

FRIONA FLASHBACKS

....from the files of The Friona Star

50 YEARS AGO--JUNE 26, 1931

According to grain dealers and implement men familiar with the situation, indications are that Parmer County rail points will handle not less than 2,000,000 bushels of wheat this year, with Friona getting 1,000,000 bushels of the total. Aided by almost ideal weather conditions and the fact that the county has a larger wheat acreage this year, the prediction should come true.

45 YEARS AGO--JUNE 26, 1936

The Friona Cardinals were again victorious in the game with the Clovis team last Sunday at Clovis, by a score of 7-5.

Charley Bainum, who for several years past has been identified with the C.H. Fallwell Garage on Main Street, has severed his connections with that business and has opened a garage on his own account in the Hicks Building south of the railroad.

40 YEARS AGO--JUNE 27, 1941

The twenty charter members of the Friona Lions Club celebrated their Charter Night last Tuesday night in the Friona Woman's Club House, with a large attendance of Lions from clubs around the territory.

The Friona territory is still being

afflicted with a little too much rain all at one time, although there were a few days last week on which it did not rain during either day or night.

35 YEARS AGO--JUNE 21, 1946

In the election held here last Tuesday, to determine whether or not the people of Friona are in favor of bonding the city in a sufficient amount to give the city an ample and adequate sewer system, the bond issue carried by a good margin. Out of 121 votes cast, 113 were in favor, only four against, and four ballots were mutilated.

Floyd Brookfield, who recently received his discharge from the Navy, has moved to Dimmitt with his wife, where he is employed with the Ford agency.

30 YEARS AGO--JUNE 21, 1951

That's right, it was an earth tremor! Residents of the Friona area experienced a definite earthquake Wednesday at 12:36 o'clock noon, when the vibrations were sufficient during their five-second duration to attract the attention of most everyone. Evidentially, persons sitting at the time were more acutely aware of the disturbance, as some reported violent rocking of their chairs. A mild

rumble preceded the quaking.

25 YEARS AGO--JUNE 21, 1956

Friona Wheat Growers has received a check in the amount of \$290,944.55 from Commodity Credit Corporation, representing payment on storage and handling 90 million pounds of milo in the Cooperative's elevator last year. It was the biggest check in the firm's history.

20 YEARS AGO--JUNE 22, 1961

"It was just what we had ordered," was the way one farmer described last week's rain, which was the first general moisture the area had received in about three months. Coming on the eve of what is expected to be a great wheat harvest, the slow, steady rain measured 3.5 inches and lasted throughout the night last Wednesday.

15 YEARS AGO--JUNE 23, 1966

The State Highway Department has lifted the "Farm to Market" status from Highway 214, thereby making it eligible for state planning and assistance on improvements for the road.

10 YEARS AGO--JUNE 24, 1971

Six Friona youngsters left this week for Haiti and Jamaica, where they will be part of a ten-day mission work tour. Cindy Barnett, Terri Bingham, Carl Evans, Carolyn Murphree, Ginger Murphree and Esther Smith left Friona early Monday morning and boarded a plane in Amarillo bound for Miami, Florida. All of the local youngsters will be students at Friona High School this fall, with the exception of Ginger Murphree and Esther Smith, who received their degrees this year.

5 YEARS AGO--JUNE 20, 1976

The Friona Star was notified this week that it is one of the prize winners in the Texas Press Association's 1976 Newspaper Contest. Bill and Juanita Davis, who are walking cross-country in celebration of the American Bicentennial, stopped in Friona Saturday, before continuing east on U.S. Highway 60.

Exciting Games Featured In Little League Action

Credit Union lost their undefeated status in the T-Ball League during the past week. Hub Grain, which had just broken the goose-egg in the "win" column the week before, turned the trick, with a 35-20 win.

Hub Grain was hitting well. They batted around in each of their five innings. Mike Mata and Ricky Izaguirre each had five hits and five runs. Bryce McMurtrey socked three home runs for the winners.

On Monday, June 15, Credit Union almost lost their second game in a row, but scored nine runs in the fifth inning to edge Tasty Cream, 28-24. Tasty Cream had a big opening inning, as they held Credit Union

from scoring any runs while upping their score to 5-0.

James Pitts hit the first home run of the game for Credit Union. Ismael Rocka, for Tasty Cream, hit the second home run of the game. The last home run hitter of the game was James Perez for Credit Union in the fourth inning.

