CITY REPORTS

July City Court Fines Hit \$7,135

Fines levied in corporation court during July totaled \$7,135, the largest amount, \$2,765, was assessed for drunkenness.

The \$135 in fines pending from June, \$18.50 for overtime parking, \$216 in cases continued, \$65 paid on warrants, and \$15 paid on warrants, brought July's total fines to \$7,584.50.

Cash receipts totaled \$4,695.50, jail layouts amounted to \$2,544, \$55 were paid on previous fines pending, and another \$55 were served out on previous fines pending, leaving only \$235 pending in fines at the end of the month.

Prisoner Meals

There were 1,901 prisoner meals served in city jail during July for a total food cost of \$192.06. The cost per prisoner meal was a little more than 10 cents.

NYC Program

There were 37 youths enrolled in the NYC program in July. Of these, 11 were from Howard County, eight from Midland County, six from Dawson County, three from Ector County, three each from Nolan and Scurry counties, and one from Andrews County.

Ten persons voluntarily quit the program during the month, eight returned to school, five transferred to a permanent job, one transferred for additional training and one began work training in industry.

Of the \$239,550 budgeted for the program, \$236,702.96 has been spent.

Can Checks

There were 835 garbage cans at residences inspected during July according to the general sanitation report for the month, with 197 tags being issued and three complaints being filed.

There were 198 lots inspected, 21 lots cleaned, and three complaints filed. Thirty-two weekly inspections were made of the 11 drive-ins in Big Spring.

Food Checks

Thirteen food inspections were made by the Health Unit with two corrections made.

General sanitation inspections totaled 53 (corrections: 40); and 31 vector controls were made (19 corrections). There were 49 conferences on food, and 65 on sanitation.

The nurse reported 235 people were immunized at the Tuesday clinic and two at the V. D. clinic. One person was treated for chronic diseases, 10 for T.B. control, 13 for dental health, 12 for child health, and 50 were given child care services. Thirty conferences were held.

Personnel List

The city's monthly personnel report showed 231 employees on the payroll July 15. Twenty-two were in administrative work, 50 policemen, 49 firemen, 63 in the public works department, 36 in utilities, and 11 others.

Tax Collections

The city's legal department reported revenue collected from fines and cases filed continued at a rate of about 25 per cent over last year's pace in its monthly memorandum.

Over \$6,800 in delinquent taxes were collected during July. If this year's pace continues at the same rate (about double last year's), then close to \$80,000 will be collected.

Police Cases

There were 70 offenses committed here during July, according to the police department's monthly report.

Five of these were aggravated assaults, 26 larcenies under \$50, 18 larcenies over \$50, 18 burglaries, and three auto thefts. Property stolen was valued at \$7,544.80.

Eighteen offenses were cleared: 11 burglaries, five aggravated assaults and two larcenies over \$50. Value of property recovered during July totaled \$13,198.50, including \$3,000 "out-of-town" property.

Arrests totaled 249 for the month, with 10 being transferred to the county, 12 released to other jurisdictions, and 15 released without charge.

Fifty-two juvenile offenses were noted during July; 23 juveniles were taken into custody. Eleven of these were turned over to the juvenile probation officer, and nine were released to their parents. Twenty-nine youngsters were counseled or warned by police.

CAT AND MOUSE GAME — "Pebbles," a black and white cat owned by 15-year-old Elizabeth Burns of Melbourne, Australia, gets along very well with her mistress' other pets, as can be seen above. Besides "Pebbles," Elizabeth has 30 mice in her menagerie.

Gospel Music Festival Friday

Grace Baptist Church, 2900 PM 700, will hold a Gospel Music Festival beginning at 6 p.m. Friday with a dinner in the Silver Hills Southwest Industries Building on US-87 South.

Choir singing, congregational singing and special music by professional singers and out-of-town church groups will begin at 8 p.m. in the sanctuary of the church.

Choral groups will include the Gloryland Quartet, Roswell N.M.; the Key City Quartet, Abilene; the Loraine Quartet, Loraine; Rev. L. W. Hatfield and his singing group from Calvary Baptist Church, Snyder; Rev. Edgar Tatum and Cecil Hair, Baptist Tabernacle, San Angelo; and W. C. Brown, Bethel Baptist Church, Midland.

Latest Proposal For Alcatraz

SAN FRANCISCO (AP) — The latest proposal for dismal Alcatraz Island is to transform it into an "extension of San Francisco," complete with fine restaurants, art galleries, homes and a convention hotel.

An earlier proposal still under consideration is from financier Lamar Hunt of Dallas, Tex., who wants to erect a huge tower named "Apollon" in honor of the Apollo 11 moon landing.

Gin Officers Are Elected

Ray Russell, Garden City, Route, was elected president of the Co-op Gin of Big Spring Friday night at the annual barbecue meeting of the co-op members, and L. J. Davidson, Rt. 2, was elected to the seven member board of directors.

More than \$5,000 was paid in dividends at the meeting, held at the Howard County show barn, and 115 people attended. C. G. Benningfield, manager of the gin, explained that the dividends figured out to a patron's equity of 20 per cent of lint cotton ginned, one dollar per 500 pound bale.

"In other words," he said, "if a farmer brought in one hundred 500-pound bales of lint cotton last year, he would receive one dollar for every bale, or \$100."

Well, He Wasn't Late In Court

KANSAS CITY (AP) — William Pierron, 17, was arrested Monday in a stolen car. Pierron told police he was supposed to appear in court on a traffic charge, but had overslept, so he took the car from a parking lot to avoid being late in court.

He was released under \$500 bond on a car theft charge.

Sales Of Savings Bonds Over Halfway To Goal

July 1969 sales of U.S. savings bond and freedom shares in Howard County totaled \$36,163, according to a report from Robert W. Currie, county chairman. January through July sales amounted to \$352,317, or 59 per cent of the year's goal of \$600,000.

At the same time, the state's District 4, headed by Larson Lloyd, reported seven-month sales of \$764,226, or 51 per cent of the quota of \$1,500,000.

Lloyd pointed out that bondholders should be aware of two facts before redeeming for emergency purposes. First, accrued interest on bonds must be declared on income tax returns in the years the bonds are cashed; second, the Treasury Department has proposed to Congress a new higher rate of five per cent on both E and H bonds retroactive to June 1, 1969. The five per cent rate would also apply to all outstanding bonds, Lloyd said.

Sales in other counties in District 4, July totals, seven-month totals and percentage of the year's quota:
Andrews, \$14,929, 442,735, 71 per cent; Dawson, \$6,609, \$49,380, 49 per cent; Fisher, \$1,624, \$36,801, 74 per cent; Gaines, \$2,573, \$31,962, 46 per cent; Martin, \$1,324, \$17,752, 59 per cent; Mitchell, \$4,979,

'Bloody Mama' Walkout Staged

BATESVILLE, Ark. (AP) — Ten Batesville residents who had bit parts in the filming of "Bloody Mama" in this area walked off the job when the movie "really started getting gross," the group's spokesman said.

Johnny Housley said the nudity scenes in the movie about the Ma Barker gang, starring Shelley Winters, were "in excess."

Housley, a student at Arkansas College, a Presbyterian school here, and three other students walked off the job along with six Batesville residents. He said "the people of Arkansas are gonna flip" when they see the finished product.

Couple Makes Home Here After Wedding

Mr. and Mrs. John L. Watkins are making their home at 511 Donley following a wedding trip to Corpus Christi.

Parents of the couple are Mr. and Mrs. Edward Malochleb, Kerrville; and Mr. and Mrs. Jack L. Watkins, 1290 Pennsylvania.

The Rev. Clarence E. Ebler performed the ceremony before an altar adorned with white gladioli and carnations. The wedding was held Aug. 14 in the Zion Lutheran Church in Kerrville.

Miss Susan Pressler, organist, played traditional wedding selections throughout the ceremony.

The bride was attired in a formal gown of white peau de soie inlaid with lace down the front and on the cap sleeves. Her headpiece was a matching bow of lace holding a shoulder-length veil of silk illusion, and she carried a bouquet of white roses.

Miss Caroline Malochleb of Austin, sister of the bride, was maid of honor. She wore a street-length yellow dress styled similarly to the bride's gown. She carried a nosegay of yellow roses.

Kelly Carroway of Midland was best man. Ushers were Ricky Paul Watkins, brother of the bridegroom, and John Zaskoda of San Antonio.

Altar tapers were lighted by John Ebler and Tommy Bridges.

A reception was held in the Guadalupe Room of the Inn of the Hills. The refreshment table was laid with a white cloth and centered with an arrangement of white carnations and white chrysanthemums.

The bridegroom's table was centered with a yellow floral arrangement and the traditional bridegroom's cake.

Out-of-town guests were Mrs.

MRS. JOHN L. WATKINS

Cecil Walton of San Angelo; Mr. and Mrs. Hugo Klinsiek, Comfort; Mrs. Richard Fangmeyer, Hebron, Neb.; Mr. and Mrs. Gordon Powell, Edgar, Neb.; Mr. and Mrs. George Grimes and Hollis-Smith, both of Big Spring; Mr. and Mrs. Phillip Lane, Dallas; Beale Bernson, Abilene; Mr. and Mrs. John Zaskoda and Mrs. Alice Hauffer and Sherry, all of San Antonio.

