Farmers Finding Favored Cottonseed Hard To Get

By SAM BLACKBURN

Farmers who had their 1965 cotton planted and who saw it wiped out by the hailstorm and rains of last Sunday afternoon, are facing a problem other than the normal task of replanting. The kinds of cottonseed that most of the farmers in the county wanted to plant are in scarce supply and the price has been materially increased. Many favored varieties are unobtainable.

With the introduction in the past two years of "micronaire" as an increasingly important quality factor in cotton rating, farmers have been steadily shifting from the varieties so long favored to the newer hybrids which offer this extra quality and hence a higher price for their staple.

In the past, the old reliable variety in this area has been largely Western Stormproof. This is a good sturdy cotton, but it lacks the long fibre and strength of newer varieties.

Cotton growers are said to be paying almost any price that may be asked for such varieties as Dunns 56 C, Lankart 4789, Lockett 4789 A, Paymaster 111 and 202, Northern Star and Stoneville 213.

There is a story circulated of a buyer who offered \$200 for 200 pounds of one of these species in Lamesa recently.

As a rule, although the price asked for such seeds has steadily increased since planting season began and the demand has

been so heavy no such outrageous pricing as \$1 a pound has been asked. However, now there seems to be no more of the favored hybrids any where at any price.

Paul Gross, county agent, pointed out the answer is simple—these new long micronaire varieties have not been produced long enough for a backlog of seeds to accumulate.

"It's all been bought and planted," said Gross.

Breckenridge Feed and Grain, which normally does not specialize in cottonseed, and Davis Feed Store, agree with Gross.

There just isn't any supply of the seeds available in the highly favored stocks.

Many farmers have not yet made a move toward reseeding, the dealers said. They believe the growers are waiting on two things—for the water-logged area, in many instances, badly eroded fields to dry out and they are hoping that out of the ruins they may still be able to salvage some sort of a stand.

Some farmers, however, after checking the fields, have decided the planting is ruined. These are the ones who are offering to pay higher prices for seeds when they can find them.

Dealers said Lankart 4789, for example, started the season at around 18 cents. It is now bringing 25 cents or more where some few bags are still to be found. The prices on the other varieties are in the same range.

Farmers are buying their old friend Stormproof. They know that the micronaire reading their cotton will get will cut their returns, but they must have seed to plant and they know that Stormproof is still a reliable producer in this section.

Gross and other observers point out one fairly bright feature for the county—the area of cotton severely damaged or destroyed by the storm does not cover the entire cotton growing area. However, it does take in some of the best cotton land in the county.

Observers who have checked out the situation say that the ravaged strip seems to be about 12 miles wide and swings nearly across the county north and south.

Cotton in Lomax, Vincent, around Elbow and Lees, and in the Luther and Coahoma areas was not in the path of the storm.

Assuming that another hailstorm does not move in and that all goes well these cotton acres will not need replanting. Another aspect of the storm is that while a lot of acreage had been seeded, there were still many fields which were not planted when the storm hit.

Some of these farmers have their seeds and will move in as soon as the fields dry out. Others may need seed. They will join the storm battered farmers who are trying to get ready to replant.

Water Safety Program Announced At YMCA

More than 40 million Americans will participate in water sports this summer, but only a fraction of them will know how to get the most out of swimming.

"Learning how to swim is the first rule for enjoying yourself in the water," according to Curt Mullins, YMCA general secretary. The Y launched its annual water safety campaign Friday.

Swimming classes for beginners of all ages and those for all skill levels are being offered for the summer. Mullins said, in addition to junior and senior lifesaving Summer schedules will be announced soon, and anyone interested is asked to call the Y at 267-8234.

Mullins points out that about half of the 7,000 swimmers who drowned last year were in the water by themselves.

"Even good swimmers use the buddy system," he said. "And really good swimmers do not participate in water stunts

and antics and do not take unnecessary chances in the water."

Mullins advised swimming at only those beaches and pools where trained lifeguards are available. At a private pool, he said a skilled swimmer should always be near, and the pool should be fenced in and locked when not in use.

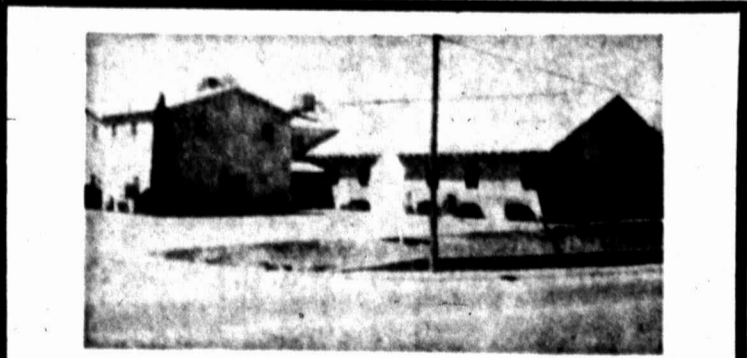

"Swimming relaxes you and is an easy means of exercising and toughening the body," Mullins said, "but you have to have the basic skills and a knowledge of common-sense rules."

Bumble Bee Blues

SALISBURY COVE, Maine (AP) — Because of a bumble bee, a small car carrying four University of Maine freshmen failed to make a curve Wednesday, went off an embankment and landed wrecked in a stream. All four students went to hospitals. One was on the danger list and two were in serious condition.

Plan Barbecue

STANTON (SC) — The Stanton Optimist Club met for a breakfast meeting Friday, and plans were made to have a barbecue May 30 at the home of Jimmy Wheeler for members and their wives. Discussion was held of plans to assist with the summer activities for youth. There were nine members present and Gerald Hanson presided.

Proud Of Students

To the Editor: The citizens of Big Spring should be proud of the students who recently went to Buccaneer Music Festival in Corpus Christi and then on to the HemisFair in San Antonio.

I have been with these students for the past two years and have been proud to be identified as "sponsor of those well-behaved band students," both in Corpus Christi and in San Antonio.

These students are fine musicians, and brought home a number of medals. The High School Band has been chosen to represent our city at the International Lions Club Convention held in Dallas during June.

Yours truly,
MRS. NELLIE MATHIS, RN

New Bulletproof Vest Announced

NIAGARA FALLS, N.Y. (AP) — A bulletproof vest of boron carbide that would stop a .30-caliber bullet has been announced by officials of the Carborundum Co. They said new methods of producing boron carbide—a tough, lightweight ceramic—allowed them to develop a vest that was light, flexible and relatively low in cost.

Growers Back Extension Of Bill, Bureau Opposes

LUBBOCK — The bill voted May 9 out of the House Agriculture Committee to extend the Food and Agriculture Act of 1965 "did not contain all of PCG's recommendations but was the only practical approach to passage of legislation this year," according to Donald A. Johnson, executive vice president of Plains Cotton Growers, Inc. The next hurdle is the Rules Committee, which may schedule House action in two weeks.

The committee voted 28 to 5 in favor of extending the present law without amendments. The act covers current programs for cotton, feed grains, wheat, wool, tobacco and dairy products. It expires at the end of 1969.

The PCG Board of Directors voted April 3 to work for an extension of the cotton program during this session of Congress to give producer's sufficient time to make plans for future operations.

"We had hoped continuing legislation or at least a four-year bill could be passed and that it could incorporate some needed improvements," Johnson said, "but as the situation developed we had to agree with Mr. Poage that a one-year simple extension was the most we could hope to get this year."

WACO — The Texas Farm Bureau Friday urged Texas Congressmen to support a "positive broad-based program to expand markets, increase prices, cut costs and thus provide the basis for increased net farm income" instead of extending present programs.

In a letter to Texas congressmen, Texas Farm Bureau President Sidney Dean, Victoria, said extension of the 1965 Act would not be in the best interest of farmers.

"The current program has not resulted in improved net farm income," Dean charged. "On the contrary, the cost-price squeeze has tightened, the parity ratio has decreased to depression level, and program costs have increased to a point where severe limitations on payments to farmers are imminent." Farmers need a broad-based program to expand markets, increase prices, cut costs, and thus provide the basis for increased net farm income," Dean said.

Wilson Hoping To Ride Out Storm Of Party's Defeat

LONDON (AP) — Prime Minister Harold Wilson brushed aside demands for his resignation and determined Saturday to ride out the political storm from his Labor party's most catastrophic defeat ever in local elections. Despite a hostile electorate and press, shakiness in the British pound and a reported division in his cabinet, Wilson was generally expected to hold his office for the coming months at least. Commentators from all shades of the political spectrum agreed in print that as long as Wilson retains his health and his will to stay at No. 10 Downing St. he is relatively safe over the near term.

But there was widespread doubt whether he could pull off his long-range gamble, two more years of austerity designed to pull Britain out of its deep economic troubles before he must call the next general election in 1971. Asked if he was going to resign, Wilson replied: "The answer is in the negative." The prime minister, who once said "a week in politics is a long time, a month is longer and a year is an eternity," has bounced back before.

He brought labor back from a rout in local elections in 1965 to a victory in the 1966 parliamentary election that increased the party's majority from 4 to 100. But the drubbing of Laborites in municipal elections across the country last week was unprecedented. Labor lost 1,307 municipal seats and gained 13. The opposition Conservatives gained 1,320 and lost 13. The third main party, the Liberals, lost 59 and gained 39.

The Times of London said that if such an anti-Labor vote was repeated in a national election Labor's strength in the House of Commons would drop from a ruling 350 members to between 74 and 78.

As Wilson retired to Cleevers, his weekend country home, for an election post-mortem his detractors called "the inquest," he had at least one piece of good news. The bombshell dropped Friday by press baron Cecil King—who demanded Wilson's resignation, accused the government of lying and said the country faces its worst financial crisis in

FOR TOMORROW
—CARROLL RIGHTER

GENERAL TENDENCIES: The morning is unusually good for getting the answers that you need whether of a spiritual nature or through whatever studies you are interested in. Get the most out of this time. Make a point of avoiding taking any chances whether they have to do with your health or with others who are in an argumentative frame of mind. **TAURUS (April 20 to May 20)** You can come to a real meeting of minds with a usually irascible partner, but control your temper with others later in the day. **GEMINI (May 21 to June 21)** An early morning start planning your duties for the day and week ahead is wise, although after lunch you may find all does not work out just as you wished it, but it is for the best. **MOON CHILDREN (June 22 to July 21)** Morning planning for social or other amusements is necessary so that the evening can go beautifully for you, otherwise it could be difficult. **LEO (July 22 to Aug. 21)** If you show those dwelling beneath your roof that you are interested in their plans, you come to a real understanding. Get out of whatever has caused contention at home before this. Relax in P.M. and have fun. **VIRGO (Aug. 22 to Sept. 22)** Out to the services you really like in A.M. or study the highest prospects that can be most inspiring. Morning can bring some message that pleases, but there may be a little trouble later on. **LIBRA (Sept. 23 to Oct. 23)** Doing whatever requires knowledge of money matters is important now, but be sure you are not extravagant later. Balancing the budget is good, so apply yourself seriously. Then you add to your abundance. **SCORPIO (Oct. 24 to Nov. 21)** Making plans for the days ahead is possible in A.M. as well as taking in some form of pleasure, but later you are out to misjudge the actions of others. Don't get depressed later and spoil your plans. **SAGITTARIUS (Nov. 22 to Dec. 21)** Morning is fine time for handling those

secret matters and maneuvers that bring more success in the days ahead. Put the fine mind to work constructively. Some meditation, kindles your imagination. **CAPRICORN (Dec. 22 to Jan. 20)** Get to work on that plan that will improve conditions around you and to meet new people. The early part of the day is best for the social. **AQUARIUS (Jan. 21 to Feb. 19)** You can handle the situation in the busy outside world that requires you do so personally in the morning, but do nothing to ruin your reputation later. Look out for competitors who are envious of you. **PISCES (Feb. 20 to March 20)** Out to the services of your choice where you get inspiration now and for days ahead. Don't get taken in by some foolish ideas someone gives you. However, a good idea is one that should be studied. **IF YOUR CHILD IS BORN tomorrow** he or she, who is, or will be, a fortunate young person, early in life, has it very easy, but there is also able to plan the future most wisely for himself, or herself. Nonetheless, it is important that upon reaching maturity your progeny does not suddenly change course or there can be difficulty the rest of the life.

MONDAY
GENERAL TENDENCIES: Think in terms of those ideas with which you are enthusiastic about, but which need revision. See to it that you are in order. It is important that you have a clear picture in your own mind just what you do expect from the new year. New ideas can help you most at this time. **ARIES (March 21 to April 19)** Out to some place where you get a new slant on how to gain your most desired things easily. Use that scientific knowledge you have as well as your common sense. **TAURUS (April 20 to May 20)** Find an improved method for better cooperation with usual partners, government officials and other personnel. **GEMINI (May 21 to June 21)** Touch with associates and find out what is expected of you. **LEO (July 22 to Aug. 21)** Best to do in the future. There is hope of reconciliation with one you love. You must be more understanding, whichever the case may be. **MOON CHILDREN (June 22 to July 21)** Instead of procrastinating, if you are inclined to do, get right down to work of hand and get it done. Please higher-ups. Take that exercise, other treatment that improves your health. **LEO (July 22 to Aug. 21)** You need not travel far to get the recreation you want during your spare time and get rid of tensions that are bugging you. You have more success with one you like romantically. **VIRGO (Aug. 22 to Sept. 22)** Make plans for the future very carefully now and do whatever pleases, kin most. Get out and buy those items that it is necessary you have. Do something to insure greater security in the days ahead. **LIBRA (Sept. 23 to Oct. 23)** Doing whatever makes you feel you are doing just fine where partners are concerned is good. Start the education for work in foreign countries or with persons of different cultures.

DISHONESTY, CORRUPTION, INEFFICIENCY

Secret Report Lists Squandering

WASHINGTON (AP) — A secret Senate report charges there are definite indications of kickbacks in a U.S. construction project in South Vietnam—a country where it says millions of dollars are being "squandered because of inefficiency, dishonesty, corruption and foolishness." The 75-page document, prepared by Sen. Abraham Ribicoff, D-Conn., after a tour of Southeast Asia last December, urges a broad congressional investigation of U.S. operations and programs in the war zone.

Ribicoff's report has been filed with the Senate permanent investigations subcommittee. The document has not been made public but The Associated Press obtained a copy of it. Ribicoff describes the agency for International Development mission in Saigon as "one of the most overblown bureaucracies I have ever seen." He claims Vietnamese society is riddled with corruption, and said there is "collusion between Vietnamese racketeers, military and civilian personnel."

"It is obvious," Ribicoff writes, "that a thorough investigation in depth would swiftly bring about corrective measures which would save many millions of dollars in federal funds which are now being squandered because of inefficiency, dishonesty, corruption and foolishness." In reporting on U.S.-financed construction projects in Vietnam, he says the General Accounting Office should examine

contracts held by Pacific Architects & Engineers Inc., a Los Angeles firm, and RMK-BRJ, a joint venture that includes Raymond International of Delaware Inc., Morris-Knudsen of Asia Inc., Brown & Root Inc., and J.A. Jones Construction Co. In mid-1965, the report says, the Army contracted with PAE to renovate the Grand Hotel in Nha Trang for use as a headquarters. The initial Army estimate was \$208,423 but the final cost was \$996,226, the report says.

"PAE personnel and the Army contracting officer went to Hong Kong and Singapore to purchase material and supplies for the Grand Hotel project," Ribicoff says. "Some \$125,000 was spent in Singapore, in spite of the fact that assistance in kind funds (used to pay the firm) are provided by the government of Vietnam to U.S. forces for use only in Vietnam."

"There were also definite indications that some of the PAE employees were receiving kickbacks for giving the business to certain Singapore firms. There are further indications that the contracting officer, if not directly involved, was purchasing inferior commodities at higher prices." Ribicoff reports using assistance-in-kind funds circumvented a statute and violated a military regulation. He adds: "We understand the Army contracting officer did not necessarily agree with this arrangement, but indicated that this was the only way he could get the funds

and that he was going to burn all the records shortly after completion of the project." The Army relied on a "worthless engineering survey to show that the costs were justified," the report says, although GAO investigators found "some \$165,000 in materials were unaccounted for."

He terms such a reduction incredible and adds: "It is hard to believe that the Navy would acquiesce in what appears to be some form of cover-up or subterfuge." "I believe the GAO should take a hard close look at this situation so that any obvious deficiencies can be corrected while there is still time." Turning to other areas, the Ribicoff report says hundreds of dedicated employees work in the U.S. aid program, "but I was dismayed to find the Saigon AID mission one of the most overblown-bureaucracies I have ever seen."

"A vast complex of over 4,700 American and Vietnamese employees, the Saigon headquarters outnumbered the AID personnel in the field by nearly two to one." The report says also "it is clear that the whole Vietnamese infrastructure in the civilian government and the military and other aspects of the society, is riddled with corruption."

VISITORS INVITED

Salvation Army Week Observance Scheduled

A round of special observances will mark Salvation Army Week in Big Spring, starting with services today. Monday from 6 to 8 p.m. there will be a come-and-go coffee at the home of Lt. and Mrs. Bart Deggs, 602 W. 4th, next door to the citadel, for advisory board members and other friends of the army. During the week Lt. Deggs is due to speak at the Lions and Kiwanis Clubs. Wednesday at 2 p.m. Mrs. Leo K. Gee will be guest speaker for the Ladies Home League. The advisory board meets at 5 p.m. Thursday, and Thursday evening, Tommy Cone, Scout executive, will present the charter to the new Boy Scout troop being sponsored by the Salvation Army.

In proclaiming this special week, Mayor Arnold Marshall said that "the Salvation Army puts compassion into action every day in helping those in distress, regardless of race, creed or color. It assists persons of all ages in overcoming hardships, illness and misfortune, thus instilling a ray of

hope in the midst of overpowering experiences."

Lt. Deggs invited Big Spring citizens to visit the local Salvation Army facilities during the week to see for themselves the kinds of community services which their support makes possible.

