

## \$80,000 Rep. Powell Seeks Lost Pay and Fine

WASHINGTON (AP)—Rep. Adam Clayton Powell went back to the Supreme Court Saturday seeking a ruling that he is entitled to the \$55,000 congressional pay he lost when he was excluded from the 90th Congress.

Additionally, attorneys for the New York Democrat asked the court to establish Powell's right to seek recovery of the \$25,000 fine he paid last January as a condition to taking his seat in the current 91st Congress.

The legal move was designed to circumvent a ruling by federal Judge George L. Hart Jr. of the District of Columbia that Powell would have to prove he has "clean hands" before he may recover the lost pay.

That would give lawyers for the House a chance to argue that at least part of the \$55,000 should be withheld on grounds Powell misappropriated at least \$46,000 in government funds.

Hart has refused even to consider the fine question.

Last June, in Earl Warren's last decision as chief justice, the Supreme Court held 7 to 1 that Congress was without power to exclude Powell in March 1967 since he had met the Constitution's age, citizenship and residence tests.

However, the court was not explicit about the Negro congressman's claims that he was entitled to recovery of \$55,000 lost pay, the \$25,000 fine and the 22 years seniority he was required to yield to come back to Congress.

Powell is paying the fine at the rate of \$1,150 a month deducted from his House pay check.

Powell was excluded from the House on the grounds he misused funds of the Education and Labor Committee, defied New York courts in contempt proceedings against him and was "contemptuous" of House committees that had investigated his conduct.

## Soviet FOBS Rumors Fly

WASHINGTON (AP)—High defense officials believe Soviet Union probably has started deploying its new space bomb aboard the big SS9 missiles.

Precisely what use is intended for the space bomb—called the "Fractional Orbital Bombardment System"—has never been clear to defense planners but its significance is of some concern.

Defense leaders believe there would be one possible major use for such a weapon—a surprise attack against American strategic bomber bases in a time of crisis.

The question of what the FOBS poses for the United States is expected to arise this month when U.S. negotiators meeting the Soviets at the opening of strategic arms limitation talks.

Reviewing the . . . Big Spring Week . . . with Joe Pickle

Our monsoon season seems to have passed, and with it perhaps the growing season. With clearing skies, following a week of slow to peppering rain that left the area with one to two and a half inches of moisture, sharp weather came. The 34 degrees Friday was enough to leave frost in some areas, though not a killing frost except in the northern part of the county. This will be beneficial on the whole, because it may defoliate many of the fields and speed the cotton harvest.

Another tragedy involving one of our young men took the life of Randall D. Pope, 16, son of Mr. and Mrs. Wilbur R. Pope, a week ago. He was on his way to help prepare for a church youth rally when he was injured fatally in a car-motorcycle collision, that also seriously hurt David Morton. When the Lord takes a blossom; He often picks the fairest flower.

All of Big Spring felt a sense of personal loss in the untimely death of Raymond L. Tollett. He had come here three decades ago as head of a defunct oil company and shepherded it into an industrial giant. Many of his major benefactions were known, but there is no way of calculating the generous response he made to thousands of appeals for private help or to underwrite little business ventures. He always referred to this as the "town I love." In some respects, Raymond was his own worst enemy, but he certainly was

## Middle East Fights Ease Off A Little

BY THE ASSOCIATED PRESS

Fighting eased off between Palestinian guerrillas and the Lebanese security forces Saturday. Guerrilla chieftain Yasser Arafat made a surprise flight to Cairo—seat of mediation efforts—and was described as being optimistic about a settlement.

The fighting, which revolves around guerrilla demands to use Lebanese soil for attacks on Israel, picked up Friday with sporadic and widely scattered action, then died down as Arab diplomats and other officials sought an agreement in the Egyptian capital.

Two policemen were killed in incidents in Tripoli, a port in northern Lebanon, and Sidon in the south.

Guerrillas failed to press an attack on a Lebanese border post at Masnaa after several hours of shooting. They were held at bay by Lebanese artillery and tank fire.

Later, Associated Press correspondent Alex Ety reported from Masnaa that Syrian troops and armor were massing four miles east of the outpost and that Syria had closed the border there. Ety also reported that Lebanese troops were seen positioning a battery of 150mm guns about six miles inside the border.

The Palestine Liberation Organization's executive committee, the guerrilla high command, met twice under Arafat in Damascus before he fled to Cairo.

A spokesman said: "All aspects of the current crisis are being debated."

Informants in Beirut said the guerrillas, after a two-week hammering by the Lebanese army, may be softening their terms for a settlement.

The guerrillas have been demanding complete freedom of action to use Lebanon as a base of operations against Israel. The Lebanese government seeks to avoid this for fear of Israeli attack.

According to Damascus sources the guerrillas are not opposed to a Cairo-proposed formula that would give them freedom of action along the Israeli borders provided they met Lebanon's security requirements.

## C-City Youth Killed In Viet

COLORADO CITY (SC) — Pfc. Ralph M. Smith, 21, son of Mr. and Mrs. D. M. Smith, 2151 Locust Street, Colorado City, was killed in Vietnam, Oct. 27th, according to a message delivered Thursday by Major Jim Brinkley of Abilene.

He becomes the fifth Vietnam casualty from Colorado City and the second within five days. Pfc. Manuel C. Martinez was killed Oct. 23rd. Young Smith was killed by the explosion of a US grenade rigged as a booby trap by the Viet Cong.

Pfc. Smith was a graduate of Colorado High School and had attended Odessa, Howard County and San Angelo colleges. He had been in the Army since April 10th and in Vietnam since Sept. 12.

Survivors include his parents, his maternal grandparents, Mr. and Mrs. R. A. Walker, Colorado City; his great-grandmother, Mrs. M. J. Whirley, Westbrook; and two sisters, Donna, attending Howard County Junior College, and Georgeann, of the home.

# Grab Marine In Italy After Skyjack Odyssey

## Half Way Around World Trip Ends

ROME (AP) — The escapade of a disgruntled U.S. Marine who hijacked an airliner half-way around the world ended in the Roman hills Saturday. An Italian priest spotted him wandering aimlessly at a village Mass on this Roman Catholic holy day.

The man carried on Marine rolls as Lance Cpl. Raphael Minichiello of Seattle, Wash., was picked up by Italian police on his 20th birthday in the Sanctuary of Divine Love near the Appian Way nearly 24 hours after he began what turned out to be history's longest air hijacking—from California to Rome.

### ELUDES MANHUNT

He had eluded a 500-man police manhunt for five hours from the time the plane landed just before dawn in Rome.

Italian police said Minichiello had signed a statement detailing the entire episode from Los Angeles. The statement appeared to run about eight single-spaced typed pages.

The police quoted Minichiello as saying the whole thing began with his contention that the Marines cheated him out of \$200 in funds he had deposited with the Corps while serving in Vietnam, where he won a medal for gallantry.

He told the police that he had decided to get the money back by breaking into a Marine post exchange. For this he faced court-martial but escaped and went on to capture Trans World Airlines Flight 85 at about 1:45 a.m. Pacific time Friday after it took off from Los Angeles for San Francisco.

### FRIENDLY

The questioning of Minichiello was light, almost friendly, and at times laughter could be heard in the room where detectives carried out the interrogation.

Police called the Italian-born Marine Raffaele, the Italian version of his first name, or Rafael. He spoke to them in both English and in Neapolitan—accented Italian. His family comes from Naples.

After 2 1/2 hours of questioning, Detective Chief Salvatore Palmeri told newsmen that it was his own belief that Minichiello committed his act as "a rebellion against the Marines and against American society."

"He wanted to get away from America because he was about to be tried. He did not have faith in U.S. justice," the detective said.

### "JUSTICE IS HARD"

"Justice is hard in America. Here it goes much easier. He has faith in us. He is just a boy, a child."

U.S. authorities have drawn up an arrest warrant charging Minichiello with piracy, kidnapping and interference with commercial aircraft and officials in New York said they want him extradited to face the charges at home.

But Palmeri said Italian authorities plan to file charges of kidnapping and hijacking against the Marine and that he "will be tried in Italy."

A police spokesman added, however, that there is no rule against extradition of a person sought by another country after he has been tried in Italy.

In New York, a U.S. official said the maximum penalty upon conviction of the charges facing Minichiello is death. The minimum is 20 years in prison.

### GENTLEMANLY

Italy has no death penalty. Conviction of kidnapping could bring life imprisonment but here such a sentence seldom means more than 20 years.

Crew members of the airliner who flew him on an 18-hour, 6,900-mile, five-stop-odyssey from Los Angeles to Rome called the husky, dark-haired youth "a pretty gentlemanly young man" with a "strong suicidal tendency."

## Ex-District Clerk Employe Billed For Embezzlement

Mrs. Evelyn Hale, Gall Rt., Big Spring, was unexpectedly indicted by the Howard County Grand Jury Friday night on charges of embezzlement. In the indictment, she is alleged to have embezzled \$400 from the District Clerk's office between Aug. 12 and 15, during which time she was employed there.

District Judge Ralph Caton set \$2,000 bond for Mrs. Hale and she was released Saturday. Mrs. Hale had never been arrested or charged by the district attorney, but the indictment by the grand jury constitutes an official charge.

The grand jury, composed of eight men and four women, deliberated for four days, sometimes until late in the evening, before returning 29 indictments against 28 defendants. District Attorney Wayne Burns said the session was unusually long because the grand jury did not meet in August, as scheduled.

Indictments issued include: Ennis Gutierrez, murder with malice, bond set at \$7,500 by Judge Caton; James R. Sewell, DWI second offense and worthless check; Elidora Ruis Perez, DWI second; Charles D. Vieregge, sodomy.

Also, Eloise Esparza, possession of dangerous drugs; Buster D. Wood, auto theft; Dale Patterson, forgery; Jessie Henry, forgery; Gloria Lillian Banks, forgery; Clifford Thomas Coats, DWI second.

Purvis Williams, Joe Louis Easley and Joe Olivio were indicted for burglary, as was Mario Monaco.

Other indictments: Carell Loyd Thomas, DWI second; Ponciano Lopez, robbery by

assault; John Clayton Pannell and Tommy Joe Patterson, possession of marijuana; Pearl May Lister, assault to murder; and Frank R. Bara, DWI second.

The grand jury refused to indict Claressa Ezell, charged with murder, and several other defendants who were charged with relatively minor offenses.

The panel was headed up by foreman John Currie. Other members were Wilson Edwards, Ernest Byrd; Charles Tompkins, Curt Mullins, R. C.

Thomas, Mrs. Ralph Gossett, Mrs. Bennett Brooke, Don Newson, E. O. Brown, Mrs. Walter Slate and Mrs. James Johnson.

District Judge Ralph Caton dismissed the jury at 6:35 p.m. Friday, and thanked it for its labors.

Most of the defendants named in the indictments have been released pending trial. Eight indicted defendants remain in county jail. Trials are not expected to commence before February.

### 30 Negro Coeds Still Control Vassar Building

POUGHKEEPSIE, N.Y. (AP) — Vassar College faculty members met in closed session Saturday to consider a tentative agreement reached with 30 Negro coeds still occupying part of a campus building.

While the 150 faculty members deliberated, and the militants remained in the administration building, the fashionable school—one of the "sister" schools to the Ivy League—was tranquil with most of the 1,600 students away.

The only flurry came when three fire engines arrived to extinguish a fire in a copying machine in the college library. Otherwise, the girls and their boyfriends were still on campus for the weekend were bicycling or playing tennis.

At least one faculty member was upset about the tentative agreement which had been reached early Saturday and

said the school's trustees had been "railroaded."

Vassar officials said the two-hour early morning meeting produced an agreement that the college would renovate its downtown urban center for black studies, acquire a bus for the center and hire a black guidance and placement counselor.

The college also agreed to pay the salary of the program director and to fund the black studies program. There are 59 black students at Vassar.

Still being considered were the coeds two basic demands: increasing the number of black teachers and granting letter grades and a degree for courses in the new black studies program, offered for the first time this fall.

Student reaction to the confrontation, which began Thursday, has ranged from emphatic support to apathy.

Community had hoped it would be ready for the festival, but rain prevented that. St. Lawrence is 10 miles south of Garden City on Ranch Road 33, then west for five miles on Road 2874.

Feet will dance to Polka tunes to close off the day's events. Leroy Motacha's band, one of the most popular in South Texas, will provide music from 7-11 p.m.

Members of the community expect nearly 3,000 people to attend the festival.

Proceeds from the day go to the church, which has a sanctuary nearing completion.

ONE GIFT WORKS MANY WONDERS

# J.C. Douglass Dies; Veteran Hotel Owner

John Calvin Douglass Sr., for two-score years a prominent businessman, civic leader and Baptist layman in Big Spring, died Thursday night in a rest home at Fort Collins, Colo., where he and his wife had been residing for some time. He was 94.

Funeral services are to be at 10 a.m. Monday in the Rosewood Chapel of Nalley-Pickel Funeral Home with the Rev. Robert F. Polk, pastor of First Baptist Church, officiating. Interment, with Masonic rites, will be in the Masonic section of the City Cemetery.

**HISTORIC FIRE**  
Coming to Big Spring in 1921 to assume management of the Cole Hotel, Mr. Douglass for many years was identified with the hotel business — a trade, in fact, in which he had spent all his adult life.

The destruction of the Cole Hotel by fire remains as one of the city's historic disasters, and Mr. Douglass was to recall that some of his life's darkest moments occurred when he and his wife had to abandon the building via a fireman's ladder to the second floor. Practically everything they owned was lost in the fire.

**NEW HOTEL**  
Mr. Douglass subsequently built, and opened in 1928, the hotel bearing his name at the same site, at Runnels and Third, operated it until 1959 when he leased it; and then sold the property in 1960. The establishment is now the Howard House.

Born Sept. 18, 1875, on a farm in Coplan County, Miss., Mr. Douglass attended school at home and at Mississippi College in Clinton, Miss.

He was married Aug. 20, 1906, in Hattisburg, Miss., to Melissa Frances Dixon, a young lady he had courted for 10 years. He had, meanwhile, gone to assist manager of the Schuyler Arms Hotel, and took his bride there. A short time later they returned to Mississippi and became assistant manager of the Edwards Hotel in Jackson. Subsequently he opened and operated hotels in Dermot, Monticello and Lake Village, Ark. This was just before coming to Big Spring.

**LEADING BAPTIST**  
Mr. Douglass joined the Baptist Church in Clinton, Miss., in May, 1893, and from then on was most active in layman's affairs. He became a deacon at Dermot, Ark., in 1919, and was a member of the board of deacons of First Baptist throughout his tenure here. He served as superintendent of the Sunday School, was a treasurer for the Missionary District 8, had a prominent part in much of the development of his church.

**MASON**  
Mr. Douglass also had a long and close association with Masonic orders. He became a Master Mason in New York in 1905; was a life member of Staked Plains Lodge 598, AF&M, Big Spring; held dual membership with Big Spring Lodge 1340; was in the Big Spring chapter 117, R&SM; Orient Council 158, RAM (New York City), and Knights Templar Commandery 31, Big Spring. With Mrs. Douglass, he also was active in the Eastern Star.

In his active business years he was prominent in the city's

**RESPECTED**  
Mr. Douglass was a proficient gardener and flower enthusiast, saying "I like to see things grow since I was raised on a farm." A man of distinguished bearing, Mr. Douglass had been one of the city's most respected citizens.

For many years the Douglasses had a cabin in Ruidoso, N.M., where they spent summers, and after his retirement from business here,

## Turtle Raising Business 'Boom'

PARIS, Tex. (AP) — The James Boaz family at Maxey didn't really intend to get into the turtle raising business. It just sort of worked out that way.

Mr. and Mrs. Boaz played foster parents to seven orphan turtles, who just a few days before were innocent-looking turtle eggs.

Mr. and Mrs. Boaz waited 30 days and nothing happened. They consulted books and experts but nobody knew how long it took a turtle egg to hatch. Three eggs were opened to see if the whole batch was dead. They weren't.

Sixty-five days later all seven little turtles burst their shells.

The whole episode began when Mrs. Boaz noticed a large, green-shelled turtle loitering around the back window of their farm home. The turtle, about the size of a dinner plate, scooped out a nest, deposited 10 eggs, and covered it with a roof of mud.

Mama Turtle left, and hasn't been seen since.

## Terlingua Ranch Will Be Divided

CORPUS CHRISTI (AP) — Great Western Corp. has bought a major part of the 125,000-acre Terlingua Ranch in the Big Bend area of West Texas, President Jack Modesett Jr. said Saturday.

The land will be divided into parcels as small as 40 acres and sold to hunters and outdoorsmen, Modesett said. The price wasn't disclosed.

The Terlingua Ranch was bought in 1962 by David Witts of Dallas in partnership with

auto racer Carroll Shelby. The two launched an aggressive program of ranch development that turned it into one of the state's most successful ranches.

In addition to the acreage that will be sold, Great Western has created a 9,600 acre hunting park for the use of landowners. This part of West Texas is popular as a hunting spot for mule deer, javelina and mountain lion.

"The development plan will leave the natural beauty of the land undisturbed. The man who wants to get away from it all will find what he is looking for here," Modesett said.

# Elementary Age Children Given Astronomy Study

By TERRY HOPKINS

A bear, a bird, and a fish, are all part of a new course being taught to fourth, fifth and sixth graders in three local elementary schools. It isn't zoology, though, its astronomy, and the three animals are some of the constellations that 45 youngsters from Cedar Crest School observed in the high school's planetarium last week.

Lynn C. Hise, assistant superintendent, said the three-week course, being taught individually at Boydston, Park Hill, and Cedar Crest, comprise a pilot project which will be evaluated at the end of the year.

"We're teaching it to three grades this year," he said. "But we'll evaluate the course to see which grades benefit the most and then offer it to that grade next year in all the elementary schools." He added, the program is being financed with planning and special budget monies.

The course, which began at Cedar Crest last week, will consist of five or seven visits to the planetarium, plus three weeks of supplementary material in the classroom. It will include one night session for the actual experience of looking through a telescope.

"We have several purposes in mind with the project," Hise said. "First, we want to broaden and deepen the students' understanding of his surroundings."

Second, he said, the course is to develop new concepts of distance, size, time, direction, and motion. The third goal is to redefine the student's Earth oriented language and tune it in on space age language.

"But the vocabulary these youngsters already have from constant exposure to televised documentaries of space travel is amazing," he said.

He added that the fourth purpose is to get the students to explore, experience, and speculate about the universe from the vantage point of the Earth as a spaceship, not the stationary center of the universe.

Specific areas to be covered in the astronomy teaching unit include one, exploring space, with questions posed as to how and why we explore, and to give the student a better understanding of the outer space program; two, what the view from Earth can encompass, to tell the students that on a clear night they can see a full half of the visible universe; three, a study of constellations and circumpolar stars; and four, an introduction to the use of the coordinate system and the principles of celestial navigation.

"The instruction is on a simplified basis," Hise added. "The teachers involved have spent weeks putting the course on a level for fourth, fifth and sixth graders, and they've had several sessions on their own time with Gary Carlson, director of the planetarium, who helped coordinate the program."

Teachers bringing the astronomy program to their classes include at Park Hill, Mrs. Gypsy Gulley, Mrs. Rena Yandell, Kay Pfleger, Mrs.

**AWED BY THE STARS** — These fourth graders from Cedar Crest Elementary School were among 45 who visited the high school's planetarium Thursday as part of a new pilot project in astronomy. They are (from left) Andrew Grosse, City Park; Chuck Carter, 909 Abrams; Darla Morrell, 1103 W. 5th Street; all students in Mrs. Calla Mae Perkins' class; Terry Lopez, 1708 W. 3rd; Kim Smith, 606 Bell; and Gary Long, 512 Aylford; all from Mrs. Gayle Parker's class.

Jane Prather, Mrs. Jean Richards, and Jannette Thomas; at Cedar Crest, Mrs. Boydston, Mrs. Sharon Ross, Park Hill in January and at Calla Mae Perkins, Mrs. Gayle Miller, Mrs. Jane Roberts, and Mrs. Thelma Smedley. The course is due to start at Boydston Elementary in March.

## Forsan Post Office Dedication Scheduled

Dedication for the new post office building in Forsan is set for Nov. 9 at 1:30 p.m. with U.S. Senator John C. Tower, and E. I. Fisher, postal service officer from Abilene, expected to attend. Master of ceremonies for the dedication will be H. D. Smith, superintendent of Forsan Independent School District.

Edward L. Engel, officer in charge, said the new building is part of the post office department's lease construction program. He said that under this

program, the facilities remain under private ownership and are leased to the federal government.

"This gives the department flexibility in adapting its building program to changes in mail volume, transportation and population. It also eliminates the need for large money outlays from the federal treasury," Engel said. He added that patrons will find their mail handled more efficiently now.

When the local Forsan post office was first established,

1929, Mrs. Gladys Arnold was postmaster. Mrs. Vera Harris took over the post in 1933 and retired in January, 1968.

## Center To Get Restaurant

Work on a \$16,000 building in the Coronado Plaza started this week, according to Ralph Gossett. He said Scenic Gardens, Inc., is financing the construction work, and hopes to have everything finished within 60 days.

Robert Knight, who will lease the building from the corporation, said he plans a sea food restaurant there, to be called London Fish and Chips. It will seat 60 people, and have a drive-in window for food ordered to go.

Knight said he hopes to be operating before Christmas. All the fish will be received through contract from the Norwegian fishing fleet, the largest in the world; and it will be served within 48 hours of being received. The restaurant will be report to the district court at 10 a.m. Monday. Judge Caton will assign them to other pending trials.

## Seven Passed For Court Term

District Judge Ralph Caton Friday passed or continued seven civil suits, scheduled for possible trial in 118th District Court this week.

Attorneys involved in the cases indicated they needed more time to prepare for trial. An 83-member panel of prospective jurors must still report to the district court at 10 a.m. Monday. Judge Caton will assign them to other pending trials.

Dear Abby

DEAR ABBY: I have just returned from the hospital where I had some surgery for cancer. They caught it early and praise be God, all is well.

While in the hospital, three neighbor women, whom I do not know very well, came together to visit me. They took turns asking very personal questions about the extent of my surgery, whether "they got it all" and so forth. I tried my best to get off the subject, but they were persistent.

One of the women sat there and told of one case after another where the person had a similar problem and eventually died.

After they left I was so drained of energy and depressed, I wept for an hour. Why do people visit the sick and leave them sicker?

**STILL RECOVERING**  
DEAR STILL: Because common sense is so uncommon. I happen to believe that hospital patients need REST — not COMPANY! Friends can show their friendship by sending flowers, cards and letters. And relatives should speak only of cheerful things, ask no questions, leave the kids and the coughs at home and leave early.

DEAR ABBY: Before my husband died he told me not to let our children talk me out of any of the money he was leaving. It wasn't a fortune, but it was enough to keep me comfortable for the rest of my life.

I promised him I would do as he told me, but Abby, I got soft-hearted soon after he died and when my son asked for a cash loan for a down-payment on a house, I let him have it. Then my daughter wanted to "borrow" \$2,500 for her daughter's wedding, and how could I refuse? She was our first granddaughter. Then another son needed a "loan" to expand his business.

Well, you know a mother isn't going to ask her own children to sign a note. They all promised they would pay me back as soon as they could, and that was good enough for me. Now the time is passing by

and none of the money has been repaid. Not one dime. That wouldn't be so bad, but my children are avoiding me now because they feel guilty about the money they owe me.

I don't expect any sympathy. I brought this on myself, but maybe if you print my letter it will keep some other mother from making the same mistake.

**FOOLISH IN COLUMBUS**  
DEAR FOOLISH: I'll print your letter. It contains some valuable "free" advice for which you paid a great deal. Thank you for writing.

DEAR ABBY: I would like to ask "Disgusted," what in her opinion is a NORMAL haircut?

