**THERE IS A NEW game** on the market, along the lines of "Monopoly," or "Parchesi." This one is entitled "Public Assistance." The precepts of the game would be funny, if it were not so darned serious.

In this game, which like the others, uses dice and a couple of stacks of cards, there are two different courses which the players must travel. One is entitled "The working person's rut," and the other is "The able-bodied welfare recipient's promenade."

Some of the "chances" which the "working person" may land on include these: "Labor board reinstates the employee you fired: pay \$200;" and "Penalty for withholding taxes being late: pay \$100."

Also, "Secretary alleges sex discrimination: pay \$500." Or how about: "Customer rejects finished job: pay \$100." Then there is "Caught with improper racial balance in shop: pay \$500," and "Chief client goes bankrupt: pay \$1,000."

If those sound way out, how about: "Dip into retirement fund: collect \$2,000," or "Car payment due: pay dice times 10," or "Rent due: pay dice times 10." There are similar stops on the board for gas fill-up, grocery bill, property tax, and utility bills.

Along the path of the playing board for the "able-bodied welfare recipient" are such landing spots as "Emergency food stamps: collect \$100," and "Have illegitimate child," or "Rent TV and watch soap operas, pay \$50."

Other spots on their path include: "Act belligerent at job interview," "Play pin ball machines all day," and "Lie on application."

Other "stops" for the welfare recipient-player include such would-be things as shoplifting on the way to the welfare office; reading girlie magazines all day; stealing senior citizen's social security check.

In Monopoly, you remember the stack of cards called "chance?" In the new game, they are labeled "burdens" and "benefits."

Among the burdens are: Jaycees recognize your dedicated service to the community. You are presented with "Citizen of the Year" award. Pay tuxedo rental, \$50," and "You and spouse are both working: pay \$100 for child care."

Others include: "Your son needs braces: \$800," and "Your sister is raped by a paroled rapist. Lose one turn," or "Your brother is killed by a rehabilitated murderer. Lose another turn."

How about: "Education means everything: pay son's college tuition, \$1,000," or "Ethnic solicitor slips on your sidewalk. Pay legal fees, \$500."

Among the "benefits" which might be picked up by the opposition are these: "Your number comes up on the daily lottery, collect \$500," and "Play \$50 of your welfare money on the daily lottery," and "Since your welfare money is not counted as income, receive \$500 tax rebate for being poor."

Also, "Advance to first of month. Collect all benefits," and "You are 35 miles from nearest welfare office. Collect \$50 in travel expenses," and "Illegitimate child has learning disability. Receive immediate \$200 benefit from Social Security."

Then there is "Your 15-year-old daughter is pregnant out of wedlock. Collect \$200 benefit," and "National Endowment for the Arts accepts your proposal for experimental filmmaking. Your theme: 'The limits of pornography.' Receive \$900 grant."

Like we said, these glorified situations would be funny if it weren't for the fact that they probably could have been excerpted from official records.

## Trap Shoot Slated

The Friona Gun Club will hold a trap shoot Sunday, November 15 starting at 2 p.m. at the trap house east of Friona. The public is invited.

## UW Hopes For Early Victory

As of Friday morning, Friona's United Way drive for 1981 stood at \$3,650, or 30.1 per cent, according to co-chairmen Hal Ratcliff and Carl White.

The UW officials urge all team captains to work their area and report in, so they may know where the drive stands.

Workers were slated to report to the Friona Girl Scout House at 9:30 Saturday morning for a Victory Coffee, as it was hoped to wind up the drive in a week's time. Many of the workers and team captains are expected to bring their money in at that time.

The 1981 drive began with the annual kickoff breakfast on Monday, November 9, at the Girl Scout House. The speaker for the kickoff breakfast was Jim Bullard of Hereford, administrator of the Deaf Smith General Hospital.

## Neill Holds Lead In Football Contest

Mark Neill continues to hang tough in the race for grand prize in the Friona Star's football contest.

Neill posted a score of 15 for the contest's tenth week, and leads the field with a score of 155. Wright Williams, who had shared the lead with Neill last week, slumped to a score of 12, and dropped into a six-way tie for third, three points off the pace.

Meanwhile, Jerry Hinkle tallied 16 correct for the week, and moved into a tie for second place with Jim Pope, with a score of 153, two points off Neill's leading pace. Pope, who also was second a week earlier, had a 14 the past week.

Joining Williams at the score of 152 are Ron Cain, Jack Clark, Johnny Curtis of Farwell, Marie Fleming of Dimmitt and Kenneth McLellan.

Next in line in the standings come Jim Hand and Mitchell Wiseman, with scores of 149.

Scores of all of the leading contestants can be found elsewhere in this issue.

After failing to have any games on its 22-game slate end in a tie for the first nine weeks of the event, the contest rectified that deficiency, and then some, during the tenth week, as two college games ended up in the "kissing your sister" column. The games were between Texas Tech and TCU, and Texas University-Houston.

Even stranger than this statistic was the fact that one contestant, Ron

Bullard asked the group: "Why are we here?" and answered his question thusly: "We are here because we care about people."

The Hereford civic leader outlined the ways to succeed at a United Way drive: (1) Believe in what you are doing; (2) Set goals and (3) Enjoy the drive—have fun at it.

"Remember, you can't do it all by yourself, but collectively, you all can get the job done," Bullard said.