"We are grateful for this support through the United Fund and from every other source," he said, "and we pledge continual efforts to provide essential services to all who ask our help."

The post here operates on a

budget of \$28,900, but mounting transient relief demands and rising costs have put it into the red financially.

Last year, the Salvation Army handled 17,106 items of aid and for the first four months of this year, 6,945. At the current rate, the current year will represent a 15 per cent in demands for services. Included in 1967 were 3,370 lodgings, 8,831 meals, 4,288 garments and 617 shoes.

The family welfare service accounted for 22,627 items (20,936 garments and 1,691 pairs of shoes) to 515 cases for 2,519 individuals. In the first four months of this year the rate has been about the same (6,498 garments and 512 pair of shoes) to 242 cases affecting 1,400 individuals.

Only Two Cases Set For Trial

Only two of the more than 20 civil matters on this week's civil jury docket in 118th District Court are ready for trial. The others have been passed or otherwise stricken from this week's action. The docket was sounded Friday afternoon.

Judge Ralph Caton has called a jury panel to report to the court at 10 a.m. Monday.

The first case slated to be called for trial is A. K. Turner Jr. vs. Charles Jones, suit on a note.

Another case, Durwood Cur-

mings vs. Anson Dearing and others, damages, was set to start Thursday.

Sea Ghost San Luis

By ED SYERS

You've heard of Indianola, Queen U.S. port southwest, that became Atlantis drowned under the long beaches below today's Port Lavaca. What about the other great one that promised as much... and so much earlier? What about San Luis?

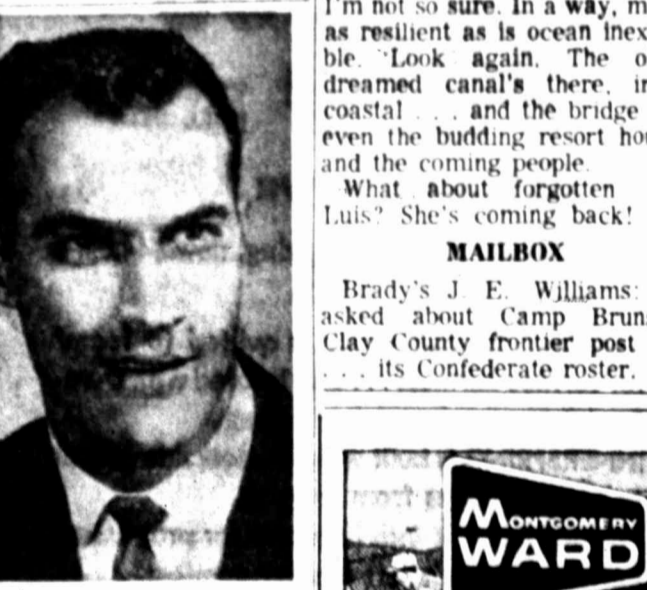

Maybe you've driven our hug-the-coast highway from Port Arthur, round There's a new bridge west of Galveston Island that lets you over toward booming Brazosport and beyond, where industry sprawls toward Corpus and Padre plays its way to Brownsville. What you cross is San Luis Pass, long West Bay's barrier. Look below on the west side.

THE BIG ONE

You see the coming resorts, and Texas gone to fish and splash and play. What you don't see is the port that by 1830 was confident of outstripping Galveston and New Orleans. There is a marker, and — offshore — a reef buoy. That's sea ghost San Luis — the big one!

Records from Freeport historian Mrs. Adele Perry Caldwell show San Luis poised by its then deep pass into West Bay. Settled early as 1823, it promised within a decade to dominate the Texas coast. That pass cleared deep keel; nowhere else did, so easily.

At her peak, the early '40s, San Luis was a mile square townsite, two newspapers, a thousand foot pier backed on warehouses and general stores, three hotels, a press for rich Brazoria cotton, a shipyard building, and world shipping waking to her — some, offshore. Up her island, across the pass,

Puzzle of Friday, May 10, Solved

Dear Abby This Marriage Is Sick

DEAR ABBY: Joe and I have been married for 18 years and have had a fairly happy marriage. Joe isn't the jealous type, but I think he carries it to the other extreme.

We've been very friendly with a rather weird couple who live across the street from us. Pete is 59, short, fat, and very unattractive. Aggie is his third wife. She's cute and sexy, and about 25 years younger than Pete. She obviously married him for his money.

Lately Pete is getting much too friendly with me. He puts his hands on me, and once made a direct proposition, which I turned down gracefully. It seems the four of us are spending more and more time together, during which time Pete tries to play "footies" with me. Last night he even took his shoe off and practically had his foot in my lap. I loudly told him off, and my husband just laughed. Aggie doesn't care who Pete plays footies with as long as it isn't her. (I think she must have something else going for her.)

Anyway, Pete suggested the four of us take a month's vacation together. I started making up excuses why we couldn't, but my husband was all for it.

Is our marriage sick? I don't care to spend all that time with this couple. Why should my husband want to? And why shouldn't he be annoyed that another man makes passes at his wife?

DEAR WIFE: Your marriage is sick, and so is Joe in the area of husbandhood. A man who respects his wife and his marriage would not tolerate any monkey business, much less encourage it. Tell Joe that if he enjoys Pete's company, he should see him without you.

And you could be right about Aggie's having something else going for her. Just make sure it's not Joe.

DEAR ABBY: Two weeks ago I met a very attractive eligible bachelor at a party. I am also "free" (divorced) and we seemed instantly attracted to each other. He asked me for my telephone number and said he'd call me. He also gave me his business card and wrote his home telephone number on the back. He said that he goes out of town on short business trips frequently, which is probably why I haven't heard from him as yet.

I have had my hand on the telephone several times to call him, but so far I have been able to resist the temptation.

Today I received an invitation to a very nice party for which I'll need an escort. Do I dare call him? I KNOW he liked me. Aggie, we just seemed to "click." If I call him to invite him to this party, do you think it will look like I am chasing him?

DEAR TEMPTED: Yes. Don't call him. Most attractive, eligible males are also spoiled by women who pursue them. Don't join the pack. If the attraction was mutual, you'll be hearing from him.

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69700, Los Angeles, Calif., 90069 and enclose a stamped, self-addressed envelope.

For Abby's new booklet "What Teenagers Want to Know," send \$1 to Abby, Box 69700, Los Angeles, Calif., 90069.

Club Plans Big Fly-In

BY JERRY MONSON

With summertime just around the corner, Webb Aero Club members are looking forward to a big "fly-in" the weekend of July 4, which traditionally has been a holiday for Webb military personnel.

Aero clubs throughout the area will be invited, and spot

landing contests, bomb-drop contests and a barbecue will highlight the event. Charles Noble, airport manager, is cooperating with the club in planning the fly-in.

Inclement weather forced many pilots down this week, but a few ventured out. Larry Milch soloed in a Big Spring Aircraft plane, and others up for Big Spring Aircraft included Marian Walker, Robert Mayo, Bob Patterson, Rodney Tiller, Carolyn Jones and Charles Decker.

Four pilots were up for Big Spring Flying Club. They were Don McKinney, John Stanley, Ronnie Howard and Charles

If you don't want to pay the price of America's roomiest car try the second roomiest:

a new Chevrolet like this

If things like head, shoulder and leg room are important to you, take a close look at the new Chevrolet. Automotive News did—and its 1968 Roominess Index shows Chevrolet is the second most spacious of all American sedans.

The roomiest? That distinction, we're not at all embarrassed to admit, goes to America's most popular luxury car. Based on the Roominess Index, which totals seven key interior dimensions to the fraction of an inch, Chevrolet's 4-door sedan

scored 290.7. A tenth of a point behind the 4-door luxury model. A pretty good showing when you consider how much more the expensive model sells for. And some of the other cars Chevrolet topped carry just as impressive price tags.

But that's just a sample of the phrases you get at a Chevrolet price. You'll find a lot more of them in the fine things Chevrolet has designed around all that space. Drop down to your dealer's and bring the family. This one's a real crowd-pleaser.

'68 savings explo

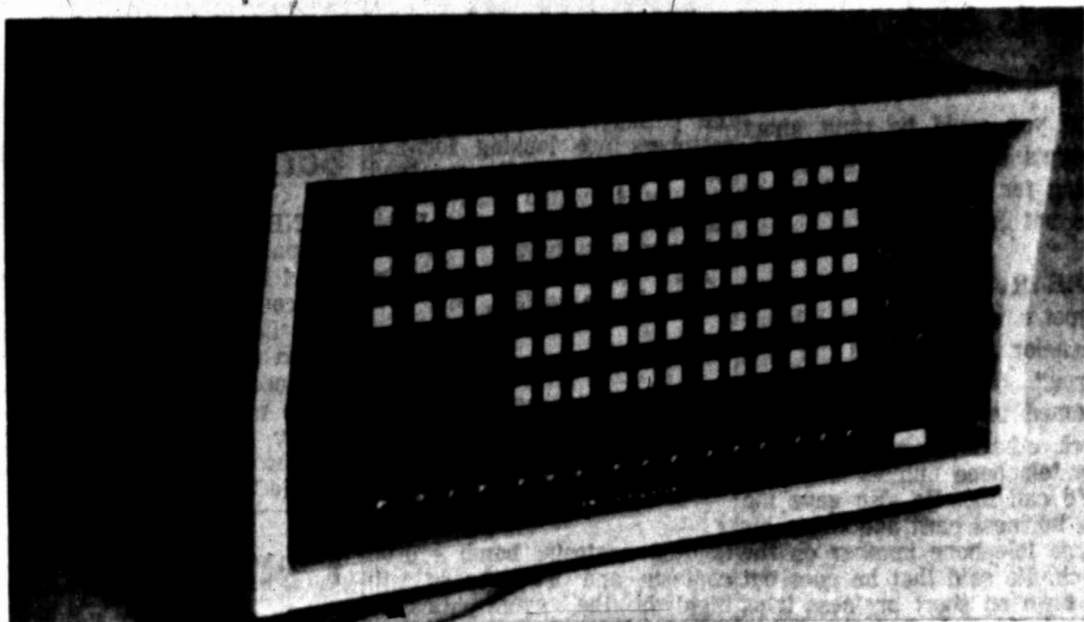

You've never seen savings like this on 68 Chevrolets and Chevilles. Save on popular V8 engines, automatic transmissions, whitewall tires—and more. Just take a look at these five bonus savings plans. Then talk to your Chevrolet dealer.

- Bonus Savings Plan 1** Any Chevrolet or Chevillet with 200-hp Turbo-Fire V8, Powerglide and whitewalls.
- Bonus Savings Plan 2** Any Chevrolet or Chevillet with 250-hp Turbo-Fire V8, Powerglide and whitewalls.
- Bonus Savings Plan 3** Any regular Chevrolet with 250-hp Turbo-Fire V8, Turbo Hydra-Matic and whitewalls.
- Bonus Savings Plan 4** Now, for the first time ever, big savings on power disc brakes and power steering when you buy any Chevrolet with V8 engine.
- Bonus Savings Plan 5** Buy any Chevrolet or Chevillet V8 two- or four-door hardtop model—save on vinyl top, electric clock, wheel covers and appearance guard strips.

Happening now at your Chevrolet dealer's, a tremendous explosion of extra buying power. Only the leader could make it happen.

CHEAPER THAN COMPARABLE MODELS Gamco Builds Computers

Gamco, Inc. has entered the industrial computer field. George A. McAlister, president, and Allen L. Fulmer, head of the computer division, last week took the wraps off the Data Mate 8 digital computer which will be bidding for a piece of the business market just as the ECP-18 model has cut its swath in the educational field.

So compact that it fits into a cabinet no larger than a table model hi fi set (24x18x7 1/2 inches), the computer nevertheless is so sophisticated that it can handle over 80 commands, has two general purpose accumulators and a 64,000 direct memory address.

NOW WHAT'S YOUR PROBLEM?
New compact industrial computer by Gamco can solve it instantly

At \$13,900, complete with teletype, the Data Mate 8 is substantially cheaper than even the ECP-18 model and considerably more so than comparable business models now on the market.

McAlister estimated that by 1970 there will be a market for an estimated 100,000 computers of this general type. "That doesn't mean that we're going to sell that many computers," he said, "but we have a product here that I am confident will earn us a fair share of it."

Currently, the division requires the services of four women assemblers as well as the technicians under Fulmer's direction. It is not inconceivable, said McAlister, that this division some day could employ up to 200 people.

The computer was developed by Fulmer, together with Doug Cutsforth and Lowell Hightower. It is a fourth generation solid state, integrated circuit device which gains much of its compactness and sophistication from the use of "chips" on solid state circuits.

All of the assembly work is done here. The ECP-18 output is at the rate of about four a month, but this can be stepped up to meet demands. Gamco will continue to make the ECP-18, and by 1969 the Data Mate 8 is due to be in full production.

This will mean two marketing efforts, but production will be under one division at the Big Spring plant. The Data Mate 8 is a central processor, interfaced with almost any type of peripheral equipment necessary for information display or retrieval. Using a core memory rather than the drum as in the original model, it is capable of almost instantly solving problems and then conveying the answer or information on high speed line printers, cathode ray tubes (like your television screen), or in high speed punched or magnetic tape.

It has a remarkable range of capabilities for use in communications, chemical analysis, data acquisition, etc. and can make real time applications such as instantly determining the position of a plane or missile in flight. Gamco contracts for the chips, which are no bigger than your little finger nail and not much thicker (including insulation) than a half dollar. Yet this chip has 200 gates and eight bits (0 and 1). These fit on to a solid-state circuit stamped on a board no bigger than an index card.

Allen, with the help of John Wood, Stanton, zone chairman, installed officers of the clubs in this area. He had words of praise for the work that Wood has done this year, along with district deputy governor Marshall Cauley. Wood reported a zone membership of 37, up 13. Among the present officers introduced were Dwayne Clawson, Coahoma, Tom Ed Angel, Stanton, Jimmy Ray Smith, Big Spring Downtown, and Lou Loudamy, Big Spring Evening presidents; Andrew Wilson, Coahoma, state director of the Lions League of Texas for Crippled Children; Elmer Hurley, Bronte, secretary of the district cabinet.

Music for the dinner was furnished by the Border Brass from Coahoma, and by the Roaring Four, a quartet composed of Dan Conley, Lynn Hise, Bill Gipson and Russell McKisicki. Over 125 attended.

Annual School Round-Up Set

The annual pre-school round-up for in-coming first graders will be held in the elementary schools of the Big Spring School District Friday.

Purpose of the program, according to Lynn Hise, assistant superintendent for instruction, is to acquaint both the child and the parent with the principal, teachers and school surroundings he will encounter at the beginning of school in September.

Some of the elementary schools have sent letters to

parents regarding the round-up, Hise said. Parents who have not received this notification are asked to contact Hise for any information they may need.

Each elementary school has planned its own program, Hise said, but all parents are requested to bring their child's birth certificate and immunization record.

Programs will begin at the various elementary schools at the following times: Airport, 3 p.m.; Bauer, 2:45 p.m.; Boydston, 3 p.m.; Cedar Crest, 2:30 p.m.; College Heights, 2 p.m.; Gay Hill, 2:45 p.m.; Kentwood, 2:30 p.m.; Lakeview, 2:30 p.m.; Marcy, 2:30 p.m.; Moss, 2:30 p.m.; Park Hill, 2 p.m.; and Washington, 2:30 p.m.

Special Effort Is Sounded For District Lions Record

Marvin Allen, governor of 24-1 Lions International, sounded a call to special effort here Friday evening at a zone ladies night at Cosden Country Club. Only 18 more members are needed in the next 2 1/2 weeks in order for this district to set a new record for Lions International, he said.

district showed gains, qualifying it for the Melvin Jones Membership award. Now it has 3,303, only eight away from another gain. Never before had a district in Lionism accomplished this, he said.

"This would be wonderful," he added, "but the real important thing is that it would give us more manpower to do the job we ought to be doing."

Coahoma FFA Awards Made

COAHOMA (SC) — Four men were presented with honorary chapter farmer awards at the annual awards program of the Coahoma Future Farmers of America chapter here Thursday evening.

Those honored were O. D. O'Daniel Jr., Ovis James, Johnson B. Hall and Joe Oliver.

Students receiving awards included: Gayland Harding, poultry; Maxwell Barr, dairy; Wylie Oliver, livestock farming; Bobby Rogers, DeKalb agricultural.

Donny Harrington was named star green hand farmer; Dickie Weaver the star chapter farmer.

Carmel Eugene Moore presented the Coahoma chapter a donation in the memory of his son, Gary Van Moore. These will be used to erect welcome markers on the east and west sides of the city. A bronze plaque also will be placed in the vocational agriculture building at the school here in memory of Gary Van.

The chapter was in charge of the program, assisted by Gerald Oaks, the instructor. About a hundred boys and parents attended.

Car Kills Wolf

ALBANY, N.Y. (AP) — A wild timber wolf, the first to be seen in New York State since horse and buggy days, has been identified by the State Conservation Department. The wolf, which weighed 84 pounds and measured 71 inches, was struck and killed by a car along a highway in the lower Adirondack Mountains. The agency said it might have escaped from a zoo or game farm.

Transplant Patients At Houston Improved

HOUSTON (AP)—Two heart transplant patients at St. Luke's Episcopal Hospital improved Saturday although one remained in serious condition. Doctors said John Stuckwisch, 62, of Alpine, who received his new heart last Tuesday, gained more strength. Stuckwisch, a hospital administrator, became critical Thursday but rallied Friday and doctors said they were encouraged by his improving condition. A hospital advisory said Stuckwisch has been moved to a private room and no longer needs a respirator at all times to aid his breathing although it is used occasionally. Everett Thomas, 47, of Phoenix Ariz., began his second week Saturday as a heart transplant patient and doctors said they were pleased with his progress. The hospital said he is up and about in his private room and eating a normal diet. His appetite is good and his attitude cheerful, a spokesman said. Thomas was the first recipient in three heart transplant operations performed in five days by a surgical team headed by Dr. Denton Cooley. The Arizona received the heart of

a housewife, 15, who died of a gunshot wound in the head. James Cobb, 48, of Alexandria, La., the second recipient, died Wednesday about 50 hours after receiving the heart of a freshman football player, 15, who died in a traffic accident.

