## Last Holdout Union Orders Its Members Back To Work

TORONTO (AP) — The last holdout union in the Canadian rail strike ordered its members to return to work Monday night in compliance with Parliament's back-to-work legislation. But there were reports of resistance to the order from several locals.

Some workers reportedly continued to man picket lines in Vancouver, Thunder Bay, Ont., and Winnipeg, which remained a roadblock to transcontinental freight and passenger trains. In British Columbia, the country's westernmost province, rail traffic remained at a standstill.

D. N. Secord, president of the 18,000-member Canadian Brotherhood of Railway, Transport and General Workers, said 96 of 120 union locals voted to obey the back-to-work legislation. The law was passed Saturday by Parliament, which enacted similar laws to deal with rail strikes in 1950 and 1966.

Secord said, "Our members go back reluctantly, aware that their fight for a fair settlement has once again been crushed by the combined forces of Parliament and the railway companies."

Trains rolled in the eastern provinces, and East Coast ferries went back into service during the weekend after the nine-day national strike.

On the prairies, the Canadian National railway reported that operations west of Winnipeg had returned to normal and grain trains were being assembled.

Commuter service to Toronto and Montreal also was operating today after the long weekend.

Labor Minister John Munro said compulsory arbitration appears to be inevitable to settle the dispute. The back-to-work legislation provides for such arbitration not only for the non-operating workers, who struck the railroads, but also for the operating employees and shopcraft unions that have been negotiating for new contracts.

## All of these babies will grow older. One will never grow up.

Last year, 3,256,000 babies were born in the United States. Almost one out of every 25 was mentally retarded. Yet, retarded children need not be burdens. Often they can be helped and encouraged to become useful members of society. But it takes time and money and help.

We want to do our part. Blue Cross and Blue Shield of Texas has established health care programs that help cover doctor and member hospital costs for retarded children throughout their entire lives.

People helping people. We grew up with that idea.

### His Move

Dear Abby  
Abigail Van Buren

DEAR ABBY: Last year I enrolled in a night class and found myself very much attracted to my professor. He's in his middle thirties, and I'm 22. I purposely got a ride to class one night and asked him if he would give me a ride home. He did, and we sat in front of my house talking for over an hour, and I know he enjoyed it as much as I did.

He didn't ask to see me after that, but I could tell he was very conscious of me. Thinking he needed a bit more encouragement, I wrote him a note telling him I wasn't looking for an affair, just a friendship. He didn't acknowledge the note so I dropped by his office to ask if he had received it. He said he had, but he didn't want to get "involved."

I asked him what he thought of me, and he said: "I think you're nice," but it's not a good idea for us to see each other outside of school."

Abby, I can't forget him. I think he could care for me if he would let himself.

### Shower Honors Mrs. D. Baxter

Mrs. David Baxter was honored at a bridal shower recently in the home of Mrs. Jack Horn, 505 Dallas. Cohostesses were Mrs. Ray Menges, Mrs. Joseph Mower and Mrs. Connolly O'Brien.

The serving table was centered with a parasol and a doll figurine dressed in bridal attire. Guests included the bride's mother, Mrs. Frank Huckaba, 802 W. 18th. The honoree is the former Pamela Huckaba. Baxter is the son of Mr. and Mrs. A. B. Baxter, Walker Valley, N.Y. The couple was married in May.

### Men's Fashion Show On Tap At Luncheon

The wives of Undergraduate Pilot Training Class 7444 will present a Men's Fashion Show at the Officers' Wives Club luncheon Sept. 6. The luncheon is slated to begin at 12 o'clock noon in the Officers' Open Mess.

Men's fall and winter fashions from Hemphill-Wells will be modeled by instructor pilots and students including Capt. Ernie Petrasch, Capt. Jack Weiland, Lt. Kurt Johnson, Lt. Van Searcy, Lt. Chuck Simpson, Lt. Kelly Wilkinson, Lt. Dave Wolf,

Why is he fighting me? I'm not the kind of girl who usually throws herself at men, but I would give anything if I could win him over.

How can I get my foot in the door? DIGS HIM DEAR DIGS: First get your foot out of your mouth. I fear you've already turned him off with your aggressiveness. Cool it, if there is to be any next move, he will have to make it. But don't be disappointed if he doesn't.