Mrs. Watkins is a graduate of Tivy High School of Kerrville, and the bridegroom graduated from Schreiner High School and is attending Howard County Junior College.

Bride-Elect Honored At Gift Party

Miss Nancy Thomas, bride-elect of Dan Allen of Austin, was complimented with a personal shower Monday evening in the home of Mrs. Robert Sanders.

Cohostesses were Mrs. Keith McKeever, Mrs. John Norton and Miss Tricia Statser.

The honoree and her mother, Mrs. Clyde E. Thomas Jr., were presented corsages of pink carnations.

The refreshment table was laid with a pink cloth and was centered with a miniature bridal figurine in pink and white accented with a basket of pink carnations and chrysanthemums.

The couple will marry Sept. 13 in the First United Methodist Church.

WCSA Hears Program On Christian Giving

Mrs. J. T. Baird gave the program, "Adventures In Giving," at Tuesday's meeting of the Woman's Society of Christian Service at First United Methodist Church. She discussed the various ways a Christian could give outside the church. Mrs. Joe Dawes sang "The Voice of God Is Calling," accompanied by Mrs. R. W. Thompson. Mrs. A. S. Woods read scripture and Mrs. Thomas Corwin worded prayer.

Add Padded Pockets For Extra Strength

You will find it handy to make a few of your pot holders like padded pockets. These give more protection to the hands when draining steaming pans, or for removing hot dishes from the oven.

SERVICE ANNIVERSARIES — Three women were honored at a tea Tuesday for their years of service in the traffic department at Southwestern Bell Telephone Company. Mrs. Walter Shattel (left) was given a 25-year pin; Mrs. Jack Dunning (center), group chief operator, was presented a 30-year pin; and Mrs. Jones Lamar, service assistant, was given a 40-year service pin. Presentations were made by Jerry Allison, district traffic superintendent. Gifts of money were given to the honored women.

Ice Cream Party Held For Faculty

Members of the Faculty Ma'am's honored Howard County Junior College faculty members and the Board of Trustees with an ice cream party Monday in the Dora Roberts Student Union Building. The welcome address was given by Dr. Dawson DeViney, administrative director at the college. Mrs. Don Shoemaker, president, was in charge of refreshments assisted by other club members.

Singe Stem End

To keep a cut rosebud longer in the bud stage, singe the bottom of the stem with a lighted match just before placing in water.

Miss Nancy Thomas Honored At Coffee

Miss Nancy Thomas, bride-elect of Dan Allen, was honored with a coffee Tuesday morning in the Blue Room at Cosden Country Club.

Hostesses were Mrs. John Affleck, Mrs. E. P. Driver, Mrs. H. M. Fitzhugh, Mrs. Buel Fox, Mrs. Gilbert Gibbs, Mrs. Ward Hall, Mrs. Clyde Johnston, Mrs. Jimmie Jones, Mrs. Omar Jones, Mrs. M. R. Koger, Mrs. Elvis McCrary, Mrs. J. O. McCrary and Mrs. Robert Satterwhite.

The honoree was presented a white carnation corsage. Her mother, Mrs. Clyde E. Thomas Jr., and her fiance's mother, Mrs. Roy Allen of Houston, were given pink carnation corsages.

Refreshments were served from a polished table centered with an arrangement of pink carnations, gladioli and daisies. Silver appointments completed the setting.

The couple will marry Sept. 13 in the First United Methodist Church, with Perry Cotham, minister of the 14th and Main Church of Christ, serving as officiant. The Rev. Leo K. Gee will assist with the service.

A LOVELIER YOU Reduce Ankles For New Fall Fashions

By MARY SUE MILLER
Mini, Midi, Maxi... sounds like a counting out game. In a way it is, if your ankles need reducing.

Certainly the new ankle-length skirts are no help. Just call attention to the problems. Only a maxi that sweeps the floor of an evening can hide overstuffed upholstery.

Best take-up with a trimming program, however odious. It so happens this one is quite pleasant:

1. Sit on a straight chair. Swing your legs forward and up until your feet are slightly higher than the chair's seat. Keeping the legs straight and together, arch your ankles and point toes — hold for five slow counts. Return to starting position, rest and repeat 10 times. Work for a hard pull along the top and sides of the ankles.

2. Sitting on your chair, cross your right knee over the left. Arch your right instep and curl the raised foot, from right to left, 20 to 40 times. Recross your knees and circle the left foot from left to right. Be sure to make circles full and fast.

Reducing Extra: Be careful your shoes fit snugly and that the heel tips are straight. When your shoes are off balance, your ankles develop fatty pads to compensate for the strain of trying to walk on an even knee. Not to heel over!

LEGLINE TRIMMERS
If your individual problem is heavy legs, send for my new leaflet, "Legline Trimmers."

which contains spot reducing exercises that will meet your individual needs, whether for thighs, knees, calves or ankles, or for contouring your entire legline. Write Mary Sue Miller in care of The Big Spring Herald, enclosing a long, stamped, self-addressed envelope and 10 cents in coin.

Rainbow Girls Conduct Initiation Ceremonies

Five girls were initiated into the Order of Rainbow for Girls at Tuesday's meeting in Masonic Temple. Lucretia Drake, worthy advisor, served as officiant.

Those initiated were Zina Johnston, Lea Jannamon, Cheryl Cannon, Beverly Thomas and Pam Pope.

Enola White was presented a pin as a farewell gift. She is moving with her parents, Sgt. and Mrs. Garnett White, to Alabama.

Junior member of the grand music committee, was welcomed as a guest. It was announced that a joint meeting will be held Saturday in Snyder.

An invitation was read from the Masonic Lodge No. 1340 inviting the girls to present a program on their Rainbow work, Sept. 18, at the Masonic Hall. L. G. Nails, worshipful master, extended the invitation.

Refreshments were served from a table covered with a white cloth and centered with an arrangement of daisies and violets.

Couple Marries In Lutheran Ceremony

Miss Kathie Lynn Wood became the bride of Lt. Richard W. Burke Jr. this morning at 11 o'clock in Trinity Lutheran Church. The Rev. Robert S. Knutson performed the nuptial ceremony.

Parents of the couple are Mr. and Mrs. M. R. Wood, 3209 Eleventh Place, and Mr. and Mrs. R. W. Burke Sr., Massapequa, N.Y.

Miss Connie Gary, organist, played traditional wedding selections "The Wedding Prayer" and "The Wedding March."

The bride was attired in a street-length corded voile dress accented with lace on the bodice, sleeves and hemline. Her double-length shoulder veil fell from a triple leaf headpiece sprinkled with tiny seed pearls. She carried a bouquet of yellow roses centered with a white orchid.

Miss Rowena Rogers was maid of honor. She wore a yellow and white street-length linen dress fashioned with a yellow sling belt tunic coat. She wore a white orchid corsage.

Lt. Jerry Cavanah of Webb Air Force Base was best man. The bride is a graduate of Big Spring High School, where she was co-editor of the Corral.

The bridegroom graduated from Emory University in Atlanta, Ga., where he was a member of the Sigma Nu fraternity and the Alpha Epsilon Delta. He is in Pilot-Training class 70-03 at Webb AFB.

A reception luncheon was served at Lamar's Restaurant. The wedding cake was topped with a miniature bridal couple. Mrs. Michael D. Donovan, sister of the bridegroom, of Miami, Fla., was an out-of-town guest.

The couple left on a wedding trip to Colorado. For traveling, the bride chose a black and white suit designed with a

Fall 'Look' In Fashion Is Romantic

Scotland brings to many minds a country of mists and moors, of lochs and heather — a place where men are men and their women are fiercely loyal, passionately possessive and as romantic as a dream.

The first Ballantine Scotch fashion collection fits this image.

The free wind of the moors roams through the collection fashioned by six topnotch designers. Colors are misty and heathered. Fall '69 is many things . . . no one color . . . no one silhouette . . . no one length. Fashion clings, fashion swings; it moves with the body and away from the body.

Capes surround the figure; jerseys and velvets caress it. Bosoms are readmitted to fashion standing and admired. Do you remember the illustrations of lassies in low-cut bodices smiling at their highwaymen sweethearts?

Trews, as pants are called in Scotland, can be feminine. After all, men in the highlands have worn kilts for centuries and it's a rare Scotsman who ever confused the sexes.

The femininity and fantasy evidenced by the Ballantine Collection should prove a strong enough brew to turn any man's

Book Reviewed By Mrs. Clyde Angel

"There is a pill for every ill and a club for every woman," said Mrs. Clyde Angel when she reviewed the book, "Ladies, Please Come To Order," at Tuesday's meeting of the Big Spring Chapter, National Secretaries Association, in the Blue Room of Cosden Country Club.

The book dealt with various types of clubs, officer's duties and how to raise money for various projects. It was a humorous portrayal of club women and how they handle different projects from planting shrubs on a school yard to aiding persons in Southeast Asia.

Mrs. Billy Sheppard, vice president, introduced the speaker. Mrs. George G. Callahan, president, welcomed guests, Mrs. Curtis Choate, Mrs. M. A. Long and Mrs. Henry West.

Ritual Of Jewels Held By Sorority

STANTON (SC) — Mrs. Carolyn Stone received the ritual of jewels and was honored with a surprise baby shower at Sunday's meeting of Rho Xi chapter, Beta Sigma Phi. The group met in Texas Electric Reddy Room in Stanton. Mrs. Les Terry, president, distributed yearbooks and outlined plans for the club year.

