AMBASSADOR RELEASED BY KIDNAPERS — Ehrenfried von Holleben, West German ambassador to Brazil, is flanked by state policemen as he makes his way through crowd of newsmen after being released by kidnapers in Rio de Janeiro Tuesday night. He was freed on a Rio de Janeiro street nearly 24 hours after the arrival in Algiers of 40 political prisoners whose freedom was demanded by the kidnapers.

Ambassador Says He Is All Right

RIO DE JANEIRO (AP) — The West German ambassador to Brazil was released Tuesday night, had a quick snack of orange juice and eggs and told newsmen he would tell them later about his five-day ordeal at the mercy of political kidnapers.

Ambassador Ehrenfried von Holleben was freed on a Rio de Janeiro street nearly 24 hours after the arrival in Algiers of 40 political prisoners whose freedom was demanded by the kidnapers. The diplomat was given a ride home by a young lawyer who recognized him.

THIRD TIME

It was the third political kidnaping in Brazil since last September, and the ninth of a diplomat by antigovernment forces in Latin America. All have been released unharmed except Count Karl von Spreti, the West German ambassador to Guatemala, who was murdered last April after the Guatemalan government refused to free prisoners demanded as ransom.

Von Holleben was pulled from his car last Thursday by nine young men and a woman carrying machine guns. They killed one Brazilian security guard and wounded two others before speeding the envoy away. Leaflets strewn on the street identified the kidnapers as members of the Popular Revolutionary Vanguard, an underground leftist group opposing the military regime in Brazil.

TIRED, WORN

"Yes, I'm all right," the 61-year-old diplomat said as he got out of the car in front of his residence. He looked tired and worn, and his tan suit was wrinkled and creased, but he seemed to be in good shape otherwise.

The ambassador appeared on the balcony of the embassy residence and read a brief statement saying he was "very grateful to all who stood by me." He expressed grief over the slaying of the security agent in the kidnaping.

The young man who brought von Holleben home, Sergio da Costa Apolinario, said he was parked in the northcentral section of Rio when the ambassador approached and asked for help. Apolinario said von Holleben did not talk much during the ride but did say he was all right.

Planes Crash Near El Paso

EL PASO (AP) — Two Air Force planes, a KC135 tanker plane and an SR71 reconnaissance plane collided in the air near here today.

The tanker plane was not seriously damaged but the SR71 crashed in the area of U.S. 62 and U.S. 180. The two pilots ejected safely and were taken by helicopter to William Beaumont General Hospital in El Paso.

The SR71 was on a training flight from Albuquerque, N.M. The Texas Department of Public Safety kept tight security around the wreckage of the downed SR71.

Nixon Unveils Triple Barriers To Inflation

Calls Fight 'Everybody's Business'

WASHINGTON (AP) — President Nixon announced today the erection of a three-way governmental barrier to spiraling inflation, while promising:

"I will not take this road down the road of wage and price controls."

Nixon thus gave way to the increasing pressure for a policy of voluntary restraint on wages and prices.

In a nationwide TV-radio broadcast on economic policy, he lectured business and labor on their responsibility to refrain from excessive markups.

"The BIZ is the enemy of inflation is everybody's business," the president said.

He announced these actions to curb the rise in inflation.

The National Commission on the Causes and Prevention of Inflation will be named with representatives from business, labor, government and the public to study and ways to curb inflation. The commission will report to the president by the end of the year.

A National Council of Economic Advisors will be named to advise the president on inflation.

The president said he will call for a new tax law to curb inflation.

ALMOST 100 couples danced tonight at the rodeo festival on the main square in Big Spring, and scores of couples turned out to do-si-dance to the delight of hundreds of others.

Nail For Biggest Rodeo

event so far this season.

Bob Berger, Halstead Kan., who is giving Mahan fits at second place with almost \$15,000 in his pocket so far, is here.

Warren Wuthier, a calf roping ace from Banner, Wyo., has rated fourth place in all around standings so far and Paul Mayo, 1966 bareback bronc champion, has pulled in enough to stand fifth.

Texan Clyde Vamvoras, Burk Burnett, has a strange hold on the lead in bareback bronc riding followed by Ace Berry, Modesto, Calif.

Going at it tooth and nail in saddle bronc riding are Canadian great Mel Hyland, Port Kells, B.C., first place and Dennis Reiners, Clara City, Minn. in second. Both will be here.

Bull riding specialists Mahan and the man in second place,

Dickie Cox, another Texan hailing from Walnut Springs, tie into it this week.

Wuthier sits on the second place saddle in calf roping and tries to add to his earnings this week. Buttons Howard, Minnewaukon, N.D., fifth place contestant tries to add to his loot.

Barrel racing girls from the area include Terry Lewis, Big Spring, Mildred Farris, Addington, Okla., and Pam Upton, San Angelo.

Competitors meet tonight through Saturday in Rodeo Bowl. The grand entry gets underway each night at 8:30 p.m. and tickets are \$2 for adults and \$1 for children. A few box seats may still be available at the Chamber of Commerce.

The big parade begins promptly at 4:30 p.m. today and

to have several floats, the Big Spring High marching band, sheriff's posse, riding clubs, antique cars and members of a motorcycle riding group.

Following the parade Kiwanians will feed hungry cowboys at the rodeo arena and Big Springers in Comanche Trail Park for \$1.25 per plate. Charlie Merritt, expert barbecuer, put more than a thousand pounds of beef on the coals.

Toni Channess, Brownwood, selected queen of the AASP and RC will greet rodeo fans during the grand entry.

Specialty acts and rodeo clowns will entertain the fans each night and the five traditional events plus girls barrel racing will offer spine tingling entertainment for four nights, Monday through Saturday.

Lights Out In Lubbock

LUBBOCK, Tex. (AP)—Work crews struggled feverishly to restore electrical power to some 7,500 homes and businesses before start of the workday Wednesday following a massive blackout which affected an estimated 25,000 persons on the city's west side.

The crews were channeling in power from the Southwestern Power Co. to the affected area following boiler failure Tuesday at a city-owned Lubbock Power and Light Co. main generating plant.

Houston Census Shy Of 1,300,000

HOUSTON (AP) — An unofficial source said today the Houston preliminary census to be announced this afternoon would fall just short of the 1,300,000 mark. The 1960 count was 938,219.

STILL WARM

Partly cloudy and continued warm through Thursday, high this afternoon and Thursday near 100, low tonight in the mid 70's. Southerly winds 10-25 mph.

HOUSTON (AP) — Love, love, a 25-year-old Houston, hunk to the side of a 1967 Buick Tuesday night, and love brought him back down.

Gary D. Lynch, an auto parts clerk was talked down from the grinders of a construction elevator on the side of the new western Bell Telephone Co. building by his estranged wife who told him she loved him.

He had climbed up an hour and a half earlier after first telephoning police that he was going to commit suicide to prove to his wife that he loved her.

After he was down, his wife, Doris, 21, a car hop, said, "I don't know what is the matter with him."

Lynch called up the police Tuesday night and asked a dispatcher to send a police car to his home to pick up his wife so she could see him jump.

Then he started climbing the open frame of the elevator, attached to the outside of the building.

As police and firemen arrived, Lynch stopped about halfway up and tied a rope around his neck and fastened the rope to the structure.

He later untied the rope and climbed just below the elevator cage which was at the top of the building.

While waiting for his wife to arrive, Lynch told Harry Speer, a member of the Harris County Emergency Corps, that his wife "just wouldn't believe I loved her. So this evening I left her a note, kissed the kids goodbye, and came out here to jump to prove my love."

The couple have two small daughters.

When Lynch's wife got to the scene, dressed in shorts and with curlers in her hair police rushed her to the top of the building.

SKETCH OF ALL FAITH CHAPEL — A rendering by architects Gary & Hohertz of the new All Faith Chapel at Big Spring State Hospital, for construction of which first dirt will be turned Thursday afternoon. The vaulted roof is over the sanctuary;

wings provide offices and counseling space for chaplain and other ministerial services as well as small meeting areas and public lounges.

Ground Breaking Thursday For State Hospital Chapel

The dream of many people associated with Big Spring State Hospital will move closer to reality Thursday afternoon when the first shovel is turned at the future site of the hospital's All Faith Chapel.

Several hospital, government and community leaders plan to be on hand for brief ground-breaking ceremonies beginning at 1 p.m. at the site just east of the BSSH administration building. Hospital officials emphasize that the public is invited to witness culmination of an area wide effort.

From throughout the hospital

area, a year's solicitation of funds has raised the chapel fund to nearly \$158,000 — enough to cover the cost of the building but short of the amount needed to fully furnish and equip the interior.

June 4 the construction contract on the building only was awarded to low bidder, Houston Hill, Inc., Midland, for \$125,800. Actual construction of the "T" shaped, 8,100-square foot structure should begin shortly, Architect Daryle Hohertz said Tuesday.

The contract was signed last week and subcontracting is well

underway, Hohertz said. The contract calls for a 180-day completion date.

A non-denominational place of worship designed to seat more than 300 people, the chapel will be constructed of brick veneer of a brown earth tone and topped with a cedar shingle roof.

The edifice includes the 48x68 foot chapel proper and a 14x18 foot vestibule in the center. The wings of the building provide space for storage, offices, a library, lounge, meeting rooms, a reception room and a kitchen area.

Those scheduled to participate in the ceremonies include: Dr. Preston Harrison, BSSH superintendent; Rev. Lee Butler, hospital chaplain; Dr. Harold Smith, Volunteer Council chairman; Frank Hayford, Midland, Chapel Fund chairman; Jack Y. Smith, former volunteer chairman and treasurer of the Chapel Fund; Lee Porter, Howard County judge; Ralph Caton, 118th District judge; Arnold Marshall, Big Spring mayor; and Paul Meek, president of the Chamber of Commerce.

SMALL VICTIM — A South Vietnamese child, badly burned from a Viet Cong attack on the village of Ra Nen, awaits medical treatment on bed in a Da Nang military hospital. In the attack on the village about 17 miles southeast of Da Nang, the Viet Cong reportedly killed 114 civilians and wounded 70 others.

Ambush Cambodian Force Trying To Reopen Road

PHNOM PENH (AP) — Communist troops took over part of another provincial capital in Cambodia today and ambushed a Cambodian army force trying to reopen the vital highway between Phnom Penh and the country's only oil refinery, the Cambodian Command reported.

Another provincial capital also came under heavy pressure from North Vietnamese and Viet Cong units, a military spokesman said.

SEIZE HOTEL

There was no confirmation in Saigon of reports that at least one regiment of Thailand's Black Panther Division would be moved from South Vietnam to reinforce the defenses of Phnom Penh. But an informed source said about 6,000 of the Thai troops would be shifted "within 15 days," and some of them might be deployed around Siem Reap and the temples at Angkor, in northwest Cambodia.

less than 100 miles from the Thai border.

The Cambodian spokesman said advance enemy units had seized a hotel and the central market in Kompong Chhnang, a provincial capital 55 miles northwest of Phnom Penh, but the rest of the town was still held by government forces.

The enemy's presence in Kompong Chhnang, after several days of intermittent shelling and minor skirmishes, cut the last road link between Phnom Penh and northwest Cambodia including Battambang and the Siem Reap-Angkor area.

GROWING THREAT

At Kompong Thom, a provincial capital 80 miles north of Phnom Penh, Communist troops shelled government military positions overnight. The government spokesman said reinforcements were moved in by helicopter in the face of a growing enemy threat.

