

Star Lites By Bill Ellis

ABOUT TEN YEARS ago, a California scientist, Paul R. Ehrlich, published a small but significant book, "The Population Bomb." He caused everyone to stop and take notice.

Ehrlich's thesis was that "mankind will breed itself into oblivion." He saw population control as the only answer to mass starvation. Mr. Ehrlich's book went into 28 printings, sold two million copies, and led to the movement for ZPG-zero population growth.

The Californian's book triggered scores of articles on the population explosion. Such emphasis upon explosive growth has been fully justified in some areas. Figures from the Population Reference Bureau show that India will double its population in 33 years, China in 41 years, and Mexico's population of 62.6 million is expected to double by the year 1997.

However, due to all of the emphasis on zero population growth, it appears that the movement has succeeded so well in the United States that some ethnic groups are virtually in danger of extinction.

The population growth rate among the WASPs (White, Anglo-Saxon Protestants) has dropped alarmingly. Catholic and non-white reproduction rates, although higher, also are on a downward trend. It has been stated that the Jewish Community within the United States, statistically speaking, is threatened with extinction within a few generations.

These are vital facts to every business leader, public official, yes, even farmer, who must plan their business for 20, 30, or 50 years in the future.

A quick explanation as to the reason for the trend in the United States is to examine the labor force. In 1940, only 13.8 million women were counted among the total labor force. Today, the figure is estimated at 38 million.

Although two-thirds of these women workers are married, many of these working women want only one or two children, and some prefer to have no children.

The affectiveness, acceptability and availability of birth control measures provide another explanation to the population trend.

The high cost of medical care, housing and education probably serves as a deterrent to large families. A number of years ago, six, eight or ten children in a family was in style. This has changed drastically.

One of the dangers that some economists see about the declining birth rate is the fact that as today's workers reach retirement age and begin to draw social security, their benefits will be paid by an increasingly smaller proportion of productive young people.

Some of these specialists have reasoned that if a stagnant economy is to be avoided, millions of workers will have to be imported, either legally or illegally.

If the figures released by the General Accounting Office are correct, the situation may take care of itself. A study showed that as many as 1.3 million illegal aliens entered the United States last year from Mexico alone.

At one border point in April of 1977, immigration officers apprehended 2,897 illegal aliens in a 36-hour period. They estimated that an equal number got away.

HANCE COFFEE...Senator Kent Hance and his wife Carol were honored here Thursday with a coffee in the home of Mr. and Mrs. Gale

Warren. From the left is H.H. Horton, county Democratic Chairman, Senator Hance and his wife, and Warren.

County Agent Heald Resigns His Position

Mack Heald, County Extension Agent for Parmer County since 1970, has resigned his position effective April 1, to enter private business in Farwell.

Accepting of the county agent's resignation was the major item of business on an otherwise routine agenda facing the Parmer County Commissioners Court at their regular meeting this past Monday.

A discussion was held relative to the bookmobile situation. It was brought to the attention of the court that Lamb County had paid an amount below their regular per capita agreement. It was mutually agreed by the court that Parmer County would not pay any additional dues, due to Lamb County's refusal to pay their normal Bookmobile dues.

A request by Gene Welch, to place gas lines under a particular county road was approved.

Glenn Fant, trooper for the Department of Public Safety, appeared before the court, and pointed out that Parmer County has an additional DPS patrol car, giving the county day and night patrol service.

Fant told the commissioners that the department had need for an additional radar unit, costing approximately \$80 per month lease. A resolution was passed unanimous-

ly, approving the additional radar unit.

Judge Paul Fortenberry was authorized to advertise for a new automobile for the Sheriff's department, with bids to be opened on April 10. The department will trade a 1970 model automobile in for the new car.

Approval was granted to pay utilities for a family in Bovina, who have been sick and unable to find work.

J.C. McCracken was granted permission to re-equip an old stock well, which had been moved to clear right of way for the damsite on Catfish Draw near Bovina. McCracken agreed to hold the county and the Soil Conservation Service harmless for any damage which might occur to the well after it is reinstated.

Vote Period Is Underway

Absentee voting in both the city and school spring elections are underway, and will continue through Tuesday, March 28.

Absentee ballots may be cast in the superintendent's office at Friona High School Monday through Friday from 8 a.m. until 4 p.m.

School will be closed on Friday, Monday and Tuesday, March 24, 27 and 28. Any voter wishing to vote absentee on those days are asked to call Tom Jarboe or Bob Owen for assistance.

Absentee voting in the city election will be conducted at the city hall.

Pet Clinics Set March 24, 31

The annual small animal clinic sponsored by the City of Friona for owners of dogs and cats will be held on the next two consecutive Fridays, March 24 and March 31.

Dr. Gary Cash of Friona Veterinary Clinic will be on hand both days between the hours of 3 and 5 p.m., to administer anti-rabies vaccinations. A city official will be on hand to register and tag the animals.

Chamber, City Are Pushing Clean-Up

The Friona Chamber of Commerce is sponsoring "Spring Clean-up Week" in Friona for the week of March 23-30, and urges all of the citizens of the community to cooperate in helping to make Friona a more attractive place in which to live and work.

"We urge every resident to participate by gathering trash, paper, cans and debris from their property and alleys, and placing it in their trash boxes," says Carl McIntroe, chairman of the project for the Chamber of Commerce.

The City of Friona joined the effort, and Mayor B.K. Buske signed a proclamation this week designating the week of March 23-30 as "Clean-Up Week."

"Whereas such Clean-up Week

Brad Shearer Is All-Sports Speaker

Outland Trophy winner Brad Shearer, former star lineman for the Texas Longhorns, will be the featured speaker Tuesday night, March 21, at Friona's All-Sports Banquet at the Community Center.

Athletes from all sports at Friona High School will be recognized at the event.

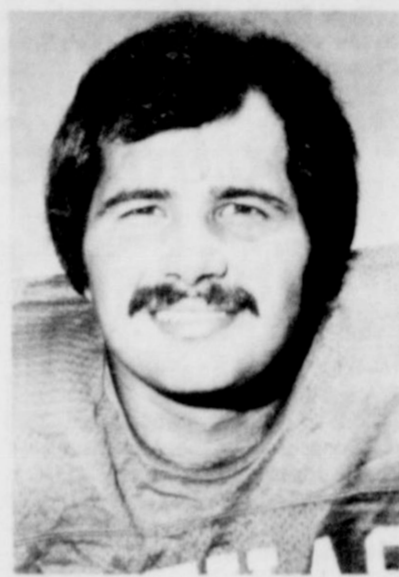

Shearer, a four-year starter for the Longhorns under coaches Darrell Royal and Fred Akers, has been named all-SWC three times, and was a consensus all-American in 1977.

The Outland Trophy is presented annually to the player voted as college football's outstanding lineman by sports writers across the nation.

Shearer served as co-captain of the Southwest Conference champion Longhorns, the number one rated team in the nation much of the season.

He was named the Southwest Conference's top defensive player for 1977 by the Dallas Morning

★★★

BRAD SHEARER

Bovina Citizens Are Honored At Banquet

"We've had some problems in the future. But we will have faith that we will overcome these obstacles," State Senator Kent Hance told those attending the 18th annual Bovina Chamber of Commerce banquet Thursday night.

"The farming situation is not good right now, but it surely will get better," the Lubbock legislator said.

Hance said that the key was in working together to achieve a better community and a better area.

The chamber presented honors to four residents of the community. Don Murphy was honored as "Man of the Year," and Mrs. Oakley Stevenson was named "Woman of the Year." Both leading citizens were cited for their longtime record of service to their churches, community and youth.

Honored as the outstanding young people were Karla Mills and David Murphy, students at Bovina High School. The selection of young Murphy prior to his father winning "Man of the Year" made it a father and son situation for those two honors.

Introduced as new officers for the Chamber were Steve Sherrill, president; Tom Bonds, vice president; Mrs. Ralph Roming, recording secretary; and Mrs. Jack Kassahn, manager. Gaylon Rhodes is past president.

New directors are Mike Spears,

Eugene Griffin, James Roach, Mike Beauchamp and Mrs. Billy White-cotton.

Entertaining for the banquet was Zelda Ellison, Bovina native, who sang four numbers, accompanying herself at the piano.

Serving as master of ceremonies was Ken Horn. Over 350 people attended the banquet, held in the school cafeteria. A number of Friona residents attended the annual banquet.

FHS Student Wins Washington Trip

John Carson, Friona High School senior, became the 12th Friona youngster in 14 years to be named a winner in the "Government in Action" youth tour program.

As a winner, Carson will join youngsters from across the state for a trip to Washington, D.C. this summer. The program is sponsored by Texas Electric Cooperatives. The local contest is sponsored by Deaf Smith Electric Cooperative. Competition was held in Hereford Wednesday night.

Winner of the girls' division of the 1978 contest was Evie Wilhelm of Nazareth. Tracy Horton was the entrant from Friona.

Carson is active in forensics at Friona High School, as a debator. He also is in the FHS band, is in Thespians, Student Council, National Honor Society, and plays on the golf team. He is the son of Mr. and Mrs. David Carson.

Past winners in the contest from Friona have been: 1965: Tommy Sherry; 1971: Sally Kendrick; 1972: Holley Stephenson and Carl Evans; 1973: Danny Simpson; 1974: Carol Bavousett and Gary Stone; 1975: Pam Veazey; 1976: Lisa Edelman and Philip Hand and 1977: Bryan Johnston

News, Houston Post, Fort Worth Star-Telegram and United Press International.

He was named defensive player of the week three consecutive years in his team's game against the University of Oklahoma, by the Dallas Morning News. He was cited as Chevrolet's defensive player of the game twice, in TV performances against Arkansas in 1975 and against Baylor in 1977.

Shearer was the winner of the D. Harold Byrd leadership award, which is voted by the Longhorn team.

The banquet is being catered by Poor Boy's of Clovis.

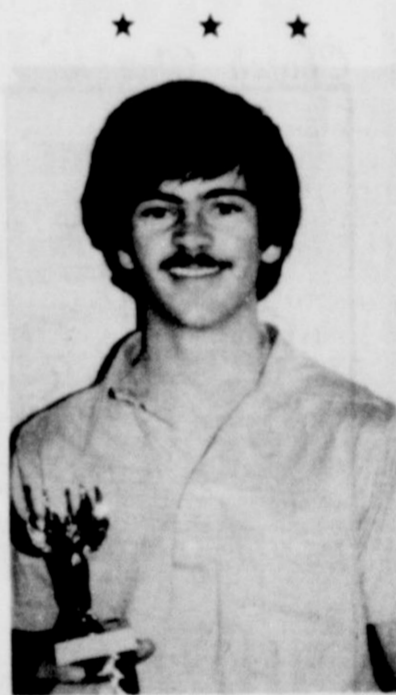

School To Dismiss At Eastertime

School will dismiss in Friona for the Easter break, beginning on Friday, March 24.

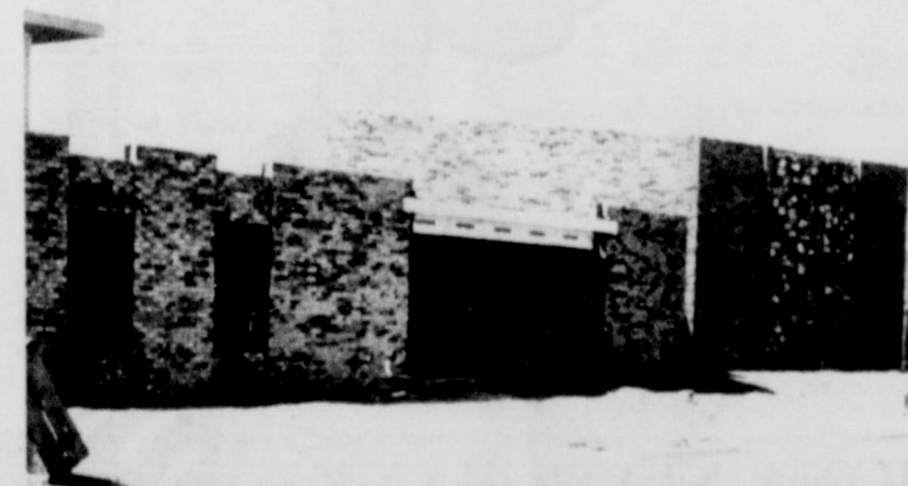

Actually, school will dismiss an hour early on Thursday, March 23, with buses running an hour ahead of schedule. School will be out Friday, March 24, Monday, March 27 and Tuesday, March 28.

School will resume at the regular time on Wednesday, March 29, according to Superintendent Tom Jarboe.

The break was originally scheduled to begin on March 23, but a day was omitted to make up for a school day lost due to a snowstorm on February 17.

JOHN CARSON, Friona High School student, was the winner Wednesday night of the Government in Action Youth Tour oratorical contest, conducted by Deaf Smith Electric Cooperative.

WORK PROGRESSING....The remodeling program at Friona's Sixth Street Church of Christ is progressing nicely, and the church expects the job to be finished by

April 16. An open house has been set for the Sunday of April 23. Included in the expansion is a beautiful new 600-seat auditorium.

AMONG THE WINNERS from Friona High School at the Canyon Speech Tournament last weekend were debaters Mark Edelman (left) and Bryan Johnston, right, and Sheri Noah in prose reading.

(See Story on Page 15)

South Plains Farm Show Set March 30

The South Plains Farm Show, the largest exhibition of farm and ranch equipment ever held in the South Plains, will open its doors Friday, March 30, for a three-day run in the Lubbock Memorial Civic Center.

