## CHRYSLER PLANTS

### Trying To Avert Strike

DETROIT (AP) — Representatives of the United Auto Workers and Chrysler Corp. bargained around the clock today trying to avert what would be the second nationwide strike in the auto industry this year.

Some Chrysler operations were threatened with premature shutdown before tonight's midnight strike deadline as truck drivers moving parts in the Detroit area and 6,000 workers at one of the firm's two most important stamping operations walked off their jobs Tuesday.

Walter P. Reuther, UAW president, and John D. Leary, Chrysler vice president for administration, led the negotiating teams that have been bargaining for a new contract covering 103,000 workers. The latest session of bargaining began at 10 a.m. Tuesday.

### \$5,000 Pay Raise

DALLAS (AP) — Trustees of the Dallas County Junior College District voted a \$5,000 annual raise in pay Tuesday for Dr. Bill J. Priest, chancellor of the school.

He was hired at \$35,000 a year in August of 1965 and the junior college now is in its second year of operation. Priest, 50, came here from a similar post in Sacramento, Calif.

### Die In Crash

MATAMOROS, Mexico (AP) — The son of Mexico's air force commander and four others were killed Tuesday when a military C47 transport exploded as it prepared to land at the Matamoros airport.

Those killed were Maj. Pedro Rojas Vasquez, the pilot; 2nd Lt. Guillermo Vergara, Sgt. Luis Ortiz Salazar, Sgt. Zoroastro Espinosa and Capt. Antonio Oropeza Rendon.

### Fund Fattened

AUSTIN (AP) — The permanent school fund was fattened by \$4,132,099 Tuesday when the School Land Board sold oil and gas leases on 54,950 acres and sulphur leases on 3,905 acres of state-owned land.

The oil and gas leases brought an average of \$45.27 per acre, while an average of \$547.45 per acre was paid for sulphur leases.

Land Commissioner Jerry Sadler said the sale increased the school fund to \$742,338,369.

Fought Red Baron Robt. E. Lee, of Coleman

### Likes Open Cockpit

DALLAS (AP) — A World War I pilot who traded shots with the Red Baron's Flying Circus sat at the controls of a jet airliner Tuesday. He decided an open cockpit plane is more fun.

After surveying the airliner's flight deck that was roofed, walled and carpeted with dials, switches and lights, 82-year-old Robert E. Lee, a kinsman of the Confederate general, said, "Know what we had on a Spad? A magnetic compass and an oil gauge."

"You could have a good time in an open cockpit," he told the airliner's captain.

Lee, a native of Midland who now lives at Coleman, flew aboard the airliner to Miami, Fla., to attend the convention of the Early Birds, an organization of pilots who were licensed before 1916. Lee soloed in 1911 at Los Angeles, cracking up a plane he built himself. Deciding he needed flying lessons, he went to Dayton, Ohio, and had four hours of instruction from the Wright Brothers at \$100 an hour.

In World War I, Lee, a captain, commanded the 47th Aero Squadron. He battled Baron von Richtofen's Flying Circus without injury to himself or the Red Baron.

## FIRST NEGRO ELECTED MAYOR OF MAJOR AMERICAN CITY

# Republicans See Victory Omens

(Photo By Frank Brandon)

### Arrive For Conference

Ablene's Dan Wooten, right, president of the West Texas Chamber of Commerce, was among early arrivals today registering for the 14th Annual Industrial Development Conference at the Cosden Country Club. Also pictured, from left, are Dave Tipple and Ray T. Snook, both of Amarillo.

## Blue Ribbon City Awards Announced

By MRS. WINNIE DENTON

At the 14th annual West Texas Chamber of Commerce Industrial Conference held today at the Cosden Country Club, John Ben Sheppard of Odessa, chairman of the Small Town Economic Progress (STEP), announced a new "Blue Ribbon City Award" for cities in West Texas with population under 12,000.

### SIX AREAS

According to Sheppard, a point system to differentiate between cities of varied sizes will give awards in six categories: tourist development, industrial development, beautification, education, local government and parks and recreation.

At the completion of goals in the six categories, the city will be designated a "Blue Ribbon City" and a road sign will be provided to advertise the city as one of excellence. Public award ceremonies will be held, and the West Texas Chambers will give recognition of the city's achievement.

James F. Ray, coordinator of the Division of Planning for the governor's office, stressed the need for cooperation and coordination of state and national agencies with industry for the needed economical development of today. He said the best means of cooperation is through regional councils of governments, with metropolitan areas furnishing the needed leadership. Many such councils are organized throughout the state, some on a county basis, and others on multi-counties, he said.

Through them, better training and educational programs may be set up, as well as unification of planning and building codes. Ray said the U. S. Chamber of Commerce has asked for the legislation to modernize city and county governments and this would be possible through the unified support of regional chamber groups, such as the 132 county West Texas Chamber.

### RESOURCES

In discussing the "Natural Resources of West Texas," Dr. Stanley Arbingast, association director of the Bureau of Business Research of the University of Texas, predicted the drilling program in the Permian Basin is in its infancy and that more

deep drilling will be done in the future. His belief that "wildcatting" is on the decrease.

He said that change brings about a wider variety of industries and that the area can be sure that the demand for the minerals of today will continue. He pointed out that the sulphur and salt deposits of West Texas are not being utilized. Through a request, the University of Texas will make an extensive mineral survey with the cost of the survey being divided between the federal and state governments and the University.

### LUNCHEON

At the luncheon meeting Dr.

Grover Murray, president of Texas Technological College, discussed "Agriculture Products Processing Potentials." Dr. Frank J. Konecny, assistant director of the James Connally Technical Institute of Waco, talked this afternoon on "A Look at Technical Training Possibilities."

Wilson Guest, chairman of the Industrial Development Committee of the WTCC, was in charge of the program, which brought approximately 200 to Big Spring. Rev. Dan Sebasta, pastor of St. Paul Presbyterian Church, gave the invocation and the group was welcomed by R. W. Whipkey, WTCC director.

## FLOOD OF MAIL OPPOSES TAX HIKE

### LBJ's Request Backfires

WASHINGTON (AP) — President Johnson's request that people write their congressmen about his proposed tax hike is bringing results—but not exactly those Johnson hoped for, an Associated Press survey indicates.

### ASKING

Only a few congressmen queried said they had received letters from constituents asking for the tax boost. Most said the President's appeal for public support last week resulted in a flood of mail opposing the proposal.

Rep. Al Ullman, D-Ore., a House Ways and Means Committee member who has backed the tax hike measure, reported receiving a letter from home saying: "I hear the President wants us to write you to ask for a tax increase. I am asking you

to vote against a tax increase."

In the same vein was a letter to Democratic Rep. Richard L. Ottinger, whose district encompasses New York's wealthy Westchester County. The woman correspondent said her letter was prompted by Johnson's appeal, but added: "I don't want any higher taxes."

There were some scattered exceptions to the trend, however. Sen. Clifford P. Case, R-N.J., received this message from a West Orange constituent: "While I am not in sympathy with everything which has been emanating from the White House, I do believe that the best interests of the country will be served by the enactment of surtax of incomes."

Johnson's proposed 10 per cent surcharge on income taxes

also drew backing from a rural Illinois man, who wrote his congressman:

"I never thought I would write you asking that you raise my taxes but I'm doing just that. My fear of inflation with the erosion of purchasing power is greater than my fear of the surtax proposed by the President."

### MOST OPPOSE

But by far most letters they've received oppose any tax hike, congressmen said. Ottinger put the mail count at 99 to 1 against and Rep. Peter H. B. Frelinghuysen, R-N.J., said his count is 98 to 2 against.

Others reporting mostly anti-tax hike mail were Rep. Don H. Clausen, R-Calif., 12 to 1 against; Rep. Thomas M. Pelly, R-Wash., 30 to 2; Rep. Lionel Van Deerlin, D-Calif., 19 to 1.

## Strong Communist Forces Staging Fierce Assaults

SAIGON (AP) — U.S. infantrymen battled Communist troops again today in the Dak To sector of the central highlands, where Americans have lately clashed repeatedly with strong and aggressive North Vietnamese forces.

Sketchy field reports said two companies of the U.S. 4th Infantry Division came under a heavy ground assault as they were moving into night defensive positions southwest of Dak To.

### NO WORD

Officers said they had no word about casualties, but the fighting was still going on.

A fierce Marine battle with North Vietnamese troops and Communist attacks on provincial capitals and refugee ham-

lets marked the ground war elsewhere while spokesmen reported heavy air strikes against North Vietnam that cost three American planes.

U.S. Marines charged through a screen of American tear gas to take a heavily fortified village which the North Vietnamese abandoned Tuesday after nearly 24 hours of hard fighting and bombardment in the coastal lowlands 27 miles south of Da Nang.

The Marines reported 22 of their men killed and 58 wounded, most of them in a savage machine-gun crossfire from the enemy. The Leathernecks said they found 36 enemy bodies, but terrified villagers said the retreating Communists carried

away at least two dozen of their dead.

Communist units also showed increased ferocity in meeting U.S. probes in which 30 Americans and 78 of the enemy were reported killed at Loc Ninh, 71 miles northwest of Saigon, and near Dak To, in the central highlands.

The step-up Communist activity and in Red opposition to U.S. search operations appeared to indicate that the Communists

are not being as elusive as they have been and may be moving into positions for new thrusts on several fronts now that the monsoon rains have moved north. Intelligence reports indicate there are at least five Communist divisions in central Vietnam that may be poised for new offensives.

### DELTA AREA

In the Mekong Delta, the Viet Cong launched a series of mortar and ground assaults before dawn on an airfield, a South Vietnamese special forces company with American advisers and the provincial capital of Cao Lanh. Fifty mortar rounds slammed into the provincial capital, killing two children and an adult and wounding 68 others.

### Race Was A Crucial Factor In Some Areas

WASHINGTON (AP) — Cleveland Democrat Carl B. Stokes has become the first Negro elected mayor of a major American city, but Republicans claimed a pattern of victory and an omen for 1968 today in off-year elections which gave the GOP Kentucky's governorship and New Jersey's legislature.

### NEGRO RACE

Another Negro Democrat, Richard G. Hatcher, came out of the mayoral ballot counting in Gary, Ind., with a margin of 1,389 but his white opponent, Joseph Radigan, charged fraud. Hatcher was certified the winner.

In another race-tinged contest for mayor, Boston voters rejected the backlash-oriented campaign of Louise Day Hicks.

In Gary as in Cleveland, the mathematics of race was the crucial factor. And the issue of Negro-white balance in the public schools was a key question in Boston, where Secretary of State Kevin H. White was elected mayor in a nonpartisan run-off.

### UPSURGE

Republican National Chairman Ray C. Bliss saw in the election returns evidence "that the upsurge in Republican strength which began in 1966 is continuing."

Democratic Chairman John M. Bailey said he discerned no trend at all.

