. Bert Campbell, 72, of Route 1, Covington, was killed in a two-car crash Sunday 10 miles southeast of Cleburne near the Parker community. Two other women were injured.

Luther LaGrone, 50, was struck and killed by a hit-and-run driver in Dallas Saturday night. Police later arrested a young carpet layer who confessed to driving the truck which hit LaGrone.

Mrs. Venda Sanderson, 52, burned to death Saturday in Brownwood in her trailer home.

A Reagan High School student in Houston, Clarence Neal Henson, 16, died when his car plowed into the rear of a stalled truck. A friend, John Edwin Atastny, 16, was critically hurt in the Saturday wreck.

GRANDJEAN DEATH
A Belgian engineer, Adrian Grandjean, 35, was killed Saturday on Texas 35 near Angleton. He was temporarily working with the Phillips Petroleum Co. His wife was hurt.

Mrs. Annie Dameron, 65, was struck by a car and killed Saturday as she crossed a street to her home in Brownwood.

Mrs. Joyce Ross, 38, died after a two-car collision in San Antonio early Saturday.

Cecil T. Hutchinson, 56, of Jasper was killed in an auto accident Friday night 11 miles northwest of Aspermont on State 380.

A. C. William T. Thrasher of Arlington, stationed at Dyess Air Force Base, died when a car hit him Friday night as he walked along Interstate 20 in Abilene.

An early Saturday collision north of San Marcos killed Mr. and Mrs. Robert Rodriguez of San Antonio.

A fire possibly caused from a lighted cigarette killed Mrs. Vinita Stewart, 55, in her Houston home Friday night.

Russell Eiffer, 58, a Houston hotel room clerk, jumped or fell to his death early Saturday from a fourth floor room. Friends said he had been dependent over a heart ailment.

Nancy Warren, 22, was fatally shot during a party in a Dallas apartment early Saturday as guests were leaving. Officers said her husband was prodding

Shastri Pleased At London Talks

NEW DELHI, India (AP) — Prime Minister Lal Bahadur Shastri of India returned to New Delhi today after a three-day state visit to Britain and said he was "completely satisfied" with his talks.

Car-Truck Mishap Kills Winters Man

ANTHONY, N.M. (AP)—A.B. Spill, 52, of Winters, Tex., was killed Sunday when his car ran into a parked truck on Interstate 10 north of Anthony.

What kind of a tiger do you want under your hood?

(Have you priced a tiger lately?)

If you're handy with a whip and chair, you could go for the 350-hp GTO. It bites. But then, even the 335-hp GTO bites. So it all depends on how much you think you can chew. If you want a slightly more civilized package (but with all the growl and lots of the muscle of the GTO), try the LeMans. You can get it with a six or either of two V-6s. They all have magnificent interior appointments that make you feel you're languishing in luxury. Like bucket seats. And full carpeting. Yet they cost less than some very tame cats that go around trying to pass themselves off as tigers but who can't even manage the growl. How do we do it? That's our secret. See them all in captivity at your Pontiac dealer's.

Wedding Solemnized In Lubbock Church

Miss Sandra Jo Morris, daughter of Mr. and Mrs. J. M. Morris, Lubbock, became the bride of John L. Berry, son of Mr. and Mrs. W. D. Berry, 106 Canyon Road, Sunday afternoon.

The nuptial vows were read in the Second Baptist Church in Lubbock by the minister, the Rev. Bob Hearn. The altar was flanked by candelabra entwined with Christmas holly and berries.

Miss Carol Morris, sister of the bride, sang "Because" accompanied at the piano by Miss Martha Hutchins. Also, traditional wedding music was played.

The bride, given in marriage by her father, was attired in a white velvet dress designed with a shell blouse with jewel neckline and slim skirt. She wore elbow-length lace gloves and a white velvet rose headpiece attached to a pout veil of imported silk illusion. Her bouquet of white orchids and cascades of white butterfly roses was accented with white velvet leaves and ribbons and carried atop a white Bible.

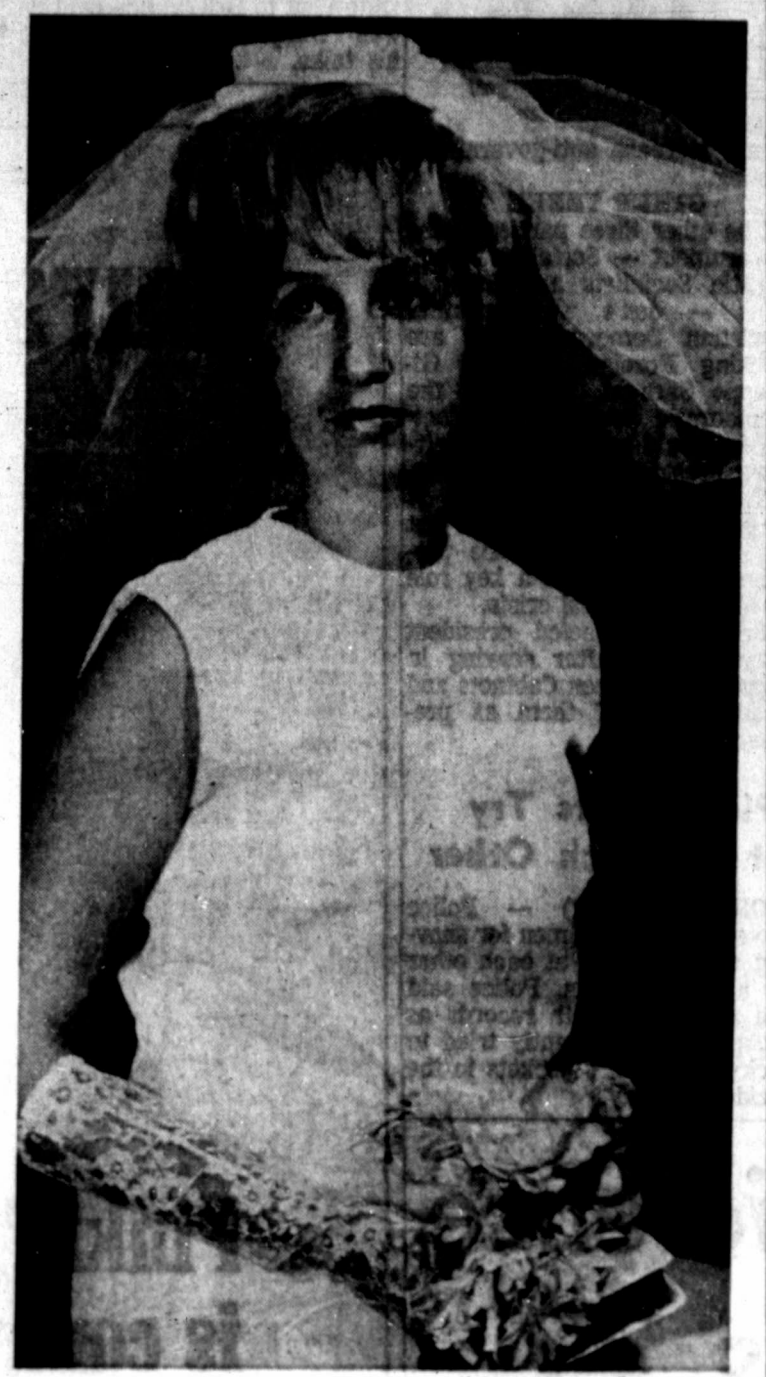

Miss Judith Ann Hargrove, Dallas, was maid of honor. Her two piece suit of pale yellow wool was styled with a wedding ring collar, and she wore a pale yellow circlet accented with a circular veil of maline. Her corsage was of yellow orchids.

Harold Berry was best man and the groomsmen was Joe Morris.

For a wedding trip to Cloudcroft, N. M., the bride wore a three-piece white velvet suit featuring a tunic-length walking coat. She wore electric blue suede accessories and a white fur hat and muff. Her corsage of orchids was from the bridal bouquet.

Following the honeymoon, the couple will make a home at 1709 Alabama, Big Spring.

The bride is a graduate of

MRS. JOHN L. BERRY

Tyler High School and Glendale Business College, Glendale, Calif. Recently she has been employed as manager of Paul's

Shoes, Lubbock. The bridegroom, a graduate of Big Spring High School and Texas Tech, is affiliated with the Y's Mens Club and Elks Lodge.

A reception was held in the home of the bride's brother and sister-in-law at 4901 17th Place, Lubbock. The refreshment table was decorated with the bride's chosen colors of yellow and white and centered with a wedding cake topped with a miniature bride and groom.

Miss Morris registered guests. Attending from Big Spring were Mr. and Mrs. Gill Boatman, O. F. Priest Jr., Mr. and Mrs. G. H. Hayward and Mr. and Mrs. Harold Hall.

MR. AND MRS. LOUIS WOLFSON

Epsilon Sigma Alpha Holds Holiday Dance

"Winter Wonderland" was the theme for a dance and buffet hosted Saturday evening by members of Epsilon Sigma Alpha and their husbands. The holiday affair was held at Cosden Country Club where the Dale White Orchestra played until 1 a.m.

The festive decor utilized garlands of gold stars and tinsel accented with bells and illuminated by star chandeliers. The refreshment center was covered in red and featured white candles and a line arrangement of leaves. Guests were seated at candlelit tables.

Mrs. Frank Perry president of Alpha Chi chapter, introduced women who have been named local chapter beauties. They were Mrs. Mike Moore, Alpha Chi, and Mrs. Robin Howell, Mu Kappa. The two will compete later in regional contests.

The growing popularity of slender floor-length gowns was evident among the dancers. The flattering fashion features skirts that were slit at the sides or slashed almost to the knee in back to allow freedom of movement.

Among those choosing the elongated look were Mrs. Thomas Hammond, in a silvered pink brocade which she accented with a single large pink crystal worn as a pendant, and Mrs. Paschal Odom, a talented seamstress, who created her gold brocade gown and set it off with gold slippers.

Distinctly discotheque was Mrs. Louis Wolfson whose short black dress attracted almost

much attention as her temporary eye patch trimmed with glitter.

Mrs. Glen Linder, a newcomer to the local scene, was beautifully blonde in a long gown with pale blue bodice and silvered blue brocade skirt. Blue was the perfect color, too, for blonde Mrs. Moore. She liked the semi-blonde look and the sparkle of rhinestones on her slippers.

Sharing a table with Mr. and Mrs. Robert E. Rogers were the John Prestons of Stanton. Mrs. Preston wore a scoop necked emerald green brocade with long fitted sleeves and Mrs. Rogers was a contrast in brilliant red chiffon with flowing panels at the back. The bright chiffon was chosen, too, by Mrs. Buster Griggs who sparkled her costume with long white satin gloves.

Mrs. Bill Davis was seen in a long black satin skirt topped by a white bodice with swirls of silver. Mrs. J. W. Dickens was striking in formal white crepe with draped cowl neckline and bodice dotted with crystals.

Mrs. Hanson Lawhon chose the new long look in green brocade. She was introducing her sister-in-law, Mrs. William Lawhon of Carlsbad, N. M., whose beige gown from Paris, France, was accented with huge brown velvet roses. Textured brocade in gold and white was becoming to Mrs. Roy Granberry who wore long gold satin gloves and Mrs. Don Wiley was a pretty picture in a short white formal with belled skirt. Mrs. Perry was in a two-piece white dress with beading edging the sleeves. A silver lame shell top was worn with a short pleated skirt by Mrs. Cecil Kelley, and Mrs. Don Robbins' knife-pleated white skirt was topped with a black shell.

Nearby was Mrs. Jack Newsum, wearing a soft beige frock styled with a rolled collar, and her friend, Mrs. Gail Bonner, wore a blue print accented with a long string of beads.

Remove Smudges

To remove fingerprint smudges from light switch plates and woodwork, sponge area with a solution of three tablespoons of sal soda concentrated and a pinch of detergent in one quart of warm water. Rinse with fresh water.

MR. AND MRS. CLAYTON WILLIAMS

Ball Held At Country Club

The Jess Gayer Orchestra played for dancing Saturday evening as members of Big Spring Country Club and their guests gathered for the annual Christmas ball.

The red-covered tables were centered with arrangements of white candles, nestled in green boughs and tied with red bows. Wall holders featured red tapers and hanging baskets were filled with greenery. The focal point in the room was the tall Christmas tree brilliantly decked with twinkling pink lights.

Mr. and Mrs. Ralph Caton were joined by the Wesley Deates and the Bill Colemans. Mrs. Caton wore a hand knitted sequined blouson top and long skirt of slipper satin, and Mrs. Deats chose pale blue for her short formal styled with high waistline, the bodice completely covered with silver trim and loops of beads. Mrs. Coleman was pretty in a short-skirted gown of bright red with velvet bodice and narrow shoulder straps.