R. B. Allen, executive vice president of the Southwest Hardware and Implement Association, sponsors of the show, said that the show has been assured success because every major manufacturer of farm equipment will be on hand plus dozens of specialty companies.

Allen pointed out that the South Plains Farm Show is free and open to everyone and there will be plenty of free parking at the Civic Center.

There will be hundreds of dollars of door prizes given away each day. The only requirement is to register at the Civic Center each day for the drawings.

APPRECIATION PLAQUE...W.D. "Dub" Turner (right) was honored Thursday at Wayland Baptist College for his service as chairman of the college's Board of Trustees. Presenting the appreciation plaque

was Wayland President Dr. Roy C. McClung (center) while in-coming board chairman Curtis Murphee of Friona looks on. A Lubbockite, Turner will continue as a trustee.

Labor Contracts Signed By MBPXL

WICHITA, KANSAS-- MBPXL Corporation announces that it has signed multi-year labor contracts with local P-77 of the Amalgamated Meat Cutters and Butcher Workmen of North America, AFL-CIO covering MBPXL plants in Plainview and Friona, Texas.

The contract at the Friona plant is a three year contract lasting until February, 1981. Four hundred employees now slaughter cattle at this location but employment will be raised to about 900 when a new carcass fabrication facility at this location starts production in May and increases to capacity.

Seven hundred workers at Plainview slaughter cattle and fabricate carcasses under the new contract which will run until August 1981.

Erv Priceman, MBPXL executive vice president, expressed pleasure with the terms of the agreement which he said were "fair to the employee and the share-holders." He further stated that the extended period of harmonious labor relations provided by these contracts and those at the company's other primary locations "Rock Port, Missouri expiring in June 1979 and Wichita, Kansas expiring in July 1980" will allow the MBPXL workers and management to devote their efforts to producing the best beef product and to serving their increasing number of customers. MBPXL is currently selling beef at an annual rate in excess of one billion dollars.

Friona Flashbacks

..... from the files of The Friona Star

50 YEARS AGO-MARCH 16, 1928

Whether to remain a village or to become an incorporated town with a commission form of government will be decided by voters of Friona on Monday, March 19, the date set for the special election.

Mr. F.T. Schlenker, whose farm is about 14 miles west of Friona, last week sold sixty head of graded Hereford cows for the sum of \$4,000, or an average of \$66.66 per bushel.

40 YEARS AGO-MARCH 11, 1938

At a recent meeting of the Board of Trustees of the Friona Independent School, Prof. O.M. Stewart was re-elected to the position of superintendent of the school for the next term.

Work on the new highway 33-60 through Parmer County has been progressing at a very satisfactory rate during the past two or three weeks. The first layer of caliche has been laid and packed between the Deaf Smith County line and the eastern edge of Friona.

35 YEARS AGO-MARCH 12, 1943

After having served as pastor of the local Baptist Church for more than five years, Rev. Joe Wilson recently tendered his resignation, and plans to accept a similar position at Sundown.

Miss Charline McFarland of Friona is doing practice teaching in the Lubbock public schools this semester. The daughter of Mr. and Mrs. J.B. McFarland, she is a senior public school music major.

30 YEARS AGO-MARCH 12, 1948

Joint funeral services for George S. Stowers and Alvin A. Crow, victims of a tragic rail crossing crash at South Main Street last Friday, were conducted Sunday afternoon at the Friona Methodist Church.

25 YEARS AGO-MARCH 12, 1953

The staking of lines of the West Texas Rural Telephone Cooperative has now been completed in Parmer County. Four exchanges are to be located in this county, as follows--Parmer, 3 miles north and 7 miles west of Friona; Hub, 3 miles south and 4 miles east of Friona; Tharp, 3 miles north of Bovina, and

Oklahoma Lane, 1 mile northwest of Lariat.

20 YEARS AGO-MARCH 12, 1958

Friona's Squaws bowed out of the running for the Region 1 girls' basketball (Class A) tournament in Lubbock by a score of 54-74. The White Deer girls went on after the win over Friona to trim defending champion Ropesville 77-61 Saturday night in the Class A finals.

Foul weather cancelled the appearance of Congressman Waggoner Carr at the annual Chamber of Commerce banquet Wednesday night.

A special Open House is slated for Tuesday at which the people in this area will get the first look at new Case tractors with years-ahead styling, engineering and performance. Spotlighted during the Open House will be what OF&O Supply Co. heralds as "the greatest engineering achievement in farm tractors in 25 years." This is Case-o-matic Drive.

15 YEARS AGO-MARCH 14, 1963

Dwain Phipps exhibited the grand champion steer and Bobby Gleason of Lazbuddie had the grand champion barrow at the annual Parmer County Junior Livestock Show last weekend.

The Friona Squaws will be shooting for "All the marbles" this weekend, at the state girls basketball tournament. The Squaws will play Little Cypress of Orange in their first game Friday night.

Bookmobile Schedule

The High Plains Bookmobile will be in our area on the following dates:

Wednesday, March 22--Needmore, 9-10 a.m.; Stegall, 10:30-11:30 a.m.; and Threeway, 12 noon-2 p.m.

Thursday, March 23--Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona, 1-1:15 p.m.; and Hub, 1:30-2:30 p.m.

The Bookmobile will not make its regular Friday and Saturday run due to the Easter holidays.

10 YEARS AGO-MARCH 7, 1968

A late-winter blizzard interrupted the Friona area's spring-like weather early this week, but the cold front brought additional moisture to farmland, which now is in the best shape moisture-wise that it has been for many seasons at this time of year. The City of Friona measured a total of .40 inches of moisture in the form of rain, drizzle, sleet and snow.

Marion and Ruthie Fite announced this week the sale of Friona's Ben Franklin Store to Kenneth Williams, a former Friona businessman.

5 YEARS AGO-MARCH 15, 1973

Mrs. Percy Parsons, who recently moved to Friona from Olton where the Parsons family lived for several years, was honored as "Woman of the Year" by the Olton Chamber of Commerce at its recent banquet.

The Friona Community Center-Showbarn fund drive was kicked off last Friday following a breakfast at Earl's Parmer House Restaurant.

SCHOOL LUNCH MENU

WEEK OF MARCH 20-23

MONDAY--corn dog, corn cabbage slaw, mixed fruit and whipped cream, cabbage slaw hot rolls and Borden's milk.

TUESDAY--soup and chili sandwiches, bread, crackers mixed vegetables, fruit and Borden's milk.

WEDNESDAY--frito pie, pinto beans, cornbread, lettuce and tomato salad, yellow cake and Borden's milk.

People Are... the Friona State Bank

This week the Friona State Bank salutes Jerry Hinkle who is a Senior Vice President with our firm. Jerry has been with us for 18 years and deals mostly with farming, cattle and commercial loans. Jerry and wife Lucy Beth have three children, Brent age 11, Wendy age 9 and Wade one year old. Jerry is active in the civic affairs of Friona and is currently serving as President of the Evening Lions Club. He is a past director of the Chamber of Commerce and is currently serving on the School Board and the Little League Board. We are proud to have active, civic-minded folks like Jerry Hinkle on our team at the Friona State Bank where "People Come First."

PEOPLE COME FIRST

Smith Sets Visit Here

Former Governor Preston Smith will bring his campaign to be returned to the office he held from 1969 through 1972 to Friona on Monday, March 20.

The 22-year public servant will be honored at a reception in the Community Room of the Friona State Bank from 2:15 p.m. until 3 p.m. Everyone is invited to meet Governor Smith and discuss the issues in the governor's race.

Governor Smith is taking his campaign for governor to more than 300 cities and towns across Texas and plans to visit with as many Texans as possible.

"I have always prided myself on being the people's governor," he said. "While I was in office, the doors were open to all Texans, not just a few special interests."

During his visit, Governor Smith will discuss various issues in the campaign, including his continuing desire to make Texas the best state in the nation to receive an education. While serving as governor, he established more new state universities, medical and dental schools and vocational-technical training facilities than any governor in Texas history.

He has also unveiled a plan to return any revenue surplus to the taxpayers of Texas through a reduction in the sales tax.

"The money belongs to the people of Texas and should not be left to the whims of the legislature to spend it. It should be returned to the people in the form of a tax reduction."

SCS Report

"Farmers hold their fate in their own hands," according to J.D. Smith, member of the Texas State Agricultural Stabilization and Conservation (ASC) committee. Smith, who produces cotton and grain sorghum in Lamb County, attended a meeting in New Orleans with top ASCS officials to discuss the farmer-owned grain reserve program and the 1978 wheat and feed grain set-aside.

"I came away convinced that only through heavy farmer participation in the reserve program and the wheat and feed grain set-aside programs can we come out of the price slump we're in now," he said. "Through voluntary, individual participation in farm programs, farmers can achieve the organization and the clout necessary to affect the marketplace," Smith said.

"The advantages of the reserve are clear--store now for future profit and receive help with your storage costs. Many farmers have been holding their grain since harvest. Placing it in the reserve gives them the opportunity to make a profit when prices rise. We as farmers need to send a message to the grain traders--we won't sell cheap," he said.

"Not only is it important to isolate surpluses from the market," Smith said, "we must try to prevent a further buildup in supplies. The set-aside program offers each farmer the opportunity to make an individual decision on how much acreage he or she wishes to plant and how much he or she wants to hold out of production," he said. While the program is voluntary, only those who participate will be eligible for commodity loans, target price payments and disaster benefits. Those farmers in the north and west part of the state who have received low-yield payments and our wheat producers know full well the value of these benefits," he noted.

 City Assessor-Collector

Legal Notice

LEGAL NOTICE

General Telephone Company of the Southwest has filed tariffs with the Public Utility Commission of Texas to implement the Federal Communications Commission's telephone equipment registration program (FCC Docket 19528). The tariffs have an effective date of April 15, 1978. The proposed changes will reduce rates for extension telephones and 25 foot long cords; will restructure one-time charges for service connection, moves and changes, increasing some and reducing others; and will offer reduced monthly rates for one-party business and residence customers who provide their own primary telephone instrument. The proposed changes in rates, with some increasing and others decreasing, will reduce General's gross revenues from its Texas operations by \$2,565.00.

GTE GENERAL TELEPHONE

PROCLAMATION
WHEREAS, it has been determined that a City-wide Clean-up Week is in order for this time of the year, and WHEREAS, such said Clean-up Week would enhance the beauty of the City by the removal of accumulated trash and debris, and WHEREAS, the Clean-up activity would materially assist in the reduction of fire hazards, fly and mosquito breeding habitats and improve the general sanitation, welfare, and appearance of the city,
NOW THEREFORE, I, B.K. BUSKE, Mayor of the City of Friona, Texas, call upon the citizens of this city to observe the week of 23d thru 30th March, 1978, As Clean-up Week in the City of

Friona, and all citizens are hereby urged to participate by gathering trash, paper, cans and debris from their property and alleyways, placing the same in the new trash boxes of the city where the sanitation department may remove same.

SIGNED AT FRIONA, TEXAS, THIS THE 15TH DAY OF MARCH, 1978.

B.K. Buske
Mayor

Jim Dixon

TAKE SECOND...The Friona Star volleyball team took second place honors in the Farwell Mixed Volleyball Tournament sponsored by the Farwell Jaycees last weekend. Members of the team are, standing, left to right, Johnny Broyles, Theresa Buck and Bill Perkins. Kneeling are Lisa Howell and Vickie Copley. Mike Blackburn and Caryn Wilcox were not present for the picture.

Committee Expresses Concern

The executive committee of District 3-AA has gone on record as expressing "concern and displeasure with the behavior of a few fans from both schools" in regard to incidents after the final district games of the year between Dimmitt's and Friona's varsity teams, played at Dimmitt.

The committee, made up of superintendents of the member schools, met to consider business pertaining to the 1978 basketball season, and discussed the incident which occurred at Dimmitt Feb. 14.

Supt. Tom Jarboe of Friona and Supt. Robert Ryan of Dimmitt, in a joint statement, detailed events leading to and taking place on the floor after the boys' game. They reported that fans confronted players on the floor, and that there

was verbal abuse of players, coaches and officials.

The committee went on record to say that it was "not pleased with the reported fan behavior, and this type of problem will be more closely handled by the committee in the future."

Jarboe said he felt the executive committee "was understanding concerning the disturbance," but added that he felt another such situation would bring some type of disciplinary action.

The committee has the power to place a school on probation or to bar a school from competing for district honors for violation of the Basketball Plan of the UIL, Jarboe explained, provided a protest is filed and facts support the charges made.

A protest may be filed by a school or a referee.

Chiefs Sparkle In 1978 Track Debut

Friona's Chieftains opened their 1978 track and field season, with a bang last Saturday, winning their own invitational meet by scoring a total of 120 points.

In the most successful track showing for boys in two years, the youthful team scored a "must" win in the final event, the mile relay, and had to have Olton finish at least fourth to overtake the Mustangs in the team point total.

The final tally found the Chiefs with 120 points, to 115 for Olton. Two other District 3-AA teams, Muleshoe and Littlefield, finished with 66 and 12 points respectively.

Almost as good news as the meet win was the weather for the local track meet, which was near perfect, especially for the afternoon portion. The temperature reached the low 60s, with virtually no wind for the entire meet.

In racking up the meet title, the Chiefs scored wins in both the mile and 440-yard relays. It was the first sprint relay win for the Chiefs in a number of years.

"According to the individual times, some of the other schools appeared to have faster teams, but our exchanges were excellent. We won it on the exchanges," said Coach Gary Jones, who was exuberant with the showing by the Chieftains.