Mrs. Jack Gray Feted At Shower

Mrs. Jack Gray was honored with a baby shower Tuesday evening in the home of Mrs. Bob West, 2507 Marshall. Mr. and Mrs. Gray will adopt a baby within the next few weeks.

Cohostesses were Mrs. Don Adams, Mrs. Bob Bell and Miss Cynthia Johnson.

The refreshment table was laid with a lace cloth and centered with an arrangement of yellow gladioli and spider chrysanthemums interspersed with miniature baby articles.

Hints From Heloise

Dear Heloise:

This suggestion is for people who like to picnic, go to the beach, the mountains or just take a ride with a brief lunch break.

You know how difficult it is to locate the necessities to build a fire? Well, for years now we have carried a "fire box" along with us.

We simply twist paper into long, stick-like strips, put them in a cardboard carton, place kindling on top of the paper then add wood, close the box and put it all in the trunk of the car.

Then when we need a fire we just put the "fire box" in any suitable area for a fire, light it and that's all there is to it.

No muss, no fuss, and no searching for firewood. . . . A Reader

And that means that we can eat just that much sooner!

Why does a plain old hot dog taste like a gourmet's delight when cooked over an open fire? Beats me, but sure as shootin' — it does! . . . Heloise

Dear Heloise:

Here's a hint for people who wear contact lenses.

When I clean my lenses, I use one of those small spice or herb jars with the perforated plastic lids.

This allows me to wash my lenses, drain the water, rinse in the same manner, and not take the chance of losing them in the sink. . . . Florence Lees

LETTER OF LAUGHTER

Dear Heloise:

. . . on being told that I was overweight, I did some figuring and came to the conclusion that due to the high cost of food these days, it cost me \$20 a pound to get that way. . . . Food For Thought

Dear Heloise:

We save empty thread spools (all sizes) and use them in decorating.

We paint the spools and string them with beads to make beautiful and unusual room dividers.

And on occasion have even made some very interesting mobiles. . . . Brenda Lassing

Dear Heloise:

My family loves broccoli prepared in my own special way.

I wash the broccoli and cut into clusters. Then boil in salt water until tender.

Meanwhile, I heat enough butter or margarine in a small skillet to cover the broccoli, and add one or two cloves of garlic chopped very fine.

Saute the garlic until it is well-browned. Strain this mixture to remove the garlic particles and pour over the broccoli.

Broccoli prepared this way may be used as a vegetable, in salads, or on acanape tray, and it is delicious. . . . Mrs. Paul V. Snell

Dear Heloise:

Think I have a "Ding-Dong" of an idea to preserve family harmony at dinner time.

In order for our children to look presentable at the dinner table (clean hands and nails, sparkling faces and combed hair), I ring a little brass bell fifteen minutes prior to serving dinner.

It is their responsibility to "spit up." Then I ring the bell again when dinner is served.

Burning Soviet Rocket Sighted

COLORADO SPRINGS, Colo. (AP) — The North American Air Defense Command said today that lights which appeared over a wide area of Western skies Tuesday night was from a burning Soviet rocket body.

A NORAD spokesman said the rocket was the one which the Russians used to launch Cosmos 294 on Aug. 19.

The Air Force facility here tracks all objects in space and a spokesman said that observers predicted the rocket breakup in advance of Tuesday night.

The spokesman said it was unlikely that any parts of the rocket body would escape burning and fall to earth, but if so, the particles would come down in the Pacific Ocean about 600 miles off the coast of Mexico.

The burning rocket was seen over California, Nevada and Arizona.

Some persons said the glowing, cherry-red lights appeared to be a swarm of meteors flashing across the sky. The lights were visible for about five minutes at 8:50 p.m. (PDT). This was almost the exact time that NORAD forecast what it called the rocket's "decay."

A WAVE — A SMILE — A WARNING — Secretary of Defense Melvin Laird waves and smiles as he takes the podium to address the 51st convention of the American Legion in Atlanta Tuesday. The Secretary warned that more cuts in the defense budget would "reduce our defense readiness both for the short term and the long term while bringing about only a short lived dollar savings."

Kennedy To Be Present At Kopechne Hearing

EDGARTOWN, Mass. (AP) — District Court Judge James A. Boyle said today that Sen. Edward M. Kennedy will appear at the inquest Sept. 3 into the death of Miss Mary Jo Kopechne "even if he has to be subpoenaed."

Boyle commented at a pre-inquest hearing in this island resort town attended by attorneys for Kennedy and several other individuals involved in the case.

"It is essential that Mr. Kennedy be present as a witness," Boyle said. The judge added that he would see to it that Kennedy testifies even if he has to be summoned.

Kennedy's chief counsel, Robert Clark Jr. of Brockton, promptly announced that the senator would be present at the inquest. He did not indicate, however, whether he intended to put Kennedy on the stand.

DEATHS

Robert Adkins, Services Today

Services for Robert Adkins, 43, who died at 11:20 p.m. Monday in a local hospital, were held today at 2 p.m. at East Fourth Baptist Church. The Rev. Billy Rudd, assisted by the Rev. Eldon Cook, officiated, and interment, under the direction of River-Welch Funeral Home, followed at City Cemetery.

Pallbearers, all from Big Spring, were Bobby Hill, Gene Wilson, C. A. Tonn Jr., Roy Hester, Bill Adams and Charles Porch. All Texas and Pacific Railway Co. employees were considered honorary pallbearers.

Mr. Adkins was born in Howard County Oct. 27, 1925, and had lived in Big Spring ever since, excepting his military service during World War II and the Korean War. He was married to Fannie Bell Allen, Oct. 18, 1949, and was employed by Texas and Pacific Railway Co. as a railroad clerk.

Surviving are his wife; one son, Robert Adkins; one daughter, Debra Ann Adkins, all of 1808 Settles; his mother, Mrs. D. W. Adkins, 2103 Johnson; three brothers, Archie J. Adkins, Charles H. Adkins, and Lawrence Adkins, all of this city; four sisters, Mrs. Winifred

Jack Jagers, Long Illness

STANTON (SC) — Services for Jesse James (Jack) Jagers, who died Monday at 1 p.m. in Parkview Manor, Midland, following a lengthy illness, will be Thursday at 10 a.m. at the First Baptist Church. The Rev. W. H. Uhlman will officiate, and interment, under the direction of Gilbreath Funeral Home, will follow at Evergreen Cemetery.

Mr. Jagers, 61, moved to Stanton in 1959 from Oklahoma City and was a retired heavy equipment operator. He was born Oct. 20, 1907, in Paden, Okla.

Survivors include one daughter, Mrs. Ivan Chandler, Dallas; two brothers, E. C. Jagers, Lindsey, Okla., Vergil Jagers, Palm Springs, Calif.; five sisters, Mrs. Jake Heiskil, Leonard, Mrs. Lester Hurst and Mrs. James Wall, both of Palm Springs, Calif., Mrs. H. E. Allen, Okmulgee, Okla., Mrs. Glenn Jameson, Birmingham, Ala.; and two grandchildren.

Bus Overtake Injures 13

WORTHAM, Tex. (AP) — A collision of a Continental Trailways bus and a car in heavy rain injured 13 persons Tuesday night. Three remained in a Mexia hospital today.

The accident happened on a slick stretch of Texas 14 about two miles north of this Central Texas town.

State police said the bus, from Houston to Dallas, struck the car broadside as the automobile skidded.

Those held overnight in Mexia are Dolores Torres of Dallas, Phyllis Dillard of Austin and Virgie Stanley of Winfield, La.

Bus driver William Chappelcar of Irving apparently escaped injury. The other driver, James Lewis Goeden of Corsicana, was treated and dismissed at a Wortham hospital.

The bus overturned on its side after plowing along a roadside ditch 90 yards.

Soviet Airliner Crash Disclosed

MOSCOW (AP) — About 15 persons were killed and at least as many injured Tuesday night when a Soviet airliner crashed landed at Moscow's Vnukovo Airport, a witness said today.

The source, a foreigner who asked that his name be withheld, said he watched the plane approach the runway, then come down hard on its belly, skidding to a halt. Waiting fire engines that had been alerted immediately doused it, preventing a serious fire, he added.

This report conflicted with descriptions obtained at the airport by Western correspondents. One airport employee and several others said the plane "burned up."

Dawson Farm Tour Planned

LAMESA — The annual Dawson County Farm Tour will be held Thursday, according to Lee Roy Colgan, Dawson County agricultural agent.

The tour is sponsored by the Extension Service Crops Committee of the Lamesa Cotton Growers, the Dawson County Farm Bureau and the county's Soil Conservation Service.

The tour which starts at 9 a.m. Thursday at the Forest Park Community Center in Lamesa will last until 4 p.m. and will take participants to farms where they can see cotton, sorghum, and grain crops in growth.

Lunch will be served at the F. P. King Seed farm.

Judge Takes Myers Case Under Study

Fern Cox, district clerk, returned to Big Spring Tuesday night from Danville, Ill., where he testified at a hearing Monday and Tuesday to determine if a confession made by John Edwin Myers here eight years ago was voluntary.

Myers and Donna Marie Stone, his 13-year-old companion, were arrested in Big Spring in 1961 following a shooting spree from Illinois to Texas. Cox said Judge Henry S. Wise, Seventh Federal Court of Appeals, listened to testimony and took the matter under advisement, saying he would announce a verdict sometime this week.