In George Washington's day, men wore their hair shoulder length, usually powdered, and caught in the back with a black ribbon. And George Washington was neither effeminate or abnormal.

Suppose your son were to say to you, "Ma, I wish you'd wear a normal hemline!" Exactly what length would that be? Styles change constantly, and like it or not, "this too shall pass."

## American Infantrymen Claiming Destruction

SAIGON (AP) — American infantrymen claimed Saturday that they destroyed the headquarters of a Viet Cong regiment on a major infiltration route about 40 miles north of Saigon.

The 1st Infantry Division said its troops also uncovered six hidden enemy arsenals containing almost 15,000 rounds of rifle ammunition and more than 100 mortar shells.

The finds were made during the past two weeks along the Song Be River, about 13 miles northeast of the 1st Division's headquarters at Lai Khe.

Officers said the base camp of the Dong Nai Regiment, a nominally Viet Cong unit whose men are 95 per cent North Vietnamese regulars, was blown up by soldiers of Company A, 1st Battalion, 26th Infantry.

Acting on intelligence information, the company located the base in a wooded area. It consisted of 13 bunkers, including a fortified command post. The enemy had apparently abandoned it the day before.

In a search of the area, the Americans found five arms caches in anthills and camouflaged bunkers. A sixth cache, containing food and clothing, was discovered Saturday in the same vicinity.

The last cache was apparently hidden and "openly dropped on the run," a 1st Division officer said.

"These past few days should prove to the North Vietnamese that it is our intention to rid the area of the entire regiment," said Capt. Thomas P. Galvin, Browns Mills, N.J., Company A's commander. "I'm sure their commanders know we mean business."

About 25 miles farther north, troops of the 1st Air Cavalry Division uncovered an enemy cache containing 1,500 rounds of AK-47 ammunition, 82 Chinese-made grenades and a ton of rice. The find was made Saturday about nine miles east of the border town of Quan Loi.

U.S. intelligence analysts ex-

pect this general area along the Cambodian border to be one target for a new enemy offensive expected to begin about mid-November. American military officials say that enemy troops have been moving westward toward Cambodia recently, perhaps in an effort to shorten their supply lines.

Some authorities feel the enemy wants to keep a reserve force in the border area north-west of Saigon, from where units can be filtered into the Mekong Delta. Fighting there has been on the increase.

In Saigon, sources reported that allied intelligence officers have obtained a secret document of the Viet Cong high command which says President Nixon's plan for American withdrawal and Vietnamization of the war is doomed to failure.

The document says that American troops will become more vulnerable as their number diminishes, that the U.S. withdrawal will weaken South Vietnamese armed forces to the point of collapse, and that an accelerated U.S. pullout—forced by an effort to minimize casualties and placate protesters at home—will not give the Vietnamese time to build up to full strength.

Another American unit began redeployment to the United States Saturday as part of Nixon's plan to withdraw 35,000 additional troops by December.

The 3rd Brigade of the 82nd Airborne Division announced that 200 men of the 2nd Battalion, 50th Airborne Infantry will fly home this weekend. Others will be reassigned in Vietnam.

In battlefield action, an Army command and control helicopter crashed 65 miles northwest of Saigon. All 10 Americans aboard, including a battalion commander, were believed killed. Another Army helicopter was shot down 50 miles west of Da Nang on the Laotian border, but there were no casualties.

In all, the allied military command reported 173 enemy soldiers killed, 49 of them by aircraft and artillery fire near Song Be, 75 miles northeast of Saigon.

Bobcat pins were given to Chris Wooten, Craig Drake and Raymond Torp, and wolf badges went to Steve Tipton and Robbie Wrinkle. Receiving silver arrow points were Robert Slater and Robert Brown.

Tom Purcell, Randy Crockett, Steven Logan and Robert Slater received dinner badges and Mike Brooks, Charles Purcell, Wesley Hutchings and Chris Wooten took assistant dinner badges.

One-year service stars were presented to Tom Purcell, Robert Brown, Randy Crockett, Brent Overman, Tommy Judd, Steven Stull, Mike Branley, Steve Tipton and Robbie Wrinkle.

Opal Stull received a one-year star also, as well as a den mother's badge.

Dr. Jack Burnett presented Webelo badges to Chris Burnett, who also received a three-year star; Paul Prather; Mike Pruitt; and David Stull, who also received a two-year star.

Athlete activity badges went to Scott Emerson, Jim McChristian and Rob McDonald.

Den No. 2 was in charge of the opening ceremony, Den No. 4 won the attendance count, and songs were led by Den No. 1. The closing ceremony was led by the Webelo den and Den No. 3 served refreshments.

## Pollution Battle In Corpus Christi

CORPUS CHRISTI (AP) — This Gulf Coast city has launched a campaign to prevent pollution of its coastal waters from 500 nearby oil and gas wells.

Barges and tankers pose an additional threat of pollution in carrying 200 million barrels of petroleum products each year from local refineries to far-off cities.

Civic leaders have banded together to plan measures that will permit continued petroleum production without danger to the resort facilities of Corpus Christi which calls itself "Sparkling City by the Sea."

About 40 persons are in the group—known as the Oil Spill Committee. They come from government, oil production companies and refineries. Their immediate goal is to develop a plan to combat a major oil spill in either the Gulf of Mexico or in the bays and estuaries along the Coastal Bend on the Texas Gulf Coast.

"We have found that this is a brand new field. There are no experts," said Harry L. Franklin, petroleum superintendent for the city of Corpus Christi and chairman of a subcommittee.

The committee intends to develop a plan for coping with a major oil spill through use of power equipment.

Concern about oil pollution here increased after a major oil spill occurred off the coast of Santa Barbara, Calif., in February.

The Oil Spill Committee met in August and agreed to underwrite a comprehensive study. A budget of \$25,000 was adopted with funds coming from participating groups. The city is providing office space and several agencies are furnishing manpower.

A 13-member steering subcommittee provides over-all guidance. A five-member working subcommittee is doing the investigation. In addition to Franklin, the working subcommittee includes staff representatives from the Army Engineers, the Texas Railroad Commission which is the oil and gas regulatory body in the state, the oil industry and a private fire-fighting company at the Port of Corpus Christi.

The working subcommittee recently spent two weeks on the California coast and has been in contact with other agencies interested in the problem of pollution control.

"We had hoped to review some other plans for containment and recovery of oil," Franklin said. "But we find that there aren't any."

The subcommittee concluded from its trip that the California coastal area is no better prepared to cope with a major oil spill now than it was before the Santa Barbara spill.

The subcommittee found only limited research and testing under way and has concluded that attempts to contain and recover oil with existing equipment would be futile, Franklin said.

The committee has done preliminary work on a device that would contain a spill with large booms, siphon the oil off the water, separate the water from the oil and deposit the reclaimed oil in a barge.

A legal subcommittee is looking into overlapping and sometimes conflicting regulations existing in the various levels of government involved.

The Oil Spill Committee expects to complete its work in 1970.

## State Finals Of TFB Queen Contest Nov. 17

Jean Ann Block, San Angelo, will represent District 6 in the state finals of the Texas Farm Bureau queen contest Nov. 17 in San Antonio.

The 36th Annual Farm Bureau meeting will be held Nov. 16-19 in San Antonio's Convention Center.

Jean is the 17-year-old daughter of Mr. and Mrs. W. B. Block. She is 5 feet 7 inches tall and has green eyes and brown hair. She is a senior at Wall High School where she is a cheerleader, editor of the yearbook and a member of the National Honor Society. She belongs to Future Homemakers, Future Teachers and 4-H Club. Jean was elected Football Sweetheart, Miss Wall High

School and was State 4-H Dress Review winner.

Four days before the meeting 40 members of the state resolutions committee will meet in San Antonio to draft tentative recommendations that will be submitted to the voting delegates during the meeting. The committee must consider 1,500 resolutions on state and national issues sent in by the 203 county Farm Bureaus. There will be more than 900 voting delegates.

Adopted resolutions will become TFB policy next year. Resolutions dealing with national matters will be forwarded to the national Farm Bureau convention to be held in Washington, D.C., in December.

The resolutions committee is composed of one state board member and two lay members from each of the 13 Farm Bureau districts in Texas, plus the chairman of the TFB Young Farmers and Ranchers Advisory Committee.

M. F. Frost, McAllen, TFB vice president is the committee chairman. Bill Reid, Lamesa, is vice chairman. Attending from District 6 will be committee member Clovis Olask.

BALTIMORE, Md. (AP) — The Post Office, already trying to put "ZIP" into the mail, will try adding a "ZAP" by selling precancelled Christmas stamps this year.

The plan, being tested in Baltimore as well as Atlanta, Ga., Memphis, Tenn., and New Haven, Conn., will eliminate one more step in the mail-handling process that swamps the post office each Christmas.

Postal officials said the sale of precancelled stamps would be expanded nationwide if the test program proves effective.

More than 30 badges and awards were presented at Tuesday night's Cub Scout Pack 100 meeting at St. Paul's Presbyterian Church and Mrs. Pete Maldonado was introduced as a new den mother. Her three sons, Ronnie, Roland and Mike, were introduced as new transfers from within the city.

Tom Purcell, Randy Crockett, Steven Logan and Robert Slater received dinner badges and Mike Brooks, Charles Purcell, Wesley Hutchings and Chris Wooten took assistant dinner badges.

One-year service stars were presented to Tom Purcell, Robert Brown, Randy Crockett, Brent Overman, Tommy Judd, Steven Stull, Mike Branley, Steve Tipton and Robbie Wrinkle.

Opal Stull received a one-year star also, as well as a den mother's badge.

Dr. Jack Burnett presented Webelo badges to Chris Burnett, who also received a three-year star; Paul Prather; Mike Pruitt; and David Stull, who also received a two-year star.

Den No. 2 was in charge of the opening ceremony, Den No. 4 won the attendance count, and songs were led by Den No. 1. The closing ceremony was led by the Webelo den and Den No. 3 served refreshments.

## College Rodeo Plans Shaping

Plans for the second annual high school-college rodeo were announced by the rodeo club at Howard County Junior College. The rodeo will be Nov. 15 and 16 at the Big Spring Rodeo Bowl.

Barrel racing, bull riding, calf roping ribbon roping, goat tying and bareback riding are included in the events.

The rodeo will begin each day at 2 p.m. The rodeo is a student planned project headed by David Landrum. College and high school students are invited to participate and the public is welcome to attend.

Proceeds will be used for other club sponsored events throughout the year. Sponsor for the club is David King. Club officers recently elected are Robert Crenshaw, president; Lonnie Wright, vice president; Iva Jo Brooks, secretary; treasurer; Kenneth Wilburn, student senate representative; and Ann Haggard, reporter.

## Says Welfare System Smothers Aspirations

FORT WORTH, Tex. (AP) — The present welfare system goes against the free enterprise theory that such aid be designed to motivate people. W. W. Keeler of Bartlesville, Okla., said Friday night.

Keeler, chairman and chief executive officer of Phillips Petroleum Co., spoke before a general session of the Texas Manufacturers Association.

Keeler, a Cherokee Indian who was principal chief of his tribe from 1949 to 1957, has been involved in minority group welfare work since the early 20s.

"The system smothers aspiration of welfare recipients, where the overriding goal should be to stimulate self reliance," Keeler said. "It should encourage every American citizen to be a positive contributor."

Keeler said the key fundamentals of rehabilitation of the welfare program should include motivation, participation, strengthening of the family unit and welfare implementation on the local level.

He credited the Nixon administration for including these types of goals in its proposed reorganization of welfare.

"An individual must be motivated to be productive," Keeler

explained. "The amount of his productivity also depends on how much motivation he is given."

Keeler said that because no work is available for persons with limited skills many heads of families are forced to live home so that their families may receive assistance.

Here again, he explained, the administration is planning training situations wherein the heads of families will be taught job skills.

He explained that although the initial thrust of the rehabilitation of the welfare program will be centralized, that later the workings primarily should be on the local level.

"Local approach to such situations has had greater success," he said. "Bureaucrats in Washington usually can't see the target."

Keeler added, "We must recognize that changes in program of this vast nature cannot be done overnight. We should not promise miracles overnight when we cannot deliver."

He told the businessmen that their work in this field could be more meaningful and "a lot cheaper than putting it in the hands of bureaucracy."

## Tricky Halloween Pair Grabs Gems

CORPUS CHRISTI (AP) — A pair wearing Halloween masks like those worn by many on the street robbed a fashionable home here of \$50,000 in gems Halloween night.

Police said the two entered the home of oilman O. D. Edwards on Ocean Drive Friday night and made off with the jewels.

Officers said Edwards was not at home and the men forced Mrs. Edwards to open a wall safe. They tied her up before fleeing.

'Beaver 55' Rips Draft Records

INDIANAPOLIS, Ind. (AP) — Vandals broke into the Indianapolis office of the Selective Service System Saturday, destroying records and spraying paint on walls and files.

FBI agents said a typed note taped to the door of the office said the group disagreed with current policies concerning the war in Vietnam. The note, signed "Beaver 55," said the group felt confident the public would back its philosophy.

## Texas Retail Sales Posted

AUSTIN (AP)—September retail sales in Texas dropped 2 per cent from August, but after adjustment for seasonal variation showed a 16 per cent gain, the Bureau of Business Research said Saturday.

The unadjusted figures showed that both Texas and the rest of the country showed a 2 per cent drop, with the Texas decline pegged to a 6 per cent drop in sales of non-durable goods. Durable goods registered a 5 per cent gain.

Biggest losers on an unadjusted scale were recorded in the eating and drinking category, down 13 per cent, general merchandise stores, down 12; apparel stores, down 11; and food stores, down 6.

After seasonal adjustment, the figure for durable goods in Texas was up 37 per cent, compared with a 3 per cent hike for the nation as a whole, and sales of non-durable goods were up 6 per cent, compared with a gain of less than one-half of 1 per cent for the nation.

## A Devotion For Today . . .

We know that in everything God works for good with those who love him, who are called according to his purpose. (Romans 8:28, RSV)

PRAYER: Our Father, when we are cast down, help us to look up. We would lift our eyes above the mists of earth to see life from the point of view of Christ, who taught us to pray, "Our Father who art in heaven . . . Amen."

## Still Going Strong

Monday evening Lamesans will hold their annual Chamber of Commerce banquet, always an event of note but especially important this year because it marks the 50th anniversary of the incorporation of the organization.

In 1917, the predecessor of the chamber came in to being, and what makes this so remarkable was that it was within about a decade of the establishment and naming of the Dawson County seat. The incorporation of the chamber in 1919 could hardly have occurred at a more opportune time, for with the end of World War I, there was a rush by settlers to grab up the rich farming

land that formerly was in great ranch spreads.

These enthusiastic people made a vigorous little city out of Lamesa almost overnight. They wrought so well in the 20's that the roots for future progress were sunk deep enough to hold through depression and drought.

That Lamesa has grown steadily and solidly during the years into one of the most stable and most attractive cities in West Texas is no accident. It's Chamber of Commerce has had a leading role in this achievement. There is every reason to expect that the combination of a good town and a good chamber will continue to bless this area.

## Good Teacher

Mrs. Porter Motley, who has given 36 years of her life to the calling of teaching, was cited this weekend in Austin as one of the winners of the Top 'N Texas awards established as a non-partisan recognition service by the Texas Federation of Republican Women.

She was cited for her efforts to help Mexican-American children with English. Much of her effort was done on a volunteer basis, which meant it was a labor of love. Moreover,

it was done at a strain on her physical welfare.

What is not part of the citation but a part of the lives of hundreds of people who have passed through her classes all these years is a greater appreciation for knowledge and beauty. Mrs. Motley is one of those unsung but indispensable personalities who have contributed much to a richer life for others. She has earned many times over the appellation: "Good Teacher." Not much higher compliment can be paid anyone.

### The Henpecked Father

WASHINGTON — The days when a husband came home to a henpecked wife are a thing of the past. In these perilous times, it isn't a man's wife who gives him hell, but his children.

I didn't realize how common it was until I ran into my friend Nolan in a bar around 6 o'clock in the evening. Nolan was belting them down pretty fast and I said to him:

"Don't you think it's about time you went home?"

"WHAT FOR?" Nolan said. "I'll just catch it from the kids."

"Have they been hard on you lately?" I asked.

"They're impossible. The minute I walk into the door they start in on me. Why do they have to wait for dinner while I watch the news? How come I can drink a martini and they can't smoke pot? Why can't they each have a telephone in their own room? I tell you, they're driving me crazy."

"Why don't you tell them to shut up?"

"I DO, but it doesn't do any good. They're so deaf from listening to their records that they can't hear anything I say."

"I have a 17-year-old son, and he's the bomb thrower in the family. He says everything in the system stinks. He's ashamed of the bourgeois life we lead and the bourgeois friends we have and the bourgeois job I have. But he's not above borrowing my bourgeois car to drive his girl friend to a student meeting to overthrow the bourgeois establishment."

"WHEN MY 16-year-old daughter goes out on a date and I say she

has to be in at a certain hour, she says I'm destroying her social life, and it will serve me right when she winds up on a psychiatrist's couch."

"They really put you through the wringer, don't they?" I said.

"NOLAN WAS practically in tears. 'You don't know what it's like. The other night my 13-year-old said that Paul McCartney of the Beatles was dead. I said he wasn't dead — that it was all a put-on, and that he was alive and well in London. She said I didn't know what I was talking about, because all the kids knew he was dead. I showed her a picture in the newspaper of McCartney proving he wasn't dead, and she said the grownups were just hiding the facts from the kids, because we wanted them to think he was alive. She said if I lied to her about McCartney, I probably lied to her about everything.'"

"What's the answer, Nolan?" I asked, as I bought him another drink.

"IF IT WASN'T for my wife, I'd probably call the whole thing off. I love my wife, and I wouldn't do anything to hurt her."

"Then you're keeping the marriage going because of your wife?"

"That's all that's left of the home." (Copyright, 1969, The Washington Post Co.)

## What Others Say

Not much has been made of the fact that Herman Melville was born 150 years ago. A new scholarly edition of his collected works is being published — with government funds, no less. Yet, there's been a general quiet about the anniversary which strikes us as odd.

Perhaps it's due to the nonreading habits of Americans, they are fact-loving, literalist, not literary people. Or because the electronic media have won the crowd.

And yet America produced a writer of continuing relevance in the author of "Moby Dick" — that strange symphonic novel, part catalog of whaling lore, part adventure saga, part meditation on the purposes and ambitions of men. The narrator said of the vessel which pursued the great white whale, "Its wood could only be American!" The Pequod, of course, was battered and smashed and dragged down into the vortex left by the plunging beast.

However one reads the symbolism of Melville's tale — whether as fateful or apothecizing — he is quickened by its drama, driven to ponder the outcome of a people's unconscious goals. Whether in world leadership or in space travel or some other feat, Melville bestirs in Americans a still unrealized sense of destiny.

HAVANNA (AP)—Cuba's campaign against rats is continuing despite an intensive two-year effort to rid the island of an estimated 30 million of the rodents.

The Health Ministry recently urged citizens, outnumbered by the rats by more than three to one, to keep up the fight. It said damage caused by rats cost the country between \$60-\$80 million annually in crop losses.

### Business Statistics Still Going Up

#### CLAIM SLOWDOWN

- Credit beginning to turn
- Decline in leading indicator
- A consumer's bill of rights
- Mortgage interest rates up
- Government position bolstered

NEW YORK (AP) — Business statistics are flying in the face of economists and government officials who proclaim that the economy is slowing down.

Believers in the efficacy of government monetary and fiscal restraints have been jolted by the upward surge of the government's index of leading economic indicators in September.

The generally accepted idea that the overheated, inflation-fueled economy was beginning to cool had been reinforced by a decline of 0.5 per cent in the leading indicator index in August.

But in September, the Commerce Department reported this past week, the index spurred 1.3 per cent.

Indicators which rose were the average hourly work-week of manufacturing workers, new durable goods orders, orders for plant and equipment, industrial materials prices and the prices of 500 common stocks.

On the decline were average weekly initial claims for state unemployment insurance, new building permits, and the ratio of price to unit labor cost in manufacturing.

Nixon administration economists said the robust action of the indicators trenches the government's position of holding firmly to its anti-inflation policies.

President Nixon on Thursday proposed to Congress what members of his Administration called a "consumer's bill of rights."

He asked Congress to provide the means of protecting con-

sumers against deceptive sales practices and shoddy products. The major proposal would permit consumers to band together to sue in federal court for damages resulting from certain kinds of fraudulent or deceptive practices.

The Federal Home Loan Bank Board said mortgage interest rates rose in September to an average of more than 8 per cent for the first time.

The average rate on conventional mortgages hit 8.08 per cent, compared with 8 per cent in August and 7.24 per cent in September 1968.

Preston Martin, chairman of the Bank Board, said the rise "reflected continuing pressures on financial markets and the reduced supply of mortgage funds."

At the same time, Federal Budget Director Robert P. Mayo said credit conditions were easing without a letdown in Federal Reserve monetary restraints.

"Credit is beginning to turn a little already," he said, adding that the administration's tax

### Weather, According To The Almanac

The few things in this world that don't change much serve to give some of us a sense of anchorage, and thus it is with satisfaction that I report that, for the 17th consecutive year, the Old Farmers Almanac(k) is being distributed.

OFA was designed so many generations ago to fulfill a particular mission: Catering principally to the rural areas of New England, where farmers and their families, during the long winter nights with no radio, television and precious few books beside the Bible, could turn to their magazine friend to obtain facts and fancies.

THE CONTENT and the format have changed very little. OFA still contains such things as planet tables and star charts, planting and animal gestation tables, recipes and riddles; plus a number of fanciful fiction pieces.

Editors of the booklet long ago established themselves as the prime source of weather information, and this year's edition is no exception. Again, while OFA is directed principally at New England, it makes weather predictions for the whole country. And it claims accuracy far beyond any other meteorological sources.

HOWEVER, even OFA admits "It is well known that science has yet to devise a way to forecast weather successfully, more than a day or two ahead."

Nothing daunted, OFA does take a long-range look, and for the winter of November, 1969, through April, 1970, we are told:

"THE WINTER will be its atrocious, fickle, unpredictable self. The

ingredients — make no mistake — for heavy snows, blizzards, frozen pipes and toes are all there. But normal averages say warmer than normal coast to coast. And what's more normal precipitation. So for awhile it will be 'cold and open' and then for another while 'warmish with heavy wet snows.' You'll freeze one day — and bake the next."

THE MAGAZINE says there'll be a white Christmas, and it sets dates for other blizzard spells.

And looking further ahead, OFA says next July and August will be dry and hot.

The almanac does up its monthly weather comments in more catching fashion, however, using doggerel for the various months. For example in January:

"Drifts 10 feet tall surround St. Paul."

And for May:  
"Rains terrible in St. Louis and D.C."

July:  
"HOTTER'N HADES, but great for tanning the ladies."

The Almanac's editors are practical people, as one can plainly see. They have broken the country down into sections, have made forecasts for each section, but there's one comment about the southern region:

"This forecast should quite generally cover the southern states, except possibly Florida and northern Texas, which have special climates all their own."

Some have suspected this special climate attribute, and now we have it authoritatively confirmed, by an expert — the Old Farmers Almanac.

### The Money Power Of Unions

WASHINGTON — Was there "a 100,000-dollar political pay-off" by labor leaders in the United States in 1968 when the State Department refused to extradite to Canada a union official who had been arrested and tried there and had fled to this country to escape punishment?

SEN. PAUL FANNIN, Republican of Arizona, in a speech to the Senate, said it appeared to him that the State Department, upon the request of the Department of Labor, declined to return "a convicted labor racketeer" who skipped \$25,000 bail and came to the United States after having been convicted of conspiracy to commit assault in a war between rival unions in Canada. The Arizona senator stated the American authorities picked up the accused at the request of the Canadian government that he be returned to face a perjury charge, inasmuch as assault is not covered under the extradition treaty with Canada. He added that, shortly after the State Department refused to extradite the union chief,

"\$5,000 checks began pouring into various Democratic presidential campaign committees around the country until the total contribution amounted to \$100,000 — which was reached within a few days."