The goal for the 1981 drive is \$12,150. The money will be distributed as follows: Boy Scouts \$2,500; Girl Scouts \$2,500; Red Cross \$1,200; Salvation Army \$1,000; United Cerebral Palsy \$800; Emergency Fund \$600; Friona 4-H \$200; USO \$100; Texas Mental Health \$150; United Way of Texas \$50; Little League \$1,200; Brownies \$900; Cub Scouts \$900 and Autistic Children \$50.

Smiley, correctly picked Tech and TCU to tie. He was paid a \$7.50 bonus for his astute prognostications.

(The Star has offered in the past to pay a bonus for anyone correctly picking a tie in the contest, so long as they limit their choices to no more than two of the slate of games each week.)

"Even though I picked the tie, if I had been a betting man, I would have bet that it wouldn't have happened," Smiley said. He becomes only the second or third contestant to ever pick a tie among the slate of games. Steve Taylor remains the champion in this category, and pulled the trick twice in one season!

In the weekly contest, six contestants had scores of 17, and from this group the top three contestants were chosen.

Glendel Jones, missing the Dallas-Buffalo score by only four points (he said 28-17, and the actual score was 27-14), took the weekly \$10 first prize.

Myrna Cain took second place by virtue of missing the score by only seven points (31-17), and Tom Johnson was third, missing the tie-breaker by ten points (24-21).

The other three contestants barely missing the weekly money included Eugene Ellis, (11 points away), Smiley (14 points away), and Paul J. Smith (26 points away).

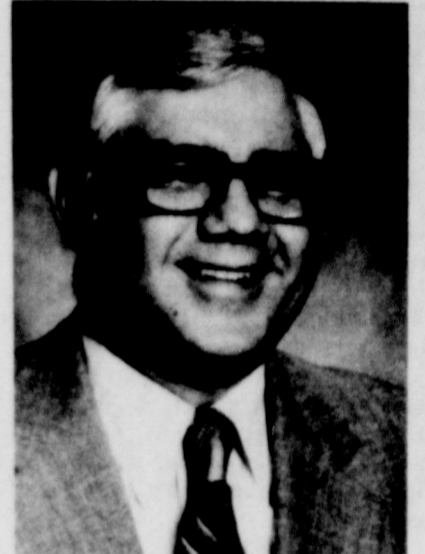

Only three weekends remain in the contest, counting the current weekend.

## BLACK STEPS DOWN

# Changes Announced By Friona Industries

A.L. Black, chairman and one of the founders of Friona Industries in Friona, has contracted to buy the firm's steel fabrication and erection company in exchange for essentially all of his stock in the parent company.

Black will step down as chairman of Friona, but will remain on the board of directors. The deal calls for Black to pay 105,525 shares of stock for the subsidiary, Porch Bros.

Black's shares amounted to a little less than 5 per cent of the outstanding common stock. At the latest price of Friona Industries stock of \$6 a share, the deal would be valued at \$633,150.

The new chairman of Friona Industries is Ron Davenport, who adds that title to his position as president and chief executive officer.

Davenport said last week that Black was interested in Porch Bros., and "it was just something he wanted to do."

Porch Bros. accounted for less than 1 per cent of consolidated company revenue in 1981. It has built feed mills and other agricultural-related projects.

Black was one of the organizers in 1962 of Friona Feed Yards, which grew into Friona Industries.

Also resigning as an officer of Friona, but staying on the board of directors, was David J. Goddard, senior vice president. Goddard resigned to pursue personal business interests, the company said in a release.

In other officer changes announced by the board of directors, Charles H. Hughes, financial vice president and

treasurer, will take on the added title of secretary.

Named controller was Michael Pitts, who had been chief accountant.

Named vice president of feed yards was Robert L. Bliss.

The change of officers and quarterly reports were given at the annual meeting of Friona Industries stockholders in Friona on November 4.

## Court Gives Okay To 'Crimestoppers'

The Parmer County Commissioners met in regular session on Monday, November 9, with all of the commissioners present. Judge Porter Roberts presided over the meeting.

Discussion on the article which appeared in the three county newspapers about the construction of a new county road was brought up. The commissioners had not okayed this road and were in question as to where the approval for such action came from.

The retirement system was reviewed by Bonnie Warren and several options on the choosing of a new plan, at no additional costs, were discussed by the members. It was decided to go with a plan which would be more helpful to those who are presently serving the county.

The commissioners accepted the results of the voting on the constitutional amendments for the county.

Two cases from the county social workers were discussed with the commissioners approving \$250 to supply a clothing need which one of the subjects had.

Sheriff Bill Morgan was on hand to bring up the possibility of creating a Crime Stoppers program in the county. This met with approval from the commissioners with Ernest Anthony being appointed to serve along with Morgan as the committee

to select which information was pertinent to the arrest and conviction of criminals.

The program would reward informants only for their information leading to the arrest and conviction of criminals.

It was decided that a \$1,000 fund would be set up for the fund, and that it would be necessary to solicit donations from businesses and private sources for the additional funding for the program.

The commissioners voted to cast 100 per cent of their support behind Lazbuddie ISD's choice for Parmer County Tax Appraisal District member, Alfred Hicks. This would give Lazbuddie enough votes to have a representative on the board.

The commissioners tabled any action to accept or reject an advertising commitment with Pioneer Press of Friona, who had asked the commissioners to take out ads with them.

A letter from the Texas Department of Health was received by the commissioners concerning the dumpsite at Lazbuddie. This has been an on-going discussion between the county commissioners and the Health Department, which said the dumpsite was full and needs to have a cover of soil over it. Commissioners took no action on the matter, stating that it was not a county matter.