Others who did well in the game were Michael Aguirre and Bryan Campbell of Tasty Cream who had five hits and five runs.

On Tuesday, June 16, Thriftway scored a strong 31-12 win over Hub Grain. Both teams played well; it was just a matter of strategic defense.

Wes Drake of Thriftway was the Hank Aaron of the game, hitting four home runs out of five chances. Incidentally, Wes has a batting average of .8571 for the year. Wade Carson of Thriftway also acquired five runs in the game.

At the end of another week of exciting T-Ball League action, the league standings are as follows: Credit Union 7-1, Thriftway 5-2, Tasty Cream 2-6, Hub Grain 2-7.

In the Minor League, the B-J Bees confronted Hi-Pro for the second time in the season. The game proved to be more in favor of the Bees as they won the game 25-9.

The outcome of the game was based on walks and strike-outs, however, Ernie Crutchfield hit a triple in the second inning to bat in three runs for the B-J Bees.

On Monday, June 15, Ethridge-Spring added another win to their undefeated record when they beat Parmer County Implement 21-8. Cory Cunningham hit a home run as well as a double for Ethridge-Spring to account for part of their score.

Friona Ford and Hi-Pro were next in line to battle it out on Tuesday, June 16. Friona Ford won the game 35-8.

Jeff Stowers of Hi-Pro and Andre Duran of Friona Ford both hit home runs in the first inning of play. Robert Sandoval acquired two doubles for Friona Ford.

League standings: Ethridge-Spring 6-0; Friona Ford 6-1; B-J Bees 4-3; Hi-Pro 1-7; Parmer County Implement 1-7.

In the Major League, Reeve Chevrolet-Olds edged Friona Feed Yard in a close game that ended when the rain began to pour. Unfortunately, Feed Yard was unable to finish their last time at bat. Reeve won the game, 6-4.

Michael Aragon and Peter Malouf hit two doubles apiece for Feed Yard. Friona State Bank beat Friona Star Friday, June 12, in a game that ended in a very close battle. The first few innings showed the Bank gaining a strong lead. In the last inning however, Friona Star made a run for it, and scored seven runs to fall one short of the Bank's score and lose the game 9-8.

Monday, June 15, Reeve Chevrolet battled Friona Star to win another game. Inning after inning Reeve Chevy kept pulling ahead to beat the Star, 15-3.

Both Kevin Frye and George Richardson had a triple and a single to help Reeve's score. Friona Feed Yard was then matched up against Friona State Bank. Friona Feed Yard won the game, 15-5. Infield strategy and batting ability can be credited to the Feed Yard's win against the Bank.

Eddie Raymond hit a single, a double, and a triple to help FFY's score. Michael Aragon hit three singles to help the cause. For the State Bank, Patches Fleming hit three singles and Shy Burney had a single and a triple.

League standings: Reeve Chevrolet-Olds 7-1; Friona State Bank 6-2; Friona Feed Yard 3-5; Friona Star 0-8.

In the Senior League, Black Grain won the battle against Benger Air Park, 9-6. Michael Granado pitched the five innings for Black Grain. Alfredo Mata pitched for Benger. The game was fairly close until the last inning of play when Black Grain scored six runs to obtain a strong lead.

Friday, June 12, Benger handed Cattle Town its first loss, 5-2. Unfortunately, Cattle Town only had eight players. They decided to go ahead and play the game with one missing only if when it came time for the ninth batter to bat, it was counted

as an automatic out.

Danny Perez pitched for Benger; Ricky Barnett pitched four innings for Cattle Town and Jeff Lundy pitched three.

Monday, June 15, Black Grain once again went up against Benger Air Park. Black Grain defeated Benger by the score of 12-9.

League Standings: Cattle Town 6-1; Black Grain 4-4; Benger Air Park 3-6.

Delta Kappa Members Attend State Meeting

Local members of the Delta Kappa Gamma Society International joined 1200 members from the 279 Texas Chapters in Fort Worth June 11-13. The occasion was the Fifty-Second Annual Alpha State Convention of the international Society for key women educators which was founded in Austin May 11, 1929.