Democrats reclaimed the mayor's office in Baltimore, and held Philadelphia's City Hall despite internal discord and a stern GOP challenge.

On the GOP balance sheet, the Kentucky victory of Louie B. Nunn, rated something of an upset, put Republicans in charge in 26 of the 50 U.S. governor's offices. The states in the GOP column now represent 304 electoral votes, 34 more than the number needed to elect a president in 1968.

In Tuesday's only other gubernatorial race, Rep. John Bell Williams, a Democrat, predictably triumphed in a Mississippi landslide.

The off-year contests were

### Summary Of Results

By The Associated Press

Here's a summary of results from some of Tuesday's more important elections:

**Mayors** — Democrat Carl B. Stokes defeated Republican Seth C. Taft in Cleveland to become the first Negro elected mayor of a major U.S. city; Democrat Richard G. Hatcher, a Negro, defeated Republican Joseph Radigan in Gary, Ind.; Democratic incumbent James H. J. Tate defeated Republican Dist. Atty. Arlen Specter in Philadelphia; Kevin H. White, Massachusetts secretary of state, defeated Louise Day Hicks in Boston's nonpartisan run-off; Republican Ann Uccello became the first woman mayor of Hartford, Conn., defeating Democratic incumbent George B. Kinsella; Mayor Richard C. Lee won an eighth consecutive term in Nev-

Haven, Conn.; Democrat Thomas J. D'Alesandro III, son of a former three-term Baltimore mayor, won the city's top post by a 5-1 margin.

**Governors** — Republican Louie B. Nunn defeated Democrat Henry Ward to give the GOP the Kentucky state house for the first time in 24 years; veteran U.S. Rep. John Bell Williams, a Democrat, won an easy victory over Republican Rubel Phillips in Mississippi.

**Legislatures** — Democrats retained firm control of the Virginia Legislature with small Republican gains while Democrat William Ferguson Reid of Richmond became the state's first Negro assemblyman elected since 1891. Republicans won control of New Jersey's Legislature. Democrats retained control of the Kentucky Legisla-

ture.

scattered from New England to San Francisco; marked in many spots by the racial issue, and touched—Republicans said—by the standing of President Johnson and by the war in Vietnam.

Nunn, elected Kentucky's first Republican governor in 24 years, had aimed his campaign in large measure against Johnson and his war policies.

"Perhaps it's a victory for the people of America," Nunn said, "because I'm sure they're taking note at 1600 Pennsylvania Avenue."

But in San Francisco, where the electorate had a chance to speak directly on the war issue, a ballot proposition urging a cease fire and U.S. withdrawal

from Vietnam went down to resounding defeat. With 1,000 of 1,341 precincts counted, there were 96,140 votes against U.S. withdrawal from the Asian war, 55,951 in favor of the proposition.

"Mayors were elected in scores of U.S. cities, but in many instances, shifts in party control of the office on one city were balanced by reverse switches in another."

Republicans took particular delight in one victory. The upset triumph of Ann Uccello, who ousted incumbent Democrat George B. Kinsella to become mayor of Hartford, Conn.—the home town of Democratic chairman Bailey.

## Viet Withdrawal Rejected In Frisco

WASHINGTON (AP) — San Franciscans rejected a Vietnam withdrawal proposition and New Yorkers turned down a proposed new state constitution while numerous other cities and states voters also decided questions through referenda in Tuesday's elections.

Voters in San Francisco spurned by a wide margin an advisory referendum urging an immediate cease-fire and withdrawal of U.S. troops from South Vietnam.

The same question was posed to Cambridge, Mass., voters but results won't be known for about three weeks because of complications in the official ballot-counting process in that city of more than 100,000 population.

In the air, Air Force fighters bombers flew to within 21 miles of Red China's border Tuesday to again attack one of North Vietnam's two rail links with China. Navy planes hit the An Ninh Ngai shipyard and repair facility 12 miles northwest of Haiphong, apparently for the first time.

The Marine battle below Da Nang began Monday with a helicopter assault into a valley to kick off Operation Essex but the U.S. Command kept the drive under security wraps until today.

## Super Rocket Ready To Go

CAPE KENNEDY, Fla. (AP) — The countdown proceeded smoothly today toward Thursday's planned launching of the Saturn 5 super rocket, but the weatherman injected a disquieting note with a forecast of marginal wind conditions.

### FORECAST

The weather forecast for the scheduled 7 a.m. EST liftoff time called for winds of 21 miles an hour, with gusts up to 29 miles per hour. Sustained gusts at this speed could prevent a launching.

The 36-story-tall rocket is the largest, most powerful ever built. The maiden launching will be a high-stakes flight to test its worthiness as a thoroughbred workhorse for the American space program.

The workmen spent Tuesday readying an Apollo spacecraft, much like the one astronauts will use for the moon trip, for its ride atop Saturn 5. Today's chores called for checkouts and first fueling of the rocket itself.

Worksheets for today were punctuated with stop-points where the space agency must decide if things are going well enough to continue. If work lags, a built-in 7 1/2-hour hold can be used to catch up, and a Thursday launch could be delayed to as late as midday.

works many wonders

# Business Conducted By P-TA City Council

The City Council of Parent-Teacher Association was held Tuesday morning at Coker's Restaurant with Mrs. T. A. Harris presiding and the devotion being brought by Mrs. J. E. Swindell and Wendell Huddleston.

Roger Brown, local attorney, was guest speaker and described the Code of Criminal Procedures in Texas. He emphasized that respect for the law must be twofold; it must be respected by both law enforcement officers and the citizens and children of the community.

Reports were given by the following committees: Mrs. J.

## AT COMMUNITY ROOM

### BSP Chapter Advised Of Beauty Techniques

"Her Crowning Glory" from the study book "Beauty" was presented by Mrs. Ronald Carter at the Tuesday meeting of Alpha Beta Omega Chapter, Beta Sigma Phi, Coahoma The group met in the First Federal Community Room.

Mrs. Charles Richey served as model, and techniques on hair styles and beauty hints were discussed during the question and answer period.

Mrs. Don Greer served as hostess. The refreshment table was laid with gold cloth bordered with embroidery, and the harvest theme was used in decorations. Orange tapers in black candleabra flanked a black vase holding grapes and orange flowers.

Mrs. Don Cunningham presided and announced that eight members will attend the joint BSP "crazy bridge" party and salad supper at 7 p.m., Nov. 16, in the Community Room. The next meeting will be Nov. 23.

### Lt. Bart Deggs Talks On Service

Lt. Bart Deggs of the Salvation Army spoke on "Walls That Divide Men" at his Monday meeting of the Women of the Church at the First Presbyterian Church.

Lt. Deggs emphasized that mankind is saved to serve, not to sit. Mrs. Jack Irons was in charge of the program. Reports were heard from the district workshop held Oct. 25 in Colorado City.

Mrs. C. D. Read presided and introduced Mrs. John Brown of Colorado City. The next meeting will be Dec. 4 at the church. Seventeen attended.

### Pythians Plan Annual Roll Call

Mrs. Herbie Johnson Jr. was hostess, and Mrs. L. D. Crane presided for the Monday meeting of the Pythian Sisters at Castle Hall. A covered dish supper, at 6:30 p.m., will precede the annual roll call on Nov. 20 when Mrs. Johnson will be hostess. The meeting concluded with a report on the district meeting in Odessa Oct. 28.

## 'ROUND TOWN

By LUCILLE PICKLE

Who do you know that's coming here for BSHS Homecoming? If there is a former student coming for the weekend and is going to be your guest, call us at The Herald or at 263-2542 before Friday afternoon. We'd like to know, and we feel sure there are many who would like to see these old friends who haven't been here for some time.

In Waco for the Baylor Homecoming over the past weekend were MISS NELL BROWN, DR. and MRS. ROBERT JOHNSON, MR. and MRS. T. H. McCANN and Betty Ann, MRS. MERRILL CREIGHTON, and former Big Spring residents, MR. and MRS. LOUIS STALLINGS and their children, MR. and MRS. SAM BROOKS, all of whom now live in Dallas.

The "I Wish I Had Been Deaf" man who received the mail marked "Occupant" who returned the sender a check signed "Occupant."

House guests of MR. and MRS. ROSCOE CONE have returned to their home in Rochester, N. Y., but they liked Big Spring so well they hated to depart. The New Yorkers here MR. and MRS. GEORGE SWEAZEY, and they liked the friendliness of Big Spring people. One woman Mrs. SWEAZEY especially liked was the city manager's wife, MRS. LARRY CROW, whom she met in a beauty shop when they were both getting beautified. While the couple was here they went with the Cones to the Carlsbad Caverns and to Ciudad Acuna, Mexico.

The HANSON LAWHONS were in Lubbock Tuesday evening to attend the concert by Andy Williams and Henry Mancini.

## Teachers May Adopt Ethics Code

Mrs. Martin Landers, president of the Big Spring Classroom Teachers Association, reported on the Texas State Teachers Convention held Oct. 26-28 in Houston when the group met Monday at 4 p.m. in the Big Spring High School auditorium. Mrs. Landers also discussed two other meetings which she attended recently.

Mrs. Ray Cantrell distributed a code of ethics to be studied for possible adoption, and Joe Dawes issued a reminder on voter registration.

Bob Madison, coordinator of the high school audio-visual department, presented the program. He showed how to make and use transparencies for use on the overhead projector and said these could be made from materials easily available.

The next meeting will be a banquet in February at which the speaker will be Miss La Verne Wong, vice president of the TCTA.

## BY MARCY P-TA

### Resignations Of Three Officers Are Accepted

The resignation of three officers was announced by Mrs. Douglas Wingate, Marcy P-TA president, at the meeting Tuesday evening at the school. Those resigning are Capt. Donald Neal, Mrs. Herbert Hopkins and Mrs. L. R. Redenbacher all of whom are leaving the city. Replacements will be named soon.

During the business session, Mrs. Leonard Piekarky reported on the city council meeting, and Mrs. Monroe Casey announced that the Marcy unit now has 186 members.

A carnival and supper is slated at the school on Nov. 17 from 5:30 to 8:30 p.m. Chili pie and cake will be served at a charge of 75 cents for adults and 50 cents for children. All carnival events and games will cost 10 cents each.

The program was given by John T. Ferguson, local attorney, who showed a film as he spoke on maintaining law and order.

The room count was won by Mrs. R. O. Browder and Mrs. Joe Otterson, and refreshments were provided by the third grade rooms of Mrs. Browder and Mrs. R. G. Robertson.

The next meeting will be Dec. 5.

### Rebekah Lodge Initiates Member

Mrs. B. J. Petty was initiated into John A. Kee Rebekah Lodge No. 133 at the Tuesday meeting in the IOOF Hall. Mrs. Alton Allen, noble grand, presided.

Mrs. H. F. Jarrett conducted the undraping of the charter for Mrs. Mary Jane Lamar. A family night covered dish supper was set for 6 p.m. Friday with the Rev. Elrah Phillips as guest speaker.

