## PAY RAISE

### Higher Postal Rates Are Due

WASHINGTON (AP)—Higher postal rates for the public and pay boosts for federal workers are included in a bill that appears ticketed for congressional passage next week.

The catch-all measure also would bar federal employees, including Congress members, from putting relatives on their office payrolls.

The Senate and House agreed in conference committee Thursday night on details of the bill that would:

—Hike the cost of mailing first-class letters from 5 to 6 cents; first-class cards from 4 to 5 cents; and airmail cards from 6 to 8 cents. The minimum rate for bulk third-class mail would be hiked from 2.87 cents to 4 cents.

—Give federal employees a pay raise totaling \$2.7 billion annually when fully effective in two years.

—Set up a commission to recommend new pay levels for congressmen, federal judges and top government officials, which could be effective in 1970.

—Provide that a former Texas congressman and longtime friend of President Johnson—Judge Paul Kilday of the U.S. Military Court of Appeals—be eligible for a pension of \$26,400, based on his top salary as a congressman, instead of the \$18,000 he ordinarily would get on the basis of his judge's salary.

—Bar federal officials from naming a relative to a job within their offices or agencies and also bar them from seeking jobs for relatives in other government offices. This wouldn't apply to relatives now working in congressional offices.

## House Will Resist

WASHINGTON (AP)—House members who led the fight to shear President Johnson's foreign-aid bill pledged to resist the Senate's effort to restore \$500 million of the funds.

The Senate approved Thursday a \$2.7 billion foreign-aid appropriation for the current fiscal year, compared with the \$2.2 billion passed earlier by the House.

The \$2.7 billion package approved by the Senate allocates \$2.2 billion for economic aid and \$510 million for military aid. In the House the corresponding amounts were \$1.8 billion and \$365 million.

## Smallest Crop

WASHINGTON (AP)—The Agriculture Department's final report of the year estimated cotton production today at 7,618,000 bales of 500 pounds gross weight, the smallest crop since 1895.

The indicated crop compares with 7,969,000 forecast a month ago, 9,575,000 produced last year and the 1961-65 average of 14,935,000 bales.

Production this year was held down by a government program offering growers substantial payments for underplanting their acreage allotments and by adverse weather. The payment program was designed to reduce production to make room in markets for surpluses.

## Dollar Defense

WASHINGTON (AP)—The Johnson administration is backing its defense of the dollar with a ready supply of \$475 million in gold bullion.

The Treasury Department said Thursday it transferred that much gold from its money stock to a special fund that makes gold sales to foreign governments.

It was the largest single shift of gold in U.S. history, surpassing a \$448 million movement in February, 1947, to cover the original U.S. subscription to the International Monetary Fund.

LBJ's call to unions to restrain their wage demands is criticized by union leaders. Some say they will ignore the appeal. See Page 8-A.

## 14 SHOPPING DAYS LEFT

CHRISTMAS SEALS FIGHT TB and other RESPIRATORY DISEASES

## COOLER

Increasing cloudiness and warmer today. Mostly cloudy and cooler tonight and Saturday with chance of possible showers. High today 64, low tonight 39, high tomorrow 52.

## Babysitter For Little Bears

Mrs. Judy Fields, the Oklahoma City zoo's nursery supervisor, takes special care of these two-week-old twin sloth bears. Mrs. Fields takes the baby bears home with her every

night so they will have round-the-clock care. A zoo spokesman noted, "Judy has a very understanding husband."

## Armed Suspect Captured After Woman Gunned Down

BRECKENRIDGE, Tex. (AP)—A wealthy widow was shot to death at her ranch home near this West Central Texas town late Thursday night. Officers arrested her armed son hours later and charged him with murder and assault with intent to murder.

Police said Mrs. Mabel Hill, in her 70s, was shot once in the arm and once in the back. Her daughter, Mrs. J. W. Bennett of Fort Worth, was also wounded but managed to drive to a neighbor's home to summon aid.

NO BOND SET  
No bond was set for the son, J. M. Hill, 53, who was taken into custody by State Game Warden Richard Corley after an intensive search in a sparsely wooded area north of Breckenridge. Wearing a Western

shirt, a straw hat and boots, Hill was brought in handcuffs to Breckenridge after arraignment in nearby Graham.

Justice of Peace J. W. Dodds said Hill made no statement. Dodds said "Hill doesn't have a lawyer and said he didn't want one. He had no comment to make whatsoever."

MYSTERY MOTIVE  
Dodds said Hill was arrested about six miles from the house where the shooting occurred. A pistol was found at the base of a telephone pole.

"Hill told me he had thrown it in a creek," Dodds said, "but officers thought they saw him throw the gun down shortly before he walked out on a road with his hands up."  
Dodds said Hill was born and reared in Stephens County. "His

folks came here right after the Civil War," Dodds said.

A motive for the shooting was not clear.

Dodds said "the best we can get is a family quarrel has been going on for possibly two months. There's still some pieces we have got to put together."

OIL INTERESTS  
Mrs. Hill was reported to have oil and land interests.

Officers quoted the wife of the hunted man as saying her husband had jumped from their car at a point between Eliasville and South Bend, hamlets northeast of Breckenridge.

Mrs. Bennett, who was reported in fair condition at Graham General Hospital, said the attacker had ripped out telephone wires at the Hill residence, three miles south of Eliasville.

## GOP Progressives Want Rocky, Will Take Nixon

PALM BEACH, Fla. (AP)—Party moderates among Republican governors meeting here are trying to stay flexible for the convention stalemate they think may produce Gov. Nelson A. Rockefeller of New York as their 1968 presidential nominee.

While they had advice that they may have to resign themselves to accepting Richard M. Nixon, the 1960 candidate, as their nominee, several of the

professedly progressive GOP state executives attending a winter meeting of their association in this balmy resort city weren't showing signs of taking it.

Among these, Gov. Raymond P. Shafer of Pennsylvania announced he is running as a favorite son candidate in an effort to keep his state's hefty delegation uncommitted to any presidential aspirant until near convention time.

NO HURRY  
"I don't believe the primaries will have the same effect that they had in 1960 or in 1964," he said at an informal news conference. "I don't think we need to get behind a candidate now. I believe Rockefeller can be drafted when the times comes."

In the same vein, Gov. Spiro T. Agnew of Maryland and Gov. Tom McCall of Oregon, both publicly pushing Rockefeller, said in separate interviews that they think as many as 16 of the 26 Republican governors would welcome Rockefeller enthusiastically as the nominee.

He said that if Rockefeller persists in his position that he is not a candidate and does not want to be president, "We may

## Intruder Robs, Rapes Victim

DALLAS (AP)—A pistol-waving, slightly-built man who wore a ski mask slipped into a fashionable North Dallas apartment Thursday night, tied two young women to a bed post and raped one of them. He later left, taking about \$50.

Police said the same man was believed scared away from another apartment in the same complex earlier in the night. A woman's screams routed a would-be attacker the first time.

Victims of the two incidents told police the man was about 5 feet 8 inches tall and weighed about 140 pounds.

## Record High Benefits Bill Clears Hurdle

### Senate-House Conferees OK Tax Increases

WASHINGTON (AP)—A Social Security bill containing the biggest cash benefit and tax increases in history—but still falling far short of administration proposals—appears assured of congressional approval.

Senate-House conferees reached final agreement on the bill Thursday night after a marathon session. Sponsors expressed confidence Congress will send it to President Johnson next week.

Major provisions of the bill would:

—Increase basic benefits for the 24 million Americans now on the rolls by at least 13 per cent with a 25 per cent hike for those at the bottom of the scale. The minimum monthly payment would go from \$4 to \$55. The boosts would be in checks distributed next month.

—Raise the taxable base from \$6,600 to \$7,900 next year so that the maximum tax for a worker and his employer, now \$290.40, would jump to \$343.20 in 1968.

—Limit federal grants for the medicare program of aiding indigent persons with their health costs in a move to check the steadily rising cost of this assistance.

WELFARE RULES  
—Write tight new restrictions and work requirements into the welfare program of Aid to Families with Dependent Children in an effort to get the recipients off relief and into jobs.

The final version of the legislation is far closer to the bill passed by the House than to Johnson's recommendations or the Senate version.

Many of its welfare provisions reflect increasing congressional concern over soaring costs of relief programs.

The bill would boost Social Security benefits \$3.6 billion in 1969, the first full year of operation, compared with \$7.1 billion under the Senate measure and \$3.4 billion under the House version.

Taxes would be increased in 1969 by \$1.5 billion over what present law would yield. But there still would be a \$4.7 billion revenue-to-outgo surplus that year.

AMENDMENTS  
Johnson asked for a 15 per cent general increase in benefits and a \$70 minimum. The Senate accepted this.

But the final increases included in the bill were much closer to the 12½ per cent hike and \$50 minimum voted by the House.

The conferees swept aside or scaled down dozens of liberalizing amendments put into the bill in the Senate.

meanwhile, were taking on a last round of partying, with a rehearsal dinner tonight given by Robb's parents. Stage stars Carol Lawrence and Gordon MacRae shut down their Broadway show tonight to salute the bride couple with songs from their musical about marriage, "I Do, I Do."

When it comes to Saturday's East Room wedding ceremony, however, Lynda and Robb say "I will, I will," according to the Episcopal Marriage Ceremony from the Book of Common Prayer.

SECRET  
For the first time in the final week of the wedding, the couple split up Thursday night to have separate parties—she with her seven bridesmaids and sword bearers and friends.

Robb's bachelor dinner was considered a success because it was kept a secret and because

## Air Cavalry Batters Reds

SAIGON (AP)—American air cavalrymen riding helicopter gunships today pursued a battered Communist battalion that left a fourth of its fighters dead on the sparse coastal dunes of Binh Dinh Province.

American officers said the battalion of 600 North Vietnamese regulars had lost 159 dead at the last count, which did not cover spirited fighting in the last 24 hours. Korean troops just to the south reported killing another 61 Reds.

The North Vietnamese were being pursued along the coast by about 300 men from the 1st Air Cavalry Division. Another two companies with an equal number of South Vietnamese troops were blocking to prevent the Communists from trying to push inland toward better cover.

HEAVY FIGHTING  
It was the heaviest fighting in Binh Dinh in three months. The U.S. Command also reported action on other old battlefields—renewed shelling at Con Thien, a night-long guerrilla attack in the Mekong Delta and another Red attack—which cost the Communists 45 dead—at the district town of Bo Duc, near the Cambodian border where much recent fighting has flared.

## Mercury Drops In Panhandle

By The Associated Press  
Temperatures plummeted to the 20s in the Panhandle early today and patchy fog spread inland across a wide belt of south Texas.

A new siege of scattered rain and snow was to ride into the Panhandle tonight astride a big Pacific cold front. Forecasters said light rain showers would turn to snow in the Panhandle tonight with temperatures as low as the middle 20s.

Fog was general for 100 miles inland from the Gulf of Mexico but was thinner than the blinding banks that plagued the areas for the past several days. Airline operations continued with relative ease and traffic was not halted on the busy Houston Ship Channel.

Some light rain fell in the Lower Rio Grande Valley and along the Coastal Bend country during the night. Brownsville had a measurement of .45 inches in the 18 hours ending at midnight.

## WHITE HOUSE WEDDING

### LBJ Joins Rehearsal

WASHINGTON (AP)—President Johnson joins in the dress rehearsal today as his daughter Lynda and Marine Capt. Charles S. Robb go through final preparations for their historic wedding—just one day away.

The White House was being dressed gaily in a Christmas decor of spruce trees, holly, mistletoe and garlands of greens and red and white flowers.

An imposing white altar, flanked by two fluted white columns, carpeted in white and centered with a cross, was under construction in the East Room.

"I WILL, I WILL"  
A buffet table 30 feet long was going up in the State dining room. And 500 bags of rice were being filled for use by guests in showering the newlyweds as they leave for a honeymoon.

The wedding principals,

President Johnson joined in saluting his future son-in-law.

The affair was conducted in the security of the Army-Navy Country Club in suburban South Arlington, Va., not far from the Pentagon.

White House sources said the party was "a wonderfully kept secret—no member of the press was there."

Robb presented gold cufflinks as a gift to his best man and groomsmen and a silver picture frame for each of the swordsmen. They will be filled later with color pictures of the sword arch as the bride and bridegroom passed beneath it.

EXCITEMENT  
Lynda, holding forth in the second-floor family quarters of the White House, gave her bridesmaids an inch-long gold pin in the shape of a bird with its wings spread, sitting on an arrow that pierces a tiny ruby heart.

Binh Dinh, however, was the most important spot for Allied commanders, particularly because it had been quiet for so long and the Red force there—the veteran 22nd Regiment of the 3rd North Vietnamese Division—had shown little recent willingness to do battle.

SPOTS REDS  
The action started Wednesday when a helicopter patrol spotted the Reds, and two Air Cavalry companies landed in battle order flushed them out. By Thursday night the North Vietnamese had been pushed from the concealed bunkers and fortifications that made up their hidden base, but the running battle continued.

Air Strikes raked the enemy during the day Thursday and Friday, and flashships stuck overhead in the hours of darkness.

Air action over North Vietnam was limited to 75 missions Thursday by bad weather.

Marine A6 intruders used their radar to hit a railroad siding and storage area 120 miles northwest of Hanoi and the Son Tay army barracks 22 miles northwest of the capital.

## Two Held Here Are Not Wanted

The two 19-year-old men arrested for vagrancy in Big Spring Wednesday night are not wanted by the Lubbock police for questioning concerning the murder there Monday night of Mrs. Richard O. Morgan.

After receiving the pictures sent by the Big Spring police department, Lubbock police notified Big Spring police that the two youths were not wanted by them for questioning.

## CHEER FUND MUST GROW

If the CHRISTMAS CHEER FUND does its full task of helping the community's needy youngsters have a bit of holiday happiness, it must grow more. If you'd like to help—and a gift of any size is welcome—make your check to CHRISTMAS CHEER FUND and send to The Herald for acknowledgment.

All your money goes to finance parts for toy repair—done voluntarily by city firemen—and give underprivileged youngsters a visit from Santa Claus. It helps, too, to provide milk and food when families are in an emergency.

Some more fine friends helped boost the Fund today.

Thanks to these:

Mrs. P. Barnett	\$5.00
Mrs. H. D. Sherry	5.00
1965 Hydration Club	10.00
Mrs. C. J. Lemko	5.00
One McAlister	5.00
Mr. and Mrs. R. L. Yell	10.00
Previously acknowledged	215.50
TOTAL TODAY	\$365.50

## FOR SAVINGS, CONVENIENCE

The Herald now offers its annual Holiday Bargain Rate—your paper delivered to your door in Big Spring and the immediate area for all 1968, for just

**\$19.95**

This is a saving of nearly 15 per cent for you, and a great convenience—by eliminating monthly payments. Your Herald carrier makes his same profit.

The reduced rate is in effect for this month only. Send your check to The Herald today.

## MEN IN SERVICE

Robert W. Cooper, 19, son of Mr. and Mrs. W. W. Cooper, Route 1, Colorado City, was promoted Nov. 4 to Army specialist four in Vietnam, where he is assigned as a tank driver in Company A of the 24th Armor's 2nd Battalion near Tay Ninh.

Seaman Recruit John D. Storen, USN, 20 son of Mr. John H. Storen, Sterling City Route, Big Spring, has been graduated from nine weeks of Navy basic training at the Naval Train Center in San Diego, Calif. In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

Marine Private First Class John O. Wiles, son of Mrs. Margaret Wiles, 1910 Johnson, Big Spring, is serving with Marine Medium Helicopter Squadron 365 at the Marine Corps Air Facility, Jacksonville, N. C. Marine Medium Helicopter Squadron 365 is one of nine squadrons that comprise Marine Aircraft Group 26, the largest Marine Helicopter Group in the world. His group conducts vertical assault operations in support of the Fleet Marine Forces.

Seaman Recruit Paul L. Gregg, USN, son of Mr. and Mrs. Eudis Gregg, 1502 Cherokee St., Big Spring, has been graduated from nine weeks of Navy basic training at the Naval Training Center in San Diego, Calif.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

"Capriccio," Jose Molina's Bailes Espanoles, will be presented at 8:30 p.m. Friday, Dec. 1, in Dallas's State Fair Music Hall. Tickets for this program of songs and dances from Spain range from \$1.50 to \$5, and may be acquired from State Fair Box Office, 1924 Elm.

Capt. Willis E. Einsel has been decorated with eight military medals at Ohio State University. He was awarded Two Distinguished Flying Crosses (DFC), five Air Medals and the U.S. Air Force Commendation Medal for action in Southeast Asia.

He received the DFCs for extraordinary achievement as a C-123 Provider crew member in Vietnam. He also participated in an air drop mission of desperately needed ammunition to a friendly forces outpost at Cha La. His Air Medals were for outstanding airmanship and courage on other successful and important missions under hazardous conditions.

The captain won the commendation medal for his outstanding professional skill and initiative as a flying safety officer at Tan Son Nhut AB, Vietnam.

## Bridge Test

—CHARLES H. GOREN

 ♣ 7 6 5 4

The bidding:  
 North East South West  
 1♣ Pass 1NT Pass  
 2♠ Pass 2NT Pass  
 3NT Pass Pass Pass

Opening lead: Deuce of ♠.  
 Most North-South pairs were content to play a part score contract in either clubs or diamonds when the above hand was dealt in a recent tournament. Declarer succeeded in taking 9, 10, or even 11 tricks depending on which suit was trump and how he played the diamonds.

