Girl Relates Dating Cross Fateful Day

AUSTIN (AP) — Police Lt. Nathan Darby testified today that James C. Cross Jr.'s fingerprint was found in the yellow sports car believed used after the strangulation of two campus coeds.

AUSTIN (AP) — A tall, willowy brunette testified today in the James C. Cross Jr. murder trial that Cross came to her apartment "about 4 p.m." on the afternoon two beautiful coeds were murdered.

Asked how many times Cross mentioned that it was 3:30 p.m., Miss Judith Gale Elam replied: "I can remember twice."

She testified she and Cross had a date the night of last July 18, the day he is charged with strangling Susan Rigsby and Shirley Ann Stark in a tantrum of passion and panic. Both girls were 21 and from Dallas.

SAME BUILDING Miss Elam, 20, lived in the same apartment house, where Cross was a resident, she told the 147th District Court jury today.

Cross left her apartment about 6:15 or 6:30 p.m. and they later went out to eat, she said. Then they went to a movie, seeing a double feature "A Third Day" and "I Saw What You Did."

It was Cross' idea to eat out, she said. Usually on Sunday dates they ate in his apartment, she added.

On the night of July 18, they returned to his apartment and listened to records.

ACTED NORMAL Miss Elam said she noticed nothing unusual in his behavior. She described his usual demeanor: "It wasn't noisy. He was extremely outgoing usually . . . calm, yes, but not seclusive."

The state contends that Miss Rigsby and Miss Stark were killed the afternoon of July 18 and their bodies hidden in a closet of Cross' apartment until about 3 a.m., then dumped in a vacant lot of north Austin where they were found 12 days later.

Dr. Earl F. Rose, Dallas County medical examiner, testified Thursday that an autopsy showed Miss Rigsby was strangled when "a dress was tightly twisted about the neck."

Each body suffered "extensive decomposition," he said. Rose, a tall, lanky man, whispered answers into a microphone for an hour and 20 minutes. He went into considerable clinical detail about the autopsies he performed on the bodies.

SITS CALMLY Cross, 23, sat calmly with one hand or the other to his face, the thumb under his chin and the index finger along his mouth.

The state says that "he and she alone" murdered the 21-year-old University of Texas sorority sisters from Dallas.

The defense says Cross "was MAYOR SENDS GREETINGS"

The mayor of Montreal sent personal greetings to Big Spring Mayor George Zachariah today, concerning the appearance here tonight of the Feux-Follets dancing and musical troupe.

"I am pleased on this occasion to convey to you my personal greetings and those of my fellow citizens. I am sure that they will be welcomed," was the text of the wire sent by Jean Drapeau, mayor of the Canadian city.

The folk music group will stage their program in the municipal auditorium beginning at 8:15 p.m. for concert series ticket-holders.

Postal Men Uncover 'Vacation Plan' Fraud

DALLAS (AP)—A fraudulent "international vacation plan" apparently started in Santiago, Chile, has been uncovered by United States postal inspectors.

Inspector R. H. Dawson of Dallas said Thursday that 1,000 chain letters connected with the scheme have been sent to post office boxes here. He said about the same number was uncovered at San Antonio.

The scheme was discovered this week when a Dallas post office box holder showed one of the letters to a postal inspector, Dawson said.

Postal officials estimate 24,000 letters have been found in at least a dozen cities.

R. D. Rawlings, chief of administrative services for the Post Office Department here and a postal employee 20 years, said it is the largest chain letter mailing he has found in Dallas.

U.S. Forces Pierce Cong Coastal Line

SAIGON, Viet Nam (AP) — U.S. cavalrymen cut deeper today into enemy strength near the central coast. A company of the 1st Battalion, 5th Cavalry Regiment established heavy contact with the Viet Cong 10 miles south of Bong Son and killed 54 in a fight still under way at nightfall.

Associated Press photographer Rick Merron reported the Viet Cong had a base in that area and appeared determined to defend it.

American casualties were described as light.

Elsewhere, two helicopter crashes took the lives of seven Americans. An eighth American died a hero's death when he threw himself on a Viet Cong grenade.

Ships Trading With N. Viets Face Boycott

MIAMI BEACH, Fla. (AP)—AFL-CIO maritime unions told President Johnson today they will boycott ships of all foreign nations trading with the North Vietnamese Communists.

In a telegram to Johnson, union officials said "trade with North Viet Nam puts blood money in the pocket of shipowners and other profiteers and so-called Allied nations."

The telegram added that "we believe the time for pussyfooting is long past."

"We must inform you therefore, very soon our members will begin to demonstrate their protests on all waterfronts in this country directed against any and all ships of those nations which permit trade with North Viet Nam."

The boycott, said spokesmen for the AFL-CIO Maritime Trades Department will affect hundreds of foreign vessels from nations including Great Britain, Norway, Sweden, Denmark, France, Italy and Egypt.

The boycott will be imposed by refusing to load any such vessel entering U.S. ports.

The telegram to Johnson was signed by Paul Hall, president of the Maritime Trades Department, Thomas W. Gleason, president of the International Longshoremen's Association, and Joseph Curran, president of the National Maritime Union.

Unions Indicate Withdrawal Of \$\$\$ Aid To Democrats

MIAMI BEACH, Fla. (AP) — Organized labor showed signs today of withdrawing financial support to the Democrats in this year's congressional and state elections.

At least one labor union is planning to curtail drastically its usual money contributions to the Democratic party and is trying to drum up similar action among other unions.

REJECT PLAN One major indication was Thursday's rejection by 18 construction unions of an administration plan to submit wage disputes to a national labor-management council.

The unhappiness of the construction unions over what they consider an attempt to limit wage demands reportedly prompted a White House inquiry.

Secretary of Labor W. Willard Wirtz, originally not scheduled here until Feb. 28, reportedly was on his way here today — officially to soak up some sun but, some sources said, to try to mend fences with the politically powerful labor leaders.

The labor movement, which the Johnson administration once acknowledged as the chief element in the 1964 Democratic election sweep, is angry over many things.

Union officials here are saying that Johnson and Senate Democrats didn't work hard enough to break the Republican filibuster that sidetracked the repeal of Section 14B of the Taft-Hartley Act.

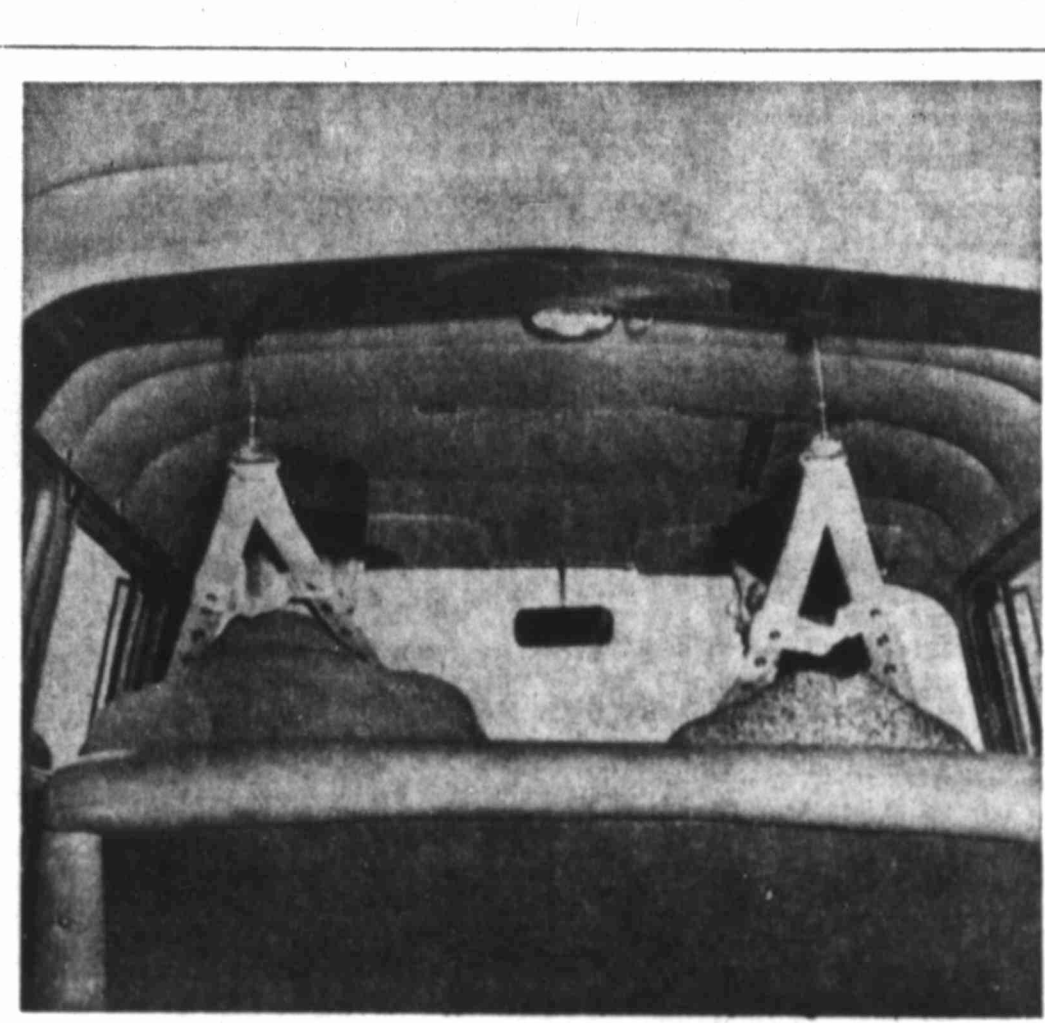

Use of the challenges left the defense with 11. The state still has 14.

LONG DAY Judge Leslie D. Williams carried the trial almost two hours past the usual quitting time Thursday in an effort to speed jury selection.

Krueger, a tan, good-looking youth, noticeably has relaxed from the tension he seemed to have when the jury selection began Monday. The youth smiled for the first time in the courtroom Wednesday and talked easily Thursday with attorneys and people who stopped him in the lobby and in the courtroom during recesses.

The youth's trial has caught the interest of Blinn Junior College coeds and Brenham High School girls.

U.S. Asking State Be Denied Poll Tax Stay

Harness To Replace Seat Belts? A harness with a V-shaped yoke attached to the roof of the car is far superior to conventional seat belts, says Andrew J. White of Lee, N.M., an automobile safety engineer.

Auto Harness Called Superior For Safety

LEE, N.H. (AP) — A retired millionaire who has devoted years to studying auto safety says the regular seat belt installed in cars "has no protective value."

White in an interview. "HARNESSES SUPERIOR" White recommends instead a harness which he designed and says "is far superior to a regular seat belt."

Wearing one, he drove a car at 50 miles per hour into a two-foot-thick brick wall and he was uninjured.

The harness is a V-shaped yoke attached to the roof of the car.

White said it can be fastened in three seconds. "First you put on the lap strap, release two clips that hold the harness near the sun visors and attach the clips onto the strap."

LONG STUDY White, who is president of the Motor Vehicle Research of New Hampshire Inc., designed the harness to include a seat belt, a shoulder strap, and a head sling. He said more than 10 years of study of actual accidents and numerous tests performed by his nonprofit firm proved the harness is the best safety device available.

"More than 80 per cent of all fatal accidents involve head injuries. The harness is the only way to protect the head," said White. He has been safety consultant to U.S. Bureau of Public Roads and to numerous firms ranging from U.S. Steel to B.F. Goodrich.

White retired from his engineering business in 1952 and has since devoted his energies to various phases of safety research.

White said there are now approximately 20,000 armed Viet Cong or North Vietnamese in each of the country's four corps areas. The mixture of these forces varies from area to area.

GUERRILLAS EXTRA These figures do not include an estimated 100,000 guerrilla fighters, 40,000 in political cadres and about 17,000 support personnel.

It is estimated that there are 24 regimental formations of Communist forces in the country, nine of them North Vietnamese and 15 Viet Cong.

There has been much speculation about why the Communists have not launched any major attacks since late last year. There have been reports that some forces had left the country.

It is felt in qualified quarters, however, that the main-force units have been lying low because they have been kept off balance and have been forced to change some of their plans by U.S. troop movements and by Allied offensives.

There are indications that some enemy forces have been moving south of the Pleiku area and into Darlac Province. Some major-scale fighting is expected to occur in that area.

OUTPOST ATTACKS To a large degree, most actions launched recently by the Communists have been attacks on outposts and on regional and popular force units.

Officials consider that defections among the enemy forces are now showing a favorably significant trend, but this is considered to be far from any indication of a breaking point.

Carr Sees Chaos If Delay Refused

WASHINGTON (AP) — The government has asked the Supreme Court to reject a Texas request to delay putting into effect a federal court decision striking down the state's poll tax.

Texas' request and the opposition statement were filed Thursday for submission to Justice Hugo Black. There was no indication when Black would act in the case.

FEARS CHAOS Texas Atty. Gen. Waggoner Carr told the court that if a Feb. 9 ruling by a three-judge federal court in Austin is permitted to take effect immediately, "a truly chaotic condition" will result because "local and county elections are occurring almost daily."

Carr said the Supreme Court should stay the ruling at least until it decided on the constitutionality of Virginia's poll tax in a case already before it. His application followed by one day a similar request or a stay by the Travis County (Texas) Republican executive committee.

KATZENBACH SUIT Texas, Virginia, Alabama and Mississippi require payment of poll taxes for voting in state and local elections. The Feb. 9 ruling that the Texas poll tax was unconstitutional came in a suit filed last summer by Atty. Gen. Nicholas Katzenbach under the 1965 Voting Rights Act.