Mrs. Bob Rogers chose white wool knit interwoven with silver threads that featured a tie belt and Mrs. Elmo Phillips was a sharp contrast in black lace.

Hours for dancing in the candlelit ballroom were from 9 p.m. until 1 a.m.

Club Hears Bell Choir

The hand bell choir from the First Methodist Church composed of high school students was presented in a program at the meeting of the 1930 Hyperion Club Saturday at the home of Mrs. J. M. Woodall, 808 W. 14th St.

The choir played under the direction of Marvin James of the First Methodist Church music department. Members of the choir are Merry Lee DiBrell, Sarah King, Don Shive, Annette Fitzhugh, Sherri Alexander, Kay Trupp and Judy Hines.

Mrs. Arch Carson, president, presented Mrs. R. W. Thompson, program chairman, who in turn introduced the director and the choir. The program was entitled "Christmas Bells" and included "O Come All Ye Faithful", "Away In A Manger", "The Star" and "Silent Night."

During the business meeting members voted to give a donation of money to assist with the Big Spring State Hospital party.

Refreshments were served from a polished table that was centered with an arrangement of blue and green paper flowers held in a brass bowl. Appointments were of crystal and silver. Mrs. Carson poured.

SWING SKIRTS

Pleated skirts were popular. Among the women choosing the free-swinging style were Mrs. Vance Lobkowski in red and Mrs. H. S. Gwyn Jr. whose white costume flared gracefully for dancing. Mrs. Clayton Williams sparkled in a floor-length sheath of black sequins and wore her hair in a new smooth style. The long torso of Mrs. W. E. Ramsey's black dance dress was attached to a flouncy skirt of natural lace ruffles, and across the room, Mrs. Joe Gunning, was attractive in a long white skirt, slit for easy movement, which she topped with a black shell dipping to a low V at the back.

Long dresses were the choice of Mrs. E. H. Boullion Jr., who liked the golden glow of lame; Mrs. Eva Pyeat in white trimmed in beading; and Mrs. Modesta Simpson in gold shell top and black skirt.

Beautiful Mrs. Bob Galbraith showed off her blonde hair with a long white gown, as did Mrs. Marvin Saunders, whose sheath featured beading over the bodice.

Performing perfectly in a smooth samba were Mr. and Mrs. Bob Terrell, her long black sheath styled with a V neckline. Jitterbugging with her husband, Mrs. Clyde McMahon Jr. looked festive in a red cocktail dress.

Mrs. Jimmy Johnson, always pretty, wore a pink brocade theater suit accented with a rhinestone necklace, and Mrs. Harold Lall's white short sheath had a cowl neckline scooped low at the back. Mrs. Tommy Hutto, back from Louisiana, was gowned in a slender sleeve-

Paper Toy Chest

When papering your children's room, make them a matching toy chest. Cover a large, but sturdy cardboard box with leftover paper and top with a coat of clear shellac.

To cut uniform nylon net ruffles quickly and easily, mark the desired width on a large piece of white paper with a dark crayon. Pin several thicknesses of the net to the paper, then cut along the crayoned lines, which will show through the net.

U.S. To Unveil Evidence In Rights Deaths

PHILADELPHIA, Miss. (AP)—The case of the three slain civil rights workers is heading toward its next climax Thursday when the government unveils evidence at a preliminary hearing.

Mississippi authorities await a look at the FBI evidence. They must decide if they will press murder charges—a state offense—against some of the 21 men arrested last Friday.

"The first thing I'm going to do," said Dist. Atty. W. H. Johnson Jr., "is review the evidence very, very carefully, and then make the decision on whether the state will take action."

TO STATE

Johnson said the FBI has given assurances it will turn over its evidence to the state.

The FBI has charged 19 men with violating the civil rights of the slain workers. Two other men were charged with being accessories. These are all federal charges. The preliminary hearing could be a delicate legal crossroad. It is scheduled in nearby Meridian before U.S. Commissioner Esther Carter.

Justice Department attorneys will try to put on enough testimony to convince the commissioner they have a strong enough case to warrant holding the 21 men for grand jury action.

BULK OF CASE

On the other hand, it is expected that the government will be trying to hold back the bulk of its case—so as not to tip its hand.

While the government reads its case, a statewide defense fund is being organized for the defendants, five of whom, according to the FBI, are Ku Klux Klan members.

Laurel G. Wier, one of eight attorneys who represented 18 of the men at their arraignment Friday, said calls offering funds have come from as far as Wisconsin. He said a corporation may be formed to administer the fund.

"MONEY OFFER"

In Philadelphia, Sheriff Lawrence Rainey said Saturday he was offered money by FBI agents for information about the slayings. Rainey, one of those arrested, said agents told him they had witnesses.

The FBI declined comment on the witnesses but said the money claim was "ridiculous."

The civil rights workers, Michael Schwerner, Andrew Goodman and James Chaney, a Negro, disappeared near Philadelphia last June. Their bullet-riddled bodies were found in an earth-filled dam Aug. 4.

Conservative Backing Vowed

PLAINVIEW, Tex. (AP)—Republicans in the Texas Panhandle have vowed to continue supporting conservative leaders, including Sen. Barry Goldwater and National GOP Chairman Dean Burch.

The action came Sunday at a meeting of county chairmen and vice chairmen from the 15-county 30th Senatorial District.

In a resolution, the delegates said "even in the face of defeat in the last election, we still strongly support the present conservative leadership."

Buddy Hedges of Olton, a state GOP field representative, said he believes state party policies will "be the same as ever, only we'll have to work a little harder."

Robert Lee Smith, 39, a farmer from the Sterley Community near Lockney, was selected district committeeman to replace the late Bill Carter of Littlefield.

Smith, a former president of the Floyd County Farm Bureau and board member of Lubbock Christian College, agreed to follow conservative policies.

Former Tax Chief Dies

DALLAS (AP)—John Bettes Dunlap, 62, who served as U.S. Internal Revenue commissioner during the Truman administration, died Sunday night.

A Dallas native, Dunlap graduated from Southern Methodist University in 1925.

He joined the Internal Revenue Service in 1933 as a deputy collector and three years later was named chief field deputy, a post he held until 1940 when he went on active duty with the Texas National Guard.

During World War II he served in the Pacific theater with the rank of colonel. He ended his military career in 1946 as a brigadier general in the Army Reserve.

PUZZLE OF SATURDAY, DECEMBER 5, SOLVED

Mag Gets 'Confidential Transcript'

NEW YORK (AP) — Newsweek magazine says it has obtained a verbatim transcript of the Aug. 12 "unity conference" of Republican leaders at Hershey, Pa., and quotes Sen. Barry Goldwater as saying:

"I think it's time that we decide that you've got a candidate for the presidency and the vice presidency. You might not like us, but you're stuck with us."

PRINTS EXCERPTS

The magazine, in its Dec. 14 issue, released Sunday night printed excerpts from the confidential transcript it said it obtained last week.

Among the discussions reported by the magazine was an argument between Gov. Nelson A. Rockefeller of New York and presidential nominee Goldwater over the latter's public statement that he did not seek extremist support.

According to Newsweek, Rockefeller told Goldwater he felt the candidate should say he completely rejects extremist support, rather than that he does not seek such support.

QUOTES EXCHANGE

The magazine quoted this exchange:

Rockefeller: "You don't seek their support, but you don't reject their support... When you are going to clarify an image, you don't leave any equivocation. That was my only point. I have made my point."

Goldwater: "If there is any question, I think we can handle it."

Rockefeller declined immediate comment on the article. Goldwater was unavailable.

French Actor Flutters Hearts

HOLLYWOOD (AP) — MGM hasn't seen anything like it in all its 40 years.

JANE FONDA

French star Alain Delon was enjoying his lunch in the studio commissary and pouring himself and his guests drinks from a bottle of champagne — French, but of course. Oldtimers at MGM, most conservative of the studio, blinked in disbelief. Studio workers are not allowed to purchase even beer in the dining room.

"AM SORREE" Delon said airily as he sipped the golden bubbles, "but I cannot drink Coca-Cola with my meals."

The independent Frenchman is the latest of international film stars to come to Hollywood, and he is one of the most willing of emigrants. Many of them travel here to collect large salaries and the prestige of appearing in American films, then hasten back to their tax shelters in the old country.

"How long will I stay?" said Delon. "As long as they want me here. Wherever I work, I am happy to stay. I can adjust to any surroundings. And I must say life in America is very easy to adjust to."

"Living in Southern California is very pleasant — if you are a movie star and can afford a

house in Beverly Hills. But not everyone is a movie star."

Delon is now finishing his first Hollywood film, "Once a Thief," in which he costars with Ann-Margret. He has found the filming technique no different from that in Europe. "We are all one big family," he observed. "The only differences are in the amount of money that can be spent and the skill of the technicians."

FLUTTERS HEARTS

The sad-eyed, exceedingly handsome actor has fluttered

many a heart, notably those of costars Romy Schneider and Jane Fonda. There was consternation among feminine members of the jet set when he married Natalie Barthelmy earlier this year. He now appears to be a devoted husband and father — a son was born six weeks ago.

"He was born here," Delon pointed out. "Just think — he could be president of the United States. He is a citizen."

And Delon himself?

"No, I cannot be president," he replied.

But does he plan to become a citizen?

"Oh, I cannot tell now," he remarked. "Supposing I become a citizen and then I find no work here. How would I be received when I go home to France?"

One-Man Rule Days Over, Kremlin Vows

MOSCOW (AP) — The Kremlin's new rulers say they have set up "additional guarantees" against a revival of one-man rule in the Soviet Union.

An editorial in Pravda Sunday said the Communist party leaders' meeting that toppled former Premier Nikita Khrushchev in October also concerned itself with "the creation of additional guarantees against the excessive concentration of power in the hands of individual persons."

The Communist party paper did not say what these guarantees were, but it seemed to con-

firm reports of a secret party rule prohibiting one man from taking over both the top Communist party and government posts, as Khrushchev and Stalin did.

TOILET TANK BALL

Banker Dies At Abilene

ABILENE, Tex. (AP)—E. L. Thornton, 68, banker and businessman, died Sunday in a hospital of a heart ailment.

Funeral services will be held here at 10 a.m. Tuesday. Thornton was chairman of the board of the First State Bank of Abilene. He owned three local department stores, six food stores and was part owner of Radio Station KWKC.

Wedding Party Over, Now For The Nuptials

LONDON (AP) — Horace Davison and Jean Dixon dropped in on the local vicar in Hedworth, County Durham, again today in a new effort to get married.

Their first one didn't work but they had a whale of a wedding reception for 80 guests.

Davison, 32, and Miss Dixon, 28, showed up Saturday at St. Nicholas church, he in his best bib and tucker, she in a lacy

bridal gown.

Vicar James Beattie said he was sorry but he had forgotten to put the thing down in his book and the banns had not been announced, so no wedding.

Halfway between embarrassment and anger, the bridal couple trooped out followed by their guests. They all repaired to Jean's home where Dad Ed. Ward Dixon manfully carried on.

Doctor's License Revoked

FORT WORTH (AP) — One physician's license to practice medicine was canceled, a second physician was assessed no punishment and a third had his license canceled with the cancellation set aside by the Texas Board of Medical Examiners meeting here.

A Carrollton, Tex., physician, James Hubert Hallford, had his license revoked for the offense of writing narcotic prescriptions for himself, using the name of fictitious persons.

Dr. Harvey Knight Jackson of Amarillo, Tex., who had been convicted and sentenced by a federal court to six months imprisonment for forcibly assaulting Internal Revenue Service officers while in the performance of their official duties, was found by the board to be guilty as charged.

PUNISHED ENOUGH
However, the board assessed him no penalty, ruling that by serving his prison term he had been punished enough.

Dr. Robert A. Middleton of Granger, Tex., accused of illegally prescribing narcotics and of the offense of fondling, was also found guilty as charged. He was convicted on the narcotic charge for a two-year probation sentence, and convicted on his no contest plea to the offense of fondling with punishment assessed at a 30 day confinement in the county jail.

The board canceled his license and set the cancellation aside. Dr. Middleton was placed on five-year probation with these stipulations:

That he obtain no narcotics permits without permission of the board.

NO VIOLATION
That he violate no law involving a felony or moral turpitude.

That he violate no articles of the Medical Practice Act, as found in Vernon's Civil Statutes, Article 4505.

Hallford, who had been a general practitioner, told the board he had used narcotics, mostly demerol, off and on since 1960. But he said he had broken the addiction "cold turkey" last August. He admitted he had appeared before the board previously on similar charges, the last time being in Houston in December, 1963.

FBI Raps Magazine

WASHINGTON (AP) — The FBI has accused Newsweek magazine of "a new low in reporting" for an article in which the magazine said President Johnson had decided to replace J. Edgar Hoover as FBI chief — an allegation which the White House since has denied.