At one table, where the auction proceeded as indicated in the diagram, North refused to settle for the part score and pushed to an aggressive game. South's initial response of one no trump designates a holding containing 6 to 10 high card points. When he rebid two no trump, he was telling partner that he held the maximum. Inasmuch as North has only 14 high card points, the combined total cannot exceed 24 and he should, therefore, refuse the invitation to carry on.

West opened the deuce of hearts against three no trump and East's king dislodged declarer's ace. The

ten of diamonds was led at trick two, West covered with the king and North played the ace. East observed that, if he followed suit with the nine, one more lead would dislodge the queen and probably establish enough tricks to fulfill declarer's quota on the deal.

In an attempt to disrupt the normal course of events, East dropped the queen of diamonds under the ace—as if he held a singleton. It now appeared to South that West had started with four diamonds headed by the king, nine, in which case, if the closed hand was reentered to put the seven thru, declarer could pick up the entire suit.

Four rounds of clubs were cashed first on which East discarded two hearts while West parted with a spade. Now a spade was played to the ace, so that South could lead the seven of diamonds. West followed with the four and the deuce was confidently played from dummy.

To South's consternation, the nine of diamonds appeared from East's hand, and a heart return thru the jack enabled West to mop up three more tricks. The queen of spades was cashed next to send declarer down to a most humiliating setback.

Altho overtricks represent an important feature of the scoring in tournament bridge, South was nevertheless guilty of avarice on the deal. When the king and queen of diamonds appeared on the first lead of the suit, he is in position to establish 10 tricks by merely cashing the jack and then presumably conceding a trick to West's nine. The fact that North and South have bid a game that other pairs may not reach should influence declarer to play safe for his contract.

## Minister Faces Murder Count

CLEBURNE, Tex. (AP)—The Rev. Robert E. Cook Jr., 41, a Methodist, was indicted Thursday on a charge of murder with malice in the Sept. 22 shooting death of his wife.

The Rev. Mr. Cook has been in a Veterans Administration Hospital in Colorado since he was charged Nov. 3 with the shotgun slaying of his wife, Mary Ann.

Johnson County Dist. Atty. Bob Mahanay of Cleburne said he did not know when the Rev. Mr. Cook would be returned for trial.

The charges said the minister slew Mrs. Cook with a shotgun in the bedroom of the parsonage where they lived. The Rev. Mr. Cook said he found her body when he returned from a trip. Peace Justice John Adcock of Alvarado returned a verdict of accidental death in the slaying at first.

Charges were filed after investigators found that the Rev. Mr. Cook had bought insurance on his wife's life shortly before she was killed.

## District Court Docket Gains 33 In November

An increase of 33 cases was chalked up in the books of the 118th District Court during November, Fern Cox, district court clerk, said today.

When October ended the total of all cases on file was 1,043. There were 72 new cases filed and 39 pending matters disposed during the month. The total at the end of November was 1,076.

Divorce suits on file increased by seven with 19 new cases filed and 12 disposed. The total as of Dec. 1 was an even 200.

Annulments dropped one. One petition was granted by the court. Two are now on file.

## Miles Of Books

AUSTIN (AP)—Each year more than a mile of bookshelves is needed for the new books coming into libraries at the University of Texas.

During the fiscal year ended Aug. 21, the library added 107,707 volumes, growing to 1,945,271 books. Early in 1968, the two millionth book will be catalogued.

## Health Hints

Series No. 7

This man was in an automobile accident a number of years ago. He would occasionally suffer pains in his arms and a numbness would enter his fingers. Gradually as time went on, the frequency and degree of trouble increased until he became concerned.

Examination of his spine disclosed the nerve pressure causing this symptom through an offending disc. A few treatments corrected the cause of the symptoms and removed the pressure from the disc. In the past 9 1/2 years, there have been two slight attacks when he has re-injured himself but in each case, just a brief visit corrected the spine. No. 69

Many of your discomforts can be corrected by Chiropractic. Have the cause located by a spinal examination. Hansen Chiropractic Clinic across from Piggly Wiggly at 1004 Eleventh Place. —adv.

## Merchants Ready For 'Hot-Checkers'

PARIS, Tex. (AP)—Merchants were ready for holiday hot-checkers in Paris. Merchants and their employees spent two sessions honing up on hot-check tactics and safeguards. Police Detective Loyd Mathews conducted the course, sponsored by the Chamber of Commerce.

The merchants also worked out a telephone alarm system to combat hot-checkers and shoplifters. Every Paris business can be notified of such activity in 10 minutes.

# Kiwanians Stage Annual Party For Playground Kids

Santa Claus, in all of his traditional Christmas season finery, received a big welcome from a hundred or more youngsters at West Side Park on Thursday noon.

The jolly Christmas elf was brought to the West Side Park by the Big Spring Kiwanis Club which annually sponsors a Christmas party for the boys and girls at the center.

Each Kiwanian provided three gifts for youngsters. Also, the American Business Club provided a sack of fruit, candy and nuts for each boy and girl. The Kiwanians and their guests dined on ham sandwich-

es and cookies which had been prepared by the Kiwanians' wives.

The West Side Park is supervised and sponsored by the Church Women United, which provides a supervisor. She lists

## Cotton Outlook Termed Better

LUBBOCK — Prospects for market expansion, more acres, and greater profits for farmers appear bright in the years ahead, a speaker told the Plains Agricultural Forum here today.

Clifton Kirkpatrick, Memphis, Tenn., director of field service, National Cotton Council, noted that the market for fiber is expanding at the rate of a million bales a year in the United States and slightly more than that overseas.

The greatly expanded research and promotion effort, spearheaded by the Cotton Producers Institute through the National Cotton Council, is working in cotton's favor in bidding for this growing market, he declared.

He cited West Texas cotton industry leadership for its key role in making this program possible. It figured prominently, he noted, in CPI's organization in 1961 and in the campaign to effect the Cotton Research and Promotion Order.

Financial support from this area, he explained, is a substantial portion of the total.

Mr. Kirkpatrick pointed out that the industry's direct investment in cotton research and promotion has been virtually doubled through the \$8 million CPI program.

## Councilman Takes Aim At Monoxide

LOS ANGELES (AP) — City councilman Marvin Braude wants Los Angeles to refuse to buy any city automobiles that emit too much carbon monoxide, and the Los Angeles County air pollution control officer agrees.

Braude has urged the city to refuse to buy cars emitting more than 180 parts per million of hydrocarbons and one percent carbon monoxide. The limits set by state law are 275 parts and 1.5 per cent.

Louis J. Fuller, the pollution control officer, said Thursday he'll recommend the same limits next week to the Los Angeles County Board of Supervisors.

boys and girls who are to receive the gifts from the Kiwanians.

The Kiwanians and the ABC members have staged these annual Christmas parties for a score of years.

The community center, a building at the west end of the park, was provided with a gaily bedecked Christmas tree decorated by a Girl Scout troop, under the direction of Mrs. W. M. Mason.

Ahead of the arrival of Santa Claus, the youngsters joined loudly and tunefully in the singing of Christmas songs led by Glenn Faison. Santa Claus made his appearance in a police car.

## Army Wars With Pros

WASHINGTON (AP) — The Army is warring with administration budget planners who want to cut \$52 million in training funds for key National Guard and Reserve units, Pentagon sources say.

At issue are funds involving proposed training and supplies for a 150,000-man force of Army National Guard and Reserve units which would be the first called up in a war emergency, sources said.

If the cut went through, the sources said Thursday, it would take three months instead of two in order to ready these troops for deployment.

The issue presumably will be resolved before the Pentagon presents its spending plans to President Johnson, who sends his 1968-69 budget to Congress next month.

## Stereo Thieves Strike Again

Police are investigating four thefts that were reported Thursday. A stereo and 10 tapes were taken from an automobile belonging to Tommy Newsom, 611 E. 18th, while parked at his residence. Jerry Sanders, Park Hill Terrace, reported 11 tapes were taken from his parked automobile while he was attending church.

In two thefts the same items were stolen. A tachometer and gear shift knob were stolen from a car belonging to Rawlin Ray Dupre, 3704 Carolina, and from a car belonging to Aubrey Seals, 1506-A Sycamore, while the car was parked on the south side of Gibson Discount Center.

## VA Steps Up Lung Battle

WASHINGTON (AP) — The Veterans Administration says it is constantly stepping up its facilities for combating the often fatal lung disease emphysema.

Special units for diagnosis and treatment of the disease are now at 32 VA hospitals, the chief medical director, Dr. H. Martin Engle, said Thursday.

Paralleling the increase in special facilities is an educational program to discourage patients in VA hospitals from smoking because it has been "clearly established" as a cause of emphysema, the VA said.

## Report Forecasts General Tax Hike

LOS ANGELES (AP) — If the Vietnam war continues through 1968, the nation's total output of goods and services will climb to \$643 billion next year, a University of California at Los Angeles study says.

The report Thursday by a 12-man team of economists at the UCLA graduate school of business administration forecasts a general tax increase in 1968.

It anticipates the Gross National Product will increase \$58 billion in the next 12 months. Civilian employment in the United States is expected to rise to 75.6 million with a 4 per cent growth in unemployment.

## Mailers Tipped On How To Avoid Heartbreak Hotel

The saddest place in the post office is "Heartbreak Hotel" the day after Christmas.

"Heartbreak Hotel" is the residence of cards, letters, and gifts that couldn't be delivered because of illegible addresses, no addresses at all or poorly packed parcels from which the address labels or outer wrappings were separated.

Frank Hardesty, Big Spring postmaster, today noted that millions of such items unnecessarily wind up in "Heartbreak Hotel," and gave mailers advice on how to avoid such seasonal sorrows.

— Always write or print addresses carefully and use ZIP Codes. If you have trouble reading the address, the people at the post office will have the same problem.

— Use of first class postage

on greeting cards will make sure your mail is forwarded if the recipient has moved. Mail will be returned to you if it is poorly addressed or there is no forwarding address. This is one reason for using the special five-cent Christmas stamp. Cards sent by third-class mail which cannot be delivered wind up in the dead letter office, one of the busiest corners of "Heartbreak Hotel."

— Wrap your packages neatly and well. A loose piece of wrapping may get caught and ripped. Pad your gifts securely so there is no rattling and there is sufficient support for other packages. The sack carrying your glass cup may also have two or three bowling balls riding on top of it.

— A card or piece of paper inside the package carrying your name and address and that of the person to whom the parcel is addressed will insure delivery in case the wrapping

comes loose. A list of contents will help postal "re-wrap" clerks in the event your package is poorly wrapped and bursts.

— Place the address and return address on only one side of the parcel. Some people will repeat the address on more than one side. Postal employees

who are working at top speed to meet transportation connections for mail do not have time to check the other sides and assume that postage is due.

— Mail early. This gives the post office plenty of time to deliver your mail before the holiday.

# Applications For Baskets Brisk At Salvation Army

Two hundred and 27 applications for Christmas baskets have been received to date by the Salvation Army, according to Lt. Bart Deggs, commander.

Applications will be accepted through Thursday, Dec. 14. Acceptance cards will be mailed out on Dec. 18 to all those who will be receiving a Christmas basket.

Even applications for baskets have been "adopted" by other organizations. Lt. Deggs hoped that other organizations will "adopt" some of the applicants; otherwise, it will be impossible for the Salvation Army to take care of all the requests, he said.

toys will be made Dec. 21 and 22 from the old Montgomery Ward building at Third and Gregg. Volunteers will be needed to assist with the distribution, according to Lt. Deggs.

In a meeting Wednesday with Sam M. Anderson, superintendent, the principals of the Big Spring Independent School district and the Salvation Army plans were made for the Christmas canned food drive which will be held next week, Dec. 11-15, in all the Big Spring schools. The canned goods contributed through the schools will be used in filling the Christmas baskets.

ance Women of Big Spring brought toys to their meeting at the Downtown Tea Room, and the toys were presented to Lt. Deggs for distribution.

On Thursday, Dec. 14, a benefit basketball game is being held between the Big Spring High School faculty and the faculty of Howard County Junior College. Admission will be a toy which will be given to the Salvation Army for needy families. The toys will be presented to Lt. Deggs during the half-time activities.

Approximately 350 dolls have been dressed by ladies' clubs in the Big Spring area for distribution by the Salvation Army, Mrs. J. E. Hogan reported.

## A Devotional For The Day

Lo, your king comes to you; triumphant and victorious is he. (Zachariah 9:9, RSV)

PRAYER: Dear God, we bless Thee for calling us by name—from all parts of the world, from every race and nation, from all walks of life. May we open our hearts to receive Christ as our Savior. Give us grace to spread the good news to an unredeemed world. Thine be praise and glory forever; through Christ. Amen.

(From the 'Upper Room')

## Not Surprising

As fully expected, the United Nations General Assembly refused overwhelmingly to offer membership to Communist China. A two-thirds majority is needed to admit Peking, but the admission resolution failed to muster even a majority vote. This continued the recent reversal in the earlier growing support for trying to get Communist China into the U.N. on the argument that its intransigent aggressiveness could be more effectively coped with there.

The United States' continuing opposition to Peking's admission was hardly needed. Communist China's complete break with the Soviet Union would alone have been decisive. Added to that was the growing fear of Red China throughout non-Communist Asia, deepening resentment in Latin America and Africa of Peking's revolutionary meddling in those countries' internal affairs, and clearer

realization in Western Europe—particularly in heretofore hopeful Britain and France—that the West simply cannot "do business" with the present Maoist regime. Japan, which once had high hopes of an expanding China trade, has become disillusioned.

The internal upheavals and continuing strife of uncertain outcome in Communist China also contributed to Peking's rejection. And so did the knowledge that the present Chinese government probably would not accept an offer of U.N. membership, at least not on any terms that could conceivably gain the agreement of a majority of the General Assembly, and Peking certainly would not pledge adherence to U.N. charter principles.

The question this year was really not a truly debatable one, for China's continuing exclusion is really a self-imposed isolation. The U.N. must wait for China to change; it cannot change it.

## Little Too Funny

Galyn Wilkins may be pardoned for a bit of poetic license or facetious exaggeration for effect when he linked weather, West Texas and football together, thusly: "A West Texan is always up to his boot tops in snow or sand, depending on the time of the year, and he'll be the first to admit that the only daddurn season worth living out there is the high school football season."

While the Fort Worth Star Telegram columnist was focusing jocularly upon football fever that comes with a state champion prospect, such as

we are proud to say, Abilene Cooper is a prime example, he is guilty of a libel of West Texas.

In the first place Fort Worth takes great pride in placing itself in West Texas, and this "out there business" doesn't jibe. In the second place, West Texas (which does have its dusty and sandy moments when the wind blows in the spring) has over-all a good climate. And there's a whale of a lot more than good football to commend West Texas as a place to live for the multiplied thousands who prosper in it.

## Holmes Alexander

### Legacy Of A Noble Failure

WASHINGTON — "I don't have to win," said A. J. Stennis, the hero of two adoring biographies recently released, and Robert Stennis McNamara said much the same thing.

Both Stennis and McNamara went out of life as "noble failures," such as Robert E. Lee, the only American general-in-chief who ever lost a war.

With Stennis it was being hoity-toity, with McNamara it was being half in love with careful "peace," and with Lee it was the effete notion that, when a gentleman has done his best, that's all that counts.

SIGMUND FREUD, or any football coach, could have predicted that Stennis, McNamara and Lee were doomed to defeat. They didn't, were unconsciously, want to win. They were reconciled, in advance, to failure.

This sort of gentleman is all right in the parsonage, and in the sheltered cells of library and laboratory, but not all right as a partisan leader, not as a minister of war, not a field commander.

Only the Tall Tactician in the White House knew that McNamara would get his release papers in November. But some weeks ago I ventured that

## Billy Graham

My husband is quite a good man in many ways, but he is given to profanity. He can hardly carry on a conversation without using language that is shocking to most people. It is a source of embarrassment to me, but how can I make him quit it?

M. H. I have never known a deeply spiritual man who was profane in his speech, and I have never known a profane man who had any spiritual perceptivity. He may feign it while in church, but his tongue gives him away at other times.

Good language is a mark of good character, and bad language is a sign of poor character.

In 1776, George Washington issued a general order which read: "The General is sorry to be informed that the foolish and wicked practice of cursing and swearing, a vice heretofore unknown in an American Army, is becoming quite prevalent. He hopes the officers will, by example as well as by influence endeavor to check it, and that both they and the men will reflect that we can have little hope of the blessing of Heaven upon our arms if we insult it by our impiety and folly. Besides this, it is a vice so mean and low, without any temptation, that every man of sense and character despises it."

Even the godless Soviet government discourages profanity for they say it is uncultural. But the Bible says it is an offense to Him whose name is profaned, and violates the commandment, "Thou shalt not take the name of the Lord thy God, in vain." How to stop your husband from swearing? "A soft rebuke turneth away wrath," says the Bible.

we are proud to say, Abilene Cooper is a prime example, he is guilty of a libel of West Texas.

McNamara had become Defense Secretary in name only, and that Sen. John Stennis was the de facto regent of the military establishment.

IT WAS NOT guesswork, for I had off-record reason to assess where McNamara stood with the Preparedness subcommittee, of which Sen. Stennis is chairman and signal-caller. There appeared, in part, around that time the substance of McNamara's account of his stewardship before the Stennis group. The testimony, now published, deserves brief review.