DEAR ABBY: Our next door neighbors are lovely people. They are both in their early sixties. Well, "Mister" loves to smoke cigars, and "Mrs." will not let him smoke cigars in the house, so he goes out in the backyard and smokes up a blue storm every evening after supper. Their backyard joins ours.

We have a picnic table in our backyard, and enjoy eating outside, but the fumes from his cigar drift to our dining area and spoil my appetite. (We live in Iowa, and there's not much of a breeze here.)

They are such nice neighbors, always giving us flowers and vegetables from their garden. Should we say anything? Or just eat indoors I can't take that cigar smoke.

NEIGHBORS DEAR NEIGHBORS: Try diverting the cigar pollution with an electric fan. I am no smoke-lover, but any man who enjoys his cigar so much he lets his wife chase him out of the house to smoke it needs sympathy and a little compassion.

## FOCUS ON FAMILY LIVING Freeze Vegetables Now For Later Use

By SHERRY MULLIN  
County HD Agent

Have good, fresh-tasting vegetables next winter — by freezing them now. Almost any vegetable can be frozen, from asparagus to zucchini — and it doesn't take much time or a lot of equipment. All you really need is a big kettle of hot water for blanching, a wire basket, cold water for cooling and packaging containers.

Despite the simplicity, some people have problems with frozen food being of poor quality. To resolve this, there are four simple steps essential to excellent quality.

First, use young and tender vegetables. Then freeze them immediately. Leaving them in the garden even a day too long can mean the difference between tough and tender condition next winter.

BLANCHING After washing and preparing the vegetables, comes blanching — the most important step. This brief plunge into boiling water is the big secret to successful home freezing. Its whole purpose is to stop the action of enzymes. Needed for the living plants'

growth, these enzymes continue to work — even in the freezer — unless stopped by blanching. Their action results in off-flavor, toughness and mushiness and off-colors.

Fortunately, blanching is easy. All that's needed is a gallon of rapidly boiling water in a kettle, about a quart of vegetables and a wire basket. Put the vegetables in the wire basket and plunge them into the boiling water. Cover the kettle and start timing immediately. Exact timing is important. Too much or too little will hamper the quality. For recommended times on each vegetable, consult a cookbook or freezing manual.

The third key to successful freezing is quick cooling. A pan of ice water or even cold running water will do the job. It generally takes about as long or longer to cool as it does to blanch.

PACKING Next, drain the vegetables and pack in airtight containers. Milk, ice cream or cottage cheese cartons can be used only if the vegetables are first sealed in plastic freezer bags.

### Sew Fair Scheduled Thursday

Current fashions and sewing trends will be discussed and demonstrated Thursday at a "Sew Fair" from 9 a.m. to 5 p.m. at the Howard County Fair Barns. The public is invited to attend and there will be no charge.

Demonstrations will be given at 30 to 45 minute intervals by representatives from major home sewing industries. People may attend for any part of the program, which is being sponsored by the Agricultural Extension Service of Texas A&M University.

### Gardeners Plan Sale

A planning session for Rosebud Garden Club was held Thursday in the home of Mrs. Clyde Thomas, 400 Washington. Future club activities were discussed.

Mrs. J. W. Kuykendall presided, and members displayed projects they are completing for a Christmas sale scheduled in November in Highland Center Mall. Proceeds will be used for civic beautification and garden therapy projects.

The women agreed to assist at the Howard County Fair, Sept. 17-22. Entries in the flower show will be registered by Mrs. Thomas and Mrs. Odell Womack.

Mrs. Womack encouraged members to bring guests to the next meeting which will be a breakfast, Sept. 11 in her home at 1601 Tucson.

### Public May See Film On Violets

The public is invited to attend and view the film, "Fresh From Frisco," at 7:30 p.m., Thursday in the Pioneer Gas Flame Room. The film, being sponsored by Texas Star African Violet Club, will show new varieties of African Violets from all over the United States.

Mrs. A. C. Moore will narrate the presentation and act as hostess, assisted by Mrs. J. O. Murphy, Mrs. Paul Guy and Mrs. B. H. Montgomery. There will be no admittance charge.

### Three Women Are Honorees

Three women were honored at a baby shower Wednesday evening in the home of Mrs. Terry Allen, 70-Ent. Honorees were Mrs. Kelly Wilkinson, Mrs. Jim Heskitt and Mrs. Michael Irwin. Guests were members of the Church of Jesus Christ of Latter Day Saints. Serving as hostesses were Mrs. Terry Allen, Mrs. Bruce Baltich and Mrs. Joseph Mower.

