NEW COMMUNICATIONS TROUBLES

Conventions Are Threatened

WASHINGTON (AP) — Both national political conventions, the first just three weeks off, are threatened with new communications woes that could affect network television and broadcasting.

IMPACT
Planning for the Democratic convention, scheduled for Chicago Aug. 28, already is feeling the impact of a strike against Illinois Bell Telephone Co.

Party leaders say they may have to pick another city, possibly Miami Beach, site of the Republican meeting that opens Aug. 5.

The new threat, which could affect not only Chicago and Miami Beach but any city big enough to handle a political convention, came to light Monday.

American Telephone & Telegraph Co. warned a customer of the possibility of a strike by 24,000 long line installers who are members of the Communications Workers of America, a union spokesman said.

Such a strike could affect TV and radio facilities and teletype equipment, including that used by news services.

The installers have been negotiating with AT&T for five weeks on a wage reopener clause in the three-year contract that expires in 1970.

Negotiations in New York are being held on a day-to-day basis and there is no strike deadline at the moment.

NO PROGRESS
A union spokesman said there has been no progress, despite the presence of a federal mediator.

Industrywide, communications workers averaged \$3.61 an hour in wages and fringe benefits before a recent contract settlement covering most employees in the Bell System. The spokesman estimated the value of that settlement at 19.58 per cent and said the long lines workers, who average slightly more, are not about to settle for less.

The spokesman said communications already installed, and most of what is needed already is in at Miami Beach, would not be affected. But, he said, repair

and testing services would be cut off in the event of a strike.

Meanwhile, Sen. George Smathers, D-Fla., said Monday that Democratic National Chairman John Bailey has asked if

UF Budget Decision Near

Goal for the 1968-69 United Fund campaign will be set Monday at a meeting of the UF board of trustees. The session has been called for 6:15 p.m. in the Chamber of Commerce offices.

The budget and screening committee, with R. W. Thompson as chairman, held a final meeting Monday evening to arrive at recommendations. Thompson's group had heard requests from 14 partner agencies in the United Fund and has the responsibility of allotting all possible funds to those agencies while at the same time keeping the overall goal within reasonable limits of the county's giving abilities.

The budget committee will make its recommendations to the board of trustees, which takes final action.

Scouts Attending Camp Near Belton

Boy Scout Troop 2, sponsored by the First Methodist Church, is spending a week at Camp Tahuaya in the Heart O'Texas council near Belton.

Leaders are Victor J. Sharp and 1st Lt. Richard H. Rossmiller. With them are Keith Graumann, senior patrol leader, Victor Chap Jr., and Gary Hise, patrol leaders; Bill Coleman, Bob Coleman, Ronnie Hise, Johnny Tidwell, Alvin Melton, John Bryans, John Riberd, Mike Gore and Rex Mayes.

Florida Democrats would raise the \$600,000 needed to get the convention in Miami Beach.

MIAMI BEACH
"I don't see that there is any chance of it going anywhere except Miami Beach if it is moved," Smathers said while in Jacksonville, Fla., for a meeting.

South Florida Democrats raised the \$600,000 last September but lost the convention to Chicago.

Party leaders have indicated they will have to make a decision soon, probably within the

Webb Receives Safety Award

WEBB AFB, along with Amarillo AFB, has received the National Safety Council's second highest award — the Award of Merit — for accident prevention during 1967.

The council selected the Air Training Command, Sheppard AFB, Tex., and Craig AFB, Ala., as recipients of the highest recognition — the Award of Honor.

The command award marks the seventh time since 1956 that ATC has been so honored.

Webb recorded a 23 per cent reduction in ground accidents from 1966.

Manhunt Staged For Dope Addict

PHILADELPHIA (AP) — A massive manhunt continued today for a convicted drug addict accused of murdering a policeman—apparently with the officer's own gun—after he was caught in a holdup chase.

Charged with Monday's killing of patrolman Ross F. Brackett, 25, was Phillip (Sad Sack) Clark, a 27-year-old ex-convict arrested four times on narcotics charges.

Brackett's .38-caliber revolver, with five spent shells and one live bullet, was found in a yard two houses away from Clark's West Philadelphia home.

Brackett was white. Clark is a Negro.

Police Commissioner Frank L. Rizzo assigned 200 detectives to the job of finding Clark.

"We have people who saw him at the scene," said Rizzo.

Albino Catfish

DALLAS (AP) — Kathy Walker recently caught a rare albino catfish—almost as large as she is.