Mrs. Mary Rowlette, state president, selected as the convention theme a quotation from Dolly Parton: "Tomorrow's waiting, let's journey there together. Take my hand and run with me out of the past of yesterday and walk with me into the future." Miss Jessie Sim, international Treasurer and Acting Executive Secretary, and a past state president of Alpha State served as the International representative.

While the convention took the form of a traditional old fashioned celebration, the site was the newly decorated and spectacularly modern Hyatt Regency (formerly the Texas) Hotel. Hostesses dressed in long calico skirts and bonnets and this motif was followed throughout the convention.

At the State Executive Board

meetings on Friday, President Rowlette proclaimed Friday, June 12 as Mother-Daughter Day and Fort Worth Mayor Woods proclaimed June 8 through 14 as Delta Kappa Gamma Week.

Issues discussed at the Critical Concerns Seminar included "Internationalizing the Society's Constitution," "Creative Self Management," "Personal Effectiveness," "Legislative Concerns," and "Personal Investing Techniques" and "Teacher Stress/Morale."

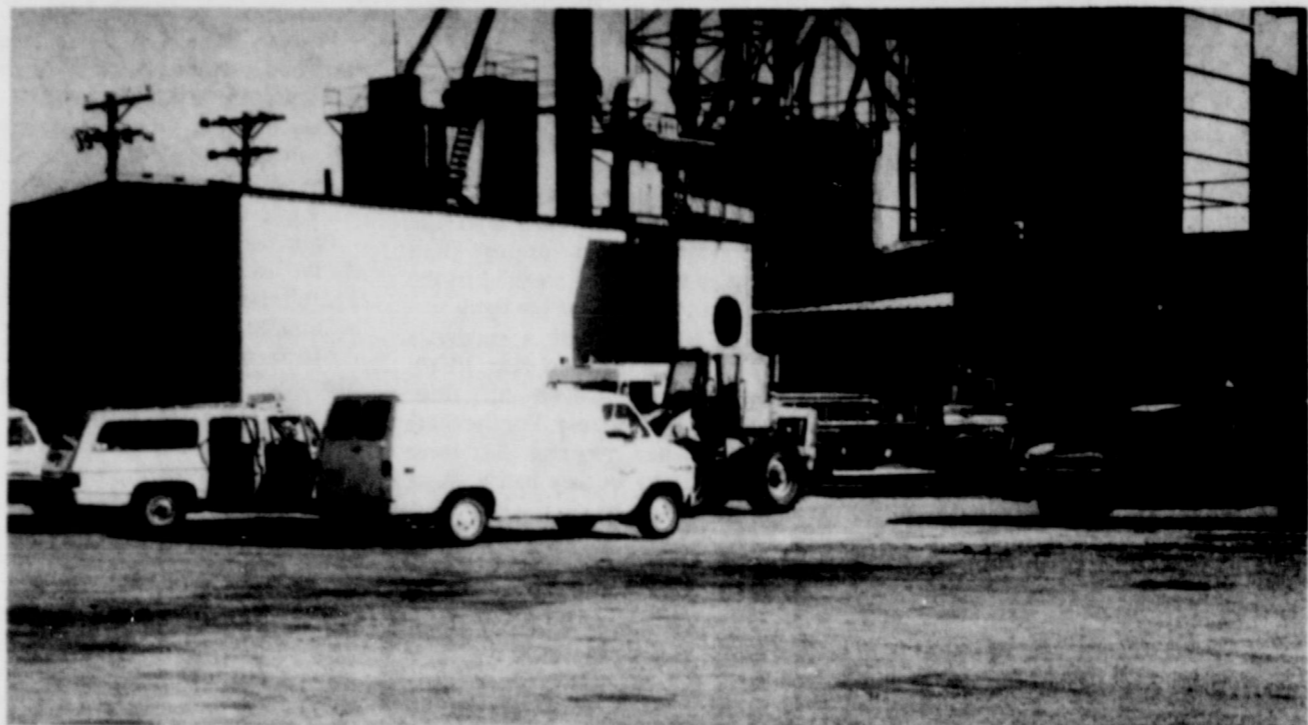

In a setting of candlelight and roses, Founders and Presidents were honored at a formal banquet on Saturday evening. President Mary Rowlette presided and Miss Jessie Sim, International representative from Austin was the featured speaker.

Local members participating in the anniversary celebration include Elizabeth Phillips and Lynn Roberts.

