# The FRIONA STAR

Volume 50 Number 21

Sunday, March 2, 1975

2 Sections 16 Pages

**FRIONA RECEIVED** its second historical marker a little over a week ago when a new marker was placed in front of the old Union Congregational Church, marking the site of the first church building in Friona.

Dedication ceremonies have been scheduled for a week from this Sunday—March 9, at 2 p.m.

Weather permitting, the ceremony will be held on the steps of the building, which is being converted by the Friona Girl Scouts into a museum. In case of inclement weather, the dedicatory speech will be given at the high school auditorium.

The Parmer County Historical Society, which among other things recently published the history of Parmer County, was instrumental in securing the marker.

+++

**YOU MAY HAVE** seen the news by now that Art Linkletter is coming to Friona.

The well known television personality, who has spanned two generations with his wit and charm, will come to Friona on April 7 to speak on behalf of the Friona Parent-Teachers' organization. His speech will highlight the organization's annual Teacher Appreciation night program.

You will recall that the P-TO last year hosted Gen. Robinson Risner at the teacher affair, and the general, a former Vietnam prisoner of war, was honored by a crowd of 1,000.

We wondered what the P-TO would do to follow up the General Risner speech, and it looks like they have come up with a suitable "follow-up" in the person of Art Linkletter.

Tickets for the affair, priced at \$3.00, are on sale by the P-TO.

+++

**GOOD NEWS FROM** the Panhandle Heritage Foundation. Pioneer Amphitheatre in Palo Duro Canyon State Park will have new seats for the 1975 season.

This was decided at the recent annual meeting of the foundation. Friona's Charles Allen is on the foundation's board of directors, having a year remaining on a two-year term.

The 1975 season will run June 18 through August 23.

+++

**WE'VE HAD DAYLIGHT** Savings Time for less than a week, and we're ready to yell "calf rope."

The best we can tell, we are getting to bed an hour later, and getting up an hour earlier than we were before. This may save energy, but it doesn't in our case, because by about 5 p.m. each day, we're completely out of energy.

Daylight Savings Time is a wonderful thing. It gives you the opportunity twice a year of remembering where the stem is on your various clocks, which you have to re-set.

+++

**WE SURE HAD** a batch of bad news in last week's paper, but we're happy to report this week that Coach Bob Owen is doing well at Fort Worth.

Owen apparently is recovering nicely, and is due to be dismissed from the hospital in about another week.

W.L. (Preach) Edelman, who was hospitalized for about three weeks in Amarillo after having a close call in an accident involving an irrigation well, has been at home the past week, and is making good progress.

Edelman was able to attend the meeting of the Friona Lions Club this past Thursday.

+++

**THIS WEEK WE** were doing some work with the basketball statistics on the 1974-75 Friona Chieftain team, and we discovered an interesting fact.

High scorer Gene Strickland, who led the team in scoring for the second straight year, and set new season, career and individual game scoring records this year, wasn't such a high scorer to begin with.

We published a team picture last week of this year's seniors as seventh graders, when they were the top seventh grade team around with a 10-0 season record.

We did a little digging and discovered that Strickland, who scored 725 points this year and 1450 during his varsity career, both school records, scored only a grand total of eight points during his seventh grade season.

That was only 717 points less than he was to score as a senior. The leading scorer on that seventh grade team was Clay Bandy, who scored an even 100 points, for an average of 10 points per game.

+++

**SPEAKING OF BASKETBALL**, it was a good year all the way around (Continued on Page 6)

## Blizzard Stalls City; Moisture Is Received

Friona and the surrounding countryside was "snowed in" last Saturday, February 22, when the season's first blizzard hit with a fury, featuring winds of up to 50 miles per hour.

Drifts of four and five feet depths were evident in places. Residents of the Friona Apartments, on the north side, had their automobiles almost covered by a drift that was as tall as the automobiles.

On Sunday, a back-hoe was employed to help dig out the stranded autos.

The storm blew in Friday night, and by daybreak Saturday, three inches of snow had covered the countryside, accompanied by the high wind.

By Saturday noon, travel was practically stymied, as the snow depths reached five inches, and drifts began to pile up.

Locally, the Friona public school's band students cancelled their trip to Lubbock and the UIL solo and ensemble contests.

The Production Credit Assn.'s annual meeting at Plainview was cancelled and will be re-set. Bovina's community auction was postponed for a week.

By Saturday afternoon, all roads leading from Friona were closed. All roads leading to and from Clovis were closed.

Accidents were minimal, considering the severity of the storm. A three-vehicle smashup at Parmer-ton Hill Monday morning hospitalized Stanley Blackburn of Clovis for a short time. Blackburn sustained bruises and contusions on his head.

An official five inches of snow was the measurement in Friona. The official gauge caught only .16 inch of moisture from the blowing snow, as winds kept much of it out of the gauge.

The weekend blizzard, added to the six-inch snowfall of the previous weekend, made a total of 11 inches of

snow for the city during February, which is usually "snow month." Official moisture for the month came to .97 inch, according to City Manager Jake Outland, official recorder.

### TEMPERATURES

Date	Hi-Low
Saturday, February 22	43-19
Sunday, February 23	23-09
Monday, February 24	35-16
Tuesday, February 25	57-25
Wednesday, February 26	52-28
Thursday, February 27	46-28
Friday, February 28	62-28

### FCA STARTS FUND

## Owen Makes Progress; Recovery Period Set

Good reports were coming out of Fort Worth this week on the progress of Bob Owen, who has been hospitalized at St. Joseph's Hospital since suffering a heart attack and coronary arrest on Friday, February 21.

According to his doctor, Owen was said to have sustained damage to the lower part of his heart.

However, the prognosis is for a good recovery. Owen was removed from intensive care on Monday of this week, and was placed in Room 610 at St. Joseph's Hospital. He is expected to remain hospitalized for about another week, and then will go to stay with relatives at nearby Olney for a time before returning to Friona.

Owen's wife Maxine is staying with the Ray DeBords at Hurst, which is outside of Fort Worth. DeBord is a former Friona coach, and is now head basketball coach at Hurst Bell High School.

The Owen children are staying with friends in Friona.

A special fund, to help with Owen's hospital expenses, has been established at Friona State Bank. Deposits may be made to the Fellowship of Christian Athletes' Special Fund. Owen was instrumental in forming the Friona chapter of the FCA.

## Pam Veazey Wins Oratorical Contest

Winners of an expense-paid 12 day tour to Washington, D.C. were named Thursday night in the Medallion Room of Deaf Smith Rural Electric Cooperation in Hereford. They are Pam Veazey of Friona and Timmy Wilhelm of Nazareth. Alternates are Noel White of Friona and Angie Wilhelm of Nazareth.

They were selected from a group of 13 youths competing in an oratorical contest. Subject for their speeches was "Energy vs. Conservation and You." This is the 12th year Deaf Smith REC has sponsored the contest and Government-In-Action Tour.

Representing their towns after competing on the local level were Dirk VanderZee and Deborah Smith of Hereford, Louis Glen Brown and Judy Conn of Vega, Dean Cooper and Gaye Coffman of Farwell, Steve Guest of Bovina, and Kyle Touchstone and Greg Barringer of Dimmitt.

David Pruitt, area development manager for Deaf Smith REC, was director for the contest. He extended a welcome to those attending the contest and introduced the judges. Judging the contest were Buddy Peeler of KPAN Radio, Hereford; Jerry Marvin of Radio Station KDHN, Dimmitt; and Gil Patschke of Radio Station KZOL, Farwell. The judges asked each contestant questions concerning rural electrification.

Pam Veazey, 17, is the daughter of Mr. and Mrs. C.H. Veazey, 1201 5th St., Friona. After winning she said, "I am happy to represent Deaf Smith REC on the tour to Washington, D.C. I feel very strong about the topic we spoke on because it affects each of us and our country as a whole."

Pam is a junior student at Friona High School and gave credit to her speech and drama teacher, Joy Morton, for assisting her with her speech. She is serving as president of Forensics, vice president of Future Teachers of America, secretary of Thespians and president of a youth group at Calvary Baptist Church where she attends church.