Myers contends his Texas confession was involuntary and therefore negates the voluntariness of a similar confession made to Illinois authorities.

He was sentenced to die five years ago for slaying a 10-year-old girl, but appeals have kept him out of the gas chamber. His Illinois confession has been ruled voluntary.

The girl's murder was the first of four charged to Myers and Miss Stone. The couple was accused of murdering the girl, Carol Ballard; her father, George Ballard; Margaret Wernicker; a St. Louis department store worker; and Arthur Lee DeKraai, an itinerant plumber who caught a ride with them near Fort Worth. His body was found on a country road a few miles west of Big Spring.

Driver Killed, Passenger Hurt

EMORY, Tex. (AP) — The driver of a pickup truck was killed Tuesday night and a passenger was injured in a collision with a tractor-trailer rig near here.

George McClellan, 66, of Bogota died in the crash. His companion, Mrs. Keith Moxley of Gladewater was reported in critical condition at a Tyler hospital.

The accident occurred at the intersection of U.S. 69 and Texas 19 in this northeast Texas town.

Police said the driver of the tractor-trailer, who was not identified, escaped injury.

SAIGON (AP) — Three hundred more men of the U.S. 9th Infantry Division flew from Vietnam to Hawaii today, virtually completing the withdrawal from the war of 25,000 U.S. troops ordered by President Nixon.

The last numerically designated unit to leave under the current cutback program, Marine Corps Fighter Attack Squadron 334, will complete its transfer to Japan Thursday. Redeployment of the squadron's 250 men and 14 F4J Phantom fighter-bombers began Tuesday.

The U.S. Command said a total of 22,700 men have been moved out by units, while another 1,400 Army men, 400 Marines and 350 Navy men left in advance parties or as individuals. Departure of a Navy LST (landing ship tank) with a crew of 150 on June 9 said would be pulled out of Vietnam by the end of August.

Despite withdrawal of the 23,000 troops, U.S. forces in Vietnam last Thursday totaled 326,500 men, or only 10,500 less than the 537,000 in the country when Nixon made his announcement.

U.S. spokesmen explained that this was due to a lag between the arrival of normal replacements and the departure for the United States of men relieved after a year's duty in Vietnam. The spokesmen said the total strength would drop to about 515,000 men in the next two weeks.

South Vietnamese headquarters announced that 17 persons were killed and 99 were wounded Tuesday night in two terrorist attacks, one on the central coast and one in Da Nang. Both attacks were blamed on Viet Cong agents, and in both attacks the terrorists escaped.

Despite withdrawal of the 23,000 troops, U.S. forces in Vietnam last Thursday totaled 326,500 men, or only 10,500 less than the 537,000 in the country when Nixon made his announcement.

U.S. spokesmen explained that this was due to a lag between the arrival of normal replacements and the departure for the United States of men relieved after a year's duty in Vietnam. The spokesmen said the total strength would drop to about 515,000 men in the next two weeks.

South Vietnamese headquarters announced that 17 persons were killed and 99 were wounded Tuesday night in two terrorist attacks, one on the central coast and one in Da Nang. Both attacks were blamed on Viet Cong agents, and in both attacks the terrorists escaped.

Two Counties Get Projects

A well has been completed in Howard County and projects staked in Howard and Martin counties.

Texaco Inc. has finished No. 1-D Howard Fee in the Hutto South (Wolfcamp) pool of Howard County with an initial pumping potential of 23 barrels of 45-gravity oil and 10 barrels of water per day with a gas-oil ratio of 1.858-1 after being acidized with 8,000 gallons.

Total depth is 9,532 feet, plugged back to 9,522 feet with 4 1/2-inch casing set on the bottom and perforated at 9,482-508 feet. Well site is three miles northeast of Big Spring, 660 feet from the north line and 1,500 feet from the west line of section 31-31-1N, T&P survey.

Texaco Inc. has also staked No. 2-D Howard Fee in the same field for exploration of the Wolfcamp and the Big Spring Fossilman at 9,750 feet. The project, 880 feet from the north line and 2,200 feet from the west line of section 31-31-1N, T&P survey, is three miles northeast of Big Spring and south of Fossilman production and 1 1/4 miles north of Wolfcamp production.

In Martin County John L. Cox of Midland plans No. 1-C Kentex for exploration of the Spraberry Trend Area at 8,500 feet. Drill site is 5 1/4 miles northeast of Stanton and 1/2 miles south of production, 1,980 feet from the south and west lines of section 47-35-1N, T&P survey.

Clings To Bridge Following Fall

DURANT, Okla. (AP) — A 50-year-old Kingston woman said Monday she spent one and a half hours clinging to a bridge abutment after falling from the Roosevelt Bridge over Lake Texoma.

Mrs. Loretta Dowdy, 50, said she leaned too far over the railing of the 36-foot high bridge while watching water skiers. She said she swam to a bridge abutment and waited until a passing boatman spotted her.

Completes 25,000 Troop Withdrawal

SAIGON (AP) — Three hundred more men of the U.S. 9th Infantry Division flew from Vietnam to Hawaii today, virtually completing the withdrawal from the war of 25,000 U.S. troops ordered by President Nixon.

The last numerically designated unit to leave under the current cutback program, Marine Corps Fighter Attack Squadron 334, will complete its transfer to Japan Thursday. Redeployment of the squadron's 250 men and 14 F4J Phantom fighter-bombers began Tuesday.

The U.S. Command said a total of 22,700 men have been moved out by units, while another 1,400 Army men, 400 Marines and 350 Navy men left in advance parties or as individuals. Departure of a Navy LST (landing ship tank) with a crew of 150 on June 9 said would be pulled out of Vietnam by the end of August.

Despite withdrawal of the 23,000 troops, U.S. forces in Vietnam last Thursday totaled 326,500 men, or only 10,500 less than the 537,000 in the country when Nixon made his announcement.

Driver Killed, Passenger Hurt

EMORY, Tex. (AP) — The driver of a pickup truck was killed Tuesday night and a passenger was injured in a collision with a tractor-trailer rig near here.

George McClellan, 66, of Bogota died in the crash. His companion, Mrs. Keith Moxley of Gladewater was reported in critical condition at a Tyler hospital.

The accident occurred at the intersection of U.S. 69 and Texas 19 in this northeast Texas town.

Police said the driver of the tractor-trailer, who was not identified, escaped injury.

Militants Gain Support For \$50,000 In Back Pay

EL PASO (AP) — The National Student Association climaxed its 22nd annual convention with an overwhelming endorsement of demands from Mexican-American and black militants, including a claim for \$50,000 in reparations for a new black student association.

Delegates to the convention, numbering about 500, acted late Tuesday night on the militants' demands after a riotous session the preceding night, during which black dissidents took control of the meeting and drove NSA's outgoing president, Robert Powell, off the platform.

The black militants demanded that NSA pay back to black students funds received from foundations since 1961 for civil rights work.

Given Patton said the new National Association of Black Students estimated the amount due to be \$50,000. Miss Patton is coordinator of the Third World Conference, an organization of black separatists.

'East End Flats' Release Pushed

GALVESTON, Tex. (AP) — City officials here say they will try to secure the release of 310 acres of federally controlled lands, and Sen. John Tower, R-Tex., says he will help.

Tower said Monday at a news conference he would help in the city's effort to obtain all or part of the city's "East End flats," which has been released by Army Engineers for housing development.

The senator said he understood the city "might get half a loaf, (if not) the whole loaf."

"I will certainly support the city of Galveston in any effort to retrieve a part of this land for housing development," he added.

New Speed Zone On FM 700 Recommended By Panel

The Big Spring Traffic Commission voted in a regular meeting Tuesday to recommend to the city commission that the city's speed zone on FM 700, from US 80 west to East IS 20, conform to those proposed by the Texas Highway Department.

It also will recommend that parking on the south side of Fifteenth Street, from Gregg to Lancaster, be prohibited and that parking on the south side of Eleventh Place, between College and Lamar Streets, be limited to two hours.

A study by the highway department showed average speeds of between 50-60 miles per hour at different points along FM 700, though the current speed zone is 45.

Gas Rate Hike Approved, Late Charge Is Denied

City Commissioners Tuesday night approved a 14.8 per cent rate increase for Pioneer Natural Gas Co. in the amount charged domestic and commercial users to become effective Sept. 23.

The commissioners denied a request to allow the company to charge domestic bills not paid within 10 days an extra 10 per cent of the total bill, even though company spokesmen said it would not be used at present.

Commissioner Jimmy Morehead asked K. B. Watson, senior vice president for Pioneer and main spokesman for the company during the public hearing, if the matter could be taken up at a later date if not included in the ordinance, and Watson said yes. Commissioner George Zachariah suggested the late charge not be approved until needed.

The commissioners also decided against making an emergency reading of the ordinance in place of the regular three readings, letting the rates become effective after the third reading (Sept. 23). Pioneer had asked for the rate hike to become effective Sept. 15.

Earlier Joe Wasson had asked Watson if the gas supplied by Pioneer was not of inferior BTU content because more had to be turned into a stove here to get it to light than in cities north of here.

"The gas here," Watson said, "comes from the Tarzan cross-over and mingles with that from the Permian Basin. Even after going through gas plants, it still has about 1,000 BTU content. The gas used in Lubbock has only a 975-980 BTU content."