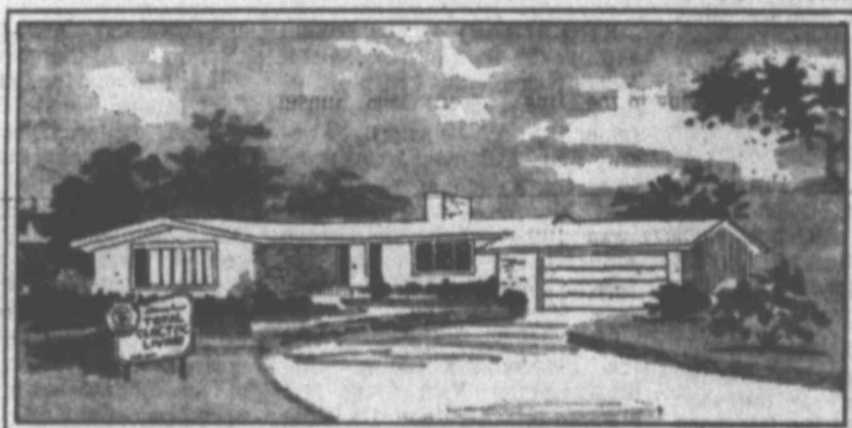

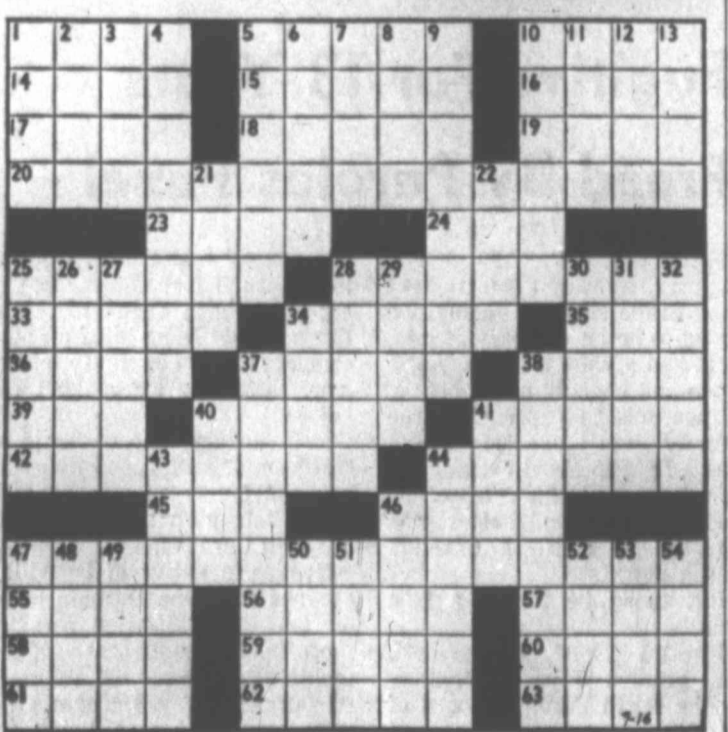

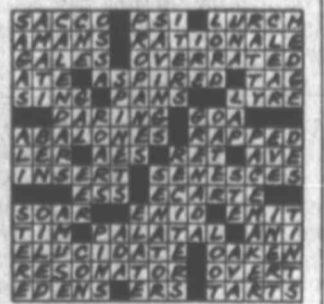

Kathy, 7, broke her pole while pulling in the 10-pound channel cat but with a little help she landed it.

The catch was at a private lake near here.

Major Legislation Snags Adjournment

WASHINGTON (AP) — There is no chance for final adjournment of congress by Aug. 3, says House majority leader Carl Albert, D-Okla.

Albert's comment Monday was the first admission by a congressional leader that sessions will have to be held after the national political conventions.

He said there was too much major legislation, much of it time consuming, that must be considered before adjournment. In other congressional action Monday:

—The House sent to the Senate a bill that would create a special commission to investigate hunger and malnutrition in the United States.

VET MONEY
The bipartisan panel would have 11 to 25 members who would receive \$100 a day and expenses for each official day of business. There would be an executive director paid at the rate of \$25,000 a year.

The commission would be required to report by next Jan. 30. —The Senate approved a five-bill, \$29.5 million package of veterans benefits, including a 50 per cent increase in the Cold War GI bill.

Principal feature of the package would extend the period of schooling for a veteran of any period of service since 1953 by 1 1/2 times the length of service. This would match World War II and Korean War benefits.

The bill sets a 36-month ceiling.

Auto Mechanics Courses Pushed

The advisory committee of the Manpower Development and Training Act has reapplied for programs here in auto mechanics and in auto body repair mechanics.

The two courses were approved by the Bureau of Employment Security, but they were not funded.

There is a demand for trainees in both fields, according to surveys, said Joe Pickle, chairman of the committee.

Police Arrests Show A Decline

City police made 154 arrests during June as compared with 170 in May, according to the monthly report.

This brings the total of arrests made this year to 474, less than the total of 510 made last year over the same time period.

Eight prisoners were transferred to the county, 43 were released to other jurisdiction and 13 were released with no charge.

ing on benefits and therefore would be of greater help to draftees who serve only two years in the service.

—The House passed a bill authorizing the Securities and Exchange Commission to investigate the impact on stock markets of large scale trading by big institutional investors such as mutual funds.

STOCKS BILL
Under the bill, the SEC would be authorized \$875,000 for the study which it would have to complete by Sept. 1, 1969. The Senate has passed a similar bill, but differences must be worked out.

—The House approved a bill that would allow loans for over-the-counter purchases of stock on margin.

Ray's Appeal Date Hinted

LONDON (AP) — James Earl Ray made another brief and routine appearance in the Bow Street Magistrate's Court and was sent back to Wandsworth Jail for another eight days. Another court appearance for him was set for July 24.

Ray's British lawyers have indicated they will file their appeal Wednesday against Chief Magistrate Frank Milton's order on July 2 that Ray should be extradited to the United States for trial on charges of murdering Dr. Martin Luther King Jr.

A hearing on the appeal is tentatively scheduled for July 29. Ray was brought into court today because British law requires a prisoner denied bail to be brought before a magistrate each week until his case is settled. Ray was composed and chewing gum at his appearance today.

When the magistrate asked if he had anything to say, he replied: "No, sir."

As always when Ray is before the British court, there were elaborate police precautions. Newsmen and spectators were frisked as they entered the courtroom. Detectives scammed the public gallery throughout the hearing.

Dogs Destroyed

Only two of 147 dogs impounded by the animal warden were redeemed during June, according to the monthly report. The pound destroyed 106 dogs. Found fees totaled \$5 with no vaccination or license fees reported.

Bricks, Bottles Hurlled At Autos

JACKSON, Mich. (AP) — Bricks and bottles thrown at passing autos smashed windows in at least 14 cars in a three-block area on Jackson's South Side Monday night as the predominantly Negro section was hit by a second straight night of violence.

One injury was reported by a motorist who was pelted twice within a half-hour. Carl Dull, 43, suffered a cut on his left arm.

Police broke up gatherings of between 10 and 20 persons at least a dozen times only to find them regrouped a little while later. Police said they were unable to arrest the rock-throwers because each time they melted back into groups of bystanders and could not be identified.

Hughes Wins Another ABC Stock Round

NEW YORK (AP) — Howard Hughes has won another round in his battle to buy 43 per cent of the stock in the American Broadcasting Companies, Inc. But the outcome of the transaction remains in doubt.

The U.S. Circuit Court of Appeals refused Monday to enjoin the sale of two million shares of ABC stock to Hughes. It upheld an earlier ruling by a district court judge.

The financier offered, two weeks ago, through his wholly owned Hughes Tool Co., to buy the stock, then selling at \$58.57 a share, for \$74.25 a share. He set a deadline of 3 p.m. Monday on the tender offer, telling holders of ABC stock in effect, that if they wanted to accept his offer to buy, they had to do it before then.

The ruling came less than two hours before the deadline.