Miss Veazey enjoys sewing, working with children, activities at church, debate, and camping in the mountains.

A sophomore at Nazareth High School, Timmy Wilhelm is 16 years old. He is the son of Mr. and Mrs. James Wilhelm of Rt. 2, Happy. He is a member of the Catholic Youth Organization at Holy Family Catholic Church where he is a member, secretary of Boy Scout Troop 265, plays in the high school band and is on the track team. He enjoys riding motorcycles and camping.

Pam and Timmy will join approximately 100 other young people from across Texas on the Government-In-Action Youth Tour to our nation's capital city.

While in Washington, the group will visit many places of interest. Highlights will be a Congressional session with elected Texas officials in Washington and a touring of the Smithsonian Institution.

**SNOWDRIFTS....**This young man was typical of many residents of Friona who had to dig their automobiles out of snowdrifts last weekend. Drifts of up to four and five feet were evident in the area.

## Gas Users Assn. In Plea For Support

Parmer County Irrigation Gas Users, faced with the prospects of the possibility of having natural gas for irrigation limited as the result of a Federal Power Commission (FPC) ruling last December 19, have issued a plea for dues from members and prospective members.

Dues, which are \$2.00 per irrigation well, should be made payable to the association, and mailed to Mike Riethmayer, the new secretary-treasurer of the organization.

Members of the association were apprised of the situation facing irrigation farmers at their annual meeting last Friday night at the Hub Community Building.

The association's attorney, John D. Aiken of Hereford, told the group that time was running short in the group's need to fight the ruling by the FPC. Opponents of the ruling have only until March 19 to voice their protest to the ruling. After that date, unless revoked, the ruling would become binding.

It was reported that farmer groups in California, New Mexico and Arizona are fighting the ruling, which could severely limit the use of

gas for irrigation purposes.

The ruling will in effect change natural gas from a Number 2 priority, under which it was considered a "commercial" user, to a Number 3 priority, which would put gas in a "industrial" category. Industrial usage of gas can be limited more readily than can commercial gas.

Farmers are fearful of what might happen if they get in a position of needing to irrigate their crops in 1975 and their gas be taken away.

It could be a serious problem, not only for the farmers, but for the economy of the High Plains; not to mention threatening the capability of the area's farmers to produce food for the nation.

"We could be bankrupt in no time if this ruling is not reversed," stated a spokesman for the association.

Newly elected president of the Parmer County Gas Users Assn. is Jerry London of Friona. Mike Riethmayer is secretary-treasurer.

Elected as directors for the association from county commissioner's precinct one were Bill Loanman and Floyd Reeve. Harry Hamilton was elected to the board from precinct 2.

## Filing Activity Slow

Moderate activity was evident in two local races this week, with the deadline rapidly approaching for places on the city and school's governing bodies.

Actually, all of the activity was centered in the school race, where seven men had filed. No one has filed as yet for the three spots coming vacant on the city council.

Deadline for filing in both races is Wednesday, March 5. Those interested in the city council race may file at the city hall. Prospective school board members may file at Superintendent Tom Jarboe's office.

In the school board race, where two terms are expiring, one of the incumbents, Ron Smiley, has filed for re-election, and the other, Wesley Barnett, is expected to.

Six men have filed for the one-year unexpired term of Ann Porter.

Those are Norman Kothmann, Charles Hough, Dr. Jon Mack Roden, Floyd S. Reeve, Kenneth McLellan and V.R. Wilcox.

Holdover members of the school board are David Grimsley, Jerry Hinkle, Floyd Schueler and Doyle Elliott.

In the city race, terms of three council members are expiring. The seats are currently being held by Dr. Robert Alexander, Glenn Reeve, Sr. and Martha Bates.

Members of the council with a year remaining on two-year terms are Mayor R.L. Fleming, Troy Young and Jerry Loffin.

City council representatives and the school board members will be elected in a joint city-school election at the Friona Fire Department on Saturday, April 5.

**RECEIVE WINNING PLAQUES....**David Pruitt, area development manager for Deaf Smith REC, is pictured with the winners of an expense-paid 12 day tour to Washington, D.C. Winners are Pam Veazey of Friona and Timmy Wilhelm of Happy. He attends Nazareth High School.

**SPELLING WINNERS....**Pam Perez, right, daughter of Mr. and Mrs. Sam Perez of Friona, was winner of the junior division of the county spelling bee held this week in Bovina. Kipli Fleming, left, daughter of Mr. and Mrs. Ray Dean Fleming, was the runnerup. A Farwell seventh-grader, Michael Boling, won the senior division.

# Friona Flashbacks

...from the files of The Friona Star

**45 YEARS AGO—MARCH 7, 1930**

Nine Friona citizens journeyed to Plainview Wednesday in response to a call of the secretary of the Plainview Board of City Development. The meeting had been called for the purpose of stimulating an interest in railway facilities for the Plains country, as it appears there is a large scope of country between Plainview and Tucumcari, N.M. that has not sufficient railway facilities. Attending from Friona were M.A. Crum, J.M. Osborn, T.J. Crawford, J.J. Horton, F.W. Reeve, O.G. Turner, C.W. Dixon, Clyde Goodwine and John White.

**35 YEARS AGO—MARCH 8, 1930**

T.J. Crawford, one of the leading merchants of the city, departed last Thursday to Mineral Wells upon receiving word of the death of his brother. While enroute there, however, Mr. Crawford had the misfortune of having his car catch fire, and completely burn. As it was the middle of the night, Mr. Crawford was fortunate to have a motorist from Portales, N.M. stop and drive him to his destination.

**30 YEARS AGO—MARCH 9, 1945**

Those in charge of the Parmer County Livestock Show held here last Friday and Saturday express themselves as well satisfied with the results, both in number and quality of livestock. Winners included—Lloyd Rector, in fat pigs, fat litter boars, and pen of three; Wendell Christian, Oklahoma Lane, open gilts; Merrill Rundell, Oklahoma Lane, bred gilts; Raymond Schlabs, sows; John and David Smith, sows and pigs; Dwight Byram, yearling heifer; J.C. Mears, junior yearling heifers; Lloyd Messenger, cows; and Johnny Roberts, bulls.

**25 YEARS AGO—MARCH 3, 1950**

Vera Ann Jones, a Friona High School junior, was crowned Miss Friona of 1950 at the beauty contest and "womanless" style show sponsored by the local American Legion Auxiliary Tuesday night.

Dr. William B. Childress arrives today to be associated with the Parmer County Community Hospital. Dr. Childress is a former classmate and member of the same fraternity as Dr. Paul Spring, with whom he will be associated in practice.

**15 YEARS AGO—MARCH 3, 1960**

With Tommy Lewellen opening the scoring with a field goal early in the initial quarter of play, the Friona Squaws decisively defeated the Abernathy Antelopes in Plainview Tuesday night, by a score of 49-29, to gain a berth in the regional tournament to be held Saturday in Lubbock. The Squaws will face Anson in the first game Saturday morning.

**10 YEARS AGO—MARCH 3, 1965**

A Friona product, Kay Burlison, will reign during the coming year as "Miss Lubbock," as a result of winning the title over 27 other beauties last Saturday night. For the third consecutive year and fourth time in six

## Bookmobile Schedule

The High Plains Bookmobile will be in the rural communities of Parmer County Thursday and Friday of next week, according to Lorene Sooter, librarian.

Stops listed on Thursday include Oklahoma Lane from 9 to 10 a.m., the Rhea Community from 10:45 to 11:45 a.m., and Black from 1:45 to 2:45 p.m.

On Friday, the bookmobile will be at Hub from 9 to 9:50 a.m., at White's Elevator from 10 to 11 a.m., at Lazbuddie from noon until 1 p.m. and at Clay's Corner from 1:15 to 2:15.

The bookmobile will also be at Farwell from 9 to 11:50 a.m. Saturday and Friona No. 2 from 1 to 3:45 p.m.

## Meeting Here To Discuss Sunflower

A meeting for the area's farmers and farm-related people has been scheduled in Friona to discuss the prospects for growing sunflowers, a crop that is expected to make big strides in our area.

The meeting has been scheduled for the Community Center-Showbarn, March 13, beginning at 7:30 p.m.