With its attacks scattered

over a wide area in all directions from Phnom Penh, the Communist command appeared to have succeeded in one of its reported aims—to draw the Cambodian army's strategic reserves away from the capital and spread it over a wide area. Phnom Penh is considered the ultimate target of the current Communist offensive.

The Cambodian spokesman said the government force trying to open the highway to the coast was ambushed at Trapeang Kraleng, 16 miles west of Kompong Speu, the provincial capital which South Vietnamese and Cambodian forces recaptured Tuesday.

FUEL SHORTAGE

The spokesman had no details, but he said the Viet Cong and North Vietnamese abandoned Kompong Speu apparently had withdrawn westward along the highway, Route 4. The highway is the main over-

land supply route between Phnom Penh and the port of Kompong Som, formerly Sihanoukville, site of the country's only oil refinery. Stores of fuel oil and gasoline in the capital are dwindling, and the city may be hit by a fuel shortage and power cuts.

The U. S. Command in Saigon reported a total of 291 Americans killed and 1,306 wounded in all operations in Cambodia since April 29, while South Vietnamese losses are reported to be 737 killed and 3,286 wounded. The allied forces claim 11,889 enemy troops killed and 1,460 captured.

TERRORISTS KILL

Allied spokesmen reported another day of scattered fighting in South Vietnam, with a total of 118 enemy killed. The only allied casualties reported were five—South Vietnamese killed and eight wounded.

Nursing Homes Can Collect Bit More Funds If . . .

AUSTIN (AP) — Nursing homes can collect more from state and federal funds for patient care if they meet certain conditions, the state Welfare Department says.

The Department announced new vendor rates Tuesday, providing a jump in maximum Medicaid patients from \$360 to \$381 per patient in nursing homes.

For the two classes of intermediate care, mostly by unskilled labor, the nursing homes would have present Medicaid payments decreased but would be allowed to charge an extra \$25 a month "supplementation" from some source other than the patient or his family. This would decrease one present intermediate care rate from \$300 a month to \$294 but allow \$25 supplementation to permit a new maximum of \$319. The lowest intermediate care charge would decrease from \$210 to \$198 but allow an extra \$25 supplementation for a new maximum of \$233.

The state Department of Pub-

lic Welfare has no obligation for collection of any of the supplementation funds.

No patient could be denied intermediate care just because there is no source to pay the \$25 supplementation, the new order said.

Census Brag By Houston

HOUSTON, Tex. (AP) — The Census Bureau will release figures for Houston this afternoon. "I think everybody will be pleased with the total population figures of Houston and Harris County," Richard E. Henry, a district manager for the Census Bureau said Tuesday.

Henry said the figures show Houston is still the largest city

in Texas.

"Also I think Houston is going to show a bigger percentage growth than compatible cities," Henry said.

"We're very proud. We think there was a real good job done here in Harris County and everybody is going to be very happy with the results," he said.

He said Houston is the first city with a population of more than a million to get clearance to release figures from the Bureau of Census in Washington.

The city's population has been estimated at 1.3 million, making it the nation's sixth largest.

East administered a lethal thrust against South's four heart contract by seizing the initiative at the crucial moment in order to make a play for his partner.

West opened the seven of diamonds and declarer played the jack from dummy which held the trick. He had an alternative of playing the ace of diamonds and taking a spade finesse subsequently, however West appeared marked with the queen of diamonds by virtue of his overcall at the level of two.

The eight of hearts was led at trick two and West won the trick with the jack. He chose to continue with the queen of diamonds despite the fact that he knew both his partner

and the declarer had no more of that suit. South played the six from dummy and East was confronted with a key decision.

If East ruffs in with the four of hearts, South overruffs and a trump lead will crash the king and ace of hearts together. Declarer can afford to lose a spade trick subsequently, inasmuch as the defense has been limited to two tricks in hearts.

If East discards on the second diamond, he is no better off, for after South ruffs, another heart lead puts West in again with the king. The latter is unable to play a spade himself without giving declarer a trick, and any other return provides South with the opportunity to discard his losing spades on the ace and king of diamonds.

East found the killing defense, by ruffing his partner's queen of diamonds with the ace of hearts, on which South discarded the ten of spades.

A spade was returned. Declarer put up the ace and crossed over to the king of clubs to lead the ace of diamonds. East ruffed with the four of hearts and South overruffed. When the latter attempted to enter the dummy with the ace of clubs to discard his remaining spade on the king of diamonds, West trumped in with the king of hearts and cashed the king of spades for the setting trick.

Oil Production Allowable Cut

AUSTIN (AP)—The maximum limit on Texas' oil production was lowered today for July, the third consecutive month the Railroad Commission has cut the allowable. It was set at 55.5 per cent of potential.

The allowable will permit maximum production of 3,215,437 barrels a day in July, compared to 3,369,936 barrels daily this month under a 59 per cent factor.

Major purchasers' written nominations for oil next month totaled 3,099,353 barrels a day, a decrease of 37,674 from June. The Bureau of Mines forecast for demand of Texas crude oil in July is 3,350,000 barrels a day, an increase of 80,000 from this month.

Total nominations were reduced from the floor when Shell Oil Co. lowered its nomination from 5,000 barrels a day from June.

None of the 14 major buyers of Texas crude asked the commission for more oil in July than this month, eight wanted the same amount and six requested less oil next month than in June.

Sweet Smell Of Success!!!

HARTFORD, Wis. (AP) — Police officer Hugh Carpenter of the Juvenile Division gives talks on drugs to school children as part of his job.

In a talk last month to eighth graders at St. Kallian's School, he burned wafers that give off a smell similar to marijuana.

On a class outing Monday at Devil's Lake State Park some of the St. Kallian's pupils sniffed what they said smelled like those wafers. They talked to their counselor and he called the park ranger.

Four young people were found nearby, arrested and charged with possession and use of marijuana.

Dr. Cardozier Is UTPB's Academic Vice President

ODESSA — Dr. B. H. Amstead, president of the University of Texas of the Permian Basin, has announced Dr. Virgus Ray Cardozier as vice president for academic affairs at U.T.P.B. He will assume duties Sept. 1.

DR. B. H. CARDOZIER

Dr. Cardozier currently is head of an applied social sciences department and a professor of higher education at the University of Maryland in College Park. He was here this week to confer with Dr. Amstead.

He is the third administrator appointed by Dr. Amstead. The other two are Dr. B. Don Sullivan, assistant to the president, and Dr. R. C. Thompson, acting vice president for business affairs.

Dr. Amstead called Dr. Cardozier's appointment "the key to the success of our college's academic program."

The U.T.P.B. president explained that administrators of the new university at Odessa must begin work now if the school is to be ready to offer a full slate of courses in September, 1973.

Dr. Cardozier's duties will include not only academic planning, but also assisting in recommending building designs, studying ways to minimize costs, and hiring faculty members. The new vice president also will be in charge of the development and administration of all degree programs in all colleges of the university. And he will be the administrator of the library and research projects.

Prior to taking the post at the University of Maryland, Dr. Cardozier was an associate professor of education specialist in industry in Memphis, Tenn., from 1952-57, a graduate assistant in education at Ohio State University in Columbus in 1952, and an agriculture teacher in Louisiana public schools from 1947-50. In 1959 he was a specialist in research for the US Office of Education. A former US Army field artillery officer, he served in the Philippines during World War II. He is a graduate of Louisiana State and Ohio State Universities.

Oil Property Valuation Slightly Below 1969

Valuation on Howard County oil property was cut this year by about \$500,000, but County Judge Lee Porter said this morning this is only about \$5,000 in tax money.

Representatives of Pritchard and Abbott, oil property evaluation firm, met this morning in the county courtroom to discuss valuation figures with representatives of the oil companies concerned.

Most of the loss occurred in the Hutto, Howard-Glasscock and Snyder Fields. Earl Bruce, Pritchard and Abbott representative, said. Most of this loss was caused by a decline in production.

Bruce told school board of equalization members that the school valuation had remained steady, because most of the county losses were outside the Big Spring Independent School District. However these losses could cause some changes in the Forsan County Line Independent School District and the Coahoma School District, which will be hardest hit by the declining production.

Bruce told the equalization boards that the decline in production is very common in West Texas, and that this trend has been developing for several years.

"There is not enough a new development to offset the loss in the older areas," Bruce said. Judge Porter, speaking for the commissioner's court, said they have no intention of raising the percentage rate this year, and that figures show the county will have an \$80 billion tax roll again this year.

In 1969, industry accounted for \$42,085,000 of the tax roll. This year, Bruce said, the figure will be reduced to approximately \$41.6 million, or 52 per cent of the roll.

The number of wells producing last year in the county totaled 3,531. This year there are 3,543, although this does not show an accurate picture in the number of new wells.

"We have had a lot more new wells drilled, but we have also lost some of the older ones," Bruce said.

To offset the field losses, Bruce said the Big Spring-Fusselman Field gained eight new wells and many of the smaller fields have gained new wells.

Bruce said almost the entire Hutto Field taxation comes from new wells which have not been taxed before. The highest taxation is on new wells, with taxation decreasing gradually the older the well gets and the more production declines.

Howard County has 45 different producing formations and such oil companies as Continental, Chevron, Skelly, Amerasia-Hess, Shell, Mobil and Cosden responsible for the major portion of taxation. Cosden valuation is predominantly in the plant, not in production, Bruce said. Such utilities as Pioneer Natural Gas and Texas Electric join smaller co-ops for a big share of the taxation, Bruce said.

Judge Porter welcomed approximately 25 oil company representatives to the equalization hearing at 10 a.m. today. The hearing is to give oil men the opportunity to discuss their valuation with Pritchard and Abbott representatives.

"We'll try to understand your problems, if you'll understand our problem — money," Judge Porter said.

Bob Reagan, Skelly Oil Co., commended Judge Porter and members of the commissioner's court for their work with the oil companies in past years. Judge Porter and County Commissioners Bill Tune and Ray Nichols will be leaving the court Jan. 1. County Commissioners, which also include Bill Crocker and Simon Terrazas, act as board of equalization for the county and Howard County Junior College.

Members of the school board of equalization for the Big Spring Independent School District are Billy T. Smith, chairman, E. S. (Pat) Murphy, and Jack Shaffer.

Guardsmen Slate Camp

Fort Hood, that vacation spot well known by Texas National Guardsmen, will be the summer training site again for the Big Spring artillery detachment, Battery A of the 3rd Battalion. Its two-week tour of active duty will last from July 18 to Aug. 2.

According to Sgt. Douglas Hedges, the unit will set out for camp on Saturday, July 18, and make about half of the journey. Members probably will field bivouac near Goodthwaite and complete the trip to Killeen the next day.

Field maneuvers at summer camp will give the artillery unit a chance to practice its marksmanship while matching performance against those of other units training at the same time.

Only 29 members of the 55-man unit will be able to go to summer camp this time. The remainder are newer enlistees who will be completing their basic training obligation at that time. About 19 are presently in boot camp, with another seven slated to leave for basic training in two weeks.

Pair Charged In Swindle Here Arrested At Del Rio

Richard Monroe Smith and Allen Quincy Taylor, formally charged here Feb. 26 in connection with a fraudulent real estate deal, said Standard. According to a complaint filed Feb. 11, one of the pair calling himself Dan Walker called on the woman on three occasions offering her a partnership in the purchase of the Carlton House.