Members will join the Big Spring Rebekah Lodge in honoring Mrs. Claude Morris, Rebekah Assembly State president, at a salad supper Tuesday evening at the IOOF Hall.

Thirty attended, and 16 visits to the sick were reported.

### Tasting Buffet Hosted By Club

"The Magic Carpet to This Wonderful World of Food" was the theme of the tasting buffet served by the Forsan Study Club Tuesday evening in the Forsan school cafeteria.

The head table was laid with a white cloth and centered with a massive arrangement of fall flowers.

Members in charge of arrangements were Mrs. Bill Cregar, Mrs. Nola Storey, Mrs. Bill Conger and Mrs. M. M. Fairchild. Proceeds will be used by the club to support its projects.

Approximately 65 attended.

## A LOVELIER YOU

### Make Graceful Exit When Going's Good

By MARY SUE MILLER  
Most lovelies fidget about the impression they make—the first impression. But very few give a thought to the last impression.

Yet there was a time when people attached so much importance to parting impressions that they backed out of a room rather than turn their backs on the remaining occupants. The idea seems a bit quaint today. But it is still desirable to make a graceful exit.

Good timing is the first rule for leave-takings. When a party is over or a meeting ends, make your departure. Get going!

A poised exit is neither a hare nor a tortoise tactic. When you are a guest, you must of course pause long enough to express gracious thanks for hospitality, but not so long as to keep your hosts standing in the draft of an open doorway.

In business and club life, post-meeting procedure demands that you make a quick getaway.

No one curries favor with a business colleague by lingering in the doorway and making idle chit-chat.

If you have ever played the role of "Madame Chairman," you know how bothersome the after-meeting chatter is. You want to be left alone to clean up details and go home.

Maybe the longer-linger Letys are afraid to expose their backviews. Maybe their parting appearance is as untidy as their parting manners.

**HIP REDUCING**  
You can diet until you become feather-light and still be hip-heavy. Reduction in the hips is assured only by exercise. For a set of quick and effective ones, send for my leaflet, "Hip Reducing Routines." Write Mary Sue Miller in care of the Big Spring Herald, enclosing a stamped, self-addressed envelope and 10 cents in coin to cover handling.

## Rebekahs To Honor President

Big Spring Rebekah Lodge No. 284 will join with other Rebekah members to host a salad supper in honor of Mrs. Claude Morris, Rebekah Assembly State president, it was announced at the Tuesday meeting in the IOOF Hall. The joint meeting will be Tuesday at 6 p.m. in the IOOF Hall.

Mrs. A. F. Hill, noble grand, presided and performed the candlelight initiatory service for Mrs. Palmer Smith.

Following the business session, a salad supper and birthday party was held. Birthday honorees were Miss Marguerite Cooper, Mrs. Nannie Adkins, Mrs. Gordon Gross and Mrs. Troy L. Durham. Those on the refreshment committee were Mrs. Emmet Hull, Mrs. A. G. Hall, Mrs. Jewel Fields and Mrs. Adkins.

A work day was announced by Mrs. Hill for 8 a.m. Tuesday at the lodge hall.

Mrs. Carl B. Mangum read a poem, "The Rose Still Grows Beyond the Wall," in memory of Mrs. Mary Delbridge and Gene Crenshaw.

Thirty-one attended, and 78 visits to the sick were reported.

### Fresh Fruit Treat

Slice a banana and a handful of strawberries into orange sections. Top each serving with a small scoop of lemon sherbet.

## Dear Abby

### Protecting A Theft

DEAR ABBY: I am going to write this quickly and mail it, so I won't have a chance to reconsider and close my eyes to a wrong.

My son recently told me about some youngsters in our neighborhood who steal bikes, remove the parts, rebuild and sell both rebuilt bikes and extra parts. I asked him how these youngsters managed to get away with it without their parents

knowing about it, and he says the kids tell their parents that the bike belongs to another boy, and they bought the spare parts with their allowances.

I am appalled at the whole thing. I can't expect my boy to reveal the names of these boys, and my husband would think it unseemly if I were to bring this to the attention of the authorities.

You are the only way I have of warning parents who unknowingly may be allowing their children to continue this practice.

I do not condone my own child's acceptance of this behavior and have asked him to avoid this group of friends until they, too, become aware of their unacceptable behavior and stop it.

**CONCERNED**  
DEAR CONCERNED: A boy who is old enough to "rebuild" a bike, is old enough to know he is breaking the law. While your son may not be guilty of stealing, he is guilty of another "crime." (Knowing of thievery and keeping quiet.) I do not approve of friends informing on one another, but a real "friend" would do all in his power to set his companions straight.

I hope the parents of the guilty boys see this, and check out the stories their sons tell them about "buying" spare parts, and repairing another boy's bike. And if they discover that their sons have stolen bikes, they should insist they are returned to their rightful owners. Otherwise they should report their own sons to the authorities. Stealing is stealing. And the successful petty thief goes on to bigger things.

DEAR ABBY: You let me down when you wrote in your column that you thought it was all right for a married man to go to a "stag" party. Abby, my husband thinks your word is holy, and when he read that he really shoved it under my nose. Surely you are aware of what goes on at stags? They always have girls doing strip-tease dances and even movies for men only that are so bad your husband won't even tell you what they were about.

**MARGOT**  
DEAR MARGOT: Sorry about that. My definition of "stag" is simply a social engagement for men only.

DEAR ABBY: I couldn't believe my eyes when I saw where you said it was O.K. for a married man to go to a stag. Don't you know they always have naked women there?

I always tell my husband when he goes out with the boys, if he wants to see a naked lady he should come home.

HAPPY

## Horoscope Forecast

FOR TOMORROW  
—CARROL RICHTER

**GENERAL TENDENCIES:** A day and evening to make sure that you do try to find the modern methods and supplies that can make everything easier for you in the days ahead. Take note of whatever New Age type of persons that you meet and see if you can't extract from them the information you require to build your life more successfully in the future.

**ARIES (March 21 to April 19)** Allies in every sphere of your endeavor will cooperate with you now if you tell them specifically what you desire personally. Then you increase both success and happiness.

**TAURUS (April 20 to May 20)** Out into the bustling world of activity and get much accomplished, both during day and a.m. Improve your public image. Higher-ups will give you the information you desire. Be diplomatic in asking things.

**GEMINI (May 21 to June 21)** You have many clever ideas for your advancement, but be sure you put only the most practical in operation quickly. What good are opportunities if you do nothing about them? Get right on the beam.

**MOON CHILDREN (June 22 to July 21)** You have to be very efficient of your work now, since it is of the utmost importance at this time. Show special devotion to loved one in a.m. Make the future more placid thereby.

**LEO (July 22 to Aug. 21)** Follow through with ideas to gain more favor from associates and clear up misunderstandings with others. Take every opportunity to show that you are most cooperative with everyone. Get ahead faster.

**VIRGO (Aug. 22 to Sept. 22)** Buying new machinery that will make your work better and easier and adds to profits is fine. Have more free time for yourself. Read your paper for ideas and data that help you to advance more quickly.

**LIBRA (Sept. 23 to Oct. 23)** Showing others that you are most charming will lead to your advancement along the lines that mean the most to you. Delve only into the hobbies that you enjoy, and with congeniality who are not faring to your nerves. Be happy.

**SCORPIO (Oct. 24 to Nov. 21)** Showing kin that you are sincerely devoted is wise and can bring about that harmony you so desire. Do whatever will make your living quarters more charming and comfortable. Also, handle business matters early in the day.

**SAGITTARIUS (Nov. 22 to Dec. 21)** Find ways to get more cooperation from your associates so that you get problems handled in an intelligent manner. Make sales as well as purchases wisely today. Center and arrange.

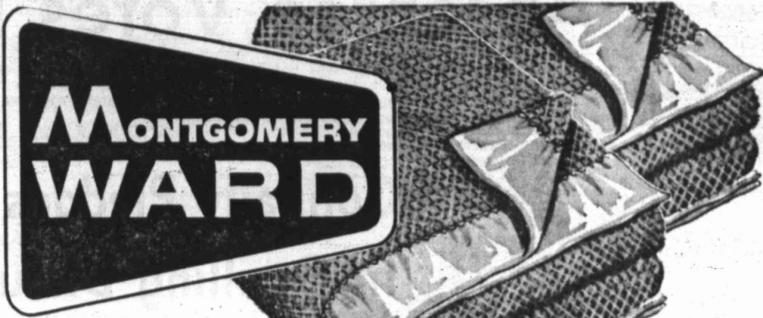

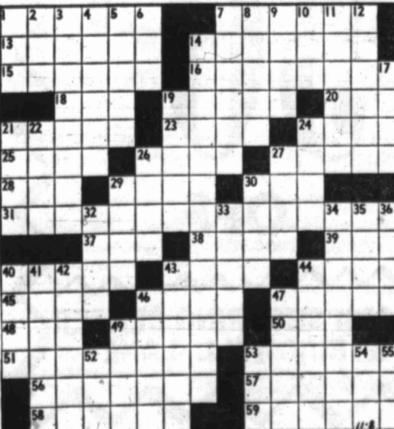

**CAPRICORN (Dec. 22 to Jan. 20)** Pay more attention to money matters. Hold on to good business sense which you possess. Making the improvements to real estate that are needed is wise. Also—Remember, the best is the most economical in the long run.

**AQUARIUS (Jan. 21 to Feb. 19)** Pleading others by being cheerful, magnetic can have a therapeutic effect on them and bring you happiness as well. Speak up all to your needs. They gladly give you the cooperation you want.

**PISCES (Feb. 20 to March 20)** Be more interested in contacting those individuals who can pave the way to greater success for you. Find out what pieces are missing from the pattern of your knowledge and plan to do something about them. Advance.

NO. 0000

ELECTION ON PROPOSED AMENDMENTS TO THE CONSTITUTION OF TEXAS HOWARD COUNTY, TEXAS

November 11, 1967

SAMPLE BALLOT

INSTRUCTION NOTE: Place an "X" in the square beside the statement indicating the way you wish to vote.

- FOR  AGAINST **NO. 1**  
The constitutional amendment allowing counties to put all county taxes into one general fund.
- FOR  AGAINST **NO. 2**  
The constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services.
- FOR  AGAINST **NO. 3**  
The amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Vietnam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law.
- FOR  AGAINST **NO. 4**  
The amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county will continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed.
- FOR  AGAINST **NO. 5**  
The amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks.
- FOR  AGAINST **NO. 6**  
The constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted.

NO. 0000  
CONSTITUTIONAL  
AMENDMENT ELECTION  
HOWARD COUNTY, TEXAS  
November 11, 1967  
NOTE: Voter's Signature To Be Affixed on the Reverse Side.

# Absentee Votes Prove Costly

It will cost Howard County better than \$1 per vote to officially tabulate the absentee votes which have been cast for Saturday's special election. Pauline Petty, Howard county clerk, said that only 23 absentee votes had been cast when the deadline for such voting rolled around at 5 p.m. Wednesday.

