PIN-UP GIRL DIES — Betty Grable, actress and pin-up girl of World War II, died in California Monday. Nearly three million prints of this famous photo were distributed, mostly to GIs who posted them in barracks or carried them in footlockers. Miss Grable was 56.

Betty Grable Cancer Victim

SANTA MONICA, Calif. (AP) — Lung cancer has taken the life of actress Betty Grable, the World War II pin-up girl with the beautiful legs. Miss Grable died here Monday night at St. John's Hospital. She was 56.

She was treated at the hospital last May and was readmitted last Friday. She also had been hospitalized in May 1972, forcing cancellation of her appearance in "No. No. Nanette" in Melbourne, Australia.

Miss Grable had posed in a white bathing suit, glancing over her shoulder with a coy smile, early in World War II. Almost three million copies of the pin-up picture which showed her shapely legs to their best advantage were distributed, mostly to GIs who displayed them in their barracks or carried them in sea bags or footlockers with their personal belongings.

The photograph was made by 20th Century-Fox studio while she was under contract there. Through the years, the blonde singing and dancing star maintained her trim measurements: 37-24-35.

Her 42 movies during the 1930s and 1940s grossed more than \$100 million. She set a record of 12 consecutive years in the top 10 of box office stars.

Ceremony For New Hospital Slated

Groundbreaking ceremonies for the new 150-bed hospital to be built on FM 700 north of Scenic Mountain by the Hospital Corporation of America have been scheduled for Aug. 2.

Dr. P. W. Malone of Medical Center Memorial Hospital said engineers are now designing the foundation for the four-story steel frame facility. He indicated that a press conference may be set up to coincide with the groundbreaking ceremonies.

Location of the new facility is to be between FM 700 and Eleventh Place Extension just north of Scenic Mountain and west of Parkhill Elementary.

There has yet been no official announcement of plans by HCA, nor a final contract executed between it and the Medical Center Memorial Hospital governing board. HCA has acquired land, and the city has rezoned the tract.

Shortages Already Being Felt Here

Monday in a statement prepared for the Cost of Living Council, the president of the National Farmers Association warned that available information indicated "a growing shortage of canned fruits and vegetables during the 1973-74 marketing year." The Associated Press reported.

A local survey of four super market chains and one independent grocery revealed the shortage in some commodities is already being felt.

Shortages of canned peaches, cherries, apricots and green beans were reported of the canned commodities.

Potato chips were also reported scarce but the shortage is expected to last only two or three weeks between potato crops, M. O. Clemmons, Foodway manager, said.

The shortage is expected to get worse and it is not known how long it will last, the groceryman reported.

Fuel Rationing Program Drafted

WASHINGTON (AP) — Administration officials said today they are considering a mandatory fuel allocation program to deal with the current gasoline shortage, but they ruled out gasoline rationing for the present time.

William E. Simon, deputy secretary of the Treasury and chairman of the President's Oil Policy Committee, said a mandatory program "would force, under penalty, the allocation of crude oil and petroleum products equitably."

A voluntary fuel allocation

program has been operating since May 10 as a result of the nationwide shortage of gasoline and certain other petroleum products.

PUBLIC HEARING

The administration held public hearings in mid-June on the voluntary program and whether a mandatory program is needed.

The Dallas News, reported today that a program for compulsory rationing of all motor fuels had been presented to the White House.

The newspaper quoted Duke

Ligon, director of the Office of Oil and Gas of the Interior Department, as saying the plan called for mandatory allocation of crude oil products, including gasoline, to the consumer level.

But Simon and Ligon said in Washington that the mandatory allocation program under consideration does not include rationing at the consumer level.

YOU NAME IT

"I'm talking about everything from crude oil on—you name it," Ligon said. "Everybody would be on it. We're on the brink. We've

got the whole program ready. We could have announced it five days ago, except that we wanted to get Gov. Love's approval."

The latter reference was to Colorado Gov. John A. Love, named Friday as President Nixon's new assistant on energy matters.

In Washington a spokesman for the division of oil and gas denied rationing was imminent. "There's no rationing program being discussed at all right now," the spokesman said.

1-Man Invasion Frees Hostages

NEW WASHINGTON, Ohio (AP) — "There's a time to act and a time not to act," says state Highway Patrol officer who single-handedly rescued a mother and her five children from two escaped convicts.

'FAT' ACTION

Authorities said Capt. J. J. Fullenkamp's capture of the two men ended a 50-mile chase that began with a prison escape. During the chase, a Marion County deputy sheriff was killed when his patrol car collided with a farm truck. Fullenkamp—6 feet, 6 inches tall and weighing 280 pounds—climbed through a second-floor window Monday to enter the Thomas Niedermier home, in which the two escapees had holed up.

A sixth child, Brian, 11, was able to escape unnoticed and notify police from a neighbor's telephone.

After dropping the five Niedermier children to safety, he went to another bedroom where Mrs. Niedermier was being

held. There, he took a rifle and a pistol from one of the men. The other man quickly surrendered without resistance.

Many Communities Plan Special Celebrations

In O'Donnell Wednesday, the hometown citizens will dedicate a statue in memory of Dan Blocker, the small-town Texan who became famous as Hoss Cartwright on television.

In Lamesa, there will be a special golf tournament and barbecue. In Colorado City, there will be the second annual Fly-In breakfast.

At St. Lawrence, the citizens will wait a day to celebrate since they plan to observe the 25th anniversary of their church July 5.

In Big Spring the fourth annual Highland parade will be held on Highland Drive at 10 a.m. and Wednesday night, the Let Freedom Ring Festival will be held at the chourhouse followed by fireworks on the mountain.

In O'Donnell, the event will be held at 5 p.m. at the Heritage Plaza in O'Donnell. This will be followed by their old fiddlers contest, swimming contest and a fire works display.

More than 200 are expected in Colorado City for the second annual Fly-In at the city-county airport sponsored by the chamber.

Breakfast will be served at a cost of \$1.50 for persons who drive or walk in and free for those who fly-in.

There will be sky divers from a parachute school in Abilene and a demonstration of radio-controlled model airplanes.

St. Lawrence will hold a special Mass at St. Lawrence Catholic Church at 2 p.m. July 5 followed by a reception barbecue and dance.

"My concern was for the mother and children, and I was bound and determined they weren't going to be hurt," said the 25-year patrol veteran, father of nine children.

NASTY GUY

Authorities identified the two men as Robert T. Hershberger, 31, of Akron and Richard Osborn, 31, of Newark. Officials said they had escaped from Marion Correctional Institution earlier Monday.

Fullenkamp, 46, commander of the Bucyrus patrol post, said: "I figured I was going to encounter one real nasty guy—Hershberger. I figured the other one was ready to give himself up."

"When I entered the second bedroom, Hershberger whirled toward me with a rifle. I knocked him down, and then I pinned down his hand with the pistol in it."

"Osborn gave up rather easily after I had Hershberger down."

Highlanders Await March

Residents of Highland South will hold their own Fourth of July "Red, White and Blue" parade at 10 a.m. Wednesday beginning at the east end of Highland Drive.

Highland Drive will be blocked off for about an hour during the march according to Mrs. Raymond Torp, initiator of the parade four years ago.

"Last year about 200 people participated. They ride on bicycles, tricycles, tractors, golf carts, motorcycles, antique cars and just about anything mobile. A lot of people will just walk and there will be a band of neighborhood children," she said.