The 440-yard relay foursome of Kenny Walter, Robert Alexander, Rod Owen and Eddie Brailiff won their event in 46.3.

The mile relay team, composed of three sophomores and a freshman, scored an impressive win with the time of 3:43.2. The freshman leadoff man is Chitto Caballero, followed by sophomores Rod Owen, Robert Alexander and David Fleming. Owen got the lead for the Chieftains, and Alexander and Fleming added to it on their legs.

The Chieftain track and field squad is made up of eight seniors, 14 juniors, 16 sophomores and a number of freshmen.

Friona placed 1-2 in the open quarter, where Fleming posted a 55.0 lap, and teammate Caballero was right behind in 55.7.

Koty Kothmann had the other first place for the Chiefs, winning the discus by almost 20 feet over his nearest opponent. Kothmann's win-

ning toss of 147-7 was more than 17 feet better than his first meet of 1977.

Other good marks by the Chieftains were turned in by Mike Hutson, a six-foot effort in the high jump (second place), Jeff Whiteside's 19-9½ jump in the long jump, and good for second, and Leslie White's 4:55.3 in the mile run.

White ran right with Muleshoe's Lee Elder, the winner of the event who went to regional in the mile in 1977.

Coach Jones said he was pleased with the work attitude of the Chiefs regarding the track season. "A

number of the kids are coming up before school and running, and then coming back again in the afternoon," he said.

Jones also credited athletic director Lonnie Phillips' total-program concept with helping the track team. Phillips encourages the athletes to participate in as many sports as possible. In addition, all of the coaches are working with the track program, various ones helping with the different aspects.

The Chiefs are entered in Farwell's Twin-City Relays this week, and it should prove a good

WIN TROPHIES....Friona Chieftain track team flashes No. 1 signs as they proudly posed with their trophies following their own invitational track meet here last Saturday. The team won both relay trophies as well as the team award.

In the back row, left to right, are Paul Ortiz, Todd Bandy, Jeff Whiteside, Joey Malouf, Jeff Peak, Rick Jackson. Row two: Koty Kothmann, Rod Owen, Mike Hutson, Eddie Brailiff, Kevin Kothmann. Third row: Bobby Davis, Ben

Landrum, Terry Salas, Chitto Caballero and David Fleming. Front row: Coach Gary Jones, Robert Alexander, Ernest Mills, Kenny Walter and John Ingram. Not present was Leslie White.

Some 16 teams are entered, and Jones expects to measure the Chieftains' skills against the likes of Olton, Farwell and New Deal. The latter team is said to be especially strong in the weight events and the sprints.

The team should be helped this week by the addition of hurdler Todd Bandy, who missed the Friona meet due to illness, sprinter Ricky Taylor, who joined the team this week, and Kevin Kothmann, who missed the first meet due to a conflict. Kothmann will enter the high jump and 880 yard run.

Michael Leal who had been on the junior varsity, placed sixth last

week in the 880, winning his heat, and has been moved up to the varsity.

Sylvia Malouf was the star for the Squaws in the girls division of the local meet. Miss Malouf was a double winner, taking the triple jump with a distance of 32-2 3/4, and the long jump with a mark of 16-2 1/2.

Miss Malouf narrowly missed being a triple winner, as she was edged for first place in the 220 yard dash by 1 second. She also ran a leg on the 880-yard relay team, to account for 30 of the team's 48 points.

Other point winners for the

Squaws included Robin Zetsche, fourth in the 880-yard run at 2:47.1 and Veronica Lafente, who was fifth in the event with a time of 2:48.4.

Paige Osborn placed third in the 440-yard dash at 66.3. Renae Monroe was fifth in the 80 yard low hurdles at 12.3. The Squaws' 880-yard relay team placed fifth at 1:57.05 and the mile relay team tied for sixth at 4:44.

The strong Bovina girls won all three relay races, plus three of the field events, and won the girls division for the second straight year with a total of 123 points.

Officers Are Honored For Arrest

Chief Robert Ferguson, president of the American Law Enforcement Officers' Association has announced that Sgt. Albert M. Hill and Thomas B. Edgett, former investigators with the Chaves County Sheriff's Dept., Roswell, N.M., have been presented the Merit Award for Excellent Arrest.

In a letter to the two men, Chief Ferguson states: "Too often we take for granted the vigil of our nation's law enforcement officers who routinely risk their lives every time they answer a call for help or interrupt a crime. Often these men are alone and asked to enter situations that could easily end up in a tragic injury or death of the officer. That is why it is a joy for me today to forward these awards as national recognition for a job well done."

The presentation was made on the basis of the January 7, 1978 arrest of Rudolfo Corrella, 25, of Roswell. The arrest was made possible by effective interagency cooperation among several law enforcement officers.

Sheriff Charles Lovelace of Friona, Texas, acting on information provided by Hill, was able to identify Corrella as a suspect wanted in Friona for the assault and knifepoint robbery of \$20,000 from a Piggly Wiggly Store employee.

Edgett was able to determine that Corrella had picked up his family in Roswell and boarded a bus back to Friona. Prompt notification of Eddy County Sheriff's officers at Carlsbad enabled them, with the aid of State Police, to halt the bus before it crossed the state line. The arrest took place less than 19 hours after the Piggly Wiggly Store heist.

Hill and Edgett received awards commending their "apprehension and arrest of a criminal whose acts were a danger to the public welfare." The certificates state: Their "display of courage, dedication to duty and general ability removed from the community a potential threat to the safety and well being of every citizen."

GIRLS RACE...The girls 220-yard dash event was almost a photo finish here last Saturday, when Linda Matur of Dalhart, second from the

right, won the race. Friona's Sylvia Malouf, to her right, placed second. Miss Malouf was a double winner for the Squaws in the jumping events.

Little Dribblers' Schedule, Rosters

Rhonda Parsons To Play For All-Stars

The Amarillo Chamber of Commerce released names of girls participating in the High School All-Stars (basketball) Game at 7 p.m. Saturday in the Amarillo Civic Center Coliseum.

The All-Star Game is held in conjunction with the Tenth Annual National Women's Invitational Tournament which begins in Amarillo at 1 p.m. Thursday. This is the Eighth Annual All-Star Game, according to Ed Mills, tournament director.

RHONDA PARSONS

WIVES HONORED...Local wives of graduating Oklahoma State Tech students admire special PHT (Pushing Hubby Through) Certificates they received at a special reception in their honor Friday, Jan. 27. The award recognizes them for helping their husband complete his

education at the Okmulgee college. Tech Director Wayne W. Miller made the presentation to the wives. Examining their certificates are (from left): Rebecca (Buchanan) Touma, Friona; Debbie (Knight) Simmons, Wheeler; and Kathy (Eschliman) Oliphant, Hurst.

Playing on the West Team from Friona is Rhonda Parsons. She is the daughter of Mr. and Mrs. Percy Parsons.

Miss Parsons was chosen to play on the "West" team in the contest. A 5-10 senior forward, Rhonda was her team's leading scorer at FHS for the past two seasons.

Miss Parsons scored 652 points during the past season, for a 19.2 points-per-game average. In addition to being the scoring leader, she had the best field goal percentage at 46.0, 248 of 544, and free throw average, 72 per cent on 156 of 216 shots.

The Panhandle High Schools have been divided into East and West Teams. The dividing line is US 87 and 287. Any high school sitting on the highway will be on the West team.

Tickets for the tournament are on sale at the Civic Center. Cost of tickets are Thursday and Friday-adults \$2.50, students \$2.00; Saturday-adults \$3.00, students \$2.50.

Other members of the West Team are: Evelyn Grace, Muleshoe; Melanie Upshaw, Hart; Pat Shepherd, Bovina; Kelly Maddin, Hale Center; Dorothy Rivers, Dimmitt; Terry Vincent, Hartley; Lesli Leimer, Dumas; Deborah Blankenship, Tulsa; Kim Arterburn, River Road; Terri Manley, Channing; Sharon Brown, Canyon; Karen Schulte, Nazareth; Dawn Harwell, Vega.

WINNER...David Fleming, sophomore member of the Chieftain track team, hits the tape first in the 440-yard dash here last Saturday. Partly hidden and to Fleming's right is freshman Chitto Caballero, who placed second in the race. Fleming was the meet's high point man, running on two winning relay teams as well.

Chairman Reports On Fund Drive

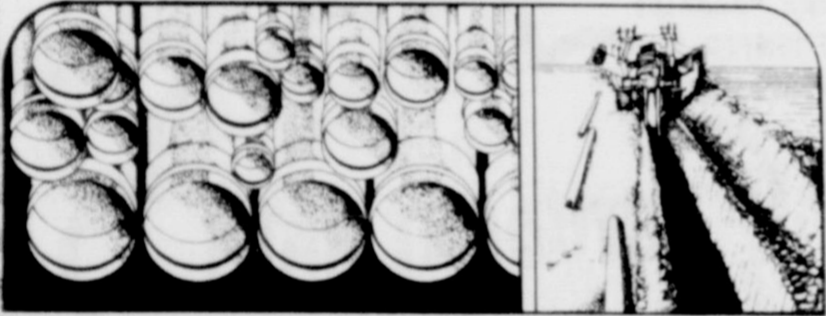

The hard work of all who assisted and the generosity of contributors resulted in a collection 385 per cent over this year's goal, according to Mrs. Arlene McCallum, Farmer County chairman for the American Heart Association's "Heart Sunday."

Pat Fleming was the drive chairman for Friona.

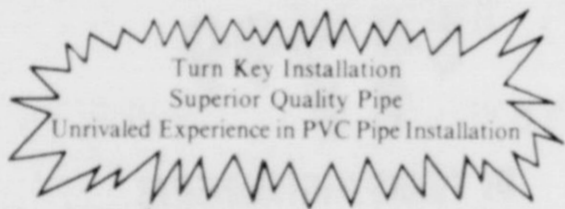

"It was hard work for all of us," Mrs. McCallum stated, "but the result is magnificent. Lazbuddie has not yet reported, and still we know that \$3,872.67 was collected from four communities: Friona, \$2,006.02; Farwell, \$620.95; Bovina, \$1,020.60; and Oklahoma Lane, \$225.10. With Lazbuddie added, we could go over \$4,000."

"We want to thank everyone who contributed in any way to the financial success of this drive," Mrs. McCallum concluded.

L'il League Tells 1978 Officers

Friona's Little League board of directors was reorganized at a recent meeting, with new officers selected for 1978.

Jerry Loflin was named president of the organization. Vice presidents, with authority over various leagues, are as follows: Carl White, Senior Babe Ruth; Gale Warren, Senior League; Ray Dean Fleming, Major League; Charles Caudill, Minor League and Frankie Allen, T-Ball League.

Ruth Tucker is secretary on the board of directors; Jerry Hinkle is the treasurer; Carrol Gatlin is player agent; Beaman McDonald is umpire in chief; Rex Williams is purchasing agent and Donnie Campbell is in charge of maintenance and signs.

Other members of the board of directors are Ron Bost, Olivia Ortiz, Rick Luther, Rex Williams, Jack Straw and Kenneth Cary.

A pitching machine has been ordered, for use by the local teams for 1978.

A subsequent meeting, to discuss the 1978 Little League schedule, will be held for the directors on Monday, March 20 at the Community Room of Friona State Bank.

At Home In Parmer County

By Laura Jacobs

April 14-16, 1978 are the dates and the Texas 4-H Center near Brownwood is the place for 4-H leaders in clothing, family life, family resource management, foods and nutrition, and housing and home furnishings project. This weekend home economics training extravaganza for 4-H leaders will offer five outstanding workshops from which to choose. Both new 4-H leaders and experienced workers with youth are welcome to participate in the training.

Registration, supper and general sessions for everyone will begin on Friday evening, April 15 at 5 p.m. On Saturday, leaders will attend the workshop sessions for which they registered.

Clothing leaders will explore topics including "Fashion Direction," "Psychological Analysis," and "Creating An Illusion." Foods

and Nutrition leaders will examine topics such as "Metrics in the Kitchen," "Food Safety," "Food Preservation," and "Project Leadership and Achievement Events." Leaders in Family Life projects will look at "Personality Development-Y.E.S."

Family Resource Management participants will deal with "Energy Conservation Why's and How's" and "Consumer Education Activities." Housing and Home Furnishings leaders will preview the new "4-H Designer Event" plus "Selection, Use, and Construction of Home Accessories."

For additional information and registration details for the April 14-16 workshops, contact the Parmer County Extension Office located on the second floor, Courthouse, Farwell, or call 481-3619.

Natural Gas Termed Top Tax Producer.

State Comptroller Bob Bullock said last week that natural gas had nudged out oil as the state's top energy-related tax producer.

An analysis prepared for "Fiscal Notes," the monthly financial report published by Bullock's office, shows that the natural gas production tax brought in a record \$474.3 million in revenue in Fiscal 1977.

The oil production tax, which was the top revenue producer among the energy-related taxes the previous two fiscal years, slipped into third place behind motor fuel taxes.

(The State fiscal, or budget, year runs from September 1 through August 31.)

Bullock said natural gas production tax collections for the 1977 Fiscal Year were up 30 per cent over the previous budget year. Oil production taxes, meanwhile, declined one per cent to \$426.4 million.

Motor fuel taxes, which include the five-cent per gallon state levy on gasoline, brought in \$441.1 million in Fiscal 1977, up four per cent from the previous year.

The other major energy-related

tax, the utilities gross receipts tax, brought in \$58.5 million, up 29 per cent from the previous year.