The special canvassing board, which counts such votes, is made up of three members. Each member receives \$10 for his services. They will have only 23 ballots before them when they begin their task Saturday morning.

The election is to approve or reject six proposed amendments to the Texas Constitution. Until Wednesday only 12 absentee votes had been cast.

Howard County is usually noted for the size of the absentee vote total. Observers regard the number of such votes as an indication of the size of an election—a large number of absentee ballots and a tight turnout.

The 20 ballot boxes to be used in the voting precincts in the election are ready and will be turned over to the election judges anytime after today.

The boxes are held up until the absentee voting period ends. The voting will be in all of the county's voting precincts. Polls open at 8 a.m. Saturday and close at 7 p.m.

Because of the extremely small absentee vote and due to the evident lack of interest, no one is anticipating a heavy turnout of voters.

Voting places, and election officials for Saturday's voting:

No. 1, North Side fire station, Andrew C. Tucker, judge; Mrs. Rufus Davidson, Mrs. A. R. Carter and Mrs. C. J. Sullivan, assistants.

No. 2, Washington Place school, Eddie C. Acrl, judge; Mrs. Oliver Cofer and Mrs. Carl Coleman, assistants.

## Connally Pledges Support In Quelling Disturbances

HOUSTON (AP)—Gov. John Connally says Texas cities can expect his full support in quelling civil disturbances.

Connally was one of the principal speakers Tuesday at the final session of the 55th annual Texas Municipal League Conference.

The governor assured the some 1,600 officials of the state's cities they would have his support to "help you with the Department of Public Safety and the National Guard or any other facility at my command to be sure that law and order is maintained and preserved."

He called on responsible city leaders to speak out to drown extremists, those who "attempt to foment revolution."

**TAX TOPIC**  
Civil disorders, rising crime rates and the proposed one cent city sales tax, already adopted by 18 cities, were the main topics of discussion during the three-day meeting.

Resolutions adopted included one in which the league supported the proposed Big Thicket National Park now under consideration by the U.S. Senate.

In another resolution the delegates urged passage of legislation authorizing underwriting of municipal revenue bonds by commercial banks for necessary municipal improvements.

**RE-ELECTED**  
Mayor Judson F. Williams of El Paso was re-elected president of the league. Amarillo City Commissioner L. O'Brien Thompson was elected first vice president; and Dallas Mayor Erik Johnson was named second vice president.

Williams, in introducing Connally, urged the governor to "think clearly and long before saying no to the voters of Texas."

Although Connally was mum on his own plans for a fourth term, he praised Houston Mayor Louie Welch as the "best informed" city official in the

state.

Welch is seeking a third term in the Nov. 18 elections.

Connally praised city officials for cooperating with the legislature in gaining the option one cent city sales tax but he said cities should organize more effectively to get needed legislation through the legislature.

**BARRIERS**  
The city officials were told by a California official that suburban cities must assist and cooperate or the central city of a metropolitan area is doomed.

Richard Carpenter, executive director of the League of California cities, said states will impose a metropolitan form of government unless the artificial barriers between suburbs and the central city are torn down.

He suggested a formation of voluntary regional public agencies governed by mayors, councilmen and members of boards of supervisors. He said such agencies are the only logical solution to truly regional problems.

No. 8, Gay Hill school, O. R. Reid, judge; S. P. Buchanan, assistant.

No. 9, Coahoma City Hall, B. G. Sheppard, judge; Hezzie N. Read Jr., assistant.

# Last Rites Set Thursday For Garner, Former Veep

UVALDE, Tex. (AP) — Home-town friends and neighbors paid their last respects today to former Vice President John Nance Garner, who left Washington in 1941, swearing he would never cross the Potomac River again. He never did.

Garner died early Tuesday, just 15 days short of his 99th birthday.

"Cactus Jack" as he was known much of his 46 years as an elected official in Austin and Washington, lay in state at a Uvalde funeral home today with simple funeral services scheduled Thursday afternoon.

"It just does not seem possible that Mr. Garner is gone," said Dolph Briscoe Jr., prominent Uvalde area rancher and businessman. "He was a part of this town for so long."

Garner, with a bright red carnation in his coat lapel, lay in an opened steel-gray color casket of copper, his shaggy white eyebrows bristling as prominently as they did a quarter of a century ago when he became the only person to walk directly from one side of the nation's Capital as Speaker of the House

to the other side as vice president. Hundreds of those who had

known him as a Texas legislator, as a Congressman for 30 years, and as vice president-un-

der Franklin D. Roosevelt from 1932 to 1940, sent condolences.

The bidding:  
 South West North East  
 1♠ Pass 1♥ Pass  
 1♥ Pass 3♠ Pass  
 4♥ Pass 5♠ Pass  
 6♠ Pass Pass Pass

Opening lead: Ten of ♠  
 Quick thinking and accurate counting by East were essential ingredients of an effective defense against South's six spade contract.

West opened the ten of clubs and the ace was played from dummy. South drew trump in three rounds, cashed the ace of hearts, and then overtook his queen with North's king in order to run the suit.

Declarer discarded two clubs and one diamond from his hand, and then led the jack of diamonds from dummy. East had been following the proceedings closely, and on the basis of the auction and play he was able to reconstruct declarer's holding with complete accuracy.

South had started with four

spades, two hearts, three clubs, and, therefore, four diamonds—one of which had just been stuffed on the long hearts. East realized that if he put up the ace of diamonds on the lead from dummy, and declarer held the king which seemed likely from the auction, then the defense would take no more tricks. South would merely cash the diamond king and trump out his remaining diamond with the king of spades.

East concluded that the only chance for his side was if West held the queen of diamonds and declarer was subjected to a guess in the suit. When the jack was led, therefore, played the three without a betraying hesitation.

South was called on to make a winning decision. He reasoned that East was more apt to have the queen than the ace when he ducked, and on this basis declarer permitted the jack to ride. West was in with the queen of diamonds and a club return drove out South's remaining trump. A diamond was ruffed in dummy, however, East took the setting trick with the king of clubs.

If East had located his diamond control by doing his thinking after North led the jack, and then ducking—declarer would have been alerted to put up the king from his hand. After ruffing a diamond, he is then in position to concede the other diamond inasmuch as he already has his 12 tricks.

"Few have given so long a time and fewer still have used their years to such advantage," said President Lyndon B. Johnson in Washington.

"He enjoyed the respect of all Americans as the spokesman for the rugged and practical individualism that played such an important role in the building and growth of this nation," said former President Harry S. Truman at Independence, Mo.

Garner, who had been looking forward to his 99th birthday on Nov. 22 and then to the 100th birthday, died quietly without apparent pain early Tuesday following a coronary occlusion.

"It was just old age," said Don Large, 24, who had been one of Garner's paid companions for almost four years. Large will be one of 10 pallbearers.

"He had a wonderful life. This

## Poetic Nudist Invites Pilots

ALBUQUERQUE, N.M. (AP) — Pilots who buzz a nudist colony near Albuquerque were given a poetic warning.

Pete Ettinger of Coronado Airport received the following verse Tuesday from the Yucca Naturist Club of Albuquerque:

Hello up there, you in the sky;  
 We like to see you zoom close by;  
 But please, if you would be our friend,  
 Don't come to an unfortunate end.

You know the power lines are here,  
 So don't! please don't! come down so near;  
 We know the nudists are lovely to see,  
 So why not join us? a nudist be!

was the best way to go," said Tully Garner, 71, the only child. Garner had lived quietly in Uvalde since returning from Washington after a split with Roosevelt over the third term issue and Garner's ambition for the Democratic presidential nomination.

After his wife died in 1948, the former vice president moved out of the two-story brick mansion he had built for her and into a modest frame cottage in the back yard. The brick house was given to the city of Uvalde and operated as a museum and as a memorial to Mrs. Garner.

Thursday at 4 p.m. (EST) there will be a 15-minute service at the funeral home con-

ducted by the Rev. Romilly Timmins, rector of St. Philip's Episcopal Church. The Rev. Mr. Timmins said there would be prayers and Scripture reading but no sermon or eulogy. "Daddy never talked about dying," said his son. "But once he said that when he died he wanted everything as simple and quick as possible."

There will be a procession to a cemetery on the western outskirts of this Southwest Texas ranch town and a five-minute graveside service conducted by the Rev. Mr. Timmins. Burial will be beside his wife in a grass-covered plot beneath a mimosa tree.

## Smooth Coverage For Vote Returns

By CYNTHIA LOWRY  
AP Television-Radio Writer

NEW YORK (AP) — The three television networks provided smooth and adequate coverage of election returns Tuesday night without going overboard with electronic gadgetry or engaging in a contest of computer efficiency.

It was, generally, a rather pleasant viewing evening for people awaiting the word on the elections.

Red Skelton's CBS hour, for instance, had some extra excitement with the appearance of Kathy Gale in the limelight. She is usually one of the dancers in Tom Hansen's chorus, but was picked for a song-and-dance routine when Joey Heatherton, Red's guest star, was taken ill

shortly before the show was taped.

Miss Gale, a cute blonde, is an excellent dancer, and was interesting to watch since she was dancing in a style which has become the trademark of the exuberant Miss Heatherton. She did very well.

CBS's second and final program on "Where We Stand in Vietnam" concentrated on the Vietnamese and their problems. Charles Collingwood's commentary, calm and clear, was especially noteworthy. He spoke of the lack of training of the army, of the general weariness of its fighting men and civilians. The program drove home the difficulties of the millions of refugees—one out of every four Vietnamese is a refugee—who have either fled

their homes or been moved out of the way of military action.

Without ignoring the problems of corruption in high and low places and outright thievery, Collingwood balanced some good with the bad, showing the work of assorted development teams of the South Vietnam government who are starting to resettle people and training them to get back to some sort of normal existence—planting crops and building new homes.

## Holiday Seals Put In Mail

Volunteers Tuesday stuffed and mailed the Mail-Sale Christmas Seal campaign for the Howard County TB Association. Mrs. Paul Kionka is chairman, and Mrs. Jerry Allen is co-chairman.

In the coming week, residents of Howard County will be receiving the Christmas Seals through the mail. Eleven of the volunteers were residents of the Community House and the Half-Way House.

## Enrollment Totals Mixed

Ups and downs characteristic of school enrollment figures this fall were reflected in last week's totals released today by administrative officials.

Only 7,610 students showed up for class last week, a drop of nine over previous week figures and far below the 7,683 reported for the same time last year.

Enrollments at individual schools, with a gain or loss from the previous week in parentheses, are: Airport 445 (plus 7); Bauer 489 (plus 3); Boydston 278 (plus 3); Cedar Crest 244 (plus 3); College Heights 414 (plus 1); Gay Hill 99 (no change); Kentwood 255 (minus 1); Lakeview 205 (minus 5); Marcy 703 (minus 2); Moss 191 (minus 5); Park Hill 335 (minus 6); Washington 482 (no change); Goliad 682 (plus 3); Rannels 453 (minus 3); Senior High 2,059 (minus 9); Special Education 146 (no change).