MR. FANNIN declared that last year he had difficulty getting the exchange of correspondence about the case between the Labor Department and the State Department, but that he had at last obtained copies of the letters, which he inserted in the "Congressional record." Mr. Fannin commented:

"I do not think it is in the best interests of the American people to have such a bald exercise of the power of union officialdom."

MR. FANNIN raised the whole matter in connection with the provisions

of the tax-reform bill pending in the Senate which deal with tax exemptions of non-profit organizations, including labor unions. He declared that the AFL-CIO treasury, for instance, has been committed "to the destruction of Judge Haynsworth just as labor tried to destroy Judge John Parker 40 years ago."

Sen. Fannin pointed out that "the special status enjoyed by these union leaders under our tax laws" makes possible a "brash display of monetary power."

THE MOST urgently needed reform, according to Mr. Fannin, is the section of the Internal Revenue code "which permits union leaders to exercise this kind of political power and still retain their tax-exempt status."

Such preferential treatment is simply not right. Union leaders, in the exercise of their office, should have to abide by the same rule of "no politics" as applies to all other tax-exempt organizations.

THE ARGUMENT is made on the union side that their political contributions are "voluntary" and that a union member can successfully withstand the pressures if he objects to the use of his dues for political ends with which he may not agree. But this, Sen. Fannin says, "is simply not in accordance with reality."

The whole problem has not gotten much attention in the past and is not being given such consideration now. The truth is that, while they may not admit it, many members of Congress are dependent upon labor union support in their political campaigns. There has been a reluctance inside the executive branch also to enforce the federal corrupt practices act, which prohibits labor unions or corporations from making contributions in national political campaigns.

### Beginning Of Disarmament Talks

WASHINGTON — Curtain going up. After delays of nearly a year for which both sides must share the blame there is hope in the start of the Strategic Arms Limitation Talks (SALT). How far the curtain will go up and what the drama will resolve, no one at this point can predict.

The two super powers have been blindfolded giants grappling in the dark. At the very least the talks at Helsinki should shed light on the critical X in the nuclear equation.

THAT IS the stage of development on each side of the divide of new weapons impossible to bring under any acceptable form of monitored control. The multiple independently targeted re-entry vehicle (MIRV) — the many-headed missile — is the weapon on the upward spiral that seems to defy inspection and control.

From both Moscow and Washington come reports that MIRV and the Soviet multiple re-entry vehicle, not targeted, have gone so far that tests are nearly completed and deployment is at hand. The military and the technicians argue that this is an inevitable development that cannot be stopped.

FOLLOWING the lead given by Secretary of State William P. Rogers, the head of the American delegation at Helsinki, Gerard C. Smith, director of the Arms Control and Disarmament Agency, intends to tackle MIRV at the earliest possible moment. While the Helsinki meeting is billed as a "preliminary discussion," Smith means to raise the status of MIRV in the first stage.

HE HAS DONE yeoman work in putting together at least a tentative American negotiating position. That has been far from easy. The pulling

and hauling from every direction made it seem at times impossible to settle on an agreed stand such as was achieved in August, 1968, before the Soviet invasion of Czechoslovakia killed that opportunity.

A man of quiet determination and long experience in diplomacy, Smith should have a chance at least to explore this new opening without too many kibitzers breathing down his neck.

IN AN OPEN society such as ours, contrasting so sharply with the closed, glacial world of the Soviet Union, pressures for results out of the SALT talks are certain to grow. Sen. Edward Brooke, R-Mass., has been assured the Senate Foreign Relations Committee will take up his resolution calling for a halt to MIRV testing by both powers. Secretary Rogers is said to feel that the Brooke resolution can be helpful in demonstrating the strong desire in this country for a pause in the arms race and perhaps eventually a pull-back from the brink.

THE RESOLUTION has 42 co-sponsors. Brooke believes that if and when it is reported out of committee it will get an overwhelming vote in the Senate. The opposition will immediately say that, even if the Soviets agree, there can be no assurance they will not cheat and secretly test. That familiar cry between cynicism and despair is raised at every arms negotiation, however minor.

The importance of the talks — at least their potential importance — cannot be exaggerated. Measured by the acceleration of the race, the perfection of new and more ultimate weapons, it is a last chance.

# Youngsters To Stage Crop Drive Today

As many as 200 youngsters, representing nine churches, are expected to help stage the annual CROP campaign this afternoon in Big Spring. The young people will be ringing door bells between 2-5 p.m. in the local attack on world hunger.

The youth of the churches in over 250 Texas communities are uniting their forces to wage an attack on world hunger during Texas CROP Week.

The CROP Youth in Action project began as a Halloween project with the youth collecting "treats" for hungry children abroad in the form of milk. The Halloween date has lost its preference in most communities in order that the CROP youth canvasses for world hunger might be more effective.

CROP is the Community Hunger Appeal of Church World Service collecting resources for the overseas relief programs of the churches. It has helped CWS to minister to the starving refugees of the Nigerian-Biafran crisis and other similar emergencies from disasters. Its major thrust is providing aid for the root causes of hunger with its seeds, tools, fertilizers, and food for work projects.

The Texas youth who will be conducting CROP canvasses in ecumenical endeavors will be recognized by CROP identification buttons and official CROP Canvass Kits or CROP Canvass Envelopes.

The churches represented in the local effort are the First United Methodist, First Presbyterian, St. Paul's Presbyterian, St. Mary's Episcopal, Trinity Lutheran, Baker's Chapel, Wesley United Methodist, Kentwood Methodist, and First Christian.

## THE WEEK

(Continued from Page 1)

Big Spring's best friend. There will be a lot of him around here a long, long time.

Big Spring has received word that it will be included in the TOPICs program, under which cities may receive state-federal aid in development of arterial routes that have a direct or indirect relation to highways. Representatives of the state and Bureau of Public Roads are expected soon to survey local plans.

Also gradually shaping are plans for conversion of the old post office building into a new home for the Howard County Library. A representative of the Texas State Library was here and said the change could be made, although it might require considerable planning.

The news reported the lightest casualties in the Vietnam war for the past couple of years, but it was the very worst for Mitchell County. Word was received of the fourth and fifth sons to give their lives in Vietnam. Manuel C. Martinez, son of Mr. and Mrs. Santiago Martinez, died on Oct. 23, and Ralph M. Smith, 21, son of Mr. and Mrs. D. M. Smith, was killed by a booby trap explosion Oct. 27.

Howard County got its first Ellenburger produced during the week with completion of Texaco 1-B Read in the Coahoma (Northeast) pool. It rated only 11 barrels, but it is the first in this deepest zone of the Permian basin to be finalized. Nearby there were tests on the shallow Clear Fork zones. The Big Spring Fusselman field was pushed one location south. Shenandoah No. 2 Helen Fleeman planned to plug back and test the Clear Fork. U.S. Smelting No. 2-4 Hutto completed east of town for 304 barrels. Roden No. 2-J Reed was a dual completion for a Credo extender in northwest Sterling.

Dr. Harold Smith is the new president of the Dora Roberts Rehabilitation Center, an institution growing in scope and service. The agency has set a \$63,423 budget. Last year it handled 1,124 patients as compared to 567 the previous year. Its treatments numbered 12,407 as against 8,744.

# Parents To See 'New Look' In School's Report Cards

By TERRY HOPKINS  
Report cards for the primary grades in Big Spring schools have undergone an extensive face-lifting in the last year by local teachers and the new design will be sent home to parents for the first time Wednesday.

"This is a teacher designed card," explained assistant superintendent Lynn C. Hise. "Our local teachers feel they've done something more indicative of a child's performance in school."

The cards used in previous years used a simple system of checks for one, making satisfactory progress at grade level; two, making satisfactory progress but below grade level; and three, unsatisfactory.

"But with that system, a child who made checks in the first category, satisfactory progress at grade level, could have been doing excellent work or maybe average. That one category ran the gamut of comparable grade values from A to C," Hise explained. He added that letter grades are used for grading in the fourth grade.

"A parent might have thought his child was doing very well in the first three grades when actually he was doing average work," Hise said. "We hope our new card will remedy this."

The new cards, a folded sheet printed on both sides, uses a letter grading system, but not the usual A,B,C method.

"We purposely didn't go to the A,B,C method of grading for two specific reasons," Hise said.

"First, it's a matter of practicality. Primary children parents in as many as six or seven papers a day with maybe three or four items on each. It just isn't practical to grade all those papers and average them."

"Secondly," he said, "the trend in primary education is away from giving grades because we're more interested in concept formulation rather than subject matter content."

He said the card is also designed for teacher efficiency and referred to sections for reporting work-study habits and personal attitudes and habits. He explained that teachers will check these areas only if a child needs improvement, thus eliminating the necessity of filling it out on every single card.

Subject areas graded include language arts, social studies, creative and recreational arts, mathematics and science; and the letters H,S,I,U, and X are used.

The letter "H" denotes highly satisfactory progress, "S" satisfactory progress at grade level, "I" improving but not at grade level, and "U" unsatisfactory progress.

"The 'X' grade is another new thing we're using," Hise said. "This is to be used only in categories listed beneath the actual subject and denotes skills which need to be strengthened." He said it is an effort to localize a child's problem and cited reading under language arts as an example.

"Under reading," he said, "we have a line for 'understands what he reads,' and 'word attack skills.' If a child

Two sergeants, at Webb AFB, who were singled out for 3560th Field Maintenance Squadron's monthly awards in August, were among those selected for the unit's quarterly awards. M. Sgt. William Ogletree, August senior noncommissioned officer of the month, was chosen senior NCO of the quarter for the July-September cycle.

Winning the quarterly NCO award was T. Sgt. William Doyle, monthly noncom winner in August.

receives an 'I' in reading, improving but not at grade level, and his specific problem is with word attack skills, the teacher would place an 'X' there and the parent would know where the child is having difficulty."

Hise added that there is a place for teachers to check if they desire a conference with parents and also a place for teacher comments as well as parent comments.

"We feel sure that when parents understand the reason behind changing the card, they will accept it," Hise said. He added that Kentwood, the only elementary school which has been using the A.B.C. letter system for all its grades, will also adopt the new report cards for primary grades.

**Lose 10 lbs. in 10 days on Grapefruit Diet**

**DIET OF THE STARS**

HOLLYWOOD, CALIF. (Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S.

Because this diet really works. We have testimonials reporting on its success. If you follow it exactly, you should lose 10 pounds in 10 days. No weight loss in the first four days but you will suddenly drop 5 pounds on the 5th day. Thereafter lose one pound a day until the 10th day. Then you will lose 1 1/2 pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Revised and enlarged this diet lets you stuff yourself with formerly forbidden foods, such as steaks trimmed with fat, roast or fried chicken, gravies, mayonnaise, lobster swimming in butter, bacon, fats, sausages and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat does not form fat. And the grapefruit juice in this diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. A copy of this startling successful diet can be obtained by sending \$2 to

### Thief Loots Church Desk In Big Spring

Mrs. Bernadene McCasland told police Friday 40 checks, totaling \$956, and a few dollars change were missing from her desk at St. Mary's Episcopal Church, 1005 Goliad. She said she had seen a man hanging around the church before she noticed the theft.

Darrell Deel reported Friday an air-impact wrench, valued at \$179, was missing from his tool box at the Bob Brock Ford Co. Also on Friday Harry J. Hopper Jr., 1705 Alabama, told police a water balloon, thrown from a passing car, broke his windshield as he was driving in the 1100 block of Birdwell Lane.

Jerry Metcalf reported some change, five gallons of anti-freeze, seven cartons of cigarettes, a radio, TV and checkbook, total value \$95, was stolen Saturday from the City Tire and Wheel Co., 611 W. 4th. Entry was gained through a panel in the east door.

James H. Perrodin, 1215 Ridgeroad, told police a radio and nine tapes, valued at \$97, were taken from his car Saturday. John Smith, principal at Big Spring High School, reported an undetermined amount of potato chips missing from the snack bar at the school. Ray White, 602 Linda, told police his bike was stolen from in front of his home.

### ANTI-SDS FIGHT Controversy May Last Long Time

HOUSTON (AP) — The fight in the crowded University of Houston student center was brief—and a bit bloody.

Some say it was a confrontation between the Students for a Democratic Society (SDS) and the Young Americans for Freedom (YAF).

The Thursday outburst of anger and fistcuffs was over in minutes but the resulting debate on the 24,000-student campus may go on for weeks.

Should students, organized or not, have prevented two non-students representing the SDS from trying to carry out a vow to chase four military recruiters off the campus?

Some students say the whole thing was stupid. Some say it was sad. Some say the student reaction to the SDS will prompt more gifts of money from alumni to the university.

Security guards quickly rescued the SDS organizers, Doug Bernhardt, 20, and Barte Haille, 24, handcuffed them, and hustled them off the campus. University officials said no charges would be filed but quickly obtained a court order calling for the arrest of the two should they return.

Bernhardt claimed victory despite receiving bruises and cuts and having his shirt ripped off. The recruiters remained in the center Thursday and were back Friday.

Members of YAF distributed leaflets attacking the SDS prior to the altercation but were silent when asked whether they organized a confrontation.

There are reports YAF held a Wednesday night meeting to prepare anti-SDS action. Robert Ulmer, president of the Student Association, says the violence began when "YAF members locked arms in a group and the SDS tried to pass through."

"I disagree strongly with SDS and I am a member of YAF," Ulmer said, "but what happened was sad."

An unsuccessful male candidate in the recent student election for homecoming queen said the whole thing was stupid and childish.

"I can't distinguish between the SDS and the YAF," said Charles Carper, 28, a journalism senior. "One will kill for peace and one will kill for war."

Dwight W. C. Allen Jr., 21, chairman of the Afro-Americans for Black Liberation group, said the situation "was an example of chickens coming home to roost."

### Final Report Of Billie Sol's Scandal Shows

EL PASO (AP)—The receiver in the Billie Sol Estes bankruptcy case had on file Saturday a final report showing \$1,799,653 available to pay 400 claimants who demand \$34 million.

Harry Moore, the trustee and receiver, filed his report late Friday with Malcolm McGregor, U.S. referee in bankruptcy.

Estes, whom a federal judge called "the perpetrator of one of the most gigantic swindles" in history, began serving a 15-year prison term March 5, 1965, for mail fraud and conspiracy. He is in the federal reformatory at Sandstone, Minn., and could become eligible for parole next spring.

Moore took over the job of untangling the scandal-riddled affairs of the Pecos promoter in 1962.

Some of the nation's largest finance companies had loaned millions of dollars to Estes through complicated notes secured by purported fertilizer tanks and other farm equipment. When the Estes empire crashed, the equipment was found to be non-existent.

Estes was involved in many enterprises some of which came under a cloud. He was receiving millions of dollars annually for storing government grain, among other things, but this phase of his operations were found to be sound.

With the report, Moore applied for a \$167,000 fee as trustee and \$126,505 administrative costs, including a \$91,500 fee to Allan Poage as lawyer for the receiver-trustee.

The lengthy and complicated report shows cash receipts through Oct. 28 of \$3,996,810.53. These included \$1,301,131

through collections on notes and accounts receivable and \$1,240,748.681 unpaid American Grain Corp. note and a \$96,730 cash note of the American Grain Corp., to whom Estes' grain storage operations were sold.

Receivables to be collected by the final hearing include a \$5,748,681 unpaid American Grain Corp. note and a \$96,730 cash surrender value of an insurance policy on the life of Estes, giving total receipts since 1962 of \$9,842,431.

### LA Developer Snares Chili Cooking Crown

TERLINGUA, Tex. (AP) — Amid roars of protest from the Texas defender, C. V. Wood, Los Angeles developer, won the world's champion chili cooking title Saturday.

"Robbery, robbery," roared portly Wick Fowler of Austin, claimant to the world's title the past two years, as he beat the runner-up trophy, an artfully painted chamber pot, against the side of a building in this Mexico-U.S. border ghost town.

Four of six judges declared Wood's chili, containing big hunks of the fiery green chili pepper, to be the best.

The judges chose Woodruff De Silva, Los Angeles challenger, as runner-up. He adds cham-

pagne to his recipe for the hot, spicy meat stew.

Also rans were Joe De Frates of Springfield, Ill., chili canner, and Clarence Cooper, physics instructor at the University of Texas-El Paso.

Prior to Saturday's cookoff, Cooper, a protégé of Rep. Tom Niland, El Paso, had been billed as a mysterious, Tamahumara Indian chief.

This third annual grand prix of childhood attracted close to 1,000 spectators to the dusty, deserted streets of what was formerly the mercury mining capital of the world.

For those who chose not to sample the varieties of chili prepared on the scene, there were numerous tailgate picnic spreads. And there were those who stuck strictly to cool, liquid refreshments.

The competition was not without its unusual incidents, which was par for the competition.

Sen. Don Kennard of Fort Worth showed up with a pot of chili he said had been prepared in the early morning hours over a smoking wood fire and demanded that it be judged. However, before the judges got to it, tasters had sampled it all away.

Pop Myers of Corsicana, a spokesman for the Wolfe Brand Chili Canning Co., said all the preparations did not bother his claim to fame. "I have given more people indignation than anyone else here," Myers said.

## Texas Exes Note Plains Crops Standing

PARIS, Tex. (AP)—University of Texas exes, basking in the Longhorns' football glory, are getting a going over from their adversaries after the UT campus demonstrations over leveling of trees.

Orange and white signs appeared on the trees on the Paris court house lawn reading: "Reserved for U.T. Exes."

## Plains Crops Standing In Rain Soaked Fields

COLLEGE STATION, Tex. (AP)—Many Texas farmers will remember October as a nightmare.

Rain and cloudy weather kept harvesting at a virtual standstill over the High Plains and other parts of the state, Director

John Hutchinson of the Texas Agriculture Extension Service said.

In the eastern sections rains the last few days of the month partly salvaged what had been a very dry period of time.

The result was that conditions weren't too good in either section. Harvesting dropped further behind in the west, while in the east pastures were grazed out, hay supplies were short and livestock culling picked up.

Until the last week of October rains in eastern sections were light and didn't help much. Rains kept soil moisture adequate over the Panhandle. Harvesting was slow. Wheat made good growth and more grazing is becoming available. Ranges and cattle generally are in good condition.

South Plains (Lubbock) crops are ready for harvest and standing in rain soaked fields. The recent freeze also reduced quality and yield of cotton. Continuing wet weather could reduce the quality of seed in open cotton. Harvesting will rapidly increase once fields are dry. Small grain growth has been excellent and livestock generally are in good condition.

Rolling Plains (Vernon) moisture ranges from adequate to surplus. All farm work has been stopped by wet fields. Grain growth was good in most counties but army worms caused damage though some decline was noted in the amount of spraying for control. Greenbugs are in a few counties. Some grazing is available from grain. Little cotton has been harvested. Ranges, stock water and cattle are in good condition. Stocker cattle are being moved into a few counties.

Wet weather in Far West Texas slowed harvesting but helped range forage. Livestock are in good condition and grains are providing grazing. Most calves and lambs have been shipped.

Except for parts of Coke and Sterling counties, West Central Texas has adequate to surplus moisture and ranges are in the best condition in years. Winter grazing prospects are very good. All livestock are in excellent condition. The cotton harvest has been slowed but grains are making good growth. The pecan harvest has started and yields are below average. Farmers are waiting for open weather to resume harvesting. Ranchers are getting in shape for the winter.

With recent rains, South Texas moisture, except in spots, is generally adequate. Oats are being damaged by army worms and some greenbugs have been found in Maverick County (Eagle Pass). Vegetables are making good progress and the citrus harvest goes on. Livestock conditions are good.

## STANTON 'Queen' Nominees Elected Tuesday

By LYN HERZOG  
Class meetings were held on Tuesday to elect Homecoming nominees. Those elected are: L. A. Wanda Glaspie, senior; Carleen Walker, junior; Judy Costlow, sophomore and Cindy Wheeler, freshman. The winner will be selected by one member from each class, four Student Council members, and the faculty. Doris Howard, 1968-69 Homecoming Queen, will crown the new queen. The "Coming Home Queen" candidates have been announced by the Stanton High School Exes Association. They are as follows: Mrs. Kathleen McCreless Lewis, Mrs. Corene Cook Manning, and Mrs. Polly Watson Nichols. The 1968-69 "Coming Home Queen" was Mrs. Mary Bristow.

The Buffalo Band, Mrs. George Walker, director, has been working hard in preparation for UIL marching contest, to be held on November 8, in Midland. Band members traveled early to Colorado City

Friday, to march in their Homecoming parade. They performed their halftime show at the football game. Junior High band members have been working also. They were allowed to play in the stands with the high school band at the Crane game.

An FHA meeting was held Wednesday, during activity period. The point committee explained the point system and helped members record their points earned so far. The official FHA newspaper was handed out and members were given five minutes to read. Debbie Hazlewood, president, then asked a question and Diana Payne was given a prize for being the first to answer. The Stanton FTA chapter met on Monday, to finish collecting annual dues. Those members failing to pay their dues by the accepted deadline, were excluded from the club. The idea of having a project for National Education Week was discussed.

## UF Needs Only \$22,000 For Goal

"We need only \$22,000 to meet our \$110,000 goal," said Harry Sawyer, campaign chairman for the United Fund at week's end. "If we get all our cards in, we can make that goal."

The United Fund drive, with a total of \$88,151.32, was originally scheduled to close at the end of October. It has been extended to allow time for the rest of the cards and pledges to be collected.

"Division chairmen join with me," Sawyer said, "in appealing to people to turn in their cards and checks to their respective office. A lot of people have worked hard to bring our total to its present point; we hope others will work as hard to finish the task."

Sawyer added that none of the divisions have been able to finish their campaigns, but the public employe division, with Erven Fisher as chairman; the out-of-town division, with Paul Meek as chairman; and Webb AFB, with Lt. Col. Ernest C. Cutler as chairman, are all nearing their goals.

Other chairmen and their divisions are: Roger Brown, big gifts; Morris Robertson, special; Louis McKnight, metropolitan; Ken Perry, employe; Larson Boyd, town and country; Mrs. Garner McAdams and Mrs. Harold Davis, women's. Contributions to the United Fund help support 14 agencies in this area, which are Boy Scouts of America, Girl Scouts, YMCA, Lakeview YMCA, Red Cross, Salvation Army, Big Spring Milk and Medicine Fund, Westside Recreation Center, Summer Recreation Program, Air Force Aid Society, Dora Roberts Rehabilitation Center, U.S.O., Texas Rehabilitation Center, and the Halfway House.

## Horoscope Forecast FOR TODAY AND TOMORROW

—CARROLL RIGHTER

**SUNDAY**  
GENERAL TENDENCIES: Although there are some delays until mid-afternoon where practical ideas are ordered, you have some highly inspired and lofty ideas that you can put in motion later in the day and perhaps in the Space Age and very ultra-modern activities. Avoid trying to convince family members to go along with your plan.

**ARIES** (March 21 to April 19) Forget the practical today and concentrate on the lighter side of life and you gain a better perspective. Don't think you have to be extravagant in order to have a good time. Stay within proper limits.

**TAURUS** (April 20 to May 20) You are not thinking very clearly today, so listen to what kin has to suggest and all goes fine. Don't be forceful where attending some social affair is concerned. Wait for a better time to accept a similar invitation.

**GEMINI** (May 21 to June 21) You will be much better off if you forget that worry and go out to see others. Think logically and be your intelligent self again. Take time to read that good book tonight.

**MOON CHILDREN** (June 22 to July 21) What you need is substantial aid from a bigwig instead of much advice you need now in person or business matters. Talk at length with success in your mind.

**LEO** (July 22 to Aug. 21) Don't be upset over what someone is different to you, but is a fine person just the same; be off with some friend for business. A good evening for the social.