THE WEEK

(Continued from Page 1)

Snuffed Out

Firemen snuffed out a grease fire on the stove at the home of L. C. Gibbs Jr., 1907 Runnels, at 4:55 p.m. Friday. Only damage was to a hood, above the stove, firemen said. At 10:25 p.m., firemen put out a blaze on the roof of Jeanie's Tavern, 300 N. Benton, caused by a short in a neon light. Damage to the roof was minor, firemen said.

finally made its way to Mustang, Draw. In that case we could have a flood in fair weather.

The Southwestern Police Academy, which has been operating at Howard County Junior College in cooperation with the police department and Texas A&M University extension service, won certification last week. It was one of the very first — a testimonial as to the type of work it has been doing.

Proponents of an outdoor service for high school graduation exercises prevailed, and the site was shifted from the high school auditorium. Recalling how capricious May weather can be, a word of advice is to be as diligent in praying for a calm evening as in writing letters to the editor — else it will be suddenly in doors.

Tragic news came to our community again from around the world. Lance Cpl. Michael M. O'Brien, 19, became another to lay his life on the altar of his country. He was struck by mortar fragments in the neck while engaging the enemy at Quang Tri, May 1. Final tributes to him are pending here.

After some two years of work, the North Crest Apartment low-income housing project was started Saturday. The venture is a private undertaking with government underwriting designed to accommodate 68 families. This \$445,260 project accounted for most of the \$498,222 in April building permits, which edged the year's total to only \$687,333.

The field of the second Democratic primary was narrowed sharply after last Saturday's voting. In order of listing on the ballot following drawings were Preston Smith and Don Yarborough for governor; H. W. Smith and Mrs. Mae Hayden for county commissioner Precinct 3; and Simon Terrazas and A. E. (Shorty) Long for commissioner Precinct 4. If our totals were right, only 7,000 voted in three primaries. This is less than half the registered vote — a mighty, mighty shameful showing for people who like to talk about rights in a Democratic society.

Karen Hoelscher, daughter of Mr. and Mrs. Fred Hoelscher of St. Lawrence, won first place in the Interscholastic League B school and actually had a better rate than some higher classification schools. What makes it all the more remarkable is that Karen is a freshman (and a year younger than most) first year typist.

Howard County Junior College journalists covered themselves with glory in state competition too, taking four first places. Alan Doelph and Stewart Thompson won two first places for features and sports; El Nido won first a page-one make up; and Vicki Cofer's advertising layout took a first. The photographers and David Thomas, sports columnist, won honorable mention.

Good reports continue to trickle in from the band and choir trip to Corpus Christi and back via HemisFair. They were gentlemen and ladies of the first order. The band, in its concert with junior high units, incidentally drew a standing ovation from a packed house here Thursday.

The house-to-house canvass for arthritis research brought in over \$2,000 with some phases of the campaign to come. Beta Sigma Phi is gearing up for the multiple sclerosis campaign, and after that, summer weather will make us all feel looser and better.

James Belew, son of Mr. and Mrs. M. W. Belew, has been named recipient of the Protestant chaplain's \$500 scholarship fund. He plans to use it to enter upon ministerial training. Capping the honors day at HCC last week, Doris Anne Davis and Robert L. Lindsey were revealed as choices for the American Legion citizenship award.

Ground Broken For Housing Unit

Tommy Biggs and Garland Green symbolically send the North Crest Apartments project on its way in a ground-breaking ceremony at 104 NE 12th Saturday. From left are Leray Perry, vice president of the project; Biggs; Odder Johnson, a director; the

Rev. Melvin Montgomery, pastor of the Mt. Bethel Baptist Church from which the sponsoring corporation was formed; Green a deacon; and Oliver Reed, president. There will be 68 units in the project costing \$445,000.

Ground Breaking Launches Work On Apartment Project

Ground was broken here Saturday morning to send the North Crest Apartments housing project on its way.

When completed within a year, from now, it will provide 68 units for low-income families. D. D. Johnston, prime contractor on the \$445,000 project, said he hoped that the job could be finished within nine months.

Two members of the congregation of Mt. Bethel Baptist Church, out of which was formed a corporation to sponsor the housing project — Tommy Biggs and Garland Green — turned the first spadeful of earth to symbolize start of work.

A group of some three dozen persons, including those who have had or will have a part in the project, stood in the brisk north wind which swept over the slope overlooking town while the Rev. Melvin Montgomery, Mt. Bethel pastor, gave thanks and prayed that each opposition encountered would become a stepping stone to service. He had spoken briefly, declaring that the apartments would be a chance to go out and help those who can't help themselves.

Oliver Reed, president of the Mt. Bethel Charitable Trust, Inc., which borrowed the funds from the Federal Housing Administration to finance the project, touched on the difficulties encountered in planning and getting final approval. The last papers were signed in Lubbock Thursday, he said.

"Now this project is on your hands," he said. "Go out and sell it to our people. It's our baby and we will have to take care of it, to see that we get the right kind of people in it. This is a long time (40-year) project for the good of our community."

George Zachariah, mayor pro tem, said that the housing would not only be an asset to Big Spring but that people like those who were sponsoring it were assets to the city. The units, he noted, will be taxpaying property.

Speaking briefly were Daryle Hohertz, of Gary and Hohertz, architects, in association with

Don Bailey, D. D. Johnston, contractor; Bill Johnson of Johnson & Estes, realtors who blocked the land. Only officer of the corporation not present was Clarence Willis, secretary-treasurer.

The project will consist of 16 one-bedroom, 20 two-bedroom, and 32 three-bedroom apartments. They will be in nine two-story concrete tile structures, a stairwell separating each four apartments. Thirty-two of the apartments will be ground floor,

like a number second floor. One building for office and maintenance center will be on the ground floor.

A street will divide the property, which will be grassed and landscaped. Apartment interiors will be painted and kitchen fixtures built in. Under terms of the loan, tenants will pay 25 percent of income for rent. The difference between this and what it costs to finance payments and operation will be picked up under the rent-supplement program.

A MOTHER'S SECRETS

Mothers have secrets that they keep for their children... like the present Rick plans to give Dad on his birthday.

But mothers also have secrets of their own... dreams of what they hope their children will become.

And woven into the fabric of every mother's dream are threads of character, morality, courage, faith. The threads are there, but unseen—simply part of the finished design; a son or daughter to be proud of.

But in such dreams we should study the threads and realize the loom on which they must be woven. The qualities that give strength and beauty to a life come from thorough religious training!

So a mother's dream should not remain a secret. It must be her husband's dream, too. For together, with the guidance and help of the Church, they can provide the Christian home so necessary to the fulfillment of their hopes.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Boating, Wading, Cycling In West Big Spring

Flood waters along San Jacinto Street was providing a variety of experiences for residents in West Big Spring Friday, creeping higher than most residents of that area could remember. The young fellow wading almost waist deep in

the middle of San Jacinto Street, just south of Third Street, was being watched by Cecil Thixton (on the bank, or curb). Motorists along Third Street found the going slow, and several cars were drowned out. But not the young lady on her

bicycle, going home from the grocery store. Howard Walker, who works for Thixton, had a better idea and launched his boat, complete with 35-horsepower motor. He and Roger Mead, of Webb AFB, explored the flooded area, all the way

to the T&P tracks, and from near Lancaster Street to several blocks west of San Jacinto. They reported water was about six feet deep along the route of First Street, and about 2-3 feet deep at Second Street, where picture was made.

CHARGE INTO A WALL OF BLISTERING FIRE

Desperation Assault Turns Into Rout

SAIGON (AP)—Shouting and shooting, several hundred Viet Cong charged out of a bombed-out pocket on Saigon's southern fringe Saturday night in a desperation assault to break out of a trap. But with flares lighting the sky they ran into a wall of blistering fire from U.S. infantrymen inside a "wagon-train" circle.

U.S. officers reported counting 88 enemy bodies and said more were being found as soldiers of the U.S. 9th Division swept the battle scene.

There were no reports of U.S. casualties.

The pocket near "Y" bridge leading from Saigon to the Mekong Delta is the last major holdout of the Viet Cong against its offensive in Saigon divided to virtual mopping-up operations by the allies.

But what is described as Hanoi's "peace talks" offensive raged on in South Vietnam's northern sector where U.S. Marines and Army troops fought five battles around Dong Ha

Friday and Saturday and reported killing 442 North Vietnamese.

The Viet Cong holdouts are trapped in a Saigon sector of modest houses and shanties that had been devastated Friday and Saturday by fighter-bombers after civilians had cleared out. The enemy troops moved into the area last Tuesday.

When the 9th Division troops attempted to move through the blocks of stucco houses and shanties Friday they were forced back by heavy sniper fire.

Artillery and fighter-bombers pounded the half-mile square area while U.S. armored vehicles moved in to block the enemy's east and west flanks. Helicopter gunships hovered over the Viet Cong's remaining escape route—flat paddyfields to the south.

"We had looked for them (the enemy) during the day and couldn't find them," a 9th Division officer said. "We were surprised when they came out and attacked."

The enemy troops, believed to be the remnants of some 1,000 soldiers of two reinforced battalions, attacked two sides of the American perimeter.

"We had drawn our men back into a wagon-train defense with armored personnel carriers in support and they (the guerrillas) didn't have a chance," the officer said. "They've been pinned in there for four days and must have been very low on food and ammunition."

The 9th Division had reinforced its initial maneuver units Saturday and when the guerrillas made their night attack they crashed against two battalions of some 1,200 infantrymen in interlocking fire positions with armored support.

There were reports of minor skirmishes west and southwest

of Saigon Saturday as the Viet Cong tried to slip in reinforcements, but a spokesman at the U.S. Command said the enemy did not appear to be capable of throwing another strong Sunday punch.

In one of the contacts Vietnamese paratroopers, sweeping three miles west of Saigon's Phu Tho racetrack, reported killing 11 guerrillas, capturing one and detaining 26 suspects without suffering any casualties.

The only change in Texas was this affected radar station.

Amarillo AFB, Tex. — Inactive aircraft control and warning squadron by September, 1968; FAA operation and other base activities will continue, personnel reduction, 140 military and 29 civilians.

Members of Congress were advised Saturday of the realignment, to start this summer. The plans call for a net reduction of 4,340 military and 1,148 civilian personnel. Three bases will have a personnel increase.

The Air Force said the Federal Aviation Agency plans to use 14 of the inactivated military radar sites for air route traffic control. At eight of these sites, the radar already is in joint use by the FAA and the Air Force.

The defense mission will be

deactivated and a limited number of military personnel will remain until the FAA assumes complete responsibility.

The proposal reportedly made by Dr. David Craig of Lancaster University's Cartmel College was rejected by the college staff committee, the student newspaper Carolynne said. It gave this account:

Craig, a 35-year-old lecturer

who is married with four children, predicted the scheme would be adopted by all universities "in my lifetime" and said:

"I think students should sleep together if they want to do so. Craig won a partial victory in his campaign. University authorities agreed to an alternative suggestion for "mixed corridors" in the college dormitory with men and girl students in separate rooms, but on the same floors.

Mechanics Singled Out

Three jet aircraft mechanics of the 3560th Organizational Maintenance Squadron at Webb AFB, have been singled out for recognition. Announcement of the three monthly awards for April was made by 2nd Lt. Michael F. Hubbell, squadron administrative officer.

Airman 1.C. James G. Fountain, of Evans, La., was named Airman of the Month for the squadron. He entered the Air Force in December, 1966, and is married to the former Judy Addison, of Leesville, La.

Airman 1.C. Richard E. Garland, of Oklahoma City, was named T-37 Maintenance Man of the Month. He entered the Air Force in August, 1966, and came to Webb in January, 1967.

Sgt. Donald A. Finnen won the T-38 Maintenance Man of the Month award. A native of Sioux Valley, Minn., the sergeant joined the Air Force in September, 1965, and arrived at Webb in February, 1966.

R₂ ACNE CANNOT BE PREVENTED

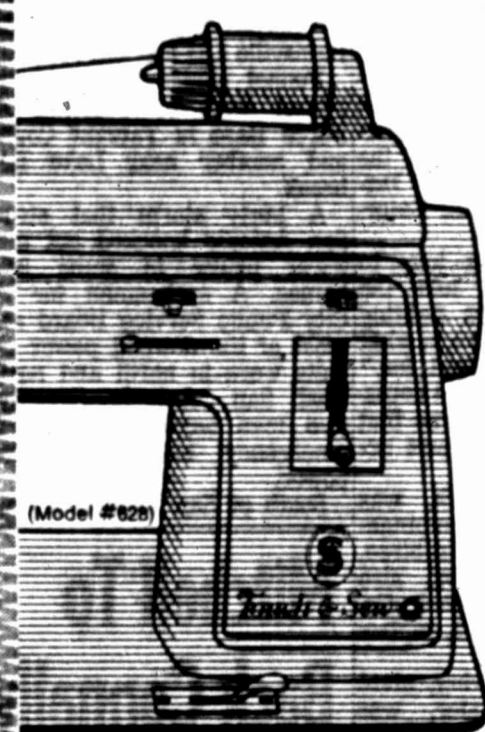

Acne is a problem common to young people. It usually develops at age 11 to 13 and disappears gradually when reaching the early 20's. There is no cure, but proper treatment can control acne and prevent permanent blemishes.

Acne is not caused by dirt, but is more associated with an oily skin. It is not primarily a dietary disease, but large intake of some foods can aggravate acne. Chocolate, sweets and fats should be avoided. Properly used, some acne lotions and creams are beneficial. We will be glad to help you select a good product. If a troublesome acne persists, you should see a physician.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Tower, Connally Endorsement Voted By County Conventions

Governor Given All-Out Support

Foreign Aid, Income Tax Opposed

The Howard County Democratic convention Saturday night put its full force behind the John Connally "favorite son" proposal, binding its 12-member delegation to vote as a unit at the state convention, to help send Connally to the national conclave as the Texas leader.

There were 79 accredited delegates present at the session in the district courtroom, and they were of united opinion, having mustered strength in pre-convention meetings a week earlier. All votes went through unani-

Members of the American Party adopted two major resolutions — to abolish foreign aid and to support a "liberty amendment," providing for the abolition of an income tax and "a return to private enterprise without government interference" — at a convention Saturday at 10 a. m. in the grand jury room of the Howard County Courthouse.

Kenneth Normand, county chairman, passed over the reins of leadership of the party to E. O. McNeese, and the executive committee selected Mrs. George Thomas as its secretary.

The 20 members that attended the convention were named as delegates to the American Party state convention, which will be held June 8 in Fort Worth at the Will Rogers Memorial Coliseum.

Howard County Republicans in convention Saturday afternoon adopted the expected resolution giving "favorite son" support to Sen. John Tower, but put emphasis on the convention's conservative attitude by calling for "strong support" of either Richard Nixon or Ronald Reagan, once Texas has released the Texas delegation at the national convention.

The group also adopted a resolution calling upon the attorney general of the United States to enforce all the laws of the nation, "with heavy emphasis on all."

It also adopted a convention policy a statement noting the rising tide of crime and civil disobedience and calling upon all citizens to lend support to police officers, and to personally obey all laws, to work for law enforcement, to urge restraint instead of license and to respect the rights of others.

Named as delegates to the state convention were Akin Simpson, who is county chairman, Mrs. Jack Lipscombe, vice chairman, W. J. Sheppard and Mrs. Robert Angel. Alternates are Grant Boardman, George MacConnell, Winston Wrinkle and Jack Lipscombe. Named as guests to the state convocation to be held in Corpus Christi June 11, were Lamar Green and Bill Crooker, who are GOP candidates for county commissionerships from precinct 1 and 3, respectively.

Howard County is entitled to four delegates to the state meeting.

Green and Crooker made brief remarks in behalf of their candidacies.

There were 36 accredited delegates at the Saturday afternoon session, held in the county courtroom with Simpson presiding. Although the meeting lasted more than an hour, the time went mostly in meeting me-

chanics of procedure, and there was no dissent on any proposal brought to the floor.

The major resolution, lauding Tower's service, calls for support of delegates committed to Tower "until released after full consideration and with approval of the majority of the delegation." The original resolution calls for subsequent "consideration" of Nixon and Reagan, but this was changed to "strong support" of these party leaders.

Victious thunderstorms spawned tornadoes and 70-mile-an-hour winds across Texas Saturday. It was the sixth straight day of spring turbulence.

The Ellis County sheriff's department said at least 9-10 twisters were spotted. One twister was reported by the public as chewing a path across the countryside near Milford in extreme southern Ellis County. No damage was reported.

At least eight deaths were blamed on the six days of turbulent weather. A 10-year old boy was swept down a flood-swollen bayou in Houston Saturday and another Houston boy, Michael Vegil, 2, was fatally shocked Friday night as he played in the rain when he brushed against a lamp cord.

Another twister dipped down one mile south of Grandview in Johnson County. Yet another tornado writhed in an open field near the Nash community some five miles southwest of Waxahachie in Ellis County.

Funnel clouds were reported in the southside of Corpus Christi. A tornado cut a path some 20 miles southeast of Corpus Christi, but did not appear to cause damage.

Winds gusted to 50 m.p.h. in Corpus Christi and 70 m.p.h. in Aransas Pass along the Gulf Coast.

A tugboat out of Aransas Pass, the Sea Urchin, sank during a storm in the Gulf of Mexico near Corpus Christi. The four-man crew was rescued.

