Envoy To Viet Heads For U. S.

SAIGON, South Viet Nam (AP) — U.S. Ambassador Maxwell D. Taylor headed for Washington Saturday night apparently with a good report on American-South Vietnamese air strikes in Communist North Viet Nam but with only fair things to say about the progress of the ground war in the South.

It was considered highly likely here that Taylor — on his second trip home since November — will raise the question of bringing in more U.S. troops to guard strategic installations.

Two battalions of U.S. Marines are guarding the vital Da Nang base and reliable sources say Marine warplanes may be brought in to back them up.

Despite rigid security around Da Nang, Viet Cong frogmen slipped into the harbor Saturday and blew holes in the hull of a U.S. landing ship-tank tied up at a commercial dock.

VOICE CONCERN Officials have expressed concern about the Saigon base and one at nearby Bien Hoa.

Taylor, however, is expected to bear a much more optimistic report than the one he carried home in November.

He is reported to believe that the United States is making good progress in working with the South Vietnamese and that the government of Premier Phan Huy Quat is taking hold.

GOOD RESULTS The ambassador can report good tactical results from bombings in the North, more moderate results on strikes

Shooting Victim Dies In Houston

HOUSTON (AP) — Elvis DeWayne Wolf, 37, died Saturday about nine hours after being shot during an argument in an apartment.

Elmo Holiday, 37, was charged with murder.

Amour Sours In Tragic Love Triangle

MUNCIE, Ind. (AP) — Love between a man and a woman who planned murder "so we could have one big happy family" soured Saturday with each accusing the other as the slayer of the man's wife, police said.

Loyed Key, 30, Marion, Ind., and Mrs. Phyllis Hazelbaker, 30, Alexandria, Ind., sat in separate cells in the Delaware County Jail as authorities sought to piece together their conflicting accounts in the death of Key's wife, Ethel, 29.

MOTHER OF 4 Mrs. Key, a mother of four from 2 to 12 years, was shot six times early Sunday as she and her husband returned home after re-enacting their marriage in commemoration of their 13th wedding anniversary.

Key, a factory worker, told police his car was stopped by two men posing as policemen who robbed him and then shot his wife.

Mrs. Hazelbaker, a divorced mother of three from 4 to 8, admitted plotting the slaying with Key "for several months so we could get married."

HER STORY "We planned to take my three kids and his four kids and have one big happy family," Mrs. Hazelbaker continued.

Enraged Klan Vows Fight; Charges FBI Tried Bribe

KKK Bristles After LBJ Fires Blast

MONTGOMERY, Ala. (AP) — State agents were ordered into round-the-clock action by Gov. George C. Wallace in the highway slaying of a Detroit white woman who joined a civil rights march to the Alabama capital.

Ku Klux Klan leaders fired more rounds of angry criticism at President Johnson. The President opened an attack on the rob order when he announced the arrest of four Klansmen in the killing.

U.S. CHARGES FBI agents arrested the four white men on federal charges of conspiracy in the assassination Thursday night of Viola Gregg Liuzzo, 39, who was killed by gunfire from a passing car about 25 miles west of here.

A Georgia Klan leader, Grand Dragon Calvin F. Craig of Atlanta, said the order would defile the presidential attack against the Klan.

Among 25,000 Mrs. Liuzzo was among the 25,000 who marched. She was returning to Montgomery for a second group of marchers when a car pulled alongside and bullets raked her car.

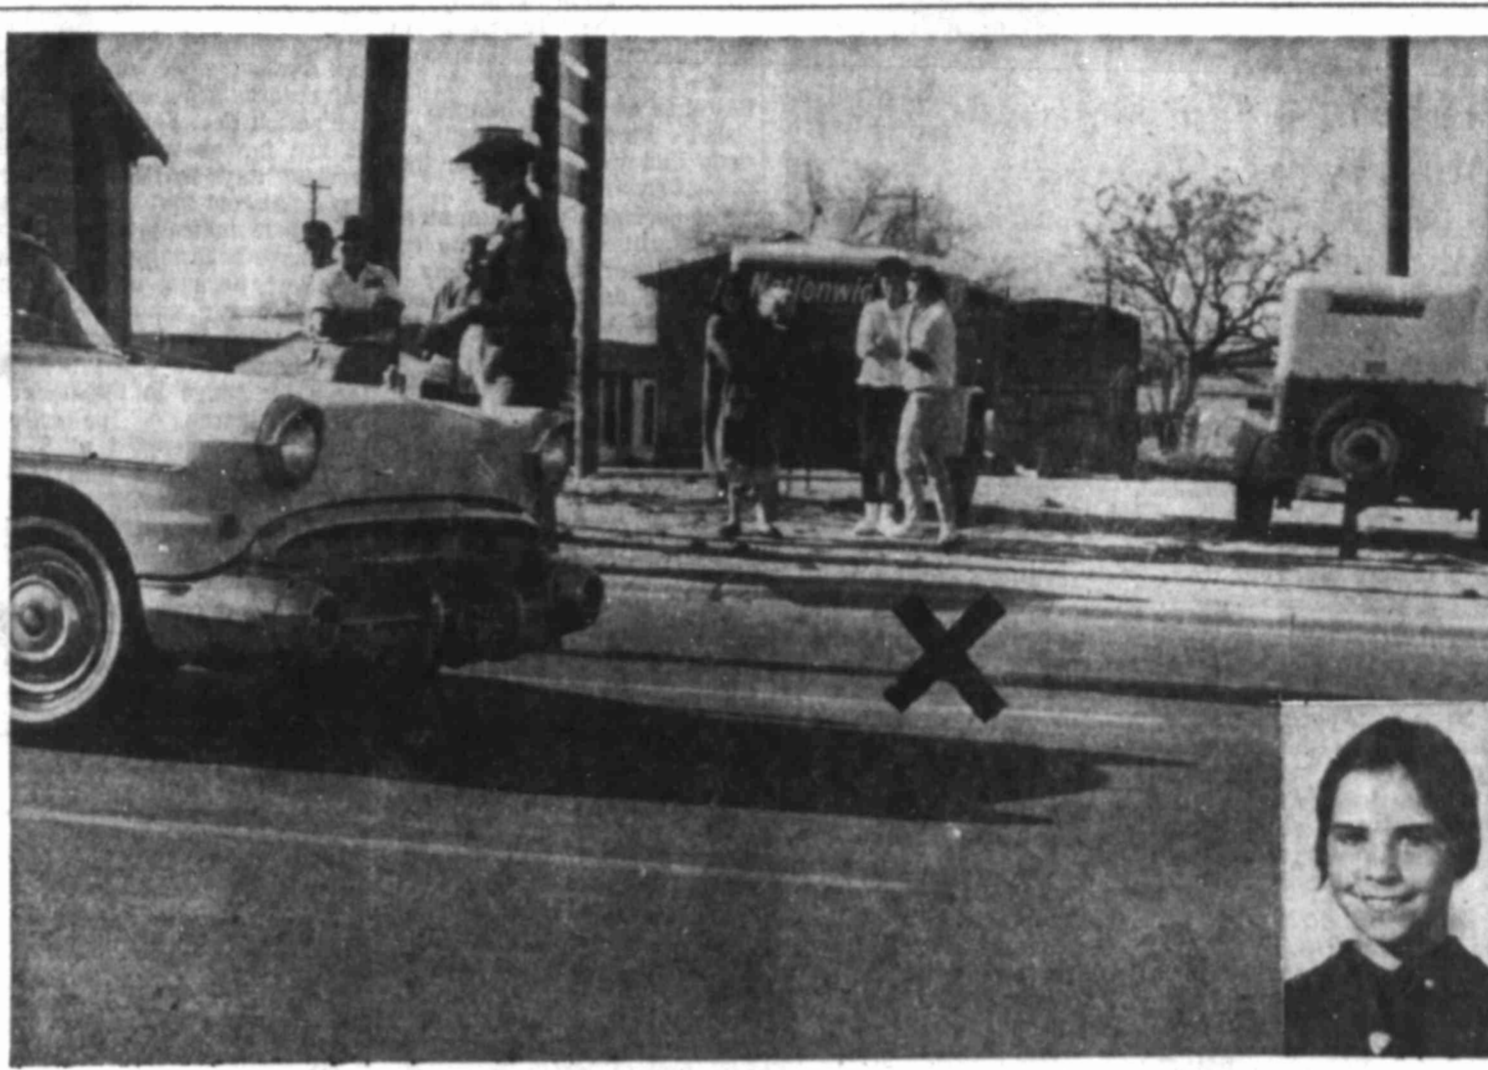

College trustees are moving for a prompt sale of the \$500,000 in bonds approved by voters a week ago.

Howard County commissioners are losing little time in making good on a promise to erect a hangar to accommodate the contract flying school for new Webb pilots.

Jack Eubank, escaped lifer from New Mexico, got the word last week — extradition papers signed by Gov. Connally arrived here.

Who says the younger generation is going soft? Well, count out 20 boys of Scout Troop 9.

The city is battling 50 per cent on its campaign against hazardous buildings.

Tragedy Strikes Down 10-Year-Old Girl

Tiny Mary Elizabeth Wise, shown in lower right corner, walked in front of the car shown to the left, and was hurled to the pavement at the spot marked with the "X." Her condition is critical.

Protest Brings Governor In

JONESBORO, La. (AP) — In an extraordinary move, Gov. John J. McKeithen flew here Saturday and conferred with Negro protest leaders.

The governor arrived after being held up nearly two hours by threatening weather.

A delegation of Negro parents and pupils awaited him at the all-Negro school, where a boycott started March 8.

The tragedy involving Mary Elizabeth was on West Fourth Street at the intersection with Valley street.

Police Patrolmen Ted Lancaster and Gary Stewart investigated the accident.

Witnesses told officers that none of the cars on Fourth Street at the time of the accident was traveling more than 35 miles per hour.

The House made history Friday night with its 263-153 passage of the measure which is aimed principally at helping the children of poor families.

The House Rules Committee voted 8-7 not to submit it for floor action.

Struck By Auto, Girl, 10, Critical

Mary Elizabeth Wise, 10, struck down by an automobile in a traffic accident Friday afternoon, was fighting valiantly to live Saturday night at the Cowper Hospital and Clinic.

At 10 p.m., hospital attendants said that the child was still clinging precariously to life.

UNCNCSIOUS She was unconscious and suffering from extensive internal injuries.

Surgeons operated Friday night, removing the spleen which had been crushed.

Rights Victim Sent Home

DETROIT (AP) — Viola Gregg Liuzzo, whose belief in the dignity of man led to death on an Alabama highway, was back home Saturday.

Her body was returned to Detroit on Friday night in a Teamsters Union plane from which a seat and coat rack had been removed.

Claims One Of Accused Approached

MONTGOMERY, Ala. (AP) — Ku Klux Klan leaders angrily accused the FBI on Saturday of trying to bribe one of four Klansmen charged with conspiracy in the night-rider killing of a white housewife who joined a civil rights march to the Capitol.

State agents worked toward possible murder charges in the Thursday night shooting death of Viola Gregg Liuzzo, 39, of Detroit.

DECLINE COMMENT FBI agent Everett Ingram of the Birmingham office declined comment.

MURPHY SAID HIS CLIENTS WERE INNOCENT He added: "The four boys will be exonerated."