It was not known how much of the stock Hughes obtained. However, sources close to the multimillionaire said the stock had been coming in "pretty good." His agents said Monday afternoon that no decision had been reached on whether to extend the deadline.

No matter how much of the stock Hughes got, he will have no control over the company for the time being.

Hughes' attorneys said in court that the Federal Communications Commission had directed the financier not to try to influence ABC management until the regulatory agency says the acquisition is legal. The FCC already has said it will hold hearings to determine if the acquisition is legal.

ABC sought the injunction on the grounds that acquisition of control before FCC approval is unlawful and that the purchase would violate FCC rules by giving Hughes more than 1 per cent interest in more than the permissible number of broadcast stations.

'Fender-Benders'

Five minor accidents were reported to police Monday. At Goliad and Tenth, the cars of Beulah Henson Thompson, Gail Route, and Peggy Dooley Miller, 1065 Morrison, collided; at Fourth and State, the cars of Johnny Ray Dorries, 417 Sunset Blvd., and Jerry Lloyd Spence, Box 148, were involved in an accident; at 400 Circle Drive and Sunset, William Robert Wilson, 1300 11th, and Maxine Roper, 1506 Sunset, were involved in a mishap; at Grace and Wason Road, the cars of Lucretia Ann Clark, 2802 Clanton, and Aurora M. King, Sterling City Route, collided; at Fourth and Birdwell Wagon Wheel parking lot, the cars of Gary Lee Hall, Webb AFB, and Richard Carter Cauley, 624 Scott, were involved in a mishap.

TOMORROW — CARROLL RIGNER

GENERAL TENDENCIES: Although there are a number of delays ahead, the things you want and you would be wise to force nothing, if you are on the alert you will find that some benefits can be very good and important for you. Do not let your ego get in the way of unexpected moments. Be philosophical about disappointments and accept the surprises.

ARIES (March 21 to April 19) You may find it a rather confusing a.m., but if you take things over with fellow workers, you find they give wise ideas. Then get to work with a vengeance. Forget that social blab-blah for now.

TAURUS (April 20 to May 20) Instead of feeling sorry for yourself, do something about improving your appearance and then go out and conquer your own world. Take the time to give another a helping hand. Success is just an attitude of mind.

GEMINI (May 21 to June 21) If you take time into your confidence more, you find you can make your plans work more efficiently and cleverly. A fundamental affair is really coming out just fine, though you may not think so right now. Re-organize.

MOON CHILDREN (June 22 to July 21) Steer clear of that irate partner about something that is not working out just right yet. Do a little re-evaluation. A tiny gift to one you admire could make a most charming event for you. Re-arrange.

LEO (July 22 to Aug. 23) Some fundamental matter may not be getting the results you expect it to, but keep calm and you soon find all is O.K. Keep busy with modern duties and be more modern about doing them, also. Stop using so much elbow grease.

VIRGO (Aug. 24 to Sept. 22) Get out and have a little fun instead of fretting about something that is not working out just right yet. Do a little re-evaluation. A tiny gift to one you admire could make a most charming event for you. Re-arrange.

LIBRA (Sept. 23 to Oct. 22) Instead of starting trouble with a family member, do what you can to have greater security in the future. Give full attention to details that are of importance. Have an important letter, too. Did you set all the pieces in place?

SCORPIO (Oct. 23 to Nov. 21) The routine you have at present could use some improvement, tuning up, to be more efficient and cleverly. A fundamental affair is really coming out just fine, though you may not think so right now. Re-organize.

SAGITTARIUS (Nov. 22 to Dec. 21) Avoid the excessive entertainment now and see how best to have more security for the future. Give full attention to details that are of importance. Have an important letter, too. Did you set all the pieces in place?

CAPRICORN (Dec. 22 to Jan. 20) Plan what you want in the days ahead and don't make the mistake of listening to a depressing member of your family. That social friend can help you to cleverly gain your most cherished aims. Get to work.

AQUARIUS (Jan. 21 to Feb. 19) You had better postpone that trip you had in mind, since you could get a better results later on. Concentrate on making present set-up more to your liking. Be a little more flexible.

PISCES (Feb. 20 to March 20) You find that good goals give you the boost you want if you do your work wisely and don't spend a good deal of money for frivolities, etc. Everything can start looking up, though money is not coming in as fast as you want it to. Have patience.

Collar-Wilting Heat Steams The Country

By The Associated Press

Collar-wilting heat and humidity steamed the country from the Rockies to the Atlantic again today. There was little hope for any early letup.

Temperatures remained in the sticky 70s throughout the night over the entire nation except for upper reaches of the Rockies and the Pacific Coast.

The mercury sizzled into the 90s Monday as far north as northern North Dakota, Upper Michigan and northern Maine. Pierre, S. D., had 104.

The Weather Bureau said simply: "Little change in the national weather scene is foreseen in the near future."

Sporadic showers and thunderstorms lingered from Florida to the Ohio Valley and from the Rockies to the northern Great Lakes. Rainfall amounts on the light side during the night followed afternoon downpours in some sections.

Heavy flooding hit the Michigan upper Peninsula Village of L'Anse Monday night following a severe storm. The entire community of 2,397 was washed by four to five feet of water. State police reported US 41 and some other highways and roads

washed out in the area. Telephone and electrical service also was knocked out by the rising waters.

No serious injuries were reported.

Nearly four inches of rain swamped portions of west-central Missouri through Monday evening, and parts of southern Ohio measured more than 1.50 inches.

Ambulance Bill Amounts To \$166

The city paid \$166.30 to Alert Ambulance Service during the month of June, according to the monthly report.

This brings the total of payments made since February, 1967, to \$2308.10. This last payment was for ambulance service in January, 1968, since the city pays only uncollectible debts and it takes some length of time to declare a debt uncollectible.

The city guarantees Alert 80 per cent collection on all emergency calls and during January Alert collected 54 per cent of its bills. The city collected an additional \$190 to bring the percentage to 66.

Summer Sales In Full Swing

The season of clearance sales offers you a chance to save money — if you are a smart shopper.

It is the shopper who knows enough about merchandise quality to make a shrewd selection who comes off best in the general clearance sales current now. Just because a dress or coat is half price does not make it a good buy for you. On the contrary, you may have to restrain yourself because it is marked down. You see, it may be a tempting buy, but the old rules of selection — the kind of

garment that you need, whether given garment meets these demands, its general quality, its size, fit and becomingness — still obtain.