The criticism, along with an accusation that the magazine presented inaccurate statistics on the FBI, was in a letter sent by FBI Associate Director Clyde Tolson to Newsweek editor Osborne Elliott.

Reached Sunday night at his New York home, Elliott said the magazine stands by its story.

Among other things, the article in Newsweek's Dec. 7 issue, released in advance of its cover date, said Rep. John J. Rooney, D-N.Y., head of a House Appropriations subcommittee, was especially sympathetic to Hoover's requests for funds.

The article said five special FBI agents are on loan to Rooney to help with subcommittee work. Tolson's letter denied this.

Arab, Negro Fight Persists

KHARTOUM, Sudan, (AP) — Arabs and Negroes battled through the night in Khartoum, and fighting continued today. An estimated 10 persons were reported killed, and scores were injured, including an American couple.

The racial warfare broke out when thousands of Negroes from South Sudan massed at the Khartoum Airport to protest domination by the East African nation's Arab majority. Then they invaded the city, smashing automobiles and attacking Europeans and Americans as well as Arabs.

Apparently the Europeans and Americans were mistaken in the dark for Arabs. "This is not against you," a leader of the mob told an English family and two Americans at the airport.

The rioters smashed windows at Communist China's embassy. Iron shutters were lowered over the windows of the U.S. Embassy, and a Marine guard was on the alert.

Charley Johnson Leads Cards To Brink Of Title

Hopes Hinge On Giants, Browns Tilt

By HAL BOCK
Associated Press Sports Writer

It wasn't so very long ago that the St. Louis Cardinals were vitally concerned with what went on in Yankee Stadium in New York and it will be that way again next Saturday.

This time it's the National Football League's Eastern Division title going up for grabs and the Cardinals will be the football variety instead of baseball.

The Cleveland Browns had a chance to wrap up the Eastern title Sunday but lost to St. Louis 28-19 allowing the Cards to creep within a half-game of the lead. Cleveland visits New York Saturday and the Giants, struggling through a dismal season after three straight Eastern crowns, once again are a vital factor in the Eastern race.

Should the Browns win Saturday, Sunday's game between the Philadelphia Eagles and St. Louis won't mean a thing. But a Giant victory could give the Cards the crown if St. Louis gets by the Eagles the following day.

The Giants lost their ninth in 13 games Sunday, bowing to Minnesota 20-17. In other games, Detroit ended Baltimore's 11-game winning streak 31-14, Pittsburgh topped Washington 14-7, Philadelphia downed Dallas 24-14, and San Francisco defeated Los Angeles 28-7. Saturday it was Green Bay 17, Chicago 3.

Charley Johnson keyed the Cardinal triumph, pitching two touchdown passes and running short yardage for two more scores as St. Louis stalled Cleveland's title drive. Johnson completed 15 of 22 for 167 yards.

Lou Groza kept the Browns in the game, booting four field goals.

The Giants, who handed St. Louis one of its losses and held the Cards to a tie in their other game, showed signs of life against Minnesota. Clarence Childs raced 100 yards returning a kickoff for a TD and Gary Wood handled the New York offense adequately.

But scrambling Fran Tarkenton tossed two TD passes and Fred Cox kicked three field goals as the Vikings came from behind to win it.

Milt Plum threw three TD passes as the Lions ended Baltimore's win streak that started the second week of the season. Pittsburgh scored the winning touchdown midway in the final period and then halted a last-minute Washington drive for its victory. Ed Brown's 47-yard pass to Gary Ballman produced

The Coup De Grace

Defense back Larry Wilson, (8) of St. Louis goes high to grab a Cleveland Brown pass in the end zone in the fourth quarter Sunday and by this act did in the waning hopes of the Browns. Just as Gary Collins (86) reached up for the pass which would have put Cleveland within two points with ample time to score again, Wilson made the sparkling interception. Led by Charley Johnson of Big Spring (Tex.) the Cardinals won 28-19 and moved within a half a game of the leading Browns. (AP WIREPHOTO)

the deciding points. Rookie Jack Concannon sparked the Eagles' victory 28-7 Saturday, completing 10 of 20 passes including two TD's.

John Brodie threw a pair of TD passes and an aggressive San Francisco defense stalled Los Angeles as the 49ers reversed an early season loss.

Forsan-Flower Grove Winners

FORSAN — The Forsan girls rallied in the final quarter and captured the championship in a breath-taking finish at the invitational tournament here Saturday night with a 58-57 win over Coahoma.

The Flower Grove boys, however, kept snuffing out Forsan rallies and won the boys' title handily, 76-47.

Forsan took a 15-9 first quarter lead, saw Coahoma rally for a 31-29 halftime advantage. Each team scored 14 points in the third quarter and Forsan piled in a 15-12 advantage in the final round. However, Coahoma

led 17-15 at the end of the first half. Forsan rallied in the second half to win 58-57.

Calvert Shortes and Robert Mahoney teamed with a 62 best ball low for top honors in the invitational partnership handicup tournament at the Big Spring Country Club Sunday afternoon.

Teams tying for second, third and fourth places with 64 were Melvin Lindsey and R. L. Patterson, Tommy Gage and R. L. Heith, Jerry Barron and Dan Washburn.

Four tied for top individual honors. They were Melvin Lindsey, Jim Day, Son Powell, Weldon Bryant.

There were 70 players participating.

Teams tying for second, third and fourth places with 64 were Melvin Lindsey and R. L. Patterson, Tommy Gage and R. L. Heith, Jerry Barron and Dan Washburn.

Raiders Put Patriots Back In Contention

By BOB GREEN
Associated Press Sports Writer

It was only fitting and proper. Back in October the Oakland Raiders, with some last-minute heroics, delivered what appeared to be a knockout blow to Boston's hopes of an Eastern Division title in the American Football League.

And now, with some last minute heroics, the Raiders have knocked the Patriots right back into the drivers' seat.

The Raiders' Tom Flores did the job this time, hitting Art Powell with a three-yard touchdown pass with only four seconds left and boosting Oakland to a 16-13 victory over Buffalo Sunday.

Boston had been struggling desperately to catch up ever since Mike Mercer kicked a 38-yard field goal with five seconds left in the October clash when Oakland tied the Patriots 43-43 and appeared to knock them out of title contention.

They finally overhauled the Bills by beating Kansas City 31-24. That left Buffalo with a 10-2 record and Boston at 10-2-1. The Patriots are idle this week while Buffalo has a game with Denver. Regardless of the outcome of the Bills' game with Denver, the Eastern title goes on the line in the final game of the regular season, Boston at Buffalo.

The San Diego Chargers wrapped up the Western title, their second straight and fourth in the five-year history of the AFL, with a 38-3 romp over New York in the only other league game played over the weekend.

Boston's Babe Parilli passed for 300 yards and three touchdowns in leading the Pats to their key victory. A 29-yard touchdown pass to Art Graham broke a 17-17 tie and put Boston ahead to stay.

San Diego totaled 466 yards on offense against the hapless Jets and scored the first three times it got its hands on the ball. John Hadl completed 15 of 17 passes for 240 yards and two touchdowns.

A Houston fan who became disenchanted in a hurry with the new name of that city's National Baseball League entry suggests that the team be called the Astronauts instead.

A television series has been proposed for Bob Aspromonte, one of the Houston players. It would be called Astro of the Astros.

Boyce Hale, the local basketball arbiter, was roasted in the Snyder press for his officiating in the recent Snyder-Colorado City game.

Snyder won the game easily, 96-56, but employed a full court press throughout the game and pandemonium reigned on the court occasionally.

Hale has no rancor toward the author of the article, however. He sent the writer a Christmas card.

How impotent was SMU's football offense this past season? Not an SMU player was named to Arlington State's all-opponent offensive platoon, although the Mustangs beat Arlington, 14-0. Three SMU players (end Doug January, linebacker Jerry Griffin and half-back Richard Stark) were selected on the all-foe defensive team.

Mike Love, son of Mr. and Mrs. Herbert Love of Coahoma, gained the fullback spot on the Arlington club's all-opponent offensive unit.

The picture of the former HCJC cage star, Walker Carter, adorns the cover of the Howard Payne College basketball brochure this year, along with that of coach Glen Whitis and 6-8 Bob Springer.

Carter played in only 18 of HPC's 24 games last season but scored 300 points for a 16.5 game average.

Whitis says Walker is as good an offensive player as he has ever coached. His hook shot is poisonous to opponents.

SUNLAND P'K RACE RESULTS

FIRST RACE (one mile) — Molester 2:40, 2:30, 4:30; Peter El 2:40, 2:40; Mc. Butterfly 4:00, Time 1:40.

GUINELLA — 2:40; Total handle \$176,000. Attendance — 2,800.

LOOKING 'EM OVER

With TOMMY HART

Ronnie Banks, the former Big Spring cager, is out for freshman basketball drills at Texas Tech.

Banks scored two points when the Picadors knocked off San Angelo College, 79-59, the other night. He took only two shots at the basket.

The Picador-Ram contest precluded a varsity contest between the Red Raiders and McMurtry. Don Gardner and Big Spring's R. C. Moore officiated the varsity go.

When SMU played Texas A&M in football the past season, the Mustangs' Danny Thomas punted six times for an average of 54.5 yards, best single game performance in the nation for the season.

Claud Tucker, the promising eighth grader who plays with the Lakeview school's ninth grade basketball team here, is a cousin to Eddy Nelson, the HCJC jumping jack.

Nelson has been dropping into the Lakeview gym from time to time to give Tucker some pointers.

The Sugar Bowl has broken the color line for once and for all in booking Syracuse against LSU for its Jan. 1 game. Syracuse has eight Negroes on its squad and all are on the starting offensive and defensive platoons.

Lange Morris, who scored 17 points for Crosby in a losing effort against Stanton's Buffaloes in the Tahoka Basketball tournament last week, is a brother to HCJC's two-time all-state freshman, Larry Morris.

Larry played his high school ball at McAdoo, however. Crosby and McAdoo are about 16 miles apart (closer as the crow flies).

Noogie Mims, the pre-World War II Big Spring High School football back, now operates one of Odessa's biggest drug stores.

A Houston fan who became disenchanted in a hurry with the new name of that city's National Baseball League entry suggests that the team be called the Astronauts instead.

A television series has been proposed for Bob Aspromonte, one of the Houston players. It would be called Astro of the Astros.

Boyce Hale, the local basketball arbiter, was roasted in the Snyder press for his officiating in the recent Snyder-Colorado City game.

Snyder won the game easily, 96-56, but employed a full court press throughout the game and pandemonium reigned on the court occasionally.

Hale has no rancor toward the author of the article, however. He sent the writer a Christmas card.

Garland, Tascosa In Feature Game

By HAROLD V. RATLIFF
Associated Press Sports Writer

The wheel of fortune spins on the Texas schoolboy football semifinals this week and where it will stop is eight-way confusion.

As the drive hits its penultimate round there are eight of 16 teams boasting unbeaten records which, based on the way the race is going, does not necessarily mean they will be the favorites.

Defending champion Garland of Class AAAA has a loss on its record but will be given a strong chance of dumping Amarillo Tascosa, a team with a perfect status, when the two clash in the Cotton Bowl at Dallas Saturday in the feature game.

This one is due to draw the biggest crowd for a schoolboy game since the record-setting Highland Park-Waco battle in the Cotton Bowl 20 years ago. Then more than 45,000 jammed into the big saucer.

Garland and Tascosa decide a finalist to meet the winner of the Galena Park-San Antonio Highlands game at Houston Saturday.

Galena Park, undefeated and untied and looming quite large under the last laps, will be favored to beat Highlands, which dropped two games in the district drive.

The Class AAAA semifinals match Wichita Falls Hirschi, a thrice-beaten team, with Palestine, a one-time loser, and undefeated, untied Vidor with San Marcos outfit that hasn't lost but has a tie on its record.

Hirschi, surprise victor over Andrews and its perfect record last week, seems destined to reach the end of the trail against defensive-minded Palestine but then they have been forecasting this for Hirschi for weeks now.

Vidor, with its talented passer Larry Tilton, will be picked over San Marcos.

Hirschi and Palestine play at Arlington and Vidor and San Marcos joust at Houston, both Saturday afternoon games.

In Class AA unbeaten, untied Denver City takes on once-defeated, once-tied Marlin at San Angelo while Taylor and Palacios, both boasting perfect records, get together at Austin. They are Friday night games, with Denver City and Taylor due to be the favorites—which would mean two unbeaten, untied teams in the finals.

Taylor and Palacios won the most impressive victories in moving into the semifinals, Taylor blasting Port Acres 31-6 and Palacios swamping Los Fresnos 32-6.

