Three American Pilots Freed From Captivity

(AP WIREPHOTO)

A PRESIDENTIAL VOW — President Nixon, addressing an International Narcotics Control Conference at the State Department in Washington, vows today he will cut off U.S. economic and military aid to any country whose leaders protect "the merchants of death who traffic in heroin." Secretary of State William P. Rogers sits behind the Chief Executive, who selected the conference to respond to Democratic presidential nominee George McGovern's criticism of his war on drugs.

UGANDA ACTION Three Towns Reported Recaptured

By The Associated Press

Uganda said today its air and ground units had recaptured three towns it claimed were seized by troops invading from Tanzania in a drive to halt the expulsion of Asians from the East African nation.

Ugandan military spokesmen said troops of neighboring Tanzania invaded Uganda Sunday. Tanzania denied its forces were involved but suggested Ugandans opposed to the regime of President Idi Amin were fighting troops loyal to him in southwestern Uganda.

A radio Uganda broadcast said President Amin had informed the charge d'affaires of Libya that Britain was behind the fighting, trying to bring former President Milton Obote back to power.

He said that in this way Britain hoped to bring a reversal of his order of last month to expel Asians holding British passports. The issue has stirred controversy in Britain where some quarters express concern about a heavy influx of non-whites.

The first group of 193 Asians reached England today.

Obote, ousted by Amin in a military coup in 1971 lives in exile in Tanzania. About 5,000 Ugandans fled there with him after Amin took over the government.

Dispatches reaching London from British correspondents in Uganda reported skepticism in some quarters there of the Ugandan government claims that Tanzanian troops had invaded.

The accounts said there was a possibility troops loyal to Amin were fighting army mutineers or that Ugandan exiles loyal to Obote had launched a guerrilla thrust.

Chief Justice Calvert Resigns

AUSTIN (AP) — Chief Justice Robert W. Calvert, who did not seek re-election this year, resigned from the Texas Supreme Court today, effective with the start of the court's new term Oct. 4.

Calvert, 67, will be leaving the court three months before his present six-year term expires.

His resignation was submitted to Gov. Preston Smith, who is expected to appoint the Democratic nominee for chief justice, Associate Justice Joe Greenhill, to succeed Calvert.

Jury Selection Is Started For Trial

Attorneys were to begin selecting jurors this morning for the murder trial of Jackie Wayne Gaines, 30, of Coahoma.

Gaines was indicted for murder with malice in the shooting of his wife, Mrs. Betty Jean Gaines, 24, about 1 a.m. Feb. 5 in their Coahoma residence.

The mother of three children was found with 20-gauge-shotgun wounds in the face. Gaines has been in custody in lieu of posting \$10,000 bond.

City Expects Check On Revenue-Sharing

City Manager Harry Nagel announced today that Big Spring's share of revenue-sharing refunds should amount to about \$270,000 annually.

He expects a check from the Treasury Department next month for the share, retroactive to Jan. 1.

He noted that an inquiry from the Treasury Department came to the city last week. The letter asked to whom the check should be directed.

Nagel jested, "I told them to put it in my personal checking account."

More Registrations

Early Monday morning 14,527 had registered to vote in Howard County. The county tax office reported this was 14 higher than Thursday's count. Deadline for registering for the general election is Oct. 7.

Nixon Moves To Increase Oil Imports

WASHINGTON (AP) — President Nixon today moved to increase sharply the flow of oil imports into the United States because lagging production of petroleum products has not kept pace with rising demand.

The chief executive's actions mean imports of all petroleum products could rise from about 1.7 million barrels a day east of the Rockies to about 2.3 million barrels a day, officials said.

Acting on the recommendation of OEP director George Lincoln, Nixon issued a proclamation which:

—Increased by 5,000 barrels per day on an annual rate the 45,000 barrel per day import allowance for No. 2 fuel oil. Since this oil will be imported during the last three months.

—Allowed terminal operators who hold import quotas to import an additional 10 per cent of their 1972 allocation of all types of petroleum products, including No. 2 fuel oil.

City Of Juarez Antes Up For Local Police Cars

A check for 12,500 pesos from a Juarez, Mexico, bank and \$4,480 in U.S. currency were rendered today into the city's Financial Director Robert Masengale by officials of the City of Juarez, Mexico, in exchange for the titles of four former Big Spring police cars.

The Juarez officials purchased the automobiles Saturday in the city's auction of surplus equipment at Goat Hill.

Auctioneer Rene Bates, McKinney, sold the miscellaneous equipment and junk for \$16,238, 10 per cent of which is his commission.

According to City Manager Harry Nagel, the amount of money received for the police cars was almost double the offers made earlier this summer by sealed bids. The difference on the police cars alone was enough to pay the auctioneer, he added.

Through sealed bids, the cars would have brought a mere \$700

HANOI (AP) — Three American pilots shot down during bomb raids over North Vietnam have been released from captivity at a ceremony organized by the North Vietnamese Army and attended by relatives and U.S. peace activists who had journeyed to Hanoi.

They are Navy Lt. Norris Charles, 27, whose wife Olga, had flown out from San Diego, Calif.; Navy Lt. Markham Gartley, 28, whose mother, Minnie Lee Gartley, came from Dune-din, Fla.; and Air Force Maj. Edward Elias, 34, of Valdosta, Ga.

UNIQUE AFFAIR
Overjoyed at their new freedom, the three fliers were neat-appearing in new civilian clothing provided them for Sunday's 40-minute ceremony, a unique affair in the annals of warfare.

Each pilot made a statement into microphones before the official release, held before Vietnamese and European television cameramen in a building of the Peoples Army.

Olga Charles, 27, who had had her hair washed and set in a downtown Hanoi beauty shop in anticipation of the ceremony, fought through the throng of cameramen and technicians for an emotional embrace with her husband.

Minnie Lee Gartley joyfully put her arms around her Navy pilot son and said, "He's even better looking than I remember." Mrs. Gartley for the past four years has actively picketed Congress and the White House for an end to the war.

PEACE ACTIVISTS
Elias, who until Saturday had expected his wife or father to come to Hanoi, said in a statement before the microphones, "I have been told that for various reasons they could not make it, but I will be seeing them soon."

Elias' father, Barney, a housing consultant, said in Jacksonville, Ill., he, his wife and daughter-in-law had decided it was "not in the best interest of all the POWs" for them to make the trip. He also said peace activists Cora Weiss and Dave Dellinger, who arranged the release and were at the Hanoi ceremony, had assured the Elias family the major's release would not be jeopardized by their not attending.

Charles, Gartley and Elias were the first American prisoners released by Hanoi since 1969. The U.S. Defense Department prior to Sunday listed 539 Americans known to be captured and held prisoner in Southeast Asia and more than 1,000 missing.

Following the ceremony, there was a banquet at the Hoa Binh Hotel.

APPRECIATION
Mrs. Weiss made a toast in sweet Vietnamese cordial. Then raising a glass of scotch provided by a newsmen, Charles

said, "I want to make a toast to the good people of America who brought this about."

In his formal statement before the microphones, Charles said, "First, I would like to express my appreciation for my release to my family. Secondly, I would like to thank the Vietnamese people for the humane treatment and generosity they have shown me. Finally, I

would like to say that I am a happy man but I cannot truly be happy until this war is terminated."

Elias said at the formal ceremony, "I sincerely hope and pray that this act of release will be a great step to the end of the war and for the future release of all POWs both here and in the South."

Gartley, who was shot down

more than four years ago, said, "News of this release came as a complete surprise to me. I feel this is a unique and very emotional situation. I would like to take this opportunity to thank the people and government of the Democratic Republic of Vietnam and attendant camp authorities for the kindnesses they have shown me since my capture."

Freedom for American POWs has been a major political issue between supporters and opponents of U.S. policy in Indochina. President Nixon has set release of the prisoners as a prerequisite for settlement of the conflict. Peace activists argue that the fate of the prisoners remains in jeopardy as long as the United States bombs North Vietnam.

GOVERNOR WANTS BUDGETARY POWERS

Insurance Legislation

AUSTIN, Tex. (AP) — Gov. Preston Smith today told legislators, some of whom were reluctant to be here, that competitive rates would resolve most of "Texans' unhappiness over the high price of insuring their homes and cars."