It tells how McNamara wanted to win in Vietnam—but not very much. It tells how this attitude, the one formerly struck by Stevenson and Lee, became intolerable to those who first observed it on Capitol Hill and, no doubt, to President Johnson as it finally came to his attention. In the report, signed Aug. 31 by Stennis and concurred in by his fellow-members, there are these passages.

GEN. WHEELER, chairman, Joint Chiefs of Staff: "No less than 57 important military targets in North Vietnam remained unstruck. There is no question about that."

Gen. McConnell, Air Force chief of staff: "There are many valuable targets remaining unstruck."

Gen. Greene, commandant of U.S. Marine Corps: "The key targets have not even been hit."

ADMIRAL SHARP, commander of the Pacific forces: "There are many lucrative targets that have not yet been struck."

The Stennis report: "During the entire year of 1966 less than one per cent of the total sorties flown against North Vietnam were against fixed targets on the Joint Chiefs of Staff list."

McNamara: "It is my firm opinion that (bombing these important targets) would not have reduced our casualties in the South."

STENNIS REPORT (concluding statement): "Every military witness who testified emphasized that the air war had been waged under severe handicaps that were contrary to military principles." All agreed with Gen. McConnell that (the committee's language) "we probably would have suffered fewer casualties in the South if the air war against the North had not been burdened with restrictions."

McNamara had his reasons: Horror of civilian casualties, fear of Red China and Russia. At these costs, as he might have quoted Stevenson, "I don't have to win."

Men who feel that way, never do. (Distributed by McNaught Syndicate, Inc.)

## Corner Bonfires

SCHEENECTADY, N.Y. (AP) — Police here are hunting a periodical and paper pyromaniac. Bundles of magazines and newspapers left on street corners in the early morning hours were found destroyed by fire on several occasions recently.

'Yeah—I Read This Stuff For Its Literary Significance'

## James Marlow

### Republicans Busy Charting Strategy

WASHINGTON (AP) — "We can do it better."

This is the basic argument of Democrats and Republicans in an presidential election year, like 1968, but right now the Republicans are trying to figure out what it is they can do better.

They're under a handicap since they don't know what it's going to be like in 1968.

"VICE, VANDALISM, and Vietnam" is one Republican's simplified answer for his party's campaign themes. It came from Rep. Bob Wilson of California, chairman of the GOP Congressional Campaign Committee.

It's too simplified since in politics one word leads to another and by the time the campaign is half over—and probably before it gets started—Republicans and Democrats will be off in all directions.

But the Republicans are busy trying to set up some starting points, at least.

REPUBLICAN governors met at Palm Beach, Fla., today to begin some campaign planning session, with New York's Gov. Nelson A. Rockefeller, who insists he's not a presidential candidate to report on an in-depth study of possible issues.

Last month at Gettysburg, Pa., former President Dwight D. Eisenhower met with a 15-member Republican task force on national defense policy to discuss GOP campaign tactics for next year.

Would-be Republican presidential candidates, like former Vice President Richard M. Nixon and Michigan's Gov. George Romney, have staffs busy charting strategy, getting ideas together, examining issues.

YOU DON'T have to be a mind-reader to know the Republicans are going to try to get as much mileage as they can out of the discontent over the war in Vietnam.

But on this, which may be the biggest issue, they're under a bit of a handicap starting out. Their main point, of course, will

be the one contained in the first paragraph above.

SOME INSIGHT into this was given Thursday by the two Republican leaders in Congress, Sen. Everett M. Dirksen and Rep. Gerald R. Ford.

They argued a new Republican president would be in a better position than President Johnson to settle the war, with Ford adding that a new administration could deal with Vietnam "with less of the hindrances of the past."

BUT DIRKSEN spoke again

of GOP support for the Johnson administration's stand in Vietnam. And right here is where the Republicans' handicap comes in. They are going to be limited in what they can say about the war.

Since they're for the war, they can't complain about that. They can only complain about the details, the way it's being handled.

And they won't even have that for much of an issue if between now and the time the 1968 campaign starts Johnson has been able to force the North Vietnamese into wanting peace.

## Hal Boyle

### Hermit Happenings

NEW YORK (AP) — Remarks that hermits get tired of hearing:

"Why should you be allowed to roam the woods, laughing and scratching, while the rest of us have to work all year and pay income taxes?"

"HIS LIFE might seem rosy to some people, but he just looks like another dirty old man to me."

"Do you mean to tell me that this little cabin you built doesn't even have indoor plumbing? Why you might as well be a savage."

"I'll bet if you ever sent that bushy beard of yours to the laundry, Silas, they'd find it was full of robin eggs."

"He must be an exhibitionist. Why would a man live all alone in the middle of a forest unless he was a born show-off?"

"HEY, SILAS, my wife has locked me out of the house again. Mind if I move in and stay with you for a few days until she simmers down a bit?"

"What do you live on besides acorns?"

"Silas, the fat fellow who usually plays Santa Claus in our town Christmas parade is off on a bender. How about you filling

in for him this year? All you have to do is wear a red suit and wash your beard. We won't make you take a whole bath."

"YOU MEAN to say you haven't seen a doctor or taken a pill for 35 years? Man, you must be really sick. No man could be that healthy unless he had something wrong with him."

"I know you usually charge 25 cents to pose for souvenir snapshots, but all I got in change is a dime. Take it or leave it."

"THE BIG kids say you eat children. You don't, do you, Mister? If you try to eat me, I'll throw a rock at you."

"You mean you drove us five miles out of the way down a muddy road just to talk to a hermit, Harry? What could a hermit possibly teach people like us?"

"Sheriff, as county nurse, I insist it's your duty to help me get Old Silas to a hospital. I know he came out to this wilderness to escape from society, but so many people come out to visit him that he's suffering from nervous prostration. He needs to be taken somewhere where he can be by himself."

## To Your Good Health

### One Elderly Writer Answers Another

By JOSEPH G. MOLNER, M.D.

Dear Dr. Molner: My husband has a double hernia, one larger than the other. The doctor wants to operate. What would your advice be considering his age? He is 72. — A. R.

Deciding on whether to have surgery always has to be based on balancing two factors: How urgent it is, and how well the patient can tolerate it.

Hernias do not get better; they can only grow worse. Therefore surgery should be performed while the patient is still in generally good condition.

Put it off too long, and the situation may suddenly become critical at a time when the patient no longer is in good condition to have an operation. (If a hernia breaks down and becomes strangulated, surgery then is a life and death matter. You have no choice but to try it, no matter how feeble the patient may be.)

Age alone is no reason to avoid surgery if it is needed. Your letter happened to reach me the same day that the fol-

lowing one did:

Dear Doctor: Recently you told about a person who had his gall bladder removed at 89. Perhaps you would like to know my experience.

At the age of 90 years and 10 months I had 26 inches of my intestine removed. In May, 1967, at age 92, I had my gall bladder removed successfully.

(Yet in 1938 I had had a coronary thrombosis and pneumonia at the same time.) Two tough operations in a year and five months. If this will help anyone, I will be glad to have passed along the information. — S.C.F.

Dear Dr. Molner: About two months before my baby was born my doctor told me my stomach muscles had divided instead of stretching. Could you explain what causes it, and what can be done? He told me to wear a good girdle. — Mrs. N.D.

This situation is called a diastasis of the muscles — "diastasis" means separation. There are two muscles which run perpendicularly in the ab-

dominal wall, one each side of the center. A fibrous connection exists between these two muscles.

If — as in your case — this fibrous connection is damaged, it does not repair itself. If you lie on your back and raise your head forward, you will be able to feel the separation around the navel quite easily.

Not all pregnant women run into this trouble, naturally. If it does happen, there is little to do except to wear a support in the form of a girdle. Bending exercises to tone up the abdominal muscles may help a bit, but will not correct the separation.

What are ulcers? How should they be treated? What can you do to help rid yourself of ulcers and stay rid of them? For answers, read Dr. Molner's helpful booklet, "How To Heal Peptic Ulcers and Keep Them Healed." For your copy write to Dr. Molner in care of The Herald, enclosing a long, self-addressed, stamped envelope and 25 cents in coin to cover cost of printing and handling.

## Around The Rim

### Accident-Prone Tongue

A prominent Big Springer was discussing the chances of Gov. George Romney of Michigan winning the Republican nomination for President of the United States.

This man did not think Mr. Romney had any kind of chance. He explained Mr. Romney has an accident-prone tongue.

MAINE MACHINE gun plant has settled a six-month strike. We assume the end came peaceably.

Upcoming simile: "Cluttered as the moon."

Add similes: "As elusive as saved daylight."

What late fall usually brings us is grime in the streets.

PEKING asserts it's the centre of world revolution. But what's its standing in the laundry business?

There's a brand new allergy cure. It was developed from scratch.

Somewhat sour pal says it takes two to make a quarrel, unless you happen to know a close relative of his by marriage.

TRICKS OF TRADE: The ability of a waitress to look everywhere but at

the customer wanting service.

United Nations has been blamed for not ending the Israeli-Arab disputes. But who is to blame for starting, and continuing them?

Tashkent in Uzbekistan has had its 103rd earthquake in 19 months. Out there everything is shaken well before using.

THE INTERNATIONAL Union of Journeyman Horseshoers of the U.S. and Canada is listed as "inactive." There's no kick in their work anymore?

Greece's newspapers are being censored. Naturally what's cut out is all Greek to the rest of us.

Britain's trade gap is computed as \$321 million wide. On a clear day the prime minister can see only half way across it.

### Bold Defiance Of Federal Law

WASHINGTON — A bold defiance of law is being ignored by the federal government. Not only is there interference with the operation of the draft system, but on many college campuses overt acts have been committed to obstruct the right of companies to obtain new personnel.

Thomas Watson, president of the IBM Corporation, who is an alumnus of Brown University, expressed disapproval of the activities of students there who are compelling recruiters for military or other services to leave the campus. He declared they are restricting the basic American right of freedom of choice, and advises the protesters to try to elect officials who share their pacifist views instead of directing their wrath at manufacturing companies.

POLICE IN New York City on Tuesday arrested 264 "demonstrators" who tried to hamper the functioning of the U.S. Army induction center. The charges lodged against them were disorderly conduct. But such acts are not merely disturbances of a local nature. They are, in effect, attempts to impede the military operations of the United States.

The theory of the protesting groups is that they have a right under the principle of freedom of speech to "demonstrate." If they confined themselves to making speeches in halls or auditoriums or even on college campuses, they would be within the law. But they have no right to interfere with the actual operations of the United States government.

THE DRAFT is not voluntary. It is a part of a compulsory system by which the federal government calls into the armed forces the manpower it needs for national defense. Any interference with the process is certainly a violation of the Universal Military Training and Service Act, which makes it a crime for anyone

"who shall knowingly hinder or interfere . . . by force or violence or otherwise" with the administration of the selective service law. The penalty can be imprisonment up to five years, or a fine of 10,000 dollars, or both. Those who conspire to bring about such demonstrations can be subjected to the same penalties.

TYPICAL OF what is taking place nowadays is described in the following UPI dispatch from Iowa City, Iowa, on Tuesday:

"Antiwar protesters stormed police barricades in an attempt to evict recruiters from the Dow Chemical Company today and then swarmed across the University of Iowa campus.

"The students rushed into the Memorial Union building and headed for the recruiters from Dow, who have been targets of many campus protests because their firm makes napalm for the Vietnam war.

"THE SHOCK" force broke a plywood barricade erected by police, but was turned back when officers sprayed Mace, a chemical, in the face of some demonstrators. Three or four of the students became nauseated from the spray.

"Iowa City police and sheriff's deputies arrested an undetermined number of protesters."

WHATEVER THE motives for indifference to law violations, the Johnson administration is being criticized as reluctant to act against the "demonstrators" for fear of political repercussions at the polls. Members of Congress have called attention to the neglect of law enforcement, and are predicting that in the coming presidential campaign the issue will be raised that the administration has catered to the "demonstrators" and given them so much leeway that disturbances have multiplied throughout the country.

## Marquis Childs

### De Gaulle Wrong On Vietnam, Too

By WILLIAM S. WHITE (For Marquis Childs, who is on vacation.)

WASHINGTON — It is possible at last to see the beginning of the end of the curious power for destruction that lies in the nonpowerful France of Charles de Gaulle. Some here and abroad who have tolerated or even spurred on his savage irresponsibility, so long as it was confined largely to sniping at the Vietnam war policy of the United States, are drawing back at last.

It would be good if one could say that they were recanting in principle; but it is necessary to say instead that their blinding light of conversion seems to have a dollar sign upon it.

THE PRIME MINISTER of Canada, Lester Pearson, for illustration, at long last eschews the destructive monomania of Charles de Gaulle for what it has always been — a tireless attempt of personal arrogance and egotism to rule all the West or to ruin it.

Now, De Gaulle is making things tough not just for the United States but also for those Western allies, like Canada, which have been far more self-righteous than faintly helpful toward our desperately necessary role in Southeast Asia.

SO NOW one hears Lester Pearson apply to Charles de Gaulle — now that De Gaulle is trying to stir up French-Canadian secession, to destroy an American currency on which Canada, too, must rest, and to bring about the total and final economic ruin of Britain — such epithets as short-sighted, wrong, discredited and dangerous.

ABSOLUTELY RIGHT, now, is Lester Pearson. The general in his latest so-called press conference has in fact done much more than to seek to smash the whole economic underpinning of the free West because it happens to be American-based. He has also — and, again, to Pearson's pain — once more harshly vetoed

sinking Britain's entry into the European Common Market. He has denounced pro-Western Israel for daring to defend its life by throwing back Moscow-sponsored Arab aggressions.

HE, TOO, has indicted the United States, the one power whose strength actually avoided a major blowup in the Middle East, for the fact that Israel at length permitted its nasty, warlike chin to come into violent contact with the peace-loving fist of Nasser of Egypt. Here is Israel acting like the United States and the South Vietnamese — transgressing upon the Communists, that is, by shooting back.

Now, Lester Pearson and many others see things they don't like. But where have the Pearsons and the Sen. William Fulbrights and the other apostles of "peace" been while De Gaulle has been stooping to the unstopably low in bitter harassment of the United States for its action of honor in Asia?

WHY, they have been out leading the pack. If not, as in Pearson's case, actually cheering on De Gaulle, they have all the same given house room and respectability to twisted De Gaulle dogmas that make the United States and not the Communist invaders the "unreasonable" side in Vietnam.

Lester Pearson has never belonged in the intellectual company he has kept on this issue; he is too sound a man for that. Perhaps now that De Gaulle has shown what he is really capable of, some fellows may begin to think that he really isn't terribly right on Vietnam, either.

### The Big Spring Herald

6-A Big Spring (Texas) Herald, Friday, December 8, 1967

# Election Judges Asked To Attend Briefing

Voting precinct judges and their assistants for the election on Dec. 16 will assemble at the Howard County Courtroom at 3 p.m. Dec. 14 for a training course in how to handle the ballots cast in their boxes.

The election, at which the citizens will vote on establishment of a Howard County Airport Authority and a bond issue for airport improvement, will be held in all of the county's regular voting boxes.

On the same date, inside the city of Big Spring, an election on a proposed one-cent per \$1 sales tax will also be underway.

Lee Porter, county judge, urged that the precinct judges and their helpers attend the meeting.

Several new features will mark this election.

One will be the use of squares in which the voter indicates his approval or disapproval of the questions at stake. Another will be that each voter balloting at the airport proposals must make an affidavit that he is a

property owner and a tax payer.

The affidavits which must be filled out and signed are new in such elections. Judges may need some information, in just how these are to be handled, said Judge Porter.

Mrs. Pauline Petty, Howard County clerk, said that the ballot boxes for the election are prepared and will be waiting for the judges to pick them up on next Thursday or Friday.

The county Democratic and Republican committee chairmen are also expected to attend the Dec. 14 session.

# Masons Okay Odessa Lodge

WACO (AP) — Four new lodges were chartered as the Masonic Grand Lodge of Texas wound up its annual grand communication Thursday.

The charters went to lodges at Garland, New Caney, Odessa and Pine Forest.

The Masons also voted down a proposal to increase the board of directors for the Masonic Home and School in Fort Worth from five to seven members and chose officers for 1969.

After deciding to retain the present number of directors for the Fort Worth home, lodge members re-elected R. L. Dillard of Dallas to the board.

J. W. Chandler of Houston was advanced to grand master, top office of the Blue Lodge in Texas. He in turn named 137 district deputies and other appointive officers.

J. Guy Smith of Dallas became deputy grand master, Hal Burnett of Alpine grand senior warden and Joe W. Steed of Mount Pleasant grand junior warden.

Appointments made by Chandler included W. Paul Harris of Houston, grand chaplain; V. A. Frowning of Houston, grand orator; George H. Webb of La Porte, grand marshal; R. G. Vaughn Jr. of Houston, grand senior deacon; W. T. Mills of Big Lake, grand junior deacon; Arthur Craig of Mount Pleasant, grand senior steward; Brice R. Bonner of Eureka, grand junior steward; W. F. Woodiel of Angleton, grand pursuivant; and Leo R. Anderson of New Caney, grand tiler.

# Walt Named To Key Post

WASHINGTON (AP) — Lt. Gen. Lewis W. Walt, who lost out in a race to become Marine Corps commandant, was named assistant commandant Thursday.