After the parade, John Taylor Sr. will speak on "Americanism."

"When I was a kid in Michigan, we always had a neighborhood parade on the Fourth," said Mrs. Torp when asked why she instigated the event in 1969. "I decided, with my five children, that I'd like to get one together here."

She said she talked to a few of her neighbors about the idea and hand-drawn bulletins were distributed throughout the neighborhood. "They all look forward to it now," she said.

Refreshments, including soft drinks donated by Foodway, will be available. The public is invited. The parade will run east to west covering the two blocks of Highland Drive.

WARM

No important temperature changes. High today and Wednesday, mid 90s. Low tonight, upper 60s.

AFTER PROBE Nixon Will Speak Out On Watergate

WASHINGTON (AP) — President Nixon will speak on Watergate "in an appropriate forum" after the Senate Watergate committee concludes the current phase of its three-pronged investigation, the White House says.

The announcement by presidential Press Secretary Ronald L. Ziegler came Monday from Nixon's San Clemente complex.

In Washington, meanwhile, the committee's chief counsel announced that the panel would conduct hearings every weekday from next Tuesday through Aug. 3.

20 WITNESSES

The committee, chaired by Sen. Sam J. Ervin Jr., D-N.C., has estimated it will complete by August its work on the phase involving the break-in into Democratic National Committee headquarters at the Watergate office-apartment complex and the subsequent cover-up.

Counsel Samuel Dash also listed Monday the names of 20 witnesses the committee plans to call after resuming its hearings next week. Congress is in recess this week for the Fourth of July holiday.

In San Clemente, Ziegler ruled out a Nixon news conference before the conclusion of the committee's first phase. Nixon has not held a news conference since March 15 and last spoke publicly on the Watergate scandal May 22.

SHOULD TESTIFY

The presidential spokesman said he could not be specific about when Nixon planned to speak out or in what manner.

But it was the first time the White House has said flatly that the President would respond to testimony given to the committee. Ziegler also said Nixon would not appear before the committee or before a federal grand jury probing the Watergate scandal.

Ervin, Sen. Howard H. Baker Jr., the ranking GOP member, and Sen. Lowell P. Weicker Jr., R-Conn., late last week said they felt Nixon should testify voluntarily in some manner before the committee.

'SPRINGS WORST' The Legal Side Of Illegitimacy

An attractive 18-year-old girl walked into County Judge A. G. Mitchell's office Monday afternoon, smiled and handed him a document to sign.

Without question, he attached his signature to the paper and handed it back. Judge Mitchell asked her to read his name and jokingly suggested she remember it the next time she votes.

He had signed an order authorizing the county clerk's office to issue a birth certificate for an illegitimate child.

The county clerk's office cannot issue a birth certificate for babies born out of wedlock unless the county judge signs a court order. Requests for such orders are not limited to any races or ethnic groups, Judge Mitchell said.

During June, the county clerk's office issued seven birth certificates for illegitimate children, a spokeswoman in the county clerk's office said. That number is not an unusually large amount, Judge Mitchell had indicated. He has been county judge two and one-half years.

"Springs are the worst," he observed, "when the birds go to singing."

Conviction Of Ex-Solon Upheld

AUSTIN (AP) — The Texas Court of Criminal Appeals affirmed today the conviction of former Rep. Walter Knapp of Amarillo on a charge of theft by false pretext.

An Austin jury sentenced Knapp to four years in prison May 23 after convicting him of using \$1,200 worth of postage stamps obtained on his House expense account to buy a used pickup truck. Knapp served in the legislature during the 1960s and held such major committee assignments as the House Appropriations Committee. He ran for the state Senate in 1970 but was defeated by Sen. Max Sherman of Amarillo.

The court split 3-2 in upholding Knapp's conviction with Judge W. A. Morrison writing the majority opinion. He was joined by Judges Leon Douglas and Wendell Odom.

Alice Is Bearing Down On Bermuda

MIAMI (AP) — Alice, the first tropical storm of the 1973 season, reached hurricane strength today as she moved north toward Bermuda.

The National Hurricane Center in Miami said Alice had winds of 76 miles an hour, one mile above hurricane strength, and was expected to pass near Bermuda late today. She was 175 miles south of there at midmorning.

Residents of the island, 700 miles southeast of New York City, were warned to prepare for gale force winds and heavy seas. "Alice is bearing down on Bermuda at a speed of 12 miles an hour and should continue on this track for the next 24 hours," weathermen said.

Work On Airport Project Begins

Boss-Linam Electric Inc. has started work in its shop on the \$4,000 Howard County Airport improvement project.

On-site work begins Monday. Travis Brackeen of the electrical contracting firm said. Ditch digging and fence installation work will start. Swinney Fence Co., Coahoma, has been subcontracted for the fence.

Other improvements include visual approach slope indicators, replacement main runway outline lights, flood lights for the operations area and beacon repairs.

The Federal Aviation Administration is contributing the largest share toward these items, with the remainder coming from Howard County. Howard County will pay for all the costs of lighting a tetrahedron wind direction indicator.

MEAT IS HIGH, BUT THIS IS RIDICULOUS — Housewives are finding meat prices sky-high in most markets but meat packing plant workers at Hatfield, Pa., found these two pigs higher than usual when they came to work. A truckload of hogs was delivered to the plant at nighttime and in the morning Jerry Clemens and other workers found two of the porkers wandering around the roof of the plant.

Give It A Chance

TEEN FORUM

UNSURE: (Q.) Linda says she doesn't think she loves me. But when I'm not around all she does is bore people telling them how wonderful I am. She brags about me behind my back, then isn't sure when she sees me.

She says she doesn't want me to ever stop coming over to see her. But she also says she can't be stuck with just one boy.

Because of her I've given up smoking, drinking and dope, and another girl never enters my mind. Poems I've written about her have been printed in the school newspaper. I wrote a song about her and they sang it at the prom.

I'm a new and happy person because of her. And she's not sure. I need her, Jean, so please help me. — 18 in Louisiana.

(A.) It is beautiful and true that love can add great dimensions to life. Poets, novelists and biographers have told over and over stories such as yours. But great love is not always returned, as you are learning.

Linda likes you and admires you, but she does not love you. Will she ever? I do not know. Give her some freedom. Take a little yourself. Perhaps by demanding less now you can eventually win more.

One thing you have already won through your love, a fuller view of life, you will never lose, no matter what Linda decides.

STEP-MOTHER: (Q.) My mother died two years ago and my father has remarried. I usually get along with my step-mother. We only have an argument once in a great while.

She is, however, very attractive, and I'm not too great. So instead of it being step-mother and step-daughter it is more like two enemies competing against each other and one losing. I'm tired of being the one who loses. What can I do? — Losing in Washington, D.C.

(A.) It is probably that your father remarried because he loves your step-mother. I am sure he loves you too. It is foolish for the two of you to think one has to win and one has to lose.

Both of you can win. Your father, too. All you have to do is love each other as well as him.

Dubious Honor

LONDON (AP) — Lord Jellicoe, who resigned recently from the Conservative government because of his admitted link with a prostitute, once said of his much-decorated army career: "The only serious military distinction I ever achieved was having a new type assault boat named after me. It was called, I am ashamed to say, the Jellicoe Inflatable Intruder Mark One."