## Fourteen Damage Actions Top Civil Suits Docket

Fourteen of the 23 civil suits which Judge Ralph Caton, 11th District Court, has set down for jury trial starting next Monday, are damage actions. Three each are for debts and compensation. Two are suits on notes and one is a petition for a declaratory judgment.

Judge Caton will sound the docket Friday at 2 p.m. All cases announced ready at that time will be set for trial. A jury panel is to report to the court at 10 a.m. Monday for duty.

The cases on the docket are styled: Texcrete Co. of Odessa vs. Jones Construction Co., debt; Robert C. Scott vs. C. W. Guthrie et al., damages; Dorothy Smith vs. Liberty Insurance Co., compensation; D. W. Rankin Jr. et al. vs. Shifflet Bros. General Contractors, et ux vs. James W. Baker, et al., damages; A. K. Turner Jr. vs. Vharges R. Jones, note; Hardy Slaughter vs. Houston Fire and Casualty Co., compensation; Sam Edward Lewis vs. Ewing Boyd Thorpe, damages; Jinger Jones et al. vs. Jack Woodall et al., damages; R. A. Merrick et al. vs. Dr. Lee Otis Rogers, damages.

deb; David P. Mitchum et al. vs. Glen Earhart et al., damages; Freddie D. White vs. Victor McCrea, et al., note. T. J. Perkins et ux vs. Hartford Accident and Indemnity Co., compensation; Warren Sampson Christie vs. West-Tex Telephone Cooperative, damages; Lamesa National Bank vs. W. T. Coates, et al., damages; H. C. Yelberton vs. Kent Morgan, declaratory judgment; Ida Mae Ross et al. vs. F. C. Leroy Jumeck, damages; D. C. Buchanan vs. Billy Ray White, damages.

C. E. Armstrong vs. S. R. Rental Tool, damages; Tony Scott et ux vs. A. M. Boyd et al., damages; John Day vs. T. Willard Neel, damages; J. C. Beardin vs. Sohio Petroleum Corp., damages; George A. Moore, et al. vs. Alvin Morgan, damages; Virgil Abshier, et ux vs. James W. Baker, et

Control roaches and ants the safe way—brush on Johnston's No-Roach. This colorless coating is effective for months, easy to use. No need to move dishes or food. Harmless to pets.

**FURR'S**

FISHERS ISLAND, N.Y. (AP) — A dog named Champ drove his master's station wagon into the Fishers Island Coast Guard station Monday.

But he proved to be a bit of a chump as a driver, barely missing one flagpole, bashing into another and narrowly avoiding the water.

The two-year-old springer spaniel is owned by John Gada of Fishers Island, who left the dog in the car with the motor running while he waited for a ferry.

# Light-Hearted Plug For Texas Backfires

FORT WORTH, Tex. (AP) — Rep. Jim Wright, D-Tex., who earlier had touted the low cost of Texas auto insurance in a House speech, said late Tuesday "I'm not an expert on insurance, but I do claim to be an expert on Texas."

Wright told the House Monday that a San Antonio man insured a Ford automobile in 1924 for

\$21 and could buy the same basic insurance for \$23 in Texas today.

The State Insurance Department said Tuesday that bodily injury insurance could be bought for a car driven only for pleasure at approximately the price quoted by Wright. Such a policy, now and in 1924, was for \$5,000 per person and \$10,000 for each accident.

But, the department said, state law now requires \$10,000 per person and \$20,000 per accident, thereby about doubling the rate.

Wright, questioned by a newsman in Fort Worth Tuesday, said that his remarks in the House were prompted by a statement that automobile liability rates in the District of Columbia were \$208 for the same coverage available for \$52 in Tallahassee, Fla.

**FINE PLACE**  
"Seeing the small flap caused

by publicizing the disparity between Washington and Florida insurance rates, I saw a chance to do a little light-hearted advertising for Texas," Wright said.

"I asked some friends of mine in the Texas Insurance Commission for some quotations of rates that I could use to help make my point that Texas was an even more attractive winter vacation spot than Florida.

"Maybe the information I got from them overstates or, ironically, understates the case. Anyway, I'm not an expert on insurance, but I do claim to be an expert on Texas, and I still say it's a fine place for the winter-driven refugee from the Northland."

"My facetious remark in the House was intended merely to convey this thought."

'Antic Spring' Scene

Cast members are, from left, back row, Elizabeth Lipscombe, Kerry Gunnels, Kent Fish; front row, from left, Susan Boyd, Charles Kimbell and Janey Janet Perry.

# Supper Drama Set Thursday

The curtain goes up Thursday, but not before supper is served.

"An Evening with Robert Nail," a supper theatre production consisting of dinner and two one-act plays about teenagers, will be staged Thursday beginning at 6 p.m. at Big Spring High School.

Sponsored by the Court Jesters, Thespians and drama class, the program includes a tour of the drama department at 6 p.m., dinner at 6:30 p.m. and presentation of the plays at 7:15 p.m. in the auditorium foyer.

"A Portrait of Nelson Holiday Jr." portrays an entire day in the life of a typical teenager. From the moment he gets up in the morning to the time he returns home that night, the boy's steps are traced—going to school to the principal's office, reporting for football practice and attending a party at a girl friend's home.

"Antic Spring" centers around six teenagers and problems presented at a picnic planned by a girl to impress a certain boy.

Dan Shockey, high school drama instructor, directs "A Portrait of Nelson Holiday Jr." The cast includes Randy Morgan, Diana Landrum, Barry Knocke, Sharon Swim, Cindy Dittrich, Kay Stephens, Barbara Todd, Carl Van Vleet, Wayne Murphy and David Cooper. Teresa Conner is assistant director.

## Brownsville Mayor Gonzales Re-Elected

BROWNSVILLE, Tex. (AP) — Mayor Tony Gonzales won another term in Tuesday's city election. He defeated rival candidate George Saenz 3,143 to 2,829 as nearly half of the 13,000 eligible voters in Brownsville went to the polls.

## McLaughlin Honored By Many Friends

SNYDER — Numerous friends from all over Texas, joined by some from out of state, gathered here Tuesday evening to pass out a lot of praise for "Mr. Mac." That would be C. T. McLaughlin, oil man, ranchman, political and public figure and philanthropist, who was lauded for his leadership in West Texas and in the state, and principally for his fast friendships.

Principal spokesmen included Col. Homer Garrison of Austin, director of the Texas Department of Public Safety; Dr. Merton Minton of San Antonio, who served with McLaughlin on the state hospital board; Dr. J. C. Terrell of Stephenville, another cohort in state service; Raymond Buck, Fort Worth banker and attorney; and Gen. Bob Lee, USAF (Ret), of Colorado Springs.

At the conclusion, Joe Kilgore, Austin attorney and former congressman, presented a parchment plaque to McLaughlin bearing the signatures of all friends present.

Master of ceremonies was Bob Dupree, chairman of the board of Continental National Bank, Fort Worth, who ended the program by calling on every man present to say a few words in tribute to McLaughlin.

Roger Mize, Snyder bank president, was host for the dinner affair at the Snyder Country Club, and the Snyder Chamber of Commerce Producers Club, a goodwill organization, assisted in arrangements.

## Zone Change Is Denied

Planning and zoning commissioners voted to keep the door shut for any type of commercial business on residential Main Street.

Meeting Tuesday afternoon in City Hall, commissioners denied a request from Vernon Heard, 1909 Main, to change his lot to a neighborhood service zone. Heard appeared before the commission and explained plans to build a small beauty shop behind his home and an alley. He told members it would be operated by his wife and one other beautician.

Commissioners noted there was much retail and some commercial enterprise diagonally across the street and on Scurry behind Heard's home.

"I see no harm in the beauty shop, but rezoning the lot may open the door for some oil company to buy the land for use as a filling station," said commissioner John Ferguson. After further discussion he made the motion to deny the request, which was seconded by J. D. Jones. It passed unanimously with Brown Rogers, George Elliot and Jim Bill Little voting for it. Horace Reagan, chairman, presided.

## Co-Op Announces Oratorical Contest

All expense paid trips to the nation's capital city will be awarded to winners of an oratorical contest sponsored by Cap Rock Electric Cooperative.

The contest is open to any boy or girl at least 16 years of age, but not 18 years of age, prior to Sept. 1, 1968. Winners will join winners of similar contests sponsored by other electric cooperatives across Texas on the fourth annual Texas Electric Cooperative Government - In - Action Youth Tour to Washington, D. C. All expenses of the 13-day trip, beginning June 6, will be paid by Cap Rock Electric Cooperative.

Each entrant will be required to give a five to eight minute talk on the subject "How Members Benefit From Ownership of Their Electric Cooperatives" and answer one or more questions asked by the judges.

The oratorical contest will be judged on the basis of 1) knowledge of subject, 40 per cent; 2) speaking ability, 30 per cent; 3) poise, 10 per cent; 4) personality, 10 per cent; and 5) appearance, 10 per cent.

Interested young people may

obtain an official entry blank from their school or the offices. Cap Rock Electric, Box 138, Stanton.

As participants in the Texas Electric Cooperative Youth Tour, local contest winners will travel by chartered bus to Washington, D. C., where they will spend four days visiting places of historical interest and seeing the nation's government in action.

Wednesday, June 12, the Texas group will meet more than 800 students from other states for Rural Youth Day activities. The program will feature presentations by government officials and possibly the presidential staff.

The day will end with a charter cruise down the Potomac River, which will include entertainment and refreshments.

Also included on the 13-day tour will be visits to the following: George Washington's Mount Vernon Home, the Arlington National Cemetery, the U. S. House and Senate, the U. S. Department of Agriculture, the Smithsonian Institute, the Lincoln Memorial and other places of interest.

## Sanders Being Held For Federal Charges

Doyle Sanders, the man who was taken in custody at the courthouse Monday afternoon when he appeared to ask that an attorney be named to represent him in a felony worthless check case, is being held in federal jail for the burglary of a bank at Iredell, in Bosque County.

Local authorities did not know that federal agents were looking for Sanders for the Bosque County breakin. He had been indicted here for the check charge, and had been at liberty on bond.

