Hurricane Alma Boiling Up Today

MIAMI (AP) — Hurricane Alma, the earliest of the big tropical blows in 15 years, boiled up today in the Caribbean Sea and thrashed toward Cuba. At 11 a.m. (EST), the National Hurricane Center said the winds of the storm had reached hurricane force at 75 miles an hour.

Just six days after the service put into effect its master plan for 1966 storm forecasts, Alma was churning up the waters of the Caribbean 340 miles southwest of Havana and 370 miles from Miami. Not since May 1961, when a 100-mile-an-hour storm threatened the Florida coast, has a hurricane sprung up so early in the season. That one looped to the northeast and fell apart in cold air off the Carolinas.

Alma was moving toward the north-northeast, on a path which would menace Cuba and Florida if maintained. But forecaster Gilbert Clark said a switch to a more northeasterly direction was expected later. If this happened, the storm likely would bypass Florida on the east.

Gales extended outward from the storm center 270 miles to the north and 175 miles to the south. The Weather Bureau warned small craft owners in the northwestern Caribbean, especially around the Cayman Islands and along the south shore of Cuba, to remain in safe harbor.

Alma was centered near latitude 17.9 north, longitude 84.1 west. Its forward movement of only five miles an hour was expected to accelerate during the day.

The storm blew up near Swan Island, a tiny U.S. possession, 300 miles south of Cuba's western tip.

Tornadoes Spin Through Oklahoma Town, 3 Hurt

ENID, Okla. (AP)—Two tornadoes spun out of a dusk time sky Sunday, damaged some 500 homes but injured only three of Enid's 40,000 residents because of advance warnings.

The three were not considered seriously injured. The late-spring funnels hopped a six-block wide and 30 or 40 blocks long, said Chief of Police Dale Moxley. Moxley said "People were alerted by radio warnings and were standing in their yards and saw the storm approaching. This probably saved a lot of lives because they had time to get into protected areas."

Moxley, who lost the front part of his home in the sudden storm, said about 300 homes were damaged to some extent and about 100 persons had to be relocated during the night. Witnesses said more than a dozen homes were demolished. Those who were injured were not believed in serious condition.

The storm-wrecked area, in northern and eastern sections of this wheat-rich growing area, was cordoned off by police while clean-up crews and telephone linemen carried out their chores.

A half-dozen freight cars were blown over and numerous house trailers were overturned. Large trees were felled.

The Union Equity Cooperative Exchange's maintenance building was demolished.

Bob Gaudin, an engineer with Radio KCRB, peered out a window and saw the funnel approaching. "This tornado came straight toward KCRB—in the town of north Enid—and suddenly it veered to the east," he said.

"I saw several large pieces of debris flying by, including one piece that looked like a garage door."

A dozen other funnels were reported in northern and central Oklahoma. There was some damage to farm homes.

T&P Wants To Stop Last Passenger Trains

DALLAS (AP)—A spokesman for the Texas & Pacific Railroad said today the railroad plans to seek permission to discontinue passenger service from Fort Worth to El Paso.

W. C. Schultz, public relations officer, said representatives of the company are on a tour meeting with officials in towns along the route to El Paso.

We are presenting our case to the civic officials to lay the groundwork for asking the Texas Railroad Commission for permission to discontinue the service," he said.

Schultz said the application to the commission is now being prepared, but he could not say when it will be filed.

"Not only has there been a decline in the number of passengers, but we have lost government mail handling contracts, and the service is operating at a deficit," he said.

The two trains involved, one each way every day, is the only Texas & Pacific passenger service to West Texas.

Schultz said there are no plans to make any changes in Texas and Pacific service from Fort Worth to the East.

E. E. Spencer, Missouri Pacific passenger agent, is to meet with representatives here Thursday at 3 p.m.

Near Perfect Landing Climaxes Space Flight

President Phones Congratulations

CAPE KENNEDY, Fla. (AP)—The Gemini 9 astronauts, in a near-perfect climax to their sensational and often troublesome orbital flight, splashed triumphantly to a safe landing in the Atlantic Ocean today and received the grateful congratulations of President Johnson.

Astronauts Thomas P. Stafford and Eugene A. Cernan—the world's new champion space walker—made the most accurate landing in the U.S. man-in-space program.

Johnson Congratulates Cernan

Johnson congratulated Cernan on his 2-hour, 5-minute space walk, saying "that little stroll, Gene, was one of the finest chapters in our whole space story."

PROMOTION

The President said he would nominate Cernan today for promotion to the grade of Navy commander. Stafford had been promoted to Air Force Lieutenant Colonel after his Gemini 6 flight in December.

"On the money" splashdown came at 9 a.m. Big Spring time after a flight of three days, 21 minutes, during which Gemini 9 circled the globe 45 times and traveled nearly 1.2 million miles.

While thousands of sailors, wearing their Sunday best, cheered, the Wasp maneuvered alongside and retrieved the astronauts and space craft from the sea 50 minutes after splashdown.

RELAXED

Stafford and Cernan acknowledged the cheers with waves and thumbs-up signals. Both appeared relaxed and in excellent physical condition.

Sailors Welcome Them With Cheers

A large banner on the deck read: "Welcome Stafford (again) and Cernan."

The Wasp also retrieved Stafford and Walter M. Schirra Jr. after the Gemini 6 flight in December.

Capt. Gordon E. Hartley, the Wasp's commanding officer, said he put the ship a little short of target just in case Stafford carried out his threat to fly "right down the smoke-stack."

CERNAN HELPED

Stafford, making his second flight into space in six months, was aided in the textbook landing by Cernan, who used the spacecraft computer to help calculate the maneuvers as Gemini 9 sped back through the atmosphere.

A helicopter was overhead within seconds and Navy frogmen leaped into the water to attach a flotation collar to the bobbing craft.

The divers reported Stafford and Cernan gave the "thumbs up" signal through their spacecraft window as it bobbed in the four- to five-foot waves.

They appeared in excellent condition, the divers reported. The astronauts elected to stay in the spacecraft until the Wasp came alongside.

The spacecraft hatch was opened nine minutes after touchdown and Stafford and Cernan stood up. Stafford shook hands with the swimmers.

It was a successful and dramatic end to a flight which had its ups and downs, with one problem after another plaguing the mission before and after the launching.

They Traveled Nearly 1.2 Million Miles

During 72 hours and 21 minutes in orbit, Cernan and Stafford circled the globe 45 times and traveled nearly 1.2 million miles.

Their fiery return to earth started 100 miles above the Pacific Ocean near the international dateline when the craft's four retro-rockets fired with a jolt at 8:26 a.m. Big Spring time.

The braking action slowed Gemini 9's 17,400-mile-an-hour speed by 300 miles and the craft, caught in the grip of earth's gravity, began the meteoric plunge back through the heat barrier of the earth's atmosphere.

RADIO GOOD

Mission Control Center reported after the landing that the communications through the 34-minute re-entry period were better than on any of 12 previous U.S. man-in-space flights.

Only during a four-minute period when 3,000-degree heat shrouded the spacecraft in an ionization curtain was contact lost with the pilots.

"Have you got us in sight?" Stafford asked as Gemini 9 drifted down on its 84-foot chute.

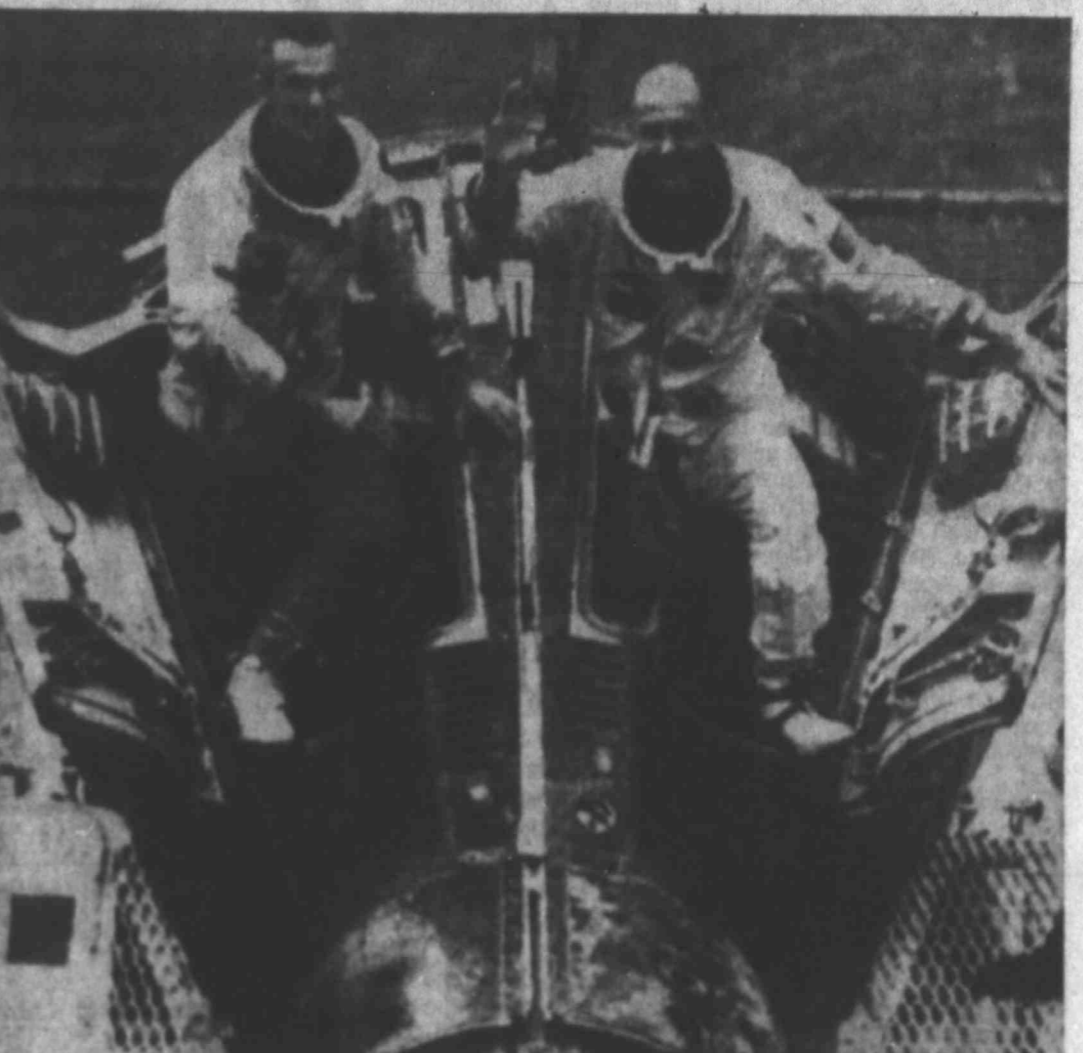

The aircraft carrier Wasp advised that it did and added: "The whole world has you in sight."

CHEERING

The sailors on the Wasp crowded the deck as the big carrier turned to approach the spacecraft in the water and haul it aboard. They were cheering the astronauts riding in the mild seas.

Stafford and Cernan planned to spend only a few hours aboard the carrier, then fly to Cape Kennedy in 1 1/2 afternoons.

Gemini officials were anxious

Civilians Join Junta, Buddhists Still Miffed

SAIGON, South Viet Nam (AP) — Premier Nguyen Cao Ky's military regime nominated a slate of 10 civilians today to join the 10-man ruling junta but excluded Buddhist extremists opposing the government.