Tax Board Sets July 16 Session

County Commissioners Court, sitting as the board of equalization for tax values, will meet from 1:30 p.m. to 3 p.m. Monday, July 16.

The board plans to hear any complaints from car dealers and possibly consider valuations on Cosden Oil & Chemical Co.

A formula making allowances for cars sold in fleets was proposed, but the court plans to stick to Jan. 1 inventories.

The county board instructed Southwestern Appraisal to tax car dealers on the basis of these 100 per cent values: average priced new cars, \$2,500; new luxury cars, \$3,200; used cars, \$1,000; new compact, \$1,500; pickups, \$2,000; and trucks, \$4,000.

TEXAS ECONOMY

Little Evidence 'Boom' Slackens

AUSTIN, Tex. (AP) — There is little evidence from the Texas economy that the business boom is beginning to slacken, says the Texas Bureau of Business Research.

The University of Texas agency said business activity in May continued a strong upward movement that was 4 per cent above the April level. The five months of 1973 are 8 per cent above the figures for last year, the report said.

"The most dramatic factor in the Texas business situation is the new price freeze ordered by President Nixon," said Dr. John R. Stockton, professor of business statistics, in the special report. "The effect of this new factor on the economy is not easy to evaluate at this early date, but many economists seriously doubt that it will solve the basic problem."

"It is particularly important to the Texas economy that the

prices of processed food products are frozen, but those of raw agricultural products are not," Stockton said. "Texas produces a large amount of agricultural products but it is also an important processor of food. The Texas broiler industry has already made headlines by destroying baby chicks since it would not be profitable to feed them with grain that costs more than the chickens would bring at the ceiling prices. This example merely suggests the problems that controls can have on an economy that is only partially controlled. And no one in Texas wants complete controls and rationing. Possibly the controls can stop the upsurge in prices temporarily and give time for a more basic solution. However, a long term solution will not be easy to achieve, and in the meantime Texas business will experience the same problems the rest of the nation is facing."

Soil Tests Available

Residents who may be shedding tears over less than lush lawns can have their soil tested by the county extension office to accurately treat the soil deficiencies, Bruce Griffith, county extension agent, said.

There is a \$2 fee for the soil test Griffith said but may

prevent over fertilization or wrong fertilization. Salts in the city water supply build up in the soil and burn the grass during a drought, he said.

In general the Big Spring soil is lacking in nitrogen and a high calcium content prevents needed iron from dissolving in water and being absorbed by grass roots, he said.

Nitrogen should be made after testing in three applications

(spring, summer and fall) and iron should be sprayed, according to the test.

Bermuda mites may also be a problem, Griffith said, but should be tested before applying any toxin.

After some consultation Griffith and Ronnie Wood, assistant agent, said asphalt prevents topsoil from washing away and therefore provide a more productive area for grass, weeds and trees to grow.

Haston Electric Will Help Light Up Any Situation

We simply do not realize how much we count on electrical appliances until something goes wrong with one of them.

And when it is anything to do with an electrical system, the person to call are the competent, experienced crew at Haston Electric, 109 Goliad.

No matter what kind of an installation, repair or maintenance problem you may meet or need for your electrical system, Gene Haston will be most happy to help you.

Haston has earned a reputation for friendly, thorough service. This reputation is backed by a combination of 73 years experience in the electrical business among him and two other electricians.

These men are highly qualified to handle any emergency that might arise. Their experience includes commercial, industrial and residential buildings.

The Haston Electric staff also guarantees their work. They're always glad to examine your electrical system and offer recommendations at no obligation.

They firmly believe that they have the best stock of light bulbs in town. They offer a complete line of dependable General Electric light bulbs. They are one of the few places that carries the higher-voltage, longer-lasting type bulb that doesn't need to be replaced every few months.

They also have a complete selection of odd bulbs. They have high intensity appliance bulbs, indicator bulbs, 130 volt bulbs and 25, 40 and 60 watt decorator bulbs.

They also have unusual flame — tip and candelabra type bulbs and blacklight kits.

Since they do a large volume of lighting installation and repair, they keep a big stock of fluorescent tubes, ballast units, electrical fixtures and decorative lighting fixtures for every room.

Haston's also wires for air conditioning. They also are glad to check out present systems for safety and convenience.

If anything goes wrong with anything about your electrical system, call Haston at 75103 or stop by 109 Goliad.

Lasting Protection At Trinity

By purchasing a concrete burial vault from Trinity Memorial Park, you are offered the same lasting protection that people have gained by use of the mausoleum.

The strength and durability of the concrete burial vaults constructed by Big Spring's Trinity Memorial Park is unexcelled.

The steel reinforced concrete and the impermeability added by a water proofing agent mixed with concrete before it is formed, assures you of that lasting protection you demand.

More and more people are realizing and insisting on this vital protection.

Having made these concrete burial vaults for over 12 years, Trinity Memorial Park offers superior quality and protection.

The vaults are constructed of dense concrete that withstands pressures of more than 4,000 pounds per square inch.

Tests have shown that this concrete increases in strength with each year that passes. The vaults have a special feature in the "Air-Seal" — a protection which allows dampness from any possible source to escape. Rigid standards insure the quality of the concrete and the workmanship of each vault.

The concrete burial vault also prevents sunken graves. Because of their durability, these vaults are the preferred choice of many funeral directors and cemetery directors.

These vaults are available though the various area funeral homes, including Big Spring, Stanton, Lamesa and Snyder.

Carver's Offers Service

A person's selection of their pharmacy has always been a personal thing. From the days of the old corner drugstore where everybody gathered up to today's drive-in pharmacies with quick and efficient service, the selection of your pharmacist has been as important as the selection of your personal physician.

That's why so many people select Milton Carver and Carver's Drive-In for their pharmaceutical needs.

Vic Keyes is their newest pharmacist, coming from Ballinger three weeks ago. He joins Larry Miller and the owner, Milton Carver in excellent pharmaceutical service to their customers.

This pharmacy is located at 310 E. 9th. Carver, not only can fill any doctor's prescription but also carries a vast array of items outside the medical field.

For example — special days may be marked with a box of Pangburn's chocolates. A box of candy has long been a welcome gift for many occasions — for the girlfriend, wife, mother, or friend.

Carver's also stocks a wide selection of well-known cosmetics. This includes well-known brands of shaving lotion and many other needs for men, including all of the shaving items, books, magazines and other items.

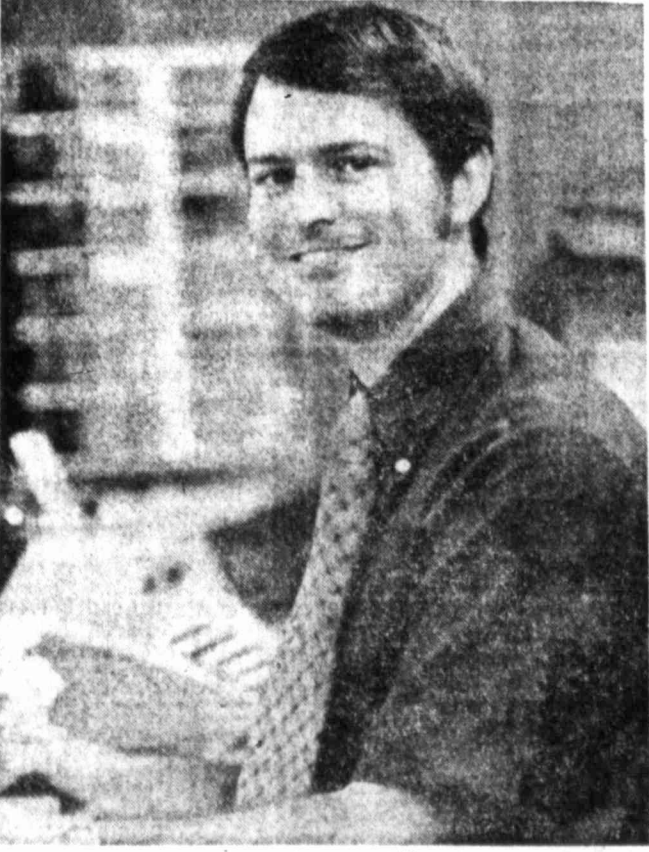

Carver makes a special effort to keep abreast of the latest developments in prescription drugs and the trusted patent medicines.

