Social Security Increases Geared To Cost Of Living

WASHINGTON (AP) — Legislation to boost early and long-range increases in Social Security benefits—and taxes—has passed the House as a special Senate committee called for a major reform of the system to avoid sentencing retired persons to a twilight life of poverty.

The House passed the bill for a 5 per cent increase in benefits in 1971 with a provision for future increases geared to the cost of living.

The bill was sent to the Senate where considerable sentiment exists for further increases, a feeling bolstered by the annual

report released today by the Special Senate Committee on Aging.

NEAR POVERTY

The committee said despite recent hikes in Social Security benefits about 7 million of the 20 million Americans age 65 or over live in or near poverty.

The report recommended a substantial boost in the minimum individual payment, now \$64 a month, and further across-the-board increases.

The House-passed benefit increases mean that if 1971 pensioners would get a 5 per cent raise—from \$196 to \$205.80 for the average retired couple.

The wage base on which the Social Security tax is levied would increase from \$7,800 to \$9,000, meaning an increase in the maximum tax from \$374.40 to \$468, counting the increase already built into the law.

There are also better terms for widows, men retiring early and persons earning money after retirement.

The new cost of living provisions would be used first in 1973. Beginning the previous year, computations would be made on increases in consumer prices. If these amounted to as much as 3 per cent a year, benefits would be adjusted accordingly.

\$22,000 BASE

Computations would be made on wages, leading to increases in the taxable wage base, in units of \$600.

The House was told the effect might be a \$22,000 taxable base by 1990.

The House passed the bill for a 5 per cent 1971 benefit increase Thursday after surprising the sponsors by tacking on provision for future increases geared to the cost of living. An unusual combine of Republicans and liberal Democrats rolled up a 232 to 144 vote for the long-

range increases—which also involve continuing increases in the payroll tax.

There is considerable sentiment in the Senate for further

increases in benefits and also for tighter controls over the soaring cost of government-aided health programs like Medicare and Medicaid.

The Foreign Ministry said the

Tons Of Bombs Pop In Fishhook Area

SAIGON (AP) — The South Vietnamese military command said today that its forces will stay in Cambodia "as long as necessary" to destroy Vietnamese Communist forces and their sanctuaries and remove their threat to South Vietnam.

The announcement came in response to a question whether South Vietnamese troops would pull out of Cambodia by June 30, the deadline set by President Nixon for American troops to pull back to South Vietnam.

NO HURRY

A spokesman for the South Vietnamese command recalled earlier statements by President Nguyen Van Thieu and Vice President Nguyen Cao Ky that South Vietnamese troops would stay in Cambodia as long as necessary to complete their mission and that they had the ability to stay there alone.

The spokesman did not indicate whether this mission includes aiding the Cambodian government in its fight against the North Vietnamese and Viet Cong. But Ky said during a visit May 12 to Neak Luong, Cambodia: "The future depends on a

common plan with the Cambodians. If they really need our help we will stay here. We will stay until they feel they have the strength to fight the Viet Cong and the North Vietnamese by themselves. Only then will we go."

The announcement today clashed with predictions of some White House officials last weekend that South Vietnamese troops would withdraw from Cambodia around June 30. But debate was continuing within the Nixon administration over whether the Saigon regime should be pressured to pull back.

JOINT POLICY

Ambassador Ellsworth Bunker met for 90 minutes today with President Thieu. Spokesmen would not say what was discussed, but The New York Times reported from Washington that the Nixon administration had instructed Bunker and Gen. Creighton W. Abrams, commander of U.S. forces in Vietnam, to work out a joint pol-

icy of troop withdrawal with Thieu's government.

The South Vietnamese military command also disclosed that it now has 40,000 regular troops operating in Cambodia, the largest number it has acknowledged. They include elements from eight of South Vietnam's 12 regular infantry divisions.

The spokesman also reported that South Vietnamese marines and infantrymen had pushed to within three miles of Phnom Penh, the Cambodian capital, in recent operations.

Communists Want Brandt Over Brink

KASSEL, Germany (AP) — Chancellor Willy Brandt went Thursday to the brink of giving East Germany the full diplomatic recognition its Communist rulers want. But the Communists want him over the brink.

In the 20 points that the West German chancellor proposed to East German Premier Willi Stoph at their second meeting, Brandt offered the East Germans an official representation in Bonn. He made it clear he would not oppose United Nations membership for both Germany states if the Communists did not insist on full recognition.

Stoph, speaking for Communist party leader Walter Ulbricht, held out for full satisfaction of Ulbricht's demands.

No date was set for another meeting, indicating that both sides want at least a pause while they maintain "technical contacts."

What, then, has Brandt gotten out of his bid to ease the problems of Germany's division by better relations between the two German governments?

In the short run, he has gained enormous publicity, has awakened the hopes of the divided country, and has added some unexpected problems.

The East German people, cut off from the West entirely, look to Brandt's dramatic gesture as a ray of hope. Their warm welcome for him at the first meeting in Erfurt so disturbed the

letter to the Security Council stressed "the gravity of this crime perpetrated against innocent school children."

The Israeli raiders hit Port Safage, 250 miles southeast of Suez, and 87 miles south of Sharm el Sheikh, the nearest Israeli-held point on the Sinai Peninsula, a spokesman said.

All Israeli forces returned safely, he reported.

The spokesman gave no further details. Six days ago, Israeli warplanes sank an Egyptian destroyer and a missile boat in the Red Sea south of Safage. That attack was retaliation for the sinking of an Israeli fishing trawler by Egyptian missiles, the Israelis said.

The ambush of the bus and the killing or wounding of so many children was certain to touch off a public outcry in Israel for vengeance, and it was considered likely that the Israeli armed forces would retaliate with another major raid into southern Lebanon.

The Lebanese government announced that half an hour after the ambush Israeli artillery opened up on the Lebanese border towns of Bint Jbeil and Yaron near the site, killing one woman, and injuring two women and two children. The Lebanese said their artillery replied, and the duel was continuing three hours later.

A while later, the Lebanese said a third border settlement, Aitaroun, two miles from Bint Jbeil, was under fire and the toll had risen to four dead and more than 40 wounded.

In Amman, the Jordanian capital, the ultra-left Popular Front for the Liberation of Palestine-General Command claimed credit for the ambush on the school bus. It said three rockets hit the bus at close range, destroying it, and that Israeli troops who rushed to pursue the raiders ran into a minefield, suffering more casualties. It said that all the raiders returned safely to their bases.

The General Command is the small group that claimed to have sabotaged the Swissair jetliner that crashed Feb. 21 and then retracted the claim.

Apparently expecting an Israeli air attack, the Lebanese air force sent up Mirage jets over Beirut for protective patrols.

The U.N. Security Council on Tuesday night condemned Israel for a retaliatory sweep in southeast Lebanon May 11 in which the Israelis said they killed 30 Arab guerrillas and captured 15. But Israel told the council it would continue to retaliate, that guerrillas attacking in Israel could not find sanctuary in the neighboring Arab countries.

Arabs Kill 10 On School Bus

Lach Granted Venue Change

LUBBOCK (AP) — A Lubbock judge granted a change of venue today for the murder trial of a former Texas Tech University student, Benjamin Lach, 25.

Lach is charged with the 1967 slaying of a cleaning woman on the Tech campus.

Dist. Judge Howard Davison ordered the trial moved to Tarrant County (Fort Worth) Dist. Court No. 1 after Lach's lawyers argued that extensive news coverage of the case makes it impossible for their client to get a fair trial in Lubbock.

Lach is accused of killing Mrs. Sarah Alice Morgan, 54, with a scalpel and a hacksaw blade on the third floor of the Science Building at Texas Tech Dec. 4, 1967.

Authorities say she was killed after she apparently discovered a student seeking to steal examination papers.

After the slaying Lach was committed to the Rusk hospital for the criminally insane after a jury found him insane at the time of his murder trial. He will be tried again on the contention that he was sane at the time of the slaying.

'Rub Out Rubella'

"Rub out rubella" day is Sunday, and Jaycees are urging everyone who has a child between one and 10 to bring the child to Municipal Auditorium between noon and 6 p.m. for free inoculation.

Rubella, or German measles, is a relatively minor childhood disease, but it can cause birth defects in unborn children when contracted by a pregnant woman.

A nation-wide campaign is being conducted to forestall an expected epidemic of rubella in 1971. Members of the 5-Watters Club will be on hand at the Chamber of Commerce office Sunday to provide transportation to and from the auditorium for those who do not have a way to get to the auditorium.

26TH VICTIM OF TORNADO

LUBBOCK, Tex. (AP) — Mrs. Helen Alafa, 30, died in West Texas Hospital Thursday, the 26th victim of the May 11 tornado.

The 25th victim, an 88-year-old woman, died Wednesday night in a Lubbock hospital.

Alma Losing Her Punch

MIAMI (AP) — Still losing her punch, Tropical Storm Alma stalled 100 miles south of Cuba early today as her drenching rains continued to pound portions of the Caribbean.

Forecasters at the National Hurricane Center said Alma was "just barely of storm intensity." The storm's top winds were estimated at 40 miles an hour, and conditions were not favorable for intensification during the day.

Alma developed in the western Caribbean and became a hurricane late Wednesday — the second Atlantic storm to reach hurricane strength during the month of May in this century.

It began dropping strength Thursday, and at noon the Miami hurricane center demoted Alma to a tropical storm. By that time it had pounded Jamaica and the Cayman Islands with heavy rain and winds up to 60 m.p.h.

But a looping action by the storm saved Grand Cayman, a tiny British resort island, from taking the full force of Alma's hurricane winds.

Longview, Paris Post Census Gains

By The Associated Press

Henderson and Sulphur Springs are breaking into the ranks of 10,000-plus population cities, sparking the northeast corner of Texas to a modest increase, preliminary 1970 census figures show.

Longview and Paris posted gains of more than 10 per cent, offsetting losses in 12 of the 18 counties in the jurisdiction of district director Chuck Williams of the Longview census office.

Counties in the losing column probably can blame consolidation of small farming operations into big corporate ranches, and on the fact that fewer personnel are needed in oilfields, now largely pumping operations.

Industrialization and the creation in the past decade of new lake recreation areas, and the resultant surge in the building of lakefront cottages and resort development, figured in the increases, he said.

The largest city in the district, Longview, shot up from a 40,050 count in 1960 to an estimated 44,397.

The rise for Paris was from 20,977 in 1960 to 23,194 now.

Marshall was the only city in the over 10,000-population class to show a loss, from a record 23,846 in 1960 to a preliminary estimate of 22,651. This reflected a downward drift in Harrison County from 1960's 45,594 to the estimate of 44,097.

Texarkana does not fall in Williams' jurisdiction, but its county, Bowie, whose economy is based on forest industries and defense production, showed a robust gain, from 59,971 in 1960 to 67,151 now.

Williams said persons missed in the initial census can be counted by contacting his office. He stressed the figures today are subject to change before being made official.

Longview's Gregg County neighbor, Kilgore, apparently did not share in the county's marked rise from 69,436 a decade ago to 73,510.

Kilgore, an oil center and college town, was not included in Williams' list, which includes only cities over 10,000 population.

Nix Funds For 'Retaining' U.S. Forces In Cambodia

WASHINGTON (AP) — Four Senate sponsors of a proposal to curb U.S. activities in Cambodia have taken the initiative—without waiting for White House agreement—to broaden support and improve chances for a quick vote.

The proposed changes introduced late Thursday leave intact the substantive parts of the Cooper-Church amendment that would bar funds for "retaining" U.S. forces in Cambodia.

But they make clear the cutoff would only take effect after the June 30 date set by President Nixon for withdrawal of U.S. forces.

It also, they said, would be "in concert with the declared objectives of the President of the United States to avoid the involvement of the United States in Cambodia after July 1, 1970." The move was seen as an effort to force the White House,

which has been considering various Cooper-Church modifications, to either accept or reject the move by the amendment's sponsors.

Although Sens. John Sherman Cooper, R-I., and Sen. Frank Church, D-Idaho, expressed hope the change might pick up another half-dozen votes—they already claim 53—the White House opponents drop their intention of delaying any votes until after June 30.

The four sponsors of the measure are Cooper, Church, Sen. Mike Mansfield, D-Mont., and Sen. George D. Aiken, R-Vt. Mansfield is Senate majority leader.