The appointment by Secretary of Defense Robert S. McNamara will become effective Jan. 1, the same date on which Lt. Gen. Leonard F. Chapman Jr. will take over as the corps' 24th commandant.

Since returning from Vietnam last June, Walt, 54, has been stationed at a Marine headquarters as deputy chief of staff for manpower and director of personnel.

# Justice Delayed Is Justice Denied

SAN ANGELO (AP) — One of two more federal district judges in the Northern District of Texas are badly needed, according to Judge Joe E. Estes.

Estes said severest need is in the Amarillo and Lubbock divisions, without a judge since the late Joe B. Dooley retired Oct. 1, 1966. Dooley died last January.

Since 1961, when judgeships in the 100-county district were increased from three to five, Estes said there has been an increase of more than 50 per cent in federal civil cases, more 60 per cent in criminal cases, and 114 per cent in bankruptcy cases. Adding to the case load, too, is the 1966 action which put into the federal courts more than a third of all habeas corpus motions brought by prisoners convicted in state courts.

His combined experience as a director and a Dickens buff led to Tuesday night's show, a tour of the city in Dickens' time with Sir Michael Redgrave as Dickens.

WEEKEND TIPS  
"The most difficult thing was to find old, unchanged sections of the city—or at least camera angles—without television antennae sticking up or cars rolling into view."

Recommended weekend viewing:  
Tonight—"The Forgotten Peninsula," NBC, 10-11 EST, an inspection of Baja California with naturalist Joseph Wood Krutch commenting.

Sunday—"The Ed Sullivan Show," CBS, 8-9 p.m., 20th anniversary program with some of the first guests returning and ceremonies renaming a CBS theater in his honor; Radio City Christmas Show," NBC, 9-10, taped portions from the 1966 holiday program of the Music Hall theater.

# Horoscope Forecast FOR TOMORROW

—CARROLL RIGHTER

GENERAL TENDENCIES: A very peculiar Saturday and one in which the morning finds you confused as to just what it is best for you to do. But by noon conditions iron themselves out and you find the outlets that can bring you a fresh new start, toward the long-range ambitions that mentally impel you forward. Now considerations.

ARIES (March 21 to April 19) Handle whatever takes a considerable time in a.m. before you express those special talents you possess. Take the time to improve your appearance as well. Put your best foot forward with others.

TAURUS (April 20 to May 20) Show intelligence in handling whatever is important in connection with friends in a.m. Take some time for reflection later in the day. Seek out dates from one who is an expert, but be diplomatic.

GEEMINI (May 21 to June 21) Get busy and finish that civic work in a.m. so that you later can be with congeniality for a delightful time. Get responsibilities out of the way quickly. You know you are anxious to get at that new hobby later.

MOON CHILDREN (June 22 to July 21) Some new contact could give you the backing you want of this time, so go after it. Show loyalty to higher-up later in the day. Find a good astrologer in handling oil rules and regulations pertaining to you exclusively.

LEO (July 22 to Aug. 21) Make out checks for what you owe in a.m. so that you can be social later with important newcomers without worry. Be sure you study whatever is puzzling about which you have not been aware of earlier.

VIRGO (Aug. 22 to Sept. 22) Get that situation wound up quickly with an associate in a.m. Then handle other responsibilities with real efficiency. Try to show thoughtfulness in dealing with all others today and tonight.

LIBRA (Sept. 23 to Oct. 22) If you can be social later with important newcomers without worry. Be sure you study whatever is puzzling about which you have not been aware of earlier.

SCORPIO (Oct. 23 to Nov. 21) Out to all the hobbies that appeal to you most during day. Then out to the fun places you like. Show the finest devotion to make in p.m. Plan more time for that work you like to do, also.

SAGITTARIUS (Nov. 22 to Dec. 21) Make those plans that will be helpful to both yourself and kin in the days ahead. Improve conditions around you. Rid yourself of the obsolete and start

on a trend in all of your affairs. AQUARIUS (Jan. 21 to Feb. 19) Getting monetary affairs well handled early is wise. Then out to whatever pleases you most with congeniality. Carry through with regular routine, but also look into more modern ones. Be more dynamic.

PISCES (Feb. 20 to March 20) Handle the personal during a.m., but later do whatever will help you to have a greater abundance in the days ahead. Listen to what dynamic persons have to say and for your advancement. Be gentle with everyone.

IF YOUR CHILD IS BORN tomorrow... he or she will be one of those interesting youngsters who will find it difficult to fit right into the family pattern early because the imagination is very high here. But later, the whole personality changes, if you are patient, and works famously along with others, becoming a true interested pioneer. Fame here.

PARIS, Tex. (AP) — A 20-year-old Japanese student whose father owns a chain of jewelry shops and a pearl company, Mitsui Okuno of Tokyo, has come all the way to Paris, Tex., to study jewelrycraft.

Okuno is enrolled in the two-year jewelry technology course at Paris Junior College. Another brother is studying jewelry design in France, and a second brother is studying jewelry manufacturing in England.

When the brothers complete their foreign training, they will return to Japan and, with their father open a school to teach the courses there. Japan does not now have a jewelry school.

Okuno also has earned the respect of fellow Paris students in another field. He is a student of karate, and holds the black belt.

# Unvarnished Truth Shown Fighting Men

SAIGON (AP) — Thanks to military radio and television, American fighting men get a complete and unvarnished view of what the home front and the world think of the Vietnam war.

News programs are complete with the arguments of antiwar factions, news of draft demonstrations and reports of polls showing dissatisfaction over the war and President Johnson's popularity.

Military men here who have been in uniform since the beginning of World War II say military stations in Vietnam are lower than ever before on propaganda and longer on controversial issues that touch on the morale of fighting men.

EXTREMES  
An official at one station deplored when he called "the extremes" of balancing the official view on Vietnam and other issues with full reports on the sayings of domestic and foreign critics.

The official didn't want censorship. He just felt the troops didn't really want to hear all about the hippies, Lord Bertrand Russell's war crimes tribunal and what antiwar crimes had to say while they were assaulting the Pentagon or burning draft cards.

LOVE-IN  
But it's all there, the whole spectrum of opinion, by Pentagon order.

Even the disc jockey shows pass up subtle forms of censorship. A favorite song for months

invited listeners to put some flowers in their hair and head for San Francisco and a love-in sponsored by the antiwar hippies.

On military news, the stations never vary from the official line on how the war is going on reports from inside Vietnam. However they might quote a congressional critic on just the opposite of the official line that the fighting goes well.

COMBAT  
The television news program even has a weather girl, Red Cross worker Bobbie Oberhansly of Tacoma, Wash. The pert blonde broadcasts after the end of her regular day's work.

Like most stations, the military network has its sales pitches. They urge men to brush their teeth with fluoride tooth paste, be on guard against rabies and malaria, save their money and re-enlist to qualify for bonuses.

Television carries back-issues of popular U.S. television shows. Probably the over-all favorite is "Combat," followed by "Twelve O'Clock High" and "Gunsmoke."

One senior U.S. officer tried to halt the erection of a television antenna in his area on the grounds that he didn't want his men engrossed in a television firefight while the Viet Cong sneaked in with a real attack.

Weatherman Maps Big Break For Wife

MIAMI, Fla. (AP) — When the director of the Weather Bureau's national hurricane center retires in January, his wife is going to get a break.

Gordon Dunn, thinking ahead about his days away from the office, said, "I'm going to help my wife put up the hurricane shutters. She's always had to do that by herself before."

# Visas Fuss Snags Viet Cong Visit

UNITED NATIONS, N.Y. (AP) — The Viet Cong sent word to the U.N. secretary that it wanted to station representatives in New York for a year or two to "work principally at the United Nations" and also give newspaper interviews. Ambassador Arthur J. Goldberg didn't pursue the subject after the United States said they would be let in only if they came on official U.N. business and were invited by the Security Council or the General Assembly.

**REDS INQUIRY**  
Goldberg told a news conference Secretary-General U Thant in September sent him an inquiry received from the National Liberation Front, the political arm of the Viet Cong, through "an unnamed intermediary." He said the Viet Cong wanted to know "whether the United States would be agreeable to having two or three NFL representatives come to New York" and "would grant visas for this purpose."

Goldberg said after consulting Washington, he asked the U.N. secretary to find out who the NFL representatives were, what kind of passports they would have, what kind of visas they wanted, what the purpose of their visit would be and whether talks with the U.S. government were intended.

**NO ANSWER**  
Early in November, he continued.

## OIL REPORT

# Conoco Spots Glasscock Test

Continental Oil Co. No. 1-C L. S. McDowell will go to 2,500 feet in the McDowell (San Andres) field in Glasscock County. Location is 990 feet from south and 330 feet from west lines of section 21-34, T2S, T&P survey.

## DAILY DRILLING

**DAWSON**  
Culler Dugan Oil Co. is drilling a 4,000-foot well in the 400-foot zone of section 47-25, T5N, T&P survey, seven miles southwest of Lamesa.

**LANE STAR**  
Lane Star Producing Co. of Dallas No. 1 M. G. Bolow is drilling in the 400-foot zone of section 31-5, ELARR survey, 12 miles west of Lamesa.

**LANE STAR**  
Lane Star Producing Co. of Dallas No. 1 W. M. Rinehart is drilling a 4,000-foot well in the 400-foot zone of section 46-34, T&P survey, 10 miles southwest of Big Spring.

## Program Given About Africa

STANTON (SC) — Diane Welch, Midland, spoke at a sponsored slide show of Africa, where she made a recent tour. When the Stanton Optimist Club met Friday at Currie Restaurant, Bob Cain, was program chairman. Gerald Hanson is president of the club and had charge at the breakfast meeting.

## DEATHS

### Janice Simpson Dies In Houston

Janice Simpson, 4, daughter of Mr. and Mrs. Harold Simpson, 2302 Ivanhoe, Abilene, died at 8 a.m. today in Houston after a two-year illness from leukemia. Arrangements are pending.

Besides her parents, Janice leaves two brothers, Kent and Randy Simpson, and one sister, Pam Simpson, all of Abilene; and her grandparents, Mrs. Ruby Simpson, Big Spring, and Mr. and Mrs. Claude Lawson, Goldthwaite. Dr. Akin Simpson and Bob Simpson, Big Spring, are uncles.

### Mrs. Gilbert Dies Thursday

Mrs. Mattie Salone Gilbert, 77, of 1011 W. 7th, died at 2:45 p.m. Thursday in a local hospital following a short illness.

ued, the answers came back that two men were involved, that their names might be given later, that their passports would be North Vietnamese, that they wanted to stay in New York one year and possibly two, and that, while they were asking for no U.N. status, they desired "to work principally at the United Nations" but would not refuse radio, TV and press interviews.

There was no answer to the query whether they would talk with the United States, Goldberg said.

"Very promptly thereafter, early in November," Goldberg continued, "I communicated the response from my government in which I said that we would grant visas in connection with any U.N. business as required by the headquarters agreements. We have heard nothing since."

**KEY POINTS**  
The headquarters agreement between the United States and the United Nations obliges the United States to admit U.N. delegates and "other persons invited to the headquarters district by the United Nations."

Goldberg said the United States would grant the NFL men visas if they were invited here by the Security Council or the General Assembly.

"The key points," he added, are that there have been no such invitations from the council, the assembly or the secretary-general, and that does not intend to issue any.

tion 21-34, T2S, T&P survey, 12 miles southwest of Forsan and a northeast step-out to the pool.

## COMPLETIONS

**GARZA**  
Burt Fields Jr. No. 1 Connell Estates has been completed at a total depth of 3,500 feet and plugged back to 3,311 feet. A 4 1/2 inch casing was set of 3,500 feet. Perforations were made between 2,357-2,368 feet. Initial pumping potential was 15 barrels of 34.2 gravity oil and 74 barrels of water per day. Oil:water ratio was 20:1. The well was acidized with 4,750 gallons. Kelly bushing elevation is 1,506. Location is 407 feet from south and 320 feet from west lines of section 31-5, GH&A survey.

**LANE STAR**  
Lane Star Producing Co. of Dallas No. 1 W. M. Rinehart is drilling a 4,000-foot well in the 400-foot zone of section 46-34, T&P survey, 10 miles southwest of Big Spring.

## Pope Shuns Cold, Rain

ROME (AP) — Pope Paul VI defied winter cold and rain today to wave from an open car to more than 5,000 Romans as he drove out for his first trip from the Vatican since his prostate operation five weeks ago.

With the temperature at 46 degrees and a cold drizzle falling, the 70-year-old pontiff began his busy public Christmas activities with a visit to pray beneath an umbrella at the statue of the Virgin Mary in the Piazza di Spagna, in the heart of Rome.

When the Pope learned of the crowd in St. Peter's Square hoping to get a glimpse of him, he ordered the top of his limousine down. Just as this was done, the rain began, but the Pope stood in the car and waved at the crowd as he drove past.

Throughout his short outing, the Pope smiled often and looked well. His movements and his voice seemed normal.

by the Rev. James McNees, Lamesa. Burial will be in the City Cemetery with River-Welch Funeral Home in charge.

Mrs. Gilbert was born in Mills County, July 12, 1890, and married G. W. Gilbert April 16, 1911, in London, Tex. He preceded her in death on June 1, 1958. Mr. and Mrs. Gilbert moved from Jayton to Big Spring in 1932. She had been a member of the Church of God for 35 years.

Survivors are two sons, Rev. G. M. Gilbert, Dallas, and the Rev. O. C. Gilbert, Mineral Wells; two daughters, Mrs. Deway Kerr, Big Spring, and Mrs. I. W. Rockley, San Antonio; three brothers, R. L. McKinney, London, Tex., A. V. McKinney, Portersville, Calif., and W. O. McKinney, Corona, Calif.; five sisters, Mrs. Ollie Baker, Bakersfield, Calif., Mrs. Annie Davis, Eldorado, Mrs. Allie Nelson, London, Tex., Mrs. Myrtle Laramore, Junction, and Mrs. Maude Tedford, Houston; eight grandchildren and 13 great-grandchildren.

## Lad Suffers Concussion

Jesse Don McGuire, 1702 Main, received a concussion in an accident this morning. The boy, age 8, was a passenger in the car driven by Eugeneia Daves McGuire, 1702 Main. Monte Sue McGuire and Beverly McGuire, other passengers in the car, were treated and released at Hall-Bennett Hospital.

Mildred Brown Evans, 2414 Johnson, driver of the other car, and two passengers in her car, Jackie Evans and Sherri Evans, were also treated at Hall-Bennett Hospital for minor injuries and released. The accident occurred at Twenty-first and Johnson at 8:13 a.m.

Two minor accidents were also reported to police Thursday. Kathie Wood, 3207 Eleventh Place, and Nona Roberts, 1807 N. Monticello, were in collision at 1009 Eleventh Place. Nicholas Nillo, 1108 Lloyd, and Reba Ann Townsend, 2201 Warren, were in an accident at Connally and Wasson.

## The Winner: Desi Arnaz

INDIO, Calif. (AP) — The winner, Desi Arnaz. The losers: lawyer Melvin Belli and the couple he represented, Mr. and Mrs. Jack Young.

A jury of 10 women and two men ruled Thursday in favor of Arnaz in a \$100,000 suit accusing the actor-musician with attacking the couple "orally and physically."

Arnaz denied the charges, which stemmed from a 2 a.m. visit he and his wife made to the Thunderbird Country Club of which the Youngs are caretakers.

The suit first sought \$34 million, but this was reduced without explanation before the three-day trial began.

## Etex Publisher Memorialized

LONGVIEW, Tex. (AP) — President Johnson and Gov. John Connally joined scores of other dignitaries today in paying tribute to the late Carl L. Estes, publisher of the Longview News and Journal.

"Carl Estes left his mark on Texas, and that's a lot to say for any man," said the president in a telephone statement broadcast to a large crowd gathered for the 11 a.m. dedication of a state historical marker to Estes.

Johnson said Estes "put the power of the press to work for the good of his community and the people he loved."

Connally said in a statement read for him that Estes' "devotion to the progress of Longview and all of Texas resulted in significant contributions, the impact of which will continue to be felt in the decades ahead."

Ceremonies were held on the parking lot of the News and Journal building where the marker was dedicated.

## No Record Of SNCC Exemption

ATLANTA, Ga. (AP) — Regional officials of the Internal Revenue Service have disclosed that they have no record that the Student Nonviolent Coordinating Committee (SNCC) has ever filed an income tax return or a tax-exempt financial statement.

The Associated Press learned of the financial investigation of the militant Black Power organization and its former leader, Stokely Carmichael — through persons involved in business transactions with the group. However, except for the disclosure of the IRS records, there was no official comment.

### Turns On Christmas Lights

George H. O'Brien Jr. (left), holder of the Congressional Medal of Honor, turned on the lights of the Christmas decorations at the Veterans Administration Hospital Thursday evening. Donald D. Van Meter, hospital director, introduced O'Brien. C. O. Hill, hospital chaplain, who gave the benediction, is in the background.

## Ceremony Marks Turning On Lights At Hospital

Approximately 250 persons attended the Christmas lighting ceremony at the Veterans Administration Hospital Thursday evening.

George H. O'Brien Jr., native Big Spring and holder of the Congressional Medal of Honor, pressed the button which turned on the 60-foot tree symbol on the front of the building and other lighting displays throughout the grounds.

