AT TOWN HALL MEETING

Hance Says Congress Is Behind President

CONGRESSMAN KENT HANCE, speaking in a "Town Hall" meeting in Friona on Saturday, said that he thinks congress is going to back President Reagan's programs, including the sweeping budget cuts which the president has proposed.

Hance said that the support the president is getting in congress is much better than is being portrayed on the television news each day. "They have to focus on the controversial, and usually what the news shows is the most outlandish statements made that day," Hance said.

The ex-Dimmitt resident pointed out that his own House Ways and Means Committee went the "extra mile" by offering President Reagan even more millions in tax cuts than his office had asked for.

Hance says that there is a saying making the rounds, dealing with the tax cuts. It goes something like this: "Don't cut you; and Don't cut me; cut that fellow behind the tree...that you can't see!"

The congressman feels that there is less than a five per cent chance that this section of the country will receive the controversial MX Missile system, and his estimate has fallen considerably since he was in the area last fall, when he thought the chances were less than 10 per cent.

However, this time around, he adds a "zinger." He thinks there is a 75 per cent chance that the MX Missile system will be scrapped completely, due to its out of this world price tag, and also the fact that it would be outmoded before it ever was operational.

Hance is the second-youngest member on the important House Ways and Means Committee. His selection to that committee was good testimonial as to the esteem in which he is held by his colleagues.

Our district is fortunate to have someone like Kent Hance representing it in congress. We hope the re-districting process doesn't cause those of us in Parmer County to be shifted out of his district.

We enjoy having him as our congressman.

Final Date Slated For Histories

The Parmer County Historical Commission has set the final deadline for submitting all written items for inclusion in the Parmer County History Book as April 5, 1981.

"This also includes pictures and snapshots of former years and those of today. We need pictures of crops, machinery and methods of farming, old and new," says Grace Whitefield, co-chairman of the book project.

"We still have room for remembrance accounts for the General History section. These are all given free space," Mrs. Whitefield says. "If you can't type, send them in and we will have them typed."

"If any business or company has not been contacted, we urge you to write your story (or ad) and mail it to: Parmer County History Book, Box 577, Friona, Texas, 79035. Rates are \$180 for a full page, which will accommodate 1500 words; \$100 for 1/2 page--750 words; \$60 for 1/4 page, --325 words. Pictures only may be used to tell the story, if you like," she said.

Deadline for ordering History books is May 1, 1981. Price of the book is \$35. All orders must be prepaid when ordered. Anyone can order as many books as they desire and pay for in advance, to do with as they please.

"We don't want anyone left out," the book chairman said.

The Parmer County Historical Commission will have its regular monthly meeting April 2, at 3 p.m. at the Congregational Church Fellowship Hall, North Euclid Street, Friona. The public is invited.

Congressman Kent Hance addressed a group of his constituents from the area at a "Town Hall" meeting in Friona last Saturday.

The meeting was one of a series which the congressman conducted. He also spoke at Dimmitt, Hereford and Muleshoe the same day.

Hance said that he was fully behind President Reagan's proposal to cut the national budget and his attempts to curb the spiraling inflation rate.

But he allayed fears connected with social security payments. "Social Security payments will not be affected," Hance said.

Hance said that he felt the president is receiving more than adequate support from congress to get his budget proposals passed. "I predict that he will get more than 90 per cent of the cuts he is proposing," Hance said.

He said that under Reagan's proposal, food stamps would be cut some 15 per cent. FHA loans would be cut 20 per cent. The legal services, such as Texas Rural Legal Services, would be cut completely out, under his proposal.

"If we give the president every penny that he is asking for in budget cuts, the federal government will still be spending about 55 billion dollars more next year than this year--so his cuts are not that severe; if anything it should be more," Hance said. "A group of us met with him in the White House and promised to vote for most of his budget cuts, and gave him a list of \$11 million in added cuts that he could make," Hance said.

"He was very pleased to get the recommendations from our group, since so many had been showing up and complaining," the lawmaker said.

"In the Ways and Means Committee, President Reagan asked for cuts of \$8.7 million, and we gave

him \$8.84 million, or more than he asked for."

On other subjects, Hance said that Congress has to look into the possibility of re-instating some sort of draft system. "If not, we'll face some severe problems in the next five years. The voluntary Army has just not worked," the Congressman said.

Hance predicted that there would be some type of SALT treaty passed within the next three or four years, but it would be one more favorable to the U.S., and one which could be verified.

"You're seeing on the part of President Reagan and Gen. Alexander Haig a 'get tough' policy (with Russia), because he is trying to increase his bargaining power when he goes in to make a SALT treaty."

In other matters, Hance touched on:

*Poland--if the USSR invades, there is nothing that the U.S. can do about it.

*President Carter--the Camp David Peace accord between Egypt and Israel will go down as one of his major accomplishments. Hopefully, we can add other Mid-East nations to the agreement.

*We are dependent on the Middle East for 35-45 per cent of our oil. "You can see what would happen if this community, for example, lost 45 per cent of its gas and oil overnight. We'd like to tell them to take that \$40 oil and keep it, but we have to have it."

*Egypt and Israel are the keys to the Middle East. If we can keep them from fighting, that will be a big help.

*Foreign aid: President Reagan's budget is about one per cent below Carter's. Some of the foreign aid we invest will pay off and some won't. One good example is Egypt, which took our foreign aid and threw the Russians out of their country.

*What happens in El Salvador and

Central America in the next five years will determine what happens in Mexico. The worst thing that Reagan could do in this situation would be to do nothing.

*The Farm Bill: target prices will probably be eliminated, but loan prices may be raised. For the first time ever, a hearing on the farm bill will be held in West Texas, in Amarillo and Lubbock, in April.

*Grain embargo: "I predict it will be lifted, with a new agreement, in September. We only cut 10 million metric tons of grain. I voted not to sell them ANYTHING, but really it's to our advantage to get the Soviet Block dependent on us for more and more of their grain. We need to get them 'locked in' on our grain, like we are to the Mid-East's oil."

*MX Missile: "I feel there is less than a five per cent chance we'll get the system in West Texas, due to the extra cost. In fact, I think there is a 75 per cent chance that the MX system will never be built. It would be the largest project in the history of the world."

Hance devoted some 30 minutes of his meeting to questions and answers, answering questions on a variety of subjects.

In spite of high winds and disagreeable weather, the meeting was well-attended by residents of the area.

POSTER CHILD....Kelli Mitchell of Bovina has been chosen as March of Dimes Poster Child for the South Plains Area. Shown with Kelli is Lubbock television personality, B.J. Hefner. (Photo courtesy of Lubbock Avalanche-Journal)

Officers Investigate In Beating Incident

The Parmer County Sheriff's department is investigating an incident involving the severe beating of Cora Snyder, near Friona early last Tuesday morning.

Mrs. Snyder and her estranged husband, Charles Franklin Snyder, were discovered in an automobile south of Friona by an investigating officer.

Department of Public Safety patrolman Art Lopez said that he received a call at about 9 a.m. Tuesday, March 24, from a farmer, reporting a possible DWI. The car had been spotted at the scene before daylight that morning.

Lopez said that when he arrived at the scene, about a mile south of town on Highway 214 and .1 mile east, he found the Snyders inside a Subaru.

Snyder was in the front seat and was unconscious. Mrs. Snyder was in the back seat and was conscious.

Lopez said Mrs. Snyder had been badly beaten, apparently with a gun. There was blood all over her clothing, the car, and on the ground outside.

Lopez immediately summoned Friona Ambulance, and the Snyders were taken to Parmer County Community Hospital. On

Wednesday, Mrs. Snyder was transferred to an Amarillo Hospital.

Candidate Night Set Thursday

A "Meet the Candidate" night, sponsored by the Friona Chamber of Commerce, has been scheduled for Thursday night, April 2. The meeting will begin at 7:30 p.m. at the Friona High School Cafeteria.

All of the candidates for the Friona School board and the Friona City Council have been invited to attend the seminar.