As debate continued Thursday, Sen. Albert Gore, D-Tenn., charged President Nixon had told a group of veterans and retired officer group leaders of U.S. plans to attack Communist sanctuaries in Cambodia; two

days before he announced it to the nation and congressional leaders.

At the same time, the Tennessee Democrat was informed the move by the Senate by no less a personage" than Secretary of State William P. Rogers.

Gore's attack was based on a letter dated May 13 in which retired Adm. W. R. Smedberg III, president of the Retired Officers Association, told its members of the meeting with Nixon.

At the White House, press secretary Ronald L. Ziegler said Nixon mentioned the situation in Cambodia at the April 28 session with leaders of several patriotic groups.

While Nixon did not say he was sending troops into Cambodia, Ziegler said, it would be easy to make assumptions subsequently that he was referring to the attack announced on April 30.

CONSERVE SUPPLIES FOR CITIES

Water District May Cut Sales To Oil Companies

STANTON HONOR GRADUATES — Valedictorian of the senior class at Stanton High School is David Michael Workman (left), son of Mr. and Mrs. David Workman, and the salutatorian is Scotty Fisher, son of Drs. Allen and Sue Fisher. David has a four-year average of 97.2, and Scotty's average is 93.3. Commencement is set for 8 p.m. Saturday at the school auditorium.

In order to conserve supplies for cities, delivery of water from Lake J. B. Thomas to oil companies will be curtailed June 1 unless there is substantial runoff in the meantime. Municipal requirements will be met as usual, directors of the Colorado River Municipal Water district decided here Thursday.

The board took this precautionary step after reviewing the supply situation. O. H. Ivie, general manager, reported that Lake Thomas and Lake E. V. Spence together contain about 46,000 acre-feet (15 billion gallons) of water. In addition, the district has some 12,000,000 gallons per day ground water resources.

Directors also authorized the purchase of a high velocity, low-head pump to boost water in the lower basin of Lake Thomas up to the Big Spring-Odessa intake if necessary. This will make possible the recovery of most of the 29,500 acre-feet of water remaining in the lake. A similar operation, in use for several months, enables the district to make use of 16,500 acre-feet of water in Lake Spence.

If water pumped from Lake Thomas to oil companies is curtailed, this will not be by more than 50 per cent to avoid disruption of water flooding. This is important, Ivie said, because a complete cutoff might seriously impair oil production upon which the economic well-being of the area depends.

"Besides this," Ivie told the board, "I'm not so sure the average person realizes how

important the oil companies are to them in holding down water rates. Without the companies as customers, the average consumer might be paying 10 to 15 cents per thousand gallons more for his water."

The water-flooding units affected by the projected curtailment are SACROC, Sharon Ridge and Monsanto, all in Scurry County. Other companies were not affected immediately because they draw primarily on low-quality water from the diversion works above Colorado City.

Reduction of deliveries from Lake Thomas to oil companies will cost the district about \$20,000 per month in revenues, the general manager estimated.

Negotiations were authorized with SACROC for development of brackish ground water supplies in the amount of 2,500,000 gallons per day. This amount of water would keep the waterflood unit "alive" if the brackish water became the sole source of water available to the unit. If plenty of water becomes available, SACROC may want as much as 10 1/2 million gallons a day, including the brackish water, Ivie declared.

Also authorized were improvements to the Moss Creek Lake facilities 10 miles southeast of Big Spring at a cost of over half a million dollars. Involved first will be the construction of a new spillway and later the strengthening and raising of the dam by 10 feet. This will provide 1,700 acre-feet additional storage of Lake Spence water in the Moss Creek reservoir where it can be pumped most economically into the main delivery system. The proposal will also involve seeking an amendment of the water permit for Moss Creek Lake.

With completion of a \$34,500,000 expansion program, the board instructed its insurance committee to re-examine the amount and types of coverage as well as premium costs.

Hardesty Attends YMCA Meeting

Frank Hardesty, president of the Big Spring YMCA, is one of three delegates representing West Texas at the meeting of

the national Council of YMCAs in Pittsburgh, Pa., this week. Other representatives are from San Angelo and El Paso, and they, with Hardesty, are part of the Southwest Region delegation. The national council meeting concludes Sunday.

Burst Causes Flooding In Sections Of Houston

By The Associated Press

Water flowed three feet deep in some streets and lapped into a number of shops and homes as a four-inch deluge descended late Thursday in parts of Houston.

Bristling thunderstorms and high winds assailed other points in Southeast Texas. The wind hit 69 miles per hour at the Jefferson County airport between Beaumont and Port Arthur, where the rain measured 1.34 inches.

Houston's west and south sides were hardest hit by the cloud-burst. Homes were flooded in the Sunnyside section of South Houston and high water stranded about 50 pupils and teachers for a time at the James H. Law

Elementary School. Mrs. Peter F. Elsas, one of the victims, said, "It was grim. The water came into my dining room and kitchen."

A Houston Lighting & Power Co. spokesman estimated 850 to 1,200 homes were left without electricity temporarily after lightning struck transformers.

More showers fell this morning from around Alice and Freeport in South Texas northward to around Tyler, and in areas embracing Greenville, Paris, Mount Pleasant, Waxahachie, Temple, Austin and Huntsville.

Top temperatures Thursday afternoon ranged from the 80s into the 90s, going as high as 95 degrees at El Paso on the west tip of the state.

Anti-War Groups To Picket Agnew

HOUSTON (AP) — Vice President Spiro T. Agnew arrives in Houston today to address a \$500-a-plate Republican fund raising dinner and spokesmen for several anti-war groups say they will be on hand for his appearance.

The first item on the vice president's schedule is a reception for ticket holders to the dinner at 7 p.m. in the Shamrock Hilton hotel. The dinner is scheduled one hour later and Agnew is to speak about 9 p.m.

Spokesmen for most of all Houston's antiwar groups have said they will be on hand to demonstrate on the sidewalk in front of the hotel to voice disapproval of the Vietnam war.

Secret Service agents and some 125 Houston city policemen are expected to keep a watch on the demonstrators.

Agnew's appearance at the dinner is expected to draw about 550 GOP members. Sen. John G. Tower, R-Tex., state GOP Chairman Steger of Tyler and National Committeeman Peter O'Donnell of Dallas, gubernatorial candidate Paul Eggers of Wichita Falls and Byron Fullerton, GOP candidate for lieutenant governor.

Bush is campaigning for the U.S. Senate against fellow Houstonian Lloyd Bentsen Jr., a Democrat who beat incumbent Sen. Ralph Yarborough in the May 2 Democratic primary.

Agnew plans to remain in Houston through Sunday when he will address the 10th International Cancer Congress, the only Saturday activity announced for the vice president is a meeting at the hotel with party officials.

Mrs. Agnew will meet with wives of Republican contributors and members of the news media at a reception Saturday morning.

Groups which have indicated they will be on hand at the hotel to protest when Agnew speaks include the Mexican-American Youth Organization (MAYO), the Committee to End the War from Houston, the University of Houston, Rice University and Texas Southern University. Clergy for Peace, about 15 Houston area clergymen opposing the war, also planned to be present.

Some of the demonstrators said they plan "to go everywhere the vice president goes."

Robert Ulmer, regional director for the conservative young Americans for Freedom, said a few members of the group might show up "to wave a few flags." YAF supports the Nixon administration's Vietnam and Cambodia policies.

Mutilation Charges Fly

DALLAS (AP) — Dallas County Medical Examiner Charles Petty says the controversy over alleged mutilation of bodies by his office has erupted because "laymen are involving themselves in technical procedures they know nothing about."

A group of funeral directors told county commissioners Wednesday that medical examiners are mutilating bodies while performing autopsies and of delaying release of bodies by closing the office on weekends.

Petty was not invited to a special hearing before the county commissioners, because County Judge Lew Sterrett said he wanted "to hear what these folks (funeral directors) have to say about the medical examiner's office."

Petty said Thursday he "should have been allowed to face my accusers" and said the accusation that he closed the office on weekends was an "overt lie."

Petty said he personally performed six autopsies Saturday as did one of his assistants. He said he sees little need for an around-the-clock system.

Dr. C.L. Hamilton, president of the Dallas County Medical Society, said two pathologists will investigate the mutilation charges.

Dear Abby

DEAR ABBY: How do I get rid of a guy I love very much but can't marry?

I am 25, single, and a Roman Catholic. The man I love is 34, Lutheran, divorced, and has two children. There is no way I can marry this man, but he won't leave me alone.

We have broken up at least a dozen times, but we always go back together again. The last time we broke up I told him to please leave me alone because I had to get him out of my system. Well, he moved into my apartment building, so now we see each other more than ever. I love him, but I won't give up my religion for him and I can't marry him. What should I do?

HELEN: You know what to do, what you need is the strength to DO it. A hopeless "love" should be treated as any other addiction. Quit "cold turkey." And talk turkey to that foxy Romeo who's not making it any easier for you.

DEAR ABBY: Three of us ride to work and back every day with a fellow worker I'll call "Muriel." Muriel is a widow and she proposed the arrangement to help pay for her car. It seemed a good deal for all of us, so we agreed. We pay her promptly every week. And very well!

Our problem is Muriel shops all the way home! At the end of the day we all want to get home to start supper, but she delays us daily from half an hour to an hour while she leisurely shops for this and that. If she would pick up an item or two once in a while, we wouldn't mind, but she takes her sweet time, pinching, poking, and studding each item while we sit outside in the car fuming.

We don't like to find other means of transportation, but if Muriel doesn't see this in your column and wise up — that's exactly what we intend to do.

ULCERS IN MEMPHIS: Since the driver is well paid, you have a legitimate gripe, so quit fuming and tell Muriel what's eating you.

DEAR ABBY: My family rents an apartment in the same building where an unmarried girl resides. This girl has male callers at all hours of the night, every night. The resident manager says he

cannot take any action unless he receives a letter stating the activities of this angelic young thing.

I am hesitant to write such a letter because it could be legally sticky. Why should our family have to move? Please guide me as to how this female can be evicted sans expense to us.

DEAR INDY: In order to "evict" her, you will have to state your reasons (which, in this case, would be a reflection on her moral character). If she is a swinging amateur with lots of friends, she has as much right to live in that building as your family. And if she's a "professional" (as you suggest), you'd better be prepared to prove it, or you could have a lawsuit on YOUR hands.

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box 69700, Los Angeles, Calif. 90069. For a personal reply enclose stamped, addressed envelope.

Twister Ruins Shock Smith

LUBBOCK (AP) — Gov. Preston Smith said Thursday he was shocked at the damage from the tornado which leveled an eight square-mile section of his hometown.

Smith, who just returned from a vacation trip to Europe, said "the devastation is beyond the realm of imagination." "I want to express my appreciation to the local officials who have functioned so well in this emergency and to the federal agencies which have worked so well to help in every way," he said.

Smith pledged the continued aid of his office and said he had been assured that "everything on the federal level will be done as rapidly as possible."

Earlier Thursday Assistant Secretary Lawrence M. Cox of the U.S. Dept. of Housing and Urban Development made a helicopter survey of the damage in Lubbock.

Cox said the 600 displaced families now living in government-owned free housing will be allowed to remain after the initial three-month period.

Three Vets Are Honored

Three young Army veterans, two of them brothers, were honored at a Thursday luncheon by the Kiwanis.

The men are Douglas and Patrick Smith and Jimmy Skelton. Mayor Arnold Marshall presented them with framed letters as part of the Mayor's Veterans' Recognition program.

Douglas and Patrick Smith are the sons of Mr. and Mrs. Robert L. Smith, 1102 E. 15th. Doug spent two years in the Army, served in Vietnam and was awarded the Purple Heart, Bronze Star and Air Medal. Pat was given a medical discharge after 10 months with the Army. Both men are looking for jobs.

Skelton was a helicopter gunner and received the God and Country Medal, Army Commendation medal, Purple Heart and Flight Medal. He lives at 1602 Stadium and attended Big Spring High School and Howard County Junior College. He is employed by the Holiday Inn.

Son Of Officer Killed By Oswald Hit By Suit

DALLAS (AP) — Charles Allen Tippit, 20, son of a policeman killed in action in the aftermath of the assassination of President John Kennedy, has been named in a \$100,000 damage suit stemming from an aggravated assault conviction last November.

Tippit is the son of officer J. D. Tippit who was killed by Lee Harvey Oswald following the assassination of Kennedy in Dallas in 1963. The Warren Commission said Oswald fired the rifle that killed the president.

