BIG SPRING DAILY HERALD

Off To Sunny Antigua

Mrs. Jacqueline Kennedy with her son, John Jr., 5, left, and daughter, Caroline, 8, light coat, leaves her Fifth Avenue apartment in New York for a jet flight to the Caribbean island of Antigua for a week-long holiday.

They are accompanied by the children's governess, Francois Getzenorf, and a friend of Caroline, identified only as C. Nelson. (AP WIREPHOTO—Copyright by News Syndicate Co., Inc.)

'Death Of A President' Hearing Set Thursday

NEW YORK (AP) — A Supreme Court justice today set a hearing for Thursday at the request of the publishers of "The Death of a President" in Mrs. John F. Kennedy's suit to block its publication.

Counsel for the ailing author, William Manchester, asked that the hearing, as it applies to him, be put off until Jan. 16.

Justice Saul Streit granted both requests.

Edward S. Greenbaum, counsel for the publishers, Harper & Row, demanded the Thursday hearing date.

Outside the court, Greenbaum said no hitch has developed in the negotiations with Mrs. Kennedy's representatives. Negotiations were canceled Monday when Manchester was taken to a hospital in Connecticut suffering from pneumonia.

'WON'T COMMENT'

Simon H. Rifkind, Mrs. Kennedy's chief counsel, asked about the publisher's insistence on a Thursday hearing, said: "I don't quite understand it, but I won't comment."

Asked how close the parties were to an out-of-court agreement, he replied: "The solution has not been found."

Greenbaum, Rifkind and Carlton Eldridge, attorney for Manchester, conferred with Streit in his chambers for more than an hour before they went to an open courtroom, where the motions for delays were heard.

The defendants had been ordered to show cause today why they should not be barred from bringing out Manchester's 300,000-word account of the assassination of President John F. Kennedy.

NOT POSSIBLE

Earlier, Rifkind had said: "I have no grave objections to putting the matter over as long as necessary. I'll make that very clear. Counsel for Manchester needs the views of his client and that's not possible now."

Negotiations on trimming passages that Mrs. Kennedy considers intimate beyond the interest of history continued Monday. More talks — a Kennedy spokesman said they "are going

along well" — were scheduled for today.

PACT OKAYED

Mrs. Kennedy has already reached a settlement on deleting sections of a 60,000-word extract of the manuscript that Look magazine plans to serialize beginning in the issue which reaches newsstands Jan. 10. The book is scheduled for publication in April.

The literary and legal maneuvering came against a background of Manchester's illness, a White House statement denying comments attributed to the President by Newsweek magazine relating to the assassination, and Mrs. Kennedy's departure with her children for a holiday on the British West Indies island of Antigua.

Manchester was ordered to remain in the hospital for at least a week after his admission early Monday morning with what his physician called "a

slight touch of pneumonia."

Tracy barred telephone calls of "an emotional or controversial nature" to Manchester. The doctor said he has been "confused and depressed" for the past few weeks.

Manchester, picked by Mrs. Kennedy to write a definitive account of the assassination, was accused in the lawsuit filed by the president's widow of breaking his contract by offering his manuscript for publication without her approval. Some passages in the text, she said, contained material constituting an invasion of her privacy.

President Johnson, meanwhile, asked that his staff not discuss the book or the controversy around it, following a Newsweek report that the President's recollections of his succession varied sharply with those said to appear in the still unpublished text.

Verdict Returned In Herbert Death

Suicide has been ruled in the gunshot death Christmas morning of Joe D. Herbert, 48, Big Spring, president of Delta Electric Corporation. Walter Grice, justice of the peace, issued the verdict Tuesday.

Herbert, shot in the temple with a .22 calibre pistol, died about 9 a.m. Dec. 25 in the Hall-Bennett Memorial Hospital. He had been shot in his office at the Delta Electric on the Snyder highway about half an hour earlier.

Chief Deputy Sheriff Lindy Oldfield, who with Deputy Sam Roberts investigated the case with Grice, said the shooting was witnessed by Merlin L. Ainsworth, 41, brother-in-law of Herbert.

ALERTED BY PHONE

Oldfield said that he was informed by Mrs. Herbert and by Ainsworth that Herbert had left his home at 1900 Alabama, early Christmas morning. He had gone to the shop and Mrs. Herbert said he telephoned her that he intended to kill himself. She sent Ainsworth to the shop.

Ainsworth said he found the place locked but was able to get into the building through a window. He found Herbert, he said, asleep at his desk with a .22 pistol in his hand.

Ainsworth said he reached for the pistol and Herbert awakened. They struggled over the pistol and Ainsworth wrestled it from Herbert. Herbert demanded the pistol back. Ainsworth finally placed it on the desk. He said Herbert picked it up, sat down at his desk, raised his feet to the top of the desk and then placed the pistol to his temple and pulled the trigger.

CHECKS OUT

Oldfield said this was the position in which he found Herbert when he reached the scene shortly after 8:30 a.m. He said that he took Ainsworth to Midland for a poly-

graph test and that the operator told him the brother-in-law's account was true.

Funeral rites were held at 2 p.m. Tuesday for Herbert in the Nalley - Pickle Rosewood Chapel with the Rev. Byron Orand, pastor of College Baptist Church, officiating. Graveside rites were conducted at Trinity Memorial Park by members of the BPOEiks Lodge.

Mr. Herbert was born Aug. 11, 1918 in Bell County, Texas and moved to Big Spring from San Angelo to organize Delta Electric Corporation, a manufacturer of oil field electric pumping control equipment. Prior to coming here, he had worked for 14 years with the Electric Service Company in San Angelo.

WWII VET

He was a veteran of World War II, having entered the USAF Jan. 14, 1941 as a private and being discharged in 1948 as a flight officer. He saw service in Africa and was with the 45th Bomber squadron of the 4th bomber group. After having flown his allotted missions over the Hump, he was shot down over India. He had been cited for meritorious service.

Surviving are his wife, Dorothy Herbert, Big Spring, two daughters, Mrs. Jo Ann Ayers, Austin, and Denise Herbert, Big Spring; a step-son, Mike Craddock, Big Spring.

He also leaves his mother, Mrs. Joe Z. Herbert, Dublin; four brothers, Robert M. Herbert, Odessa, W. W. Herbert, San Angelo, C. V. Herbert, Hamilton, John Herbert, Austin; five sisters, Miss Annie Herbert, Dublin, Mrs. Edna Greer, Rockport, Mrs. Otto Mund, Clyde, Mrs. Reba Fritchof, Austin, and Mrs. Willie Anderson, Austin; also four grandchildren. Pallbearers were Tom Lambert, Tom Ormstead, R. L. Tollett, Frank Watson, J. R. Corbell and W. W. Jackson.

U.S. Cavalrymen Stem Red Regulars Attack

Bad Blizzard Chills Texas

By The Associated Press

A blizzard spilled into the Texas Panhandle today, dumping up to eight inches of snow along the Texas-New Mexico line and putting an icy sheen on highways.

A deadly pattern of weather held Texas in its grasp, with snow and ice coating highways in the Panhandle and rain, fog and drizzle holding sway in the rest of the state.

Rain-slicked highways in South Texas accounted for several traffic deaths Monday and fog was a factor in at least one.

More than four inches of snow piled up in Dalhart and school children, on their Christmas vacation, took to their yards and play areas to build Texas' first

snowmen of the winter season. The Weather Bureau extended the blizzard warnings to encompass the Red River Valley area.

STRONG WINDS

Strong northerly winds piled up drifts in the upper Panhandle. Amounts of more than eight inches were reported between Dalhart and Clayton, N.M., some 45 miles to the west. Overnight low temperatures ranged from Dalhart's icy 16 degrees to a warm 64 at Brownsville.

Light snow fell at El Paso before dawn and thundershowers roamed the extreme northeastern section of the state.

Tyler had the most rainfall overnight with .44 inches. The Department of Public Safety at Amarillo reported all highways still passable during the early morning hours, but warned that driving was a hazardous proposition.

SNOW TO SPREAD

Amarillo had 1.5 inches of snow on the ground with a mixture of rain, snow and drizzle cloaking a wide area around the Panhandle city.

The U.S. Weather Bureau warned of near blizzard conditions and heavy snow for the Panhandle through tonight, with the snow expected to spread south across Northwest Texas. The fog cloaked airports, but there was no disruption of air travel at the end of the busy holiday travel season.

Forecasters said rain would continue across the rest of the state tonight, with skies beginning to clear from the west Wednesday.

The Weather Bureau said low temperatures would range from one-digit readings in the Panhandle tonight to the 40s along the coast. The southern portion of the state was expected to escape the bite of the new cold air mass.

Outlook Is For Freezing Rain

Weather forecast for Big Spring area calls for light drizzle this afternoon, turning to freezing rain and light snow late today.

The snow should continue intermittently Tuesday night terminating early Wednesday. The temperature will drop into the lower 20's tonight. Gusty winds on Wednesday and cloudy skies will keep the temperature down and make the day even colder than Tuesday.

The Weather Bureau has issued a hazardous-driving warning due to the freezing drizzle on roads.

TRAGEDY FAILS TO SPLIT HARD LUCK CHILDREN

RACINE, Wis. (AP) — First their parents died in an auto accident, and then their house burned down in a Christmas weekend fire, but the five Rogers girls, ages 2 to 15, and their big brother are sticking together.

Temporarily, they'll live with neighbors and grandparents. But that's only until Richard Rogers, 19, the head of the family, finds a new place they can turn into home.

As flames swept through their frame dwelling in nearby Caledonia, Richard stood barefoot in the snow and said, "The kids had a good Christmas—up until last night."

Just two weeks earlier their father, Richard Sr., 47, and mother, Vivian, 38, died in a two-car crash. Richard Jr. insisted on keeping the girls together.

"I thought it would be best. I didn't want them to split up," he said.

Barbara, 15, Patricia, 11, Deborah, 8, Lisa, 5, and Sue Lynn, 2, wore only their pajamas when fire drove them from the house. Some Christmas gifts, a Christmas tree, two beds and a chair were saved, but many other belongings including most of their clothing and \$200 in cash burned.

"We still haven't got the bills straightened out since my parents got killed," Richard said. "I guess we'll just have to go on day to day now until I know what's what."

Richard had earned \$100 a week as a laborer at a metals firm while attending high school in Racine. He generally cared for the younger children for part of the day until his sisters could take over.

U.S. Businessmen More Optimistic

WASHINGTON (AP) — Businessmen have become more optimistic in the last three months about the 1967 economy, reports a business magazine.