The woman was allegedly required to put up \$27,200 as her part in the "deal." The woman reportedly gave the man her share on Feb. 10 and became suspicious when she heard no more from "Walker" and filed a complaint with the Howard County Sheriff's Department.

According to Standard, officials here are awaiting further notice on the suspects as they are wanted on other charges in other areas.

Technical Group Plans Upgrading

A society aimed at upgrading technical training across the state was organized during a week-long workshop on teaching technical courses held on the James Connally Campus of the Texas State Technical Institute in Waco.

M. A. Long, Howard County Junior College was one of 37 technical post-secondary teachers attending the workshop concerned with techniques on the teaching of such courses on air conditioning and refrigeration, and welding and automotive technology.

Some of the aims of the new technical society are to upgrade technical instruction, draft a uniform code of ethics, help students seek employment, create a better relationship between industry and schools, and to upgrade teacher qualifications.

At UF Workshop

United Fund Executive Secretary Mrs. Alyce Butler and Campaign Secretary Mrs. Mary Lawton will attend a UF workshop in Lubbock next Wednesday in preparation for the fall donations campaign. The workshop will be held at the Koko Palace all day June 24 and Mrs. Butler said all phases of campaigning will be discussed.

Returned Here From Hospital

A deputy from the Howard County Sheriff's Department will be dispatched to Rusk State Hospital later this week to return Claudy Collins to Big Spring, said Sheriff A.N. Standard.

Collins is being returned to Big Spring in connection with the 1950 slaying of Lun Bailey Jr. Collins has been under treatment at Rusk since the alleged murder and was recently released. Collins will remain in custody, said Standard, unless he is allowed to post bond on the 1950 charge.

YEAH, YEAH IT'S HOT!

Temperatures here hit three figures for the first time this summer with Tuesday's high of 102.

Although it didn't set any records, yesterday's scorcher tallied up some overtime for city air conditioners and brought on an occasional hankie to the forehead.

Tuesday's 102 was 10 degrees below the high set for that date in 1924.

Notices Mailed To Veniremen

Notices have been sent to 120 prospective jurors for 118th District Court. Prospective jurors are to appear in 118th District Court at 10 a.m. Monday.

Jurors will serve on the eight cases scheduled for trial beginning Monday. Four cases have been postponed.

Report Spells Out Negro Job Gains

WASHINGTON (AP) — Negro married men made substantial strides toward parity with whites in new blue collar jobs during the last decade, a special U.S. Census Bureau report disclosed.

Negroes, who represent only 11 per cent of the population, got 28 per cent of the new craftsmen and operative openings that went to family men between 1960 and 1969, the report said.

During the same period, the bureau said in the unpublished report, the median income of the married Negro blue collar worker jumped 44 per cent while income for white married men in the same occupations rose 27 per cent.

The report dealt only with the earnings of black and white husbands and did not include the 30 per cent of the nation's 5 million Negro households headed by a woman.

Craftsmen and operatives include industrial workers as well as specialists such as carpenters and plumbers. Not included are clerical and sales workers, service employes and laborers.

Poverty expert Sar Levitan of George Washington University's Center for Manpower Policy Studies said the figures indicate a slow but sure breakdown in racial barriers.

"They are very real changes," the economist said. "They are not just isolated in any particular geographic area or in any specific industry."

The Census Bureau prepared the tabulation at the request and expense of Levitan, who is studying America's blue collar work force.

"We are talking about a total of 1.4 million new jobs with \$85,000 of them for Negroes. That's not tokenism if Negroes get nearly 30 per cent of the new jobs. That's way above their proportion of the population," Levitan said.

NEWARK WINNER — Mayor-elect Kenneth A. Gibson shouts, "Right On," to supporters gathered to cheer his victory Tuesday over Mayor Hugh J. Addonizio in Newark, N.J. Gibson, becoming the first black mayor in a large Northeast city, won with 54 per cent of the votes.

Newark's Mayor Accused Of Corruption Loses Race

NEWARK, N.J. (AP) — Kenneth A. Gibson, a 38-year-old civil engineer, has been elected as the first Negro mayor of a major Northeastern city, defeating an incumbent accused of corruption in office.

A runoff election Tuesday gave Gibson victory by 54,892 votes to 43,339 for Mayor Hugh J. Addonizio, 56, who held the office for eight years and ran for another term while standing trial on federal charges.

After Gibson was declared winner, hundreds of Negroes paraded the main street of this racially divided city, New Jersey's largest, some shouting "Power to the people!" and waving clenched fists in a Black Power salute.

Gibson, pledging to work for

an end to chronic black-white confrontations, declared: "We must begin to reconcile this community at this moment."

Newark, with a population over 400,000, has a majority of black residents, but Negroes trail whites three to two in voting registrations.

The key to Gibson's victory appeared to be white votes from areas where former Fire Director John Caulfield, who endorsed Gibson, ran strongly in the first election May 12.

Gibson, who takes office July 1, will face a City Council dominated by whites and Addonizio supporters, although he carries three Negro councilmen into office with him.

Two Gibson men ousted veteran Negro Councilmen Irvine

Turner and Calvin West, who were aligned with Addonizio and who were indicted with him on federal extortion and conspiracy charges. A third indicted councilman, Frank Addonizio, a distant cousin of the mayor, also lost.

Addonizio, a member of Fordham University's famed "Seven Blocks of Granite" football team and a war hero, served seven terms in Congress before returning to Newark to become mayor.

Addonizio and 14 other—mostly city officials, but including alleged Mafia leader Anthony "Tony Boy" Boiardo—were indicted last year on extortion charges, stemming from an alleged \$253,000 in kickbacks on city contracts.

Crain Enters Plea In Blount Death

The last of the three persons charged in connection with the December, 1968, shooting death of A. D. Blount has been sentenced to prison.

Bobbie Randal Crain, 23, pled guilty Tuesday in 161st District Court in Odessa and was sentenced to 10 years in prison as an accessory to the murder.

Rae Bourbon, 76, and Bobby Eugene Chrisco, 23, have both been sentenced to life terms. Chrisco, charged with the actual shooting of Blount was tried in Big Spring and is now in the state prison in Huntsville. Shortly after his sentence Chrisco indicated he would not appeal but he has recently contacted the district clerk's office here about transcripts of his trial, which could indicate he may consider an appeal after all. Bourbon was sentenced in Brownwood Feb. 21 and is still in the Brownwood jail awaiting results of his appeal.

Both Crain and Bourbon were granted changes of venue following Chrisco's trial here last fall. Crain was transferred to the Ector County Jail Nov. 6, 1969.

Judge R. W. Caton, 118th District Court, who presided over the Chrisco trial, granted the changes of venue after attorneys contended too much publicity had been given the case and Chrisco's trial to allow a fair trial for the remaining two.

The three Kansas City men were extradited to Big Spring in the spring of 1969 after the gun used to kill Blount was found and traced to Bourbon.

Crain was held in Howard County Jail from Dec. 30, 1968, to Jan. 27, 1969, when Judge Caton ordered Crain discharged on the grounds that the state did not show probable cause in holding him.

Crain was indicted by the Howard County grand jury the day after his release and subse-

BOBBIE CRAIN

quently was returned to Big Spring from a Kansas City mental hospital.

Blount, 40, was shot to death about 10:30 p.m. Dec. 9, 1968, in the hallway of his apartment in the rear of the Pet-A-Zoo, one mile south of Big Spring on U.S. 87.

Sheriff's deputies launched an investigation which led to the recovery of a .45 calibre automatic, on the right of way of U.S. 87 South which ballistics tests confirmed as the murder weapon, and the arrest of the three men in Kansas City.

Testimony in the Chrisco and Bourbon trials indicated Bourbon had left 70 dogs, five cats and two skunks to board in Blount's facilities and was involved in an argument with the pet shop owner over charges for their care. Bourbon was indicted with hiring Chrisco to murder Blount. Crane was charged as an accessory by driving Chrisco from Kansas City to Big Spring.

Dear Abby

DEAR ABBY: When our daughter graduated from high school, she was described as "a highly intelligent, well-adjusted, clean-cut girl," so we were confident that we could send her away to college.

Well, she has completed her sophomore year and we have just learned that our confidence in her was badly misplaced. During her first year we noticed that her friends appeared to be the "hippie type" but she defended them, saying they were "good kids" and they all looked like that.

Last summer she worked at a resort. We visited her frequently and noticed nothing amiss. However, now we know that she sometimes slept with boys who were casual dates. Also, she slipped away one weekend to attend a "rock concert" with three "guys" she hardly knew, and slept in one room with them.

How does a well brought up girl turn into such a tramp? She had love, a happy home, and a religious background. My wife is under a doctor's care now and seems headed for a nervous breakdown.

Perhaps if you publish this letter, some other kids will see it and stop short of wrecking a happy family. We have another daughter, younger, and it sickens me to admit that my wife and I have lost all desire to bring her up. We feel that teaching decency and honor to today's children is useless.

DEFEATED FATHER: In spite of the best parental guidance, and the ultimate in examples of "morality" at home, our young people today are faced with temptations we never knew. (Drugs, freaky friends, the horrifying fear that there will be no "world" soon. Who knows?)

In any case, even though your eldest daughter fell under the influence of her peer group, I urge you not to abandon your responsibility as parents now. And the younger one deserves your best efforts, too. These are times when our children need our love and understanding most.

DEAR ABBY: I am not a hippie. I am not a rebellious student. I am a girl, 18 years old. I don't drink or smoke. I don't use pot or LSD and I don't stand on street corners waiting to be picked up.

I am a virgin and no boy puts his hands where they shouldn't be. I have plenty of dates. So what's my problem? In your column you labeled me (and countless others) as having no respect for ourselves.

Why? Because we walked with a boyfriend with our hands around each other's waists, or we sat close together in a car. So what's wrong with an expression of affection and love these days? Would you rather we hid our feelings in the back seat of a car? Would that be more "proper?" No one would see us there.

DISAPPOINTED IN YOU: DEAR DISAPPOINTED: Aw, come on! There is nothing wrong with young lovers (and older ones, for that matter) expressing honest affection in public — TO A POINT. But that "point" ends when they put their hands where they shouldn't be, exchange passionate kisses before God and everybody, and give the general impression that they are in a bedroom. (Or would like to be!)

What's your problem? You'll feel better if you get it off your chest. Write to ABBY, Box #9700, Los Angeles, Calif. 90069. For a personal reply enclose stamped, addressed envelope.

TCMA Elects Lubbock Man

DALLAS (AP) — The Texas City Management Association closed out its spring meeting in Dallas Tuesday by electing Boll Blackwell of Lubbock its next president, starting in October.

Bob Sherrill of Richardson was named vice president and John Lee of Victoria was named the association's representative to the Texas Municipal League.

Additions will be made to the association's board of directors in October. Clifford A. Johnson of Grand Prairie, now president, said \$40,000 of federal and state money had been contributed for a new and continuing educational program for city managers in Texas.

During their meeting the city managers discussed transport, housing, finance, shopping center development and related subjects.

They also approved a new constitution and bylaws for the association. These will allow some other officials having urban administrative responsibilities similar to those of city managers to be admitted as members of the association.

Reflecting Signs On Base

New on-base street name plates have blossomed at Webb AFB.

The old white signs with raised black letters have been replaced by reflective white letters on a green background to aid in night identification. The reflective principle is the same used on base stop signs.