Robert M. Shelton Jr. of Tuscaloosa, imperial wizard of the United Klans, said the Klan put up \$150,000 bonds for three of the men — including Rowe. The fourth was denied bail.

Reviewing The Big Spring Week

Put the week down as a violent one. Besides several fires, which had the effect of making doubly sure our insurance rates will go up, there were numerous car wrecks. One of them 47 miles south of Big Spring took the lives of Mrs. Willie Winkle Waggoner, 70, Dimmitt, and Mrs. Myrtle Frances Wright, 72, Hereford, who were returning from a fishing trip.

Ambucs Urged To Attend Conventions

Calvin Craig of Lubbock, ABC district governor, urged local Ambucs to attend the 1965 national and regional conventions of that organization, in a talk made before members of the local chapter at the Settles Hotel at noon Friday. Craig reminded his listeners that the sites of both conventions were within easy driving distance of Big Spring.

The regional convention takes place at Hobbs, N. M., April 9-10, while the National conclave is scheduled in Amarillo June 23-26.

The Lubbock man also asked his fellow ABC club members to devote their efforts toward rekindling interest in the local chapter, pointing to the fact that the Big Spring club had suffered damaging deterioration during the past fiscal year as far as membership is concerned.

A. D. Blount and Webb AFB Captains Glenn Young and Dick Wilson spoke briefly to the club, projecting the hopes and ambitions of a group dedicated toward organization of a Big Spring Zoological Society.

Blount, who operates a pet shop here, brought with him copies of designs for a building which would house a local zoo, if a proposed drive for operating funds materializes.

In other activity, the club voted to sponsor a girl in the upcoming Miss Big Spring beauty pageant. The club was the backer of Charlotte Anders, crowned Miss Big Spring in last year's contest.

Gene Gumm was introduced as a guest.

Coahoma Masons To Pay Homage

The Coahoma Masonic Lodge will honor its past masters at a program set for 6:30 p.m. Thursday at the lodge hall.

Billy C. Bates, worshipful master, said that there would be a brief fellowship hour at the start, followed by a covered dish dinner at 7 p.m., and then the program which will feature a talk by J. B. Langston, Big Spring, district deputy grand master. All master Masons and wives and guests are invited to the affair.

UF Trustees Meet Monday

A meeting of the board of trustees of the United Fund has been convened for 5 p.m. Monday at the chamber of commerce conference room. Lester Morton, president, announced. Purpose of the meeting is to hear about the financial problem of one participating agency and to consider its application for a supplemental fund-raising effort.

Cancer Society Begins Crusade

The annual crusade of the American Cancer Society in Big Spring will begin this week, to continue through April.

Mrs. Larson Lloyd will direct the crusade as chairman, Mrs. Archie Butler, president of the Howard County Association, announced.

"We can expect our most successful educational and fund-raising campaign," Mrs. Butler said. Last year the society raised \$3,500 and distributed 7,000 educational leaflets in How-

ard County. A theme of "Tell Your Neighbor" will be followed in this year's campaign, Mrs. Lloyd said.

"This means," she said, "that we will do our best through trained volunteers to reach every home with a leaflet giving the facts about cancer and about the society's program of education, research and service to the cancer patient."

"People must know before they can act," she said. "Every doorbell must be rung be-

fore the crusade can be considered a success."

Cancer will strike 48 million Americans now living if present rates continue, she said.

"We could now save one-half of those who develop cancer, but we are saving only one out of three," Mrs. Lloyd said. "To achieve our potential requires educational, service and persuasive effort."

She said an annual health checkup by every adult would have a tremendous effect on reducing the death rate from cancer.

"Too many people die of cancer today who do not have to die of it," she emphasized. "They simply do not take the necessary precautions."

"We are going to try to tell every adult in Howard County

Miller Snipes At Voting Bill

NIAGARA FALLS, N.Y. (AP) — Passage of President Johnson's voting rights bill would be tantamount to "rule by emotion," says William E. Miller, the 1964 Republican candidate for vice president.

He said the Constitution gives the states the right to establish voting regulations. Giving the federal government rights reserved to the states would make "millions of illiterates easy prey for vindictive politicians on their way to a dictatorship," Miller said.

Absentee Voting Activity Is Slow

With only two days remaining for voters to register absentee ballots for school trustees in all school districts, and for the Howard County school board, only a few have taken advantage of the opportunity.

Seven votes had been cast, just before closing time, at the Howard County Clerk's office Friday for the Big Spring Independent School district candidates; three had been cast in the Precinct 2 candidate for the county board; four had been cast in the Coahoma School superintendent's office for that district, and none for candidates in the Forsan County Line Independent district.

All absentee voting, except for the Coahoma district, is being done in the office of Howard County Clerk Pauline Petty's office. Forsan district voters are required to vote absentee in the clerk's office, instead of the school office, because the district has less than 500 scholars.

Big Spring district voters go there because those in Precincts 1 and 2 also vote for county board members.

Four candidates have filed for three places in the Big Spring district, with three for re-election. Running for re-election are Mrs. R. B. G. Cowper, Joe Moss, and Dr. Carl Marcum. Richard Egan is a new candidate.

H. H. Rutherford has no opposition for re-election to the county board from Precinct 1. J. D. Gilmore, incumbent, is opposed by Jack Y. Smith in Commissioner's Precinct 2.

Coahoma candidates are: J. R. Bales (re-election), George (Jerry) Callahan, Travis L. Walker, W. W. Leppard, C. C. Harrison, Don Evans, and J. T. Swinney. Two are to be elected.

Five are running for three places in the Forsan District. Candidates are R. L. Rister, Charles V. Spurgin, Robert D. Cowley, Paul Lancaster, and Curtis (Pete) Sherman. Cowley and Lancaster are seeking re-election.

Suit For Libel Reported Settled

LOS ANGELES (AP) — Actor Michael Wilding has settled a \$3-million libel suit against movie columnist Hedda Hopper. His attorney reported that the actor got more than \$100,000.

Wilding had sued Miss Hopper and her publishing firm, Doubleday & Co., alleging she included false statements about him in her 1963 book, "The Whole Truth and Nothing But the Truth."

Schedule Announced For Social Security Trips

The district office of the Social Security Administration in Big Spring has set up a schedule of visits to area towns for April, May and June.

During these visits the Social Security representative will assist older or disabled workers and the survivors of those who have died to complete their applications for retirement, disability and family insurance benefits. The representative will also take applications for Social Security numbers and furnish information about the Social Security program to all interested persons.

In Colorado City the representative will be in the Chamber of Commerce on Tuesdays from 10 a.m. to noon on the following days: April 6, 13, 20 and 27; May 4, 11, 18 and 25; June 1, 8, 15, 22 and 29.

The basement of the post office in Lamesa will be the site on Wednesdays from 10 a.m. to noon on the following days: April 7, 14, 21 and 28; May 5, 12, 19 and 26; June 2, 9, 16, 23 and 30.

In Snyder, the office will be on the second floor of the courthouse on Thursdays from 10 a.m. to noon on the following days: April 1, 8, 15, 22 and 29; May 6, 13, 20 and 27; June 3, 10, 17 and 24.

In Stanton, the representative will be available on Mondays from 2 to 4 p.m. in the courthouse on the following days: April 26, May 24 and June 28.

Attend Jamboree

The Mates and Dates Square Dance Club attended a jamboree in Levelland last night. Some 29 youngsters made the trip in a chartered bus. Sponsors are Mr. and Mrs. R. T. Merrell, Mrs. R. O. Wanner, and Mrs. A. W. Henry.

House Damaged In Friday Fire

A fire Friday damaged a residence at 2300 Marshall, owned by Thomas Charles Robinson.

Fire Marshal A. D. Meador said the blaze resulted from a pan of grease on the stove, with cabinets above the stove and paneling behind the stove burned. No damage resulted to the stove itself, Meador said.

The kitchen, hall and living room received smoke damage in the fire, according to Meador.

Firemen were called to 113 Fraser Friday afternoon when two mattresses burned in a presently-unoccupied residence.

Howard Among Counties With Low Total Voting

By SAM BLACKBURN

In more than half of Texas' 254 counties, less than 50 per cent of the total potential voters bothered to ballot in 1964. In 32 West Texas counties, the average vote percentage was less than 50 per cent.

Howard County, sad to say, was the third lowest of these 32 counties. Only 48.7 per cent of the county's voter population (persons of voting age and presumably qualified to vote) balloted in 1964 elections.

There were only two other counties which made a worse showing than Howard in the list of 32 West Texas counties. Lowest percentage of all was recorded in Webb County, of which Laredo is the county seat. Its percentage was 33.9. Second lowest percentage was scored by Reeves County. Only 38.9 per cent of its electors voted.

Statistics released in Austin show that Howard County voting population in 1964 was 23,028. The voters numbered only 9,387.

Winkler County, with 7,388 potential voters, showed a voting strength of 3,579 or 49.8 per cent for the best showing of any of the 32 counties.

Sutton County, with 49.4 and Coleman County with 49.2 were the second and third highest of the list.

Martin County, with 2,798 potential voters, had a vote total of 1,297 for an average of 46.3 per cent.

Mitchell County had one of the highest ratings of any county in the Big Spring area—48.5. Of its 6,510 potential voters, 3,159 balloted. Dawson County made a much better showing than Howard. It had a percentage of 48.2. Total vote population was 10,531. Voters numbered 4,868.

Scurry County, with 11,443 potential voters, had 5,137 go to the poll and wound up with 44.9 per cent. Ector County had 49,494 persons eligible to vote. The actual voters were 22,386 or 45.2 per cent.

It had been pointed out that if Texas had a literacy test for voters (which it does not) Howard County and all of the 32 West Texas counties listed, as well as 137 other Texas counties, would be eligible for the appointment of federal registrars, if the bill recently submitted to Congress by President Lyndon Johnson is approved. Because Texas has no literacy test to qualify a voter, it is exempted from the provisions of the new bill. Regardless, the figures show that in more than half of the counties in the state, less than 50 per cent of the eligible voters balloted.

The tables show that in Taylor County, one of West Texas' more populous counties, the voting total for 1964 was only 38.9 per cent—for one of the lowest percentages of any of the coun-

ties in this area. There were 58,166 eligible voters in Taylor County in 1964. Only 22,520 went to the polls.

Lubbock County, with 84,931 voters, showed 46.5 per cent votes cast. Tom Green County has 37,897 of voting age and 16,443 voted. The percentage was 43.4.

Navy Offering Delayed Plan

The Navy recently authorized the recruiting service to enlist men in the Naval service and defer ordering them to active duty for a period of up to 120 days. Each individual enlisted under this program will be enlisted for six years and be required to serve four years active duty.

This new procedure will allow applicants currently enrolled in school, or who are employed, to complete school or continue employment for an additional period of time and still be completing a portion of their obligatory six year military service.

The enlistment in the Naval Reserve, with a request for assignment to extended active duty, exempts the reservist from call by the Selective Service System.

All young men desiring further information about this program should contact the local Navy recruiter at the post office building on Monday, Thursday and Friday.

Working Wife Total Climbs

WASHINGTON (AP) — The Labor Department says nearly half of the nation's working families have more than one wage earner.

And a department survey said working wives make up the bulk of the additional jobholders.

The report said the number of working wives increased by \$25,000 last year.