Danny Kendrick, president of the Chamber of Commerce, says that each candidate will be given an opportunity to speak, and that questions from the audience will then be allowed.

Every voter is invited and urged to participate in the meeting.

Investigators said that Snyder allegedly brought his estranged wife to Friona at gunpoint, and then apparently before arriving at their destination, had apparently beaten her badly with the weapon.

Snyder was released from the local hospital on Thursday, and has been admitted to Central Plains Hospital in Plainview.

The investigation was continuing late in the week. No charges had been filed at the Star's press time.

Mrs. Snyder underwent surgery Wednesday in an Amarillo hospital, and was listed Friday morning in "stable" condition.

Temperatures

Dates	Hi-Low
Saturday, March 21	69-42
Sunday, March 22	60-36
Monday, March 23	53-31

Wednesday, March 25	68-41
Thursday, March 26	60-37
Friday, March 27	77-40

No precipitation.

Absentee Vote Ending; Election Set

The Friona School Board and City Council elections will be held jointly on Saturday, April 4 at the Friona Fire Station, from 7 a.m. to 7 p.m.

Absentee voting for the two elections will end on March 31.

The two local races have drawn one of the largest field of candidates in history, with nine names on the school ballot, and five vying for spots on the city council. Two members will be elected to the school board, and three to the council.

The nine school board candidates are profiled in a special series inside this issue. The city council candidates will be featured in next week's issue, so voters may want to make a note of this.

Bovina Youth Chosen As Poster Child

Kelli Mitchell, daughter of Mr. and Mrs. Larry Mitchell of Bovina, has been chosen as the March of Dimes Poster Child for the South Plains Area.

She will attend several programs linked with the March of Dimes. Among the activities, on April 20, at 11:30 a.m. on Channel 28, (Cable Channel 6 for Bovina), Lubbock, she will appear on Morning Magazine.

On April 25, Kelli will be at the "Walk-America" Walk-a-thon in Lubbock; May 1-3 she will appear at the Festival of Arts in Lubbock. Kelli has been scheduled for several other activities, but the schedule isn't complete at this time.

Mrs. Mitchell is the former Donna Garner, a graduate of Friona High School.

RECEIVES AWARD....Jimmy Taylor, president of the Parmer County division of the American Heart Association, holds a "Heart and Torch" award the local unit received for exceeding their previous fund-raising record.

Heart Assn. Gets Award

The Parmer County Division of the American Heart Assn. has received a special award from the national organization.

The local organization received the "Heart and Torch" Award, for exceeding all previous fund-raising records during the drive of 1980.

The county ranked 48th in the state for its efforts in raising \$3,218.00 during the 1980 drive, according to Jimmy Taylor, president of the Parmer County chapter.

The local chapter conducts training sessions in CPR (Cardio-Pulmonary Resuscitation) in the various communities.

Taylor pointed out that residents wishing to make memorial contributions to the Heart Assn. throughout the year may do so through their local bank, or to Alma Pearson of Bovina, who is the county chairman for memorial gifts.

VISIT CONGRESSMAN....Lora Mae McFarland, right, and Judge Porter Roberts, center, were among those who stopped by to speak to Congressman Kent Hance following the congressman's "Town Hall" meeting in Friona last Saturday. A good crowd participated in the event.

Fertilizer Users Are Given Safety Tips

Spring time in Texas! It's time to plant and time to fertilize. It's also time—if you work with agricultural chemicals—to protect your eyes. If you don't, warns the Texas Society to Prevent Blindness, you risk serious eye injury, even blindness.

"Reports from hospital emergency rooms over several years show that chemicals have been responsible for nearly two-thirds of all agricultural eye injuries," says Elvin J. Schofield, Society president. "Yet with eye protection and proper precautions, 90 per cent of these eye injuries could have been prevented."

"Anhydrous ammonia is the most powerful and dangerous of these chemicals," he went on. "In the soil ammonia means abundant crops; in the eye, however, it can mean tragedy for within seconds of contact it begins to destroy the cells and tissues of sight."

"For this reason, the Society urges that all who work around such chemicals wear safety goggles," he went on. "The goggles should fit snugly around the eye area and have hooded vents that will keep out liquids. For maximum protection a face shield should also be worn over the goggles."

In addition to urging safety eyewear, the Society has other safety tips for those handling agricultural chemicals.

*Study the product's label for correct use and observe listed precautions.

*Thoroughly understand how to

operate any equipment prior to use.

*Always store pesticides in their original containers, keeping them tightly closed.

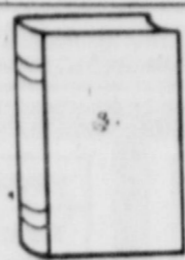

*Always carry at least five gallons of plain water on tractors and other farm equipment. Then, if an accident should occur, flush the eyes with water instantly, continuing for at least 15 minutes, with the eyelids held open.

"Seek medical attention immediately," Schofield stressed. "Delay will only increase the chances of sight loss. Also, never put salves or ointments into chemically injured eyes; they tend to complicate first aid and later medical treatment."

The potentially blinding effects of anhydrous ammonia are graphically presented in a film called "For The Rest Of Your Life." The film is available for loan without charge from Prevent Blindness, 3211 West Dallas, Houston, Texas, 77019. More information on farm eye safety may also be had in the Society's brochure, "Blinding Facts About Eye Safety On The Farm." For a free copy send a long, stamped self-addressed envelope to Prevent Blindness.

The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, the oldest voluntary health agency nationally engaged in preventing blindness through community service programs, public and professional education and research.

The Texas Society to Prevent Blindness is an affiliate of the National Society to Prevent Blindness, the oldest voluntary health agency nationally engaged in preventing blindness through community service programs, public and professional education and research.

Book Talk

By Nelson Lewis

There is a distinct possibility that plain old unadulterated ignorance is responsible for much of the controversy surrounding the current Battle of the Budget. Selfishness must also be considered. But, given a choice, most people had rather plead dumb than greedy.

As arguments develop it becomes apparent that those who occupy the Seats of the Mighty are no more familiar with the principles upon which our government is based than is that well-known character--The Man in the Street.

The present situation might be termed "The Little Red Hen Syndrome." Everyone in the national barnyard wants to share in the goodies as long as they are not asked to contribute any effort to help produce them.

America cannot be called a greedy nation. Of all the wars she has engaged in, she has never taken over another peoples' homeland.

Perhaps "ignorant" is too strong a word. "Forgetfulness" is a kinder term and in all truth may be more accurate.

Assuming the latter to be true, it is high time to refresh the memory.

What better way than to review some words of wisdom that have been honored and accepted as truth for more than two hundred years?

The source used is "John Bartlett's Familiar Quotations--Centennial Edition."

"It is to be regretted that the rich and powerful too often bend the acts of government to their selfish purposes....Every man is equally

entitled to protection by law; but when the laws undertake to add...artificial distinctions, to grant titles, gratuities, and exclusive privileges, to make the rich richer and the potent more powerful, the humble members of society--the farmers, mechanics, and laborers--who have neither the time nor the means of securing like favors to themselves, have a right to complain of the injustice of their government." Andrew Jackson.

"Society in every state is a blessing, but government, even in its best state, is but a necessary evil; in its worst state, an intolerable one." Thomas Paine.

"Government is a trust, and the officers of the government are trustees; and both the trust and the trustees are created for the benefit of the people." Henry Clay.

"There must be, not a balance of power, but a community of power; not organized rivalries, but an organized common peace." Woodrow Wilson.

"The very essence of a free government consists in considering offices as public trusts, bestowed for the good of the country, and not for the benefit of an individual or a party." John C. Calhoun.

"A power has risen up in the government greater than the people themselves, consisting of many and various and powerful interests, combined into one mass, and held together by the cohesive power of the vast surplus in the banks." John C. Calhoun.

"Still one thing more, fellow

citizens--a wise and frugal government, which shall restrain men from injuring one another, which shall leave them otherwise free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned. This is the sum of good government, and this is necessary to close the circle of our felicity." Thomas Jefferson.