In replying to Texas' request, Solicitor General Thurgood Marshall told the court that the Feb. 9 decision does not necessarily mean an entirely new procedure must be established to register voters for Texas' May 7 primaries.

VOTERS "QUALIFIED" A substantial number of Texas voters already are qualified because they paid the poll tax, Marshall said, and it may be practical to permit others to demonstrate qualifications at the polls, a procedure already employed in Texas for persons exempt from the poll tax in rural areas and small towns.

"There is no basis for the view that the immediate enforcement of the decree will disrupt the state's election machinery," Marshall said.

He also told the court: "The right of citizens to vote free of an unconstitutional restraint cannot be sacrificed to considerations of administrative convenience."

SENATE BILL A similar bill was advanced to the Senate floor Wednesday by the Senate State Affairs Committee.

Administration forces in the two houses were confident they had enough votes to clear any legislative roadblock and make the bill effective the moment Connolly puts his signature on it.

Easy sailing in the House was apparent from the nearly 100 signatures on the governor's bill, sponsored by Rep. Gene Fondren, Taylor. Immediate effect requires 100 house votes and 20 votes in the Senate.

FACES TESTS The bill must be steered through several tests Monday, when both houses reconvene.

Advocates of permanent registration and members finding fault with certain details of the bill indicate they will try to get their proposals up for a vote.

Several members of the San Antonio House delegation said they will fight a section in the Fondren bill that halts the present system of allowing voter registration within the county by mail or by door-to-door solicitors. Voters temporarily absent from their home county could register by mail.

Backers of the bill said the provision is designed to prevent fraudulent registration and voting.

COURT DECISION The bill would take effect upon a Supreme Court decision upholding last week's ruling by a three-judge federal court in Austin that making the poll tax a prerequisite for voting is unconstitutional.

It provides a 15-day period, beginning a week after the bill takes effect, for registration of persons who did not pay their 1966 poll tax. Such "conditional registration" would not be valid until the poll tax decision is sustained.

TO CANCER CENTER Sloan, who remained as honorary chairman, had been in excellent health until Tuesday, when he complained of indigestion. He was taken the next day to Memorial Sloan-Kettering Cancer Center, a hospital his philanthropy had established.

He died at the hospital at 2:35 p.m. Thursday.

Henry Ford II, chairman of the Ford Motor Co., said in Detroit that Sloan was "one of the small handful of men who actually made automotive history."

Maker Of Auto History Succumbs

NEW YORK (AP) — In his 90th year, Alfred P. Sloan Jr. saw the automobile develop from a novelty to the industrial backbone of the nation. He was among the men who made it happen.

He took the moderately successful General Motors Corp. in 1920, made it function smoother than the ball bearings he once sold, and wrought the mightiest manufacturing enterprise the world has known.

SUCCESS FORMULA When Sloan stepped down as chairman in 1956, General Motors' share of the automobile market was 52 per cent.

His formula for success was simple. "Get the facts. Recognize the facts."

George's Birthday means gifts for YOU! (See Sunday's Herald)

Further Warming Due In All Parts Of State

By The Associated Press Texas continued to shake off the latest cold spell today. Skies were generally clear except for clouds over the extreme south part of the state and along the coast. There was a little light rain around Brownsville for the second day in a row.

The temperature sagged to 18 degrees at Dalhart in the upper Panhandle near dawn. Readings elsewhere ranged up to the low 50s in the Lower Rio Grande Valley.

Further warming was expected through Saturday in all sections.

Extended forecasts, covering the next five days, called for another cool spell the first of next week and rising temperatures in a day or two across the northern half of the state. Little change was expected in South Texas.

Weather Bureau observers said the only moisture in prospect was a few showers Saturday along the middle and upper Texas coast, and a little light rain about Monday in the south edge of North Central and Northeast Texas.

Hyperions Told Texas History

"Women Who Played Their Part in Early Texas History" was the program topic during the Thursday afternoon meeting of the 1948 Hyperion Club at the home of Mrs. Zollie Boykin, Silver Hills Addition. Cohostesses were Mrs. George White, and Mrs. R. W. Whipkey presided.

Roland Wylies Announce Birth

Mr. and Mrs. Roland Wylie, 804 Settles, are announcing the birth of a son, Jeffrey Dean, born Feb. 17 at the Howard County Hospital Foundation. The infant weighed 6 pounds, 2 1/2 ounces. The maternal grandparents are Mr. and Mrs. W. N. Peel, Box 187, Big Spring, and the paternal grandparents are Mr. and Mrs. T. O. Wylie of Sand Springs.

Mrs. U. A. North Tells Bible Story

STANTON (SC)—Mrs. U. A. North brought the Bible story, "The Unfaithful Servant," when a party was held for the Primary 1, Sunday school department at the First Baptist Church. Mrs. Fern Adams brought the character story, "The Seeing Eye."

A sing-song was held with Mrs. North directing the singing and Mrs. Walter Graves at the piano.

A valentine theme was carried out in table decorations and refreshments.

WMU Unit Sets Week For Prayer

WESTBROOK (SC) — The Women's Missionary Union of the First Baptist Church met Tuesday morning for business. Mrs. Hoyt Roberts gave the opening prayer. Call to prayer was presented by Mrs. Homer Rice with Mrs. Altit Clemmer leading the prayer for missionaries.

"Casting the First Stone" was the theme for a devotion presented by Mrs. Clemmer.

The week of prayer for home missions will be March 7-12 with the women meeting at the church daily at 9:30 a.m. Mrs. Clemmer will be in charge of the program. The Annie Armstrong offering for Southern Baptists has been set for \$4,000,000 with the local church goal in the amount of \$386.78.

Mrs. Charles Ranne will review the book, "Panama, the Land Between," March 1.

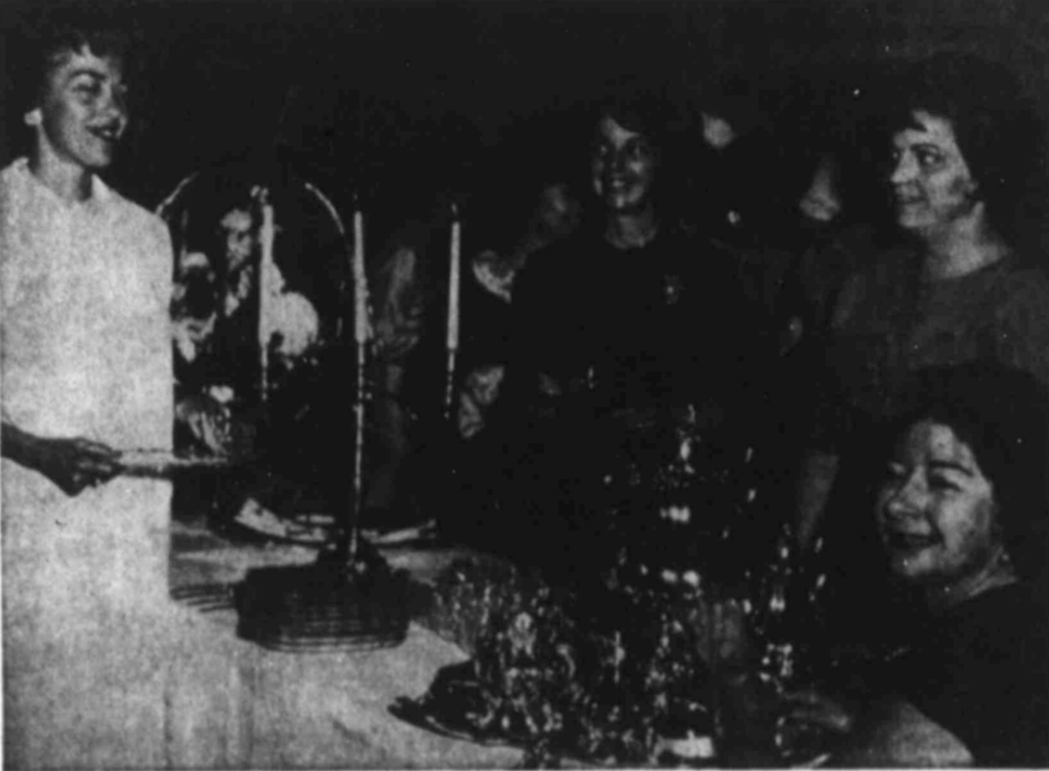

Plans are being made for a prayer retreat March 19.

Mrs. L. B. Edwards gave the closing prayer.

Receive Guests

Shown in the Fireplace Room of the Officers Open Mess at Webb Air Force Base Thursday afternoon are, from left, Mrs. J. H. Sherwood, Mrs. C. J. Butcher, Mrs. T. L. Thomas and Mrs. J. F. Bosick. The women welcomed guests at the tea which honored Mrs. Butcher.

At The Tea Table

Visiting at the tea table Thursday at Webb were Mrs. Edwin J. White, Mrs. T. C. Skanchy and Mrs. A. P. Keith. Mrs. M. E. Frantz is presiding at the silver service.

OWC Tea Honors Mrs. C. J. Butcher

Over 500 women, both townships and wives of military personnel at Webb Air Force Base, were invited to the complimentary tea Thursday afternoon which honored Mrs. Chester J. Butcher, wife of the new wing commander at Webb. The affair was held in the Officers Open Mess with the Officers Wives Club as the host group.

Mrs. Butcher, whose simple black sheath was fashioned with a rolled white organza collar and long sheer sleeves cuffed in white, greeted guests with Mrs. J. H. Sherwood, wife of the base commander; Mrs. T. L. Thomas and Mrs. James F. Bosick. Mrs. Sherwood's black suit was accented with a tie belt and pearl clip, and Mrs. Thomas wore a beige wool costume enhanced with fur lapels. Mrs. Bosick chose a pale blue suit with white shell top and white bow accenting the bodice.

Those on the Special Activities Committee, who served as hostesses, were Mrs. W. L. McEathron, Mrs. P. A. Gardiner, Mrs. J. E. Keeter Jr., Mrs. R. E. Vega, Mrs. R. L. Spero, Mrs. R. J. Sitarz, Mrs. M. J. Carroll, Mrs. V. D. Farmer, Mrs. G. L. Heartsill, Mrs. J. H. Kiehle, Mrs. D. E. Zastrow, Mrs. R. G. Piland and Mrs. D. L. Van Bruaene.

The traditional white Army-Navy cloth covered the refreshment table where the centerpiece was a silver compote holding white chrysanthemums, gladioli and stock, interspersed with lemon leaves and highlighted with a waterfall spray. The arrangement was flanked by branched silver candelabra holding slim white tapers. Silver tea and coffee services were placed at opposite ends of the table, and other appointments were of crystal and silver.

At the second table, a branched candelabrum illuminated the silver punch service.

Alternating at the silver services were Mrs. G. E. Franks, Mrs. Julian Baird, Mrs. E. J. White, Mrs. Gregory Perron, Mrs. George R. King, Mrs. A. P. Keith, Mrs. S. G. Flowers, Mrs. J. D. Arnold, Mrs. W. T. Haskell and Mrs. T. C. Skanchy.

Also, Mrs. W. E. Lowman, Mrs. L. L. Shane, Mrs. G. W. McKenna, Mrs. Michael Sharek, Mrs. G. W. Green, Mrs. J. M. Fitzsimmons, Mrs. D. D. Wilson, Mrs. L. R. Klinefister and Mrs. M. E. Frantz. Mrs. Arnold joined the receiving line during part of the afternoon.

Calling hours were from 2 to 4 p.m.

4-H Food Group Makes Super-Dogs

Food nutrition was the discussion topic at the Wednesday afternoon meeting of the Lomax 4-H Food Group. Mrs. J. L. McIlvain led the program. Participating were the hostess, Carla Perry, who talked on fruit; Betty McIlvain, milk; and Molly Adkins, meats. Super-dogs were prepared by the girls.

Win High At Bridge

Winners in the duplicate games held Tuesday at Big Spring Country Club were Mrs. Charles Tompkins and Mrs. Fred Lurting, first; Mrs. Hayes Stripling Sr. and Mrs. E. O. Ellington, second; and Mrs. Malcolm Patterson and Mrs. Jack Irons, third.

During Wednesday's games the winners were Mrs. E. L. Powell and Mrs. Truman Jones, first; Mrs. D. A. Brazel and Mrs. Dan Greenwood, Mrs. J. H. Parks and Mrs. Ellington, third; and Mrs. A. Swartz and Mrs. Elmo Wasson, fourth.

Homemakers See Film On Cancer

The Flower Grove Young Homemakers met Monday evening to view a film on cancer. Mrs. James Eiland and Dr. and Mrs. Jack Woodrow of Stanton presented the film and answered questions.

Six guests and eight members were served refreshments by Mrs. Wayne Webb and Mrs. Daniel Cane.

The March 7 program will be a film and demonstration on resuscitation and external heart massage. The guest speaker will be from Tahoka.

Family Has Weekend Visitors

WESTBROOK (SC)—Mr. and Mrs. Kenneth Ferguson, Lubbock, were weekend guests of the Curtis Clemmers.

J. A. Moody and daughter, Mrs. Fred Hawk of Abilene, spent the weekend with his parents, Mr. and Mrs. A. C. Moody, and Mrs. Sybil Whitehead and children, Danny and Wanda. Another guest in the Moody home was Mrs. Helen Wyatt, Sweetwater.