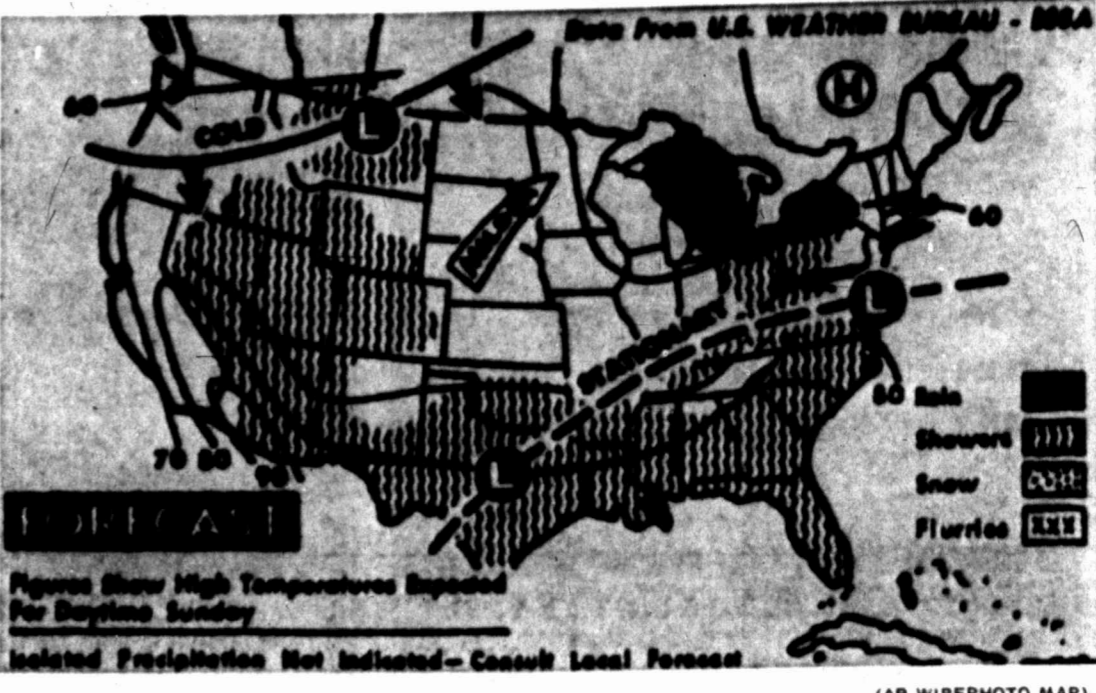

The Corpus Christi Weather Bureau said seven inches of rain pelted the Chaparral area. Other heavy rainfall reports in the Corpus Christi area included Batesville 5.80 and LaPryor 4.50.

Funnel clouds were also reported west of Carswell Air Force Base in Tarrant County and another near Lake Benbrook.

A burly storm that struck San Antonio knocked out electrical power to some 8,000 homes. A spokesman for the City Public Service Board said most of the downed power circuits were in north and northwest San Antonio. Seventy-five men were called on an emergency basis to restore power.

South of San Antonio a thunderstorm packing wind gusts estimated by the Weather Bureau at 70 m.p.h. battered Yorktown. Mayor J. O. Frisbie said the storm "uprooted two big trees in my yard, but over all damage was light in town and there were no injuries." Heavy rain accompanied the storm.

The Weather Bureau forecast indicated more of the same could be expected for the state through Sunday with scattered thunderstorms and mild temperatures.

Rain To Be Widespread

The U.S. Weather Bureau forecasts showers and thundershowers for a large portion of the nation on Sunday. The rain will extend from the central plateau area through the southern plains eastward through the middle Atlantic coastal states and northward through the Ohio Valley and the eastern portion of the upper Great Lakes.

HIGH WINDS, HEAVY RAINS

Storms Spawn Twisters

Victious thunderstorms spawned tornadoes and 70-mile-an-hour winds across Texas Saturday. It was the sixth straight day of spring turbulence.

The Weather Bureau forecast indicated more of the same could be expected for the state through Sunday with scattered thunderstorms and mild temperatures.

The weather bureau said: "Showers and thunderstorms Saturday afternoon will generally be in East and South Texas."

Light Showers Here Friday

Howard County, barely recovering from the devastating thunderstorms and hail which raked through the area during the week, received only .02 inch rain in brief showers Friday.

Glasscock County and Sterling County both fell in the path of a storm Friday afternoon, although little damage was done in either county, and farmers said Saturday that crop damage was light.

At the Hackberry Ranch three miles west of Sterling City, three-quarters of an inch fell Friday, but in Thursday's thunderstorm, the ranch gauged three and one-half inches rainfall. High winds blew down a barn on the ranch.

At Garden City between one and two inches of rain fell steadily for approximately 30 minutes. There was no hail. The Garden City area was pelted by good-sized hailstones and was drenched with 2.3 inches of rain.

The St. Lawrence community, a rich farming area, fared better than either Sterling City or Garden City. Crops in that area were untouched by the deluge.

Forsan had a brief shower Friday but no measurable precipitation was reported.

'The Bible' Opens Thursday, All Star Cast At Ritz

Direct from its roadshow engagement, "The Bible," will open Thursday at the Ritz Theatre with special popular prices in special scheduled performances. Every ticket holder will be guaranteed a seat, though there will be no reserved seats.

Directed by John Huston, with a screenplay by Christopher Fry, "The Bible" is the first film to tell in continuous sequence the stories of The Creation, Adam and Eve, Cain and Abel, Noah and the Flood, the Tower of Babel, the Destruction of Sodom and the Saga of Abraham.

The cast of the film includes George C. Scott as Abraham; Ava Gardner as Sarah; Stephen Boyd as Nimrod, King of Babel; Richard Harris as Cain; Peter O'Toole as the Angel of the Lord; John Huston as Noah; Michael Parks as Adam. The film also introduces Ulla Bergryd as Eve.

In bringing the Bible to the screen, De Laurentiis, Huston and Fry were determined from the outset to avoid set patterns of past Biblical films that were conceived only with isolated stories. Their goal was to portray Biblical text and characters with fidelity and in the hope that the story of mankind's beginnings would have significance for people of the modern world.

'THE BIBLE' Adam, Eve, and the apple

Because of the subject and the tremendous scope of the production, Producer De Laurentiis had his staff of creative artists working for three years on the research and writing before even a camera turned. He surrounded himself with some of the world's foremost artists and technical experts, all of whom made sure that what went on the screen was actually part of the Good Book and not simply a scriptwriter's dream.

The tremendous size and scope of this production can best be judged from a description of its background sets, without doubt the most stupendous ever designed and constructed for any motion picture. Among the 77 sets used in this mammoth undertaking are: the largest boat ever built for a film, a reproduction of the world's first skyscraper, a garden that everyone knows about but no one can describe, temples, palaces, encampments and a ruined city that is terrifying in its realism.

Thursday through Saturday THE BIBLE, with an all star cast. JET Sunday through Tuesday TAMING OF THE SHREW, with Elizabeth Taylor and Richard Burton. Wednesday through Friday FURY AT FIRECREEK, with James Stewart and Henry Fonda. Saturday WALK DON'T RUN, with Cary Grant, and NIGHT OF THE GENERALS, with Audie Murphy.

Sandy Dennis Stars In 'Sweet November'

Sandy Dennis, one of the hottest acting talents around today, played it real cool when she won her first Academy Award. The fact that she was 3,000 miles away from Hollywood while the Oscars were being presented, probably helped her stand the excitement of receiving the Best Supporting Actress Award for "Who's Afraid of Virginia Woolf?"

In "Sweet November," she portrays a quixotic Brooklyn girl who adopts a deserving young man each month. Newley turns out to be her catch for November. Herman Raucher wrote the original screenplay for "Sweet November" filmed in Technicolor. Miss Dennis did it again with an entirely different kind of characterization in the filmization of D. H. Lawrence's novella, "The Fox." In that motion picture, she starred with Keir Dullea and Anne Heywood in the daring and provocative drama, centering on two young women who attempt to hide from reality on an isolated farm, until a man comes along to disrupt their security.

Surprise Features On Supper Theatre Program

Friday and Saturday The Little Theatre of Big Spring will present its first "Supper Theatre" at the Cosden Country Club. The club's steak dinner will be served to theatre goers prior to the production of two one-act comedy plays and two surprise features. Dinner will be served at 7 p.m., with curtain time scheduled for 8 p.m. Tickets will not be sold at the door, but by reservation only, and the price will include both the dinner and the theatre presentation. Reservations may be made by calling Mrs. Margaret

Goodwin at Howard County Junior College, 267-6311, or after 5 p.m. at 263-1563. Mrs. Goodwin will arrange theatre parties if patrons wish to sit together at tables for four or six. Although relatively new in concept, "supper theatre" has been successful in New York, Hollywood and Dallas. The cast of both plays will include Audra Kasparoff, Cheryl Haas, Pat Adams, Molly Ennor, Doris Vaughn, Margaret Goodwin and Maxine Boardman. Directing the two plays are Al Scott and Don Kiebach.

Burton Likes Liz The Best

Richard Burton, who has been in motion pictures for some time now, has finally named his favorite screen actress. It is Elizabeth Taylor Burton, with whom he stars in "The Taming of the Shrew," the boisterous release, in Panavision and Technicolor, now at the Jet Theatre. Burton says he would rather work with Elizabeth than with any other living actress. "The Taming of the Shrew" is the fifth motion picture in which the Burtons have appeared together. After "Cleopatra," they did "The Vikings," "The Sandpiper" and "Who's Afraid of Virginia Woolf?" for which Miss Taylor received her second Academy Award as best actress of the year. "I find it embarrassing," Burton said during production of "The Taming of the Shrew," "to work with any other actress after Elizabeth. In "Becket," "The Night of the Iguana" and "The Spy Who Came In From the Cold," I've been with other actresses. And gifted as I think those ladies are, gifted as I'm sure they are going to be in the future, I much prefer to work with Elizabeth than with any other living woman."

Asked whether acting with his wife has helped his performance, Burton replied, "Oh, yes indeed. Acting is a kind of showing off. And the best person to show off to is your wife!"

And Elizabeth Taylor? "I think he's the very best actor in the world. He says we do something peculiar with each other. There's such a rapport between us, such an understanding. We don't have to go through the deep grass to find out what we're thinking."

Masterminds Of Robbery

Playing a meek-looking school teacher who masterminds an audacious robbery, Edward G. Robinson appears for the first time in an Italian movie, "Grand Slam," opening Tuesday at the Ritz Theatre.

The star, veteran of over 90 films during his 42-year screen career, plays opposite Janet Leigh in the suspense-filled story of a \$10,000,000 diamond theft. "Grand Slam" was shot on locations in Spain, London, New York and Rio De Janeiro, with interiors in Rome. Robinson, an accomplished linguist, felt at home with the Italian troupe, as well as with the German-speaking co-stars Robert Hoffman and Klaus Kinski and Spaniard George Rigaud.

"I've played every nationality under the sun," he told a journalist on the set. "For this, I had to study accents - and that led to the study of languages." He now speaks 11 tongues fluently. "His bedside table is full of language books," said his wife Jane. "He is always studying the language of the country we visit or work in next."

During the London blitz, Robinson broadcast to the Continental underground in seven languages - English, French, German, Italian, Russian, Hebrew and Yiddish. Also a passionate lover of art, Robinson took advantage of his stay in the Eternal City to visit galleries and museums. His first excursion, after settling in at his hotel, was to the Vatican Museum "Grand Slam," which also stars Janet Leigh and Adolfo Celli, was directed in Technicolor by Giuliano Montaldo.

THE ARTS

Choirs Schedule Spring Concert

Something good is offered to the public Tuesday night, 8 o'clock at the City Auditorium, and it's free. Big Spring Senior High School choir will join Runnels and Goliad junior high choirs to perform a spring concert.

The high school section of the program will offer selections by the cappella choir, the freshman-sophomore choir, girls' choir, boys' choir, and a quartet. The latter, Brad Cederberg, Keith Graumann, Steve Pyles and Roger Dixon, will sing "Stout-hearted Men" and "Sophomoric Philosophy," a novelty song. Advanced choirs and boys' choirs will be heard from each of the junior high music departments, and four of the most advanced groups of young singers from all three schools will combine to sing "Once to Every Man and Nation" as the finale.

The Big Spring Art Association is interested in sponsoring a workshop to be taught by Mrs. Tincie Heddins of Angelo State College, on a once-a-week basis during the summer months. The course would be on design and composition, the basis of all good art work whether abstract or realistic. Anyone interested may write me, care of The Herald, specifying the preferred weekday and time; or call 263-3509 after 4 p.m.

A selection of ceramic works by members of the West Texas Ceramics Association is currently on display in the Highland South Shopping Center, and will remain through Wednesday.

The last "clothesline sale" at the St. Laurent Gallery and School of Art in Midland was so successful-particularly for Big Spring painters Mary (Signor) Holloway and Mrs. Frank Hartley - that another is planned next weekend, Saturday and Sunday. Entry fee is 50 cents per item. Preston Doyle is director.

FACES SMITH IN RUNOFF ELECTION

Yarborough Has Slim Margin

By The Associated Press
 Don Yarborough, leader in the Democratic first primary for nomination for governor, goes into the runoff June 1 with a slim 40,335-vote margin over Lt. Gov. Preston Smith, the Texas Election Bureau reported Saturday.
 The bureau, in its final tabulations on the May 4 voting, listed Smith with 382,335 ballots to 422,823 for Yarborough, the

Houston lawyer who will carry the liberal banner into the second primary.
 The winner will meet Republican Paul Eggers in the November general election. Eggers won GOP nomination without a runoff in a three-man field.
 Robert L. Johnson, head of the election bureau, reported 1,747,067 votes tabulated. Smith obtained 21.9 per cent

of the Democratic vote and Yarborough 24.1 per cent, a difference of 2.2 points.
 On the other hand, Smith led in 111 of the 254 counties while Yarborough led in 47.
 But of his 47 counties, Yarborough took most of the metropolitan areas where the big vote lies. The Houston lawyer led in all but Dallas and Lubbock counties of the 14 which have voting strength in excess of 40,000.

Two of the others, Locke and former Texas Atty. Gen. Waggoner Carr, already have announced support of Smith. He also is seeking the stamp of approval from Gov. John Connally.
 Yarborough could reasonably expect to obtain a good many votes which went to Doiph Briscoe in the first primary. The vote for Briscoe was heavy in South and Southwest Texas where Briscoe lives. It also is an area generally expected to have many liberal votes which might tend toward Yarborough. Briscoe ran a good fourth.
 The outcome obviously will depend heavily on which candidate can persuade his supporters to go to the polls. Smith has been building an organization since summer. Yarborough, who depended a great deal on personal appeal in his previous races, all of which he lost, is stressing organization this time.
 The final tabulation shows that the Democrats and Republicans gave liquor by the drink a margin of 36,567 in the advisory poll. The vote of both parties favored the measure. The

balloting has no force in law and any action must be taken by the legislature.
 George Wallace's American party also held an advisory poll while obtaining 97,718 signatures which put Wallace on the general election ballot in Texas.
 The American party went against liquor by the drink by a margin of 3,672 votes by Texas Election Bureau compilation. The party itself listed a fractionally smaller margin.
 Counting all votes, the liquor proposal won by a margin of nearly 33,000 ballots.
 The final election bureau figures were:
 Governor:
 Democratic:
 Briscoe 225,610, Carr 257,292, Mrs. Johnnie Mae Hackworth of Brenham 5,596, former Secretary of State John Hill 155,076, Locke 218,712, Dallas insurance man Pat O'Daniel 47,167, Smith 382,488, Houston bank clerk Al Veloz 9,527, Houston businessman Edward Whittenburg 22,881, and Yarborough 422,823.
 Lieutenant governor: House Speaker Ben Barnes 1,214,916, Don Gladden of Fort Worth 217,502, and Fort Worth insurance man Gene Smith 156,220.
 Comptroller: Dallas Blankenship 391,280 and Robert S. Calvert 1,000,728.
 Supreme Court: Place 1 Matt Davis 572,958 and Sears McGee 772,222. Place 2: James Denton 599,119 and Tom Reavley 719,932.
 Liquor by the drink: for 721,705, against 706,967. Pari-mutuel betting on horse races: for 663,457, against 782,180. Milk price controls: for 421,798, against 932,596.
 Republican:
 Governor:
 Eggers 62,003, Wallace Sisk 9,781, John Trice 27,630.
 Liquor by the drink: for 59,976, against 38,147. Pari-mutuel betting: for 46,589, against 50,994. Milk price controls: for 19,504, against 74,283.

Martin Demos To Back Connally
 STANTON (SC) — Martin County Democrats voted at a convention Saturday to go to the state Democratic convention in June supporting Gov. John Connally as "favorite son" candidate.
 Morgan Hall, county Democratic chairman, was elected a delegate to the convention, which will be held in Dallas, June 11. Alternate will be Mrs. Bob Cox.

Burglars Chased Three Times From Apartments

Sgt. Jack Boyd, manager of Kentwood Apartments, 1904 E. 25th, and a policeman, had a busy night chasing burglars, who made off with an assortment of items from the apartments' laundry room.
 Thieves pried the coin machine off a washer and took about \$5; a case of soft drink bottles was taken in another incident; and, at still another time during the evening, thieves damaged the soft drink machine and a dryer. Boyd listed damage at \$30.
 Roy E. Wilson, 1306 Pennsylvania, told officers a high school annual was taken from his car while it was parked at 403 Bell.
 D. H. McDaniel, operator of the Parkway Laundry, 2511 Wasson, told police that burglars had done an estimated \$200 worth of damage to the soft drink machine during the night.
 A vending machine, valued at \$50, was taken from the Premier Station at 2709 Wasson, manager Tommy Roberson told police.
 Thieves entered Shorty's Pay-N-Take, 708 Lamesa Drive, D. P. Thompson, 1107 E. 4th, told police, and made off with 55 cartons of assorted cigarettes.
 Bobby Getty, 111 Carey, reported the theft of \$18 in cash from a cash register at the Fina Service Station, 3201 US 80 west.
 Police said a burglary occurred Friday night at Ernest's Lounge, 700 N. Lancaster, and thieves took an estimated \$87 worth of cigarettes.