"The less government we have, the better--the fewer laws, and the less confided power." Ralph Waldo Emerson.

"That is the best government which desires to make the people happy, and knows how to make them happy." Thomas Babington, Lord Macaulay.

"There is one thing better than good government, and that is government in which all the people have a part." Walter Hines Page.

"I am against government by crony." Harold L. Ickes.

"The basis of our government being the opinion of the people, the very first object should be to keep that right; and were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter." Thomas Jefferson.

These are but a few of the one hundred twenty-one similar quotes in the book noted above.

Concerned citizens will find an hour spent in the Friona Public Library's research room a rewarding experience.

Thelma Kane's Rites Held

Graveside services for Thelma May Kane, 62, of Friona, were held Monday, March 23 in the Friona Cemetery with Rev. Murle Rogers, pastor of Calvary Baptist Church, Friona, officiating.

Burial arrangements were under the direction of Parsons-Ellis Funeral Home.

Mrs. Kane died Saturday, March 21 in her home.

Born August 13, 1918 to Henry and Mary McGee in Oklahoma, she had lived in Parmer County since childhood and had attended school in Bovina. She was a member of Calvary Baptist Church in Friona. She was married to Peter H. (Bill) Kane on August 27, 1954 in Juarez, Mexico.

Survivors include her husband Bill of the home; one cousin, Joe Wilson of Bovina and one niece, Sue McGee of Oklahoma.

Pallbearers were Ross Terry, Harold Taylor, Bob Finley, Harold Mays, Louis Murrietta and Conrad Martinez.

Dance Lessons

Are Set Here

Olga and Al Harris of Hereford will be giving country and western dance lessons in Friona starting May 1. Pre-enrollment is necessary and the fee will be \$40.00 for 10 lessons.

These lessons will include the two-step, Cotton-eyed Joe, put your little foot, the waltz and many other country and western dance steps.

To pre-enroll call Sue Rector, 247-3091 after 5 p.m. for information.

The Speaker Reports

by Bill Clayton

Austin--In November of last year a majority of Texas citizens voted in favor of a constitutional amendment that would authorize certain types of bingo games. The amendment called for the legislature to pass a bill permitting bingo games for certain charitable purposes on a local option basis.

Representative Lloyd Criss of Galveston has filed such a bill. House Bill 178 is designed to enable the governing bodies of counties, justice precincts or municipalities to call local option elections for the purpose of either legalizing or prohibiting charitable bingo games. Senate Bill 27, identical to House Bill 178, has been referred to a special subcommittee of the Senate State Affairs Committee for further study.

Under the provisions of the proposed legislation, an election would be called only if petitions bearing signatures equal to, or greater than, 25 percent of the number of votes cast in the last gubernatorial election are filed with the governing body of either a county, justice precinct or municipality. Petitions may call for elections to either legalize or prohibit bingo games. If a petition is validated by the county clerk of a given area, an election must follow within 60 days.

Those charitable organizations which would be allowed to sponsor bingo games include volunteer fire departments, fraternal organizations, religious soci-

eties, nonprofit groups and veterans organizations. Specific requirements which must be met by all groups are outlined in the bill.

Many concerns have been expressed as to the future ramifications, if any, of authorizing bingo games. Certainly it is difficult to make absolute predictions as to the end results of making this change. However, during the next few months I am confident that the authors of House Bill 178 and Senate Bill 27 will be working closely with the Attorney General's office and others necessary to ensure that the most effective and foolproof piece of legislation is enacted with regard to bingo games.

Church Sets Youth Fete

The Youth Department of Calvary Baptist Church will host a skating party this Saturday night, March 28 in Clovis. The group will meet at 7 p.m. and leave from there to go to Clovis.

The Youth Department is also sponsoring a Wednesday Bible Study in individual homes and will be taught by Dennis Noblett, church youth director.

Any interested persons may obtain additional details for both the skating party and Bible study by calling the church at 247-3000 between 9 a.m. and 12 noon or through any member of the Youth Department.

Our new name... a Commitment to you

We have been known as Pioneer Natural Gas Company in West Texas for many years... but often confused with many other "Pioneer" companies.

Now we are Energas... a simple, distinctive new name to quickly and easily identify our company and our tradition of supplying efficient gas energy.

Our name has changed, but our commitment to West Texas remains the same. Assured supply and reasonable rates consistent with prompt customer service continue to be around-the-clock responsibilities of the dedicated people who now call themselves Energas.

Over the past ten years, the domestic energy situation has changed significantly. Energy prices today reflect the increased competition for the available supply and the increased cost of finding and producing it.

Energas customers are partners in helping to solve our national energy problems. Wise use of energy is a consumer responsibility; exploration, production and efficient distribution are industry responsibilities.

The business of gas distribution is complex, but the Energas priority is simple... dependable supply and efficient service to 72 communities across a 50,000 square mile region.

Your Gas Company is Now **ENERGAS**

ENERGAS

Energas is delivering. Energas... your gas utility.

Around The House
 By LAURA JACOBS
 Last week I attended a conference on Food and Nutrition and learned several new things which I will be sharing with you in the next months.
 Many of you may be storing food in plastic garbage bags. This is a practice you need to stop today. Some garbage bags are treated with insecticide and this can contaminate your food.
 Sometimes food is stored in bulk in plastic garbage bags. For instance, I know people freeze corn-on-the-cob in garbage bags. At large gatherings we might be tempted to keep ice in garbage bags. Don't do it!
 Plastic used in making garbage bags is different from the plastic used in food storage bags. Add this to the insecticide some bags are treated with, and you cannot be sure what substances are getting into your family's food.
 This is one convenience you should learn to live without. Store food in containers designed for food storage, not garbage bags.

To each his own bedrooms, 4 of them....plus a formal living room, den with fireplace, cheerful kitchen and 3 baths. \$50,000.00

Squaws Capture Bovina Track Championship

The Friona Squaws captured the championship of the Bovina Relays last Saturday, rolling up 109 points to

Netters Take Wins In Matches

Mike Maynard won first place in boys singles in the tennis tournament at Plainview last Friday and Saturday. Maynard took the title in a field of some 30 players. He was unseeded prior to the matches.

The team's freshmen players also did well. Ronald Briggs and Charlie Veazey battled to the finals of the singles, with Briggs scoring a win.

In freshman doubles, Matt Loftis and Johnny McLellan placed third.

The team was competing in a tournament at Dimmitt on Friday, with some 15 schools expected.

88 for runnerup Idalou.

The team took the title with only one first-place medal, piling up five seconds, a pair of third places and four fourths.

Held in windy, cold weather, the times and marks were not the best, but the Squaws took a lead and held on to it.

The team got a first-place performance from Pat Harris in the 800-meter run, with a timing of 2:52.9. Sandra Leal placed fifth, and Teresa Villalobos sixth in the event, for 13 points in the race.

Friona also had a near sweep in the 400 meter dash, where Sherry O'Brian placed second in 66.0. Shawn Osborn was fourth, and Rene Noland fifth.

The mile and 400-meter relay foursome each placed second, adding 16 points in each event, and the 800-meter relay team placed fourth.

Members of the 400 and 800 meter teams are Kayle Britting, Cara Brockman, Stephanie Lane and Diane Johnston.

Members of the mile relay

foursome are Pat Harris, Sherry O'Brian, Shawn Osborn and Rene Noland.

Wenetter Jackson placed second in the shot put at 32-0 $\frac{3}{4}$, and third in the discus with a toss of 91-9 $\frac{1}{2}$.

Rene Noland was second in the triple jump at 34-2 $\frac{1}{2}$, and third in the long jump at 16-6.

Shawn Osborn was fifth in the triple jump at 32-5, and sixth in the long jump with a best jump of 15-1 $\frac{1}{2}$.

Other point-makers included Francis Saiz, fifth in the mile; Gayla Stowers, fourth in the two mile, and Diane Johnston, fifth in the low hurdles.

The high jump, which has been a good event for Friona, was not held due to the high wind.