County Agent Mack Heald, along with authorities on the subject of sunflowers, will be on hand to discuss the various aspects of the crop, including cultivation procedures, insect vulnerability, etc.

Anyone interested in the aspects of growing sunflowers is invited to attend.

## Lunch Menu

**Week of March 3-7**  
**MONDAY**-- smothered steak, mashed potatoes, hot rolls-butter, English peas and milk.

**TUESDAY**--soup, chili and sandwiches, crackers, peanut butter cookies and milk.

**WEDNESDAY**--barbecued weiners, pinto beans, cornbread-butter, potato salad, fruit and milk.

**THURSDAY**-- spaghetti and meat balls, buttered English peas, hot rolls-butter, buttered beets, chocolate cake and milk.

**FRIDAY**--hamburgers, French fries, mustard, catsup, lettuce, tomatoes, pickles, chocolate cookies and milk.

## MBP Gives Sales Report

MBPXL Corporation had sales of \$144,167,000 and earnings after taxes of \$363,000 for the three months ending January 25, 1975, it was announced by David J. La Fleur, President. Based on 1,802,021 shares outstanding, this is equal to \$20 per share.

MBPXL Corporation is the result of the merger of Missouri Beef Packers, Inc. and Kansas Beef Industries, Inc. on September 3, 1974. MBPXL Corporation common stock is traded on the New York Stock Exchange and includes slaughtering and fabricating facilities in Missouri, Kansas, Texas and Idaho, cattle feeding facilities in Kansas and a distribution center in Philadelphia.

years, the Friona High School Squaws have fought to the regional semi-finals in basketball. The Squaws downed Slaton in bi-district Tuesday 55-34.

**5 YEARS AGO—MARCH 5, 1970**

A.T. (Buddy) Stowers was injured last Friday when the pickup which he was driving went out of control and crashed into a parked pickup in front of Lewellen Construction Co. on the eastern edge of the city. The Stowers vehicle left the road at about the intersection with the Cemetery Road. It knocked down a sign in front of Kelley Radiator Shop and then struck a vehicle owned by Grady King, parked in front of the construction company.

# helping out

Agriculture and related industries are major users of petroleum in the United States of America. And, in view of world food needs, agriculture's fuel needs will be even greater in years to come. Our country's requirements for agricultural fuel have increased four times since the 1930's.

Your local double-circle Co-op and Farmland Industries realized from the very first that agriculture was a priority fuel user and, for 45 years, they have been working for and with farmers and ranchers to supply petroleum product when and where it is needed by agriculture.

Because we know by working together cooperatively, we can endure our nation's current energy problems and help find solutions for the future.

With this in mind, we offer some fuel saving ideas to help you make your CO-OP fuels go a little farther:

**FUEL TIPS OF THE MONTH**

1. *Run in the highest gear possible.* Running your tractor in the highest gear possible at the lowest throttle for load saves fuel. Please refer to your owner's manual for power curves as lugging is dangerous to the life of your equipment's engine.

2. *Change oil regularly.* A clean engine properly lubricated means less friction to deliver more power at a lower fuel consumption rate. Oil does not wear out; it is contamination of dirt, dust and water in your engine that will slow down and create engine wear.

3. *Keep your implements sharp.* Sharp implements which are properly adjusted and lubricated require less power and energy to operate and can contribute to a fuel savings in your operation.

# WITH Jerry Hinkle PEOPLE COME FIRST

This week The Friona State Bank is featuring Jerry Hinkle who has been with the firm for 15 years. Jerry serves as Vice President and deals mostly with farming, cattle and commercial loans. Jerry and his wife, Lucy Beth, have two children, Brent, age 8, and Wendy, age 6. The family is active in the First Baptist Church and Mrs. Hinkle serves as the church pianist. Jerry is also active in civic organizations around town, having served as 3rd vice president of the Evening Lions Club, treasurer of the Chamber of Commerce and as a member of the school board. Jerry and his family enjoy all types of outdoor activities together in their leisure time. The Bank is proud to give a pat on the back this week to this fine civic-minded worker. Remember, at Friona State Bank "People Always Come First."

Putting People First makes you Number ONE with us and that's pretty important to all concerned.

NEW POSTMASTER....Mrs. Charleta J. Treider, left, was sworn in as the new Postmaster at Lazbuddie last Friday. At the right is Mrs. Mae Davis, the retiring Postmaster. C.T. Davis, center, the sectional center manager from Amarillo, officiated.

## Sorghum, Corn Are Conference Topic

The nutritional value of grain sorghum versus corn will be the topic of discussion during the March 6 session of the ninth biennial Grain Sorghum Research and Utilization Conference in Lubbock, Texas.

Participating in the panel discussion will be leading nutritionists from throughout the state including Dr. L.S. Pope, serving as moderator, Dr. T.D. Tanksley Jr., swine specialist, Dr. Lloyd Sherrod, cattle specialist and Dr. James Osborn, economist.

Sponsored by Grain Sorghum Producers Association and Texas Grain Sorghum Producers Board, the two-day research conference opens at 4 p.m. March 4 and will conclude at noon March 6 with an awards luncheon. All activities will be conducted at South Park Inn on Loop 289. More than 300 plant scientists and animal nutritionists are expected to attend.

A.W. "Dub" Anthony, Jr. of Friona, president of Grain Sorghum Producers Association, will serve as general chairman of the March 6 activities. C.C. "Pap" Reed of Kress, Texas, chairman of the Texas Grain Sorghum Producers Board, will serve as chairman of the March 5 activities which include discussions on exports and the foreign livestock industry, as well as grain sorghum physiology.

The Plains Nutrition Council and the Sorghum Improvement Committee of North America will conduct their meetings in conjunction with the two-day conference.

GSPA will conduct its annual business meeting following adjournment of the conference March 6. Highlight of the GSPA meeting will be a talk by Glenn Weir of Washington, D.C., associate administrator of the USDA's Agricultural Stabilization and Conservation Service.

## Co-op To Hold Annual Meet

The annual meeting of the membership of the West Texas Rural Telephone Cooperative, Inc. is scheduled for March 13 at the Hereford Community Center at 7 p.m. A meal is planned for the member and family at 7 p.m. The business session will be held after the meal.

The terms for directors on the Frio and Oklahoma Lane exchange will be expiring. Two new directors (exchange representation) will be added this year, their exchanges are Milo Center and Summerfield. Door prizes will also be given.

Directors whose terms are expiring are George L. Olson, Frio, and Billy Mayfield, Oklahoma Lane. Holdover directors are Robert R. Strain, Dawn, Ernest Brown, Westway, James W. Dixon, Parmer, Jimmie Cockerham, Tharp, and Charles Myers Jr., Hub. Two new directors will be presented for exchanges of Milo Center and Summerfield at the meeting. With the adding of the new exchange, the Cooperative will have nine directors representing all of the exchanges of the Cooperative's area.

## On The Farm In Parmer County MACK HEALD County Agent

WITH THE PRESENT moisture, good stands, and anticipated market price for grain, the amount of nitrogen to topdress is an important decision. Evidence available would support the conclusion that topdressing phosphorus and potassium is of little value this late in the season.

Both the rate of nitrogen and time of application are important in obtaining satisfactory results. The rate of nitrogen to use must take into account (1) fertilization to date, (2) yield potential as affected by stand, soil moisture, grazing, and any other condition that can be expected to limit grain production. Generally, 30 to 60 pounds of actual nitrogen per acre should be considered for grain, using the low rate where nitrogen was applied last fall and no grazing, and the high rate where fall and winter grazing has been practiced. If the grain looks pale green and shows evidence of low nitrogen and the prospects look good, a higher rate may be preferable.

For maximum benefits from topdressing, nitrogen should be applied before tillering. Research data show that one way nitrogen increases grain yields is through increased tillering, hence seed heads. Most nitrogen fertilizers are suitable for topdressing, but it is especially important that the application is evenly applied. Under today's nitrogen cost and grain value, streaking is costly.

Where solutions are used, it is preferable to dribble or use methods that put the fertilizer in contact with the soil, rather than on the leaves.

Fact Darling, this cake is delicious. Did you buy it yourself?

