Squad Car Set Afire

A police squad car, overturned by an unruly crowd, burns at corner of Division and Damen Avenue on Chicago's near north-

west side last night. Crowd watches in background after disorder broke out in Latin-American neighborhood. (AP WIREPHOTO)

# Rioters Run Amok In Chicago Streets

CHICAGO (AP)—Violent street fighting erupted in a predominantly Puerto Rican neighborhood on Chicago's North Side Sunday night after a policeman shot a Puerto Rican youth he said had threatened him with a gun.

The surging, rock-throwing mobs numbered more than 1,000, police said.

**BURNED CAR**  
The rioters tipped a police car on its side and burned it. Another squad car was heavily damaged. Windshields of many more were broken by rocks and hurled pop bottles. Fire was started in another police car, but quickly extinguished.

**Unruly Mob Put Down**  
PENSACOLA, Fla. (AP)—Deputies fired riot guns in the air Sunday to quell an unruly mob of several hundred Negroes who were tossing bottles and bricks at an officer trying to arrest a man for drunkenness.

# Violent Storms Lash Dallas Area Sunday

By The Associated Press  
Violent thundershowers lashed North Central Texas Sunday with high winds, heavy rains, hail and at least one tornado which did not touch the ground.

A thundershower dumped two inches of rain in the Dallas area Sunday evening. Underpasses were flooded, some areas were without power for a time and major traffic jams occurred on the North Central Expressway following an eight-vehicle accident.

tered points in the Big Bend Country. Victoria recorded 1.10 inches within an hour's time and lesser amounts fell across the southern part of the state.

# Supreme Court Spells Out Rule On Quizzing

## Suspect May Waive His Rights

WASHINGTON (AP) — The Supreme Court ruled today police may not question a suspect if he is alone and "indicates in any manner that he does not wish to be interrogated."

2. "Prior to any questioning the person must be warned that he has a right to remain silent, that any statement he does make may be used as evidence against him, and that he has a right to the presence of an attorney, either retained or appointed."

**FOUR CASES**  
The ruling was given in four cases which grew out of the historic 1964 decision which extended the right to counsel to a suspect in a police station.

3. "The defendant may waive effectuation of these rights, provided the waiver is made voluntarily, knowingly and intelligently."

4. "If however, he indicates in any manner and at any stage of the process that he wishes to consult with an attorney before speaking there can be no questioning."

5. "Likewise, if the individual is alone and indicates in any manner that he does not wish to be interrogated, the police may not question him."

Warren specified that the questioning covered by these rules means "questioning initiated by law enforcement officers after a person has been taken into custody or otherwise deprived of his freedom of action in any significant way."

In the 1964 ruling the court held 5 to 4 that the right to a lawyer applies when "the accusatory" process begins. Today's decision placed this process at the point where a suspect's freedom of action is significantly curtailed.

**RULES**  
1. "The prosecution may not use statements, whether exculpatory or inculpatory, stemming from custodial interrogation of the defendants unless it demonstrates the use of procedural safeguards effective to secure the privilege against self-incrimination."

2. Reversed the conviction of Carl Calvin Westover in the robbery of two Sacramento, Calif., banks. Westover's appeal had said he was held incommunicado for 17 hours before confessing.

# Reds Lose 13th MIG

SAIGON, South Viet Nam (AP)—A U.S. Navy pilot destroyed the 13th Communist MIG of the war in an air battle between the key North Vietnamese cities of Hanoi and Hai-phong Sunday and narrowly missed getting a second. But two U.S. planes were lost in new air attacks against the Communist north today.

Cmdr. Hal L. Marr, 40, of Roseburg, Ore., scored the hit on the MIG with his second heat-seeking Sidewinder in a numerically equal dogfight between four F4U Corsair jets from the carrier Hancock and four Soviet-designed MIGs.

**ENCOUNTER**  
A U.S. spokesman said the encounter occurred 51 miles northwest of Hai-phong, North Viet Nam's main port, and 35 miles northeast of Hanoi, the capital.

The missile homed in on the MIG's hot tailpipe and destroyed it. Marr, commanding officer of Fighter Squadron 211 aboard the Hancock, attacked another MIG with his 20mm cannon and hit its right wing but ran out of ammunition before he could finish off the enemy plane. The damaged plane apparently limped home.

A twin-jet U.S. Air Force B57 Canberra fighter-bomber vanished with its two crewmen east of the Mu Gia Pass today, while an Air Force F4C Phantom jet was shot down by ground fire northwest of coastal Dong Hoi City. Parachutes were seen but the two fliers were listed as missing.

**232 LOST**  
They were the 261st and 262nd American planes reported lost over the Communist north.

In the jungled central highlands of South Viet Nam, U.S. paratroopers killed 25 Communists in a series of skirmishes at the "Screaming Eagles" of the 101st Airborne Division combed the mountain air of a North Vietnamese regiment. They have been battling since Tuesday.

Before the paratroopers moved into the area where the North Vietnamese were believed encircled, high-flying B52s from Guam scattered it with bombs.

After seven bombing runs, helicopters lifted a company of paratroopers into the charred jungles, and a battalion of the 101st began an end-to-end sweep of the ridge where an estimated

1,000 North Vietnamese were believed burrowed in.

**LIGHT FIRE**  
A spokesman said the paratroopers met light, sporadic fire. AP correspondent Robert D. Ohman, with the troops, reported they found pieces of flesh and torn clothing.

A report from 191st field headquarters at Kontum, 33 miles to the south, said 377 North Vietnamese bodies had been counted since heavy fighting started last Tuesday and that another 425 were estimated to have perished. The total of 802 Communist dead nearly doubled the 406 enemy casualties reported by the U.S. command in Saigon.

The last MIG reported downed by U.S. fliers was a MIG17 hit by an Air Force F4C Phantom on May 12, 105 miles northwest of Hanoi and about 25 miles south of Red China's border. Peking charged that five American planes intruded into Chinese territory that day and shot down a Chinese plane on a training flight.

**LOST THREE**  
The United States has acknowledged loss of three planes in combat with Communist jets.

# Special Panel Is Thinned

Judge Ralph Caton, 118th District Court, excused 15 persons from jury duty today in the murder trial of Dee Scaggs Jr. leaving 55 to be questioned by attorneys this afternoon.

All 15 were excused from duty by legal exemptions, Judge Caton said. A special venire of 200 had been originally summoned for the case; however, there were at least three score who were excused from duty and several others who did not report.

Scaggs, a 22-year-old Negro, is charged with the death of Norris Sadler on Oct. 23, 1965, and faces the death penalty, since Wayne Burns, district attorney, has notified the defense the state will ask for the death penalty in the case.

**BLOOD SOAKED**  
Victoria Terminus platforms, nine miles from the accident spot, were soaked with blood as dozens of casualties were brought for admission to the Downtown Hospital.

# Some 100 Indians Die In Train Wreck

BOMBAY (AP) — At least 100 Indians were feared killed today and 120 injured when two suburban trains jammed with commuters crashed together in a Bombay suburb.

Five hours after the early morning collision, railway officials announced 52 bodies had been counted and there were 106 injured so far.

**TRAFFIC DISRUPTED**  
Traffic on the city's railways, which carry two million persons daily, was disrupted while doctors, firemen and police struggled through the wreckage to rescue trapped commuters.

Each train reportedly carried more than 1,500 passengers. Firemen used blowtorches to cut their way into twisted aluminum coaches in which men, women and schoolchildren were trapped.

The accident was thought to be the worst in western India's rail history. It occurred near a grade crossing north of Matunga Station, nine miles from Victoria Station in downtown Bombay.

The collision occurred at the 7 a.m. rush hour. One train bound from Victoria to Thana Junction, 20 miles to the north, was being switched to another track. The other train was en route to the central terminal.

The impact sent the first three cars of one train off the tracks.

**SERVICE STOPPED**  
Service on the central railway was stopped at once, halting movement to Madras, Calcutta and New Delhi.

Thousands of persons rushed to the crash scene in a crowded residential area while hundreds of police tried to cordon off the area.

The first carriage of the Thana-bound train was the worst hit. Most of the occupants were women, including scores of vegetable vendors.

The Municipal General Hospital at nearby Sion was set apart for accident casualties and closed to other admissions while the Indian navy's Shore Hospital rushed 100 doctors and nurses to Matunga to treat the injured.

# CARPENTER GETS MEDAL

## Tribute Paid 101st

DAK TO, South Viet Nam (AP) — "You have shown stamina, courage and just plain guts," Gen. William C. Westmoreland told the battle-weary paratroopers. "For every casualty you suffered you inflicted more than 10 on the enemy."

As the commander of U.S. forces in Viet Nam pinned a Silver Star Sunday on West Point's "Jonesome end," Cape William C. Carpenter, a battery of 155mm howitzers opened up on the Communists in the hills.

**GAVE BACK**  
In five days of fighting in the treacherous, sweltering jungles of South Viet Nam's central highlands, the men of the U.S. 101st Airborne Division's 1st Brigade took all the Communists could give and gave back more and better.

Westmoreland came into the hill country Sunday, as the fighting continued against the entrenched North Vietnamese, to pay tribute to the "Screaming Eagles" of the 101st.

mouth." Westmoreland pinned the Silver Star on Carpenter as an interim medal for the 29-year-old captain's heroism in calling a napalm strike on top of his company's position. Only this dangerous move saved Carpenter and his men from being wiped out by a North Vietnamese force three times their number.

Carpenter, a hero on the grid-iron six years ago, has been recommended for the Medal of Honor, the nation's highest award for gallantry in action, for his heroism on the battlefield.

Westmoreland told the survivors of Carpenter's unit, C Company of the 502nd Battalion, that they had been up against North Vietnamese regulars and that more may be across the border in Laos.

**2 BATTALIONS**  
He said the North Vietnamese regiment threw two battalions—perhaps 700 men—into the battle against the U.S. airborne men in apparent hope of repeating some of the Communist successes in the highlands last year.

"The 101st was sent up here to fight that regiment and stop it," Westmoreland said.

position on the hill when all hell broke loose," said the topkick of Carpenter's company, 1st Sgt. Walter J. Sabalauski, 55, of Palm Bay, Fla. "The air strike right on top of us was the only thing that saved us."

Sabalauksi's hand was burned by the napalm.

**CAUGHT IN FIRE**  
The battle began Thursday afternoon when the Communists caught Carpenter's company of paratroopers in concentrated fire from the front and on both flanks. They hung on nine hours until a second company battled its way in.

When it was feared both might be overwhelmed by the larger Communist force, a makeshift company of 56 volunteers went to their aid on Friday.

The fighting continued, alternately under a burning sun and a drizzling rain on a blood-stained mountainside 30 miles north of Kontum, until noon Saturday. By then helicopters lifted out the dead and badly wounded way down the steep, brush-covered ridge and back to the battalion perimeter.

Carpenter Gets Silver Star

Gen. William C. Westmoreland, left, commander of U.S. forces in Viet Nam, congratulates Capt. Bill Carpenter after pinning on his shirt an interim Silver Star, the second

highest U.S. combat award and noting that he was being recommended for the Medal of Honor. (AP WIREPHOTO)

**Flipping Over Graduation**

Being a graduate from high school is something to really flip about and Janet Delorey, of Salinas, Calif., does just that. Janet finally made it at graduation exercises Friday, and couldn't resist going head over heels. (AP WIREPHOTO)

## Calls For War On 'Slumism'

DALLAS, Tex. (AP)—Vice President Hubert Humphrey called on the nation's mayors today to join the administration in a war on "slumism," which he said breeds disorder and demagoguery and hate in American cities.

"Despite our housing and urban development, and education and health programs, large parts of America's cities are not fit for daily life," the vice president said.

"The enemy today within our gates is slumism," he said in a speech prepared for delivery at the annual meeting of the United States Conference of Mayors.

Humphrey appealed especially for support from the mayors for the demonstration cities bill now before Congress.

"In this bill, we have called for action to rebuild complete . . . entire central and slum areas of our cities," he said.

He emphasized that it is not intended to "cancel out or curtail programs we already have under way" such as urban renewal and the anti-poverty programs.

## Supreme Court Throws Out Union Man's Case

WASHINGTON (AP)—The Supreme Court threw out today the contempt of Congress conviction of a former union officer who refused to answer questions of the House Committee on Un-American Activities in 1955.

The unanimous decision, announced by Justice Abe Fortas, reversed a ruling by the U.S. Circuit Court for the District of Columbia.

This was the second appeal to the Supreme Court by John T. Gojack, a former vice president of the United Electrical, Radio and Machine workers of America, in such a case. An earlier contempt of Congress conviction for refusing to answer committee questions during a hearing in Washington was thrown out by the Supreme Court in 1962 because the indictment did not state "the subject under inquiry."

Fortas said the high tribunal found in the new case that the investigation and "question under inquiry" in Gojack's case were neither properly authorized nor specifically stated.

"Nor was the purpose of the inquiry clearly understood, apparently, even by the members of the subcommittee themselves," the justice stated. The court also found another "fatal defect," Fortas related. This was that neither the resolution or any minutes or other records of the committee states the subject matter committed to the subcommittee or otherwise described or defined its jurisdiction in terms of subject matter.

The justice went on to explain:

"We do not question the authority of the committee appropriately to delegate functions to a subcommittee of its members, nor do we doubt the availability of statutory law for punishment of contempt before such a committee in proper cases. The criminal law cannot be used to implement jurisdiction without statement or description of the subject committed to the subcommittee."

After the first conviction was overturned, Gojack was indicted again the same year, convicted and sentenced to three months in prison and fined \$200.

In his appeal, argued before the court April 21, Gojack said the committee had invaded his "First Amendment rights and his right to privacy" and that the hearing had an illegal purpose—exposure.

He questioned whether the committee had been set up legally and constitutionally.

Defending the conviction, the Justice Department said Gojack was called before the committee during an investigation of alleged Communist activities in the labor field.

This investigation, the department said, included alleged Communist party activities by officials of the union.

Therefore, the department said, the question was "clearly relevant to a proper subject of legislation" and was "not exposure for exposure's sake."

# Kluxer's Contempt Trial Delayed Until September

WASHINGTON (AP)—A federal judge delayed today the contempt of Congress trial of Ku Klux Klan leader Robert M. Shelton until Sept. 12.

Chief Justice Matthew McGuire of the U.S. District Court ordered the delay after Shelton's attorney, Lester V. Chalmers Jr., said it would take one to two weeks to try the case.

The government had estimated earlier the trial would last only one day.

Shelton, named by the House Committee on Un-American Activities as imperial wizard of the United Klans of America, would not speak to newsmen.

If convicted, he faces a fine of between \$100 and \$1,000 and a prison sentence of from one month to one year.

The Shelton trial is expected to serve as a test case for the trial of six other Klan leaders scheduled this fall. All were cited by the committee on Feb. 2 and indicted a day later.

## Light Agenda For School Trustees

School trustees face a relatively light agenda at the regular monthly meeting Tuesday at 7:30 p.m. in the board room.

Included as items are approval of bills paid and payable, action on personnel resignations and employment, the Medical Society's recommendation on medical examinations for school personnel, and a number of information items.

Shelton appeared before the Klan investigation subcommittee last Oct. 19 and 20. After he gave his name and place and year of birth—Tuscaloosa, Ala., June 1929—and said he had received a committee subpoena to testify Oct. 11, he refused about 100 times to answer questions.

In addition to questions relating to production of personal and organizational records and tax returns, as demanded in the committee's subpoena dated Oct. 7, Shelton on advice of his attorney refused to give details of Klan activities.

He cited four constitutional amendments and argued that the investigation went beyond the scope authorized by the House and was not intended for any valid legislative purpose.

The committee chairman, Rep. Edwin E. Willis, D-La., repeatedly warned Shelton he

## Girl's Body Is Found On Beach

TAMPA, Fla. (AP)—The nearly nude body of an attractive teenage girl was found Sunday in a muddy ditch on Tampa's West Side.

Police said Barbara Trombly, 16, was the victim of a sex attack. Her blouse and brassiere were tied around her throat.

Barbara was last seen Saturday night leaving a rock 'n' roll dance.

South Carolina; Calvin F. Craig, grand dragon of Georgia; Marshall R. Kornegay, grand dragon of Virginia; George F. Dorsett, Imperial Kludd and paid organizer and province titan of the realm of North Carolina; and Robert Hudgins, Imperial Kludd and exalted cyclops of North Carolina Klavern using the name of the Capital City Restoration Association.

## Deposed Red Leaders Vote

MOSCOW (AP)—Two fallen leaders—Nikita Khrushchev and V.M. Molotov—were among the voters Sunday as the usual big turnout elected the unopposed candidates for the Soviet Parliament.

Khrushchev, 72, thinner and more subdued than in his last public appearance 15 months ago, smiled as he cast his ballot for the man who replaced him as premier, Alexei N. Kosygin.

"Yes, I've been ill," Khrushchev told newsmen, "but everyone gets ill now and then." The former premier and Communist party chief was hospitalized last summer for kidney trouble.

His wife added that he "is feeling very well now."

Khrushchev's appearance at a Moscow polling booth was clearly arranged by Communist officials to show the world that he is alive and healthy — unlike the victims of Stalin's purges.

Molotov, 76, former premier and foreign minister under Stalin, also surfaced from obscurity to vote at another Moscow polling station. Once known for his granite visage at international conferences, he was smiling as he left the station with his wife.

Khrushchev ousted him from power in 1957 but let him live a relatively free, comfortable life of retirement out of the public eye. Molotov told newsmen he was feeling "not bad" and spends his time "working and writing."

As in the past, more than 99 per cent of the 140 million registered voters over 18 were expected to cast ballots for the party-approved candidates. Both the election and the parliament itself are largely ceremonial, designed to show support for the Communist party's rule.

In his previous public appearance in March 1965, to vote in local Moscow elections, Khrushchev took off his hat and waved to an applauding crowd, joked with a clerk and responded to the warm reception with tears in his eyes.

Sunday he kept his hat on until he was inside, did not wave and left dry-eyed with a slight wave of the hand to about 100 persons including newsmen and plainclothes police. Only one Russian — a middle-aged, shabbily dressed man — applauded.

Asked what he has been doing in retirement, Khrushchev said: "I read. I like reading very much. I go for walks and I read the newspapers." He added, later, "No, I don't intend to write memoirs."

## Graham's Director Does Not Expect A Deficit

LONDON (AP)—The director of Billy Graham's greater London crusade said today he doesn't expect the month long series of meetings to show a deficit.

The Sunday Telegraph said Sunday the crusade might end with a deficit of \$70,000. It reported contributions of 230,000 pounds (\$616,000) expected from churches fell short by about 20,000 pounds (\$56,000) and that collections at the rallies had been disappointing.

Walter Smyth of Philadelphia, the crusade's director, commented:

"At this time it is hard to say whether there will be a deficit or a surplus, but the crusade is following a normal pattern. The audiences are increasing, and from all indications all bills will be met by the close of the crusade July 2."

Graham held conferences with missionary leaders and friends today, studying plans for crusades. One will be in West Berlin in October.

Graham strolled through London Sunday shaking hands and waving to people staring at him from windows.

"Some thought I was running for office," he said, "but others just had no idea who I was."

Later the evangelist went to St. Matthew's Anglican Church for a special service arranged by 20 South London churches.

The church was jammed with about 2,000 persons, about half of them listening to loudspeakers.

Ethel Waters, famed Negro performer, sang while Graham preached.

## Injured Man Is Improving

BEVERLY HILLS, Calif. (AP)—Frederick R. Weisman, wealthy, retired businessman injured during a cocktail lounge dispute involving singer Frank Sinatra, is showing marked improvement, say officials at Mt. Sinai Hospital.

"He is conscious and recognizes members of his family," said a hospital spokesman. "His condition still is serious but his progress is satisfactory."

Weisman, 54, former president of Hunt Foods, was knocked unconscious Wednesday in the Polo Lounge of the Beverly Hills Hotel.

## GOREN ON BRIDGE

BY CHARLES H. GOREN

19 1966 By The Chess (1966)

ANSWERS TO BRIDGE QUIZ

Q. 1—As South, vulnerable, you hold:

♠ 2 ♣ K Q 8 4 ♦ K J 10 3 ♣ 7 6 5 3

The bidding has proceeded:

South West North East

Pass Pass 1 ♣ Pass

?

What do you bid now?

A.—This hand is worth about 11 points in support of hearts, and the suggested bid is a jump to three hearts. This would be an overbid in case you had not passed originally but, if partner has made a shaded bid, he need not go on.

Q. 2—Both vulnerable, as South you hold:

♠ J 2 ♣ Q J 9 5 ♦ Q 10 7 6 ♣ K Q 6

The bidding has proceeded:

South West North East

Pass Pass 1 ♣ Pass

?

What do you bid now?