The list included some moderate Buddhists, Roman Catholics and representatives of the Cao Dai and Hoa Hao sects. But the absence of any militant Buddhists pointed to the imminent danger of a collapse of the political truce between the regime and the unified Buddhist Church.

SHORTEN LIFE

This would shorten the life of the military regime considerably and preclude the second round of voting for a legislature which Ky plans. The premier said last month that he probably wouldn't be able to step down until the middle of next year.

However, the junta could reject the commission's recommendations.

While the politicking went on in Saigon, there were these developments in the war:

—The U.S. 1st Cavalry, Airborne Division, together with Vietnamese and South Korean units, ended Operation Crazy Horse after almost 21 days of off-and-on fighting against the Communists in the rugged central highlands 270 miles northwest of Saigon.

—Vietnamese troops destroyed a Viet Cong jungle ammunition factory in the Mekong Delta's Phong Dinh Province after four skirmishes with the guerrillas in Cai Rang district 80 miles southwest of Saigon. A government spokesman said 10 Viet Cong were killed.

Goldberg May Bid For U.N. Action

WASHINGTON (AP) — United Nations Ambassador Arthur J. Goldberg briefs senators today amid indications the United States may bid for General Assembly action to supervise South Viet Nam's proposed elections.

Goldberg, who has encountered stiff opposition within Security Council circles to Saigon's request for U.N. observers, scheduled a luncheon with about 15 senators. Most of the 15 are considered liberals and some have criticized President Johnson's course in Viet Nam.

CESSATION

Goldberg called Sunday for a "mutual cessation of all types of hostilities" in Viet Nam and urged that a new Geneva conference be held to reaffirm 1954 and 1962 Geneva agreements for peace in Southeast Asia.

In a commencement address at the Catholic University of America here, Goldberg also said the United States was prepared to abide by the results of reunification elections contemplated by the 1954 Geneva agreement "whatever the results might be."

Today's informal exchange of views between Goldberg and the group of senators was arranged by Sen. Frank E. Moss, D-Utah,

who expected most of the discussion to center on the role the United Nations might play—if any—in policing the selection of a constitutional assembly in South Viet Nam.

This month's Security Council president, Frank H. Corner of New Zealand, has been canvassing council members after Secretary General U Thant made it known he does not believe he has authority to send observers. If council action is blocked, as appears likely, the United States may try to gain a special session of the General Assembly to put the matter before it.

The assembly is not scheduled to meet in regular session until September, the same month in which the elections tentatively have been set by Premier Nguyen Cao Ky's government.

NO REPLY
Senate Democratic Leader Mike Mansfield has suggested reconvening the Geneva conference to take up the question of election observers. But he received no reply.
Great Britain, France and Russia are co-chairmen of the 1954 conference which divided Viet Nam and ordered subsequent reunification elections which were never held.

INDICATES SLOWDOWN

Unemployment In Big Jump

WASHINGTON (AP) — Unemployment last month took its biggest jump in a year, the Labor Department reported today, and a spokesman said it indicated a slowdown in the rate of the nation's economic growth.

But, as Commissioner Arthur M. Ross of the Bureau of Labor Statistics said, "There is every reason to believe that the over-all economic movement is still upward," despite the rise in May from 3.7 to 4 per cent in the jobless rate.

The total number of unemployed rose 140,000 to 2.9 million.

Ross said the biggest part of the increase was among high school and college students putting in bids for summer jobs, although they were still in school in May and not ready to work until June.

"It doesn't prove that they are not going to get work," Ross said.

CONCLUDE HE DID NOT HAVE FAIR TRIAL: PUBLICITY BLAMED

Supreme Court Frees Sam Sheppard

WASHINGTON (AP)—The Supreme Court ruled today Dr. Samuel H. Sheppard, Ohio physician, did not receive a fair trial in the bludgeoning slaying of his first wife, Marilyn.

Justice Tom C. Clark, announcing the decision, said the court had concluded "that Sheppard did not receive a fair trial consistent with the due process clause of the 14th Amendment."

REVERSED

The court, therefore, Clark said, reversed a 2-1 decision by the U.S. Circuit Court in Cincinnati, which found no evidence that Sheppard had been deprived of federal rights.

Clark concluded his opinion by saying the Sheppard case must go back to the U.S. District court in Ohio and that court must order Sheppard released from custody "unless the state puts him to its charges again within a reasonable time."

Justice Hugo L. Black noted a dissent.

Black did not state his views. The vote was 8-1.

The former Cleveland osteopath, convicted of second degree murder and sentenced to life imprisonment in the 1954 slaying, claimed in his appeal to the high court that prejudicial news media publicity tainted the trial judge and jury.

In reply, Ohio Atty. Gen. William E. Saxbe said Sheppard was convicted in a fair trial.

TWO RIGHTS

The case was of special significance because two constitutional rights were at issue, freedom of the press and fair trial.

Sheppard, who all along maintained he was innocent, served more than nine years in prison before U.S. Dist. Judge Carl Weinman ordered his release in 1964 on grounds he had not received a fair trial.

Last May, the U.S. Circuit Court in Cincinnati set aside Weinman's ruling.

The Circuit Court ordered Sheppard's return to prison, but in July granted a stay to permit him to appeal to the U.S. Supreme Court.

Sheppard was convicted in December, 1954, in the slaying of his pregnant wife. He said a bushy-haired intruder broke into their home in Bay Village, a Cleveland suburb, killed her and knocked him unconscious.

REFUSED

In 1956 the Supreme Court refused to review the trial. But last November it granted Sheppard a hearing on a new appeal that claimed publicity about the celebrated murder made impartiality of a fair and impartial jury impossible.

Last February the high court heard arguments on the appeal. Sheppard attended, accompanied by his second wife, Ariane, a blonde German divorcee he

married shortly after his release from prison, and his son, Samuel Sheppard Jr., 19.

F. Lee Bailey, a Boston attorney who argued Sheppard's case, claimed that the trial judge, Edward Rhylin, now dead, had told the late newspaper columnist Dorothy Kilgallen in an interview before the trial that he was convinced Sheppard was "guilty as hell."

Since the trial had not yet begun, Bailey said, Rhylin could only have "persuaded himself from news media" accounts of the slaying.

KIND OF PUBLICITY

Bernard A. Berkman, an American Civil Liberties Union lawyer from Cleveland, supported Sheppard. Arguing as "a friend of the court," Berkman asked the justices to "describe with particularity" the kind of publicity that could be "inherently prejudicial" in trials like Sheppard's.

Saxbe, in asking the court to reject Sheppard's appeal, said the former osteopath was shown to the jury as "an absurd liar, unworthy of belief."

"I submit this was a trial by the book, it was a good trial," he said.

Washn 2nd add scotus-sheppard 158, 160; said.

Justice Clark's 29-page opinion reviewed in detail the circumstances around the news coverage of the Sheppard trial, and then stated:

BEDLAM REIGNED

"The fact is that bedlam reigned at the courthouse during the trial and newsmen took over practically the entire courtroom, hounding most of the participants in the trial, especially Sheppard."

Clark said there was no doubt that "this deluge of publicity" by newspapers and broadcasters "reached at least some of the jury."

Clark chastised the trial court for making what he called a "fundamental error" in holding that "it lacked power to control

the publicity about the trial."

Justice Clark said Sheppard's attorney requested stricter rules governing the use of the courtroom by newsmen, and Clark commented that newsmen "certainly should not have been placed inside the bar" of the court. The bar—or railing—separates spectators from participants in a trial.

CROWDED

The Supreme Court Chamber was crowded with tourists as

Clark read from his opinion quietly, peering about the courtroom occasionally through black-rimmed spectacles. Chief Justice Earl Warren, chin in hand, looked out at the spectators. The other justices followed copies of Clark's opinion as he read from it.

Clark made suggestions as to proper coverage of trials that hold great public interest, and went on to assert:

"From the cases coming here

we note that unfair and prejudicial news comment on pending trials has become increasingly prevalent. Due process requires that the accused receive a trial by an impartial jury free from outside influences. Given the pervasiveness of modern communications and the difficulty of erasing the prejudicial publicity from the minds of jurors, the trial courts must take strong measures to ensure that

the balance is never weighed against the accused.

HAVE DUTY

"And appellate tribunals have the duty to make an independent evaluation of the circumstances."

Clark said there is nothing that bars the press from reporting events that take place in the courtroom. But, he said, "where there is a reasonable likelihood that prejudicial news prior to trial will prevent a fair trial, the judge should continue

Big Spring (Texas) Herald

the case until the threat abates, or transfer it to another county not so permeated with publicity."

Also said the Justice, sequestration of the jury was something the judge should have raised on his own with counsel. He went on to declare that "if publicity during the proceedings threatens the fairness of the trial, a new trial should be ordered."

Violence Claims 38 In Weekend

By The Associated Press
At least 38 persons died violently in Texas during the past weekend, with traffic accidents taking at least 19 lives.

The weekend death toll was almost identical to the Memorial Day Weekend total. The Associated Press had counted 36 fatalities in Texas by early Tuesday last week.

Eight persons drowned, eight died in shootings and beatings and three perished in fires and explosions.

The Associated Press tabulation of violent deaths began at 6 p.m. Friday and ended at midnight Sunday.

HELPED
Jerry W. Pilkinton, 25, of Tyler, died Sunday when he was struck by a car as he helped aid victims of a two-car collision on US 271 about eight miles north of Tyler. Mrs. Dorothy Johnson, 23, of Gilmer, died later in a Tyler hospital of injuries she suffered in the collision.

Jack R. Stone, 31, of Kingsville, died Sunday night following a one-car accident on Texas 20 about 13 miles south of Bastrop.

Jimmy Ray Hawkins, 18, of Waco drowned Sunday in a creek pond near the Huit community west of Waco.

Johnny Mack Ingle, 17, who moved with his family two weeks ago from Lewisville to Perryton, drowned Sunday while swimming at Lake Fryer near Perryton.

BROKEN NECK
Freddie Dennis of Kilgore suffered a broken neck and drowned Sunday after jumping off a diving board in the Tyler State Park swimming area.

John Robert Bradley, 29, of Fort Worth, father of four children, drowned in about 10 feet of water while swimming with a group at Lake Arlington near Fort Worth Sunday.

Two persons were killed and a third was seriously injured in a three-car collision on US 87 south of Victoria Sunday. Killed were Ernesto Ramirez, 33, and his grandson, Samuel Saenz, 12, both of San Antonio.

Paul F. Foster, 37, of Houston and Willie Kostecka, 55, of Ennis were killed Sunday in a two-car crash at Crockett.

Glenn Preston Reid Jr., 14, of Dallas was killed Sunday when the motorbike he was riding collided with an automobile in Dallas.

Report Protests Lack Of Money

WASHINGTON (AP) — A report issued by the Senate Space Committee cautions that vast outlays for the U.S. space program "may be obscuring and interfering with the important and rewarding benefits to be realized in civil aviation of the future."

The 279-page report released by the committee chairman, Sen. Clinton P. Anderson, D-N.M., questions the overall adequacy of the current program that provides more than \$5 billion for the National Aeronautics and Space Administration for aeronautics.

Continued progress in aeronautics involves the economic strength, national prestige and military security of the United States, the report says.