He spoke to a joint meeting of the House and Senate an hour after the 62nd Legislature convened in its fourth special session.

The governor also asked the lawmakers to restore budgetary powers taken away from him by two attorney general's opinions.

36 ABSENT
Many lawmakers would have preferred to remain at home to campaign, and 36 of the 150 House members were absent when the roll was called.

Senators, however, defeated, by a vote of 22-4, a resolution by Sen. Murray Watson of Waco to adjourn the session 15 minutes after it convened.

Watson, vice-chairman of the Senate Insurance Committee, said there was "no emergency" to justify Smith's calling the session and declared immediate adjournment would "save the taxpayers a lot of money."

Smith, however, said a spe-

cial session was the ideal time to consider competitive rate legislation because during the past regular session the issue did not receive the consideration it should have.

"After long and careful consideration and study, with the advice and counsel of many experts in the field of insurance, it is my belief that competitive rates will resolve most of the inadequacy, unfairness, discrimination and frustration inherent in our current system," Smith said.

The present system of uniform rates for building and car insurance, set by the State Insurance Board, "has created false, inflated and excessive rates for homeowners and automobile insurance. Our present system encourages inefficiency and discrimination," the governor asserted.

"Almost every other industry in the State of Texas operates under a system of fair and open competition—and so should the insurance industry," he said.

"While there can be no guarantee that rates will only go down and never up, the plan

that I am submitting to you would effectively guard against rates that are excessively high, rates that are so low they threaten the solvency of a company and rates that are discriminatory," Smith said.

Sen. Mike McKool of Dallas, a frequent critic of the insurance board and the insurance industry, said he would sponsor the governor's bill in the Senate.

ASKS POWER

Smith also said that in the interest "of workable government" he wanted back his power to transfer appropriated funds among state agencies and to have the final say-so when government departments want to buy such major items as computers and airplanes. Atty. Gen. Crawford Martin ruled recently that appropriations bill riders giving the governor such authority were unconstitutional.

"Without this authority, the governor would be little more than a figurehead with only ceremonial functions," Smith said.

FUND TRANSFER

He said no governor had ever abused the transfer authority, which he has used nearly 200

times since January 1969 to avert state financial problems.

"Had the governor not had the fund transfer authority as Chief Budget Officer, many of these fiscal problems would have necessitated the calling of special sessions," Smith said.

Smith also mentioned those who criticized the calling of a lame duck session. The governor, lieutenant governor, House speaker and about half the lawmakers are lame ducks.

"I say that until the reins of state government are changed to the hands of a new governor, a new lieutenant governor, a new speaker and a new legislature, each of us has an undeniable obligation to the people of this state to serve them to the best of our ability," Smith said.

OPERATION SUCCESSFUL

Search-And-Destroy Mission

By The Associated Press

Israeli soldiers ended a 32-hour search-and-destroy mission against Arab guerrillas inside Lebanon and then returned home to begin Yom Kippur, the holiest of Jewish holidays.

Lt. Gen. David Elazar, Israel's chief of staff, said the mission ending Sunday night was a complete success and his forces destroyed 150 guerrilla houses and bunkers while killing about 60 terrorists and taking several prisoners.

Tel Aviv said three Israelis were killed and six wounded, while a Lebanese army communique claimed the Israelis lost 18 dead on Saturday, the first day of the operation. The communique also said eight Lebanese soldiers were killed, 12 wounded and 20 missing.

The Israelis said they searched 16 Arab villages during the operation and air force jets bombed and rocketed eight guerrilla encampments and two headquarters complexes.

The raids were a reprisal for the killing of 11 Israeli Olympic team members at Munich and guerrilla raids in recent weeks across the Lebanese border, which have resulted in killing of at least three soldiers.

"I can assure you we will pursue and root out the terrorists wherever they may be," Prime Minister Golda Meir declared in a radio speech at the beginning of Yom Kippur.

NO RESISTANCE
While claiming over-all success, Israel said the unexpected resistance from regular Lebanese army units was the strongest defense they have put up since the 1967 Mideast war.

"We are not fighting the Lebanese army," an Israeli commander told his troops before they entered Lebanon, according to a dispatch from newsmen with the troops.

Nevertheless, seven miles inside Lebanon, after passing up one Lebanese army check point which offered no resistance, Is-

raelis in armored cars and tanks came under recoilless rifle fire.

At least six Lebanese army vehicles were damaged or destroyed along one road near Beit Yahuon, Associated Press correspondent Harry Dunphy reported after a tour of the area.

Israel did not disclose the number of its troops involved in the operation, but Dunphy said as many as 40 tanks and armored personnel carriers rolled across Lebanon's hills at one entry point, indicating perhaps 100 vehicles were involved in the entire operation.

"About 80 to 100 Israelis came in early Saturday morning, stayed through the night and began to leave about 3 o'clock," a villager in Juwayya, where two buildings were blown up by the Israelis, said. "The three persons who were killed here were innocent. They weren't involved in politics. Just farmers."

RENE BATES

Auctioneer Rene Bates, McKinney, sold the miscellaneous equipment and junk for \$16,238, 10 per cent of which is his commission.

According to City Manager Harry Nagel, the amount of money received for the police cars was almost double the offers made earlier this summer by sealed bids. The difference on the police cars alone was enough to pay the auctioneer, he added.

Through sealed bids, the cars would have brought a mere \$700

Mill Owner Hails 3-Day Work Week

GASTONIA, N. C. (AP) — Lester Cutler, a 51-year-old textile mill owner, is as proud as a new father about a three-day work week he has initiated for his employees. He says he thinks it is "as historical as Ford's \$5-a-day plan." Most of the employees at Cutler's Wales Manufacturing Co. are off four days a week, putting in three 12-hour days to earn their full 40-hour pay per week. Grace Martin, back on the job after a four-day weekend, said: "I was glad to come back. It's unusual for me to miss work that much." Mrs. Martin runs a knitting machine and says the long day at work does not tire her. There are several short breaks throughout the day and a half hour for lunch. Another worker, Gloria Bryson, said, "I didn't think I'd feel that good" as she did after her three 12-hour work days. "If I have to work 40 or 48 hours, this is the best way. I have more time at home," she added. Cutler says he began thinking about the best way to utilize his plant nearly a year ago, noting that the best utilization of his equipment requires 24-hour operation. He said he used to have three groups of 30 employees for three eight-hour shifts each work day. "Now we have 30 working from 6 a.m. to 6 p.m. Monday through Wednesday, another 30 from 6 p.m. to 6 a.m. those days, 30 more on two shifts like that Thursday through Saturday — four groups of 30. "We created more jobs," he said. He cites what he thinks are its main benefits: "First, in today's mode of life one of the main things people are looking for is time off. "Second, instead of driving to work five days, now they come three days. There is some savings: less wear and tear on automobiles, less gas. "Third, some females require babysitters, instead of five days, now only two or three. Their husbands can often keep the children one day. "If it doesn't work, we can always go back — but I don't think so. I'd have one hell of a problem if we went back. "I'd be tarred and feathered."

Two Gifts Added To Bible Fund

Two donations for the Big Spring High School Bible Fund came in over the weekend, raising the total to \$5,242.50. The crusade for funds ended over a week ago. The latest gifts were for \$50 by the Mount Bethel Baptist Church and \$5 by the Wesley Methodist Church, which offered the check in memory of A. F. Bearden.