A.—A response of two no trump is our choice. This is not up to the standard of a two no trump response but, in view of the previous pass, such a call may be made with 11 or 12 points. This hand contains 11, plus some slight values in the way of intermediates.

Q. 3—East-West vulnerable, as South you hold:

♠ Q 5 4 ♣ A 10 9 7 5 3 ♣ 7 6 5 4

The bidding has proceeded:

West North East South

1 ♣ 1 ♥ 2 ♣ 3 ♥

4 ♣ 4 ♥ 6 ♣ ?

What do you bid now?

A.—In this situation, we would fear that the enemy can fulfill their slam contract and would choose to make a sacrifice bid of six hearts, but preparatory to doing so we would make a call of six diamonds so that if the enemy proceeds to seven clubs your partner will be apprised of your void in diamonds. Naturally, if doubted, it is your purpose to return to six hearts.

Q. 4—As South, vulnerable, you hold:

♠ K Q J 5 4 ♣ K Q 8 5 4 ♦ K 2 ♣ 4

The bidding has proceeded:

South West North East

1 ♣ Pass 2 ♣ Pass

2 ♥ Pass 4 ♣ Pass

?

What do you bid now?

A.—Four no trump. A Blackwood call is recommended. It is not improbable in view of partner's strong bidding that he has three aces. If

you should be willing to contract for slam. There is no real danger of getting overboard, for surely partner would not do such strong bidding without two aces.

Q. 5—Both vulnerable, as South you hold:

♠ 10 6 3 ♣ A 7 4 2 ♦ A K 6 4 ♣ Q 3

The bidding has proceeded:

North East South West

1 ♣ Pass 1 ♥ Pass

2 ♣ Pass 2 ♥ Pass

3 ♣ Pass ?

What do you bid now?

A.—Four clubs. Since you have better than an opening bid, you should make one more try for game and the recommended call is four clubs. It is hard to visualize a hand on which a partner's contract would not be safe on this sequence of bids.

Q. 6—As South, vulnerable, you hold:

♠ K 2 ♣ Q 10 2 ♦ A Q 10 6 4 ♣ A J 8

The bidding has proceeded:

East South

1 ♥ ?

What do you bid?

A.—Our choice is for a bid of one no trump, which is preferred to the double for the reason that you have not ample preparation for the major suits. If partner chooses to bid hearts voluntarily, you will be prepared to support the suit.

Q. 7—Both vulnerable, as South you hold:

♠ 7 3 ♣ Q 9 5 ♦ 5 2 2 ♣ K 10 7 6 4

The bidding has proceeded:

North East South West

1 ♣ 2 ♥ Pass Pass

2 ♥ 3 ♥ ?

What do you bid now?

A.—Pass. You have not sufficient values to justify voluntary action. Partner's hand is limited to some extent by the fact that he failed to double but merely reopened as cheaply as possible with another suit. He probably counted on you for this much when he reentered the auction.

Q. 8—Both vulnerable, as South you hold:

♠ 10 9 8 5 ♣ K 2 ♦ 10 9 8 3 ♣ Q 3 2

The bidding has proceeded:

North East South West

1 ♣ 2 ♥ Pass Pass

2 ♥ 3 ♥ ?

What do you bid now?

A.—Three spades. Partner must take your raise with a grain of salt inasmuch as you were unwilling to raise to two spades on the previous round. In view of your previous pass and the fit in partner's suit, you may take the liberty of raising.

Scouts Found Safe At Ranch

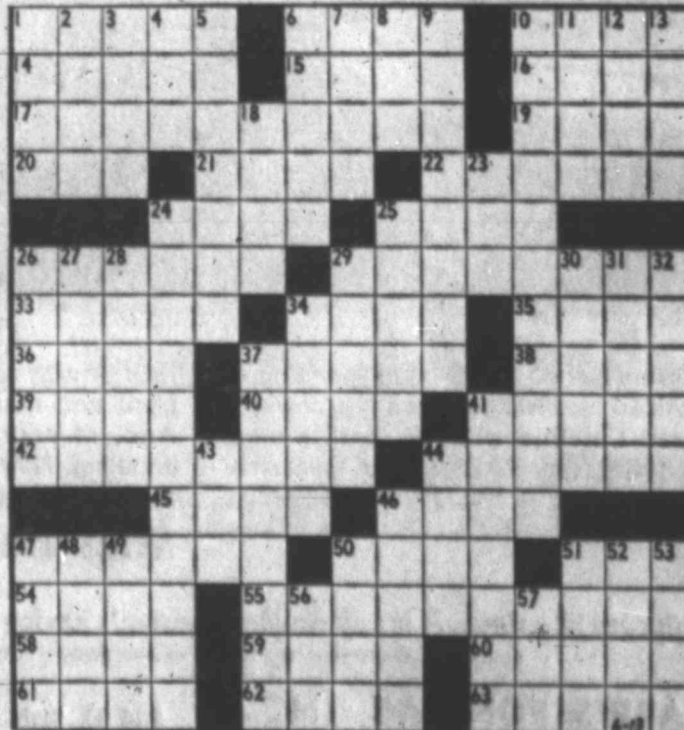

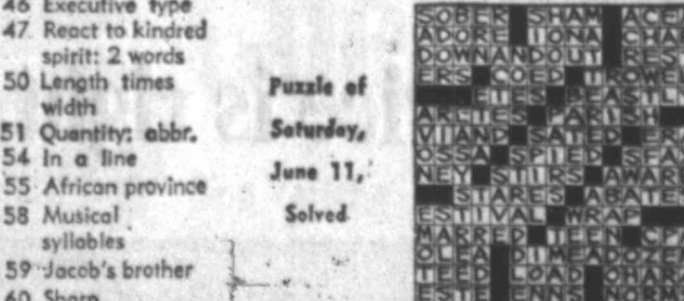

BOQUILLAS, Tex. (AP) — N.M., started the trip down the Fifteen Boy Scouts, unburned but none the worse for being marooned on a Mexican ranch, said they weren't as worried as their parents during the two days they were missing. The scouts and their leader were picked up by an Air Force helicopter Sunday in Mexico 20 miles from where their three rafts were found washed up on a bank of the Rio Grande. The youths were on a 55-mile trip down the river when flood waters swept away their rafts and provisions Thursday night. "We didn't consider ourselves lost because we knew where we were," one scout said after the helicopter returned them to the Big Bend National Park headquarters here. They said they didn't become concerned until Saturday when they heard over a Denver radio station that an intensive search had been launched for them. "We were afraid our families would be worried," they said. "We felt pretty safe all the time." 12-year-old Roger Paul said later. The scouts and their leader, John Rachel, 42, all of Hobbs,

Plane Crash Causes National Forest Blaze

SANTA BARBARA, Calif. (AP)—Fifteen hundred fire fighters were in virtual hand-to-hand combat today against a 20,000-acre brush and pine fire which threatened the bathing area of the nearly extinct California condors in Los Padres National Forest. "It is strictly a hand-to-hand show," said U.S. Forest Service officer Ray Dalton. "There are steep bluffs, big canyons. The wind is coming from the east, which makes it dangerous." Towering clouds of smoke cast an orange-tinted pall over the seaside resort town of Santa Barbara, about 35 miles to the south. Five hundred expert Indian fire fighters arrived on the lines through the night, airlifted from Arizona and New Mexico. Other fire fighters moved in from all over California by bus and plane. Eight aircraft, which dropped fire retardant solution on the blaze Sunday were to be pressed into service again. Helicopters airlifted fire fighters into the inferno area which is nearly without roads. A light plane crash touched off the blaze Saturday. So remote was the crash scene, the spreading fire was not visible from a Forest Service watchtower until Sunday morning. Two airmen from nearby Vandenberg Air Force Base were killed and two injured in the crash of the single-engine plane. Tourist Subsidy

## Main Street Improvements On City Agenda Tuesday

An ordinance ratifying the permanent improvements being made to the 200 block of Main Street will be considered at a public hearing Tuesday night by city commissioners.

The ordinance will include an assessed rate per front foot for sidewalks, curbs and paving in the block of \$48.74 — a total cost to property owners in the block of \$29,240.07, and to the city \$14,999.13, for a total of \$44,239.20.

The improvement program, initiated by a local group of business men called Downtown Big Spring, Inc., includes repaving the street with an inverted crown, getting rid of the old-fashioned high curbs, putting in colored sidewalks, and improving intersections. Already, Downtown Big Spring, Inc. has purchased the old First National Bank property, cleared it, and turned it over to the city, which remodeled it into a free, public parking lot.

The commission agreed to contract with W. D. Caldwell, Inc., for the construction of the improvements at the last commission meeting. The meeting will begin Tuesday at 7 p.m.

Stanley E. Peurifoy will ask for renewal of his contract for advertising benches on street corners.

Commissioners will consider two recommendations of the traffic commission — the purchase of three "countdown" traffic signals, and a four-way stop sign at Fifteenth and Scurry.

The "countdown" signal is a normal traffic signal, the center, or amber light, section of which is replaced by a light

which gives numerical countdown — 9, 8, 7, and so on — indicating how many seconds it will be until the light will turn red.

## Child Shaken In Collision

Police reported a two-car accident Sunday sent a 9-month-old child to a local hospital, but hospital records show no admission.

Officers said the cars of Gilbert Rodriguez, 207 NE 8th, and John Galindo Morales, 704 S. Bell, were in collision at Eighth and Bell at 3:55 p.m., and that young Sandy Tercero, a passenger in the Morales car, was taken to Medical Arts Clinic-Hospital.

Another accident Sunday injured no one. Involved were the cars of Rafael R. Trevino, Lubbock, and Robert George Douglas, Lamesa, at 700 Lamesa Drive.

Three wrecks late Saturday caused no injuries, police said. They involved the stopped car of Lynn Vernon Auld, Lovington, N. M., and the car of William R. Bartholis, Webb Air Force Base, in the 300 block of Birdwell Lane; the car of Linda Nell Brown, 1904 E. 25th, Apt. 25, and the parked car of Travis L. Ingram, Webb Air Force Base, in the 1400 block of East Third; and the parked car of Murrell Warren Gray, Brownwood, and the car of William D. Barton, 412 E. 28th, at the 66 Truck Stop parking lot.

Traffic commissioners have recommended the signals be placed at Fourth and Gregg, Fourth and Birdwell Lane and Third and State.

Appointment of the 1966 Board of Equalization will be considered. According to C. E. Johnson Jr., city tax assessor, Bill M. Estes, Lawrence Robinson, Billy T. Smith, and Pete Cook, as an alternate, have agreed they will serve if appointed.

"It is important that the board be appointed by the city commission and the school board of trustees as soon as possible," Johnson said, "in order that they may begin their review of valuations prior to the hearing to be held July 6 and 7."

The First National Bank has indicated to the city that it wishes to sell a rubber-tired roller which the bank has repossessed, according to Ernest Lillard, director of public works.

Final reading of three ordinances will take place. Involved are on-premises consumption permits for the Red Barn, Scarbro's Cafe, and a zoning change from "retail" to "commercial" on John Nutt's property in McDowell Heights Addition.

Third reading will be made on the annexation of Jerry Worthy's trailer court property just south of the present city limits.

Second reading will be made of an ordinance allowing on-premises consumption at the Spanish Main; and second reading of an ordinance authorizing off-premises consumption at Thelma's Drive-In Grocery and Market.

## Leaves Aroma

Jack Templeton told officers he drove up to 513 E. 1st, and saw a man running across the lot from a Pat Boatler Oil Co. truck. Police said a vent window had been broken out of the truck, and that a strong odor of whiskey was in the cab, which had been ransacked.

## Children's Workshop For Theatre Training Slated

Parents were urged today to consider enrolling their youngsters in a summer Children's Theatre School - workshop, which is being sponsored by the Big Spring Little Theatre.

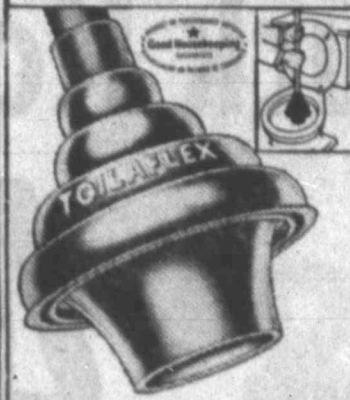

Aimed at fifth- through eighth graders, the workshop is designed to give these youngsters instruction in basic acting technique, production techniques, and the history of the theatre. Although it will be of help to children who may wish to work in full-scale theatre productions later on, it will also help any child in public speaking training.

The workshop will be held in the YMCA on Saturday mornings, from 9:12 o'clock. It begins June 18, continuing through July 30, skipping the July 4th weekend. Cost is \$5 for the entire project, which is used to pay expenses. Parents interested in enrolling their children may write Box 463, giving the name, grade, address and phone number. Deadline to register is Friday.

**DIAL the MILES**

with **DIRECT DISTANCE DIALING**

coming to Big Spring on July 14

DIRECT Distance Dialing will be introduced to all telephone users in Big Spring at 12:01 a.m. on July 14.

With Direct Distance Dialing — "DDD" — you will be able to dial your long distance station-to-station calls direct, as easily as local calls.

### Fast - Convenient - Easy

DDD is fast, convenient, easy to use. To make a DDD call, just dial "1," then the 3-figure area code number for the city you are calling, and then the telephone number... that's all.

For example, suppose you want to call **Capitol 7-3744** in Houston. You'll find

Houston listed on page 3 of your telephone directory with the area code number **713**. So you'll dial:

**1...7-1-3...C-A-7-3-7-4-4**

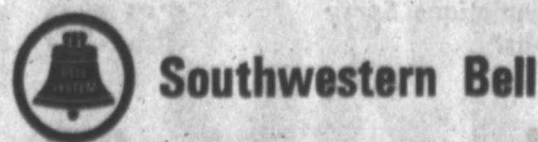

"Long Distance" Area Code Telephone Number

... and you will then hear the Houston telephone ring, within seconds.

For technical reasons, all "AMherst 4" telephone numbers must be changed to "AMherst 7" when DDD is introduced here.

**BIG SPRING** will be one of the first cities in West Texas to get DDD, and we are glad to bring this new service here. It is an important step in our continuing program to make your telephone service faster, more efficient, and more enjoyable than ever.

**HARRY SAWYER,**  
Manager

You'd buy a Pontiac instead of a low-priced car if the price were right?

The price is right.

The same money you've been spending on low-priced cars will get you a big, powerful Pontiac Catalina with up to fifty more standard horsepower. A longer, limousine-like wheelbase. A typically plush Pontiac

interior with safety features like seat belts front and rear, and padded sun visors. And, of course, Wide-Track ride and handling. Now you know why we've been calling it the low-priced high-price car.

### Wide-Track Pontiac Catalina

(With cars like these, is it any wonder Pontiac's having the best year in history?)  
SEE THE LOW-PRICED HIGH-PRICE CAR AT YOUR AUTHORIZED PONTIAC DEALER.

**DEAR ABBY**

**Irksome Children**

DEAR ABBY: Every year my daughter and her children have visited us and stayed all summer, and each year the children grow a little bolder. Last summer my home was bedlam! The children kept the stereo going full blast night and day, refused to pick up after themselves, ate all day long, and abused our lovely furniture. They partied at night and left the mess for me to clean up in the morning.

They had their teenage friends running in and out, and never bothered to introduce one of them to their grandfather or me. (Their mother said teenagers NEVER introduce their friends to anyone, not even to their parents.) I was shocked to hear the rude manner in which those children talked back to their mother, and she didn't say a word.

If I had treated my elders that way, my mother would have worn out a willow switch on me. Summer is upon us, and I am dreading it. Have you any advice for me?

GRANDMOTHER

DEAR GRANDMOTHER: No advice, just sympathy. If you put up with those hooligans another summer, you've asked for it. Apparently you failed to teach your daughter what your mother taught you — respect for one's elders. For if you had, she's have passed it on to HER children. And perhaps something else would have been passed on — the willow switch.

DEAR ABBY: I am so mad, I have to unload on someone, so here goes: My husband is self-employed. A year ago he did a job for a customer who lives in a home much more beautiful than anything we could ever afford. After a year, we received a check for this job. The check was misplaced (I thought it was stolen) so I called the lady and asked her to please stop payment on it.

I found the check today and called the lady back to tell her I had found the check and to apologize for any inconvenience I had caused her. She asked me to SEND HER ONE DOLLAR, as this is what it cost to stop payment on that check!

After waiting a year for our

**Swedes Refuse Sale Of Arms**

STOCKHOLM, Sweden (AP)—Munitions trade sources say the Swedish government has turned down repeated United States requests to buy Swedish arms and ammunition for the use of American forces in Viet Nam.

Harvard Prof. John Galbraith, former U.S. ambassador to India, said Sunday in Providence, R.I.

"Sweden . . . has thought so little of our (Viet Nam) policy that she has imposed an arms embargo—a quarantine—upon us."

There has been no official confirmation of the reports in Washington or Stockholm. Swedish Trade Minister Gunnar Lange said May 25 his department had not turned down any U.S. request to buy arms.

Several days later, the Pentagon acknowledged that it had made "informal inquiries" about which types of TNT explosives were available in Sweden. It was learned that Swedish manufacturers had refused to sell explosives to the U.S.

The Pentagon also said it "does not at present purchase or intend to purchase arms or ammunition from Sweden."

Official Swedish policy forbids arms sales to any nation involved or about to be involved in foreign or domestic conflicts. The embargo currently applies to Communist and Arab nations, Israel, Spain, Portugal and South Africa, trade sources say.

**Houston Woman Dies At 100**

HOUSTON (AP)—Mrs. Cora Macatee McEnnis, who reached the age of 100 last Aug. 13, died at her home Sunday. She was considered one of Houston's oldest living natives.

Funeral services will be held Tuesday for Mrs. McEnnis, whose father, W. L. Macatee, built the old Macatee Hotel here in 1905.

Her grandfather, Peter Wilson of Maryland, settled in Houston in 1839 and operated what is said to be the city's first hotel, the Houston House.

Mrs. McEnnis was born and raised near what is now Houston's downtown business district.

Survivors include a daughter and two sons.

is the accepted, though asinine system of seating wedding guests so that the bride's family and friends are on one side of the church and the groom's are on the other.

When the usher asks me, "Whose side are you on," I always have the urge to say, "Must I choose sides? They haven't even started fighting yet."

Hate to write letters? Send \$1 to Abby, Box 69700, Los Angeles, Calif., 90069, for Abby's booklet, "How to Write Letters for All Occasions."

**Rail Union Leaders Seeking Vote On Merger**

CLEVELAND, Ohio (AP)—Top leaders of three rail labor unions have announced that they will ask their members to approve a merger into one union with some 90,000 members. The announcement came Sunday from George H. Harris, president of the Order of Railroad Conductors and Brakemen (ORC&B); H.E. Gilbert, president of the Brotherhood of Locomotive Firemen and Enginemen (BLF&E), and Neil P. Speirs, president of the Switch-

men's Union of North America (SUNA). The plan will now be presented to the authoritative bodies of the three organizations for consideration and implementation, the statement said. The three union leaders called the plan "a significant step forward in preparing the existing organizations for the demands of the future." The unions have seen railroad employment dwindle steadily for several years. Gilbert

members. There is a bitter rivalry between the BLE and BLF&E, and the BRT competes with the other two unions for membership among train crews. The conductors will be the first to consider the merger at their convention June 20 in Cedar Rapids, Iowa.

# Officials Are Optimistic

WASHINGTON (AP) — High administration officials believe expanding U.S. combat operations in Viet Nam may hasten a turning point in the war against Communist conquest in South Viet Nam.

A new tone of optimism is apparent in official comment here, although it is not universally shared. Some highly placed officials fear that the military gains now being registered may be frustrated by new political violence in South Viet Nam or by some strategic shift on the part of Communist forces.

Other officials indicate that the total amount of damage which allied forces are now able to inflict on Communist forces is almost in balance with the gains which the Communists are able to make by way of infiltration of troops from North Viet Nam and recruitment in the south.

Administration officials have claimed that in the first four months of this year — January through April — the North Vietnamese sent 19,000 men through the jungle roads and trails into South Viet Nam — an average of about 4,700 a month. In the same period about 14,000 fighters are estimated to have been added to Viet Cong forces through recruitment in the south. The gross gain from the two sources totaled about 33,000.

For the same period of four months more than 16,000 Communist fighters are reported to have been killed in action with other thousands wounded, captured or defected to South Viet Nam. U.S. officials estimate that Communist losses from all these sources totaled more than 30,000 and that even with errors in all statistics, the Viet Cong and North Vietnamese total gains and total losses must be approaching a point of balance.

As usual the program for the start of the week is light. The House considers today bills to boost the amount of bonds that may be issued by the Tennessee Valley Authority and to broaden the Foreign Service Building Act. The Senate schedule calls for action on several private bills.