In introducing O'Brien, Donald D. Van Meter, hospital director, said, "It is our hope that all who look upon these beautiful lights during this holiday season will find joy and thankfulness in the knowledge that men like George O'Brien have seen to it that we are able to observe Christmas in a free democracy."

As the lights went on, the Goliad Junior High School choir sang "O Christmas Tree." Then Mrs. Joseph Dawes, choir director, led the entire crowd in singing "O Little Town of Bethlehem" and "Silent Night." Benediction by C. O. Hill, hospital chaplain, concluded the brief program.

## Midway Pack Receives Awards

Awards were presented members of Midway Pack 236 at a meeting Thursday night. Bob Roverer distributed the badges. Scouts voted to give a basket to a needy family as a December project, in addition to conducting their Christmas tree sale on a lot near the Midway Cafe. The lot is open from 3-7 p.m. each day.

## Bill Suspect On Different Count

SAN ANGELO (AP) — A federal grand jury indicted Zakar Garoogian, 34, a central figure in the investigation of an alleged plot to assassinate Arkansas Gov. Winthrop Rockefeller, today on charges of burglarizing two West Texas banks and three post offices.

Garogian, Bill Junior Brown, 33, and Doyle Lee Sanders, 23, all of San Angelo, were all indicted on a charge of burglarizing the Citizens State Bank of Miles, a year ago. Miles is about 20 miles east of San Angelo.

Garogian and Sanders were also indicted on charges of burglarizing the First State Bank of Paint Rock, Tex. Garogian was indicted in the October, 1966, burglary of the Wall, Tex., post office, an Abilene post office burglary in July, 1967, and another Abilene post office burglary in August of this year.

In addition, the grand jury indicted Garogian on a charge of burglarizing the Glen Cove, Tex., post office. Garogian was brought back to San Angelo Thursday after a disappearance of about 24 hours. There was speculation Garogian was taken to Arkansas for questioning by officers there.

The San Angelo Standard-Times said Garogian had been quoted by "well informed sources" as saying that he had information about a plan to kill Rockefeller.

Police Chief Melvin James said the alleged assassination plot had "substantial underworld backing" and was "valid, true and authentic."

## Erwin Re-Elected U-T Regent Head

HOUSTON (AP) — The University of Texas Board of Regents has re-elected Frank Erwin chairman and Jack Josey vice chairman.

In other action at a meeting here Thursday, the regents named acting dean of nursing, Dr. Marilyn D. Willman, as dean, approved final plans for a new music building and authorized a closed circuit television network for the university's medical and biological science schools.

An election of officers is required every time a new regent is appointed to the board. John Peace of San Antonio was sworn in as a regent since the board met last.

# Scouting Worth The Cost, Speaker Tells Volunteers

"Is it worth it?" the Rev. James Puckett, Baptist Temple pastor, asked about time and money put into Scouting. He had a living answer present in the person of William T. McRee, who recently retired as the Lone Star District Scout executive.

His tribute to McRee was a highlight of the annual Lone Star District banquet Thursday honoring volunteer Scouters—and that's what McRee is now. When he retired from a professional career in Scouting, he went back to his original role of scoutmaster, this time with Troop 5.

Everything, said Rev. Puckett, should periodically be subjected to the question: "Is it worth it?" Scouting is no exception, noting the amount of money and time put into it.

**END PRODUCT**  
The end product of good citizenship makes Scouting infinitely worth all that it may cost, he said. In the process of teaching boys to be self-reliant, upright and honest, Scouting makes them good citizens.

"Men who make a career in Scouting are gambling their lives that it is worth it," he declared. One such, he added, is McRee, who abandoned a good business to devote a quarter of a century of his life as a professional. But, said Puckett, the real test of a man's dedication comes when he retires, and McRee went right back to being a volunteer.

**EAGLES CTED**  
Donald Van Meter, chairman of advancement, cited five young men as "outstanding examples of American manhood" for having earned the Eagle award during the past year. "They are a credit to themselves and have made us all proud of them." They are Mike Alexander, son of Mr. and Mrs. Jack Alexander; Barney Gulley, son of Mr. and Mrs. Jack Gulley; Gary A. Belew, son of Mr. and Mrs. Arvin Henry; Sammy Jones, son of Mr. and Mrs. J. C. Jones; and Bryan Mayes, son of Mr. and Mrs. Warden Mayes.

Earl McKeenan, Midland, Buffalo Trail Scout executive, installed R. L. Tollett, chairman, Jack Gulley and Erven Fisher, vice chairman, and Ralph Barris, commissioner, as

officers of the district, noting that "Scouting is just as important and vital to a community as any business or industry." More men and woman power will be needed because of the increasing boy crop, he said.

**LEADERS PRAISED**  
Tributes were paid to volunteer leaders by Joe Pickle, chairman of public relations, and Bill Parmenter, Life Scout from Troop 179, added to this in his report for Scouts. Robert Deming, Post 146, outlined a

busy program of exploring, adding that "We decide and plan what we want to do, and then make it work." Cubs from Den 1, Pack 238, presented a skit on the things that make Christmas. The Rev. John Wagener, associate pastor of First Methodist Church, offered the prayers. Tollett extended the welcome to volunteer leaders, and Douglas L. Orme, former member of the district committee and now of Dallas, served as master of ceremonies.

## Commissioners To Eye Proposed Park Plans

Designs for improving the amphitheater entrance and constructing an additional picnic pavilion in City Park will be presented to city commissioners at Tuesday's meeting, Roy Anderson, assistant city manager, said today.

"These items have already been recommended by the parks and recreation board and approved by the city commission, but specific plans had not been drawn up at that time," said Anderson. Financing will come from the remaining \$7,500 park improvement bond fund.

The plans were shown to members of the parks and recreation board Thursday afternoon, but no official action could be taken since a quorum was not present.

If the plans are approved, improvements for the amphitheater will include work on Caliche Drive, the unpaved road on both west and east sides of the theater. Anderson said the west section would be improved and an area added to provide access to the loading ramp. A six-foot walkway is planned for the east area.

In order to stabilize and at the same time improve the ground immediately in front of the amphitheater, it is proposed that it be filled in with dirt and three rows of native rock added.

Plans are also complete for a pavilion and restrooms on the site of a former residence in City Park. Anderson told board members. The concrete, L-shaped pavilion would cover 2,500 square feet.

Board members spent the "meeting" discussing proposed improvements in recreational facilities.

A noon meeting later this month is planned.

## First Flu Outbreaks

ATLANTA, Ga. (AP) — The first outbreaks of influenza for the 1967-68 epidemiologic year were reported today by the National Communicable Disease Center.

The first reported outbreak affected approximately 3,000 of 18,500 students at Western Michigan University, Kalamazoo, Mich., between Oct. 23 and Nov. 10, the federal health agency reported. The peak incidence was reached during the week of Oct. 28.

The second outbreak occurred in the North Miami, Fla., public schools early in November. The peak in incidence was on Nov. 8-9, the center reported.

At Western Michigan University, approximately 1,000 students sought medical care at the University Health Service and about 2,000 others were ill but did not seek medical assistance, the report said.

During the university outbreak, absenteeism also increased in Kalamazoo's public schools. A similar illness was reported in Lansing, Mich., public schools. The peak incidence there occurred the week of Nov. 21, when absenteeism reached 12 to 20 per cent.

## Vets To Report Current SS Pay

Veterans and other VA beneficiaries in completing their 1967-68 income questionnaires should not consider any increase in Social Security benefits that may be enacted.

Jack Coker, manager of the VA regional office in Waco, said annual Social Security income should be computed for both 1967 and 1968 at the rate they are now being paid. In the event the proposed Social Security increase becomes law, VA will automatically adjust their records.

## Chemical Society Schedules Meet

The Permian Basin section of the American Chemical Society will meet here Tuesday at 6:30 p.m. at Cosden Country Club. The program, "West Texas Water," will be presented by the Colorado River Municipal Water District and will include a film on construction of the new dam project at Robert Lee. The lecture part of the program will be at 7:45 p.m. Local reservations may be made by calling Jesse Looney at Cosden Oil and Chemical Company.

## Area Students To Gain Degrees

Bill Cave, Ackerly, is one of 10 candidates slated to receive a master's degree this semester from Sul Ross State College. Two other area students are among 77 candidates for undergraduate degrees.

Cave will receive a master of education degree. Gary Geiger, Colorado City, and Cary Stephens, Gall, are both scheduled to receive a bachelor of science degree in range animal science.

The fall graduates will have graduation exercises on May 12, 1968, with the spring graduates.

## Union Leaders Rap LBJ's Pay Appeal

MIAMI BEACH, Fla. (AP) — Leaders at the AFL-CIO convention have criticized President Johnson's call for unions to restrain their wage demands. Some say they will ignore the appeal.

"It was pretty pious nonsense," Jerry Wurf, president of the State, County and Municipal Workers Union, said of Johnson's appeal. The President asked at a Washington conference of businessmen for business to hold the line on prices and for labor to go slower on wage hikes.

**450,000 WORKERS**  
Union chiefs who will be negotiating major contracts in steel, telephone and aerospace industries during the 1968 presidential campaign year also said they will ignore Johnson's plea.

"We want a share in the improvements in the economy," said President I. W. Abel of the United Steelworkers Union, which will be negotiating new contracts for 450,000 workers in the most worrisome 1968 bargaining battle to the Johnson administration.

Steel contracts expire in August and a long strike would be close to the November election. Johnson brought steel negotiations into the White House in 1965 when he was trying to hold wage hikes to 3.2 per cent a year in the big "wage guideline" battle. A White House settlement then avoided a strike. Johnson had feared would hurt the economy.

**PIOUS NONSENSE**  
"I certainly would have been impressed if Johnson had twisted the arm of the steel companies," Wurf said of Johnson's call for wage-price restraint following the steel industry's

lowering of a steel price increase. "As it is, it was pretty pious nonsense."

"It is a classic mistake to oversimplify," said President Joseph A. Beirne of the Communications Workers Union, which will be negotiating wage hikes for 400,000 telephone workers next year.

"The President's statement was in line with his responsibility" to hold down inflationary trends, Beirne said.

He said that, as in the 1965-66 wage guideline fight, the Johnson statement implied that a certain level of wage increases could be imposed in many different industries.

"We can earn twice the amount of money and they'll still be able to lower the cost of telephone service" because of automation that replaces workers with sophisticated new equipment, Beirne said.

## Ginned Jeweler Wounded 3 Persons

ROME (AP) — A drunk jeweler barricaded in his apartment wounded three persons Thursday night as he pelted a Roman residential district with 60 shotgun blasts in half an hour, police reported today.

The police said the jeweler, Luciano Bellini, locked himself in and began sniping at passers-by after his wife walked out on him during a quarrel.

Police said when they finally broke in and overpowered him, he had drunk two bottles of gin.

His victims were not seriously hurt.

### Weather Forecast

Snow and snow flurries are expected Friday night in the New England states, around the lower Great Lakes and in a wide area throughout the Rocky Mountains and Northern Plains with rain in the Southern Plains. It will be colder in the Northwest and Midwest.

# Christmas in Vietnam.

Only 3 more shipping days. By air.

Your gift for that very special serviceman can make Christmas Day a lot brighter, even in Vietnam. But it has to travel almost halfway around the world.

To be sure it reaches him in good condition and in good time for Christmas... just follow these important steps.

1. The deadline for mailing by surface transportation, November 11th, is already past. To be sure your package arrives on time, send it air mail—and mail it by December 11th at the latest.

(The Post Office Department and the Department of Defense have been assured that all air mail packages received by then will be delivered to Vietnam by Christmas.)

2. Make sure the name and address is complete and clearly legible, placed lengthwise on the lower right hand side of your

package, leaving room for the necessary postmark, notations, etc. Be sure to include the important 5-digit A.P.O. or F.P.O. number in the address to avoid serious delays.

3. It may be necessary to mark the package, "Gift—export license not required." Ask your post office.

4. Make sure the postage is fully prepaid. Your post office can help you determine the amount.

5. If you are using Christmas seals or other labels in aid of charitable projects, put them on the back, not on the address side of your package. The Post Office issues a special Christmas stamp which is legal postage and should therefore be above the address.

6. Mail the package at the proper window in your post office, not at a letter box.

7. The post office can also tell you what weight limit applies. (It varies by A.P.O. and F.P.O. number.)

8. Be very sure the package itself is secure and substantial. Take into account the contents, the climatic conditions, and the handling within Vietnam. Paper alone or ordinary pasteboard boxes are inadequate. Canvas or similar materials, double-faced corrugated cardboard boxes, solid fiber boxes or wooden containers are recommended. Contents should not shake or rattle.

If you have any further questions, your post office can answer them for you. But by following these key suggestions, your serviceman should have your gift package intact and in time for Christmas. And that's the best way to tell him your heart is with him.

# Heart Swap Patient Talks With Wife

CAPE TOWN, South Africa (AP) — Mrs. Louis Washkansky visited her husband Thursday for the first time since his heart transplant operation and found him strong, cheerful and "just too beautiful."

"I'm feeling fine," Washkansky told his fellow South Africans in a nationwide broadcast from his bedside.

The 55-year-old wholesale grocer's physicians, encouraged by his excellent progress, allowed his wife to enter sterilized room 274 at Groote Schuur Hospital for a four-minute chat after one of the surgeons interviewed Washkansky for the South African national radio network.

Bosman asked in the radio interview.

"I'm feeling fine," the patient replied.

Q. You feeling well? A. Quite well.

**'GOLDEN HANDS'**

Q. What would you like to eat tonight? A. Something light. Not starting with heavy things.

Q. How do you feel about being a famous man now? A. Told you, I'm not famous. It's the doctor that's famous. It's the man with the golden hands.

Washkansky's "man with the golden hands" is Dr. Christian Barnard, who headed the team of surgeons who on Sunday replaced Washkansky's badly fibrosed heart with the heart of a 25-year-old woman killed in an auto accident a few hours before.

It was medical history's first recorded human heart transplant.

Although Washkansky has shown continuous improvement since the operation, he is now in the critical period during which the body's natural tendency to repel foreign objects may reject the transplanted heart. But Dr. Barnard predicted this would not happen.

**NEW TRANSPLANT?**

Washkansky is receiving cobalt treatments and drugs to lessen the chances of rejection of the heart. Late Thursday, a hospital spokesman reported Washkansky "is still improving all the time and his condition is quite satisfactory."

"He should be home for Christmas," said one surgeon.

Another heart transplant may be performed by the same surgical team in six weeks, Dr. Barnard said.

The prospective patient is a middle-aged man who has been suffering from severe heart disease for the past six months. The time of the operation depends largely on when a healthy young heart can be obtained, Barnard said.

**FEELING FINE**

"He is so much better than I expected," Mrs. Washkansky said. "He is so cheerful and bright. I was astonished by his strength."

Wearing a surgical gown and mask, she entered her husband's room with instructions not to kiss him. He reached out for her arm, she said, and told her: "Darling, I am so happy to see you."

"How are you feeling now, Mr. Washkansky?" Dr. Bertie

**18-Vehicle Pileup**

ANAHUAC, Tex. (AP) — Eight persons were injured Thursday in an 18-vehicle pileup on the Interstate 10 bridge at the Trinity River during a heavy fog. The pileup effected only eastbound traffic on the Houston-Beaumont freeway.

## Patience Pays

PASADENA, Calif. (AP) — Ray McCray, a Pasadena police officer, says patience paid off.

After failing to find a burglar reported in a department store recently, McCray parked his cruiser outside the store and waited.

## Gal's Conscience Overcomes Love

DALLAS (AP) — A woman's conscience overcame her love for Friday, a dog, but it took five months.

Five months after the dog jumped out of a vehicle, a woman called to tell the Jack Denham family of Arlington to come pick up the beagle. She said she had hoped to keep him despite a \$100 reward but her conscience nagged her.

Suddenly, he said, a man crashed through a display window from the inside.

The officer said he booked Royce Embry, 19, on suspicion of burglary after halting him with \$1,217 worth of clothing.

## Maybe, Students Aren't 'Leg Men'

PORTLAND, Ore. (AP) — A foreign student exchange program at Portland State College raised money Wednesday by auctioning off 12 of the school's loveliest young women.

The high bidder would get a

half-day date with his purchase. The coeds, who wore dark socks over their heads; sat on a bench. The bidders had to judge the quality of the merchandise solely on the basis of legs.

But it seemed that most of the male students were more concerned about next week's final exams than they were about the girls. The highest bid was only \$2.

## Three Texas Girls Cotton Finalists

MEMPHIS, Tenn. (AP) — Three Texas girls are among the 29 finalists in the 1968 Maid of Cotton contest. They are Vickie Esty of Lubbock, Sere Scott of Odessa, and Kristen Holmberg of El Paso.

**Decorates White House Wedding Cake**

Clement Maggia, internationally known pastry chef, who died Wednesday night, is shown as he put the finishing touches on the wedding cake that he was preparing for Lynda Johnson and Capt. Charles Robb at the White House. The bride selected an old-fashioned pound cake for the five-layer cake being prepared for Saturday's reception. Besides the elaborate confection decorations, the top of the five-foot cake will be a basket of real white roses.

A LOVELIER YOU

**Care For Feet During Christmas Shopping**

By MARY SUE MILLER

The holiday rush is on. Will you keep up or will you come a cropper? The outcome depends largely on your feet. For feet to keep you going, you have to keep them going.