## To Be Guest At Luncheon

Mrs. Robert McArthur of San Antonio, president of the Texas Federation of Republican Women, will be guest of honor at a luncheon at twelve o'clock noon, Thursday in the home of Mrs. Walter Wheat, 901 Mountain Park.

Mrs. McArthur was elected TFRW president in 1973. In addition she is a member of the area Advisory Committee for the Constitution Revision Commission. She has served in numerous political offices and committees, including chairman of arrangements for a conference with Mrs. Richard Nixon at the HemisFair in 1969.

Political activities for Mrs. McArthur began in 1964 when she was elected precinct chairman in San Antonio. In 1969 she was selected as one of "ten outstanding Republican women in Texas." She has served as treasurer and first vice president of TFRW. She was a volunteer director for the Committee to Re-Elect the President and was an alternate delegate-at-large to the Republican National Convention in 1972.

Other interests of Mrs. McArthur include fishing, gardening and tennis. She holds memberships in the San Antonio Garden Center, Inc.; San Antonio Council of Presidents; Art League and Beautify San Antonio Association.

Mrs. McArthur and her husband, owner of McArthur Diamond Instrument Company, have four children.

MRS. R. MCARTHUR holds memberships in the San Antonio Garden Center, Inc.; San Antonio Council of Presidents; Art League and Beautify San Antonio Association.

### Memorial Slated For Hospital

A memorial cabinet to display citations of Congressional Medal of Honor winners in the Howard County area will be placed in the foyer of Veterans Administration Hospital, according to plans made by World War I Barracks 1474 and its Ladies Auxiliary.

Members of the barracks and auxiliary agreed at a luncheon meeting Saturday in the IOOF Hall to donate the trophy and memorial cabinet to the hospital. It will include names and citations of area veterans of World Wars I and II, Korea and Vietnam.

Also at the meeting, Leighton Mundt, barracks commander, Mrs. Mundt, Mr. and Mrs. G. L. Monroney and Mrs. Allen Hull, auxiliary president, reported on a recent barracks meeting held in Lubbock.

Guests and members for Saturday's luncheon registered at a lace-covered table which was centered with a red and green floral arrangement. The next meeting will be Oct. 13 at the IOOF Hall.

Tips for using electricity efficiently:

## Use oven heat for all its worth.

There's many a time when you can make your oven do double duty. When you plan to use it to cook meat or a dessert, you can make more efficient use of the heat by cooking an entire meal in the oven.

Simply choose foods that cook at the same temperature. One good example would be a meatloaf, baked potatoes, frozen peas or broccoli in a covered casserole, and a fruit

cobbler. There! You'll have cooked a well-balanced meal without once having used a surface unit. And our home economists can suggest others.

Here are some other efficiency tips you may find helpful. Reduce the cooking time for frozen meats by thawing them properly. For best baking results, pre-heat your oven just long enough to obtain the necessary cooking temperature. For broiling or

roasting, do not pre-heat, but start with a cold oven.

If there's a delay in serving the meal after it's cooked, a temperature setting of 150 degrees will keep food warm without cooking it further.

It's our job at Texas Electric to help you get the most value from your electric service. Call us when you have questions about cooking or any other use of electricity.

# Swing Her Weight

Jean Adams  
TEEN FORUM

**THIRD GIRL:** (Q) I have been going out with Sue and Marie and not having any trouble. This summer I have also dated Cindy twice. Now she wants me to drop Sue and Marie and go out just with her. Cindy is a nice kid but I don't think I like her that much. What do you think I should do? — Crowded in Maine.

(A.) Ask yourself two questions: 1. Does Cindy want you to drop Sue and Marie because she really likes you a lot, or does she just want to swing her weight around? Some girls want to and it seems to me that Cindy is moving quite fast.

2. Do you like Cindy enough to give up the two other girls to get her? Your letter indicates you don't. I think the sensible thing is to tell Cindy you like her, but not on an exclusive basis. That would leave it up to her to decide whether she is willing to share you with the other girls or not.

## Cub Program Is Slated

Boys who want to have a part of the adventure of being a Cub Scout are urged to attend meetings in the various schools here Tuesday evening.