Later in the week, with no definite timetable worked out, the Senate may act on House-passed bills boosting the national debt ceiling; appropriating funds to finance the Agriculture, Labor and Health, Education and Welfare departments; making it a federal crime to mistreat animals used for research purposes, and levying "a buck a bale" tax on cotton to finance research programs if growers approve.

The Senate Foreign Relations Committee hopes to whip into shape the annual foreign aid authorization bill, while its Agriculture Committee may start work on a two-year, \$4.6 billion Food for Freedom measure passed last week by the house.

The House expects to spend all day Tuesday debating and voting on a \$17.8-billion defense procurement measure passed by the Senate with a smaller price tag. The bill has been on the House calendar more than two weeks and its consideration already has been postponed twice.

The balance of the House week will be spent considering bills extending the 1951 Renegotiation Act and the 1950 Defense Production Act and amending the foreign investors tax law.

House committee action will focus on the foreign aid bill, the North Atlantic Treaty Organization, automobile safety, a new civil rights program and President Johnson's new anti-poverty proposals.

Last week's production was above normal in both the House and the Senate as leaders held out the promise of an extended Fourth of July recess.

The House passed the Food for Freedom bill, the debt limit increase measure, the annual legislative appropriation bill and a host of relatively minor measures.

The Senate passed a crop disaster bill, a bill to tighten requirements for labeling and packaging consumer goods, a measure to restrict nonbanking activities of banks and an assortment of minor measures.

The demonstrations generally were small, quiet, and without incidents.

"He was tempted to say when times were bad that maybe we should act in some more direct way," Roy Wilkins, executive director of the National Association for the Advancement of Colored People, told 1,000 Negroes at Jackson. "But he knew that was not the way. Don't misunderstand, I want you to fight every step of the way for what is due you. Only remember, when we win — and we will — we and the white people must live together."

Mild dissension among civil rights leaders on some aspects of the Meredith march flared again.

James H. Meredith, 33, who started the walk from Memphis, Tenn., June 5 said in New York his biggest concern was that everyone understand its purpose. He said he told two civil rights leaders he did not want it turned into a publicity stunt or fund-raising contest among civil rights organizations.

Meredith was wounded on the second day by two blasts of birdshot. Auby James Norvell, the 40-year-old Memphis white man charged with the shooting, has a hearing Tuesday on a petition to be freed until the trial.

Charles Evers, who took over his brother's job, had asked for assurances that those participating in the march would not drain Mississippi of funds for necessary work and leave after march publicity was over.

The campers at Enid had better facilities than the night before when their tents were pitched in a dusty cornfield. The Enid, Okla., a federally-built earthen structure, contains a recreation reservoir and the campsite is lush, manicured grass.

Highway patrolmen and some of the marchers guarded the area during the night.

Some evidence of what was thought to be Ku Klux Klan surveillance emerged Sunday. Some cars passing the marchers bore little rosettes at the tip of their radio aerials and some people with walkie-talkie radios were in the area.

One white teen-ager, on the dam overlooking the campsite at the foot of the spillway, said: "We ought to get a crowd together and rout them out of there and burn those tents."

The marchers still were 40 miles from the start of the area considered Klan territory.

# Marchers To Push Work In The Fields

ENID, Miss. (AP) — Teams of Negroes fan out from the Meredith march into cotton plantations today to push voter registration among Negro workers in the fields.

"I'm sure we will meet with some opposition in view of the publicity on the Meredith march," said Charles Horwitz, a white staff worker for the Mississippi Freedom Democratic party. "But we will go anyway."

He said he expects opposition to be minor.

The main body of marchers will be on US 51 again with a goal of making 20 miles to Grenada by nightfall, the largest jump to date.

March leaders are facing increasing difficulty in getting campsites. At Grenada, homes of Negroes will be open to the procession.

To cut the distance from the Enid campsite where the marchers stayed in two tents Sunday night — and to give veteran hikers a rest — a group of newcomers walked six miles Sunday to near Oakland and were returned to Enid by trucks. Today's march began where the vanguard left off.

Dr. Martin Luther King Jr., who rejoined the procession briefly, said they should be in Jackson — the state capital and their goal — by June 28. Their number "will rival the Alabama pilgrimage from Selma to Montgomery last year," King predicted. The Selma march climaxed with 25,000 pouring into Montgomery.

After walking for a few hours, King went by car to Marks for the funeral of Armstead Phipps, who died on the march Thursday of a heart attack.

Civil rights groups around the country held meetings and symbolic marches Sunday in support of the Meredith march and to commemorate the third anniversary of the death of Medgar Evers. Evers, a state official of the National Association for the Advancement of Colored People, was shot by a sniper in the driveway of his home in Jackson.

The demonstrations generally were small, quiet, and without incidents.

"He was tempted to say when times were bad that maybe we should act in some more direct way," Roy Wilkins, executive director of the National Association for the Advancement of Colored People, told 1,000 Negroes at Jackson. "But he knew that was not the way. Don't misunderstand, I want you to fight every step of the way for what is due you. Only remember, when we win — and we will — we and the white people must live together."

# Crops Hurt In Rains, Hail Late Saturday

Heavy rain, hail and high winds pelted Howard County late Saturday night, gauging up to 1.5 inches rain and causing slight crop damage in some areas of the county.

Official checks by the U. S. Experiment Station reported 43 inch rainfall dumped on the county in a two-hour period; however, several areas were hit much harder and in a shorter period of time.

The worst of the storm apparently passed through Lomax, where about 1.5 inches fell in a 45-minute period. Hail and heavy winds were prevalent and some crop damage, although slight, was reported.

The rain began falling in Big Spring shortly before 10 p.m. Streets were slippery. Heavy winds caused several tree branches to break and fall into the streets but no extensive damage was reported.

Upwards of one inch of rain was gauged on the Wilkinson Ranch and out at Elbow. Foran showed 3 inch, while Vincent had high winds but no rain nor hail. No crop damage was reported in any of the communities.

The Fairview gin reported about 7 inch.

The Colorado River Municipal Water District reported 10 of an inch of rain at the dam, only a trace at the Big Spring-Odesa pump station four miles upstream. However, the lake rose .06 of a foot to elevation 2243.63, an increase of about 300 acre-feet or 100,000 gallons. Elsewhere, the system reported .55 inch of rain at the pump station north of Big Spring and .3 of an inch at the central Martin County station.

Texas Electric Service Company had .79 of an inch at the switching station northeast of Big Spring, .50 of an inch at Chalk in southeastern Howard County and .50 of an inch at Lamesa.

HUTCHINSON, Kan. (AP) — The body of a young Hutchinson woman, her throat cut, was recovered from a shallow grave today.

Sheriff Charles Heidebrecht said two persons were held.

Heidebrecht said the victim, Miss Linda Calendar, 17, had been missing from her home since Saturday night.

He said Ronald Warrick, 15, said he and a companion picked Miss Calendar up at her home and raped her.

Heidebrecht said Warrick told him the other man cut her throat and, after wrapping her body in a seat cover from a car, they buried it north of Hutchinson.

CARD OF THANKS  
To our kind friends, neighbors and relatives we wish to express our sincere appreciation for sympathetic attention, floral tributes and other courtesies extended to us at the loss of our beloved husband and father. Joyce Sandler and Robert Sandler, Jr.

CARD OF THANKS  
We wish to thank all our dear friends and neighbors for their kind expressions of sympathy, the foods, the flowers and visits during our recent bereavement. Family of C. E. McDaniel.

# Could Be A Busy Week If Course Is Followed

WASHINGTON (AP) — If Congress follows the course charted by its leaders, this could be one of its busiest weeks of the year.

Scheduled for action in both branches is an assortment of legislation dealing with a wide range of subjects including prevention of cruelty to animals and the expenditure of billions of dollars.

As usual the program for the start of the week is light. The House considers today bills to boost the amount of bonds that may be issued by the Tennessee Valley Authority and to broaden the Foreign Service Building Act. The Senate schedule calls for action on several private bills.

Later in the week, with no definite timetable worked out, the Senate may act on House-passed bills boosting the national debt ceiling; appropriating funds to finance the Agriculture, Labor and Health, Education and Welfare departments; making it a federal crime to mistreat animals used for research purposes, and levying "a buck a bale" tax on cotton to finance research programs if growers approve.

The Senate Foreign Relations Committee hopes to whip into shape the annual foreign aid authorization bill, while its Agriculture Committee may start work on a two-year, \$4.6 billion Food for Freedom measure passed last week by the house.

The House expects to spend all day Tuesday debating and voting on a \$17.8-billion defense procurement measure passed by the Senate with a smaller price tag. The bill has been on the House calendar more than two weeks and its consideration already has been postponed twice.

The balance of the House week will be spent considering bills extending the 1951 Renegotiation Act and the 1950 Defense Production Act and amending the foreign investors tax law.

House committee action will focus on the foreign aid bill, the North Atlantic Treaty Organization, automobile safety, a new civil rights program and President Johnson's new anti-poverty proposals.

Last week's production was above normal in both the House and the Senate as leaders held out the promise of an extended Fourth of July recess.

The House passed the Food for Freedom bill, the debt limit increase measure, the annual legislative appropriation bill and a host of relatively minor measures.

The Senate passed a crop disaster bill, a bill to tighten requirements for labeling and packaging consumer goods, a measure to restrict nonbanking activities of banks and an assortment of minor measures.

The demonstrations generally were small, quiet, and without incidents.

"He was tempted to say when times were bad that maybe we should act in some more direct way," Roy Wilkins, executive director of the National Association for the Advancement of Colored People, told 1,000 Negroes at Jackson. "But he knew that was not the way. Don't misunderstand, I want you to fight every step of the way for what is due you. Only remember, when we win — and we will — we and the white people must live together."

Mild dissension among civil rights leaders on some aspects of the Meredith march flared again.

James H. Meredith, 33, who started the walk from Memphis, Tenn., June 5 said in New York his biggest concern was that everyone understand its purpose. He said he told two civil rights leaders he did not want it turned into a publicity stunt or fund-raising contest among civil rights organizations.

Meredith was wounded on the second day by two blasts of birdshot. Auby James Norvell, the 40-year-old Memphis white man charged with the shooting, has a hearing Tuesday on a petition to be freed until the trial.

Charles Evers, who took over his brother's job, had asked for assurances that those participating in the march would not drain Mississippi of funds for necessary work and leave after march publicity was over.

One white teen-ager, on the dam overlooking the campsite at the foot of the spillway, said: "We ought to get a crowd together and rout them out of there and burn those tents."

The marchers still were 40 miles from the start of the area considered Klan territory.

# COURT

(Continued From Page 1)

Michael Vignera in the armed robbery of a dress shop in Brooklyn, N. Y. Vignera confessed but his attorney said he was not advised of his right to a lawyer or his right to remain silent.

Reversed the conviction of Ernesto A. Miranda in the kidnap-slaying of an 18-year-old in Phoenix, Ariz. Miranda was sentenced to concurrent terms of 20 to 30 years imprisonment. He was described to the Supreme Court as "mentally abnormal" and thus unable to exercise his rights.

**HARMFUL**  
In one of today's dissents, Justice Harlan said "I believe the decision of the court represents poor constitutional law and entails harmful consequences for the country at large. How serious these consequences may prove to be only time can tell."

In another, White said "the proposition that the privilege against self-incrimination forbids in-custody interrogation without the warnings specified in the majority opinion and without a clear waiver of counsel has not significant support in the history of the privilege or in the language of the Fifth Amendment."

Clark took a middle position, saying the majority "goes too far on too little, while my dissenting brethren do not go quite far enough."

**Dallas Girl Wins Road-E-O**  
PAMPA, Tex. (AP) — First place in the state teenage Road-e-o safe driving contest Sunday went to Lynn Thompson, 17, of Dallas.

Thompson, son of Mr. and Mrs. Maurice M. Thompson, is a recent graduate of Sunset High School and will represent Texas at the national contest in Washington, D.C., in August.

James Haynie of Levelland finished second and Allan Paul Dundas of Irving took third place.

John Hill, Texas secretary of state, was principal speaker Sunday at the awards dinner. The Texas Junior Chamber of Commerce sponsors the contest.

**Permits Puerto Ricans Literacy**  
WASHINGTON (AP) — The Supreme Court held constitutional today a provision of the 1965 federal voting rights law designed to permit Puerto Ricans to vote on the basis of literacy in Spanish.

At the same time, the court ruled New York State cannot enforce its own literacy standards against persons who have completed at least a sixth-grade education in which the instruction was not in English.

The decision upholding the provision of the federal law was by a 7-2 vote.

**WEATHER**  
NORTH CENTRAL TEXAS: Partly cloudy tonight with scattered showers in east. Clear to partly cloudy tomorrow. A little cooler in afternoons. Low tonight 64 to 74. High Tuesday 85 to 95.

NORTHWEST TEXAS: Clear to partly cloudy tonight and Tuesday. Scattered showers today and tonight and overcast and south Tuesday. Low tonight 64 to 74. High Tuesday 85 to 95.

SOUTH CENTRAL TEXAS: Partly cloudy tonight and Tuesday. Scattered showers today and tonight and overcast and south Tuesday. Low tonight 64 to 74. High Tuesday 85 to 95.

SOUTHWEST TEXAS: Clear to partly cloudy tonight and Tuesday with a few scattered showers in southeast today. A little cooler in north tonight. Low tonight 62 to 74. High Tuesday 85 to 95.

# Wants Planes Pulled Out

BOONN, Germany (AP) — France wants to withdraw its air force squadrons from West Germany after it pulls out of the North Atlantic Alliance's military command regardless of whether an agreement is reached on the future of its ground troops here, a Bonn government source said today.

"The French want out of anything that would automatically involve them in case of war," the informant said.

Earlier chief government spokesman Karl Guenther Von Hase told a news conference that Bonn diplomats "have received indications that the French would take two air force squadrons now stationed in southwestern Germany back to their homeland. Von Hase said the reports were being checked.

He told a correspondent that the news was broken to Bonn diplomats by Jacques de Beaumarchais, the French Foreign Ministry's top political officer. He is here to negotiate the status of French troops in Germany after President Charles de Gaulle backs out of the NATO defense command July 1.

Operator has filed completion on one well on the lease of Mrs. Sidney Broyles, Big Spring, in Reagan County. Another is complete and awaiting potential, a third sand-fraced Sunday, and a fourth is drilling. The one-mile northwest extension and third lower Spraberry sand producer has been dually completed in the west portion of the Calvin Dean sand pool at Jake L. Harmon, Dallas, No. 1 Boyles, section 19B, block 2, T&P survey, 23 miles north of Big Lake.

It flowed 345 barrels of 28.2 gravity oil daily from the 6,890-foot lower Spraberry through 20-64 inch choke and perforations at 6,881 to 7,017 feet, after being fractured with 20,000 gallons. Gas-oil ratio was 675-1. Earlier, it was completed in the Dean sand to flow 367 barrels of 41.8 gravity oil daily through 18-64 inch choke and perforations at 7,411 to 8,852 feet, after being fractured with 120,000 gallons. Gas-oil ratio was 840-1.

Douglas Faskin has staked the No. 1-26 R. T. Foster wildcat six miles south of Sterling City in Sterling County to test the Wolfcamp at 5,890 feet.

Old total depth of the re-entry was 5,006. It was drilled in 1948 by Cole & Darden Oil Co. and Weslin and Johnson. Location is 660 feet from the south line and 1,980 feet from the west line of section 26-13, SPRR survey.

**DAILY DRILLING**  
GLASSCOCK  
Shell's wildcat No. 1-McDaniel is still testing on pump. It spits 660 feet from the east line and 1,980 feet from the north line of section 44-35-34, T&P survey, 12 miles west and slightly north of Garden City.

**COMPLETIONS**  
MARTIN  
Russell Maguire of Dallas No. 1 Green has been completed to pump potentially 182 barrels of 41-gravity oil in 24 hours, with a gas-oil ratio of 70-1, from perforations in the 4,545-7-3 half interval. No formation or other information has been released.

Location is 660 feet from the north and east lines of section 15-35-34, T&P survey, seven miles southwest of Ackerly. It is a one- and three-fourths-miles southwest of the northeast Martin County sector of the Ackerly (Dean Sand) pool.

# W. E. Nichols Rites Today

LAMESA (SC) — Wesley Edward Nichols, 72, died here Sunday morning in Medical Arts Hospital, following an illness of several months.

Born in February, 1894, in Mills County, Mr. Nichols moved to Howard County in 1897 with his parents. He moved to Dawson County in 1938, and farmed west of Lamesa at Sand until his retirement.

Services will be today at 3 p.m. at the Second Baptist Church of Lamesa. Burial, under direction of Braun-Philips Funeral Home, will be in Lamesa Memorial Park.

Survivors include his wife, Lena, Lamesa; three daughters, Mrs. Ollie F. Harris, Rankin, Mrs. Dortha L. Brooks, Seminole, and Mrs. L. R. Roberson, Lamesa; three sons, Charles Nichols, Andrews, and Leo Nichols and Jimmy Nichols, both of Lamesa; two sisters, Mrs. Eulah Hoffmann, Big Spring, and Mrs. H. C. Jeffcoat, Knott; five brothers, J. P. Nichols, Big Spring, O. B. Nichols, W. M. Nichols, and J. G. Nichols, all of Knott, and Walter Nichols of Lamesa; 21 grandchildren; and 14 great-grandchildren.

Mr. Nichols was the only witness as the subcommittee began a second week of hearings on the bill, which also is designed to eliminate discrimination in the selection of state and federal juries, speed the desegregation of public schools and provide additional protection against racial violence.

# Young Woman's Body Is Found

HUTCHINSON, Kan. (AP) — The body of a young Hutchinson woman, her throat cut, was recovered from a shallow grave today.

Sheriff Charles Heidebrecht said two persons were held.

Heidebrecht said the victim, Miss Linda Calendar, 17, had been missing from her home since Saturday night.

He said Ronald Warrick, 15, said he and a companion picked Miss Calendar up at her home and raped her.

Heidebrecht said Warrick told him the other man cut her throat and, after wrapping her body in a seat cover from a car, they buried it north of Hutchinson.

CARD OF THANKS  
To our kind friends, neighbors and relatives we wish to express our sincere appreciation for sympathetic attention, floral tributes and other courtesies extended to us at the loss of our beloved husband and father. Joyce Sandler and Robert Sandler, Jr.

AT LEAST 40 TEXANS DIE VIOLENTLY

# Weekend Traffic Takes 23 Lives

By The Associated Press  
At least 40 persons died violently in Texas during the past weekend, with traffic accidents taking at least 23 lives.

Seven persons were shot, five drowned and one was accidentally electrocuted.

The Associated Press tabulation began at 6 p.m. Friday and ended at midnight Sunday.

**DROWNED**  
Debra Cargile, 10, of Fort Davis, apparently drowned Sunday in a farm pond near her home. Her body was found floating in the pond Sunday by searchers.

William Lowell Easley, 42, manager of an Abilene nursery, was found dead in his car north of Abilene Sunday. Justice of the Peace Albert Story, who ruled the death a suicide, said Easley's arm had been cut and a pair of pruning shears was found beside the body.

John Steven Voight, 38, of Garland was killed when his small convertible went out of control and overturned on Interstate 35 in Denton, early Sunday. A companion was slightly in-

jured. Mr. and Mrs. Jerry William Rodgers were found shot to death in an Amarillo apartment Saturday. Officers said Mrs. Rodgers, 26, has been shot twice and Rodgers had been shot once. They said a .25 caliber pistol was found in Rodgers' hand.

**FOUR KILLED**  
Four persons were killed and another critically injured when a car hit a bridge on US 90 about 13 miles west of Ozona Sunday. Killed were Edwinna Iona Gilmore, 23, and Minnie Simpson, both of Houston and an 8-year-old boy and a 6-year-old girl who were not identified immediately. Injured in the crash was Elbert Simpson of Houston.

Charles Boutacelli Falco, 56, was killed when a car went out of control and crashed into two other vehicles on State 149 northeast of Houston Sunday. Nine other persons were injured, none seriously.

Tommy Johnson, 18, of Farmer's Branch died in a Dallas hospital of injuries received early Sunday when a car

plunged off a bridge in Farmer's Branch. Two others were injured slightly.

**SUICIDE**  
A verdict of suicide was returned Sunday after Isaac DeWain McKelvain, 41, was found dead at his parent's home in Eastland. Justice of the Peace L. W. Dalton said McKelvain died after telling his parents he had taken cyanide poisoning.

Miss Patricia Ann Scoggins, 29, of Lufkin was electrocuted when the mast of a sail boat touched a 7,200-volt power line over Lake Jacksonville in East-

Texas Sunday. Two other persons were in the boat but Miss Scoggins apparently was the only one touching the mast.

Mr. and Mrs. Howard Alexander Klein of Fort Worth were killed and their 11-months-old granddaughter critically injured Sunday night in a two-car accident eight miles west of Weatherford on US 80. Five persons in the other vehicle were injured slightly.