Mr. and Mrs. Altit Clemmer spent the weekend in Cisco with his mother, Mrs. Elbert Clemmer, and visited in Putnam with her parents, Mr. and Mrs. T. L. Ramsey, and a nephew, Lt. George Ramsey, and his family.

The Ramsey family will leave March 7 for a four-year tour of duty in Germany. Ramsey received his commission at Fort Sill, Okla.

Mrs. Keith Williamson is a patient in Root Memorial Hospital, Colorado City.

Trey Smith spent Monday visiting his grandparents, Mr. and Mrs. Charley Parrish, in Coahoma.

Mr. and Mrs. Lannie Brentz were in Abilene Saturday.

Mrs. Charles Ranne spent Tuesday in Big Spring with her daughter, Mrs. Royce Feaster, and baby, Tracy.

4-H Group Hears Talk

Herb Helbig, county agent, was guest speaker at the Tuesday afternoon meeting of the Knott 4-H Club Entomology Project I at the community center.

Helbig showed slides on insects, and Keith Nichols gave a demonstration on making an insect-killing jar. Kelly Gaskins told how to make an insect-collecting net.

Gary Riddle was enrolled as a new member, and it was announced that Mrs. C. L. Stanley, Lamesa, will be guest speaker at the Feb. 22 meeting.

Help At Hospital

Two additional operators who assisted Sunday afternoon in giving permanents and hair sets to patients at the Big Spring State Hospital were Mrs. Joe Hamby and Mrs. Bud Campbell.

COURAGE IN BATTLE

Former Protester Promoted To PFC

BEN CAT, South Viet Nam (AP)—Six months ago a university graduate named Winstel R. Belton staged a seven-day hunger strike at Fort Benning, Ga., to dramatize his distaste for being drafted and his refusal to fight in Viet Nam.

Thursday a big, proud smile flashed across Belton's face as he was promoted to private first class on a battlefield in South Viet Nam.

Looking just as proud was his company commander, Capt. R. E. Spriggs of Mexico, N.Y., a professional soldier who had hated everything Belton's hunger strike had stood for.

Spriggs was furious last November when he returned to his unit after recovering from a bullet wound to find Belton assigned there.

Spriggs said Thursday he would take the 26-year-old Winslow, Ariz., soldier into combat with him any time, any where.

SUSPENDED TERM

Belton arrived in Viet Nam with a 12-month suspended jail sentence hanging over his head because of his hunger strike in mid-August. A court-martial had given him a bad conduct discharge, total forfeiture of

pay and the jail sentence. But he was also given a chance.

Belton, a Negro, was told that if he went to Viet Nam and proved himself, he would not have to serve his jail sentence. If he failed, he would serve it.

ACCEPTS HIM

His old unit, the U.S. Army's 1st Cavalry, Airmobile, Division, wouldn't take him back. The 1st Infantry Division accepted him.

Spriggs was the only man in "A" company of the 2nd Battalion, 28th Regiment, who knew that the new radio - telephone operator was the hunger striker Belton.

More and more men in the unit began realizing that Belton had publicly protested what they themselves had accepted as a patriotic duty. None of them brought up the subject with him except the company commander, and few ever discussed it among themselves.

"That was his business," said Sgt. Frederick Range of Dallas, Tex. "We treated him like any other soldier."

Belton, holder of a bachelor of science degree in education, was initially cold and reserved

with his buddies. But the heat of battles in December and January melted his attitude and forged ever-tightening bonds with Spriggs and the other men in the company.

Initially given the job of laying wires between the company headquarters and the platoons, he began carrying Spriggs' radio.

PROVES SELF

Early in January, he proved he had what it takes.

Spec. 5 Larry Kriebel of Sumnerfield, Kan., recalls that the company was under heavy fire near Trung Lap and an urgent call came over the radio for Capt. Spriggs.

"The radioman shouted back: 'The captain's not here. He's up front. There's heavy fire, I can't reach him.'"

Kriebel said Belton shouted out, "It's your duty to get up to the captain," crawled over to the reluctant radioman, grabbed the apparatus and moved up under fire to his captain.

Spriggs has used him as his radioman ever since.

"Belton in his conduct and bearing has been above average as a soldier and a valuable asset," Spriggs said. "He has worked in very well socially and he has got along with the men."

"I am personally satisfied that he now honestly believes his actions in the past have not been consistent with being a soldier or a man."

PROMOTION DELAYED

Spriggs tried to promote Belton two months ago, but the Army wanted to wait longer. Spriggs was told he must be absolutely sure Belton had changed his ways.

"I told Belton he deserved to be promoted," Spriggs said. "I knew he was happy. I knew he felt he had made it."

Belton is still a man of few words.

Asked why he launched his hunger strike, he replied: "I figured the Army had interrupted my education, and I needed the schooling. And when they said I had to go to Viet Nam, well, I thought why should I go there, I don't think we should be there."

"I wasn't a part of a protest movement. I wasn't then and I'm not now."

What about those now protesting American involvement in Viet Nam?

REV. JOE NORTON

JOHN WHISTLER

Nazarenes Hold Revival

A revival which began Thursday at the Church of the Nazarene, 1400 Lancaster, features the Rev. Joe Norton and John Whistler.

Rev. Norton, Hamlin, is well known in the Big Spring area and has conducted a revival here in past years. He is a commissioned evangelist in the Church of the Nazarene, devoting full time to his evangelistic work.

A musician and singer, Whistler of Cathage, Mo., is a graduate of the Missouri School for the Blind, now devoting his time to evangelism. Accompanied by his pilot dog, "Hero," Whistler has made many personal appearances in public schools. He will be featured at the piano, on the accordion and in special vocal numbers.

The revival will continue through Tuesday, Feb. 22, and service time is 7:30 o'clock nightly. The public is invited, according to the Rev. D. M. Duke, pastor.

Working In Swiss Parley

STANTON (SC) — Patsy Baugh, daughter of Mr. and Mrs. Albert Baugh Jr., Stephenville, and granddaughter of Mr. and Mrs. G. A. Bridges, Stanton, has been selected with three other girls attending Baylor University to act as official hostesses during the conference work at the Baptist Theological Seminary, Ruschikon - Zurich, Switzerland.

Following conference work with missionaries from the various parts of Europe, the girls plan to attend summer school at the seminary.

The departure from Love Field, Dallas, by a charter flight for Baylor University students will be June 5. The students will tour Europe a month before starting their work.

Miss Baugh is a junior at Baylor, majoring in speech pathology and audiology. She is a member of Sigma Alpha Eta. An active member of the Baptist church, Miss Baugh graduated from Stamford High School and for the past two summers has been employed by the Stephenville park and recreation program as a swimming instructor.

New Buildings For University

DENTON, Tex. (AP)— Plans for several new buildings were approved Thursday by regents of North Texas State University.

Construction of a \$1.8 million biology building is to begin in about 30 days and completion is scheduled for September of 1967. James T. Taylor & Son, Inc., of Fort Worth was the successful low bidder as general contractor.

A 1967 target date was set for completion of a \$1.9 million speech and drama building, for which preliminary plans were approved by the regents.

Johnson Seeks New Teeth In School Integration Laws

WASHINGTON (AP) — President Johnson will ask Congress to put new teeth into federal laws aimed at desegregating public schools, it was learned today.

He will ask also for about 100 new FBI agents to cope with that agency's swelling civil rights caseload, informed sources said.

A bill being drafted by the Johnson administration would give the attorney general greater authority to initiate court action to desegregate schools instead of awaiting complaints and taking part in suits brought by Negroes.

The proposal would be aimed at blocking intimidation of Negroes seeking to integrate schools and harassment of Negro pupils attending previously all-white schools, according to informants.

RIGHTS PACKAGE

The President is expected to include school desegregation proposals in a civil rights package that will include proposed laws to eliminate discrimination in jury selection; extend federal court protection to Negroes and civil rights workers in the South, and eliminate discrimination in the sale or rental of housing.

Johnson included all but the school proposals in his Jan. 12 State of the Union Message. The bills reportedly are nearing completion in the hands of Justice Department draftsmen.

The U.S. Commission on Civil Rights reported Tuesday that nearly 12 years after the Supreme Court ruled that segregated schools are unconstitutional, only one of every 13 Negro children in the South is attending school with white pupils.

The commission said fear, intimidation by whites, racial ties and habits have combined in the South to circumvent desegregation plans and federal laws aimed at withholding fed-

Death Ruled Suicide At Copperas Cove

KILLEEN, Tex. (AP) — Mrs. Kenneth Anderwa, 24, wife of a Ft. Hood soldier, died Thursday night of a rifle shot in the head. A justice of peace ruled suicide. The couple lived at nearby Copperas Cove.

now limited by the 1964 Civil Rights Act to filing suits only when it receives complaints and the attorney general believes the victims of the alleged discrimination are incapable of bringing suits themselves. To date, only seven such suits have been filed.

OPEN ALL DAY SATURDAY

Dallas Police Chief Curry Quits, Blames 'Tension'

DALLAS (AP) — Jess Curry, the police chief in Dallas when President John F. Kennedy was assassinated, resigned Thursday and Asst. Chief Charles Batchelor took his place.

Curry, 52, said he was quitting because of increased blood pressure, blaming the "tensions and pressure" of the office.

City Manager Elgin Crull, announced the appointment of Batchelor as acting chief and said Batchelor would become chief when Curry's resignation is effective March 10.

Curry headed the Dallas Police Department when President Kennedy was assassinated during a Dallas motorcade on Nov. 22, 1963. Members of his force arrested Lee Harvey Oswald 90 minutes later.

Criticism for his police department was heavy, however, less than two days later. That erupted when night club operator Jack Ruby, a police buff, walked into the city hall basement and fatally shot Oswald.

A year later, Curry told a newsman he would "wake up every now and then at 2 and 3 in the morning thinking about Kennedy, Oswald and Ruby . . ."

LVNs Meet For Seminar

C. Dean Davis, legal counsel for the Texas Hospital Association, will be one of the principal speakers at the winter seminar of the Licensed Vocational Nurses Association of Texas to be held at the Commodore Perry Hotel, Saturday and Sunday in Austin.

"Mandatory Licensure for Vocational Nurses" will be the topic of his speech. Mrs. Huey J. Rogers is District 25 president.

Mrs. Marguerite H. Galley, San Angelo, president of the state association, is presiding over sessions. Mrs. Galley has been nominated by the Texas group as a candidate for secretary of the National Association of Practical Nurse Education and Service, Inc. Results of the election will be disclosed at the April convention of NAPNES in Louisville, Ky. She currently is chairman of the council of state presidents. In San Angelo, she has been a leader in P-TA, Girl Scouts, Home Demonstration work, Toastmistress Club, Rebekah, and is active in her church—the First Baptist in San Angelo.

One topic due to come up at the state meeting is the NAPNES objection to a proposal from the American Nurses Association in December that one-year practical nurse training programs be eliminated. The ANA proposal is that two-year or junior college courses be required to prepare technical nurses.

OIL REPORT

Borden Strike Hits Canyon Reef

Kerr-McGee Corp. of Oklahoma City, Okla., has completed the No. 1 Griffin wildcat in Borden County.

The Canyon Reef flowed 208 barrels of 46.2-gravity oil per day, no water, a gas-oil ratio of 989-1, from perforations between 6,790-94 feet on an 18-64ths-inch choke. Total depth is unknown, but 6,795 was the last reported depth.

Location is 467 feet from the north line and 2,173 feet from the east line of section 37-25, H&TC survey, 26 miles southeast of Gail.

Dawson and Glasscock County locations have been staked. The Spraberry Trend Area will be tested by the Southwestern Natural Gas Inc. No. 1-A Criesman, 20 miles north of Stiles in Glasscock County. It is proposed to drill to 8,600 feet. Drillsite is 1,329 feet from the north line and 1,321 feet from the west line of section 12-36, T&P survey.

Cities Service Oil Co. No. 4-A Barbee, 28 miles northeast of Big Lake, will test the Barbee (Wichita Albany) formation at 7,400 feet in Glasscock County. Site is 1,300 feet from the south line and 1,530 feet from the east line of section 3, GB&CG survey, a quarter mile northwest of the two-well Barbee (Wichita Albany) field.

A Dawson County prospector will test the Ackerly (Deon) formation six miles southwest of Ackerly. Austral Oil Co., Inc. & Pan American Petroleum No. 1-C B. Reid, et al, will drill to 9,000 feet. It spots 550 feet from the south line and 590 feet from the east line of the northeast quarter of section 39-35-4n, T&P survey.

Judges have been asked to be on hand promptly at 7 p.m. for their instructions, said Paul Saldan, chairman of health and safety. The contest for Scouts will start at 7:30 p.m. sharp in the Rannels Junior High gymnasium.

Judges have been drafted from the city firemen and policemen, from the VA Gray-Ladies, from the Registered Nurses Association and Corden Oil & Chemical Company as well as from a few other groups, said Saldan.

Teams of four boys will have five problems, and after each problem, they rotate to a new judge.

Mrs. Bankson dies Thursday, Rites Pending

Mrs. L. M. (Lou) Bankson, 71, Sterling City, died Thursday at 9 p.m. in Shreveport, La., where she was visiting with a sister.

Services are pending at the Nalley-Pickle Funeral Home.

She was born in December, 1894, in Nickerson, Kan., and moved to Sterling City two years ago after living in Big Spring for 35 years.