Nothing Like Sunshine Helps Maturing Cotton

Sunshine never looked as good as it has the past week in Howard County. The warmer weather which made Big Spring residents mop their brows and complain about the return of summer helped the cotton crop in the entire area. Last week, only one small shower fell and the cotton around the area took the biggest spurt of growth it has in several weeks, according to Bruce Griffith, county agent. He pointed out that cotton follows the tradition of either a "feast or a famine" as far as moisture is concerned. Early in the year, farmers could not plant because it was too dry. Then it rained so hard they couldn't get in the fields. BIG PLANTING: Finally in late June, weather conditions were such that they could get their cotton planted. So 75,000 acres of cotton were planted in Howard County. Moisture conditions since then have been great, with enough rain during the summer months that the crop looks good in most places, although choked out with weeds in a few areas. Now, according to the Howard County farmers, they want sunshine and more of it. They want hot sun to halt the verticillium wilt. They want a late frost to accommodate late maturity. Now if you're one of these citizens that enjoys a shower, or is hoping for cool fall

Rehab Center Planning Open House For Oct. 1

Dora Roberts Rehabilitation Center officials are eyeing plans for an open house at the center Oct. 1 to show off recently completed additions at the location. Jim Thompson, administrator, stated that the open house was postponed when the additions were completed during the summer months until fall when more people would attend. The newly added facilities which nearly double the space at the center went under construction last December and include a new physical therapy gymnasium, a speech therapy area, audiology therapy area, learning disabilities training center, two classrooms, and other facilities. The center also had a highly successful equipment drive which surpassed their \$20,000 goal. They express special thanks to the service clubs and individuals who assisted by donating to this drive and urge them to set plans to attend the opening. Special guests at the open house will include members of the Dora Roberts Foundation who originally donated the center, members of the Rockwell Fund Foundation of Houston, who donated \$5,000 to the equipment drive and others. The events will be held from 2-5 p.m. and assisting with hospitality duties will be members of the staff, members of the volunteer auxiliary headed by Mrs. Merrill Creighton, and members of the Big Spring Chamber of Commerce Red Coats organization.

Cotton Meeting Slated Tuesday

COLORADO CITY — A cotton defoliation and harvesting meeting will be held at 8 p.m. Tuesday in the Lone Wolf Electric Coop Medallion Room, according to Bobby Lemons, Mitchell County Extension Agent. This educational program was planned by the Crops Subcommittee to assist farmers in making the decision on whether or not to defoliate cotton. Dr. Robert Metzger, Cotton Specialist with the Texas Agricultural Extension Service will talk on defoliation and harvesting for equality. Field rickling and module building of cotton to speed the harvest of cotton will be discussed by the Cotton Merchandizing Specialist, Roy Childers. Cotton outlook will be discussed by Marvin Sartin, Extension Economist-Management. "All interested producers in the area are invited to attend this meeting," said Lemons.

PTA Units Beginning Activities At Schools

Parent-Teacher Association meetings were in full swing last week as activities were well underway at all schools. Several of the units planned to sponsor fund-raising carnivals to support their various projects.

PARK HILL
The Park Hill PTA met Tuesday with Mrs. Joe Neff presiding and Ernest Boyd, principal, showing a film and introducing the teachers. Other PTA officers introduced were Mrs. James Leffler, vice president; Mrs. Ronnie Moser, secretary; and Mrs. J. D. Nelson, treasurer. Mrs. Linda Jackson was named membership chairman.

Announcement was made of the Hallmark-sponsored art media workshop for school children Oct. 27 through Nov. 6 at Lakeview School. Children from other schools will be taken there by bus in groups of 55. The instructions in creativity are free, and Hallmark company will provide all supplies.

One of this year's PTA projects will be to pay for carpet in the new library. The next meeting will be at 7:30 p.m., Oct. 3 at the school.

KENTWOOD
The Big Spring High School Stage Band provided entertainment for an ice cream supper held Tuesday at 7 p.m. by the Kentwood PTA.

The officers introduced were Mrs. John Wilson, president; Mrs. J. W. Kuykendall, vice president; Mrs. Ursula Gomez, secretary; and Mrs. Wade Choate, treasurer. Jimmy Holmes, principal, introduced the teachers.

Mrs. Roger Coffman, PTA city council president, was guest speaker, who explained how the council functions for the good of all schools. She gave details of the appreciation dinner which will be held from 6 to 8 p.m., Sept. 29 in the high school cafeteria. The dinner will be open to the public and is being held as a means of raising funds for operation of the council.

Ninety members were present for the meeting, and the membership drive will continue this month. Yearbooks were distributed by Mrs. Jerry Avery.

AIRPORT
The seven danger signs of cancer were detailed by Dr. Henry Butler, guest speaker at Thursday's meeting of the Airport PTA.

The signs are change in bowel or bladder habits, a sore that doesn't heal, unusual bleeding or discharge, thickening or lumps in the breast or elsewhere, indigestion or trouble swallowing, obvious change in wart or mole and a nagging

cough or hoarseness. Mrs. Roger Coffman presided, introducing the other officers, Mrs. Jerard Burgess, vice president; Charles Cain, treasurer; Mrs. Helen Larson, secretary; and Mrs. Richard Grove, council delegate. Teachers were introduced by the principal, Cleo Carlile and each was presented a gift from the PTA.

Mr. and Mrs. Charles Cain will be in charge of the Oct. 14 fall festival. A king and

Forum Has Coffee To Start Year

The Woman's Forum held the initial meeting of the year at the home of Mrs. Cecil McDonald Friday morning with a coffee.

The theme, "Proud Past - Fruitful Future," was enlarged upon with a Texas hospitality decor. The coffee table was laid with a bandana designed cloth and was centered with a small grouping of the six flags of Texas.

Hostesses with Mrs. McDonald were Mrs. Lonnie Coker, Mrs. Jack Y. Smith, Mrs. Charles Sweeney and Mrs. C. R. Wiley. They were bananana neckerchiefs to complete the theme.

Mrs. Miller Harris, Mrs. Schley Riley and Mrs. J. D. Jones, a former member, were guests.

Yearbooks were distributed by Mrs. Coker, chairman of the yearbook committee.

The October 20 meeting will be held at the home of Mrs. Arnold Marshall with Mrs. Pete Warren as cohostess.

State President Speaker For Music Study Club

"Music, like love, is for everyone. It has the power to charm and soothe," said Mrs. Glen L. Brown of Stanton, president of Texas Federation of Music Clubs, when she was guest speaker Wednesday afternoon for the Big Spring Music Study Club. Introduced by Miss Elsie Willis, she projects and programs, indicating the number of music clubs for young people is increasing.

Mrs. Rene Brown, No. 3 Highland Heather, was hostess, with cohostesses being Mrs.

Phil Adams and Mrs. Carl Bradley.

Accompanied by Mrs. Bob Simpson, the group sang the federation hymn, led by Mrs. Joe Dawes, after which Mrs. Dawes sang "Without a Song" by Vincent Youmans. She was accompanied by Mrs. Jim Baum, pianist, who also performed a medley from "The King and I" by Rogers and Hammerstein.

The next meeting will be at 3 p.m., Oct. 11 in the home of Mrs. Mike Skalicky.

Injured Jousting Makes Wedding

In a jousting tournament at the Tower of London, knight Max Diamond was clobbered by his opponent. After being knocked off his horse, he was rushed to the hospital with a broken arm and concussion.

That didn't stop the 48-year-old stunt man from showing up for his civil wedding with Joan Ward-Harris, 30, the next day. Then the couple returned to the tower for a church wedding.

The knight in distress wore black, chain-mail armor. His damsel was in proper medieval costume.

BSP Pays YMCA Dues For Girl

Etta Melton was selected as recipient of a one-year YMCA membership given by Beta Omicron Chapter, Beta Sigma Phi, at a meeting Thursday in the home of Mrs. Eldon W. Marsh, president.

The chapter was advised by Beta Sigma Phi, Int., that due to an oversight the Beta Omicron three-star rating had been omitted from the International Roster of Chapters for the past two years.

Mrs. Jon Scott presented the program entitled "Oratory." The definition of the word, methods of presentation and famous orators in history were analyzed through dialogue. The program was concluded with an audio selection by Carl Sandburg reciting the Gettysburg Address.

A United Nations party will be held Sept. 23 in the Pioneer Gas Flame Room.

The next meeting will be Sept. 28, 7:30 p.m., in the home of Mrs. Cliff Hale, 1304 E. 18th.

Barbecue Planned By PTA

Faculty members and PTA officers were introduced at a Thursday meeting at College Heights School.

Mrs. J. E. Swindell read the PTA prayer as a devotion.

A barbecue supper and carnival will be held Oct. 28 from 6 until 8:30 p.m. at the school. Tickets for the supper will be \$1.25 and hot dogs will be sold for 50 cents. The prices include drinks.