The old truths about foot care still hold: For health and comfort, the feet require shoes suited to the activity ahead, accurately sized shoes and stockings and proper grooming as regards foot baths and pedicures.

Given those basic attentions your feet should be able to keep pace with your usual schedule for the day. But the best tended feet begin to grumble when they are asked to perform the unusual — extra hours of standing and walking, for instance. It's then the shopper begins to limp and slip her heels out of her shoes under cover of a restaurant table.

And it's then a bit of extra pampering keeps the feet happy. Here are some effective "extras":

First thing in the morning massage feet with clear foot lotion or mentholated alcohol. Dust feet and insides of shoes with medicated foot powder before putting on stockings and shoes at any time. Change shoes and stockings at least once during the day. Keep foot spray handy. One squirt, right through stockings, puts new life in your steps.

**YOUR GROOMING**

Put aside your grooming doubts and worries! Send today for "Your Grooming — A to Z," a booklet that covers every step in achieving smooth looks. It tells how to manicure and

pedicure, use deodorants and depilatories, bathe for beauty, tend feet, hands, teeth and eyes, polish skin and hair, care for clothes, apply perfume, overcome personal posers. To obtain your copy, write Mary Sue Miller in care of the Big Spring Herald, enclosing a large, self-addressed, stamped envelope and 20 cents in coin.

**Yearbooks Given To Park Hill P-TA**

Mrs. Daniel Johnson presided and distributed yearbooks and membership cards at the Tuesday meeting of the Park Hill Parent-Teacher Association.

Wendell Huddleston, principal, reported on the P-TA convention held last month in Fort Worth. Members of Miss Margie Newbrough's third grade class won the room count.

Parents were reminded of the canned food drive for the Salvation Army to be held prior to Christmas.

Refreshments were served by Mrs. John Cherry, and the table was decorated with a Christmas scene. The next meeting will be in February.

**Christmas Story Told For Club**

Mrs. Clyde Angel gave the program, "The Christmas Story," which was done in two parts, one humorous and the other a religious presentation, at the Tuesday meeting of the Green Thumb Garden Club. The group met in the home of Mrs. C. M. Adams, 1719 Harvard, with Mrs. Merle Stewart serving as co-hostess.

Gifts were brought for shut-ins, and new and used articles were presented to the State Hospital and the Bennett House.

Mrs. Jack Piner and Mrs. Harvey Williamson were accepted as new members.

A brunch was served and Christmas decorations were used. The next meeting will be Jan. 9 in the home of Mrs. James Duncan, No. 6 Indian Ridge.

**Fashion Program Heard By Club**

Mrs. Joe Smith and Mrs. Roe Fulgham discussed the history and art of dress at the Tuesday meeting of Alpha Beta Omicron Chapter, Beta Sigma Phi of Coahoma. The group met in the home of Mrs. Jim Prewitt, 403 Dallas.

Mrs. Smith discussed fashions in clothing from the 18th century to present designs, and Mrs. Fulgham spoke on clothing, make-up and hair styles.

Mrs. Rodney Hallmark, chairman of the service committee, reported a box of personal articles will be sent Dec. 15 to Girlstown, USA, in Whiteface.

The refreshment table was laid with a green cloth and centered with a ceramic vase that spelled out NOEL interspersed with green tapers. Red poinsettias and holly surrounded the base of the candles.

The next meeting will be a Christmas dinner, Dec. 9, in the home of Mrs. Herbert Doering, 3216 Auburn.

**Mu Zeta Gets Ball Invitation**

An invitation to attend the Queen of Hearts Ball in San Angelo, Feb. 10, was read by Mrs. Gaynelle Price during the Monday meeting of Mu Zeta Chapter, Beta Sigma Phi. Mrs.

Garland Braun will be Mu Zeta's duchess to the ball.

In business, it was announced that the chapter has "brought Santa Claus to Big Spring," and he will be available to visit in private homes from now until Dec. 14 at a charge of \$1 per visit. Also, the group will deliver a Christmas basket to a needy family and will sell coffee and doughnuts in the Highland Center Mall from 5 to 9 p.m., Dec. 19-21.

Mrs. Robert Knight will host a cocktail party for the group at 7 p.m., Dec. 16, after which members and their husbands will attend the Epsilon Sigma Alpha dance. Mrs. Richard Atkins was named new Phi Pal chairman, and Mrs. Ronnie Moser is the new service chairman.

Mrs. Tommy Tompkins, 119-B Kelly Drive, was hostess, and the program, "People," was presented by Mrs. Braun and Mrs. Jackie Thomas.

The next business meeting will be Dec. 18 in the home of Mrs. Gerald Wooten, San Angelo Highway.

**WMU Honored At Mexican Supper**

The La Fe Baptist Church held a Mexican supper Monday evening honoring members of the Woman's Missionary Union of the First Baptist Church.

Mrs. Efron Abreo, president of the La Fe Young Women's Association were dressed in Mexican costumes, and the Mexican theme was carried out in decorations.

It was announced that a literacy course will be taught at the church following the Christmas holidays.

Fifteen attended, and the next meeting was scheduled at 7 p.m., Monday.

**Christmas Tea**

The American Association of University Women will host a Christmas tea at 3:30 p.m. Sunday at the Cosden Country Club. This meeting will replace the regular session.

**BECKY MORROW . . .**

**Garage Art Show and Sale**  
The Public is invited to view oil paintings by Al and Arlys Scott, Harold Mounce and Margaret Goodwin, local artists. Hours are from 10:00 a.m. till 10:00 p.m. This Saturday and Sunday, Dec. 9th and 10th at:  
**1212 E. 17th St. Big Spring, Texas**  
For a unique Christmas gift, give an oil painting.

HINTS FROM HELOISE

**Different Cake For Serving At Shower**

Dear Heloise:

Here's how I made an attractive centerpiece for a baby shower.

Besides the cake to be served to the guests, I baked a smaller one in a square pan. After icing it, I stuck pink and blue plastic-tipped diaper pins around the edge of the cake, thus making a tiny playpen.

I dressed a small doll in just a diaper, and put it in the playpen with a red hot cinnamon to look like a rubber ball.

After the shower, I gave the small cake to the honoree, and, of course, the pins were saved for the baby-to-be. . . . Kate

**Programs Presented At Stanton**

STANTON (SC) — "Christmas Around the World" was the theme of the Stanton Music Club party at the home of Mrs. Jack Woodrow. The group sang carols, and Mrs. Roy Koonce sang "O Holy Night" accompanied by Mrs. Roy Pickett. Mrs. R. O. Anderson presided, and Mrs. Glenn L. Brown told a Christmas story.

Mrs. Cecil Bridges, president of the Stanton Garden Club, has announced that the club will hold its Christmas party Dec. 19 at the home of Mrs. S. W. Wheeler. Featured on the musical program will be a quartet. Mrs. Jesse Burns, Mrs. James Jones, Mrs. Arthur Wilson and Mrs. Glenn Brown. Mrs. Edmund Tom will accompany them.

Mrs. H. M. Reynolds Jr. presented the program at the Tuesday meeting of the Order of Eastern Star at the Masonic Hall. The Christmas party featured a refreshment table accented with a madonna, and refreshments were served. Mrs. Prentiss Hightower presided.

Mr. and Mrs. Charles Eckert were hosts to the Stanton Singing Club Tuesday, and refreshments were served to 25. Officers are Grady Standefer, president, and Mrs. Vela Anderson, secretary. The Standefers will host the next meeting. Mrs. Granville Graves was hostess for the Thursday meeting of Mu Lambda Chapter of Beta Sigma Phi. Mrs. Jess Angel and Mrs. R. O. Anderson presented the program on people and nature. Refreshments were served from a table covered with a white cloth and centered with a miniature tree surrounded by an angel choir. Crystal and silver appointments completed the setting. On Wednesday Mrs. Graves honored her daughter, Leigh Ann, with a party on her third birthday with eight guests attending. Balloons were used for decoration, and favors were given.

washing every time they are emptied. . . . Mrs. W. W. Schemper

Dear Heloise:

I use wooden spring-clothespins, and have been annoyed countless times, especially on a rush day, by getting hold of the wrong end.

I solved this problem by dipping the ends of the clothespins into a can of paint. Now no more muttered comments and a brow free from frowns. . . . G. G. K.

**LETTER OF LAUGHTER**

Dear Heloise: Happiness is having your son get a decent haircut after a year of looking like a Beetle. . . . Helen Leuster

Dear Heloise:

When your child has a temperature and the doctor advises applying a cold cloth to his forehead over a period of time: Fold a wash cloth to the size of the area to be covered. Moisten the cloth, wring the water out, fit the damp cloth around the side of a one-pound coffee can and put in the free-

zer. (You might want to fix a couple of spares.)

When the damp cloth is frozen, put it to the child's forehead. This frozen wash rag is so much easier than a lot of drippy melting ice cubes.

For use of an adult, shape the cloth on a two-pound can. . . . Helen L. Neff

Dear Heloise:

Thumb tack a discarded shoulder pad on each end of your wooden hangers if you want to avoid those hanger-bulges on your dresses. . . . Adelaide Richards

Dear Heloise:

I wish I had been taught to turn my pillows over to sleep on. That way the pretty embroidered side of the cases wouldn't wear out so quickly and I could easily replace a worn back when needed. . . . Grandma

(Write Heloise in care of the Big Spring Herald.)

**Home Economist Presents Program**

"Be my guest for the holidays" was the program presented by Mrs. Walter Wheat, Texas Electric Home Economist, at the Wednesday meeting of the 1953 Hyperion Club. The group met in the home of Mrs. John Payne, 901 Dallas.

Mrs. Wheat demonstrated the uses of an electric blender and made punch in an electric percolator. Mrs. Dan Maestas presided, and Mrs. Ralph McLaughlin served as cohostess.

An Advent wreath with purple and white chrysanthemums was the decorative accent.

Approximately 20 attended.

# Combined Choirs To Give 'Messiah'

Handel's oratorio, "The Messiah," will be presented by a 90-voice choir Sunday night at 6 p.m. in the First Methodist Church.

The choir, composed of the chancel and chapel choirs of the First Methodist Church, members of the Howard County

Junior College choir and singers from the community at large, will be conducted by Van C. Hale, chairman of the music department at HCJC and music director at First Methodist. Accompaniment will be provided by church organist John Stan-

ley, music instructor at HCJC, and a string orchestra from Texas Tech.

Soloists are Mrs. Susan Bringer, soprano; Mrs. Joyce Bradley, soprano; Mrs. Marilyn Newson, soprano; Mrs. Gwen McLaughlin, alto; Kenneth Roach, tenor and Kenny Shepard, baritone.

"Last year's presentation was well received by an audience of about 1,100 people and we hope there will be an even larger crowd this year," said Hale. "This work, sketched and scored in 21 days by Handel, has been a favorite of church and concert goers for over 200 years."

# Synod President Speaks Sunday At Odessa Rally

Dr. Oliver R. Harms, president of the Missouri Synod of the Lutheran Church for the past five years, Sunday will address a great rally of Christians celebrating the 450th anniversary of the Reformation.

DR. OLIVER R. HARMS

The meeting, arranged by different synods of Lutherans but designed to bring all the Protestant body into one moment of fellowship, will be held at 3:30 p.m. in the Ector County Coliseum in Odessa.

Members from various Lutheran churches, regardless of synod, will comprise a mass choir for the event. Pastor E. H. Hohle, Odessa, will preside over the event. All are welcome, particularly those who stem from the reformation.

Dr. Harms is a native of Missouri and a graduate of St. Paul's College at Concordia, where he also completed the seminary. He pastored in Wichita Falls and was ordained at Eden, Tex., in 1926. He served seven congregations in a missionary district 126 miles long. Later he organized Trinity Church in San Angelo, Grace Lutheran in Brownwood, and served as pastor at Trinity in Houston.

In 1948 he was made presi-

dent of the Texas District, went on the board of the Missouri synod in 1950 and became president in 1962. He holds a BS degree from the University of Houston, the D.D. degree conferred on him by Concordia Seminary in Springfield, Mo., and several other colleges have given him honorary degrees.

REV. WILLIAM GOLIGHTLY

# Local Pastor To Receive Degree

The Rev. William E. Golightly, pastor of Salem Baptist Church, will receive his Master of Divinity Degree from Southwestern Baptist Theological Seminary during the annual winter commencement exercises, Dec. 21, in Truett Auditorium.

President Robert E. Naylor will present degrees in church music, religious education, or theology to 119 candidates. They will join over 11,000 Southwestern Seminary graduates serving every continent.

Dr. Elvin Skiles, president of Hardin - Simmons University, will deliver the commencement address.

Southwestern Baptist Theological Seminary, owned and operated by the Southern Baptist Convention, is the largest evangelical seminary in the world.

# Keese To Present Program On Crime

Sunday evening at Wesley Methodist Church, East 12th and Owens, the Commission on Christian Social Concerns will present a special program dealing with crime and rehabilitation and the work of Christian Social Concerns. Mrs. W. D. Lovelace is the chairman of the commission.

B. M. Keese will present a special discussion entitled, "A Trip: Beyond the Law and Back." Keese has been registrar of Howard County Junior College since 1948. He and Mrs. Keese are members of First Methodist Church, and he is serving on the Commission on Christian Social Concerns.

He participated in a special seminar in this field at Mt. Sequoyah, Fayetteville, Ark., and was among several hundred delegates from Methodist churches across a nine-state area of the South Central Jurisdiction of the Methodist Church. The program will be a part of the evening worship at 7 p.m. A nursery is provided.

# Unitarians Slate Midland Parley

A conference of Unitarians will be meeting in Midland today through Sunday. Unitarians and religious liberals from all over West Texas and Eastern New Mexico will be convening and anyone interested in learning more about liberal religion is invited to attend.

The emphasis of the conference will be on fellowship and churchmanship. It will begin this evening with an informal reception in the home of Mrs. J. P. Wilkinson. The Saturday program will be held in the Midland church and will deal with practical matters. A dinner and dance at the Plaza del Sol restaurant will climax the day.

The Sunday service will include a 10 a.m. Forum program, "Six Characters in Search of a Scapegoat," presented by members of the El Paso Unitarian Fellowship. The 11 a.m. service will be "A Church Made for Man," by Rev. Bill Nichols, minister of the Midland Unitarian Church.

# Baptists Schedule Association Meet

The monthly session of the Big Spring Baptist Association will be held at 6 p.m. Monday at the West Side Baptist Church with the Rev. Jack Boyette to deliver the message.

The Rev. Boyette, pastor of East Fourth Baptist, will speak on "Who Cares Anyway?" James Kinman will lead the song service at 7:15 p.m. This will be preceded by the executive board meeting.

# Southern Church Facing Crisis

NEW YORK (AP)—Educated, sensitive people are finding it "hard to accept the simplism which prevails" in popular Southern churches, says the Rev. Dr. Samuel S. Hill Jr. of the University of North Carolina.

A Southern Baptist and head of the university's religion department, he writes in a new book, "Southern Churches in Crisis," published by Holt, Rinehart and Winston:

"In the Southern church's hands, the Christian affirmation and claim are reduced to a mere shadow of their massive, dynamic reality."

# Healing Partners

NEW YORK (AP)—Religion and medicine are complementary arms of healing, says Dr. William Donald Sharpe of New Jersey's College of Medicine. In a new Appleton-Century book, "Medicine and the Ministry," he writes:

"As the two agents most helpful to people in trouble, doctors and ministers should understand each other better."

# QUESTION OF UNIVERSAL PEACE DISCUSSED IN UNIFORM LESSON

Can there be peace on earth? — It's an age-old question that everyone talks about but few can answer. It's also the basis for this week's uniform lesson taken from Micah 4:1-7.

In this central division of Micah, the coming peace and glory for Israel are discussed as Micah refers to the ruler who would come out of Bethlehem and the judgment to come because of the idolatry in the land.

The second verse shows that the result of coming to the Lord will be that "He will teach us of His ways, and we will walk in His paths." That is what happens to every true convert of Christ, the Prince of Peace.

But when, and only when, the people of all nations have turned to the Lord there will be universal peace, as it states in Micah 4:3— "And He shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into pruning hooks; nation shall not lift up a sword against nation, neither shall they learn war any more." The Lord will be the judge in the truest sense, and He will settle all disputes.

This peaceful reign promised by God will not be the result of man's endeavors, but the sole accomplishment of Jesus Christ, according to Micah. And when that day comes, His people will turn back to the God they had forsaken and find that His justice in punishing them has been followed by His mercy in restoring them.

Can there be peace on earth?

# Church Calendar

ASSEMBLY OF GOD — The Rev. Homer Rich, 11 a.m., "Re-Building the Church," 7:30 p.m., "The Church of God."

## An Experiment in Religion

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We met a chemist some years ago who was planning to experiment with religion.  
"Some Sunday," he said, "I'm going to go to Church and see if it makes any difference in my life."  
"Doctor," we asked, "How does a chemist begin his experiments in a new field?"  
"With research," came the reply. "He studies the findings of other men in that field—determines what has been proven—what is unknown."  
"That's a good way to begin your experiment with religion," we suggested. "It would hardly be 'scientific' to judge Christianity, or your need for it, on the basis of one visit to Church. But a few months of faithful attendance, and many thoughtful evenings with the Bible will give you a clear understanding of what others have found in Christianity. You'll discover spiritual truths which centuries of experience have proven, and gain a faith that can bridge the Unknown."  
At last report, our chemist was making fine progress in his experiment. In fact, he no longer thinks of his religion as experimental!