Survivors include her husband, L. M. (Lou) Bankson, Sterling City; one daughter, Mrs. J. D. Wysong, San Antonio; one son, L. M. Bankson Jr., Detroit, Mich.

Works On Suit

City Attorney John Burgess is in Dallas today taking depositions relating to the "Shiftlet suit" between the City of Big Spring and Shiftlet Brothers, according to Larry Crow, city manager.

The contract for constructing the city sewage plant.

The newly enacted Texas Code of Criminal Procedure has caused the City of Big Spring to take a close look at its 1966 budget, according to Larry Crow, city manager.

"The Chief (Jay) Banks, police chief and I have discussed the apparent needs under the new code," Crow said today. "We are not sure what they will amount to, but we have discussed the need for additional police personnel."

"The Code may increase costs and it will increase paper work, and tentatively, we are figuring on extra clerical personnel to try to relieve city detectives of routine paper work so they can devote more time to their detective work."

Increasing mileage each year on patrol cars is also a problem, Crow said.

"Last year the fire and police departments went under Social Security, which raised costs for the two departments by over \$20,000," Crow said. "This year we are trying to include hospitalization programs for all city workers."

"Last year a voluntary hospitalization program was tried, but it was unsuccessful." Evidently not many city workers signed on and some of those who did were not satisfied with the program, Crow indicated.

Crow said he would have information on the 1966 city budget's problems and considerations next week. The budget is due for completion in March.

Resting Well

Mrs. Dan Brasher of the Brown Community was resting satisfactorily at the Malone and Hogan Foundation Hospital Friday. She sustained scalp lacerations when she was thrown from a horse she was riding near her home at Brown Thursday.

Bean Supper Set

The Mates and Dates Square Dance Club will sponsor a "Bean Supper" March 4 from 5:30 to 10:30 p.m. in the Goliad Junior High School Cafeteria. Tickets are available at 50 cents each. All proceeds will go to the club's expenses for attending the Lubbock and Levelland Jamborees and a tentative trip to Six Flags.

Games Slated

Elmo Wasson's Junior College team meets the State Hospital Employees in the first game of Adult Men's Basketball League play tonight at 7 o'clock at the YMCA. The Big Spring Herald challenges the YMCA Optimists in the second game.

At State Hospital Thursday

Dr. Charles Castner, right, discusses his position as senior consultant for the Texas Mental Hospital System with Dr. Preston Harrison, superintendent of the Big Spring State Hospital. Dr. Castner spoke to staff and volunteers at several meetings at the hospital Thursday. (Photo by Frank Brandon)

Dr. Castner Outlines Code For Hospital Staff

The new Texas code of criminal procedure and how it will affect state mental hospitals was outlined Thursday afternoon at the Big Spring State Hospital by Dr. Charles Castner, who has over 50 years of service in state mental hospital work.

Dr. Castner, presently senior consultant for the Texas Mental Hospital System, spoke to staff members and volunteers during afternoon lectures in Alford Auditorium. He spent part of the day touring the campus of the state hospital with Dr. Preston Harrison, hospital superintendent.

Dr. Castner, who is 78, has worked in hospitals in Dallas, San Antonio, Austin, and various other places as well as Rusk Hospital for the Criminally Insane. Until his retirement in June, 1965, he was active in all facets of mental health in state hospitals.

In addition, he has contributed to three books on tranquilizers for the mentally disturbed and has been active in several public health and drug activities.

Concert Goers Among First To See Popular Canadians

Members of the Big Spring Concert Association will be among the first to see Canada's increasingly popular "Les Deux Follets" when the troupe of 60 singers, dancers and musicians comes here this evening.

The program, third in the current series of the Big Spring Concert Association, will be presented at 8 p.m. in the Municipal Auditorium.

This marks the first year that the Canadian National Dance Ensemble has toured the United States. Organized only 12 years ago by its director, Michel Carlier, it is composed of French-Canadian who unveil the cavalcade of Canada in authentic, fast moving and colorful dance and music routines.

This is accomplished in 10 suites beginning with the "Indian Betrothal Ceremony," which climaxes with a celebration that is halted by the appearance of the white man. Thus, the panorama swings "On the Trail" for a time with the pioneers, then to "The Gold Hunt" along the St. Lawrence. Then comes the "European Settlers," "The Hamatsa Ritual," "The Arcadia passage," "Old France in the New World," and autumn in Nova Scotia in "A Milling Frolic," followed by "The Eskimo Walrus Hunt."

The finale is a gay evening on the shores of the St. Laurent and features an Irish jig, the co-lection and broom dance of the Scouts, and others, along with a foot-tapping fiddler and spoon clacker, to conclude in a wild burst of song, dance and color.

"Les Follets" takes its name from the legendary goblins, or will-o' wisps, and sudden flames. Last year when Queen Elizabeth visited Canada, Les Deux Follets was featured on the Royal Variety Show, and it was chosen as one of the four shows to be presented in the commonwealth festival of Great Britain. With achievement of professional status as result of contributions by the government, and industry, technical ballet and folk dance masters have polished the program into a fast moving and entertaining affair.

Art Wall Leads Panama Tourney

PANAMA (AP) — Art Wall, the Caribbean conqueror, is back at his old stand.

The only golfer in the 10-year history of the Caribbean golf tour to gain a championship in every tournament, Wall started the 1966 tour with an opening-round 69 in the Panama Open Thursday and a first-place tie.

Wall, of Honesdale, Pa., fired a three-under-par 33 on the front nine and settled for an even-par 35 coming in, tying with Bob McCallister of Corona, Calif., and Canada's Wilf Homeauk.

Wall won the Panama Open last year, becoming the first to win a title in each of the tour's tournaments. This year's schedule, slightly abbreviated, continues with tournaments in Bogota, Colombia and Maracaibo, Venezuela.

One stroke back of the leaders was Robert Clark of Monroe, Mich., who shot a 35-35-70.

Forsan Schools Consider Building

FORSAN—The Forsan school board has extended contracts of administrators, is considering building plans, and has called the annual trustee election.

Darrell N. Flynt, who has been serving as acting superintendent since Aug. 1, is named superintendent and given a contract through the 1966-67 school year.

Willis R. Cregar was re-elected elementary principal, and Bill Cluck was renamed junior high principal.

The board will have a special meeting Monday evening when it will discuss problems of space and facilities, as well as a re-organization proposal for the schools. Carter Johnston, fiscal agent, has been invited to attend the meeting.

The board has given final approval to a revised policy handbook for Forsan schools. A 54-

Center Has 18 Volunteers

Mrs. Ronald Gregory and Mrs. Roy Granbery were elected temporary chairmen for the Howard County Rehabilitation Center Volunteer Auxiliary at an organizational meeting Thursday night at the center. They will appoint a nominating committee to elect officers.

Eighteen prospective volunteers attended the meeting and were shown slides of the center's work by physical therapist Jim Thompson.

An orientation meeting will be held Tuesday, Feb. 22, at 7:30 p.m. in the center to explain more fully the duties of the volunteers, Thompson said. He invited anyone interested in becoming a volunteer, who was not able to attend Thursday's session to make plans for Tuesday's meeting.

HEART FUND DRIVE SET

Several score Heart Fund volunteers will be ringing doorbells in Big Spring Sunday to distribute educational material on heart disease and to receive Heart Fund contributions marking Heart Sunday.

Dr. C. L. Alsworth, president of the Howard County Heart Council, said that anyone who will not be home on Heart Sunday, but who would like to make a contribution, may call one of the Heart Fund volunteers. The drive will kick-off early Sunday afternoon and last until early evening.

Coat Stolen From Parked Car

Raul Rodriguez, 503 N. Johnson, told officers yesterday he was coming out of the Spanish Inn parking lot, 200 NW 3rd, Wednesday night when he discovered his jacket missing from his car.

He said he saw a Latin-American he knew and a Negro man he did not know walking down the alley nearby. He said the Negro man had his coat.

Officers said the Latin was contacted later by Rodriguez, and told him the Negro had already sold the coat. Rodriguez said his acquaintance told him he did not know the Negro's name, or where he sold the coat.

Bank Auditors Slate Meeting

The National Association of Bank Auditors and Controllers (NABAC) will meet at the Odesa Country Club Thursday night, Feb. 24, for the regular monthly meeting.

Preceding the regular business meeting, there will be a short panel discussion on "Telephone Etiquette" beginning at 7:20 p.m. This panel will be composed of four employees of the Southwestern Bell Telephone Company. As guest speaker N. A. Moore Jr., vice president of the City National Bank, Wichita Falls, will speak on "Public Relations." Moore is a national past president of NABAC.

Six Youths Admit Thefts

Six local youths admitted to City Detectives Sherrill Farmer and Jack Jones a number of cases of vandalism, Farmer said today.

Among the admitted wrongs the six allegedly admitted were the theft of tools and toolboxes, vandalism to a horse lot at Northeast Second, and involvement in burglaries and prowling and stealing in Howard County.

Farmer said a number of stolen items have been recovered by his office.

One of the youths admitted taking a pair of boots from a home, and putting his old boots into the kitchen refrigerator.

"After he stole the boots," Farmer said, "he told us he found that they didn't fit him. But he had left his in the refrigerator and couldn't go back for them." The boots were among the stolen items detectives said they have recovered.

Some of the evidence will be turned over to the sheriff's department for their investigation of the burglaries and thefts which occurred outside the city limits, Farmer said.

The youths will shortly be turned over to the juvenile officer.

Koch Upsets Mexican Ace

SALISBURY, Md. (AP) — Tomaz Koch, Brazil's one-time boy wonder, is now a man — and ready to put in his bid for world amateur tennis honors.

"I suppose I only needed to mature," the tall, 20-year-old left-hander from Porto Alegre in the province of Rio Grande do Sul said today.

"Up to now, I have not managed to put good matches together."

Koch scored his second major upset in the National Indoor Tennis Championships here Thursday night, beating Rafael Osuna of Mexico 6-3, 6-4 to enter the semifinals. On Wednesday he had knocked off top-seeded Dennis Ralston.

"I am getting more confidence, and that is very important," the handsome Brazilian said. "I plan to go from here to Los Angeles and work for six weeks with Pancho Segura."

"Then I'll go to Europe where my primary aim is to win Wimbledon."

Plead Guilty, Both Pay Fines

Odell Hammond was fined \$25 and costs Thursday in county court by Judge Lee Porter after pleading guilty to a charge of writing worthless checks.

Crommer George Thomason was released from jail after paying a fine of \$25 for no driver's license by Justice of the Peace Walter Grice. He pleaded guilty.

Table with weather forecast information for various cities including Big Spring, Abilene, Amarillo, Chicago, Denver, El Paso, Fort Worth, Houston, New York, Phoenix, San Antonio, St. Louis, and Tampa. It lists high and low temperatures for the day and the following day, and includes a section for precipitation probabilities.

Weather Forecast section with a map showing temperature zones and precipitation probabilities. The map covers the central and southern United States, with labels for different weather systems and their expected paths.

Play In Meadow Tonight

The Sands Mustangs, District 71-B basketball champions for the second straight year, visit Meadow tonight for a practice tilt with that school's team. The Ponies are marking time for their Tuesday night bi-district tilt with Imperial, which takes place in the Mid-

land High gymnasium. Four members of coach Arlen White's Sands squad are pictured above. They are Randy Hamrick (23), James Lemon (35), C. L. Williams (25) and Larry Oaks (31). (Photo by Danny Valdes)

Charles Coody Leads At Tucson With 67

By BOB EGER
Associated Press Sports Writer
TUCSON, Ariz. (AP) — Charles Coody carried a one-stroke lead into today's second round of the \$60,000 Tucson Open Golf Tournament, but no less than 20 other par-busters were within three strokes of the 28-year-old Texan.

Coody recovered from a first-hole bogey Thursday to fire a five-under-par 67 and capture the first-day lead. Applying the most pressure were Dick Lotz and Masou Rudolph, who had 68s.

Doug Sanders, Larry Griggs, Joe Campbell, George Archer, Jay Dolan, Gardner Dickinson Jr., and Bob Johnson were tied two strokes back at 69. Sanders and Dickinson have been among the pro tour's hot-

Steer Linksters In 2-4A Debut

Coach Dan Lewis has taken his Big Spring High School golf team to Midland today for the first round of competition in District 2-AAAA.

The 18 holes of action was to be unreeled at Hogan Park, where par is 72. All member schools in the conference will have teams in competition, some of them two squads. Competition was to begin at 11 a.m.

As is customary, a round of competition will be held in each member city at two-week intervals. Rules permit a team to enter five boys into competition and use the four low scores.

Jaure Has 9.8 Clocking In Practice Meet Here

Coach Cliff Patton lauded the efforts of his athletes after his Big Spring Steers engaged in a practice track and field meet with Snyder here Thursday afternoon.

The Longhorns are sharpening their skills for their official opener, which takes place in the Comanche Relays at Fort Stockton a week from Saturday. No points were kept in Thursday's scrimmage but among the better efforts by the Big Spring team were Joe Jaure's 9.8 hundred, 19.7 180-yard low hurdles and 22.7 furlong—all winning efforts.

In addition, Bobby Baker ran a 14.8 high hurdles. Charles Thompson broke the tape in 4:50.2 in the mile run while Gary Morris was clocked in 4:55.2 in the same event. Both boys beat Snyder's champion miler by over 100 yards. Mickey Shannon, a junior who is out for track for the first time, was timed in 5:01.3 in the mile.