Blum's To Roll Out Red Carpet

The red carpet will be "rolled out" Monday at Blum's Jewelers, Inc., 221 Main, as the store keeps pace with efforts by Big Spring merchants to improve the downtown area.

Red carpet is being installed in the firm today as part of a remodeling project. The store has recently been remodeled on the front and entrance and the interior has been painted antique white to blend with the new carpet.

"We feel proud of having built up a business second to none, especially catering to brides of Big Spring and the surrounding area," Joe Blum said. "Now we are rolling out the red carpet and we appreciate the business we have received from Big Spring and the area."

"Most of all, we want to emphasize courteous, friendly service," he said. "Persons are welcome to browse in the store."

The firm has been in operation about four years in Big Spring, operated by Mr. and Mrs. Blum. The merchandise includes more than 200 patterns of china and pottery, with nationally advertised brand names, as well as sterling and stainless steel hollow ware, watches and crystal. Free gift-wrapping and free delivery service are also offered.

"We are proud we have an expert watchmaker who does jewelry manufacture work and diamond setting on the premises," Blum said.

"Brides are always welcome to look both for things which they wish to select and gifts which they would prefer to receive," Mrs. Blum said.

Routine Audit

James O. Hickman, supply management representative of the research and evaluation staff for the Veterans Administration Central Office, Washington, D. C., will visit the Big Spring VA Hospital March 29 through April 2. He will conduct a routine audit of the business services division of the hospital.

KNOW ANY OF THESE MOORE STUDENTS OF 1912? Pupils of half century ago were proud of their school

Loyal Moore Students Gather For Reunion

By SAM BLACKBURN

There hasn't been a school in Moore Community in 20 years. The last day of school for that district was Feb. 25, 1945. On the next day, a fire destroyed not only the Moore school, but the teacherage as well.

The balance of that school year was taught in the old Fairview building, which was still standing although the school district had been abolished. No further school sessions for Moore district were attempted. The kids in the area attended Big Spring and other schools until 1949. Then, under a special law, the Moore district was consolidated with the Big Spring District and Howard County Independent School District No. 12, which disappeared from the record.

Regardless of the lapse of

time, former students of Moore are still loyal to their school and proud they were once enrolled there. For that matter, the residents and former residents of Moore Community, once one of the county's more populous rural areas, are still loyal and eager to let any and all know their affiliation with Moore.

That's why 175 men and women, many of whom were once pupils in Moore school, will meet at noon today at the Howard County Junior College Student Union Building, for the Third Annual Moore School Reunion luncheon. Truett Thomas, an old Mooreite, is president of the reunion. Mrs. Zarah LeFevre and Miss Twila Lomax handled reservations. The lists were closed late last week.

In addition to the luncheon,

which is set for 12:30 p.m., an open meeting will be held in the SUB Sunday afternoon and a large number of ex-Moore residents and current residents of the area, are expected to show up who could not be at the luncheon.

Miss Anna Smith, now with Howard County Junior College, is a former teacher at Moore.

Other years the reunion has been in the form of an out-of-doors picnic with everyone bringing baskets of food. This is the first year an attempt has been made to hold the celebration otherwise.

Moore school was formerly located five miles north and one mile west of Big Spring. About all that's left to keep the community as a county name (other than the enthusiasm of its

former pupils) is a voting box still called Moore Precinct. However, the Moore voting box is two miles from the site of the Moore school. Voters in the area ballot in the education building at the Fairview Methodist Church. The church is about a mile due west of the Fairview Gin.

There was a time when Moore was a thriving community. It boasted a sizable general store, which functioned for years. When automobiles became common, it added a filling station. There was the school, which was the focal center of the settlement. The land about Moore then, as now, was some of the most fertile and productive in the county.

Time was when the school enrollment was quite impressive. In 1912, for example, when the photograph shown above was taken, the school had at least 60 pupils. That many are shown in the picture. (In 1910, the total population of Howard County was only 8,881 and Big Spring had 4,102 of these. It is fair to estimate, therefore, that the community served by Moore school must have been quite populous for its day).

NO POST OFFICE

Elmer Boatler, Big Spring postmaster, said that insofar as he can find out, Moore never had a post office. Not even its most enthusiastic boosters claim that distinction. However, they do insist the Moore school was a good school and that friendships made in its weathered building are durable.

"That's why we will have 175 at the luncheon Sunday noon," said Thomas. "And that's why a lot of others who may not attend the luncheon will show up Sunday afternoon."

It was stressed that the reunion is for all Moore people—whether you attended school or just lived in the community, you are urged to be at the reunion, Thomas said.

Criminal Docket Set April 6

Fourteen felony indictments are to be brought before Judge Ralph Caton and a jury panel in 118th District Court the week of April 6.

Wayne Burns, district attorney, said that he had set down that many cases for trial during the week. He had no idea, he said, how many of the cases would actually go to trial. Possibly a few of the defendants will enter guilty pleas, the district attorney added. Others will ask for continuances — particularly any of those on the list who have no attorney and who ask the court to appoint attorneys to represent them.

The sheriff's office has sent out notices to 102 citizens to report to Judge Caton at 10 a.m. April 6 for jury duty.

The cases and defendants slated to go to trial are:

Lincoln Brumett, forgery; John Marvin Peters, burglary; Bobby W. Beardsley, theft; Robert Earl Frymire, theft; Antonio DeLeon, car theft; T. V. Thompson, theft by bailer; Jesus Bustamente, forgery by endorsement; Paul Arnold Reeves, burglary; Harold Boy, theft; Willie James Hubbard, DWI second offense; Raul Gonzales Parades, burglary; Melton G. Montelongo, possession of marijuana; Feleciano Gonzales, burglary of a motor vehicle; Billy D. Clark, DWI second offense.

YOUR INCOME TAX

You Must Have Copies Of All Your W-2 Forms

This column of questions and answers on federal tax matters is provided by the Big Spring office of the U. S. Internal Revenue Service and answers questions most frequently asked by taxpayers.

Q—I worked as a salesman for an appliance store last year. I now work for another employer, but my former employer has not sent me my W-2. What should I do?

A—Have you moved? Maybe the W-2 was sent to your old address. In any event, contact your former employer. He can prepare a duplicate W-2 for you if necessary.

Q—Changes have been made in the provisions on capital loss carryovers. Can you tell me how they will affect the investor?

A—Under the previous provisions, capital losses could only be carried over for the next five years. Further, whether the loss was long term or short term, when it was carried over it was identified as a short term loss. Under the 1964 law, capital losses may be carried over indefinitely. These losses also retain their original character. In other words, a short term loss is carried over as a short term loss—a long term loss is carried over as a long term loss.

The new treatment of capital losses will apply to such losses incurred in the 1964 tax year and thereafter. Capital losses being carried over to 1964 will continue to be treated as short term losses but can be carried over until used up.

Q—I smoke a carton of cigarettes a week. How much can I deduct on my tax return?

A—Under the new law, state and local taxes specifically imposed on cigarettes are no longer deductible. Check the instructions you received with your tax return to find the taxes which are still deductible.

Q—I took a winter vacation this year. As a result, I didn't cash my December paycheck until after I returned in January. Should I include this money with 1964 or 1965 income?

A—The December paycheck is 1964 income and has been included in the totals listed on your W-2. The general rule for checks is that they are taxable in the year they are received, regardless of when they are cashed.

Q—Is it permissible to round off figures on a tax return?

A—You may round off your figures to the nearest dollar. Items under 50 cents can be listed as the next lowest dollar, 50 cents or more to the next highest dollar.

While such rounding off of dollars amounts is permitted, estimates of expenses, deductions and income are not acceptable. Items listed on a return require proper substantiation.

Q—There isn't enough room on the tax form to list all my employers last year. Should I list

them on a separate piece of paper?

A—This year you do not list your employers on your tax return. Just total the amounts shown on the W-2's and enter the total on the return. Don't forget to include the W-2's, however.

Q—My husband died last year. What part of the funeral and burial expenses can I deduct as medical expenses on my income tax return?

A—None. The law does not consider these to be medical expenses.

Q—Are students exempt from income tax?

A—No. Students are like any other taxpayer group. While most scholarships are exempt from tax, students must report and pay tax on any other income they receive—\$600 or more gross income.

Q—Recently we gave away

our piano to our church. It had been used by our daughter who is now married and living some distance from us. Is there anything we can deduct as a charitable contribution for the piano?

A—In such cases, the fair market value of the articles or merchandise donated may be taken as a charitable contribution when deductions are itemized. Check the instructions on contributions for donations on contributions for donations on contributions for donations.

Q—I recently received a statement from my bank listing the interest that had been credited to my account for the year. Should I file this with my return along with my W-2?

A—No. A copy of this record was also sent to Internal Revenue. Your copy serves as a reminder of the amount of interest credited to your account by a particular bank or savings institution so that you can report it correctly.

Abilene Cooper Is San Angelo Champ

By KENNETH GOOD
SAN ANGELO — A revised scoring chart uncovered the fact that Abilene Cooper captured first place in Division I of the 1965 San Angelo Relays here Saturday afternoon.

The Cougars scored 42 1/2 points to beat out Odessa Permian, which had originally been declared the winner, by two points.

Third was Monterey of Lubbock, which wound up with 40 points; followed by San Angelo and Abilene High, who had 38 each. Sixth was Big Spring,

wound up second to San Angelo with a 42.9 clocking and might have won had not Hughes been bumped on his leg.

Griffith 2-1 Pick, Pastrano Is 6-5

NEW YORK (AP) — Welterweight champion Emile Griffith is a solid 2-1 choice over Jose Stable but light heavyweight king Willie Pastrano is only a narrow 6-5 favorite over Jose Torres in the championship doubleheader at Madison Square Garden Tuesday night.

This first title twin bill in Garden history, at prices ranging from \$5 to \$30, may sell out the Garden for a \$250,000 gate. The Garden expects a gate of at least \$200,000.

The promoters, however, are counting on the closed circuit telecast to coast-to-coast theaters and arenas, to make a profit.

Pastrano, at 29, is a veteran of 83 pro fights in 13 1/2 years. A clever boxer who relies on his speedy hands, shifty feet and ring cunning, he is handsome and virtually unmarked.

Bronchos Nudge Permian By Two

Odessa High beat Odessa Permian by two strokes in Saturday's District 2-AAAA golf competition at the Muni course here but the Panthers still pace the circuit by 12 strokes.

The district matches come to a halt two weekends from last Friday in Midland, with only

Odessa conceded much of a chance of overtaking the Panthers.

Midland Lee finished with a four - man score of 311 Saturday but is far off the pace.

Time For Consultation

Pictured above are members of the Big Spring High School golf contingent which took part in the District 2-AAAA competition at the Muni course here Saturday. From the left, they are Phillip Park, Cooper Proctor, Tommy Wilson and Richard True.

Medalist of the day was Tommy Cochran of Odessa High, who toured the course in 72 strokes, one shot under par. S. Haney of Midland High did almost as well, with 73.

Cochran was out 35 and came home in 37. Haney made the turn in 37 and finished with a 36.

Big Spring slumped farther into the league cellar with an 18-hole score of 346. The Steers now trail seventh place Abilene by 63 strokes.

The day was excellent for golf, with the result that 19 of the A team players were in the 70's.