(Continued from Page 1)

Yet, Jones says, there remains in this country a peculiar guilt complex that surfaces every time new ways of controlling immigration are suggested. It springs from national tradition in which we had a big, empty country, with not only plenty of room for new farmers, miners, railroad builders and factory hands, but a solid economic need for them.

But, things have changed considerably since Emma Lazarus penned these words, mounted on the Statue of Liberty: "Give me your tired, your poor, Your huddled masses, yearning to breathe free."

The Tulsa columnist points out that if we feel guilty by curtailing immigration, we should consider other countries' policies. "Try to get Japanese citizenship. Israel accepts only Jews. Australia and New Zealand exclude Orientals. No African state welcomes migration, and Canada chooses without apology only those whom they feel will prove useful," he states.

Back in the 1800s, we may have had a need for all the warm bodies we could get--but times, and conditions have changed considerably.

NEW BUTCHER....Jack Ward has joined Thriftway Family Center as their butcher. As a native of Ohio, Ward has 25 years experience as a butcher.

GIVES ASSISTANCE....David Sifford holds an oxygen mask on one of the men rescued from a molasses pit at Friona Feed Yard Thursday.

DPS Slates Holiday Fete

The Texas Department of Public Safety will be conducting "Operation Motorcade" for this 1981 Fourth of July. The week-end death count will begin at 6 p.m. July 2 and end at midnight July 5.

Major C.W. Bell, Regional Commander of the Department of Public Safety, said, "During the 78-hour 'Operation Motorcade' period all available troopers will be on the highways. The troopers will be especially aware of drinking drivers and violators of the speed laws. All drivers should be aware of their condition and the condition of their vehicles. If you are planning a trip, you should know your routes and what exits you will need to take. Sudden movements or lane changes can cause accidents and might possibly cost you your life."

The Texas Department of Public Safety challenges each driver to drive defensively and help make this the safest holiday on record.

REC Employees Are Honored

Representing 137 years of driving Deaf Smith Electric Cooperative's vehicles without an accident, 19 employees were honored with a breakfast at the Thompson House Restaurant in Hereford.

Calvin Stevens of Lubbock, USF&G Insurance Co. representative, Bill Johnson and Bud Eades of Plains Insurance, Hereford, presented commemorative pins to the drivers.

Total miles driven on all the Cooperative's vehicles from April 1, 1980 to March 31, 1981 were 578,429 miles.

James Hull, Manager of Deaf Smith Electric Cooperative stated that safety is the number one concern of the Cooperative. Whenever employees are exposed to accident causing situations each day, it is important that safety practices be applied to transportation as well and the record of these drivers indicate this.

Boyd Collins, Line Superintendent, was cited for 20 years of safe driving and Tommie Weemes, Staking Engineer for 19 years without a driving accident. Others receiving awards included Steve Louder, Jimmy Holmes, Lee Jones, Dick Montgomery, Loran Nixon, Don Rieves, Greg Black, Steve Landers, Jerry Deckard, Ruben Flores, Mike Veazey, James Hull, Harold Finch, Dan Higgins, Paula Welty and Mike Bridges.

Smokers Can Kick Habit In Event

Smokers who want to kick the habit will have their chance next week. A special Five-Day Plan to stop smoking will be conducted here June 22-26, at 7:30 p.m. each evening at the Friona City Hall.

The plan consists of regular group therapy sessions, films, and a daily personal control program. The Five-Day Plan has successfully helped many people quit smoking during the past 26 years.

Conducting the program locally will be Ralph Harmon who works with the Texas Department of Health in Canyon. The program is sponsored by the Seventh-day Adventist Church as a community service. The Five-Day Plan aims to help improve the health of the community and to contribute to the national physical-fitness program.

Held successfully in cities all across the United States and Canada and in most countries of the world, the Five-Day Plan to Stop Smoking features such topics as the psychological and physiological aspects of the habit, how craving can be lessened, how willpower can be strengthened, physical effects of smoking, organizations of a buddy system and many other techniques designed to break the habit within a five-day period.

A feature will be the film "Countdown," depicting in full-color a lung cancer operation, to be shown June 22, 1981, the first evening of the program.

A registration fee of \$15.00 will be charged to cover the cost of materials used.

Prairie Acres Party Line

Several of our staff members have spent some time recently improving their skills in health care. Jo Blackwell and Madie Rolan went to Austin June 5 for a seminar, "Ethical Aspects of Care of The Elderly."