# Christmas

right this way  
to Christmas ...

The family's merriest Christmas begins NOW in your local Big Spring Stores. Everywhere you look, you see the glimmer and gleam of festive Yuletide decorations...and it seems like everyone is humming "Jingle Bells."

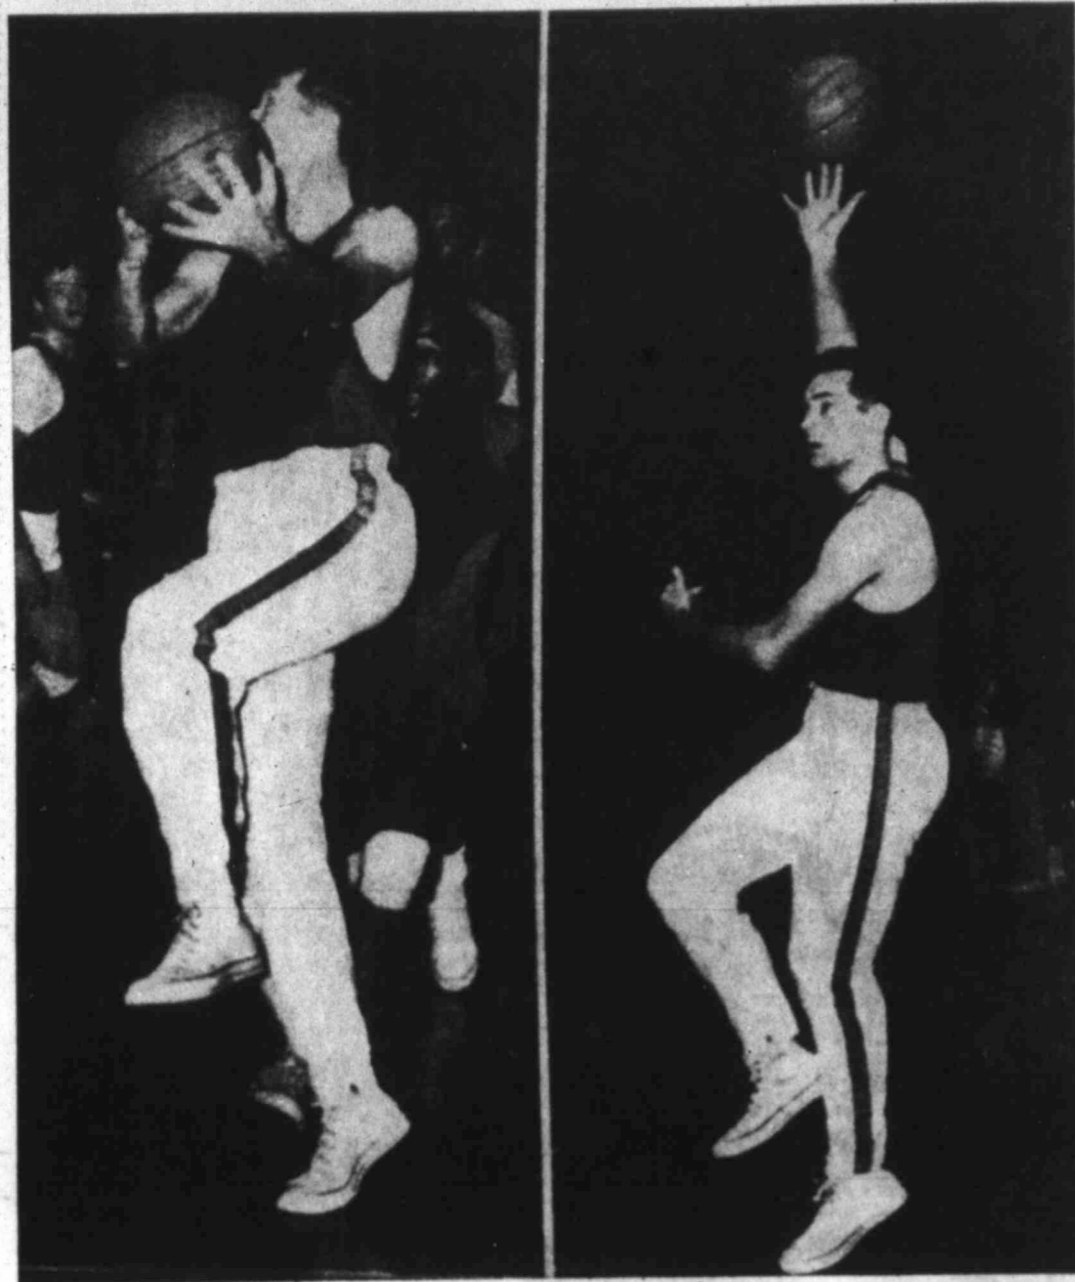

This is the time and Big Spring is the place to do your Santa Clausing early and "Wrap up Christmas" to perfection for everyone on your list.

Half the fun of Christmas is choosing gifts that will bring the greatest joy to those you love. And you'll never find a better place and time than right here, right now! Your Big Spring Stores are all a-brim with wonderful gifts to suit every age, taste, and pocketbook. Their selections are now at their very peak...to make your choosing easier, better.

Come see. You'll agree...this is the town with the Christmas spirit and the gifts to match.

# BIG SPRING HERALD

Bradley Gets Set For Debut

Bill Bradley, the former Princeton All-American who reportedly got \$500,000 to sign with the New York Knicks, participates in a workout with the team in New York Thursday. Bradley has just completed a tour of duty as an Air Force Reserve officer. He is to make his National Basketball Association debut shortly.

## Jayhawks Decided In Overtime, 97-90

ODESSA — Christian College of the Southwest (Dallas), Ranger, Odessa College and New Mexico JC of Hobbs pushed into the semifinals of the annual Odessa College Basketball tournament by scoring first round wins here Thursday.

CCSW had to go an extra period to edge Howard County JC of Big Spring, 97-90.

Ranger, the pre-meet favorite, easily mastered Lubbock Christian, 117-59. Odessa turned back Cisco, 103-95, and New Mexico JC upended St. Phillips of San Antonio, 121-88, in night sessions.

HCJC came within a whisker of upsetting CCSW and, quite probably, would have pulled it off had Hiron Hubert not fouled out with 11 minutes to play in the contest.

Hubert teamed with Arthur Collins to hold high-scoring Joe Hamilton (second in the nation last year) to 16 points, only six of which were the result of field goals.

The Jayhawks, now 2-6 on the year, led by two points with 45 seconds to play but Collins missed a gratis pitch on a 1-1 situation and a field goal by a hair that would have sealed the Trojans' doom.

Mike Reed, a thorn in the Hawks' side all night, sank the field goal just before the buzzer that sent the game into overtime. Reed wound up as the high scorer of the game with 33 points.

HCJC outlasted the Trojans from the field, hitting 38 of 90 field goal tries. CCSW had only 33 buckets but had good on 31 penalty shot opportunities.

Robert Jackson played an outstanding game and led HCJC in scoring with .21 points. Robbie

Lemons and Wally Stuart each had 17 for HC.

HCJC returns to play at 2 p.m. today in consolation semifinals against Lubbock. Should the Hawks win, they will play for consolation laurels at 4 p.m. Saturday. Should they lose, they will see action again at 2 p.m. tomorrow.

Ranger and CCSW tangle in

### Winger Dies At Age Of 45

OKLAHOMA CITY (AP) — Francis "Bo" Winger, the gray-haired golfer who won more friends than tournaments died Thursday in an Oklahoma City hospital.

Winger had been under intensive care since he suffered a stroke a week earlier. Doctors said he developed acute complication of the stroke early Thursday, and he died shortly afterward. He was 45.

Even before the complications began, doctors disclosed this week his right side would have been paralyzed from the stroke.

Winger played in only a half-dozen tournaments during the past year and won only \$150. During his career, he won only six tournaments but received \$155,000 in prize money. He resigned recently as golf director at a Las Vegas, Nev., county club.

one semifinal game at 7 o'clock this evening while Odessa and NMJC meet in the other at 9 o'clock.

Odessa was led by Roger McGlothlin, who had 31 points, and Stan Hutson, with 17. Larry Walker counted 46 for Cisco, getting 18 field goals and adding 10 free shots.

NMJC was paced by Mark Withrow, a former Abilene player, who had 28, and Andy Pettis, who settled for 23. Roy Dean led St. Phillips with 37.

Ulrick Cobb again inspired Ranger with a 21 point effort and was helped by Robert Spivey, who settled for 20. James McCloud counted 16 for Ranger.

LCC's Roy Still banged in 16 points and Van Vernon helped with 10.

Championship finals are at 9 p.m. Saturday, with Ranger favored to pick up all the marbles.

## Rams Likely To Topple Green Bay

NEW YORK (AP) — Baltimore should run its unbeaten string through 13 games Sunday but the Colts probably will have to beat Los Angeles on the last day of the season, Dec. 17, to wrap up the Coastal Division title.

That's the way it looks from this corner with the Handpicks tabbing the Rams to beat Green Bay in the big Saturday afternoon television extravaganza over CBS.

Cleveland should clinch the Century Division crown Sunday by knocking off St. Louis, thus qualifying for a Dec. 24 date at Dallas for the championship of the Eastern Conference.

After an 8-2-1 week in Mexico, the season totals are 95-38-10 (NFL, 62-26-8 and AFL 33-12-2). Let's try again. All games are Sunday unless otherwise noted.

### NFL

Los Angeles 20, Green Bay 17 (Saturday) — Packers find themselves in unusual position of underdogs with their division title already clinched and Rams still struggling. Two tough, rugged defensive clubs, Rams' running attack rates edge but it could be a battle of field goals.

—Don Chandler vs. Bruce Gossett.

Cleveland 28, St. Louis 23 (Saturday) — Browns need win to snuff out Cards. Cleveland won Oct. 15 game 20-16 with help of three interceptions and three field goals by Lou Groza. Probable goal of Bob DeMarco could hurt St. Louis in last home game but Cards are desperate and must win to stay alive.

New York 28, Detroit 21 — Giants still have a shot at third-place money in Eastern Conference and are at home. Lions have nothing to salvage but pride after 3-7-2 season. Mel Farr set to put on show for Yankee Stadium fans. Lions' pass defense makes it tough for Fran Tarkenton.

Chicago 21, Minnesota 17 — Both clubs closing strong after shaky starts. Bears won 17-7 Oct. 1 when Gale Sayers led attack. Sayers coming off hot game at San Francisco wants to close home season with a burst. Chicago defense should shut off Vikings.

Baltimore 31, New Orleans 7 — Colts put on big show for home fans in last game before hitting road for finale. Gary Cuzzo, Steve Stonebreaker, Ted Davis and Jackie Burkett would like to show up old mates but Saints don't have horses to match Colts.

Dallas 28, Philadelphia 21 — Cowboys just tuning up for Dec. 24 Eastern Conference game with Cleveland-St. Louis survivor. Eagles did upset Dallas 21-14 in Philadelphia Oct. 29 on a fumble and outside kick when Don Meredith was out of line-up. Despite loss of Bob Hayes, Dallas should get even.

San Francisco 24, Atlanta 14 — Two losers with nothing at stake. The 49ers could be showcasing George Mira, who is playing out option. San Francisco won first game 38-7 on Sept. 24 but they have lost six straight and Falcons have dropped five in a row.

Washington 35, Pittsburgh 24 — Despite Redskins' leaky defense and Steelers' upset win over Lions, Sonny Jurgensen should ruin Pittsburgh's last home game. Washington has won four in a row over Steelers since 1964 and comes off wild 35-35 tie with Eagles. Redskins won exhibition game 16-10 in September in Norfolk, Va.

## Forsan, Sands, Hosts Move Up In Tourney

GARDEN CITY — Forsan, Westbrook, Blackwell, Garden City and Sands posted first round victories in the boys' bracket of the annual Garden City Invitational Basketball tournament here Thursday. The meet ends Saturday night with championship games at 8 o'clock (girls) and 9:30 p.m. (boys).

Forsan blasted Sterling City, 73-39; Westbrook won over Water Valley, 78-45; Blackwell routed Wall, 46-24; Garden City

upended Norton, 41-40, in an overtime period; and Sands measured Flower Grove, 49-43, running its won-lost record to 3-1.

Today's pairings: Wall vs. Norton, 10:20 a.m. (consolations); Sterling City vs. Water Valley, 3:40 p.m. (consolations); Flower Grove vs. Norton — Wall winner, 6:20 p.m. (consolations); Blackwell vs. Garden City, 1 p.m. (championship); Sands vs. Blackwell — Garden City winner, 9 p.m.,

(championship). Forsan and Westbrook play at 11:30 a.m. Saturday for right to advance to finals.

In the girls' bracket Thursday, the results were: Forsan 61 Sterling City 42; Westbrook 68 Water Valley 52; Blackwell 34 Wall 26; Garden City 59 Norton 47; Sands 44 Flower Grove 33.

Today's pairings: Wall vs. Norton, 9 a.m., (consolations); Sterling City vs. Water Valley, 2:20 p.m., (consolations); Wall-Norton winner vs. Flower Grove, 5 p.m., (consolations); Blackwell vs. Garden City, 11:40 a.m., (championship); Blackwell — Garden City winner vs. Sands, 7:40 p.m. (championship). Forsan and Westbrook play at 10 a.m. Saturday for right to advance to finals.

Consolation finals Saturday will be at 1 p.m. (girls) and 2:30 p.m. (boys). Third place games are scheduled at 5 p.m. (girls) and 6:30 p.m. (boys) tomorrow.

 Middle Guard—Wayne Meylon, Nebraska, senior, 6-2, 229, Boy City, Mich.

## Baltimore Ace Reveals He'll Call It Quits

By The Associated Press

The Baltimore Colts will make their National Football League stretch run without longtime stalwart Jim Parker, who has announced his retirement because of a lingering knee ailment.

Parker, a devastating, 275-pound blocker who has been an NFL All-Star at both offensive tackle and guard during his 11 years with the Colts, bowed out Thursday in what Coach Don Shula hailed as "probably one of the most unselfish moves ever done in sports."

Parker's decision to retire, effective immediately, enables the unbeaten Colts to activate a healthy replacement for their final two regular season games. They lead Los Angeles by one game in the Coastal Division race.

San Diego lost ace receiver Lance Alworth for at least two of its remaining three American Football League games and Buffalo announced that line-backer John Tracey, who has started 100 straight games for the Bills, would miss Saturday's

clash with Boston. Each is nursing a pulled leg muscle.

Bradley Gets Set For Debut

Bill Bradley, the former Princeton All-American who reportedly got \$500,000 to sign with the New York Knicks, participates in a workout with the team in New York Thursday.

Bradley has just completed a tour of duty as an Air Force Reserve officer. He is to make his National Basketball Association debut shortly.

# Jayhawks Decided In Overtime, 97-90

ODESSA — Christian College of the Southwest (Dallas), Ranger, Odessa College and New Mexico JC of Hobbs pushed into the semifinals of the annual Odessa College Basketball tournament by scoring first round wins here Thursday.

CCSW had to go an extra period to edge Howard County JC of Big Spring, 97-90.

Ranger, the pre-meet favorite, easily mastered Lubbock Christian, 117-59. Odessa turned back Cisco, 103-95; and New Mexico JC upended St. Phillips of San Antonio, 121-88, in night sessions.

HCJC came within a whisker of upsetting CCSW and, quite probably, would have pulled it off had Hiron Hubert not fouled out with 11 minutes to play in the contest.

Hubert teamed with Arthur Collins to hold high-scoring Joe Hamilton (second in the nation last year) to 16 points, only six of which were the result of field goals.

The Jayhawks, now 2-6 on the year, led by two points with 45 seconds to play but Collins missed a gratis pitch on a 1-1 situation and a field goal by a hair that would have sealed the Trojans' doom.

Mike Reed, a thorn in the Hawks' side all night, sank the field goal just before the buzzer that sent the game into overtime. Reed wound up as the high scorer of the game with 33 points.

HCJC outlasted the Trojans from the field, hitting 38 of 90 field goal tries. CCSW had only 33 buckets but had good on 21 penalty shot opportunities.

Robert Jackson played an outstanding game and led HCJC in scoring with 21 points. Robbie

Lemons and Wally Stuart each had 17 for HC.

HCJC returns to play at 2 p.m. today in consolation semifinals against Lubbock. Should the Hawks win, they will play for consolation laurels at 4 p.m. Saturday. Should they lose, they will see action again at 2 p.m. tomorrow.

Ranger and CCSW tangle in

## Winger Dies At Age Of 45

OKLAHOMA CITY (AP) — Francis "Bo" Winger, the gray-haired golfer who won more friends than tournaments, died Thursday in an Oklahoma City hospital.

Winger had been under intensive care since he suffered a stroke a week earlier. Doctors said he developed acute complication of the stroke early Thursday, and he died shortly afterward. He was 45.

Even before the complications began, doctors disclosed this week his right side would have been paralyzed from the stroke.

Winger played in only a half-dozen tournaments during the past year and won only \$150. During his career, he received \$135,000 in prize money. He resigned recently as golf director at a Las Vegas, Nev., county club.

one semifinal game at 7 o'clock this evening while Odessa and NMJC meet in the other at 9 o'clock.