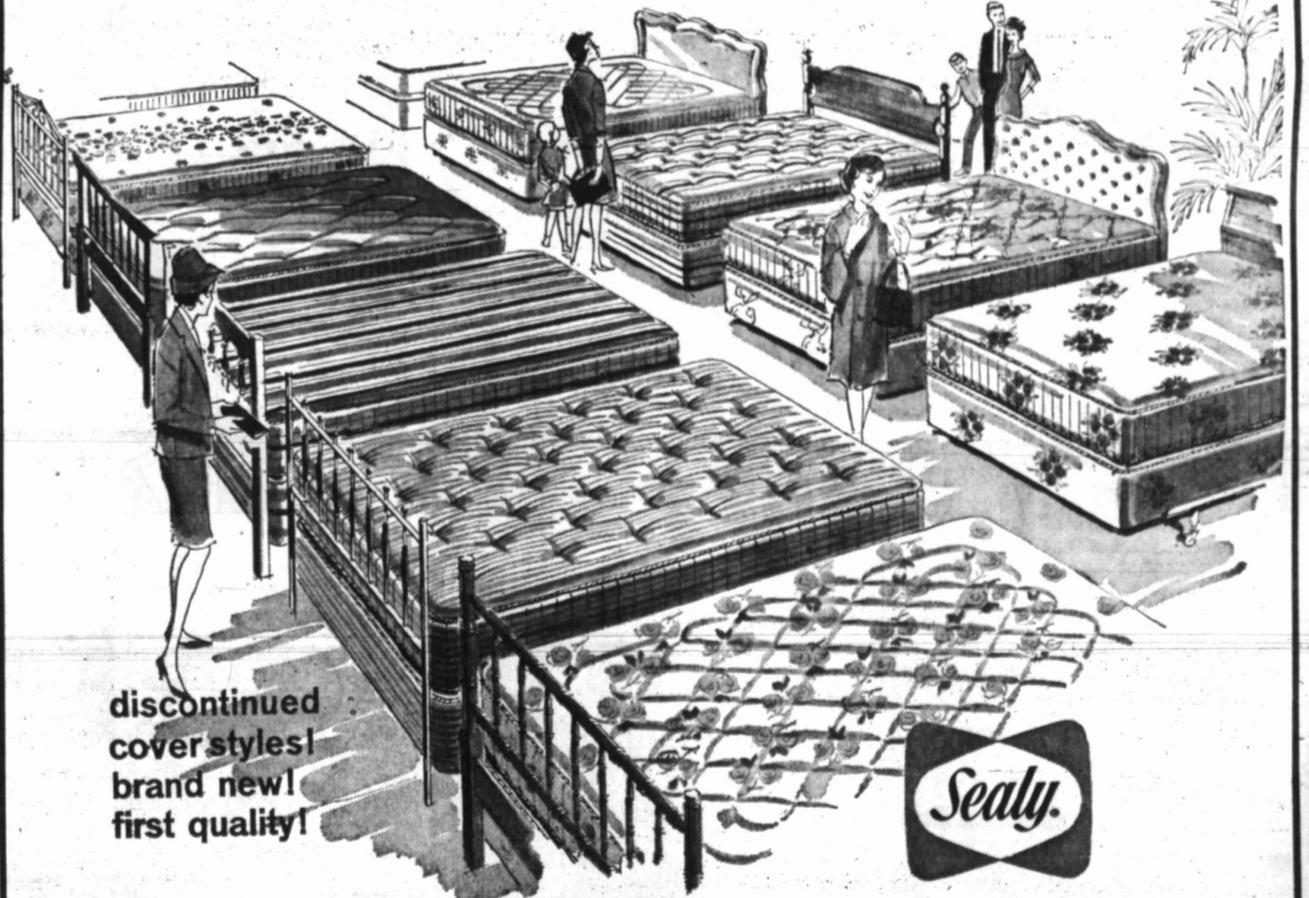

up by federal agents for the Iredell theft. The other is Johnny Doyle Pierce, 33, and both are San Angeloans.

Sanders, who is 23, waived preliminary hearing in U.S. commissioners court and bond has been set at \$20,000. Pierce refused to waive preliminary hearing and was attempting Tuesday night to contact an attorney. His bond has been set at \$10,000.

The Iredell State Bank was burglarized Dec. 18, 1966. Sanders had been charged earlier with the burglary of the Citizens State Bank in Miles, Dec. 12, 1966.

**A High School Line, 313 Pounds Per Man.**  
Santa Barbara (Calif.) High School presents its front-four defensive line for goal-line stands, averaging 313 pounds per man. Coach Sam Cathcart measures their "spread" at 13 feet, nine inches. Left to right: Cyril Gavin, age 17, 285 pounds; Danny Herring, 15, 312 pounds; Bob (Big Man) Pointer, 18, 447 pounds; and Al Reginato, 16, 230 pounds. The team is unbeaten.

# Trojans, Vols, LSU Gain Nod Saturday

NEW YORK (AP) — Perhaps a saliva test is in order: Last week's average of 776 lifted the season's average to 730. Here are this weekend's winners:

Southern California over Oregon State: The Beavers say they will trot onto the field whistling Who's Afraid of the Big, Bad Trojans but Orange Juice Simpson will save the day for the Californians.

Tennessee over Tulane: Dewey Warren will do the throwing for Tennessee and Richmond Flowers will do the catching.

North Carolina State over Penn State: In a squeaker.

Purdue over Minnesota: When you have Mike Phipps and Leroy Keyes in the same backfield as the Ballmakers do, you generally score more points than the opposition.

Michigan State over Indiana: All those party Hoosier dreams go boom in this one.

Wyoming over New Mexico: The Wyoming Cowboys well on their way to their second straight conference title and a possible bowl bid.

Oklahoma over Iowa State: Strangely, the Oklahoma Sooners became of age in their mid-season loss to Texas. Granville Liggins is their defensive ace.

Notre Dame over Pittsburgh: Rodriguez and Jimenez will be among 80 golfers when play opens in the 72-hole tournament for national pride and personal prestige. Entries come from 36 countries, Wales, Hawaii, Scotland and Ireland.

The Puerto Ricans, playing on three good legs and an injured foot, had their first practice round on the narrow, hazard-filled course Tuesday and only a few of the 80 or so members of their gallery abandoned them when word came that Jack Nicklaus of the United States had started his practice round.

Rodriguez and Jimenez traded banter between themselves and with spectators as they visited the practice tee, before setting out for a quick nine holes.

"Watch this one go out of the park," the 130-pound Rodriguez said as he took aim at a 50-foot fence at the far side of the practice tee. "See if you can match it," he told Jimenez.

The ball did clear the fence, as did three of Jimenez' drives. "A drawer fell on my right foot," said the young Puerto Rican making his third World Cup appearance. "It's cut at the root of the toe and bruised on the arch."

## Washington Top Scorer In 4-AA

Although Denver City is dominating the District 4-AA football race, Richard Washington of Slaton remains the top scorer in the circuit with 120 points on the year.

Gary Hatfield of Denver City is conceded a good chance to overtake Washington, however. He has counted 104 points.

In district play alone, Hatfield leads Washington by two points, 104 to 102.

Stanton's Jimmy Jones is tied for eighth in over-all scoring with 30 points.

The leaders:

# Puerto Ricans Count On Fun In Matches

MEXICO CITY (AP) — David Jimenez and Chi Chi Rodriguez in the 15th World Cup Golf Tournament of Puerto Rico are one of the strongest—and happiest—teams They came to Mexico to win. But no matter what their final score they figure to have more fun than anyone else on the 7,500-yard Club de Golf Mexico course.

Rodriguez and Jimenez will be among 80 golfers when play opens in the 72-hole tournament for national pride and personal prestige. Entries come from 36 countries, Wales, Hawaii, Scotland and Ireland.

The Puerto Ricans, playing on three good legs and an injured foot, had their first practice round on the narrow, hazard-filled course Tuesday and only a few of the 80 or so members of their gallery abandoned them when word came that Jack Nicklaus of the United States had started his practice round.

Rodriguez and Jimenez traded banter between themselves and with spectators as they visited the practice tee, before setting out for a quick nine holes.

"Watch this one go out of the park," the 130-pound Rodriguez said as he took aim at a 50-foot fence at the far side of the practice tee. "See if you can match it," he told Jimenez.

The ball did clear the fence, as did three of Jimenez' drives. "A drawer fell on my right foot," said the young Puerto Rican making his third World Cup appearance. "It's cut at the root of the toe and bruised on the arch."

## FIGHT RESULTS

TUESDAY NIGHT  
LONDON, England — Henry Cooper, 12½, London, stopped Billy Walker, 192, England, & Cooper retained British and Empire heavyweight title.

FARGO, N.D. — Andy Holtzman, 160, Fargo, stopped Billy Marsh, 168, Henderson, Nev., & Ed Hurley, 179, Minneapolis, knocked out Chip Holliday, 188, Phoenix, Ariz., 4.

North Carolina State over Penn State: In a squeaker.

Purdue over Minnesota: When you have Mike Phipps and Leroy Keyes in the same backfield as the Ballmakers do, you generally score more points than the opposition.

Michigan State over Indiana: All those party Hoosier dreams go boom in this one.

Wyoming over New Mexico: The Wyoming Cowboys well on their way to their second straight conference title and a possible bowl bid.

Oklahoma over Iowa State: Strangely, the Oklahoma Sooners became of age in their mid-season loss to Texas. Granville Liggins is their defensive ace.

Notre Dame over Pittsburgh: Rodriguez and Jimenez will be among 80 golfers when play opens in the 72-hole tournament for national pride and personal prestige. Entries come from 36 countries, Wales, Hawaii, Scotland and Ireland.

## THROUGH EX-LETTERMEN'S ASSN.

# Ex-Longhorn Proposes BSHS Hall Of Fame

Dear Tommy,  
Some weeks ago I began contacting the many Big Spring Ex's that are now living in the Dallas-Fort Worth area, with the motive of organizing a group trip to one of the Steer home games. Almost all of the people contacted expressed a great interest in such a trip. At the same time most expressed a desire for the opportunity to be more active in their support of the Big Spring teams. Such activeness, it was felt, needed more than a once a year trip to see a football game as its emphasis.

To provide this emphasis, we in this area are now actively engaged in trying to create what we are calling the "Big Spring High School Hall of Fame." To provide the machinery by which the "Hall" can be created and maintained our first chore is to establish an Ex-Lettermen's Association. It will be the votes of this group that will determine who will be inducted annually into the hall.

The details of how one is nominated for the Hall; of how he, or she, is elected to the Hall; the manner and time of inductions, etc., are things yet to be worked out. We must first get the interested membership of the Ex-Lettermen's Association formed, and officers elected before the Hall can become a reality. While those deserving to be elected to the Hall will naturally be limited in number, membership in the Ex-Lettermen's Association is open to

all who lettered in any high school sport.

Anyone desiring to get their name on our roll as a member is requested to send their name, address, year of graduation and sports lettered in, to any of the following:

- Mike Musgrove  
3616 Bryce  
Fort Worth, Texas
  - Joe Bob Clendinin  
501 Fuller  
Arlington, Texas
  - George Peacock  
2515 Hawthorne Apt. 115  
Dallas, Texas
  - Jack Irons  
7707 Meadow Park Dr.  
Dallas, Texas
- Anyone desiring to obtain further information is urged to contact me at the following:  
Glenn Whittington  
916 Madrid Court  
Hurst, Texas 76053  
Area Code 817  
Telephone BU 1-6148

Your help we sorely need in obtaining the membership we need to insure our success. Not only can you provide us with the necessary publicity, we would appreciate your thoughts and suggestions about what we are attempting to do. We are all quite enthused about the Hall, and the prospects of the benefits that stand to be derived from it.