Charles Smith, civil engineering painter, who is responsible for making about 90 per cent of the signs seen on base, explained that the basic tool is a special silk screen stretched across a hinged wooden frame.

A pattern is cut from thin adhesive film and applied to the screen. That procedure is the most time-consuming, but once done, innumerable signs can be made from the same pattern. The technique is a boon to Smith who often has to paint several signs of the same lettering, such as traffic signs, exit signs or no smoking signs.

Using this technique he can make up to 50 decals per hour. In the case of the base street signs, and any reflective signs prepared in the sign shop, the screen is used in applying a coat of transparent paint to a reflective material. The paint is poured onto the screen and distributed evenly across the pattern with a squeegee.

Each newly painted decal is then set aside to dry for about 24 hours.

Once all the decals are made, Smith begins applying them to galvanized metal blanks. These had been prepared from scrap metal by the Civil Engineering sheet metal shop, a substantial cost saving for the government. After the decals were applied the signs are posted. All of this he works into his regular schedule of sign painting.

Police questioned a woman, 22, in connection with the slaying.

Webb's Fuel Management Team To Represent ATC

Webb's fuel management branch has been selected to represent the Air Training Command at the American Petroleum Institute Trophy competition.

The announcement was made by Lt. Gen. Sam Maddux Jr., commander Air Training Command, who commended Webb for attaining high standards of sound management, timely service and safety of operations in the command.

The branch was one of three at Air Training Command bases to receive an excellent rating from the inspector general and Webb was selected as the representative.

In the mission support area, the evaluation found Webb completing its operations with only 65 per cent of their man power authorization filled. Yet the branch found time to keep its high standards and to bring in innovations. Along with supplying the local aircrafts with fuel and oil, it also maintained the transient aircraft.

Webb's petroleum quality control laboratory rates as one of the finest in the Air Force. Responsible for incoming fuel and for checks along the supply lines, the lab constantly takes random petroleum samples. The lab has also invented a technique for removing fuel for sampling from the trucks without disconnecting the main hoses.

Precautions also were cited, as were the contributions of accounting and administration department.

Four Texans War Victims

WASHINGTON (AP) — The names of 40 men killed in action are on the latest casualty list from the war in Southeast Asia.

Included were four Texans:

Army — Spec. 4 Edward L. Evans, son of Mrs. Gladys B. Evans, 5124 Fitzhugh Ave., Fort Worth; Pfc. William V. Reed, son of Mr. and Mrs. Earl A. Reed, 2417 Market St., Laredo; Pfc. Clyde D. Sanders, son of Mr. and Mrs. Clyde R. Sanders, 1400 Bayou Shore, Apt. 33, Galveston.

Marine Corps: Gunnery Sgt. Ascension R. Perez, son of Mrs. Jesusa Perez, 246 Millwood Lane San Antonio.

Died not as a result of hostile action.

Army Sgt. IC Ernest L. Ramsey, husband of Eileen S. Ramsey, 3312 Dunganven Drive, El Paso.

Marine Corps Lance Col. Lonnie A. Dykes, son of Mr. and Mrs. Rolla E. Dykes, 368 Bozeman Ave., Buffalo.

Decisive Turn Against Kennedy

NEW YORK (AP) — Since the publication of the Chappaquiddick inquest findings, public opinion nationwide has taken a decisive turn against Sen. Edward M. Kennedy, D-Mass., the Louis Harris survey reports.

By 53 to 23 per cent, a majority of 1,287 households queried between May 8 and 10 agreed with the judge's final opinion, "doubting that Sen. Edward Kennedy turned on the dirt road by mistake on his way back to the mainland" and finding that "the senator's driving probably contributed to the death of Mary Jo Kopechne, the survey stated.

It added that the number who say they "respect Ted Kennedy less" has increased from 28 per cent immediately after the accident last July to 43 per cent last month, the survey states.

The loss of respect ranged from 9 per cent among blacks to 34 per cent among Roman Catholics to 55 per cent among the college educated, Harris said in a report distributed by the Chicago Tribune-New York News Syndicate, Inc.

2 Airmen Cited For Saving Girl From Drowning

SAN ANTONIO (AP) — Two airmen have been cited for saving a 2-year-old San Angelo girl from drowning.

When Melissa Clevenger fell into Lake Nasworthy near San Angelo recently, Sgt. Wilfred R. Frink of Tacoma, Wash., rushed

to her aid.

Then Frink and Airman I.C. William R. Hollenbeck of Frankfurt, Mich., administered artificial respiration and mouth-to-mouth resuscitation.

Frink, 21, and Hollenbeck, 20, were on temporary duty at Goodfellow Air Force Base near San Angelo at the time.

The San Angelo Police Department sent a telegram to Goodfellow officials commending the airmen for saving Melissa, the daughter of Mr. and Mrs. David

Clevenger of San Angelo.

"I didn't even think about what I was doing, I just did it," Frink said. "I didn't either," Hollenbeck said. "We just worked together, and thank God we did right."

'Killer' Of Small Boy Draws Death Penalty

FORT WORTH (AP) — A jury of nine men and three women deliberated only about an hour and assessed Michael Papskar the death penalty Tuesday for the slaying of a small boy.

Cringing slightly and with a noticeable gulp, Papskar took the verdict in silence. Officers quickly whisked him from the courtroom.

The jury earlier debated less than an hour before ruling that Papskar, 29, ordered the execution last Jan. 20 of Danny Ramirez, 4.

Papskar, his wife and three other persons are charged also in the shooting deaths of the boy's father and uncle, Daniel and Samuel Ramirez.

Witnesses testified the three were slain at Papskar's motorcycle shop and their bodies dumped in a car on a downtown parking lot.

TRIPLE REVENGE
According to testimony, the dark-haired, solemn defendant directed the triple slaying as revenge for some impure heroin he purchased from the child's father.

Papskar's relatives refused comment on the death sentence, the first handed down by a Fort Worth jury since 1968. However, the last person executed in Texas was in 1964.

"One down and three to go," said Mary Ellen Ramirez, widow of Samuel Ramirez, when the jury's decision was announced in the hushed courtroom.

She apparently excluded one of the co-defendants, Edward Lynn Miller, who turned state's evidence and emerged as the

prosecution's key witness.

"I'm glad it's all over," said Ronnie Solis, a friend of the Ramirez family. "He is punished for what he has done."

Asst. Dist. Atty. Rufus Adcock, who described Papskar to the jury as a "sadistic killer," said, "The jury is a credit to this community. It removed him (Papskar) and that is what has to be done and what should have been done."

Randall Riley, the defense lawyer, refused to discuss the jury's decision.

"The jury has rendered its verdict and I have no comment—because I believe strongly in the jury system."

He noted, however, that appeal of a death verdict is automatic. He said the Papskar appeal would be built largely around what he considered an illegal search of the motorcycle shop-residence.

NO WARRANT
Prosecutors admitted the absence of a search warrant but said Papskar's wife consented to officers entering the building

Jan. 29, nine days after the slayings.

Riley took only a couple of minutes to argue against the death penalty before the jury retired to determine punishment.

Leaning against the jury box and speaking softly, Riley said:

"The only statement I'm going to make to this: You heard from the FBI and everybody else concerned. He (Papskar) still did not pull the trigger that killed that little child."

He argued throughout the eight-day trial that Papskar was unconscious in a narcotics coma the day of the murders and that the state failed to prove he ordered the child's death.

Prosecutors admitted Papskar was not the triggerman but contended he directed the slaying and was equally as guilty as the person who carried out the execution.

Bank President Shoots Two Fleeing Robbers

HOUSTON (AP)—Two would-be bank robbers ran up against a shotgun-packed bank president Tuesday and lost.

The president, Theodore F. Burridge, fired blasts from a 12-gauge shotgun and felled the two in the bank's parking lot.

Both men were hospitalized in critical condition at a hospital with buckshot wounds in their legs and back.

Police identified them as Johnny L. Goode, 28, and David Lee Fry, 25, Houston. They were charged Tuesday night with taking more than \$32,000 from the South Park National Bank of Houston.

Burridge said he saw the men forcing three tellers to stuff the money into two pillow cases Tuesday afternoon.

The bank president said he walked to the rear of the bank, got his shotgun, and waited at a side door for the men to leave.

"I couldn't do any shooting inside," he said.

Less than two minutes after they entered the bank, Burridge said, the robbers ran out the front door, firing a shot to discourage any chase.

The bank official said he checked to be sure no bystanders were in the line of fire as the men ran to an old model car in the parking lot.

"I aimed just below their hip pockets," Burridge said. "I didn't shoot to kill."

side been left running and the side of the car was splattered with 21 buckshot holes, officers said.

Six children were in another car about 30 feet from the scene of the shooting. They were waiting for their mother, Mrs. Domingo Guzman, 32, who was among a score of customers inside the bank.

The eldest child, Cynthia, 10, said she saw the two men run from the bank with guns in their hands.

"We all got down when we heard the shots," she said.

Tuesday's robbery was the third at the bank since it opened about 10 years ago. In each case, two men were involved and arrests were made shortly after the holdup.

Webb Has New Super Rod To Work On Sewer

Personnel from the civil engineering division have been trained this week in the use of a new sewer rodding machine — effectively a giant plumbers' friend — which is to be used in mainline sewers on the Webb AFB.

Training the men was a representative of the O'Brien Manufacturing Co., which supplied the machine.

While the machine, called a rodder because it utilizes a flexible coiled rod, will be used on all of the 61 miles of main sewer on Webb, it will be of particular benefit in Webb Village. The new machine can run six feet of rod in about 25 minutes, getting at root and other obstructions which can cause sewer water to back.

Up until the present Civil Engineering plumbers have been fighting back with a smaller

rodder, capable of running only 250 feet of rod. Since the manholes in the housing area are 500 feet apart, this meant double efforts at each hole.

TOMORROW
—CARROL RIGHTER

GENERAL TENDENCIES: You have conflicting feelings between your urge to think imaginatively and the little details of practicality that also require your exacting attention. Try to harmonize the two by scheduling your time so that each is done and the other not permitted to interfere. Be intelligent!

ARIES (March 21 to April 19): You had better schedule your time if you are to get routine work done as well as other more interesting duties handled. You are apt to have a good time with associates and regular friends. Keep active.

TAURUS (April 20 to May 20): Although you have obligations to attend to, there is also an opportunity to have a good time with others at social outlets. Be sure to first complete the vital, then attend about. Dress in high fashion.

GEMINI (May 21 to June 21): Others may seem to be demanding too much from you, so try to please as best you can. Don't sever any important connections now. Seek the favor of an associate. Stop feeling sorry for yourself. Have fun tonight!

MOON CHILDREN (June 22 to July 21): Make certain you get important work done before you get out with a partner who is annoyed with responsibilities and wants to have fun. Don't rush so you make mistakes. Be happy tonight.

LEO (July 22 to Aug. 21): Good friends want you to go out with them tonight. Be sure you first count the cost. Stay within your budget. Don't jeopardize personal security. Be kind with polite remarks in the evening.

VIRGO (Aug. 22 to Sept. 21): Stop being so wrapped up in personal and being so worried about the business affairs that which keeps you from the business and needs of close ties. Divide time between both, family and outside interests. Take it easy tonight!

LIBRA (Sept. 22 to Oct. 22): Eliminate that which keeps you from enjoying life as you should. Assist those who are in trouble and you forget your own worries. Take it easy tonight at home with kin—do not argue.