FHS Relays Are On Tap Saturday

Eight schools will take part here Saturday in the annual Friona Relays, with preliminaries in the running events and finals in some field events to begin at 9 a.m.

Teams entered in the track and field meet include Vega, Bovina, Lazbuddie, Littlefield (boys only), Hart, Friona, Dimmitt (boys only) and Muleshoe.

The schedule will be as follows (girls events first, followed by boys events, unless otherwise noted):

9 a.m.—400 meter relay; 9:30 a.m.—girls 400 meter; 9:55 a.m.—boys high hurdles; 10:15 a.m.—girls 200; 10:30 a.m.—boys 100; 10:45 a.m.—girls low hurdles; 11 a.m.—boys 400; 11:20—girls 800 relay; 11:40—boys int. hurdles; 12:05—girls 100; 12:20—boys 200.

9 a.m. (finals) girls triple jump, girls discus, boys shot put and pole vault. 11 a.m.—girls shot put, boys long jump, discus and high jump. 1:30 p.m.—girls long jump and high jump.

Running finals: 2 p.m.—400 relay; 2:10—3200 run; 2:30 p.m.—800 meter run; 2:55—girls 400 meter; 3:05—boys high hurdles; 3:15—girls 200 meter; 3:30—boys 100.

3:40 p.m.—girls low hurdles; 3:50—boys 400 meter; 4 p.m.—girls 800 relay; 4:10—boys int. hurdles; 4:20—girls 100; 4:30—boys 200; 4:40—1600 run; 5 p.m.—2600 relay.

Chiefs Score At Plainview

The FHS Chieftains placed fourth at the Plainview track & field meet last Saturday.

Top performances were by Tony Jackson, first in the 220, 23.3 $\frac{1}{2}$; Tony Lafuente, second in the two-mile, 11:08.5; and Mark Montoya, second in the pole vault, at 9-6.

Chitto Caballero placed second in the intermediate hurdles at 41.5, and third in the highs at 15.1.

Robert Osborn placed fourth in the intermediates and fifth in the highs. Eloy Caballero was fifth in the long jump.

The Chiefs' 440 and mile relay teams each placed fourth.

SQUAW RUNNER....Kayle Britting, sprinter for the Friona Squaws track team, is shown hitting the finish line in a race at Bovina. Kayle runs the 100 meter race, and also is a member of the 400 and 800 meter relay teams.

CLUB EVENT SET....The "Spring Fling," sponsored by Progressive Study Club, will be held next Saturday, April 4 at Senior Citizen Friendship House, 15th and Washington. A style show will be presented by Ruthie's Ladies and Children's Wear. Above, Beth Thompson of Ruthie's shows Sue Beene, club representative, one of the new spring styles.

Spring Fling Set April 4

The Progressive Study Club will sponsor their annual "Spring Fling" Saturday, April 4 from 11 a.m. to 3:30 p.m. in the Senior Citizen Friendship House, 15th and Washington.

Lunch will be served, a style show will be presented by Ruthie's Ladies and Children's Wear, door prizes will be awarded and persons attending may play bridge.

Tickets for the event may be purchased from any member of the Progressive Study Club, and should be purchased in advance.

Boosting the home town does help it develop and sometimes works up commendable civic pride.

Businesses grow when someone mixes hard work and intelligent efforts; few men wake up to find themselves rich.

POINT MAKER....Shawn Osborn stretches on this long jump effort at Bovina. Miss Osborn placed sixth in the long jump and fifth in the triple jump. She also was fourth in the 400 meter race, and ran on the second-place mile relay team.

Payments Show Gain

State Comptroller Bob Bullock Wednesday said 960 Texas cities shared nearly \$100 million in city sales tax rebates in February.

Bullock said his office sent a total of \$91.5 million to cities levying the optional one percent city sales tax.

He said the January-February payments to cities this year is more than \$30 million higher than the same period last year.

The payment received by the City of Friona for the period amounted to \$13,916.51. This was more than double the payment for the same period of the previous year, \$6,341.96.

To date in 1981, the sales tax rebate for Friona has come to \$17,456.55, and 82 per cent gain over the \$9,573.12 as of the same time in 1980.

Quarterly sales tax filers—including holiday sales in the last quarter of 1980—generated the higher amounts of revenue to the cities, Bullock said.

Houston's check this month will be for \$18 million, compared to a \$7.3 million rebate for February last year.

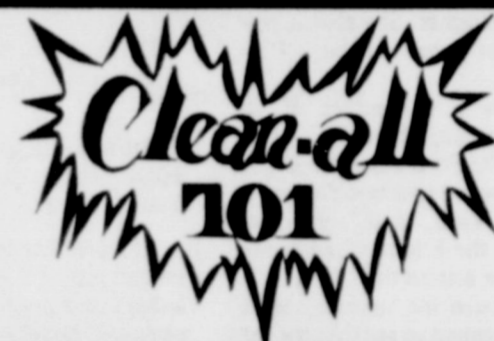

Dallas received \$10.5 million, a \$5.9 million increase over the same period during 1980.

Fort Worth's check totaled \$3.4 million this month, compared to \$1.5 million last February.

San Antonio will receive a check for \$4.9 million this month compared to \$1.8 million for February of 1980.

January-February city sales tax rebated for 1981 total \$124.7 million, compared to \$60 million during the same two-month period last year.

The city sales tax is collected along with the state sales tax by merchants and businesses and rebated monthly to the cities in which it is collected by the Comptroller.

"701" can be used to clean carpeting; either an individual stain or an entire room. THESE ARE A FEW OF THE STAINS THAT CAN BE REMOVED:

- | | | | | |
|--------------|------------|----------|-------------|-----|
| GREASE | PET STAINS | WINE | OIL | GUM |
| LIQUOR | SODA | COFFEE | SOME INKS | |
| GLUE | PAINT | VOMIT | GRAPE JUICE | |
| WATER STAINS | CANDLE WAX | HAIR DYE | | |

Note: The success with which a stain can be removed depends on the length of time it has been in the carpet, and whether or not another chemical has been used previously on the stain.

Sketches On School Board Candidates

LINDA STRAW
LINDA STRAW

Linda Straw is a native of Olton. She attended public school there, and graduated from Olton High School. She also attended West Texas State University.

She and her husband, Jack Roye, have lived with their family in Friona for the past four years. They are parents of three boys: twins Roye and Rod, 20, and Scot, 15.

Linda attends the Methodist Church, and is a past member of the administrative board and has been a Sunday School teacher.

She is a member of the Hereford chapter, Order of Eastern Star, the Avihk Temple, Daughters of the Nile, and is a member at large of Beta Sigma Phi, having served as president of her local chapter. She also is past president of her local PTA organization.

Mrs. Straw is a member of the Chieftain Parents, where she was an officer, and the Friona Booster Club.

She has worked as a bookkeeper at Paco Feed Yard, and served as secretary for the Friona Chamber of Commerce for a short time.

"I feel I have the common sense and good judgment to see that the tax dollar is well spent for the education of our children," she says.

JERRY BROWND
JERRY BROWND

Jerry Brownd, 39, has lived in Friona for the past 18 years, where he has been engaged in farming.

He and his wife Erma are parents of two daughters: Jana, 18, and Sherri, 16.

Brownd is a member of the Friona United Methodist Church, where he is member of the pastor-parish relations committee.

He is a former director on the Chamber of Commerce, is finishing his second term on the Friona City Council, is a former director of the Friona Country Club, and a member of the Friona Masonic Lodge, being a past Worshipful Master.

He is a member of the board of directors for Friona Farmers Co-op Gin.

Brownd is a graduate of Levelland High School, and attended South Plains College.

"I would like to be able to serve my community in this capacity, and believe that my experience in serving on other boards in the Friona area qualifies me for the job," Brownd says.

PAT FLEMING
PAT FLEMING

Patricia Fleming was born and raised in Burkburnett. She and her husband Howard are parents of four sons. Charles, 21, is a senior at Texas Tech; David, 19, is a freshman at Tech; Andrew is 16, a junior at FHS, and Bruce, 12, is a seventh grader.

