

Star Lites
By
Bill Ellis

FARMERS AND FARM wives who have returned from Washington, D.C. have given a little better picture of what happened during the past week at the nation's capital than we have been able to piece together from the network TV reports, along with the few "localized" accounts in the regional newspapers.

The farmers were disappointed in that the law officials all the way between Texas and Washington had been extremely cooperative with their effort, and helped as much as possible. Then, upon arriving in Washington, the tractorcade encountered some violence from the police there.

Of course, it wasn't all as violent as was pictured on television. As Representative Kent Hance said in a speech this week, "Ninety per cent of the farmers and ninety per cent of the policemen behaved rationally...." This indicated that it was just a small percentage from both sides that were being portrayed on national TV.

In fact, the big-city press' penchant for violence was shown in an account by some of the returning farm strikers from Friona, who told of an Associated Press photographer who had been arrested on Thursday after tearing up some property, intending to blame it on the farmers, so his news agency could have some "juicy" news. Apparently the "violent nature" of the tractorcade had not lived up to the expectations of the news media.

In fact, some of the capitol police told the farmers "If you had been violent demonstrators, we would have known how to handle you, but since you're not, we're at a disadvantage."

The American Agriculture Movement has managed to make an impression by their tractorcade, and from all reports, most members of congress are a little more receptive to the farmers' plight than they were a year ago.

Hopefully, something good will come from all of the time, money and effort that has been expended on behalf of the farm movement.

We hope that the stories we see about President Carter wanting to do away with the family farm, in favor of large corporate farms, is wrong. We would at least like to think so.

FOLKS IN THIS AREA were reminded of something this week that our ancestors had to have learned a long time ago: You have to be versatile to live in this country.

On Wednesday, our weather brought visions of summertime, complete with 86-degree temperature (it reached 93 degrees in Childress). In 24 hours, the temperature had dropped 60 degrees, and in 36 hours, it fell back to a low of 15 degrees Friday morning.

That's why it isn't wise to pack away your winter clothes at the first sign of spring. Or, to turn out the pilot light on your heating system too early, or convert your central heat to central air.

Many's the time we have waited until the month of June to do any of the above chores. You just never know what is going to happen. Like the time that folks thought they were going to freeze to death while on a July 4th outing.

You just have to be versatile...and with a capital V.

MAYBE, AND JUST maybe, the area's cotton farmers were finally able to get the remains of their 1978 cotton crop harvested during the past week's agreeable weather.

Never have we ever seen cotton still standing in the field in mid-February, but it happened this year. It's just another idea of the whacky weather that we have in the Panhandle of Texas.

Farmers learned, long before anyone else, that where the weather is concerned, you have to be versatile!

Some people use the first part of their lives to make themselves unhappy for the second part. Let's strive to be unlike those who fall into this way of life.

AAM Members Give Report

Most of the area farmers involved in the national tractorcade to Washington, D.C., sponsored by the American Agriculture Movement, returned home this week, although efforts were still being pushed on behalf of the farmers in the nation's capital.

Those staying behind have been telling their problems to the House of Representatives' Agriculture Committee hearings, which convened Tuesday, Wednesday and Thursday of this week, and will be back in session again next Tuesday and Wednesday.

This next week would be a good one for the farm supporters to fly to Washington, according to a spokesman for the farmers in the capital. "Either come up and help us tell the story, or telephone your leaders and tell them of our problems," said Jim Roy Daniel, in a telephone interview from Washington this week.

Daniel said that most of the news which had originated out of Washington concerning the farmers was slanted, and emphasized the few violent incidents, such as happened on Monday, February 5.

"We hope the folks back home don't blame us for these few incidents. By and large, I'm proud of the calibre of the people involved in the AAM movement. It represents all age groups, and isn't just a group of radicals, as some would have you believe," Daniel said.

One of the things the farmers have attempted to do is to visit with senators and representatives from other states, in an attempt to explain their problems in making a profit.

But some of these representatives flatly refuse to see them, since they are not their (the congressmen's) constituents.

A farmer's wife asked one of the disinterested congressmen, Charles Wilson of California "Don't you people in California eat?" To which the congressman was said to have answered, "Yes, but we don't have any dealings with farmers. We do all of our shopping at the super market."

"He was serious, too," Daniel said. "I had always heard of similar quotes from the people who live in the cities, but some of us heard this with our own ears."

Daniel said that, even with all of the trouble involved in getting the tractors to Washington, and the fact that the tractors had been barricaded after the first day in the capital, he felt, like other leaders of the AAM, that the tractors were necessary.

(Continued on Page 9)

READY FOR SHOW...Two members of Friona FFA are shown on the eve of the 32nd annual Parmer County Jr. Livestock Show. Jay Lewellen and Doug Massey are shown working with one of Massey's Duroc barrows. A record 300 barrows were entered in the show.

Deadline Given For School, City Boards

Elections for Friona City Council and Friona Independent School District's board of trustees will be held in April, and both entities reminded this week of the deadline to file for a place on the governing bodies.

Wednesday, March 7 is the deadline for filing for a spot on either the city council or school board.

Three terms are expiring on both boards. School board members whose terms are expiring are Floyd S. Reeve, Teddy Fangman and George Frye. All three have filed for re-election. Holdover members of the board will be Wesley Barnett, Jerry Hinkle, Jerry London and Ronald Smiley.

Those wishing to file for a spot on the school board must do so in Superintendent Tom Jarboe's office, between the hours of 8 a.m.-12 noon and 1-4 p.m. Monday through Friday.

Forms for filing for the city council are available at City Hall.

Terms expiring on the city council are currently held by Beth Thompson, Jerry Brown and Patrick Pace. Of the three, only Mrs. Thompson has filed for re-election.

The city and school election will be held jointly on Saturday, April 7.

Credit Union Meeting Date

The Friona Texas Federal Credit Union will hold its annual meeting on Tuesday, February 20, at the Friona High School Cafeteria.

Registration begins at 7:30, with a chili supper to begin at 8 p.m.

During the business session, members will elect three members to the organization's board of directors. Terms being held by Arlen May and Gene Zachary are expiring, and another director, Don Gatlin, had resigned in November when he moved from the city.

Holdover directors are Carolyn Dement, Geneva Williams, Carl Mason and John Baca.

Also, a member of the loan committee is to be elected. Alvin Gaines' term is expiring. Holdover members are Leonard Coffey, Glenn E. Reeve, Jr., Floyd Wilkins and Les Fithen.

Fund Drive Slated For Sr. Center

A meeting was held Thursday night to discuss a fund drive to raise money to build a senior citizen's center in Friona.

The center is expected to cost in the neighborhood of \$40,000, and will be a 50x80 building, of steel construction and brick trim.

Lots have been purchased for the center, across the street south of Prairie Acres Nursing Home.

Details of Thursday night's planning meeting were not known at the Star's press time, but further details will be announced as they become known.

Summer Day Yields To Wintertime

"Instant summer, instant winter" best describes the weather in the Friona area this week.