Texans Given Hero Medals

PITTSBURGH (AP)—Six Texans were rewarded for acts of heroism by the Carnegie Hero Fund Commission here Sunday.

Bronze medals went to Thurman W. Tullis, 46, Houston carpenter; O. Dale Brewer, 24, Houston salesman; Merschildo L. Ybarra, 42, caretaker at Big Bend National Park; Daniel Lynn Merkel, 15, Llano schoolboy; Clifford J. Manuel, 60, Beaumont farmer, and the late Christopher John Pruitt, 70, Austin building contractor, who was honored posthumously.

Tullis suffered heart damage, limiting his physical activity, and was awarded \$3,000 for pecuniary loss and \$120 a month not to extend beyond a period of three years. Brewer also received \$1,000.

Tullis and Brewer were cited for saving the lives of Deborah L. Travis, 6, and her sister, Sue Ann, 7, from drowning at Galveston April 4, 1965. Tullis suffered a heart attack while attempting to carry the girls to safety and Brewer came to the rescue.

Pruitt died April 20, 1965, attempting to save Arvin R. Traugott, 26, from drowning when the latter's motorboat overturned in the Colorado River at Austin. Pruitt's widow was granted an \$80 per month death benefit not to extend beyond five years or the date of her remarriage.

Ybarra saved Tommy J. Turner, 17, who was trapped inside the cab of a burning truck at Sanderson Aug. 27, 1964. Ybarra received \$750 from the commission.

Merkel was cited for rescuing Gary D. Stewart, 12, from drowning near the Llano River Dam at Llano May 15, 1965. He also got \$750.

Manuel rescued William D. Miller, 29, from a burning bakery truck near Fannett June 14, 1965.

What do you bid now?
A.—Four spades. You have previously been compelled to sign off with a hand that is somewhat above minimum. Nevertheless, partner has shown a hand of distinct value when he proceeded to two no trump. The partnership should, therefore, have sufficient assets to warrant a game try and, with this somewhat unbalanced hand, we suggest a jump to game in spades.

Q. 3—Neither vulnerable, as South you hold:
♠Q ♥43 ○KQ1097642 ♣54

The bidding has proceeded:
North East South
1 NT Pass ?

What do you bid?
A.—Three no trump. The eight card diamond suit will produce seven tricks for partner-for, if he lacks the ace, he must have three small diamonds inasmuch as no trump openings are not sanctioned with a worthless doubler. Remember that a hand containing eight card suits do not come within the provisions of the ordinary laws.

Q. 4—East-West vulnerable. As South you hold:
♠AK54 ♥9 ○KQJ6 ♣Q1063

The bidding has proceeded:
East South West North
1 ♠ Pass Pass 1 ♥ Dble. ?

What do you bid now?
A.—Redouble. The fact that you have but a singleton heart should not deter you from making this move. You have sufficient in high card values to render partner's contract safe. The important consideration is to have yourself elected temporary captain of this team, which the redouble will do. Such action beseeches partner to let you have the next bid and, if the ad-

versaries, in an effort to extricate themselves from the redouble, bid into your hand, you will be in position to inflict a punishing double.

Q. 5—As South, vulnerable, you hold:
♠AKQ98 ♥K1094 ♣K862

The bidding has proceeded:
East South West North
1 ♥ Dble. Pass 2 ♠ 2 ♥ 2 ♠ 3 ♥ Dble. Pass ?

What do you bid now?
A.—While partner's double is clearly intended for penalties, there is grave doubt as to the propriety of leaving it in. Inasmuch as the opponents have agreed on hearts, it is not to be expected that a stinging penalty will be inflicted upon the nonvulnerable enemy. There seems to be a better chance to score points by reaching for game, and our suggested call is four clubs.

Q. 6—Both vulnerable. As South you hold:
♠K1062 ♥KQ108 ○J9 ♣KQ10

The bidding has proceeded:
East South West North
1 ♥ Pass Pass Dble. Pass ?

What do you bid now?
A.—Our preference is for a pass. Your hand should surely produce five to six tricks in defense and, if partner has a good enough hand to yield a game, you should be able to defeat the adversaries 800 points. If your partner's double is light, you may have no game and yet profit by way of a penalty is assured.

Q. 7—As South, vulnerable, you hold:
♠A62 ♥J2 ○J9 ♣A763

The bidding has proceeded:
West North East South
1 ♠ 2 ♠ 3 ♠ ?

What do you bid?
A.—Your holding of two aces, opposite a partner who has made a game demand bid, should persuade you that there is a slam in the hand, but there is no need to rush matters and a mere bid of four clubs is in order. If partner raises to five, you may either bid six clubs or show the ace of spades.

Q. 8—East-West vulnerable, as South you hold:
♠Q65 ♥K943 ○J10982 ♣5

The bidding has proceeded:
North East South West
1 ♠ Pass 1 ♥ Pass 1 ♠ Pass ?

What do you bid now?
A.—Pass. With only six high card points you have done your full duty when you kept the bidding open.

Several Tests Coming Up In Mississippi

JACKSON, Miss. (AP) — Several earmarks of a traditional Mississippi election will be missing Tuesday when voters choose party nominees for Congress.

For the first time poll taxes will not be required. And for the first time, Republicans are staging a primary for a congressional post.

The election also will mark the first major voter test of newly registered Negro voters. Negroes have boosted their strength from 6.4 per cent three years ago to slightly over 20 per cent of the electorate. Negro voters now number 130,000 compared to 30,000 three years ago.

Three dozen Justice Department attorneys, including the federal government's chief civil rights troubleshooter, John Doar, will keep an eye on voting procedures.

This unit will be supported by 200 federal Civil Service workers who will serve as poll watchers in 24 Mississippi counties.

The increased Negro vote was not expected to be a decisive factor in this election.

Mrs. Knopf Dies

NEW YORK (AP) — Blanche Wolf Knopf, 71, wife of publisher Alfred A. Knopf, died Saturday.

Mrs. Knopf played an active part in her husband's publishing firm for many years, serving as vice president before she succeeded him as president in 1957.

Will Not Take Girls In Draft

PHILADELPHIA (AP) — Lt. Gen. Lewis B. Hershey, director of the Selective Service System, said Sunday that if ever there is a universal military training program, girls would not be drafted.

"It's hard to sell the armed forces on the use of women," Hershey said in a television interview.

Martin Sweeps To An Easy Victory

By The Associated Press
Crawford Martin swept to an easy victory Saturday over liberal Franklin Spears in a runoff election for the Democratic nomination for attorney general, forcing victory in almost all major contests this year.

All other statewide nominations were determined in the May 7 primary.

Martin finished with 362,624 votes to 285,922 for Spears in returns from all 254 counties, with 242 counties showing completed returns.

Only about 1,800 votes were still out Sunday when the Texas Election Bureau shut down. Robert L. Johnson, director of the bureau, said most of the votes were from Cherokee and Travis counties.

No more figures were to be released until county by county returns are compiled later, Johnson said.

Strong support in rural areas and in East Texas managed to push Martin past the votes piled up in big cities by Spears.

Liberals and organized labor backed Spears, while Martin, former Texas secretary of state, was backed by Connally forces.

Spears failed to draw a large vote in metropolitan areas, carrying his native Bexar County by 36,113-21,244, but he could manage only a slim victory margin of 77,391-26,379 in Harris County.

The 34-year-old state senator from San Antonio led in Nueces, Jefferson, El Paso and Galveston counties.

Martin captured the big city vote Tarrant, Dallas and Travis counties.

Claims Ample Jobs Waiting

WASHINGTON (AP) — The Labor Department reports record job opportunities are awaiting the estimated 700,000 young men and women graduation from college this month.

"Employers are offering jobs to graduates at a record pace," said Secretary of Labor W. Willard Wirtz, with some starting salaries ranging to \$850 a month or more.

The greatest demand is for graduates in scientific and technical fields, such as engineering, chemistry, physics and mathematics, Wirtz said.

Follows The Same Pattern

PHILADELPHIA (AP) — When they were born Friday in Frankford Hospital, Mrs. Richard Eife called her quadruplets A, B, C, and D.

After a conference Sunday with her husband, a police detective sergeant, the quads were named Alan, Beth Anne, Catherine Anne, and David Anthony.

New Way Found To Stop Hair Loss, Grow More Hair

HOUSTON, Texas — If you don't suffer from male pattern baldness, you can now stop your hair loss . . . and grow more hair.

For years "they said it couldn't be done." But now a firm of laboratory consultants has developed a treatment that is not only stopping hair loss . . . but is really growing hair!

They don't even ask you to take their word for it. If they believe that the treatment will help you, they invite you to try it for 32 days, at their risk, and see for yourself!

Naturally, they would not offer this no-risk trial unless the treatment worked. However, it is impossible to help everyone.

The great majority of cases of excessive hair fall and baldness are the beginning and more fully developed stages of male pattern baldness and cannot be helped.

But, if you are not already slick bald, how can you be sure what is actually causing your hair loss? Even if baldness may seem to "run in your family," this is certainly no proof of the cause of YOUR hair loss.

Many conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are slick bald and your hair roots are dead, you are beyond help. So, if you still have any hair on top of your head, and would like to stop your hair loss and grow more hair . . . now is the time to do something about it before it's too late.

Loesch Laboratory Consultants, Inc., will supply you with treatment for 32 days, at their risk, if they believe the treatment will help you. Just send them the information listed below. All inquiries are answered confidentially, by mail and without obligation. Adv.

Is there really a Tiger in Enco Extra?

Some folks doubt it. But not our customers. They've proved to their own satisfaction that High-energy Enco Extra can bring power back alive.

That the first tankful starts neutralizing power-robbing engine deposits to help prevent hot spots and misfiring. And just a few more tankfuls can clean up a fouled carburetor to restore lost power and mileage.

And that Enco Extra gives them the high octane for lively performance—to help them pass safely when they need to get take off in a hurry when they enter a freeway. Oh, it's a Tiger all right.

Still skeptical? Try Enco Extra and find out for yourself. "Happy Motoring!"

Nevada To Vote On A Lottery

CARSON CITY, Nev. (AP) — Nevada voters will decide whether to start the state's first official lottery next November, says Secretary of State John Koontz.

A firm, Silver State Sweepstakes, filed a petition containing more than twice the 13,738 signatures required to place a proposition on the ballot, Koontz said.

Silver State Sweepstakes hopes to acquire an exclusive 10-year franchise on the lottery.

India's Rupee Devalued Sunday

NEW DELHI, India (AP) — Prime Minister Indira Gandhi devalued the Indian rupee 36.5 per cent Sunday night as part of her campaign to invigorate the nation's faltering economy. One American dollar will now purchase 7.5 rupees instead of 4.76.

The official value is still more than the rupee's value on unofficial markets. The dollar recently has brought 12 rupees on New Delhi's black market and in other Asian capitals.

Sunday's heat brought out bathers en masse at Moss Creek Lake who seemed to be having a fine time enjoying the facilities that continue to improve each year. The banks of the basin were jammed with the older folks who kept an eye on youngsters who bobbed about in the lake on plastic floats or those old standbys, the black shiny inner tubes. Teenagers sought shade to share their picnic lunches, and in the quieter nooks, solemn-faced fishermen lethargically lifted their lines.