Tippit was convicted in a jury trial in the Dec. 21, 1968, aggravated assault on Marilyn Smith Weaver, 30.

Mrs. Weaver filed a suit in Judge Charles E. Long's court for exemplary damages of \$100,000 in addition to medical costs as a result of the attack.

Tippit received a two-year probation sentence and a \$1,000 fine from the conviction.

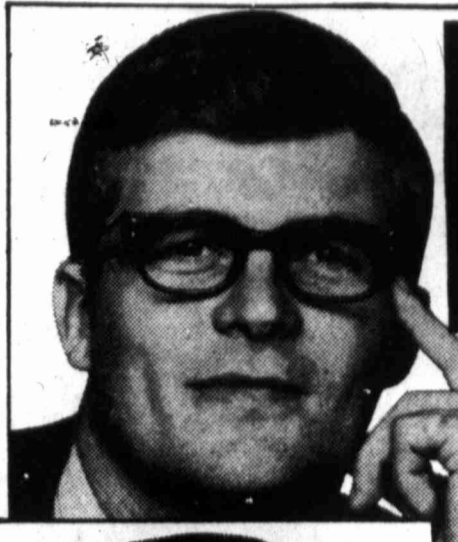

Mrs. Weaver, mother of three, said she suffered a broken nose in the assault and claims \$1,537.33 damages for medical expenses and related loss of income.

Her most recent suit says she has been "caused to seek counseling with a psychologist" as a result of the attack by Tippit. Tippit has not filed an answer to the suit.

London Diocese Is Mission Field

LONDON (AP) — A plan for dividing the Church of England diocese of London into four virtually autonomous areas under suffragan bishops has been approved in principle on the proposition of Bishop Robert Stopford of London.

"The diocese of London must be seen as a mission field," says Dr. Stopford. "Out of our total population (in the diocese) of nearly four million people, 110,500 are sufficiently committed as members of the Church of England to be on the electoral rolls of parishes. That is the measure of our missionary task." South London is covered by the separate diocese of Southwark.

22 MAY 22

WILD, WILD, WILD — Here are three new Giorgio di Sant'Angelo creations, based on Eskimo, Inca, Aztec and Maya influences, from his fall collection. Left to right: a T-shaped wrap in striped wool over matching skirt; a suede outfit with animal tails and feather headdress and a ribbon dress with intricate patterns.

Hints From Heloise

Dear Heloise:

When selecting a new set of dishes, I would like to offer this advice:

A set of dishes may look beautiful in the store but before you decide on a certain pattern be sure you visualize how food would look on it . . . or in it . . . Consider how coffee would look in the cup (with cream or without), imagine a green vegetable or meat on the plate, or how about a fried egg?

You may think this is ridiculous, but it really does make a difference — and really should be considered as well as if the pattern is compatible with your decor, or if you just happen to like that particular pattern.

I think you will enjoy your new set of dishes much more if you will give this a little thought before buying . . . A Heloiseite

True, true, true! A new set of dishes isn't something we buy every year or so. Most of us, after we have bought a new set, plan to live with them for some time to come so it's really important that we are happy

with our choice . . . Heloise

Dear Heloise:

I have always had a problem with the foliage from bulbs after they have finished blooming. I know it should not be cut off until it has died in order to produce a better bulb for the coming year.

My husband had a very good idea. He cut off two ends of a wire coat hanger, about six to eight inches. These pieces make a very strong "V"-shaped metal piece to hold down these stems and leaves. I twisted the foliage and folded it under, then pinned down with these pieces of the coat hanger. Only one is necessary to each plant and they really stay in the ground.

This makes a neat bundle that can be easily trimmed off when the foliage has died. These wires can be removed and saved for next year. The planting of annuals near these bulbs will completely hide the

foliage until it is ready to be cut . . . Mrs. H. E. Miller

Dear Heloise:

I was cleaning my cabinet and noticed that there was a jar of broken peppermint sticks and that all the pieces had stuck together.

I filled the jar almost to the top with hot water to loosen the candy.

Lo and behold, in an hour or so I had a bright pink peppermint syrup.

Our family loves it on ice cream.

I haven't revealed my secret to them. They think it's one of the new products on the market that I just happened to come across. . . . Alice Taylor

Dear Heloise:

It is a real good idea to carry a wide rubber band in your pocket-book because it really comes in handy when you are thumbing through pattern books.

All you have to do is wrap this rubber band loosely around your "turning finger" and you can scan those pattern books in no time at all . . . Ardent Reader

Dear Heloise:

When my stretch-strap bras wear out, I save the straps.

They come in real handy when I make my little boy's pajamas. I use the straps as elastic in the pajama bottoms.

Sure helps stretch the budget . . . Rosalee Titonour

(Write Heloise in care of the Big Spring Herald.)

HD Group Tours Garment Factory

The Jeanne Dress Factory in Colorado City was toured Wednesday morning by members of the Coahoma Home Demonstration Club.

The women watched production in various stages, viewing the machines, pressing and finishing rooms. The firm employs approximately 90 women as seamstresses, producing women's garments in various fabrics. The factory is in the process now of making fall clothing.

Joining the tour were two guests of the club, Mrs. Elmer Lay and Mrs. W. Britton.

League Members Going To Camp

Ladies Home League members completed preparations for the annual LHL camp meeting in Midlothian this weekend during their meeting Wednesday at the Salvation Army Citadel. They made table decorations, small log planters filled with flowers. A dozen members are leaving today for the League taking with them handmade items to sell in the camp's "Country Store." Proceeds go to an orphanage in Mexico.

Monday Last Day For Day Camp Registration

With only three days remaining to register for summer day camp, Mrs. Bill Fryrear is urging all area girls to get their registrations in — so they won't be left out of summertime fun. Although the camp is sponsored and directed by Girl Scout leaders, it is open to all girls between the second and 12th grades, regardless of whether they are registered Girl Scouts.

Girls who are not in Scouting can attend the camp for a fee of \$3.50, while the charge to members is \$3. Registration deadline is Monday. Any girl

or parent who is interested is urged to call Mrs. Fryrear at 391-5517, or Mrs. Dale Young, 391-5534.

The camp will be held June 8-12 at the site of the old Seven Wells south of Big Spring. It will be called "Camp Flintstone," and hours will be from 8 a.m. to 2 p.m. The campers set up temporary outdoor homes and enjoy many camping activities.

Orientation Held For Red Cross Volunteers

A coffee, followed by an orientation course, was held Thursday morning at the Veterans Administration Hospital for Red Cross Volunteers with Mrs. Neil Norred and Mrs. James F. Finfinger serving as hostesses. Mrs. Norred is the VA representative to the Red Cross, and Mrs. Finfinger is deputy.

The coffee table was laid with white linen and centered with an arrangement of red roses. Appointments were white milk glass.

The orientation featured a film, "Symbol of Humanity," and a tape recording by Tom Hawk, director of public relations for the Tarrant County chapter, describing the origin

and structure of the Red Cross. Twenty-three called during the coffee, 12 of whom remained for the orientation.

Guests were Jack Powell, hospital director; Mrs. Elizabeth Anderson, chief of nursing service; Mrs. Tom Allen, Red Cross executive secretary; Mrs. J. K. Cunningham, volunteer coordinator; Mrs. N. E. Roll, volunteer chairman for the Howard-Glasscock counties chapter; C. E. McDonnell, chief of medical administration service; and R. W. Water, assistant.

Women who completed the orientation will be serving at either the VA Hospital or the Webb Air Force Base Hospital.

Danish Student Pilot Discusses Homeland

Air Cadet Mogens Skyggelund, a Danish student in pilot training at Webb AFB, spoke to the round-table group of the Women's Missionary Society, First Baptist Church, Tuesday. Mrs. Lester Morton, 701 Capri, was hostess. Cadet Skyggelund, who was accompanied by Capt. Harry Brooks, of the Webb Foreign Training Office, is here under the auspices of the Military Assistance Program.

From Odense, Denmark, the home of Hans Christian Andersen, famed storyteller, Cadet Skyggelund discussed his homeland, its customs, culture, scenery, educational programs, government and religions. Although Denmark has a king, Cadet Skyggelund said he is only a figurehead. The country is governed by the parliament which is comprised of representatives from each county.

The country is no larger than West Virginia, he said. Taxes are much higher in Denmark than in the United States. Also, the average automobile in Denmark costs about \$10,000 as compared to a \$3,000 American car. Gasoline there costs \$1 a gallon.

The country has several major industries. Two large exports are Danish furniture and pork products. Young people in his country prefer listening to American rock and roll records, and they see many American movies. Washington, D.C., is similar in appearance to the cities of Denmark, he said. The talk was illustrated with pictures.

A piano recital will be given by the students of Mrs. H. M. Jarratt Saturday in Howard County Junior College Auditorium beginning at 7 p.m. Performing will be Carol Ann Adams, Paula Sue Adams, Laura Allen, Tanga Cain, Tod Conroy, Vicki Findley, Verna Lynn Gamble, Shelley Greer, Brenda Harland, Keila Hill, Shauna Hill, Judy Howell, Katherine Howell, Lea Lewis, Patsy Lewis, Jol Love, Kathy Mason, Joy Linn Murphy, Suzanne Orr, Kevin Penner, Karen Pierce, Hugh Porter, Jana Porter, Nancy Porter and Carol Puckett.

Also, Frankie Radcliff, Rhonda Rhotan, Roanne Riley, Robbi Rogers, Cindy Russell, Kathy Russell, Elizabeth Swindell, Lisa Warren, Mike Warren, Elaine Webb and Debbie Wiggins. Students of Shelly Greer to play are Glenn Smith and Dawn Dunnahoo. Shelly will move to Germany with her parents and plans to study at the University of Munich.

Tanyu Sterling is a student of Elaine Webb. Elaine is the recipient of a piano scholarship from HCJC for next fall.

High Scorers At Bridge Session

Mrs. J. G. Parks and Mrs. Travis Reed placed first in duplicate bridge games held Wednesday at Big Spring Country Club. Mrs. Ward Hall and Mrs. D. A. Brazel came in second, and Mrs. Mike Craddock and Mrs. Morris Rhodes tied for third and fourth places with Mrs. Dorothy Herbert and Mrs. R. W. Whipkey.

Variety Show Set Tuesday Evening

The Farrar Private School will hold its spring variety show at 8 p.m. Tuesday in the Municipal Auditorium. The show, featuring tap, ballet and toe dancing, is open to the public at no charge.

Does Reservations

Reservations for the BPO Does Mother-Daughter Banquet at 7:30 p.m. Monday in the Elks Hall are due by noon Saturday. For reservations call Mrs. Kay Williams, 263-2362, or Mrs. Jayne Mooney, 263-6890.

Forum Has Luncheon

Mrs. Donald Priddy, 2515 Ann, was hostess for the Big Spring Progressive Forum luncheon and installation Thursday. The luncheon was served on quartet tables covered with white linen cloths and centered with bouquets of white daisies and red carnations.

Mrs. James Owens, out-going president, installed the officers. They are Mrs. Roy Cederberg, president; Mrs. Joe Austin, vice president; Mrs. Priddy, treasurer; Mrs. Bill Draper, secretary; and Mrs. Horace Rankin, recording secretary.

Members planned their program for the coming club year, choosing the theme, "Creative Thinking." They plan to offer a nursing scholarship to Howard County Junior College. The club adjourned until September.

Expert Talks On Traffic Fatalities

"In the past year more people have been killed on United States highways than in nine years of fighting in Vietnam," Jack White told Elbow Home Demonstration Club members Thursday. He is with the Texas Department of Public Safety.

White discussed changes in Texas traffic laws and answered questions on city laws. Mrs. Stewart Anderson was hostess for the meeting.

WCS Discusses Medicine, Religion

Designed for the "Whole Man" was discussed Wednesday by the Women's Society of Christian Service, North Birdwell Lane United Methodist Church. Giving the program were the Rev. and Mrs. Elra Phillips, Mrs. Raymond Cooley and Mrs. Oneda Thompson. Rev. Phillips worded prayer, and Mrs. Vernon Kent gave the devotion. Mrs. Phillips resigned as president, and a new president will be elected at the June 3 meeting.