Watson said the rate hike is necessary to offset increased labor, material and equipment costs. Though the company had more than doubled its invested capital in Big Spring since acquiring distribution rights in 1958, it had never increased its rates, he said.

He also said the company would experience a 6.36 per cent rate of return under the present rates as compared to the present 2.63 per cent rate, but the Railroad Commission had allowed rate returns of 7.25 per cent in some cases.

Promised Action

HOUSTON (AP) — About 40 Mexican-Americans picketed city hall Tuesday for improvements to Port Houston Park and were promised action.

The councilman for that area, A.L. Miller, said he would ask the mayor and the recreational director to find money to put up a permanent shelter at the park.

Grant Boardman made a motion to allow it and Jack Alexander seconded. Roy Watkins questioned the validity of the motion, saying it was outside board policy on the building trades class.

A copy of the policy was read to the members by Joe Moss, president, who then ruled the motion out of order.

Bids To Be Taken Oct. 6 For New City Vehicles

City Commissioners Tuesday night set Oct. 6 as the date to receive bids for replacing 11 police cars, seven pickups, one public works car and one garbage truck.

Assistant City Manager Roy Anderson explained local dealers would not know complete price schedules any earlier.

The commissioners also: 1. Decided to advertise for bids (which would be received Sept. 23) for oil and gas lease rights under Powell Lake, as requested by Robert Kimberlin.

Pugh allegedly assaulted Mrs. Helen Steelman, 48, in the hospital the day before the scuffle with police. During the scuffle he fled in a police car wearing handcuffs and manacles on his feet.

IT NOW CONSUMES TWO-THIRDS OF AMERICA'S GROCERY BILL

Cost Of Getting Food From Farmer To Housewife Soars

WASHINGTON (AP) — The cost of getting food from the farmer to the housewife has soared 160 per cent in two decades and now consumes two-thirds of America's grocery bill. The House Agriculture Committee cites these figures:

Twenty years ago, when Americans spent \$45 billion a year for food, the farmer got about \$20 billion and the middlemen \$25 billion. Today, when the nation's annual food bill is about \$90 billion, the farmer gets about \$30 billion and the middlemen about \$60 billion.

was 13.5 cents. Today, the same loaf costs 22.9 cents. In 1949, the retailer's slice of the bread price was 2.2 cents. Today it is 5 cents.

In 1949, 1.7 cents of the retail price went for milling, grain handling and transportation. Today the figure is 2.4 cents.

In 1949, the farmer received 3.3 cents for his wheat and other ingredients—such as lard, sugar and dried milk—that went into the loaf of bread. Today he gets the same 3.3 cents.

BIG SPRING DAILY HERALD

SEC. B BIG SPRING, TEXAS, WEDNESDAY, AUGUST 27, 1969 SEC. B

WHERE THE FOOD MONEY GOES — Chart shows the relation between prices farmers get for their goods compared to the prices consumers must pay in retail stores.

The staff of the Agriculture Committee, in a report this year, pointed directly at the middlemen in discussing the reasons for rising prices.

"Processors and marketing agencies—the middlemen between farmers and consumers—experiencing higher costs, have been successful in adding greatly increased charges to farmers' products before they reach the consumer," the report said.

MIDDLEMEN REAP

"... All the increase in retail price—and more—goes to the middlemen. None accrues to farmers."

Middlemen bristle at the contention they're solely to blame for higher prices.

"It's inflation—pure and simple," said Clarence Adams, president of the National Association of Food Chains.

Adams and other spokesmen for marketers tick off their own rising cost—labor costs up more than 100 per cent in 20 years, costs of containers and pack-

aging material up 40 per cent, overhead costs such as rent up 96 per cent.

Housewives, they add, also are demanding foods that require more and more processing—canned chocolate pudding, for example, or frozen three-course dinners.

PROFITS

A commission set up by former President Johnson to study food marketing costs, however, was critical of "the substantial costs built into the price of food

as a result of various forms of selling effort—advertising, sales promotion, expensive packaging, salesmen."

S. Kent Christensen, an economist for the food chain association, said supermarket chain industry profits have dwindled steadily, dropping from 1.41 cents per dollar of sales in 1964 to .99 of a cent last year. He cited these figures from an industry-financed study by Cornell University—a study which also disclosed that the average supermarket's annual sales have climbed for 12 consecutive years and now stand at \$1,679,000.

Viewed another way, food chains had after-tax profits last year of 9.18 per cent of their net worth, the Cornell study said. The Agriculture Department, however, places the figure for 58 large chains at 11.5 per cent of net worth, up slightly from the previous year.

LEFT BEHIND

The increase in food manufac-

turers' profits "was due mostly to a strong rise in sales volume rather than an improvement in profit margins," department economists concluded.

Middlemen, added Christensen, "have not passed along their costs in the form of price increases as fast as they occur." But farmers who look at the middlemen's profit levels believe they have been left behind.

Farmers like Joe Stucky of Pretty Prairie, Kan., point out that the typical American family spends less than 17 per cent of its take-home pay on food, compared with 20 per cent in 1960 and 22 per cent in 1940.

There's a widely held belief among farmers that consumers should be paying more for their groceries.

LIVING CHEAP

"I think they should," said John Wagner, a Dane County, Wis., dairy farmer. "Compared with other countries they're living cheap—they're making high enough incomes to afford paying more for food."

Housewives, of course, don't agree.

"I used to buy steak frequently," said Mrs. Irene Berlin of Wilmette, Ill., "but now I have to settle for ground beef—which isn't cheap for a large family."

It's the recent upward surge in beef prices that has brought talk of housewife boycotts.

CRAVING FOR BEEF

Beef prices shot up this spring and summer, analysts said, because production hadn't kept pace with America's awesome craving for beef—per capita consumption has nearly doubled since World War II to 110 pounds a year.

Cattlemen had been keeping the size of their herds in check,

remembering past money-losing periods of overproduction. But now, spurred by higher prices, they are moving cautiously to enlarge their herds.

As more and more cattle reach market this fall, the slaughter price of choice beef is expected to drop. But industry officials predict that the wholesale and retail markups will be widened when live cattle prices drop. The net result for the housewife: Retail beef prices

will stay about the same as now, or even climb higher.

"I don't think anybody in this country can expect to see \$1 round steak again, and certainly not less than about \$1.39 for sirloin," said Lyle Liggett of the National Independent Meat Packers Association.

In its last quarterly report, the Agriculture Department said the farmer's share of the price paid for a pound of choice beef was 65 per cent. The wholesaler's share was 10 per cent and the retailer's share 25 per cent.

This summer, the average price nationwide for sirloin steak was \$1.49 a pound—up 20 cents from six months earlier. In some places, such as Los Angeles, it was carrying prices of from \$1.89 to \$2.49 a pound.

Tricia 'Feels Much Better'

SAN CLEMENTE, Calif. (AP) — Tricia Nixon stayed overnight in Walter Reed Army Hospital in Washington, D.C., where doctors are trying to find the cause of abdominal pains.

The Western White House said the President's 23-year-old daughter was "feeling much better." She was resting comfortably after having mild sedation.

Tricia's rush by ambulance from the White House in Washington to Walter Reed Tuesday morning caused a flurry of excitement at the Western White House.

Mrs. Nixon made a telephone call to her daughter. After that, the concern seemed to subside a bit.

Young Farmers Enter Contest

The Four Counties Young Farmers, a group organized this summer, will attend the Area II convention Sept. 20 at Lamesa High School auditorium to compete with Dell City and Rotan for the title of new outstanding chapter.

In a Tuesday night meeting, the group announced it will conduct a short course on beef cattle production which is open to the public for a \$2 fee. Interested persons should contact Don Shortes, Rt. 1, Ackerly, or Lon McDonald, Box 91, Ackerly. McDonald is the vocational agricultural teacher at Sands High School.

Welcome Rains Soak Drouth-Weary Texas

By The Associated Press

Continuing into a third straight day, welcome rains soaked into much of drouth-weary Texas today.

Although of wide benefit, the widespread showers and thunderstorms also contributed to traffic accidents which claimed at least three lives.

A head-on collision Tuesday in driving rain 10 miles north of Haskell in West Central Texas killed John B. Tabor, 63, of Stamford and Harold Portney Belk, 57, of Stillwater, Okla., who was enroute to Big Spring to visit relatives.

At Wichita Falls a car skidded on a wet street Tuesday night and crashed into a busy restaurant. June Guymon, 34, of Seymour, a customer, died under a pile of rubble. Three other persons suffered injuries. In still another accident at

tributed to the weather, a Continental Trailways bus and a car collided in heavy rain Tuesday night near Wortham, in Central Texas, and 13 persons were injured. Three remained in a Mexia hospital overnight.

The occasionally heavy rains, finally putting the brakes on protracted summer heat, concentrated on Central and Northwest Texas and the Texas Panhandle during the night.

It was still raining this morning over parts of Northwest Texas and showers dotted the central part of the state and the Gulf Coast.

Moisture amounts up to midnight ranged up to 1.32 inches at Abilene.

A few thunderstorms roved an area embracing Childress, Abilene, Brownwood and Fort Worth.

Arabs Call Summit Meet, Council Condemns Israel

By The Associated Press

Hoping to capitalize on Moslem indignation over the fire at the Al Aqshah Mosque in Jerusalem, the Arab nations have agreed to try to convene a summit meeting of all Islamic nations and also to hold a joint Arab defense council in November.