Forty-one per cent of executives answering a poll by Nation's Business now predict improved conditions next year. Three months ago 30 per cent saw improvement.

Lucy Longingly Laments Leftovers

Lucy the basset hound looks sadly at the remains of the Christmas turkey devoured by her family, the James Hewells of Norcross, a suburb of Atlanta, Ga., as prospects dimmed for a meal of leftovers. (AP WIREPHOTO)

578 LATEST COUNT

Yule Death Toll Drops Far Below Record Mark

By The Associated Press

The nation's Christmas weekend traffic death toll fell far below the all-time high mark set a year ago—and broke a trend of nine successive holiday records.

Tabulations today showed the total for the three-day yuletide celebration was 578. This compared with a nonholiday count of 391.

The Christmas holiday count didn't come close to the National Safety Council's advance estimate that between 650 and 750 Americans might die in motor vehicle accidents. A total of 720 fatalities was

recorded during the Christmas weekend in 1965.

TRAVEL SLASHED

A safety council spokesman said a weekend snowstorm which covered a broad swath of New England kept perhaps a million motorists at home, cutting travel and accidents.

Nevertheless, fatalities far outnumbered those of a nonholiday period of similar length. The Associated Press surveyed traffic accident death from 6 p.m. (local time), Friday, Dec. 9, to midnight Monday, Dec. 12. The count of deaths then was 391.

Officer Says He Felt Just Like Custer

SAIGON, South Vietnam (AP) — A battalion of North Vietnamese regulars overran positions of about 170 U.S. cavalrymen in the Crow's Foot area near the central coast before dawn today and inflicted heavy casualties, but finally broke and fled under intensive American fire.

Cavalrymen sweeping the battlefield at dawn found 52 enemy bodies and 44 fresh graves. Some of these men of Hanoi's 22nd Regiment, 610th Division, evidently were killed by Communist fire when they ran into a trap set in the hope that Americans would do the running.

The Americans were about 60 troopers of C Company, 1st Battalion, 12th Cavalry, 1st Cavalry, Airmobile, Division, and 110 artillerymen from two batteries totaling 10 howitzers. The artillerymen fired at point-blank range to help stem the onslaught.

SATCHEL CHARGES

About 250 of the estimated 600 enemy regulars — apparently positioned during the two-day Christmas truce — slashed into the egg-shaped American perimeter at two points in the initial attack. They knocked out one 105mm Howitzer with mortar fire and damaged two others with satchel charges. They dropped a grenade down the barrel of a 155mm piece, but it was a dud. The Americans were driven into a ring only 30 yards wide.

LIKE CUSTER

"I felt like Custer," said one of the artillery officers, Lt. Michael C. Livergood of Billings, Mont.

Air strikes, fire from a cavalry platoon on high ground nearby and shells from artillery at a landing zone three miles away helped to break the attacks.

The action was the major combat on a day which also brought an assassination attempt against a leading South Vietnamese politician in Saigon and three raids by B52 heavy bombers against Communist positions in South Vietnam.

CAR TOSSED

Dr. Phan Quang Dan, 48, a liberal politician and a member of the Constituent Assembly drafting a new constitution, was wounded slightly today when an explosion threw his car up on the curb as he was driving home. He told newsmen he did not know whether the blast was caused by a device attached to his car or whether something was thrown from the roadside. Five Vietnamese bystanders also were wounded, two seriously.

Three weeks ago another leading South Vietnamese politician, Tran Van Van, was shot and killed by two terrorists as he drove in a Saigon street.

SHIPS UNLOADED

In other developments: U.S. planes followed up the Christmas truce with a speedy resumption of the air war against North Vietnam and strikes Monday only 12 miles from the center of Hanoi.

In Washington, the Defense Department responded to New York Times reports from Hanoi of civilian casualties and damage from the American raids with an admission that civilian areas of the Communist north have been damaged. But once again the department said only military targets had been scheduled for attack.

U.S. troops took over the unloading of ships in the port of Saigon because of a strike by 2,500 Vietnamese dock workers.

PESSIMISTIC

A U.S. spokesman said an American stevedore battalion unloaded 1,703 tons of cargo, close to the usual daily average.

Evangelist Billy Graham left for the United States after an eight-day Christmas visit and said he is pessimistic about an early end of the war. "It is a complicated, confusing and frustrating war," Graham said. "I don't see an early end to it."

The heavy fighting near Bong Son swirled around a helicopter

TEXANS AT WAR

Still Able To Smile Despite Loss Of Legs

By The Associated Press
Spec. 4 Freddie Lee Corley, a Texan at war, lost both his legs to a mine in Vietnam while trying to protect others from the same menace.

Corley, 19, of Seguin, was with six other men walking carefully through a minefield near Phoc Binh. "Our mission was to spread gasoline over the area, set it afire, and explode the mines," he says.

MINE EXPLODES

He was walking next-to-last in

single file, carrying a five-gallon gasoline can. Corley stepped on the same spot the five men before him had trod, the mine exploded.

"I stepped on it with my left leg," said Corley from his hospital bed at Brooke Army Medical Center in San Antonio.

"It blew to the right and got my right leg. It blew my left leg off altogether. My right leg was shattered. I lost them both below the knee," said Corley.

NOT SORRY

"I'm not really sorry I had to go to Vietnam," said Corley, who had been a mortar man until the mine explosion. He'd been in Vietnam only a month before he was wounded.

"I just had bad luck, is all I can say," he said. He had no explanation for the mine's failure to explode before he reached it. The blast wounded two others, but not as badly.

"It could have been worse," said Corley, almost with a smile. "The gas can didn't explode."

Snowstorm Ties Traffic

By The Associated Press
The second big snowstorm of the new winter whipped into the Midwest today after dropping up to two feet of snow in the southern Rockies.

Warnings of heavy snow and near-blizzard conditions went out to the area between northern New Mexico and northern Missouri and southern Iowa.

Notices of hazardous-driving conditions were issued for Missouri, Oklahoma, Nebraska, southern Iowa, Illinois and most of Indiana.

Skies began clearing in the Gallup, N.M., district. A foot of snow had piled up at the Gallup airport and seven inches in Las Vegas, N.M.

Highways in northern New Mexico that had been closed during the night were opened to day. But state police reported snow in the Santa Rosa area on US 66 was slowing east-west traffic.

The Weather Bureau reported that snow in the southern Rockies measured up to two feet.

Moving eastward, the storm tossed snow on Kansas, western Missouri and western and central Nebraska.

Three inches of snow fell in six hours in Garden City and Salina, Kan.

Light snow fell in the Great Lakes region.

Cold weather stretched across the North and reached deep into the Southeast.

Temperatures dropped early in the day to -20 in International Falls, Minn., -18 in Grand Forks, N.D., and -3 in Burlington, Vt. Jacksonville, Fla., had a low of 33 above zero.

Six to eight inches of snow fell between Dalhart, in the Texas Panhandle, and Clayton, N.M.

Rain slicked roads south of the snow zone.

In the East, snow flurries persisted near the Great Lakes and in the northern Appalachians. Binghamton, N.Y., received an inch in the six hours before midnight, bringing the ground cover there to seven inches.

Subzero cold persisted in North Dakota and near the Canadian border of Minnesota. It was mild in the far South.

Six to eight inches of snow fell between Dalhart, in the Texas Panhandle, and Clayton, N.M. Dalhart police reported traffic from the New Mexico side almost at a standstill. Visibility was very low due to driving snow. Roads and highways were icy. The rest of Texas was blanketed by rain, drizzle and fog.

Grand Forks, N.D., had -16. The sudden storm development in the Southwest Monday night hit northwestern New Mexico with 45 to 50 mile winds, causing minor damage.

Some 200 travelers were stopped on New Mexico 44 south-east of Farmington by blowing and drifting snow. Traffic on interstate 40 at the Continental Divide east of Gallup was held up about three hours after a tractor-trailer truck jackknifed. Motels in Gallup filled up as motorists sought haven.

Chill weather spread to the Northwest coast where the mercury dropped to the freezing mark, 32. In much of the East and West, skies were clear or partly cloudy.

Drifter Named As Teen Rapist

HOUSTON (AP) — Harris County authorities asked a two-state lookout today for the 28-year-old drifter named by a 16-year-old girl as the man who raped her, choked her, slashed her throat and left her for dead last Thursday night.

She identified James Oscar Sayres as her attacker when she looked at a picture of him. Charges of rape and assault on murder were filed against the missing Sayres Monday in the court of Justice of the Peace J. W. Mahan of Tomball.

The sheriff's office said Sayres was last seen some 24 hours after the attack, checking out of a downtown hotel and walking towards a bus station. He has served time in Tampa, Fla.; Farmington, N.M.; Miami Beach and San Francisco.

The 16-year-old attack victim was released from the hospital Saturday.

UF Trustees Called Jan. 9 On Allocations

A special meeting of United Fund trustees has been called for Monday, Jan. 9, to determine allocation of funds for 1967 to participating agencies.

M. R. Koger, president, called for full attendance, since serious financial problems are involved. The United Fund this past fall sought \$139,800, ended up with a little over \$105,000, or about 72.5 per cent. Distribution to agencies will have to be calculated in view of income anticipated.

The meeting will be at the Chamber of Commerce offices on Jan. 9 at 5 p.m.

U.S. Bombing Attacks Kill Civilians

NEW YORK (AP) — U. S. bombing raids along rail and highway supply routes near Hanoi have killed civilians and severely damaged residential areas, Harrison E. Salisbury, an assistant managing editor of the New York Times, has reported from Hanoi.

Some villages and hamlets have been "almost obliterated" by the American attacks "but the effect on transportation has been minimal," Salisbury said in a dispatch in the Times today.

In another dispatch, Salisbury said he visited Nam Dinh, 50 miles southeast of the North Vietnamese capital, on Christmas Day and found block after

block of "utter desolation." He said 89 people have been killed and 405 wounded by raids there.

He also reported that raids Oct. 1, 2 and 9 killed or wounded 40 persons and destroyed every house and building in Phu Ly, a town of 10,000 about 35 miles south of Hanoi. Nearly all the population had been evacuated.

HANOI CASUALTIES

He reported earlier that his personal inspection indicates U. S. bombing has been causing "considerable civilian casualties in Hanoi and its environs for some time past."

The Defense Department in Washington, asked for comment

on Salisbury's reports, acknowledged that civilian areas have been damaged by the U. S. bombing of North Vietnam but said "all possible care is taken to avoid civilian casualties."