Students in the school will sell tickets.

Mrs. Charles Dennison, from the City Council PTA, announced a PTA appreciation dinner will be held Sept. 29 at the high school cafeteria from 6 until 8 p.m. to raise funds for the PTA City Council. Mrs. Dennison asked members to sell 50 tickets.

Jim Beam, principal, invited the association to visit the new school library following the meeting.

Mrs. S. A. Walker's room won the room auction.

Mrs. C. K. Orr, president, announced the next meeting for Oct. 12 at 3 p.m.

Other officers are Mrs. James Baum, vice president; Mrs. Charles Shanks, secretary; and Mrs. Charles Bell, treasurer.

Fashion Show Is Slated Tuesday

Coahoma Girl Scout Cadette Troop 129 is sponsoring a fashion show Tuesday at 7:30 p.m. in the home of Mr. and Mrs. Pat Shields, 906 Culp, Coahoma.

Swartz Junior Shop is furnishing the clothes which will include fall and winter school clothes, pantsuits and formal evening wear. Miss Susan Dorn of Swartz will do the commentary.

Admission is 50 cents, and the proceeds will be used to help finance a troop trip to Camp Booth Oakes. The public is invited to attend.

Barracks Plans District Meeting

A salad supper was served to about 75 members and guests when the Veterans of WWI, Barracks 1474, Ladies Auxiliary met Thursday at the IOOF Hall. The registration table featured an ecru lace cloth and red roses. The local groups will host the District 19 meeting here Oct. 14 with registration at 9 a.m. in the lodge hall. The \$2 fee includes dinner. The next regular meeting will be at 7 p.m., Oct. 12.

Scores Tied At Rook Club Games

Three tables were in play when the Rook Club met Friday afternoon in the home of Mrs. C. E. Shive, 1311 Scurry. The players included nine members and three guests, Mrs. Mary Brown, Mrs. G. W. Dabney and Mrs. C. R. Moad.

Mrs. Brown won high score for guests. A four-way tie for first place among members involved Mrs. Harwood Keith, Mrs. J. L. Terry, Mrs. J. S. Sims and Mrs. A. C. Bass.

After the games, a salad buffet was served. The next meeting will be Oct. 20; the place to be announced.

Mrs. J. Linder Of Germany Is Guest Of Club

Mrs. W. B. Dickinson, president of the International Women's Club, introduced her mother, Mrs. Johanna Lindner of Berlin, Germany, as a guest of the club during a meeting Wednesday evening.

Mrs. W. B. Dickinson, president of the International Women's Club, introduced her mother, Mrs. Johanna Lindner of Berlin, Germany, as a guest of the club during a meeting Wednesday evening. Mrs. Terry Mitchell was hostess in the home of her mother-in-law, Mrs. Phillip Mitchell, 601 Scott.

A new member of the club is Mrs. David Stevens, originally of Trier, Germany, while another member, Mrs. J. P. Stroud, will leave the club this month to accompany her husband to Spain.

During the business session, the group agreed to "adopt" a local family which it will supply with clothes and other gifts at Christmas. Some of the articles will be handmade by the members. Mrs. Danny Valdes will serve as chairman for this project.

The next meeting will be at 8 p.m., Oct. 11 in the home of Mrs. Steve Cicardo, 1708 Laurie.

FOR YOUR PLEASURE On Tap: 'Oklahoma', Community Concerts

Those banners stretched over streets may give transients a panicky feeling they somehow have become displaced in Sonnerland, but actually the O-K-L-A-H-O-M-A is boosting the great musical favorite here Sept. 28, 29 and 30. Those who have had prevues of the BSHS Choral Department's production of the Lynn Riggs story, which was converted into a Broadway hit by Rodgers and Hammerstein, say it shapes as a knockout. A displaced Oklahoman in Midland said he was Big Spring-bound when show dates roll around. Reservations (\$2 and \$4) can be made by calling the high school.

Today is the first day that new memberships in Big Spring Community Concert Association will be available, and you'd better hurry, for they may not last long. Campaign headquarters, located at Hemphill-Wells Company, will be open from 9:30 a.m. to 5:30 p.m., Monday through Saturday. The number to call is 267-8283 if you'd like to reserve a membership.

This season's series promises to be well worth the money. The opener will be the sparkling musical comedy, "I Do! I Do!" Oct. 16 to be followed by the Ballet Brio, Nov. 18; the Young Americans, Jan. 28; Judson Maynard, concert organist, Feb. 24; and the Rummie Kote Trio to close the season March 31.

Remember, attendance at these programs is by season membership only, and they are available now by calling 267-8592 or 263-3948. For adults, dues are \$10, and for students,

Some have asked about the State Fair dates, which are Oct. 7-22. This embraces all the events, including the Pan American Livestock Exposition, State Fair Musicals, Texas Oklahoma football game and all the trimmings.

Another big show coming up is the Permian Basin Oil Show, which opens Oct. 18 at the Ector County Fairgrounds at 42nd and Andrews highway. The first two days will be given over to oil industry personnel; the final two daysopen to the general public. There will be exciting entertainment to parallel.

A timely gift of \$250 from the Big Spring Insurance Agencies will enable the Howard County Free Library to order more sorely-needed materials. Larry Justiss said that much of this will go to update the library collection, particularly in the field of non-fiction.

The Howard County library will be host Sept. 20 to a library workshop sponsored by the Texas State Library. Earnest Lassister will be the field consultant for the workshop, particularly for librarians who work with city and county officials. Justiss said he expected some 30 libraries in the area to be represented for the all-day session which begins at 9:30 a.m. and continues to 3:30 p.m.

A new book by Kathryn Turner Carter, teacher in the Ector County Independent School System, was introduced at an autograph party Saturday. It is titled "Stagecoach Inns of Texas" and is produced by Texian Press of Waco. The book recreates one of the most colorful eras in Texas history and traces routes of many of the early stagecoach lines, their end, and tells about people who

operated them. Mrs. Carter has had numerous Texas history articles published in leading periodicals.

Another real treasure from the Texian Press (P. O. Box 1684, Waco, 76701) is "The Will Rogers Brand of Humor." It is written by Will's niece, Paula McSpadden Love, director of the Will Rogers Memorial at his home town of Claremore, Okla. She gives intimate glimpses of the Rogers family and relatives (a close family) and from her position of intimacy gives delightful background to quotes by the Cowboy Philosopher, who once observed "I'm just an old country boy. I have been eating pretty regular, and the reason I have is, I have stayed an old country boy." Maybe that's why his observations still have a valid ring today as when they were uttered. Anyway, you'll find a real freshness in the quotations which Mrs. Love has excerpted under convenient topical headings. The book is \$5.50.

Several area students are among those accepted as members of the Hardin-Simmons Choral. Included are Jerre Tonn, Big Spring, Molly Pena, Ackerly; and Glenn Crosthwait, Colorado City.

FOCUS ON FAMILY LIVING Heed Checklist When Selecting Man's Suit

By SHERRY MULLIN, County HD Agent

It is seldom that a man can buy a ready-made suit that needs no alterations. Some reasonable adjustments are fitting around the waist, lengthening or shortening sleeves or pants legs, repositioning buttons. Avoid anything more complicated; it would be simpler to look for a suit in another size or style. Since men's suits are available in numerous proportions — short, stout, long, extra-tall, etc. — finding a size that fits properly or requires a minimum of altering shouldn't be a problem.

Here are 10 signs of good fit:

1. Jacket collar should lie flat against the neck, with about 1/2 inch of shirt collar showing above the suit.
2. Line from neck to shoulder point should rest smoothly without bunching.
3. There should be no pull or strain across the shoulders.
4. Jacket lapels should lie smoothly on chest, not fall forward.
5. The V-line (front neckline) of the jacket should fit close to the body.
6. Sleeves should be long enough to reach the bend of the wrist, showing about 1/2 inch of shirt cuff. They should never cover cuffs completely.
7. Jacket—if conventionally styled — should nip in only slightly at waist.
8. Jacket length depends on style but, usually, it should be long enough to cover pants' seat, with the bottom edge falling even with the thumb knuckle.
9. Armholes should be cut deep enough not to bind. When arms are raised, coat should lift slightly.
10. Pants should fit smoothly at waist; hips; legs should fall in a straight line with bottom, just touching top of shoes, breaking slightly at the instep.