The mercury climbed to 81 degrees on Wednesday afternoon, on a day when the temperature reached 90 in parts of the area. But the respite from the cold was short-lived, as the mercury began a skid about noon on Thursday and finally halted when it had reached 15 degrees early Friday morning.

Snow was beginning to fall early Friday, a far cry from Wednesday afternoon when people were rolling down their auto windows.

TEMPERATURES

Date	Hi-Low
Saturday, February 10	57-20
Sunday, February 11	63-31
Monday, February 12	68-29
Tuesday, February 13	65-29
Wednesday, February 14	78-36
Thursday, February 15	81-45
Friday, February 16	61-15

No precipitation.

SPEECH WINNERS...Forensic students who gained at least the semi-final competition at the Texas Tech University tournament last Saturday included (front row) debaters David Merrell-Mark Ba-

vousett; and Amber Smith-Andy Fleming. In the back are poetry and prose readers Karen Edelman, Christy Bengel, Laura Ellis and Sandy Spring.

MAPPING OUT DRIVE...Friona's leaders for the "Heart Sunday" drive are shown checking over last-minute details. Linda Warren, right, is chairman, assisted by Margaret Parsons.

"Heart Sunday" Set Locally February 18

"Heart Sunday" will be observed in Friona on February 18, with local volunteers canvassing the city on behalf of the American Heart Association.

Linda Warren is chairman of the Heart Fund in Friona, assisted by Margaret Parsons.

The AHA chairman for Parmer County is Mrs. Dean McCallum.

A spokesman for the American Heart Assn. says that residents may also make donations or memorials at Friona State Bank. Any teller will accept donations to the fund.

The American Heart Association, in a release promoting the fund-raising effort, says:

"The American Heart Association's battle against heart attack and stroke is concentrated in three areas: 1) funding cardiovascular research; seeking new and better methods of preventing, diagnosing and treating cardiovascular disease; 2) conducting educational programs designed to inform the public of the dangers and of ways to reduce the odds, as well as programs to keep physicians and nurses informed of latest advancements, and 3) sponsoring service programs, including free public screening to detect high blood pressure, a leading cause of heart attack and stroke."

Coaches Contracts Renewed

Discussion of coaches' contracts occupied the main item on the agenda at the regular meeting this week of the Friona School board.

The contracts of Jimmy Pope, Pete Hubbard, Robert Mears, Jim Hand and Theresa Buck were renewed for another year. Head coach and athletic director Lonnie Phillips' contract had been renewed for a two-year period in January.

Craig Hunter, who has served as the girls' coach for the past two

years, submitted his resignation as of the end of May.

In other business, the monthly tax report showed that 92 per cent of the school district's taxes were paid by the tax deadline of January 31.

Routine reports on the various school funds were given by Superintendent Tom Jarboe. The board also adopted routine policy changes in regard to facilities for handicapped students.

Show Begins With Record Entry List

Judging began on Friday at the 32nd annual Parmer County Junior Livestock Show, with some 500 animals entered in the annual event.

The annual "stock show weather" also arrived on schedule, but did not hamper activities in the showbarn-community center.

First order of events on Friday

was the barrow show, with 300 barrows entered. Lamb judging followed Friday afternoon, followed by the steers.

The auction sale is at 1 p.m. Saturday.

All of the show results will appear in next week's issue of the Star.

Friona Flashbacks

.....from the files of The Friona Star

50 YEARS AGO—FEB. 15, 1929

The recent cold snap has given grief to quite a number of Friona folks on account of freezing water in their water pipes. In some instances, families were cut off entirely from their water supply for a few days but without any serious expense, while in other cases considerable damage was done and expense incurred by the bursting of pipes.

45 YEARS AGO—FEB. 16, 1934

The corn and hog meeting held at the school building Tuesday night was well attended, under the supervision of county agent A.R. Bateman. Contracts were made available, providing hog raisers a sum of ready money on the number of hogs produced during 1932 and 1933.

The Friona Chiefs won the Parmer County round-robin tournament last week in Bovina, downing Farwell in the finals in an extra period. Loflin, Mans, Livings, Boatman and Cummings were the Friona players. Three Crume brothers, Walling, Moore and Loveless represented Farwell.

35 YEARS AGO—FEB. 11, 1944

Carl Maurer has just received approval of the Army, Navy and Civil Aeronautics Authority for the designation of an airport at Friona. C.J. Dorris of Amarillo has been

secured as a flight instructor.

25 YEARS AGO—FEB. 11, 1954

A community auction has been announced by the Chamber of Commerce and Agriculture for February 20, as the latest in the planned activities for 1954. A similar auction will be held each third Saturday in the month.

A fund drive was officially launched on Monday evening to expand Parmer County Community Hospital. Dr. Paul Spring outlined the pressing expansion needs. Pete Buske, board chairman, presided at the meeting.

15 YEARS AGO—FEB. 13, 1964

A bookmobile from the Texas State Library will make stops in Parmer County for the first time on Saturday, giving residents a look at the new service which will be offered on a regular schedule beginning in the near future.

The Friona High School Squaws have won 24 straight games this year but still must defeat Olton Friday night to clinch the district championship. A loss would give Olton a tie.

10 YEARS AGO—FEB. 13, 1969

Diane Hurst and David Duncan, who are students at Texas Technological College, Lubbock, were Saturday visitors in the home of Miss Hurst's grandparents, Mr. and Mrs. Bert Shackelford.

The Navy Recruiting Station in Clovis announced today that Teddy William Renner was enlisted in the United States Navy on January 20.

5 YEARS AGO—FEB. 17, 1974

North Texas State University awarded 948 degrees at the end of the fall semester. Vice-President for Academic Affairs Dr. Gustave Ferre has announced. Among the 948 winter graduates was Wilmont Earl Crow, son of Mr. and Mrs. Wilmont S. (Red) Crow, bachelor of business administration degree in accounting.

Friona Woman's Club met at Earl's Parmer House Restaurant for their regular meeting Friday, February 8.

Friona's newest business, the Circle K Food Store, opened here Saturday at its location on West Highway 60 and Woodland Avenue.

Bookmobile Schedule

The High Plains Bookmobile will be in our area on the following dates:

Wednesday, February 21—Needmore, 9-10 a.m.; Stegall, 10:30-11:30 a.m.; and Threeway, 12 noon-2 p.m.

Thursday, February 22—Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona, 1-1:15 p.m.; and Hub, 1:30-2:30 p.m.

Friday, February 23—White's Elevator, 10-11 a.m.; Lazbuddie, 12 noon-1:30 p.m.; and Clay's Corner, 1:45-2:30 p.m.

Saturday, February 24—Farwell, 9-11:45 a.m.; and Friona, 1-3:30 p.m.

Local Farmer To Present Segment Of Symposium

"What's New In Water Conservation" is the theme of a Symposium to be held at the Texas A&M Research and Extension Center on February 22. The Center is located at 6500 Amarillo Boulevard West, just south of the VA Hospital. The program will begin at 10 a.m. and conclude at 3:40 p.m. Box lunches will be available at noon.