NUCLEAR RETALIATION NOT RELIABLE Peking Poses Big Problem

WASHINGTON (AP) — Top defense officials feel the South Vietnamese should be left free to keep some troops in Cambodia after June 30, if necessary. These officials say the North Vietnamese should not have a clear track to rebuild their base system after June 30, the deadline for pullout of all American forces from Cambodia.

If neither American nor South Vietnamese troops remain in Cambodia, it is felt the North Vietnamese would return swiftly and once again set up springboards for attacks into South Vietnam.

Such views appear to conflict with White House officials who said last weekend they believed South Vietnamese troops would withdraw across the border around June 30.

There is strong evidence no final decision has been reached by U.S. authorities on whether any South Vietnamese troops should remain and be supported in Cambodia beyond the American pullout.

Complicating the Nixon administration dilemma is the attitude of South Vietnamese Vice President Nguyen Cao Ky who indicated this week the Saigon government might balk at any requirement that its troops leave Cambodia with U.S. forces.

"We will not let anybody tie our hands," Ky said. As a practical matter, however, the South Vietnamese are heavily dependent on U.S. air and logistic support. The Saigon troops probably could not retain sizeable elements or sustain significant operations in Cambodia unless American help continued.

Defense officials, while sympathetic to allowing the South Vietnamese to remain to some extent in Cambodia beyond the U.S. pullout, are anxious to avoid the South Vietnamese being tied down in Cambodia.

It is important, they indicated, the South Vietnamese concentrate their efforts on suppressing and destroying the enemy inside Vietnam, the main theater.

Along with the practical matter of keeping the North Vietnamese from rebuilding their bases along the Cambodian border, defense officials also are sensitive to possible morale problems among South Vietnamese troops if the United States should insist they withdraw.

President Nixon has said all

U.S. troops will be out of Cambodia by June 30. Although some requests are expected from U.S. field commanders to stay on for a while longer, every sign points to rejection of such requests.

Secretary of Defense Melvin R. Laird wouldn't say yes or no when Senate Foreign Relations Committee members asked him early this week whether the United States would provide air and other support for future South Vietnamese penetrations of Cambodia.

Laird did say he would recommend continuing air strikes at enemy bases in Cambodia. Aides said this meant bombing to destroy any remaining supply caches and position, rather than tactical support for South Vietnamese ground troops.

At his May 8 news conference, President Nixon seemed to point to possible future South Vietnamese operations into Cambodia, saying, "If the enemy does

come back into those sanctuaries, the next time the South Vietnamese will be strong enough and well-trained enough to handle it alone."

He did not say whether American advisers would be allowed to return to Cambodia with the South Vietnamese in any such future operations.

Commission Will Vote Again On New Tractor

The city commission's 21 decision to buy a new tractor at their last regular meeting is listed for a re-vote when they meet next Tuesday "in order to be absolutely safe" on the legal questions aroused by a challenge to the original vote. The vote was taken with Commissioner George Zachariah absent from the meeting. Wade Choate and Garner McAdams voted "aye." Eddie Acri voted "no" and Mayor Arnold Marshall abstained in accordance with a tradition that the mayor not vote except in case of a tie.

Charter Committee On City Agenda

Appointment of a city charter committee heads a long agenda listing 13 items for action by the city commissioners at the regular meeting at 5:15 p.m. Tuesday.

Commissioner Eddie Acri asked that the long dormant charter committee be reactivated with new members to review the charter and recommend changes.

Each commissioner is to have four nominations from which the total commission will select 15 to serve on the committee. The vote by which the commission approved a tractor purchase at the last meeting will be reconsidered.

Bids from three local automobile dealers to furnish a new police car will be considered. Bob Brock Ford Inc. has submitted the low bid of \$2,953.41 for a new Ford. Pollard Chevrolet Co. submitted a proposal of \$3,050 for a new Chevrolet, and Shroyer Motor Co. offered a new Oldsmobile for \$3,712.20.

The commissioners will consider accepting bids to furnish the city's gasoline for the next six months. About 75,000 gallons of gas will be used by the city during the period.

Appointment of a city tax collector-assessor will be up for action. Perry Johnson asked that he be relieved of duties in that post, and Lee Herndon was employed to work in the city tax office.

W. D. Caldwell Construction Co. has submitted for acceptance by the commission six units of paving completed recently. The units are Phillips Road, from east property line of Virginia to west property line of Birdwell; Twelfth Street, from west property line of Austin to east property line of Goliad; Gregg Street, from east right of way line of Lamesa Highway to south right of way line of IS 20; Northwest Sixth Street, from west right of way line of US 87 to east property line of

Acri questioned the validity of the purchase on the grounds that only two votes were cast in favor of it while the city charter requires at least three favorable votes to pass an ordinance or resolution.

Purchase of the \$36,000 tractor, which is to be used at the sanitary landfill site, has been held up for the past two weeks while City Attorney Herb Prouty searched the charter and recent court decisions for answers to the questions raised by Acri.

Prouty said today that although the question of purchase was not formally listed as a resolution or ordinance, a recent Texas Court of Civil Appeals decision states, in his words, "every action of a city commission is a resolution or ordinance. As such, every action of the commission would require at least three affirmative votes, he said.

"Since the question was raised, in order to be absolutely safe, we should re-vote it," Prouty concluded.

Concerning the effect of the court decision on other two to one commission votes, Prouty said, "Everything the commission has done in the past is presumed valid until challenged. If challenged, we can't be sure what effect this case would have on previous procedure."

The city attorney would not speculate on the effect of the decision concerning the long standing tradition that the mayor votes only to break a tie, but said, "previous opinions were that if a commissioner remains silent, he was considered to have voted with the majority." Now it appears that this is not the case, he said.

Playday Set In New Arena

The Howard County Sheriff's posse will hold its first Playday in the new arena Saturday.

Registration begins at 10 a.m. and events an hour later. Eight contests will be run, and there is a 50-cent entry fee for each. Ribbons go to the top five places in each event. The arena is located on the Andrews highway, just beyond the Steere Truck Terminal. Members and friends recently completed the large arena, and a stand for the announcer, judges and concession stand, as well as a smaller arena and club house will be built later.

All riders participating Saturday are eligible for prizes including feed, halter, bits, feed tub, rope, soft drinks, gift certificates. Loyd Murphy, oldest member, and Nita Cox, club sweetheart, will cut the ribbon in ceremonies starting at 10:45 a.m. Valerie Gamble and Patricia Cherry will post the colors. Cecil Allred will offer the prayer.

VA Can Deduct Insurance Costs

The Veterans Administration suggests that GI insurance policyholders who receive VA compensation or pension payments may want to consider having their insurance premiums deducted from their monthly checks.

In order to use this convenient method, the veteran's monthly benefit check must be equal to or greater than the premium to be paid.

Veterans who wish to have insurance premiums withheld from their monthly benefit checks should request VA Form 29-888 from their nearest VA office.

NEWS BRIEFS

Talmadge Elected To Student Post

Duke University medical student John Talmadge has been elected vice president for Region 5 of the Student American Medical Association.

In his post, Talmadge will represent medical students at Duke, the University of North Carolina, Bowman Gray at Wake Forest University, Emory, the Medical College of

Baylor To Confer Honorary Degrees

WACO — Baylor University will confer honorary degrees upon its president emeritus and Houston lawyer-rancher during spring commencement exercises May 29.

Dr. W. R. White, Baylor president emeritus, and Willard L. Russell of Houston will receive honorary doctor of laws degrees during the com-

Leukemia Report Now Available

"The Battle Against Leukemia," a report on the Leukemia Society of America, Inc. research attack upon this disease of the blood forming tissues, is now available from the society. It was announced by Wallace Dunlap of the public

Tech Will Open On Schedule

LUBBOCK — Texas Tech University, virtually unscathed by the recent tornado which struck downtown Lubbock, will open its summer session as scheduled on June 1, President Grover E. Murray has announced.

Special Course Opens June 1

LUBBOCK — Texas Tech's fourth annual short course in Thermal Environmental Engineering will be held June 1-3. Registrations for the course are being accepted at the department of mechanical engineering at Tech.

Jury Dismissed; No Trials Held

Jurors qualified Wednesday in Howard County Court and ordered to report at 9 a.m. today were dismissed by County Judge Lee Porter. A new group of prospective jurors are to report at 9 a.m.

Area Youths To Get HP Degrees

A Baptist pastor and a college professor will receive honorary doctorates during the Howard County commencement exercises in Brownwood Friday evening.

They are Rev. Herbert Charles Garrett Jr., pastor of the Bethany Baptist Church, Dallas; and R. Paul Green, professor of choral music and chairman of fine arts at Houston Baptist College.

Trainmen To Seek Damages

Three of four Texas & Pacific Railway Co. trainmen injured Dec. 27, 1967, in a fiery truck-train crash near Tye, Tex., will ask a 118th District Court jury next week to award them \$100,000 each.

The trainmen are P. P. Van Pelt, James H. Eastham and W. W. Marlin. The suit originally listed Crown-Tec Petroleum Inc., Texas & Pacific Railway Co., W. C. (Bill) Ragdale and N. F. McCleskey, as defendants, however Crown Tec has been dropped from the suit.

The collision between the gasoline-filled truck and the 85-car freight train resulted in an explosion and a fire which burned off three acres and required fire units from Tye, Abilene, Merkel and Dyess APBs to control. Gene Middleton, the truck driver, was killed in the crash.

Only two criminal cases, naming one defendant, are scheduled for next week. Ponciano Lopez is to be tried on charges of burglary and driving while intoxicated, second offense.

Possible jurors have been asked to report at 10 a.m. by Judge R. W. Caton.

To Get Degree

STILLWATER, Okla. — Mofitt D. Smith, Big Spring, Tex., is among the 3,008 candidates for degrees from Oklahoma State University in spring commencement here Sunday, W. W. Keeler, chairman of Phillips Petroleum Co., will address the graduates on "The Most Challenged Generation" Smith is taking his BA degree in political science.

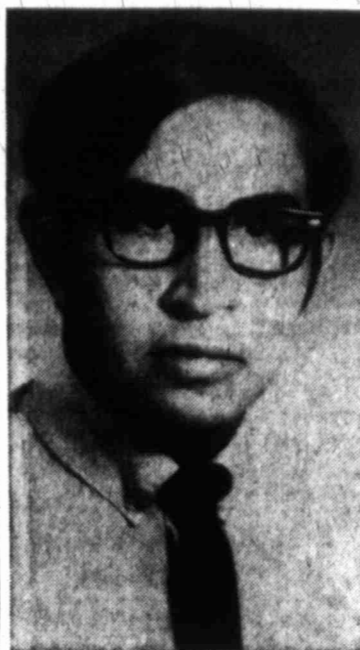

Lubbock Relief

Lt. Joe Saint, Salvation Army, carried another load of food and clothing to Lubbock Thursday night and reported that things are starting to shape up in that tornado-torn city.

Saint said Salvation Army mobile canteens have served 76,737 meals since shortly after the storm. They have given 2,894 families food, clothing and furniture collected from all over the state, and they have relocated 700 families.

MISHAPS

900 E. 2nd: Don Ross Jones, Arrow Motel, Apt. 9, James Irwen Suggs, 1016 Stadium, 10:16 a.m. Thursday.

ERASMO SALAZAR JR.

Salazar Gets Scholarship

LAMESA (SPL) — Erasmo Salazar Jr., Lamesa High School senior, has been awarded a \$2,000 college scholarship in competition involving applicants from more than 20 states.

Salazar was sponsored by the J. D. Williams Insurance Agency here, representing Ranger-Pan American Insurance Company, which posted the four-year scholarship payable \$250 per semester.

"It is reassuring to see there are so many graduating high school seniors who devote their time to achieving academic excellence, partial self-support from outside jobs and leadership inside and outside the classroom," said Charles Rathbun, president.

Salazar lives here with his retired grandfather and guardian Flavio Aguirre. While supporting himself by working 22 hours a week at a service station, he has played football, earned excellent grades and qualified for membership in the National Honor Society.

He plans to enter Texas A&M University in September to prepare for a degree in electronics engineering.

Club Given Fund Report

The board of directors of the Boys' Club of Big Spring Thursday night heard a report on the Porter Randle program and board members volunteered their services at the boys' swimming pool.

Mrs. W. L. Wilson Jr., reported on the proceeds of the Randle program to raise money for a new club building, and he will be given a certificate of appreciation.

The swimming pool for the boys will be open May 30, and an adult must be present at all times the pool is open.