Then June 16 Ora Mae Anthony, Teresa Denney and Lupe Guerra attended a medications seminar in Lubbock.

Tammy Schmidt, who is a college student, is spending her summer vacation working at Prairie Acres.

Mrs. J.J. Waldo of Kingfisher, Oklahoma, who is the mother of Dean Hall, will be moving to Prairie Acres Monday, June 23. She's a former Friona resident and is looking forward to seeing old friends and neighbors.

Elmer Holt of Needmore, Texas, is a new resident here. He's the father of Ira Holt and a former resident of the Rhea Community.

C.R. Elliott of Bovina spent ten days here before going to Albuquerque to be with his son.

We wish a speedy recovery for Paul Griffith, who is a patient at Veteran's Hospital in Amarillo, and Minta Robbins, who is at High Plains Baptist Hospital.

Nine of us went to Friendship House for lunch Tuesday. We

especially enjoyed Harold Taylor's bagpipe program, and the delicious food.

Our sympathy goes to Mrs. Lena Burleson and the Jack Wilson family, formerly of Hereford; and to Mrs. Olga Weaks, whose son-in-law, Johnny Honaker of Archer City, Texas, passed away Monday. Mrs. Weaks accompanied her daughter, Mrs. Zora Gaede, to the funeral Wednesday.

June birthdays are Lana Beavers, June 5; Berta Culp, June 9; and Sam Vaughn, June 20.

There was a good turnout for the staff ice cream social in Madie Rolan's home June 11.

Mrs. Latham was the May Bingo champion.

Ben Israel and Janie London thoroughly enjoyed attending Camp New Dawn June 9 through 12.

Thanks to the Young Homemakers for washing our windows one day last week.

The 4-H Club Junior Auxiliary plans to resume work soon.

Barbara Bentley brought the baby boy born to her June 8th to visit Prairie Acres. He's a cutie—even without hair.

Students Compete Nationally

A team of Texas Tech University advertising students finished fifth in a national competition sponsored by the American Advertising Federation (AAF) at its annual convention in Washington, D.C., June 6-10.

Team members were Cynthia A. Bell of Dallas; Philip B. Hand of Friona; Robert D. Martin of Amarillo; Mark D. Matthys of San Antonio; and Douglas K. Toussaint of Richardson. Hand and Matthys, advertising majors, and Martin, a marketing major, received their bachelor's degrees in May. Bell and Toussaint are senior advertising majors.

The Texas Tech team qualified for the national contest by winning a regional competition involving universities in Texas, Arkansas and Oklahoma. The Texas Tech team was one of 15 regional winners. In the national finals Texas Tech finished fifth behind Michigan State University, University of South Carolina, Arizona State University and Southeastern Louisiana University.

The National Student Advertising Competition required each team to develop a marketing and advertising plan for a major national advertiser, which presented a case problem for students to solve. The student teams prepared a comprehensive plan and a 30-minute audio-visual presentation that were judged by executives of the advertiser and its advertising agency.

Twenty-three Texas Tech advertising students helped to develop the team's plan. Faculty sponsor was James L. Marra of Texas Tech's Mass Communications Department.

Shannon Parr, David Yocham Exchange Wedding Vows Here

Shannon Rane' Parr and David Len Yocham exchanged wedding vows at 4 p.m. Friday, May 29, in the home of the bride's parents, Mr. and Mrs. Ira Bruce Parr, 1305 West Seventh Street.

Parents of the groom are Mr. and Mrs. Virgil Yocham of Lubbock.

The candlelight double ring ceremony was read by the groom's father, who is a minister of Sunset Church of Christ, Lubbock, as the couple stood before a heart shaped candelabra holding apricot colored tapers and centered with an arrangement of Woburn Abbey roses tied with apricot picot bows. A pair of seven branched brass candelabras entwined with greenery and matching

bows and tapers completed the arrangement.

Sharlene Parr was her sister's maid of honor and Kim Yocham, sister of the groom, was the bridesmaid.

Steve Yocham, Lubbock, brother of the groom, was the best man and guests were seated by Mark Rathgeber, Lubbock, who was also the groomsman.

Jessica Parr, daughter of Mr. and Mrs. Kim Parr and cousin of the bride, was the flower girl. Lee Foster, son of Mr. and Mrs. John Foster, Cleburne, Texas, was the ring bearer. He is also a cousin of the bride.