The symposium is sponsored jointly by the Texas Agricultural Experiment Station, USDA, SEA, Agricultural Research at Bushland, and the Texas Agricultural Extension Service. The event will be dedicated to the late Dr. John Shipley, formerly on the Experiment Station Staff.

Dr. G.B. Thompson, Research Director at the Center invites everyone interested in efficient water management to participate in the Symposium. "Recently scientists at Bushland, Amarillo, and North Plains Research Field at Etter have found new methods of conserving water and increasing yield," Thompson said. "Irrigated and dryland sorghum yields have been increased 1000 pounds per acre by using no-tillage to manage crop residues," he continued.

The keynote speaker will be Mr. A.L. Black, Chairman, Texas Water Development Board, who will discuss the "Water Situation for Agriculture-The High Plains Ogallala Study." Mr. Reggie Jones, USDA Soil Scientist, will follow with a 20-year evaluation of Conservation Bench Terraces. The morning session will be completed by Drs. Nolan Clark and Paul Unger, USDA Scientists. Dr. Clark will discuss research with dikes in lister furrows to conserve water on irrigated and dryland fields. Dr. Unger will explain how managing crop residues can greatly increase soil water storage and subsequent crop growth.

Dr. B.A. Stewart, USDA Research Director from Bushland, will preside over the first session in the afternoon. Dr. Allen Wiese, Weed Researcher, will lead off the program by explaining the roll of herbicides in conservation farming systems. He will be followed by Dr. Bill Lyles, Agricultural Engineer, who will talk about his research on

conserving both energy and water with new water applications systems. Irrigated corn and sorghum will be discussed by Mr. Jack Musick, USDA Agricultural Engineer, and Mr. Cecil Regier from the Etter Research Field.

Mr. Paul Gross, District Extension Agent located at the A&M facility, will guide the program following a break. Latest research on irrigating sugarbeets will be presented by Dr. Steve Winter. Techniques for maximizing profits from irrigation water will be explained by Dr. Ray Sammons, farm management specialist with the Texas Agricultural Extension

Service. Mr. Charles Hough, farmer near Friona, will complete the program by discussing conservation practices on his farm. Hough operates four center pivots with minimum tillage and produces bumper crops of corn, soybeans and sorghum with a minimum of water and fuel.

Great strides have been made in water conservation at the Bushland and Amarillo Centers in the last 10 years that will pay big dividends when utilized. "Farmers interested in learning about this research will want to attend the symposium," Dr. Thompson said.

Profiles and Things by don watkins

When people talk to me of ignorance concerning teenagers, I immediately know they are the ones who need further education. Possibly not in the classical sense, but most assuredly in the world of reality. Anyone, and I mean anyone, who has had association with this elite segment of our society, and who has maintained an open mind, will agree.

Teenagers are not dummies. It is that simple. They may not make straight A's and in their own way create little annoyances for the adult world, but you can rest assured they come across when the chips are down.

Satire is well known as the teenager's forte. It is their way of coping with an adult world that has shown them misery, strife, international conflicts, and the ever constant threat of a nuclear holocaust. It is a mild and harmless reaction to all they have to face.

I am well aware of the delinquents among this age group. They are everywhere. And like the old adage one bad apple can spoil the barrel, this seems to be the case where youthful reputation is concerned.

This should not be. For every story told or printed about some teenagers

in trouble, there are myriads of events never publicized whereby young people are constantly doing worlds of good.

It is about time the situation is reversed, though I doubt it will be done. Admittedly in the weekly and bi-weekly papers throughout this state, much good publicity is given to the young people within respective communities, but the large conglomerates cannot see fit to follow suit.

And, if we believe statistics, those are the very areas in need of more positive attitudes. But this it seems I cannot correct.

I can do, however, exactly what I am doing at this very moment; writing my column in praise of the teenagers in this country. It may not reach the eyes of the big city people, but I can feel somewhat better in knowing it may reach the eyes of over 25 different towns throughout the state.

Thus, if you as a high school or junior high student come across the paper, and if you do happen to read Profiles and Things, take heart in the fact not all adults "put you down." There are thousands and thousands more that feel the same as I.

Bass Club Gives Awards

The Western Plains Bass Club held their first awards banquet on Thursday, February 1, with a fish fry at Carl's Palmer House Restaurant, for members and their families.

President Gary Hand introduced the master of ceremonies, Jack Patterson.

Club champions were announced. This is based on the point system and figured by total pounds of fish caught at club tournaments held during the year.

Gary Hand received first place; Mike Smith, second; and Leroy Lunday, third.

Loyd Chesher caught the largest bass of the year, weighing four pounds, seven ounces and was caught at White River Lake.

After the awards, a film of the Hubbard Creek Tournament was shown.

New officers for 1979 are Dee Willard, president; Jack Patterson, vice president; Loyd Chesher, secretary; Patrick Pace, treasurer; and Fred Church, tournament director.

Anyone interested in information about the club is asked to contact any of the club members or officers.

Jim Dixon Attends Meeting

Mr. and Mrs. Jim Dixon of the Rhea Community attended the National Association of Wheat Growers convention, held in San Francisco January 29-February 1. Dixon is a NAWG delegate from Parmer County.

Some 1200 people attended the meeting, including a number of Japanese businessmen representing the milling industry, large customers of U.S. wheat.

Discussions at the convention centered on target prices and loan adjustments and the importance of providing wheat grazing and haying options to boost program participation.

NAWG president Winston Wilson of Quana, expressed the association's concern over the potential for increased wheat production in 1979 and urged additional incentives to maximize participation in the announced 20 per cent set-aside program.

Representatives of Stauffer Chemicals Corp. and Chevron Oil Corp. spoke to the convention.

Stevick Twins Rites Conducted

Graveside rites for James Ray Stevick, Jr. and James Dillon Stevick, premature infant sons of Mr. and Mrs. James Ray Stevick, Sr. of Hereford, were conducted at 11 a.m. Saturday at Friona Cemetery. H.D. Simmons, minister of Sixth Street Church of Christ, was the officiant.

The babies were born early Tuesday morning at Deaf Smith General Hospital, Hereford, and were immediately transferred to Northwest Texas Hospital, Amarillo, where they died.

Survivors, besides the parents, include Mr. and Mrs. Glen Stevick, Friona, and Mr. and Mrs. Chuck Sprouse, Hereford, grandparents.

Burial was under direction of Parsons-Ellis Funeral Home.

Graveside Rites Held For Infant

Graveside services were held Thursday, February 8 in Muleshoe for David Abram Snyder, stillborn infant son of Mr. and Mrs. Randall Wayne Snyder.

Officiating was Rev. Gene Priboth, minister.

Survivors include the parents, Randall and Debbie Snyder, a brother, Tory Lynn, grandparents, Mr. and Mrs. Charles Snyder of Friona, Charles Carter of Dimmitt and Iris Peoples, Lubbock. Great-grandparents, Frank and Allie Snyder, live in Friona.