Mobile Claims Unit Sent Here In Wake Of Storms

A \$30,000 Travelers Insurance Company's St. Louis office, drove the vehicle mobile unit — the first of its kind in the country — pulled into Big Spring Friday afternoon on its first test run.
 Charles Hagan and Dave Herman, appraisers for the Travelers Insurance Company's St. Louis office, drove the vehicle mobile unit — the first of its kind in the country — pulled into Big Spring Friday afternoon on its first test run.
 E. R. Aday, claims manager from Lubbock, met the two other representatives here that afternoon, and the trio expects to begin work during the next few days processing an estimated 500 claims from area residents in the wake of last week's two devastating storms.
 The disaster headquarters has all the comforts of home — well, nearly all of them. It is air conditioned, equipped with a centralized heating unit, has toilet facilities and even a frozen foods compartment. It is carpeted, and at the rear of the unit is a conference room, which converts into sleeping space. There are two desks, a counter, typewriters, a mobile telephone and five other telephones, even a citizens' band radio unit which is equipped to handle all frequencies.
 And, true to its name, it features "disaster kits" for its appraisers, including claims information and other useful articles such as rain gear and emergency first aid kits.
 All of the furniture in the unit folds into the wall area, so that the conference space may be made bigger.
 The unit now is expected to be used primarily for disaster-claims type work, although later it may be used for recruitment on college campuses.

 Checking claims of local residents from the week's devastating storms are, from left, E. R. Aday, claims manager, Lubbock; Dave Herman and Charles Hagan, appraisers from the St. Louis office. The trio arrived Friday in the new disaster headquarters mobile unit of the company, which is on its first test run.

Teenage Tag Day Postponed

The "Teenage Tag Day" planned for Saturday by the Big Spring Unit of the Permian Basin Chapter of the National Arthritis Foundation, was postponed due to the week's inclement weather.
 Celia Fowler, who was coordinating activities, said that it was not known when the tag day would be re-scheduled.

New Golf Pro Home; Plans For BS Open

By TOMMY HART

Next mission of a one-time naval pilot who has competed in local golf tournaments both as an amateur and a professional will be to help stage the June 8-9 Big Spring Open.

He is Claude Gunn Griffin, 44, a native of Big Spring, who returned May 1 to formally assume his duties as pro of the Big Spring Country Club.

CHANGED 15 YEARS AGO C. G., as he is known to all his friends and golfing companions, started golfing on the Mury course here and joined the PGA about 15 years ago, when he accepted an offer to become pro at the Colorado City Country Club.

Griffin will be batching here until the end of school, when his wife, the former Norma Henry, and 17-year-old son, Teddy, join him. Teddy, who was on his high school golf team, graduates from Brownfield High School later this month.

Although the Griffins have been gone from here for a decade and a half, they still own their home at 1106 Lancaster and will make their home there when they are rejoined.

C. G. remained at Colorado City only one year after departing here. He moved to the Floydada Country Club, where he spent another year before going on to Brownfield, where he assumed charge of a nine-hole course. He remained there for 12 years before accepting an offer made by the Big Spring Country Club to return here.

Griffin was in the venetian blind business and was employed by a concrete tile concern here after World War II before finally turning to golf for a career. C. G. logged an estimated 500 hours as a Navy pilot during World War II, earning his wings at the Corpus Naval Air Station. He took his pre-flight work at Austin and later served at Del Monte, Calif., Norman, Okla., Houston and on the island of Guam before writing finis to his military career. In the main, he flew torpedo bombers. He was discharged an ensign.

HOLDS RECORD As a golfer, C. G. has had his fine moments. He still holds the course record at Brownfield, having fired a 32-31-63 to beat Rex Baxter's old mark by a stroke. On the round, he pieced together nine birdies and as many pars.

He fired two holes - in - one within two months of each other at Brownfield, one on a 165-yard hole and the other from about 115 paces away.

About four years ago, he finished second to champion-Buck Turner in the West Texas PGA tournament.

At Brownfield, the country club had about 110 members.

McCarver 'Take-Charge Guy' For World Champs

ST. LOUIS (AP) — "I play professional baseball," Tim McCarver began. "I'm a catcher. The catcher calls the pitches, catches the ball, throws out runners and hits."

It's that simple. Just mechanics. Then the St. Louis Cardinals' catcher fills in the details. McCarver can fill them in well because he's rated one of the best at his job.

"Taking charge of a game driving it, this is the catcher's job," McCarver acknowledged. "But you can't make it seem more important than it is. If you have an experienced pitcher he makes it look like you're taking charge. They know what to do and then they want to give you credit."

Ever if it's the pitcher who's making McCarver look like he's in charge, McCarver is a take-charge guy. "I guess it's just the way I play the game," McCarver said. Like (Minnesota catcher John) Roseboro, he doesn't say anything and he's a take-charge guy. But he takes charge with out anyone noticing he's taking charge.

Qualifiers Await Play

NEW YORK (AP)—A record 2,946 golfers will participate in qualifying tests at 55 sites May 20-21 for the U.S. Open Championship, the U.S. Golf Association announced Saturday.

The competition will determine 543 survivors who will join 58 others exempt from local qualifying in sectional qualifying championships June 3-4 at 13 sites.

The Open will be held June 13-16 at the Oak Hill Country Club, Rochester, N.Y. A total of 150 players will participate, 116 from the sectional championships plus 34 who are totally exempt.

Jack Nicklaus, the 1967 Open winner, heads the list of totally exempt players. The others include Billy Casper Gary Player, Ken Venturi, Julius Boros, Don January, Al Geiberger, Dave Marr, Bobby Nichols, Roberto de Vicenzo, Arnold Palm-

er, Lee Trevino, Bob Goalby, Dan Sikes and Bert Yanney. A total of 3,038 entries was accepted by the USGA, marking the third straight year in which an Open entry record was set. The field consists of 2,093 professionals and 945 amateurs. Most of the touring pros not exempt from local qualifying will play at either the Memphis, Tenn., Country Club or the Dallas, Tex., Athletic Country Club. At Memphis, a field of 90 pros and five amateurs will compete for 40 places while at Dallas, 51 pros and 23 amateurs will play for 24 places.

Bert Weaver, Tommy Jacobs, Ken Still, Jim Grant, Ron Cerredo and Harry Toscano are among the pros who will play at Memphis. The Dallas field includes Billy Maxwell, Chuck Courtney, Jacky Cupit and Bill Martindale.

The largest field will be at Rochester, N.Y., where 146 will compete for 24 places. In addition, 133 will play for 24 places at Detroit, 136 for 23 places at Chicago and 123 for 22 places at San Francisco.

Redlands Gets Athlete Who Chose Serenity

REDLANDS, Calif. (AP) — The University of Redlands has no great athletic tradition and doesn't offer scholarships to athletes. So the track world was a bit stunned last September when the nation's all-time greatest high school long jumper enrolled.

What attracted Jerry Proctor to the school among the orange groves was a chapel and a place to study toward a degree. Proctor won the national AAU long jump title last year, leaping 26 feet, 1/4 inch and beating world record-holder Ralph Boston in the process. Proctor was still at Muir High School in Pasadena, Calif., at the time.

Although offered scholarships to attend the University of Southern California, UCLA and California, Proctor chose serenity. "Redlands is exactly what I had hoped for," he said. "I love it here. Everyone is friendly. And they are more interested in my studies than my athletics."

A Negro, Jerry doesn't support the proposed Black Power boycott of the Olympic Games. He says the idea is repugnant and that he'll be concentrating on the long jump in hopes of making the team.

As a freshman, Proctor has been versatile in dual meets, competing in six and seven events in a day. Early in the season, he ran the 100-yard dash in a wind-aided 9.4. He long jumped 25-4 for a national freshman record, erasing one 13 years old. He did 49-4 1/2 in the triple jump for a conference record.

He has anchored virtually every 400 relay team Redlands ran this year and has also, on occasion, run the high and intermediate hurdles.

WIN 3 EVENTS Last Friday night in the Southern California Intercollegiate Athletic Association Finals, Proctor won three events, got a second, broke one meet record and tied another. He scored 19 points. In the long jump, Proctor leaped only twice. He fouled on his first and then jumped 25-2 to break the meet record of 23-10 1/2. Jerry won the high hurdles in 14.6 and the 100 in 9.7, equaling the meet record for the latter.

Now, he'll be concentrating on his long jump form, hoping to hit 27 feet at the Olympic trials in Los Angeles, June 29-30. Proctor says it will take a 27-foot jump to make the U.S. team and he predicted his main competition would come from Bob Beamon, Gayle Hopkins, Phil Shinnick and Bill Miller. As for Boston, Jerry says, "You know Ralph is going to be on the team."

Proctor, a lean 20-year-old with a soft voice, is an active member of the Fellowship of Christian Athletes. He spends more time studying than working out. He was reared in a religious environment and feels deeply about it. Looking for Jerry Proctor? It's even money he's in the chapel at the University of Redlands.

Utecht Is Named Athlete Of Year DALLAS (AP) — Jerry Utecht, record-breaking hurdler and high-point man in the recent Southwest Conference track meet, was announced Saturday as Southern Methodist's athlete of the year.

He will join similarly honored athletes from the other seven conference schools at the annual Southwest Conference Lettermen's Association awards luncheon Thursday in Dallas.

Utecht set a conference 40-yard hurdles record of 51.6 seconds and was second in the 120-yard high hurdles.

Six other athletes of the year were named previously. They are Hartford Hamilton of Arkansas, Eldon Gresham of Texas, Christian, Kay Collins of Rice, Greg Pipes of Baylor, John Scovell of Texas Tech and Gary Overbeck of Texas. All were football players except Overbeck who starred in basketball.

Texas A&M representative at the awards luncheon will be announced Tuesday.

"I think I'm a little more relaxed this year," he claims. "But I've always liked to hit in the Astrodeum. The conditions here are just so much better — the lighting is better and you don't have that wind problem."

Angelo Admitted To Conference NACOGDOCHES, Tex. (AP)—Angelo State and Tarleton State colleges were admitted to the Lone Star Athletic Conference today.

The entry of the San Angelo and Stephenville colleges brings the conference number to 10.

The pair was given full membership but it may be some years before they can compete for the loop's title because they must play all other members. Schedules normally are made three years in advance.

The independents were admitted by action of the conference faculty representatives.

Pitching Feat Had Numerous Oddities

OAKLAND (AP) — After some of those bad days that every pitcher has, or when he's retired to farming, Jim "Catfish" Hunter can dig out a baseball or older newspaper clippings.

They will remind him that during 2 hours, 28 minutes Wednesday night, May 8, 1968, he retired 27 Minnesota Twins in a row, hurling the 11th perfect game since 1880. He also batted in three of the A's runs in

the 4-0 victory. **SKIPPED MINORS** The 22-year-old right-hander, appearing in his 103rd major league game—having skipped the minors—did it before 6,298 fans in the Oakland Coliseum.

It was a feat not achieved by such greats as Walter Johnson, Christy Mathewson, Carl Hubbell, Lefty Grove, Bob Feller, Grover Cleveland Alexander, Juan Marichal and many others with bigger names and records.

The masterpiece had its oddities. Hunter wore No. 27 on his back. His 20-year-old wife, Helen, sat crying in seat No. 27 along the third base line. The game was first shutout for the A's this season.

It was Hunter's second no-hitter. He hurled a perfect seven-inning game for Perquimans County, N.C., High School in 1964 against Elizabeth City. The score was also 4-0, and as in the Twins game, he struck out 11.

It was also the second no-hitter worked by plate umpire Jerry Neudecker and A's catcher Jim Pagliaroni.

Using mostly fastballs and sliders, Hunter threw 107 pitches and ran the count to 3-2 on six batters, including Rich Reese, a pinch hitter who fouled off five pitchers before missing a third strike to end the game.

The last ball he threw is the one he never he'll keep forever. "They'll never get this ball," he said when asked if he would donate it to the Hall of Fame.

The perfect game shattered the routine life of the stocky farm boy but he took the notoriety in stride. "Our phone has never stopped ringing," he says. "Early Thursday morning, I already had offers for endorsements."

TO BUY FARM Any extra money, including a \$5,000 contract boost by A's owner Charles Finley, will go toward purchase of a farm, perhaps a 300-acre spread his 34-year-old brother, Marvin, runs 60 miles south of Norfolk, Va.

Hunter, full of cheek with sandy hair and carrying 195 pounds on a 6-foot frame, made all-state as a football end and linebacker and ran the 440 in high school.

He is the youngest of four boys, of Mr. and Mrs. Abbott Hunter. He signed a \$60,000 bonus in 1964 but missed the season after one of his brothers accidentally shot Catfish in the right foot, lodging shotgun pellets in the foot and costing him his right toe.

"My brother fainted, but I was all right," he recalled. "Pitching a perfect game is great, but I'd rather win 20 games." He was 8-8 with the A's in 1965, 9-11 in 1966 and 13-17 last year.

"I'm just a farm boy," he says. "I've farmed all my life. But I'll pitch as long as I can." He took some agricultural courses in high school and says he loves to farm, hunt and fish.

"There's a small pond on the farm—too deep for the cattle (120 head)—so I plan to stock it with fish—bass."

Then how did he get the nickname of Catfish? "When I was 6 years old, I ran away from home and they found me near a canal. I had caught two catfish."

Two Cagers Chosen SEATTLE (AP) — The Seattle SuperSonics picked Mike Warren of UCLA and Bud Ogden of Santa Clara in the National Basketball Association's supplemental draft.

"And we're beginning to hit the ball a lot better. Add that to the kind of pitching we've been getting, and I think you'll see us having a real good season," he adds.

"I know this — our team morale is very good. All of us want to do the job — and we think we can," Menke says.

Although he has logged playing time at first base, second base, third base, shortstop and left field, Denis says he feels more comfortable at short or third — "But after you've been in the game for a while, it's not all that tough to make an adjustment."

With his consistent pitching and the "star" plays (or in Astrodeum scoreboard language, his "Ole" plays) he has been making, Menke may have made his only 1968 adjustment — from somebody who might never play to a regular the rest of the way.

N. S. Hurd Will Play For Aggies ODESSA — N. S. Hurd of Odessa College, leading basketball scorer in the Western JC Conference the past season, has signed to attend New Mexico State at Las Cruces, N.M.

YOUR MONEY

By CHARLES E. BEIL

The first "modern" prototype of the savings and loan association as we know it was born in Birmingham, England, in 1781. It was called a building society. It was a voluntary association of a small number of people who got together

to pool their savings, with the idea of enabling each member in turn to borrow from this "pool" to build a house.

Why weren't there any savings and loan societies before this? Mainly because so many people lived an agricultural life. They often built their own dwellings, alone or with the help of neighbors. And they never had much in the way of cash savings.

The industrial revolution changed all that. It brought people flocking to the cities, where a new worker class grew up. That's when the need for a financial institution where a man could put aside small amounts of savings became acute. Linking this savings idea to the need for help in financing a home, the cooperative savings and loan association was born.

Today more than ever our savings and loan association can play an important role in your life — enabling your savings to build rapidly, earning high dividends, and providing the financing needed when you buy or build a home. Why not start your account with us now!

Stottlemyre Is Sox's Nemesis

NEW YORK (AP)—Mel Stottlemyre scattered seven hits and Roy White smacked a seventh-inning homer, giving the New York Yankees a 1-0 victory over the skidding Boston Red Sox Saturday.

The loss was the third straight for the defending American League champions and the sixth in their last eight games.

White led off the Yankees' sev-

enth with a liner into the right field bullpen, the third of five New York hits off right-hander Jose Santiago. The New York center fielder's second homer of the season snapped Santiago's string of 12 straight regular season victories, including four this year.

Stottlemyre struck out 10 and did not allow a Boston runner past second base in gaining his

fourth victory against three losses.

More Leisure Time Boosts Sports Sales

MELBOURNE (AP)—Australians now spend twice as much per head on sporting equipment as they did 15 years ago.

The April issue of the Australian and New Zealand Bank Limited Survey says this in a review of the Australian sporting industry.

The report claims that Australians have a national preoccupation with sports because Australia "has attained an international reputation of proportion to its population."

The industry is patronized mainly by the youthful sector of the population which is the fastest-growing, and, to a lesser extent, by people more than 60 who have increasing leisure time.

ROSAS PITCHES FOR RED BIRDS

The Big Spring Cardinals, who lost to the Maurice Shop of San Angelo here last Sunday, 6-3, go to San Angelo to meet the same team in a 2:30 p.m. baseball game today.

Orlando Rosas will likely mount the pitching knob for the Red Birds while his slants will be caught by Joe Martinez.

Other starters for Big Spring likely will be Abel Ramirez, right field; Jesse Zapata, center field; Felix Martinez, second base; Pano Rodriguez, left field; Tony Martinez, third base; Manuel Olague, shortstop.

Others available for duty with the Cards include Diego Olague, Benny Marquez, Mingo Rubio, Benny Gomez, Juan Rodriguez, Ronnie Steen and Johnny Ramirez.

TEX BARRON BACK AT RUIDOSO DOWNS

RUIDOSO DOWNS, N.M.—Tex Barron, general manager of Ruidoso Downs during the successful 1967 season, is returning to handle the reins in 1968. This year will mark his third term as general manager, as he held this position during the 1963 season also.

Tex spent five years as general manager of the State Fair in Albuquerque. During this period the State Fair plant was greatly improved and the handle doubled.

Barron, with over twenty years' experience, has been former Radio and Television Director of the American Farm Bureau Federation; assistant director of information for the same organization; director of information for the Utah Farm Bureau Federation, and also has been active in professional consultation work with State Fair and carnival management throughout the United States.

MAMMOTH JUMP

The quality of Australian-made sporting goods has lifted exports from \$27,760 in 1958-59 to almost nine times this figure in 1965-66.

The bank survey goes on: "The greatest demand for overseas is for lawn bowls. One Australian bowls company makes more (composition) bowls than all the other companies in the world put together."

Played by more than 350,000 people, lawn bowls ranks as the biggest participant Australian sport. Australia's bowlers have spent \$33.6 million on equipment and clothing, almost entirely Australian-made.