Geneological Society Schedules Workshop

A workshop will be held Nov. 5 in Howard County Library by the Geneological Society of Big Spring. Plans for the event

New Slate Takes Office Thursday

The Big Spring School Food Service began the fall season Thursday with a new slate composed of Mrs. H. P. Wooten, president; Mrs. Garvin Sims, president-elect; Mrs. Alfred Ham, secretary; Mrs. James Barkley, treasurer; and Mrs. E. R. Williamson, publicity chairman. Several guests attended from Coahoma.

Mrs. Maurice Jennings, scrapbook chairman, exhibited the scrapbook, and Mrs. Julia Puga, civil defense chairman, distributed pamphlets entitled "Time of Emergency." Reports were heard on the state convention in Houston which was attended by 10 local women.

Yearbooks were distributed, and it was agreed that the host cafeteria group will provide a program at each meeting. Attendance prizes will be awarded.

The Oct. 12 meeting at Goliad Junior High School will begin at 3:45 p.m.
Frank Raymonds Announce Birth

Mr. and Mrs. Frank Raymond, Albuquerque, N.M., announce the birth of a daughter, Ronda Kay, born Sept. 14 in Presbyterian Hospital, Albuquerque, and weighing 5 pounds, 8 ounces. The maternal grandparents are Mr. and Mrs. Theo Ernest, Sand Springs, and the paternal grandparents are Mrs. Leland Landers, Florence, Miss., and the late Howard J. Raymond.

were made Thursday evening in a session presided over by Mrs. Bernice Cason, president. During the workshop, members will share ideas and materials which would help other members in their research.

Bill Steagald spoke to the group Thursday, stressing the importance of knowing how to evaluate census records. He said that in early days, accuracy was sometimes not considered important, and as a result, there are mistakes in birth and death dates as well as in spelling of names.

"These things were not considered as vital by the census takers then as they are to us now," he said.

New Home Builder Makes Mobile Life Longlasting

A fifth plant of the Lancer Corporation is the Berkley, Inc. plant, Big Spring.

Recently acquired from Eagle Mobile Homes, the plant now boasts of an experienced team of top management personnel, which has a combination of 20 years in the construction of mobile homes.

General manager of the new builders is Ronnie Freeman. Chuck Shobe is sales manager. Shobe said the homes coming off the assembly line, composed of some 80 assemblers, have been tremendously up-graded, in the tradition of the incomparable Lancer mobile home.

Shobe is presently selling Berkley homes in Texas, Oklahoma, New Mexico, Arizona, Nevada, Colorado, Kansas, and Wyoming with beginnings of good markets now under development in Louisiana and Arkansas.

Production today is three

units daily with plans to increase out-put to four units daily shortly, Shobe noted.

The local authorized dealer for Berkley Homes is realtor Jeff Brown, doing business as The Home Co., 710 W. 4th in Big Spring.

Brown commented, "I've represented the local mobile home plant as a dealer since its inception date. In my opinion, the Berkley Home, now built by Lancer, is one of the finest mobile homes on the market today."

The Home Company offers 90 and 100 per cent mobile home financing for those who qualify, with payments starting at \$79 per month. It is possible to save several hundred dollars when purchasing a Berkley Mobile Home, since it is built locally and delivered direct to the purchaser.

See the display of new 1973 model Berkley Homes today at The Home Co. sales lot, located at 710 W. 4th St. in Big Spring.

Electric Carpet Shampooer Makes Carpet Cleaning Easy

In the back-to-school rush, housewives are glad to know that soiled carpet traffic paths may be cleaned easily and quickly, using Blue Lustre and a lightweight shampoo machine.

This premium-quality carpet and upholstery cleaner has become America's favorite for cleaning rugs and upholstery. It's so easy to use! Just vacuum, shampoo, let dry, and re-vacuum. It is really that easy with the electric shampoo machine. Soil is gone — colors are bright again, and matted carpet nap springs back to make carpets look new once more.

Blue Lustre is a concentrate that provides deep down cleaning. There is no messy

powder to keep piling up in carpet fibers, no gummy residue to cause rapid resoiling.

The rug shampooer which may be rented for \$1 a day with the purchase of Blue Lustre makes carpet cleaning as easy as vacuuming. Its twin-brush scrubbing action gets the job done thoroughly and quickly.

Blue Lustre is safe to use on any carpet that water will not harm. It costs so little, and is so convenient to use for the little touch-up jobs that are so necessary for good carpet maintenance.

Just one-half gallon of Blue Lustre will clean three 9 x 12 rugs. Try it! It's available at Big Spring Hardware.

BLUE LUSTRE Premium-Quality Carpet & Upholstery Cleaner Has Become America's Favorite for Cleaning Rugs and Upholstery.

14 BABIES A DAY — Frightening isn't it! But that's the birth rate of a single female cockroach. We certainly hope there is no such population explosion in your home but if you see ONE roach . . . or ONE ant . . . or ONE spider — BEWARE! There are plenty of relatives nearby. Don't spray these bugs to death, one by one, buy the best preventative and the most effective bug killer on the market today — Johnson's brush-on No-Roach. No-Roach is effective against all crawling insects—cockroaches, ants, spiders, and silverfish. One application stays effective for months. 'Sissy' May Be Candidate For Demo Committee Job

Houston, Tex. (AP) — Selection of three national Democratic committee members from Texas appeared today in the only issue that might keep Dolph Briscoe from having the harmonious state convention he seeks.
Late Sunday, Mrs. Billie Carr of Houston, a strong backer of Sen. George McGovern and an outspoken opponent of a strong anti-busing plank in the Democratic platform, appeared as a sure candidate for one of the three openings on the national party governing body for Texans.
There was still talk that Mrs. Frances Farenthold, Corpus Christi, who lost a determined bid for the gubernatorial nomination to Briscoe, might be a candidate of McGovern supporters.
Backers of Gov. George Wallace, who held a numerical advantage in the June state convention, scheduled a caucus Monday afternoon at which time they were expected to select Hall Timanus, Houston attorney who was Wallace's state campaign manager, for a national committee post.
Still another national committee member may be selected at a caucus Monday night of labor and black and brown delegates.
Under new national party reform rules Texas now has seven national committee members instead of the two allowed before. The current national committee members are Jess Ray of Dallas and Mrs. Jane Blumberg of Seguin. Briscoe, as party leader, is expected to select Calvin Guest of Bryan, his state campaign manager, as Democratic chairman for the next two years which will make Guest a member of the national committee also. State vice chairman, and a member of the national committee, is expected to be Mrs. Julianan Cowden of Alvarado, another Briscoe choice. This leaves three national committee members to be picked by the September state convention when it convenes Tuesday at 10 a.m. Briscoe, who sparked controversy within the party because of his conflicting votes for Wallace and McGovern at the Miami Beach national convention, won his first victory of the September convention Sunday.

PARTY RULES

By a unanimous vote a special committee to study changes in party rules decided not to change any present state party rules until the national party makes up its mind on party guidelines. This followed Briscoe's wishes.

Grover Calls Proceedings 'Disgustingly Peaceful'

DALLAS (AP) — Preliminary hearings and committee meetings preparatory to this year's second state Republican Party convention continue today, with unity expected to remain the watchword.
The convention doesn't officially open until Tuesday, but delegates began pouring into Dallas Sunday. With tongue-in-cheek, GOP gubernatorial nominee Henry Grover called the proceedings "disgustingly peaceful."
This mood was prompted, leaders said, by an attempt to show unity in a party divided last spring when Grover and Albert Fay fought it out for the Republican nomination.
At Sunday's platform committee hearing, Grover said the state party plank should call for regional water and air pollution control boards, because of the size and diversity of Texas and its industries. Representatives of such groups should come from city and county governments and from industry in the area, Grover said.