**TIE-BREAKERS....**Ron Smiley, left, and Glendel Jones show each other their winning checks from the Friona Star's football contest. Jones was the weekly winner, on the basis of the tie-breaker score, and Smiley became only the third contestant in the history of the event to pick a tie game on the slate of entries, Texas Tech-TCU.

## AAM Sets Dist. Meet

The American Agricultural Movement of Texas will hold their District 1 meeting and delegate election on Saturday, November 14, at 7 p.m. at Sutphen's Bar-B-Que, 16th and Madison in Amarillo.

There will be a "Dutch treat meal" costing \$6.50 for beef and ham. The price includes drink, tax and tip.

Marvin Meek will give an update on plans for the movement. Ted Godfrey's term as a delegate has expired and a replacement will be elected to take his place. Alternates also will be elected.

"Plan now to attend this meeting," said a spokesman for the Parmer County division of District 1.

# FRIONA FLASHBACKS

....from the files of The Friona Star

## 50 YEARS AGO--NOV. 6, 1931

Another firm of grain dealers has recently been organized in Friona, and is composed of O.G. Taylor and E.B. McLellan, and the new firm proposes to make grain, especially grain in the head, bring all it should for the farmers in this locality. They do their weighing at the Farmers Elevator, and their office is wherever they may be found, with their shingle hung on their car window.

## 45 YEARS AGO--NOV. 6, 1936

To date, the cotton census report shows that there were 349 bales of cotton ginned in Parmer County from the 1936 crop prior to October 18, as compared to 213 bales ginned by the same date in 1935.

On Thursday night of last week, the Friona Chiefs met the valiant team from Melrose, N.M. on their own grid, and came out with their first victory of the season, by a 37-0 score.

## 40 YEARS AGO--NOV. 7, 1941

One of the most apparent signs of the steady progress of Friona is completion of the new building erected by Dr. R.J. McReynolds, adjoining his residence on Main Street and housing Friona's new clinic. It is a neat and roomy structure, and houses a reception room, four bedrooms for patients, a

consultation room, private office, operating room and X-ray laboratory.

## 35 YEARS AGO--NOV. 1, 1946

Jimmy Womack celebrated his 13th birthday on Saturday with a party in the park. Refreshments were served to sixteen boys. Those present were Darrell Robbins, Randy Reed, Franky Lee, Ross Miller, Jackie Loooper, Ralph Reed, Jimmy Hughes, Walter Haws, Doyce Barnett, Rex Blackburn, Johnny Parker, Ben Wayne, Edward White, Ben Jordan, Viddian Weis and Jimmy Walker.

Official and final population figures released last week by the United States Department of Commerce listed Friona with 1202 population, an increase from the first announced figure of 1196. Parmer County was listed with 5,787 residents.

## 25 YEARS AGO--NOV. 1, 1956

Two Friona businesses have planned promotions of interest to the public in the coming week. T&H Service Station, the new Texaco station, will have its formal openings Saturday and Mary's Cafe will be open for business on Monday. The new service station is located on Friona's recently widened Highway

60. Mary's Cafe, owned by Mary Pilgrim and Hayden Cayson, is in the Welch-Shackelford development in western Friona, just off Highway 60.

## 20 YEARS AGO--NOV. 1, 1961

The budget committee for Friona's 1962 Community Chest Campaign discussed and accepted quotas for the drive in a meeting Tuesday. The actual drive will not begin until later this month. A budget totaling \$5,880.00 was adopted, according to Robert R. Ginsberg, chairman of this year's drive.

Halloween pranksters did considerable damage to the back door of the American Legion Building, the ceiling to the city jail, and various other acts of mischief on Tuesday night.

## 15 YEARS AGO--NOV. 3, 1966

Mrs. Glen Mingus became the first woman golfer to get a hole-in-one shot on the Friona Country Club Course Sunday afternoon. She holed out her tee shot on the 150-yard seventh hole with a 5 wood. Her husband has the distinction of being the first golfer to shoot a hole-in-one on the course. The husband-and-wife record beat unknown odds by each achieving the golfer's dream.

## 10 YEARS AGO--NOV. 4, 1971

Leo Potishman, owner of Santa Fe Grain Elevator (recently leased by Goodpasture) has given the Friona Independent School District a gift of \$5,000 to be used by the school's athletic program. Under the terms of the endowment, the school is to use just the interest from the principal gift. This will amount to roughly \$250.00 per year, depending on current interest rates for long-term deposits.

# REMEMBER WHEN ?

With the remodeling project nearing completion at Friona Junior High School, we thought Friona residents would enjoy seeing this view taken inside the junior high study hall, more than 40 years ago, when the building was new, and when grandparents of some of today's students may have been using the building. We at Friona State Bank are happy to have been serving several generations of students in Friona Schools.

## Barlow Is Honored By Energas

A Friona man, Darrell Barlow, was among 222 employees of Pioneer Corporation who were honored for periods of service ranging from five to 45 years during the corporation's annual series of awards dinners the past week.

K. Bert Watson, president and chief executive officer of the corporation, presented each of the honorees with their respective service award.

Barlow as among the employees honored for 15 years of service. He was among a group of 131 Amarillo area employees honored at the first of the series of three dinners, held in Amarillo, Lubbock and Midland.

The Amarillo area includes all of the Panhandle north of a line extending between Hereford and Dimmitt. Employees honored are employed in 30 cities and towns and at eight remote facility locations in three states.