CLASS A Rosebud, the last unbeaten team in Class A, has become the favorite of this division but must take out Ingleside, conqueror of mighty Hull-Daisetta, in what could be the tightest battle of the week.

Big Lake and Archer City clash in the other Class A semifinal, getting together at Snyder Saturday. Rosebud and Ingleside will meet at Seguin Friday night.

Here's the schedule, with team records, for the four-way semifinals:

Class AAAA—Amarillo Tascosa (12-0-0) vs. Garland (11-1-0) at Dallas Saturday (2 p.m.); Galena Park (12-0-0) vs. San Antonio Highlands (9-2-1) at San Antonio Friday (7:45 p.m.)

Class AAA—Wichita Falls Hirschi (9-3-0) vs. Palestine (11-1-0) at Arlington Saturday (2:30 p.m.); Vidor (12-0-0) vs. San Marcos (11-0-1) at Houston Saturday (2 p.m.)

Class AA—Denver City (13-0-0) vs. Marlin (11-1-1) at San Angelo Friday (2 p.m.); Taylor (13-0-0) vs. Palacios (12-0-0) at Austin Friday (8 p.m.)

Class A—Big Lake (12-1-0) vs. Archer City (11-2-0) at Snyder Saturday (2 p.m.); Rosebud (11-2-0) vs. Ingleside (12-1-0) at Seguin Friday (8 p.m.)

Class AAAA—Amarillo Tascosa (12-0-0) vs. Garland (11-1-0) at Dallas Saturday (2 p.m.); Galena Park (12-0-0) vs. San Antonio Highlands (9-2-1) at San Antonio Friday (7:45 p.m.)

Class AAA—Wichita Falls Hirschi (9-3-0) vs. Palestine (11-1-0) at Arlington Saturday (2:30 p.m.); Vidor (12-0-0) vs. San Marcos (11-0-1) at Houston Saturday (2 p.m.)

Class AA—Denver City (13-0-0) vs. Marlin (11-1-1) at San Angelo Friday (2 p.m.); Taylor (13-0-0) vs. Palacios (12-0-0) at Austin Friday (8 p.m.)

Class A—Big Lake (12-1-0) vs. Archer City (11-2-0) at Snyder Saturday (2 p.m.); Rosebud (11-2-0) vs. Ingleside (12-1-0) at Seguin Friday (8 p.m.)

Class AAAA—Amarillo Tascosa (12-0-0) vs. Garland (11-1-0) at Dallas Saturday (2 p.m.); Galena Park (12-0-0) vs. San Antonio Highlands (9-2-1) at San Antonio Friday (7:45 p.m.)

Class AAA—Wichita Falls Hirschi (9-3-0) vs. Palestine (11-1-0) at Arlington Saturday (2:30 p.m.); Vidor (12-0-0) vs. San Marcos (11-0-1) at Houston Saturday (2 p.m.)

Class AA—Denver City (13-0-0) vs. Marlin (11-1-1) at San Angelo Friday (2 p.m.); Taylor (13-0-0) vs. Palacios (12-0-0) at Austin Friday (8 p.m.)

Class A—Big Lake (12-1-0) vs. Archer City (11-2-0) at Snyder Saturday (2 p.m.); Rosebud (11-2-0) vs. Ingleside (12-1-0) at Seguin Friday (8 p.m.)

TULSA THROWER

Jerry Rhome Breaks All Sorts Of Records

NEW YORK (AP) — Jerry Rhome, Tulsa's second-team All-American, broke 16 major college football records this season en route to winning individual titles in total offense and passing by big margins.

Final figures released today by the NCAA Service Bureau show that the Tulsa senior quarterback gained 3,128 yards rushing and passing for a margin of 902 yards over runner-up John Torok of Arizona State. In passing, Rhome completed 224 aerials, 39 more than second-place Craig Morton of California and compiled 2,870 yards through the air.

Here are Rhome's major college records:

Single Game
Total offense yards, 504; pass completions, 35; passing yards, 448, and touchdown passes, 7.

Season
Total offense plays, 470; total offense yards, 3,128; points responsible for, 256; pass completions, 224; passing yards, 2,870; touchdown passes, 32; consecutive passes without interceptions, 198; per cent completions, .687; per cent interceptions, .012.

Career
Total offense plays, 1,026; pass completions, 448 and passing yards, 5,472.

Final figures released today by the NCAA Service Bureau show that the Tulsa senior quarterback gained 3,128 yards rushing and passing for a margin of 902 yards over runner-up John Torok of Arizona State. In passing, Rhome completed 224 aerials, 39 more than second-place Craig Morton of California and compiled 2,870 yards through the air.

GOREN ON BRIDGE

BY CHARLES H. GOREN

ANSWERS TO BRIDGE QUIZ

Q. 1—As South you hold:

♠ Q 103 ♥ 54 ♦ A 10942 ♣ 854

The bidding has proceeded:

North East South West

1 ♠ 2 ♥ Pass Pass

Double Pass ?

What do you bid now?

A.—Three spades. An effort should be made to reach game, and a mere return to two spades or a call of three diamonds will sound forced to partner, and he may be reluctant to take further action. A jump bid cannot be considered drastic in light of your failure to bid freely on the previous round.

Q. 2—As South you hold:

♠ Q 107 ♥ Q J 9 8 7 4 ♦ 5 ♣ 5 3 2

The bidding has proceeded:

North East South West

1 ♠ Pass 1 ♥ Pass

2 NT Pass 3 ♥ Pass

3 NT Pass ?

What do you bid now?

A.—Hearts, it must be with this hand, and you must, therefore, dutifully continue to four. This does not show any additional values, for you bid each time at the lowest level that it was possible for you to do so. Your repeated bids in hearts show a weak hand with length in hearts. This does not look like a promising hand for no trump.

Q. 3—As South you hold:

♠ K 7 5 3 ♥ A Q 8 ♦ A K 8 2 ♣ 8

The bidding has proceeded:

North East South West

1 ♠ Pass 3 ♥ Pass

3 ♥ Pass ?

What do you bid now?

A.—We would be willing to assume at this time that your major suits are solid and consequently are concerned primarily with the number of aces. We would, therefore, bid four no trump (Blackwood) and, if partner showed two aces, we would risk a grand slam in spades.

Q. 4—As South, vulnerable, you hold:

♠ A 2 ♥ K 9 ♦ K 9 5 3 2 ♣ 8 5 4 3

The bidding has proceeded:

North East South West

1 ♠ 1 ♠ 2 ♠ 2 ♠

3 ♠ Pass 3 NT Pass

4 ♠ Pass ?

What do you bid now?

A.—The you had a very sound

raise to start with, we recommend a mere return to five clubs. The bidding has made it clear that your ace of spades is not as impressive a card as you thought it would be from the beginning, inasmuch as it duplicates partner's void.

Q. 5—As South you hold:

♠ K 6 ♥ A Q 7 6 3 ♦ A Q 7 3 ♣ 9 6

The bidding has proceeded:

South West North East

1 ♥ Pass 1 ♠ Pass

2 ♦ Pass 2 ♠ Pass

What do you bid now?

A.—You have more values than you have previously shown and, since partner has rebid spades, you have normal support for that suit. One more try is recommended in the form of a raise to three spades.

Q. 6—As South you hold:

♠ A J 9 5 ♥ K 5 ♦ 9 8 5 2 ♣ A Q J

What is your opening bid?

A.—This hand is just a shade light for an opening bid of one no trump, and it might be found convenient to open it with one club. The objection to bidding a spade is that a somewhat awkward rebid situation develops if partner responds with two hearts.

Q. 7—As South you hold:

♠ 9 8 2 ♥ J ♦ A J 6 ♣ A K 8 5 4 2

The bidding has proceeded:

North East South West

1 ♠ Pass 2 ♠ Pass

2 ♥ Pass ?

What do you bid now?

A.—No very convenient rebid is available at the moment. A mere return to two spades could not be considered on grounds of inadequacy. A jump to three spades is certainly not to be entertained with such a meager trump holding. In preference to trying two no trump, we would temptize with a bid of three diamonds. If partner proceeds to three no trump, we relax. If he rebids hearts, we return to three spades. If he rebids spades, we take him to four.

Q. 8—As dealer you hold:

♠ A 8 5 ♥ A Q 10 3 ♦ A Q 5 4 2 ♣ 3

What is your opening bid?

A.—The better strategic call is one heart rather than one diamond. If you open with one diamond and partner responds two clubs, your hand is not quite strong enough for the reverse bid of two hearts. Therefore, it is better to treat those suits as if they were the same length so that a convenient rebid is provided over partner's expected response.

Labor Union Official Plays Appointment By Connally

A labor union official has called Terrell Blodgett "the worst possible" choice to head the federal anti-poverty program in Texas.

Gov. John B. Connally named Blodgett his administrative assistant last week with the primary duty of coordinating the anti-poverty drive in Texas.

At a meeting here Sunday of the State AFL-CIO's Permanent Committee on Latin American Affairs, Jim Givens of El Paso said Blodgett "looks down on anyone who has to work for a living."

"I can think of thousands of persons in Texas who would have been bad in the position," said Givens, "but I cannot think

of anyone worse for the job than Blodgett."

Blodgett in the past has been city manager at Garland and Waco and assistant city manager at Austin.

Givens is secretary of the El Paso AFL-CIO Council.

In other action during its two-day meeting here, the Latin American Affairs Committee drafted a telegram to Senate Majority Leader Mike Mansfield, D-Mont., protesting his support of the bracero program.

The group also adopted a resolution urging appointment of a public welfare committee in both houses of the Texas Legislature.

A program was announced in which labor organizations in the state will be asked to appoint persons to assist in community programs receiving federal funds and to help improve organized labor's image among prospective members in low income groups.

Swimming From Peking, 6 Drown

MACAO (AP) — Seven persons tried to swim from Communist China to this Portuguese colony today. Six drowned in the attempt.

The survivor, a 17-year-old girl, was reported improving at a hospital.

Ceylon Red Mobs Riot

COLOMBO, Ceylon (AP) — Communist-led mobs rioted during the weekend in retaliation for Prime Minister Sirimavo Bandaranaike's defeat in parliament.

Mrs. Bandaranaike's coalition of her Freedom party and the Trotskyites was defeated Thursday by one vote when 14 members of the freedom party in Parliament defected. Mrs. Bandaranaike said she would dissolve Parliament.

Screaming mobs stoned one of the defectors, Lands Minister C. P. De Silva, and destroyed his car. A grenade was thrown into the home of K. M. P. Rajaratne, leader of the opposition National Revolutionary Front.

Warm Trend Is Forecast

Big Spring's cold weather has held on consistently, dropping temperatures to the low 20s for four straight days. Last night's low was 22, and Sunday's high reached only 45 degrees.

There has not been enough moisture to produce much ice, but where water was exposed there were ice reports.

Today's high was scheduled to be around 50 degrees, and with a "slight warming trend," Tuesday's high should get up to between 50 and 55 degrees. Continued fair weather is forecast through Tuesday.

Cotton farmers, waiting on frost to defoliate fields, have had enough hard frozers to do a good job, and pickers are going strong where cotton remains in the fields.

Defense Team Stands Intact

WASHINGTON (AP) — The Defense Department team of top civilian leaders, headed by Secretary of Defense Robert S. McNamara, is expected to remain intact at least until mid-1965.

McNamara reportedly has discussed with key members of his team his wish that they stay on and see the Pentagon's programs through the Congress next session. They were said to have agreed.

WILL STAY

This is taken to mean that McNamara himself intends to remain in office at least that long.

Associates said they had been unable to detect any signs that McNamara is thinking of stepping out. He is nearing the end of his fourth year as secretary of defense, still well short of the record of 56 months set by Charles E. Wilson in the Eisenhower administration.

The only member of McNamara's top group to resign recently was Thomas D. Morris, assistant secretary of defense for installations and logistics. He will be succeeded by Paul Ignatius, who is being promoted from undersecretary of the Army.

A change in the military high command will come in early February when Gen. Curtis E. LeMay retires as Air Force chief of staff.

SECOND POST

Gen. John P. McConnell, who has been the Air Force's second in command since midsummer, is likely to succeed LeMay.

Adm. David L. McDonald will finish a two-year term as chief of naval operations in June. He probably will be given a second term.

Otherwise, Gen. Earle G. Wheeler is only a few months into his term as chairman of the Joint Chiefs of Staff. The same goes for Gen. Harold K. Johnson, Army chief of staff. Gen. Wallace M. Greene, Marine Corps commandant, still has three more years to go in a four-year term.

Hairdressers Give 12 Waves

Several members of the local hairdressers association volunteered time and talents at the Big Spring State Hospital Sunday, giving 12 permanent waves to patients.