Reduced production and a price freeze were primarily responsible for the decline in oil revenues, Bullock said.

Natural gas production also declined slightly in Fiscal 1977, but higher prices pushed revenues to the record high.

In another article, "Fiscal Notes" reports that statistics filed by the U.S. Bureau of the Census shows that Texas state and local governments spend less per capita on public welfare than the national average and most neighboring states.

Expenditures in Texas average \$87 per person, \$60 below the national average.

State expenditures for November totaled \$683.3 million compared to receipts of \$760.3 million.

Indian lotus seeds have been known to germinate when they were almost 2,000 years of age.

Try the money grower's saving salad

Mixed greens are good for you. Especially \$10's, \$20's and \$50's.

To The Editor

(Editor's note: The following is a copy of a letter written to Dale E. Hathaway, assistant secretary, Department of Agriculture.)
Dale E. Hathaway
Assistant Secretary
International Affairs and
Commodity Programs
Department of Agriculture
Washington, D.C. 20250

Dear Senator Hathaway,

Thank you for your informative reply to our mailgram about the farmers' plight. On paper it looks and sounds just great, but the fact remains that the Administration is turning a deaf ear to the farmer's pleas, (American Agriculture had four minutes to present their case to the President in that hour-long meeting you mentioned), and the current farm bill is NOT in the farmer's best interests.

You are an intelligent man and I will not reiterate to you what hundreds of farmers better informed than I have already told you.

Rather, I would prefer to address something of which you are probably knowledgeable but may not now the extent to which we in "Grassroots America" are aware.

Through American Agriculture strike offices across the nation and farmers who went to Washington in January, we have become alerted to an organization called the Trilateral Commission, established in 1973 by the Rockefellers, the major Eastern banks and those of Western Europe and Japan, and political and multi-national corporate leaders.

According to the Congressional Record, Jimmy Carter, himself David Rockefeller's handpicked man, has filled key cabinet posts with fellow Trilateral members, including the Commission's "brain-child," Zbigniew Brzezinski, our National Security Advisor.

Among the Trilateralists advising the President are Vice President Walter Mondale, Sec. of State Cyrus Vance, Sec. of Defense Harold Brown, Treasury Secretary W. Michael Blumenthal, Ambassador to the U.N. Andrew Young, and Senator Herman Talmadge, who is chairman of the Senate Agriculture Committee. I do not know whether Sec. of Agriculture Robert Bergland is a member.

Carter's political strategy so far

has been in complete harmony with the aims of the Trilateral Commission, and we have learned that the President, on Oct. 5 at the U.N., signed two United Nations treaties which will commit the United States to giving up our constitutional right to own private property, and our constitutional right to keep the government from confiscating private property without compensation.

These perfidious Human Rights Covenants...the United Nations Covenant on Civil and Political Rights, and the United Nations Covenant on Economic, Social and Cultural Rights...are a direct violation of the 5th and 14th Amendments. They currently await ratification by the U.S. Senate.

Given that perspective, how do you expect the nation's farmers to trust this farm bill or others like it which still refute 100 per cent parity and push farmers' dependency upon the government in every level of agriculture? The present farm bill does not control supply, and is attempting to subsidize the farmers into overproduction, resulting in a cheap market, forcing the farmers to rely upon the government for their income.

Two months ago, when a farmer told me about a senator who told him to urge the farmers not to give up or the U.S. would be under communism in 18 months, I thought it couldn't happen. And if it could, certainly not in the short span of 18 months!

The control of the nation's farms and agriculture could do it in that short a time. Agriculture is the very foundation of the nation's economy.

This farm bill you advocate, and which is being crammed down our throats, will only need to be in force for one year to get such a stranglehold on the agricultural economy that it will be a very short time until the nation's farmers have fallen like dominoes.

And the agriculture of the United States will be under the absolute control of a Trilateralist government, which will use cheap food as a tool to manipulate foreign policy to suit its own objectives. Parity for agriculture would mean a major setback in their economic takeover plan. Rather than allow the farmer a break-even price in the marketplace, President Carter is doggedly

pursuing subsidizing the farmers' loss out of the U.S. Treasury, i.e., the taxpayer's pocket.

Jimmy Carter is selling out the United States of America, and his price tag is the Presidency. I can assure you that farmers do not have a price tag on the integrity of the country, and American Agriculture is not merely seeking to fill the farmer's pocket, as when it first began, but has become a last-ditch weapon against an insidious group of powerful, greedy men who will ultimately cut their own throats as well as ours if they do achieve their objectives of socialist world power.

I appeal to you not to sell us short. We are your last bulwark if the United States is to remain a democracy.

A farmer's wife,
Mrs. Jay M. (Jan) Turner
Rt. 1, Friona, Tx. 79035

TO:
Bill Ellis
Editor
Friona Star
Box 789
Friona, Texas 79035

Dear Bill:

It's been a long time since I've gotten "involved" but here I go again--

Question: When is the City of Friona going to do something about the water situation in the Western Addition and/or all the WESTERN area of Friona???? We have two (not one, but TWO) City Aldermen, (Alderpersons??), that live in Western Addition but undoubtedly they do NOT carry much 'Clout' in our local City Government.

The problem is steadily getting worse each year as more houses are being built in the western areas of town.

I have complained about the problem before but we must be the only ones that have low water pressure in Western Addition, as NOTHING has been done to alleviate the problem.

Some people in town may not believe it (but it is a FACT) that during the peak summer months, we can turn on the tap and the water will actually STOP running completely. It's a standing joke when this happens to say "Well, one of our neighbors flushed their commode again."

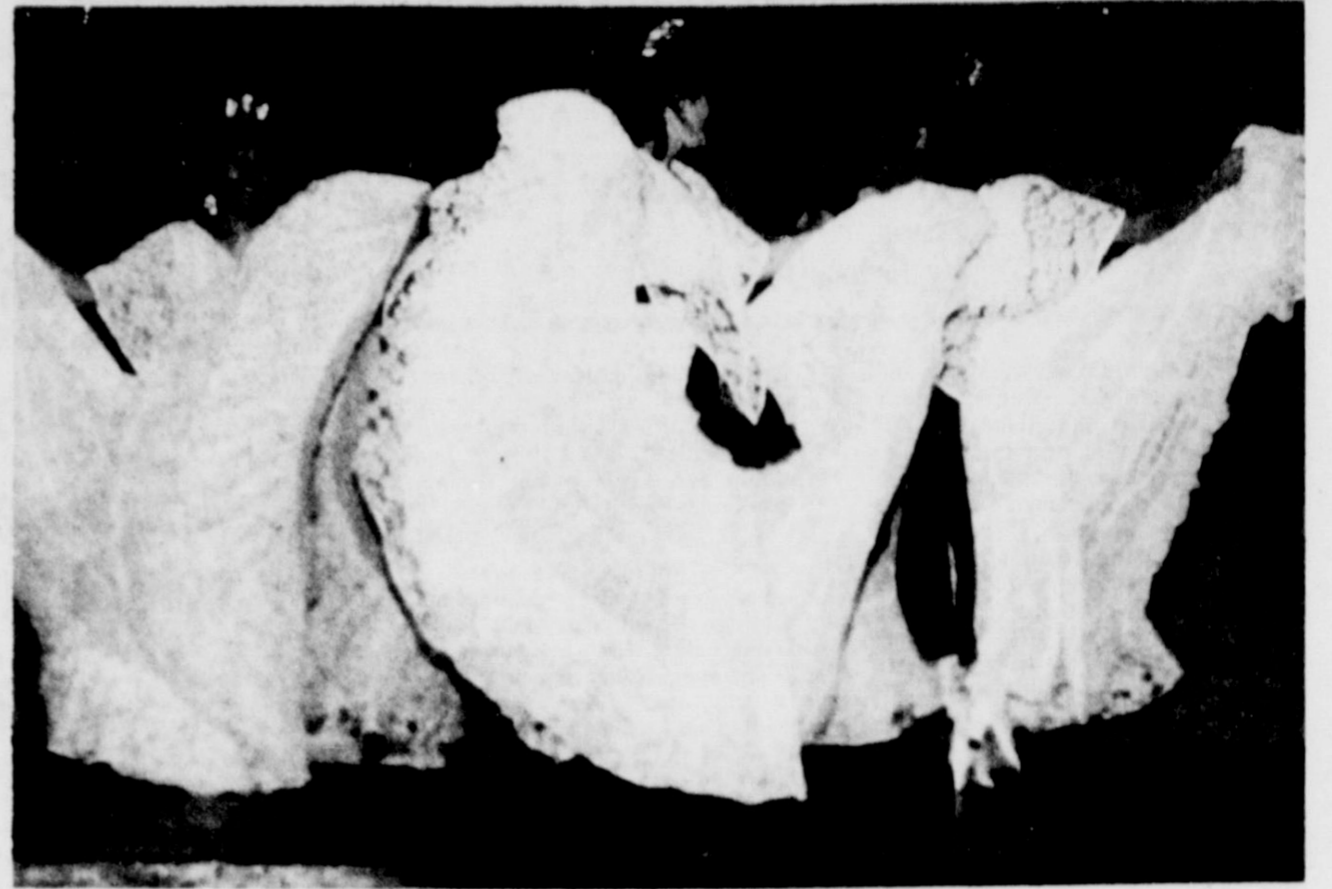

Last time I "made the mistake" of complaining about the problem (with a letter to the Editor), I got a call from an official of our City Government with an "explanation" of the problem.

I realize that ALL of us should try to conserve water, as it is, after all, a precious commodity but we would really like to feel that WE are doing the conserving on our own WITHOUT the assistance of the low water pressure turning the water OFF for us!!

Sincerely,
Thelma Watkins

Revised Dates Are Given For Recital

Mrs. Ruth Piasecki Jones and Marianne Jones, teachers at the Piasecki School of Dance in Clovis, this week announced their Spring Recital Schedule. The recital will feature the combined students from the Clovis and Friona dance classes and the production will be

DANCERS COMING... "The Mexicas," a dance troupe from Laredo, will visit Friona April 1 and 2, and will present special programs at the

Methodist Church here. The group will present a public performance at 6 p.m. Saturday, April 1.

Dance Troupe Sets Performance Here

Friona United Methodist Church is announcing the visit of "The Mexicas" dance troupe from Holding Institute in Laredo, Texas, on April 1 and 2. The dance troupe is a group which performs folkloric dancers from Mexico as a means of sharing their rich cultural heritage and promotion of their school.

The Dance Troupe is a group composed of students from Holding Institute, a junior and senior high school, which is an arm of the missionary enterprise of the United Methodist Church.

Friona United Methodist's junior high youth group visited Laredo and the Holding Institute for a week last June while participating in a workcamp experience. One troupe of dancers performed for the group while there in Laredo and the excitement, color, history and movement of these dancers were so impressive that the dancers were invited to visit Friona.

"Friona has been included in their spring tour and we will be honored with their presence and performance on Saturday evening, April 1, at 6 p.m.," said a spokesman for the church.

The 22 students participating will be staying in homes on Saturday night, will lead Sunday morning services at the Friona UMC, at 10:45, and will be honored with a covered dish luncheon following the service.

"The Mexicas" have approximately twenty-five different dances in their repertoire. The costumes are copied from the original and are made by students when possible or by special Mexican seamstresses. In

making the costumes much research and preparation is done before adapting a new one.

Salvador Ibarra has been the instructor of the dance club for four years. He is a native of San Luis Potosi, Mexico, and a graduate of Holding Institute. In addition, Ibarra is a full-time faculty member

at Holding. His training as dancer has been done by participating with professional groups and studying under prominent Mexican instructors.

The dance troupe will be performing in Sonora, Snyder, Lubbock, Friona, Midland and San Antonio on their spring tour.

Civil Cases Slated In District Court

Civil cases are on the docket for 154th District Court in Farwell next week.

Names of 101 petit jurors were released this week by Sheriff Charles Lovelace. Jurors are to report on Monday, March 20 and Wednesday, March 22.

Those summoned included:
MONDAY, MARCH 20, 1978
AT 1:30 P.M.

Cindy Kay Bowman, Erma Dell Templar, Tomasa Tamez, James Raymond Spencer, Floyd Wilkins, Donald Leroy Burnett, Iris Ann Stephenson, James Britton Collum, Karen Lois Hart, Mayme Dempster, Robert Beavers, John Moody Smith.

Also, Betty Jo Renner, Harry Paul Hamilton, Sam Floyd Williams, John Littlefield, Gregoria Sierra, James Fredrick Bailey, Beatrice Louise Watts, Mrs. Donald C. Wright, Monta McClaran, Michael Scott Miller, Betty Lou Spring, Elva Ann Kelley.

Also, Velma Othelia Bennett, Roy G. Arnold, Bruce John Kaltwasser, Mrs. John S. Thompson, Monty Karen Allen, Mary Ralph Smith, Generosa Knapp, Bill Weatherly, Donna Ann Perkins, Richard Whitson, Clara Louise Lundy.

Also, Betty Estelle Embry, Eldon Keith Long, Virgil Milton Ferguson, Raymond Karl Schueler, Charles W. Sanders, Louise Roberson, Elsie Coronado, Barbara Ann Matthews, Betty Fern Chaney, Jonnie Marie

Ivy, Francis Harvey Wallis, Sandra Ellen Clayton.

Also, Ovid Conner Lawlis, Noyle E. Wood, Marvin Claud Morgan, Jr., Kathryn Ann Gober, Glen Earl Reed, Randy Hop Lewis, David Allen Cochran, Truman Lee Gleason, Eugene Victor Thompson, Richard Bryan Vaughn, Andrew H. Wilson, Loree Hilton Myers.