In addition to corporate personnel, the employees represented five of the corporation's eight principal companies, including Pioneer Production Corporation, Pioneer Gas Products Company, Pioneer Nuclear, Inc., Energas Company and Westar Transmission Company.

**RAY IS COMING!**

**GAME INJURY....**This may seem like an unusual action shot from a football game, but fans at the Friona-Muleshoe game saw more of the ambulance than anything else last Friday, as a player from each team was removed to the hospital. In the above scene, Muleshoe player Mark Denney is being loaded by volunteer ambulance workers. Denney suffered a compound fracture of the right leg in the game.

**HAS OPENING....**Kenneth Moore, longtime Friona groceryman, held grand opening this week for his new Jack & Jill Super Market in Hereford. Kenneth and his wife Lawanda are shown with the scissors, along with store manager Jim Fleming, at the right of Kenneth, and Jerry Dunham of Nash-Finch.

## Basketball Season To Kick Off On Tuesday

Basketball gets underway with a bang at Friona High School during the next week, with games at Farwell for the varsity and junior varsity teams on Tuesday, and then the home openers against Springlake-Earth on Friday, November 20.

If fans notice a resemblance between the coach of this year's Squaws' team and the coach of the Chieftains, it's because he will be one and the same person--Coach Tom Johnson.

Due to the last-minute departure of former girls coach Al Stinson, Johnson agreed to take on the added assignment of coaching the girls this season, so he will be doing double duty for the 1981-82 season.

And, although coaching both varsity basketball teams may be something Johnson might not want to do for an entire career, he says he is looking forward to the season.

A big plus is the fact that the Squaws team Johnson has will be one with five lettermen back from a 14-10 season a year ago, which finished third in District 2-AAA. This year, the Squaws are picked to finish second to always-tough Dimmitt.

Returners include seniors Cari Hand, Lesa Bermea, Christie Wiseman, Teresa Loflin and Rene Noland. Miss Hand averaged 14 points per game last year as the team's second leading scorer, and Miss Hand added nine points per outing.

Other players expected to give yeoman service include juniors Sherry O'Brian and Sheri Dodson, who at 5-10 give the Squaws good height. Christie Wiseman is the team's tallest player at 5-11.

Also expected to help the team are juniors Judy McLellan, Cara Brockman, Pat Harris, Betty Harris, Revea Duffey and Kristi Britting. The team edged Hart, 27-26 in a scrimmage game here Tuesday.

Johnson's Chieftain team will have three starters and five other lettermen back from a team which finished 8-20 during a rebuilding year.

Starters back are 6-2 Mark Tucker, 5-9 Robert Caballero and 6-0 junior Mike Neill. Coach Johnson would have had a fourth starter back, except that Steve Taylor moved to Kansas

prior to the start of school. The other starter he must replace is all-district guard and floor general Tony Jackson.

Lettermen back in addition to the three starters are Nelson Jackson, Anthony Brady, Rocky Nichols, Mark Montoya and Richie Malouf. Since Malouf is 6-1, the team might have three starters 6-0 or over, something they haven't always had to offer.

Perennial favorite Dimmitt is the pick to win district. The Bobcats have three 6-4 players, and two others over six feet. Littlefield is picked second off their 21-6 record a year ago, and Friona is picked third.

But for now, it's non-district warmup games, and fans should come out and see what kind of teams Friona might have this winter.

(See complete season schedules in last week's issue of the Star.)

## Band Set To Raffle Xmas Tree

The Friona High School Band has been donated a ceramic musical Christmas tree to be raffled at the Christmas in November Bazaar November 20-21 at the Friona Community Center.

The tree is green with white snow and plays "Walking in a Winter Wonderland," and is valued at \$100.00. This tree was donated to the band by Jeanne Castleberry and Juanita Bowles, owners of the Ladybug Shop in Alvin, Texas. Miss Castleberry is the aunt of band member Patti Hinton.

Tickets for the tree are \$1.00 each and may be purchased from any high school band member or at the bazaar. The drawing will be held at 3:30 p.m. on Saturday, November 21 and you need not be present to win. Proceeds from the raffle will be used for the band's upcoming spring trip.

This ceramic Christmas tree is currently on display at the Blossom Cottage on Main Street.

# Friona Industries' Profits Are 'Normal' For First Quarter

Friona Industries, Inc. has reported net earnings of \$598,000, or 27 cents per share, on net sales of \$52.7 million for its first quarter ended September 30, 1981.

In the same quarter of the prior fiscal year the integrated agribusiness company had net earnings of \$1.3 million, or 60 cents per share, on net sales of \$50.1 million.

"All segments of our operations achieved satisfactory and what management considers normal operating profits in the first quarter of our current fiscal year," said Ron Davenport, president.

"The first quarter of fiscal 1981 generated unusual and higher than anticipated operating profits, when compared with the same quarter of our current fiscal year," he explained.

"The weather played a big part in our operations both this year and last," said Davenport. "Last year's drought conditions made it necessary for livestock raisers to place their cattle in feed yards earlier than normal. This condition greatly increased occupancy during the first quarter of fiscal 1981 in the Company's three feed yards.

"Also, this same factor boosted occupancy in area feed yards which resulted in increased tonnages of

commercial feeds sales. This year, however, an abundance of rain has kept pastures green and growing and farmers and ranchers have been more inclined to let their cattle graze.

"Cattle prices were about ten per cent lower on a quarter-to-quarter comparison, and our average feed yard occupancy declined 22 per cent."

The Company's Meat Processing and Distribution operations showed a substantial gain over the prior year as sales increased 41 per cent to \$23.2 million and operating profits climbed 26 per cent to \$576,000.