A note from the John Woods comes from San Francisco, Calif., where they have lived since leaving Webb. It has been a year since they visited here and report that their little Texan, Catherine, was two years old June 3. They are hoping that some of their many friends in Big Spring will be out California way this summer. They will sure be welcome at the Wood home.

Some Californians have been here, too. Mr. and Mrs. James W. Davis have returned to San Bernardino after a two-week stay here with his mother, Mrs.

Vina Davis, and his sister, Mrs. Rebeca Jones and Mrs. Lydia Warren. Mrs. Davis returned with them.

Mrs. A. C. Hart, accompanied by her daughter, Mrs. John Garrison, is in Houston having a medical checkup. While there, they are staying with her son and daughter-in-law, Mr. and Mrs. O. C. Harie, 7814 Del Monte.

Mrs. Richard Shaver and children, Mark, Jill and Scott have left for Akron, Ohio, with Mrs. Shaver's mother, Mrs. Lila Alley, who has been here since December. They'll stay for two weeks and fly home.

I'm told that Mrs. E. L. Powell and Mrs. Jinx Powell of Colorado City did themselves proud at the regional bridge tournament in Dallas. Believe Frankie only lacks one or two points to be a Life Master. Mrs. Ayra McGann and George Pike won four red points, also.

Did someone say that Jim Bruce Frazier caught the bouquet at his brother Mack's wedding?

The Rev. Robert McDermott is all set for a wonderful trip. He will leave Monday on the first leg of a trip to his native Ireland. Stopping in Dayton, Ohio, he will perform the wedding ceremony for Lt. Gary Olin who was formerly stationed at Webb. From there, he will go to New York and set to Cavan, Ireland, to see his family. There will be a visit to Galway Bay before touring Northern Europe and he'll be back here Sept. 15 — just two days before the annual festival at St. Thomas Catholic Church.

Col. and Mrs. Edwin J. White took some time off to visit their families in Virginia prior to his leaving Webb next month.

Foots Mansfield and daughter, Dean, report that Mrs. Mansfield is doing fine following surgery last week.

Those world travelers, Mrs. Cecil Guthrie, Mrs. J. Y. Robb and Mrs. Harry Williamson went to Donie to visit with Mrs. Vi Worthy, Jerry's mother, at her lake home. They were to be joined by Mr. and Mrs. Porter Randall of Fort Worth. He's the TSN word news director and planned to show them the slides made on their Tahiti trip during January. Mrs. Williamson and son, George Oldham, had recently returned from a trip to Wichita Falls where they visited her brother and sister-in-law, Mr. and Mrs. E. A. Davis. They were joined by her sister and brother-in-law, Mr. and Mrs. Irby Weaver and son, David.

PBX CLUB MEMBERS HONORED THIS WEEK
Mrs. Anna Mae Berry, Mrs. John Simunovic, Mrs. Bill Kaykendall, Mrs. Francis Storey

Social Events Mark Texas PBX Week

Displays, a picnic and other activities will mark the observance of "PBX Week" locally as the Big Spring PBX Club joins others in Texas for the observance which ends Saturday.

The international membership includes over 40,000 PBX operators who keep communication moving over 20,500 switchboards. The number of PBX switchboards has doubled in the past ten years.

Friday evening, during a dinner at Cosden Country Club, Mrs. Verdine Mize of Midland installed new officers for the local unit. They are Mrs. Melvin Darait, president; Mrs. Bill Rains, vice president; Mrs. William Phillips, secretary; and Mrs. John Ray, treasurer. Mrs. Mize is a past state president, and Mrs. Fern Smith is the local retiring president.

The chapter was organized Feb. 11, 1965, and holds membership in the PBX Clubs of Texas and International. It was formed to create a closer relationship between operators, the telephone company and employers. Their motto is "ABC—Always Be Courteous."

Service projects for the year included assistance to the Heart Fund Drive and the Muscular Dystrophy Drive as well as donations to the Howard County Rehabilitation Center and the Big Spring State Hospital chapel fund. Also, the women have been active with parties at the state hospital.

There are sixteen members.

Anniversary Party Held For Couple

Mr. and Mrs. J. Gilbert Gibbs noted their 25th wedding anniversary with a surprise party Friday evening at their home, 902 W. 17th. Hosts for the affair were Jim and Ann Gibbs, their children; and Mr. and Mrs. D. S. Riley.

The refreshment table was covered with white linen and centered with a silver money tree. The cake was decorated in colors of white and silver. Assisting with the serving of approximately 30 guests were Mrs. J. C. Rogers and Mrs. I. G. Hudson.

Carnation corsages were given to the mothers of the honored couple, Mrs. D. Weeks of Meridian and Mrs. Sarah Gibbs.

Miss Cecilia Pachall Honored At Shower

Miss Cecilia Pachall, bride-elect of Johnny Bedell, was honored with a gift shower Friday evening in the Flame Room of Pioneer Natural Gas Company.

Cohostesses were Mrs. Bob Creelman, Miss Evelyn Norris, Mrs. Roy Shaffer, Mrs. J. C. Draper, Mrs. Floyd Pike, Mrs. Ned Newman, Mrs. Thea Neill, Mrs. J. M. Miller, Mrs. Gilbert Turner, Mrs. John Ratliff and Mrs. R. Z. Cozart.

The honoree, wearing an A-line dress of white picque, was presented a corsage of small kitchen items. Honored guests were her mother, Mrs. Arthur B. Pachall, and her fiancé's mother, Mrs. Brooks G. Bedell. They were presented white orchid corsages.

Refreshments were served to approximately 30 guests from a table covered with a white net cloth with an underlay of blue, centered with a bridal doll encircled by blue flowers.

The hostesses' gift was an electric can opener and knife sharpener.

The couple will marry June 10 at the First Baptist Church.

Ceramic Work Protects Wood

A hard, non-porous surfacing material around sinks, drains and countertops is a protection for nearby porous materials.

Kitchen and bathroom cabinets built of wood would last only a short time if they were not protected against contact with moisture by durable and decorative ceramic tile. Some supposedly non-porous materials actually do absorb water.

Mr. and Mrs. David Red-wize are visiting their parents in Colorado City.

Mrs. Hamlin Elrod is attending summer classes at Texas Tech.

The Ronnie Gandys will go to visit her parents the Rev. and Mrs. A. R. Posey.

James Blake plans to attend summer school at Abilene Sweet Home, Ore. They will enter summer school at Oregon State University at Eugene and Christian College, Abilene.

Loyalty Members Make Donation

Mrs. J. C. Craven, 1905 E. 15th, was hostess and presided when the Loyalty Sunday school class of Baptist Temple met Friday.

Mrs. J. E. Terry led prayer, and Mrs. E. T. White gave the devotion. The eight attending told of their first conversions and heard a report on a donation to a church member who was recently widowed.

Refreshments were served to the members and a guest, Miss Mattie Mann. The July 7 meeting will be in the home of Mrs. White, 619 Tulane.

Class Plans Aid To Bible School

The Gleaners Sunday school class of Baptist Temple will provide refreshments during Vacation Bible School. The plan was made Friday during the meeting in the home of Mrs. Lucy Petty, 308 W. 15th. She was assisted by her daughter, Mrs. Dan Conley.

Mrs. A. F. Gilliland presided, and Mrs. Petty led guests. Mrs. Ross Hill gave the devotion. Visitors were Mrs. E. Lankford, Roswell, N. M., Mrs. W. L. Sandridge and T. E. Vickers. Mrs. Nannie Wilson, 611 E. 12th, will be hostess July 1.

Texas P-TA Seminar To Start In Austin Tuesday

"Is the Evolution of P-TA Keeping Up With the Revolution in the Classroom?"

Approximately 250 Parent-Teacher Association leaders will attempt to answer this question as the Texas P-TA June Seminar convenes in Austin Tuesday.

Participants will include P-TA council presidents, members of the state board of managers, and two representatives from each of the 22 districts in the state, one of whom will be a school administrator and the other a member of the district board of managers.

Representing Big Spring will be Mrs. Roy Watkins, city council president; Mrs. Tommy Albertson, county council president; Mrs. Buford Hull, District 16 vice president; and Wendell Huddleston, principal of Park Hill Elementary School. The group will return Friday.

Addressing a Thursday morning meeting will be the Honorable Ben Barnes, speaker of the Texas House of Representatives, who will speak on "Prospects for the 60th Legislature."

During the four days of meetings, discussion groups, skits, lectures, films, and panel discussions, members will learn the techniques of leadership performance in local units, councils and districts.

The 1966-67 program theme, "Today's Issues and Responsibilities: P-TA Moves Forward for Children and Youth" and the emphasis for 1966-67, "Increasing Educational Opportunities," provide the challenge for this year's seminar.

President of the Texas Congress of Parents and Teachers is Mrs. L. L. Ledger of Copperas Cove. She will welcome delegates Wednesday morning and deliver a keynote address Wednesday at 7:30 p.m.

Commuters Turning To Scooters

NEW YORK (AP) —The family car may never become obsolete, but for one new breed of American—the scooter commuter—automobiles are passe.

Each morning the scooter commuter pegs his pant legs, lashes his brief case tightly to the back of a motorcycle, and blithely speeds through traffic jams where no mere car can move.

There is a female of the species, too, who cares not in the least that her combination of high-heeled shoes and a motorcycle crash helmet is not in the best fashion tradition.

FLOURISHED

The breed, a rarity just a few years ago, has flourished in the environment of overcrowded superhighways. In 1965 the scooter commuter population doubled, and it is expected to redouble in 1966.

Motorscooters, motorcycles and motorbikes are everywhere. In New York, even the police have "putt-putt patrols."

"These things are convenient and a heck of a lot of fun," said one commuter as he waited for a light to change on Park Avenue.

Another concurred, adding that riding the cycles is also safer than the subways.

"I bought this cycle on the first warm day we had in March," said Jeffrey Thompson. "About 18 people elbowed me in the kidneys on a subway trip, and I decided then and there never to take a subway again."

PASSENGER

Thompson was carrying a passenger—Tina Johnson—who looked very much like a fashion model, except for a crash helmet.

"It isn't mine," Miss Johnson said. "Jeffrey made me wear it."

Lawrence Meegan of the New York State Motor Vehicles Department says the cycle explosion is amazing. "Sometimes we find it hard to believe that we've issued so many cycle licenses."

One big factor in New York was the 12-day transit strike last January. Commuters unable to get to and from work on subways and buses turned to their cars, and the resulting traffic tie-ups were daylong affairs.

It was then that many a commuter found it easier to switch than fight.

Among them were Bob and Peggy Kriegel.

BLESSING

"It was a heaven-sent blessing," Kriegel said after he and his wife had spurted through Manhattan's morning rush-hour traffic. "No matter how bad the traffic jams got, we never had any trouble."

Another cyclist, John Schweitzer, admitted "it was a little cold riding this thing during the January strike, but it was plenty handy."

Cycles also are handy for meeting people.

Armand Romano has been commuting by motorscooter for a year. Two months ago he offered a ride to a girl from his apartment building and has been taking her to work every day since.

When a reporter stopped them and asked their names, she identified herself as Joan Oettinger.

Romano turned to her. "No kidding," he said. "I never knew your name before. It's nice to meet you."

Church Plans Big Exodus

MIDLAND, Tex. (AP) — The Rev. C. Larry Roberts, minister of a new congregation being established by members of the Church of Christ from 16 states explained details of "Exodus New Jersey" Sunday to local church members making the trip.