Reiterating that U. S. policy is to strike at "North Vietnamese military targets only," a Pentagon statement said: "It is impossible to avoid all damage to civilian areas." Officials said both Nam Dinh and Phu Ly were "loaded" with anti-aircraft batteries and missile-firing positions.

Salisbury said his Christmas Day tour of Nam Dinh was interrupted by a 21-minute air raid alert, and that Tran Thi

Doan, the city's 40-year-old woman mayor, told him there had been 51 raids on her city up to Dec. 23.

'AGAIN AND AGAIN'

He reported the old French Highway 1 between Saigon and Hanoi runs almost parallel to the main railroad over flat land and would appear to be a bombardier's dream target but is not.

"The railroad and highway have been bombed again and again, but it is doubtful that rail traffic has ever been held up more than a few hours, and the highway seems capable of operating almost continuously regardless of how

many bombs are dropped," Salisbury wrote.

He said the railroad can be repaired quickly because it uses small, light equipment and enough repair materials "probably sufficient to construct two or three additional railroads are kept on hand, seldom more than a few hundred yards from any possible break."

He said the highway was even more easily repairable.

He arrived in Hanoi Friday from Phnom Penh, the Cambodian capital, after the State Department validated his passport for travel to North Vietnam and the North Vietnamese granted him a visa.

J. A. Yates Dies Sunday

John Albert Yates, 85, who had resided southwest of Big Spring, died at 7:30 p.m. Sunday in a rest home in Colorado City.

Services were to be held at 4 p.m. Tuesday in the Nalley-Pickle Rosewood Chapel with Elder B. R. Howze, his pastor at the Primitive Baptist Church, officiating. Burial was to be in the Trinity Memorial Park. Pallbearers were to be Glenn Brown, D. W. Day, John Ratliff, Grant Riggan, Alton Lewis and Roy Bates.

Mr. Yates was born Dec. 12, 1881 in Chambers County, Ala., and came to Texas in 1902. He moved to Martin County in 1924, then on to Howard County in 1946 and farmed until he became associated with the Big Spring school system as a custodian. He retired from this in 1956.

Surviving him are several nieces and nephews, including Denver Yates, Big Spring.

Tuesday Services In Valley Mills For Mrs. Meador

Mrs. Maggie Meador, 88, resident of Bennett House, died at 7:05 a.m. Sunday.

Last rites were said at 10 a.m. Tuesday in the First Methodist Church at Valley Mills, and burial was in the cemetery there under direction of Krueger Funeral Home of Valley Mills. Local arrangements were handled by Nalley - Pickle Funeral Home.

Mrs. Meador was born Maggie Bryan, Sept. 26, 1878 in Bosque County, Texas. She was married in 1898 in Bosque County to Thomas S. Meador, who died in 1944. Mrs. Meador was a life-long member of the Methodist church.

Surviving her are a son, Jim J. Meador, Coahoma; one daughter, Mrs. L. A. McClanahan, Snyder; a brother, John Bryan, Meridian; a sister, Mrs. Winnie Neil, Valley Mills; six grandchildren; 12 great-grandchildren; and one great-great-grandchild.

Thieves Take It Easy On Yule

Thieves and burglars, for the most part, relaxed their trade during the Christmas weekend, with only three incidents reported since Saturday.

Gary Jeter, 1814 Benton, reported his car stolen from the Ritz Theatre parking lot, but police found it soon after on the West Phillips 66 parking lot.

Marquez Place, 401 NW 4th, was burglarized and some \$50 taken from the music box. John P. Stanley, 406 1/2 Dallas, reported some \$30 in coins taken from his house.

Draws Fine

Alejandro Flores Guzman, charged with the unlawful possession of a pistol, was fined \$100 and costs when he pleaded guilty in Howard County Court Tuesday morning. Dee Jon Davis, county attorney, recommended the sentence.

Claims Hero Nephew's Body

The body of Army Sgt. Richard Campos, an orphan killed in action against Viet Cong, was claimed yesterday by his uncle, John Campos, center, a field farm hand from Marysville, Calif. Campos, above, is shown as he left the Army Presidio at San Francisco where he presented baptismal proof of his relationship to Sgt. Campos. The body of the Army sergeant has lain for two weeks in a metal container at Oakland Army Terminal pending location of next of kin. The uncle was discovered Sunday by a reporter in a shabby Sacramento, Calif., hotel. (AP WIREPHOTO)

E. L. Bynum Rites Held

E. L. Bynum, 76, long-time farmer in the Center Point community, died in a hospital here at 9:30 p.m. Sunday after an illness of two weeks. Services were held at 3 p.m. Tuesday at the River-Welch Funeral Home Chapel with the Rev. Leo K. Gee, pastor of the First Methodist Church, officiating. Burial was in the Trinity Memorial Park with Masonic rites at the grave. Mr. Bynum was born Dec. 23, 1890, in Bell County, Texas, and he moved to Howard County in 1931 from Snyder, Okla., settling in the Center Point community. He was married March 21, 1928, in Snyder, Okla., and Mrs. Bynum died earlier this year on March 21.

He was a member of Staked Plains Masonic Lodge 598, Big Spring Chapter 178 RAM, Big Spring Council R&SM 117, Big Spring Commandry 31 KT, and also a member of the Shrine. Mr. Bynum for many years served as an election judge in the Democratic primaries and general elections. Surviving are two daughters, Mrs. Milton Farmer, Pearlman, and Mrs. Del Doyle, Amarillo; one son, W. A. Bynum, Big Spring; two sisters, one of whom is Mrs. Kay Brooks, Big Spring. He also leaves 12 grandchildren and one great-grandchild. Pallbearers were Alden Ryan, Raymond Andrews, J. H. Fuller, Don Karns, Winston Kilpatrick, Clyde Denton, L. B. Murphy, and Howard Loyd.

3 ♣ Pass 4 ♣ Pass
5 ♣ Pass Pass Pass

Opening lead: Queen of ♥
Failure by East to take charge at the outset proved fatal to the defensive cause in today's hand where South was the declarer at a five club contract.

West opened the queen of hearts, the five was played from dummy and East signaled encouragement by dropping the ten. West continued with the jack of hearts which was ruffed by the declarer.

South led the queen of clubs, however, when West followed with the deuce, the finesse was refused and the ace was played from dummy. The king of hearts was re-

turned and South ruffed away East's ace.

The jack of clubs dislodged East's king and drew the outstanding trump. East had no hearts left, so he returned a spade. North won the trick with the king and continued with the jack. Declarer overtook and cashed his spade honors, discarding two diamonds from dummy. The ace of diamonds provided a parking place for North's remaining red card, and high clubs took the balance of the tricks. Declarer lost, in all, one club and one heart.

East was guilty of negligence in failing to take the proper measures to assure the defeat of the contract. He is looking at nine diamonds between his hand and the dummy, and it is a cinch that South has the remaining four cards in the suit by virtue of his opening bid. Since West is, therefore, marked with a void in diamonds and East can expect to take book for his side with the ace of hearts and the king of clubs, he should grab the lead without delay to make certain of giving partner a diamond ruff.

While it is true that overtaking West's queen of hearts with the ace may cost a trick if South started with two hearts, that is a small price to pay for the assurance of defeating the game contract.

'Shoot Me Daddy'

GRIFFIN, Ga. (AP) — Denise Marie Sanders, 7, ran up to her father and said teasingly, "Shoot me, Daddy."

A few hours later she was dead. The gun her father had held was not a weapon loaded with blanks, as he had believed, but a similar gun, loaded with live ammunition.

Sheriff Dwayne Gilbert said the coroner ruled that the slaying was an accident, and no charges will be filed.

The holiday tragedy occurred Monday at the home of Chester Wright, where Mr. and Mrs. LeRoy Sanders of Griffin, and their daughter, Denise, were visiting.

Spalding County Deputy Sheriff Gray Finson said Wright had two 22-caliber pistols, one loaded with cartridges and the other with blanks.

Cuba's Red Guards Reported On Move

MIAMI, Fla. (AP) — Recently created shock troops described by exiles as similar to China's Red Guards are reported on the move in Cuba. The units, officially called Youth Technical Brigades, reportedly have the dual role of

serving as technicians in industries and on farms and making certain the workers are good producers and good Communists. The official Havana newspaper Granma, which reaches some exiles, quoted Cuban Labor Confederation Secretary General Miguel Martin as describing the brigades as "a shock troop against indolence, disorganization and lack of discipline."

CHINESE COPIED
Mario Fontela, secretary general of the Miami-based Democratic Revolutionary Labor Front, an anti-Castro labor organization, said brigade members wear blue shirts, work trousers and a holster with a revolver.

"Fidel (Castro) imitated the Chinese in forming the same type of groups as the Red Guards," Fontela said. "The functions are the same — over-

come the rebellion of the workers."

MILITARY TRAINING
Castro said in a speech monitored here Dec. 18 that young farm technicians receive military training. He told a graduating class in Havana: "This is a youth group that has received military instruction, that constitutes units for defense of the country." Castro did not mention the brigades by name.

A Havana radio broadcast monitored Nov. 14 quoted Martin as listing 761 brigades in Cuba, with more being formed. The membership was placed at 8,103. Brigades were reported functioning at industrial, farm and other centers.

Loyan Walker Is Leaving WTCC

Loyan H. Walker, for the past 14 years manager of the farm and ranch department of the West Texas Chamber of Commerce, has resigned from the staff, according to Jack G. Springer, executive vice president. Walker will devote most of his time in the future to looking after his farm and ranch interests in Bosque County and to real estate sales. Springer praised the service Walker has given the area.

Brother Of Gus Hart Dies, Rites Held In Abilene

Funeral services were held at 2 p.m. Tuesday at North's Memorial Chapel in Abilene for James Benjamin Hart, 58, who died in Abilene on Christmas Day following an extended illness. Burial was to take place in the Elmwood Memorial Cemetery.

The deceased was a brother to A. C. (Gus) Hart of Big Spring, who planned to attend the last rites along with Mr. and Mrs. John W. Garrison, Big Spring.

Born Sept. 18, 1888, in Athens, Tenn., he moved with his family to Alabama as a small boy. The family migrated to Texas when J. B. Hart was 15, settling in Cross Plains.

Survivors include his wife, the former Mary Eula Eager. They moved to Cisco in 1917 and finally to Abilene in 1930. The late Mr. Hart owned a bakery at one time in Cisco and a grocery store in Abilene. He worked as a carpenter and a painter until about a year ago.