Also, George Daniel Magness, Nona Faye Precure, Bertha M. Hardage, Phillip Gregory Brockman, Alice Juanita Reed, Rhonda Lynn Bentley, Tina Marie Isaac, Belinda Lee Wilbanks, Jessie Soliz, Troy N. Crutchfield, Mrs. Calvin Johnson and Richard Perkins.

WEDNESDAY, MARCH 22, 1978
AT 9:30 A.M.

Joe Bob Mann, Esther Rose Trimble, Annie Mae Thomas, Patsy Parker, Mrs. Barry Williams, Charles Millard Rector, Harold Joe Wells, Hector Jesus Tavera, Lisa Kay Edelman.

Also, Jane Stephens, Robert Lynn Johnson, Benita Viernes, Jacques Sue Nabers, William Lynn Burton, Jr., Irma Jo Englant, Joe Arturo Olvera, Gene Ray Schueler, Jean S. Wiseman.

Also, Arnold Raymond Hromas, C.W. Dale, Pat Louise Turner, Claude Tamez, Mrs. Steve A. Taylor, Eva Lorene Outland, Mary Ann Mayfield, Darlene Murphy and Linda Gerles.

Piasecki School Of Dance

Announcement To Parents and Students

Due to the cooperation of the Clovis School System we have been able to schedule a new time for our Spring Recital in Clovis. Our new recital and rehearsal schedule is as follows:

Clovis Dress Rehearsal Marshall Auditorium
Friday, May 19, 5 p.m. Texas Time

Clovis Recital Marshall Auditorium
Saturday, May 20, 8:30 p.m. Texas Time

Friona Dress Rehearsal High School Auditorium
Wednesday, May 24, 8:30 p.m.

Friona Recital High School Auditorium
Saturday, May 27, 8 p.m.

Please note these dates on your calendars, as we will not be able to change them again.

Appearance Sale!

Thursday, Friday & Saturday
March 23, 24, 25

20% OFF

DISCOUNTS GALORE

Anything In The Store!

★ See Our New Selection Of Fashions For The Spring Season.

Ruthie's Anita Powell, Mgr.

801 Main

Friona, Texas

Ph. 247-3232

performed in both cities.

Approximately 60 young people from several Texas and New Mexico towns will be presented in the recitals. Dances performed will range from modern jazz to classical points.

The recital and rehearsal schedule is as follows: Clovis Dress Rehearsal, Marshall Auditorium, Friday, May 19, 5:00 p.m. Texas time... Clovis Recital, Marshall Auditorium, Saturday, May 20, 8:30 p.m. Texas time. Friona Dress Rehearsal, High School Auditorium, Wednesday, May 24, 8:30 p.m.... Friona Recital, High School Auditorium, Saturday, May 27, 8:00 p.m.

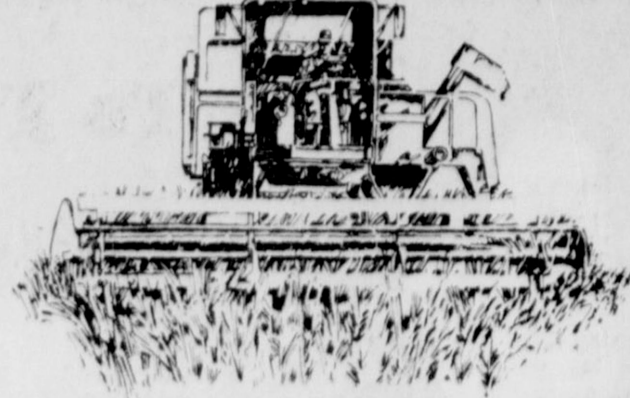

These dates are different from the school's originally announced dates, which conflicted with some Friona School events. Thanks to the cooperation of the Clovis School Officials in obtaining the Auditorium on a different date, the recitals can now be scheduled on concurrent Saturday nights.

FHS Thespians will be assisting with the Friona recital, lights, curtains, etc. There will be a small admission charged for the Friona recital with the proceeds being donated to the Thespians organization for the purpose of a badly needed tape recorder.

Give.

FARMERS CONSIDER THE 50% NO PLANT

Low Farm Prices Can Increase Your Taxes

We hear people saying "I'll do it if my neighbor goes along with." Somehow, that remark does not make much sense! Reason number one: We can see from the report below that the U.S.D.A. projects a locked-in loss for the next four years. The cost of production is higher than the sale price. The situation will not get better under the 1977 farm bill. Reason number two: The reasons for supporting American Agriculture involve not just dollars and cents and per cent of profit. The reasons involve your family--their way of life--the future

of your country. These are not small reasons! President Carter offers no solutions to the current crisis facing American farmers. He has said that better times are ahead "for those who can survive." This lack of concern by the President offers us but one alternative, and that is to produce only 50 per cent of normal production. This is our only method of forcing the administration and the Congress into immediate action. Without a reduction in acreage, it's doubtful that the Congress or the administration will be willing to

offer us anything but a guaranteed loss for the next four years. How many farmers can stand four years of the prices that exist today? Now is the time for integrity, courage and fortitude. You know the limits of your ability. You know if you must plant 20 per cent, 50 per cent or 70 per cent to keep an SBS loan or FHA loan or a rental agreement. American Agriculture has always asked for individual effort. However, we should each examine our conscience to determine where that limit is and then take a firm stand.

We destroyed the American Indian. We put him on a reservation... Put him on welfare and supported him with our tax dollars.

Are we going to destroy the American farmer? Drive him to the cities to compete with us for our jobs? Then put him (or us) on welfare to be supported by tax dollars?

Or ... are we going to help him to receive parity for his products so he can pay (not receive) tax dollars to help support our nation and boost our economy.

If the farmer received parity for his products, this additional income into our nation's economy would create new jobs for the unemployed, revive our rural towns and put new life into our cities.

The taxes generated from this income could balance the national budget and the U.S. Trade Deficit, solve the energy crisis and stabilize the U.S. Dollar.

U.S. Farmers received 107% parity from 1943 to 1953. During this time, the national budget was a balanced and the nation's economy was stable.

The American Farmer received 90% parity in 1973. Taxes were paid on this in 1974. The national budget was almost balanced and also the U.S. Trade Deficity.

The Arabs have a surplus of oil. Does this surplus create CHEAP oil for the world?

The United States has a surplus of food. Should this surplus create CHEAP food for the other nations of the world?

Why should our nation be penalized for creating a surplus, when the world needs this surplus and will pay parity to purchase it? Why do we give it to them?

By giving our country's most precious natural resource away, we are not only destroying the American Farmer, we are destroying our country as well.

The U.S. Government, like the American Farmer, gives away what it has and pays ballooned prices for what it needs.

OUR DOLLARS go out - - - and NONE come back !!!!

By furnishing cheap food for the world, our government (with our tax dollars) is subsidizing the other nations of the world.

When we are paid parity for our food, how rich our country will be. The Arabs have oil. . . . The United States has food. The question is , not what parity can do for the farmer, but what parity can do for our country.

Our Government May Not Feel Obligated To Respond To A Small Voting-Bloc Of Farmers, But We Still Control Our Planters. Don't Be Your Own Worst Enemy.

President Carter and Secretary Bergland have asked us, the Farmers, to "Give the 1977 farm bill time to work". They contend that their proposed acreage reductions, coupled with their proposed farmer-controlled grain reserve, will improve commodity prices in the long run.

Below is a summary of an official, confidential U.S.D.A. report, presented to the bureau of the budget and the house ways and means committee for their use in projecting the cost of administering the 1977 farm bill. Please study these figures, and notice that, for example, the expected target price for wheat in 1982 is \$3.22 per bushel, or 53% of the parity price of \$6.07 per bushel.

After studying this, does it appear that Mr. Carter and Mr. Bergland expect the 1977 Farm Bill to give us any significant help? Is this what they want us to give a chance to work? Do they think that we cannot add and subtract? When 1982 rolls around, would we rather receive \$3.22 or \$6.07 for a bushel of wheat?

The well-being of agriculture is in our hands alone. Let's not let our neighbors down! Plant only 50%--remember, we are still the ones who control the operation of our planters.

Presented By The
American Agriculture Movement

PAID FOR BY CONTRIBUTIONS TO AMERICAN AGRICULTURE

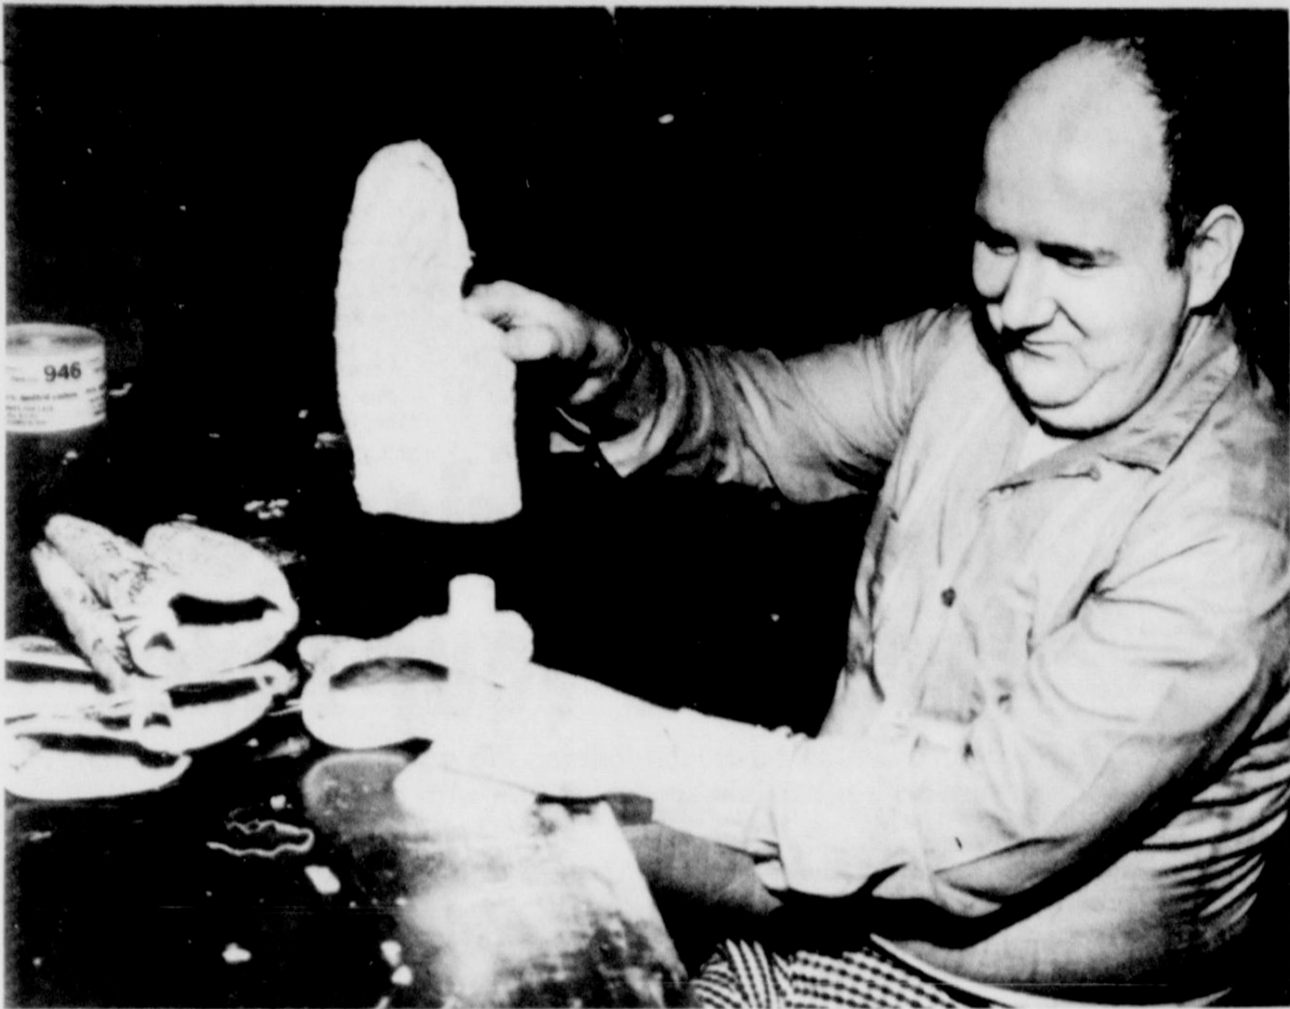

MORE OF BERGLAND'S BULL -----

Secretary Bergland tries to tell us that in achieving 100 per cent of parity by law, we will be pricing the United States out of the export market. But who will fill the gap that will be left? Our chief competitors, Canada, Australia, and Argentina with a combined export market of less than 40 per cent (compared to our 52 per cent) certainly can't more than double their production. Canadian and Australian farmers are feeling "the same cost-price squeeze as the American farmer. These countries also tend to undersell us by a few cents anyway--no matter what the price. Importing nations are already paying parity prices for our

commodities. In Japan, for example, wheat which was bought for approximately \$2.25 per bushel from American wheat growers is being sold on the Japanese market for approximately \$6.75 per bushel, a price considerably higher than the 100 per cent parity figure sought by American Agriculture. Not only are the Japanese people paying parity prices, but the Japanese government is being subsidized by the profits made on our products. No wonder the Japanese yen is so much stronger than the dollar! In a hearing before the House Agriculture Committee, a spokesman from a major bakery repeated the U.S.D.A.'s estimate of a 20 per

cent increase in retail food costs if farmers received 100 per cent of parity. A representative from a farm state pointed out that since there's less than 3 cents of wheat in a loaf of bread now, a farmer would have to receive \$109.00 a bushel for wheat to boost retail prices to that level. When the bakery spokesman was asked to give the source of his figures he responded, "From the Chase Manhattan Bank." Farm parity follows rather than leads consumer prices under parity conditions. DID FOOD COSTS GO DOWN 20 PER CENT WHEN RAW PRODUCT PRICES DROPPED FROM 1973 LEVELS?