Results: ODESSA (307) — T. Cochran 72, B. Brooks 76, R. Whittenburg 79, B. Stewart 80. Four-round total 1365.

PERMIAN (309) — Ronnie Leverich 76, B. Borres 77, T. Alvey 78, Dennis Henkell 78. Four-round total 1253.

MIDLAND (311) — Terry Justlow 78, C. Howell 79, S. Haney 79, R. Matheis 81. Four-round total 1301.

Ponies Hang Onto Lead; Beat Bears

WACO, Tex. (AP)—Southern Methodist came from behind for a 7-5 victory over Baylor Saturday to take the undisputed lead in the Southwest Conference baseball race.

The Bears were ahead 5-0 with two outs in the sixth inning when SMU rallied for three runs. The Methodists began another rally in the seventh and got three more.

David Foster was credited with the decision after relieving Bob Jones in the fifth. Gary Statham took the loss.

With two out in the sixth and Harold Richardson on first with a single, Bobby Carpenter singled and Chris Najork walked to load the bases. J. D. Smith singled to drive in Richardson and Carpenter. Foster then singled in Najork, and Baylor pitcher Fred Rath walked Tom Rubel to move Smith in to score.

Richardson led off the seventh with a single, Carpenter doubled, and Majork drove them home with a double. Foster then hammered in Najork with his second hit of the game.

Bulldogs Win First In Meet At Merkel

MERKEL—The Coahoma Bulldogs pulled a few surprises here Saturday and won the first annual Merkel Relays with 93 points, 33 ahead of second place Bronie.

The Bulldogs captured two first places, four second places, one third, three fourths and one sixth place to take top honors.

First place winners for the Bulldogs were Mike Mosley in the 880-yard run with a time of 2:01.6 and the mile relay with a 3:33.5 clocking. Running in the

Milwaukee, aided by four errors and two balks, snapped Cincinnati's winning streak at five with a 6-5 victory Saturday in an exhibition baseball game.

The Braves scored two of their runs on balks by Sammy Ellis, who also gave up nine of Milwaukee's 10 hits. Cincinnati home runs by Vada Pinson and Don Pavletich couldn't overcome the Braves' lead.

An infield out drove in the deciding run in the seventh inning after Mike de la Hoz singled and went to third on a double by Lee Maye.

Rodgers Low In Azalea

WILMINGTON, N.C. (AP) — A slumped-down Phil Rodgers, gradually shaking off a two-year slump, shot a four-under-par 68 Saturday to move into the 54-hole lead of the \$28,750 Azalea Open Golf Tournament.

His total of 206 on rounds of 68-70-68 gave him a one-stroke lead over Dick Hart, the 36-hole pace-setter, who shot a par 72. Joe Campbell shot 69 to jump into third place at 208 going into Sunday's final round.

MONAHANS — Runnels seventh graders edged past the Goliad seventh graders here Saturday with 29 2-3 points good for fifth place in the Monahans junior high track meet.

Mesquite Gun Club Is Bee-Hive Of Activity

By HARDY PRICE
It all started about two years ago when a number of people who like to shoot decided they needed a place to practice out of season.

One thing led to another. Lawrence Anderson, a Vincent farmer, made available about 10 acres of land. Some people built shooting benches and in short order the Mesquite Gun Club was born.

The club will be two years old in April and no one is more proud of it than Skeeter Davidson, unofficial reporter of the club.

There were about 65 of us in the original club, but I couldn't estimate the number we have now," said Davidson.

Davidson has a lot to be proud of at the club. Located approximately five miles west of Vincent on the Vincent-Luther road, the club has five different ranges. Located on the grounds are a 25 and 50-yard pistol range and a trap shooting range.

Every other Sunday is rifle match day for members and guests. Next match is April 4. Davidson said the matches have anywhere from 12 on up competing, "but we usually have between 20 and 30 shooters at every match."

It is no simple matter to become a member of the Mesquite Gun Club. This is not to say that the club is exclusive, but, as a rule, gun clubs in general are particular about their members.

At the Mesquite club, a three-man committee screens each membership application. If an applicant is accepted, yearly

dues of \$5 are all that is needed. This allows a person to shoot anytime the club is open, which is seven days a week all year long.

Perhaps the busiest part of the club are the 100 and 200 yard ranges. Here the bench rest matches for varmint guns are conducted. The matches are divided into two divisions—"light" for rifles weighing 9 1/2 pounds and under and "heavy" for rifles weighing between 9 1/2 and 10 1/2 pounds.

The majority of these rifles are of .222 caliber. Scores are figured on the best of 10 shot groups. This is a slow deliberate sport where experts have cut cards in half at 200 yards.

The sporter class is another popular match at the club. Here rifles of .243 caliber and up are used and the shooting is off-hand—without the aid of a bench

rest. Big-bore rifle competition is for rifles of .270 caliber and over.

Davidson remarked that the pistol range is not used as much as it could be. "It seems that we have more rifle shooters than pistol shooters here," he said. Davidson conceded that the rifle marksmanship at the club is excellent, but that the pistol range scores are a different story.

Safety by-word
Safety is the by-word for all club members at the range. The club has a number of rules concerning gun safety. Among them are: All weapons brought to the range must have the bolt open and only one round in the chamber at any one time.

"We have a safe place to shoot and have no had any kind of accident at the club since it was opened," said Davidson.

Trap shooting is always popular, particularly in the latter part of August and early part of September when hunters like to sharpen up for the upcoming dove and quail seasons. The club has an excellent trap shooting range and clay pigeons are available at the club.

Davidson pointed out that visitors are welcomed to watch all matches. "You can see just about any kind of gun in the world at the club during a Sunday match," he said. Last year women's and junior matches were conducted by the club, "but we didn't have enough interest to continue them," said Davidson.

President of the club is Bill Crow and vice president, Dealon Stanley, both of Vincent. Jimmy Medford of Big Spring is treasurer.

Board Attendant Had His Own Idea About Scoring
LOS ANGELES (AP) — The announcement said there will be an electric scoreboard with the winner of each round being flashed to the closed circuit television audience during the doubleheader boxing show in New York March 30.

But Fats had his own idea of who had won the round. You could see his jaw set. He shook his head sideways. No, he would not change the board.

Eventually it too: a State Boxing Commission official, a policeman or two and both Welch and gallery, all rushing to the big board, to straighten out the matter.

Lubbock Westerners Edge Bovines, 2-1

LUBBOCK — Lubbock High banked two runs in the sixth inning and then fought off a Big Spring rally in the top of the seventh to edge the Steers, 2-1, in a baseball exhibition here Friday afternoon.

Not a run in the game was earned. Stout-hearted pitching by Big Spring's Hank Pope and Dorian Clawson of Lubbock turned the game into a defensive battle.

Big Spring returns to play at home Tuesday afternoon, at which time Roy Baird's club hosts Lubbock Monterey. The Steers are now 44 on the season.

The Westerners managed their runs when Joe Mac Tilson hit a one-out double and Jerry Brown followed with a single. Another hit by Don Shuffield following a Big Spring error enabled Charles Moore, running for Brown, to score.

Yogi Anderson was hit by a pitched ball to open Big Spring's half of the seventh. A couple of errors and a base on balls moved Gary Mears, running for Anderson, into scoring position and an infield bobbie brought him home.

The Steers had the go-ahead runners aboard with only one out but Clawson settled to fan one batter and forced the next one to roll out to the second baseman.

Lubbock managed five hits off Pope, who whiffed six and did not walk a batter. Big Spring could collect only three safeties

off Clawson. Pope had one of those, a second inning single. Sammy Mims and Jesse Zapala had the other hits for Big Spring.

Bobby Griffin was the only Big Spring runner to get as far as third base until the seventh. He accomplished that feat after going in to run for Pope in the third.

Teachers, Students Will Benefit From OIC Program

D. G. (Buddy) Whitten, area vice chairman of the Oil Information Committee, set his area panel in motion at an organizational meeting Friday at the Cosden Country Club.

Two immediate projects face the committee, and both have to do with sending one or two teachers to an oil industry petroleum workshop during the summer. Teacher applications are due no later than May 1, said Whitten. He currently is leading an effort to raise funds to finance attendance of a teacher and said he would welcome help from any source.

The oil industry has been given the wrong image, he told the committee, and it needs better interpretation to the public. In many instances it is open to misunderstanding. For instance, the profits reported by many larger companies in recent years have been coming from reserves in old fields, whereas the returns from new discoveries are small if not non-existent, he said.

"When you are having to live off \$3 oil from old fields and it's costing you \$4 a barrel to find new oil, you're looking down the gun barrel," he said.

Efforts will be increased in the early autumn to get more

Oil Information Committee Sets Program

Members of the Oil Information Committee panel for Howard County were briefed Friday by Area Chairman D. G. (Buddy) Whitten.

Named to various posts are George Oldham, chairman for Howard and Glasscock counties; Jack Douthitt, Sterling City, chairman for Sterling County; Joe Ward, community program; Mrs. Bill (Jean) Stone, women's division; Gil Boatman, special events; Bob Newton, public affairs; E. C. (Frosty) Rob-

son, schools; Jeff L. Brown, speakers; Joe Pickle, press-radio-TV; W. B. Crooker, films-exhibits.

J. R. Wright Heads Division

J. R. Wright has been appointed manager of Magnolia Pipe Line Company's Midland Division, according to an announcement by president L. H. True.

True also announced that a plan for the regrouping of field operating areas will be implemented immediately. Under this new arrangement all field operations will be conducted through division offices located at Midland, Houston, Corpus Christi, and Wichita Falls, Texas; Wichita, Kan.; Salem, Ill.; and Plainfield, N. J.

Wright, formerly division manager in Kansas, succeeds Kendall Miller who has been named manager at Plainfield. He will assume his duties at Midland as soon as he acquaints the new division manager with the Kansas pipeline operation.

Monsanto Gas Plant Gets Top Safety Award

SNYDER — Monsanto Company's Diamond "M" gasoline plant near here has received a top safety award from the American Petroleum Institute in recognition of one million safe man-hours the plant has achieved since 1955.

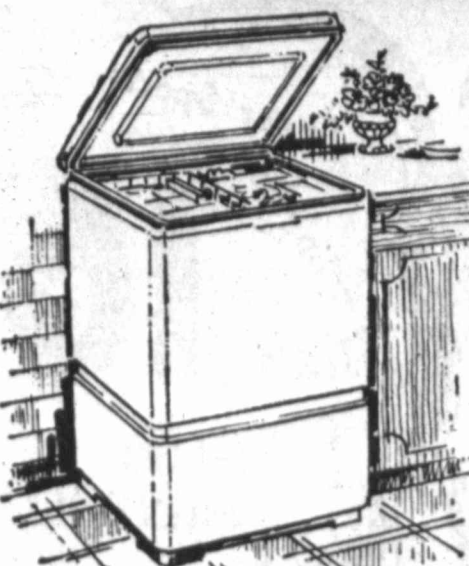

A. C. Floyd, plant superintendent, said the record is equivalent to one man working 480 years without a major injury. Commenting on the award, Floyd added: "The credit for this safety milestone must go to every employe at the plant. Monsanto's philosophy of affording employes a safe place in which to work has meaning only with the constant cooperation of every individual."

The Snyder plant is operated by Monsanto's Hydrocarbons Division for numerous owners who have interests in area gas fields.