Other survivors, in addition to his wife and A. C. Hart, include two daughters, Mrs. J. F. Armstrong and Mrs. Lillian Hooper, both of Abilene; two granddaughters, three great-grandchildren; another brother, John, Cross Plains; and three half-sisters, Mrs. Eva Huntington, Abilene; Mrs. W. A. Foster, Cross Plains; and Mrs. Ray Frye, Cisco.

Former El Paso Police Chief Dies

TERRELL, Tex. (AP) — Funeral services were scheduled at 2 p.m. for Walter Roy Vinson, veteran Texas peace officer.

Vinson, 68, died yesterday. He had lived at Dickson Cove on nearby Lake Tawakoni since his retirement several years ago.

Vinson started his career as a law officer in Corsicana and was a policeman at Waxahachie and served with the Texas Rangers before serving 20 years as chief of the El Paso police.

Actor-Writer Dies

HOLLYWOOD, Calif. (AP) — The death of actor-writer Robert Keith, 68, last Thursday was disclosed today by his family.

MRS. CHARLES MAX FRY

Say Vows In Lubbock Rites

At 4:30 o'clock on Monday afternoon, Dec. 19, Miss Jo Anne Sherwood became the bride of Charles Max Fry in a double ring ceremony at St. John's Methodist Church in Lubbock. The Rev. Mark B. Williams performed the ceremony.

Parents of the couple are Col. and Mrs. Joseph H. Sherwood Jr., 2506 58th St., Lubbock, and Mr. and Mrs. Charles Fry, 1713 Jackson, Amarillo.

In the absence of her father who is serving with the United States Air Force in the Philippines, the bride was given in marriage by her uncle, Walter E. Fowler of Houston. She wore a winter white woolen suit, accented with satin trim and carried a bouquet of white roses. Her small hat was of satin and white mink tails.

Miss Betty Jane Sherwood was her sister's attendant. Her suit was of green wool, and her bouquet was of red roses. Charles Fry served as best man for his son, and ushers were Steve Sherwood and Joseph H. Sherwood III.

Nuptial music was furnished by Mrs. Champ Rainwater, and a reception following the ceremony was held at the home of the bride's parents.

Mrs. Fry is a graduate of Rice University, Houston, and is a teacher at Johnston Junior High

Sewing Club Reveals Secret Pals

FORSAN (SC) — Mrs. Lois O'Barr Smith was hostess for Christmas party for members of the Pioneer Sewing Club. Secret pals were revealed and gifts exchanged. Twelve members and guests, Mrs. Eugene Smith, Mrs. A. M. Burns and Mrs. J. D. Leonard, Big Spring, attended.

Mr. and Mrs. Danny Wash, Waco, are guests of his parents, Mr. and Mrs. C. V. Wash, and Mr. and Mrs. Paul Gordon of Knapp.

Mr. and Mrs. Paul Kennedy and Mrs. Don Murphy were recent visitors in Crane.

Mr. and Mrs. M. M. Fairchild's holiday guests were the Dan Fairchilds and the Larry Digbys, all of Odessa; and Mr. and Mrs. Leo Parker, Mr. and Mrs. Jackie Howard and Mrs. P. P. Armstrong, all of Big Spring.

Mr. and Mrs. Leon Ward have returned from a visit with his parents, Mr. and Mrs. Shelton Ward, of Paris, Texas. Their holiday guest is her brother, Sammy Simmons, Shepherd AFB, Wichita Falls.

Mr. and Mrs. L. T. Shoultz has returned from Abilene where she visited her son-in-law and daughter, Mr. and Mrs. C. L. Girdner Jr.

Mr. and Mrs. J. W. Griffith are in El Paso for a visit with Mr. and Mrs. Bob Sledge.

Mrs. Mary Archer's guest recently was Donovan Phipps, El Paso.

A LOVELIER YOU

Overweight Menaces Our National Health

By MARY SUE MILLER

Some ten years ago, authorities reported overweight as a major menace to our national health. Since then reams of expert advice on controlling weight have been distributed.

Still a new report shows that overweight has in no way diminished. Indeed it flourishes, in spite of girls and women who constantly try to reduce.

What possible explanation can there be? It is not as though we do not know the main cause of overweight. As always, it's overeating and insufficient exercise.

The instances of obesity from other causes are extremely rare. And most of them have not been proven out. The belief, for instance, that you inherit weight has not been substantiated. More likely, what's passed down are your family's fattening recipes and eating habits.

Besides knowing the cause of cure, and that is more than can be said for many other health problems. Yet how many of us take the cure, the full treatment?

Most of us take half measures. We diet in a hit-or-miss fashion. If we exercise at all, our program is haphazard. We are motivated, ten to one, by appearance reasons. Health is seldom the incentive. And right there you have the clue to so

many reducing failures. For success you must follow a healthful diet and exercise program. That word "healthful" is the key. For without health there is no beauty.

FIGURE SECRETS

What's your figure problem? To achieve figure attractiveness send for my booklet, "Secrets of a Lovelier Figure." It contains easy ways to reduce weight and proportions to overcome grooming problems, such as freckles and blemishes; to move with grace and poise. For your copy write to Mary Sue Miller in care of the Big Spring Herald, enclosing a long, self-addressed, stamped envelope and 25 cents in coin.

NEUTRAL OR CLEAR TONES

Decorative '67 Colors Available For Painters

Decorative wall colors will be taking new directions in 1967, ranging from neutrals to clear, deep tones. The trend is seen in such shades as Seascape, Olive Mist, Heirloom Gold, Burnt Orange and Chocolate that strike the keynote in a new collection of 20 new wall paint colors now available from dealers in the Big Spring area.

They are characteristic of today's preferences in home fashions which favor mixing the best of contemporary design with the best of the past, according to Kenneth B. Clark, a local paint store manager.

Describing the new colors, he said, "Seascape is a luminous, somewhat formal blue that is especially effective when used with darker blues, magenta and olive."

"Olive Mist, a light value of the deep tone, can be formal or casual, traditional or contemporary. It is a natural partner for blue and a good companion

for bright floral prints. "Heirloom Gold is the color of an antique coin. It is at home in colonial or federal rooms and equally striking in contemporary settings when sharpened with olive, copper or brown."

"Two exciting accent shades, Burnt Orange and Chocolate, round out this group," the paint merchant concluded. "Our color studios recommend the former as a vivid accent for yellow or olive. They suggest Chocolate, a lustrous brown, would make a stunning background for gilt-framed pictures or a collection of brass."

Fabric Softner

A little fabric softener added to the last water when you launder garments made from synthetic fibers will stop the clinging tendency of such pieces of clothing.

986 Wear Slippers For Television

These crocheted bedroom slippers are for men and women. Pattern No. 986 gives the instructions for making sizes five through 12.

Send 50 cents for Needlework Book. Contains free stole pattern and embroidery and a coupon for free pattern of your choice.

Send 30 cents plus 5 cents postage in coin for this pattern to MARTHA MADISON in care of THE HERALD, Box 1490, New York 1, N. Y. Add 15 cents for first class mail.

Be Wary Of Killers

Take a careful look at some of the harmless looking containers on your kitchen and bathroom shelves. They contain killers!

Some 250,000 common household products are harmful — even deadly — poisons, when used improperly. Commonplace detergents, furniture polish — even certain houseplants — can cause severe illness or death when swallowed. Other house-

hold products, including paints, insecticides and garden chemicals can be harmful when inhaled. For even young visitors have a way of finding the harmless looking cans and bottles where danger lurks. Here are the safety measures:

Man-To-Moon Plan Suddenly Becomes Real

CAPE KENNEDY, Fla. (AP) — To planners steering America's space exploration, 1966 will be remembered as the year the moon suddenly became real.

The conclusion of this nation's two-man Gemini flights and striking photographs of the moon's surface sent back by Surveyor 1 and Lunar Orbiters 1 and 2 cleared the way for the National Aeronautics and Space Administration to move confidently into the Apollo man-to-moon program in 1967.

Space officials hope to launch two manned earth orbital flights during the next 12 months, opening with Apollo 1 in late February or March piloted by Air Force Lt. Col. Virgil I. Grissom and Edward H. White II and Navy Lt. Cmdr. Roger B. Chaffee.

ORBIT SCHEDULED

Later in 1967, a second Apollo earth orbit flight is scheduled in which the astronauts will rendezvous with a spider-legged lunar vehicle like the one U.S. spacemen are to ride to the surface of the moon in 1968 or 1969.

The first monstrous Saturn 5 moon rocket, a 360-foot-tall giant, is to be launched in 1967 with five times more booster muscle than the Saturn 1 that will be used in the early manned Apollo flights.

The emphasis on moon exploration will continue in unmanned space flights during 1967.

FRUSTRATIONS

Three more camera-carrying Lunar Orbiters and three Surveyor moon-landing spacecraft are on the Cape Kennedy launch schedule to scout potential astronaut landing sites and harvest more scientific information about the moon's surface.

While the Soviet Union's manned space efforts remained curiously silent in 1966, the United States launched the last five flights in its two-man Gemini program.

There were frustrations, with the most tragic occurring Feb. 28 when the pilots named to fly Gemini 9—civilian pilot Elliot M. See Jr. and Air Force Maj. Charles A. Bassett II—were killed after their jet training plane crashed in St. Louis, Mo.

OUT OF CONTROL

Troubles continued when Gemini 8, carrying astronauts Neil A. Armstrong and Air Force Maj. David R. Scott, spun out of control shortly after achieving America's first linkup with an Agena target satellite March 16 and forced an emergency landing in the Pacific.

Bad luck persisted on Gemini 9. An Atlas rocket boosting an Agena target satellite broke apart and plummeted into the ocean May 17.

Then two weeks later, Gemini 9 pilots, Air Force Lt. Col. Thomas P. Stafford and Navy Lt. Cmdr. Eugene A. Cernan rendezvoused with a substitute target satellite only to find they could not dock because a protective cover was still attached.

SPACE WALK

Space walk problems encountered by Cernan and the Gemini 11 pilot, Navy Lt. Cmdr. Richard F. Gordon, alarmed project planners. They admittedly underestimated how difficult it is for man to work outside a spacecraft.

But the Gemini 12 pilot, Air Force Maj. Edwin E. Aldrin Jr., aided by new handholds and other restraints to give him leverage previous space walkers did not have, proved that man can work and walk in space.

The Gemini program accomplished "all the things that we had to do as a prelude to Apollo," said Dr. Robert R. Gilruth, director of NASA's Manned Spacecraft Center.

Main Soviet space accomplishments during 1966 were unmanned moon probes. The Soviet Luna 9 became the first spacecraft to gently land on the moon's surface and transmit pictures from there, while Luna 10 became the first satellite to be launched into orbit around the moon from earth.