Candlelighters were Lyanne Foster, Cleburne, Texas, and Annie

Mae Parr, Friona, also cousins of the bride.

The maid of honor wore a formal ivory batiste gown designed similar to the one worn by the bride. Matching lace and ribbon edged her capelet and was repeated on the cuffs of her long sheer sleeves as well as the top of the wide ruffle on her skirt. She carried a long stemmed white rose and wore baby's breath in her hair.

The bridesmaid wore a sleeveless formal gown of ivory gauze featuring an overlay ruffled capelet, which was edged with ivory satin ribbon, and a scooped neckline. She, too, carried a long stemmed white rose and wore baby's breath in her hair.

A singing group from Sixth Street Church of Christ, Libby Procter, Glenda Procter, Patsy Bandy, Sherry Atwell, Nelda Miller, Curt Miller, Duane Ginn and Bob Welch, sang "Can't Help Falling In Love With You," "Twelfth Of Never," and "We've Only Just Begun."

The wedding music, which was recorded by personal friend Woody Key, was "The Wedding Song," and

"Two Hearts," which he wrote.

The bridegroom sang an original composition, "You Are All The World To Me."

As the bride was presented in marriage by her father, she wore a formal gown of ivory peau de soie overlaid with matching chiffon. It was designed with a ruffled stand-up Victorian collar of chantilly lace. The inset yoke was adorned with seven tiny buttons down the center front and the full long sleeves were gathered onto lace trimmed ruffled cuffs. The skirt joined an empire bodice and was finished with a wide ruffle of chiffon trimmed with chantilly lace.

She wore a wide gold wedding band, which belonged to her great-grandmother, the late Mrs. Ira Miller, an ivory colored garter with a blue satin bow, a six pence minted in the year of her birth in her shoe and a string of pearls, which she borrowed from her mother.

She carried a cascade bouquet of white roses and baby's breath with apricot picot streamers and wore baby's breath in her hair.

At the conclusion of the ceremony, Mr. and Mrs. Yocham lighted a unity candle with two candles, which had been lighted by their mothers.

Both mothers wore ivory street length dresses with matching accessories and cymbidium orchid corsages.

The reception table was covered with an ivory lace cloth over an apricot coverlet. It was centered with an epergne holding apricot tapers, Woburn Abbey roses, greenery and baby's breath.

An ivory three tiered wedding cake

Mr. and Mrs. David Yocham

was decorated with apricot sugar bells and ribbons and was topped with kissing angels beneath an ivory lace arch with apricot bow.

Beulah, Deirdre and Detrica Miller, cousins of the bride, and Kay Snead served cake, punch, apricot balls, cookies, mints and nuts. Others who assisted were Joyce Broyles, Jan Fleming and Virginia Moyer.

Special guests for the wedding and reception were Mr. and Mrs. Bruce Parr, Friona, and Mrs. Winnie Beaton, Pearce, Arizona, grandparents of the bride.

Out-of-town guests, besides the groom's parents and others in the wedding party, were Mrs. Iva Foster, Cleburne, Texas and Mrs. Joy Beaton, Monahans, Texas, aunts of the bride; Tana Yocham, sister-in-law

of the groom, Lubbock, Texas; and Mr. and Mrs. Don Solomon and Ranice Kay, also of Lubbock.

For a wedding trip to Houston and Galveston, Mrs. Yocham wore a brown street length dress with ivory lace trim and matching accessories.

Mr. and Mrs. Yocham are at home at 3616 36th Street, Lubbock. He is employed by Metro City Electric.

He is a 1977 graduate of Lubbock Christian High School and former student of Lubbock Christian College, where he was a member of The A Cappella Chorus and Koinonia.

Mrs. Yocham is a 1980 graduate of Lubbock Christian High School and also attended Lubbock Christian College, where she was a member of Lambda Omega Alpha Social Club.

About Your Neighbors

By JUNE FLOYD

When the late Mr. and Mrs. T.A. O'Brian Sr. first moved to a farm in the Lakeview Community east of Hub in August of 1928, there were only six O'Brians in the community. They were Mr. and Mrs. O'Brian and four of their five children, Kenneth, Marian, Tom and Julia.