This can be attributed to a larger average number of Wendy's Old Fashioned Hamburger Restaurants serviced with hamburger meat and a wider range of products, including dairy products and other refrigerated items. The Company processed 17 per cent more ground beef for an average of 629 stores, up from an average of 531 Wendy's during the same quarter of fiscal 1981.

"We now have the personnel, equipment and production capacity to expand distribution of these products to additional outlets," commented Davenport.

Operating profits from Commercial Feeds, Animal Health Supplies, Custom Feeding and

Company-owned Cattle were restrained by reduced numbers of cattle on feed in the Company's operating area and lower cattle prices.

The Commercial Feeds segment had operating profits of \$148,000 compared with \$367,000 in the first three months of fiscal 1981. Tonnage sold was down 29 per cent.

Animal Health Supplies operating profits of \$133,000 were 27 per cent behind the pace of the prior year's same quarter.

Custom Feeding accounted for \$662,000 in operating profits, about \$338,000 less than in the first quarter of last year.

The Company sold approximately 22,000 head of cattle for an operating profit of \$420,000, compared with 19,400 head and an operating profit of \$847,000 in the same period last year.

Grain operating profits were \$152,000 versus \$66,000 and the other category, which includes grain hauling and steel fabrication, reported \$283,000 in the first quarter versus \$336,000 in operating profits last year at this time.

"Actually, we are somewhat more optimistic about our potential financial performance during the remainder of the 1982 fiscal year than we were at this same time last year concerning the final three quarters of fiscal 1981," he added.

**FRIONA'S LUCK SOURS**

**Second Half Rally Wins For Mules**

Someone once said they had rather be lucky than good, any day. That's not to say that the Muleshoe Mules were not a good team here last Friday—but the Mules definitely were not without their luck, either.

Muleshoe combined a hard-hitting rushing game with a little second half rabbit's foot, to score a 24-14 win in the important District 2-AAA contest. With the win, the Mules kept their district hopes alive, and snuffed out those of Friona.

The game was a good one from a spectator's standpoint. The lead changed hands four times, as the game was a see-saw affair until Muleshoe finally wrested control of the outcome late in the contest.

It was a game of big plays. Both teams had a number of outstanding plays on their behalf. But in the end, a couple of hard-luck plays on behalf of the Chieftains cost them the game, and allowed the Mules to take command.

The plays happened late in the third quarter, at a time when Muleshoe was clinging to a three-point lead, and when up until that time it was first one, then the other team's turn to score.

Friona apparently had held the Mules near midfield on a third down and 20 situation, when a pass was thrown over the receiver's head. But Jeff Lundy, the Chieftain defender on the play, got his feet tangled up with the receiver's, and a pass interference call gave Muleshoe new life at the Friona 27.

Just four plays later, the Mules were facing fourth and nine on another pass play. Defender Mark Montoya had the best chance of catching the ball, but elected instead to bat the ball into the air.

This proved to be a mistake, as the ball was deflected right into the waiting arms of the Muleshoe receiver (Monty Hysinger) in the end zone for a touchdown. That gave the Mules a ten-point lead, and the Chiefs never could recover.

Muleshoe took the opening kickoff and drove from their own 34 to the Friona 17, where the drive stalled.

Hysinger kicked a 23-yard field goal, to give the visitors a 3-0 lead at the 6:41 mark of the opening period.

On Friona's third possession, the Chiefs finally clicked. Nelson Jackson gave the team a first down at the Muleshoe 35, and Mark Tucker hit Rocky Nichols on a pass play to the Mules' 19. Nichols made a circus catch to keep the drive going.

Two plays later, Tucker passed again to Nichols for the touchdown, and Montoya's kick gave Friona the lead at 7-3. There was 4:59 left in the first half, and it was far from being over.

Muleshoe drove 80 yards in nine plays to reclaim the lead. Hysinger broke on a 35-yard gain for the biggest chunk. He also got the final 15, and then tacked on the PAT for a 10-7 Mule lead with 1:14 left in the half.

If you thought the Chieftains can't move the ball in a hurry, you should have seen their offensive series following the kickoff. Mike Neill ran the kick back to the home 30, to get things started.

Robert Osborn ripped off a 12-yard gain, Jackson ran for nine, and then added a 20-yarder on a pitchout around end, going out of bounds with 25 seconds left on the clock.

At this point, Anthony Brady ran a post pattern, and took a perfect pass right at the goal-line. Montoya's kick regained the lead for Friona at 14-10. The Chieftains had done a good imitation of the Dallas Cowboys—going 70 yards in only 38 seconds. There were still 19 seconds on the clock when they scored the TD.

And, would you believe—the Chiefs had one other chance to score before halftime. Friona hopped on a Mule fumble at the visitors' 21 with three seconds, and quickly called time out. Montoya teed up a field goal attempt, which would have been 38 yards. Montoya's kick was plenty long, but was barely wide to the left, and the half ended with Friona holding its 14-10 lead.

The half ended with the teams all knotted up in total yardage, at 178-all, and Muleshoe ahead in first

downs, 11-9.

The third quarter proved to be more than Friona could overcome.

Muleshoe started out by driving 65 yards in 12 plays to regain the lead, making the fourth time the lead had changed hands in the game.

Hysinger again provided the offensive spark. He was virtually unstoppable during the drive, posting gains of 11, 6, 13, 7, 3, and 9 yards. The TD and point kick at the 5:54 mark made the score Muleshoe 17, Friona 14.