Junior Rodeo Set For Aug. 10-12

Howard County Junior Rodeo will be set for Aug. 10, 11 and 12, it was announced Saturday.

James Shelton, assistant county agent, said that an agreement had been reached by which the dates for the annual junior show could be announced.

The shows are held in middle summer at the Howard County Rodeo Association Bowl on the west side of town.

The Howard County Rodeo Association rodeo is held in June.

HOWARD RIGGS

Riggs To Head Safeway's Advertising

DALLAS — Howard A. Riggs has been appointed advertising manager of the Dallas division of Safeway Stores, Inc., effective Jan. 9 replacing Ronald Giglio who has been transferred to the firm's Washington D. C. division as advertising manager. Riggs, a native of Portland, Ore., has served as advertising manager of Safeway's Phoenix, Ariz., division since May of 1962.

Riggs is a graduate of the University of Washington where he received a bachelor degree in personnel management. He was a commissioned officer in the United States Navy during the period of 1943 through 1947 and saw service in the supply corps in China and other Far East points.

Riggs started his Safeway career in November of 1948 in the Portland division of Safeway Stores as an employment interviewer. He was recalled into the United States Navy in October of 1952 and saw service as an operations officer in cargo handling battalions in Subic Bay, Philippine Islands. He currently holds the rank of commander in the United States Naval Reserve.

Riggs resumed his Safeway career, after 24 months of naval duty, in Portland, serving in various capacities including Produce Training Instructor and Produce Consultant. In March of 1958 Riggs was appointed a member of the Portland division advertising department staff. He was transferred to Phoenix in May of 1962.

Giglio has served as the Dallas division advertising manager of Safeway Stores since July of 1963. Previously he was the advertising manager trainee in the firm's Oakland, Calif., administrative office and advertising manager of the El Paso division for four years.

Jet Lands On Foam

ATLANTA, Ga. (AP) — A jet airliner with 128 passengers aboard made a safe landing on a foam-covered runway after circling for nearly two hours when a signal light indicated the landing gear had malfunctioned.

The plane had a normal landing Monday and all passengers and seven crewmen aboard the Delta Air Lines flight escaped injury. The DC8 jet was en route from Detroit, Mich., to Tampa, Fla., with a stop in Atlanta.

A Delta spokesman said the landing gear light indicated the gear was not down and locked. He said the pilot, Capt. Jack McMahan of Atlanta, flew by the tower to have the gear checked visually, then made a brief touchdown to make certain the gear was solidly locked.

The fire department spread foam on the 4,000-foot runway while the plane circled again. The landing was normal.

'Great Society' Sixteen Minor Mishaps Occur Over Yule Holidays

WASHINGTON (AP) — Democratic Leader Mike Mansfield set wheels in motion today for a suggested "major re-examination" by the Senate of "Great Society" program and older controversial laws such as the draft, income tax and foreign aid.

Mansfield issued his recommendations for a "thoroughgoing, second look" at major programs from medicare and civil rights to farm subsidies in a letter to the Senate's 17 committee chairmen.

In the 200 block of North Gregg, Edwin F. Behrman, Huntington, N. Y., and Neiber to Gusman, Vincent, crashed. Margaret Behrman was taken to Cowper Hospital for treatment of minor hurts.

The cars of Buddy Jack Knight, 1904 E. 24th, Johnnie Dickson Wright, Coahoma, and Myrna J. Acuff, 3200 Drexel, were involved in the collision at Gregg and Edwards Blvd. Jesus Hernandez, 806 N. Nolan, and Julius Wade Tolbert, El Paso, crashed in the 100 block of West Fourth. Charles Elbert Cox, 1319 Lindburg, struck a sign pole at 2505 US 80 west.

Willie Mae Witt, Box 1842, and Leo Edward Franks, 1506 Cherokee, ran together on the Highway South parking lot. Louise Robinson, West Texas Compress, and Gravel R. Cuellar, Tula, collided in the 600 block of Northwest Fourth.

William D. Carpenter, Boston, Mass., and Nestor O. Licon, Lubbock, ran together at US 80 west and Airbase Road. Alfonso Cortez, Stanton, and Vernon Ripley Smith, 2801 Cactus, collided at Sixth and Nolan. Larry Al Mitchell, 2701 Rebecca, and Willie Belle Heckler, 801 E. 13th, (parked), were involved in the wreck at the latter address.

Patricia S. Billups, Ellis Homes, was involved in the wreck at Northwest Seventh and

Big Spring experienced a relatively safe weekend in Christmas traffic, with no deaths or serious injuries reported in 16 minor crashes.

Saturday, however, two persons were treated at local hospitals for minor hurts received in car wrecks. William E. Bennett, Webb AFB, and Claude Ross Hodnett, Vincent Route, crashed at Fourth and Gregg. Bennett was taken in a letter to the Senate's 17 committee chairmen.

Council Faces Light Session

A relatively brief agenda is on tap this evening for the Big Spring City Commission.

Routine readings of four ordinances will probably dominate the meeting. These include the first reading of an ordinance for a change for property owned by Al Mitchell from Zone 1F-1 to Zone MF for the tract at the Twenty-Fifth and Birdwell Lane intersection. Second reading is set for the change from Zone NS to Zone MF in Coronado Hills. Third and final reading is set for the new plumbing ordinance. And an ordinance accepting the improvements to Ninth Street will be read.

Commissioners will also decide on awarding a contract to provide the city with gasoline for the next six months. Continental Oil Co. was the apparent low bidder when bids were opened last week, offering regular at 1568 cents per gallon and Ethyl at 1768 cents per gallon.

Other bidders, with regular price per gallon listed first, include: Humble Oil and Refining, 1591 cents, and 1941 cents; Gulf Oil Corp., 1665 cents and 1850 cents; Mobil Oil Corp., 1592 cents and 1792 cents; Chevron Oil Corp., 1693 cents and 1893 cents.

From the perforated zone at 3,341-55 feet in the San Andres D, it pumped 113 barrels of 37-gravity crude naturally per day with gas-oil ratio registering 300-1.

The well is 800 feet from south and 170 feet from east lines of section 1,233, EL&RR survey, one-fourth mile north of Post.

Perforations in the San Andres B, at 3,182-97 feet, were potential to pump 63 barrels of 36.8-gravity oil plus 12 per cent water daily. The pay section was stimulated with 1,000 gallons of acid and gas-oil ratio was 275-1.

BIG SPRING DAILY HERALD

SEC. B BIG SPRING, TEXAS, TUESDAY, DECEMBER 27, 1966 SEC. B

STALIN'S \$87,500 BULLET-PROOF CAR Showing at Highland Center Thursday

Sato Calls Election

TOKYO (AP) — Japanese Prime Minister Eisaku Sato today called a parliamentary election Jan. 29 which his conservative party is expected to win despite charges of a "black mist" of corruption.

Sato's Liberal-Democratic party controlled 278 of the 467 seats in the House of Representatives dissolved by the prime minister, almost double the 141 held by the Socialists, the biggest opposition party.

The election will be Japan's ninth since World War II, the first since November 1963, and the first under Sato. Eligible voters will total 63.5 million.

Sato pledged to clean house after his administration was shaken by a series of scandals, including disclosures that most Diet members don't make complete tax returns, charges that members of his party were involved in questionable banana imports and illegal trading of government forests, and huge gifts to the party by a sugar refinery that received generous government loans.

The Liberal-Democratic party re-elected Sato its president Dec. 1 by a reduced margin that reflected dissatisfaction among party members with his response to the corruption charges. Sato reorganized his Cabinet two days later but public pressure for a new election continued to grow. Opposition parties boycotted a special 20-day Diet session and Sato yielded on the first day of the regular parliamentary session.

Sato was elected prime minister by the Diet in November 1964. Like his predecessor, the late Hayato Ikeda, Sato is a pro-Western economic expert. He has been Cabinet secretary, legislator, and finance minister in a succession of postwar governments.

Stalin's Bullet-Proof Car Will Be Displayed Here

A car which boasted maximum built-in safety (from bullets) when used by Russia's Dictator Josef Stalin and China's Mao Tse-Tung will be shown in Big Spring Thursday at the Highland Shopping Center, under sponsorship of Highland merchants.

There is no charge to see the car, but donations will be accepted, and all profits from these will be presented to the Dora Roberts Rehabilitation Center. Anyone who cannot make a donation may see the exhibit free.

Copied generally from a Packard design and built in the Zis factory in 1950 at a cost of \$87,000 the 7,500-pound car was presented by Stalin to Mao Tse-Tung at the 1951 May Day rally in Moscow. The vehicle was sent to Korea during the conflict there, was captured and later presented by South Korean President Syngman Rhee, to the widow of General Walton Walker, commander of the 8th Army in South Korea who was killed in line of duty.

It was acquired from Mrs. Walker by Jack Broadus of Aurora, Ill., who collects unique cars, and who also owns one originally belonging to Adolf Hitler.

Broadus said that more than a million and a half people have inspected the Stalin car. It was featured for two years at Ripley's Believe It or Not Museum in New York City, and since has been on a nation-wide tour. The car is said to be the only Zis vehicle outside the Iron Curtain. Only top Russian officials were allowed to own the Zis; all were hand-made.

The car's speed is placed at 185 kilometers per hour. The engine is a modified Packard with a much larger bore and stroke than the old American make.

The body resembles a combination of Buick and Cadillac, only much larger, the front end is a reminder of Packard lines. The passenger in the rear seat has complete control of all windows and doors and can even isolate himself from the driver with a bullet-proof dividing shield which he himself controls.

Special Yule Wish Fulfilled

LOS ANGELES (AP)—Suzy Dewey, whose special Christmas request was to visit Disneyland, was ready today to fulfill her wish.

Disneyland, 30 miles southeast of Los Angeles, was the magnet that drew 6-year-old Suzy and her family to California from her home in Grand Rapids, Mich. She stayed in a Los Angeles hotel Monday night.

Doctors say Suzy may die of leukemia within a year. A Los Angeles woman, who asked to remain anonymous, financed the trip to California for Suzy, her parents and her sister.

The family left for the West Coast.

Ruby, suffering from widespread cancer, has been in the hospital since Dec. 9 when he was transferred from the county jail.

TV Viewers To Sample Dozen Shows

By CYNTHIA LOWRY AP TV - Radio Writer

NEW YORK (AP) — Once network television gets past the New Year parades and football games, it will present viewers with almost a dozen new shows to sample and a lot of schedule changes. The so-called "second season" starts around Jan. 9.