Shell Announces Staff Changes

C. P. Bristol, vice president of Shell Oil Company's Midland area, has announced staff changes, effective April 1. W. J. Westhoff, now senior staff gas engineer, Midland area, will succeed F. H. Rathjen as gas manager, Denver area. Rathjen will transfer to the Pacific Coast area as gas manager there.

Westhoff, who holds a B.S. degree in petroleum engineering from Oklahoma University, joined Shell in 1944 at Sheridan. After a number of assignments in Texas, he was named superintendent-operations at Tulsa in 1958. He assumed the same position at Denver in 1959. In 1963 he was assigned to the head office gas department as a senior staff gas engineer, and was transferred to his present assignment last May.

LBJ's FPC Appointee Might Change Area Pricing Ruling

HOUSTON (AP) — President Lyndon B. Johnson has filled two vacancies on the Federal Power Commission but still faces a ticklish problem involving the agency that regulates interstate movement of natural gas.

The President must make a decision that could affect the 3-2 consumer vs. producer lineup on the five-member, bi-partisan commission.

The term of Joseph Swidler, FPC chairman, expires June 22. Consumer groups are backing Swidler for reappointment. Many producers hope a new appointee will swing the balance of power to their side.

Johnson's long delay in filling the two vacancies gave at least indirect support to reports he is under strong pressure to overhaul the commission, which has been seeking since early 1961 to develop an area formula for controlling wellhead prices of natural gas.

The entire commission has insisted the area formula be given a fair trial. There have been sharp dissents, however, over what the minority called efforts aimed at giving the FPC even broader authority over interstate gas sales.

SIDESTEPS TROUBLE
Johnson sidestepped the controversy last Saturday and apparently retained the 3-2 lineup by appointing one man to each side.

He reappointed Charles Ross, whose term had expired June 22.

Carl Bagge, Chicago railroad lawyer, was appointed to the vacancy left by the death last Aug. 4 of Harold Woodward.

Swidler, Ross and David Black have formed the consistent majority. The background of each includes utility regulatory experience.

Swidler is a former general counsel for the Tennessee Valley Authority. Ross is a former Vermont public service commissioner. Black handled electric

utility cases while an assistant attorney general in the State of Washington.

EXCEEDS AUTHORITY
Lawrence O'Connor Jr., a certified public accountant and former Houston independent oil operator, joined Woodward in frequent dissents.

Woodward, a former Illinois Utility Commission hearing examiner, frequently said the FPC had exceeded its authority to regulate interstate sales of natural gas.

Bagge's appointment must be confirmed by the Senate. He has not expressed consumer-producer views publicly. His background, however, includes no regulatory experience.

None of the present commissioners was on the FPC in 1960 when an old policy of handling each producer case individually was abandoned in favor of the area formula, under which prices are set for each of the nation's major natural gas producing areas.

Swidler and other members of a completely new commission

appointed by the late President John F. Kennedy in 1961 and 1962 inherited the job of developing the area formula.

GUINEA PIG HERE

The vast Permian Basin of West Texas and Southeastern New Mexico was selected as the test case for development of ground rules. Preliminary proceedings began in March, 1961, but the commission did not hear final arguments until this winter.

Seymour Wenner, the FPC examiner, recommended last September the commission adopt for the Permian Basin a two-price system ranging from 10 to 16.75 cents per 1,000 cubic feet. Producers had sought a one-price ceiling of about 20 cents.

O'Connor has indicated the FPC may release its Permian ruling by May 15. Swidler has declined to speculate on a date.

Regardless of the FPC decision, almost everyone, including the commissioners, anticipates an appeal and an ultimate final decision by the Supreme Court.

More Than 1,400 To Attend NPRA Meeting

Indications are that the annual meeting of National Petroleum Refiners Assn. will be attended by a record number of industry representatives when it gets under way in Houston next week.

The NPRA has advised that advance registration for the March 31-April 2 meeting indicates an attendance of more than 1,400 petroleum refiners and representatives of allied segments of the petroleum industry. More than 40 states, Canada, Mexico and several overseas locations will be represented when the meeting gets under way March 31 at the Shamrock Hilton Hotel.

Keynote speaker at the meeting will be C. E. Reistle Jr., Humble Oil & Refining Company board chairman, who will address the NPRA's Annual Luncheon on April 1. NPRA president P. N. Gammelgard, a senior vice president of the Pure Oil Company, will preside.

A management session has been added to the meeting agenda and will convene March 31. The program for this session will include discussions dealing with computer engineers and management, damage control and safety, and the operation of the Colonial Pipeline. Also scheduled is the presentation, by president Gammelgard, of NPRA award certificates to 18 NPRA member companies in recognition of the exceptional records

of safety in 24 of their refineries.

The agenda for the three-day parley will also include sessions dealing with refining technology, asphalt, insurance and lubricants. Meetings of several NPRA committees, the Association's executive committee and the NPRA board of directors are also planned.

Sure there's a difference between the luxury '65 Chevrolet and expensive cars

You can put most of it in your savings account

Maybe you've only seen them on the street so far. If so, come on in and see a Jet-smooth '65 Chevrolet right in our showroom. We think you'll do a double-take when you get up close enough for a look at that price sticker. Most people do. Because the major difference between this one and cars that cost quite a bit more is simply—price.

Take room, for example. Chevrolet has more of it than many expensive cars do. You get extra foot room with the new frame and forward engine design. And those handsome curved

side windows are one reason for all of the extra shoulder room, front and rear.

And there's plenty of luxury. The smartly functional instrument panel is easy to read, puts everything at your fingertips as well. Color-keyed interiors feature tastefully rich fabrics and vinyls, foam-cushioned seating and plush deep-twist carpeting. And even the low-cost Bel Airs and Biscaynes include these luxury touches.

There's a great choice of power, from Chevrolet's economical, spirited

140-hp Turbo-Thrift Six on up. And that famous Jet-smooth ride is even better this year. A new Full Coil suspension, new wider tread and over 700 sound and shock absorbers work together to give you the feeling there's a foot of air between you and the road.

You can tailor the car exactly to your taste, too. Our catalog lists nearly 200 ways to do that—and our salesmen can show you how easily your present car and realistic monthly payments will have you driving a beautiful '65 Chevrolet nearly as quickly as you've read this message.

A BURST OF BLOOM on an apricot tree is beauty born again each spring at the home of Mr. and Mrs. R. B. Reeder, 901 Mountain Park. Water and warmth combine to perform a small miracle as the tightly-

coiled buds quickly reveal the proud secret they've been hiding for months. Mrs. Reeder makes preserves from the fruit of the trees, and tucks a few tomato and pepper plants among her flowers.

THE GRASS MAY BE GREENER in a fellow's own back yard, but there's no way to stop the growth when it's baseball time down the block. Danny Love, son of Mr. and Mrs. Troy Love, 1311 Virginia, would

rather be pitching a good one over home plate than pushing a lawnmower, but he dutifully prepares for his assigned yard work. Lending a hand is Mrs. Love, who helps with the pruning.

...OF SPRING

A TIME FOR PLANTING is a time of decision. The beautiful illustrations on seed packets subtly beckon the gardener and fill her heart with hope for such magnificent blossoms. The good earth is warming to welcome the seeds as Mrs. Sam Mellinger pursues the many packages that promise a bountiful harvest. Elmo Phillips shows enthusiastic approval of her choice.

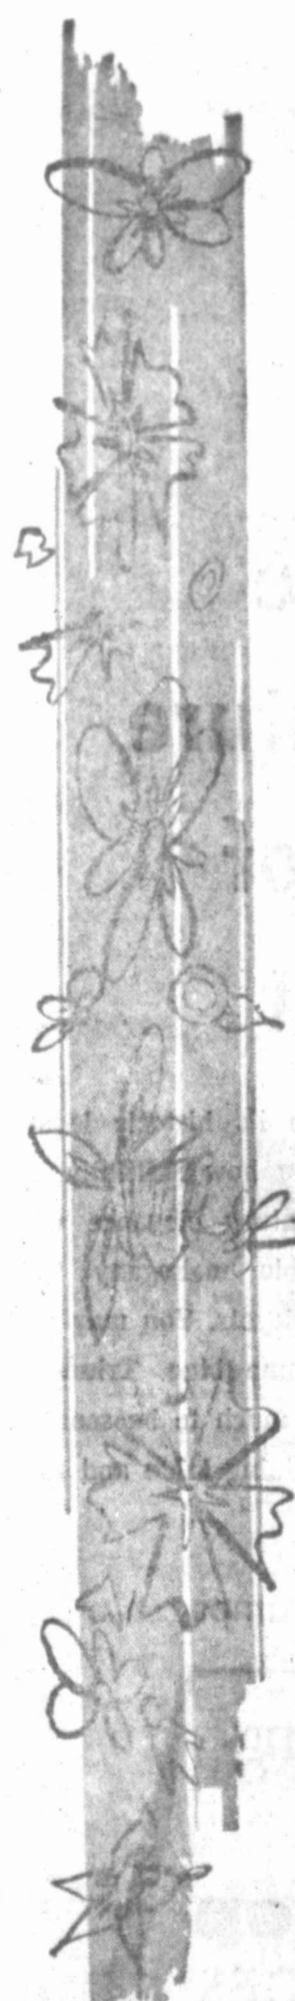

THE EARLY BIRD GETS THE WORM, but the first robin is entitled to something a little fancier. At least, this is the opinion of two bird-watchers, Mrs. Harold Talbot, 409 Washington, and Mrs. W. C. Moore, 109 Jefferson. It may have been a long cold winter, but spring is just around a Washington Place corner as the women prepare a welcoming feast for returning cardinals.

Women Offer Talents

The women of St. Mary's Episcopal Church are offering a variety of services to the public this year to provide funds for operating expenses and contributions. Some of the women who are contributing their time and

talents are shown here. They are Mrs. Harold Bull, Mrs. Donald Lester, Mrs. Joe Smoot, Mrs. Donald Hungerford, Mrs. James A. Lancaster and Mrs. E. V. Spence.

Episcopal Members Begin Talent Fund

The Women of St. Mary's Episcopal Church are using their talents this year to provide operating expenses for the furtherance of their work in the church and community. The talent project, proven popular in the past, is being resumed with Mrs. E. V. Spence heading the talent fund committee.

Serving with Mrs. Spence are Mrs. James A. Lancaster, Mrs. Donald Lester, Mrs. Joe Smoot, Mrs. Jess Wilbanks, Mrs. Smith Swords, and Mrs. Bill Currie.

The women are offering a variety of services. Many will bake pies and cakes, others will cook complete dinners, a few will sew gift items and two will do "plant sitting."

TALENT TEA

The project will come to a climax in November at the Talent Tea when each woman will turn in the money she has made for the church through the use of her time and talent. Mrs. Spence said that women who do not offer a service will participate in other ways, and that the project serves the secondary purpose of being a contact mixer for all the women of the church. Mrs. Harold Bull is president of the Women of the Church, and working with the group is Mrs. Donald Hungerford, wife of the pastor.