The Flemings have lived in Friona for 16 years. Howard is owner of Hub Grain and Fleming Fertilizer, and also is involved in farming and in the cattle and feedlot business.

Pat and her family are members of the Friona United Methodist Church, where she has served as a member of the Administrative Board for six years, as secretary for three years. She served two years as superintendent of the church-wide Sunday School program, has spent a year as coordinator of the children's Sunday School division, and is a member of the Women's Sharing Group.

Mrs. Fleming has been a member of the board of directors of the Farmer County division of the American Heart Association for three years, and is currently serving as CPR chairman for the county. She is a certified CPR instructor-trainer and teaches CPR in the community and county, and has taught it to the health

classes at FHS the past three years on a voluntary basis.

She has been in charge of the Heart Fund drive in Friona, and is a state registered Emergency Medical Technician.

Mrs. Fleming is a member of the Hub Ladies Club, and has been a club officer. She was vice president of the P.T.O. when the group's project was to pave the street west of the grade school.

She has served as an office secretary, and does all of the family's personal and business bookkeeping.

"I believe that the purpose of Friona Independent School District is to provide a quality education for our children; to help develop a well-rounded individual who can make a worthwhile life for himself and a meaningful contribution to society," she says.

Baptist Convention of Texas, an office he will hold through June.

Trevino is a 1972 graduate of Friona High School, and holds a BA degree from Wayland Baptist College.

"I have had seven years experience working with both Anglos and Hispanics, and I feel like I can interpret the needs of both segments of these societies. If elected, I want to keep in touch with the people, to better the quality of education in our school system," Trevino says.

JIM DIXON
JIM DIXON

Jim Dixon, 45, is a life-long resident of the Friona area. He and his wife Jane are parents of four children. Melodi, 21, is married and teaching school; Milon is 19, Milli is 14, and Mendan is 13.

The family attends First Baptist Church, where Jim is director of the Adult II department.

Jim is past president of the board of directors of West Texas Rural Telephone Cooperative, and is a former county director to the Texas Wheat Growers Assn.

He is a member of the Lone Star Runners Club, the American Hiking Society, and the Sierra Club.

Dixon is a stock raiser and a farmer in the Rhea community.

He is a graduate of Friona High School (1954), and of Texas A&M University (1958). He also is a graduate of the Radar Weapons Control School at Tyndall Air Force Base, and spent three years in the U.S. Air Force.

Among his other qualifications, Dixon says he can run 10,000 meters in 53:33.

"I am in favor of a quality education for our youngsters," Dixon says. He adds that he would represent the dryland farmers, the Rhea area, and the Christian community, if elected to the board.

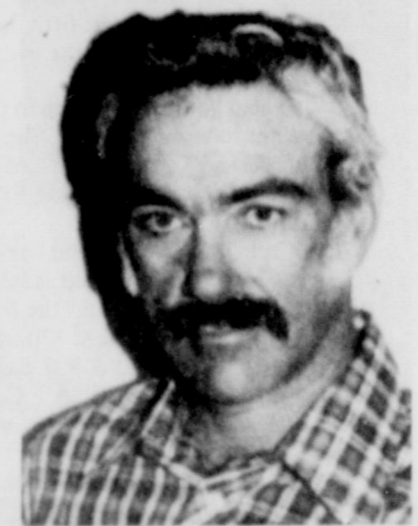

(Continued on Page 7)

RUDY TREVINO
RUDY TREVINO

Rudy Trevino, 27, has been a Friona resident for the past 15 years. He and his wife, the former Leticia Ann Carrasco, are parents of two children: Kristy Ann, 5, and Rudy Don, 1.

He is pastor of Templo Bautista, and has been a minister for the past seven years. He is currently serving as first vice president of the Mexican

PHILIP WEATHERLY
PHILIP WEATHERLY

Philip Weatherly, 42, has lived in the Friona area for the past 29 years. He and his wife, the former Phila May Buske, are parents of three children: Park, 20, Pepper, 18, and Penni, 16.

He is a member of First Baptist Church, where he serves on the church's Board of Deacons, and as a Sunday School teacher.

He has been engaged in farming and cattle raising for the past 22 years.

Weatherly is a graduate of Friona High School and attended Texas Tech University.

"I would like to help maintain the quality of education that our school district is accustomed to," Weatherly says.

Lightning Hair For Spring And Summer

Lightning Hair is flashing curls and waves back into fashion for Spring/Summer 1981.

Permed curled hair is an important fashion ingredient again.

According to National Hairdressers and Cosmetologists Association, the straight sleeked hair that has been present in the recent past was found not to be versatile enough to adapt to the variety of Spring/Summer fashions, which include Western, romantic, feminine and school girl designs. Lightning Hair provides the waves, curls, expansion and volume necessary for today's fashion line.

Expanded curls and waves are designed to add softness to facial structures in lengths ranging from at-the-shoulder to above-the-ear.

The design options for women includes curls with expanded width to the headshape, shoulder length waves, super short new wave looks with accenting fringe and versatile asymmetrical mid length cuts.

Lightning Hair is full of buoyancy and life for the active men and women of today.

LeROY BEREND
LEROY BEREND

LeRoy Berend, 43, has lived in Friona for the past 15 years. He is engaged in farming.

He and his wife Jo Ann are parents of two children, Roddy, 15, and Dana, 13.

Berend is a member of St. Anthony's Catholic Church of Hereford, where he has served as chairman of the Parish Council. He

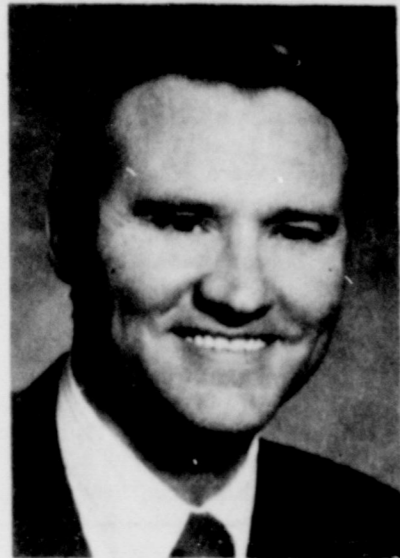

has also served as lector, and as song leader for the church.

He is a member of the Knights of Columbus.

Berend has been a farmer for 18 years, and prior to that worked in building construction and trucking. He also has experience in the cattle business.

He is a graduate of Gainesville High School, and served two years in the U.S. Navy, where he served as a hydraulics technician on a jet aircraft.

"It would be a chance to better serve my community," Berend says, as to why he would like to be elected.

ROBERT L. NEELLEY

ROBERT NEELLEY

Robert L. Neelley, 39, has lived in Friona for 15 years. He and his wife Connie are parents of three children: Ben, 14, Leigh Ann, 11, and Dan, 7.

He attends the Methodist Church, where he serves as finance chairman, lay leader, member of Methodist Men, and is a member of the Church board.

Neelley has served as president of Friona State Bank for the past ten years, and prior to that was with the Federal Intermediate Credit Bank and Production Credit Assn.

He is a member of the Friona Lions Club, is a past president, and is secretary of the board of directors for Friona Country Club.

Neelley has served as director for the Chamber of Commerce, same for Water, Inc., was a member of the Friona City Council for two terms, serving as mayor pro-tem.

He is a state director for Independent Bankers Assn. of Texas, and is chairman of the agricultural committee of that organization.

A graduate of Perryton High School, Neelley received his degree from Texas Tech University.

"I have three school-age children, and feel that I have an obligation to serve, if I expect to have input into how they are educated," Neelley said.

DWIGHT O'BRIAN
DWIGHT O'BRIAN

Dwight O'Brian, 35, has lived in the Friona area all of his life. He and his wife Gayle are parents of three children: Greg, 16, Sherry, 15, and Teresa, 12.

The O'Brians attend the Friona United Methodist Church.