As a licensed pharmacist, Carver believes that every person should use pharmaceuticals prescribed by qualified physicians and that the medicine should be properly compounded.

"A physician's advice is paramount where questions of health are concerned," Carver stated.

The drive-in window on the west side of the building was constructed for the convenience of patrons who want to pick up prescriptions in a hurry and not have to worry about dressing up or keeping an eye on the children.

The next time you need a pharmacist, try Carver's. You'll be glad you did.

Office Moved To Big Spring

Col. Melvin N. Glantz, the state director of Selective Service for Texas, has announced the relocation of the office site of Local Board No. 32 from Lamesa to Rooms 201-206 Federal Building in Big Spring.

Board meetings of Local Board No. 32 will continue to be conducted in the Federal Building at Lamesa.

Any registrant who wishes to discuss details of his Selective Service file or seeking information about his duties and requirements under the law should now contact the Local Board Office in Big Spring, said Col. Glantz.

All young men are still required by federal law to register with Selective Service within 30 days before or after their 18th birthday, and should report to the local board office in Big Spring or to one of the following officially appointed registrars in Dawson, Borden or Gaines counties:

Miss Nuel Mitchell, Courthouse, Seminole; Mrs. Dollie K. Berry, City Hall, Seagraves; Mrs. Viola Mojica, 1110 N. Dallas, Lamesa; Mrs. Margie Maddox, 122 North 19th, Lamesa; Mrs. May Greenwood, county judge's office, courthouse, Lamesa; and Judge C. Glenn Tooms, courthouse, Gall.

Bradburys Back From Conclave

Mr. and Mrs. Bob Bradbury and son, Robert, 606 Bucknell, have returned from Montreal, Canada, where he represented the Big Spring club in the 58th annual convention of Kiwanis International.

Approximately 20,000 attended the event from 6,000 clubs in the United States, Canada, Mexico, Europe, Central and South America, and Southwest Pacific. Speakers included Lorin J. Basky, North Webster, Ind., president; Dr. Norman Vincent Peale; Samuel I. Hyakawa, educator.

Tells Judge Boys In School Abused

TYLER, Tex. (AP) — A former University of Texas psychiatrist was to be cross-examined today on his testimony Monday that students are mistreated at the Gatesville State School for Boys.

Dr. Robert Baxter, former assistant professor of psychiatry at the UT Medical Branch at Galveston, told U.S. District Court Judge William Wayne Justice that students have been assaulted, deprived of basic liberties and have not been given adequate rehabilitation at the school.

Baxter was the first witness to appear in the hearing on a class action suit filed against the Texas Youth Council by former students of the state schools.

The witness said he interviewed a student who said he had been beaten at the Gatesville school in January. Homosexuality is a common practice at the Gatesville School, the psychiatrist said.

He said also that school officials censor incoming and outgoing mail at the school, and forbid Mexican American students to speak Spanish.

The psychiatrist said that on his January visit to Gatesville he observed that some staff members were not qualified for youth rehabilitation.

Caseworkers and correctional officers had little communication and coordination among themselves, Baxter said.

He also criticized the racial balance of the reception center. Anglos, Mexican Americans and blacks each make up about one-third of the school's population, Baxter said. The center's classification committee has six Anglos and one black member.

Basic facilities such as the infirmary are inadequate, Baxter testified. One registered nurse and one licensed vocational nurse staff a small infirmary that must serve 1,140 students.

Church Sets Celebration

The parish of St. Lawrence Catholic Church in St. Lawrence will celebrate the 25th anniversary of the Parish on Thursday, July 5.

The special event will begin with a concelebrated Mass at 2 p.m. followed by a reception, barbecue dinner, and public dance. Adolf Hofner from San Antonio will furnish music for the event.