MAVERICK

Grover, a Houston school teacher, is regarded as a maverick by many GOP leaders, especially those who have fought along with the veteran Fay against the Democratic party machines for years in the state.
Sen. John Tower, the party's only statewide elected official, has a unifying force in the GOP ranks in Texas and will be working hard to bring Grover and Fay forces together, if they indeed are very far apart.
Some observers have dubbed the convention merely an erudite exercise for the GOP state leaders.
Speakers Tuesday will include Tower, Grover and key-

Guard Unit Will Train At Bliss

The Texas National Guard Battery, with headquarters in Lamesa and a detachment in Big Spring, plans to attend summer camp at El Paso's Fort Bliss next year.
Tentative plans call for camp running from June 3 to 17. Battery C of the 3rd Battalion 1972 133d Field Artillery took its 1972 two-week annual training at Fort Hood near Waco as it has for years.

Indian Summer In Texas

By The Associated Press

Fair skies dominated the Texas weather today, and forecasters predicted the warm Indian summer would continue.
Skies were clear near dawn over the Panhandle, far West Texas and extreme eastern portions of the state. Elsewhere, skies were partly cloudy to cloudy, with temperatures ranging from 58 at Dalhart in the Panhandle to 83 at Corpus Christi on the coast.
Before sunrise, moist unstable air produced a few showers and thundershowers along the coast and along the Rio Grande Valley from Laredo to Del Rio. But the state in general enjoyed a night of clear to partly cloudy weather.
Texas forecasters called for partly cloudy and warm weather across the state, with isolated thundershowers along the coastal plains and in the Rio Grande valley.
Isolated thundershowers covered much of Texas' southern sections Sunday, but dissipated in the evening after a day of high temperatures in most sections.
A funnel cloud was observed about 35 miles northeast of El Paso as thundershowers lashed the area. The twister never touched ground, however, and dissipated harmlessly.

Goldwater, Aces Honored

SAN ANTONIO, Tex. (AP) — Sen. Barry Goldwater, a World War II fighter pilot, joined four Vietnam aces here as they were honored by the American Fighter Aces Association.
Goldwater also won enthusiastic applause from the group, declaring that the Vietnam war "could have been over seven or eight years ago" if restrictions had not been imposed on U.S. fighter pilots.
Among those honored along with Goldwater Saturday night for distinguished service were Navy aviators Randy Cunningham, 30, of San Diego, Calif., and William Driscoll, 24, of Framingham, Mass.
The two were the first U.S. pilots to qualify as aces in Vietnam with five air victories.
Also cited were the Air Force's first aces in Vietnam—Capt. Charles DeBellevue, 27, of Lafayette, La., and Richard S. Ritchie, 30, of Reidsville, N.C.
Goldwater told the association that the policy of waiting for "hostile intentions" to be shown before U.S. pilots can do battle is the reason the war has lasted so long.
He blamed former Secretary of Defense Robert S. McNamara for implementing such restrictions.
"If I have to have a heart transplant... I'm going to be around when they tack that Robert S. McNamara to the wall," he said.
The Fighter Aces Association, meeting here for its 11th annual reunion, has about 300 members who have scored five aerial victories to qualify as aces. Most are World War II veterans.

Airport Security Costs Revealed

WASHINGTON (AP) — The Transportation Department has announced it is purchasing 2,200 passenger-screening devices for security purposes at the nation's airports.
Total cost of the devices, which will be operated by the airlines, is put at \$2.7 million. There will be 1,000 walk-through devices and 1,200 handheld units for less busy airports.
The walk-through devices screen passengers as they pass through an electromagnetic field in a four-foot-long passageway. They are to be in place by January.
The hand-held devices are to be delivered by November.

Kelly Air Cop Shooting Victim

NEW BRAUNFELS, Tex. (AP) — The body of a shooting victim, identified as a security policeman at Kelly Air Force Base in San Antonio, was found in Canyon Lake near here Sunday.
Identification on the body gave the name of Sgt. Walter William Norman Jr., 25, a peace justice told the San Antonio Express. Kelly officials confirmed that Norman had been assigned to the base.
The body bore two bullet holes and signs of head injuries, investigators said. It was found by campers in a few feet of water, just off shore from where several persons had camped overnight on the lake's west side.
The body was taken to Wilford Hall Air Force Medical Center in San Antonio.

Will Call Young To Witness Stand

BELTON, Tex. (AP) — Fred F. Young Jr.'s chief defense lawyer says he will call Young on the witness stand to deny he participated in the grisly slaying of a Kountze grandmother.
Joe Goodwin of Beaumont says he decided to have his client testify even before the prosecution called Young's former co-defendant, Dennis R. Anderson.
Anderson was scheduled to resume his testimony this morning in Young's trial or charges he murdered Mabel McCormick, 50.
Anderson is expected to tell of Young's actions at the time of the frenzied slaying of Mrs. McCormick.
Young's lawyer promises a lengthy cross-examination of Anderson before the defense opens its own case.
Anderson, 26, pleaded guilty in the McCormick case and was assessed a life sentence. He and Young, 22, face charges in Tyler in the slaying of Mrs. McCormick's granddaughter, Leslie Bowman, 3, whose body was jammed headfirst into a toilet bowl.
Mrs. McCormick's killer or

Local Riders Win In Races

MIDLAND — Big Spring entries won four first places in the motocross staged here Sunday afternoon by the West Side Optimists Club.
Danny Weir was a double winner for the Big Spring delegation, capturing both the 250 cc. Senior Class and the Open Division.
David Guinn of Big Spring was first in the 100 cc. Junior Class while Jimmy Johnson prevailed in the 125 cc. Senior Class.
Over 100 riders competed for the trophies and the cash given away. The crowd was estimated at 1,000.
Big Spring will stage its own motocross Sunday, Oct. 1. Results involving Big Spring riders:
100 Junior Class — 1. David Guinn; 2. Craig Hodnett; 125 Senior Class — 2. Kelly Guinn; 250 Junior Class — 1. Jimmy Johnson; 250 Senior Class — 1. Danny Weir; Open Senior — 1. Danny Weir.

Newsom Leader In Links Win

Jimmy Newsom, Robert Caffey, Jimmy Shoultz and Roddy Caffey teamed up to win first place in the Louisiana Draw Tournament staged by the Big Spring Golf Association at the Municipal Course Sunday. The foursome pieced together a 59.
Three teams shared in the money. A total of 36 competed in near-perfect weather.
Eighty BSGA members have already qualified for the Grand Tournament, which takes place on two weekends in mid-October.
Those who haven't can make sure of it by taking part in another Louisiana Draw booked Oct. 8. A member must have competed in at least four BSGA-sponsored meets during the year in order to become eligible for the Grand Tourney.
The winners Sunday:
1. Jimmy Newsom, Robert Caffey, Jimmy Shoultz and Roddy Caffey, 29-39;
2. Burt Dennis, Hershel Harris, W. E. Anderson, Charley Brammer, 32-36;
3. Jerry Barron, Bobby Nobles, Mayberry Wilbanks, Brian Peay, 32-36.

Make Dentists Out Of Jobless

PHILADELPHIA (AP) — Are you an unemployed Ph.D. in biology, physics or engineering? If so, have you ever thought of becoming a dentist?
The University of Pennsylvania says there is a shortage of dentists and an overabundance of biologists, engineers and physics profs. So the school is offering the nation's first federally financed program to make dentists out of unemployed scientists.
The program starts Nov. 1. Applications must be in by Oct. 1, said Dr. Walter Cohen, dean of the university's School of Dental Medicine.

Jean Adams' TEEN FORUM

COLLEGE? (Q.) I'm 14, a girl, and I'm all mixed up. I don't know what I want to do when I graduate from high school. I really have good grades. I am passing with high honors on everything, but I just don't

know what to settle on. I'm afraid to go to a college that just might have a riot or something like that, but I know that without a college degree I'll be out of a job. Anyway, I don't know if I'll be able

to afford college or something in that manner. But I do want to be someone. What can I do? — Looking Ahead in Massachusetts. (A.) Do not concern yourself now with whether there may be a riot on some college campus in 1976 or 1977 or later. This type of student militancy has decreased greatly and may be just an old memory by then. Do concern yourself with the questions, "Who am I?" and "Where am I going?" To be SOMEONE or to get a job you do not necessarily have to go to college, but you do need to plan, and you do have to decide what you prefer to do and work toward getting

into it and advancing in it. Keep up your good grades, and talk to your counselors about your aptitudes and preferences and the best routes to follow. Also talk to them about costs of higher education. Above all, do not just drift.