They will have the program explained, and an opportunity to sign up on the spot for taking part in a Cub pack and den.

There will be a short, informal program at each school, followed by assigning of boys to a Cub pack of their choice. Boys will go to the schools they attend.

To be a Cub, boys must be eight years old (third grade), but those in the fourth and fifth grades are urged to come, too, if they are not 11 years old, the age for being a Scout.

Parents should come with their sons at 7:30 p.m. Tuesday to the following schools: Airport, Boydston, Cedar Crest, College Heights, Kentwood, Lakeview, Marcy, Moss, Parkhill and Washington Place.

Other Big Spring and surrounding schools will have a Cub night on individual bases as soon as possible, said Guy Griffith, Scout executive.

The Lone Star district now has 18 Cub Scout packs serving 347 boys. The object of school night is to provide the opportunity for many more boys to have the fun of Cubbing.

Leaders in the school night effort will meet this Thursday 7:30 p.m. for a briefing on the sign-up program, the executive added.

### DESERTED: (Q)

Rosemary has broken up with me. She is going out with a man who is 20 and who drinks and smokes pot. She is 16. I am too.

I told her he was too old for her. She told me she likes him better than me.

What I need is some advice from you on how to make her understand that doing this junk could get her in very bad trouble. Don't you agree? I want her back. I love her very much, so please help me. — Lonesome in Louisiana.

(A.) I agree with you that Rosemary could get into trouble. But arguing with her about her new friend is only likely to push her close to him. Be kind to her and considerate of her as you have been in the past. Be cheerful when you see her. Do not pressure her to come back to you. She may do that, but I would not count on it.

# For What It's Worth

Jack Cowan

Coach Bob Burris and his staff had a look at Lubbock Monterey's Plainsmen in scrimmage action Friday, but the Plainsmen didn't show much — just the opposite of what seemed to be Burris' strategy a night earlier.

Burris could have been trying to throw a scare into the Monterey viewers as his team passed on 75 per cent of the plays against Sweetwater, using little bitty passes and great, big 'bombs' and everything in between. Monterey, on the other hand, stayed in the very dull slot-1 formation the entire time against Amarillo, something they won't be doing this Friday when they open the 1973 season in Memorial Stadium.

It was difficult to determine who won the scrimmage, since drives stayed alive even if first downs weren't produced, but Burris said he was impressed with the Plainsmen, mainly because of their tremendous depth. The 27 returning lettermen from last year's 10-1 team were the main reason Monterey has been pegged to finish in the Top Ten this year.

There's another big difference. Big Spring has only eight lettermen back from a not-so-impressive 1-9 team. Somehow, though it's not nearly as discouraging as it sounds, Burris, for one, refuses to be shaken. "We've got a lot of confidence. We looked at the films of our scrimmage with Sweetwater and saw a lot of bright spots. It's a good lesson for us. It helps to have something like this for the kids to study," the coach said.

It's probably a bit too early to be talking about Hobbs, the Steers' next week opponent, but I've got this information that just can't wait.

Hobbs, you see, has what is called a TNT defense — it stands for tackle-nose guard-tackle. I don't think they play together all the time, but during at least part of their scrimmage with Permian last Friday the Eagles had one player 282 pounds, another at 294 and the other tackle 258 across the front wall. And here's the kicker — not one is over 5-8.

You get the idea their pass rush might be on the negative side with those three in.

Permian outscored Hobbs eight touchdowns to none, despite the performance of Eagle halfback Matt Savage, a returning all-stater touted as one of the best backs in New Mexico. Once, he broke loose for 40 yards against the Panthers. Fullback Hart Hornback (40) and halfback Latrial Jones, a pint-sized sprinter, were other good lookers in the Eagle lineup. On the line, the main man appears to be 204-pound tackle Steve Dilworth.

# Morgan Claims BSCC Crown

L. V. Morgan won the Big Spring Country Club Labor Day Golf Championship Monday with a tense one-up victory over Weldon Bryant in a 23-hole match.

Championship Flight consolation honors went to Jack Cook, who scored a two-and-one triumph over Bill McLendon, while O. S. Womack claimed the First Flight prize by stopping Roy Hughes three up with two holes to play. In the consolation action, J. R. Farmer defeated Tom South 3-2.