The Rev. Mr. Roberts said the move of 115 families would be completed by August. Ten families, he said, have already settled in Somerset County, New Jersey, site of the church.

A 10-acre tract has been purchased in Bridgewater and tentative plans call for construction of a \$750,000 complex of buildings. Construction of a \$250,000 church seating 580 persons is slated to begin in October.

The church members selected Somerset County because of its nearness to New York City where the church has virtually no congregations. The Rev. Mr. Roberts said it is a fast-growing area.

Midwest Alert For Twisters

Violent weather kept the nation's midsection alerted today as a boundary of contrasting air masses triggered thunderstorms from Oklahoma to Wisconsin.

The U.S. Weather Bureau issued a tornado watch for portions of northern and west-central Illinois, portions of southern Wisconsin and portions of extreme eastern Iowa.

Severe thunderstorms were expected in portions of extreme southeast Kansas and northeast and north central Oklahoma.

More than a dozen funnels were reported in northern and central Oklahoma.

With warm humid air streaming through the eastern half of the country, cooler drier air was pushing its way out of the Northwest into the Central Plains.

A few showers were scattered through Montana and rain spread over most of New England where highs were expected in the 80s and 90s.

The southern tip of Florida experienced some rain, but was more concerned with a storm developing in the Caribbean about 650 miles south-southwest of Miami. It was moving northward slowly and was expected to intensify today.

Services Tuesday For W. L. Hall, Loraine Farmer

COLORADO CITY — William Lester Hall, 66, Loraine, died at Root Memorial Hospital here Monday night at 10:15 p.m. following a lengthy illness.

Born in Hill County, Dec. 17, 1899, Mr. Hall was a farmer whose property was north of Loraine. He had lived on the location for the past 16 years. He was a member of the Church of Christ in the Dunn community.

Services will be at 4 p.m. Tuesday at the Kiker and Son Chapel, with Bob Barnes of the Twenty-Second and Austin Church of Christ, and W. O. Batten of the Northside Church of Christ, officiating. Burial will be in Colorado City Cemetery.

Survivors include the widow of Loraine; the mother, Mrs. Maggie Hall, Colorado City; a daughter, Mrs. Joe Martin, Colorado City; two brothers, Robert L. Hall, Colorado City, and C. L. Hall, Odessa; three sisters, Mrs. Fred McElroy and Mrs. L. B. Cox, both of Odessa, and Mrs. W. H. Prescott, Colorado City; and three grandchildren.

Krasna Has Two Comedies

NEW YORK (AP) — Playwright Norman Krasna is to have two comedies presented on Broadway next season, according to the plans of Douglas Whitney and Philip Adler.

The producers have scheduled "Naked Mary Will You Come Out?" and "Suzy 7." The first play concerns a young widow, the latter a professional divorce correspondent.

Train Derailed, 24 Are Hurt

TEMPLETON, Iowa (AP) — Twenty-four persons were injured, none seriously, when a Union Pacific passenger train derailed today near here in western Iowa.

The train, the City of Los Angeles, carried some 200 passengers and was about 90 miles out of Omaha, Neb., when it went off the rails. Officials said the train was making a sudden stop to avoid hitting a freight which was pulling onto a siding on the single-line track.

All 19 passenger cars and a five-unit diesel engine left the tracks near a rural road crossing two miles west of Templeton. Only the lead diesel unit, however, overturned.

The train was eastbound to Chicago from Los Angeles.

Mao's Heirs In Struggle

TOKYO (AP) — The Peking watchers believe the current purge in Red China is the beginning of a power struggle among Mao Tse-tung's heirs. Following the ouster of powerful Peking Mayor Peng Chen from his party post, some observers predicted a showdown between President Liu Shao-chi and Premier Chou En-lai. Their theory was that Chou had Peng fired for fear he would try to grab Chou's position as premier. The observers said Peng had been maneuvering to become premier under President Liu's protection by blaming Chou for recent economic and diplomatic reverses.

Liu and Chou, both 67, are China's two most powerful men after Communist party chairman Mao, whose falling health is believed to have touched off the power struggle. Mao is 72 and makes few public appearances. Those who foresee the power struggle continuing, with the purge catching even more prominent figures, say one of the next victims could be the army chief Lo Jui-ching. Lo disappeared from public view last November, one month after high-level party meetings.

Some say Lo may have disagreed with the aims and conduct of the purge, which in the early stages took the form of a campaign by army newspapers against intellectuals. Lo is a friend of Mayor Peng, so the theory goes, then he also may have been aligned with the forces of President Liu, who suffered a setback with Peng's ouster.

Other observers see the possibility of a clash between President Liu and Defense minister Lin Biao, 57. Lin, who is also first deputy premier, recently put forth new lines of theory on how to implement Mao's teachings. Another figure with a possible key role in the struggle is Teng Hsiao-ping, 61-year-old party secretary-general.

Teng's position is not yet clear but a leading Tokyo newspaper says he, too, may have thrown his support to Premier Chou against President Liu. The crash occurred in the western edge of Martin County.

Martin Crash Claims Life

Mrs. Janie Louise Morgan, 27, Andrews, was dead on arrival at the hospital in Andrews Sunday after the family pickup and a car collided at the intersection of the Midland-Lamesa and Big Spring Andrews state highways.

Ricky Austin Warnick, 20-year-old Odessa electrician, driver of the other car, was in fair condition.

Pam Morgan, 3, one of six passengers in the pickup, was in critical condition at the Andrews hospital with head injuries. Jerry Fielder, 20, brother of the dead woman, had head and internal injuries and a broken hip. W. H. Morgan, husband of Janie Morgan and driver of the pickup, was in fair condition. So were two sons, Markey, 5, and Billy, 8, and a sister, Barbara Fielder, 17.

Clergy Exchanges Banter With Kids

DALLAS, Tex. (AP) — Clergy-men of five faiths, their backs against a cocktail bar, answered questions fired at them from the 20 young men and women in the crowded party room.

"How can I know that God exists?" asked a pink-cheeked man in a blue blazer.

"How do you find God—how do you make contact?" asked a coiffured redhead in suit and gloves.

"What about the 'God is dead' theory?" asked a blonde in a blue dress and pearl necklace.

To the clergymen the questions were not as important as the fact they were being asked here, in the window-walled recreation room overlooking the swimming pool of a 144-unit apartment building.

Belgium Agrees To House SHAPE

BRUSSELS (AP) — Belgium today agreed to house the military headquarters of the North Atlantic Alliance (SHAPE), but the future location of NATO's political council still was in doubt.

According to sources at the opening session of the NATO conference, Belgian foreign minister Pierre Harmel accepted the proposed transfer, but made it clear he was speaking on behalf of the Benelux countries — Belgium, the Netherlands and Luxembourg.

Paperboy Finds Blowing Money

DALLAS (AP) — Things were a little different for Doug DeGroot, 15-year-old paperboy, as he was throwing his route about dawn Sunday morning.

"I was just walking along when I saw this money in this yard. At first, I thought maybe another paperboy had lost his collection," he said.

Doug picked up a \$1 bill, then a \$10 bill. When he spotted a \$100 bill, he knew that no paperboy had lost that amount.

"I got excited and began running all over, trying to catch as much of it as I could," he continued.

Doug put the cash and seven checks in an envelope and had his mother, Mrs. Margaret DeGroot, drive him to a police station, where he turned the \$1,118 over to officers.

Police found the money belonged to an insurance agency owner. He lost it Saturday night when his billfold fell from his pocket four blocks away.

Will J. Hayden, the insurance man, said Doug would get a reward.

Odessa Prepares For Postmaster State Convention

ODESSA — Odessa is rolling out the red carpet for the convention of the Texas Chapter of the National Association of Postmasters slated here June 25-29.

Keynote speakers will be Sen. Ralph Yarborough, Rep. O. C. Fisher, and Waggoner Carr, Texas attorney general.

In addition to a full agenda for the 400 postmasters expected here for the four-day meet, many activities for the delegates and their wives and families are planned.

On the social calendar are a get-acquainted party; style show; tours of the Globe Theatre, and the Odessa College campus and museum, the Presidential museum, the Monahan Sandhills State Park; and the Meteor Crater and museum; and a Chuck Wagon Gang barbecue at the site of the "World's Largest Jackrabbit."

The annual Texas convention of the NAP usually attracts about a fourth of the 1600 postmasters in the state," said Wade Slough, Odessa postmaster, "and we're hoping that our convention is no exception."

Reds Open A Secret Meeting

MOSCOW (AP) — East European Communist foreign ministers opened a secret meeting today to prepare for a Red summit meeting in July.

Communist sources said it would last two or three days. The sources said the foreign ministers of the Soviet Union, Bulgaria, Czechoslovakia, East Germany, Hungary and Romania were attending along with a deputy foreign minister from Poland.

A similar meeting convened here secretly May 27. Both are believed preparing for the July meeting at which the Romanians are expected to press for less Soviet domination.

Flags Fly For Downed Marine

NEW YORK (AP) — More than 100 flags hung at half staff Sunday from porches, windows and doorways in the Flatbush section of Brooklyn in tribute to a fallen neighbor—Marine Lance Cpl. William Reilly, killed in Viet Nam.

Reilly, 20, died May 26 while firing his bazooka at the Viet Cong near Da Nang. His body was brought home Friday.

Neighbors recalled that the red-haired Reilly had two goals to serve in the Marine Corps and follow in the footsteps of his father, retired patrolman Oliver Reilly, 59.

Burlesque Is Back

Burlesque artist Marmella Rickman poses in front of her mirror in her dressing room at a New York theatre. Billed as "The Sophia Loren of Burlesque," the Latin beauty is one of many girls now finding work in New York burlesque theatres. Burlesque, run out of town by Mayor Fiorello La Guardia in 1937, is back. Four theatres opened with the familiar bump and grind in the past year and a fifth will open next month. (AP WIREPHOTO)

Veep Defends Foreign Aid

WASHINGTON (AP) — Vice President Hubert H. Humphrey says the United States' foreign aid program "should not be altered because of views on Viet Nam."

In an interview, Humphrey predicted Congress will send President Johnson "a reasonable, usable program." But he expressed misgivings about the Senate Foreign Relations Committee's action cutting the aid authorization to one year. The administration seeks a five-year authorization.

"You can't operate a business prudently on a one-year authorization," Humphrey said. The Senate committee is headed by Sen. J. W. Fulbright, D-Ark., who has criticized administration Viet Nam and foreign aid policies.

Jackie, Kids Visiting Hawaii

HONOLULU (AP) — Mrs. John F. Kennedy and her family settled into a beachfront home just beyond Waikiki today to begin a month's vacation in the Hawaiian Islands.

Peace Force Still Needed

SANTO DOMINGO (AP) — President-elect Joaquin Balaguer said Sunday he may keep the Inter-American Peace Force in the Dominican Republic after he is inaugurated July 1.

The 8,500-man force, most of it from the United States, will have to remain "until the problems of civilian disarmament and re-integration of the former rebel constitutionalist troops are resolved," Balaguer said in an interview.

Don't Worry About Beatniks

MANHATTAN, Kan. (AP) — Former President Dwight D. Eisenhower told Kansas State University graduates Sunday not to let the attention given "kooks and beatniks" disturb them.