The natural tendency is to yield on the question of design and color for the individual because the garment is a mark down. This is a mistake — the reduction in price will never offset the fact that the dress or coat is not becoming to you.

You may find better values in merchandise that does not have as important an element of fashion — gloves, hosiery, footwear, robes, domestics, home furnishings and so on.

WHY SALES?

From the merchandising point of view, there's sound psychology behind seasonal clearances. You as a retail customer expect new merchandise when you shop in a store. Particularly at the end of a season. When you see an item that you have looked at one or more times before, it registers on your consciousness as something old.

The same sort of psychology prevails among the personnel of a store. New merchandise, when it is shown and explained to salespeople, arouses their enthusiasm, which they pass on to you, the customer. They may be more tired of the dying season's merchandise than their customers are, hence are apathetic in their selling.

How can a store mark down good merchandise, you ask. A store does not reckon its profit by item, but by volume. A better dress department, for example, may have made its profit for the season on the volume already sold. So the remainder of the stock can be sold at cost plus overhead. The retailer can afford to sacrifice the profit on the remaining stock in order to clear the way for the new season merchandise.

This means a real opportunity for you and me to buy merchandise we know we will need in the months to come. It brings price cuts of 25 to 50 per cent, which are good buys in anybody's language, even though shopping may be harder because of the limitations in sizes, colors, styles and so on.

When a store does not have enough stock on hand to meet the customer demand that a sale will create, additional merchandise may be brought in. This may be distress merchandise, manufacturers' close outs, and merchandise bought to sell at lower prices than usual. It is necessary because buyers are always cautious in their purchasing so that they will not be overstocked. Stores of integrity are scrupulously honest in these sales, because they want to give you the best values they can in them.

Miss Hicks Opens Bid For Title

FORT WORTH — A whirlwind of activities started Tuesday for Sharon Hicks, Miss Big Spring, when she opened her bid for the title of Miss Texas.

She was the first contestant to arrive at the Western Hills Hotel pageant headquarters, getting here about 11 a.m. Sunday.

Since then she has been shopping, eating out and getting acquainted with the other girls. Her chaperone, Mrs. Barbara Tibbs said, "They giggled and laughed," at a party Sharon had for the other contestants who had arrived Sunday night. Sharon went from room to room inviting her fellow contestants to come join the fun.

But a lot of the fun will be over Tuesday when the girls start to a rigorous road to the crowning on Saturday night.

Wednesday Sharon will begin competition in the swim suit division, then follow in the evening gown on Thursday and Friday will present her rendition of "Louisiana Man" in voice and on the guitar.

Although the pageant had officially started, a press party for the girls present, including Sharon, was held. After the party she went to her room and cried and cried — because of all the attention she was being paid.

About coming to Miss Texas she commented, "I didn't get scared. I didn't realize I was coming until we went to get in the car and I saw my name on it."

When asked how she felt at a specific moment she quietly giggled and said, "I just can't wait until tomorrow."

Like many of the other girls Sharon spent Monday getting acquainted with other contestants, having pictures made and going through interviews with the press.

After getting to Fort Worth, Sharon came to a great realization, that being at the pageant wasn't anything like she had expected. She said, "I just want to thank all the people of Big Spring, and especially the Jaycees for sending me down here. It is such a privilege."

Tuesday Sharon, along with the other contestants will undergo registration and a general meeting for explanation of the rules.

Then it is press party time and then a buffet luncheon at the hotel. Rehearsals start Tuesday afternoon and dress rehearsals will take up the evening.

Select High-Style Lamps At Stores

If you haven't shopped for a lamp recently, be prepared for a big surprise. High style has come to the lamp industry, and an exciting array of marvelous designs await your selection.

Notable in the new lamps is the same finesse of styling and high quality of craftsmanship that have long characterized fine furniture. This very admirable situation may, however, make the shopper's decision more difficult.

In selecting a lamp, the decision will be easier if you'll remember that choosing a piece of jewelry for a basic dress. Just as a right bit of jewelry adds sparkle and personality, so does the right lamp add those same qualities to your room. As jewelry can add color or change the mood of a dress, so can a lamp brighten or dramatize a room.

Two important considerations play a big part in determining which lamp is best for your home. These are scale and compatibility.

Out-of-town guests were Mr. and Mrs. V. R. Andrews of Redlands, Calif.; Mr. and Mrs. Burl Moore, Lubbock; Mrs. Pat Bice and children, Mr. and Mrs. Robert Hastings, Mr. and Mrs. Bill Roam and children, W. E. Burton, Mrs. Oma Cox, Mr. and Mrs. Clyde Wilson and Presley Nesmith, all of Abilene; Mr. and Mrs. Herbert Green, Mrs. Jessie Vickery, Mr. and Mrs. Ross McDonald, Mr. and Mrs. Frank Pritchett and Mrs. Gerlie Bassinger, all of Lamesa.

Couple Is Married In Colorado City Service

COLORADO CITY (SC) — Mr. and Mrs. Serge Roger Helfer are at home in Baton Rouge, La., following their June 29th wedding at Colorado City in the chapel of the First Methodist Church.

Wedding vows were said before the Rev. Billy Wilkinson, pastor.

Mrs. Helfer is the former Dixie Carolyn Geer, daughter of Mr. and Mrs. A. L. Geer of Colorado City.

The bridegroom is a resident

of Baton Rouge, but is a native of France, attended French Schools and graduated from the University of Paris. He served in the U. S. Air Force and became a citizen of the United States. He is presently the district manager of the IBM Corporation at Baton Rouge.

The bride is a 1955 graduate of Colorado High School and is a graduate of Hardin-Simmons University in Abilene. She is also employed by the IBM Corporation.

Bridal Shower Held For Miss Lynn Heith

Miss Lynn Heith, bride-elect of Daniel Joseph (Rocky) Greenwood III, was complimented with a coffee recently in the Blue Room of Cosden Country Club.

Hostesses were Mrs. R. J. Ream, Mrs. Harvey Adams, Mrs. James L. Johnson, Mrs. Harold Hall, Mrs. C. D. Turner, Mrs. Jack Irons, Mrs. Odell Womack and Mrs. S. M. Smith.