Add a Mexican touch to hot dogs this winter

Stuck on what to serve the crowd that troops into your house after school or following basketball games? Try frankfurter quesadillas—a special south-of-the-border dish guaranteed to take the nip out of frost-bitten winter nights.
 Wrapped in a Patis tortilla, each quesadilla includes delicious sauerkraut and shredded Swiss cheese along with that all-American favorite—the hot dog.
FRANKFURTER QUESADILLAS
 1 can (16 oz.) sauerkraut
 1 teaspoon dill seed
 1 package (9 oz.) Patis frozen tortillas
 Oil
 3 cups shredded Swiss cheese
 12 frankfurters
 Prepared mustard
 ½ cup butter or margarine, melted
 Parsley for garnish (optional)
 Place sauerkraut in wire strainer; rinse well and drain thoroughly. Squeeze out excess liquid and place in bowl; mix in dill seed. Separate tortillas; brush with oil and heat on hot griddle until pliable. As each tortilla is heated, wrap in foil to keep warm.
 For each quesadilla, sprinkle ½ cup cheese over the tortilla and place one frankfurter along one side. Drizzle with 1 teaspoon mustard or to taste. Distribute 2 tablespoons of sauerkraut along the frankfurter. Roll up and place, seam side down, in buttered 13 x 9 x 2-inch baking dish so they do not touch, if possible. Brush generously with melted butter.
 Bake, uncovered, in a preheated 400 degree oven for 25 minutes or until crisp, brushing occasionally with remaining butter. Place on serving platter and garnish with parsley, if desired.

Lazbuddie 4-H Club Tours Dog Kennels

After a short business meeting the Lazbuddie 4-H Club members made a very informative tour Monday afternoon, February 12 to the Darrell Jennings Dog Kennels of Clay's Corner.

Glenda Jennings showed the members and adult leaders the pens of Grey Hounds, different age dogs, about the training of the dogs for racing, papers and information needed for dog registration, and the care and feeding of the dogs. All members and adult leaders appreciated the tour.

All members are making plans to present a method demonstration or illustrated talk for the upcoming Farmer County 4-H Method Demon-

stration Contest in April. Members needing any additional information may call the adult leaders Mrs. Kenneth McGehee or Mrs. Pete Jesko.

Attending the meeting were Cami Ivy, Randy Jacobs, Frank and Maureen Jesko, Kristine and Kurt Miller, Wendy Jarman, Shonda Mitchell, Lisa McGehee, Pat McBroom, Shannon Weaver and Jim Gowing. Also attending were Laura Jacobs, Parmer County Assistant Extension Agent, Joyce McGehee and Ettie Jesko.

Next meeting will be Monday, March 12 after school in the school cafeteria. Parents are always invited and urged to attend.

Bike-A-Thon Chairman Named

Ms. Roxanne Hurst was named Chairman of a Bike-A-Thon in Friona by Reuben D. Duke, President of the Lone Star Chapter of the Cystic Fibrosis Foundation.

She will be conducting the Bike-A-Thon to raise funds which will support research and care for children affected by cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis and other related lung-damaging diseases.

Cystic Fibrosis, an incurable genetic disease, is inherited by one in every 4500 babies born in the

United States. Both parents carry the recessive gene for CF and number among one in twenty persons in the U.S. who may be carriers, usually without knowing it. With improved therapy and constant research, many CF patients are now living into early adulthood.

"Most people do not realize there are millions of children affected by lung-damaging diseases, and by participating in our Bike-A-Thon, you can help these children who can't take breathing for granted," said Mr. Duke.

KALEIDOSCOPE....This unusual montage of basketball action was created by Star photographer Stanley Ellis. The overlap shows

Chieftain Leslie White, left, working the ball, with an unidentified team member's hands following through on a shot.

Indians Snare O.T. Win Over Chieftains

Friona High School basketball teams split a pair of games against teams from Morton last Friday. The Squaws won their fourth district game, 61-47, but the Chieftains suffered a 76-72 overtime loss to the Indians.

The boys' game was, as usual when these two teams meet, the featured event. Morton, revamped and rebuilding, was supposed to be a weaker team this year, but they didn't know it when playing Friona, taking wins both times the teams met.

Friona held the advantage for most of the way in last Friday's battle, and had a good opportunity to win the game in regulation play, but blew it on two trips to the foul line in the last 25 seconds.

Kevin Kothmann had a hot hand for the Chiefs in the first quarter, as the team led throughout the period, except for times the game was tied in the early going. Chris Barnett added three baskets in the quarter, as Friona held a 26-14 lead at the buzzer.

Jeff Peak scored on a turning jump shot to open the second stanza, and Barnett's lay-in ran the score to 24-14, Friona's longest lead of the game.

Morton rallied to trim the margin to three points at 29-26, and Friona hit a cold spell during which it couldn't buy a basket, committed several turn-overs, and allowed Morton to catch up and go ahead. The Indians even scored on a 25-foot jump shot two seconds ahead of the buzzer, for a 34-33 halftime lead.

Friona came back out for a good third quarter, making some good plays to go back into the lead. Leslie White stole the ball and drove down for a basket that made it 39-36, Friona, and Ky Graham connected for a 45-40 lead with 3:20 left in the quarter.

But Morton again got a basket just a second before the buzzer sounded, to trim a five-point lead to three, at 51-48 at the three-quarter mark.

The fourth quarter was hectic, as the teams swapped baskets. The score was tied six times, and the lead changed hands three times.

White tallied a pair of free shots with 1:48 remaining, for a 67-64 lead, but Morton scored to trim the margin to 67-66. Kevin Pope made the front end of a 1-1 free throw opportunity, for a 68-66 lead, with 48 seconds left.

A lane violation against Morton loomed big with 31 seconds left in the game, and with 25 ticks remaining, White was fouled on what looked for all the world like an intentional foul, but the officials said no, and gave Leslie a 1-1. The shot missed, Morton rebounded, and tied the score at 68-68.

Friona came down, playing for the final shot. Finally, Kevin Kothmann went goalward, and was fouled. Again, it could have been two shots, but the ref left it at 1-1. Kothmann's shot bounced high off the back of the rim, and the game went into overtime.

White gave Friona the first lead in the overtime period, but Morton countered with a pair of baskets, and a 72-70 lead. Pope's free shots tied it at 72, with 19 seconds left, but Morton got a basket at the 11-second mark for a 74-72 lead. Friona turned the ball over while trying to set up for the tying shot, and a long pass netted a layup and the final margin for the Indians.

The girls game was hardly a contest after the first quarter, at the end of which Friona held a 21-10 lead. Reserves saw a lot of action, as nine players scored for the Squaws. Sylvia Bermea led the scoring for

Friona with 15 points. The Squaws connected on 48 per cent of their field goal shots.

8th Maidens Lose Finale

The eighth grade Maidens fell in defeat to Littlefield Monday at Littlefield by a score of 36-20. This was the last game of the season and it gave them a season record of 6-9 and a district record of 3-4.