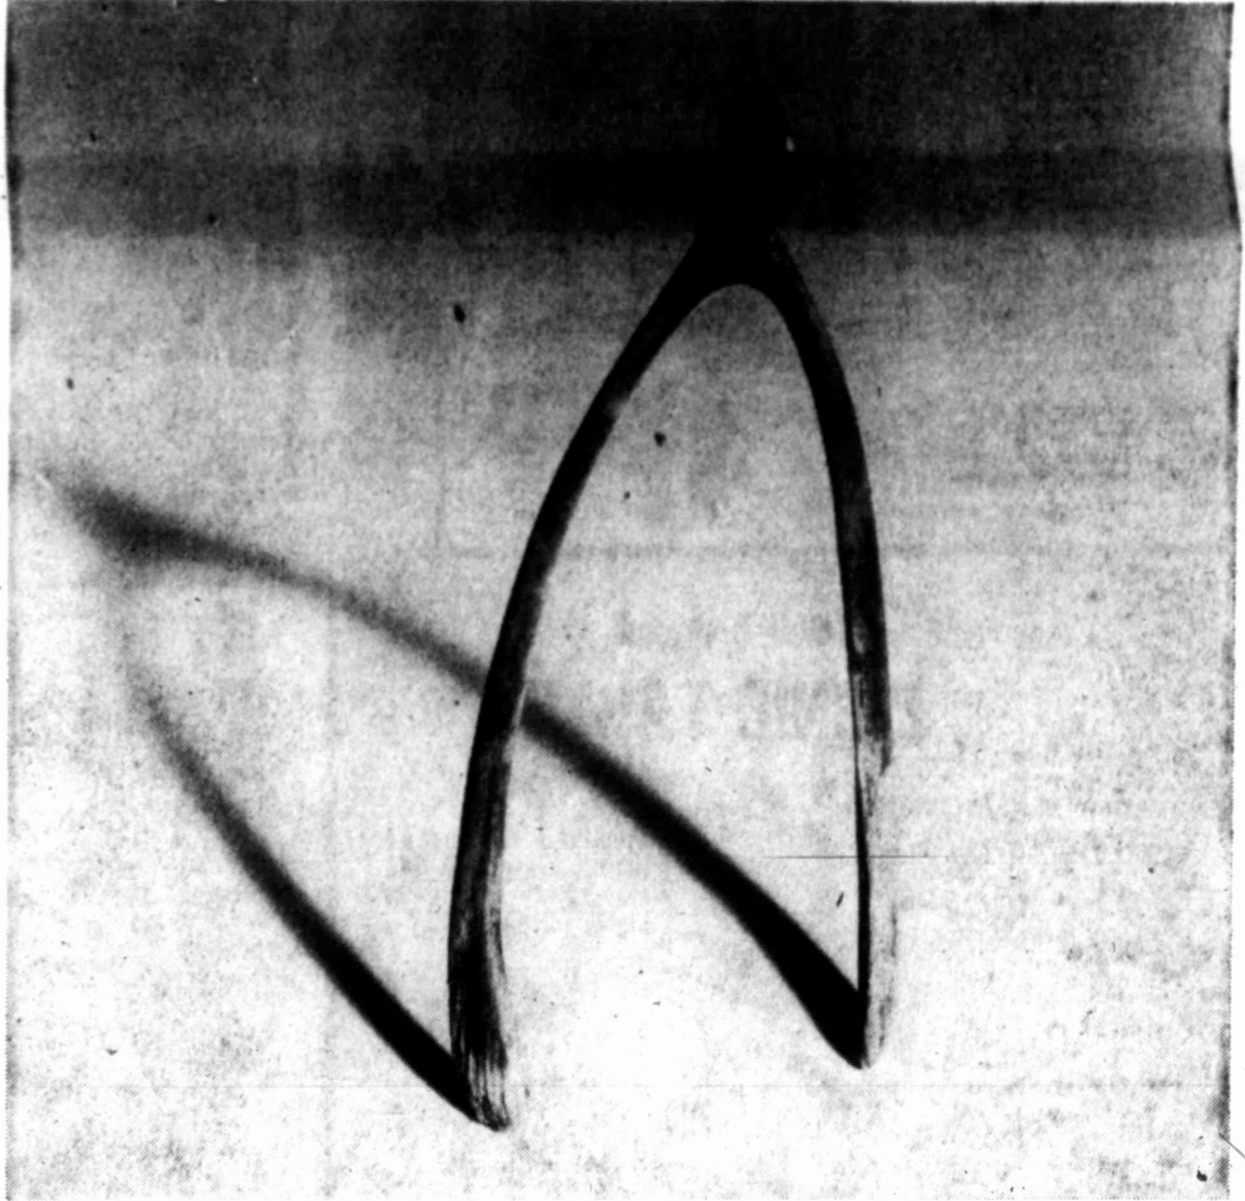

The dedication of the church in this southern Glasscock County town was held on July 5, 1948. St. Lawrence is located 14 miles southwest of Garden City. The public is invited to attend the event.

On Honor Roll

Peggy Grant, daughter of Mr. and Mrs. W. B. Grant of Big Spring, was named to the spring semester Special Honor Roll at Texas Women's University in Denton. Miss Grant is a junior nursing student with a 2.3 grade point average on a 3.0 scale.

Clip and save this vacation checklist.

- REFRIGERATOR OR FREEZER:** Change thermostat control to slightly warmer (or "Vacation") setting according to the manufacturer's recommendations.
- DISHWASHER:** Make sure it's empty. Shut the door, but do not latch.
- DISPOSER:** Run and flush with cold water.
- ELECTRIC RANGE:** Make sure all switches are in the "Off" position.
- WASHERS:** Turn off water supply at faucets.
- WATER HEATER (ELECTRIC):** Turn off at circuit breaker panel. When you return, run a small amount of water from a hot water faucet to make sure there is water in the tank before you turn the circuit on.
- TRASH COMPACTOR:** Remove any accumulated trash.
- TELEVISION SETS:** Unplug from electric outlet and disconnect the antenna lead-in cable.
- CLOCK RADIOS, ETC.:** Check these and all other items with automatic "On-Off" controls. Disconnect the ones that won't be needed.
- LIGHTING:** Be sure that all lights are off except those needed for security, such as: 1) yard light and/or other exterior lighting with automatic controls — on at dusk, off at dawn; 2) portable lamp in living area with automatic control; 3) hall or bathroom light.
- AIR CONDITIONING:** Normally, air conditioning should be turned off completely while on summer vacation. However, if there is anything in your home that might suffer heat damage, the thermostat setting could be raised 5 to 10 degrees above normal operation and the unit left on. For comfort, you might have a friend or neighbor turn on the unit the day of your return.

Wishing won't do it.
Saving will.

It's fun to daydream during these long lazy summer days or wish upon a star on a clear night. But that won't buy the things you want: those school clothes in the fall, that stack of Christmas presents, maybe a boat or lake lot next summer. Saving can make your dreams come true with an account at First Federal Savings of Big Spring. When your money earns 5% interest you can be as lazy as you like this summer. That's our wish for you.

MR. AND MRS. SAM SIPES

New Mexico Couple Marks Anniversary

Mr. and Mrs. Sam Sipes, who were married in Big Spring, celebrated their 50th wedding anniversary recently in Truth or Consequences, N.M.

The couple was married in the Methodist parsonage here June 23, 1923. They spent the first six years of their marriage farming in Howard County and, in 1932, moved to Quemada, N.M., where they spent eight years homesteading a section of land. They have lived in Truth or Consequences since 1949.

Their daughters, Mrs. Alma Johnson, Phoenix, Ariz., and Mrs. Luetisha Potter of Truth or Consequences, were hostesses for the party in the home of Mr. and Mrs. Richard E. Potter. Seventy-five guests attended the buffet luncheon.

Potter spoke briefly, giving a resume of Sam and Myrtle Sipes' 50 years together, and Candy Blanchard assisted with the gifts display. Mrs. Jill Christmas and Mrs. Barbara Edwards presided at the guest registry.

Among the Texas guests were Mr. and Mrs. Eldon Sipes, Lubbock; and Mr. and Mrs. Tom Sipes, Amarillo.

Mitchell County 4-H Winners Announced

Susan Blasingame, daughter of Mrs. Ladena Blasingame, was chosen senior winner of the Mitchell County 4-H Clothing Revue, with Kelly Baker, daughter of Mr. and Mrs. Carl Baker, named junior division winner. The girls will represent their county in the district revue at Lubbock July 26.

The senior alternate is Mary Martinez, and junior alternate is Ranece Grisham. Phyllis Solomon served as narrator as 21 girls modeled their creations. Judges were Miss Sherry Mullin, Howard County extension agent;

Mrs. Laverne Gaskin, Kayla Gaskin and Tricia Jackson. Ribbons and awards were presented by Mrs. J. D. Hill Jr., and music was by Bob McClure, organist.

Blue ribbons went to Ranece Grisham, Karla Joiner, Dawn Lemons, Sandra Wiggins, Kelly Baker, Thresa Smith, Jill Davis, Marla Meadows, Mary Martinez, Nancy Smith and Kelley Dockrey.

Winning red ribbons were Catherine Meadows, Nancy Robertson, Diana McClure, Belinda Vann, Patricia Light and Kathy Robertson.

Parents Afraid

Dear Abby
Abigail Van Buren

DEAR ABBY: I am a female college student majoring in education of the deaf. I love this kind of work and can hardly wait to go into it professionally when I'm finished.

My parents are very much against my working with the deaf. They are afraid they will end up with a deaf son in law. Abby, I know my parents love me, and I love them, too, but I just can't understand their reasoning.

I have told them that I have a "gift" for working with the deaf. My grades have been outstanding and I have already been offered a position after graduation in a school for the deaf, but my parents are not at all pleased about it.

I dread summer vacation because I know my parents will hassle me about changing to some other line of work. I would like your opinion.

TORN
DEAR TORN: There is a great need for dedicated young people in the field you chose, and I commend you for your choice. Stick to your guns.