As the Arabs inched toward unity, in words at least, the U.N. Security Council voted another condemnation of Israel, and the Israelis reported finding 13 Arab missiles trained on the heart of Jerusalem.

Foreign ministers and other representatives of the Arab governments ended a two-day meeting in Cairo Tuesday with a communique which said Saudi Arabia and Morocco would be asked to line up all the Moslem countries for the Islamic summit. The purpose is to enlist such non-Arab nations as Iran, Pakistan, Malaysia and Indonesia in the fight against Israel.

The ministers said the Arab defense meeting, to be held in Cairo in the first week of November, would "put the necessary plans toward mobilizing

Arab military potentials against Israeli aggression and consolidation of the Palestinian revolution."

They agreed that only "force" would liberate the Arab lands occupied by Israel and called for strengthening of the guerrillas in the occupied territories.

Plans for an Arab summit conference to unify action against Israel were postponed until after the November defense meeting.

The Security Council unanimously condemned Israel for an air attack Aug. 11 in which Leb-

anon claimed four civilians were killed. Israel admitted the attack but said the targets were guerrilla bases in southeast Lebanon from which terrorists had been raiding Israeli border settlements.

Israeli Ambassador Yosef Teohah told the 15-nation council his government would continue to defend its borders regardless of the resolution.

The unanimous vote came after Lebanon's supporters agreed to include in the resolution an indirect slap at the Arab guerrillas. The provision, demanded by the United States and Britain, deplored "all violent acts" in violation of the 1949 armistice.

The 13 unfired missiles trained on Jerusalem were discovered by Israeli army helicopters after saboteurs fired three rockets at the Ganei Yehudah Hotel in Jerusalem. No one was hurt and no damage was reported.

The 130mm and 80mm rockets, of Egyptian and Czechoslovak make, were on a ridge five miles south of Jerusalem. Sources said they were trained on both the Arab and Jewish quarters of Jerusalem and could have caused mass destruction.

Many Arabs were arrested in two nearby villages following the discovery, informants said.

Lieutenant Who Couldn't Get Men Moving Relieved

SAIGON (AP) — The young American lieutenant who couldn't get his men back into battle last Sunday has been relieved of his command.

His battalion commander, Lt. Col. Robert C. Bacon of Falls Church, Va., said today that Lt. Eugene Shurtz Jr., 26, of Davenport, Iowa, had been relieved as commander of Alpha Company and would be given a new assignment with the 196th Light Infantry Brigade.

SORRY, SIR

"I went out to relieve him personally," Bacon said in a telephone interview from his headquarters in the foothills southwest of Da Nang. "I wasn't satisfied with the progress the company was making."

Alpha Company suffered heavy casualties last week in five consecutive days of assaults on a labyrinth of North Vietnamese bunkers and trench lines on the slopes of Nui Lon Mountain. Ordered to move out again Sunday, Shurtz told Bacon over a field telephone: "I am sorry, sir, but my men refuse to go. We cannot move out."

Bacon sent his executive officer, Maj. Richard Waite of Reynoldsville, Pa., and Sgt. Okey Blankenship of Panther, W.Va., a Vietnam veteran, to the scene.

Blankenship finally persuaded the men to get moving. They ran into no opposition.

DRAGGING ITS FEET

Bacon said that Capt. Bernard F. Wolpers, a native of Germany who is now a U.S. citizen, had replaced Shurtz as company commander.

The colonel said the company's refusal to follow Shurtz's orders "was certainly a contributing factor" in his decision to

change commanders, but that the action "was not solely based on that."

"I made the decision for a lot of reasons," he said. "I don't think he had the experience to handle the job... The company wasn't responsive; it was dragging its feet."

A spokesman for the Americal Division said five enlisted men had questioned Shurtz's orders to move out, but that all five had finally gone with the rest of the company "and the company completed its mission." Both Bacon and the spokesman said

no charges are pending against anyone and no formal investigation is being conducted.

BIG PROBLEM

He said the company is still operating in the field but has not been involved in any significant fighting since last Saturday.

Shurtz had been in Vietnam only a month and was commander of Alpha Company for three weeks. Bacon took command of the battalion last Thursday after his predecessor, Lt. Col. Eli P. Howard of Woodridge, Va., was killed in a helicopter crash.

Bacon said he did not consider the Alpha Company incident "a big problem."

"I've seen similar type things happen," he said.

Shurtz could not be reached for comment.

Pasley Moved To Dallas Office

Robert Pasley, 3913 Dixon, Big Spring agent for Western and Southern Life Insurance Co., has been promoted to associate manager of the Dallas office.

Pasley will take the new position Sept. 1. He has been with the insurance firm here since December and had previously worked for Texas Electric Company as a field representative.

With the company he is a member of the Quarter Million Dollar Club. He also holds membership in the Fraternal Order of the Eagles. Pasley and his wife have one son, Loyd, 1, Loyd, 1.

Dallas Pokes Planning To Go With Top Hands

HOUSTON (AP) — Storm warnings went up along the Houston Oiler perimeter from Pat Holmes as far east as Elvin Bethea when it was learned the Dallas Cowboys will start Craig Baynam and Les Shy in the backfield Thursday night.

The Oilers will have to watch for their trying to get outside and hitting quick up the middle, Head Oiler Coach Wally Lemm said.

"There was a pretty fair country halfback trying to get outside last week," he said with a smile. He was referring to the Chicago Bears' Gale Sayers who only chalked up 34 yards against the Oiler defense.

Except for one touchdown drive, Chicago never penetrated beyond the Oiler 18-yard line.

Lemm said improvement of the defense outside the 20 yard lines has picked up this year, with Bethea, Olen Underwood and Zeke Moore contributing.

The opposition used to run to the right because they didn't care to buck George Webster and Pat Holmes, Lemm said, but now they're having to run both ways.

Underwood said he was looking forward to the Cowboy contest because Tom Landry's team exerts the meanest kind of pressure on a linebacker.

"They're well drilled and balanced, which means you can't play tendencies against them," Underwood said. "You have to be ready for anything."

Jimmy Stewart 2 Shots Back At Andrews

ANDREWS — Jimmy Stewart of Big Spring was two strokes off the pace in the 12-13 age bracket after the first day of competition in the Tournament of Champions here Tuesday.

The 36-hole event, sponsored by the West Texas chapter of the PGA, continues through today.

Leader in the division was Ross Wortham of Iraan, who had a 79. Stewart led third-place Preston Boyd of Dumas by a stroke.

Big Spring's two other entries in the event, Gary Travis and Howard Stewart, were well back in the pack.

Travis posted a first round 75 in the 14-15 division, three strokes back of leader Dub Huckabee of Monahans.

Steve Cranford of Crane paced the 16-17 group with a 68. Howard Stewart came with a 76.

Favorites in the division, Alan Pursley of Midland, is five strokes behind the leader.

'No No' List May Hurt New Orleans

NEW ORLEANS (AP) — An optimistic coach, perhaps overly so. A determined, but erratic quarterback. Some aging defensive stars. Eager Rookies, some quite impressive. And two running backs, talented—but troublesome in the past.

Put them altogether, throw in a few other bodies and you have the 1969 version of the New Orleans Saints—still the baby of the National Football League. Coach Tom Fears is talking about an 8-6 season. He's serious. The Saints, however, must show tremendous improvement over their preseason performances to date if Fears is to win any coaching or prognosticating awards.

One problem—and Fears won't admit it publicly—is a number of players on the "no no" list when it comes to cutting to the final 40. These are the favorites of John W. Mecom Jr., the brash young multimillionaire owner.

Nevertheless, the Saints could surprise a lot of people. A year ago, chief defensive coach Jack Faulkner, using complicated and sophisticated alignments along with ageless Doug Atkins and youngsters like Bo Burris and Dave Rose, led the league in pass defense.

Atkins, now 39 and probably in his final season, will set the NFL longevity record—17 seasons—when he steps on the field here Sept. 21 to play the Washington Redskins. It just doesn't seem possible that he can be of much help to New Orleans, but that's what they said about the 6-foot-8, 280-pound Tennessee Terror a year ago—and he made a second team All-NFL.

Faulkner and Fears are more fearful of injuries than most coaches. The Saints just don't have the depth—particularly at defensive end and linebacker.

With the shift of Jerry Sturm to center, the offensive interior line appears better. One of the weaknesses, perhaps the biggest one, in the past two years was the team's inability to consistently mount a running threat from tackle to tackle.

Wolman Tells New Plan To Buy Back Eagles

By The Associated Press

To paraphrase Vince Lombardi: Money isn't everything... it's the only thing. Ask Jerry Wolman and Leroy Keyes.

Wolman, making another "gold line stand", has come up with a new scheme to buy back the Philadelphia Eagles, and Leroy Keyes is considering a "substantial contract offer" to play in the Canadian Football League.

Wolman's latest plan was presented to federal bankruptcy referee Joseph O. Kaiser in U.S. District Court in Baltimore Tuesday. It involves a new partner, Washington financier Thomas Shaheen, and a few Wolman businesses—the Yellow Cab companies of Philadelphia and Camden and the Yellow Limousine Service.

Hyman Tellebaum, Wolman's lawyer, said Wolman hopes to repay \$3 million to creditors over a 10-year period with the latest plan. But, he said, the exact method of financing the repayment plan has not been determined.