The monthly birthday party for the club members will be Thursday, and the next regular board meeting will be June 14. Board member resignations were accepted from Joe Maratta, who is being transferred to Denver, Colo., and Phil Edwards who is going to Germany. Mrs. Fred Hyer was elected to serve the unexpired term as first vice president and Willard Hendrick as second vice president.

PO To Close

WESTBROOK — The Post Office here will be closed Saturdays beginning tomorrow according to Mrs. Price Hendrix, postmistress. There will be no window service, but the lobby will remain open so patrons can receive mail.

VANDALISM

Charles Grocery, 1612 E. 3rd: restroom damaged, 8:26 p.m. Thursday.

17th: tires cut on car, 12:56 a.m. Friday.

Pledges For Industry Are Half Collected

First installment pledges to the Big Spring Industrial Foundation totalled \$35,407.91 at the Big Spring Chamber of Commerce today, boosting collections halfway to a \$70,000 goal in nine days.

Pledges were called with signing of the contract with Intech May 13. Hopefully pledges will be met and can be applied to development of the Intech site and buildings, according to Tom Eastland, chamber manager.

Calling of pledges is in line with initial plans to collect \$210,000 in three installments. First installment was to follow acquisition of an industry with second and third installments to follow one and two years later respectively.

The Foundation is building the structure and Intech has signed a lease for it. Plans and specifications are to be available to local subcontractors and suppliers by May 25 at the contractor's field office at the site. New industrial site is three blocks north of US 80 West at the extension of Lorilla Street.

Pitts Graduates

Tommy Dean Pitts of Big Spring was one of 176 McMurry College seniors to receive a degree in commencement exercises last week. Mother of the McMurry College graduate is Mrs. Betty Jo Pitts. Pitts received the BBA degree in marketing.

Phillips Elected Post Commander

The members of American Legion Post 355 and the post's Ladies Auxiliary elected new officers Thursday night in a meeting at the legion headquarters on the San Angelo Highway.

Chosen Post Commander to succeed Dr. J. Gale Kilgore was Larry Phillips, formerly post adjutant.

James W. Carlton will replace Jack Pearson as first vice commander, and Ollie Branson will become second vice commander, replacing William P. Bodin.

William Gonzalez will assume duties as third vice commander, an office which has been vacant. William A. Addy Jr. replaces Grady Kilgore as Post Chaplain, and the legionnaires re-elected Glen Pless and Chester Cathey to their respective places as historian and finance officer.

Albert N. Flemmons will take Branson's place as sergeant at arms, and Phillips' adjutant duties will be taken by Bodin. George Zachariah and Dr.

Sheriff Checks C-C Shooting

COLORADO CITY (SC) — A. B. Simons, 28, local service station employee, is in an Abilene hospital suffering from a gun shot wound in the head.

Mitchell County Sheriff Lewis Claxton said the shooting occurred about midnight west of Colorado City near the intersection of IS 20 and US 90.

He said Simons was shot between the eyes with a .22 caliber revolver. Simons was taken to Root Memorial Hospital by a woman at 12:15 a.m. Sheriff Claxton said the woman told him that the gun victim was rushed to the Abilene hospital at 7:20 a.m. He is married and has four children.

The sheriff is withholding the name of the woman pending completion of investigation.

JANICE LANGFORD

Summer Youth Director Named At First Baptist

Mrs. Bill C. (Janice) Langford has been named youth director for the First Baptist Church during the summer months.

Her husband, like her, is a student at Southwestern Seminary and will be working with Steere Tank Lines, Inc. during the summer months.

Mrs. Langford holds her bachelor of arts degree from Mississippi College, her masters in religious education at Southwestern Baptist Seminary and currently is working on a bachelor of church music with a major in organ at the seminary.

She also has served as educational secretary in Clinton, Miss., and at the seminary and has served churches as organist. The Langfords are residing at 113 1/2 E. 16th.

NIXON WILL HAVE TO ASK FOR NEW TAXES OR SLASH?

WASHINGTON (AP) — The chairman of the House Appropriations Committee said Thursday President Nixon will have to ask for new taxes next year or else make "deep surgical cuts in spending."

Rep. George Mahon, D-Tex., said however he doesn't think the economic climate is ripe now for new taxes.

Mahon, who predicted months ago there would be a budget deficit when the administration still held out hope for a balanced budget, said he is "not optimistic about the future."

"There is an inflationary mood on the part of the people," Mahon said. "They think the dollar will be worth more today than tomorrow so they keep on spending." "I'm not optimistic about the future," he said. "Of

course, I am optimistic about the long-range future of the country. But we are going through a very difficult period, piling deficit upon deficit but not facing up to it. We have to pay the bills."

Mahon predicted deficits not just next year but the following year as well unless Nixon sharply curbs spending or imposes new taxes.

This year's projected \$1.8 billion deficit actually comes to about \$8 billion "based on the type of budget we had under Presidents Eisenhower, Kennedy and the first three years of Johnson," Mahon said.

"I think the people are disillusioned. The stock market reflects it," he said. "They had hoped with a new administration there would be a balanced budget."

Allen First To Break Ranks Over Cambodia

WASHINGTON (AP) — Education Commissioner James E. Allen Jr. has become the first presidential appointee to break Nixon administration ranks over Cambodia.

Allen publicly added the war in Indochina Thursday to his list of disagreements with President Nixon. The decision to send

American troops into Cambodia, he said, had "disastrous effects" on the country. At two separate meetings with Office of Education employees, Allen also reinforced his known disagreements with the White House over school desegregation and federal spending for education.

The 59-year-old, highly regarded former New York commissioner of education was asked twice about Cambodia.

"I find it difficult to understand the rationale for the necessity of the move into Cambodia or indeed to continue the war in Vietnam," he answered the first time. Allen expanded in his second response, reading from prepared notes.

"I find it difficult to understand the rationale for the ne-

cessity of the move into Cambodia as a means of supporting and hastening the withdrawal from Vietnam—a withdrawal that I feel must be accomplished as quickly as possible," he said.

Lubbock Relief

Lt. Joe Saint, Salvation Army, carried another load of food and clothing to Lubbock Thursday night and reported that things are starting to shape up in that tornado-torn city.

Saint said Salvation Army mobile canteens have served 76,737 meals since shortly after the storm. They have given 2,894 families food, clothing and furniture collected from all over the state, and they have relocated 700 families.

WEATHER FORECAST — Showers are predicted for Friday over northern New England, southern Florida, the Plains states, the Mississippi Valley and the Texas Panhandle. Rain is forecast for the southern lakes area. Cooler weather will prevail over the Great Lakes, the middle portion of the country and the Northwest. The South will have warmer weather.

(AP WIREPHOTO)

SOUL POWER — Hosea Williams, vice-president of the Southern Christian Leadership Conference, holds a rally Thursday in front of the court house at Forsyth, Ga., giving the soul power sign. The rally came after a day of marching 6 miles and riding 22 miles in the "Coalition Against Repression" march from Perry, Ga., to Atlanta. A large demonstration is planned for Atlanta Saturday.

GM Stockholders Expected To Nix Nader's Proposal

DETROIT (AP) — General Motors shareholders gather today in their annual meeting and most will vote against an attempt by consumer advocate Ralph Nader to open the world's largest industrial firm to general participation by the general public.

"We think that the vote will have implications far beyond this corporation," GM Board Chairman James M. Roche said in a premeeting statement.

"What is significant about the meeting is that for the first time so large a segment of the public—and we think 1,350,000 stockholders is a good segment of the public—will have a chance to cast a vote whether General Motors is fulfilling its responsibilities to society."

Backers of the dissident movement sponsored by the Washington-based Project on Corporate Responsibility say the proxy vote is not the measure of success or failure for the effort.

Philip W. Moore, 27, executive secretary for the group which calls itself the Campaign to Make GM Responsible—or Campaign GM—declared:

"We expect to have full debate on the issues at the meeting, and this was a primary goal."

The meeting was scheduled to begin at 3 p.m. EDT. A vote on the two Campaign GM proposals was not expected until early evening.

The Campaign GM proposals request enlargement of the 23-man GM board of directors by three so-called public oriented members and formation of a stockholders committee to study and evaluate the corporation's performance in such areas as auto safety, air pollution control, mass transit, plant safety, social welfare and others.

Moore said before the meeting that two per cent of the votes cast out of the 285 million out-

standing shares would be a reasonable goal.

Announcements of support before the meeting totaled about 300,000 shares, he said.

Another proposal before the meeting—opposed by management—would limit executive pay to a total of \$350,000 a year per man. A similar proposal last year received support of nearly 16 million shares.

The Nader campaigners indicated they were disappointed by

Table Grapes Labor Dispute Breakthrough

FRESNO, Calif. (AP) — In the first major breakthrough in a five-year California table grapes labor dispute, two large growers have agreed to two-year contracts with Cesar Chavez' union.

"I felt it's time we stopped thinking with our hearts and started thinking with our heads," one of the growers, Anthony Bianco, said simply after the agreement was announced Thursday. "We just want some peace."

The two signers—Bianco's Bianco Fruit Corp. of Fresno and the Disputo Co. of Tulare—owned by Bruno Disputo—produced 80 million of the 718 million pounds of fresh grapes grown in California in 1969.

Chavez, who organized a nationwide boycott of table grapes to gain union recognition, told a news conference the contracts were "very moderate as to terms."

But he said he was hopeful they would bring "a measure of peace to the grape industry."

The contracts call for vineyard workers to receive \$1.75 an hour as a minimum wage, plus a 25-cent-per-box incentive rate. They also will get 12 cents an

hour in fringe benefits. The second year of the contract provides for a \$1.90 minimum hourly wage.

"We didn't feel they gave us the type of support we expected," said Joe Onek, one of the organizers of the Campaign.

"At Harvard they pretended to be democratic. Every group there—faculty, students and so on—supported us, but the Harvard Corporation Trustees did not. The same thing happened at Princeton."

They were the first contracts negotiated by Chavez' AFL-CIO United Farm Workers Organizing Committee in the San Joaquin Valley, where most of the nation's table grapes are grown. Six previous contracts were signed with minor growers in the Coachella Valley in Southern California.

The agreements, effective June 15, will affect about 3,000 workers and 3,070 acres of grapes in the San Joaquin and Coachella valleys in California and in Arizona, where Disputo operates vineyards at Centennial Farms near Phoenix.

The growers also agreed to a union demand not to use several pesticides which the union contends are injurious to workers' health.

Chavez said his organization plans to intensify nonunion table grape boycott activity and predicted that if the grape strike is not fully settled, "California will see the first general strike by farm workers."

Bids To Be Opened June 4 To Build All Faith Chapel

Bids for construction of a new All Faith Chapel on the campus of Big Spring State Hospital are to be opened at 2 p.m. June 4, directors of the chapel corporation have announced.

Bids are to be received at that time in the personnel office of Cosden Oil & Chemical Co. Plans and specifications have gone out to prospective bidders from the architectural firm of Gary & Hohertz.

Under state requirements, there must be enough cash on hand to pay the cost of the project, when the construction contract is awarded.

Chapel corporation directors

said they are confident this can be met, although the cash position is not at that level yet. A treasurer's report Thursday showed some \$130,000 on hand. This will be supplemented by interest payments in June on various savings certificates, and by sale of some properties donated to the chapel fund by the Siblings Foundation.

Other gifts are still in prospect, said Frank Hayford, Midland, chairman of the chapel corporation.

Contract likely will be for the building alone, and monies will have to be raised later for furnishings, fixtures and equipment.

Architects estimate the building cost could be in the neighborhood of \$150,000. The All Faith Chapel fund has been seeking up to \$200,000 for developing the edifice for its full purposes.

The structure will include a sanctuary adaptable to worship of all faiths (a facility the hospital does not now have), and offices, workrooms and meeting rooms for the use of ministerial counseling to patients.

He added that the board had never held a hearing "of this kind" outside Austin.

Price announced Wednesday that a public hearing next month will examine the failure of insurance companies to utilize investment income in setting rates.

\$10,500 Campus Flood Damage

SAN MARCOS, Tex. (AP) — Damage from last Friday's flood to the Southwest Texas State University campus will amount to around \$10,500, the university's vice president of fiscal affairs announced.

Jack Cates said the heaviest damage from the rains and the swollen San Marcos River occurred at a campus recreation and swimming area on the river, and at Eva's Fields, the school's athletic facility.