He is a farmer, and farms southeast of Friona.

A graduate of Friona High School,

O'Brian attended Friona schools for 12 years.

"With three active children in school, I feel that I could be of service to the school and the community," O'Brian says.

The candidates for alderman positions on the Friona City Council will be featured in next week's issue of the Star.

Those candidates who have not filled in forms or supplied their pictures are reminded to do so by Wednesday of next week.

Noblett Named Interim Minister

Dennis Noblett, 23, has recently been called to serve as interim minister of youth and music at the Calvary Baptist Church here.

A native of Plainview, Noblett began his tenure last Sunday, March 22 and will serve part-time until the end of August.

A 1980 graduate of Wayland Baptist College in Plainview, Noblett finished with a B.A. degree specializing in journalism with additional minors in English and music. Before coming to Friona, Noblett served as minister of youth and college at First Baptist in Levelland. He currently substitute teaches in Plainview schools, and speaks for banquets and dinners.

While at Wayland, Noblett was involved in the Student Government Association, Student Union Board, Alpha Phi Omega fraternity, Baptist Student Union and worked as a disc jockey for KWLD-FM, the campus station. Noblett sang with the Wayland Singers Choir and served as president for two years, and also with the Wayland International Choir for two years.

Noblett was also student body vice president and president of the SGA Senate his fourth year, and served as editor of the school newspaper for three years and sports editor of the school yearbook for two

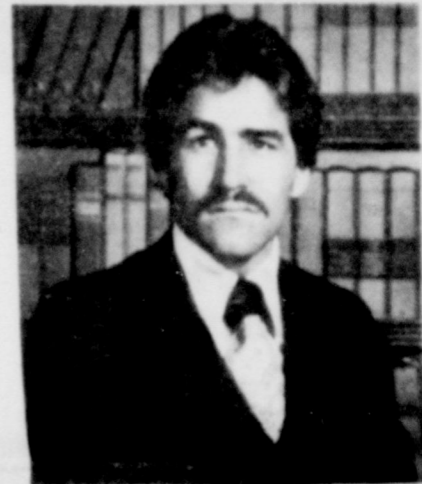

years. He was also a member of the Christian mime group "Clowns."

Named Sophomore Class Favorite and Campus Favorite in 1979, Noblett was also named to Who's Who as a first-year senior. He was also named a recipient of the coveted Wayland Spinning Wheels Award for three years and was beaur for Omega Phi Alpha sorority for two years. He was also chosen by the Senior Class to speak at their graduation last May.

A 1975 graduate of Plainview High School, Noblett was involved in the Key Club and Art Club, and served as class president and editor of the school newspaper his senior year. He also participated in Regional UIL journalism contests, won various art awards in regional competition, and made the honor roll. He was also a participant in the American Legion's Boys State in Austin, and named to Who's Who his junior and senior year.

Having served in churches in Levelland, Aiken, Sunray, Texas, and Spokane, Washington, Noblett plans to attend Southwestern Baptist Theological Seminary in Fort Worth this fall to obtain a Masters in Religious Education and go into church recreation and youth work.

UNA CARTA ABIERTA AL PUEBLO

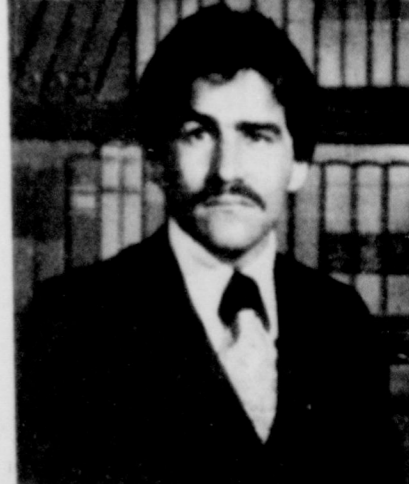

En una sociedad donde hay mas de una raza, es necesario que cada porcion de esa sociedad sea representada en los lugares de autoridad; para que la voz de cada division de tal sociedad sea oida y respetada. El 41.6 per cent de la matricula de las escuelas de nuestra comunidad son Mexico/Americanos. Los primeros Mexico/Americanos llegaron aqui a Friona a principio de la decada de los treinta. Se llevo mas de treinta anos hasta que el primer Mexico/Americano se graduara del "High School." Han ocurrido cerca de cincuenta anos y no tenemos un Mexico/Americano que nos represente en el "School Board."

Para que la calidad de educacion que nuestros hijos reciban sea mejor; es necesario que los dirigentes de la escuela sean mas sensibles a las necesidades de nuestros hijos, por lo tanto: Es necesario que un Mexico/Americano sea parte de este grupo de hombres que dirijen los programas que afectan la educacion de nuestros hijos. Yo como candidato para el "School Board," estoy conciente de las necesidades del pueblo, hare todo lo que esta de mi parte para que nuestros hijos tengan toda oportunidad para aventajar en la vida. SU VOTO POR MI EL DIA CUATRO DE ABRIL, CONTRIBUIRA HACIA EL FUTURO DE SUS HIJOS!

Sinceramente
Rudy Trevino

AN OPEN LETTER TO ALL FRIONA RESIDENTS

Our land is the land of opportunity, with a democratic society where every segment of society has an equal opportunity to serve. I have had an opportunity to get ahead in life, thanks to people in our community who took the time to educate me. I am speaking mainly of those teachers who cared and had patience with me, especially for my lack of understanding the English language. Yes, I struggled, but I didn't do it alone. There were teachers in this community who struggled along with me, so that I could learn not only the language but also graduate from "Our High School" and go on to college and get a B.A. degree. YES, THIS IS THE LAND OF OPPORTUNITY! Now I want you to give me another opportunity, that is to SERVE YOU on the school board.

As you go to the polls on April 4th, and vote for me, you are going to be giving me this opportunity.

Thank you,
Rudy Trevino

LINDA NELSON and LANCE LIGHT....Mr. and Mrs. Gray Nelson of Friona and Mr. and Mrs. Lewis Light of Marineal, Texas are announcing the engagement and approaching marriage of their children, Linda and Lance. The couple will be married in Friona at the Sixth Street Church of Christ on May 23 at 6 p.m. The bride-elect is a graduate of Friona High School and is a student at Abilene Christian University. The prospective bridegroom attended Highland School near Marineal and attended electrician school in Tulsa, Oklahoma. He is currently employed in Sweetwater on electrical construction.

Seventy Students Perform In Junior Music Festival

Seventy piano and voice students performed in a Junior Music Festival held here Tuesday, March 24 at the First Baptist Church.

The festival is a yearly event sponsored by the Texas Federation of Music Clubs. The teachers whose pupils participated are Linda Murphree, Sherri Taylor, Lucy Beth Hinkle and Johnnie Walters.

The students who participated and their ratings are as follows.

SECTION I

Special division: Shay Shirley, superior.

Primary I, Superior: Katherine Cortese, Sunny Dodson, Michelle Echols, Guy Ellis, Chris Hamil, Lance Outland, Danna Ralston, Raina Roden, Kristi Stephens and Lory Tannahill. Excellent: Marc Awtrey, Julie Brown, Corey Cunningham, Sherry Cunningham, Lori Fulks, Ashlee Gee, Dempsey Jordan, Dee Ann Ray, Missy Smith and Deena Willard.

The judges were Mrs. Elaine Damron of Muleshoe, Mrs. Carlie Burdett of Hereford and Mrs. Weldon Moody of Bovina.

Local Group Attends Dr. Workshop

B.K. Buske, Dr. Lee Spring, Danny Kendrick, Fred Church and Robert White recently attended a Physician Placement Seminar sponsored by the Texas Academy of Family Physicians in Wimberley, Texas.

The seminar was designed to bring together second and third year residents in Family Practice Residency programs, interested in setting up practice in a rural area, with community representatives that are seeking family physicians for their areas.

Most of the 19 communities represented were from areas with populations less than 30,000. A total of 26 family practice residents attended. The seminar was held January 24 and 25 at the Woodcreek Resort in Wimberley. It was a well-attended affair.