Volunteers included Mrs. Harold Bentley, Joan Davalos, Mrs. Mary Smith, Mrs. Fred McGowan, and Mrs. Opal Gibson.

During the recent election of officers, Mrs. A. J. McCown was named first vice president, and Mrs. S. D. Faulkenberry, second vice president.

BIG SPRING DAILY HERALD

SECTION B BIG SPRING, TEXAS, MONDAY, DECEMBER 7, 1964 SECTION B

Fatal Blaze Investigated

BLOOMINGTON, Calif. (AP) — An investigation was under way today into circumstances surrounding a fire in which three children, left with an 11-year-old baby sitter, burned to death.

An infant girl and two older sisters died in the fire which raged through the family's home about 4 a.m. Sunday. Three other children and the babysitter escaped.

The victims were Candy Lee Hurst, 11 months, and her sisters, Dana Larie, 7, and Dana Carlene, 5.

Deputy Curtis Wickersham, of the San Bernardino County sheriff's department, said a gas stove left burning for heat apparently ignited trash.

Wickersham said Diana M. Hurst had left the children in the care of her sister, Donna Plumb, 11.

Donna told firemen she was awakened by screams of Linda, 4. She said she tried to put out the fire with water, then awakened Carl, 9, and told him to get all the children out, while she ran for help to her own home two blocks away.

Instead, firemen said, Carl and Linda, along with Robert, 8, escaped through a rear bedroom and apparently tried to follow her.

Space Launch Agenda Heavy

CAPE KENNEDY, Fla. (AP) — The second straight postponement of the launching of an Atlas-Centaur space rocket and a satisfactory Project Gemini flight simulation test Saturday set up a heavy space firing schedule here this week—four shots in four days.

Here's the lineup:

Tuesday, 7 p.m. — The fifth launching of a Project Asat space glider on an 8,800-mile-an-hour ballistic flight to check structural and aerodynamic pressures which might affect future manned spacecraft. The 6-foot-long, 1,100-pound Air Force glider will be boosted by a Thor-Delta rocket.

Wednesday, 9 a.m. — The final unmanned flight planned in the Gemini man-in-space program. A Titan 2 rocket is to propel a full equipped capsule 106 miles high and ram it back through the atmosphere to a parachute landing in the Atlantic 2,150 miles southeast of Cape Kennedy. Recovery will be attempted.

Thursday, 10 a.m. — An orbital test flight by the Air Force's Titan 3A space rocket. The third stage is to shoot into orbit as a flying launch platform and is to kick loose a dummy satellite in a test of techniques for future military space missions.

Friday, 9 a.m. — The third attempt to launch the Atlas-Centaur on an orbital test ride. The rocket is being developed to land Project Surveyor craft on the moon, hopefully late next year.

Mariner 4 Zipping Along

PASADENA, Calif. (AP) — A scientist at the Jet Propulsion Laboratory says of Mariner 4's smooth cruise toward Mars: "If everything goes well, this is the way it will be for a long time to come — hopefully, until July."

That's the month when the spacecraft is scheduled to pass within 4,400 miles of Mars, its television cameras ready to take the closest pictures yet of the reddish planet.

When scientists last calculated its progress — that was at 6 p.m., Sunday — the Mariner was 1,506,000 miles from earth and was moving 7,000 miles per hour.

Solon Will Fight Re-Appointment

DALLAS (AP) — State Sen. George Parkhouse said Sunday he will fight the re-appointment of Thomas Bishop as adjutant general of Texas.

The adjutant general recently relieved Maj. Gen. Harry Crutcher of his duties as commander of the Texas Air National Guard.

Parkhouse called the action "military politics" and said Bishop was "professionally jealous" of Crutcher.

Fem Inmates Chic In Pink

NASHVILLE, Tenn. (AP) — If she behaves, an inmate at Nashville's Women's State Prison can shed her stripes for something chic in pink.

The prison's most trustworthy inmates wear pink, trusties pale green, probationary inmates white or light blue and those who must be disciplined — back to prison stripes.

Prison officials hope the clothes-conscious gals will find the new system an incentive to behave.

World Population At 3.28 Billion

WASHINGTON (AP) — The population of the world in mid-1964 was an estimated 3,283,000,000 and it is growing at the rate of about 65 million a year. In 1980 it is expected to hit 4.3 billion.

Rich Duchess Dead At 88

SOUTHAMPTON, N.Y. (AP) — Consuelo Vanderbilt Balsan, 88, the former Duchess of Marlborough, who led a storybook life as an American heiress, hostess to international royalty and social worker in the London slums, died Sunday at her Long Island home.

Since the end of World War II, she had lived in virtual retirement, except for publication in 1952 of her best-selling autobiography, "The Glitter and the Gold."

She was born into one of America's wealthiest families. Her great-grandfather, Commodore Cornelius Vanderbilt, had founded the New York Central Railroad and provided the base for the family's \$150-million fortune.

WED DUKE

At 17, the shy, dark-haired Miss Vanderbilt reluctantly married Charles Richard John Spencer-Churchill, ninth duke of Marlborough. He was a first cousin of Winston Churchill. The marriage lasted 11 years, ended in divorce and later was annulled after both had remarried. The ground for the annulment was that her mother had forced her to marry the duke.

In 1921, she married Col. Louis Jacques Balsan, a pioneer French aviator. He died eight years ago.

With her marriage to the duke, the slender American heiress brought along a dowry estimated at \$1.6 million in cash and the income from \$2 million in gilt-edge stocks.

MALE HEIR

In 1897, the duchess produced a male heir, Albert Edward William John, marquis of Blandford, who became the 10th duke of Marlborough following the death of his father in 1934. A second son, Ivor, was born the following year. He died in 1956.

A service will be held Wednesday at New York's St. Thomas Episcopal church, the site of her first marriage 70 years ago. Burial will be in England.

CONSUELO BALSAN

Jet Feared Down At Sea

NORFOLK, Va. (AP) — The Coast Guard continued a search today for a Navy jet fighter interceptor plane with two men aboard that was presumed to have gone down in the Atlantic.

The F4B Phantom II jet was believed to have crashed about 35 miles off Virginia Beach on a routine training flight Saturday.

The crewmen were identified as Lt. (j.g.) Robert L. Carter, 25, the pilot, a native of Antioch, Calif., and Lt. (j.g.) James L. McDonald, 27, radio interceptor officer of Grantsville, W.Va.

Grocery Merchant, 78, Dead At Haskell

HASKELL, Tex. (AP) — A pioneer grocery merchant, R. J. Reynolds, died Sunday in a local hospital at the age of 78.

Survivors include her husband, Harrison Price; the son, Jerry; and two grandsons, Philip and Richard.

Mrs. Price Dies, Rites Set Today

Funeral services were to be held in Austin today at 4 p.m. for Mrs. Bobby Oleta Price, former director of nursing at Big Spring State Hospital, who died unexpectedly en route to San Antonio Saturday.

Mr. and Mrs. Price had been visiting their son, Jerry Price, here and were returning to their home in San Antonio when Mrs. Price died. Cause of death had not been determined today.

Services today were under direction of Wilke-Clay Funeral Home in Austin.

Official Sees Cut In Budget

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara said Saturday preliminary estimates of next year's defense budget indicate it will be slightly below \$50 billion.

McNamara spent two hours at the White House going over budget figures with President Johnson. He said recent estimates in the Department of Defense will permit a substantial cut in new spending authority \$49.8 billion, McNamara said, requested for the fiscal year 1966, which begins next July 1. The most recent estimate of spending for the present year is \$50.3 billion, and the new budget should be pretty close to the same level.

A Devotional For The Day

Say to those who are of a fearful heart, "Be strong, fear not! Behold, your God will come with vengeance, with the recompense of God. He will come and save you." (Isaiah 35:4, RSV)
PRAYER: Our Father, during this Advent season we would open our hearts that we may make room for the coming of the Savior of men into our lives, into our homes, into our world. Speak to our need and fulfill our desire to live each day in His presence. We ask in the name of Jesus who taught us to pray, "Our Father who art in heaven . . . Amen."
 (From the 'Upper Room')

The 100 Billion Figure

President Johnson was well aware of the political advantage of keeping his first budget, submitted last January, under \$100 billion. That became sort of a symbol of the fiscal responsibility which he wanted to convince the voters that he respected. He had also hoped to keep next year's budget under \$100 billion, but now he is reported doubtful as to whether that will be possible.

Whether the next budget should be under or over \$100 billion is a judgment dependent on many factors—the prevailing and prospective condition of the national economy, the extent of automatic spending, increases resulting from population growth, the cost of the new programs which the President and Congress agree are essential, and international events, to list the pivotal ones. There is nothing sacred about the \$100 billion mark, no reason to pay obeisance to a round number—a folly exposed by experience with the almost annually raised

national debt ceiling. Yet it is desirable to try constantly to hold expenditures to the lowest levels commensurate with prudence.

The federal budget has climbed from \$64.4 billion to \$97.2 billion during the past decade. Even so, federal spending has increased less, proportionately, than state and local governmental spending in the same period, during which federal employment remained static while state and local public employment has jumped sharply.

Back in the 1930s a similar anxiety attached to federal budgets nearing the \$10 billion mark, but World War II made a mammoth of the national economy and the United States the leading world power. If this nation continues to grow in power and affluence, as we confidently expect it will, future historians may not attach particular significance at any one figure as a budgetary limit.

More Access To Records Needed

There ought to be broad public support for Senator Long's proposed law to make possible greater access to records of federal agencies. The public interest, its right to be informed of all that its government is doing, is involved in this.

The public's access to government news, which is to say for all practical purposes the access of the press to such news, should be limited mainly by national security considerations and to a lesser extent by concern for individual privacy of federal employees. The Louisiana senator's bill takes this into account, and would permit federal agencies to keep records in certain categories secret.

It is well worth noting that support of the Long measure has been urged by the Freedom of Information Committee of the professional journalism society, Sigma Delta Chi. This

group's record of responsibly calling attention to encroachments on freedom of the press lends much weight to its views.

Thus there is reason for genuine concern when the committee expresses the belief that Congress conducts too much of its business in secret sessions, that the Defense Department's handling of the press is over-centralized and involves too much delay in getting newsmen to trouble spots such as Guantanamo and the Gulf of Tonkin, that specialists are sometimes excluded from the President's press conferences because too little advance notice is given.

It is apparent that there is still much room for improvement in the federal government's dealings with those who seek to tell what the government is up to. The Long proposal would improve the situation, and deserves widespread backing.

**Richard Starnes
The Drama Is Terribly Miscast**

WASHINGTON — Bobby Baker looks like a waiter in a health food joint, forever hovering in the background, always smiling a vague, helpful smile, incessantly trying to hustle the marks into having another dip of prune yoghurt.

BOBBY is one of the principal players in the uncertain drama that may yet be entitled "Matt McCloskey's \$35,000 Misunderstanding", and become a hit.

If it does, it'll be in spite of the players and not because of them. Bobby has the sort of soft, impudent eyes that seem to be part of the gear that Southern boys on the make bring to Washington with them. He owns expensive clothes, but they wear him instead of vice versa. In any sensible bit of stagecraft he would be a doorman, or possibly a corpse, but there is nothing sensible about what has been going on in the Senate Caucus Room.

THE COMMITTEE is bad enough to give the producer very legitimate right to file a complaint with Equity. Various illuminated scrolls certify that the members are ordained senators, but they just can't seem to act like senators. The burden to trying to unseat Bobby Baker's squalid little deals falls on Sen. Carl Curtis, a profoundly pedestrian Republican from Minden, Neb.

Sen. Curtis is a lawyer in real life, but he is a lawyer poorly equipped to butt heads with Edward Bennett Williams, whose misfortune it is to be Bobby Baker's attorney. Ed Williams is a lawyer who understands law, cross-examination, intellectual dominion over his professional and psychological inferiors.

ANOTHER conspicuous miscast is in the role of committee counsel, presently being played by Lennox P. McLendon, a 74-year-old North Carolina lawyer. Lawyer McLendon is the sort of country lawyer so be-

loved by the flicks and always described as courtly. He has stayed courtly all through the dreary drama, until his careful choreography seemed to be coming apart, at which point he became not courtly but choleric. He fell into the error here of calling Sen. John Williams a liar, which has not yet been made to stick by any of those who have attempted it.

NO DIRECTOR with any talent would cast Sen. Williams as a villain, but that's what he is. John Williams began life as a Delaware chicken feed dealer, and would dearly like to end it the same way. But he is a Republican and a villain, and he won't let the wretched Baker and his playmates enjoy the fruits of their toil.

Anybody takes one look at the final member of this ill-assorted dramatic personnel, to wit, friendly old Matt McCloskey, immediately knows he's looking at somebody Central Casting has sent over in response to a call for a genial, forthright self-made Irishman. How Matt got to be so rich with such a domineering office force is a mystery, but . . .