SCORPIO (Oct. 23 to Nov. 21): Suggestions for investing money which friends give you should be studied very carefully or even forgotten. Listen to what safeguard assets. Even if fine financials are to be saved, listen to the social.

SAGITTARIUS (Nov. 22 to Dec. 21): You are able to gain personal aims now but avoid higher-ups who like to talk too much. Put aside those worries and have a happy social evening. Be and have a happy social evening.

CAPRICORN (Dec. 22 to Jan. 20): Out with new ideas and with new people to new places and with new people to new places. Make a new contact. Show your fine character.

AQUARIUS (Jan. 21 to Feb. 19): Friends have good suggestions to offer. Listen to the social. This evening. Much who are thinking only of own interests. Listen to the social. This evening. Much who are thinking only of own interests.

PISCES (Feb. 20 to March 20): Plan to please associates by doing what they want of you. Avoid blowing who want someone to vent their ire upon. Not on the public in general, since the owner of the planets is not with you.

A wedding trip to the Lake of the Pines was taken by Mr. and Mrs. Otis Michael Grafa after their recent marriage in the First Presbyterian Church at Lubbock.

The couple will live in Lubbock where she is a senior at Texas Tech and is employed by General Services Administration. Grafa was graduated from Texas Tech and is employed at Reese Air Force Base.

The bride is the former Miss Norma Augustsen, daughter of Mr. and Mrs. Norman Augustsen of Lubbock, and the bridegroom is the son of Mr.

and Mrs. Otis Grafa of Wichita Falls, and the grandson of Otis Grafa of Big Spring.

The Rev. J. T. Bolding, assistant minister of the church, performed the ceremony.

The bride wore a gown of white crepe voile with a high collar and gathered skirt trimmed with eyelet lace run with powder blue ribbon. Attendants were Miss Carolyn Robinson, maid of honor, and Miss Lisa Augustsen, junior bridesmaid. They wore powder blue dotted swiss formal gowns trimmed in white.

Bennett Brooke was best man, and Troy Larron was junior groomsmen. John Opie of Wichita Falls and Chris Meadows were ushers.

Libs Are Kooks, Says Woman Journalist

SAN ANTONIO (AP) — Martha Rountree, a dynamic, successful woman journalist, sums up the women's liberation movement in these words: "I think they're a bunch of kooks."

If women want any privileges or rights, she told newsmen Wednesday, "all they have to do is exercise their right to vote and take a lot of people out of Washington that shouldn't be there."

The creator of television's "Meet the Press" brushed aside the movement as a "ridiculous sort of thing."

In an address later to the General Federation of Women's Clubs, she charged that the nation has a "do nothing" Congress and advised her audience to "clean house in Washington before it is too late."

Many of the nation's prob-

lems can be solved when women unite and insist on better government, she said.

"There's really nothing wrong with this country," she declared, "that Congress couldn't cure."

An estimated 2,000 delegates from the United States and abroad are attending the federation's 79th annual convention. The organization is the largest of its type in the world.

Junior delegates, the federation's younger members, heard a challenge Wednesday to launch a crusade to teach young people that "America needs builders, not destroyers."

"It is high time for you and me to get off the defensive and take the offensive," former Texas Atty. Gen. Waggoner Carr said. "Let's start talking about what is right with America."

He urged them to "join me this very moment in a crusade—a crusade to restore the American spirit. . . that will shake the American people out of the inferiority complex they have developed."

America needs "the inspiration of the young and the wisdom of the old working side by side," he said, adding that "if America falters now, our successor's flag will be a Communist flag."

The delegates unanimously

adopted 10 resolutions Wednesday, including support of prayer in space, research into possible dangers of chemical pesticides, and a call for Congress to "give serious consideration" to prohibiting the mailing of unsolicited credit cards.

New officers were to be elected in today's session.

TOPS Pound Rebel Wins Bonus Prize

Mrs. Grady Hodnett won a prize at the Tuesday meeting of TOPS Pound Rebels in the YMCA. The 11 members present reported a 14-pound loss. Mrs. Dennis Holmes was appointed photographer with Mrs. Walter Trim, assistant. The next meeting will be a "fun night" at the home of Mrs. Elton Carlile, 1204 Lloyd.

Convention Report Given At Meeting

Mrs. Annie Mellinger, BPO Does president, gave highlights of the national convention she attended last week in Hollywood, Fla., at Tuesday's meeting in the Elks Hall. She will give a full report of the convention July 21. Mrs. Grace Grandstaff won the attendance prize. Refreshments were provided by the Elks.

Featured speaker was H. Ross Perot, Dallas computer magnate who has attempted to aid prisoners of war in North Vietnam.

MRS. CHOC SMITH

Pythian Award Goes To Mrs. Choc Smith

Mrs. Choc Smith of Big Spring was named Outstanding Temple Secretary in Texas at the June convention in Lubbock of the Grand Lodge of Texas Knights of Pythias and the Grand Temple of the Pythian Sisters. Of the 40 temples in the state, 32 were represented at the event. Mrs. Smith was also recognized for her attendance record.

Highlight of the business sessions was the election and installation of new Grand Temple officers. They are Mrs.

Truett McDonald, Mineral Wells, past grand chief; Mrs. A. L. Weathered, Pampa, grand chief; Mrs. I. V. Middleton, Lamesa, grand senior; Mrs. Bernice King, Pampa, grand junior; Mrs. Dewey Wright, Fort Worth, grand manager; Mrs. Rozelle Myers, Baytown, grand secretary; Mrs. Christine Freeman, Freeport, grand treasurer; Mrs. Kenneth Loflin, Lubbock, grand protector; Mrs. Reva Sanders, Weatherford, grand guard; and Mrs. Willie Mae Newton, Lubbock, grand press correspondent.

Dr. E. Harold Henderson, Lubbock, addressed the group during a joint memorial service. Four drill teams were entered in the competitive and exhibition drills which were held in memory of Bill Meason, past grand chancellor. The teams were the Sunshine Girls, Mineral Wells; and Sister Drill Teams from Tahoka, Pampa and Lubbock. The grand ball followed the drills.

Mr. and Mrs. Russell Hardin, both of whom were injured during the recent Lubbock tornado, were co-chairmen for the convention. The Grand Temple Pythian Sisters made a donation to the Red Cross in Lubbock.

The Blackstone Hotel in Fort

Worth was chosen as site of the 1971 convention, and in 1972, the meeting is slated at the Hilton Inn in Waco.

Numerous Temple dignitaries were in attendance, and the second representative from Big Spring was J. D. Jones, a member of the Home Board.

Pythian Sisters Note Flag Day

Flag day was observed Monday by the Pythian Sisters Sterling Temple 43 in Castle Hall. Mrs. Choc Smith told the meaning of the flag through the Pledge of Allegiance as it has been recorded by Red Skelton. Mrs. A. F. Hill, most excellent chief, presided. Mrs. Charles Herring won the silver drill and Mrs. J. V. Anderson won the capsule prize. Hostesses were Mrs. Melvin Newton and Mrs. E. V. Cockerham.

Lawn Party Held For OES Group

Mrs. Lois Marchbanks, outgoing worthy matron of Laura B. Hart Chapter 1019, Order of Eastern Star, hosted a lawn party for her officers Monday evening at her home, 1307 Eleventh Place.

Dinner was served at tables laid with red and white checked cloths, and the hostess was assisted in serving by Mr. and Mrs. H. F. Jarrett.

Mrs. Marchbanks presented each officer with a make-up mirror and exchanged gifts with her worthy patron, Jarrett.

Guests were Mrs. Gilbert Ragsdale, Mrs. Jimmy Felt Sr. and Mr. Audrey Wright.

Mr. and Mrs. Larry Fryar, Gail Route, announce the birth of a son, Kerry Dean, born at 8:20 a.m. June 15 at Cowper Clinic and Hospital. He weighed 7 pounds, 2 ounces.

Lodge Official To Visit Here

Mrs. Margurite Ayers of Levelland, president of the Rebekah Assembly of Texas, will be in Big Spring June 25 on her official visit to area lodges.

Party Held For Bill Patterson

Bill Patterson of Sand Springs was honored with a surprise birthday party in his home Friday in observance of his 40th birthday. Hostesses were Mrs. Glyn Mitchell, Mrs. Bert Smith and Mrs. James Cook.

In carrying out the party theme, hostesses seated the honoree in a rocking chair draped in black and placed a "sympathy" wreath over his shoulders. Refreshments were served to 40 guests.

read by Mrs. Melvin Newton. The 28 attending reported 80 visits to the sick.

Initiation will be held next Tuesday for Mrs. Sarah Johnson, after which there will be a salad supper and social hour.

'ROUND TOWN

BY LUCILLE PICKLE

For many years I didn't see even a picture of an old-time porch swing, but lately the catalogues have them listed for sale, and they look just like the ones that nearly every porch in town had when I was growing up. I think if I had a place from which to suspend one, I would invest in this fine piece of outdoor furniture. Surely the gentle sway that one can achieve in a swing would soothe tensions.

It was in the swing that we spent most of every afternoon and part of each evening when we were children. We could pretend we were flying (the ultimate was to swing so high we could touch the ceiling of the porch with our feet), we rocked ourselves and our dolls to sleep, or perhaps it was a kitten or a puppy. And the swing was a choice spot to sit and listen while the adults rocked in their chairs and talked.

But with the temperature as high as it is presently we would probably have to find an inside spot that is air conditioned for our comfort... and outside is where we used to go for relief from the heat and it's just too hot for relaxing out of doors even in a soothing swing.

MRS. KENNETH GORDON and her son, Terry, have returned from Fort Polk, La., where they have been visiting their husband and father, CAPT. KENNETH GORDON of the United States Army. They will be moving to Tacoma, Wash., next week where Capt. Gordon has been assigned as legal officer of Madigan Army Hospital.

Mrs. Gordon was on the Big Spring High School faculty the past year. She is the daughter of MR. and MRS. R. E. DOBBINS.

PAUL MILLER of Longview is here for a week's visit with his mother, MRS. W. A. MILLER, other relatives and friends.

MR. and MRS. PAUL CARROLL were here over the weekend after he had undergone tests in Houston. They left Monday to return to Houston where they expect to be the next seven weeks while he is undergoing treatment. They would appreciate hearing from their friends while they are away. Their address is Pavilion Apartments, 1700 Holcombe Blvd., Apt. 1103, Houston.

The OLLIE ANDERSONS are back from a fine vacation in Europe. They were to be met by their son-in-law, LUTHER McDANIEL, at a prearranged spot in London but before they got to the place who should they meet face to face on the streets of London but Luther. The McDaniels live in Wiesbaden,

MR. and MRS. MILLER HARRIS and his sisters, MRS. FRED JOHNSON of Merkel and MRS. A. V. BOYD of Trent, left this morning for Lake City, Calif., for a visit with MR. and MRS. JIMMY HARRIS and their family, and other relatives.

Tuesday the Harris' guests were MR. and MRS. W. R. MARLOW of Bell Garden, Calif.

Attends Classes At West Texas

WESTBROOK (SC) — Guests of Mrs. M. J. Whirley and the J. D. Igleharts were Mrs. Lloyd Merchant and daughter and Mrs. Burl Lunford and sons, all of Amarillo, and Ed Fryar of Houston. The Iglehart's daughter, Vee, is attending Howard County Junior College this summer.