Paul Meek stopped George McAlister 2-1 to win the second flight, and A. W. Rees eliminated Howard Carlton 3-2 for the consolation trophy.

In the Seniors Flight, E. L. Powell scored a runaway victory with a three-day total of 219, 14 shots ahead of Alton Underwood. Third place went to

Jasper Atkins, who had a 234, while Charles Sweeney and George Grimes were next with 238.

Rounding out the flight were Owen Gee, 240; Bud Pickett, 241; Robert Stripling, 241; Bill McRee, 243; Lowell Jones, 247; and Tommy Jordan, 253.

Virgie Rees, the medalist with a first day score of 86, won the Ladies Championship Flight with a scratch total of 251. Bernice Jordan had a handicap score of 218 for the First Flight prize, and Peggy Marshall shot a 227 for second.

In the Second Flight, Jane Jones won with a 222, nine strokes better than runner-up Mavis Jones. Rosemary Mathews had a 107 tally to win the Nine-Hole flight, with Helen Terry second at 114.

Also during the Labor Day activities Paul Meek and Sam Honeycutt won the domino championship over John Taylor and Landon Birchell, and Taylor was the gin champ, defeating Jackie Thomas in the finals.

Miss Haynie, basking in the glory of her second victory on the women's tour this season, said Sunday her aunt had predicted a miracle win for her on the hometown course.

"After my aunt told me that, I knew that if it was to be there, there was no way I could fail to win. I didn't make a scared shot all day," she said.

No one was arguing, as Miss Haynie led all the way in the tournament and finished five strokes ahead of four other golfers. She had rounds of 68, 71 and 69.

"It's always great to win before the home folks," said the Fort Worth native, "but when you think about going out there and beating all those other girls before your friends, it is especially great."

However, because of continuing problems with her wrists, Miss Haynie says she will undergo surgery in six weeks on her wrist tendons.

# King's Defeat Dulls Match With Riggs

FOREST HILLS N.Y. (AP) — The abdication of Billie Jean King as queen of the U.S. Open has taken some of the luster off the \$100,000 jewel scheduled later this month in Houston.

The mastermind of sports spectaculars, Jerry Perrenchio, and ABC-TV just assumed that Bobby Riggs' biggest hustle ever would be not the Wimbledon winner, but also the U.S. Open champion.

But it won't be that way. The world's premier woman tennis player succumbed to the flu fatigue and furnace-like weather and defaulted her fourth-round match to Julie Heldman after the fifth game of the third set Monday.

Miss Heldman had mixed emotions about the triumph. "It made me feel darn good," said Julie "but I'd like to beat her when she's fit."

"She has only one more tournament before she meets Bobby and I'm slightly saddened that she didn't go on and win this in great style."

But Miss Heldman who has beaten Mrs. King only twice before, is the one who applied the legal wrench that ended a possible victory for Billie Jean.

After Mrs. King took the first set with seeming ease and was leading 4-1 in the second, she began to falter. Miss Heldman reeled off six straight games and took nine of the last 10.

Down 4-1 in the third set Mrs. King seemed immobilized and failed to take to the court after a 60-second break.

Miss Heldman approached the umpire. "Is the minute up?" she asked referring to international rules that permit no more rest in changing courts. "It's more than up" the umpire replied.

Julie then turned to her opponent and said: "We must continue or stop the match."

"Okay" replied the wilted Billie Jean "if you want it that much you can have it."

Then she took the few steps from the clubhouse court to the dressing room and it was over.

The drama in the women's events overshadowed the first clashes of seeded players in the men's fourth round.

Ken Rosewall, the 38-year-old Australian who won the men's crown here in 1962 and 1969 and is seeded No. 5, beat 16th-seeded Cliff Richey of San Angelo, 6-3, 6-4, 6-3.

Jimmy Connors, the 21-year-old star from Belleville Ill. ousted Dutchman Tom Okker, seeded No. 7, 6-3, 6-2, 6-4.

John Newcombe, another Aussie who is seeded 10th, defeated Andre Pattison of Rhodesia 6-7, 7-5, 6-4.

DOUBLE TROUBLE—Doing battle against temperatures in the 90s and Jeanne Evert, Evonne Goolagong of Australia is shown in a double-exposure photograph taken during the U.S. Open Tennis Championships Monday at Forest Hills. Goolagong defeated Evert, the 15-year-old sister of Chris Evert, 6-2, 6-1.