THAT'S IT. We'll rewrite it as a mystery, see. We'll call it "Matt McCloskey's \$35,000 Misunderstanding," and try it out in Bridgeport. It may be a dog, but it's got to be an improvement over this thing.
 (Distributed by United Feature Syndicate, Inc.)

Billy Graham

In Exodus, chapter 20, it says to "honor thy father and thy mother." I find it most difficult to honor my father as he is an alcoholic and has never supported us.

There is a certain respect that is due to a parent because he is a parent. However, too often both fathers and mothers assume that because they gave physical birth to a child, that child is somehow obligated to them for the rest of their lives no matter what their conduct has been.

The true role of a father and mother does not actually begin until after the child is born. It is then that through their prayerful and dedicated guidance given to the child that they merit the honor they should have as true parents. The biological function of parenthood alone does not call for the honor of the children. It is the fulfilling of the role as outlined in the scriptures where the parent brings up a child in the nurture and admonition of the Lord that such a parent deserves and claims the honor of the child.

We are to obey our parents in the Lord. If you are a dedicated Christian, then I'm certain you will receive divine guidance as to how far you should go. Your love, patience and daily witness could win your father. The scripture says, "A little child shall lead them."

**James Marlow
GOP Governors Confident, Yet . . .**

WASHINGTON (AP) — Republican governors are the most self-confident branch of their party at the moment, as they showed in a statement issued after their weekend meeting in Denver.

They got some reason for their confidence from the 1964 elections which were a disaster for the rest of the party.

While Republicans lost out on the presidency in the elections and in Congress dropped 38 House seats and two in the Senate, the party registered a net gain of one in governorships.

But in the very statement which they intended as a chart for the Republicans' future, the governors revealed the party's dilemma in national politics. They wound up sounding like a lot of Democrats.

Although they didn't say so there was another good reason for their willingness to tell the party what it ought to do.

IN THE 1968 presidential race the Republican candidate will probably come from the ranks of the governors. No Republican in Congress at this time looks like a presidential prospect.

The statement left little doubt that it was critical of Dean Burch, handpicked by Sen. Barry Goldwater to be chairman of the Republican National Committee.

But it named no names. Therefore, it was so ambiguous that some of the governors, who supported Goldwater, could say it wasn't aimed at Burch while others could say it was.

The governors covered a lot of ground in the statement:

1. They sketched an outline of principles they think the party should follow after the 1964 disasters.

2. They suggested the National Committee take steps to include from now on Republican governors and members of Congress — who they said should be included in a GOP leadership conference next year.

3. **THEY DIDN'T** mention Goldwater but so worded what they said that he'd have to be

obscure not to take it as a rebuke.

4. They suggested the National Committee "adopt leadership" that represents a "broad view of Republicanism and practices a policy of inclusion rather than exclusion."

Govs. George Romney of Michigan, William W. Scranton of Pennsylvania and Nelson A. Rockefeller of New York said No. 4 was a clear call for throwing Burch out of the committee chairmanship.

The thrust at Goldwater was contained in this paragraph calling for Republican party support of civil rights:

"We feel it pertinent to remind our fellow citizens that most Republicans in Congress this year supported the federal Civil Rights Act." Goldwater voted against it.

**Hal Boyle
Facts From The Mailbag**

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

The automobile explosion in America is outdistancing the population explosion.

About 77 per cent of U.S. men and 46.5 per cent of the women have a driver's license.

Board chairmen of banks with assets of under \$300 million earn an average of \$39,000 a year, those with more than \$300 million in assets earn \$72,000.

SPEAKING of money, did you know that a nickel is 75 per cent copper, and that a dollar is 10 per cent copper and only 90 per cent silver?

If you have a normal appetite, you consume a million calories a year. This includes some 200 soft drinks, which account for roughly 17,000 calories.

Quotable notables: "This is daddy's bedtime secret for today: Man is born broken. He lives by mending. The grace of God is glue."—Eugene O'Neill.

No wonder your eyes sometimes get tired. In a year they move up, down or sideways more than 36 million times.

DO YOU consider yourself overweight? About 43 per cent of U.S. women do, but only 26 per cent of the men. Most are in the 30-50 age bracket.

**To Your Good Health
Gout Sufferers Should Shun Purine Foods**

By JOSEPH G. MOLNER, M.D. Dear Dr. Molner: Recently my swollen, sore big toe was diagnosed as gout. My physician prescribed drugs and put me on a diet. He also strongly urged me to lose weight—I'm 200 and should be about 170.

I've heard different schools of thought on gout, one being that diet has nothing to do with it, and another that diet plays an all-important role.

Does diet have any effect on gout? Can gout be cured and/or controlled by losing weight and careful diet? Does this condition worsen with advancing age?—J. G.

With the advent of drugs of the probenecid type, there has been far less emphasis on diet to control gout. That doesn't mean, however, that diet has no value. Let's see why. Gout is a disorder in which the body has less than normal ability to dispose of uric acid.

Uric acid products then accumulate in various parts of the body. The big toe is the classical site, but it can accumulate in many parts of the body. At times it may miss the vulnerable big toe altogether.

The amount of pain depends on the location and extensiveness of these deposits. The probenecid drugs help the

body to get rid of uric acid, and they do so very effectively. But if one can limit the foods leading to formation of uric acid, there is that much more benefit for the patient.

Thus it's wise to eat sparingly of the purine foods, which produce uric acid. Those very high in purine are the organ meats (liver, sweetbreads, kidney, tongue); "red" meats in general; gravies; sardines; and vegetables of the pea-bean-lentil family.

Avoid these entirely during an acute attack. Between attacks they may be eaten occasionally and sparingly. This, in addition to regular (often daily) use of medications, can keep gout attacks at a minimum. There are patients who, by so doing, have gone for several years without any trouble.

I know of no way to "cure" gout, since that implies finding a way to alter the body's ability to dispose of uric acid. The goal is to control it, to prevent it from making you miserable.

Dear Dr. Molner: Why couldn't nerves from a deceased person be transplanted to a multiple sclerosis patient, to replace the damaged nerves?—S.M.H.

First, transplantation of tissues from one person to another remains a most difficult procedure because the body, with few exceptions, rejects it. Second, in multiple sclerosis, the fundamental disorder is in the spinal cord, and the other nerves are only secondarily involved.

Dear Dr. Molner: Please explain Morton's neuroma. I have been having foot pains for years, and surgery seems to be the only solution. Is there any other treatment?—MRS. B. D.

Surgery is the only way. This is a defect (usually a tumor) affecting nerve tissues in the foot.

"You Can Stop Sinus Trouble!" is the title of my booklet explaining what sinus trouble really is, and encouraging sinus sufferers to do something about it. For a copy write to Dr. Molner in care of The Herald, enclosing a long, self-addressed stamped envelope and 20 cents in coin to cover cost of printing and handling.

Dr. Molner is happy to receive readers' questions, and whenever possible uses them in his column. However, due to the great volume of mail received daily, Dr. Molner regrets he cannot answer letters individually.

Around The Rim

Big Muscles Don't Help

One thing and another: Athletics and physical fitness programs today are in danger of becoming a patriotic enigma wrapped in tradition, misinformation and old wives' tales. So insists Dr. Frank P. Foster of the Lahey Clinic in Boston.

Dr. Foster says it is a fallacy that the physically fit boy inevitably becomes a healthy man. "Physical fitness and health are not interchangeable," he says.

THE CLAIM that a physically fit athlete is an extra good student is not always borne out," Dr. Foster also contends. On the contrary, the boy may become a sleepy, listless student.

Dr. Foster says that exercise is not essential to longevity, pointing out that many people who never exercise live to a ripe old age and women who rarely engage in competitive sports generally outlive men.

The Boston man also scored the "weird concept" that big muscles are in some way good. They tend to add an extra hazard, he believes, because they frequently change to bulging fat in later years.

Physical fitness training serves a purpose, Dr. Foster contends, in that it increases his capacity to think and

act under pressure and hold his temper under stress.

IF YOU'RE undertaking a long trip, be especially alert on the return trip. Most fatal accidents take place within 25 miles of home.

THE WIDOW of Pancho Villa still lives and she says the movies and poorly-informed writers have built up false legends about her man.

Pancho didn't pour syrup over his victims and the ants, she says. Nor did he soak enemies in oil and toss them into bonfires.

She allows he did steal a little bit but he gave the loot to the poor.

She recalls that her late husband didn't believe in making anyone suffer.

"If he didn't like you," she said, "he'd just pull out his pistola and shoot you."

THERE'S A plastic shell house soon to reach the market which you will be able to erect yourself, after the concrete foundation has been poured. All you'll need are such tools as a screwdriver, wrench and hand drill. Bolted together, it will sell for around \$1,200.

Just the thing for vacation spots.
 —TOMMY HART

David Lawrence

Johnson As A Conservative

WASHINGTON—Maybe some of the Republican governors and the so-called "moderates" will wake up sooner or later to the fact that the American people elected a conservative as President of the United States last month.

The theory expounded by the "moderates" that the country repudiated conservatism doesn't seem to have been accepted by President Johnson himself. For, in his speech last Wednesday to the Business Advisory Council, he made one of the best expositions of conservative doctrine that has come from the lips of a chief executive in many years.

MR. JOHNSON endeavored to make it clear that the government and business are really partners in the all-important task of preserving an equilibrium in wages and prices. He emphasized the need for healthy investment of funds and the creation of job opportunities for a growing population.

The President spoke of what he called "primary obligations" of the government. These included a tax system "that does not overburden businessmen or consumers" but maintains incentives for productive effort, "expenditure programs that promote development of human and natural resources," and "keeping a clear field for private initiative in the wide range of activities where competitive enterprise is the most efficient way of getting things done."

MR. JOHNSON spoke of the importance of "an over-all budget policy that promotes balance between purchasing power and productive capacity," and he stressed the need for "monetary and credit policies that provide funds to nourish an expanding economy without overfeeding it." Finally, the President listed the necessity for "an alertness and a willingness to act promptly and decisively when the nation is threatened by either recession or inflation."

Mr. Johnson did not delve into la-

bor-management relations very deeply, though these contain the seeds of much trouble in the future. He said:

"I BELIEVE, also, that through wage-price guideposts government can offer leadership on the kind of voluntary private wage and price policies that are consistent with achieving sustained prosperity, full employment and price stability."

Unfortunately, the Johnson administration did not offer this leadership in the autumn of this year when it stood by without making any real effort to change the policies of major labor unions, particularly in the automobile industry. The country is not yet aware of the far-reaching consequences of the labor contracts which were apparently geared only to the idea that, because the automobile companies were doing a profitable business, this was the time for labor to get whatever benefits it could, irrespective of "guideposts."

THE IMPACT upon individual businesses which are related to the automobile industry in the making of parts and equipment, has not been good. For these suppliers are not as well off as are the leading automobile companies themselves. That's why there is trouble ahead for many of the businesses which will be confronted with labor demands from some of the same unions.

These problems are typical of what may confront the administration in the future. In the main, however, Mr. Johnson's expressions were on the conservative side, and if those Republicans who are anxious to rebuild their party image that the country today is antagonistic to conservatism, they will be making a serious mistake. The administration expresses the philosophy that prevails—to apply conservative principles in the management of both the public and the private sectors of the American economy.

The Taxation Ethic

WASHINGTON — As the calendar years flit to a close, and our thoughts heavily turn to income tax reports, the search for a villain comes naturally. Historically, it appears, Napoleon Bonaparte will do in the role of scoundrel.

DURING THE WAR against Napoleon, the British parliament was driven to the temporary, emergency measure of levying a tax upon earnings — the first of its kind in the Western world. Later in the 19th century, the United States had an equally desperate crisis on its hands, and copied the British example.

Both the Union and the Confederacy thought it an excusable war measure to resort to income taxation, but both British and American fundamentalists clearly regarded it as "immoral" and helped to bring about its repeal. One year after Waterloo, and seven years after Appomattox, and seven years after the nations swore great English-speaking nations swore off. No more income taxing! No more of that habit-forming, character-corrupting narcotic. The good resolutions lasted into the 20th century.

UNTIL I began to scratch together some research on taxation trends in 1965, I'd never run into the book (1953), "The Uneasy Case For Progressive Taxation" by Professors Walter Blum and Harry Kalven. The authors were aiming at an Eisenhower Era readership. They fondly believed that the triumphant Republicans would initiate not just tax reduction, but also tax reform.

WE KNOW by hindsight that little came of these high hopes for a re-examination of taxation ethics. There was a tax cut under Mr. Eisenhower as there had been under Mr. Truman and would be under the Kennedy-Johnson administration, but no reform. Nevertheless, a continuing critique on the morality issue does take place. Barry Goldwater suggested that the "progressive" system of taxing one man at 90 per cent and another at 20 per cent was bad practice.