## Services Held For Frionan's Daughter

Funeral services for Mrs. Carmel Lee Morgan, 54, were conducted on Sunday, February 23 in Houston. Graveside rites were held Monday, February 24 in Shamrock, Texas.

Mrs. Morgan died Thursday, February 20 in Houston.

She was the daughter of J.T. and Florence Guinn and grew up in the Messenger Community. Following her graduation from West Texas State University and the University of Houston, she taught school in Houston for the past 27 years.

Survivors include her husband, Brian of Houston; her father, J.T. Guinn, Hereford; two sisters, Mrs. Jim Skidmore of Shamrock and Mrs. Dorothy Blackwell, Houston; and one brother, James T. Guinn, Jr. of Whitedeer.

Regardless of what you think, character is still the best security for a loan.

## Helps Shrink Swelling Of Hemorrhoidal Tissues

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H®. No prescription is needed for Preparation H Ointment or suppositories.

## Frionans Attend SBA Conference

Don Gatlin and Fidel Madrid of Friona, have just returned from a two-day "Government Assistance to Small Business Conference," Tuesday and Wednesday, February 18-19, at the Fairmont Hotel in Dallas.

The Conference offered straight, open and candid information on the many opportunities available to the small business man and women through the fifteen participating agencies.

The working Conference, which was sponsored by the Small Business Administration in cooperation with fourteen other federal agencies was designed to help the small entrepreneurs in the five state area of Texas, Louisiana, Arkansas, New

Mexico and Oklahoma.

In addition to SBA, other federal agencies involved in the Conference were the Departments of Commerce, Defense, Housing & Urban Development, Justice, Labor, Environmental Protection Agency, Federal Energy Administration, Farmers Home Administration, Bureau of Census, Office of Minority Business Enterprise, Internal Revenue Service, General Services Administration, Overseas Private Investment Corporation and Health, Education & Welfare.

Conference highlights included exhibits, luncheons and "how-to-do-it" seminars conducted by the participating agencies, concerning such issues as tax problems, Occupational Safety & Health Loans, finding skilled employees, how to increase fuel allotments and cut soaring fuel costs, how to sell to the federal government, how spill prevention and sewage treatment programs affect individual businesses, how to get into the export business, how to become a Department of Defense supplier, how to get an SBA loan and procurement and management assistance.

### PUBLIC HEARING NOTICE

The City of Friona, P.O. Box 595, Friona, Texas 79035, has applied under the provisions of Article 4477-7, Vernon's Texas Civil Statutes, to the Texas State Department of Health for a permit to operate a 40 acre Type II solid waste disposal site to be located approximately 1.5 miles southwest of the intersection of Fifth Street and U.S. Highway 60 in Parmer County. The proposed site is situated at the following geographic coordinates: 34 degrees 37.50 minutes North, and 102 degrees 45.00 minutes West. Disposal of municipal solid waste will be an average of five tons per day. A public hearing on this application will be held in the

Friona City Hall Friona, Parmer County, Texas 79035 1:30 P.M. - Thursday, March 20, 1975

to receive evidence on the conditions, if any, under which the permit may be issued.

Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the application, if available, can be obtained by writing the Texas State Department of Health, 1100 West 49th Street, Austin, Texas 78756.

It will be extremely helpful to the Department if persons desiring to comment on the granting of this permit will file written statements with the Department and with the applicant at least five (5) days prior to the hearing date noted above. Information presented should be based upon facts and data related directly to the effects of the proposed solid waste site. These requests are in no way intended to limit participation in the public hearing called by this notice. Anyone who wishes to appear and make a presentation at the public hearing will be heard.

The Hearing Examiner will prepare a written report to the Commissioner of Health for a decision on the application. Information on procedures for making exceptions to the findings and recommendations in the Examiner's report will be furnished upon request. The Hearing Examiner may continue the hearing on this application from time to time and from place to place as may be necessary to develop data and information material to this application.

Issued this 24th day of February, 1975.

J.E. PEAVY, M.D. Commissioner of Health

BY: G.R. Herzik, Jr., P.E., Deputy Commissioner Environmental and Consumer Health Protection 21-ltc

### BELTS RETURN as fashion accessories for spring wardrobes this year.

With the big look in dresses and sportswear, belts provide the more fitted, flattering look U.S. consumers like.

Wide belts such as the obi, narrow belts, leather belts and fabric covered buckle belts are among the most popular spring collections.

Along with the natural fiber look in fashion goes the "natural look" for belts—in cotton, hemp, linen, wood and straw.

And while you are thinking about spring fashion, come and join us in Friona on March 13th at the Community Building and pick up some tips on how to sew your own at the "Sew & Save Fair." We'll have three major 40 minute presentations between 10 a.m. and noon which will be repeated again between 2 p.m. and 4 p.m. Along with these we will have displays of fabrics, notions and sewing equipment by area merchants and new literature from the Extension Office. Come on and join us, the public is invited.

### PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION APRIL 22, 1975

**NUMBER ONE ON THE BALLOT (S.J.R. No. 3)**

Repealing Sections 48a, 48b, 51e, and 51f of Article III and Sections 62 and 63 of Article XVI of the Texas Constitution, Article XVI of the Texas Constitution is amended to:

Provide for the revision and consolidation of provisions relating to state and local retirement systems and programs and to provide that all general laws that have established retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this constitutional amendment will remain in effect, subject to the general powers of the Legislature.

Provide that the amount a participating officer or employee contributes to the employee retirement system or the teacher retirement system shall be established by the Legislature but may not be less than 6% of current compensation and providing further that the amount contributed by the state may not be less than 6 nor more than 10% of the aggregate compensation paid to participating persons, except that in an emergency, as determined by the Governor, the Legislature may contribute more than 10% of the aggregate compensation paid to persons participating in state retirement systems.

Provide that the Legislature shall provide for local retirement systems created by any city or county for its officers and employees and shall further provide for a state-wide system of benefits for officers and employees of counties or other political subdivisions of the State which may voluntarily participate, and

to further provide that a state-wide system of benefits shall be provided for officers and employees of cities which may voluntarily participate.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising and consolidating provisions relating to state and local retirement systems and programs and providing for a maximum state contribution to state systems of 10 percent of the aggregate compensation paid to individuals."

**NUMBER TWO ON THE BALLOT (H.J.R. No. 6)**

Amending Article III, Section 24 of the Texas Constitution to:

Provide an increase in salary for members of the Legislature from \$400 per month to \$600 per month.

Provide an increase in the per diem rate for members of the Legislature from \$12 to \$30 for each day during each Regular and Special Session of the Legislature.

Provide an increase in the transportation allowance for members from \$10 per mile to the rate prescribed by law for employees of the State of Texas.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment setting the salaries of members of the legislature at \$600 per month and setting a per diem of \$30 per day during legislative sessions and a mileage allowance at the same rate provided by law for state employees."

# Records Take Beating From '74-'75 Chiefs

The 1974-75 Friona Chieftain basketball team set a new school record in just about every category you can bring up.

The team won the most games for a single season—29. Their winning percentage, .878 (29-4) is the best ever.

The Chieftains also were the highest scoring quintet in the history of the school, scoring at a 73.5-points per game clip. They scored 3.3 points per outing more than the 1973-74 team, and 1.7 points per game more than the 1971-72 team, which had held the scoring record.

Senior forward Gene Strickland set a new one-season individual scoring record by pushing home 725 points for the season just concluded, a sparkling 22.0 point-per-game scoring average. Gene became the first Chieftain ever to average as much as 20 points for the entire season.

Teammate Dale Cleveland also broke the old one-season mark by chipping in 575 points, for a 17.4 point-per-game record.

The twosome became the first in FHS basketball history to score more than 500 points each in two separate seasons.

David Hutson was a third member of the team averaging in double figures for the season. Hutson, who came through for the team with some big scoring toward the end of the season, tallied 404 points for the season, a 12.2-point scoring average. He averaged 15 points per game in district play.

In field goal shooting percentages, Dusty Peters edged out Cleveland by three percentage points, .508 to .505, although Dale had more than twice as many attempts, 491 to 181. It was the second time for Cleveland to hit over 50 per cent of his field shots for a season.