# Hodnett Nabs Cycle Victory

More than 100 riders helped Big Spring open its fall racing season Sunday at the Hi-Noon Optimist Club track, and most of the first place honors left town with the visitors.

Big Spring's Craig Hodnett, a first place winner in the 100cc Senior Class, was the only local rider to capture a top prize. Dune buggy racing also helped highlight the two-day show, as the Mesquite Dune Buggy Club performed and also had races.

Two participants, Scott Boughan of Odessa and Buck Pringle of the dune buggy club, suffered broken legs in the action. Boughan went on to finish his race and came in third in the 125cc class.

Danny Weir of Big Spring managed a pair of high finishes, taking second behind Greg Schoenen of El Paso in the 250cc Senior run and finishing third in the Open Senior division, won by Pete Tanner of Carlsbad, N.M.

Tanner was the only double winner Sunday, as he also took the 125cc Senior competition, finishing ahead of Big Spring's David Guinn and Rodney Ferrell.

# Quarterback Club To Meet Tonight

The Big Spring Quarterback Club will hold its first meeting tonight at 7:30 p.m. in the high school cafeteria.

Films of last week's scrimmage with Sweetwater will be shown and narrated by head coach Bob Burris, who will also give a report on Friday's Quarterback Club membership.

Quarterback Club members will be on sale at the meeting.

# May Explodes As White Sox Sweep Twinbill From Texas

CHICAGO (AP) — Carlos May drove in five runs, including the winning tally in the 11th inning, as the Chicago White Sox edged the Texas Rangers 8-7 in the first game of a Labor Day doubleheader.

The Sox also won the second game 5-2. The twin triumphs, their eighth and ninth in the last 10 games, secured third place for the Sox in the American League West.

May, who stole the show throughout the opener, hit a three-run homer in the seventh inning which pulled the Sox into a 6-6 tie. He tied the score again in the ninth with a single after two were out. In the 11th he smashed a double that scored Tony Muser with the winning run.

Cy Acosta won the opener in relief, boosting his record to 8-6.

# NABS ALL-AMERICAN PRIZE Timeto Thinkrich Romps

RUIDOSO DOWNS N.M. — Timeto Thinkrich owned by the Vessels' Stallion Farm of Los Alamitos Calif. blazed to a half-length victory in Monday's 15th running of the All-American Futurity.

The colt got away quickly in the early steps of the 440-yard dash, steadily opened his advantage, then pulled ahead in the final dash to the wire. John Watson was in the saddle.

Timeto Thinkrich covered the distance in 21.58 and picked up a paycheck of \$330,000.

It was a big afternoon for Frank Vessels, maestro of the Vessels Stallion Farm, but it was just as big a day for

nailed down fourth and collected \$45,000.

Azure Teen picked as a 7-2 shot under Luke Myles, appeared to be unleashing a big run in the early steps but the fully suddenly took a croaker course, apparently brushing against the rail. The zig-zag dropped her out of contention.

Flaming Jet mustered a late bid on the outside and picked up plenty of steam in the second half of the race. But the belated rush in no way threatened the winner. Coca's Kid, the 3-2 favorite also got rolling late in the race.

Timeto Thinkrich kept pouring on the power and was still full of run and clearly in command when he reached the finish.

Here's how the rest of the field got under the wire: fifth, Mr. Hay Bug, earning \$36,000; sixth, Azure Teen, \$34,000; seventh, Dancer's Queen \$32,000; eighth, Calcutta Deck, \$31,000; ninth, Gotta Go Too, \$29,000; tenth, Go Benny Go, \$27,000.

# Aaron Adds 2 More To Home Run Tally

By The Associated Press

It was Labor Day and Hank Aaron worked over the San Diego Padres. Aaron walked two homers... No. 707 and No. 708 in his pursuit of Babe Ruth's all-time baseball career record of 714. He is six away from Ruth's mark and the Braves have 29 games to play, meaning it will be an awfully interesting September for Atlanta.

The two homers, by Aaron and three others by Marty Perez, Paul Casanova and Darrell Evans helped the Braves to a 7-3 decision over San Diego, to tally meaningless for two teams stuck at the bottom of the National League's West Division.

In more important action at the top of the division, Cincinnati moved into a tie for first place with Los Angeles by overtaking Houston 4-3 while the Dodgers blew a seven-run lead and lost 11-8 to the San Francisco Giants.