The next series turned out to be the ill-fated drive where Friona should have held and been on the move themselves, except for the untimely flag, and later the deflected pass. In Hysinger's defense, he kept his eyes on the ball, when a lesser player might have let the pass fall incomplete after it was tipped.

So bleak was the third quarter for the Chieftains that they made only one first down, and that one came on a penalty against the Mules. The fourth quarter turned out to be a little better. Muleshoe scored a pair of quarterback "sacks," one against Tucker and one against Bruce Patterson, to stymie would-be threats.

The hard-hitting game took its toll on both teams. George Richardson was taken to the hospital for the Chieftains, with a whiplash. Muleshoe lost a starter with a compound fracture just a few minutes later. Two or three other players had to leave the game, including Friona's starting quarterback, Tucker. Before it was over, Nelson Jackson came up limping.

Both teams put out their best effort to claim the game in the win column, and as they were so evenly matched, it came down to the team getting the breaks being the winner.

Muleshoe's Hysinger, for his inspired play in the game, was named the class AAA player of the week runnerup by the Amarillo Daily News. He gained 163 yards rushing, caught a pass for 26 yards, scoring three TDs, and kicking the field goal.

**DISTRICT CHAMPS....**The Friona Chieftain Junior Varsity won its district championship this fall. The team's only loss in a 6-1 season was to class AAAAA Hereford. In the back row, left to right, are Tim Kirk, Kevin Brogden, Paul Melton, Wade Davenport, Reese Fleming, .....

Mitchell Reeve and Robert Escalante. Second row: Coach Snodgrass, Johnny McLellan, Charlie Veazey, Jesse Gonzales, Mitchell Granada and Coach Speck. Third row: Charlie Morgan, Jay Zachary, Tony Crutchfield, Harvey Lafuente, Joe Garza, Rudy Bermea and Henry Martin. Front row: Thomas Merritt, Shayne Woodard, Danny Auburg, Kemal Tongate and Edward Garcia.

**JV Chieftains Win District 2-AAA Title**

The Friona Chieftain Junior Varsity won the District 2-AAA championship, scoring wins over every district opponent.

In fact, the JVs had two wins over Muleshoe, and scored two wins over Tulia in non-district combat. The team ended its season with a 20-0 win at Muleshoe last Thursday night.

In the Muleshoe game, Charlie Morgan rushed for 120 yards and scored three touchdowns. The Chieftain JVs had 248 yards total offense, and did all of their scoring in the first half.

Doug Carthel kicked two of three PATs to round out the scoring.

Friona's only loss in their 6-1 season was a 28-22 deficit in a game against the Hereford Sophomores, featuring only our sophomores—not a bad outcome since Hereford is a class

5A team.

The Chieftains more than doubled their opponents' scoring for the season, and outside of Hereford, no team scored more than one touchdown. They scored shutout wins against Tulia, Dimmitt and Muleshoe.

"The boys showed improvement each week. We were impressed with their enthusiasm and their willingness to work together as a team. We are looking forward to several members of this team helping out on the varsity next year," said Donnie Snodgrass, coach of the team.

### Mitchell Wisemans Have Baby Boy

Mr. and Mrs. Mitchell Wiseman of Friona are the parents of a baby boy born Monday, November 9 at 8:23 a.m. at Central Plains General Hospital in Plainview.

Named Daniel Chase, the new arrival weighed seven pounds, 3 1/2 ounces and was nineteen inches long.

Grandparents are Mr. and Mrs. Buddy Wiseman and Mr. and Mrs. Ken O'Neill, all of Friona.

Great-grandparents are Mr. and Mrs. W.A. Turner of Friona and Mr. and Mrs. Charles Wiseman of Hereford.

Daniel has an older brother, Brandon Wade, two years old.

our culture has placed a very important value on the proper education. However, something very vital has possibly been overlooked in our estimation of a good education.

God gave His final revelation to man through His Son contained in the New Testament Scriptures (Hebrews 1:1-2, Jude 3). In the final revelation to man we are told that a judgment is coming, and that we will all give an account to God (II Corinthians 5:10, Romans 14:12). All of us will spend eternity in either eternal bliss or eternal punishment (Matthew 25:46). The Bible is our only and all sufficient guide to prepare for these events.

Therefore, we must conclude that the most important factor in the life and education of any individual is his knowledge of the Bible. We want our children to have the best education possible, and yet how much effort do we extend to see to it that our children have an adequate understanding of the Bible. There is not a more important factor in the education of our children.

Remember that long ago, God punished His people for a lack of knowledge concerning His will (Hosea 4:6). In a land of Bibles, let us carefully search the Scriptures.

DEBBIE BUSH and PAUL WILSHIRE....Mr. and Mrs. Walter W. Bush of Kalona, Iowa and Mr. and Mrs. Billy R. Wilshire of Friona announce the engagement and approaching marriage of their children, Deborah and Paul. The ceremony and reception will be held Saturday, December 5 at 3:30 p.m. in Hodges Chapel of the First Christian Church in Lubbock.

## Youth Groups Trick-Or-Treat

On Sunday, October 25, the youth groups from the Congregational Church, the Junior High youth group from the United Methodist Church and the Ag boys from Friona High School, trick or treated for C.R.O.P.

(Christian Relief Overseas Project) is a program that helps fight hunger overseas. It is well known for its careful administration of funds, for its focus on self-help activities, and for its Christian concern for those fighting hard against hunger.

The youth canvassers netted close to \$500 for their efforts—a fine job.