The Friona delegation was flown to the seminar by Friona Industries, which furnished the use of its company plane.

The Friona Chamber of Commerce has established a committee to assist the hospital in whatever way it can in regard to recruiting doctors, Danny Kendrick says.

Ask the Land Bank about... money to buy land or improve your farm.

Farmers today are looking at ways to increase their productivity... buying or improving land... building or remodeling facilities.

Whatever way you choose to grow, the Federal Land Bank can provide long-term credit to help.

So when you're looking to buy or build, stop in and talk to the long-term farm credit specialists at your Land Bank Association.

H&R BLOCK TAX TEST

Medicare 'B' payments made by persons receiving Social Security benefits are deductible.

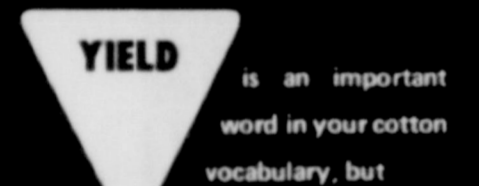

True False

For older persons on a fixed income, H&R Block has the right answer to this and other questions regarding special tax credits and deductions for those taxpayers. If you itemize, the answer is TRUE. Because these payments are simply withheld from benefit checks during the year, they are often overlooked at tax time.

WE'LL MAKE THE TAX LAWS WORK FOR YOU

Carol Ellis Gives Study Club Program

Members of Modern Study Club met Tuesday evening, March 17 at the Federated Club House for a program on "Traveling in Texas."

Carol Ellis presented a film entitled "Texas, Land of Contrast" which was supplied by the Texas Highway Department. Prior to the showing of the film, 24 members answered roll call with tips on places Not to go when traveling.

Darrel Roths Have Baby Boy

Mr. and Mrs. Darrel Roth of Friona are the parents of a baby boy born March 7 in Parmer County Community Hospital at 3:58 a.m.

Named Jeremy Gene, the new arrival weighed seven pounds, two ounces and was nineteen inches long.

Jeremy has an older sister, Twyla, who is two years old.

Grandparents are Cora Snyder of McAllen, Texas, Charles Snyder of Friona and Mr. and Mrs. Lester Roth, also of Friona.

Great-grandparents are Mr. and Mrs. Frank Snyder of Friona and Grace Kemp of Muleshoe.

Pat Fleming, candidate for the up-coming school board election, presented her candidacy before the club members and told of her qualifications and goals as a prospective member of the school board.

During the business session conducted by the club's president, Mary Johnston, discussion was held regarding the Caprock District Convention to be held in Lubbock this weekend. Members also worked on plans for the big forthcoming club project, the Spring Dinner Variety Show, scheduled for April 10 in the Community Center.

Dinner will be catered by Southern Seas of Lubbock and following the meal entertainment will be provided by several local musical groups. Tickets for this event may be purchased from any member of Modern Study Club.

Hostesses for the evening were Thelma Coffey and Iona Cook. The two served refreshments of cookies and lime sherbert, as the members browsed through a display of Texas Highways Magazines provided by Pat Fleming.

TROPHY WINNERS.... Trisha Teel, daughter of Mr. and Mrs. Jerry Teel, was presented a trophy for reading the most books, 70, during the month of January for the March of Dimes Read-A-Thon held at the Walcott School. Trisha is a second grade student at Walcott. Monroe Timberlake, son of Tom Timberlake, was presented a trophy for raising the most money for the March of Dimes, \$177.00. He is a first grade student at Walcott. Trophies were furnished by the Walcott P.T.O.

- Thursday, April 2--6 p.m.--? Game night. Hostesses, Jessie Douglas and Hazel Wier.

Book Event Conducted For March Of Dimes

The students of Walcott School participated in a Read-A-Thon for the March of Dimes during the month of January, raising a total of \$834.45 to be used for the March of Dimes in this area.

On March 5 during open house for the school a representative from the March of Dimes Foundation, and then presented students with awards for their efforts.

Four students received gold medals for reading 30 or more books. They were Trisha Teel, 70 books; Wade Watson, 30 books; Shamayne

Blasingame, 30 books; and Debbie Duncan, 30 books.

Four students received silver medals for reading 21-29 books and 18 students received bronze medals for reading 10-20 books.

Monroe Timberlake received a trophy for raising the most money during the Read-A-Thon, \$177.00.

During the open house each student of the school was presented with T-shirts from the P.T.O. to be worn for school activities. Each shirt has the lettering Walcott Wildcats and a picture of the wildcat on the front.

Town Talk

By June Floyd--

Call 247-3681 With Your News Item

Twenty members of the family of Ella Mae Wilkerson got together at her home on Thursday to help her observe her birthday. Five of her six children, with members of their families, were present.

Besides Alene, who makes her home with her mother, those who were there were Mr. and Mrs. Kenneth Wilkerson, David Wilkerson, and Mr. and Mrs. Dave Bentley, all of the Hub Community; Mr. and Mrs. Tommie Walker and children and Mr. and Mrs. Ricky Bentley of the Lazbuddie Community and Rayford Wilkerson of Nashville, Arkansas.

Frank Griffith, a long time Friona resident, also had a birthday this week. On Monday he observed his 85th at home.

His wife, Goldie, honored him with a covered dish luncheon at noon.

Others present were Mrs. Carrie Hill, Mrs. R.F. Talley, Mr. and Mrs. Rudolph Renner Sr., Mr. and Mrs. Les Ainsworth and Mr. and Mrs. Irvin Henderson, all of Friona.

One San Angelo classroom teacher and athletic coach added one week to her spring break. Linda Martin came up for a visit with her parents, Larry and Pat Martin.

Her friends and family know that a visit home really isn't all it should be if there isn't an occasion for riding a horse and assisting her dad and others in a cattle moving project.

Saturday she went out to "make a band," and was brought back to town with a broken arm. Her horse was well trained to "head 'em off and bring 'em back." Some rebellious critters decided to turn back, so the horse made a quick turn and the saddle slipped.

When the dust settled, Linda was on the ground with a broken bone in her upper right arm. She spent two nights in the local hospital and wasn't able to resume her teaching

and coaching duties on schedule.

Little Tammy Kay Spencer, Raymond's and Kathy's daughter, was honored with a birthday party in the family home Sunday. Following a family dinner, a birthday cake with one candle and ice cream were served.

Guests were Mr. and Mrs. J.D. Spencer Sr. of the Black Community; Mr. and Mrs. J.C. Snitker and children, John, Mary Beth and Robert and Mr. and Mrs. C.C. Snitker, all of Enochs, Texas. The J.D. Spencers are the paternal grandparents; the J.C. Snitkers are the maternal grandparents; and the C.C. Snitkers are great-grandparents.

If you doubt the effectiveness of Friona Star classifieds, just call Marca Lynn Herring and ask her opinion.

Sometime ago this industrious homemaker and mother of four discovered that her Rail Fence quilt, which was the first one she had ever made, was missing.

After making numerous inquiries and searching everywhere, the beautiful hand made bi-centennial quilt was still missing.

In spite of being a little bit reluctant about advertising the fact that she had lost her quilt, Marca Lynn finally decided that finding it was the only real important issue, so she chose the Star classified page to assist her.

When one week had gone by and she hadn't received a call as to the quilt's whereabouts, she kind of began to have her doubts about ever finding it.

However, soon after the ad's second appearance, she received a call and was overjoyed to learn that it had been located.

Early in the spring, one of the Herring girls, Christy, had taken the quilt to a tennis meet and left it in Cynthia Smith's car. When it was first discovered in the car, Cynthia

and Paul made some inquiries, but didn't find out its owner.

Soon after the ad's second appearance, Paul returned the quilt to the Herring home and Marca Lynn was very happy that the "Case Of The Missing Quilt" had been solved.

Friday visitors in the home of Mrs. Selma Habbinga were Herman Habbinga of Lubbock and Mr. and Mrs. Richard Habbinga and children, John and Lora Elizabeth, of Austin.