The women and the services they offer are Mrs. B. B. Badger, Mexican food and pralines; Mrs. Elsie Carter, candied grapefruit peel; Mrs. Harry Blomshield and Mrs. Bennett Brooke, garage sale (tentative date of June 12); Mrs. Lancaster, cookies, blue cheese and dressings; Mrs. Amos Wood, sequined Christmas balls; Mrs. John Albach, Jewish coffee cake, oatmeal and chocolate chip cookies, run errands; and Mrs. Bull, plant sitting.

PECAN ROLLS

Also, Mrs. Josh Burnett, Italian food; Mrs. Lyle Burry, pe-

can breakfast rolls; Mrs. Pete Cole, gift wrapping; Mrs. William Crooker, typing; Mrs. Bill Emerson, typing and addressing cards; Mrs. Don Grantham, German Chocolate Cake; Mrs. Hungerford, order religious gift items and make bean bag chairs; Mrs. Bobbie Nobles pies and hot rolls; Mrs. Louis C. Jones, pound cake; Mrs. Ronald Keller, sewing and alterations of all kinds; and Mrs. Spence, home made mayonnaise.

Others are Mrs. Howard Voss, cookies; Mrs. Smoot, dietetic cakes; Mrs. Ronald Kibler, banana nut bread; Mrs. E. B. McCormick, Christmas stockings and door knob covers; Mrs. Marvin Saunders, peanut brittle; Mrs. S. R. Talkington, Angel Food Cake; Mrs. Laverne Taylor, German Chocolate Cake; Mrs. Bobby West, peanut butter fudge; and Mrs. J. Ed Grimm, Carrot Cake and other cakes, cookies and candy.

CROCHETING

Also, Mrs. Frank Rembert, crochets of all kinds; Mrs. A. G. Edmonson, oil paintings; Mrs. John Larson, Apple Sauce Cake and pizza; Mrs. Robert McDonald, ice box pie; Mrs. Swords, Ugly Apple Pie; Mrs. C. W. Muse, Pecan Pie; Mrs. D. M. McKinney, date nut bread, nut bread, pigs in blankets, chili con queso; Mrs. Bill Patton, cinnamon rolls, cookies and home made bread; and Mrs. Obie Bristow, pralines.

Those remaining are Mrs. Maurice Koger, T. V. Trash (snacks); Mrs. Jerome Daley, gift wrapping; Mrs. John Golden, plant sitting; Mrs. Lester, Lester Cook Book; Mrs. J. Thomas McDaniel, spice cake with buttermilk sauce; Mrs. Frank Johnson, Christmas decorations and antique flowers; Mrs. Fred Doelp, Doughnut Puffs; Mrs. Dee Jon Davis, prayer caps; and Mrs. Kelly

Lawrence will tutor a third grade student in the summer. More information concerning the talent services and prices to be charged may be obtained by telephone.

HD Group See Styles For Spring

WESTBROOK (SC)—Members of the homemaking class modeled spring styles at the Westbrook Home Demonstration club meeting Tuesday afternoon in the home of Mrs. Sidney Jones.

Those modeling clothes were Claudine Reed, Patricia Bell, Vickie Sullivan, Kathy Henderson, Maritha Oden, Faye Ritchey, Brenda Rich and Wanda Whitehead. Mrs. Charles Maughon, homemaking teacher, narrated the show. Assisting her were Mrs. Charles Ranne, Mrs. Rex McKenney and Mrs. H. M. Parsons.

Mrs. Emory Sweatt and Mrs. Roberts announced plans to attend the Texas Home Demonstration Association meeting in Tahoka April 27.

The council report was given by Mrs. Roberts, and Mrs. McKenney and Mrs. Parsons worded prayers.

Mrs. T. A. Rees and Mrs. Choppie Rees were welcomed as guests.

Lamesans Name P-TA Officers

LAMESA (SC)—New officers for the 1965-66 Lamesa P-TA Council recently named were Mrs. Lyndell Sharp, president; Mrs. Joe Clayton, vice president; Mrs. Will Ford, secretary-treasurer; Mrs. Don Bristow, historian; and Mrs. Chester Whitfield, parliamentarian.

The council endorsed the "45 to 65" pay raise bill that is pending in the state legislature. Abe Holder, school superintendent, compared the bill with the one being advocated by Governor Connally.

Date Set

Miss Anna Lane and George Michael Dropik have set July 19 as their wedding date. Miss Lane is the daughter of J. C. Lane, 793 Johnson, and the late Mrs. Lane. The prospective bridegroom is the nephew of Mrs. Mary Skero, Tarrs, Penn., and the late Joseph Skero.

Cora Kate Circle Studies Ephesians

COAHOMA (SC)—The Cora Kate Circle of the Presbyterian Church met in the home of Mrs. Alvin Luce. Mrs. Wendell Shive was the moderator for the Bible study which was on Ephesians. Six members attended.

Pink, Blue Affair Held Thursday

The home of Mrs. Billy Plew, Silver Heels Addition, was the setting Thursday evening for a pink and blue shower honoring Mrs. Jim Wolverton.

Hostesses for the complimentary event were Mrs. Gary Colley, Mrs. M. A. Dunagan, Mrs. Aubrey Armistead, Mrs. Alvin Husky and Mrs. Hilliard Dittmore.

A skit, "Another Wolverton," a parody on a television soap opera, was given by the guests.

Refreshments were served to 22 guests from a table where pink and blue decorations were used with appointments in silver and crystal.

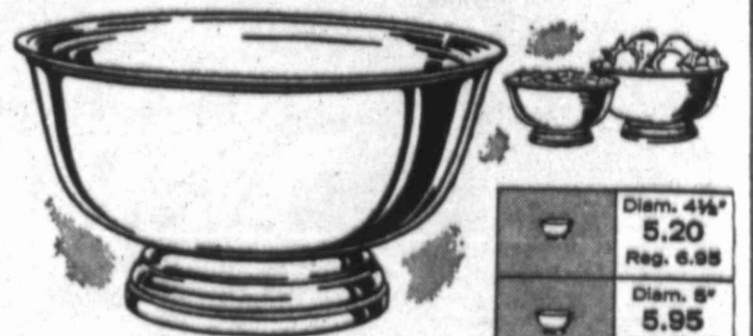

Courtney HD Club Studies Grooming

STANTON (SC)—The Courtney Home Demonstration club met recently in the home of Mrs. W. A. Walker. Mrs. Glenn L. Brown presented a program on grooming.

Eleven members and three guests, Mrs. Pat Wilson of Coahoma, Mrs. Billy Walker and Mrs. D. B. Hall of Midland, attended. Mrs. Brown presented a gift to those attending.

Miss Mary Andrews Marries James Hood

Miss Mary Ann Andrews became the bride of Airman 3.C. James H. Hood at 7 o'clock Saturday evening in the chapel at Webb Air Force Base.

The double ring ceremony was performed by Chaplain William H. Warren before an altar graced with baskets of large white chrysanthemums and gladioli. White cathedral tapers burned in brass candelabra. The bride is the daughter of Mr. and Mrs. Raymond Lee Andrews Sr., and parents of the bridegroom are Mr. and Mrs. John H. Hood, Memphis, Tenn. Miss Brenda Reid, organist, accompanied Miss Vaita Reeves as she sang "I Love You Truly" and "Because."

The bride, given in marriage by her father, chose a street-length wedding dress of Chantilly lace over silk. The v-necked, demi-fitted jacket was styled with bracelet-length sleeves and closed with pearl buttons at the front. Her headpiece was a circlet of silk flower petals which anchored a shoulder-length veil of illusion. She wore a diamond and pearl pendant, a gift from the bridegroom's parents, as her only jewelry.

The bridal bouquet, carried atop a white Bible, which was

a gift from her father, was a cascade arrangement of white feathered carnations backed with tulle and showered with satin picot ribbon.

ATTENDANTS
Mrs. James F. Terry was the matron of honor, and Miss Ann Hood, sister of the bridegroom, served as bridesmaid. They wore lace sheaths in pastel shades with matching headpieces and carried nosegays of blue carnations.

The best man was Airman 1.C. James F. Terry, Webb Air Force Base, and ushers were W. A. Bynum, H. J. Morrison and J. T. Valois, Amarillo. When the couple left on a wedding trip to Memphis, Tenn., the bride was wearing a sheath costume with semi-fitted jacket in tones of brown and collared with brown velvet. Her accessories were of brown lizard. Upon returning, they will reside at 609 1/2 Abrams.

The bride attended Big Spring Senior High School, where she was a member of the choir, and the Children and Reeves School of Hairdressing and Cosmetology. The bridegroom, a graduate of Oakhaven High School in Memphis, attended Memphis

State University and is now stationed at Webb AFB.

Following the ceremony, a reception was held in the home of the bride's parents, where the couple were joined by the parents in greeting guests.

Members of the house party were Mrs. Lela Andrews, grandmother of the bride; Mr. and Mrs. V. L. Bray, Amarillo, the bride's grandparents; Mr. and Mrs. J. L. Andrews, Irving; and Mrs. J. T. Doug Valois, Amarillo and Miss Sharon Andrews, the bride's sister.

An ecru lace cloth covered the refreshment table which featured a four-tiered wedding cake, decorated with blue swans and white roses, and topped with a miniature bride and groom. The centerpiece was a five-branched candelabra tied in tulle and wedding bells and showered with satin ribbons. Table appointments were of silver and crystal.

GUESTS
Out-of-town guests were Mr. and Mrs. Jimmy Hodel, Mr. and Mrs. Ed Sessions, Mr. and Mrs. Clarence Rogers, Mrs. Albert Smith and Mr. and Mrs. Wilfred Stoerner, all of Plainview; Mr. and Mrs. Herbert Brewster, Junction; Mr. and Mrs. Charles Kersh, Mr. and Mrs. L. D. Bailey, Mr. and Mrs. Bill Bond and J. B. Huckaby, all of Brownfield; Mr. and Mrs. Henry Bailey, Alpine; Mr. and Mrs. Maurice Kubby, El Paso; Mr. and Mrs. E. L. Jackson, Cisco; Mrs. A. A. Guley, Palit Rock; Mr. and Mrs. James Summar, Lancaster, Pa.; Mrs. Georgia Summar, Alma, Ark.; Mr. and Mrs. Luke Citina, Dallas; Curtis Wilson, Mesquite; Mr. and Mrs. J. Walter Janko, Somerville; and Mr. and Mrs. D. I. Peters, Houston.

Meet Madame President

Mrs. Rene Brown, president of the 1946 Hyperion Club, is getting settled in her new home at 3 Highland Heather. She and her husband and two daughters, Deborah, 7, and Elaine, 2, moved into the home the last of November.

Mr. and Mrs. Brown were both born and reared in Grand Prairie, and attended school there. He is manager of the research and control department at Cosden Oil & Chemical Company.

An active member in the Wesley Methodist Church, she sings in the choir and works in the Woman's Society of Christian Service. She is also a member of the Music Study Club. Mrs. Brown, a soprano, prefers opera and popular music. Deborah, her older daughter, is in the first grade at College Heights Elementary School.

self and daughters. A course in French, taken at Howard County Junior College, is a particularly enjoyable outside activity for Mrs. Brown.

PBX Club Holds Special Meeting

A called meeting was held by the PBX Club Thursday evening in the Flame Room of the Pioneer Natural Gas Company.

Mrs. John Simunovic was named delegate to the state convention in Austin during April. Mrs. Trudy Unger was selected alternate.