DEAR ABBY: I know a woman who is receiving public assistance illegally. She claims to have no other source of income, but the truth is she is living with a guy who has plenty of money and she needs

welfare aid like I need another head.

I have thought about reporting her, but I must admit it would be because I dislike this woman and the guy she's living with. I'm afraid if I report her under these circumstances my conscience will bother me. What should I do?

NAMELESS AND PLACELESS PLEASE
DEAR N AND P. Judge not, that ye be not judged.

CONFIDENTIAL TO THOSE WHO WROTE TO THE EUTHANASIA COUNCIL FOR COPIES OF "A LIVING WILL": If you have not heard from them, please, please be patient. They have been inundated with requests for copies. Thirty thousand additional wills were printed, which were gone in a few days. In order to handle the mail, extra help was called in. Finally they had to move to larger headquarters. An estimated 100,000 wills have been sent out to date.

Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 69700, Los Angeles, Calif., 90069. Enclose stamped, self-addressed envelope, please.

BRIDGE PLAY IS CANCELLED

Duplicate bridge games, sponsored by the Ladies Golf Association of Big Spring Country Club, will not be held Wednesday. The July 4 holiday will feature a Louisiana Draw golfing event with three men and a woman making up each foursome. A poolside barbecue will follow at 7 p.m. The bridge games will resume at 1 p.m., Friday.

Pre-Nuptial Party Fetes Miss Karen Stovall

Miss Karen Stovall, bride-elect of Warren Gale, was honored at a gift shower Friday evening at Berea Baptist Church.

The honoree, attired in a pink knit suit, was presented a corsage of purple and pink roses. Her mother, Mrs. Bill Stovall; her grandmother, Mrs. Corma Stovall; and her great-grandmother, Mrs. Marie Hamilton; were also presented corsages.

The refreshment table was laid with a flounced net cloth, the corners trimmed with pink and purple streamers. The centerpiece was a silver bowl arranged with purple summer flowers and flanked by purple candles in silver holders. Crystal and silver appointments were used.

Cohostesses were Mrs. Alva Thomas, Mrs. Dearl

Mr. and Mrs. Russ McEwen, 3119 Dwellie, Enid, Okla., announce the birth of a daughter, Kisa Parks McEwen, June 15 in St. Mary's Hospital, Enid. The infant weighed 7 pounds, 7 ounces. The McEwens are parents of a son, Torbin, 3 years. The maternal grandparents are Mr. and Mrs. R. W. Parks, and paternal grandmother is Mrs. R. R. McEwen Jr. All are of Big Spring. Great-grandparents are Mr. and Mrs. R. R. McEwen, La Jolla, Calif., and Mr. and Mrs. C. E. Carter, Abilene.

Altrusa Club Installs Slate

Mrs. Willard Hendrick was installed Friday evening as president of the Altrusa Club. Mrs. Milton Knowles performed the ceremony at a dinner meeting at Big Spring Country Club.

Serving with Mrs. Hendrick will be Mrs. V. F. Michael, vice president; Mrs. Helen Dawson, recording secretary; Mrs. Loyd Wooten, corresponding secretary; and Mrs. Knowles, treasurer. Board members are Mrs. W. H. Kay, Mrs. Dorothy Ragan and Mrs. Thurston Orenbaum.

Mrs. Kay, outgoing president, was presented a past president's pin and gavel, and a gift from club members. Musical selections were performed by Miss Arlene Henderson, and a brief talk, "Faith and Service," was given by Mrs. J. C. Pickle.

Tables were arranged in

a U-shape, with a large bouquet of spring flowers centering the head table. Candles in blue glass holders were used to accent the tables. Dinner guests included Mrs. Eugene Gross, Mrs. J. B. Apple, Mrs. Ralph Baker, Mrs. Sol Bledsoe, Mrs. Nan Hulung and Miss Katherine Homan.

During business, Mrs. Kay discussed the 25th anniversary meeting of Midland Altrusa Club which several local persons attended Thursday evening. The Midland club organized the Big Spring and Odessa clubs. Mrs. Gracy Wallace of New Braunfels, a charter member of the Midland group, was present. She sponsored the Big Spring club. Attending from Big Spring were Mr. and Mrs. Willard Hendrick, Mrs. Willard Sullivan and Mrs. Kay.

The local club will not meet again until September.

STEWARDESS — Ms. Donna R. Reid, daughter of Mr. and Mrs. Jesse P. Reid, has completed training and is now a stewardess with Delta Air Lines. She will be based in Atlanta, Ga. Miss Reid, a graduate of Big Spring High School, attended Howard County Junior College and North Texas State University.

Bride-Elect Is Honored

Miss Brenda Gayle Webb, future bride of James G. Wildner, was honored with a gift shower Thursday in the fellowship hall, East Fourth Baptist Church.

Guests were registered by the honoree's sister, Miss Mary Webb, at a table covered with a white cloth and accented with yellow roses.

Hostesses were Mrs. Royce Griffith, Mrs. Bob Jones, Mrs. Dick Davis, Mrs. C. W. Jones, Mrs. Gladies Holden, Mrs. Rafor Dunagan, Mrs. Ben Hitt, Mrs. Bill Draper, Mrs. Francis Plovman, Miss Marguerite Cooper, Mrs. M. L. Kirby, Mrs. C. A. Tonn, Mrs. Bill Hanson, Mrs. Bob Carlile and Mrs. Howard Shanks.

Yellow daisy corsages were presented to the honoree, her grandmother, Mrs. P. B. Webb; and the prospective bridegroom's mother, Mrs. G. J. Wildner of South Bend, Wash.

The refreshment table was laid with a white cloth and overlay of white net and lace. Yellow roses and carnations in a silver epergne centered the table, and other appointments were of crystal and silver.

Out-of-town guests, in addition to Mrs. Wildner, were Mrs. B. D. Mason and Mrs. Charlie Iglehart, both of Colorado City; Mrs. Dallas Woods, Lamesa; and Mrs. Donald Webb, Coahoma.

The couple will marry Thursday in College Baptist Church.

Danny Valdes' Announce Birth

For What It's Worth

Jack Cowan

Tennis people are funny. Not funny ha ha, really. Just funny weird. I mean, what other sports do you know of that the contestants play half the day outside in near-100 degree weather, and after swilling some Gatorade, return for more action under the lights.

It gets to where their skin feels like salt, except it's so tan you can't really get that salty feeling. And if they really got after it, their eyes might be sunk back into their sockets a little bit, causing them to look dark and mysterious — eerie, kind of. It's not normal for anyone but tennis folks.

And believe me, there's a bunch of normal tennis folks hanging around the Figure Seven Tennis Center this week for the Big Spring Open. About 300, as a matter of fact. They do all the things I've been saying, they've been doing it for a couple of weeks straight, and they'll do it for a few more weeks. And that is straight, like, without a day off except for traveling, maybe.

The Lubbock stop on the Highway 80 circuit finished Sunday, and so did a "satellite" tournament in Kermit. Then, on Monday, everyone filed into Big Spring for this city's first effort at hosting the meet. Well, not exactly everyone.

Mark Walker of Canada, who would have been the No. 1 men's singles seed, decided to try bigger and better things elsewhere and dashed off for the Southern tour, wherever that is. That left University of Texas netter Paul Wiegand in the top position and Ross Persons of Houston, top man in the 18 singles, in the second spot.