He explained the \$3 million could be raised from revenues of the firms; from a refinancing of the debts using the companies as security, or through a merger of the businesses with a prominent, yet unspecified company that is listed on the American Stock Exchange.

Tellebaum said the referee's approval of a Wolman-Shaheen venture would place the men in a position to reclaim the Eagles, sold earlier this year for \$16.1 million to Leonard Tose of Norristown, Pa.

The availability of the National Football League team for purchase, however, is a matter of debate between Tose and Wolman. Wolman insists he's still able to execute a buy-back clause in the sale agreement—but Tose disagrees, saying any such clause has been voided.

Oakland's Loss Aids Minnesota In Drive

By The Associated Press
There is no joy in Oakland... mighty Reggie has struck out.

The time—Tuesday night. The place—Tiger Stadium. The situation—Oakland has scored five runs in the ninth inning to trail Detroit 9-6; there are two on and two out and Reggie Jackson, who leads the majors with 45 homers, is at bat.

Jackson went down swinging to saddle the Athletics with a split in the doubleheader and drop them two games behind Minnesota, the American League West leader, which beat Washington 6-4.

Oakland pounded out 15 hits and whipped Detroit 8-6 in the opener.

Seattle nipped Baltimore 2-1, the Chicago White Sox edged the New York Yankees 3-2 in 10 innings, Boston took Kansas City 4-1 and California topped Cleveland in other American League action.

In the National League, Cincinnati nipped the Chicago Cubs 8-7, San Francisco trounced Philadelphia 13-4, Atlanta felled Pittsburgh 6-4, St. Louis

beat Houston 1-0 and then lost to the Astros 4-2, Los Angeles stopped Montreal 6-0 and the New York Mets swept San Diego 8-4 and 3-0.

Detroit built up a 9-1 lead in the second game as Mickey Stanley and Al Kaline each drove in three runs. Stanley, who also drove in three runs in the opener, hit a solo homer in the first inning and a two-run shot in the third inning. Kaline also hit two homers and Norm Cash one in the nightcap.

Earl Wilson, 11-8, gave up a run-scoring triple to Jackson in the sixth and was coasting along until the Athletics rallied in the ninth.

Tito Francona singled in Jackson, who had walked, another run scored on a bases-loaded walk, Bob Johnson singled in two more and the fifth scored on Dick Green's sacrifice fly. John Hiller, the third pitcher of the inning, then struck out Jackson.

Oakland jumped on Denny McLain, 20-6, for four runs in the third and built up a 6-0 lead but then had to break a 6-6 tie in the sixth to win. The winning

run scored on Bert Campanaris' out in the third was to receive a cortisone shot today for a sore arm.

Dave Boswell, 14-9, triggered a four-run Minnesota third inning with a solo homer, his second of the year, as the Twins moved to a 5-2 lead and held on to beat Washington.

Gene Brabender became Seattle's first 10-game winner, pitching a four-hitter and the Pilots snapped a 10-game losing streak and sent Baltimore to its fourth consecutive loss for the first time this season. The Orioles, however, still hold a comfortable 14-game lead over runner-up Detroit in the East Division.

Brabender, who also has lost 10, got the runs in he needed when Tommy Davis homered in the second and singled home Tommy Harper, who walked and stole his 62nd base, in the sixth.

Richest Meet Is Under Way

FOREST HILLS, N.Y. (AP) — The world's richest tennis tournament, the \$137,000 U.S. Championship, broke with tradition and opened a 12-day stand with the name players shunted from the spotlight.

Top-seeded Rod Laver of Australia, gunning for the first Grand Slam of the Open era, faced Luis Garcia of Mexico today on an obscure side court at the venerable West Side Tennis Club.

Defending champion Arthur Ashe, hoping to break out of a service slump, and second-seeded John Newcombe, runner-up at Wimbledon, were among other stars relegated to field courts.

Ashe, seeded fourth, faced Richard Stockton, a Junior Davis Cupper from Garden City, N.Y. "This is a marked break with

GONE TO THE DOGS — A small poodle invaded San Diego Stadium Tuesday night, interrupting a sixth inning rally being staged by the New York Mets in the second game of a doubleheader against the San Diego Padres. Third baseman Van Kelly of the Padres makes an unsuccessful attempt to field the pup which held up play for about five minutes. The dog was caught after running into the Padre dugout. New York won both games, 8-4 and 3-0.

Flag Pressure Could Be Hurting Chicago

By The Associated Press

For a while, it looked as if Leo Durocher wasn't going to get his wish, but the way his Chicago Cubs keep throwing away games and the New York Mets keep picking them up, Leo might get it after all.

Just last weekend, Durocher was saying how curious he was to find out how his players would react to pennant pressure. But the way the Cubs had been winning, it didn't appear as if there would be much pressure to react to.

However, all that has suddenly changed and after the Cubs lost again to Cincinnati 8-7 Tuesday afternoon, and the Mets swept a two-night doubleheader from San Diego 8-4 and 3-0, the pressure is on.

JUST THREE OUT

The results left the Mets only three games behind Chicago in the National League East and only one in the important loss column, quite a drop from the 9½-game lead the Cubs had only 14 days ago.

St. Louis and Pittsburgh missed golden opportunities to add still more pressure when the Cardinals split a two-nighter against Houston, winning 1-0 and then losing 4-2, and the Pi-

rates lost to Atlanta 6-4.

The third-place Cardinals thus picked up only a half game and stand 7½ back, while the Pirates are eight behind.

The West Division needs no added pressure with one game still separating the first four teams after all won.

San Francisco clung to its half game, three percentage point lead over Cincinnati by clubbing Philadelphia 13-4, and Atlanta remained two points behind the Reds. Los Angeles is one game and seven points behind after bouncing Montreal 6-0. Fifth-place Houston is three games back.

For the second day in a row the Cubs fell far behind and then fell just short with a ninth-inning rally that ended with a relief pitcher coming on to get the last out with the tying run on third base.

It marked the sixth defeat in eight games for the Cubs and their third in succession.

Cincinnati piled up seven runs in the first two innings on a flurry of singles, but the Cubs pecked away at Jim Merritt, 15-5, with homers by Don Young, Glenn Beckert and Ernie Banks and Ken Rudolph's two-run pinch single in the sev-

enth.

The Reds scored the winning run in the ninth for an 8-6 lead on Lee May's double, but a walk, Beckert's double and a sacrifice fly drove out Merritt in the bottom of the ninth.

And Durocher, a bit high-strung himself, wasn't even around to see his Cubs react. He was ejected in the second inning over a dispute involving a change of pitchers.

FULL ADVANTAGE

The Mets took full advantage later as Tom Seaver, 18-7, became the league's first 18-game winner with a four-hit first game victory and Jim McAndrew, 6-5, followed with a five-hitter, running the Mets' winning streak to five games and 11 in their last 12 outings.

Donn Clendenon and Ron Swoboda homered for the Mets and Cleon Jones rapped a tie-breaking two-run double in the opener.

Al Weis and Art Shamsky singled in runs in the nightcap and another scored on a wild pitch as San Diego lost its fifth straight and 16th in 18 games.

Nelson Briles, 13-11, outduelled Larry Dierker, 16-10, with a four-hitter and Julian Javier homered for St. Louis' victory. But the Astros broke a 2-2 deadlock in the ninth inning of the nightcap on Julio Gotay's two-run pinch-hit single with two out.

Pittsburgh had an eight-game winning streak snapped as Atlanta rushed to a 6-0 lead. Willie Stargell's long homer with a man on in the eighth and a two-run single by Jerry May in the ninth made it close before rookie Paul Doyle stopped the Pirates with the tying runs on base.

AFL's Top Teams Praised

DALLAS (AP) — You will get al Football League's 13-7-1 edge in pre-season inter-league games with the American Football League, and Landry will say "I'll tell you this, their bet-ter teams are as good as ours."

Note Landry said "better" teams, leaving the impression that over-all superiority belongs to the NFL. "They (The AFL) have really come fast in the last several

years," Landry said Tuesday. "They have been doing well with their draft picks." The Cowboys meet Houston Thursday night in the Astrodome for the unofficial "Texas Championship." Dallas has beaten Houston in the two previous

meetings 30-17 and 33-19. Landry said the Cowboys are having trouble getting "mentally" ready for the Oilers. He said the team was still savoring the 31-13 whipping of Green Bay Saturday night.

LOOKING 'EM OVER

With Tommy Hart

Big Spring's Albert Fierro, who quit his job in Lincoln, Neb., to join the West Texas Rufneks (and accept employment in Midland), was used sparingly in the club's opener with Omaha because of a sore arm.

Albert hadn't played the game since the 1967 season. Guy Griffith may get the job done as Ted Dawson's quarterback but many observers say Guy's forte is at defensive back, not operating at the navigator's position.

The Rufneks are still dicker with a quarterback cast adrift recently by both Green Bay and Washington (after having been on the taxi squad last year). The man in mind resides in Pennsylvania, however, so chances are he'll try to make a connection closer to home.

Dawson would like to sign a player for the position who makes his home in Texas. That doesn't mean, however, he's given up on Fierro. He is seeking depth at the position.

Incidentally, the Rufnek management has been told the Continental League, with which West Texas is affiliated, is dicker with Howard Hughes' Television Sports Network for a contract.