The bride-elect's chosen colors of yellow and green were used in decorations. The centerpiece on the polished table was a tall, brass candelabrum surrounded by yellow daisies, and copper and brass appointments completed the setting.

The hostesses and the four grandmothers, Mrs. W. M. Gage, Mrs. E. W. Love, Mrs. Logan Grider and Mrs. Jessie Steele, all wore yellow daisy streamers. The honoree was presented a yellow and green corsage, as were her mother, Mrs. R. L. Heith, and her fiancé's mother, Mrs. D. J. Greenwood.

Miss Ann Heith, sister of the

honoree, presided at the guest register. Approximately 60 attended.

The hostess' gift was a set of cookware.

The couple will marry July 27 in the First Baptist Church, with the Rev. Robert Polk serving as officiant.

Summer Sales In Full Swing

The season of clearance sales offers you a chance to save money — if you are a smart shopper.

It is the shopper who knows enough about merchandise quality to make a shrewd selection who comes off best in the general clearance sales current now. Just because a dress or coat is half price does not make it a good buy for you. On the contrary, you may have to restrain yourself because it is marked down. You see, it may be a tempting buy, but the old rules of selection — the kind of

garment that you need, whether a given garment meets these demands, its general quality, its size, fit and becomingness — still obtain.

The natural tendency is to yield on the question of design and color for the individual because the garment is a mark down. This is a mistake — the reduction in price will never offset the fact that the dress or coat is not becoming to you.

You may find better values in merchandise that does not have as important an element of fashion — gloves, hosiery, footwear, robes, domestics, home furnishings and so on.

WHY SALES?

From the merchandising point of view, there's sound psychology behind seasonal clearances. You as a retail customer expect new merchandise when you shop in a store. Particularly at the end of a season. When you see an item that you have looked at one or more times before, it registers on your consciousness as something old.

The same sort of psychology prevails among the personnel of a store. New merchandise, when it is shown and explained to salespeople, arouses their enthusiasm, which they pass on to you, the customer. They may be more tired of the dying season's merchandise than their customers are, hence are apathetic in their selling.

How can a store mark down good merchandise, you ask. A store does not reckon its profit by item, but by volume. A better dress department, for example, may have made its profit for the season on the volume already sold. So the remainder of the stock can be sold at cost plus overhead. The retailer can afford to sacrifice the profit on the remaining stock in order to clear the way for the new season merchandise.

This means a real opportunity for you and me to buy merchandise we know we will need in the months to come. It brings price cuts of 25 to 50 per cent, which are good buys in anybody's language, even though shopping may be harder because of the limitations in sizes, colors, styles and so on.

When a store does not have enough stock on hand to meet the customer demand that a sale will create, additional merchandise may be brought in. This may be distress merchandise, manufacturers' close outs, and merchandise bought to sell at lower prices than usual. It is necessary because buyers are always cautious in their purchasing so that they will not be overstocked. Stores of integrity are scrupulously honest in these sales, because they want to give you the best values they can in them.

Announced As Grand Trustee

Mrs. Choc Smith was named Grand Temple trustee at the 71st Pythian convention held during June in Austin, it was announced at the Monday meeting of the Pythian Sisters, Sterling Temple No. 43. The group met in the Castle Hall.

Mrs. Smith gave her report on the convention, where she served as grand representative from the local unit.

Mrs. Herbert Johnson Jr., most excellent chief, presided and announced 30 visits to the sick and 21 cards were mailed. A memorial fund was donated to the Pythian Home in Weatherford.

Mrs. Smith won the silver drill prize and Mrs. M. A. Cook won the capsule prize.

Games were played, and dinner was served. The next meeting will be Aug. 5, and Mrs. Bonnie Bennett and Mrs. Smith will be hostesses.

Family Reunion Set In Mount Pleasant

COLORADO CITY (SC) — Descendants of Joel A. and Mary Jane Hendrix, and those of Daisy Cody Hendrix will hold a family reunion at the City Park in Mount Pleasant Aug. 4th. Mrs. Daisy Cody Hendrix will be celebrating her 91st birthday on Aug. 7. The reunion will be an all day affair, and each family will bring a covered dish for the noon meal.

Clothes will be collected for orphans in Vietnam and mailed for Christmas. A program was planned to organize training sessions for baby sitters at the cerebral palsy center, and the annual birthday party at the Big Spring State Hospital will be continued. Grooming aids will be given each month to the hospital.

The ways and means committee will sponsor a "tasting tea" and bazaar to be held in November, and a bridge marathon will be sponsored by the group again this year.

Fifteen attended.

Break For A Drink

Sharon Hicks, Miss Big Spring (left), and Carol Cutbirth, Miss West Texas State University pause for a quick drink in Fort Worth as they started a whirlwind of activities in the Miss Texas pageant.

Watching A Boat Go By

Sharon Hicks, Miss Big Spring, stops to take a close look at a wall plaque in the lobby of the Western Hills Hotel, Fort Worth. Miss Hicks is in Fort Worth joining in the rounds of activities climaxing Saturday night when a Miss Texas will be named.

Miss Hicks Opens Bid For Title

FORT WORTH — A whirlwind of activities started Tuesday for Sharon Hicks, Miss Big Spring, when she opened her bid for the title of Miss Texas.

She was the first contestant to arrive at the Western Hills Hotel pageant headquarters, getting here about 11 a.m. Sunday.

Since then she has been shopping, eating out and getting acquainted with the other girls. Her chaperone, Mrs. Barbara Tibbs said, "They giggled and laughed," at a party Sharon had for the other contestants who had arrived Sunday night. Sharon went from room to room inviting her fellow contestants to come join the fun.

But a lot of the fun will be over Tuesday when the girls start to a rigorous road to the crowning on Saturday night.

Wednesday Sharon will begin competition in the swim suit division, then follow in the evening gown on Thursday and Friday will present her rendition of "Louisiana Man" in voice and on the guitar.

Although the pageant had officially started, a press party for the girls present, including Sharon, was held. After the party she went to her room and cried and cried — because of all the attention she was being paid.

About coming to Miss Texas she commented, "I didn't get scared. I didn't realize I was coming until we went to get in the car and I saw my name on it."

When asked how she felt at a specific moment she quietly giggled and said, "I just can't wait until tomorrow."