Sincerely yours,  
Glenn Whittington

# Peoples Is Man To Watch, Says Big Spring Scout

Big Spring scout Frank Pulattie has pointed a finger at Ronnie Peoples as the boy Big Spring will have to stop if the Steers hope to defeat Odessa High in their Homecoming football game here Friday night.

In a report made before members of the Quarterback Club at the high school Tuesday night, Pulattie said that Peoples is the boy who makes the Broncho attack go.

Odessa's record is deceptive, Pulattie said. True, the Red Hosses have not won a game this season but they've come very close at times and played tremendous games against both Midland Lee and Midland High.

Jimmy Lynn, the O.D.'s a quarterback, likes to throw long to Bryce Pool, a converted quarterback who is now at end for Joe Means' team, as well as to Steve Gatlin, Fred Kemper and Richard Lewis.

Odessa's line isn't as big as some the Steers have faced this season, but it moves well, according to Pulattie. Probably the outstanding performer for the Bronchos up front is Mike Adams, a 162-pound right guard.

He helps clear the way for Peoples when Ronnie carries the ball.

The Quarterback Club may take a leading role in trying to land playoff games here later this morning.

Big Spring hasn't hosted such a contest in several years now although the welcome mat has gone out each fall. The proposal came in for liberal discussion

## \$500 WINNER IN SHELL'S CONTEST

Mrs. Betty Mullens, 3705 Dixon, is winner of \$500 in Shell Oil Company's Spell Americana Contest being sponsored at all Shell Service Stations. Mrs. Mullens was presented her \$500 check by Jack Benson (left), Shell representative, and W. C. Kennedy, of Kennedy's Village Shell Service Station, 1905 Wason Road.

# Big O Sidelined, Royals Defeated

**By The Associated Press**

Cincinnati didn't have Oscar Robertson and missed him. Chicago didn't have Reggie Harding and didn't.

The Royals were whipped by Boston 113-103 in a National Basketball Association game Tuesday night and the lack of the injured Big O was critical.

The Bulls were beaten, too, 111-106 by St. Louis, about as close as the have-not Bulls have

been to their second victory this season. Harding, the big Chicago center, was suspended for failing to rejoin the club after leaving it when his mother died in Detroit.

In other NBA games, Philadelphia downed San Diego 130-105 and San Francisco whipped Seattle 126-112.

Sam Jones led the Celtics to victory over the Royals, scoring 10 straight points in the third

quarter, the only points he scored in the game. John Havlicek was Boston's high scorer with 23 points while Adrian Smith had 27 for Cincinnati.

The Hawks, 12-1 on the season as opposed to the Bulls' 1-10 mark, almost blew the game after having a 17-point lead in the second period. Chicago tied the game with a minute to go, but consecutive baskets by Paul Silas and Joe Caldwell iced the verdict.

Wilt Chamberlain got 19 points, his high for the season, six of them sparking a 12-point Philadelphia spurt in the second quarter against San Diego.

# Dallas Edges Oakland Five

**By The Associated Press**

Indiana and Dallas saved the best for last and walked off with victories in the only American Basketball Association games scheduled Tuesday night.

Indiana, leaders in the Eastern Division, was losing by a point starting the final period against Pittsburgh, but ripped off nine straight points at one stretch and breezed home 100-83 in Pittsburgh. It was the ninth victory in 11 games for the Packers.

Dallas had the same problem shaking Oakland and trailed 82-81 before putting on a final flurry that carried the Chaparrals to a 118-112 victory in Dallas.

Bob Netolicky scored 23 points for the Packers, who outscored the Pipers 34-16 in the last period. Connie Hawkins had 17 for Pittsburgh, which lost for the fourth time in nine games.

# HUARTE STILL WANTS TO PLAY He's Had Ups, Downs

**PHILADELPHIA (AP)** — It's been three years since John Huarte knew the glory of being a great quarterback at the mecca of college football, Notre Dame.

Huarte recalled it well Tuesday as he signed with the Philadelphia Eagles of the National Football League. He was assigned to the Eagles' taxi squad, a little group whose members are called upon in the event of injury to a regular.

Huarte was everybody's choice in 1964 as the Heisman Trophy winner, symbolic of college football's standout player. The Eagles drafted him sixth. The New York Jets of the then struggling American Football League selected him second.

The Jets also picked a No. 1, that year by the name of Joe Namath. They reportedly gave Namath a \$400,000 package, and Huarte a \$200,000 deal. Huarte squared up on the Jets' taxi squad with Namath and Mike Taliaferro kept as quarterbacks.

After one season, the sideman thrower from South Bend was traded to the Boston Patriots where he became a seldom used substitute. This year he decided to play out his option with Boston, so he could become a free agent in 1967.

Asked why he invoked the option clause, Huarte said, "I just wanted to play."

Boston didn't wait for the option to expire. The Patriots let

Huarte go last month. Now, the 23-year-old passer has rejoined the coach who first recruited him for Notre Dame, Joe Kuharich.

Now general manager and coach of the Eagles, Kuharich told Huarte there was no guarantee he would play with the Eagles as long as Norm Snead and King Hill are healthy.

"We'll take him to camp next year," Kuharich said. "We think this boy is as well qualified as any boy (quarterback) in college this year. But we have no plans of playing him now."

"We just want him to work with the taxi squad and get a little acclimated to our style."

# Nance And Dixon Top Performers

**NEW YORK (AP)** — Jim Nance of Boston leads the American Football League's rushers and Oakland's Hewitt Dixon is the top pass catcher. But the versatility leader is Kansas City's Mike Garrett.

Garrett ran for 192 yards in the Chiefs' 42-18 thrashing of New York last Sunday and moved into second place behind Nance in the rushing statistics. He has 671 yards to Nance's 822.

But among the nine AFL players who have gained more than 100 yards rushing and receiving, Garrett is the leader. His 140 over-all, 59 yards more than Keith Lincoln of Buffalo.

Dixon has caught 43 passes for 423 yards to lead that department. Len Dawson of Kansas City is the top passer with 119 completions in 197 attempts for a 60.4 average.

(Photo by Danny Valdez)

## Ready To Roll

Doug Robinson, senior fullback, who was injured earlier in the year, is ready to go at full speed for the Big Spring Steers in their game Friday night here with Odessa High. The Longhorns will be seeking their fifth win in nine starts and much depends on how well Doug performs.

## LOOKING 'EM OVER

With Tommy Hart

Midland Lee had no trouble filling its November 8 open date in football. The Rebels have signed a two-year pact with Wichita Falls High School, with the first game to be played in Wichita Falls.

After Big Spring's 2-AAAA slate was announced, several Class AAA schools around the area, one of which was Andrews, buzzed in trying to line up a game but Coach Spike Dykes wanted a couple of AAAA opponents, if possible.

Lubbock Monterey, which will play the Steers the next two years, is supposed to get increasingly tough through 1969.

When Tulane and the Air Force Academy butted heads in football at New Orleans recently, the game attracted 20,000 paying customers.

A high school game being played there at the same time lured a turnout of 24,000.

Although the crowds following the Odessa-Midland entry in their Texas Professional Football League home games have grown increasingly small, some of the players earn as much as \$100 a game.

The club is subsidized by a group of business men who have been told the big pro leagues may eventually start picking up the tab for the whole operation.

The NFL and AFL are going to have to invest their money somewhere if their revenue from TV keeps zooming and farm operations might be the answer.

Vaughn Mancha, the former All-American who is now director of athletics at Florida State University, says the officials gave his school's Seminoles two touchdowns in their game earlier this year with Texas Tech.

Tech lost the game, 23-12.

For the first time in history, every Southwest Conference member had been defeated in league play prior to November this year.

Gordon (Moe) Madson, a former Big Spring athlete, brings his Odessa Ector basketball team here Dec. 15 for a practice tilt with the resident Steers.

Ector has been established as co-favorites in District 2-AAA, along with the Andrews Mustangs.

The Eagles will be led by 6-4 Harold Tacker, who has already won two letters and is one of five returning vets.

Last year Ector was 20-9 against some respectable competition and was 7-5 within its own league, good for third place. They finished fast, after realizing they could play without Clarence Redie, who was declared ineligible after making an unauthorized trip to a college in Oklahoma.

Bobby Nichols, the pro golfer who played out of Midland at one time, is favoring a bursitis-plagued shoulder and is having to take it easy for a couple of months.

Some of those who have seen him play insist that half-back Robert Popelka of Temple High School is in a class with Glyn Gregory, a great player for Abilene High School in the middle '50's.

Coach Wayne Gardner of Waco High, who champions Popelka's cause, also insists that Temple's present backfield may be a little better than the Gregory-led, Abilene team of 1956.

Some observers are prone to say that the current Cooper backfield is the greatest ever to grace a Texas high school football field.

# Orlando Cepeda MVP; Gets Solid Backing

**SAN JUAN (AP)** — Puerto Rican Orlando Cepeda, named the National League's Most Valuable Player in a unanimous vote, is a very happy and proud man.

Interviewed at his Bayamon home after his selection today, Cepeda gave most of the credit for his award and tremendous comeback with the world champions St. Louis Cardinals to team trainer Dr. Robert Bauman, "whose selflessness and hard work helped me greatly this year."

The Cards' big first baseman became the first player in the history of the National League to receive unanimous support from the MVP award.

He won with the highest batting average since Pittsburgh's Dick Groat hit .325 in 1960. Cepeda finished the season with .325, hit 25 homers and batted in 111 runs, top in the circuit.

"This is the most marvelous thing that could happen to a ball player," Cepeda said after re-

ceiving a telephone call from St. Louis announcing the award.

"I feel very proud, but I really don't know what to say. I want to thank all the people who helped me."

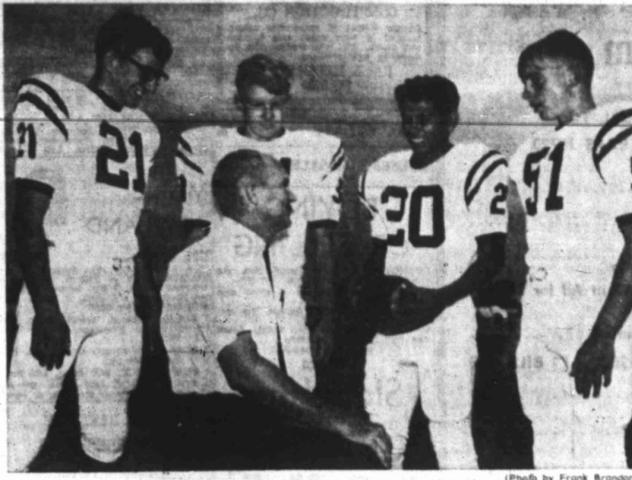

He was referring to Roberto Clemente, the Pittsburgh Pirates' outfielder, winner last year and third in the voting this year. Clemente received 129 points this time and finished behind catcher Tim Lincecum of the Cardinals, who got 136 points.