(Jean Adams reads and considers every letter, but she regrets that she cannot answer each personally. Mail your questions and comments to Jean Adams, care of the Big Spring Herald, P. O. Box 2002, Houston, Texas 77061.)

UP IN THE AIR — Calvin Hill (35), running back for the Dallas Cowboys, hurdles Philadelphia Eagle safety Bill Bradley (28) to go in for a score; the official clears Blaine Nye (61) and signals the touchdown. The Sunday pro season opener turned out to be a bad one for the Eagles as they fell to the Pokes, 28-6.

Van Galder Has Cause To Celebrate In NFL

By The Associated Press
Tim Van Galder has qualified for the National Football League's pension plan for players. It could mean a lot larger pension than the one he'd have gotten if he had remained in the Army.

"Not only was this my first regular season start, it qualified me for the NFL pension," explained Van Galder, who upstaged one of the game's old pros, Johnny Unitas. He spent three years on St. Louis' taxi squad and two years in the Army before getting into a regular season game.

EAGLES VICTIMS Cowboys Impress In Second Half

DALLAS, Tex. (AP) — They hardly looked like world champions, but the Dallas Cowboys proved Sunday they can beat the Philadelphia Eagles any time without Super Bowl form.

They played the loudest first half of the season, but as long as we won, I'm not going to gripe about it," said Cowboy defensive tackle Ralph Neely of the 28-6 National Football League victory over the Eagles.

Billy Van Heusen Turns Runner, Broncos Win

DENVER (AP) — John Ralston's professional coaching debut was a success. Bill Peterson's wasn't.

Pirates' Magic Number Is Reduced To Three

By The Associated Press
Lightning is about to strike again for the Pittsburgh Pirates, but it won't be in St. Louis.

"They had enough fun here last year; let them have some fun in New York for a change," grumbled Vern Benson, a St. Louis coach, Sunday after the Cardinals delayed Pittsburgh's

starting tonight against the newly eliminated Mets with a 12-game lead over Chicago. Any combination of three Pittsburgh wins and Chicago losses will eliminate the Cubs, who in turn eliminated the Mets with a 6-4 triumph Sunday.

TALKING IT OVER — Lee Trevino talks about his putting ability to Orville Moody's caddy on the 18th green of the Greater St. Louis Golf Classic on Sunday at the Norwood Hills Country Club. Trevino said he putted horribly on the last nine holes where he had a three over par 38. Trevino won the tournament, beating Deane Beman by one stroke.

Trevino Rally Catches Beman

ST. LOUIS (AP) — Lee Trevino lost his putting touch but not his lead in hanging on to win \$30,400 top money in the \$150,000 Greater St. Louis Golf Classic Sunday.

The confident Texan, fulfilling a week-long promise, overcame Deane Beman's one-stroke edge early on the final 18 holes and prevailed with a 269, matching the year's best 72-hole total.

HCJC Trio Take Wins

ABILENE — Manny Flores, Terry Wood and Mark Terelitsky claimed wins in their matches as the Howard County Junior College and Hardin-Simmons University tennis teams collided here Saturday.

Flores defeated Wayne Starnes, 7-5 and 6-2; Wood downed Barry Stephens, 6-3 and 7-5; and Terelitsky bested Eddie Cantu, 6-4, 6-8 and 6-3, for the HCJC wins.

In singles competition, Hardin-Simmons claimed wins by John Van Buskirk and Sammie Courington. Van Buskirk rallied in each set to defeat Bill Alcocer, 7-5 and 6-4; while Courington outduel Jay Box, 6-3 and 6-0.

In doubles play, Van Buskirk and Courington teamed to defeat Alcocer and Box, 6-1 and 6-3; while Starnes and Stephens paired up to hand Flores and Wood 6-4 and 6-2 losses.

Morris, Smith Impress In Football Debuts

Newcomers Wayne Morris of Southern Methodist and George Smith of Texas Tech made their Southwest Conference debuts Saturday night like whirlwinds amidst cornstalks.

They left more tacklers strewn on the field than a runaway semi-tractor trailer on Interstate 35.

Morris, who had been termed "great" by SMU Coach Hayden Fry before he had played one varsity down, rushed for 154 yards, including a 50-yard touchdown jaunt in a 56-10 rout of Wake Forest.

Smith, who transferred to Tech from East Los Angeles Junior College, whirled 152 yards on 11 carries, including a 56-yard touchdown run as Tech crushed Utah 45-2.

The SWC took its lumps in the other intersectional battles—Nebraska 37, Texas A&M 7; Georgia 24, Baylor 14; Arizona State 33, Houston 27.

Texas and Texas Christian make their debuts this weekend as the Longhorns host Miami and the Horned Frogs play Indiana in Bloomington.

Remember the Cleveland Indians? Detroit, Baltimore and New York will—and Boston certainly does.
The Indians, it seems control the destiny of the American League East—and that means the Tigers, Orioles, Yankees and Red Sox.

Cleveland, wallowing in fifth place, 14 games off the frantic pace, closes out its less-than-successful season with two games against Detroit, followed by four apiece with Baltimore and New York.
But Boston was the bunch on hand Sunday and the Indians did a good bit of scalping as Gaylor Perry, with solid support from the rest of the tribe, scattered seven Red Sox hits en route to a 9-2 romp that nailed down his 21st victory of the baseball season.

That, coupled with Detroit's 6-2 victory over Milwaukee, shaved the Red Sox' lead over the Tigers to one tiny percentage point.

The Yankees, meanwhile, kept their hopes alive by nipping the Orioles 2-1, moving within 2½ games of the front-runners while keeping Baltimore 1½ back.

In the West Division, things loosened up a bit more as Oakland downed Texas 4-1 to open a five-game lead over second-place Chicago, which lost 3-1 to California. In the other American League game, Kansas City slugged Minnesota 10-6 in 10 innings.

Over in the National League, Philadelphia nipped Montreal 3-2, the Chicago Cubs tripped the New York Mets 6-4, St. Louis slipped past Pittsburgh 5-4, Atlanta beat San Francisco 7-4, San Diego dumped Cincinnati 10-7 and Houston outlasted Los Angeles 15-11.

Perry was nipped for an unearned run in the first inning and Andy Kosco hit a pinch homer in the seventh for Boston. Frank Duffy, Buddy Bell and Chris Chambliss, meanwhile, were doing their thing for Cleveland.

Graig Nettles and Duffy slapped run-scoring doubles in the second inning. Bell hit his eighth homer in the third, the Duffy doubled to trigger a two-run fourth, one of the runs coming on a single by Chambliss.

Top Golfers Will Play In Tourney
SAN ANTONIO, Tex. (AP) — Ten more golfers have committed themselves for the revived Texas Open, raising the total so far to 28.

The latest entries will join a slate that includes former champions Ron Cerrudo and Chi Chi Rodriguez.

Lee Trevino has said he plans to play in the \$125,000 tournament, which will be held Nov. 2-5. Also, Tom Shaw, a popular golfer who has been fighting a recurring illness, has indicated he intends to play if his health permits.

The latest entries include Rod Funsteh, Fred Marti, John Mahaffey, Mike Mitchell, Mike Wynn, Don Iverson, Dick Hendricks, Forrest Fezler, Jim Dent and Steve Bogan.

The Texas Open, oldest continuing event on the pro tour, was dropped after the 1970 tournament because of a lack of suitable playing dates.

McAuliffe was the major reason. "We sure haven't been busting the ball out of the park," he said after busting two out by himself, driving in four runs with his sixth and seventh homers.
ALOU CONNECTS
Joe Coleman, treated to a big

lead early, coasted home with a six-hitter against the Brewers. Felipe Alou unloaded a two-run homer in the fourth inning, the only runs the Yanks needed to down the Orioles. And Sparky Lyle had what it took to preserve Fritz Peterson's 18th victory.

"We all knew how important this game was," Lyle said after equalling an American League record with his 34th save of the season, "but after Felipe smoked that one out of there I knew we were going to win."