But for those network executives who decide what we shall see and when we shall see it, the 1966-67 television season is already history, and not very happy history at that. They are now concentrating on the programs and schedules for next September.

'LOCKED IN'

CBS hopes to have its entire 1967-68 schedule "locked in" by Washington's Birthday, and NBC and ABC cannot afford to be far behind. For competitive and sales reasons, all three are trying to keep their plans and programs a secret.

Already, we know a few shows that will be arriving nine months hence — NBC's new Danny Thomas series and CBS' Carol Burnett comedy programs. There will be about 25 more when fall rolls around — fewer than usual because those two-hour movie reruns take up a lot of time.

The one thing that makes television programming an expensive gamble is that a few men must try to guess now what viewers will be interested in watching months ahead — and viewers are notoriously fickle.

INTEREST LAGS In this high stakes game, with millions of dollars in development money invested, the Nielsen ratings are more helpful than a crystal ball. Currently the Nielsen numbers indicate that we want more situation comedy and outdoor adventure.

A couple of seasons ago, situation comedy was as out of fashion as Congress gaffers.

There has been a marked lack of interest in the most recent switch of the Western theme. Several shows that tried to get away from the classic type of show failed to make much of a splash — "Shane," "The Road West" and "The Monroes."

Although outdoor programs like "Rat Patrol," "Tarzan" and "Daktari" seem to be attracting big audiences, it is the oldtimers of television who are sitting comfortably on the top of the Nielsen list. That means Red Skelton, Lucille Ball, Andy Griffith, Jackie Gleason and Ed Sullivan and the Walt Disney programs.

TEXAS HIGHWAYS SLICK

Traffic Toll Soars

By The Associated Press

Weather conditions took a fatal turn for the worse as the Christmas holiday period came to a close for Texans Monday. Fog and rain-slicked highways sent the traffic death toll soaring above predictions.

Rain and fog plagued travelers across a huge chunk of the state Monday. The Department of Public Safety had forecast 47 deaths for the period from 6 p.m. Friday to midnight Monday.

An Associated Press tabulation showed at least 48 persons dead in Texas' accidents, the second biggest carnage among the 50 states.

Only California led Texas in the number of traffic victims. Ohio was a well-beaten third.

FOUR KILLED

The first day of the count featured good driving weather. Accidents mounted Monday in direct proportion to the increased rainfall and fog stretching from the Gulf Coast toward the Oklahoma border.

A Monday night crash south of Alvin killed four persons and injured four more.

The dead included Donald Wayne Miller, 26, his wife, Mrs. Margaret F. Miller, 20; a family friend, William Russell Clark, 66, all of Liberty, and Mrs. Joan Daniel Schutze, 25, of Lake Jackson. Highway Patrolman H. D. Baggett said a car driven by Mrs. Schutze's husband, Henry Chester Schutze, was trying to pass a third car when it collided head-on with the Miller automobile seven miles south of Alvin on Texas 35.

SAILOR DIES

The injured included Schutze's son, Chris, 7; Another son, Joseph, 2; and Chris Fondon, 15, of Angleton.

A Tyler sailor, Billy Jerry Kersh, 21, was killed Monday night when the car in which he and three others were riding skidded through an intersection 2.5 miles northeast of Tyler and hit an embankment.

The three other occupants were critically injured in the wreck, which happened at the intersection of US 271 and Farm Road 2015.

Huey G. McCoulskey, 56, of San Angelo, was fatally injured when his automobile skidded on wet pavement 6.8 miles north of Fredericksburg and ran off the road.

SMACKS TREE

Guadalupe Soliz, 25, of Skidmore, Tex., was killed Monday night when her car skidded off State 359 two miles north of Mathis in fog and hit a tree.

Gardner Peters, 26, of the

Corpus Christi Naval Air Station, was killed Monday in a head-on crash on Ocean Drive in Corpus Christi. A woman in the second car was injured.

Ardell Flanagan, 52, of Talco was killed Monday when his pickup truck collided with an empty gasoline truck. The accident occurred on US 271 about two miles south of Talco in Northeast Texas.

Luis Valle Villalobos, 58, of La Feria was killed Monday night in a two-car crash three miles north of Santa Rosa in the Lower Rio Grande Valley. Four persons were injured in the crash on Farm Road 906.

HEADON CRASH

Leonidas Montes Garcis, 49, died Monday in a La Marque hospital of injuries suffered Sunday night in the head-on crash that killed his wife and John Wilson Dorman of Freeport. Garcia lived at Galveston. Columbus Hartsfield, 19, of Winona was killed Monday about four miles east of the Smith County town when his car overturned. Investigators said a light rain was falling.

Other deaths included: Guillermo Casas, 10, of Bishop died Sunday night when a car and pickup truck collided seven miles north of Fredericksburg.

TWO-CAR WRECK

John Wilson Dorman, 26 Lake Jackson, and Helen Garcia, 40, of Galveston, died in a two-car accident in the city limits of Hitchcock Sunday night.

Clarence Adkinson, 54, of Coolidge, died Friday night of injuries suffered in a car-pedestrian accident in the city limits of Mexia.

Ezelle Ellis Bryant, 33, of Big Spring, was killed in a one-car accident Sunday about six miles south of Mart on Farm Road 1860.

Oscar Marie Cheatham, 101 of Lockhart, died Monday of injuries suffered in a two-car accident in the city limits of Lockhart shortly after midnight.

PFC Richard A. Gilbertson, 20, of Rachine, Wis., was killed Friday night in a one-car accident on the Ft. Hood reservation in Central Texas. Four other soldiers suffered injuries.

More Than 300 Rebels Killed

TEIXEIRA DE SOUSA, Angola (AP) — More than 300 of a 500-man rebel force were killed Christmas Day when they crossed from the Congo — Kinshasa — and attacked this town on Angola's eastern border. Portuguese military authorities said today.

Portugal closed the Angola-Congo border this month after rebels killed 25 soldiers in an ambush near the frontier.

This town of fewer than 1,000 persons is a main stop on the British-owned Benguela railway over which the Congo exports more than 70 per cent of its copper ore. Portuguese authorities have threatened to halt the ore movement in reprisal for raids by rebels who hit and run back across the border.

Seek To Locate Man In This Area

Friends are seeking to locate a Mr. Lum O. Hardin, who may live in the Big Spring area. Mrs. Lee R. Green, Karnack, said efforts were being made to put Jimmy Dean Hardin in touch with his father. Anyone knowing the whereabouts of Mr. Hardin, is asked to contact Mrs. Green through the First Baptist Church in Karnack.

er Rio Grande Valley. Four persons were injured in the crash on Farm Road 906.

Other deaths included: Guillermo Casas, 10, of Bishop died Sunday night when a car and pickup truck collided seven miles north of Fredericksburg.

Clarence Adkinson, 54, of Coolidge, died Friday night of injuries suffered in a car-pedestrian accident in the city limits of Mexia.

Ezelle Ellis Bryant, 33, of Big Spring, was killed in a one-car accident Sunday about six miles south of Mart on Farm Road 1860.

Oscar Marie Cheatham, 101 of Lockhart, died Monday of injuries suffered in a two-car accident in the city limits of Lockhart shortly after midnight.

PFC Richard A. Gilbertson, 20, of Rachine, Wis., was killed Friday night in a one-car accident on the Ft. Hood reservation in Central Texas. Four other soldiers suffered injuries.

More Than 300 Rebels Killed

TEIXEIRA DE SOUSA, Angola (AP) — More than 300 of a 500-man rebel force were killed Christmas Day when they crossed from the Congo — Kinshasa — and attacked this town on Angola's eastern border. Portuguese military authorities said today.

Portugal closed the Angola-Congo border this month after rebels killed 25 soldiers in an ambush near the frontier.

This town of fewer than 1,000 persons is a main stop on the British-owned Benguela railway over which the Congo exports more than 70 per cent of its copper ore. Portuguese authorities have threatened to halt the ore movement in reprisal for raids by rebels who hit and run back across the border.

Three Teens Found Slain In Alabama

BIRMINGHAM, Ala. (AP) — The bodies of three teenage boys — two brothers and their friend — have been found. Police have charged a neighbor of the youths with three counts of murder.

Vaughn Murphy, 15, his brother, Steve, 13, and Will Binzel, 14, all of nearby Homewood, were last seen Christmas night as they went to purchase supplies for a holiday camping trip. Their bodies were found Monday.

Shelby County Sheriff C. P. Walker said David McCarter Jr., 25, also of Homewood, had been charged with three counts of murder in connection with the deaths.

Authorities, who had said earlier the boys apparently were slain by a sex deviate, were non-communicative about the arrest.

"It's too early to release anything concerning the findings as they will have to be studied closely and at length before we can be sure of anything," Asst. State Toxicologist Robert Johnson said following his post-mortem examination.

Witnesses said the youths had severe head injuries.

Sheriff Walker said it appeared the three were killed at another location and their bodies dumped from a vehicle.

Investigators said McCarter was arrested at the home of his parents in Homewood a few blocks from where the three boys lived. He was convicted recently in Jefferson County Court on morals charge and fined \$250, authorities said.

Ex-Publisher Dies

ROCHESTER, N. Y. (AP) — Thomas L. Kerney, former publisher and general manager of the Trenton Times Newspapers of New Jersey, died Sunday at the home of a niece. He was 65.

Steers Seek Third Win Over Kermit

Big Spring High School seeks its third straight basketball victory over Kermit here this evening. Tipoff time is 8 o'clock. B teams of the two schools clash at 6 o'clock. The Bovines will be seeking their 17th win of the season. They have lost only three this year. The 1965-66 club won only 18 all year. The job will be more complicated for Big Spring than in the other two games because the locals will be without Robert Jackson who has been told to rest his ailing foot until after the holidays. Jackson is the team's all-district performer, top scorer and leading rebounder. Jackson did not play against Odessa Ector last week, however, and the Longhorns won that one in Odessa, 62-55. Coach Don McDonald said the boys didn't lose their cool at any time and he felt it was good experience for them to play without their star and playmaker. In previous games with Kermit, the Steers' margins of victory were 62-44 and 60-53. Oddly enough, the more pronounced win came in Kermit. The seven-point success occurred in the first round of the Odessa tournament and the locals had to work hard for that one. Probable starters for Big Spring tonight are Wayne Johnson, Danny Clendenin, Richard Green, Jerry McGuire and Charley Tubbs. The visiting Yellow Jackets depend heavily on such boys as Baker and McDougal, who bucketed 21 and 16 points, respectively, against the Steers in their game at Kermit. After losing to Big Spring in the opening round at Odessa, Kermit failed to win a game, losing to Lubbock High, 66-58, in the skirmish for seventh place. That is the only game Lubbock High has won all season.