Cates said damage to each

Auto Insurance Rates Hearing

DALLAS (AP) — The state Insurance Board will hold a public hearing in Dallas on auto insurance rates, State Sen. Oscar Mauzy said Thursday.

Mauzy, a critic of auto insurance rate increases, said Chairman Ned Price of the board informed him of the special hearing by telephone, but said no date had been set.

Mauzy will recommend formation of a citizens committee to present the views of the "average policy holder" to the board.

He added that the board had never held a hearing "of this kind" outside Austin.

Price announced Wednesday that a public hearing next month will examine the failure of insurance companies to utilize investment income in setting rates.

WASHINGTON (AP) — President Nixon's daughter and son-in-law Julie and David Eisenhower accompanied Vietnam war veterans on the first of a planned series of Potomac River cruises on the presidential yacht Sequoia.

On the trip Thursday were 37 soldiers from service hospitals in the capital area. Similar cruises are planned each Thursday until Oct. 1.

- Clean Restrooms with Soap, Towels, Tissues available
- A Cleaner Station We'll do our best to keep it bright

Enco retailers displaying this sign will deliver on every promise, weather permitting.

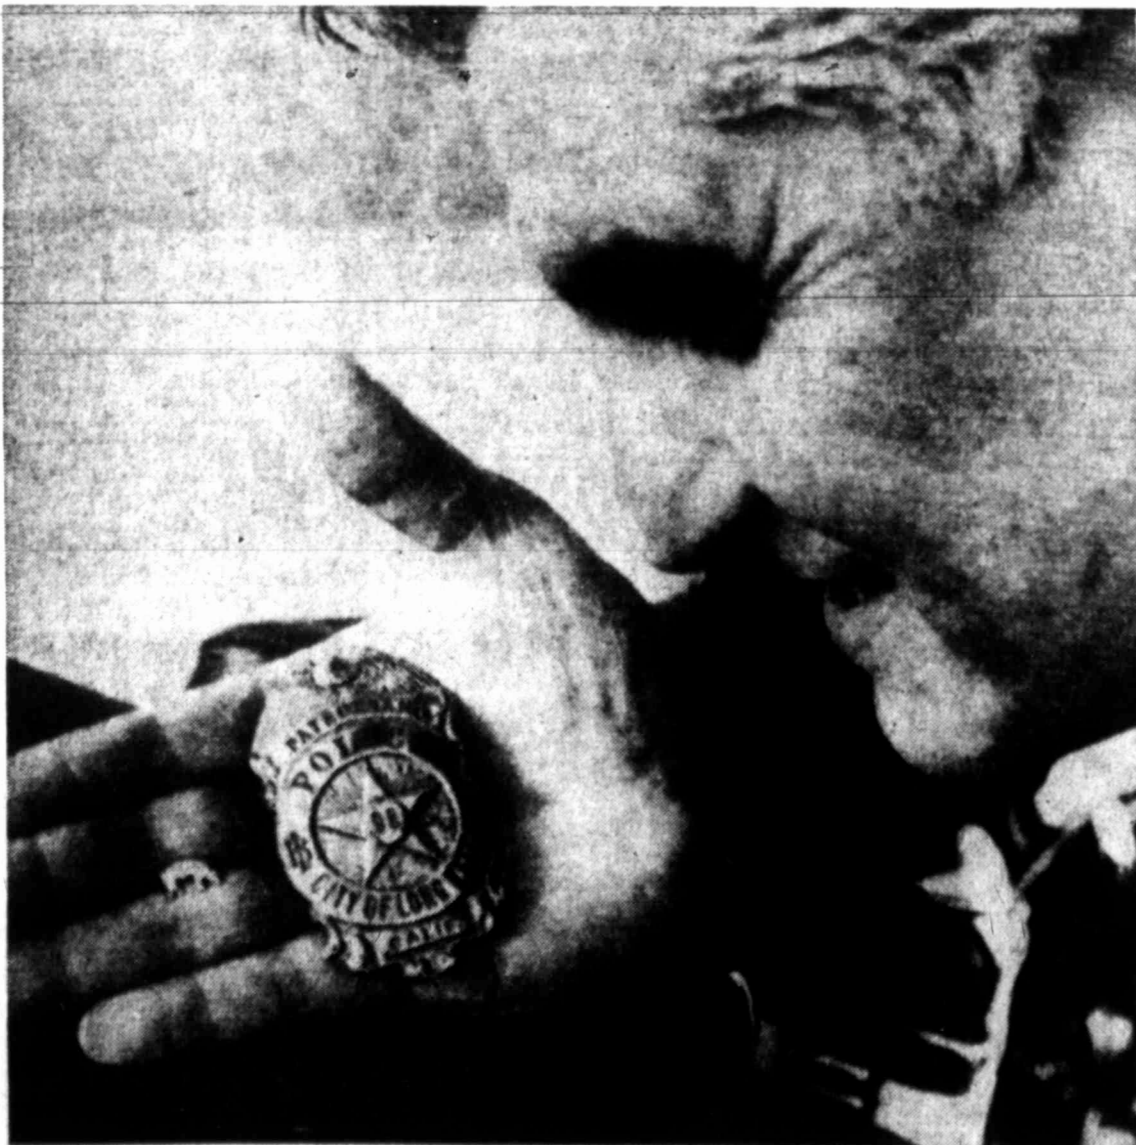

might goof once in a while. So if we fail to deliver on any part of our new Clean Crazy Pledge, you get something else. A Goof Gift. Don't count on that Goof Gift, because we'll do our darndest not to have to give it away.

And to prove there's no cleaner, pleasanter place to do business than the place where you see the Enco sign.

Goof Gift.

We have a gift for you, if we fail on any part of our Clean Crazy Pledge. One gallon of gasoline free.

(AP WIREPHOTO)

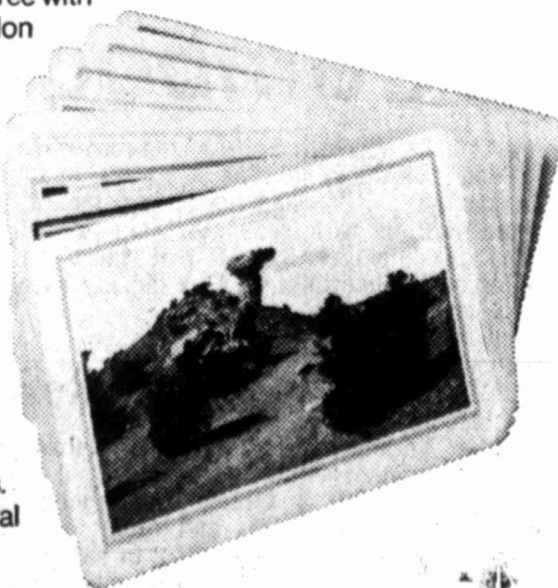

A SECOND BADGE — Officer Bernie Frydman of the Long Beach, Calif., police department displays his badge alongside a small tie tac shaped like a pig. In police parlance, PIG stands for Pride-Integrity-Guts, and officers by the hundreds are wearing miniature pigs as uniform tie tacs. Frydman and his partner, Robert A. Fowks, originated the idea last March and have sold nearly 1,200 pig tie tacs all over the country.

Free introductory offer where you see the "Free Place Mat" sign.

One scenic place mat free with each gasoline fill-up, 8-gallon minimum. Eight different place mats in all. Each has a popular local scene in full-color on one side and a gold, woven design on the other.

Mats are 10 3/4" x 17 1/2" with round corners. They are washable, laminated plastic, and so good looking they're suitable for framing. Start collecting yours today at participating Enco stations. You'll want to collect several of these sets.

It's a beautiful way to Discover America.

Where you get all the extras.

Mitchell Asks Guards To 'Keep Their Cool'

WASHINGTON (AP) — Atty. Gen. John N. Mitchell, once the Nixon administration's hard-liner on student demonstrations, has warned police and National Guardsmen to "keep their cool" during campus disturbances.

Announcing beefed up investigations into 13 deaths, including the fatal shooting of six young people at Kent State and Jackson State campuses, Mitchell said Thursday:

"One can recognize the provocations which often accompany civil disorders, but trained law enforcement personnel have a responsibility to keep their cool and utilize only such minimum force as is required to protect the safety of the general public, the bystanders and themselves."

Mitchell appointed Asst. Atty. Gen. Jerris Leonard, head of the Justice Department's civil rights division, to personally oversee the investigations.

The federal probes now underway are at Jackson State College in Mississippi, where two black youths were felled in a hail of highway patrol bullets; Kent State University in Ohio, where four students were killed when National Guardsmen opened fire, and Augusta, Ga., where six Negro men were fatally shot in the back during a racial disturbance.

Also under investigation is the death of a black teen-age boy in the county jail in Augusta, which sparked the racial disorders in which the men died.

Sources at the Justice Department said Mitchell was profoundly disturbed by what he saw and heard on the Jackson State campus during a two-day fact-finding and speech-making trip to Mississippi earlier this week.

Responding to criticism the administration has appeared less concerned about the killing of blacks and students than in prosecuting violent dissenters, Mitchell said probes at the three locations had been given the highest priority and that Leonard will be given "whatever manpower it takes to get the facts."

He also indicated he will brook no nonsense from state or local officials who might interfere.

Mitchell's stand marked an

PRETTY PRODUCER — Tamara Asseyev, 27, is certainly the prettiest member of the Producers Guild. She recently completed "Paddy," her first film as a full-fledged producer, and is under a nonexclusive contract with Allied Artists for three more movies.

Cinch Wager For Election

DETROIT (AP) — Leonard Woodcock, 59, was unopposed for election as president of the United Auto Workers at a meeting today of the union's 25-member International Executive Board.

His election to succeed the late Walter P. Reuther was assured Thursday by the withdrawal of the only other contestant, a fellow vice president, Douglas A. Fraser, 53. Woodcock will serve until the UAW's 1972 convention.

Fiery-tempered, red-haired Reuther headed the union of 1.6 million members for 24 years before his death in a plane crash May 9.

To mild-mannered, reserved Woodcock falls the tough new contract bargaining later this year with the Big Three of the automotive industry—General Motors, Ford and Chrysler—and also with the agricultural implement industry. Renewal of pacts in the aerospace industry comes up next year.

New car sales and profits of the automakers have been sagging this year, and the companies already have indicated they will take a tough stance in negotiations to supplant three-year contracts expiring next Sept. 14.

Jury In London Acquits Singer

LONDON (AP) — A jury has acquitted American singer Levi Stubbs of the Four Tops group of a charge of possessing cocaine.

Stubbs, 35, told the jury Thursday he had no idea how \$480 worth of cocaine found its way into the pocket of a jacket in his hotel room. Police raided the room while Stubbs was holding a news conference.

Her third husband, Lord Audley, died in 1963.