Russel, the second son, says, "I didn't come to Parmer County with the rest of the folks. While we were in Hereford, I went into a hardware store and got a job working for J.E. Hill on the Ford Ranch north of town for \$40 a month plus board. Then, I was so far from home that I didn't make it down here but about every three weeks."

Since that time the O'Brians have just about out numbered every other family in that community. All of the children, except Marian, bought land, established homes and raised their families near their parents. Kenneth and Russel and their wives, Nadine and Nora, lived northeast of the original O'Brian home; Julia married E.L. (Hap) Fairchild and they lived about the same distance southeast of her parents; and Tom and his wife, Norene, lived just west of his parents.

At the present time there are several third and fourth generations of O'Brians living and farming in the same community.

Russel soon decided he liked farming better than ranch work, so joined the rest of his family. He and Kenneth began their first farming operation as O'Brian Brothers and bought their first tractor and equipment in the early thirties. Most of their farming at that time was dry land wheat.

Of course, they had chickens, hogs and milk cows and depended upon them to supplement their income when crops were not good. They also depended on custom farm work to help make ends meet.

Russel was married to Nora Avis Hogue, daughter of the late Mr. and Mrs. Clifford Hogue, September 21, 1940. During the first few years of their marriage, they lived on the Habbinga place, which was near the O'Brian Brothers farm land.

The Hogue family had moved to the present Mercer farm from Castro County in 1935. Two years earlier they had moved from Beckham County, Oklahoma.

Like most farm newlyweds in those days, Russel's and Nora's furniture was mostly "hand me downs" or "do it yourself projects." They still have their first clothes closet, which Russel built and are justly proud of it.

When asked about his woodworking skills, Russel jovially replied, "I never did have any. I'd much rather work with metal and a welder. That way, when I cut a piece too short, I can just splice it and go on with my work."

He is a very proficient welder and puts in a lot of time making useful and attractive pieces of furniture for their yard and home. Last week he completed a grape arbor for some

new grape vines growing in their back yard.

To the question, "How did you learn to weld?" he replied, "By trial and error." He went on to say, "I bought my first welder from Raymond Adams in 1945 and he helped me learn to use it. By the way, I still have it in the barn."

Russel and Nora and their two daughters, Linda and Karen, moved into their present home in 1947. It is attractively furnished with a combination of contemporary and antique furniture and decorated with pictures and wall hangings, which Nora has made. She paints with oils and water colors and does needlepoint.

She has been an avid African Violet grower for many years and has beautiful blooming plants throughout their home. A few years ago she wished aloud for some stands to put her plants on that worked like turntables. It wasn't long before Russel came up with tall poles with holders for 15-20 pots that were just what she wished for. They are very pretty and with the twist of one wrist she can position her plants where they will receive the right amount of light.

Visitors and residents of Prairie Acres always enjoy the O'Brian African Violets on the tables in the dining room. Russel also constructed a turntable type holder for Prairie Acres and Nora takes care of the plants.

Their daughters both attended Friona schools from first grade through high school. Soon after graduation Linda married Lloyd Chesher and they established a home

near her parents.

They have four daughters, Cindy, a recent graduate of Clarendon Junior College, plans to attend West Texas State University, Canyon, this fall; Cathy, a 1981 graduate of Friona High School, plans to attend Clarendon Junior College; Cristy will be a high school senior this fall and Charla Beth will be a freshman.

Russel said, "Since we just had girls--no boys--everyone said we should have some grandsons. We didn't, so I've just made truck drivers and handy men out of the girls. They're really great!"

Karen and her husband, Charles Carter, and daughter, Jennifer, live in Dimmitt. She's a kindergarten teacher and Charles works for Western Ammonia.

Nora said, "We really do have one grandson. Rusty, who has lived with his Dad, Karen and Jennifer, seems no different than the girls."

The O'Brians are members of Friona United Methodist Church and Nora is an active worker in the Camp New Dawn project. She was also a Girl Scout leader for many years.

Russel said, "I mostly keep the home fires burning while she keeps up with camp, Girl Scouts and other community activities."

However, Mary Tom Spring, Margaret Mabry or any other girl who was a member of the same Girl Scout Troop, would probably ask, "Who loaded all the gear into the truck, provided wood for campfires and did all the other heavy chores for us for twelve years?"

No report about the O'Brians would be complete without mention

Mr. and Mrs. Russel O'Brian