Novice Kniffen, Figure Seven pro and director of the mammoth affair, said the men's singles division lacks the one or two great players but is strong overall. Actually, the meet isn't as big on quality as some of the other stops, but it's still a lot more than most Big Springers have witnessed on their home courts.

Kniffen, incidentally, was something to take in halfway through the opening action Monday. His mind seemed scattered over the different battlefields, and the best he could do was nod his head or mumble a quick sentence when quizzed. It was hot, you know.

But by the end of the day, he was over the hump, smiling and thinking clearly as ever. "You know, these are some good kids at this tournament," he said. "Lots of times the kids are kind of spoiled and they'll gripe about the draw or almost anything, but this bunch has been great."

If you run out to watch the matches today or Wednesday, it won't take long for you to realize that tennis really is the fastest-growing sport in the country, popularity-wise. When 10-year-old kids and 70-year-old men can get the kind of competition they do in these type events — particularly the Highway 80 tour — you know it can't help but grow.

Even in Big Spring.

Frazier Captures 12-Round Decision

LONDON (AP) — Joe Frazier says he's back. And heavy-weight champion George Foreman watched the return.

With Foreman in the crowd, Frazier knocked down European champion Joe Bugner in the 10th round and pounded out a 12-round decision Monday night.

It was Frazier's comeback from the humiliation he suffered at Foreman's smashing fists in a two-round debacle in Jamaica last January. "I think I'm back now," said the 29-year-old former champion as he sat in his dressing room fingering a bulging bruise that was closing his left eye.

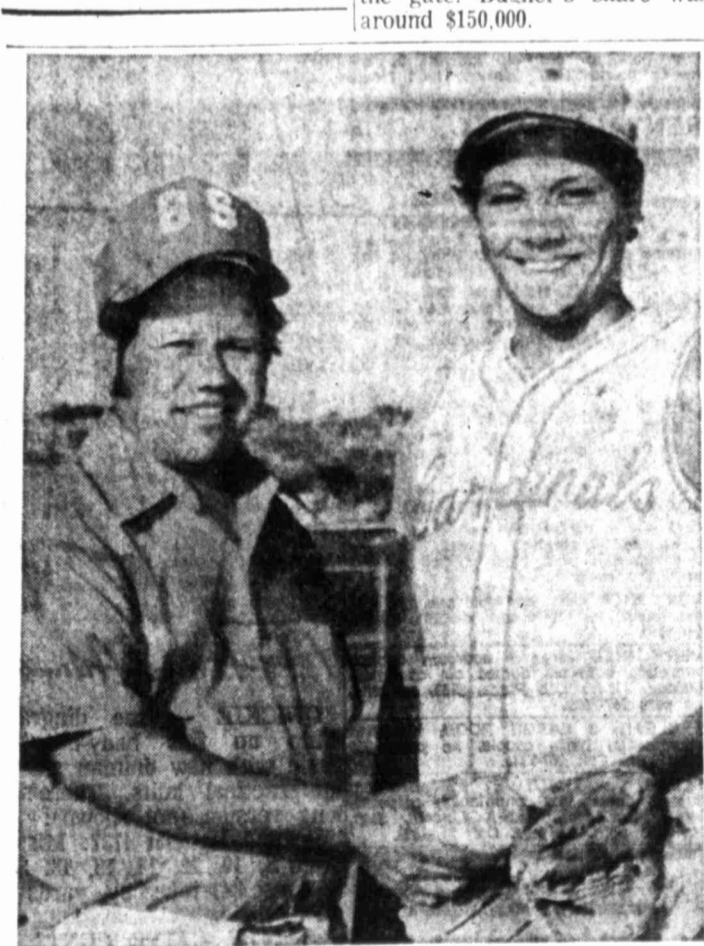

The decision was clearcut for Frazier. Most ringsiders at the Earl's Court arena thought Frazier had won at least nine rounds while British referee Harry Gibbs, the only judge, scored Frazier winner of six rounds and the 23-year-old Bugner winner of four, with two even.

Frazier weighed 208, six pounds lighter than when he fought Foreman and the lightest he's been since he over-estimated Muhammad Ali March 8, 1971.

And, indeed Frazier, did look a lot like his old fighting self, moving forward constantly, slapping his gloves together and even laughing. But although he knocked the 221-pound Briton down, raised lumps around both eyes and bloodied his nose, Frazier could not make Bugner his 26th knockout victim as he won his 30th pro fight against only one loss.

Bugner, sorely lacking a big punch, could not keep Frazier away but he had the estimated crowd of 15,000 cheering wildly as he gamely tried to trade punches with Frazier and even almost closed Frazier's eye in the last two rounds.

The Hungarian-born Bugner now has lost six times against 42 victories and a draw as a pro. Frazier was guaranteed \$250,000 against 40 per cent of the gate. Bugner's share was around \$150,000.

COACH AND HURLER — Big Spring Cardinal head coach Raul Rubio hands the ball over to ace hurler Orlando Olgue as the unbeaten Cards prepare for what could be their toughest game to date. The Cards will host a team of West Texas All-Stars Wednesday at 2 p.m. at Steer Park, as the locals seek their 15th win without a loss.

IT'S ALL OVER — Nancy Crawford of Andrews (left) shakes hands with Nancy Jones of Linda Little following a Tuesday morning singles match in the Big Spring Open Highway 80 Tennis Tournament. Nancy won the match and advanced in the girls 16 singles draw.

Net Open Ends First Day With Few Upsets

Except for about 100 matches, who brushed aside Al Carlson in the men's competition Monday's opening action in the 7-6, 6-3. No. 2 seed Ross Persons defeating San Angelo's Jeff Brown 6-0, 6-0.

In the 18 singles women's singles bracket there was little action as Jan Evans of Midland halted Brent Mosing 6-4, 6-4 in the only match. Top-seeded Rudi Nelson of Andrews received a bye.

Two Big Spring girls advanced in the equally vacant 18 singles, and will meet in the finals today. Vicki Murphy topped Jan Evans of Abilene 6-4, 6-3, and Judy Jordan eliminated Debbie Willis 6-2, 6-2. Finals are also set up in the girls 12 singles as Judy Kniffen of Abilene and Joanne Russell made their way through the five-girl draw.

In boys 12 singles, Daniel Olesen and Lance Proctor will battle today in an all-San Angelo affair. Both had easy wins Monday.

Persons and Castillo collide today in a crucial boys 18 singles affair, after Castillo stopped John Valenza 6-3, 6-2. Big Spring's Randy Mattingley advanced to the quarterfinals in 18 singles with a bye and a 6-3, 6-4 triumph over Brent Mosing of Lafayette, La. He also won his opening match.

Alworth Quits Pro Football

DALLAS (AP) — Marilyn Alworth quit pro football. "Lance got to the point where he felt foolish... he was just a sore thumb out there."

Lance Alworth—a premier receiver for nine years with the San Diego Chargers and little more than a crackback blocker for the Dallas Cowboys—retired Monday to devote fulltime to his real estate business in California.

"I guess I could have played for two or three more years but I think it was time to go," said the 32-year-old Alworth, who had the nickname "Bambi" because of his leaping catches. Alworth admitted he grew "frustrated" with the run-or-throw style of the Cowboys.

"I honestly felt like I could help more," said Alworth, who caught only four touchdowns passes with Dallas in two years after snaring 81 in nine years at San Diego.