Mrs. Fern Smith, president, conducted the business session. Eighteen members and one new member, Mrs. Mark Robinson, attended.

The next meeting will be April 1 in Coker's Restaurant.

On April 3 the 3561st PTS will sponsor a squadron bridge and games night at the Officers Open Mess. All officers, wives and bachelors of the squadron are cordially invited. For reservations, call Mrs. Roger Counts, AM 3-6159, or Mrs. J. M. Wilson, AM 4-7864.

Millinery classes began Wednesday. These classes will be each Wednesday for four weeks at 1 p.m. in the Officers Open Mess. The classes will not only feature hat making but also purse and shoe covering.

The Thrift Shop has new hours of operation. Each Monday the shop will be open from 6:30 p.m. to 9 p.m. On Wednesday and Friday the hours will be from 10 a.m. until 2 p.m. Spring and summer clothing will now be accepted. The clothes should be repaired, cleaned and pressed.

April 1 is the date of the "Hat Show" luncheon sponsored by the wives of members of the Medical Group. The Officers Wives Club luncheon will be at 12:30 p.m. at the Officers Open Mess. The hats for the show will be furnished by Hemphill-Wells

and will be modeled by members of the sponsoring group. Reservations for the luncheon must be made by noon, March 30. Please contact Mrs. D. L. Fredrick, AM 3-4769, or Mrs. R. F. Vega, AM 4-4547.

Hosts for a party at the pavilion recently were Lt. and Mrs. David Mattel, Lt. and Mrs. Rodney R. James and Lt. and Mrs. William T. Davidson. Guests were members of Class 66-C, their wives and dates and friends of the hosts.

Mrs. David M. Stripling was the honored guest at a baby shower March 21. Cohostesses for the event were Mrs. William H. Beck, Mrs. John Barber and Mrs. Owen S. Haddock. Those attending were wives of members of Class 66-D.

Class 66-C-F-1 was the host for a party at the pavilion on March 20. Guests were members of Class 66-C and their wives. Also as guests were the IP's and their wives of Sledge and Spitfire Flights.

Lt. and Mrs. J. G. Piland of Class 66-C went to Dallas last weekend to attend the annual Sweetheart Dance of Phi Kappa Sigma fraternity of which Lt. Piland is an alumni. Lt. and Mrs. Piland were guests of Lt. Piland's parents, Mr. and Mrs. W. L. Piland, while they were in Dallas. On their return trip they visited Mrs. Piland's parents, Col. and Mrs. M. C. Gregory (USAF, Ret.), in Fort Worth.

Wives of members of Air Base Group attended a coffee at the home of Mrs. John H. Larson March 18. Approximately 20 attended. Cohostesses were Mrs. Alex Chamberlain, Mrs. Max Werking and Mrs. N. T. Williams.

MRS. H. W. SMITH, MRS. HERMAN SMITH, MRS. R. E. HOOVER

Mrs. Herman Smith Will Present Review

A reception in the parlor of the First Christian Church will follow the book review which will be presented at 7:30 p.m. Thursday by Mrs. Herman Smith.

Mrs. Smith, government instructor at both Howard County Junior College and Big Spring High School, will review "Man From Cyrene" by Frans Ventner.

JEWISH VIEW
Ventner, a native of South Africa, has taken the life of an orthodox Jew, Simon of Cyrene, who carried the cross for Jesus, and has interwoven it with the lives of the disciples, Mary of Bethany, Lazarus, Joseph of Aramathea and Jesus.

The book presents an interesting look at the views of all orthodox Jews of this period toward the heretic carpenter who seemed to disavow the ancient law of Moses.

Chairman for the review sponsored by the Christian Women's Fellowship, is Mrs. H. W. Smith, and co-chairman is Mrs. Earl Zetsche. Assisting with publicity is Mrs. R. E. Hoover, and an organ prelude will be presented by Mrs. Bob Simpson.

Those on the tea committee are Mrs. C. M. Adams, Mrs. W. W. Inkman and Mrs. Nina Carter. During the tea, piano selections will be provided by Mrs. Delnor Poss and Mrs. John Birdwell.

Tickets for the review are \$1 and may be purchased from any

member of the CWF, at the church office or at the chamber of commerce office. The proceeds will be used to redecorate the church parlor and Fellowship hall.

INSTRUCTOR
Mrs. Herman Smith received her BA and MA degrees from Texas Tech. She has taught speech, English, government and history at the high school level and was a speech instructor at Texas Tech and Phillips University at Enid, Okla. Also, she taught English at Odessa Junior College and government at Texas Tech. She is a member of Delta Delta Delta.

Mrs. Smith has done extensive book reviewing in the past, but due to family and teaching responsibilities, she has confined her talks to those for the church since living here. Her husband is a coach and history instructor at Big Spring High School. Their son, Moffitt, is a student at Texas Tech, and their daughter, Susan, attends Kentwood Elementary School.

'ROUND TOWN

By LUCILLE PICKLE

That new shade, Freeze Brown, probably won't hold up in fashion circles. Indeed, it has almost passed from the scene already although it appeared only a few weeks ago.

It took the place of some beautiful whites, creams and pinks that had made their appearance on the fruit trees about the county. I am of the opinion it will be replaced by some pretty greens in the near future as the trees, that won't bear fruit, will break out in leaves.

Guests this weekend in the home of MRS. THELMA LEWIS, 906 Goliad, are her friends, MR. and MRS. A. L. DIXON of Kermit.

MRS. ALBERT HOHERTZ left Friday for Comanche to be with other members of the Hohertz family at the bedside of Mr. Hohertz' 85-year-old mother who is critically ill.

The BOB PRIDDYS, who have recently moved here from Stanton, have a standard French

poodle that is so dignified in his bearing and so well groomed, right to his beard, that, according to a friend, he looks almost human. And his name is Pierre.

MR. and MRS. JOHNNY BURNS have returned from Midland where they attended funeral services at 2 p.m. Saturday for her father, N. G. Barton, who passed away early Thursday. The son who was stationed in Guam arrived in Midland Saturday morning.

DICK EBLING and his friend, MISS SUSAN DIETZ of Deer Park, both University of Houston students, have spent the weekend here with their parents, MR. and MRS. RAY EBLING. They expect to return to Houston today.

There's a former Big Spring resident on page 94 of Esquire magazine for April. He is CASTLE CAMPBELL son of the late MR. and MRS. JIM CAMPBELL and the nephew of MRS. J. L. DUNAGAN. Castle is the sales manager of Embassy Tours and Travel Agency in New York.

New Officers Named For Modern Forum

The Modern Woman's Forum elected new officers when it met Friday afternoon in the

home of Mrs. A. B. Wade, 1405 Rannels. Those named were Mrs. W. A. Laswell president, Mrs. W. E. Moran, first vice president; Mrs. J. S. Sims, second vice president; Mrs. Harwood Keith, third vice president; Mrs. Clyde Lowery, corresponding secretary; Mrs. A. C. Bass, recording secretary; and Mrs. J. P. Dodge, treasurer.

Mrs. Dodge gave a report on the district meeting of federated clubs held in Fort Stockton March 24-25. Other members who attended were Mrs. Moran, Mrs. T. G. Adams and Mrs. C. W. Parmenter.

A program on conservation was presented by Mrs. Bass, with special emphasis on conserving and appreciating water. Having been born and reared here, she told how scarce water was in her youth, and how important it should be to everyone now. She related a story of a house catching fire, and because there was so little water available, buckets of milk were used to quench the flames.

The next meeting will be April 9 in the home of Mrs. Moran, 1301 Eleventh Place. Mrs. Fred Whitaker will present the program.

Four Members Initiated By OES
Four new members were initiated Thursday evening by the Laura B. Hart Chapter of the Order of the Eastern Star when it met in the Masonic Hall.

Mrs. A. G. Eitzen, worthy matron, presided at the business session. Seven chapters were represented in 35 members present.

HD Clubs Instructed On Beauty, Poisons

Members of the area home demonstration clubs who met this week were offered a variety of programs. Among those presented were a style show program on poisons and a report of the 4-H adult leaders forum.

KNOTT CLUB
Out-dated fashions were modeled at the Tuesday meeting of the Knott Home Demonstration Club in the home of Mrs. O. B. Gaskins where seven members were present.
Mrs. Emmitt Grantham wore flowered georgette, Mrs. O. B. Gaskins chose a black satin costume and Mrs. Joe Myers showed a dress with beading on the neckline and bodice.
The next meeting will be April 13 with Mrs. Myers when Mrs.

Delaine Crawford, agent, will present the program. Refreshments were served from a table covered with a crocheted cloth and centered with an arrangement of fruit.

LOMAX CLUB
The skit on poisons, "Foolish Kate at the Pearly Gates," was presented at the Lomax Home Demonstration Club meeting. Those on the program were Mrs. James Moore, the hostess; Mrs. Richard Posey, Mrs. J. L. McDivain, Mrs. J. D. Henderson and Mrs. Waymon Etchison.

Roll call was answered by seven members with what foreign country they would like most to visit. Mrs. James Moore was a visitor.
Mrs. McDivain presided for the business session when each member agreed to donate \$2 to the club treasury.

The April 1 meeting will be with Mrs. Henderson.

LUTHER CLUB
Mrs. Ed Simpson, hostess, gave the devotion when the Luther Home Demonstration Club met Thursday to hear Mrs. Frances Zant report on the 4-H adult leader forum held in Austin.

Also, Mrs. J. L. Lloyd spoke on recreation for club meetings, the home and church groups. She stressed that all families should take time for recreation.

The 11 members attending included a new member, Mrs. A. L. Jensen, and Mrs. Ross Westbrook was a visitor.

It was reported that all mem-

bers had baked cookies for the state hospital.

Mrs. Roger Fleckenstein will be hostess for the next meeting.

CITY CLUB

The three steps to facial beauty, cleanliness, stimulation and protection, were described by Mrs. G. A. Stallings Friday for members of the City Home Demonstration Club. The group met with Mrs. Alton Underwood, 801 E. 18th, for the program, "Let's Be Beautiful." Mrs. M. E. Anderson served as a model for the cosmetic demonstration and each member was given a gift packet of cosmetic samples.

Mrs. D. D. Johnston presided as the women made plans to help with games at Bennett House every fifth Wednesday. They will host the HD Council April 3.

The devotion was by Mrs. B. D. Rice, and roll call was answered by 14 who told how long it had been since they changed their hair style. Mrs. Ervin Daniels won the prize, and the next meeting was scheduled April 9 with Mrs. B. F. Mabe.

QUIGLEY'S Flower Quotes Attention, Doubters!

Perhaps you noticed in reading about the care of Easter Lilies that we suggested that the bulbs may eventually be planted in gardens where, in most cases, they will continue to blossom every summertime. To document this statement we would like to point out that in the February 25, 1964 issue of THE EXCHANGE, a florist trade magazine, there was a picture of a single stalk of an Easter Lily which produced fifty-eight flowers in a North Carolina garden. This plant had originally been grown and sold by a florist during an Easter season. Do not expect such performance from your bulbs, for this was a remarkable case. However, this instance should encourage you to save your Easter Lily bulbs for planting in your own garden. Do not throw them away simply because this year's flowers have faded.