Like many of the other girls Sharon spent Monday getting acquainted with other contestants, having pictures made and going through interviews with the press.

After getting to Fort Worth, Sharon came to a great realization, that being at the pageant wasn't anything like she had expected. She said, "I just want to thank all the people of Big Spring, and especially the Jaycees for sending me down here. It is such a privilege."

Tuesday Sharon, along with the other contestants will undergo registration and a general meeting for explanation of the rules.

Then it is press party time and then a buffet luncheon at the hotel. Rehearsals start Tuesday afternoon and dress rehearsals will take up the evening.

Cactus Chapter Hears Welfare Officer Talk

Mrs. Tom Phillips Howard County welfare officer, gave a vocational talk on the local welfare program at the Monday dinner meeting of the Cactus Chapter of American Business Women's Association at the Silver Star Inn.

Mrs. Phillips told of her work with the county judge and the city commissioners and said that her office services 1,900 people in Big Spring. Also, Mrs. Phillips cited the need for children's clothes and asked anyone having extra clothing to call the welfare office.

Mrs. Fred Butler, program chairman, introduced the guest speaker, Mrs. Jim Lemons, who

told of her work in the woman's department at the Big Spring Herald.

Mrs. Boone Horne presided and announced that a game party will be held before September. Mrs. Clarence O. Trantham discussed the new yearbook

Abilene Is Meet Champ

ODESSA — The Abilene A's won the Odessa Invitational Fastpitch Softball tournament here Sunday night, beating Permian Oil and Tire twice to take the honor. The scores were 2-1 and 8-0.

Abilene had to play five games the final day of the meet to garner the crown. Jimmy Roger of Big Spring, who performed for the Abilene club, was named to the all-tournament team as the center fielder.

Others selected on the all-star squad included Pete Person of Dyess AFB, Abilene, pitcher; Roy Smith of Permian Oil and Tire, catcher; Jim Henson of Permian Oil, first baseman; Gene Everhart of the Lamesa Merchants, second base; Pete Valesquez of Dyess, third base; Willie Tijerina of Lamesa Furr's, shortstop; Roy Anderson of Permian Oil, left field; Ed Phoenix of the Abilene A's, right field; Darrel Rosenow of the Abilene A's, pitcher; Don Miller of D&B Plumbing, utility infielder; Elmer McMahan of General Tire, utility outfielder; and Wallace Williams of Dyess, catcher.

Billy Paul Thomas, also of Big Spring, was named the outstanding player of the tournament. He pitched the A's to a victory in the meet.

The Abilene A's lost to Permian Oil, 3-2, early in the tournament. Two defeats were required to eliminate a club, however.

Webb AFB of Big Spring lost successive games to Permian Oil, 6-3, and Abilene Merchants, 5-4.

Eskin Given Assignment

Beaumont hosts its first championship fight in history tonight when Rollo Reyes of Mexico, managed by Martin County's Melton McMorris, tangles with Beaumont's own Richard (Rocky) Medrano.

The North American Junior Welterweight championship will be at stake in the 15-round bout. Promoter of the bout is Sam Chimento.

Referee of the title go will be Lew Eskin, editor of Boxing Illustrated magazine, who is coming from New York to fill the role.

Eskin has been a professional referee since the age of 20. Recently Eskin was the third man in the ring when champion Curtis Cokes of Dallas successfully defended his crown against Willie Ludick of South Africa. McMorris made plans to be at ringside for the Beaumont bout.

for the fourth time in five games since the All-Star break, bowing to California 4-0. Their American League lead was chopped to 6 1/2 games—five in the loss column—as second-place Baltimore clobbered the New York Yankees 8-2.

Elsewhere, Cleveland nipped Minnesota 4-2, Oakland bombed Boston 12-5 and the Chicago White Sox downed Washington 3-2.

BIG SERIES AHEAD

The joint-Tiger Stadium, that is—should be jumping this weekend when the Orioles come to town for a four-game series. Detroit visits Baltimore for a three-game set the following weekend. In all, the two teams have 13 games left against one another.

Jim Fregosi and Aurtlio Rodriguez backed George Brunet's five-hit pitching with two-run homers as California blanked Detroit and swept a two-game series. The Angels managed only three hits but two of them were the homers, both coming with two out.

In the third inning, Vic Davalillo got the Angels' first hit off Mickey Lolich, a double, and Fregosi lined his ninth homer over the fence in left.

Lolich appeared to be out of the fourth inning. But Al Kaline, playing first base, dropped a throw for what would have been the third out and Rodriguez sliced his first homer of the season over the right field fence.

Valdes Rips Foe's Hurling

Danny Valdes had what he termed his "best game ever" in athletics when he powered the Morton's Foods team to a 16-3 City Softball league victory over VA Hospital here Monday evening.

Valdes, who plays second base for Morton's, smashed a triple, double and single in three trips to the plate, driving in a total of seven runs. He also scored twice in the game, which was called after 4 1/2 innings had been played.

In the first contest, Austin Enco clung to first place in the standings by defeating Skateland, 7-1, despite the fact that it had only eight men on the field.

Jimmy Roger drove out two home runs and a single for Austin, driving in three runs and scoring thrice.

Skateland's lineup included: Halbach, 3-0-0-0; Young, 2-1-1-1; Jordan, 2-1-1-1; Cooper, 2-1-1-1; R. Allen Using Heavy Mace For Phillies

By The Associated Press. Forty-two ounces that's a lot. Maybe. But they've been hitting the spot for Richie Allen and the Philadelphia Phillies.

Allen, who wields a 42-ounce bat, crashed two homers, good for three runs, Thursday night as the Phillies beat the New York Mets 5-3 for their seventh straight victory since the All-Star break.

"He uses a very heavy bat," says Phillies Manager Bob Skinner, "but he's so strong he can still whip it through the zone."

In the seven games since the All-Star Game, Allen has whipped his bat through the zone well enough to get 15 hits in 30 at-bats, five homers and 14 RBI. This spree has lifted his season average to .314, with 20 homers and 53 RBI.

While Allen was having a ball with New York pitching, St. Louis was topping Los Angeles 4-2, Chicago was edging Pittsburgh 2-1 in 10 innings and Atlanta was beating San Francisco 4-2 in other National League action. The Houston at Cincinnati game was postponed because of wet grounds.