The Robert Contreras family is spending the summer in Palo Duro Canyon and is attending West Texas State College.

The Altis Clemmings' guests Sunday were the Alton Briscoes of Eastland.

The Charles Ranne family and the G. C. Ranne, Midland, attended funeral service Monday of Arthur Ranne, brother of G. C. Ranne, in Belton. Mr. Ranne died Saturday.

The T. A. Whitesides visited friends in Durant, Okla., last Thursday through Sunday. Mrs. Billy Watson, Odessa, visited her grandparents, the A. C. Moodys, Friday.

Citizens Shirking Duty, Says Sheriff Standard

"Most of us are too complacent about law enforcement," said Sheriff A. N. Standard, speaking Monday evening for the Cactus Chapter, American Business Women's Association. "We are not willing to accept our responsibilities. Too many people do not want to serve on juries and are hesitant to be witnesses when they are needed."

The speaker was introduced by Mrs. Ruth Hampton who gave a vocational talk on her work as bookkeeper for Pioneer Natural Gas Company.

Mrs. Charles Hans presided, announcing that a loan from the Stephen Buton Memorial Fund has been approved for Kathy

Winn, a Howard County

resident, who will attend Texas Tech in August. New officers were installed by Mrs. Jemmie Shoemaker of Odessa, district vice president. They are Mrs. R. T. Wina, president; Mrs. Arthur Wadle, vice president; Mrs. Hampton, recording secretary; Mrs. Nannie Garrett, corresponding secretary; and Mrs. Owen McCombs, treasurer. Mrs. Hans installed two new members, Mrs. Johnnie Stewart and Miss Shirley Marks.

Guests were Miss Darla Ferguson, Miss Lois Rogers, Mrs. Beatrice McCrary and seven members of the Tall City Chapter in Midland. The vocation was by Mrs. R. T. Winn.

Study Continues At Circle Meeting

"The Blessings of Missions to the World" was the study at Tuesday's meeting of the Women's Missionary Society, Westside Baptist Church. Mrs. N. M. Hipp was in charge of the study. Prayers were led by Mrs. J. A. Andrews and Mrs. B. N. Burroughs.

Talks were given by Mrs. Andrews, Mrs. Lester Willbanks, Mrs. E. O. Sanderson and Mrs. C. L. Kirkland. Their subjects included "Deliverance from Religious Ignorance" and "Light, Life and Peace Through Jesus." The next meeting will be Tuesday.

Susanna Class History Related

Mrs. Isla Davis gave the history of the Susanna Wesley Class, First United Methodist Church, during a luncheon Thursday at the Downtown Tea Room. Mrs. J. L. Terry presided. Mrs. G. C. Graves gave the invocation, and Mrs. H. T. Sefton read the devotion. Guests were Mrs. Elra Phillips, Miss Shana Hill and Miss Mary John Cherry. The next meeting will be July 14.

NO CONTEST — Yanks' Bobby Murcer slides safely across home plate as the ball gets away from White Sox catcher Ed Herrmann during sixth inning of Tuesday night's game in Chicago. Murcer and Horace Clarke, left, both scored when Roy White doubled to right. New York won, 6-2.

Yanks Just 2 Games Back Of Baltimore

By The Associated Press
Roy White and Willie Horton, two of the American League's premier left fielders, are red-hot... and playing it cool.
They refuse to get excited as their flaming bats continue to make a race of what once looked like a Baltimore runaway in the AL East.

"I don't get excited," said White, who has 11 hits in his last 14 at-bats and has raised his batting average to .357, second to Minnesota's Rod Carew at .367. "I know how easy it is to go bad. I'm just taking things in stride and I'm going to be humble."
UPS RBI TOTAL
Horton collected two singles and drove in a run as the Detroit Tigers downed Oakland 5-1 behind Mike Kilkenny's four-hit, 11-strikeout pitching. Horton's RBI gave him 30 in his last 20 games and boosted his league-leading total to 55.
"I don't feel anything," said Horton, after the Tigers climbed

to within 7½ games of the top. "We're winning and that's the important thing."
Elsewhere, Minnesota whipped Washington 7-3, Cleveland trounced skidding California 9-2 and Boston held off Kansas City 7-5.
For those who think ballplayers are overcome by pennant fever, White says he felt more pressure when he was sent to Spokane of the Pacific Coast League in 1967 after spending the entire 1966 season with the Yankees.
White hit .343 in 84 games at Spokane and made it back to the majors for good midway through the season. He's improved steadily ever since, hitting 17 home runs in 1968 and raising his average to .290 last year.
With the Yanks trailing 2-1 in the sixth inning against Tomny John Tuesday night, Horace Clarke doubled, went to third on Bobby Murcer's single and White doubled them both home, eventually scoring himself on a wild pitch. He homered in the eighth off Danny Murphy, his 10th of the season.

LOOKING 'EM OVER

With Tommy Hart

Jack Gray, who resigned here recently to become head football coach at Menard, goes into a tough situation where the program has suffered in recent years.
Jack could have picked an easier district in which to operate, too. His team will be competing against Sonora and Mason, perennial toughies, and Bangs, Eldorado and Robert Lee.
Menard was where Delnor Poss was coaching basketball before Emmett McKenzie brought him in as the Big Spring cage mentor.
Charley Winner, head coach of the St. Louis (football) Cardinals, held up his vacation until he talked the Dallas Cowboys out of guard John Wilbur, who started every game for the Texans over a period of two seasons.
Rick Sortan retired recently from football, leaving the Cardinals with only Ken Gray and Irv Goode to man the offensive guard posts.
Gray has made a few laps. He's 34 and he's played 13 seasons in pro ball. Goode is also the back-up man at center.
Wilbur is only 27, so he has a few good years left. Dallas led the NFL in offense and Wilbur's ability to pull out and block must be given more than a little credit for the Pokes' success.
Tom Landry, foreman of the Cowboys, considered Wilbur expendable because of the rapid development of Rayfield Wright, the fellow who handled the Los Angeles Rams' Deacon Jones quite easily the last time they met.

A couple of BSHS coaches are working toward master's degrees in summer school.
Dan Bustamante is enrolled at Sul Ross. Bill Moore is attending Wayland College in Plainview.
Terry Jastrow, a former Midland Lee athlete, graduated from the University of Houston in May and now is working for the ABC sports network full time.
Jastrow is a member of the camera crew that films pro golf tournaments for the network.

The Hazeltine National Golf course, scene of this year's National Open, boasts ten dogleg holes, a record for an Open course. The long hitters can cut several of them with a bold approach. Those who do cut across probably have the best chance of mastering the course.
Hazeltine's bent, undulating greens have been described as the toughest in the world. One observer said the course's putting surfaces are as slick as Minnesota Fats' billiard table.
Hazeltine is located out in the boonocks, 28 miles southwest of the megalopolis known as Minnesota and St. Paul.

Babey Tony, a horse owned by D. P. White of Big Spring, recently ran second in a 5½ furlong race at La Mesa Race Track in Raton, N.M.

Texas Christian University reportedly will add Astroturf to its football field next year. If that is the case, Baylor may be the only Southwest Conference school without synthetic sod.

Larry Brown of Northeastern Oklahoma A&M College and leading scorer in this year's National Juco tournament in Hutchinson, Kansas, recently signed a letter of intent with the University of Houston.

Brown, who stands 6-0, averaged 31.4 points a game for the Oklahoma school this year. He's a product of Bushwick High School in Brooklyn, N.Y.

Tribe Upends Foe, 3 To 1

The Indians measured the Optimists, 3-1, in High Junior league activity Tuesday night, scoring what proved to be the winning run in the fourth when Orlando Olague raced in on John Knoepfel's hit.
The Tribe outhit the Optimists, 7-3. Olague, who went all the way on the mound for the winners, surrendered his hopes for a shutout when Pete Shaffer counted in the sixth inning.
Gilbert Pesina and Knoepfel each had two hits for the Indians, who are now 3-3 in the standings.
The Optimists dropped back to 2-4.

Tigers Shell Lions, 9-1

A six-run second-inning spurred the Tigers to a 9-1 Texas Little League victory over the Lions Tuesday night.
Clem Sanchez scattered seven Lion hits most effectively to notch the win.
Larry Mendoza, Sanchez and J. Jones each collected two hits for the Tigers, who had eight safeties in all.
The Tigers are now 8-8 in the race while the Lions' defeat was only their fifth, compared to nine wins.
R. Recio was the only Lion to unload for as many as two hits.

Cervantes Beneficiary In Yanks' 24-7 Win

The Yanks operated like a runaway freight train in Sophomore league play Tuesday night, bumbing the Lions, 24-7.
The winners scored in every inning and experienced two nine-run rounds—the third and fourth.

Pitcher Oscar Cervantes benefitted from the fireworks, picking up the win. He teamed with John Morelion to keep the Lions on a five-hit ration.
Barry Canaling smashed a triple and Jimmy Stewart a double for the Yanks. Stewart had three hits, in all, as did Bruce Abbe and Morelion.

Moody: Course Is My Kind Of Layout

CHASKA, Minn. (AP) — Mystery, and perhaps guesswork, shrouding the Hazeltine National course, subsides Thursday with the start of the first round in the 70th United States Open Golf Championship.
But as golfers completed practice rounds today, a great debate continued:
Is the par 72, 7,151-yard Hazeltine layout really a monster? Touring pro Dave Hill described the course after a practice round: "It looked like a man destroyed a beautiful farm."
A differing view came from 1969 open champion Orville Moody.
"I plan to get around in 67 at least once or twice," said the former Army sergeant who exploded into golf headlines with his title at Houston last year. "It's my type of layout, fairly long and fairly tough."
The scenic course, carved out

of rolling Minnesota woodlands, offers a network of 10 long doglegs, narrow and treelined fairways and giant, rolling putting surfaces. There's plenty of water and sand.
Jack Nicklaus, a two-time Open champion, has said the course lacks definition because of the many blind landing areas on wood shots. Arnold Palmer was not impressed by the four par 5s, the longest which stretches 592 yards.
But Palmer said he likes the course because "the other holes are exciting."
While they wait for the mystery to be solved, most professional Don Waryan took great enjoyment in the pretournament guesswork.
"I have to say Billy Casper, Lee Trevino and Gary Player are the favorites the way they have been going," said Waryan, who probably knows the course

better than anyone. He has been its only pro since it was built in 1962.
"And you might even consider Lou Graham, who won the Minnesota Classic here three years ago," said Waryan.
Graham shot a two-under par 72-hole total of 286 to win the Classic in a field which did not include the Palmers, Players or Nicklaus.
The big name pros are predicting scores of 280 to 290 will win the prestigious Open championship worth \$30,000 in prize money and perhaps \$1 million in endorsements.
"The most fun in any tournament is picking the final score," said Waryan. "I'd have to say 285 will win it. If the wind swirls up and the course doesn't dry out, it might go to 288 or higher."
A series of thunderstorms the past week left the course soggy

and the weather muggy. But, only a slight chance of rain is expected for the first round.
Waryan predicts the most dramatic action on dogleg holes 1, 6, 10, 17, and two of the four par 3s, 4 and the 214-yard 16.

QUARRY TRIES FOSTER Heavies Tangle

NEW YORK (AP) — Fight fans will get a look at what could be in heavyweight champion Joe Frazier's future when Mac Foster meets Jerry Quarry in a scheduled 10-round tonight at Madison Square Garden.