ENTHUSIASTIC TRAINEE....David Woodruff, Friona resident, turns oven mitts at Lighthouse F-T Blind in Amarillo. Woodruff has been totally blind since the age of 17. He is

now training at the Amarillo Lighthouse F-T Blind and has learned the art of trimming and turning pot holders.

Hospital Report

ADMISSIONS-
Jo Ann McGuire, Muleshoe; Claude Blackburn, Friona; Joshua Lopez, Hereford; Margaret Charles, Bovina; John Tannahill, Friona; Sue Kent, Friona; Bird Hutson, Friona; Diane Cooper, Texico, N.M.; Steve Gregory, Friona; Dollie Aldridge, Farwell; Bertha Lafuente, Friona; Eugene Gulley, Muleshoe; Dora Parker, Friona; Beverly Caswell, Friona; Teresa Munoz, Hereford; George Thomas, Friona; Rosa Reyes and baby boy, Friona.

DISMISSALS-

PATIENTS IN HOSPITAL-
Gertrude Allen, Steve Gregory, George Thomas, Dollie Aldridge, Eugene Gulley, Rosa Reyes.

Frionans Enter Music Festival

The First District Texas Federation of Music Club Junior Music Festival was held March 10 at the First Baptist Church in Hereford.

There were 159 entries. There were 80 from Friona with 40 Superior ratings received by the local students.

Of these students from Friona, first Superiors in piano solo were received by Glenda Ellis, Gary Ferguson, Daniel Gowens, Lacye Osborn, Teresa O'Brian, Leigh Ann Neelley, Jamie Herring, Kim Newell, Stephen Newell, Nikki Osborn, Bill Caudell, Debbie Reeve, Shannon Allen, Gwendolyn Maurer, Patty Hinton, Monique Osborn, Bonnie Lunday, Christie Wiseman and Tracy Horton.

Second year Superiors in piano solo were received by Dana Berend, Gena Wright, Susan Bailey, Lisa Fuiks, Jo Ann Flores, Erika Pope, Kristi Britting, Mark Murphy, Sarah Mears and Dana Miller.

Third year conservative Superiors

in piano solo which earn a gold certificate, were received by Kristi Herring and Sarita Gay Ellis. Diane Johnston received a four year Superior rating in piano solo.

In the hymn playing event Rhonda Parsons received a two year Superior rating and Renae Monroe a fourth year Superior rating.

In the vocal solo event, first year Superiors were won by Penni Weatherly, Barbara Rhodes, Bryan Johnston and Sharla Duggins, Girls Trio SSA.

The Trebelaires ensemble earned a third year Superior rating.

Mrs. Lucy Beth Hinkle was accompanist for the ensembles.

Friona music teachers whose students participated in the Festival are Mrs. Roy V. Miller, Mrs. Johnnie Walters, Mrs. Lewis Newell and Mrs. Linda Murphree.

Mrs. Carol Wimberley of Dawn is the Festival Chairman.

Randa Allen Joins Lodge

Friona's Rebekah Lodge No. 308 held initiation ceremonies Monday night, March 14. Randa Allen was initiated into the organization.

A salad supper was served after the meeting to twelve members and two guests.

Lydia Hopson and Ursle Jacobson of the Hereford Rebekah Lodge No. 228 were guests at the initiation ceremonies.

Woodruff Progresses

After six months training at the Lighthouse for the Blind in Amarillo David Woodruff, a Friona resident for 20 years, has become a totally independent self-sustaining individual.

David has had trouble with his sight almost from birth and became totally blind at 17.

The Texas Commission F-T Blind, sent him to the Lighthouse F-T Blind in Lubbock in September of last year for dexterity, evaluation and mobility training. After eight weeks he was sent to Amarillo for training.

Since November, David, who is an enthusiastic trainee, has made splendid progress. He is self supporting, lives alone, does his own cooking and housekeeping. He presently resides at 736 N. Pierce.

Woodruff is now proficient in trimming and turning pot holders, in packaging and labeling and is working toward the operation of sewing machines.

While David chooses to remain at the Lighthouse for the time being he is well on the way of being fully competent to enter industry in Amarillo or elsewhere.

NEW MEMBER....Geneva Williams, (right), Noble Grand, is shown congratulating Randa Allen on becoming a new member of

Friona's Rebekah Lodge. The initiation ceremony was held Monday night, March 14.

Three Club Members Attend Convention

Friona Woman's Club held their first March meeting in the Club House with Lillian McLellan serving as hostess.

Twelve members were present. Roll call was answered with the response "This Is Texas," followed by a report on "Texas Now" by Katie Osborn.

The musical number, "Texas, Our Texas" was presented by Luella Maurer and Fern White. There was discussion and plans

made for the District Convention to be held at Post. Mrs. Tatum, the newly-elected president, was unable to attend. Those attending the convention were Mrs. Maurer, president; Mrs. Bengler, delegate and Mrs. Dixon, board member.

The next regular meeting will be held March 22, when Vela Wood will serve as hostess. The program will be on "Beautification and Conservation."

Cheerleaders Sponsor JH Competition

The Friona Junior High School cheerleaders are sponsoring a "Battle of the Classes" for junior high students. The "Battle of the Classes" will be held on Thursday, March 23, starting at 1:15 in the Jr. High gymnasium.

Some of the different events will be the tricycle race, pushing an egg, potato race, balloon race, egg toss, tug of war, along with several other events.

Parents and friends are urged to come support your favorite class. Admission will be 50 cents for adults with young children admitted free.

Square Dance Set Saturday

The Buttons and Bows Square Dance Club will hold a square dance at the Friona Community Center on Saturday, March 18 at 7:30 p.m.

Caller will be Carl Cox from Rogers, New Mexico. All members are urged to be present. There will be a business meeting following the dance.

Everyone is invited to attend.

Recipes Are Being Sought

Recipes are still needed for the Farmer County cookbook, which will be published as soon as enough recipes are collected, according to the Friona Friends of the Library.

Presently, about 300 more recipes are needed, particularly meats and vegetables.

Each recipe will carry the name of its contributor, and the town in which the contributor lives.

Recipes can be mailed to Mrs. Jan Turner, Rt. 1, Box 17, Friona, Tx. More than one recipe is welcome.

Proceeds from the sale of the cookbook, which will be distributed about the county, will go into a library building fund to raise money for the Friona Public Library.

No deadline is set, but contributions are asked as soon as possible.

Son Born To Couple

Mr. and Mrs. Jerry Simmons, 401 Cedar, became parents of a baby boy at 3:30 p.m. Friday, March 10, at Northwest Texas Hospital in Amarillo.

He was named Rusty Grey and weighed six pounds, ten ounces. Rusty has an older brother, Cody, who is three years old.

His grandparents are Mr. and Mrs. Dick Simmons, Lamar, Colorado, and Mr. and Mrs. Lee Campbell of Friona.

Mrs. Opal Strickland, Friona, and Mrs. Zora Campbell, Canyon are the great-grandmothers.

Mrs. Simmons and Rusty came home from the hospital Monday.

JEANNIE BANDY and ERNEST HUNT, JR....Mr. and Mrs. William F. Bandy of Panhandle announce the engagement and approaching marriage of their daughter, Jeannie, to Ernest Hunt, Jr., son of Mr. and Mrs. Ernest W. Hunt, Olney. Vows

will be exchanged Friday, May 12 at First United Methodist Church, Panhandle. The couple are students at Texas Tech, Lubbock. Jeannie attended schools at Friona, and is the granddaughter of Mr. and Mrs. Charlie Phipps of Friona.

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

Some local people who have been down in the Del Rio area fishing have returned. They missed our "reminder" Sunday and are probably glad they did. Sunday was one of those days when all of us who were here 40 years or more ago begin to remember about how disagreeable West Texas wind can be sometimes.

Ruth and Cotton Houser, Doris and Eugene Boggess and Jinx and Rene Snead all loaded up their vacation vehicles and took off two or three weeks ago and are now at home.

Doris and Eugene visited in the home of their daughter, Robbie, and her husband, Hal Rucker, and the grandchildren, Lisa and Mitch Welch, who live in Midland, enroute home.

++++

Another couple, who missed being here Sunday, were Bud and Arville Elmore. They went to Oklahoma City late last week on business. Then combined business and pleasure by visiting relatives and friends.

In Enid they visited in the home of Mr. and Mrs. Art Robinson. Then they went to Wellington, Kansas, where they were guests in the home of one of Arvilla's sisters, Mrs. Myrtle Wallace.

Then on the way home they visited friends in the Woodward, Oklahoma. Bud and his parents, the late Mr. and Mrs. H.H. Elmore, formerly lived in the Woodward area.

++++

Former Girl Scout leaders who

missed the Wednesday noon "Round Up" at Girl Scout House missed a treat. There was a lot of good food, enjoyable fellowship and reminiscing.

Some of the older and younger leaders compared notes on present day Girl Scout leader's duties and those of yesteryear. Think the younger ones concurred that they were happy with the facilities now available. They expressed their appreciation to their predecessors, who made so many things easier for them.

However, there have been some additions to the paper work, reports, etc. Leaders are required at the present time. Carolyn Carson, for one, thinks she would prefer the "tin can method" of taking care of finances. "That way," she said, "you didn't have to make reports. When the can was empty, you knew you were out of funds."

++++

My most unexpected telephone conversation this week was with David Spencer, who will be two in June. I dialed his Grandmother Young's number and almost instantaneously David picked up the phone.

He said, "4321, 4321, 4321." I asked if I could speak to his grandmother and he made an effort to call Gladys to the phone. However, she was too busy telling him to stop playing with the phone, to realize he was trying to tell her something.

Apparently, she came over to put

the receiver back on the hook as her voice came in clearer and clearer. Then I called her name and she heard me. Since there hadn't been any ring, she had no way of knowing David wasn't up to his usual trick.

He's the son of J.D. and Jan Young Spencer and since Gladys has gone into semi-retirement, David stays with her while his mother is working.

++++

Walter Cunningham and daughter Christy, of Andrews were weekend visitors in the homes of Mrs. Susie Cunningham and Mrs. Lavernia Duke. Betty was in Santa Clara, California, for final rites for Lonnie B. Pipes of that city.

He was the brother of Mrs. Duke and also an uncle of Sonny Pipes of Bovina. Sonny and Carolyn also flew out to the West Coast Friday.

++++

Newman and Beulah Jarrell have been to Oklahoma City. They visited in the home of Newman Jr., Juanda and Drew, who live there. While the Jarrells were there Juanda had surgery, but she's home now.

The Friona Jarrells also visited in the homes of Mr. and Mrs. Greg Jarrell and children, Bill and Cindy, and Mr. and Mrs. Jeff Lester and sons, Tony, Bo and Todd.

++++

Reba Holt returned from Amarillo Tuesday. She had been a surgical patient at St. Anthony's Hospital and is making satisfactory recovery at home.

++++

Few acquaintances of Ronnie White probably realized when they saw a newscast from Boise City on television recently that he was the man ambulance attendants were picking up.

He was "the trucker from Grand Prairie who slipped and fell on the ice and was taken to Cimmaron Memorial Hospital for emergency treatment then transferred to an Amarillo hospital."

His wife, Barbara, flew up to be with Ronnie while he had surgery, then one day last week his father, Henry, and brother Donnie, took the two back to Grand Prairie.

++++

Mrs. E.D. Matlock observed her 90th birthday Friday. She had many friends, neighbors and family members who showered her with food, flowers, phone calls and visits.

A granddaughter, Ann Kelley, baked and decorated a birthday cake for her. Her farthest away phone call and flowers came from Vince, Audrey and Jason Rowell, who live in Santa Clara, California. Audrey is a great-granddaughter.

Out-of-town guests for the family dinner included Mr. and Mrs. Frank Matlock and Jim Matlock, all of Plainview; Mr. and Mrs. L.M. Bostick of Kilgore, Mr. and Mrs. J.B. Ratliff of Hico, and Russell White of Grand Prairie.

Mrs. Matlock was born March 10, 1888 in Cook County, Texas.

++++

A life spent worthily need be measured by deeds - not years.

Shower Fetes Mrs. Ron Little

A bridal shower in the home of Mrs. Curtis Murphree honored Mrs. Ron Little, the former Jeanie Thompson.

Spring flowers decorated the serving table and hot tea and coffee were served from a silver service to the bride and her mother, Mrs. Dave Thompson and the many guests.

Hostesses for the occasion were honored in the morning at a brunch in the home of Mrs. Dave Thompson.

Those present at the brunch and hostesses for the shower were Mrs. Doyce Barnett, Mrs. J.C. Beck, Mrs. Billy Vaughn, Mrs. A.L. Black, Mrs. Lawrence Martin, Mrs. Jim Johnston, Mrs. Randy Malloy, Mrs.