**LIBRA** (Sept. 23 to Oct. 23) Planning the future carefully is wise. Avoid that person who has a knack for getting into hot water. Confer with some expert. Find out the best way to become more successful.

**SCORPIO** (Oct. 23 to Nov. 21) Better hand that money instead of trying to persuade some stubborn associate today. If you get more in your pocket, you find your potential for success increases. Talk at length with success in your mind.

**SAGITTARIUS** (Nov. 22 to Dec. 21) Good friends have the right ideas now into hot water, especially for business. Stop wasting time of unimportant things. Out to that new scenery and get a far better perspective.

**CAPRICORN** (Dec. 22 to Jan. 20) Forget about recreation today, since you have much to do, especially for those who expect a great deal. Follow your hunches. Study.

**AQUARIUS** (Jan. 21 to Feb. 19) Spend some time with associates today. Plan the future without interference from home ties. Cement better relations on Monday. A dinner at home could do much to bring this about.

**PISCES** (Feb. 20 to March 20) Plan this day's activities in better than gadding about today. You may have more energy in statements, etc. Get time cleared up efficiently during the day.

**MONDAY**  
GENERAL TENDENCIES: You are in a state of confusion until mid-afternoon. Before you accept the opinion of another person or express one of your own, be sure that you understand him perfectly or that you have formulated your viewpoint correctly. The evening is fine for social and general prosperity and popularity. Be happy.

**ARIES** (March 21 to April 19) Concentrate on having fun instead of worrying about some responsibility that you are taking too seriously. Show more that you are devoted. You have a habit of concealing your feelings under much talk.

**TAURUS** (April 20 to May 20) An associate could be planning to take advantage of you today, so think carefully before you sign on the dotted line. Spend time improving situations at home. Gain the favor of some bigwig who can help you.

**GEMINI** (May 21 to June 21) Why waste time on work that is losing its interest at this time? Confer with associates and see where you can make a little improvement. Get your correspondence well handled. Plan those business trips.

**MOON CHILDREN** (June 22 to July 21) You cannot amuse yourself until you have first handled those important duties and other pressures adequately. Gain the assistance of some business expert who has been helpful before. Keep busy.

**LEO** (July 22 to Aug. 21) Not a good day to be with powerful individuals, so keep out of the social and getting your appearance improved. Don't get too editorial in some civic affair. Use more diplomacy and all is fine.

**VIRGO** (Aug. 22 to Sept. 22) Get future better organized and working on right principles. Show others that your word is your bond. You can be much more successful if you learn to persevere and not waste your time. Do not lose your temper.

**By ED MOSER**  
COAHOMA — It was not witchcraft or evil curses that propelled the mighty Coahoma High School Bulldogs past the Plains Cowboys, 43-0, in a Halloween football clash here Friday night.

Instead, it was a normal, everyday blend of a well-balanced offense and an aggressive defense, spiced only with determination and teamwork that turned the trick.

That kind of play is the best concoction any witch could recommend. For Coahoma, it has worked better than magic as the Bulldogs are unbeaten, having rolled to eight consecutive victories in its 1969 district campaign. They boast a 3-0 district 5-A slate and are fourth-ranked in state polls among Class A eleven.

Coahoma, coming off an easy 71-6 triumph of O'Donnell and with a super-important tilt with Seagraves Friday, had every right to be overconfident and to be looking ahead to its next assignment.

The Bulldogs were ripe for a Plains upset, but the Dogs dashed that Cowboy whim at the outset and immediately converted the game into a casual tune-up for the Seagraves tussle.

The 43 points registered against Plains brought the Bulldogs point total to 303 for the season. The opposition, meanwhile, has garnered only 68 points against such defensive stalwarts as Charles Denning,

Dickie Lepard, Bruce Allen, Bill Bailey and Don Richters.

**GROUND GAME STIFLED**  
Only three touchdowns have been scored on the ground against the Coahoma defense thus far this season. The Cowboys quickly found why the task is so difficult as Plains backs repeatedly bit the dust with re-sounding regularity.

Plains tried the air routes in an effort to get on the scoreboard, but Cowboy freshman quarterback found this channel blocked also. Lowe threw 22 times and completed eight passes for 82 yards. The alert Bulldog pass defense intercepted three Lowe passes and narrowly missed three others.

Lowe found himself eating the football on several pass attempts as the Dog linemen tackled him frequently for sizeable losses.

Coahoma's offense, on the other hand, clicked as expected. The only difference in the Bulldog attack was that the passing game outdistanced its rushing counterpart in yardage gained.

Quarterback Kenny Clanton rattled nine-of-14 passes for 151 yards and two touchdowns. The ground game, normally Coahoma's most productive tactic, gained 129 yards and fumbled four times. It redeemed itself, however, by accounting for four scores.

**BEGIN WITH FLOURISH**  
The Bulldogs opened the Plains contest by taking the opening kickoff and marching 51 yards for a touchdown. Halfback Dean Richters scored the initial six points by smashing two yards over the middle with 7:31 remaining in the first quarter. Denning kicked the extra 68 points against such defensive stalwarts as Charles Denning,

The drive, Coahoma's longest sustained march of the evening, took 12 plays. It almost fizzled at the Plains 27-yard-line. The Dogs, however, gambled on a fourth down play and Richters scooted for seven yards and an important first down. Richters' run re-ruled the march and five plays later Coahoma scored.

**QUICK STRIKES**  
With successive touchdowns, the Bulldogs eliminated the additional footwork and tallied fast and furious. On its second possession of the first quarter, Clanton engineered his team 55 yards in four plays. Richters again did the scoring honors on a 12-yard run.

Three second quarter touchdowns took even less plays. Bailey intercepted a Lowe pass at the Coahoma 35-yard-line, returned it to the Plains 14 and two plays later fullback Johnny Ted Fowler scored on an eight-yard run. Denning again kicked the conversion.

Clanton next threw 52 yards to James Dunn for a touchdown. It took Coahoma one play to score that TD. On the Dogs next series Clanton tossed 35 yards to end Toby Green for six points. The drive covered 40 yards and took Coahoma two plays to accomplish. Denning was true to form on a conversion kick, giving Coahoma a comfortable 33-0 halftime bulge.

In the third quarter Allen blocked a Plains punt and the Bulldogs recovered at the Cowboy one-yard-line. On the first play from scrimmage Clanton rammed it across the goal line. Denning's kick made it 40-0.

Denning culminated Bulldog scoring midway in the third period with a 12-yard field goal. Plains held Coahoma scoreless in the final stanza, but by that time Coach Bernie Hagins had employed most of his reserves.

**BAILEY HURT**  
The resounding triumph over Plains could be costly. Bailey, star defensive linebacker and ace offensive guard, might have broken a rib. The 155-pound senior is vitally needed for Friday's Seagraves engagement. His absence would mean junior Joe Best would fill Bailey's defensive slot while junior Kenneth Furlong would take over the offensive position.

During halftime, senior right guard Lepard was crowned Coahoma's 1969 Mr. Football. Bulldog cheerleaders, Misses Mary Anne Shirley and Anne Stout, were selected the football sweethearts and Miss Joyce York was chosen the band sweetheart.

**SEAGRAVES CONFLICT**  
More than the district championship could be at stake when the Bulldogs travel to Seagraves. The Eagles are rated third in the state, one notch above Coahoma, and the winner could be picked as the state's top class A football team.

The Eagles, which Hagins described as "big and tough," have two backs weighing more than 200 pounds. They operate behind an equally stout line.

Both running backs will be running at full steam, aiming directly at the Coahoma line-man with added incentive. They want to make amends for last year's defeat to Coahoma. Additionally both want to please an exuberant homecoming audience.

C o a h o m a defending 5-A champion, wants a second shot at the regional title Sonora swiped from it last year in a muddy skirmish. Seagraves must be hurtled to attain that goal.

**Score By Quarters:**  
Coahoma ..... 13 20 10 0-43  
Plains ..... 0 0 0 0-0

## JAYHAWKS OPEN PROMISING CAGE SEASON IN 2 WEEKS

Two weeks from Tuesday, the HCJC Jayhawks open another basketball season against Southwestern Christian of Terrell.

Indications are this will be a productive campaign for coach Buddy Travis and his athletes. Travis has six lettermen back from a team that won 30 of 35 starts last year. The 1968-69 team copped Region V tournament honors here and went on to finish 11th in the Nationals.

Returning veterans include: George Tilley, 5-10, Ysleta Bel Air; Jerry Phillips, 6-4, Lubbock; Glen Fletcher, 6-4, Crane; Danny Clendenin, 6-0, Big Spring; Sammy James, 6-6, Ysleta Bel Air; and Monte Phillion, 6-3, Wingate.

Newcomers to the squad are Billy King, 6-4, Coahoma; Shelly York, 6-6, Lake City, Ark.; Decell Lewis, 6-3, Madison, Miss.; Melvin Perez, 6-2, Sante Fe, N.M.; Cleve Carter, 6-2, El Paso Bel Air; Terry Wooten, 6-4, Forsan; Kenneth Smith, 5-10, Corpus Christi; and James Shief, 5-7, Lubbock.

The Hawks will compete in tournament at South Plains College in Lubbock Nov. 20-21-22; Garden City, Kansas, Nov. 27-28-29; and Odessa, Dec. 4-5-6.

## Two Teams In Deadlock For 2nd Place In Loop

Halfback Jeff Bradshaw, Eagles come from behind to tie the Runnels Cowboys, 8-8, in a second place play-off game on Blankenship Field Saturday morning in the local Seventh Grade football loop.

In other action, the Goliad Longhorns, in a post season skirmish, remained unbeaten and unscored upon, blanking the winless Runnels Packers, 7-0.

The Eagles and Cowboys went into the play-off game with identical 3-3 standards. Because of Bradshaw's TD jaunt, nothing was proven as both teams stand tied again at 3-3-1.

Runnels held an 8-0 lead at the half. Albert Alvarez scored in the second quarter on a one-yard run. Doug Robinson ran for the two-point conversion.

The fleet Bradshaw brought Goliad to within two points of the Cowboys with his run. Gilbert Padilla knotted the score with a successful two-point conversion following the TD.

The Packers and Longhorns played a grueling defensive struggle in Saturday's other football game on Blankenship Field.

Neither offense generated points. It was the Longhorn defense which scored Goliad's lone TD. Billy Don Whittington intercepted a Runnels pass at the Packer 25 and ran it back for the six points.

For a team which sports an unenviable 0-7 record, the Packer effort against the unbeaten Longhorns was a moral victory of sorts.

All four teams now await the all-star game, Nov. 13, which will culminate the 1969 grid season for the seventh graders.

## Owens Leads OU Past Cyclones

NORMAN, Okla. (AP) — Oklahoma returned to fundamentals Saturday—namely Steve Owens—and rolled past Big Eight Conference football foe Iowa State, 37-14.

Owens, the Sooners' thundering 213 pound senior tailback, made a school record of 248 yards through the middle of the Iowa State line. He carried the ball a startling 53 times and scored four touchdowns.

# Cee City Wolves Batter Stanton

Stanton got its first touchdown in the third quarter when the Buffaloes blocked an attempted punt by Vest and Franky Barrhill fell on the ball in the end zone for the score. Stanton's other score came in the fourth quarter on an 11-yard pass from Ray to Stallings.

The victory brought Coach Truman Nix's Wolves record to six wins against two defeats for the season; the Buffaloes, coached by Gerald Loyd, have won only one of their eight games this year.

Vest had a perfect night passing, completing 10 of 10 for 330 yards. His scoring strikes were for 7, 17, 06, 68 and 88 yards. Though he only played a little more than half the game, he also managed to pick up 55 yards rushing in eight carries, scoring on runs of three and 33 yards.

Colorado City's defense also played an outstanding game, limiting the Buffaloes to a mere 67 yards rushing and 142 yards passing. It wasn't until 2:13 left in the second quarter that Stanton made its first first down, and with one exception, Stanton never moved the ball out of its own end of the field during the first half.

**LAST PLAY**  
That exception was on the last play of the first half when End Steve Stallings caught a pass from QB Glen Ray and carried the ball down the Wolves three yard line before being knocked out of bounds.

Vest got Colorado City off to a fast start by tossing a 66-yard scoring bomb to Back Stanley Bracy on the second play of the game. Four plays later, after Carl Devorce recovered a Buffalo fumble on the Stanton 30-yard line and Back David Garcia carried the ball around left end to the three, Vest took the ball into paydirt on a keeper play.

Vest threw two more touchdowns passes in the first quarter, a seven yarder to Gene Self and a 17 yarder to Devorce, while Garcia had converted on three of four attempts for point.

Vest had a perfect night passing, completing 10 of 10 for 330 yards. His scoring strikes were for 7, 17, 06, 68 and 88 yards. Though he only played a little more than half the game, he also managed to pick up 55 yards rushing in eight carries, scoring on runs of three and 33 yards.

Colorado City's defense also played an outstanding game, limiting the Buffaloes to a mere 67 yards rushing and 142 yards passing. It wasn't until 2:13 left in the second quarter that Stanton made its first first down, and with one exception, Stanton never moved the ball out of its own end of the field during the first half.

**LAST PLAY**  
That exception was on the last play of the first half when End Steve Stallings caught a pass from QB Glen Ray and carried the ball down the Wolves three yard line before being knocked out of bounds.

Vest got Colorado City off to a fast start by tossing a 66-yard scoring bomb to Back Stanley Bracy on the second play of the game. Four plays later, after Carl Devorce recovered a Buffalo fumble on the Stanton 30-yard line and Back David Garcia carried the ball around left end to the three, Vest took the ball into paydirt on a keeper play.

Vest threw two more touchdowns passes in the first quarter, a seven yarder to Gene Self and a 17 yarder to Devorce, while Garcia had converted on three of four attempts for point.

Stanton got its first touchdown in the third quarter when the Buffaloes blocked an attempted punt by Vest and Franky Barrhill fell on the ball in the end zone for the score. Stanton's other score came in the fourth quarter on an 11-yard pass from Ray to Stallings.

The victory brought Coach Truman Nix's Wolves record to six wins against two defeats for the season; the Buffaloes, coached by Gerald Loyd, have won only one of their eight games this year.

For the Wolves Bracy ended up with five catches for 195 yards, while Self caught four for 95 yards. The Buffaloes' Johnny McMeans ran for 70 yards in 20 carries for the games' leading ground gainer.

The Wolves victory made a perfect ending for their homecoming night. During halftime Miss Mona McCarley, a senior, escorted by her father, A. K. McCarley, was crowned homecoming queen by James McMath, superintendent of schools.

Other candidates for the honor, all seniors, were Linda Banks, Marilyn Ellis, Jerrye L. y. Hertenberger, Martha Kinard and Sherry Owens. The freshman class took away first place honors for its float.

## Mullins' Pass Enables Houston To Triumph

HOUSTON, Tex. (AP) — Houston moved 46 yards in seven plays at the winning touchdown in the regionally televised offensive show.

Miami, which only moments before held Houston on four attempts from the one-yard line, forced Mullins to miss on three passes before he hit Thomas over the middle for the clincher.

The winning pass was Mullins' second of the game and the Houston victory overshadowed a great performance by Miami quarterback Kelly Cochrane.

## White's Tsali Boss Wins Feature At Sunland Park

SUNLAND PARK, N.M. — Tsali Boss, ridden by Larry Byers, led from start to finish while scoring an upset victory in Friday's feature race at Sunland Park. The gray gelding is the property of Freddie White of Big Spring.

Tsali Boss covered the 5 1/2 furlong distance in 1:03 3/5 seconds to equal the fastest clocking so far this season. Hankins Dancer, the second favorite at 8-5 in the wagering, made a strong stretch move to take the place shot, while Rich Bonanza finished third.

The winner returned \$16.20, \$5.40 and \$3.60.

Lilimorann, the 6-5 favorite, got off to a slow start and was

never able to get into contention. Hankins Dancer returned \$3.40 for both place and show, while Rich Bonanza handed out a show payoff of \$11.

# Bobbles Help Roby In Win Over Sands

Sands, 58-22, in a wild and woolly District 6-B game here Friday night.

Sands played in hard luck throughout but acquitted himself well and coach James Blake said he was extremely proud of his boys' efforts.

In the opening period, Sands advanced the first kickoff to its own 37 and lost possession on a fumble. On the third play thereafter, fullback Robert Doyle went off tackle for 31 yards and a score. Doyle added the two points on a run.

Roby quickly made it 14-0 after recovering another Sands bobble on the Mustang 27. Doyle went in for the 12.

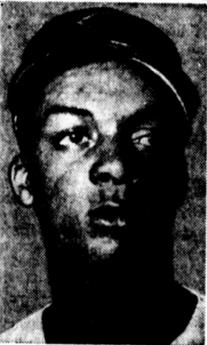

In Round Two, Sands climbed back into contention when QB Steve Herm passed 50 yards to Perry Gillespie for a score.

## LOOKING 'EM OVER

# Longhorns Far Behind In Set

By TOMMY HART

Some pro footballers say the Astro-turf in the Philadelphia Eagles' home park is better than that in Houston's Astrodome because it is springier and faster. . . . Big Spring has a lot of catching up to do in that football series in Abilene — the Steers have won only six of the 40 games played with the Eagles. . . . There were ties in 1921 and again in 1938. . . . The Longhorns failed to win a game from the Eagles from 1941 until 1962 and have been shut out 14 times in a series that dates back to 1914. . . . Coach Spike Dykes of Big Spring says he wouldn't be adverse to going back to the El Paso area for a practice game, if it meant squaring his schedule with five home games and five away. . . . He would agree to six home contests but doesn't want to be limited to four the following season. . . . Big Spring's Joey Baker, only a sophomore, is now the starting right corner linebacker for the University of Houston. . . . It wouldn't surprise those who know him to see San Angelo's Thomas Williams matriculate at the University of Houston. . . . Williams' grades are adequate to get in most any Southwest Conference school. . . . Crooner Dean Martin showed up on a California golf course recently after trying to set a record for no sleep and attacked the ball twice on the first tee, only to miss it each time. . . . His pal, Phil Harris was moved to remark: "Keep it up, you've got a no-hitter going". . . . When the crowd laughed, Dean looked up and said, "What are all those people doing in my room?". . . . Big Springer Gary Don Newsum's roommate at the U.S. Military Academy is a quarterback on the plebe football team there. . . . Chuck Moser, director of athletics of the Abilene schools, says that Jimmy Carpenter is the "best little man" he ever coached. . . . Jimmy, who later played at the University of Oklahoma, was in the same Abilene backfield with Glynn Gregory.

CURT FLOOD

Business is up sharply at the Sunland Park race track outside of El Paso. . . . The handle for the three racing days last week was \$455,836. . . . Steve Hillhouse, the Colorado City native who perished in a motor vehicle accident recently, was the best control pitcher in high school I ever saw. . . . He didn't overwhelm the opposition but paralyzed their bats by pitching to the spots. . . . while at Texas A&M, Steve took Texas to the woodshed six times. . . . Gambler Jimmy The Greek says (1) Dallas and Oakland will meet in the Super Bowl, but only after the Cowboys have been scared out of seven years' growth by Minnesota, (2) pro football remains the No. One betting sport but there was lots of action in the last World Series, (3) Rick Allen doesn't figure to help St. Louis Cardinals enough to restore them to grace in the National baseball league and (4) Joe Namath and Sonny Jurgensen remain the only five-point quarterbacks in football. . . . By five points, Jimmy means either is worth that much if he is out of a game. . . . The 19-18 win achieved by Big Spring over San Angelo last week was only the tenth in history for the Steers over the Bobcats. . . . Other BS wins came in 1921, 1925, 1934, 1940, 1941, 1947, 1952, 1963 and 1964. . . . Three of the Steer wins were by a mere point. . . . The teams played to ties in 1930, 1931 and 1939. . . . The first 78 players on the pro tour this year have won \$20,000 or more each. . . . Texas A&M used 55 players in its recent rout of Baylor. . . . Curt Flood, who is threatening to quit baseball, reportedly gets \$500 each for his oil portraits. . . . Hasn't the U.S. Amateur Golf tournament become just another collegiate meet? . . . The New York Giants can level the finger at the Dallas Cowboys if they want to but they remain the team most likely to commit a flagrant foul in pro football. . . . They come at you with everything from shoe tips to knees and flying elbows. . . . Bob Aspromonte, who says he'll try it at least another year with the Atlanta Braves, still makes his winter home in Houston. . . . That 1970 football schedule booked by Coach Bernie Hagins has to be the toughest in the school's history.

## Snyder Eases By Tough Slaton, 9-0

SLATON — In a football game that probably decided the District 3-AAA South Zone title, Snyder High School outlasted Slaton, 9-0, here Friday night.

Snyder intercepted six Slaton passes, earned 183 yards rushing and 94 yards passing. The victory brought Snyder's record for the season to 5-2-1, but more importantly, it gave the Tigers a 3-0 zone slate with Sweetwater and Levelland left to play.

Slaton, now 4-4 over-all and 2-1 in zone competition, must play Levelland and Littlefield.

## Bowl Ducats Are Available

DALLAS — Time is running out on fans who plan to be in the Cotton Bowl on Jan. 1, but procrastination will not be a handicap until midnight Tuesday.

"Late orders have equal priority to early ones if they are postmarked prior to midnight Nov. 4", Secretary Howard Grubbs reminded. "Seat allocations will be determined in a draw after all orders have been received, which means those crowding the deadline could be as fortunate as the early birds."

Grubbs did warn, however, that the ticket allotment to the general public probably will be over-subscribed by midnight Tuesday. The only other source for tickets will be through the two participating schools, which offer tickets first to priority groups.

Tickets are priced at \$7 each and requests should be sent to the Cotton Bowl Athletic Association, Box 7185 Inwood Station, Dallas, 75209. A 50-cent mailing fee should be included in each check or money order.

There is no limit on the number of tickets an individual may order; however, no more than ten should be requested on a single order. Those desiring more than ten should submit two or more requests with a separate check or money order accompanying each order.

The Jan. 1 Classic will match the Southwest Conference champion against a high-ranked team from another section of the country.

## Wilson Shellacks Hermleigh, 62-0

HERMLEIGH — Wilson turned on its offensive scoring might here Friday night, trouncing Hermleigh, 62-0.

Eight Mustangs got into the scoring act with Steve Meador leading the touchdown parade with three six-point runs. Meador also tallied on a two-point conversion, giving him 20 points for the night.

Wilson, which amounted 557 yards total offense, is now 6-1 on the season and 2-0 in 6-B action. Hermleigh is winless in both categories.

### GET GOING

A short time later, Sands recovered a Roby bobble and drove 60 yards to pay dirt, with tailback Johnny Peugh producing the score on a two-yard run. A pass from Herm to Peugh got the two extra points to tie the score at 14-14.

Roby worked the ball down inside the ten with 55 seconds left. With seven seconds remaining, Roby's Barron Whetsel scored from the one but the play was nullified by off-setting penalties. Whetsel produced to make good a second time.

Sands took to the air with a desperation pass after getting the ball but Whetsel intercepted it and dashed 35 yards for another Roby tally. Doyle added two extra points on a run to make it 28-14 at half time.

In the third, Doyle counted again for the Lions on a ten-yard run at the end of a 50-yard drive. Halfback Ray Douglas added two points on a run to make it 38-14.

Sands made it into the end zone on a 48-yard march, the touchdown coming on a three-yard pass from Herm to Eddie Newcomer. The score mounted to 36-20, Roby.

Sands picked up a safety when Roby, deep in its own territory, had its center snap the ball over the punter's head and out of the end zone.

Enheartened, Sands got a charge when Newcomer returned the kick all the way to Roby's 18 but Sands was penalized 15. The Ponies then drove all the way to Roby's 11, only to fumble away the ball.

In the fourth, Doyle scored from one yard out and a pass from Mark Whetsel to Mark Kiser produced two extra points.

Sands fumbled on the second play after the kickoff and Roby drove 33 yards to pay dirt, with Whetsel going over from the seven.