"I think the people of your age have a function right now," Eisenhower said, adding: "My generation and even those who are younger have grown pessimistic and lethargic. You people can do much with your elders."

Billy Debates With Atheist

LONDON (AP) — Billy Graham debated the existence of God with a British atheist Sunday night.

The evangelist said his faith was "not only grounded in tremendous evidence" but proved by the "laboratory of personal experience."

Weather Forecast: Showers and thundershowers are forecast Monday night for the area from New England through the Eastern Lakes, Ohio and Tennessee valleys into the Gulf Coast. Showers are also expected in parts of Oregon and Florida. It will be cooler in the Midwest and warmer in the East and West.

Foyt Suffers Burns As Racer Demolished

Track firemen wash racing fuel from remains of A. J. Foyt's Lotus Ford racer after a rear suspension collapsed and caused the racer to hit a retaining wall at Milwaukee Sunday. Foyt had second and third degree burns about his face, neck and hands. "I knew I had to get out or just fry," he said. The mishap occurred on test run after he had bought the car from Jimmy Clark for \$40,000. (AP WIREPHOTO)

Yancey Cards Blistering 15 Under Par At Memphis

MEMPHIS, Tenn. (AP) — Roy is a big name in life of Bert Yancey, new champion of the \$100,000 Memphis Open Golf Tournament.

Both were there Sunday when he needed them for his record-setting journey to a 15-under-par 265, lowest score in the 1966 PGA tour, and \$20,000 in first-place prize money.

Roy Stone, a touring caddy, telephoned Yancey at the motel and told him he had only 10 minutes to reach the course to tee off on the final 18 holes.

Roy Sanders, Yancey's caddy during the tournament, talked strategy with the young Philadelphian and suggested the 2-iron shot which Yancey said was his best fairway swing of the day.

Yancey, trailing Gene Littler by one stroke going into the final round, fired a four-under-par 66 for a 265 total, one stroke lower than Cary Middlecoff shot

in winning the 1961 title.

"I was putting really well," the 27-year-old Yancey said. He birdied five holes and had only one bogey.

Yancey slept late and then watched television coverage of the Gemini 9 space adventure until 20 minutes before time to tee off. The starting time had been advanced because of TV coverage of the tournament.

"At 11:10, Roy called me and said 'I was due off at 11:20,'" he said. "I was never so frightened. I just knew I had blown the whole works."

He reached the tee eight minutes before he would have been disqualified.

Littler, at 270, finished second and won \$12,000.

Alanz had a home run for the Tigers. Weatherall a double and a triple. Arista also had a double to add to his homer and give him a three-RBI total. Tony Fierro was the winning pitcher.

Cards Rally To Nip Tigers

The game's not over until the last man's out. The Sacred Heart Cardinals proved this again Sunday, staging a great four-run rally in the ninth. The Tigers had the game apparently wrapped up. Final score at Steer Park was 7-6 for the Cards in an intra-city rivalry.

Sacred Heart jumped to a lead in the first two runs, saw the Tigers tie in the second. The Cards got the lead back in the third with a run, but Weatherall's triple and a fielder's choice gave the Tigers two in the fourth. A walk, sacrifice and errors added two more in the fifth. Meanwhile, Jody Flores, Tiger pitcher, was mowing the Cards down.

In the ninth, Tom Arista Jr. and Guy Lara hit back to back homers to break his spell. Arista's homer came with one aboard to put the Cards within a run of the Tigers. Lara then tied the score. Marquez's double and an error brought him around with the winning run.

Alanz had a home run for the Tigers. Weatherall a double and a triple. Arista also had a double to add to his homer and give him a three-RBI total. Tony Fierro was the winning pitcher.

Texas Cowboys Rodeo Winners

FORT SMITH, Ark. (AP) — Six cowboys from Texas won top honors Saturday in the 33rd annual Arkansas-Oklahoma rodeo.

Marvin Cantrell of Brady, Tex., won \$469 with a time of 24.4 seconds for the best average in calf roping.

In steer wrestling Neal Love of Grandview, Tex., was second with 10.7 seconds, and won \$456; Jerry Pabelo, Orange, Tex., was third with 12.7 seconds and won \$304.

Sam Womack of Chico, Tex., finished second in calf roping with 24.6 seconds and won \$352. Richard Walker of Childers, Tex., was third at 25.5 seconds for \$234 and Kenneth Kelly of Hurst, Tex., was fourth at 25.7 seconds, winning \$117.

Anderson's Devils ganged up on Steve Daves for seven runs in the second inning Saturday night to beat the Yankees 16-6 in a National Little League game.

Webb led the attack for the Devils with three hits and two runs. Ray and Major hit safely twice for the Devils, while Randy Crittenden blasted a double and a single to lead the Yankee attack.

Joe Trantham held the Yankees to three scattered hits for his victory. The box score:

Kathy's Right About Wright

ST. LOUIS (AP) — "Mickey's great, but she's only human," said Kathy Whitworth, the 1965 women's professional golf leading money winner. Then she vanquished Miss Wright in the \$12,500 Clayton Federal Open Tournament.

After surging into the second round lead Saturday with birdies on the final two holes, Mickey Wright, idle during last season, bogeyed the first three of the last round and finished fifth with 208.

Kauai King's Defeat Puts 3-Year-Old Race In Jumble

NEW YORK (AP) — The race for the 3-year-old championship has come full cycle now. With Kauai King's defeat in the Belmont Stakes, it's once again a wide-open affair with at least four horses in strong contention.

The 1 1/4 miles of the Travers Aug. 20 could be decisive race. The championship first figured to be a struggle between Graustark and Buckpasser. Then Kauai King took command and appeared to have it all but wrapped up.

The situation changed Saturday when Reginald Webster's Amberoid posted a 2 1/4 length victory in the Belmont Stakes

NCAA Bill Nearly Filled

OMAHA, Neb. (AP) — With only one berth yet to be filled, the 1966 NCAA College World Series of baseball June 13-17 is shaping up as a battle of champions.

The District 1 representative will be chosen in a three team playoff among Boston College, Massachusetts and Colby College Tuesday.

Three former champions and two teams that have gained runner-up distinction will highlight the eight team field.

Southern California will be making its eighth appearance under coach Rod Dedeaux. Ranked No. 1, the Deadeux crews have won four national championships—in 1948, 1958, 1961 and 1963.

The Texas Longhorns will be making their ninth trip to the series. They were champions in 1949 and 1950 and runners-up in 1953.

Big Eight champions Oklahoma State will be back for its sixth Omaha appearance. The Cowboys were champions in 1959 and runner-up in 1961.

Arizona, returning for the first time since 1963, has been here seven times and finished second in 1956, 1959 and 1963.

Ohio State finished second to Arizona State last year and is ranked third nationally.

St. John's, which defeated Lafayette 8-3 in the District 3 playoffs, will be making its second trip to the series.

Here is the opening day line-up:

Texas vs. Arizona at 11 a.m.; St. John's vs. the district 1 entry, 2 p.m.; Southern California vs. North Carolina, 6 p.m. and Oklahoma State vs. Ohio State at 8:30 p.m.

Cardenas, Stargell On Hitting Streak

Leo Cardenas fell one homer shy of a record. He won't get another chance — without starting over.

Willie Stargell fell one hit shy of a record. But he will get another chance — without starting over.

Cardenas, Cincinnati's 160-pound shortstop, slammed four homers and drove in eight runs as the Reds split a doubleheader with Chicago Sunday, winning the opener 8-3 before the Cubs took the nightcap 9-5.

By hitting four homers in a

twinbill, Cardenas accomplished a feat that hadn't been done since the 1963 season. But he still fell one shy of the five Stan Musial of the St. Louis Cardinals hit in a 1954 doubleheader.

Cardenas won't get another chance, unless he starts another muscle-flexing streak, but Stargell still has a chance to match the National League and major league records for most consecutive hits.

The Pittsburgh slugger was interrupted by the end of the Pirates' 10-5 victory over Houston

after collecting five straight hits, including two homers. And he still had a streak of nine consecutive hits intact.

When the Pirates meet St. Louis Tuesday night he'll get a shot at the NL record of 10 — last achieved by Cincinnati's Woodie Williams in 1943 — and the major league record of 12 — last reached by Walt Droppo of Detroit in 1952.

Elsewhere, Atlanta crushed St. Louis 14-4, San Francisco edged Philadelphia 7-6 in 10 innings and Los Angeles and New York split, the Dodgers cruising to a 16-3 victory before the Mets won the nightcap 3-2.

Cardenas provided all the runs the Reds' needed in the opener, driving five runs with two homers and a single. Ron Santo and Randy Hundley homered for the Cubs.

Cardenas also hit two homers in the nightcap and added a double while driving in three runs, but the Cubs came from behind and won it with a five-run ninth. Billy Williams drove in the tying and lead runs with a two-out single.

The Braves rolled to their third straight victory after a string of seven losses by unloading 16 hits against the Cardinals. Denis Menke led the outburst that included a seven-run fifth inning in which 13 men batted by driving in five runs with a homer and four singles.

The Giants tied the Phillies in the ninth on singles by Tito Fuentes and Willie Mays around a sacrifice, then won it in the 10th when Hal Lanier tagged reliever Bo Belinsky for a two-out homer. Dick Groat drove in four of Philadelphia's runs.

Sandy Koufax won the opener for the Dodgers with a five-hit, nine-inning performance. Sandy Koufax won the opener for the Dodgers with a five-hit, nine-inning performance.

Davis added two hits and Parker added a homer in the nightcap. But the Mets won it in the ninth when they pushed across a run on singles by Ken Boyer and Jerry Grote around an intentional walk, and a wild pitch by reliever Ron Perrano.

Harmon Killebrew's fifth homer in six games snapped a 4-4 deadlock in the sixth inning and sparked Minnesota past Cleveland. The Twins added three runs in the seventh, two on Rich Rollins' single, Max Alvis and Leon Wagner homered for the Indians.

A double by Sam Bowens and Russ Snyder's single in the 12th inning gave Baltimore a victory in the game suspended Saturday night because of a city curfew.

But the Athletics stormed back in the regular game as Phil Roof drove in three runs and Ken Harrelson and Bert Campaneris each.

Jim Bouton got relief help from Steve Hamilton and Pedro Ramos for his first victory since last June 30. Bouton, who tired in the seventh inning, singled across two runs in the Yankees' three-run sixth. Roger Maris hit a two-run homer for New York in the first.

Don Wert led Detroit past California, driving in six runs in the doubleheader. He knocked in four runs in the opener with a single and a triple and produced a key two-run single in the second inning of the nightcap.

Peters Extends Sox Shutouts

Gary Peters is putting less kick into his work this season and getting more kicks out of it.

Peters, who isn't lifting his leg as high this year, brought his foot down on Washington Sunday, pitching a two-hitter as the Chicago White Sox completed a sweep of a doubleheader with a

12-0 victory. They won the opener 4-1.

The start for Peters was his first in two weeks, since he strained the bicep in his left arm in the first inning of a game against Cleveland.

"It was the best game I've thrown in two years," said Peters, who didn't allow the Senators a hit until the seventh inning. The performance brought his record to 3-2 and his earned run average to 2.18.

It also gave him two complete games, one more than he had all of last year, and one shut-out, also one more than he had last year when he dipped from 20-game season in 1964 to a 10-12 record and a 3.63 ERA.