The first income from such a contract would be modest, of course, but would go far toward insuring the fiscal responsibility of the teams.

A players' poll taken by Sports Magazine has the Los Angeles Rams prevailing over the Dallas Cowboys for the NFL title and the New York Jets repeating as the AFL titlists at the expense of the Oakland Jets in the AFL. More than 1,000 players were asked their opinions on the matter.

The balloters had Cleveland of the Century division losing to Dallas of the Capitol division. In the west, the players expect the Rams of the Coastal division to deck the Minnesota Vikings of the Central division before measuring the Cowboys for the NFL crown.

Look for improvement in TCU's football fortunes, even though the Frogs play four teams which are being ranked in pre-season Top Ten polls.

The Frogs will upgrade themselves because Fred Taylor will be working with better quarterbacks—Steve Judy and Buzzy Underwood.

A few years ago, before the entrance of Texas Tech into the Southwest Conference, this section of the country rooted, in the main, for TCU—not only due to the proximity of the school but because the buffs reasoned the Purple lineup was made up of under-privileged small town boys who were being asked to try their skills against the expensively-assembled juggernauts of the bigger schools.

Dutch Meyer, then coach of the Frogs, dearly loved to project that image and got a lot of mileage out of his teams because of it.

The story is truer today, perhaps, than it ever has been but the presence of Texas Tech in the league plus the intrusion of pro football has downgraded TCU on the sympathy charts. TCU is one of the denominational schools struggling to stay alive in big time collegiate athletics, a job made more complex by the fact that its own community won't support its teams.

The Fort Worth people, sad to relate, are more enamored of the Dallas Cowboys but prefer to take that sort of diet without exerting the energy of driving to the park. They go great for TV sports.

As a result, TCU officials strive to book the biggest non-conference games possible on the road in their endless battle to balance the books.

Bill Rigney, now a play-by-play announcer for the San Francisco Giants, could be the next manager of the Boston Red Sox if Dick Williams decides he's had enough.

Oct. 17 Game Added By SHS

ACKERLY — Coach James Blake has completed Sands' 1969 football schedule with the addition of an Oct. 17 game with Lubbock Christian High School.

The game will be played in Ackerly and will be the final non-conference contest of the season for the Mustangs. The Ponies will be idle the previous week.

In all, 32 boys are now working out under Blake and Ronnie Gandy.

Latest additions to the squad include Freddie Green, 120-pound senior end; Renny Feaster, 130-pound freshman guard; and Jackie Merrick, 115-pound sophomore end.

The Mustangs will not observe Homecoming until Nov. 8, at which time they catch the league favorite, Jayton. That engagement will be on a Saturday night.

Sands' schedule:
Sept. 12 — At Granddolls.
Sept. 19 — At Laraina.
Sept. 26 — Faron in Ackerly.
Oct. 3 — At Imperial.
Oct. 10 — Open.
Oct. 17 — Lubbock Christian High in Ackerly.
Oct. 24 — Harmsleigh in Ackerly (C).
Oct. 31 — At Roby (C).
Nov. 7 — Jayton in Ackerly (C) (HC).
Nov. 14 — Wilson in Ackerly (C).
Nov. 21 — At New Home (C).
(C) — denotes conference games.

Many Help With Carnival

The Labor Day Weekend Carnival, sponsored this weekend at Webb, involves many local personnel. Lending support to the carnival are several base units and organizations.

The Noncommissioned Officers Association and the Non-commissioned Officers' Wives Club will operate food and refreshment stands. The 3560th USAF Hospital will man a bingo booth, while the 3560th Organizational Maintenance Squadron will run a dart throw, a ring toss, a fish pond, and a ball throw booth. The 3560th Air Base Group plans to handle a dunking machine and the NCOWC will work a penny pitch.

The carnival isn't the only attraction. Friday, there will be a dance, featuring "George," a rock 'n' roll group from Abilene, beginning at 9 p.m. in the John H. Lees service club. Admission is \$1.

Both the dance and the carnival are open to the public. The carnival will last from Friday until Monday, with the following hours: 4 p.m. until midnight on Friday, 1 p.m. until midnight Saturday through Monday, and the rides will be in operation from 4 p.m. until midnight Tuesday, but the booths will be closed.

Retired Railroad Man To Rescue

RIPARIUS, N.Y. (AP) — While state police searched for a 40-car freight train, a 71-year-old retired railroad conductor flagged it down Monday night, 15 miles from where it would have hit a section of track washed out by a sudden thunderstorm.

Joseph Coates, a conductor for 50 years, said he responded to a telephone call from the Albany dispatcher of the Delaware and Hudson Railroad.

Houston To Lease Three Helicopters

HOUSTON (AP) — The city council Tuesday approved a plan to lease three helicopters for the police department.

The program will cost \$85,775 annually except for the first year cost of \$163,525.

The money for leasing the helicopters from the Hughes Tool Company and training the pilots will come from the police department budget, Mayor Louie Welch said.

Protect Five Negro Tutors

THOMAS, La. (AP) — Federal marshals have been ordered today to protect five Negro teachers who attempted to report to the predominantly white high school here Tuesday but were barred by threatening whites.

U.S. Dist. Court Judge Frederick J. R. Heebe ordered the marshals to assist Washington Parish Sheriff Willie J. Blair in bringing about an orderly opening of school in this small southeast Louisiana town.

About 40 or 50 whites took part in demonstrations Tuesday, which forced the five teachers to remain inside the sheriff's patrol cars that took them to Thomas High School.

Blair called it "nothing but a lot of talk," adding, "We think we've got it in hand."

Storm Caused Braniff Crash That Killed 85

WASHINGTON (AP) — An attempted turn amid severe turbulence was listed today as the probable cause of an airliner crash that claimed 85 lives last year in Texas.

The National Transportation Safety Board said the Braniff Airways Lockheed Electra broke up during an electrical storm May 3, 1968, near Dawson, Tex., but lightning was not a factor.

In reporting its findings, the board said crew of the Houston-to-Dallas flight asked to deviate west to avoid apparent storm conditions but was informed by the Federal Aviation Administration traffic controller at Fort

Worth that other flights were turning east.

The crew reported weather looked a bit better to the west and got the controller's approval to turn that direction, the board said. The controller then twice advised that other traffic was turning east, the board added.

Then, after the final reminder, the board said, the tape from the cockpit voice recorder showed the pilot told the plane's first officer: "Don't talk to him (the controller) too much. He's trying to get us to admit we made a big mistake coming through here."

Then, the crew asked and received permission to make a turn—and the last 15 seconds of the tape had a sound similar to hail or heavy rain, a sound of a fire warning bell, and a sound "similar to breakup noise," the board said.

The board, in its recommendations, urged the FAA to order pilots to avoid storms by at least 23 miles until new regulations could be adopted to prohibit penetration of thunderstorms.

"FAA concurred with the intent of the recommendations but considered that the answer rested in the education and training of pilots and dispatchers," the board said.

The board also recommended that the airlines that personnel be ordered to adhere to published policies and to use airborne radar mainly as a storm avoidance tool rather than a storm penetration aid.

It said it was "evident from the answers that large segments of the aviation industry were reviewing, amending and updating safety and training programs and operational procedures."

The board also recommended that the pilot's weather information be expanded to include data on hail size, turbulence intensity and storm severity.

The board said shortly before the plane broke up, the pilot asked ground control if it had reports of hail in the area and was told there were none because no other planes had tried to go through there.

The board added that the crew possibly mistook light areas on the plane radar scope—actually caused by hail—for an opening in the storm.

"The fact that the crew knew that another Braniff flight was deviating to the east, taken in conjunction with the repeated comments from the controller regarding deviations to the east, should have been sufficient reason for the captain of the flight to reconsider his decision to penetrate the weather area," the board said.

"After the penetration of the storm had been initiated, the de-

Let's Face It, This Railroad Has Problems

NEW YORK (AP) — A Long Island Rail Road commuter who refused to show his ticket to a trainman because he couldn't find a seat and the train was dirty has been cleared of criminal charges by a city judge.

Judge William Suglia, who sometimes rides the troubled railroad himself, dismissed charges Tuesday against Seymour Cummins of Manhattan.

"Let's face it," Suglia said. "This railroad has problems. I think we can understand how a man, though he had no intention of causing public inconvenience, could do this."

Cummins was en route to his summer home in Long Beach Aug. 12 when he refused to show a conductor his monthly commutation ticket. He said the train was too crowded, hot and dirty. He was put off the train at an unscheduled stop, taken to a police station and charged with disorderly conduct.

Two Texans Win Honors At Webb

A native Texan was named Airman of the Quarter in Detachment 16, 24th Weather Squadron, at Webb AFB. Airman I.C. Thomas Cooper, who comes from El Paso, earned the quarterly award after only four months on the job. The honor covers the May through June quarterly period.

He is a weather observer, and entered the Air Force in October, 1968, and was stationed at Chanute AFB, Ill., prior to his assignment here. Airman Cooper holds a bachelor's degree in mathematics from Wiley College at Marshall.

Another Texan earned Airman of the Month honors for July in the 3560th Headquarters Squadron. Airman I.C. Robert Dilworth, a clerk in the accounting and finance section on base, is from Italy, Tex. He is a 1968 graduate of Southern Methodist University, in Dallas, and holds a BBA degree in accounting.