**OTHERS HURT**  
Jimmy Candie, 21, was killed Sunday when a car went out of control two miles north of Henderson on US 259. Two other persons in the car were injured.

Barbara Ann Kenney, 4-year-old daughter of Mr. and Mrs. D. L. Kenney of Edgewood was killed Sunday when she fell from a tractor and was caught in the whirling blades of a mower.

Mrs. Glenda Joyce Peters, 25, of Houston drowned Sunday when a boat in which she and her husband were fishing overturned on Stage Coach Lake near Conroe.

Barbara Jean Anderson, 8-year-old daughter of Mr. and Mrs. Hans Anderson of San Antonio, drowned Sunday in Lake Shadow, located 8 miles south of Conroe.

**FOUND SHOT**  
Mrs. Maria C. Cruz, 55, was

found shot to death Sunday at her home in San Antonio. Police said a .38 caliber pistol was found near the body. A verdict was being withheld pending an autopsy.

Emerson Tippon, 24, was fatally wounded in a shooting early Sunday morning outside a Fort Worth tavern.

Alice Walls Swift, 48, was killed early Sunday when a car crashed into a traffic light standard in the north part of Dallas.

Jerry Bean Masters, 19, of Mexia was killed Saturday night when a car overturned on a farm-to-market road two miles west of Goresbeck. A companion was injured.

Silvino Villarreal, 26, was shot fatally Saturday night during an argument at a tavern on the east side of Austin. Officers Sunday were seeking his assailant. Luther W. Smith, 29, of Gist in Orange County, drowned Saturday night in the Neches River about 18 miles west of Kirbyville.

## Couple Married On Alcatraz

SAN FRANCISCO (AP) — Alcatraz, the isolated craggy rock in San Francisco Bay, had more persons on it Sunday than have been on it since the federal prison was closed three years ago.

ed the wedding of Barbara Hart and John Catelli of San Jose. They were married on "The Rock," one of Barbara's childhood dreams.

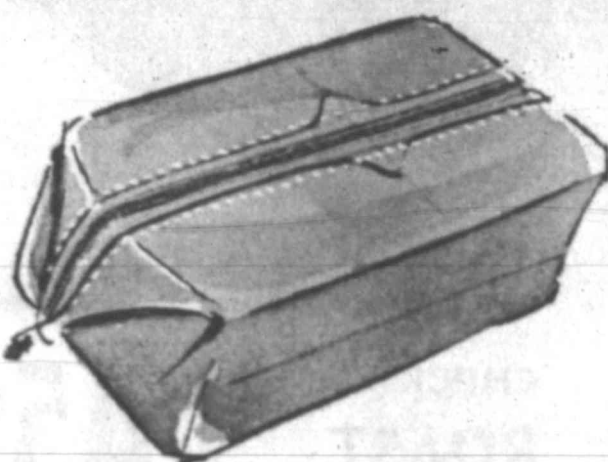

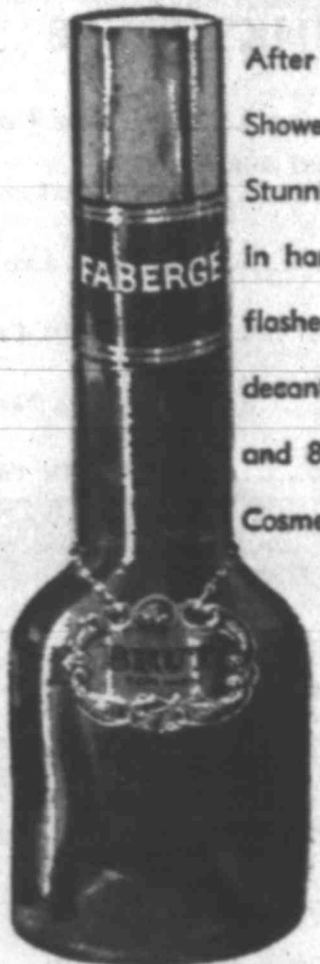

Barbara is the daughter of Mr. and Mrs. John E. Hart. Her father was a guard at Alcatraz for 18 years. She grew up there. Her parents still live there. They are the caretakers of the island.

More than 100 persons attend-

MRS. ROBERT KEITH SALE

# Couple Recites Vows In Catholic Church

STANTON (SC) — Miss Mary Martha Wall was married to Robert Keith Sale Friday evening at the St. Thomas Aquinas Catholic Church in Dallas. The Rev. John T. Guiczynski officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. D. R. Wall Jr. of Dallas, and the bridegroom is the son of Mr. and Mrs. J. C. Sale, Stanton.

The altar decorations included baskets of gladioli and flanking candelabra. A musical background was presented by Miss Jeannie Billings, organist, and David Rigney of Commerce, soloist.

cisco, Calif., was maid of honor. Bridesmaids were Miss Lucretia Olson, Miss Heien Sue Stroud, Miss Susan Henry, Miss Bonnie Sue Riddle and Miss Nancy Eileen Biering of Houston.

The attendants wore identical gowns of white silk chiffon over silk taffeta. The Empire bodices were enhanced by overblouses of chiffon fashioned with circle necklines and brief sleeves. Each carried a bouquet of red roses.

The bridegroom's father was best man, and ushers were James R. Sale, Waco, Lee Weatherly, Midland; and Daniel James Wall, Groomsman were Al Lain, Fort Worth; Timothy F. Doreen, Midland; Bobby Brandenberger, Lubbock; and Donald E. Pollock and Thomas R. Newman, both of Stanton.

## Shower Honors Judy Barnhill

STANTON (SC) — A gift shower honoring Miss Judy Barnhill, bride-elect of Ray Edward Louder was held Thursday from 7 to 9 p.m. at the home of Mrs. J. A. Wilson Sr., 901 N. St. Peter.

Hostesses were Mrs. Elmer Long, Mrs. Erlene Mashburn, Mrs. Clyde Miller, Mrs. Euel Ferguson, Mrs. Ross Hay, Mrs. James Jones, Mrs. P. M. Bristol, Mrs. J. C. Epley, Mrs. Louis Roten, Mrs. J. A. Wilson Jr., Mrs. Clyde White, Mrs. R. V. Robinson, and Mrs. J. A. Wilson Sr.

Altar taper lighters were Mike Wall, brother of the bride, and Pat Muckelroy.

For a wedding trip to Colorado, the bride wore a pale pink linen suit with pink and white accessories. The couple will reside in Lubbock.

The reception was held at the Dallas Petroleum club where the honored couple, parents and attendants welcomed guests.

## Rebekahs Hold Rites

STANTON (SC) — Georgia Welch was installed as worthy matron for the Stanton Chapter No. 489, Order of the Eastern Star, Tuesday evening.

Others installed were Ross Hay, worthy patron; Leona Hightower, associate matron; Exa Basure, associate conductress; Clara Hay, treasurer; Inez Woody, chaplain; Fannie Rogers, marshal; Obeera Angel Escher, Edna Davidson, warder; and Doris Stephenson, sentinel.

# HD Clubs Get Picture Points

The techniques of selecting and hanging pictures is the study topic under way at the weekly meetings of the home demonstration clubs. Demonstrations have been given of different types of pictures for room harmony, frame selection and proper methods of hanging.

Several clubs welcomed guests and appointed nominating committees.

**FAIRVIEW CLUB**  
"Picture Hanging" was the program topic during the Tuesday afternoon meeting of the Fairview Home Demonstration Club at the home of Mrs. O. D. Engle.

Mrs. Engle conducted the program by discussing the selection of pictures and color harmony. She said that picture should hang no higher than is needed for proper enjoyment, and that group pictures should have balanced shapes; such as squares, vertical and horizontal rectangles.

In framing oil pictures use a heavy texture frame, and for water color or pastel pictures, use glass with the frame.

The next meeting will be June 21 at the home of Mrs. H. S. Hanson.

**AIRPORT CLUB**  
Mrs. Roy Spivey was hostess for the Tuesday afternoon meeting of the Airport Home Demonstration Club at her home, 201 Madison. Ten members answered the roll call with a household hint.

Mrs. R. P. Morton conducted the program on selection, framing and hanging pictures. She stressed that color and picture theme should influence frame selection.

A plan to adjourn during the months of July and August was approved, and the next meeting will be June 21 at the home of Mrs. Henry Tubbs.

**LUTHER CLUB**  
Mrs. Tom Spencer and Mrs. Louis Sturm were welcomed as guests at the Thursday afternoon meeting of the Luther Home Demonstration Club. The members met at the home of Mrs. Louis Underwood.

It was announced that Mrs. Frances Zant and Mrs. Regis Fleckenstein will be the nominating committee for next year's officers.

Mrs. Fleckenstein conducted the program on picture hanging. She described the ways to obtain correct balance in hanging and ways to select the proper frame for each picture.

The next meeting will be June 23 at the home of Mrs. Ed Simpson.

**CITY CLUB**  
Plans to assist with the entertainment hour at the Bennett House on June 27 were discussed during the Friday afternoon meeting of the City Home Demonstration Club. The members met at the HD office with Mrs. B. D. Rice presiding.

Mrs. Alton Underwood and Mrs. D. D. Johnston gave the program on hanging and framing pictures, and Mrs. Armour Long gave the devotion.

The members approved a suggestion to adjourn during the months of July and August. The next meeting will be June 24 at the home of Mrs. Grady McCrary.

Eight 4-H Club members have returned from Austin where they participated in the 4-H Roundup held on the campus of Texas A&M University.

Three of the young people placed in competition. Cathy Shaw and Carolyn Crawford were entered in the state food show after winning in county and district events.

At state the two placed in the blue ribbon group which entitled them to enter their record books for judging. The state record book winners will get to attend the 4-H Congress in Chicago, Ill.

According to Mrs. Delaine Crawford, Howard County Home Demonstration Agent, there have been approximately 5,000 entrants in county and district food shows this year with about 45 members competing against each other in the state show.

Martha Couch won a blue ribbon in the money management demonstrations. This competition does not go beyond the state level.

Others attending were Mike McClain and Cheryl Jones who teamed to give a Civil Defense Gregor and Dero Shaw who demonstrated community improvement. Jimmy Brown entered in the public speaking event.

Accompanying the group on the trip were Mrs. Crawford, Herb Helbig, James Shelton and Mrs. John Couch, an adult leader.

Approximately 2,000 members and adults attended.

# Three 4-H Members Get Honors

Eight 4-H Club members have returned from Austin where they participated in the 4-H Roundup held on the campus of Texas A&M University.

Three of the young people placed in competition. Cathy Shaw and Carolyn Crawford were entered in the state food show after winning in county and district events.

At state the two placed in the blue ribbon group which entitled them to enter their record books for judging. The state record book winners will get to attend the 4-H Congress in Chicago, Ill.

According to Mrs. Delaine Crawford, Howard County Home Demonstration Agent, there have been approximately 5,000 entrants in county and district food shows this year with about 45 members competing against each other in the state show.

Approximately 2,000 members and adults attended.

# Herbert Loves Back From Trip

COAHOMA (SC) — Mr. and Mrs. Herbert Love and daughter, Martha, have returned from a week's vacation in Houston they visited their son, Dwight, who received his masters degree from Rice University. He is now studying for his doctors degree.

Elizabeth Taylor, Kermit spent the week visiting her grandparents, Mr. and Mrs. M. D. Johnson.

Wayne Oglesby, son of Mr. and Mrs. Dan Oglesby, is a patient at Medical Arts Hospital and Clinic.

Mrs. Wayne Drewery, Lovington, N. M., and Mrs. Dorothy Grandon and children of Carlsbad, N. M., spent the week with Mr. and Mrs. Virgil Drewery.

# Give Plants For New Type Gift

Compact plants are best for floral gifts to hospital patients. Low-growing plants, such as chrysanthemums, azaleas and cyclamen are less likely to tip over in busy hospital rooms.

# Engaged

Mrs. E. R. Cawthron Sr., 1100 Runnels, announces the engagement of her daughter, Mildred Ann, to Alrman I.C. Daniel Duane Roberts, son of Mr. and Mrs. Perlie Roberts, Rt. 1, Philo, Ohio. The couple is planning a fall wedding.

KARON KOGER

# Is Honor Graduate

Karon Koger, daughter of Mr. and Mrs. M. R. Koger, received her bachelor of science degree from Texas Technological College May 23 with a major in elementary education. She graduated Magna Cum Laude with a 3.85 over-all grade point average. Miss Koger also received a \$200 scholarship from the Kuykendall Foundation.

While at Tech she served as president of Delta Delta Delta social sorority, representative to Association of Women Students Council, and representative to Panhellenic Council. Miss Koger held membership in Phi Alpha Theta (Alpha Lambda History Honorary), (Alpha Lambda Delta, Student Education Association, Association of Childhood Education, and Red Raider Athletic Recruiting Committee. She has been recognized three times at Tech's All College Recognition Service and has been on the Dean's Honor List each semester. She was recently named Best Member of Delta Delta Delta and received the Alpha Lambda Delta award for high scholastic achievement over a four-year period.

Miss Koger was recognized at the Association of Women Students banquet for highest scholastic average in Weeks Hall dormitory and Delta Delta Delta sorority.

She has accepted a teaching position with Lubbock Public Schools.

# Joe B. Ashleys Take Valley Trip

COAHOMA (SC) — The Jerry Adams family of Amarillo has returned home after visiting with his parents, Mr. and Mrs. Fred Adams.

Noel Leon Harvell, son of Mr. and Mrs. Noel Harvell Jr., flew to San Juan, Puerto Rico, Saturday to visit his grandparents, Mr. and Mrs. Henry Biggs.

Eddie Read has been visiting in Lufkin with Ricky White, son of Mr. and Mrs. Garland White, former residents.

The Joe B. Ashley family has returned from a vacation in Mission, Mexico, Padre Island, San Antonio and Austin.

# Krause Family Goes To Elk City

COAHOMA (SC) — Mr. and Mrs. R. J. Krause and family are visiting in Elk City, Okla., with her mother, Mrs. Edna Boomer.

Smith Cochran and son, Phil, have returned from a visit to Houston and the Astrodome.

Mr. and Mrs. Dewitt Shiver spent Wednesday in Odessa visiting their son-in-law and daughter, Mr. and Mrs. Fred Willis and family.

# A LOVELIER YOU Hair, Figure—Two Universal Problems

By MARY SUE MILLER  
The feminine contingent has two universal beauty problems: Figure and Hair. And you just know it!

Well, here's a routine that helps to solve both problems with one effort:

1. Hairbrush in hand, stretch out across your bed, face down and head dangling over side. Now brush back of head and, with each stroke, alternately kick legs backward and try to touch toes to buttocks. Continue for 20 strokes.

2. Stand erect and hold brush in left hand; stretch head left (try to touch shoulder), and brush right side of hair for ten counts. By reversing tactics, brush left side.

3. From erect position, slowly bend double, leading with head. Brush front of hair for five counts while bending; still brushing, rise gradually. Repeat ten times.

Just what have you accomplished? You've given your hair better than the 100 strokes that are needed daily to keep it in tip-top condition. As for your figure, it has had a very effective workout, one that trims and firms the thighs, hips, midriff, arms and throat.

Of course you have halved the time that it takes to perform the operations separately. If your face looks glowier, consider it a dividend from the increased circulation the routine fosters.

To ask more of a workout, you really have to be the greedy type. Or lazy, maybe!

**MODEL TRESSES**  
Is your hair a problem, Miss Teen? Then send for my leaflet, "Teen Tresses, Model Type." It tells how to correct such ailments as oily hair and flaky scalp; fly-away, unmanageable, lackluster locks. Included, too, are styling tips and model grooming quickies. For your copy write to Mary Sue Miller in care of the Big Spring Herald, enclosing a self-addressed, stamped envelope and 10 cents in coin.

# Use Space Area Beneath Mirror

Put the space under the mirror in the bathroom to work by building a storage space for lotions, cosmetics and other often-used items. Sliding doors will make the entire area above the lavatory accessible. Popular for bathrooms is plastic-finished Marlite, which has a permanent, washable finish.

## A Devotional For The Day

"Whatever you ask in prayer, you will receive, if you have faith." (Matthew 21:22-RSV)  
PRAYER: Dear Father in heaven, increase my faith. Draw me nearer to Thee each day that my life may be an example to others of Thy will at work in the world. In Jesus' name I pray. Amen.  
(From the 'Upper Room')

## Different Views

Rumors and strange tales about the shooting of President Lincoln have kept cropping up off and on during the past century. Thus it is not surprising that the Warren Commission's findings as to the assassination of President Kennedy are still being called into question. It would be far more surprising if this were not so. The lack of published dissent from the Warren conclusions might also be rather disturbing, since one might then have reason to suspect an official attempt to suppress criticism. As it is, no such suspicion arises. Those who dispute commission findings, notably the basic one that Lee Harvey Oswald alone was the assassin, have had no trouble getting their views before the public. Several accounts already on sale, and others soon to be published, take issue with various aspects of the report. One principal source of challenge is the summary of a Federal Bureau of Investigation report, now declassified, which appears to discredit the

official view that a single bullet passed through President Kennedy's body and then wounded Gov. John B. Connally Jr. of Texas. The summary report is quoted in support of the idea that a second assassin was also involved in the crime. The various dissident accounts cannot be merely shrugged off; they deserve a hearing. However, one should bear in mind that not merely the FBI summary report but all the actual reports of FBI agents were used by the commission. It considered the two-assassin theory but discarded it on the basis of all the evidence available. It does not follow that the commission is right and its detractors are wrong. The circumstances are such that, though the most intensive investigation was made, no one can ever be wholly sure. At present, however, there appears to be no valid reason not to accept the accuracy of the Warren Commission report.

## Aw, Gee Whiz!

Attorney General Waggoner Carr has struck a cruel blow against the all-American proclivity for elevating one's station by euphemism. We have, for instance, sanitary engineers — read garbage men. Or extermination engineers — read bug-killers. Or safety engineers — read safety specialists. Or sales engineers — read salesmen.

tion using the word engineer are illegal unless the person has been licensed or registered to practice engineering. There seems to be a hint of constitutional violation here, a right somehow concealed within the Fourteenth Amendment, to deny an individual the right to improve himself with semantics and euphemism.

## David Lawrence

### California To Republicans?

WASHINGTON — It's a truism of modern politics that few public-opinion polls are as accurate as the actual vote in a primary or final election. People who wrote off Ronald Reagan as just another Goldwater supporter are surprised to find that he won the nomination for governor of California in the Republican primary by a 2-46-1 margin and received a bigger vote than did Governor Pat Brown, who was renomi-

nated in the Democratic primary by a much smaller margin over Mayor Samuel Yorty of Los Angeles. LESS THAN two years ago, Ronald Reagan delivered a forceful address on television. It attracted wide attention. It was perhaps the best speech made for Barry Goldwater in the whole presidential campaign of 1964. Requests came from all over the country that it be repeated, and the public supplied the funds to carry it on television several times.

## Billy Graham

I work hard for a living and it seems to me my preacher has it soft. Should I talk about this to our Board of Deacons, of which I am a member? T.R.H. I wonder if your preacher would not often like to change places with you. Any minister of the gospel who is faithful in his work does not have it "soft." He works hard and he carries the spiritual warfare of you and all the members of the congregation in his heart and prayers. As a matter of fact many ministers break down under the load they carry, part of it is the knowledge that so many to whom they minister are "Sunday Christians" only. Much of his time is spent in Bible study, prayer and the preparation of sermons. There are constant calls for counseling, visiting the sick and the other multiplied activities of the modern church. Not only is your pastor a preacher and counselor, he is also an administrator of whom much is expected.

The Apostle Paul, the world's greatest itinerant missionary, wrote of his own burdens in these words: "Besides those things that are without, that which cometh upon me daily, the care of all the churches." Your own pastor may have as part of his burden the indifference or criticism of members of his congregation. Don't add to that burden. Try to see his problems and help him, as you can, and, be sure you pray for him too.

## Means Business

MANILA (AP) — A lady councillor on the Manila City Council wants to limit the screening hours of the city's many movie theaters. Manila residents waste too much time at the movie when they should be out earning a living, said Councillor Maria M. Francisco. If Councillor Francisco has her way, screening hours will be from 1:30 p.m. to 10 p.m. This will hurt Manila's movie house owners, some of whom start their showings as early as 7:30 a.m.

## The Evidence

MT. STERLING, Ky. (AP) — Strange things have happened since Mt. Sterling adopted a law requiring a \$7 windshield sticker for autos. When residents change cars, they pay only \$1 for a new sticker if they can produce a portion of the old one. Recently, a woman showed up at City Hall carrying a large section of windshield to which the sticker was affixed. Her old car had been wrecked and she couldn't remove the sticker, so brought along the whole works.