"He's just swinging the bat super," Skinner says of Allen. "He has a chance to win the Triple Crown and he is on his way to doing that now."

Allen helped his Triple Crown cause in the first inning Monday night by homering with Tony Gonzalez on base. He also homered in the fourth to give the Phillies a 3-0 lead and later added a single.

Leading 3-2, the Phillies wrapped up the game in the ninth by scoring twice on Tony Taylor's single and consecutive doubles by John Briggs and Clay Dalrymple.

Mike Shannon's two-run homer, tied the game and pinch hitter Phil Gagliano singled in the winner as league-leading St. Louis won its fifth straight and sent Los Angeles to its fifth consecutive loss.

The key hits by Shannon and Gagliano came in a four-run seventh inning that was climaxed by Lou Brock's RBI double.

Los Angeles took a 2-0 lead when Jim Lefebvre singled home one run and Willie Davis tripled and scored on an error.

Chicago pitcher Ferguson Jenkins sent Pittsburgh to its 10th straight loss by driving in a run with a two-out single in the 10th. The losing streak equals the longest in the Pirates' modern history. The all-time club record is 23 straight in 1900.

Pittsburgh scored in the fourth when Mury Willis doubled and scored on Matty Alou's single. The Cubs tied it in the fifth on Dick Nen's triple and Randy Hundley's single. The winning run was set up when Hundley was hit by a pitch and advanced to second by an infield out.

Atlanta won its fifth straight—the Braves' longest winning string of the season—with the help of three first-inning runs produced by singles by Joe Torre and Tommie Aaron, two walks, a passed ball, wild pitch and an error.

LOOKING 'EM OVER

With Tommy Hart

Sports dialogue: DARRELL ROYAL, University of Texas football coach: "We'll be improved over last year but we won't be outstanding as we were a few years ago. The interconference schedule this fall will prove that the SWC will be stronger than it has been in several years. Texas A&M should be head and shoulders better than it was in its championship season last year. I thought they were a lot tougher in the Cotton Bowl against Alabama than they were when they played us. Beating Alabama really gave them a lift. TCU, Arkansas, Rice and Texas Tech will be much improved over last year. All will be tough. We had the best spring training we had in three or four years. We had fewer injuries, a better attitude and the kids put forth a better effort. Our recruiting was very average, just mediocre, however."

JESSE OUTLAR, Atlanta columnist: "Gene March owes a lot to Richie Allen. He's the guy who got March out of Philadelphia, and nine years is much too long to stay in that city regardless of occupation."

HAYDEN FRY, SMU football coach: "There's no doubt in my mind but that our Jerry Levias is the best football player in the country. The more I watch him the more unbelievable are the things he does out there."

DEE ANDROS, Oregon State football coach: "For many years I considered Billy Vessels the finest college runner I ever saw. Then I saw Gale Sayers at Kansas and I thought he might have been the best. But for power and speed and running instinct I put O. J. Simpson (USC) at the top now."

JACK QUARRY, father of Jerry, the heavyweight boxer: "At the age of 17, a Texas friend carved the words 'Hard Luck' into the knuckles of my hands with blue ink and a sewing needle. I was an amateur boxer at the time, earning \$35 a week and I boxed because I was hungry. I never skated or bicycled, just picked cotton, beets, peaches . . . wherever I could find work. But I never stole. When I got sons of my own, I taught them to box because it was the only thing I could teach my sons. I couldn't teach them baseball, like some fathers, but I wanted them to use up their energy so they wouldn't steal."

FRANK GIFFORD, former NFL football star, now sports director of CBS-TV in New York, quoted in Sport magazine: "The AFL will be ready to play the NFL up and down the line by 1970, when inter-league play is supposed to begin. The AFL gets better every year. Oakland played better against the Packers than Kansas City did the year before. It goes back to maturity. The Packers have men who have played together from the start. No AFL team can match that yet. When they can, why shouldn't they win?"

JOHN P. CARMICHAEL, Chicago columnist: "Gabe Paul, the Cleveland manager, is willing to wager a hat, any size, that Kansas City outdraws Oakland in the American (baseball) league in 1968 and he further insists that the AL split division project for next year will boost the average attendance per club over the 1968 totals, despite a forced schedule rotation which will reduce the number of long-standing rivalries that enjoy preferred gate appeal."

Saved Last For Best

The 1968 National Pee Wee Giants pictured here found the season one of trials and tribulations until their final game, when they upset the highly respected Playboys. The club was sponsored by the First National Bank. Back row, from the left, they are coach Johnny Welborn, Bud Welborn, Scott Robertson, Billy Bob Yeckers, Steve Sheedy, Steve Bryant and manager Don Karnes. Middle row, Mark Truxal, Mike Madry, Craig Rhoton, Kenneth Yeckers, Keith Smith and Ronnie Sundry. First row, Keven Rhoton, Alan Welborn, Kyle Casey, Craig Dunham and Barry Fish.

David Massey's Eighth Inning Run Difference

A four-run outburst in the bottom of the seventh enabled the Giants to scramble back into contention in a Sophomore Teen-Age Baseball league game here Monday night.

The Giants then proceeded to win over the Cubs in the first extra inning when David Massey reached base on a bobbie, moved up on a sacrifice and came around on two passed balls.

JACK WOODLEY WON'T MOVE

GARDEN CITY — Jack Woodley, head athletic coach at Garden City High School the past six years, revealed Monday he had decided not to accept a junior high school job proffered by the Crane school system.

Burglars All Set For Cold Winter

Burglars ransacked the home of Lillian Ferris Whitefield, 601 NW 5th, before leaving with a fur coat, fur cape, a set of silverware, and an assortment of dishes and cooking ware.

Mrs. Whitefield found the articles missing when she returned home Monday evening.

The burglars also scattered clothes, glass and contents of drawers. They broke bottles, mirrors, pictures, and smashed furniture.

Police are investigating the report.

Citizens Plan Silent Vigil During Suit

MOBILE, Ala. (AP)— Angry white citizens plan a silent vigil Wednesday when a federal judge considers a suit seeking a speed-up of integration in Mobile County schools.

Judge Daniel Thomas is expected to hear a suit calling for rigid geographical school attendance zone plans.