Sands fumbled on the first play after the kickoff and the Lions counted again on an 11-yard pass from Whetsel to Bobby Holcomb. Douglas ran the two extra points to make it 58-22.

Roby scored its last three TD's with four Sands' regulars — Larry Shaw, Peugh, Reggie Hambrick and Gavino Rodriguez — out with injuries.

Kelly Gaskins made 25 tackles for Sands, Randy Clemens 21, Hambrick nine, Shaw eight, Paul Hopper seven and Peugh seven.

On offense, Ricky and Ronnie Oaks, Herren and Perry Gillespie stood out for Sands.

DESPITE MAXIMUM RESISTANCE, BIG SPRING SCORES IN FOURTH Joe Chavez (No. 34) can barely be seen in pileup at the goal.

# Upstart Midland Tips Big Spring, 28 To 8

show. All tailback Galberston Zachery needed to compare him to the Queen Mary were the smokestacks. The tugboats in the Big Spring defensive alignment simply couldn't bring him to heel.

The Midland goliath scored 22 of the visitors' 28 points and it took an adding machine to total his rushing gains. He roamed for 184 of the 220 paces the Purple picked up on the ground.

The Longhorns, whose hopes for a share of the 3-AAAA championship all but went up in smoke, were understandably flat after impressive efforts against Abilene Cooper, Odessa

High and San Angelo. The Bulldogs spent the final 15 minutes twisting the Longhorns into interesting geometric shapes. Big Spring's offense kept malfunctioning simply because huge Midland linemen kept cluttering up the approaches to the freeway.

**NO INSULT**

Losing to Midland proved no disgrace. The Bulldogs have a fine ball club but hadn't been able to put it all together until this game. They used a bread-and-butter offense but it was all they needed. They simply gave the ball to Zachery and aimed him at the line. The Big Z did the rest.

The score is somewhat decep-

ive. Behind, 14-0, early in the fourth, the Steers had to gamble to try and get on the board and the dice turned colder than a landlord's heart.

Down, 7-0, just before the half, the Steers had a chance to tie it and perhaps go ahead. They moved 64 yards down to Midland's three without misfiring once, then fumbled away the ball to the Bulldogs' James McElroy. It was the San Angelo game all over again, with the underdog exercising his prerogative.

The two teams felt out each other in Round One but Big Spring failed to get beyond mid-field and Midland advanced no farther than the Steer 43.

In the second, however, the Purple drove 46 yards in seven plays for a score. Zachery produced it with a nine-yard foray up the middle on a third-down play. Only 1:49 was left on the second period clock when Galberston went in. Big Zack added the PAT on a kick.

Midland seemed content to outface the Steers in the third.

Andy Neiland opened the door for Big Spring by recovering a Fountain Smith fumble at Midland's 36 late in the round but the Steers had to cough up the ball at the 31 four plays later.

Midland chugged 76 yards for its second TD with 5:28 to go in the final canto. It took them nine plays and Zachery breached the Longhorn defenses for the final three paces, then serenely kicked the PAT to make it 14-0.

**DOOR OPENS AGAIN**

Less than two minutes later, Midland came into possession of the ball again on the Steer 25 when four straight Big Spring passes had failed. After the Black Knights had been penalized half the distance to the goal, Zachery got the score in one trip on a wide play, at which time 4:33 of play remained. When he bisected the uprights with his kick, the score mounted to 21-0.

It was then the Steers put together a drive that resulted in their only score. Gary Hinds' pitching arm kept the provincials moving on a 69-yard drive that was culminated by fullback Joe Chavez's one-yard run up the middle. Two penalties against the Bulldogs helped the surge. When Chavez got in, only 1:35 was left in the game.

A pass from halfback Rick Peurifoy to Johnny Rutherford accounted for the two extra points.

Midland poured more salt in Big Spring's wounds when Bart Wilson punted from the Steer 49. The Steers tried to field the ball at the five but two Midland tacklers converged upon the receiver with the result that he and the oval parted company.

It wound up in the end zone and Jeff Barnett was there to make the recovery for Midland. Only 29 seconds of play remained at the time. With monotonous efficiency, Zachery again made good on the PAT try.

Now 5-3 on the year and 5-2 in district, the Steers visit Abilene next Friday in their final road game of the year. The Bulldogs play host to mighty Cooper.

**IN HALL OF HONOR RITES** — Two of the men pictured here were installed in the Big Spring High School Hall of Honor in a ceremony staged prior to Friday night's football game between the Steers and Midland. Two others could not be present for the rites. Handing out the awards was Frosty Robison (left) of the Ex-Lettermen's Association, himself a member of the shrine. Morris Rhodes (inside left) accepted two awards on behalf of Danny Birdwell and Olie Corral, who could not be present for the ritual. Jerry Graves (inside right) and J. C. Armistead (far right) were the one-time Steer greats on hand to receive their plaques. Both Graves and Armistead were on all-state teams. Armistead set an all-time BSHS rushing record (1059 yards) in 1953. Graves was a center and linebacker.

# Cowboys Seek Revenge For Cleveland Defeat

**CLEVELAND (AP)** — Super-iority in the National Football League's Eastern Conference will again be the issue Sunday when the Dallas Cowboys and Cleveland Browns clash here before a sellout crowd of over 80,000.

It will be the first meeting between the two teams since the Browns won, 31-20, in last winter's conference championship game.

The Cowboys, unbeaten in six starts this season, and the Browns, 4-1-1, lead their Capital and Century divisions respectively again this season and the game shapes up as a preview of this year's Eastern title game. "We expect to meet the

Browns twice," Dallas Coach Tom Landry says. "If I had a choice, I'll take the second one. But we'll be there to play and win."

The Browns, inconsistent both offensively and defensively this season, hope to prove last year's win was no fluke. A sign in the Browns' locker room this week read, "Dallas feels we shouldn't be in the same league. What do you think?"

Landry predicts a "tough, see-saw battle—you know, one of those 21-17 games." He says the key to beating the Browns is controlling halfback Leroy Kelly and receivers Gary Collins and Paul Warfield.

"We're not planning to cancel, but they're a fine football

team," Browns' Coach Blanton Collier says of the Cowboys, who lead nine offensive and 11 defensive categories in National Football League statistics.

Quarterback Craig Morton of the Cowboys is the league's leading passer and rookie half-back Calvin Hill is first and full-back Walt Garrison third in rushing statistics.

One of the keys to the game may be the Browns' ability to contain the Cowboys' defensive pass rush for quarterback Bill Nelsen. The Browns have allowed opposing linemen to get to the passer only six times this season, and Dallas leads the league in getting to the quarterback with 30 nabs for minus 250 yards.

# Forsan Bisons Grab 6th Win of Season

For still another Forsan score, leaving the score at 24-0 at half time.

Bobby Davis ambled eight yards outside at the end of a 90-yard march for Forsan's first TD of the second half. Cobb kicked the PAT.

Each Don Stevens sent his reserves into the game and Bill Hamner ran the kickoff back for 85 and a tally, going right in the middle. David Dickerson added the two PAT's.

In the fourth, Williams bootlegged the ball and threw to Cobb for 25 yards and another Forsan six-pointer. That made

17-0.

On a sensational run, Williams counted again for Forsan on a run of 30 yards. He faded back as if to pass, saw no one open, reversed his field twice and broke loose.

On offense, Williams played his finest game in a Forsan uniform. He made 89 yards in eight carries. Davis gained 66 paces in five lunges. Hobbs picked up 97 in four.

Up front, Billy McDonald, Vard Griffith, Medlin, Tom Kuykendall, Tommy Hollingsworth and Ricky Klahr stood out for the Bisons.

The entire defensive unit looked good for Forsan, particularly middle linebacker Whetsel.

## Bobcats Subdue Bula, 35 To 26

SMYER — The Smyer Bobcats posted a 35-26 football victory here Friday night, whipping stubborn Bula.

Two touchdowns in each of the last two periods provided the margin of victory for the Bobcats.

**Game Called Off**

ACKERLY — The Forsan Bisons B football game scheduled here Saturday was cancelled.

# Ron Sellers Is Back But Patriots Are Underdogs

**NEWTON, Mass. (AP)** — The Boston Patriots, bolstered by the return of ace pass receiver Ron Sellers, seek their first American Football League win of the year Sunday as an underdog against the powerful but injury plagued Houston Oilers.

Houston, trailing the defending champion New York Jets despite a so-so 4-3 record, rules better than a touchdown favorite, but many observers figure the Patriots are due to put everything together after seven straight losses.

The Patriots, the only winless entry in the AFL, have come close without anything to show for their last five games. They have matched opponents in touchdowns in each of the last four weeks, only to lose on field goals.

Sellers, a No. 1 draft choice from Florida State, has been plagued by injuries in his rookie season. He suffered a neck injury against Buffalo Oct. 11, but has been given a medical okay to face Houston.

The return of Sellers should give the Boston offense, triggered by quarterback Mike Taliaferro, a big boost. The Patriots have managed a top production of only 23 points this year.

Clive Rush, struggling through a rookie season as head

coach, hopes that the Patriots' attack will explode. The Boston defense has done a good job, but has had to spend too much time on the field because of a sputtering offense.

The Oilers, rated a top power when at full strength, are hurting badly. Ailing members include wide receiver Charlie Joiner, defensive tackle George Rice, running back Hoyle Granger and linebacker George Webster.

# Raiders, Jets Risk Unbeaten Streaks

The Oakland Raiders and New York Jets, clinging to their respective division leads midway through the American Football League season, will put unbeaten streaks on the line Sunday against maturing expansion clubs.

Oakland's Western Division pace setters, 6-0-1 this year and unbeaten in 15 consecutive regular season starts, visit Cincinnati, 3-4, while the Eastern Division leading Jets, 5-2 with a four-game winning string, entertain Miami 1-5-1, at New York.

The Raiders lead Kansas City by one-half game in the West and the Jets have a one-game edge over Houston in the East. Kansas City, 6-1, is at Buffalo, 2-5; Houston, 4-3, at Boston, 0-7; and San Diego, 4-3, at Denver, 3-4, in other AFL games Sunday.

The Raiders, whose all-winning string was interrupted by a 27-23 loss to New York in last year's championship playoff and a 20-20 tie with Miami this season, take on a young Cincinnati outfit that has dropped four in a row after beginning its second AFL campaign with three straight victories.

Paul Brown's Bengals have missed rookie quarterback Greg Cook, who injured his throwing arm after sparking the fast get-

## Ector Gives Abilene Hi Rough Time But Loses

ODESSA — Abilene's Eagles, next football opponent of the Big Spring Steers, rallied from a seven-point deficit at half time to topple Odessa Ector, 22-13 here Friday night.

Albert Hernandez scored from one-yard out and Ramon Nabarette added the PAT to give the Ector team its 7-0 advantage at the intermission.

Abilene went ahead with two touchdowns in the third, the first on a 32 yard pass from Greg Stirman to Jeff Keeper. Mike Brooks got the second on a two-yard run.

A pass to Don Brown from Stirman produced two points after Keeper's first score.

In the fourth, the teams traded touchdowns. Abilene scored first in that round when Keeper went in on an 18-yard pass from Stirman. Brown took another pass from Stirman for the two PAT's.

Ector closed the gap when end Arthur Loera snagged a ten-yard pass from Hernandez but couldn't add the sought-after two extra points.

Abilene gained only 126 yards rushing to 162 for Ector but had 89 in aerial gains to only ten for the home team.

## Dunbar Charges Past Lake View

SAN ANGELO — A second half surge, which accounted for 18 points, lifted the Dunbar Panthers to a 34-13 football triumph over stubborn Lake View here Friday night.

The Panthers, ahead only 13-6 at the half, poured on the coals in the second half behind touchdown jaunts by Earnest Davis, Jimmy McGrew, Jimmy Williams and an Edwin Toines to Glen Davis pass.

# NFL Season Reaches Half-way Mark Today

Associated Press Sports Writer

Dallas and Cleveland, favored to fight it out for the Eastern Conference title Dec. 28, meet Sunday at Cleveland in the top National Football League pairing of the day.

The unbeaten Cowboys (6-0) had to pull out all the stops in the last quarter to get past New York 25-3 last Monday night. It is possible the Dallas boys may have been looking ahead to Cleveland, scene of last December's disaster.

Cleveland 4-1-1 was held to a 21-21 tie by St. Louis in a wild game last Sunday and must keep on winning to assure itself of the Century Division title.

Sunday's eight-game schedule marks the mid-season mark. All will have played seven of their 14 games by Sunday night.

Los Angeles (6-0), the only other unbeaten team, will be at Atlanta (2-4) for a rematch of their Sept. 28 game. The Rams took the first game 17-7.

**TWO REMATCHES**

In the only other rematch, the winless Chicago Bears (0-6), will be at Minnesota (5-1) to take on a strong Viking team that has won five in a row since being upset by New York on opening day. The Vikings thumped the Bears 31-0 Oct. 12 at Chicago.

Washington (4-1-1), still very much a factor in the Capitol Division behind Dallas, resumes its rivalry with the Baltimore Colts (2-3) after a one-year lapse. It used to be written into the constitution that Washington and Baltimore had to play every year but next season Baltimore will be in the AFL division. The Redskins have not beaten the Colts since 1959, losing eight straight, but that was before Vince Lombardi moved in this year.

Green Bay (4-2), hopes to continue its "Pack Will Be Back" campaign at Pittsburgh (1-5). The Packers are clinging to the heels of the Vikings, waiting for another shot at them Nov. 16 in Milwaukee. Pittsburgh, despite its record, played the Redskins a good game last weekend. Sunday's rivals met in an exhibition game Sept. 6 with the Packers winning 31-19.

The Philadelphia Eagles (2-4) come to New York for the first time since Jerry Williams took over as head coach to find the Giants (3-3) still reeling from Monday's blast at Dallas. The Eagles won an Aug. 30 exhibition game at Princeton, N.J., 24-17 but the Giants took both 1968 games.

San Francisco (1-4-1), finally got on the winning side last week at Baltimore and returns home to take on Detroit (3-3) which still is operating with young Greg Landry at quarterback.

The New Orleans Saints (0-6) gave Philadelphia a tough fight last week but still haven't broken into the winner's circle. The Saints move into St. Louis (2-3-1), which must win every Sunday to remain within shooting distance of Cleveland in the Central Division.

Dallas won't need an extra incentive to get up for the game in Cleveland. That 31-20 beating last December still hurts. It was enough to send Don Meredith into retirement and shock waves running through the Cowboy organization.

**TOP RUNNERS**

The Cowboys have the top runner in the league in Calvin Hill and the No. 3 man, Walt Garrison. As a team they are first in total offense, running offense and also in defense against the run. The air arm, however, has been their main striking force with Craig Morton throwing to Lance Rentzel and now to Bobby Hayes, back from an injury.

## Mario Andretti To Run In Track's First Race

COLLEGE STATION, Tex. (AP)—Mario Andretti, winner of the Indianapolis 500 last May, will compete in the opening of the new Texas International Speedway Nov. 9.

Other entries in the 210-mile Canadian-American Challenge Cup Grand Prix road race include Bruce McLaren, Dennis Holme, Dan Gurney, Chuck Parsons, Chris Eaton, Jo Siffert, Peter Revson, Lothar Motschenbacher and John Surtees.

More than 30 of the world's most powerful sports cars will see action.

Andretti is expected to prove tough competition for the two-car team McLaren entry. The group 7 MK-8B McLaren Chevrolet take a 10-for-10 record into the finale of the 1969 Can-Am.

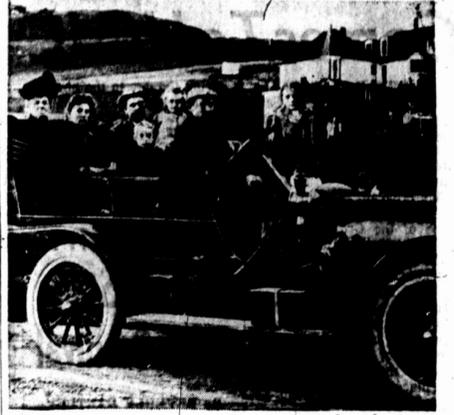

Andretti will be in a new Holman & Moody Ford which he drove to third place in the Los Angeles Times Grand Prix Oct. 26.

For the third straight year Hulme and McLaren have clinched first and second place in the Can-Am's \$200,000 point-fund scramble, or an \$85,000 jackpot this time. Holme leads McLaren by 15 points in their personal battle for the \$50,000 end of that payoff. Results here will determine how the remaining \$115,000 will be divided among the leading 10 drivers.

First place in the 70-lap grind on the Texas International Speedway circuit which places a premium on horsepower pays \$10,000 of the \$45,000 prize purse.

Practicing and qualifying will be Nov. 8.

## Why can't things be the way they used to be?

Culver Pictures, Inc.

You know. When the Negro "knew his place."

When students stayed in the classroom.

When poverty was kept off page one.

Ah, the good old days.

But who's fooling whom? Was it really a better world? Or just a quieter one? A few years ago it was easy to hide from the evils around us.

To turn our backs and pretend it really wasn't so.

But God knows, it was. All that our modern communication system has done is bring it all out into the open. And about time.

The fact is, God has probably been much too patient with our world. "Love your neighbor," He told us long ago. Not enough of us were listening and that's what today's turmoil is all about.

And think about this: maybe—just maybe—God put us here right now because we're the ones who can start setting things straight.

# 10 GOOD REASONS why your boy should have a newspaper route.

1. He will earn money of his own.
2. He will learn self-reliance.
3. He will learn to keep records. In doing so he will apply in a practical way the arithmetic he learns in the classroom.
4. He will learn how to handle money and the value of money.
5. He will learn courtesy and how to get along with people.
6. He will learn how to be on time.
7. He will learn how to ration his time.
8. He will be thrilled by the challenge of salesmanship.
9. He will become sharper and brighter.
10. He will be operating a business of his own. He will learn what that is like.

And, we can't think of a single reason why not!

For information on newspaper route management for your son, phone or call on our Circulation Department. They will be pleased to give you full details on available routes. Act now.

**MASSIVE ELK, BIG TROPHY**—Alvin Whitaker, who operated a sporting goods store here, displays the horns of a huge elk he killed on a recent hunting trip near Chama, N.M. The animal is believed to have weighed about 1,000 pounds on foot. Whitaker plans to have the antlers mounted and hung in his East Fourth Street shop. He scored the kill with one shot at a distance of 250 yards, using a 30.06.

# 'Globe' Play Comes To HCJC

By PHILIP STEPHENS  
"The World of Carl Sandburg" will be presented by the Globe Theatre of Odessa in the Howard County Junior College Auditorium Tuesday, November 4, at 8:00 p.m.

This program is sponsored by the Big Spring Chapter of the Globe of the Great Southwest, and is entertaining to youth and adults alike.

Tickets are \$1.00 for students and \$2.00 for adults.

The second annual college-high school rodeo is on its way. Plans were laid at the last two meetings of the HCJC rodeo club for the rodeo which will take place on Nov. 15-16 at the Big Spring Rodeo Bowl.

Events such as barrel racing are planned. Proceeds from the rodeo will go for other club sponsored events throughout the year.

According to Mr. David King, sponsor, the rodeo is a student-planned project produced by Paul Landrum and is open to the general public. Colleges and high schools in the surrounding area are especially invited.

The rodeo will start at 2 p.m. Some events to be scheduled over this two-day contest of skill are bull riding, roping, ribbon roping, goat tying, bareback riding, and barrel racing.

In addition to these plans, the rodeo club elected Robert Green-shaw, president; Lonnie Wright, vice president; Iva Jo Brooks, secretary-treasurer; Kenneth Wilburn, student senate representative and Ann Haggard, reporter.

HCJC PRESENTS will feature the L.V.N. Nursing Program with Mrs. Elisha Travis, sponsor and Mrs. Johnnie Amos, instructor, Wednesday at 12:15 p.m. Three student nurses will also be featured.

College representatives from Texas A&M and Texas Tech will be present at HCJC on Nov.

## SANDS Variety Show Presented

By SHARA DEE HAMBRICK  
An assembly was held Friday morning in the auditorium. The junior class was in charge of the program for the assembly.

They presented a variety show. Bennie Green played the piano, Bro. Bradberry, minister of the Church of Christ in Ackerly, sang folk songs, and the Feaster brothers also sang some songs for the entertainment.

The Halloween candidates and their escorts were also presented at this assembly and the student body voted on the queen at this time.

The Student Council met Tuesday during first period to discuss the final plans for the Halloween Carnival. La Deana Riddle and Shara Dee Hambrick were elected to be heralders at the carnival with Terry Nichols and Kelly Gaskins as their escorts. Lana Grantham and Dennis Martin were selected out of the first grade to be the crown bearers.

The senior class is now selling T-shirts with the SHS emblem printed on the front of the shirt. They are striped and come in gold. Anyone wishing to purchase one, needs to fill out an order blank. An order blank may be secured from any member of the senior class. The T-shirts sell for \$3.00 each. Order blanks and money must be turned in no later than November 11.

Congratulations go to Eddie Newcomer and Gavino Rodriguez for receiving Back of the Week and Lineman of the Week, respectively, for their performance in the Hermleigh game. They were presented their certificates in the pep rally held Friday afternoon.

The Sands' girls travel to Lorraine Tuesday night, for a basketball game. The girls now have a record of 2-0 after defeating Forsan Tuesday night.

Report cards were passed out to the students Wednesday for the nine week period.

## GARDEN CITY Classes Stage Busy Carnival

By BEVERLY HARTLEY  
Preparation for the Halloween Carnival kept Garden City very busy this past week. The seniors presented the skit preceding the Halloween queen and king coronation. The skit was acted out by the senior class.

After the crowning ceremony, the Halloween Carnival began in the old gym where booths were set up. Each class had a booth in order to make money for their class. The FHA girls worked in the concession stand to raise more money for their club. All of the classes except the senior class sold chances for the carnival.

One chance from every class was drawn and the winner of that prize was announced. The seniors decided to wait until Thanksgiving to sell chances. The chances will be for a Thanksgiving turkey.

The Homecoming ceremony on October 24 went as planned. The three football sweetheart candidates and their escorts rode the Homecoming float to the center of the field where Judy Ann Halfmann was crowned Football Sweetheart for 1969-70. She is a senior. Seven Hirt was crowned Mr. Bearkat for 1969-70. He is also a senior.

The Garden City girls' basketball team traveled to Lorraine last Tuesday to play their first game of the year. The "B" team score was 44-26, in favor of Garden City. The "A" team score was 38-49, in favor of Garden City. Their next game will be at Garden City. They will play against Grand Falls.

The long awaited senior pictures arrived last Tuesday.

## BORDEN COUNTY FHA Benefits Vietnam Boys

Borden County (SP) — The Future Homemakers of Borden County sponsored a program to collect essential items for our boys in Vietnam. The deadline was Wednesday.

Billie Briggs came home with Championship Honors from the New Mexico Horse Shows Association Championship Show in Roswell, last week. Her placings were as follows: Champion-Junior Jumper 15-17 age group, Champion-Equitation 15-17 age group, Reserve Champion-Horsemanship Over Fences 15-17 age group, 3rd place-Open Hunter, 5th place-Junior Pleasure 15-17 age group, and 5th place-Junior Hunter 15-17 age group.

On November 4 the Borden County Girls basketball team will play Ira at Gail for their first game. The game will start at 7:00 p.m. Every player has been working hard and is anticipating a year of many wins.

The Borden County Marching Band has been working on their contest show which will be November 22. The band is now selling magazines as a money making project to help pay for their Enid trip.

The seniors were very successful at the Harvest Festival. They made almost five-hundred dollars. The luggage was won by Matthew Hughes of Fluvanna. The seniors wish to thank everyone who contributed to the Festival.

Pam Wilson, a graduate of 1969, is now attending college at San Angelo. Glen Perry, also a graduate of 1969, is attending college at West Texas State. Guy Zant, a classmate of Pam and Glen, is attending college at A&M.