### Khrushchev Left His Mark

WASHINGTON (AP) — A chunky, bald man, showing his 72 years, drove up to a Moscow voting place in a chauffeur-driven car with his wife and a bodyguard, cast his ballot, and left without cheers or catcalls. Sunday was the first time Nikita Khrushchev, living on a pension now, had appeared in public since he voted last year. He is as close to being anonymous as the present Soviet leaders can make him.

BEING FORCED to live out his life in obscurity, since the new bosses bounced him as the No. 1 man in October, 1964, may seem harsh. But most certainly it is more than Stalin would have permitted. Khrushchev sometimes stumbled, sometimes took wild chances and lost on them, as when he put missiles in Cuba. Yet through it all he melted the cold war a great deal, tried to get along better with the West,

paid more attention to their needs and their comforts. Outside, there were thunderclaps. Red China broke with the Kremlin. Unrest bubbled through the satellites and is not ended. There was an uprising in Poland. The revolt in Hungary was too much for Khrushchev, who crushed it. Communist parties in the non-Communist world were affected and Reds everywhere examined their old attitudes or adopted new ones.

Khrushchev sometimes stumbled, sometimes took wild chances and lost on them, as when he put missiles in Cuba. Yet through it all he melted the cold war a great deal, tried to get along better with the West, signed the limited nuclear test ban treaty and lived to see his successors follow much of his policy. IF HE HAD been Stalin he would have been prepared when his friends, or enemies, turned on him and threw him out. He would have crushed them. They accused him of mishandling the dispute with China, of mismanaging the Soviet economy, of bungling the Cuban crisis and even of supporting a "cult of personality." He probably was a poor manager but at his particular moment in Soviet history he gave his people something that would have been inevitable sooner or later after the bleak and homicidal years of Stalin.

### Chances Getting Better

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail: Some 122 million Americans — six out of 10 — visited their doctors last year. As usual, the women outnumbered the men.

Your chances of becoming a centenarian are getting better all the time. There are now more than 12,900 who have reached the age of 100. Science may not be able to cure wrinkles — but at long last it feels it knows what caused them. They are believed to result from the gradual loss of a chemical called hyaluronic acid, which helps hold water in skin tissues.

Other side of the problem: Listen magazine reports the experience of a researcher on juvenile delinquency who called 10 homes at 5 p.m. to check if the parents knew where their children were at that hour. "My first five calls," he said, "were answered by children who had no idea where their parents were." Worth remembering: "If you insist on a place in the sun, you must expect some blisters." There's no business that booms like government business. In less than 3½ decades the U.S. federal budget has increased from \$3.5 billion to nearly \$100 billion.

Personal bankruptcies tripled from 51,000 in 1955 to 163,400 in 1965. Why do you wake up feeling tired? Well, if you weigh 150 pounds and shift positions four times an hour, that means you've had to move about 4,800 pounds during eight hours of sleep. Life must have been pretty empty for teenagers before 1890. It wasn't until then that a U.S. doctor developed peanut butter, thus making possible the chief fodder of modern youth — the peanut butter and jelly sandwich.

Other side of the problem: Listen magazine reports the experience of a researcher on juvenile delinquency who called 10 homes at 5 p.m. to check if the parents knew where their children were at that hour. There's no business that booms like government business. In less than 3½ decades the U.S. federal budget has increased from \$3.5 billion to nearly \$100 billion.

## To Your Good Health

### More Old Wives' Tales Cause Pointless Worry

By JOSEPH G. MOLNER, M.D.

Dear Dr. Molner: I am four months pregnant and about every six weeks I have a period, or threat of miscarriage. My doctor recommends bed rest when this bleeding occurs. He tells me to stay off my feet and possibly I may be able to carry the child the full nine months. He also mentioned that the afterbirth seems to be first.

What effect can this periodic bleeding do to my unborn baby, and what if the afterbirth is first? I have heard so many old wives' tales that I am quite upset—that the baby may not live, or if it does it will be a moron, or very small and sickly. What are the chances of my having a normal child?—MRS. M.E.W.

From the description, there evidently is a threat of miscarriage, and the usual treatment is just what your doctor has advised—bed rest. This complication is more likely in the last few months of pregnancy rather than at your

stage. Admittedly it is a serious threat, endangering the life of the fetus. However, if the baby is born successfully, neither condition—that is, early or late bleeding—affects the formation or intelligence of the child. Ignore the tales you hear. Some people delight in telling such distressing fabrications. Just pay attention to your doctor's counsel.

As to the afterbirth question, I assume this to mean that the placenta (which later becomes the afterbirth) is located at or near the opening of the womb, instead of higher up. This is called placenta previa, that is, the placenta is so located to be in advance, instead of behind, the baby at the time of birth. It is an additional problem to be contended with at the time of delivery, but your doctor has detected it already, and the old maxim holds true here: Forewarned is forearmed.

I will not minimize the fact that the chance of miscarriage is obviously present so you must follow your doctor's instructions very carefully. Clearly he is thoroughly alert. I am sorry you have had to be subjected to those scare stories besides. Dear Dr. Molner: My sister got a wire deep in her foot, and my brother sucked on the wound to start it bleeding. Then he took her to the doctor. Does the sucking help or make it worse?—MRS. V.M.

It helps, particularly in a puncture-type wound that does not bleed freely. Bleeding tends to wash out germs or dirt. This is particularly important if tetanus, or lockjaw, germs happen to be present, because they multiply in the absence of air. Hence tetanus contributes a serious threat with puncture wounds. Headaches? You can beat them. Write to Dr. Molner in care of The Herald for a copy of the booklet, "How to Tame Headaches." Please enclose a long, self-addressed, stamped envelope and 20 cents in coin to cover cost of printing and handling.

## Around The Rim

### The Lonely Breakfast

One thing and another: A fruit juice concern whose product goes into American homes conducted a survey not long ago and discovered that seven out of ten housewives don't get up to fix breakfast for their husbands.

Of the seven men who tippy-toe around their spouses so as not to awaken their spouses, two eat downtown and another dons an apron and fixes his own meal.

THE LONER, by the way, is on fairly safe ground because the breakfast meal is the easiest to throw together. The husband can burn the toast and overcook the eggs as easily as the housewife.

The other four are prone to content themselves with juice and-or coffee. The survey neglected to reveal what percentage of men deliver breakfast in bed to their spouses. The percentage would be interesting.

ONE OBSERVER said recently that

It is surprising the number of girls aspiring to become airline hostesses because they reason an airplane is a mantrap. They see a plane load of men and all of them are strapped in their seats.

I'M JUST FULL of useless information today. A survey of 13,500 children born in England has revealed that baby girls learning to talk are quicker than boys at stringing sentences together. So what else is new?

HAVE YOU heard of the little boy who raced through a crowded supermarket yelling: "Martha! Martha! Martha!" At length, his mother found him and got him off to one side to admonish him. Said she: "You should have called, 'Mother,' not 'Martha.'" To which the boy replied: "This store is full of mothers." —TOMMY HART

### In Many Well-Chosen Words

WASHINGTON — My heart bleeds for Nicholas Katzenbach—but not very much. The Attorney General, tall and bald, is now in the same spot as was his short and luxuriant-headed predecessor, Robert Kennedy, a few years ago. He is pinned to the witness chair in front of the most talkative man in the U. S. Senate: Sam Ervin of North Carolina.

THE SUBJECT under discussion is the same as in 1963, a Civil Rights bill, and the gray, discursive, anecdote-prone Sam Ervin has not run short of breath in the interim. Ervin, of course, is no mere Southern chatterbox. Attorneys General would be glad if he were only that, but Ervin is both an old-fashioned court house spellbinder and a die-hard Constitutionalist. The North Carolina hair-surgeon kept Bob Kennedy in the witness chair for hours on end, lecturing, questioning and reminiscing, until I thought the poor fellow would curse the day the Constitution was ever written. And now it is Nick Katzenbach's turn.

ERVIN is chairman of the Constitutional Rights subcommittee which is examining the proposed Civil Rights Act of 1966. On the opening day of the hearings, a sample of what is to come, Ervin took his time reading a 23-page mimeographed statement, throwing in more colloquies than Hamlet, while the wretched Katzenbach slumped on the back of his neck, like a man with a fire hose playing on his chest.

Ervin wound up his remarks on Title Four with a comment that could cover the entire bill: "IF ITS PURPOSE is accomplished, then the basic rights of property and freedom of choice are extinguished... if the title fails in its purpose, then we have enacted a stupid law which can only bring frustration and ill will."

FOR EXAMPLE, Titles One and Two attempt to remove all discrimination from the selection of jurors. But in so doing, Title One requires all prospective federal jurors (in ef-

fect, all registered voters) to reveal their race and religion—a flagrant violation of privacy and freedom of belief. Title Two attempts to guard against discrimination in state courts, but Ervin points out to the Attorney General that such a statute is already on the books, and the Justice Department hasn't used it since 1879.

TITLE FOUR, which deals with open-door housing, would make it a crime for a home owner and practically everybody in the housing business to discriminate in sales and rentals. Katzenbach argued that the section is necessary to break up Negro concentrations, such as Harlem, where the density is 100 persons per acre.

But to achieve this purpose, the bill would allow a house-seeking plaintiff to collect damages if his feelings were hurt during a real estate transaction. He could sue under federal law for "humiliation," "mental pain" and "mental suffering," but the home owner has no counterclaim on the same basis.

ERVIN FOUND in this section "the bias inherent in the bill—bias against home owners" and, in fact, against all property owners. The U. S. Congress is being asked to legislate against persons who have accumulated those possessions and investments which go with successful, productive citizenship. The best that Katzenbach could say for this section was: "Title Four would not force an owner to sell or rent his home." Not yet, anyhow.

Ervin wound up his remarks on Title Four with a comment that could cover the entire bill:

"IF ITS PURPOSE is accomplished, then the basic rights of property and freedom of choice are extinguished... if the title fails in its purpose, then we have enacted a stupid law which can only bring frustration and ill will."

Not a man of few words, the Senator can be counted upon for emphasis by repetition over the next several weeks. (Distributed by McHugh Syndicate, Inc.)

## Sam Dawson

### Weather Causes Concern

NEW YORK (AP)—Weather is giving the air conditioning industry more concern than President Johnson's plea for restraint in spending by consumers and in plant expansion-by business.

On the plus side, cooling experts are basing big hopes just now on medicine, the education explosion and the complicated technical fields fascinating the nation's industries.

"A TEMPORARY curtailment in spending should not substantially affect the air conditioning and refrigeration industry's prospects over the next five years," says William H. Roberts, president of the York Division of Borg-Warner. "The main reason is air conditioning now is considered a necessity rather than a luxury."

"It's not that we question the president's persuasive powers," A. J. Hackl, president of Worthington Air Conditioning Co., explains. "We agree spending cut-backs will be made in certain areas as a result of his request. But air conditioning no longer can be considered a nonessential item, either for businessmen or homeowners."

But weather is another thing. And a late cool spring has cut the sale of room coolers while other consumer durable goods were booming. Sudden arrival of hot weather in some parts of the nation belatedly has sent sales up sharply. Borg-Warner says its May sales were the highest for any month in its history.

BUT THE INDUSTRY is looking beyond the window cooler to the central air conditioner for homes and use in hospitals, schools, office buildings and factories.

Sales of central units for homes were around 600,000 in 1965; but Trane Co. predicts 1970 will see one million units sold. It also notes 75 per cent of all new apartment house units built in 1965 were air conditioned. The Air Conditioning and Refrigeration Institute adds that 51,626 residential unit systems were exported last year.

A challenging market is industrial

technological needs. Chemical, fertilizer and steel companies are using increasingly lower temperature processes. Some call for temperatures below minus 100 degrees Fahrenheit.

Food processing, the biggest customer of the cooling industry, is still expanding, as are the printing and textile industries.

SALES OF AUTO air conditioners were around 2.5 million units in 1965 and are expected to hit 4.5 million units in 1970. Growing concern over air pollution is counted upon to boost a sideline of the air conditioning business. Honeywell, which makes electronic air cleaning units, says sales are mushrooming. It puts industry sales at \$6 million in 1961 and \$20 million in 1965, with a goal of \$70 million by 1970 when makers think one of every 10 new homes will be so equipped.

## WHAT OTHERS SAY

Sen. Tydings' assault on boat pollution of our streams merits hearty support. Boating has become a delightful recreation for millions of people in this country, and much greater use of rivers, canals and other waterways for pleasure may be anticipated. The mounting volume of the traffic makes it imperative that boatmen stop contaminating waters that serve them so well.

The Tydings bill would modify the Water Quality Control Act so as to pressure the states into applying antipollution standards to maritime wastes as well as to municipal and industrial waste. If the states should fail to provide adequate protection, the federal government would apply standards of its own. The astonishing thing is that Congress should have passed its clean-water bill only last year without provision for dealing with raw sewage and trash dumped into waterways.

# Judge Impanels Jury For Ruby Despite Objections

DALLAS (AP)—Dist. Judge Louis Holland prepared to impanel a sanity trial jury today for Jack Ruby over the objections of Ruby's defense lawyers.

A throng of prospective jurors crowded the hallways outside the courtroom as Holland overruled defense motion for a delay.

Ruby remained in the custody of the Dallas County sheriff and was not to be brought into the courtroom until a jury could be seated, Judge Holland directed.

Among spectators at the proceeding began were Mrs. Eva Grant, Ruby's sister, and Mrs. Marguerite Oswald of Fort Worth, mother of Lee Harvey Oswald, the man Ruby was convicted of killing.

Various defense motions alleged violation of Ruby's constitutional rights and unnecessary delay in the appeal of his conviction if the sanity trial is held at this time.

Judge Holland ordered photographers to take no pictures of Ruby either in the courtroom or in the hallways when he is finally brought into court to guard against what the judge called "a circus atmosphere."

The sanity hearing—first requested and then opposed by defense lawyers—is to determine Ruby's present mental state.

Ruby's lawyers, claiming their client's constitutional rights would be violated by having to present witnesses who might be called for a possible second murder trial, are expected to ask for a postponement.

Judge Louis T. Holland indicated that he would not grant any delays.

Ruby, 55, former strip joint operator, is under the death penalty for killing Oswald, named by the Warren Commission as the assassin of President John F. Kennedy.

The slaying in the basement of the Dallas police station occurred before a nationwide television audience Nov. 24, 1963.

After they were unsuccessful in forestalling the sanity hearing, two groups of lawyers, each representing Ruby, said they would not call their client to the stand nor would they present witnesses or evidence to support their earlier contentions he is insane.

One group is headed by Phil Burleson of Dallas, currently representing Ruby. The other is headed by Joe Tonahill of Jasper, named by the Texas Court of Criminal Appeals to represent Ruby in the sanity hearing.

Judge Holland said Friday he would recognize both groups. The Court of Criminal Appeals ordered the sanity hearing May 18, saying it would not consider an appeal of his conviction until his mental condition had been determined.

If Ruby is found insane, he will be committed to a state mental hospital. If found sane, the high court is expected to consider his appeal.

At Friday's hearing, defense lawyers said that Ruby does not want a sanity hearing.

During the more than 2 1/2 years he has been in jail, the short, balding Ruby has told newsmen and jailers several times he is not insane.

Mrs. Charles Koberg and Mrs. Camille Patterson are in Seminole today to attend the funeral of their granddaughter, a niece, Kathryn Sue Koberg, 19.

Miss Koberg, the daughter of Dr. and Mrs. F. J. Koberg, Seminole, died early Sunday in a Lubbock hospital after a heart ailment.

Mrs. L. O. (Bonnie) Coats, 1510 W. 2nd, told officers that a set of welding regulators were stolen from her house on May 23.

R. A. Myrick, 1105 Mulberry, said four wire "spinner" hubcaps were stolen from his car while it was parked at the T&P Railway yard parking lot Sunday.

Thieves didn't take a holiday here during the weekend.

W. J. Coats, 1904 Goliad, said Sunday that he had replaced the water pump in an air-conditioner at his shop at 815 W. 4th Saturday, and when he went to the shop next day, the \$7.50 pump was missing.

Mrs. L. O. (Bonnie) Coats, 1510 W. 2nd, told officers that a set of welding regulators were stolen from her house on May 23.

operator, is under the death penalty for killing Oswald, named by the Warren Commission as the assassin of President John F. Kennedy.

The slaying in the basement of the Dallas police station occurred before a nationwide television audience Nov. 24, 1963.

After they were unsuccessful in forestalling the sanity hearing, two groups of lawyers, each representing Ruby, said they would not call their client to the stand nor would they present witnesses or evidence to support their earlier contentions he is insane.

One group is headed by Phil Burleson of Dallas, currently representing Ruby. The other is headed by Joe Tonahill of Jasper, named by the Texas Court of Criminal Appeals to represent Ruby in the sanity hearing.

Judge Holland said Friday he would recognize both groups. The Court of Criminal Appeals ordered the sanity hearing May 18, saying it would not consider an appeal of his conviction until his mental condition had been determined.

If Ruby is found insane, he will be committed to a state mental hospital. If found sane, the high court is expected to consider his appeal.

At Friday's hearing, defense lawyers said that Ruby does not want a sanity hearing.

During the more than 2 1/2 years he has been in jail, the short, balding Ruby has told newsmen and jailers several times he is not insane.

Mrs. Charles Koberg and Mrs. Camille Patterson are in Seminole today to attend the funeral of their granddaughter, a niece, Kathryn Sue Koberg, 19.

Miss Koberg, the daughter of Dr. and Mrs. F. J. Koberg, Seminole, died early Sunday in a Lubbock hospital after a heart ailment.

Mrs. L. O. (Bonnie) Coats, 1510 W. 2nd, told officers that a set of welding regulators were stolen from her house on May 23.

R. A. Myrick, 1105 Mulberry, said four wire "spinner" hubcaps were stolen from his car while it was parked at the T&P Railway yard parking lot Sunday.

Thieves didn't take a holiday here during the weekend.

W. J. Coats, 1904 Goliad, said Sunday that he had replaced the water pump in an air-conditioner at his shop at 815 W. 4th Saturday, and when he went to the shop next day, the \$7.50 pump was missing.

Mrs. L. O. (Bonnie) Coats, 1510 W. 2nd, told officers that a set of welding regulators were stolen from her house on May 23.

## Dr. Margolis At Harvard Course

Eighty physicians from the United States, Canada, the Virgin Islands, the Canal Zone, Panama, and four foreign countries are in Boston during June for an intensive post-doctoral course in internal medicine. The course is offered at the Massachusetts General Hospital under Graduates, Harvard Medical School.

This course is designed primarily for internists and covers a review of current concepts of internal medicine at an advanced level. The teaching program is organized under various medical specialties. Emphasis is placed on basic medical science and on recent advances in diagnostic and therapeutic procedures.

Directing the course are Dr.

Alexander Leaf, Jackson professor of clinical medicine at Harvard, and head of the department of medicine and chief of the medical services at the Massachusetts General Hospital. Attending from Big Spring is Dr. Jack Margolis of the Veterans Administration Hospital.

## Laymen's Meet Set For Tuesday

A meeting of the Full Gospel Christian Fellowship, a group of Christian laymen, has been set for 7:30 p.m. Tuesday at Ramada Inn. Men and women are invited to attend this meeting and hear F. E. Ward, Houston, speak. There will be a \$1 cover charge and refreshments will be served. If there is sufficient interest, a chapter may be organized here.

## The Big Spring Hearing Aid Service Center

Will Be in the Settles Hotel Every Tuesday From 9 to 12 Noon

Batteries and supplies will be available for all makes and models. For free afternoon home appointment or battery delivery at no extra charge, call AM 4-5551 or write BIG SPRING HEARING AID SERVICE CENTER. Care of SETTLES HOTEL, Big Spring, Texas. BELTONE HEARING AIDS. Audiometric Hearing Test At No Obligation.

Patron Of The Arts

Two-year-old Erin Scott of Richardson, Tex., has as yet not developed an appreciation of the arts. The young lady seemed intent on climbing into the "kinetic sculpture" and using it for a play thing rather than standing back with the spectators and looking puzzled. Old car bodies and fenders were used in this avant-garde work which is on display at a shopping center in Dallas. The Fort Worth Museum of Fine Arts has shown an interest in the work. (AP WIREPHOTO)

## Tower Blasts Lawlessness

ODESSA, Tex. (AP) — Sen. John Tower, R-Tex., told the Texas Police Association today "It seems to me that for too long we have watched our nation drift into a position where many of our citizens feel they need not obey laws they don't like."

"For too long we have heard lawlessness blamed not on law breakers but on law enforcement officers," Tower declared. Tower said law enforcement is a "matter mainly for state and local jurisdiction," but he said a recent federal measure, the Law Enforcement Act, should help support policemen's work.

He said the act allows the

U.S. Justice Department to help state and local officers train local personnel, and also provides for exchanging advice and methods among the nation's law officers.