Astro Games On Air Here

Bob Rogers (right) of radio station KBYG Big Spring, shown above with Houston Astro owner Roy Hofheinz in a recent meeting at Houston, has announced that the local station will again carry play-by-play accounts of the National League games this season. The Astro broadcasts will get under way March 10, when the Houston club meets Minnesota in Orlando, Fla. First home game of the Astros will be March 19, when the Los Angeles Dodgers invade the Astro-dome for a night game. The regular National League season gets under way for Houston Tuesday, April 12, at which time the Astros will be playing in Los Angeles.

Kirk Named Cat Mentor
LITTLEFIELD — George Kirk of Cameron will assume duties March 1 as head football coach at Littlefield High School.

Engle Quits Coaching Job
UNIVERSITY PARK, Pa. (AP) — Charles A. (Rip) Engle announced his retirement today as head football coach at Penn State, signaling the end of an era at old Mount Nittany.

Clay Likely Will Oppose Ern Terrell

LOUISVILLE, Ky. (AP) — Chances are the heavyweight title fight between Cassius Clay and Ern Terrell will be staged on March 29 as scheduled, despite Clay's 1-A draft classification.

Clay, in Miami training for the fight, said he will appeal the classification assigned him Thursday by Local Board 47. "I don't know just how I'll appeal. I don't know anything about the law. I just know I will."

Clay has been classified I-Y, which is unacceptable for military service, because he scored less than the required standard on the mental aptitude tests of his pre-induction examinations. The Army lowered its standards, due to the increased manpower needs in Viet Nam, and Clay's qualifications satisfied the new requirements.

Schayes Says Club Can Win

LOS ANGELES (AP) — The way Dolph Schayes looks at it, his Philadelphia 76ers have a good chance to win the Eastern Division title of the National Basketball Association.

Philadelphia has manhandled the Lakers in eight of their 10 meetings this year and Thursday night was no exception as the 76ers pounded Los Angeles 136-121 at the Sports Arena in the only game scheduled in the NBA.

Cisco Wranglers Accept Offer To Play In Meet

The Cisco College Wranglers have accepted an invitation to participate in the Region V tournament at Amarillo March 3-5. Winner of that tournament goes to the National Judo meet at Hutchinson, Kansas.

Hero Of '46 Meet Has Rugged Quint

By TED MEIER
Associated Press Sports Writer
Rhode Island from defeat against Bowling Green in the NIT quarter-finals. Calverley and Ern Terrell were the headlines in college basketball today.

Back in 1946 Calverley scored a historic 55-foot field goal in the last two seconds to save the team. Now coach at his alma mater.

Calverley saw his Rhodes score a decisive 84-61 upset road victory over the nationally ranked Providence Friars Thursday night. It shattered Providence's 39-game home winning streak.

LOOKING 'EM OVER

With Tommy Hart

Does Big Spring have 1,575 golfers who swing a club regularly or even occasionally? An official of the National Golf Foundation says there are about 45 golfers for each 1,000 population across the land and the population of the city is said to be about 35,000.

Lloyd Harrison recently read an item here to the effect that Big Spring Runnels Junior High won its first Midland JH basketball tournament crown this season and begs to differ.

Babe McCarthy, who coached Mississippi State to four South-eastern Conference basketball championships in seven years, wants to return to coaching.

Kurt Papp, the HCJC cage star who spent last summer in Chicago, has told intimates he would like to finish his schooling at Northwestern University in Evanston, Ill.

Ole Miss figures to field its best football team in many years this fall. Texan Johnny Vaughn is beginning his 20th year as coach of the Rebels. He loses only 11 seniors off his 1965 club.

Plans for a March 12 high school invitational track and field meet here fell through because Midland and Plainview are planning cinder carnivals at the same time.

Alabama's Bear Bryant wants no part of coaching a pro team but he may have cause to regret an offer he passed up 15 years ago.

At that time, George Preston Marshall of the Washington Redskins tried to lure Bryant away from the collegiate ranks with a salary inticement of \$25,000 plus a stock option of 25 per cent. Furthermore, Marshall would have loaned Bryant the money to make the purchase.

That same Redskin stock would be worth \$2 million today.

Group Will Study Plan To Move Cage Tourney

AUSTIN (AP) — A Texas Inter-scholastic League committee will study this spring whether the time and place of the state schoolboy basketball tournament should be changed.

The tournament, for the state championship in five conferences, traditionally has been held in Austin the first weekend in March.

that the tournament be spread over two successive weekends rather than one and that it be moved to a larger fieldhouse.

Dr. Rhea Williams, league director, said he thought the committee's report should be ready this fall for a final decision by the league's legislative council.

The council is composed of a school superintendent or principal from each of the league's 22 regions.

Williams said another committee will be set up this spring to consider possible realignment of the league's system of classifying schools into five conferences—B, A, AA, AAA and AAAA. He said the committee's report probably would not be issued for a couple of years.

Packers Seek Replacement For Q'back

PALM BEACH, Fla. (AP) — Wanted: young quarterback to serve as apprentice for Bart Starr and Zeke Bratkowski. Great chance for advancement if willing to sit and wait. Must like winter sports. Best fringe benefits.

Vince Lombardi, coach and general manager of the Green Bay Packers is on the prowl for a young passer to take the place of Dennis Clardige, who apparently grew tired of waiting on the packer bench.

Lombardi took a chance on Clardige in the Atlanta expansion draft and lost the former Nebraska star to the Falcons in the stocking program.

Cynical observers think Lombardi, who drives a hard bargain, had a deal set up or in the making when he put Clardige on the list. Others say the young man wanted a chance to try his wings.

This is the way Lombardi explained the situation Thursday as the National Football League meetings ended:

"Look at it this way. We won last year and we think we have a chance to win it again. That means Bart and Zeke will do most of the playing. Clardige would have had a third year sitting on the bench.

"I would like to get another young boy to bring along. I've got something to offer and some of the clubs may need what I have. I would like to have a third quarterback and I'll have one."

Lombardi said he had no intention of trading Paul Hornung or Jim Taylor, his regular running backs, before training camp opened. He has Tom Moore and Elijah Pitts, two additional veteran running backs, plus his highly touted rookies, Don Anderson of Texas Tech and Jim Grabowski of Illinois.

The league meetings ended officially Thursday but the main business was transacted Wednesday when the Atlanta club was stocked with 42 experienced players.

No action was taken on expansion other than to repeat the league's desire to operate with 16 teams in 1967. Presentations will be made by interested cities at the spring meeting in late April or May at a site to be determined later.

Commissioner Pete Rozelle said seven cities still were in the running. They are Boston, Cincinnati, Houston, New Orleans, Phoenix, Portland, Ore., and Seattle.

School Aid Slash Faces Opposition

WASHINGTON (AP) — Stiff resistance is growing in Congress to President Johnson's proposal to cut \$216 million from an aid program for public schools in areas with large concentrations of federal workers.

The program has been a congressional favorite since it began in 1950 and there is little enthusiasm for Johnson's recommended slash of 57 per cent in its budget.

Under Johnson's proposal, 2,039 counties in all 50 states, plus the District of Columbia, would face heavy cuts in the federal funds they are now using to build schools and to pay teachers' salaries and other operating expenses.

CALIFORNIA MOST
San Diego County would lose \$6 million, Los Angeles \$3.6 million and the state of California as a whole, \$35.4 million under the new approach. Texas would suffer the second biggest reduction — \$13.9 million. Many Southern and Western cities near military bases would lose nearly all of their allotments.

Some school authorities have warned their representatives in Congress that the school year may have to be shortened and salaries cut if the reduced budget is approved.

The program was originally designed to help school districts near large military bases which bore the double burden of having to educate the children from the bases while their tax base was reduced by federal property ownership. It has since been greatly expanded to take in the children of civilian federal employees wherever they comprise more than 3 per cent of the school district's enrollment.

TOP \$400 MILLION
At present, expenditures for the program top \$400 million and the school districts which receive the aid count on it for a substantial part of their budget.

Viewing the steady expansion and growing cost of the program, the last three administrations have tried to cut it, but without success. Johnson is relying on the big, broad school aid program enacted by Congress last year to take the sting out of the cuts he is now proposing.

Road Crash Kills Three

BENJAMIN, Tex. (AP) — A highway crash killed three members of one family and injured two other persons eight miles east of here in Knox County Thursday.

State patrolman Ron Fullerton said the two cars collided near the center of US 82 on a mild curve.

Joe R. Joiner, 28, of Tatum, N.M., died in the crash with his wife Patsy, 27, and their son Jimmy, 4.

The injured are Joe Joiner, 6, in critical condition; and Suzette Joiner, 18 months, and Douglas F. Norman, 33, of Paris, Tex., both in good condition. They were taken to a Wichita Falls hospital.

Norman was alone in one of the cars.

Medical Arts Building Sold

DALLAS (AP) — "Tax purposes and financial reasons" prompted the sale of Dallas' downtown Medical Arts Building to an affiliate of the Republic National Bank, Edward H. Cary Jr. said Thursday.

He heads Cary-Schneider Investment Co., which sold the property to the Livingston Corp. of Delaware for an undisclosed sum.

The deal was closed Jan. 14 and courthouse records show Cary-Schneider paid off a \$4,651,250.98 note held by Republic National Bank the same day.

Cary said his firm immediately leased the office and hospital building back from the new owners.

Lions Mark Valentine Day

STANTON (SC) — The Stanton Lions Club honored the ladies Tuesday evening at Cap Rock Electric Auditorium with a banquet and valentine program, with John Wood as master of ceremonies. Program chairman Tom Ed Angel brought a valentine message and introduced Doctors Allen and Sue Fisher who sang classic love songs.

Mrs. Mildred Eiland directed the games and a whiz of a quiz contest. Lion Sweetheart Pauline Wood was honored with a floral corsage.

Mr. and Mrs. Bill Terry were guests. Terry is associated with the First National Bank of Stanton, and has established residence for his family at 406 W. Carpenter St.

Viet Policy Quiz Winding Up, Senate Panel Turns To Rusk

WASHINGTON (AP) — The crackling Senate probe of Viet Nam war policies draws toward a climax today with the administration using Secretary of State Dean Rusk as its chief — and possibly final — witness for the defense.

By returning to Rusk, the Senate Foreign Relations Committee made a full turn of the circle. The sometimes heated hearings got under way a month ago before the resumption of North Viet Nam bombing and the Honolulu conference, when

Rusk appeared for a rather routine session and got a long grilling from doves and hawks.

Since then the sessions have become the storm center of Viet Nam debate. Thursday presidential adviser Maxwell D. Taylor suggested — with the French loss in Indochina in mind — that the war could be won in Viet Nam but lost by dissension at home and expressed belief that "good strong nerves" are needed.

FULL HOUSE
Taylor told the committee

members that the Communists clearly are not convinced that the United States is irrevocably committed to the support of South Viet Nam.

"They have not forgotten that the Viet Minh won more in Paris than in Dien Bien Phu and believe that the Viet Cong may be as fortunate in Washington," he said.

At the close of Thursday's session — played to a full house and enlivened by some sharp exchanges — Fulbright said no more witnesses were scheduled, although he would still like to question Vice President Hubert H. Humphrey about his Asian trip.

Also, Fulbright said, the committee still must decide what it wants to do about Secretary of Defense Robert S. McNamara.

McNamara, with President Johnson's backing, has declined to be questioned about the war in public for security reasons. Fulbright said he had understood that Taylor, as former chairman of the Joint Chiefs of Staff and former ambassador to Saigon, was more or less pinching an administration military spokesman.

Taylor, however, explained he was only a part-time consultant and, with a smile, described his official role as an "indignant citizen."

HEAR McNAMARA
Fulbright said the committee may want to hear McNamara in a closed session, but he added that he couldn't force Humphrey or the defense secretary to appear.

"If the administration doesn't want to make its case," he said, "we have to do the best we can with the witnesses available. . . I would think the normal reaction would be to welcome a forum."

Taylor made good enough use of the forum Thursday to draw praise from committee members on both sides of the Asian policy debate.

To committee members worried that, as Sen. Albert Gore, D-Tenn., put it, "there are no limits on forces employed insofar as our policy is concerned," Taylor gave this answer: "Our ultimate objective is bringing Hanoi to change its

course of action. That will be, in my judgment, when first it is clear that there can be no military victory for the Viet Cong in the South. That does not mean that they will be all eliminated, that does not mean they are all captured or rounded up; it means a highly unfavorable military situation (for the Viet Cong) in South Viet Nam.

"Secondly, there has to be clear evidence that our air strength in North Viet Nam is going to apply continued pressure and they are going to suffer continuing losses and pain

from the air in the North. "Third, they are — the picture must include also the existence of a reasonably viable, reasonably stable, reasonably efficient government in Saigon, and fourth there must be the picture of a determined United States back home that is not going to be forced off course."

When all four conditions are met, added Taylor, "I am convinced we will then have brought Hanoi to the point they are willing to talk in a sincere way at a conference table."

BIG SPRING DAILY HERALD

SEC. B BIG SPRING, TEXAS, FRIDAY, FEBRUARY 18, 1966 SEC. B

Ready — Fire!

This rattlesnake gives a demonstration of the lightning speed with which it can strike. Frank Brandon caught this Diamond-back as it coiled and cocked in response to agitation. Then faster than the camera lens could record, the rattler tripped open his gaping jaws and struck at his imagined enemy. This is one of the "critters" which will be on display at the Jaycees' third annual Rattlesnake Roundup March 4-5.