At an outdoor rally Monday night a crowd estimated at more than 6,000 heard leaders of the Stand Together and Never Divide (STAND) organization discuss the coming hearing.

EX-GOVERNOR PICKS UP STEAM

Reagan Swing Aimed At Wallace Threat

California Gov. Ronald Reagan says his swing through the South beginning this week will be aimed against what some Republicans consider a growing threat from former Alabama Gov. George C. Wallace.

Third party presidential candidate Wallace has been showing increasing strength in public opinion polls and Reagan said Monday that Alabama Republicans in particular were concerned about speculation Wallace "might eat into Republican votes."

Wallace's strength is in the South.

The Gallup Poll reported Sunday that Wallace shows 16 per cent voter support, and said that was nearly twice the strength he showed in April.

New York Gov. Nelson A. Rockefeller, announced GOP contender, said "meanwhile his nationwide poll to indicate whether he or Richard M. Nixon would be the strongest Republican candidate will be conducted July 22-26."

Rockefeller said he is convinced delegates want to nominate a winning candidate and said the poll results will be announced as soon as possible before the GOP convention which begins Aug. 5.

Rockefeller's candidacy was endorsed Monday by Colorado Gov. John A. Love and the candidate dropped strong hints in Indianapolis that Love was on his list of potential vice presidential running mates.

Education Aid Bills Advance

WASHINGTON (AP)— Bills to authorize extension and expansion of far-reaching programs of federal aid to education have taken major steps in Congress.

The Senate Monday passed 83-0 a measure to carry the extensive program of federal aid to higher education through the 1971-72 fiscal year at a cost of \$1.4 billion.

The House approved, 389-0, a \$1.2-billion authorization for a two-year program of vocational education, including new approaches.

In each case, the other chamber is considering legislation along the same lines, but with many differences in terms.

The House is expected to act within a week on its own version of the higher education measure—a \$3.4-billion authorization for two years.

The Senate plans to complete action Wednesday on its vocational-education bill. That version would authorize more than \$2.5 billion over four years.

Differences in the measures will have to be resolved by conference committees so both chambers can vote on an identical measure.

The federal aid to higher education goes to students as loans and scholarships and to colleges and universities as loans or grants.

The pending House bill would bar federal aid to students who had participated in campus riots or other serious disturbances. The Senate would leave the decision to the individual college administrations.

Wildlife Refuge Being Developed

PARIS, Tex. (AP)— Plans are being developed for a 10,000-acre wildlife refuge and game management area on Pat Mayse Reservoir North of Paris in the old Camp Maxey area.

A bill submitted by Rep. Wright Patman, D-Tex., would clear the final hurdle for the refuge, asking approval for purchase by the Corps of Engineers for 750 acres of privately-owned land needed to complete the area.

The land is now in four separate blocks inside the more than 9,000 acres of land already owned by the government in the Camp Maxey area.

Coin Profits Slated To Top \$200 Million

WASHINGTON (AP)— The federal government has been raking in huge profits from the nation's coinage since it replaced silver with copper and nickel in hard currency.

This profit, called seigniorage, shot into the hundreds of millions of dollars the past three years. It is expected to exceed \$200 million in the current fiscal year.

Seigniorage is the difference between the face value of a coin and the cost of the metal from which it is made.

Metal in a quarter, for example, now costs the Treasury Department about one cent but the coin goes on the government's books as 25 cents, thus yielding a 24-cent profit.

During the fiscal year which ended last June 30, seigniorage ran to about \$390 million but it rose above \$834 million the year before when the Treasury turned out coins in record numbers to overcome a shortage.

The reduced profit expected for this year results from the cutback in the number of coins made because the shortage has eased.

The windfall profits began with the Coinage Act of 1955 which took all silver from dimes and quarters and reduced the silver content of the half dollar from 90 per cent to 40 per cent.

"Very frankly," Reagan said in Sacramento, "the Republicans asked me because of the strength of Gov. Wallace. He is going to change the balance, possibly."

The South also is considered Reagan's greatest source of presidential strength outside California. The governor says he is not a presidential contender but as a favorite-son candidate could become one at the GOP National Convention next month in Miami Beach.

Engineers Seek Trinity Changes

DALLAS (AP)— Army engineers today announced expanded recommendations on Trinity River development which the Secretary of the Army has presented to Congress.

The Senate Appropriations Committee only Monday announced approval for construction of five high level bridges over the Trinity at a cost of \$1 million and included several other Trinity projects in \$4.7 billion for public works projects.

The Corps of Engineers announcement today re-evaluated navigation features in Trinity development proposals in making basic changes on the project authorized in 1965.

New Variety Of Wheat Prefected

RENNER, Tex. (AP)— The Texas Research Foundation has reported that Sturdy, a new short-straw hard red winter wheat, produced 47 bushels per acre this season. The foundation said the variety is designed for North Central Texas and was bred for resistance to plant lodging, shattering, leaf rust and acceptable quality for commercial bakery use.

A Switch -- Males Used To Attract Other Weevils

This comes under the head of dirty pool, but gentlemen boll weevils are being used to lure other weevils into a trap.

It's all in the interest of weevil control, however. The new device, a sex attractant trap, is used to get a count on weevils migrating into the South Plains area.

The traps are coated with a sticky substance, and right in the center of this is a screened container with five live male boll weevils, according to Lyndon Almand and Dr. Dale Bottrell, entomologists with the Texas Agricultural Service and Agricultural Experiment station. These weevils emit an odor which attracts other weevils in the vicinity.

The traps are placed at about one mile intervals from Aspermont to Spur, and then along

Suddenly, Sand Springs Has No Post Office

SAND SPRINGS — Monday morning Sand Springs had a post office. Monday afternoon it didn't.

J. C. Collins, postmaster at the Rural Substation in this community, said that the first he knew of the pending demise of the office was when Frank Hardesty, postmaster at Big Spring, walked in.

"He showed me a letter saying that the regional post office department had ordered our post office shut down," said Collins.

"Today our offices are out of business. We hate to lose it—we feel it served the community. However, I haven't had a vacation in three years. Now I can take off."

Collins operates a grocery and service station in the heart of this community. The substation post office has been located in his building for three years.

Hardesty said that the reason cited for closing down the station was lack of demand for the service.

"Only four families in Sand Springs received their mail at the subpost office," said Hardesty.