Delton Lewellen, Mrs. Andy Hurst, Mrs. Marion Fite, Mrs. Clarence Monroe, Mrs. Sloan Osborn, Mrs. Huck Nichols, Mrs. Tress Tannahill, Mrs. Roy Miller, Mrs. Benny Pryor, Mrs. Glenn Reeve, Mrs. Claude Osborn, Mrs. George Taylor, Mrs. Curtis Murphree and Mrs. Kevin Wiseman.

LIST OF UNCLAIMED CAPITAL CREDIT CHECKS

1959-1963

Are You A Missing Person?

In the past weeks, Deaf Smith Electric Cooperative has made an attempt in locating individuals that have not picked up past Capital Credit Checks. We appreciate aid the general

public has given in returning a portion of the \$36,000.

PLEASE CALL the Cooperative if you know the addresses of the following people.

Large Crowd Attends Annual REC Meeting

A large crowd attended the 40th annual meeting of Deaf Smith Electric Cooperative, March 4, at Hereford's Bull Barn. The crowd was estimated at 1200, and total capital credit refunds of about \$400,000.00 were returned to members who purchased electricity during 1965 and 1966.

Earnest Langley, attorney for Deaf Smith REC, directed the business meeting for president Sloan Osborn. Following the secretary's report, an election of two directors was held.

Raymond Annen was re-elected as Castro County Director over Floyd Schulte, and Eldred Brown was re-elected for Deaf Smith County over Dwayne Cassels.

Highlight of the door prize drawings was the microwave oven which was given to Carl Kleuskens of Hereford.

James Hull, manager of the Cooperative, gave a brief report of the progress of Deaf Smith REC. The continued growth in 1977 made possible the second year the Cooperative's margins exceeded one million dollars, and made possible the retirement of all 1965 Capital Credits and a portion of the 1966 total.

Hull also reported the finishing of our 16th substation. This will allow Deaf Smith REC to better serve the growing demands of our area. Our future plans call for two more substations—one in 1978 and another in 1979.

Following the manager's report, David A. Hamill, the Administrator of the Rural Electrification Administration in Washington, D.C., addressed the annual meeting attendance. Hamill has served under the Eisenhower, Nixon, Ford, and Carter administrations, and is responsible for loans of over 26 billion dollars in 46 states.

The Administrator was raised in a farming and ranching area in Eastern Colorado and recalled the time when public utilities refused to supply service to the rural areas. "It is estimated that at least three consumers per mile

were needed to break even, and in that area, there was one consumer to every 1.5 miles...this was far from break-even, but the

SPEAKER...David A. Hamill, Administrator of REA, in Washington, D.C. addressed the members and guests of the 40th Annual Meeting of Deaf Smith Electric Cooperative.

rural electric cooperative served it anyhow. The REA has made loans of over twenty-six billion dollars to rural electric cooperatives and less than forty-four thousand dollars has been classified as bad debts."

Hamill commended the local cooperative for holding down electric costs, even when the per cent of the electric dollar going to purchasing power has skyrocketed from 45 per cent in 1974 to 60 per cent in 1977. The increase in electric bills must be credited to increased KWH usage. This average has increased from about 300 KWH per month in 1953 to over 2100 KWH in 1977.

In conclusion, Hamill complimented the Directors and management of Deaf Smith REC for the continued growth and high member equity during recent energy problems.

Around The Firehouse

By
Richard Wilson
Reporter

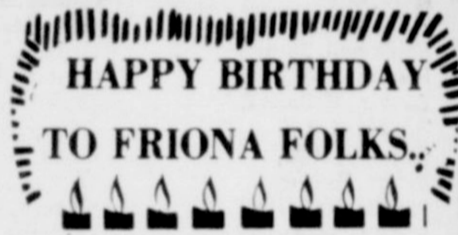

The Fire Department can get a call and it can have trucks on their way within three minutes. Seems impossible, but if a fireman wants to go he had better be moving. Most firemen have their clothes and boots by their bed. When the signal goes off he will jump in the minimum amount of clothes while his wife hands him his billfold and keys, etc. So you see the fireman not only volunteers himself but he volunteers his wife also. Thanks to all wives who have helped get the fire trucks on the road.

Only one fire call since last report, the Doyle Cummings' residence had a minor roof fire.

The roads were slick and it was snowing on that day. I had trouble getting my car to move and just missed the back of the pickup by two feet.

Rex Williams, Harold Reed and John Baxter assisted Joyce McGehee in the C.P.R. classes given at the hospital. The course was very informative and there was a good representation of Friona. Most firemen are trained in this course. A great number of firemen besides donating their time to the department, donate time to helping Rex Williams on the ambulance. Keep on stomping.

WEEK OF MARCH 19-25

Friona residents having birthdays next week are:

- C.L. Vestal, March 19
- Joyce Wells, March 20
- Doris Barnett, March 20
- Madge Loflin, March 20
- Dorothy Lunday, March 20
- Frank Lillard, March 20
- Conrad Renner, March 20
- Lana Bender, March 20
- Adriana Garza, March 21
- Penny Stowers, March 22
- Johnny Brand, March 22
- Derek Dunn, March 22
- Tresa Kendrick, March 22
- Jim Dixon, March 23
- Julie Reeve, March 23
- Judy Potts, March 23
- Susan Vestal, March 23
- Diana Glover, March 23
- Tammi Kelley, March 23
- Carl Schlenker, March 24
- Matt Osborn, March 24
- Frank Griffith, March 24
- C.L. Lillard, March 24
- Eddie Owens, March 24
- David Brown, March 25
- Elton Wyly, March 25

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Winners Are Announced

The finals of the Parmer County Spelling Bee were held in the Bovina High School auditorium on Wednesday, March 8.

There were two Junior Division and two Senior Division participants from each of the four county schools, Friona, Lazbuddie, Farwell and Bovina.

The winners and runnersup in each division, from each town, competed at the local school to determine who would enter the regional contest.

The winners were as follows:

- Junior Division**
- Winner—Steve Stancell, Farwell sixth grade.
- Runnerup—Kelly Wilson, Bovina sixth grade.

- Senior Division**
- Winner—Douglas Cole, Farwell eighth grade.
- Runnerup—Richard Malouf, Friona seventh grade.

Library Report

"A Doctor's Book On Smoking and How To Quit" by Owen Colby, M.D. is available at Friona Public Library.

In two weeks—quit smoking—that's the program offered in this book by a doctor who himself smoked up to four packs a day for fifteen years.

Dr. Colby offers a combination of techniques designed to build and maintain the emotional essential in overcoming a difficult habit. He takes you step-by-step through fourteen days of pleasant, stimulat-

ing guidance.

When you have finished this book you will have quit smoking. You will have a greater appreciation of the human body, of biology and modern medicine, of yourself.

No other book has presented the entire subject of the harmful effects of smoking on the body. But Dr. Colby's main purpose is to present the positive results of quitting, to offer reassurance that anyone can do it, and to help you develop the personal strength to do so.

Girl Born To Londons

Mr. and Mrs. Rick London became parents of a baby girl at 9:44 p.m. Thursday, March 9. The baby was born at Deaf Smith County Hospital.