## BS Grad Sings At S'western U.

Anelle Fitchugh, Big Spring sophomore vocalist at Southwestern University majoring in music education, was among performers in a special musicale presented Friday afternoon in the Alma Thomas Theatre at the university.

She is the daughter of Mr. and Mrs. H. M. Fitchugh, 1404 Johnson.

COAHOMA JUNIOR HIGH CHEERLEADERS — Yells and routines are a way of life for this pretty quintet of Coahoma Jr. High girls who are cheerleaders for Coahoma Jr. High. From left to right are: Mona Honer, Gayla Kerby, Jeannie Kohanek (head), Becky Hayes and Terri Ashley.

## COAHOMA Dual Sweethearts Crowned At Half-Time

By JAN STOUT  
The football sweethearts were crowned Friday night at half-time during the Coahoma-Plains football game. Ann Stout, daughter of Mr. and Mrs. Robert Stout, and Mary Anne Shirley, daughter of Mr. and Mrs. Thomas Shirley were crowned by tri captains and seniors Kenny Clanton, son of Mr. and Mrs. C. C. Clanton Jr., Gaylon Harrison, son of Mr. and Mrs. C. C. Harrison, and Dickie Leppard, son of Mr. and Mrs. Waymon Leppard.

Ann is varsity cheerleader, a member of the basketball and volleyball teams, active in FHA, OEA, and a member of the National Honor Society, and on the Bark staff.

Mary Anne is also a varsity cheerleader, secretary of FHA, secretary of the senior class, a member of OEA, and the National Honor Society.

The cheerleaders crowned football hero during half-time also. Receiving these honors was Dickie Leppard. He is a member of the varsity football team, basketball team, track team, vice president of the science club, and a member of the speech club and student council. He was chosen most versatile athlete.

Band sweetheart, Joyce York, was presented by Band President Alvis Ashley. She is the daughter of Mr. and Mrs. W. A. York. She has been a member of the Bulldog Band for four years and she is presently a member of OEA.

Class meetings were held Wednesday, Oct. 29. Plans were discussed for beginning to build floats for homecoming.

The juniors discussed being in charge of the concession stand during the Coahoma-Plains ball game. They decided on different candies and cookies to be brought to be sold. This is one of the many money making projects the class will have during the year.

The FHA began selling mums for the homecoming game Monday. If you are planning to purchase a mum, contact one of the FHA members.

The Spanish club met Thursday and discussed the building of their float. The next meeting will be a float building contest and they will discuss the agenda for the rest of the year.

The junior high football sweetheart for the puppy team this year is Jeanie Kohanek.

## Promotions At Webb

Several personnel at Webb will be sporting new bars and chevrons in November. Four officers will become captains Nov. 25.

They are 1st Lieutenants Raymond Dileo, James Fisher, Robert Gormley and John Hightower.

Pinning on silver first lieutenant bars during the month will be Second Lieutenants Ronald Berry, Franklin Boneske, Richard Goyette and Robert Messer.

T. Sgts. John Scott Jr. and Gerald Green, both receive their sixth stripe in November. Harry Meyers and Frederick Knuth, Floyd Taylor, Robert Head, Gary Allison and Joseph Szulcowski receive promotions to staff sergeant.

Those entering the non-commissioned officer ranks as sergeants are James Shields, Philip Cuendett and Paul Brewer.

## Runnels Book Review Given At NJHS

By CARRIE WHEELER  
Tuesday the National Junior Honor Society had their regular meeting with Mark Allen presiding. Mark Anderson, vice president, introduced Mrs. Charles Burnsed, librarian at Howard County Junior College, who gave a book review on "The Snow Goose" by Paul Gallico. It was a most enjoyable review and Mrs. Burnsed encouraged all of us to read it.

The Student Council is now getting ready for parents night, which will be held Nov. 10. Miss Lenolia Cantu is making buttons for each student council member to wear on this night. The practice for parents night will start Monday.

This past week nine-weeks tests were given on Wednesday and Thursday. Report cards will be handed out Wednesday.

Thursday a pep rally was held in the boys gym. The star players were Jerry Mintz, Larry Stanley, Albert Smith and Evaristo Pineda. The head cheerleader for eighth grade was Christi Miller.

Friday a fire drill was held during fifth period. It took the school one minute and 20 seconds to get out of the building. The fire captains were Orville Rau and David Long. The classes under the direction of Mrs. LaRue De Viney are now beginning their perspectives.

# Applications For Diplomas Due

By KAREN MCGONAGILL  
Application for diplomas for the spring graduation are now being made in Mrs. Gene Harrington's office. All seniors planning to graduate in May are urged to make application as soon as possible.

Paperback books are being collected to send to the boys in Vietnam. All books are to be in by November 8. The books may be deposited in designated boxes for this purpose in the library. The Library Club will mail these books to Vietnam before Christmas.

The Future Medics will meet Monday night at 7 p.m. at the high school. Anyone interested in a future in the medical field should contact Mrs. Nellie Mathis, school nurse.

The Astronomy Club is planning a star gazing party for Monday night at 7:00. The group will meet at the high school and then journey to Center Point to gaze at the stars.

The VICA Club in electrical appliance invites you to bring any appliances that need to be repaired to them. There will be a one dollar charge for the services rendered by the shop and then the cost of the work part needed. The club will pick up and deliver all large appliances in need of repair.

The VICA Club, sponsored by Mr. Cornelious Baker, left Saturday afternoon at 3:00 for the district meeting in Brownwood, Tex.

The club officers and district officers will be tested for skills in nursing and other various work. Joyce Houston, elected club sweetheart and candidate for district sweetheart, will be judged at a tea given in the

## GOLIAD Council Heads Are Appointed

By JILL RHYMES  
Goliad Student Council Committee Chairmen were appointed Wednesday by the sponsor, Mrs. Phyllis Burchfiel. Chairmen are Kathy Meek, publicity; James Lacy, social; Leigh Jones, school spirit and Pete Rhymes, school calendar.

It has been requested by the librarian, Mrs. Essie Person, that each student returning books to the library will check them in at the circulation desk and wait until his card is located and marked before he leaves. This will eliminate needless overdue notices.

From the cookie sale sponsored by the pep squad, enough money was raised to buy pom-poms for the entire pep squad. The pep squad will use the pom-poms in sequence drills.

Report cards will be handed out Wednesday of this week and should be signed by the parent before being returned promptly. The nine week reporting period ended Friday.

There is one new student this week. He is Jeff Kuykendall, an eighth grader, from Leveland, Texas.

## FORSAN FHA Trick Or Treat For UNICEF Thursday

By PATSY REED  
The FHA girls and their boy friends trick or treated for UNICEF Thursday night. They collected over \$70 for this worthwhile project. The profit of the homecoming dinner was over \$100. The freshmen sold ribbons this week for the game against Trent.

Lee Doyle Whetsel was named Lineman of the week and Leon Hobbs was announced back. They were recognized for their outstanding ability in Friday's pep rally.

The Buffalo Queens got off to a bad start this season with their second defeat of the season coming from the Sands Mustangs. The "B" team has one win and one loss. The Queens play their second home game with New Home at 7 Tuesday night. One of our starting guards, Janice Clanton, was

not able to play in last Tuesday night's game because of illness. The pep rally was held Friday, last period. Speeches were given by Steve Crane, Ricky Klahr, Van Barton, Tom Bill Kuykendall, and Coaches Don Stevens and George White.

The seniors got out of first period, Thursday morning, to go around Forsan taking snapshots for annual ads.

Forsan got a new student to begin this nine weeks. He is Mike Hagan from Coahoma. He started football last Monday. Mike previously attended Forsan.

The journalism class is making plans to publish their first newspaper for this year. Karen O'Dell was announced editor and Rodney Hammack announced assistant editor. The rest of the class were given special divisions in which they are responsible.

Mrs. Jan Stevens, pep squad sponsor, was picked as teacher of the week.

candidates' honor. The Band members are selling fire extinguishers to raise money for their annual spring tour. The fire extinguishers are \$2.95 and may be purchased from any band member or by calling the band hall at 267-7463.

The Key Club is selling quilted spectator bags at the football games. The local Kiwanis are sharing in this project.

Twelve members of the Key Club participated in the District 22 Meet held at Midland Lee High School. This was a training session for the benefit of local Key Club members.

On Saturday, twelve students involved in poetry, prose, persuasive and informative speaking attended the Snyder Invitation Tournament.

Students' winning awards were: Ginger Adams, first place in girls' poetry; Belinda Gonzales, second place in girls' prose; Elizabeth Lipscombe, third place in girls' poetry and Sammy Jones, third place in boys' informative speaking.

Ed Frazier reached the finals in boys' persuasive speaking and Billy Truette placed in the semi-finals in boys' prose.

The Court Jesters and Thespians, as a part of their annual membership drive, had a hayride Saturday.

The number of students trying out for the play, "Up the Down

Staircase" has been narrowed down to 45 students. The cast will be announced sometime this week.

## FORSAN JR. HIGH Council To Sell Half Of Pens

By BRENDA COWLEY  
At the Student Council meeting Thursday morning, it was decided that of the 300 pens ordered by the organization, 150 of them will be sold by the eighth grade only. The money that the eighth grade makes will be put into their treasury and kept for things that they will want and need as they enter high school. The other 150 pens will be sold by members of the Junior High Student Council.

At the last pep rally, the junior high twirlers, Becky Strickland and Debbie Cleavenger, did a twirling routine to the record "Honky Tonk Women." They also did this routine during half time at the game Thursday evening. During the pep rally, speeches were made by three of the football boys and Coach Adams and Coach Barnes.

## FLOWER GROVE FFA Honors FHA Club With Party And Games

By JACKIE CAVE  
The FFA Chapter honored the FHA Chapter members and dates with a party in the VA building on Friday, Oct. 24. Games were played and refreshments were served.

After refreshments, Danny Howard, Robert Lueb, and Fran Cruz entertained the group by playing guitars. Three albums were awarded as door prizes. They were won by Mrs. Clayton Carroll, Rita Priblyla, and Roger Farrington. Sponsors for the evening were Mr. and Mrs. Clayton Carroll and Mr. and Mrs. David Dunn.

The junior class is selling Christmas cards as a money making project for the purpose of honoring the senior class with a banquet in the spring.

Anyone desiring to purchase Christmas cards is asked to contact a member of the junior class.

A pep rally was held Thursday during sixth period to ignite team spirit for the Thursday night ball games at Fluvanna. Cheerleaders Charlotte Martin, Beth Holcomb, Judy Cave, Nancy Seely and Jackie Cave were in charge.

# "Angels In White"

The heart of a hospital is its nursing staff—those of the healing hands and sympathetic natures who make medicine more palatable and pain more bearable. In a small city, nurses soon come to know the heartaches and joys of its citizens. Whether "angels" in white, blue or gray, the Herald salutes Big Spring's nurses during Texas Nurses Week.

PHOTOS BY LYNNA KAY WEAVER

THE TEXAS NURSES Association, Constituent No. 24, has been active in Big Spring for over six years, fostering high standards of nursing practices and promoting professional and educational advancement of nurses. President of the

local group is Mrs. F. V. Clark, shown above, with Miss Bo Bowen. Other officers are Mrs. Naomi Koettner, vice president; Mrs. R. T. Winn, secretary-treasurer; and Mrs. James A. Lancaster, legislative chairman.

THE TEXAS ASSOCIATION of Careers in Health offers high school students a preview of what to expect if they choose to enter the nursing profession. The local club is supported jointly by the Texas Nurses Association and the Permian Basin Medical Society Auxiliary. Mrs. Perry Mathis, school nurse, serves as sponsor. Mrs. James H. Kreimeyer is Western Regional Health Chairman to the Women's Auxiliary of the Texas Medi-

cal Association and is in charge of all health career clubs in this program. A workshop is scheduled for the students Nov. 22 at Coronado High School in Lubbock. Shown are Peggy Grant, vice president, assisting Sharon Estes, secretary-treasurer, trying on a nurse's cap, and looking on are Gwen Sullivan, scrapbook chairman; Cynthia Stanley, ways and means chairman; and Betsy Campbell, president.

THE WEBB Air Force Base Hospital has a nursing staff composed of 16 military persons and one civilian, representing administration, anesthesia, operating room and general duty. They care for military members (active and retired) along with their civilian dependents. The Air Force Nurse Corps was formed in July, 1949, and there are 4,000 members on active duty now. Each must be

a graduate of an acceptable school of nursing and have current registration in any state. Here, Lt. Col. Lillian Parrish, chief nurse, discusses the day's duties with T. Sgt. Bill Irvin, left, NCO in charge of the medical-surgical nursing unit, and 1st Lt. Ellen Bigley, right, acting nurse in charge of the unit. At the files is Mrs. Carl Lepard, a nurse's assistant.

THE LICENSED Vocational Nurses Association, an affiliate of Texas Vocational Nurses Association, was organized here in 1951 and now has 35 members. The association unites those women who are licensed to practice vocational nursing, offering

seminars and educational programs pertaining to their profession. Some of the members, shown above, are Mrs. Fred Winn, treasurer; Mrs. Jack Cox, Mrs. Ollie Bransom, president; Mrs. Huey Rogers, first vice president; and Mrs. Harold Moser.

BIG SPRING, TEXAS, SUNDAY, NOVEMBER 2, 1969

# Miss Abreo Marries Sgt. Norberto Dasilva

MRS. NORBERTO R. DASILVA

Wedding vows were exchanged at 6 o'clock Saturday evening by Miss Hope Abreo and Sgt. Norberto R. Dasilva at La Fe Baptist Church with the Rev. Glenn Smith as officiant.

Traditional selections were played by the pianist, the Rev. Raul Solis, who sang, "Oh, Perfect Love." The altar was adorned with baskets of white gladioli flanked by tall candles in a holding-cathedral tapers.

The bride is the daughter of Mr. and Mrs. Sunday W. Abreo, 1106 S. Nolan, and parents of the bridegroom are Mr. and Mrs. Manuel R. Dasilva of Watsonville, Calif.

A cascade arrangement of feathered carnations and greenery was carried by the bride, who was attired in a formal gown of lace over taffeta. The gown was designed with a scalloped neckline on an Empire bodice, and long sleeves forming petal points over the hands. The skirt formed a slender silhouette, and her bouffant veil of silk illusion fell from a petal cap accented with crystal beads.

#### ATTENDANTS

Miss Irene Galan was maid of honor, and the matron of honor was Mrs. Edward Ramirez. Mrs. Tommy Soto was bridesmatron, and bridesmaids were Miss Noemi Galan, Miss Sylvia Galan, Miss Emma Polanco and Miss Mary Luevanos. They were attired in identical taffeta dresses, in various pastel colors, styled with bodices overlaid with chiffon. Each wore a rose cluster headpiece with brief veiling, matching her gown, and carried a nosegay of white carnations.

The best man was Sgt. Dennis Sanders of Mountain View, Calif., and ushers were Viron Hartin and Robert Rocha. The bride's niece, Connie Abreo, served as flower girl, and the ring bearer was her nephew, David Wayne Herrera. Alter tapers were lighted by Abel Galan and Alberta Acosta.

Sgt. Dasilva, a graduate of Watsonville High School, has just returned from Vietnam where he served with the Air Force. The couple will reside at his new station in South Dakota. The bride, a graduate of Big Spring High School, wore a three-piece orange knit suit for a wedding trip to Corpus Christi.

#### RECEPTION

A reception honoring the couple was held in the fellowship hall of the church where

Miss Mary Elizabeth Herrera registered the guests. Members of the house party were Mrs. Jimmy Abreo, Mrs. Conrado Acosta, Mrs. Frank Rocha, Mrs. Juan Polanco and Mrs. Roy Salame.

Attending from out of town were Mr. and Mrs. Noe Abreo, Lubbock; Mr. and Mrs. Gregg Charles and Mr. and Mrs. Arthur Hernandez, all of Fort Worth; Mrs. Juan Bueno, Fort Stockton; and Mrs. Tome Nunez, Del Rio.

The refreshment table, laid with a white lace cloth over satin, was appointed with crystal and silver and centered with an arrangement of white roses. The wedding cake was decorated with white satin bells and confection roses.

## Speakers Cite Dangers Of Addictive Drug Use

Sgt. John Scott and Detective Bill Lee of the Big Spring Police Department were guest speakers at Tuesday's dinner of the National Secretaries Association at Cosden Country Club. Mrs. Billy Mac Shepperd introduced the guests.

The speakers showed a film on LSD and spoke on dangerous drugs. They brought a display board showing all types of drugs, depressants and stimulants, noting that 95 percent of young people are "good citizens," and only five per cent

are involved in the use of drugs. Mrs. Jerry Callihan presided and introduced three guests, Mrs. Veta M. Reed, Mrs. Stan Bailou and Mrs. M. A. Long.

Mrs. Camille Patterson, education chairman, discussed the new technique manual for study and announced that the chapter will sell tote bags and zip code books.

Dr. Preston Harrison, superintendent at Big Spring State Hospital, will be guest speaker at the next meeting, Nov. 25, in the Blue Room at Cosden Country Club.

## Pointers Help When Sewing With Wool

By CATHERINE CRAWFORD  
COUNTY HD AGENT

Wool is one of the most luxurious fibers known to man. It is warm, absorbent, wrinkle resistant, and resilient. It can be molded and creased in almost any way the seamstress desires. In short, wool is a very desirable fabric with which to work. Success and a professional appearance can be easily achieved. Certain principles of construction and pressing are applied to wool.

**SEWING WITH WOOL.** Stitch length, pressure and tension are three things to adjust before beginning to sew on the garment itself. Use a double thickness of the fabric to do some practice stitching.

The stitch length will be determined by the weight of the fabric. A heavy felted coating needs a long stitch length, perhaps as long as eight stitches to the inch. A fine wool crepe would require a shorter stitch—maybe 12 to 14 stitches per inch. Stitch two scraps of the garment fabric together with a 1/4 inch seam. Press the seam open. The seam should lay open flatly. Stitches too short may cause the seam to roll. Stitches too long may interfere with the serviceability of the garment. The length of the stitch is very important because it can affect whether the seam puckers or lies smooth, looks homemade or professional.

The proper tension adjustment is of equal importance to proper stitch length. To get the proper tension, testing on a scrap of the garment fabric is necessary. A good way to test is to stitch on the bias through a double thickness of the material. Hold the line of stitching at either end and pull opposite corners. The thread that breaks

is too tight. Usually, necessary tension adjustment can be made by regulating the upper tension. If the upper thread breaks, loosen the upper tension. If the lower thread breaks, tighten the upper tension. Right is tight, left is loose.

Proper pressure on the feed dog is very important. The pressure may be regulated by the large screw on top of many machines, or a numbered disk on others. Too tight a pressure on lightweight fabric may leave imprint of the feed dog on the fabric. Pressure that is too light will allow the fabric to feed in a jerky manner, rather than feeding smoothly. A rule of thumb: heavier fabrics, the greater the pressure, lighter weight fabrics, the less the pressure.

After the stitch length, tension, and pressure have been properly adjusted, actual construction may take place with greater assurance of success.

**PRESS AS YOU GO.** Probably the most factor that contributes to the professional look in home sewn garments is the use of proper pressing techniques. Wool fabric requires special handling.

Wool, being an animal product, is highly sensitive to heat. The resiliency of wool is easily affected by using too much pressure. For best results, test a small scrap of fabric to determine the best temperature for the fabric.

Every seam, dart, and detail needs to be pressed before it is joined to another seam. Small pieces are easier to press and control than larger ones already joined together.

Wool is pressed on the wrong

## 'ROUND TOWN

By LUCILLE PICKLE

Getting a book written about a subject dear to her heart, write her own text without anybody doing the ghost work and also select the accompanying photographs... and the impressive publisher, that's success... that is if the book sells.

JAN DICKERSON whose parents are MR. and MRS. C. W. DICKERSON has just about wrapped up all the foregoing accomplishments. And her subject is horses. She hasn't settled upon a title for her book but it might come out as "Controlling Your Horse" or "Collecting Your Horse For Action." There seem to be a number of things to consider before the editors and the writer put the title on the cover. Miss Dickerson, who incidentally is a lieutenant colonel in the Woman's Army Corps Reserves, works for Blackfeather Farm, Stilwell, Kan. She has been a staff member of the Kansas City Star and does critiques for art shows and numerous book reviews.

Her real love is horses and her book deals with getting the most out of handling the horse and the rider. We have enjoyed some correspondence between the author and one of the editors for Doubleday and Company, Inc. The editor knows her editing but she doesn't know as much about horses as Miss Dickerson. The editor makes many suggestions on word usage but when it comes to being technical about horseflesh... take it from Jan. I secretly think she really talks to them.

MR. and MRS. WALTER ROSS have recently been in Columbia, Mo., to visit their daughter, Betty, who is a freshman at Stephens College. The visit took place during Stephens College Parents' Weekend, Oct. 24-26.

When BOBO HARDY was honored as one of Southwestern University's distinguished alumni recently, he had a couple of surprise well-wishers other than his parents, DR. and MRS. W. B. HARDY. CLYDE McMAHON and R. H. WEAVER, both of whom served as president of the YMCA when Bobo was the general secretary, flew down for the occasion. It was like old home week. Bobo and Betty, incidentally, are

flying to Puerto Rico for a meeting about midway in the month.

MR. and MRS. T. R. MORRIS were in Austin last weekend to visit the CHARLES MORRISSES and to see the Texas-Rice game. Later they went to San Antonio to visit their daughter, MRS. VIRGINIA POLO who is teaching school there.

MRS. CARL BENSON who lives no farther away than Midland was in the office the past weekend getting some announcement plans under way for son, Bennie, and his future bride.

MRS. A. S. WOODS has returned from a reunion at Blue Mountain College, Blue Mountain, Miss., and to visit many longtime friends. She left Big Spring early in October for Memphis, Tenn., to see members of her family. She then went on to Blue Mountain and after the reunion there she went to Tupelo and Shannon, Miss., where she lived about 20 years ago. She also spent some time in Pontopoc and Bruce, also in Mississippi. Mr. Woods spent his vacation time in Fort Worth with his two daughters, MRS. R. P. RAYERMANN and MRS. E. W. LOWRIMORE, and Mr. Lowrimore. Mrs. Woods flew back from Mississippi to Fort Worth to join him there for the trip back home.

MRS. JACK LITTLE and MISS CELIA FOWLER are due back about now from Seattle, Wash., where they have attended a meeting of the National Girl Scout Council. Miss Fowler is the field advisor for this region.

MR. and MRS. H. M. FITZHUGH are moving Monday to Lamesa to make their home. He will service the Federal Land Bank office here a couple times a week, or more if the demand warrants, and also work out of Lamesa in the area. The Stanton office has been phased out during the past year. The Fitzhughs have made their home here for the past 17 years since coming from Garden City where he was county agent. Their Lamesa address will be 2102 S. 5th St.

We're glad to hear that MRS. W. P. EDWARDS is doing well after surgery at Shannon Hospital in San Angelo... Never have gotten accustomed to her living away from Big Spring.

MRS. CECIL WASSON has recently sent correspondence from Lisbon, Portugal, a stop on her current tour... MRS. VIRGIL ALLEN, whose home is in Pryor, Okla., has been visiting her brother-in-law and sister, MR. and MRS. H. C. STIPP.

### Speaker Talks On Weight Control

"A slender figure is an attribute, but one has to be interested in her appearance to achieve it," said Mrs. Delaine Crawford, Howard County home demonstration agent, at Tuesday's meeting of the Center Point Home Demonstration Club. The group met in the home of Mrs. Jack Smith, 103 Wasson Drive.

Mrs. Crawford said that a low-calorie diet was the best way to lose weight, and the diet with 1200 calories daily was better than fad dieting or losing weight quickly.