They also will get a glimpse into the nostalgic past as part of a special ceremony honoring Jack Dempsey, who will be 75 next Wednesday.

Quarry, the young veteran from Bellflower, Calif., should be the toughest test yet for the massive Foster, who is gunning for a shot at Frazier.

Foster has knocked out all 24 of his opponents since turning pro after six years in the Marine Corps, including two tours in Vietnam.

But before the two Californians battle it out—Foster is from Fresno—the crowd will get a chance to see Dempsey in action.

Films will be shown on giant screens in the Garden of Dempsey's fights with Jess Willard and Luis Firpo and his famous "long count" bout with Gene Tunney.

Quarry, ranked fourth by the World Boxing Association one spot ahead of Foster, is two years younger than his rival, but the rest of the statistics belong to Foster.

The 6-foot-2½ ex-sergeant has a nine-inch reach advantage and outweighs Quarry by about 19 pounds. Foster was expected to weigh 214 for the fight.

Billy G's Home Run Topples Pittsburgh

By The Associated Press
Billy Grabarkewitz and Dick Dietz aren't making much headway with National League All-Star voters, but they've left a lasting impression on two more National League pitchers.

Grabarkewitz slammed a fourth inning homer off Pittsburgh's Bob Veale to give the Los Angeles Dodgers a 1-0 victory over the Pirates and Dietz's three-run blast off Chicago's Bill Hands carried the San Francisco Giants past the Cubs 3-2 Tuesday night.

The Dodgers' clutch-hitting third baseman and the Giants' slugging catcher are both among the league's Top Ten batters, but their names don't appear on the All-Star ballots, which were made up before the start of the season and distributed recently to fans across the country.

NOT IN TOP 6

And, while Atlanta's Rico Carby, another torrid hitter who was left off the ballot, has received enough write-in votes to place third in the early outfield balloting, neither Grabarkewitz nor Dietz was among the top six at his position when the first returns were made public Monday.

But the pitchers haven't been able to ignore Grabarkewitz, a 339 batter who has won four games with homers, and Dietz has left his mark on them too.

with a .326 average, 13 homers and 52 runs batted in.

Elsewhere in the NL, the New York Mets topped Cincinnati 8-1; San Diego blanked St. Louis 4-0; Philadelphia nipped Houston 2-1 in 13 innings and Atlanta downed Montreal 7-5.

Grabarkewitz' sixth homer of the year, a two-out shot in the fourth inning, decided a pitching duel between Vale and winner Don Sutton, who stopped the Pirates on four hits and struck out nine.

Dietz connected in the second inning after a walk and an error by rookie shortstop Roger Metzger, giving Gaylord Perry a 3-0 lead, and the Giants' right-hander checked the Cubs on three hits, including a two-run homer by Ron Santo in the seventh, to gain his 10th victory.

Both were philosophical about their early non-support in the voting for the July 14 All-Star classic at Cincinnati.

"Heck, I've been struggling for the last ten days, anyway, so I couldn't expect any more," Grabarkewitz said of his meager total of 3,151 write-in votes among some 240,000 cast in the first week of balloting. "Besides, Perez is the best third baseman in the league, anyway... so why bother?"

PEREZ LEADER
The Reds' Tony Perez, batting .368 and leading the circuit in

home runs, with 23, and RBI with 66, has been the top vote-getter at his position.

No other third baseman tops Grabarkewitz' average, but he trailed five others in the voting, including St. Louis' Mike Shannon, who missed the first two months of the season with a kidney ailment.

"I don't see how they could have put me on the All-Star ballot," said Dietz. "It was too early. But if I continue to hit well up to the All-Star break, I feel I'd have to be chosen one way or another. I'd like to go... it's been my boyhood dream."

Bovines Have Uphill Fight In Playoffs

OMAHA (AP) — After a five-day grind in mostly 90-degree temperatures, the double elimination College World Series reached a showdown stage Wednesday with three once-beaten teams remaining in the original field of eight.

Second-ranked Texas (39-7) will meet No. 3 Florida State (48-8) Wednesday at 8 p.m. CDT. The winner will face No. 1 Southern California (50-13) at the same time Thursday for the championship. The Trojans drew a Wednesday bye.

The windup includes teams backed by previous world series experience. Texas is in its 14th appearance and won in 1949 and 1950 to be the only club ever to take successive titles. Florida State is here for the fifth time with a previous best showing being fourth place in 1962. USC has made the big show 12 times and won it five, the last in 1968.

Texas Coach Cliff Gustafson said he would start senior right-hander James Street (8-1) Wednesday night. Street, quarterback of Texas' national football champions, has been nursing a pulled groin muscle and in a start Sunday against Ohio U. he lasted two innings, striking out four, before being hampered.

Jack Stallings of Florida State is expected to counter with unbeaten Gene Amman, junior righthander, who has 14 victories. He made his world series debut with a remarkable 0.60 earned run average Saturday and fired a two-hitter to blank Arizona 4-0.

Yankees Rip Devils, 11-1

The Yankees remained in contention for the National Little League crown by smacking the Devils, 11-1, Tuesday evening.

The win was the 11th of the season for the Yanks, compared to four reversals. The Devils are 1-13.

Del Poss, the winning pitcher, helped his own cause with a double and single. David Guinn banged out a double and two one-basers for the winners while Kent Newsum had two singles.

Afield, Timmy Martin starred with some fine catches for the Yanks, who broke the barrier with five runs in the 'hello' round.

The Devils escaped a shutout when Garrett counted in the fifth inning.

Rockets Hang Onto Lead In Summer Cage Circuit

The Rockets continued unbeaten in Summer Basketball league play Tuesday night in the Runnels gymnasium, humbling the Jets, 62-43.

Harry Crosby zeroed in for 17 of the winners' points. Randy Womack led the losers with 13.

In other action, the 326s remained very much in contention for the crown by trouncing the Hawks, 56-33.

Mike Randle had 12 points and Benito Rubio 10 for the 326s while Mike Smith paced the Hawks with 12.

Play will be resumed Thursday, at which time the Raiders oppose the Jets at 6:30 p.m. while the Hawks tangle with the Rockets at 7:30 p.m.

The Hawks oppose the Jets and the 326s clash with the Raiders in Friday night games.

League play extends through Friday, July 24, under the direction of John Varnell. Doubleheaders are scheduled four nights weekly.

Tigers Vanquish Colts, 16 To 5

The Tigers exhibited their muscle in International Minor League play Tuesday, burying the Colts under a 16-5 score.

The Bengals are now 7-6 in the standings while the Colts are 1-12.

The Tigers unloaded for 15 hits. Chris and Robert Smith each had three safeties for the winners. Terry Fryar, Jerry Clements and Gregg Hussy each connected safely twice for the winners.

The opposition has failed to out-hit the Tigers in any of their 13 games this season. The Bengals managed seven hits on nine hits in the first three innings. The Colts changed pitchers in the fourth but it did little good.

James Southworth and Steve Catoe divided mound chores for the Tigers, Southworth getting the win. Together they yielded only four hits.

LOCAL TEAM PLAYS ENID

Morton Foods of Big Spring picks on a toughie in its opener this week in the 33-team Wichita Falls Softball tournament, squaring off with Enid, Okla., in Scotland Park at 10:30 p.m., Friday.

Enid won first place in a tournament held in Duncan, Okla., last weekend.

The big Wichita Falls field has nine states represented and two world champions, Maxwell, Ala., AFB and Sub-Flot No. 1 of San Diego, Calif., will be playing.

Junior Golf Meets Near

West Texas' junior golfers descend upon the Municipal course Thursday for 18 holes of competition.

Winners in each of three categories become eligible for the Tournament of Champions scheduled at the Odessa Country Club in August.

The linksters switch the scene of their operations to the Big Spring Country Club Friday.

Age categories embrace 15-16, 13-14 and 11-12 year-olds. A trophy will be awarded to champions in each age group.

Entries pay \$2 each for the privilege of playing. Most of that money goes into a scholarship fund for deserving youngsters.

Firebirds Hammer Sports, 17 To 0

The F. Firebirds bombarded the Sports, 17-0, behind the two-hit pitching of Ramsey Monday. The Firebirds scored at least two runs in each of the first four innings they went to bat and crowded seven across the plate in the fourth.

The Firebirds are now 6-6-1 in the race while the Sports are 1-10.

Chippers, Colts Play To 5-5 Tie

The Chippers and the Colts played to a 5-5 deadlock in National Minor League play Tuesday.

The tie left the Chippers with a 10-4-1 record while the Colts are 6-6-2.

Kevin Low and Ronald Sundy toiled on the mound for the Chippers while Tim Duncan hurled for the Colts.

Carl Gresham had two hits for the Chippers, as did Ernie Morgan for the Colts.

Lake Spence To Be Opened To Fishermen Saturday

Lake E. V. Spence, the Colorado River Municipal Water District's new reservoir above Robert Lee, will be opened for fishing at 7 a.m. Saturday.

R. A. Schooling, administrative assistant, said that the lake is being opened to sportsmen despite its modest level because larger fish need to be harvested. The district has been in consultation with the Texas Parks and Wildlife Commission on stocking, and the TPWC has recommended that fishing now be allowed.

Until now the lake has been closed because low levels have made navigation hazardous since the lake is in process of filling up. He urged all boat operators to move at minimum speeds and with utmost caution. Because of the danger of snagging, no skiing will be permitted.

Schooling also urged fishermen to confine their activities to the District's public

recreational areas at the north and south end of the dam, or on old State 158 at the southwest side of the lake. Signs are being erected to assist fishermen in finding these areas. Only the gravel roads at the north and south ends of the dam are suitable points for launching boats.

"Most of the areas around the lake are on private property," he said, "and we plead with sportsmen to be good sports and respect the rights and privacy of these landowners."

Permits (50 cents per day or \$5 annual) are mandatory and will be available from patrolmen, the West Way Grocery in Robert Lee, or from bait dealers. Annual permits for Lake J. B. Thomas are good at Lake E. V. Spence. A permit fee is charged because no tax revenue is available for development of recreational facilities.

Nettings by the Texas Parks and Wildlife management

specialists have shown a good population of black bass three to four pounds, channel cat and yellow cat up to six and eight pounds. There also are white bass, striped bass, crappie and sun fish. Observations indicated that there is a need to thin out the larger fish population in order for the small forage fish to increase to a desired level.

The Robert Lee dam was closed a year ago and the new reservoir stocked. Since then, however, there has been only one substantial rainfall on the watershed, so that the lake has only about 20,000 acre-feet of water. In the channel area near the dam, however, the water is over 30 feet deep. Around the flanks there is some brush and rocks, etc. which are at shallow depths. The entire lake, as was the pipeline and pumping system, was financed solely out of revenue bonds issued by the district.

Rotarians Urged By Speaker To 'Stand Up For Nation'

Big Spring Rotarians installed spoke at length on the various new officers, made their Citizen problems and confusions in the country, but affirmed they can overcome through a return to the principles that made America great. The nation must, he said, re-evaluate the traditions of the past, return to basic discipline, take a look at heavy government spending, and create a wholesome climate for business profits.

"We must continue our faith and our integrity," he said. "We must have vision to understand our problems and meet these problems; we must have wide-angle minds; to understand that we are a world power and that we have heavy commitments to stand up for the cause of freedom."