Judy McLellan, Sally Castaneda, Margarita Escobedo and Annabel Aguilar each had four points, followed by Sandra Leal with two and Sherry O'Brian and Shea Woodard each with one.

There were 23 fouls called on each team.

Other team members include Cara Brockman, Sheri Dodson, Lenora Gonzales, Teresa Villalobos, Sherri Brown, Carol Dement, Erika Pope and Cindy Drake. Managers for the year were Patty Hinton and Dawn Gibson.

7th Graders Lose Contest

The seventh grade Maidens traveled to Littlefield Monday night and lost the last game of the season by a score of 21-14. Valencia Koelzer was high pointer for Friona with six points, followed by Patsy Aragon with four, Kristi Britting and Diane Johnston with two each.

Friona had twelve fouls and Littlefield had 22.

This game gave the Maidens a 6-9 season record and 3-4 district record.

Others on the team are Jessica Maurer, Sharon Frye, Faith Wright, Mariella Salas, Beatrice Ramirez, Francis Saiz, Lisa Ulen, Velma Cruz, Nancy Gonzales, Elizabeth Mendoza, Irene Morin, Gayla Stowers, Janie Trevino, managers for the year were Tammy Smock and Margaret Calley.

L'il Dribbler Program Set

Friona's Little Dribblers program kicks off its 1979 schedule on Monday, February 19.

Twelve teams will make up the league this season, with six in the fifth and sixth grade division, and another six in the third and fourth grade division.

Three games will be played in each league each weekday except Wednesday, with games slated to begin at 6, 7 and 8 p.m.

At the end of the regular season, all-stars will be selected to represent Friona in the Little Dribbler playoffs.

Teams In Dual Loss To Dimmitt Cagers

The Chieftains and the Squaws dropped their final games of the basketball season here Tuesday against visiting Dimmitt teams.

The Chieftains were blitzed by the district champion Bobcats, 69-43, while the district winning Bobbies also handed the Squaws a 58-35 defeat.

Although they had the district title wrapped up, the Bobcats acted as though the game was for all the marbles, even to leaving their starters in the game until only two minutes remained to be played.

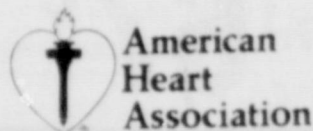

Dimmitt bolted to an 18-9 first quarter lead, increased that to 37-19 at the half, and had a 30-point edge, 58-28 after three quarters. Kevin Kothmann's 18 points made him the only Chieftain in double figures for the game.

The Squaws and Bobbies played a

slow-moving first half, which saw the Bobbies take a 24-17 lead into the locker room. But the visitors came out to score 20 points in the third quarter, and put the game on ice with a 44-25 lead.

Varla Welch led the scoring in her final game for FHS with 11 points.

Performance proves...

The top 8 corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmer's fields, county agent test plots, wherever they're grown, these Pioneer brand corn hybrids consistently out-perform competitive hybrids year after year. Each hybrid has its own particular strong points that make it especially well suited for certain environmental and management conditions. When thoughtfully selected and properly managed to meet the conditions, each of these

hybrids delivers top performance... winning performance that's head and shoulders above the competition.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area for the last several years and see for yourself. The consistent performers... the top 8 performers are all from Pioneer!

Short Supply **3195**

High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains growing conditions. High test weight grain is hard textured and dries down fast. Ideal for grain or silage.

NEW **3183**

Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184. It also has excellent seedling vigor plus good standability and stay-green qualities.

3305

A silage grower's dream come true (even if your plans change mid-season)! Tall with good standability and a high grain-to-stover ratio. Adapts well to the high plant populations required for top silage yields. And if your plans change, excellent grain yields make it a profitable grain crop, too.

Short Supply **3184**

Steady corn maker, popular for excellent yields and consistent performance. Strong stalks, good roots provide outstanding standability.

3780

The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum. Maximum water use period makes it an ideal companion crop to cotton. Yield average of more than 7,800 lbs./A in four years of High Plains production at 96 locations.

NEW **3311**

A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195. It silks earlier than 3195 and performs better under stress.

3541

Very early silking, a long kernel fill period, and fast drydown help 3541 produce extremely high yields for its maturity. Give 3541 the management it needs, and it could easily be your top income producer. Excellent standability, ear retention and head smut tolerance.

3360

Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on. Outstanding early season vigor. Excellent for silage on the Irrigated Plains.

Ask your Pioneer dealer about them **NOW.**

Criminal Cases Set For District Court

Nine criminal cases are to be heard next week in District court. On the docket will be the following cases:

The State of Texas vs Gary Cole, forgery; Ingemar Lloyd Woods, theft; Ben Cantu, criminal mischief; Joe Pat Medford, theft; Richard Clyde Petty, failure to stop and render aid; Zenon Gutierrez, burglary; David Wayne Wright, obtaining controlled substance by forged prescription; Bely High-tower, obtaining controlled substance by forged prescription and Tedd Bolinger, burglary.

Jurors selected include the following:

**Tuesday, February 20, 1979
At 9:30 A.M.**

Lorena Wood, Earlene Jordan, Maurine Routon, Edna Pearl Bowman, Cleo Gauna, Gary Don Hand, Troy N. Crutchfield, Mark Bowen Edelman, Alicia Rodriguez, Sallie Cam Robinson, Barbara Armstrong and James Theodore Magness.

Also, John W. Blackburn, Raul Rosalez, Pauline Beavers, Bobby Clarence Hill, Becky Shrisse

Jones, Mrs. Lewis Tharp, John Oliver Jarecki, Leslie Rushing, Donald Linn Payne, Gene Paul Jarman and Margaret Vaughn.

Also, Erdice Elaine Watkins, Carrie Marie Drager, Merriman W. Vise, Glenn Ritchie, Erlinda Flores, Guy Dane Qualls, Alba Mariam Wilcox, Calvin Martin Ulen, Isom Ansley, Jarrell Anthony Wright, T.M. Caldwell and D.J. Rick Sorensen.

Also, Betty Lou Spring, Alfredo Lafuente, Altagracia Ortiz, Jewell Thomas, Gilma Gonzalez, David Allen Cochran, Mary Ruth Woody, Amy Jane Mason, Gloria Gomez, Galen Charles Carson, Jeannette Maurer and Epifanio Perez, Jr.

Also, Betty Armstrong, Leon Louis Schilling, Joe A. Walters, David Lee Saylor, Annie I. Elder, Vickie Barker, Patsy Lonsdale, Jane Latrell Dixon, Nora Avis O'Brian, Billy Sides, Kenneth Ray McClaran and Thomas Michael Beauchamp.

Also, Ramon Sierra, Doris Jane Barnett, Dorothy Dianne Woodruff, Peggy Hargrove, Jeanne Hendrickson, Beulah McWilliams, Tom

Atkins, Troy Christian, Toni Ellyn Allan, Anna Emma Martin, Paula Gay London and Elmira Donette Carlton.