Guests were introduced by Mrs. T. A. Melton, president, Mrs. Michael Culp and Mrs. Billy Green. Mrs. H. M. Haygood received the door prize. A drapery school was announced for 6:30 p.m., Nov. 21, in the HD agent's office. The public is invited to attend.

The next meeting will be a Thanksgiving luncheon at 11:30 a.m., Nov. 11, in Furr's Cafeteria.

### Bride-Elect Honored At Gift Party

Miss Geraldine Gaines, bride-elect of Garland J. Rudd, was honored with a gift party Thursday evening in the home of Mrs. Jerry Oliphant, 3302 Drexel.

Cohostesses were Mrs. C. W. Jones, Mrs. R. G. Adkins, Mrs. Francis Plowman, Mrs. Russell Kraus, Mrs. Reuben Hill, Mrs. Floyd Dixon, Mrs. Lena Macomber, Mrs. J. J. Willingham, Mrs. Lloyd Curry, Mrs. Dick Davis, Mrs. J. C. Thomas, Miss Jeanette Mansfield, Mrs. Tommy Nichols, Mrs. Bill Hanson and Mrs. George Holden.

The honoree was attired in a gold sheath dress accented with a white scarf and pin, and she was presented a white carnation corsage tied with blue ribbon. Her mother, Mrs. Edward Gaines of Coahoma, and her fiancé's mother, Mrs. Billy D. Rudd of Tarzan, assisted her in greeting guests. They were presented matching white corsages.

The refreshment table was laid with a white silk floor-length cloth and centered with a blue and white floral arrangement placed on a white pedestal and flanked by blue candles in silver holders. Crystal and silver appointments completed the setting.

The couple will marry Saturday evening in the East Fourth Baptist Church, with her fiancé's father, the Rev. Billy D. Rudd, formerly of Big Spring, performing the ceremony.

### 'Quotable Quotes'

By The Associated Press

Some quotable quotes from women during the week:

"There are no free moments. You get tired, but there is hardly anything a hot bath does not cure."—Prime Minister Indira Gandhi of India on a strenuous campaign tour of her country, in an interview.

"The plight of our elderly citizens is approaching a national calamity. The struggle to make both ends meet on woefully inadequate welfare and Social Security checks is really desperate."—Myrtle Williams, president of the National League of Senior Citizens.

"We made it."—Mrs. Richard Nixon after being stuck six minutes in an elevator at the dedication of the new Juilliard School at Lincoln Center for the Performing Arts in New York.

"He really likes me not to work. He likes to find me at home when he comes home. When he doesn't, he doesn't know quite what to do."—Mrs. Alan Jay Lerner who gave up a career in journalism to marry the composer.

"There should be no more restrictions on smoking marijuana than on smoking cigarettes or drinking beer... If I were young today, I'm sure I would be using marijuana."—Dr. Margaret Mead, anthropologist, testifying before a Senate subcommittee.

"I talked with the man up above—God. I know it helped. If I had given up hope and I had stopped praying for him, not only he would have been lost, but I would have."—Eula R. Harris after her missing GI son, Pfc Jesse Harris, was found alive in South Vietnam.

### Couple Announces Birth Of Daughter

Mr. and Mrs. Joe Earl (Dusty) Burnett, 1601 Eleventh Place, announce the birth of a daughter, Kimberly Kay, at 11:40 p.m., Oct. 30, at Hall-Bennett Memorial Hospital. The infant weighed six pounds and three ounces. Mrs. Burnett is the former Miss Cindy Jones, and her husband is serving in Vietnam. Maternal grandparents are Mr. and Mrs. J. D. Jones, 1601 Eleventh Place, and paternal grandparents are Dr. and Mrs. Earl Burnett of Temple.

### Explains Mending To HD Members

Mrs. Robert Brown spoke on "The Forgotten Art of Mending" at Tuesday's meeting of the Knott Home Demonstration Club in the home of Mrs. Joe Mac Gaskins. She demonstrated how to mend rips by hand and repair buttonholes. Two guests, Mrs. Arnold Manofsky and Mrs. J. E. Peugh, were welcomed. Members participated in the program.

### Girl Scout Conference Scheduled Thursday

The Girl Scout Association meeting will be held Thursday from 11 a.m. to 2 p.m., at Wesley United Methodist Church, 1206 Owens. Purpose of the meeting is to help troop leaders in the Big Spring area become better acquainted with the board of directors for the West Texas Girl Scout Council.

Members of the board from this area are Paul Meek, R. J. Ream, Mrs. W. D. Mason, and Mrs. J. Little, all of Big Spring, and Mrs. J. D. Poe of Stanton, program committee chairman for the council.

Mrs. Rene Brown, association chairman, is planning the event with the cooperation of Miss Celia Fowler, field advisor. The service units and their chairmen in Big Spring are Mrs. Rex Martin, Unit No. 33; Mrs. Tom Ivey, Unit No. 34; Mrs. C. E. Tate, Unit No. 35; Mrs. Robert Padden and assistant, Mrs. A. D. Brown, Unit No. 36; and Mrs. William Fryrear, Unit No. 38, located in Coahoma. There are approximately 600 Girl Scouts in this area.

Those attending the meeting are asked to bring holiday food and recipes for "tasting" and arts and crafts for display. The food will be sampled during the hospitality hour preceding the business meeting.

Plans for the business session include election of a new

**ENGAGED** — Mr. and Mrs. Bill Griffin, 1002 E. 14th, announce the engagement of their daughter, Lariece Ann Root, to Dana Lee Craven, son of The Rev. and Mrs. Claude N. Craven, 808 Birdwell. The couple plans to marry Dec. 13 in Trinity Baptist Church, with the father of the bridegroom officiating.

### Ruth Class Holds Halloween Party

WESTBROOK (SC) — Mrs. Johnny Shackelford gave the devotion, "Don't Leave A Stone Unturned," at Monday's party of the Ruth Sunday school class of First Baptist Church. The group met in the home of Mrs. Royce Moore.

Mrs. Hilton Parsons, president, worded the opening prayer. An offering was accepted for Buckner's Orphans home in Dallas and plans were made for a potluck supper to be held during November at the church.

The Halloween theme was carried out in the decorations and refreshments. The table was laid with an orange cloth and centered with a witch and cauldron arrangement.

# Wedding Solemnized In Methodist Church

Miss Kathryn Sue Fite became the bride of Phillip Mark Alexander Saturday evening in the First Methodist Church in Stephenville. The Rev. Warren Oliff officiated before an altar centered with an arrangement of yellow gladioli and babies' breath flanked by spiral candelabra holding yellow votive tapers.

Parents of the couple are Mr. and Mrs. Coy D. Fite, Nocona, and Mr. and Mrs. Jack Alexander, 707 W. 18th.

The bride was attired in a gown of candlelight taffeta motif fashioned with Empire bodice and long sleeves and accented with Alencon lace. Her chapel-length veil of illusion was highlighted by an array of tiny flowers, and she carried a cascade of yellow roses and white carnations.

Miss Sherri Alexander, sister of the bridegroom, was organist and accompanied Miss Kay Lynn Edwards when she sang "Til There Was You" and "True Love." Miss Holly Dean sang "The Lord's Prayer."

Miss Mary Newton was maid of honor, and Miss Dana South was bridesmaid. Both are of Clyde. They wore identical formal gowns of olive green velvet bodices with candlelight Avanti skirts. The dresses were designed with scooped necklines and fitted bodices. They carried colonial lace holders filled with bronze and yellow pompon chrysanthemums and babies' breath accented with olive green streamers.

Mike Alexander of Big Spring, brother of the bridegroom, was best man, and Jerry Logan was groomsmen. Ushers were Mike Thomas, College Station, and John McClesky.

**SCHOOLS**  
Both the bride and bridegroom will graduate in December from John Tarleton State College. She is a member of the DST Social Club, TTS Spirit organization and a member of the Student Senate, and is listed in Who's Who in American Colleges. The bridegroom is a graduate of New Mexico Military Institute and is a member of Alpha Phi Omega, Men's House Council and the Student Senate. He will be commissioned a second lieutenant in the United States Army on Dec. 21.

The couple left on a wedding trip to Fort Worth. For traveling, the bride chose a gold double knit dress with matching accessories and a corsage of

MRS. PHILLIP MARK ALEXANDER

yellow roses from her bridal bouquet.

**RECEPTION**  
A reception was held in the fellowship hall. The refreshment table was laid with a candlelight and linen cloth centered with an arrangement of yellow gladioli, and the tiered wedding cake was topped with satin wedding rings. Crystal and silver appointments completed the setting. Mrs. David Fite of Kermitt; Mrs. John Thomas of Denver City presided at the refreshment table.

Miss Carolyn Vincent of Breckenridge registered guests. Others in the house party were Miss Patti Lachele, Waco; Miss Jenny Williams, Georgetown; Miss Marcia Headrick, Sweetwater; and Miss Ann Couch, Seymour.

Out-of-town guests were Mrs. W. B. Lovelace of Kermitt and Mrs. R. L. Alexander of Spur, grandmothers of the bridegroom; Dr. and Mrs. C. E.

Fisher, Lubbock; Mrs. H. M. Lowe, Idalou; Mr. and Mrs. F. L. Wright and family, Fort Worth; Mr. and Mrs. H. E. Turrentine, Garland; Mr. and Mrs. Jerry Walker, Ringgold; David Fite, Kamay; Mr. and Mrs. John Thomas, Denver City; Max Alexander, Spur; Mr. and Mrs. Ben Cowling and children of Kermitt; Mrs. Ray Alexander and Mr. and Mrs. P. M. Nall, all of Mineral Wells; and Mrs. Don Alexander and Mrs. Ray Pinkerton, both of Decatur.

Mr. and Mrs. Alexander will make their home at 742 Long Street in Stephenville.

**REHEARSAL DINNER**  
Mr. and Mrs. Jack Alexander, parents of the bridegroom, were hosts for a rehearsal dinner Friday evening in the Tarleton Steak House. The bride's chosen colors of green and candlelight were used in the decorations, and the couple presented gifts to the attendants.

## Engagement Announced

Mrs. Thomas E. White of Haskell announces the engagement of her daughter, Linda Dell, of Big Spring, to Willard W. Newbern Jr., son of Mr. and Mrs. Willard W. Newbern Sr. of Elizabeth City, N.C.

The wedding will take place Jan. 3, 1970, at Berea Baptist Church, Big Spring.

The bride-elect is a 1966 graduate of Rule High School, and is now employed by Webb Air Force Base. The prospective bridegroom is a graduate of Elizabeth City High School and attended College of the Albemarle. He is presently serving with the United States Air Force at Webb AFB.

## Auxiliary Formed In Club House

STANTON (SC) — Mrs. Bob Cooley was named general chairman at the organizational meeting Tuesday of the Women's Auxiliary of the Martin County Country Club in the club house.

Other officers named were Mrs. Glen Linder, social chairman; Mrs. Fred Bowlin, ways and means chairman; and Mrs. Ronnie Gilbreath, publicity chairman.

During the planning session, Mrs. O. D. Snodgrass and Mrs. Bernard Houston announced they will give bridge pointers on the second and fourth Monday evening each month, with lessons to begin at 7 p.m.

Also, Charlie Burnett, golf pro for the club, will give golf lessons at 9 a.m. Saturday mornings. Private lessons can be arranged by calling Burnett at the club.

## Lees Club Views Candle Making

Mrs. W. T. Wells of Stanton presented the program on candle making at Tuesday's meeting of the Lees Home Demonstration Club in the home of Mrs. Bennie Blizard.

Mrs. Wells made several different types of candles and demonstrated the techniques used in making them.

Plans were made for Achievement Day to be held Nov. 11 in the First Methodist Church in Garden City. Following a salad luncheon, a program will be presented on makeup and wigs.

Mrs. James Eiland, Glasscock HD agent, was welcomed as a guest. The next meeting will be Nov. 17 in the home of Mrs. J. L. Overton.

## High Tallies Told In Duplicate Play

Six tables were in play Wednesday morning at the Big Spring Country Club. The chicken hawk games will continue through November. This play pairs up seasoned players with partners less experienced at duplicate bridge.

Winners in Wednesday's play were Mrs. Morris Rhodes, Mrs. Elmo Wasson, first; Mrs. Clarence Peters and Mrs. James Duncan, second; Mrs. Sam McComb and Mrs. J. H. Parks, third; Mrs. Joe Moss and Mrs. R. H. Weaver, fourth; and Mrs. J. D. Elliott and Mrs. L. B. Edwards, fifth.

Friday winners were Mrs. R. H. Weaver and Mrs. James Duncan, first; Mrs. J. D. Robertson and Mrs. John Stone, second; Mrs. Wasson and Mrs. E. O. Ellington, third; and Mrs. Fred Kasch and Mrs. Charles Tompkins tied for fourth and fifth place with Mrs. Elvis McCrary and Mrs. Ward Hall.

MRS. LARRY STEEN

## Couple United In Marriage

Miss Deborah Marie Gilmore and Larry Steen were united in marriage Thursday afternoon at 3:30 o'clock in the Webb Air Force Base Chapel. Chaplain John B. Darcy read the ceremony before an altar adorned with a large arrangement of white chrysanthemums.

Parents of the couple are S. Sgt. and Mrs. Paul E. Payne, 250-A Langley Drive, and Mr. and Mrs. Eillard Steen, Route One, Rowland, N.C.

Mrs. J. E. Settles, organist, played "Ave Maria" and "On This Day O Beautiful Mother."

The bride was attired in a formal gown of white satin designed with a fitted bodice, full voluminous skirt and long sleeves that formed petal points over the hands. Her veil of silk illusion fell to a chapel-length train, and she carried a cascade bouquet of white carnations.

Miss Debbie Stewart was maid of honor. She wore a bright blue formal gown with a full skirt and illusion panels down the back. She carried a variegated bouquet of blue flowers.

Larry Tubb was best man. Ushers were Danny Walling and Richard Walling. David L. Payne, brother of the bride, was ring bearer.

dal bouquet. The three-tiered wedding cake was decorated with pale blue roses and topped with a miniature bridal couple. Crystal and silver appointments completed the setting.

Mrs. Larry Tubb presided at the guest register, and Mrs. Donald R. Ham was a member of the house party.

The bride is a graduate of Big Spring High School and is employed as assistant manager at 7-11 Store No. 39. The bridegroom graduated from Rowland High School and is employed at Al's Barbecue.

The couple left on a wedding trip to Carlsbad, N.M. For traveling, the bride chose a two-piece gold suit with winter white accessories. She wore the white carnation corsage from her bouquet.

Harold Orndorf of Devils Lake, N.D., was an out-of-town guest.

Mr. and Mrs. Steen will make their home at 2105 Scurry.

### Host Costume Party

STANTON (SC) — The TOPS Scale Steppers are hosts for a Halloween party Tuesday evening in the Martin County Library. Mrs. Stanley Barnes won the prize for the "best costume," and games were played as entertainment. The group reported a total weight loss of over 12 pounds.

### RECEPTION

A reception was held in the NCO Open Mess at Webb Air Force Base. The refreshment table was laid with a white cloth and centered with the bride's bouquet.

# Cassandra Bridge Weds J. C. Pannell

Miss Cassandra Jene Bridge and John Clayton Pannell were married Saturday morning in the home of the bride's maternal grandparents, Mr. and Mrs. V. E. Phillips, Sterling City Route.

Parents of the couple are Mr. and Mrs. Ervin Bridge, Garden City Route, and Maj. and Mrs. Ernest E. Pannell, 2101 Morrison.

Performing the double ring ceremony was the Rev. W. H. Uhlman, pastor of the First Baptist Church at Stanton. The couple stood before an improvised altar accented with a large arrangement of gladioli and stock flanked by trees of greenery.

The bride was attired in a white crepe street-length dress fashioned on A-lines and belted with a bow at the back. The bodice was styled with mandarin collar and long, gathered sleeves, widely cuffed. The sleeves and front of the dress were appliqued with white satin and lace roses. Her shoulder-length veil of silk illusion fell from a headpiece of white organza bows and applied rose buds. She carried a Bible covered with lace-trimmed white crepe and topped with orchids and Frenched carnations showered with satin ribbon.

### ATENDANTS

Miss Bonnie Kennedy attended the bride as maid of honor, wearing a street-length dress of blue lace trimmed with satin. Her nosegay was of white Frenched carnations tied in matching satin.

Gary Winterhalter served as best man.

The couple was honored with a reception immediately after the wedding. Guests were registered by Miss Mandy Phillips of Plains, and those attending from out of town were Mrs. Addie Pannell of Lolata, grandmother of the bridegroom; Mr. and Mrs. Jimmie Renfrow of Brownfield, grandparents of the bride; and Mr. and Mrs. Gene Phillips and Brady, all of Plains.

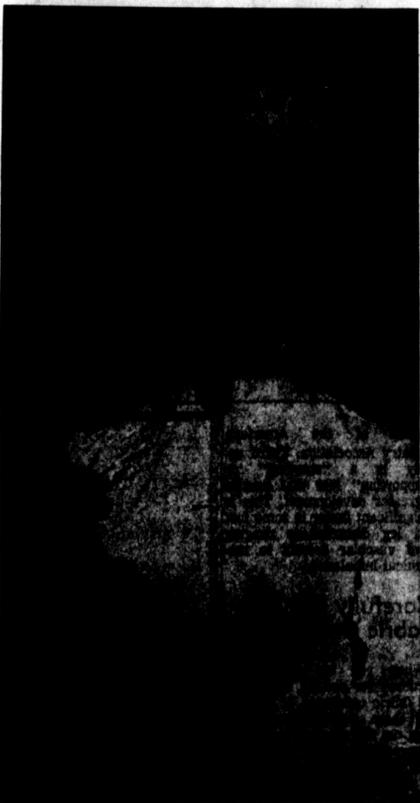

Refreshments were served from a table laid with a white linen cloth and centered with an arrangement of white carnations and snapdragons flanked by candelabra. The tiered cake was topped with a miniature bridal couple and heart silhouette of ruffled net.

The bride is a senior at Big Spring High School. Prior to this year, she attended school in Stanton where she was a member of the band, Future Teachers Association, Future Homemakers of America and the Lomax 4-H Club. The bridegroom graduated from Big Spring High School, where he was a member of the band, and is now employed by Harding Well Service in Coahoma.

### Long Coat Worn With Short Dress

Today's fashion note . . . it looks as if no change in hemline lengths for fall. Daytime and short cocktail dresses will still ride three to five inches above the knee. At the same time, several designers like the look of short day dresses or culottes with floor length coats, usually flared and belted.

MRS. JOHN CLAYTON PANNELL (Curley's Studio)

Ruidoso, N.M., the couple will reside at 805 E. 6th, Big Spring. For traveling, Mrs. Pannell chose a red wool dress with black accessories and wore the corsage from her bouquet.

### Girl Scouts Get Awards Thursday

Several girls of the Junior Girl Scout troop 205 received awards Thursday at their meeting at the Wesley Methodist Church.

Receiving the troop crest badge and the World Association pin were Suzanne Ellison, Julie Campbell, Valerie Anderson, Debbie Peirson, Judy Fletcher, Kim McElroy, Elizabeth King, Laura Tate, Becky Reagan, Sherry Williams, Dana Booker, Gay Wise, Deborah Brown, Karen Riley, Karen Caperton and Melinda Wasson.

Julie Campbell also received the housekeeper, drawing and painting, water fun, and sewing awards; Valerie Anderson, home and housekeeper; Judy Fletcher, back yard sun, active citizen, books, and troop camper; Kim McElroy, pets, troop camper and gypsy; and Deborah Brown, back yard sun, pets, observer and my camera.

The Halloween theme was used for the meeting, and refreshments were served. Mrs. Kris Brown is troop leader, and Miss Mamie Lee Dodds, Mrs. Dot McElroy, and Mrs. Estelle Anderson assist her.

### Webb Windsock

Wear your finest feathers and come to gab(ble) at the OWC Luncheon Thursday, sponsored by the ladies of D.C.O., with general chairman Mrs. Anderson Atkinson. The decorations, planned by Mrs. B. C. Taylor, Mrs. M. J. Rega, and Mrs. G. Hall, will be artistically draped with brightly colored scarves on the tables, and the central focus a draped screen fronted by a ladder with paint and brushes and general items related to home decorating. This theme ties in with the program on interior decorating, presented by Mr. Boswell Foy, Inc., Interior Decorators.

Speaking of palates, Mrs. R. W. Peterson and Mrs. Roland Speckman have planned a delicious traditional Thanksgiving menu of roast turkey with dressing, whipped potatoes and gravy, fresh vegetables, cranberry salad, hot rolls, and pumpkin tarts . . . some of us better starve for a couple of days beforehand!

Coffee and dessert were served in the home of Mrs. Paul Adams. This was for the Training Officers' wives and the class coordinators of the 3561st Pilot Training Squadron. The meeting was to acquaint new coordinators with coming year's activities. This was accomplished by discussion from some of the older coordinators present.

The D.C.M.'s monthly coffee was held in the home of Mrs. Ernest Perechlin. Homemade cream puffs and chocolate nut squares were served with coffee and tea.

### Mental Health Probed By Hospital Chaplain

"Emotional health and mental health are the same," said Chaplain Lee Butler of the Big Spring State Hospital, when he spoke on "Mental Health, What Is It?" during Tuesday's inter-base workshop of the Women of the Chapel at Webb Air Force Base. Guests were from Dyess and Goodfellow Air Force Bases.

"Everyone has emotions and values," said Chaplain Butler, "but normal, neurotic and psychotic people all react differently to them. The neurotic person observes life, not as it is, but as he would like it to be, or fears it will be."

"The psychotic person has lost touch with the real world and has moved partially into a world of his own making," said Chaplain Butler. "Often, the psychotic person has strange ideas and fantasies. Emotions are like automobiles, they can either carry you for-

ward or destroy you." "Most people want to be loved, but they realize that they must give and receive love, and they know that love is giving rather than holding," added Chaplain Butler. "The neurotic person must be assured of love at inappropriate times, or he suffers from feelings of insecurity or unworthiness. The psychotic person feels that people should love him because of his superiority and because

# Recite Nuptial Vows In Webb AFB Chapel

Nuptial vows were solemnized for Miss Barbara Ann Odum and Capt. William Alan Norton Saturday evening in the chapel at Webb Air Force Base. The altar was flanked with twin baskets of white chrysanthemums and lilies.

The bride is the daughter of Rev. and Mrs. R. P. Odum, Bay City, and the bridegroom is the son of Mr. and Mrs. W. N. Norton, Boone, Iowa. Rev. Odum officiated for the ceremony.

Mrs. William Martin, organist, played traditional wedding selections throughout the ceremony.

The bride was given in marriage by her uncle, Roger Ryman of Houston. She was attired in a gown of white peau de soie accented with Chantilly lace and seed pearls. The princess silhouette was created by a front panel of scalloped lace overlay to the hem of the gown. The scalloped lace pattern created a Sabrina neckline and extended down the top of the sheer lantern sleeves, cuffed with matching lace. The soft fullness at the back created a coachman train enhanced by a scalloped lace border. Her bouffant veil of tiered silk illusion fell from a caplet of pearl-lined peau de soie petals, and she carried a bouquet of white Frenched carnations centered with an orchid.

Mrs. D. A. Dodson of Houston, matron of honor, wore a formal green velvet gown designed with long sleeves and a scoop neckline. She carried a nosegay of gold chrysanthemums.

Capt. Steve Piszczek of Webb Air Force Base was best man. Ushers were 1st Lt. Phil Clark, Capt. Tom Tallon, 1st Lt. Tom Palmer and 1st Lt. Arthur Williams, all of Webb AFB. Swordsmen were Capt. Thaddeus Crooks, Lt. Phil Clark, Capt. Tom Ballasch, Capt. Robert Frerichs and Lt. Palmer, all of Webb AFB.