Coahoma Show Slated Saturday

COAHOMA (SC) — Achievement Day for the FFA boys and the FHA girls, is to be held Saturday starting at 1 p.m. at the school.

Terry Denton will serve as general superintendent, and other division heads will be: Troy Graser, lambs; Carl Dorton, swine; Eddie Read, steers; Robbie Haney, dog show.

Judge for the livestock will be Dewey Baucum, agriculture teacher from Midland High School. Dog show judge will be

Open House Set

STANTON (SC) — Supt. Beryl D. Clinton has announced tentative plans to hold an "open house" of the new Stanton Underground Primary School Sunday afternoon, March 12. The Stanton School Board is to inspect the new building and accept its completion.

Bill Tubb, president of the Big Spring Kennel Club. There will be four classes of lambs—fine wool, cross bred, medium wools, Southdowns, and there will be a grand champion as well as class champions. Events include the dog show, barrow show, divisions of lightweight and heavy-weight steers. A trophy for the winner of each division will be given. Trophies will be awarded for showmanship for each division. The prizes for the dog show will be dog food given by John Davis Feed Store (first place 25 pounds, second place 10 pounds, and third place will be 5 pounds). Ribbons will be given through sixth place.

The FHA will have three divisions — cooking, knitting and sewing. The Young Homemakers will enter the adult divisions, and they will have cooking, knitting and sewing also. Judges for these divisions will be Mrs. Frances Swann, Mrs. Lib Shields and Mrs. Virginia Allen. All ribbons and trophies will be furnished by the Coahoma State Bank.

Vendors Visit Webb Today

Friday, the Webb Air Force Base Procurement office held an open house for local vendors, according to Capt. George H. Podrasky, procurement officer, who said it was extremely successful. Approximately 50 business representatives toured the new facilities of base procurement. A highlight of the tour was an explanation of the new UNIVAC 1050-2 conversion which utilizes modern computer equipment.

"The purpose of the open house was to acquaint the vendors with the personnel of base procurement and give them an opportunity to see the new facilities," said Capt. Podrasky. "It also gave vendors and Webb personnel a chance to meet and resolve informally some of their communications problems," he added.

The open house was scheduled during normal coffee-break time to allow vendors the opportunity to get away from their work with the least amount of interruption to their business activity.

Society Tours Stanton Church

STANTON (SC) — A tour of the former Convent and Academy of Our Lady of Mercy in Stanton was made recently by members of the Midland County Historical Survey Committee. Making this tour, which was conducted by Franchelle Moore, owner of the property, were Mrs. John P. McKinley, committee chairman, and Mr. and Mrs. Willis Keising, Mrs. H. N. Phillips, Mrs. M. W. Collie Jr., C. W. Edwards, Mr. and Mrs. Ralph Hickman, Mrs. Porter Rankin, Bill Simmons, and Catherine and John Arrington, Mr. and Mrs. Keising's grandchildren.

The building was built 82 years ago by Carmelite monks, who lived in the monastery until the Sisters of Mercy arrived to operate a Catholic boarding school. The sisters ran the school until 1936, when a tornado destroyed all of the academy, but the remaining structure. It has been awarded a Texas Historical Society Medallion.

Kiwanians Ready For Pancake Feast

Kiwanians converged on the Howard County Junior College Student Union Building at 2 p.m. today to begin preparation for the 14th annual Kiwanis Club pancake supper.

Bacon cookers were the first

to report. They showed up at 2 p.m. The others reported at 4 p.m. The serving begins at 5 p.m. and the guests will be served until 8 p.m.

Tickets are on sale from Kiwanis Club members or can be bought at the door of the HCJC SUB.

Price is 75 cents. Menu consists of all the pancakes, syrup, bacon and coffee the diner wants.

All profits from these annual suppers go to the club's work with boys and girls.

Announcement has been made that plans to sell packets of

ready-mixed pancake flour, assembled in accordance with the popular Kiwanis recipe, have been cancelled.

Bob Bradbury, chairman, said that difficulty was encountered in properly packaging the flour and that it had been determined the club could not afford to sell the packets at the price of 25

cents which had been planned. Announcement of general plans for the supper were made Thursday at the regular meeting of the Kiwanis Club.

Program for the day featured Carroll Davidson, manager of the Big Spring Chamber of Commerce, who told the Kiwanians the way a chamber of commerce functions. He recited the goals and objectives of the

Big Spring Chamber of Commerce and asked Kiwanians to submit suggestions for widening the program of his organization.

AT&T Lists Peak Earnings

NEW YORK (AP) — The American Telephone and Telegraph Co. has come in second behind General Motors in net earnings for 1965.

The annual report of the world's biggest corporation Thursday showed record net earnings of \$1,796,094,000 for 1965 compared to GM's \$2,126,000,000.

In 1964, AT&T had earnings of \$1,658,606,000 and GM \$1,735,000,000.

The 1965 AT&T report showed operating revenues and other income of \$11,323,000,000, compared to \$10,566,948,000 in 1964.

The company reported record net income for 1965 of \$1,550,185,000, equal to \$3.41 a share on the average of 528,635,000 shares. Net income in 1964 was \$1,710,623,000, of \$3.24 a share.

Choking Blamed In Woman's Death

KILLEEN, Tex. (AP) — Mrs. E. R. Bird, about 45, apparently choked to death at her home Thursday night. Police Detective Sherman Griffin said a large piece of meat was lodged in her throat.

Bailey Speaks To Rotarians

STANTON (SC) — Don Bailey, minister of the Church of Christ of Tarzan, was the speaker for the Rotary Club Wednesday. Group singing was directed by Woodford Sale, with Susan Brandt, club sweetheart, at the piano.

Herbert Jones was appointed program chairman for March. The club voted to hold "Ladies Night," Feb. 24, at 7:30 p.m. in the dining room of Belvue Restaurant.

There will be a regular meeting Wednesday, Feb. 23 and Arthur Wilson will meet with any visiting Rotarians who desire to make up attendance.

Visitors introduced were Mrs. Victor Artiz and the following Rotarians, Ed Whorton, Midland; Morris Williamson and Perry Cotham, Big Spring; Stanton White led the pledge to the flag.

Jury Rules For The Plaintiff

A jury deliberated from 4:50 until 7:10 p.m. Thursday in a damage suit brought by Charles Bridges against Gene Allen and Pollard Chevrolet Inc., a nd found for the plaintiff in the amount of \$7,694.40.

The suit, in which the plaintiff sought \$25,000 damages, grew out of a traffic accident Feb. 14, 1965, on the Country Club road.

Ministers In Pastoral Workshop

Eight of the 10 ministers who are participating in the clinical pastoral training workshop at the Big Spring State Hospital met in regular session Tuesday. From the left are Chaplain Richard Johnson, from the State Hospital; Father Jack Gist, Our Lady of Guadalupe Catholic Church, Lamesa; Rev. Jarrell Sharp, Wesley Methodist Church; Rev. Hubert Bratcher, district superintendent of the Methodist Church; Rev. Jim Stephens, College Baptist Church; Rev. Howell Watkins, North Ridge Methodist Church, Lamesa; Rev. Henry L. Salley, Kentwood Methodist Church; and Rev. Russell Nees, Coahoma Presbyterian. Rev. A. J. Montess and Rev. Charles Eckert were not present when the picture was taken. (Photo by Frank Brandon)

Hospital Has 10 Enrolled In Pastoral Training Class

"My goal for pastoring is simply to be with a person rather than to do something to or for him," said Chaplain Richard Johnson, chaplain at the Big Spring State Hospital. And out of this philosophy came the idea for a clinical pastoral training workshop with the ultimate goal of offering an environment within which a pastor may evaluate his professional skills.

The pastoral training workshop at the Big Spring State Hospital, began Feb. 8 and running through March 29 each Tuesday, also provides, Chaplain Johnson believes, an orientation to a mental hospital setting including its languages, methods and attitudes, and a service of approximately 100 hours of pastoral service for the hospital.

Schedule for the Tuesday sessions include approximately two and one-half hours of ward call-

Baptist Temple Plans Extensive Campaign

The Baptist Temple Church, Eleventh Place and Gollad, will conduct a "Tell Big Spring" campaign Saturday and Sunday, in which members of the church will place in each Big Spring home an announcement concerning the Evangelistic Crusade of Baptist Temple Feb. 28 through March 6.

Each of the announcements will contain a four page discussion of the Bible's simple plan of salvation. The booklet has been reprinted 125,000 times, and special editions of 8,000 copies have been prepared for use in the "Tell Big Spring" campaign.

About 200 volunteers have been enlisted to do the work of distributing the announcements, and additional church members have assisted in preparing packets for the individual canvassers. Harley Henry, Sunday school superintendent, has served as general chairman.

A framed map of the city was blocked off into zones and assigned to the Sunday school departments. Department superintendents are Alvin Smith, Gene Grisham, Tolbert Grisham, Clyde Bryan, Mrs. June Henry, Mrs. A. W. Page, Mrs. Donna Newsom, Mrs. Maedell Bennett, Mrs. Lavelle Burchell, Mrs. O. L. Stewart, Foster Shirley, Mrs. Billye Boyer, Mrs. Jan Newham, Mrs. Lois Legg, Mrs. Clyde Bryan and Mary Frances Newton.

Evangelist for the revival will be Dr. L. L. Morriss of Mid-

CHURCH CALENDAR Westover To Extend Ministry

Westover Baptist Church is setting up an auxiliary mission in an effort to extend its ministry in the western part of the city.

Rev. Clint Wallace, pastor, urged everyone in that area to share in the Bible study at 10 a.m. and worship and singing at 11 a.m., and preaching at 5:30 p.m. in an effort to reach the lost in that area.

ASSEMBLY OF GOD—The Rev. Homer Rich, 11 a.m. and 7 p.m., the Rev. Paul Thompson, guest speaker.

BAPTIST—The Rev. James A. Puckett, 11 a.m., "Why Only a Fool Would Say 'God is Dead'"; 7:15 p.m., "Will the Second Coming of the Lord Be Before the Millennium?"

FIRST BAPTIST—The Rev. Robert Palk, 11 a.m., "Which Religion is Christian?" 7 p.m., "The Officers of the Church."

EAST FOURTH BAPTIST—The Rev. Billy Bude, 11 a.m., "Blessed Are the Peacemakers"; 7 p.m., "For Righteousness Sake."

PHILLIPS MEMORIAL BAPTIST—The Rev. Don Sanford, 11 a.m., "God is Alive"; 6:45 p.m., "The Lord's Supper."

COLLEGE BAPTIST—The Rev. Byron Grand, 11 a.m., "Convoy"; 7:30 p.m., "A Message from the Desert."

PARADOX HIGHLIGHTED

The fact that man is a sinner yet was created in the image of God is the paradox presented in the International Sunday School lesson for this Sunday. The text is taken from Genesis 3:1-13, 22-24; Romans 1:18-2:11; Mark 7:14-23; 1 John 1:5-10.

The questions of sin and its cure are discussed in the lesson, what sin is, where it is, and what does man do about it. A major point of the lesson is that sin lies as much in the thing man fails to do as in the thing he does. "If we say that we have fellowship with him, and walk in darkness, we lie" (1 John 1:6).

Sinners are those who let their eyes become hard and sightless to the truth. In time, they cannot see the truth at all, or they refuse to see it when they can. The sinner makes it impossible for himself to see the truth and light of God as he falls deeper, deeper into sin. And, as the lesson points out, perhaps this is the unpardonable sin.

Downtown Group Reviews Work, Still Looks Ahead

Members of Downtown Big Spring, Inc., held their first general meeting in several months Thursday, reviewed their financial status, and looked with a good deal of pride at their first major development—the new off-street parking lot at Second and Main.

This 125-140 foot area is now in the last stages of preparation, and President Adolph Swartz said a date will be fixed soon for a formal opening of the facility, with suitable fanfare.

The non-profit corporation, through subscription from members, purchased three tracts at the mid-city corner and transferred the property to the city of Big Spring, which has done the leveling and surfacing. City Manager Harry Crow said there needs to be only a few more items to be completed before the lot can be put to daily use.

Members present voiced gratification at the work done, had bouquets to pass to the city administration for its cooperation, and also lauded Swartz for his unflinching leadership.

It was pointed out that the parking lot is just the first phase of rehabilitation of the central business district, and that negotiations will be undertaken to acquire other property not adaptable for occupancy and convert it into more parking.

Furthermore, an extensive improvement of the 200 block of Main Street is scheduled for mid-summer. This will consist of changing the street grade so that high curbs are reduced, new paving and sidewalks, and construction of attractive planter areas at crosswalks, these being built out into the street lane so that pedestrian crossing is shorter.

Swartz and other speakers voiced the hope that private property owners will go along with the general improvement, in the modernizing of store fronts.

They said that achievements to date represented an unusual spirit of cooperation and financial participation on the part of most of those owning property or operating businesses in the downtown area.

Secretary-Treasurer Robert Currie reported the organization has assets of \$121,114.27. This includes cash in bank of \$8,434.27, and pledges still due (they were made to cover a three-year period) of \$112,680.

The corporation owes notes to banks for the property in the amount of \$68,020, so that total of cash and pledges runs \$50,093.37 over liabilities.

Deel Rites Saturday

Services for James E. (Jim) Deel, 77, 1011 Wood, who died Thursday, will be held Saturday at 2 p.m. in the Nalley-Pickle Rosewood Chapel. The Rev. Homer Rich, First Assembly of God, will officiate, assisted by the Rev. Claude Cravens, Trinity Baptist Church. Burial will be in Trinity Memorial Park.