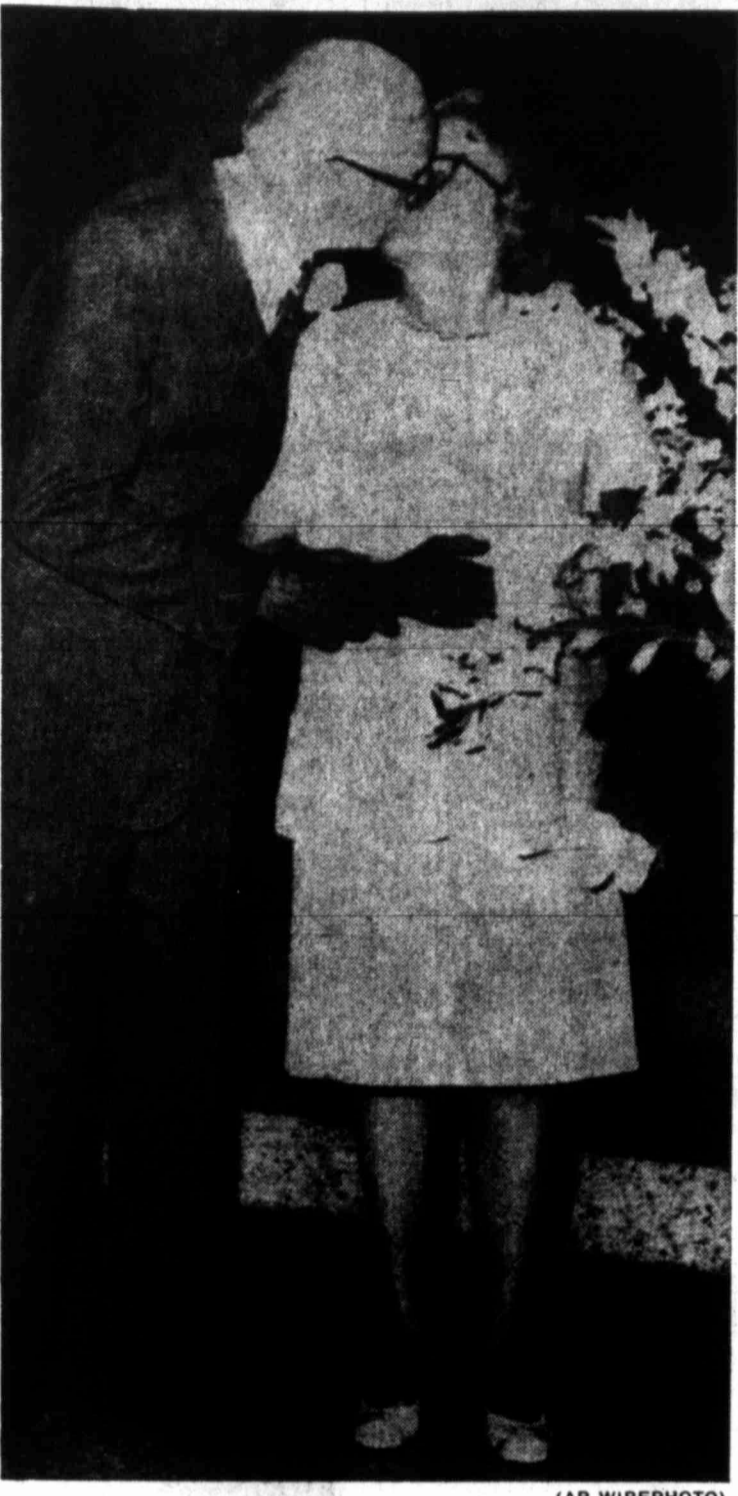

De Wet, who has a Buffalo Bill-type mustache and beard, joined the Ethiopian air force in 1936 to fight the Italian invasion. As a member of the wartime French Underground, he was captured by the Nazis and sentenced to death, but escaped in 1945.

Daughter Of Sir Winston To Wed

LONDON (AP) — Actress Sarah Churchill, 55-year-old daughter of Sir Winston, said today she will marry next week for the fourth time. The man is sculptor Oloff de Wet, 58, a veteran French-Resistance agent, who has been married twice.

"We have been friends for a long time and we are going to be very happy," Miss Churchill said.

The State National Bank

SECOND TIME AROUND — Carl and Hilma Blake, both 72, were 17 when they first married 55 years ago in Greeley, Colo. They were divorced in 1929, after Blake moved west. Both remarried and there was no contact for 40 years. Blake got another divorce and Hilma's second husband died in Greeley. Blake wrote a sympathy letter. They were remarried Thursday at Grace Lutheran Church in Escondido, Calif. "It was better the second time around," said Blake.

Mystery Photo Girl, 15, Wants To Go Back Home

INDIANAPOLIS (AP) — The mystery girl photographed leaning over the body of a student shot down at Kent State University has been found by juvenile authorities and identified as a 15-year-old runaway from Opa Locka, Fla.

Juvenile officials said she is Mary Ann Vecchio, whose parents, Mr. and Mrs. Frank P. Vecchio, recognized her in a widely published Associated Press photograph.

Miss Vecchio talked with her mother and father by telephone Thursday night and told them: "I want to go home."

Her mother said plane fare would be sent to Indianapolis to "bring our daughter back home to us."

"Everything will be all right now. She's ready to come back home," Mrs. Vecchio said.

Miss Vecchio said that after running from Florida she hitchhiked and begged money and food. In Kent, Ohio, she said, she heard there was going to be an antiwar protest and went to the university campus.

"We were sitting in front of a building chanting when the guardsmen moved on us with gas," Miss Vecchio said. "We ran around the building, then down to an open field, or maybe it was a parking lot."

When the guardsmen began shooting, she said, "I rolled down the hill and tried to hide behind a newspaper stand. That's when I saw the man go down. I ran over to him."

Three other students, two of them coeds, also were killed.

Watkins Graduates

KERRVILLE — A Big Spring resident, John Lee Watkins, 1200 Pennsylvania, will receive his diploma from the preparatory department at Schreiner on Saturday. He is the son of Mr. and Mrs. Jack L. Watkins.

The bidding:

West North East South

1 ♠ 2 ♠ 2 ♠ 2 ♠

2 ♠ 4 ♠ Pass Pass

5 ♠ Pass Pass 5 ♠

Pass Pass Pass

Opening lead: Deuce of ♠

South brought home his five heart contract when West failed to obtain a club ruff on the deal.

West opened the deuce of clubs and the king was played from dummy, East following with the three and declarer with the four. A small heart was led to the king and West was in with the ace. It was his desire to get East in at this point, so that he might obtain a club ruff.

With no club other than the bidding to guide him, West chose to lead a small diamond in the hope that East's raise was based on the ace of that suit. South won the

return and after drawing the remaining trump, he established dummy's club suit by ruffing out East's queen and conceded one more trick to the opposition—in spades.

The contract could have been defeated if West had shifted to a spade instead of a diamond when he was in.

"There was no way I could tell you, partner," was East's comment at the conclusion of the deal. "I had no chance to signal."

This statement was not actually true. The lead directing convention provides that when a defender follows with an unnecessarily high card which is clearly not a natural come-on signal, he is calling for the lead of the higher ranking of the two remaining suits—not counting trumps. [The play of an unnecessarily low card in these circumstances requests the lower ranking suit.]

Since East can clearly read his partner's club lead as a singleton, he should signal with the nine of clubs of North's king. This is obviously not a request to continue clubs. It must therefore constitute a message that East can be reached in spades, the higher ranking side suit. When West gains the lead with the ace of hearts, he does not have to guess how to put his partner in.

In Pursuit of the NEW ESTABLISHMENT

In the '40s, you were the war babies. In the '60s, you were the student protesters. In the '70s, many of you will be raising babies of your own.

We're talking about you, the 50 million Americans, age 18 to 34, who never lived through a depression, but who are living the history of an unprecedented era of change in everything, from politics to education to life style.

You are the reason our Associated Press created a "new

establishment" of its own — the specialized team of young reporters you see here. They are part of the new scene and they probe everywhere to tell contemporary America about itself, factually and in depth.

They give you (as well as the generation on the other side of the gap) more reason than ever to rely on your daily newspaper for the story of what's young in America.

Their stories appear in . . .

SUITABLE FOR ALL AGES — The Rev. C. Mark Grover, pastor of Sheldon Baptist Church in Wrentham, Mass., displays clever sign which is turning a lot of heads toward his church. Many motorists have gone out of their way for a look at the sign installed in front of the church, and designed and painted by the Rev. Mr. Grover.

Local Delegates Going To Methodist Confab

Several Big Spring residents will be attending the Northwest Texas Annual Conference of the United Methodist Church beginning Thursday in Abilene at St. Paul United Methodist Church.

Rev. Leo Gee and K. H. McGibbon will represent First United Methodist Church, with H. G. Keaton and Mrs. Delbert Aldredge also attending. Rev. and Mrs. Eira Phillips and Marshall Brown will go from North Birdwell Lane United Methodist, and Rev. Jim Useton, Raymond Hamby and Beade Northcut will represent Kentwood United Methodist.

From Wesley United Methodist, the Rev. Caleb Hildebrand and Don Crockett will be delegates. Also attending will be Johnny Garrison and Jack Worsham.

Bishop Alsie H. Carleton, presiding bishop of the Northwest Texas-New Mexico Area of the U.M.C. will preside. More than 105,000 members of the conference will be represented by more than 500 clerical and lay delegates. The conference will run through Sunday afternoon, May 31, and will close with the reading of appointments by Bishop Carleton.

One of the first items of business on this year's agenda is a joint session for merger, involving five West Texas Conference churches and the present Northwest Texas Conference. The five churches are Negro churches and members of the old Central Jurisdiction of Negro churches which has been abolished, and the five churches which lie within the bounds of the Northwest Texas Conference will be merged with the N.W.T.C. The joint session for merger will be at 2:30 p.m. on Thursday afternoon, May 28. The Rev. M. T. Reed of Lubbock, pastor of the Mt. Vernon U.M.C., will represent the West Texas Conference in the ceremony. The five churches are Plum Street in Abilene, Wyatt Memorial in Amarillo, Mt. Vernon in Lubbock, Hollowell Memorial in Midland, and a church in Levelland.

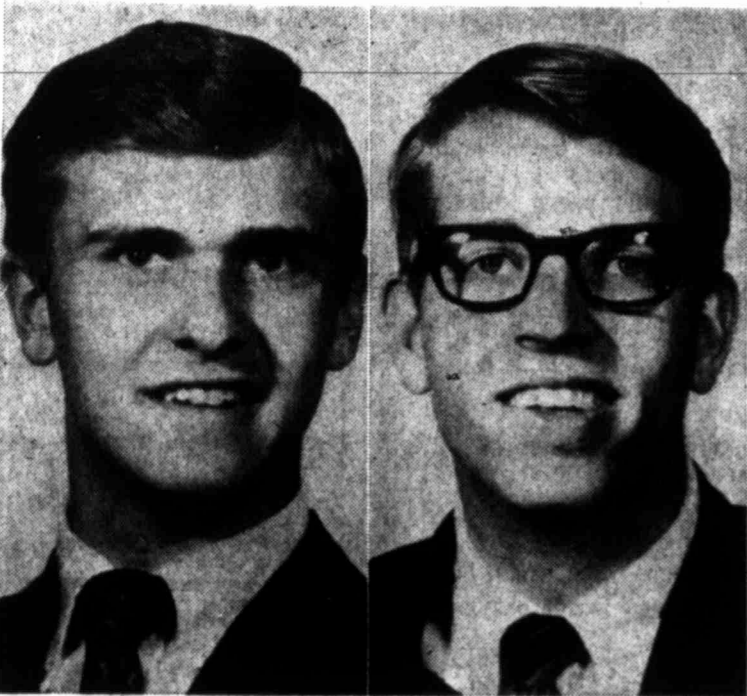

Actions of a called session of the Northwest Texas Conference, held April 4 in Lubbock, will be ratified early in the May meeting — including a vote which abolishes the Brownfield District and reduces the number of districts to seven.

Dr. Gaston Foote of Fort Worth, longtime pastor of First United Methodist Church there, will be the conference preacher this year and will speak at worship services Friday, Saturday and Sunday.

A new feature of this year's conference will be youth caucuses, held each day. The Rev. Ron Hamby, conference youth director, said the caucuses will stress greater youth participation in the conference, orient the young people on the work of the Northwest Texas Conference, provide fellowship and social opportunities during the week, and give the youth an opportunity to express their views.

The ordination service for incoming ministers will be Friday night at 7:30. A "Celebration of Unity" will be a special feature on the closing day, beginning with a procession Sunday at 2 p.m. has been planned, involving Mexican-American representatives, Indians, blacks and Anglo-Americans. Music will be provided by the Mt. Vernon U.M.C. On hand will be Mexican-American young people from Lydia Patterson Institute in El Paso and the Navajo Indian Mission in New Mexico. The five West Texas Conference churches will be asked to furnish representatives.

Mormons Plan Open House To Show Church Addition

MORMON ELDERS — Randolph S. Mellor, left, and Galen W. Harris, missionaries here with the Church of Jesus Christ of the Latter Day Saints, will be aiding members of the local church to show off their Tabernacle today.

Open House will be held today from 7 to 9 p.m. at the Church of Jesus Christ of the Latter Day Saints, 1803 Wasson. The open house is to introduce local residents to the new addition to the tabernacle. A classroom and junior section have recently been added to the building.

Elders Randolph S. Mellor, formerly of Salt Lake City, and Galen W. Harris, formerly of Lewisville, Idaho, will be aiding the open house with guided tours, demonstrations on the origin and history of the church, and posters and displays explaining the basic philosophy of the Mormons. "Man's Search for Happiness," a film on man's destiny, where he came from, why he is here and where he is going, will be shown.

Give Generously

Cooperative Program given by churches in the Baptist General Convention of Texas rallied in April with gifts amounting to \$1,336,323.