Herman is a brother of the late Dick Habbinga and Richard is a nephew.

Mr. and Mrs. J.V. Houser returned home late last week after a fishing trip to the Del Rio, Texas area.

Scotty and Denise Johnston of Amarillo spent last week visiting in the home of their paternal grandparents, Mr. and Mrs. Elvin Johnston.

Out-of-town visitors in our home last week were Mrs. Neoma McCown of Channing, and Mrs. Joel Brownlee and sons, Brent and Vance of Adrian.

Geneva Riethmayer is home again. She spent several days visiting in the home of Mr. and Mrs. Larry Rogers and daughter, Jenifer, in Lubbock. Mrs. Rogers is the former Kay Riethmayer.

Then drove on down to Abilene, where she visited in the home of her other daughter, Jill Riethmayer.

Dorothy Rolan of Stratford is visiting in the home of her father, Elwood Vaughn.

Mrs. Haywood Vaughn spent several days last week visiting in the home of Mr. and Mrs. Cal Cleveland of Gotebo, Oklahoma. Cleveland is Mrs. Vaughn's son.

Visitors in Friona last week included Mr. and Mrs. Weldon Emerson and granddaughter, Tonya Emerson of Gainesville, Texas. They were guests in the home of Mr. and Mrs. Kenneth Emerson and daughters, Cheryl and Kenna.

Other guests at a Thursday evening dinner in the Kenneth Emerson home were Mrs. Lyn Martin of Lubbock, the former Margaret Emerson; Mrs. Theda Williams and Mr. and Mrs. Wesley Hardesty.

The out-of-towners returned to their homes on Friday. They also visited in the home of Mr. and Mrs. Jess Shirley and children, Shay and Glen, who live in the Hub Community.

Weldon, Mary and Margaret are all former Friona residents.

Jim and Sally Cocannouer have returned from Fort Smith, Arkansas, where they attended funeral services for Sally's brother, Tillman B. Pope, of that city.

Larry and Rene Elmore of Sundown, Texas, returned to their home Sunday morning after a visit in the home of Larry's parents, Mr. and Mrs. W.V. Elmore.

They came to Friona last weekend and Rene stayed for a one week visit in the home of her grandparents. Then, Larry came up on Saturday and Rene accompanied him home.

Mrs. Roy Baker and daughter, Jenifer, of Lubbock have been visiting in the home of Ralph and Marie Roden.

Mrs. Baker is the former Pamela Sue Roden.

Marie and Tom Carroll of Hereford were Friday visitors in the home of Gib and Dot Boatman. The Carrolls are former Friona residents.

When they lived here, she was the school nurse and he was employed by Houser Foods.

Students Observe FHA Week

The Friona High School FHA organization observed FHA Week March 16-20.

Monday, the girls prepared foreign food for the foreign food supper that was held on Tuesday.

On Tuesday, the foreign food supper was held at 6 p.m. for the FHA members and their mothers. Diane Bim and a guest, of Amarillo, spoke on careers for women.

Wednesday was 50's day and all the members dressed in the style of the 50's.

Thursday was teacher appreciation day. Some members brought cookies, punch, etc. for the teachers.

Friday, members of the FHA traveled by vans to Hereford for a roller skating party followed by dinner at the Pizza Hut.

Child Abuse Workshop Is Set April 4 In Friona

KIMBERLEY DAWN TAYLOR and RONALD ALLEN SANDERS....Mr. and Mrs. Larry Taylor of Friona announce the engagement and approaching marriage of their daughter, Kim, to Ronny Sanders of Hereford, son of Mr. and Mrs. Ray Sanders of Hereford. Wedding vows will be exchanged on Saturday, May 30 at 5:30 p.m. in Calvary Baptist Church in Friona. Miss Taylor will graduate from Friona High School in May. Sanders is a graduate of Hereford High School, West Texas State University, and is vice president of Ray's Welding Supply, Hereford. The couple will make their home in Hereford.

Three Students Are Enrolled At OST

Twenty students from northwest Texas are among 2,828 full-time students enrolled for the spring trimester at Oklahoma State Tech, Okmulgee, Oklahoma.

Tech, the residential, technical branch of Oklahoma State University, is recognized nationwide for the quality of its instructional programs.

Students may select a career area from 46 college-level programs of study offered. All programs earn college credit.

More than 4,400 full-time students enroll annually at the post-secondary technical college campus. Students enrolled for the spring trimester represent all of Oklahoma's 77 counties, 36 other states and 16 foreign countries.

Northwest Texas students attending Tech, and their program of study, include: Rory L. Brito, diesel mechanics, Friona; Michael L. Southward, auto body and paint, Friona; and Coy D. Mason, diesel mechanics, Summerfield.

As citizens of Parmer County, your assistance is needed in dealing with a serious problem that plagues all of the counties of Texas—Child Abuse and Neglect. Through past articles in the Friona Star the Parmer County Child Welfare Board has sought to increase public awareness of the extent of this problem in our local communities.

The staggering amount of abuse and neglect throughout Texas is a firm and often grim reality.

"The children affected by abuse and neglect are children who need our help as citizens and as Christian individuals," said Rev. Skip Sirnic, chairman of the Parmer County Child Welfare Board.

On Saturday, April 4th, election day, a workshop will be held at the Friona State Bank. The morning session from 9 a.m.-12 noon will be directed at pastors and church leaders. "What the Church Can Do" will be the topic. The leader of the workshop, from the Texas Conference of Churches, will talk about the cause and dynamics of abuse, the reality of the problem in Parmer County (local statistics), the need and opportunities for service. There will be time for open discussion.

There will be an afternoon session from 1-4 p.m. for the general public. This time slot will deal primarily with helping people understand that a problem does exist, the extent of the problem and how they can help.

"The leadership for this workshop should be excellent. Many organizations and individuals throughout Texas have been identifying numerous ways the church and individuals can act to prevent abuse and neglect or remedy their after effects," Sirnic said.

"The Parmer County Child Welfare Board is sponsoring this program and we are asking ministers and key lay leaders to attend the morning session. We are also asking the general public to attend the afternoon session," he added.

The Board is taking care of all the expenses involved in presenting this workshop. In fact, the only cost is to the children if we as Christian citizens choose not to respond.

Anyone having questions should call Rev. Sirnic (247-3635 office; 247-2803 home). "Please make an effort to attend the workshop," he concluded.

There will be a bake sale of cakes donated by many of the women from local congregations. The funds raised will go toward meeting special needs of these children in danger.

FREE BOOK....John Copeland, District Conservationist for the Soil Conservation Service in Friona, is shown with the free soil survey book available locally. "The Soil Survey of Parmer County" will aid farmers that are not familiar with their property.

Free Soil Survey Book Is Available

A book has been compiled which should be a great aid to farmers planning to purchase, or rent a piece of property, with which they are not familiar.

"The Soil Survey of Parmer County" will give farmers all the information they need, in regard to virtually every farm in the county.

"Anyone who makes management decisions connected with the soil should have a copy of this book," says John Copeland, District Conservationist for the Soil Conservation Service.

It is stated that farmers, ranchers, sportsmen, community planners, builders, teachers and newcomers to Parmer County all can find helpful and interesting information in the soil survey.

The survey contains aerial photographs of the entire county, distinguishing the different types of soils. Also included is a description of

these soils, information on use and management of soils, formation and classification, and general nature of the county, is included.

The book is free for the asking, and is available at the Soil Conservation District Office in Friona.

Other publications of vital interest to farmers are also available from the Soil Conservation Service, Copeland pointed out. "We have a small supply of pamphlets on pump plant efficiency, on how to calculate the cost of pumping water with natural gas," the conservationist said.

Other pamphlets are available dealing with windbreaks, conservation tillage, and the Ogallala Aquifer, all at no charge.

If you need conservation planning assistance, or would like to pick up a soil survey, contact the Soil Conservation Service at 1306 West Ninth Street in Friona, Phone 247-2220.

Hospital Report