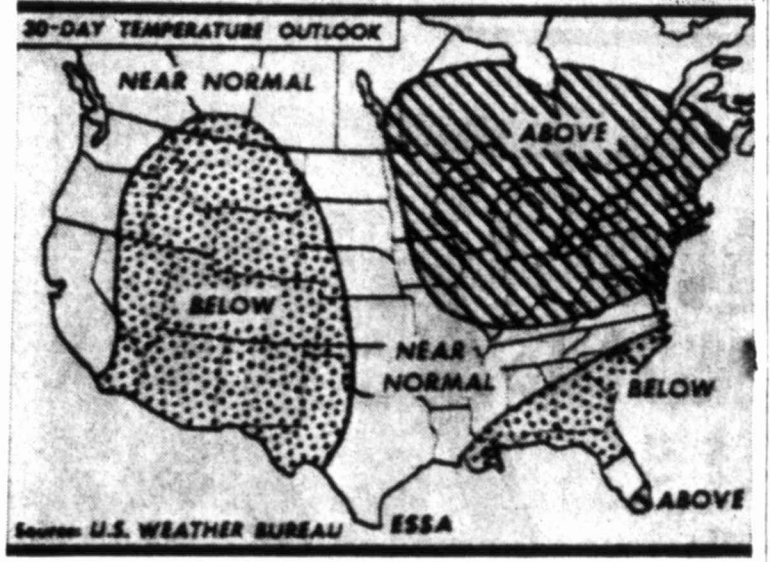

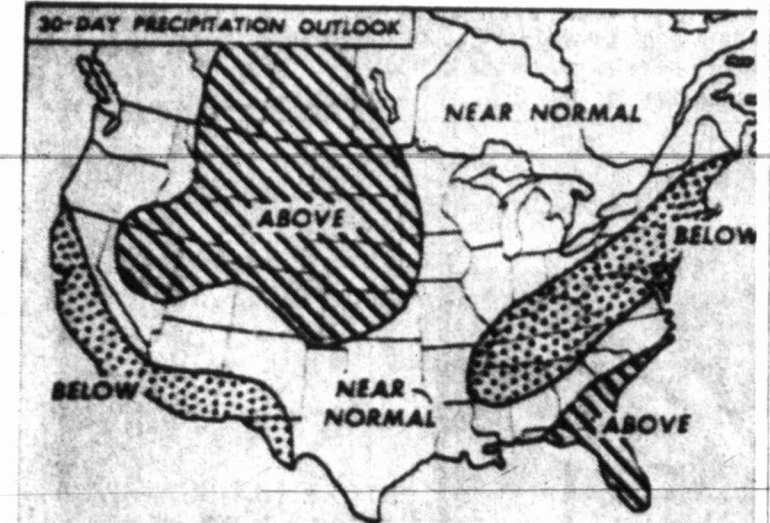

Dr. Kay told of a tour of military installations (accompanying this with color slides), related experiences in visits abroad, and said everywhere — including our fighting men in Southeast Asia — feel that most of the troubles are right here at home.

The speaker called President Nixon's Cambodian decision the best tactical decision available and said this was supported by military leaders. "The time is here," he said, "for us to stand up and support our commander in chief." He paid high tribute to the efficiency, leadership and morale of the country's fighting men.

Rotarians presented a special pin and plaque to Mayor J. Arnold Marshall as the club's Citizen of the Year. Adolph Switzer, in making the presentation, noted Marshall's eight years' service on the City Commission; his work in Base-Community relations, for the Chamber of Commerce and Industrial Team, and lauded the mayor for serving "with dignity and dedication."

Friend Talbot was installed as president, succeeding Curt Mullins, who presided for the program. Other new officers are Dr. Milton Talbot, vice president; William T. McRee, secretary; Tommy Ross, treasurer; Norman Picquet, Jack Powell, Dan Wilkins and Curt Witte, directors. Walton Morrison conducted the installation.

Morrison, with 26 years of perfect attendance, was one of those honored for such a record. Others were Olen L. Puckett, 24 years, and Jimmy Walker, 19 years.

Four Hips Keep 'Cool' At Tate Murder Trial

LOS ANGELES (AP) — Four hippie-type clan members who disrupted proceedings at pre-trial hearings became models of decorum at the opening of their trial on charges of murdering actress Sharon Tate and six others.

Shaggy-haired Charles Manson and three women followers in gaily colored dresses watched quietly Tuesday as jury selection began. All rose when asked to face the 60 prospective jurors who filed into the spectator section of the courtroom.

The defendants were impassive as the judge read each count of the murder conspiracy charges against them.

The three women, their long hair falling over their shoulders, giggled and smiled at friends in the spectator section. They are Susan Atkins, 21, Patricia Krenwinkel, 22, and Leslie Van Houten, 20, one-time members of a roving communal "family" led by Manson, 35, known by members as "God" and "Christ."

The four, who were ejected from court last week for refusing to sit down and obey rules, followed their attorneys obediently into the chambers of Superior Court Judge Charles Older for private questioning of prospective jurors.

The first day of jury selection indicated a lengthy search for 12 persons who will meet all qualifications and be able to stay away from home and work for the trial which is expected to last six months. The judge ordered the jury sequestered in a hotel for the duration of the trial.

All nine prospective jurors questioned Tuesday were excused.

Seven said they would suffer personal hardship if locked up for six months. They cited business obligations, family responsibilities and vacation plans.

Two men were excused when they said they would not impose the death penalty.

Miss Tate, pregnant blonde wife of film director Roman Polanski, was found stabbed to death at her home last Aug. 9, amid hordes, ropes and bloody scrawlings. Dead with her, of gunshot and knife wounds, were four visitors.

Two wealthy market owners, Mr. and Mrs. Leno LaBianca, were found similarly slain the next night.

MULTIPLE LISTING SERVICE DOES SELL EQUITIES:

Some of the important advantages of a MULTIPLE LISTING SERVICE are: (1). BUYERS & SELLERS receive the benefit of cooperation between REALTORS rather than being restricted to the offerings of a single agent or series of agents. (2). NEGOTIATIONS ARE carried on under rules of procedure designed to assure ethical practice, thus furthering the interests of clients and the public, while extending adherence to high standards of practice. (3). CURRENT MARKET information which is readily available through Multiple Listing, means that REALTORS, their clients and the public are better served and informed.

Bush Learns Big Lesson In Primary

AUSTIN (AP) — Time and money are his big problems in campaigning for the U.S. Senate, Republican Congressman George Bush says.

Bush told a Capitol news conference Tuesday he had learned from Sen. Ralph Yarborough's experience in losing the Democratic primary.

"The words of Yarborough are ringing in my ears when he said he did not spend enough time in Texas. I've spent almost every weekend since the (primary) election in Texas and will be here almost all this week, and after labor day I'll be in Texas all the time," Bush said.

Bush, who faces conservative Democrat Lloyd Bentsen in the general election, said campaign money is harder to get than it would have been in a race against Yarborough.

"The money is tougher to get when you are up against the establishment. You are up against more dough," he said.

The congressman said he was confident President Nixon would campaign for him in Texas "if he campaigns in any state."

Postal Reform-Pay Bill Backed By Nixon Rejected

WASHINGTON (AP) — A postal reform-pay boost package backed by President Nixon and the postal unions has been tentatively rejected by the House in favor of its own more limited version.

The House Tuesday refused on a 219-139 vote to substitute the reform-pay package negotiated by the Nixon administration and most postal unions for one forged by the House Post Office Committee.

contended the House bill was unacceptable and urged the House to take up the package negotiated by the administration and postal unions in the wake of the nation's first mail strike last March.

"If you vote no on this," Udall said, "you're voting against (AFL-CIO President) George Meany, the AFL-CIO unions and the President of the United States and saying 'No, you shouldn't have a vote on your package.'"

Postal Reform: What And Why At-A-Glance

By The Associated Press

Here is a summary of the postal reform-pay boost on which the House began debate Tuesday:

The Bill: The House bill would create an independent U.S. Postal Service with corporate powers to put the mails on a self-paying basis by 1978 and boost mailmen's pay 8 per cent retroactive to April 18.

The Controversy: The major House fights are over potential compulsory union membership for mailmen, and the retroactive pay.

The Prospects: The House is expected to pass the bill rather than risk another nationwide mail strike threatened for next week but there is room for a surprise defeat. A filibuster is threatened in the Senate but approval is expected there also.

Background: President Nixon originally wanted creation of a postal corporation to wipe out mail deficits of up to more than \$1 billion a year but that met heavy opposition in Congress. Creation of the U.S. Postal Service within the government—tied to the 8 per cent pay boost—was negotiated by the administration and postal unions after the mail strike in March and is supported by the President.

A key difference in the committee bill would make the pay boost for mailmen retroactive to April 18, while the administration package called for the raises to be effective upon passage. Also, the committee version provides for easier congressional vetoes of future postal rate increases.

PAY BOOST

The bill would turn the mails—controlled by Congress for 181 years—over to an independent U.S. Postal Service with corporate powers to put them on a self-paying basis by 1978.

The postal service would set its own mail rates subject to congressional veto, negotiate pay and working conditions with postal unions and sell bonds to finance modernization and construction.

The 8 per cent pay boost is expected to cost \$58.2 million for the full fiscal year starting July 1 plus \$107.6 million for the retroactive pay to April 18.

Udall and Rep. Edward J. Derwinski, R-Ill., who cosponsored the administration-backed substitute, served notice they will now try to amend the bill to concur with the rejected Nixon-union proposal.

RISK VETO

But the House bill also faces attempts at heavy revision and there is cloakroom talk of passing an 8 per cent pay raise for mailmen without postal reform at the risk of a presidential veto.

Rep. Morris K. Udall, D-Ariz.

Skies Cloud Free In Texas

By The Associated Press

Skies were cloud free in most of Texas Wednesday, and temperatures in the 90s and around 100 in the western sections of the state hinted at the hot summer days fast approaching.

A few thundershowers fell late Tuesday night along the Mexican border in Southwest Texas. Isolated thundershowers were forecast for Wednesday afternoon over widely scattered portions of Northwest Texas and western portions of Southwest Texas.

The Weather Bureau said the heat wave will continue over Northwest part of the state and along the Rio Grande Valley from El Paso to Laredo.

Early morning temperatures ranged from the 60s at Dalhart to 80 at Childress.

Press Aide Takes New Demo Post

AUSTIN (AP) — Bill Hamilton, former press aide to Sen. Ralph Yarborough, D-Tex., will join the staff of the Democratic Rebuilding Committee working to defeat Democrats Lloyd Bentsen and Gov. Preston Smith in the November general election.

Bentsen defeated Yarborough as the Democratic nominee for the Senate in the May primary and faces Rep. George Bush, R-Tex., Nov. 3. Smith is challenged by Paul Eggers, Wichita Falls Republican.

The announcement was made by State Rep. Curtis Graves, Houston; Bob Sanchez, McAllen attorney; and Archer Fullingim, editor of the Kountze News, who are co-chairmen of the committee.

Honor Student

One Big Spring student is listed among the 728 students in the School of Liberal Arts at the University of Texas at Arlington who made the spring semester honor roll. Gordon M. Marchant, Big Spring, is the only area student on the list.

Adult Dance

An adult dance will be held Wednesday at the American Legion Hall from 8 p.m. until midnight and will feature music by the Chanteurs. No one under 21 admitted. Price of tickets range from \$1.50 per person to \$2.50 a couple.