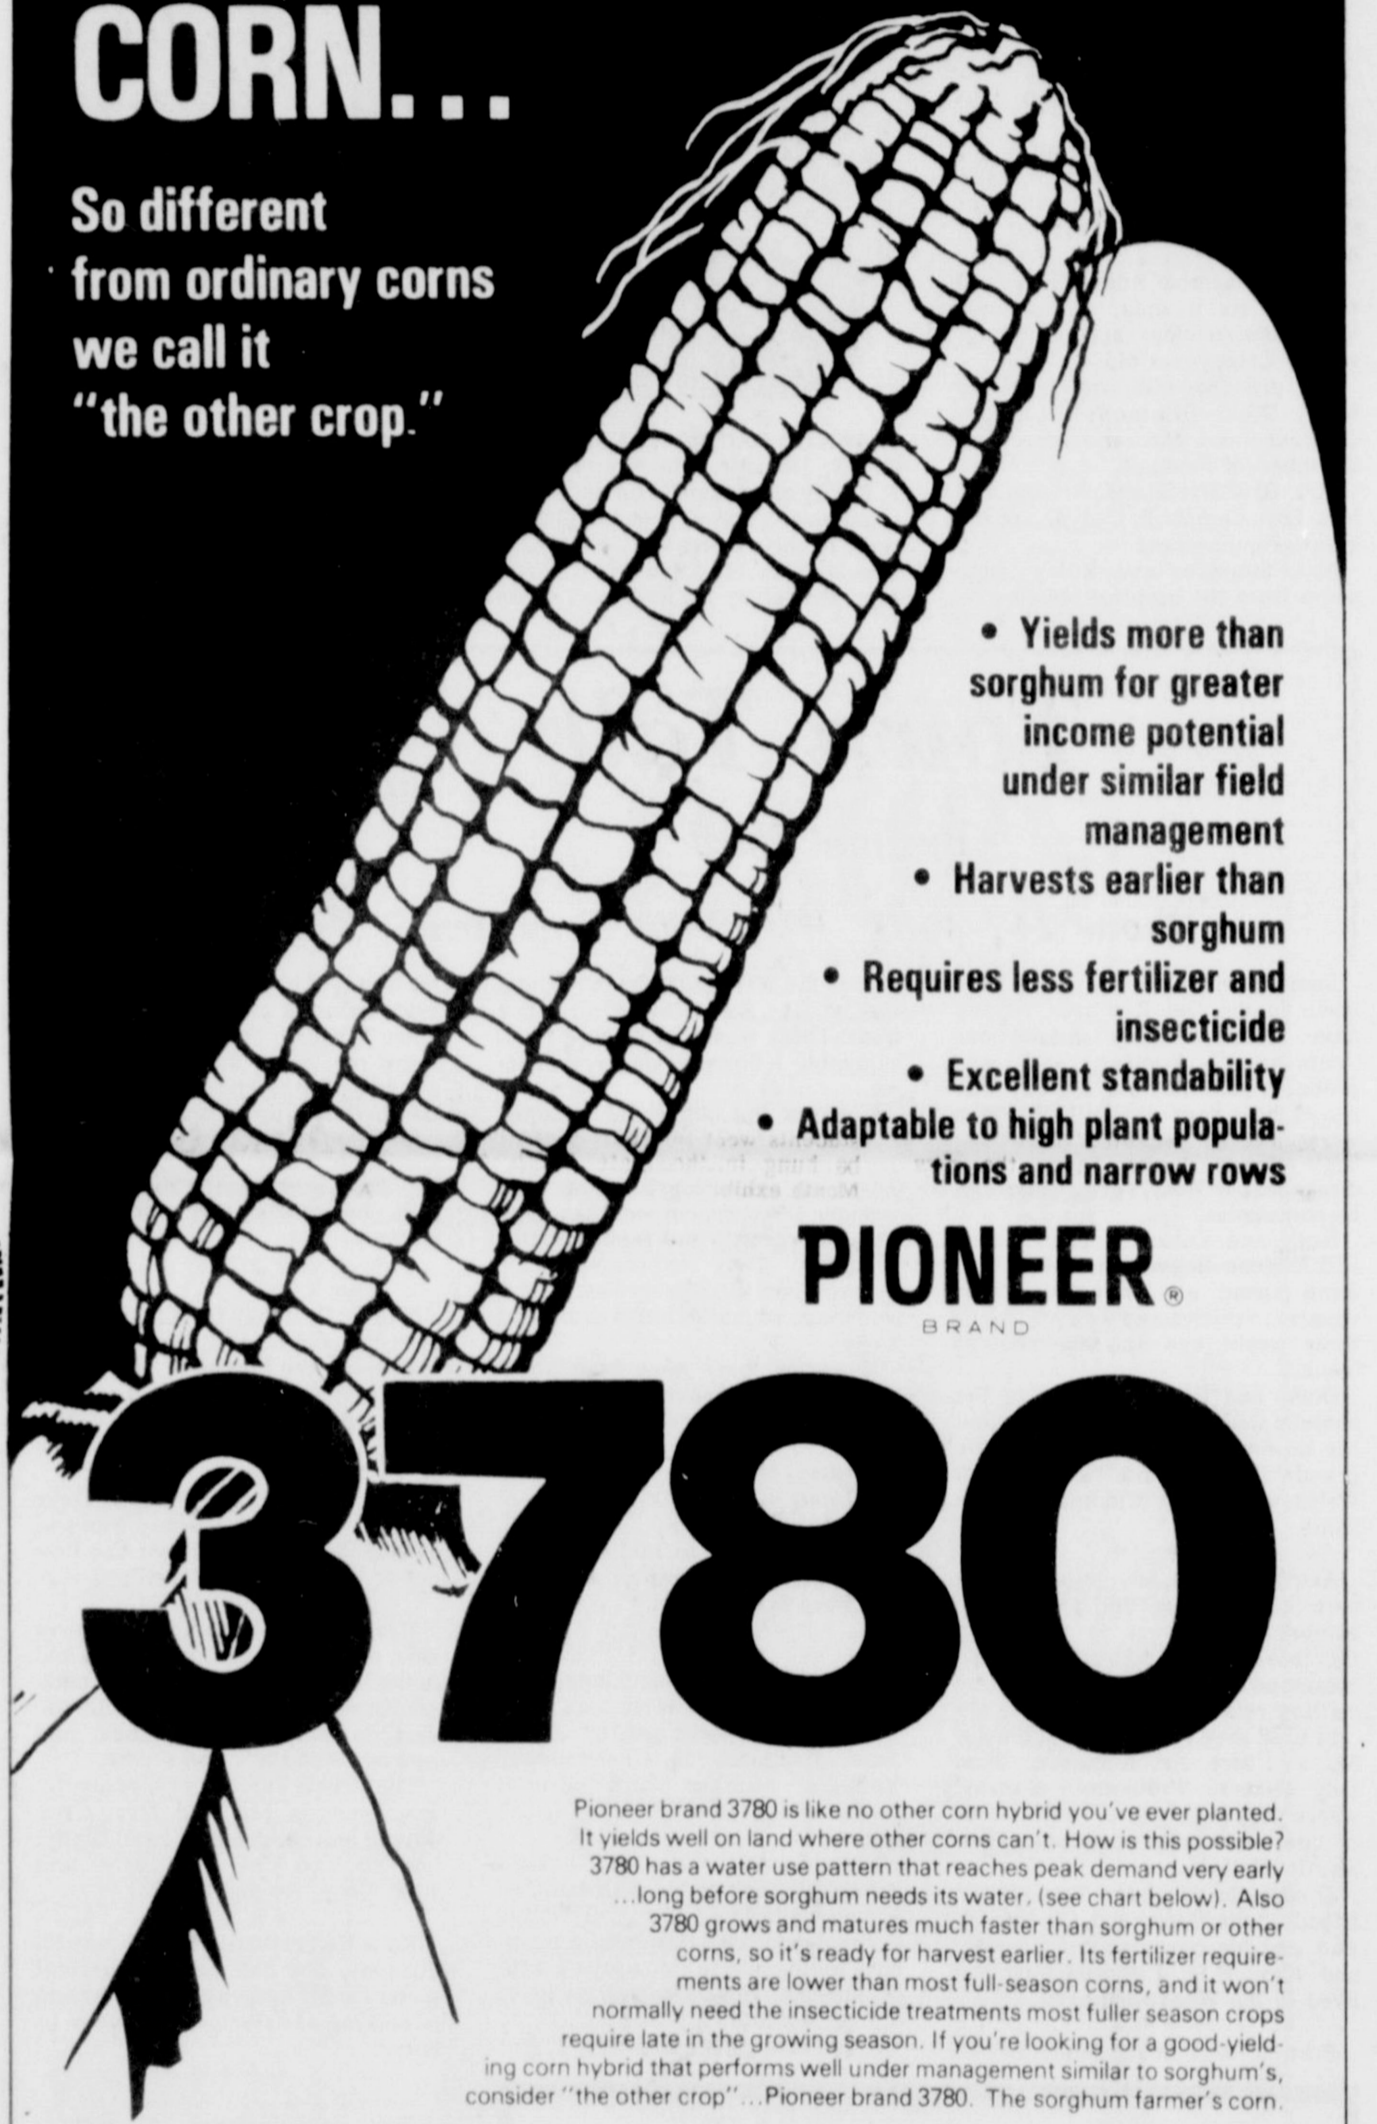

The new arrival weighed eight pounds, 13½ ounces and was 21 inches long. She was named Misty Lynn.

Grandparents are Mr. and Mrs. Richard London of Friona and Mr. and Mrs. John Fitch of Fort Worth.

Great-grandparents are Mr. and Mrs. G.R. Gay of Brownwood, and Mrs. Margie London of Friona.

SORGHUM FARMER'S CORN...

So different from ordinary corns we call it "the other crop."

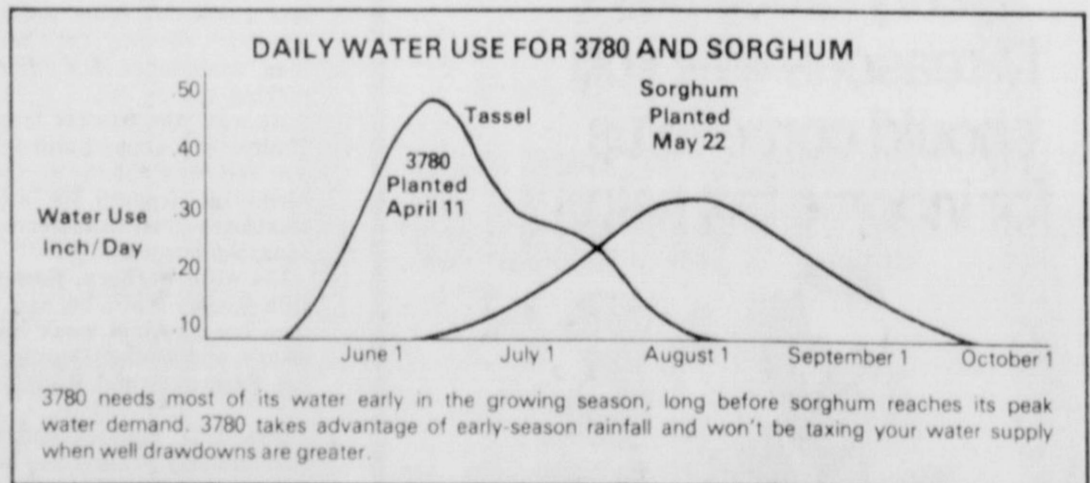

- Yields more than sorghum for greater income potential under similar field management
- Harvests earlier than sorghum
- Requires less fertilizer and insecticide
- Excellent standability
- Adaptable to high plant populations and narrow rows

PIONEER
BRAND

3780

Pioneer brand 3780 is like no other corn hybrid you've ever planted. It yields well on land where other corns can't. How is this possible? 3780 has a water use pattern that reaches peak demand very early...long before sorghum needs its water. (see chart below). Also 3780 grows and matures much faster than sorghum or other corns, so it's ready for harvest earlier. Its fertilizer requirements are lower than most full-season corns, and it won't normally need the insecticide treatments most fuller season crops require late in the growing season. If you're looking for a good-yielding corn hybrid that performs well under management similar to sorghum's, consider "the other crop"...Pioneer brand 3780. The sorghum farmer's corn.

3780 needs most of its water early in the growing season, long before sorghum reaches its peak water demand. 3780 takes advantage of early-season rainfall and won't be taxing your water supply when well drawdowns are greater.

"Quality Service At A Reasonable Price"

FHS Forensics Team Earns Second Place

Friona High School's forensics team took second in the sweepstakes competition of the Canyon Speech Tournament March 11.

Sheri Noah captured first place in prose reading to pace the FHS entries. Mark Edelman and Bryan Johnston placed second in debate.

John Carson and Jay Jarboe were third in the debate division. Tracy Horton received a third place in informative speaking.

Holli Hudson made the finals in informative speaking. Sharla Benge and Ricky Taylor were in the finals of duet acting. Laura Ellis advanced to the semi-finals in poetry reading, and Tammy Schmidt and Shae Dodson made it to the semi-finals in persuasive speaking.

Other students participating from FHS were Sharla Benge, Sharla Duggins and Connie Merrill in prose reading; Gigi Spring, David Merrell, Holly White and Sonya Gore in poetry; Mark Bavousett, Davy Howard in informative speaking; Susi Noah and Dale Merrell in persuasive speaking; Mark Blankenship and Mark Zachary in debate.

A number of those participating missed the semi-finals "by a hair," according to Joy Morton, coach.

Other schools entered were

Muleshoe, Lubbock Christian, Canadian, Idalou, River Road, Spearman, Paducah, Lockney, Dalhart, Happy, Adrian, Follett, Caprock, Henrietta, Tulia, Christ the King, Floydada, Wellington, Panhandle, Sanford-Fritch, Groom, Spur, Bonham, Booker and Channing.

Friona's next competition will be the District 3-AA meet at Morton April 8.

Senior Girls Are Invited

College-bound senior girls and their mothers are invited by Hereford Panhellenic Association to attend a party in the home of Susie Mannschreck at 702 S. Main on Monday, March 20, at 7:30 p.m.

The purpose of the meeting will be to give the girls information concerning college sororities and to answer any questions they might have.

All senior girls who are planning to attend college and who might be interested in sorority membership are welcome to attend. Invitations have been sent to area senior girls through high school counselors in Bovina, Dimmitt, Friona and Vega.

TERRI MARIE WILLIAMS and EDDIE KENT WILSON....Mr. and Mrs. Kenneth Williams of Cordell, Oklahoma, announce the engagement and approaching marriage of their daughter, Terri Marie, to Eddie Kent Wilson, son of Dr. and Mrs. Kenneth Wilson. The couple plans to exchange wedding vows on Saturday, May 20 at 7 p.m. in the Joseph E. Hill Memorial Chapel on the campus of West Texas State University in Canyon. The bride-elect is a former graduate of Friona High School. Miss Williams also attended West Texas State University where she received her degree in Elementary Education. She is currently employed by the Little-

field Independent School District. The prospective bridegroom is a former graduate of Canyon High School. He is attending West Texas State University and is majoring in Electronics. He is currently employed by the West Texas State University Police Department.

Shower Held Saturday For Miss Graham

A lingerie shower for Gail Graham was held Saturday, March 4 at the home of Conrad Renner. Mrs. Renner was the hostess. Punch and doughnuts were served.

The table was decorated in green, with a basket of yellow daisies. Miss Graham is the bride-elect of Stan Dement of Albuquerque, N.M. They will exchange wedding vows Saturday, March 25 at 4 p.m. in the Tenth Street Church of Christ.

Study Club Honored At Dist. Convention

The Progressive Study Club held their regular meeting at the Friona Club House on March 14.

Roll call was answered by sixteen members with "My Latest Novel."

A meditation on "Reading" was presented by Lunell Horton, and Roxanne Hurst presented an Easter meditation.

President, Maxine Loafman, presided at the business meeting. It was announced that the club won first prize for "Most Beautiful Yearbook Cover" in competition at the Caprock District Convention and

was presented a plaque denoting this honor.

An ensemble from the Friona High School Band—Charlene Seale, Kimber Britting, Lynn Welch, Burke Vestal, Roger Coffey and Rory Brito—presented a musical number for entertainment.

Mrs. Louise Roberson of Hereford, Texas reviewed the book, "The Flamboyant Judge."

Hostesses, Betty Mabry and Lois Norwood, served refreshments to club members, and two guests, Mrs. Roberson and Lorene Jarecki.

Olton Guest Gives Study Club Program

Black Social and Study Club held their last meeting in the home of Mrs. Delton Lewellen with Mrs. Ann Kelley serving as hostess.

Ten members and six visitors were present. Mrs. J.L. Snyder of Olton was the guest. She gave the lesson and provided material for each one present to make assorted colors of roses and buds.

The guests present were Mrs. Randie Hamilton and children, Mrs.

Pam Hamilton and Mrs. Donna Schueler and children, Mrs. LeRoy Collier and Mrs. Irvin Henderson.

After the flower making session, a social hour followed, with refreshments served by hostesses, Mrs. Ann Kelley and Betty Lewellen.

The club's next meeting will be held March 16 in the home of Mrs. Tommy Tatum with a lesson on "Tole Painting."

Brenda Seright Is Honored For Work

An exhibit of works by Lubbock art students began with a reception from 2-5 p.m. Sunday, March 5 in the Municipal Garden and Arts Center, 4215 University.

The display, which continues

Girl Born To Bensons

Mr. and Mrs. Darrell Benson of Forest Lake, Minn. are the parents of a baby girl born Monday, March 6, at 10 p.m. in Forest Lake Memorial Hospital.

Named Jamie Lynn, the new arrival weighed nine pounds, twelve ounces and was twenty-one inches long.

Jamie has two older brothers, Dwayne, seven years old, and Doug, five years old.

Grandparents are Mr. and Mrs. Cecil Sisk of Friona, and Mr. and Mrs. Carl Benson of Forest Lake, Minn.

Great-grandparents are Bob Sisk of Bovina, Mrs. Doulfey of Minneapolis, Minn. and Mrs. Benson of Stillwater, Minn.

throughout the month, is part of the Lubbock observance of Youth Art Month, and is designed to acquaint the public with what's happening in the secondary art program in Lubbock public schools.

During Youth Art Month, which was first observed in 1961, a special effort is made to emphasize the importance of art experiences in the education of all students.

Work from ninth through twelfth grade art classes will include acrylics, water colors, graphics, prints, weavings, stitchery, pottery and sculpture.

Several paintings by Lubbock art students went to Austin recently to be hung in the State Youth Art Month exhibit in the rotunda of the state capitol. Among those students whose works were selected was Brenda Seright of Mackenzie Junior High School.

Miss Seright is the daughter of Mr. and Mrs. H.A. Seright and is a former Friona resident.

Works by Miss Seright will be shown at the National Art Education Association Convention to be held March 17-22 in Houston, at which only 60 pictures from across the state will be displayed.

After wedding bells, the long long road.

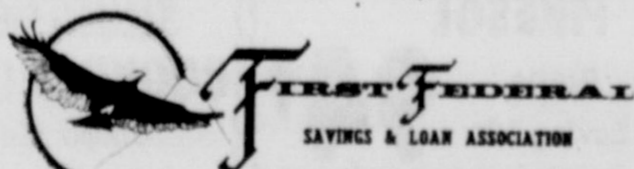

Our free Perpetual Money Wheel. can smooth the way.

Nobody knows more than you — there's a lot of happiness money can't buy. But, for the things money can buy, spend some time with our Perpetual Money Wheel. How'd you like to give yourselves over \$15,549 on your silver anniversary? You can do it, if you make up your mind to steal \$25 a month from yourselves till then.

And that's only one of 296 fascinating ideas on our Perpetual Money Wheel. Where can you get it? Only in our lobby. How much will it cost you? Nothing. Come in and ask.

The Perpetual Money Plan is an exclusive copyrighted program. Figures are based on current interest rate of 5 1/2% compounded daily, which is subject to change.