He leaves his widow, Mrs. Maudie Viola Deel, Big Spring; three sons, Avery Deel and Lindsey Deel, both of Big Spring, and Ollie Deel, Abilene; two daughters, Mrs. Harley McGaugh, Big Spring, and Mrs. W. L. Robinson, Garden City; six brothers, two sisters, 29 grandchildren and 36 great-grandchildren.

Grandsons will be pallbearers.

Juvenile Jury, Safety Driving System Endorsed

General proposals which might lead to community action to help alleviate the city's traffic problem were endorsed by the Chamber of Commerce's public health and safety committee Thursday evening. Jay Banks, police chief, made the proposals.

Banks called the recent traffic accident record in the city "pretty bad, terrible, in fact," he said police cannot alone solve the tremendous problems of public safety in the city.

"DO SOMETHING"

"In recent weeks I have been approached by many individuals and representatives of groups who have expressed a desire to do something," Banks said.

He proposed two general suggestions to the committee. One would be a "T-Man" system, working through the city traffic commission.

"A designated number of citizens would be carefully selected," Banks said. "These would be indoctrinated in their duties and furnished card forms to note the license number, location, time and date and type of traffic violation observed." The cards filled in by the "T-Men" (traffic men) would be sent to the traffic commission and the commission would check the license number and get the name of the registered owner of the car. A letter would be sent to the registered owner, calling attention to the violation.

Banks said such a system would not involve the police. It would be a system that would call violators' attention to the fact that ordinary citizens are aware of violations and disapprove of them. No prosecution of such violators would be undertaken, Banks suggested.

NO SPYING

He said the suggested system would "eliminate the stigma of spying by police as found in similar systems in operation elsewhere."

He said many Big Springers have shown interest in a "juvenile jury" system in connection with city court. Banks said the success of such a project would "depend on broad community participation."

He suggested the committee appoint a sub-committee to study the operation of such systems in other nearby cities.

"Some local attorneys might be invited to volunteer their services as appointive judges," as the regular city court judge is employed on a part-time basis, Banks said.

He also suggested teenagers as acting state and defense attorneys for juvenile traffic violators, and that lawyers show them what to do, and that the attorney acting as judge guide them during the trial.

DEFENSIVE DRIVING

The juvenile jury for traffic violators would lead to other developments, such as short courses in professional defensive driving in lieu of fines, Banks said.

"It would seem," Banks concluded, "that a Juvenile Jury" range of ideas and innovations, which could be used to convert young traffic violators into safety conscious drivers. In addition, it might stimulate interest in local government by our young people."

The committee endorsed Banks proposals, and appointed him head of a sub-committee to study the juvenile jury, and asked him to request W. H. Eysen Jr., city judge, to join in the study.

The traffic commission members have already expressed approval of a "T-Man" system, Banks said.

Banks said his suggestions were not solely the fruit of his thinking. "These ideas have been discussed before," he said, "and a number of city officials and citizens have made suggestions. The two I have made are only two of many possible things that could be done on a community basis."

CLINIC PROGRESS

Dr. Preston Harrison, director of the Big Spring State Hospital, made a progress report on the proposed Mental Health Clinic, to be based in Big Spring.

He said a number of things had to be listed so County Judge Lee Porter could have a basis for trying to convince judges in surrounding counties that the clinic is a good idea.

"It is absolutely necessary for us to form a district of several counties," Dr. Harrison said, "before the State will consider us for the clinic." State law requires many detailed services for the clinics, as well as an incorporated district, he said.

"We are gathering the material for Judge Porter," Dr. Harrison said, "and should have it ready within a short time."

One of the many services the clinic would perform would be in-patient and out-patient services. Dr. Harrison said the Big Spring-based clinic might provide visiting teams for patients in surrounding district counties.

SUPPORT

Committee members said they still support the idea of the clinic strongly and are hopeful Big Spring can be qualified and selected for one of the 30 the State will eventually approve.

Banks asked about the status of the attempt to get a child welfare worker for the county for pre-juvenile children.

"We need a welfare worker for these neglected children badly," he commented. "There are a number of pre-juvenile children around who are totally neglected, and they never learn wrong from right. They become juvenile delinquents through no fault of their own."

The suggestion was made that county officials may feel that welfare is being carried out adequately at present and there is no need for a child welfare worker.

"Maybe we run in different circles," Banks said, "but I feel that welfare is not adequate."

The bidding:

West	North	East	South
Pass	1 ♠	Pass	2 NT
Pass	4 NT	Pass	5 ♠
Pass	6 NT	Pass	Pass

Opening lead: Five of ♠

North and South stayed out of an unmakeable six spade contract today; however, South managed to take 12 tricks at no trump thru skillful manipulation of the cards.

North opened the bidding with one spade and South preferred the direct response of two no trump, despite the doubleton heart. Observe that his hand meets every requirement inasmuch as he has protection in all the unbid suits.

North had 19 high card points and partner had announced a holding of from 13 to 15 points. Slam was in the offing if South was near the maximum. In order to indicate the partnership strength, North gave a jump raise to four no trump. This was not to be interpreted as a Blackwood call inasmuch

as no suit had been agreed upon.

South was willing to accept the invitation since he had the maximum of 15 points. He decided to show his spade support on the way up, and he bid five spades. He reasoned that his doubleton heart might produce a ruffing trick in a suit contract. North's values were well distributed, however, and he decided to place the final contract at six no trump.

West opened the five of hearts and South won the trick with the king. Declarer could count nine top tricks in clubs, diamonds, and hearts. If the spades were divided three-two, then that suit would provide enough to go over the top. If spades were distributed unfavorably, however, then some precautionary measures might be required.

A spade was led to the ace and then a small spade was returned from the dummy. East feared that, if he played the king, it might establish the entire suit for the declarer, so he followed with the eight. South put up the queen and West discarded a diamond.

With two spades in, declarer's trick total was now increased to 11. A 12th could be established in diamonds at his risk as long as East was kept out of the play. A diamond was led to the king and, on the return, South finessed the ten. West was in with the queen; however, there was no shift he could make that would prevent declarer from winning the rest of the tricks.

In all, the declarer took two spades, three hearts, three diamonds and four clubs.

Lige Fox, 1693 Stadium, the city health inspector, was injured when his car was in collision with a car driven by Thomas Melton Newton, 2001 Morrison, at the intersection of State 350 and the north service road to IS 20 at 2 p.m.

He was taken to Cowper Clinic and Hospital, where he was reported in "good condition" by attendants this morning.

Officers said Fox's car was going north and Newton's car was traveling west when the accident occurred. Both cars were heavily damaged, and had to be towed away by wrecking services.

A late-night accident, the details of which were still unclear today, injured a man who gave his name as James J. Chandler, Silver Springs, officers said. Officers were unable to determine who was driving the car Chandler was in.

Chandler was kept overnight in the city jail, but was taken to the Veterans Administration Hospital this morning when he complained of back and neck pains. VA attendants said Chandler's condition has not been determined.

The accident happened in the 200 block of North Scurry. The

Lige Fox, Health Officer, Injured In Car Crash

Two traffic accidents Thursday injured two persons, officers said today.

Lige Fox, 1693 Stadium, the city health inspector, was injured when his car was in collision with a car driven by Thomas Melton Newton, 2001 Morrison, at the intersection of State 350 and the north service road to IS 20 at 2 p.m.

He was taken to Cowper Clinic and Hospital, where he was reported in "good condition" by attendants this morning.

Officers said Fox's car was going north and Newton's car was traveling west when the accident occurred. Both cars were heavily damaged, and had to be towed away by wrecking services.

A late-night accident, the details of which were still unclear today, injured a man who gave his name as James J. Chandler, Silver Springs, officers said. Officers were unable to determine who was driving the car Chandler was in.

Chandler was kept overnight in the city jail, but was taken to the Veterans Administration Hospital this morning when he complained of back and neck pains. VA attendants said Chandler's condition has not been determined.

The accident happened in the 200 block of North Scurry. The

Three Solons On Awry Airliner

JACKSONVILLE, Fla. (AP)—A National Airlines plane carrying 53 persons, including three congressmen, burst four of its tires when it made a scheduled landing at Jacksonville Municipal Airport Thursday night.

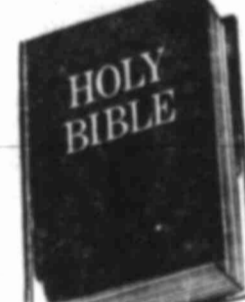

No one was injured.

The congressmen, Arnold Olsen, D-Mont.; Dominick V. Daniels, D-N.J.; and Edward J. Gurney, R-Fla., were en route from Miami to Washington.

The passengers were transferred to other flights.

Other minor accidents involved the truck of Robert Alford Weston, Temple, Ariz., and the car of Delnor Wilton Foss, 4100 Parkway, at the same spot as the accident which injured Fox; the cars of Jerry Lynn Stephens, 1504 Runnels, and James Randle Brackin, 1005 Main, at Seventeenth and Gregg; the cars of Lillian G. Johnson, Sterling City Route, and Edna Taylor Buchanan, Luther, at FM 700 and Scurry; a driverless truck of the 7-Up Bottling Co., which rolled into the car of Virginia T. Lilley, 245-A Langley, in the 7-11 parking lot on Wasson Drive; and the cars of Ronnie Dean Carter, 806 E. Iuth, and Wilda Jene Brown, 605 Main, at Eleventh Place and Knowles.

He said a number of things that welfare is not adequate."

WHAT IS THE SPIRITUAL MEANING OF BAPTISM?

- 1. BAPTISM MISUNDERSTOOD**
Many people believe that baptism is an empty ceremony devoid of real meaning as walking up a flight of steps on one's knees or carrying a good-luck charm. Do you regard it as unimportant and unnecessary? Much of the misunderstanding of baptism is due to a failure to consider its significance.
- 2. BIBLE BAPTISM**
This is the one baptism Paul speaks of in Ephesians 4:5 "there is one baptism..." It is the baptism Christ commanded His disciples to administer until the end of time. "Go... and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit" (Matthew 28:19). It is the water baptism administered by men. "See, here is water; what doth hinder me to be baptized?" (Acts 8:36).
- 3. ITS SIGNIFICANCE**
Some look at the Lord's Supper and see only a piece of bread and a small glass of grape juice. To them it means nothing. Christians see in this observance the body of the Son of God who died on the cross and His blood shed for the sins of the world. Likewise, baptism has a wealth of meaning to those who believe the Bible.
- 4. BAPTISM IS A SPIRITUAL DEATH AND BURIAL WITH CHRIST**
"Know ye not, that so many of us as were baptized into Christ were baptized into his death? Therefore we are buried with Him by baptism into death." (Roman 6:3, 4). As a man is buried in water he presents to the world a picture of the death and burial of Christ and he signifies his faith in that death.
- 5. BAPTISM IS A SPIRITUAL RESURRECTION AND THE BEGINNING OF A NEWNESS OF LIFE**
"That like as Christ was raised up from the dead by the glory of the Father even so we also should walk in newness of life." (Romans 6:4). This is where spiritual life begins. We begin this new life when we are raised with Christ. We show to the world our belief in His resurrection.
- 6. IN BAPTISM WE ARE UNITED WITH CHRIST IN HIS DEATH**
"Now if we be dead with Christ, we believe that we should always live with Him." (Romans 6:8). "For if we have been planted together in the likeness of His death, we shall be also in the likeness of His resurrection." (Romans 6:5).
- 7. IN THIS DEATH, OF WHICH BAPTISM IS A FIGURE, WE ARE JUSTIFIED FROM SIN**
"Know this, that our old man is crucified with him, that the body of sin might be destroyed, that henceforth we shall not serve sin. For he that is dead is freed from sin." (Romans 6:6, 7). It was in the death of Christ that His blood was shed. Thus in baptism we are cleansed by that blood. "Baptism doth also now save us." (I Peter 3:21).
- 8. EVERYONE SHOULD REJOICE IN THE PRIVILEGE OF BEING UNITED WITH HIS LORD IN THIS DEATH, BURIAL AND RESURRECTION. HOW COULD ONE POSSIBLY CONSIDER NON-ESSENTIAL THE VERY ACT WHICH THE BIBLE DECLARES PUTS ONE INTO CHRIST. (Galatians 3:27).**

Dashing new American out-accelerates Corvair, Falcon, Dart at Daytona! Chalks up 24.5 mpg, too!

And it's still the lowest-priced car made in the U.S.A.!

Our '66 Rambler Americans are full of surprises. Two of them just knocked off Corvair, Falcon, and Dart, finishing 1, 2 in the Class VI Acceleration Test in the NASCAR-supervised '66 Pure Oil Performance Trials. Proof of more power for safe passing. How did American do it? With a surprising new Six. The biggest, newest, most powerful standard Six in its class. Yet the same car that won the Acceleration Test, posted a remarkable 24.5 mpg in the Economy Test. (And that was with automatic transmission!)

The Rambler American 220 two-door (shown below) still carries the lowest price of any U.S. car. And now during his 'Big Win Weeks' celebration, your American Motors/Rambler Dealer is pricing his Americans lower than ever.

"Big Win Weeks"
now on at your American Motors/Rambler Dealer. Win a '66 car in his free drawing. Enter today!

Americans don't really come with Rally stripes. They just drive that way!

*Based on a comparison of manufacturers' suggested retail prices.

Win Big at your friendly American Motors/Rambler Dealer!