**RECEPTION**  
A reception was held in the Officer's Open Mess where the refreshment table was laid with a white cloth and centered with the bridal bouquet flanked by candelabra. The three-tiered wedding cake was decorated in confection flowers topped by wedding bells. Crystal and silver appointments completed the setting.

Miss Joyce Norton of Boone, Iowa, sister of the bridegroom, registered guests. Members of the house party were Miss Brenda Hough and Miss Cathy

MRS. WILLIAM ALAN NORTON  
(Frank Brandon Photography)

Hough, both of Houston; Mrs. Steve Piszczek and Mrs. Don Brown.

**SCHOOLS**  
The bride graduated with a BA degree in math from Houston Baptist College, where she was a member of the Honor Society. She is a teacher at Goliad Junior High School. The bridegroom graduated from Iowa State University with a BA in business. He is serving as an instructor pilot at Webb AFB.

The couple left on a wedding trip, and for traveling, the bride chose a pale aqua wool dress designed with large rounded collar and long cuffed sleeves. She wore the orchid corsage from her bridal bouquet.

Capt. and Mrs. Norton will be at home at 3801 Connally.

## Christmas Bazaar Set Saturday

Since early last spring, members of the Christian Women's Fellowship of the First Christian Church, have been working on items to sell at the Christmas bazaar slated from 10 a.m. until 8 p.m. Saturday. It will be held in the church at 911 Goliad St.

The "Holiday Haven" booth will feature different kinds of Christmas decorations and accessories, and the "Busy Fingers" booth will show hand knit and hand sewn articles, plus other handmade gift ideas.

The "Country Store" booth will be filled with home canned goods for women who don't preserve or can anymore. "Yesterday's Treasure" booth will perhaps have just the "treasure" or find of the season.

Food will be served from "The Heavenly Hash House," including coffee and doughnuts in the morning, and from noon, there will be homemade chili, pie, cake and coffee.

This will be a good time to start Christmas shopping early.

## Doctors Pick Chief Medical Advances

NEW YORK (AP) — Oral contraceptives, vaccines for measles, mumps and polio, and drugs used to treat patients with cancer, severe depression, gout, and fungal infections, have been unanimously chosen as "major" therapeutic advances" by leading doctors and medical professors.

The drugs are among 1,584 prescription drugs developed in the past 10 years. The list appeared in the Medical Letter, a non-profit professional publication that evaluates prescription drugs for doctors.

FIRST CHRISTIAN CHURCH BAZAAR — At left, Mrs. H. W. Smith, Mrs. Russell Hoover, Mrs. Curtis Driver, Mrs. Alberta Elam and Mrs. Cliff Nieland look over items to be on sale during the Christmas bazaar to be held Saturday.

## 'Strong' Foot Has Body Dominance

About 70 per cent of the population is right-handed but ever since man abandoned his foot as a grasping organ no one pays much attention to the dominance of the foot.

Podiatrist K. G. Bodine of Forest Hills, N.Y., pays particular attention to whether a patient is left- or right-footed. He watches to see whether one foot and leg is favored in walking up and down, turning, sliding, skiing, skating, soccer, gymnastics and other athletics.

Dominance has an influence upon the individual's manner of weight-bearing and weight distribution, he points out in the

journal of the American Podiatry Association. There usually is a "standing" or "supporting" foot that carries a greater development. This is a significant factor in some foot and leg disturbances ranging from vascular defects to mechanical imbalance.

## Carefully Cut Nap Fabric One Way

When you cut out cotton corduroy for sewing, don't fold the fabric crosswise. If you do, the same pattern piece will have the nap running up on one side and down on the other. Rub your hand across the corduroy to determine whether the nap runs up or down. It will feel smoother running down.

## Vinegar, Salt Will Clean Old Brass

To remove dirt and tarnish from old brass hardware, unscrew it from the furniture and brush-scrub it with salt and vinegar (mixed in a ceramic dish). Then wash it with soap or detergent suds, rinse and wipe dry. The next step is to oil the screws and re-attach brass to the furniture.

## Make Buttonholes

Press ovals of mending tape on right and wrong side of the fabric. Then stretch the material taut over a drinking glass and slit the width of the buttonhole with a razor blade. This makes a neat buttonhole in a jiffy.

## Lamesa Banquet Already Sold Out

LAMESA — The annual Chamber of Commerce banquet, this time marking 50 years of service to Lamesa, is all sold out.

Except for a few tickets which may result from last-minute cancellations, none is available, said Bart Burnett, chamber manager.

The occasion will be staged entirely by Lamesa people and will take the form of a musical review of five decades.

The banquet will begin at 7:30 p.m. in the high school cafeteria with J. D. Dyer Jr., retiring president, as master of ceremonies. The banquet also honors him and his slate of outgoing officers and directors: Beecher McCannless, vice president, and Charles Baldwin, treasurer; Bob Brown, Bill Weaver, Bob Crowley, Charles Bruton, Sam Stevens and Bobby Taylor, directors.

Assuming office will be Jim Norris, president; Art Bizzell, vice president; Bettye Ann Taylor, treasurer; Ray Renner, Jerry Bell, Elwood Freeman, John Hegi, Bob Capps, Charles Bratcher, Doyle Norris, Neale Ray, incoming directors.

The program, produced by Richard Crawley and Bob Crawley, will feature the music of the Symfunny, which also includes Jack Sanders, drums, Mrs. Lavoy Miller, pianist, and Sam Knepley, bass. Vocalists will be Mrs. Douglas Black, Mrs. Tom Conner, Donna Jo Alexander, Danny Hood and Oatus Roberts.

The vehicle will be the reminiscences of the old country editor (Walter Buckel, Lamesa Press-Reporter editor who wrote and will read the narration).

The cafeteria, chosen for

acoustics as well as space, is due to be filled with 320 people to help celebrate the incorporation of the chamber in 1919. It had its genesis two years earlier in an informal group, but after World War I, with the

great ranch empires breaking up into farms, Lamesa suddenly became one of the hottest spots on the West Texas map. Its young chamber led the way, and it is still seeking to maintain.

### LETTERS TO THE EDITOR

#### Soldier In Vietnam Gives His View Of Fighting

To The Editor:

I am a soldier who no one knows, yet I am part of a great Army that the American public is trying to destroy. I said, "American public, I should say the spoiled youth of our great nation. They expect everything to be handed to them on a silver platter without so much as a word of thanks. I will admit I, too, once thought in this line, but now that I have been in Vietnam for eight months, I have realized how good I had it."

I can see how much we have done to prevent communism from spreading any further. I'm proud to be a part of the armed forces here in Vietnam. We have done for this country in the past few years more than they would have been able to do in the next century. We are building a nation that had nothing to start with; now they have a working school system, hospitals, paved roads and a bright future. Previously, when a Vietnamese baby was born, it was a time for sadness; the time for happiness was when the baby of a man died, leaving hardships of the world behind.

The main thing that is bugging me is all the demonstra-

tions in our great nation. It makes me feel as though I have nothing to come back to but a nation of blood and crime. (Some of our) youth are like a herd of sheep, following a Communist leader to the slaughter. All their demonstrating is doing is getting a lot of guys killed. If they would just realize that in getting behind us and not in front of us, we could do our job and do it much more effectively, and we would be out of here much faster. As things stand now, the VC have pulled back and are waiting to see if the demonstrations will force Nixon to pull his forces out. If we do make that fatal mistake, we will have allowed one more nation to fall into Communist hands.

To tell the truth, I wouldn't want any of these hippies, yuppies and peace demonstrators behind me in a fire fight; I would never come out of it alive. I am getting sick and tired of hearing how terrible the GI is and how great the demonstrator is.

A long-time resident of Big Spring, Sp-4 Doug Carder, U.S. Army, Vietnam.

## Veterans Day Program Plans Are Announced

Robert (Jack) Cook, local businessman who flew the "hump" between India, Burma, and China for 14 months in World War II, will deliver the Veterans' Day address Nov. 11 in local ceremonies to be held in front of the Veterans Administration Hospital at 10:30 a.m.

The Big Spring High School band, under the direction of Bill Bradley, will present several musical selections at the ceremony, and a color guard from Webb AFB will raise the colors. Jack D. Powell, hospital director, will serve as master of ceremonies.

Also in the ceremony will be VA Hospital Chaplain A. G. Hicks who will lead the invocation; Carl Reynolds who will sing "America the Beautiful," and commanders of the American Legion, Veterans of Foreign Wars, and Disabled American Veterans and World War I Barracks who will retire the colors. Taps will be sounded following the traditional moment of silence honoring the nation's war dead, and the Rev. Robert Knutson, part-time chaplain at the Veterans Hospital, will lead the benediction.

Gold Star Mothers and their husbands will be honored guests at the ceremony and a reception, hosted by the American Legion Auxiliary and VA Hospital employees, will follow the program.

The featured speaker is a native of Big Spring who

graduated from Texas A&M University. Cook became a civilian flight instructor in 1940 and entered the Air Force in 1942. As a ferry pilot he flew combat aircraft direct from the

factory to points overseas. Cook flies his own airplane now and has been in the independent oil business since 1957. He is also a partner in the real estate firm of Cook and Talbot.

## State's Economy Is Cooling Off?

AUSTIN (AP)—The Bureau of Business Research sees some signs that the state's economy is cooling off "but nothing like the kind of glaciation necessary to halt the rapid advance of inflation."

Dr. Francis May, Business statistician at the University of Texas, said in the report Saturday that a mixture of increases and decreases of business activity in the state during the final quarter of 1969. No clear signal of a recession or a continuation of the rise is visible. Without stronger evidence of a recession the economy seems to be moving toward what will be, at worst, a leveling off in business activity.

May said tight money and high building costs mean the homebuilding industry will be one of the main weaknesses in the national and in the Texas economy.

"The outlook for that portion of the state's economy not directly related to residential con-

struction is uncertain but not recessionary. . . . It took several years for inflation to get its teeth into the economy. It will take several years of fiscal restraint to break inflation's grip," May said.

The report said business activity changes in 20 Texas cities for September and for nine months of 1969 included:

- Abilene up 12 per cent for the month and up 7 per cent for the year to date.
- Amarillo up 5 and up 2.
- Austin, up 14 and up 40.
- Beaumont up 6 and up 2.
- Corpus Christi up 11 and up 3.
- Corsicana up 38 and no change.
- Dallas up 21 and up 25.
- El Paso up 9 and up 12.
- Fort Worth up 20 and up 7.
- Galveston up 18 and down 3.
- Houston up 15 and up 12.
- Laredo down one and up 10.
- Lubbock up 2 and up 12.
- Port Arthur up one and up 6.
- San Angelo up 13 and up 7.
- San Antonio up 11 and up 7.

## \$30 Million Cotton Loss From Freeze And Rains?

LUBBOCK (AP)—A West Texas cotton expert says the Oct. 13 freeze coupled with heavy, continuing rains could cost High Plains cotton farmers more than \$30 million.

"If we hadn't had the rains after the freeze, we could have been harvesting quite a bit of our cotton," said Dr. Levon Ray, coordinator of cotton research for the Texas A&M Agriculture Center here.

"The rains have delayed the harvest two to three weeks."

wait and see. It appears possible losses could be as much as \$15 a bale.

The Plains area traditionally produces 40 to 75 per cent of the Texas cotton, and estimates indicate some 230,000 bales were lost to the early freeze.

For the purposes of explanation, Ray figured 200,000 bales at \$100 a bale would be a loss of \$20 million, adding:

"You're probably looking at another \$10 million to \$15 million loss in quality, so you're talking about at least a \$30 million loss from freeze and rains."

And this figure, he said, is probably conservative.

"We haven't attempted to consider the losses from cotton seed quality and other factors."

## Base Commissary Receives Award

Its first award in at least eight years was received by the Webb AFB commissary last week when Capt. Robert L. Barker Jr., chief of the commissary branch, received a certificate of achievement from the Air Force. Given for maintaining an outstanding commissary operation during fiscal year 1969, it means that Webb's commissary has been selected one of the top three in the Air Training Command.

Edwin G. Marion, ATC commissary officer, judged all commissaries in the areas of management finance, personnel, supply and service.

The 38-member Webb commissary staff is composed of five military and 33 civilians.

A revolutionary new color television system featuring...

**New Patented Chromacolor Picture Tube**  
with Zenith's patented black-surround principle, brings you a color TV picture more than 100% brighter than any previous giant-screen color TV. Here's how it works! Every giant-screen color picture tube is covered with tiny red, green, and blue dots that make up the color TV picture. Previously, they have been placed close together on a gray background. But now Zenith, in the patented Chromacolor picture tube, has made the dots smaller and surrounded them with jet-black. This Zenith patented black-surround principle—along with precision electron beam tracking and increased light-transmission tube face—bring you a brighter color picture, with greater definition and sharper detail than ever achieved in giant-screen color TV before Chromacolor.

**New Zenith Titan 90 Handcrafted Chassis**

## James Garner Plays Lead In 'How Sweet It Is'

James Garner, who stars in "How Sweet It Is!" opening Wednesday at the Jet Theatre, will tell you he considers himself one of the most fortunate actors alive.

The reason is quite simple. Garner is one of the leading leading-lady's men in Hollywood today.

"I've had more than my share of good luck drawing film assignments opposite beautiful women," he says. "When you make your show business start in a TV western, the chances are you breathe dust the rest of your life instead of perfume."

His current assignment, as a magazine photographer in "How

JAMES GARNER

Sweet It Is!" finds him starring opposite Debbie Reynolds.

"She was lovely to work with," says Garner. "There isn't anyone in the business who comes to a day's shooting better prepared. She always makes a point of letting her leading men set the pace — and that's the mark of a pro. Otherwise, the acting experience is the same as two people dancing together with both trying to do the leading."

In "Sayonara," Garner's first motion picture, he appeared with glamorous Nancy Kwan. His "lady" luck continued into "Cash McCall" where his female co-star was Natalie Wood.

"From there," says Garner with great relish to the subject at hand, "I did 'The Children's Hour' with Audrey Hepburn and Shirley Maclaine."

"Wheeler Dealers" saw Garner big-screen it with Lee Remick. "Americanization of Emily" paired him with Julie Andrews.

"I did 'The Thrill of It All' with Doris Day," says Garner. "She has a wonderful sense of humor and is a pure delight to work with. As a matter of fact, I went out of my way to do a second picture with her."

## Artists To Be In Lubbock

LUBBOCK — A nationally known cartoonist and the return of a Weatherford national prominence will share the spotlight when the Baker Collector Gallery of Lubbock opens its third "Meet the Artists" Exhibition with an in-person reception from 1:30-5 p.m. Sunday, Nov. 2, at 1801 18th Street.

The cartoonist is Jack Tippit, known for his syndicated panel "Amy" and for his free-lance gag cartooning for major magazines. He has twice received the top magazine cartoonist award from the National Cartoonists Society.

In this exhibit there will be approximately 50 original pen and ink drawings of a cross-section on the artist's work — covering "Amy," "Doctor Bill," "Mr. Chips" and many "collector items" cartoons from such magazines as Look, New Yorker and Saturday Evening Post.

The Weatherford artist is Ronald Thomason, whose works are frequently shown in the Baker Gallery and have recently been honored with a showing at the 100th birthday of Weatherford College. The artist has specialized in dramatic landscapes which have won top critical praise wherever they have been shown. He has only recently broadened his scope to include his first limited edition lithographs prepared and printed from a rare Boverian stone.

Both artists are native Texans. This will mark the first exhibition of Tippit's work in the Lubbock Gallery. The exhibit will continue through Nov. 28.

## Arkin As 'Popi' In Complex Role

Every Alan Arkin the movie-going public sees is different. In "Popi" he portrays his most unusual — and heartwarming — role. Opening in Color by DeLuxe Friday at the State Theatre "Popi" co-stars Rita Moreno and casts Arkin as a Puerto Rican widower desperately battling New York's hostile environment to provide a good life for his sons.

"It's a matter of identification," noted the actor — once an improvisational performer. "You imagine you have two kids you love dearly and these kids live with rats and garbage and dope-addicts in a ghetto and you can't get them out of it. How would you feel? What would you do? "Popi" is about what I did, as the father. It was a hard role to play," added Arkin. "Not because I couldn't identify with Rodriguez — but because I could!"

Celebrated on Broadway for roles in "Enter Laughing," and "Luv," Arkin made his screen debut as the timorous leader of a Russian submarine landing party in "The Russians Are Coming, The Russians Are Coming!" Starring roles in several movies followed, including that of a master criminal in "Wait Until Dark," opposite Audrey Hepburn; Shirley Maclaine's suitor in "Woman Times Seven," a police investigator in "Inspector Clouseau"; and a lonely deaf-

## Van Cleef Has New Thriller

Travel not only broadens one but it is also financially beneficial if actor Lee Van Cleef is any criterion. He can be seen in the action-packed western thriller "Day of Anger," opening at the Jet Theatre on Wednesday.

Seventeen years ago, Van Cleef earned \$500 a week as a villain in "High Noon" starring Gary Cooper. Approximately 50 movies later, the actor traveled to Italy where he refined his villainy and increased his value to \$400,000 per picture.

Italian director Sergio Leone talked him into going abroad which was just as well according to Van Cleef, who felt he was reaching a performing low point in Hollywood.

## THE ARTS Comedy In Odessa, Ballet In Lubbock

The Odessa College Fine Arts Players will give three performances of this Eskimo legend at Theatre Centre, on Thursday and Friday, at 4:30 p.m., and at 2:30 p.m. Saturday.

Adapted from an old Hudson Bay Eskimo folk tale, "The Ice Wolf" by Joanna Halpert Kraus, is a legend which takes place many years prior to the arrival of the white man (early 1600's).

Ed Graczyk, director of the Pickwick Players, will stage this tale.

Mrs. William D. Kennedy is the Junior League Theatre Committee Chairman. Box office will be open from 10 a.m. to 5 p.m. each day beginning Monday. Phone orders for reservations will be accepted at that time. All seats are reserved. Admission is 25 cents.

The deadline is Nov. 15 for writers and artists interested in applying for a fellowship to spend six months at Paisano, the late J. Frank Dobie's ranch near Austin. The Dobie-Paisano Project of The University of Texas at Austin permits an author or artist to devote himself to creative endeavors unhampered by the usual difficulties which surround such work.

The individual selected for a six-month residence at the ranch will move there Feb. 1, 1970. He will be supported by the \$3,000 Ralph A. Johnston Memorial Fellowship. Frank H. Wardlaw, chairman of the project's advisory board and director of the UT Press, said applications should be addressed to the Dobie-Paisano Project, Box 7819, University Station, Austin, Texas 78712.

A total of \$80,000 has been appropriated to the Texas Fine Arts Commission for the purpose of establishing a visual and performing arts "Touring Program" during the next two state fiscal years.

The Houston Ballet, which made its South Plains debut last Spring, will return to Lubbock for a second concert performance at 8:15 p.m. Nov. 7 in Municipal Auditorium under auspices of Texas Tech's Student Union.

Admission will be 50 cents for Tech students and \$1.50 for the general public. Tickets may be purchased in advance at Tech Union and also will be available at the door on performance night, according to Mona Reeves, chairman of the Union's Fine Arts Committee.

The 15-member repertory company is under the artistic direction of Russian-born Nina Popova who has danced with the Ballet Russe de Basle, the Ballet Russe de Monte Carlo and the American Ballet Theatre. Ballet master Michael Lland has performed with the Rio de Janeiro Ballet and the American Ballet Theatre, has taught at the Robert Joffrey Ballet Center and formerly was artistic director for the Ballet Clasico de Mexico.

The Pickwick Players, performing company of Midland Community Theatre School, will open its fall season Thursday with "The Ice Wolf."

### Artifacts In Rock Show

Two collections of Indian artifacts will be among the featured exhibits of the seventh annual Gem and Rock Show at the National Guard Armory, Midland, Nov. 8 from 9 a.m. to 8 p.m., and Nov. 9 from 10 a.m. to 7 p.m.

The Indian collections, belonging to J. B. Pogue and Tom Hollis, both of Fort Stockton, include arrow heads, fish hooks, spear points, drills and scrapers. Most were collected within the Permian Basin area.

Another special exhibit will be a case of unusual specimens from Sonora Caverns from Albert Martin. Martin will also display a collection of Mexican geodes.

Tickets are available from any member of the Midland Gem and Mineral Society, 50 cents for adults, 25 cents for students, or may be bought at the door, according to Marshall Keathley, show chairman.

## Sandburg Play To Be Staged Tuesday At Junior College

Chuck Mitchell will star in "The World of Carl Sandburg" Tuesday when the play gives a special performance in Big Spring. The quick-moving and delightful two-act play is both humorous and serious. It is filled with the verse of Sandburg interspersed with folk songs and dancing. The lively scenes are done by three performers with a touch of "Laugh In's" technique. The play is staged by the Globe of the Great Southwest.

Actor, singer, guitarist Mitchell has performed in the U.S. and Canada. He toured the country doing "In Search of Dylan" using Dylan Thomas' poetry. The tall, sturdy, sandy-haired actor even resembles a young Sandburg. Regarding Sandburg, he said, "I'm attracted to his poetry for the same reason I am attracted to that of Bertold Brecht. He is a people's poet." As for folk singing, he sums it simply, "I like it. It's my life."

Mitchell is a skilled coffee house and cabaret-style singer doing the Bertold Brecht-Kurt Well songs with a combination of delicacy and strength that brings to life their melancholy gaiety.

In "The World of Carl Sandburg" songs are based on Sand-

burg's poetry and his beliefs. Mitchell sings "John Henry," "Mr. Bojangle" and "Let's Get Together and Love One Another." As Mitchell sings and strums his guitar for "Let's Get Together," the audience is invited to join in singing and clapping. Other members of the mini-cast, Gilda Gant and Neil Howard, join the audience shaking hands and clapping.

The play maintains a personal, living room atmosphere during its performance. The staging and props are simple allowing more attention to be focused on the action. The props, three benches, flags and huge portrait of Sandburg match the mod red, white and blue costumes.

"Fog" . . . Tiptoeing in on tiny cat's feet, one of Sandburg's best-known poems, is done by Gilda Gant, a petite, long-haired blonde with a BFA degree in dancing. A fog is created around her by the lighting. She has just completed a season at Casa Manana, Fort Worth and teaches at Odessa College. At Casa Manana she performed in "The King and I," "South Pacific" and "Music Man." Completing the cast is Neil Howard, artist-in-residence at the Globe and the theatre's choreographer. He is a member of the faculty at the American Academy of Dramatic Arts, New York. His off-Broadway credits include "John Brown's Body," and "Gentlemen Prefer Blondes."

In the closing scene of the play Mitchell portrays Abraham Lincoln, his voice low and soft, touched with Lincoln's subtle wit. He ends by singing "America" to honor Sandburg who was intensely proud of his country.

The New York Times said of the play, "It is playful and serious, childlike and wise, common-place and fresh, homespun and poetic, distinctively American and daringly boundless . . ." Tickets for the 8 p.m. performance at Howard County Junior College are for sale at the door and at Zack's for \$2 for adults, and \$1 for students.

REV. CHARLES CORLEY

DAVID RAYLEY

## Missionary To Speak For Phillips Revival

Donald E. Railey, a southern Baptist missionary to Hong Kong, will be the featured speaker at a revival at Phillip's Memorial Baptist Church which starts Monday at 7 p.m., and will talk about his experiences with the underground church in China.

Rev. Charles Corley, new pastor at the church, said the revival will last through next Sunday with morning worship services at 10 a.m., starting Tuesday, and evening services at seven.

Railey is presently living in Houston, on leave until May due to a medical problem of one of his four children. In one of his sermons he will relate the story of how Communist agitators tried to disrupt his first service in a Philippine church and kill him. Railey was the first white missionary in the jungle village in eight years. When he returns to Hong Kong,

it will be as part of the All-Asia Crusade.

Rev. Corley came to Big Spring in August from a pastorage in Lyford. He and his wife, Lois Faye, have two children, Robert, 12, and Joy Nell, 11 months old.