THOSE WHO chortled at Barry's "irresponsibility" did not remember that President Kennedy had been aiming at a 65 per cent top limit on taxation, and that every session of Congress returns uneasily to an ingrained American feeling that progressive taxation is wrong on two counts. It fails to give equal protection to a minority (the rich and successful) against the tyranny of a minority (the poor and unsuccessful). And it tramples on the incentive motive, which is mainly lodged neither in the rich nor the poor but in the young lions of the middle income brackets. By the time a man makes \$28,000, he is giving half of it back to the government and is going into training to become an artful dodger.

THREE TIMES to date the Kennedy-Johnson administration, represented by the same Secretary of Treasury, Douglas Dillon, has admitted to faults in the tax structure. The 1962 revenue act kicked back a seven per cent "credit" to taxpayers who would reinvest the money in their businesses. The 1964 revenue act was an easement on tax rates. In 1965, says Mr. Dillon, he will ask Congress to reduce or repeal some sales taxes on luxuries.

But what about reform? Somehow the American conscience will keep on hurting a little until we re-examine the ethics of inequitable taxation. That which started as an emergency measure has remained as a narcotic.

DEAR ABBY

Shuffle The Cards Again

DEAR ABBY: While a senior at the university last year, I fell in love with another senior. We were married in July and I agreed to take a job on campus to help put my husband through graduate school. I became suspicious when I never saw him studying and he appeared so nonchalant about finals that I checked up on him. I found out that while I was working like a horse all day he was playing bridge. Then I discovered that he wasn't even registered in the university! He says he loves me and if I give him another chance he'll enroll next term and make it up to me, and give up bridge entirely until he's finished with school. What do you make of this and what should I do?

STUNNED: Let's just say your husband fessed your jack! Give him another chance. But save your heart and lead with a club if he cheats again.

DEAR ABBY: My husband and I have been very happily married for many years. I am his second wife. His first wife died and left him with three small children. She had been gone a year when I met him. All the children are married now.

ELIGIBLE BUT NOT ASKED: Traditionally, the man does the asking, so unless you want to be known as a predatory female, sit home and wait to be asked. It's a man's world, honey.

Troubled? Write to ABBY, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

Wirtz Pleads For Medicare

NEW YORK (AP) — Secretary of Labor W. Willard Wirtz says "life doesn't make sense unless the older years are a time of full opportunity, resourcefulness and productivity."

Speaking Sunday night at a fund-raising dinner for Brookdale hospital center, Wirtz called for quick enactment of medical care for the aged as one of the nation's most important demands.

Briton Set To Unveil NATO N-Force Plan

WASHINGTON (AP)—Prime Minister Harold Wilson was to present to President Johnson today new British proposals for organizing a nuclear weapons force within the North Atlantic Treaty Organization.

U.S. and British officials were hopeful for early agreement on the rough outlines of a command and control system, which would then be negotiated

with West Germany and other interested Allies.

The Johnson-Wilson conference will continue through Tuesday.

WITH GROMYKO

The President will then meet with Soviet Foreign Minister Andrei Gromyko on Wednesday. That meeting will afford Johnson an opportunity to stress to the new government in Moscow

his view that the projected NATO nuclear force — opposed by the Soviet Union — will not lead to the spreading of nuclear weapons.

Wilson arrived from London Sunday night. Obviously conscious of the danger that other Allies might think Johnson and he were "ganging up" to decide the nuclear organization issue, he told newsmen "we don't expect to finalize anything."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation 220. At all drug counters.

NOTABLE LOSSES

Apprehension Spurs Stock Mart Plummet

NEW YORK (AP) — Worry over the monetary situation sent the stock market last week to one of its biggest losses in a year.

It was a carryover from the previous week, when Britain, the United States and Canada increased their bank discount rates.

Tighter money indicated to investors that there might be a

disruption of the U.S. economic expansion.

Apprehension over money matters, combined with anxiety over a drop in October construction contracts and the possibility of a steel strike, caused the market to take a substantial loss on Monday.

RATE RAISE

On Tuesday Boston's First National Bank raised its prime rate—the interest charged to the biggest borrowers with the best credit ratings. This upset Wall Street and the Dow Jones industrial average plunged 11 points in the biggest drop since President Kennedy was assassinated Nov. 22, 1963.

The drop in the Dow industrials took the average below the lowest level of the September-November trading range. Market technicians took an ominous view of this development.

Wednesday night, President Johnson, addressing a group of business men in Washington, urged that the increase in the prime rate not be spread from the scattered institutions which already had raised it. He also called for cooperation between government and business.

The market Wednesday snapped a six-day losing streak. Brokers called the moderate advance merely a technical rebound from an oversold condition.

POSTS GAIN

On Thursday the First National Bank of Boston rescinded its prime rate boost and the market posted another moderate gain.

The market's rally almost ran out of steam on Friday but managed to barely stay alive.

Bond prices advanced sharply last week as the federal government moved to stabilize the nation's money markets.

On the New York Stock Exchange trading volume totaled a par value of \$46.335 million, compared to the previous week's \$30.08 million—a total reduced by the Thanksgiving holiday.

Cold Mass Grips State

By The Associated Press

Light rain fell in extreme South Texas Monday as a mass of cold air continued to hold the state in its grip.

The forecast called for clear to partly cloudy skies in the northern half of Texas and partly cloudy to cloudy in the southern half with continuing light showers in the extreme south portion.

Although temperature changes are expected to be minor, a slight warming trend is forecast for the north portion.

Temperatures before dawn ranged from 17 degrees at Dalhart in the northwest Panhandle to 47 degrees at McAllen and Alice. Freezing weather was reported along and north of a line running from Lufkin through Junction to Marfa.

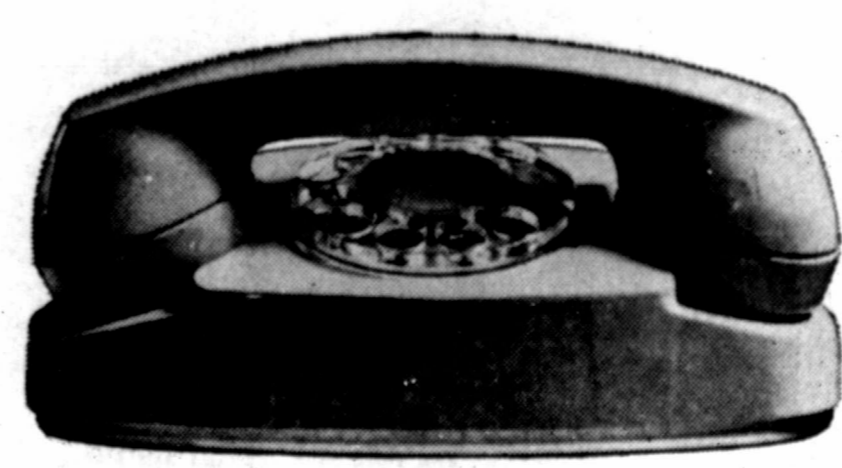

Maximum temperatures Sunday ranged from 37 degrees at Alpine to 53 at Beaumont.

Korean President Reaches Germany

BONN, Germany (AP) — President Park Chung Hee of South Korea arrived today for a week-long state visit to West Germany and Berlin.

Advertisement for Bell System color telephones. Features a large graphic of a telephone handset inside a triangle, and two smaller images of a Princess extension phone and a Desk phone. Text describes the benefits of color telephones for home and office use.

A WALL PHONE helps make Mom's day in the kitchen less hectic, and those coffee-time chats more enjoyable. The kitchen, after all, is her office, and a telephone is a "must." The wall telephone is handy, but out of the way, and it's available in the decorator colors she's most likely to choose . . . pink, yellow, beige or white.

A PRINCESS® PHONE is a truly personal extension phone for your own "princess" . . . or for yourself. It's a space-saving natural for any room in the home, but the light-up dial makes it an especially appropriate bedroom phone. The Princess phone is available in five colors . . . white, beige, pink, blue or turquoise.

A DESK PHONE makes the den as convenient as Dad's own office, for privacy in making and taking calls. Dad would probably like a beige, green or white one for his den, but for Mom's sewing room, maybe a pink or blue one would fit better. Desk phones are available in all five colors.

Color telephones for a year-round holiday

Shopping for that "something special" for any member of the family? Remember color extension phones. You can give your family the added convenience of two phones for just a fraction more than the cost of one.

WHY NOT MAKE THIS AN EXTENSION-PHONE CHRISTMAS!

Southwestern Bell making telephone service better to serve you better

THE ASSOCIATED PRESS NEWS IN PICTURES

NEW WALKING SHOES—Winky, favorite mount for children at the Arizona State Fair in Phoenix, gets specially-made shoes to protect its sore feet after nearly 5,000 rides. Bob Prewitt of Bloomington, Calif., who made elephant shoes, checks the fit.

WATCHFUL EYES—Guard on balcony of pagoda in village of Phu My, South Viet Nam, keeps watch for guerrillas. "All-seeing Eye" of Cao Dai cult shows in background.

HARBOR PANORAMA—The Statue of Liberty dominates this view of New York harbor to which Verrazano-Narrows Bridge between Brooklyn and Staten Island, N. Y., has been added. At left the liner United States heads up the harbor after an Atlantic voyage.

NAMED SUCCESSOR—Eisaku Sato, above, has been named to succeed ailing Japanese Prime Minister Hayato Ikeda. Sato is former trade and industry minister in the cabinet.

LIVE DEMONSTRATION—Two nuns strum guitars while others join in the vocalizing during a hootenanny in Louisville, Ky. Songfest was a feature at an exhibition of religious vocations in order to display some of the varied activities of the orders.

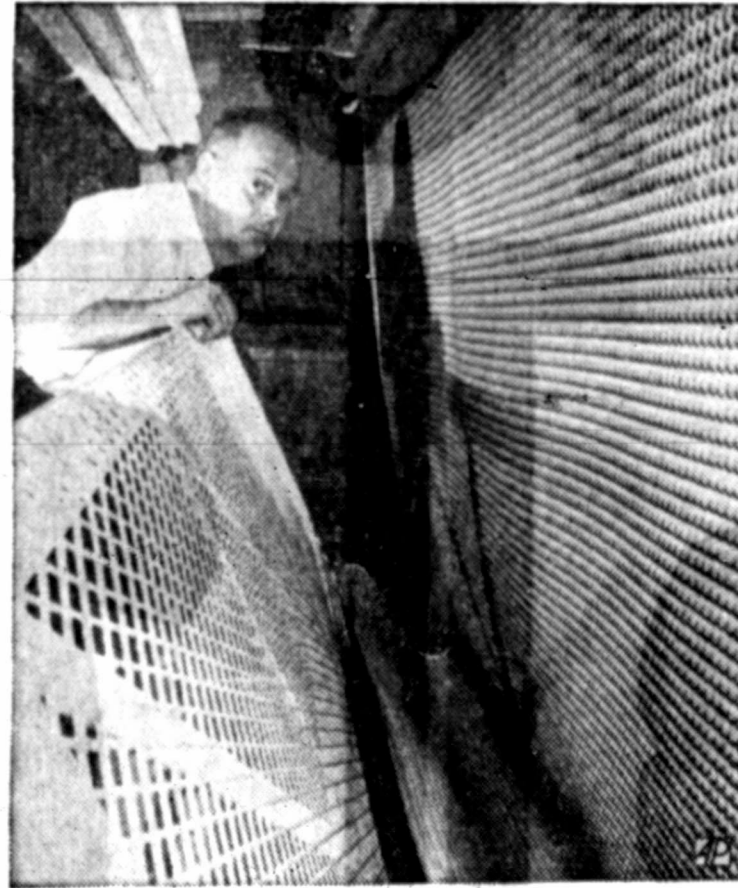

FUN AT FIVE—Anne Beasley, 5, and her brother, Hal, 2, show a photographer what could happen with lather while their mother is shopping in a Savannah supermarket.

MEET IN MEXICO—Screen stars Charlton Heston and Hugh O'Brien, schoolmates in Illinois, chat in Mexico City when Hugh visited Heston on set of "Major Dundee."

GIANT MAW—Among the sights in the Illinois coal area around the Lenzburg pits is this 20-story high stripping shovel which can handle 140 cubic yards in one bite.

QUICK WORK—A supervisor checks new machine making carpet cushion in a Shelton, Conn., plant. Device starts with raw rubber and has finished product in an hour.

HEADS OF STATE—Reproductions of Nikita Khrushchev, recently deposed Soviet premier, and President Johnson are displayed at the Society of Portrait Sculptors' Exhibition in London. Stefan Baron, sculptor and cartoonist, created them in fibre glass.