Defense Oil Demand Met By Industry

WASHINGTON (AP) — The Viet Nam war has stepped up petroleum requirements, but both the industry and the military appear to be meeting the demands without strain.

Allen Calvert of Tulsa, president of the Independent Petroleum Association of America, reports there is a shut-in domestic oil producing capacity of more than two million barrels a day.

This is "enough to cushion any conceivable emergency need for petroleum," he said.

Purchases for the armed forces are made by the defense fuel supply center, which has offices in Alexandria, Va. In the year ended last June 30 it bought 317 million barrels of oil products of all kinds with a total value of \$1.126 billion.

This was up 15 million barrels and \$29 million over purchases in the preceding year. While these figures cover entire petroleum demands by the military, the actual consumption in Viet Nam has increased 300 per cent since last March.

The defense fuel supply center is the world's largest purchaser of petroleum products.

8-B Big Spring (Texas) Herald, Fri., Feb. 18, 1966

DEAR ABBY

Confab For A Harem!

DEAR ABBY: I have positive proof that my husband is running around with five women in this neighborhood. Three live on my block and all have good and faithful husbands. Then

there is a divorcee down the street, and a young widow in the next block. Each thinks she is the only one. I hate to walk down the street because I know who they are. What should I do?

HIS WIFE

DEAR WIFE: If you want to break up the harem, invite them all for coffee and conversation and tell them what they have in common. That should cut down the membership considerably. And don't worry about punishing your husband. The others will take care of that!

DEAR ABBY: A real nice guy who works with me has been looking awfully tired lately, so I asked him if he had not been feeling well. He replied, "Our six-year-old boy has always slept with the wife and me because he's afraid to sleep alone. Now we bought him a dog that's part-German shepherd and part-Labrador, and the boy won't go to sleep unless he has the dog next to him, so I don't get much sleep in such crowded

conditions." He was absolutely serious.

Abby, how idiotic can people be? AMAZED: A father who lets his six-year-old son sleep with him and his wife, and then can't say no when the boy demands to include the dog, is in for many more sleepless nights. This "real nice" guy needs a "real good friend" to tell him what's what.

DEAR ABBY: Years ago I entered into a "shotgun" marriage. The agreement was that we marry to legalize the child's birth, the mother would raise the child, and we would go our separate ways. We never lived together.

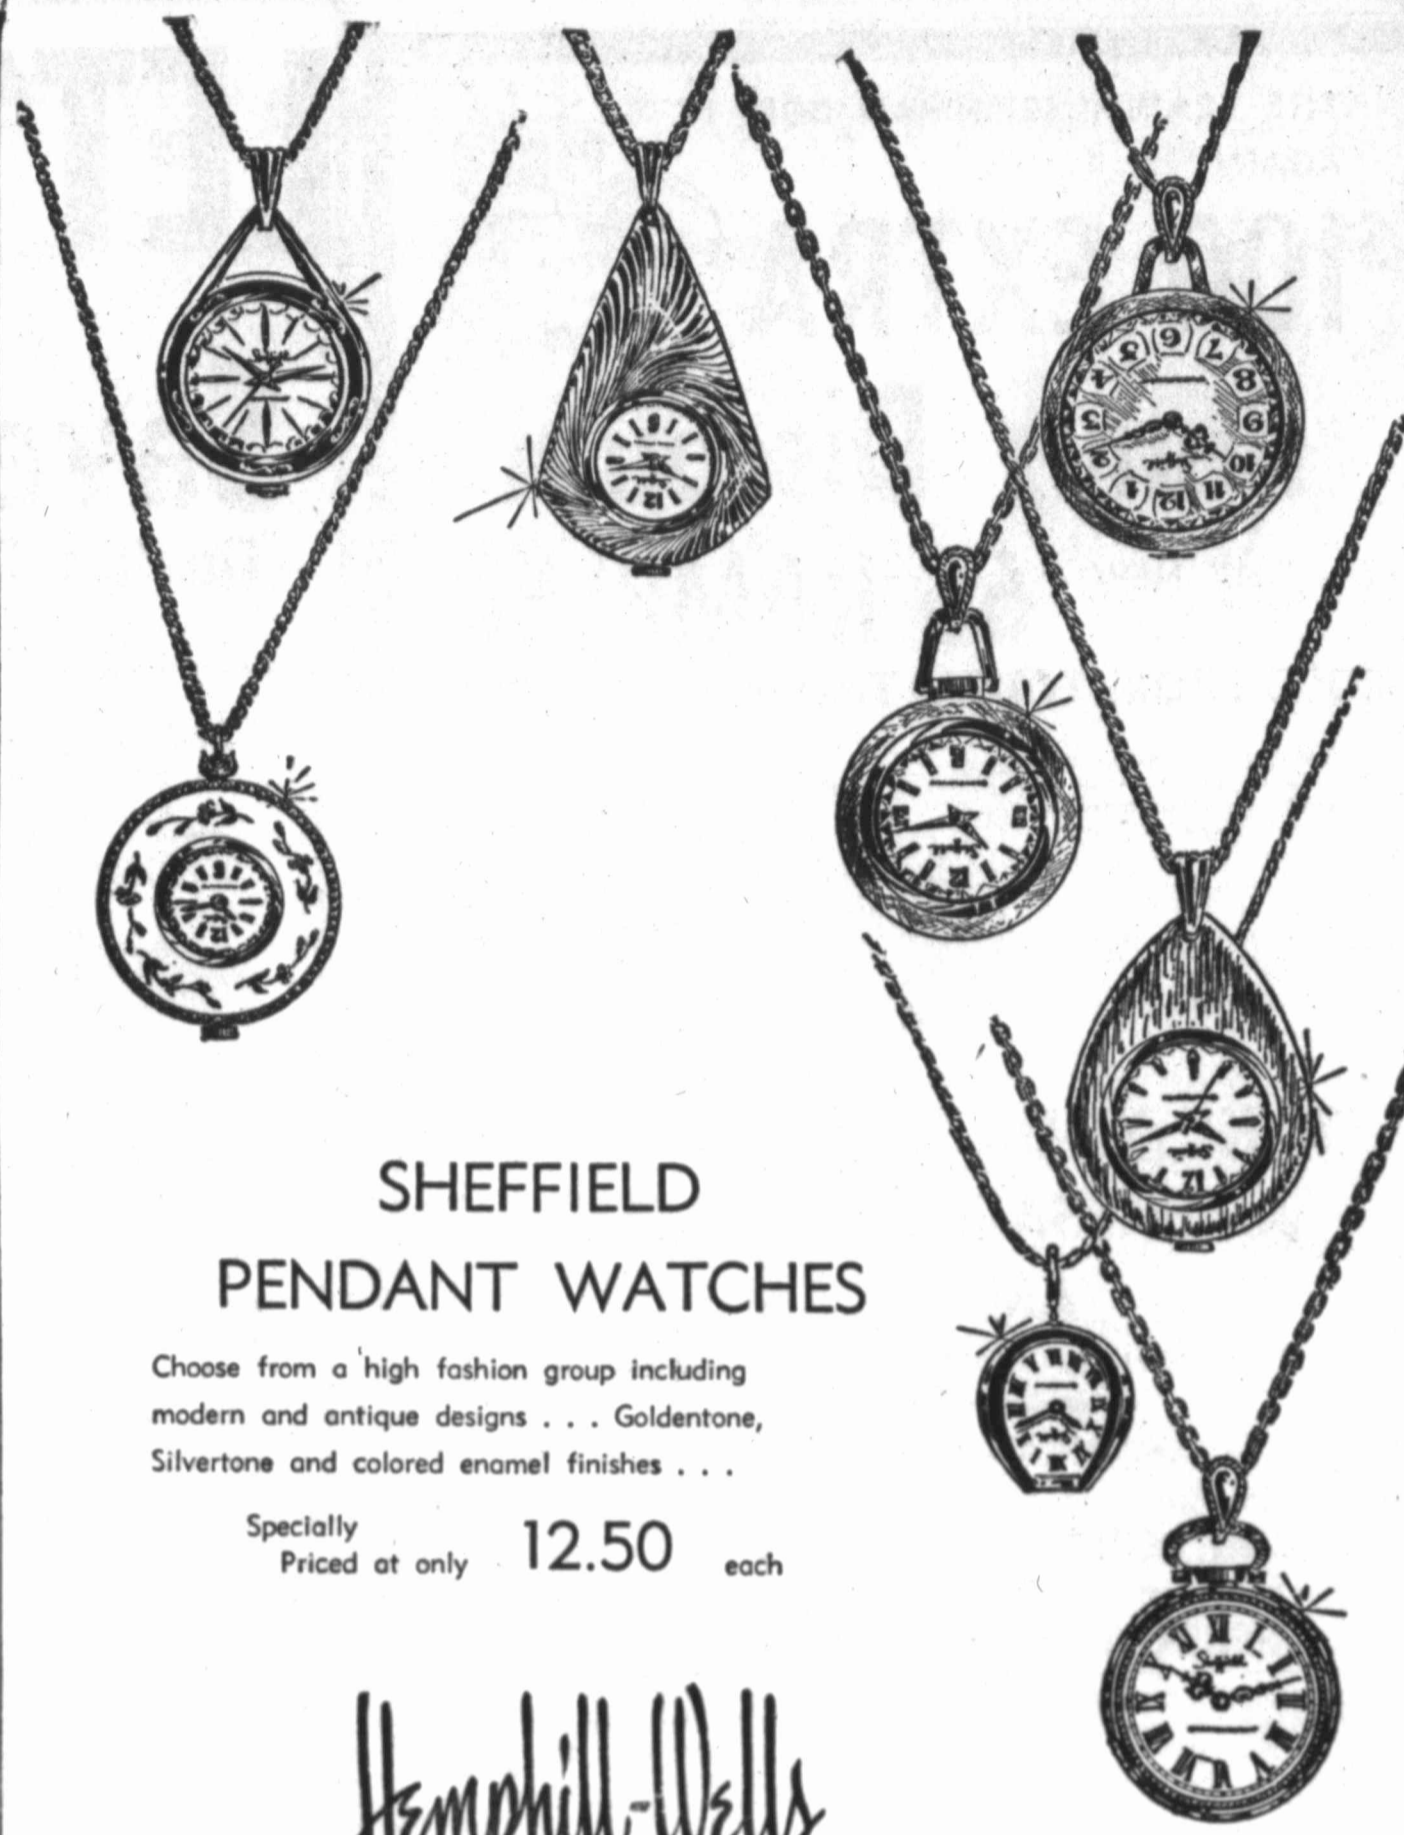

Several years later my "wife" called me from another town to tell me that she had gotten a divorce and had remarried. I then remarried a lovely girl.

The other day my first wife MAILED me some divorce papers to sign! She admitted she had lied to me about having obtained the divorce years ago, and she is just now getting it. Abby, I have a wife and family. How do I get out of this mess without a lot of publicity? Can we secretly marry quickly in another state? For obvious reasons I can't divulge my name, and don't want to discuss this with a lawyer.

DESPERATE: When people have a medical problem, they can't get a doctor fast enough. Why then when they have a legal problem, are they reluctant to get a lawyer? Laws are made to HELP people as well as to punish them, you know. And a lawyer can protect you by telling you what your rights are.

Problems? Write to Abby Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

Lawyer Says Airman Repudiates Statement

DALLAS (AP) — A young airman charged with rape and murder in the slaying of a Seagoville mother has repudiated a statement he made in the case, his lawyer says. John W. Key, Athens lawyer, said Thursday night that Mason Gene Smith, 19, told him that he had nothing to do with the rape-slaying of Mrs. Herbert E. Vann, 45, last Jan. 30. Key told newsmen that the Eustace, Tex., youth signed the statement only after hours of intensive questioning by Dallas County officers and to get rest and peace.

Mexican States Seize Vehicles In Illegal Entries

MONTERREY, Mexico (AP) — An average of two automobiles a day in each of the Mexican states of Tamaulipas, Nuevo Leon and Coahuila, are seized each day by police.

Houston Plans New Schools

HOUSTON (AP) — The largest building program in the history of the Houston School District has been approved by a 4-0 vote after three board members walked out. The \$12 million-plus program was approved Thursday in a special called meeting of the board which lasted only 15 minutes. The three board members walked out when debate was shut off. Board President Bob Eckels then called for the vote. The program authorized planning and the designation of architects for the construction of eight 900 to 1,000-student capacity elementary schools; four 500- to 750-student capacity elementary schools; additions, renovations and rehabilitation of eight elementary schools; and additions, renovations and rehabilitation of secondary schools.

Two-Car Crash Fatal To Infant

WICHITA FALLS, Tex. (AP) — Charles Allen Jr., 14 months old, died Thursday in a two-car collision on a Wichita Falls street. The child's mother was reported in fair condition at a hospital.

day at the Dallas County Court-house, he was asked by witnessing newsmen if he knew what he was signing. He replied: "Yes, sir." Officers said Smith stated that he crawled into the back seat of Mrs. Vann's car and grabbed and choked her until she was unconscious after she got into the auto.

Lanz FOR YOUNG ELEGANCE

Mrs. Vann's nude body was found in her burned car. She had gone to a washateria to do the family laundry. SIGNS STATEMENT When the husky, 6-foot airman signed the statement Thursday at the Dallas County Court-house, he was asked by witnessing newsmen if he knew what he was signing. He replied: "Yes, sir." Officers said Smith stated that he crawled into the back seat of Mrs. Vann's car and grabbed and choked her until she was unconscious after she got into the auto.