**Wednesday, February 21, 1979
At 1:30 P.M.**

Abe Mallouf, Earl Wayne Elliott, Olive Smiley Massie, Mrs. Truman McKillip, Wanda Lou Nuttall, Earlene Graham, Rafael Joe Gonzales, Edwina Owen, Edwin Lide, Nina Lee Redwine and Roma Kay Ray.

Also, Sandra Lee Johnson, Ramon G. Delgado, Jesus M. Bermea, Donald Ray Verner, Daniel L. Carmichael, Juanita Kathryn Reeve, Ira Erbert Hume, Dorothy Lee Harris and Hubert Louis Gohlke.

Also, Myron D. Hillock, Patti Gayle Rando, C.W. Dale, Bernice Norton, Eldon Keith Long, Jean Travis, Barboro Jesus Espinoza, Barbara June Cockerham and Gary Lynn Harris.

FHS Forensic Team Shines At Tech

Friona High School's forensics team performed well at the Texas Tech University's Forensics meet February 9-10.

The novice debate team of Andy Fleming and Amber Smith placed third, as did the team of Mark Bavousett and David Merrill.

Merrill was the fourth place individual on speaker points in novice debate, and Miss Smith was fifth.

Laura Ellis gained the tournament finals in poetry interpretation, missing third place on a split decision.

Karen Edelman and Sandy Spring reached the semi-finals in prose reading and Christy Benge reached the semi-finals in poetry interpretation.

Other students participating were Monique Osborn and Diana Glover in prose reading; Susi Noah and Tami Boswell in poetry; Tracy Horton, David Fleming and Gary Wright in informative speaking; Stanley Ellis in persuasive speaking; Sonya Gore and Maria Escalante in novice debate; Mark Zachary and Mark Blankenship and Kipi Fleming and Janette Reed in championship debate.

A total of 30 schools took part in the tournament, all the way from conference AAAA, although there are no divisions in the competition.

The FHS team is competing in the West Texas State University tournament this weekend.

MAIL SERVICE SUSPENDED TO COUNTRY OF IRAN

Suspension of civilian mail service to Iran has been extended to cover surface mail, the U.S. Postal Service announced today. The effect is to eliminate all civilian mail service between Iran and the United States.

Airmail service to Iran was suspended January 9, 1979.

Postal officials said the latest action was taken because of the lack of reliable air and surface transportation either in or out of that country.

Anthony Re-elected To Board

A.W. Anthony was re-elected to the board of directors at the annual meeting of the Plainview Production Credit Association on Saturday, February 10.

Also re-elected was H.L. Porter of Petersburg, who is president of the board. Bill Carthel of Friona, vice president, is a holdover, along with Ray Robertson of Dimmitt and Harley Wells of Plainview.

At the association's business session, it was reported that PCA had loans and interest amounting to \$75,841,852 for the year ended October 31, 1978.

Anthony gave the board of directors' report during the business session. Don Loafman, assistant general manager of the association, introduced the guests. H.P. Hamilton presented the nominating committee report.

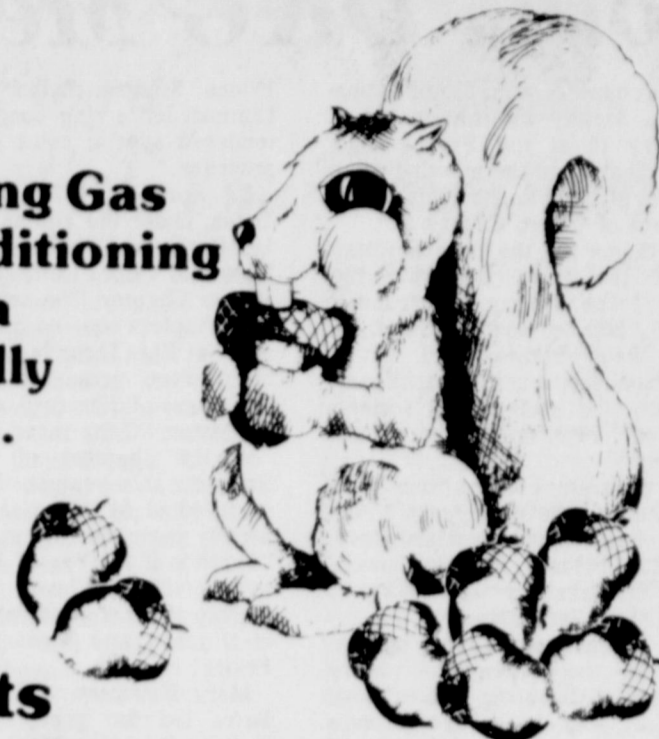

Total assets of the Assn. amounted to \$78.57 million, compared to \$72.41 million a year earlier. Net worth was listed at \$164.3 million.

The PCA offers specialized credit to farmers, ranchers and livestock feeders in Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties.

Farmers Report ...

(Continued from Page 1)

"We had to have them to call attention to our cause. If we had just flown to Washington, there would have been little publicity, and the congressmen would just have ignored us," he reasoned.

"We need a show of strength from the folks at home. If they can come back to Washington, we need them. If not, we need them to call congressmen and urge that they consider our plight," Daniel said.

A Bovina resident, Donna Roming, quoted a Washington policeman as saying that the farmers would have had a better reception in Washington if they had been demonstrators from a foreign country.

"You would have had bathroom facilities, and food, for sure. And I have seen the time we have handed out envelopes of money for the demonstrators, to provide for necessities," the capital policeman was quoted as saying.

The people of Washington have been extremely nice to the farmers, inviting them into their homes this past Sunday for lunch, and asking them to explain the problems first-hand.

All along the way during the tractorcade, people went out of their way to help the travellers. Upon reaching their main camp ground in Warrenton, Va., the people there prepared a barbecue supper for 10,000 people.

On Tuesday night, February 6, Representative Kent Hance hosted a chili supper for the AAM. Following the supper, Ralph Roming and Jerome Friemel of Hereford went to Hance's office to work on testimony to be used during the confrontation with Secretary of Agriculture Bob Bergland.

"Congressman Hance has been behind us all the way. We really have a couple of jewels in Kent and Carol Hance representing us in Washington. They understand our problems," Mrs. Roming said.

In 1836 there was a surplus in the United States Treasury of over \$26 million!

Church Sets Revival Here

A revival series will be conducted at Templo Bautista February 19-25, it was announced this week.

Services will be held nightly at 7:30 p.m.

Rev. Bob Sena of Dallas will be the revival speaker. He is a graduate of Wayland Baptist College and Southwestern Baptist Theological Seminary. Rev. Sena is a native of Roswell, N.M.

Rev. Donny Carrasco and other church members invite folks to attend the series of meetings.

FARMERS INVITED TO ATTEND SUGARBEEET GROWERS MEETING

Area farmers are invited to attend an informational meeting Monday, February 19 at 7:30 p.m. in the Bull Barn in Hereford to explore benefits of growing sunflowers as a money crop. More than a yellow flower, sunflowers are grown for numerous uses—oil, seeds for snack food consumption and other purposes.