The participants wish to thank all of you who gave to the trick-or-treaters and made the program such a success. The problem of hunger will not vanish overnight; it will only be defeated by the efforts of those who work to gradually eliminate hunger's death grip on our world.

## Program Given By Farm Bureau

Anything will burn and nothing is fireproof. This fact was brought out by Joe Smetana, Safety Director for the Texas Farm Bureau, Waco, in a graphic animated fire prevention demonstration held November 10, at Friona High School.

The three things needed to start a fire, air-fuel and heat, brightly illuminated as Smetana plugged in the parts of his fire triangle board, causing the flashing "F-I-R-E" sign. He defined fire control as he removed (one at a time), the three parts.

As part of a discussion on fire control and the classes of fire (A-B-C-D), Smetana demonstrated taking away air by smothering the flame of a candle; smothering the flame of a kitchen fire (pot of burning grease-Class B) and taking away the air or oxygen of another Class B fire—a burning gasoline rag.

The audience also witnessed the burning of steel (steel wool); the loud shotgun-like explosion of one drop of gasoline and they saw the wiring burn inside the wall and in the attic of

Smetana's model house—(Class C).

With each sequence of animated and actual fire hazard of the various classes both inside and outside the house and around the farm, Smetana gave applicable prevention and control suggestions. For fire control, Smetana pointed out that many fires in the home, vehicles, equipment and other buildings can be extinguished while in the incipient stage; provided you have a U/L approved extinguisher of the correct size and type. "Recharge each portable extinguisher after each use," he added.

This very educational fire program was brought to Friona High School under the sponsorship of the Parmer County Farm Bureau.

# Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise

1. How much was your electric bill last month? \$ \_\_\_\_\_
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day \$ \_\_\_\_\_
3. How many people are in your family? \_\_\_\_\_
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member \$ \_\_\_\_\_

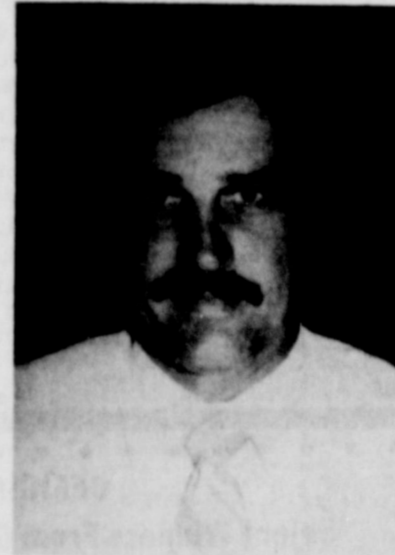

Knowing what electricity is worth is worth knowing. Just look around.

# Town Talk

By June Floyd

Call 247-3861

Congratulations are in order for a former neighbor of the Friona Star office. In the summer of 1956 the Friona Star office moved from the 500 block on Main Street to the 100 block on West Seventh.

At that time Southwestern Public Service Company was the next door neighbor to the west. Zula Mae Carlton, a new employee, and H.L. Outland Sr., who has since retired, were on the job to take care of customers cheerfully and efficiently. They were good neighbors, too.

Later Zula and her husband, Wilburn, who was a Texas Highway Department employee, moved to 809 Zephyr, Plainview, Texas.

Thursday evening of last week the Southern Division of Southwestern Public Service Company had an awards banquet at the Lubbock Country Club.

Zula was honored with a membership in the Quarter Century Club.

Selma Habbinga is home again after an absence of about one month. First she flew to Dallas, where she visited in the homes of Mr. and Mrs. J.P. McCombs, Mr. and Mrs. B.G. Haynes, Mrs. McCombs and Mrs. Haynes are sisters of the late Dick Habbinga.

Then, she went to Kountze, Texas, where she was a guest in the home of one of her nieces, Dolores Van Dessel.

Later these two drove to Corpus Christi, where they visited Ernest Kliem and other relatives. From there they drove to Victoria, where they visited Leonhart and Kliem and other relatives. The Kliem brothers are Selma's brothers.

Then, they went to Edna, Texas, to visit an assortment of relatives including Mr. and Mrs. G.T. Roberson.

One of the highlights of the trip for Selma was getting to drive over to Plano from Dallas to see the South Fork Ranch. She says, "Now, watching Dallas will be even more enjoyable."

Raymond and Lillie Mae Hughes spent last weekend visiting relatives in Arapaho and Clinton, Oklahoma. On Saturday they accompanied their son and daughter-in-law, Jimmy and Leta Hughes, to Oklahoma City for homecoming festivities at Oklahoma Christian College.

Jimmy's and Leta's three daughters and sons-in-law were also there. They are all O.C.C. alumni. Then, too, Raymond and Lillie Mae have two other granddaughters who live in Oklahoma's capital city, so they got to visit with them.

The regular monthly salad luncheon at Friendship House Tuesday will feature a Thanksgiving turkey with all the trimmings. If you're a senior citizen or enjoy being with older people, you're invited to attend by Pat Fallwell, director, and the hostesses.

We lost some of our neighbors while we were gone last month. Alan and Janice Hamilton and children moved from 1405 Jackson to a ranch over in the Fort Sumner-Santa Rosa, New Mexico area.

This move is going to cause grandpas-Glynn Hamilton and Raymond Milner and grandmas-Martha and Frances to have to do some additional driving to get to see the grandchildren.

J.V. (Cotton) Houser spent several days recently in High Plains Baptist Hospital in Amarillo and has been recuperating at home about a week.