Hutson shot a .478 percentage, and Strickland, who was above the .500 mark much of the season, finished at .471. All are considered excellent shooting averages. As a team, the Chiefs shot a fantastic .463 for the entire season, and this was 41 points above the average compiled by last year's team.

David Clark and Clay Bandy also made better than 40 per cent of their field goal shots.

The team also improved its free throw shooting somewhat this season, paced by Clark's .750 percentage on 30 of 40 attempts.

David Hutson made 68.8 per cent of his free shot attempts—22 of 32, and Strickland made 63.8 per cent of his, 81 of 127. Sophomore Mark Neill hit on 84.3 per cent, making 18 of 28.

Cleveland was the team's rebounding leader for a record third year, with 508 rebounds for an average of 15.4 per game. Dale had 1,005 rebounds the past two years, and a total of 1,315 for his varsity career, an average of 13.8 per game for three years.

GENE STRICKLAND Senior Forward

DALE CLEVELAND Senior Center

Strickland's 725 points gave the 6-3 senior the all-time scoring leadership at Friona High School by the bare majority of 16 points over Cleveland.

After three varsity seasons, Strickland scored 1,450 points, to 1,434 for Cleveland. Both players passed the former leader, Johnny Bandy, who scored 1,228 points during the 1971, 1972 and 1973 seasons.

These are the only three players, at least in recent history, to have scored over 1,000 points in a varsity career.

Cleveland is the only player listed in the record book to score over 1,000 points and pull down over 1,000 rebounds in a varsity career. Dale had 1,102 points and 1,005 rebounds the past two years, and 1,434 points and 1,315 rebounds for three years.

Two other individual game records were set by the two stars this season. Strickland scored 39 points against Farwell for a single game scoring record, and Cleveland pulled down 31 rebounds against Childress, a one-game record in that department. Dale's scoring record was 35 points against Tullia.

## Little Dribblers Kick Off Season

Friona's Little Dribblers began its seventh season this week, with ten teams playing in two divisions.

Six teams of fifth and sixth graders make up the Major League. The teams are the Lakers, Bullets, Hawks, Suns, Bucks and Knicks.

Four teams of younger players make up the Minor League. They are the Rockets, Pacers, Stars and Nets.

Kenneth Neill is director of the program. Friona High School athletes are serving as coaches in the program, which runs through March 27.

Three sessions are held each week, on Monday, Tuesday and Thursday. The schedule lasts five weeks. Three games are played on game days, beginning at 6 p.m. at the grade school gym.

Here is the schedule, and the team rosters for the 1975 program:

### SCHEDULE

March 3—Stars vs Nets, 6 p.m.; Knicks vs Bullets, 7 p.m.; Lakers vs Suns, 8 p.m.

March 4—Rockets vs Nets, 6 p.m.; Hawks vs Bucks, 7 p.m.; Knicks vs Lakers, 8 p.m.

March 6—Stars vs Pacers, 6 p.m.; Hawks vs Bullets, 7 p.m.; Bucks vs Suns, 8 p.m.

March 10—Rockets vs Stars, 6 p.m.; Knicks vs Hawks, 7 p.m.; Bucks vs Lakers, 8 p.m.

March 11—Pacers vs Nets, 6 p.m.; Suns vs Bullets, 7 p.m.; Knicks vs Bucks, 8 p.m.

March 13—Rockets vs Pacers, 6 p.m.; Hawks vs Suns, 7 p.m.; Lakers vs Bullets, 8 p.m.

March 17—Nets vs Stars, 6 p.m.; Suns vs Knicks, 7 p.m.; Bucks vs Bullets, 8 p.m.

March 18—Nets vs Rockets, 6 p.m.; Hawks vs Lakers, 7 p.m.; Bullets vs Knicks, 8 p.m.

March 20—Pacers vs Stars, 6 p.m.; Suns vs Lakers, 7 p.m.; Bucks vs Hawks, 8 p.m.

March 24—Stars vs Rockets, 6 p.m.; Lakers vs Knicks, 7 p.m.; Bullets vs Hawks, 8 p.m.

March 25—Nets vs Pacers, 6 p.m.; Suns vs Bucks, 7 p.m.; Hawks vs Knicks, 8 p.m.

March 27—Pacers vs Rockets, 6 p.m.; Lakers vs Bucks, 7 p.m.; Bullets vs Suns, 8 p.m.

**STARS**—Mark Montoya, Brian Edelman, Randy Ortiz, Mike Chaney, Travis Johnson, Bobby

## Star Lites...

(Continued from Page 1)

in the sport at Friona High School this season. Not only did the Chieftains post their best-ever won-lost record, but all six high school teams posted winning records.

The junior varsity boys won 18 and lost seven. The freshman boys were 8-6. That left the three boys teams with combined records of 55 wins, 17 defeats, a winning percentage of .774.

The Squaws, who raised some eyebrows by forcing Olton into a playoff for the district title, were 18-14 for the year. The junior varsity Squaws, probably the most improved team at Friona, won ten games in a row to finish 15-7, and the Freshman Squaws were 14-5. That gave girls teams a combined 47-26 record, a .643 percentage.

Overall, the six teams won 102 games and lost 43, a fine .713 winning average.

And it looks like the winning habit is here to stay.

## Limited Sales Announced For All-Sports Fete

The first stage of ticket sales will begin Monday for the Friona High School All-Sports Banquet scheduled for Tuesday, March 18.

Grant Teaff, head football coach at Baylor University, and the national Coach of the Year, will be the featured speaker.

Beginning Monday, tickets will be made available to athletes' parents, high school personnel and high school students who are not in athletics.

Then, beginning March 10, tickets will go on sale to the general public at local business places.

Ticket prices are \$6.00 per person.

Armstrong, Pilo Castillo, David Hough, Roger Sells, Mears, Church, coaches.

**PACERS**—Bruce Patterson, Scott McMillan, Hector Castillo, Mike Deaton, Don Robinson, Jeff Lundy, Mike Forester, Joe Ortega, Jon Paul Westbrook, L. Martin, Kothmann, coaches.

**NETS**—Mike Neill, Jay Hight, Terry Petchinsky, Carl Jackson, Jamie Pena, Vonya Tongate, Harold Ball, Shain Rhodes, Richard Malouf, Murphree, Bandy, coaches.

### REASON FOR SALE

721 Main Street has been a variety store for more than seven years. With the economy as it is today, it is with regret that we must liquidate our entire stock and close the doors. We have drastically cut the price of every item in the store. Our loss is your gain. We invite our many friends and fine folks of this county to come in and take advantage of our quitting business sale.

Thank you,  
Kenneth Williams

## Sew Fair Scheduled In County March 13

A home economist, a sewing pattern company representative and a clothing specialist will present a two-hour "Sew and Save" Sew Fair Thursday, March 13, at the Parmer County Showbarn in Friona.

A cooperative effort of County Extension Service Agents from 11 counties, Sew Fairs will also be held at Dumas and Amarillo prior to the Friona event.

The event will be staged from 10 a.m. until noon and repeated from 2 to 4 p.m. at the showbarn, according to Jana Pronger, Parmer County Extension Service Agent. Miss Pronger is coordinating the cooperative effort for Parmer, Deaf Smith, Castro and Bailey counties.

There will be no admission cost for the Sew Fair and everyone in the four-county area is invited to attend, Miss Pronger says. Also featured at the Parmer County event will be displays of fabrics, sewing notions and sewing machines by area merchants.

Speaking at the Sew Fair will be Sally Olson, traveling educational representative for Butterick Fashion Marketing Co. in New York City; Marsha Fredrickson, home economist for White Sewing Machine Co. in Cleveland, Ohio; and Becky Culp, clothing specialist for the Texas Agricultural Extension Service in Amarillo.

## Donors Sought

Governor Dolph Briscoe has proclaimed March Eye Bank Month in Texas, and added: "The Eye Banks of our State—as exemplified by the Lions Hi-Plains Eye Bank of District 2-T1, Inc. that serves the Panhandle area—have done much to help combat the problems of sight in Texas by research and assistance in eye surgery."