The perennial favorite for savers

Green Pastures Savings Accounts

Savings are always in season here, thanks to the Money Growers' top interest rates. Year in and year out they reward you abundantly.

And you'll find a variety of savings plans to choose from—that's why Green Pastures Accounts are such favorites. To landscape a beautiful future, pick yours today!

Iota Eta Hosts Joint DKG Meet

Three chapters of the Delta Kappa Gamma Society International met February 10 at the Friona High School. Sharing in the meeting were Delta Xi of Deaf Smith County and Iota Zeta of Castro County.

The theme for the program was "Honor the Past, Celebrate the Future." The Society was founded May 11, 1929, in Austin, Texas, by Annie Webb Blanton and eleven other founders. It is an educational, honorary and professional society. This year, 1979, marks the fiftieth birthday!

The program personalities were presented by the presidents of the three chapters: Leota Hardgrove, Iota Eta, Friona; Audrey Powell, Delta Xi, Hereford; and Mary Jo Brown, Iota Zeta, Dimmitt.

Two Alpha State officers participated in the celebration. Mary Rowlette of Lubbock, second vice president, was the speaker after a salad luncheon. Frances Watkins of Levelland, Area XI Coordinator, paid tribute to thirteen past presidents of the three chapters. In poetic rhyme she had composed, she honored each past president with facts about her life. Then each past president was presented a red silk rose by the present chapter president.

Jo Witten of Friona presented piano stylings as the group assembled for the meeting. The invocation was given by Joan Moore of Dimmitt. After a welcome given by Mr. Tom B. Jarboe, Supt. of

Friona Schools, Zelda Ellison of Dimmitt led a sing song. She also rendered special solos during the program.

On April 25, 1970 at Hereford, Texas, under the guidance of Eula Lee Carter and Phyllis Ellis, Alpha State had twins. Delta Xi was the Mother Chapter. The newly formed twin chapters were named Iota Zeta and Iota Eta. These facts and many more were presented by Eloise McDougal of Hereford as she told the history of the three chapters.

At the Chamber of Commerce Banquets this year in three towns represented at this meeting, three Society members were chosen as "Teacher of the Year." Recognized as receiving this honor were Ruby Mulkey of Hereford, Mary Jo Brown of Dimmitt and Wana Brewer of Friona.

Mary Bavousett and Martha E. Bates led the group in "Simon Says." Prizes, which had been donated by local merchants, were presented to the winners.

Friona members attending the meeting were Martha E. Bates, Elizabeth Gore, Kathy Caudill, Margaret Duggins, Mary Bavousett, Wana Brewer, Iona Cook, Bettye Jarboe, Fay Reeve, Tommie Mercer, Jo Witten, Jauene Lambert, Lora Mae McFarland, Lois Miller, Ethel Bengler and Leota Hardgrove.

The next meeting will be held March 8 at the Security State Bank in Farwell.

ANNETTE REZNIK and CARL EVANS...Mr. and Mrs. A.L. Reznik of Lubbock announce the engagement and approaching marriage of their daughter, Annette La Gaye, to Carl Robert Evans, son of Mr. and Mrs. Herbert S. Evans of Marion, Texas. The couple plans to exchange

wedding vows the morning of April 7 in Lubbock. Miss Reznik, a 1974 graduate of Friona High School, is currently employed as a registered nurse in Lubbock. Evans, a 1973 graduate of Friona High School, is currently enrolled in the Texas Tech University School of Medicine.

Plans Are Announced

Mr. and Mrs. Herman Carlisle of Uvalde, Texas announce the engagement and approaching marriage of their daughter, Irene, to Steve Stone, son of Mr. and Mrs. Travis Stone of Friona.

The wedding will be Friday, March 16 at 8 p.m. at the University Church of Christ in Canyon, Texas. Miss Carlisle is a freshman student at West Texas State University, and Stone is a senior student at West Texas State University.

Kitty Lovelace Gives Program

The Union Congregational Church Womens Fellowship met on Tuesday, February 13, with ten members present.

Grace Whitefield, president, called the meeting to order with a prayer. Roll call was answered with "Grace Notes."

Viola Treider, secretary, read the minutes of the last meeting. Orma Flippin gave the treasurers report. The program was presented by Kitty Lovelace and the topic was "The Christian Attitude Toward Tragedy."

The hostess was Lillie Taylor. The next meeting will be Tuesday, March 13, at the Congregational Church.

Prairie Acres Party Line

We have two new residents, Viola Giles from Hereford and Marvin Puckett from Bovina. This brings our resident occupancy to an all-time high. We now have forty-nine residents.

We have started having a newspaper reading session each morning. The people who can't read the paper themselves are really enjoying this opportunity to keep up with current events.

Sometimes it turns into a real "gab session" and we just end up having a good time. We still need another volunteer to help read.

Kay Kendrick is in the hospital. Daisy Moorman is back from having eye surgery in Amarillo.

Mrs. Ross is moving back to Bovina this week. We will miss her.

We have had such a fun week. Debbie Hernandez entertained our residents with some of their favorite gospel hymns Friday evening.

The Baptist Church of Bovina gave a Valentine party for our residents Monday evening. The G.A. girls provided special music to the delight of all. They had a beautifully wrapped Valentine surprise for each resident.

Everyone eagerly looks forward to

mail time. It is so exciting to receive a card or box. The mail has been colored this week with red envelopes, beautiful cards and packages containing all kinds of surprises.

The florist brought in several lovely Valentine arrangements for residents from friends and relatives.

We have had beautiful Valentine door decorations, table decorations, place mats and tray favors furnished by the G.A. and Acteens of First Baptist Church. One of the residents remarked, "They make us feel so special going to all that trouble, but isn't it a treat!"

The Summerfield quartet composed of J.B. Noland, Homer Garrison and Cecil and Eunice Boyer are favorites who come the second Tuesday of each month and entertain. Everyone eagerly looks forward to their coming. They sing everyone's gospel favorites.

Frank Bird and Merv joined them in their final selection this week. It was so good, no one wanted them to quit.

We need dominoes, cards, checkers, Chinese checkers, and jigsaw puzzles. If anyone would like to donate these items they would be greatly enjoyed and a much needed addition to our recreation program.

Local Women Attend Annual Conference

Ona Patterson of Bovina and Movelda Fortenberry of Friona were among those accompanying husbands at the 21st Annual County Judges and Commissioners Conference.

Sponsored by the Texas Agricultural Extension Service and the County Judges and Commissioners Association of Texas, the conference theme was improving county government.

Keynote speakers were Texas Governor Bill Clements, Reagan Brown, Texas Commissioner of Agriculture, and Mark White, Texas Attorney General—along with Judge W.C. Davis, Texas Court of Criminal Appeals.