Elsewhere in the NL, St. Louis maintained its one-game lead over Pittsburgh in the East Division, splitting a doubleheader with the Pirates. The Cardinals dropped the first game 5-4 in 13 innings but bounced back to take the nightcap, 8-3. In other games, Montreal defeated Chicago 5-2 and New York split a doubleheader with Philadelphia, winning 5-0 before losing 6-3.

Can Aaron make it to 714 this year? Well, in Atlanta's last 17 games, the 39-year-old slugger has hit seven homers and driven in 21 runs, an amazing pace that would carry him past Ruth this month if he can maintain it. But, of course, he must play and that could be a problem.

"I probably won't play more than half of our remaining games," said Aaron. "It's possible, it can happen. But I'm not going to play that much more this season. No day games and I'll probably lay off some of the night games."

Atlanta has five day games and 17 night games remaining this season. Reds 4, Astros 3. Rookie Ken Griffey delivered a pinch single, driving in his first two runs in the major leagues and lifting Cincinnati to its come-from-behind victory over Houston. The decision left the Reds in a tie with LA for the NL West lead.

Giants 11, Dodgers 8. Bobby Bonds smashed a

Table with columns for Cincinnati and Houston players and their statistics (at bats, runs, hits, errors, RBIs).

Then St. Louis regained the top spot by copping the second game, 8-3 as Bernie Carbo, Ted Sizemore and Lou Brock drove in two runs apiece.

Steve Renko drove in two runs with a double and blanked Chicago for eight innings, pitching and batting Montreal to a 5-2 decision over the Cubs.

Mets 5-3, Phillies 0-6. Jerry Kosman tossed a seven-inning shutout and Ted Martinez ripped four nits including a homer to drive in four runs as the New York Mets defeated Philadelphia 5-0 in the first game of a doubleheader.

Aaron hit his 34th and 35th home runs of the season driving in three runs in Atlanta's 7-3 victory Monday over the San Diego Padres. He grounded out in the first inning, homered with a man on base in the third, homered again in the fifth and struck out in the seventh before leaving the game.

# Casper Forgotten In Win

WETHERSFIELD, Conn. (AP) — There was something of a wistful, half-joking, half-aching quality in Billy Casper's voice as he surveyed the vast throng of some 30,000 around the 18th green.

"I just wish," said golf's quiet man, "there were a few more of Billy's Buffaloes around."

Casper—as usual—was virtually ignored until the final few holes when he emerged as the winner of the \$40,000 first prize Monday in the Hartmy Davis Jr.-Greater Hartford Open.

But, as has been the case through his entire career, the cheers and accolades were reserved for others.

Arnold Palmer received a standing ovation, a cheering, foot-stomping tribute as he came to the 18th—already out of contention. The crowd roared and laughed, shouted and whooped when Lee Trevino—also out of it—birdied the final hole and threw his cap to the gallery.

Casper had played in a three-way tie with Palmer and Trevino in Sunday's third round and had been completely ignored in the milling press of Arnie's Army and Lee's Pleas. But when it was over, it was only one stroke over skinny Australian Bruce Devlin.

# Experts Say Grain Prices Will Continue To Increase

By The Associated Press

A record world grain harvest is predicted this year. But experts say grain prices will continue to rise because of soaring demand.

A record world grain harvest is predicted this year. But experts say grain prices will continue to rise because of soaring demand.

The results will be seen in the prices on the bread and cookie shelves in your neighborhood supermarket. The hamburger, steaks and roasts in the meat chiller are likely to stay high also, because grains feed the animals that produce the meat.

The paradox of record production at the same time as escalating prices—and a drop in world grain stocks—is due to a "strong, unabated world demand" for wheat, the International Wheat Council reports.

The U.N. Food and Agriculture Organization warns that import demands can be expected to go still higher in coming years.

In an effort to do something about the situation, the organization has called an urgent meeting in Rome on Sept. 20 for representatives of the world's major wheat exporting nations.

Unless exportable stocks are increased, the organization says, the world's developing countries will be particularly hard hit. These comparatively poor countries, with an insatiable demand for grain to build up food and feeding stocks, account for about 50 percent of world wheat imports.