To the thousands of blind individuals in America today, the best thing that life could offer is the ability to see again. "Would you mind, if after your death, your eyes were used to give some totally blind person the precious gift of sight.... making it possible for one or more persons to emerge from constant darkness?" comments a spokesman for the local Lions Club.

The gift is made possible by the 72 Lions Clubs in the Panhandle of Texas by the organization of the Lions Hi-Plains Eye Bank of District 2-T1, Inc. Not a drive for financial donations, the eye bank is sponsored and supported by the Lions Clubs in the Panhandle. The drive is inaugurated by the eye bank to obtain eye donors so that physicians may be provided with the needed eye tissue to restore vision through corneal transplant surgery.

The quality of the donor's vision makes no difference. If the cornea, sclera and vitreous are not diseased, the tissue can be used. Actually, six people can be helped by one pair of eyes, they commented. Two corneal transplants can be performed, two sclera (white part of the eye) can be utilized for ruptures, and vitreous (fluid in the eye) can be used for two vitreous implants.

## Sale Set Saturday

The second annual community consignment sale, originally scheduled for this past Saturday, has been re-set at 1 p.m. Saturday, according to Joe Jones, chairman of the sale committee. The event is sponsored by the Bovina Jaycees.

Blizzard conditions this past sale date forced postponement of the event.

The sale will be at Bovina Ginyard with Bartlett and Potts Auction Service of Bovina calling the sale.

Jones reminds residents of the community they may bring items to the ginyard the day of the sale. "We want to make this a big, community-wide event, so we would appreciate any and all items you would care to sell," he said this week.

SNOW FUN....Rodney Allen and Lisa Coffman are shown having a snowball fight, a sport area youngsters got to engage in considerably during February when 11 inches fell locally.

## Plans Made For Society Dinner

St. Teresa's Ladies Society met Thursday, February 20 after the evening liturgy in the Parish Hall.

Angelia Bermea, president, conducted the meeting. Helen Fangman gave the names of the Golden Age Citizens having birthdays or anniversaries during the month of March.

Mary Lou Venhaus gave a report on vacuum cleaners. The society will purchase a new cleaner.

A thank you note to the society from Gristown was read. Final plans were made for the Mexican dinner. Serving time will begin at 11:30 a.m. and continue until 2 p.m. Adults will be charged \$2.00 with

### Guest Presents

#### Club Program

Friona's Home Arts Club met in the Community Room of Friona State Bank on Thursday, February 20.

Fifteen members and one guest enjoyed a covered dish luncheon.

Eula Mae Madole, a representative from Farmers Electric, Clovis, New Mexico, gave a demonstration on making wall plaques from aluminum foil and glass stain. Club members worked on this project, then visited and shared other crafts in the afternoon.

children under twelve, \$1.50. Door prizes will be given.

The ladies of the parish are asked to help clean the hall March 13 at 1 p.m. Each lady is to bring a book of stamps to purchase the door prizes. Tamales will be made Thursday, February 27 at 4 p.m. Each lady is to bring a cake or two pies for the dinner.

Irene Bermea and Sylvia Roth will collect money for Easter flowers on March 23 after the 10:30 mass, and order the flowers.

Cleaners for the month of March are Angelia Bermea and Helen Perez. Hostesses for March will be Sylvia Roth and Helen Perez.

Father John Coppinger expressed the need of a challenge for the church.

Refreshments were served Father John Coppinger, a visitor, Feliza Crutchfield, and members, Angelia Bermea, Evelyn Ball, Hortencia Bermea, Irene Bermea, Matilda Caballero, Olivia Ortiz, Susie Perez, Sylvia Roth and Helen Fangman by the hostesses, Toni Castillo and Ann Mesza.

HELPING TEXAS GROW!

COMFORTING THE CAT...Mollie the burro (left), played by Patricia Bartz of Santa Rosa, tries to comfort Contessa the cat who is lost and afraid. Contessa is portrayed by Barbara Purdy of Roswell. Eastern New Mexico University will present their Children's Theatre Tour of "Sacramento Fifty Miles" this Tuesday, March 4, to the Friona Public Schools and Progressive Study Club. The production will begin at 9:30 a.m. and 2 p.m.

## Children's Theatre To Present Play

The Children's Theatre from Eastern New Mexico University will present their play "Sacramento Fifty Miles" in Friona on Tuesday, March 4 in the Junior High School auditorium. The play will be presented to grade school students at 9:30 a.m. and Junior High students at 2 p.m.

Friona's Progressive Study Club is sponsoring the play. "Sacramento Fifty Miles" by Eleanor and Ray Harder, is a

musical play based on The Brentown Musicians.

Two gold prospectors give up panning for gold when they have the chance to steal a bag of nuggets. They plan to dump all their old possessions into the ravine, including their faithful old dog Darby and their reliable old burro Molly. Darby and Molly overhear this plot and decide to escape.

Singing the beauties of Sacramento, where the streets are gold and the good life abounds, they set their course for this paradise, and are joined along the way by a fiery Spanish cat and a dandified Southern rooster, who have reasons of their own for seeking such a haven. They never reach Sacramento, but they learn to use their combined talents to earn a home of their own, and to make a harmonious band.

Sponsored by the Department of Theatre of Eastern New Mexico University, the Children's Theatre was created for the purpose of providing wholesome entertainment and education for the public schools as well as presenting educational opportunities in theatre for those presenting the plays.

Children's theatrical entertainment is a vital and important part of the intellectual and emotional development of America's young citizens. Children's Theatre has been presented annually for the past twenty years to thousands of New Mexico and Texas children.

### Square Dancers

#### Entertain Club

Progressive Study Club members met Tuesday, February 25 at 8 p.m. for a program on "Patriotism."

The Buttons & Bows Square Dance Club, led by Stuart Rowan, the caller from Hereford, entertained the group with several dances.

The program, "The Fate of the Signers of the Declaration of Independence," was presented by Maxine Loafman.

Refreshments were served by Wahleah Beck and Vickie Bell to members and Mrs. Mary Echols, guest.

VIKKI YOUNG, Deville senior majoring in health and physical education at Northwestern State University, Natchitoches, Louisiana, was installed as president of Panhellenic Council, where she represents Phi Mu sorority. Her parents are Mr. and Mrs. Billy M. Young of Deville, Louisiana, and is the granddaughter of Mrs. Lillie Taylor of Friona.

## Members Participate In Annual Convention

Members of Friona's three women's study clubs will participate in the 15th annual convention of Caprock District, Texas Federation of Women's Clubs, March 14-15 at the Hilton Inn in Lubbock.

Presidents of the three clubs are Mrs. Glen Reeve, Sr., Modern Study Club; Mrs. Jimmy Mabry, Progressive Study Club; and Mrs. John Bengner, Friona Woman's Club. Mrs. Reeve will lead the group in the Pledge of Allegiance to the Flag and the salute to the Texas Flag.

Mrs. Harold Green of Tahoka is president of the 66-club district and will conduct the two-day convention. Theme will be "I Hear America Singing."

Mmes. Reeve, Mabry and Bengner

will be recognized with other club presidents at the awards banquet Friday night. Featured speaker will be Dr. B.J. Humble, Vice President for Academic Affairs at Abilene Christian College.

Also on the program at the awards banquet will be Mrs. N.R. Miller of Friona, who will present the poet laureate winners for general clubs in the district. Mrs. C.W. Dixon of Friona, chairman of subscriptions for the district, will report to the convention body Friday afternoon.

More than 350 women from the district are expected for the convention. Highlight will be presentation of awards for programs of work carried out during the 1974-75 club year.

ATTEND CONFERENCE...Four Parmer County residents were among luncheon guests at the 17th Annual County Judges and Commissioners Conference last week in College Station. They were, from left, Mrs. Tom Lewellen of Friona, Mrs. Cecil Atchley of Lariat, Mrs. Paul Fortenberry of Friona and Mrs. Jimmy Briggs of Lazbuddie.

# Local Girls Attend Area FHA Meeting

Representatives from 195 local chapters of Future Homemakers of America and Home Economics Related occupations will convene in Lubbock February 28 and March 1 on the Texas Tech University campus for their annual meeting according to Mrs. Ima Dora Haile, Area Advisor from the Texas Education Agency.