FLAMBOYANT—The trend is to bell-bottomed trousers in showings of California spring resort wear. Midriff outfit by Geno, modeled by Dale Kelle, was among featured exhibits.

ATTUNED TO TOUCH—Stuart Russell of Seattle, the only 7th grader in his junior high school band, plays a trumpet from notes transcribed in Braille. The 12-year-old talented musician has been playing since a 4th grade teacher "rewrote" the music.

HIS HONOR—Sir James Miller, a 59-year-old Scot and the new Lord Mayor of London, smiles during ride to the law courts. He is a former Lord Provost of Edinburgh.

DESERT'S SNOWY COAT—Cactus stand shivering in the desert near Tucson, Ariz., where recently two inches of snow changed the color of the scene. As temperatures fell from 80s to 30s, a foot of snow was deposited on mountains ringing Tucson.

Dodge Owners Always Best References To Purchasers

One of the most popular warranties in the nation today is the Chrysler Corporation's "5-Year or 50,000-Mile Warranty" carried on every 1965 Dodge Dart, Coronet, Polara, Custom 880, Monaco, and Sportsman sold by Jones Motor Co. of Big Spring.

This warranty reads: "Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation authorized dealers place of business, the engine, block head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its new automobiles, providing the owner has the engine oil changed every three months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every two years, and every six months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage."

This warranty goes with the car to the new owner if the original purchaser sells the car before the elapsed time or mileage.

The quality of Dodge vehicles sold at Jones Motor Co. in the past few years, coupled with

ALL MODELS OF NEW DODGES Jones Motor Co. features 1965 cars on lot at 1501 W. 4th

the warranty, has kept sales rising each year. Bill Prince, sales manager, said the company led the district in 1962, and that sales in 1963 and 1964 led each preceding year.

"When we are talking to you about buying a Dodge car we don't ask you to talk to a particular Dodge owner about the performance of his vehicle," Prince said. "We tell you to ask any Dodge owner. They are our best salesmen because the

cars stand up to expectations." Jones Motor Co., with main offices and most new cars at 101 Gregg in Big Spring, also has a used car lot in the 1500 block of West Fourth Street where many new models are available.

Hearing Aids No Longer Unsightly On Wearers

What more lasting happiness could be brought, this Christmas, to a person with hearing problems than a hearing aid so small it can hardly be noticed, yet so efficient that it brings normal hearing?

Fidelity hearing aids, carrying a two-year guarantee, are fitted to each person's needs at the Hearing Aid Center in the Permian Building. Mrs. Alice Cass, operator, gives the audiometer tests in her office, or in the home where a person is unable to get around due to illness or physical handicaps.

The most popular aid today is the small set that fits behind the ear, with a small transparent tube running over and into the ear. It is practically invisible and the tiny battery used

in the set is good for 70 hours of constant service.

Then there is the "Beneat" type that is worn in the earpiece of the person's glasses. There is nothing in the ear with this aid. It is a bone conduction type that fits against the section behind the ear, just as the heavy car piece of a pair of glasses.

are designed to make the proper corrections.

The Hearing Aid Center is home-owned, and the Cass family has six children in the Big Spring Schools. Mrs. Cass keeps the office open daily from 9 to 12 a.m. and from 1 to 5 p.m. Monday through Friday, and from 9 to 12 on Saturday.

FITS EASILY BEHIND THE EAR Insert shows small aid with pea-sized battery with long life

Ward Services Hi-Fi And Television Sets

With Christmas in sight and the annual period of Christmas music and scenes coming up, that television set, radio and high-fidelity should be in top condition.

Montgomery Ward has a complete service department with men trained in electronics repairs. Maybe the television set needs a new picture tube, or some realigning for better reception; or maybe that record player needs some service to give the best possible sound reproduction from top records.

to roll on short notice, and the set can be ready in a minimum of time unless major repairs are needed.

A call to AM 4-8261 will get fast, dependable service, with satisfaction guaranteed. If a set needs to be taken to the shop Ward has service trucks ready

Christmas Stamps Criticized

Rep. Melvin R. Laird (R-Wis.) criticized Yuletide postal stamps, such as these four issued this year, and urged stamps with a religious theme, such as a nativity scene.

Christmas Postal Stamp Draws Fire

WASHINGTON (AP) — Rep. Melvin R. Laird today criticized the 1964 Yuletide postal stamp and urged issuance of Christmas stamps with a religious theme such as a Nativity scene.

There is one issue, however, over which there should be no controversy because it in no way concerns the separation of church and state.

He has urged for years, Laird said, and in the past has introduced legislation calling on the Post Office Department to use the Nativity scene on its annual Christmas stamp.

The Post Office Department's special stamp committee, Laird said, turned down the Nativity scene for a Christmas stamp on the basis that it would commemorate a religious holiday.

There is one issue, however, over which there should be no controversy because it in no way concerns the separation of church and state.

He has urged for years, Laird said, and in the past has introduced legislation calling on the Post Office Department to use the Nativity scene on its annual Christmas stamp.

Mrs. Gist Dies Sunday

COLORADO CITY (SC) — Mrs. Herman Gist, 68, Colorado City, died suddenly at her home Sunday evening while watching television.

The couple moved to the Knott Community in Howard County in 1930. They lived for a time in Denver City and other West Texas communities, and returned to Colorado City in 1961.

Survivors include the husband; two daughters, Mrs. J. T. Beckham, Odessa, and Mrs. L. C. Shelfer, Denver City; son, J. M. Gist, Brownwood; five sisters, Mrs. Ruth Hall, Greenville, Mrs. Mary Anderson, Snyder, Okla., Mrs. Essie Grover, Lake Charles, La., Mrs. Emma Dorgan, Farmersville, Mrs. Cora Tabor, Clyde; six grandchildren.

Goliad School Is Burglarized

A break-in was reported early today at the Goliad Junior High School, but officers had not determined this morning if anything was taken.

Some records, shoes and other items were also reported missing from an unlocked car, owned by a Snyder resident.

Polio Boosters Given To 3,700

COLORADO CITY (SC) — Colorado City Jaycees, sponsoring the giving of the oral polio vaccine Sunday, reported that 3,700 took the booster doses.

Doses were given by Colorado City, Westbrook and Loraine under the supervision of Mitchell County doctors and nurses.

LEGAL NOTICE

An application was tendered with the Federal Communications Commission on November 17, 1964 for the assignment of license of FM Station KPNE, Big Spring, Texas, from D. T. Anderson and John B. Walton Jr., a partnership, to Ann Broadbry and Florence Conner, The Cobra Corporation, Station KPNE, broadcasts on Channel 237 of Big Spring, Texas.

Jones, 1501 Gregg.

PERSONAL C-5
I HATE to do it. For many years I have
been extremely interested in the
Trains. I have accumulated the greatest
stock of Lionel, American Flyer, and
Marx electric trains in the west of the
Mississippi River. Now these trains must
go. I am closing up shop and making this
tremendous stock. I am offering all
of my train stuff for each ten dollars
price. I am offering the greatest bargain
of American Flyer, Marx, and Lionel at
a tremendous loss. Discounts on every
item from 15 to 50 off the original
price. If you need trains, locomotives,
cars, tracks, switches, transformers, ac-
cessories, be sure to shop my
store before the end of the year. Every
item is brand new, never been used, in
the original factory package or carton.
Many of these pieces are collectors items
have not been produced for many years,
and will never be manufactured again.
If you have a Lionel, Marx, or Ameri-
can Flyer train that needs repair, look me
up on authorized service and factory
parts for this area. As an added incen-
tive, I will give you one dollars worth
of free train stuff for each ten dollars
worth that you buy if you will bring this
with you. I have to lose my train
stuff but they have to go. Write Wilcox, Wil-
cox Hardware, 506 West 11th, Midland,
Texas.

 Saturday's Answer: What the shoemaker liked best about the Navy — BOOT CAMP

FRAUD CHARGE

'High Living' Ends In Cell

MIDLAND, Tex. (AP) — She was good-looking, a voluptuous redhead, and men usually took a second look when she walked down the streets of this bustling oil town in West Texas. And besides, says her ex-boss, "she was a darn good secretary."

Independent oilman H. C. Hood said the redhead, 32-year-old Germaine Springer, was sent to him in October by an employment agency when he needed a secretary.

IN HURRY
 Germaine asked \$500 monthly salary. But said Hood, "I didn't have enough work to justify that kind of pay. . . I told her I would start her at \$350 and if things worked out after a couple of months I would give her a raise."

SKIPS TOWN
 Then last week, Germaine suddenly skipped town. She noticed that an accountant had come in to make a routine check of Hood's books.

Howell and Texas Rangers arrested her on a Fort Worth street over the weekend. They recovered 18 \$100 bills, the car and fur stole.

And Sunday night, Germaine was in a dismal jail cell after six weeks of extravagant living. She was charged with forgery.

"She did this after all of us had tried to befriend her," mused Hood. "She was a darn good secretary."

RINGO

Lost Tonsils, Now Home?

LONDON (AP) — Ringo Starr, the Beatle drummer who lost his tonsils last week, may also lose his home.

His neighbors have petitioned his landlord to move him out of his \$125-a-week apartment in Westminster. His teen-age fans are driving them crazy.

"Ringo's tonsil operation has given us our first peace for months," said Lathom Gedge, a neighbor.

"Teen-age girls scream and shriek all day long," said his wife. "They get hysterical, fight and kick each other and chase every car that arrives in case Ringo is inside."

"It's a drag," said Ringo, due out of University College Hospital on Thursday.

"I wish I could do something about it — but I can't control the fans."

Ringo was reported coming

MOTHER DIES

LeMay Gets Jap Award

Mrs. C. L. Foster, 2409 Main, left Friday afternoon for Piedmont, S. C., after receiving word that her mother had died at Piedmont. Services for the mother, Mrs. F. B. Weisner, were set for 4 p.m. today at the Gray Mortuary in Pelzer, S. C. Mrs. Foster, and a daughter of Dallas, flew from Dallas to Piedmont.

IRUMA, Japan (AP) — Gen. Curtis E. LeMay, U.S. Air Force chief of staff, received a Japanese decoration today, despite protests by leftists who said he was responsible for the World War II atom-bombing of Hiroshima and Nagasaki.

LeMay was given the First Order of Merit of the Grand Cordon of the Rising Sun for his contribution to the development of Japan's postwar air defense system.

Sigma Delta Chi Award Goes To AP Executive

KANSAS CITY, Mo. (AP) — James A. Byron of Fort Worth Saturday night presented the Wells Memorial Key, highest honor Sigma Delta Chi can bestow on a member, to Robert J. Cavagnaro.

The award, given for distinguished service to the professional journalism society was presented to the Associated Press general executive at the closing session of the fraternity's national convention.

Byron was last year's recipient.

In presenting the award to Cavagnaro, who lives in Greenwich, Conn., Byron said: "During the trying and difficult early days of Sigma Delta Chi's reorganization, Cavagnaro worked diligently that a better society might evolve. That it did so is due to no small part to his devotion to everything good in journalism, his consideration to its professional members and the fact that he really cared for the young men in the undergraduate chapters."

"Since then his labors for Sigma Delta Chi have continued as Quill Endowment trustee and fellow nomination committee chairman in 1959, and as a chairman of the national by-laws committee the following years."

Policies Hit By Socialist

NEW YORK (AP) — Octogenarian Norman Thomas accepted the plaudits of Vice President-elect Hubert H. Humphrey, then criticized two top policies of the Johnson administration.

The Socialist leader scored the administration's role in South Viet Nam and dismissed the war on poverty campaign as futile if it follows its initial outline.

Humphrey sent his message to be read at a celebration Thomas' friends gave him Sunday to mark his 80th birthday last Nov. 20. "No fundamental problem of politics, no issue of social justice escaped his critical eye and cogent comment," Humphrey said.

IT'S CHRISTMAS TIME

Dreaming of an enchanting Christmas? It can be yours at Swartz. In our stores we've captured the glittering dazzle of gift giving to all on your Shopping List. In both shops.

Luggage . . . for Her

Why not luggage . . . give the finest . . . American Tourister. It's a lightweight beauty with foam rubber padding. And makes a pleasing gift.

Priced from 26.25 Up

Hose . . .

Why, yes, of course. They are ideal for gift giving. And in the nicest shades.

Priced from 1.50

Sleep Set

The one set makes such a nice gift . . . pajamas and matching robe, tailored for easy living and easy care. Beautiful colors, too.

3-Piece Set . . . 11.00
 Pajamas . . . 6.00

Mink-Collared Cashmere Sweater

What could be more luxurious (other than a mink coat, of course) than a cashmere sweater adorned with mink.

Question: What to give the miss?
 Answer: When it's knit and turtle-necked, fill a sweater better. The more . . . the better. Many colors.