Engaged

Mr. and Mrs. Garland T. Land, 885 E. 18th, announce the engagement and approaching marriage of their daughter, Terry, to Alrman S.C. Riehard Howard Poland. Parents of the prospective bridegroom are Mr. and Mrs. Howard B. Poland of Gibsland, La. The wedding will be an event of June 19 in the chapel at Webb Air Force Base.

Win High In Bridge At Club

Seven tables were in play Friday for duplicate games at Big Spring Country Club.

East-west winners were Mrs. G. H. Wood and Mrs. Champ Rainwater, first; Mrs. Eldridge Estes and Mrs. Floyd Mays, second; Mrs. J. H. Fish and Mrs. Hayes Stripling, third; and Mrs. H. F. Schwarzenbach and Mrs. Malcolm Patterson, fourth.

North-south winners were Mrs. J. H. Holloway and Mrs. Joe Steyer, first; Mrs. Hayden Griffith and Mrs. Elvis McCrary, second; Mrs. B. B. Badger and Mrs. J. Gordon Bristow, third; and Mrs. Don Newsom and Mrs. Gerald Harris, fourth.

Many of the local players were absent due to the tournament now being held in Lubbock.

Party Held At Settles

The Big Spring School of Dance presented its spring party Saturday evening from 8 to 11 o'clock in the ballroom of the Settles Hotel.

Host couples for the dance party were Mr. and Mrs. Moran Oppgaard, Mr. and Mrs. E. C. Bell, Mr. and Mrs. Jack Price and Dr. and Mrs. M. W. Talbot Jr.

Various dancing games were played with prizes presented, and refreshments were served. Gifts were presented to students who held perfect attendance records for the dance sessions.

Forty-six youngsters attended the dance where the pastel decorations followed a spring theme.

PANHELLENIC WILL LUNCH

The Big Spring City Panhellenic, affiliated with the National Panhellenic Conference, will have a luncheon at 12 o'clock noon, April 6, at Holiday Inn. Reservations should be made by April 4 with Mrs. Curtis Driver, AM 4-8108, or Mrs. M. R. Koger, AM 4-5884. Those who do not hold membership, but are eligible to do so, are urged to call and

Secretaries Association Plans Convention Trip

The Howard County Legal Secretaries Association met Tuesday at noon at the Downtown Tea Room for a called meeting.

Mrs. Billy P. Flynn presided as plans were made for attending the state convention in Houston April 30-May 2. Delegates elected to attend were Mrs. Camille Patterson, Mrs. Joe Sharpnack and Mrs. Ray Null. Alternates elected were Mrs. B. R. Stewart, Mrs. Flynn and Mrs. Derle Everett.

Mrs. Null, the local chapter's

representative to national functions, was selected delegate to the national convention in Seattle, Washington, in July. Mrs. Flynn and Mrs. Sharpnack will be alternates.

Mrs. Homer Petty was named nomination committee chairman, and Mrs. Milas Wood, Mrs. Sharpnack, Mrs. Stewart and Mrs. Everett will assist her. Elections of officers will be held at the April 8 meeting.

Plans were discussed for the Legal Secretaries Week in May and the banquet which will be held at the end of that week. Among other activities, the secretaries plan to present a program for the high school students during that week.

Garden Clubs To Host Convention

Members of garden clubs in the 59 counties making up District One of Texas Garden Clubs, Inc. will meet in Amarillo April 8 for their annual spring convention. Headquarters will be the Coronado Inn, 781 Pierce Street.

The Panhandle's great prehistoric Alibates Flint Quarries dictated the convention theme "Rocks Through the Ages." A bus trip to the quarries and adjacent pueblos will conclude the meeting April 9.

MR. AND MRS. BOB GOODWIN, JAY AND JON

Bob Goodwins Like Look Of Big Spring

By ELAINE CLARK
After having lived in smaller towns, the bright lights of Big Spring look like a city to Mr. and Mrs. Bob Goodwin, 1612 Donley. "The people here are so friendly and make you feel welcome everywhere you go, it's like a little country town that's grown up," was Mrs. Goodwin's comment. They have two lively, handsome sons, Jay, 4½, and Jon, 2.

Goodwin is employed by the John Davis Feed Store as a sales representative. He demonstrates insecticides, fertilizers, seedling and works with test plots. Being raised on a farm, his first interest is in agriculture and he enjoys working with cattle, horses and livestock. One of the primary reasons for their move to Big Spring was for him to attend Howard County Junior College to study agronomy and animal husbandry.

The Goodwins moved here from Dumas, where he worked with the DeKalb Agricultural Association.

Both Goodwins enjoy yard work and gardening and she raises beautiful house plants. A geranium, of which she was justly proud, measured nine inches across the blossom. His "lazy" hobby is fishing, and hers is reading. She particularly likes historical novels, with E. Thane being a favorite author.

Mrs. Goodwin's main activity is the care of her two energetic sons. She is also enjoying living near her sister, Mrs. John W. Anderson, and having cousins as companions for her children.

An accomplished seamstress, she prefers starting with new material rather than altering or "making over" clothes. She is in the process of making a three-piece suit in a beautiful pale blue silk and wool blended fabric. Having made her clothes for several years, she now

makes clothes for her children, bedspreads, curtains and throw pillows. Her proudest accomplishment is a coat she tailored for herself in black and white houndstooth wool.

Mrs. Goodwin is an enthusiastic and capable cook, and a family favorite is her homemade breads, which she makes in both loaves and rolls. She specializes in desserts, her latest creation is a "Pink Cloud" made with commercial whip mix, frozen strawberries and canned pineapple. These ingredients are whipped together and are delicious either served alone or as topping for pound cake.

The Goodwins are active in the Church of Christ at 14th and

Main, and have previously taught Sunday school.

They are interested in politics and term themselves "Conservative Democrats."

"We enjoy any outdoor activity," said Mrs. Goodwin. "We camp out, fish, hunt and just picnic to be out in the open. When we were in Dumas, Bob enjoyed pheasant hunting, and here he plans to hunt quail and dove."

Mr. and Mrs. Goodwin were both born and reared in Coleman County, having met and married while he was in the Navy. Her parents are Mr. and Mrs. Scott Lane, and his are Mr. and Mrs. Henry Goodwin, all of Coleman.

Class 66-A Honored By Hi And Bye

An international travel theme was used by Class 66-E at the Hi and Bye coffee Thursday morning which was attended by 100 guests. The 65-F graduating class was honored and the 66-F class was welcomed in the complimentary affair held in the Officer's Open Mess at Webb Air Force Base.

Travel posters and flags from all over the world were used in decorations. Trunks with foreign port stickers and souvenirs from other countries were also used.

The centerpiece, an arrangement of white chrysanthemums accented with miniature flags, was awarded to Mrs. D. T. Drennen.

The group played games of matching states and countries with their capitals. Attendance prizes were given to Mrs. R. L. Turk and Mrs. E. G. Burford.

City Making Progress On Many Improvements

By PRESTON MAYNARD
Work is continuing on the addition of the first full watering system at Big Spring's City Cemetery, since the land was

first donated for use as a cemetery before the turn of the century. Two major water line connections have been extended to the

cemetery along the Snyder Highway to the main entrance, then extending westward across the cemetery land to the west access road and in turn placed along the access road south to the IS 20 north service road.

WATER SYSTEM

The water system is part of the series of improvements being made as part of the Permanent Care Plan for the cemetery.

Some 5,000 feet of six-inch water pipe has been installed in recent weeks, with smaller lateral lines to be placed, then followed by individual sprinkler heads.

"When the water system is complete, all of the now-developed area and all proposed development areas will be reached by water," Public Works Director Ernest Lillard said.

Much of the levelling and grading work at the cemetery grounds has been completed, Lillard said, with more to be done when the sprinkler system has been installed. Grass will then be planted and work done on the roads with some type of caliche application, he said.

Involved in the cemetery improvement plans has been mailing letters to lot-owners, requesting contributions of \$25 per lot for the permanent care fund. Only the interest from the fund is to be used.

LETTERS SENT

About 800 letters have been mailed since late February by two secretaries, Nancy Easley, employed by the city, and Beverly Womack, employed by the Masonic Lodge. Both are senior students of Big Spring High School, employed under the office education program.

Letters have been sent as far as Washington, D.C., and California. The first group of letters was mailed to persons owning lots who have been paying

for special care at the cemetery, with a second group going to those formerly paying for special care, but who had discontinued the payment. A final group of letters will be sent to all other lot owners.

Improvement work is under way at a series of other sites involving city facilities, ranging from drainage improvements in the 1300 block of East Fourth Street to a new fishing pier at Moss Creek Lake.

The drainage project consists of about 600 feet of concrete chips and rock, extending from Fourth to Sixth Streets. Later the drainage will be extended from Third to Fourth Streets, according to Lillard.

PAVILION

At Moss Creek Lake, a second concrete picnic pavilion has been completed on the south shore. Some 14 picnic tables will be installed under the pavilion's arch-shaped roof sections. The new fishing pier, also on the south shore, contains a wood deck with a metal frame and barrel floats.

Some 20-25 trees, which have been donated by the Colorado River Municipal Water District from the tree farm near Lake Thomas, are to be placed at the lake, Lillard said. Other work includes painting the concession stand, which he said would be done when weather permits.

At the east entrance to City Park, work is continuing on the overnight camp site. A water system is being installed, for travelers who use the site as an overnight camping spot. Some trees are to be added and restroom facilities constructed.

CITY PARK

A water sprinkler system is being installed in City Park at the area north of the old settlers' pavilion.

Preparation is continuing on a parking lot on the half-block west of city hall, where the 150-foot-wide area has been levelled.

Soldiers Find A \$3 Bill

NEW YORK (AP)—Ever find a \$3 bill? Two soldiers at Ft. Totten here did.

It was issued more than 100 years ago by the Republic of

Texas. It has a souvenir value estimated at about \$5.

Kenneth Vitty and James McAtee discovered the \$3 bill, along with one each of \$5, \$10, \$50 and \$100 of the Texas currency in a rusted telephone box near the fort's Spanish-American gun battery about a week ago.

The Republic of Texas was formed in 1836 and became a part of the United States in 1845.

Merger Right Said Army's

WASHINGTON (AP) — The Army is telling its men that the secretary of the Army can go ahead and merge the Reserve into the National Guard without any authorizing bill from Congress.

The statement, in a pamphlet prepared for internal Army use, appeared to clash with the views of some powerful members of the House Armed Services Committee.

The booklet became available as Chairman F. Edward Hebert D-La., recalled Secretary of the Army Stephen Ailes before his Armed Services subcommittee for questioning on the merger plan which Hebert opposes.

It is Hebert's position that Congress must enact legislation before the merger, which would eliminate the Reserve as an organized unit force, can be put into effect. He has accused the Defense Department of "contemptuous disregard of the Congress."

In its explanatory pamphlet, the Army acknowledges that "under the Constitution, Congress is vested with sole authority for raising and supporting forces necessary for the defense of the United States."

\$1691

What's the catch? There isn't any.

Plunk \$1691 into Frank Winterhalter's hand and he'll plunk you into the seat of a new 1965 Volkswagen Deluxe Sedan. (Give him \$30 more, and you'll be plunked into a Volkswagen with matching leatherette upholstery.)

Of course, you'll have to buy license plates and pay local tax. But that's it. Sound a little too simple? Perhaps. But then the Volkswagen is a simple little car.