But the sport that has grown most in Australia has been golf. This is shown in both the number of players and production of equipment.

"Costs of sports goods in this country," says the bank survey, "are high and they sell mainly on the strength of superior quality. Golf clubs are well up the list and are expensive by world standards."

But increased interest in golf in the Asian countries has given a boost to exports of Australia's quality clubs and leather bags, particularly those of kangaroo hide.

Southeast Asian countries now buy 40 times as much golf gear from Australia as they did six years ago.

Freeham And Horton Lead Detroit Surge

WASHINGTON (AP)—Bill Freeham and Willie Horton each slammed home runs and drove in three runs apiece as the Detroit Tigers pounded the Washington Senators 12-2 Saturday.

Freeham smashed a three-run homer getting the Tigers started in the third and Horton and Don Wert had consecutive shots, climaxing the romp in the ninth. Freeham also had a single and

double in addition to his sixth homer. The single touched off a two-run Detroit spurt in the seventh.

Horton drove in a run with a sacrifice fly in the fifth and another with a seventh-inning single.

Joe Sparna broke a personal three-game losing streak on a four-hitter and was in command after an early wild streak. He

walked leadoff batter Del Unser who scored on an infield out and two wild pitches.

The Tigers struck for four runs after two were out in the third. Mickey Stanley walked and Jim Northrup doubled him home, but strained a leg muscle running to second base. Al Kline walked and Freeham followed with his homer into the Senators' bullpen.

Santo Homer Defeats Mets

CHICAGO (AP)—The Chicago Cubs parlayed Ron Santo's two-run homer with Bill Hands' four-hit pitching for a 3-1 victory over the New York Mets Saturday.

Santo smacked his sixth homer in the first inning after losing Tom Seaver hit Billy Williams on the left ankle with a pitch. The Cubs got to Seaver, who went into the game with a 1.58 earned run average bridging 52 innings, for a third run in the second.

Lou Johnson was hit on the right wrist by Seaver, and took second on a wild pitch. Randy Hundley, who went into the game with a .205 batting average, scored Johnson with a single to right.

LOOKING 'EM OVER

Work Nears On Building

By TOMMY HART

Work should start sometime this summer on the 60x40 clubhouse at the Municipal golf course here, a metal building which will include a snack bar, large lounge area, pro shop, repair shop plus ladies' and men's dressing rooms big enough to include lockers and showers.

The structure, which will be located on the rise south of the present pro shop, will have a concrete floor but will be carpeted. Plans also are to asphalt the area for parking immediately around the building.

The cost may approach \$20,000. The money will come from increased green fees at the course, estimated at \$4,500 a year now. Time was when the course didn't even have an irrigation system but, once the clubhouse is completed, it will rank with the finest in West Texas. Its scenic location makes it unique in this part of the world.

Ron Blomberg, the rookie signed out of Atlanta by the New York Yankees, is referred to in the Yankee chain as the Jewish Mickey Mantle. Now with Kinston in the Carolina league, Blomberg has been switched to Mickey's old position, center field, from first base. He's quite a sticker. John Kerr switched from the Chicago Bulls to the New Phoenix entry in the NBA because, he says, "there, I'll be the only coach." In other words, Kerr was getting a lot of static out of the Chicago club owner, Dick Klein. Truman Nix, here for the Forsan athletic banquet the other night, says his Colorado City Wolves could surprise a few people next season, despite the fact that they've been promoted into 3-AAA. Nix also says that the Texas High School Association, of which he is president, has about solved the problem of interference from college recruiters before the recruiting season actually begins. Chuck Fairbanks, the Oklahoma mentor, was the biggest holdout, according to Nix, but he's about to see the light. He didn't use it as an excuse for his defeat at the hands of Jimmy Ellis but California heavyweight Jerry Quarry was worried by problems at home prior to the bout. His wife miscarried and other complications aggravated her condition. He spent as much time as he could at her bedside.

Odessa College's George Carty (the New Jersey boy who wanted to enroll at Howard County) has the state's best wind-aided time in the high hurdles among Texas collegians, 13.8, and it was achieved here in an April 6 meet. Odessa's N. S. Hurd, better known as a basketball whiz, also scored the best wind-aided triple-jump, 44-11 $\frac{1}{4}$, in the same meet. The Western JC Conference golf championship henceforth will be determined in four-man matches rather than two. Only Clarendon and Lubbock Christian will not field golf teams among WC schools next season.

Gene Bearden, the one-time Cleveland World Series hero, is now a police officer in Sacramento, Calif. Ed Bailey, former Cincinnati-San Francisco catcher, works for Cong. John Duncan in his native Tennessee. If you followed professional baseball here in the '40's, you, no doubt, remember pitcher Warren Hacker, then an ace for Pampa. He's employed as a scout for the Oakland A's. Hillis Layne, former San Angelo ace, has the same kind of job with Washington. Ed Stevens, one-time Big Spring first baseman, has a similar arrangement with Minnesota while fiery Alex Monchak, the fellow who guided Odessa's Longhorn League club in its salad days, seeks out talent for the California Angels. The New York Yankees have been on a starvation diet in recent years but they've still won more than twice as many World Series as any other team—20 compared to eight for the St. Louis Cardinals, who are second in that department. Bill Merritt, one of the winners in the Big Spring Open several years ago, recently captured the West of the Pecos Golf tournament in Pecos, defeating Ray Golden in a sudden-death playoff. Golf luminary Lee Trevino says his wife gives him \$400 for weekly expenses and he can't spend it all. Trevino and Don January are the most successful Texans now on the links tour. Lee still washes out his own shirts every night. Big Spring has at least three players worthy of support in voting for the All-District 2-AAAA baseball team: Outfielder R. J. Englert, catcher Gary Don Newsom and shortstop Bill Burchett.

FIGHT RESULTS

FRIDAY NIGHT
NEW YORK: Victor Martinez, 137, Puerto Rico, outpointed Vilvas Jimenez, 128, Puerto Rico, 10.
MADRID: Pedro Carrasco, Spain, knocked out Kid Tono, Canary Islands, 8. Carrasco retained European light weight title.
EMILIA, Italy: Paul Armstrong, 144, Los Angeles, outpointed Angel Garcia, 145, Cuba, 10.
ROME: Mike Barone, 145, Italy, outpointed Joe Africa, 142, South Africa, 8.

Other players who will probably suit out for Big Spring include Jack Blizzard, Johnny Renteria and Pat Martinez Jr.

The Colts, who year in and year out usually have one of the strongest teams in West Texas sandlot baseball, have probably firmed their lineup for this one in hopes of evening the series.

Colts Surge Past Hawks

The Colts rallied for two runs in the fifth inning to edge the Hawks, 5-3, in an American Little League makeup game here Saturday.

Billy Whittington, Jerry Watson and Wayne Dickens divided time on the mound for the Colts, with Watson—who labored two innings—getting credit for the win. Together, the three of them yielded only four hits.

In the second, Dickens hit a one-baser and stole second, third and home for the Colts' first run.

Cookie Jacob Is 2nd In Discus

Beverly (Cookie) Jacob, 17-year-old daughter of Mr. and Mrs. Walter Jacob, Garden City, won second place in the discus throw of the State High School Girls' Track and Field meet at Abilene Saturday.

Cookie hurled the saucer 104-2 $\frac{1}{2}$. She was also third in the shot put with a heave of 35-5 $\frac{1}{2}$.

Also slated for discussion are demands of NFL players for increased minimum salaries, higher pension contributions and more pay for exhibition games.

Proposed rule changes include Atlanta Coach Norb Hecker's suggestion for a system of graduated points for field goals.

There is a possibility the system may be tried during exhibition games.

Mark Duncan, chief of NFL officials, has proposed that place kicking for extra points be abolished in favor of a run or a pass.

Bradley Soph Is Tennis Winner

CINCINNATI (AP)—Bill Lofgren, a Bradley sophomore, won the Division I championship Saturday in the Missouri Valley Conference tennis tournament by beating Pete Lehbar of Tulsa, 6-4, 6-1.

Jim Webber of Tulsa took the Division II title with a 6-2, 6-1 victory over Don Wilson of North Texas State.

Steady rain caused all matches to be moved to the Cincinnati indoor tennis club.

Matches went on Saturday night with the first two individual championships decided, Tulsa led for the team title with 10 points. Bradley had nine and defending champion North Texas State, seven.

The conference track meet went ahead in the steady rain.

Medalist Jim Clayton and runner-up Jerry Greiner paced North Texas State to the golf championship Friday by 20 strokes.

A Good Finish, Good Beginning

NEW YORK (AP)—Frank Fernandez, a 24-year-old rookie catcher with the New York Yankees, began the 1968 baseball season the same way he ended the last one—with a home run.

Fernandez, who this season is supposed to catch only when the opposition pitches a left hander, got his opening day homer against southpaw George Brunet of the California Angels. It was enough for Mel Stottlemyre's 1-0 four-hit shutout.

Stottlemyre would like Fernandez to catch all his games. When Fernandez hit his only 1967 homer in nine games for the Yankees, Stottlemyre also was the winning pitcher. That four-bagger came off night hander Catfish Hunter of the Kansas City Athletics.

Texas Earns 43rd SW Diamond Title

AUSTIN (AP)—The University of Texas Longhorns won their 43rd Southwest Conference baseball title Saturday without even putting up. It was the third time Texas took the title off the field of play.

A doubleheader Saturday with Texas A&M was canceled because of wet grounds, giving the Longhorns a percentage victory over TCU.

Texas' conference record is 12-4, or 750, while TCU has a record of 13-5, or 722.

Friday's game with the Aggies also was called because of wet ground. It was rescheduled Saturday as a doubleheader.

The Texas infield was under water. A&M coach Tom Chandler inspected Clark Field with Texas coach Cliff Gustafson Friday.

In the conference's first four-way tie between Texas, A&M, TCU and Baylor in 1966, the Longhorns won a coin flip to go on as the league's representative in the NCAA playoffs.

In 1961, Texas and Baylor met in Waco for a doubleheader that Baylor needed to sweep to gain the title. Baylor won the first game, 2-0.

In the second game, a seven-inning contest, the score was tied 9-9 in the 8th inning when the game had to be called on account of darkness.

Baylor tried to get the game moved to a lighted field, but Texas refused.

Baylor's final examinations began the next day, and conference rules said no games could be played after finals started.

The conference rulebook this year says no games in the second half of the season may be rescheduled. It is a rule the Texas coach tried in vain to get changed at last week's meeting.

Walker Will Play In Tilt

FLORER GROVE — Jimmy Walker, an all-around athlete for Flower Grove High School, has been named by the coaches to take part in the Six-Eight Man Coaching School's all-star basketball game, scheduled for Levelland in early August.

The announcement was made Saturday by coach Fly, head coach at Flower Grove.

Walker averaged 17.04 points and picked off an average of 8.2 rebounds a game for the Dragons and past season.

He hit 40.15 per cent of his shots from the field and 50.43 per cent from the free throw line over the year.

Jimmy is the son of Mr. and Mrs. Willie B. Walker of Star Rt., Stanton.

He was also quarterback on the Flower Grove football team and competed in track.

JUST ALL OF A SUDDEN THIS MORNING, NO. 2 WELL STARTED PUMPING SALT WATER.

MR. SPUDDER? I HEAR ONE OF YOUR WELLS IS PUMPING SALT WATER.

HELLO?

NEVER MIND! LISTEN CLOSELY, AND WRITE THIS DOWN... LA BANQUE DU MONDE, ZURICH, SWITZERLAND... ACCOUNT NUMBER H.579... GOT IT, SPUDDER?

WHO IS THIS SPEAKING?

DEPOSIT ONE QUARTER MILLION TO THAT ACCOUNT WITHIN TEN DAYS OR ANOTHER OF YOUR WELLS WILL START PUMPING SALT WATER.

CHICK

GASOLINE ALLEY

Do you know where we get the bus for the Naval Training Center?

Over here! My name's Adams! What's yours?

Chipper Wicket, and this is Stubbs Stebbins! Where you from?

Quentin!

Quentin! Isn't that where your girl, Sara, lives? Maybe he knows her!

I doubt it! Quentin is a pretty big place!

NANCY

SLUGGO HAS A JOB AT THIS PET SHOP

WHAT'S WRONG?

THE BOSS IS TAKING INVENTORY

---AND HE TOLD ME TO COUNT HIS GOLDFISH

L'I' ABNER

I LEFT COLLEGE TO FIND OUT WHY MY ALLOWANCE CHECK WAS LATE--

---AND NOW I KNOW! YOU'RE PLAYING IN THE STREET!!

"PLAYING" MY FOOT!!

THIS IS FOR REAL!! I'VE BEEN REPLACED--SO THERE WON'T BE ANY MORE CHECKS--

UNLESS I GET MY JOB BACK FROM HIM!!

---SO IT'S A "HIM"?? WELL--THAT'S MY LINE--

BLONDIE

CAN YOU TELL ME WHAT IS WRONG WITH MY GERANIUM, PLEASE?

I'M SORRY, LADY-- THAT'S A LEAF PROBLEM AND I'M A STEM MAN

YOU'LL HAVE TO TAKE IT TO THAT MAN OVER THERE

EVERYBODY'S A SPECIALIST THESE DAYS!

RICK O'SHAY

WELL, MR. HEMLOCK, YOU'RE THE GOVERNOR'S WIFE-- WHAT DO YOU WANT US TO DO?

WE HAVE NO ALTERNATIVE, MARSHAL-- WE MUST PAY THE RANSOM.

I COULD OBTAIN THE MONEY FROM CAPITAL CITY... BUT WITH THE TELEGRAPH LINE DOWN...

YEAH, WELL, LET'S GO OVER TO THE BANK...

SOME FOLKS HEREABOUTS CLAIM OUR BANKER STILL HAS THE FIRST DOLLAR HE EVER MADE

LET'S FIND OUT IF HE'S STILL GOT THE FIRST \$100,000!

SNUFFY SMITH

ELVINE'S HOLLERIN' FER ME TO COME OUT TO TH' FENCE, PAW-- WILL VE LOOK AFTER TATER AN HOUR OR SO?

SHORE-- I'LL TAKE HIM FER A LITTLE--

I'M ALL EARS, ELVINE-- WHAT'S TH' LATEST GOSSIP?

I AIN'T GOT NONE AT ALL-- I WUZ HOPIN YOU HAD SOME

KERRY DRAKE

WHY DIDN'T EDDIE BRING A DOCTOR, MR. DRAKE? WHY IS MADAM ADAM SNEAKING UP WITH A GUN IN HER HAND?

I COULD MAKE AN EDUCATED GUESS, KEN! BUT I WON'T TAKE THE TIME!

STALL HER... WHILE I SIP OUT THE BACK DOOR!

BUT, AT THE BACK DOOR.

BEETLE BAILEY

OH-OH, MY WATCH HAS STOPPED WHAT TIME DO YOU SAY, GARGE?

GROWL

EXACTLY TWELVE NOON, SIR

PEANUTS

ARE YOU THE CATCHER?

OF COURSE, I'M THE CATCHER! WHAT ARE YOU DOING? WHAT ARE...

WAP!

NICE CATCH, "DEAR HEART!"

DICK TRACY

THIS SPECIAL IS GOING OUT TO ALL EARTH NETWORKS.

LADIES AND GENTLEMEN, YOU ARE ABOUT TO MEET MY NEW MOON GOLD PRODUCTION MANAGER.

THE BAIT IS TAKEN!

TELL INTRO TO TURN ON HIS TV QUICK! HIS BOY FALLAR HAS DONE IT!

IT'S HARD TO BELIEVE, SAYS SAM CATCHEM, THAT THE REAL PURDY FALLAR LIES IN DR. KLIPPOFF'S DEFROSTING CHAMBER.

MARY WORTH

I... HOPE YOU... LIKE IT OUT WEST, DAN... AND... GOOD LUCK ON YOUR NEW JOB!

THANKS!-- GOOD LUCK ON YOUR NEW JOB, TOO!

GOOD-BYE, JINKS...

REX MORGAN

WHO IS THE NUMBER ONE PRESIDENTIAL CANDIDATE AT THE MOMENT, BETSY? THE ONLY THING THAT WILL KEEP HIM FROM WINNING THE NOMINATION IS A POLITICAL BOMBER!

A CANDIDATE MUST BE MANEUVRED AND CONTROLLED-- PROTECTED, SO TO SPEAK / EVERY STATEMENT HE MAKES TO THE PRESS MUST BE PLANNED NOT OFF THE CLIFF

IN OTHER WORDS YOU DON'T FEEL THAT YOU CAN CONTROL WHAT WESLEY SAYS?

IT'S ONLY BEEN IN THE LAST COUPLE OF DAYS THAT I FEEL THAT WAY!

I CAN ONLY PRAY FOR ONE THING-- THAT HE DOES FULLY THAT POLITICAL BOMBER / I LOVE HIM, RICK-- BUT HE'S NOT WELL / HE SHOULDN'T BE A CANDIDATE FOR THE PRESIDENCY!

TERRY

"SURPRISE!!" STOP KEENING, PAULINE. I'VE DOUBLE-CHECKED POLKOR'S DEEPER'S RECORD BACK TO THE DAY SHE WAS BORN! SHE'S CLEAN!

THE VOTERS KNOW IT, TOO! ONE OF THE REASONS I CAN'T GET MY CAMPAIGN OFF THE GROUND...

NOTERS IN YOUR DISTRICT ARE MOSTLY MIDDLE CLASS, UPRIGHT TYPES, IN FAVOR OF PUBLIC AND PRIVATE VIRTUE, RIGHT?

WHAT WOULD THEY THINK IF THEIR CURRENT CONGRESSWOMAN'S NAME TURNED UP IN A MESSY SCANDAL JUST BEFORE THE POLLS OPENED?

SMITTY

LOOK, ENNY, THE BOSS GAVE ME FIFTY BUCKS FOR THE GOOD JOB I DID TAKING CARE OF HIS MONEY!