"There is specific language in the law," Tower said, "forbidding and preventing any direction, supervision or control by federal officers over any facet whatsoever of local police work."

"Every American has the basic responsibility to obey the law. Nobody has the right to hurt another American or to damage his property. Rioting in the streets is not an American solution to any problem of whatever magnitude."

"Americans need not riot for rights, but there is open to Americans the massive weight of the law which prescribes and encourages orderly and effective progress toward a redress of grievances."

"Always, we must have support for law. Always, we must adequately train and fully back up the men we charge with enforcing the laws we all have a part in enacting."

## Gound On State Board

Wayne Gound, Big Spring pharmacist, was elected a director of the Texas Pharmaceutical Association in the mail election Wednesday, June 8, nominating committee chairman T. H. Cleveland, Dublin, Tex., announced today.

Other officers elected were, Ralph M. Kreiger, Abilene, president; Kenneth E. Tiemann, Austin, vice president; William J. Edwards, Galveston, secretary; Henry M. Burlage, Austin, treasurer; and George C. Webb, McKinney, director.

A run-off election will be completed by July 29 for the remaining director's position between James D. Doyle Jr., Houston, and Charles E. Dierdorf, El Paso.

Officers will be installed during the annual meeting of the TPA in El Paso Aug. 17-20, 1966.

## Drilling Ship Calls For Help

ST. JOHN'S Nfld. (AP) — A Coast Guard ship and an ocean-going tug were enroute today to assist a big oil-drilling ship adrift on the Grand Banks 140 miles southeast of Newfoundland.

The 380-foot Glomar Sirte, with a crew of 65 aboard was not believed in any immediate danger. A spokesman for the Pan American Oil Co. of Calgary, which has her under charter, said the ship had lost her power and anchors and needed assistance.

The Coast Guard Ship Cabot left St. John's and the tug Foundation Valiant sailed from Halifax late Sunday night.

The Glomar Sirte, which is drilling for oil on the Grand Banks, was hit by 60-mile winds and 25-foot seas early Sunday. The crew cut the anchor cables so the ship could head into the storm. Power was lost when water got into the main fuel supply.

The 9,950-ton Glomar Sirte is owned by Global Marine Inc., of Galveston, Tex. A 136-foot drilling derrick towers over the ship and extends down through its center hold.

## Students Begin Atomic Symposium At Austin

AUSTIN — About 350 of Texas' outstanding high school science students and 150 of their teachers arrived at the University of Texas Sunday for the Sixth Texas Nuclear Science Symposium which will continue through Wednesday.

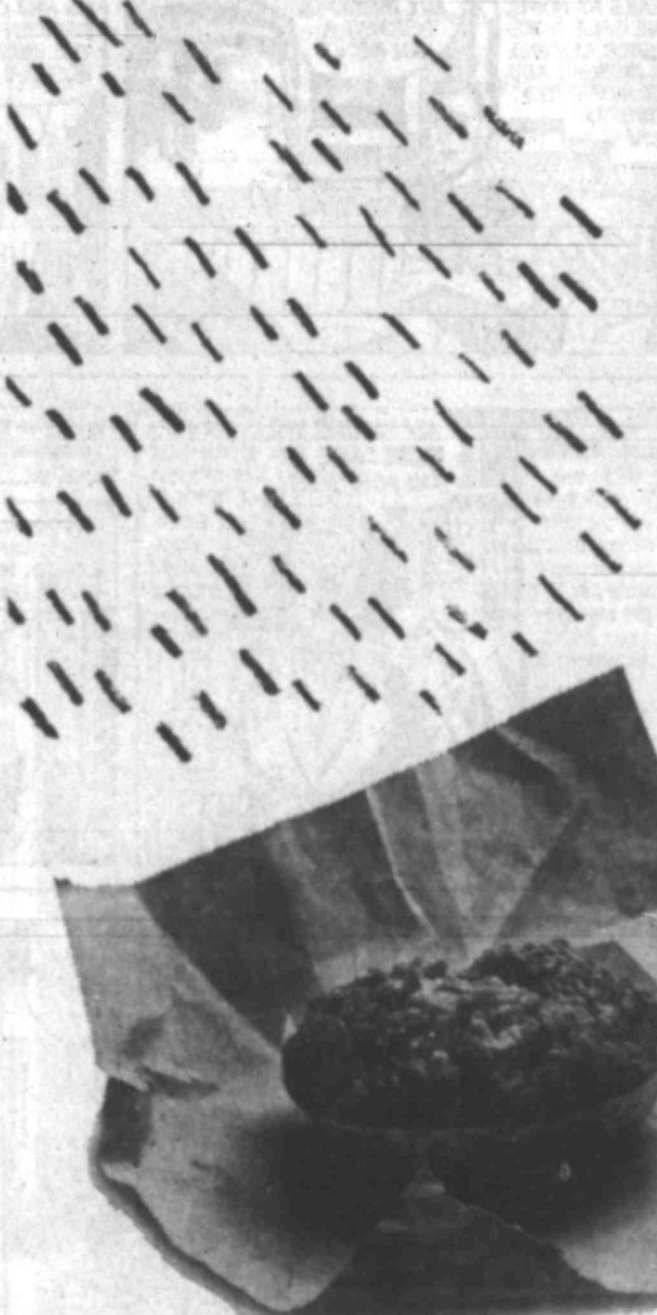

The symposium is co-sponsored annually by the University and the Texas Atomic Energy Research Foundation, composed of 10 investor-owned electric power companies in Texas. Included among those attending are forty-five students and twenty-five teachers who are guests of Texas Electric Service Company. Sands and Big Spring have students attending.

In daily sessions on the campus the students will hear lectures by recognized experts from universities, research laboratories, and industry. A highlight of the meeting will be special tours of nuclear laboratory facilities at the University.

Speakers will include two scientists from General Atomic Division, General Dynamics Corporation, of San Diego, Calif. They are Dr. E. C. Creutz, vice president, Research and Development, and Charles B. Wharton, director of Plasma Diagnostic Group of General Atomic.

Others will be Dr. John Bradford, Texas Technological College; Dr. John L. Margrave, Rice University; Dr. T. A. Grifly, and Dr. W. T. Guy Jr., University of Texas; Dr. Clarence Zener, Texas A&M University, and Howard R. Drew, executive vice president of the Foundation.

Will it rain or shine tomorrow?

What's the price of chop meat?

Where can I find a split level?

Where can I find a good used car for about \$500?

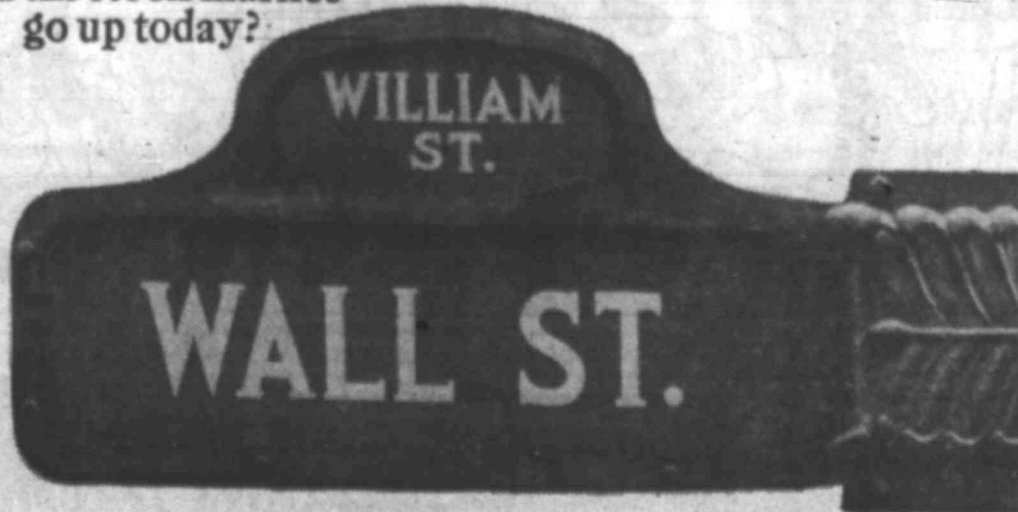

Who's playing today?

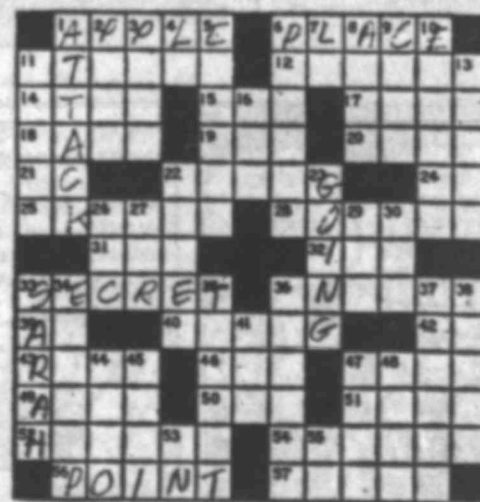

What's new in the world?

Did the stock market go up today?

What time does the movie start?

What's a 7 letter word for trip, starting with a J?

# For all the answers, turn the pages of this newspaper.

Every day your newspaper helps you make a dozen different decisions — from whether to wear your raincoat or leave it home to whether you should go out to a movie or watch one at home. To bring you this important package of local happenings and world news requires a vast team of trained reporters.

Right here we have our own fine reporters. Everywhere else we have The Associated Press. Everything that's going on, goes into our newspaper. That's why you get so much out of it.

A MEMBER OF THE ASSOCIATED PRESS

**BUZ SAWYER**

IT'S VERY SUSPICIOUS, COMRADES—GEN. TAM AND THE AMERICAN PRISONER, SAWYER, WERE ONCE CLOSE FRIENDS.

THE PLANE CRASH WAS A HOAX.

THE YANKEE WANTED TO BE TAKEN PRISONER SO HE COULD MEET WITH TAM.

I THINK THE AMERICAN IS HERE TO MAKE A DEAL WITH TAM.

YES, AND COLONEL GO MET HIS DEATH BECAUSE HE KNEW TOO MUCH.

OBVIOUSLY, COMRADES, TAM IS A TRAITOR TO OUR CAUSE. WHAT SHALL WE DO?

REPORT HIM TO HANOI!

LIQUIDATE HIM!

GENERAL TAM'S STAFF OFFICERS BECAME SUSPICIOUS.

**GASOLINE ALLEY**

I'm not spending another night in that house with its patch!

You can't sleep here at the shop, Judy! It could be bad for the baby!

I won't hurt your precious baby, Gideon! I won't go near it!

You know which baby I mean!

All right! I'll tear out the wall! I'll tear down the whole house if that's what you want!

**NANCY**

MOM

WHY DID YOU YELL "MOM" WHEN THAT GIRL PASSED?

DON'T LET ON TO NANCY—

BUT MOM IS WOW UPSIDE DOWN

**L'I' ABNER**

IF HIS IMPARTIAL FOLKS IS LIBERAL 'NUFF TO SEND YO' TO LIVE WIF US—US L'I' NOBODIES IS LIBERAL 'NUFF TO WELCOME YO'!

WE GUNG BACK TO SLOBOVIA!—IN HEW HESS HAY, BIG PIPPLE TALK LIBERAL—

—BUT ONLY LIDDLE PIPPLE GOT TO BE LIBERAL!

TROUBLE IS, LIDDLE PIPPLE GOT 'NUTTIN' TO BE LIBERAL WITH!!

**BLONDIE**

WHY ARE YOU WEARING RUBBER GALOSHES ON A HOT DAY LIKE THIS?

THERE'S A SHORT CIRCUIT IN MY ELECTRIC CLIPPERS AND I'M AFRAID OF BEING ELECTROCUTED

WELL, WHAT ABOUT ME?

I'M SORRY, BUT I ONLY HAVE ONE PAIR OF GALOSHES

**RICK O'SHAY**

WELL, STAY UP ALL NIGHT IF YOU WANT TO BUT ANNA HEARDY FOR THE BEBBROUN!

SEE YOU IN THE MORNING HISSHOT!

DO YOU SUPPOSE IT EVER BOTHERS HIM, RICK, BEING ALONE SO MUCH I MEANT?

I STOSE, BUT BEEN A GUNFIGHTER MEANS BEIN' LONESOME.

GOIN' HOME NIGHT AFTER NIGHT TO HIS HOTEL ROOM—AND NOBODY THERE, WAITIN' FOR HIM.

STAR LINE

SOMEONE IS WAITING FOR HIM TONIGHT, RICK.

**SNUFFY SMITH**

WHAT WUZ IT THIS TIME—A BOY OR A GAL?

**KERRY DRAKE**

CONCERNED BY "M.I.'S" STUBBORN DEFENSE OF HIS NEW GIRL, FRIEND, DRAKE AND SARNAGE VISIT HIS OFFICE...

"M.I.'S" HE'S NOT HERE! CALLED AN HOUR AGO TO SAY HE WOULDN'T BE IN AT ALL!

FUNNY! HE WOULDN'T EXPLAIN, AND HE USUALLY TURNS OUT TWO CARTOONS TODAY!

I THINK WE'D BETTER GO TO HIS HOME, SARNAGE!

IN NICKY'S HOTEL SUITE...

SCRATCH!... YOU HURT... WHAT ARE YOU DOING HERE?

**BETLE BAILEY**

BETLE, WHY DON'T YOU DO A REALLY GOOD JOB JUST ONCE AND SURPRISE GARGE?

MAYBE I WILL

**PEANUTS**

MOM WANTS TO KNOW IF YOU WANT TO GO TO CAMP?

CAMP? NOT ON YOUR LIFE!

THOSE CAMPS ARE ALWAYS OUT IN THE WOODS SOME PLACE AND THOSE WOODS ARE FULL OF QUEEN SNAKES! HAVE YOU EVER BEEN CHOMPED BY A QUEEN SNAKE?

BOY YOU GET CHOMPED BY A QUEEN SNAKE AND YOU'VE HAD IT! YOU WON'T GET ME NEAR ANY WOODS FULL OF QUEEN SNAKES! NO, SIR, NOT ME! I'LL JUST...

I'LL TELL HER YOU'LL BE VERY HAPPY TO GO!

HAUGH!

**DICK TRACY**

TELL ME, CUIJA, PLEASE GIVE ME AN ANSWER.

WILL I BE SUCCESSFUL IN STEALING A MAGNETIC SPACE COUPE? TELL ME, CUIJA!

THIS IS DISGUSTING, BRIBERY, UTTERLY DISGUSTING!

TO THINK YOU HAVE A CROW STUDYING ATOMIC-POWERED MAGNETISM AND YOU DEPEND ON A CUIJA BOARD!

ABCDEFGHIJKLMNOPQRSTUVWXYZ  
1234567890  
1966-67 MAY 22

BUT I UNDERSTAND THIS.

**MARY WORTH**

SCREENED BY SHRUBBERG ALGER CUIJA HAS HIS FIRST MEETING WITH HIS SON—

SO YOU'RE A TIGER HUNTER, BERTIE? HOW'D IT BE IF WE LOOKED FOR THEM TOGETHER?

GRAN'MA AND AUNT HATTIE SAY I MUST NEVER TALK TO A MAN!

WOULDN'T YOU EVEN TALK TO YOUR DADDY?

GRAN'MA SAYS I DO NOT HAVE A DADDY!

SHE SAYS SOME DAY SHE WILL 'PLAIN ALL ABOUT IT!

SHE IS OVER THERE READING HER PAPER!—MAYBE, IF SHE DID NOT SEE US, WE COULD GO HUNT WILD ANIMALS TOGETHER!

**REX MORGAN**

HAVING DECIDED TO GRILL SOME STEAKS AT HOME, JUNE GALE GOES TO SHOP LEAVING REX MORGAN AND LUCI MORELAND ALONE TO TALK!

IT'D LIKE TO WORK WITH YOU HERE, DOCTOR. ARE YOU SURE YOU HAVEN'T ANY PREJUDICE AGAINST A MEN MEDIC?

NONE—AS LONG AS YOU DO YOUR JOB!

I'VE PUT IN AS MANY HOURS, HAVE SEEN AS MANY PATIENTS AS ANY OF THE RESIDENTS AT THE UNIVERSITY HOSPITAL!

PRIVATE PRACTICE IS A LITTLE DIFFERENT THIN HOSPITAL PRACTICE! DON'T BE SURPRISED IF YOU MEET A LITTLE RESISTANCE AT FIRST, PARTICULARLY FROM MALE PATIENTS!

I EXPECT THAT... BUT I'M NOT WORRIED ABOUT IT. BELIEVE IT OR NOT, I GET ALONG RATHER WELL WITH THE MEN PATIENTS! THE WOMEN ARE MORE LIKELY TO RESIST BEING SEEN BY A WOMAN DOCTOR!

**TERRY**

WITH THE RESTRICTION OF THE REP. PATROL BOAT, ALL RESISTANCE AROUND THE FISHING JUNK ENDS, AND SHORTLY AFTER...

MY FATHER WILL TAKE CARE OF YOU FOR THIS!

THEN THE SENATOR WOULD WEEP BE A FOOL MISS STOCK!

WHILE AT THE AMERICAN ADVISORY GROUP'S HEADQUARTERS ON THE NATIONALIST AIRBASE...

YEAH, HE'S OVER THERE, TALKING TO SOME BLACK GENERAL, SONNY.

YES, INDEED! TERENCE LEE! MY STRONG RIGHT ARM! MY FAITHFUL SQUIRE! A VERITABLE SANCHO PANZA TO MY DON QUIXOTE!

**SMITTY**

REDDY, SIR?

TELL ME, PILOT-HON IS AUNT ESS?

HOW POORLY IS SHE?

HER VOICE SOUNDED WEE SHAWY ON THE TELEPHONS.

IS SHE VERY WEAK?

WHEN! HOW CAN I GET THIS GUY TO SHUT UP?

JUST A FEW AIR ROCKETS, SIR!

**MOON MULLINS**

MAMIE! I DISTINCTLY TOLD YOU—NO MORE FRENCH TOAST UNTIL FURTHER NOTICE!

COOPS! SORRY, LORD R—I'LL WHIP YA UP SOME HOT CAKES...

BOY! WILL I BE GLAD WHEN DEGAULLE STARTS BEIN' NICE AGAIN!

**JUMBLE**—that scrambled word game

Unscramble these four Jumbles, one letter to each square, to form four ordinary words.

EBBIR

VORAF

NURUTE

AECIPE

Now arrange the circled letters to form the surprise answer, as suggested by the above cartoon.

YOU'RE [C] [O] [O] [L] [D] [S]

(Answers tomorrow)

Yesterday's Jumble FIFTY EVENT SHAKEN PETCH

Answers Why a man could always find the liquor bottle, no matter where his wife hid it—HE HAD A "FIFTH" SENSE

**GRANDMA**

HEY, WHERE ARE YOU KIDS GOING WITH BLUBBLE PIPES?

OVER TO GRANDMA'S!

SHE GOOFED A WHILE AGO...

...WHEN SHE ACCIDENTALLY SPILLED A WHOLE BOX OF LAUNDRY POWDER INTO HER WASHING MACHINE.

# Organ Course For Adults Is Offered By Wurlitzer

Free organ lessons? Well, almost. If you buy an organ at Doc Young Music at 910 E. 4th, the Wurlitzer Company has developed an Adult Organ Course that is included with the purchase of the organ.

This is an exclusive feature that guarantees that an individual can learn to play the organ and can play selections such as "Ebb Tide," "Moon River," and other present day favorites.

This plan was designed because of the large number of persons who purchased an organ, were normally given six free lessons and then forgotten.

The Wurlitzer Company realized that it is extremely important to be able to guarantee an individual that he can learn to play the organ that he has purchased.

The fantastic increase in sales in recent months can be accredited to this organ course and the fact that the Wurlitzer organ is the most versatile organ being manufactured today, according to Joe Lewallen, manager.

## Try A Motorbike Tour During Your Vacation

Motorcycling has become the thing with the in-groups in Big Spring this summer. Vacationers are taking 'cycle tours, and anywhere there is a roadway, one sees young and old out enjoying a ride up Scenic Loop or out to Moss Creek Lake.

For those interested in taking up this exciting and enjoyable hobby, Bedell Brothers features every model made by Yamaha.

These models, famous for their high standards of quality, may be seen in the Bedell Brothers showroom on Birdwell Lane north of town, just off the Snyder Highway.

Yamaha International is one of the top 10 companies in financial strength in Japan. The new Yamaha Twin Jet 100 is in a class by itself. It combines trim styling, amazing power, smoothness and safety, all in one outstanding, reasonably priced machine. With twin carburetors, you get four times the smoothness of a single four-stroke.

The new 100cc model not only has more horsepower this year, but is equipped with the

Sparkarrester exhaust, which provides extra safety when riding in forests and in grassy areas.