Odessa was led by Roger McGlothlin, who had 31 points, and Stan Hutson, with 17. Larry Walker counted 46 for Cisco, getting 18 field goals and adding 10 free shots.

NMJC was paced by Mark Withrow, a former Abilene player, who had 28, and Andy Pettler, who settled for 23. Roy Dean led St. Phillips with 37.

Ulrick Cobb again inspired Ranger with a 21 point effort and was helped by Robert Spivney, who settled for 20. James McCloud counted 16 for Ranger.

LCC's Roy Still banged in 16 points and Van Vernon helped with 10.

Championship finals are at 9 p.m. Saturday, with Ranger favored to pick up all the marbles.

## Rams Likely To Topple Green Bay

NEW YORK (AP) — Baltimore should run its unbeaten string through 13 games Sunday but the Colts probably will have to beat Los Angeles on the last day of the season, Dec. 17, to wrap up the Coastal Division title.

That's the way it looks from this corner with the Handpicks tabbing the Rams to beat Green Bay in the big Saturday afternoon television extravaganza over CBS.

Cleveland should clinch the Century Division crown Sunday by knocking off St. Louis, thus qualifying for a Dec. 24 date at Dallas for the championship of the Eastern Conference.

After an 8-2 week in Mexico, the season totals are 95-38-10 (NFL 62-26-8 and AFL 33-12-2). Let's try again. All games are Sunday unless otherwise noted.

### NFL

Los Angeles 20, Green Bay 17 (Saturday) — Packers find themselves in unusual position of underdogs with their division title already clinched and Rams still struggling. Two tough, rugged defensive clubs. Rams running attack rates edge but it could be a battle of field goals — Don Chandler vs. Bruce Gossett.

Cleveland 28, St. Louis 23 — Browns need win to snuff out Cards. Cleveland won Oct. 15 game 20-16 with help of three interceptions and three field goals by Lou Groza. Probable loss of Bob DeMarco could hurt St. Louis in last home game but Cards are desperate and must win to stay alive.

New York 28, Detroit 21 — Giants still have a shot at third-place money in Eastern Conference and are at home. Lions have nothing to salvage but pride after 3-7-2 season. Mel Farr set to put on show for Yankee Stadium fans. Lions' pass defense makes it tough for Fran Tarkenton.

Chicago 21, Minnesota 17 — Both clubs closing strong after shaky starts. Bears won 17-7 Oct. 1 when Gale Sayers led attack. Sayers coming off hot game at San Francisco wants to close home season with a burst. Chicago defense should shut off Vikings.

Baltimore 31, New Orleans 7 — Colts put on big show for home fans in last game before hitting road for finale. Gary Cuozzo, Steve Stonebreaker, Ted Davis and Jackie Burkett would like to show up old mates but Saints don't have horses to match Colts.

Dallas 28, Philadelphia 21 — Cowboys just tuning up for Dec. 24 Eastern Conference game with Cleveland-St. Louis survivor. Eagles did upset Dallas 21-14 in Philadelphia Oct. 29 on a fumble and outside kick when Don Meredith was out of line up. Despite loss of Bob Hayes, Dallas should get even.

San Francisco 24, Atlanta 14 — Two losers with nothing at stake. The 49ers could be showcasing George Mira, who is playing out option, San Francisco won first game 38-7 on Sept. 24 but they have lost six straight and Falcons have dropped five in a row.

Washington 35, Pittsburgh 24 — Despite Redskins' leaky defense and Steelers' upset win over Lions, Sonny Jurgensen should ruin Pittsburgh's last home game. Washington has won four in a row over Steelers since 1964 and comes off wild 35-35 tie with Eagles. Redskins won exhibition game 16-10 in September in Norfolk, Va.

## Forsan, Sands, Hosts Move Up In Tourney

GARDEN CITY — Forsan, Westbrook, Blackwell, Garden City and Sands posted first round victories in the boys' bracket of the annual Garden City Invitational Basketball tournament here Thursday. The meet ends Saturday night with championship games at 8 o'clock (girls) and 9:30 p.m. (boys).

Forsan blasted Sterling City, 73-39; Westbrook won over Water Valley, 78-45; Blackwell routed Wall, 46-24; Garden City

upended Norton, 41-40, in an overtime period; and Sands measured Flower Grove, 49-43, running its won-loss record to 3-1.

Today's pairings: Wall vs. Norton, 10:20 a.m., (consolations); Sterling City vs. Water Valley, 3:40 p.m., (consolations); Flower Grove vs. Norton - Wall winner, 6:20 p.m., (consolations); Blackwell vs. Garden City, 1 p.m., (championship); Sands vs. Blackwell - Garden City winner, 9 p.m., (championship). Forsan and Westbrook play at 11:30 a.m. Saturday for right to advance to finals.

In the girls' bracket Thursday, the results were: Forsan 61 Sterling City 42; Westbrook 68 Water Valley 52; Blackwell 34 Wall 26; Garden City 59 Norton 47; Sands 44 Flower Grove 33.

Today's pairings: Wall vs. Norton, 9 a.m., (consolations); Sterling City vs. Water Valley, 2:20 p.m., (consolations); Wall-Norton winner vs. Flower Grove, 5 p.m., (consolations); Blackwell vs. Garden City, 11:40 a.m., (championship); Blackwell - Garden City winner vs. Sands, 7:40 p.m. (championship). Forsan and Westbrook play at 10 a.m. Saturday for right to advance to finals.

New Rio Solon Backs Barnes

AUSTIN (AP) - Henry Sanchez of Brownsville, a Democrat who defeated Republican Manuel Sanchez Saturday in a run-off election, was sworn in as a House member Thursday.

Barnes administered the oath of office. Several dozen of Sanchez' friends, family and political supporters attended the swearing-in ceremony in the House chamber.

Barnes welcomed Sanchez to the House and praised his predecessor, Maurice Pipkin, Brownsville, who resigned to become executive director of the State Judicial Qualifications Commission.

Sanchez, 36, said Barnes "did a great deal to make this victory possible."

"I wish that you as voters of Cameron County would consider his candidacy for lieutenant governor next year. This is the only thing I can do for him in return," he said.

Among elected officials from the Lower Rio Grande Valley who attended the ceremony were County Commissioner Johnny Zavos, City Commissioner Tino Garcia, County Clerk J. Harrison Diltz and School Board Trustee Mike Hernandez, all of Brownsville; and Mayor Paço Betancourt, Justice of the Peace Tomas Aguirre, Constable Lalo Zepeda and City Commissioner Hector Casas, all of San Benito.

Willace County Clerk Lalo Gomez and Tax Assessor - Collector Dan Reyna also attended.

OFF THE BEATEN TRAIL

Desert Pulpit's Story Relayed

By ED SYERS East of El Paso, near Fabens, there is a cross and rock pulpit on a little desert mesa. It stands quiet and alone, some seven miles north of Interstate 10 and the lower roads through the cottonwoods and rich green of our western Rio Grande Valley.

Thanks to a thoughtful chain of effort that began in Austin and was assisted by several individuals, here is its story from El Paso's Mrs. Edna S. Kelly:

"As I understand it, the 'Pulpit in the Desert' was built some years ago by the young people of Fabens and is known as 'The Desert Chapel.' Easter sunrise services and outdoor worship services are held in it from time to time.

"Rev. Bunts, Methodist pastor at Monahans, was pastor at Fabens when the chapel was built and often took the young people of Ysleta Methodist Church out there while he was pastor at Ysleta.

"I went with the group one evening. We had a bonfire, a picnic lunch, and then a worship service in the Chapel. Our only lights were the bonfire at a nearby picnic stand, and our flashlights, which we carried from there to the Chapel.

"A service under such primitive conditions is inspiring, especially to young people who feel they are getting away from the world and close to God."

(Note: The trail of search and answer is explained by Austin's Mrs. Mary Lee Marshall: "I clipped (OBT's) question about the pulpit, sent it to my sister, Mrs. Nan Spence in El Paso. She hadn't heard of it, but sent it to Ann Carroll, a columnist for the El Paso Herald Post, who published it. Mrs. Kelly's letter was then returned to me and I forward it to your readers.")

FROM BIG SPRING "Your article concerning 'Recollections and Reflections of a Texan' by Weatherford's Justin Van Gordon Anderson, 82) was priceless," writes Big Spring's Mrs. Sallie Newlin. "Especially your quoting 'what a pity we have to lose the capacity to be thrilled.' Oh, the memories that came back to my mind! My father came to West Texas in 1880, settled in Sweetwater. I had to chuckle when I read, 'and movies, Model T's, television, the zipper and space craft were exactly in the

same place they were in Abraham's day.' I believe Mr. Anderson has never lost his capacity to be thrilled or his sense of humor.

"Thank you for giving me a sense of passing my 78th Thanksgiving with a thrill."

(Note: What thrilled Mrs. Newlin's Thanksgiving Day was the quoted writing of Texan philosopher Anderson: an open-minded, uncomplicated ability to span from Conestoga wagon to Cape Kennedy rocket. All that was original was a salute to that passing breed, and a hope for our young; may you do as well.)

MAILBOX

Corpus Christi's Bob Hill: "Any information you might have about the massacre of a wagon train on (what is now) the road between the town of Comstock and Baker's Crossing on Devil's River will be appreciated." (Note: Reference is to the old Chihuahua-9er road west; near where Camp Hudson stood on today's Texas 165, north of Del Rio.) ... Brownwood's C. E. Oakley: "I'd like to find something about a small place called 'Diddy Wa Diddy' and how it got its name. It was somewhere near Houston." (Note: So would OBT, who honestly placed that term with the old balladeers and green felt shapers, kind of like 'Teneha, Timpson, Bobo and Blair' not to mention 'Eighter from De-catur'.)

Border Patrol Exams Scheduled

Applications are now being accepted for the civil service examination for Immigration Patrol Inspectors set for Jan. 27. Although an additional examination is slated in April, persons wishing to be tested in January must submit applications by Friday.

No experience is required for these positions with the U.S. Border Patrol. To qualify, one must pass a written test of verbal abilities, judgment and aptitude for learning a foreign language. An oral interview will be arranged for those who pass the written test.

Starting salary of border patrolmen is \$6,451 a year. A new officer's salary is raised to \$7,303 after one year of intensive training. Further advancement is gained through regular promotions.

Big Welcome Awaits Old Queen Mary

LONG BEACH, Calif. (AP) - A great welcome awaits this resort and convention city's newest queen—even though officials haven't decided yet exactly what they're going to do with her.

TOURISTS BAIT

The queen is the 33-year-old British liner Queen Mary, bought by Long Beach for conversion into a tourist-attracting museum and hotel. The buying price was almost \$3.5 million.

That was last July, and there still is no master plan showing how the \$1,000-ton ship is going to be remodeled. Officials say this is understandable—that the men assigned to draw up the plans are doing so on board as she makes her final voyage, from Southampton to Long Beach.

Meantime they're feverishly occupied with arrangements for the Queen Mary's arrival Dec. 9.

BANDS TO BLARE

More than 10,000 small craft are expected to jam the harbor for a sight of the three-block-long steaming 6,000-ton "reception line" of 190 Coast Guard vessels to its temporary berth.

"Every charter boat from San Diego to Santa Barbara has been hired by private groups for the day," says a spokesman, "and all the pleasure boat clubs have indicated they'll be here en masse."

Navy and city fireboats saluting with sirens and hoses, five bands blaring on shore, and the cheering voices of more than 100,000 spectators lining beaches and bluffs around the bay are expected to generate a festival atmosphere unrivaled here since VJ Day signaled the end of World War II.

FAIRYLAND

After the ship's arrival lie a year of hard work before the Queen Mary is opened to the public as an attraction city officials hope will rival Disneyland in nearby Anaheim. Only then will they know whether the proud old liner is to be a queen-size headache or a king-size bonanza.

Next December she will be towed to her permanent berth off Pier J—soon to be turned into a 5,000-boat marina.

Her gleaming white majesty, brightly lighted, will turn the harbor at night into a fairyland of color—a fairyland chained to reality by the presence in the bay of four manmade islands.

Snowstorm Snags Cars

A snowstorm patted the central Rockies today and menaced highway travel from Idaho and Utah to the Nebraska Panhandle.

A separate storm system lashed much of the Northeast with strong winds, thunderstorms, hail, rain and snow.

Travelers were warned of hazardous driving conditions in parts of Utah, Idaho, Colorado, Wyoming and western sections of Nebraska. Rain was mixed with snow in the leading edge of the storm.

Three inches of snow fell at Pocatello, Idaho. Temperatures fell into the teens across the Rockies before dawn. Bozeman, Mont., had 12 below zero.

Showers again dampened scattered sections of the Pacific Coast, but skies were mostly clear from the southern Rockies to the Tennessee Valley.

Agents Rounding Up Violators By Phone

CHARLOTTE, N.C. (AP) - Alcoholic Beverage Control agents are rounding up liquor law violators in Charlotte and Mecklenburg County by telephone instead of raids.

Twenty-three persons were telephoned this week and told that warrants for their arrest had been signed, charging them with selling untaxed liquor.

"Ten of them have already come down and posted bond," said ABC Agent Henry Severs. "This method saves us time and equipment, and if some don't show up, we'll go get them."

Dear Abby Word For Your Newsboy

DEAR ABBY: Why do some people give the newspaper boy the run-around when he tries to collect for the paper?

They say, "Come back tomorrow, Sonny, I don't have any change right now." And when he comes back and they see who it is, they don't answer the door. And some folks keep the poor kid standing there while they go for the money, and it takes them so long you would think they had to go to Fort Knox to get it. But just let the newspaper boy deliver the paper late once and they are on the phone in two minutes talking to the complaint department. Do our kids a favor, Abby, and mention this in your column.

FOR THE BOYS DEAR FOR: Most folks don't realize that every newspaper carrier is "in business for himself." He pays for the newspapers out of his own pocket, and has to collect to get even. It's unfair to keep him coming back to collect. Our young men who have the initiative to take a paper route deserve your consideration. Won't you please have the money ready when he calls — the first time!

DEAR ABBY: I am very much in love with a young woman and she says she loves me, too. Naturally, I have marriage in mind, but I do not want to propose to her now because I am in the Army, and I anticipate going overseas, and I feel that it would be unfair to her to be engaged to me under those circumstances. Am I wrong?

IN DOUBT DEAR IN: Yes. Ask her anyway. A girl in love would con-

sider it a privilege, not a sacrifice to wait for her man.

DEAR ABBY: I am doing my Christmas shopping now, and I'm tempted to "forget" a certain niece and nephew of mine. They are 15 and 17, and ever since I can remember their mother has picked up the telephone about the middle of January to thank me for the lovely gifts I sent her children for Christmas. This just burns me up!

I have grandchildren who are eight and nine years old, and they write their own thank-you notes. Of course the spelling is not always perfect and the writing is sometimes difficult to read, but at least they've written the notes themselves.

I am not the type to start family fights, but I would like to let those lazy teenagers know how I feel.

"GOOD OLD AUNT E" DEAR GOOD: Why don't you tell them? But don't be so hard on the teenagers. They can't be expected to know what they haven't been taught. Their mother should have trained them years ago to write thank-you notes. And falling in this, she's as guilty as they are.

How has the world been treating you? Unload your problems on Dear Abby, Box 69700, Los Angeles, Calif., 90069. For a personal, unpublished reply, enclose a self-addressed, stamped envelope.

Bounty On Rats Proposal Pushed

PORTLAND, Ore. (AP) - Portland's acting mayor, City Commissioner Francis Ivancie, says he will ask the City Council to establish a bounty on rats.

Ivancie said that when he was a boy in Minnesota, there was a bounty of "10-cents a tail" for rats.

ONLY 14 Shopping Days TIL CHRISTMAS SHOP WARDS "Your Christmas Store" EVERY DAY 9 a.m. to 9 p.m. MONDAY THRU SATURDAY

MONTGOMERY WARD HIGHLAND CENTER

Texas Jaycees Book Connally

MIDLAND, Tex. (AP) - Gov. John Connally will make the principal address at the Texas Jaycees' five outstanding young Texans recognition banquet here Jan. 27.

Connally's acceptance was announced by officials of the Midland Jaycees, host chapter for the 1968 banquet.

The five outstanding young Texans program is the Texas Jaycees No. 1 public relations project and annually honors five of the state's top young men between ages of 21 and 35, who, in the opinion of a panel of judges, have contributed in an outstanding manner to their community, profession and family.

The five honorees will be announced in mid-January.

Councilmen Won't Abolish Hollywood

LOS ANGELES (AP) - City councilmen won't abolish Hollywood after all.

The possibility arose when the council's planning committee recommended rescinding a 1957 ordinance that created boundaries of the movie capital within the city of Los Angeles.

One councilman vowed that if his colleagues abolished Hollywood, he would propose the entire city of Los Angeles be renamed Hollywood.

The vote Thursday to leave Hollywood alone was unanimous.

Perfect Excuse

CHATTANOOGA, Tenn. (AP) - An insurance executive had the perfect excuse for avoiding an overtime parking citation Thursday—the meter arrived there after he did.

The anonymous driver parked his car in front of a business at 9:30 a.m. to make a quick trip to the store. At 9:32, a city employee erected a parking meter at the space. At 9:34, a meter maid began issuing a parking ticket.

The meter maid relented after the executive explained the predicament.