HONEY, DO YOU REMEMBER HOW YOU WORRIED ABOUT THE SAFETY OF THE MONEY-- YOU WERE A WRECK

I KNOW YOU WOULDN'T WANT TO HAVE THAT FULL EXPERIENCE AGAIN-- EVEN FIFTY DOLLARS CAN MAKE ONE WORRY...

MOON MULLINS

WE'RE GOING TO HAVE A NICE DINNER TONIGHT, DEAR.

CONFOUND IT! WE HAD A NICE DINNER LAST NIGHT!

WE CAN'T AFFORD TO GO OUT NIGHT AFTER NIGHT!

Stanton Junior-Senior Banquet Held In Midland

By CINDY DAVIS
STANTON — The annual junior-senior banquet of Stanton High School, held at the Holiday Inn in Midland Saturday, May 4, opened with a "Southern Plantation" theme. The banquet began with Gene Hodges giving the invocation. Following the Southern-style meal, "Southern hospitality" was extended to the seniors, school board members, and the faculty, by Pug Deavenport, a junior class officer. The top 10 graduating seniors were also recognized. Terry Franklin, senior class president, responded for the seniors for the welcome to "The Old Kentucky Home."

Randall Kirk, 1968-69 Lee High School student body president from Midland, furnished the entertainment. He did some impersonations of various famous people. The banquet was brought to a close as David Adkins gave the benediction.

FHA OFFICERS
The Stanton chapter of the Future Farmers of America (FFA) presented a luncheon at the Holiday Inn in Midland Saturday, May 4, for its members and guests.

NJHS To Hold Banquet

By BUSI WHITTEN
The Goliad chapter of the National Junior Honor Society will hold its annual spring banquet Thursday at the Cosden Country Club, Dr. W. A. Hunt will be guest speaker and added entertainment will be provided by Nancy Polk, Skipper Huskey and Ray Kennedy in musical selections.

New members welcomed to Goliad last week are George Rhodes from Bakersfield, Calif.; William Jackson from Mexico City, Mexico; Carol Ann and Nancy Gagnon from Kutasaki, Okinawa.

A program on alcohol, narcotics and smoking was presented Tuesday to seventh and eighth grade students by Mr. William Seebeman who is associated with the National Narcotics Association. Final exams will be given to all students May 28-30. School will be dismissed Thursday, May 30, following classes. The Goliad Band presented a musical program at an American Business Club luncheon Friday. The presentation was sponsored by the Music Study Club. The annual band picnic was held Saturday at the City Park. Monday seventh grade Texas history classes heard a talk presented by Gary Witte. The talk covered the invention and history of barbed wire, and many samples of barbed wire were displayed. Friday, 21 students from Goliad, along with many high school freshmen, journeyed to Crane to a tennis tournament. These students have been working after school at the high school courts under the direction of Coach Pulatti, aided by Mr. Foster from Goliad.

Three Members Inducted Into Forsan Honor Society

By DIANA RODMAN
FORSAN — The National Honor Society of Forsan High School held its first annual induction ceremony Monday in an all school assembly. Students inducted into the honor society were Shirley Cobb, Bobby Rodman, and Randy Rister. Special guest speaker was Dr. W. A. Hunt, president of Howard County Junior College. He spoke to the group offering a challenge of students and asking them to try to become a member of the honor society. The Rev. Mac Robinson, pastor at the Forsan Baptist Church gave the invocation. Members of the honor society presented talks on the four qualities of the society. Diana Rodman discussed character, Clayton McKinnon discussed scholarship, Karen Moore presented a talk on leadership and Marilyn Medlin discussed service. Deryl Ann Dunagan, president of the society, spoke about qualities in making a well-rounded person. Mrs. Jerry Wrucha, sponsor, announced the new members.

Afterwards a reception was held in the homemaker department's dining room. Fried pies, coffee, and punch were served to new members and their parents, members, and guests.

ACKERLY — The senior class of Sands High School will leave this afternoon at 2 p.m. on the annual senior trip. The destination of the class this year will be Houston. However, the class will journey to San Antonio to visit HemisFair, Monday. They will stay in the Siesta Motel in San Antonio, Sunday and Monday nights and will travel on to Houston Tuesday. Wednesday the group will tour the Astro dome and Astroworld. While in Houston the seniors will stay in the Shamrock Hilton.

Thursday the seniors will go to Galveston and spend the night at the Flagship Inn and will return home Friday. The class numbers 24, all of whom plan to make the trip. Mr. and Mrs. Ronnie Gandy and Mr. and Mrs. Arlen White will accompany the group. This trip was made possible by the funds raised by the work of the class.

SENIOR PARTIES
The senior class was honored at a hamburger fry at noon, Monday. The women of the Baptist Church in Ackery provided homemade ice cream for the group. The class then presented Mrs. Ronnie Gandy with a gift of appreciation for the time and work she has given to the class as a sponsor. Donald Davis, a member of the senior class, hosted a hayride Friday evening followed by a Weiner roast. Another party will be given honoring the senior class, Saturday, May 18, by the Church of Christ in Ackery. It will be an ice cream supper. Seniors, their parents and members of the faculty are invited.

The Knott Baptist Church will provide a huge box of snacks for the seniors to take on the trip to Houston. The senior class wishes to thank everyone for the parties and contributions. **FRESHMAN PARTY**
The freshman class end-of-school party was held Friday night May 3. Students, accompanied by Mr. Arden White, sponsored, roasted weiners around a campfire. The Beta Club party was held Thursday night in the home of Mr. and Mrs. Joe Mac Gaskins. Refreshments were served and students participated in Yatze, Spoons, and other games. The club recently purchased United States and Texas flags which are mounted on a stand and will be placed in the auditorium to create a stronger feeling of patriotism among all students. The seniors began practicing for the graduation exercises last week. The junior girls also have begun preparing the song which they will sing at the ceremony May 21.

Runnels Band Participates In Joint Spring Concert

By ZONELL MIEARS
The Runnels Junior High School band presented a joint concert with the Goliad Junior High School and Big Spring High School bands Thursday night in the high school auditorium. The Runnels band received a standing ovation for their performance under the direction of Mr. Don Grady.

The advanced choirs of Runnels, Goliad and the a cappella choir of the high school will present a spring concert Tuesday night in the high school auditorium. An assembly for the presentation of athletic awards will be held Monday. Tuesday honor awards will be presented to the students deserving them. The student council banquet is scheduled for Thursday night at 7 in the Downtown Tea Room for the installation of next year's officers.

The council met Wednesday morning during homeroom period to discuss the seventh and eighth grade class parties to be held May 20 and 21 respectively. The seventh grade sponsors will be Mrs. Jo Hill, Mrs. Opal Tanner, Mrs. Roberta Wiley, Mr. George Slade, Mr. Johnny Dormier, and Mrs. Leoline Cantu. Eighth grade sponsors are Mr. Phil Wickline, Mr. C. L. Carlile, Mrs. Gladys Anderson, Mrs. Margie Talmadge, and Mrs. La Rue DeViney.

The girls' PE department presented their May festival Monday night in the boys' gym. Two hundred girls participated in the program. Mrs. Jane Upton sponsored the event. Larry Tindol, eighth grader, won honorable mention and a five dollar gift certificate for his 'op art' entry in the Big Spring Art Association Show last Saturday.

Susie Wisener Named Editor Of Newspaper

By ALICE DENNING
COAHOMA — Susie Wisener has been named editor for the Bark next year. Other members of the staff include Molly McKinnor, production editor; Patricia Sterling, society editor; Elaine Webb, copy editor; Tim Winn, boys' sports editor; Sandra Gross, girls' sports editor; and Rob Shives, feature editor.

General columns will be written by Jeanette Rowden, humor column; Brenda Eppler, dedications and Linda Foster, birthdays.

A sunrise breakfast will be held at 7 a.m. Tuesday morning honoring this year's Bark staff. The affair will be held at Rick's School Store, and all members are invited. Awards will be presented during the breakfast to the staff members for their outstanding service in putting out the paper.

SPRING CONCERT

The Spring concert was presented by the Bulldog Band Tuesday night. Several selections were played by the grade school, junior high and senior high divisions. The Border Brass also performed. The John Sousa Award for the outstanding senior member was awarded to Cary Banks. Cary's name will now be engraved on a plaque which will remain in the band hall.

The Band Boosters presented four scholarships at the concert to band members who will be attending summer band school. Each scholarship amounts to \$75. Mary Pipes, Marvin Wright, Alvis Ashley and Ramona Tijerina were awarded the scholarships. Susan Clark was named as alternate. The seven senior members of the band were also presented with pins and charms for their service this year.

The band has planned an end-of-school trip to Carlsbad, California, May 18. They will leave at 5 a.m. Saturday in order to tour the caverns during the afternoon and return home Saturday night.

SENIOR TRIP

The senior class will leave at 9 a.m. Friday en route to Six Flags where they will spend the day touring the amusement park. They will stop at Cisco for a day of swimming before going on to Fort Worth and will return to Coahoma early Saturday morning.

Tryouts for the 1968-69 cheerleaders will be held Friday. The candidates must do a yell routine before the student body, and then will be voted on by the student body. Election of student council president will be held that same day.

An assembly was held Friday honoring Mrs. Eula Bess Westmoreland and Mrs. Perry Moring who are retiring this year. Both teachers were presented with a bouquet of red roses and charms from the past classes that they had taught. Mrs. Westmoreland has been teaching in Coahoma schools since 1948 and Mrs. Moring has been teaching in Coahoma since 1957.

FHA MEETING

Cindy Ward and Debbie Meeks will lead the program during the FHA monthly meeting Monday night. The meeting will begin at 7:30 in the activity room and the program will be entitled "Jobs, Careers, and You." A short business meeting will be held following the program.

Both the present and future FHA officers are to meet at 6 p.m. Monday to practice for the installation of officers. The installation service will be held Tuesday during activity period before the student body. The schedule for the summer home-making program has been released. It will begin June 4 with the adult sewing class which will continue through June 5. Other activities include child development which will be held June 10-14 from 8:30 a.m. to 12 noon, and a lesson on degrees will be held from 1:30-4 p.m. The yearbook for next year's FHA activities will be planned during the week of June 24-28.

CLASS PARTIES

The sophomore class will go on the end of school party Thursday. The freshman class has planned a hayride out to Moss Creek where they will have a picnic and entertainment will be provided by a local band. Barr were presented with certificates of merit for their outstanding FFA work. Four honorees were presented the Star Chapter award and Donna Harver presented to Mr. Joe Ollinger. The Star Chapter was named the Star Chapter. O. D. Daniel Jr.

Awards Presented At HCJC Assembly

By BARBARA DAVIDSON
Doris Davis and Robert Lindsey, students of Howard County Junior College, received the American Legion Award Wednesday during the Awards Day Assembly held in the auditorium.

The assembly featured the stage band which gave a performance under the direction of John Stanley and was followed by a commendation given by Dr. W. A. Hunt, president of the college.

Other awards presented were Wall Street Journal Award to Wayne Grant, Civil Defense Award to Shirley Shroyer, Sportsmanship Award to Hiram Hubert, and Girl's Sports award to Kathy Howle.

The sports awards presented were best free thrower, Larry Lindner, most improved player, Terry Fields, and each member received a patch for helping to win the Western Conference. Kathy Howle received a patch for basketball queen.

Mrs. Susan King, English teacher and sponsor of the Writer's Club, presented awards to Dale Pless for the best short story, Danny Reagan for the best essay, Bob Carothers first and Jewell Lamkin second places in poetry.

Many other awards were given but were not presented in the assembly. Each department or organization cited one student as outstanding. Outstanding students in organizations were Cecilia Arcand, Hawk Foundation; David and Don Bradford Press Club; Vicki Brinson, Baptist Student Union; Vicki Cofer, Jayhawk staff; Alan Doelp, El Nido Staff and Radio TV Club; Joan James, Rocca Rocca Hamma; John Johansen, Chess Club; Joe Kelley, Delta Psi Omega; and Santos Lujan, HCJC stage band.

Others honored by organizations were Gary McNew, Rodeo Club; Larkin Martin Jr., Aggie Club; Linda Mason, Choral Club; Ester Medrano, Newman Club; Jesus Perez, Spanish Club; Dale Pless, Writer's Club; Gary Turner, freshmen class; Sharon Welch, Phi Theta Kappa; Robert Lindsey, sophomore class; John Gray, Sigma Delta Phi and Nancy Cozart, WRA.

Outstanding students honored by departments were Suzanne Anderson, sophomore and Anice Fueller, freshmen, business administration; John Gray and Nadine Beckmeyer, sophomore.

The Geology Club left on a trip to Colorado Thursday and will return Monday. Members traveled to this region of the country to study various geological aspects of the terrain. The stage band of Odessa College was hosted by the HCJC stage band in a concert given by this visiting college in the auditorium Friday during activity period.

The Spanish Club picnic will be held Sunday afternoon at Moss Creek. All members are eligible and this will be the last activity of the year.

That's His Job

ST. LOUIS (AP) — Though they both work for the same painting firm in St. Louis, Lloyd Harris paints all day and Thomas Calvin sits idly in a boat and watches. But Harris likes it that way. He slipped and fell off the new interstate highway bridge into the Mississippi River Tuesday and Calvin sped over and picked him up. That's his job.

The Volkswagen for people who refuse to drive Volkswagens.

If shifting drives you to distraction, you should know that Volkswagens now has an optional attraction: the automatic stick shift. Like most automatics, it has a Reverse, a Low, a Drive and no clutch. But unlike most automatics, it has a stick shift and an extra gear for saving gas.

Visit us and take one of these new stick shifts for a test drive.

We think you'll take it. Automatically.

A FELLOW LEARNS A LOT at school, especially not to take himself too seriously. Handsome Chris Mancill added a touch of humor to the self-portrait which he drew at school for his mother,

Mrs. Jerry Mancill, 608 Colgate. The other Mancill children, Dana, 12, Vanessa, 10, and Kirk Matthew, 7, have other surprises for their mother.

TO MOTHER—WITH LOVE

A mother's greatest gift is the child that is placed in her keeping and the hearts that remember her with love.

Photos By Frank Brandon

BASKETS OF BLOSSOMS tell Mrs. Roger C. Blume, 86 Ent, that her children, Summer, 6, Roger, 2, and Betsy, 3, think she is the best mother in the

world. The basket was made by Summer, but she let her brother and sister share in the gifting.

PICTURES ARE WORTH a thousand words when they tell a mother of a child's love and respect. Here, young Laurie Peacock gifts her mother, Mrs.

Jerry Peacock, with a brilliant floral picture which she drew and posted in her first grade class.

PURSES ARE FOR PUTTING things into, and Mrs. William Davey, 2608 Larry, receives a handy holder which her daughter, Jerri Lynne, made in her Brownie Scout crafts class. Mrs. Davey has

two other children, Billy Jim, 6, and Carol Merri, 21 months, who will help make their mother's special day complete.

AIR FORCE SAYS 'THANKS'

Foreign Flyers Find 'Mom' In Mrs. Ream

By JO BRIGHT

When you open the small, oblong guest book and scan the pages, the feeling is that you've walked in on a personal conversation. Reading the messages—so thoughtfully conceived and painstakingly written—mental images form, and the ear hears voices speaking.

"...hope I can return your hospitality..." appreciate your overwhelming hospitality..." want to have you in my home someday..." until tonight, I felt I was away from home..." I am grateful and honored..." I feel so sorry to leave..." come to visit us and you will find homes and hearts open to welcome you..." we will wait for you in Italy..." your hospitality is the greatest I have met wherever I have traveled in my young life..."

The words were written to Mr. and Mrs. R. J. Ream, 508 Highland, and the simple tributes mean more to Mrs. Ream than an impressive one she has just received—a Certificate of Service from the Department of Air Force and signed by Gen. J. P. McConnell, USAF, Chief of Staff. It reads:

"In recognition of many hours of faithful service in behalf of the United States Air Force Foreign Student Training Program..." The certificate was requested by Lt. Gen. Sam Maddux Jr., Commander, Air Training Command, and was presented to Mrs. Ream by Col. William C. McGlothlin Jr., base commander at Webb Air Force Base.

There are now two such certificates in the Ream home, for Richard Ream was presented an identical one during Webb's 25th anniversary observance last year.

Like many rewarding things, the beginning was simple. "I first became aware that we have foreign students training at Webb in January of 1966 when a few students were introduced at the annual Chamber of Commerce banquet," said Mrs. Ream. "After the dinner, I walked up to the officer in charge, introduced myself, and asked him if it would be possible to have some of these students in our home."

"What did you say?" was the answer she received from Capt. Jake I. Sorenson. Mrs. Ream repeated her question.

"Lady, you are the person I have been waiting to find!" was the happy reply from the captain.

"I remember so well the first time that we entertained the students," continued Mrs. Ream, as she spoke last week of her many rewarding experiences since that night. "It was just before Valentine's Day so my serving table was decorated in the valentine motif. I had different types of valentines, on one hand and told the story of how this tradition began. The students were most interested in this American custom."

"Our association with the base and officers who work with the Spanish, yet they had a grand time since you can understand and we learn to love these people just as though they were part of our own family. Capt. Sorenson is now a major and is stationed at Da Nang in Vietnam. We are hoping that he will be back in the United States by the end of this month, and we keep in close contact with his family."

Another of the foreign training officers that the Reams have worked with is in Japan and one is in Thailand. Mrs. Ream says they have spent many enjoyable hours planning with the presents-officers. Maj.

MRS. R. J. REAM

Jerry Grimes and Lt. Charles Hundley.

"I can't single out students because they are all my favorites," mused Mrs. Ream.

SPECIAL ONES

"However, two Jordanian students who received their wings here in December of 1966 became the town's favorites. These were Lt. Ahmad El-Mustafa and Lt. Samir Samkari, affectionately known around town as 'Jerry and Sammy.' These two taught me to make Jordanian tea, and from them, I learned much about the Moslem religion. They spent many hours in our home. We were heartbroken when Lt. Samkari was killed in a plane crash April 24, 1967, at Williams Air Force Base where he was receiving additional training."