Bedell received a big shipment of Yamaha's last week, and among those now on the floor is the great 250cc world racing champion. It has speeds up to 100 km-h, will get up to 133 miles per gallon (at 19 mph) and is understandably the top-selling two-stroke in the U.S.

The new Yamaha Catalina 250 will speed up to 100 mph and get up to 80 miles per gallon and do a starting quarter in 15.8 seconds. It has an oil injection system which is automatic and a separate oil and gas tank that does away with pre-mixing of the fuel.

Its performance is sensational; it holds the record for the 0 to 90 mph run. Featured is a brand new five speed gear box with wider teeth, bigger dogs and a wide ratio; big, powerful, Daytona racer - type oversized double shoe brakes; and it is the trophy winner in Deluxe Style and Design with its new shiny color.

The Yamaha Big Bear Scrambler, a 250 cc model with five-speed gearbox and the Yamaha injection system will range up to 90 mph, and get 118 miles per gallon on its 28-horse engine. It really will scramble - it has the ability to climb a 27-degree incline.

It features road sport trim with strengthened suspension, easily detachable lights and knobby tires. Naturally, it too has the separate oil and gas tanks and oversized brakes seen on the Catalina 250.

When you see your friends on their Yamaha, be sure to wave. Everyone is going cycling this summer.

quality of a Wurlitzer instrument.

Wurlitzer is the world's largest builder of pianos and organs, and the company produces more than 50 pianos in basic furniture styles. The pianos are also available in a variety of mahogany, cherry, walnut, maple and oak woods.

Outstandingly beautiful designs, employing a wide choice of fine woods, are continuously being developed by Wurlitzer to complement any decor, be it in modern, contemporary or traditional.

There is also a complete selection of Wurlitzer pianos, organs and solid state stereos at Doc Young Music Co., 910 E. 4th.

"Of all musical instruments, it is the piano which fulfills the

It's Easy To Get To Security State

If getting to the bank has been a problem with you because of traffic, try the Security State Bank at Fifteenth and Gregg. It was located and built for convenience. Drive-in windows for doing your banking; off-street parking on two streets; and a spacious parking lot provide easy banking with friendly people.

greatest amount of musical needs in the school or home," Lewallen said. "In assemblies, programs, family get-togethers, concerts and recitals, the piano plays a leading part."

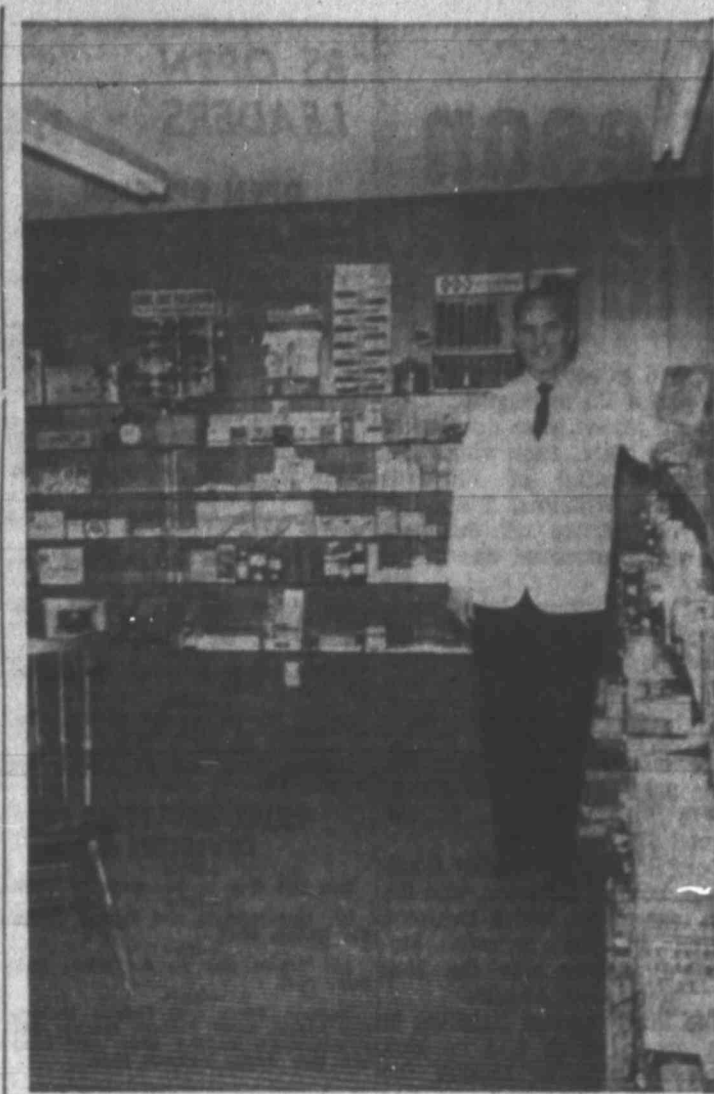

"We can't possibly sell all makes of pianos and organs," he declared, "so we just sell the one that most persons ask for and buy—Wurlitzer."

## Byron's Saves You Worry

When thinking of making a move, and you wonder what to do to keep the work at a minimum, just dial Byron's Storage and Transfer for information. The firm can save most of the work and bother of doing your own packing and the job of taking down beds, tables and other furniture.

Just tell Byron's when you want to move, where you are going, where you want your household goods placed in the new home, and leave the rest to them.

Whether it's a long move or a short one, or storage of furniture for a time, Byron's can make it easier for you.

## Bennett Brooke's Features Service

Drive-in service is a specialty at Bennett's Pharmacy. You can have your prescription filled in just a few minutes while you wait in the comfort of your own car.

Have your doctor call your prescription to Bennett Brooke. Then drive up or down Gregg Street to Sixteenth, turn west and pull up the asphalt driveway to the window. In some cases, your prescription will be ready before you get there.

Bennett's Pharmacy allows customers to get off the rapid-transit streets where parking is difficult to find, and shop in a relaxed, non-congested atmosphere.

The customer may either wait in his car or walk inside. Either way, his prescription will be ready quickly.

If one goes into the air conditioned building, Bennett Brooke

keeps a small coffee bar with coffee ready for sipping at all times, and there are chairs where the tired customer may rest. Current magazines are at hand to keep him occupied while Brooke, a graduate of the College of Pharmacy of the University of Texas, fills the prescription.

The near-perfect location, being close to residential areas, and off the fast traffic of Gregg, provides convenient and ample parking space, both front and rear.

All pharmaceuticals are available at Bennett's, and may be filled more rapidly than you expect because the shop is a new concept in its field. Bennett's specializes primarily in pharmaceuticals.

While the motif of the building is early-American, a customer will receive ultra-modern service and quality products. Bennett Brooke affords his customers the latest in Space Age pharmaceuticals; all of the new medicines will be filled for you with the utmost care and precision.

Bennett's Pharmacy is open from 9 a.m. to 6 p.m. Mondays through Saturdays. The only employee is the owner, assuring fast, efficient, courteous service.

The store lies between Gregg and Lancaster and is convenient to both.

Aside from his profession of pharmacist, Bennett Brooke is a widely-known resident of the community, having served on the school board.

## State National Is Happy To Serve

State National Bank of Big Spring and the people who work there make a practice of keeping up with developments and helping business and industry to grow—including farming.

The bank has grown with the town and with Howard County. When you think of expansion, one of the best places to get information and to find consultants is at State National Bank.

## Haston Electric Repairs Circuits

Haston Electric, 1606-B Gregg, owned by Gene Haston, has been a part of the Big Spring business scene for many years, and Haston and his employees know what is needed in installing electrical fixtures and outlets to handle the loads properly.

The firm is equipped to handle residential and commercial electrical jobs, whether new or renewing.

Want light bulbs? Haston carries 135 different kinds, ranging from 5-watt fluorescent and 7-watt incandescent to a 1500-watt incandescent. He has fluorescent bulbs in all sizes, from the little 4-inch ones to 96-inch giants. Guard - lights are also in Haston's stock.

Just call Haston at AM 4-5183 and he'll make a quick service call to fix your wiring correctly.

A new building, in the planning stages, may be designed to carry light or heavy electrical loads, and Haston is capable of advising with the planners for the best designed circuits and fixtures possible.

Some older buildings may have been constructed before

the day of modern appliances and lighting systems. These may need rewiring to handle the loads, and the proper number of circuits to prevent over-loading.

Nothing adds to the appearance of the interior of the home than fixtures going with the decor of the rooms, and lamps with appliances placed in the proper positions without long extension cords showing.

Haston also carries a good stock of supplies, and customers may come by and look over these, and also in light fixture catalogs, for all kinds of modern equipment. By calling, the customer can get information or consultation, before starting a new job or remodeling, to handle loads properly to prevent a shortage of circuits later.

# Green And Burleson Repeat As Champs

By TOMMY HART  
A rally on the final two holes enabled Wendy Green and Ben Burleson, both of Midland, to repeat as champions of the fourth annual Big Spring Golf Open here Sunday afternoon.

CHAMPIONS AGAIN  
Wendy Green (L), Ben Burleson  
(Photo by Danny Valdes)

## GREEN'S EARNINGS HERE TOTAL \$400; THELKELD GETS \$262

Wendy Green, the former Big Spring Country Club assistant pro who now calls Midland home, was the big cash winner among the pros in the fourth annual Big Spring Open ending Sunday.

## Long Putter Helps Rodgers Cop First

GRAND BLANC, Mich. (AP)—An unusually long putter and an unorthodox grip may have prompted a few snickers from the fans, but Phil Rodgers is the \$20,000 richer and leading the PGA money list today because of it.

Rodgers shot four birdies and had only one bogey in two rounds Sunday as he took a two-stroke victory in the ninth annual \$100,000 Buick Open Golf Tournament.

## RUIDOSO D'NS RACE RESULTS

FIRST RACE — Class Year Hounds  
4:30, 3:40, 2:40; Pop Mike, 11:40, 4:40; Best Break, 3:40; Time 1:15.2.  
SECOND RACE — Veto, 4:30, 3:30, 2:40; Little Coffee, 3:40, 2:40; Joak's Best, 3:30; Time 1:16.1.  
THIRD RACE — Hays, 4:40, 3:40, 2:40; Bar Henry, 12:00, 8:00; Fortie Sire, 5:00; Time 1:24.  
FOURTH RACE — Bar M, Lady, 11:00, 5:40, 4:30; Bar J's Anchor, 10:40, 5:00; Newcomb, 5:00; Time 1:24.  
FIFTH RACE — The Old Man, 4:40, 3:40, 2:40; Thirty Eight, 3:40, 2:40; Joak's Best, 3:30; Time 1:24.  
SIXTH RACE — Lady's Mail, 9:40, 5:00, 4:00; Nudge, 4:40, 3:40; Frey, 4:00, 3:00; Time 1:23.8.  
SEVENTH RACE — Admiral Dispatch, 7:00, 5:40, 4:40; Kvd Kay, 2:40, 2:40; Sweetness, 5:00; Time 1:22.  
EIGHTH RACE — Super Sooner, 4:40, 3:40, 2:40; Jeff Sooner, 4:00, 3:00; Joak's Best, 3:30; Time 1:24.  
NINTH RACE — Barton's Glory, 7:20, 4:40, 3:40; Sen, 2:40, 2:40; Pao, 4:00, 3:00; Time 1:24.  
TENTH RACE — Speedy Affair, 7:40, 4:20, 3:20; Fly By, 2:40, 2:40; Bee Spar, 2:40; Time 1:24.  
ELEVENTH RACE — My Charge, 11:40, 4:20, 3:20; Air Seals, 2:40, 2:40; Bee True, 3:00; Time 1:20.3.  
Twelfth — 2:40.

## BS OPEN LEADERS

### OPEN DIVISION

Wendy Green and Ben Burleson, Midland, 64-64.  
Steve Thekeld and Stuart Chancellor, Midland, 63-63.  
Bobby Westfall, Floydada, and Jack Williams, Plainview, 64-62; Roland Adams and Dan Anderson, Lubbock, 67-64; Hezlie Carson and Raymond Hart, 67-66.  
Doug Ehle and Charles Goodbread, Lubbock, 65-67; Elwyn Stobaugh and Dr. Roy Waterhouse, San Angelo, 67-67; Bobby Wright, Big Spring, and Bobby Blum, Odessa, 67-67.  
Jerry Green and Robb Smith, Big Spring, 68-67.  
Jack Holt, San Antonio, and Oble Brishow, Big Spring, 68-68.  
Val Collier and Ken Wildbur, Midland, 64-64; Graham Mackey and Jimmy Newsom, Big Spring, 69-69.  
Marvin Wright and Eddie Don Harris, Big Spring, 69-69.  
Bunky Johnson and Ed Kerley, Odessa, 69-69.  
Bernard Reims and Al Kieven, Big Spring, 71-69.

### TRUE AMATEUR DIVISION

Don and Skip Martz, Amarillo, 57-59.  
Dr. Carl Marcum and Harrell Jones, Big Spring, 60-62.  
Bill Bowen and A. A. Jones, Midland, 62-61.  
Wayman Burns and Charles Darden, San Antonio, 64-64; Graham Mackey and Ron Williams, Midland, 69-64; John Long and Tom Davis, Midland, 60-64.

## Tigers Lose Pitching Duel

The Tigers and Lovington, N. M. locked in a pitcher's duel here for eight innings Sunday until an overthrow led to a tie-breaking run. Lovington won 6-2.

The score was knotted in the eighth when Chick not only was safe on an overthrow but advanced to third. Onsurez bounced an infield hit off Yankee's leg, breaking the tie. Chulo Martinez, pinch hitting in the top of the ninth, blasted a homer. Two infield errors put two more on top, but when a dropped foul pop gave Ornelas a second chance. He knew what to do with it and doubled in two more insurance runs.

Calteron struck out 11 Tigers while giving up seven hits. Yankee, the loser, was touched for 10 hits. Zapata had three hits, including a triple for the Tigers, and Pineda had two hits. The Tigers go to Odessa Sunday.

The Amarillo father and son combination of Don and Skip Martz made their first day's lead stand up in the True Amateur division. They finished all alone at 116, six strokes ahead of the second place team, Dr. Carl Marcum and Harrell Jones, both of Big Spring.

Between them, the Martzes had handicaps of 20 strokes and they used them to excellent advantage.

The course was blessed by excellent weather both days. A rain measured at .75 of an inch fell Saturday night, leaving the course in near-perfect condition.

Green and Burleson thus became the first team to repeat as the champion of the meet.

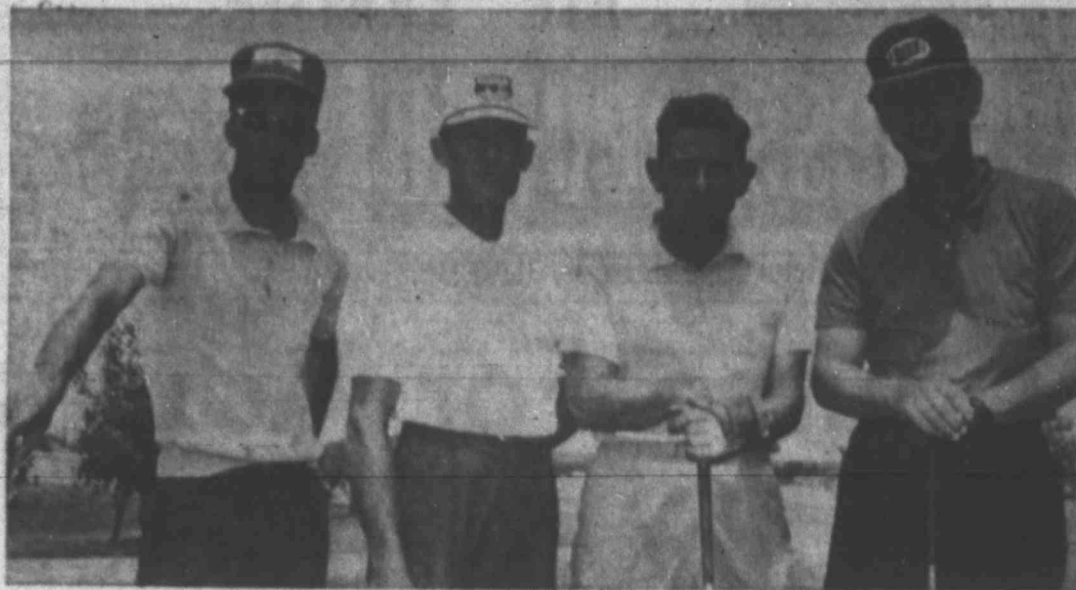

Odessa's Bunky Johnson and Thekeld tied for second in the medal play, each with a medal score of 141. Fourth, just getting into the prize money, was Jack Holt, pro at the San Antonio Lackland course.

Pictured above are four principals in the Open Division of the fourth annual Big Spring Golf Open, which ended here Sunday. From left, they are Charles Bailey and J. B. Wetsel, both of Big Spring; and Bob Paterson and Ferd Slocum, both of Weatherford. (Photo by Danny Valdes)

## Marichal Ties Koufax In Major League Win Column

By The Associated Press  
Don Drysdale and Sandy Koufax, who traveled the high road as an entry a few months ago, are going in opposite directions today.

Juan Marichal is keeping Koufax company on the expressway while Drysdale is chasing Sammy Ellis down a one-way side street.

Marichal outpitched Drysdale Sunday as San Francisco edged Los Angeles 3-2 and pushed within four percentage points of the National League-leading Dodgers.

The Giants' ace tossed a four-hitter for his 11th victory of the season, tying the Dodgers' Koufax for the major league lead. Drysdale, knocked out in the sixth inning, suffered his third straight setback and is 4-7 for the year.

Meanwhile, Ellis, a 22-game winner for Cincinnati last season, became this year's first 10 game loser when he yielded an 11th inning run that gave the New York Mets a 3-2 victory over the Reds.

Drysdale and Koufax, who won 23 and 26 games, respectively, in 1965, staged a tandem holdout sleep during spring training that netted them contracts totaling \$245,000.

Koufax, who reportedly received \$130,000, is off to the best getaway of his career—with an 11-1 record and 1.49 earned run average—but Drysdale is struggling.

The big right-hander has completed only three of 14 starts. His ERA is 4.36—highest on the Dodger staff—and he's been rocked for 11 home runs.

Marichal, who also held out this spring after a 22-13 finish in 1965, signing for an estimated \$70,000 a few days before Koufax and Drysdale came to terms with the Dodgers, snapped a two-game losing streak with his victory Sunday.

He survived two LA home runs while boosting his current record to 11-2 and extending his lifetime hex over the Dodgers at Candlestick Park to 12-0.

Ellis, who has thrown 15 home run balls this season, tops in the league, lost his fifth straight when New York's Jerry Grote broke a 2-2 deadlock with a two-out, run-scoring single in the 11th. Ellis, 22-10 in 1965, is 2-10 this year.

Chris Short checked St. Louis on five hits and Bill White slugged a two-run homer as the Phillies ended the Cardinals' winning string at four.

Home runs by John Bateman, Rusty Staub and Dave Nicholson led the Astros past the Cubs.

CHEROKEE VILLAGE, Ark. (AP) — J. T. King, coach of Texas Tech, says he has been playing golf only about six years but he sure loves it.

"I play for fun," he declared, meanwhile beating all the others' ears down to win the second annual coaches tournament.

## Runner-Up Nips Morton's

Morton's Food ran into the No. 1 Navy team in Saturday's rounds of the Abilene Softball Tournament, and they ran out of the tournament, too.

But not without giving the Sub-Flot One team a real tussle in losing 4-0. Morton's held Navy scoreless through three innings before yielding two runs on three hits. That was enough to decide the issue. Cheeseman, Sub-Flot's hot spot thrower, held Morton's to a pair of hits, a single in the second by New and in the third by Sorley, whereupon in both cases he proceeded to strike out the side.

After having clipped Abilene A's in practice, Morton's dropped a painful 1-0 game to Abilene in the opening round of the tourney to go in the loser's bracket. Rogers managed a single in the seventh for Morton's only hit. In the second game, Morton's made eight hits go for a 4-1 victory over Taylor Chevrolet. In a third round bracket, Morton's beat Abilene 3-1 on Troy Wetsel's two hit pitching. Cotton Mize relieved and gave no hits.

Bill's Trim Shop won the tournament, beating Sub Flot, 6-3 Saturday. Morton's will go to Wichita Falls, playing first at 6 a.m.

## Jets Come On Late, Win 5-2

The Jets waited until the last moment, but they hung it on the Colts, 5-2, in the American Little League Saturday evening.