Conference topics included local government, federal highway funding, taxation, law enforcement and jail standards. More than 650 persons attended the statewide conference in College Station. A Wives Luncheon during the conference featured presentations on coronary-pulmonary resuscitation training and weight control.

Home economics specialists with the Texas Agricultural Extension Service made the presentations and served as hostesses at the luncheon.

ATTEND CONFERENCE....Ona Patterson of Bovina (left) and Movelda Fortenberry of Friona accompanied their husbands to the 21st Annual County Judges and Commissioners Conference. They

attended a Wives Luncheon during the conference, hosted by home economics specialists with the Texas Agricultural Extension Service.

Students Read Winning Essays

Members of Modern Study Club met February 4 at the Women's Club House with nineteen members and four visitors present for the regular session.

Mrs. Nita Murphy opened the program with a devotional in song singing, "What The World Needs Is Love" and "Happy Day."

The roll call was answered with some current event on crime prevention.

Faye Reeve called for committee reports. A thank you card was read from the club's girl in Girls Town. Eufaula Ethridge reported that repair to the water lines at the Club House had not been completed due to frozen ground. The resignation of Zonah Bass was accepted with regret.

Janet Buske presented the winners of the eighth grade essay contest, with each boy reading his essay. The winners were: First—Billy Head, "Drug Education"; Second—Shane Rhodes, "How To Discourage Burglaries"; and Third—Terry Petchinsky, "Ways To

Discourage Vandalism."

Refreshments were served by the hostesses, Eva Miller, Eufaula Ethridge and Grace Whitefield, to nineteen members and four visitors, Billy Head, Shane Rhodes, Terry Petchinsky and Mrs. Harley Merritt.

Mrs. Evans Plans Tour

Mrs. Milton Evans is organizing a student tour called "Our European Heritage."

The fee is \$1195 from Dallas-Ft. Worth (direct flight) June 15-June 29.

Included on the tour will be visits to England, Amsterdam, Paris, Switzerland and Italy.

Mrs. Evans invites parents to contact her, either at home or at Friona High School for further information, or an appointment concerning the tour.

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

Maybe the beautiful sunshine has something to do with the health and well being of Frionans. Seems like most of those who have been ill are improving.

Melba Allen came home from Amarillo the first of last week. She had been a patient at St. Anthony's Hospital several weeks.

Claude Osborn, who is undergoing therapy at High Plains Baptist Hospital in Amarillo, is showing some improvement.

Jinx Snead was transferred from Parmer County Community Hospital to Health Science Center Hospital in Lubbock Wednesday evening. Her condition is improved, but she's still hospitalized.

Ray White and Ralph McBroom are both home after extended stays in Methodist Hospital, Lubbock. Ray is confined to the house and isn't allowed any visitors yet.

Ralph is up and around and will probably be starting a garden soon. If we had a contest to see what couple could grow more produce on less space, Ralph and Beulah Mae would surely win it.

Jo Phelps, who spent last week at Deaf Smith General Hospital, Hereford, where she was a surgical patient, is home and recuperating nicely.

Lee Anne Crozier of Dimmitt spent last weekend visiting in the Tom Mason home. She and Jan Mason were in a group of high school students who attended Lubbock Christian College's Homecoming.

They're both seniors in high school and plan to be college roommates this fall.

Lee Anne is the daughter of Bob and Jackie Crozier, former Friona residents, and was born here. When the Crozier family lived here, Bob was with the United States Soil Conservation Service and Jackie was employed by the Friona Independent School District.

A group of Friona residents returned home Saturday evening after a week's tour, which took them to London, England. They flew non-stop from Dallas-Fort Worth Airport and returned the same way.

Those making the trip were Mrs. Mae Magness, Mrs. Lois Weatherly, Mr. and Mrs. Lloyd Mingus, Mr. and Mrs. Ralph Shelton, Mr. and Mrs. Rudolph Renner, Jr., Mr. and Mrs. Lawrence Martin, Mr. and Mrs. W.S. Ingram and Mr. and Mrs. Clarence Martin.

The group stayed at the Grovesnor House, which Mrs. Magness described as "the most fantastic place I've ever stayed." She said everyone was so gracious and polite.

The days and nights were fun filled as the group toured many places of interest. Probably the two biggest surprises were (1) the fact that it takes two American dollars to equal one British pound, and (2) in spite of the fact that London has 17,000 cabs running in the city, it was almost impossible to obtain one.

Mrs. T.B. Weatherley of Celeste, Texas, is visiting in the home of her son, Randy, and family. Kassie, who is five, has had scarlet fever, but is much improved.

Stan Vinson is a medical patient at the local hospital. His son, R.B. Vinson of Portales, and daughter, Johnnie Vinson of San Antonio, have both been here this week.

Little Wade Loafman of Plainview was a weekend guest in the home of his paternal grandparents, Mr. and Mrs. Loy W. Loafman. His mother, Mrs. Don Loafman, came to Friona Monday to get home and to visit her mother, Mrs. C.W. Wright.

Mrs. Lois Strickland and son, Toby, who is a senior in Plainview High School, were weekend visitors in Friona.

Lee and Elwanda Campbell are moving this week. They have sold their home out on West Tenth and purchased the former home of Karl Bender at the corner of Seventh and

Euclid.

The Campbells will be living in their camper while they are remodeling their new home.

Another Friona resident who has moved recently is Mrs. Tisha Harris. She had lived at 611 Ashland since moving here from Seymour a few years ago and is the mother of Trell Taylor and Dorothy Self.

She purchased a house at 905 Frio from the school district and has moved over there. Harald and Trell live at 901 Frio, so it is very convenient for them to visit back and forth and to share out-of-town family members when they are here.

Gary and Sandi Weber and daughter, Amy, of Jal, New Mexico, visited Friona friends early this week. The Webers also went to Amarillo for another medical check-up for Amy.

A pot luck supper in the home of Gary and Kay Snead and children Monday evening was a courtesy for the Webers, who are former Friona residents.

On Sunday, February 11, Hardin-Simmons University dedicated their new student union building to the late G.B. (Pete) Buske, in ceremonies at Abilene.

Mrs. Myrl Buske and Mrs. Phila Weatherly left for Abilene on Thursday to help Mrs. Deann Styles with last minute details concerning the dedication.

On Saturday the rest of the family met in Lubbock and traveled down together. Don Max and Lilah Vars, Misty and Mayla of Canyon, Philip Weatherly, Park, Pepper and Penni and B.K. and Janet Buske all of Friona.

They were all guests in the home of Rick and Deann Styles, Mike, Scott and Sherri.

Also attending the dedication ceremonies from Friona was Mrs. Dan Laceywell. She was visiting her brother and family in Abilene. Mr. and Mrs. Conrad Beest, and read about the dedication in the newspaper.

Announcing --- OUR RADIATOR SHOP

**We Have Expanded
Our Shop To Include
Radiator Work. We
Can Handle Any Size
And Type Of Radiators.**

- ★ Repairs ★ Cores
- ★ Complete Radiators

**We Stock A Complete
Line Of New Heater Cores**