The shutout was the sixth in the last 16 games for Chicago, a period which has seen the pitching staff post an amazing ERA of 0.80. In that time, too, the White Sox have won eight games and moved from seventh place, 10 1/2 games back, to fourth place, 5 1/2 out.

Elsewhere in the American League Minnesota whipped Cleveland 9-4, Baltimore edged Kansas City 6-5 in the 12th inning as a suspended game before losing the regular game 9-4, New York downed Boston 5-3 and Detroit swept California 6-4 and 4-1.

Harmon Killebrew's fifth homer in six games snapped a 4-4 deadlock in the sixth inning and sparked Minnesota past Cleveland. The Twins added three runs in the seventh, two on Rich Rollins' single, Max Alvis and Leon Wagner homered for the Indians.

A double by Sam Bowens and Russ Snyder's single in the 12th inning gave Baltimore a victory in the game suspended Saturday night because of a city curfew.

But the Athletics stormed back in the regular game as Phil Roof drove in three runs and Ken Harrelson and Bert Campaneris each.

Jim Bouton got relief help from Steve Hamilton and Pedro Ramos for his first victory since last June 30. Bouton, who tired in the seventh inning, singled across two runs in the Yankees' three-run sixth. Roger Maris hit a two-run homer for New York in the first.

Don Wert led Detroit past California, driving in six runs in the doubleheader. He knocked in four runs in the opener with a single and a triple and produced a key two-run single in the second inning of the nightcap.

BUT SOME FACE GOP OPPOSITION

Liberals Gain Strength In Senate

By The Associated Press
Texas Democrats Saturday selected 22 House and 2 Senate nominees for seats in the first Legislature to be seated after redistricting.

Several of those selected face Republican candidates in the November general election. There were no GOP runoffs for legislative seats.

Most surprising was the outcome in Dallas County where a labor-backed attorney won nomination to a newly-created seat in the Senate.

NEW SEAT

Oscar Mauzy, who had the backing of the Dallas AFL-CIO, defeated Rep. David Ivy for the new Dist. 23 seat. Ivy was backed by Gov. John Connally's forces.

Mauzy faces Republican Frank H. Pounders in November. Election of Mauzy in November would assure one of the most liberal Senates in years, by standards of the Texas AFL-CIO. A recent report by the labor group and the results of Saturday's runoff show that there will be 15 liberals, 5 moderates and 10 conservatives in the 1967 Senate if all the Democrats are elected.

Last year the AFL-CIO count was 11 liberals, 8 moderates and 12 conservatives.

MILLER WINS

In the other Senate race which was for West Harris County's new Dist. 15, also a result of redistricting, two incumbents had to battle for one seat. Rep. W. H. Miller defeated Rep. Don Garrison.

Also meeting defeat were a number of House candidates backed by Speaker Ben Barnes, a close Connally ally. Included among Barnes-backed hopefuls beaten in Saturday's runoff were Reps. Henry Fletcher, a three-term member from Lockhart; Tony Bonilla, Corpus Christi; Bill Duncan, McKinney, a four-term veteran, and George Richards, a four-term member from Huntsville.

WOUNDED

Fletcher was beaten by Gerhard Schullie Jr., 28, of San Marcos. The Lockhart representative had been wounded early Thursday by an unknown assailant. He was not seriously hurt.

Al Gonzalez took Bonilla out of the race, Duncan lost to Bob Hendricks of McKinney, and Richards lost to James L. Lovell of Crockett.

Barnes is expected to be re-elected to his speaker position despite the defeat of several hopeful backers.

If all are elected, the 1965 House will have 92 Democratic members. Contesting the incumbents are 42 Republicans.

FOUR RUNOFFS

Three of Houston's four House runoffs were captured by candidates backed by the liberal Harris County Democratic coalition. They were Jim Clark, labor union official, Arthur Vance, a chemist, and Lauro Cruz, an anti-poverty official believed to be the first Mexican-American nominated to the House from Harris County.

In the other Houston contest, Dr. Ira Kohler, considered a conservative, beat Richard Smith.

Frank Lombardino was the only candidate endorsed by San Antonio's liberal Democrats to capture a Bexar County House

seat. Other winners in Bexar County were A. M. 'Tony' Dramberger, Lamoine Holland

LOST IN EL PASO

Two Barnes-backed candi-

dates, Alfred A. Ratner and George Feinado, were apparent-ly defeated by Tati Santiesteban

AND PAUL C. MORENO

in El Paso. John Hannah, Lufkin, and Bill Elmer Tarbox, Lubbock; Bass of Ben Wheeler were

Charles A. Fennell, Holliday; among other apparent victors.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N.Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®) — discovery of a world-famous research institute. This substance is now available in suppository or ointment form under the name Preparation 200. At all drug counters.

Dear Abby

She Wears Two Rings

DEAR ABBY: As a physician who also sits on the board of a very prominent home for unwed mothers, I would like to give you the benefit of my experience with "the pill."

Of the 11 girls most recently admitted to our home for unwed mothers, seven had been taking the pill but probably through improper use became pregnant anyway. Six of the seven girls had contracted a venereal disease. Two of the girls said they had bought the pills from classmates at a very high price. Two reputable doctors are presently facing lawsuits for having prescribed the pills to minors without parental consent. All the girls were between 16 and 18 years of age, and from good, middle-class families.

What I cannot understand is why the boys involved are not made to accept financial liability or punishment of any kind. In our local community, one boy, by his own admission, was responsible for three separate pregnancies in one year. Why do the parents of the girls allow the guilty boys to go unpunished? ANOTHER M. D.

DEAR M. D.: Because the parents of a girl who finds herself in such an unfortunate situation want only to protect their daughter from further hurt. And to bring legal action against the boy, in all likelihood would mean publicity.

DEAR ABBY: For years my brother was the city's most eligible bachelor and when he finally decided to marry, you should see what he picked! She's a quiet, frail, shapeless little woman (his age) and a widow with two children to boot! If you saw the beautiful, young, well-to-do women who were running after my brother, you would wonder how this little mouse of a thing ever won him.

Well, she is still wearing her first wedding ring. She told my brother that she and her first husband were married at a double ring ceremony and they promised each other they would never take their rings off. (He was buried wearing his.) So my brother like a fool said he didn't mind, and he will put HIS wedding ring on her finger right next to her first one. I have never heard of anything so ridiculous. Is this proper?

LOVE MY BROTHER

DEAR LOVES: If you really love your brother, you will not make an issue of it. It is rather unusual, but if your brother doesn't "mind," neither should you.

Ashley Trial In 3rd Week

GATESVILLE, Tex. (AP) — The prosecution was to start trying to tie Leslie Douglas Ashley with a partly burned body near Houston when Ashley's second trial on murder charges entered its third week today.

Witnesses testified last week to seeing the body near the Houston ship channel the night of Feb. 6, 1961. It was identified as that of Fred Tones, Houston real estate man.

Ashley is charged with killing Tones after a sex party in Tones' office.

It is the second trial for Ashley, who was given the death penalty in the first but had it reversed by a federal court, which ordered a new trial on the claim that some state evidence had been withheld.

Convicted with him at the time was Carolyn Ann Lima. Her conviction also was reversed and when she was tried again got a five-year prison term, which she has now served.

Killed Sunday

ARCOLA, Tex. (AP)—Johnny died early today after he was struck by a hit-and-run vehicle as he stood on US 288 north of here. State police said the death car is believed equipped with dual wheels.

Findings May Erase Threat

SAN ANTONIO, Tex. (AP)—President Johnson has received findings of a three-man panel that might help erase the threat of a July 5 strike by 34,000 workers against five major airlines.

Press secretary Bill D. Moyers said the report of a fact-finding board headed by Sen. Wayne Morse, D-Ore., was flown to the LBJ Ranch from Washington Sunday.

The board looked into issues underlying a dispute between the AFL-CIO Association of Machinists and Aerospace Workers and five carriers: Eastern, National, Northwest, Trans World and United.

If the dispute is not settled by July 5, the union will be free to strike. One aim of the Morse panel, however, was to try to come up with findings that might contribute to a settlement.

Hamilton, also was on hand. The President, who apparently has spent much of his time relaxing, made two announcements Sunday.

Dr. Robert Alan Frosch, 38, will be nominated to replace Dr. Robert W. Morse as assistant secretary of the Navy for research and development.

Dr. Myron R. Blee, 49, will be nominated as deputy director of the Office of Emergency Planning, succeeding Franklin B. Dryden, resigned. Blee is an associate dean of Florida Atlantic University, Boca Raton.

Johnson, who flew to his Texas ranch with his wife last Friday, was expected to return to the White House Tuesday.

Over 100 Attend Show Of Colo. City Artist

COLORADO CITY—More than 115 persons attended the Colorado City Brush and Palette art club's fourth one-man art show Sunday from 1-5 p.m. in Civic House, according to George Womack, local banker who is president of the club.

Featured were 64 paintings of Emily Dulaney Barry (Mrs. Thomas P. Barry), 144 E. 8th St., ranging from humorous subjects done in 1917, through portraits, to a wild, way-out oil done this year.

Mrs. Barry, daughter of pioneer dentist Dr. B. F. Dulaney, is one of the charter members of the art club.

Drawing much comment was "Square Roots," an abstract, black-and-white oil featuring what is evidently part of a Victorian manse, a Picasso-like figure, the Pirena checkerboard and some lines converging toward the black horizon.

The artist began painting when a child, but stopped in 1917. The CIA graduate dietitian, now a retired realtor and insurance agent, did not regain her interest in painting until 1962, when her son found some early work in an old trunk.

"I've always painted what I wanted to paint," she said, "and what I've always wanted to paint is people." About 80 percent of the works shown were portraits.

Congressmen Hope For 10 Days Off

WASHINGTON (AP)—Congress faces a heavy schedule this week, with the promise of a long Fourth of July vacation in the offing.

If everything comes off according to plan, House Democratic Leader Carl Albert told the House last week, "it is 99 per cent certain" there will be a 10-day vacation over the Independence Day period.

House leaders plan votes this week on an assortment of legislation including an increase in the national debt ceiling, a \$17.8-billion military procurement measure, the administration's Food for Freedom proposal, the annual legislative appropriation bill and a bill to change ball bond practices.

Although the administration wants the debt ceiling boosted to \$52 billion, the House bill would raise the limit to only \$39 billion from the present \$28 billion.

The military procurement bill is \$931 million more than sought by President Johnson and Secretary of Defense Robert S. McNamara. The legislative appropriations bill calls for \$187 million to pay congressional costs in the fiscal year beginning July 1.

The less-crowded Senate docket is highlighted by voting scheduled for Wednesday on a bill to require more specific labeling and packaging of consumer commodities.

Senate debate starts today on a bill extending government controls over bank holding companies by eliminating several existing exemptions. The bill

would force the breakup of several companies. Committees in both branches will continue hammering into shape major bills dealing with the foreign aid program, civil rights, appropriations and cruise ship safety regulations.

Harry Billington Dies At Midland, Rites Set Tuesday STANTON (SC)—Harry Billington Sr., 65, of Stanton, died Sunday at 11:20 p.m. in the Midland Memorial Hospital at Midland. He was a longtime resident of Martin County who farmed in the area. At one time he owned and operated the Billington Motor and Irrigation Company at Stanton. He came to Stanton in 1950 from Big Spring.