The Colts scored in the first on Mike Treadaway's single and Guy Bell's double. Wayne York blasted a homer in the last inning, but it wasn't enough to catch up. The Jets went ahead with four runs in the fifth. David McElreath opened with a double, Randal Brock singled, as did David Newman, who scored on Terry McAdams' single. Newman was the winning pitcher, York the loser. The box score:

Colts	5	Jets	2
Dickert	5	McElreath	2
York	3	Baker	3
York	3	Brack	1
York	3	Berry	2
Tone	2	Newman	2
W. Dick	2	McAdams	2
Cauder	2	Greenett	1
Burlett	2	Barker	1
Egan	2	Sheriff	1
Tates	2	Tatela	1
Colts	100	99	2
Jets	99	100	2

In the eighth inning the Cubs' Carl Warwick singled with one man out, Glenn Beckert beat out a hit to deep short and Billy Williams doubled to right.

Williams was tagged out in a rundown between second and third, but one run scored before Ron Santo walloped his 13th homer of the year for two more runs.

Cubs starter Dick Ellsworth held the Astros scoreless until the fourth, when Bateman drove in two runs with his homer. Two innings later, Houston sent six men across the plate as Staub and Nicholson each hit two-run homers.

## Softball Lead Is At Stake

Games at the City Park have been rescheduled, and Morton's will meet Big Spring Tire at 5 p.m. today in an American Softball League contest.

Each team has an 8-1 record, so first place will be on the line in tonight's game.

Big Spring Tire handed Morton's its only defeat earlier in the season.

Other games this week will see the Optimists meeting Pepsi-Cola in the first game Thursday, followed by the Montgomery Ward - Webb AFB clash.

## Tech Keeps Hex On Oilers, 3-2

By now the Gage Oilers are beginning to believe that Texas Tech has a special hex on them. Sunday the Oilers dropped another one-run decision to Tech in Lubbock, 3-2.

Danny Valdes, who had handcuffed the Tech club the previous Sunday before being hit on the left elbow by the pitcher, returned to pitch great ball for the Oilers, but Valdes was even hotter for Tech. Callers scattered five hits, one of them a slow fly to left center, which fell for a double when each fielder thought the other was going to make the play. He struck out six and walked only one.

Callerman allowed only two hits in six innings, and Pat Abbott, who followed him, was equally effective, giving up but one blow.

Tech jumped to an early lead in the first when Jerry Hogard singled, stole a base and advanced on an error. Max Martin sacrificed home. The Oilers went ahead in the third

Park Dedication Set Today

Dedication services for the Johnny Stone Memorial Park, north of Interstate 20 and west of the Snyder highway, have been set for 7:30 p.m. Today, Leon Farris, league president said that all teams, managers and sponsors will be on hand for the brief serv-

# Buckpasser Back, Looks Bad For His Young Rivals

By The Associated Press  
Buckpasser, the colt many folks thought would have swept the Kentucky Derby, the Preakness and the Belmont Stakes if he hadn't been injured, takes over the racing spotlight this week.  
Ogden Phipps' champion 2-year-old of last year is scheduled to go in the \$35,000 Leonard Richards at Delaware Park on Saturday. It will be the first stakes start for the stout-hearted son of Tom Fool since he won the Flamingo at Hialeah.  
It was a few days after the Flamingo that the Eddie Neely-trained 3-year-old suffered a quarter crack which forced his withdrawal from triple crown competition.  
He returned to action on Bel-

# Tommy Smith Outshines Ryun

By The Associated Press  
Tommy Smith took the headlines away from Jim Ryun in track and field over the weekend.  
Smith, of San Jose State College, set a world record of 20 seconds flat for the 220-yard dash around a curve at the Sacramento Invitational championships Saturday night.  
Ryun, of the University of Kansas, who set a world record for the half mile of 1:44.9 Friday, ran a modest 4:02.8 mile in the U.S. Track and Field Fed-

# Adair Goes To Chisox

BALTIMORE (AP) — The Baltimore Orioles obtained a relief pitcher, and Jerry Adair was given mental relief.  
"What a relief," Adair sighed Sunday after being informed he had been traded to the Chicago White Sox for relief specialist Eddie Fisher.  
The Orioles also sent outfielder-first baseman John Riddle from their Rochester farm club to Chicago's farm at Indianapolis, and Baltimore will get another minor league player in return.  
"I thought after what happened in spring training, and what I've said since, that it was just a matter of time before I was traded," Adair said.  
He referred to public statements he made criticizing Manager Hank Bauer after the Oriole skipper turned over Adair's second base job to rookie Dave Johnson at the start of the season. He said he was bitter and wanted to be traded.

# Transmission Thief Hits Again

Transmission - hungry thieves struck again Saturday, officers said. This time it was the \$400 Borg-Warner transmission and the \$75 drive-shaft which propelled James Fisher's car that were lifted. Fisher said he had parked his car at his residence, 105 W. 8th, about 11:30 p.m. Saturday, and found the car's "innards" missing about noon Sunday.

eration national meet at Terre Haute, Ind.  
The previous Saturday Ryun had become the second fastest miler in the world with a 3:53.7 at Los Angeles, just 0.1 second shy of the world mark of 3:53.6 held by Michel Jazy of France.  
"I really didn't get off to a great jump — I've had better starts," Smith said after he had erased the mark of 20.2 set by Henry Carr of Arizona State in 1964.  
Smith, who is entered in the NCAA Championships at Bloomington, Ind. this weekend, ran the 220 on a straightway last month in 19.5, a pending world record.

# BLISTERING MILE

Veteran Jim Grelle of Portland, Ore., and 18-year-old Tim Danielson of Chula Vista, Calif., High School, shared honors at the San Diego invitational meet.  
Grelle, voted the Athlete of the Night, won the mile in 3:55.4, the 20th time he has been under four minutes. Danielson finished fourth in 3:59.4, becoming the second high-schooler to break four minutes. Ryun was the first.  
Between Grelle and Danielson, were Neil Duggans of Hancock Junior College at Santa Maria, Calif., second in 3:56.1 and Dave Bailey of Toronto, third in 3:59.1. Bailey's time broke the Canadian record of 4:01.1 held by Ergas Lepes.  
Ron Clarke of Australia, after an arduous journey from Down Under, finished second to George Young in the 5,000 meters at San Diego. Young won in 13:40.2. Clarke was timed in 13:40.5.  
Across the Atlantic, meantime, Jazy set a French record at Anzin, France, by winning the 2,000 meters Sunday in 5:01.4 compared to the world record of 5:01.2 held by Jose Odlozil-of Czechoslovakia.

# John Blocker Dies At Stanton

STANTON (SC) — John William Blocker, 67, who had lived almost 60 years in Martin County, died at 12:30 a.m. in the Physicians' Hospital here today.  
Last rites will be held at 4 p.m. Tuesday in the First Methodist Church with the pastor, the Rev. Claud R. LeMond, officiating, assisted by Doyle Cordeur, Church of Christ minister. Burial will be in the Evergreen Cemetery under direction of Gilbreath Funeral Home.  
Mr. Blocker was born March 23, 1898 in Covington, and he came to Martin County in 1907. He is a retired farmer and head of a well-known family.  
Mr. Blocker leaves his wife; four sons, Horace Blocker, Stanton, Bill Blocker, Hobbs, N. M., Gene Blocker and John Blocker Jr., Jal, N. C.; four daughters, Mrs. F. O. Rhodes and Mrs. O. L. Snodgrass of Stanton, Mrs. W. H. Munn, Andrews, and Mrs. R. Y. Sadler, Jal, N. M.; and one stepson, Jack Drake, Big Spring. He also leaves 21 grandchildren and 25 great-grandchildren.

# Underwood Stows Amateur Title

SAN ANTONIO, Tex. (AP) — Hal Underwood, University of Houston player from Del Rio, looked toward the NCAA golf tournament today, the Texas amateur championship stowed away by a whopping five strokes.  
Underwood fired a three-under-par 69 on the closing round Sunday to shoot 275 for 72 holes — a tournament record. His putting was terrific and he made some great recoveries for pars.  
Cesar Sandou, a Lamar Tech student from El Cajon, Calif., wound up second with 280. He started the final round only a stroke back but soared to a 73 on the last round.  
Rik Massengale of Jacksboro and Don Raybourn of San Antonio tied for third with 285. Massengale then won a playoff on the first hole.

# Championships Well Distributed

AUSTIN, Tex. (AP) — Major championships of the Texas Open tennis tournament were well distributed Sunday as the big meet wound up.  
Jim Parker of Austin won the men's singles, beating young Estep of Dallas 6-1, 6-0.  
Ronnie Fisher and Art Foust of Houston took the men's doubles with a 6-2, 6-4 triumph over Johnny Williams of San Antonio and Don Walraven of Fort Worth.  
Emilie Burrer of San Antonio beat Carol Gay of Phoenix, Ariz., for the women's singles championship.  
Miss Burrer teamed with Marilyn Montgomery of San Antonio to win the women's doubles, beating Sissy Skinner of Harlingen and Patty Lowden of Fort Worth 6-2, 6-2.

Pop Concert

Neighborhood children gather around Hartley Edwards of Denison, Tex., as he practiced up for a last tour on his World War I bugle before he gave it to the Smithsonian Institute recently. He'll go right on waking up the neighborhood each morning with "Reveille" though, because the Conn Corp. band instrument makers, replaced his cherished old bugle with a brand new one. (AP WIREPHOTO)

# Gets Razzed By Fellow Officers

DA NANG, South Viet Nam (AP) — Around Hill 22 the other officers sometimes jokingly call him "POB."  
That's "Pat's Older Brother," Marine Lt. Gerard Nugent, 24.  
Pat is Pat Nugent, who will marry President Johnson's daughter, Luci, in Washington, Aug. 6.  
"The only way it affects me," said Gerard Nugent, "is that I get razzed a lot by other officers around here. Capt. Gomez of Gulf Company, a real good friend—he started this 'POB' stuff. They keep asking me when I'm going home for the wedding. I don't really mind it."  
Actually, he won't be home for the wedding. He won't finish his tour here until September. If he were home, he would be the best man.  
Under arrangements announced by the White House April 30, the Nugents' father, investment counselor Jerry P. Nugent, will be proxy best man for the lieutenant.

Gerard Nugent is a platoon leader and his unit, the 3rd Platoon of Echo Company, 2nd Battalion, 3rd Marine Regiment, has been based on Hill 22, south of Da Nang.  
"We got a perimeter," he explained. "Our main mission is to patrol our area, and we patrol day and night. It is pretty much of a defensive position."  
Nugent is affable but firm. He appears to be well liked by his men.  
A graduate of Marquette University and Naval ROTC in 1963, he is considering making the Marine Corps a career.  
"I got a regular commission so I'll probably stay in," he said.  
Nugent said Luci writes to him occasionally and Pat writes to him once a week. The Johnson family sent him a message at Easter wishing him a happy holiday.  
Apparently Pat is very busy with his wedding plans.  
"I get a letter scribbled from him," Gerard said, "once a week. It seems like it takes him five minutes to write it." The lieutenant's wife, Phyllis, is living in San Diego, Calif. The Nugents' family home is in Waukegan, Ill.

# Only 1 Title To A School

AUSTIN, Tex. (AP) — The sports year is at an end in the Texas Interscholastic League without a single school winning more than one championship.  
Honors were distributed in the four major sports as Freeport Brazosport won Class AAAA and South San Antonio Class AAA baseball over the weekend.  
Odessa Permian, Brownwood, Plano and Willis Point won the AAAA, AAA, AA and A football championships respectively.  
Spring Branch Memorial, San Antonio Marshall, Lake Worth, Gruver and Snook won the basketball titles. This is one of two sports in which there are titles in Class B.  
Track championships went to San Antonio Highlands, Monahans, Taylor, Goldthwaite and Bartlett.  
Citywise, San Antonio won the most championships—one in basketball, one in track and one in baseball.  
Freeport Brazosport won the Class AAAA baseball championship Saturday night with a 6-1 victory over San Antonio MacArthur. It was the second time in three years for Brazosport to bag the crown.  
South San Antonio won the Class AAA title by beating Dallas 2-1. It was the sixth time in seven trips to the state tournament for South San Antonio to come through.

AL GARTNER

## New Officers Named By Zale

DALLAS — The Zale Corporation has named Al Gartner president of its new Zale Store Division, biggest of the six new divisions it announced in a new corporate structure.

Zale president Ben A. Lipsky, in announcing the Gartner appointment, said the new alignment would strengthen the corporation for orderly future growth. Gartner, who previously had been executive vice president of the Zale Corporation, remains a member of the corporation's board of directors and of its 3-man executive committee.

Lipsky appointed two other men to top executive posts in the division, which operates the 328 stores that make Zale the world's largest retail jewelry chain.

Marvin Rubin will become executive vice president of the division, and Lew Zale will be vice president.

In addition, 10 men were named by Lipsky as vice presidents and assistant vice presidents. They will be regional supervisors of the Zale retail stores located in 40 states.

Vice presidents are Burley Bullock, San Antonio; Harry Landman, Tulsa; Robert Mothner, Los Angeles; and Bernard Shipper, Knoxville.

Assistant vice presidents are Harold Davis, Houston; Richard Hankin, Salt Lake City; Jay Lebowitz, Lansing, Michigan; Selwyn Leeds, Richmond, Va.; J. W. Levin, Indianapolis; and Al Steinman, Denver.

## WIVES BEWARE!

If your husband has occasion to visit Fort Worth, don't let him stay at Green Oaks Inn!

Oh, it's nice, all right.

It's done in sort of a storybook Old English.

It has 300 rooms, including 57 suites, and two swimming pools.

The food's all they say it is—the tastiest in Fort Worth.

And the club, patterned after an Old English ale house, is utterly charming.

Green Oaks Inn has a great location—away from downtown congestion, yet less than 10 minutes by freeway from the heart of the city.

The prices are reasonable, too.

Why then, you ask, should you steer him to another hotel?

If he stays at Green Oaks, he'll probably never want to come back home.

## Survey Shows Many Adults Drink Heavily

LOS ANGELES (AP) — Twelve per cent of American adults are heavy drinkers, says a nationwide survey.

You are a heavy drinker, says Dr. Ira Cisin, if you have one drink almost daily, or if you down at least five drinks in one session once a week.

Cisin's survey, sponsored by the National Institute of Mental Health and based on 2,750 interviews, was disclosed Sunday at a symposium on drugs and alcohol at the University of California at Los Angeles.

Generally, says Cisin, a professor of sociology at George Washington University, more drinkers reside in New England and the Middle Atlantic states. Residents of Pacific Coast states are in third place while, proportionately, the fewest drinkers are found in the Deep South.

Cisin also found more men drink than women, most drinkers are in their 20s and 30s, of higher income groups and live in cities and suburbs.

More Episcopalians, Catholics and Jews drink than Baptists and others of religious groups which disapprove of drinking, he added.

## LETTER TO THE EDITOR

### Deterioration Of Rail Service Hit By Midlander

(Although the following letter was addressed to Mayor Avery of Midland, a copy was sent to The Herald, and in view of recent public discussion on the proposed abandonment of passenger train service by the T & P-MP, Co. it is reprinted.—Editor's Note.)

Dear Mayor Avery:

We might as well give up so-called passenger service on the Missouri-Pacific-Texas & Pacific. The railroad has done a superb job of refusing to serve West Texas, of making train travel as slow and inconvenient as possible.

Since the present passenger cars were placed in service shortly after World War II the railroad has done nothing to improve its running time. In fact, it is worse now.

During the same time the bus companies have steadily improved their service. Not that they have always had a big passenger increase. For a while air service threatened bus lines service just as it did the railroads both being bound by ground as compared with air.

A bus passenger now travels from Midland to Fort Worth in six hours and 45 minutes, and all the way to Dallas in only seven hours and 35 minutes.

The M-P-T & P railroad's passenger train now requires seven hours and 15 minutes from Midland to Fort Worth and 10 hours and 55 minutes to get to Dallas.

Too, the schedule is such that no one wants to ride the train. Whereas it used to be scheduled at a convenient 8:15 morning hour, it now is at 5:45 a.m. And to come back from Dallas you can only ride at night, with no Pullman provisions allowed. And no diner either way.

Until the railroad began its accelerated campaign to end passenger service to West Texas, the T & P did a good business at Midland. Only a few years ago the Midland station did upward of \$10,000 per month during the holiday season. Now, under the deliberate campaign to end service by the railroad, local patronage is probably less than \$1,000 per month.

Railroad spokesmen say that they lose on passenger revenues. No doubt they do; they aim to do so. Even so, they charge certain maintenance items to passenger cost which they would otherwise still have to pay. Of course they still have frequent crew changes, not so much on passenger crews, but on engine crews. By abolishing passenger service, they can cut off both passenger and engine crews and indirectly hope to "lick" the unions further. Also, this will be an excuse for dropping more station personnel.

What could be done? The railroad could give real service to West Texas, an area which is a tremendous money-maker for the T & P-MP system through its freight revenues.

They could give service much faster than by any other means except air. They could carry the mail if they wanted to. As it is, Midland's mail service to Dallas after 6 p.m. is now two days in getting to Dallas, rather than one day as before the abolition of the night train.

Containerization of mail and baggage would allow quick stops en route.

Service could be with a smile instead of with a scowl.

I called the local station not long before the night train was abolished, asking for Pullman accommodations for all my family. Three days later they called back to say that none were available for the day I wanted. I wrote the passenger agent in Dallas asking about this. He said it was most unusual, that I was the only person not accommodated that day. I learned later that all up and down the line requests for Pullman space were turned down that day. But the railroad did not want to give this service and finally won.

I am speaking solely for myself, as a citizen of Midland, and as a would-be patron of the railroad.

MARSHALL E. SURRATT  
Vice President,  
Midland National Bank

# Replacement Turns Out As A Happy Surprise

By CYNTHIA LOWRY  
AP Movie - TV Writer

NEW YORK (AP) — Summer replacements of variety shows with other variety shows usually have the unmistakable look and sound of low-budget programs.

CBS' "Continental Showcase" which took over Jackie Gleason's early Saturday evening spot this weekend seemed to have all the characteristics of a typical summer replacement—a program of assorted vaudeville and night club acts under a vague title. It was made in Europe, where production costs are lower, and held together by an American host, Jim Backus of "Gilligan's Island."

"Continental Showcase" turned out to be a happy surprise — an entertaining hour with good talent, off-beat backgrounds and very good camera work. Did Ed Sullivan ever show the Buckingham Palace guard band playing a zippy, jazzy tune?

In addition to British soldiers swinging in their fur hats, there was an effective folk-singing team from Israel, France's popular singing star Gilbert Beccaud, and Germany's Kessler twins, who have been seen often on American television. There was an unusual version of a "West Side Story" dance number shot in the formal gardens

of a Munich castle.

Occasionally the synchronization of a musical number with the lips of the singers was something less than perfect, but that has happened in more pretentious shows made on Hollywood sound stages, too.

The comedy numbers fared less well, and Backus could have been more effective if he had just stayed with introducing the acts.

NBC's "Politics: The Outer Fringe" Sunday night was a one-over-lightly treatment about the radical right and left. It moved over an extremely broad canvas, from Gus Hall of the Communist party on one hand to the Ku Klux Klan and the Minutemen on the other.

Between time limitations, the size of the subject and, one suspects, some difficulty in lining

## Asks Denial Of MoPac Bid

CHICAGO (AP) — The Interstate Commerce Commission has been asked by the Santa Fe Railroad to dismiss an application by the Missouri Pacific Railroad and the Mississippi River Corp. for permission to gain stock control of the Santa Fe.

In a petition filed during the weekend, the Santa Fe said the May 31 petition should be thrown out because it was misdirected and lacks substance.

The ICC, Santa Fe said, was relieved of responsibility for planning national consolidations by the Transportation Act of 1940. This act put the burden for initiating rail realignments upon the carriers.

The Santa Fe motion, in part, said: "The evident purpose of Missouri Pacific (Corp.) and MOPAC, is to employ a unilateral stock control application as a means of forcing upon both the ICC and the Santa Fe a plan which applicants regard as an appropriate basis for restructuring the railroad systems of the West."

MOPAC's purpose, Santa Fe said, is evident because of an additional petition filed May 31 to have its application heard with the proceedings now under hearing in the proposed merger of Rock Island with Union Pacific.

Mississippi Corp. and MOPAC do not have the financial capability to accomplish the transaction they asked the ICC to approve, and the application also did not indicate any agreement was concluded with the Santa Fe board of directors or the Santa Fe stockholders prior to the filing of the application, Santa Fe said.

up interviewees, the program was not too satisfying. The subject could stand some penetrating treatment.

CBS will follow its "Death of a Salesman" with two dramatic treatments next season — Tennessee Williams' "The Glass Menagerie" and Arthur Miller's "The Crucible." Both will be two-hour treatments.

NBC has signed up the same production team to present a two-hour adaptation of "Othello" with Sidney Poitier in the title role.

"Petticoat Junction" fans must have noticed when the show returned last September that two of the three daughters in the CBS comedy series were new faces. Next September, the part of Billie Jo will be taken by a third actress, Meredith MacRae, daughter of Gordon and Sheila MacRae.