Mrs. Ream remembers the time when some of the students asked if they might have a dinner party at her home. They invited some of their instructors and made a meal for them, so Mrs. Ream has some unique recipes given to her that night.

Another fond memory is of the time a Norwegian student's fiancée came to the United States for a visit and stayed in the Ream home for ten days. (These young people will be married next month back home in Norway.)

Once Mrs. Ream "baby sat" for three adorable children from Peru. They spoke no English and Mrs. Ream does not speak Spanish, yet they had a grand time since you can understand and we learn to love these people just as though they were part of our own family. Capt. Sorenson is now a major and is stationed at Da Nang in Vietnam. We are hoping that he will be back in the United States by the end of this month, and we keep in close contact with his family."

Another of the foreign training officers that the Reams have worked with is in Japan and one is in Thailand. Mrs. Ream says they have spent many enjoyable hours planning with the presents-officers. Maj.

The Reams always welcome the students, keep up with their progress, cry with them over difficulties, rejoice over victories, comfort them when they are homesick, attend their graduations, tell them goodbye—and then write to many of them after they are back home.

A real highlight came recently for Mrs. Ream when Lt. Helge Sandness from Norway received his wings and asked her to pin

Altrusans Will Make Ditty Bags

Ditty bags for servicemen in Vietnam was the main topic of discussion at Thursday's Altrusa Club luncheon at Coker's Restaurant. Mrs. Homer Petty presided.

Mrs. Morce Sawtelle, secretary of the Howard-Glasscock Counties Chapter of the American Red Cross, told the women of a need to have ditty bags filled for shipment at Christmas. The club agreed to fill 10 of the bags which will be furnished by the Red Cross.

Mrs. Willard Hendricks reported on the seminar held last weekend at Holiday Inn.

The next meeting will be May 23 for a program by the international committee.

BSP City Council Installs Officers

STANTON (SC) — New officers were installed at the Tuesday meeting of the Beta Sigma Phi City Council at the Martin County Library. The slate includes Mrs. John McIntyre, president; Mrs. John Roueche, vice president; Mrs. Eddie James, secretary; and Mrs. Terrell Pinkston, treasurer.

A fall book review was slated by Xi Theta Mu Chapter, a fall banquet will be held by the Xi Epsilon Delta Chapter, a spring book review will be sponsored by Mu Lambda Chapter, a Founder's Day banquet will be hosted by the Rho Xi Chapter, and a Mother's Day luncheon will be held by the Preceptor Mu Chapter.

Mrs. Jerry Allen Presents Program

Mrs. Jerry Allen brought the program and showed films at the Tuesday meeting of the Woman's Society of Christian Service at Wesley Methodist Church.

Mrs. Ben Boadle presided, and the Browder Circle served as hostesses. Mrs. W. D. Lovelace warded the opening prayer. The next meeting will be June 4 at the church and a salad lunch will be served. New officers will be installed at the meeting.

Seventeen attended.

Children Visit G. B. McNallens

Children of Mr. and Mrs. G. B. McNallen, 1700 Purdue, are here this weekend to observe Mother's Day. They are James B. McNallen of New York City, N. Y.; Mr. and Mrs. Bobby McNallen, Lubbock; Mrs. and Mrs. David McNallen, Odessa; Mr. and Mrs. Hilton Hagan and children, Austin; and Mr. and Mrs. Tommy McNallen of Big Spring.

Modern Forum Ends Club Year

The Modern Woman's Forum met Friday for lunch and the final meeting of the season in the home of Mrs. Tommy Gage, Allendale Road. Mrs. W. A. Laswell and Mrs. C. W. Parmenter were cohostesses.

The table was laid with green place mats and set with white china appointments accented with individual flower arrangements.

Mrs. Hugh Duncan presided and reported on a meeting of Church Women United at the First Methodist Church, May 7, for a discussion on the Planned Parenthood Association. Contributions of \$1 each from members and \$5 from the club treasury were made for the hospital Christmas fund.

Fourteen members and one guest, Mrs. Maik Wentz, attended. The next meeting will be a breakfast on Oct. 8.

Pianists Perform In Friday Recital

Piano students of Mrs. Louis Heinze were presented in recital Friday at 7:30 p. m. in the First Baptist Church fellowship hall. Those performing were Karen Jenkins, Sharon Jenkins, Michelle Coffee, Linette Coffee, Karen Coffee and Sarah Heinze. The pianists played their audition repertoire for family and friends, and refreshments were served.

Seniors Win Top Award In Show

WESTBROOK (SC)—The senior class of Westbrook High School won first place in the talent show held Friday night under the sponsorship of the junior class. Second division winners were the sixth graders.

Local Credit Bureau Receives State Award

Mrs. J. B. Apple, manager of the Credit Bureau of Greater Big Spring, has received word that the local bureau has been named winner of the J. E. R. Chilton Sr. Memorial Award. The citation is for outstanding achievement in consumer credit reporting and distinguished leadership in credit bureau activities in Texas.

The plaque will be presented to Mrs. Apple at the joint session of the Retail Merchants Association of Texas, the Associated Credit Bureaus of Texas, the Lone Star Council of Credit Women and the Consumer Credit Association of Texas at their annual meeting to be held in Dallas at the Adolphus Hotel on May 21. There will be more than 400 merchants, credit executives and credit bureau and collection service managers in attendance.

The event will be part of the 1968 Texas Credit Conference slated May 18 through 21 where the keynote speaker will be the Honorable Ben Barnes, Speaker of the Texas House of Representatives. Another main speaker will be Bob Barham, assistant vice president of the Mercantile National Bank, whose presentation will be "The Checkless, Cashless Society."

Mrs. Apple, who will accept the plaque for the bureau, has had a distinguished career in her chosen field. In 1967, she was president of The Lone Star Council of Credit Women which is affiliated with Credit Women International, and served in its various offices before accepting the presidency. She joined the local Credit Women's Club in 1947 and has been active in all its activities as well as serving in numerous offices.

During her year as president of the Lone Star Council, she visited clubs all over the state and attended international meetings in New Orleans, La., and Vancouver, B. C., Canada. A graduate of Oklahoma Central State College, she has been

MRS. J. B. APPLE

manager of the Credit Bureau of Greater Big Spring (formerly Retail Merchants Association and Credit Bureau) since 1950. She is also a graduate of the University of Texas Institute and has taken many post-graduate courses in various phases of credit work. She is a certified instructor for the Associated Oklahoma Central State College, as well as a past

president of the West Texas Region, Associated Credit Bureaus, and past chairman of the CSD Division. As a member of the Chamber of Commerce, she has served on the Retail Merchants Committee and the Webb AFB Public Relations Committee, and still finds time to participate in numerous church and club activities.

Wives Club Will Say Farewells

Mrs. Robert Taylor was named temporary president of International Wives Club at the Thursday meeting in the home of Mrs. Troy Thomas, 2719 Larry. Mrs. Joseph Nillo was co-hostess.

Mrs. Frank Hinecker will host a coffee in her home, 2708 Lynn, May 29, in honor of Mrs. Glen Burton, retiring president, who will live with her family in Germany while her husband is in Vietnam. Mrs. Ronald Sinott is also returning to Germany, and Mrs. Jerald Fredericks is returning to England.

The coffee will be the final meeting until September. Prizes were given to Mrs. Edwardo Argenaras and Mrs. Taylor. The refreshment table was a salad with a linen cloth and appointments of crystal and silver were used. Food from Scotland and Cuba was served.

Herb Bouquet

When making stew, you may want to tie the herb bouquet often called for in a small piece of cheesecloth. Such kitchen staples as celery leaves, parsley sprigs and bay leaves make a good bouquet.

Tells Plans

Mr. and Mrs. E. C. Sewell of 1965 N. Monticello are announcing the engagement and approaching marriage of their granddaughter, Linda Von Wright, to Harrell Ray Newton, son of Mr. and Mrs. E. M. Newton, Route Two. The couple will marry July 20 in the Prairie View Baptist Church, with the Rev. Roy Collins as officiant.

Retains Warmth

A large size earthen mixing bowl is the thing to use when mixing home-made breads. It is heavy and retains warmth.

Courtney HD Club Hears Food Talk

STANTON (SC)—Mrs. James Eiland, county home demonstration agent, gave the program, "Food Dollar Sense," at the Wednesday meeting of the Courtney Home Demonstration Club. Mrs. Leo Payne was hostess and presided. Seven members and one guest attended.

'ROUND TOWN

By LUCILLE PICKLE

Honored As Mother Of The Year

Mrs. Elizabeth Grossman Bodine, 70, a Polish-born mother of 18 from Velva, N.D., holds flowers in New York after being named 1968 Mother of the Year. Mrs. Bodine and her

husband, Frank, a retired farmer, also have 80 grandchildren and eight great-grandchildren.

There are many ways to remember Mama. Most of them are for the good, unselfish, loving things she did for us. There were six children in our family so she had many opportunities. We sort of took for granted that she would be home when we came in from school. She was the home type and did not participate much in social activities of the town except when she went with my father. If we didn't get an answer to our call when we hit the front door, the house seemed a dismal place.

I appreciate those things now better than when I was living through them and I know how much patience she possessed to put up with all she was called upon to bear. Maybe patience is not the right word. Fortitude, that's it.

There was a singular incident in my young life that never faded from my memory. It took place on the day that two friends and I slipped off to Birdwell's tank for several hours of swimming. There is no longer a Birdwell's tank as it now has become a pretty park, but then it was the only deep water for miles about and it was strictly forbidden for swimming. Even the older people didn't swim in the tank because it had treacherous holes that had caused more than one to drown in the muddy water.

But we were ten years of age, and we could swim. To make a long story short we came home much faster than we went. Our sisters sought us out and herded us home. That's when I learned my mother was far more active than I had ever dreamed. I knew when I saw her face that she wasn't going to tell me that the spanking she was about to give me was going to hurt her more than it did me. She didn't intend for it to. And crawling to the farthestmost corner under her bed didn't lighten my punishment either. Indeed, I believe it just gave her a better vantage point even if she was lying on her front-side popping me with papa's razor strap as often as she

could make the swing. No, I never was interested in swimming in Birdwell's tank again.

This is a Happy Mother's Day for MRS. H. H. SQUYRES who has her son and his wife, MR. and MRS. FERRELL SQUYRES here from Medford, Ore., as her guests for a week. The Squyres arrived last night in Midland and were met there by his sister, MRS. GARNER McADAMS, and Mr. McAdams.

This is a case of where the stork flew faster than the jet. MRS. C. H. DE VANEY was poised to leave here, come Tuesday, for Naha, Okinawa, to put up with her daughter, MRS. MYRON J. BABLER, when her second child was born. But at 2 p.m. Wednesday, Mrs. Babler got to the base hospital there and at 2:10 p.m. she had a 6 pound, 10 ounce boy whom she named Michael Todd.

Since she didn't beat the stork, Mrs. DeVaney is going to do the next best thing — catch up. She plans to leave Tuesday as scheduled for Okinawa. Mrs. Babler is the former Rosalie DeVaney and the wife of Capt. M. J. Babler of the USAF. They have one other child, Desiree, 2. This makes six grandchildren for the DeVaneys — the middle four all girls.

MR. and MRS. CALVIN DANIELS are taking in the HemisFair this weekend in San Antonio.

Former Residents Announce Birth

T. Sgt. and Mrs. Dor Gerber of Denison are announcing the birth of a son, Michael Scott, born May 1 at a Denison hospital. The infant weighed 5 pounds, 13 ounces. Mrs. Gerber was formerly employed in the advertising department of the Big Spring Herald. Her husband will leave for Thailand in August.

Betrothed

Dr. and Mrs. Berlie J. Fallon of Lubbock, formerly of Big Spring, announce the engagement of their daughter, Judy Annette, to David Barton Kern, of Amarillo. The bride-elect is the granddaughter of Mr. and Mrs. Claude Fallon, 1105 E. 5th St. The couple plans to marry Aug. 17 in the Second Baptist Church at Lubbock.

Mrs. Lora McDowell III has received a very special gift for Mother's Day. Tiny Laurel Lea arrived Thursday at Hall-Bennett Memorial Hospital to become the first girl born in the McDowell family for 87 years. The McDowells, who have a ranch home near Lomax, have two other children, Lora McDowell IV, 7, and Allen Blain, 4, who are anxious

to help spoil their baby sister. The maternal grandparents are Mr. and Mrs. W. L. Welch of Freer, and the paternal grandmother is Mrs. Lora McDowell Jr. of the Garden City Route, Big Spring. The last female born in the McDowell family is Miss Nell E. McDowell, 87, who resides in Cincinnati, Ohio.

Junior Forum Installs Slate

The Junior Woman's Forum held an installation dinner Thursday evening in the home of Mrs. Don Wiley, 2308 Lynn where Mrs. Joe Horton served as cohostess.

The theme of the dinner was "Ports of Call," and three dinner tables were appointed as Oriental, German and Mexican. Guests came in costumes and brought food representing the countries. They were seated at their chosen tables.

Mrs. Morris Rhodes was named outstanding club member and received a gift from the membership. She reported on the state convention which she attended last week.

Mrs. Wayne Henry, retiring president, installed the new slate by using the emblem of the General Federation of Women's Clubs and presenting each officer with a floral corsage in a color taken from the emblem.

To serve next season are Mrs. Jerry Barron, president; Mrs. Bob Dunson, vice president; Mrs. Paschal Odom, corresponding secretary; Mrs. Alton Marwitz, treasurer; and Mrs. L. K. Gladden, recording secretary.

Table games were played and the final meeting of the year slated Thursday in the home of Mrs. Barron, 3223 Cornell.

Nuptials

Mr. and Mrs. C. E. Harris, 2712 Carol, are announcing the engagement and approaching marriage of their daughter, Myra Sue, to Larry David Willich, 1119 a m. The prospective bridegroom is the son of Mr. and Mrs. Jewel Willingham, Gall Route. The couple plans to marry July 6 at Eleventh and Birdwell Church of Christ, with Perry B. Cotham as officiant.

Bride-Elect Honored At Thursday Shower

Miss Gloria Jean Smith, bride-elect of Sgt. Robert J. Holmes, was complimented with a gift shower Thursday evening in the home of Mrs. Robert L. Gilbert, 2007 Morrison.

Cohostesses were Mrs. Jack Jones, Miss Betty Morgan, Miss Camilla Ryan, Mrs. Jerry Hays and Mrs. Robert Blasingame.

The refreshment table was laid with an aqua satin cloth, with a white ruffled net overlay accented with wedding bells and satin bows. The centerpiece was a sterling silver candelabrum with aqua tapers and interlaced with green foliage and aqua flowers. A white milk glass punch bowl and silver coffee service were used with matching appointments to complete the table arrangement.

The guest registry was laid with an ecru lace cloth and centered with aqua flowers. A white bride's book and a white plumed pen were used to register guests.

The honoree was attired in an aqua knit dress and was presented a corsage of spring daisies, as was her mother, Mrs. James J. Smith. The prospective bridegroom's mother, Mrs. Robert L. Holmes of Richmond, Ind., was unable to attend, and the bride-elect's grandmother, Mrs. W. A. Henderson, assisted in receiving guests.

Approximately 60 were included on the guest list, and the hostess' gift was an electric mixer.

The couple plans to marry July 20 at the Webb Air Force Base Chapel.

BIG SPRING HERALD

BIG SPRING, TEXAS, SUNDAY, MAY 12, 1968

SECTION D

1968 Bride-Groom Section

1968 Bride and Groom – Robbie Smart and Michael Lee Schafer

Representative of the young couples who march down the aisle for the traditional June wedding are the vivacious Robbie and the personable Michael. Following their marriage on June 22, they'll face the same decisions as other young couples embarking upon a new life. And, like other couples, they must also shop before setting up homemaking and must plan ahead for future years together. Come with them as they tour your Big Spring establishments

and inspect the many items and services which a bride and groom need for their wedding and their first home; and for others they hope to incorporate into their plans for the future. Their shopping tour should be of interest and guidance to every prospective bride and groom, and to every couple still planning ahead.

(Photos by Frank Brandon)

This was the start of it all . . . Robbie and Mike found that **Zale's Jewelers** could offer them the very finest quality in their diamond selection. **Travis Starr**, manager of **Zale's**, presents the extremely large selection of diamonds which any prospective bride and groom would be happy to pick from. Robbie and Mike also found out that fine diamonds from **Zale's** always assure the buyer of extra size, utmost perfection in fine cutting quality, the shining brilliance of crystal-clear color, outstanding flawless clarity and the latest in high fashion designing. If this big event is coming up in your life, you'll find as did Robbie and Mike, a lifetime of beauty and quality at **Zale's**, Third and Main, Downtown Big Spring.

Making the final plans are important . . . Robbie and Mike are choosing the right bride's bouquet for their day. **Bill Draper** at **Faye's Flowers** will plan your wedding flower arrangements down to the last detail and you will know that they will be right. When a floral decision is to be made why not depend on the advice of **Faye's Flowers** for the appropriate arrangement for weddings, parties, or just a simple little flower for a friend. Robbie and Mike are having a wonderful time inspecting this built-in gas range in the display kitchen at PIONEER NATURAL GAS COMPANY, and found out why 9 out of 10 chefs prefer gas. With a gas range you have unlimited temperature control, not just a few fixed dial settings. You adjust your gas range to the perfect temperature for the most delicate recipes, and when a quick temperature change is required, it's easy . . . with instant on—instant off control. No hang over heat. No way around it, broiling creates smoke. But there is a way to keep it out of your kitchen. Close the door and let the gas flame consume the smoke and grease spatters. Closed door broiling is just one of many reasons why gas cooking is cleaner . . . with no over-heated kitchen. The gas flame makes the big difference . . . costs less too!

For the prettiest of lingerie you will find it at Caudill's Dress Shop, Highland Center on the mall . . .