Jim "Catfish" Hunter was in the catbird seat, breezing to his 20th victory by limiting the Rangers to just two hits while Gene Tenace drilled a pair of run-scoring doubles for the A's.

Andy Messersmith of the Angels shackled Chicago on three hits as the White Sox sputtered to their fourth loss in five games.

Girl Killer Will Appeal

FORT WORTH, Tex. (AP) — An attorney says he will appeal the murder with malice conviction of Harold Henry Brown, 30, accused of killing a 22-month old girl.

A jury of eight men and four women found Brown guilty in the beating death of Annissa Leigh Evanchof and assessed him a 17-year prison sentence.

"We'll ask for a new trial," attorney Jack Cook told newsmen.

Jurors reached agreement on punishment in 45 minutes after deliberating the issue of guilt or innocence for two days.

Brown accepted the verdict and punishment ruling without comment.

The child died last Dec. 27 in a hospital. Death was attributed to pneumonia brought on by head injuries.

Brown admitted spanking the child on occasion and said he slapped her Dec. when she became entangled in the cord of a toy telephone. He said she hit her head on a play pen.

The child lay unconscious at home for two days, he said, before her mother, Mrs. Sylvia Evanchof, took her to a hospital on Christmas morning. The mother was not charged in the case.

Brown was first tried last February but the jury failed to reach a verdict and a mistrial was declared.

Ms. May Now Buy US Savings Bonds

WASHINGTON (AP) — For whatever it's worth, the Treasury Department says it will no longer require Miss or Mrs. designations on savings bonds sold to women.

"No male chauvinists, we," the department declared in announcing the change Friday. If the buyer wishes, the department said, banks and other institutions selling the bonds may use the designation Ms. on the bonds.

But the Treasury still will require women, but not men, to list their Social Security numbers when purchasing bonds.

Mexico Medicine

Your Good Health
Dr. G. C. Thosteson

Dear Dr. Thosteson: I know that DMSO (dimethylsulfoxide) is being used in a hospital in Mexico just across the border of Texas. Is it being used anywhere in the United States and if not why not? I've heard that people get marvelous relief after treatments with it. Is there any danger in use of it? — Mrs. R.D.M.

No, it's not being used in the U.S. except for research, although I know it is being used in Mexico, Germany, and perhaps elsewhere.

FDA NOT APPROVED

Why not here? For the very simple reason that the Food and Drug Administration has not approved it for medical use. It is being studied at various medical centers, but it won't be approved until the FDA is convinced that enough is known about its uses and its safety. (It has extensive uses in industry, however.)

A few years ago DMSO was being talked about a great deal, and hailed as a wonderful addition to our available medications. Well, maybe it is, but until the FDA is satisfied, I'd rather wait.

Fairly recently, although, I have seen an upsurge of inquiries about it, perhaps stemming from use in Mexico. Hence this column.

The drug, first announced in 1963 as a potential medication, has as one of its chief virtues the fact that it is anti-inflammatory, and hence has been effective in some types of arthritis, bursitis, sprains and some other conditions. It has been used with some success for scleroderma.

How close the FDA is to taking some official stand on its use, I don't know, but I can tell you some of the things their people have in mind.

REMEMBERS ANOTHER?

Remember thalidomide? It was, so it was thought at first, a very useful, very harmless sedative. And so it was — except that after several years of use, it was identified as the drug that was causing so many malformed babies. Such use as there was of it this side of the Atlantic was from bootleg sources, as the FDA never did approve it. Last I heard, some of the law suits by parents of deformed children still hadn't been settled, though.

In the case of other drugs, rigid warnings as to when and how to use them have been added at time passed. Chloromycetin is an outstanding example. It is a powerful, useful drug, and for some purposes there is no substitute for it. But because it was too freely used for trivial purposes, restrictions had to be placed on it because, besides being useful, it also can be dangerous in some cases, causing: blood disorders.

Well, whether it's DMSO or any other new drug, the FDA wants to be as certain as it

reasonably can, as to safety, and as to proper and improper uses, before it approves it.

SIDE EFFECTS

In animals, for example, DMSO has resulted in changes in the lens of the eye. This hasn't been observed in humans. Perhaps it won't. I don't know. The FDA doesn't know. But are these harmful side effects that don't show at once, but only after continued use?

Such are the questions that FDA hopes to answer. Folks with painful conditions who have read about DMSA in Mexico or elsewhere are, understandably, impatient. But the reasons for delay are sound.

Dear Dr. Thosteson: You wrote about griseofulvin for fungus of the toenails. I have tried several places to get this, without success. Where can I get it? — J. P.

It's a prescription medication, so see your doctor.

Note to Mr. and Mrs. J. S.: Chances of pregnancy are quite markedly improved if you avoid intercourse for several days before ovulation.

By colitis is meant a variety of intestinal ailments from very serious to merely uncomfortable. For a better understanding of its causes and treatment, write to Dr. Thosteson in care of the Big Spring Herald for his booklet, "Colitis and Kindred Complaints," enclosing 25 cents in coin and a long, stamped, self-addressed (use zip code) envelope to cover cost of printing and handling.

Elvis Sparking Beauty Winner

MEMPHIS, Tenn. (AP) — A Memphis beauty queen reportedly is being courted by entertainer Elvis Presley.

She is Linda Diane Thompson, a former Miss Tennessee Universe, Miss Memphis State University, Miss Mid-South and Miss Liberty Bowl. She represented Tennessee in the Miss USA beauty pageant.

Presley and Miss Thompson have been seen together over the past several weeks, and she currently is visiting him in Las Vegas, Nev.

Presley recently filed for divorce from his wife Priscilla at Santa Monica, Calif. They were married May 1, 1967, in Las Vegas.

Can't Guarantee

Dear Abby
Abigail Van Buren

DEAR ABBY: After trying without success for a long time to have a child, my husband and I had fertility examinations. We discovered that he was unable to father a child, so we agreed that I should have artificial insemination.

Abby, twins have always fascinated me, and if I could have a pair of twins my dream would come true!

Is there a donor somewhere who could guarantee me twins? I asked my doctor about this and he said he thought I was asking for too much, and I should be satisfied with just one baby. Will you please see what you can do for us in this line? Thank you. — WANTS TWINS

DEAR WANTS: No one can guarantee you twins, with artificial insemination or otherwise. Only one mother in 11,000 (in the U.S.) is likely to produce twins. And since twins fascinate you, do get the book (just out) titled "The Curious World of Twins" by Vincent and Margaret Gaddis. It's the most fascinating collection of documented stories about twins ever published! And one of the most entertaining and informative books I've ever read.

DEAR ABBY: I agree, there is entirely too much food wasted in some restaurants because they serve much too large portions, and one can't carry home soup or leftover salad or relishes.

We are two senior citizens, and naturally our appetites aren't what they used to be, but we enjoy eating out in different places.

A full meal usually consists of soup, salad, vegetables, bread, butter, and by the time we get to the main course, we can't eat it because we are so filled up with the other things.

Lo and behold, we went to a restaurant the other evening, and we saw in bold print on the menu, "children's and senior citizens' portions at a reduced price."

I wish more restaurants would give us a break like that. It's not only cheaper, but there is no food wasted.

MOM: AGE 90
DAUGHTER: AGE 67

DEAR MOM: Maybe after this appears in print, they will I hope so. Our senior citizens need all the "breaks" they can get.

MALE STENO LANDS JOB

HONOLULU (AP) — Kirby Lewellen's determination is paying off. He's starting to work today as a stenographer.

"I feel like I've infiltrated the ranks," the 25-year-old Lewellen said.

Lewellen had complained only the day before that he was a victim of a kind of male chauvinism in reverse because every time he applied for a job as a stenographer "they laughed."

But, he said, only hours after a news story about his search for a job was published, "I got a couple of offers," and took a job with an advertising agency.

Mrs. W. S. Myers, operator of the agency, said the other stenographers in the office — all females — "are amazed by the whole thing," but "they're willing to give him a chance."

Lewellen said he had been looking for a stenographer's job because as an aspiring actor he wanted work that wouldn't leave him "any worries to take home" and because he figured his typing and shorthand skills suited him for that kind of work.