Ron Santo, Chicago third baseman, was fourth and Hank Aaron, Atlanta outfielder, was fifth.

Cepeda was named as the number one choice on all the 20 members of the Baseball Writers Association of America named to pick the MVP. He received 280 points.

The 30-year-old player in his 10th season in the majors. He was traded last year by the San Francisco Giants to the Cards for pitcher Ray Sadecki.

Big Spring (Texas) Herald, Wed., Nov. 8, 1967 5-B

**They Host Gail Friday Night**

Idle last week through no fault of their own, the Mustangs (some of whom are pictured here with their coach, James Blake) will return to play in Ackerly Friday night against Gail. From the left, the boys are Kynn Maxwell, Ricky Graham, Alfonso Calvio and Kelly Gaskins.

## Steinke's Work On Pass Paying Rich Dividends

**KINGSVILLE, Tex. (AP)** — Texas A&I Coach Gil Steinke did post-graduate study on the forward pass and the result is the Javelinas have a perfect football record.

Steinke, as an under-graduate, threw only two passes during an outstanding career at A&I and hardly touched the ball with the Philadelphia Eagles except to return punts and carry from scrimmage.

Yet the Javelinas, undefeated in seven games this year, have used the pass — both offensively and defensively — as a major weapon.

Last Saturday in a 36-0 blanketing of Howard Payne four of their five touchdowns came as a result of passes. Their three interceptions boosted the Javelinas' pass theft record to 24 for the season, a school record.

Texas A&I has scored 12 touchdowns through the air, seven by rushing. Two others were on punt returns.

Steinke was too busy running to pass more at A&I. His rushing total in his senior year, 1941, was 1,074 yards. It exceeded nationally only by Georgia's All-American Frank Sinkwich.

That season Coach Bud McCullum pioneered the man-in-motion T in the Southwest, and the Javelinas ran roughshod over eight of 10 opponents. They scored 336 points, second highest nationally. Steinke scored 66 of them.

After World War II service in the Navy, Philadelphia also thought of Steinke as a runner. But the National Football League's stress on the forward pass showed him first-hand that weapon's capabilities.

Before one of Steinke's quarterbacks, Randy Johnson, won a place with the Atlanta Falcons, Tommy Janik made the jump from A&I to the Buffalo Bills.

The Javelinas have been somewhat of a surprise this season because they were supposed to

## UTEP Replaces Tulsans As Offensive Leader

**NEW YORK (AP)** — The annual passing war between Bobby Dobbs and Glenn Rice, coached by Bobby, replaced Tulsa, coached by Glenn, as the passing leader this week with an average of 330.8 yards a game through the air, National Collegiate Sports Service statistics showed today.

The battle between the brothers has been going on since Bobby left Tulsa for UTEP three years ago and Glenn replaced him. Discounting the first two warmup weeks of each season since 1965, Tulsa and UTEP have ranked 1-2 or 2-1 nationally in passing 16 times in 21 weeks.

Tulsa also gave up its monthly-long lead in total offense to UTEP, 436.9 yards a game to 425.8.

Texas Tech climbed four fourth to take the rushing lead

Player	Team	SEASON Yds	Pts	Ints	TDs
Cliff Thomas	Tahoka	25	0	0	100

Bill Spencer	Plains	4	0	0	24
Joe Pierce	Plains	4	0	0	24
Gary Liles	Plains	3	0	0	18

with 269.4 yards a game on the ground, ahead of East Carolina's 251.3. Tech rolled up 359 yards rushing in a 24-10 victory over Rice.

In scoring, it was again UTEP and Tulsa, 43.2 points a game to 35.2, the same places they held last week.

## Weasel Joins Flea In NFL Parade

**By The Associated Press**

The Weasel joined the NFL on the honor list today for the New Orleans Saints, still savoring their first victory in the National Football League.

The Weasel — corner back Dave Whitsett — was named the NFL's Defensive Player of the Week today by The Associated Press for his efforts in the Saints' 31-24 conquest of the Philadelphia Eagles Sunday.

Whitsett, a 31-year-old pickup in the expansion draft from the Chicago Bears, is noted for his blocks of placement kicks and his pass interceptions.

It was an interception of a Norm Snow pass for a 41-yard touchdown in the third quarter that gained the 6-foot-1, 190-pounder his defensive laurels of the week.

Whitsett has tagged seven passes so far this season to lead the NFL in this department. He has run back two of them for touchdowns, tying him for first in the league.

The NFL record of three is shared by Dick Lynch, the retired Giant, and Herb Adderley of the Green Bay Packers.

The Flea — flanker Walt Roberts — was picked as the NFL's Offensive Player of the Week by the AP Tuesday for three sensational touchdowns against the favored Eagles.

Roberts ran the opening kickoff 91 yards for a touchdown, scooped up teammate Jimmy Taylor's fumble and raced 27 yards for a score, and romped 49 yards with a pass from Gary Coozzo in the fourth quarter for the Saints' winning margin.

## Six Cougars In TD Race

Ablene Cooper is not only dominating the District 2-AAAA football race but the individual scoring drive, as well.

Jack Mildren of the Cougars is the current leader with a total of 78 points. Six of the top seven scorers in the marathon wear Cooper colors.

Roy Lee Warren of Big Spring ranks fifth in the scramble with a total of 38 points.

In district games alone, Mildren led with 48 points, followed by Jon Harrison, a teammate, who has 36 points.

The scores:

Player	Team	SEASON	Yds	Pts	TDs
Jack Mildren	Cougar	12	0	78	
Jon Harrison	Cougar	10	0	36	
Sony Cooper	Cougar	8	0	28

**Hunters Asked To Donate Pelts**

Hunters with unwanted hides from deer and antelope are being asked to give them to state hospitals and special schools.

The Voluntary Services Council will tan and give the leather to patients in Texas state mental hospitals, TB hospitals and schools for retarded persons where it becomes part of the recovery program.

If you have your deer processed, the meat packer can send the hide along for you.

No money changes hands in the project. The taxidermist donates facilities and labor for curing, storing and shipping.

Most of the motor freight lines haul the hides without charge.

The hides can be sent to Austin Taxidermist Studio, 2708 South Lamar, Austin, Texas.

## Anti-Johnson Check Planned

WASHINGTON (AP) — Sen. Eugene McCarthy, D-Minn., takes soundings in four key states this weekend to plumb the depth of Democratic party opposition to President Johnson's Vietnam policies.

In connection with scheduled speeches in St. Paul, Minn., on Thursday, Ann Arbor, Mich., on Friday, Boston on Saturday and Chicago on Sunday, McCarthy said he plans talks with party leaders to learn the extent of anti-Johnson sentiment in their areas.

**DENIAL**  
 McCarthy, who has said he believes there is widespread Democratic discontent with Johnson's war policies, indicates his findings on the weekend tour may help him decide

whether to oppose the President in some 1968 presidential primaries.

The Minnesota senator, whose name was one Johnson mentioned in 1964 to conceal for a time his choice of Hubert H. Humphrey as his vice presidential runningmate, denied in an interview Tuesday that he and the President have reached a political parting of the ways.

"You don't reach a point of no return in politics," McCarthy said.

**FALSE FRONT**  
 "The question here is not one of personalities but of issues. It is better to have the party openly divided on such issues as Vietnam than to try to cover up the division by a false front of unity."

He said Johnson's attacks on his Democratic war critics have not contributed to party discussion of the issues.

"The President has had experience in handling cattle," he said.

"You start them slowly and then stampede them. He doesn't understand that that same psychology can't be applied to people."

### Miniskirts Land Two Teens In Cell

ATLANTA, Ga. (AP) — Two teenage girls who appeared as spectators during a narcotics hearing for hippies in Municipal Court were ordered arrested by Judge Ed Brock because they wore miniskirts.

The judge held them in contempt of court and ordered them jailed until they "purge themselves by obtaining clothing sufficient to cover the body in a decent manner."

The girls, both 17, were held until other clothing was brought to the jail.

Brock said he felt such behavior threatened to turn the courtroom into a burlesque house.

 LIMA, Peru (AP) — Fifteen workmen were killed Tuesday by an explosion in a tunnel at a hydroelectric plant at Mantaro, about 200 miles east of Lima.

## Attempted Bribery Suspect In Hoffa Case Jailed Again

LOS ANGELES (AP) — D'Alton Carl Smith was arrested at his Los Angeles home Tuesday on a warrant charging attempted bribery of a witness in the 1962 trial that resulted in conviction

of teamsters union president James Hoffa on a jury tampering charge.

Smith was booked at downtown police headquarters and released late Tuesday night on \$27,500 bail. He is scheduled for arraignment at 11 a.m. Friday in superior court.

grand jury. A copy of the warrant was sent to the Los Angeles County district attorney's office.

Shortly afterward, Los Angeles police were told that Smith would be surrendered here by his attorney. They failed to appear.

### Five Big Spring Mishaps Reported

Five minor accidents were reported to the police Tuesday. Phyllis Flinn, 2411 Main, was in collision with two parked cars at the parking lot of Hall-Bennett Memorial Hospital, 411 E. 9th. The cars belonged to L. D. Bender, Route 1, and Patsy Curry, 1400 E. 14th.

### POSTS BOND

Instead, Smith turned himself in with a lawyer in attendance on Oct. 3 at Denton, Tex. He was released on \$1,500 bond and an extradition hearing was set for Nov. 21.

Last week a duplicate warrant for Smith's arrest was received by the Los Angeles County district attorney's office from the East Baton Rouge sheriff.

### MIDDLEMAN

Smith, once active in Los Angeles County politics and more recently a New Orleans contractor, is charged with offering \$25,000 to Aubrey Young, a former aide of Louisiana Gov. John McKeithen, to act as middleman in an effort to get Grady Partin to change his testimony in the Hoffa case.

An automobile belonging to Arlie Knight, 3403 Airport, rolled from a parked position into a utility pole at 1008 NW 2nd. Barbara S. Parnell, 3202 Cornet, and Glen Martin Pless, 609 Elgin, were in an accident at 1415 E. 6th.

Partin, a Baton Rouge teamster leader, was a government surprise witness at the Chattanooga trial of Hoffa. He claimed he had been offered \$1 million to change his testimony.

Los Angeles police, who had been told by Smith's attorney here that he was in Texas, thought the duplicate warrant might be a mistake. They checked Baton Rouge authorities and were told that the original warrant was valid.

### Christmas Kettle Chairman Named

Albert Smith, 809 W. 18th, has been appointed chairman of the Salvation Army's Annual Christmas Kettle Program, announced Lt. Bart Deggs, commanding officer of the local unit.