Ruth's sister, Dorothy Nelms of Plainview, visited in the Houser home last weekend.

Vernon and Mary Roberts spent Monday of last week visiting in the home of Mr. and Mrs. Mike Lightfoot and children, Cinnamon, Autumn and Aaron.

Mrs. Lightfoot is the former Mary Ann Roberts.

Weekend visitors in the home of Mr. and Mrs. Johnny W. Hand were Mr. and Mrs. Kirby Williams and daughter, Heidi, of Fort Worth.

Mrs. Williams is the former Jonnie Hand. The oldest Williams girl, Kelli jon, is a freshman at Lubbock Christian College this fall.

## Judy Cummings Attends Club

Judy Cummings, with New York Life Insurance Company, recently attended her company's Star Club at Jackson Lake Lodge in Wyoming. She, along with 143 other agents, in a five state area, qualified for the Companies Star Club.

Judy attended several seminars during the three day meeting. One of the most important seminars was on "Estate Planning For Farmers and Ranchers," presented by Don VanDerWeide.

Judy and her husband, Doyle, also attended the Honor Dinner for the Continental Region. It was hosted by Wilfred A. Romero, CLU, regional vice president.

Jonnie, Kirby and Heidi visited with Kelli jon and also with Kirby's parents, Mr. and Mrs. Owen Williams, enroute to Friona.

Luther and Clessy Stroud are home again. They've been down to El Paso to get acquainted with Clessy's newest grandchild.

Little Jennifer Lynn, who was born October 29, is the daughter of Dr. and Mrs. W.W. Follett.

June Kendall of St. Joseph, Missouri, is visiting in the homes of Mr. and Mrs. Gary Elam, Michael, Montessa and Nikki, and Mr. and Mrs. Butch Barker and children, Billy, Kristen and Adam.

Mrs. Kendall, the former June Elam, lived here several years ago. She is Gary's and Linda's mother.

Dr. and Mrs. Paul Spring and Johnny, the Wesley Barnetts and the George Fries were among the Frionians who attended the football game at Texas Tech University, Lubbock, Saturday.

Didn't hear any report from anyone except Dr. Paul and his comments indicated that he wasn't very happy with the final score.

Mr. and Mrs. Don Loafman and

son, Wade, who live in Plainview, visited their Friona kin Sunday. Don is the son of the Loy W. Loafmans, who live east of town, and Janice is the daughter of Mrs. C.W. Wright, 1203 Pierce.

Mr. and Mrs. Smith Treadwell of Alto, New Mexico, have been visiting in the home of her parents, Mr. and Mrs. Newman Jarrell Sr.

Several members of the family of Mr. and Mrs. Tom Gibson were Sunday guests in the home of Mr. and Mrs. Arthur Corbitt of Dalhart. Mrs. Corbitt, who was observing a birthday, and Mrs. Gibson, are sisters.

Others present were Mr. and Mrs. Elmo Barrett, Amarillo; Mrs. Glenn Hill and daughter Sandra, Farwell; and Mr. and Mrs. Thomas Gibson and daughter, Melissa, Copeland, Kansas.

Also Mr. and Mrs. Lee Gibson and children, Mitch, Trisha and Tracy and Randy Osborn, all of Friona; Mr. and Mrs. Dan Corbitt and Mr. and Mrs. Derk Garth, Dalhart; and Neil Corbitt, Temple, Texas.

Conviction is worthless unless it is converted into conduct.

He received his seminary degree from St. Paul's School of Theology in Kansas City, and while in seminary, served the Cummings-Nortonville charge.

In 1971, Archie came back to Texas and was in full connection with the Northwest Texas Conference. Pastors he has served prior to Friona include: Anton, First U.M.C., Lubbock, as youth minister; and Spur.

During his ministry, he has held various district and conference positions: Director of Senior High Camp, Chairperson for the Lubbock District Council on Ministries, and Conference Youth Director. He is presently on the Amarillo District Council on Ministries and the Conference Board of Ordained Ministry.

Echols has also been active in various civic and sports programs, such as Lion's Club, the Child Welfare Board, Ministerial Alliance, Boy Scouts, Little Dribblers, and Little League baseball.

Archie is married to Donna (Arnpriester) Echols, daughter of Rev. and Mrs. Noah Arnpriester of Falls City, Nebraska. Archie and Donna have two children, Daniel, eleven, and Michelle, nine.

Geary Brogden was born in Weatherford, Texas and graduated from Palo Duro High School, Amarillo. He attended Amarillo Junior College and Panhandle State University, Goodwell, Oklahoma.

Brogden has received a diploma through the Southern Baptist Extension Program-Religious Education. Churches he has served prior to First Baptist, Friona are: Highland Baptist, Amarillo; First Baptist, Liberal, Kansas; First Baptist, Memphis; and Second Baptist, Amarillo.

Students in the WTSU Department of Speech and Theatre will present "Fiddler on the Roof" at 2:30 p.m. Sunday, November 15, at Friona High School Auditorium.

WTSU students from Friona involved in the production are Mark Blankenship, freshman speech major, plays the role of Perchik, and Monique Osborn, freshman elementary education major, is a member of the chorus. Phillip Duggins, a graduate student in speech, is director of the production.

About 50 students from the WTSU Department of Speech and Theatre participate in the traveling show, which was begun last spring semester to recruit students for the department. Students performed a variety show at area high schools.

"It's like taking a complete theatre when we travel," said Duggins. "The only things the towns are supplying are a building and a piano. We bring everything else."