A banquet, reception, election of new officers at the Texas Tech University Center, and a talent show in the Lubbock Auditorium will

highlight the Friday evening activities.

The convention has as its theme, "Involvement Begins With Me." A reception will be held at 6:30 p.m. to honor members that have earned any level of Encounter growth for individual accomplishment during the year. Approximately 1,000 are expected.

Dani Reinstein, Area I President from Coronado High School, Lubbock, will preside at the meeting

of the delegates. Sheila Hill, Area I Parliamentarian, Amarillo High School, will direct the interviews of the officer-candidates and the balloting by local chapter delegates.

Janice Peak, a sophomore in Friona High School is a candidate for second vice president. She is the daughter of Mr. and Mrs. Alton Peak of Friona.

Area I is composed of all schools from 38 counties of the Panhandle and South Plains of Texas. It boasts 195 chapters and 7,000 members. Members are in two categories—those from regular vocational homemaking programs and those from the cooperative part time and pre-employment laboratory courses.

A breakfast for area officers, outgoing and incoming, at the University Center of Texas Tech, will kick off the final day's activities. The Lubbock auditorium will be the site for the two general sessions.

The area officers will host a luncheon in the University Center at noon for their school administrators and advisors in recognition of their contributions to the FHA organization.

The meeting will conclude following the installation of new officers by Jini La Roe, State Historian from Happy High School.

FHA girls attending from Friona in the three Encounter Levels are:

Level I: Randa Allen, Sharla Benge, Lisa Buchanan, Marsha Carlan, Rhonda Parsons, Linda Saiz, Gigi Spring, LaDonna Sprouse, Dena Vera, Jerri Walter, Marie Morrison, Donna Campbell and Delores Flores.

Also, Vivian Carrasco, Cindy Cleveland, Victoria Escobedo, Reva Kelley, Faith Mays, Connie Merrell, Maria Mejia, Mindy Moseley, Paige Osborn, Becky Powell, Mary Walker, Diana Caballero and Aurora Carrasco.

Also, Patti Cole, Rolanda Hudson, Kathy Martin, Lupe Mendoza, Shirley Milloy, Linda Nelson, Debbie Parker, Barbara Rhodes, Deann Shipp, Cindy Smiley, Diane Westbrook, Holly White and Robin Zetzsche.

Second Level: Martha Castillo.  
Third Level: Leesa Mercer, Janice Peak, Linda Anthony and Melodi Dixon.

BAND PERFORMS....Band director Charles Faulkner is shown directing the Friona High School Band during the Friona Public Schools Band concert here Tuesday.

## Friona Bands Presented

### In Concert February 25

The Friona Public Schools bands were presented in concert here Monday at the junior high school auditorium.

Five bands, under the direction of Charles Faulkner and James Andrews, were featured. Selections were as follows:

Fifth Grade Band—"Marching to Pretoria," and "Camptown Races."

Sixth Grade Band—"Castles In Spain," "Lullaby For Band," and "Our Director."

Third Period Jr. High Band—"The

Electric Sandbox," "Festive Overture," and "Hoedown."

Fifth Period Jr. High Band—"He's Got The Whole World In His Hands," "Beau Galant," and "Overture: Disones," an original arrangement by James Andrews, a premier performance.

High School Band—"El Alamo," "Overture For Winds," and "Chant and Jubilo."

Band members making all-regional and all-state ratings were recognized during the program.

Band members will compete in a contest at Dimmitt in March.

### Deaf Choir To Present Program

The Deaf Choir from the First Baptist Church of Amarillo will present a program at Friona's First Baptist Church on Wednesday, March 5 at 7:30 p.m.

There will be an interpreter present. The public is invited to attend this unique program.

SANDI FULKS was selected the Distributive Education class' "Student of the Week" for the past week. Sandi, a senior at Friona High School, is employed by Mademoiselle Beauty Salon, and is shown with her employer and training sponsor, Mildred Rule.

**CLASS FAVORITES....**Students at Friona High School elected their class favorites in elections recently. In the back row are left to right seniors Amal Malouf and David Clark; Bob Clark (junior) and John Jarecki (freshman). Front—James Whiteside and Sherri Rector, sophomores; Jerri Benge (junior) and Sylvia Malouf (freshman).

## Class Nominees Given For Yearbook Honors

Nominees for Most Handsome and Most Beautiful at Friona High School were announced this week.

Each class selected a most handsome and most beautiful nominee. Pictures of the nominees are to be sent to an impartial judge, who will select the winners for 1975. The winners will be announced at the awards assembly at Friona High School this spring.

Those nominated, to be pictured in the 1975 Chieftain yearbook, were: seniors—Johnnie Walters and David

Hutson; juniors—Jimmy Murphree and Tamela Hassenpflug; sophomores—Mary Schilling and Larry Broyles; freshmen—John Jarecki and Rhonda Parsons.

The previous week, class favorites were announced. They were: seniors—Amal Malouf and David Clark; juniors—Jerri Benge and Bob Clark; sophomores—Sherri Rector and James Whiteside; freshmen—Sylvia Malouf and John Jarecki.

## Maddox Elected PCTA President

Cecil Maddox, Friona Junior High School principal, was elected president of the Parmer County Teachers Association at its February meeting recently in the Bovina Schools cafeteria.

Other officers elected included Delores Vaughn of Farwell, vice president; Mickey Griffin of Friona, secretary; and Mrs. Phyllis Steelman of Bovina, treasurer.

Discussed at the meeting was the current unification proposal of the

Texas State Teachers Association and the upcoming appearance of Art Linkletter in Friona.

Bruce Kimmell, TSTA representative, presented a program on that organization's unification with the National Educational Association.

Announcement was made that Linkletter, nationally famous TV personality, will speak in Friona on April 7 at the annual Friona Parent-Teacher Organization's "Teacher Appreciation Night."

## Friona Girl Wins Jr. Spelling Bee

Michael Boling, a seventh grade student at Farwell Junior High, won out over contestants from two other county schools Tuesday morning in the Parmer County Spelling Bee held at Bovina Schools auditorium. Boling was the junior division champion last year.

Eight other contestants from Bovina and Farwell were entered in the senior division. Radney Robertson, an eighth grade student at Farwell Junior High, was the runner-up in the match.

Winning the junior division of the county match was Pam Perez, a sixth grade student at Friona Junior High. Eight other contestants competed in the junior division. Runner-up in that division was Kipi Fleming, a sixth grade student at Friona Junior High.

Boling, son of Mr. and Mrs. Bill Boling of Farwell, survived 105 rounds and 328 words to win the event, one of the largest spell-downs in recent years. He won on the words, apogee and apollo. "The last two contestants were head and head before apogee was missed," said Jim Noyes, Bovina Junior High principal and director of the match.

Miss Perez won out over the other eight contestants in the junior division in 27 rounds and 127 words. She won on the words, jeer and jewel. Miss Perez is the daughter of Mr. and Mrs. Sam Perez of Friona.

Robertson's parents are Mr. and Mrs. Raymond Robertson of

Farwell. Fleming's parents are Mr. and Mrs. Ray Dean Fleming of Friona.

Contestants in the senior division included Alicia Spring, Ben Roach and Gwen Powell of Bovina, Blaine Buchenau of Farwell and Brenda Schilling, Sonya Gore and Janet Russell of Friona.

Other contestants in the junior division were Rickey Bentley of Friona, Miss Powell, Arlene Smith and Isidoro Garcia of Bovina and Gary White, Janie Cantu and Charlie Rose of Farwell.

Pronouncer for the match was Mrs. Pat DiCuffa, a graduate of West Texas State University at Canyon and secondary school resource room, Plan A Program, teacher at Bovina. Judges were Doris White, language arts teacher at Farwell Junior High School; Cecil Maddox, junior high principal at Friona; and Wilson DiCuffa, elementary principal at Bovina.

## Singing Program Set

Friona's Assembly of God Church will host a singing program from 2-4 p.m. Sunday, March 2.

Included on the program will be quartets, duets and a variety of gospel music.

The program is ordinarily the first Saturday night of the month, and is being held on Sunday afternoon this month only, according to Larry Watts, pastor.