Mr. Billington was born April 18, 1901, in Fort Worth and had his 30th birthday on Sunday, May 5, 1931. He was a member of the First Baptist Church. Services will be held at 3 p.m. Tuesday in the First Baptist Church of Stanton with the Rev. W. H. Uhlman, pastor, officiating. Burial will be in the Trinity Memorial Park at Big Spring under the direction of Gilbreath Funeral Home.

Two Graduate At SW Texas

SAN MARCOS—Two degree candidates from Big Spring were among more than 300 Southwest Texas State students receiving degrees in spring commencement exercises May 27.

The Big Spring graduates heard United States Ambassador to Costa Rica Raymond Telles Jr. deliver the commencement address in the San Marcos college's Strahan Gymnasium.

The students graduating were Clinton E. Compton and Judy L. Gillean. Compton is the son of L. W. Compton, 1018 1/2 Goliad, and received a bachelor of science in education degree. A 1961 graduate of Colorado City High School, he is the husband of Carol Ann Probst Compton, Kermit.

Judy Gillean, the daughter of Mr. and Mrs. Roscoe L. Gillean, 1206 Lancaster, received a bachelor of science in education degree. While attending Southwest Texas State, she was a member of the National Education Association and Delta Sigma Delta social sorority. She graduated from Big Spring High School in 1962.

Apparently None Injured

Two accidents Sunday and one Monday morning evidently injured no one.

An auto accident involving cars driven by Leonard L. Brown, Box 3734, Webb Air Force Base, and John Lee Mitchell, 906 NW 2nd, was listed Monday morning.

The police report indicated that a Carmen Johnson, 627 NW 4th, a passenger in the Brown car, was taken to Hall-Bennett Memorial Hospital. However, attendants there said no one was admitted Monday morning.

Sunday mishaps involved the cars of Fred M. Parsons, 2614 Monticello, Victor P. Torres, Coahoma, and the stopped car of Marvin Lee Lewis, Seminole, at Fourteenth and Gregg; and the car of Trinidad Assiaga, 215 NE 8th, and a car which left the scene at Fourth and Aylford.

Couple Steals From Local Motel

A man and woman who registered under a false address Saturday made off with a \$125 television set, three table lamps worth \$75, and \$5 in towels, Herman Bool of the Americana Motor Hotel said Sunday.

He said the couple, who gave their address as 1327 N. 49th, Milwaukee, Wis., left in a dark blue 1966 sports coupe, which had a Wisconsin license plate. Officers said the address given by the couple does not exist.

Lock Forced

Yeggs forced the lock off the south door of the 7-11 Store at FM 700 and Birdwell Lane late Sunday, officers said, but still could not enter the building—shelves stacked behind the door kept the would-be burglars from getting in.

Jim Hall's Car Is Nuerburgring Surprise Victor

ADENAU, Germany (AP)—An eight-cylinder Chaparral, powered by a Chevrolet engine and owned by Jim Hall and Hal Sharp of Midland, Texas, became the first non-European car to win a major post-war race on the Continent Sunday.

Driven by Phil Hill of Santa Monica, Calif., and Joakim Bonnier of Sweden, the rear-engine racer with automatic transmission won the Nuerburgring 1,000-kilometer classic. The Chaparral dominated the race, watched by 400,000 persons—from the seventh lap on.

Weaver Lad Still Critical

DALLAS (AP)—Douglas Glen Weaver, 8, still was in critical condition today in the case in which he and his older sister were taken to a deserted house and the boy beaten about the head with a hatchet.

The attack occurred May 29 in Dallas. Walter Young, 48, of Dallas was charged with abduction and assault. Several years ago he was sentenced to death for rape, his sentence reduced to life imprisonment and he was later paroled.

The sister of the badly wounded victim, Wanda Joyce, 11, was released unharmed and found wandering on a street. The children were on an errand to a grocery when they were picked up.

John T. Smith Dies In C-City

COLORADO CITY—John T. Smith, 84, died early Monday morning at Rood Memorial Hospital here after a brief illness.

Born in Tennessee, April 3, 1882, Mr. Smith came to Mitchell County in 1903, and was a retired farm implement dealer and realtor. He was a member of the First Baptist Church. He married Sude Sheffield in November, 1904. She died March 4, 1944. Mr. Smith married Anna May Tinture on Feb. 14, 1953.

Services will be at the Kiker and Son Chapel at 2 p.m. Tuesday with the Rev. M. A. Smith Jr. of the First Baptist Church, officiating. Burial will be in Colorado City Cemetery.

WIVES BEWARE!

If your husband has occasion to visit Fort Worth, don't let him stay at Green Oaks Inn!

Oh, it's nice, all right. It's done in sort of a storybook Old English style, including 300 rooms, including 57 suites, and two swimming pools.

The food's all they say it is—the tastiest in Fort Worth. And the club, patterned after an Old English ale house, is utterly charming.

Green Oaks Inn has a great location—away from downtown congestion, yet less than 10 minutes by freeway from the heart of the city.

The prices are reasonable, too. Why then, you ask, should you steer him to another hotel? If he stays at Green Oaks, he'll probably never want to come back home.

Reception Slated For Meachams

The many Big Spring friends of Chaplain and Mrs. Benjamin F. Meacham are invited to join their friends at Webb AFB in a farewell reception for the couple Sunday.

Hours for the affair at the Chapel Annex at Webb are 2 p.m. to 4 p.m. Chaplain Meacham is being reassigned to South Carolina after having been wing chaplain here for the past six years.

Successful, But It Missed Design

By CYNTHIA LOWRY
AP TV - Radio Writer

NEW YORK (AP) — The title of NBC's "white paper" programs implies that they have something special to say. But what Sunday night's "Age of Kennedy" had to say about the late John F. Kennedy seems to have been stated clearly and precisely by the late Adlai E. Stevenson at the United Nations four days after the assassination.

"President Kennedy was so contemporary a man, so involved in our world, so immersed in our times, so responsive to its challenge. He seemed the very symbol of vitality and the exuberance that is the essence of life itself. Now he's gone. Today we mourn him, tomorrow and tomorrow we shall miss him."

The second and final part of "The Age of Kennedy" concentrating on the thousand days of his presidency was more a memoir than anything else.

only a routine greeting and there wasn't a squeal to be heard.

ABC, having announced its fall schedule, is now changing the names of some of the new shows, further compounding a viewer's September confusion.

"Them Monroes," a Western, has been re-christened "Wild Country" before the nation's English teachers could complain. It is to be hoped the show will not be confused with NBC's "Wild Kingdom," a nature series, or CBS' "Wild West," a spoof about the old wide open spaces.

"Men Against Evil," a detective drama, is now "The Heavy Squad," which sounds more like a show about diets than cops.

Recommended tonight: "Summer Music Hall," NBC, 9-10 EDT, premiere of a variety replacement for "The Andy Williams Show" with singer John Davidson as host.

Showers Cut Heat

By The Associated Press

Thunder showers skipped around Texas Sunday, causing little turbulence and dumping only small amounts of moisture at widely scattered points.

Relief from searing heat came Sunday as a cool front moved into the Panhandle area, dropping the mercury to 86 at Dalhart, where temperatures were recorded above 100 Saturday.

The new cool front was to move only across the northwest section of the state and go no further southeast than a line from Abilene to Paris. Early today, the cool front had moved to a line from Wichita Falls to Hobbs, N.M.

Below the cool front, temperatures remained quite warm, with Presidio recording 105. It was 102 at Childress, 91 at Wichita Falls and an even 100 at Lubbock.

Light showers Sunday fell around Tyler, Waco, Sulphur Springs, Ennis, Brownwood, Breckenridge and Stephenville. No significant rainfall was recorded at any Texas reporting station.

Forecasts called for clear to partly cloudy skies over the state today, with widely scattered showers in East and Central Texas and a few isolated thundershowers in Southwest Texas.

Most of North Texas was to be a little cooler today. Temperatures early today ranged from 89 at Dalhart to 77 at Brownsville and Waco.

Movie Star, Opponent Wrap Up California Bids Today

SAN FRANCISCO (AP) — Actor Ronald Reagan and his opponent, George Christopher, speed across California today, appealing to the uncommitted as they wind up their campaigns for the Republican gubernatorial nomination.

At stake was the job of leading the Republican party — a minority in the nation's most populous state — back to the control of the state Capitol.

Democratic Gov. Edmund G. Brown and a Democratic legislature have run the state since 1959.

Brown, facing primary opposition from Los Angeles Mayor Samuel W. Yorty in his try for a third term, called it "one of the most important elections this state has ever held."

Besides picking nominees for statewide office, the 7,855,182 registered voters will be confronted Tuesday with candidates for legislative offices.

Of the 601 candidates, many will be seeking new State Senate seats in populous Southern California. A court-ordered reapportionment will transfer control of that House from the rural areas of the north.

Reagan chose the office seeker's standby, the airplane tour, for his final effort in the primary race.

Christopher, former San Francisco mayor, also campaigned by plane, stopping at some of the places on Reagan's schedule. The polls showed him behind, but he said, "There are a lot of 'don't know' people," referring to the undecided voters.

Defeated in his past bids for lieutenant governor and U. S. Senator, Christopher says he is the only Republican who can defeat Brown in November.

"Pat Brown has a vested interest in the status quo," he said in remarks prepared for delivery to a Los Angeles news conference.

"As the welfare rifts swell, so does seemingly limitless supply of patronage, bureaucratic waste and pork barrel," he said.

Christopher's air tour dropped down to the blazing hot Southern California community of El Centro Sunday. A small crowd heard him say: "This is the dirtiest campaign I've ever seen."

Asked if he would support Reagan, Christopher replied: "I've made no promises to anybody now. I'm a free agent. I have no obligations except to my wife and family."

There was nothing but good cheer on Reagan's tour Sunday. He aimed at Democrats in the genial, party-unity manner that another Hollywood personality, George Murphy, used in his successful race for the U.S. Senate two years ago.

To a Santa Ana crowd estimated at 5,000, he once again said he is not searching for a "political victory but a moral crusade."

"What we intend is a society based on the people's respect for the law and the government's respect for the people," he said.

high political office." He said his decision was "definite and positive."

Early in 1952 he said he was a Republican and indicated he would run for president if he received a "clear cut call to political duty." The call came, he answered it and spent eight years in the White House.

Adlai E. Stevenson, who was to be the Democratic presidential nominee twice, once took exactly the same attitude as Romney's present one.

After President Harry S. Truman said in March, 1952, that he would not be a candidate for re-election, Stevenson was asked if he might be a candidate.

"I am a candidate for governor of Illinois and nothing else," he replied.

Stevenson remained the reluctant man in public attitude. Even as the convention was meeting, he said, "If it be possible let this cup pass me."

Those words are from St. Matthew's report of what Jesus said at Gethsemane. The rest of the verse: "Nevertheless not as I will but as Thou wilt."

The political reluctance to accept a reluctant man's words ran strong and deep in the case of President Calvin Coolidge.

On Aug. 2, 1927, Coolidge declared, "I do not choose to run for President in 1928."

Yet efforts to draft him persisted right up to the Republican convention in June, 1928. The argument of the would-be drafters was that not choosing to run didn't mean that he wouldn't accept a nomination.

Coolidge never expanded on his statement.

Anyhow, don't bet that all the politicians have scratched Rockefeller and Scranton off their lists of presidential possibilities.