Asked would he have stayed had he been encouraged, Alworth said "well, it might have changed things. But Dallas is not the type of club to do that."

Alworth said Coach Tom Landry was "very verbal in saying that he wanted me back."

Cards Host WT Stars

Big Spring's unbeaten Cardinals, champions of area semi-pro baseball the past two years, get a test pique Wednesday as a team of West Texas all-stars visits for a 2 p.m. battle at Steer Park.

The Cards, 15-0 on the year, will be hosting the best players from Lamesa, Snyder, Lubbock and Brownfield in the July 4th special.

Orlando Olgue hurled a two-hitter and the Cardinals turned back a late Snyder rally as the Cardinals scored a 5-3 decision over the Pirates Sunday in Snyder.

For the Cards, Jody Florez rapped two singles and Olgue, Sammy Rodriguez and Andy Gamboa all added doubles in leading the eight-hit attack. John Grizzle, Joe Martinez and Joe Cadenhead also contributed hits in the win.

Bullpen Lets Clyde Down; Rangers Fall

By The Associated Press Texas Manager White Herzog told David Clyde to smile but the Rangers' bullpen made him weep.

Texas' troubles began before Monday night's game against Chicago when relief pitcher Steve Foucault collided with coach Jackie Moore while chasing a fly ball during batting practice and suffered a broken left collarbone.

Clyde, the 18-year-old whiz who was the first choice in baseball's free agent draft last month, then went to the mound for his second major league appearance. He beat Minnesota last week, allowing one hit and two runs while walking seven and striking out eight in five innings.

This time, he went six innings before a blister forced him to the sidelines. The White Sox managed three runs—two of them unearned thanks to Clyde's own throwing error—on four hits while Clyde walked two and fanned six.

Clyde turned a 4-3 lead over to the bullpen but Bill Melton greeted Don Stanhouse, the fourth Texas pitcher, with a game-tying single in the eighth inning and Ed Herrmann doubled home the winner in the ninth.

Elsewhere in the American League, the Minnesota Twins moved into first place in the West Division by four points over Oakland with a 5-2 triumph over the Kansas City Royals while the A's were losing to the California Angels 4-2, the Boston Red Sox while the Milwaukee Brewers shaded the Baltimore Orioles 5-3 and the Detroit Tigers edged the Cleveland Indians 4-3.

Consecutive doubles by Steve Braun and Larry Hise touched off a three-run fourth inning.

Little League Playoffs Open

The leaders will be watching tonight as action gets under way in the Big Spring Little League City Tournament.

Second and third place teams in the four leagues will collide tonight, while the Comets, Tigers, Yankees and Colts — all winners in their respective leagues — will take on the survivors Thursday.

In 8 p.m. games tonight, the American League Pirates try the National League Rangers while the Dodgers of the Texas League host to the International League Rockets. The T-Birds of the IL are at home against the AL's Cabets, while at the Texas League park the Red Sox take on the Devils of the National League.

Semifinals in the draw will be played Friday night, while the city champion will be decided Saturday at 8 p.m.

Two Golf Meets Set

Holiday golf tournaments are on tap for the Big Spring Country Club and Municipal courses Wednesday.

The Municipal Firecracker Partnership Golf tourney is set for Wednesday, with golfers to compete in either a scratch or handicap flight. Players will receive only half-handicap in the latter.

Entry fee is \$5 per player plus greens fees. Golfers may tee off any time from 8 a.m. to 4 p.m.

A Louisiana Draw tourney will be held for BSCC members, with three men and a woman making up each team. Golfers may tee off after 9 a.m. There will be a barbecue at 7:30 p.m. for golfers.

On Sunday, the Big Spring Golf Association will hold a Selective Drive tournament at the Municipal course, with a shotgun start set for 1:30 p.m. Entry fee is \$3. The teams will include players with A, B, C and D handicaps.

The Red Sox rolled up their third Sophomore League win of the second half without a loss Monday, handing the Yankees an 8-5 setback, their first of the season.

Winning pitcher Dick Battle stroked a double and a single in the effort, and Paul Spence also rapped a two-bagger. For the Yanks, Mike Burleson had two hits and Phil Woods managed a double. Lynn Dixon was the losing pitcher.

Baseball Standings table with columns for National League and American League, listing teams like Chicago, Boston, New York, etc., with W, L, Pct., GB.

WIMBLEDON, England (AP) — Jimmy Connors, a happy-go-lucky player from Belleville, Ill., plays his Wimbledon quarter-final match against Alex Metreveli today carrying a burden on his sturdy shoulders: he's been made a 3-1 favorite to win the title.

AFTER UPSET Connors New Wimby Choice. Borg has had all the teenagers following him around, but has been living dangerously the past two rounds, advancing after five-set matches.

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed; — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established, should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let facts be submitted to a candid world. — He has refused his Assent to Laws, the most wholesome and necessary for the public good. — He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. — He has refused to pass other Laws for the accommodation of large districts of People, unless those People would assent to the right of Representation in the Legislature, a right inseparable to them and formidable to tyrants only. — He has called together legislative Bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them by long and tedious Sessions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the meantime exposed to all the dangers of invasion from without, and insurrection within. — He has endeavoured to prevent the Population of these States; for that purpose obstructing the Trade for Navigation of Seaports; refusing to pass other Laws to encourage their Migration hither, and raising the conditions of new Appropriations of Lands. — He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers. — He has made Judges dependent on his Will alone, for the tenure of their Offices, and the amount and payment of their Salaries. — He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their Substance. — He has kept among us, in times of peace, Standing Armies without the Consent of our Legislature. — He has endeavored to bring on the Colonies a Jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation: — For Quartering large Bodies of armed Troops among us: — For imposing Taxes on us without our Consent: — For depriving us in many Cases, of the benefits of Trial by Jury: — For transporting us beyond Seas to be tried for pretended Offences: — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an arbitrary Government, and enlarging its Boundaries so as to extend it to an example and fit instrument for introducing the same absolute Rule into these Colonies: — For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Government: — For suspending our own Legislatures, and declaring themselves invested with powers to legislate for us in all cases whatsoever. — He has abdicated Government here, by declaring us out of his Protection and waging War against us. — He has plundered our Seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of our People. — He is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized Nation. — He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the Warriors of their Hinds, and to fall themselves by their Hands. — He has excited domestic Contentions amongst us, and has endeavored to bring on the Inhabitants of our frontiers, the merciless Indian Savages, whose known Rule of Warfare, is an undistinguished Destruction of all Age, Sex and Conditions. In every Stage of these Oppressions We have Petitioned for Redress in the most humble Terms: Our repeated Petitions have been answered by repeated Injury. All Men, whose Character is thus marked by every act which may define a Tyrant, as unfit to be the Rulers of free People. We have to this been wanting in Attention to our British Brethren, We have warned them from time to time of Attempts by their Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them of the Circumstances of our Migration and Settlement here. We have appealed to their native Justice and Magnanimity, and we have conjured them by the ties of our common Kindred to disavow these Usurpations, which would interrupt our Connections and Correspondence. They too have been deaf to the Voice of Justice and of Consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our Intentions, do, in the Name and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be, Free and Independent States; that they are absolved from all Allegiance to the British Crown, and that all political Connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of Right do. And for the support of this Declaration, with a firm reliance on the Protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