**HELEN ELIZABETH BOLE AND JOHN LOWE LYNN II....**Mr. and Mrs. Thomas James Bole, Jr., of Houston, Texas, announce the engagement and approaching marriage of their daughter, Helen Elizabeth, to John Lowe Lynn II of Houston, Texas. The groom-elect is the son of Mrs. Carolyn L. Lynn and the late John C.A. Lynn. He is the grandson of O.F. Lange and the late Mrs. Lange of Friona, and the late Mr. and Mrs. John L. Lynn of Shawnee, Oklahoma. The bride-elect is a 1973 graduate of the University of Texas at Austin, where she majored in English. Lynn is a 1973 graduate of Texas A&M where he majored in Agricultural-Economics. He is presently employed by Kraft Foods, Houston, Texas. The wedding will be held at Our Lady of Mt. Carmel Church in Houston on Saturday, March 15.

## Sausage Dinner Slated Sunday

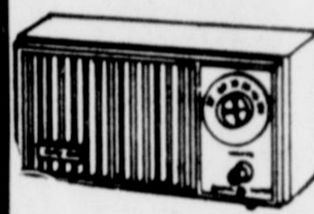

The 14th Annual German Sausage Dinner, sponsored by organizations of St. Ann's Catholic Church, will be held at the parish hall of the church Sunday, according to a member of the planning committee.

Serving hours will be from 11:30 a.m. until 2 p.m. Donations of \$2 per adult plate and \$1.25 for children under 10 will be accepted at the door. Door prizes will be awarded during the afternoon.

Featured on the menu will be homemade German sausage and sauerkraut, home-grown green beans, creamed potatoes and gravy, gelatin salad, chocolate cake, coffee and tea.

Sausage will be sold during the afternoon at \$1.75 per pound.

## Local Teacher Has Article Published

Featured in the February issue of Arts and Activities magazine is an article and pictures by Friona Grade School's art teacher, Bobby Weid.

The magazine is a guide to arts and crafts for teachers and in Weid's article he has featured the weaving projects which were done in his classes last year. Excerpts from his article are as follows:

This year our fourth grade art classes tried weaving for the first time. The two greatest obstacles we had to overcome were an initial feeling of "I can't do it" (on the part of the teacher, not the students) and the belief that the looms we would need were too expensive for our limited supplies budget.

Our anxieties were allayed thanks to an inexpensive paperback book entitled "Simple Weaving," by Martham Alexander (Taplinger). The book contains a wealth of information both on weaving techniques and on the use and construction of various simple looms.

Seven different types of looms were selected from the book as "most likely to succeed" in our classes: looper loom, flat loom, Hungarian loom, inkle loom, Olkway Indian bag loom, slot loom, and spool loom.

Several looms of each type were constructed for experimentation this year, with the idea of our later constructing more of those that proved most successful.

As we began, I anticipated problems in giving necessary assistance to individual students. Since I would have to help 32 students learn seven different weaving techniques, and since each technique would require a different set of instructions, I feared that some students would become confused or discouraged and lose interest in the project. Happily, this did not occur. The different steps of the weaving techniques meshed nicely, and no student had to wait an unreasonable length of time to receive needed help.

After completing the unit on weaving, the students were almost unanimous in selecting it as one of their favorite activities for the year. Several students went so far as to construct their own simple looms so that they could weave at home on their own time.

Next Week, March 3-7, 1975.

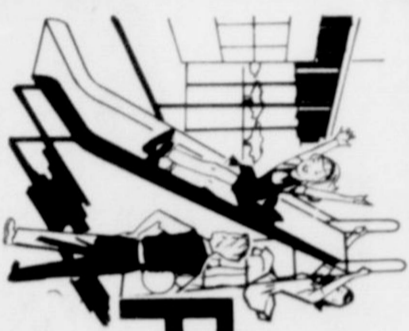

## Earnings Tied To Education

What is the difference in getting an education? A survey made a few years ago stated that potential lifetime earnings for those people with less than eight years of schooling was an average of \$143,000.

Those with at least eight years of schooling could expect to make \$184,000 during their earning years.

High School graduates, the survey said, could expect to make an average of \$212,000 during their lifetime. Those with one to three years of college will make around \$352,000; and those who have four years or more of college training can expect to make \$417,000 during their careers.

The statistics were compiled by the Pennsylvania State Employment Service, and they are now about five years old, so the earning power has no doubt increased in the various levels but the percentage of increase for the additional years of school would remain the same.

## Education--A \$1.45 Million Industry For The Community

Education is a million-dollar business in Friona. The Friona Independent School District is operating on a budget of \$1,451,000 for the 1974-75 school year.

It costs roughly \$8,000 per day of instruction to operate the Friona school system. Looking at it in a different light, it costs about \$990.00 per student per year, using the current enrollment figure of 1,465 students.

The economic impact of the school system on the community can be seen in the fact that the annual payroll for the teaching staff and other school employees amount to approximately \$1,970,000 per year.

There are a total of 94 teachers in the system, including administrators, plus 46 employees such as secretaries, teacher's aides, cafeteria workers, bus drivers and librarians, making a total of 140 employees.

The school ranks second only to Missouri Beef Packers in terms of economic impact from a single local industry.

Seventeen of these auxiliary employees work in the cafeteria, which has a budget for 1974-75 of \$100,000. Of this amount, some \$75,000 is spent for food and equipment, with the remainder going for salaries.

**BUSING COSTS**  
Transportation costs the school system about \$19,000 annually, not including salaries. This is spent for new buses (one or two new buses per year), and maintenance. There are 14 bus drivers, plus the bus foreman.

Friona school buses travel approximately 778 miles per day.

The cost of operating the school plant each year—for custodial service, utilities, etc.—comes to about \$58,947. The school pays about \$8,000 annually for insurance, and around \$25,000 in capital outlay.

Instructional costs—including supplies, travel expenses, etc. amounts to some \$75,000 is spent for about an additional \$45,000 yearly.

### 1975 TEXAS PUBLIC SCHOOLS WEEK

How much do you know about your local school district? A surprisingly high number of citizens know very little, yet these same people would no doubt agree that a strong and vigorous public education system is absolutely essential for ensuring the continuing quality of life in Texas and the nation.

March 3-7 has been designated TEXAS PUBLIC SCHOOLS WEEK across the state. Schools in our community will be open for visitation and inspection. Students' work will be on display, and teachers and faculty will be on hand to answer questions from the public. We, as parents and concerned citizens, have a duty to ask those questions. Unless we understand how the system works, we can't determine its effectiveness, and we can't be sure our children are getting the high quality of education they will certainly need to deal with the future. It all starts with us.

Your Child's School Has A Big Investment In His Future. We Urge You To Support...

SEE DEMOCRACY IN ACTION  
**TEXAS ANNUAL PUBLIC SCHOOLS WEEK**

**RUSHING INSURANCE**

The school's bonded indebtedness averages around \$130,000 per year.

This gives the taxpayer an idea of what his annual school taxes are used for—and what a really big business is involved in the school system.

**GROWTH CHARTERED**  
An idea of how the school system has grown is seen in a comparison of enrollment figures. Enrollment in the Friona school system was 483 students in 1949. By 1962 this had grown to 1180, and at the present time the enrollment stands at 1465.

This is a net gain of 982 students since 1949—a 200 per cent increase.

The number of teachers during this period has grown from a total of 23 in 1949 to 94 at the present.

Additions have also been seen in the school plant. The new high school building was completed in 1965-66 at a cost of \$1.25 million.

Superintendent Tom Jarboe said that the school listed the value of its properties at \$2,700,000.00, exclusive of land values. Replacement costs would no doubt be double at least.

Also added in 1965, were five new elementary classrooms, which replaced the "Old Red" two story school which originally housed the entire school system.

**BUILDING FINISHED**  
In 1957, a building program was completed which added the elementary school and gym. The primary school building, which houses first and second grades (12 classrooms) was completed in 1954.

The Junior High building, which was originally built to house the high school students, was used for the first time in 1951-52, after a fire destroyed the old high school plant. The junior high school gym was finished in the spring of 1950. It is now the oldest building on the school campus.