LOOKING 'EM OVER

With Tommy Hert

Sports dialogue: MILTON GROSS, New York columnist:

"Oh, it was beautiful to hear, like a litany of hate, a deluge of emotion, a flood of profanity. It was pro football at its basest. There were nine minutes gone in the first quarter of the Packers - Colts game when Willie Davis crashed into Johnny Unitas, and the Baltimore quarterback had to leave the game. 'The guy's hurt,' screamed assistant coach Bob Schnelker into the mouthpiece of his head-set to the Packer bench. There was joy overflowing in his roaring voice. The Romans watching the Christians go down before the Lions couldn't have been more happily voluble. 'That's the end of him,' Schnelker yelled to Red Cochran across the field on the other end of the telephone line. In came Gary Czuzzo for only two plays before he was intercepted by Lee Roy Caffey. 'Get that little SOB,' shouted Schnelker. . . . On the fifth play from scrimmage, Bart Starr faked back from his own 44 and passed incompletely to Boyd Dowler, who could have caught it on the Colt 10. 'A perfect call and the SOB can't run. If he can't run, get him out of the game,' Schnelker shouted. . . ."

JOHN UNITAS

After tonight, everything the Steers play will count toward District 2-AAAA standings. They will see their next conference activity against Odessa High in Odessa a week from Tuesday.

76ers Develop More Muscle

PHILADELPHIA (AP) — Not counting games against the Boston Celtics, the Philadelphia 76ers are 41-1 against the rest of the National Basketball Association since last March. But then again, who's perfect? Led by Wilt Chamberlain "Mr. Inside" and H. V. L. Greer ("Mr. Outside") the fabulous Philadelphia whippersnappers of the Cincinnati Royals 134-118 Monday night to establish a new NBA home-court consecutive victory string. The 76ers, who lead the Eastern Division with a phenomenal 33-3 record, have won 30 straight regular home games — 14 last year and 16 this season. The new mark breaks the old standard set by Minneapolis in the 1949-50 season. The last time Philadelphia lost at home was a 126-120 defeat by the Los Angeles Lakers Jan. 7, 1966. Monday night the astounding 7-foot-1 Chamberlain poured in 38 points, handed out 10 assists and took down 32 rebounds. Greer, the "Mr. Outside" of the 76ers offense, scored 35 points from where he does it best—the outside. In other games, Boston ripped Los Angeles 121-106, New York dropped Detroit 114-109, St. Louis downed San Francisco 120-111 and Chicago defeated Baltimore 108-96.

Packers Work Out In Snow

TULSA, Okla. (AP) — Green Bay Packer Coach Vince Lombardi could hardly be blamed if he declined the next time somebody suggests Tulsa's Skelly Stadium as a December training site. It wasn't even certain the Packers would finish their final week of drills here for their Jan. 1 encounter with the Dallas Cowboys for the National Football League championship. Lombardi was perturbed when the Packers arrived Monday to find Skelly Stadium's turf still covered with a thin layer of snow which fell last Thursday. The Packers worked out in the snow and scheduled another drill for today after obtaining assurance the snow would be scraped off and the field covered. Workers cleared the field and put down a plastic cover, but the weather bureau forecast heavy snow today, possibly extending into Wednesday. Lombardi said the Packers would stay as planned if the field condition did not get worse. Most embarrassed by the awkward chain of events was the Skelly Stadium Corp., which lured the Packers to Tulsa in hopes they would like conditions well enough to play an exhibition game next summer. "Football gets better and better, even when I'm hit by Sam Huff (Huff knocked him out when he played against Washington two weeks ago). I love it and I want to win that championship," Meredith said he guessed this was the biggest test he ever faced. "There couldn't be any greater—this one means the most, it has the highest stakes, not necessarily in money but in prestige. I welcome it and I know my teammates welcome it. We feel we are prepared to meet the challenge. "This kind of opportunity doesn't come for many people. It is the chance of a lifetime. We don't intend to let it pass."

Cooper Defeats Spring Branch

ABILENE — Abilene Cooper won its 15th basketball decision in 16 starts by topping Houston Spring Branch here Monday night, 66-52. Cooper built up a 31-18 lead at half time and was in charge thereafter, although Spring Branch outscored the Cougars in the third period, 17-12. The Cougars had three players in double figures, Rick Williams leading the way with 21 points. Tom Stanton tossed in 17 and Jack Mildren 15 for Cooper. The Cougars play Fort Worth Arlington Heights in a tournament at Fort Worth today.

Rebs Defeated In Miami Go By 27-14 Tab

By BEN FUNK

MIAMI, Fla. (AP) — A team of Yankee stars, eager to impress a flock of pro scouts in the stands, rolled to a 27-14 victory over the Rebels Monday night in the North-South college football game. Eugene Trosch, 6-foot-6, 247-pound defensive tackle from the University of Miami, was voted the most valuable player for the South, and another defensive tackle, Pete Duranko, 6-2, 235-pounder from Notre Dame, was picked for the North. The North team, winning only for the seventh time in the 18-year series, powered to a 20-0 halftime lead, then coasted home behind a rugged defense. Donald Cockroft, the nation's leading punter from Adams State College in Colorado, boosted the Yanks into a 6-0 first quarter lead with field goals of 31 and 38 yards. Then, in one minute, 12 seconds of the second period, the Yanks scored twice on a nine-yard pass from Colorado's Bernie McCall to Tulsa's Neal Sweeney and a 20-yard dash with an intercepted pass by Duranko. Houston's Bo Burris finally found the range for the South in the last quarter with scoring shots of 15 and 11 yards to Gary Rowe of North Carolina State. But the South never got in close shooting distance as the North also scored in the fourth on a nine-yard run by Bo Rein of Ohio State.

The postseason bowl activity hits its peak this weekend with the Rose, Sugar, Orange, Cotton and Gator Bowls, the East-West Shrine Game and the NFL and AFL championship games. The Cotton and Gator bowls and the Shrine Game open the heavy slate Saturday, New Year's Eve. The two pro championships will be played Sunday and the Rose, Sugar and Orange bowls are set for Monday. The Gator Bowl at Jacksonville, Fla., matches Tennessee, 7-3, and Syracuse, 8-2 while the Cotton Bowl at Dallas has Georgia, 9-1, vs. Southern Methodist, 8-2. The Shrine game in San Francisco matches all-star teams of seniors from the East and West. Green Bay, 12-2, and Dallas, 10-3-1, play for the NFL championship in Dallas while Kansas City, 11-2-1, and Buffalo, 9-4-1, are matched in Buffalo for the AFL title. The Sugar Bowl in New Orleans has Alabama, 10-0, vs. Nebraska, 9-1, the Rose Bowl in Pasadena, 8-2, vs. Southern California, 7-3, and the Orange Bowl in Miami pits Georgia Tech, 9-1, and Florida, 8-2. The television line-up, all times Eastern Standard, has ABC showing the Gator Bowl at noon Saturday, CBS on the Cotton Bowl at 2:30 p.m. and NBC with the Shrine Game at 4:30 p.m. Sunday and CBS will show the NFL game at 4 p.m. Monday. NBC has a tripleheader, with the Sugar Bowl at 2 p.m., the Rose Bowl at 5 and the Orange Bowl at 8. Two games were played last Saturday, Wyoming beating Florida State 28-20 in the Sun Bowl at El Paso, Tex., and the Blue-Gray game at Montgomery, Ala.

The post-season bowl activity hits its peak this weekend with the Rose, Sugar, Orange, Cotton and Gator Bowls, the East-West Shrine Game and the NFL and AFL championship games. The Cotton and Gator bowls and the Shrine Game open the heavy slate Saturday, New Year's Eve. The two pro championships will be played Sunday and the Rose, Sugar and Orange bowls are set for Monday. The Gator Bowl at Jacksonville, Fla., matches Tennessee, 7-3, and Syracuse, 8-2 while the Cotton Bowl at Dallas has Georgia, 9-1, vs. Southern Methodist, 8-2. The Sugar Bowl in New Orleans has Alabama, 10-0, vs. Nebraska, 9-1, the Rose Bowl in Pasadena, 8-2, vs. Southern California, 7-3, and the Orange Bowl in Miami pits Georgia Tech, 9-1, and Florida, 8-2. The television line-up, all times Eastern Standard, has ABC showing the Gator Bowl at noon Saturday, CBS on the Cotton Bowl at 2:30 p.m. and NBC with the Shrine Game at 4:30 p.m. Sunday and CBS will show the NFL game at 4 p.m. Monday. NBC has a tripleheader, with the Sugar Bowl at 2 p.m., the Rose Bowl at 5 and the Orange Bowl at 8. Two games were played last Saturday, Wyoming beating Florida State 28-20 in the Sun Bowl at El Paso, Tex., and the Blue-Gray game at Montgomery, Ala.

The dramatic Indian comeback had the crowd gripping their seats in excitement and yelling and cheering. After tying the match at one set apiece, the Indians easily won the third set, never losing more than a single point in a game. The fourth set was tied 2-2, but Mukerjea put his team ahead by smashing a game point between Newcombe and Roche. The Australians had a chance to even the match in the eighth game, but they lost a 30-0 lead, then committed two errors and lost the game. It was downhill for the Indians the rest of the way. As far as the over-all play is concerned, though, it's still uphill for the visitors.

WINDSOR, Ont. (AP) — Czechoslovakia's National hockey team defeated the University of Toronto 9-2 Monday night.

St. John's Upended By Cats, 62 To 60

NEW YORK (AP) — Northwestern's 62-60 upset over eighth-ranked St. John's, N.Y., Monday.

The Wildcats later learned they will play defending champion Providence in Wednesday night's semifinal. The Friars with Walker dribbling, faking and shooting his way to 37 points, walloped Duquesne 82-55. In the other games Rhode Island crushed St. Bonaventure 100-79 and St. Joseph's, Pa., upset Brigham Young 67-61.

Rhode Island and St. Joseph's will meet in the other semifinal contest. Walker put on a performance reminiscent of the 50-point show he gave last year in leading Providence to a 91-86 victory over Boston College in the title game and in winning the tournament's most valuable player award. Against Duquesne, the 6-foot-3 senior scored the Friars' first nine points, 16 of the first 19 and 21 of the first 27. He added 16 more points to the shouts from the 14,636 fans of "Walker, Walker, Walker."