That figure is nearly \$128,000 over the budget for April, although the B.G.C.T. is still operating more than \$128,000 under the budget for the period of January through April. Total giving to all mission causes amounts to \$8,536,544 thus far in 1970.

Church Briefs

Latvian Is Guest Speaker

The public is invited Friday at 7:30 p.m. to Baptist Temple to hear the Rev. Charles Singer speak on "How Revival Came to Latvia." The talk will precede a prayer meeting at the church.

Rev. Singer was born in Latvia, then one of the Baltic States. His father turned him out of the house when the boy joined the Baptist Church at 16. He became a minister and founded the Latvian Faith Mission which was active in Latvia and Lithuania until the Soviet Communists invaded the Baltic States. He was also the editor and publisher of a Latvian monthly, "Friend of Youth," and published Gospel books, tracts and Gospel in several languages.

He and his family lived a year in Latvia under Russian rule before the Germans took over the small country and evacuated him and his family first to Germany and then to Austria. In 1949 the Singer family came to the U.S. to settle in California where Rev. Singer began to organize material help for refugees in Europe.

He organized the International Refugee Mission which now supports and assists refugee ministers working among 20 nationalities in 15 lands.

Jim Baum To Be Luncheon Speaker

Webb's Men of the Chapel held their monthly luncheon today at the Noncommissioned Officers Open Mess.

Guest speaker was Jim Baum, vice president and program director of radio station KBYG in Big Spring. His subject was: "Who's Right?"

Baum, heard mornings on KBYG's "Pow Wow," has worked in Big Spring six years. Prior to coming here, he worked at KCRS radio, Midland and played two years of professional baseball in the Pittsburgh Pirate farm system. He and his wife, Margaret, have four children.

Church Women 'Choose Life'

HOUSTON — Approximately 10,000 United Methodist women gathered here for the 1970 Assembly of the Women's Society of Christian Service and Wesleyan Service Guild May 7-10 to discuss such problems as the war in Indochina, turmoil on college campuses, repression and racial injustice.

Meeting around the theme "Choose Life," there was also a focus on "women on the scene" in mission, especially in local communities. The Assembly was a non-legislative body; it took no actions, passed no resolutions or appropriated any funds. The Women's Division of the United Methodist Board of Missions sponsored the gathering for inspiration, study, discussion and fellowship.

Yanks Creep By Senators

By The Associated Press
If when he went to bed Thursday night, Ralph Houk dreamt about Washington baserunners, it was entirely understandable. Houk, manager of the New York Yankees, watched the ace of his staff, Mel Stottlemyre, allow six hits and walk 11 other Senators—not the very best way for a manager to spend his evening.

But when it was all over, none of those many Washington runners had crossed home plate and the Yankees had a satisfyingly bizarre 2-0 victory over the Senators.

In the only other American League game played Thursday night, Cleveland ripped Boston 10-7 and Detroit split a doubleheader with Baltimore, winning the first game 6-4 before dropping the nightcap 3-1.

Houk's patience with the Senator threats ran out in the ninth inning when Washington loaded the bases on a single and two more walks. Lanky Steve Hamilton relieved and with no more room on the base paths, he struck out Mike Epstein and Bernie Allen to end the game.

The Senators stranded 14 base runners in all and if Houk had had dreams, how do you think Williams took it? "There is no excuse," said Williams, "for leaving 14 men on base."

The Yanks managed just three hits but one of them was Danny Cater's two-run homer in the fifth inning, accounting for both runs.

Cleveland and Boston belted each other around but the Indians had more of the long-distance shots and wound up on top.

Ray Fosse's grand slam home run touched off an eight-run Cleveland explosion in the fifth inning that built a 10-1 lead for the Indians. Graig Nettles and Rich Rollins also homered for Cleveland.

Abilene — Stan Lambert and Ken Bridges combined to pitch the Abilene Eagles to a 3-0 victory over Lubbock Monterey in the second game of their Class AAAA bi-district baseball series here Thursday.

Motorcyclists Delay Races
Motorcycle races at Big Spring Raceway's track, located in the old Sahara Drive in west of town, have been cancelled this weekend in favor of a Memorial Day weekend date.

At this time, the program is scheduled for Sunday, May 31, but stockholders in the corporation are thinking of installing lights at the track for a Saturday night show.

If the cost is not prohibitive, that mission will be undertaken within the next few days.

The Tigers barreled to their seventh straight win in National Minor League play here Wednesday, defeating the Hawks, 11-6.

Jimmy McAdoo was the winning pitcher and helped his own cause with a double. Gary Wilkerson, Terry Grantham and Scott Shaver also hit two-basers for the Bengals.

Big Spring (Texas) Herald, Friday, May 22, 1970 7-B

Buy now, save later.

Later when you need gas.
Later when you need repairs.
Later when you decide you might as well drive it a year or two longer than you figured.
Later when you finally go to sell it.
It doesn't do too badly in saving you money now, either.

Dallas County Judge Blamed
DALLAS (AP) — County Judge Law Sterrett came under attack Thursday from county Commissioner Jim Tyson, who said that Sterrett is "solely responsible for the rift that splits the black community and white community" in Dallas.

With Sterrett present, Tyson told a commissioner's court meeting that he didn't think "the judge really represents the people of Dallas."

Tyson and Sterrett have often disagreed on the conduct of the War on Poverty program in Dallas.

Tyson said that Sterrett had created "distrust and polarization" in the county and, referring to the judge's 22-year tenure, said "It is a strange thing that for 22 years everybody on the commissioner's court has been wrong except the judge."

Tyson added, "I get violent letters filled with hate, questioning my patriotism because of this one man spreading hate."

Following the regular meeting Commissioner Mel Price also criticized Sterrett.

"He has split the people from one another and governmental bodies from each other," Price said. "Judge Sterrett has created a chasm you can't step across when you have to work together. It will wreck this county if it continues."

NY Times May Suspend Publication
NEW YORK (AP) — The New York Times, beset by a printers' work slowdown, says it will discontinue publication temporarily on Sunday unless an agreement is reached with Typographical Union No. 6.

Publisher Arthur Ochs Sulzberger announced Thursday that without a settlement the newspaper would suspend publication after its Sunday editions are printed Saturday night, and that employees would not be paid beginning with the Sunday morning shift.

The announcement came as printers in the Times composing room continued to conduct on-the-job union meetings, now totaling 19 hours a day. Negotiations between the printers' union and publishers of the city's four major dailies are deadlocked.

The printers have not said publicly what kind of contract they are demanding, but Local 6 President Bertram A. Powers vowed that his men would not accept a contract that did not meet their needs.

"If it means lockout, we'll willingly take it unless we get what we need," Powers said in the composing room 20 minutes after Sulzberger's announcement.

The Times' announced intention to suspend publication was expected to prompt a resumption of negotiations between the printers and representatives of the Times, the Daily News, and the Post and the Long Island Press.

Parents of Sextuplets — Susan and Martin Danoff were the parents of sextuplets born Thursday in New York. All of the infants, five girls and one boy, died within seven hours of their birth. Mrs. Danoff, 25, was reported in good condition.

Mother Of Sextuplets Had Been Taking Drug
NEW YORK (AP) — A 25-year-old woman who had been taking a fertility drug gave birth to sextuplets Thursday night, but all of the infants died within seven hours.

A spokesman at University Hospital said the infants, five girls and a boy, were born three months premature and weighed less than a pound each.

The mother, Mrs. Martin Danoff, wife of a Manhattan attorney, was reported in good condition. A hospital spokesman said both she and her husband were sad but "philosophical" at the loss of the babies.

The hospital said the infants were born at two-minute intervals, the first at 6:07 p.m. The boy and three of the girls died within two hours, and a fourth girl died about four hours after birth.

The remaining infant, rushed to Bellevue Hospital shortly before midnight for intensive care at a premature infant ward, died at 1:04 a.m. today.

Herbert Kadison, spokesman at University Hospital, said Mrs. Danoff's doctor had expected multiple births, but had anticipated no more than triplets. The Danoffs have a son, who is 3.

He said the fertility drug she had used, known as Chlomid, was not regarded as encouraging multiple births.

The last major multiple birth in New York occurred Feb. 24, when quintuplets—three girls and two boys—were born to Mrs. William Kienast of Liberty Corners, N.J. All five are still alive.

There have been only 20 sets of sextuplets reported born in the world since 1900, the last in December of 1969 to a 23-year-old London housewife.

Registration For Classes Slated
Students planning to attend the elementary summer school in reading and math should contact the principals of their schools, Mrs. Mary Arnold Hefley said.

Students from out of town should contact Mrs. Hefley (phone 7-8246) at the administration building. Each class lasts two hours each morning from June 2 to July 10. Tuition is \$30 per course.

Marketing Award
NEW YORK (AP) — Actress Joan Crawford, now a businesswoman, has won a plaque for distinguished achievement in the science of marketing.

Horoscope Forecast
TOMORROW
—CARROLL RIGHTER

GENERAL TENDENCIES: A beautiful day to think out what you want for the future and how best to go about accomplishing this. Make plans to do some traveling which could result in new contacts and friendships. Give some thought to fine philosophies.

ARIES (March 21 to April 19) Listen to the suggestions of experts and successful persons if you are to get the most out of the rut you are in and are to advance. New ideas can bring you the success you want. Be active and you will feel better.

TAURUS (April 20 to May 20) Take care of your responsibilities satisfactorily so that everyone concerned will be satisfied. You can find much happiness with a loved one in the evening. Go to some fine restaurant for dinner.

GEMINI (May 21 to June 21) Come to a far better understanding with all associates and make the right arrangements for the future. State your aims, views. Don't permit a know-it-all associate to annoy you. Smile.

MOON CHILDREN (June 22 to July 21) Get an early start and take care of all that work ahead of you. Co-workers will be pushy but it's only because they see the need for speed. Be happy tonight.

LEO (July 22 to Aug. 21) An ideal day to entertain those to whom you owe special favors, and have a good time yourself as well. Bring your finest talents to the fore. Avoid those persons who like to waste your time.

VIRGO (Aug. 22 to Sept. 22) Being more thoughtful of home can bring far more harmony into that important realm.

of your existence. Buy those appliances that make the home run more smoothly. Be particularly kind with children.

LIBRA (Sept. 23 to Oct. 22) Shop early so that you have more time with friends later. Have a more positive attitude toward what you want and how to get it. Don't be so hesitant.

SCORPIO (Oct. 23 to Nov. 21) Finances are on your mind now and if you consult experts, you find you can add much to your present abundance. Think more about how you can achieve greater financial security. The evening can be particularly interesting for you.

SAGITTARIUS (Nov. 22 to Dec. 21) Be direct in going after what you want and make your life happier. Go out socially and see those you have not had time to see lately. Renew old acquaintanceships. Be cheerful.

CAPRICORN (Dec. 22 to Jan. 20) Devote some time and thought to what you want to do in the future and how best to gain your particular aims. Make careful preparations. Get information you need from authorities in your line of endeavor.

AQUARIUS (Jan. 21 to Feb. 19) This is the right time to be the gregarious Aquarius which everyone loves and make the right new connections as well. Go out socially and dress for the occasion.

PISCES (Feb. 20 to March 20) You know better now how to make others more friendly toward you and gain their help in important aims you have. Improve your image with the public in general. Use every ethical means possible.

Officers Recapture Three Fugitives
AMARILLO (AP) — Officers and Reinhart were taken into custody but Blanks escaped on foot.

Friday had captured three prisoners who escaped Thursday from a Potter County sheriff's patrol car in Amarillo.

Wesley Blanks, 27, was recaptured on Amarillo's west side after sunrise this morning.

The other two, Billy Don Graves, 23, and Doyle Reinhart, 27, were captured near midnight Thursday.

Assisted by a helicopter, city and state police conducted a manhunt on Amarillo's west side, where they stopped a car containing the three escapees Thursday night. Graves

The trio escaped in a sheriff's patrol car Thursday afternoon while Deputy Roy Brewer was returning them to the county jail after a trip to a doctor's office. All were handcuffed.

Brewer was thrown from the car, which was found several hours later in North Amarillo.

Blanks has been sentenced to 25 years in prison for armed robbery. Graves is serving 10 years for theft and Reinhart 12 years for burglary. All are from Amarillo.

The Exciting New Brush-and-Go Wig For Gift Giving . . .

WIGS (straight or curly)