Escalating costs, which the wheat council calls unprecedented, could seriously disrupt the economies of the developing nations and put a pinch on pocketbooks in the rest of the world.

## Reservations Are Honored By TIA

HOUSTON — When is an airline reservation really a reservation? When the reservation is made with Texas International Airlines, according to recently released data from the Civil Aeronautics Board in Washington.

Texas International posted the lowest space denial rate of all the regional or local service airlines for 1972 by honoring 9,997.3 of every 10,000 reservations made by passengers. Results represented a 46 percent decrease in the carrier's 1971 space denial rates, which were 5.0 per 10,000 enplanements.

Among all large airlines serving the U.S. mainland, TIA ranks second only to Eastern, which denied space to 0.8 passengers per 10,000 boarded in 1972.

Over-all U.S. airline industry average climbed in 1972 to 5.4 denials per 10,000 passengers, up slightly from 1971 level of 5.3.

# WAR, SPENDING Congress To Renew Battle With Nixon

WASHINGTON (AP) — Congress returns from a month-long summer recess Wednesday to begin its hectic year-end legislative push and renew its battle with President Nixon over war and spending.

Between now and Christmas it hopes to put out major war powers, spending and pension protection bills and get at least House approval of the foreign trade bill.

The Senate Watergate hearings are expected to resume in two weeks. Hearings on the confirmation of Dr. Henry A. Kissinger as secretary of state begin Friday.

### ONE-TIME GOAL

Democratic leaders' one-time goal of adjourning the 93rd Congress' first session by Oct. 15 is almost certain to be abandoned, with the battle between the President and Congress expected to contribute to the delay. Nixon has indicated he will veto a \$2 minimum wage bill and measures to curb the president's war making and money impoundment powers.

Congress passed the minimum \$2-an-hour wage bill before the recess, but deliberately withheld it to prevent Nixon from pocket vetoing the meas-

ure while the legislators were recessed.

The bill to curb the president's war making and money withholding powers are in the final stages of congressional approval.

Both bills have passed both the House and Senate in different forms. House-Senate conferees must work out compromises for final approval.

The Senate war powers bill would limit the president's power to commit U.S. combat troops abroad without Congress' approval to 30 days. The House bill would limit it to 120 days.

The bills on withholding money are aimed at Nixon's refusal to spend some \$8 billion appropriated by Congress. Nixon asserts the spending would be inflationary.

The House bill would give Congress 60 days to veto a president's refusal to spend congressionally approved funds. The Senate bill would require the president to spend the money unless Congress voted within 60 days to approve the chief executive's decision.

Opening lead: King of ♦  
While a little learning might be a dangerous thing, finding out as much as possible about the opponents' holdings can only benefit declarer.

Hands containing four spades and five hearts are notoriously difficult to bid. The general practice is to bid the four-card spade suit first—providing it is a good suit. Here, South's spade suit is not biddable, so his choice of one heart is endorsed by this department. Unless North could introduce the spade suit, it was unlikely that a spade contract would be missed.

North's raise to four hearts had a dual purpose. Because of his fine distribution, there was a chance

that the contract might be made if South's hand fitted well. In addition, the bid had preemptive value, and might shut out a possible opposing spade contract.

The defenders started off with three rounds of diamonds, declarer ruffing the third round with the nine. As a spade trick had to be lost, the success of the contract depended on South losing no trick in the trump suit. With ten cards missing the king, the percentage play is to finesse.

However, before committing himself to a position in the trump suit, declarer decided to find out who had the ace of spades. Accordingly, at trick four he led the king of spades from his hand! West won the ace and exited with a club, taken by declarer's ace.

West had now shown up with the ace-king of diamonds and the ace of spades. As he had passed in first seat, it was impossible that he could also hold the king of hearts. With that card as well, he would have 14 prime high-card points and would surely have opened the bidding.

Declarer's discovery play in spades had revealed that the percentage play in trumps was bound to fail. So he led the queen of hearts and went up with dummy's ace—and the king obligingly came crashing down. Exemplary technique had earned a vulnerable game.

## Enrollment Mark Could Be Set

ODESSA — Enrollment at Odessa College likely will set a record this year, college officials say.

A total of 2,650 have paid registration fees, compared to 2,250 registered at the same time a year ago.

Officials are expecting enrollment to top last year's top mark of 3,008 and could pass 3,300. Registration will continue through Sept. 10.

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.