Walker does it with dribble, dribble and dribble some more until the man guarding him makes a mistake. Then, even before the defender realizes what he's done wrong, Walker takes another dribble and is up in the air, firing the ball into the basket. Against St. John's Northwestern's Davis had his best variety season. St. John's led 60-59 with 23 seconds to go. The Wildcats had the ball, but no one could get clear for a shot. Finally, with four seconds left, Terry Gamber fired a desperation shot. It fell short, but Davis leaped, grabbed it and put in a two-pointer. He was fouled and added the free throw. Davis, who had entered the game for the first time only 3 1/2 minutes before, explained how he happened to be in the right place. "The odds are that when a man shoots from the right side the ball will come over to the left," he said. "I moved two steps to get there and jumped."

Look Out Below Sunny Dave (55), St. John's forward, fouls Northwestern's Mike Weaver (45), on floor, in second half action at New York's Madison Square Garden Monday. Northwestern won, 62-60. (AP WIREPHOTO)

When coach Don McDonald of the Big Spring Steers calls upon his shock troops, one of the boys he sends into action is Gary Rogers (above), better known perhaps as a quarterback in football. (Brandon photo)

Ralston Plans Pro Career

BAKERSFIELD, Calif. (AP) — America's top amateur tennis player, Dennis Ralston, made official today what had long been rumored. He has turned professional.

"Professional tennis offers me a future while amateur tennis in the United States offers a player nothing," Ralston told The Associated Press.

This ends the amateur career after seven years of the still at 24 boyish, strawberry blond Californian who has played all over the world and won everything in sight except for the two big ones.

"Any regrets?" he was asked. "Yes," said Denny, as his intimates know him, and he named the two big ones — Wimbledon and the U.S. National at Forest Hills.

Ralston said he preferred not to divulge the financial terms of his pro contract but he reportedly signed for three years for \$100,000.

The contract was signed with Wallace M. Dill of the International Professional Tennis Association. Dill announced the contract Monday.

Ralston said he has thought about turning pro for over a year.

"I've got a family and I do have to start looking toward the future," he said.

Ralston's pro career will get under way next month in Australia, followed by competition in the U.S., Europe and South Africa.

The opposition will include veteran Pancho Gonzales of the U.S. and Australians Rod Laver, Ken Rosewall and Lew Hoad.

Elements Refuse To Obey Bryant

NEW ORLEANS (AP) — Just about everybody in the sports world has heard the rumor that Coach Paul (Bear) Bryant of Alabama can walk on water and control the elements.

If the legendary Bryant has such powers, they apparently don't work in New Orleans. The last time Bryant brought his Red Elephants to town — for the 1963 Sugar Bowl — it snowed. Real, honest-to-goodness snow. Six inches of it. The only deep snowfall here this century.

When Alabama held its first practice here Monday for its 1967 Sugar Bowl clash with Nebraska, it rained.

Even if the elements don't obey Bryant in New Orleans it's a town he likes to visit. He never has lost a Sugar Bowl game. Alabama has been to more bowls than any other college team. This marks the Tide's 20th post-season appearance. And it's Bryant's 12th bowl game. Over-all, he has a 7-1 record in bowls.

Eagles Win Two

DALLAS — Abilene High won two games in the Dr. Pepper Basketball tournament here Monday, defeating Dallas Carter 81-72, and Carrollton Turner, 70-63, in that order.

Coach Of Year

DES MOINES, Iowa (AP) — Tom Cahill, who led Army to an 8-2 record in his first year as head coach, was named Coach of the Year Monday by the Football Writers Association of America.

Meredith Looks For Prosperity

DALLAS, Tex. (AP) — "We have a very good chance of beating Green Bay and winning the National Football League championship," said Dandy Don Meredith Tuesday.

The Cowboys quarterback, who has become a Dallas institution—he has played football here for 11 years—wasn't speaking in a tone of braggadocio.

"There are a lot of reasons why Dallas can beat Green Bay," he said. "First we have a good team—good enough to win. Green Bay has the type team for us to play — they execute very well, rely on coordination, and we are the same. So it is a matter of execution and if we do it properly—which I believe we will—we will win."

It couldn't come sooner either, Meredith mused. "I never have played on a championship team and I started in the sixth grade," he declared.

"I am now in my seventh year with the Cowboys and we still have that championship to win. Just think: 22 years of football. It ought to make me tired but I still have a lot of zest for it."

"Football gets better and better, even when I'm hit by Sam Huff (Huff knocked him out when he played against Washington two weeks ago). I love it and I want to win that championship," Meredith said he guessed this was the biggest test he ever faced. "There couldn't be any greater—this one means the most, it has the highest stakes, not necessarily in money but in prestige. I welcome it and I know my teammates welcome it. We feel we are prepared to meet the challenge. "This kind of opportunity doesn't come for many people. It is the chance of a lifetime. We don't intend to let it pass."

Football gets better and better, even when I'm hit by Sam Huff (Huff knocked him out when he played against Washington two weeks ago). **Armed Robbery
Charges Filed**

LONGVIEW, Tex. (AP) — Charges of armed robbery were filed against G. J. Browning, 29, today and another man was being held after a Longview package store was held up, losing \$2,000, and a Kilgore grocery store lost \$310 in a robbery.

Sheriff Nobel Crawford said he also expected to file similar robbery charges against Jimmy Glenn Linton, 25, described by the sheriff as previously convicted of armed robbery.

Mrs. Noma Harrison, justice of the peace, said the charges against Browning were on file. Two youths followed a car after the Kilgore robbery, leading to the arrests.

**Salado Creek Is
First Landmark**

AUSTIN (Salado Creek) — A winding, picturesque, historical creek in Bell County — has been designated as Texas' first Recorded Texas Natural Landmark.

The announcement was made today by John Ben Shepperd of Odessa, president of the Texas State Historical Survey Committee.

"This award is given only to natural landmarks that are identified prominently with the broad cultural, political, economic, military, or social history of Texas," said Shepperd. "Salado Creek meets all these criteria, and is worthy of preservation."

**Cotton Volume
Shows Decline**

Samples classed reached the 340,000 mark this week at the USDA Cotton Classing office in Abilene. B. B. Manly Jr., in charge, reported 33,000 bales were classed for the week ending Dec. 23 as compared to 44,000 for the previous week. About 10,000 bales were classed from Martin, Glasscock and Howard counties.

Grades for District 1 dropped again as farmers reached the scragging stage of harvest. Fifty two per cent was classed as light spotted this week as compared to 57 per cent last week. Spotted cotton increased to 44 per cent. Four per cent was classed tinged and 10 per cent reduced in grade because of grass or bark. Predominant grades were 22 per cent middling light spotted, 28 per cent strict low middling light spotted, 24 per cent middling spotted and 18 per cent strict low middling spotted.

Staple lengths were two pct. 7-8; 19 pct., 29-32, 71 pct., 15-16; six pct., 31-32 and two per cent, one inch or longer.

Fifty-three pct. milled in the desirable 3.5-4.9 range; four pct., 2.6 and below; eight pct., 2.7-2.9, 18 pct., 3.0-3.2 and 17 pct., 3.3-3.4.

Middling light spotted cotton is selling at even to 40 points over gross government loan. Spotted cotton and lower light spotted grades are selling 25 to 60 points over gross government loan. Demand is light for low milled cotton but some is selling at even to 25 points over government loan price after milled penalties have been deducted.

**Skindivers Fail
To Locate Rifle**

HOUSTON (AP) — Volunteer skindivers probed murky Buffalo Bayou Monday for the rifle in the Dec. 9 sniper slaying of Dr. Robert E. Pendleton, but all they found was two hubcaps.

An anonymous tipster had told police a week earlier that the murder rifle was in the bayou. The divers from the Harris County sheriff's department groped along the bottom of the chilly bayou, assisted by a boat equipped with a large magnet.

The physician was gunned down outside his Red Bluff General Hospital by a sniper police believe had waited in a nearby pasture and was driven away from the scene by an accomplice.

**Eisenhower Ready
To Leave Hospital**

WASHINGTON (AP) — Former President Dwight D. Eisenhower is scheduled to leave the hospital this afternoon following his Dec. 12 gall bladder operation.

There has been no report from Walter Reed Army Hospital on his condition since Thursday, when he was said to be recuperating rapidly.

Eisenhower, 76, plans to go to Palm Desert, Calif., early in January from his Gettysburg, Pa., home.

**IT SHOULDN'T
HAPPEN
to a
dog!**

... but, if it did happen to you ...
the wrong size ... the wrong color
Gee, we're sorry! Those things
happen to everybody sooner or
later ... We're happy to exchange
with you ...

THANKS!

**New Nun Order
Wears No Veil**

By ROBERT H. STEVENSON

PORT ELIZABETH, South Africa (AP) — She wears no veil. There are no cloisters to shelter her from life. She lives in the world of ordinary people, dresses as other women do and passes unnoticed in the crowd.

But she is a Roman Catholic nun who has taken vows of poverty, chastity and obedience — a modern-day nun facing the challenge of the modern world.

She is Sister Margundis Holterback, working in South Africa as one of a group of 100 members of the secular institute of the Schoenstatt Sisters of Mary.

Recently she told the National Council of the Catholic Women's League: "Ours is a new foundation of religious life. We regard ourselves as the link between the religious orders and the laity."

UNCLOISTERED

"It does not mean that the other sisters have no special function any more. It means the need was felt for a life of this kind as well. The cloistered life and the lay life are completely separated nowadays. The cloistered nuns look to us to show them how they can advance and adapt."

"They feel out of touch and want to be linked up with life. Ours is the same life commitment but it is a different vocation. In essence it is the same and because we are so much in the world we have, in a way, greater restrictions."

Sister Margundis was born at Heidelberg, Germany, and entered the order there as a novice in 1952. The following year she was sent to South Africa and started studying for her B.A. degree at Cape Town University.

Sisters of the order are usually teachers, nurses or health visitors.

MODE PART

For her first year at university, she wore the navy blue community dress of her order with a short veil. In her second year she changed to lay dress and immediately felt she was more part of the campus.

After obtaining her degree, Sister Margundis began studying part time for her bachelor of education degree. She works at the training center of her order at Constantia, near Cape Town, where the sisters run a hostel for young girls and conduct weekend courses on a variety of subjects. She lives at the Constantia centre.

Soviet Poet Dies

MOSCOW (AP) — Moisei Teif, 62, a leading Soviet Jewish poet, died last Friday, the Literary Gazette reported today.
